NOON SESSION

---

Senate Chamber, Olympia, Monday, January 11, 2010

At 12:00 noon, pursuant to law, the Senate of the 2010 Regular Session of the Sixty-First Legislature of the state of Washington assembled in the Senate Chamber at the State Capitol. Lieutenant Governor Brad Owen, President of the Senate, called the Senate to order. The Secretary called the roll and announced to the President that all Senators were present with the exception of Senators Benton, McCaslin and Stevens.

The Washington State Patrol Honor Guard consisting of Trooper Chad Hoff, Trooper Chris Bendiksen, Trooper Joshua J. Merritt, Trooper Matthew B. Fehler, Trooper Brian Dorsey and Mr. Mike Kildow.

The President led the Senate in the Pledge of Allegiance.

The National Anthem was sung by Sergeant Timothy D. Coley, Washington State Patrol.

Pastor Dale Oquist of Evergreen Christian Community of Olympia offered the prayer.

The Washington State Patrol Honor Guard retired from the chamber.

**REMARKS BY THE PRESIDENT**

President Owen: "Ladies and gentleman, welcome to the session. I know it's going to be a very busy and very difficult one. I know that you'll do a great job. Every year we are privileged to have the Lakefair Queen welcome us on the opening day of legislative session and this is no different. I am very pleased and honored to have Michelle Santos, this year's Lakefair Queen to say a few words. She's accompanied today by Peggy Brink, the 2010 Lakefair Royalty Scholarship Chairperson and also accompanying her today and seated in the south gallery are her father, Manuel Santos; mother, Herminia Santos; Bob and Serry Barnes, 2010 Capital Lakefair President and First Lady. So, again, it's my great privilege and honor to introduce our Lakefair Queen to you today."

**REMARKS BY MICHELLE SANTOS**

Michelle Santos: "Good afternoon and welcome. I'm honored to be here with all of you on the 2010 opening day of legislature. I would like to take this opportunity and share with you my views on an issue that I feel quite passionate about. The future of our youth is at stake. Please take a moment and think about what the foundation of their success should be. A single word should come to mind, education. We must provide a strong basic educational system that is attainable by all while not ignoring the challenges and barriers that so many face which would truly leave children behind. It is evident that we should put our current economical standing into consideration but even so, it seems the proper school funding is further swept under the rug. I believe there are two directions our state can go to increase funding for education, raise taxes or reprioritize and redirect existing funds within our state government. Between the two there's no question that the second option truly opens doors to

real solutions. If increasing taxes becomes the state's focal point as well as spending more without reform, our state will continue down the path of fiscal instability. We must strengthen our focus on education and emphasize the idea to continuously give it first priority. In 1997, forty-four percent of the state's general funds were dedicated to K-12 education and today it decreased by two percent. In order to put children first we must combine true priorities of government process with the structuring of state government. This will allow our state to truly dedicate our time to the areas that are most important to Washington families. I, myself see so much potential and not only students within my neighboring schools but for all Washington State students as a whole. I'm aware that I'm only one, one voice, but with the help from all of you we can strengthen our youth's educational foundation to ultimately increase and assure our success in the future. Today, you are here to make decisions on issues that greatly affect this state but with everyone's best interest at heart. With education being one of them, I truly believe that all of you hold the same concern and are willing to find a way to improve its funding. I wish you the best of luck in your negotiations and I am confident in your abilities to work together and do what is best for Washington State and its wonderful people. Thank you."

**LETTER OF RESIGNATION**

December 28, 2009

Honorable Governor Gregoire  
416 Sid Snyder Ave SW, Suite 200  
P. O. Box 40002  
Olympia, WA 98504-0002

Dear Governor Gregoire:

It is with regret that I announce my resignation from the Washington State Senate effective December 18, 2009. My decision to leave the Senate was a very difficult one. I have been honored to have served the constituents of the 41<sup>st</sup> Legislative District and the State of Washington in both the House and Senate for the past ten years and count my time in the legislature as a highlight of my career. Representing my community has been a rewarding and humbling experience. I am proud of the work my colleagues and I have accomplished during my tenure for our constituents and look forward to continuing to serve our region in my new role as Deputy King County Executive. I look forward to working with members of the legislature in my new position.

Fred Jarrett  
Deputy King County Executive

**MOTION**

On motion of Senator Eide, the Senate advanced to the third order of business.

**GOVERNOR'S MESSAGE ON PARTIAL AND FULL VETOES OF SENATE BILLS AFTER ADJOURNMENT**

FIRST DAY, JANUARY 11, 2010  
MESSAGE FROM THE GOVERNOR  
VETO ON SENATE BILL NO. 5542

2010 REGULAR SESSION

April 30, 2009

April 16, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval, Senate Bill 5542 entitled:

“AN ACT Relating to member of the law enforcement officers’ and firefighters’ retirement system plan 2 who were disabled in the line of duty before January 1, 2001.”

This bill is identical to House Bill 1678, which I signed into law on April 15, 2009.

For the reason I have vetoed Senate Bill 5542 in its entirety.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON SUBSTITUTE SENATE BILL NO. 5318

April 30, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 2, Substitute Senate Bill 5318 entitled:

“AN ACT Relating to adding additional appropriate locations for the transfer of newborn children.”

Section 2 of this bill requires the Department of Social and Health Services to collect and compile information, and to report annually to the Legislature beginning January 1, 2011 regarding the number and medical condition of newborns transferred at appropriate locations and newborns who are abandoned.

Legislators may well wish to request ad hoc reports from the department on this topic for the next few years to monitor the implementation of this legislation, but it is likely that, over time, the data in the report will not vary much from year to year. Legislative members and staff are likely to be uninterested in reading such a report even as the department must continue to produce it. I do not believe it is necessary to require this reporting requirement in statute.

For these reasons, I have vetoed Section 2 of Substitute Senate Bill 5318.

With the exception of Section 2, Substitute Senate Bill 5318 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON SUBSTITUTE SENATE BILL NO. 5360

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, Substitute Senate Bill 5360 entitled:

“AN ACT Relating to community health care collaborative grants.”

Section 3 requires the administrator of the Health Care Authority to produce a report every two years. In difficult economic times, producing additional reports will only further strain limited funding and staff time. If legislators or governors require further information on the performance of the grant program, they can simply request such information from the Health Care Authority. For this reason, I have vetoed Section 3 of Substitute Senate Bill 5360.

With the exception of Section 3, Substitute Senate Bill No. 5360 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON ENGROSSED SUBSTITUTE SENATE BILL NO. 5414

April 30, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 4, Engrossed Substitute Senate Bill 5414 entitled:

“AN ACT Relating to statewide assessments and curricula.”

Section 4, in part, requires the Office of the Superintendent of Public Instruction, in consultation with the State Board of Education, to develop an implementation plan, including an assessment of the feasibility of implementing the current timelines for students to demonstrate that they have met state mathematics and science standards in high school assessments. These timelines are critical components of our statewide effort to ensure that our students are ready for the 21<sup>st</sup> century. Now is not the time to indicate any lack of resolve in our commitment to our students by revisiting or adjusting those standards. For these reasons, I have vetoed Section 4 of Engrossed Substitute Senate Bill 5414.

With the exception of Section 4, Engrossed Substitute Senate Bill 5414 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

FIRST DAY, JANUARY 11, 2010  
 MESSAGE FROM THE GOVERNOR  
 VETO ON SUBSTITUTE SENATE BILL NO. 5608

2010 REGULAR SESSION

I have approved, except for Section 18, Engrossed Substitute Senate Bill 5288 entitled:

April 30, 2009

“AN ACT Relating to the supervision of offenders.”

To the Honorable President and Members,  
 The Senate of the State of Washington

I am vetoing the emergency clause in Section 18. I have spoken with the Department of Corrections, and have been informed that they need time to implement the changes of the bill. They have begun preparing and will be ready to implement the changes August 1, 2009, but are not able to make these changes immediately. The elimination of the emergency clause will not affect the fiscal assumptions of the bill.

Ladies and Gentlemen:

I am returning, without my approval as to Section 5, Substitute Senate Bill 5608 entitled:

“AN ACT Relating to genetic counselors; amending RCW 18.130.040.”

For this reason, I have vetoed Section 18 of Engrossed Substitute Senate Bill 5288. With the exception of Section 18, Engrossed Substitute Senate Bill 5288 is approved.

Section 5 provides for an advisory committee on genetic counseling to be established under the Secretary of Health. In difficult economic times, we need fewer not more advisory committees, boards and commissions absorbing limited funding and staff time. For this reason, I have vetoed Section 5 of Substitute Senate Bill 5608.

Respectfully submitted,  
 CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
 VETO ON SUBSTITUTE SENATE BILL NO. 6162

May 6, 2009

With the exception of Section 5, Substitute Senate Bill 5608 is approved.

Respectfully submitted,  
 CHRISTINE O. GREGOIRE, Governor

To the Honorable President and Members,  
 The Senate of the State of Washington

Ladies and Gentlemen:

MESSAGE FROM THE GOVERNOR  
 VETO ON SUBSTITUTE SENATE BILL NO. 5199

May 6, 2009

I have approved, except for Section 3, Substitute Senate Bill 6162 entitled:

To the Honorable President and Members,  
 The Senate of the State of Washington

“AN ACT Relating to criminal justice: Providing for the supervision of offenders sentenced to community custody regardless of risk classification if the offender has a current conviction for a serious violent offense as defined in RCW 9.94A.030.”

Ladies and Gentlemen:

I have approved, except for Sections 1 through 7, Substitute Senate Bill 5199 entitled:

“AN ACT Relating to public water supply system operators.”

Substitute Senate Bill 6162 corrects an error in Engrossed Second Substitute Senate Bill 5288 by ensuring that all serious violent offenders are sentenced to community custody regardless of risk level. I have vetoed the emergency clause in ESSB 5288, and so I am also vetoing the emergency clause in Section 3 of SSB 6162 as it is not necessary.

Sections 1 through 7 of Substitute Senate Bill 5199 are identical to Substitute House Bill 1283 that I signed on April 25, 2009. For this reason, I have vetoed Sections 1 through 7 of Substitute Senate Bill 5199. With the exceptions of sections 1 through 7 Substitute Senate Bill 5199 is approved.

Respectfully submitted,  
 CHRISTINE O. GREGOIRE, Governor

For this reason, I have vetoed Section 3 of Substitute Senate Bill 6162. With the exception of Section 3, Substitute Senate Bill 6162 is approved.

Respectfully submitted,  
 CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
 VETO ON ENGROSSED SUBSTITUTE SENATE BILL NO. 5288

May 6, 2009

MESSAGE FROM THE GOVERNOR  
 VETO ON ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5649

May 7, 2009

To the Honorable President and Members,  
 The Senate of the State of Washington

To the Honorable President and Members,  
 The Senate of the State of Washington

Ladies and Gentlemen:

Ladies and Gentlemen:

FIRST DAY, JANUARY 11, 2010

I have approved, except for Section 403, Engrossed Second Substitute Senate Bill 5649 entitled:

“AN ACT Relating to achieving greater energy efficiency in buildings.”

Section 403 of the bill requires the Governor to designate a single point of accountability for all energy and climate change initiatives within state agencies. This language duplicates the requirements contained in Substitute Senate Bill 5921, Section 4(1). I signed Substitute Senate Bill 5921 on May 4, 2009. As a result, this provision is not needed and I have vetoed Section 403 of Engrossed Second Substitute Senate Bill 5649.

Some stakeholders have expressed concerns regarding Section 202 of Engrossed Second Substitute Senate Bill 5649. Section 202 of the bill establishes new employment and reporting requirements for the state’s existing low income weatherization program. It will be important to implement these new requirements in a manner that allows the local community action agencies and their funding sponsors to comply efficiently and effectively with the new requirements. To that end, I will direct the Department of Commerce to prepare administrative rules immediately to address the interpretation of the new requirements.

With the exception of Section 403, Engrossed Second Substitute Senate Bill 5649 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON ENGROSSED SENATE BILL NO. 6033

May 7, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Senate Bill 6033 entitled:

“AN ACT Relating to creating the prevent or reduce owner-occupied foreclosure program.”

Section 4 of this bill requires the Washington State Housing Finance Commission to establish an oversight committee to prevent or reduce owner-occupied home foreclosures. The committee is tasked with developing criteria for the success of the program, periodically evaluating the effectiveness of the program, developing and maintaining an inventory of state and federal housing assistance programs directed to stabilize owner-occupied homes and coordinating all state efforts related to prevention or reduction of owner-occupied foreclosures. These tasks are all important.

The Washington State Housing Finance Commission and Department of Financial Institutions, however, already have the authority to consult with stakeholders on these topics. Therefore I am vetoing Section 4 of this bill and ask that the directors of the Washington Housing Finance Commission and the Department of Financial Institutions exercise their authority to seek input from stakeholders when establishing the program.

For this reason, I have vetoed Section 4 of Engrossed Senate Bill 6033. With the exception of Section 4, Engrossed Senate bill 6033 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON SUBSTITUTE SENATE BILL NO. 6122

May 8, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 1, Substitute Senate Bill 6122 entitled:

“AN ACT Relating to reducing costs of the elections division of the office of the secretary of state.”

Section 1 of Substitute Senate Bill 6122 exempts the Elections Division from being required to use the State Printer for printing Voter Pamphlets. The State Printer provides consolidated and centralized print services on behalf of the State. Preserving that centralized capability brings important cost savings and efficiencies to State agencies. If the State Printer is not able to meet the price available to the Office of the Secretary of State from other printers, however, I will direct the State Printer to allow the Office of the Secretary of State to print the Voter Pamphlet elsewhere.

For this reason, I have vetoed Section 1 of Substitute Senate Bill 6122. With the exception of Section 1, Substitute Senate Bill 6122 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON ENGROSSED SENATE BILL NO. 6166

May 8, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am approving, except for Section 6, Engrossed Senate Bill 6166 entitled:

“AN ACT Relating to the sale of timber from state trust lands.”

Section 6 requires the Department of Natural Resources to prepare a report for which no funding was provided in the budget. In these challenging economic times, state agencies are already struggling to meet their existing obligations. This requirement places a large, unfunded burden upon the agency. For this reason, I have vetoed Section 6 of Engrossed Senate Bill 6166.

FIRST DAY, JANUARY 11, 2010

With the exception of Section 6 of Engrossed Senate Bill 6166 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON SENATE BILL NO. 5525

May 11, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Senate Bill 5525 entitled:

“AN ACT Relating to rental vouchers to allow release from state institutions.”

This section requires a report from the Department of Corrections to the Legislature on December 1, 2009 regarding the number of rental vouchers issued to offenders and any corresponding sanction history for those offenders receiving vouchers. No funding is included in the budget for this report. I am directing the Department to keep track of information related to this bill. For this reason, I have vetoed Section 4 of Senate Bill 5525. With the exception of Section 4, Senate Bill 5525 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON ENGROSSED SUBSTITUTE SENATE BILL NO.  
5352

May 13, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Sections 215(2), 215(4), 217(9), 602 and 715, Engrossed Substitute Senate Bill 5352 entitled:

“AN ACT Relating to transportation funding and appropriations.”

**Section 215(2), page 19, Department of Transportation**

This proviso requires the Department of Transportation (Department) to offer former property owners the “right of first repurchase” if the property was acquired through condemnation or threat of condemnation, and the property is to be sold as surplus because it is no longer needed for a public purpose. This proviso may hinder the Department’s ability to utilize property it currently owns in future acquisition negotiations. It also may have the unintended consequence of restricting the Department’s ability to get the best price for surplus property by limiting competition.

**Section 215(4), page 20, Department of Transportation**

This proviso makes an appropriation of \$2,000,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

**Section 217(9), page 22, Department of Transportation**

This proviso makes an appropriation of \$12,500,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

**Section 602, pages 71-72, Department of Transportation**

This section would have transportation agencies hire a consultant approved by the Department of Information Services to develop a “consolidated strategy and plan” to achieve cost savings resulting from holistic virtualization, wide area network optimization, transition to alternative telecommunications systems, and migration to internal voice mail systems. A similar proviso in the omnibus operating budget (Section 143) requires the Department of Information Services to implement some or all of these strategies and to report on the savings to the Office of Financial Management and the fiscal committees of the Legislature.

The transportation budget does not contain funding to hire contractors to develop the plan. Rather than hiring a contractor, the Department can work with the Department of Information Services to learn from its experience with these strategies.

**Section 715, pages 87-88, Department of Transportation**

This section would give the Legislature the ability to designate property under the jurisdiction of the Department as “unused state-owned real property,” and direct the transfer and conveyance of such unused property, provided it is consistent with public interest. The Legislature could then direct the transfer and conveyance of such property to entities listed in statute as eligible recipients such as ports, utilities, other state agencies, cities, or counties. The value of such properties would be determined by the Legislature for “adequate consideration,” and would not require fair market value.

While the Legislature may possess the authority to direct the Department in the transfer and conveyance of unused properties, such decisions must be guided by clear criteria. This section does not set forth sufficient safeguards to determine how unused properties would be determined, how properties would be conveyed and transferred, or how values would be assigned to such properties.

For these reasons, I have vetoed Sections 215(2), 215(4), 217(9), 602 and 715.

With the exception of Sections 215(2), 215(4), 217(9), 602 and 715, Engrossed Substitute Senate Bill 5352 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR  
VETO ON SUBSTITUTE SENATE BILL NO. 5499

May 13, 2009

FIRST DAY, JANUARY 11, 2010

2010 REGULAR SESSION

To the Honorable President and Members,  
The Senate of the State of Washington

For these reasons, I have vetoed Section 4 of Engrossed Second Substitute Senate Bill 5850. With the exception of Section 4, Engrossed Second Substitute Senate Bill 5850 is approved.

Ladies and Gentlemen:

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

I am returning, without my approval as to Section 2, Substitute Senate Bill 5499 entitled:

MESSAGE FROM THE GOVERNOR  
VETO ON SUBSTITUTE SENATE BILL NO. 5286

“AN ACT Relating to bond amounts for department of transportation highway contracts.”

May 15, 2009

Section 2 of this bill requires the Governor to approve any contracts in which the Washington State Department of Transportation intends to authorize bonds in an amount less than the full contract price of the contract.

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute Senate Bill 5286 entitled:

Section 1 of the bill requires the Office of Financial Management to approve risk guidelines developed by the Department of Transportation prior to authorizing bonds in an amount less than the full price of the contract. Section 1 also requires the Office of Financial Management to review and approve the decision of the Secretary of Transportation to authorize a bond in an amount less than the full price of the contract prior to proceeding with the contract. Approval from the Office of Financial Management of the risk guidelines, as well as review of pending contracts constitutes sufficient oversight by the Governor’s office of highway contract decisions. Requiring subsequent approval from the Governor is redundant and is not a necessary statutory requirement.

“AN ACT Relating to exemptions from the WorkFirst program.”

Under current law, the state may require a WorkFirst recipient with a child under one-year of age to get mental health treatment, alcohol or drug treatment, domestic violence services or parenting education even if the parent claims an exemption from participation in other WorkFirst activities. This bill gives the state the authority to require the parent to get help if needed, but reduces the state’s ability to require participation as a condition of keeping the grant. If a parent refuses to participate, the Department of Social and Health Services (Department) could seek a volunteer to serve as a protective payee. However, under the interpretation of RCW 74.08.280 to limit liability and as a best practice, the Department would use contracted protective payees resulting in additional cost to the state.

For these reasons, I have vetoed Section 2 of Substitute Senate Bill 5499.

I remain concerned about limiting the Department’s ability to require a parent to receive treatment during the first ninety days. When I signed Second Substitute Senate Bill 6016 in 2007 creating the infant exemption, I signed the bill to support parents. Valuable time is lost if we wait three months to get a parent help with a drug or alcohol problem or domestic violence.

With the exception of Section 2, Substitute Senate Bill 5499 is approved.

For these reasons I have vetoed Substitute Senate Bill 5286 in its entirety.

MESSAGE FROM THE GOVERNOR  
VETO ON ENGROSSED SECOND SUBSTITUTE SENATE  
BILL 5560

May 14, 2009

May 15, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Second Substitute Senate Bill 5850 entitled:

I have approved, except for Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 entitled:

“AN ACT Relating to protecting workers from human trafficking violations.”

“AN ACT Relating to state agency climate leadership.”

Section 4 applies the Consumer Protection Act, chapter 19.86 RCW, to violations of this law. The Consumer Protection Act is ill suited to responding to these types of issues. Employment activities are already well regulated by the Department of Labor and Industries. Violations of this law would be better directed to the statutes administered by that agency.

FIRST DAY, JANUARY 11, 2010

2010 REGULAR SESSION

The Senate of the State of Washington

Sections 3 and 4 require agencies to use battery operated or electric small-scale powered equipment that is not yet available for commercial or heavy duty use, although it is available for home or light duty use. I am directing the Department of General Administration to examine landscaping policies on the Capitol Campus and develop and implement a plan that will reduce the carbon footprint of landscaping within the 2009-11 biennium, including a pilot project to showcase methods for "green landscaping" of the Capitol Campus.

Section 7 addresses energy audits and high performance buildings. On May 8, 2009, I signed Engrossed Second Substitute Senate Bill 5854 which directs the Department of General Administration to conduct energy audits and assign energy benchmarks of state buildings. Engrossed Second Substitute Senate Bill 5854 provides a complete and thorough process to examine state buildings and, therefore, this additional provision is not needed at this time.

For these reason, I have vetoed Sections 3, 4 and 7 of Engrossed Second Substitute Senate Bill 5560.

With the exception of Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 is hereby approved.

MESSAGE FROM THE GOVERNOR

VETO ON SECOND SUBSTITUTE SENATE BILL NO. 5945

May 18, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

I have approved, except for Section 3, Second Substitute Senate Bill 5945 entitled:

"AN ACT Relating to creating the Washington health partnership plan."

Section 3 creates the Washington health partnership advisory group and requires me to convene quarterly meetings of the group from October 2009 through June 2010. Creating in statute a new advisory group, even one of limited duration, is contrary to our recent effort to reduce the number of such groups across all of state government. I will emphasize to the relevant state agencies the importance of keeping all interested parties up to date on our state's health care reform efforts, and if appropriate will convene the type of meeting called for in this section without the need to create this group in statute.

With the exception of Section 3, Second Substitute Senate Bill 5945 is approved.

Respectfully submitted,  
CHRISTINE O. GREGOIRE, Governor

VETO ON SENATE BILL NO. 5038

May 19, 2009

To the Honorable President and Members,

Ladies and Gentlemen:

I have approved, except for Sections 2040, 4012, 4013, 4020, 4030, 4058, 4081, 4082, 4083, 4131, 5133, 5137, 5140, 7004, 7057, Senate Bill 5038 entitled:

"AN ACT Relating to making technical corrections to gender-based terms."

I am vetoing the following sections due to conflicting amendments in other bills: 2040, 4012, 4013, 4020, 4030, 4058, 4081, 4082, 4083, 4131, 5133, 5137, 5140, 7004 and 7057.

With the exception of Sections 2040, 4012, 4013, 4020, 4030, 4058, 4081, 4082, 4083, 4131, 5133, 5137, 5140, 7004, 7057, Senate Bill 5038 is approved.

MESSAGE FROM THE GOVERNOR

VETO ON SECOND SUBSTITUTE SENATE BILL NO. 5433

May 19, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 8, 9, 10 and 11, Second Substitute Senate Bill 5433 entitled:

"AN ACT Relating to modifying provisions of local option taxes."

This bill allows local governments flexibility to better use current revenues sources and additional options for transportation funding. Sections 8 through 11 would have given transit agencies the option of asking voters for up to \$20 per vehicle per year to expand local transit capacity and fund transit-related expenses. Local entities currently have authority under a transportation benefit district to impose a vehicle fee that can be used for transportation operating, maintenance and capital investments. In addition, the 2009-11 transportation budget appropriates funds to the Joint Transportation Committee to conduct a study of alternative revenue sources of transportation funding; so dedicating a specific revenue source now is premature and impacts future decision-making flexibility.

For these reason, I have vetoed Sections 8, 9, 10 and 11 of Second Substitute Senate Bill 5433.

With the exception of Sections 8, 9, 10 and 11, Second Substitute Senate Bill 5433 is approved.

Respectfully submitted,

To the Honorable President and Members,  
The Senate of the State of Washington

2010 REGULAR SESSION  
VETO ON ENGROSSED SECOND SUBSTITUTE SENATE  
BILL NO. 5809

Ladies and Gentlemen:

May 19, 2009

I have approved, except for Sections 4 and 5, Substitute Senate Bill 5436 entitled:

To the Honorable President and Members,  
The Senate of the State of Washington

“AN ACT Relating to payment arrangements involving direct practices.”

Ladies and Gentlemen:

Section 4 would subject direct patient-provider primary care practices to the assessments used to fund the Washington State Health Insurance Pool. I am concerned that this requirement would increase the cost of such practices at the very time businesses and individuals are badly in need of more affordable health care options.

I have approved, except for Section 4, Engrossed Second Substitute Senate Bill 5809 entitled:

“AN ACT Relating to workforce employment and training.”

Section 5 would require a direct practice to submit its advertising and marketing materials to the Insurance Commissioner for approval at least thirty days prior to use. The bill fails to indicate, however, the criteria against which these materials would be reviewed. This section also duplicates protections existing in current law, imposing needless administrative expenses on both these practices and the Commissioner’s Office.

I am vetoing Section 4 of this bill. The policy intent of the bill can be accomplished without the Legislature directing how the Governor’s discretionary Workforce Investment Act 10% fund is used. Although federal law does not prohibit the state Legislature from directing the Workforce Investment Act 10% funds, the approach taken by this bill would set an undesirable precedent.

For these reasons, I have vetoed Sections 4 and 5 of Substitute Senate Bill 5436.

For these reasons, I have vetoed Section 4 of Engrossed Second Substitute Senate bill 5809.

With the exception of Sections 4 and 5, Substitute Senate Bill 5436 is approved.

With the exception of Section 4, Engrossed Second Substitute Senate Bill 5809 is approved.

May 19, 2009

May 19, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

Ladies and Gentlemen:

I have approved, except for Section 2, Substitute Senate Bill 5734 entitled:

I have approved, except for Section 1, Substitute Senate Bill 5913 entitled:

“AN ACT Relating to tuition fees.”

“AN ACT Relating to online access to the University of Washington health sciences library by certain health care providers; and amending RCW 43.70.110 and 43.70.112.”

Section 2 of Substitute Senate Bill 5734 is identical to Section 3 in Engrossed Substitute House Bill 2344 that I signed yesterday. Signing two bills with identical sections may cause confusion, so I am vetoing this iteration of the performance audit requirement.

I fully support the intent of this legislation, including its clarification that the existing surcharge to health care professionals should be assessed only once per year, regardless of the number of licenses a professional holds. Unfortunately, Section 1 also requires the Department of Health (Department) to create an ongoing, annual advisory group. Establishing new advisory groups in statute is contrary to our recent efforts to reduce the number of boards, commissions and advisory groups across all of state government. There are other, more efficient ways to keep interested parties informed and engaged on emerging issues.

For this reason, I have vetoed Section 2 of Substitute Senate Bill 5734.

With the exception of Section 2, Substitute Senate Bill 5734 is approved.

Given the importance of this to many, I ask that Department pursue all available options to address the surcharge issue administratively. I also recommend that Department convene

MESSAGE FROM THE GOVERNOR  
VETO ON SENATE BILL NO. 6168

May 19, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 3, 4 and 8, Senate Bill 6168 entitled:

“AN ACT Relating to reducing costs in state elementary and secondary education programs.”

Sections 3 and 4 refer to the availability of funds as the determinate for whether these important programs are implemented. Because all programs are dependent on legislative appropriations, the addition of this language has no substantive effect. I am concerned, however, that future budget writers might erroneously conclude that these programs are in a different status than other programs and consider not funding them solely because of the addition of this new language. As a result, I have vetoed Sections 3 and 4 of Senate Bill 6168.

Section 8 of Senate Bill 6168 amends RCW 28A.625.020, Office of Superintendent of Public Instruction annual recognition program. RCW 28A.625.020 is also repealed by Section 20(6) of Senate Bill 5889 which I signed earlier today. Therefore, I am not approving Section 8 of Senate Bill 6168 to correct a potential double amendment and conflicting policy.

For these reasons, I have vetoed Sections 3, 4 and 8 of Senate Bill 6168.

With the exception of Sections 3, 4 and 8, Senate Bill 6168 is approved.

VETO ON SENATE BILL 6181

May 19, 2009

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Senate Bill 6181 entitled:

“AN ACT Relating to the intensive resource home pilot.”

This bill would extend for budget purposes the suspension of the intensive resource home pilot program created in 2008 and suspended in December of that year. However, Senate Bill 6181 amends RCW 74.13.800 which was repealed by section 97 of Second Substitute Senate Bill 2106 which I signed into law today. Therefore, the suspension is no longer necessary.

For this reason I have vetoed Senate Bill 6181 in its entirety.

MESSAGE FROM THE GOVERNOR

June 9, 2009

To the Honorable, the Senate  
of the State of Washington

Ladies and Gentlemen:

In compliance with the provisions of Article III, Section 11, of the Constitution of the State of Washington, the Governor hereby submits her report for each case of reprieve, commutation or pardon that she has granted since her last report submitted on December 29, 2008, copies of which are attached.

Very truly yours,

Senior Advisor and General Counsel

CONDITIONAL COMMUTATION  
OF  
STEVAN ARTICE DOZIER

**To All to Whom These Presents Shall Come, Greetings:**

WHEREAS, Stevan A. Dozier was convicted on June 20, 1994, of robbery in the Second Degree under King County Superior Court Cause Number 94-1-01558-0 and sentenced to serve Life without the Possibility of Parole under Washington’s persistent offender law, the so-called “Three Strikes” law.

WHEREAS, according to the court record, the crime leading to Mr. Dozier’s third strike occurred on February 1, 1994. At the age of thirty-three, Mr. Dozier robbed sixty-nine year old Mary Bedford of her wallet. Ms. Bedford was at the door of her apartment when Mr. Dozier asked her to tell him the time. When she responded, he pushed the door open, knocked her down, punched her in the face and took her wallet. Ms. Bedford sustained swollen lips and a sore jaw that prevented her from eating solid food for several weeks.

WHEREAS, Mr. Dozier’s second strike arose from two separate incidents of Robbery in the Second Degree. In March of 1988, Mr. Dozier approached Kristin Whiteaker as she waited for an elevator. He punched her in the face, took her purse and pushed her into the elevator before fleeing the scene. He later used her credit card to buy a watch, which he indicated he wanted to sell or trade for drugs. Later in the same month, Mr. Dozier

FIRST DAY, JANUARY 11, 2010

2010 REGULAR SESSION

approached Emily Magnuson while she sat in her car in a parking garage. He grabbed her face to physically restrain her while he reached in and stole her purse. Mr. Dozier pled guilty to both counts, receiving a 70 month prison sentence.

WHEREAS, the crime that led to Mr. Dozier's first strike conviction occurred in August of 1986 when he approached Patricia Garcia while she was getting into her car. Mr. Dozier reached into the car to grab her purse. When Ms. Garcia tried to stop him he pushed and hit her in the face, grabbed hold of the purse and ran away. Mr. Dozier pled guilty to Robbery in the Second Degree later that year and was sentenced to 17 months in prison.

WHEREAS, according to Mr. Dozier, the common cause for all his crimes was a drive to support his addiction to cocaine. Since being in prison, Mr. Dozier has participated in Alcoholics and Narcotics Anonymous and has been drug free for 14 years.

WHEREAS, Mr. Dozier is now forty-seven years old. To date, Mr. Dozier has been incarcerated on Cause No. 94-1-01558-0 since March 7, 1994, for a total time served to date, including pre-sentencing custody, of 182 months as of May 7, 2009, and has remained infraction free since 1997.

WHEREAS, Mr. Dozier unequivocally accepted legal responsibility and expressed remorse for, not only his crimes against Ms. Bedford, Ms. Garcia, Ms. Whiteaker and Ms. Magnuson, but all of his past crimes and deeply apologized for his actions to his victims, his family and the state of Washington at his 2008 Clemency Board hearing.

WHEREAS, following Mr. Dozier's Clemency and Pardons Board hearing on December 11, 2008, the Board issued a unanimous recommendation in support of a commutation of Mr. Dozier's Life without the Possibility of Parole to time served.

WHEREAS, King County Prosecutor Daniel Satterberg reviewed Mr. Dozier's clemency request in the context of other early "Three Strikes" cases prosecuted by the King County Prosecutor's Office in 1994 and 1995, shortly after voters approved Initiative 593. In the course of that review, Mr. Satterberg observed that the King County Prosecutor's Office charged and prosecuted the lowest ranking strike eligible offenses differently than they do today.

WHEREAS, Mr. Satterberg indicates that today the King County Prosecutor's Office would seek a charge of Theft in the First Degree and an agreed sentence of ten years instead of Robbery in the Second Degree for an offender like Mr. Dozier facing a potential third strike to avoid what the Prosecutor's Office would view as a disproportionate life sentence.

WHEREAS, in 1994, but for the persistent offender statute, Prosecutor Satterberg's office would have sought a Robbery One charge for Mr. Dozier's actions resulting in a sentence between 129 and 171 months for an offender with Mr. Dozier's offender score.

WHEREAS, Mr. Dozier has now served more time in prison than either the agreed sentence that the Prosecutor's Office would have otherwise charged today or the offense they would have charged in 1994 but for the persistent offender statute.

WHEREAS, Initiative 593 Section 5 indicated that "[nothing in this act shall ever be interpreted or construed as to reduce or eliminate the power of the governor to grant a pardon or clemency to any offender on an individual case-by-case basis."

WHEREAS, Mr. Dozier has shown considerable rehabilitation during his period of incarceration through his employment by Earth Ray industries, completing an anger and stress management program and basic custodial services program through Walla Walla Community College, courses in computer basics, safety awareness, and job dynamics through Edmonds community College, as well as participating in Alcoholics and Narcotics Anonymous, the Concerned Lifers and Black Prisoners Caucus programs.

WHEREAS, Mr. Dozier has received extraordinary community support in his petition for clemency from numerous community leaders, including King County Councilman Larry Gossett; King County Prosecutor Dan Satterberg; John Carlson, co-author of the three strikes law; Judge Brian Gain, the trial judge for Mr. Dozier's third strike case as well as his wife and other family members.

WHEREAS, supporters for Mr. Dozier have indicated that he has an opportunity upon his release for employment at Hassie May Services.

WHEREAS, Stevan Dozier appears to have used his 15 years in prison to mature into an articulate, responsible and rehabilitated man. Moreover, his service and activities indicate that he appears to be someone who can make a positive and lasting impact on his community.

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the crime, comments favoring release of Mr. Dozier, comments opposing Mr. Dozier's release, and the favorable recommendations of the King County Prosecutor and the Washington State Clemency and Pardons Board and, in light of the foregoing, I have determined that the best interests of justice will be served by this action.

WHEREAS, the victim, detective and trial prosecutor who have spoken against Mr. Dozier's petition have done so based on their knowledge of Mr. Dozier in 1994. The record and testimony at the Clemency Board hearing, as well as other information received from Department of Corrections personnel who have interacted with Mr. Dozier over the last fifteen years, indicate that Mr. Dozier has dramatically changed his ways during the time of his incarceration and is by all accounts rehabilitated.

NOW, THEREFORE, I, Christine O. Gregoire, by virtue of the power vested in me as Governor of the state of Washington under Article III Section 9 of the Washington State Constitution, RCW 9.94A.885 and RCW 9.95.260, hereby grant to Stevan A. Dozier a Conditional Commutation of the remainder of his sentence *subject to his acceptance of a term of Community Custody of twenty-four months, ending May 7, 2011, and compliance with the following conditions during the term of his Community Custody*, all of which commence as of May 7, 2009:

Mr. Dozier shall:

1. Report regularly to a community corrections officer as directed by the Department of Corrections;

5. Notify the Department of Corrections prior to any changes of address or employment;
6. Remain in the geographic area as directed by the community corrections officer;
7. Not possess, receive, ship, or transport a firearm, ammunition or explosives;
8. Not possess or use any controlled substances without a prescription;
9. Submit to regular and random urinalysis and breathalyzer testing, as directed by the community corrections officer;
10. Participate in substance abuse and/or chemical dependency evaluation as directed by the community corrections officer and complete any recommendations from such evaluation;
11. Participate in chemical dependency and substance abuse support groups, as directed by the community corrections officer;
12. Not associate with any drug users or dealers;
13. Have no direct contact with any of his victims or their families;
14. Participate in electronic monitoring, if deemed appropriate by the community corrections officer;
15. Participate in any mental health evaluation as recommended by the community corrections officer and complete any recommendations from such evaluation;
16. Participate in the Youth At Risk or other similar community service program, as directed by the community corrections officer; and
17. Comply with all standard conditions, recommendations, and instructions of community placement as directed by the community corrections officer.

PROVIDED that Mr. Dozier shall remain under the supervision of the Department of Corrections and follow explicitly conditions established by that agency during the term of his Community Custody. Violation of any of the above conditions shall result in sanctions as deemed appropriate by the Department of Corrections and may result in the termination of this Conditional Commutation as provided below. The Department may require Mr. Dozier to perform affirmative acts deemed appropriate to monitor compliance with the conditions and may issue warrants and/or detain Mr. Dozier if he violates a condition.

ADDITIONALLY PROVIDED that in the event Mr. Dozier is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington or any violation of the conditions of this Conditional Commutation as determined by the Governor, this Conditional Commutation is revoked without notice and the sentence of the court reinstated, whereupon Mr. Dozier will be immediately returned to the Washington Corrections Center or any such facility as the Secretary of the Department of Corrections deems appropriate. The Department of Corrections shall provide a written report to the Clemency and Pardons Board regarding any violation of this Conditional Commutation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the State of

Washington to be affixed at Olympia on this 6<sup>th</sup> day of May, A.D., two thousand and nine.

SAM REED  
Secretary of State

**CONDITIONAL COMMUTATION  
OF  
GERALD SALVENZO HANKERSON**

**To All to Whom These Presents Shall Come, Greetings:**

WHEREAS, Gerald S. Hankerson was convicted on April 22, 1988, of First-Degree Aggravated Murder under King County Superior Court Cause No. 87-1-05055-2 and sentenced to serve Life Without the Possibility of Parole stemming from the killing of Nai Vang Saeturn, an immigrant from Laos.

WHEREAS, according to the court record on May 18, 1987, at the age of 18, Mr. Hankerson and another man, Mr. Mitchell, observed Nai Vang Saeturn depart from a supermarket in Seattle. Mr. Hankerson and Mr. Mitchell followed Mr. Saeturn from the store. After a short distance, Mr. Hankerson blocked Mr. Saeturn's path while Mr. Mitchell grabbed Mr. Saeturn from behind and slashed his throat. Mr. Saeturn began to scream and attempted to flee from his attackers, but Mr. Hankerson and Mr. Mitchell pursued him and caught Mr. Saeturn about a half block later. Mr. Hankerson held Mr. Saeturn while Mr. Mitchell beat Mr. Saeturn with brass knuckles and stabbed him in the back before emptying Mr. Saeturn's pockets.

WHEREAS, following Mr. Hankerson's Clemency and Pardons Board hearing in June 2006, the Board issued a unanimous recommendation in support of a conditional commutation of Mr. Hankerson's Life Without the Possibility of Parole sentence once he had served additional time, which they calculated to be completed December 2008.

WHEREAS, Mr. Hankerson informed members of King County Prosecutor Satterberg's staff that he unequivocally accepted legal responsibility and expressed remorse for his role in Mr. Saeturn's murder and deeply apologized for his actions to the Saeturn family at his 2006 Clemency Board hearing.

WHEREAS, based in part on Prosecutor Satterberg's opposition to Mr. Hankerson's request for clemency in 2006, I denied Mr. Hankerson's request for clemency in 2007, but invited him to repetition for clemency in 2010.

WHEREAS, Prosecutor Satterberg reconsidered his 2006 opposition and in November of 2008 recommended clemency based on Mr. Hankerson's acceptance of responsibility for his conduct, the length of time he has already served and the positive contributions he could make to society. Prosecutor Satterberg also stated in a November 2008 letter that if the case came to his office today, it is unlikely that Aggravated Murder charges would be filed against Mr. Hankerson or a life sentence sought. Under

FIRST DAY, JANUARY 11, 2010

current standards, Prosecutor Satterberg indicated that a charge of Murder in the First Degree would be applied.

WHEREAS, had Mr. Hankerson been convicted of the charge of Murder in the First Degree in this case instead of Aggravated Murder in the First Degree, he would have faced a Standard Range Sentence of 261 to 347 months in prison based on an Offender Score of 2 under the 1988 Sentencing Reform Act with the possibility of earned early release time for good behavior as early as 2006.

WHEREAS, pursuant to former RCW 9.94A.120(8) Mr. Hankerson would have been sentenced to Community Placement upon release from prison on a Murder in the First Degree conviction. If Mr. Hankerson had earned "good time" while serving his sentence, Mr. Hankerson's Community Placement would have been ordered in the form of Community Custody. Under former RCW 9.94A.120 Mr. Hankerson's Community Custody would have allowed him to be released to a less restrictive alternative to that of incarceration including living back in the community but would have subjected him to controls placed on an inmate by the Department of Corrections and close monitoring by Department officials.

WHEREAS, Mr. Hankerson is now forty years old. To date, Mr. Hankerson has been incarcerated on Cause No. 87-1-05055-2 since December 7, 1987, for a total time served to date of 267 total months, as of April 7, 2009 and has remained infraction free since 2002, including the period following my 2007 denial of his petition for clemency.

WHEREAS, Mr. Hankerson has shown considerable rehabilitation through his service to organizations within the Department of Corrections, including Co-founder of the At Risk Youth Program; Vice-President of the Concerned Lifers Organization (which he also integrated racially); Chairman of the Black Prisoners Caucus; Class Facilitator for the Prison Awareness Project; and Class Coordinator for Seattle University's Campus Ministry. In addition, through his dedication to community service, Mr. Hankerson has positively influenced lives beyond prison walls; as a result, the Seattle/King County Branch of the NAACP awarded him its 2008 Community Service Award.

WHEREAS, Mr. Hankerson has received extraordinary community support in his petition for clemency from numerous community leaders, including King County Councilman Larry Gossett, the leadership of the local NAACP and several local churches and faith communities including Salishan/Eastside Lutheran Mission, Freedom Church of Seattle, New Hope Missionary Baptist Church, United Black Christian Clergy Association of Washington, and Buddhist Chaplaincy Services.

WHEREAS, supporters for Mr. Hankerson have indicated that he has an opportunity upon his release for employment at Puyallup Nissan.

WHEREAS, Hankerson appears to have used his 20 years in prison to mature into an articulate, responsible and rehabilitated man. Moreover, his service and activities indicate that he appears to be someone who can make a positive and lasting impact on his community.

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the

crime, comments favoring release of Mr. Hankerson, comments opposing Mr. Hankerson's release, and the favorable recommendations of the King County Prosecutor and the Washington State Clemency and Pardons Board and, in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Christine O. Gregoire, by virtue of the power vested in me as Governor of the State of Washington under Article III, Section 9 of the Washington State Constitution, RCW 9.94A.885 and RCW 9.95.260, hereby grant to Gerald S. Hankerson a Conditional Commutation of the remainder of his sentence *subject to his acceptance of a term of Community Custody of eighty months, ending December 9, 2015, and compliance with the following conditions during the term of his Community Custody*, all of which commence as of April 9, 2009:

Mr. Hankerson shall:

1. Report regularly to a community corrections officer as directed by the Department of Corrections;
2. Pay a monthly supervision fee as directed by the community corrections officer;
3. Participate in Department of Corrections approved education, employment and/or community service;
4. Receive prior approval from the Department of Corrections for living arrangements and residence location;
5. Notify the Department of Corrections prior to any changes of address or employment;
6. Remain in the geographic area as directed by the community corrections officer;
7. Not possess, receive, ship, or transport a firearm, ammunition or explosives;
8. Not possess or use any controlled substances without a prescription;
9. Submit to regular and random urinalysis and breathalyzer testing, as directed by the community corrections officer;
10. Participate in substance abuse and/or chemical dependency evaluation as directed by the community corrections officer and complete any recommendations from such evaluation;
11. Participate in chemical dependency and substance abuse support groups, as directed by the community corrections officer;
12. Not associate with any drug users or dealers;
13. Have no direct contact with any members of the victim's family;
14. Participate in electronic monitoring, if deemed appropriate by the community corrections officer;
15. Participate in any mental health evaluation as recommended by the community corrections officer and complete any recommendations from such evaluation;
16. Participate in the Youth At Risk or other similar community service program, as directed by the community corrections officer;
17. Comply with all standard conditions, recommendations, and instructions of community placement as directed by the community corrections officer.

PROVIDED that Mr. Hankerson shall remain under the supervision of the Department of Corrections and follow explicitly conditions established by that agency during the term of his Community Custody. Violation of any of the above conditions shall result in sanctions as deemed appropriate by the Department of Corrections and may result in the termination of

this Conditional Commutation as provided below. The Department may require Mr. Hankerson to perform affirmative acts deemed appropriate to monitor compliance with the conditions and may issue warrants and/or detain Mr. Hankerson if he violates a condition.

ADDITIONALLY PROVIDED that in the event Mr. Hankerson is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington or any violation of the conditions of this Conditional Commutation as determined by the Governor, this Conditional Commutation is revoked without notice and the sentence of the court reinstated, whereupon Mr. Hankerson will be immediately returned to the Washington Corrections Center or any such facility as the Secretary of the Department of Corrections deems appropriate. The prayer was given by the Honorable M. Brian Cladoosby, Chair of the Swinomish Tribe.

M. Brian Cladoosby: "Good and gracious creator of all that is, today we give you thanks for this beautiful part of mother earth that we call home. We are grateful for the soaring peaks of the Cascades and Olympics, the crashing waves of the coast, the broad expanse of the Palouse and the tide flats of the Salish Sea. In all these places we see the work of your hand. We thank you for the salmon, the elk, the berries, the shellfish, and all the other things that you provide to nourish and strengthen our bodies. We thank you for the medicines that your forests and prairies produce, for the yew tree, the camas root and the nettle. We thank you for the cedar and fir trees with which we shelter and transport our families. Help us to walk humbly and gently on this land. These are hard times for our state, Lord. Many families are struggling. Some are barely hanging on, others have lost hope. Care for those who need you most, especially our children and our elders. Open our hearts to those in need. Help them to know that their leaders here come to serve, to be a light in dark times. Help those who are having a hard time to know that

they are not forgotten, that they are valued and cherished. Today we ask that you bless this place and the work that will occur here. Thank you, creator, for choosing these elected officials for your work. Bless our Governor, who carries so much on her shoulders. Bless these legislators, on whose wisdom so many depend. Bless the staff, who hold up the leaders we have called to service. Bless the families of all those who have been called here and who miss them while they are away. Bless our judges and all the other elected leaders here today, fill them with your wisdom and your mercy. Protect each and every one of them and care for them while they work through this legislative session. Help those who work in these halls to remember that they come here to represent all the people of our state, not one party or another, not one special interest group or another, but all people, your people. In a special way, we lift up our law enforcement community who have suffered so many losses in recent weeks. Put a special hedge of protection around those who give their lives to protect us. Let our military, law enforcement, fire fighters and other public safety officers know that you are with them and that we are with their families as they serve. As this Legislature begins its work, we ask your blessing upon the difficult decisions before these leaders. May the words spoken here be true. May the work done here be your work. May the product of this work be good and may the measure of its value be the impact it has on the generations to come. We ask you all these things in Jesus' name. Amen."

The President introduced Governor Christine Gregoire.

### STATE OF THE STATE

Governor Gregoire: "Thank you, Brian Cladoosby. Your words are appreciated. Thank you, Ashley Romero, Marlynn Marok and Mercy Samuel for that wonderful performance of the national anthem. I first heard these three young women a few weeks ago at graduation ceremonies for the Washington Youth Academy and I knew that their voices and spirit needed to be here today.

Mr. President, Mr. Speaker, Madam Chief Justice, distinguished justices of the court, honored officials, members of the Washington State Legislature, former governors, tribal leaders, local government officials, law enforcement officers, members of the Consular Association of Washington, my fellow citizens:

It gives me a great deal of pleasure to introduce my husband and best friend, Mike Gregoire or as he has become known, First Mike. Mike continues his work in our schools teaching kids to love reading as much as he does. And on a lot of mornings he leaves the house with one thought in mind: What he will do to assist fellow military veterans in any number of ways, from helping when they return from war to finding a job. Thank you, Mike! Mike and I are blessed with two wonderful daughters and a great son-in-law. Courtney and Scott couldn't join us today, but I'm pleased to have Michelle here. Michelle is about to decide if she will pursue a law degree which makes Mike a little nervous. Along with Courtney and Scott, that would make four lawyers at the dinner table and then there'd be Mike. Mike, we can promise that we won't make you file a motion when you want us to pass the salt and pepper. This afternoon, I welcome the 61st Washington Legislature back to Olympia. I very much appreciate the simple fact that 147 men and women are willing to interrupt their lives to spend their days, and often their nights, struggling with how best to serve the people who sent you here. It's not easy, but it is important. It's an understatement to say this year will be incredibly challenging. It will test us and the values we hold like no other year. But this year will also be long remembered. We

SECOND DAY, JANUARY 12, 2010

2010 REGULAR SESSION

have been called on to steer our state through one of the most difficult chapters in its history. Tragically, Washington has lost 21 of our heroes to terrible violence at home and abroad.

In 2009, we witnessed unspeakable tragedy. Seven law enforcement officers were killed in the line of duty from Lewis County and Pierce County, Seattle and Lakewood; and overseas, 13 of our military service members from Washington were killed in Iraq and Afghanistan. And just last week, a Grant County deputy died while on patrol when his car rolled over. It is often said that law enforcement officers and servicemen and -women make the ultimate sacrifice to protect us and our nation. Sadly, in the past year, the real human tragedy behind these words was driven home to us with numbing regularity. They are sons and daughters, brothers and sisters, husbands and wives, moms and dads, colleagues and friends, and while they are lost to us forever, they will never be forgotten. These are my heroes. They gave their lives to protect us and they come no better than that. Let us always remember the families who were left behind and their sacrifices. They too are my heroes, and my heart still breaks for them.

You have a list of these law enforcement officers and servicemen and -women. Please join me for a moment of silence for them and their families... These Washingtonians gave their lives so we could have safer communities and a secure nation. For them and their families, we have a duty this session to help build a better future for Washington.

The worst national economic collapse in 80 years has been hard on too many families across the state. In all corners of our state, families are struggling to survive the great recession. These people are good people. People who have always worked and now for the first time are filing for unemployment, parents who have sacrificed to make better lives for their kids and are now struggling just to put food on the table. For all these struggling families, we have a duty this session to rebuild the economic future of Washington. People who believe in the American dream of homeownership and now feel the fear of foreclosure. People who are used to giving a helping hand to others, and are now forced to ask for help themselves. People like the man I met at a food bank in Seattle where I was handing out food to families. He looked me in the eye and said, "I've been coming here for years, but until today, I was always on your side of the table. I never thought I would be in the receiving line." Sadly, he is not alone. In 2009, about 475,000 people in our state signed up for unemployment benefits. These aren't regulars. Most are first-time recipients.

The loss of jobs has created a ripple effect through social service agencies and the economy. Today, one in 13 of our people receives basic food assistance. More than 40 percent of them are children. During the fall of 2009, more than 26,000 homeowners watched their dream of homeownership fade as they experienced the heartbreaking process of foreclosure. More than 86,000 people are on the Basic Health Plan waiting list, and remain just one serious illness away from financial ruin. For all these struggling families, we have a duty this session to rebuild the economic future of Washington.

For all of us who are called to public service, I would suggest that now is the time for leadership, it is the most important time to serve. For as difficult and challenging as the decisions that lie ahead of us will be, now is the time to be decisive, and now is the time for compassion. It's the time to make a real difference for people. It's the time to truly shape the future of Washington. In the best of times, people forget legislative sessions. In the worst of times, history shows decisiveness is what is remembered. We must have the courage to make hard choices and to plan for tomorrow while making decisions for today. They expect us to

manage the economic crisis and focus on rebuilding our economic future. There is no question the challenges facing Washington families and businesses are great. But I also know the resiliency, the creativity and the work ethic of the people of Washington.

We will get through this historic recession, and I know as sure as I know my beloved state that Washingtonians are moving toward a better, brighter future. I know Washingtonians don't expect us to solve all their problems. I have said it before and I will say it again: The best solutions to our problems come from within our families, our communities, our service organizations and our faith-based communities. So how do we help build a bright economic future for our state? One of the things that I love about my job is that I get to talk to Washingtonians across the state. I visit schools and diners, factories and coffee shops. Here, ladies and gentlemen, is what I hear people say. They tell me they are scared but they know things will get better. That we are on the cusp of a new economy and that jobs will come from the growth industries of tomorrow in fields like clean energy, health care and technology. They definitely don't want business-as-usual from government. They want real government reform, real innovation, real service improvement and more value for their tax dollar. They expect us to manage the economic crisis and focus on rebuilding our economic future. They worry about their kids' future and they want a first-class education system that will prepare children to pursue the career of their dreams. They want the security of having health care for themselves and their families and they want to have safe communities for all of us. In short, they want us to make tough choices, both to help get families back to work today and to make wise investments that will ensure our competitiveness so they will still be working tomorrow. Jobs are the way out of this recession.

Some of our actions have been paying dividends. Our tough decisions on gas taxes, affirmed by the voters, produced the largest transportation construction program in history and supports more than 21,000 jobs annually. The goal is to attract \$2 billion in capital investments to fuel job growth. Our creation of the Life Sciences Discovery Fund in 2005 helped spark our global health initiatives and the biotechnology and medical devices industries. To our benefit we have embraced a clean energy future. We now have 400 clean technology companies in Washington State and we're still growing. These and other actions resulted in Forbes Magazine ranking Washington higher and higher until we are now the second-best state for business. We can and must do more to generate jobs.

We need to get Washington back to work. We owe it to our families to provide job opportunities. I have a plan to create as many as 40,000 new jobs this year. Here's how we can make it happen. Washington has always been a state that attracts capital, both financial and intellectual. We need to keep that tradition going, and one way to do that is to stimulate capital investment in biotechnology, software development, health care, clean technology, renewable energy, aerospace and other industries that will drive our future. The goal is to attract \$2 billion in capital investments to fuel job growth.

We all know small businesses, the backbone of our economy, are suffering the damage of this recession as much as everyone else. Many owners want to hire employees, but they need help. That's why I am proposing a new employee tax credit for each small business that hires for a new full-time position. I will direct agencies to enact a green building program that will retrofit state buildings so we put people to work immediately, reduce our carbon footprint and save \$60 million in energy costs. I will create the Clean Energy Business Development Program to

SECOND DAY, JANUARY 12, 2010

position Washington to be a leader in the clean energy economy and keep us competitive globally. With the world moving toward a smart electrical grid, we will actively work to attract those businesses to invest in and create jobs in our state. We must make Washington attractive to business by removing barriers to investments. That's why I will propose further streamlining and simplifying permitting. Government must be smarter and more efficient as well.

Many hard-earned, time-limited development permits have sat unused while developers wait for financing in this credit-tight economy. I will direct my agencies to extend these permits for two years so hundreds of millions of dollars worth of projects can break ground as soon as possible. Our new "One Front Door" program will improve customer service and permitting. I will expand our multi-agency permitting teams to help businesses break through the red tape and to quickly move from planning to job-producing construction. Job opportunities must exist all across our state. In some areas, the unemployment rate has soared to more than 14 percent. I will encourage development in these hard-hit areas by amending the Rural County Tax Credit Program so it is easier for employers to qualify and hire more workers.

Washington families and businesses are cutting back and trying to do things smarter as they make do with less. Government must be smarter and more efficient as well. Washingtonians are our customers and they want one-stop shopping. They don't want to drive across town to brick-and-mortar government offices. They want computer kiosks that offer more convenient service at lower cost. They don't want to wonder where their tax dollars go. They want agencies to be accountable and to show value given for every dollar received. I had a guy tell me recently that he was dreading his upcoming trip to a driver's license office to renew his license. Then a letter came in the mail telling him he could renew online. What could have been a two-hour-long trip turned into a two-minute exercise. That's the kind of service government should and can provide.

We are streamlining state government. Government Management Accountability and Performance, my program to hold state agencies accountable for providing high-quality service and value for every tax dollar, has been cited for its innovation by the Kennedy School of Government at Harvard and by the Council for State Governments. By executive order I have eliminated 73 boards and commissions. Like businesses today, we are cutting costs, reducing staffing and increasing efficiency by consolidating back-office support services like the motor pool, property management and technology. Now is the time to create a lean and effective government. We are using technology to better serve the public at less cost. The Department of Licensing, in its most recent improvement, is closing or modifying 26 offices and deploying self-service terminals around the state that will make service easier and more accessible to the public and result in more than \$3.5 million in savings per biennium. Since we met a year ago, three scientists from different agencies can no longer be found standing in the same river doing research. Now state agencies can rely on one scientist to gather data and share results. These and other steps resulted in the Pew Center rating Washington one of the three best-managed states in the nation. But we must do better.

I want government reform this year. It is time to peel away the outdated and costly layers of government that we once needed but no longer do. This session, I am asking you to approve legislation that would eliminate 78 more boards and commissions. But don't stop there. I am proposing mergers or realignments that will reduce or eliminate one-third of the 64 small state agencies. Now is the time to create a lean and

2010 REGULAR SESSION

effective government. Today we have three growth management hearings boards and five environmental appeals boards, each doing business its own way. Let's reduce to one growth management board and two environmental hearings boards, with just one appeal timeline and set of procedures for environmental and land use appeals.

Now is the time to be more practical in the way we do business. Over the years, the Department of Commerce has become a hodgepodge of programs. This session I am asking you to move 25 programs out of the Department of Commerce so it can focus on its critical core mission, and programs can be better aligned to meet the needs of their customers. Now is the time to have the courage to close institutions that may be an important fixture in a community, but are no longer cost effective, or whose services are no longer needed or can more effectively be provided elsewhere. I am asking you to close all or part of 10 state institutions. But we have more work to do, and this session will test our mettle.

First, I propose to close, or partially close, five correctional facilities. By more efficiently using the beds we have, we can save \$65 million over four years, and not release a single offender prior to his or her earned release date. Further, I am requesting that we close two of our residential centers and provide the residents better care in our communities. In the 1970s, we had six state institutions serving 4,000 people. Today, with only one fewer, we serve 900. Finally, I'm asking us to reduce the size of three juvenile institutions. The last time the state closed an institution was in the 1970s. Now is the time, this session, for us to demonstrate, as difficult as it is, that Washington state government makes good business decisions, not political ones.

The road to recovery and a bright economic future also starts with us effectively managing our budget crisis. We already have good management tools in place. Our creation of a Rainy Day Fund worked exactly as it was intended and helped prepare us for this current, dreadfully rainy day. That step and others helped improve our bond rating. As a result, we are getting the best bond rates in 30 years, and that translates into getting more for every dollar we spend, and more construction projects and jobs. But we have more work to do, and this session will test our mettle.

The state, this biennium, has a budget shortfall of \$12 billion and a \$30 billion budget. In December, I presented a balanced state budget as required by state law. It is said that budgets are state policy. But they are much more than that. The budget reflects who we are as a state and the values we hold. The December budget was balanced, but it would force us to abandon the values that define this state: fairness and compassion. It would be unjust, unwise and unfair to abandon our friends and neighbors when they need us the most. The balanced budget eliminates hospice care, which allows more than 2,500 dying patients to remain in their homes, and it cuts maternity care for 50,000 at-risk moms. That's not compassionate. These are our families, friends and neighbors. We must not deny our most vulnerable citizens the dignity of living out their final days at home and we must give our newborns a healthy start at life.

Education is the single best investment for our future and the key to the success of our kids. The balanced budget takes away health care for 70,000 individuals and 16,000 children. That's not fair. We must not deny health care to families and kids and then pass the costs on to the insured. The balanced budget eliminates early learning for 1,500 kids and would eliminate state funds for all-day kindergarten. That's not wise. Education is the single best investment for our future and the key to the success of our kids. The balanced budget closes the door to college on 12,300 low-income students. That's neither just nor smart. A child born into poverty must not be told college is out of reach.

SECOND DAY, JANUARY 12, 2010

2010 REGULAR SESSION

Let me tell you a story about a young woman named Janel Brown. Janel grew up in poverty and is a survivor of domestic violence. She has seen how poverty hurts kids: teen pregnancy, drug addiction, gang killings and joblessness. Thanks to a program called Husky Promise, which provides tuition and fees to low-income students, Janel today is a 21-year-old junior at the University of Washington and the first person in her family to go to college. Janel has already made plans to give back by working with public schools to prepare kids who come from adverse backgrounds for college admittance. Without tuition assistance, Janel is emphatic: She never would have gone to college. But she hasn't left the inner city behind. She regularly returns to the community and talks to kids. She says the kids need to see someone they can relate to, like her, so they know it's possible to break through tough circumstances. Janel tells the kids this: If they do their part, somebody will meet them halfway. Ladies and gentlemen, we need to be that somebody who meets them halfway, to be there for them. I'm pleased that Janel is here today. Janel, will you please stand?

Speaking of being there for those who need it: Those three young women who sang earlier are here due to our investment in the Washington Youth Academy. We cannot just cut or just tax our way out of this immediate budget shortfall. The academy is proving second chances work, and it is turning around the lives of at-risk kids who have nowhere else to turn. There is no question we need to make dramatic cuts to the state budget. I've identified about \$1.7 billion in real cuts. But cuts at that level will end up costing us far more than we save. As we learn from people like Janel, investing in human potential today will produce a brighter future for Washington tomorrow.

We can make cuts that will write off a generation of kids, produce rising crime rates, increase public assistance costs and leave us with a legacy of squandered human potential, or we can invest in tuition aid today and produce a new crop of first-in-family college grads. We can make the cuts and wait for higher dropout rates and all the soaring social costs that will follow, or we can invest today in early learning, which is a proven tool for increasing the success of kids. We can cut costs and transfer higher medical costs to our doctors, hospitals and insured families, or we can invest in health care today and help contain costs and prevent families from facing financial ruin.

Later today I will present a budget I can support. It counts on new revenue of about \$750 million and cuts of almost \$1 billion. The revenue will come from new federal dollars, new taxes or both. Like you, I do not want taxes to harm the economic recovery of our families or our businesses, but I also cannot abandon my values, eliminate the safety net for our most needy and cripple our economic future. Let me be clear. We cannot just cut or just tax our way out of this immediate budget shortfall. We must have a responsible, balanced approach of painful cuts and new revenue. It is clear our recovery will not be complete by the end of this biennium. Our 2011-13 budget is of looming concern for us all, so let's work together and do what is right for Washington State. As we all know, building a bright economic future also starts with providing our children a first-class education. So we are making progress. But we can and must do more.

We have made progress in recent years. Our historic efforts to improve early learning are guaranteeing more kids success in school. Our K-12 student test scores continue to rank high nationally. Our innovative schools in cities around the state have been highly successful in raising vital math and science skills. Our community and technical college system is rated as one of the best in the nation. In classrooms, our hard-working, committed teachers are focused on improving student and teacher

performance. In 2009, almost 1,250 teachers received the prestigious National Board Certification, and we rank fifth in the nation in board-certified educators, in part because of the investments we put in place. So we are making progress. But we can and must do more.

We must preserve and enhance the early learning initiative we started four years ago when we created the Department of Early Learning. Despite our tough times, now is the time to build the economic future for our children and our state. I ask you to adopt legislation creating "All Start," a voluntary Washington preschool program to provide early learning opportunities to all 3- and 4-year-olds. To ensure a good start for all our children, I ask you to continue our implementation of all-day kindergarten for all kids and to assure all our children get the education they deserve wherever they live in our state, I'm asking you to lift the levy lid and fund levy equalization.

Highly effective teachers in the classroom and principals who are leaders and are key to student success. I urge you this session to approve an overhaul of the way we evaluate teachers. The new evaluation system must focus on what really counts: high-quality instruction, student achievement and growth. And for the first time, I ask you to provide a system to evaluate the performance of principals based on student achievement as well. If we have schools where dropout rates are high, student performance and achievement are low, and where no progress is being made, we need to be able to step in and turn them around. Our higher education system is a major economic engine for our recovery. We need to keep the doors to higher education open to students of all income levels by restoring funding for the State Need Grant Program. We owe it to all those, like Janel, who couldn't attend college without our help. I'm asking you to provide funding to our community and technical colleges to retrain 2,500 of our workers for the jobs of tomorrow, and I'm requesting you provide our four-year institutions with competitive tuition flexibility so we can continue to be ranked among the best in the nation in producing the most innovative workers and employers. As our nation prepares to adopt historic health care reform, let's ready ourselves to implement it the Washington Way.

Our congressional delegation is working hard to achieve fundamental fairness for our state through changes to children's health coverage and reimbursement rates for doctors and hospitals. Already, our Basic Health Plan is being touted as a model for the country. We can show the rest of the nation how to provide higher-quality, lower-cost health care to thousands more Washingtonians.

Finally, rebuilding our future means we need to make sure our families are safe. We have been making progress. Our communities are safer today because we gave members of law enforcement the help they asked for in dealing with sex offenders. They have done an admirable job. Last year, more than 28,000 address verification visits were made, resulting in more than 800 arrests for failure to register and 1,700 arrests made on other warrants. Our highways are safer. Since 2002, the number of highway deaths dropped from 659 to 481. Last year, Mothers Against Drunk Driving selected the Washington State Patrol as the outstanding law enforcement agency in the nation for its DUI enforcement. But we must do a better job protecting our law enforcement members and our families. This session, we need to strengthen our mental health laws to prevent the release of violent offenders to our streets. Our families aren't safe when a murderer is released from a mental health hospital after just two years of treatment; when a man convicted of the brutal murder of an elderly woman disappears while on a field trip to a county fair; or when a violent criminal history isn't considered when

SECOND DAY, JANUARY 12, 2010

2010 REGULAR SESSION

decisions are made to involuntarily commit individuals. Let's get to work for our fallen officers, their families and our entire law enforcement community. The rights of dangerous mentally ill offenders cannot trump the safety of our families. It is time to ensure both. I will send you a package of bills this session to hold offenders accountable, increase the sentencing tools of prosecutors, and give more weight to law enforcement and criminal histories when making commitment decisions.

Recently, we have all been shocked by the tragic loss of our law enforcement officers. Leaders of the criminal justice system have come together, and with them, I propose improvements to communications throughout the justice system, how bail is administered in our state and how the Interstate Compact system can better provide public safety to Washingtonians. We must ensure that the legacies of these fallen heroes survive by giving their families the support that they deserve. Surviving spouses must be entitled to retirement benefits regardless of the fallen officer's length of service. For their children, it is our duty to make available a college education. These proposals have been carefully crafted with the help and the expertise of the law enforcement community. They are measured, thoughtful and ensure that from tragedies we learn, we take action and we do the right thing. Let's get to work for our fallen officers, their families and our entire law enforcement community.

Someone once asked Martin Luther King Jr. when he thought the best time was to take serious action. Dr. King had an answer for him. "The time is always right to do what is right." To each of you sitting here in front of me this day, I ask you: Let us work together to do what is right for our people, all of our people. We're all good people. We all have values. Our work is complicated and sometimes values collide. What we do about that is called governing. Let's leave the partisan politics to elections. Washingtonians hate how divided things have become. They just want us to solve the problems. Let's provide the decisive, compassionate leadership Washingtonians want and deserve.

So I'll tell you right now: If you have better ideas to create jobs, reform government, balance the budget, improve our schools, provide high-quality, affordable health care or ensure public safety, I am ready and willing to listen. These are serious days ahead. Too many families today are getting layoff notices, watching unpaid bills pile up, losing health care, telling their kids they can't attend college, standing in line at the food bank, or dipping into a dwindling savings account just to get by. Let's not waste their time or the crisis. This session is our time, our time to encourage them to keep the faith in the great promise that Washington offers, our time to help provide them a bright economic future. It is not going to be easy. The decisions we have to make will not always be popular, but we have a duty to our struggling families and businesses to help build a bright future for Washington. The time is now. It is our time. Let's provide the decisive, compassionate leadership Washingtonians want and deserve. Thank you, God bless you and God bless the great State of Washington."

works for Seattle Sounders FC, we would just like to thank you for bestowing this honor on us. We're very proud of what we've accomplished in the city and in the State of Washington and in conversations here today I think the thing I'm most proud of is, you know, there were a lot of awards and a lot of attendance records and personal accomplishments but I think for us the biggest, the most important part as a local Washingtonian, born and raised, Kasey Keller as well, it's our impact in the community and in the state. With all of the young people, with being able to do those appearances go out and really make an impact on lives, whether their kids, young teens, even adults so that's what's really important to us as owners, managers and certainly winning soccer games is important but the bigger picture is what's most important to us. So, again, thank you for the honor, we're privileged to be here, very happy to be here and have a good day legislating."

## REMARKS BY KASEY KELLER

Kasey Keller: "Thank you. I just like to reiterate what Adrian said and for myself having grown up not only in this state but actually I think a rocks throw away from this building that to be able to spend the majority of my career in Europe and to be able to truly be able to come home and to be a part of something so special not only for myself to be able to finish my career in Seattle, in Washington State, but to see what that impact on the whole community is a huge honor for myself to be a part of that. Just thank you for I guess being able to recognize that, that a lot of hard work is been put forth, people like Adrian, people like Joe Roth, the gentleman you see up there to give myself the opportunity to come home and to be a part of something so special. So, thank you."

## PERSONAL PRIVILEGE

Senator Fraser: "Thank you Mr. President. I've been feeling a very fine sense of pride during this week because a special recognition that's been given to one of our members. On Monday, last Monday morning Valley Medical Center in Renton held a ribbon cutting for a major new facility, a new seven story one-hundred fifteen million dollar emergency services tower. They have named this new facility in honor of our very own Senator Margarita Prentice. I've been feeling very wonderful about that this week. I think it is most deserved and honored recognition. She actually worked at this hospital beginning in 1969 as a nurse, before that she worked at a predecessor hospital and we all know what a leader she's been in health care here in the state legislature in the Senate and in her prior work in the other body working to improve health care, improve opportunities for health care professionals, improve services for the people of our state, on and on and I think we can all take pride in it because since she's been such a leader here, I think we all share in it to a certain degree too. So, I would like to offer my thanks and congratulations to Senator Prentice."

## PERSONAL PRIVILEGE

Senator Prentice: "Thank you very much, thank you Senator Fraser and thanks also to my colleagues. I can't tell you how much I appreciated that event but you know you have to stay humble. What I do remember is when we moved from the old hospital which was a ninety-six bed hospital built during World War II and the plumbing was made out of pot metal and when we turned on the water the air you know would bang, bang, bang so we really did desperately need a new hospital. I remember also, and those of you who go by it as you're going up highway 167 see

how it's built up around there and you know IKEA and other big area as well. The maintenance guy told me when he'd been there before we moved in he used to shoot skunks from the roof so there was nothing there and that's the kind of thing that builds up but I am very proud of that hospital and still have close ties. It's true, I worked many nights and I worked in every department, delivered babies and you know took care of your injuries so I was very, very grateful to be part of it. Thank you all so for this recognition."

#### PERSONAL PRIVILEGE

Senator Schoesler: "Thank you Mr. President. On Martin Luther King Day I thought it was only appropriate that a few, very brief remarks come out. It's almost traditional on this day to choose some of Dr. King's words and talk about them for a few minutes and for your peers to do that here on the floor of the Senate. I'll briefly uphold that tradition. Last week, the Governor quoted Martin Luther King Jr. during the State of the State speech. 'The time is always right to do what's right.' Reflecting on this session I'd add a couple of other quotes from Dr. King. 'The ultimate measure of a man is not where he spends in moments of comfort and convenience but where he stands at the times of challenge and controversy,' which would reflect on our current session. And finally reflecting on the forty-nine of us here in the Senate, Dr. King said, 'We may have all come on different ships but we're in the same boat now.' So, again, thank you and ask you to celebrate Dr. King's day with me today."

#### PERSONAL PRIVILEGE

Senator McDermott: "With your permission I'll yield to Daniel Thomas."

Daniel Thomas: "Happy Children's Day."

EDITOR'S NOTE: Young Daniel is Senator McDermott's nephew and was present at the Senator's desk for Children's Day.

## REMARKS BY MS. MELISSA COOK

Melissa Cook: "Honorable Lieutenant Governor, members of the Senate and guests. From left to right on the political spectrum a wide range of values and goals can be seen driving a politician's work. However, I believe that all politicians can be united in promoting economic vitality and a better future for our communities and environment. That is exactly what the dairy industry does. With four hundred and fifty-four dairy farms in the state of Washington, dairy products are the second largest agriculture commodity in the state, creating an estimated economic impact of 4.25 billion dollars each year. These farms not only produce six hundred and sixty-two million gallons of wholesome milk each year but also create thousands of jobs and support countless other local businesses including veterinarians, truck drivers, feed manufacturers and processing plants. While helping the economy to flourish, the farmers are also doing the same for their environment. Most dairy farms are passed down from generation to generation ensuring that their land will remain undeveloped and a safe haven for wildlife for many years to come. Dairy farmers are constantly trying to keep water ways protected, soil fertile and air clean because the success of their business depends upon it. Further benefitting Washington's environmental health, some dairy farmers are creating renewable energy through the construction and use of methane digesters. These digesters use manure, a plentiful resource on the farm, to create electricity which powers the farms and surrounding homes. Dairy farmers are not only concerned with preserving their natural resources and farms for future generations but their communities as well. They do this in part through sponsorship of programs like the Washington Interscholastic Activities Association and the Field to Play Sixty program with the Seattle Seahawks. These programs allow young people to build meaningful relationships and develop healthy life styles and of course dairy farmers produce a product with a nutrient package that can benefit the health of all people. So whichever way your political compass points I'm confident that they all point towards greener pastures, that is farm land which not only supports the local economy but the future of our communities and environment as well. On behalf of the Dairy Farmers of

**"NEW SECTION. The legislature declares that a significant revenue shortfall has occurred pursuant to RCW 41.80.010(6) and the parties to the state's collective bargaining agreements are directed to immediately enter into collective bargaining to modify the agreements and achieve the costs reductions required by this section. It is the intent of the legislature that the collective bargaining negotiations under this section be conducted on an expedited basis so that savings can implemented in a manner that reduces the impact on the delivery of essential governmental services while minimizing adverse effects on lower-wage public employees.

(2) The office of financial management shall certify to each state agency and institution of higher education that portion of the compensation reduction amount specified in subsection (1) of this section to be achieved by that agency or institution, based on the agency's proportionate share of compensation costs. By May 15, 2010, each agency and institution shall submit to the office of financial management a compensation reduction plan to achieve the cost reductions specified in this subsection. The compensation reduction plan of each agency may include, but is not limited to, employee leave without pay, including mandatory and voluntary temporary layoffs, reductions in the agency workforce, compensation reductions, and reduced work hours, as well as voluntary retirement, separation, and other incentive programs authorized by section 912, chapter 564, Laws of 2009. The amount of compensation cost reductions to be achieved by each agency or institution shall be adjusted to reflect voluntary and mandatory temporary layoffs implemented by the agency or institution during the 2009-11 fiscal biennium and prior to the effective date of this

TWELFTH DAY, JANUARY 22, 2010

2010 REGULAR SESSION

act. It is the legislature's intent that, in developing the compensation reduction plans, agencies shall strive to preserve family wage jobs by reducing the impact of temporary layoffs on lower-wage jobs.

(3) By June 1, 2010, the director of financial management shall review, approve, and submit to the legislative fiscal committees those agency compensation reduction plans that achieve the cost reduction required by subsection (2) of this section. It is the intent of the legislature that agencies may implement their compensation reduction plans prior to June 1, 2010, if that implementation will produce greater cost reductions or moderate the impacts on employees and agency programs. For those agencies and institutions of higher education that do not have an approved compensation reduction plan by June 1, 2010, the agency or institution shall be closed on the following dates in addition to the legal holidays specified in RCW 1.16.050:

For any agency of the judicial branch that is closed on the dates specified in subsection (3) of this section, the dates are deemed to be nonjudicial days for the purposes of Article IV of the state Constitution.

(5) The following activities of state agencies and institutions of higher education are exempt from subsections (2) and (3) of this section:

- (a) Direct custody, supervision, and patient care in: (i) Corrections, (ii) juvenile rehabilitation, (iii) institutional care of veterans, the mentally ill, and developmentally disabled, (iv) state hospitals, the University of Washington medical center, and Harborview medical center, (v) the special commitment center, (vi) the school for the blind, (vii) the state center for childhood deafness and hearing loss, and (viii) the Washington youth academy;

(t) The minimal use of state employees on the specified closure dates as necessary to protect public assets, information technology systems, and maintain public safety.

(6) The closure of an office of a state agency or institution of higher education under this section shall result in the temporary layoff of the employees of the agency or institution. The compensation of the employees shall be reduced proportionately to the duration of the temporary layoff. Temporary layoffs under this section shall not affect the employees' vacation leave accrual, seniority, or sick leave credits. For the purposes of chapter 430, Laws of 2009, the compensation reductions under this section are deemed to be an integral part of an employer's expenditure reduction efforts and shall not result in the loss of retirement benefits in any state defined benefit retirement plan for an employee whose period of average final compensation includes a portion of the period from the effective date of this act through June 30, 2011.

(7) Except as provided in subsection (5) of this section, for employees not scheduled to work on a day specified in subsection (3) of this section, the employing agency must designate an alternative day during that month on which the employee is scheduled to work that the employee will be temporarily laid off.

#### REMARKS BY DETECTIVE ED TROYER

Ed Troyer: "On behalf of Law Enforcement throughout the state it's my honor to be here today to represent the officers who recently lost their lives in the line of duty and to represent their families. What brought us here today started on Halloween night, October 31<sup>st</sup>, when Seattle Police Officer Timothy Brenton was executed and Officer Brett Sweeney was shot by gun fire from another vehicle. A month later on November 29<sup>th</sup>, Lakewood Police Officer Greg Richards, Officer Tina Griswold, Officer Ronald Owens and Sergeant Mark Renninger were executed in a coffee shop while writing reports and preparing for patrol that day. A month after that, on December 28<sup>th</sup> Pierce County Deputy Kent Mundell died from gunshot wounds he received days earlier in domestic situation and Sergeant Nick Hausner was shot at the same time is recovering from a serious almost fatal wound. That's eight police officers and deputies shot in a two month period with six of them being killed. The deaths of these officers have left four widows, a widower, along with thirteen children who've lost a parent. A loss that's felt deeply by the community. We see how bad it hurts them and we in Law Enforcement have heavy hearts and miss them daily. We in Law Enforcement also know that's there's no way to guarantee our safety. By the very nature of policing itself places us at risk. We know and accept that. In fact we've taken oath to do so but there are ways to reduce risks. While politicians do the work that voters have elected them to do

2010 REGULAR SESSION

we need to avoid the illusion that laws enforce themselves. Often legislation is well motivated but there are no resources to carry out the mandates. Let's not be the cop killing capital of the USA here in the state of Washington, it's unacceptable. It hurts the hearts of our citizens and it will hurt our economy, businesses will think twice about expanding or relocating a business to an area with horrendous crime. In Pierce County we were once known as the meth capital of United States with over three hundred fifty meth labs in a one year period. New laws were put into place, and this is very important, the resources to back the laws up were also put into place. One and a half years we were able to cut meth by ninety percent in Pierce County down to one of the lowest in the nation. This proves that with resources we in law enforcement will take care of business and get the job done. Currently we're not supervising felons, contemplating closing jails, contemplating closing prisons and law enforcement agencies are losing positions. My department alone has lost fifteen positions have been cut here in the latest round of budget issues. We're already one of the lowest staffed agencies in the state. This is a bad mix and maybe creating what can only be called the perfect storm. Having any legislation without funding for resources pushing the mandates down to local agencies who are already under staffed throughout the state - the rest of the law enforcements agencies in here are all facing the same problem will only provide shoddy for any enforcement behind the laws. So, we in law enforcement are calling on you to make long-lasting, positive change for our citizens, our law enforcement agencies and to protect our future generations. Thank you."

#### REMARKS BY THE PRESIDENT PRO TEMPORE

President Pro Tempore: "The President Pro Tempore announced a reception for the honored families of the law enforcement officers and guests in the State Reception Room following the ceremony in the House of Representatives."

The Sergeant at Arms escorted the honored guests from the rostrum to the House of Representatives.

BRAD OWEN, President of the Senate

THOMAS HOEMANN, Secretary of the Senate

TWENTY SIXTH DAY

---

MORNING SESSION

---

Senate Chamber, Olympia, Friday, February 5, 2010

The Senate was called to order at 10:00 a.m. by President Owen. The Secretary called the roll and announced to the President that all Senators were present with the exception of Senators Brown and Holmquist.

The Sergeant at Arms Color Guard consisting of Pages Harrison Scott and Kathryn Carlson, presented the Colors. Pastor Dan Sailer of Stanwood United Methodist Church offered the prayer.

POINT OF ORDER

Senator Honeyford: "Just a few minutes ago in the Environment, Energy & Water Committee we had a bill that came up about, it was a motion to approve the bill about one minute to ten and with discussion and things afterwards we went beyond the ten am deadline. As I understand the Senate Rules prohibit the body, or the committee from considering legislation or business after ten am. This was on Senate Bill No. 6489, the vote was concluded about three or four minutes after ten. I believe that it's improper and ask for an opinion thereon."

REMARKS BY SENATOR MARR

Senator Marr: "In the absence of the Chair or Vice Chair, I'd like to point out that as a member of the committee the Chair ruled that the motion was properly before the committee prior to ten o'clock and did rule that it was in order and could be considered expeditiously which it was prior to adjournment."

POINT OF ORDER

Senator Honeyford: "Thank you Mr. President. I would like to correct the statement of the previous speaker. The ruling by the Chair occurred after ten am because we raised the question that it was past ten am. Thank you."

RULING BY THE PRESIDENT

President Owen: "First off, your point of order is not necessarily in order at this time because the bill is not before us and that would be the appropriate time for us to consider that. However, saying so, the President would remind the members that often times when you are going to go over, you have come to leadership and ask us to suspend that rule so that you can continue your business beyond the ten o'clock period or a few minutes beyond that. So, the President would suggest that as an advisement to the Chair before that bill comes before the Senate and he has to rule on it."

MOTION

On motion of Senator Eide, the reading of the Journal of the previous day was dispensed with and it was approved.

MOTION

There being no objection, the Senate advanced to the first order of business.

PERSONAL PRIVILEGE

TWENTY SIXTH DAY, FEBRUARY 5, 2010

2010 REGULAR SESSION

Senator Keiser: "Thank you Mr. President. If you look around the chamber today you'll see a lot of ladies wearing red hats. This is Go Red For Women day, sponsored by the American Heart Association and I just wanted to make a note that we're wearing red today to draw attention to the fact that cardiovascular disease is the number one killer of women in our country. That in fact while we had over, nearly four hundred fifty thousand women die from various kinds of cardiovascular disease in a year. That compares to less than fifty thousand women who die from breast cancer. Of course those numbers are appalling and it is our job who are working on health care issues to try and bring all those numbers below where there at now. I think there's a lack of consciousness currently about the tremendous toll heart disease takes on women in their diagnosis, with their doctors so, I'd just ask all women to pay attention to those symptom's that can come on and be aware that heart disease including stroke is the number one killer of all women in our country. Thank you."

SENATE BILL NO. 5516, by Senators Franklin, Kline, Kohl-Welles, Regala, Fraser, Kauffman and Shin

Addressing drug overdose prevention.

The measure was read the second time.

#### MOTION

Senator Franklin moved that the following striking amendment by Senator Franklin be adopted:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature intends to save lives by increasing timely medical attention to drug overdose victims through the establishment of limited immunity from prosecution for people who seek medical assistance in a drug overdose situation. Drug overdose is the leading cause of unintentional injury death in Washington state, ahead of motor vehicle related deaths. Washington state is one of sixteen states in which drug overdoses cause more deaths than traffic accidents. Drug overdose mortality rates have increased significantly since the 1990s, according to the centers for disease control and prevention, and illegal and prescription drug overdoses killed more than thirty-eight thousand people nationwide in 2006, the last year for which firm data is available. The Washington state department of health reports that in 1999, unintentional drug poisoning was responsible for four hundred three deaths in this state; in 2007, the number had increased to seven hundred sixty-one, compared with six hundred ten motor vehicle related deaths that same year. Many drug overdose fatalities occur because peers delay or forego calling 911 for fear of arrest or police involvement, which researchers continually identify as the most significant barrier to the ideal first response of calling emergency services.

**NEW SECTION. Sec. 2.** A new section is added to chapter 69.50 RCW to read as follows:

(1)(a) A person acting in good faith who seeks medical assistance for someone experiencing a drug-related overdose shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the person seeking medical assistance.

(b) A person acting in good faith may receive a naloxone prescription, possess naloxone, and administer naloxone to an individual suffering from an apparent opiate-related overdose.

(2) A person who experiences a drug-related overdose and is in need of medical assistance shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the overdose and the need for medical assistance.

(3) The protection in this section from prosecution for possession crimes under RCW 69.50.4013 shall not be grounds for suppression of evidence in other criminal charges.

**NEW SECTION. Sec. 3.** A new section is added to chapter 18.130 RCW to read as follows:

The administering, dispensing, prescribing, purchasing, acquisition, possession, or use of naloxone shall not constitute

TWENTY SIXTH DAY, FEBRUARY 5, 2010

2010 REGULAR SESSION

unprofessional conduct under chapter 18.130 RCW, or be in violation of any provisions under this chapter, by any practitioner or person, if the unprofessional conduct or violation results from a good faith effort to assist:

(1) A person experiencing, or likely to experience, an opiate-related overdose; or

(2) A family member, friend, or other person in a position to assist a person experiencing, or likely to experience, an opiate-related overdose.

**Sec. 4.** RCW 9.94A.535 and 2008 c 276 s 303 and 2008 c 233 s 9 are each reenacted and amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

(1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury -Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(c) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.

(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or

(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of the victim manifested by multiple incidents over a prolonged period of time;

(ii) The offense occurred within sight or sound of the victim's or the offender's minor children under the age of eighteen years; or

(iii) The offender's conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(i) The offense resulted in the pregnancy of a child victim of rape.

(j) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

(k) The offense was committed with the intent to obstruct or impair human or animal health care or agricultural or forestry research or commercial production.

(l) The current offense is trafficking in the first degree or trafficking in the second degree and any victim was a minor at the time of the offense.

(m) The offense involved a high degree of sophistication or planning.

(n) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(o) The defendant committed a current sex offense, has a history of sex offenses, and is not amenable to treatment.

(p) The offense involved an invasion of the victim's privacy.

(q) The defendant demonstrated or displayed an egregious lack of remorse.

(r) The offense involved a destructive and foreseeable impact on persons other than the victim.

(s) The defendant committed the offense to obtain or maintain his or her membership or to advance his or her position in the hierarchy of an organization, association, or identifiable group.

(t) The defendant committed the current offense shortly after being released from incarceration.

(v) The offense was committed against a law enforcement officer who was performing his or her official duties at the time of the offense, the offender knew that the victim was a law enforcement officer, and the victim's status as a law enforcement officer is not an element of the offense.

(w) The defendant committed the offense against a victim who was acting as a good Samaritan.

(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.

(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).

(z)(i)(A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

(4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

(5) Suspension, revocation, or restriction of the individual's license to practice any health care profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) Except when authorized by section 3 of this act, the possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

(7) Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;

(8) Failure to cooperate with the disciplining authority by:

(a) Not furnishing any papers, documents, records, or other items;

(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority;

(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding; or

(d) Not providing reasonable and timely access for authorized representatives of the disciplining authority seeking to perform practice reviews at facilities utilized by the license holder;

2010 REGULAR SESSION

(9) Failure to comply with an order issued by the disciplining authority or a stipulation for informal disposition entered into with the disciplining authority;

(10) Aiding or abetting an unlicensed person to practice when a license is required;

(11) Violations of rules established by any health agency;

(12) Practice beyond the scope of practice as defined by law or rule;

(13) Misrepresentation or fraud in any aspect of the conduct of the business or profession;

(14) Failure to adequately supervise auxiliary staff to the extent that the consumer's health or safety is at risk;

(15) Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;

(16) Promotion for personal gain of any unnecessary or inefficacious drug, device, treatment, procedure, or service;

(17) Conviction of any gross misdemeanor or felony relating to the practice of the person's profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(18) The procuring, or aiding or abetting in procuring, a criminal abortion;

(19) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;

(20) The willful betrayal of a practitioner-patient privilege as recognized by law;

(21) Violation of chapter 19.68 RCW;

(22) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action, or by the use of financial inducements to any patient or witness to prevent or attempt to prevent him or her from providing evidence in a disciplinary proceeding;

(23) Current misuse of:

(a) Alcohol;

(b) Controlled substances; or

(c) Legend drugs;

(24) Abuse of a client or patient or sexual contact with a client or patient;

(25) Acceptance of more than a nominal gratuity, hospitality, or subsidy offered by a representative or vendor of medical or health-related products or services intended for patients, in contemplation of a sale or for use in research publishable in professional journals, where a conflict of interest is presented, as defined by rules of the disciplining authority, in consultation with the department, based on recognized professional ethical standards."

"**Sec. 1.** RCW 84.34.108 and 2009 c 513 s 2, 2009 c 354 s 3, 2009 c 255 s 2, and 2009 c 246 s 3 are each reenacted and amended to read as follows:

(1) When land has once been classified under this chapter, a notation of the classification ~~((shall))~~ must be made each year upon the assessment and tax rolls and the land ~~((shall))~~ must be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of the classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of the classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner ~~((shall))~~ does not, by itself, result in removal of classification. The notice of continuance shall be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (4) of this section ~~((shall become))~~ are due and payable by the seller or transferor at time of sale. The auditor ~~((shall))~~ may not accept an instrument of conveyance regarding classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of the land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

The granting authority, upon request of an assessor, ~~((shall))~~ must provide reasonable assistance to the assessor in making a determination whether the land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance ~~((shall))~~ must be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:

(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(3) Within thirty days after the removal of all or a portion of the land from current use classification under subsection (1) of this section, the assessor shall notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038. The removal notice must explain the steps needed to appeal the removal decision, including when a notice of appeal must be filed, where the forms may be obtained, and how to contact the county board of equalization.

(4) Unless the removal is reversed on appeal, the assessor ~~((shall))~~ must revalue the affected land with reference to its true and fair value on January 1st of the year of removal from classification. Both the assessed valuation before and after the removal of classification shall be listed and taxes shall be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty ~~((shall be))~~ is imposed which ~~((shall be))~~ is due and payable to the treasurer thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor ~~((shall))~~ must compute the amount of additional tax, applicable interest, and penalty and the treasurer shall mail notice to the owner of the amount thereof and the date on which

TWENTY SIXTH DAY, FEBRUARY 5, 2010

2010 REGULAR SESSION

payment is due. The amount of the additional tax, applicable interest, and penalty ~~((shall))~~ must be determined as follows:

(a) The amount of additional tax ~~((shall be))~~ is equal to the difference between the property tax paid as "open space land," "farm and agricultural land," or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) ~~((The amount of applicable interest shall be equal to the interest upon the amounts of the additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;))~~ The interest rate provided in RCW 84.69.100 must be charged on the amount of additional tax imposed under (a) of this subsection. The annual rate of interest in effect at the time of removal must be applied to the total amount of additional tax due;

(c) The amount of the penalty ~~((shall be))~~ is as provided in RCW 84.34.080. The penalty ~~((shall))~~ may not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(5) Additional tax, applicable interest, and penalty, ~~((shall))~~ must become a lien on the land which ~~((shall))~~ attaches at the time the land is removed from classification under this chapter and ~~((shall have))~~ has priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which the land may become charged or liable. This lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any additional tax unpaid on its due date ~~((shall))~~ becomes thereupon ~~((become))~~ delinquent. From the date of delinquency until paid, interest ~~((shall))~~ must be charged at the same rate applied by law to delinquent ad valorem property taxes.

(6) The additional tax, applicable interest, and penalty specified in subsection (4) of this section ~~((shall))~~ may not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of the property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of the land;

(e) Transfer of land to a church when the land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections. At such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (4) of this section ~~((shall be))~~ is imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(f);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(j) The creation, sale, or transfer of a conservation easement of private forest lands within unconfined channel migration zones or containing critical habitat for threatened or endangered species under RCW 76.09.040;

(k) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under chapter 84.33 RCW, or classified under this chapter continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (6)(k); or

(l)(i) The discovery that the land was classified under this chapter in error through no fault of the owner. For purposes of this subsection (6)(l), "fault" means a knowingly false or misleading statement, or other act or omission not in good faith, that contributed to the approval of classification under this chapter or the failure of the assessor to remove the land from classification under this chapter.

(ii) For purposes of this subsection (6), the discovery that land was classified under this chapter in error through no fault of the owner is not the sole reason for removal of classification pursuant to subsection (1) of this section if an independent basis for removal exists. Examples of an independent basis for removal include the owner changing the use of the land or failing to meet any applicable income criteria required for classification under this chapter.

**Sec. 2.** RCW 84.34.070 and 1992 c 69 s 10 are each amended to read as follows:

(1) When land has once been classified under this chapter, it shall remain under such classification and shall not be applied to other use except as provided by subsection (2) of this section for at least ten years from the date of classification and shall continue under such classification until and unless withdrawn from classification after notice of request for withdrawal shall be made by the owner. ~~((During any year))~~ After ~~((eight years of))~~ the initial ten-year classification period ~~((have))~~ has elapsed, notice of request for withdrawal of all or a portion of the land may be given by the owner to the assessor or assessors of the county or counties in which such land is situated. In the event that a portion of a parcel is removed from classification, the remaining portion must meet the same requirements as did the entire parcel when such land was originally granted classification pursuant to this chapter unless the remaining parcel has different income criteria. Within seven days the assessor shall transmit one copy of such notice to the legislative body which originally approved the application. The assessor or assessors, as the case may be, shall ~~((when two assessment years have elapsed following the date of receipt of such notice.))~~ withdraw such land from such classification and the land shall be subject to the additional tax and applicable interest due under RCW 84.34.108. Agreement to tax according to use shall not be considered to be a contract and can be abrogated at any time by the legislature in which event no additional tax or penalty shall be imposed.

(2) The following reclassifications are not considered withdrawals or removals and are not subject to additional tax under RCW 84.34.108:

(a) Reclassification between lands under RCW 84.34.020 (2) and (3);

Concerning local government crime-free rental housing programs. Revised for 1st Substitute: Concerning crime-free rental housing.

The measure was read the second time.

#### MOTION

Senator Hargrove moved that the following striking amendment by Senators Hargrove and Stevens be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that local governments, landlords, and tenants working together to provide crime-free rental housing is beneficial to the public health, safety, and welfare. The legislature is also concerned about activities and provisions that serve to bar a person with a criminal background from obtaining viable housing regardless of other factors that may indicate rental stability, such as employment, rental references, or time in the community with no further criminal activity. It is therefore the intent of this act to provide certain requirements that a local government must follow in adopting a crime-free rental housing program.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Crime-free rental housing program" means a crime prevention program designed to reduce crime, drugs, and gangs on rental housing premises under the supervision of the local police department or a crime prevention officer. The program may include, but is not limited to: Property management and crime prevention training classes; crime prevention through environmental design surveys; and community awareness training.

(2) "Criminal activity" means a criminal act defined by statute or ordinance that threatens the health, safety, or welfare of the tenants, owner, guests, occupants, or property manager.

(3) "Premises" has the same meaning as in RCW 59.18.030.

(4) "Rental housing" means any tenancy subject to chapter 59.12, 59.18, or 59.20 RCW.

NEW SECTION. Sec. 3. (1) A city, town, or county may adopt and implement a local government crime-free rental housing program in accordance with this section.

(2) Except as provided in subsection (3) of this section, a crime-free rental housing program must be voluntary.

(3)(a) Individual local jurisdictions may require a landlord to participate in a crime-free rental housing program upon exceeding a reasonable threshold of instances of criminal activity on the premises if the landlord has not made a good faith effort to deter the criminal activity.

(b) A good faith effort may include, but is not limited to:

(i) Service of notice on the tenant to comply or quit as allowed by law or the commencement of an unlawful detainer action against the tenant; and

TWENTY NINTH DAY, FEBRUARY 8, 2010

2010 REGULAR SESSION

(ii) Attendance and completion of a landlord training program approved by the local jurisdiction.

(4)(a) As a prerequisite to subsection (3) of this section, upon the occurrence of criminal activity on the premises, the local police department must send a notice to the landlord setting forth the date of the occurrence, the location of the occurrence, the nature of the occurrence, and the name of the person who engaged in the occurrence.

(b) Notice must be deemed properly delivered when it is either served upon the landlord or a property manager of the rental property, or is delivered by first-class mail to the last known address of the landlord.

(5) This section does not prevent a city, town, or county from charging a fee for participation in a crime-free rental housing program.

(6) This section does not affect a city, town, or county's authority to enforce existing law in regard to rental housing, except in regard to a crime-free rental housing program.

**NEW SECTION. Sec. 4.** A crime-free rental housing program may not prohibit a landlord from hiring or renting to a person solely because of the person's criminal background.

**NEW SECTION. Sec. 5.** (1) Except as provided in subsection (2) of this section, sections 2 through 4 of this act supersede and preempt all rules, regulations, codes, statutes, or ordinances of all cities, counties, municipalities, and local agencies regarding the same subject matter. The state preemption created in this section applies to all rules, regulations, codes, statutes, and ordinances pertaining to crime-free rental housing programs at any time.

(2) Section 3 of this act does not apply to rules, regulations, codes, statutes, or ordinances adopted by cities, counties, municipalities, or local agencies prior to July 1, 2010, except as required by an order issued by a court of competent jurisdiction pursuant to litigation regarding the rules, regulations, codes, statutes, or ordinances.

**NEW SECTION. Sec. 6.** Sections 1 through 5 of this act constitute a new chapter in Title 35 RCW."

members as of January 1, 1986, by eliminating the positions of those district governing body members with the shortest remaining terms of office. The remaining three governing body members shall have staggered terms with the one having the shortest remaining term having his or her position filled at the 1987 special district general election, the one with the next shortest remaining term having his or her position filled at the 1989 special district general election, and the one with the longest remaining term having his or her position filled at the 1992 special district general election. If any of these remaining three governing body members have identical remaining terms of office, the newly calculated remaining terms of these persons shall be determined by lot with the county auditor who assists the special district in its elections managing such lot procedure. At any time thereafter, such a district may adopt a resolution and reduce the size of the governing body to three members with the reduction occurring as provided in subsection (1) of this section, but the years of the effective dates shall be extended so that the reduction occurs at the next January 1st occurring after the date of the adoption of the resolution. (3) At this first election, the members receiving the two greatest number of votes shall serve six-year terms, the members receiving the third and fourth greatest number of votes shall serve four-year terms, and the remaining members shall serve two-year terms of office.

No primary elections may be held for the governing body of a special district.

(5)(a) Whenever a vacancy occurs in the governing body, the legislative authority of the county within which the largest portion of the special flood district is located shall appoint a district voter to serve until a person is elected, at the next special district general election occurring sixty or more days after the vacancy has occurred, to serve the remainder of the unexpired term. The person so elected shall take office immediately when qualified as defined in RCW 29A.04.133.

A vacancy occurs upon the death, resignation, or incapacity of a governing body member or whenever the governing body member ceases being a qualified voter of the special district.

(6) An elected or appointed member of a special district governing body, or a candidate for a special district governing body, must be a qualified voter of the special district: PROVIDED, That the state, its agencies and political subdivisions, or their designees under RCW 85.38.010(3) shall not be eligible for election or appointment."

THIRTIETH DAY, FEBRUARY 9, 2010

2010 REGULAR SESSION

On motion of Senator Eide, the Senate reverted to the sixth order of business.

MOTION

On motion of Senator Eide, Substitute Senate Bill No. 6240 was not substituted for Senate Bill No. 6240 and the substitute bill was not adopted.

SECOND READING

SENATE BILL NO. 6240, by Senators Keiser, Eide, Kauffman, Gordon and McDermott

Regulating joint underwriting associations.

The measure was read the second time.

MOTION

Senator Eide moved that the following striking amendment by Senator Eide and others be adopted:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** Availability of insurance for loss arising from flooding in the geographical area protected by any dam on the Green river is vital to the economy of the state of Washington. If adequate property insurance for loss arising from this flood is not available, the security of citizens' property and the viability of business operations and services are threatened. This chapter gives the commissioner authority to ensure continued availability of excess insurance to insure property at risk from, and business that is interrupted by, flood arising from the failure of a dam on the Green river or from efforts to prevent the failure of a dam on the Green river. The commissioner may establish a temporary joint underwriting association for excess flood insurance to insure property at risk from, and business that is interrupted by, flood arising from the failure of a dam on the Green river or from efforts to prevent the failure of a dam on the Green river if:

- (1) Excess flood insurance of a particular class or type is not available from the voluntary market; or
- (2) There are so few insurers selling excess flood insurance that a competitive market does not exist.

The commissioner may use appropriated funds as needed to establish and supervise the association.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Association" means a nonprofit underwriting association established under this chapter.

(2) "Board" means the governing board of the association.

(3) "Casualty insurance" has the same meaning as "general casualty insurance" in RCW 48.11.070. "Casualty insurance" does not include any type of:

- (a) Workers' compensation insurance;
- (b) Employers' liability insurance;
- (c) Nuclear liability insurance; or
- (d) Surety insurance.

(4) "Excess flood insurance" means insurance against loss, including business interruption, arising from flood that is in excess of the limit of liability insurance offered by the national flood insurance program.

(5) "Person" means a natural person, association, partnership, or corporation.

(6) "Property insurance" has the same meaning as in RCW 48.11.040 and does not include surety insurance.

**NEW SECTION. Sec. 3.** (1) The commissioner may create an association to provide excess flood insurance to insure property at risk from, and business that is interrupted by, flood arising from the failure of a dam on the Green river or from efforts to prevent the failure of a dam on the Green river if the requirements of this section are met.

(2) The commissioner must hold a hearing under chapters 48.04 and 34.05 RCW before forming an association.

(3) An association may not begin underwriting operations for excess flood or business interruption insurance until the commissioner finds that:

(a) If a market assistance plan formed under section 15 of this act finds that there are fewer than four admitted or surplus lines insurers offering excess flood insurance, exclusive of personal insurance, then the market assistance plan is inadequate to insure property at risk from, and business that is interrupted by, flood arising from the failure of a dam on the Green river or from efforts to prevent the failure of a dam on the Green river;

(b) Persons cannot buy excess flood insurance through the voluntary market; or

(c) There are so few insurers selling excess flood insurance that a competitive market does not exist.

(4) At a hearing to appeal the commissioner's finding that excess flood insurance is unavailable through the voluntary market or that a competitive market does not exist, the finding that four or more admitted or surplus lines insurers are offering excess flood insurance, exclusive of personal insurance, is prima facie evidence that a competitive market does exist. A decision of the commissioner, finding that excess flood insurance is unavailable through the market assistance plan, voluntary market, or that a competitive market does not exist, may be appealed under chapters 48.04 and 34.05 RCW.

**NEW SECTION. Sec. 4.** (1) The association may offer policies only as follows:

(a) The coverage of any one policy may not exceed five million dollars; and

(b) The total amount of all coverage offered by the association may never exceed two hundred fifty million dollars.

(2) The board, jointly with the commissioner, shall apportion policies within these limitations on an equitable basis.

**NEW SECTION. Sec. 5.** (1) If an association is formed, a person that is unable to obtain excess flood or business interruption insurance because it is unavailable in the voluntary market or because the market is not competitive is eligible to apply to an association for insurance.

(2) The association may decline to insure particular persons that present an extraordinary risk because of the nature of their operations, property condition, past claims experience, or inadequate risk management. However, the location of a property for which insurance is sought from the association must not, in and of itself, constitute an extraordinary risk.

(3) Any decision to decline coverage must be sent to the applicant and include:

(a) A statement of the actual reason for declination; and

(b) A statement that the applicant may appeal the decision to the commissioner.

(4) If the commissioner finds that the decision to decline coverage is not supported by the criteria in this section, the commissioner may require the association to provide coverage.

(5) A decision of the commissioner to provide or to decline to provide coverage under this may be appealed under chapters 48.04 and 34.05 RCW.

THIRTIETH DAY, FEBRUARY 9, 2010

2010 REGULAR SESSION

**NEW SECTION. Sec. 6.** (1) The association is composed of all insurers that have a certificate of authority to write either casualty or property insurance, or both, in this state. Every property or casualty insurer, or both, must be a member of the association as a condition of its authority to continue to transact business in this state.

(2) The association has the general powers and limitations of a nonprofit corporation under chapter 24.03 RCW and of an insurance company under Title 48 RCW, as needed to transact its business.

(3) To the extent consistent with this chapter, the association and its member insurers are "persons" under chapter 48.30 RCW.

**NEW SECTION. Sec. 7.** (1) A governing board shall administer the association.

(2) The board and the commissioner shall work cooperatively to achieve the objectives of this chapter.

(3) The board may select and employ one or more persons to manage the operations of an association. Every managing person must be authorized to transact insurance in the state of Washington and have demonstrated expertise in excess flood insurance. The board may employ any advisors that the board deems necessary.

(4) The board must consist of seven persons appointed as set forth in this subsection.

(a) Three board members must be member insurers appointed by each of the following three trade associations: Property casualty insurers association of America, American insurance association, and national association of mutual insurance companies. At least one of the three insurers on the board must be a domestic insurer.

(b) Four board members must be residents of the state. One is appointed by the insurance commissioner. One is appointed by the King county council. One is appointed by the association of Washington cities, to represent one or more of the following municipal governments: Auburn, Kent, Renton, or Tukwila. One is appointed by the board of directors of the center for advanced manufacturing Puget Sound. None of the resident-appointees may be employed by, serve on the board of directors of, or have a substantial ownership interest in any insurer.

(c) Original board members must be appointed to serve an initial term of three years and may be appointed for a second term. Board members may serve consecutive terms. Successor board members must be appointed as soon as possible subject to (a) and (b) of this subsection.

(5) The commissioner shall notify the members of the board if he or she has information that any board member is dishonest, reckless, or incompetent or is failing to perform any duty of his or her office, and the board shall meet immediately to consider the matter. The commissioner must receive notice of the time and place of this meeting. If the board finds by a majority of the board members, with the accused board member not voting on this matter, that the commissioner's objection is well-founded, the accused board member shall be removed immediately. The successor of a board member removed under this section must be appointed as soon as possible subject to subsection (4) of this section.

(6) All members of the board shall conduct the business of the association in a manner that is in the interest of all policyholders of the association. Board members stand in a fiduciary relationship to the association and must discharge their duties in good faith and with that diligence, care, and skill that ordinary, prudent persons would exercise under similar circumstances in a like position.

(7) Each person serving on the board or any subcommittee thereof, each member insurer of the association, and each officer and employee of the association must be indemnified by the association against all costs and expenses actually and necessarily incurred by him, her, or it in connection with the defense of any action, suit, or proceeding in which he, she, or it is made a party by reason of his, her, or its being or having been a member of the board,

or a member or officer or employee of the association, except in relation to matters as to which he, she, or it has been judged in such action, suit, or proceeding to be liable by reason of willful misconduct in the performance of his, her, or its duties as a member of the board, or member, officer, or employee of the association. This indemnification is not exclusive of other rights as to which the member, officer, or employee may be entitled as a matter of law.

(8) Members of the board may be reimbursed by the association for actual and necessary expenses incurred to attend meetings.

**NEW SECTION. Sec. 8.** (1) The board must adopt a plan of operation within thirty days of its appointment.

(2) The plan of operation may take effect only after it has been reviewed by the commissioner. Any changes recommended by the commissioner must be either approved by a majority of the members of the board or a written statement of the board's reasons for rejection of any provision provided to the commissioner. The commissioner may continue to consult with the board to arrive at a plan of operation that is approved by both the commissioner and the board, or the commissioner may accept the plan of operation of the board. This process must conclude with a plan of operation accepted by the board within thirty days of the first board appointed under this act.

(a) The plan of operation may be amended by agreement of a majority of the members of the board and the commissioner.

(b) The association must use rates that are demonstrably sound as compared to accepted actuarial standards. At the time of filing with the commissioner, the rates must be accompanied by an actuarial analysis. The rates must comply with chapter 48.19 RCW and be approved by the commissioner.

**NEW SECTION. Sec. 9.** The association must file a statement annually with the commissioner that contains information about the association's transactions, financial condition, and operations during the preceding year. The statement must be in the form and in a manner approved by the commissioner. The association must maintain its records according to the accounting practices and procedures manual adopted by the national association of insurance commissioners. The commissioner may require the association to furnish additional information if the commissioner considers it necessary to evaluate the scope, operation, and experience of the association.

**NEW SECTION. Except as set forth in subsections (2) and (3) of this section, each examination must be conducted in the manner prescribed for domestic insurance companies in chapter 48.03 or 48.37 RCW.

(2) The commissioner is not required to examine any association on a prescribed cycle or schedule.

(3) If the commissioner or the board of directors orders the association to end all underwriting operations, the commissioner must supervise the dissolution of the association, including settlement of all financial and legal obligations and distribution of any remaining assets as follows:

(a) If there has been an assessment on the members of the association, and after all creditors of the association are paid in full, then to the member insurers in a proportional manner and as determined by rule by the commissioner; or

(2) For the purpose of this section, a market assistance plan means a voluntary mechanism by insurers writing property insurance in this state in either the admitted or nonadmitted market to provide excess flood or business interruption insurance for a class

of insurance as designated in writing to the plan by the commissioner.

(3) The bylaws and method of operation of any market assistance plan must be approved by the commissioner prior to its operation.

(4) A market assistance plan must have a minimum of twenty-five insurers willing to insure risks within the class designated by the commissioner. If twenty-five insurers do not voluntarily agree to participate, the commissioner may require either property or property and casualty, or both, insurers to participate in a market assistance plan as a condition of continuing to do business in this state. The commissioner must make this requirement to fulfill the quota of at least twenty-five insurers. The commissioner must make his or her designation on the basis of the insurer's premium volume of property insurance in this state.

**NEW SECTION. Sec. 16.** The board and the commissioner shall report to the respective committees of the house of representatives and senate having jurisdiction over the insurance code by January 31, 2011, and each subsequent January 31st of each year that the association remains in existence.

#### POINT OF INQUIRY

Senator Benton: "Would the lady from the Thirty-Fifth yield to a question? I'm sorry, Thirty-Third, Mr. President. Senator, can I clarify in your statement and I was trying to listen very closely but I wanted to make sure. I thought I heard you say that it no longer spreads the risk across the entire state. Is that correct? That it's limited now in the bill?"

Senator Keiser: "The joint underwriting association is limited to the Green River Valley. That's where the market assistance plant will be limited to, as well as, if there needs to be a JUA, the businesses that could be part of the JUA and pay premiums to the JUA would be only in the Kent Valley. But the risk, I am saying, is spread across all of us. We all share the risk. Our economy shares the risk. We all share the risk if there is catastrophic flooding. Hopefully there won't be."

"**NEW SECTION. Sec. 1.** The legislature finds that the current economic crisis is requiring sacrifices by citizens and businesses all across the state. The legislature acknowledges the

The recession requires us to continue to find every possible cost savings while striving to continue to deliver key services to our citizens. Therefore, the legislature finds it necessary to immediately suspend recognition awards given to state employees. Until the economic climate permits the resumption of appropriate cash awards, the legislature encourages supervisors throughout state agencies to look for nonmonetary ways to acknowledge outstanding contributions to Washington's citizens by our state's civil servants.

"**Sec. 1.** RCW 43.135.035 and 2009 c 479 s 36 are each amended to read as follows:

(1)(a) After July 1, 1995, any action or combination of actions by the legislature that raises taxes may be taken only if approved by a two-thirds vote of each house of the legislature, and then only if state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter. Pursuant to the referendum power set forth in Article II, section 1(b) of the state Constitution, tax increases may be referred to the voters for their approval or rejection at an election. The requirements of this subsection (1)(a) do not apply to any action or combination of actions described in (b) of this subsection.

(b)(i) In order to preserve funding for education, public safety, health care, and safety net services for elderly, disabled, and vulnerable people during the unprecedented economic crisis in the 2009- 2011 fiscal biennium, it is the intent of the legislature to provide a temporary means to stabilize revenue collections.

(ii) For legislation enacted between the effective date of this section and July 1, 2011, any action or combination of actions by the legislature that raises taxes may be taken with the approval of a majority of members elected to each house of the legislature.

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on . . . . . in order to allow a spending increase above last year's authorized spending adjusted for personal income growth?"

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to: (a) The dedication or use of lottery revenues under RCW 67.70.240(3), in support of education or education expenditures; or (b) a transfer of moneys to, or an expenditure from, the budget stabilization account.

An amendment was offered earlier to conform the bills title to the body of the bill as ultimately amended but, unfortunately, was rejected. perfectly precise, but it should adequately describe the scope and purpose of the law being changed so as to cause a reader following a particular issue to determine if further inquiry into the text of the bill is necessary.'

"If for one, one small part of that title, this would, the title, the President believes the title would conform but in the majority's own words, in their own words, they over and over again emphasized that nothing in this legislation was permanent. The title says differently so it would be impossible for any person inquiring into the content of this bill through the title to find that part which is permanent. Therefore, Senator Schoesler's point is well taken and the bill does not comply with the rule."

#### MOTION

On motion of Senator Eide, the rules were suspended and Engrossed Senate Bill No. 6843 was returned to second reading for the purpose of amendment.

The court commissioner shall have from September 1, 2010, through January 31, 2011, to make this election. Any court commissioner who has not previously elected to accrue an additional benefit under this section may make this election during any subsequent month of January until the irrevocable election is made.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that when people who have disabilities are welcomed and included as members of our communities and provided with equal access to the opportunities available to others, their participation enriches those communities, enhances the strength of those communities' diversity, and contributes toward the economic vitality of those communities. The legislature further finds that more than nine hundred thousand Washington state residents with disabilities continue to face barriers to full participation that could be easily eliminated.

**NEW SECTION. Sec. 2.** (1) The accessible communities account is created in the custody of the state treasurer. Two

hundred dollars from each full penalty imposed under RCW 46.16.381 (7), (8), and (9) must be deposited into the account. When a reduced penalty is imposed under RCW 46.16.381 (7), (8) and (9), the amount deposited in the accessible communities account shall be reduced proportionally.

(2) The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. Only the commissioner may authorize expenditures from the account.

(3) Expenditures from the account may be used for promoting greater awareness of disability issues and improved access for and inclusion and acceptance of persons with disabilities in communities in the state of Washington, including:

(a) Reimbursing travel, per diem, and reasonable accommodation for county accessible community advisory committee meetings and committee sponsored activities including, but not limited to, supporting the involvement of people with disabilities and disability organization in emergency planning and emergency preparedness activities;

(b) Establishing and maintaining an accessible communities web site;

(c) Providing training or technical assistance for county accessible community advisory committees;

(d) A grant program for funding proposals developed and submitted by county accessible community advisory committees to promote greater awareness of disability issues and acceptance, inclusion, and access for persons with disabilities within the community;

(e) Reimbursing the state agency that provides administrative support to the governor's committee on disability issues and employment for costs associated with implementing this act; and

(f) Programming changes to the judicial information system accounting module required for disbursement of funds to this account.

**NEW SECTION. Sec. 3.** A new section is added to chapter 50.40 RCW to read as follows:

(1) To the extent allowed by funds available from the accessible communities account created in section 2 of this act, the governor's committee on disability issues and employment shall:

(a) Determine eligibility of accessible community advisory committees for reimbursement or for grant funding according to section 4 of this act; and

(b) Solicit proposals from active accessible community advisory committees for projects to improve disability awareness and access for persons with disabilities, and shall select projects for funding from moneys available in the accessible communities account.

(2) The commissioner shall adopt rules to administer this section.

(3) To the extent allowed by funds available from the accessible communities account created in section 2 of this act, the governor's committee on disability issues and employment shall establish an accessible communities web site to provide the following information: Guidance, technical assistance, reference materials, and resource identification for local governments, accessible community advisory committees, and public accommodations; examples of best practices for local initiatives and activities to promote greater awareness of disability issues and access for persons with disabilities within the community; and a searchable listing of local public accommodations that have taken steps to be more disability friendly, including information on the specific access features provided.

**NEW SECTION. Sec. 4.** A new section is added to chapter 36.01 RCW to read as follows:

THIRTY FIRST DAY, FEBRUARY 10, 2010

2010 REGULAR SESSION

(1) A county has the option to expand the scope of an advisory committee established and maintained under RCW 29A.46.260 to that of an accessible community advisory committee.

(2) A county that has an active accessible community advisory committee may be reimbursed within available funds from the accessible communities account created in section 2 of this act for travel, per diem, and reasonable accommodation expenses for the participation of that committee's members in committee meetings and sponsored activities.

(3) A county establishes that it has an active accessible community advisory committee by submitting biennial assurances to the governor's committee on disability issues and employment that:

(a) The decision to establish an accessible community advisory committee was made by the county legislative authority, or by agents or officers acting under that authority.

(b) The county auditor supports expanding the scope of the committee established and maintained under RCW 29A.46.260 to that of an accessible community advisory committee.

(c) Committee members include persons with a diverse range of disabilities who are knowledgeable in identifying and eliminating attitudinal, programmatic, communication, and physical barriers encountered by persons with disabilities.

(d) The committee is actively involved in the following activities: Advising on addressing the needs of persons with disabilities in emergency plans; advising the county and other local governments within the county on access to programs services and activities, new construction or renovation projects, sidewalks, other pedestrian routes of travel, and disability parking enforcement; and developing local initiatives and activities to promote greater awareness of disability issues, and acceptance, involvement, and access for persons with disabilities within the community.

(4) Counties may form joint accessible community advisory committees, as long as no more than one of the participating counties has a population greater than seventy thousand.

**Sec. 5.** RCW 29A.46.260 and 2006 c 207 s 7 are each amended to read as follows:

(1) The legislature finds that the elimination of polling places resulting from the transition to vote by mail creates barriers that restrict the ability of many voters with disabilities from achieving the independence and privacy in voting provided by the accessible voting devices required under the help America vote act. Counties adopting a vote by mail system must take appropriate steps to mitigate these impacts and to address the obligation to provide voters with disabilities an equal opportunity to vote independently and privately, to the extent that this can be achieved without incurring undue administrative and financial burden.

(2) Each county shall establish and maintain an advisory committee that includes persons with diverse disabilities and persons with expertise in providing accommodations for persons with disabilities. The committee shall assist election officials in developing a plan to identify and implement changes to improve the accessibility of elections for voters with disabilities. The plan shall include recommendations for the following:

(a) The number of polling places that will be maintained in order to ensure that people with disabilities have reasonable access to accessible voting devices, and a written explanation for how the determination was made;

(b) The locations of polling places, drop-off facilities, voting centers, and other election-related functions necessary to maximize accessibility to persons with disabilities;

(c) Outreach to voters with disabilities on the availability of disability accommodation, including in-person disability access voting;

(d) Transportation of voting devices to locations convenient for voters with disabilities in order to ensure reasonable access for voters with disabilities; and

(e) Implementation of the provisions of the help America vote act related to persons with disabilities.

Counties must update the plan at least annually. The election review staff of the secretary of state shall review and evaluate the plan in conformance with the review procedure identified in RCW 29A.04.570.

(3) Counties may form a joint advisory committee to develop the plan identified in subsection (2) of this section if ~~((the total population of the joining counties does not exceed thirty thousand, and the counties are geographically adjacent))~~ no more than one of the participating counties has a population greater than seventy thousand.

**Sec. 6.** RCW 46.16.381 and 2007 c 262 s 1 and 2007 c 44 s 1 are each reenacted and amended to read as follows:

(1) The director shall grant special parking privileges to any person who has a disability that limits or impairs the ability to walk or involves acute sensitivity to light and meets one of the following criteria, as determined by a licensed physician, an advanced registered nurse practitioner licensed under chapter 18.79 RCW, or a physician assistant licensed under chapter 18.71A or 18.57A RCW:

(i) Is restricted by a form of porphyria to the extent that the applicant would significantly benefit from a decrease in exposure to light.

(2) The applications for parking permits for persons with disabilities and parking permits for persons with temporary disabilities are official state documents. Knowingly providing false information in conjunction with the application is a gross misdemeanor punishable under chapter 9A.20 RCW. The following statement must appear on each application form immediately below the physician's, advanced registered nurse practitioner's, or physician assistant's signature and immediately below the applicant's signature: "A parking permit for a person with disabilities may be issued only for a medical necessity that severely affects mobility or involves acute sensitivity to light (RCW 46.16.381). The special identification card shall be issued to all persons who are issued parking placards, including those issued for temporary disabilities, and special parking license plates for persons with disabilities. Instead of regular motor vehicle license plates, persons with disabilities are entitled to receive special license plates under this section or RCW 46.16.385 bearing the international symbol of access for one vehicle registered in the name of the person with disabilities. Persons with disabilities who are not issued the special license plates are entitled to receive a second special placard upon submitting a written request to the department. Persons who have been issued the parking privileges and who are using a vehicle or are riding in a vehicle displaying the placard or special license plates issued under this section or RCW 46.16.385 may park in places reserved for persons with physical disabilities. The director shall adopt rules providing for the issuance of special placards and license plates to public transportation authorities, nursing homes licensed under chapter 18.51 RCW, boarding homes licensed under chapter 18.20 RCW, senior citizen centers, private nonprofit agencies as defined in chapter 24.03 RCW, and vehicles registered with the department as cabulances that regularly transport persons with disabilities who have been determined eligible for special parking privileges provided under this section. The director may issue special license plates for a vehicle registered in the name of the public transportation authority, nursing home, boarding home, senior citizen center, private nonprofit agency, or cabulance service if the vehicle is primarily used to transport persons with disabilities described in this section. Public transportation authorities, nursing homes, boarding homes, senior citizen centers, private nonprofit agencies, and cabulance services are responsible for insuring that the special placards and license plates are not used improperly and are responsible for all fines and penalties for improper use.

(4) Whenever the person with disabilities transfers or assigns his or her interest in the vehicle, the special license plates shall be removed from the motor vehicle. If another vehicle is acquired by the person with disabilities and the vehicle owner qualifies for a special plate, the plate shall be attached to the vehicle, and the director shall be immediately notified of the transfer of the plate. If another vehicle is not acquired by the person with disabilities, the removed plate shall be immediately surrendered to the director.

(5) The special license plate shall be renewed in the same manner and at the time required for the renewal of regular motor vehicle license plates under this chapter. No special license plate may be issued to a person who is temporarily disabled. If the condition exists after six months a new temporary placard shall be issued upon receipt of a new certification from the person's physician. The permanent parking placard and identification card of a person with disabilities shall be renewed at least every five years, as required by the director, by satisfactory proof of the right to continued use of the privileges. In the event of the permit holder's death, the parking placard and identification card must be immediately surrendered to the department. The department shall match and purge its database of parking permits issued to persons with disabilities with available death record information at least every twelve months.

(6) Additional fees shall not be charged for the issuance of the special placards or the identification cards. No additional fee may

If a person is charged with a violation, the person shall not be determined to have committed an infraction if the person produces in court or before the court appearance the placard or special license plate issued under this section or RCW 46.16.385 required under this section. A local jurisdiction providing nonmetered, on-street parking places reserved for persons with physical disabilities may impose by ordinance time restrictions of no less than four hours on the use of these parking places. A local jurisdiction may impose by ordinance time restrictions of no less than four hours on the use of nonreserved, on-street parking spaces by vehicles displaying the special parking placards or special license plates issued under this section or RCW 46.16.385. (10) (~~The penalties~~) Two hundred dollars from each full penalty imposed under subsections (7), (8), and (9) of this section shall be deposited in the accessible communities account created in section 2 of this act. When a reduced penalty is imposed under subsections (7), (8), and (9) of this section, the amount deposited in the accessible communities account shall be reduced proportionally. The remaining penalty amounts shall be used by that local jurisdiction exclusively for law enforcement. The court may also impose an additional penalty sufficient to reimburse the local jurisdiction for any costs it may have incurred in removal and storage of the improperly parked vehicle.

(11) Except as provided by subsection (2) of this section, it is a traffic infraction with a monetary penalty of two hundred fifty dollars for any person willfully to obtain a special license plate issued under this section or RCW 46.16.385, placard, or identification card in a manner other than that established under this section.

(12)(a) A law enforcement agency authorized to enforce parking laws may appoint volunteers, with a limited commission, to issue notices of infractions for violations of this section or RCW 46.61.581. Volunteers must be at least twenty-one years of age. The law enforcement agency appointing volunteers may establish any other qualifications the agency deems desirable.

(b) An agency appointing volunteers under this section must provide training to the volunteers before authorizing them to issue notices of infractions.

(c) A notice of infraction issued by a volunteer appointed under this subsection has the same force and effect as a notice of infraction issued by a police officer for the same offense.

(d) A police officer or a volunteer may request a person to show the person's identification card or special parking placard when investigating the possibility of a violation of this section. If the request is refused, the person in charge of the vehicle may be issued a notice of infraction for a violation of this section.

#### POINT OF ORDER

Senator Benton: "I question Mr. President whether Engrossed Substitute Senate Bill No. 5902 is properly before the body and perhaps that's not the correct point of order. The point of order I'm asking about is the fee in this, referred to as a fee. This bill requires a special fund to be set up in the Treasures Office. That fund is then used to promote things that are not directly related to the actual fine itself. So, fine, fee or tax I'm trying to understand the Nexus and whether or not this bill should be called a tax rather than a fee and, if so, are there different provisions

It's not even in the book and that's I personally wanted the privilege of asking that we put those in. Thank you."

#### RULING BY THE PRESIDENT

President Owen: "In ruling on the inquiry raised by Senator Benton as to the application of Initiative Number 960 to Engrossed Substitute Senate Bill 5902, the President finds and rules as follows.

The President has previously stated that the term used to describe a particular activity – describing an act of collection as a fee or a tax, for example – is not controlling. Instead, he examines the act of collection, and the manner in which the funds are used. In this matter, the bill increases a fine for violating parking privileges reserved for those with certain disabilities.

The funds are then used to educate and inform others regarding governmental policies and actions regarding those same persons. As a consequence, there is a strong nexus between the funds collected and their subsequent use.

For these reasons, Senator Benton's point is not well-taken, and this measure will need only a simple majority vote of this body for final passage."

The Senate resumed consideration of Engrossed Substitute Senate Bill No. 5902.

(o) Deposit annual assessments collected by the association, less the association's administrative costs, with the state treasurer to the credit of the universal vaccine purchase account established in RCW 43.70.720;

(p) Borrow and repay such working capital, reserve, or other funds as, in the judgment of the board of directors, may be helpful or necessary for the operation of the association; and

(q) Perform any other functions as may be necessary or proper to carry out the plan of operation and to affect any or all of the purposes for which the association is organized.

(6) The secretary shall convene the initial meeting of the association board of directors.

**NEW SECTION. Sec. 4.** (1) The secretary shall estimate the total nonfederal program cost for the upcoming calendar year by October 1, 2010, and October 1st of each year thereafter. Additionally, the secretary shall subtract any amounts needed to serve children enrolled in state purchased health care programs covering low-income children for whom federal vaccine funding is not available, and report the final amount to the association. In addition, the secretary shall perform such calculation for the period of May 1st through December 31st, 2010, as soon as feasible but in no event later than April 1, 2010. The estimates shall be timely communicated to the association.

(2) The board of directors of the association shall determine the method and timing of assessment collection in consultation with the department of health. The board shall use a formula designed by the board to ensure the total anticipated nonfederal program cost, minus costs for other children served through state-purchased health care programs covering low-income children, calculated under subsection (1) of this section, is collected and transmitted to the universal vaccine purchase account created in RCW 43.70.720 in order to ensure adequacy of state funds to order state-supplied vaccine from federal centers for disease control and prevention.

(3) Each licensed health carrier and third-party administrator must be assessed and is required to timely remit payment for its share of the total amount needed to fund nonfederal program costs calculated by the department of health. Such an assessment includes additional funds as determined necessary by the board to cover the reasonable costs for the association's administration. The board shall determine the assessment methodology, with the intent of ensuring that the nonfederal costs are based on actual usage of vaccine for a health carrier or third-party administrator's covered lives. The board may in addition provide financial or other incentives for achievement of higher vaccination rates. State and local governments and school districts must pay their portion of vaccine expense for covered lives under this chapter.

(4) The board of the association shall develop a mechanism through which the number and cost of doses of vaccine purchased under this chapter that have been administered to children covered by each health carrier and third-party administrator are attributed to each such health carrier and third-party administrator. Except as otherwise permitted by the board, this mechanism must include at least the following: Date of service; patient name; vaccine received; and health benefit plan eligibility. The data must be collected and maintained in a manner consistent with applicable state and federal health information privacy laws. Beginning November 1, 2011, and each November 1st thereafter, the board shall factor the results of this mechanism for the previous year into the determination of the appropriate assessment amount for each health carrier and third-party administrator for the upcoming year.

(5) For any year in which the total calculated cost to be received from association members through assessments is less than the total nonfederal program cost, the association must pay the difference to the state for deposit into the universal vaccine purchase account established in RCW 43.70.720. The board may assess, and the health carrier and third-party administrators are obligated to pay, their proportionate share of such costs and appropriate reserves as determined by the board.

(6) The aggregate amount to be raised by the association in any year may be reduced by any surpluses remaining from prior years.

(7) In order to generate sufficient start-up funding, the association may accept prepayment from member health carriers and third-party administrators, subject to offset of future amounts otherwise owing or other repayment method as determined by the board. The initial deposit of start-up funding must be deposited into the universal vaccine purchase account on or before April 30, 2010.

**NEW SECTION. Sec. 5.** (1) The board of the association shall establish a committee for the purposes of developing recommendations to the board regarding selection of vaccines to be purchased in each upcoming year by the department. The committee must be composed of at least five voting board members, including at least three health carrier or third-party administrator members, one physician, and the secretary or the secretary's designee. The committee must also include a representative of vaccine manufacturers, who is a nonvoting member of the committee. The representative of vaccine manufacturers must be chosen by the secretary from a list of three nominees submitted collectively by vaccine manufacturers on an annual basis.

(2) In selecting vaccines to purchase, the following factors should be strongly considered by the committee: Patient safety and clinical efficacy, public health and purchaser value, patient and provider choice, and stability of vaccine supply.

**NEW SECTION. Sec. 6.** In addition to the duties and powers enumerated elsewhere in this chapter:

(1) The association may, pursuant to either vote of its board of directors or request of the secretary, audit compliance by any health carrier or third-party administrator of any reporting obligations established under the association's plan of operation. Upon failure of any health carrier or third-party administrator to reimburse the costs of such audit as certified by vote of the association's board of directors within forty-five days of notice of such vote, the secretary shall assess a civil penalty of one hundred fifty percent of the amount of such costs.

(2) The association may establish an interest charge for late payment of any assessment under this chapter. The secretary shall assess a civil penalty against any health carrier or third-party administrator that fails to pay an assessment within three months of notification under section 3 of this act. The civil penalty under this subsection is one hundred fifty percent of such assessment.

THIRTY FIRST DAY, FEBRUARY 10, 2010

(3) The secretary and the association are authorized to file liens and seek judgment to recover amounts in arrears and civil penalties, and recover reasonable collection costs, including reasonable attorneys' fees and costs. Civil penalties so levied must be deposited in the universal vaccine purchase account created in RCW 43.70.720.

(4) The secretary may adopt rules under chapter 34.05 RCW as necessary to carry out the purposes of this section.

**NEW SECTION. Sec. 7.** The board of directors of the association shall submit to the secretary, no later than one hundred twenty days after the close of the association's fiscal year, a financial report in a form approved by the secretary.

**NEW SECTION. Sec. 8.** No liability on the part of, and no cause of action of any nature, shall arise against any member of the board of the association, against an employee or agent of the association, or against any health care provider for any lawful action taken by them in the performance of their duties or required activities under this chapter.

**NEW SECTION. Sec. 9.** A new section is added to chapter 43.24 RCW to read as follows:

(1)(a) Beginning September 1, 2010, a third-party administrator must register with the department of licensing and renew its registration on an annual basis thereafter prior to December 31st of each year, or within ten days after the registrant changes its name, business name, business address, or business telephone number, whichever occurs sooner.

(b) The registrant shall pay the registration or renewal fee established by the department of licensing as provided in RCW 43.24.086.

(c) Any person or entity that is acting as or holding itself out to be a third-party administrator while failing to have registered under this section is subject to a civil penalty of not less than one thousand dollars nor more than ten thousand dollars for each violation. The civil penalty is in addition to any other penalties that may be imposed for violations of other laws of this state.

(2) For the purposes of this section, "third-party administrator" has the same meaning as defined in section 1 of this act.

(3) The department of licensing may adopt rules under chapter 34.05 RCW as necessary to implement this section.

**Sec. 10.** RCW 43.70.720 and 2009 c 564 s 934 are each amended to read as follows:

The universal vaccine purchase account is created in the custody of the state treasurer. Receipts from public and private sources for the purpose of increasing access to vaccines for children may be deposited into the account. Expenditures from the account must be used exclusively for the purchase of vaccines, at no cost to health care providers in Washington, to administer to children under nineteen years old who are not eligible to receive vaccines at no cost through federal programs. Only the secretary or the secretary's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

**NEW SECTION. Sec. 11.** Sections 1 through 8 and 12 through 14 of this act constitute a new chapter in Title 70 RCW.

**NEW SECTION. Sec. 12.** (1) The association board may, on or after June 30, 2015, vote to recommend termination of the association if it finds that the original intent of its formation and operation, which is to ensure more cost-effective purchase and distribution of vaccine than if provided through uncoordinated purchase by health care providers, has not been achieved. The association board shall provide notice of the recommendation to the relevant policy and fiscal committees of the legislature within thirty days of the vote being taken by the association board. If the legislature has not acted by the last day of the next regular

2010 REGULAR SESSION

legislative session to reject the board's recommendation, the board may vote to permanently dissolve the association.

(2) In the event of a voluntary or involuntary dissolution of the association, funds remaining in the universal purchase vaccine account created in RCW 43.70.720 that were collected under this chapter must be returned to the member health carrier and third-party administrators in proportion to their previous year's contribution, from any balance remaining following the repayment of any prepayments for start-up funding not previously recouped by such member.

**NEW SECTION. Sec. 13.** Physicians and clinics ordering state supplied vaccine must ensure they have billing mechanisms and practices in place that enable the association to accurately track vaccine delivered to association members' covered lives and must submit documentation in such a form as may be prescribed by the board in consultation with state physician organizations. Physicians and other persons providing childhood immunization are strongly encouraged to use state supplied vaccine whenever possible. Nothing in this chapter prohibits health carriers and third-party administrators from denying claims for vaccine serum costs when the serum or serums providing similar protection are provided or available via state supplied vaccine.

**NEW SECTION. Sec. 14.** If the requirement that any segment of health carriers, third-party administrators, or state or local governmental entities provide funding for the program established in this chapter is invalidated by a court of competent jurisdiction, the board of the association may terminate the program one hundred twenty days following a final judicial determination on the matter.

**NEW SECTION. Sec. 15.** A new section is added to chapter 48.43 RCW to read as follows:

Assessments paid by carriers under section 4 of this act may be considered medical expenses for purposes of rate setting and regulatory filings.

**NEW SECTION. Sec. 16.** A new section is added to chapter 82.04 RCW to read as follows:

This chapter does not apply to assessments described in sections 3 and 4 of this act received by a nonprofit corporation established under section 2 of this act.

**NEW SECTION. Sec. 17.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

(4) For the purposes of this section, "names of legislators, and their contact information" includes each legislator's position (senator or representative), first name, last name, party affiliation (for example, Democrat or Republican), city or town they live in, office phone number, and office e-mail address.

**Sec. 3.** RCW 43.135.035 and 2009 c 479 s 36 are each amended to read as follows:

(1) After July 1, (~~(1995)~~) 2011, any action or combination of actions by the legislature that raises taxes may be taken only if approved by a two-thirds vote of each house of the legislature, and then only if state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter. Pursuant to the referendum power set forth in Article II, section 1(b) of the state Constitution, tax increases may be referred to the voters for their approval or rejection at an election.

THIRTY FIRST DAY, FEBRUARY 10, 2010

2010 REGULAR SESSION

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on . . . . . in order to allow a spending increase above last year's authorized spending adjusted for personal income growth?"

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to: (a) The dedication or use of lottery revenues under RCW 67.70.240(3), in support of education or education expenditures; or (b) a transfer of moneys to, or an expenditure from, the budget stabilization account.

(5) If the cost of any state program or function and the ongoing revenue necessary to fund the program or function are shifted to the state general fund on or after January 1, 2007, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase the state expenditure limit to reflect the shift unless the shifted revenue had previously been shifted from the general fund.

(6) For the purposes of chapter 1, Laws of 2008, "raises taxes" means any action or combination of actions by the legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.

**Sec. 4.** RCW 43.135.041 and 2008 c 1 s 6 are each amended to read as follows:

(1)(a) After July 1, 2011, if legislative action raising taxes as defined by RCW 43.135.035 is blocked from a public vote or is not referred to the people by a referendum petition found to be sufficient under RCW 29A.72.250, a measure for an advisory vote of the people is required and shall be placed on the next general election ballot under chapter 1, Laws of 2008.

~~((a))~~ (b) If legislative action raising taxes enacted after July 1, 2011, involves more than one revenue source, each tax being increased shall be subject to a separate measure for an advisory vote of the people under the requirements of chapter 1, Laws of 2008.

(2) No later than the first of August, the attorney general will send written notice to the secretary of state of any tax increase that is subject to an advisory vote of the people, under the provisions and exceptions provided by chapter 1, Laws of 2008. Within five days of receiving such written notice from the attorney general, the secretary of state will assign a serial number for a measure for an advisory vote of the people and transmit one copy of the measure bearing its serial number to the attorney general as required by RCW 29A.72.040, for any tax increase identified by the attorney general as needing an advisory vote of the people for that year's general election ballot. Saturdays, Sundays, and legal holidays are not counted in calculating the time limits in this subsection.

(3) For the purposes of this section, "blocked from a public vote" includes adding an emergency clause to a bill increasing taxes, bonding or contractually obligating taxes, or otherwise preventing a referendum on a bill increasing taxes.

(4) If legislative action raising taxes is referred to the people by the legislature or is included in an initiative to the people found to be sufficient under RCW 29A.72.250, then the tax increase is exempt from an advisory vote of the people under chapter 1, Laws of 2008.

## PERSONAL PRIVILEGE

Senator Pridemore: "Mr. President, I think it's important for this body to talk about what happened last night. What happened last night went beyond the ebb and flour of political party dynamics or ebb and flour of competing ideological beliefs. Everyone in this room knew when I walked in here I was a 'no' on the affected legislation but when the Senator from the Forty-first got up and talked about mangled claws coming down, covered in barnacles from heaven to smite state Senators, Mr. President, I got to tell you, I was scared. I looked around for Security and there were only seven of them. I thought maybe some members on the floor could help and so I looked, you know, there was Senator Kilmer. A lot of help he is, you know. Maybe before the diet but not now. And I looked and I saw Senator Brandland and I thought boy, that's a guy who's let himself go since he was a county sheriff. So, Mr. President, as we debate budget cuts in this body and we know we must. We've got to remember the people who are going to be impacted by some of the programs areas that we're going to cut. Quite frankly Senator Gordon doesn't need our political rhetoric, Senator Gordon needs our help. So, Mr. President, I'm going to be starting a collection today. I'm going to be passing a hat around and I would ask you

2010 REGULAR SESSION

all to please be as generous as possible. Write a really big check and put in that. There's going to be a sign in sheet going around so please record your name and the amount that you're giving and write as clearly as possible. It's possible the names will show up on the Federal Elections commissions report. Thank you very much."

## PERSONAL PRIVILEGE

Senator Hobbs: "Mr. President, last night I was moved by Senator Gordon. What a fantastic speaker you are. I have to use a dictionary every time you speak, in fact, I was amazed, Senator Rockefeller even had to use a dictionary when you were speaking. I was so impressed. I was so impressed. I had to ask other people if you were by far the best speaker in the Senate. So, I went up to the gallery and I talked to the thirteen people up there. Oh, I'm sorry, the lobbyists, the thirteen lobbyists that were up there. I asked them 'What did you think of Senator Gordon's speech?' And six told me, they asked me, 'Why is the internet connection so spotty up there in the gallery?' Four asked, 'Is this the real 960 vote or is this another dress rehearsal?' And the other three, which were actually the guards that protect us here said 'You know this place was fun when they used to have liquor.' So, I just want you to know doesn't matter what they think. It matters what you think, and I think, I think you're a fabulous Senator. I'm glad you're in this chamber. Thank you for everything you do and I tell you my vocabulary is going to increase because you're here so thank you."

## PERSONAL PRIVILEGE

Senator Hatfield: "And if I may read from Webster's New Universal Unabridged Dictionary. I actually brought it here for Senator Hobbs and myself. Encrinites, encroach, encroachment, encruit, encrust, encrustation, now is that with an 'e' or an 'i' because I, Senator. I think I'll keep this here now that we have Senator Gordon among us and anyone can use it if they want to try and decipher his speeches from now on."

## PERSONAL PRIVILEGE

Senator Brown: "Well, I also want to add because that was just, that was... I guess I'm still in awe of what I heard last night and I just want tell you what it meant to me. May I read Mr. President? Thank you Mr. President. Well, members I think you know what I mean. The articulation, the eloquence, the metaphysical significance, the patrician idealism, the proletarian populism, the platonic ideal, the Bentonesque zeal, our new colleague is a councilor of Klineian decision, 'Rockefellerian precision. Ladies and gentleman of the Senate, he's a constitutional freak. He's an east side geek. He's far from meek. He's the nicest, he's got a nice physique. He's a senator of merit but folks, he's no Fred Jarrett."

## PERSONAL PRIVILEGE

Senator Schoesler: "Well, thank you Mr. President. I don't have a eloquent set of remarks prepared like the Majority Leader but I listened last night and I figured out between the remarks about 960 and revenue that one way or another we have to figure out how to fund the water polo team on Mercer Island and I understand that deep commitment to basic education."

## PERSONAL PRIVILEGE

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

Senator McDermott: "Mr. President, you've heard a number of senators on this floor this morning express their surprise and shock at the new Senator from Forty-first District eloquence last night. I want to assure you it was no surprise to me because I serve on the Education Committee with the new Senator from the Forty-First and I assure you he does not follow the mode of most new senators. Most senators Mr. President as you will remember, wait, listen, maybe for their first session, maybe a session or two, certainly their first week. That has not been the case with the new Senator from the Forty-First, he's questioned, he's answered, he is pontificated on repeated occasions. Not only do I have the pleasure of sitting in the Education Committee with him but I have the displeasure of spending far, far too much in that room over there. Thirty of us know on this floor he talks a lot in there too Mr. President. So, while his eloquence, his passion and his zeal did not surprise me at all and I'm surprised it surprised you, you listen to him all the time in there. What surprised me was the fact he could actually contain himself, with hold his first floor speech for thirty full days on this floor and did not give his first floor speech until the thirty-first day. That Mr. President was the key achievement yesterday alone. Thank you."

PERSONAL PRIVILEGE

Senator Delvin: "Thank you Mr. President. I just want to thank the good Senator from the Forty-ninth not pointing out the obvious what three years of retirement have done for me. I was in the wings when the member from the Forty-first started talking and I looked at some colleagues and I said 'Does he have an accent of some sort?' You know, has anyone checked his passport or his green card? You know, really is the Forty-first in the United States of America?' There's an accent there and I think we ought to check that out Mr. President, just make sure that the security is good here in the Senate."

PERSONAL PRIVILEGE

Senator Shin: "Remarks in Korean. If you cannot understand me, you cannot understand him. I've been a teacher for thirty-one years but it's all geek to me. Welcome aboard Senator Gordon."

PERSONAL PRIVILEGE

Senator Kline: "I don't know about ya'll but I had nightmares last night. That this dead hand of ancient encrustations of privilege was chasing me around in my dreams. I hope I'm, I guess it falls to me as the other lawyer around, one of the other lawyers, to demand some kind of compensation for this. You know, we're talking about it but we got to act. This guy owes us. And I suggest Mr. President that among the possibilities is a dictionary. We need to be able to understand our new colleague and I think it would only be fit our colleague to maybe supply us with the means there by. So, with that I suggest compensation is due. Thank you."

PERSONAL PRIVILEGE

Senator Hargrove: "Or is point of order. Well, we don't want to teach him those pieces yet. We'll be in real trouble. What I noticed is that he has a real potential for being a one-man filibuster. You know that talent is much better in the minority which I hope is not where we end up after this session."

PERSONAL PRIVILEGE

Senator Oemig: "Thank you Mr. President. You know I welcome the new Senator from the Forty-first. I do want to suggest however that he did mess up a couple of the lines. The encrusted hand of, actually that line, that speech was born in my office and the correct line was 'encrusted fist of doom' but Senator Brandland who shares a seat next to him said that lucky he was looking over his shoulder because we actually had crusty underwear. By the way Hargrove, the new Senator reminds me a bit of his two predecessors. He's like a Fred Jarrett and a Brian Weinstein put together in a very vituperative, angry, debater with long, flowery words. Anyway, welcome."

PERSONAL PRIVILEGE

Senator Rockefeller: "Thank you Mr. President. Well, you know, until recently Senator Kline and I were the only two attorneys in this august body and I use to lament to him that there weren't enough attorneys here. But after last night, I must tell you, I've changed my mind. Now, he did treat us to some Dirksanian oratory last night. He has great promise. He's bold and brash but it's clear that he can also be obscure and obfuscating and you might want to look that up in your dictionary. But, Mr. President, I wonder maybe we should bring out that obscure rule that says 'no speech include a word that is greater than thirty seconds to pronounce'."

PERSONAL PRIVILEGE

Senator McAuliffe: "As Chair of Senate Education, I am pleased and proud to have the Senator from the Forty-first District on our committee. Many of my members are like gathering frogs in a wheelbarrow. They kind of go off in all directions. You know who you are. But the new Senator elegantly speaks for education and stands up for all that's right for our schools, our teachers and our children and he's got my back."

PERSONAL PRIVILEGE

Senator Marr: "During that eloquent speech that came last night in the middle of a long-winded night, you probably know that Senator Oemig and Senator Hobbs and myself standing in the back, well, just take my word for it, we are standing. We were listening to the good new freshman senator and just marveling how a man of his stature could represent us so well. I just want to say on behalf of Senator Oemig, Senator Hobbs and myself; we felt five foot tall last night."

PERSONAL PRIVILEGE

Senator Ranker: "I don't have too much to say about the new senator but I figure this may be our last chance to do a good Fred Jarrett impersonation. So, I think we need to suspend rule 15 so that we can go past ten pm to do a proper Fred Jarrett impersonation. In all seriousness last night I was moved and impressed by the eloquent, passionate speech of the new senator. I had no idea what he really said. We're very pleased to have you here."

PERSONAL PRIVILEGE

Senator Gordon: "I am honored to be here. I understand that I need recompense for my brashness last night and I think this is appropriate that I at this point distribute my gifts to my colleagues who have without exception been so helpful and supportive to me and I speak of all you. All of you. I'm so honored to be here. You may be used to being in this beautiful structure but I'm not. Every

THIRTY SECOND DAY, FEBRUARY 11, 2010

time I look up I'm uplifted and I know maybe you are as well. So, I just thank you so much. Can we, there's a system here that's suppose to and again I apologize, last night it seemed a little late to go and do the proper gift giving. While the gifts are going out I should note since I have another negative three seconds I should note that um there is a precedence for the experience that I am having. It goes back into ancient times."

## REPLY BY THE PRESIDENT

President Owen: "We're you there?"

## PERSONAL PRIVILEGE

Senator Gordon: "When King Phillip of Macedon, the father of Alexander the Great, first sent an emissary Cineas to the Roman Senate. He asked for a report back and he said 'What did you think of the Roman Senate?', and he returned and he said 'It is an assembly of kings.' Let me say that we only have one king and this assembly but truthfully everyone of you is to be honored. I am so privileged to be amongst a group of people who without exception, have committed themselves to this kind of public service. I have just received my first pay check so I know it's got to be public service. I was kind of shocked I had to pay for my parking spot but, you know, you live and learn. Every one of us speaks for over a hundred thousand of our fellow citizens and no one can ever be working hard enough to do that job. So, thank you all. Thank you all for your kind remarks and your ribbing. I look forward to working with all of you and please distribute the gifts because I am going to keep on talking until you do. Now, these are chocolates from Amore Main Street, Bellevue. I'll conclude with this: The nuts are equally distributed evenly across both aisles and each box is half nuts. Thank you."

## PERSONAL PRIVILEGE

Senator Eide: "Thank you Mr. President. Just for the students up in the gallery. We do a roasting for a brand new Senator. We always have done it, it is a tradition here. We always play, have fun with them. But it's a very serious business being here on the Senate floor but you got to participate in a fun morning."

**"PART I  
ACCOUNTABILITY FRAMEWORK**

NEW SECTION. Sec. 101. The legislature finds that it is the state's responsibility to create a coherent and effective accountability framework for the continuous improvement for all

schools and districts. This system must provide an excellent and equitable education for all students; an aligned federal/state accountability system; and the tools necessary for schools and districts to be accountable. These tools include the necessary accounting and data reporting systems, assessment systems to monitor student achievement, and a system of general support, targeted assistance, and if necessary, intervention.

The office of the superintendent of public instruction is responsible for developing and implementing the accountability tools to build district capacity and working within federal and state guidelines. The legislature assigned the state board of education responsibility and oversight for creating an accountability framework. This framework provides a unified system of support for challenged schools that aligns with basic education, increases the level of support based upon the magnitude of need, and uses data for decisions. Such a system will identify schools and their districts for recognition as well as for additional state support. For a specific group of challenged schools, defined as persistently lowest-achieving schools, and their districts, it is necessary to provide a required action process that creates a partnership between the state and local district to target funds and assistance to turn around the identified lowest-achieving schools.

Phase I of this accountability system will recognize schools that have done an exemplary job of raising student achievement and closing the achievement gaps using the state board of education's accountability index. The state board of education shall have ongoing collaboration with the achievement gap oversight and accountability committee regarding the measures used to measure the closing of the achievement gaps and the recognition provided to the school districts for closing the achievement gaps. Phase I will also target the lowest five percent of persistently lowest-achieving schools defined under federal guidelines to provide federal funds and federal intervention models through a voluntary option in 2010, and for those who do not volunteer and have not improved student achievement, a required action process beginning in 2011.

Phase II of this accountability system will work toward implementing the state board of education's accountability index for identification of schools in need of improvement, including those that are not Title I schools, and the use of state and local intervention models and state funds through a required action process beginning in 2013, in addition to the federal program. Federal approval of the state board of education's accountability index must be obtained or else the federal guidelines for persistently lowest-achieving schools will continue to be used.

The expectation from implementation of this accountability system is the improvement of student achievement for all students to prepare them for postsecondary education, work, and global citizenship in the twenty-first century.

NEW SECTION. Sec. 102. (1) Beginning in 2010, and each year thereafter, by December 1st, the superintendent of public instruction shall annually identify schools as one of the state's persistently lowest-achieving schools if the school is a Title I school, or a school that is eligible for, but does not receive Title I funds, that is among the lowest-achieving five percent of schools in the state.

(2) The criteria for determining whether a school is among the persistently lowest-achieving five percent of Title I schools, or Title I eligible schools, under subsection (1) of this section shall be established by the superintendent of public instruction. The criteria must meet all applicable requirements for the receipt of a federal school improvement grant under the American recovery and reinvestment act of 2009 and Title I of the elementary and secondary education act of 1965, and take into account both:

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

(a) The academic achievement of the "all students" group in a school in terms of proficiency on the state's assessment, and any alternative assessments, in reading and mathematics combined; and

(b) The school's lack of progress on the mathematics and reading assessments over a number of years in the "all students" group.

**NEW SECTION. Sec. 103.** (1) Beginning in January 2011, the superintendent of public instruction shall annually recommend to the state board of education school districts for designation as required action districts. A district with at least one school identified as a persistently lowest-achieving school shall be designated as a required action district if it meets the criteria developed by the superintendent of public instruction. However, a school district shall not be recommended for designation as a required action district if the district was awarded a federal school improvement grant by the superintendent in 2010 and for three consecutive years following receipt of the grant implemented a federal school intervention model at each school identified for improvement. The state board of education may designate a district that received a school improvement grant in 2010 as a required action district if after three years of voluntarily implementing a plan the district continues to have a school identified as persistently lowest-achieving and meets the criteria for designation established by the superintendent of public instruction.

(2) The superintendent of public instruction shall provide a school district superintendent with written notice of the recommendation for designation as a required action district by certified mail or personal service. A school district superintendent may request reconsideration of the superintendent of public instruction's recommendation. The reconsideration shall be limited to a determination of whether the school district met the criteria for being recommended as a required action district. A request for reconsideration must be in writing and served on the superintendent of public instruction within ten days of service of the notice of the superintendent's recommendation.

(3) The state board of education shall annually designate those districts recommended by the superintendent in subsection (1) of this section as required action districts. A district designated as a required action district shall be required to notify all parents of students attending a school identified as a persistently lowest-achieving school in the district of the state board of education's designation of the district as a required action district and the process for complying with the requirements set forth in sections 104 through 109 of this act.

**NEW SECTION. Sec. 104.** (1) The superintendent of public instruction shall contract with an external review team to conduct an academic performance audit of the district and each persistently lowest-achieving school in a required action district to identify the potential reasons for the school's low performance and lack of progress. The review team must consist of persons under contract with the superintendent who have expertise in comprehensive school and district reform and may not include staff from the agency, the school district that is the subject of the audit, or members or staff of the state board of education.

(2) The audit must be conducted based on criteria developed by the superintendent of public instruction and must include but not be limited to an examination of the following:

- (a) Student demographics;
- (b) Mobility patterns;
- (c) School feeder patterns;
- (d) The performance of different student groups on assessments;
- (e) Effective school leadership;
- (f) Strategic allocation of resources;
- (g) Clear and shared focus on student learning;

- (h) High standards and expectations for all students;
- (i) High level of collaboration and communication;
- (j) Aligned curriculum, instruction, and assessment to state standards;

(k) Frequency of monitoring of learning and teaching;

(l) Focused professional development;

(m) Supportive learning environment;

(n) High level of family and community involvement; and

(o) Alternative secondary schools best practices.

(3) Audit findings must be made available to the local school district, its staff, the community, and the state board of education.

**NEW SECTION. Sec. 105.** (1) The local district superintendent and local school board of a school district designated as a required action district must submit a required action plan to the state board of education for approval. Unless otherwise required by subsection (3) of this section, the plan must be submitted under a schedule as required by the state board. A required action plan must be developed in collaboration with administrators, teachers, and other staff, parents, unions representing any employees within the district, students, and other representatives of the local community. The superintendent of public instruction shall provide a district with assistance in developing its plan if requested. The school board must conduct a public hearing to allow for comment on a proposed required action plan. The local school district shall submit the plan first to the office of the superintendent of public instruction to review and approve that the plan is consistent with federal guidelines. After the office of the superintendent of public instruction has approved that the plan is consistent with federal guidelines, the local school district must submit its required action plan to the state board of education for approval.

(2) A required action plan must include all of the following:

(a) Implementation of one of the four federal intervention models required for the receipt of a federal school improvement grant, for those persistently lowest-achieving schools that the district will be focusing on for required action. However, a district may not establish a charter school under a federal intervention model without express legislative authority. The intervention models are the turnaround, restart, school closure, and transformation models. The intervention model selected must address the concerns raised in the academic performance audit and be intended to improve student performance to allow a school district to be removed from the list of districts designated as a required action district by the state board of education within three years of implementation of the plan;

(b) Submission of an application for a federal school improvement grant to the superintendent of public instruction;

(c) A budget that provides for adequate resources to implement the federal model selected and any other requirements of the plan;

(d) A description of the changes in the district's or school's existing policies, structures, agreements, processes, and practices that are intended to attain significant achievement gains for all students enrolled in the school;

(e) Identification of the measures that the school district will use in assessing student achievement at a school identified as a persistently lowest-achieving school, which include improving mathematics and reading student achievement and graduation rates as defined by the office of the superintendent of public instruction that enable the school to no longer be identified as a persistently lowest-achieving school.

(3)(a) For any district designated for required action, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after the effective date of this section must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement a required action plan.

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

(b) If the school district and the employee organizations are unable to agree on the terms of an addendum or modification to an existing collective bargaining agreement, the parties, including all labor organizations affected under the required action plan, shall request the public employment relations commission to, and the commission shall, appoint an employee of the commission to act as a mediator to assist in the resolution of a dispute between the school district and the employee organizations. Beginning in 2011, and each year thereafter, mediation shall commence no later than April 15th. All mediations held under this section shall include the employer and representatives of all affected bargaining units.

(c) If the executive director of the public employment relations commission, upon the recommendation of the assigned mediator, finds that the employer and any affected bargaining unit are unable to reach agreement following a reasonable period of negotiations and mediation, but by no later than May 15th of the year in which mediation occurred, the executive director shall certify any disputed issues for a decision by the superior court in the county where the school district is located. The issues for determination by the superior court must be limited to the issues certified by the executive director.

(d) The process for filing with the court in this subsection (3)(d) must be used in the case where the executive director certifies issues for a decision by the superior court.

(i) The school district shall file a petition with the superior court, by no later than May 20th of the same year in which the issues were certified, setting forth the following:

(A) The name, address, and telephone number of the school district and its principal representative;

(B) The name, address, and telephone number of the employee organizations and their principal representatives;

(C) A description of the bargaining units involved;

(D) A copy of the unresolved issues certified by the executive director for a final and binding decision by the court; and

(E) The academic performance audit that the office of the superintendent of public instruction completed for the school district.

(ii) Within seven days after the filing of the petition, each party shall file with the court the proposal it is asking the court to order be implemented in a required action plan for the district for each issue certified by the executive director. Contemporaneously with the filing of the proposal, a party must file a brief with the court setting forth the reasons why the court should order implementation of its proposal in the final plan.

(iii) Following receipt of the proposals and briefs of the parties, the court must schedule a date and time for a hearing on the petition. The hearing must be limited to argument of the parties or their counsel regarding the proposals submitted for the court's consideration. The parties may waive a hearing by written agreement.

(iv) The court must enter an order selecting the proposal for inclusion in a required action plan that best responds to the issues raised in the school district's academic performance audit, and allows for the award of a federal school improvement grant to the district from the office of the superintendent of public instruction to implement one of the four federal intervention models. The court's decision must be issued no later than June 15th of the year in which the petition is filed and is final and binding on the parties; however the court's decision is subject to appeal only in the case where it does not allow the school district to implement a required action plan consistent with the requirements for the award of a federal school improvement grant by the superintendent of public instruction.

(e) Each party shall bear its own costs and attorneys' fees incurred under this statute.

(f) Any party that proceeds with the process in this section after knowledge that any provision of this section has not been complied with and who fails to state its objection in writing is deemed to have waived its right to object.

(4) All contracts entered into between a school district and an employee must be consistent with this section and allow school districts designated as required action districts to implement one of the four federal models in a required action plan.

**NEW SECTION. Sec. 106.** A required action plan developed by a district's school board and superintendent must be submitted to the state board of education for approval. The state board must accept for inclusion in any required action plan the final decision by the superior court on any issue certified by the executive director of the public employment relations commission under the process in section 105 of this act. The state board of education shall approve a plan proposed by a school district only if it meets the requirements set forth in section 105 of this act. Any addendum or modification to an existing collective bargaining agreement, negotiated under section 105 of this act or by agreement of the district and the exclusive bargaining unit, related to student achievement or school improvement shall not go into effect until approval of a required action plan by the state board of education. If the state board does not approve a proposed plan, it must notify the local school board and local district's superintendent in writing with an explicit rationale for why the plan was not approved. Nonapproval by the state board of education of the local school district's initial required action plan submitted is not intended to trigger any actions under section 107 of this act. With the assistance of the office of the superintendent of public instruction, the superintendent and school board of the required action district shall submit a new plan to the state board of education for approval within forty days of notification that its plan was rejected. If federal funds are not available, the plan is not required to be implemented until such funding becomes available. If federal funds for this purpose are available, a required action plan must be implemented in the immediate school year following the district's designation as a required action district.

**NEW SECTION. Sec. 107.** The state board of education may direct the superintendent of public instruction to require a school district that has not submitted a final required action plan for approval, or has submitted but not received state board of education approval of a required action plan by the beginning of the school year in which the plan is intended to be implemented, to redirect the district's Title I funds based on the academic performance audit findings.

**NEW SECTION. Sec. 108.** A school district must implement a required action plan upon approval by the state board of education. The office of superintendent of public instruction must provide the required action district with technical assistance and federal school improvement grant funds, if available, to implement an approved plan. The district must submit a report to the superintendent of public instruction that provides the progress the district is making in meeting the student achievement goals based on the state's assessments, identifying strategies and assets used to solve audit findings, and establishing evidence of meeting plan implementation benchmarks as set forth in the required action plan.

**NEW SECTION. Sec. 109.** (1) The superintendent of public instruction must provide a report twice per year to the state board of education regarding the progress made by all school districts designated as required action districts.

(2) The superintendent of public instruction must recommend to the state board of education that a school district be released from the designation as a required action district after the district implements a required action plan for a period of three years; has

THIRTY SECOND DAY, FEBRUARY 11, 2010

made progress, as defined by the superintendent of public instruction, in reading and mathematics on the state's assessment over the past three consecutive years; and no longer has a school within the district identified as persistently lowest achieving. The state board shall release a school district from the designation as a required action district upon confirmation that the district has met the requirements for a release.

(3) If the state board of education determines that the required action district has not met the requirements for release, the district remains in required action and must submit a new or revised plan under the process in section 105 of this act.

**Sec. 110.** RCW 28A.305.225 and 2009 c 548 s 503 are each amended to read as follows:

(1) The state board of education shall continue to refine the development of an accountability framework that creates a unified system of support for challenged schools, that aligns with basic education, increases the level of support based upon the magnitude of need, and uses data for decisions.

(2) The state board of education shall develop an accountability index to identify schools and districts for recognition, for continuous improvement, and for additional state support. The index shall be based on criteria that are fair, consistent, and transparent. Performance shall be measured using multiple outcomes and indicators including, but not limited to, graduation rates and results from statewide assessments. The index shall be developed in such a way as to be easily understood by both employees within the schools and districts, as well as parents and community members. It is the legislature's intent that the index provide feedback to schools and districts to self-assess their progress, and enable the identification of schools with exemplary student performance and those that need assistance to overcome challenges in order to achieve exemplary student performance. ~~((Once the accountability index has identified schools that need additional help, a more thorough analysis will be done to analyze specific conditions in the district including but not limited to the level of state resources a school or school district receives in support of the basic education system, achievement gaps for different groups of students, and community support.~~

~~—(3) Based on the accountability index and in consultation with the superintendent of public instruction, the state board of education shall develop a proposal and timeline for implementation of a comprehensive system of voluntary support and assistance for schools and districts. The timeline must take into account and accommodate capacity limitations of the K-12 educational system. Changes that have a fiscal impact on school districts, as identified by a fiscal analysis prepared by the office of the superintendent of public instruction, shall take effect only if formally authorized by the legislature through the omnibus appropriations act or other enacted legislation.~~

~~—(4)(a) The state board of education shall develop a proposal and implementation timeline for a more formalized comprehensive system improvement targeted to challenged schools and districts that have not demonstrated sufficient improvement through the voluntary system. The timeline must take into account and accommodate capacity limitations of the K-12 educational system. The proposal and timeline shall be submitted to the education committees of the legislature by December 1, 2009, and shall include recommended legislation and recommended resources to implement the system according to the timeline developed.~~

~~—(b) The proposal shall outline a process for addressing performance challenges that will include the following features: (i) An academic performance audit using peer review teams of educators that considers school and community factors in addition to other factors in developing recommended specific corrective actions that should be undertaken to improve student learning; (ii) a~~

2010 REGULAR SESSION

~~requirement for the local school board plan to develop and be responsible for implementation of corrective action plan taking into account the audit findings, which plan must be approved by the state board of education at which time the plan becomes binding upon the school district to implement; and (iii) monitoring of local district progress by the office of the superintendent of public instruction. The proposal shall take effect only if formally authorized by the legislature through the omnibus appropriations act or other enacted legislation.~~

~~—(5)) (3) The state board of education, in cooperation with the office of the superintendent of public instruction, shall annually recognize schools for exemplary performance as measured on the state board of education accountability index. The state board of education shall have ongoing collaboration with the achievement gap oversight and accountability committee regarding the measures used to measure the closing of the achievement gaps and the recognition provided to the school districts for closing the achievement gaps.~~

~~—(4) In coordination with the superintendent of public instruction, the state board of education shall seek approval from the United States department of education for use of the accountability index and the state system of support, assistance, and intervention, to replace the federal accountability system under P.L. 107-110, the no child left behind act of 2001.~~

~~((6)) (5) The state board of education shall work with the education data center established within the office of financial management and the technical working group established in section 112, chapter 548, Laws of 2009 to determine the feasibility of using the prototypical funding allocation model as not only a tool for allocating resources to schools and districts but also as a tool for schools and districts to report to the state legislature and the state board of education on how the state resources received are being used.~~

**NEW SECTION. Sec. 111.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "All students group" means those students in grades three through eight and high school who take the state's assessment in reading and mathematics required under 20 U.S.C. Sec. 6311(b)(3).

(2) "Title I" means Title I, part A of the federal elementary and secondary education act of 1965 (ESEA) (20 U.S.C. Secs. 6311-6322).

**NEW SECTION. Sec. 112.** The superintendent of public instruction may adopt rules in accordance with chapter 34.05 RCW as necessary to implement this chapter.

## PART II EVALUATIONS

**Sec. 201.** RCW 28A.150.230 and 2006 c 263 s 201 are each amended to read as follows:

(a) Establish performance criteria and an evaluation process for its superintendent, classified staff, certificated personnel, including administrative staff, and for all programs constituting a part of such district's curriculum. Each district shall report annually to the superintendent of public instruction the following for each employee group listed in this subsection (2)(a): (i) Evaluation criteria and rubrics; (ii) a description of each rating; and (iii) the number of staff in each rating;

(b) Determine the final assignment of staff, certificated or classified, according to board enumerated classroom and program needs and data, based upon a plan to ensure that the assignment policy: (i) Supports the learning needs of all the students in the district; and (ii) gives specific attention to high-need schools and classrooms;

(c) Provide information to the local community and its electorate describing the school district's policies concerning hiring, assigning, terminating, and evaluating staff, including the criteria for evaluating teachers and principals;

(d) Determine the amount of instructional hours necessary for any student to acquire a quality education in such district, in not less than an amount otherwise required in RCW 28A.150.220, or rules of the state board of education;

~~((#))~~ (e) Determine the allocation of staff time, whether certificated or classified;

~~((#))~~ (f) Establish final curriculum standards consistent with law and rules of the superintendent of public instruction, relevant to the particular needs of district students or the unusual characteristics of the district, and ensuring a quality education for each student in the district; and

~~((#))~~ (g) Evaluate teaching materials, including text books, teaching aids, handouts, or other printed material, in public hearing upon complaint by parents, guardians or custodians of students who consider dissemination of such material to students objectionable.

**Sec. 202.** RCW 28A.405.100 and 1997 c 278 s 1 are each amended to read as follows:

(1)(a) Except as provided in subsection (2) of this section, the superintendent of public instruction shall establish and may amend from time to time minimum criteria for the evaluation of the professional performance capabilities and development of certificated classroom teachers and certificated support personnel. For classroom teachers the criteria shall be developed in the following categories: Instructional skill; classroom management, professional preparation and scholarship; effort toward improvement when needed; the handling of student discipline and attendant problems; and interest in teaching pupils and knowledge of subject matter.

(b) Every board of directors shall, in accordance with procedure provided in RCW 41.59.010 through 41.59.170, 41.59.910 and 41.59.920, establish evaluative criteria and procedures for all certificated classroom teachers and certificated support personnel. The evaluative criteria must contain as a minimum the criteria established by the superintendent of public instruction pursuant to this section and must be prepared within six months following adoption of the superintendent of public instruction's minimum criteria. The district must certify to the superintendent of public instruction that evaluative criteria have been so prepared by the district.

(2)(a) Pursuant to the implementation schedule established in subsection (7)(b) of this section, every board of directors shall, in accordance with procedures provided in RCW 41.59.010 through 41.59.170, 41.59.910, and 41.59.920, establish revised evaluative criteria and a four-level rating system for all certificated classroom teachers.

(b) The minimum criteria shall include: (i) Centering instruction on high expectations for student achievement; (ii)

demonstrating effective teaching practices; (iii) recognizing individual student learning needs and developing strategies to address those needs; (iv) providing clear and intentional focus on subject matter content and curriculum; (v) fostering and managing a safe, positive learning environment; (vi) using multiple student data elements to modify instruction and improve student learning; (vii) communicating and collaborating with parents and school community; and (viii) exhibiting collaborative and collegial practices focused on improving instructional practice and student learning.

(c) The four-level rating system used to evaluate the certificated classroom teacher must describe performance along a continuum that indicates the extent to which the criteria have been met or exceeded. When student growth data, if available and relevant to the teacher and subject matter, is referenced in the evaluation process it must be based on multiple measures that can include classroom-based, school-based, district-based, and state-based tools. As used in this subsection, "student growth" means the change in student achievement between two points in time.

(3)(a) Except as provided in subsection ~~((#))~~ (10) of this section, it shall be the responsibility of a principal or his or her designee to evaluate all certificated personnel in his or her school. During each school year all classroom teachers and certificated support personnel ~~(, hereinafter referred to as "employees" in this section.)~~ shall be observed for the purposes of evaluation at least twice in the performance of their assigned duties. Total observation time for each employee for each school year shall be not less than sixty minutes. An employee in the third year of provisional status as defined in RCW 28A.405.220 shall be observed at least three times in the performance of his or her duties and the total observation time for the school year shall not be less than ninety minutes. Following each observation, or series of observations, the principal or other evaluator shall promptly document the results of the observation in writing, and shall provide the employee with a copy thereof within three days after such report is prepared. New employees shall be observed at least once for a total observation time of thirty minutes during the first ninety calendar days of their employment period.

(b) As used in this subsection and subsection (4) of this section, "employees" means classroom teachers and certificated support personnel.

(4)(a) At any time after October 15th, an employee whose work is not judged ~~((unsatisfactory))~~ satisfactory based on district evaluation criteria shall be notified in writing of the specific areas of deficiencies along with a reasonable program for improvement. During the period of probation, the employee may not be transferred from the supervision of the original evaluator. Improvement of performance or probable cause for nonrenewal must occur and be documented by the original evaluator before any consideration of a request for transfer or reassignment as contemplated by either the individual or the school district. A probationary period of sixty school days shall be established. The establishment of a probationary period does not adversely affect the contract status of an employee within the meaning of RCW 28A.405.300. The purpose of the probationary period is to give the employee opportunity to demonstrate improvements in his or her areas of deficiency. The establishment of the probationary period and the giving of the notice to the employee of deficiency shall be by the school district superintendent and need not be submitted to the board of directors for approval. During the probationary period the evaluator shall meet with the employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. The evaluator may authorize one additional certificated employee to evaluate the probationer and to aid the employee in improving his or her areas of deficiency; such

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

additional certificated employee shall be immune from any civil liability that might otherwise be incurred or imposed with regard to the good faith performance of such evaluation. The probationer may be removed from probation if he or she has demonstrated improvement to the satisfaction of the principal in those areas specifically detailed in his or her initial notice of deficiency and subsequently detailed in his or her improvement program. Lack of necessary improvement during the established probationary period, as specifically documented in writing with notification to the probationer and shall constitute grounds for a finding of probable cause under RCW 28A.405.300 or 28A.405.210.

(b) Immediately following the completion of a probationary period that does not produce performance changes detailed in the initial notice of deficiencies and improvement program, the employee may be removed from his or her assignment and placed into an alternative assignment for the remainder of the school year. This reassignment may not displace another employee nor may it adversely affect the probationary employee's compensation or benefits for the remainder of the employee's contract year. If such reassignment is not possible, the district may, at its option, place the employee on paid leave for the balance of the contract term.

((2)) (5) Every board of directors shall establish evaluative criteria and procedures for all superintendents, principals, and other administrators. It shall be the responsibility of the district superintendent or his or her designee to evaluate all administrators. Except as provided in subsection (6) of this section, such evaluation shall be based on the administrative position job description. Such criteria, when applicable, shall include at least the following categories: Knowledge of, experience in, and training in recognizing good professional performance, capabilities and development; school administration and management; school finance; professional preparation and scholarship; effort toward improvement when needed; interest in pupils, employees, patrons and subjects taught in school; leadership; and ability and performance of evaluation of school personnel.

((3)) (6)(a) Pursuant to the implementation schedule established by subsection (7)(b) of this section, every board of directors shall establish revised evaluative criteria and a four-level rating system for principals.

(b) The minimum criteria shall include: (i) Creating a school culture that promotes the ongoing improvement of learning and teaching for students and staff; (ii) demonstrable commitment to closing the achievement gap; (iii) providing for school safety; (iv) leading the development, implementation, and evaluation of a data-driven plan for increasing student achievement, including the use of multiple student data elements; (v) assisting instructional staff with alignment of curriculum, instruction, and assessment with state and local district learning goals; (vi) monitoring, assisting, and evaluating effective instruction and assessment practices; (vii) managing both staff and fiscal resources to support student achievement and legal responsibilities; and (viii) partnering with the school community to promote student learning.

(c) The four-level rating system used to evaluate the principal must describe performance along a continuum that indicates the extent to which the criteria have been met or exceeded. When available, student growth data that is referenced in the evaluation process must be based on multiple measures that can include classroom-based, school-based, district-based, and state-based tools. As used in this subsection, "student growth" means the change in student achievement between two points in time.

(7)(a) The superintendent of public instruction, in collaboration with state professional associations representing teachers, principals, administrators, and at least one parent who is not a teacher, principal, administrator, or employee of a school district, educational service district, or state educational agency, association,

or organization shall create models for implementing the evaluation system criteria, student growth tools, professional development programs, and evaluator training for certificated classroom teachers and principals. The statewide parent-teacher organization shall select one representative. Individuals who apply must have demonstrated an interest in public schools, be supportive of educational improvement, and be willing to devote sufficient time to create the models, programs, and tools. Human resources specialists, professional development experts, and assessment experts must also be consulted. Due to the diversity of teaching assignments and the many developmental levels of students, classroom teachers and principals must be prominently represented in this work. The models must be available for use in the 2011-12 school year.

(b) A new certificated classroom teacher evaluation system that implements the provisions of subsection (2) of this section and a new principal evaluation system that implements the provisions of subsection (6) of this section shall be phased-in beginning with the 2010-11 school year by districts identified in (c) of this subsection and implemented in all school districts beginning with the 2013-14 school year.

(c) A set of school districts shall be selected by the superintendent of public instruction to participate in a collaborative process resulting in the development and piloting of new certificated classroom teacher and principal evaluation systems during the 2010-11 and 2011-12 school years. These school districts must be selected based on: (i) The agreement of the local associations representing classroom teachers and principals to collaborate with the district in this developmental work and (ii) the agreement to participate in the full range of development and implementation activities, including: Development of rubrics for the evaluation criteria and ratings in subsections (2) and (6) of this section; identification of or development of appropriate multiple measures of student growth in subsections (2) and (6) of this section; development of appropriate evaluation system forms; participation in professional development for principals and classroom teachers regarding the content of the new evaluation system; participation in evaluator training; and participation in activities to evaluate the effectiveness of the new systems and support programs. The school districts must submit all student data available to the office of the superintendent of public instruction, preferably in electronic form. The superintendent of public instruction must analyze the districts' evaluative data, including data that is not used or is underutilized in the evaluations, consult with participating districts and stakeholders, recommend appropriate changes, and address statewide implementation issues. The superintendent of public instruction shall report evaluation system implementation status, evaluation data, and recommendations to appropriate committees of the legislature and governor by July 1, 2011, and at the conclusion of the development phase by July 1, 2012.

(8) Each certificated (~~employee~~) classroom teacher and certificated support personnel shall have the opportunity for confidential conferences with his or her immediate supervisor on no less than two occasions in each school year. Such confidential conference shall have as its sole purpose the aiding of the administrator in his or her assessment of the employee's professional performance.

((4)) (9) The failure of any evaluator to evaluate or supervise or cause the evaluation or supervision of certificated (~~employees~~) classroom teachers and certificated support personnel or administrators in accordance with this section, as now or hereafter amended, when it is his or her specific assigned or delegated responsibility to do so, shall be sufficient cause for the nonrenewal of any such evaluator's contract under RCW 28A.405.210, or the discharge of such evaluator under RCW 28A.405.300.

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

~~((5))~~ (10) After ~~((an employee))~~ a certificated classroom teacher or certificated support personnel has four years of satisfactory evaluations under subsection (1) of this section or has received one of the two top ratings for four years under subsection (2) of this section, a school district may use a short form of evaluation, a locally bargained evaluation emphasizing professional growth, an evaluation under subsection (1) or (2) of this section, or any combination thereof. The short form of evaluation shall include either a thirty minute observation during the school year with a written summary or a final annual written evaluation based on the criteria in subsection (1) or (2) of this section and based on at least two observation periods during the school year totaling at least sixty minutes without a written summary of such observations being prepared. A locally bargained short-form evaluation emphasizing professional growth must provide that the professional growth activity conducted by the certificated classroom teacher be specifically linked to one or more of the certificated classroom teacher evaluation criteria. However, the evaluation process set forth in subsection (1) or (2) of this section shall be followed at least once every three years unless this time is extended by a local school district under the bargaining process set forth in chapter 41.59 RCW. The employee or evaluator may require that the evaluation process set forth in subsection (1) or (2) of this section be conducted in any given school year. No evaluation other than the evaluation authorized under subsection (1) or (2) of this section may be used as a basis for determining that an employee's work is ~~((unsatisfactory))~~ not satisfactory under subsection (1) or (2) of this section or as probable cause for the nonrenewal of an employee's contract under RCW 28A.405.210 unless an evaluation process developed under chapter 41.59 RCW determines otherwise.

**Sec. 203.** RCW 28A.405.220 and 2009 c 57 s 2 are each amended to read as follows:

(1) Notwithstanding the provisions of RCW 28A.405.210, every person employed by a school district in a teaching or other nonsupervisory certificated position shall be subject to nonrenewal of employment contract as provided in this section during the first ~~((two))~~ three years of employment by such district, unless: (a) The employee has previously completed at least two years of certificated employment in another school district in the state of Washington, in which case the employee shall be subject to nonrenewal of employment contract pursuant to this section during the first year of employment with the new district; or (b) the school district superintendent may make a determination to remove an employee from provisional status if the employee has received one of the top two evaluation ratings during the second year of employment by the district. Employees as defined in this section shall hereinafter be referred to as "provisional employees((-))."

(2) In the event the superintendent of the school district determines that the employment contract of any provisional employee should not be renewed by the district for the next ensuing term such provisional employee shall be notified thereof in writing on or before May 15th preceding the commencement of such school term, or if the omnibus appropriations act has not passed the legislature by May 15th, then notification shall be no later than June 15th, which notification shall state the reason or reasons for such determination. Such notice shall be served upon the provisional employee personally, or by certified or registered mail, or by leaving a copy of the notice at the place of his or her usual abode with some person of suitable age and discretion then resident therein. The determination of the superintendent shall be subject to the evaluation requirements of RCW 28A.405.100.

(3) Every such provisional employee so notified, at his or her request made in writing and filed with the superintendent of the district within ten days after receiving such notice, shall be given the opportunity to meet informally with the superintendent for the

purpose of requesting the superintendent to reconsider his or her decision. Such meeting shall be held no later than ten days following the receipt of such request, and the provisional employee shall be given written notice of the date, time and place of meeting at least three days prior thereto. At such meeting the provisional employee shall be given the opportunity to refute any facts upon which the superintendent's determination was based and to make any argument in support of his or her request for reconsideration.

(4) Within ten days following the meeting with the provisional employee, the superintendent shall either reinstate the provisional employee or shall submit to the school district board of directors for consideration at its next regular meeting a written report recommending that the employment contract of the provisional employee be nonrenewed and stating the reason or reasons therefor. A copy of such report shall be delivered to the provisional employee at least three days prior to the scheduled meeting of the board of directors. In taking action upon the recommendation of the superintendent, the board of directors shall consider any written communication which the provisional employee may file with the secretary of the board at any time prior to that meeting.

(5) The board of directors shall notify the provisional employee in writing of its final decision within ten days following the meeting at which the superintendent's recommendation was considered. The decision of the board of directors to nonrenew the contract of a provisional employee shall be final and not subject to appeal.

(6) This section applies to any person employed by a school district in a teaching or other nonsupervisory certificated position after June 25, 1976. This section provides the exclusive means for nonrenewing the employment contract of a provisional employee and no other provision of law shall be applicable thereto, including, without limitation, RCW 28A.405.210 and chapter 28A.645 RCW.

NEW SECTION. Sec. 204. A new section is added to chapter 28A.405 RCW to read as follows:

(1) Representatives of the office of the superintendent of public instruction and statewide associations representing administrators, principals, human resources specialists, and certificated classroom teachers shall analyze how the evaluation systems in RCW 28A.405.100 (2) and (6) affect issues related to a change in contract status.

(2) The analysis shall be conducted during each of the phase-in years of the certificated classroom teacher and principal evaluation systems. The analysis shall include: Procedures, timelines, probationary periods, appeal procedures, and other items related to the timely exercise of employment decisions and due process provisions for certificated classroom teachers and principals.

NEW SECTION. Sec. 205. A new section is added to chapter 28A.405 RCW to read as follows:

If funds are provided for professional development activities designed specifically for first through third-year teachers, the funds shall be allocated first to districts participating in the evaluation systems in RCW 28A.405.100 (2) and (6) before the required implementation date under that section.

**Sec. 301.** RCW 28A.400.200 and 2002 c 353 s 2 are each amended to read as follows:

(1) Every school district board of directors shall fix, alter, allow, and order paid salaries and compensation for all district employees in conformance with this section.

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

(c) Salary and benefits for certificated instructional staff in programs other than basic education shall be consistent with the salary and benefits paid to certificated instructional staff in the basic education program.

(4) Salaries and benefits for certificated instructional staff may exceed the limitations in subsection (3) of this section only by separate contract for additional time, for additional responsibilities, ~~((or))~~ for incentives, or for implementing specific measurable innovative activities, including professional development, specified by the school district to: (a) Close one or more achievement gaps, (b) focus on development of science, technology, engineering, and mathematics (STEM) learning opportunities, or (c) provide arts education. Beginning September 1, 2011, school districts shall annually provide a brief description of the innovative activities included in any supplemental contract to the office of the superintendent of public instruction. The superintendent of public instruction shall annually summarize the district information and submit a report to the education committees of the house of representatives and the senate. Candidates completing teacher preparation programs in the 2012-13 school year and thereafter must successfully pass this assessment. Assessment results from persons completing each preparation program must be reported annually by the professional educator standards board to the governor and the education and fiscal committees of the legislature by December 1st.

**NEW SECTION. Sec. 402.** A new section is added to chapter 28A.410 RCW to read as follows:

(2) Each prospective teacher preparation program provider, in cooperation with a Washington school district or consortia of school districts applying ~~((for the))~~ to operate alternative route certification program shall ~~((submit a))~~ include in its proposal to the Washington professional educator standards board ~~((specifying))~~:

(a) The route or routes the partnership program intends to offer and a detailed description of how the routes will be structured and operated by the partnership;

(b) The estimated number of candidates that will be enrolled per route;

(c) An identification, indication of commitment, and description of the role of approved teacher preparation programs ~~((that are))~~ and partnering ~~((with the))~~ district or consortia of districts;

(d) An assurance ~~((of))~~ that the district ~~((provision of))~~ or approved preparation program provider will provide adequate training for mentor teachers ~~((either through participation in a state mentor training academy or district provided training that meets state established mentor training standards))~~ specific to the mentoring of alternative route candidates;

(e) An assurance that significant time will be provided for mentor teachers to spend with the alternative route teacher candidates throughout the internship. Partnerships must provide each candidate with intensive classroom mentoring until such time as the candidate demonstrates the competency necessary to manage

the classroom with less intensive supervision and guidance from a mentor;

(f) A description of the rigorous screening process for applicants to alternative route programs, including entry requirements specific to each route, as provided in RCW 28A.660.040; ~~((and))~~

(g) A summary of procedures that provide flexible completion opportunities for candidates to achieve a residency certificate; and

(h) The design and use of a teacher development plan for each candidate. The plan shall specify the alternative route coursework and training required of each candidate and shall be developed by comparing the candidate's prior experience and coursework with the state's new performance-based standards for residency certification and adjusting any requirements accordingly. The plan may include the following components:

(i) A minimum of one-half of a school year, and an additional significant amount of time if necessary, of intensive mentorship during field experience, starting with full-time mentoring and progressing to increasingly less intensive monitoring and assistance as the intern demonstrates the skills necessary to take over the classroom with less intensive support. For route one and two candidates, before the supervision is diminished, the mentor of the teacher candidate at the school and the supervisor of the teacher candidate from the ~~((higher education))~~ teacher preparation program must both agree that the teacher candidate is ready to manage the classroom with less intensive supervision. For route three and four candidates, the mentor of the teacher candidate shall make the decision;

(ii) Identification of performance indicators based on the knowledge and skills standards required for residency certification by the Washington professional educator standards board;

(iii) Identification of benchmarks that will indicate when the standard is met for all performance indicators;

(iv) A description of strategies for assessing candidate performance on the benchmarks;

(v) Identification of one or more tools to be used to assess a candidate's performance once the candidate has been in the classroom for about one-half of a school year; ~~((and))~~

(vi) A description of the criteria that would result in residency certification after about one-half of a school year but before the end of the program; and

(vii) A description of how the district intends for the alternative route program to support its workforce development plan and how the presence of alternative route interns will advance its school improvement plans.

~~((2))~~ (3) To the extent funds are appropriated for this purpose, ~~((districts))~~ alternative route programs may apply for program funds to pay stipends to trained mentor teachers of interns during the mentored internship. The per intern amount of mentor stipend provided by state funds shall not exceed five hundred dollars.

The state shall forgive one year of loan obligation for every two years a recipient teaches in a public school. Recipients who fail to continue a course of study leading to residency teacher certification or cease to teach in a public school in the state of Washington in their endorsement area are required to repay the remaining loan principal with interest.

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

(5) Recipients who fail to fulfill the required teaching obligation are required to repay the remaining loan principal with interest and any other applicable fees. The higher education coordinating board shall adopt rules to define the terms for repayment, including applicable interest rates, fees, and deferments.

(6) The higher education coordinating board may deposit all appropriations, collections, and any other funds received for the program in this chapter in the future teachers conditional scholarship account authorized in RCW 28B.102.080.

**NEW SECTION. Sec. 406.** A new section is added to chapter 28A.410 RCW to read as follows:

Beginning with the 2010 school year and annually thereafter, each educational service district, in cooperation with the professional educator standards board, must convene representatives from school districts within that region and professional educator standards board-approved educator preparation programs to review district and regional educator workforce data, make biennial projections of certificate staffing needs, and identify how recruitment and enrollment plans in educator preparation programs reflect projected need.

**Sec. 407.** RCW 28B.76.335 and 2007 c 396 s 17 are each amended to read as follows:

As part of the state needs assessment process conducted by the board in accordance with RCW 28B.76.230, the board shall, in collaboration with the professional educator standards board, assess the need for additional (~~baccalaureate~~) degree and certificate programs in Washington that specialize in teacher preparation (~~in mathematics, science, and technology~~) to meet regional or subject area shortages. If the board determines that there is a need for additional programs, then the board shall encourage the appropriate institutions of higher education or institutional sectors to create such a program.

**Sec. 408.** RCW 28B.76.230 and 2005 c 258 s 11 are each amended to read as follows:

(1) The board shall develop a comprehensive and ongoing assessment process to analyze the need for additional degrees and programs, additional off-campus centers and locations for degree programs, and consolidation or elimination of programs by the four-year institutions.

(2) As part of the needs assessment process, the board shall examine:

(a) Projections of student, employer, and community demand for education and degrees, including liberal arts degrees, on a regional and statewide basis;

(b) Current and projected degree programs and enrollment at public and private institutions of higher education, by location and mode of service delivery; (~~and~~)

(c) Data from the workforce training and education coordinating board and the state board for community and technical colleges on the supply and demand for workforce education and certificates and associate degrees; and

(d) Data from the professional educator standards board.

The assessment shall include the number of forecasted net job openings at each level of higher education and training and the number of credentials needed to match the forecast of net job openings.

(4) The board shall determine whether certain major lines of study or types of degrees, including applied degrees or research-oriented degrees, shall be assigned uniquely to some

institutions or institutional sectors in order to create centers of excellence that focus resources and expertise.

(5) The following activities are subject to approval by the board:

(b) Creation of any off-campus program by a four-year institution;

(c) Purchase or lease of major off-campus facilities by a four-year institution or a community or technical college;

(d) Creation of higher education centers and consortia;

(e) New degree programs and creation of off-campus programs by an independent college or university in collaboration with a community or technical college; and

(f) Applied baccalaureate degree programs developed by colleges under RCW 28B.50.810.

(6) Institutions seeking board approval under this section must demonstrate that the proposal is justified by the needs assessment developed under this section. Institutions must also demonstrate how the proposals align with or implement the statewide strategic master plan for higher education under RCW 28B.76.200.

(7) The board shall develop clear guidelines and objective decision-making criteria regarding approval of proposals under this section, which must include review and consultation with the institution and other interested agencies and individuals.

(8) The board shall periodically recommend consolidation or elimination of programs at the four-year institutions, based on the needs assessment analysis.

**NEW SECTION. Sec. 409.** A new section is added to chapter 28B.76 RCW to read as follows:

Regions shall be established to encourage and support, not exclude, the reach of public institutions of higher education across the state.

(2) Based on the data in the assessment in RCW 28B.76.230 and 28B.76.335, the board shall determine whether reasonable teacher preparation program access for prospective teachers is available in each region. If access is determined to be inadequate in a region, the institution of higher education responsible for the region shall submit a plan for meeting the access need to the board.

(3) Partnerships with other teacher preparation program providers and the use of appropriate technology shall be considered. The board shall review the plan and, as appropriate, assist the institution in developing support and resources for implementing the plan.

**NEW SECTION. Sec. 410.** The following acts or parts of acts are each repealed:

(1) RCW 28A.660.010 (Partnership grant program) and 2004 c 23 s 1 & 2001 c 158 s 2;

## PART V COMMON CORE ADOPTION

**NEW SECTION. Sec. 501.** A new section is added to chapter 28A.655 RCW to read as follows:

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

(1) The superintendent of public instruction shall submit to the education committees of the house of representatives and the senate a detailed comparison of the learning standards authorized under RCW 28A.655.070 and the standards being developed by a multistate consortium in which Washington is a participant. The analysis shall include the comparative level of rigor and specificity of both sets of standards, and the implications of any identified differences.

(2) The analysis and information in subsection (1) of this section shall be submitted to the education committees, the governor, educators, and the public by April 15, or thirty days after the multistate standards are finalized, whichever occurs later. The superintendent shall request comments on the analysis, including whether the superintendent should adopt the standards with, or without, the addition of current Washington standards not included in the multistate standards, the additional current standards not to exceed fifteen percent of the standards for each content area.

(3) After considering the comments received from legislators, educators, and the public, but no later than August 2, 2010, the superintendent of public instruction shall adopt the multistate standards, or adopt the multistate standards with additional standards, however, the additional current standards are not to exceed fifteen percent of the standards for each content area.

## PART VI PARENTS AND COMMUNITY

NEW SECTION. Sec. 601. A new section is added to chapter 28A.605 RCW to read as follows:

School districts are encouraged to strengthen family, school, and community partnerships by creating spaces in school buildings, if space is available, where students and families can access the services they need, such as after-school tutoring, dental and health services, counseling, or clothing and food banks.

NEW SECTION. Sec. 602. A new section is added to chapter 28A.655 RCW to read as follows:

(1) Beginning with the 2010-11 school year, each school shall annually invite parents and community members to provide feedback regarding their experiences with the school. The school shall summarize the responses in its annual report under RCW 28A.655.110.

(2) The office of the superintendent of public instruction shall create a working group with at least one representative from the statewide parent-teacher organization, and each of the state-level associations representing teachers and principals. By September 1, 2010, the working group shall develop a model feedback tool that school districts may use to facilitate the feedback process required in subsection (1) of this section.

**Sec. 603.** RCW 28A.655.110 and 1999 c 388 s 303 are each amended to read as follows:

(1) Beginning with the 1994-95 school year, to provide the local community and electorate with access to information on the educational programs in the schools in the district, each school shall publish annually a school performance report and deliver the report to each parent with children enrolled in the school and make the report available to the community served by the school. The annual performance report shall be in a form that can be easily understood and be used by parents, guardians, and other members of the community who are not professional educators to make informed educational decisions. As data from the assessments in RCW 28A.655.060 becomes available, the annual performance report should enable parents, educators, and school board members to determine whether students in the district's schools are attaining mastery of the student learning goals under RCW 28A.150.210, and other important facts about the schools' performance in assisting

students to learn. The annual report shall make comparisons to a school's performance in preceding years (~~and shall include school level goals under RCW 28A.655.050~~), student performance relative to the goals and the percentage of students performing at each level of the assessment, a comparison of student performance at each level of the assessment to the previous year's performance, and information regarding school-level plans to achieve the goals.

(2) The annual performance report shall include, but not be limited to: (a) A brief statement of the mission of the school and the school district; (b) enrollment statistics including student demographics; (c) expenditures per pupil for the school year; (d) a summary of student scores on all mandated tests; (e) a concise annual budget report; (f) student attendance, graduation, and dropout rates; (g) information regarding the use and condition of the school building or buildings; (h) a brief description of the learning improvement plans for the school; (i) a summary of the feedback from parents and community members obtained under section 602 of this act; and ~~((h))~~ (j) an invitation to all parents and citizens to participate in school activities.

(3) The superintendent of public instruction shall develop by June 30, 1994, and update periodically, a model report form, which shall also be adapted for computers, that schools may use to meet the requirements of subsections (1) and (2) of this section. In order to make school performance reports broadly accessible to the public, the superintendent of public instruction, to the extent feasible, shall make information on each school's report available on or through the superintendent's internet web site.

NEW SECTION. Sec. 604. A new section is added to chapter 28A.300 RCW to read as follows:

There is a sizeable body of research positively supporting the involvement of parents taking an engaged and active role in their child's education. Therefore, the legislature intends to provide state recognition by the center for the improvement of student learning within the office of the superintendent of public instruction for schools that increase the level of direct parental involvement with their child's education. By September 1, 2010, the center for the improvement of student learning shall determine the measures to be used to evaluate the level of parental involvement in a school, including the number and hours of parents and community members who volunteer, and the recognition to be provided to schools that are successfully involving parents in their child's education. The center for the improvement of student learning shall begin recognizing school districts using the measures beginning in the 2010-11 school year.

## PART VII COLLECTIVE BARGAINING

**Sec. 701.** RCW 41.56.100 and 1989 c 45 s 1 are each amended to read as follows:

(1) A public employer shall have the authority to engage in collective bargaining with the exclusive bargaining representative and no public employer shall refuse to engage in collective bargaining with the exclusive bargaining representative (~~= PROVIDED, That nothing contained herein shall require any~~), However, a public employer is not required to bargain collectively with any bargaining representative concerning any matter which by ordinance, resolution, or charter of said public employer has been delegated to any civil service commission or personnel board similar in scope, structure, and authority to the board created by chapter 41.06 RCW.

(2) Upon the failure of the public employer and the exclusive bargaining representative to conclude a collective bargaining agreement, any matter in dispute may be submitted by either party to the commission. This subsection does not apply to negotiations

THIRTY SECOND DAY, FEBRUARY 11, 2010

2010 REGULAR SESSION

and mediations conducted between a school district employer and an exclusive bargaining representative under section 105 of this act.

(3) If a public employer implements its last and best offer where there is no contract settlement, allegations that either party is violating the terms of the implemented offer shall be subject to grievance arbitration procedures if and as such procedures are set forth in the implemented offer, or, if not in the implemented offer, if and as such procedures are set forth in the parties' last contract.

**NEW SECTION. Sec. 702.** A new section is added to chapter 41.56 RCW to read as follows:

All collective bargaining agreements entered into between a school district employer and school district employees under this chapter after the effective date of this section, as well as bargaining agreements existing on the effective date of this section but renewed or extended after the effective date of this section, shall be consistent with section 105 of this act.

**NEW SECTION. Sec. 703.** A new section is added to chapter 41.59 RCW to read as follows:

All collective bargaining agreements entered into between a school district employer and school district employees under this chapter after the effective date of this section, as well as bargaining agreements existing on the effective date of this section but renewed or extended after the effective date of this section, shall be consistent with section 105 of this act.

**Sec. 704.** RCW 41.59.120 and 1975 1st ex.s. c 288 s 13 are each amended to read as follows:

(1) Either an employer or an exclusive bargaining representative may declare that an impasse has been reached between them in collective bargaining and may request the commission to appoint a mediator for the purpose of assisting them in reconciling their differences and resolving the controversy on terms which are mutually acceptable. If the commission determines that its assistance is needed, not later than five days after the receipt of a request therefor, it shall appoint a mediator in accordance with rules and regulations for such appointment prescribed by the commission. The mediator shall meet with the parties or their representatives, or both, forthwith, either jointly or separately, and shall take such other steps as he may deem appropriate in order to persuade the parties to resolve their differences and effect a mutually acceptable agreement. The mediator, without the consent of both parties, shall not make findings of fact or recommend terms of settlement. The services of the mediator, including, if any, per diem expenses, shall be provided by the commission without cost to the parties. Nothing in this subsection (1) shall be construed to prevent the parties from mutually agreeing upon their own mediation procedure, and in the event of such agreement, the commission shall not appoint its own mediator unless failure to do so would be inconsistent with the effectuation of the purposes and policy of this chapter.

(2) If the mediator is unable to effect settlement of the controversy within ten days after his or her appointment, either party, by written notification to the other, may request that their differences be submitted to fact-finding with recommendations, except that the time for mediation may be extended by mutual agreement between the parties. Within five days after receipt of the aforesaid written request for fact-finding, the parties shall select a person to serve as fact finder and obtain a commitment from that person to serve. If they are unable to agree upon a fact finder or to obtain such a commitment within that time, either party may request the commission to designate a fact finder. The commission, within five days after receipt of such request, shall designate a fact finder in accordance with rules and regulations for such designation prescribed by the commission. The fact finder so designated shall not be the same person who was appointed mediator pursuant to subsection (1) of this section without the consent of both parties.

The fact finder, within five days after his appointment, shall meet with the parties or their representatives, or both, either jointly or separately, and make inquiries and investigations, hold hearings, and take such other steps as he may deem appropriate. For the purpose of such hearings, investigations and inquiries, the fact finder shall have the power to issue subpoenas requiring the attendance and testimony of witnesses and the production of evidence. If the dispute is not settled within ten days after his appointment, the fact finder shall make findings of fact and recommend terms of settlement within thirty days after his appointment, which recommendations shall be advisory only.

(3) Such recommendations, together with the findings of fact, shall be submitted in writing to the parties and the commission privately before they are made public. Either the commission, the fact finder, the employer, or the exclusive bargaining representative may make such findings and recommendations public if the dispute is not settled within five days after their receipt from the fact finder.

(4) The costs for the services of the fact finder, including, if any, per diem expenses and actual and necessary travel and subsistence expenses, and any other incurred costs, shall be borne by the commission without cost to the parties.

(5) Nothing in this section shall be construed to prohibit an employer and an exclusive bargaining representative from agreeing to substitute, at their own expense, their own procedure for resolving impasses in collective bargaining for that provided in this section or from agreeing to utilize for the purposes of this section any other governmental or other agency or person in lieu of the commission.

(6) Any fact finder designated by an employer and an exclusive representative or the commission for the purposes of this section shall be deemed an agent of the state.

(7) This section does not apply to negotiations and mediations conducted under section 105 of this act.

#### MOTION

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that:

(a) Phosphorus loading of surface waters can stimulate the growth of weeds and algae and that this growth can have adverse environmental, health, and aesthetic effects;

(b) Lawn fertilizers contribute to phosphorus loading. Limits on turf fertilizer containing phosphorus can significantly reduce the discharge of phosphorus into the state's ground and surface waters;

(c) Turf fertilizers containing no or very low amounts of phosphorus are readily available and maintaining established turf in a healthy and green condition is not dependent upon the addition of phosphorus fertilizers; and

(d) While significant reductions of phosphorus from laundry detergent and dishwashing detergent have been achieved, similar progress in reducing phosphorus contributions from turf fertilizer has not been accomplished.

(2) It is the intent of the legislature that this chapter significantly limit the use of fertilizers containing the plant nutrient phosphorus.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of ecology.

(2) "Director" means the director of the department of ecology.

(3)(a) "Fertilizer" includes any substance containing one or more recognized plant nutrients, and that is either used for its plant nutrient content or is designated for use or claimed to have value in promoting plant growth, or both. "Fertilizer" includes gypsum and manipulated animal and vegetable manures.

(b) "Fertilizer" does not include:

(i) Unmanipulated animal and vegetable material, organic waste- derived materials, and other products exempted by the department by rule;

(ii) Calcium carbonate (lime) and anhydrous ammonia;

2010 REGULAR SESSION

(iii) Materials including, but not limited to, compost biosolids, municipal sewage sludge, or slow release fertilizer used in compliance with best practices developed by the Washington State University extension service, or products derived therefrom, that are regulated under chapter 70.95 or 70.95J RCW or rules adopted under those chapters; and

(iv) Materials using waste manure from confined animal feeding operations as the primary feedstock and manufactured as a biotic fertilizer in a manner that balances the pH of the material and reduces the leaching of phosphorus.

(4) "Impervious surface" means a highway, street, sidewalk, parking lot, driveway, or other artificial surface that prevents infiltration of water into the soil.

(5) "Turf" means noncrop land planted in closely mowed, managed grasses on residential property. Turf does not include managed pasture, hayland, hay, turf grown on turf farms, home or commercial vegetable production, horticultural beds, flower beds, general landscaping, or any other form of agricultural production.

**NEW SECTION. Sec. 3.** (1) Except as provided in subsection (2) of this section, after January 1, 2012, a person may not apply to turf a fertilizer containing the plant nutrient phosphorus.

(2) Subsection (1) of this section does not apply when:

(a) Applying a solid fertilizer containing less than 0.67 percent phosphate by weight or a liquid fertilizer applied at a rate not greater than 0.3 pounds of phosphate per one thousand square feet of turf;

(b) Laboratory test results or other certifications by a turf specialist performed within the three years previous to the application indicates that the level of available phosphorus in the soils is insufficient to support healthy turf growth. The level of phosphorous needed to support healthy turf and the agronomic application rate must be determined by Washington State University; or

(c) The property owner or an agent of the property owner is first establishing turf via seed or sod procedures and only during the first growing season.

(3)(a) This section does not apply to the application of turf fertilizer for agricultural uses.

(b) This section does not apply to the application of turf fertilizer for golf courses.

**NEW SECTION. Sec. 4.** A person may not apply a fertilizer to an impervious surface. Fertilizer released on an impervious surface must be immediately contained and either legally applied to turf or another legal site or returned to the original container or another appropriate container.

**NEW SECTION. Sec. 5.** (1) The department may issue a notice of corrective action to a person in violation of section 3 or 4 of this act.

(2) A city or county may adopt an ordinance providing for enforcement of the requirements of sections 3 and 4 of this act. A city or county adopting an ordinance has jurisdiction concurrent with the department to enforce this section.

**NEW SECTION. Sec. 6.** The department may produce consumer information on the application restrictions under section 3 of this act and on recommended best practices for turf fertilizer and other residential landscaping uses. The consumer information must be produced in consultation with the Washington State University extension service, fertilizer industry representatives, lakes health organizations, and other interested parties. The consumer information must be in a format and of a content suitable for posting and distribution at retail points of sale of fertilizer that contains phosphorus for use on turf.

**NEW SECTION. Sec. 7.** Sections 1 through 6 of this act constitute a new chapter in Title 90 RCW."

## MOTION

Senator Fraser moved that the following striking amendment by Senators Fraser, Haugen and Honeyford be adopted:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.21C.031 and 1995 c 347 s 203 are each amended to read as follows:

(1)(a) An environmental impact statement (the detailed statement required by RCW 43.21C.030(2)(c)) shall be prepared on proposals for legislation and other major actions having a probable significant, adverse environmental impact. The environmental impact statement may be combined with the recommendation or report on the proposal or issued as a separate document. The substantive decisions or recommendations shall be clearly identifiable in the combined document. Actions categorically exempt under RCW 43.21C.110(1)(a) do not require environmental review or the preparation of an environmental impact statement under this chapter. This subsection does not impose the requirements of RCW 43.21C.030 or this section upon actions that are statutorily exempt from this chapter's environmental review requirements. Proposals, or parts of proposals, that are so closely related as to be in effect a single course of action must be evaluated in the same environmental document if the:

(i) Proposal, or parts of the proposal, cannot or will not proceed unless implemented simultaneously; or

(ii) Larger proposal is necessary for justification or implementation of parts of the proposal. In a county, city, or town planning under RCW 36.70A.040, a planned action, as provided for in subsection (2) of this section, does not require a threshold determination or the preparation of an environmental impact statement under this chapter, but is subject to environmental review and mitigation as provided in this chapter.

(b) An environmental impact statement is required to analyze only those probable adverse environmental impacts which are significant. Beneficial environmental impacts may be discussed.

The responsible official shall consult with agencies and the public to identify such impacts and limit the scope of an environmental impact statement. The subjects listed in RCW 43.21C.030(2)(c) need not be treated as separate sections of an environmental impact statement. Discussions of significant short-term and long-term environmental impacts, including cumulative impacts, significant irrevocable commitments of natural resources, significant alternatives including mitigation measures, and significant environmental impacts which cannot be mitigated should be consolidated or included, as applicable, in those sections of an environmental impact statement where the responsible official decides they logically belong.

(2)(a) For purposes of this section, a planned action means one or more types of project action that:

(i) Are designated planned actions by an ordinance or resolution adopted by a county, city, or town planning under RCW 36.70A.040;

(ii) Have had the significant impacts adequately addressed in an environmental impact statement prepared in conjunction with (A) a comprehensive plan or subarea plan adopted under chapter 36.70A RCW, or (B) a fully contained community, a master planned resort, a master planned development, or a phased project;

(iii) Are subsequent or implementing projects for the proposals listed in (a)(ii) of this subsection;

(iv) Are located within an urban growth area, as defined in RCW 36.70A.030;

(v) Are not essential public facilities, as defined in RCW 36.70A.200; and

(vi) Are consistent with a comprehensive plan adopted under chapter 36.70A RCW.

(b) A county, city, or town shall limit planned actions to certain types of development or to specific geographical areas that are less extensive than the jurisdictional boundaries of the county, city, or town and may limit a planned action to a time period identified in the environmental impact statement or the ordinance or resolution adopted under this subsection.

**NEW SECTION. Sec. 2.** A new section is added to chapter 43.21C RCW to read as follows:

(1) When an agency initiates a proposal, that agency is the lead agency for that proposal for purposes of compliance with the environmental review requirements of RCW 43.21C.030 and 43.21C.031. If two or more agencies share in the implementation of a proposal, the agencies shall by agreement determine which agency will be the lead agency. For the purposes of this section, a proposal by an agency does not include proposals to license private activity.

(2) Whenever possible, the agency staff carrying out the environmental review procedures of RCW 43.21C.030 and 43.21C.031 must be different from the agency staff developing the proposal."

## POINT OF INQUIRY

Senator Morton: "Senator Morton: "Madam President, I'm not sure who to direct this to. I'd like to ask a question. Who would yield to a question on this?"

Senator Franklin: "Senator Keiser."

Senator Morton: "I note the phrase here on description of the 'general aviation airport.' I'm wondering if, in the determination of the five percent, is that five percent the amount for the aviation activity of the airport? Of the fix-based operator? Of both? A definition of what the activity is would help me. Thank you."

Senator Keiser: "Thank you Senator. My understanding is that the five percent activity is in regard to general aviation activity at an individual airport."

Senator Morton: "And therefore the five percent is the accumulation of the annual operations? I'm not clear yet what that is against. Is that the ... landing fees? Is that counted? How is it determined? The gross revenue of the fixed-based operator or all of them combined? What's the five percent against? Thank you."

Senator Keiser: "Number of landings is the understanding. Operations are not, it is not about landing fees."

(3) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for release, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the petitioner examined by an expert or professional person of the prosecuting attorney's choice. If the petitioner is indigent, and the person so requests, the court shall appoint a qualified expert or professional person to examine him or her. If the petitioner (~~is developmentally disabled~~) has a developmental disability, the examination shall be performed by a developmental disabilities professional. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the petitioner no longer presents, as a result of a mental disease or defect, a substantial danger to other persons, or a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

~~((3))~~ (4) For purposes of this section, a person affected by a mental disease or defect in a state of remission is considered to have a mental disease or defect requiring supervision when the disease may, with reasonable medical probability, occasionally become active and, when active, render the person a danger to others. The court may continue such a person on conditional release.

(5) Nothing contained in this chapter shall prohibit the patient from petitioning the court for release or conditional release from the institution in which he or she is committed. The issue to be determined on such proceeding is whether the petitioner, as a result of a mental disease or defect, is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(6) Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

Confinement in a county jail or other local facility while awaiting either placement in a treatment program or a court hearing pursuant to this chapter is permitted for no more than seven days.

**NEW SECTION. Sec. 9.** (1) The institute for public policy shall, in collaboration with the department of social and health services and other applicable entities, undertake a search for validated mental health assessment tools in each of the following areas:

STATEMENT FOR THE JOURNAL

On February 13, 2010, given the enormous volume of bills, amendments, and motions before the Senate, I inadvertently voted "yes" on the final passage of Substitute Senate Bill 6329, which would allow samples of wine and beer to be given out at grocery stores. I have long been against making alcohol available in such situations where families and children are commonly found. I regret this mistake, and should have voted "no" against this measure.

Correct the title.

Senators Hargrove and Carrell spoke in favor of adoption of the amendment to the striking amendment.

#### POINT OF INQUIRY

Senator Swecker: "Would Senator Hargrove yield to a question? Senator, I'm always nervous when we start granting exemptions for public entities that don't also accrue to private entities. So, my question is; if there were two private entities involved would they be subject to 'joint and several' or would it just be when there's a public entity involved?"

Senator Hargrove: "For this particular amendment no, it just deals with public entities. If you don't like the expansion for privates, you should vote against the bill and not against this amendment."

Senators Kline and Gordon spoke against adoption of the amendment to the striking amendment.

Senator Fraser spoke in favor of adoption of the amendment to the striking amendment.

#### POINT OF INQUIRY

Senator Pflug: "Would Senator Kline yield to a question? Senator, from your remarks earlier it sounded to me like you were talking about two tiers so the previous speaker suggested that sometimes the municipalities are held liable and I thought from your remarks you were suggesting that were exempting the municipalities and the state here from something for which an individual citizen might be held liable. Is that correct? For example, if it is my driveway that has the water on it and the person slips out into the street, or maybe I should say my eighty year old mother's driveway and is hit by a car, is the owner of the driveway not exempted where the state would have been?"

Senator Kline: "The question is whether the party committed an act of negligence that makes it liable at all. Without referring to people in a way that makes them sympathetic nor on the other side, unsympathetic. Simply saying the party a wrong doer or not, contributing to the injury of another person, person who is innocent of all wrong doing. So, we have one person who's injured zero percent negligent, we have two other parties some percent negligent each that adds up to one hundred percent who injured the first person. In both cases we have a person who deserves one hundred percent return. Deserves to be made whole, that's all, not to make money but to simply to be compensated. In the first situation we have less than one hundred percent compensation and the second we have one hundred percent compensation. There's a difference, that difference makes no sense."

Senator Pflug: "I'm not entirely clear. Is there any difference between the private individual's liability or the public individual's liability in this situation?"

Senator Kline: "Yes, there is. The private person is several, is jointly liable, that is, is liable for the unpaid part of the other. The public entity is not. It is severally only. Its liable only for its share. Now, that may sound just but remember when your limiting the injured person who is innocent, it's not just."

Senator Plug: "So, to be clear, if the amendment passes what you consider an unjust situation in which a private citizen might be responsible for the injury but the municipality would not be if this amendment is passed. That's what creates the two tiers."

Senator Kline: "Responsible over its percentage share, that's the difference, yes."

Senator Pflug spoke against adoption of the amendment.

MOTION

Senator Hargrove demanded that the previous question be put.

The President Pro Tempore declared that at least two additional senators joined the demand and the demand was sustained.

The President Pro Tempore declared the question before the Senate to be the motion by Senator Hargrove, "Shall the main question be now put?"

2010 REGULAR SESSION

SENATE BILL NO. 5543, by Senators Pridemore, Oemig, Rockefeller, Fairley, Murray, Kline, Keiser, Shin, Regala, Franklin, McAuliffe, Fraser, Ranker and Kohl-Welles

Establishing the product stewardship recycling act for mercury-containing lights. Revised for 1st Substitute: Reducing the release of mercury into the environment.

MOTION

On motion of Senator Pridemore, Substitute Senate Bill No. 5543 was substituted for Senate Bill No. 5543 and the substitute bill was placed on the second reading and read the second time.

MOTION

Senator Pridemore moved that the following striking amendment by Senators Pridemore and Hargrove be adopted:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that:

(1) Mercury is an essential component of many energy efficient lights. Improper disposal methods will lead to mercury releases that threaten the environment and harm human health. Spent mercury lighting is a hard to collect waste product that is appropriate for product stewardship;

(2) Convenient and environmentally sound product stewardship programs for mercury-containing lights that include collecting, transporting, and recycling mercury-containing lights will help protect Washington's environment and the health of state residents;

(3) The purpose of this act is to achieve a statewide goal of recycling all end-of-life mercury-containing lights by 2020 through expanded public education, a uniform statewide requirement to recycle all mercury-containing lights, and the development of a comprehensive, safe, and convenient collection system that includes use of residential curbside collection programs, mail-back containers, increased support for household hazardous waste facilities, and a network of additional collection locations;

(4) Product producers must play a significant role in financing no- cost collection and processing programs for mercury-containing lights; and

(5) Providers of premium collection services such as residential curbside and mail-back programs may charge a fee to cover the collection costs for these more convenient forms of collection.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Brand" means a name, symbol, word, or mark that identifies a product, rather than its components, and attributes the product to the owner of the brand as the producer.

(2) "Covered entities" means:

(a) A single-family or a multifamily household generator and persons that deliver no more than fifteen mercury-containing lights to registered collectors for a product stewardship program during a ninety-day period; and

(b) A single-family or a multifamily household generator and persons that utilize a registered residential curbside collection program or a mail-back program for collection of mercury-containing lights and that discards no more than fifteen mercury-containing lights into those programs during a ninety-day period.

(3) "Collection" or "collect" means, except for persons involved in mail-back programs:

(a) The activity of accumulating any amount of mercury-containing lights at a location other than the location where

the lights are used by covered entities, and includes curbside collection activities, household hazardous waste facilities, and other registered drop-off locations; and

(b) The activity of transporting mercury-containing lights in the state, where the transporter is not a generator of unwanted mercury-containing lights, to a location for purposes of accumulation.

(4) "Department" means the department of ecology.

(5) "Final disposition" means the point beyond which no further processing takes place and materials from mercury-containing lights have been transformed for direct use as a feedstock in producing new products, or disposed of or managed in permitted facilities.

(6) "Hazardous substances" or "hazardous materials" means those substances or materials identified by rules adopted under chapter 70.105 RCW.

(7) "Mail-back program" means the use of a prepaid postage container with mercury vapor barrier packaging that is used for the collection and recycling of mercury-containing lights from covered entities as part of a product stewardship program and is transported by the United States postal service or a common carrier.

(8) "Mercury vapor barrier packaging" means sealable containers that are specifically designed for the storage, handling, and transport of mercury-containing lights in order to prevent the escape of mercury into the environment by volatilization or any other means, and that meet the requirements for transporting by the United States postal service or a common carrier.

(9) "Mercury-containing lights" means lamps, bulbs, tubes, or other devices that contain mercury and provide functional illumination in homes, businesses, and outdoor stationary fixtures.

(10) "Orphan product" means a mercury-containing light that lacks a producer's brand, or for which the producer is no longer in business and has no successor in interest, or that bears a brand for which the department cannot identify an owner.

(11) "Person" means a sole proprietorship, partnership, corporation, nonprofit corporation or organization, limited liability company, firm, association, cooperative, or other legal entity located within or outside Washington state.

(12) "Processing" means recovering materials from unwanted products for use as feedstock in new products. Processing must occur at permitted facilities.

(13) "Producer" means a person that:

(a) Has or had legal ownership of the brand, brand name, or cobrand of a mercury-containing light sold in or into Washington state, except for persons whose primary business is retail sales;

(b) Imports or has imported mercury-containing lights branded by a producer that meets the requirements of (a) of this subsection and where that producer has no physical presence in the United States;

(c) If (a) and (b) of this subsection do not apply, makes or made an unbranded mercury-containing light that is sold or has been sold in or into Washington state; or

(d)(i) Sells or sold at wholesale or retail a mercury-containing light; (ii) does not have legal ownership of the brand; and (iii) elects to fulfill the responsibilities of the producer for that product.

(14) "Product stewardship" means a requirement for a producer of mercury-containing lights to manage and reduce adverse safety, health, and environmental impacts of the product throughout its life cycle, including financing and providing for the collection, transporting, reusing, recycling, processing, and final disposition of their products.

(15) "Product stewardship plan" or "plan" means a detailed plan describing the manner in which a product stewardship program will be implemented.

(16) "Product stewardship program" or "program" means the methods, systems, and services financed and provided by producers of mercury-containing lights generated by covered entities that

THIRTY SIXTH DAY, FEBRUARY 15, 2010

addresses product stewardship and includes collecting, transporting, reusing, recycling, processing, and final disposition of unwanted mercury-containing lights, including a fair share of orphan products.

(17) "Recovery" means the collection and transportation of unwanted mercury-containing lights under this chapter.

(18)(a) "Recycling" means transforming or remanufacturing unwanted products into usable or marketable materials for use other than landfill disposal or incineration.

(b) "Recycling" does not include energy recovery or energy generation by means of combusting unwanted products with or without other waste.

(19) "Reporting period" means the period commencing January 1st and ending December 31st in the same calendar year.

(20) "Residuals" means nonrecyclable materials left over from processing an unwanted product.

(21) "Retailer" means a person who offers mercury-containing lights for sale at retail through any means including, but not limited to, remote offerings such as sales outlets, catalogs, or the internet, but does not include a sale that is a wholesale transaction with a distributor or a retailer.

(22)(a) "Reuse" means a change in ownership of a mercury-containing light or its components, parts, packaging, or shipping materials for use in the same manner and purpose for which it was originally purchased, or for use again, as in shipping materials, by the generator of the shipping materials.

(b) "Reuse" does not include dismantling of products for the purpose of recycling.

(23) "Stakeholder" means a person who may have an interest in or be affected by a product stewardship program.

(24) "Stewardship organization" means an organization designated by a producer or group of producers to act as an agent on behalf of each producer to operate a product stewardship program.

(25) "Unwanted product" means a mercury-containing light no longer wanted by its owner or that has been abandoned, discarded, or is intended to be discarded by its owner.

**NEW SECTION. Sec. 3.** (1) Every producer of mercury-containing lights sold in or into Washington state for residential use must fully finance and participate in a product stewardship program for that product, including the department's costs for administering and enforcing this chapter.

(2) Every producer must:

(a) Participate in a product stewardship program approved by the department and operated by a product stewardship organization contracted by the department. All producers must finance and participate in the plan operated by the stewardship organization, unless the producer obtains department approval for an independent plan as described in (b) of this subsection; or

(b) Finance and operate, either individually or jointly with other producers, a product stewardship program approved by the department.

(3) A producer, group of producers, or product stewardship organization funded by producers must pay all administrative and operational costs associated with their program or programs, except for the collection costs associated with curbside and mail-back collection programs. For curbside and mail-back programs, a producer, group of producers, or product stewardship organization shall finance the costs of transporting mercury-containing lights from accumulation points and for processing mercury-containing lights collected by curbside and mail-back programs. For collection locations, including household hazardous waste facilities, charities, retailers, government recycling sites, or other suitable locations, a producer, group of producers, or product stewardship organization shall finance the costs of collection, transportation, and processing of mercury-containing lights collected at the collection locations.

2010 REGULAR SESSION

(4) Product stewardship programs shall collect unwanted mercury-containing lights delivered from covered entities for reuse, recycling, processing, or final disposition, and not charge a fee when lights are dropped off or delivered into the program.

(5) Product stewardship programs shall provide, at a minimum, no cost services in all cities in the state with populations greater than ten thousand and all counties of the state on an ongoing, year-round basis.

(6) All product stewardship programs operated under approved plans must recover their fair share of unwanted covered products as determined by the department.

(7) The department or its designee may inspect, audit, or review audits of processing and disposal facilities used to fulfill the requirements of a product stewardship program.

(8) No product stewardship program required under this chapter may use federal or state prison labor for processing unwanted products.

(9) Product stewardship programs for mercury-containing lights must be fully implemented by January 1, 2013.

**NEW SECTION. Sec. 4.** (1) A producer, group of producers, or product stewardship program submitting a proposed product stewardship plan under section 3(2)(b) of this act must submit that plan by January 1st of the year prior to the planned implementation.

(2) The department shall establish rules for plan content. Plans must include but are not limited to:

(a) All necessary information to inform the department about the plan operator and participating producers and their brands;

(b) The management and organization of the product stewardship program that will oversee the collection, transportation, and processing services;

(e) A description of how the public will be informed about the recycling program;

(f) A description of the financing system required under section 5 of this act;

(g) How mercury and other hazardous substances will be handled for collection through final disposition;

(h) A public review and comment process; and

(i) Any other information deemed necessary by the department to ensure an effective mercury light product stewardship program that is in compliance with all applicable laws and rules.

(5) Each product stewardship program shall submit an annual report to the department describing the results of implementing their plan for the prior year. The department may adopt rules for reporting requirements. All reports submitted to the department must be made available for public review on the department's web site and at the department's headquarters.

THIRTY SIXTH DAY, FEBRUARY 15, 2010

2010 REGULAR SESSION

**NEW SECTION. Sec. 5.** (1) All producers that sell mercury- containing lights in or into the state of Washington are responsible for financing the mercury-containing light recycling program described in the plans required by section 4 of this act.

(2) Producers participating in the stewardship program required under section 3(2)(a) of this act must be assessed a fee by the stewardship organization to cover the cost of implementing the plan. Each producer shall pay fifteen thousand dollars to the department to contract for a product stewardship program to be operated by a product stewardship organization. The department shall retain five thousand dollars of the fifteen thousand dollars for administration and enforcement costs. Each producer participating in an approved independent plan shall pay an annual fee of five thousand dollars to the department for administration and enforcement costs.

(3) A producer or producers participating in an independent plan, as permitted under section 3(2)(b) of this act, must pay the full cost of operation.

(4) The department shall adopt rules regarding how the product stewardship organization may adjust the fee above or below the limits provided in subsection (2) of this section should product stewardship program costs exceed available revenues.

**NEW SECTION. Sec. 6.** (1) All mercury-containing lights collected in the state by product stewardship programs or other collection programs must be recycled and any process residuals must be managed in compliance with applicable laws.

(2) Mercury recovered from retorting must be recycled or placed in a properly permitted hazardous waste landfill, or placed in a properly permitted mercury repository.

**NEW SECTION. Sec. 7.** (1) Except for persons involved in registered mail-back programs, a person who collects unwanted mercury- containing lights in the state, receives funding through a product stewardship program for mercury-containing lights, and who is not a generator of unwanted mercury-containing lights must:

(a) Register with the department as a collector of unwanted mercury-containing lights. Until the department adopts rules for collectors, the collector must provide to the department the legal name of the person or entity owning and operating the collection location, the address and phone number of the collection location, and the name, address, and phone number of the individual responsible for operating the collection location and update any changes in this information within thirty days of the change;

(b) Maintain a spill and release response plan at the collection location that describes the materials, equipment, and procedures that will be used to respond to any mercury release from an unwanted mercury-containing light;

(c) Maintain a worker safety plan at the collection location that describes the handling of the unwanted mercury-containing lights at the collection location and measures that will be taken to protect worker health and safety; and

(d) Use packaging and shipping material that will minimize the release of mercury into the environment and minimize breakage and use mercury vapor barrier packaging if mercury-containing lights are transported by the United States postal service or a common carrier.

(2) A person who operates a curbside collection program or owns or operates a mail-back business participating in a product stewardship program for mercury-containing lights and uses the United States postal service or a common carrier for transport must register with the department and use mercury vapor barrier packaging for curbside collection and mail-back containers.

**NEW SECTION. Sec. 8.** As of January 1, 2013, no producer, wholesaler, retailer, electric utility, or other person may distribute, sell, or offer for sale mercury-containing lights for residential use to any person in this state unless the producer is

participating in a product stewardship program under a plan approved by the department.

**NEW SECTION. Sec. 9.** (1) The department shall send a written warning and a copy of this chapter and any rules adopted to implement this chapter to a producer who is not participating in a product stewardship program approved by the department and whose mercury- containing lights are being sold in or into the state.

(2) A producer not participating in a product stewardship program approved by the department whose mercury-containing lights continue to be sold in or into the state sixty days after receiving a written warning from the department shall be assessed a penalty of up to one thousand dollars for each violation. A violation is one day of sales.

(3) If any producer fails to implement its approved plan, the department shall assess a penalty of up to five thousand dollars for the first violation along with notification that the producer must implement its plan within thirty days of the violation. After thirty days, any producer failing to implement their approved plan must be assessed a penalty of up to ten thousand dollars for the second and each subsequent violation. A subsequent violation occurs each thirty- day period that the producer fails to implement the approved plan.

(4) The department shall send a written warning to a producer that fails to submit a product stewardship plan, update or change the plan when required, or submit an annual report as required under this chapter. The written warning must include compliance requirements and notification that the requirements must be met within sixty days. If requirements are not met within sixty days, the producer will be assessed a ten thousand dollar penalty per day of noncompliance starting with the first day of notice of noncompliance.

(5) Penalties prescribed under this section must be reduced by fifty percent if the producer complies within thirty days of the second violation notice.

(6) A producer may appeal penalties prescribed under this section to the pollution control hearings board created under chapter 43.21B RCW.

**NEW SECTION. Sec. 10.** (1) The department shall provide on its web site a list of all producers participating in a product stewardship plan that the department has approved and a list of all producers the department has identified as noncompliant with this chapter and any rules adopted to implement this chapter.

(2) Product wholesalers, retailers, distributors, and electric utilities must check the department's web site or producer-provided written verification to determine if producers of products they are selling in or into the state are in compliance with this chapter.

(3) No one may distribute or sell mercury-containing lights in or into the state from producers who are not participating in a product stewardship program or who are not in compliance with this chapter and rules adopted under this chapter.

(4) The department shall serve, or send with delivery confirmation, a written warning explaining the violation to any person known to be distributing or selling mercury-containing lights in or into the state from producers who are not participating in a product stewardship program or who are not in compliance with this chapter and rules adopted under this chapter.

(5) Any person who continues to distribute or sell mercury-containing lights from a producer that is not participating in an approved product stewardship program sixty days after receiving a written warning from the department may be assessed a penalty two times the value of the products sold in violation of this chapter or five hundred dollars, whichever is greater. The penalty must be waived if the person verifies that the person has discontinued distribution or sales of mercury-containing lights within thirty days

THIRTY SIXTH DAY, FEBRUARY 15, 2010

of the date the penalty is assessed. A retailer may appeal penalties to the pollution control hearings board.

(6) The department shall adopt rules to implement this section.

(7) A sale or purchase of mercury-containing lights as a casual or isolated sale as defined in RCW 82.04.040 is not subject to the provisions of this section.

(8) A person primarily engaged in the business of reuse and resale of a used mercury-containing light is not subject to the provisions of this section when selling used working mercury-containing lights, for use in the same manner and purpose for which it was originally purchased.

(9) In-state distributors, wholesalers, and retailers in possession of mercury-containing lights on the date that restrictions on the sale of the product become effective may exhaust their existing stock through sales to the public.

**NEW SECTION. Sec. 11.** All producers shall pay the department annual fees to cover the cost of administering and enforcing this chapter. The department may prioritize the work to implement this chapter if fees are not adequate to fund all costs of the program.

**NEW SECTION. Sec. 12.** The product stewardship programs account is created in the custody of the state treasurer. All funds received from producers under section 11 of this act and penalties collected under this chapter must be deposited in the account. Expenditures from the account may be used only for administering this chapter. Only the director of the department or the director's designee may authorize expenditures from the account. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

**NEW SECTION. Sec. 13.** (1) The department may adopt rules necessary to implement, administer, and enforce this chapter.

(2) The department may adopt rules to establish performance standards for product stewardship programs and may establish administrative penalties for failure to meet the standards.

(3) By December 31, 2010, and annually thereafter until December 31, 2014, the department shall report to the appropriate committees of the legislature concerning the status of the product stewardship program and recommendations for changes to the provisions of this chapter.

(4) Beginning October 1, 2014, the department shall annually invite comments from local governments, communities, and citizens to report their satisfaction with services provided by product stewardship programs. This information must be used by the department to determine if the plan operator is meeting convenience requirements and in reviewing proposed updates or changes to product stewardship plans.

(5) Beginning October 1, 2014, the department shall annually invite comments from retailers, consumer groups, electric utilities, the Northwest power and conservation council, and other interested parties regarding the impacts of the requirements of this chapter on the availability or purchase of energy efficient lighting within the state. If the department determines that evidence shows the requirements of this chapter have resulted in negative impacts on the availability or purchase of energy efficient lighting in the state, the department shall report this information by December 31st of each year to the appropriate committees of the legislature with recommendations for changes to the provisions of this chapter.

(6) Beginning October 1, 2014, the department shall annually invite comments from retailers, consumer groups, electric utilities, the Northwest power and conservation council, and other interested parties regarding the availability of energy efficient nonmercury lighting to replace mercury-containing lighting within the state. If the department determines that evidence shows that energy efficient nonmercury-containing lighting is available and achieves similar

2010 REGULAR SESSION

energy savings as mercury lighting at similar cost, the department shall report this information by December 31st of each year to the appropriate committees of the legislature with recommendations for legislative changes to reduce mercury use in lighting.

(7) Beginning October 1, 2013, the department shall annually estimate the overall statewide recycling rate for mercury-containing lights and calculate that portion of the recycling rate attributable to the product stewardship program.

(8) The department may require submission of independent performance evaluations and report evaluations documenting the effectiveness of mercury vapor barrier packaging in preventing the escape of mercury into the environment. The department may restrict the use of packaging for which adequate documentation has not been provided. Restricted packaging may not be used in any product stewardship program required under this chapter.

**NEW SECTION. Sec. 14.** Nothing in this chapter changes or limits the authority of the Washington utilities and transportation commission to regulate collection of solid waste, including curbside collection of residential recyclable materials, nor does this chapter change or limit the authority of a city or town to provide such service itself or by contract under RCW 81.77.020.

**NEW SECTION. Sec. 15.** Nothing in this chapter changes the requirements of any entity regulated under chapter 70.105 RCW to comply with the requirements under that chapter.

**NEW SECTION. Sec. 16.** This chapter must be liberally construed to carry out its purposes and objectives.

**Sec. 17.** RCW 70.95M.010 and 2003 c 260 s 2 are each amended to read as follows:

THIRTY SIXTH DAY, FEBRUARY 15, 2010

2010 REGULAR SESSION

## SECOND READING

Senator Sheldon: "Would Senator Pridemore yield to a question? Thank you Mr. President, if I might read from the bill? Senator Pridemore, I'm concerned about the cost of disposal of mercury contained in fluorescent light bulbs especially by all counties and municipal landfills but I see in the bill on page 5, sub 5, bottom of line 36. Products stewardship programs shall provide, at a minimum, no cost services in all counties in the state with populations greater than ten thousand and all counties of the state on an ongoing, year-round basis.' So, Senator Pridemore, my question; Can I read that, do I read that to say that the recycling and disposal of these mercury containing bulbs will be accomplished at no cost to the counties?"

Senator Pridemore: "That is correct Senator. As we understand the bill there is no requirement that local government actually perform any function in this, it would simply be a program that the producers of the bulbs would have to manage and run."

Senator Sheldon: "So, the producers, the manufacturers, the retailers will pay for all the cost of disposing of these products?"

**"PART I  
GENERAL PROVISIONS**

NEW SECTION. Sec. 101. The legislature finds that:

(1) The state is projected to experience substantial population growth in the next two decades and this growth will require substantial new housing, places of employment, community facilities, and supporting local, subregional, and regional infrastructure;

(2) In most areas of the state projected to accommodate substantial growth, there are inadequate community facilities and infrastructure to facilitate and support such growth. In addition, current public financing options and resources are not adequate to provide the needed community facilities and local, subregional, and regional infrastructure;

(3) A more flexible type of financing mechanism known as a community facilities district should be available to counties, cities, and towns so that needed community facilities and local, subregional, and regional infrastructure can be provided;

(4) This chapter is intended to facilitate voluntary landowner financing of community facilities and local, subregional, and regional infrastructure by authorizing the creation of community facilities districts, while creating jobs and facilitating economic development; and

(5) It is in the interest of the people of the state of Washington to authorize the establishment of community facility districts as

independently governed, special purpose districts, vested with the corporate authority included under Article VII, section 9 of the state Constitution to make local improvements in accordance with this chapter and to carry out the purposes specifically authorized under this chapter.

NEW SECTION. **Sec. 102.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Board of supervisors" or "board" means the governing body of a community facilities district.

(2) "Community facilities district" or "district" means a district created under this chapter.

(3) "Facility" or "facilities" means the local improvements included under section 501 of this act.

(4) "Legislative authority" means the governing body of a county, city, or town to which a petition or amended petition is submitted.

(a) If the proposed district is located entirely within unincorporated land, then the county is the exclusive "legislative authority" for purposes of approving formation of the district under sections 201 through 206 of this act, inclusive, and section 301 of this act.

(b) If all or a portion of the proposed district is located within unincorporated land that is entirely surrounded by an incorporated city or town, then the "legislative authority" for purposes of approving formation of the district under sections 201 through 206 of this act, inclusive, and section 301 of this act includes the governing bodies of the county and the city or town surrounding the unincorporated land.

(c) If the proposed district is located entirely within incorporated land, then the city or town is the exclusive "legislative authority" for purposes of this chapter, and all powers and responsibilities of a county under this chapter must be exercised by that city or town.

(5) "Petition" means a request, meeting the requirements of section 201 of this act, made by landowners to form a community facilities district and to voluntarily submit their land to the assessments authorized under this chapter and includes an amended petition meeting the requirements of section 201(3) of this act.

(6) "Special assessment" means an assessment imposed in accordance with the requirements of this chapter.

**PART II**

**COMMUNITY FACILITIES DISTRICT FORMATION**

NEW SECTION. **Sec. 201.** Community facilities districts are authorized to be formed for the purposes authorized under this chapter. Community facilities districts may only include land within urban growth areas designated under the state growth management act, located in portions of one or more cities, towns, or counties when created in accordance with this chapter. A district may include one or more noncontiguous tracts, lots, parcels, or other properties meeting the requirements of this chapter.

(1) To form a community facilities district, a petition must be presented to the applicable legislative authorities. The petition must:

(a) Designate and describe the boundaries of the district by metes and bounds or reference to United States townships, ranges, and legal subdivisions;

(b) Be executed by one hundred percent of all owners of private property located within the boundaries of the proposed district. The property owners must include a request to subject their property to the assessments, up to the amount included in the petition and authorized under this chapter;

THIRTY SIXTH DAY, FEBRUARY 15, 2010

2010 REGULAR SESSION

(c) Include a certification by the petitioners that they want to voluntarily submit their property to the authority of the district under this chapter to approve the petitioner's request to submit their property to the assessments, up to the amount included in the petition and authorized under this chapter;

(d) Include a general explanation of the objective and plan of the district and describe the specific facilities that the district anticipates financing;

(e) Declare the district will be conducive to public health, safety, and welfare;

(f) Assert that the purpose for forming the district will be a benefit to the land located in the district;

(g) Be accompanied by an "obligation" signed by at least two petitioners who agree to pay the costs of the formation process;

(h) Include a list of petitioners or representatives thereof who are willing and able to serve on the board of supervisors. All petitioners within a proposed district who are natural persons, or natural persons who are designated representatives of petitioners, are eligible to include their name on the list of eligible supervisors. The petitioners may nominate qualified professions to serve on the board of supervisors in lieu of the petitioners or representatives of the petitioners;

(i) If it proposes a special assessment, include: (i) A diagram showing each separate lot, tract, parcel of land, or other property in the district; (ii) the acreage of the property; (iii) the name and address of the owner or reputed owner of each lot, tract, parcel of land, or other property as shown on the tax rolls of the county assessor; (iv) a preliminary assessment roll showing the special assessment proposed to be imposed on each lot, tract, parcel of land, or other property; and (v) a proposed method or combination of methods for computing special assessments, determining the benefit to assessed property or use from facilities or improvements funded directly or indirectly by special assessments under this chapter; and

(j) Include an explanation of what security will be provided to ensure the timely payment of assessments and the timely payment of bonds issued by the district.

(2) The petition must be filed with the auditor of each county in which property included within the proposed district is located. The auditor for the county in which the largest geographic portion of the proposed district is located must be the lead auditor for the purposes of this section. Within thirty days of the lead auditor's receipt of the petition, the lead auditor must confirm that the petition has been validly executed by one hundred percent of all owners of the property located within the proposed district, including confirmation by the auditors of all other counties with whom the petition was filed. Within ten days of the lead auditor's finding that the petition either does or does not contain the required signatures, the lead auditor must either (a) transmit the petition, together with a certificate of sufficiency attached thereto, to each legislative authority petitioned for formation of the district; or (b) return the petition to the petitioners with a list of property owners who must sign the petition in order to comply with this section. There are no restrictions on the number of petitions that may be submitted by one or more property owners.

(3) A petition may be amended for any reason if the amendment is signed by one hundred percent of the owners of property located within the district proposed in the amended petition.

**NEW SECTION. Sec. 202.** A public hearing on the petition for formation of a district must be held by each applicable legislative authority, not less than thirty, but not more than sixty days, from the date that the lead county auditor issues the certificate of sufficiency required under section 201 of this act.

**NEW SECTION. Sec. 203.** Notice of all public hearings must include a description of the proposal, be mailed to all petitioners, and must be published once a week for three consecutive

weeks in the official paper for each applicable legislative authority, prior to the date set for the hearing. The notice must be posted for not less than fifteen days prior to the date of the hearing in each of three public places within the boundaries of the proposed district and in three public places for each applicable legislative authority. Each notice must contain the time, date, and place of the public hearing.

**NEW SECTION. Sec. 204.** At the time and place of the public hearing, the legislative authority must consider the petition. The legislative authority may receive any evidence it deems material that supports or opposes the formation of the district, including the inclusion or exclusion of land. Unless an amended petition satisfying the requirements of section 201 of this act is approved in accordance with the requirements of this chapter, no land outside the boundaries described in the petition may be included within the proposed district. No land inside the boundaries of an approved petition may be removed from the district unless an amended petition satisfying the requirements of section 201 of this act is approved in accordance with the requirements of this chapter.

**NEW SECTION. Sec. 205.** (1) The legislative authority may act on the petition to form a community facilities district at the public hearing held under section 204 of this act and in no event may the legislative authority's decision be issued later than thirty days after the day of the public hearing. The applicable legislative authority may approve the petition by resolution if the applicable legislative authority determines, in its sole discretion, that the petitioners will benefit from the proposed district and that the formation of the district will be in the best interest of the county, city or town, as applicable, and that formation of the district is consistent with the requirements of Washington's growth management act.

(2) A community facilities district may not be formed unless each applicable legislative authority makes the finding required under subsection (1) of this section.

(3) All resolutions approving a petition must conform to the terms and conditions contained in the petition, including the maximum amounts of special assessments set forth in the petition, and must designate the name and number of the community facilities district being formed.

**NEW SECTION. Sec. 206.** (1) Any person who objects to formation of the district may appeal the final decision of a legislative authority to approve a petition for formation of a community facilities district by filing an appeal with the superior court of the county in which any part of the district is located within thirty days of the effective date of the resolution approving formation of the district.

(2) If no appeal is timely filed, then the legislative authority's decision is deemed valid, complete, and final, and neither the legal existence of the district, nor the terms and conditions of an approved petition can thereafter be challenged or questioned by any person on the grounds of procedural defect or otherwise. Certified copies of each resolution approving a district must be filed with the auditor of the county or counties in which the community facilities district is located.

**PART III  
COMMUNITY FACILITIES DISTRICT BOARD OF  
SUPERVISORS**

**NEW SECTION. Sec. 301.** (1) A community facilities district must be governed by a board of supervisors possessing the powers set forth under section 401 of this act. The board of supervisors must be appointed by each applicable legislative authority within sixty days of the formation of the district. Except as expressly provided under this section, each applicable legislative

2010 REGULAR SESSION

authority is authorized to appoint members to the board of supervisors only from among the members of its own governing body. Each applicable legislative authority must appoint the petitioner members or nominees required under subsection (2) or (3) of this section. The term of office of each supervisor is three years and until a successor is appointed, except that the supervisors first appointed serve for one and two years respectively from the date of their appointments, as designated in their appointments.

(2) Except as provided in subsection (3) of this section, if the proposed district is located entirely within a single jurisdiction, then the board of supervisors consists of: (a) Three members of the legislative authority of the jurisdiction; and (b) two members appointed from among the list of eligible supervisors included in the petition as provided in section 201(1)(h) of this act. All members of the board of supervisors must be natural persons.

(3) If all or a portion of the proposed district is located within unincorporated land that is entirely surrounded by an incorporated city or town, then the board of supervisors consists of: (a) Two members appointed from the county legislative authority; (b) two members appointed from the legislative authority of the city or town that is the additional legislative authority under section 102(4) of this act; and (c) one member appointed from the list of eligible petitioners included in the petition as provided in section 201(1)(h) of this act, depending on the number of additional members that are required to result in an overall odd number of supervisors.

(4) If the county, city, or town is the exclusive legislative authority pursuant to section 102 of this act, then the board of supervisors consists of: (a) Three members appointed from such county, city, or town; and (b) two members from the list of eligible petitioners or nominees included in the petition, as provided in section 201(1)(h) of this act, to result in an overall odd number of supervisors.

(5) The legislative authorities may appoint qualified professionals with expertise in municipal finance in lieu of one or more appointments authorized in this section. A jurisdiction's appointments to the board of supervisors may consist of a combination of qualified professionals authorized under this section and one or more members from the applicable legislative authority. Nothing contained in this section authorizes a legislative authority to exceed the maximum number of appointments set forth under subsection (2) or (3) of this section.

(6) A vacancy on the board must be filled by the legislative authority authorized to make the appointment to the applicable supervisor position under this section. Vacancies must be filled by a person in the same position vacating the board, which for initial petitioner members or nominees includes successor owners of property located within the boundaries of an approved district. If the approved district was originally located entirely on unincorporated land and the unincorporated land has been annexed into a city or town, then, as of the effective date of annexation, the city or town is deemed the exclusive legislative authority for the purposes of this chapter and the composition of the board must be structured accordingly, as provided in this section. Supervisors must serve without compensation, but they are entitled to expenses, including traveling expenses, necessarily incurred in discharge of their duties. The board must designate a chair from time to time.

#### PART IV

##### COMMUNITY FACILITIES DISTRICT POWERS

**NEW SECTION. Sec. 401.** (1) A community facilities district created in accordance with this chapter is an independently governed, special purpose district, vested with the corporate authority included under Article VII, section 9 of the state Constitution to make local improvements by special assessment in

accordance with this chapter. Nothing in this chapter exempts the public improvements and facilities provided by a district from the regulatory and land use permitting requirements of the county, city, or town in which the improvements are to be located.

(2) Subject to the terms and conditions of an approved petition, a community facilities district has the powers necessary to carry out the specific purposes authorized under this chapter in order to carry out the specific objectives, plan, and facilities identified in the approved petition including, but not limited to, the authority to:

(a) Acquire, purchase, hold, lease, finance, manage, occupy, construct, and sell real and personal property, facilities, or any interest therein, either inside or outside of the boundaries of the district, except that any such property, facilities, or interests outside the boundaries of the district must directly serve facilities or benefit properties within the district;

(b) Finance and construct facilities authorized under this chapter;

(c) Enter into and perform any and all contracts;

(d) Levy and enforce the collection of special assessments against the property included within a district;

(e) Enter into lease-purchase agreements with or without an option to purchase;

(f) Enter into executory conditional sales contracts, leases, and installment promissory notes;

(g) Borrow money to the extent and in the manner authorized by this chapter;

(h) Hold in trust property useful to accomplishment of the authority granted under this chapter;

(i) Issue revenue bonds in accordance with chapter 39.46 RCW and assessment bonds in accordance with chapter 35.45 RCW, and the requirements of this chapter, payable from revenue or assessments, respectively, of the district that is legally available to be pledged to secure the bonds;

(j) Contract with any municipal corporation, governmental, or private agencies to carry out the purposes authorized by this chapter;

(k) Sue and be sued;

(l) Accept and receive on behalf of the district any money or property donated, devised, or bequeathed to the district and carry out the terms of the donation, devise, or bequest, if it is within the powers granted by law to community facilities districts or, in the absence of such terms, expend or use the money or property for district purposes as determined by the board of supervisors;

(m) Transfer to any county, city, or other municipal corporation, without compensation, any property or other assets of the district; and

(n) Do any and all lawful acts required and expedient to carry out the express authority provided in this chapter.

#### PART V

##### COMMUNITY FACILITIES DISTRICT FINANCES

Sec. 501.** (1) Through the use of district revenue derived through special assessments and bonds authorized under this chapter and, consistent with the terms and conditions of a petition approved in accordance with this chapter, a community facilities district may finance all or a portion of the following costs, expenses, and facilities whether located inside or outside the boundaries of an approved district:

(a) The cost, or any portion thereof, of the purchase, finance, lease, sublease, construction, expansion, improvement, or rehabilitation of any facility with an estimated life of five years or longer;

(b) The planning and design work that is directly related to the purchase, construction, expansion, improvement, or rehabilitation

(2) The district may not finance public or private residential dwellings, nonprofit facilities as defined in RCW 43.180.300, health care facilities as defined in RCW 70.37.020, higher education institutions as defined in RCW 28B.07.020, or economic development activities as defined in RCW 43.163.010.

**NEW SECTION. Sec. 502.** (1) The board of supervisors of a community facilities district may impose special assessments on property located inside the district and benefited by the facilities and improvements provided, or to be provided, by a district, whether the facilities and improvements are located inside or outside of the boundaries of the proposed district. The requirements and powers of a district relating to the formation, assessment, collection, foreclosure, and other powers of a special assessment district are as set forth in chapters 35.43, 35.44, 35.49, and 35.50 RCW, except where otherwise addressed under this chapter. In any case where the provisions of this chapter conflict with the requirements under any other chapter that applies to the formation, assessment, collection, foreclosure, or other powers of a special assessment district, the provisions of this chapter control.

(2) Except as otherwise expressly provided under this chapter, the special assessments imposed and collected on property within a district may not exceed the amount set forth in a petition or amended petition approved in accordance with this chapter.

(3) The term of the special assessment is limited to the lesser of (a) twenty-eight years or (b) two years less than the term of any bonds issued by or on behalf of the district to which the assessments

or other revenue of the district is specifically dedicated, pledged, or obligated.

(4) The computation of special assessments must follow the requirements of chapter 35.44 RCW, including the authority to use any method or combination of methods to compute assessments which may be deemed by the board of supervisors to fairly reflect the benefit to the properties being assessed. The method of assessment may utilize the supplemental authority granted under chapter 35.51 RCW. A petition meeting the requirements of section 201 of this act may provide for the reduction or waiver of special assessments for low-income households as that term is defined in RCW 36.130.010.

(5) The board must set a date, time, and place for hearing any objections to the assessment roll, which hearing must occur no later than one hundred twenty days from final approval of formation of the district. Petitioners or representatives thereof serving on the board of supervisors must not participate in the determination of the special assessment roll or vote on the confirmation of that assessment roll. The restriction in this subsection does not apply to members of the board of supervisors appointed from among the qualified professionals that petitioners may nominate under section 201(1)(h) of this act.

(6) The procedures and requirements for assessments, hearings on the assessment roll, filing of objections to the assessment roll, and appeals from the decision of the board approving or rejecting the assessment roll, must be as set forth in RCW 35.44.010 through 35.44.020, 35.44.080 through 35.44.110, and 35.44.190 through 35.44.270.

(7) At the hearing on the assessment roll and, in no event later than thirty days after the day of the hearing, the board may adopt a resolution approving the assessment roll or may correct, revise, raise, lower, change, or modify the assessment roll or any part thereof, and provide the petitioner with a detailed explanation of the changes made by the board.

(8) If the assessment roll is revised by the board in any way, then, within thirty days of the board's decision, the petitioner(s) must unanimously make one of the following elections: (a) Rescind the petition; or (b) accept the changes made by the board, upon which occurrence the board must adopt a resolution approving the assessment roll as modified by the board.

(9) Reassessments, assessments on omitted property, and supplemental assessments are governed by the provisions set forth under chapter 35.44 RCW.

(10) Any assessment approved under the provisions of this chapter may be segregated upon a petition of one hundred percent of the owners of the property subject to the assessment to be segregated. The segregation must be made as nearly as possible on the same basis as the original assessment was levied and approved by the board. The board, in approving a petition for segregation and amendment of the assessment roll, must do so in a fashion such that the total of the segregated parts of the assessment equal the assessment before segregation. As to any property originally entered upon the roll the assessment upon which has not been raised, no objections to the approval of the petition for segregation, the resulting assessment, or the amended assessment roll may be considered by the jurisdiction in which the district is located, the board, or by any court on appeal. Assessments must be collected in districts pursuant to the district's previous assessment roll until the amendment to the assessment roll is finalized under this section.

(11) Except as provided under chapter 35.44 RCW, assessments may not be increased without the approval of one hundred percent of the property owners subject to the proposed increase.

(12) Special assessments must be collected by the district treasurer determined in accordance with section 505 of this act.

(13) A notice of any special assessment imposed under this chapter must be provided to the owner of the assessed property, not less than once per year, with the following appearing at the top of the page in at least fourteen point, bold font:

\*\*\*NOTICE\*\*\*

THIS PROPERTY IS SUBJECT TO THE ASSESSMENTS ITEMIZED BELOW AND APPROVED BY COMMUNITY FACILITIES DISTRICT # . . . . . AS THE OWNER OR POTENTIAL BUYER OF THIS PROPERTY, YOU ARE, OR WOULD BE, RESPONSIBLE FOR PAYMENT OF THE AMOUNTS ITEMIZED BELOW.

PLEASE REFER TO RCW 36.--.-- (section 502, chapter . . . , Laws of 2010 (section 502 of this act)) OR CONTACT YOUR COUNTY AUDITOR FOR ADDITIONAL INFORMATION.

(14) The district treasurer responsible for collecting special assessments may account for the costs of handling the assessments and may collect a fee not to exceed the measurable costs incurred by the treasurer.

**NEW SECTION. Sec. 503.** (1) The district may utilize the special assessments and revenue derived in accordance with this chapter for the payment of principal and interest on bonds issued pursuant to the authority granted under this chapter to fund or reimburse the costs of facilities authorized under this chapter and prior to the issuance of bonds, may utilize the revenue to directly fund the costs of providing the facilities authorized under this chapter on a pay-as-you-go basis.

(2) The board of supervisors may establish, administer, and pay or otherwise dedicate, pledge, or obligate the assessments and revenue generated in accordance with this chapter into a specific fund created by or on behalf of the district, in order to guarantee payment of obligations incurred in connection with facilities provided under this chapter, including the payment of principal and interest on any bonds issued by or on behalf of the district.

(3) The proceeds of any bond issued pursuant to this chapter may be used to pay any and all costs related to providing the facilities authorized under this chapter, including expenses incurred in connection with issuance of the bonds.

(4) The reporting requirements of RCW 39.44.210 apply to any bond issuance under this chapter.

**NEW SECTION. Sec. 504.** No bonds issued by or on behalf of a community facilities district are obligations of any city, town, county, or the state of Washington or any political subdivision thereof other than the district and the bonds must so state.

**NEW SECTION. Sec. 505.** (1) If a district includes land that is entirely within a county and the land is not surrounded entirely by a city or town, then the treasurer of that county is the treasurer of the district. If a district includes land that is entirely within a county and the land is entirely surrounded by a city or town, or, if parts of the district include land within or surrounded by more than one jurisdiction, then the board of supervisors may, with the concurrence of the treasurers of all jurisdictions within which the district lies, appoint the treasurer of any of those jurisdictions to serve as the district treasurer. Except as specifically provided under this chapter, the duties of a district treasurer are as provided under applicable law.

(2) The district treasurer must establish a community facilities district fund, into which must be paid all district revenues. The district treasurer must also maintain any special funds created by the board of supervisors of the community facilities district, into which the district treasurer must place all money as the board of supervisors may, by resolution, direct. The treasurer may create

such subfunds, accounts, and subaccounts as he or she deems necessary, consistent with applicable law.

(3) The district treasurer must pay assessment bonds and revenue bonds and the accrued interest thereon in accordance with their terms from the appropriate fund when interest or principal payments become due.

(4) All interest collected on community facilities district funds belongs to the district and must be deposited to its credit in the proper district funds.

**PART VI  
MISCELLANEOUS PROVISIONS**

**NEW SECTION. Sec. 601.** All assessments imposed on the respective lots, tracts, parcels of land, and other property included within the boundaries of an approved district in accordance with this chapter, are a lien upon the property from the date of final approval and are paramount and superior to any other lien or encumbrance whatsoever, theretofore or thereafter created, except a lien for general taxes.

through a public utility operated by a municipality. Energy conservation services may be provided through an existing utility system already operated by the municipality. A municipality that provides energy conservation services under this chapter is declared to be engaged in the sale or distribution of energy services under Article VIII, section 10 of the state Constitution.

**NEW SECTION. Sec. 4.** (1)(a) The authority provided under this chapter applies to municipalities wholly located within the electric service territories of Tacoma public utilities, Seattle city light, and Puget Sound energy as of the effective date of this section.

(b) The authorization in (a) of this subsection is limited to the municipality's boundaries and do not extend to any unincorporated areas in an electric utility's service area.

(2)(a) By ordinance, a municipality may create an energy conservation services utility for the purpose of providing to its inhabitants and property owners energy conservation services that lead to the more efficient consumption of energy resources, from whatever source generated, and may construct, purchase, acquire, lease, add to, extend, maintain, and operate a system or program of energy conservation services.

(b) Prior to creating an energy conservation services utility, the legislative authority of the municipality must hold a public hearing and make a legislative determination, based on presentations at the hearing, that the energy conservation services proposed to be provided by the municipality will make available additional or complementary services, target underserved areas or populations, or otherwise add incremental value to the preexisting programs and services provided by an electric or natural gas energy distribution utility servicing the municipality.

(c) Energy conservation services are only authorized under this chapter if the cost per unit of energy saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource that could be acquired to meet future demand.

(3) For the purpose of providing energy conservation services, the municipality has the full power to operate and regulate such systems and programs; to enter into agreements for the maintenance and operation of any facilities, equipment, or systems, under such terms and conditions as may be determined by the legislative authority of the municipality to be in the municipality's interest; and other powers as may be necessary for the provision and financing of energy conservation services. Nothing in this chapter authorizes any municipality to generate, transmit, distribute, or sell electricity. Nothing in this chapter may be construed to restrain or limit the authority of any individual, partnership, corporation, private utility, or public utility from establishing and providing energy conservation services.

(4) The legislative authority of the municipality has full authority to set rates or charges for energy conservation services provided to customers of the energy conservation service utility if the rates charged are uniform for the same class of customer or service. In classifying customers served or services furnished, the legislative authority may consider: The difference in cost of services to the various customers; the location of the various customers within the municipality; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the services furnished various customers; the quantity and quality of the services furnished; and any other matters that present a reasonable difference as a ground for distinction. The legislative authority of the municipality has the full authority to regulate and control the energy conservation services so delivered, together with the right to handle and sell or lease any energy conservation equipment, fixtures, or accessories of any kind, necessary and convenient for the provision of energy conservation services.

(5) A qualifying utility under RCW 19.280.030 that serves a municipality providing energy conservation services under this chapter may exclusively claim the energy savings achieved by the energy conservation services for purposes of complying with RCW 19.280.040. At the request of the qualifying utility, municipalities must provide the qualifying utility, the department of commerce, and the Washington utilities and transportation commission with any relevant data to effectuate this purpose.

(6) A municipality may issue general obligation or revenue bonds, notes, warrants, or other evidences of indebtedness for the purposes of providing all or part of the costs of providing energy conservation services, which shall be issued and sold in accordance with chapters 39.44, 39.46, 39.50, and 39.53 RCW. No municipality may enter into a contract to sell loans financed by an energy services conservation utility to a third party for the purpose of securitizing those loans without approval by the legislative authority of the municipality. Any contract that requires a municipality to service loans that it originated must limit the liability of the municipality by prohibiting the commingling of its loans in a securities instrument with loans issued by other parties. No indebtedness may be issued after June 30, 2015. However, indebtedness previously issued may continue to be serviced.

(7) Municipalities providing energy conservation services under this chapter must establish quality assurance programs that must include the following: (a) A requirement that contractors be prequalified; (b) the maintenance of a list of prequalified contractors; (c) the creation of minimum standards for prequalified contractors that include: (i) Legal compliance procedures; (ii) proper classification of employees; (iii) use of a qualified energy efficiency workforce if such workers are available; and (iv) maintenance of records needed to verify compliance; and (d) a third-party, independent verification process.

(8) The authority granted in this chapter must be consistent with, and not limit, supplant, replace, or conflict with, any authority to provide energy conservation services through an existing municipal utility.

(9) Energy conservation service utilities formed under this chapter must file annual reports stating the number of customers served, the amount of assistance per customer, the estimated energy savings per customer, and the effectiveness of their quality assurance programs. Municipalities must submit their reports to the respective electric utilities serving their residents, which must consolidate the reports and submit them electronically to the appropriate legislative committees by December 1st each year until the expiration of the pilot program.

**NEW SECTION. Sec. 5.** (1) Any municipality engaged in the provision of energy conservation services under this chapter is authorized, within limits established by the Constitution of the state of Washington, to assist the owners of structures or equipment in financing the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy in such structures or equipment pursuant to an energy conservation plan adopted by the municipality if the cost per unit of energy saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource that could be acquired to meet future demand. Any financing authorized under this chapter may only be used for energy conservation services in existing structures.

(2) Except where otherwise authorized, such assistance is limited to:

(a) Providing an inspection of the structure or equipment, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which

financial assistance will be approved and the estimated life cycle savings in energy costs that are likely to result from the installation of the materials or equipment;

(b) Providing a list of businesses that sell and install the materials and equipment within or in close proximity to the service area of the municipality, each of which businesses must have requested to be included and must have the ability to provide the products in a workmanlike manner and to utilize the materials in accordance with the prevailing national standards;

(c) Arranging to have approved conservation materials and equipment installed by a private contractor whose bid is acceptable to the owner of the residential structure and verifying the installation; and

(d) Arranging or providing financing for the purchase and installation of approved conservation materials and equipment. The materials and equipment must be purchased from a private business and be installed by a private business or the owner.

(3)(a) Pay back must be in the form of incremental additions to an existing local government utility or tax bill, billed either together with use charge or separately. Loans may not exceed two hundred forty months in length. The municipality may make assistance available in the form of grants made under this chapter for energy conservation improvements to existing structures owned or occupied by persons qualifying as poor or infirm consistent with the state Constitution.

(b) If pay back is in the form of incremental additions to a property tax bill, and if a servicer maintains an escrow account for a borrower of the energy conservation services related to the property, then the municipality shall contact the servicer of the existing escrow within thirty days to communicate the incremental increase in monthly payments required to make the energy conservation services payment when due.

(4) The municipal legislative authority shall approve the aggregate amount of such loans and the repayment terms by ordinance and may, by ordinance, delegate to staff the approval of individual loans consistent with loan program guidelines approved in the ordinance. The municipality and the property owner shall enter into a loan agreement setting forth the terms of the loan, which agreement may provide for acceleration in the event a loan installment is delinquent. In order to secure loans, the municipality shall have a statutory lien on the property, not exceeding five percent of the assessed value of the property as of the last assessment preceding the loan funding date, on which energy conservation improvements so financed are installed or constructed. The statutory lien shall be paramount and superior to any other lien or encumbrance thereafter created except a lien for general taxes, special assessment district assessments, and liens filed under RCW 35.92.360, 54.16.280, or 36.94.460. Any lien for any amount in excess of five percent of the assessed value of the property may be obtained and perfected in accordance with applicable law. The loan shall be a lien upon property from the time the loan agreement is executed. If the municipal legislative authority in granting loans has acted in good faith and without fraud, the loan shall be valid and enforceable as such and the lien thereof upon the property shall be valid.

(5) The municipality may foreclose a lien in an action in the superior court. All or any of the tracts subject to such a lien may be proceeded against in a single action, and all parties appearing of record as owning or claiming to own or having an interest in or lien upon the tracts involved shall be impleaded in the action as parties defendant. An action to foreclose a lien must be commenced within two years after the date that the loan first becomes subject to acceleration under the loan documents. Liens to secure loans may be foreclosed in the manner provided by RCW 35.67.250 through 35.67.270.

(6) The municipality may pledge revenues from loan payments to secure and repay general obligation or revenue bonds, notes, or other forms of indebtedness issued by or on behalf of the municipality, which indebtedness shall be issued in accordance with this chapter and chapters 39.44, 39.46, 39.50, and 39.53 RCW. For the purpose of securing the payment of the principal of and interest on any bonds or notes, the municipality may create a reserve fund. The principal amount of any loan may include a proportionate share of the costs of issuing the bonds, notes, or other indebtedness, and may include up to an additional amount to fund a reserve fund, consistent with RCW 39.44.140. The bonds, warrants, or other evidences of indebtedness shall be deemed to be for capital purposes within the meaning of the uniform system of accounts for municipal corporations.

**Sec. 6.** RCW 35.92.070 and 1987 c 145 s 1 are each amended to read as follows:

When the governing body of a city or town deems it advisable that the city or town purchase, acquire, or construct any such public utility, or make any additions and betterments thereto or extensions thereof, it shall provide therefor by ordinance, which shall specify and adopt the system or plan proposed, and declare the estimated cost thereof, as near as may be, and the ordinance shall be submitted for ratification or rejection by majority vote of the voters of the city or town at a general or special election.

(1) No submission shall be necessary:

(a) When the work proposed is an addition to, or betterment of, extension of, or an increased water supply for existing waterworks, or an addition, betterment, or extension of an existing system or plant of any other public utility;

(b) When in the charter of a city a provision has been adopted authorizing the corporate authorities thereof to provide by ordinance for acquiring, opening, or operating any of such public utilities; ~~(or)~~

(c) When in the judgment of the corporate authority, the public health is being endangered by the discharge of raw or untreated sewage into any body of water and the danger to the public health may be abated by the construction and maintenance of a sewage disposal plant; or

(d) When the governing body of a city or town deems it advisable to form an energy conservation services utility under chapter 35.-- RCW (the new chapter created in section 7 of this act).

(2) Notwithstanding subsection (1) of this section, submission to the voters shall be necessary if:

(a) The project or work may produce electricity for sale in excess of present or future needs of the water system;

(b) The city or town does not own or operate an electric utility system;

(c) The work involves an ownership greater than twenty-five percent in a new water supply project combined with an electric generation facility; and

(d) The combined facility has an installed capacity in excess of five megawatts.

(3) Notwithstanding subsection (1) of this section, submission to the voters shall be necessary to make extensions to a public utility which would expand the previous service capacity by fifty percent or more, where such increased service capacity is financed by the issuance of general obligation bonds.

(4) Thirty days' notice of the election shall be given in the official newspaper of the city or town, by publication at least once each week in the paper during such time.

(5) When a proposition has been adopted, or in the cases where no submission is necessary, the corporate authorities of the city or town may proceed forthwith to purchase, construct, and acquire the public utility or make additions, betterments, and extensions thereto and to make payment therefor.

Promoting efficiencies including institutional coordination and partnerships in the community and technical college system.

MOTION

On motion of Senator Kilmer, Substitute Senate Bill No. 6359 was substituted for Senate Bill No. 6359 and the substitute bill was placed on the second reading and read the second time.

MOTION

Senator Kilmer moved that the following striking amendment by Senator Kilmer be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that Washington's community and technical college system consists of thirty-four two-year institutions geographically dispersed across the state to encourage and enable student access and participation. The legislature also finds that, compared with other states, Washington's two-year public participation rate is ranked as high as fifth in the nation. The legislature further finds that Washington's community and technical colleges have been making and are continuing to make great progress towards system efficiencies and coordination of their efforts through such things as common course numbering, the student achievement initiative, associate transfer degrees, eLearning and integrated basic education, skills training, and some common administrative systems. To encourage further efficiencies while maintaining Washington's recognized leadership in community and technical college education, enhance student access and success, strengthen academic programs, and develop and retain high quality faculty, the legislature intends to provide mechanisms for cost-effective partnerships and coordination between institutions, including shared services, and increased complementary programming, as well as structural administrative efficiencies.

**Sec. 2.** RCW 28B.50.020 and 2009 c 64 s 2 are each amended to read as follows:

The purpose of this chapter is to provide for the dramatically increasing number of students requiring high standards of education either as a part of the continuing higher education program or for occupational education and training, or for adult basic skills and literacy education, by creating a new, independent system of community and technical colleges which will:

(1) Offer an open door to every citizen, regardless of his or her academic background or experience, at a cost normally within his or her economic means;

(2) Ensure that each college district, in coordination with adjacent college districts, shall offer thoroughly comprehensive educational, training, and service programs to meet the needs of both the communities and students served by combining high standards of excellence in academic transfer courses; realistic and practical courses in occupational education, both graded and ungraded; community services of an educational, cultural, and recreational nature; and adult education, including basic skills and general, family, and workforce literacy programs and services;

(3) Provide for basic skills and literacy education, and occupational education and technical training (~~at technical colleges~~) in order to prepare students for careers in a competitive workforce;

(4) Provide or coordinate related and supplemental instruction for apprentices at community and technical colleges;

(5) Provide administration by state and local boards which will avoid unnecessary duplication of facilities (~~(or)~~), programs, student services, or administrative functions; and which will encourage efficiency in operation and creativity and imagination in education, training, and service to meet the needs of the community and students;

THIRTY SIXTH DAY, FEBRUARY 15, 2010

2010 REGULAR SESSION

(6) Allow for the growth, improvement, flexibility and modification of the community colleges and their education, training, and service programs as future needs occur; and

(7) Establish firmly that, except on a pilot basis as provided under RCW 28B.50.810, community colleges are, for purposes of academic training, two year institutions, and are an independent, unique, and vital section of our state's higher education system, separate from both the common school system and other institutions of higher learning, and never to be considered for conversion into four-year liberal arts colleges.

**Sec. 3.** RCW 28B.50.090 and 2009 c 64 s 4 are each amended to read as follows:

The college board shall have general supervision and control over the state system of community and technical colleges. In addition to the other powers and duties imposed upon the college board by this chapter, the college board shall be charged with the following powers, duties and responsibilities:

(1) Review the budgets prepared by the boards of trustees, prepare a single budget for the support of the state system of community and technical colleges and adult education, and submit this budget to the governor as provided in RCW 43.88.090;

(2) Establish guidelines for the disbursement of funds; and receive and disburse such funds for adult education and maintenance and operation and capital support of the college districts in conformance with the state and district budgets, and in conformance with chapter 43.88 RCW;

(3) Ensure, through the full use of its authority:

(a) That each college district, in coordination with colleges, within a regional area, shall offer thoroughly comprehensive educational, training, and service programs to meet the needs of both the communities and students served by combining high standards of excellence in academic transfer courses; realistic and practical courses in occupational education, both graded and ungraded; and community services of an educational, cultural, and recreational nature; and adult education, including basic skills and general, family, and workforce literacy programs and services;

(b) That each college district shall maintain an open-door policy, to the end that no student will be denied admission because of the location of the student's residence or because of the student's educational background or ability; that, insofar as is practical in the judgment of the college board, curriculum offerings will be provided to meet the educational and training needs of the community generally and the students thereof; and that all students, regardless of their differing courses of study, will be considered, known and recognized equally as members of the student body: PROVIDED, That the administrative officers of a community or technical college may deny admission to a prospective student or attendance to an enrolled student if, in their judgment, the student would not be competent to profit from the curriculum offerings of the college, or would, by his or her presence or conduct, create a disruptive atmosphere within the college not consistent with the purposes of the institution. This subsection (3)(b) shall not apply to competency, conduct, or presence associated with a disability in a person twenty-one years of age or younger attending a technical college;

(4) Prepare a comprehensive master plan for the development of community and technical college education and training in the state; and assist the office of financial management in the preparation of enrollment projections to support plans for providing adequate college facilities in all areas of the state. The master plan shall include implementation of the vision, goals, priorities, and strategies in the statewide strategic master plan for higher education under RCW 28B.76.200 based on the community and technical college system's role and mission. The master plan shall also contain

measurable performance indicators and benchmarks for gauging progress toward achieving the goals and priorities;

(5) Define and administer criteria and guidelines for the establishment of new community and technical colleges or campuses within the existing districts;

(6) Establish criteria and procedures for modifying district boundary lines and consolidating district structures to form multiple campus districts consistent with the purposes set forth in RCW 28B.50.020 as now or hereafter amended and in accordance therewith make such changes as it deems advisable;

(7) Establish minimum standards to govern the operation of the community and technical colleges with respect to:

(a) Qualifications and credentials of instructional and key administrative personnel, except as otherwise provided in the state plan for vocational education,

(b) Internal budgeting, accounting, auditing, and financial procedures as necessary to supplement the general requirements prescribed pursuant to chapter 43.88 RCW,

(c) The content of the curriculums and other educational and training programs, and the requirement for degrees and certificates awarded by the colleges,

(d) Standard admission policies,

(e) Eligibility of courses to receive state fund support;

(8) Establish and administer criteria and procedures for all capital construction including the establishment, installation, and expansion of facilities within the various college districts;

(9) Encourage innovation in the development of new educational and training programs and instructional methods; coordinate research efforts to this end; and disseminate the findings thereof;

(10) Exercise any other powers, duties and responsibilities necessary to carry out the purposes of this chapter;

(11) Authorize the various community and technical colleges to offer programs and courses in other districts when it determines that such action is consistent with the purposes set forth in RCW 28B.50.020 as now or hereafter amended;

(12) Notwithstanding any other law or statute regarding the sale of state property, sell or exchange and convey any or all interest in any community and technical college real and personal property, except such property as is received by a college district in accordance with RCW 28B.50.140(8), when it determines that such property is surplus or that such a sale or exchange is in the best interests of the community and technical college system;

(13) In order that the treasurer for the state board for community and technical colleges appointed in accordance with RCW 28B.50.085 may make vendor payments, the state treasurer will honor warrants drawn by the state board providing for an initial advance on July 1, 1982, of the current biennium and on July 1 of each succeeding biennium from the state general fund in an amount equal to twenty-four percent of the average monthly allotment for such budgeted biennium expenditures for the state board for community and technical colleges as certified by the office of financial management; and at the conclusion of such initial month and for each succeeding month of any biennium, the state treasurer will reimburse expenditures incurred and reported monthly by the state board treasurer in accordance with chapter 43.88 RCW: PROVIDED, That the reimbursement to the state board for actual expenditures incurred in the final month of each biennium shall be less the initial advance made in such biennium;

(14) Notwithstanding the provisions of subsection (12) of this section, may receive such gifts, grants, conveyances, devises, and bequests of real or personal property from private sources as may be made from time to time, in trust or otherwise, whenever the terms and conditions thereof will aid in carrying out the community and technical college programs and may sell, lease or exchange, invest

or expend the same or the proceeds, rents, profits and income thereof according to the terms and conditions thereof; and adopt regulations to govern the receipt and expenditure of the proceeds, rents, profits and income thereof; and

(15) The college board shall have the power of eminent domain.

**NEW SECTION. Sec. 4.** (1) The state board for community and technical colleges, in collaboration with the boards of trustees for the community and technical colleges, shall identify potential administrative efficiencies, complementary administrative functions, and complementary academic programs based upon consultation with colleges within a regional area. To identify administrative efficiencies and complementary administrative functions and programs, colleges within the regional area shall work in coordination with an equal number of stakeholders from their boards of trustees, administration, faculty, employee union representatives, student representatives, and community representatives. Factors to be considered include, but are not limited to:

(a) The economic feasibility and cost savings anticipated from the proposed changes;

(b) The extent to which the changes will contribute to student access to academic programs and services, including greater flexibility for students to transfer credits and obtain degrees and certificates from other colleges within the regional area;

(c) The extent to which the changes contribute to the vision, goals, priorities, and statewide strategies in the comprehensive master plan and the statewide strategic master plan for higher education; and

(d) The extent to which the changes will contribute to strengthening the retention and recruitment of high quality faculty, including, but not limited to, full-time faculty, faculty development, and academic programs.

(2) The state board for community and technical colleges shall develop and adopt a detailed plan for the implementation of any identified changes that would result in cost savings while maintaining or enhancing student access and achievement. The plan must establish a time frame within which any proposed changes must be accomplished and must include any agreements, approved by the state board for community and technical colleges, between colleges within a regional area to provide complementary academic programs or coordinate administrative functions. The implementation plan shall take effect upon approval by the state board for community and technical colleges. The state board shall submit a preliminary report on the plan to the appropriate legislative committees and the governor December 1, 2010, and shall submit a final report December 1, 2011.

(3) Any cost savings realized as a result of the implementation of administrative efficiencies, complementary administrative functions, and complementary academic programming under the plan shall be retained by the respective districts to be used for enhancing student access and success.

**NEW SECTION. Sec. 5.** A new section is added to chapter 28B.50 RCW to read as follows:

(1) The college board, using the criteria established under RCW 28B.50.090(6) and in consultation with the boards of trustees for the community and technical colleges, shall identify adjacent college districts that can feasibly be consolidated or whose boundaries can feasibly be modified to form a multiple campus district. The primary considerations shall be the extent to which the changes will:

(a) Affect student access to academic programs and services, (b) affect the retention and recruitment of high quality faculty, and (c) result in financial efficiencies.

(2) By December 1, 2012, the college board, in consultation with local boards of trustees, shall evaluate any proposed district consolidations or boundary changes identified in subsection (1) of

(iii) Where any questions arise in the transfer of funds or the adjustment of appropriation authority, the director of financial management shall determine the appropriate transfer or adjustment.

(8) Leave transferred under this section shall not be used in any calculation to determine an agency's allocation of full time equivalent staff positions.

Before the agency head makes a determination to return unused leave in connection with an illness or injury, or any other qualifying condition, he or she must receive from the affected employee a statement from the employee's doctor verifying that the illness or injury is resolved. To the extent administratively feasible, the value of unused leave which was transferred by more than one employee shall be returned on a pro rata basis.

**"NEW SECTION. Sec. 1.** (1) No later than thirty days after the effective date of this section, the office of financial management shall establish a working group on language access services.

(2) The working group shall include members that have experience and knowledge of language access services in Washington state, including representatives of a statewide association representing hospitals, community health centers and providers for underserved and immigrant populations, statewide associations representing physicians, other health care providers who serve medicaid patients, a statewide labor union currently working with language access providers, statewide professional interpreter associations, community-based organizations that advocate for persons with limited English proficiency, language access providers, brokers, and representatives of the department of social and health services.

(3) A representative of the office of financial management shall chair the working group, and the department shall provide staff to support the working group's activities.

(4) The working group shall develop a plan to improve the efficiency and effectiveness of language access services. The plan shall describe the best possible means by which the following criteria are achieved: Administrative and overhead costs, including brokers and language access agencies, are reduced; timeliness and flexibility for medical providers is improved; the pool of qualified interpreters is stabilized; and fraud and abuse are prevented.

THIRTY SIXTH DAY, FEBRUARY 15, 2010

2010 REGULAR SESSION

(5) The office of financial management shall report the findings of the working group to the legislature no later than September 30, 2010.

**NEW SECTION. Sec. 2.** A new section is added to chapter 41.56 RCW to read as follows:

(1) In addition to the entities listed in RCW 41.56.020, this chapter applies to the governor with respect to language access providers. Solely for the purposes of collective bargaining and as expressly limited under subsections (2) and (3) of this section, the governor is the public employer of language access providers who, solely for the purposes of collective bargaining, are public employees. The governor or the governor's designee shall represent the public employer for bargaining purposes.

(2) There shall be collective bargaining, as defined in RCW 41.56.030, between the governor and language access providers, except as follows:

(a) A statewide unit of all language access providers is the only unit appropriate for purposes of collective bargaining under RCW 41.56.060;

(b) The exclusive bargaining representative of language access providers in the unit specified in (a) of this subsection shall be the representative chosen in an election conducted pursuant to RCW 41.56.070.

Bargaining authorization cards furnished as the showing of interest in support of any representation petition or motion for intervention filed under this section are exempt from disclosure under chapter 42.56 RCW;

(c) Notwithstanding the definition of "collective bargaining" in RCW 41.56.030(4), the scope of collective bargaining for language access providers under this section is limited solely to: (i) Economic compensation; (ii) rules and procedures regarding payments, work rules, and reimbursements; (iii) certification procedures, professional development, and training; (iv) labor-management committees; and (v) grievance procedures. Retirement benefits are not subject to collective bargaining. By such obligation neither party may be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter;

(d) In addition to the entities listed in the mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480, the provisions apply to the governor or the governor's designee and the exclusive bargaining representative of language access providers, except that:

(i) In addition to the factors to be taken into consideration by an interest arbitration panel under RCW 41.56.465, the panel shall consider the financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement;

(ii) The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and benefit provisions of the arbitrated collective bargaining agreement, the decision is not binding on the state;

(e) Language access providers do not have the right to strike.

(3) Language access providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state for any other purpose. This section applies only to the governance of the collective bargaining relationship between the employer and language access providers as provided in subsections (1) and (2) of this section.

(4) Each party with whom the department of social and health services contracts for language access services and each of their subcontractors shall provide to the department an accurate list of language access providers, as defined in RCW 41.56.030, including their names, addresses, and other contact information, annually by

January 30th, except that initially the lists must be provided within thirty days of the effective date of this section. The department shall, upon request, provide a list of all language access providers, including their names, addresses, and other contact information, to a labor union seeking to represent language access providers.

(5) This section does not create or modify:

(a) The department's obligation to comply with the federal statute and regulations; and

(b) The legislature's right to make programmatic modifications to the delivery of state services under chapter 74.04 RCW. The governor may not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection.

(6) Upon meeting the requirements of subsection (7) of this section, the governor must submit, as a part of the proposed biennial or supplemental operating budget submitted to the legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement the agreement.

(7) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section may not be submitted by the governor to the legislature unless the request has been:

(a) Submitted to the director of financial management by October 1st prior to the legislative session at which the requests are to be considered, except that, for initial negotiations under this section, the request may not be submitted before July 1, 2011; and

(b) Certified by the director of financial management as financially feasible for the state or reflective of a binding decision of an arbitration panel reached under subsection (2)(d) of this section.

(8) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any collective bargaining agreement must be reopened for the sole purpose of renegotiating the funds necessary to implement the agreement.

(9) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(10) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of language access providers and their exclusive bargaining representative to the extent the activities are authorized by this chapter.

Senators Keiser and Marr spoke in favor of adoption of the striking amendment.

Senator Zarelli spoke against adoption of the striking amendment.

#### POINT OF ORDER

Senator Holmquist: "Thank you Mr. President. I believe that the striking amendment offered is beyond the scope and object of the current version of the bill and I have some arguments to offer on this Mr. President. This body just adopted the second substitute as reported by the Ways & Means Committee. That bill is a one section bill that does only one thing; it establishes a work group to develop a plan to improve the efficiency and effectiveness of language access services. By contrast the striking amendment adds eight more sections and authorizes language access providers to collectively bargain with the governor. The amendment establishes a procedure for the selection of exclusive bargaining representative defines its scope

THIRTY SIXTH DAY, FEBRUARY 15, 2010

2010 REGULAR SESSION

of bargaining and establishes dispute resolution procedures. The bill is focused on developing a plan of efficiency and the provision of language access services while the amendment is focused on the expansion of collective bargaining rights. For these reasons, I believe the amendment offered is outside the scope and object of this bill and is in violation of Senate Rule 66 and I respectfully request a ruling on this matter. Thank you Mr. President."

Senator Marr spoke against the point of order.

## STATEMENT FOR THE JOURNAL

On February 15, 2010, given the enormous volume of bills, amendments, and motions before the Senate, I inadvertently voted "nay" on the final passage of Engrossed Substitute Senate Bill No. 6424, relating to local excise tax authority for cities and counties. Local governments, especially counties, are struggling to provide resources for public safety, and it is important to provide local governments with revenue flexibility during these challenging economic times. This bill provides some of that needed flexibility, and I support this policy. I regret this mistake, and I meant to vote "yes" in support of this measure.

#### POINT OF ORDER

Senator Rockefeller: "Mr. President, I object to characterizing an effort to amend the statute as an attack on the state's constitution. The gentleman is a scribing motivation and I don't believe it's warranted or appropriate here."

#### REPLY BY THE PRESIDENT

President Owen: "The President believes that at times we walk very closely to impugning members motives. I did not hear it, direct impugning, at that point but it is close. Senator Benton."

#### RULING BY THE PRESIDENT

President Owen: "Senator Benton, that is impugning, please talk to the merits of the or the demerits of the amendment."

Senator Fraser spoke against adoption of the amendment.

#### POINT OF ORDER

Senator McDermott: "I request a ruling on scope and object on this amendment. The bill itself addresses the initiative and referendum signature gathering process. At no point, in anywhere in the bill does it address voter registration. I believe that to be attempting to affect voter registration by amendment, is well beyond the scope of this bill."

#### RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order by Senator McDermott, the original bill registered signature gatherers. The amendment expands the provisions to include persons registering voters. The President believes that is an expansion of the scope and object of the bill and the amendment is beyond the scope and object of the bill. Therefore, Senator McDermott's point is well taken."

President Owen: "In ruling upon the point of order by Senator McDermott, the President believes for the same reasons that the previous amendment was beyond the scope and object of which the bill is relative to registering signature gatherers. The amendment is relative to persons who register voters the amendment is beyond the scope and object of the bill. Senator McDermott's point is well taken."
