(4) Local law enforcement agencies that disseminate information pursuant to this section shall: (a) Review available risk level classifications made by the department of corrections, the department of social and health services, and the indeterminate sentence review board; (b) assign risk level classifications to all offenders about whom information will be disseminated; and (c) make a good faith effort to notify the public and residents at least fourteen days before the offender is released from confinement or, where an offender moves from another jurisdiction, as soon as possible after the agency learns of the offender's move, except that in no case may this notification provision be construed to require an extension of an offender's release date. The juvenile court shall provide local law enforcement officials with all relevant information on offenders allowed to remain in the community in a timely manner.

(5) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 is immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity in this section applies to risk level classification decisions and the release of relevant and necessary information regarding any individual for whom disclosure is authorized. The decision of a local law enforcement agency or official to classify an offender to a risk level other than the one assigned by the department of corrections, the department of social and health services, or the indeterminate sentence
review board, or the release of any relevant and necessary information based on that different classification shall not, by itself, be considered gross negligence or bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

(6) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section.

(7) Nothing in this section implies that information regarding persons designated in subsection (1) of this section is confidential except as may otherwise be provided by law.

(8) When a local law enforcement agency or official classifies an offender differently than the offender is classified by the department of corrections, the department of social and health services, or the indeterminate sentence review board, the law enforcement agency or official shall notify the appropriate department or the board and submit its reasons supporting the change in classification."

The prosecuting attorney of the county shall be named and served as the respondent in any such petition. The court shall consider the nature of the registrable offense committed, and the criminal and relevant noncriminal behavior of the petitioner both before and after conviction, and may consider other factors. Except as provided
in subsection (4) of this section, the court may relieve the petitioner of the duty to register only if the petitioner shows, with clear and convincing evidence, that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330.

(a) The court may relieve the petitioner of the duty to register for a sex offense or kidnapping offense that was committed while the petitioner was fifteen years of age or older only if the petitioner shows, with clear and convincing evidence, that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1571, by House Committee on Commerce and Labor (originally sponsored by Representatives Wood, Clements and Conway)

Changing provisions on simulcast horse racing.

The bill was read the second time.

MOTION

On motion of Senator Prentice, the following Committee on Labor, Commerce and Financial Institutions striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 67.16.200 and 2000 c 223 s 1 are each amended to read as follows:

(1) A racing association licensed by the commission to conduct parimutuel wagering on its program at a satellite location or locations within the state of Washington. The sale of parimutuel pools at satellite locations shall be conducted only during the licensee's race meet and simultaneous to all parimutuel wagering activity conducted at the licensee's live racing facility in the state of Washington. The commission's authority to approve satellite wagering at a particular location is subject to the following limitations:

(a) The commission may approve only one satellite location in each county in the state; however, the commission may grant approval for more than one licensee to conduct wagering at each satellite location. A satellite location shall not be operated within twenty driving miles of any class 1 racing facility. For the purposes of this section, "driving miles" means miles measured by the most direct route as determined by the commission; and

(b) A licensee shall not conduct satellite wagering at any satellite location within sixty driving miles of any other racing facility conducting a live race meet.

(2) Subject to local zoning and other land use ordinances, the commission shall be the sole judge of whether approval to conduct wagering at a satellite location shall be granted.

(3) The licensee shall combine the parimutuel pools of the satellite location with those of the racing facility for the purpose of determining odds and computing payoffs. The amount wagered at the satellite location shall be combined with the amount wagered at the racing facility for the application of take out formulas and distribution as provided in RCW 67.16.102, 67.16.105, 67.16.170, and 67.16.175. A satellite extension of the licensee's racing facility shall be subject to the same application of the rules of racing as the licensee's racing facility.

(4) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to licensed racing associations located within the state of Washington and approved by the commission for the receipt of the simulcasts. The commission shall permit parimutuel pools on the simulcast races to be combined in a common pool. A satellite association that transmits simulcasts of its races to locations outside this state shall pay at least fifty percent of the fee that it receives for sale of the simulcast signal to the horsemen's purse account for its live races after first deducting the actual cost of sending the signal out of state.

(5) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to licensed racing associations located within the state of Washington and approved by the commission for the receipt of the simulcasts. The commission shall permit parimutuel pools on the simulcast races to be combined in a common pool. The fee for in-state, track-to-track simulcasts shall be five and one-half percent of the gross parimutuel receipts generated at the receiving location and payable to the sending racing association. A racing association that transmits simulcasts of its races to other licensed racing associations shall pay at least fifty percent of the fee that it receives for the simulcast signal to the horsemen's purse account for its live race meet after first deducting the actual cost of sending the simulcast signal. A racing association that receives races simulcast from class 1 racing associations within the state shall pay at least fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price and the actual direct costs of importing the race.

(6) A class 1 racing association may be allowed to import simulcasts of horse races from out-of-state racing facilities. With the prior approval of the commission, the class 1 racing association may participate in an interstate common pool and may change its commission and breakage rates to achieve a common rate with other participants in the common pool.

(a) The class 1 racing association shall make written application with the commission for permission to import simulcast horse races for the purpose of parimutuel wagering. Subject to the terms of this section, the commission is the sole authority in determining whether to grant approval for an imported simulcast race."
(b) "During the conduct of its race meeting, a class 1 racing association may be allowed to import no more than one simulcast race card program during each live race day." A licensed racing association may also be approved to import one simulcast race of regional or national interest on each live race day. (A class 1 racing association may be permitted to import two simulcast programs on two nonlive race days per each week during its live meet. A licensee shall not operate parimutuel wagering on more than five days per week. Parimutuel wagering on imported simulcast programs shall only be conducted at the live racing facility of a class 1 racing association.)

(c) The commission may allow simulcast races of regional or national interest to be sent to satellite locations. The simulcasts shall be limited to one per day except for Breeder's Cup special events day.

(d) When open for parimutuel wagering, a class 1 racing association which imports simulcast races shall also conduct simulcast parimutuel wagering within its licensed racing enclosure on all races simulcast from other class 1 racing associations within the state of Washington.

(e) "When not conducting a live race meeting, a class 1 racing association may be approved to conduct simulcast parimutuel wagering on imported simulcast races." The conduct of (simulcast) parimutuel wagering on (imported) simulcast races shall be for not more than fourteen hours during any twenty-four hour period, for not more than five days per week and only at the live racing facility of a class 1 racing association.

(f) On any imported simulcast race, the class 1 racing association shall pay fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price of the imported race and the actual costs of importing the race.

(7) For purposes of this section, a class 1 racing association is defined as a licensee approved by the commission to conduct during each twelve-month period at least forty days of live racing. If a live race day is canceled due to reasons directly attributable to acts of God, labor disruptions affecting live race days but not directly involving the licensee or its employees, or other circumstances that the commission decides are beyond the control of the class 1 racing association, then the canceled day counts toward the forty-day requirement. The commission may by rule increase the number of live racing days required to maintain class 1 racing association status or make other rules necessary to implement this section.

(8) This section does not establish a new form of gaming in Washington or allow expanded gaming within the state beyond what has been previously authorized. Simulcast wagering has been allowed in Washington before April 19, 1997. Therefore, this section does not allow gaming of any nature or scope that was prohibited before April 19, 1997. This section is necessary to protect the Washington equine breeding and racing industries, and in particular those sectors of these industries that are dependent upon live horse racing. The purpose of this section is to protect these industries from adverse economic impacts and to promote fan attendance at class 1 racing facilities. Therefore, imported simulcast race card programs shall not be disseminated to any location outside the live racing facility of the class 1 racing association and a class 1 racing association is strictly prohibited from simulcasting imported race card programs to any location outside its live racing facility.

MOTIONS

On motion of Senator Prentice, the following title amendment was adopted:

On line 3 of the title, after "facilities;" strike the remainder of the title and insert "and amending RCW 67.16.200."

On motion of Senator Prentice, the rules were suspended, Engrossed Substitute House Bill No. 1571, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

PARLIAMENTARY INQUIRY

Senator Hochstatter: "A point of parliamentary inquiry, Mr President. Because this bill removes the provisions that say how often Class 1 Racing may be imported and simulcasting, does this bill increase gambling in the state of Washington and require a sixty percent majority vote on final passage?"

Debate ensued.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the parliamentary inquiry of Senator Hochstatter concerning the number of votes necessary to pass Engrossed Substitute House Bill No. 1571, as amended by the Senate, the President finds that the measure would remove restrictions on the number of simulcast races that may be imported by horse racing associations on live race days. Because the measure would permit increased occurrences of gambling, the President rules that a sixty percent vote is required on final passage in accordance with Article II, Section 24 of the State Constitution.

"Senator West is correct that tracks already have the prior authority under the law to adjust their live and dark day race schedules to increase the number of simulcast races they may import. However, for purposes of this inquiry, the President's analysis must start with the fact that tracks do not have prior authority to offer unlimited simulcasts on a given live race day."

The President ruled that Engrossed Substitute House Bill No. 1571, as amended by the Senate, would require a sixty percent majority vote on final passage.

Further debate ensued.
The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1571, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 1571, as amended by the Senate, and the bill having received the constitutional majority, passed the Senate by the following vote: Yeas, 36; Nays, 12; Absent, 1; Excused, 0.

Voting nay: Senators Carlson, Fairley, Hargrove, Haugen, Hochstatter, Long, McDonald, Oke, Parlette, Regala, Stevens and Thibaudeau - 12.

(7) Each state agency with regulatory or other interests in the WRIA or multi-WRIA area to be planned shall assist the local citizens in the planning effort to the greatest extent practicable, recognizing any fiscal limitations. However, “transfer” does not mean the creation or perfection of a security interest in structured settlement payment rights under a blanket security agreement entered into with an insured depository institution, in the absence of any action to redirect the structured settlement payments to such insured depository institution, or an agent or successor in interest thereof, or otherwise to enforce such blanket security interest against the structured settlement payment rights.

(5) By the last day of May each year any insurer (providing) issuing or renewing individual health benefit plans in this state during the preceding calendar year shall file for review by the commissioner supporting documentation of its actual loss ratio for its individual health benefit plans offered or renewed in the state in aggregate for the preceding calendar year. (b) The remittance to the Washington state health insurance pool is the percentage calculated in (a) of (the [this]) this subsection, multiplied by the premium earned from each enrollee in the previous calendar year. Interest shall be added to the remittance due at a five percent annual rate calculated from the end of the calendar year for which the remittance is due to the date the remittance is made.

(c) All remittances shall be aggregated and such amounts shall be remitted to the Washington state high risk pool to be used as directed by the pool board of directors.

(7) The loss ratio applicable to this section shall be seventy-four percent minus the premium tax rate applicable to the insurer's individual health benefit plans under RCW 48.14.0201.

(1) The following persons who are residents of this state are eligible for pool coverage:

(a) Any person who provides evidence of a carrier's decision not to accept him or her for enrollment in an individual health benefit plan as defined in RCW 48.43.005 based upon, and within ninety days of the receipt of, the results of the standard health questionnaire designated by the board and administered by health carriers under RCW 48.43.018;

(c) Any person who resides in a county of the state where no carrier or insurer ((regulated)) eligible under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool, and who makes direct application to the pool; and

(d) Any medicare eligible person upon providing evidence of rejection for medical reasons, a requirement of restrictive riders, an increased premium, or a preexisting conditions limitation on a medicare supplemental insurance policy under chapter 48.66 RCW, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk by at least one member within six months of the date of application.

(2) The following persons are not eligible for coverage by the pool:
(a) Any person having terminated coverage in the pool unless (i) twelve months have lapsed since termination, or (ii) that person can show continuous other coverage which has been involuntarily terminated for any reason other than nonpayment of premiums. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(b) Any person on whose behalf the pool has paid out one million dollars in benefits;

(d) Any person who resides in a county of the state where any carrier or insurer regulated under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool and who does not qualify for pool coverage based upon the results of the standard health questionnaire, or pursuant to subsection (1)(d) of this section.

(3) When a carrier or insurer regulated under chapter 48.15 RCW begins to offer an individual health benefit plan in a county where no carrier had been offering an individual health benefit plan:

(a) If the health benefit plan offered is other than a catastrophic health plan as defined in RCW 48.43.005, any person enrolled in a pool plan pursuant to subsection (1)(c) of this section in that county shall no longer be eligible for coverage under that plan pursuant to subsection (1)(c) of this section, but may continue to be eligible for pool coverage based upon the results of the standard health questionnaire designated by the board and administered by the pool administrator. The pool administrator shall offer to administer the questionnaire to each person no longer eligible for coverage under subsection (1)(c) of this section within thirty days of determining that he or she is no longer eligible;

(b) Losing eligibility for pool coverage under this subsection (3) does not affect a person's eligibility for pool coverage under subsection (1)(a), (b), or (d) of this section; and

(c) The pool administrator shall provide written notice to any person who is no longer eligible for coverage under a pool plan under subsection (3) within thirty days of the administrator's determination that the person is no longer eligible. The notice shall: (i) Indicate that coverage under the plan will cease ninety days from the date that the notice is dated; (ii) describe any other coverage options, either in or outside of the pool, available to the person; (iii) describe the procedures for the administration of the standard health questionnaire to determine the person's continued eligibility for coverage under subsection (1)(c) of this section; and (iv) describe the enrollment process for the available options outside of the pool.

Sec. 4. RCW 48.41.110 and 2000 c 80 s 2 are each amended to read as follows:

(1) The pool shall offer one or more care management plans of coverage. Such plans may, but are not required to, include pool service features that permit participants to receive in-network benefits or out-of-network benefits subject to differential cost shares. Covered persons enrolled in the pool on January 1, 2001, may continue coverage under the pool plan in which they are enrolled on that date. However, the pool may incorporate managed care features into such existing plans.

(2) The administrator shall prepare a brochure outlining the benefits and exclusions of the pool policy in plain language. After approval by the board, such brochure shall be made reasonably available to participants or potential participants.

(3) The health insurance policy issued by the pool shall pay only reasonable amounts for medically necessary eligible health care services rendered or furnished for the diagnosis or treatment of illnesses, injuries, and conditions which are not otherwise limited or excluded. Eligible expenses are the reasonable amounts for the health care services and items for which benefits are extended under the pool policy. Such benefits shall at minimum include, but not be limited to, the following services or related items:

(a) Hospital services, including charges for the most common semiprivate room, for the most common private room if semiprivate rooms do not exist in the health care facility, or for the private room if medically necessary, but limited to a total of one hundred eighty inpatient days in a calendar year, and limited to thirty days inpatient care for mental and nervous conditions, or alcohol, drug, or chemical dependency or abuse per calendar year;

(b) Professional services including surgery for the treatment of injuries, illnesses, or conditions, other than dental, which are rendered by a health care provider, or at the direction of a health care provider, by a staff of registered or licensed practical nurses, or other health care providers;

(c) The first twenty outpatient professional visits for the diagnosis or treatment of one or more mental or nervous conditions or alcohol, drug, or chemical dependency or abuse rendered during a calendar year by one or more physicians, psychologists, or community mental health professionals, or, at the direction of a physician, by other qualified licensed health care practitioners, in the case of mental or nervous conditions, and rendered by a state certified chemical dependency program approved under chapter 70.96A RCW, in the case of alcohol, drug, or chemical dependency or abuse;

(d) Drugs and contraceptive devices requiring a prescription;

(e) Services of a skilled nursing facility, excluding custodial and convalescent care, for not more than one hundred days in a calendar year as prescribed by a physician;

(f) Services of a home health agency;

(g) Chemotherapy, radioisotope, radiation, and nuclear medicine therapy;

(h) Oxygen;

(i) Anesthesia services;

(j) Prostheses, other than dental;

(k) Durable medical equipment which has no personal use in the absence of the condition for which prescribed;

(m) Oral surgery limited to the following: Fractures of facial bones; excisions of mandibular joints, lesions of the mouth, lip, or tongue, tumors, or cysts excluding treatment for temporomandibular joints; incision of accessory sinuses, mouth salivary glands or ducts; dislocations of the jaw; plastic reconstruction or repair of traumatic injuries occurring covered under the pool; and excision of impacted wisdom teeth;

(n) Maternity care services;

(o) Services of a physical therapist and services of a speech therapist;

(p) Hospice services;

(q) Professional ambulance service to the nearest health care facility qualified to treat the illness or injury; and
(r) Other medical equipment, services, or supplies required by physician's orders and medically necessary and consistent with the diagnosis, treatment, and condition.

(4) The board shall design and employ cost containment measures and requirements such as, but not limited to, care coordination, provider network limitations, preadmission certification, and concurrent inpatient review which may make the pool more cost-effective.

(5) The pool benefit policy may contain benefit limitations, exceptions, and cost shares such as copayments, coinsurance, and deductibles that are consistent with managed care products, except that differential cost shares may be adopted by the board for nonnetwork providers under point of service plans. The pool benefit policy cost shares and limitations must be consistent with those that are generally included in health plans approved by the insurance commissioner; however, no limitation, exception, or reduction may be used that would exclude coverage for any disease, illness, or injury.

(6) The pool may not reject an individual for health plan coverage based upon preexisting conditions of the individual or deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions; except that it shall impose a six-month benefit waiting period for preexisting conditions for which medical advice was given, for which a health care provider recommended or provided treatment, or for which a prudent layperson would have sought advice or treatment, within six months before the effective date of coverage. The preexisting condition waiting period shall not apply to prenatal care services. The pool may not avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification.

Credit against the waiting period shall be as provided in subsection (7) of this section.

(7)(a) Except as provided in (b) of this subsection, the pool shall credit any preexisting condition waiting period in its plans for a person who was enrolled at any time during the sixty-three day period immediately preceding the date of application for the new pool plan (in a group health benefit plan or an individual health benefit plan other than a catastrophic health plan. The pool must credit the period of coverage the person was continuously covered under the immediately preceding health plan).

For the person previously enrolled in a group health benefit plan, the pool must credit the aggregate of all periods of preceding coverage not separated by more than sixty-three days toward the waiting period of the new health plan. For the person previously enrolled in an individual health benefit plan other than a catastrophic health plan, the pool must credit the period of coverage the person was continuously covered under the immediately preceding health plan toward the waiting period of the new health plan. For the purposes of this subsection, a preceding health plan includes an employer-provided self-funded health plan.

(b) The pool shall waive any preexisting condition waiting period for a person who is an eligible individual as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. 300gg-41(b)).

(8) If an application is made for the pool policy as a result of rejection by a carrier, then the date of application to the carrier, rather than to the pool, should govern for purposes of determining preexisting condition credit.

(5) No carrier may avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification. These provisions apply only to individuals who are Washington residents.

Sec. 7. RCW 48.43.015 and 2000 c 80 s 3 are each amended to read as follows:

Sec. 300gg).
(4) If a health benefit plan offered to a small group other than a small group:
(a) If the individual applicant's immediately preceding health plan coverage terminated during the period beginning ninety days and ending sixty-four days before the date of application for the new plan and such coverage was similar and continuous for at least three months, then the carrier shall not impose a waiting period for coverage of preexisting conditions under the new health plan.
(b) If the individual applicant's immediately preceding health plan coverage terminated during the period beginning ninety days and ending sixty-four days before the date of application for the new plan and such coverage was similar and continuous for less than three months, then the carrier shall credit the time covered under the immediately preceding health plan toward any preexisting condition waiting period under the new health plan.
(5) For the purposes of this subsection, a preceding health plan includes an employer-provided self-funded health plan and plans of the Washington state health insurance pool.
(6) For a health benefit plan offered to a small group:
(a) If the individual applicant's immediately preceding health plan coverage terminated during the period beginning ninety days and ending sixty-four days before the date of application for the new plan and such coverage was similar and continuous for at least nine months, then the carrier shall credit the time covered under the immediately preceding health plan toward any preexisting condition waiting period under the new health plan.

(7) For the purpose of this subsection, a preceding health plan includes an employer-provided self-funded health plan and plans of the Washington state health insurance pool.
(8) For a health benefit plan offered to an individual, other than an individual to whom subsection ((4)(a)) of this section applies, every health carrier shall credit any preexisting condition waiting period in that plan for a person who was enrolled at any time during the sixty-three day period immediately preceding the date of application for the new health plan in a group health benefit plan or an individual health benefit plan, other than a catastrophic benefit plan, and (a) the benefits under the previous plan provide equivalent or greater overall benefit coverage than that provided in the health benefit plan the individual seeks to purchase; or (b) the person is seeking an individual health benefit plan due to his or her change of residence from one geographic area in Washington state to another geographic area in Washington state where his or her current health plan is not offered, if application
for coverage is made within ninety days of relocation; or (c) the person is seeking an individual health benefit plan: (i) Because a 
health care provider with whom he or she has an established care relationship and from whom he or she has received treatment 
within the past twelve months is no longer part of the carrier's provider network under his or her existing Washington individual 
health benefit plan; and (ii) his or her health care provider is part of another carrier's provider network; and (iii) application for a 
health benefit plan under that carrier's provider network individual coverage is made within ninety days of his or her leaving 
the previous carrier's provider network. The carrier must credit the period of coverage the person was continuously covered under 
the immediately preceding health plan toward the waiting period of the new health plan. For the purposes of this subsection ((4)) 
(4), a preceding health plan includes an employer-provided self-funded health plan and plans of the Washington state health 
insurance pool.

((4)) (5) Every health carrier shall waive any preexisting condition waiting period in its individual plans for a person who 
is an eligible individual as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 
U.S.C. Sec. 300gg-4(b)).

((5)) (6) Subject to the provisions of subsections (1) through ((4)) (5) of this section, nothing contained in this section 
requires a health carrier to amend a health plan to provide new benefits in its existing health plans. In addition, nothing in this 
section requires a carrier to waive benefit limitations not related to an individual or group's preexisting conditions or health history.  

Sec. 8. RCW 48.43.018 and 2000 c 80 s 4 are each amended to read as follows:

(1) Except as provided in (a) through (c) of this subsection, a health carrier may require any person applying for an 
individual health benefit plan to complete the standard health questionnaire designated under chapter 48.41 RCW. 

(a) If a person is seeking an individual health benefit plan due to his or her change of residence from one geographic area 
in Washington state to another geographic area in Washington state where his or her current health plan is not offered, completion 
of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of 
relocation.

(b) If a person is seeking an individual health benefit plan:

(i) Because a health care provider with whom he or she has an established care relationship and from whom he or she 
has received treatment within the past twelve months is no longer part of the carrier's provider network under his or her existing 
Washington individual health benefit plan; and

(ii) His or her health care provider is part of another carrier's provider network; and

(iii) Application for a health benefit plan under that carrier's provider network individual coverage is made within ninety 
days of his or her provider leaving the previous carrier's provider network; then completion of the standard health questionnaire shall not be a condition of coverage.

(c) If a person is seeking an individual health benefit plan due to his or her having exhausted continuation coverage 
provided under 29 U.S.C. Sec. 1161 et seq., completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of exhaustion of continuation coverage. A health carrier shall accept an 
application without a standard health questionnaire from a person currently covered by such continuation coverage if application is 
made within ninety days prior to the date the continuation coverage would be exhausted and the effective date of the individual 
coverage applied for is the date the continuation coverage would be exhausted, or within ninety days thereafter.

(2) If, based on the results of the standard health questionnaire, the person qualifies for coverage under the 
Washington state health insurance pool, the following shall apply:

(a) The carrier may decide not to accept the person's application for enrollment in its individual health benefit plan; and

(b) Within fifteen business days of receipt of a completed application, the carrier shall provide written notice of the 
decision not to accept the person's application for enrollment to both the person and the administrator of the Washington state 
health insurance pool. The notice to the person shall state that the person is eligible for health insurance provided by the 
Washington state health insurance pool, and shall include information about the Washington state health insurance pool and an 
application for such coverage. If the carrier does not provide or postmark such notice within fifteen business days, the application is 
deemed approved.

(3) If the person applying for an individual health benefit plan: (a) Does not qualify for coverage under the Washington 
state health insurance pool based upon the results of the standard health questionnaire; (b) does qualify for coverage under 
the Washington state health insurance pool based upon the results of the standard health questionnaire and the carrier elects to accept 
the person for enrollment; or (c) is not required to complete the standard health questionnaire designated under this chapter under 
subsection (1)(a) or (b) of this section, the carrier shall accept the person for enrollment if he or she resides within the carrier's 
service area and provide or assure the provision of all covered services regardless of age, sex, family structure, ethnicity, race, 
health condition, geographic location, employment status, socioeconomic status, other condition or situation, or the provisions of 
RCW 49.60.174(2). The commissioner may grant a temporary exemption from this subsection if, upon application by a health 
carrier, the commissioner finds that the clinical, financial, or administrative capacity to serve existing enrollees will be impaired if a 
health carrier is required to continue enrollment of additional eligible individuals.

Sec. 9. RCW 48.43.025 and 2000 c 79 s 23 are each amended to read as follows:

(1) For group health benefit plans for groups other than small groups, no carrier may reject an individual for health plan 
coverage based upon preexisting conditions of the individual and no carrier may deny, exclude, or otherwise limit coverage for an 
individual's preexisting health conditions; except that a carrier may impose a three-month benefit waiting period for preexisting 
conditions for which medical advice was given, or for which a health care provider recommended or provided treatment((or for which a prudent 
layperson would have sought advice or treatment)); within three months before the effective date of coverage. Any 
preexisting condition waiting period or limitation relating to pregnancy as a preexisting condition shall be imposed only to the extent 
allowed in the federal health insurance portability and accountability act of 1996.

(2) For group health benefit plans for small groups, no carrier may reject an individual for health plan coverage based 
upon preexisting conditions of the individual and no carrier may deny, exclude, or otherwise limit coverage for an individual's 
preexisting health conditions. Except that a carrier may impose a nine-month benefit waiting period for preexisting conditions for 
which medical advice was given, or for which a health care provider recommended or provided treatment((or for which a prudent 
layperson would have sought advice or treatment)); within six months before the effective date of coverage. Any preexisting 
condition waiting period or limitation relating to pregnancy as a preexisting condition shall be imposed only to the extent allowed in the federal health insurance portability and accountability act of 1996.
(3) No carrier may avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification. A new or changed rate classification will be deemed an attempt to avoid the provisions of this section if the new or changed classification would substantially discourage applications for coverage from individuals or groups who are higher than average health risks. These provisions apply only to individuals who are Washington residents.

NEW SECTION. Sec. 10. A new section is added to chapter 48.43 RCW to read as follows:

To the extent required of the federal health insurance portability and accountability act of 1996, the eligibility of an employer or group to purchase a health benefit plan set forth in RCW 48.21.045(1)(b), 48.44.023(1)(b), and 48.46.066(1)(b) must be extended to all small employers and small groups as defined in RCW 48.43.005.

(a) The health care service contractor shall calculate a percentage of premium to be remitted to the Washington state high risk pool by subtracting the actual loss ratio for the preceding year from the loss ratio standard established in subsection (7) of this section.

(b) The remittance to the Washington state health insurance pool is the percentage calculated in (a) of this subsection, multiplied by the premium earned from each enrollee in the previous calendar year. Interest shall be added to the remittance due at a five percent annual rate calculated from the end of the calendar year for which the remittance is due to the date the remittance is made.

(c) All remittances shall be aggregated and such amounts shall be remitted to the Washington state high risk pool to be used as directed by the pool board of directors.

(d) Any remittance required to be issued under this section shall be issued within thirty days after the actual loss ratio is deemed approved under subsection (5)(a) of this section or the determination by an administrative law judge under subsection (5)(c) of this section.

(7) The loss ratio applicable to this section shall be seventy-four percent minus the premium tax rate applicable to the health care service contractor's individual health benefit plans under RCW 48.14.0201.

(2) A health maintenance organization shall file, for informational purposes only, a notice of its schedule of rates for its individual agreements with the commissioner prior to use.

(3) A health maintenance organization shall file with the notice required under subsection (2) of this section supporting documentation of its method of determining the rates charged. The commissioner may request only the following supporting documentation:

(a) A description of the health maintenance organization's rate-making methodology;

(b) An actuarially determined estimate of incurred claims which includes the experience data, assumptions, and justifications of the health maintenance organization's projection;

(c) The percentage of premium attributable in aggregate for nonclaims expenses used to determine the adjusted community rates charged; and

(d) A certification by a member of the American academy of actuaries, or other person approved by the commissioner, that the adjusted community rate charged can be reasonably expected to result in a loss ratio that meets or exceeds the loss ratio standard established in subsection (7) of this section.

(4) The commissioner may not disapprove or otherwise impede the implementation of the filed rates.

(5) By the last day of May each year any health maintenance organization (issuing or renewing individual health benefit plans in this state during the preceding calendar year) shall file for review by the commissioner supporting documentation of its actual loss ratio for its individual health benefit plans offered or renewed in the state in aggregate for the preceding calendar year. The filing shall include aggregate earned premiums, aggregate incurred claims, and a certification by a member of the American actuary of actuaries, or other person approved by the commissioner, that the actual loss ratio has been calculated in accordance with accepted actuarial principles.

(a) At the expiration of a thirty-day period beginning with the date the filing is (delivered to) received by the commissioner, the filing shall be deemed approved unless prior thereto the commissioner contests the calculation of the actual loss ratio.

(b) If the commissioner contests the calculation of the actual loss ratio, the commissioner shall state in writing the grounds for contesting the calculation to the health maintenance organization.

(c) Any dispute regarding the calculation of the actual loss ratio shall, upon written demand of either the commissioner or the health maintenance organization, be submitted to hearing under chapters 48.04 and 34.05 RCW.

(6) If the actual loss ratio for the preceding calendar year is less than the loss ratio standard established in subsection (7) of this section, a remittance is due and the following shall apply:

(a) The health maintenance organization shall calculate a percentage of premium to be remitted to the Washington state health insurance pool by subtracting the actual loss ratio for the preceding year from the loss ratio established in subsection (7) of this section.

(b) The remittance to the Washington state health insurance pool is the percentage calculated in (a) of this subsection, multiplied by the premium earned from each enrollee in the previous calendar year. Interest shall be added to the remittance due at a five percent annual rate calculated from the end of the calendar year for which the remittance is due to the date the remittance is made.

(7) The loss ratio applicable to this section shall be seventy-four percent minus the premium tax rate applicable to the health maintenance organization's individual health benefit plans under RCW 48.14.0201.

Sec. 13. RCW 70.47.060 and 2000 c 79 s 34 are each amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time to revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and medications, and other services that may be necessary for basic health care. In addition, the administrator may, to the extent that funds are available, offer as basic health plan services chemical dependency services, mental health services and organ transplant services; however, no one service or any combination of these three services shall increase the actuarial value of the basic health plan benefits by more than five percent excluding inflation, as determined by the office of financial management. All subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive covered basic health care services in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for services except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their

...
dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.47.030, and such other factors as the administrator deems appropriate.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator.

(d) To develop, as an offering by every health carrier providing coverage identical to the basic health plan, as configured on January 1, 2001, a basic health plan model plan with uniformly in enrollee cost-sharing requirements.

(e) To design and implement a structure of enrollee cost-sharing due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(f) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(g) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(h) To adopt a schedule for the orderly delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(i) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan for either subsidized enrollees, or nonsubsidized enrollees, or both. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(j) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(k) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. Funds received by a family as part of participation in the adoption support program authorized under RCW 26.33.520 and 74.13.100 through 74.13.145 shall not be counted toward a family's current gross family income for the purposes of this chapter. When an enrollee fails to report income or income changes accurately, the administrator shall have the authority either to bill the enrollee for the amounts overpaid by the state or to impose civil penalties of up to two hundred percent of the amount of subsidy overpaid due to the enrollee incorrectly reporting income. The administrator shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection, within available resources. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to reenroll in the plan.

(l) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator may require that a business owner pay at least an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for Medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(m) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be
the same or actuarially equivalent for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available funding, assistance for rural residents, underserved populations, and persons of color.

(16) In consultation with appropriate state and local government agencies, to establish criteria defining eligibility for persons confined or residing in government-operated institutions.

(17) To administer the premium discounts provided under RCW 48.41.200(3)(a) (i) and (ii) pursuant to a contract with the Washington state health insurance pool.

NEW SECTION, Sec. 14. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

(13) "Tuition and fees" means undergraduate tuition and services and activities fees as defined in RCW 28B.15.020 and 28B.15.041 rounded to the nearest whole dollar. The maximum tuition and fees charges recognized for beneficiaries enrolled in a state technical college shall be equal to the tuition and fees for the community college system.

(14) "Tuition unit contract" means a contract between an eligible purchaser and the governing body, or a successor agency appointed for administration of this chapter, for the purchase of tuition units for a specified beneficiary that may be redeemed at a later date for an equal number of tuition units.

(15) "Unit purchase price" means the minimum cost to purchase one tuition unit for an eligible beneficiary. Generally, the minimum purchase price is one percent of the undergraduate weighted average tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account. The formula for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.

(16) "Weighted average tuition" shall be calculated as the sum of the undergraduate tuition and services and activities fees for each four-year state institution of higher education, multiplied by the respective full-time equivalent student enrollment at each institution divided by the sum total of undergraduate full-time equivalent student enrollments of all four-year state institutions of higher education, rounded to the nearest whole dollar.

(17) "Weighted average tuition unit" is the value of the weighted average tuition and fees divided by one hundred. The weighted average is the basis upon which tuition benefits ((are)) may be calculated ((for graduate program enrollments and for attendance at nonstate institutions of higher education and is)) as the basis for any refunds provided from the program.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.95 RCW to read as follows:

(1) The committee may establish a college savings program. If such a program is established, the college savings program shall be established, in such form as may be determined by the committee, to be a qualified state tuition program as defined by the internal revenue service under section 529 of the internal revenue code, and shall be administered in a manner consistent with the Washington advanced college tuition payment program. The committee, in planning and devising the program, shall consult with the state investment board, the state treasurer, a qualified actuarial consulting firm with appropriate expertise to evaluate such plans, the legislative fiscal and higher education committees, and the institutions of higher education.

(2) If such a college savings program is established, the college savings program account is created in the custody of the state treasurer for the purpose of administering the college savings program. If created, the account shall be a discrete nontreasury account in the custody of the state treasurer. Interest earnings shall be retained in accordance with RCW 43.79A.040. Disbursements from the account, except for program administration, are exempt from appropriations and the allotment provisions of chapter 43.88 RCW. Money used for program administration is subject to the allotment provisions, but without appropriation.

(3) The committee, after consultation with the state investment board, shall determine the investment policies for the college savings program. Program contributions may be invested by the state investment board or the committee may contract with an investment company licensed to conduct business in this state to do the investing. The committee shall keep or cause to be kept full and adequate accounts and records of the assets of each individual participant in a college savings program.

(4) Either the state nor any eligible educational institution may be considered or held to be an insurer of the funds or assets of the individual participant accounts in the college savings program created under this section nor may any such entity be held liable for any shortage of funds in the event that balances in the individual participant accounts are insufficient to meet the educational expenses of the institution chosen by the student for which the individual participant account was intended.

(5) The committee shall adopt rules to implement this section. Such rules shall include but not be limited to administration, investment management, promotion, and marketing; compliance with internal revenue service standards; application
procedures and fees; start-up costs; phasing in the savings program and withdrawals therefrom; deterrents to early withdrawals and provisions for hardship withdrawals; and reenrollment in the savings program after withdrawal.

(5) The committee may, at its discretion, determine to cease operation of the college savings program if it determines the continuation is not in the best interest of the state. The committee shall adopt rules to implement this section addressing the orderly distribution of assets.

Sec. 3. RCW 28B.95.110 and 2000 c 14 s 8 are each amended to read as follows:

(1) The intent of the Washington advanced college tuition payment program is to redeem tuition units for attendance at an institution of higher education. Refunds shall be issued under specific conditions that may include the following:

(a) Certification that the beneficiary, who is eighteen years of age or older, will not attend an institution of higher education, will result in a refund not to exceed the current weighted average tuition and fees in effect at the time of such certification minus a penalty at the rate established by the internal revenue service under chapter 529 of the internal revenue code. No more than one hundred tuition units may be refunded per year to any individual making this certification. The refund shall be made no sooner than ninety days after such certification, less any administrative processing fees assessed by the governing body;

(b) If there is certification of the death or disability of the beneficiary, the refund shall be equal to one hundred percent of any remaining unused tuition units (valued at the current (weighted average tuition units)) value, as determined by the governing body, at the time that such certification is submitted to the governing body, less any administrative processing fees assessed by the governing body;

(c) If there is certification by the student of graduation or program completion, the refund shall be as great as one hundred percent of any remaining unused (weighted average) tuition units at the current value, as determined by the governing body, at the time that such certification is submitted to the governing body, less any administrative processing fees assessed by the governing body. The governing body may, at its discretion, impose a penalty if needed to comply with federal tax rules;

(d) If there is certification of other tuition and fee scholarships, which will cover the cost of tuition for the eligible beneficiary. The refund shall be equal to one hundred percent of the current (weighted average) value of tuition units, as determined by the governing body, in effect at the time of the refund request, (plus) less any administrative processing fees assessed by the governing body. The refund under this subsection may not exceed the value of the scholarship;

(e) Incorrect or misleading information provided by the purchaser or beneficiaries may result in a refund of the purchaser's investment, less any administrative processing fees assessed by the governing body. The value of the refund will not exceed the actual dollar value of the purchaser's contributions; and

(f) The governing body may determine other circumstances qualifying for refunds of remaining unused tuition units and may determine the value of that refund.

(2) With the exception of subsection (1)(b), (e), and (f) of this section no refunds may be made before the units have been held for two years.

Sec. 4. RCW 43.79A.040 and 2000 c 79 s 45 are each amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury.

(2) All income received from investment of the treasurer's trust fund shall be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer shall distribute the earnings credited to the investment income account to the state general fund except under (b) and (c) of this subsection.

(b) The following accounts and funds shall receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The college savings program account, the Washington advanced college tuition payment program account, the agricultural local fund, the American Indian scholarship endowment fund, the basic health plan self-insurance reserve account, the Washington international exchange scholarship endowment fund, the developmental disabilities endowment trust fund, the energy account, the fair fund, the game farm alternative account, the grain inspection revolving fund, the juvenile accountability incentive account, the rural rehabilitation account, the stadium and exhibition center account, the youth athletic facility (grant) account, the self-insurance revolving fund, the sulfur dioxide abatement account, and the children's trust fund. However, the earnings to be distributed shall first be reduced by the allocation to the state treasurer's service fund pursuant to RCW 43.08.190.

(c) The following accounts and funds shall receive eighty percent of their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The advanced right of way revolving fund, the advanced right of way revolving account, the federal narcotics asset forfeitures account, the high occupancy vehicle account, the local rail service assistance account, and the miscellaneous transportation programs account.

To the extent funds are appropriated, school districts shall require that schools develop a comprehensive safe school plan. A comprehensive
safe school plan is a school-based plan that includes prevention, intervention, all-hazards and crisis
response including the all-hazards emergency plan under RCW 28A.305.130, and postcrisis recovery components developed to
ensure the maintenance of a safe learning environment for students and adults. Upon completion of the comprehensive safe school
plans, and by December 1st of every year thereafter, school districts shall report to the superintendent of public instruction whether
schools in its district have developed comprehensive safe school plans. The superintendent of public instruction shall annually
report to the state board of education and the education committees of the house of representatives and senate on school districts’
comprehensive safe school planning.”

(2) On or before December 31, 1981, the department shall adjust, by rule under chapter 34.05 RCW, the forest land values contained in subsection (1) of this section in accordance with this subsection, and shall certify these adjusted values to the county assessor for his or her use in preparing the assessment rolls as of January 1, 1982. For the adjustment to be made on or before December 31, 1981, for use in the 1982 assessment year, the department shall:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1976, and June 30, 1981, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and
(b) Divide the aggregate value of all timber harvested within the state between July 1, 1975, and June 30, 1980, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and
(c) Adjust the forest land values contained in subsection (1) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.
For the adjustments to be made on or before December 31, 1982, and each succeeding year thereafter, the same procedure shall be followed as described in this subsection utilizing harvester excise tax returns filed under RCW 82.04.291 and this chapter. However, if this adjustment shall be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values shall be successively one year more recent.

(3) In preparing the assessment roll for 1972 and each year thereafter, the assessor shall enter as the true and fair value of each parcel of forest land the appropriate grade value certified to him or her by the department of revenue, and he or she shall compute the assessed value of such land by using the same assessment ratio he or she applies generally in computing the assessed value of other property in his or her county. In preparing the assessment roll for 1975 and each year thereafter, the assessor shall assess and value classified forest land as of any year commencing with 1975 assessment year or earlier shall continue to be so assessed and valued until removal of classification by the assessor only upon the occurrence of one of the following events:

(a) Receipt of notice from the owner to remove such land from classification as forest land;
(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;
(c) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that, because of actions taken by the owner, such land is no longer primarily devoted to and used for growing and harvesting timber.

6. In any year commencing with 1972, an owner of land which is assessed and valued by the assessor other than as forest land, may appeal to the county board of equalization by filing an application with the board in the manner prescribed in subsection (2) of RCW 84.33.130. The county board shall afford the applicant an opportunity to be heard if the application so requests and shall act upon the application in the manner prescribed in subsection (3) of RCW 84.33.130.

5. Land that has been assessed and valued as classified forest land as of any year commencing with 1975 assessment year or earlier shall continue to be so assessed and valued until removal of classification by the assessor only upon the occurrence of one of the following events:

(a) Receipt of notice from the owner to remove such land from classification as forest land;
(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;
(c) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that, because of actions taken by the owner, such land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from classification if a governmental agency, organization, or other recipient identified in subsection (9) or (10) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official act to acquire a property interest in classified forest land by reason of a transaction that qualifies for an exemption under subsection (9) or (10) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the classified land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;
(d) Determination that a higher and better use exists for such land than growing and harvesting timber after giving the owner written notice and an opportunity to be heard;
(e) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (7) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (7) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals.

The assessor shall remove classification pursuant to (c) or (d) of this subsection prior to September 30 of the year prior to the assessment year for which termination of classification is to be effective. Removal of classification as forest land upon occurrence of (a), (b), (d), or (e) of this subsection shall apply only to the land affected, and upon occurrence of (c) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber: PROVIDED, That any remaining classified forest land meets necessary definitions of forest land pursuant to RCW 84.33.100.

7. Thirty days after such removal of classification as forest land, the assessor shall notify the owner in writing setting forth the reasons for such removal. The owner of such land shall thereupon have the right to apply for designation of such land as forest land pursuant to subsection (4) of this section or RCW 84.33.130. The seller, transferor, or owner may appeal such removal to the county board of equalization.

8. Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from classification as forest land and shall have priority to and shall be fully paid and satisfied before any
recognition, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(9) The compensating tax specified in subsection (7) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (5) of this section resulted solely from:
(a) Transfer to a governmental entity in exchange for other forest land located within the state of Washington;
(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;
(c) A donation of fee title, development rights, or the right to harvest timber, to a governmental agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW: PROVIDED, That at such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (7) of this section shall be imposed upon the current owner;
(d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;
(e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of such land;
(f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; ((as))
(g) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040; or
(h) The sale or transfer of land after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1993 and the sale or transfer takes place within two years after the effective date of this section and the death of the owner occurred after January 1, 1991. The date of death shown on a death certificate is the date used for the purpose of this subsection.

(10) In a county with a population of more than one million inhabitants, the compensating tax specified in subsection (7) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (5) of this section resulted solely from:
(a) An action described in subsection (9) of this section; or
(b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax shall be imposed upon the current owner.

(11) With respect to any land that has been designated prior to May 6, 1974, pursuant to RCW 84.33.120(4) or 84.33.130, the assessor may, prior to January 1, 1975, on his or her own motion or pursuant to petition by the owner, change, without imposition of the compensating tax provided under RCW 84.33.140, the status of such designated land to classified forest land.

Sec. 2. RCW 84.33.140 and 1999 sp.s. c 4 s 703 are each amended to read as follows:

When land has been designated as forest land pursuant to RCW 84.33.120(4) or 84.33.130, a notation of such designation shall be made each year upon the assessment and tax rolls, a copy of the notice of approval together with the legal description or assessor's tax lot numbers for such land shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and such land shall be graded and valued pursuant to RCW 84.33.110 and 84.33.120 until removal of such designation by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove such designation;
(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;
(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (3) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (3) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;
(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:
(i) Such land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (5) or (6) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in designated forest land by means of a transaction that qualifies for an exemption under subsection (5) or (6) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;
(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control and forest debris provisions of Title 76 RCW or any applicable regulations thereunder; or
(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.
Removal of designation upon occurrence of any of (a) through (c) of this subsection shall apply only to the land affected, and upon occurrence of (d) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber, without regard to other land that may have been included in the same application and approval for designation: PROVIDED, That any remaining designated forest land meets necessary definitions of forest land pursuant to RCW 84.33.100.

(2) Within thirty days after such removal of designation of forest land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal a copy of the notice of removal with notation of the action, if any, upon appeal, together with the legal description or assessor’s tax lot numbers for the land removed from designation shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and the commencing on January 1 of the year following the year in which the assessor mailed such notice, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (1)(c), (5), or (6) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to the difference between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of one cent, equal to the number of years for which such land was designated as forest land.

(4) Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from designation as forest land and shall have priority to and shall be fully paid and satisfied before any recognition, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The compensating tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;
(b) A taking through the exercise of the power of eminent domain by or for the benefit of a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, manage, or restore, protect, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax shall be imposed upon the current owner;
(c) A donation of fee title, or the right to harvest timber, to a governmental agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW: PROVIDED, That at such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (3) of this section shall be imposed upon the current owner;

(e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of such land;
(f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(h) The sale or transfer of land after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1983 and the sale or transfer takes place within two years after the effective date of this section and the death of the owner occurred after January 1, 1991. The date of death shown on a death certificate is the date used for the purpose of this subsection.

(6) In a county with a population of more than one million inhabitants, the compensating tax specified in subsection (3) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (1) of this section resulted solely from:

(a) An action described in subsection (5) of this section; or
(b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred.
auditor shall not accept an instrument of conveyance of classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferee, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of such land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

The granting authority, upon request of an assessor, shall provide reasonable assistance to the assessor in making a determination whether such land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance shall be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:

(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(3) Within thirty days after such removal of all or a portion of such land from current use classification, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferee, or owner may appeal such removal to the county board of equalization.

(4) Unless the removal is reversed on appeal, the assessor shall revalue the affected land with reference to full market value on the date of removal from classification. Both the assessed valuation before and after the removal of classification shall be listed and taxes shall be allocated according to those sections, except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty shall be imposed which shall be due and payable to the county treasurer thirty days after notice of the amount of the additional tax. As soon as possible, the assessor shall compute the amount of such an additional tax, applicable interest, and penalty and the treasurer shall mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such additional tax, applicable interest, and penalty shall be determined as follows:

(a) The amount of additional tax shall be equal to the difference between the property tax paid as "open space land", "farm and agricultural land", or "timberland" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) The amount of applicable interest shall be equal to the interest upon the amounts of such additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which such additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

(c) The amount of the penalty shall be as provided in RCW 84.34.080. The penalty shall not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(5) Additional tax, applicable interest, and penalty, shall become a lien on such land which shall attach at the time such land is removed from classification under this chapter and shall have priority to and shall be fully paid and satisfied before any reconciliation, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050 now or as hereafter amended. Any additional tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied to delinquent ad valorem property taxes.

(6) The additional tax, applicable interest, and penalty specified in subsection (4) of this section shall not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b) (i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of such property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of such land;

(e) Transfer of land to a church when such land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections; PROVIDED, That at such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (4) of this section shall be imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(d);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; (i(i))

(j) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040; or

(k) The sale or transfer of land after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under chapter 84.33 RCW, or classified under this chapter continuously since 1993 and the sale or transfer takes place within two years after the effective date of this section and the death of the owner occurred after January 1, 1991. The date of death shown on a death certificate is the date used for the purpose of this subsection."

(1) Development regulations adopted pursuant to RCW 36.70A.040 shall establish time periods for local government actions on specific project permit applications and provide timely and predictable procedures to determine whether a completed project permit application meets the requirements of those development regulations. The time periods for local government actions on specific complete project permit applications or project types should not exceed one hundred twenty days, unless the local government makes written findings that a specified amount of additional time is needed for processing of specific complete project permit applications or project types. SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1286, by House Committee on Natural Resources

Providing hatchery origin salmon eggs in order to replenish fish runs.

The bill was read the second time.

MOTION

Senator Jacobsen moved that the following Committee on Natural Resources, Parks and Shoreline striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 77.95.210 and 2000 c 107 s 11 are each amended to read as follows:
(1) Except as provided in subsection (2) of this section, the department may supply, at a reasonable charge, surplus salmon eggs to a person for use in the cultivation of salmon. The department shall not intentionally create a surplus of salmon to provide eggs for sale. The department shall only sell salmon eggs from stocks that are not suitable for salmon population rehabilitation or enhancement in state waters in Washington after the salmon harvest on surplus salmon has been first maximized by both commercial and recreational fishers.
(2) The department shall not destroy hatchery origin salmon for the purposes of destroying viable eggs that would otherwise be useful for propagation or salmon recovery purposes, as determined by the department and Indian tribes with treaty fishing rights in a collaborative manner, for replenishing fish runs. Eggs deemed surplus by the state must be provided, in the following order of priority, to:
(a) Hatcheries of federally approved tribes in Washington to whom eggs are moved, not sold, under the interlocal cooperation act, chapter 39.34 RCW;
(b) Voluntary cooperative salmon culture programs under the supervision of the department under chapter 77.100 RCW;
(c) Regional fisheries enhancement group salmon culture programs under supervision of the department under this chapter;
(d) Governmental hatcheries in Washington, Oregon, and Idaho;
(e) Salmon culture programs requested by lead entities and approved by the salmon funding recovery board under chapter 77.85 RCW.

The order of priority established in this subsection for distributing surplus eggs does not apply when there is a shortfall in the supply of eggs.
(3) All sales, provisions, distributions, or transfers shall be consistent with the department's egg transfer and aquaculture disease control regulations as now existing or hereafter amended. Prior to department determination that eggs of a salmon stock are surplus and available for sale, the department shall assess the productivity of each watershed that is suitable for receiving eggs."
Sec. 2. RCW 77.95.270 and 1989 c 336 s 6 are each amended to read as follows:  
Enclosed as provided in RCW 77.95.210, the department may make available to private contractors salmon eggs in excess of department hatchery needs for the purpose of contract rearing to release the smolts into public waters. However, providing salmon eggs as specified in RCW 77.95.210(2) has the highest priority. The priority of providing eggs surplus after meeting the requirements of RCW 77.95.210(2) to contract rearing ((shall be)) is a higher priority than providing eggs to aquaculture purposes ((which)) that are not destined for release into Washington public waters.

Sec. 3. RCW 77.100.050 and 1987 c 505 s 73 are each amended to read as follows:

(a) (1) The department shall:

(b) (a) Encourage and support the establishment of cooperative agreements for the development and operation of cooperative food fish, shellfish, game fish, game bird, game animal, and nongame wildlife projects, and projects which provide an opportunity for volunteer groups to become involved in resource and habitat-oriented activities. All cooperative projects shall be fairly considered in the approval of cooperative agreements;

(c) Identify regions and species or activities that would be particularly suitable for cooperative projects providing benefits compatible with department goals;

(d) Determine the availability of rearing space at operating facilities or of net pens, egg boxes, portable rearing containers, incubators, and any other rearing facilities for use in cooperative projects, and allocate them to volunteer groups as fairly as possible;

(e) Make viable eggs available for replenishing fish runs, and salmon carcasses for nutrient enhancement of streams. If a regional fisheries enhancement group, lead entity, volunteer cooperative group, federally approved tribe in Washington, or a governmental hatchery in Washington, Oregon, or Idaho requests the department for viable eggs, the department must include the request within the brood stock document prepared for review by the regional offices. The eggs shall be distributed in accordance with the priority established in RCW 77.95.210 if they are available. A request for viable eggs may only be denied if the eggs would not be useful for propagation or salmon recovery purposes, as determined under RCW 77.95.210;

(f) Exempt volunteer groups from payment of fees to the department for activities related to the project;

(g) Not substitute a new cooperative project for any part of the department's program unless mutually agreeable to the department and volunteer group;

(h) Not approve agreements that are incompatible with legally existing land, water, or property rights.

(2) The department may, when requested, provide to volunteer groups its available professional expertise and assist the volunteer group to evaluate its project. The department must conduct annual workshops in each administrative region of the department that has fish stocks listed as threatened or endangered under the federal endangered species act, 16 U.S.C. Sec. 1531 et seq., in order to assist volunteer groups with egg rearing, share information on successful salmon recovery projects accomplished by volunteers within the state, and provide basic training on monitoring efforts that can be accomplished by volunteers in order to help determine if their efforts are successful.

Sec. 4. RCW 77.100.060 and 2000 c 107 s 112 are each amended to read as follows:  
The commission shall establish by rule:

(1) The procedure for entering a cooperative agreement and the application forms for a permit to release fish or wildlife required by RCW 77.12.457. The procedure shall indicate the information required from the volunteer group as well as the process of review by the department. The process of review shall include the means to coordinate with other agencies and Indian tribes when appropriate and to coordinate the review of any necessary hydraulic permit approval applications.

(2) The procedure for providing within forty-five days of receipt of a proposal a written response to the volunteer group indicating the date by which an acceptance or rejection of the proposal can be expected, the reason why the date was selected, and a written summary of the process of review. The response should also include any suggested modifications to the proposal which would increase its likelihood of approval and the date by which such modified proposal could be expected to be accepted. If the proposal is rejected, the department must provide in writing the reasons for rejection. The volunteer group may request the director or the director's designee to review information provided in the response.

(3) The priority of the uses to which eggs, seed, juveniles, or brood stock are put. Use by cooperative projects shall be second in priority only to the needs of programs of the department or of other public agencies within the territorial boundaries of the state. Sales of eggs, seed, juveniles, or brood stock have a lower priority than use for cooperative projects. The rules must identify and implement appropriate protocols for brood stock handling, including the outplanting of adult fish, spawning, incubation, rearing, and release and establish a prioritized schedule for implementation of this act, and shall include directives for allowing more hatchery salmon to spawn naturally in areas where progeny of hatchery fish have spawned, in order to increase the number of viable salmon eggs and restore healthy numbers of fish within the state.

(4) The procedure for the director to notify a volunteer group that the agreement for the project is being revoked for cause and the procedure for revocation. Revocation shall be documented in writing to the volunteer group. Cause for revocation may include: (a) The unavailability of adequate biological or financial resources; (b) the development of unacceptable biological or resource management conflicts; or (c) a violation of agreement provisions. Notice of cause to revoke for a violation of agreement provisions may specify a reasonable period of time within which the volunteer group must comply with any violated provisions of the agreement;

(5) An appropriate method of distributing among volunteer groups fish, bird, or animal food or other supplies available for the program.

NEW SECTION. Sec. 5. A new section is added to chapter 77.04 RCW to read as follows:

(1) The department shall prepare an annual surplus salmon report. This report shall include the disposition of adult salmonids that have returned to salmonid hatchery facilities operated under the jurisdiction of the state that:

(a) Have not been harvested; and

(b) Were not allowed to escape for natural spawning.

(2) The report shall include by species, the number and estimated weight of surplus salmon and steelhead and a description of the disposition of the adult carcasses including, but not limited to, the following categories:

(a) Disposed in landfills;

(b) Transferred to another government agency for reproductive purposes;
(c) Sold to contract buyers in the round;
(d) Sold to contract buyers after spawning;
(e) Transferred to Native American tribes;
(f) Donated to food banks; and
(g) Used in stream nutrient enrichment programs.

(3) The report shall also include by species, information on the number of requests for viable salmon eggs, the number of these requests that were granted and the number that were denied, the geographic areas for which these requests were granted or denied, and a brief explanation given for each denial of a request for viable salmon eggs.

(4) The report shall also be included in the biennial state of the salmon report required by RCW 77.85.020 and other similar state reports on salmon.

(5) The report shall include an assessment of the infrastructure needs and facility modifications necessary to implement this act.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.”

“Sec. 3. RCW 28A.605.020 and 1979 ex.s. c 250 s 8 are each amended to read as follows:

Every school district board of directors shall, after following established procedure, adopt a policy assuring parents access to their child’s classroom and/or school sponsored activities for purposes of observing class procedure, teaching material, and class conduct (Provided, That such observation shall not disrupt the classroom procedure or learning activity).

POINT OF ORDER

Senator McAuliffe: “Mr. President, I rise to a point of order. I submit that the amendment proposed by Senators Hochstatter and Swecker changes the scope and object of Second Substitute Senate Bill No. 5625. The underlying bill establishes a process to hold schools and school districts accountable based upon the test scores and other indicators. It is a systems-level process. The bill does not address the role of parents. It is a systems bill. The amendment is outside the scope, because it creates a new crime regarding parental access to the classroom.”

Further debate ensued.

MOTION

On motion of Senator Betti Sheldon, further consideration of Second Substitute Senate Bill No. 5625 was deferred.

SUBSTITUTE HOUSE BILL NO. 2105, by House Committee on Natural Resources (originally sponsored by Representatives Sump, Doumit, Pearson, Rockefeller and Woods)

Modifying provisions related to small forest landowners.

The bill was read the second time.

MOTION

On motion of Senator Jacobsen, the following Committee on Natural Resources, Parks and Shorelines striking amendment was not adopted:

Strike everything after the enacting clause and insert the following:

“Sec. 1. RCW 76.13.110 and 2000 c 11 s 12 are each amended to read as follows:

(1) The department of natural resources shall establish and maintain a small forest landowner office. The small forest landowner office shall be a resource and focal point for small forest landowner concerns and policies, and shall have significant expertise regarding the management of small forest holdings, governmental programs applicable to such holdings, and the forestry riparian easement program.

(2) The small forest landowner office shall administer the provisions of the forestry riparian easement program created under RCW 76.13.120. With respect to that program, the office shall have the authority to contract with private consultants that the office finds qualified to perform timber cruises of forestry riparian easements or to lay out streamside buffers and comply with other forest management plans or alternate harvest restrictions in a manner that will minimize the negative impacts on essential riparian functions.

(3) The small forest landowner office shall assist in the development of small landowner options through alternate harvest restrictions appropriate to small landowners. The small forest landowner office shall provide a report to the board and the legislature.

(4) An advisory committee is established to assist the small forest landowner office in developing policy and recommending rules to the forest practices board. The advisory committee shall consist of seven members, including a representative from the department of ecology, the department of fish and wildlife, and a tribal representative. Four additional committee members shall be small forest landowners who shall be appointed by the commissioner of public lands from a list of candidates submitted by the board of directors of the Washington farm forestry association or its successor organization. The association shall submit more than one candidate for each position. Appointees shall serve for a term of four years. The small forest landowner office shall review draft rules or rule concepts with the committee prior to recommending such rules to the forest practices board. The office shall reimburse nongovernmental committee members for reasonable expenses associated with attending committee meetings as provided in RCW 43.03.050 and 43.03.060.

(5) By December 1, (2000) 2002, the small forest landowner office shall provide a report to the board and the legislature containing:

...
(a) Estimates of the amounts of nonindustrial forests and woodlands in holdings of twenty acres or less, twenty-one to one hundred acres, one hundred to one thousand acres, and one thousand to five thousand acres, in western Washington and eastern Washington, and the number of persons having total nonindustrial forest and woodland holdings in those size ranges;

(b) Estimates of the number of parcels of nonindustrial forests and woodlands held in contiguous ownerships of twenty acres or less, and the percentages of those parcels containing Improvements used: (i) As primary residences for half or more of most years; (ii) As vacation homes or other temporary residences for less than half of most years; and (iii) for other uses;

(c) The watershed administrative units in which significant portions of the riparian areas or total land area are nonindustrial forests and woodlands;

(d) Estimates of the number of forest practices applications and notifications filed per year for forest road construction, silvicultural activities to enhance timber growth, timber harvest not associated with conversion to nonforest land uses, with estimates of the number of acres of nonindustrial forests and woodlands on which forest practices are conducted under those applications and notifications; and

(e) Recommendations on ways the board and the legislature could provide more effective incentives to encourage continued management of nonindustrial forests and woodlands for forestry uses in ways that better protect salmon, other fish and wildlife, water quality, and other environmental values.

(6) By December 1, (2003) 2004, and every four years thereafter, the small forest landowner office shall provide to the board and the legislature an update of the report described in subsection (5) of this section, containing more recent information and describing:

(a) Trends in the items estimated under subsection (5)(a) through (d) of this section;

(b) Whether, how, and to what extent the forest practices act and rules contributed to those trends; and

(c) Whether, how, and to what extent: (i) The board and legislature implemented recommendations made in the previous report; and (ii) implementation of or failure to implement those recommendations affected those trends.

Sec. 2. RCW 76.13.120 and 2000 c 11 s 13 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section and RCW 76.13.100 and 76.13.110 unless the context clearly requires otherwise.

(a) "Forestry riparian easement" means an easement covering qualifying timber granted voluntarily to the state by a small forest landowner.

(b) "Qualifying timber" means those trees covered by a forest practices application that the small forest landowner is required to leave unharvested under the rules adopted under RCW 76.09.055 and 76.09.370 or that is made uneconomic to harvest by those rules, and for which the small landowner is willing to grant the state a forestry riparian easement. "Qualifying timber" is timber within or bordering a commercially reasonable harvest unit as determined under rules adopted by the forest practices board, or timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules.

(c) "Small forest landowner" means a landowner meeting all of the following characteristics: (i) A forest landowner as defined in RCW 76.09.020 whose interest in the land and timber is in fee or who has rights to the timber to be included in the forestry riparian easement that extend at least fifty years from the date the forest practices application associated with the easement is submitted; (ii) an entity that has harvested from its own lands in this state during the three years prior to the year of application an average timber volume that would qualify the owner as a small timber harvester under RCW 84.33.073(1); and (iii) an entity that certifies at the time of application that it does not expect to harvest from its own lands more than the volume allowed by RCW 84.33.073(1) during the ten years following application. If a landowner's prior three-year average harvest exceeds the limit of RCW 84.33.073(1), the landowner expects to exceed this limit during the ten years following application, and that landowner establishes to the department of natural resources' reasonable satisfaction that the harvest limits were or will be exceeded to raise funds to pay estate taxes or equally compelling and unexpected obligations such as court-ordered judgments or extraordinary medical expenses, the landowner shall be deemed to be a small forest landowner.

For purposes of determining whether a person qualifies as a small forest landowner, the small forest landowner office, created in RCW 76.13.110, shall evaluate the landowner under this definition as of the date that the forest practices application is submitted or the date the landowner notifies the department that the harvest is to begin with which the forestry riparian easement is associated. A small forest landowner can include an individual, partnership, corporate, or other nongovernmental legal entity. If a landowner grants timber rights to another entity for less than five years, the landowner may still qualify as a small forest landowner under this section. If a landowner is unable to obtain an approved forest practices application for timber harvest for any of his or her land because of restrictions under the forest practices rules, the landowner may still qualify as a small forest landowner under this section.

(d) "Completion of harvest" means that the trees have been harvested from an area and that further entry into that area by mechanized logging or slash treating equipment is not expected.

(3) The department of natural resources is authorized and directed to accept and hold in the name of the state of Washington forestry riparian easements granted by small forest landowners covering qualifying timber and to pay compensation to such landowners in accordance with subsections (6) and (7) of this section. The department of natural resources may not transfer the easements to any entity other than another state agency.

(4) Forestry riparian easements shall be effective for fifty years from the date the forest practices application associated with the qualifying timber is submitted to the department of natural resources, unless the easement is terminated earlier by the department of natural resources voluntarily, based on a determination that termination is in the best interest of the state, or under the terms of a termination clause in the easement.

(5) Forestry riparian easements shall be restrictive only, and shall preserve all lawful uses of the easement premises by the landowner that are consistent with the terms of the easement and the requirement to protect riparian functions during the term of the easement, subject to the restriction that the leave trees required by the rules to be left on the easement premises may not be cut during the term of the easement. No right of public access to or across, or any public use of the easement premises is created by
this statute or by the easement. Forestry riparian easements shall not be deemed to trigger the compensating tax of or otherwise disqualify land from being taxed under chapter 84.33 or 84.34 RCW.

(6) Upon application of a small forest landowner for a riparian easement that is associated with a forest practices application and the landowner's marking of the qualifying timber on the qualifying lands, the small forest landowner office shall determine the compensation to be offered to the small forest landowner as provided for in this section. The small forest landowner office shall also determine the compensation to be offered to a small forest landowner for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules. The legislature recognizes that there is not readily available market transaction evidence of value for easements of this nature, and thus establishes the following methodology to ascertain the value for forestry riparian easements. Values so determined shall not be considered competent evidence of value for any other purpose.

The small forest landowner office shall establish the volume of the qualifying timber. Based on that volume and using data obtained or maintained by the department of revenue under RCW 84.33.074 and 84.33.091, the small forest landowner office shall attempt to determine the fair market value of the qualifying timber as of the date the forest practices application associated with the qualifying timber was submitted. If, under the forest practices rules adopted under chapter 4, Laws of 1999 sp. sess., some qualifying timber may be removed prior to the expiration of the fifty-year term of the easement, the small forest landowner office shall apply a reduced compensation factor to ascertain the value of those trees based on the proportional economic value, considering income and growth, lost to the landowner.

(7) Except as provided in subsection (8) of this section, the small forest landowner office shall, subject to available funding, offer compensation to the small forest landowner in the amount of fifty percent of the value determined in subsection (6) of this section, plus the compliance costs as determined in accordance with section 3 of this act. If the landowner accepts the offer for qualifying timber that will be harvested pursuant to an approved forest practices application, the department of natural resources shall pay the compensation promptly upon (a) completion of harvest in the area covered by the forestry riparian easement; (b) verification that there has been compliance with the rules requiring leave trees in the easement area; and (c) execution and delivery of the easement to the department of natural resources. If the landowner accepts the offer for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules, the department of natural resources shall pay the compensation promptly upon (i) verification that there has been compliance with the rules requiring leave trees in the easement area; and (ii) execution and delivery of the easement to the department of natural resources. Upon donation or payment of compensation, the department of natural resources may record the easement.

(8) For approved forest practices applications where the regulatory impact is greater than the average percentage impact for all small landowners as determined by the department of natural resources analysis under the regulatory fairness act, chapter 19.85 RCW, the compensation offered will be increased to one hundred percent for that portion of the regulatory impact that is in excess of the average. Regulatory impact includes trees left in buffers, special management zones, and those rendered uneconomic to harvest by these rules. A separate average or high impact regulatory threshold shall be established for western and eastern Washington. Criteria for these measurements and payments shall be established by the small forest landowner office.

(9) The forest practices board shall adopt rules under the administrative procedure act, chapter 34.05 RCW, to implement the forestry riparian easement program, including the following:

(a) A standard version or versions of all documents necessary or advisable to create the forestry riparian easements as provided for in this section;
(b) Standards for descriptions of the easement premises with a degree of precision that is reasonable in relation to the values involved;
(c) Methods and standards for cruises and valuation of forestry riparian easements for purposes of establishing the compensation. The department of natural resources shall perform the timber cruises of forestry riparian easements required under this chapter and chapter 76.09 RCW. Any rules concerning the methods and standards for valuations of forestry riparian easements shall apply only to the department of natural resources, small forest landowners, and the small forest landowner office;
(d) A method to determine that a forest practices application involves a commercially reasonable harvest, and adopt criteria for entering into a forest riparian easement where a commercially reasonable harvest is not possible or a forest practices application that has been submitted cannot be approved because of restrictions under the forest practices rules;
(e) A method to address blowdown of qualified timber falling outside the easement premises;
(f) A formula for sharing of proceeds in relation to the acquisition of qualified timber covered by an easement through the exercise or threats of eminent domain by a federal or state agency with eminent domain authority, based on the present value of the department of natural resources' and the landowner's relative interests in the qualified timber;
(g) High impact regulatory thresholds;
(h) A method to determine timber that is qualifying timber because it is rendered uneconomic to harvest by the rules adopted under RCW 76.09.055 and 76.09.370; and
(i) A method for internal department of natural resources review of small forest landowner office compensation decisions under subsection (7) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 76.13 RCW to read as follows:

In order to assist small forest landowners to remain economically viable, the legislature intends that the small forest landowners be able to net fifty percent of the value of the trees left in the buffer areas. The amount of compensation offered in RCW 76.13.120 shall also include the compliance costs for participation in the riparian easement program. For purposes of this section, "compliance costs" includes the cost of preparing and recording the easement, and any business and occupation tax and real estate excise tax imposed because of entering into the easement.”

MOTION

On motion of Senator Jacobsen, the following striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 76.13.110 and 2000 c 11 s 12 are each amended to read as follows:
The definitions in this subsection apply throughout this section and RCW 76.13.100 and 76.13.110 unless the context clearly requires otherwise.

(a) "Forestry riparian easement" means an easement covering qualifying timber granted voluntarily to the state by a small forest landowner.

(b) "Qualifying timber" means those trees covered by a forest practices application that the small forest landowner is required to leave unharvested under the rules adopted under RCW 76.09.055 and 76.09.370 or that is made uneconomic to harvest by those rules, and for which the small landowner is willing to grant the state a forestry riparian easement.

(c) "Small forest landowner" means a landowner meeting all the following characteristics: (i) A forest landowner as defined in RCW 76.09.020 whose interest in the land and timber is in fee or who has rights to the timber to be included in the forestry riparian easement that extend at least fifty years from the date the forest practices application associated with the easement is submitted; (ii) an entity that has harvested from its own lands in this state during the three years prior to the year of application an
average timber volume that would qualify the owner as a small timber harvester under RCW 84.33.073(1); and (iii) an entity that certifies at the time of application that it does not expect to harvest from its own lands more than the volume allowed by RCW 84.33.073(1) during the ten years following application. If a landowner's prior three-year average harvest exceeds the limit of RCW 84.33.073(1), or the landowner expects to exceed this limit during the ten years following application, and that landowner establishes to the department of natural resources' reasonable satisfaction that the harvest limits were or will be exceeded to raise funds to pay estate taxes or equally compelling and unexpected obligations such as court-ordered judgments or extraordinary medical expenses, the landowner shall be deemed to be a small forest landowner.

For purposes of determining whether a person qualifies as a small forest landowner, the small forest landowner office, created in RCW 76.13.110, shall evaluate the landowner under this definition as of the date the forest practices application is submitted or the date the landowner notifies the department that the harvest is to begin with which the forestry riparian easement is associated. A small forest landowner can include an individual, partnership, corporate, or other nongovernmental legal entity. If a landowner grants timber rights to another entity for less than five years, the landowner may still qualify as a small forest landowner under this section. If a landowner is unable to obtain an approved forest practices application for timber harvest for any of his or her land because of restrictions under the forest practices rules, the landowner may still qualify as a small forest landowner under this section.

"Completion of harvest" means that the trees have been harvested from an area and that further entry into that area by mechanized logging or slash burning is not expected.

The department of natural resources is authorized and directed to accept and hold in the name of the state of Washington forestry riparian easements granted by small forest landowners covering qualifying timber and to pay compensation to such landowners in accordance with subsections (6) and (7) of this section. The department of natural resources may not transfer the easements to any entity other than another state agency.

Forestry riparian easements shall be effective for fifty years from the date the forest practices application associated with the qualifying timber is submitted to the department of natural resources, unless the easement is terminated earlier by the department of natural resources voluntarily, based on a determination that termination is in the best interest of the state, or under the terms of a termination clause in the easement.

Forestry riparian easements shall be restrictive only, and shall preserve all lawful uses of the easement premises by the landowner that are consistent with the terms of the easement and the requirement to protect riparian functions during the term of the easement, subject to the restriction that the leave trees required by the rules to be left on the easement premises may not be cut during the term of the easement. No right of public access to or across, or any public use of the easement premises is created by this statute or by the easement. Forestry riparian easements shall not be deemed to trigger the compensating tax of or otherwise disqualify land from being taxed under chapter 84.33 or 84.34 RCW.

Upon application of a small forest landowner for a riparian easement that is associated with a forest practices application and the landowner's marking of the qualifying timber on the qualifying lands, the small forest landowner office shall determine the compensation to be offered to the small forest landowner as provided for in this section. The small forest landowner office shall also determine the compensation to be offered to a small forest landowner for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules. The legislature recognizes that there is not readily available market transaction evidence of value for easements of this nature, and thus establishes the following methodology to ascertain the value for forestry riparian easements. Values so determined shall not be considered confirmatory evidence of value for any other purpose.

The small forest landowner office shall establish the volume of the qualifying timber. Based on that volume and using data obtained or maintained by the department of revenue under RCW 84.33.074 and 84.33.091, the small forest landowner office shall attempt to determine the fair market value of the qualifying timber as of the date the forest practices application associated with the qualifying timber was submitted or the date the landowner notifies the department that the harvest is to begin. If, under the forest practices rules adopted under chapter 4, Laws of 1999 sp. sess., some qualifying timber may be removed prior to the expiration of the fifty-year term of the easement, the small forest landowner office shall apply a reduced compensation factor to ascertain the value of those trees based on the proportional economic value, considering income and growth, lost to the landowner.

Except as provided in subsection (8) of this section, the small forest landowner office shall, subject to available funding, offer compensation to the small forest landowner in the amount of fifty percent of the value determined in subsection (6) of this section, plus the compliance costs as determined in accordance with section 3 of this act. If the landowner accepts the offer for qualifying timber that will be harvested pursuant to an approved forest practices application, the department of natural resources shall pay the compensation promptly upon (a) completion of harvest in the area covered by the forestry riparian easement; (b) verification that there has been compliance with the rules requiring leave trees in the easement area; and (c) execution and delivery of the easement to the department of natural resources. If the landowner accepts the offer for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules, the department of natural resources shall pay the compensation promptly upon (i) verification that there has been compliance with the rules requiring leave trees in the easement area; and (ii) execution and delivery of the easement to the department of natural resources. Upon donation or payment of compensation, the department of natural resources may record the easement.

For approved forest practices applications where the regulatory impact is greater than the average percentage impact for all small landowners as determined by the department of natural resources analysis under the regulatory fairness act, chapter 19.85 RCW, the compensation offered will be increased to one hundred percent for that portion of the regulatory impact that is in excess of the average. Regulatory impact includes trees left in buffers, special management zones, and those rendered uneconomic to harvest by these rules. A separate average or high impact regulatory threshold shall be established for western and eastern Washington. Criteria for these measurements and payments shall be established by the small forest landowner office.

The forest practices board shall adopt rules under the administrative procedure act, chapter 34.05 RCW, to implement the forestry riparian easement program, including the following:

(a) A standard version or versions of all documents necessary or advisable to create the forestry riparian easements as provided for in this section;

(b) Standards for descriptions of the easement premises with a degree of precision that is reasonable in relation to the values involved;
(c) Methods and standards for cruises and valuation of forestry riparian easements for purposes of establishing the compensation. The department of natural resources shall perform the timber cruises of forestry riparian easements required under this chapter and chapter 76.09 RCW. Any rules concerning the methods and standards for valuations of forestry riparian easements shall apply only to the department of natural resources, small forest landowners, and the small forest landowner office;

(d) A method to determine that a forest practices application involves a commercially reasonable harvest, and adopt criteria for entering into a forest riparian easement where a commercially reasonable harvest is not possible or a forest practices application that has been submitted cannot be approved because of restrictions under the forest practices rules;

(e) A method to address blowdown of qualified timber falling outside the easement premises;

(f) A formula for sharing proceeds in relation to the acquisition of qualified timber covered by an easement through the exercise or threats of eminent domain by a federal or state agency with eminent domain authority, based on the present value of the department of natural resources' and the landowner's relative interests in the qualified timber;

(g) High impact regulatory thresholds;

(h) A method to determine timber that is qualifying timber because it is rendered uneconomic to harvest by the rules adopted under RCW 76.09.055 and 76.09.370; and

(i) A method for internal department of natural resources review of small forest landowner office compensation decisions under subsection (7) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 76.13 RCW to read as follows:

In order to assist small forest landowners to remain economically viable, the legislature intends that the small forest landowners be able to net fifty percent of the value of the trees left in the buffer areas. The amount of compensation offered in RCW 76.13.120 shall also include the compliance costs for participation in the riparian easement program. For purposes of this section, "compliance costs" includes the cost of preparing and recording the easement, and any business and occupation tax and real estate excise tax imposed because of entering into the easement."

Sec. 4. RCW 9A.76.010 and 1991 c 181 s 6 are each amended to read as follows:

The following definitions are applicable in this chapter unless the context otherwise requires:

(2) "Detention facility" means any place used for the confinement of a person (a) arrested for, charged with or convicted of an offense, or (b) charged with being or adjudicated to be a juvenile offender as defined in RCW 13.40.020 as now existing or
hereafter amended, or (c) held for extradition or as a material witness, or (d) otherwise confined pursuant to an order of a court, except an order under chapter 13.34 RCW or chapter 13.32A RCW, or (e) in any work release, furlough, or other such facility or program;

(3) "Contraband" means any object or thing which a person confined in a detention facility is prohibited from obtaining or possessing by statute, rule, regulation, or order of a court;

(4) "Uncontrollable circumstances" means an act of nature such as a flood, earthquake, or fire, or a medical condition that requires immediate hospitalization or treatment, or an act of man such as an automobile accident or threats of death, forcible sexual attack, or substantial bodily injury in the immediate future for which there is no time for a complaint to the authorities and no time or opportunity to resort to the courts;

Sec. 5. RCW 9.94A.360 and 2000 c 28 s 15 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

(1) The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed “other current offenses” within the meaning of RCW 9.94A.400.

(2) Class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions of a nonviolent nature shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(1) Prior offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the “same criminal conduct” analysis found in RCW 9.94A.400(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(b) As used in this subsection (5), “served concurrently” means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and ½ point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and ½ point for each juvenile prior conviction for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and ½ point for each juvenile prior conviction.
If the present conviction is for a drug offense count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as ½ point.

If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

If the present conviction is for a sex offense, count priors as in subsections (7) through (15) of this section; however count three points for each adult and juvenile prior sex offense conviction.

If the present conviction is for an offense committed while the offender was under community placement, add one point.

NEW SECTION. Sec. 6. A new section is added to chapter 10.88 RCW to read as follows:

Strike everything after the enacting clause and insert the following:

**NEW SECTION. Sec. 1. A new section is added to chapter 77.60 RCW to read as follows:**

(1) The department shall initiate a pilot project to evaluate the feasibility and potential of intensively culturing shellfish on currently nonproductive oyster reserve land in Puget Sound. The pilot program shall include no fewer than three long-term lease agreements with commercial shellfish growers. Except as provided in subsection (4) of this section, revenues from the lease of such lands shall be deposited in the oyster reserve land account created in section 2 of this act.

(2) The department shall form one advisory committee each for the Willapa Bay oyster reserve lands and the Puget Sound oyster reserve lands. The advisory committees shall make recommendations on management practices to conserve, protect, and develop oyster reserve lands. The advisory committees may make recommendations regarding the management practices on oyster reserve lands, in particular to ensure that they are managed in a manner that will: (a) Increase revenue through production of high-value shellfish; (b) not be detrimental to the market for shellfish grown on nonreserve lands; and (c) avoid negative impacts to existing shellfish populations. The advisory committees may also make recommendation on the distribution of funds in section 2(2)(a) of this act. The department shall attempt to structure each advisory committee to include equal representation between shellfish growers that participate in reserve sales and shellfish growers that do not.

(3) The department shall submit a brief progress report on the status of the pilot programs to the appropriate standing committees of the legislature by January 7, 2003.

(4) The department of natural resources, in consultation with the department of fish and wildlife, shall administer the leases for oyster reserves entered into under this chapter. In administering the leases, the department of natural resources shall exercise its authority under RCW 79.96.090. Vacation of state oyster reserves by the department of fish and wildlife shall not be a requirement for the department of natural resources to lease any oyster reserves under this section. The department of natural resources may recover reasonable costs directly associated with the administration of the leases for oyster reserves entered into under this chapter. All administrative fees collected by the department of natural resources pursuant to this section shall be deposited into the resource management cost account established in RCW 79.64.020. The department of fish and wildlife may not assess charges to recover the costs of consulting with the department of natural resources under this subsection.

(5) The Puget Sound pilot program shall not include the culture of geoduck.

**NEW SECTION. Sec. 2. A new section is added to chapter 77.60 RCW to read as follows:**

(1) The oyster reserve land account is created in the state treasury. All receipts from revenues from the lease of land or sale of shellfish from oyster reserve lands must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only as provided in this section.

(2) Funds in the account shall be used for the purposes provided for in this subsection:

(a) Up to forty percent for the management expenses incurred by the department that are directly attributable to the management of the oyster reserve lands and for the expenses associated with new research and development activities at the Pt. As used in this subsection, "new research and development activities" includes an emphasis on the control of aquatic nuisance species and burrowing shrimp;

(b) Up to ten percent may be deposited into the state general fund; and

(c) All remaining funds in the account shall be used for the shellfish - on-site sewage grant program established in section 3 of this act.

The grants may be provided only in areas that have the potential to adversely affect water quality in commercial or recreational shellfish growing areas. A recipient of a grant shall enter into an agreement with the appropriate local health jurisdiction to maintain the improved on-site sewage system according to specifications required by the local health jurisdiction. The action team shall work closely with local health jurisdictions and shall endeavor to attain geographic equity between Willapa Bay and the Puget Sound when making funds available under this program. For the purposes of this subsection, "geographic equity" means issuing on-site sewage grants at a level that matches the funds generated from the oyster reserve lands in that area.

(2) In the Puget Sound, the action team shall give first priority to areas that are:

(a) Identified as "areas of special concern" under WAC 246-272-01001; or

(b) Included within a shellfish protection district under chapter 90.72 RCW.

(3) In Grays Harbor and Pacific counties, the action team shall give first priority to preventing the deterioration of water quality in areas where commercial or recreational shellfish are grown.

(4) The action team and each participating local health jurisdiction shall enter into a memorandum of understanding that will establish an applicant income eligibility requirement for individual grant applicants from within the jurisdiction and other mutually agreeable terms and conditions of the grant program.

(5) The action team may recover the costs to administer this program not to exceed ten percent of the shellfish - on-site sewage grant program.

(6) For the 2001-2003 biennium, the action team may use up to fifty percent of the shellfish - on-site sewage grant program funds for grants to local health jurisdictions to establish areas of special concern under WAC 246-272-01001, or for operation and maintenance programs therein, where commercial and recreational uses are present.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator McAuliffe to the scope and object of the amendment by Senator Hochstatter on page 2, after line 36, to Second Substitute Senate Bill No. 5625, the President finds that Second Substitute Senate Bill No. 5625 is a measure which relates solely to the changes to the academic achievement and accountability system, including permitting changes to performance improvement goals, providing for intervention for failing schools and establishing consequences for continued failure.

"The amendment by Senator Hochstatter would do two things unrelated to the bill: (1) eliminate the requirement that classroom observation by parents must not disrupt the classroom; and (2) make it a crime for school districts to contract with third parties to separate children from their parents.

"Therefore, the President finds that the amendment by Senator Hochstatter does change the scope and object of the bill and that the point of order if well taken."

The President ruled that the amendment by Senator Hochstatter on page 2, after line 36, to Second Substitute Senate Bill No. 5625 to be out of order.

PARLIAMENTARY INQUIRY

POINT OF INQUIRY

Senator Honeyford: “Senator McCaslin, is this bill in its current form been heard by a policy committee?”

Senator McCaslin: “Yes, and it has been discussed in caucus–fully--by everyone, Senator, and you were there when we discussed it.”

Senator Honeyford: “But, this has not been--this bill has not been heard in a Senate policy committee--in Judiciary.”

Senator McCaslin: “Senator Johnson, do you remember if we heard this bill in Judiciary? Well, if we didn’t hear it, let me say this, ‘You are going to get me in the Oregon system and their Legislature.’ We constantly have amendments on this floor that no one has seen except the person that drafts it and some of those are many pages long, so bringing up the fact that you didn’t hear this in committee is redundant.”

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator McCaslin: “A parliamentary inquiry, Mr. President. I didn’t hear any reference to the House that was derogatory and my question is where is the line in mentioning the other House or the sun dial or--?”

REPLY BY THE PRESIDENT

President Owen: “The last couple of days the members have been talking about the House members agreeing on this and the House member negotiating this, the House members doing this, the House doing that, and my understanding of the rules that those processes and procedures that take place in the House are not necessarily to be discussed on the floor and debate of the Senate. So, it is a fine line, but it is a line that you have to be careful not to cross according to your rules.”

Senator McCaslin: “And have we crossed it, Mr. President?”

President Owen: “We have crossed it on occasion--just a warning.”

Senator McCaslin: “Thank you.”

PRESIDENT CITES REED'S RULE NO. 224

PRESIDENT OWEN: "Senator McCaslin and members, let me just—for your information—since it was brought up—and for your information, also. On a regular basis, the members come to me and say, 'The rules are this—'the rules are that; please adhere to the rules.' Reed’s Rule 224, with reference to the other legislative branch states: 'It is not permissible to allude to the action of the other house of a legislature or to refer to the debate there. Such conduct might lead to a misunderstanding and ill-will between the two bodies, which must cooperate in order to properly serve the people. So, also, the action of the other body should not be referred to influence the body the member is addressing.' That is the rule. I understand that we need to allow some discretion in that area and I will do that, so you now know that is what the rule reads."

The Senator's amendment deals with a different type of instruction and specifically traffic safety and education. This bill that we are talking about today makes
RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order by Senator Eide to the scope and object of the amendment by Senator Finkbeiner on page 2, after line 16, to House Bill No. 1568, the President finds that House Bill No. 1568 is a narrow measure that permits the Director of the Department of Licensing to suspend, revoke or deny a driving school instructor’s license if the instructor no longer meets the requirement for being issued a license.

"The amendment by Senator Finkbeiner would permit school districts to offer traffic safety education courses on line or through other electronic media.

"The President, therefore, finds that the amendment does change the scope and object of the bill and the point of order is well taken."

The President ruled that the amendment by Senator Finkbeiner on page 2, after line 16, to House Bill No. 1568 to be out of order.

Senator Sheahan: "A parliamentary inquiring, Mr. President. What will happen if this vote passes—the motion to lay on the table passes? What will be the status of the bill under reconsideration?"
PARLIAMENTARY INQUIRY

Senator Johnson: "A parliamentary inquiry, Mr. President. The motion for immediate reconsideration, doesn't that require that the chamber be on the ninth order of business?"

Reply by the President

President Owen: "Senator Johnson, on your inquiry, the appropriate time to bring that point was at the time the motion was made and prior to the vote being taken and it was not and so the inquiry--has it been made timely--the question would be correct that we would have had to be in the ninth order. Your question was not made timely."

President Replies to Senator Sheahan Inquiry

President Owen: "In responding to the parliamentary inquiry by Senator Sheahan, the action of laying the motion on the table is that the bill will be out of order until a motion is made and passed to take it if off the table. So, if the motion passes to lay the bill on the table, it is out of order until another motion is made to consider it."

Senator Sheahan: "May I continue, Mr. President? If the motion fails, then we would be on third reading--"

President Owen: "We would be on third reading and final passage. That is correct."

Senator Sheahan: "Thank you, Mr. President."

Senator Swecker demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator Hargrove to lay on the table the motion to immediately reconsider Substitute House Bill No. 1560.

Roll Call

The Secretary called the roll on the motion by Senator Hargrove to lay Substitute House Bill No. 1560 on the table carried by the following vote: Yeas, 25; Nays, 21; Absent, 0; Excused, 3.

Excused: Senators Deccio, Haugen and Rossi - 3.

"NEW SECTION, Sec. 4. The purpose of this chapter is to provide for the fair and orderly marketing of red raspberries in the state of Washington by establishing uniform grades and standards for red raspberries destined for freezing, puree, juice stock, and other processing uses. This chapter is vital to protecting the national and international reputation of red raspberry products grown and processed in this state, protecting consumers from the sale of inferior and misrepresented red raspberry products, and increasing the economic viability and profitability of farms that produce red raspberries. This chapter is enacted in the exercise of the police power of this state for the purpose of protecting the immediate and future health, safety, and general welfare of the citizens of this state.

NEW SECTION, Sec. 5. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Containers" includes pails, trays, barrels, drums, tanks, transport vessels, or other bulk containers used to store or contain red raspberries intended for further processing.

(2) "Department" means the department of agriculture of the state of Washington.

(3) "Director" means the director of the department or the director's duly authorized representative.

(4) "Equivalent" means that red raspberries grown outside of the state of Washington or imported from other countries meet or exceed the handling and grade standards of the state or country where they were grown and that those standards satisfy the requirements set forth in section 6 of this act, or that the red raspberries have been determined to meet the requirements of section 6 of this act using one of the methods set forth in section 9 of this act. "Equivalent" does not mean that the handling and grade standards be identical, only that the same or a similar measure of quality be achieved using either set of standards.

(5) "Facility" means, but is not limited to, the premises where red raspberries are grown, stored, handled, delivered, or processed for sale or transportation, or where records required by rule under this chapter are stored or kept, and all vehicles and equipment used to transport red raspberries.

(6) "Graded" means red raspberries that have been visually inspected and determined to meet the standards set forth in section 6 of this act.

(7) "Juice stock red raspberries" means any red raspberries destined for the production of red raspberry juice, red raspberry juice concentrate, or any other product listed in section 11 of this act. Washington No. 1 processing grade red raspberries as defined in this chapter or unclassified red raspberries may be used for juice stock.

(8) "Pasteurized" means the product has been subjected to heat or other approved treatment sufficient to kill harmful microorganisms.

(9) "Person" means any individual, firm, partnership, corporation, company, or association, and every officer, agent, or employee thereof.

(10) "Serious damage" means any defect, or any combination of defects, that seriously detract from the appearance or the edible or marketing quality of the red raspberry. Red raspberries that are badly deformed, leaky, moldy, decayed, or from which the core has not been removed are considered seriously damaged.

(11) "Ultrafiltration" means filtering to a very high level sufficient to remove foreign material including microorganisms and mold from the product.

(12) "Washington No. 1 processing grade red raspberries" means those raspberries that meet the requirements of section 6 of this act.

(13) "Well-colored" means that the whole surface of the red raspberry shows a color characteristic of a mature red raspberry.

(14) "Well-developed" means that the red raspberry is not misshapen because of anthracnose injury, frost injury, lack of pollination, insect injury, or other causes.

NEW SECTION, Sec. 6. (1) To qualify for the Washington No. 1 processing grade, red raspberries must be washed, or cleaned as necessary, sorted, and graded at a licensed food processing facility and must meet the following standards:
(a) The red raspberries must be well-colored and well-developed;
(b) The red raspberries must be free from cores, mold, decay, dirt, leaves, or other foreign material;
(c) The red raspberries must not be seriously damaged by shriveling, moisture, disease, or insects; and
(d) The red raspberries must not have more than eight of twenty-five fields with mold hyphae as determined by
the Howard mold count, or equivalent analysis.

(2) Not more than ten percent by volume of the red raspberries in any lot may fail to meet the requirements for
Washington No. 1 processing grade, as required by subsection (1) of this section, because of serious damage by any
cause, and not more than two percent may be affected by mold or decay. Individual samples may contain not more than
one and one-half times this tolerance, even if the average of all the samples from the lot are within this specified
tolerance.

NEW SECTION, Sec. 7. Unclassified red raspberries are those that:
(1) Fail to meet the Washington No. 1 processing grade standards;
(2) Are not graded; or
(3) Are in unmarked containers.
The term “unclassified” means no grade has been applied to the lot.

the grower, packer, or shipper, and must be prominently marked with the grade "Washington No. 1 processing grade red
raspberries."
(2) Any combination of Washington No. 1 processing grade red raspberries and unclassified red raspberries
must be in containers prominently marked “juice stock red raspberries."
(3) Unclassified red raspberries must be in containers that are prominently marked “juice stock red
raspberries."

NEW SECTION, Sec. 9. Washington No. 1 processing grade red raspberries may be used or sold for straight

of this act.

NEW SECTION, Sec. 13. (1) Red raspberries grown outside of the state of Washington or imported from other
countries are deemed equivalent to Washington No. 1 processing grade red raspberries when:
(a) The other state or country has grading standards or requirements for red raspberries, those grading
standards or requirements have been reviewed by the department and a written determination has been made by the
department that those grading standards or requirements meet or exceed the standards set forth in section 6 of this
act, and the red raspberries grown out of state or imported are accompanied by documents that certify that the red
raspberries have been determined by a government inspection authority or competent third party to meet or exceed
those standards;

that state that the red raspberries meet or exceed the grading standards set forth in section 6 of this act;
(c) The red raspberries are obtained from a grower, processor, supplier, or exporter who provides continuing
or lot specific inspections and documentation, and verification from a competent third party that the red raspberries
meet or exceed the grade standards set forth in section 6 of this act; or
(d) The director, at the request of a third party or on the director’s own initiative, has determined in writing
that the red raspberries obtained from a particular source, on a lot specific or a continuing basis, meet or exceed the

The court may upon such an application issue a search warrant for the purpose requested.

POINT OF ORDER

SENATOR HONEYFORD: “A point of order, Mr. President. The striking amendment by Senators Rasmussen, Gardner, Swearer, Spanel, Kastama and Zarelli changes the scope and object of the underlying bill, Senate Bill No. 5613, and therefore I request a ruling on the scope and object. The underlying bill is really a simple bill with three sections that establish a farm direct marketing program within the Department of Agriculture. In contrast, you look at the striking amendment and it deals exclusively with regulatory provisions for red raspberries. The underlying bill makes no mention of red raspberries. This amendment attempts to add on twenty-four sections, which specifically address regulatory requirements for red raspberries. In addition, the amendment makes no mention of the direct marketing assistance program, the subject of the bill. Given the amendment and the expansion of the bill, I believe the striking amendment changes the scope and object of the underlying bill in violation of Senate Rule 66.”

DEbate ensued.

MOTION

On motion of Senator Betti Sheldon, further consideration of Senate Bill No. 5613 was deferred.

SECOND READING

SECOND SUBSTITUTE HOUSE BILL NO. 1445, by House Committee on Finance (originally sponsored by Representatives Kessler, Lambert, Ooden, Edmonds, Kagi, Dickerson, Jackley, Fromhold, Keiser, Veloria, Miloscia, Cody and McDermott) (by request of State Treasurer Murphy)

MOTION

The bill was read the second time.

MOTION

On motion of Senator Kline, Second Substitute Senate Bill No. 5419 was substituted for Senate Bill No. 5419 and the second substitute bill was placed on second reading and read the second time.

Senator Hargrove moved that, the following striking amendment by Senators Hargrove, Long, Patterson, Kline and Brown be adopted:

"New Section. Sec. 1. The Legislature finds that community safety and health are promoted and tax dollars are saved when offenders who abuse drugs are provided with effective treatment programs. The Legislature further finds that appropriate substance abuse treatment is effective, but that adult offenders with substance abuse problems often do not have access to the treatment needed to help them live healthier, more stable, and productive lives.

The Legislature intends to increase the capacity of the criminal justice system to provide access to appropriate substance abuse treatment, at the local level, for all types of offenders who are diagnosed with an addiction or a substance abuse problem that if not treated would result in addiction. The Legislature intends to fund the increased access by sentencing drug offenders commensurate to the seriousness of their offenses while continuing to punish offenders who manufacture methamphetamine or sell drugs for profit at current levels.

It is the intent of the Legislature to ensure, as much as possible, that the treatment is effective by requiring the use of research proven and approved treatment programs under chapter 70.96A RCW. At the same time, through a distribution formula and grants, the Legislature intends to provide counties with the flexibility to tailor their approach and seek local solutions to treatment issues while providing adequate oversight to make sure that funds are effectively used.

Sec. 2. RCW 9.94A.320 and 2000 c 225 s 5, 2000 c 119 s 17, and 2000 c 66 s 2 are each reenacted and amended to read as follows:

SEC. 3. RCW 9.94A.360 and 2000 c 28 s 15 are each amended to read as follows:
The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:
The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

1. A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed “other current offenses” within the meaning of RCW 9.94A.400.

2. Class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions other than sex offenses shall not be included in the offender score, if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

3. Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law, if there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

4. Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

5. (A) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the “same criminal conduct” analysis found in RCW 9.94A.400(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations.

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), “served concurrently” means that: (i) The latter sentence was imposed with specific reference to the former; (ii) The concurrent relationship of the sentences was judicially imposed; and (iii) The concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

6. If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

7. If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and ½ point for each juvenile prior nonviolent felony conviction.

8. If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and ½ point for each juvenile nonviolent felony conviction.

9. If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already
COUNTED), ONE POINT FOR EACH PRIOR ADULT NONVIOLENT FELONY CONVICTION, AND ½ POINT FOR EACH PRIOR JUVENILE NONVIOLENT FELONY CONVICTION.

(10) IF THE PRESENT CONVICTION IS FOR BURGLARY 1, COUNT PRIOR CONVICTIONS AS IN SUBSECTION (8) OF THIS SECTION; HOWEVER COUNT TWO POINTS FOR EACH PRIOR ADULT BURGLARY 2 OR RESIDENTIAL BURGLARY, AND ONE POINT FOR EACH PRIOR JUVENILE BURGLARY 2 OR RESIDENTIAL BURGLARY CONVICTION.

(11) IF THE PRESENT CONVICTION IS FOR A FELONY TRAFFIC OFFENSE COUNT TWO POINTS FOR EACH ADULT OR JUVENILE PRIOR CONVICTION FOR VEHICULAR HOMICIDE OR VEHICULAR ASSAULT; FOR EACH FELONY OFFENSE COUNT ONE POINT FOR EACH ADULT AND ½ POINT FOR EACH JUVENILE PRIOR CONVICTION; FOR SERIOUS TRAFFIC OFFENSE, OTHER THAN THOSE USED FOR AN ENHANCEMENT PURSUANT TO RCW 46.61.520(2), COUNT ONE POINT FOR EACH ADULT AND ½ POINT FOR EACH JUVENILE PRIOR CONVICTION.

(12) IF THE PRESENT CONVICTION IS FOR ([A DRUG OFFENSE]) MANUFACTURE OF METHAMPHETAMINE COUNT THREE POINTS FOR EACH ADULT PRIOR ([FELONY DRUG OFFENSE]) MANUFACTURE OF METHAMPHETAMINE CONVICTION AND TWO POINTS FOR EACH JUVENILE ([DRUG]) MANUFACTURE OF METHAMPHETAMINE OFFENSE. ALL OTHER ADULT AND JUVENILE FELONIES ARE SCORED AS IN SUBSECTION (8) OF THIS SECTION IF THE CURRENT DRUG OFFENSE IS VIOLENT, OR AS IN SUBSECTION (7) OF THIS SECTION IF THE CURRENT DRUG OFFENSE IS NONVOLNT.

(13) IF THE PRESENT CONVICTION IS FOR WILLFUL FAILURE TO RETURN FROM FURLough, RCW 72.66.060, WILLFUL FAILURE TO RETURN FROM WORK RELEASE, RCW 72.65.070, OR ESCAPE FROM COMMUNITY CUSTODY, RCW 72.09.310, COUNT ONLY PRIOR ESCAPE CONVICTIONS IN THE OFFENDER SCORE. COUNT ADULT PRIOR ESCAPE CONVICTIONS AS ONE POINT AND JUVENILE PRIOR ESCAPE CONVICTIONS AS ½ POINT.

(14) IF THE PRESENT CONVICTION IS FOR ESCAPE 1, RCW 9A.76.110, OR ESCAPE 2, RCW 9A.76.120, COUNT ADULT PRIOR CONVICTIONS AS ONE POINT AND JUVENILE PRIOR CONVICTIONS AS ½ POINT.

(15) IF THE PRESENT CONVICTION IS FOR BURGLARY 2 OR RESIDENTIAL BURGLARY, COUNT PRIORS AS IN SUBSECTION (7) OF THIS SECTION; HOWEVER, COUNT TWO POINTS FOR EACH ADULT AND JUVENILE PRIOR BURGLARY 1 CONVICTION, TWO POINTS FOR EACH ADULT PRIOR BURGLARY 2 OR RESIDENTIAL BURGLARY CONVICTION, AND ONE POINT FOR EACH JUVENILE PRIOR BURGLARY 2 OR RESIDENTIAL BURGLARY CONVICTION.

(16) IF THE PRESENT CONVICTION IS FOR A SEX OFFENSE, COUNT PRIORS AS IN SUBSECTIONS (7) THROUGH (15) OF THIS SECTION; HOWEVER COUNT THREE POINTS FOR EACH ADULT AND JUVENILE PRIOR SEX OFFENSE CONVICTION.

(17) IF THE PRESENT CONVICTION IS FOR AN OFFENSE COMMITTED WHILE THE OFFENDER WAS UNDER COMMUNITY PLACEMENT, ADD ONE POINT.

NEW SECTION. Sec. 4. A new section is added to chapter 70.96A RCW to read as follows:

(1) The criminal justice treatment account is created in the state treasury. Moneys in the account may be expended only for substance abuse treatment for offenders with an addiction or a substance abuse problem that if not treated would result in addiction, against whom charges are filed by a prosecuting attorney in Washington state as well as for the provision of drug and alcohol services for nonviolent offenders within a drug court program. Moneys in the account may be spent only after appropriation.

(2) Revenues to the criminal justice treatment account consist of: (A) Savings to the state general fund resulting from reductions in drug offender sentencing as a result of sections 2 and 3, chapter... Laws of 2001 (sections 2 and 3 of this act), as calculated pursuant to this section; and (B) any other revenues appropriated to or deposited in the account.

(3)(a) The department of corrections, the sentencing guidelines commission, the office of financial management, and the caseload forecast council shall develop a methodology for calculating the projected biennial savings under this section. Savings shall be projected for the fiscal biennium beginning on July 1, 2003, and for each biennium thereafter. By December 1, 2001, the proposed methodology shall be submitted to the governor and the appropriate committees of the legislature. The methodology is deemed approved unless the legislature enacts legislation during the 2002 session to modify or reject the methodology.

(b) When the department of corrections submits its biennial budget request to the governor in 2002, the department of corrections shall use the methodology approved in (A) of this subsection to calculate savings to the state general fund for the ensuing fiscal biennium resulting from reductions in drug offender sentencing as a result of sections 2 and 3, chapter... Laws of 2001 (sections 2 and 3 of this act). The department shall report the dollar amount of the savings to the state treasurer, the office of financial management, and the fiscal committees of the legislature.

(c) For the fiscal biennium beginning July 1, 2003, and each fiscal biennium thereafter, the state treasurer shall transfer seventy-five percent of the amount reported in (B) of this subsection from the general fund into the criminal justice treatment account, divided into eight equal quarterly payments.

(d) For the fiscal biennium beginning July 1, 2003, and each biennium thereafter, the state treasurer shall transfer twenty-five percent of the amount reported in (B) of this subsection from the general fund into the violence reduction and drug enforcement account, divided into eight quarterly payments. The amounts transferred pursuant to this section shall be used solely for providing drug and alcohol treatment services to offenders receiving a reduced sentence as a result of sections 2 and 3, chapter... Laws of 2001 (sections 2 and 3 of this act) and who are assessed with an addiction or a substance abuse problem that if not treated would result in addiction. Any excess funds remaining after providing drug and alcohol treatment services to offenders receiving a reduced sentence as a result of sections 2 and 3, chapter... Laws of 2001 (sections 2 and 3 of this act), may be expended to provide treatment for sex or violent offenders assessed with an addiction or a substance abuse problem that contributed to the crime.

(e) In each odd-numbered year, the legislature shall appropriate the amount transferred to the criminal justice treatment account in (c) of this subsection to the division of alcohol and substance abuse for the purposes of subsection (4) of this section.

(4) Moneys appropriated to the division of alcohol and substance abuse from the criminal justice treatment account shall be distributed as specified in this subsection. The department shall serve as the fiscal agent for purposes of distribution.

(A) Seventy percent of amounts appropriated to the division from the account shall be distributed to counties pursuant to the distribution formula adopted under this section. The division of alcohol and substance abuse, in consultation with the department of corrections, the sentencing guidelines commission, the Washington state
ASSOCIATION OF COUNTIES, THE WASHINGTON STATE ASSOCIATION OF DRUG COURT PROFESSIONALS, THE SUPERIOR COURT JUDGES’ ASSOCIATION, THE WASHINGTON ASSOCIATION OF PROSECUTING ATTORNEYS, REPRESENTATIVES OF THE CRIMINAL DEFENSE BAR, AND ANY OTHER PERSON DEEMED BY THE DIVISION TO BE NECESSARY, SHALL ESTABLISH A FAIR AND REASONABLE METHODOLOGY FOR DISTRIBUTION TO COUNTIES OF MONEYS IN THE CRIMINAL JUSTICE TREATMENT ACCOUNT. COUNTY PLANS SUBMITTED FOR THE EXPENDITURE OF FORMULA FUNDS MUST BE APPROVED BY THE PANEL ESTABLISHED IN (b) OF THIS SUBSECTION.

(b) Thirty percent of the amounts appropriated to the division from the account shall be distributed as grants for purposes of treating offenders against whom charges are filed by a county prosecuting attorney. The division shall appoint a panel of representatives from the Washington association of prosecuting attorneys, the Washington association of sheriffs and police chiefs, the superior court judges’ association, the Washington State association of counties, the Washington defender’s association or the Washington association of criminal defense lawyers, the department of corrections, and the division. The panel shall award the grants to eligible counties that have submitted plans pursuant to (a) of this subsection and shall approve expenditure plans for grant funds. The panel shall attempt to ensure that treatment as funded by the grants is available to offenders statewide.

(5) The county chemical dependency specialist, county prosecutor, county sheriff, county superior court, and a member of the criminal defense bar shall jointly submit a plan for disposition of all the funds provided from the criminal justice treatment account within that county. The funds shall be used solely to provide approved alcohol and substance abuse treatment pursuant to RCW 70.96A.090.

(6) Counties are encouraged to consider regional agreements for the efficient delivery of treatment under this section.

(7) Moneys allocated under this section shall be used to supplement, not supplant, other federal, state, and local funds used for substance abuse treatment.

NEW SECTION. Sec. 5. A new section is added to chapter 9.94A RCW to read as follows:

NEW SECTION. Sec. 6. The Washington state institute for public policy shall evaluate the effectiveness and financial impact of this act in meeting its stated purpose and intent. The evaluation shall include, but is not limited to: (1) A comparison of the reoffense rate of persons receiving a reduced sentence as a result of the sentencing changes included in this act with that of persons sentenced under prior law; and (2) A review of the effect on other outcome measures besides recidivism, such as treatment completion, employment, and housing.

NEW SECTION. Sec. 7. A new section is added to chapter 43.135 RCW to read as follows:
RCW 43.135.035(4) does not apply to the transfers established in section 4 of this act.

NEW SECTION. Sec. 8. A new section is added to chapter 43.20A RCW to read as follows:
The department of social and health services shall annually review and monitor the expenditures made by any county which is funded, in whole or in part, with funds provided by this act. Counties shall repay any funds that are not spent in accordance with the requirements of this act.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 10. This act applies to crimes committed on or after July 1, 2001.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2001."

SECOND READING

House Bill No. 1394, by Representatives Eickmeyer, Schoesler, Rockefeller, Sump, Jackley, Kessler, Cox and Dunshie

Clarifying the use of county road funds in salmon recovery projects.

MOTION

Senator Gardner moved that the following committee on transportation striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

“New Section. Sec. 1. The Legislature recognizes that projects that remove impediments to fish passage can greatly increase access to spawning and rearing habitat for depressed, threatened, and endangered fish stocks. Although counties are authorized to use county road funds to replace culverts and other barriers to fish passage, and may conduct streambed and stream bank restoration and stabilization work in conjunction with removal of these fish...”
BARRIERS, COUNTIES ARE RELUCTANT TO SPEND COUNTY ROAD FUNDS BEYOND THE COUNTY RIGHT-OF-WAY BECAUSE IT IS UNCLEAR WHETHER THE USE OF ROAD FUNDS FOR THIS PURPOSE IS AUTHORIZED. THE PURPOSE OF THIS ACT IS TO CLARIFY THAT STREAMBED AND STREAM BANK RESTORATION AND STABILIZATION ACTIVITIES CONDUCTED IN CONJUNCTION WITH REMOVAL OF EXISTING BARRIERS TO FISH PASSAGE WITHIN COUNTY RIGHTS-OF-WAY CONSTITUTE A COUNTY ROAD PURPOSE EVEN IF THIS WORK EXTENDS BEYOND THE COUNTY RIGHT-OF-WAY. THE LEGISLATURE INTENDS THIS ACT TO BE PERMISSIVE LEGISLATION. NOTHING IN THIS ACT IS INTENDED TO CREATE OR IMPOSE A LEGAL DUTY UPON COUNTIES FOR SALMON RECOVERY WORK BEYOND THE COUNTY RIGHT-OF-WAY.

Sec. 2. RCW 36.79.140 and 1997 c 81 s 6 are each amended to read as follows:

At the time the board reviews the six-year program of each county each even-numbered year, it shall consider and shall approve for inclusion in its recommended budget, as required by RCW 36.79.130, the portion of the rural arterial construction program scheduled to be performed during the biennial period beginning the following July 1st. Subject to the appropriations actually approved by the legislature, the board shall as soon as feasible approve rural arterial trust account funds to be spent during the ensuing biennium for preliminary proposals in priority sequence as established pursuant to RCW 36.79.090. Only those counties that during the preceding twelve months have spent all revenues collected for road purposes only for such purposes, including removal of barriers to fish passage and accompanying streambed and streambank repair as specified in RCW 36.82.070, and including traffic law enforcement, as are allowed to the state by Article II, section 40 of the state Constitution are eligible to receive funds from the rural arterial trust account. PROVIDED HOWEVER, that counties with a population of less than eight thousand are exempt from this eligibility restriction: AND PROVIDED FURTHER, that counties expending revenues collected for road purposes only on other governmental services after authorization from the voters of that county under RCW 84.55.050 are also exempt from this eligibility restriction. The board shall authorize rural arterial trust account funds for the construction project portion of a project previously authorized for a preliminary proposal in the sequence in which the preliminary proposal has been completed and the construction project is to be placed under contract. At such time the board may reserve rural arterial trust account funds for expenditure in future years as may be necessary for completion of the preliminary proposal or under terms and conditions or construction projects to be commenced in the ensuing biennium.

The board may, within the constraints of available rural arterial trust funds, consider additional projects for authorization upon a clear and conclusive showing by the submitting county that the proposed project is of an emergent nature and that its need was unable to be anticipated at the time the six-year program of the county was developed. The proposed projects shall be evaluated on the basis of the priority rating factors specified in RCW 36.79.080.

Sec. 3. RCW 36.82.070 and 1997 c 189 s 1 are each amended to read as follows:

Any money paid to any county road fund may be used for the construction, alteration, repair, improvement, or maintenance of county roads and bridges thereon and for the acquisition, operating, and maintaining of machinery, equipment, quarries, or pits for the extraction of materials, and for the cost of establishing county roads, acquiring rights-of-way therefor, and expenses for the operation of the county engineering office, and for any of the following programs when directly related to county road purposes: (1) Insurance; (2) self-insurance programs; and (3) risk management programs; and for any other proper county road purpose. Such expenditure may be made either independently or in conjunction with the state or any city, town, or tax district within the county. County road purposes also include the removal of barriers to fish passage related to county roads, and include but are not limited to the following activities associated with the removal of these barriers: engineering and technical services; streambank stabilization; streambed restoration; the placement of weirs, rock, or woody debris; planting and channel modification. County road funds may be used beyond the county right-of-way for activities clearly associated with removal of fish passage barriers that are the responsibility of the county. Activities related to the removal of barriers to fish passage performed beyond the county right-of-way must not exceed twenty-five percent of the total cost of activities related to fish barrier removal on any one project, and the total annual cost of activities related to the removal of barriers to fish passage performed beyond the county rights-of-way must not exceed one-half of one percent of a county's annual road construction budget. The use of county road funds beyond the county right-of-way for activities associated with the removal of fish barriers is permissive, and wholly within the discretion of the county legislative authority. The use of county road funds beyond the county right-of-way for such activities does not create or impose a legal duty upon a county for salmon recovery work beyond the county right-of-way.

MOTION

ON MOTION OF Senator West, FURTHER CONSIDERATION OF HOUSE BILL NO. 1394 WAS DEFERRED.

SECOND READING

SECOND SUBSTITUTE HOUSE BILL NO. 1752, by HOUSE COMMITTEE ON AGRICULTURE AND ECOLOGY (originally sponsored by REPRESENTATIVES CLEMENTS, GRANT, G. CHANDLER, B. CHANDLER, LINVILLE, LISL, MC MORRIS, ARMSTRONG, SCHOESLER AND MULLIKEN)

ALLOWING FOR CLAIMS FOR WILDLIFE DAMAGE ON RANGELAND SUITABLE FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK.

THE BILL WAS READ THE SECOND TIME.

MOTION
Senator Rasmussen moved that the following Committee on Agriculture and International Trade
striking amendment not be adopted:

strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 77.36.005 and 1996 c 54 s 1 are each amended to read as follows:

The legislature finds that:
(1) As the number of people in the state grows and wildlife habitat is altered, people will encounter wildlife
more frequently. As a result, conflicts between humans and wildlife will also increase. Wildlife is a public resource of
significant value to the people of the state and the responsibility to minimize and resolve these conflicts is shared by all
citizens of the state.
(2) In particular, the state recognizes the importance of commercial agricultural and horticultural crop
production, rangeland suitable for grazing or browsing of domestic livestock, and the value of healthy deer and elk
populations, which can damage such crops. The legislature further finds that damage prevention is key to maintaining
healthy deer and elk populations, wildlife-related recreational opportunities, (and) commercially productive
agricultural and horticultural crops, and rangeland suitable for grazing or browsing of domestic livestock, and that
the state, participants in wildlife recreation, and private landowners and tenants share the responsibility for damage
prevention. Toward this end, the legislature encourages landowners and tenants to contribute through their land
management practices to healthy wildlife populations and to provide access for related recreation. It is in the best
interests of the state for the department of fish and wildlife to respond quickly to wildlife damage complaints and to
work with these landowners and tenants to minimize and/or prevent damages and conflicts while maintaining deer and elk
populations for enjoyment by all citizens of the state.
(3) A timely and simplified process for resolving claims for damages caused by deer and elk for commercial
agricultural or horticultural products, and rangeland used for grazing or browsing of domestic livestock is beneficial
to the claimant and the state.

Sec. 2. RCW 77.36.010 and 1996 c 54 s 2 are each amended to read as follows:

(Unless otherwise specified) the following definitions in this section apply throughout this chapter:

(1) "Crop" means (a) commercially raised horticultural and/or agricultural product and includes growing or
harvested product but does not include livestock; (b) a growing or harvested horticultural and/or agricultural
product for commercial purposes; or (b) rangeland forage on privately owned land used for grazing or browsing of
domestic livestock for at least a portion of the year for commercial purposes. For the purposes of this chapter all
parts of horticultural trees shall be considered a crop and shall be eligible for claims.
(2) "Emergency" means an unforeseen circumstance beyond the control of the landowner or tenant that
presents a critical and immediate threat to crops, domestic animals, or livestock.
(3) "Immediate family member" means spouse, brother, sister, grandparent, parent, child, or grandchild.

Sec. 3. RCW 77.36.080 and 1996 c 54 s 9 are each amended to read as follows:

(1) The department may pay no more than thirty thousand dollars per fiscal year from the general fund for
claims under RCW 77.36.040 and for assessment costs and compromise of claims unless the legislature declares an
emergency. Such money shall be used to pay animal damage claims only if the claim meets the conditions of RCW 77.36.040
and the damage occurred in a place where the opportunity to hunt was restricted or prohibited by a county, municipality,
or other public entity during the season prior to the occurrence of the damage.
(2) The legislature may declare an emergency, defined for the purposes of this section as any happening arising
from weather, other natural conditions, or fire that causes unusually great damage by deer or elk to commercially
raised agricultural or horticultural crops (by deer or elk), or rangeland forage on privately owned land used for
grazing or browsing of domestic livestock for at least a portion of the year. In an emergency, the department may pay as
much as may be subsequently appropriated, in addition to the funds authorized under subsection (1) of this section, for
claims under RCW 77.36.040 and for assessment and compromise of claims. Such money shall be used to pay animal
damage claims only if the claim meets the conditions of RCW 77.36.040 and the department has expended all funds
authorized under RCW 77.36.070 or subsection (1) of this section.

New Section. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or
safety, or support of the state government and its existing public institutions, and takes effect July 1, 2001."

*NEW SECTION. Sec. 18. The legislature finds that the application of the business and occupation tax deduction provided in RCW 82.04.4281 for investment income of persons other than those engaging in "banking, loan, security, or other financial businesses" has been the subject of disagreement between taxpayers and the state. Decisions of the supreme court have provided some broad guidelines and principles for interpretation of the deduction provided in RCW 82.04.4281, but these decisions have not provided the certainty and clarity that is desired by taxpayers and the state. Therefore, it is the intent of the legislature to delay change in the manner or extent of taxation of the investment income until definitions or standards can be developed and enacted by the legislature.*

NEW SECTION. Sec. 19. A new section is added to chapter 82.04 RCW to read as follows:
(1) The department of revenue shall not assess nor impose business and occupation tax on investment income of persons engaging in business activities of a character that have not previously been determined by the department to be an "other financial business" under RCW 82.04.4281 through:
(A) A final decision of a court of record. However, this subsection shall not be construed to deny the deduction to any person other than the specific taxpayer covered in the court’s decision;
(b) Excise tax advisories published prior to January 1, 2001; or
(c) Rulings or determinations issued by the department of revenue to a specific taxpayer prior to January 1, 2001. However, this subsection shall not be construed to deny the deduction to any person other than the specific taxpayer covered in the ruling or determination.

(2) Nothing in this act shall be construed to prohibit the department of revenue from granting the deduction by means of revocation of previous determinations set forth in subsections (1)(a), (b), or (c) of this section.

(3) This section expires July 1, 2002.

NEW SECTION. Sec. 20. The department of revenue shall report to the fiscal committees of the legislature by November 30, 2001, on the progress made in working with affected businesses on potential amendments to RCW 82.04.4281 which would clarify the application of RCW 82.04.4281 to other financial businesses.”

MOTION

Senator Benton moved that the following amendment to the striking amendment by Senators Hargrove, Long, Patterson, Kline and Brown be adopted:

On page 10, after line 10, insert the following:

“NEW SECTION. Sec. 3. RCW 9.94A.030 and 2000 c. 28 S. 2 are amended to read as follows:

1. "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.145, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

2. "Commission" means the sentencing guidelines commission.

3. "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

4. "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.120(2)(b), 9.94A.650 through 9.94A.670, 9.94A.137, 9.94A.700 through 9.94A.715, or 9.94A.383, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.
(5) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.040, for crimes committed on or after July 1, 2000.

(6) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(7) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(9) "Confinement" means total or partial confinement.

(12) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (A) whether the defendant has been placed on probation and the length and terms thereof; and (B) whether the defendant has been incarcerated and the length of incarceration.

(17) "Disposability earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

POINT OF ORDER

SENATOR WEST: "A POINT OF ORDER, MR. PRESIDENT. I RESEARCHED THE BUDGET AND I’VE LOOKED TO SEE IF THIS BILL IS REFERENCED. I DIDN’T FIND IT. MAYBE IT IS THERE, BUT I DON’T BELIEVE IT IS THERE. THIS BILL WAS NOT ANTICIPATED IN THE BUDGET THAT THIS BODY PASSED. IN THE CUTOFF RESOLUTION THAT THIS BODY PASSED MONTHS AGO, IT STIPULATED THAT NO SENATE BILLS WOULD BE CONSIDERED AFTER THE CUTOFF DATE THAT WERE NOT RELEVANT TO THE BUDGET OR, I BELIEVE, TRANSPORTATION ISSUES. THEREFORE, MR. PRESIDENT, I DO NOT BELIEVE THAT THIS BILL IS CURRENTLY PROPERLY BEFORE US AND WOULD ASK THE PRESIDENT TO SO RULE.”

MOTION
ON MOTION OF SENATOR BETTI SHELDON, ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5419 WAS DEFERRED ON THIRD READING.

THERE BEING NO OBJECTION, THE SENATE RESUMED CONSIDERATION OF HOUSE BILL NO. 1394 AND THE PENDING COMMITTEE ON TRANSPORTATION AMENDMENT DEFERRED EARLIER TODAY.

MOTION

SENATOR BENSON MOVED THAT THE FOLLOWING AMENDMENT BY SENATORS BENSON AND HOCHSTATTER TO THE COMMITTEE ON TRANSPORTATION STRIKING AMENDMENT BE ADOPTED:

ON PAGE 3, LINE 24, AFTER "RIGHT-OF-WAY," INSERT "UNDER NO CIRCUMSTANCES MAY FUNDS BE ALLOCATED UNDER THE PROVISIONS OF THIS SECTION WHILE COMMERCIAL NET FISHING IS ALLOWED ON THE COLUMBIA RIVER OR ITS TRIBUTARIES."

RENUMBER THE SECTIONS CONSECUTIVELY AND CORRECT ANY INTERNAL REFERENCES ACCORDINGLY.

POINT OF ORDER

SENATOR JACOBSEN: “A POINT OF ORDER, MR. PRESIDENT. I AM ON THE TRANSPORTATION COMMITTEE AND I ASK IF THIS AMENDMENT IS WITHIN THE SCOPE AND OBJECT OF THE ORIGINAL BILL, WHICH DEALS WITH CULVERTS AND ALLOWS THE COUNTY TO SPEND PART OF IT ON HABITAT RESTORATION. THIS SOUNDS LIKE IT DEALS WITH FISHING SEASON.”

REPLY BY THE PRESIDENT

PRESIDENT OWEN: “SENATOR JACOBSEN, ARE YOU RAISING THE POINT OF ORDER THAT THE AMENDMENT TO THE COMMITTEE AMENDMENT RAISES THE SCOPE AND OBJECT OF THE BILL?”

SENATOR JACOBSEN: “I AM.”

DEBATE ENSUED.

MOTION

ON MOTION OF SENATOR BETTI SHELDON FURTHER CONSIDERATION OF HOUSE BILL NO. 1394 WAS DEFERRED.

THERE BEING NO OBJECTION, THE SENATE RESUMED CONSIDERATION OF SENATE BILL NO. 5613 AND THE PENDING AMENDMENT BY SENATOR RASMUSSEN, GARDNER, SWECKER AND ZARELLI ON PAGE 3, AFTER LINE 3, DEFERRED EARLIER TODAY.

RULING BY THE PRESIDENT

PRESIDENT OWEN: “IN RULING UPON THE POINT OF ORDER RAISED BY SENATOR HONEYFORD TO THE SCOPE AND OBJECT OF THE AMENDMENT BY SENATORS RASMUSSEN, GARDNER, SWECKER, SPANEL, KASTAMA AND ZARELLI ON PAGE 3, AFTER LINE 3, TO SENATE BILL NO. 5613, THE PRESIDENT FINDS THAT SENATE BILL NO. 5613 IS A MEASURE WHICH CREATES A PROGRAM TO ASSIST SMALL FARMS IN THEIR DIRECT MARKETING EFFORTS.

THE AMENDMENT ON PAGE 3, AFTER LINE 3, WOULD REGULATE THE PROCESSING OF RED RASPBERRIES. WHILE THE AMENDMENT MAY MAKE RASPBERRIES MORE MARKETABLE ULTIMATELY, AS SENATOR RASMUSSEN ARGUES, THE AMENDMENT DOES NOT RELATE IN ANY WAY TO THE ESTABLISHMENT OF THE SMALL FARM DIRECT MARKETING ASSISTANCE PROGRAM.

THE PRESIDENT, THEREFORE, FINDS THAT THE AMENDMENT IS BEYOND THE SCOPE AND OBJECT OF THE BILL AND THE POINT OF ORDER IF WELL TAKEN.”

THE PRESIDENT RULED THAT THE AMENDMENT BY SENATORS RASMUSSEN, GARDNER, SWECKER, SPANEL, KASTAMA AND ZARELLI ON PAGE 3, AFTER LINE 3, TO SENATE BILL NO. 5613 TO BE OUT OF ORDER.

MOTION

ON MOTION OF SENATOR BETTI SHELDON, FURTHER CONSIDERATION OF SENATE BILL NO. 5613 WAS DEFERRED.

ALLOWING PROTECTION ORDERS FOR UNLAWFUL HARASSMENT TO RESTRAIN PERSONS UNDER THE AGE OF EIGHTEEN.

THE BILL WAS READ THE SECOND TIME.

MOTION

ON MOTION OF SENATOR COSTA, THE FOLLOWING COMMITTEE ON JUDICIARY STRIKING AMENDMENT WAS NOT
ADOPTED:
STRIKE EVERYTHING AFTER THE ENACTING CLAUSE AND INSERT THE FOLLOWING:
"NEW SECTION. Sec. 1. The legislature finds that unlawful harassment directed at a child by a person under
the age of eighteen is not acceptable and can have serious consequences. The legislature further finds that some
interactions between minors, such as "schoolyard scuffles," though not to be condoned, may not rise to the level of
unlawful harassment. It is the intent of the legislature that a protection order sought by the parent or guardian of a
child as provided for in this chapter be available only when the alleged behavior of the person under the age of eighteen
to be restrained rises to the level set forth in chapter 10.14 RCW.
Sec. 2. RCW 10.14.020 and 1999 c 27 s 4 are each amended to read as follows:
Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Unlawful harassment" means a knowing and willful course of conduct directed at a specific person which
seriously alarms, annoys, harasses, or is detrimental to such person, and which serves no legitimate or lawful purpose.
The course of conduct shall be such as would cause a reasonable person to suffer substantial emotional distress, and
shall actually cause substantial emotional distress to the petitioner, or, when the course of conduct (IS CONTACT BY A
PERSON OVER AGE EIGHTEEN THAT) would cause a reasonable parent to fear for the well-being of their child.
(2) "Course of conduct" means a pattern of conduct composed of a series of acts over a period of time, however short,
evidencing a continuity of purpose. "Course of conduct" includes, in addition to any other form of communication,
contact, or conduct, the sending of an electronic communication. Constitutionally protected activity is not included
within the meaning of "course of conduct."
Sec. 3. RCW 10.14.040 and 1995 c 292 s 2 and 1995 c 127 s 2 are each reenacted and amended to read as follows:
There shall exist an action known as a petition for an order for protection in cases of unlawful harassment.
A petition for relief shall allege the existence of harassment and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

All court clerks’ offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

Filing fees are set in RCW 36.18.020, but no filing fee may be charged for a petition filed in an existing action or under an existing cause number brought under this chapter in the jurisdiction where the relief is sought. Forms and instructional brochures shall be provided free of charge.

A person is not required to post a bond to obtain relief in any proceeding under this section.

The parent or guardian of a child under age eighteen may petition for an order of protection to restrain a person ((over)) age eighteen years or over from contact with that child upon a showing that contact with the person to be enjoined is detrimental to the welfare of the child.

The parent or guardian of a child under the age of eighteen may petition for an order of protection to restrain a person under the age of eighteen years from contact with that child only in cases where the person to be restrained has been convicted of an offense against the child protected by the order or is under investigation for such an offense.

SEC. 4. RCW 10.14.120 and 1989 c 373 s 14 are each amended to read as follows:

Any willful disobedience by ((the respondent)) a respondent age eighteen years or over of any temporary antiharassment protection order or civil antiharassment protection order issued under this chapter subjects the respondent to criminal penalties under this chapter. Any respondent age eighteen years or over who willfully disobeys the terms of any order issued under this chapter may also, in the court’s discretion, be found in contempt of court and subject to the terms of any order issued under this chapter may, in the court’s discretion, be found in contempt of court and subject to the sanctions specified in RCW 7.21.030(4).

SEC. 5. RCW 10.14.170 and 1987 c 280 s 17 are each amended to read as follows:

Any respondent age eighteen years or over who willfully disobeys any civil antiharassment protection order issued pursuant to this chapter shall be guilty of a gross misdemeanor.

SEC. 6. RCW 7.21.030 and 1998 c 296 s 36 are each amended to read as follows:

The court may initiate a proceeding to impose a remedial sanction on its own motion or on the motion of a person aggrieved by a contempt of court in the proceeding to which the contempt is related. Except as provided in RCW 7.21.050, the court, after notice and hearing, may impose a remedial sanction authorized by this chapter.

If the court finds that the person has failed or refused to perform an act that is yet within the person’s power to perform, the court may find the person in contempt of court and impose one or more of the following remedial sanctions:

(a) Imprisonment if the contempt of court is of a type defined in RCW 7.21.010(1) through (d). The imprisonment may extend only so long as it serves a coercive purpose.

(b) A forfeiture not to exceed two thousand dollars for each day the contempt of court continues.

(c) An order designed to ensure compliance with a prior order of the court.

(d) Any other remedial sanction other than the sanctions specified in (a) through (c) of this subsection if the court expressly finds that those sanctions would be ineffectual to terminate a continuing contempt of court.

(e) In cases under chapters 13.32A, 13.34, and 28A.225 RCW, commitment to juvenile detention for a period of time not to exceed seven days. This sanction may be imposed in addition to, or as an alternative to, any other remedial sanction authorized by this chapter. This remedy is specifically determined to be a remedial sanction.

(3) The court may, in addition to the remedial sanctions set forth in subsection (2) of this section, order a person found in contempt of court to pay a party for any losses suffered by the party as a result of the contempt and any costs incurred in connection with the contempt proceeding, including reasonable attorney’s fees.

If the court finds that a person under the age of eighteen years has willfully disobeyed the terms of an order issued under chapter 10.14 RCW, the court may find the person in contempt of court and, as a sole sanction for such contempt, commit the person to juvenile detention for a period of time not to exceed seven days.

NEW SECTION. Sec. 7. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this act is null and void.”

SPECIAL ORDER OF BUSINESS

SENATE BILL NO. 6151, by Senators Long and Hargrove

Revising provisions relating to high-risk sex offenders.

MOTIONS

On motion of Senator Hargrove, Substitute Senate Bill No. 6151 was substituted for Senate Bill No. 6151 and the substitute bill was placed on second reading and read the second time.

Senator Hargrove moved that the following striking amendment Senators Hargrove, Long, Costa, Brown, Stevens and Hewitt be adopted: Strike everything after the enacting clause and insert the following:

"PART I
GENERAL PROVISIONS

NEW SECTION. Sec. 101. (1) The legislature makes the following findings:

(a) The effective management of high-risk sex offenders requires a comprehensive approach that includes appropriate sentencing for sex offenses and a plan to address both the immediate and long-term need to establish secure community transition facilities throughout the state.

(b) The individualized treatment required for constitutional civil commitment includes the realistic possibility of release to a less restrictive alternative in appropriate cases. Most persons civilly committed under chapter 71.09 RCW who become eligible for release to a less restrictive alternative do not have housing. Because a lack of housing may unduly restrict a person's ability to obtain an order to a less restrictive alternative, the legislature recognizes
THAT THE STATE MUST PROVIDE SOME HOUSING FACILITIES. FACILITIES TO HOUSE PERSONS CONDITIONALLY RELEASED TO A LESS RESTRICTIVE ALTERNATIVE UNDER CHAPTER 71.09 RCW ARE ESSENTIAL PUBLIC FACILITIES. PUBLIC PROTESTS AND LOCAL GOVERNMENT MORATORIUMS ON ZONING AND PERMITTING PROCESSES HAVE HAMPERED THE STATE'S ABILITY TO COMPLY WITH CONSTITUTIONAL AND STATUTORY REQUIREMENTS AND WITH COURT ORDERS TO CREATE HOUSING FOR LESS RESTRICTIVE ALTERNATIVE PLACEMENTS. THE LEGISLATURE, THEREFORE, INTENDS TO PROVIDE STATEWIDE GUIDANCE AND ASSISTANCE IN THE SITING OF SECURE COMMUNITY TRANSITION FACILITIES FOR PERSONS CONDITIONALLY RELEASED TO LESS RESTRICTIVE ALTERNATIVES UNDER CHAPTER 71.09 RCW.

(c) SOME HIGH-RISK SEX OFFENDERS ARE MOST APPROPRIATELY MANAGED THROUGH AN INDETERMINATE SENTENCING STRUCTURE IN WHICH THEY WILL BE SUPERVISED AND CAN BE RETAINED IN OR RETURNED TO A STATE CORRECTIONAL INSTITUTION UNTIL THE STATUTORY MAXIMUM SENTENCE HAS EXPIRED. THE STATE DOES NOT CURRENTLY HAVE AN INDETERMINATE SENTENCING STRUCTURE. CONSEQUENTLY, THE STATE MUST MAKE CHANGES TO ITS SENTENCING STRUCTURE TO EFFECTIVELY MANAGE THESE HIGH-RISK SEX OFFENDERS.

(2) THEREFORE, THE LEGISLATURE INTENDS TO:

(a) MANAGE HIGH-RISK SEX OFFENDERS TO THE GREATEST EXTENT POSSIBLE THROUGH THE CRIMINAL JUSTICE SYSTEM BY ESTABLISHING AN INDETERMINATE SENTENCING STRUCTURE FOR THOSE OFFENDERS WHO PRESENT A HIGH RISK TO THE COMMUNITY, BASED ON THEIR SEX OFFENSE HISTORY;

(b) ENSURE THE PROMPT SITING AND TIMELY OPERATION OF A SECURE COMMUNITY TRANSITION FACILITY ON MCNEIL ISLAND, ENSURE THE CONTINUED PROGRESS TOWARD THE CONSTRUCTION AND OPERATION OF THE TOTAL CONFINEMENT FACILITY ALREADY PLANNED FOR MCNEIL ISLAND, TO FURTHER THE TREATMENT AND MANAGEMENT OF PERSONS CIVILLY COMMITTED UNDER CHAPTER 71.09 RCW, AND ESTABLISH A FRAMEWORK FOR THE ESTABLISHMENT OF ADDITIONAL SECURE COMMUNITY TRANSITION FACILITIES;

(c) MAXIMIZE PUBLIC SAFETY AND ENHANCE THE POTENTIAL FOR SUCCESSFUL TREATMENT OF SEXUALLY VIOLENT PREDATORS THROUGH THE TIGHTLY MANAGED USE OF LESS RESTRICTIVE ALTERNATIVES IN SECURE COMMUNITY TRANSITION FACILITIES;

(d) MAXIMIZE THE SAFETY OF COMMUNITIES IN WHICH SECURE COMMUNITY TRANSITION FACILITIES ARE LOCATED AND ENSURE PUBLIC INPUT INTO DECISIONS INVOLVING THE SITING AND ONGOING OPERATION OF THESE ESSENTIAL PUBLIC FACILITIES; STRENGTHENING THE SAFETY OF SITING, OVERSIGHT, AND MONITORING IN CONDITIONALLY RELEASED PERSONS; AND ESTABLISHING MINIMUM STANDARDS FOR THE SITING AND OPERATION OF SECURE COMMUNITY TRANSITION FACILITIES; AND

(e) COMPLY WITH FEDERAL COURT ORDERS AND REQUIRE THE SITING OF SECURE COMMUNITY TRANSITION FACILITIES AND THEREBY PRECLUDE THE POSSIBILITY THAT THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES WOULD BE UNABLE TO SITE A FACILITY DUE TO LOCAL MORATORIUMS AND REQUIREMENTS.

Sec. 102. RCW 71.09.020 and 1995 c 216 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter. (a) "Sexually violent predator" means a person who has been convicted of or charged with a crime of sexual violence and who suffers from a mental abnormality or personality disorder which makes the person likely to engage in predatory acts of sexual violence if not confined in a secure facility. Such facilities include total confinement facilities, secure community transition facilities, and any residence used as a court-ordered placement under RCW 71.09.096. (l) Secure community transition facility means a residential facility for persons civilly committed and conditionally released to a less restrictive alternative under this chapter. A secure community transition facility has supervision and security, and either provides or ensures the provision of sex offender treatment services. Secure community transition facilities include but are not limited to the step-down facility established under section 201 of this act and any community-based facilities established under this chapter and operated by the secretary or under contract with the secretary. INDECENT LIBERTIES AGAINST A CHILD UNDER AGE FOURTEEN, INCEST AGAINST A CHILD UNDER AGE FOURTEEN, OR CHILD MOLESTATION IN THE FIRST OR SECOND DEGREE; (B) A FELONY OFFENSE IN EFFECT AT ANY TIME PRIOR TO JULY 1, 1990, THAT IS COMPARABLE TO A SEXUALLY VIOLENT OFFENSE AS DEFINED IN (A) OF THIS SUBSECTION, OR ANY FEDERAL OR OUT-OF-STATE CONVICTION FOR A FELONY OFFENSE THAT UNDER THE LAWS OF THIS STATE WOULD BE A SEXUALLY VIOLENT OFFENSE AS DEFINED IN THIS SUBSECTION; (C) AN ACT OF MURDER IN THE FIRST OR SECOND DEGREE, ASSAULT IN THE FIRST OR SECOND DEGREE, ASSAULT OF A CHILD IN THE FIRST OR SECOND DEGREE, KIDNAPPING IN THE FIRST OR SECOND DEGREE, BURGLARY IN THE FIRST DEGREE, RESIDENTIAL BURGLARY, OR UNLAWFUL IMPRISONMENT, WHICH ACT, EITHER AT THE TIME OF SENTENCING FOR THE OFFENSE OR SUBSEQUENTLY DURING CIVIL COMMITMENT PROCEEDINGS PURSUANT TO CHAPTER 71.09 RCW, HAS BEEN DETERMINED BEYOND A REASONABLE DOUBT TO HAVE BEEN SEXUALLY MOTIVATED, AS THAT TERM IS DEFINED IN RCW 9.94A.030; OR (D) AN ACT AS DESCRIBED IN CHAPTER 9A.28 RCW, THAT IS AN ATTEMPT, CRIMINAL SOLICITATION, OR CRIMINAL CONSPIRACY TO COMMIT ONE OF THE FELONIES DESIGNATED IN (A), (B), OR (C) OF THIS SUBSECTION.

(7) "LESS RESTRICTIVE ALTERNATIVE" MEANS COURT-ORDERED TREATMENT IN A SETTING LESS RESTRICTIVE THAN TOTAL CONFINEMENT.

(8) "SECRETARY" MEANS THE SECRETARY OF SOCIAL AND HEALTH SERVICES OR HIS OR HER DESIGNEE.

(12) "SEXUALLY VIOLENT PREDATOR" MEANS ANY PERSON WHO HAS BEEN CONVICTED OF OR CHARGED WITH A CRIME OF SEXUAL VIOLENCE AND WHO SUFFERS FROM A MENTAL ABNORMALITY OR PERSONALITY DISORDER WHICH MAKES THE PERSON LIKELY TO ENGAGE IN PREDATORY ACTS OF SEXUAL VIOLENCE IF NOT CONFINED IN A SECURE FACILITY.

PART II
SITING

NEW SECTION. Sec. 201. A new section is added to chapter 71.09 RCW to read as follows:

(1) The Secretary is authorized to site and operate a thirty-six bed secure community transition facility as a step-down facility for sexually violent predators on court-ordered conditional release from the special commitment center as provided under RCW 71.09.090 and a special commitment center with up to four hundred beds as a total confinement facility under this chapter, on McNeil Island subject to appropriated funding for those purposes.

(2) Notwithstanding RCW 36.70A.103 or any other law, until December 31, 2003, to the extent siting a secure community transition facility or a total confinement facility on McNeil Island is inconsistent with local comprehensive plans and/or development regulations, this statute preempts and supersedes those local plans, development regulations, and other laws.

(3) The provisions of this act do not limit the state's authority to site any other essential public facility under RCW 36.70A.200 in conformance with local comprehensive plans and development regulations adopted pursuant to chapter 36.70A RCW.

(4) The number of residents at the secure community transition facility established by this section shall not exceed thirty-six persons.

(5) No additional secure community transition facilities for more than three persons may be sited in a county where the special commitment center and the secure community transition facility established pursuant to this section are located.

NEW SECTION. Sec. 202. Beginning on the effective date of this section, the state shall immediately enter into negotiations for a mitigation agreement with the county in which the secure community transition facility established pursuant to section 201 of this act is located, and with each community in which the persons will reside or regularly spend time in the community pursuant to court orders for regular work or education, or to receive social services, or will regularly be transported through to reach those communities. The negotiations must be toward an agreement that will provide state funding, as appropriated for this purpose, in an amount adequate to mitigate anticipated or realized increased costs in law enforcement resulting from any increased risks to public safety brought about by the presence of sexually violent predators in those communities due to the siting of the step-down facility established pursuant to section 201 of this act.

NEW SECTION. Sec. 203. A new section is added to chapter 71.09 RCW to read as follows:

When a person civilly committed under this chapter is conditionally released to a less restrictive alternative placement at a facility owned or operated under contract with the state, any employer who hires the person for a position or any educational institution that enrolls the person for a program is eligible for an incentive grant from the state up to five thousand dollars per year that the person remains employed or enrolled on at least a half-time basis in a job or program that meets requirements approved by the court. The provisions of this section shall not establish employer or educational institution liability for the subsequent criminal acts of a conditionally released person for the decision to hire or enroll that person. An employer or educational institution that accepts an incentive grant under this section shall not be civilly liable for the subsequent criminal acts of a conditionally released person unless the employer's or educational institution's conduct constitutes gross negligence or intentional misconduct. An employer that hires a conditionally released person must notify all other employees of the conditionally released person's status. Notification for conditionally released persons who enroll in an institution of higher education shall be made pursuant to the provisions of RCW 9A.44.130 related to sex offenders enrolled in institutions of higher education and RCW 4.24.550. This provision applies only to conditionally released persons whose court approved treatment plan includes permission or a requirement for the person to obtain education or employment and to employment positions or educational programs that meet the requirements of the court-approved treatment plan.

NEW SECTION. Sec. 204. On or before December 1, 2002, the Department of Social and Health Services shall submit a report to the appropriate committees of the Legislature regarding policies for the subsequent placement of
SEXUALLY VIOLENT PREDATORS ON COURT-ORDERED CONDITIONAL RELEASE RESIDING IN THE SECURE COMMUNITY TRANSITION FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT. THE REPORT SHALL ADDRESS THE FOLLOWING:
(1) THE ANTICIPATED NEED, IF ANY, FOR SECURE COMMUNITY TRANSITION FACILITIES SMALLER THAN THE FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT;
(2) POLICIES THAT WILL BE IMPLEMENTED TO ENSURE THAT PLACEMENT OF PERSONS ELIGIBLE FOR CONDITIONAL RELEASE TO A SETTING LESS RESTRICTIVE THAN THE FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT DURING THE 2003-2005 AND 2005-2007 BIENNIA;
(3) THE ANTICIPATED NEED, IF ANY, FOR SECURE COMMUNITY TRANSITION FACILITIES SMALLER THAN THE FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT;
(4) POLICIES THAT WILL BE IMPLEMENTED TO ENSURE THAT PLACEMENT OF PERSONS ELIGIBLE FOR CONDITIONAL RELEASE TO A SETTING LESS RESTRICTIVE THAN THE FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT WILL BE EQUITABLY DISTRIBUTED AMONG THE COUNTIES, AND WITHIN EACH COUNTY, AMONG JURISDICTIONS IN THE COUNTY;
(5) THE PURPOSE OF THE PUBLIC HEARINGS IS TO SEEK INPUT FROM COUNTY AND CITY OFFICIALS, LOCAL LAW ENFORCEMENT OFICIALS, AND THE PUBLIC REGARDING OPERATIONS AND SECURITY MEASURES NEEDED TO ADEQUATELY PROTECT THE COMMUNITY FROM ANY INCREASED RISK TO PUBLIC SAFETY BROUGHT ABOUT BY THE PRESENCE OF PERSONS CONDITIONALLY RELEASED FROM THE SPECIAL COMMITMENT CENTER IN THESE COMMUNITIES DUE TO THE SITING OF THE FACILITY.
NEW SECTION. Sec. 206. The department of social and health services shall, by August 1, 2001, and prior to operating the secure community transition facility established pursuant to section 201 of this act, hold at least three public hearings in the affected communities within the county where the facility is located.
NEW SECTION. Sec. 207. A new section is added to chapter 71.09 RCW to read as follows:
THE DEPARTMENT SHALL MAKE REASONABLE EFFORTS TO DISTRIBUTE THE IMPACT OF THE employment, education, and social services needs of the residents of a step-down facility among the adjoining counties and not to concentrate the residents' use of resources in any one community.
NEW SECTION. Sec. 208. A new section is added to chapter 71.09 RCW to read as follows:
THE DEPARTMENT WILL PROVIDE THE MAXIMUM SECURITY PROTECTION APPROPRIATE IN A CIVIL FACILITY FOR PERSONS IN LESS THAN TOTAL CONFINEMENT.
NEW SECTION. Sec. 209. A new section is added to chapter 71.09 RCW to read as follows:
A step-down facility shall meet the following minimum staffing requirements:
(1) At any time the facility has six or fewer residents, a minimum staffing ratio of one staff per resident during normal waking hours and two awake staff per three residents during normal sleeping hours.
(2) By December 1, 2001, the department will provide a staffing plan to the appropriate committees of the legislature that will cover the growth of the step-down facility established pursuant to section 201 of this act to its full capacity.
(3) At any time any secure community transition facility has six or fewer residents, all staff shall be classified as residential rehabilitation counselor II or have a classification that indicates a higher level of skill, experience, and training. Before being assigned to a secure community transition facility all staff shall have training in sex offender issues, self-defense, and crisis de-escalation skills in addition to departmental orientation and, as appropriate, management training. All staff with resident treatment or care duties must participate in ongoing in-service training.
(4) All staff must pass a departmental background check and the check is not subject to the limitations in chapter 9.96A RCW.
NEW SECTION. Sec. 210. A new section is added to chapter 71.09 RCW to read as follows:
Residents of the step-down facility established in section 201 of this act must be separated from minors and vulnerable adults except minors or vulnerable adults who have been found to be sexually violent predators when being transported between the mainland and McNeil Island.
By July 1, 2001, the department must provide the appropriate committees of the legislature with a transportation plan to address the issues of coordinating the movement of residents of the step-down facility established pursuant to section 201 of this act between McNeil Island and the mainland with the movement of others who must use the same docks or equipment within the funds appropriated for this purpose.
NEW SECTION. Sec. 211. A new section is added to chapter 71.09 RCW to read as follows:
(1) The secretary shall develop a process with local governments that allows each community in which a secure community transition facility is located to establish operational advisory boards of at least seven persons for the secure community transition facilities. The department may conduct community awareness activities to publicize this opportunity. The operational advisory boards developed under this section shall be implemented following the decision to locate a secure community transition facility in a particular community.
(2) The operational advisory boards may review and make recommendations regarding the security and operations of the secure community transition facility and conditions or modifications necessary with relation to any person who the secretary proposes to place in the secure community transition facility.
THE FACILITY MANAGEMENT MUST CONSIDER THE RECOMMENDATIONS OF THE COMMUNITY ADVISORY BOARDS. WHERE THE FACILITY MANAGEMENT DOES NOT IMPLEMENT AN OPERATIONAL ADVISORY BOARD RECOMMENDATION, THE MANAGEMENT MUST PROVIDE A WRITTEN RESPONSE TO THE OPERATIONAL ADVISORY BOARD STATING ITS REASONS FOR ITS DECISION NOT TO IMPLEMENT THE RECOMMENDATION.

THE OPERATIONAL ADVISORY BOARDS, THEIR MEMBERS, AND ANY AGENCY REPRESENTED BY A MEMBER SHALL NOT BE LIABLE IN ANY CAUSE OF ACTION AS A RESULT OF ITS RECOMMENDATIONS UNLESS THE ADVISORY BOARD ACTS WITH GROSS NEGLIGENCE OR BAD FAITH IN MAKING A RECOMMENDATION.

MEMBERS OF A BOARD SHALL BE REIMBURSED FOR TRAVEL EXPENSES AS PROVIDED IN RCW 43.03.050 AND 43.03.060.

NEW SECTION, Sec. 213. A NEW SECTION IS ADDED TO CHAPTER 71.09 RCW TO READ AS FOLLOWS:

(1) THE SECRETARY SHALL ADOP A VIOLATION REPORTING POLICY FOR PERSONS CONDITIONALLY RELEASED TO LESS RESTRICTIVE ALTERNATIVE PLACEMENTS IN SECURE COMMUNITY TRANSITION FACILITIES. THE POLICY SHALL REQUIRE WRITTEN DOCUMENTATION BY THE DEPARTMENT AND SERVICE PROVIDERS OF ALL VIOLATIONS OF CONDITIONS SET BY THE DEPARTMENT, THE DEPARTMENT OF CORRECTIONS, OR THE COURT AND ESTABLISH CRITERIA FOR RETURNING A VIOLATOR TO THE SPECIAL COMMITMENT CENTER OR A STEP-DOWN FACILITY. ANY CONDITIONALLY RELEASED PERSON WHO COMITS A SERIOUS VIOLATION OF CONDITIONS SHALL BE RETURNED TO THE SPECIAL COMMITMENT CENTER, UNLESS ARRESTED BY A LAW ENFORCEMENT OFFICER, AND THE COURT SHALL BE NOTIFIED IMMEDIATELY AND SHALL INITIATE PROCEEDINGS UNDER RCW 71.09.098 TO REVOKE OR MODIFY THE LESS RESTRICTIVE ALTERNATIVE PLACEMENT. NOTHING IN THIS SECTION LIMITS THE AUTHORITY OF THE DEPARTMENT TO RETURN A PERSON TO THE SPECIAL COMMITMENT CENTER BASED ON A VIOLATION THAT IS NOT A SERIOUS VIOLATION AS DEFINED IN THIS SECTION. FOR THE PURPOSES OF THIS SECTION, "SERIOUS VIOLATION" INCLUDES BUT IS NOT LIMITED TO:

(a) THE COMMISSION OF ANY CRIMINAL OFFENSE;
(b) ANY UNLAWFUL USE OR POSSESSION OF A CONTROLLED SUBSTANCE; AND
(c) ANY VIOLATION OF CONDITIONS TARGETED TO ADDRESS THE PERSON'S DOCUMENTED PATTERN OF OFFENSE THAT INCREASES THE RISK TO PUBLIC SAFETY.

WHEN A PERSON IS RELEASED TO A LESS RESTRICTIVE ALTERNATIVE IN A SECURE COMMUNITY TRANSITION FACILITY UNDER THIS CHAPTER AND IS UNDER THE SUPERVISION OF THE DEPARTMENT OF CORRECTIONS, NOTICE OF ANY VIOLATION OF THE PERSON'S CONDITIONS OF RELEASE MUST ALSO BE MADE TO THE DEPARTMENT OF CORRECTIONS.

(2) WHENEVER THE SECRETARY CONTRACTS WITH A SERVICE PROVIDER TO OPERATE A SECURE COMMUNITY TRANSITION FACILITY, THE CONTRACT SHALL INCLUDE A REQUIREMENT THAT THE SERVICE PROVIDER MUST REPORT TO THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES ANY KNOWN VIOLATION OF CONDITIONS COMMITED BY ANY RESIDENT OF THE SECURE COMMUNITY TRANSITION FACILITY.

(3) THE SECRETARY SHALL DOCUMENT IN WRITING ALL VIOLATIONS, PENALTIES, ACTIONS BY THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES TO REMOVE PERSONS FROM A SECURE COMMUNITY TRANSITION FACILITY, AND CONTRACT TERMINATIONS. THE SECRETARY SHALL GIVE GREAT WEIGHT TO A SERVICE PROVIDER'S RECORD OF VIOLATIONS, PENALTIES, ACTIONS BY THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES OR THE DEPARTMENT OF CORRECTIONS TO REMOVE PERSONS FROM A SECURE COMMUNITY TRANSITION FACILITY, AND CONTRACT TERMINATIONS IN DETERMINING TO EXECUTE, RENEW, OR RENEGOTIATE A CONTRACT WITH A SERVICE PROVIDER.

NEW SECTION, Sec. 214. A NEW SECTION IS ADDED TO CHAPTER 71.09 RCW TO READ AS FOLLOWS:

THE SECRETARY SHALL ADOPT RULES THAT CONTAIN A SCHEDULE OF MONETARY PENALTIES FOR CONTRACTORS OPERATING SECURE COMMUNITY TRANSITION FACILITIES, NOT TO EXCEED THE TOTAL COMPENSATION SET FORTH IN THE CONTRACT, AND INCLUDE PROVISIONS FOR TERMINATION OF ALL CONTRACTS WITH A SERVICE PROVIDER THAT HAS REPEATED OR SERIOUS VIOLATIONS OF SECTION 213 OF THIS ACT.

NEW SECTION, Sec. 215. A NEW SECTION IS ADDED TO CHAPTER 71.09 RCW TO READ AS FOLLOWS:

(1) UNLESS OTHERWISE ORDERED BY THE COURT:
(a) RESIDENTS OF A SECURE COMMUNITY TRANSITION FACILITY MUST WEAR ELECTRONIC MONITORING DEVICES AT ALL TIMES; AND
(b) AT LEAST ONE STAFF MEMBER, OR OTHER COURT-AUTHORIZED AND DEPARTMENT-APPROVED PERSON MUST ESCORT EACH RESIDENT WHEN THE RESIDENT LEAVES THE SECURE COMMUNITY TRANSITION FACILITY FOR APPOINTMENTS, EMPLOYMENT, OR OTHER APPROVED ACTIVITIES. ESCORTING PERSONS MUST SUPERVISE THE RESIDENT CLOSELY AND MAINTAIN CLOSE PROXIMITY TO THE RESIDENT.

(2) STAFF MEMBERS OF THE SPECIAL COMMITMENT CENTER AND ANY OTHER SECURE FACILITY AND ANY SECURE COMMUNITY TRANSITION FACILITY MUST BE TRAINED IN SELF-DEFENSE AND APPROPRIATE CRISIS RESPONSES INCLUDING INCIDENT DE-ESCALATION. PRIOR TO ESCORTING A PERSON OUTSIDE OF A FACILITY, STAFF MEMBERS MUST ALSO HAVE TRAINING IN THE OFFENSE PATTERN OF THE OFFENDER THEY ARE ESCORTING.

(3) ANY ESCORT MUST CARRY A CELLULAR TELEPHONE OR A SIMILAR DEVICE AT ALL TIMES WHEN ESCORTING A RESIDENT OF THE STEP-DOWN FACILITY.

(4) THE DEPARTMENT SHALL REQUIRE TRAINING IN OFFENDER PATTERN, SELF-DEFENSE, AND INCIDENT RESPONSE FOR ALL COURT-AUTHORIZED AND DEPARTMENT-APPROVED ESCORTS WHO ARE NOT EMPLOYED BY THE DEPARTMENT OR THE DEPARTMENT OF CORRECTIONS.

NEW SECTION, Sec. 216. A NEW SECTION IS ADDED TO CHAPTER 71.09 RCW TO READ AS FOLLOWS:

(1) EXCEPT WITH RESPECT TO THE SECURE COMMUNITY TRANSITION FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT, THE SECRETARY SHALL ADOPT RULES THAT BALANCE THE AVERAGE RESPONSE TIME OF EMERGENCY SERVICES TO THE GENERAL AREA OF A PROPOSED SECURE COMMUNITY TRANSITION FACILITY AGAINST THE PROXIMITY OF THE PROPOSED SITE TO RISK POTENTIAL ACTIVITIES AND FACILITIES IN EXISTENCE AT THE TIME THE SITE IS LISTED FOR CONSIDERATION.

(2) IN BALANCING THE COMPETING CRITERIA OF PROXIMITY AND RESPONSE TIME THE RULE SHALL ENDEAVOR TO ACHIEVE AN AVERAGE LAW ENFORCEMENT RESPONSE TIME NOT GREATER THAN FIVE MINUTES AND IN NO CASE SHALL THE RULE PERMIT LOCATION OF A FACILITY ADJACENT TO, IMMEDIATELY ACROSS A STREET OR PARKING LOT FROM, OR WITHIN THE LINE OF SIGHT OF A RISK POTENTIAL ACTIVITY OR FACILITY IN EXISTENCE AT THE TIME A SITE IS LISTED FOR CONSIDERATION. "WITHIN THE LINE OF SIGHT" MEANS THAT IT IS POSSIBLE TO REASONABLY VISUALLY DISTINGUISH AND RECOGNIZE INDIVIDUALS.

(3) THE RULE SHALL REQUIRE THAT GREAT WEIGHT BE GIVEN TO SITES THAT ARE THE FARthest REMOVED FROM ANY RISK POTENTIAL ACTIVITY.

(4) THE RULE SHALL SPECIFY HOW DISTANCE FROM THE LOCATION IS MEASURED AND ANY VARIATIONS IN THE MEASUREMENT BASED ON THE SIZE OF THE PROPERTY WITHIN WHICH A PROPOSED FACILITY IS TO BE LOCATED.

(5) THE RULE SHALL ESTABLISH A METHOD TO ANALYZE AND COMPARE THE CRITERIA FOR EACH SITE IN TERMS OF PUBLIC SAFETY AND SECURITY, SITE CHARACTERISTICS, AND PROGRAM COMPONENTS. IN MAKING A DECISION REGARDING A SITE FOLLOWING THE ANALYSIS AND COMPARISON, THE SECRETARY SHALL GIVE PRIORITY TO PUBLIC SAFETY AND SECURITY CONSIDERATIONS. THE ANALYSIS AND
COMPARISON OF THE CRITERIA ARE TO BE DOCUMENTED AND MADE AVAILABLE AT THE PUBLIC HEARINGS PRESCRIBED IN SECTION 220 OF THIS ACT.

NEW SECTION. Sec. 217. By December 1, 2001, the secretary of the department of social and health services shall determine and report to the legislature whether there is a significant group of potential locations that are outside of a five-minute law enforcement response time zone that are more than two miles from any risk potential activities and whether, in the secretary’s judgment, the legislature should require the rule to be revised to permit consideration of these properties.

NEW SECTION. Sec. 218. A new section is added to chapter 71.09 RCW to read as follows:

The secretary shall establish criteria for the siting of secure community transition facilities, other than the secure community transition facility established pursuant to section 201 of this act, which shall include at least the following minimum requirements:

   c. Security monitoring services and appropriate back-up systems are available and reliable;
   d. Appropriate mental health and sex offender treatment providers must be available within a reasonable commute; and
   e. Appropriate permitting for a secure community transition facility must be possible under the zoning code of the local jurisdiction.

(2) For sites which meet the criteria of subsection (1) of this section, the department shall analyze and compare the criteria in subsections (3) through (5) of this section using the method established in section 216 of this act.

(3) Public safety and security criteria shall include at least the following:
   a. Whether limited visibility between the facility and adjacent properties can be achieved prior to placement of any person;
   b. The distance from, and number of, risk potential activities and facilities, as measured using the rules adopted under section 216 of this act;
   c. The existence of or ability to establish barriers between the site and the risk potential facilities and activities;
   d. Suitability of the buildings to be used for the secure community transition facility with regard to existing or feasibly modified features; and
   e. The availability of electronic monitoring that allows a resident’s location to be determined with specificity.

(4) Site characteristics criteria shall include at least the following:
   a. Reasonableness of rental, lease, or sale terms including length and renewability of a lease or rental agreement;
   b. Traffic and access patterns associated with the real property;
   c. Feasibility of complying with zoning requirements within the necessary time frame; and
   d. A contractor or contractors are available to install, monitor, and repair the necessary security and alarm systems.

(5) Program characteristics criteria shall include at least the following:
   a. Reasonable proximity to available medical, mental health, sex offender, and chemical dependency treatment providers and facilities;
   b. Suitability of the location for programming, staffing, and support considerations;
   c. Proximity to employment, educational, vocational, and other treatment plan components; and
   d. For purposes of this section “available” or “availability” of qualified treatment providers includes provider qualifications and willingness to provide services, average commute time, and cost of services.

NEW SECTION. Sec. 219. A new section is added to chapter 71.09 RCW to read as follows:

Security systems for secure community transition facilities designed to house five or fewer residents shall meet the following minimum qualifications:

(1) (a) The security panel must be a commercial grade panel with tamper-proof switches and a key-lock to prevent unauthorized access.
   (b) There must be an emergency electrical supply system which shall include a battery back-up system and a generator.
   (2) The system must include personal panic devices for all staff.
   (3) The security system must be capable of being monitored and signaled either by telephone through either a land or cellular telephone system or by private radio network in the event of a total dial-tone failure or through equivalent technologies.

(4) The department shall issue photo-identification badges to all staff which must be worn at all times.

NEW SECTION. Sec. 220. A new section is added to chapter 71.09 RCW to read as follows:

(1) Whenever the department operates, or the secretary enters into a contract to operate, a secure community transition facility except the step-down facility established pursuant to section 201 of this act, the secure community transition facility may be operated only after the public notification and opportunities for review and comment as required by this section.

(2) The secretary shall establish a process for early and continuous public participation in establishing or relocating secure community transition facilities. The process shall include, at a minimum, public meetings in the local communities affected, as well as opportunities for written and oral comments, in the following manner:

   (a) If there are more than three sites initially selected as potential locations and the selection process by the secretary or a service provider reduces the number of possible sites for a secure community transition facility to no fewer than three, the secretary or the chief operating officer of the service provider shall notify the public of the...
POSSIBLE SITING AND HOLD AT LEAST TWO PUBLIC HEARINGS IN EACH COMMUNITY WHERE A SECURE COMMUNITY TRANSITION FACILITY MAY BE SITED.

(b) WHEN THE SECRETARY OR SERVICE PROVIDER HAS DETERMINED THE SECURE COMMUNITY TRANSITION FACILITY'S LOCATION, THE SECRETARY OR THE CHIEF OPERATING OFFICER OF THE SERVICE PROVIDER SHALL HOLD AT LEAST ONE ADDITIONAL PUBLIC HEARING IN THE COMMUNITY WHERE THE SECURE COMMUNITY TRANSITION FACILITY WILL BE SITED.

(c) WHEN THE SECRETARY HAS ENTERED NEGOTIATIONS WITH A SERVICE PROVIDER AND ONLY ONE SITE IS UNDER CONSIDERATION, THEN AT LEAST TWO PUBLIC HEARINGS SHALL BE HELD.

(d) TO PROVIDE ADEQUATE NOTICE OF, AND OPPORTUNITY FOR INTERESTED PERSONS TO COMMENT ON, A PROPOSED LOCATION, THE SECRETARY OR THE CHIEF OPERATING OFFICER OF THE SERVICE PROVIDER SHALL PROVIDE AT LEAST FOURTEEN DAYS' ADVANCE NOTICE TO THE MEETING TO ALL NEWSPAPERS OF GENERAL CIRCULATION IN THE COMMUNITY, ALL RADIO AND TELEVISION STATIONS GENERALLY AVAILABLE TO PERSONS IN THE COMMUNITY, ANY SCHOOL DISTRICT IN WHICH THE SECURE COMMUNITY TRANSITION FACILITY WOULD BE SITED OR WHOSE BOUNDARY IS WITHIN TWO MILES OF A PROPOSED SECURE COMMUNITY TRANSITION FACILITY, ANY LIBRARY DISTRICT IN WHICH THE SECURE COMMUNITY TRANSITION FACILITY WOULD BE SITED, LOCAL BUSINESS OR FRATERNAL ORGANIZATIONS THAT REQUEST NOTIFICATION FROM THE SECRETARY OR AGENCY, AND ANY PERSON OR PROPERTY OWNER WITHIN A ONE-HALF MILE RADIUS OF THE PROPOSED SECURE COMMUNITY TRANSITION FACILITY. BEFORE INITIATING THIS PROCESS, THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES SHALL CONTACT LOCAL GOVERNMENT PLANNING AGENCIES IN THE COMMUNITIES CONTAINING THE PROPOSED SECURE COMMUNITY TRANSITION FACILITY. THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES SHALL COORDINATE WITH LOCAL GOVERNMENT AGENCIES TO ENSURE THAT OPPORTUNITIES ARE PROVIDED FOR EFFECTIVE CITIZEN INPUT AND TO REDUCE THE DUPPLICATION OF NOTICE AND MEETINGS.

(3) THIS SECTION APPLIES ONLY TO SECURE COMMUNITY TRANSITION FACILITIES SITED AFTER THE EFFECTIVE DATE OF THIS SECTION.

NEW SECTION, Sec. 221. A NEW SECTION IS ADDED TO CHAPTER 36.70A RCW TO READ AS FOLLOWS:

(1) THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES SHALL PREPARE A PROJECTED LIST OF COUNTIES IN WHICH SECURE COMMUNITY TRANSITION FACILITIES WILL NEED TO BE SITED OVER THE NEXT SIX YEARS AND TRANSMIT THAT TO THE OFFICE OF FINANCIAL MANAGEMENT FOR INCLUSION ON THE LIST OF PROJECTED ESSENTIAL PUBLIC FACILITIES KEPT UNDER RCW 36.70A.200.

(2) WHEN A COUNTY IS NOTIFIED BY THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES OF THE PROJECTED NEED TO SITE SECURE COMMUNITY TRANSITION FACILITIES, THE COUNTY SHALL REVIEW AND SHALL, IF NECESSARY, TAKE ACTION TO REVISE THE COUNTYWIDE PLANNING POLICIES ADOPTED UNDER RCW 36.70A.210 TO ADDRESS THE SITING OF SUCH FACILITIES. THE COUNTY MUST INCLUDE ALL CITIES IN SUCH REVIEW AND MUST SOLICIT THE PARTICIPATION OF THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES REGARDING POLICIES, STATUTES, AND RULES APPLICABLE TO THE SITING OF SECURE COMMUNITY TRANSITION FACILITIES.

(3) EACH COUNTY AND CITY IDENTIFIED IN THE COUNTYWIDE PLANNING POLICIES DEVELOPED UNDER SUBSECTION (2) OF THIS SECTION FOR PROJECTED SITING OF SECURE COMMUNITY TRANSITION FACILITIES WITHIN SUCH COUNTY OR CITY SHALL MAKE ANY NECESSARY REVISIONS TO ITS COMPREHENSIVE PLAN AND DEVELOPMENT REGULATIONS. THE PROVISIONS OF THE COMPREHENSIVE PLAN AND DEVELOPMENT REGULATIONS SHALL BE CONSISTENT WITH THE POLICIES, STATUTES, AND RULES APPLICABLE TO THE SITING OF SECURE COMMUNITY TRANSITION FACILITIES. ANY AMENDMENTS MAY BE COMBINED WITH THE NEXT SCHEDULED ADOPTION OF REVISIONS, BUT IN ANY EVENT NOT LATER THAN THE DATE PROVIDED FOR COMPREHENSIVE REVIEW AND REVISION OF PLANS PURSUANT TO RCW 36.70A.130(1).

(4) NOTHING IN THIS SECTION PRECLUDES A LOCAL GOVERNMENT FROM REQUIRING THAT A SPECIAL USE OR A CONDITIONAL USE PERMIT BE OBTAINED TO SITE A SECURE COMMUNITY TRANSITION FACILITY THAT DOES NOT COMPLY WITH ITS COMPREHENSIVE PLAN AND DEVELOPMENT REGULATIONS, PROVIDED THAT THE COMPREHENSIVE PLAN AND DEVELOPMENT REGULATIONS ARE CONSISTENT WITH THIS SECTION. THE LOCAL GOVERNMENT SHALL ESTABLISH TIMELINES FOR PROCESSING ANY REQUIRED PERMITS THAT ARE NO LONGER THAN THOSE ESTABLISHED FOR OTHER COMPARABLE PROJECT PERMITS UNDER RCW 36.70B.080.

NEW SECTION, Sec. 222. A NEW SECTION IS ADDED TO CHAPTER 36.70 RCW TO READ AS FOLLOWS:

(4) If an offender violates conditions imposed by the court, the department, or the board during community custody, the board or the department may transfer the offender to a more restrictive confinement status and impose other available sanctions as provided in section 310 of this act.

(5) By the close of the next business day, after receiving notice of a condition imposed by the board or the department, an offender may request an administrative hearing under rules adopted by the board. The condition shall remain in effect unless the hearing examiner finds that it is not reasonably related to any of the following:

(a) The crime of conviction;
(b) The offender’s risk of reoffending; or
(c) The safety of the community.

(6) An offender released by the board under section 307 of this act shall be subject to the supervision of the department until the expiration of the maximum term of the sentence. The department shall monitor the offender’s compliance with conditions of community custody imposed by the court, department, or board, and promptly report any violations to the board. Any violation of conditions of community custody established or modified by the board shall be subject to the provisions of sections 308 through 311 of this act.

(7) If the department finds that an emergency exists requiring the immediate imposition of conditions of release in addition to those set by the board under section 307 of this act and subsection (1) of this section in order to prevent the offender from committing a crime, the department may impose additional conditions. The department may not impose conditions that are contrary to those set by the board or the court and may not contravene or decrease court-imposed or board-imposed conditions. Conditions imposed under this subsection shall take effect immediately after notice to the offender. An offender shall not remain in effect longer than seven working days unless approved by the board under subsection (6) of this section within seven working days.

NEW SECTION. Sec. 306. A new section is added to chapter 72.09 RCW to read as follows:

The department shall provide offenders sentenced under section 303 of this act with the opportunity for sex offender treatment during incarceration.

NEW SECTION. Sec. 307. A new section is added to chapter 9.95 RCW to read as follows:

(1)(A) Before the expiration of the minimum term, as part of the end of sentence review process under RCW 72.09.340, 72.09.345, and where appropriate, 72.09.370, the department shall conduct, and the offender shall participate in, an examination of the offender, incorporating methodologies that are recognized by experts in the prediction of sexual dangerousness, and including a prediction of the probability that the offender will engage in sex offenses if released.

(b) The board may contract for an additional, independent examination, subject to the standards in this section.

(2) The board shall impose the conditions and instructions provided for in RCW 9.94A.720. The board shall consider the department’s recommendations and may impose conditions in addition to those recommended by the department. The board may impose or modify conditions of community custody following notice to the offender.

(3) No later than ninety days before expiration of the minimum term, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender’s failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender. The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term. Not to exceed an additional two years.

NEW SECTION. Sec. 308. A new section is added to chapter 9.95 RCW to read as follows:

(1) Whenever the board or a community corrections officer of this state has reason to believe an offender released under section 307 of this act has violated a condition of community custody or the laws of this state, any community corrections officer may arrest or cause the arrest and detention of the offender pending a determination by the board whether sanctions should be imposed or the offender’s community custody should be revoked. The community corrections officer shall report all facts and circumstances surrounding the alleged violation to the board, with recommendations.

(2) If the board or the department causes the arrest or detention of an offender for a violation that does not amount to a new crime and the offender is arrested or detained by local law enforcement or in a local jail, the board or department, whichever caused the arrest or detention, shall be financially responsible for local costs. Jail bed costs shall be allocated at the rate established under RCW 9.94A.207(3).

NEW SECTION. Sec. 309. A new section is added to chapter 9.95 RCW to read as follows:

(1) An offender released under section 307 of this act who is arrested and detained in physical custody by the authority of a community corrections officer, or upon the written order of the board, shall not be released from custody on bail or personal recognizance, except upon approval of the board and the issuance by the board of an order reinstating the offender’s release on the same or modified conditions. All chiefs of police, marshals of cities and towns,
SHERIFFS OF COUNTIES, AND ALL POLICE, PRISON, AND PEACE OFFICERS AND CONSTABLES SHALL EXECUTE ANY SUCH ORDER IN THE SAME MANNER AS ANY ORDINARY CRIMINAL PROCESS.

NEW SECTION. Sec. 310. A new section is added to chapter 9.95 RCW to read as follows:

(1) If an offender released by the board under section 307 of this act violates any condition or requirement of community custody, the board may transfer the offender to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation and subject to the limitations of subsection (2) of this section.

(2) Following the hearing specified in subsection (3) of this section, the board may impose sanctions such as work release, home detention with electronic monitoring, work crew, community service, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community, or may suspend or revoke the release to community custody whenever an offender released by the board under section 307 of this act violates any condition or requirement of community custody.

(3) If an offender released by the board under section 307 of this act is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before the board prior to the imposition of sanctions. The hearing shall be considered as offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The board shall develop hearing procedures and a structure of graduated sanctions consistent with the hearing procedures and graduated sanctions developed pursuant to RCW 9.94A.205. The board may suspend the offender's release to community custody and confine the offender in a correctional institution owned, operated by, or operated under contract with the state prior to the hearing unless the offender has been arrested and confined for a new criminal offense.

(4) The hearing procedures required under subsection (3) of this section shall be developed by rule and include the following:

(a) Hearings shall be conducted by members of the board unless the board enters into an agreement with the department to use the hearing officers established under RCW 9.94A.205;

(b) The board shall provide the offender with written notice of the violation, the evidence relied upon, and the reasons the particular sanction was imposed. The notice shall include a statement of the rights specified in this subsection, and the offender's right to file a personal restraint petition under court rules after the final decision of the board;

(c) The hearing shall be held unless waived by the offender, and shall be electronically recorded. For offenders in total confinement, the hearing shall be held within fifteen working days, but not less than twenty-four hours after notice of the violation. For offenders in total confinement, the hearing shall be held within five working days, but not less than twenty-four hours after notice of the violation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing examiner if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; (v) question witnesses who appear and testify; and (vi) be represented by counsel if revocation of the release to community custody is a possible sanction for the violation; and

(e) The sanction shall take effect if affirmed by the hearing examiner. Within seven days after the hearing examiner's decision, the offender may appeal the decision to a panel of three reviewing examiners designated by the chair of the board or by the chair's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: (i) The crime of conviction; (ii) the violation committed; (iii) the offender's risk of reoffending; or (iv) the safety of the community.

(5) For purposes of this section, no finding of a violation of conditions may be based on unconfirmed or unconfirmable allegations.

NEW SECTION. Sec. 311. A new section is added to chapter 9.95 RCW to read as follows:

In the event the board suspends release status of an offender released under section 307 of this act by reason of an alleged violation of a condition of release, or pending disposition of a new criminal charge, the board may nullify the suspension order and reinstate release under previous conditions or any new conditions the board determines advisable. Before the board may nullify a suspension order and reinstate release, it shall determine that the best interests of society and the offender shall be served by such reinstatement rather than return to confinement.

Sec. 312. RCW 9.94A.060 and 1996 c 232 s 3 are each amended to read as follows:

The members so appointed shall serve two-year terms, or until they cease to be members of the house from which they were appointed, whichever occurs first.

(5) The members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060. Legislative members shall be reimbursed by their respective houses as provided under RCW 44.04.120((as now amended)). Members shall be compensated in accordance with RCW 43.03.250.

Sec. 313. RCW 9.94A.120 and 2000 c 226 s 2, 2000 c 43 s 1, and 2000 c 28 s 5 are each reenacted and amended to read as follows:

(1) When a person is convicted of a felony, the court shall impose punishment as provided in this chapter.

(a) The court shall impose a sentence as provided in the following sections and as applicable in the case:

(i) Unless another term of confinement applies, the court shall impose a sentence within the standard sentence range established in RCW 9.94A.310;

(ii) RCW 9.94A.700 and 9.94A.705, relating to community placement;

(iii) RCW 9.94A.710 and 9.94A.715, relating to community custody;

(iv) RCW 9.94A.383, relating to community custody for offenders whose term of confinement is one year or less;

(v) RCW 9.94A.560, relating to persistent offenders;

(vi) RCW 9.94A.590, relating to mandatory minimum terms;

(vii) RCW 9.94A.650, relating to the first-time offender waiver;

(viii) RCW 9.94A.660, relating to the drug offender sentencing alternative;

(ix) RCW 9.94A.670, relating to the special sex offender sentencing alternative;

(x) Section 303 of this act, relating to certain sex offenses;

(xi) RCW 9.94A.390, relating to exceptional sentences;

(2) If a standard sentence range has not been established for the offender's crime, the court shall impose a determinate sentence which may include not more than one year of confinement; community service work; until July 1, 2000, a term of community supervision not to exceed one year and on and after July 1, 2000, a term of community custody not to exceed one year, subject to conditions and sanctions as authorized in RCW 9.94A.710 (2) and (3); and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.390.

(3) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(4) If a sentence imposed includes payment of a legal financial obligation, it shall be imposed as provided in RCW 9.94A.140, 9.94A.142, and 9.94A.145.

(5) Except as provided under RCW 9.94A.140(4) and 9.94A.142(4), a court may not impose a sentence providing for a term of confinement or community supervision, community placement, or community custody which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(6) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(7) The court shall order restitution provided in RCW 9.94A.140 and 9.94A.142.

(8) As a part of any sentence, the court may impose and enforce crime-related prohibitions and affirmative conditions as provided in this chapter.

(9) The court may order an offender whose sentence includes community placement or community supervision to undergo a mental status evaluation and to participate in available outpatient mental health treatment, if the court finds that reasonable grounds exist to believe that the offender is a mentally ill person as defined in RCW 71.24.025, and that this condition is likely to have influenced the offense. An order requiring mental status evaluation or treatment must be based on a presentence report and, if applicable, upon mental status evaluations that have been filed with the court to determine the offender's competency or eligibility for a defense of insanity. The court may order additional evaluations at a later date if deemed appropriate.
(10) In any sentence of partial confinement, the court may require the offender to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(11) In sentencing an offender convicted of a crime of domestic violence, as defined in RCW 10.99.020, if the offender has a minor child, or if the victim of the offense for which the offender was convicted has a minor child, the court may, as part of any term of community supervision, community placement, or community custody, order the offender to participate in a domestic violence perpetrator program approved under RCW 26.50.150.

Sec. 314. RCW 9.94A.190 and 2000 c 28 s 4 are each amended to read as follows:

(1) A sentence that includes a term or terms of confinement totaling more than one year shall be served in a facility or institution operated, or utilized under contract, by the state. Except as provided in subsection (3) or (5) of this section, a sentence of not more than one year of confinement shall be served in a facility operated, licensed, or utilized under contract, by the county, or if home detention or work crew has been ordered by the court, in the residence of either the offender or a member of the offender’s immediate family.

(2) If a county uses a state partial confinement facility for the partial confinement of a person sentenced to confinement for not more than one year, the county shall reimburse the state for the use of the facility as provided in this subsection. The office of financial management shall set the rate of reimbursement based upon the average per diem cost per offender in the facility. The office of financial management shall determine to what extent, if any, reimbursement shall be reduced or eliminated because of funds provided by the legislature to the department for the purpose of covering the cost of county use of state partial confinement facilities. The office of financial management shall reestablish reimbursement rates each even-numbered year.

(3) A person who is sentenced for a felony to a term of not more than one year, and who is committed or returned to incarceration in a state facility on another felony conviction, either under the indeterminate sentencing laws, chapter 9.95 RCW, or under this chapter shall serve all terms of confinement, including a sentence of not more than one year, in a facility or institution operated, or utilized under contract, by the state, consistent with the provisions of RCW 9.94A.400.

(4) Notwithstanding any other provision of this section, a sentence imposed pursuant to RCW 9.94A.660 which has a standard sentence range of over one year, regardless of length, shall be served in a facility or institution operated, or utilized under contract, by the state.

(5) Sentences imposed pursuant to section 303 of this act shall be served in a facility or institution operated, or utilized under contract, by the state.

Sec. 315. RCW 9.94A.390 and 2000 c 28 s 8 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence unless it is imposed on an offender sentenced under section 303 of this act. An exceptional sentence imposed on an offender sentenced under section 303 of this act shall be to a minimum term set by the court and a maximum term equal to the statutory maximum sentence for the offense of conviction under chapter 9A.20 RCW.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.210(4).

A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.210 (2) through (6).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant’s capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant’s children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(2) Aggravating Circumstances

(a) The defendant’s conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.

(c) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.
(d) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(i) The current offense involved multiple victims or multiple incidents per victim;

(ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;

(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or

(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(f) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: the presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) The current offense involved the manufacture of controlled substances for use by other parties;

(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of the victim manifested by multiple incidents over a prolonged period of time;

(ii) The offense occurred within sight or sound of the victim’s or the offender’s minor children under the age of eighteen years; or

(iii) The offender’s conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(i) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(j) The defendant’s prior uncorrected misdemeanor or prior uncorrected foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(k) The offense resulted in the pregnancy of a child victim of rape.

(l) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

NEW SECTION. Sec. 316. A new section is added to chapter 9.95 RCW to read as follows:

(1) "Board" means the indeterminate sentence review board.

(2) "Community custody" means that portion of an offender’s sentence subject to controls including crime-related prohibitions and affirmative conditions from the court, the board, or the department of corrections based on risk to community safety, that is served under supervision in the community, and which may be modified or revoked for violations of release conditions.

(3) "Crime-related prohibition" has the meaning defined in RCW 9.94A.030.

(4) "Department" means the department of corrections.

(5) "Parole" means that portion of a person’s sentence for a crime committed before July 1, 1984, served on conditional release in the community subject to board controls and revocation and supervision of the department.

(6) "Secretary" means the secretary of the department of corrections or his or her designee.

Sec. 317. RCW 9.95.005 and 1986 c 224 s 4 are each amended to read as follows:

The board shall meet at ((the penitentiary and the reformatory)) major state correctional institutions at such times as may be necessary for a full and complete study of the cases of all convicted persons whose durations of confinement are to be determined by it ((a)), whose community custody supervision is under the board’s authority; or whose applications for parole come before it. Other times and places of meetings may also be fixed by the board.

The superintendents of the different institutions shall provide suitable quarters for the board and assistants while in the discharge of their duties.

Sec. 318. RCW 9.95.010 and 1955 c 133 s 2 are each amended to read as follows:

When a person, whose crime was committed before July 1, 1984, is convicted of any felony, except treason, murder in the first degree, or carnal knowledge of a child under ten years, and a new trial is not granted, the court shall sentence such person to the penitentiary, or, if the law allows and the court sees fit to exercise such discretion, to the reformatory, and shall fix the maximum term of such person’s sentence only.

The maximum term to be fixed by the court shall be the maximum provided by law for the crime of which such person was convicted, if the law does not provide a maximum term for the crime of which such person was convicted the court shall fix such maximum term, which may be for any number of years up to and including life imprisonment but in any case where the maximum term is fixed by the court it shall be fixed at not less than twenty years.
SEC. 319. RCW 9.95.011 and 1993 c 144 s 3 are each amended to read as follows:

When the court commits a convicted person to the Department of Corrections on or after July 1, 1984, for an offense committed before July 1, 1984, the court shall, at the time of sentencing or revocation of probation, fix the minimum term. The term so fixed shall not exceed the maximum sentence provided by law for the offense of which the person is convicted.

The court shall set to attempt to set the minimum term reasonably consistent with the purposes, standards, and sentencing ranges adopted under RCW 9.94A.040, but the court is subject to the same limitations as those placed on the board under RCW 9.92.090, 9.95.040 (1) through (4), 9.95.115, 9.95.370, 9.44.045, and chapter 69.50 RCW. The court’s minimum term decision is subject to review to the same extent as a minimum term decision by the parole board before July 1, 1984.

Hereafter, the expiration of the minimum term set by the court minus any time credits earned under RCW 9.95.070 and 9.95.110 constitutes the parole eligibility review date, at which time the board may consider the convicted person for parole under RCW 9.95.100 and 9.95.110 and chapter 72.04A RCW. Nothing in this section affects the board’s authority to reduce or increase the minimum term, once set by the court, under RCW 9.95.040, 9.95.052, 9.95.055, 9.95.070, 9.95.080, 9.95.100, 9.95.115, 9.95.125, or 9.95.047.

(2) Not less than ninety days prior to the expiration of the minimum term of a person sentenced under section 303 of this act, for a sex offense committed on or after July 1, 2001, less any time credits permitted by statute, the board shall review the person for conditional release to community custody as provided in section 307 of this act. If the board does not release the person, it shall set a new minimum term not to exceed two years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

SEC. 320. RCW 9.95.017 and 1986 c 224 s 11 are each amended to read as follows:

(1) The board shall cause to be prepared criteria for duration of confinement, release on parole, and length of parole for persons committed to prison for crimes committed before July 1, 1984.

(2) Persons committed to the department of corrections who are under the authority of the board for crimes committed on or after July 1, 1984, are subject to the provisions for duration of confinement, release to community custody, and length of community custody established in sections 303 through 311 of this act.

SEC. 321. RCW 9.95.020 and 1955 c 133 s 3 are each amended to read as follows:

A sentence of a person who is not suspected by the court, the superintendent of ((the penitentiary or the superintendent of the reformatory)) a major state correctional institution shall receive such person, if committed to his or her institution, and imprison (commit) the person until released under the provisions of this chapter, under section 307 of this act, upon the completion of the statutory maximum sentence, or through the action of the governor.

SEC. 322. RCW 9.95.032 and 1984 c 114 s 3 are each amended to read as follows:

Such statement shall be signed by the prosecuting attorney and approved by the judge by whom the judgment was rendered and shall be delivered to the sheriff, traveling guard, department of corrections personnel, or other officer executing the sentence, and a copy of such statement shall be furnished to the defendant or his or her attorney. Such officer shall deliver the statement, at the time of the prisoner’s commitment, to the superintendent of the institution to which such prisoner has been (sentenced and) committed. The superintendent shall make such statement available for use by the board ((prison terms and paroles)).

Sec. 359. RCW 72.09.370 and 1999 c 214 s 2 are each amended to read as follows:

(1) The secretary shall identify offenders in confinement or partial confinement who: (a) Are reasonably believed to be dangerous to themselves or others; and (b) Have a mental disorder. In determining an offender’s dangerousness, the secretary shall consider behavior known to the department and factors, based on research, that are linked to an increased risk for dangerousness of mentally ill offenders and shall include consideration of an offender’s chemical dependency or abuse.

(2) Prior to release of an offender identified under this section, a team consisting of representatives of the department of corrections, the division of mental health, and, as necessary, the indeterminate sentence review board, other divisions or administrations within the department of social and health services, specifically including the division of alcohol and substance abuse and the division of developmental disabilities, the appropriate regional support network, and the providers, as appropriate, shall develop a plan, as determined necessary by the team, for delivery of treatment and support services to the offender upon release. The team may include a school district representative for offenders under the age of twenty-one. The team shall consult with the offender’s counsel, if any, and, as appropriate, the offender’s family and community. The team shall notify the crime victim/witness program, which shall provide notice to all people registered to receive notice under RCW 9.94A.155 of the proposed release plan developed by the team. Victims, witnesses, and other interested people notified by the department may provide information and comments to the department on potential safety risk to specific individuals or classes of individuals posed by the specific offender. The team may recommend: (a) That the offender be evaluated by the county designated mental health professional, as defined in chapter 71.05 RCW; (b) Department-supervised community treatment; or (c) Voluntary community mental health or chemical dependency or abuse treatment.

(3) Prior to release of an offender identified under this section, the team shall determine whether or not an evaluation by a county designated mental health professional is needed. If an evaluation is recommended, the supporting documentation shall be immediately forwarded to the appropriate county designated mental health professional. The supporting documentation shall include the offender’s criminal history, history of judicially required or administratively ordered involuntary antipsychotic medication while in confinement, and any known history of involuntary civil commitment.

(4) If an evaluation by a county designated mental health professional is recommended by the team, such evaluation shall occur not more than ten days, nor less than five days, prior to release.

(5) A second evaluation by a county designated mental health professional shall occur on the day of release if requested by the team, based upon new information or a change in the offender’s mental condition, and the initial evaluation did not result in an emergency detention or a summons under chapter 71.05 RCW.

(6) If the county designated mental health professional determines an emergency detention under chapter 71.05 RCW is necessary, the department shall release the offender only to a state hospital or to a consenting evaluation and treatment facility. The department shall arrange transportation of the offender to the hospital or facility.

(7) If the county designated mental health professional believes that a less restrictive alternative treatment is appropriate, he or she shall seek a summons, pursuant to the provisions of chapter 71.05 RCW, to require the offender to appear at an evaluation and treatment facility. If a summons is issued, the offender shall remain within the corrections facility until completion of his or her term of confinement and be transported, by corrections personnel on the day of completion, directly to the identified evaluation and treatment facility.

(8) The secretary shall adopt rules to implement this section.

WILDLIFE IS A PUBLIC RESOURCE OF SIGNIFICANT VALUE TO THE PEOPLE OF THE STATE AND THE RESPONSIBILITY TO MINIMIZE AND RESOLVE THESE CONFLICTS IS SHARED BY ALL CITIZENS OF THE STATE.

(2) IN PARTICULAR, THE STATE RECOGNIZES THE IMPORTANCE OF COMMERCIAL AGRICULTURAL AND HORTICULTURAL CROP PRODUCTION, RANGELAND SUITABLE FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK, AND THE VALUE OF HEALTHY DEER AND ELK POPULATIONS, WHICH CAN DAMAGE SUCH CROPS. TOWARD THIS END, THE LEGISLATURE ENCOURAGES LANDOWNERS AND TENANTS TO CONTRIBUTE THROUGH THEIR LAND MANAGEMENT PRACTICES TO WILDLIFE POPULATIONS AND TO PROVIDE ACCESS FOR RELATED RECREATION. IT IS IN THE BEST INTERESTS OF THE STATE FOR THE DEPARTMENT OF FISH AND WILDLIFE TO RESPOND QUICKLY TO WILDLIFE DAMAGE COMPLAINTS AND TO WORK WITH THESE LANDOWNERS AND TENANTS TO MINIMIZE AND/OR PREVENT DAMAGES AND CONFLICTS WHILE MAINTAINING DEER AND ELK POPULATIONS FOR THE BENEFIT OF THE PEOPLE OF THE STATE.

(3) A TIMELY AND SIMPLIFIED PROCESS FOR RESOLVING CLAIMS FOR DAMAGES CAUSED BY DEER AND ELK FOR COMMERCIAL AGRICULTURAL OR HORTICULTURAL PRODUCTS, AND RANGELAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK IS BENEFICIAL TO THE CLAIMANT AND THE STATE.

(2) THE LEGISLATURE MAY DECLARE AN EMERGENCY, DEFINED FOR THE PURPOSES OF THIS SECTION AS ANY HAPPENING ARISING FROM WEATHER, OTHER NATURAL CONDITIONS, OR FIRE THAT CAUSES UNUSUALLY GREAT DAMAGE BY DEER OR ELK TO COMMERCIAL RAISED AGRICULTURAL OR HORTICULTURAL CROPS (BY DEER OR ELK), OR RANGELAND FORAGE ON PRIVATELY OWNED LAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK FOR AT LEAST A PORTION OF THE YEAR. IN AN EMERGENCY, THE DEPARTMENT MAY PAY AS MUCH AS MAY BE SUBSEQUENTLY APPROPRIATED, IN ADDITION TO THE FUNDS AUTHORIZED UNDER SUBSECTION (1) OF THIS SECTION, FOR CLAIMS UNDER RCW 77.36.040 AND FOR ASSESSMENT AND COMPROMISE OF CLAIMS. PERSONAL PRIVILEGE

SENATOR BROWN: “A point of personal privilege, Mr. President. In the floor debate on Second Substitute Senate Bill No. 5419, the prime sponsor, Senator Patterson, referred to some personal circumstances to some of the members of the Senate in terms of the effects on them and their families of drug and alcohol use and abuse. I just wanted to say that I was one of the individuals that she referenced and I feel like I want to give her a debt of gratitude for bringing some of those things forward. Often we fail to, maybe, mention those things ourselves, but it is part of the passion that brings us here and it is part of the things that are behind the policies that we pass. Even though we have very strong differences of opinion, I really respect the views of the people and the ways their personal experiences have shaped their views and have caused them to vote their conscience on this issue. Thank you, Mr. President.”

PERSONAL PRIVILEGE

SENATOR GARDNER: “A point of personal privilege, Mr. President. I wanted to express my appreciation to my colleagues and my friends. As you know, I have been through the lengthy illness and death of my significant other, George Meador. After sixteen long years of thinking it over, we finally decided to marry this spring. That isn’t to be. I am sorry that more of you didn’t get to know George, because he was a wonderful man. Your kindness and your consideration helped me through this time. It is something that I did want to acknowledge, so I do appreciate that very much. Thank you.”

SIGN BY THE PRESIDENT

The President signed:
SENATE BILL NO. 5270,
SENATE BILL NO. 5440.

MOTION

On motion of Senator Sheahan, the following resolution was adopted:

SENATE RESOLUTION 2001-8670

By Senator Finkbeiner

WHEREAS, Of all muscular dystrophies, Duchenne Muscular Dystrophy is the world's most common and lethal form of genetic childhood disease, affecting, according to one study, one in every 3,500 newborn males worldwide, and is characterized by a rapidly progressive form of genetic weakness that results in death, usually by late teens or early twenties; and

WHEREAS, If a female is a carrier of the dystrophin gene with a mutation, there is a fifty percent chance per birth that her male offspring will have Duchenne Muscular Dystrophy, and a fifty percent chance per birth that her female offspring will be a carrier; and

WHEREAS, Other forms of muscular dystrophy affecting children include Becker, limb-girdle, congenital, facioscapulohumeral, myotonic, oculopharyngeal, distal, and Emery-Dreifuss muscular dystrophies and spinal muscular atrophy; and
WHEREAS, Each of these muscular dystrophies, though distinct in progressivity and severity of symptoms, has a devastating impact on thousands of children throughout the United States and worldwide; and
WHEREAS, Children with muscular dystrophy exhibit extreme symptoms of weakness, delay in walking, waddling gait, difficulty in climbing stairs, and progressive mobility problems often in combination with muscle hypertrophy; and
WHEREAS, Because of limited medical research specific to the muscular dystrophies, current treatment options are minimal in efficacy and palliation, and with respect to Duchenne Muscular Dystrophy, are aimed at simply managing the symptoms in an effort to optimize the quality of life; and
WHEREAS, Many family physicians and health care professionals lack the knowledge and resources to detect and properly diagnose the disease as early as possible, thus exacerbating the progression of symptoms in cases that go undetected or misdiagnosed; and
WHEREAS, This disease has a significant impact on quality of life -- not only for the individual who experiences its painful symptoms and resulting disability, but also for the family members and caregivers; and
WHEREAS, Currently there exists only a small quantity of public information about the various forms of muscular dystrophy, and what little information does exist remains inadequately disseminated and insufficient in addressing the needs of specific diverse populations and other underserved groups; and
WHEREAS, Educating the public and health care community throughout the state and country about this devastating disease is of paramount importance and is in every respect in the public interest and to the benefit of all communities;
NOW, THEREFORE, BE IT RESOLVED, That the Senate of the state of Washington recognize, honor and express appreciation for the courage and efforts of parents of children with muscular dystrophies and other people in our state who work tirelessly to raise public awareness of the needs of children and their families with this disease so that they can survive, thrive and fully participate into adult age; and
BE IT FURTHER RESOLVED, That the Senate of the state of Washington also recognize the collaborative efforts of families and others to disseminate information about muscular dystrophies and marshal private and public resources focused on learning more about causes, treatments and a cure for the various forms of muscular dystrophy; and
BE IT FURTHER RESOLVED, That the Senate of the state of Washington also recognize the plight of all people afflicted with Duchenne Muscular Dystrophy, Becker Muscular Dystrophy and other muscular dystrophies.

MOTION

WHEREAS, Walla Walla’s revitalization project proves that Main Street can not only compete with big box retail, it can also change an entire community; and
WHEREAS, by attacking its economic problems head-on, the people of Walla Walla honored their city’s past and gave it a future; and
WHEREAS, historic and landmark buildings have been renovated, redeveloped, and expanded to attract high-tech office space, restaurants; and retail businesses;

MOTION
MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5413 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 13.34 RCW to read as follows:

(1) Following shelter care and no later than twenty-five days prior to fact-finding, the department, upon the
parent's request, shall facilitate a conference to develop and specify in a written service agreement the expectations of
both the department and the parent regarding the care and placement of the child.

The department shall invite to the conference the parent, the foster parent or other out-of-home care provider,
caseworker, counselor, or other relevant health care provider, and any other person connected to the development and
well-being of the child.

The initial written service agreement expectations must correlate with the court's findings at the shelter care
hearing. The written service agreement must set forth specific criteria that enables the court to measure the performance
of both the department and the parent, and must be updated throughout the dependency process to reflect changes in
expectations. The service agreement must serve as the unifying document for all expectations established in the
department's various case planning and case management documents and the findings and orders of the court during
dependency proceedings.

The court shall review the written service agreement at each stage of the dependency proceedings and evaluate
the performance of both the department and the parent for consistent, measurable progress in complying with the
expectations identified in the agreement.

(2) At any other stage in a dependency proceeding, the department, upon the parent's request, shall facilitate a
case conference.

Sec. 2. RCW 13.34.062 and 2000 c 122 s 5 are each amended to read as follows:

(1) The written notice of custody and rights required by RCW 13.34.060 shall be in substantially the following
form:

"NOTICE

Your child has been placed in temporary custody under the supervision of Child Protective Services (or other
person or agency). You have important legal rights and you must take steps to protect your interests.

1. A court hearing will be held before a judge within 72 hours of the time your child is taken into custody
excluding Saturdays, Sundays, and holidays. You should call the court at [insert appropriate phone number here] for
specific information about the date, time, and location of the court hearing.

2. You have the right to have a lawyer represent you at the hearing. You have the right to record the department
intends to rely upon. A lawyer can look at the files in your case, talk to child protective services and other agencies, tell
you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will
appoint one to represent you. To get a court-appointed lawyer you must contact: [explain local procedure].

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses,
and to receive a decision based solely on the evidence presented to the judge.

4. If your hearing occurs before a court commissioner, you have the right to have the decision of the court
commissioner reviewed by a superior court judge. To obtain that review, you must, within ten days after the entry of the
decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.
You should be present at any shelter care hearing. If you do not come, the judge will not hear what you have to say.

You may call the Child Protective Services' caseworker for more information about your child. The caseworker's
name and telephone number are: [insert name and telephone number].

5. You may request that the department facilitate a case conference to develop a written service agreement
following the shelter care hearing. The service agreement may not conflict with the court's order of shelter care. You may
participate in the case conference.

Upon receipt of the written notice, the parent, guardian, or legal custodian shall acknowledge such notice by
signing a receipt prepared by child protective services. If the parent, guardian, or legal custodian does not sign the
receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file
in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the
whereabouts of the parents, guardian, or legal custodian, the notice shall be delivered or sent to the last known address of
the parent, guardian, or legal custodian.

(2) If child protective services is not required to give notice under RCW 13.34.060(2) and subsection (1) of this
section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents,
guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform
them of their basic rights as provided in RCW 13.34.090.

(3) Reasonable efforts to advise and to give notice, as required in RCW 13.34.060(2) and subsections (1) and (2)
of this section, shall include, at a minimum, investigation of the whereabouts of the parent, guardian, or legal custodian. If
such reasonable efforts are not successful, or the parent, guardian, or legal custodian does not appear at the shelter care
hearing, the petitioner shall testify at the hearing or state in a declaration:
(a) The efforts made to investigate the whereabouts of, and to advise, the parent, guardian, or legal custodian; and
(b) Whether actual advice of rights was made, to whom it was made, and how it was made, including the substance of any oral communication or copies of written materials used.
(4) The court shall hear evidence regarding notice given to, and efforts to notify, the parent, guardian, or legal custodian and shall examine the need for shelter care. The court shall hear evidence regarding the efforts made to place the child with a relative. The court shall make an express finding as to whether the notice required under RCW 13.34.060(2) and subsections (1) and (2) of this section was given to the parent, guardian, or legal custodian. All parties have the right to present testimony to the court regarding the need or lack of need for shelter care. Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.
(5) A shelter care order issued pursuant to RCW 13.34.065 may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.
(6) Any parent, guardian, or legal custodian who for good cause is unable to attend the initial shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.
Sec. 3. RCW 13.34.065 and 2000 c 122 s 7 are each amended to read as follows:
(1) The juvenile court probation counselor shall submit a recommendation to the court as to the further need for shelter care unless the petition has been filed by the department, in which case the recommendation shall be submitted by the department.
(2) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:
(a) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and
(b)(i) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or
(ii) The release of such child would present a serious threat of substantial harm to such child; or
(iii) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.
If the court does not release the child to his or her parent, guardian, or legal custodian, and the child was initially placed with a relative pursuant to RCW 13.34.060(1), the court shall order continued placement with a relative, unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized. If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060(1). If a relative is not available, the court shall order continued shelter care or order placement with another suitable person, and the court shall set forth its reasons for the order. The court shall enter a finding as to whether RCW 13.34.060(2) and subsections (1) and (2) of this section have been complied with. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090.
(3) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.
The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent and give weight to that fact before ordering return of the child to shelter care.
(4) If a child is returned home from shelter care a second time, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.
(5) If a child is returned home from shelter care a second time, a law enforcement officer must be present and file a report.
Sec. 4. RCW 13.34.180 and 2000 c 122 s 25 are each amended to read as follows:
(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (2) or (3) of this section applies:
(a) That the child has been found to be a dependent child;
(b) That the child has been removed or placed with another relative pursuant to RCW 13.34.130;
(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future.
(2) A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within
the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; and

(f) That continuation of the parent and child relationship clearly diminishes the child’s prospects for early integration into a stable and permanent home.

(2) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child’s parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(3) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(4) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

1. You have the right to a fact-finding hearing before a judge.

2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of social and health services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: _____________.

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge. You should be present at this hearing. You may call ____________ for more information about your child. The agency’s name and telephone number are ____________.

Sec. 5. RCW 13.34.138 and 2000 c 122 s 19 are each amended to read as follows:

(1) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The initial review hearing shall be set six months from the beginning date of the placement episode or no more than sixty to ninety days from the entry of the disposition order, whichever comes first. The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(3) or 13.34.134. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. This review shall consider both the agency’s and parent’s efforts that demonstrate consistent measurable progress over time in meeting the disposition plan requirements. The requirements for the initial review hearing shall be accomplished within existing resources. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child’s needs, including whether consideration and preference has been given to placement with the child’s relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;
(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;
(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;
(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;
(vii) Whether additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and
(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(2) The court's ability to order housing assistance under RCW 13.34.130 and this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

NEW SECTION. Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

The department shall inform parents who request a case conference about the process prior to the process being undertaken.

Sec. 7. RCW 13.34.110 and 2000 c 122 s 11 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2) A parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate, if any.

(a) The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in

MOTION

On motion of Senator Gardner, the Senate refuses to concur in the House amendment to Substitute Senate Bill No. 5443 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

April 6, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5583 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 71.24.015 and 1999 c 214 s 7 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide for:

(1) Access to mental health services for adults of the state who are acutely mentally ill, chronically mentally ill, or seriously disturbed and children of the state who are acutely mentally ill, severely emotionally disturbed, or seriously disturbed, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. (2) Coordination of all mental health services shall not be limited by a person's history of confinement in a state, federal, or local correctional facility. It is also the purpose of this chapter to promote the early identification of mentally ill children and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and should enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children.

(2) Accountability of efficient and effective services through state of the art outcome and performance measures and statewide standards for monitoring client and system outcomes, performance, and reporting of information. These processes shall be designed so as to maximize the use of available resources for direct care of people with a mental illness.

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill consistent with the priorities defined in the statute;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to encourage the development of county-based and county-managed mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

NEW SECTION. Sec. 2. A new section is added to chapter 71.24 RCW to read as follows:

The department shall operate the community mental health service delivery system authorized under this chapter within the following constraints:

(1) The full amount of federal funds for mental health services, plus qualifying state expenditures as appropriated in the biennial operating budget, shall be appropriated to the department each year in the biennial appropriations act to carry out the provisions of the community mental health service delivery system authorized in this chapter.

(2) The department may expend funds defined in subsection (1) of this section in any manner that will effectively accomplish the outcome measures defined in section 4 of this act. No more than twenty percent of the amount provided in subsection (1) of this section may be spent cumulatively for administrative purposes by the department, regional support networks, and providers. For the purpose of this subsection, administrative purposes does not include expenditures for information technology and computerization needed for tracking and monitoring required under RCW 71.24.035.

(3) The department shall implement strategies that accomplish the outcome measures identified in section 4 of this act that are within the funding constraints in this section. The department may transfer appropriation authority between funding categories within the health and rehabilitation services administration, the children and family services administration, the aging and adult services administration, and the medical assistance administration in order to carry out the requirements of this subsection."
(4) The department shall monitor expenditures against the appropriation levels provided for in subsection (1) of this section.

NEW SECTION, Sec. 3. A new section is added to chapter 71.24 RCW to read as follows:
It is the intent of the legislature that the community mental health service delivery system focus on maintaining mentally ill individuals in the community. The program shall be evaluated and managed through a limited number of performance measures designed to hold each regional support network accountable for program success.

NEW SECTION, Sec. 4. A new section is added to chapter 71.24 RCW to read as follows:
(1) The department, in collaboration with a work group made up of consumers, service providers, and representatives of regional support networks shall develop performance measures for use in evaluating and managing the community mental health service delivery system authorized under this chapter. The performance measures shall be reviewed, and updated as needed, by January 15th of each odd-numbered year. The performance measures shall be consistent with the provisions of RCW 71.24.405(5) which may include but are not limited to:
(a) Access to services;
(b) Quality and appropriateness of care;
(c) Outcome measures; including, but not limited to:
(1) Consumer change over time;
(2) Consumer perception of hope for the future;
(3) Percent of consumers who have safe and stable housing;
(4) Percent of adults employed for one or more days in the last thirty days;
(5) Percent of consumers without a jail or detention stay;
(6) Percent of available school days attended in the past thirty days;
(7) Percent of consumers without a psychiatric hospitalization; and
(d) Structure and plan management.
The department shall require that service providers and regional support networks collect uniform performance measure information and report it to the department regularly. (2) The secretary (may) shall provide for public, client, and licensed service provider participation in developing the state mental health program, developing contracts with regional support networks, and any waiver request to the federal government under medicaid.
(3) The secretary shall provide for participation in developing the state mental health program for children and other underserved populations, by including representatives on any committee established to provide oversight to the state mental health program.
(4) The secretary shall be designated as the county authority if a county fails to meet state minimum standards or refuses to exercise responsibilities under RCW 71.24.045.
(5) The secretary shall:
(a) Develop a biennial state mental health program that incorporates county biennial needs assessments and county mental health service plans and state services for mentally ill adults and children. The secretary may also develop a six-year state mental health plan;
(b) Assure that any regional or county community mental health program provides access to treatment for the county's residents in the following order of priority: (i) The acutely mentally ill; (ii) chronically mentally ill adults and severely emotionally disturbed children; and (iii) the seriously disturbed. Such programs shall provide:
   (A) Outpatient services;
   (B) Emergency care services for twenty-four hours per day;
   (C) Day treatment for mentally ill persons which includes training in basic living and social skills, supported work, vocational rehabilitation, and day activities.    (e) Establish a standard contract or contracts, consistent with state minimum standards, which shall be used (by the) in contracting with regional support networks or counties. The standard contract shall include a maximum fund balance, which shall not exceed ten percent;
   (f) Establish, to the extent possible, a standardized auditing procedure which minimizes paperwork requirements of county authorities and licensed service providers. The audit procedure shall focus on the outcomes of service and not the processes for accomplishing them;
   (g) Develop and maintain an information system to be used by the state, counties, and regional support networks that includes a tracking method which allows the department and regional support networks to identify mental health clients' participation in any mental health service or public program on an immediate basis. The information system shall not include individual patient's case history files. Confidentiality of client information and records shall be maintained as provided in this chapter and in RCW 71.05.390, 71.05.400, 71.05.410, 71.05.420, 71.05.430, and 71.05.440. The design of the system and the data elements to be collected shall be reviewed each biennium by a committee appointed by the secretary and representing the department, regional support networks, service providers, consumers, and advocates.    (h) License service providers who meet state minimum standards;
   (i) Certify regional support networks that meet state minimum standards;

   (m) Adopt such rules as are necessary to implement the department's responsibilities under this chapter. The secretary may not adopt rules that divert resources from the direct care of people with a mental illness unless they are directly required for the health and safety of consumers, the implementation of this chapter, or other state or federal requirements.
(6) The secretary shall use available resources only for regional support networks.
(7) Each certified regional support network and licensed service provider shall file with the secretary, on request, such data, statistics, schedules, and information as the secretary reasonably requires. A certified regional support network or licensed service provider which, without good cause, fails to furnish any data, statistics, schedules, or information as requested, or files fraudulent reports thereof, may have its certification or license revoked or suspended.
(8) The secretary may suspend, revoke, limit, or restrict a certification or license, or refuse to grant a certification or license for failure to conform to: (a) The law; (b) applicable rules and regulations; (c) applicable standards; or (d) state minimum standards.

(9) The superior court may restrain any regional support network or service provider from operating without certification or a license or any other violation of this section. The court may also review, pursuant to procedures contained in chapter 34.05 RCW, any denial, suspension, limitation, restriction, or revocation of certification or license, and grant other relief required to enforce the provisions of this chapter.

(10) Upon petition by the secretary, and after hearing held upon reasonable notice to the facility, the superior court may issue a warrant to an officer or employee of the secretary authorizing him or her to enter at reasonable times, and examine the records, books, and accounts of any regional support network or service provider refusing to consent to inspection or examination by the authority.

(11) Notwithstanding the existence or pursuit of any other remedy, the secretary may file an action for an injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, or operation of a regional support network or service provider without certification or a license under this chapter.

(12) The standards for certification of evaluation and treatment facilities shall include standards relating to maintenance of good physical and mental health and other services to be afforded persons pursuant to this chapter and chapters 71.05 and 71.34 RCW, and shall otherwise assure the effectuation of the purposes of this chapter.

(13)(a) The department, in consultation with affected parties, shall establish a distribution formula that reflects county needs assessments based on the number of persons who are acutely mentally ill, chronically mentally ill, severely emotionally disturbed children, and seriously disturbed. The formula shall take into consideration the impact on counties of demographic factors in counties which result in concentrations of priority populations as set forth in subsection (5)(b) of this section. These factors shall include the population concentrations resulting from commitments under chapters 71.05 and 71.34 RCW to state psychiatric hospitals, as well as concentration in urban areas, at border crossings at state boundaries, and other significant demographic and workload factors.

(b) The formula shall also include a projection of the funding allocations that will result for each county, which specifies allocations according to priority populations, including the allocation for services to children and other underserved populations.

(14) The secretary shall assume all duties assigned to the nonparticipating counties under chapters 71.05, 71.34, and 71.24 RCW. Such responsibilities shall include those which would have been assigned to the nonparticipating counties under regional support networks.

The regional support networks, or the secretary's assumption of all responsibilities under chapters 71.05, 71.34, and 71.24 RCW, shall be included in all state and federal plans affecting the state mental health program including at least those required by this chapter, the medicaid program, and P.L. 99-660. Nothing in these plans shall be inconsistent with the intent and requirements of this chapter.

(15) The secretary shall:

(a) Disburse funds for the regional support networks within sixty days of approval of the biennial contract. The department must either approve or reject the biennial contract within sixty days of receipt.

(b) Enter into biennial contracts with regional support networks. The contracts shall be consistent with available resources. No contract shall be approved that does not include progress toward meeting the goals of this chapter by taking responsibility for: (i) Short-term commitments; (ii) residential care; and (iii) emergency response systems.

(c) Allocate one hundred percent of available resources to the regional support networks in accordance with subsection (13) of this section.

(d) Notify regional support networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

(e) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

(16) The department, in cooperation with the state congressional delegation, shall actively seek waivers of federal requirements and such modifications of federal regulations as are necessary to allow federal medicaid reimbursement for services provided by free-standing evaluation and treatment facilities certified under chapter 71.05 RCW. It is the intent of the legislature that the department take great care to avoid, in the processing of a waiver request, creating requirements that divert available resources from direct care. The department shall periodically report its efforts to the (health care and corrections) appropriate committees of the senate and the (human services committee of the) house of representatives.

(17) The secretary shall establish a task force to examine the recruitment, training, and compensation of qualified mental health professionals in the community, which shall include the advantages and disadvantages of establishing a training academy, loan forgiveness program, or educational stipends offered in exchange for commitments of employment in mental health.

Sec. 10. RCW 71.24.037 and 1999 c 10 s 5 are each amended to read as follows:

(1) The secretary shall by rule establish state minimum standards for licensed service providers and services.

(2) Minimum standards for licensed service providers shall, at a minimum, establish: Qualifications for staff providing services directly to mentally ill persons, the intended result of each service, and the rights and responsibilities of persons receiving mental health services pursuant to this chapter. The secretary shall provide for deeming of licensed service providers as meeting state minimum standards as a result of accreditation by a recognized behavioral health accrediting body.

(3) Minimum standards for residential services shall be based on clients' functional abilities and not solely on their diagnoses, limited to health and safety, staff qualifications, and program outcomes. Minimum standards for residential services shall be developed in collaboration with consumers, families, counties, regulators, and residential providers serving the mentally ill. The minimum standards shall encourage the development of broad-range residential programs, including integrated housing and cross-systems programs where appropriate, and shall not unnecessarily restrict programming flexibility.
Minimum standards for community support services and resource management services shall include at least qualifications for resource management services, client tracking systems, and the transfer of patient information between service providers.

**Sec. 11.** RCW 71.24.045 and 1992 c 230 s 5 are each amended to read as follows:

The county authority shall:

(1) Contract as needed with licensed service providers. The county authority may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;

(2) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective;

(3) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts; (including the minimum standards of service delivery as established by the department);

(4) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this chapter;

(5) Maintain patient tracking information in a central location as required for resource management services and the department's information system;

(6) Use not more than two percent of state-appropriated community mental health funds, which shall not include federal funds, to administer community mental health programs under RCW 71.24.155: PROVIDED, That county authorities serving a county or combination of counties whose population is one hundred twenty-five thousand or more may be entitled to sufficient state-appropriated community mental health funds to employ up to one full-time employee or the equivalent thereof in addition to the two percent limit established in this subsection when such employee is providing staff services to a county mental health advisory board;

(7) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

**Sec. 12.** RCW 71.24.049 and 1999 c 10 s 6 are each amended to read as follows:

By January 1st of each odd-numbered year, the regional support network shall identify: (1) The number of children in each priority group, as defined by this chapter, who are receiving mental health services funded in part or in whole under this chapter, (2) the amount of funds under this chapter used for children's mental health services, (3) an estimate of the number of unserved children in each priority group, and (4) the estimated cost of serving these additional children and their families.

**Sec. 13.** RCW 71.24.155 and 1987 c 505 s 65 are each amended to read as follows:

Grants shall be made by the department to regional support networks for community mental health programs totaling not less than ninety-five percent of available resources. The department may use up to forty percent of the remaining five percent to provide community demonstration projects, including early intervention or primary prevention programs for children, and the remainder shall be for emergency needs and technical assistance under this chapter.

**Sec. 14.** RCW 71.24.160 and 1989 c 205 s 7 are each amended to read as follows:

The regional support networks shall make satisfactory showing to the secretary that state funds shall in no case be used to replace local funds from any source being used to finance mental health services prior to January 1, 1990.

**Sec. 15.** RCW 71.24.250 and 1982 c 204 s 14 are each amended to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. Upon the formal request of a tribal authority or authorities within a regional support network the joint operating agreement or the county authority shall allow for the inclusion of the tribal authority to be represented as a party to the regional support network. The roles and responsibilities of the county and tribal authorities shall be determined by the terms of that agreement including a determination of membership on the governing board and advisory committees, the number of tribal representatives to be party to the agreement, and the provisions of law and shall assure the provision of culturally competent services to the tribes served. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that counties and the regional support network do not duplicate functions and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(1) Regional support networks shall submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties:

(a) Administer and provide for the availability of all resource management services, residential services, and community support services;

(b) Assume the powers and duties of county authorities within its area as described in RCW 71.24.045 (1) through (7);

(c) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

(1)(d) Provide within the boundaries of each regional support network evaluation and treatment services for at least eighty-five percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. Regional support networks with populations of less than one hundred fifty thousand may contract to purchase evaluation and treatment services from other networks. Insofar as the original intent of serving persons in the community is maintained, the secretary is authorized to approve exceptions on a case-by-case basis to the requirement to provide evaluation and treatment services within the boundaries of each regional support network. Such exceptions are limited to contracts with neighboring or contiguous regions.

(e) Administer a portion of funds appropriated by the legislature to house mentally ill persons in state institutions from counties within the boundaries of any regional support network, with the exception of persons currently confined at, or under
the supervision of, a state mental hospital pursuant to chapter 10.77 RCW, and provide for the care of all persons needing evaluation and treatment services for periods up to seventeen days according to chapter 71.05 RCW in appropriate residential services, which may include state institutions. The regional support networks shall reimburse the state for the use of state institutions at a rate equal to that assumed by the legislature when appropriating funds for such care at state institutions during the biennium when reimbursement occurs. The secretary shall submit a report to the appropriate committees of the senate and house of representatives on the efforts to implement this section by October 1, 2002. The duty of a state hospital to accept persons for evaluation and treatment under chapter 71.05 RCW is limited by the responsibilities assigned to regional support networks under this section.

(5) (f) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, employment services as defined in RCW 71.24.035, and mental health services to children as provided in this chapter designed to achieve the outcomes specified in section 4 of this act.

(44) (g) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(2) Regional support networks shall assume all duties assigned to county authorities by this chapter and chapter 71.05 RCW.

(3) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in the care of the mentally ill and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(4) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter. The composition of the board shall be broadly representative of the demographic character of the region and the mentally ill persons served therein. Length of terms of board members shall be determined by the regional support network.

(5) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary. {Such contracts may include agreements to provide periods of stable community living and work or other day activities for specific chronically mentally ill persons who have completed commitments at state hospitals on ninety-day or one hundred eighty-eighty day civil commitments or who have been residents at state hospitals for no less than one hundred eighty days within the previous year. Periods of stable community living may involve acute care in local evaluation and treatment facilities but may not involve use of state hospitals.}

(6) Counties or groups of counties participating in a regional support network are not subject to RCW 71.24.045(6).

(7) Each part of each biennial network plan each regional and submit to the state, procedures and agreements to assure access to sufficient additional local evaluation and treatment facilities to meet the requirements of this chapter while reducing short-term admissions to state hospitals. These shall be commitments to construct and operate, or contract for the operation of, freestanding evaluation and treatment facilities or agreements with local evaluation and treatment facilities which shall include: (a) required admission and treatment for short-term inpatient care for any person enrolled in community support or residential services, (b) discharge planning procedures, (c) limitations on admissions or transfers to state hospitals, (d) adequate psychiatric supervision, (e) prospective payment methods, and (f) contractual assurances regarding referrals to local evaluation and treatment facilities from regional support networks.

(8) Regional support networks may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. Projects identified or submitted under this subsection must be fully integrated with the regional support network six-year operating and capital plan, timeline, and budget required by subsection (1) of this section.

Sec. 17. RCW 71.24.310 and 1989 c 205 s 6 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the regional support network defined in RCW 71.24.025. For this reason, the legislature intends that any enhanced program funding for implementation of chapter 71.05 RCW or this chapter, except for funds allocated for implementation of mandatory statewide programs as required by federal statute, be made available only to those counties participating in regional support networks.

Sec. 18. RCW 71.24.400 and 1999 c 10 s 10 are each amended to read as follows:

The legislature finds that the current complex set of federal, state, and local rules and regulations, audited and administered at multiple levels, which affect the community mental health service delivery system, focus primarily on the process of providing mental health services and do not sufficiently address consumer and system outcomes. The legislature finds that the department and the community mental health service delivery system must make ongoing efforts to achieve the purposes set forth in RCW 71.24.015 related to reduced administrative layering, duplication, elimination of process measures, and reduced administrative costs.

Sec. 19. RCW 71.24.405 and 1999 c 10 s 11 are each amended to read as follows:

The department shall establish a comprehensive and collaborative effort within regional support networks and with local mental health service providers aimed at creating innovative and streamlined community mental health service delivery systems, in order to carry out the purposes set forth in RCW 71.24.400 and to capture the diversity of the community mental health service delivery system.

The department must accomplish the following:

(1) Identification, review, and cataloging of all rules, regulations, duplicative administrative and monitoring functions, and other requirements that currently lead to inefficiencies in the community mental health service delivery system and, if possible, eliminate the requirements;

(2) The systematic and incremental development of a single system of accountability for all federal, state, and local funds provided to the community mental health service delivery system. Systematic efforts should be made to include federal and local funds in the single system of accountability;

(3) The elimination of process regulations and related contract and reporting requirements. In place of the regulations and requirements, a set of outcomes for mental health adult and children clients according to chapter 71.24 RCW must be used to measure the performance of mental health service providers and regional support networks. Such outcomes shall focus on
The legislature recognizes widespread concerns about the potential for teacher shortages and finds that classified instructional staff in public schools represent a great untapped resource for recruiting the teachers of the future. Quality alternative route programs can help school districts fill subject matter shortage areas and areas with shortages due to geographic location. Regardless of route, all candidates for residency teacher certification must meet the high standards required by the state.

NEW SECTION. Sec. 2. There is hereby created a statewide partnership grant program to provide new high-quality alternative routes to residency teacher certification. To the extent funds are appropriated for this specific purpose, funds provided under this partnership grant program shall be used solely for school districts, or consortia of school districts, to partner with state-approved higher education teacher preparation programs to provide one or more of three alternative route programs in section 5 of this act, aimed at retraining instructional staff in public schools to become qualified, effective teachers.

NEW SECTION. Sec. 3. (1) Each district or consortia of school districts applying for state funds through this program shall submit a proposal to the Washington professional educator standards board specifying:
(a) The number of candidates that will be enrolled per route;
(b) An identification, indication of commitment, and description of the role of approved teacher preparation programs that are partnering with the district or consortia of districts;
(c) An assurance of district provision of adequate training for mentor teachers either through participation in a state mentor training academy or district-provided training that meets state-established mentor-training standards specific to the mentoring of alternative route candidates;
(d) An assurance that significant time will be provided for mentor teachers to spend with the alternative route teacher candidates throughout the internship. Partnerships must provide each candidate with intensive classroom mentoring until such time as the candidate demonstrates the competency necessary to manage the classroom with less intensive supervision and guidance from a mentor;
(e) A description of the rigorous screening process for applicants to alternative route programs, including entry requirements specific to each route, as provided in section 5 of this act; and
(f) The design and use of a teacher development plan for each candidate. The plan shall specify the alternative route coursework and training required of each candidate and shall be developed by comparing the candidate's prior experience and coursework with the state's new performance-based standards for residency certification and adjusting any requirements accordingly. The plan shall include the following components:
(i) A minimum of one-half of a school year, and an additional significant amount of time if necessary, of intensive mentorship, starting with full-time mentoring and progressing to increasingly less intensive monitoring and assistance as the intern demonstrates the skills necessary to take over the classroom with less intensive support. For route one and two candidates, before

MOTION
On motion of Senator Gardner, the Senate refuses to concur in the House amendment to Engrossed Substitute Senate Bill No. 5583 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE
April 5, 2001

MR. PRESIDENT:
The House has passed ENGRADED SECOND SUBSTITUTE SENATE BILL NO. 5695 with the following amendment(s):
Strike everything after the enacting clause and insert the following:

*NEW SECTION. Sec. 1. The legislature finds and declares:
(1) Teacher qualifications and effectiveness are the most important influences on student learning in schools.
(2) Preparation of individuals to become well-qualified, effective teachers must be high quality.
(3) Teachers who complete high-quality alternative route programs with intensive field-based experience, adequate coursework, and strong mentorship do as well or better than teachers who complete traditional preparation programs.
(4) High-quality alternative route programs can provide more flexibility and expediency for individuals to transition from their current career to teaching.
(5) High-quality alternative route programs can help school districts fill subject matter shortage areas and areas with shortages due to geographic location.
(6) Regardless of route, all candidates for residency teacher certification must meet the high standards required by the state.

NEW SECTION. Sec. 2. There is hereby created a statewide partnership grant program to provide new high-quality alternative routes to residency teacher certification. To the extent funds are appropriated for this specific purpose, funds provided under this partnership grant program shall be used solely for school districts, or consortia of school districts, to partner with state-approved higher education teacher preparation programs to provide one or more of three alternative route programs in section 5 of this act, aimed at recruiting candidates to teaching in subject matter shortage areas and areas with shortages due to geographic location. Districts, or consortia of districts, may also include their educational service districts in their partnership grant program. Partnerships receiving grants may enroll candidates as early as January 2002.

NEW SECTION. Sec. 3. (1) Each district or consortia of school districts applying for state funds through this program shall submit a proposal to the Washington professional educator standards board specifying:
(a) The number of candidates that will be enrolled per route;
(b) An identification, indication of commitment, and description of the role of approved teacher preparation programs that are partnering with the district or consortia of districts;
(c) An assurance of district provision of adequate training for mentor teachers either through participation in a state mentor training academy or district-provided training that meets state-established mentor-training standards specific to the mentoring of alternative route candidates;
(d) An assurance that significant time will be provided for mentor teachers to spend with the alternative route teacher candidates throughout the internship. Partnerships must provide each candidate with intensive classroom mentoring until such time as the candidate demonstrates the competency necessary to manage the classroom with less intensive supervision and guidance from a mentor;
(e) A description of the rigorous screening process for applicants to alternative route programs, including entry requirements specific to each route, as provided in section 5 of this act; and
(f) The design and use of a teacher development plan for each candidate. The plan shall specify the alternative route coursework and training required of each candidate and shall be developed by comparing the candidate's prior experience and coursework with the state's new performance-based standards for residency certification and adjusting any requirements accordingly. The plan shall include the following components:
(i) A minimum of one-half of a school year, and an additional significant amount of time if necessary, of intensive mentorship, starting with full-time mentoring and progressing to increasingly less intensive monitoring and assistance as the intern demonstrates the skills necessary to take over the classroom with less intensive support. For route one and two candidates, before

the supervision is diminished, the mentor of the teacher candidate at the school and the supervisor of the teacher candidate from the higher education teacher preparation program must both agree that the teacher candidate is ready to manage the classroom with less intensive supervision. For route three candidates, the mentor of the teacher candidate shall make the decision;

(ii) Identification of performance indicators based on the knowledge and skills standards required for residency certification by the state board of education;

(iii) Identification of benchmarks that will indicate when the standard is met for all performance indicators;

(iv) A description of strategies for assessing candidate performance on the benchmarks;

(v) Identification of one or more tools to be used to evaluate a candidate's performance once the candidate has been in the classroom for about one-half of a school year; and

(vi) A description of the criteria that would result in residency certification after about one-half of a school year but before the end of the program.

(2) Districts may apply for program funds to pay stipends to both mentor teachers and interns during their mentored internship. For both intern stipends and accompanying mentor stipends, the per intern district request for funds may not exceed the amount designated by the BA+0 cell on the statewide teacher salary allocation schedule. This amount shall be prorated for internships and mentorships that last less than a full school year. Interns in the program for a full year shall be provided a stipend of at least eighty percent of the amount generated by the BA+0 cell on the statewide teacher salary allocation schedule. This amount shall be prorated for internships that last less than a full school year.

NEW SECTION. Sec. 4. (1) The professional educator standards board, with support from the office of the superintendent of public instruction, shall select school districts and consortia of school districts to receive partnership grants from funds appropriated by the legislature for this purpose. Factors to be considered in selecting proposals include:

(a) The degree to which the district, or consortium of districts in partnership, are currently experiencing teacher shortages;

(b) The degree to which the proposal addresses criteria specified in section 3 of this act and is in keeping with specifications of program routes in section 5 of this act;

(c) Cost-effectiveness of the proposed program; and

(d) Any demonstrated district and in-kind contributions to the program.

(2) Selection of proposals shall also take into consideration the need to ensure an adequate number of candidates for each type of route in order to evaluate their success.

(3) Funds appropriated for the partnership grant program in this chapter shall be administered by the office of the superintendent of public instruction.

NEW SECTION. Sec. 5. Partnership grant programs funded under this chapter shall operate one to three specific route programs. Cohorts of candidates for this route shall attend an intensive summer teaching academy, followed, if necessary, by a second summer teaching academy. Successful completion of the program shall make a candidate eligible for residency teacher certification. For route one and two candidates, the mentor of the teacher candidate at the school and the supervisor of the teacher candidate from the higher education teacher preparation program must both agree that the teacher candidate has successfully completed the program. For route three candidates, the mentor of the teacher candidate shall make the determination that the candidate has successfully completed the program.

(1) Partnership grant programs seeking funds to operate route one programs shall enroll currently employed classified instructional employees with transferable associate degrees seeking residency teacher certification with endorsements in special education, bilingual education, or English as a second language. It is anticipated that candidates enrolled in this route will complete both their baccalaureate degree and requirements for residency certification in two years or less, including a mentored internship to be completed in the final year. In addition, partnership programs shall uphold entry requirements for candidates that include:

(a) District or building validation of qualifications, including three years of successful student interaction and leadership as a classified instructional employee;

(b) Successful passage of the statewide basic skills exam, when available; and

(c) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers.

(2) Partnership grant programs seeking funds to operate route two programs shall enroll currently employed classified staff with baccalaureate degrees seeking residency teacher certification in subject matter shortage areas and areas with shortages due to geographic location. Candidates enrolled in this route must complete a mentor internship complemented by flexibility scheduled training and coursework offered at a local site, such as a school or educational service district, or online or via videoconference over the K-20 network, in collaboration with the partnership program’s higher education partner. In addition, partnership grant programs shall uphold entry requirements for candidates that include:

(a) District or building validation of qualifications, including three years of successful student interaction and leadership as classified staff;

(b) A baccalaureate degree from a regionally accredited institution of higher education. The individual’s college or university grade point average may be considered as a selection factor;

(c) Successful completion of the content test, once the state content test is available;

(d) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers; and

(e) Successful passage of the statewide basic skills exam, when available.

(3) Partnership grant programs seeking funds to operate route three programs shall enroll individuals with baccalaureate degrees, who are not employed in the district at the time of application, or who hold emergency substitute certificates. When selecting candidates for certification through route three, districts shall give priority to individuals who are seeking residency teacher certification in subject matter shortage areas or shortages due to geographic locations. For route three only, the districts may include additional candidates in nonsupport shortage areas if the candidates are seeking endorsements with a secondary grade level designation as defined by rule by the state board of education. The districts shall disclose to candidates in nonsupport shortage subject areas available information on the demand in those subject areas. Cohorts of candidates for this route shall attend an intensive summer teaching academy, followed by a full year employed by a district in a mentored internship, followed, if necessary, by a second summer teaching academy. In addition, partnership programs shall uphold entry requirements for candidates that include:

(a) Five years’ experience in the work force;

(b) A baccalaureate degree from a regionally accredited institution of higher education. The individual’s grade point average may be considered as a selection factor;
(c) Successful completion of the content test, once the state content test is available;
(d) External validation of qualifications, including demonstrated successful experience with students or children, such as references, letters and letters of support from previous employers;
(e) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers; and
(f) Successful passage of statewide basic skills exams, when available.

NEW SECTION.  Sec. 6. The alternative route conditional scholarship program is created under the following guidelines:
(1) The program shall be administered by the higher education coordinating board. In administering the program, the higher education coordinating board has the following powers and duties:
   (a) To adopt necessary rules and develop guidelines to administer the program;
   (b) To collect and manage repayments from participants who do not meet their service obligations; and
   (c) To accept grants and donations from public and private sources for the program.
(2) The Washington professional educator standards board shall select participants who are eligible to receive conditional scholarships.
(3) In order to receive conditional scholarship awards, recipients shall be accepted and maintain enrollment in alternative certification routes through the partnership grant program, as provided in section 5 of this act. Recipients must continue to make satisfactory progress towards completion of the alternative route certification program and receipt of a residency teaching certificate.
(4) For the purpose of this chapter, a conditional scholarship is a loan that is forgiven in whole or in part in exchange for service as a certificated teacher employed in a Washington state K-12 public school. The state shall forgive one year of loan obligation for every two years a recipient teaches in a public school. Recipients that fail to continue a course of study leading to residency teacher certification or cease to teach in a public school in the state of Washington in their endorsement area are required to repay the remaining loan principal with interest.
(5) Recipients who fail to fulfill the required teaching obligation are required to repay the remaining loan principal with interest and any other applicable fees. The higher education coordinating board shall adopt rules to define the terms for repayment, including applicable interest rates, fees, and deferments.
(6) To the extent funds are appropriated for this specific purpose, the annual amount of the scholarship is the annual cost of tuition for the alternative route certification program in which the recipient is enrolled, not to exceed four thousand dollars. The board may adjust the annual award by the average rate of resident undergraduate tuition and fee increases at the state universities as defined in RCW 28B.10.016.
(7) The higher education coordinating board may deposit all appropriations, collections, and any other funds received for the program in this chapter in the student loan account authorized in RCW 28B.102.060.

NEW SECTION.  Sec. 7. The Washington state institute for public policy shall submit to the education and fiscal committees of the legislature, the governor, the state board of education, and the Washington professional educator standards board, an interim evaluation of partnership grant programs funded under this chapter by December 1, 2002, and a final evaluation by December 1, 2004. If specific funding for the purposes of this section, referencing this section and this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this section is null and void.

MESSAGE FROM THE HOUSE

April 12, 2001

MR. PRESIDENT:

The House has passed SENATE BILL NO. 5637 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that a comprehensive program of monitoring is fundamental to making sound public policy and programmatic decisions regarding salmon recovery and watershed health. Monitoring provides accountability for results of management actions and provides the data upon which an adaptive management framework can lead to improvement of strategies and programs. Monitoring is also a required element of any salmon recovery plan submitted to the federal government for approval. While numerous agencies and citizen organizations are engaged in monitoring a wide range of salmon recovery and watershed health parameters, there is a greater need for coordination of monitoring efforts, for using limited monitoring resources to obtain information most useful for achieving relevant local, state, and federal requirements regarding watershed health and salmon recovery, and for making the information more accessible to those agencies and organizations implementing watershed health programs and projects. Regarding salmon recovery monitoring, the state independent science panel has concluded that many programs already monitor indicators relevant to salmonids, but the efforts are largely uncoordinated or unlinked among programs, have different objectives, use different indicators, lack support for sharing data, and lack shared statistical designs to address specific issues raised by listing of salmonid species under the federal endangered species act.

Therefore, it is the intent of the legislature to encourage the refocusing of existing agency monitoring activities necessary to implement a comprehensive watershed health monitoring program, with a focus on salmon recovery. The program should: Be based on a framework of greater coordination of existing monitoring activities; require monitoring activities most relevant to adopted local, state, and federal watershed health objectives; and facilitate the exchange of monitoring information with agencies and organizations carrying out watershed health, salmon recovery, and water resources management planning and programs.

NEW SECTION. Sec. 2. A new section is added to chapter 90.82 RCW to read as follows:

In conducting assessments and other studies that include monitoring components or recommendations, the department and planning units shall implement the monitoring recommendations developed under section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 77.85 RCW to read as follows:
(1) The monitoring oversight committee is hereby established. The committee shall be comprised of the directors or their designated representatives of:
(a) The salmon recovery office;
(b) The department of ecology;
(c) The department of fish and wildlife;
(d) The conservation commission;
(e) The Puget Sound action team;
(f) The department of natural resources;
(g) The department of transportation;
(h) The interagency committee for outdoor recreation; and
(i) Eight legislators designated as follows: The cochairs of the natural resources committee of the house of representatives; the chair and the ranking minority member of the senate natural resources, parks, and shorelines committee; the cochairs of the agriculture and ecology committee of the house of representatives; and the chair and the ranking minority member of the senate environment, energy, and water committee. A legislator designated as a member of the monitoring oversight committee pursuant to this subsection may designate an alternate legislator to serve on the oversight committee in his or her place. The alternate legislator must be a member of the same standing committee listed in this subsection as the legislator who is designating the alternate.

(2) The director of the salmon recovery office and the chair of the salmon recovery funding board, or their designees, shall cochair the committee. The cochairs shall convene the committee as necessary to develop, for the consideration of the governor and legislature, a comprehensive and coordinated monitoring strategy and action plan on watershed health with a focus on salmon recovery. The committee shall invite participation from the treaty tribes to participate in the committee's efforts. In addition, the committee shall invite participation by other state, local, and federal agencies and other entities as appropriate. The committee shall address the monitoring recommendations of the independent science panel provided under RCW 77.85.040(7) and of the joint legislative audit and review committee in its report number 01-1 on investing in the environment.

(3) The independent science panel shall act as an advisor to the monitoring oversight committee and shall review all work products developed by the committee and make recommendations to the committee cochairs.

(4) The committee shall make recommendations to individual agencies to improve coordination of monitoring activities.

(5) The committee shall:
(a) Define the monitoring goals, objectives, and questions that must be addressed as part of a comprehensive statewide salmon recovery monitoring and adaptive management framework;
(b) Identify and evaluate existing monitoring activities for inclusion in the framework, while ensuring data consistency and coordination and the filling of monitoring gaps;
(c) Recommend statistical designs appropriate to the objectives;
(d) Recommend performance measures appropriate to the objectives and targeted to the appropriate geographical, temporal, and biological scales;
(e) Recommend standardized monitoring protocols for salmon recovery and watershed health;
(f) Recommend procedures to ensure quality assurance and quality control of all relevant data;
(g) Recommend data transfer protocols to support easy access, sharing, and coordination among different collectors and users;
(h) Recommend ways to integrate monitoring information into decision making;
(i) Recommend organizational and governance structures for oversight and implementation of the coordinated monitoring framework;
(j) Recommend stable sources of funding that will ensure the continued operation and maintenance of the state’s salmon recovery and watershed health monitoring programs, once established; and
(k) Identify administrative actions that will be undertaken by state agencies to implement elements of the coordinated monitoring program.

(6) In developing the coordinated monitoring strategy, the committee shall coordinate with other appropriate state, federal, local, and tribal monitoring efforts, including but not limited to the Northwest power planning council, the Northwest Indian fisheries commission, the national marine fisheries service, and the United States fish and wildlife service. The committee shall also consult with watershed planning units under chapter 90.82 RCW, lead entities under this chapter, professional organizations, and other appropriate groups.

(7) The cochairs shall provide an interim report to the governor and the members of the appropriate legislative committees by March 1, 2002, on the progress made in implementing this section. By December 1, 2002, the committee shall provide a monitoring strategy and action plan to the governor, and the members of the appropriate legislative committees for achieving a comprehensive watershed health monitoring program with a focus on salmon recovery. The strategy and action plan shall document the results of the committee's actions in addressing the responsibilities described in subsection (5) of this section. In addition, the monitoring strategy and action plan shall include an assessment of existing state agency operations related to monitoring, evaluation, and adaptive management of watershed health and salmon recovery, and shall recommend any operational or statutory changes and funding necessary to fully implement the enhanced coordination program developed under this section. The plan shall make recommendations based upon the goal of fully realizing an enhanced and coordinated monitoring program by June 30, 2007.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this act is null and void.”

Correct the title, and the same are herewith transmitted.

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5060 with the following amendment(s): Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 39.10.020 and 2000 c 209 s 1 are each amended to read as follows:

(1) "Alternative public works contracting procedure" means the design-build and the general contractor/construction manager contracting procedures authorized in (RCW 39.10.050 and 39.10.055) sections 2 and 3 of this act, respectively.

(2) "Public body" means the state department of general administration; the University of Washington; Washington State University; every city with a population greater than ((one hundred fifty)) seventy thousand and any public authority chartered by such city under RCW 35.21.730 through 35.21.755 and specifically authorized as provided in RCW 39.10.120(4); and every county with a population greater than four hundred fifty thousand; every port district with ((a population)) total revenues greater than (five hundred thousand) fifteen million dollars per year; and those school districts proposing projects that are considered and approved by the school district project review board under RCW 39.10.115.

(3) "Public works project" means any work for a public body within the definition of the term public work in RCW 39.04.010.

NEW SECTION. Sec. 2. A new section is added to chapter 39.10 RCW to read as follows:

(1) Notwithstanding any other provision of law, and after complying with RCW 39.10.030, the following public bodies may utilize the design-build procedure of public works contracting for public works projects authorized under this section: The state department of general administration; the University of Washington; Washington State University; every city with a population greater than seventy thousand and any public authority chartered by such city under RCW 35.21.730 through 35.21.755 and specifically authorized as provided in RCW 39.10.120(4); every county with a population greater than four hundred fifty thousand; every public utility district with revenues from energy sales greater than twenty-three million dollars per year; and every port district with total revenues greater than fifteen million dollars per year. The authority granted to port districts in this section is in addition to and does not affect existing contracting authority under RCW 53.08.120 and 53.08.130. For the purposes of this section, "design-build procedure" means a contract between a public body and another party in which the party agrees to both design and build the facility, portion of the facility, or other item specified in the contract.

(2) Public bodies authorized under this section may utilize the design-build procedure for public works projects valued over twelve million dollars where:

(a) The construction activities or technologies to be used are highly specialized and a design-build approach is critical in developing the construction methodology or implementing the proposed technology; or

(b) The project design is repetitive in nature and is an incidental part of the installation or construction; or

(c) Regular interaction with and feedback from facilities users and operators during design is not critical to an effective facility design.

(3) Public bodies authorized under this section may also use the design-build procedure for the following projects that meet the criteria in subsection (2)(b) and (c) of this section:

(a) The construction or erection of preengineered metal buildings or prefabricated modular buildings, regardless of cost; or

(b) The construction of new student housing projects valued over five million dollars.

(4) Contracts for design-build services shall be awarded through a competitive process utilizing public solicitation of proposals for design-build services. The public body shall publish at least once in a legal newspaper of general circulation published in or as near as possible to that part of the county in which the public work will be done, a notice of its request for proposals for design-build services and the availability and location of the request for proposal documents. The request for proposal documents shall include:

(a) A detailed description of the project including programmatic, performance, and technical requirements and specifications, functional and operational elements, minimum and maximum net and gross areas of any building, and, at the discretion of the public body, preliminary engineering and architectural drawings;

(b) The reasons for using the design-build procedure;

(c) A description of the qualifications to be required of the proposer including, but not limited to, submission of the proposer's accident prevention program;

(d) A description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors. Evaluation factors shall include, but not be limited to: Proposal price; ability of professional personnel; past performance on similar projects; ability to meet time and budget requirements; ability to provide a performance and payment bond for the project; recent, current, and projected work loads of the firm; location; and the concept of the proposal;

(e) The form of the contract to be awarded;

(f) The amount to be paid to finalists submitting best and final proposals who are not awarded a design-build contract; and

(g) Other information relevant to the project.

(5) The public body shall establish a committee to evaluate the proposals based on the factors, weighting, and process identified in the request for proposals. Based on its evaluation, the public body shall select not fewer than three nor more than five finalists to submit best and final proposals. The public body may, in its sole discretion, reject all proposals. Design-build contracts shall be awarded using the procedures in (a) or (b) of this subsection.

(a) Best and final proposals shall be evaluated and scored based on the factors, weighting, and process identified in the initial request for proposals. The public body may score the proposals using a system that measures the quality and technical merits of the proposal on a unit price basis. Final proposals may not be considered if the proposal cost is greater than the maximum allowable construction cost identified in the initial request for proposals. The public body shall initiate negotiations with the firm..."
submitting the highest scored best and final proposal. If the public body is unable to execute a contract with the firm submitting the highest scored best and final proposal, negotiations with that firm may be suspended or terminated and the public body may proceed to negotiate with the next highest scored firm. Public bodies shall continue in accordance with this procedure until a contract agreement is reached or the selection process is terminated.

(b) If the public body determines that all finalists are capable of producing plans and specifications that adequately meet project requirements, the public body may award the contract to the firm that submits the responsive best and final proposal with the lowest price.

(6) The firm awarded the contract shall provide a performance and payment bond for the contracted amount. The public body shall provide appropriate honorarium payments to finalists submitting best and final proposals who are not awarded a design-build contract. Honorarium payments shall be sufficient to generate meaningful competition among potential proposers on design-build projects.

NEW SECTION, Sec. 3. A new section is added to chapter 39.10 RCW to read as follows:

(a) Adequate financial resources or the ability to secure such resources;
(b) Ability to meet subcontract bid package scope of work;
(c) History of successful completion of a contract of similar type and scope;
(d) Project management and project supervision personnel with experience on similar projects and the availability of such personnel for the project;
(e) Ability to accurately estimate the subcontract bid package scope of work;
(f) Ability to meet subcontract bid package shop drawing and other coordination procedures;
(g) Eligibility to receive an award under applicable laws and regulations; and
(h) Ability to meet subcontract bid package scheduling requirements.
The owner and general contractor/construction manager shall weigh the evaluation criteria and determine a minimum acceptable score to be considered an eligible subcontract bidder.

The public notification of notice of intent to determine eligibility, subcontractors requesting eligibility shall be provided the evaluation criteria and weighting to be used by the owner and general contractor/construction manager to determine eligible subcontract bidders. After the owner and general contractor/construction manager determine eligible subcontract bidders, subcontractors requesting eligibility shall be provided the results and scoring of the subcontract bidder eligibility determination.

Subcontract bid packages shall be awarded to the responsible bidder submitting the low responsive bid. The requirements of RCW 39.30.060 apply to each subcontract bid package. All subcontractors who bid work over three hundred thousand dollars shall post a bid bond and all subcontractors who are awarded a contract over three hundred thousand dollars shall provide a performance and payment bond for their contract amount. All other subcontractors shall provide a performance and payment bond if required by the general contractor/construction manager. A low bidder who claims error and fail to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project. Except as provided for under subsection (7) of this section, bidding on subcontract work by the general contractor/construction manager or its subsidiaries is prohibited. The general contractor/construction manager may negotiate with the low-responsive bidder in accordance with RCW 39.10.080 or, if unsuccessful in such negotiations, rebid.

(7) The general contractor/construction manager, or its subsidiaries, may bid on subcontract work if:
   (a) The work within the subcontract bid package is customarily performed by the general contractor/construction manager;
   (b) The bid opening is managed by the public body; and
   (c) Notification of the general contractor/construction manager's intention to bid is included in the public solicitation of bids for the bid package.

In no event may the value of subcontract work performed by the general contractor/construction manager exceed thirty percent of the negotiated maximum allowable construction cost.

(8) A public body may include an incentive clause in any contract awarded under this section for savings of either time or cost or both, but that is not originally negotiated. No incentive granted may exceed 5 percent of the maximum allowable construction cost. If the project is completed for less than the agreed upon maximum allowable construction cost, excepting increases due to any contract change orders approved by the public body, the additional cost shall be the responsibility of the general contractor/construction manager.

Sec. 4. RCW 39.10.115 and 2000 c 209 s 4 are each amended to read as follows:

(1) The school district project review board is established to review school district proposals submitted by school districts to use alternative public works contracting procedures. The board shall select and approve qualified projects based upon an evaluation of the information submitted by the school district under subsection (2) of this section. (The membership of the board shall be selected by the independent oversight committee as established under RCW 39.10.110.) After July 1, 2001, any appointments for full terms or to fill a vacancy shall be made by the governor and shall include the following representatives, each having experience with public works or commercial construction: One representative from the office of the superintendent of public instruction; one representative from the office of financial management; two representatives from the construction industry, one of whom works for a construction company with gross annual revenues of twenty million dollars or less; one representative from the specialty contracting industry; one representative from organized labor; one representative from the design industry; one representative from a public body previously authorized under this chapter to use an alternative public works contracting procedure who has experience using such alternative contracting procedures; one representative from school districts with ten thousand or more annual average full-time equivalent pupils; and one representative from school districts with fewer than ten thousand average full-time equivalent pupils. Any member of the school district project review board who is directly affiliated with any applicant before the board must recuse him or herself from consideration of the application.

(2) A school district seeking to use alternative contracting procedures authorized under this chapter shall file an application with the school district project review board. The application form shall require the district to submit a detailed statement of the proposed project, including the estimated project’s name; student population based upon October full-time equivalents; the current projected total budget for the project, including the estimated construction costs, costs for professional services, equipment and furnishing costs, off-site costs, contract administration costs, and other related project costs; the anticipated project design and construction schedule; a summary of the school district's construction activity for the preceding six years; and an explanation of why the school district believes the use of an alternative contracting procedure is in the public interest and why the school district is qualified to use an alternative contracting procedure, including a summary of the relevant experience of the school district's management team. The applicant shall also provide in a timely manner any other information concerning implementation of projects under this chapter requested by the school district project review board to assist in its consideration.

(3) Any school district whose application is approved by the school district project review board shall comply with the public notification and review requirements in RCW 39.10.030.

MESSAGE FROM THE HOUSE
April 5, 2001
MR. PRESIDENT:

The House has passed SENATE BILL NO. 5063 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

4. RCW 39.04.155 and 2000 c 138 s 101 are each amended to read as follows:

(1) This section provides uniform small works roster provisions to award contracts for construction, building, renovation, remodeling, alteration, repair, or improvement of real property that may be used by state agencies and by any local government that is expressly authorized to use these provisions. These provisions may be used in lieu of other procedures to award contracts for such work with an estimated cost of two hundred thousand dollars or less. The small works roster process includes the limited public works process authorized under subsection (3) of this section and any local government authorized to award contracts using the small works roster process under this section may award contracts using the limited public works process under subsection (3) of this section.

(2)(a) A state agency or authorized local government may create a single general small works roster, or may create a small works roster for different specialties or categories of anticipated work. Where applicable, small works rosters may make distinctions between contractors based upon different geographic areas served by the contractor. The small works roster or rosters shall consist of all responsible contractors who have requested to be on the list, and where required by law are properly licensed or registered to perform such work in this state. A state agency or local government establishing a small works roster or rosters may require eligible contractors desiring to be placed on a roster or rosters to keep current records of any applicable licenses, certifications, registrations, bonding, insurance, or other appropriate matters on file with the state agency or local government as a condition of being placed on a roster or rosters. At least once a year, the state agency or local government shall publish in a newspaper of general circulation within the jurisdiction a notice of the existence of the roster or rosters and solicit the names of contractors for such roster or rosters. In addition, responsible contractors shall be added to an appropriate roster or rosters at any time they submit a written request and necessary records. Master contracts may be required to be signed that become effective when a specific award is made using a small works roster.

(b) A state agency establishing a small works roster or rosters shall adopt rules implementing this subsection. A local government establishing a small works roster or rosters shall adopt an ordinance or resolution implementing this subsection. Procedures included in rules adopted by the department of general administration in implementing this subsection must be included in any rules providing for a small works roster or rosters that is adopted by another state agency, if the authority for that state agency to engage in these activities has been delegated to it by the department of general administration under chapter 43.19 RCW. An interlocal contract or agreement between two or more state agencies or local governments establishing a small works roster or rosters to be used by the parties to the agreement or contract must clearly identify the lead entity that is responsible for implementing the provisions of this subsection.

(c) Procedures shall be established for securing telephone, written, or electronic quotations from contractors on the appropriate small works roster in order to determine that a competitive price is established and to award contracts to the lowest responsible bidder, as defined in RCW 43.19.111. Invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation. This subsection does not eliminate other requirements for architectural or engineering approvals as to quality and compliance with building codes. Quotations may be invited from all appropriate contractors on the appropriate small works roster. As an alternative, quotations may be invited from at least five contractors on the appropriate small works roster who have indicated the capability of performing the kind of work being contracted, in a manner that will equitably distribute the opportunity among the contractors on the appropriate roster. However, if the estimated cost of the work is from one hundred thousand dollars to two hundred thousand dollars, a state agency or local government, other than a port district, that chooses to solicit bids from less than all the appropriate contractors on the appropriate small works roster must also notify the remaining contractors on the appropriate small works roster that quotations on the work being sought. The government has the sole option of determining whether this notice to the remaining contractors is made by: (i) Publishing notice in a legal newspaper in general circulation in the area where the work is to be done; (ii) Mailing a notice to these contractors; or (iii) Sending a notice to these contractors by facsimile or other electronic means. For purposes of this subsection "equitably distribute" means that the state agency or local government soliciting the small works contracts on the appropriate small works roster over other contractors on the appropriate small works roster who perform similar services.

(d) A contract awarded from a small works roster under this section need not be advertised.

(e) Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

(f) In lieu of awarding contracts under subsection (2) of this section, a state agency or authorized local government may award a contract for work, construction, alteration, repair, or improvement project estimated to cost less than thirty-five thousand dollars using the limited public works process provided under this subsection. Public works projects awarded under this subsection are exempt from the other requirements of the small works roster process provided under subsection (2) of this section and are exempt from the requirement that contracts be awarded after advertisement as provided under RCW 39.04.010. For limited public works projects, a state agency or authorized local government shall solicit electronic or written quotations from a minimum of three contractors from the appropriate small works roster and shall award the contract to the lowest responsible bidder as defined under RCW 43.19.111. After an award is made, the quotations shall be open to public inspection and available by electronic request. A state agency or authorized local government shall attempt to distribute opportunities for limited public works projects equitably among contractors willing to perform in the geographic area of the work. A state agency or authorized local government shall maintain a list of the contractors contacted and the contracts awarded during the previous twenty-four months under the limited public works process, including the name of the contractor, the contractor's registration number, the amount of the contract, a brief description of the type of work performed, and the date the contract was awarded. For limited public works projects, a state agency or authorized local government may waive the payment and performance bond requirements of chapter 39.08 RCW and the retraining requirements of chapter 60.28 RCW, thereby assuming the liability for the contractor's nonpayment of laborers, mechanics, subcontractors, materialmen, suppliers, and taxes imposed under Title 82 RCW that may be due from the contractor for the limited public works project, however the state agency or authorized local government shall have the right of recovery against the contractor for any payments made on the contractor's behalf.
The breaking of any project into units or accomplishing any projects by phases is prohibited if it is done for the purpose of avoiding the maximum dollar amount of a contract that may be let using the small works roster process or limited public works process.

(4) As used in this section, "state agency" means the department of general administration, the state parks and recreation commission, the department of natural resources, the department of fish and wildlife, the department of transportation, any institution of higher education as defined under RCW 28B.10.016, and any other state agency delegated authority by the department of general administration to engage in construction, building, renovation, remodeling, alteration, improvement, or repair activities."

Correct the title., and the same are herewith transmitted.

(2) Any contractor registered as of July 1, 1997, who maintains such registration in accordance with this chapter shall be in compliance with this chapter until the next annual renewal of the contractor's certificate of registration. (3)(a) Proof of financial responsibility authorized in this section may be given by providing, in the amount required by subsection (1) of this section, an assigned account acceptable to the department. (3) A contractor may supply a short term bond or insurance policy to bring its registration period to the full one year.

(4) If a contractor's surety bond or other security has an unsatisfied judgment against it or is canceled, or if the contractor's insurance policy is canceled, the contractor's registration shall be automatically suspended on the effective date of the impairment or cancellation. NEW SECTION. Sec. 6. A new section is added to chapter 18.27 RCW to read as follows:

(1) If an unregistered contractor defaults in a payment, penalty, or fine due to the department, the director or the director's designee may issue a notice of assessment certifying the amount due. The notice must be served upon the unregistered contractor by mailing the notice to the unregistered contractor by certified mail to the unregistered contractor's last known address or served in the manner prescribed for the service of a summons in a civil action.

(2) A notice of assessment becomes final thirty days from the date the notice was served upon the unregistered contractor unless a written request for reconsideration is filed with the department or an appeal is filed in a court of competent jurisdiction in the manner specified in RCW 34.05.510 through 34.05.598. The request for reconsideration must be filed within thirty days after receiving a written request for reconsideration, may modify or reverse a notice of assessment, or may hold a notice of assessment in abeyance pending further investigation. If a final decision of a court in favor of the department is not appealed within the time allowed by law, then the amount of the unappealed assessment, or such amount of the assessment as is found due by the final decision of the court, is final.

(3) The director or the director's designee may file with the clerk of any county within the state, a warrant for the payment of the notice of assessment, plus interest, penalties, and a filing fee of twenty dollars. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the unregistered contractor mentioned in the warrant, the amount of payment, penalty, fine due on it, or filing fee, and the date when the warrant was filed. The aggregate amount of the warrant as docketed shall become a lien upon the title to, and in interest in, all real and personal property of the unregistered contractor against whom the warrant is issued, the same as a judgment in a civil action docketed in the office of the clerk. The sheriff shall proceed upon the warrant in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in a court of competent jurisdiction. The warrant so docketed is sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court is entitled to a filing fee which will be added to the amount of the warrant. A copy of the warrant shall be mailed to the unregistered contractor within three days of filing with the clerk.

(4) The director or the director's designee may issue to any person, firm, corporation, other entity, municipal corporation, political subdivision of the state, a public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind whatsoever when he or she has reason to believe that there is in the possession of the person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is or will become due, owing, or belonging to an unregistered contractor upon whom a notice of assessment has been served by the department for payments, penalties, or fines due to the department. The effect of a notice and order is continuous from the date the notice and order is first made until the liability out of which the notice and order arose is satisfied or becomes unenforceable
because of lapse of time. The department shall release the notice and order when the liability out of which the notice and order arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order was issued that the notice and order has been released.

The notice and order to withhold and deliver must be served by the sheriff of the county or by the sheriff's deputy, by certified mail, return receipt requested, or by an authorized representative of the director. A person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order. Upon service of the notice and order, if the party served possesses any property that may be subject to the claim of the department, the party shall promptly deliver the property to the director or the director's authorized representative. The director shall hold the property in trust for application on the unregistered contractor's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review. In the alternative, the party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. If a party served and named in the notice fails to answer the notice within the time prescribed in this section, the court may render judgment by default against the party for the full amount claimed by the director in the notice, together with costs. If a notice is served upon an unregistered contractor and the property subject to it is wages, the unregistered contractor may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner is entitled.

Sec. 4. RCW 9.94A.030 and 2000 c 28 § 2 are each amended to read as follows:
Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.145, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

2. "Commission" means the sentencing guidelines commission.

3. "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

4. "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.120(2)(b), 9.94A.650 through 9.94A.670, 9.94A.137, 9.94A.700 through 9.94A.715, or 9.94A.383, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of
reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(5) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.040, for crimes committed on or after July 1, 2000.

(6) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(7) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(9) "Confined" means total or partial confinement.

(10) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(12) "Criminal history" means the list of a defendant’s prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction: (a) whether the defendant has been placed on probation and the length and terms thereof; and (b) whether the defendant has been incarcerated and the length of incarceration.

(13) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender’s net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(14) "Day reporting" means a program of enhanced supervision designed to monitor the offender’s daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(15) "Department" means the department of corrections.

(16) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(17) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(18) "Drug offender sentencing alternative" is a sentencing option available to persons convicted of a felony offense other than a violent offense or a sex offense and who are eligible for the option under RCW 9.94A.660.

Upon conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to RCW 38.52.430.

MR. PRESIDENT:

The House has passed ENGROSSED SENATE BILL NO. 5143 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.43.040 and 1998 c 194 s 1 are each amended to read as follows:

(1) The chief of the Washington state patrol shall relieve from active duty Washington state patrol officers who, while in the performance of their official duties, or while on standby or available for duty, have been or hereafter may be injured or incapacitated to such an extent as to be mentally or physically incapable of active service: PROVIDED, That:

(a) Any officer disabled while performing line duty who is found by the chief to be physically incapacitated shall be placed on disability leave for a period not to exceed six months from the date of injury or the date incapacitated. During this period, the officer shall be entitled to all pay, benefits, insurance, leave, and retirement contributions awarded to an officer on active status, less any compensation received through the department of labor and industries. No such disability leave shall be approved until an officer has been unavailable for duty for more than forty consecutive work hours. Prior to the end of the six-month period, the chief shall either place the officer on disability status or return the officer to active status.

The chief shall define by rule the situations where a disability has occurred during line duty;

(b) Benefits under this section for a disability that is incurred while in other employment will be reduced by any amount the officer receives or is entitled to receive from workers' compensation, social security, group insurance, other pension plan, or any other similar source provided by another employer on account of the same disability;

(c) An officer injured while engaged in willfully tortious or criminal conduct shall not be entitled to disability benefits under this section; and

(d) For members commissioned prior to January 1, 2003, should a disability beneficiary whose disability was not incurred in line of duty, prior to attaining age fifty, engage in a gainful occupation, the chief shall reduce the amount of his retirement allowance to an amount which when added to the compensation earned by him in such occupation shall not exceed the basic salary currently being paid for the rank the retired officer held at the time he was disabled. All such disability beneficiaries under age fifty shall file with the chief every six months a signed and sworn statement of earnings and any person who shall knowingly swear falsely on such statement shall be subject to prosecution for perjury. Should the earning capacity of such beneficiary be further
altered, the chief may further alter his disability retirement allowance as indicated above. The failure of any officer to file the required statement of earnings shall be cause for cancellation of retirement benefits.

(1) A member commissioned prior to January 1, 2003, on disability status shall receive one-half of their compensation at the existing wage, during the time the disability continues in effect, less any compensation received through the department of labor and industries. They shall be subject to mental or physical examination at any state institution or otherwise under the direction of the chief of the patrol at any time during such relief from duty to ascertain whether or not they are able to resume active duty.

(b) Members commissioned on or after January 1, 2003, on disability status as a result of a line duty disability shall receive a line duty disability allowance of one-half of their compensation at the existing wage, during the time the disability continues in effect, less any compensation received through the department of labor and industries, and any retirement allowance under section 2 of this act. They shall be subject to such comprehensive medical examinations as required by the chief of the patrol at any time during such relief from duty. If these medical examinations reveal that a member has recovered from the incapacitating disability and the member is offered reemployment by the chief at a comparable compensation, the member shall cease to be eligible for this line duty disability allowance.

NEW SECTION Sec. 2. (1) A member of the retirement system commissioned on or after January 1, 2003, who becomes totally incapacitated for continued employment by an employer as determined by the department upon recommendation of the department shall be eligible for a retirement allowance under RCW 43.43.260. The member shall receive a monthly disability allowance computed as provided for in RCW 43.43.260 and shall have this allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-five or from when the member could have attained twenty-five years of service, whichever is less.

Any member who receives an allowance under the provisions of this section shall be subject to comprehensive medical examinations as required by the department. If these medical examinations reveal that a member has recovered from the incapacitating disability and the member is offered reemployment by the chief at a comparable compensation, the member shall cease to be eligible for the allowance.

(2) If the recipient of a monthly retirement allowance under this section dies before the total of the retirement allowance paid to the recipient equals the amount of the accumulated contributions at the date of retirement, then the balance shall be paid to the member's estate, or the person or persons, trust, or organization as the recipient has nominated by written designation duly executed and filed with the director, or if there is no designated person or persons still living at the time of the recipient's death, then to the surviving spouse, or if there is no designated person or persons still living at the time of his or her death nor a surviving spouse, then to his or her legal representative.

If a member is married and both the member and member’s spouse do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member’s spouse as the beneficiary. This benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) of this subsection.

(b) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member’s retirement:

(a) (i) A retired member who retired without designating a survivor beneficiary shall have the opportunity to designate their spouse from a postretirement marriage as a survivor during a one-year period beginning one year after the date of the postretirement marriage provided the retirement allowance payable to the retiree is not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670.

(ii) A member who entered into a postretirement marriage prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse as a survivor beneficiary following the adoption of the rules.

(b) A retired member who elected to receive a reduced retirement allowance under this section and designated a nonspouse as survivor beneficiary shall have the opportunity to remove the survivor designation and have their future benefit adjusted.

If the member should die after retirement the member’s lawful spouse shall be paid an allowance which shall be equal to the retirement allowance then payable to the member or fifty percent of the final average salary used in computing the member’s retirement allowance, whichever is less. The allowance paid to the lawful spouse shall continue as long as the spouse lives: PROVIDED, That if a surviving spouse who is receiving benefits under this subsection marries another member of this retirement system who subsequently predecedes such spouse, the spouse shall then be entitled to receive the higher of the two survivors’ allowances for which eligibility requirements were met, but a surviving spouse shall not receive more than one survivor’s allowance from this system at the same time under this subsection. To be eligible for an allowance the lawful surviving spouse of a retired member shall have been married to the member prior to the member’s retirement and continuously thereafter until the date of the member’s death or shall have been married to the retired member at least two years prior to the member’s death.

MESSAGE FROM THE HOUSE
MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5182 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The intent of this act is to ensure a sustainable, comprehensive, pipeline safety program, to protect the health and safety of the citizens of the state of Washington, and maintain the quality of the state's environment. The legislature finds that public safety and the environment are best protected by securing permanent funding for this program through establishment of a regulatory fee imposed on hazardous liquids and gas pipelines.

NEW SECTION, Sec. 2. A new section is added to chapter 80.24 RCW to read as follows:

(1)(a) Every gas company and every interstate gas pipeline company subject to inspection or enforcement by the commission shall pay an annual pipeline safety fee to the commission. The pipeline safety fees received by the commission shall be deposited in the pipeline safety account created in RCW 81.88.050.

(b) The aggregate amount of fees set shall be sufficient to recover the reasonable costs of administering the pipeline safety program, taking into account federal funds used to offset the costs. The fees established under this section shall be designed to generate revenue not exceeding appropriated levels of funding for the current fiscal year. At a minimum, the fees established under this section shall be sufficient to adequately fund pipeline inspection personnel, the timely review of pipeline safety and integrity plans, the timely development of spill response plans, the timely development of accurate maps of pipeline locations, participation in federal pipeline safety efforts to the extent allowed by law, and the staffing of the citizens committee on pipeline safety.

(c) Increases in the aggregate amount of fees over the immediately preceding fiscal year are subject to the requirements of RCW 43.135.055.

(2) The commission shall by rule establish the methodology it will use to set the appropriate fee for each entity subject to this section. The methodology shall provide for an equitable distribution of program costs among all entities subject to the fee. The fee methodology shall provide for:

(a) Direct assignment of average costs associated with annual standard inspections, including the average number of inspection days per year. In establishing these directly assignable costs, the commission shall consider the requirements and guidelines of the federal government, state safety standards, and good engineering practice; and

(b) A uniform and equitable means of estimating and allocating costs of other duties relating to inspecting pipelines for safety that are not directly assignable, including but not limited to design review and construction inspections, specialized inspections, incident investigations, geographic mapping system design and maintenance, and administrative support.

(3) The commission shall require reports from those entities subject to this section in the form and at such time as necessary to set the fees. After considering the reports supplied by the entities, the commission shall set the amount of the fee payable by each entity by general order entered before July 1st of each year.

(4) For companies subject to RCW 80.24.010, the commission shall collect the pipeline safety fee as part of the fee specified in RCW 80.24.010. The commission shall allocate the moneys collected under RCW 80.24.010 between the pipeline safety program and for other regulatory purposes. The commission shall adopt rules that assure that fee moneys related to the pipeline safety program are maintained separately from other moneys collected by the commission under this chapter.

(5) Any payment of the fee imposed by this section made after its due date must include a late fee of two percent of the amount due. Delinquent fees accrue interest at the rate of one percent per month.

(6) The commission shall keep accurate records of the costs incurred in administering its gas pipeline safety program, and the records are open to inspection by interested parties. The records and data upon which the commission's determination is made shall be prima facie correct in any proceeding to challenge the reasonableness or correctness of any order of the commission fixing fees and distributing regulatory expenses.

(7) If any entity seeks to contest the imposition of a fee imposed under this section, that entity shall pay the fee and request a refund within six months of the due date for the payment by filing a petition for a refund with the commission. The commission shall establish by rule procedures for handling refund petitions and may delegate the decisions on refund petitions to the secretary of the commission.

NEW SECTION, Sec. 3. A new section is added to chapter 81.24 RCW to read as follows:

(1)(a) Every hazardous liquid pipeline company as defined in RCW 81.88.010 shall pay an annual pipeline safety fee to the commission. The pipeline safety fees received by the commission shall be deposited in the pipeline safety account created in RCW 81.88.050.

(b) The aggregate amount of fees set shall be sufficient to recover the reasonable costs of administering the pipeline safety program, taking into account federal funds used to offset the costs. The fees established under this section shall be designed to generate revenue not exceeding appropriated levels of funding for the current fiscal year. At a minimum, the fees established under this section shall be sufficient to adequately fund pipeline inspection personnel, the timely review of pipeline safety and integrity plans, the timely development of spill response plans, the timely development of accurate maps of pipeline locations, participation in federal pipeline safety efforts to the extent allowed by law, and the staffing of the citizens committee on pipeline safety.

(c) Increases in the aggregate amount of fees over the immediately preceding fiscal year are subject to the requirements of RCW 43.135.055.

(2) The commission shall by rule establish the methodology it will use to set the appropriate fee for each entity subject to this section. The methodology shall provide for an equitable distribution of program costs among all entities subject to the fee. The fee methodology shall provide for:
(a) Direct assignment of average costs associated with annual standard inspections, including the average number of inspection days per year. In establishing these directly assignable costs, the commission shall consider the requirements and guidelines of federal government, state safety standards, and good engineering practice; and
(b) A uniform and equitable means of estimating and allocating costs of other duties relating to inspecting pipelines for safety that are not directly assignable, including but not limited to design review and construction inspections, specialized inspections, incident investigations, geographic mapping system design and maintenance, and administrative support.

(3) The commission shall require reports from those entities subject to this section in the form and at such time as necessary to set the fees. After considering the reports supplied by the entities, the commission shall set the amount of the fee payable by each entity by general order entered before July 1st of each year.

(4) For companies subject to RCW 81.24.010, the commission shall collect the pipeline safety fee as part of the fee specified in RCW 81.24.010. The commission shall allocate the moneys collected under RCW 81.24.010 between the pipeline safety program and for other regulatory purposes. The commission shall adopt rules that assure that fee moneys related to the pipeline safety program are maintained separately from other moneys collected by the commission under this chapter.

(5) Any payment of the fee imposed by this section made after its due date must include a late fee of two percent of the amount due. Delinquent fees accrue interest at the rate of one percent per month.

(6) The commission shall keep accurate records of the costs incurred in administering its hazardous liquid pipeline safety program, and the records are open to inspection by interested parties. The records and data upon which the commission's determination is made shall be prima facie correct in any proceeding to challenge the reasonableness or correctness of any order of the commission fixing fees and distributing regulatory expenses.

(7) If any entity seeks to contest the imposition of a fee imposed under this section, that entity shall pay the fee and request a refund within six months of the due date for the payment by filing a petition for a refund with the commission. The commission shall establish by rule procedures for handling refund petitions and may delegate the decisions on refund petitions to the secretary of the commission.

(8) After establishing the fee methodology by rule as required in subsection (2) of this section, the commission shall create a regulatory incentive program for pipeline safety programs in collaboration with the citizens committee on pipeline safety. The regulatory incentive program created by the commission shall not shift costs among companies paying pipeline safety fees and shall not decrease revenue to pipeline safety programs. The regulatory incentive program shall not be implemented until after the review conducted according to section 4 of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 81.88 RCW to read as follows:
The joint legislative audit and review committee shall review staff use, inspection activity, fee methodology, and costs of the hazardous liquid and gas pipeline safety programs and report to the appropriate legislative committees by July 1, 2003. The report shall include a comparison of interstate and intrastate programs, including but not limited to the number and complexity of regular and specialized inspections, mapping requirements for each program, and allocation of administrative costs to each program.

Sec. 5. RCW 19.122.055 and 2000 c 191 s 24 are each amended to read as follows:

(2) All civil penalties recovered under this section (relating to hazardous liquid pipelines) shall be deposited into the hazardous liquid pipeline safety account created in RCW 81 88.050. (All civil penalties recovered under this section relating to gas pipelines shall be deposited in the general fund and expended for the purpose of enforcement of gas pipeline safety laws.)

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5263 with the following amendment(s):

NEW SECTION. Sec. 1. A new section is added to chapter 73.16 RCW to read as follows:

Sec. 1. It is the intent of the legislature to guarantee employment rights of members of the reserve and national guard forces who are called to active duty. The federal uniformed services employment and reemployment rights act of 1994 protects all such federal personnel. The legislature intends that similar provisions should apply to all such state personnel. Therefore, the legislature intends for this act to ensure protections for state-activated personnel similar to those provided by federal law for federal-activated personnel.

The purposes of this chapter are to:

(1) Encourage noncareer service in the uniformed services by eliminating or minimizing the disadvantages to civilian careers and employment that can result from such service;

(2) Minimize the disruption to the lives of persons performing service in the uniformed services as well as to their employers, their fellow employees, and their communities, by providing for the prompt reemployment of such persons upon their completion of such service; and

(3) Prohibit discrimination against persons because of their service in the uniformed services.

Therefore, the legislature intends that the governmental agencies of the state of Washington, and all the political subdivisions thereof, should be model employers in carrying out the provisions of this chapter.

Sec. 2. RCW 73.16.015 and 1951 c 29 s 2 are each amended to read as follows:

Sec. 5. RCW 73.16.033 and 1953 c 212 s 2 are each amended to read as follows:

Any person who is a resident of this state or is employed within this state, and who voluntarily or upon (demand) order from competent authority, vacates a position of employment (to determine his physical fitness to enter, or, who actually does enter upon active duty or training in the Washington National Guard, the armed forces of the United States, or the United States public health service) for service in the uniformed services, shall, provided he or she meets the requirements of RCW 73.16.035, be reemployed forthwith: PROVIDED, That the employer need not reemploy such person if circumstances have so changed (as to make it impossible, unreasonable, or against the public interest for him to do so) such that reemployment would be impossible or unreasonable due to a change in the employer’s circumstances, or would impose an undue hardship on the employer: PROVIDED FURTHER, That this section shall not apply to a temporary position.

If such person is still qualified to perform the duties of his or her former position, he or she shall be restored to that position or to a position of like seniority, status, and pay. If he or she is not so qualified as a result of disability sustained during his or her service (as to make it impossible, unreasonable, or against the public interest for him to do so) such that reemployment would be impossible or unreasonable due to a change in the employer’s circumstances, or would impose an undue hardship on the employer: PROVIDED FURTHER, That this section shall not apply to a temporary position.

Sec. 6. RCW 73.16.035 and 1969 c 16 s 1 are each amended to read as follows:
(1) In order to be eligible for the benefits of ((RCW 73.16.031 through 73.16.061)) this chapter, an applicant must comply with the following requirements:

(a) The applicant must notify his or her employer as to his or her membership in the uniformed services within a reasonable time of accepting employment or becoming a member of the uniformed services. An employer may not take any action prohibited in section 4 of this act against a person because the person provided notice of membership in the uniformed services to the employer.

(b) The applicant must furnish a receipt of an honorable, or under honorable conditions, discharge, report of separation, certificate of satisfactory service, or other proof of having satisfactorily completed his or her service. Rejectees must furnish proof of orders for examination and rejection.

(c) The applicant must make written application to the employer or his or her representative (within ninety days of the date of his separation or release from training and service. Rejectees must apply within thirty days from date of rejection) as follows:

(i) In the case of an applicant whose period of service in the uniformed services was less than thirty-one days, by reporting to the employer;

(A) Not later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation of the applicant from the place of that service to the applicant’s residence; or

(B) As soon as possible after the expiration of the eight-hour period in (c)(i)(A) of this subsection, if reporting within that period is impossible or unreasonable through no fault of the applicant;

(ii) In the case of an applicant who is absent from a position of employment for a period of any length for the purposes of an examination to determine the applicant’s fitness to perform service in the uniformed services, by reporting in the manner and time referred to in (c)(ii)(A) of this subsection;

(iii) In the case of an applicant whose period of service in the uniformed services was for more than thirty days but less than one hundred eighty-one days and submitting an application for reemployment with the employer not later than fourteen days after the completion of the period of service or if submitting such application within such period is impossible or unreasonable through no fault of the applicant, the next first full calendar day when submission of such application becomes possible;

(iv) In the case of an applicant whose period of service in the uniformed services was for more than one hundred eighty days, by submitting an application for reemployment with the employer not later than ninety days after the completion of the period of service;

(v) In the case of an applicant who is hospitalized for, or convalescing from, an illness or injury incurred or aggravated during the performance of service in the uniformed services, at the end of the period that is necessary for the applicant to recover from such illness or injury, the applicant shall submit an application for reemployment with such employer. The period of recovery may not exceed two years. This two-year period shall be extended by the minimum time required to accommodate the circumstances beyond the applicant’s control that make reporting within the two-year period impossible or unreasonable;

(vi) In the case of an applicant who fails to report or apply for employment or reemployment within the appropriate period specified in this subsection (1)(c), the applicant does not automatically forfeit his or her entitlement to the rights and benefits conferred by this chapter, but is subject to the conduct rules, established policy, and general practices of the employer pertaining to explanations and discipline with respect to absence from scheduled work.

(d) An applicant who submits an application for reemployment shall provide to the applicant's employer, upon the request of that employer, documentation to establish that:

(i) The application is timely;

(ii) The applicant has not exceeded the service limitations set forth in this section, except as permitted under (c)(v) of this subsection;

(iii) The applicant’s entitlement to the benefits under this chapter has not been terminated pursuant to (e) of this subsection;

(iv) If, due to the necessity of hospitalization, while on active duty, he is released or placed on inactive duty and remains hospitalized, he is eligible for the benefits of RCW 73.16.031 through 73.16.061: PROVIDED, That such hospitalization does not continue for more than one year from date of such release or inactive status. PROVIDED FURTHER, That he applies for his former position within ninety days after discharge from such hospitalization.

(v) In the case of an applicant who is engaged in service other than state ordered active duty, by reporting in the manner and time specified in (c)(i)(A) of this subsection after serving four years or less in the uniformed services other than state-ordered active duty: PROVIDED, That any period of additional service imposed by law, from which one is unable to obtain orders relieving him or her from active duty, will not affect (the) reemployment rights;

(f) The applicant must return and reenter the office or position within (three months) of the appropriate period specified in (c) of this subsection after serving twelve weeks or less in a calendar year in state-ordered active duty: PROVIDED, That the governor, when declaring an emergency that necessitates a longer period of service, may extend the period of service in state-ordered active duty to up to twelve months after which the applicant is eligible for the benefits of this chapter.

(2) The failure of an applicant to provide documentation that satisfies rules adopted pursuant to subsection (1)(c) of this section shall not be a basis for denying reemployment in accordance with the provisions of this chapter if the failure occurs because such documentation does not exist or is not readily available at the time of the request of the employer. If, after such reemployment, documentation becomes available that establishes that the applicant does not meet one or more of the requirements referred to in subsection (1)(d) of this section, that applicant's employer may terminate the employment of the person and the provision of any rights or benefits afforded the person under this chapter.

(3) An employer may not delay or attempt to defeat a reemployment obligation by demanding documentation that does not then exist or is not then readily available.

(4) The application in subsection (1) of this section is not required if the giving of such application is precluded by military necessity or, under all of the relevant circumstances, the giving of such notice is otherwise impossible or unreasonable. A determination of military necessity for the purposes of this subsection shall be made by the adjutant general of the state of Washington military department and is not subject to judicial review.
(5) In any proceeding involving an issue of whether (a) reemployment is impossible or unreasonable because of a change in an employer's circumstances, (b) reemployment would impose an undue hardship on the employer, or (c) the employment is for a temporary position, the employer has the burden of proving the imposibility or unreasonableness, undue hardship, or the brief or nonrecurrent nature of the employment without a reasonable expectation of continuing indefinitely or for a significant period.

Sec. 7. RCW 73.16.051 and 1953 c 212 s 5 are each amended to read as follows:

Any person who is entitled to be restored to a position in accordance with (((the provisions of RCW 73.16.031, 73.16.033, 73.16.035, and 73.16.041))) this chapter shall be considered as having been on furlough or leave of absence, from his or her position of employment, during his or her period of active military duty or service, and he or she shall be so restored without loss of seniority. He or she shall further be entitled to participate in insurance, vacations, retirement pay, and other benefits offered by the employer pursuant to established rules and practices relating to employees on furlough or leave of absence in effect with the employer at the time such person was ordered into the service; and he or she shall not be discharged from such position without cause within one year after restoration (((: PROVIDED. That no employer shall be required to make any payment to keep insurance or retirement rights current during such period of military service))).

NEW SECTION. Sec. 8. A new section is added to chapter 73.16 RCW to read as follows:

(1) If a person, or the person's dependents, have coverage under a health plan in connection with the person's position of state employment, and the person is absent from his or her position of state employment by reason of service in the uniformed services, the plan shall provide that the person may elect to continue the coverage as provided in this section. The maximum period of coverage of a person and person's dependents under such an election shall be the lesser of:
   (a) The eighteen-month period beginning on the date on which the person's absence begins; or
   (b) The day after the date on which the person fails to apply for or return to a position of state employment, as determined under RCW 73.16.035.

(2) A person who elects to continue health plan coverage under this section may be required to pay not more than one hundred two percent of the full premium under the plan associated with the coverage for the state employer's other employees, except that in the case of a person who performs services in the uniformed services for less than thirty-one days, the person may not be required to pay more than the employee share, if any, for the coverage.

(3) Except as provided in subsection (2) of this section, if a person's coverage under a health plan was terminated because of service in the uniformed services, an exclusion or waiting period may not be imposed in connection with the reinstatement of the coverage upon reemployment under this chapter if an exclusion or waiting period would not have been imposed under a health plan had coverage of the person by the plan not been terminated as a result of his or her service. This subsection applies to the person who is reemployed and to any dependent who is covered by the plan because of the reinstatement of the coverage of the person.

NEW SECTION. Sec. 9. A new section is added to chapter 73.16 RCW to read as follows:

(1) (a) In the case of a right provided under any state law governing pension benefits for state employees, the right to pension benefits of a person reemployed under this chapter shall be determined under this section.
   (b) A person reemployed under this chapter shall be treated as not having incurred a break in service with the state because of the person's period of service in the uniformed services.
   (c) Each period served by a person in the uniformed services shall, upon reemployment under this chapter, be deemed to constitute service with the state for the purpose of determining the nonforfeitability of the person's accrued benefits and for the purpose of determining the accrual of benefits under the plan.

(2) When the state is reemploying a person under this chapter, the state is liable to an employee pension benefit plan for funding any obligation of the plan to provide the pension benefits described in this section and shall allocate the amounts of any employer contribution for the person in the same manner and to the same extent the allocation occurs for other employees during the period of service. For purposes of determining the amount of such liability and any obligation of the plan, earnings and forfeitures shall not be included. For purposes of determining the amount of such liability and purposes of a state law governing pension benefits for state employees, service in the uniformed services that is deemed under subsection (1) of this section to be service with the state shall be deemed to be service with the state under the terms of the plan or any applicable collective bargaining agreement.

(3) A person reemployed by the state under this chapter is entitled to accrued benefits pursuant to subsection (1)(a) of this section that are contingent on the making of, or derived from, employee contributions or elective deferrals (as defined in section 402(g)(3) of the internal revenue code of 1986) only to the extent the person makes payment to the plan with respect to such contributions or deferrals. No such payment may exceed the amount the person would have been permitted or required to contribute had the person remained continuously employed by the state throughout the period of uniformed service. Any payment to the plan described in this subsection shall be made during the period beginning with the date of reemployment and whose duration is three times the period of the person's services, such payment period in the uniformed services, not to exceed five years.

(4) For purposes of computing an employer's liability of the employee's contributions under subsection (2) of this section, the employee's compensation during the period of service shall be computed:
   (a) At the rate the employee would have received but for the period of service in subsection (1)(b) of this section; or
   (b) In the case that the determination of such rate is not reasonably certain, on the basis of the employee's average rate of compensation during the twelve-month period immediately preceding such period or if shorter, the period of employment immediately preceding such period.

Sec. 10. RCW 73.16.061 and 1953 c 212 s 6 are each amended to read as follows:

(1) In case any employer, his or her successor or successors fails or refuses to comply with the provisions of RCW 73.16.031 through 73.16.061 and sections 4, 8, 9, and 13 of this act, the prosecuting attorney of the county in which the employer is located attorney general shall bring action in the superior court in the county in which the employer is located or does business to obtain an order to specifically require such employer to comply with the provisions (hereinafter) of this chapter, and, as an incident thereto, to compensate such person for any loss of wages or benefits suffered by reason of such employer's unlawful act if:
   (a) The service in question was state duty not covered by the uniformed services employment and reemployment rights act of 1994, P.L. 103-353 (38 U.S.C. Sec. 4301 et seq.); and
   (b) The employer support for guard and reserve ombudsman, or his or her designee, has inquired in the matter and has been unable to resolve it.
(2) If the conditions in subsection (1)(a) and (b) of this section are met, any such person who does not desire the services of the prosecuting attorney general may, by private counsel, bring such action.

Sec. 11. RCW 73.16.070 and 1941 c 201 s 5 are each amended to read as follows:

The federal soldiers’ and sailors’ civil relief act of 1940, Public Act No. 861((76th congress)), is hereby specifically declared to apply in proper cases in all the courts of this state.

NEW SECTION. Sec. 12. A new section is added to chapter 73.16 RCW to read as follows:

An offset of any military pay for temporary service in the uniformed services in a particular week against the salary of a bona fide executive, administrative, or professional employee in a particular week shall not be a factor in determining whether the employee is exempt under RCW 48.46.010(5)(c).

NEW SECTION. Sec. 13. A new section is added to chapter 73.16 RCW to read as follows:

This chapter shall not supersede, nullify, or diminish any federal or state law, ordinance, rule, regulation, contract, agreement, policy, plan, practice, or other matter that establishes a right or benefit that is more beneficial to, or is in addition to, a right or benefit provided for such person in this chapter.

NEW SECTION. Sec. 14. A new section is added to chapter 73.16 RCW to read as follows:

The legislature declares that the public policies articulated in chapter ..., Laws of 2001 (this act) depend on the procedures established in chapter ..., Laws of 2001 (this act). No civil or criminal action may be maintained relying on the public policies articulated in chapter ..., Laws of 2001 (this act) without complying with the procedures in this chapter. To that end, all civil actions and civil causes of action for such injuries and all jurisdiction of the courts of this state over such causes are hereby abolished, except as provided in this chapter.

NEW SECTION. Sec. 15. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme court to adjust this schedule every two years for inflation.

(3) There shall be a penalty of twenty-five dollars for failure to respond to a notice of traffic infraction except where the infraction relates to parking as defined by local law, ordinance, regulation, or resolution or failure to pay a monetary penalty imposed pursuant to this chapter. MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5372 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that these cigarette tax contracts will provide a means to promote economic development, provide needed revenues for tribal governments and Indian persons, and enhance enforcement of the state's cigarette tax law, ultimately saving the state money and reducing conflict. In addition, it is the intent of the legislature that the negotiations and the ensuing contracts shall have no impact on the state's share of the proceeds under the master settlement agreement entered into on November 23, 1998, by the state. This act does not constitute a grant of taxing authority to any Indian tribe nor does it provide precedent for the taxation of non-Indians on fee land.

NEW SECTION. Sec. 2. A new section is added to chapter 43.06 RCW to read as follows:

(a) The governor may enter into cigarette tax contracts concerning the sale of cigarettes. All cigarette tax contracts shall meet the requirements for cigarette tax contracts under this section. Except for cigarette tax contracts under section 3 of this act, the rates, revenue sharing, and exemption terms of a cigarette tax contract are not effective unless authorized in a bill enacted by the legislature.

(b) Cigarette tax contracts shall be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the cigarettes from the seller to the buyer within Indian Country, and are not in regard to transactions by non-Indian retailers. In addition, contracts shall provide that retailers shall not sell or give, or permit to be sold or given, cigarettes to any person under the age of eighteen years.

(c) A cigarette tax contract with a tribe shall provide for a tribal cigarette tax in lieu of all state cigarette taxes and sales and local sales and use taxes on sales of cigarettes in Indian Country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(d) Cigarette tax contracts shall provide that all cigarettes possessed or sold by a retailer shall bear a cigarette stamp obtained by wholesalers from a bank or other suitable stamp vendor and applied to the cigarettes. The procedures to be used by the tribe in obtaining tax stamps must include a means to assure that the tribal tax will be paid by the wholesaler obtaining such cigarettes. Tribal stamps must have serial numbers or some other discrete identification so that each stamp can be traced to its source.

(e) Cigarette tax contracts shall provide that retailers shall purchase cigarettes only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to comply with the terms of the cigarette tax contract, are certified to the state as having so agreed, and who do in fact so comply. However, the state may in its sole discretion exercise its administrative and enforcement powers over such wholesalers or manufacturers to the extent permitted by law;

(c) A tribal wholesaler that purchases only from a wholesaler or manufacturer described in (a), (b), or (d) of this subsection; and

(d) A tribal manufacturer.

(f) Cigarette tax contracts shall be for renewable periods of no more than eight years. A renewal may not include a renewal of the phase-in period.

(g) Cigarette tax contracts shall include provisions for compliance, such as transport and notice requirements, inspection procedures, stamping requirements, recordkeeping, and audit requirements.

(h) Tax revenue retained by a tribe must be used for essential government services. Use of tax revenue for subsidization of cigarette and food retailers is prohibited.

(i) The cigarette tax contract may include provisions to resolve disputes using a nonjudicial process, such as mediation.
(10) The governor may delegate the power to negotiate cigarette tax contracts to the department of revenue. The department of revenue shall consult with the liquor control board during the negotiations.

(11) Information received by the state or open to state review under the terms of a contract is subject to the provisions of RCW 82.32.330.

(12) It is the intent of the legislature that the liquor control board and the department of revenue continue the division of duties and shared authority under chapter 82.24 RCW and therefore the liquor control board is responsible for enforcement activities that come under the terms of chapter 82.24 RCW.

(13) Each cigarette tax contract shall include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the contract should the violation fail to be resolved through this process, such termination subject to mediation. The department of revenue shall consult with the liquor control board during the negotiations.

(14) For purposes of this section and sections 3 through 6 of this act:
   (a) "Essential government services" means services such as tribal administration, public facilities, fire, police, public health, education, job services, sewer, water, environmental and land use, transportation, utility services, and economic development;
   (b) "Indian retailer" or "retailer" means (i) a retailer wholly owned and operated by an Indian tribe, (ii) a business wholly owned and operated by a tribal member and licensed by the tribe, or (iii) a business owned and operated by the Indian person or persons in whose name the land is held in trust; and
   (c) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

NEW SECTION. Sec. 3. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor is authorized to enter into cigarette tax contracts with the Squaxin Island Tribe, the Nisqually Tribe, Tulalip Tribes, the Muckleshoot Indian Tribe, the Quinault Nation, the Jamestown S'Klallam Indian Tribe, the Port Gamble S'Klallam Tribe, the Stillaguamish Tribe, the Sauk-Suiattle Tribe, the Skokomish Indian Tribe, the Nooksack Indian Tribe, the Lummi Nation, the Chehalis Confederated Tribes, and the Upper Skagit Tribe. Each contract adopted under this section shall provide that the tribal cigarette tax rate be one hundred percent of the state cigarette and state and local sales and use taxes within three years of enacting the tribal tax and shall be set no lower than eighty percent of the state cigarette and state and local sales and use taxes during the three-year phase-in period. The three-year phase-in period shall be shortened by three months each quarter the number of cartons of nontribal manufactured cigarettes is at least ten percent or more than the quarter average number of cartons of nontribal manufactured cigarettes from the six-month period preceding the imposition of the tribal tax under the contract. Sales at a retailer operation not in existence as of the date a tribal tax under this section is imposed are subject to the full rate of the tribal tax under the contract. The tribal cigarette tax is in lieu of the state cigarette and state local sales and use taxes, as provided in section 2(3) of this act.

(2) A cigarette tax contract under this section is subject to section 2 of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 82.08 RCW to read as follows:

(1) The licenses issuable under this chapter are as follows:
   (a) A wholesaler's license.
   (b) A retailer's license.

(2) Application for the licenses shall be made through the master license system under chapter 19.02 RCW. The department of revenue shall adopt rules regarding the regulation of the licenses. The department of revenue may refrain from the issuance of any license under this chapter if the department has reasonable cause to believe that the applicant has wilfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the department has reasonable cause to believe that information submitted in the application is false or misleading or is not made in good faith. In addition, for the purpose of reviewing an application for a wholesaler's license and for considering the denial, suspension, or revocation of any such license, the department may consider criminal convictions of the applicant related to the selling of cigarettes within the previous five years in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW shall not apply to such cases. The department may, in its discretion, grant or refuse the wholesaler's license, subject to the provisions of RCW 82.24.550.

(3) No person may qualify for a wholesaler's license under this section without first undergoing a criminal background check. The background check shall be performed by the liquor control board and must disclose any criminal convictions related to the selling of cigarettes within the previous five years in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions. A person who possesses a valid license on the effective date of this section is subject to this subsection and subsection (2) of this section beginning on the date of the person's master license expiration, and thereafter. If the applicant or
licensee also has a license issued under chapter 66.24 RCW, the background check done under the authority of chapter 66.24
RCW satisfies the requirements of this section.

(4) Each such license shall expire on the master license expiration date, and each such license shall be continued
annually if the licensee has paid the required fee and complied with all the provisions of this chapter and the rules of the department
of revenue made pursuant thereto.

NEW SECTION, Sec. 9. Section 7 of this act takes effect July 1, 2002."

Correct the title, and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5442 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 77.50 RCW to read as follows:

It is the intent of the legislature to ensure that a sustainable level of salmon is made available for harvest for commercial fishers in the state. Maintaining consistent harvest levels has become increasingly difficult with the listing of salmonid species under the federal endangered species act. Without a stable level of harvest, fishers cannot develop niche markets that maximize the
economic value of the harvest. New tools and approaches are needed by fish managers to bring increased stability to the fishing industry. In the short term, it is the legislature's intent to provide managers with tools to assure that commercial harvest of targeted stocks can continue and expand under the constraints of the federal endangered species act. There are experimental types of commercial fishing gear that could allow fishers to stabilize harvest levels by selectively targeting healthy salmon stocks. For the longer term, the department of fish and wildlife shall proceed with changes to the operation of certain hatcheries in order to stabilize harvest levels by allowing naturally spawning and hatchery origin fish to be managed as a single run. Scientific information from such hatcheries would guide the department's approach to reducing the need to mass mark hatchery origin salmon where appropriate.

Section 2. RCW 77.50.030 and 1998 c 190 s 77 are each amended to read as follows:

(1) A person shall not use, operate, or maintain a gill net which exceeds (1500) one thousand five hundred feet in length or a drag seine in the waters of the Columbia river for catching salmon.

(2) A person shall not construct, install, use, operate, or maintain within state waters a pound net, round haul net, lampara net, fish trap, fish wheel, scow fish wheel, set net, weir, or fixed appliance for catching salmon or steelhead except under the authority of a trial or experimental fishery permit, when an emerging commercial fishery has been designated allowing use of one or more of these gear types. The director must consult with the commercial fishing interests that would be affected by the trial or experimental fishery permit. The director may authorize the use of this gear for scientific investigations.

(3) The department, in coordination with the Oregon department of fish and wildlife, shall adopt rules to regulate the use of monofilament in gill net webbing on the Columbia river.

Sec. 2. RCW 77.70.180 and 1993 c 340 s 43 are each amended to read as follows:

(1) Within five years after adopting rules to govern the number and qualifications of participants in an emerging commercial fishery, the director shall provide to the appropriate Senate and House of representatives committees a report which outlines the status of the fishery and a recommendation as to whether a separate commercial fishery license, license fee, or limited harvest program should be established for that fishery.

(2) For any emerging commercial fishery designated under RCW 77.50.030, the report must also include:

(a) Information on the extent of the program, including to what degree mass marking and supplementation programs have been utilized in areas where emerging commercial fisheries using selective fishing gear have been authorized;

(b) Information on the benefit provided to commercial fishers including information on the effectiveness of emerging commercial fisheries using selective fishing gear in providing expanded fishing opportunity within mixed stocks of salmon;

(c) Information on the effectiveness of selective fishing gear in minimizing postrelease mortality for nontarget stocks, harvesting fish so that they are not damaged by the gear, and aiding the creation of niche markets; and

(d) Information on the department's efforts at operating hatcheries in an experimental fashion by managing wild and hatchery origin fish as a single run as an alternative to mass marking and the utilization of selective fishing gear. The department shall consult with commercial fishers, recreational fishers, federally recognized treaty tribes with a fishing right, regional fisheries enhancement groups, and other affected parties to obtain their input in preparing the report under this subsection (2).

Correct the title., and the same are herewith transmitted.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 77.32.380 and 2000 c 107 s 271 are each amended to read as follows:

(1) Persons who enter upon or use clearly identified department improved access facilities with a motor vehicle may be required to display a current annual fish and wildlife lands vehicle use permit on the motor vehicle while within or while using an improved access facility. An "improved access facility" is a clearly identified area specifically created for motor vehicle parking, and
includes any boat launch or boat ramp associated with the parking area, but does not include the department parking facilities at the Gorge Concert Center near George, Washington. The vehicle use permit is issued in the form of a decal. One vehicle use permit shall be issued at no charge with an initial purchase of either an annual saltwater, freshwater, combination, small game hunting, big game hunting, or trapping license issued by the department. The annual fee for a fish and wildlife lands vehicle use permit, if purchased separately, is ten dollars. A person to whom the department has issued a vehicle use permit or who has purchased a vehicle use permit separately may purchase additional vehicle use permits from the department at a cost of five dollars per vehicle use permit. Revenue derived from the sale of fish and wildlife lands vehicle use permits shall be used solely for the stewardship and maintenance of department improved access facilities.

Youth groups may use department improved access facilities without possessing a vehicle use permit when accompanied by a vehicle use permit holder. The department may accept contributions into the state wildlife fund for the sound stewardship of fish and wildlife. Contributors shall be known as "conservation patrons" and, for contributions of twenty dollars or more, shall receive a fish and wildlife lands vehicle use permit free of charge.

(2) The vehicle use permit must be displayed from the interior of the motor vehicle so that it is clearly visible from outside of the motor vehicle before entering upon or using the motor vehicle on a department improved access facility. The vehicle use permit can be transferred between two vehicles and must contain space for the vehicle license numbers of each vehicle.

(3) Failure to display the fish and wildlife lands vehicle use permit if required by this section is an infraction under chapter 7.84 RCW, and department employees are authorized to issue a notice of infraction to the registered owner of any motor vehicle entering upon or using a department improved access facility without such a vehicle use permit. The penalty for failure to clearly display the vehicle use permit is sixty-six dollars. This penalty is reduced to thirty dollars if the registered owner provides proof to the court that he or she purchased a decal within fifteen days after the issuance of the notice of violation.

MOTION

Senator Sheahan moved that the Senate advance to the ninth order of business. Debate ensued.

The President declared the question before the Senate to be the motion by Senator Sheahan to advance to the ninth order of business.

The motion by Senator Sheahan carried and the Senate advanced to ninth order of business.

MOTION

The President declared the question before the Senate to be the motion by Senator Sheahan that the Committee on Environment, Energy and Water be relieved of further consideration of Engrossed Substitute House Bill No. 1832 and the bill be placed on the second reading calendar.

The motion by Senator Sheahan carried and the Committee on Environment, Energy and Water was relieved of further consideration of Engrossed Substitute House Bill No. 1832.

**EDITOR'S NOTE:** Rule 48 states: 'Any standing committee of the senate may be relieved of further consideration of any bill, regardless of prior action of the committee, by a majority vote of the senators elected. The senate may then make such orderly disposition of the bill as they may direct by a majority vote of the members of the senate.'

**MOTION**

Senator Sheahan moved that the Senate revert to the sixth order of business and the Senate immediately consider Engrossed Substitute House Bill No. 1832.

**MOTION**

Senator Snyder moved that Engrossed Substitute House Bill No. 1832 be referred to the Committee on Ways and Means.

**REPLY BY THE PRESIDENT**

President Owen: "A very interesting question. Senator Sheahan's motion to return to the sixth order of business is a privileged motion and would have a higher rank. His motion to immediately consider the bill, as well as Senator's Snyder's motion to refer the bill to Ways and Means are of equal rank. The privileged motion, obviously, is the one we have to deal with first--the motion to revert to the sixth order of business, which carries with it also the motion, unless divided, to immediately consider Engrossed Substitute House Bill No. 1832."

The President declared the question before the Senate to be the motion by Senator Sheahan to revert to the sixth order of business and to immediately consider Engrossed Substitute House Bill No. 1832.

**MOTION**

Senator Snyder moved that the motion be divided and we vote separately on the privileged motion--the one to revert to the sixth order of business and then vote separately on the motion to immediately consider the bill. Debate ensued.

**PARLIAMENTARY INQUIRY**

Senator West: "A point of parliamentary inquiry. Just so that people understand, once we revert to the sixth order of business, then Senator's Snyder's motion would not be in order. A motion to relieve a committee in the sixth order would not, I don't believe, be in order, Sir."

**REPLY BY THE PRESIDENT**

President Owen: "Senator West, he moved to--"
Senator West: "Or to move the bill. I am sorry. Excuse me."
President Owen: "He moved to--"
Senator West: "That is correct. I am sorry."
The President declared the question before the Senate to be the motion by Senator Sheahan that the Senate revert to the sixth order of business.

The motion by Senator Sheahan carried on a rising vote and the Senate reverted to the sixth order of business.
MOTION

Senator West: "Mr. President, I move that Engrossed Substitute House Bill No. 1832 be made a special order of business for 11:15 this morning to allow people to prepare amendments."

MOTION

Senator Snyder: "I would like to speak against the motion. I was going to make a motion myself to make it a special order of business at 1:30 this afternoon."

REPLY BY SENATOR WEST

Senator West: "I would agree to that.

The President declared the question before the Senate to be the motion by Senator Snyder to make Engrossed Substitute House Bill No. 1832 a special order of business at 1:30 p.m. this afternoon.

The order shall be subject to the approval of the county treasurer if several lots or tracts of land are combined in one unit.

Except in cases where the sale is to be by direct negotiation as provided in (this chapter) RCW 36.35.150, it shall be the duty of the county treasurer upon receipt of such order to publish once a week for three consecutive weeks a notice of the sale of such property in a newspaper of general circulation in the county where the land is situated. The person making the bid shall state whether he or she will pay cash for the amount of his or her bid or accept a real estate contract of purchase in accordance with the provisions hereinafter contained. The person making the highest bid shall become the purchaser of the property. If the highest bidder is a contract bidder the purchaser shall be required to pay thirty percent of the total purchase price at the time of the sale and shall enter into a contract with the county as vendor and the purchaser as vendee which shall obligate and require the purchaser to pay the balance of the purchase price in ten equal annual installments commencing November 1st and each year following the date of the sale, and shall require the purchaser to pay twelve percent interest on all deferred payments, interest to be paid at the time the annual installment is due; and may contain a provision authorizing the purchaser to make payment in full at any time of any balance due on the total purchase price plus accrued interest on such balance. The contract shall contain a provision requiring the purchaser to pay before delinquency all subsequent taxes and assessments that may be levied or assessed against the property subsequent to the date of the contract, and shall contain a provision that time is of the essence of the contract and that in event of a failure of the vendee to make payments at the time and in the manner required and to keep and perform the covenants and conditions therein required of him or her that the contract may be forfeited and terminated at the election of the vendor, and that in event of the election all sums theretofore paid by the vendee shall be forfeited as liquidated damages for failure to comply with the provisions of the contract; and shall require the vendor to execute and deliver to the vendee a deed of conveyance covering the property upon the payment in full of the purchase price, plus accrued interest.

The county legislative authority may, by order entered in its records, direct the coal, oil, gas, gravel, minerals, ores, timber, or other resources sold apart from the land, such sale to be conducted in the manner hereinabove prescribed for the sale of the land. Any such reserved minerals or resources not exceeding two hundred dollars in value may be sold, when the county legislative authority deems it advisable, either with or without such publication of the notice of sale, and in such manner as the county legislative authority may determine will be most beneficial to the county.

Sec. 11. RCW 36.35.150 and 1997 c 244 s 2 are each amended to read as follows:

The county legislative authority may dispose of tax foreclosed property by private negotiation, without a call for bids, for not less than the principal amount of the unpaid taxes in any of the following cases: (1) When the sale is to any governmental agency and for public purposes; (2) when the county legislative authority determines that it is not practical to build on the property due to the physical characteristics of the property or legal restrictions on construction activities on the property; (3) when the property has an assessed value of less than five hundred dollars and the property is sold to an adjoining landowner; or (4) when no acceptable bids were received at the attempted public auction of the property, if the sale is made within ((six)) twelve months from the date of the attempted public auction.

Sec. 12. RCW 36.96.040 and 1979 ex.s. c 5 s 4 are each amended to read as follows:

After such hearings, the county legislative authority shall make written findings whether each of the special purpose districts that was a subject of the hearings meets each of the criteria of being "inactive." Whenever a special purpose district other than a public utility district has been found to meet a criterion of being inactive, or a public utility district has been found to meet both criteria of being inactive, the county legislative authority shall adopt an ordinance dissolving the special purpose district if it also makes additional written findings detailing why it is in the public interest that the special purpose district be dissolved, and shall provide a copy of the ordinance to the county treasurer. Except for the purpose of winding up its affairs as provided by this chapter, a special purpose district that is so dissolved shall cease to exist and the authority and obligation to carry out the purposes for which it was created shall cease thirty-one days after adoption of the dissolution ordinance.

Sec. 13. RCW 36.96.070 and 1979 ex.s. c 5 s 7 are each amended to read as follows:

Any moneys or funds of the dissolved special purpose district and any moneys or funds received by the board of trustees from the sale or other disposition of any property of the dissolved special purpose district shall be used, to the extent necessary, for the payment or settlement of any outstanding obligations of the dissolved special purpose district. Any remaining moneys, funds, or property shall become that of the county in which the dissolved special purpose district was located. However, if the territory of the dissolved special purpose district was located within more than one county, the remaining moneys, funds, and personal property shall be apportioned and distributed to each county in the proportion that the geographical area of the dissolved special purpose district within the county bears to the total geographical area of the dissolved special purpose district, and any remaining real property or improvements to real property shall be transferred to the county within whose boundaries it lies. A county to which real property or improvements to real property are transferred under this section does not have an obligation to use the property or improvements for the purposes for which the dissolved special purpose district used the property or improvements and the county does not assume the obligations or liabilities of the dissolved special purpose district as a result of the transfer.

Notice of the public hearing shall be posted and published as provided for the public hearing on a proposed suspension of a special district's operations. The governing body of a reactivated special district shall be appointed as in a newly created special district.

No special district that owns drainage or flood control improvements may be dissolved unless the legislative authority of a county accepts responsibility for operation and maintenance of the improvements during the suspension period.

As an alternative to this chapter a drainage district or drainage improvement district located within the boundaries of a county storm drainage and surface water management utility, and which is not currently imposing assessments, may be dissolved by ordinance of the county legislative authority. If the alternative dissolution procedure in this section is used the following shall apply:

(1) The county storm drainage and surface water management utility shall assume responsibility for payment or settlement of outstanding debts of the dissolved drainage district or drainage improvement district, and shall notify the county treasurer at such time of the assumption of responsibility.

(2) All assets, including money, funds, improvements, or property, real or personal, shall become assets of the county in which the dissolved drainage district or drainage improvement district was located.

(3) Notwithstanding RCW 85.38.220, the county storm drainage and surface water management utility may determine how to best manage, operate, maintain, improve, exchange, sell, or otherwise dispose of all property, real and personal, of the dissolved drainage district or drainage improvement district, and may determine to modify, cease the operation of, and/or remove any or all facilities or improvements to real property of the dissolved drainage district or drainage improvement district.

On or before the time specified in the notice of sale each bidder shall deposit with the auctioneer, in cash or by certified check, cashier's check, or postal money order payable to the order of the department of natural resources, or by bid guarantee in the form of bond acceptable to the department, an amount equal to the deposit specified in the notice of sale. The deposit shall include a specified amount of the appraised price for the land or valuable materials offered for sale, together with any fee required by law for the issuance of contracts, deeds, or bills of sale. Said deposit may, when prescribed in notice of sale, be considered an opening bid of an amount not less than the minimum appraised price established in the notice of sale. The successful bidder's deposit will be retained by the auctioneer and the difference, if any, between the deposit and the total amount due shall on the day of the sale be paid in cash, certified check, cashier's check, bank draft, (postmeal money order, or by personal check) made payable to the department. If a bid bond is used, the share of the total deposit due guaranteed by the bid bond shall, within ten days of the day of sale, be paid in cash, certified check, cashier's check, or postal money order, or other acceptable payment method payable to the department. Other deposits, if any, shall be returned to the respective bidders at the conclusion of each sale. The auctioneer shall deliver to the purchaser a memorandum of his or her purchase containing a description of the land or materials purchased, the price bid, and the terms of the sale. The auctioneer shall at once send to the department the cash, certified check, cashier's check, bank draft, (postmeal money order, or (postmeal) bid guarantee, or other acceptable payment method received from the purchaser, and a copy of the memorandum delivered to the purchaser, together with such additional report of his or her proceedings with reference to such sales as may be required by the department.

Sec. 9. RCW 79.01.232 and 1927 c 255 s 58 are each amended to read as follows:

When (timber, fallen timber, stone, gravel, or other) valuable material shall have been sold separate from the land and the purchase price is paid in full, the commissioner of public lands shall cause a bill of sale, signed by the commissioner and attested by the seal of his or her office, setting forth the time within which such material shall be removed, to be issued to the purchaser and to be recorded in the office of the commissioner of public lands, upon the payment of the fee provided for in this chapter:

NEW SECTION, Sec. 10. A new section is added to chapter 79.01 RCW to read as follows:

For the purposes of this title, "appraisal means an estimate of the market value of land or valuable materials. The estimate must reflect the value based on market conditions at the time of the sale or transfer offering. The appraisal must reflect the department of natural resources' best effort to establish a reasonable market value for the purpose of setting a minimum bid at auction or transfer. A purchaser of state lands or valuable materials may not rely upon the appraisal prepared by the department of natural resources for purposes of deciding whether to make a purchase from the department. All purchasers are required to make their own independent appraisals."

Sec. 11. RCW 79.01.240 and 1982 1st ex.s. c 21 s 164 are each amended to read as follows:

Any sale, transfer, or lease of state lands (made by mistake, or not in accordance with law, or obtained) in which the purchaser, transfer recipient, or lessee obtained the sale or lease by fraud or misrepresentation (shall have been) void, and the contract of purchase (or) or lease (thereon) shall be of no effect, and the holder of such contract, lease, or lease, shall be required to surrender the same to the department of natural resources, which, except in the case of fraud on the part of the purchaser, transfer recipient, or lessee, shall cause the money paid on account of such surrendered contract, or lease, to be refunded to the holder thereof, provided the same has not been paid into the state treasury).

In the event of fraud, the contract, transferred property, or lease must be surrendered to the department of natural resources, but the purchaser, transfer recipient, or lessee may not be refunded any money paid on account of the surrendered contract, transfer, or lease. In the event that a mistake is discovered in the sale or lease of state lands, or in the sale of valuable materials on state lands, the department may take action to correct the mistake in accordance with RCW 79.01.740 if maintaining the corrected contract, transfer, or lease is in the best interests of the affected trust or trusts.

Sec. 12. RCW 79.01.340 and 1982 1st ex.s. c 21 s 171 are each amended to read as follows:

Any city or city or the United States of America or state agency desiring to locate, establish, and construct a road or street over and across any state lands of the state of Washington shall by resolution of the board of county commissioners of such county, or city council or other governing body of such city, or proper agency of the United States of America, or state agency, cause to be filed in the office of the department of natural resources a petition for a right of way for such road or street, setting forth the reasons for the establishment thereof, accompanied by a duly attested copy of a plat made by the county or city engineer or proper agency of the United States of America, or state agency, showing the location of the proposed road or street with reference to the legal subdivisions, or lots and blocks of the official plat, or the lands, over and across which such right of way is desired, the amount of land to be taken and the amount of land remaining in each portion of each legal subdivision or lot or block bisected by such proposed road or street.

Upon the filing of such petition and plat the department of natural resources, if deemed for the best interest of the state to grant the petition, shall cause the land proposed to be taken to be inspected and shall appraise the value of (any timber) the land and valuable materials thereon and notify the petitioner of such appraised value.

If there (are) are no (timbers) valuable materials on the proposed right of way, or upon the payment of the appraised value of (any timber) the land and valuable materials thereon, to the department of natural resources in cash, or by certified check drawn upon any bank in this state, or (postal) money order, except for all rights of way granted to the department of
natural resources on which the [(timbered) valuable materials, if any, shall be sold at public auction or by sealed bid, the department may approve the plat filed with the petition and file and enter the same in the records of his or her office, and such approval and record shall constitute a grant of such right of way from the state.  

Sec. 13. RCW 79.01.392 and 1961 c 73 s 8 are each amended to read as follows:

Upon the filing of the plat and field notes, as provided in RCW 79.01.388, the land applied for and the [(standing timber and/or reproduction)] valuable materials on the right of way applied for, and the marked danger trees to be felled off the right of way, if any, and the improvements included in the right of way applied for, if any, shall be appraised as in the case of an application to purchase state lands. Upon full payment of the appraised value of the land applied for, or upon payment of an annual rental when the department of natural resources deems a rental to be in the best interests of the state, and upon full payment of the appraised value of the [(standing timber, reproduction)] valuable materials and improvements, if any, the commissioner of public lands shall issue to the applicant a certificate of the grant of such right of way stating the terms and conditions thereof and shall enter the same in the abstracts and records in his or her office, and thereafter any sale or lease of the lands affected by such right of way shall be subject to the easement of such right of way. Should the corporation, company, association, individual, state agency, political subdivision of the state, or the United States of America, securing such right of way ever abandon the use of the same for a period of sixty months or longer for the purposes for which it was granted, the right of way shall revert to the state, or the state's grantee.  

Sec. 14. RCW 79.01.795 and 1987 c 126 s 2 are each amended to read as follows:

When the department finds [(timbered)] valuable materials on state land that [(lie)] are damaged by fire, wind, flood, or from any other cause, it shall determine if the [(sale)] salvage of the damaged [(timber)] valuable materials is in the best interest of the trust for which the land is held. If [(selling)] salvaging the [(timber)] valuable materials is in the best interest of the trust, the department shall proceed to offer the [(timbered)] valuable materials for sale [(within a period not to exceed seven months from the date of first identifying the damaged timber)]. The valuable materials, when offered for sale, must be sold in the most expeditious and efficient manner as determined by the department. In determining if the sale is in the best interest of the trust the department shall consider the net value of the [(timbered)] valuable materials and relevant elements of the physical and social environment. If [(selling the timber is not in the best interest of the trust, the department shall not offer it for sale until such time as in the department's determination it is in the trust's best interest. If elements of the physical or social environment extend the time required to prepare the timber for sale beyond seven months from the date of first identifying the damaged timber, the department shall prepare the timber for sale at the earliest time practicable.)]  

Sec. 15. RCW 79.64.030 and 1999 c 279 s 1 are each amended to read as follows:

Funds in the account [(derived)] from the [(gross proceeds)] moneys received from leases, sales, contracts, licenses, permits, easements, and rights of way issued by the department and affecting school lands, university lands, scientific school lands, normal school lands, capitol building lands, or institutional lands shall be pooled and expended by the department for the purpose of defraying the costs and expenses necessarily incurred in managing and administering all of the trust lands enumerated in this section. Such funds may be used for similar costs and expenses in managing and administering other lands managed by the department provided that such expenditures that have been or may be made on such other lands shall be repaid to the resource management cost account together with interest at a rate determined by the board of natural resources. Costs and expenses necessarily incurred in managing and administering agricultural college lands shall not be deducted from proceeds [(derived)] received from the sale of such lands or from the sale of resources that are part of the lands. Costs and expenses incurred in managing and administering agricultural college trust lands shall be funded by appropriation under RCW 79.64.090.

An accounting shall be made annually of the accrued expenditures from the pooled trust funds in the account. In the event the accounting determines that expenditures have been made from moneys [(derived)] received from trust lands for the benefit of other lands, such expenditures shall be considered a debt and an encumbrance against the property benefitted, including property held under chapter 75.12 RCW. The results of the accounting shall be reported to the legislature at the next regular session. The state treasurer is authorized, upon request of the department, to transfer funds between the forest development account and the resource management cost account solely for purpose of repaying loans pursuant to this section.  

Sec. 16. RCW 79.64.040 and 1999 c 279 s 2 are each amended to read as follows:

The board shall determine the amount deemed necessary in order to achieve the purposes of this chapter and shall provide by rule for the deduction of this amount from the [(gross proceeds)] moneys received from all leases, sales, contracts, licenses, permits, easements, and rights of way issued by the department and affecting public lands, provided that no deduction shall be made from the proceeds from agricultural college lands. Moneys received as deposits from successful bidders, advance payments, and security under RCW 79.01.132 and 79.01.204 prior to December 1, 1981, which have not been subjected to deduction under this section are not subject to deduction under this section. The deductions authorized under this section shall in no event exceed twenty-five percent of the [(total sum)] moneys received by the department in connection with any one transaction pertaining to public lands other than second class tide and shore lands and the beds of navigable waters, and fifty percent of the [(total gross proceeds)] moneys received by the department pertaining to second class tide and shore lands and the beds of navigable waters.  

Sec. 17. RCW 79.64.050 and 1961 c 178 s 5 are each amended to read as follows:

NEW SECTION. Sec. 18. A new section is added to chapter 79.01 RCW to read as follows:

(1) In the event that the department of natural resources determines that regulatory requirements or some other circumstance beyond the control of both the department and the purchaser has made a valuable materials contract wholly or partially impracticable to perform, the department may cancel any portion of the contract which could not be performed. In the event of such a cancellation, the purchaser shall not be liable for the purchase price of any portions of the contract so canceled. Market valuations of the appraised valuable materials shall not constitute a situation for deductions from contracts.

(2) Alternatively, and notwithstanding any other provision in this title, the department of natural resources may substitute valuable materials from another site in exchange for any valuable materials which the department determines have become impracticable to remove under the original contract. Any substituted valuable materials must belong to the identical trust involved.
in the original contract, and the substitute materials shall be determined by the department of natural resources to have an appraised value that is not greater than the valuable materials remaining under the original contract. The substitute valuable materials and site shall remain subject to all applicable permitting requirements and the state environmental policy act, chapter 43.21C RCW, for the activities proposed at that site. In any such substitution, the value of the materials substituted shall be fixed at the purchase price of the original contract regardless of subsequent market changes. Consent of the purchaser shall be required for any substitution under this section."

Correct the title., and the same are herewith transmitted.

(b) Demonstrate a strategy to align the five-year planning requirement under the federal Carl Perkins act with the state and district vocational program planning requirements that include:

(i) An assessment of equipment and technology needs to support the skills training of technical students;
(ii) An assessment of industry internships required for teachers to ensure the ability to prepare students for industry-defined standards or certifications, or both;
(iii) An assessment of the costs of supporting job shadows, mentors, community service and industry internships, and other activities for student learning in the community; and

(4) As used in this section, “career and technical education” means a planned program of courses and learning experiences that begins with exploration of career options; supports basic academic and life skills; and enables achievement of high academic standards, leadership, options for high skill, high wage employment preparation, and advanced and continuing education.”

STATEMENT FOR THE JOURNAL

EXPLANATION WHY SENATE REPUBLICANS OPPOSED FLOOR AMENDMENTS TO ENGROSSED SUBSTITUTE HOUSE BILL NO. 1832

Senate Republicans opposed the amendments to Engrossed Substitute House Bill No. 1832 because if the measure was amended by the Senate, several House members warned that the House likely would fail to approve an altered version of the bill. Over the past few years, the House and Senate have had lengthy negotiations to find compromises on a handful of important water policy bills. However, nearly all these compromise bills failed to be approved by both chambers because time ran out due to the end of session. Engrossed Substitute House Bill No. 1832 represents our best opportunity in years for the Legislature to pass a meaningful water policy bill. In addition, Governor Locke has said he supports this measure in its current form and that he intends to sign it into law. Any technical amendments to improve this measure can be made in a subsequent bill. This issue is very important to residents in rural Washington, especially Eastern Washington. We can’t afford to wait another year to pass a meaningful bill that strengthens water policy. People have waited years for their water rights applications to be processed. This measure will help make this happen.

**PERSONAL PRIVILEGE**

Senator Honeyford: “A point of personal privilege, Mr. President. You were faster than we were. We had planned on a colloquy here and I just wanted to mention one of the problems that we have. The conservancy boards, through the court decisions, had applications in the process. When the judge ruled on that process, those applications stopped. Some of them had newspaper notification and everything else in order to go forward, so we wanted to insure that they could start from the point that they stopped and go forward from there. I just wanted to mention that is a problem that we need to be looking at. Thank you, Mr. President.”

**PERSONAL PRIVILEGE**

Senator Fraser: “A point of personal privilege, Mr. President. Just a point of information responding to the prior comment on what about applications that got halted as the result of a court decision. I would just like to say that I don’t know of any language—verbal discussion on this floor—that would affect the legal status of those and it would have been nice to have an amendment dealing with that.”

(iv) Placement of woody debris or other instream structures that benefit naturally reproducing fish stocks.

The department shall develop size or scale threshold tests to determine if projects accomplishing any of these tasks should be evaluated under the process created in this section or under other project review and approval processes. A project proposal shall not be reviewed under the process created in this section if the department determines that the scale of the project raises concerns regarding public health and safety; and

(b) A fish habitat enhancement project must be approved in one of the following ways:

(3) Hydraulic project approval is required for projects that meet the criteria of subsection (1) of this section and are being reviewed and approved under this section. An applicant shall use a joint aquatic resource permit application form developed by the department of ecology permit assistance center to apply for approval under this chapter. On the same day, the applicant shall provide copies of the completed application form to the department and to each appropriate local government. Local governments shall accept the application as notice of the proposed project. The department shall provide a fifteen-day comment period during which it will receive comments regarding environmental impacts. In no more than forty-five days, the department shall either issue hydraulic project approval, with or without conditions, deny approval, or make a determination that the review and approval process created by this section is not appropriate for the proposed project. The department shall base this determination on identification during the comment period of adverse impacts that cannot be mitigated by hydraulic project approval. If the department determines that the review and approval process created by this section is not appropriate for the proposed project, the department shall notify the applicant and the appropriate local governments of its determination. The applicant may reapply for approval of the project under other review and approval processes.

Any person aggrieved by the approval, denial, conditioning, or modification of hydraulic project approval under this section may formally appeal the decision to the hydraulic appeals board pursuant to the provisions of this chapter.

(6) If fewer than twenty-five natural persons are eligible for sea urchin dive fishery licenses, the director may accept applications for new licenses. The additional licenses may not cause more than twenty-five natural persons to be eligible for a sea urchin dive fishery license. New licenses issued under this section shall be distributed according to rules of the department that recover the value of such licensed privilege.

(c) Formation of a limited liability partnership under this subsection does not restrict the application of the uniform disciplinary act under chapter 18.130 RCW, or any applicable health care professional statutes under Title 18 RCW, including but not limited to restrictions on persons practicing a health profession without being appropriately credentialed and persons practicing beyond the scope of their credential.

Sec. 32. RCW 25.15.045 and 1999 c 128 s 2 are each amended to read as follows:

For purposes of applying the provisions of chapter 18.100 RCW to a professional limited liability company, the terms "director" or "officer" means manager, "shareholder" means member, "corporation" means professional limited liability company, "articles of incorporation" means certificate of formation, "shares" or "capital stock" means a limited liability company interest, "incorporator" means the person who executes the certificate of formation, and "bylaws" means the limited liability company agreement.

(b) Notwithstanding any other provision of this chapter, health care professionals who are regulated under chapters 18.59 and 18.74 RCW may own membership interests in and render their individual professional services through one limited liability company formed for the sole purpose of providing professional services within their respective scope of practice.

(c) Formation of a limited liability company under this subsection does not restrict the application of the uniform disciplinary act under chapter 18.130 RCW, or any applicable health care professional statutes under Title 18 RCW, including but not limited to restrictions on persons practicing a health profession without being appropriately credentialed and persons practicing beyond the scope of their credential.

Senator Thibaudeau: “Yes, that is true. It is not in this bill. It is true, as Senator Costa said, it is simply not relevant. It simply sets the standards for the educational and professional requirements.”

MESSAGE FROM THE HOUSE

April 12, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5606 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to authorize the department of social and health services to investigate the background of current and future department employees to the same extent and with the same effect as it has authorized the state to investigate the background and exclude from the provision of service current and future care providers, contractors, volunteers, and others. The department of social and health services must coordinate with the department of personnel to develop rules that address the procedures for undertaking background checks, and specifically what action would be taken against a current employee who is disqualified from his or her current position because of a background check not previously performed.

Sec. 2. RCW 9.96A.020 and 1999 c 16 s 1 are each amended to read as follows:

(1) Subject to the exceptions in subsections (3) and (4) of this section, and unless there is another provision of law to the contrary, a person is not disqualified from employment by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations, or quasi-municipal corporations, nor is a person disqualified to practice, pursue or engage in any occupation, trade, vocation, or business for which a license, permit, certificate or registration is required to be issued by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations solely because of a prior conviction of a felony. However, this section does not preclude the fact of any prior conviction of a crime from being considered.

(2) A person may be denied employment by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations, or a person may be denied a license, permit, certificate or registration to pursue, practice or engage in an occupation, trade, vocation, or business by reason of the prior conviction of a felony if he or she was convicted directly relates to the position of employment sought or to the specific occupation, trade, vocation, or business for which the license, permit, certificate or registration is sought, and the time elapsed since the conviction is less than ten years. However, for positions in the county treasurer's office, a person may be disqualified from employment because of a prior guilty plea or conviction of a felony involving embezzlement or theft, even if the time elapsed since the guilty plea or conviction is ten years or more."
(3) A person is disqualified for any certificate required or authorized under chapters 28A.405 or 28A.410 RCW, because of a prior guilty plea or the conviction of a felony involving sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW when a minor under chapter 9A.88 RCW, or a violation of similar laws of another jurisdiction, even if the time elapsed since the guilty plea or conviction is ten years or more.

(4) A person is disqualified from employment by school districts, educational service districts, and their contractors hiring employees who will have regularly scheduled unsupervised access to children, because of a prior guilty plea or conviction of a felony involving sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW when a minor under chapter 9A.88 RCW, or a violation of similar laws of another jurisdiction, even if the time elapsed since the guilty plea or conviction is ten years or more.

(5) A person is disqualified from employment by the department of social and health services because of a prior felony guilty plea or conviction if the felony relates to the position of employment sought and the position involves or may involve unsupervised access to children, a person who is under the age of twenty-one and has been sentenced to a term of confinement under the supervision of the department of social and health services under chapter 13.40 RCW, a person who is a vulnerable adult under chapter 74.34 RCW or a person who is a vulnerable person, even if the time elapsed since the guilty plea or conviction is ten years or more. For the purposes of this section: "vulnerable person" means an adult of any age who lacks the functional, mental, or physical ability to care for himself or herself.

(6) Subsections (3) and (4) of this section only apply to a person applying for a certificate or for employment on or after July 25, 1993.

Sec. 3. RCW 28A.400.303 and 1992 c 159 s 2 are each amended to read as follows:

School districts, educational service districts, the state school for the deaf, the state school for the blind, and their contractors hiring employees who will have regularly scheduled unsupervised access to children shall require a record check through the Washington state patrol criminal identification system under RCW 43.43.830 through 43.43.834, 10.97.030, and 10.97.050 and through the federal bureau of investigation before hiring an employee. The record check shall include a fingerprint check being a complete Washington state criminal identification fingerprint card. The requesting entity shall provide a copy the record report to the applicant. When necessary, applicants may be employed on a conditional basis pending completion of the investigation. If the applicant has had a record check within the previous two years, the district, the state school for the deaf, the state school for the blind, or contractor may waive the requirement. The district, pursuant to chapter 41.59 or 41.56 RCW, the state school for the deaf, the state school for the blind, or contractor hiring the employee shall determine who shall pay costs associated with the record check.

Sec. 4. RCW 28A.400.305 and 1996 c 126 s 5 are each amended to read as follows:

The superintendent of public instruction shall adopt rules as necessary under chapter 34.05 RCW on record check information. The rules shall include, but not be limited to the following:

(1) Written procedures providing a school district, state school for the deaf, or state school for the blind employee or applicant for certification or employment access to and review of information obtained based on the record check required under RCW 28A.400.303 (and 28A.400.304); and

(2) Written procedures limiting access to the superintendent of public instruction record check data base to only those individuals processing record check information at the office of the superintendent of public instruction, the appropriate school district or districts, the state school for the deaf, the state school for the blind, and the appropriate educational service district or districts.

Sec. 5. RCW 43.20A.710 and 2000 c 87 s 2 are each amended to read as follows:

(1) The secretary shall investigate the conviction records, pending charges (a) and disciplinary board final decisions of:

(a) (Persons being considered for state employment in positions directly responsible for the supervision, care, or treatment of) Any current employee or applicant seeking or being considered for any position with the department who will or may have unsupervised access to children, vulnerable adults, or individuals with mental illness or developmental disabilities (b) (Persons being considered for state employment in positions involving access to unsupervised adults, or individuals with mental illness or developmental disabilities (c) (Persons being considered for state employment in positions involving access to unsupervised adults, or individuals with mental illness or developmental disabilities (d) (Persons being considered for state employment in positions involving access to unsupervised adults, or individuals with mental illness or developmental disabilities (e) Individuals providers who are paid by the state and providers who are paid by home care agencies to provide in-home services involving unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, including but not limited to services provided under chapter 74.39 or 74.39A RCW; and

(f) Individuals or businesses or organizations for the care, supervision, case management, or treatment of children, developmentally disabled persons, or vulnerable adults, including but not limited to services contracted for under chapter 18.20, 18.48, 70.127, 70.128, 72.36, or 74.39A RCW or Title 71A RCW.

(2) The investigation may include an examination of state and national criminal identification data. The secretary shall use the information solely for the purpose of determining the character, suitability, and competence of these applicants.

(3) An individual provider or home care agency provider who has resided in the state less than three years before applying for employment involving unsupervised access to a vulnerable adult as defined in chapter 74.34 RCW must be fingerprinted for the purpose of investigating conviction records both through the Washington state patrol and the federal bureau of investigation. This subsection applies only with respect to the provision of in-home services funded by mediicaid personal care under RCW 74.09.520, community options program entry system waiver services under RCW 74.39A.030, or chore services under RCW 74.39A.110. However, this subsection does not supersede RCW 74.15.030(2)(b).

(4) An individual provider or home care agency provider hired to provide in-home care for and having unsupervised access to a vulnerable adult as defined in chapter 74.34 RCW must have no conviction for a disqualifying crime under RCW 43.43.830 and 43.43.842. An individual or home care agency provider must also have no conviction for a crime relating to drugs as defined in chapter 69.50. This same rule applies to the provision of in-home services funded by mediadastro personal care under RCW 74.09.520, community options program entry system waiver services under RCW 74.39A.030, or chore services under RCW 74.39A.110.
The secretary shall provide the results of the background check on individual providers to the persons hiring them or to their legal guardians, if any, for their determination of the character, suitability, and competence of the applicants. If the person elects to hire or retain an individual provider after receiving notice from the department that the applicant has a conviction for an offense that would disqualify the applicant from having unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, then the secretary shall deny payment for any subsequent services rendered by the disqualified individual provider.

Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

NEW SECTION. Sec. 6. A new section is added to chapter 41.06 RCW to read as follows:

(1) The board shall amend any existing rules established under RCW 41.06.475 and adopt rules developed in cooperation and agreement with the department of social and health services to implement the provisions of this act.

(2) The legislature’s delegation of authority to the agency under this act is strictly limited to:
   (a) The minimum delegation necessary to administer the act’s clear and unambiguous directives; and
   (b) The administration of circumstances and behaviors foreseeable at the time of enactment.

NEW SECTION. Sec. 7. A new section is added to chapter 41.06 RCW to read as follows:

The personnel resources board must develop policy recommendations addressing the action that will be taken if a background check result disqualifies an employee from his or her current position. A report of the recommendations developed must be delivered to the legislature by December 1, 2001.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

MOTION

Senator Kline moved that the Senate concur in the House amendment to Engrossed Senate Joint Resolution No. 8208.
Debate ensued.
The President declared the question before the Senate to be the motion by Senator Kline that the Senate concur in the House amendment to Engrossed Senate Joint Resolution No. 8208.
The motion by Senator Kline carried and the Senate concurred in the House amendment to Engrossed Senate Joint Resolution No. 8208. The President declared the question before the Senate to be the roll call on the final passage of Engrossed Senate Joint Resolution No. 8208, as amended by the House.

POINT OF INQUIRY

Senator Benton: "Senator Kline, this measure has been before the Senate before and I am just looking for some clarification. Judges Pro Tempore--the authorization of Judges Pro Tempore in Superior Courts would mean the authorization of someone sitting on a case that had not been elected. Is that correct?"
Senator Kline: "No, that is not correct."
Senator Benton: "Could you explain it to me, please?"
Senator Kline: "It would be a District Court Judge, elected. I believe the term used in the Constitutional amendments text is ‘Elected Judge.’ It could be an elected judge that would be called up as a practical matter by the Superior Court presiding judge--not to handle the three week long medical malpractice case--but rather to take over
the arraignment calendar, the divorce calendar, the civil motions calendar, while the presiding judge of the Superior Court take the three week-long medical malpractice case. I can assure you the judges are prima donna just like we are. They don’t call up junior members to take up the big glorious stuff. They do that themselves. Thank you.”

Senator Benton: “In no case, would we have a situation where a judge has not been elected sitting as a pro tempore in a Superior Court?”

Senator Kline: “That is correct. I believe District Court and Municipal Court Judges--but they are elected and I believe that word appears in the text.”

Senator Benton: “Okay, thank you.”

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Joint Resolution No. 8208, as amended by the House, and the joint resolution passed the Senate by the following vote: Yeas, 39; Nays, 8; Absent, 0; Excused, 2.

Voting nay: Senators Benton, Finkbeiner, Hochstatter, McDonald, Roach, Rossi, Stevens and West - 8

Excused: Senators Constantine and Zarelli - 2.

ENGROSSED SENATE JOINT RESOLUTION NO. 8208, as amended by the House, having received the constitutional majority, was declared passed.

(2) The department of social and health services shall not initiate any services that will require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

The department shall use these funds to enhance the community crisis response system managed by regional support networks, improve crisis prevention and stabilization services through the developmental disabilities community services system, and expand community residential capacity for persons with developmental disabilities who are ready for discharge from state psychiatric hospitals. Funding for community residential capacity is sufficient to move a biennium total of 48 patients out of the state hospitals at a reasonable pace by June 30, 2001. The department shall manage the intensity of services provided so that the average cost per day does not exceed $300 per person placed in this expanded community residential capacity.

Therefore, the department shall provide a report to the ways and means committee of the senate and the appropriations committee of the house of representatives by December 1, 2000, containing options and recommendations for secure treatment programs. The report shall evaluate the potential for siting such programs on the grounds of existing state residential habilitation centers. The report shall also include analysis of advantages and disadvantages associated with contracting for some or all of the new program options identified. The department shall develop rules to establish a process by which the department can enter into contracts for service delivery systems, and by which it can address specific legal issues. In developing this report, the department shall invite participation by representatives of the Washington protection and advocacy system (WPAS), and shall include in the report WPAS' position on options and recommendations submitted by the department and any additional recommendations made by WPAS. (8) The department of social and health services shall provide access and choice to consumers of adult day health services for the purposes of nursing services, physical therapy, occupational therapy, and psychosocial therapy. Adult day health services shall not be considered a duplication of services for persons receiving care in long-term care settings licensed under chapter 18.20, 72.36, or 70.128 RCW.

(9) $1,452,000 of the general fund--state appropriation for fiscal year 2000, $1,528,000 of the general fund--state appropriation for fiscal year 2001, and $2,980,000 of the general fund--federal appropriation are provided solely for implementation of Second Substitute House Bill No. 1546 (in-home care services). Sec. 207. 2000 2nd sp.s. c 1 s 208 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES--ECONOMIC SERVICES PROGRAM

General Fund--State Appropriation (FY 2000) $ 427,742,000
General Fund--State Appropriation (FY 2001) $ (410,913,000)

General Fund--Federal Appropriation $(1,229,774,000)

General Fund--Private/Local Appropriation $ 30,807,000

TOTAL APPROPRIATION $(2,099,236,000)

The appropriations in this section are subject to the following conditions and limitations:

(a) Continue to implement WorkFirst program improvements that are designed to achieve progress against outcome measures specified in RCW 74.08A.410. Valid outcome measures of job retention and wage progression shall be developed and reported quarterly to appropriate fiscal and policy committees of the legislature for families who leave assistance, measured after 12 months, 24 months, and 36 months. An increased attention to job retention and wage progression is necessary to emphasize the legislature’s goal that the WorkFirst program succeed in helping recipients gain long-term economic independence and not cycle on and off public assistance. The wage progression measure shall report the median percentage increase in quarterly earnings and hourly wage after 12 months, 24 months, and 36 months. The wage progression report shall also report the percent with earnings above one hundred percent and two hundred percent of the federal poverty level. The report shall compare former WorkFirst participants with similar workers who did not participate in WorkFirst. The department shall also report percentage of families who have returned to temporary assistance for needy families after 12 months, 24 months, and 36 months.

(b) Develop informational materials that educate families about the difference between cash assistance and work support benefits. These materials must explain, among other facts, that the benefits are designed to support their employment, that there are no time limits on the receipt of work support benefits, and that immigration or residency status will not be affected by the receipt of benefits. These materials shall be posted in all community service offices and distributed to families. Materials must be available in multiple languages. When a family leaves the temporary assistance for needy families program, receives cash diversion assistance, or withdraws a temporary assistance for needy families application, the department of social and health services shall educate them about the difference between cash assistance and work support benefits and offering them the opportunity to begin or to continue receiving work support benefits, so long as they are eligible. The department shall provide this information through in-person interviews, over the telephone, and/or through the mail. Work support benefits include food stamps, medicaid for all family members, medicare or state children's health insurance program for children, and child care assistance. The department shall report annually to the legislature the number of families who have had exit interviews, been reached successfully by phone, and sent mail. The report shall also include the percentage of families who elect to continue each of the benefits and the percentage found ineligible by each substantive reason code. A substantive reason code shall not be “other.” The report shall identify barriers to informing families about work support benefits and describe existing and future actions to overcome such barriers.

(c) Provide $500,000 from the general fund appropriation for fiscal year 2000 and $500,000 from the general fund--state appropriation for fiscal year 2001 for continuation of the WorkFirst evaluation conducted by the joint legislative audit and review committee.
The department shall report its recommendations for protecting the confidentiality of social security numbers to appropriate committees of the legislature by December 1, 2000.

Convene a working group that includes stakeholders and recipients of public assistance to establish basic customer service performance measures and goals. The customer service measures and goals will seek to make support for working families a priority. Customer service measures and goals may include, but are not limited to: Hours of operation that allow working families to get services without missing work, reduced wait times, systems for answering and returning phone calls in a timely manner, access to programs that support work, access to job training and education, and access to services for families with limited literacy or English skills, and families with special needs. The department shall report to the legislature by January 2001 the establishment of customer service measures and goals, and the departmental actions to assure the goals are being met.

Use existing flexibility in federal and state welfare laws and regulations to support, on a limited basis, longer education and training plans that have a strong likelihood to lead to long-term economic independence for recipient.

Provide up to $1,400,000 of the general fund--federal appropriation for after-school care for middle school youth programs such as those described in House Bill No. 2530 (after-school care).

Provide up to $2,710,000 of the general fund--federal appropriation for training and technical assistance for child care providers seeking training to enable them to competently serve children with special needs as described in House Bill No. 2869 (child care provider training).

Provide $230,000, or as much thereof as may be necessary, to the department of health to expand the vasectomy project to temporary assistance for needy families clients and their partners until such time as a federal family planning waiver is granted that will cover these services.

Ensure that funds provided in this subsection to implement policies that disregard or exempt a portion of recipients’ income are designed to achieve stated WorkFirst program goals and outcomes. Income disregards are effective incentives to help WorkFirst families move towards economic independence. Income disregard policy shall not discriminate based on who the specific employer is.

$43,408,000 of the general fund--state appropriation for fiscal year 2000 and ($(43,386,000)) $46,420,000 of the general fund--state appropriation for fiscal year 2001 are provided solely for cash assistance and other services to recipients in the general assistance--unemployable program. Within these amounts, the department may expend funds for services that assist recipients to reduce their dependence on public assistance, provided that expenditures for these services and cash assistance do not exceed funds provided. The department shall, by July 1, 2000, begin using federal funds provided in subsection (1) of this section, as allowed by federal rules, for the costs of providing income assistance to children with court-appointed guardians or court-appointed custodians.

$5,444,000 of the general fund--state appropriation for fiscal year 2000 and $5,632,000 of the general fund--state appropriation for fiscal year 2001 are provided solely for the food assistance program for legal immigrants. The level of benefits shall be equivalent to the benefits provided by the federal food stamp program.

RCW 74.08A.280 permits the department to develop contracts for state-wide welfare-to-work services. Within amounts available in this section, the department shall provide progress reports on the use of such contracting to the fiscal committees of the legislature by January 1, 2001. Each of these reports shall describe the number of current contracts for temporary assistance for needy families (TANF) or WorkFirst services that the department has with community social service providers and a description of the services being provided through each of those contracts.

The legislature finds that, since the passage of the federal personal responsibility and work opportunity act in 1997, Washington's public assistance population has declined dramatically, and that the currently appropriated level for the temporary assistance for needy families program is sufficient for the 1999-01 biennium. The legislature further finds that federal funding for the temporary assistance for needy families program may decrease after the current five-year block grant has expired. The legislature declares that at least $60,000,000 of the year-end balance in the federal TANF grant shall be held in reserve by the office of financial management at the close of the 1999-01 biennium.

It is the intent of the legislature to provide state assistance to counties to cover a part of lost federal funding for drug courts for a maximum of three years.

5. The appropriations in this section are subject to the following conditions and limitations:

   (1) The department shall continue to make use of the special eligibility category created for children through age 18 and in households with incomes below 200 percent of the federal poverty level made eligible for medical aid as of July 1, 1994.

   (7) The department shall report to the fiscal committees of the legislature by December 1, 1999, and again by October 1, 2000, on the amount which has been recovered from third-party payers as a result of its efforts to improve coordination of benefits on behalf of “basic health plan-plus” enrollees.

Such payments shall be distributed among the participating public hospital districts proportional to the number of days of medicare-funded nursing home care provided by each district during the preceding calendar year, relative to the total number of such days of care provided by all participating rural public hospital districts. Prior to making any supplemental payments, the department shall first obtain federal approval for such payments under the medicaid state plan. The payment shall further be conditioned upon (a) a contractual commitment by the association of public hospital districts and participating rural public hospital districts to make an intergovernmental transfer to the state treasurer, for deposit into the health services account, equal to at least (89 percent of the total supplemental payment amounts received during the 1999-01 fiscal biennium; and (b) a contractual commitment by the participating districts to not allow expenditures covered by the supplemental payments to be used for medicaid nursing home rate-setting. In designing the disease state management programs, the department shall research programs which have proven effective with similar populations in other states, and shall then work with concerned provider and consumer groups to adapt those strategies to Washington's service delivery system. The department shall work with its drug utilization and education council to develop a therapeutic substitution program for at least two classes of drugs. Under the therapeutic substitution program, the council shall analyze pharmacoeconomic research on the costs and benefits of all drugs within the class, and identify the most cost-effective drug or drugs within the class for placement on the formulary. Other drugs within the class shall be preauthorized when clinically indicated under criteria established by the council. The department shall report to appropriate committees of the legislature by December 1, 2000, prior to implementing its proposed strategies.

Such additional payments shall not be made prior to federal approval of a revision in the medicaid payment methodology for state teaching hospitals, and shall not exceed the increase in medicaid payments which results from that change. (i) Determine payment sources and rates paid for primary health care providers performing outpatient primary care services and primary care in hospital emergency rooms for the state's medical assistance programs, including healthy options, and the basic health plan. To determine payment sources and rates paid, the agencies may seek information in relation to such factors as:

(A) The rates paid to primary care providers for their medical assistance programs, including healthy options, and basic health plan contracts; and

(B) How these rates compare with nonpublic pay clients for the same services. The agencies are authorized to attain this information from health plans or providers. The agencies shall maintain the confidentiality of data collected for the purpose of the study;

(ii) Determine which primary care providers serve a relatively high number of low-income clients, and how that affects their medical practice. For purposes of the study, "primary care providers" includes pediatricians, family practitioners, general practitioners, internists, physician assistants, and advanced registered nurse practitioners; and

(iii) Develop proposals to support these providers' medical practices. The agencies must determine what constitutes a relatively high percentage of low-income clients for individual primary care providers who contract for medical assistance administration programs, including healthy options, and the basic health plan, and recommend whether and at what point this disproportionately high percentage should result in additional compensation to the primary care provider. The agencies shall recommend a method to calculate a payment adjustment designed to help support medical practices, according to the study's findings.

(b) In conducting the study, the agencies shall determine which regions of the state to include in the study, based on factors the agencies determine will provide the most representative data state-wide. The agencies shall also consult with interested parties, including any organization or agency affected by this subsection, throughout the course of the study.

(c) The agencies shall report to the legislature by December 1, 2000, with the results of the primary health care provider study. The report shall include recommendations on: (i) What constitutes a disproportionately high percentage of low-income...
clients; (ii) possible payment adjustments for these providers; (iii) methods to implement such a rate adjustment; and (iv) what such a payment adjusted program will cost.

From funds appropriated in this section, the medical assistance program shall assist the Washington state institute for public policy with the assessment of options for expanding medicaid eligibility required in section 607 of this 2000 act. Such assistance shall include analysis of medicaid enrollment and expenditure data needed for enrollment and cost projections; information and advice on state and federal medicaid requirements; and liaison with state and federal officials in other states undertaking similar expansions.

(18) $290,000 of the general fund--state appropriation for fiscal year 2001 is provided solely for implementation of the asset exemption provisions of House Bill No. 2686. If these provisions are not enacted by June 30, 2000, the amount provided in this subsection shall lapse.

Sec. 505. 2000 2nd sp.s. c 1 s 507 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—FOR SPECIAL EDUCATION PROGRAMS

General Fund—State Appropriation (FY 2000) $ 387,011,000
General Fund—State Appropriation (FY 2001) $(385,482,000)

General Fund—Federal Appropriation $(121,667,000)

176,111,000

TOTAL APPROPRIATION $(944,160,000)

The appropriations in this section are subject to the following conditions and limitations:

(1) Funding for special education programs is provided on an excess cost basis, pursuant to RCW 28A.150.390. School districts shall ensure, to the greatest extent possible, that special education students receive their appropriate share of the general apportionment allocation accruing through sections 502 and 504 of this act. To the extent a school district cannot provide an appropriate education for special education students under chapter 28A.155 RCW through the general apportionment allocation, it shall provide services through the special education allocation funded in this section.

(2) Each general fund—state fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(3) The superintendent of public instruction shall distribute state funds to school districts based on two categories: The optional birth through age two program for special education eligible developmentally delayed infants and toddlers, and the mandatory special education program for special education eligible students ages three to twenty-one. A "special education eligible student" means a student receiving specially designed instruction in accordance with a properly formulated individualized education program.

(a) For the 1999-00 and 2000-01 school years, the superintendent shall distribute state funds to each district based on the sum of:

(a) A district's annual average headcount enrollment of developmentally delayed infants and toddlers ages birth through two, multiplied by the district's average basic education allocation per full-time equivalent student, multiplied by 1.15; and

(b) A district's annual average full-time equivalent basic education enrollment multiplied by the funded enrollment percent determined pursuant to subsection (5)(c) of this section, multiplied by the district's average basic education allocation per full-time equivalent student multiplied by 0.9309.

(b) "Average basic education allocation per full-time equivalent student" for a district shall be based on the staffing ratios required by RCW 28A.150.260 and shall not include enhancements, secondary vocational education, or small schools.
(b) "Annual average full-time equivalent basic education enrollment" means the resident enrollment including students enrolled through choice (RCW 28A.225.225) and students from nonhigh districts (RCW 28A.225.210) and excluding students residing in another district cooperative program (RCW 28A.225.250).

(c) "Enrollment percent" means the district's resident special education annual average enrollment including those students counted under the special education demonstration projects, excluding the birth through age two enrollment, as a percent of the district's annual average full-time equivalent basic education enrollment. For the 1999-00 and the 2000-01 school years, each district's funded enrollment percent shall be the lesser of the district's actual enrollment percent for the school year for which the allocation is being determined or 12.7 percent.

(6) At the request of any interdistrict cooperative of at least 15 districts in which all excess cost services for special education students of the districts are provided by the cooperative, the maximum enrollment percent shall be 12.7, and shall be calculated in the aggregate rather than individual district units. For purposes of this subsection, the average basic education allocation per full-time equivalent student shall be calculated in the aggregate rather than individual district units.

(7) A maximum of $12,000,000 of the general fund--state appropriation for fiscal year 2000 and a maximum of $12,000,000 of the general fund--state appropriation for fiscal year 2001 are provided as safety net funding for districts with demonstrated needs for state special education funding beyond the amounts provided in subsection (4) of this section. Safety net funding shall be awarded by the state safety net oversight committee.

(a) The safety net oversight committee shall first consider the needs of districts adversely affected by the 1995 change in the special education funding formula. Awards shall be based on the amount required to maintain the 1994-95 state special education excess cost allocation to the school district in aggregate or on a dollar per funded student basis.

(b) The committee shall then consider unusual needs of districts due to a special education population which differs significantly from the assumptions of the state funding formula. Awards shall be made to districts that convincingly demonstrate need due to the concentration and/or severity of disabilities in the district. Differences in program costs attributable to district philosophy or service delivery style are not a basis for safety net awards.

(c) The maximum allowable indirect cost for calculating safety net eligibility may not exceed the federal restricted indirect cost rate for the district plus one percent.

(d) Safety net awards shall be adjusted based on the percent of potential medicaid eligible students billed as calculated by the superintendent in accordance with Substitute Senate Bill No. 5626 (medicaid payments to schools).

(e) Safety net awards must be adjusted for any audit findings or exceptions related to special education funding.

(f) The superintendent may expend up to $100,000 per year of the amounts provided in this subsection to provide staff assistance to the committee in analyzing applications for safety net funds received by the committee.

(8) The superintendent of public instruction may adopt such rules and procedures as are necessary to administer the special education funding and safety net award process. Prior to revising any standards, procedures, or rules, the superintendent shall consult with the office of financial management and the fiscal committees of the legislature.

(9) The safety net oversight committee appointed by the superintendent of public instruction shall consist of:

(a) Staff of the office of superintendent of public instruction;

(b) Staff of the office of the state auditor;

(c) Staff of the office of the financial management; and

(d) One or more representatives from school districts or educational service districts knowledgeable of special education programs and funding.

(10) To the extent necessary, $5,500,000 of the general fund--federal appropriation shall be expended for safety net funding to meet the extraordinary needs of one or more individual special education students. If safety net awards to meet the extraordinary needs of one or more individual special education students exceed $5,500,000 of the general fund--federal appropriation, the superintendent shall expend all available federal discretionary funds necessary to meet this need. General fund--state funds shall not be expended for this purpose.

(11) A maximum of $678,000 may be expended from the general fund--state appropriations to fund 5.43 full-time equivalent teachers and 2.1 full-time equivalent aides at children's orthopedic hospital and medical center. This amount is in lieu of money provided through the home and hospital allocation and the special education program.

(12) A maximum of $1,000,000 of the general fund--federal appropriation is provided for projects to provide special education students with appropriate job and independent living skills, including work experience where possible, to facilitate their successful transition out of the public school system. The funds provided by this subsection shall be from federal discretionary grants.

(13) A school district may carry over from one year to the next year up to 10 percent of general fund--state funds allocated under this program; however, carry over funds shall be expended in the special education program.

(14) The superintendent shall maintain the percentage of federal flow-through to school districts at 85 percent. In addition to other purposes, school districts may use increased federal funds for high-cost students, for purchasing regional special education services from educational service districts, and for staff development activities particularly relating to inclusion issues.

(15) A maximum of $1,200,000 of the general fund--federal appropriation may be expended by the superintendent for projects related to use of inclusion strategies by school districts for provision of special education services. The superintendent shall prepare an information database on laws, best practices, examples of programs, and recommended resources. The information may be disseminated in a variety of ways, including workshops and other staff development activities.

MOTION

On motion of Senator Kline, the Senate receded from its amendment(s) to House Bill No. 1062.

MOTIONS

On motion of Senator Kline, the rules were suspended, House Bill No. 1062 was returned to second reading and read the second time.

Senator Kline moved that the following striking amendment by Senators Kline, Zarelli and Long be adopted: Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 43.101.010 and 1981 c 132 s 2 are each amended to read as follows:

(1) The term "commission" means the Washington state criminal justice training commission.
(2) The term "boards" means the education and training standards boards, the establishment of which are authorized by this chapter.
(3) The term "criminal justice personnel" means any person who serves in a county, city, state, or port commission agency engaged in crime prevention, crime reduction, or enforcement of the criminal law.
(4) The term "law enforcement personnel" means any public employee or volunteer having as a primary function the enforcement of criminal laws in general or any individual commissioned by, any municipal, county, state, or combination thereof, agency having as its primary function the enforcement of criminal laws in general as distinguished from an agency possessing peace officer powers, the primary function of which is the implementation of specialized subject matter areas. For the purposes of this subsection "primary function" means that function to which the greater allocation of resources is made.
(5) The term "correctional personnel" means any employee or volunteer who by state, county, municipal, or combination thereof, statute has the responsibility for the confinement, care, management, training, treatment, education, supervision, or counseling of those individuals whose civil rights have been limited in some way by legal sanction. A convicted or finding of guilt has been filed, notwithstanding the pendency of any future proceedings, including but not limited to sentencing, posttrial or postfacto motions and appeals. "Conviction" includes a deferral of sentence and also includes the equivalent disposition by a court in a jurisdiction other than the state of Washington.
(6) A peace officer is "discharged for disqualifying misconduct" within the meaning of subsection (7) of this section under the ordinary meaning of the term and when the totality of the circumstances support a finding that the officer resigned in anticipation of discipline, whether or not the misconduct was discovered at the time of resignation, and when such discipline, if carried forward, would more likely than not have led to discharge for disqualifying misconduct within the meaning of subsection (7) of this section.
(7) When used in context of proceedings referred to in this chapter, "final" means that the peace officer has exhausted all available civil service appeals, collective bargaining remedies, and all other such direct administrative appeals, and the officer has not been reinstated as the result of the action. Finality is not affected by the pendency or availability of state or federal administrative or court actions for discrimination, or by the pendency or availability of any remedies other than direct civil service and collective bargaining remedies.
(8) "Peace officer" means any law enforcement personnel subject to the basic law enforcement training requirement of RCW 43.101.200 and any other requirements of that section, notwithstanding any waiver or exemption granted by the commission, and notwithstanding the statutory exemption based on date of initial hire under RCW 43.101.200. Commissioned officers of the Washington state patrol, whether they have been or may be exempted by rule of the commission from the basic training requirement of RCW 43.101.200, are included as peace officers for purposes of this chapter. Fish and wildlife officers with enforcement powers for all criminal laws under RCW 77.12.655 are peace officers for purposes of this chapter.

NEW SECTION. Sec. 2. (1) As a condition of continuing employment as peace officers, all Washington peace officers:
(a) Shall timely obtain certification as peace officers, or timely obtain certification or exemption therefrom, by meeting all requirements of RCW 43.101.200, as that section is administered under the rules of the commission, as well as meeting any additional requirements under the rules of the commission, and (b) shall maintain the basic certification as peace officers under this chapter. The commission shall certify peace officers who have satisfied, or have been exempted by statute or by rule from, the basic training requirements of RCW 43.101.200 on or before the effective date of this section. Thereafter, the commission may revoke certification pursuant to this chapter.
(2) The commission shall allow a peace officer to retain status as a certified peace officer as long as the officer: (a) Timely meets the basic law enforcement training requirements, or is exempted therefrom, in whole or in part, under RCW 43.101.200 or under rule of the commission; (b) meets or is exempted from any other requirements under this chapter as administered under the rules adopted by the commission; (c) is not denied certification by the commission under this chapter; and (d) has not had certification revoked by the commission.

(3) As a prerequisite to certification, as well as a prerequisite to pursuit of a hearing under section 9 of this act, a peace officer must, on a form devised or adopted by the commission, authorize the release to the commission of his or her personnel files, termination papers, criminal investigation files, or other files, papers, or information that are directly related to a certification matter or decertification matter before the commission.

NEW SECTION. Sec. 3. Upon request by a peace officer's employer or on its own initiative, the commission may deny or revoke certification of any peace officer, after written notice and hearing, if a hearing is timely requested by the peace officer under section 9 of this act, based upon a finding of one or more of the following conditions:

(1) The peace officer has failed to timely meet all requirements for obtaining a certificate of basic law enforcement training, a certificate of basic law enforcement training equivalency, or a certificate of exemption from the training;

(2) The peace officer has knowingly falsified or omitted material information on an application for training or certification to the commission;

(3) The peace officer has been convicted at any time of a felony offense under the laws of this state or has been convicted of a federal or out-of-state offense comparable to a felony under the laws of this state; except that if a certified peace officer was convicted of a felony before being employed as a peace officer, and the circumstances of the prior felony conviction were fully disclosed to his or her employer before being hired, the commission may revoke certification only with the agreement of the employing law enforcement agency;

(4) The peace officer has been discharged for disqualifying misconduct, the discharge is final, and some or all of the acts or omissions forming the basis for the discharge proceedings occurred on or after the effective date of this section;

(5) The peace officer's certificate was previously issued by administrative error on the part of the commission; or

(6) The peace officer has interfered with an investigation or action for denial or revocation of certificate by: (a) Knowingly making a materially false statement to the commission; or (b) in any matter under investigation by or otherwise before the commission, tampering with evidence or tampering with or intimidating any witness.

NEW SECTION. Sec. 4. (1) A person denied a certification based upon dismissal or withdrawal from a basic law enforcement academy for any reason not also involving discharge for disqualifying misconduct is eligible for readmission and certification upon meeting standards established in rules of the commission, which rules may provide for probationary terms on readmission.

(2) A person whose certification is denied or revoked based upon prior administrative error of issuance, failure to cooperate, or interference with an investigation is eligible for certification upon meeting standards established in rules of the commission, rules which may provide for a probationary period of certification in the event of reinstatement of eligibility.

(3) A person whose certification is denied or revoked based upon a felony criminal conviction is not eligible for certification at any time.

(4) A peace officer whose certification is denied or revoked based upon discharge for disqualifying misconduct, but not also based upon a felony criminal conviction, may, five years after the revocation or denial, petition the commission for reinstatement of the certificate or for eligibility for reinstatement. The commission shall hold a hearing on the petition to consider reinstatement, and the commission may allow reinstatement based upon standards established in rules of the commission. If the certificate is reinstated or eligibility for certification is determined, the commission may establish a probationary period of certification.

(5) A peace officer whose certification is revoked based solely upon a criminal conviction may petition the commission for reinstatement immediately upon a final judicial reversal of the conviction. The commission shall hold a hearing on request to consider reinstatement, and the commission may allow reinstatement based upon standards established in rules of the commission. If the certificate is reinstated or eligibility for certification is determined, the commission may establish a probationary period of certification.

NEW SECTION. Sec. 5. A peace officer's certification lapses automatically when there is a break of more than twenty-four consecutive months in the officer's service as a full-time law enforcement officer. A break in full-time law enforcement service which is due solely to the pendency of direct review or appeal from a disciplinary discharge, or to the pendency of a work-related injury, does not cause a lapse in certification. The officer may petition the commission for reinstatement of certification. Upon receipt of a petition for reinstatement of a lapsed certificate, the commission shall determine under this chapter and any applicable rules of the commission if the peace officer's certification status is to be reinstated, and the commission shall also determine any requirements which the officer must meet for reinstatement. The commission may adopt rules establishing requirements for reinstatement.

NEW SECTION. Sec. 6. Upon termination of a peace officer for any reason, including resignation, the agency of termination shall, within fifteen days of the termination, notify the commission on a personnel action report form provided by the commission. The agency of termination shall, upon request of the commission, provide such additional documentation or information as the commission deems necessary to determine whether the termination provides grounds for revocation under section 3 of this act. The commission shall maintain these notices in a permanent file, subject to section 12 of this act.

NEW SECTION. Sec. 7. In addition to its other powers granted under this chapter, the commission has authority and power to:

(1) Adopt, amend, or repeal rules as necessary to carry out this chapter;

(2) Issue subpoenas and administer oaths in connection with investigations, hearings, or other proceedings held under this chapter;

(3) Take or cause to be taken depositions and other discovery procedures as needed in investigations, hearings, and other proceedings held under this chapter;

(4) Appoint members of a hearings board as provided under section 10 of this act;

(5) Enter into contracts for professional services determined by the commission to be necessary for adequate enforcement of this chapter;
(6) Grant, deny, or revoke certification of peace officers under the provisions of this chapter;
(7) Designate individuals authorized to sign subpoenas and statements of charges under the provisions of this chapter; and
(8) Employ such investigative, administrative, and clerical staff as necessary for the enforcement of this chapter.

NEW SECTION. Sec. 8. A law enforcement officer or duly authorized representative of a law enforcement agency may submit a written complaint to the commission charging that a peace officer's certificate should be denied or revoked, and specifying the grounds for the charge. Filing a complaint does not make a complainant a party to the commission's action. The commission has sole discretion whether to investigate a complaint, and the commission has sole discretion whether to investigate matters relating to certification, denial of certification, or revocation of certification on any other basis, without restriction as to the source or the existence of a complaint. A person who files a complaint in good faith under this section is immune from suit or any civil action related to the filing or the contents of the complaint.

NEW SECTION. Sec. 9. (1) If the commission determines, upon investigation, that there is probable cause to believe that a peace officer's certification should be denied or revoked under section 3 of this act, the commission must prepare and serve upon the officer a statement of charges. Service on the officer must be by mail or by personal service on the officer. Notice of the charges must also be mailed to or otherwise served upon the officer's agency of termination and any current law enforcement agency employer. The statement of charges must be accompanied by a notice that to receive a hearing on the denial or revocation, the officer must, within sixty days of communication of the statement of charges, request a hearing before the hearings board appointed under section 10 of this act. Failure of the officer to request a hearing within the sixty-day period constitutes a default, whereupon the commission may enter an order under RCW 34.05.440.
(2) If a hearing is requested, the date of the hearing must be scheduled not earlier than ninety days nor later than one hundred eighty days after communication of the statement of charges to the officer; the one hundred eighty day period may be extended on mutual agreement of the parties or for good cause. The commission shall give written notice of hearing at least twenty days prior to the hearing, specifying the time, date, and place of hearing.

NEW SECTION. Sec. 10. (1) The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern hearings before the commission and govern all other actions before the commission unless otherwise provided in this chapter. The standard of proof in actions before the commission is clear, cogent, and convincing evidence.
(2) On all appeals brought under section 9 of this act, a five-member hearings panel shall both hear the case and make the commission's final administrative decision. Members of the commission or the board on law enforcement training standards and education may but need not be appointed to the hearings panels. The commission shall appoint as follows two or more panels to hear appeals from decertification actions:
(a) When an appeal is filed in relation to decertification of a Washington peace officer who is not a peace officer of the Washington state patrol, the commission shall appoint to the panel: (i) One police chief; (ii) one sheriff; (iii) two peace officers who are at or below the level of first line supervisor, who are from city or county law enforcement agencies, and who have at least ten years' experience as peace officers; and (iv) one person who is not currently a peace officer and who represents a community college or four-year college or university.
(b) When an appeal is filed in relation to decertification of a peace officer of the Washington state patrol, the commission shall appoint to the panel: (i) Either one police chief or one sheriff; (ii) one administrator of the state patrol; (iii) one peace officer who is at or below the level of first line supervisor, who is from a city or county law enforcement agency, and who has at least ten years' experience as a peace officer; (iv) one state patrol officer who is at or below the level of first line supervisor, and who has at least ten years' experience as a peace officer; and (v) one person who is not currently a peace officer and who represents a community college or four-year college or university.
(c) Persons appointed to hearings panels by the commission shall, in relation to any decertification matter on which they sit, have the powers, duties, and immunities, and are entitled to the emoluments, including travel expenses in accordance with RCW 43.03.050 and 43.03.060, of regular commission members.
(3) Where the charge upon which revocation or denial is based is that a peace officer was "discharged for disqualifying misconduct," and the discharge is "final," within the meaning of section 3(4) of this act, and the officer received a civil service hearing or arbitration hearing culminating in an affirming decision following separation from service by the employer, the hearings panel may revoke or deny certification if the hearings panel determines that the discharge occurred and was based on disqualifying misconduct; the hearings panel need not determine the underlying facts but may make this determination based solely on review of the records of the hearing and decision relating to the employment separation proceeding. However, the hearings panel may, in its discretion, consider additional evidence to determine whether such a discharge occurred and was based on such disqualifying misconduct. The hearings panel shall, upon written request by the subject peace officer, allow the peace officer to present additional evidence of extenuating circumstances.
Where the charge upon which revocation or denial of certification is based is that a peace officer "has been convicted at any time of a felony offense" within the meaning of section 3(3) of this act, the hearings panel shall revoke or deny certification if it determines that the peace officer was convicted of a felony. The hearings panel need not determine the underlying facts but may make this determination based solely on review of the records and decision relating to the criminal proceeding. However, the hearings panel shall, upon the panel's determination of relevancy, consider additional evidence to determine whether the peace officer was convicted of a felony.
Where the charge upon which revocation or denial is based is under section 3(1), (2), (5), or (6) of this act, the hearings panel shall determine the underlying facts relating to the charge upon which revocation or denial of certification is based.
(4) The commission's final administrative decision is subject to judicial review under RCW 34.05.510 through 34.05.598.

NEW SECTION. Sec. 11. The commission, its boards, and individuals acting on behalf of the commission and its boards are immune from suit in any civil or criminal action contesting or based upon proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

NEW SECTION. Sec. 12. (1) Except as provided under subsection (2) of this section, the following records of the commission are confidential and exempt from public disclosure: (a) The contents of personnel action reports filed under section 6 of this act; (b) all files, papers, and other information obtained by the commission pursuant to section 2(3) of this act; and (c) all...
investigative files of the commission compiled in carrying out the responsibilities of the commission under this chapter. Such records are not subject to public disclosure, subpoena, or discovery proceedings in any civil action, except as provided in subsection (5) of this section.

(2) Records which are otherwise confidential and exempt under subsection (1) of this section may be reviewed and copied: (a) By the officer involved or the officer's counsel or authorized representative, who may review the officer's file and may submit any additional exculpatory or explanatory evidence, statements, or other information, any of which must be included in the file; (b) by a duly authorized representative of (i) the agency of termination, or (ii) a current employing law enforcement agency, which may review and copy its employee-officer's file; or (c) by a representative of or investigator for the commission.

(3) Records which are otherwise confidential and exempt under subsection (1) of this section may also be inspected at the offices of the commission by a duly authorized representative of a law enforcement agency considering an application for employment by a person who is the subject of a record. A copy of records which are otherwise confidential and exempt under subsection (1) of this section may later be obtained by an agency after it hires the applicant. In all other cases under this subsection, the agency may not obtain a copy of the record.

(4) Upon a determination that a complaint is without merit, that a personnel action report filed under section 6 of this act does not merit action by the commission, or that a matter otherwise investigated by the commission does not merit action, the commission shall purge records addressed in subsection (1) of this section.

(5) The hearings, but not the deliberations, of the hearings board are open to the public. The transcripts, admitted evidence, and written decisions of the hearings board on behalf of the commission are not confidential or exempt from public disclosure, and are subject to subpoena and discovery proceedings in civil actions.

NEW SECTION. Sec. 13. Sections 2 through 12 and 14 of this act are each added to chapter 43.101 RCW.

NEW SECTION. Sec. 14. This act takes effect January 1, 2002.”

MOTION

MOTION

On motion of Senator Kohl-Welles, the rules were suspended, House Bill No. 2126 was returned to second reading and read the second time.

MOTION

Senator Kohl-Welles moved that the following striking amendment by Senator Brown be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.95.020 and 2000 c 14 s 1 are each amended to read as follows:
The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Academic year" means the regular nine-month, three-quarter, or two-semester period annually occurring between July 1st and June 30th.
(2) "Account" means the Washington advanced college tuition payment program account established for the deposit of all money received by the board from eligible purchasers and interest earnings on investments of funds in the account, as well as for all expenditures on behalf of eligible beneficiaries for the redemption of tuition units and for the development of any authorized college savings program pursuant to section 2 of this act.
(3) "Board" means the higher education coordinating board as defined in chapter 28B.80 RCW.
(4) "Committee on advanced tuition payment" or "committee" means a committee of the following members: The state treasurer, the director of the office of financial management, the executive director of the higher education coordinating board, or their designees, and two members to be appointed by the governor, one representing program participants and one private business representative with marketing, public relations, or financial expertise.
(5) "Governing body" means the committee empowered by the legislature to administer the Washington advanced college tuition payment program.
(6) "Contractual obligation" means a legally binding contract of the state with the purchaser and the beneficiary establishing that purchases of tuition units will be worth the same number of tuition units at the time of redemption as they were worth at the time of the purchase.
(7) "Eligible beneficiary" means the person for whom the tuition unit will be redeemed for attendance at an institution of higher education. The beneficiary is that person named by the purchaser at the time that a tuition unit contract is accepted by the governing body.
(8) "Eligible purchaser" means an individual or organization that has entered into a tuition unit contract with the governing body for the purchase of tuition units for an eligible beneficiary.
(9) "Full-time tuition charges" means resident tuition charges at a state institution of higher education for enrollments between ten credits and eighteen credit hours per academic term.
(10) "Institution of higher education" means an institution that offers education beyond the secondary level and is recognized by the internal revenue service under chapter 529 of the internal revenue code.
(11) "Investment board" means the state investment board as defined in chapter 43.33A RCW.
(12) "State institution of higher education" means institutions of higher education as defined in RCW 28B.10.016.
"Tuition and fees" means undergraduate tuition and services and activities fees as defined in RCW 28B.15.020 and 28B.15.041 rounded to the nearest whole dollar. The maximum tuition and fees charges recognized for beneficiaries enrolled in a state technical college shall be equal or no less than the tuition and fees charged to the tuition and fees charged to the community college system.

"Tuition unit contract" means a contract between an eligible purchaser and the governing body, or a successor agency appointed for administration of this chapter, for the purchase of tuition units for a specified beneficiary that may be redeemed at a later date for an equal number of tuition units.

"Unit purchase price" means the minimum cost to purchase one tuition unit for an eligible beneficiary. Generally, the minimum purchase price is one percent of the undergraduate weighted average tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account. The analysis for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.

"Weighted average tuition unit" is the value of the weighted average tuition and fees divided by one hundred. The weighted average is the basis upon which tuition benefits (and for attendance at nonstate institutions of higher education and is)) as the basis for any refunds provided from the program.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.95 RCW to read as follows:

(1) The committee may establish a college savings program. If such a program is established, the college savings program shall be established, in such form as may be determined by the committee, to be a qualified state tuition program as defined by the internal revenue service under section 529 of the internal revenue code, and shall be administered in a manner consistent with the Washington advanced college tuition payment program. The committee, in planning and devising the program, shall consult with the state investment board, the state treasurer, a qualified actuarial consulting firm with appropriate expertise to evaluate such plans, the legislative fiscal and higher education committees, and the institutions of higher education.

(2) Up to two hundred thousand dollars of administrative fees collected from guaranteed education tuition program participants may be applied as a loan to fund the development of a college savings program. This loan must be repaid with interest before the conclusion of the biennium in which the committee draws funds for this purpose from the advanced college tuition payment program account.

(3) If such a college savings program is established, the college savings program account is created in the custody of the state treasurer for the purpose of administering the college savings program. Disbursements from the account, except for program administration, are exempt from appropriations and the allotment provisions of chapter 43.88 RCW. Money used for program administration is subject to the allotment provisions, but without appropriation.

(4) The committee, after consultation with the state investment board, shall determine the investment policies for the college savings program. Program contributions may be invested by the state investment board or the committee may contract with an investment company licensed to conduct business in this state to do the investing. The committee shall keep or cause to be kept an insurer of the funds or assets of the individual participant accounts in the college savings program created under this section nor may any such entity be held liable for any shortage of funds in the event that balances in the individual participant accounts are insufficient to meet the educational expenses of the institution chosen by the student for which the individual participant account was intended.

(5) Neither the state nor any eligible educational institution may be considered or held to be an insurer of the funds or assets of the individual participant accounts in the college savings program created under this section nor may any such entity be held liable for any shortage of funds in the event that balances in the individual participant accounts are insufficient to meet the educational expenses of the institution chosen by the student for which the individual participant account was intended.

(6) The committee shall adopt rules to implement this section. Such rules shall include but not be limited to administration, investment management, promotion, marketing; compliance with internal revenue service standards; application procedures; fees; start-up costs; phasing in the savings program and withdrawals therefrom; deterrents to early withdrawals and provisions for hardship withdrawals and reenrollment in such savings program after withdrawal.

(7) The committee may, at its discretion, determine to cease operation of the college savings program if it determines the continuation is not in the best interest of the state. The committee shall adopt rules to implement this section addressing the orderly distribution of assets.

Sec. 3. RCW 28B.95.110 and 2000 c 14 s 8 are each amended to read as follows:

INTRODUCTION OF SPECIAL GUESTS

The President welcomed and introduced Roman Abramovich, the Governor of the Russian Region of Chukotka, and his Advisor/Interpreter John Tichostsky, who were seated on the rostrum. The President also introduced other dignitaries accompanying the Governor, who were seated at the back of the Chamber.
With permission of the Senate, business was dispensed with to permit Governor Abramovich to address the Senate.

PERSONAL PRIVILEGE
Senator Rasmussen: “A point of personal privilege, Mr. President. Mr. President, I would like you and the rest of the Senate to really share in the Governor’s presence here today. We are really deeply honored that he chose to come and visit with us. I would also like to mention at this time that Carol Vipperman who has served the state very well as the Trustee for The Evergreen State College, but she has, more importantly now, is President of the Foundation for the Russian American Economic Cooperation and she is just absolutely a wonderful person, but she has also taken over our agreement with OTED (Office of Trade and Economic Development) to participate and take over our trade office in Vladivostok. The Governor might be interested to know we are the only state that has a presence in all of Russia. We are extremely proud of the relationship we have with Carol Vipperman and her group.

“The Governor will be leaving at five o’clock today to go back and while he comes from Moscow, he really has the understanding, as we all do, of our young people’s education. Did you notice that his issues were the same as ours—Education, Energy and Transportation? Those are the things, Governor, that we are trying to get done before our session ends on Sunday. It doesn’t look like we are going to make it, but it wasn’t built in a day, so we have to do like you do. We draw from our natural resources and our human resources and we build an economy. We are all part of that relationship in doing that. We are certainly pleased that you chose to come and visit with us. I know you have been to Boeing, Alaskan Airlines and a lot of our many businesses in our state. While we provide apples, fruit, and all sorts of food for the Russian people—more importantly—or just as important—we provide the industrial and the technology that Russia needs—and your Province needs—in order to truly be a success in your economy. So, while we wish you well, we are very pleased that you are here and we do hope that you will come back. Thank you very much!”

PERSONAL PRIVILEGE

Senator Shin: “A point of personal privilege, Mr. President. Governor, on behalf of the Washington State Legislature, I, too, would like to welcome you to Washington State. Indeed, your country is a large and vast territory and Washington is a small state, but we feel a kinship towards you, because Washington and your country have a trade relationship. In the past, perhaps, there has been kind of an odd relationship, but today life has changed and we are friends and partners. We realize the importance of international trade between your country and our country and we welcome your visit. May your visit, today, continue to enrich the bilateral trade and relations between your country and our country. Therefore, I welcome you today. Thank you.”

REMARKS BY THE PRESIDENT

President Owen: “Thank you Governor Abramovich for visiting with us. We look forward to continuing our relationship, not only in business, but culture and education, as well. Thank you very much.”

President Pro Tempore Franklin assumed the Chair.

MOTION

On motion of Senator Eide, Senator Rasmussen was excused.

"NEW SECTION. Sec. 1. (1) The legislature declares its support for the executive order issued by the president of the United States in which it is stated that stopping or searching individuals on the basis of race is not an effective law enforcement policy, that it is inconsistent with democratic ideals, especially the commitment to equal protection under the law for all persons, and that it is neither legitimate nor defensible as a strategy for public protection.
