Information pertaining to disseminations shall include:

- (a) An indication of to whom (agency or person) criminal history record information was disseminated;
- (b) The date on which the information was disseminated;
- (c) The individual to whom the information relates; and
- (d) A brief description of the information disseminated.

The information pertaining to dissemination required to be maintained shall be retained for a period of not less than one year.

(8) In addition to the other provisions in this section allowing dissemination of criminal history record information, RCW 4.24.550 governs dissemination of information concerning offenders who commit sex offenses as defined by RCW 9.94A.030. Criminal justice agencies, their employees, and officials shall be immune from civil liability for dissemination on criminal history record information concerning sex offenders as provided in RCW 4.24.550.

NEW SECTION. Sec. 10. A new section is added to chapter 43.43 RCW to read as follows:

When the Washington state patrol disseminates conviction record information in response to a request under RCW 43.43.832, it shall clearly state that: (1) The conviction record data does not include information on civil adjudications, administrative findings, or disciplinary board final decisions and that all such information must be obtained from the courts and licensing agencies; (2) the conviction record that is being disseminated includes information for which a person is currently being processed by the criminal justice system relating to only crimes against a person as defined in RCW 9.94A.411 and that it does not include any other current or pending charge information for which a person could be in the current process of being processed by the criminal justice system; and (3) an arrest is not a conviction or a finding of guilt."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

(1) The early years mark the most extraordinary period of growth for young children. The state's role in providing access to early learning opportunities has never been consistently defined;

(2) More than a quarter of a century has passed since the current school finance system was first created, and the challenges facing our schools and students have grown and changed dramatically during that time. Policies have been established creating new expectations and goals for students under education reform;

(3) Demographic pressures and work force needs will continue to increase demand for access to postsecondary education and training. Public two-year and four-year institutions of higher education are also important avenues for programs such as adult basic education and English as a second language that are the foundation for employment and further education for an increasing number of people. Washington ranks thirty-third in the nation in the number of bachelor's degrees earned per one thousand residents ages twenty through twenty-nine years, and will graduate the largest high school class in its history in 2008. Washington citizens deserve access to baccalaureate degree opportunities. Washington's public universities and colleges engage in research that contributes to the economic and social well-being of the state. Students have paid an increasing cost of their education with tuition growing faster than personal income or inflation; and

(4) Through a comprehensive study, the legislature will have solid information to determine how best to use its resources to create a strong education system that will provide an educated citizenry and a thriving economy in this state.

NEW SECTION. Sec. 2. (1) The comprehensive education study steering committee is created.

(2) Members of the steering committee shall include: The governor who shall chair the steering committee; the director of the office of financial management; two members from the house of representatives with one appointed by each major caucus; two members from the senate with one appointed by each major caucus; four citizens appointed by the governor; and the chairs of each of the three advisory committees created under subsection (3) of this section. The chair of the advisory committee on K-12 shall be the superintendent of public instruction. The chair of the advisory committee on early learning shall be the nongovernmental cochair of the Washington early learning council, created in Engrossed Second Substitute House Bill No. 1152. The chair of the advisory committee on higher education shall be selected by the governor from a list of three or more names submitted by the state board for community and technical colleges, the higher education coordinating board, and the council of presidents.

(3) The steering committee shall appoint the members of the advisory committee on K-12 and the advisory committee on higher education. In addition, the two major caucuses in the senate and the two major caucuses in the house of representatives shall each appoint one member to serve on the K-12 advisory committee and one member to serve on the higher education advisory committee. (5) Nonlegislative members of the steering committee shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 3. (1) The steering committee:

(a) Shall direct and coordinate the studies created in this section. In conducting the studies, consideration shall be given to recently completed, related finance studies, with particular attention to those initiated by or completed at the request of the legislature;

(b) May enter into contracts as needed to support the work of the study;

(c) Shall develop recommendations based on the work of the studies in this section; and

(d) Shall develop recommendations about how the state can best provide stable funding for student learning for young children, students in the public schools, and students in the public colleges and universities.

(2) A comprehensive K-12 finance study shall include, but not be limited to:

(a) The constitutional and legal requirements underlying the current finance system and how those requirements are affected by the goal under education reform to provide all students with the opportunity to achieve the state standards;

(b) The strengths and weaknesses of the current state and local finance formulas and how those formulas are used by local school districts to meet state requirements and student learning goals;

(c) Information regarding remediation particularly in the subject areas of mathematics, science, and language arts;

(d) Potential changes to the current finance system including the methods of allocating funds, levels of funding, and how student achievement is affected;

(e) Reviewing the funding systems in at least five other states;

(f) Specific issues facing schools: Assuring program accountability; improving effectiveness in state-level governance; identifying efficiencies in district spending practices; providing programs that assist students in meeting standards; helping students stay in school; impacts of the certification requirements for teachers; improving the effectiveness of English language learner instruction; and appropriate preparation requirements for paraeducators;

(g) Local and regional funding challenges faced by individual school districts throughout the state; and

(h) Potential changes to the current salary system that would be more closely related to professional development and enhancement of student performance.

(3) A comprehensive study of early learning shall include, but not be limited to:

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5441, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

April 7, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5577, with the following amendment{s}:
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The people of the state of Washington deserve decent, safe, and sanitary housing. Certain tenants in the state of Washington have remained in rental housing that does not meet the state's minimum standards for health and safety because they cannot afford to pay the costs of relocation in advance of occupying new, safe, and habitable housing. In egregious cases, authorities have been forced to condemn property when landlords have failed to remedy building code or health code violations after repeated notice, and, as a result, families with limited financial resources have been displaced and left with nowhere to go.

The purpose of this act is to establish a process by which displaced tenants would receive funds for relocation from landlords who fail to provide safe and sanitary housing after due notice of building code or health code violations. It is also the purpose of this act to provide enforcement mechanisms to cities, towns, counties, or municipal corporations including the ability to advance relocation funds to tenants who are displaced as a result of a landlord's failure to remedy building code or health code violations and later to collect the full amounts of these relocation funds, along with interest and penalties, from landlords.

Sec. 2. RCW 59.18.085 and 1989 c 342 s 13 are each amended to read as follows:

(1) If a governmental agency responsible for the enforcement of a building, housing, or other appropriate code has notified the landlord that a dwelling is condemned or unlawful to occupy due to the existence of conditions that violate applicable codes, statutes, ordinances, or regulations, a landlord shall not enter into a rental agreement for the dwelling unit until the conditions are corrected.

(2) If a landlord knowingly violates subsection (1) of this section, the tenant shall recover either three months' periodic rent or up to treble the actual damages sustained as a result of the violation, whichever is greater, costs of suit, or arbitration and reasonable attorneys' fees. If the tenant elects to terminate the tenancy as a result of the conditions leading to the posting, or if the appropriate governmental agency requires that the tenant vacate the premises, the tenant also shall recover:

(a) The entire amount of any deposit prepaid by the tenant; and

(b) All prepaid rent.

(3)(a) If a governmental agency responsible for the enforcement of a building, housing, or other appropriate code has notified the landlord that a dwelling will be condemned or will be unlawful to occupy due to the existence of conditions that violate applicable codes, statutes, ordinances, or regulations, a landlord, who knew or should have known of the existence of these conditions, shall be required to pay relocation assistance to the displaced tenants except that:

(i) A landlord shall not be required to pay relocation assistance to any displaced tenant in a case in which the condemnation or no occupancy order affects one or more dwelling units and directly results from conditions caused by a tenant's or any third party's illegal conduct without the landlord's prior knowledge;

(ii) A landlord shall not be required to pay relocation assistance to any displaced tenant in a case in which the condemnation or no occupancy order affects one or more dwelling units and results from conditions arising from a natural disaster such as, but not exclusively, an earthquake, tsunami, wind storm, or hurricane; and

(iii) A landlord shall not be required to pay relocation assistance to any displaced tenant in a case in which a condemnation affects one or more dwelling units and the tenant's displacement is a direct result of the acquisition of the property by eminent domain.

(b) Relocation assistance provided to displaced tenants under this subsection shall be the greater amount of two thousand dollars per dwelling unit or three times the monthly rent. In addition to relocation assistance, the landlord shall be required to pay to the displaced tenants the entire amount of any deposit prepaid by the tenant and all prepaid rent.

(c) The landlord shall pay relocation assistance and any prepaid deposit and prepaid rent to displaced tenants within seven days of the governmental agency sending notice of the condemnation, eviction, or displacement order to the landlord. The landlord shall pay relocation assistance and any prepaid deposit and prepaid rent either by making individual payments by certified check to displaced tenants or by providing a certified check to the governmental agency ordering condemnation.

eviction, or displacement, for distribution to the displaced tenants. If the landlord fails to complete payment of relocation assistance within the period required under this subsection, the city, town, county, or municipal corporation may advance the cost of the relocation assistance payments to the displaced tenants.

(d) During the period from the date that a governmental agency responsible for the enforcement of a building, housing, or other appropriate code first notifies the landlord of conditions that violate applicable codes, statutes, ordinances, or regulations to the time that relocation assistance payments are paid to eligible tenants, or the conditions leading to the notification are corrected, the landlord may not:

(i) Evict, harass, or intimidate tenants into vacating their units for the purpose of avoiding or diminishing application of this section;

(ii) Reduce services to any tenant; or

(iii) Materially increase or change the obligations of any tenant, including but not limited to any rent increase.

(e) Displaced tenants shall be entitled to recover any relocation assistance, prepaid deposits, and prepaid rent required by (b) of this subsection. In addition, displaced tenants shall be entitled to recover any actual damages sustained by them as a result of the condemnation, eviction, or displacement that exceed the amount of relocation assistance that is payable. In any action brought by displaced tenants to recover any payments or damages required or authorized by this subsection (3)(e) or (c) of this subsection that are not paid by the landlord or advanced by the city, town, county, or municipal corporation, the displaced tenants shall also be entitled to recover their costs of suit or arbitration and reasonable attorneys' fees.

(f) If, after sixty days from the date that the city, town, county, or municipal corporation first advanced relocation assistance funds to the displaced tenants, a landlord has failed to repay the amount of relocation assistance advanced by the city, town, county, or municipal corporation under (c) of this subsection, then the city, town, county, or municipal corporation shall assess civil penalties in the amount of fifty dollars per day for each tenant to whom the city, town, county, or municipal corporation has advanced a relocation assistance payment.

(g) In addition to the penalties set forth in (f) of this subsection, interest will accrue on the amount of relocation assistance paid by the city, town, county, or municipal corporation for which the property owner has not reimbursed the city, town, county, or municipal corporation. The rate of interest shall be the maximum legal rate of interest permitted under RCW 19.52.020, commencing thirty days after the date that the city first advanced relocation assistance funds to the displaced tenants.

(h) If the city, town, county, or municipal corporation must initiate legal action in order to recover the amount of relocation assistance payments that it has advanced to low-income tenants, including any interest and penalties under (f) and (g) of this subsection, the city, town, county, or municipal corporation shall be entitled to attorneys' fees and costs arising from its legal action.

(4) The government agency that has notified the landlord that a dwelling will be condemned or will be unlawful to occupy shall notify the displaced tenants that they may be entitled to relocation assistance under this section.

(5) No payment received by a displaced tenant under this section may be considered as income for the purpose of determining the eligibility or extent of eligibility of any person for assistance under any state law or for the purposes of any tax imposed under Title 82 RCW, and the payments shall not be deducted from any amount to which any recipient would otherwise be entitled under Title 74 RCW.

Sec. 3. RCW 35.80.030 and 1989 c 133 s 3 are each amended to read as follows:

(1) Whenever the local governing body of a municipality finds that one or more conditions of the character described in RCW 35.80.010 exist within its territorial limits, ~~((said))~~ that governing body may adopt ordinances relating to such dwellings, buildings, structures, or premises. Such ordinances may provide for the following:

(a) That an "improvement board" or officer be designated or appointed to exercise the powers assigned to such board or officer by the ordinance as specified ~~((herein. Said))~~ in this section. The board or officer may be an existing municipal board or officer in the municipality, or may be a separate board or officer appointed solely for the purpose of exercising the powers assigned by ~~((said))~~ the ordinance.

If a board is created, the ordinance shall specify the terms, method of appointment, and type of membership of ~~((said))~~ the board, which may be limited, if the local governing body chooses, to public officers ~~((as herein defined))~~ under this section.

(b) That if a board is created, a public officer, other than a member of the improvement board, may be designated to work with the board and carry out the duties and exercise the powers assigned to ~~((said))~~ the public officer by the ordinance.

(c) That if, after a preliminary investigation of any dwelling, building, structure, or premises, the board or officer finds that it is unfit for human habitation or other use, he or she shall cause to be served either personally or by certified mail, with return receipt requested, upon all persons having any interest therein, as shown upon the records of the auditor's office of the county in which such property is located, and shall post in a conspicuous place on such property, a complaint stating in what respects such dwelling, building, structure, or premises is unfit for human habitation or other use. If the whereabouts of any of such persons is unknown and the same cannot be ascertained by the board or officer in the exercise of reasonable diligence, and

the board or officer makes an affidavit to that effect, then the serving of such complaint or order upon such persons may be made either by personal service or by mailing a copy of the complaint and order by certified mail, postage prepaid, return receipt requested, to each such person at the address of the building involved in the proceedings, and mailing a copy of the complaint and order by first class mail to any address of each such person in the records of the county assessor or the county auditor for the county where the property is located. Such complaint shall contain a notice that a hearing will be held before the board or officer, at a place therein fixed, not less than ten days nor more than thirty days after the serving of ~~((said))~~ the complaint; and that all parties in interest shall be given the right to file an answer to the complaint, to appear in person, or otherwise, and to give testimony at the time and place in the complaint. The rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before the board or officer. A copy of such complaint shall also be filed with the auditor of the county in which the dwelling, building, structure, or ~~((premise [premises]))~~ premises is located, and such filing of the complaint or order shall have the same force and effect as other lis pendens notices provided by law.

(d) That the board or officer may determine that a dwelling, building, structure, or premises is unfit for human habitation or other use if it finds that conditions exist in such dwelling, building, structure, or premises which are dangerous or injurious to the health or safety of the occupants of such dwelling, building, structure, or premises, the occupants of neighboring dwellings, or other residents of such municipality. Such conditions may include the following, without limitations: Defects therein increasing the hazards of fire or accident; inadequate ventilation, light, or sanitary facilities, dilapidation, disrepair, structural defects, uncleanliness, overcrowding, or inadequate drainage. The ordinance shall state reasonable and minimum standards covering such conditions, including those contained in ordinances adopted in accordance with ~~((subdivision))~~ subsection (7)(a) ~~((herein))~~ of this section, to guide the board or the public officer and the agents and employees of either, in determining the fitness of a dwelling for human habitation, or building, structure, or premises for other use.

(e) That the determination of whether a dwelling, building, structure, or premises should be repaired or demolished, shall be based on specific stated standards on (i) the degree of structural deterioration of the dwelling, building, structure, or premises, or (ii) the relationship that the estimated cost of repair bears to the value of the dwelling, building, structure, or premises, with the method of determining this value to be specified in the ordinance.

(f) That if, after the required hearing, the board or officer determines that the dwelling is unfit for human habitation, or building or structure or premises is unfit for other use, it shall state in writing its findings of fact in support of such determination, and shall issue and cause to be served upon the owner or party in interest thereof, as is provided in ~~((subdivision (1)))~~ (c) of this subsection, and shall post in a conspicuous place on ~~((said))~~ the property, an order ~~((which))~~ that (i) requires the owner or party in interest, within the time specified in the order, to repair, alter, or improve such dwelling, building, structure, or premises to render it fit for human habitation, or for other use, or to vacate and close the dwelling, building, structure, or premises, if such course of action is deemed proper on the basis of the standards set forth as required in ~~((subdivision (1)))~~ (e) of this subsection; or (ii) requires the owner or party in interest, within the time specified in the order, to remove or demolish such dwelling, building, structure, or premises, if this course of action is deemed proper on the basis of ~~((said))~~ those standards. If no appeal is filed, a copy of such order shall be filed with the auditor of the county in which the dwelling, building, structure, or premises is located.

(g) ~~That~~ the owner or any party in interest, within thirty days from the date of service upon the owner and posting of an order issued by the board under ~~((the provisions of subdivision))~~ (c) of this subsection, may file an appeal with the appeals commission.

The local governing body of the municipality shall designate or establish a municipal agency to serve as the appeals commission. The local governing body shall also establish rules of procedure adequate to assure a prompt and thorough review of matters submitted to the appeals commission, and such rules of procedure shall include the following, without being limited thereto: (i) All matters submitted to the appeals commission must be resolved by the commission within sixty days from the date of filing therewith and (ii) a transcript of the findings of fact of the appeals commission shall be made available to the owner or other party in interest upon demand.

The findings and orders of the appeals commission shall be reported in the same manner and shall bear the same legal consequences as if issued by the board, and shall be subject to review only in the manner and to the extent provided in ~~((subdivision))~~ subsection (2) of this section.

If the owner or party in interest, following exhaustion of his or her rights to appeal, fails to comply with the final order to repair, alter, improve, vacate, close, remove, or demolish the dwelling, building, structure, or premises, the board or officer may direct or cause such dwelling, building, structure, or premises to be repaired, altered, improved, vacated, and closed, removed, or demolished.

(h) That the amount of the cost of such repairs, alterations or improvements; or vacating and closing; or removal or demolition by the board or officer, shall be assessed against the real property upon which such cost was incurred unless such amount is previously paid. For purposes of this subsection, the cost of vacating and closing shall include (i) the amount of relocation assistance payments that a property owner has not repaid to a municipality or other local government entity that has

advanced relocation assistance payments to tenants under RCW 59.18.085 and (ii) all penalties and interest that accrue as a result of the failure of the property owner to timely repay the amount of these relocation assistance payments under RCW 59.18.085. Upon certification to him or her by the treasurer of the municipality in cases arising out of the city or town or by the county improvement board or officer, in cases arising out of the county, of the assessment amount being due and owing, the county treasurer shall enter the amount of such assessment upon the tax rolls against the property for the current year and the same shall become a part of the general taxes for that year to be collected at the same time and with interest at such rates and in such manner as provided for in RCW 84.56.020(~~, as now or hereafter amended,~~) for delinquent taxes, and when collected to be deposited to the credit of the general fund of the municipality. If the dwelling, building, structure, or premises is removed or demolished by the board or officer, the board or officer shall, if possible, sell the materials of such dwelling, building, structure, (~~for~~) or premises in accordance with procedures set forth in (~~said~~) the ordinance, and shall credit the proceeds of such sale against the cost of the removal or demolition and if there be any balance remaining, it shall be paid to the parties entitled thereto, as determined by the board or officer, after deducting the costs incident thereto.

The assessment shall constitute a lien against the property which shall be of equal rank with state, county and municipal taxes.

(2) Any person affected by an order issued by the appeals commission pursuant to (~~subdivision (1)(f) hereof~~) subsection (1)(g) of this section may, within thirty days after the posting and service of the order, petition to the superior court for an injunction restraining the public officer or members of the board from carrying out the provisions of the order. In all such proceedings the court is authorized to affirm, reverse, or modify the order and such trial shall be heard de novo.

(3) An ordinance adopted by the local governing body of the municipality may authorize the board or officer to exercise such powers as may be necessary or convenient to carry out and effectuate the purposes and provisions of this section. These powers shall include the following in addition to others (~~herein~~) granted in this section: (a)(i) To determine which dwellings within the municipality are unfit for human habitation; (ii) to determine which buildings, structures, or premises are unfit for other use; (b) to administer oaths and affirmations, examine witnesses, and receive evidence; and (c) to investigate the dwelling and other property conditions in the municipality or county and to enter upon premises for the purpose of making examinations when the board or officer has reasonable ground for believing they are unfit for human habitation, or for other use: PROVIDED, That such entries shall be made in such manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose after submitting evidence in support of an application which is adequate to justify such an order from a court of competent jurisdiction in the event entry is denied or resisted.

(4) The local governing body of any municipality adopting an ordinance pursuant to this chapter may appropriate the necessary funds to administer such ordinance.

(5) (~~Nothing in~~) This section (~~shall be construed to~~) does not abrogate or impair the powers of the courts or of any department of any municipality to enforce any provisions of its charter or its ordinances or regulations, nor to prevent or punish violations thereof; and the powers conferred by this section shall be in addition and supplemental to the powers conferred by any other law.

(6) (~~Nothing in~~) This section (~~shall be construed to~~) does not impair or limit in any way the power of the municipality to define and declare nuisances and to cause their removal or abatement, by summary proceedings or otherwise.

(7) Any municipality may (~~by~~) ordinance adopted by its governing body(~~by~~) (a) prescribe minimum standards for the use and occupancy of dwellings throughout the municipality(~~or~~) or county, (b) prescribe minimum standards for the use or occupancy of any building, structure, or premises used for any other purpose, (c) prevent the use or occupancy of any dwelling, building, structure, or premises, (~~which~~) that is injurious to the public health, safety, morals, or welfare, and (d) prescribe punishment for the violation of any provision of such ordinance.

NEW SECTION. Sec. 4. The powers and authority conferred by this act are in addition and supplemental to powers or authority conferred by any other law or authority, and nothing contained herein shall be construed to preempt any local ordinance requiring relocation assistance to tenants displaced by a landlord's failure to remedy building code or health code violations."

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5806, with the following amendment{s):

On page 1, after line 18, insert the following:

"NEW SECTION. Sec. 2. A new section is added to chapter 74.15 RCW to read as follows:

For the purposes of this act, "enforcement action" means denial, suspension, revocation, modification, or nonrenewal of a license pursuant to RCW 74.15.130(1) or assessment of civil monetary penalties pursuant to RCW 74.15.130(4)."

Renumber the remaining sections consecutively and correct any internal references accordingly.

Beginning on page 3, line 33, strike all of section 5 and insert the following:

"Sec. 5. RCW 74.15.130 and 1998 c 314 s 6 are each amended to read as follows:

(1) An agency may be denied a license, or any license issued pursuant to chapter 74.15 RCW and RCW 74.13.031 may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply with the provisions of chapter 74.15 RCW and RCW 74.13.031 or the requirements promulgated pursuant to the provisions of chapter 74.15 RCW and RCW 74.13.031; or (b) that the conditions required for the issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses. RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of a foster family home license, the department's decision shall be upheld if there is reasonable cause to believe that:

(a) The applicant or licensee lacks the character, suitability, or competence to care for children placed in out-of-home care, however, no unfounded report of child abuse or neglect may be used to deny employment or a license;

(b) The applicant or licensee has failed or refused to comply with any provision of chapter 74.15 RCW, RCW 74.13.031, or the requirements adopted pursuant to such provisions; or

(c) The conditions required for issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses.

(3) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license under this chapter, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence.

(4) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under the provisions of this chapter and RCW 74.13.031 or that an agency subject to licensing under this chapter and RCW 74.13.031 is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home. Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty

days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance. Civil monetary penalties shall not exceed seventy-five dollars per violation for a family day-care home and two hundred fifty dollars per violation for group homes, child day-care centers, and child-placing agencies. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty. The department shall provide a notification period before a monetary penalty is effective and may forgive the penalty levied if the agency comes into compliance during this period. The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. Chapter 43.20A RCW governs notice of a civil monetary penalty and provides the right of an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

(5)(a) In addition to or in lieu of an enforcement action being taken, the department may place a child day-care center or family day-care provider on nonreferral status if the center or provider has failed or refused to comply with this chapter or rules adopted under this chapter or an enforcement action has been taken. The nonreferral status may continue until the department determines that: (i) No enforcement action is appropriate; or (ii) a corrective action plan has been successfully concluded.

(b) Whenever a child day-care center or family day-care provider is placed on nonreferral status, the department shall provide written notification to the child day-care center or family day-care provider.

(6) The department shall notify appropriate public and private child care resource and referral agencies of the department's decision to: (a) Take an enforcement action against a child day-care center or family day-care provider; or (b) place or remove a child day-care center or family day-care provider on nonreferral status."

On page 6, line 32, after "day care." insert "Family day-care providers may choose to opt out of the requirement to have day care or other applicable insurance but must provide written notice of their insurance status to parents with a child enrolled and shall not be subject to the requirements of (b), (c), or (d) of this subsection."
and the same are herewith transmitted.

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5983, with the following amendment{s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes the importance of ongoing professional development and growth for teachers with the goal of improving student achievement. It is the intent of the legislature to ensure that professional certification is administered in such a way as to ensure that the professional development and growth of individual teachers is directly aligned to their current and future teaching responsibilities as professional educators.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.410 RCW to read as follows:

The agency responsible for educator certification shall adopt rules for professional certification that:

- (1) Provide maximum program choice for applicants, promote portability among programs, and promote maximum efficiency for applicants in attaining professional certification;
- (2) Require professional certification no earlier than the fifth year following the year that the teacher first completes provisional status, with an automatic two-year extension upon enrollment;
- (3) Grant professional certification to any teacher who attains certification from the national board for professional teaching standards;
- (4) Permit any teacher currently enrolled in or participating in a program leading to professional certification to continue the program under administrative rules in place when the teacher began the program;
- (5) Provide criteria for the approval of educational service districts, beginning no later than August 31, 2007, to offer programs leading to professional certification. The rules shall be written to encourage institutions of higher education and educational service districts to partner with local school districts or consortia of school districts, as appropriate, to provide instruction for teachers seeking professional certification;
- (6) Encourage institutions of higher education to offer professional certificate coursework as continuing education credit hours. This shall not prevent an institution of higher education from providing the option of including the professional certification requirements as part of a master's degree program;
- (7) Provide criteria for a liaison relationship between approved programs and school districts in which applicants are employed;

(8) Identify an expedited professional certification process for out-of-state teachers who have five years or more of successful teaching experience to demonstrate skills and impact on student learning commensurate with Washington requirements for professional certification. The rules may require these teachers, within one year of the time they begin to teach in the state's public schools, take a course in or show evidence that they can teach to the state's essential academic learning requirements; and

(9) Identify an evaluation process of approved programs that includes a review of the program coursework and applicant coursework load requirements, linkages of programs to individual teacher professional growth plans, linkages to school district and school improvement plans, and, to the extent possible, linkages to school district professional enrichment and growth programs for teachers, where such programs are in place in school districts. The agency shall provide a preliminary report on the evaluation process to the senate and house of representatives committees on education policy by November 1, 2005. The board shall identify:

(a) A process for awarding conditional approval of a program that shall include annual evaluations of the program until the program is awarded full approval;

(b) A less intensive evaluation cycle every three years once a program receives full approval unless the responsible agency has reason to intensify the evaluation;

(c) A method for investigating programs that have received numerous complaints from students enrolled in the program and from those recently completing the program;

(d) A method for investigating programs at the reasonable discretion of the agency; and

(e) A method for using, in the evaluation, both program completer satisfaction responses and data on the impact of educators who have obtained professional certification on student work and achievement."

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5992, with the following amendment{s}:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 51.44.040 and 1982 c 63 s 14 are each amended to read as follows:

(1) There shall be in the office of the state treasurer, a fund to be known and designated as the "second injury fund", which shall be used only for the purpose of defraying charges against it as provided in RCW 51.16.120 and 51.32.250(~~as now or hereafter amended. Said~~). The fund shall be administered by the director. The state treasurer shall be the custodian of the second injury fund and shall be authorized to disburse moneys from it only upon written order of the director.

(2) Payments to the second injury fund from the accident fund shall be made pursuant to rules (~~and regulations promulgated~~) adopted by the director.

(3)(a) Assessments for the second injury fund shall be imposed on self-insurers pursuant to rules (~~and regulations promulgated by the director to ensure that self-insurers shall pay to such fund~~) adopted by the director. Such rules shall provide for at least the following:

(i) Except as provided in (a)(ii) of this subsection, the amount assessed each self-insurer must be in the proportion that the payments made from ((such)) the fund on account of claims made against self-insurers bears to the total sum of payments from ((such)) the fund.

(ii) Except as provided in section 2 of this act, beginning with assessments imposed on or after July 1, 2009, the department shall experience rate the amount assessed each self-insurer as long as the aggregate amount assessed is in the proportion that the payments made from the fund on account of claims made against self-insurers bears to the total sum of payments from the fund. The experience rating factor must provide equal weight to the ratio between expenditures made by the second injury fund for claims of the self-insurer to the total expenditures made by the second injury fund for claims of all self-insurers for the prior three fiscal years and the ratio of workers' compensation claim payments under this title made by the self-insurer to the total worker's compensation claim payments made by all self-insurers under this title for the prior three fiscal years. The weighted average of these two ratios must be divided by the latter ratio to arrive at the experience factor.

(b) For purposes of this subsection, "expenditures made by the second injury fund" mean the costs and charges described under RCW 51.32.250 and 51.16.120 (3) and (4), and the amounts assessed to the second injury fund as described under RCW 51.16.120(1). Under no circumstances does "expenditures made by the second injury fund" include any subsequent payments, assessments, or adjustments for pensions, where the applicable second injury fund entitlement was established outside of the three fiscal years.

NEW SECTION. Sec. 2. (1) If the outcome study conducted by the department of labor and industries under subsection (2)(a)(i) or (ii) of this section shows a negative impact of fifteen percent or more to workers following claim closure among nonpension self-insured claimants, 2005 c . . . s 1 (section 1 of this act) expires June 30, 2013.

(2) The department shall conduct an outcome study of the experience rating system established in 2005 c . . . s 1 (section 1 of this act). In conducting the study, the department must:

(a) Compare the outcomes for workers of self-insured employers whose industrial insurance claims with temporary total disability benefits for more than thirty days are closed between July 1, 2002, and June 30, 2004, with similar claims of workers of self-insured employers closed between July 1, 2009, and June 30, 2011. For the purposes of subsection (1) of this section, the department must provide two separate comparisons of such workers as follows: (i) The first comparison includes the aggregate preinjury wages for all nonpension injured workers compared with their aggregate wages at claim closure in each of the two study groups; and (ii) the second comparison includes the proportion of all nonpension injured workers who are found able to work but have not returned to work, as reported by self-insurers in the eligibility assessment reports submitted to the department on the claims in the first study group, compared with the proportion of such workers who are found able to work but have not returned to work, as reported in the eligibility assessment reports submitted on claims in the second study group;

(b) Study whether the workers potentially impacted by the experience rating program have improved return-to-work outcomes, whether the number of impacted workers found to be employable increases, whether there is a change in long-term disability outcomes among the impacted workers, and whether the number of permanent total disability pensions among impacted workers is affected and, if so, the nature of the impact; and

(c) Develop, in consultation with representatives of the impacted workers and the self-insured community, a study methodology that must be provided to the workers' compensation advisory committee for review and comment. The study methodology must include appropriate controls to account for economic fluctuation, wage inflation, and other independent variables.

(3) The department must report to the appropriate committees of the legislature by December 1, 2012, on the results of the study."

MR. PRESIDENT:

The House has passed SENATE BILL NO. 5196, with the following amendment{s}:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is a long-standing principle that corporations have an insurable interest in the lives of key personnel. Nationally, some corporations have begun to insure the lives of personnel that have not met the insurable interest standard of Washington. Entry-level workers have been insured by their corporate employer for the benefit of the corporate employer. The legislature intends to clarify this subject and preclude corporations from insuring the lives of employees when the employees are not key personnel and the corporations have no insurable interest in the lives of those employees.

Sec. 2. RCW 48.18.010 and 1947 c 79 s .18.01 are each amended to read as follows:

~~((The applicable provisions of this chapter shall apply to insurances other than ocean marine and foreign trade insurances. This chapter shall not apply to life or disability insurance policies not issued for delivery in this state nor delivered in this state.))~~ This chapter applies to insurances other than ocean marine and foreign trade insurances.

Sec. 3. RCW 48.18.030 and 1992 c 51 s 1 are each amended to read as follows:

(1) Any individual of competent legal capacity may ~~((procure or effect an insurance contract upon))~~ insure his or her own life or body for the benefit of any person. ~~((But no))~~ A person ~~((shall procure or cause to be procured any insurance contract upon))~~ may not insure the life or body of another individual unless the benefits under ~~((such))~~ the contract are payable to the individual insured or ~~((his))~~ the individual's personal representative~~((s))~~, or to a person having, at the time when ~~((such))~~ the contract was made, an insurable interest in the individual insured.

(2) If the beneficiary, assignee or other payee under any contract made in violation of this section receives from the insurer any benefits ~~((thereunder))~~ accruing upon the death, ~~((disablement))~~ disability, or injury of the individual insured, the individual insured or ~~((his))~~ the individual's executor or administrator~~((, as the case may be,))~~ may maintain an action to recover ~~((such))~~ any benefits from the person ~~((so))~~ receiving them.

(3)(a) "Insurable interest" as used in this section and in RCW 48.18.060 includes only the following interests ~~((as follows))~~:

~~((a))~~ (i) In the case of individuals related closely by blood or by law, a substantial interest engendered by love and affection; and

~~((b))~~ (ii) In the case of other persons, a lawful and substantial economic interest in having the life, health, or bodily safety of the individual insured continue, as distinguished from an interest ~~((which))~~ that would arise only by, or would be enhanced in value by, the death, ~~((disablement))~~ disability, or injury of the individual insured.

~~((c))~~ (b) An individual ~~((heretofore or hereafter))~~ who is party to a contract or option for the purchase or sale of an interest in a business partnership or firm, or of shares of stock of a close corporation or of an interest in ~~((such))~~ those shares, has an insurable interest in the life of each individual party to ~~((such))~~ the contract and for the purposes of ~~((such))~~ that contract only, in addition to any insurable interest ~~((which))~~ that may otherwise exist as to the life of such individual.

~~((d))~~ (c) A guardian, trustee, or other fiduciary has an insurable interest in the life of any person for whose benefit the fiduciary holds property, and in the life of any other individual in whose life ~~((such))~~ the person has an insurable interest.

~~((e))~~ (d) Subject to rules adopted under subsection (4) of this section, upon joint application with a nonprofit organization for, or transfer to a nonprofit organization of, an insurance policy on the life of a person naming the organization as owner and beneficiary, a nonprofit organization's interest in the life of a person if:

(i) The nonprofit organization was established exclusively for religious, charitable, scientific, literary, or educational purposes, or to promote amateur athletic competition, to conduct testing for public safety, or to prevent cruelty to children or animals; and

(ii) The nonprofit organization:

(A) Has existed for a minimum of five years; or

(B) Has been issued a certificate of exemption to conduct a charitable gift annuity business under RCW 48.38.010, or is authorized to conduct a charitable gift annuity business under RCW 28B.10.485; or

(C) Has been organized, and at all times has been operated, exclusively for benefit of, to perform the functions of, or to carry out the purposes of one or more nonprofit organizations described in ~~((e))~~ (d)(ii)(A) or (B) of this subsection and is operated, supervised, or controlled by or in connection with one or more ~~(such)~~ of those nonprofit organizations; and

(b) For joint applications, a grace period of thirty days during which the insured person may direct the nonprofit organization to return the policy and the insurer to refund any premium paid to the party that, directly or indirectly, paid the premium; and

(c) Standards for granting an exemption from the five-year existence requirement of subsection ~~(3)((e))~~ (d)(ii)(A) of this section to a private foundation that files with the insurance commissioner documents, stipulations, and information as the insurance commissioner may require to carry out the purpose of subsection ~~(3)((e))~~ (d) of this section.

(5) Nothing in this section permits the personal representative of the insured's estate to recover the proceeds of a policy on the life of a deceased insured person that was applied for jointly by, or transferred to, an organization covered by subsection ~~(3)((e))~~ (d) of this section, where the organization was named owner and beneficiary of the policy.

This subsection applies to all life insurance policies applied for by, or transferred to, an organization covered by subsection ~~(3)((e))~~ (d) of this section, regardless of the time of application or transfer and regardless of whether the organization would have been covered at the time of application or transfer.

NEW SECTION. Sec. 4. A new section is added to chapter 48.18 RCW to read as follows:

(1) "Employer-owned life insurance policy" as used in this section and section 6 of this act means an insurance policy purchased by an employer on the life of an employee, for the benefit of a person other than the employee or the employee's personal representative.

(4) No later than thirty days after the date on which an employer purchases an employer-owned life insurance policy on the life of an employee, the employer must provide to the employee a written notice that contains the following information:

(1) A spouse may (~~effectuate such insurance upon~~) insure the life of the other spouse.

(2) Any person having an insurable interest in the life of a minor, or any person upon whom a minor is dependent for support and maintenance, may (~~effectuate insurance upon~~) insure the life of the minor.

(3) A contract of group or blanket disability insurance may be effectuated upon an individual.

(4) A contract of group life insurance may be effectuated upon an individual, except as otherwise provided in section 4 of this act.

Three races or issues, randomly selected by lot, must be audited on each device. This audit procedure must be subject to observation by political party representatives if representatives have been appointed and are present at the time of the audit.

NEW SECTION. Sec. 6. A new section is added to chapter 29A.84 RCW to read as follows:

NEW SECTION. Sec. 103. A new section is added to chapter 28A.305 RCW to read as follows:

By October 15th of each even-numbered year, the state board of education and the professional educator standards board shall submit a joint report to the legislative education committees, the governor, and the superintendent of public instruction. The report shall address the progress the boards have made and the obstacles they have encountered, individually and collectively, in the work of achieving the goals in RCW 28A.150.210.

Sec. 104. RCW 28A.305.130 and 2002 c 205 s 3 are each amended to read as follows:

The purpose of the state board of education is to adopt statewide policies that promote achievement of the goals of RCW 28A.150.210; implement a standards-based accountability system; and provide leadership in the creation of an education system that respects the diverse cultures, abilities, and learning styles of all students. In addition to any other powers and duties as provided by law, the state board of education shall:

(1) Until January 1, 2006, approve or disapprove the program of courses leading to teacher, school administrator, and school specialized personnel certification offered by all institutions of higher education within the state which may be accredited and whose graduates may become entitled to receive such certification.

(2) Until January 1, 2006, conduct every five years a review of the program approval standards, including the minimum standards for teachers, administrators, and educational staff associates, to reflect research findings and assure continued improvement of preparation programs for teachers, administrators, and educational staff associates.

(3) Until January 1, 2006, investigate the character of the work required to be performed as a condition of entrance to and graduation from any institution of higher education in this state relative to such certification as provided for in subsection (1) of this section, and prepare a list of accredited institutions of higher education of this and other states whose graduates may be awarded such certificates.

(4) Until January 1, 2006:

(a) ~~((The state board of education shall))~~ Adopt rules to allow a teacher certification candidate to fulfill, in part, teacher preparation program requirements through work experience as a classified teacher's aide in a public school or private school meeting the requirements of RCW 28A.195.010. The rules shall include, but are not limited to, limitations based upon the recency of the teacher preparation candidate's teacher aide work experience, and limitations based on the amount of work experience that may apply toward teacher preparation program requirements under this chapter~~((:))~~; and

(b) ~~((The state board of education shall))~~ Require that at the time of the individual's enrollment in a teacher preparation program, the supervising teacher and the building principal shall jointly provide to the teacher preparation program of the higher education institution at which the teacher candidate is enrolled, a written assessment of the performance of the teacher candidate. The assessment shall contain such information as determined by the state board of education and shall include: Evidence that at least fifty percent of the candidate's work as a classified teacher's aide was involved in instructional activities with children under the supervision of a certificated teacher and that the candidate worked a minimum of six hundred thirty hours for one school year; the type of work performed by the candidate; and a recommendation of whether the candidate's work experience as a classified teacher's aide should be substituted for teacher preparation program requirements. In compliance with such rules as may be established by the state board of education under this section, the teacher preparation programs of the higher education institution where the candidate is enrolled shall make the final determination as to what teacher preparation program requirements may be fulfilled by teacher aide work experience.

(5) Until January 1, 2006, supervise the issuance of such certificates as provided for in subsection (1) of this section and specify the types and kinds of certificates necessary for the several departments of the common schools by rule or regulation in accordance with RCW 28A.410.010.

(6) Hold regularly scheduled meetings at such time and place within the state as the board shall determine and may hold such special meetings as may be deemed necessary for the transaction of public business.

(7) Form committees as necessary to effectively and efficiently conduct the work of the board.

(8) Seek advice from the public and interested parties regarding the work of the board.

(9) For purposes of statewide accountability, the board shall:

(a) Adopt and revise performance improvement goals in reading, writing, science, and mathematics, by subject and grade level, once assessments in these subjects are required statewide; academic and technical skills, as appropriate, in secondary career and technical education programs; and student attendance, as the board deems appropriate to improve student learning. The goals shall be consistent with student privacy protection provisions of RCW 28A.655.090(7) and shall not conflict with requirements contained in Title I of the federal elementary and secondary education act of 1965, or the requirements of the Carl D. Perkins vocational education act of 1998, each as amended. The goals may be established for all students, economically disadvantaged students, limited English proficient students, students with disabilities, and students from disproportionately

academically underachieving racial and ethnic backgrounds. The board may establish school and school district goals addressing high school graduation rates and dropout reduction goals for students in grades seven through twelve. The board shall adopt the goals by rule. However, before each goal is implemented, the board shall present the goal to the education committees of the house of representatives and the senate for the committees' review and comment in a time frame that will permit the legislature to take statutory action on the goal if such action is deemed warranted by the legislature;

(b) Identify the scores students must achieve in order to meet the standard on the Washington assessment of student learning and, for high school students, to obtain a certificate of academic achievement. The board shall also determine student scores that identify levels of student performance below and beyond the standard. The board shall consider the incorporation of the standard error of measurement into the decision regarding the award of the certificates. The board shall set such performance standards and levels in consultation with the superintendent of public instruction and after consideration of any recommendations that may be developed by any advisory committees that may be established for this purpose. The initial performance standards and any changes recommended by the board in the performance standards for the tenth grade assessment shall be presented to the education committees of the house of representatives and the senate by November 30th of the school year in which the changes will take place to permit the legislature to take statutory action before the changes are implemented if such action is deemed warranted by the legislature. The legislature shall be advised of the initial performance standards and any changes made to the elementary level performance standards and the middle school level performance standards;

(c) Adopt objective, systematic criteria to identify successful schools and school districts and recommend to the superintendent of public instruction schools and districts to be recognized for two types of accomplishments, student achievement and improvements in student achievement. Recognition for improvements in student achievement shall include consideration of one or more of the following accomplishments:

(i) An increase in the percent of students meeting standards. The level of achievement required for recognition may be based on the achievement goals established by the legislature and by the board under (a) of this subsection;

(ii) Positive progress on an improvement index that measures improvement in all levels of the assessment; and

(iii) Improvements despite challenges such as high levels of mobility, poverty, English as a second language learners, and large numbers of students in special populations as measured by either the percent of students meeting the standard, or the improvement index. When determining the baseline year or years for recognizing individual schools, the board may use the assessment results from the initial years the assessments were administered, if doing so with individual schools would be appropriate;

(d) Adopt objective, systematic criteria to identify schools and school districts in need of assistance and those in which significant numbers of students persistently fail to meet state standards. In its deliberations, the board shall consider the use of all statewide mandated criterion-referenced and norm-referenced standardized tests;

(e) Identify schools and school districts in which state intervention measures will be needed and a range of appropriate intervention strategies after the legislature has authorized a set of intervention strategies. After the legislature has authorized a set of intervention strategies, at the request of the board, the superintendent shall intervene in the school or school district and take corrective actions. This chapter does not provide additional authority for the board or the superintendent of public instruction to intervene in a school or school district;

(f) Identify performance incentive systems that have improved or have the potential to improve student achievement;

(g) Annually review the assessment reporting system to ensure fairness, accuracy, timeliness, and equity of opportunity, especially with regard to schools with special circumstances and unique populations of students, and a recommendation to the superintendent of public instruction of any improvements needed to the system;

(h) Include in the biennial report required under section 103 of this act, information on the progress that has been made in achieving goals adopted by the board.

(10) Accredite, subject to such accreditation standards and procedures as may be established by the state board of education, all schools that apply for accreditation, and approve, subject to the provisions of RCW 28A.195.010, private schools carrying out a program for any or all of the grades kindergarten through twelve: PROVIDED, That no private school may be approved that operates a kindergarten program only: PROVIDED FURTHER, That no public or private schools shall be placed upon the list of accredited schools so long as secret societies are knowingly allowed to exist among its students by school officials: PROVIDED FURTHER, That the state board may elect to require all or certain classifications of the public schools to conduct and participate in such preaccreditation examination and evaluation processes as may now or hereafter be established by the board.

~~((7))~~ (11) Make rules and regulations governing the establishment in any existing nonhigh school district of any secondary program or any new grades in grades nine through twelve. Before any such program or any new grades are established the district must obtain prior approval of the state board.

~~((8))~~ (12) Prepare such outline of study for the common schools as the board shall deem necessary, and in conformance with legislative requirements, and prescribe such rules for the general government of the common schools, as shall seek to secure regularity of attendance, prevent truancy, secure efficiency, and promote the true interest of the common schools.

~~((The state board of education is given the authority to))~~ (17) Promulgate information and rules dealing with the prevention of child abuse for purposes of curriculum use in the common schools.

(18) Hire an executive director and an administrative assistant to reside in the office of the superintendent of public instruction for administrative purposes. Any other personnel of the board shall be appointed as provided by RCW 28A.300.020. The executive director, administrative assistant, and all but one of the other personnel of the board are exempt from civil service, together with other staff as now or hereafter designated as exempt in accordance with chapter 41.06 RCW.

(19) Adopt a seal that shall be kept in the office of the superintendent of public instruction.

Sec. 105. RCW 28A.505.210 and 2001 c 3 s 3 are each amended to read as follows:

School districts shall have the authority to decide the best use of student achievement funds to assist students in meeting and exceeding the new, higher academic standards in each district consistent with the provisions of chapter 3, Laws of 2001.

(1) Student achievement funds shall be allocated for the following uses:

(a) To reduce class size by hiring certificated elementary classroom teachers in grades K-4 and paying nonemployee-related costs associated with those new teachers;

Any person may appear or by written submission have the opportunity to comment on the proposed plan for the use of these funds. No later than August 31st, as a part of the process under RCW 28A.505.060, each school district shall adopt a plan for the use of these funds for the upcoming school year. Annually, each school district shall provide to the citizens of their district a public accounting of the funds made available to the district during the previous school year under chapter 3, Laws of 2001, how the funds were used, and the progress the district has made in increasing student achievement, as measured by required state assessments and other assessments deemed appropriate by the district. Copies of this report shall be provided to the superintendent of public instruction ~~((and to the academic achievement and accountability commission))~~.

Sec. 106. RCW 28A.655.070 and 2004 c 19 s 204 are each amended to read as follows:

(1) The superintendent of public instruction shall develop essential academic learning requirements that identify the knowledge and skills all public school students need to know and be able to do based on the student learning goals in RCW 28A.150.210, develop student assessments, and implement the accountability recommendations and requests regarding assistance, rewards, and recognition of the ~~((academic achievement and accountability commission))~~ state board of education.

(2) The superintendent of public instruction shall:

(a) Periodically revise the essential academic learning requirements, as needed, based on the student learning goals in RCW 28A.150.210. Goals one and two shall be considered primary. To the maximum extent possible, the superintendent shall integrate goal four and the knowledge and skill areas in the other goals in the essential academic learning requirements; and

(b) Review and prioritize the essential academic learning requirements and identify, with clear and concise descriptions, the grade level content expectations to be assessed on the Washington assessment of student learning and used for state or federal accountability purposes. The review, prioritization, and identification shall result in more focus and targeting with an emphasis on depth over breadth in the number of grade level content expectations assessed at each grade level. Grade level content expectations shall be articulated over the grades as a sequence of expectations and performances that are logical, build with increasing depth after foundational knowledge and skills are acquired, and reflect, where appropriate, the sequential nature of the discipline. The office of the superintendent of public instruction, within seven working days, shall post on its web site any grade level content expectations provided to an assessment vendor for use in constructing the Washington assessment of student learning.

(3) In consultation with the (~~academic achievement and accountability commission~~) state board of education, the superintendent of public instruction shall maintain and continue to develop and revise a statewide academic assessment system in the content areas of reading, writing, mathematics, and science for use in the elementary, middle, and high school years designed to determine if each student has mastered the essential academic learning requirements identified in subsection (1) of this section. School districts shall administer the assessments under guidelines adopted by the superintendent of public instruction. The academic assessment system shall include a variety of assessment methods, including criterion-referenced and performance-based measures.

Sec. 218. RCW 18.118.010 and 1990 c 33 s 553 are each amended to read as follows:

(1) The purpose of this chapter is to establish guidelines for the regulation of the real estate profession and other business professions which may seek legislation to substantially increase their scope of practice or the level of regulation of the profession, and for the regulation of business professions not licensed or regulated on July 26, 1987: PROVIDED, That the provisions of this chapter are not intended and shall not be construed to: (a) Apply to any regulatory entity created prior to July 26, 1987, except as provided in this chapter; (b) affect the powers and responsibilities of the superintendent of public instruction or (~~state board of education~~) Washington professional educator standards board under RCW (~~28A.305.130~~) 28A.410.210 and 28A.410.010; (c) apply to or interfere in any way with the practice of religion or to any kind of treatment by prayer; (d) apply to any remedial or technical amendments to any statutes which licensed or regulated activity before July 26, 1987; and (e) apply to proposals relating solely to continuing education. The legislature believes that all individuals should be permitted to enter into a business profession unless there is an overwhelming need for the state to protect the interests of the public by restricting entry into the profession. Where such a need is identified, the regulation adopted by the state should be set at the least restrictive level consistent with the public interest to be protected.

(2) It is the intent of this chapter that no regulation shall be imposed upon any business profession except for the exclusive purpose of protecting the public interest. All bills introduced in the legislature to regulate a business profession for the first time should be reviewed according to the following criteria. A business profession should be regulated by the state only when:

(a) Unregulated practice can clearly harm or endanger the health, safety, or welfare of the public, and the potential for the harm is easily recognizable and not remote or dependent upon tenuous argument;

(b) The public needs and can reasonably be expected to benefit from an assurance of initial and continuing professional ability; and

(c) The public cannot be effectively protected by other means in a more cost-beneficial manner.

(3) After evaluating the criteria in subsection (2) of this section and considering governmental and societal costs and benefits, if the legislature finds that it is necessary to regulate a business profession not previously regulated by law, the least restrictive alternative method of regulation should be implemented, consistent with the public interest and this section:

(a) Where existing common law and statutory civil actions and criminal prohibitions are not sufficient to eradicate existing harm, the regulation should provide for stricter civil actions and criminal prosecutions;

(b) Where a service is being performed for individuals involving a hazard to the public health, safety, or welfare, the regulation should impose inspection requirements and enable an appropriate state agency to enforce violations by injunctive relief in court, including, but not limited to, regulation of the business activity providing the service rather than the employees of the business;

(c) Where the threat to the public health, safety, or economic well-being is relatively small as a result of the operation of the business profession, the regulation should implement a system of registration;

(d) Where the consumer may have a substantial basis for relying on the services of a practitioner, the regulation should implement a system of certification; or

(e) Where apparent that adequate regulation cannot be achieved by means other than licensing, the regulation should implement a system of licensing.

Sec. 219. RCW 18.120.010 and 1990 c 33 s 554 are each amended to read as follows:

(1) The purpose of this chapter is to establish guidelines for the regulation of health professions not licensed or regulated prior to July 24, 1983, and those licensed or regulated health professions which seek to substantially increase their scope of practice: PROVIDED, That the provisions of this chapter are not intended and shall not be construed to: (a) Apply to any regulatory entity created prior to July 24, 1983, except as provided in this chapter; (b) affect the powers and responsibilities of the superintendent of public instruction or ~~((state board of education))~~ Washington professional educator standards board under RCW ~~((28A.305.130))~~ 28A.410.210 and 28A.410.010; (c) apply to or interfere in any way with the practice of religion or to any kind of treatment by prayer; and (d) apply to any remedial or technical amendments to any statutes which licensed or regulated activity before July 24, 1983. The legislature believes that all individuals should be permitted to enter into a health profession unless there is an overwhelming need for the state to protect the interests of the public by restricting entry into the profession. Where such a need is identified, the regulation adopted by the state should be set at the least restrictive level consistent with the public interest to be protected.

(2) It is the intent of this chapter that no regulation shall, after July 24, 1983, be imposed upon any health profession except for the exclusive purpose of protecting the public interest. All bills introduced in the legislature to regulate a health profession for the first time should be reviewed according to the following criteria. A health profession should be regulated by the state only when:

(a) Unregulated practice can clearly harm or endanger the health, safety, or welfare of the public, and the potential for the harm is easily recognizable and not remote or dependent upon tenuous argument;

(b) The public needs and can reasonably be expected to benefit from an assurance of initial and continuing professional ability; and

(c) The public cannot be effectively protected by other means in a more cost-beneficial manner.

(3) After evaluating the criteria in subsection (2) of this section and considering governmental and societal costs and benefits, if the legislature finds that it is necessary to regulate a health profession not previously regulated by law, the least restrictive alternative method of regulation should be implemented, consistent with the public interest and this section:

(a) Where existing common law and statutory civil actions and criminal prohibitions are not sufficient to eradicate existing harm, the regulation should provide for stricter civil actions and criminal prosecutions;

(b) Where a service is being performed for individuals involving a hazard to the public health, safety, or welfare, the regulation should impose inspection requirements and enable an appropriate state agency to enforce violations by injunctive relief in court, including, but not limited to, regulation of the business activity providing the service rather than the employees of the business;

(c) Where the threat to the public health, safety, or economic well-being is relatively small as a result of the operation of the health profession, the regulation should implement a system of registration;

(d) Where the consumer may have a substantial basis for relying on the services of a practitioner, the regulation should implement a system of certification; or

(e) Where apparent that adequate regulation cannot be achieved by means other than licensing, the regulation should implement a system of licensing.

Sec. 220. RCW 28A.410.032 and 1996 c 135 s 4 are each amended to read as follows:

Teachers of visually impaired students shall be qualified according to rules adopted by the ~~((state board of education))~~ professional educator standards board.

Sec. 2. RCW 70.02.020 and 1993 c 448 s 2 are each amended to read as follows:

(1) Except as authorized in RCW 70.02.050, a health care provider, an individual who assists a health care provider in the delivery of health care, or an agent and employee of a health care provider may not disclose health care information about a patient to any other person without the patient's written authorization. A disclosure made under a patient's written authorization must conform to the authorization.

~~((Health care providers or facilities shall chart all disclosures, except to third party payors, of health care information, such chartings to become part of the health care information.))~~

(2) A patient has a right to receive an accounting of disclosures of health care information made by a health care provider or a health care facility in the six years before the date on which the accounting is requested, except for disclosures:

(a) To carry out treatment, payment, and health care operations;

(b) To the patient of health care information about him or her;

(c) Incident to a use or disclosure that is otherwise permitted or required;

(d) Pursuant to an authorization where the patient authorized the disclosure of health care information about himself or herself;

(e) Of directory information;

(f) To persons involved in the patient's care;

(h) To correctional institutions or law enforcement officials if an accounting of disclosures is not permitted by law; and

(i) Of a limited data set that excludes direct identifiers of the patient or of relatives, employers, or household members of the patient.

Sec. 3. RCW 70.02.030 and 2004 c 166 s 19 are each amended to read as follows:

(1) A patient may authorize a health care provider or health care facility to disclose the patient's health care information. A health care provider or health care facility shall honor an authorization and, if requested, provide a copy of the recorded health care information unless the health care provider or health care facility denies the patient access to health care information under RCW 70.02.090.

(2) A health care provider or health care facility may charge a reasonable fee for providing the health care information and is not required to honor an authorization until the fee is paid.

(3) To be valid, a disclosure authorization to a health care provider or health care facility shall:

(a) Be in writing, dated, and signed by the patient;

(b) Identify the nature of the information to be disclosed;

(c) Identify the name ~~((, address,))~~ and institutional affiliation of the person or class of persons to whom the information is to be disclosed;

~~((and))~~ (d) ~~((Except for third party payors,))~~ Identify the provider or class of providers who ~~((is))~~ are to make the disclosure;

(e) Identify the patient; and

(f) Contain an expiration date or an expiration event that relates to the patient or the purpose of the use or disclosure.

(4) Unless disclosure without authorization is otherwise permitted under RCW 70.02.050 or the federal health insurance portability and accountability act of 1996 and its implementing regulations, an authorization may permit the disclosure of health care information to a class of persons that includes:

(a) Researchers if the health care provider or health care facility obtains the informed consent for the use of the patient's health care information for research purposes; or

(b) Third-party payors if the information is only disclosed for payment purposes.

(5) Except as provided by this chapter, the signing of an authorization by a patient is not a waiver of any rights a patient has under other statutes, the rules of evidence, or common law.

~~((5))~~ (6) When an authorization permits the disclosure of health care information to a financial institution or an employer of the patient for purposes other than payment, the authorization as it pertains to those disclosures shall expire ninety days after the signing of the authorization, unless the authorization is renewed by the patient.

(7) A health care provider or health care facility shall retain the original or a copy of each authorization or revocation in conjunction with any health care information from which disclosures are made. ~~((This requirement shall not apply to disclosures to third party payors.~~

~~(6) Except for authorizations given pursuant to an agreement with a treatment or monitoring program or disciplinary authority under chapter 18.71 or 18.130 RCW, when the patient is under the supervision of the department of corrections, or to provide information to third party payors, an authorization may not permit the release of health care information relating to future health care that the patient receives more than ninety days after the authorization was signed. Patients shall be advised of the period of validity of their authorization on the disclosure authorization form. If the authorization does not contain an expiration date and the patient is not under the supervision of the department of corrections, it expires ninety days after it is signed.~~

~~(7))~~ (8) Where the patient is under the supervision of the department of corrections, an authorization signed pursuant to this section for health care information related to mental health or drug or alcohol treatment expires at the end of the term of supervision, unless the patient is part of a treatment program that requires the continued exchange of information until the end of the period of treatment.

Sec. 4. RCW 70.02.050 and 1998 c 158 s 1 are each amended to read as follows:

(a) To a person who the provider or facility reasonably believes is providing health care to the patient;

(b) To any other person who requires health care information for health care education, or to provide planning, quality assurance, peer review, or administrative, legal, financial, ~~((or))~~ actuarial services to, or other health care operations for or on behalf of the health care provider or health care facility; or for assisting the health care provider or health care facility in the delivery of health care and the health care provider or health care facility reasonably believes that the person:

(i) Will not use or disclose the health care information for any other purpose; and

(ii) Will take appropriate steps to protect the health care information;

(c) To any other health care provider or health care facility reasonably believed to have previously provided health care to the patient, to the extent necessary to provide health care to the patient, unless the patient has instructed the health care provider or health care facility in writing not to make the disclosure;

(d) To any person if the health care provider or health care facility reasonably believes that disclosure will avoid or minimize an imminent danger to the health or safety of the patient or any other individual, however there is no obligation under this chapter on the part of the provider or facility to so disclose;

(e) ~~((Oral, and made))~~ To immediate family members of the patient, or any other individual with whom the patient is known to have a close personal relationship, if made in accordance with good medical or other professional practice, unless the patient has instructed the health care provider or health care facility in writing not to make the disclosure;

(f) To a health care provider or health care facility who is the successor in interest to the health care provider or health care facility maintaining the health care information;

(iii) Contains reasonable safeguards to protect the information from redisclosure;

(iv) Contains reasonable safeguards to protect against identifying, directly or indirectly, any patient in any report of the research project; and

(v) Contains procedures to remove or destroy at the earliest opportunity, consistent with the purposes of the project, information that would enable the patient to be identified, unless an institutional review board authorizes retention of identifying information for purposes of another research project;

(h) To a person who obtains information for purposes of an audit, if that person agrees in writing to:

(i) Remove or destroy, at the earliest opportunity consistent with the purpose of the audit, information that would enable the patient to be identified; and

(ii) Not to disclose the information further, except to accomplish the audit or report unlawful or improper conduct involving fraud in payment for health care by a health care provider or patient, or other unlawful conduct by the health care provider;

(i) To an official of a penal or other custodial institution in which the patient is detained;

(j) To provide directory information, unless the patient has instructed the health care provider or health care facility not to make the disclosure;

(k) ~~((In the case of a hospital or health care provider to provide, in cases reported by))~~ To fire, police, sheriff, or (other) another public authority, that brought, or caused to be brought, the patient to the health care facility or health care provider if the disclosure is limited to the patient's name, residence, sex, age, occupation, condition, diagnosis, estimated or actual discharge date, or extent and location of injuries as determined by a physician, and whether the patient was conscious when admitted;

(l) To federal, state, or local law enforcement authorities and the health care provider, health care facility, or third-party payor believes in good faith that the health care information disclosed constitutes evidence of criminal conduct that occurred on the premises of the health care provider, health care facility, or third-party payor;

(m) To another health care provider, health care facility, or third-party payor for the health care operations of the health care provider, health care facility, or third-party payor that receives the information, if each entity has or had a relationship with the patient who is the subject of the health care information being requested, the health care information pertains to such relationship, and the disclosure is for the purposes described in RCW 70.02.010(7) (a) and (b); or

(n) For payment.

(2) A health care provider shall disclose health care information about a patient without the patient's authorization if the disclosure is:

(a) To federal, state, or local public health authorities, to the extent the health care provider is required by law to report health care information; when needed to determine compliance with state or federal licensure, certification or registration rules or laws; or when needed to protect the public health;

(b) To federal, state, or local law enforcement authorities to the extent the health care provider is required by law;

(c) To county coroners and medical examiners for the investigations of deaths;

(d) Pursuant to compulsory process in accordance with RCW 70.02.060.

MESSAGE FROM THE HOUSE

April 6, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5470, with the following amendment{s}:
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that as consumers' prescription drug costs continue to rise, people across the state of Washington are seeking opportunities to purchase lower cost prescription drugs from Canada, the United Kingdom, Ireland, and other countries for their personal use. The state has a strong interest in promoting the safe use of prescription drugs by consumers in Washington state. To address this interest, the legislature intends to seek authorization from the federal government to license Canadian, United Kingdom, Irish, and other nondomestic prescription drug wholesalers, thereby providing licensed retail pharmacies the opportunity to purchase prescription drugs from approved wholesalers and pass those savings on to consumers, and providing consumers the opportunity to purchase prescription drugs from a trusted community pharmacist who is aware of all of their prescription drug needs.

NEW SECTION. Sec. 2. A new section is added to chapter 18.64 RCW to read as follows:

(1) By September 1, 2005, the board shall, in consultation with the department and the health care authority, submit a waiver request to the federal food and drug administration that will authorize the state of Washington to license Canadian, United Kingdom, Irish, and other nondomestic prescription drug wholesalers under RCW 18.64.046, thereby providing retail pharmacies licensed in Washington state the opportunity to purchase prescription drugs from approved wholesalers and pass those savings on to consumers. The waiver shall provide that:

(a) Canadian, United Kingdom, Irish, and other nondomestic prescription drug wholesalers meet the requirements of RCW 18.64.046 and any rules adopted by the board to implement those requirements;

(b) The board must ensure the integrity of the prescription drug products being distributed by:

(i) Requiring that prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers originate only from approved manufacturing locations;

(ii) Routinely testing prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers for safety;

(iii) Establishing safe labeling, tracking, and shipping procedures for prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers; and

(iv) Closely monitoring compliance with RCW 18.64.046 and any rules adopted to implement the waiver;

(c) The prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers must be limited to those that are not temperature sensitive or infused and for which potential savings to consumers can be demonstrated and those available through purchase by individuals only at licensed retail pharmacies;

(d) To ensure that the program benefits those consumers without insurance coverage for prescription drugs who are most in need of price relief, prescription drug purchases from pharmacies under the waiver will be limited to those not eligible for reimbursement by third party insurance coverage, whether public or private, for the particular drug being purchased; and

(e) Savings associated with purchasing prescription drugs from Canadian, United Kingdom, Irish, and other nondomestic wholesalers will be passed on to consumers.

(2) Upon approval of the federal waiver submitted in accordance with subsection (1) of this section, the board, in consultation with the department and the health care authority, shall submit a detailed implementation plan to the governor and appropriate committees of the legislature that details the mechanisms that the board will use to implement each component of the waiver under subsection (1) of this section.

(3) The board shall adopt rules as necessary to implement this act.

NEW SECTION. Sec. 3. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state." and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 7, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5699, with the following amendment{s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that aquatic invasive species and freshwater aquatic algae are causing economic, environmental, and public health problems that affect the citizens and aquatic resources of our state. Many highly destructive species, such as the zebra mussel, are currently not found in Washington's waters and efforts should be made to prevent the introduction or spread of these aquatic invasive species into our state waters. Preventing new introductions is significantly less expensive and causes far less ecological damage than trying to control new infestations.

The legislature also finds that freshwater algae, particularly blue-green algae, are also seriously degrading the water quality and recreational value of a number of our lakes. Blue-green algae can produce toxins that inhibit recreational uses and pose a threat to humans and pets.

It is therefore the intent of the legislature to clarify the roles of the different state agencies involved in these issues in order to address the threat of aquatic invasive species and the problem caused by aquatic freshwater algae, and to provide a dedicated fund source to prevent and control further impacts.

Sec. 2. RCW 88.02.050 and 2002 c 286 s 13 are each amended to read as follows:

(1) Application for a vessel registration shall be made to the department or its authorized agent in the manner and upon forms prescribed by the department. The application shall state the name and address of each owner of the vessel and such other information as may be required by the department, shall be signed by at least one owner, and shall be accompanied by a vessel registration fee of ten dollars and fifty cents per year and the excise tax imposed under chapter 82.49 RCW. ~~((In addition, two))~~

(2) Five additional dollars must be collected annually from every vessel registration application. These moneys must be distributed in the following manner:

(a) Two dollars must be deposited into the derelict vessel removal account established in RCW 79.100.100. If the department of natural resources indicates that the balance of the derelict vessel removal account reaches one million dollars as of March 1st of any year, the collection of the two-dollar fee must be suspended for the following fiscal year.

(b) One dollar and fifty cents must be deposited in the aquatic invasive species prevention account created in section 3 of this act.

(c) One dollar must be deposited into the freshwater aquatic algae control account created in section 4 of this act.

(d) Fifty cents must be deposited into the aquatic invasive species enforcement account created in section 5 of this act.

(3) Any fees required for licensing agents under RCW 46.01.140 shall be in addition to the ten dollar and fifty cent annual registration fee and the ~~((two-dollar derelict vessel))~~ five-dollar fee created in subsection (2) of this section.

(4) Upon receipt of the application and the registration fee, the department shall assign a registration number and issue a decal for each vessel. The registration number and decal shall be issued and affixed to the vessel in a manner prescribed by the department consistent with the standard numbering system for vessels set forth in volume 33, part 174, of the code of federal

regulations. A valid decal affixed as prescribed shall indicate compliance with the annual registration requirements of this chapter.

(5) The vessel registrations and decals are valid for a period of one year, except that the director of licensing may extend or diminish vessel registration periods, and the decals therefor, for the purpose of staggered renewal periods. For registration periods of more or less than one year, the department may collect prorated annual registration fees and excise taxes based upon the number of months in the registration period. Vessel registrations are renewable every year in a manner prescribed by the department upon payment of the vessel registration fee, excise tax, and the derelict vessel fee. Upon renewing a vessel registration, the department shall issue a new decal to be affixed as prescribed by the department.

(6) When the department issues either a notice to renew a vessel registration or a decal for a new or renewed vessel registration, it shall also provide information on the location of marine oil recycling tanks and sewage holding tank pumping stations. This information will be provided to the department by the state parks and recreation commission in a form ready for distribution. The form will be developed and prepared by the state parks and recreation commission with the cooperation of the department of ecology. The department, the state parks and recreation commission, and the department of ecology shall enter into a memorandum of agreement to implement this process.

(7) A person acquiring a vessel from a dealer or a vessel already validly registered under this chapter shall, within fifteen days of the acquisition or purchase of the vessel, apply to the department or its authorized agent for transfer of the vessel registration, and the application shall be accompanied by a transfer fee of one dollar.

NEW SECTION. Sec. 3. A new section is added to chapter 77.12 RCW to read as follows:

(1) The aquatic invasive species prevention account is created in the state treasury. Moneys directed to the account from RCW 88.02.050 must be deposited in the account. Expenditures from the account may only be used as provided in this section. Moneys in the account may be spent only after appropriation.

(2) Funds in the aquatic invasive species prevention account may be appropriated to the department to develop an aquatic invasive species prevention program for recreational watercraft. Funds must be expended as follows:

(a) To inspect watercraft, watercraft trailers, and outboard motors at selected boat launching sites;

(b) To educate general law enforcement officers on how to enforce state laws relating to preventing the spread of aquatic invasive species;

(c) To evaluate and survey the risk posed by marine recreational watercraft in spreading aquatic invasive species into Washington state waters;

(d) To evaluate the risk posed by float planes in spreading aquatic invasive species into Washington state waters; and

(e) To implement an aquatic invasive species early detection and rapid response plan.

(3) The department shall provide training to Washington state patrol employees working at port of entry weigh stations on how to inspect recreational watercraft for the presence of zebra mussels and other aquatic invasive species. The department shall also cooperatively work with the Washington state patrol to set up random check stations to inspect watercraft at areas of high boating activity.

(4) The department shall submit a biennial report to the appropriate legislative committees describing the actions taken to implement this section along with suggestions on how to better fulfill the intent of this act. The first report is due December 1, 2007.

NEW SECTION. Sec. 4. A new section is added to chapter 43.21A RCW to read as follows:

(1) The freshwater aquatic algae control account is created in the state treasury. Moneys directed to the account from RCW 88.02.050 must be deposited in the account. Expenditures from the account may only be used as provided in this section. Moneys in the account may be spent only after appropriation.

(2) Funds in the freshwater aquatic algae control account may be appropriated to the department to develop a freshwater aquatic algae control program. Funds must be expended as follows:

(a) As grants to cities, counties, tribes, special purpose districts, and state agencies to manage excessive freshwater algae, with priority for the treatment of lakes in which harmful algal blooms have occurred within the past three years; and

(a) Participation of eligible employees or retired employees and retired school employees in any long-term care insurance plan made available by the public employees' benefits board is voluntary and shall not be subject to binding arbitration under chapter 41.56 RCW. Participation is subject to reasonable underwriting guidelines and eligibility rules established by the public employees' benefits board and the health care authority.

(b) The employee, retired employee, and retired school employee are solely responsible for the payment of the premium rates developed by the health care authority. (2) Any governmental agency of the United States or Canada, or political subdivisions thereof, to be used by it or by its authorized commercial agents or contractors only in connection with the enforcement of motor vehicle or traffic laws by, or programs related to traffic safety of, that government agency. Only such parts of the list as are required for completion of the work required of the agent or contractor shall be provided to such agent or contractor;

MESSAGE FROM THE HOUSE

April 14, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5788, with the following amendment{s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to improve recycling, eliminate illegal disposal of recyclable materials, protect consumers from sham recycling, and to further the purposes of RCW 70.95.020 and the goal of consistency in jurisdictional treatment of the statewide solid waste management plan adopted by the department of ecology.

Sec. 2. RCW 70.95.020 and 1998 c 156 s 1 and 1998 c 90 s 1 are each reenacted and amended to read as follows:

The purpose of this chapter is to establish a comprehensive statewide program for solid waste handling, and solid waste recovery and/or recycling which will prevent land, air, and water pollution and conserve the natural, economic, and energy resources of this state. To this end it is the purpose of this chapter:

(1) To assign primary responsibility for adequate solid waste handling to local government, reserving to the state, however, those functions necessary to assure effective programs throughout the state;

(2) To provide for adequate planning for solid waste handling by local government;

(3) To provide for the adoption and enforcement of basic minimum performance standards for solid waste handling, including that all sites where recyclable materials are generated and transported from shall provide a separate container for solid waste;

(4) To encourage the development and operation of waste recycling facilities needed to accomplish the management priority of waste recycling, ~~((and))~~ to promote consistency in the requirements for such facilities throughout the state, and to ensure that recyclable materials diverted from the waste stream for recycling are routed to facilities in which recycling occurs;

(5) To provide technical and financial assistance to local governments in the planning, development, and conduct of solid waste handling programs;

(6) To encourage storage, proper disposal, and recycling of discarded vehicle tires and to stimulate private recycling programs throughout the state; and

(7) To encourage the development and operation of waste recycling facilities and activities needed to accomplish the management priority of waste recycling and to promote consistency in the permitting requirements for such facilities and activities throughout the state.

It is the intent of the legislature that local governments be encouraged to use the expertise of private industry and to contract with private industry to the fullest extent possible to carry out solid waste recovery and/or recycling programs.

Sec. 3. RCW 70.95.305 and 1998 c 156 s 5 are each amended to read as follows:

(1) Notwithstanding any other provision of this chapter, the department may by rule exempt from the requirements to obtain a solid waste handling permit any category of solid waste handling facility that it determines to:

(a) Present little or no environmental risk; and

(b) Meet the environmental protection and performance requirements required for other similar solid waste facilities.

(2) This section does not apply to any facility or category of facilities that:

(a) Receives municipal solid waste destined for final disposal, including but not limited to transfer stations, landfills, and incinerators;

(b) Applies putrescible solid waste on land for final disposal purposes;

(c) Handles mixed solid wastes that have not been processed to segregate solid waste materials destined for disposal from other solid waste materials destined for a beneficial use or recycling;

(d) Receives or processes organic waste materials into compost in volumes that generally far exceed those handled by municipal park departments, master gardening programs, and households; or

(e) Receives solid waste destined for recycling or reuse, the operation of which is determined by the department to present risks to human health and the environment.

(3) Rules adopted under this section shall contain such terms and conditions as the department deems necessary to ensure compliance with applicable statutes and rules. If a facility does not operate in compliance with the terms and conditions established for an exemption under subsection (1) of this section, the facility is subject to the permitting requirements for solid waste handling under this chapter.

(4) This section shall not be deemed to invalidate the exemptions or determinations of nonapplicability in the department's solid waste rules as they exist on June 11, 1998, which exemptions and determinations are recognized and confirmed subject to the department's continuing authority to modify or revoke those exemptions or determinations by rule.

NEW SECTION. Sec. 4. A new section is added to chapter 70.95 RCW to read as follows:

(1) For the purposes of this section and section 5 of this act, "transporter" means any person or entity that transports recyclable materials from commercial or industrial generators over the public highways of the state of Washington for compensation, and who are required to possess a permit to operate from the Washington utilities and transportation commission under chapter 81.80 RCW. "Transporter" includes commercial recycling operations of certificated solid waste collection companies as provided in chapter 81.77 RCW. "Transporter" does not include:

(e) Common carriers under chapter 81.80 RCW whose primary business is not the transportation of recyclable materials.

(2) All transporters shall register with the department prior to the transportation of recyclable materials. The department shall supply forms for registration.

(3) A transporter who transports recyclable materials within the state without a transporter registration required by this section is subject to a civil penalty in an amount up to one thousand dollars per violation.

NEW SECTION. Sec. 5. A new section is added to chapter 70.95 RCW to read as follows:

(1) A transporter may not deliver any recyclable materials for disposal to a transfer station or landfill.

(2) A transporter shall keep records of locations and quantities specifically identified in relation to a generator's name, service date, address, and invoice, documenting where recyclables have been sold, delivered for processing, or otherwise marketed. These records must be retained for two years from the date of collection, and must be made accessible for inspection by the department and the local health department.

(3) A transporter who violates the provisions of this section is subject to a civil penalty of up to one thousand dollars per violation.

NEW SECTION. Sec. 6. A new section is added to chapter 70.95 RCW to read as follows:

Any person damaged by a violation of sections 4 through 8 of this act may bring a civil action for such a violation by seeking either injunctive relief or damages, or both, in the superior court of the county in which the violation took place or in Thurston county. The prevailing party in such an action is entitled to reasonable costs and attorneys' fees, including those on appeal.

NEW SECTION. Sec. 7. A new section is added to chapter 70.95 RCW to read as follows:

(1) All facilities that recycle solid waste, except for those facilities with a current solid waste handling permit issued under RCW 70.95.170, must notify the department in writing within thirty days prior to operation, or ninety days from the effective date of this section for existing recycling operations, of the intent to conduct recycling in accordance with this section.

Notification must be in writing, and include:

- (a) Contact information for the person conducting the recycling activity;

(2) Each facility that recycles solid waste, except those facilities with a current solid waste handling permit issued under RCW 70.95.170, shall prepare and submit an annual report to the department by April 1st on forms supplied by the department. The annual report must detail recycling activities during the previous calendar year and include the following information:

- (a) The name and address of the recycling operation;
- (b) The calendar year covered by the report;
- (c) The annual quantities and types of waste received, recycled, and disposed, in tons, for purposes of determining progress towards achieving the goals of waste reduction, waste recycling, and treatment in accordance with RCW 70.95.010(4); and

(d) Any additional information required by written notification of the department that is needed to determine progress towards achieving the goals of waste reduction, waste recycling, and treatment in accordance with RCW 70.95.010(4).

(3) Any facility, except for product take-back centers, that recycles solid waste materials within the state without first obtaining a solid waste handling permit under RCW 70.95.170 or completing a notification under this section is subject to a civil penalty of up to one thousand dollars per violation.

NEW SECTION. Sec. 8. A new section is added to chapter 70.95 RCW to read as follows:

(1) The department may adopt rules that establish financial assurance requirements for recycling facilities that do not already have financial assurance requirements under this chapter, or are not already specifically exempted from financial assurance requirements under this chapter. The financial assurance requirements must take into consideration the amounts and types of recyclable materials recycled at the facility, and the potential closure and postclosure costs associated with the recycling facility; which assurance may consist of posting of a surety bond in an amount sufficient to meet these requirements or other financial instrument, but in no case less than ten thousand dollars.

(2) A recycling facility is required to meet financial assurance requirements adopted by the department by rule, unless the facility is already required to provide financial assurance under other provisions of this chapter.

(3) Facilities that collect, recover, process, or otherwise recycle scrap metal, processed scrap metal, unprocessed home scrap metal, and unprocessed prompt scrap metal are exempt from the requirements of this section.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 11, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SENATE BILL NO. 5418, with the following amendment{s}:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 19.182 RCW to read as follows:

(1) A victim of identity theft who has submitted a valid police report to a consumer reporting agency may elect to place a security freeze on his or her report by making a request in writing by certified mail to a consumer reporting agency. "Security freeze" means a notice placed in a consumer's credit report, at the request of the consumer and subject to certain exceptions, that prohibits the consumer reporting agency from releasing the consumer's credit report or any information from it without the express authorization of the consumer. If a security freeze is in place, information from a consumer's credit report may not be released to a third party without prior express authorization from the consumer. This subsection does not prevent a consumer reporting agency from advising a third party that a security freeze is in effect with respect to the consumer's credit report.

(2) For purposes of this section and sections 2 through 5 of this act, a "victim of identity theft" means:

(a) A victim of identity theft as defined in RCW 9.35.020; or

(b) A person who has been notified by an agency, person, or business that owns or licenses computerized data of a breach in a computerized data system which has resulted in the acquisition of that person's unencrypted personal information by an unauthorized person or entity.

(3) A consumer reporting agency shall place a security freeze on a consumer's credit report no later than five business days after receiving a written request from the consumer.

MESSAGE FROM THE HOUSE

April 13, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5034, with the following amendment{s}:
Strike everything after the enacting clause and insert the following:

"PART I - FINDINGS AND INTENT

NEW SECTION. **Sec. 1.** The legislature finds that:

(1) Timely disclosure to voters of the identity and sources of funding for electioneering communications is vitally important to the integrity of state, local, and judicial elections.

(2) Electioneering communications that identify political candidates for state, local, or judicial office and that are distributed sixty days before an election for those offices are intended to influence voters and the outcome of those elections.

(3) The state has a compelling interest in providing voters information about electioneering communications in political campaigns concerning candidates for state, local, or judicial office so that voters can be fully informed as to the: (a) Source of support or opposition to those candidates; and (b) identity of persons attempting to influence the outcome of state, local, and judicial candidate elections.

(4) Nondisclosure of financial information about advertising that masquerades as relating only to issues and not to candidate campaigns fosters corruption or the appearance of corruption. These consequences can be substantially avoided by full disclosure of the identity and funding of those persons paying for such advertising.

(5) The United States supreme court held in *McConnell et al. v. Federal Elections Commission*, 540 U.S. 93, 124 S.Ct. 619, 157 L.Ed.2d 491 (2003) that speakers seeking to influence elections do not possess an inviolable free speech right to engage in electioneering communications regarding elections, including when issue advocacy is the functional equivalent of express advocacy. Therefore, such election campaign communications can be regulated and the source of funding disclosed.

(6) The state also has a sufficiently compelling interest in preventing corruption in political campaigns to justify and restore contribution limits and restrictions on the use of soft money in RCW 42.17.640. Those interests include restoring restrictions on the use of such funds for electioneering communications, as well as the laws preventing circumvention of those limits and restrictions.

NEW SECTION. **Sec. 2.** Based upon the findings in section 1 of this act, this act is narrowly tailored to accomplish the following and is intended to:

(1) Improve the disclosure to voters of information concerning persons and entities seeking to influence state, local, and judicial campaigns through reasonable and effective mechanisms, including improving disclosure of the source, identity, and funding of electioneering communications concerning state, local, and judicial candidate campaigns;

(2) Regulate electioneering communications that mention state, local, and judicial candidates and that are broadcast, mailed, erected, distributed, or otherwise published right before the election so that the public knows who is paying for such communications;

(3) Reenact and amend the contribution limits in RCW 42.17.640 (6) and (14) and the restrictions on the use of soft money, including as applied to electioneering communications, as those limits and restrictions were in effect following the passage of chapter 2, Laws of 1993 (Initiative No. 134) and before the state supreme court decision in *Washington State Republican Party v. Washington State Public Disclosure Commission*, 141 Wn.2d 245, 4 P.3d 808 (2000). The commission is authorized to fully restore the implementation of the limits and restrictions of RCW 42.17.640 (6) and (14) in light of *McConnell*

et al. v. Federal Elections Commission, 540 U.S. 93, 124 S.Ct. 619, 157 L.Ed.2d 491 (2003). The United States supreme court upheld the disclosure and regulation of electioneering communications in political campaigns, including but not limited to issue advocacy that is the functional equivalent of express advocacy;

(4) Authorize the commission to adopt rules to implement this act.

PART II - ELECTIONEERING COMMUNICATIONS

NEW SECTION. Sec. 3. (1) A payment for or promise to pay for any electioneering communication shall be reported to the commission by the sponsor on forms the commission shall develop by rule to include, at a minimum, the following information:

(a) Name and address of the sponsor;

(b) Source of funds for the communication, including:

(i) General treasury funds. The name and address of businesses, unions, groups, associations, or other organizations using general treasury funds for the communication, however, if a business, union, group, association, or other organization undertakes a special solicitation of its members or other persons for an electioneering communication, or it otherwise receives funds for an electioneering communication, that entity shall report pursuant to (b)(ii) of this subsection;

(ii) Special solicitations and other funds. The name, address, and, for individuals, occupation and employer, of a person whose funds were used to pay for the electioneering communication, along with the amount, if such funds from the person have exceeded two hundred fifty dollars in the aggregate for the electioneering communication; and

(iii) Any other source information required or exempted by the commission by rule;

(c) Name and address of the person to whom an electioneering communication related expenditure was made;

(d) A detailed description of each expenditure of more than one hundred dollars;

(f) The amount of the expenditure;

(g) The name of each candidate clearly identified in the electioneering communication, the office being sought by each candidate, and the amount of the expenditure attributable to each candidate; and

(h) Any other information the commission may require or exempt by rule.

(2) Electioneering communications shall be reported as follows: The sponsor of an electioneering communication shall report to the commission within twenty-four hours of, or on the first working day after, the date the electioneering communication is broadcast, transmitted, mailed, erected, distributed, or otherwise published.

(3) Electioneering communications shall be reported electronically by the sponsor using software provided or approved by the commission. The commission may make exceptions on a case-by-case basis for a sponsor who lacks the technological ability to file reports using the electronic means provided or approved by the commission.

(4) All persons required to report under RCW 42.17.065, 42.17.080, 42.17.090, and 42.17.100 are subject to the requirements of this section, although the commission may determine by rule that persons filing according to those sections may be exempt from reporting some of the information otherwise required by this section. The commission may determine that reports filed pursuant to this section also satisfy the requirements of RCW 42.17.100 and 42.17.103.

(5) Failure of any sponsor to report electronically under this section shall be a violation of this chapter.

NEW SECTION. Sec. 4. (1) An electioneering communication made by a person in cooperation, consultation, or concert with, or at the request or suggestion of, a candidate, a candidate's authorized committee, or their agents is a contribution to the candidate.

(2) An electioneering communication made by a person in cooperation, consultation, or concert with, or at the request or suggestion of, a political committee or its agents is a contribution to the political committee.

(3) If an electioneering communication is not a contribution pursuant to subsection (1) or (2) of this section, the sponsor shall file an affidavit or declaration so stating at the time the sponsor is required to report the electioneering communication expense under section 3 of this act.

NEW SECTION. Sec. 5. (1) The sponsor of an electioneering communication shall preserve all financial records relating to the communication, including books of account, bills, receipts, contributor information, and ledgers, for not less than five calendar years following the year in which the communication was broadcast, transmitted, mailed, erected, or otherwise published.

(2) All reports filed under section 3 of this act shall be certified as correct by the sponsor. If the sponsor is an individual using his or her own funds to pay for the communication, the certification shall be signed by the individual. If the

sponsor is a political committee, the certification shall be signed by the committee treasurer. If the sponsor is another entity, the certification shall be signed by the individual responsible for authorizing the expenditure on the entity's behalf.

MOTION

Senator Kastama moved that the Senate concur in the House amendment(s) to Engrossed Substitute Senate Bill No. 5034.

The President declared the question before the Senate to be the motion by Senator Kastama that the Senate concur in the House amendment(s) to Engrossed Substitute Senate Bill No. 5034.

POINT OF ORDER

Senator Benton: "As it passed the Senate, Engrossed Substitute Senate Bill No. 5034 focused solely on electioneering communications. It defined electioneering communications and required twenty-four hour reporting of independent expenditures of over five thousand dollars within sixty days of an election and independent expenditures or electioneering communications transmitted through TV or other media to contain information regarding who paid for the advertisement. The House amendment adds provisions that have no connection to electioneering communications. None what so ever. Instead, it addresses a recent Supreme Court decision holding that, even if it a corporation or a union has multiple divisions, they share a single contribution limit. The amendment attempts to overturn the decision of the Court by allowing each union or corporation and their local affiliates to operate under separate contribution limits in most circumstances. The amendment also provides an emergency clause for these new provisions. The amendment does not deal with reporting of contributions of any kind, much less reporting of electioneering communications which is, in fact, the subject of the underline bill. For these reasons I submit that the House amendment is beyond the scope and object of the underline bill and ask you to rule as such."

Senator Kastama spoke against the point of order.

MOTION

On motion of Senator Eide, further consideration of Engrossed Substitute Senate Bill No. 5034 was deferred and the bill held its place on the concurrence calendar.

(REVISED FOR ENGROSSED: Allowing counties and cities one additional year to comply with certain specified requirements of RCW 36.70A.130.)

The measure was read the second time.

MOTION

Senator Kastama moved that the following striking amendment by Senators Kastama and Berkey be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes the importance of appropriate and meaningful land use measures and that such measures are critical to preserving and fostering the quality of life enjoyed by Washingtonians. The legislature recognizes also that the growth management act requires counties and cities to review and, if needed, revise their comprehensive plans and development regulations on a cyclical basis. These requirements, which often require significant compliance efforts by local governments are, in part, an acknowledgment of the continual changes that occur within the state, and the need to ensure that land use measures reflect the collective wishes of its citizenry.

The legislature acknowledges that only those jurisdictions in compliance with the review and revision schedules of the growth management act are eligible to receive funds from the public works assistance and water quality accounts in the state treasury. The legislature further recognizes that some jurisdictions that are not yet in compliance with these review and revision schedules have demonstrated substantial progress towards compliance.

The legislature, therefore, intends to grant jurisdictions that are not in compliance with requirements for development regulations that protect critical areas, but are demonstrating substantial progress towards compliance with these requirements, twelve months of additional eligibility to receive grants, loans, pledges, or financial guarantees from the public works assistance and water quality accounts in the state treasury. The legislature intends to specify, however, that only counties and cities in compliance with the review and revision schedules of the growth management act may receive preference for financial assistance from these accounts.

Sec. 2. RCW 36.70A.130 and 2002 c 320 s 1 are each amended to read as follows:

(1)(a) Each comprehensive land use plan and development regulations shall be subject to continuing review and evaluation by the county or city that adopted them. Except as otherwise provided, a county or city shall take legislative action to review and, if needed, revise its comprehensive land use plan and development regulations to ensure the plan and regulations comply with the requirements of this chapter according to the time periods specified in subsection (4) of this section.

(b) Except as otherwise provided, a county or city not planning under RCW 36.70A.040 shall take action to review and, if needed, revise its policies and development regulations regarding critical areas and natural resource lands adopted according to this chapter to ensure these policies and regulations comply with the requirements of this chapter according to the time periods specified in subsection (4) of this section. Legislative action means the adoption of a resolution or ordinance following notice and a public hearing indicating at a minimum, a finding that a review and evaluation has occurred and identifying the revisions made, or that a revision was not needed and the reasons ~~((therefore))~~ therefor.

(c) The review and evaluation required by this subsection may be combined with the review required by subsection (3) of this section. The review and evaluation required by this subsection shall include, but is not limited to, consideration of critical area ordinances and, if planning under RCW 36.70A.040, an analysis of the population allocated to a city or county from the most recent ten-year population forecast by the office of financial management.

~~((b))~~ (d) Any amendment of or revision to a comprehensive land use plan shall conform to this chapter. Any amendment of or revision to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program consistent with RCW 36.70A.035 and 36.70A.140 that identifies procedures and schedules whereby updates, proposed amendments, or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year. "Updates" means to review and revise, if needed, according to subsection (1) of this section, and the time periods specified in subsection (4) of this section or in accordance with the provisions of subsection (8) of this section. Amendments may be considered more frequently than once per year under the following circumstances:

(i) The initial adoption of a subarea plan that does not modify the comprehensive plan policies and designations applicable to the subarea;

(ii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW; and

(iii) The amendment of the capital facilities element of a comprehensive plan that occurs concurrently with the adoption or amendment of a county or city budget.

(b) Except as otherwise provided in (a) of this subsection, all proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with a growth management hearings board or with the court.

(3)(a) Each county that designates urban growth areas under RCW 36.70A.110 shall review, at least every ten years, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas.

(b) The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period. The review required by this subsection may be combined with the review and evaluation required by RCW 36.70A.215.

(4) The department shall establish a schedule for counties and cities to take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter. Except as provided in subsection (8) of this section, the schedule established by the department shall provide for the reviews and evaluations to be completed as follows:

(a) On or before December 1, 2004, and every seven years thereafter, for Clallam, Clark, Jefferson, King, Kitsap, Pierce, Snohomish, Thurston, and Whatcom counties and the cities within those counties;

(b) On or before December 1, 2005, and every seven years thereafter, for Cowlitz, Island, Lewis, Mason, San Juan, Skagit, and Skamania counties and the cities within those counties;

(c) On or before December 1, 2006, and every seven years thereafter, for Benton, Chelan, Douglas, Grant, Kittitas, Spokane, and Yakima counties and the cities within those counties; and

(d) On or before December 1, 2007, and every seven years thereafter, for Adams, Asotin, Columbia, Ferry, Franklin, Garfield, Grays Harbor, Klickitat, Lincoln, Okanogan, Pacific, Pend Oreille, Stevens, Wahkiakum, Walla Walla, and Whitman counties and the cities within those counties.

(5)(a) Nothing in this section precludes a county or city from conducting the review and evaluation required by this section before the time limits established in subsection (4) of this section. Counties and cities may begin this process early and may be eligible for grants from the department, subject to available funding, if they elect to do so.

(b) State agencies are encouraged to provide technical assistance to the counties and cities in the review of critical area ordinances, comprehensive plans, and development regulations.

(6) A county or city subject to the time periods in subsection (4)(a) of this section that, pursuant to an ordinance adopted by the county or city establishing a schedule for periodic review of its comprehensive plan and development regulations, has conducted a review and evaluation of its comprehensive plan and development regulations and, on or after January 1, 2001, has taken action in response to that review and evaluation shall be deemed to have conducted the first review required by subsection (4)(a) of this section. Subsequent review and evaluation by the county or city of its comprehensive plan and development regulations shall be conducted in accordance with the time periods established under subsection (4)(a) of this section.

(7) The requirements imposed on counties and cities under this section shall be considered "requirements of this chapter" under the terms of RCW 36.70A.040(1). Only those counties and cities in compliance with the schedules in this section ~~((shall have the requisite authority to))~~ and those counties and cities demonstrating substantial progress towards compliance with the schedules in this section for development regulations that protect critical areas may receive grants, loans, pledges, or financial guarantees from those accounts established in RCW 43.155.050 and 70.146.030. A county or city that is fewer than twelve

months out of compliance with the schedules in this section for development regulations that protect critical areas is deemed to be making substantial progress towards compliance. Only those counties and cities in compliance with the schedules in this section ~~((shall))~~ may receive preference for grants or loans subject to the provisions of RCW 43.17.250.

(8)(a) Counties and cities required to satisfy the requirements of this section according to the schedule established by subsection (4)(b) through (d) of this section may comply with the requirements of this section for development regulations that protect critical areas one year after the dates established in subsection (4)(b) through (d) of this section.

(b) Counties and cities complying with the requirements of this section one year after the dates established in subsection (4)(b) through (d) of this section for development regulations that protect critical areas shall be deemed in compliance with the requirements of this section.

(c) This subsection (8) applies only to the counties and cities specified in subsection (4)(b) through (d) of this section, and only to the requirements of this section for development regulations that protect critical areas that must be satisfied by December 1, 2005, December 1, 2006, and December 1, 2007.

(9) Notwithstanding subsection (8) of this section and the substantial progress provisions of subsections (7) and (10) of this section, only those counties and cities complying with the schedule in subsection (4) of this section may receive preferences for grants, loans, pledges, or financial guarantees from those accounts established in RCW 43.155.050 and 70.146.030.

(10) Until December 1, 2005, and notwithstanding subsection (7) of this section, a county or city subject to the time periods in subsection (4)(a) of this section demonstrating substantial progress towards compliance with the schedules in this section for its comprehensive land use plan and development regulations may receive grants, loans, pledges, or financial guarantees from those accounts established in RCW 43.155.050 and 70.146.030. A county or city that is fewer than twelve months out of compliance with the schedules in this section for its comprehensive land use plan and development regulations is deemed to be making substantial progress towards compliance.

MESSAGE FROM THE HOUSE

April 7, 2005

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5914, with the following amendment{s}:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 77.85.130 and 2000 c 107 s 102 and 2000 c 15 s 1 are each reenacted and amended to read as follows:

(1) The salmon recovery funding board shall develop procedures and criteria for allocation of funds for salmon habitat projects and salmon recovery activities on a statewide basis to address the highest priorities for salmon habitat protection and restoration. To the extent practicable the board shall adopt an annual allocation of funding. The allocation should address both protection and restoration of habitat, and should recognize the varying needs in each area of the state on an equitable basis. The board has the discretion to partially fund, or to fund in phases, salmon habitat projects. The board may annually establish a maximum amount of funding available for any individual project, subject to available funding. No projects required solely as a mitigation or a condition of permitting are eligible for funding.

(2)(a) In evaluating, ranking, and awarding funds for projects and activities the board shall give preference to projects that:

- (i) Are based upon the limiting factors analysis identified under RCW 77.85.060;
- (ii) Provide a greater benefit to salmon recovery based upon the stock status information contained in the department of fish and wildlife salmonid stock inventory (SASSI), the salmon and steelhead habitat inventory and assessment project (SSHIAP), and any comparable science-based assessment when available;
- (iii) Will benefit listed species and other fish species; and
- (iv) Will preserve high quality salmonid habitat.

(b) In evaluating, ranking, and awarding funds for projects and activities the board shall also give consideration to projects that:

- (i) Are the most cost-effective;
- (ii) Have the greatest matched or in-kind funding; and
- (iii) Will be implemented by a sponsor with a successful record of project implementation.

(3) The board may reject, but not add, projects from a habitat project list submitted by a lead entity for funding.

(4) For fiscal year 2000, the board may authorize the interagency review team to evaluate, rank, and make funding decisions for categories of projects or activities or from funding sources provided for categories of projects or activities. In delegating such authority the board shall consider the review team's staff resources, procedures, and technical capacity to meet the purposes and objectives of this chapter. The board shall maintain general oversight of the team's exercise of such authority.

(5) The board shall seek the guidance of the technical review team to ensure that scientific principles and information are incorporated into the allocation standards and into proposed projects and activities. If the technical review team determines that a habitat project list complies with the critical pathways methodology under RCW 77.85.060, it shall provide substantial weight to the list's project priorities when making determinations among applications for funding of projects within the area covered by the list.

(6) The board shall establish criteria for determining when block grants may be made to a lead entity or other recognized regional recovery entity consistent with one or more habitat project lists developed for that region. Where a lead entity has been established pursuant to RCW 77.85.050, the board may provide grants to the lead entity to assist in carrying out lead entity functions under this chapter, subject to available funding. The board shall determine an equitable minimum amount of funds for each region, and shall distribute the remainder of funds on a competitive basis.

(7) The board may waive or modify portions of the allocation procedures and standards adopted under this section in the award of grants or loans to conform to legislative appropriations directing an alternative award procedure or when the funds to be awarded are from federal or other sources requiring other allocation procedures or standards as a condition of the board's receipt of the funds. The board shall develop an integrated process to manage the allocation of funding from federal and state sources to minimize delays in the award of funding while recognizing the differences in state and legislative appropriation timing.

(8) The board may award a grant or loan for a salmon recovery project on private or public land when the landowner has a legal obligation under local, state, or federal law to perform the project, when expedited action provides a clear benefit to salmon recovery, and there will be harm to salmon recovery if the project is delayed. For purposes of this subsection, a legal obligation does not include a project required solely as a mitigation or a condition of permitting.

(9) ~~((The board may condition a grant or loan to include the requirement that property may only be transferred to a federal agency if the agency that will acquire the property agrees to comply with all terms of the grant or loan to which the project sponsor was obligated.))~~ Property acquired or improved by a project sponsor may be conveyed to a federal agency~~((, but only))~~ if: (a) The agency agrees to comply with all terms of the grant or loan to which the project sponsor was obligated; or (b) the board approves: (i) Changes in the terms of the grant or loan, and the revision or removal of binding deed of right instruments; and (ii) a memorandum of understanding or similar document ensuring that the facility or property will retain, to the extent feasible, adequate habitat protections; and (c) the appropriate legislative authority of the county or city with jurisdiction over the project area approves the transfer and provides notification to the board."

and the same are herewith transmitted.

RICHARD NAFZIGER, Chief Clerk

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5581, with the following amendment{s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. LEGISLATIVE DECLARATION. The legislature declares that promoting the health of state residents is a fundamental purpose of state government. The legislature declares it to be a clear public purpose and governmental function to promote life sciences research to foster a preventive and predictive vision of the next generation of health-related innovations, to enhance the competitive position of Washington state in this vital sector of the economy, and to improve the quality and delivery of health care for the people of Washington. The legislature finds that public support for and promotion of life sciences research will benefit the state and its residents through improved health status and health outcomes, economic development, and contributions to scientific knowledge, and such research will lead to breakthroughs and improvements that might not otherwise be discovered due to lack of existing market incentives, especially in the area of regenerative medicine. The legislature finds that public support for and promotion of life sciences research has the potential to provide cures or new treatments for many debilitating diseases that cost the state millions of dollars each year. It is appropriate and consistent with the intent of the master settlement agreement between the state and tobacco product manufacturers to invest a portion of the revenues derived therefrom by the state in life sciences research, to leverage the revenues with other funds, and to encourage cooperation and innovation among public and private institutions involved in life sciences research. The purpose of this chapter is to establish a life sciences discovery fund authority, to grant that authority the power to contract with the state to receive revenues under the master settlement agreement, and to contract with other entities to receive other funds, and to disburse those funds consistent with the purpose of this chapter. The life sciences discovery fund is intended to promote the best available research in life sciences disciplines through diverse Washington institutions and to build upon existing strengths in the area of biosciences and biomanufacturing in order to spread the economic benefits across the state. The life sciences discovery fund is also intended to foster improved health care outcomes and improved agricultural production research across this state and the world. The research investments of the life sciences discovery fund are intended to further the goals of the "Bio 21" report and to support future statewide, comprehensive strategies to lead the nation in life sciences-related research and employment.

NEW SECTION. Sec. 2. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authority" means the life sciences discovery fund authority created in this chapter.

(2) "Board" means the governing board of trustees of the authority.

(3) "Contribution agreement" means any agreement authorized under this chapter in which a private entity or a public entity other than the state agrees to provide to the authority contributions for the purpose of promoting life sciences research.

(4) "Life sciences research" means advanced and applied research and development intended to improve human health, including scientific study of the developing brain and human learning and development, and other areas of scientific research and development vital to the state's economy.

(5) "Master settlement agreement" means the national master settlement agreement and related documents entered into on November 23, 1998, by the state and the four principal United States tobacco product manufacturers, as amended and supplemented, for the settlement of litigation brought by the state against the tobacco product manufacturers.

(6) "Public employee" means any person employed by the state of Washington or any agency or political subdivision thereof.

(7) "Public facilities" means any public institution, public facility, public equipment, or any physical asset owned, leased, or controlled by the state of Washington or any agency or political subdivision thereof.

(8) "Public funds" means any funds received or controlled by the state of Washington or any agency or political subdivision thereof, including, but not limited to, funds derived from federal, state, or local taxes, gifts or grants from any source, public or private, federal grants or payments, or intergovernmental transfers.

(9) "State agreement" means the agreement authorized under this chapter in which the state provides to the authority the strategic contribution payments required to be made by tobacco product manufacturers to the state and the state's rights to receive such payments, pursuant to the master settlement agreement, for the purpose of promoting life sciences research.

(10) "Strategic contribution payments" means the payments designated as such under the master settlement agreement, which will be made to the state in the years 2008 through 2017.

NEW SECTION. Sec. 3. LIFE SCIENCES DISCOVERY FUND AUTHORITY--ESTABLISHED. (1) The life sciences discovery fund authority is created and constitutes a public instrumentality and agency of the state, separate and distinct from the state, exercising public and essential governmental functions.

(2) The powers of the authority are vested in and shall be exercised by a board of trustees consisting of: Two members of either the house appropriations committee or the house committee dealing with technology issues, one from each caucus, to be appointed by the speaker of the house of representatives; two members of either the senate committee on ways and means or the senate committee dealing with technology issues, one from each caucus, to be appointed by the president of the senate; and seven members appointed by the governor with the consent of the senate, one of whom shall be appointed by the governor as chair of the authority and who shall serve on the board and as chair of the authority at the pleasure of the governor. The respective officials shall make the initial appointments no later than thirty days after the effective date of this section. The term of the trustees, other than the chair, is four years from the date of their appointment, except that the terms of three of the initial gubernatorial appointees, as determined by the governor, are for two years from the date of their appointment. A trustee appointed by the governor may be removed by the governor for cause under RCW 43.06.070 and 43.06.080. The appropriate official shall fill any vacancy on the board by appointment for the remainder of the unexpired term. The trustees appointed by the governor shall be compensated in accordance with RCW 43.03.240 and may be reimbursed, solely from the funds of the authority, for expenses incurred in the discharge of their duties under this chapter, subject to RCW 43.03.050 and 43.03.060. NEW SECTION. Sec. 5. A new section is added to chapter 79A.15 RCW to read as follows:

A state or local agency shall review the proposed project application with the county or city with jurisdiction over the project area prior to applying for funds for the acquisition of property under this chapter. The appropriate county or city legislative authority may, at its discretion, submit a letter to the committee identifying the authority's position with regard to the acquisition project. The committee shall make the letters received under this section available to the governor and the legislature when the prioritized project list is submitted under section 6 of this act, RCW 79A.15.060, and 79A.15.070.

NEW SECTION. Sec. 6. A new section is added to chapter 79A.15 RCW to read as follows:

(1) The riparian protection account is established in the state treasury. The committee must administer the account in accordance with chapter 79A.25 RCW and this chapter, and hold it separate and apart from all other money, funds, and accounts of the committee.

(2) Moneys appropriated for this chapter to the riparian protection account must be distributed for the acquisition or enhancement or restoration of riparian habitat. All enhancement or restoration projects, except those qualifying under subsection (10)(a) of this section, must include the acquisition of a real property interest in order to be eligible.

(3) State and local agencies and lead entities under chapter 77.85 RCW may apply for acquisition and enhancement or restoration funds for riparian habitat projects under subsection (1) of this section. Other state agencies not defined in RCW 79A.15.010, such as the department of transportation and the department of corrections, may enter into interagency agreements with state agencies to apply in partnership for funds under this section.

(4) The committee may adopt rules establishing acquisition policies and priorities for distributions from the riparian protection account.

(5) Except as provided in RCW 79A.15.030(7), moneys appropriated for this section may not be used by the committee to fund staff positions or other overhead expenses, or by a state, regional, or local agency to fund operation or maintenance of areas acquired under this chapter.

(6) Moneys appropriated for this section may be used by grant recipients for costs incidental to restoration and acquisition, including, but not limited to, surveying expenses, fencing, and signing.

(7) Moneys appropriated for this section may be used to fund mitigation banking projects involving the restoration, creation, enhancement, or preservation of riparian habitat, provided that the parties seeking to use the mitigation bank meet the matching requirements of subsection (8) of this section. The moneys from this section may not be used to supplant an obligation of a state or local agency to provide mitigation. For the purposes of this section, a mitigation bank means a site or sites where riparian habitat is restored, created, enhanced, or in exceptional circumstances, preserved expressly for the purpose of providing compensatory mitigation in advance of authorized project impacts to similar resources.

(8) The committee may not approve a local project where the local agency share is less than the amount to be awarded from the riparian protection account. In-kind contributions, including contributions of a real property interest in land may be used to satisfy the local agency's share.

(9) State agencies receiving grants for acquisition of land under this section must pay an amount in lieu of real property taxes equal to the amount of tax that would be due if the land were taxable as open space land under chapter 84.34 RCW except taxes levied for any state purpose, plus an additional amount for control of noxious weeds equal to that which would be paid if such lands were privately owned. The county assessor and county legislative authority shall assist in determining the appropriate calculation of the amount of tax that would be due.

(10) In determining acquisition priorities with respect to the riparian protection account, the committee must consider, at a minimum, the following criteria:

(a) Whether the project continues the conservation reserve enhancement program. Applications that extend the duration of leases of riparian areas that are currently enrolled in the conservation reserve enhancement program shall be eligible. Such applications are eligible for a conservation lease extension of at least twenty-five years of duration;

(b) Whether the projects are identified or recommended in a watershed planning process under chapter 247, Laws of 1998, salmon recovery planning under chapter 77.85 RCW, or other local plans, such as habitat conservation plans, and these must be highly considered in the process;

(c) Whether there is community support for the project;

(d) Whether the proposal includes an ongoing stewardship program that includes control of noxious weeds, detrimental invasive species, and that identifies the source of the funds from which the stewardship program will be funded;

(e) Whether there is an immediate threat to the site;

(f) Whether the quality of the habitat is improved or, for projects including restoration or enhancement, the potential for restoring quality habitat including linkage of the site to other high quality habitat;

(g) Whether the project is consistent with a local land use plan, or a regional or statewide recreational or resource plan. The projects that assist in the implementation of local shoreline master plans updated according to RCW 90.58.080 or local comprehensive plans updated according to RCW 36.70A.130 must be highly considered in the process;

(h) Whether the site has educational or scientific value; and

(i) Whether the site has passive recreational values for walking trails, wildlife viewing, or the observation of natural settings.

(11) Before November 1st of each even-numbered year, the committee will recommend to the governor a prioritized list of projects to be funded under this section. The governor may remove projects from the list recommended by the committee

and will submit this amended list in the capital budget request to the legislature. The list must include, but not be limited to, a description of each project and any particular match requirement.

NEW SECTION. Sec. 7. A new section is added to chapter 79A.15 RCW to read as follows:

(1) The farmlands preservation account is established in the state treasury. The committee will administer the account in accordance with chapter 79A.25 RCW and this chapter, and hold it separate and apart from all other money, funds, and accounts of the committee. Moneys appropriated for this chapter to the farmlands preservation account must be distributed for the acquisition and preservation of farmlands in order to maintain the opportunity for agricultural activity upon these lands.

(2)(a) Moneys appropriated for this chapter to the farmlands preservation account may be distributed for (i) the fee simple or less than fee simple acquisition of farmlands; (ii) the enhancement or restoration of ecological functions on those properties; or (iii) both. In order for a farmland preservation grant to provide for an environmental enhancement or restoration project, the project must include the acquisition of a real property interest.

(b) If a city or county acquires a property through this program in fee simple, the city or county shall endeavor to secure preservation of the property through placing a conservation easement, or other form of deed restriction, on the property which dedicates the land to agricultural use and retains one or more property rights in perpetuity. Once an easement or other form of deed restriction is placed on the property, the city or county shall seek to sell the property, at fair market value, to a person or persons who will maintain the property in agricultural production. Any moneys from the sale of the property shall either be used to purchase interests in additional properties which meet the criteria in subsection (9) of this section, or to repay the grant from the state which was originally used to purchase the property.

(3) Cities and counties may apply for acquisition and enhancement or restoration funds for farmland preservation projects within their jurisdictions under subsection (1) of this section.

(4) The committee may adopt rules establishing acquisition and enhancement or restoration policies and priorities for distributions from the farmlands preservation account.

(5) The acquisition of a property right in a project under this section by a county or city does not provide a right of access to the property by the public unless explicitly provided for in a conservation easement or other form of deed restriction.

(6) Except as provided in RCW 79A.15.030(7), moneys appropriated for this section may not be used by the committee to fund staff positions or other overhead expenses, or by a city or county to fund operation or maintenance of areas acquired under this chapter.

(7) Moneys appropriated for this section may be used by grant recipients for costs incidental to restoration and acquisition, including, but not limited to, surveying expenses, fencing, and signing.

(8) The committee may not approve a local project where the local agency's share is less than the amount to be awarded from the farmlands preservation account. In-kind contributions, including contributions of a real property interest in land, may be used to satisfy the local agency's share.

(9) In determining the acquisition priorities, the committee must consider, at a minimum, the following criteria:

- (a) Community support for the project;
- (b) A recommendation as part of a limiting factors or critical pathways analysis, a watershed plan or habitat conservation plan, or a coordinated regionwide prioritization effort;
- (c) The likelihood of the conversion of the site to nonagricultural or more highly developed usage;
- (d) Consistency with a local land use plan, or a regional or statewide recreational or resource plan. The projects that assist in the implementation of local shoreline master plans updated according to RCW 90.58.080 or local comprehensive plans updated according to RCW 36.70A.130 must be highly considered in the process;
- (e) Benefits to salmonids;
- (f) Benefits to other fish and wildlife habitat;
- (g) Integration with recovery efforts for endangered, threatened, or sensitive species;
- (h) The viability of the site for continued agricultural production, including, but not limited to:
 - (i) Soil types;
 - (ii) On-site production and support facilities such as barns, irrigation systems, crop processing and storage facilities, wells, housing, livestock sheds, and other farming infrastructure;
 - (iii) Suitability for producing different types or varieties of crops;
 - (iv) Farm-to-market access;
 - (v) Water availability; and
- (i) Other community values provided by the property when used as agricultural land, including, but not limited to:
 - (i) Viewshed;
 - (ii) Aquifer recharge;
 - (iii) Occasional or periodic collector for storm water runoff;

- (iv) Agricultural sector job creation;
- (v) Migratory bird habitat and forage area; and
- (vi) Educational and curriculum potential.

(10) In allotting funds for environmental enhancement or restoration projects, the committee will require the projects to meet the following criteria:

- (a) Enhancement or restoration projects must further the ecological functions of the farmlands;
- (b) The projects, such as fencing, bridging watercourses, replanting native vegetation, replacing culverts, clearing of waterways, etc., must be less than fifty percent of the acquisition cost of the project including any in-kind contribution by any party;
- (c) The projects should be based on accepted methods of achieving beneficial enhancement or restoration results; and
- (d) The projects should enhance the viability of the preserved farmland to provide agricultural production while conforming to any legal requirements for habitat protection.

(11) Before November 1st of each even-numbered year, the committee will recommend to the governor a prioritized list of all projects to be funded under this section. The governor may remove projects from the list recommended by the committee and must submit this amended list in the capital budget request to the legislature. The list must include, but not be limited to, a description of each project and any particular match requirement.

Sec. 8. RCW 79A.15.060 and 2000 c 11 s 67 are each amended to read as follows:

(1) The committee may adopt rules establishing acquisition policies and priorities for distributions from the habitat conservation account.

(2) ~~Except as provided in RCW 79A.15.030(7), moneys appropriated for this chapter may not be used by the committee to fund ((additional)) staff positions or other overhead expenses, or by a state, regional, or local agency to fund operation ((and)) or maintenance of areas acquired under this chapter((, except that the committee may use moneys appropriated for this chapter for the fiscal biennium ending June 30, 2001, for the administrative costs of implementing the pilot watershed plan implementation program established in section 329(6), chapter 235, Laws of 1997, and developing an inventory of publicly owned lands established in section 329(7), chapter 235, Laws of 1997)).~~

For the purposes of this section, a mitigation bank means a site or sites where critical habitat or urban wildlife habitat is restored, created, enhanced, or in exceptional circumstances, preserved expressly for the purpose of providing compensatory mitigation in advance of authorized project impacts to similar resources.

(5) The committee may not approve a local project where the local agency share is less than the amount to be awarded from the habitat conservation account.

(3) On or before December 31, 2001, the department shall adjust by rule under chapter 34.05 RCW, the forest land values contained in subsection (2) of this section in accordance with this subsection, and shall certify the adjusted values to the assessor who will use these values in preparing the assessment roll as of January 1, 2002. For the adjustment to be made on or before December 31, 2001, for use in the 2002 assessment year, the department shall:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1996, and June 30, 2001, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(b) Divide the aggregate value of all timber harvested within the state between July 1, 1995, and June 30, 2000, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(c) Adjust the forest land values contained in subsection (2) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

(4) For the adjustments to be made on or before December 31, 2002, and each succeeding year thereafter, the same procedure described in subsection (3) of this section shall be followed using harvester excise tax returns filed under RCW 84.33.074. However, this adjustment shall be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values shall be successively one year more recent.

(5) Land graded, assessed, and valued as forest land shall continue to be so graded, assessed, and valued until removal of designation by the assessor upon the occurrence of any of the following:

(a) Receipt of notice from the owner to remove the designation;

(b) Sale or transfer to an ownership making the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of forest land designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of designation. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated under subsection (11) of this section shall become due and payable by the seller or transferor at time of sale. The auditor shall not accept an instrument of conveyance regarding designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (11) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:

(i) The land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (13) or (14) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in the designated forest land by means of a transaction that qualifies for an exemption under subsection (13) or (14) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control, and forest debris provisions of Title 76 RCW or any applicable rules under Title 76 RCW; or

(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.

(6) Land shall not be removed from designation if there is a governmental restriction that prohibits, in whole or in part, the owner from harvesting timber from the owner's designated forest land. If only a portion of the parcel is impacted by governmental restrictions of this nature, the restrictions cannot be used as a basis to remove the remainder of the forest land from designation under this chapter. For the purposes of this section, "governmental restrictions" includes: (a) Any law, regulation, rule, ordinance, program, or other action adopted or taken by a federal, state, county, city, or other governmental entity; or (b) the land's zoning or its presence within an urban growth area designated under RCW 36.70A.110.

(7) The assessor shall have the option of requiring an owner of forest land to file a timber management plan with the assessor upon the occurrence of one of the following:

(a) An application for designation as forest land is submitted; or

(b) Designated forest land is sold or transferred and a notice of continuance, described in subsection (5)(c) of this section, is signed.

(8) If land is removed from designation because of any of the circumstances listed in subsection (5)(a) through (c) of this section, the removal shall apply only to the land affected. If land is removed from designation because of subsection (5)(d) of this section, the removal shall apply only to the actual area of land that is no longer primarily devoted to the growing and harvesting of timber, without regard to any other land that may have been included in the application and approved for designation, as long as the remaining designated forest land meets the definition of forest land contained in RCW 84.33.035.

(9) Within thirty days after the removal of designation as forest land, the assessor shall notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(10) Unless the removal is reversed on appeal a copy of the notice of removal with a notation of the action, if any, upon appeal, together with the legal description or assessor's parcel numbers for the land removed from designation shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded and a notation of removal from designation shall immediately be made upon the assessment and tax rolls. The assessor shall revalue the land to be removed with reference to its true and fair value as of January 1st of the year of removal from designation. Both the assessed value before and after the removal of designation shall be listed. Taxes based on the value of the land as forest land shall be assessed and payable

up until the date of removal and taxes based on the true and fair value of the land shall be assessed and payable from the date of removal from designation.

(11) Except as provided in subsection (5)(c), (13), or (14) of this section, a compensating tax shall be imposed on land removed from designation as forest land. The compensating tax shall be due and payable to the treasurer thirty days after the owner is notified of the amount of this tax. As soon as possible after the land is removed from designation, the assessor shall compute the amount of compensating tax and mail a notice to the owner of the amount of compensating tax owed and the date on which payment of this tax is due. The amount of compensating tax shall be equal to the difference between the amount of tax last levied on the land as designated forest land and an amount equal to the new assessed value of the land multiplied by the dollar rate of the last levy extended against the land, multiplied by a number, in no event greater than nine, equal to the number of years for which the land was designated as forest land, plus compensating taxes on the land at forest land values up until the date of removal and the prorated taxes on the land at true and fair value from the date of removal to the end of the current tax year.

(12) Compensating tax, together with applicable interest thereon, shall become a lien on the land which shall attach at the time the land is removed from designation as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(13) The compensating tax specified in subsection (11) of this section shall not be imposed if the removal of designation under subsection (5) of this section resulted solely from:

- (a) Transfer to a government entity in exchange for other forest land located within the state of Washington;
- (b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;
- (c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW or approved for state natural resources conservation area purposes as defined in chapter 79.71 RCW. At such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (11) of this section shall be imposed upon the current owner;
- (d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;
- (e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of the land;
- (f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;
- (g) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040;
- (h) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (13)(h); or
- (i) The sale or transfer of land after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1993 and the sale or transfer takes place after July 22, 2001, and on or before July 22, 2003, and the death of the owner occurred after January 1, 1991. The date of death shown on a death certificate is the date used for the purposes of this subsection (13)(i).

(14) In a county with a population of more than one million inhabitants, the compensating tax specified in subsection (11) of this section shall not be imposed if the removal of designation as forest land under subsection (5) of this section resulted solely from:

- (a) An action described in subsection (13) of this section; or
- (b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax shall be imposed upon the current owner.

Sec. 14. RCW 77.12.203 and 1990 1st ex.s. c 15 s 11 are each amended to read as follows:

(1) Notwithstanding RCW 84.36.010 or other statutes to the contrary, the director shall pay by April 30th of each year on game lands in each county, if requested by an election under RCW 77.12.201, an amount in lieu of real property taxes equal to that amount paid on similar parcels of open space land taxable under chapter 84.34 RCW or the greater of seventy cents per acre per year or the amount paid in 1984 plus an additional amount for control of noxious weeds equal to that which would be paid if such lands were privately owned. This amount shall not be assessed or paid on department buildings, structures, facilities, game farms, fish hatcheries, tidelands, or public fishing areas of less than one hundred acres.

(2) "Game lands," as used in this section and RCW 77.12.201, means those tracts one hundred acres or larger owned in fee by the department and used for wildlife habitat and public recreational purposes. All lands purchased for wildlife habitat, public access or recreation purposes with federal funds in the Snake River drainage basin shall be considered game lands regardless of acreage.

(3) This section shall not apply to lands transferred after April 23, 1990, to the department from other state agencies.

(4) The county shall distribute the amount received under this section in lieu of real property taxes to all property taxing districts except the state in appropriate tax code areas the same way it would distribute local property taxes from private property. The county shall distribute the amount received under this section for weed control to the appropriate weed district.

NEW SECTION. Sec. 15. (1) The interagency committee for outdoor recreation may apply up to three percent of the funds appropriated for chapter 79A.15 RCW for the administration of the programs and purposes specified in chapter 79A.15 RCW.

(2) Habitat and recreation land and facilities acquired or developed with moneys appropriated for chapter 79A.15 RCW may not, without prior approval of the interagency committee for outdoor recreation, be converted to a use other than that for which funds were originally approved. The interagency committee for outdoor recreation shall adopt rules and procedures governing the approval of such a conversion.

(3) This section expires July 1, 2007.

NEW SECTION. Sec. 16. (1) The interagency committee for outdoor recreation, the department of fish and wildlife, the department of natural resources, and counties shall work together to obtain necessary information to complete a report on the fiscal impact of payments in lieu of taxes provided for in this act.

(2) The report shall include a financial analysis determining the difference by county, for those counties having less than thirty percent of their total land in private ownership, of assessing property taxes on lands acquired under chapter 79A.15 RCW by state agencies based on one hundred percent of a property's true and fair value compared to assessing property as open space under chapter 84.34 RCW. The analysis shall also compare the fiscal impacts of using these different property tax rates by those counties for existing game lands held by the department of fish and wildlife and natural areas managed by the department of natural resources.

(3) The interagency committee for outdoor recreation shall provide the report to the appropriate committees of the legislature by December 1, 2005.

NEW SECTION. Sec. 17. Sections 1 through 14 of this act take effect July 1, 2007.

NEW SECTION. Sec. 18. Section 15 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2005."

SECOND READING

Generating revenues to fund Initiative No. 728. Revised for 1st Substitute: Generating new tax revenues to provide education funding.

The measure was read the second time.

MOTION

On motion of Senator Prentice, Substitute Senate Bill No. 6096 was not substituted for Engrossed Senate Bill No. 6096 and the substitute bill was not adopted.

PARLIAMENTARY INQUIRY

Senator Johnson: "Mr. President, a ruling is requested as to whether passage of this bill, Senate Bill No. 6096, would require two-thirds vote or a simple majority. I can elaborate on that now, or as the President wishes. Today, about seven or eight hours ago, the Washington Farm Bureau filed a referendum to overturn Substitute Senate Bill No. 6078. 6078 is the bill that rolled back, or, if you prefer, repealed Initiative 601. It's asserted that 6078 has an emergency clause, though a referendum was filed with the Secretary of State. I have a stamped copy to provide the President of that referendum filed today. It's asserted that, while it has an emergency clause, it's invalid on its face. An emergency clause is to be used when the immediate peace, health or safety or the support of state government is threatened. None of those is the case here. In addition to that, Mr. President, Substitute Senate Bill No. 6078 does not comply with Article 2, Section 37 of the Constitution, which was also one of the bases for the downfall of Initiative 695. That constitutional provision states that, 'No act shall ever be revised or amended by mere reference to its title, but the act revised or the section amended shall be set forth at full length.' That isn't what happened in Senate Bill No. 6078. Therefore, I request a ruling that two-thirds vote would be required to pass this bill, Senate Bill No. 6096."

Senator Rockefeller spoke against the point of order.

REPLY BY THE PRESIDENT

Senator Johnson: "We're going to move forward on the amendments while we're waiting for the ruling to be written up."

The President declared the question before the Senate to be the motion by Senator Prentice that the bill not be substituted.

The motion by Senator Prentice carried by voice vote.

MOTION

Senator Doumit moved that the following striking amendment by Senator Prentice be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that on February 3, 2005, the Washington state supreme court decided in *Estate of Hemphill v. Dep't of Rev.*, Docket No. 74974-4, that Washington's estate tax is tied to the current federal Internal Revenue Code. The legislature finds that the revenue loss resulting from the *Hemphill* decision will severely affect the legislature's ability to fund programs vital to the peace, health, safety, and support of the citizens of this state. The legislature intends to address the adverse fiscal impact of the *Hemphill* decision and provide funding for education by creating a stand-alone state estate tax.

If Washington Taxable

<u>Estate is at least</u>	<u>But Less Than</u>	<u>The amount of Tax Equals</u>		<u>Of Washington Taxable Estate Value Greater than</u>
		<u>Initial Tax Amount</u>	<u>Plus Tax Rate %</u>	
<u>\$0</u>	<u>\$1,000,000</u>	<u>\$0</u>	<u>10.00%</u>	<u>\$0</u>
<u>\$1,000,000</u>	<u>\$2,000,000</u>	<u>\$100,000</u>	<u>14.00%</u>	<u>\$1,000,000</u>
<u>\$2,000,000</u>	<u>\$3,000,000</u>	<u>\$240,000</u>	<u>15.00%</u>	<u>\$2,000,000</u>

(b) If any property in the decedent's estate is located outside of Washington, the amount of tax is the amount determined in (a) of this subsection multiplied by a fraction. The numerator of the fraction is the value of the property located in Washington. The denominator of the fraction is the value of the decedent's gross estate. Property qualifying for a deduction under section 4 of this act shall be excluded from the numerator and denominator of the fraction.

(3) The tax imposed under this section is a stand-alone estate tax that incorporates only those provisions of the Internal Revenue Code as amended or renumbered as of January 1, 2005, that do not conflict with the provisions of this chapter. The tax imposed under this chapter is independent of any federal estate tax obligation and is not affected by termination of the federal estate tax.

NEW SECTION. Sec. 4. A new section is added to chapter 83.100 RCW to read as follows:

(1) For the purposes of determining the Washington taxable estate, a deduction is allowed from the federal taxable estate for the value of qualified real property and the value of any tangible personal property used primarily for farming purposes conducted on the qualified real property, reduced by any amounts allowable as a deduction in respect of the qualified real property and tangible personal property under section 2053(a)(4) of the Internal Revenue Code, if the decedent was at the time of his or her death a citizen or resident of the United States. For the purposes of determining the deduction amount, the value of property is its value as used to determine the value of the gross estate.

(2) Property shall be considered to have been acquired from or to have passed from the decedent if:

(a) The property is so considered under section 1014(b) of the Internal Revenue Code;

(b) The property is acquired by any person from the estate; or

(c) The property is acquired by any person from a trust, to the extent the property is includible in the gross estate of the decedent.

(3) If the decedent and the decedent's surviving spouse at any time held qualified real property as community property, the interest of the surviving spouse in the property shall be taken into account under this section to the extent necessary to provide a result under this section with respect to the property which is consistent with the result which would have obtained under this section if the property had not been community property.

(4) In the case of any qualified woodland, the value of trees growing on the woodland may be deducted if otherwise qualified under this section.

(5) If property is qualified real property with respect to a decedent, hereinafter in this subsection referred to as the "first decedent," and the property was acquired from or passed from the first decedent to the surviving spouse of the first decedent, active management of the farm by the surviving spouse shall be treated as material participation by the surviving spouse in the operation of the farm.

(6) Property owned indirectly by the decedent may qualify for a deduction under this section if owned through an interest in a corporation, partnership, or trust as the terms corporation, partnership, or trust are used in section 2032A(g) of the Internal Revenue Code. In order to qualify for a deduction under this subsection, the interest, in addition to meeting the other tests for qualification under this section, must qualify under section 6166(b)(1) of the Internal Revenue Code as an interest in a closely held business on the date of the decedent's death and for sufficient other time, combined with periods of direct ownership, to equal at least five years of the eight-year period preceding the death.

(7)(a) If, on the date of the decedent's death, the requirements of subsection (10)(f)(i)(C)(II) of this section with respect to the decedent for any property are not met, and the decedent (i) was receiving old age benefits under Title II of the social security act for a continuous period ending on such date, or (ii) was disabled for a continuous period ending on this date, then subsection (10)(f)(i)(C)(II) of this section shall be applied with respect to the property by substituting "the date on which the longer of such continuous periods began" for "the date of the decedent's death" in subsection (10)(f)(i)(C) of this section.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of inquiry raised by Senator Johnson as to whether Senate Bill 6096 takes a simple majority or a two-thirds vote on final passage, the President finds and rules as follows:

Senator Johnson essentially argues that statutes enacted by Initiative No. 601 are still in force and effect notwithstanding the enactment, earlier this Session, of modifications to these statutes under Senate Bill 6078. He reasons that, because a referendum has been filed on Senate Bill 6078, its provisions are stayed from taking effect until the referendum is voted upon. For the sake of argument, the President takes notice of the fact that an Affidavit for Proposed Referendum Measure was filed with the Secretary of State today on Senate Bill 6078.

The President also notes, however, that Senate Bill 6078 contained, at Section 7, what is commonly referred to as an emergency clause that calls for the major provisions of the act at issue to take effect immediately. The Governor signed this act into law yesterday, and those provisions went into effect immediately. It may be that those seeking the referendum may prevail in their legal arguments to have the emergency clause set aside, and it may also be that the act, for this or other legal reasons, may be found unconstitutional in a court of law. These are matters, however, to be decided by a court, not by the President.

The President reminds the body that he rules on parliamentary, and not legal, issues; it is up to the body to decide the policies and language to enact, and it is up to the courts to rule as to the various legal limitations or invalidities of such language. The body undoubtedly accepts some risk that a court decision could disaffirm all or parts of Senate Bill 6078, and such a ruling could also jeopardize any subsequent measures enacted pursuant to its mandates. Unless and until there is such a ruling, however, the President has no recourse other than to interpret those provisions of law enacted by Senate Bill 6078 to be in full force and effect. For these reasons, only a simple majority vote of this body is needed for final passage of this measure."

The President declared the question before the Senate to be the final passage of Engrossed Senate Bill No. 6096.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 6096 and the bill passed the Senate by the following vote: Yeas, 25; Nays, 21; Absent, 0; Excused, 3.

PERSONAL PRIVILEGE

Senator Deccio: "I'd like to have everybody listen to what I'm going to say, if Senator McCaslin will sit down. Today is gentle Bob's seventy-ninth birthday. I know he looks ninety but he's really only seventy-nine. Bob, we've been here since day one and I really appreciate your friendship. I hope that you don't make too many people mad, so you can get through the day safely. His friend gave him a little kitty cat there and I think that's very appropriate but may you have seventy-nine more. Glad to call you my friend."

PERSONAL PRIVILEGE

Senator McCaslin: "I don't know who the last Senator was that spoke but seems like a pretty nice fella. Anyway, the press was interviewing a ninety-nine year old and they asked him when he wanted to be ninety-nine and he said, 'When I was ninety-eight.' So I want to be eighty. I'm twenty-nine or so right now and I'm enjoying life immensely in spite of some of you guys and some of your bills but I guess that's the nature of the beast. I thank you very much. Thank you for the kitty cat. This person has two cats and they're long-haired cats and I don't like long-haired cat so she sent me a short haired cat but it's so cute and cuddly. If any of you want to feel it I'll charge you a dollar but if you want to hug me that's two bucks. Madam, may I go to a point of generic preference? I have no idea what I should go into because I asked the one attorney up there, they had no idea but I'd like to go into a point of generic preference or....."

REPLY BY THE PRESIDENT PRO TEMPORE

Senator Franklin: "Senator, your point for a generic discussion is granted."

Senator McCaslin: "Thank you very much. The gentleman that brought their cowboy hats in today, would they please place them on their heads? That's what there for. You ladies and gentlemen in the audience may not know what's going on down here but we don't either. We will try to explain it to you. The ladies have a 'Red Hat Day.' I'm sure you all heard of that. Weinstein can't afford a hat so I told him ... He's got more money than all of us put together so he's really going to get hurt on that...Hey, you need more hats than that if you're going stay in the Senate. Anyway this is in response to the Red Hat Day that you ladies did and the men honored you and we loved you. Since there's so few, Senator Rockefeller, look back in the back row there. Look at Jacobsen. Is that your hat? I wondered why they called you 'Pinhead.' Now we know. Now we know. But anyway this is cowboy hat day, this is the original. Look at this hat back here. I'm sorry they didn't have your size. This is in response to the ladies and their Red Hat Day and of course they all look beautiful and Senator Franklin when she was here, not at her lofty post that she's at today, she shared her hat with me but she took it back but she's a very gracious lady. The women over on the Democrat side the men aren't wearing hats. Guess who's in control of the Democrat Caucus? Guess who's in control of the Senate? Anyway, this is the original Cowboy Hat Day. Senator Brown, we welcome you - we started earlier you know. Anyway this is going to go on every year - hopefully I'll be here the next three years - and every April 20. Well, in a sixty day session ... - well, the way the Democrats run the place, we'll probably be here on the 20th of April next year. But, if we are, we'll enjoy it. If we don't do it, then we'll do it the following year. May God bless all of you, thank you."

REMARKS BY THE PRESIDENT PRO TEMPORE

Senator Franklin: "We wish you a happy number seventy-nine and may you have seventy-nine more."

PERSONAL PRIVILEGE

Senator Hewitt: "Well, I thought this was Cowboy Hat Day, not Urban Cowboy Hat Day. I mean, I thought we were suppose to wear cowboy hats. So I brought my cowboy hat. Now, what is this stuff? What is this? This is a cowboy hat? I tell you, talk about a divide, you know the state's divided. This is why. This is what they call a cowboy hat in Bellevue. Gosh, this is unbelievable. This hat has been around as you can tell. It has cow blood on it, whew, it stinks too. This hat really has been

around. I know that it's hard for all of you to believe that I grew up on a horse. Me, on a horse? But I did. I was raised on a farm and rode a horse almost everyday of my life. This hat was not with me at that time by the way, but this hat has been around and it a true cowboy hat not an urban cowboy hat. Thank you Madam President."

PERSONAL PRIVILEGE

Senator Schoesler: "The black hat, symbol of the bad guys. The black hat confirms what liberal special interest have suspicioned for years."

PERSONAL PRIVILEGE

Senator Swecker: "I just want to mention that I can tell I've been spending too much time with the legislature because the rats got at my hat and ate a hole in it while I was gone. But it's here so...."

PERSONAL PRIVILEGE

Senator McAuliffe: "In honor of your seventy-ninth birthday and the cowboy hat day I wore my happy trails jacket for you. So, if you remember, happy trails, Roy Rogers. I wish you many of them as well."

PERSONAL PRIVILEGE

Senator McCaslin: "Because it's my birthday may I speak twice Madam President?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore: "Since you're seventy-nine, you get to speak twice."

PERSONAL PRIVILEGE

Senator McCaslin: "I have to tell you a story. I joined the Navy in 1944 Great Lakes, San Diego, Pasco and we had a bombing range above a little place called Beverly which is on...anybody ever heard of Beverley? It's on the Columbia River. It's under water now. Anyway we had a bombing range there and that's where the wild horses are. Anyway I met a young lady going to Central and she was a farmer, girl farmer. She invited us out for the weekend. She put me on a horse, I'll never forgive her. She put me on a horse, and I'm a city boy. So we take off for the hills and the horse snapped it's head and pulled the reins out of my hands, did a one-eighty and headed for the barn with Sailor McCaslin hanging on for dear life on that horn. He went into the barn and I ducked, otherwise he'd take my head off and I don't who would have been here today. That's the last time I've been on a horse and that's the last time I'm going to be on a horse. So I'm an urban cowboy whether I like it or not. But that's my horse story and you guys, especially Schoesler, you can have all the horses they have in the world son."

PERSONAL PRIVILEGE

Senator Jacobsen: "I also have to say. I'm going, I have to ask Senator McCaslin next time you chair a committee I'd like a birthday present. I'd like to get one bill in twenty-five years out of your committee. I don't think I ever got a bill out of Senator McCaslin's committee and then the other thing that I have to say. I was over in the Senate when I was in the House and getting ready to testify on a bill and there was an earlier bill that came up and it was dealt with truth in campaigns. Senator McCaslin said about the bill, he said, 'Well, you know in my last campaign my opponent said I was stupid, fat, ignorant and lazy.' He said to the members of the committee and audience he said 'I knew I had a problem right away. I had a leak at the top of my campaign staff.'"

POINT OF INQUIRY

Senator Hewitt: "Would Senator McCaslin yield to a question? Senator McCaslin you said that the horse jerked the reins out of your hands."

Senator McCaslin: "Yes, it did."

Senator Hewitt: "I just was wondering maybe if that was what the women in your lives did to you as well."

Senator McCaslin: "Lisa. The Republicans are down to twenty-one."

PERSONAL PRIVILEGE

Senator Brown: "Well, I have to rise Madam President in defense of the gentleman from the fourth district. Senator McCaslin. You have to admit, you're a bit of ladies man, however, Senator McCaslin. Also to thank Senator Pflug for my cowgirl jacket. I'm not a cowgirl, I think that's probably obvious to all of you. Although I was raised in a rural area, come from a farming family and have ridden horses. I like to read about cowgirls, however. Some of my favorite books, 'Cowboys are my weakness', 'Even Cowgirls get the blues' and then the every famous 'Cowgirls guide to modern life: Never ask the man the size of his spread.'"

PERSONAL PRIVILEGE

Senator Honeyford: "Some of us or all hat and no cattle and some of us are no hat and no cattle and there are very few of us that have cattle and a hat and I'd like to recognize Senator Morton and Senator Schoesler is the two that I'm aware of that really are in the cattle industry and deserve their recognition. I'd also like to point out that we will have a picture immediately when we adjourn for lunch, which I hope is soon, so we have a recording of this momentous day."

The President assumed the chair.

PERSONAL PRIVILEGE

Senator Franklin: "Yes. You left and we took over but we took over with laughter and the cowpokes would like to pay a tribute. We had a birthday, and now the Red Hatters would like to pay a tribute to the cow pokes. 'Step aside ya'll onery tenderfeets, let a big bad buckaroo pass, I'm the toughest hombre you'll ever meet. Though I may be the last, yes are we. We are a vanishing race. No sirree can't last long. Step aside ya'll onery tenderfeets 'cause I'm about to sing my song. I'm an old cow hand, from the Rio Grande, but my legs ain't bowed and my cheeks ain't tanned. Well, I'm a cowboy who never saw a cow, never roped a steer 'cause I don't know how and I sure ain't fixing to start it now. Yippie-yi-yo-ki-yay. Oh Yippie-yi-yo-ki-yay."

PERSONAL PRIVILEGE

Senator Shin: "I don't know if you folks who have ever participated in this, but 1996 in Ellensburg Rodeo I was invited to be Grand Marshall, wear cowboy hat, cowboy clothes and boots and all that on a horse too. I was selected as the best cowboy every year in Ellensburg. And that goes to show, even a Korean boy coming to the United States, you can settle here and you can become a cowboy. Thank you for the opportunity."

PERSONAL PRIVILEGE

Senator Thibaudeau: "I just wanted to personally welcome these young men. I had a group from O'Dea here last year, last week, or the week before. I don't know what year it is or nor what week. I was so impressed because what they brought down was their opposition to any cuts in human services. This is a very fine school and they get very good grades and they also care a lot about people because they are required to do some community service is part of their education. So welcome and thank you very much."

PERSONAL PRIVILEGE

Senator Hewitt: "Well, this is directed to those in the gallery this morning. For those of you who think we do this all the time, this really isn't the way we operate down here. We were on the floor last night until almost midnight doing your business. So if you think this is something we do daily, please, rest assured it's not. We really do work down here."

MOTION

On motion of Senator Eide, the Senate advanced to the fourth order of business.

MESSAGE FROM THE HOUSE

April 18, 2005

MR. PRESIDENT:

Under suspension of rules ENGROSSED SENATE BILL NO. 5094, was returned to second reading for purpose of an amendment, adopted the following amendment and passed the House as amended by the House.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 89.08.400 and 1992 c 70 s 1 are each amended to read as follows:

(1) Special assessments are authorized to be imposed for conservation districts as provided in this section. Activities and programs to conserve natural resources, including soil and water, are declared to be of special benefit to lands and may be used as the basis upon which special assessments are imposed.

(2) Special assessments to finance the activities of a conservation district may be imposed by the county legislative authority of the county in which the conservation district is located for a period or periods each not to exceed ten years in duration.

The supervisors of a conservation district shall hold a public hearing on a proposed system of assessments prior to the first day of August in the year prior to which it is proposed that the initial special assessments be collected. At that public hearing, the supervisors shall gather information and shall alter the proposed system of assessments when appropriate, including the number of years during which it is proposed that the special assessments be imposed.

On or before the first day of August in that year, the supervisors of a conservation district shall file the proposed system of assessments, indicating the years during which it is proposed that the special assessments shall be imposed, and a proposed budget for the succeeding year with the county legislative authority of the county within which the conservation district is located. The county legislative authority shall hold a public hearing on the proposed system of assessments. After the hearing, the county legislative authority may accept, or modify and accept, the proposed system of assessments, including the number of years during which the special assessments shall be imposed, if it finds that both the public interest will be served by the imposition of the special assessments and that the special assessments to be imposed on any land will not exceed the special benefit that the land receives or will receive from the activities of the conservation district. The findings of the county legislative authority shall be final and conclusive. Special assessments may be altered during this period on individual parcels in accordance with the system of assessments if land is divided or land uses or other factors change.

Notice of the public hearings held by the supervisors and the county legislative authority shall be posted conspicuously in at least five places throughout the conservation district, and published once a week for two consecutive weeks in a newspaper in general circulation throughout the conservation district, with the date of the last publication at least five days prior to the public hearing.

(3) A system of assessments shall classify lands in the conservation district into suitable classifications according to benefits conferred or to be conferred by the activities of the conservation district, determine an annual per acre rate of assessment for each classification of land, and indicate the total amount of special assessments proposed to be obtained from each classification of lands. Lands deemed not to receive benefit from the activities of the conservation district shall be placed into a separate classification and shall not be subject to the special assessments. An annual assessment rate shall be stated as either uniform annual per acre amount, or an annual flat rate per parcel plus a uniform annual rate per acre amount, for each classification of land. The maximum annual per acre special assessment rate shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars, except that for counties with a population of over five hundred thousand persons, the maximum annual per parcel rate shall not exceed ten dollars.

Public land, including lands owned or held by the state, shall be subject to special assessments to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the special assessments of a conservation district.

Forest lands used solely for the planting, growing, or harvesting of trees may be subject to special assessments if such lands benefit from the activities of the conservation district, but the per acre rate of special assessment on benefited forest lands shall not exceed one-tenth of the weighted average per acre assessment on all other lands within the conservation district that are subject to its special assessments. The calculation of the weighted average per acre special assessment shall be a ratio calculated as follows: (a) The numerator shall be the total amount of money estimated to be derived from the imposition of per acre special assessments on the nonforest lands in the conservation district; and (b) the denominator shall be the total number of nonforest land acres in the conservation district that receive benefit from the activities of the conservation district and which are subject to the special assessments of the conservation district. No more than ten thousand acres of such forest lands that is both owned by the same person or entity and is located in the same conservation district may be subject to the special assessments that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forest land parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forest landowner may be imposed on each owner of forest lands whose forest lands are subject to a per acre rate of assessment.

(4) A conservation district shall prepare an assessment roll that implements the system of assessments approved by the county legislative authority. The special assessments from the assessment roll shall be spread by the county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of a special assessment shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest rate and penalty as for delinquent property taxes. The county treasurer shall deduct an amount from the collected special assessments, as established by the county legislative authority, to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the special assessments, but not to exceed the actual costs of such work.

(5) The special assessments for a conservation district shall not be spread on the tax rolls and shall not be collected with property tax collections in the following year if, after the system of assessments has been approved by the county legislative

authority but prior to the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such special assessments, which petition has been signed by at least twenty percent of the owners of land that would be subject to the special assessments to be imposed for a conservation district."

Correct the title.

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 13, 2005

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5101, with the following amendment{s}:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the use of renewable energy resources generated from local sources such as solar and wind power benefit our state by reducing the load on the state's electric energy grid, by providing nonpolluting sources of electricity generation, and by the creation of jobs for local industries that develop and sell renewable energy products and technologies.

The legislature finds that Washington state has become a national and international leader in the technologies related to the solar electric markets. The state can support these industries by providing incentives for the purchase of locally made renewable energy products. Locally made renewable technologies benefit and protect the state's environment. The legislature also finds that the state's economy can be enhanced through the creation of incentives to develop additional renewable energy industries in the state.

The legislature intends to provide incentives for the greater use of locally created renewable energy technologies, support and retain existing local industries, and create new opportunities for renewable energy industries to develop in Washington state.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Customer-generated electricity" means the alternating current electricity that is generated from a renewable energy system located on an individual's, businesses', or local government's real property that is also provided electricity generated by a light and power business. A system located on a leasehold interest does not qualify under this definition. "Customer-generated electricity" does not include electricity generated by a light and power business with greater than one thousand megawatt hours of annual sales or a gas distribution business.

(2) "Economic development kilowatt-hour" means the actual kilowatt-hour measurement of customer-generated electricity multiplied by the appropriate economic development factor.

(3) "Photovoltaic cell" means a device that converts light directly into electricity without moving parts.

(4) "Renewable energy system" means a solar energy system, an anaerobic digester as defined in RCW 82.08.900, or a wind generator used for producing electricity.

(5) "Solar energy system" means any device or combination of devices or elements that rely upon direct sunlight as an energy source for use in the generation of electricity.

(6) "Solar inverter" means the device used to convert direct current to alternating current in a photovoltaic cell system.

(7) "Solar module" means the smallest nondivisible self-contained physical structure housing interconnected photovoltaic cells and providing a single direct current electrical output.

(8) "Standards for interconnection to the electric distribution system" means technical, engineering, operational, safety, and procedural requirements for interconnection to the electric distribution system of a light and power business.

NEW SECTION. Sec. 3. (1) Any individual, business, or local governmental entity, not in the light and power business or in the gas distribution business, may apply to the light and power business serving the situs of the system, each fiscal year beginning on July 1, 2005, for an investment cost recovery incentive for each kilowatt-hour from a customer-generated

electricity renewable energy system installed on its property that is not interconnected to the electric distribution system. No incentive may be paid for kilowatt-hours generated before July 1, 2005, or after June 30, 2014.

(2) When light and power businesses serving eighty percent of the total customer load in the state adopt uniform standards for interconnection to the electric distribution system, any individual, business, or local governmental entity, not in the light and power business or in the gas distribution business, may apply to the light and power business serving the situs of the system, each fiscal year, for an investment cost recovery incentive for each kilowatt-hour from a customer-generated electricity renewable energy system installed on its property that is not interconnected to the electric distribution system and from a customer-generated electricity renewable energy system installed on its property that is interconnected to the electric distribution system. Uniform standards for interconnection to the electric distribution system means those standards established by light and power businesses that have ninety percent of total requirements the same. No incentive may be paid for kilowatt-hours generated before July 1, 2005, or after June 30, 2014.

(3)(a) Before submitting for the first time the application for the incentive allowed under this section, the applicant shall submit to the department of revenue and to the climate and rural energy development center at the Washington State University, established under RCW 28B.30.642, a certification in a form and manner prescribed by the department that includes, but is not limited to, the following information:

(i) The name and address of the applicant and location of the renewable energy system;
(ii) The applicant's tax registration number;
(iii) That the electricity produced by the applicant meets the definition of "customer-generated electricity" and that the renewable energy system produces electricity with:

(A) Any solar inverters and solar modules manufactured in Washington state;
(B) A wind generator powered by blades manufactured in Washington state;
(C) A solar inverter manufactured in Washington state;
(D) A solar module manufactured in Washington state; or
(E) Solar or wind equipment manufactured outside of Washington state;
(iv) That the electricity can be transformed or transmitted for entry into or operation in parallel with electricity transmission and distribution systems;

(v) The date that the renewable energy system received its final electrical permit from the applicable local jurisdiction.

(b) Within thirty days of receipt of the certification the department of revenue shall advise the applicant in writing whether the renewable energy system qualifies for an incentive under this section. The department may consult with the climate and rural energy development center to determine eligibility for the incentive. System certifications and the information contained therein are subject to disclosure under RCW 82.32.330(3)(m).

(4)(a) By August 1st of each year application for the incentive shall be made to the light and power business serving the situs of the system by certification in a form and manner prescribed by the department that includes, but is not limited to, the following information:

(i) The name and address of the applicant and location of the renewable energy system;
(ii) The applicant's tax registration number;
(iii) The date of the letter from the department of revenue stating that the renewable energy system is eligible for the incentives under this section;

(iv) A statement of the amount of kilowatt-hours generated by the renewable energy system in the prior fiscal year.

(b) Within sixty days of receipt of the incentive certification the light and power business serving the situs of the system shall notify the applicant in writing whether the incentive payment will be authorized or denied. The business may consult with the climate and rural energy development center to determine eligibility for the incentive payment. Incentive certifications and the information contained therein are subject to disclosure under RCW 82.32.330(3)(m).

(c)(i) Persons receiving incentive payments shall keep and preserve, for a period of five years, suitable records as may be necessary to determine the amount of incentive applied for and received. Such records shall be open for examination at any time upon notice by the light and power business that made the payment or by the department. If upon examination of any records or from other information obtained by the business or department it appears that an incentive has been paid in an amount that exceeds the correct amount of incentive payable, the business may assess against the person for the amount found to have been paid in excess of the correct amount of incentive payable and shall add thereto interest on the amount. Interest shall be assessed in the manner that the department assesses interest upon delinquent tax under RCW 82.32.050.

(ii) If it appears that the amount of incentive paid is less than the correct amount of incentive payable the business may authorize additional payment.

(5) The investment cost recovery incentive may be paid fifteen cents per economic development kilowatt-hour unless requests exceed the amount authorized for credit to the participating light and power business. For the purposes of this section, the rate paid for the investment cost recovery incentive may be multiplied by the following factors:

(a) For customer-generated electricity produced using solar modules manufactured in Washington state, two and four-tenths;

(b) For customer-generated electricity produced using a solar or a wind generator equipped with an inverter manufactured in Washington state, one and two-tenths;

(c) For customer-generated electricity produced using an anaerobic digester, or by other solar equipment or using a wind generator equipped with blades manufactured in Washington state, one; and

(d) For all other customer-generated electricity produced by wind, eight-tenths.

(6) No individual, household, business, or local governmental entity is eligible for incentives for more than two thousand dollars per year.

(7) If requests for the investment cost recovery incentive exceed the amount of funds available for credit to the participating light and power business, the incentive payments shall be reduced proportionately.

(8) The climate and rural energy development center at Washington State University energy program may establish guidelines and standards for technologies that are identified as Washington manufactured and therefore most beneficial to the state's environment.

(9) The environmental attributes of the renewable energy system belong to the applicant, and do not transfer to the state or the light and power business upon receipt of the investment cost recovery incentive.

NEW SECTION. Sec. 4. (1) A light and power business shall be allowed a credit against taxes due under this chapter in an amount equal to investment cost recovery incentive payments made in any fiscal year under section 3 of this act. The credit shall be taken in a form and manner as required by the department. The credit under this section for the fiscal year shall not exceed twenty-five one-hundredths of one percent of the businesses' taxable power sales due under RCW 82.16.020(1)(b) or twenty-five thousand dollars, whichever is greater. The credit may not exceed the tax that would otherwise be due under this chapter. Refunds shall not be granted in the place of credits. Expenditures not used to earn a credit in one fiscal year may not be used to earn a credit in subsequent years.

(2) For any business that has claimed credit for amounts that exceed the correct amount of the incentive payable under section 3 of this act, the amount of tax against which credit was claimed for the excess payments shall be immediately due and payable. The department shall assess interest but not penalties on the taxes against which the credit was claimed. Interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, retroactively to the date the credit was claimed, and shall accrue until the taxes against which the credit was claimed are repaid.

(3) The right to earn tax credits under this section expires June 30, 2015. Credits may not be claimed after June 30, 2016.

NEW SECTION. Sec. 5. MESSAGE FROM THE HOUSE

April 13, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5111, with the following amendment{s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the welfare of the people of the state of Washington is positively impacted through the encouragement and expansion of key growth industries in the state. The legislature further finds that targeting tax incentives to focus on key growth industries is an important strategy to enhance the state's business climate.

A recent report by the Washington State University energy program recognized the solar electric industry as one of the state's important growth industries. It is of great concern that businesses in this industry have been increasingly expanding and relocating their operations elsewhere. The report indicates that additional incentives for the solar electric industry are needed in recognition of the unique forces and issues involved in business decisions in this industry.

Therefore, the legislature intends to enact comprehensive tax incentives for the solar electric industry that address activities of the manufacture of these products and to encourage these industries to locate in Washington. Tax incentives for the solar electric industry are important in both retention and expansion of existing business and attraction of new businesses, all of which will strengthen this growth industry within our state, will create jobs, and will bring many indirect benefits to the state.

NEW SECTION. Sec. 2. A new section is added to chapter 82.04 RCW to read as follows:

(1) Beginning October 1, 2005, upon every person engaging within this state in the business of manufacturing solar energy systems using photovoltaic modules, or silicon components of such systems; as to such persons the amount of tax with respect to such business shall, in the case of manufacturers, be equal to the value of the product manufactured, or in the case of processors for hire, be equal to the gross income of the business, multiplied by the rate of 0.2904 percent.

(2) Beginning October 1, 2005, upon every person engaging within this state in the business of making sales at wholesale of solar energy systems using photovoltaic modules, or silicon components of such systems, manufactured by that person; as to such persons the amount of tax with respect to such business shall be equal to the gross proceeds of sales of the solar energy systems using photovoltaic modules multiplied by the rate of 0.2904 percent.

(3) The definitions in this subsection apply throughout this section.

(a) "Module" means the smallest nondivisible self-contained physical structure housing interconnected photovoltaic cells and providing a single direct current electrical output.

(b) "Photovoltaic cell" means a device that converts light directly into electricity without moving parts.

(c) "Solar energy system" means any device or combination of devices or elements that rely upon direct sunlight as an energy source for use in the generation of electricity.

(4) This section expires June 30, 2014.

Sec. 3. RCW 82.04.440 and 2004 c 174 s 5 and 2004 c 24 s 7 are each reenacted and amended to read as follows:

(1) Every person engaged in activities which are within the purview of the provisions of two or more of sections RCW 82.04.230 to 82.04.298, inclusive, shall be taxable under each paragraph applicable to the activities engaged in.

(2) Persons taxable under RCW 82.04.2909(2), 82.04.250, 82.04.270, section 2(2) of this act, or 82.04.260 (4) or (13) with respect to selling products in this state shall be allowed a credit against those taxes for any (a) manufacturing taxes paid with respect to the manufacturing of products so sold in this state, and/or (b) extracting taxes paid with respect to the extracting of products so sold in this state or ingredients of products so sold in this state. Extracting taxes taken as credit under subsection (3) of this section may also be taken under this subsection, if otherwise allowable under this subsection. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to the sale of those products.

(3) Persons taxable under RCW 82.04.240 or 82.04.260(1)(b) shall be allowed a credit against those taxes for any extracting taxes paid with respect to extracting the ingredients of the products so manufactured in this state. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to the manufacturing of those products.

(4) Persons taxable under RCW 82.04.230, 82.04.240, 82.04.2909(1), section 2(1) of this act, or 82.04.260 (1), (2), (4), (6), or (13) with respect to extracting or manufacturing products in this state shall be allowed a credit against those taxes for any (i) gross receipts taxes paid to another state with respect to the sales of the products so extracted or manufactured in this state, (ii) manufacturing taxes paid with respect to the manufacturing of products using ingredients so extracted in this state, or (iii) manufacturing taxes paid with respect to manufacturing activities completed in another state for products so manufactured in this state. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to the extraction or manufacturing of those products.

(5) For the purpose of this section:

(a) "Gross receipts tax" means a tax:

(i) Which is imposed on or measured by the gross volume of business, in terms of gross receipts or in other terms, and in the determination of which the deductions allowed would not constitute the tax an income tax or value added tax; and

(ii) Which is also not, pursuant to law or custom, separately stated from the sales price.

(c) "Manufacturing tax" means a gross receipts tax imposed on the act or privilege of engaging in business as a manufacturer, and includes (i) the taxes imposed in RCW 82.04.240, 82.04.2909(1), ~~((and))~~ 82.04.260 (1), (2), (4), and (13), and section 2(1) of this act; and (ii) similar gross receipts taxes paid to other states.

(d) "Extracting tax" means a gross receipts tax imposed on the act or privilege of engaging in business as an extractor, and includes the tax imposed in RCW 82.04.230 and similar gross receipts taxes paid to other states.

(e) "Business", "manufacturer", "extractor", and other terms used in this section have the meanings given in RCW 82.04.020 through 82.04.212, notwithstanding the use of those terms in the context of describing taxes imposed by other states.

NEW SECTION. Sec. 4. A new section is added to chapter 82.32 RCW to read as follows:

(1) The legislature finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources the legislature needs information on how a tax incentive is used.

(2)(a) A person who reports taxes under section 2 of this act shall make an annual report to the department detailing employment, wages, and employer-provided health and retirement benefits per job at the manufacturing site. The report shall not include names of employees. The report shall also detail employment by the total number of full-time, part-time, and temporary positions. The first report filed under this subsection shall include employment, wage, and benefit information for the twelve-month period immediately before first use of a preferential tax rate under section 2 of this act. The report is due by March 31st following any year in which a preferential tax rate under section 2 of this act is used. This information is not subject to the confidentiality provisions of RCW 82.32.330.

(b) If a person fails to submit an annual report under (a) of this subsection, the department shall declare the amount of taxes reduced for the previous calendar year to be immediately due and payable. RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator Benton that the House striking amendment to Engrossed Substitute Senate Bill 5034 is beyond the scope and object of the underlying bill, the President finds and rules as follows:

While the main provisions of the bill relate to electioneering communications, the bill, as it passed the Senate, also included a provision to raise contribution limits.

The House's striking amendment includes the electioneering and contribution limit provisions that were in the Senate version, but it also adds an additional section, Section 12, which amends RCW 42.17.660. This section relates to allowing corporations and unions that have multiple subdivisions or affiliates to have each such division or affiliate be subject to a separate contribution limit. Because this language relates to contribution limits—a subject included in the version of the measure passed by the Senate—this subject may properly be amended and is within the scope and object of the underlying bill. For these reasons, Senator Benton's point is not well-taken and the measure is properly before us as amended by the House."

There being no objection, the Senate resumed consideration of Substitute Senate Bill No. 5034 which had been held on the concurrence calendar on the previous day.

MOTION

The President declared the question before the Senate to be the final passage of Engrossed Substitute Senate Bill No. 5034, as amended by the House.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 5034, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 26; Nays, 20; Absent, 0; Excused, 3.

Voting yea: Senators Benton, Berkey, Brown, Doumit, Eide, Fairley, Franklin, Fraser, Hargrove, Haugen, Jacobsen, Kastama, Keiser, Kline, Kohl-Welles, McAuliffe, Poulsen, Prentice, Pridemore, Rasmussen, Regala, Rockefeller, Shin, Spanel, Thibaudeau and Weinstein - 26

Voting nay: Senators Benson, Brandland, Carrell, Deccio, Delvin, Esser, Honeyford, Johnson, McCaslin, Morton, Mulliken, Oke, Parlette, Pflug, Roach, Schmidt, Schoesler, Sheldon, Stevens and Swecker - 20

ENGROSSED SUBSTITUTE SENATE BILL NO. 5034, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

Senator Eide moved that Engrossed Substitute Senate Bill No. 5034 be immediately transmitted to the House of Representatives.

NOTICE FOR RECONSIDERATION

Having voted on the prevailing side, Senator Benton gave notice of his intent to move to reconsider the vote by which Engrossed Substitute Senate Bill No. 5034 passed the Senate.

POINT OF ORDER

Senator Johnson: "My understanding for prior rulings is that, until the bill actually leaves the Senate, such a notice can be given."

PARLIAMENTARY INQUIRY

Senator Eide: "Beings my motion was first, won't it be voted upon first before we do anything else?"

REPLY BY THE PRESIDENT

President Owen: "We are checking on that right now."

RULING BY THE PRESIDENT

President Owen: "Senator Eide had made a motion to immediately transmit Engrossed Substitute Senate Bill No. 5034 to the House of Representatives. Prior to the vote being taken, Senator Benton had given notice of reconsideration. The Senate had amended their rule, Rule 37, on reconsideration that seems to give considerable consideration to the motion to reconsider. In the rule it says that, 'the prevailing side may give notice of reconsideration unless the motion to immediately transmit the measure to the House has been decided in the affirmative.' In this case, it had not been decided. Senator Benton, your notice is received."

PARLIAMENTARY INQUIRY

Senator Eide: "Then do we go ahead and proceed, now, with my motion or how does this work?"

REPLY BY THE PRESIDENT

President Owen: "Since he has a motion to reconsider, I mean, he has a notice of reconsideration, he has until the end of today in order to follow through with that. It would make your motion out of order."

PARLIAMENTARY INQUIRY

Senator Eide: "Even though I made the motion first?"

REPLY BY THE PRESIDENT

President Owen: "Because of your rule – which you may further clarify in the future, if you so desire."

PARLIAMENTARY INQUIRY

Senator Eide: "Mr. President, if I may? This bill has passed, 26-20, correct."

REPLY BY THE PRESIDENT

President Owen: "Approximately. It did pass, yes, and the President declared it passed."

The amount of the fee shall be based upon the vehicle scale weight, which is correlated with vehicle size and roadway lane usage. Fees imposed under this section must be used for transportation purposes, and shall not be used for the general support of state government. The vehicle weight fee shall be that portion of the fee as reflected on the scale weight set forth in schedule B provided in RCW 46.16.070 that is in excess of the fee imposed under RCW 46.16.0621. This fee is due at the time of initial and renewal of vehicle registration.

(3) For the purpose of administering this section, the department shall rely on the vehicle empty scale weights as provided by vehicle manufacturers, or other sources defined by the department, to determine the weight of each vehicle. The department shall adopt rules for determining weight for vehicles without manufacturer empty scale weights.

(4) The vehicle weight fee under this section is imposed to provide funds to mitigate the impact of vehicle loads on the state roads and highways and is separate and distinct from other vehicle license fees. Proceeds from the fee may be used for transportation purposes, or for facilities and activities that reduce the number of vehicles or load weights on the state roads and highways.

(5) The vehicle weight fee collected under this section shall be deposited as follows:

The license fee must be collected annually for each registration year or fraction of a registration year. This reduced license fee applies only to trailers operated for personal use of the owners, and not trailers held for rental to the public or used in any commercial or business endeavor. The proceeds from the fees collected under this section shall be distributed in accordance with RCW 46.68.035.

It shall be accompanied by a fee of two dollars for a new motorcycle license number plate. In the event the director has issued license period tabs or a windshield emblem instead of vehicle license number plates, and upon the loss, defacement, or destruction of the tabs or windshield emblem, application shall be made on a form provided by the director and in the same manner as above described, and shall be accompanied by a fee of one dollar for each pair of tabs or for each windshield emblem, whereupon the director shall issue to the applicant a duplicate pair of tabs, year tabs, and when necessary month tabs or a windshield emblem to replace those lost, defaced, or destroyed. For vehicles owned, rented, or leased by the state of Washington or by any county, city, town, school district, or other political subdivision of the state of Washington or United States government, or owned or leased by the governing body of an Indian tribe as defined in RCW 46.16.020, a fee shall be charged for replacement of a vehicle license number plate only to the extent required by the provisions of RCW 46.16.020, (~~46.16.061~~) 46.16.237, and 46.01.140. For vehicles owned, rented, or leased by foreign countries or international bodies to which the United States government is a signatory by treaty, the payment of any fee for the replacement of a vehicle license number plate shall not be required.

Sec. 303. RCW 46.20.055 and 2004 c 249 s 3 are each amended to read as follows:

(1) **Driver's instruction permit.** The department may issue a driver's instruction permit with or without a photograph to an applicant who has successfully passed all parts of the examination other than the driving test, provided the information required by RCW 46.20.091, paid a fee of (~~fifteen~~) twenty dollars, and meets the following requirements:

(a) Is at least fifteen and one-half years of age; or

(b) Is at least fifteen years of age and:

(i) Has submitted a proper application; and

(ii) Is enrolled in a traffic safety education program offered, approved, and accredited by the superintendent of public instruction or offered by a driver training school licensed and inspected by the department of licensing under chapter 46.82 RCW, that includes practice driving.

(2) **Waiver of written examination for instruction permit.** The department may waive the written examination, if, at the time of application, an applicant is enrolled in:

(a) A traffic safety education course as defined by RCW 28A.220.020(2); or

(b) A course of instruction offered by a licensed driver training school as defined by RCW 46.82.280(1).

The department may require proof of registration in such a course as it deems necessary.

(3) **Effect of instruction permit.** A person holding a driver's instruction permit may drive a motor vehicle, other than a motorcycle, upon the public highways if:

(a) The person has immediate possession of the permit; and

(b) An approved instructor, or a licensed driver with at least five years of driving experience, occupies the seat beside the driver.

(4) **Term of instruction permit.** A driver's instruction permit is valid for one year from the date of issue.

(a) The department may issue one additional one-year permit.

(b) The department may issue a third driver's permit if it finds after an investigation that the permittee is diligently seeking to improve driving proficiency.

(c) A person applying to renew an instruction permit must submit the application to the department in person.

Sec. 304. RCW 46.20.070 and 2004 c 249 s 4 are each amended to read as follows:

(1) **Agricultural driving permit authorized.** The director may issue a juvenile agricultural driving permit to a person under the age of eighteen years if:

(a) The application is signed by the applicant and the applicant's father, mother, or legal guardian;

(b) The applicant has passed the driving examination required by RCW 46.20.120;

(c) The department has investigated the applicant's need for the permit and determined that the need justifies issuance;

(d) The department has determined the applicant is capable of operating a motor vehicle without endangering himself or herself or other persons and property; and

(e) The applicant has paid a fee of (~~fifteen~~) twenty dollars.

The permit must contain a photograph of the person.

(2) **Effect of agricultural driving permit.** (a) The permit authorizes the holder to:

(i) Drive a motor vehicle on the public highways of this state in connection with farm work. The holder may drive only within a restricted farming locality described on the permit; and

(ii) Participate in the classroom portion of a traffic safety education course authorized under RCW 28A.220.030 or the classroom portion of a traffic safety education course offered by a driver training school licensed and inspected by the department of licensing under chapter 46.82 RCW offered in the community where the holder resides.

(b) The director may transfer the permit from one farming locality to another. A transfer is not a renewal of the permit.

(3) **Term and renewal of agricultural driving permit.** An agricultural driving permit expires one year from the date of issue.

(a) A person under the age of eighteen who holds a permit may renew the permit by paying a fee of fifteen dollars.

(b) A person applying to renew an agricultural driving permit must submit the application to the department in person.

(c) An agricultural driving permit is invalidated when a permittee attains age eighteen. In order to drive a motor vehicle on a highway he or she must obtain a motor vehicle driver's license under this chapter.

(4) **Suspension, revocation, or cancellation.** The director has sole discretion to suspend, revoke, or cancel a juvenile agricultural driving permit if:

(a) The permittee has been found to have committed an offense that requires mandatory suspension or revocation of a driver's license; or

(b) The director is satisfied that the permittee has violated the permit's restrictions.

Sec. 305. RCW 46.20.117 and 2004 c 249 s 5 are each amended to read as follows:

(1) **Issuance.** The department shall issue an identicard, containing a picture, if the applicant:

(a) Does not hold a valid Washington driver's license;

(b) Proves his or her identity as required by RCW 46.20.035; and

(c) Pays the required fee. The fee is (~~fifteen~~) twenty dollars unless an applicant is a recipient of continuing public assistance grants under Title 74 RCW, who is referred in writing by the secretary of social and health services. For those persons the fee must be the actual cost of production of the identicard.

(2) **Design and term.** The identicard must:

(a) Be distinctly designed so that it will not be confused with the official driver's license; and

(b) Expire on the fifth anniversary of the applicant's birthdate after issuance.

(3) **Renewal.** An application for identicard renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired. However, the department may accept an application for renewal of an identicard submitted by means of mail or electronic commerce only if specific authority and funding is provided for this purpose by June 30, 2004, in the omnibus transportation appropriations act.

An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) **Cancellation.** The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

Sec. 306. RCW 46.20.120 and 2004 c 249 s 6 are each amended to read as follows:

An applicant for a new or renewed driver's license must successfully pass a driver licensing examination to qualify for a driver's license. The department shall give examinations at places and times reasonably available to the people of this state.

(1) **Waiver.** The department may waive:

(a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or

(b) The actual demonstration of the ability to operate a motor vehicle if the applicant:

(i) Surrenders a valid driver's license issued by the person's previous home state; and

(ii) Is otherwise qualified to be licensed.

(2) **Fee.** Each applicant for a new license must pay an examination fee of (~~ten~~) twenty dollars.

(a) The examination fee is in addition to the fee charged for issuance of the license.

(b) "New license" means a license issued to a driver:

(i) Who has not been previously licensed in this state; or

(ii) Whose last previous Washington license has been expired for more than five years.

(3) An application for driver's license renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her license by mail or by electronic commerce when it last expired. However, the department may accept an application for renewal of a driver's license submitted by means of mail or electronic commerce only if specific authority and funding is provided for this purpose by June 30, 2004, in the omnibus transportation appropriations act.

(4) A person whose license expired or will expire while he or she is living outside the state, may:

(a) Apply to the department to extend the validity of his or her license for no more than twelve months. If the person establishes to the department's satisfaction that he or she is unable to return to Washington before the date his or her license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;

(b) Apply to the department to renew his or her license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that he or she is unable to return to Washington within twelve months of the date that his or her license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.

(5) If a qualified person submits an application for renewal under subsection (3)(b) or (4)(b) of this section, he or she is not required to pass an examination nor provide an updated photograph. A license renewed by mail or by electronic commerce that does not include a photograph of the licensee must be labeled "not valid for identification purposes."

Sec. 307. RCW 46.20.308 and 2004 c 187 s 1 and 2004 c 95 s 2 are each reenacted and amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcohol concentration or presence of any drug in his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503. Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. However, in those instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(5). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (7) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (8) of this section;

(c) Mark the person's Washington state driver's license or permit to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if any, is a temporary license that is valid for sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(e) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol concentration in violation of RCW 46.61.503;

(ii) That after receipt of the warnings required by subsection (2) of this section the person refused to submit to a test of his or her blood or breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath

or blood was 0.08 or more if the person is age twenty-one or over, or was 0.02 or more if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (6)(e) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of this section may, within thirty days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of ~~((one))~~ two hundred dollars as part of the request. If the request is mailed, it must be postmarked within thirty days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required ~~((one))~~ two hundred dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required ~~((one))~~ two hundred dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license marked under subsection (6)(c) of this section extended, if the person is otherwise eligible for licensing. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person was age twenty-one or over at the time of the arrest, or 0.02 or more if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, the court may direct the department to stay any actual or proposed suspension, revocation, or denial for at least forty-five days but not more than ninety days. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 308. RCW 46.20.311 and 2004 c 95 s 3 are each amended to read as follows:

(1)(a) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as specifically permitted under RCW 46.20.267, 46.20.342, or other provision of law.

(b) Except for a suspension under RCW 46.20.267, 46.20.289, 46.20.291(5), 46.61.740, or 74.20A.320, whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(c) If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the alcoholism agency or probation department designated under RCW 46.61.5056 and shall deny reinstatement until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an interlock required under RCW 46.20.720 is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(d) Whenever the license or driving privilege of any person is suspended as a result of certification of noncompliance with a child support order under chapter 74.20A RCW or a residential or visitation order, the suspension shall remain in effect until the person provides a release issued by the department of social and health services stating that the person is in compliance with the order.

(e)(i) The department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of ~~((twenty))~~ seventy-five dollars.

(ii) If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, or is the result of administrative action under RCW 46.20.308, the reissue fee shall be one hundred fifty dollars.

(2)(a) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until:

(i) After the expiration of one year from the date the license or privilege to drive was revoked; (ii) after the expiration of the applicable revocation period provided by RCW 46.20.3101 or 46.61.5055; (iii) after the expiration of two years for persons convicted of vehicular homicide; or (iv) after the expiration of the applicable revocation period provided by RCW 46.20.265.

(b)(i) After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reissue fee in the amount of ~~((twenty))~~ seventy-five dollars.

(ii) If the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reissue fee shall be one hundred fifty dollars. If the revocation is the result of a violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the alcoholism agency or probation department designated under RCW 46.61.5056 and shall deny reissuance of a license, permit, or privilege to drive until enrollment and

participation in an approved program has been established and the person is otherwise qualified. If the revocation is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock or other biological or technical device, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person applying for a new license. If, following issuance of a new license, the department determines, based upon notification from the interlock provider or otherwise, that an interlock required under RCW 46.20.720 is no longer functioning, the department shall suspend the person's license or privilege to drive until the department has received written verification from an interlock provider that a functioning interlock is installed.

(c) Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways.

(3)(a) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of ~~((twenty))~~ seventy-five dollars.

PART IV - MISCELLANEOUS PROVISIONS

Sec. 401. RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each amended to read as follows:

(1) The emergency reserve fund is established in the state treasury. During each fiscal year, the state treasurer shall deposit in the emergency reserve fund all general fund--state revenues in excess of the state expenditure limit for that fiscal year. Deposits shall be made at the end of each fiscal quarter based on projections of state revenues and the state expenditure limit. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues and the expenditure limit for fiscal year 2000 and thereafter.

(2) The legislature may appropriate moneys from the emergency reserve fund only with approval of at least two-thirds of the members of each house of the legislature, and then only if the appropriation does not cause total expenditures to exceed the state expenditure limit under this chapter.

(3) The emergency reserve fund balance shall not exceed five percent of annual general fund--state revenues as projected by the official state revenue forecast. Any balance in excess of five percent shall be transferred on a quarterly basis by the state treasurer as follows: Seventy-five percent to the student achievement fund hereby created in the state treasury and twenty-five percent to the general fund balance. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues for fiscal year 2000 and thereafter. When per-student state funding for the maintenance and operation of K-12 education meets a level of no less than ninety percent of the national average of total funding from all sources per student as determined by the most recent published data from the national center for education statistics of the United States department of education, as calculated by the office of financial management, further deposits to the student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level. Remaining funds are part of the general fund balance and these funds are subject to the expenditure limits of this chapter.

(4) The education construction fund is hereby created in the state treasury.

(a) Funds may be appropriated from the education construction fund exclusively for common school construction or higher education construction.

(b) Funds may be appropriated for any other purpose only if approved by a two-thirds vote of each house of the legislature and if approved by a vote of the people at the next general election. An appropriation approved by the people under this subsection shall result in an adjustment to the state expenditure limit only for the fiscal period for which the appropriation is made and shall not affect any subsequent fiscal period.

(5) Funds from the student achievement fund shall be appropriated to the superintendent of public instruction strictly for distribution to school districts to meet the provisions set out in the student achievement act. Allocations shall be made on an equal per full-time equivalent student basis to each school district.

~~((6) Earnings of the emergency reserve fund under RCW 43.84.092(4)(a) shall be transferred quarterly to the multimodal transportation account, except for those earnings that are in excess of thirty five million dollars each fiscal year.~~

~~Within thirty days following any fiscal year in which earnings transferred to the multimodal transportation account under this subsection did not total thirty five million dollars, the state treasurer shall transfer from the emergency reserve fund an amount necessary to bring the total deposited in the multimodal transportation account under this subsection to thirty five million dollars. The revenues to the multimodal transportation account reflected in this subsection provide ongoing support for the transportation programs of the state. However, it is the intent of the legislature that any new long term financial support that may be subsequently provided for transportation programs will be used to replace and supplant the revenues reflected in this subsection, thereby allowing those revenues to be returned to the purposes to which they were previously dedicated. No transfers from the emergency reserve fund to the multimodal fund shall be made during the 2003-05 fiscal biennium.)~~

(1) Agency planning and decisions concerning information technology shall be made in the context of its information technology portfolio. "Information technology portfolio" means a strategic management approach in which the relationships between agency missions and information technology investments can be seen and understood, such that: Technology efforts are linked to agency objectives and business plans; the impact of new investments on existing infrastructure and business functions are assessed and understood before implementation; and agency activities are consistent with the development of an integrated, nonduplicative statewide infrastructure.

(2) Agencies shall use their information technology portfolios in making decisions on matters related to the following:

(a) System refurbishment, acquisitions, and development efforts;

(b) Setting goals and objectives for using information technology in meeting legislatively-mandated missions and business needs;

(c) Assessment of overall information processing performance, resources, and capabilities;

(d) Ensuring appropriate transfer of technological expertise for the operation of any new systems developed using external resources; and

(e) Progress toward enabling electronic access to public information.

(3) Each project will be planned and designed to take optimal advantage of Internet technologies and protocols. Agencies shall ensure that the project is in compliance with the architecture, infrastructure, principles, policies, and standards of digital government as maintained by the information services board.

(4) The agency shall produce a feasibility study for information technology projects at the direction of the information services board and in accordance with published department of information services policies and guidelines. At a minimum, such studies shall include a statement of: (a) The purpose or impetus for change; (b) the business value to the agency, including an examination and evaluation of benefits, advantages, and cost; (c) a comprehensive risk assessment based on the proposed project's impact on both citizens and state operations, its visibility, and the consequences of doing nothing; (d) the impact on agency and statewide information infrastructure; and (e) the impact of the proposed enhancements to an agency's information technology capabilities on meeting service delivery demands.

(5) The agency shall produce a comprehensive management plan for each project. The plan or plans shall address all factors critical to successful completion of each project. The plan(s) shall include, but is not limited to, the following elements: A description of the problem or opportunity that the information technology project is intended to address; a statement of project objectives and assumptions; a definition and schedule of phases, tasks, and activities to be accomplished; and the estimated cost of each phase. The planning for the phased approach shall be such that the business case justification for a project needs to demonstrate how the project recovers cost or adds measurable value or positive cost benefit to the agency's business functions within each development cycle.

(6) The agency shall produce quality assurance plans for information technology projects. Consistent with the direction of the information services board and the published policies and guidelines of the department of information services, the quality assurance plan shall address all factors critical to successful completion of the project and successful integration with the agency and state information technology infrastructure. At a minimum, quality assurance plans shall provide time and budget benchmarks against which project progress can be measured, a specification of quality assurance responsibilities, and a statement of reporting requirements. The quality assurance plans shall set out the functionality requirements for each phase of a project.

(7) A copy of each feasibility study, project management plan, and quality assurance plan shall be provided to the department of information services, the office of financial management, and legislative fiscal committees. The plans and studies shall demonstrate a sound business case that justifies the investment of taxpayer funds on any new project, an assessment of the impact of the proposed system on the existing information technology infrastructure, the disciplined use of preventative measures to mitigate risk, and the leveraging of private-sector expertise as needed. Authority to expend any funds for individual information systems projects is conditioned on the approval of the relevant feasibility study, project management plan, and quality assurance plan by the department of information services and the office of financial management.

(8) Quality assurance status reports shall be submitted to the department of information services, the office of financial management, and legislative fiscal committees at intervals specified in the project's quality assurance plan.

A report of the transfers will be submitted on October 1st of each fiscal year to the senate and house of representatives transportation committees.

NEW SECTION. Sec. 603. (2) Transfers from a project may not be made as a result of the reduction of the scope of a project, nor shall a transfer be made to support increases in the scope of a project;

(3) Transfers may be made within the current biennium from projects that are experiencing unavoidable expenditure delays, but the transfers may only occur if the commission finds that any resulting change to the nickel program financial plan provides that all projects on the list may be completed as intended by the legislature;

(4) Transfers may not occur to projects not identified on the list; and

(5) A report of the transfers shall be submitted on October 1st of each fiscal year to the senate and house of representatives transportation committees.

(2) Before issuing a certificate, the commission shall determine that the applicant has the financial resources to operate the proposed service for at least twelve months, based upon the submission by the applicant of a pro forma financial statement of operations. Issuance of a certificate shall be determined upon, but not limited to, the following factors: Ridership and revenue forecasts; the cost of service for the proposed operation; an estimate of the cost of the assets to be used in providing the service; a statement of the total assets on hand of the applicant that will be expended on the proposed operation; and a statement of prior experience, if any, in such field by the applicant. The documentation required of the applicant under this section shall comply with the provisions of RCW 9A.72.085.

(3) Subsection (2) of this section does not apply to an application for a certificate that is pending as of July 25, 1993.

(b) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

PERSONAL PRIVILEGE

Senator Haugen: "As we finished the Transportation package we forgot the most important thing and that was to say thank you to the people who worked so long and hard for us to put this together. They're not here so I can bring them out in the wings, they really kind of uncomfortable about doing that but I know there watching us on TVW. You know we all get elected and we come down here to do great things but the truth of the matter is, it's the people who work for us that help us do great things and, without them, I don't think any of us would be very successful. I feel like we have one of the best Transportation staffs that we've had in a number of years. And actually we have two new members, three new members to our staff that totally have come onto Transportation this year and have just worked, I can't tell you how hard they've worked. They have done a superb job. You know, we all go home at night and then the staff goes to work. That's what these fellows, these young people, have done for the last week and I just want them to know that I really do appreciate their effort. Most of all I appreciate the leadership of Mike Groesch. I know that many of you had the opportunity to work with him on other committees, but I can tell you, he's one of the jewels of the Senate and I feel privileged that he's working in the Transportation Committee. Thank you guys, you're wonderful."

PERSONAL PRIVILEGE

Senator Swecker: "Well, I just want to add to the comments of the good lady from the Tenth District. We literally could not have done it without them. And when I think of the number of hours that I put in and I realize they were there before I was and they were always there after I was. And the fact that they worked through minutiae that totally befuddled me. I couldn't have done it without them. I truly appreciate their level of effort, their expertise. You know, we've had the opportunity now to work with professional staff here in the legislature for a number of years and this was a change that occurred in my life time. We had partisan staff before that. And I think it's truly one of the very most important factors that has improved the quality and performance of the legislature. They're a true gem and a true treasure of the state. I really appreciate everything that they do and I just want to thank them and look forward to working with them. Thank you."

MESSAGE FROM THE HOUSE

April 14, 2005

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5743, with the following amendment{s}:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 10.64 RCW to read as follows:

When a person is convicted of a felony, the court shall require the defendant to sign a statement acknowledging that:

- (1) The defendant's right to vote has been lost due to the felony conviction;
- (2) If the defendant is registered to vote, the voter registration will be canceled;
- (3) The right to vote may be restored by:
 - (a) A certificate of discharge issued by the sentencing court, as provided in RCW 9.94A.637;
 - (b) A court order issued by the sentencing court restoring the right, as provided in RCW 9.92.066;
 - (c) A final order of discharge issued by the indeterminate sentence review board, as provided in RCW 9.96.050; or
 - (d) A certificate of restoration issued by the governor, as provided in RCW 9.96.020; and
- (4) Voting before the right is restored is a class C felony under RCW 29A.84.660.

Sec. 2. RCW 29A.08.010 and 2004 c 267 s 102 are each amended to read as follows:

As used in this chapter: "Information required for voter registration" means the minimum information provided on a voter registration application that is required by the county auditor in order to place a voter registration applicant on the voter registration rolls. This information includes ~~((the applicant's))~~:

- ~~(1) Name((,- complete residence));~~

(2) Residential address(=);

(3) Date of birth(=);

(4) Washington state driver's license number(=) or Washington state identification card number, or the last four digits of the applicant's Social Security number(=) if the applicant does not have a Washington state driver's license or Washington state identification card;

(5) A signature attesting to the truth of the information provided on the application(=); and

(6) A check or indication in the box confirming the individual is a United States citizen.

If the individual does not have a driver's license, state identification card, or Social Security number, the registrant must be issued a unique voter registration number ~~((and))~~ in order to be placed on the voter registration rolls. All other information supplied is ancillary and not to be used as grounds for not registering an applicant to vote. Modification of the language of the official Washington state voter registration form by the voter will not be accepted and will cause the rejection of the registrant's application.

Sec. 3. RCW 29A.08.030 and 2004 c 267 s 104 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Verification notice" means a notice sent by the county auditor or secretary of state to a voter registration applicant and is used to verify or collect information about the applicant in order to complete the registration. The verification notice must be designed to include a postage prepaid, preaddressed return form by which the applicant may verify or send information.

(2) "Acknowledgement notice" means a notice sent by nonforwardable mail by the county auditor or secretary of state to a registered voter to acknowledge a voter registration transaction, which can include initial registration, transfer, or reactivation of an inactive registration. An acknowledgement notice may be a voter registration card.

(3) "Confirmation notice" means a notice sent to a registered voter by first class forwardable mail at the address indicated on the voter's permanent registration record and to any other address at which the county auditor or secretary of state could reasonably expect mail to be received by the voter in order to confirm the voter's residence address. The confirmation notice must be designed ~~((so that the voter may update his or her current residence address))~~ to include a postage prepaid, preaddressed return form by which the registrant may verify the address information.

Sec. 4. RCW 29A.08.107 and 2004 c 267 s 106 are each amended to read as follows:

(1) The secretary of state must review the information provided by each voter registration applicant to ensure that ~~((either))~~ the provided driver's license number, state identification card number, or ((the)) last four digits of the Social Security number match the information maintained by the Washington department of licensing or the Social Security administration. If a match cannot be made, the secretary of state or county auditor must correspond with the applicant to resolve the discrepancy.

(2) If the applicant fails to respond to any correspondence required in this section to confirm information provided on a voter registration application(=) within ~~((thirty))~~ forty-five days, the applicant will not be registered to vote. The secretary of state shall forward the application to the appropriate county auditor for document storage.

(3) Only after the secretary of state has confirmed that ~~((an applicant's))~~ the provided driver's license number, state identification card number, or ((the)) last four digits of the applicant's Social Security number match existing records with the Washington department of licensing or the Social Security administration, or determined that the applicant does not have ~~((either))~~ a driver's license number, state identification card number, or Social Security number may the applicant be placed on the official list of registered voters.

(4) In order to prevent duplicate registration records, all complete voter registration applications must be screened against existing voter registration records in the official statewide voter registration list. If a match of an existing record is found in the official list, the record must be updated with the new information provided on the application. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing.

Sec. 5. RCW 29A.08.110 and 2004 c 267 s 107 are each amended to read as follows:

(1) ~~((On receipt of an application for voter registration, the county auditor shall review the application to determine whether the information supplied is complete.))~~ An application is considered complete only if it contains the applicant's name, complete valid residence address, date of birth, ~~((and))~~ signature attesting to the truth of the information provided, a mark in the check-off box confirming United States citizenship, and an indication ~~((the license information))~~ that the provided driver's license number, state identification card number, or Social Security number has been confirmed by the secretary of state. If it is not complete, the auditor shall promptly mail a verification notice of the deficiency to the applicant. This verification notice shall require the applicant to provide the missing information. If the verification notice is not returned by the applicant within forty-five days or is returned as undeliverable ~~((the auditor shall not place)),~~ the name of the applicant shall not be placed on the ((county voter)) official list of registered voters. If the applicant provides the required verified information, the applicant shall be registered to vote as of the original date of mailing ~~((of the original voter registration application))~~ or date of delivery, whichever is applicable.

(2) ~~((In order to prevent duplicate registration records, all complete voter registration applications must be screened against existing voter registration records in the official statewide voter registration list. If a match of an existing record is found in the official list the record must be updated with the new information provided on the application. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing. If the new information indicates that the voter remains in the same county of residence or if the applicant is a new voter the application must be processed by the county of residence.~~

~~(3))~~ If the information required in subsection (1) of this section is complete, the applicant is considered to be registered to vote as of the original date of mailing or date of delivery, whichever is applicable. The auditor shall record the appropriate precinct identification, taxing district identification, and date of registration on the voter's record in the state voter registration list. Within forty-five days after the receipt of an application but no later than seven days before the next primary, special election, or general election, the auditor shall send to the applicant, by first class mail, an acknowledgement notice identifying the registrant's precinct and containing such other information as may be required by the secretary of state. The postal service shall be instructed not to forward a voter registration card to any other address and to return to the auditor any card which is not deliverable. ~~((If the registrant has indicated on the form that he or she is registered to vote within the county but has provided a new address within the county that is for voter registration purposes, the auditor shall transfer the voter's registration.~~

~~(4))~~ (3) If an acknowledgement notice card is properly mailed as required by this section to the address listed by the voter as being the voter's mailing address and the notice is subsequently returned to the auditor by the postal service as being undeliverable to the voter at that address, the auditor shall promptly send the voter a confirmation notice. The auditor shall place the voter's registration on inactive status pending a response from the voter to the confirmation notice.

NEW SECTION. Sec. 6. A new section is added to chapter 29A.08 RCW to read as follows:

No person registering to vote, who meets all the qualifications of a registered voter in the state of Washington, shall be disqualified because of a nontraditional address being used as a residence address. Voters using such an address will be registered and assigned to a precinct based on the location provided. Voters without a traditional address will be registered at the county courthouse, city hall, or other public building near the area that the voter considers his or her residence. Registering at a nontraditional address will not disqualify a voter from requesting ongoing absentee voter status if the voter designates a valid mailing address.

For the purposes of this section, "nontraditional address" includes shelters, parks, or other identifiable locations that the voter deems to be his or her residence.

NEW SECTION. Sec. 7. A new section is added to chapter 29A.08 RCW to read as follows:

(1) If a voter who registered by mail indicates on the voter registration form that he or she does not have a Washington state driver's license, Washington state identification card, or Social Security number, he or she must provide one of the following forms of identification the first time he or she votes after registering:

- (a) Valid photo identification;
- (b) A valid enrollment card of a federally recognized Indian tribe in Washington state;
- (c) A copy of a current utility bill;
- (d) A current bank statement;
- (e) A copy of a current government check;
- (f) A copy of a current paycheck; or
- (g) A government document that shows both the name and address of the voter.

(2) If the voter fails to provide one of the above forms of identification prior to or at the time of voting, the ballot must be treated as a provisional ballot regardless of whether the voter is voting at a poll site or by mail. The ballot may only be counted if the voter's signature on the outside envelope matches the signature in the voter registration records.

(3) The requirements of this section do not apply to an out-of-state, overseas, or service voter who registers to vote by signing the return envelope of the absentee ballot.

Sec. 8. RCW 29A.08.115 and 2004 c 267 s 108 are each amended to read as follows:

A person or organization collecting voter registration application forms must transmit the forms to the secretary of state or a ~~((designee))~~ county auditor at least once weekly. The registration date on such forms will be the date they are received by the secretary of state or county auditor.

Sec. 9. RCW 29A.08.125 and 2004 c 267 s 110 are each amended to read as follows:

(1) Each county auditor shall maintain a computer file containing a copy of each record of all registered voters within the county contained on the official statewide voter registration list for that county.

(2) The secretary of state shall at least quarterly review and update the records of all registered voters on the official statewide voter registration data base to make additions and corrections.

(3) The computer file must include, but not be limited to, each voter's last name, first name, middle initial, date of birth, residence address, gender, date of registration, applicable taxing district and precinct codes, and the last date on which the individual voted.

(4) The county auditor shall subsequently record each consecutive date upon which the individual has voted and retain all such consecutive dates.

Sec. 10. RCW 29A.08.145 and 2004 c 267 s 113 are each amended to read as follows:

This section establishes a special procedure which an elector may use to register to vote or transfer a voter registration by changing his or her address during the period beginning after the closing of registration for voting at the polls under RCW 29A.08.140 and ending on the fifteenth day before a primary, special election, or general election. A qualified elector in the state may register to vote or change his or her registration address in person in the office of the county auditor of the county in which the applicant resides, or at a voter registration location specifically designated for this purpose by the county auditor ~~((of the county in which the applicant resides))~~ or secretary of state, and apply for an absentee ballot for that primary or election. The auditor or registration assistant shall register that individual in the manner provided in this chapter. The application for an absentee ballot executed by the newly registered or transferred voter for the primary or election that follows the execution of the registration shall be promptly transmitted to the auditor with the completed voter registration form.

Sec. 11. RCW 29A.08.210 and 2003 c 111 s 216 are each amended to read as follows:

An applicant for voter registration shall complete an application providing the following information concerning his or her qualifications as a voter in this state:

- (1) The address of the last former registration of the applicant as a voter in the state;
- (2) The applicant's full name;
- (3) The applicant's date of birth;
- (4) The address of the applicant's residence for voting purposes;
- (5) The mailing address of the applicant if that address is not the same as the address in subsection (4) of this section;
- (6) The sex of the applicant;
- (7) The applicant's Washington state driver's license number or Washington state identification card number, or the last four digits of the applicant's Social Security number if he or she does not have a Washington state driver's license or Washington state identification card;
- (8) A check box for the applicant to indicate that he or she does not have a Washington state driver's license, Washington state identification card, or Social Security number;
- (9) A check box allowing the applicant to indicate that he or she is a member of the armed forces, national guard, or reserves, or that he or she is an overseas voter;
- (10) A check box allowing the applicant to confirm that he or she is at least eighteen years of age;
- (11) Clear and conspicuous language, designed to draw the applicant's attention, stating that the applicant must be a United States citizen in order to register to vote;
- (12) A check box and declaration confirming that the applicant is a citizen of the United States;
- ~~((8))~~ (13) The following warning:
"If you knowingly provide false information on this voter registration form or knowingly make a false declaration about your qualifications for voter registration you will have committed a class C felony that is punishable by imprisonment for up to five years, a fine of up to ten thousand dollars, or both."
- (14) The following affirmation by the applicant:
"By signing this document, I hereby assert, under penalty of perjury, that I am legally eligible to vote. If I am found to have voted illegally, I may be prosecuted and/or fined for this illegal act. In addition, I hereby acknowledge that my name and last known address will be forwarded to the appropriate state and/or federal authorities if I am found to have voted illegally."
- (15) The oath required by RCW 29A.08.230 and a space for the applicant's signature; and
- ~~((9))~~ (16) Any other information that the secretary of state determines is necessary to establish the identity of the applicant and prevent duplicate or fraudulent voter registrations.

This information shall be recorded on a single registration form to be prescribed by the secretary of state.

If the applicant fails to provide the information required for voter registration, the auditor shall send the applicant a verification notice. The ~~((auditor shall not register the))~~ applicant may not be registered until the required information is provided. If a verification notice is returned as undeliverable or the applicant fails to respond to the notice within forty-five days, the ~~((auditor shall not register the))~~ applicant shall not be registered to vote.

~~((The following warning shall appear in a conspicuous place on the voter registration form:~~

~~"If you knowingly provide false information on this voter registration form or knowingly make a false declaration about your qualifications for voter registration you will have committed a class C felony that is punishable by imprisonment for up to five years, or by a fine of up to ten thousand dollars, or both imprisonment and fine."))~~

NEW SECTION. Sec. 12. A new section is added to chapter 29A.08 RCW to read as follows:

(1) When a felony offender has completed all the requirements of his or her sentence, the county clerk shall immediately transmit this information to the secretary of state along with information about the county where the conviction occurred and the county that is the last known residence of the offender. The secretary of state shall maintain such records as part of the elections data base.

(2) If the offender has completed all the requirements of all of his or her sentences for all of his or her felony convictions, the secretary of state shall transmit information about the restoration of the former felon's voting rights to the county auditor where the conviction took place and, if different, the county where the felon was last known to reside.

Sec. 13. RCW 29A.08.250 and 2004 c 267 s 117 are each amended to read as follows:

The secretary of state shall furnish registration forms necessary to carry out the registration of voters as provided by this chapter without cost to the respective counties. ~~((All voter registration forms must include clear and conspicuous language, designed to draw an applicant's attention, stating that the applicant must be a United States citizen in order to register to vote. Voter registration application forms must also contain a space for the applicant to provide his or her driver's license number or the last four digits of his or her social security number as well as check boxes intended to allow the voter to indicate age and United States citizenship eligibility under the Help America Vote Act of 2002 (P.L. 107 252).))~~

Sec. 14. RCW 29A.08.330 and 2003 c 111 s 224 are each amended to read as follows:

(1) The secretary of state shall prescribe the method of voter registration for each designated agency. The agency shall use either the state voter registration by mail form with a separate declination form for the applicant to indicate that he or she declines to register at this time, or the agency may use a separate form approved for use by the secretary of state.

(2) The person providing service at the agency shall offer voter registration services to every client whenever he or she applies for service or assistance and with each renewal, recertification, or change of address. The person providing service shall

give the applicant the same level of assistance with the voter registration application as is offered to fill out the agency's forms and documents, including information about age and citizenship requirements for voter registration.

(3) The person providing service at the agency shall determine if the prospective applicant wants to register to vote or transfer his or her voter registration by asking the following question:

"Do you want to register to vote or transfer your voter registration?"

If the applicant chooses to register or transfer a registration, the service agent shall ask the following:

(a) "Are you a United States citizen?"

(b) "Are you or will you be eighteen years of age on or before the next election?"

If the applicant answers in the affirmative to both questions, the agent shall then provide the applicant with a voter registration form and instructions and shall record that the applicant has requested to register to vote or transfer a voter registration. If the applicant answers in the negative to either question, the agent shall not provide the applicant with a voter registration form.

(4) If an agency uses a computerized application process, it may, in consultation with the secretary of state, develop methods to capture simultaneously the information required for voter registration during a person's computerized application process.

~~((4))~~ (5) Each designated agency shall provide for the voter registration application forms to be collected from each agency office at least once each week. The agency shall then forward the application forms to the secretary of state each week. The secretary of state shall forward the forms to the county in which the applicant has registered to vote no later than ten days after the date on which the forms were received by the secretary of state.

Sec. 15. RCW 29A.08.520 and 2004 c 267 s 126 are each amended to read as follows:

(1) Upon receiving official notice of a person's conviction of a felony in either state or federal court, if the convicted person is a registered voter in the county, the county auditor shall cancel the defendant's voter registration. Additionally, the secretary of state in conjunction with the department of corrections, ~~the Washington state patrol, the office of the administrator for the courts, and other appropriate state agencies~~ shall arrange for a ~~((periodic))~~ quarterly comparison of a list of known felons with the statewide voter registration list. If a person is found on ~~((the department of corrections))~~ a felon list and the statewide voter registration list, the secretary of state or county auditor shall confirm the match through a date of birth comparison and ~~((cancel))~~ suspend the voter registration from the official state voter registration list. The canceling authority shall send ~~((notice of the proposed cancellation))~~ a notice of the proposed cancellation and an explanation of the requirements for restoring the right to vote once all terms of sentencing have been completed. If the person does not respond within thirty days, the registration must be canceled.

(2) The right to vote may be restored by, for each felony conviction, one of the following:

(a) A certificate of discharge issued by the sentencing court, as provided in RCW 9.94A.637;

(b) A court order restoring the right, as provided in RCW 9.92.066;

(c) A final order of discharge issued by the indeterminate sentence review board, as provided in RCW 9.96.050; or

(d) A certificate of restoration issued by the governor, as provided in RCW 9.96.020.

Sec. 16. RCW 29A.08.651 and 2004 c 267 s 101 are each amended to read as follows:

(1) The office of the secretary of state shall create and maintain a statewide voter registration data base. This data base must be a single, uniform, official, centralized, interactive computerized statewide voter registration list defined, maintained, and administered at the state level that contains the name and registration information of every legally registered voter in the state and assigns a unique identifier to each legally registered voter in the state.

(2) The computerized list must serve as the single system for storing and maintaining the official list of registered voters throughout the state.

(3) The computerized list must contain the name and registration information of every legally registered voter in the state.

(4) Under the computerized list, a unique identifier is assigned to each legally registered voter in the state.

(5) The computerized list must be coordinated with other agency data bases within the state, including but not limited to the department of corrections, the department of licensing, ~~((and))~~ the department of health, the Washington state patrol, and the office of the administrator for the courts. The computerized list may also be coordinated with the data bases of election officials in other states.

(6) Any election officer in the state, including any local election officer, may obtain immediate electronic access to the information contained in the computerized list.

(7) All voter registration information obtained by any local election officer in the state must be electronically entered into the computerized list on an expedited basis at the time the information is provided to the local officer.

(8) The chief state election officer shall provide support, as may be required, so that local election officers are able to enter information as described in subsection (3) of this section.

(9) The computerized list serves as the official voter registration list for the conduct of all elections.

(10) The secretary of state has data authority on all voter registration data.

(11) The voter registration data base must be designed to accomplish at a minimum, the following:

(a) Comply with the Help America Vote Act of 2002 (P.L. 107-252);

(b) Identify duplicate voter registrations;

(c) Identify suspected duplicate voters;

(d) Screen against the department of corrections, the Washington state patrol, and other appropriate state agency data bases to aid in the cancellation of voter registration of felons, of persons who have declined to serve on juries by virtue of not being citizens of the United States, and of persons determined to be legally incompetent to vote;

(e) Provide up-to-date signatures of voters for the purposes of initiative signature checking;

(f) Provide for a comparison between the voter registration data base and the department of licensing change of address data base;

(g) Provide online access for county auditors with the goal of real time duplicate checking and update capabilities; and

(h) Provide for the cancellation of voter registration for persons who have moved to other states and surrendered their Washington state drivers' licenses.

(12) In order to maintain the statewide voter registration data base, the secretary of state may, upon agreement with other appropriate jurisdictions, screen against data bases maintained by election officials in other states and data bases maintained by federal agencies including, but not limited to, the federal bureau of investigation, the federal court system, the federal bureau of prisons, and the bureau of citizenship and immigration services.

(13) The secretary of state shall retain information regarding previous successful appeals of proposed cancellations of registrations in order to avoid repeated cancellations for the same reason.

(14) The secretary of state must review and update the records of all registered voters on the computerized list on a quarterly basis to make additions and corrections.

Sec. 17. RCW 29A.08.710 and 2004 c 267 s 133 are each amended to read as follows:

(1) The county auditor shall have custody of the original voter registration records for each county. The original voter registration form must be filed without regard to precinct and is considered confidential and unavailable for public inspection and copying. An automated file of all registered voters must be maintained pursuant to RCW 29A.08.125. An auditor may maintain the automated file in lieu of filing or maintaining the original voter registration forms if the automated file includes all of the information from the original voter registration forms including, but not limited to, a retrievable facsimile of each voter's signature.

(2) The following information contained in voter registration records or files regarding a voter or a group of voters is available for public inspection and copying, except as provided in RCW 40.24.060: The voter's name, address, political jurisdiction, gender, date of birth, voting record, date of registration, and registration number. ~~((The address and political jurisdiction of a registered voter are available for public inspection and copying except as provided by chapter 40.24 RCW.))~~ No other information from voter registration records or files is available for public inspection or copying.

Sec. 18. RCW 29A.08.720 and 2004 c 266 s 9 are each amended to read as follows:

(1) In the case of voter registration records received through the department of licensing, the identity of the office at which any particular individual registered to vote is not available for public inspection and shall not be disclosed to the public. In the case of voter registration records received through an agency designated under RCW 29A.08.310, the identity of the agency at which any particular individual registered to vote is not available for public inspection and shall not be disclosed to the public. Any record of a particular individual's choice not to register to vote at an office of the department of licensing or a state agency designated under RCW 29A.08.310 is not available for public inspection and any information regarding such a choice by a particular individual shall not be disclosed to the public.

(2) ~~((A))~~ Subject to the restrictions of RCW 29A.08.710, poll books ((or)), precinct lists, and current lists of registered voters((, except original voter registration forms or their images, shall be)) are public records and must be made available for public inspection and copying under such reasonable rules and regulations as the county auditor or secretary of state may prescribe. The county auditor or secretary of state shall promptly furnish current lists ((or mailing labels)) of registered voters in his or her possession, at actual reproduction cost, to any person requesting such information. The lists ((and labels)) shall not be used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the lists and labels may be used for any political purpose. The county auditor or secretary of state must provide a copy of RCW 29A.08.740 to the person requesting the material that is released under this section.

Sec. 19. RCW 29A.08.740 and 2003 c 111 s 249 and 2003 c 53 s 176 are each reenacted and amended to read as follows:

(1) Any person who uses registered voter data furnished under RCW 29A.08.720 ~~((or 29A.08.730))~~ for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value is guilty of a class C felony punishable by imprisonment in a state correctional facility for a period of not more than five years or a fine of not more than ten thousand dollars or both such fine and imprisonment, and is liable to each person provided such advertisement or solicitation, without the person's consent, for the nuisance value of such person having to dispose of it, which value is herein established at five dollars for each item mailed or delivered to the person's residence. However, a person who mails or delivers any advertisement, offer, or solicitation for a political purpose is not liable under this section unless the person is liable under subsection (2) of this section. For purposes of this subsection, two or more attached papers or sheets or two or more papers that are enclosed in the same envelope or container or are folded together are one item. Merely having a mailbox or other receptacle for mail on or near the person's residence is not an indication that the person consented to receive the advertisement or solicitation. A class action may be brought to recover damages under this section, and the court may award a reasonable attorney's fee to any party recovering damages under this section.

(2) Each person furnished data under RCW 29A.08.720 (~~or 29A.08.730~~) shall take reasonable precautions designed to assure that the data is not used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the data may be used for any political purpose. Where failure to exercise due care in carrying out this responsibility results in the data being used for such purposes, then such person is jointly and severally liable for damages under subsection (1) of this section along with any other person liable under subsection (1) of this section for the misuse of such data.

Sec. 20. RCW 29A.08.775 and 2004 c 267 s 136 are each amended to read as follows:

Only voters who appear on the official statewide voter registration list are eligible to participate in elections. Each county shall maintain a copy of that county's portion of the state list. The county must ensure that data used for the production of poll lists and other lists and mailings done in the administration of each election are (~~drawn from~~) the same as the official statewide voter registration list.

Sec. 21. RCW 29A.40.091 and 2004 c 271 s 135 are each amended to read as follows:

The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany an absentee ballot for a partisan primary must include instructions for voting the applicable ballot style, as provided in chapter 29A.36 RCW. The absentee voter's name and address must be printed on the larger return envelope, which must also contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if he or she has been convicted of a felony and has not had his or her voting rights restored; and, except as otherwise provided by law, it is illegal to cast a ballot or sign an absentee envelope on behalf of another voter. The return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. It must also contain a space so that the voter may include a telephone number. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. The return envelope must also have a secrecy flap that the voter may seal that will cover the voter's signature and optional telephone number. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward absentee ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed.

NEW SECTION. Sec. 22. A new section is added to chapter 29A.44 RCW to read as follows:

Any person desiring to vote at the polls at any primary or election must provide identification to the election officer before signing the poll book. The identification required in this section may be satisfied by providing the following forms of identification as chosen by the voter:

(1) A physical form of identification, which may be:

(a) An original or copy of a current and valid photo identification with or without an address. The address is not required to match the voter's voter identification card; or

(b) An original or copy of a utility bill, bank statement, government check, paycheck, student identification card, tribal identification card, or other government document that shows the name and address of the person. The address is not required to match the voter's voter identification card; or

(2) A verbal or written statement by the voter of the voter's name, year of birth, and unique identifier as determined by the secretary of state. The statement of the voter's name does not need to contain the voter's middle initial or suffix.

(3) If the voter does not have identification and does not know his or her unique identifier, he or she shall vote a provisional ballot.

Sec. 23. RCW 29A.84.140 and 2003 c 111 s 2108 are each amended to read as follows:

A person who knows that he or she does not possess the legal qualifications of a voter and who registers to vote is guilty of a (~~misdemeanor punishable under RCW 9A.20.021~~) class C felony.

Sec. 24. RCW 46.20.118 and 1990 c 250 s 37 are each amended to read as follows:

The department shall maintain a negative file. It shall contain negatives of all pictures taken by the department of licensing as authorized by RCW 46.20.070 through 46.20.119. Negatives in the file shall not be available for public inspection and copying under chapter 42.17 RCW. The department may make the file available to official governmental enforcement agencies to assist in the investigation by the agencies of suspected criminal activity. The department shall make the file available to the office of the secretary of state, at the expense of the secretary of state, to assist in maintenance of the statewide voter registration data base. The department may also provide a print to the driver's next of kin in the event the driver is deceased.

Sec. 25. RCW 46.20.155 and 2004 c 249 s 7 are each amended to read as follows:

(1) Before issuing an original license or identicard or renewing a license or identicard under this chapter, the licensing agent shall determine if the applicant wants to register to vote or transfer his or her voter registration by asking the following question:

"Do you want to register to vote or transfer your voter registration?"

If the applicant chooses to register or transfer a registration, the agent shall ~~((state))~~ ask the following:

~~("I would like to remind you that you must be a United States citizen and at least eighteen years of age in order to vote.")~~

(1) "Are you a United States citizen?"

(2) "Are you or will you be eighteen years of age on or before the next election?"

If the applicant answers in the affirmative to both questions, the agent shall then provide the applicant with a voter registration form and instructions and shall record that the applicant has requested to register to vote or transfer a voter registration. If the applicant answers in the negative to either question, the agent shall not provide the applicant with a voter registration form.

(2) The department shall establish a procedure that substantially meets the requirements of subsection (1) of this section when permitting an applicant to renew a license or identicard by mail or by electronic commerce.

NEW SECTION. Sec. 26. The following acts or parts of acts are each repealed:

(1) RCW 29A.08.155 (Payment for maintenance of electronic records) and 2004 c 267 s 114 & 2003 c 111 s 215; and

(2) RCW 29A.08.730 (Registration, voting--Furnishing data upon request--Cost--Use restricted) and 2003 c 111 s 248, 1994 c 57 s 6, & 1973 1st ex.s. c 111 s 3.

(2) Imprinted with a bar code for the purpose of identifying the ballot as a provisional, mail, or absentee ballot. The bar code must not identify the voter.

Provisional, mail, and absentee ballots must be incapable of being tabulated by poll-site counting devices.

Sec. 4. RCW 29A.40.091 and 2004 c 271 s 135 are each amended to read as follows:

The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany an absentee ballot for a partisan primary must include instructions for voting the applicable ballot style, as provided in chapter 29A.36 RCW. The absentee voter's name and address must be printed on the larger return envelope, which must also contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if he or she has been convicted of a felony and has not had his or her voting rights restored; and, except as otherwise provided by law, it is illegal to cast a ballot or sign an absentee envelope on behalf of another voter. The return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. It must also contain a space that the voter may include a telephone number. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. The return envelope must also have a secrecy flap that the voter may seal that will cover the voter's signature and optional telephone number. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward absentee ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed.

Sec. 5. RCW 29A.40.110 and 2003 c 111 s 1011 are each amended to read as follows:

(2) All received absentee return envelopes must be placed in secure locations from the time of delivery to the county auditor until their subsequent opening. After opening the return envelopes, the county canvassing board shall place all of the

ballots in secure storage until after 8:00 p.m. of the day of the primary or election. Absentee ballots that are to be tabulated on an electronic vote tallying system may be taken from the inner envelopes and all the normal procedural steps may be performed to prepare these ballots for tabulation.

(3) Before opening a returned absentee ballot, the canvassing board, or its designated representatives, shall examine the postmark, statement, and signature on the return envelope that contains the security envelope and absentee ballot. They shall verify that the voter's signature on the return envelope is the same as the signature of that voter in the registration files of the county. For registered voters casting absentee ballots, the date on the return envelope to which the voter has attested determines the validity, as to the time of voting for that absentee ballot if the postmark is missing or is illegible. For out-of-state voters, overseas voters, and service voters stationed in the United States, the date on the return envelope to which the voter has attested determines the validity as to the time of voting for that absentee ballot. For any absentee ballot, a variation between the signature of the voter on the return envelope and the signature of that voter in the registration files due to the substitution of initials or the use of common nicknames is permitted so long as the surname and handwriting are clearly the same.

NEW SECTION. Sec. 6. A new section is added to chapter 29A.44 RCW to read as follows:

The provisional ballot outer envelope must also contain a declaration as required for absentee ballot outer envelopes under RCW 29A.40.091; a place for the voter to sign the oath; and a summary of the applicable penalty provisions of this chapter. The voter shall vote the provisional ballot in secrecy and, when done, place the provisional ballot in the security envelope, then place the security envelope into the outer envelope, and return it to the precinct election official. The election official shall ensure that the required information is completed on the outer envelope, have the voter sign it in the appropriate space, and place the envelope in a secure container. The official shall then give the voter written information advising the voter how to ascertain whether the vote was counted and, if applicable, the reason why the vote was not counted.

(a) A physical form of identification, which may be:

(i) An original or copy of a current and valid photo identification with or without an address. The address is not required to match the voter's voter identification card; or

(ii) An original or copy of a utility bill, bank statement, government check, paycheck, student identification card, tribal identification card, or other government document that shows the name and address of the person. The address is not required to match the voter's voter identification card; or

(b) A verbal or written statement by the voter of the voter's name, year of birth, and unique identifier as determined by the secretary of state. The statement of the voter's name does not need to contain the voter's middle initial or suffix.

(2) If the voter does not have identification and does not know his or her unique identifier, he or she shall vote a provisional ballot.

NEW SECTION. Sec. 8. A new section is added to chapter 29A.60 RCW to read as follows:

(1) If the voter neglects to sign the outside envelope of an absentee or provisional ballot, the auditor shall notify the voter by telephone and advise the voter of the correct procedures for completing the unsigned affidavit. If the auditor is not able to provide the information personally to the voter by telephone, then the voter must be contacted by first class mail and advised of the correct procedures for completing the unsigned affidavit. Leaving a voice mail message for the voter is not to be considered as personally contacting the voter. In order for the ballot to be counted, the voter must either:

(a) Appear in person and sign the envelope no later than the day before the certification of the primary or election; or

(b) Sign a copy of the envelope provided by the auditor, and return it to the auditor no later than the day before the certification of the primary or election.

(2)(a) If the handwriting of the signature on an absentee or provisional ballot envelope is not the same as the handwriting of the signature on the registration file, the auditor shall notify the voter by telephone and advise the voter of the correct procedures for updating his or her signature on the voter registration file. If the auditor is not able to provide the information personally to the voter by telephone, then the voter must be contacted by first class mail and advised of the correct procedures for completing the unsigned affidavit. Leaving a voice mail message for the voter is not to be considered as personally contacting the voter. In order for the ballot to be counted, the voter must either:

(i) Appear in person and sign a new registration form no later than the day before the certification of the primary or election; or

(ii) Sign a copy of the affidavit provided by the auditor and return it to the auditor no later than the day before the certification of the primary or election. If the signature on the copy of the affidavit does not match the signature on file, the voter must appear in person and sign a new registration form no later than the day before the certification of the primary or election in order for the ballot to be counted.

(b) If the signature on an absentee or provisional ballot envelope is not the same as the signature on the registration file because the name is different, the ballot may be counted as long as the handwriting is clearly the same. The auditor shall send the voter a change-of-name form under RCW 29A.08.440 and direct the voter to complete the form.

(c) If the signature on an absentee or provisional ballot envelope is not the same as the signature on the registration file because the voter used initials or a common nickname, the ballot may be counted as long as the surname and handwriting are clearly the same.

(3) A voter may not cure a missing or mismatched signature for purposes of counting the ballot in a recount.

(4) A record must be kept of all ballots with missing and mismatched signatures. The record must contain the date on which the voter was contacted or the notice was mailed, as well as the date on which the voter signed the envelope, a copy of the envelope, a new registration form, or a change-of-name form. That record is a public record under chapter 42.17 RCW and may be disclosed to interested parties on written request.

NEW SECTION. Sec. 9. A new section is added to chapter 29A.60 RCW to read as follows:

Before certification of the primary or election, the county auditor must examine and investigate all received provisional ballots to determine whether the ballot can be counted. The auditor shall provide the disposition of the provisional ballot and, if the ballot was not counted, the reason why it was not counted, on a free access system such as a toll-free telephone number, web site, mail, or other means. The auditor must notify the voter in accordance with section 8 of this act when the envelope is unsigned or when the signatures do not match.

NEW SECTION. Sec. 10. A new section is added to chapter 29A.60 RCW to read as follows:

If inspection of the ballot reveals a physically damaged ballot or ballot that may be otherwise unreadable or uncountable by the tabulating system, the county auditor may refer the ballot to the county canvassing board or duplicate the ballot if so authorized by the county canvassing board. A ballot may be duplicated only if the intent of the voter's marks on the ballot is clear and the electronic voting equipment might not otherwise properly tally the ballot to reflect the intent of the voter. Ballots must be duplicated by teams of two or more people working together. When duplicating ballots, the county auditor shall take the following steps to create and maintain an audit trail of the action taken:

(1) Each original ballot and duplicate ballot must be assigned the same unique control number, with the number being marked upon the face of each ballot, to ensure that each duplicate ballot may be tied back to the original ballot;

(2) A log must be kept of the ballots duplicated, which must at least include:

(a) The control number of each original ballot and the corresponding duplicate ballot;

(b) The initials of at least two people who participated in the duplication of each ballot; and

(c) The total number of ballots duplicated.

Original and duplicate ballots must be sealed in secure storage at all times, except during duplication, inspection by the canvassing board, or tabulation.

NEW SECTION. Sec. 11. A new section is added to chapter 29A.60 RCW to read as follows:

(1) The county auditor shall prepare, make publicly available at the auditor's office or on the auditor's web site, and submit at the time of certification an election reconciliation report that discloses the following information:

(a) The number of registered voters;

(b) The number of ballots counted;

(c) The number of provisional ballots issued;

(d) The number of provisional ballots counted;

(e) The number of provisional ballots rejected;

(f) The number of absentee ballots issued;

(g) The number of absentee ballots counted;

(h) The number of absentee ballots rejected;

(i) The number of federal write-in ballots counted;

(j) The number of out-of-state, overseas, and service ballots issued;

(k) The number of out-of-state, overseas, and service ballots counted; and

(l) The number of out-of-state, overseas, and service ballots rejected.

(2) The county auditor shall prepare and make publicly available at the auditor's office or on the auditor's web site within thirty days of certification a final election reconciliation report that discloses the following information:

(a) The number of registered voters;

(b) The total number of voters credited with voting;

(c) The number of poll voters credited with voting;

(d) The number of provisional voters credited with voting;

(e) The number of absentee voters credited with voting;

(f) The number of federal write-in voters credited with voting;

(g) The number of out-of-state, overseas, and service voters credited with voting;

(h) The total number of voters credited with voting even though their ballots were postmarked after election day and were not counted; and

(i) Any other information the auditor deems necessary to reconcile the number of ballots counted with the number of voters credited with voting.

(3) The county auditor may also prepare such reports for jurisdictions located, in whole or in part, in the county.

Sec. 12. RCW 29A.60.021 and 2004 c 271 s 147 are each amended to read as follows:

(1) For any office at any election or primary, any voter may write in on the ballot the name of any person for an office who has filed as a write-in candidate for the office in the manner provided by RCW 29A.24.311 and such vote shall be counted the same as if the name had been printed on the ballot and marked by the voter. ~~((For a partisan primary in a jurisdiction using~~

~~the physically separate ballot format, a voter may write in on a party ballot only the names of write-in candidates who affiliate with that major political party.)~~ No write-in vote made for any person who has not filed a declaration of candidacy pursuant to RCW 29A.24.311 is valid if that person filed for the same office, either as a regular candidate or a write-in candidate, at the preceding primary. Any abbreviation used to designate office(=) or position(~~= or political party shall~~) will be accepted if the canvassing board can determine, to ~~(their)~~ its satisfaction, the voter's intent.

(2) The number of write-in votes cast for each office must be recorded and reported with the canvass for the election.

(3) A write-in vote for an individual candidate for an office whose name appears on the ballot for that same office is a valid vote for that candidate as long as the candidate's name is clearly discernible, even if other requirements of RCW 29A.24.311 are not satisfied and even if the voter also marked a vote for that candidate such as to register an overvote. These votes need not be tabulated unless: (a) The difference between the number of votes cast for the candidate apparently qualified to appear on the general election ballot or elected and the candidate receiving the next highest number of votes is less than the sum of the total number of write-in votes cast for the office plus the overvotes and undervotes recorded by the vote tabulating system; or (b) a manual recount is conducted for that office.

(4) Write-in votes cast for an individual candidate for an office whose name does not appear on the ballot need not be tallied ~~((if))~~ unless the total number of write-in votes and undervotes recorded by the vote tabulation system for the office is ~~((not))~~ greater than the number of votes cast for the candidate apparently ~~((nominated))~~ qualified to appear on the general election ballot or elected~~(, and the write in votes could not have altered the outcome of the primary or election. In the case of write in votes for statewide office or for any office whose jurisdiction encompasses more than one county, write in votes for an individual candidate must be tallied whenever the county auditor is notified by either the office of the secretary of state or another auditor in a multicounty jurisdiction that it appears that the write in votes could alter the outcome of the primary or election)).~~

~~((4))~~ (5) In the case of write-in votes for a statewide office(=) or any office whose jurisdiction(~~s that~~) encompasses more than one county, ~~((if the total number of write in votes and undervotes recorded by the vote tabulation system for an office within a county is greater than the number of votes cast for a candidate apparently nominated or elected in a primary or election, the auditor shall tally all write in votes for individual candidates for that office and notify the office of the secretary of state and the auditors of the other counties within the jurisdiction, that the write in votes for individual candidates should be tallied))~~ write-in votes for an individual candidate must be tallied when the county auditor is notified by either the secretary of state or another county auditor in the multicounty jurisdiction that it appears that the write-in votes must be tabulated under the terms of this section. In all other cases, the county auditor determines when write-in votes must be tabulated. Any abstract of votes must be modified to reflect the tabulation and certified by the canvassing board. Tabulation of write-in votes may be performed simultaneously with a recount.

Sec. 13. RCW 29A.60.050 and 2003 c 111 s 1505 are each amended to read as follows:

Whenever the precinct election officers or the counting center personnel have a question about the validity of a ballot or the votes for an office or issue that they are unable to resolve, they shall prepare and sign a concise record of the facts in question or dispute. These ballots shall be delivered to the canvassing board for processing. A ballot is not considered rejected until the canvassing board has rejected the ballot individually, or the ballot was included in a batch or on a report of ballots that was rejected in its entirety by the canvassing board. All ballots shall be preserved in the same manner as valid ballots for that primary or election.

Sec. 14. RCW 29A.60.070 and 2003 c 111 s 1507 are each amended to read as follows:

The county auditor shall produce cumulative and precinct returns for each primary and election and deliver them to the canvassing board for verification and certification. The precinct and cumulative returns of any primary or election are public records under chapter 42.17 RCW.

Cumulative returns for state offices, judicial offices, the United States senate, and congress must be electronically transmitted to the secretary of state immediately.

Sec. 15. RCW 29A.60.160 and 2003 c 111 s 1516 are each amended to read as follows:

~~((At least every third day after a primary or election and before certification of the election results,))~~ Except Sundays and legal holidays, the county auditor, as delegated by the county canvassing board, shall process absentee ballots and canvass the votes cast at that primary or election on a daily basis in counties with a population of seventy-five thousand or more, or at least every third day for counties with a population of less than seventy-five thousand, if the county auditor is in possession of more than twenty-five ballots that have yet to be canvassed. The county auditor, as delegated by the county canvassing board, may use his or her discretion in determining when to process the remaining absentee ballots and canvass the votes during the final four days before the certification of election results in order to protect the secrecy of any ballot. In counties where this process has not been delegated to the county auditor, the county auditor shall convene the county canvassing board to process absentee ballots and canvass the votes cast at the primary or election as set forth in this section.

Each absentee ballot previously not canvassed that was received by the county auditor two days or more before processing absentee ballots and canvassing the votes as delegated by or processed by the county canvassing board, that either was received by the county auditor before the closing of the polls on the day of the primary or election for which it was issued, or that bears a postmark on or before the primary or election for which it was issued, must be processed at that time. The tabulation of votes that results from that day's canvass must be made available to the general public immediately upon completion of the canvass.

Sec. 16. RCW 29A.60.190 and 2004 c 266 s 18 are each amended to read as follows:

(1) ~~((On the tenth day after a special election or primary and on the fifteenth day))~~ Ten days after a primary or special election and twenty-one days after a general election, the county canvassing board shall complete the canvass and certify the

results. Each absentee ballot that was returned before the closing of the polls on the date of the primary or election for which it was issued, and each absentee ballot with a postmark on or before the date of the primary or election for which it was issued and received on or before the date on which the primary or election is certified, must be included in the canvass report.

(2) At the request of a caucus of the state legislature, the county auditor shall transmit copies of all unofficial returns of state and legislative primaries or elections prepared by or for the county canvassing board to either the secretary of the senate or the chief clerk of the house of representatives.

Sec. 17. RCW 29A.60.210 and 2003 c 111 s 1521 are each amended to read as follows:

Whenever the canvassing board finds during the initial counting process, or during any subsequent recount thereof, that there is an apparent discrepancy or an inconsistency in the returns of a primary or election, or that election staff has made an error regarding the treatment or disposition of a ballot, the board may recanvass the ballots or voting devices in any precincts of the county. The canvassing board shall conduct any necessary recanvass activity on or before the last day to certify or recertify the results of the primary ~~((~~or~~))~~, election, or subsequent recount and correct any error and document the correction of any error that it finds.

Sec. 18. RCW 29A.60.250 and 2003 c 111 s 1525 are each amended to read as follows:

As soon as the returns have been received from all the counties of the state, but not later than the thirtieth day after the election, the secretary of state shall ~~((make a))~~ canvass ~~((of such of the returns as are not required to be canvassed by the legislature and make out a statement thereof, file it in his or her office, and transmit a certified copy to the governor))~~ and certify the returns of the general election as to candidates for state offices, the United States senate, congress, and all other candidates whose districts extend beyond the limits of a single county. The secretary of state shall transmit a copy of the certification to the governor, president of the senate, and speaker of the house of representatives.

Sec. 19. RCW 29A.64.021 and 2004 c 271 s 178 are each amended to read as follows:

(1) If the official canvass of all of the returns for any office at any primary or election reveals that the difference in the number of votes cast for a candidate apparently nominated or elected to any office and the number of votes cast for the closest apparently defeated opponent is less than two thousand votes and also less than one-half of one percent of the total number of votes cast for both candidates, the county canvassing board shall conduct a recount of all votes cast on that position.

(a) Whenever such a difference occurs in the number of votes cast for candidates for a position the declaration of candidacy for which was filed with the secretary of state, the secretary of state shall, within three business days of the day that the returns of the primary or election are first certified by the canvassing boards of those counties, direct those boards to recount all votes cast on the position.

(b)(i) For statewide elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one ~~((hundred fifty))~~ thousand votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(ii) For elections not included in (b)(i) of this subsection, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one hundred fifty votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(2) A mandatory recount shall be conducted in the manner provided by RCW 29A.64.030, 29A.64.041, and 29A.64.061. No cost of a mandatory recount may be charged to any candidate.

(3) The apparent winner and closest apparently defeated opponent for an office for which a manual recount is required under subsection (1)(b) of this section may select an alternative method of conducting the recount. To select such an alternative, the two candidates shall agree to the alternative in a signed, written statement filed with the election official for the office. The recount shall be conducted using the alternative method if: It is suited to the balloting system that was used for casting the votes for the office; it involves the use of a vote tallying system that is approved for use in this state by the secretary of state; and the vote tallying system is readily available in each county required to conduct the recount. If more than one balloting system was used in casting votes for the office, an alternative to a manual recount may be selected for each system.

Sec. 20. RCW 29A.64.030 and 2003 c 111 s 1603 are each amended to read as follows:

An application for a recount shall state the office for which a recount is requested and whether the request is for all or only a portion of the votes cast in that jurisdiction of that office. The person filing an application for a manual recount shall, at the same time, deposit with the county canvassing board or secretary of state, in cash or by certified check, a sum equal to twenty-five cents for each ballot cast in the jurisdiction or portion of the jurisdiction for which the recount is requested as security for the payment of any costs of conducting the recount. If the application is for a machine recount, the deposit must be equal to fifteen cents for each ballot. These charges shall be determined by the county canvassing board or boards under RCW ~~((29A.64.080))~~ 29A.64.081.

The county canvassing board shall determine ~~((a))~~ the date, time, and ~~((a))~~ place or places at which the recount will be conducted. ~~((This time shall be less than three business days after the day upon which: The application was filed with the board; the request for a recount or directive ordering a recount was received by the board from the secretary of state; or the returns are certified which indicate that a recount is required under RCW 29A.64.020 for an issue or office voted upon only within the county.))~~ Not less than two days before the date of the recount, the county auditor shall mail a notice of the time and place of the recount to the applicant or affected parties and, if the recount involves an office, to any person for whom votes were cast for that office. The county auditor shall also notify the affected parties by either telephone, fax, e-mail, or other electronic means at the time of mailing. At least three attempts must be made over a two-day period to notify the affected parties or until the affected

parties have received the notification. Each attempt to notify affected parties must request a return response indicating that the notice has been received. Each person entitled to receive notice of the recount may attend, witness the recount, and be accompanied by counsel.

Proceedings of the canvassing board are public under chapter 42.30 RCW. Subject to reasonable and equitable guidelines adopted by the canvassing board, all interested persons may attend and witness a recount.

Sec. 21. RCW 29A.64.061 and 2004 c 271 s 180 are each amended to read as follows:

Upon completion of the canvass of a recount, the canvassing board shall prepare and certify an amended abstract showing the votes cast in each precinct for which the recount was conducted. Copies of the amended abstracts must be transmitted to the same officers who received the abstract on which the recount was based.

If the nomination, election, or issue for which the recount was conducted was submitted only to the voters of a county, the canvassing board shall file the amended abstract with the original results of that election or primary.

If the nomination, election, or issue for which a recount was conducted was submitted to the voters of more than one county, the secretary of state shall canvass the amended abstracts and shall file an amended abstract with the original results of that election. The secretary of state may require that the amended abstracts be certified by each canvassing board on a uniform date. An amended abstract certified under this section supersedes any prior abstract of the results for the same offices or issues at the same primary or election.

Sec. 22. RCW 29A.68.011 and 2004 c 271 s 182 are each amended to read as follows:

Any justice of the supreme court, judge of the court of appeals, or judge of the superior court in the proper county shall, by order, require any person charged with error, wrongful act, or neglect to forthwith correct the error, desist from the wrongful act, or perform the duty and to do as the court orders or to show cause forthwith why the error should not be corrected, the wrongful act desisted from, or the duty or order not performed, whenever it is made to appear to such justice or judge by affidavit of an elector that:

- (1) An error or omission has occurred or is about to occur in printing the name of any candidate on official ballots; or
- (2) An error other than as provided in subsections (1) and (3) of this section has been committed or is about to be committed in printing the ballots; or
- (3) The name of any person has been or is about to be wrongfully placed upon the ballots; or
- (4) A wrongful act other than as provided for in subsections (1) and (3) of this section has been performed or is about to be performed by any election officer; or
- (5) Any neglect of duty on the part of an election officer other than as provided for in subsections (1) and (3) of this section has occurred or is about to occur; or
- (6) An error or omission has occurred or is about to occur in the issuance of a certificate of election.

An affidavit of an elector under subsections (1) and (3) (~~(above)~~) of this section when relating to a primary election must be filed with the appropriate court no later than the second Friday following the closing of the filing period for nominations for such office and shall be heard and finally disposed of by the court not later than five days after the filing thereof. An affidavit of an elector under subsections (1) and (3) of this section when relating to a general election must be filed with the appropriate court no later than three days following the official certification of the primary election returns and shall be heard and finally disposed of by the court not later than five days after the filing thereof. An affidavit of an elector under subsection (6) of this section shall be filed with the appropriate court no later than ten days following the (~~issuance of a certificate of election~~) official certification of the election as provided in RCW 29A.60.190, 29A.60.240, or 29A.60.250 or, in the case of a recount, ten days after the official certification of the amended abstract as provided in RCW 29A.64.061.

NEW SECTION. Sec. 23. A new section is added to chapter 29A.84 RCW to read as follows:

A person who knowingly destroys, alters, defaces, conceals, or discards a completed voter registration form or signed absentee or provisional ballot signature affidavit is guilty of a gross misdemeanor. This section does not apply to (1) the voter who completed the voter registration form, or (2) a county auditor or registration assistant who acts as authorized by voter registration law.

Sec. 24. RCW 29A.84.650 and 2003 c 111 s 2131 are each amended to read as follows:

(1) Any person who intentionally votes or attempts to vote in this state more than once at any (~~primary or general or special~~) election, or who intentionally votes or attempts to vote in both this state and another state at any election, is guilty of a (~~gross misdemeanor, punishable to the same extent as a gross misdemeanor that is punishable under RCW 9A.20.021~~) class C felony.

(2) Any person who recklessly or negligently violates this section commits a class 1 civil infraction as provided in RCW 7.80.120.

NEW SECTION. Sec. 25. The secretary of state shall study the feasibility of requiring that the names of the top two vote-getters in primary elections of justices of the state supreme court, judges of the courts of appeals, superior courts, and district courts, and the superintendent of public instruction shall appear on the general election ballot. The study shall include a survey of how many times a judicial candidate and a candidate for superintendent of public instruction have appeared without opposition on the general election ballot from 1985 to present; the number of voters voting for these races in the primary election as opposed to voting for the same races in the general election; and if the differences in the numbers of voters voting at the primary and voting at the general election may have resulted in a different election result. The study shall also include a financial analysis of the proposed changes. The secretary of state shall report the results of the study to the appropriate committees of the legislature no later than January 31, 2006.

NEW SECTION. Sec. 26. This act takes effect January 1, 2006."

(1) In addition to the entities listed in RCW 41.56.020, this chapter applies to the ~~((Washington))~~ state ~~((patrol))~~ with respect to the officers of the Washington state patrol appointed under RCW 43.43.020~~((Subjects of bargaining include wage-related matters)),~~ except that the ~~((Washington))~~ state ~~((patrol))~~ is prohibited from negotiating ~~((rates of pay or wage levels and))~~ any matters relating to retirement benefits or health care benefits or other employee insurance benefits.

(2) For the purposes of negotiating wages, wage-related matters, and nonwage matters, the state shall be represented by the governor or the governor's designee who is appointed under chapter 41.80 RCW, and costs of the negotiations under this section shall be reimbursed as provided in RCW 41.80.140.

(4) The negotiation of provisions pertaining to wages and wage-related matters in a collective bargaining agreement between the ~~((Washington))~~ state ~~((patrol))~~ and the Washington state patrol officers is subject to the following:

(a) The state's bargaining representative must periodically consult with a subcommittee of the joint committee on employment relations created in RCW 41.80.010(5) which shall consist of the four members appointed to the joint committee with leadership positions in the senate and the house of representatives, and the chairs and ranking minority members of the senate transportation committee and the house transportation committee, or their successor committees. Eliminating mandatory minimum sentences for youthful offenders tried as adults.

The measure was read the second time.

MOTION

(1) The legislature finds that emerging research on brain development indicates that adolescent brains, and thus adolescent intellectual and emotional capabilities, differ significantly from those of mature adults. It is appropriate to take these differences into consideration when sentencing juveniles tried as adults. The legislature further finds that applying mandatory minimum sentences for juveniles tried as adults prevents trial court judges from taking these differences into consideration in appropriate circumstances.

(2) The legislature intends to eliminate the application of mandatory minimum sentences under RCW 9.94A.540 to juveniles tried as adults, and to continue to apply all other adult sentencing provisions to juveniles tried as adults.

Sec. 2. RCW 9.94A.540 and 2001 2nd sp.s. c 12 s 315 are each amended to read as follows:

(1) Except to the extent provided in subsection (3) of this section, the following minimum terms of total confinement are mandatory and shall not be varied or modified under RCW 9.94A.535:

(a) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years.

(b) An offender convicted of the crime of assault in the first degree or assault of a child in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years.

(c) An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than five years.

(d) An offender convicted of the crime of sexually violent predator escape shall be sentenced to a minimum term of total confinement not less than sixty months.

(2) During such minimum terms of total confinement, no offender subject to the provisions of this section is eligible for community custody, earned release time, furlough, home detention, partial confinement, work crew, work release, or any other form of early release authorized under RCW 9.94A.728, or any other form of authorized leave of absence from the correctional facility while not in the direct custody of a corrections officer. The provisions of this subsection shall not apply: (a) In the case of an offender in need of emergency medical treatment; (b) for the purpose of commitment to an inpatient treatment facility in the case of an offender convicted of the crime of rape in the first degree; or (c) for an extraordinary medical placement when authorized under RCW 9.94A.728(4).

(3)(a) Subsection (1) of this section shall not be applied in sentencing of juveniles tried as adults pursuant to RCW 13.04.030(1)(e)(i).

POINT OF ORDER

Senator Esser: "Mr. President. Point of Order as to whether House Bill No. 1515 is properly before the body at this point in time. Given that the concurrent resolution that was just adopted is a Senate concurrent resolution. I believe the President has ruled in the past that, if we were dealing with a House bill, we needed to have the House have acted on the concurrent resolution in the past and I can I speak to that further. Thank you, Mr. President. The President has ruled in the past that the Senate may consider a Senate bill beyond cut-off by first passing a concurrent resolution exempting the Senate bills from cut-off regardless whether the House has yet acted upon that cut-off resolution. By contrast, the cut-off, the resolution we just passed is a Senate resolution and this is a House bill. The rationale, I think, behind the difference in treatment is that it keeps a body from passing a measure beyond cut-off that the other body has not acted upon. I urge the President to rule that, at present, the House Bill No. 1515 is not presently before the body."

Senator Brown spoke against the point of order.

On motion of Senator Esser, the point of order by Senator Esser was withdrawn.

"Sec. 1. RCW 49.60.010 and 1997 c 271 s 1 are each amended to read as follows:

This chapter shall be known as the "law against discrimination((=))." It is an exercise of the police power of the state for the protection of the public welfare, health, and peace of the people of this state, and in fulfillment of the provisions of the Constitution of this state concerning civil rights. The legislature hereby finds and declares that practices of discrimination against any of its inhabitants because of race, creed, color, national origin, families with children, sex, marital status, sexual orientation, age, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a disabled person are a matter of state concern, that such discrimination threatens not only the rights and proper privileges of its inhabitants but menaces the institutions and foundation of a free democratic state. A state agency is herein created with powers with respect to elimination and prevention of discrimination in employment, in credit and insurance transactions, in places of public resort, accommodation, or amusement, and in real property transactions because of race, creed, color, national origin, families with children, sex, marital status, sexual orientation, age, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a disabled person; and the commission established hereunder is hereby given general jurisdiction and power for such purposes.

Sec. 2. RCW 49.60.020 and 1993 c 510 s 2 are each amended to read as follows:

The provisions of this chapter shall be construed liberally for the accomplishment of the purposes thereof. Nothing contained in this chapter shall be deemed to repeal any of the provisions of any other law of this state relating to discrimination because of race, color, creed, national origin, sex, marital status, sexual orientation, age, or the presence of any sensory, mental, or physical disability, other than a law which purports to require or permit doing any act which is an unfair practice under this chapter. Nor shall anything herein contained be construed to deny the right to any person to institute any action or pursue any civil or criminal remedy based upon an alleged violation of his or her civil rights.

Sec. 3. RCW 49.60.030 and 1997 c 271 s 2 are each amended to read as follows:

(1) The right to be free from discrimination because of race, creed, color, national origin, sex, sexual orientation, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a disabled person is recognized as and declared to be a civil right. This right shall include, but not be limited to:

- (a) The right to obtain and hold employment without discrimination;
- (b) The right to the full enjoyment of any of the accommodations, advantages, facilities, or privileges of any place of public resort, accommodation, assemblage, or amusement;
- (c) The right to engage in real estate transactions without discrimination, including discrimination against families with children;
- (d) The right to engage in credit transactions without discrimination;
- (e) The right to engage in insurance transactions or transactions with health maintenance organizations without discrimination: PROVIDED, That a practice which is not unlawful under RCW 48.30.300, 48.44.220, or 48.46.370 does not constitute an unfair practice for the purposes of this subparagraph; and
- (f) The right to engage in commerce free from any discriminatory boycotts or blacklists. Discriminatory boycotts or blacklists for purposes of this section shall be defined as the formation or execution of any express or implied agreement, understanding, policy or contractual arrangement for economic benefit between any persons which is not specifically authorized by the laws of the United States and which is required or imposed, either directly or indirectly, overtly or covertly, by a foreign government or foreign person in order to restrict, condition, prohibit, or interfere with or in order to exclude any person or persons from any business relationship on the basis of race, color, creed, religion, sex, sexual orientation, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a disabled person, or national origin or lawful business relationship: PROVIDED HOWEVER, That nothing herein contained shall prohibit the use of boycotts as authorized by law pertaining to labor disputes and unfair labor practices.

(2) Any person deeming himself or herself injured by any act in violation of this chapter shall have a civil action in a court of competent jurisdiction to enjoin further violations, or to recover the actual damages sustained by the person, or both, together with the cost of suit including reasonable attorneys' fees or any other appropriate remedy authorized by this chapter or the United States Civil Rights Act of 1964 as amended, or the Federal Fair Housing Amendments Act of 1988 (42 U.S.C. Sec. 3601 et seq.).

(3) Except for any unfair practice committed by an employer against an employee or a prospective employee, or any unfair practice in a real estate transaction which is the basis for relief specified in the amendments to RCW 49.60.225 contained in chapter 69, Laws of 1993, any unfair practice prohibited by this chapter which is committed in the course of trade or commerce as defined in the Consumer Protection Act, chapter 19.86 RCW, is, for the purpose of applying that chapter, a matter affecting the public interest, is not reasonable in relation to the development and preservation of business, and is an unfair or deceptive act in trade or commerce.

The fact that such unfair practice may also be a violation of chapter 48.30, 48.44, or 48.46 RCW does not constitute a defense to an action brought under this section.

The insurance commissioner, under RCW 48.30.300, and the human rights commission, under chapter 49.60 RCW, shall have concurrent jurisdiction under this section and shall enter into a working agreement as to procedure to be followed in complaints under this section.

Sec. 14. RCW 49.60.222 and 1997 c 400 s 3 and 1997 c 271 s 14 are each reenacted and amended to read as follows:

(1) It is an unfair practice for any person, whether acting for himself, herself, or another, because of sex, marital status, sexual orientation, race, creed, color, national origin, families with children status, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a disabled person:

Nothing in this section shall limit the effect of RCW 49.60.176 relating to unfair practices in credit transactions; or

(k) To attempt to do any of the unfair practices defined in this section.

(2) For the purposes of this chapter discrimination based on the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a blind, deaf, or physically disabled person includes:

(a) A refusal to permit, at the expense of the disabled person, reasonable modifications of existing premises occupied or to be occupied by such person if such modifications may be necessary to afford such person full enjoyment of the dwelling, except that, in the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter agreeing to restore the interior of the dwelling to the condition that existed before the modification, reasonable wear and tear excepted;

(b) To refuse to make reasonable accommodation in rules, policies, practices, or services when such accommodations may be necessary to afford a person with the presence of any sensory, mental, or physical disability and/or the use of a trained dog guide or service animal by a blind, deaf, or physically disabled person equal opportunity to use and enjoy a dwelling; or

(c) To fail to design and construct covered multifamily dwellings and premises in conformance with the federal fair housing amendments act of 1988 (42 U.S.C. Sec. 3601 et seq.) and all other applicable laws or regulations pertaining to access by persons with any sensory, mental, or physical disability or use of a trained dog guide or service animal. Whenever the requirements of applicable laws or regulations differ, the requirements which require greater accessibility for persons with any sensory, mental, or physical disability shall govern.

Nothing in (a) or (b) of this subsection shall apply to: (i) A single-family house rented or leased by the owner if the owner does not own or have an interest in the proceeds of the rental or lease of more than three such single-family houses at one time, the rental or lease occurred without the use of a real estate broker or salesperson, as defined in RCW 18.85.010, and the rental or lease occurred without the publication, posting, or mailing of any advertisement, sign, or statement in violation of subsection (1)(g) of this section; or (ii) rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other if the owner maintains and occupies one of the rooms or units as his or her residence.

(3) Notwithstanding any other provision of this chapter, it shall not be an unfair practice or a denial of civil rights for any public or private educational institution to separate the sexes or give preference to or limit use of dormitories, residence halls, or other student housing to persons of one sex or to make distinctions on the basis of marital or families with children status.

(4) Except pursuant to subsection (2)(a) of this section, this section shall not be construed to require structural changes, modifications, or additions to make facilities accessible to a disabled person except as otherwise required by law. Nothing in this section affects the rights, responsibilities, and remedies of landlords and tenants pursuant to chapter 59.18 or 59.20 RCW, including the right to post and enforce reasonable rules of conduct and safety for all tenants and their guests, provided that chapters 59.18 and 59.20 RCW are only affected to the extent they are inconsistent with the nondiscrimination requirements of this chapter. Nothing in this section limits the applicability of any reasonable federal, state, or local restrictions regarding the maximum number of occupants permitted to occupy a dwelling.

(5) Notwithstanding any other provision of this chapter, it shall not be an unfair practice for any public establishment providing for accommodations offered for the full enjoyment of transient guests as defined by RCW 9.91.010(1)(c) to make distinctions on the basis of families with children status. Nothing in this section shall limit the effect of RCW 49.60.215 relating to unfair practices in places of public accommodation.

(6) Nothing in this chapter prohibiting discrimination based on families with children status applies to housing for older persons as defined by the federal fair housing amendments act of 1988, 42 U.S.C. Sec. 3607(b)(1) through (3), as amended by the housing for older persons act of 1995, P.L. 104-76, as enacted on December 28, 1995. Nothing in this chapter authorizes requirements for housing for older persons different than the requirements in the federal fair housing amendments act of 1988, 42 U.S.C. Sec. 3607(b)(1) through (3), as amended by the housing for older persons act of 1995, P.L. 104-76, as enacted on December 28, 1995.

(7) Nothing in this chapter shall apply to real estate transactions involving the sharing of a dwelling unit, or rental or sublease of a portion of a dwelling unit, when the dwelling unit is to be occupied by the owner or sublesor. For purposes of this section, "dwelling unit" has the same meaning as in RCW 59.18.030.

Sec. 15. RCW 49.60.223 and 1997 c 271 s 15 are each amended to read as follows:

It is an unfair practice for any person, for profit, to induce or attempt to induce any person to sell or rent any real property by representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular race, creed, color, sex, national origin, sexual orientation, families with children status, or with any sensory, mental, or physical disability and/or the use of a trained dog guide or service animal by a blind, deaf, or physically disabled person.

Sec. 16. RCW 49.60.224 and 1997 c 271 s 16 are each amended to read as follows:

(1) Every provision in a written instrument relating to real property which purports to forbid or restrict the conveyance, encumbrance, occupancy, or lease thereof to individuals of a specified race, creed, color, sex, national origin, sexual orientation, families with children status, or with any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a blind, deaf, or physically disabled person, and every condition, restriction, or prohibition, including a right of entry or possibility of reverter, which directly or indirectly limits the use or occupancy of real property on the basis of race, creed, color, sex, national origin, sexual orientation, families with children status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a blind, deaf, or physically disabled person is void.

(2) It is an unfair practice to insert in a written instrument relating to real property a provision that is void under this section or to honor or attempt to honor such a provision in the chain of title.

Sec. 17. RCW 49.60.225 and 1997 c 271 s 17 are each amended to read as follows:

(1) When a reasonable cause determination has been made under RCW 49.60.240 that an unfair practice in a real estate transaction has been committed and a finding has been made that the respondent has engaged in any unfair practice under RCW 49.60.250, the administrative law judge shall promptly issue an order for such relief suffered by the aggrieved person as may be appropriate, which may include actual damages as provided by the federal fair housing amendments act of 1988 (42 U.S.C. Sec. 3601 et seq.), and injunctive or other equitable relief. Such order may, to further the public interest, assess a civil penalty against the respondent:

(a) In an amount up to ten thousand dollars if the respondent has not been determined to have committed any prior unfair practice in a real estate transaction;

(b) In an amount up to twenty-five thousand dollars if the respondent has been determined to have committed one other unfair practice in a real estate transaction during the five-year period ending on the date of the filing of this charge; or

(c) In an amount up to fifty thousand dollars if the respondent has been determined to have committed two or more unfair practices in a real estate transaction during the seven-year period ending on the date of the filing of this charge, for loss of the right secured by RCW 49.60.010, 49.60.030, 49.60.040, and 49.60.222 through 49.60.224, as now or hereafter amended, to be free from discrimination in real property transactions because of sex, marital status, race, creed, color, national origin, sexual orientation, families with children status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a blind, deaf, or physically disabled person. Enforcement of the order and appeal therefrom by the complainant or respondent may be made as provided in RCW 49.60.260 and 49.60.270. If acts constituting the unfair practice in a real estate transaction that is the object of the charge are determined to have been committed by the same natural person who has been previously determined to have committed acts constituting an unfair practice in a real estate transaction, then the civil penalty of up to fifty thousand dollars may be imposed without regard to the period of time within which any subsequent unfair practice in a real estate transaction occurred. All civil penalties assessed under this section shall be paid into the state treasury and credited to the general fund.

(2) Such order shall not affect any contract, sale, conveyance, encumbrance, or lease consummated before the issuance of an order that involves a bona fide purchaser, encumbrancer, or tenant who does not have actual notice of the charge filed under this chapter.

(3) Notwithstanding any other provision of this chapter, persons awarded damages under this section may not receive additional damages pursuant to RCW 49.60.250.

Sec. 18. RCW 48.30.300 and 1993 c 492 s 287 are each amended to read as follows:

Notwithstanding any provision contained in Title 48 RCW to the contrary:

(1) No person or entity engaged in the business of insurance in this state shall refuse to issue any contract of insurance or cancel or decline to renew such contract because of the sex ((~~or~~)), marital status, or sexual orientation as defined in RCW 49.60.040, or the presence of any sensory, mental, or physical handicap of the insured or prospective insured. The amount of benefits payable, or any term, rate, condition, or type of coverage shall not be restricted, modified, excluded, increased or reduced on the basis of the sex ((~~or~~)), marital status, or sexual orientation, or be restricted, modified, excluded or reduced on the basis of the presence of any sensory, mental, or physical handicap of the insured or prospective insured. Subject to the provisions of

subsection (2) of this section these provisions shall not prohibit fair discrimination on the basis of sex, or marital status, or the presence of any sensory, mental, or physical handicap when bona fide statistical differences in risk or exposure have been substantiated.

(2) With respect to disability policies issued or renewed on and after July 1, 1994, that provide coverage against loss arising from medical, surgical, hospital, or emergency care services:

(a) Policies shall guarantee continuity of coverage. Such provision, which shall be included in every policy, shall provide that:

(i) The policy may be canceled or nonrenewed without the prior written approval of the commissioner only for nonpayment of premium or as permitted under RCW 48.18.090; and

(ii) The policy may be canceled or nonrenewed because of a change in the physical or mental condition or health of a covered person only with the prior written approval of the commissioner. Such approval shall be granted only when the insurer has discharged its obligation to continue coverage for such person by obtaining coverage with another insurer, health care service contractor, or health maintenance organization, which coverage is comparable in terms of premiums and benefits as defined by rule of the commissioner.

(b) It is an unfair practice for a disability insurer to modify the coverage provided or rates applying to an in-force disability insurance policy and to fail to make such modification in all such issued and outstanding policies.

(c) Subject to rules adopted by the commissioner, it is an unfair practice for a disability insurer to:

(i) Cease the sale of a policy form unless it has received prior written authorization from the commissioner and has offered all policyholders covered under such discontinued policy the opportunity to purchase comparable coverage without health screening; or

(ii) Engage in a practice that subjects policyholders to rate increases on discontinued policy forms unless such policyholders are offered the opportunity to purchase comparable coverage without health screening.

The insurer may limit an offer of comparable coverage without health screening to a period not less than thirty days from the date the offer is first made.

NEW SECTION. Sec. 19. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1635, by House Committee on Local Government (originally sponsored by Representatives Kessler, Haler, Clibborn, Jarrett, O'Brien, Hankins, Ericks, Grant, Buck, Chase and Kenney)

The measure was read the second time.

MOTION

Senator Kastama moved that the following striking amendment by Senator Kastama be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that ambulance and emergency medical services are essential services and the availability of these services is vital to preserving and promoting the health, safety, and welfare of people in local communities throughout the state. All persons, businesses, and industries benefit from the availability of ambulance and emergency medical services, and survival rates can be increased when these services are available, adequately funded, and appropriately regulated. It is the legislature's intent to explicitly recognize local jurisdictions' ability and authority to collect utility service charges to fund ambulance and emergency medical service systems that are based, at least in some part, upon a charge for the availability of these services.

Sec. 2. RCW 35.21.766 and 2004 c 129 s 34 are each amended to read as follows:

(1) Whenever a regional fire protection service authority (~~(or the legislative authority of any city or town)~~) determines that the fire protection jurisdictions that are members of the authority (~~((or the city or town or a substantial portion of the city or town is))~~) are not adequately served by existing private ambulance service, the governing board of the authority may by resolution (~~(, or the legislative authority of the city or town may by appropriate legislation,)~~) provide for the establishment of a system of ambulance service to be operated by the authority as a public utility (~~(of the city or town, or)~~) operated by contract after a call for bids.

(2) The legislative authority of any city or town may establish an ambulance service to be operated as a public utility. However, the legislative authority of the city or town shall not provide for the establishment of an ambulance service utility that would compete with any existing private ambulance service, unless the legislative authority of the city or town determines that the city or town, or a substantial portion of the city or town, is not adequately served by an existing private ambulance service. In determining the adequacy of an existing private ambulance service, the legislative authority of the city or town shall take into consideration objective generally accepted medical standards and reasonable levels of service which shall be published by the city or town legislative authority. The decision of the city council or legislative body shall be a discretionary, legislative act. When it is preliminarily concluded that the private ambulance service is inadequate, before issuing a call for bids or before the city or town establishes an ambulance service utility, the legislative authority of the city or town shall allow a minimum of sixty days for the private ambulance service to meet the generally accepted medical standards and reasonable levels of service. In the event of a second preliminary conclusion of inadequacy within a twenty-four month period, the legislative authority of the city or town may immediately issue a call for bids or establish an ambulance service utility and is not required to afford the private ambulance service another sixty-day period to meet the generally accepted medical standards and reasonable levels of service. Nothing in this act is intended to supersede requirements and standards adopted by the department of health. A private ambulance service which is not licensed by the department of health or whose license is denied, suspended, or revoked shall not be entitled to a sixty-day period within which to demonstrate adequacy and the legislative authority may immediately issue a call for bids or establish an ambulance service utility.

(3) The city or town legislative authority is authorized to set and collect rates and charges in an amount sufficient to regulate, operate, and maintain an ambulance utility. Prior to setting such rates and charges, the legislative authority must determine, through a cost-of-service study, the total cost necessary to regulate, operate, and maintain the ambulance utility. Total costs shall not include capital cost for the construction, major renovation, or major repair of the physical plant. Once the legislative authority determines the total costs, the legislative authority shall then identify that portion of the total costs that are attributable to the availability of the ambulance service and that portion of the total costs that are attributable to the demand placed on the ambulance utility.

(a) Availability costs are those costs attributable to the basic infrastructure needed to respond to a single call for service within the utility's response criteria. Availability costs may include costs for dispatch, labor, training of personnel, equipment, patient care supplies, and maintenance of equipment.

(b) Demand costs are those costs that are attributable to the burden placed on the ambulance service by individual calls for ambulance service. Demand costs shall include costs related to frequency of calls, distances from hospitals, and other factors identified in the cost-of-service study conducted to assess burdens imposed on the ambulance utility.

(4) A city or town legislative authority is authorized to set and collect rates and charges as follows:

(a) The rate attributable to costs for availability described under subsection (3)(a) of this section shall be uniformly applied across user classifications within the utility;

(b) The rate attributable to costs for demand described under subsection (3)(b) of this section shall be established and billed to each utility user classification based on each user classification's burden on the utility;

(c) The fee charged by the utility shall reflect a combination of the availability cost and the demand cost;

(d)(i) Except as provided in (d)(ii) of this subsection, the combined rates charged shall reflect an exemption for persons who are medicaid eligible and who reside in a nursing facility, boarding home, adult family home, or receive in-home services. The combined rates charged may reflect an exemption or reduction for designated classes consistent with Article VIII, section 7 of the state Constitution. The amounts of exemption or reduction shall be a general expense of the utility, and designated as an availability cost, to be spread uniformly across the utility user classifications.

(ii) For cities with a population less than two thousand five hundred that established an ambulance utility before May 6, 2004, the combined rates charged may reflect an exemption or reduction for persons who are medicaid eligible, and for designated classes consistent with Article VIII, section 7 of the state Constitution;

(e) The legislative authority must continue to allocate at least seventy percent of the total amount of general fund revenues expended, as of May 5, 2004, toward the total costs necessary to regulate, operate, and maintain the ambulance service utility. However, cities or towns that operated an ambulance service before May 6, 2004, and commingled general fund dollars and ambulance service dollars, may reasonably estimate that portion of general fund dollars that were, as of May 5, 2004, applied toward the operation of the ambulance service, and at least seventy percent of such estimated amount must then continue to be applied toward the total cost necessary to regulate, operate, and maintain the ambulance utility. Cities and towns which first established an ambulance service utility after May 6, 2004, must allocate, from the general fund or emergency medical service levy funds, or a combination of both, at least an amount equal to seventy percent of the total costs necessary to regulate, operate, and maintain the ambulance service utility as of May 5, 2004, or the date that the utility is established;

(f) The legislative authority must allocate available emergency medical service levy funds, in an amount proportionate to the percentage of the ambulance service costs to the total combined operating costs for emergency medical services and ambulance services, towards the total costs necessary to regulate, operate, and maintain the ambulance utility;

(g) The legislative authority must allocate all revenues received through direct billing to the individual user of the ambulance service to the demand-related costs under subsection (3)(b) of this section;

(h) The total revenue generated by the rates and charges shall not exceed the total costs necessary to regulate, operate, and maintain an ambulance utility; and

(i) Revenues generated by the rates and charges must be deposited in a separate fund or funds and be used only for the purpose of paying for the cost of regulating, maintaining, and operating the ambulance utility.

(5) Ambulance service rates charged pursuant to this section do not constitute taxes or charges under RCW 82.02.050 through 82.02.090, or RCW 35.21.768, or charges otherwise prohibited by law.

NEW SECTION. Sec. 3. The joint legislative audit and review committee shall study and review ambulance utilities established and operated by cities under this act. The committee shall examine, but not be limited to, the following factors: The number and operational status of utilities established under this act; whether the utility rate structures and user classifications used by cities were established in accordance with generally accepted utility rate-making practices; and rates charged by the utility to the user classifications. The committee shall provide a final report on this review by December 2007."

Senators Kastama and Parlette spoke in favor of adoption of the striking amendment.

POINT OF INQUIRY

Senator Roach: "Will Senator Kastama yield to a question? Thank you Senator Kastama. Not having, I don't have a copy of the amendment here at the desk. Could you explain to us please what the amendment does?"

Senator Kastama: "Certainly, the amendment sets forth the process by which cities can engage in putting in a utility fee that helps with ambulance services pending a decision with the Supreme Court and the City of Kenewick. It outlines how much they can go ahead and supplant. For example, they say there has to be a cost of service study that is done prior to implementation of this fee and it must divide the fees in two manners, one based on availability; one based on utilization. It also goes into the competitive arena with private ambulance companies and cities and outlines some guidelines that, prior to this, have been lacking or have been non-existent in the relationship between ambulance service and the local city in which they provide services. Again, it is an agreed to amendment by all parties."

(8) The department shall establish waiting lists to the extent necessary to assure that annual expenditures on the community options program entry systems (COPES) program do not exceed appropriated levels. In establishing and managing any such waiting list, the department shall assure priority access to persons with the greatest unmet needs, as determined by department assessment processes.

(9) \$93,000 of the general fund--state appropriation for fiscal year 2006, \$8,000 of the general fund--state appropriation for fiscal year 2007, and \$101,000 of the general fund--federal appropriation are provided solely to expand the number of boarding homes that receive exceptional care rates for persons with Alzheimer's disease and related dementias who might otherwise require nursing home care. (a) Kinship navigator services shall include but not be limited to assisting kinship caregivers with understanding and navigating the system of services for children in out-of-home care while reducing barriers faced by kinship caregivers when accessing services.

(b) In providing kinship navigator services, area agencies on aging shall give priority to helping kinship caregivers maintain their caregiving role by helping them access existing services and supports, thus keeping children from entering foster care.

(14) \$435,000 of the general fund--state appropriation for fiscal year 2006, \$435,000 of the general fund--state appropriation for fiscal year 2007, and \$870,000 of the general fund--federal appropriation are provided solely for supplemental compensation increases for direct care workers employed by home care agencies in recognition of higher labor market cost pressures experienced by agencies subject to collective bargaining obligations. Those cases shall be given high priority for naturalization funding through the department; and

(c) The department shall identify general assistance recipients who are or may be eligible to receive health care coverage or services through the federal veteran's administration and assist recipients in obtaining access to those benefits.

(3) Within amounts appropriated in this section, the department shall increase the state supplemental payment by \$10 per month for SSI clients who reside in nursing facilities, residential habilitation centers, or state hospitals and who receive a personal needs allowance and decrease other state supplemental payments.

General Fund--State Appropriation (FY 2006)	\$1,478,101,000
General Fund--State Appropriation (FY 2007)	\$1,589,133,000

Health Services Account--State Appropriation	\$637,441,000

TOTAL APPROPRIATION

\$7,749,560,000

The appropriations in this section are subject to the following conditions and limitations:

(1) Based on quarterly expenditure reports and caseload forecasts, if the department estimates that expenditures for the medical assistance program will exceed the appropriations, the department shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

(2) The department shall continue to extend medicaid eligibility to children through age 18 residing in households with incomes below 200 percent of the federal poverty level.

(3) In determining financial eligibility for medicaid-funded services, the department is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

(4) Sufficient amounts are appropriated in this section for the department to continue podiatry services for medicaid-eligible adults.

(5) Sufficient amounts are appropriated in this section for the department to provide an adult dental benefit that is equivalent to the benefit provided in the 2003-05 biennium.

(6) In accordance with RCW 74.46.625, \$6,000,000 of the general fund--federal appropriation is provided solely for supplemental payments to nursing homes operated by public hospital districts. The public hospital district shall be responsible for providing the required nonfederal match for the supplemental payment, and the payments shall not exceed the maximum allowable under federal rules. It is the legislature's intent that the payments shall be supplemental to and shall not in any way offset or reduce the payments calculated and provided in accordance with part E of chapter 74.46 RCW. It is the legislature's further intent that costs otherwise allowable for rate-setting and settlement against payments under chapter 74.46 RCW shall not be disallowed solely because such costs have been paid by revenues retained by the nursing home from these supplemental payments.

(7) \$1,660,000 of the health services account appropriation, \$4,361,000 of the general fund--federal appropriation, \$1,350,000 of the general fund--state appropriation for fiscal year 2006, and \$1,351,000 of the general fund--state appropriation for fiscal year 2007 are provided solely for grants to rural hospitals. The department shall distribute the funds under a formula that provides a relatively larger share of the available funding to hospitals that (a) serve a disproportionate share of low-income and medically indigent patients and (b) have relatively smaller net financial margins, to the extent allowed by the federal medicaid program.

(8) \$22,081,000 of the health services account appropriation and \$20,714,000 of the general fund--federal appropriation are provided solely for grants to nonrural hospitals. The department shall distribute the funds under a formula that provides a relatively larger share of the available funding to hospitals that (a) serve a disproportionate share of low-income and medically indigent patients and (b) have relatively smaller net financial margins, to the extent allowed by the federal medicaid program.

(9) In response to the federal directive to eliminate intergovernmental transfer transactions effective June 30, 2005, the department is directed to implement the inpatient hospital certified public expenditures program for the 2005-07 biennium. The program shall apply to all public hospitals, including those owned or operated by the state, except those classified as critical access hospitals or state psychiatric institutions. Hospitals in the program shall be paid and shall retain (a) one hundred percent of the federal portion of each medicaid inpatient fee-for-service claim payable by the medical assistance administration; and (b) one hundred percent of the federal portion of the maximum disproportionate share hospital payment allowable under federal regulations. Medicaid fee-for-service claim amounts shall be established by applying the department's ratio of costs to charges payment methodology. The department shall provide participating hospitals with the information needed by the hospital to certify the public expenditures required to qualify for the federal portions of both the medicaid inpatient fee-for-service payments and the disproportionate share hospital payments. The legislature intends that hospitals in the program receive no less in combined state and federal payments than they would have received under the methodology that was in place during fiscal year 2005. In the event that any part of the program including, but not limited to, allowable certified public expenditures, is disallowed by the federal government, the department shall not seek recoupment of payments from the hospitals, provided the hospitals have complied with the directions of the department for participation in the program. The department shall therefore make additional grant payments, not to exceed the amounts provided in this subsection, to hospitals whose total payments under the program would otherwise be less than the total state and federal payments they would have received under the methodology in effect during fiscal year 2005. \$37,034,000 of the general fund--state appropriation for fiscal year 2006, \$37,552,000 of the general fund--state appropriation for fiscal year 2007, \$8,300,000 of the emergency medical services and trauma care systems trust account--state appropriation, and \$45,450,000 of the general fund--federal appropriation are provided solely for new state grant and upper payment limit programs for the participating hospitals.

(10) \$4,372,000 of the general fund--state appropriation for fiscal year 2006, \$4,014,000 of the general fund--state appropriation for fiscal year 2007, and \$65,112,000 of the general fund--federal appropriation are provided solely for development and implementation of a replacement system for the existing medicaid management information system.

(11) \$150,000 of the general fund--state appropriation for fiscal year 2006, \$75,000 of the general fund--state appropriation for fiscal year 2007, and \$225,000 of the general fund--federal appropriation are provided solely for the department to contract for an independent analysis of the medical assistance administration's current system for establishing hospital inpatient payment rates, and for recommendations on a new or updated system. The department shall submit an interim report of study findings by December 1, 2005, and a final report by November 15, 2006. The interim report shall include a comparison of the strengths and weaknesses of the current rate-setting system relative to those used by other state, federal, and private payers,

including states with all-payer hospital rate setting systems. The final report shall include recommendations on the design and implementation of a new or updated system that will promote equity among hospitals, access to quality care and improved health outcomes for patients, and cost-control and efficiency for taxpayers. The study should make use of complete and current cost data from a wide variety of hospitals, recognize unique aspects of hospital service delivery structures and medicaid payment systems in Washington, recognize impacts on productivity and quality of care that may result from hospital compensation, recruitment, and retention policies, and provide opportunities for comment and participation by key interest groups in the identification and assessment of alternatives.

(12) Payment rates for hospital inpatient and outpatient services shall be increased by an average of 1.5 percent effective July 1, 2005, and by an average of an additional 1.5 percent effective July 1, 2006. The increases shall be provided only on the portion of a hospital's rate that excludes medical education and outlier costs, and shall be allocated so that hospitals with lower costs of care (excluding medical education and outlier costs) receive larger percentage increases than those with higher costs of care. The increases shall be allocated in three percentage increments, with the lowest-cost hospitals receiving the largest percentage rate increase, highest-cost hospitals receiving the smallest percentage increase, and medium-cost hospitals receiving the average of the highest and the lowest percentage rate increase. Increases shall not be provided to those hospitals that are certified as critical access. Sufficient funds are appropriated in this section for Healthy Options contractors to increase hospital payment rates commensurate with the increases in fee-for-service payment rates.

(13) When a person is ineligible for medicaid solely by reason of residence in an institution for mental diseases, the department shall provide the person with the same benefits as he or she would receive if eligible for medicaid, using state-only funds to the extent necessary.

(14) The medical assistance administration is authorized to use funds appropriated in this section to purchase goods and supplies through direct contracting with vendors when the administration determines it is cost-effective to do so.

(15) The legislature affirms that it is in the state's interest for Harborview medical center to remain an economically viable component of the state's health care system.

(16) By October 1, 2005, the department shall recommend to the governor and legislature at least two pilot project designs which seem likely to reduce avoidable emergency room utilization at no net cost to the state within the projects' first eighteen months of operation.

(17) \$69,000 of the general fund--state appropriation for fiscal year 2006, \$137,000 of the general fund--state appropriation for fiscal year 2007, and \$207,000 of the general fund--federal appropriation are provided solely for participation in the health technology assessment program required in section 214(6) of this act.

(18) The department is also required to participate in the joint health purchasing project described in section 214(7) of this act.

(19) The department shall, within available resources, continue operation of the medical care services care management pilot project for clients receiving general assistance benefits in King and Pierce counties. The project may use a full or partial capitation model that includes a mechanism for shared savings. To the extent that experience with the pilot project indicates progress toward the goals of maximizing care coordination, high-risk medical management, and chronic care management to achieve better health outcomes, the department may expand the pilot project to additional counties.

(20) The department will begin voluntary enrollment of SSI and other eligible medicaid elderly and disabled persons into managed care pilots by March 2006.

(21) Within the funding provided in section 207(2) of this act, the medical assistance administration and the economic services administration may implement a time-limited transitional prescription drug benefit for general assistance unemployable recipients who obtain employment and who have no other source of health insurance coverage. The benefit shall be limited to coverage of prescription drugs and medication management. The benefit shall be limited to one year. The department shall implement a premium schedule for the benefits under this subsection that is related to the participant's income. The minimum premium shall be twenty dollars per month. Recipients of this transitional benefit shall not be considered part of the general assistance caseload unless eligibility is established under standard reapplication procedures.

(b) As used in this subsection, the column headings "BA+(N)" refer to the number of credits earned since receiving the baccalaureate degree.

(c) For credits earned after the baccalaureate degree but before the masters degree, any credits in excess of forty-five credits may be counted after the masters degree. Thus, as used in this subsection, the column headings "MA+(N)" refer to the total of:

- (i) Credits earned since receiving the masters degree; and
- (ii) Any credits in excess of forty-five credits that were earned after the baccalaureate degree but before the masters degree.

(5) For the purposes of this section:

(a) "BA" means a baccalaureate degree.

(b) "MA" means a masters degree.

(c) "PHD" means a doctorate degree.

(d) "Years of service" shall be calculated under the same rules adopted by the superintendent of public instruction.

(e) "Credits" means college quarter hour credits and equivalent in-service credits computed in accordance with RCW 28A.415.020 and 28A.415.023.

(6) No more than ninety college quarter-hour credits received by any employee after the baccalaureate degree may be used to determine compensation allocations under the state salary allocation schedule and LEAP documents referenced in this act, or any replacement schedules and documents, unless:

(a) The employee has a masters degree; or

(b) The credits were used in generating state salary allocations before January 1, 1992.

(7) The certificated instructional staff base salary specified for each district in LEAP Document 12E and the salary schedules in subsection (4)(a) of this section include two learning improvement days. A school district is eligible for the learning improvement day funds only if the learning improvement days have been added to the 180-day contract year. If fewer days are added, the additional learning improvement allocation shall be adjusted accordingly. The additional days shall be limited to specific activities identified in the state required school improvement plan related to improving student learning that are consistent with education reform implementation, and shall not be considered part of basic education. The principal in each school shall assure that the days are used to provide the necessary school-wide, all staff professional development that is tied directly to the school improvement plan. The school principal and the district superintendent shall maintain documentation as to their approval of these activities. The length of a learning improvement day shall not be less than the length of a full day under

the base contract. The superintendent of public instruction shall ensure that school districts adhere to the intent and purposes of this subsection.

(8) The salary allocation schedules established in this section are for allocation purposes only except as provided in RCW 28A.400.200(2) and subsection (7) of this section.

Increases for general apportionment (basic education) are based on the salary allocation schedules and methodology in sections 502 and 503 of this act. Increases for special education result from increases in each district's basic education allocation per student. Increases for educational service districts and institutional education programs are determined by the superintendent of public instruction using the methodology for general apportionment salaries and benefits in sections 502 and 503 of this act.

(b) The appropriations in this section provide cost of living and incremental fringe benefit allocations based on formula adjustments as follows:

Allocations for transportation of students transported more than one radius mile shall be based on weighted miles as determined by superintendent of public instruction multiplied by the per mile reimbursement rates for the school year pursuant to the formulas adopted by the superintendent of public instruction. Allocations for transportation of students living within one radius mile shall be based on the number of enrolled students in grades kindergarten through five living within one radius mile of their assigned school multiplied by the per mile reimbursement rate for the school year multiplied by 1.29.

In the final year on the depreciation schedule, the depreciation payment shall be based on the current state price. The superintendent may include a weighting or other adjustment factor in the averaging formula to ease the transition from the current-price depreciation system to the average depreciation system. Prior to making any depreciation payment in the 2005-06 school year, the superintendent shall notify the office of financial management and the fiscal committees of the legislature of the specific depreciation formula to be used. The replacement cost shall be based on the lowest bid in the appropriate bus category for that school year. NEW SECTION. Sec. 507. FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION--FOR SPECIAL EDUCATION PROGRAMS

General Fund--State Appropriation (FY 2006)	\$474,566,000
General Fund--State Appropriation (FY 2007)	\$482,565,000
General Fund--Federal Appropriation	\$435,462,000
TOTAL APPROPRIATION	

\$1,392,593,000

The appropriations in this section are subject to the following conditions and limitations:

(1) Funding for special education programs is provided on an excess cost basis, pursuant to RCW 28A.150.390. School districts shall ensure that special education students as a class receive their full share of the general apportionment allocation accruing through sections 502 and 504 of this act. To the extent a school district cannot provide an appropriate education for special education students under chapter 28A.155 RCW through the general apportionment allocation, it shall provide services through the special education excess cost allocation funded in this section.

(2)(a) The superintendent of public instruction shall use the excess cost methodology developed and implemented for the 2001-02 school year using the S-275 personnel reporting system and all related accounting requirements to ensure that:

- (i) Special education students are basic education students first;
- (ii) As a class, special education students are entitled to the full basic education allocation; and
- (iii) Special education students are basic education students for the entire school day.

(b) The S-275 and accounting changes in effect since the 2001-02 school year shall supercede any prior excess cost methodologies and shall be required of all school districts.

(3) Each fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(4) The superintendent of public instruction shall distribute state and federal funds to school districts based on two categories: The optional birth through age two program for special education eligible developmentally delayed infants and toddlers, and the mandatory special education program for special education eligible students ages three to twenty-one. A "special education eligible student" means a student receiving specially designed instruction in accordance with a properly formulated individualized education program.

(5)(a) For the 2005-06 and 2006-07 school years, the superintendent shall make allocations to each district based on the sum of:

(i) A district's annual average headcount enrollment of developmentally delayed infants and toddlers ages birth through two, multiplied by the district's average basic education allocation per full-time equivalent student, multiplied by 1.15; and

(ii) A district's annual average full-time equivalent basic education enrollment multiplied by the funded enrollment percent determined pursuant to subsection (6)(b) of this section, multiplied by the district's average basic education allocation per full-time equivalent student multiplied by 0.9309.

(b) For purposes of this subsection, "average basic education allocation per full-time equivalent student" for a district shall be based on the staffing ratios required by RCW 28A.150.260 and shall not include enhancements, secondary vocational education, or small schools.

(6) The definitions in this subsection apply throughout this section.

(a) "Annual average full-time equivalent basic education enrollment" means the resident enrollment including students enrolled through choice (RCW 28A.225.225) and students from nonhigh districts (RCW 28A.225.210) and excluding students residing in another district enrolled as part of an interdistrict cooperative program (RCW 28A.225.250).

(b) "Enrollment percent" means the district's resident special education annual average enrollment, excluding the birth through age two enrollment, as a percent of the district's annual average full-time equivalent basic education enrollment.

Each district's general fund--state funded special education enrollment shall be the lesser of the district's actual enrollment percent or 12.7 percent.

(7) At the request of any interdistrict cooperative of at least 15 districts in which all excess cost services for special education students of the districts are provided by the cooperative, the maximum enrollment percent shall be calculated in accordance with subsection (6)(b) of this section, and shall be calculated in the aggregate rather than individual district units. For purposes of this subsection, the average basic education allocation per full-time equivalent student shall be calculated in the aggregate rather than individual district units.

(8) To the extent necessary, \$54,400,000 of the general fund--state appropriation and \$28,698,000 of the general fund--federal appropriation are provided for safety net awards for districts with demonstrated needs for special education funding beyond the amounts provided in subsection (5) of this section. If safety net awards exceed the amount appropriated in this subsection (8), the superintendent shall expend all available federal discretionary funds necessary to meet this need. Safety net funds shall be awarded by the state safety net oversight committee subject to the following conditions and limitations:

(a) The committee shall consider unmet needs for districts that can convincingly demonstrate that all legitimate expenditures for special education exceed all available revenues from state funding formulas. In the determination of need, the committee shall also consider additional available revenues from federal sources. Differences in program costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(b) The committee shall then consider the extraordinary high cost needs of one or more individual special education students. Differences in costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(c) The maximum allowable indirect cost for calculating safety net eligibility may not exceed the federal restricted indirect cost rate for the district plus one percent.

(d) Safety net awards shall be adjusted based on the percent of potential medicaid eligible students billed as calculated by the superintendent in accordance with chapter 318, Laws of 1999.

(e) Safety net awards must be adjusted for any audit findings or exceptions related to special education funding.

(9) The superintendent of public instruction may adopt such rules and procedures as are necessary to administer the special education funding and safety net award process. Prior to revising any standards, procedures, or rules, the superintendent shall consult with the office of financial management and the fiscal committees of the legislature.

(10) The safety net oversight committee appointed by the superintendent of public instruction shall consist of:

(a) One staff from the office of superintendent of public instruction;

(b) Staff of the office of the state auditor who shall be nonvoting members of the committee; and

(c) One or more representatives from school districts or educational service districts knowledgeable of special education programs and funding.

(11) A maximum of \$678,000 may be expended from the general fund--state appropriations to fund 5.43 full-time equivalent teachers and 2.1 full-time equivalent aides at children's orthopedic hospital and medical center. This amount is in lieu of money provided through the home and hospital allocation and the special education program.

(12) A maximum of \$1,000,000 of the general fund--federal appropriation is provided for projects to provide special education students with appropriate job and independent living skills, including work experience where possible, to facilitate their successful transition out of the public school system. The funds provided by this subsection shall be from federal discretionary grants.

(13) The superintendent shall maintain the percentage of federal flow-through to school districts at 85 percent. In addition to other purposes, school districts may use increased federal funds for high-cost students, for purchasing regional special education services from educational service districts, and for staff development activities particularly relating to inclusion issues.

(14) A maximum of \$1,200,000 of the general fund--federal appropriation may be expended by the superintendent for projects related to use of inclusion strategies by school districts for provision of special education services.

(15) \$1,400,000 of the general fund--federal appropriation shall be expended for one-time grants to school districts for the start-up costs of implementing web-based programs that assist schools in meeting state and federal requirements regarding individualized education plans.

(16) The superintendent, consistent with the new federal IDEA reauthorization, shall continue to educate school districts on how to implement a birth-to-three program and review the cost effectiveness and learning benefits of early intervention.

(17) A school district may carry over from one year to the next year up to 10 percent of the general fund--state funds allocated under this program; however, carry over funds shall be expended in the special education program.

NEW SECTION. Sec. 902. INFORMATION SYSTEMS PROJECTS. Agencies shall comply with the following requirements regarding information systems projects when specifically directed to do so by this act.

(1) Agency planning and decisions concerning information technology shall be made in the context of its information technology portfolio. "Information technology portfolio" means a strategic management approach in which the relationships between agency missions and information technology investments can be seen and understood, such that: Technology efforts are linked to agency objectives and business plans; the impact of new investments on existing infrastructure and business functions are assessed and understood before implementation; and agency activities are consistent with the development of an integrated, nonduplicative statewide infrastructure.

(2) Agencies shall use their information technology portfolios in making decisions on matters related to the following:

(a) System refurbishment, acquisitions, and development efforts;

(b) Setting goals and objectives for using information technology in meeting legislatively-mandated missions and business needs;

(c) Assessment of overall information processing performance, resources, and capabilities;

(d) Ensuring appropriate transfer of technological expertise for the operation of any new systems developed using external resources; and

(e) Progress toward enabling electronic access to public information.

(3) Each project will be planned and designed to take optimal advantage of Internet technologies and protocols.

Agencies shall ensure that the project is in compliance with the architecture, infrastructure, principles, policies, and standards of digital government as maintained by the information services board.

(4) The agency shall produce a feasibility study for information technology projects at the direction of the information services board and in accordance with published department of information services policies and guidelines. At a minimum, such studies shall include a statement of: (a) The purpose or impetus for change; (b) the business value to the agency, including an examination and evaluation of benefits, advantages, and cost; (c) a comprehensive risk assessment based on the proposed project's impact on both citizens and state operations, its visibility, and the consequences of doing nothing; (d) the impact on agency and statewide information infrastructure; and (e) the impact of the proposed enhancements to an agency's information technology capabilities on meeting service delivery demands.

(5) The agency shall produce a comprehensive management plan for each project. The plan or plans shall address all factors critical to successful completion of each project. of each phase. The planning for the phased approach shall be such that the business case justification for a project needs to demonstrate how the project recovers cost or adds measurable value or positive cost benefit to the agency's business functions within each development cycle.

(6) The agency shall produce quality assurance plans for information technology projects. Consistent with the direction of the information services board and the published policies and guidelines of the department of information services, the quality assurance plan shall address all factors critical to successful completion of the project and successful integration with the agency and state information technology infrastructure. At a minimum, quality assurance plans shall provide time and budget benchmarks against which project progress can be measured, a specification of quality assurance responsibilities, and a statement of reporting requirements. The quality assurance plans shall set out the functionality requirements for each phase of a project.

(7) A copy of each feasibility study, project management plan, and quality assurance plan shall be provided to the department of information services, the office of financial management, and legislative fiscal committees. Authority to expend any funds for individual information systems projects is conditioned on the approval of the relevant feasibility study, project management plan, and quality assurance plan by the department of information services and the office of financial management.

(2) Promise scholarships are not intended to supplant any grant, scholarship, or tax program related to postsecondary education. Participation is subject to reasonable underwriting guidelines and eligibility rules established by the public employees' benefits board and the health care authority.

(g) The health care authority, with the cooperation of the office of the insurance commissioner, shall develop a consumer education program for the eligible employees, retired employees, and retired school employees designed to provide education on the potential need for long-term care, methods of financing long-term care, and the availability of long-term care insurance products including the products offered by the board.

(1) The health services account is created in the state treasury. Moneys in the account may be spent only after appropriation. Subject to the transfers described in subsection (3) of this section, moneys in the account may be expended only for maintaining and expanding health services access for low-income residents, maintaining and expanding the public health system, maintaining and improving the capacity of the health care system, containing health care costs, and the regulation, planning, and administering of the health care system.

(2) Funds deposited into the health services account under RCW 82.24.028 and 82.26.028 shall be used solely as follows:

The department of health shall submit a report to the legislature on March 1, 2002, evaluating the cost-effectiveness of programs that improve the health of low-income persons and address diseases and illnesses that disproportionately affect low-income persons, and making recommendations to the legislature on which of these programs could most effectively utilize the funds appropriated under this subsection.

(b) Ten percent of the funds deposited into the health services account under RCW 82.24.028 and 82.26.028 remaining after the appropriation under (a) of this subsection shall be transferred no less frequently than annually by the treasurer to the tobacco prevention and control account established by RCW 43.79.480. The funds transferred shall be used exclusively for implementation of the Washington state tobacco prevention and control plan and shall be used only to supplement, and not supplant, funds in the tobacco prevention and control account as of January 1, 2001, however, these funds may be used to replace funds appropriated by the legislature for further implementation of the Washington state tobacco prevention and control plan for the biennium beginning July 1, 2001. For each state fiscal year beginning on and after July 1, 2002, the legislature shall appropriate no less than twenty-six million two hundred forty thousand dollars from the tobacco prevention and control account for implementation of the Washington state tobacco prevention and control plan.

(c) Because of its demonstrated effectiveness in improving the health of low-income persons and addressing illnesses and diseases that harm low-income persons, the remainder of the funds deposited into the health services account under RCW 82.24.028 and 82.26.028 shall be appropriated solely for Washington basic health plan enrollment as provided in chapter 70.47 RCW. Funds appropriated under this subsection may be used to support outreach and enrollment activities only to the extent necessary to achieve the enrollment goals described in this section.

(3) Prior to expenditure for the purposes described in subsection (2) of this section, funds deposited into the health services account under RCW 82.24.028 and 82.26.028 shall first be transferred to the following accounts to ensure the continued availability of previously dedicated revenues for certain existing programs:

During the ~~((2001-2003))~~ 2005-2007 fiscal biennium, the legislature may transfer from the health services account such amounts as reflect the excess fund balance of the account to the state general fund.

Sec. 930. RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each amended to read as follows:

(1) The emergency reserve fund is established in the state treasury. During each fiscal year, the state treasurer shall deposit in the emergency reserve fund all general fund--state revenues in excess of the state expenditure limit for that fiscal year. Deposits shall be made at the end of each fiscal quarter based on projections of state revenues and the state expenditure limit. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues and the expenditure limit for fiscal year 2000 and thereafter.

(2) The legislature may appropriate moneys from the emergency reserve fund only with approval of at least two-thirds of the members of each house of the legislature, and then only if the appropriation does not cause total expenditures to exceed the state expenditure limit under this chapter.

(3) The emergency reserve fund balance shall not exceed five percent of annual general fund--state revenues as projected by the official state revenue forecast. Any balance in excess of five percent shall be transferred on a quarterly basis by the state treasurer as follows: Seventy-five percent to the student achievement fund hereby created in the state treasury and twenty-five percent to the general fund balance. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues for fiscal year 2000 and thereafter. When per-student state funding for the maintenance and operation of K-12 education meets a level of no less than ninety percent of the national average of total funding from all sources per student as determined by the most recent published data from the national center for education statistics of the United States department of education, as calculated by the office of financial management, further deposits to the student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level. Remaining funds are part of the general fund balance and these funds are subject to the expenditure limits of this chapter.

(4) The education construction fund is hereby created in the state treasury.

(a) Funds may be appropriated from the education construction fund exclusively for common school construction or higher education construction.

(b) Funds may be appropriated for any other purpose only if approved by a two-thirds vote of each house of the legislature and if approved by a vote of the people at the next general election. An appropriation approved by the people under this subsection shall result in an adjustment to the state expenditure limit only for the fiscal period for which the appropriation is made and shall not affect any subsequent fiscal period.

(5) Funds from the student achievement fund shall be appropriated to the superintendent of public instruction strictly for distribution to school districts to meet the provisions set out in the student achievement act. Allocations shall be made on an equal per full-time equivalent student basis to each school district.

(6) Earnings of the emergency reserve fund under RCW 43.84.092(4)(a) shall be transferred quarterly to the multimodal transportation account, except for those earnings that are in excess of thirty-five million dollars each fiscal year. Within thirty days following any fiscal year in which earnings transferred to the multimodal transportation account under this subsection did not total thirty-five million dollars, the state treasurer shall transfer from the emergency reserve fund an amount necessary to bring the total deposited in the multimodal transportation account under this subsection to thirty-five million dollars. The revenues to the multimodal transportation account reflected in this subsection provide ongoing support for the transportation programs of the state. However, it is the intent of the legislature that any new long-term financial support that may be subsequently provided for transportation programs will be used to replace and supplant the revenues reflected in this subsection, thereby allowing those revenues to be returned to the purposes to which they were previously dedicated. No transfers from the emergency reserve fund to the multimodal fund shall be made during the ((2003-05)) 2005-2007 fiscal biennium.

Sec. 931. RCW 43.320.110 and 2003 1st sp.s. c 25 s 921 and 2003 c 288 s 1 are each reenacted and amended to read as follows:

The state treasurer shall be the custodian of the fund. Disbursements from the fund shall be on authorization of the director of financial institutions or the director's designee. In order to maintain an effective expenditure and revenue control, the fund shall be subject in all respects to chapter 43.88 RCW, but no appropriation is required to permit expenditures and payment of obligations from the fund.

During the 2005-2007 fiscal biennium, the legislature may transfer from the financial services regulation fund to the state general fund such amounts as reflect the excess fund balance of the fund.

For employees covered under this agreement, provisions include a 3.2% salary increase effective July 1, 2005. Currently there is no statutory policy for funding the gain-sharing benefits in the plans 1 and 3 of the public employees' retirement system, the teachers' retirement system and the school employees' retirement system. The legislature acknowledges that the 2003 Actuarial Valuation Report (prepared in December 2004) identified gain-sharing as a material liability of the affected retirement systems, and recognizes the need to develop a plan for addressing this material liability. The legislature hereby delays any decision regarding funding for this benefit during the 2006 fiscal year.

During the 2005 interim, the select committee on pension policy shall study the options available to the legislature for addressing the liability associated with future gain-sharing benefits. These options may include, but shall not be limited to, repealing, delaying, or suspending the gain-sharing provisions in law; making gain-sharing discretionary; or replacing gain-sharing benefits with other benefits such as plan choice, employer defined contributions, retirement eligibility enhancements, and post-retirement adjustments. The select committee on pension policy shall report the findings and recommendations of its study to the legislative fiscal committees by no later December 15, 2005.

NEW SECTION. Sec. 979. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 980. Except for sections 922 and 930 of this act, this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

NEW SECTION. Sec. 981. Section 922 (RCW 41.50.110) of this act takes effect July 1, 2006.

NEW SECTION. Sec. 982. Section 921 (RCW 41.50.110) of this act expires July 1, 2006.

NEW SECTION. Sec. 983. Section 930 (RCW 43.135.045) of this act takes effect June 30, 2005.(End of part)
