(6) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his or her discretion to waive, in whole or in part, the amount of any overpayment where the recovery would be against equity and good conscience.

The department shall mail a conformed copy of the warrant to the person named within seven working days of filing with the clerk.

(5)(a) The director, or the director's designee, may issue to any person or organization an order to withhold and deliver property of any kind if there is reason to believe that the person or organization possesses property that is due, owing, or belonging to any person against whom a final order of debt due and owing has been entered. For purposes of this subsection, "person or organization" includes any individual, firm, association, corporation, political subdivision of the state, or agency of the state.

(b) The order to withhold and deliver must be served in the manner prescribed for the service of a summons in a civil action or by certified mail, return receipt requested. Any person or organization upon whom service has been made shall answer the order within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of therein.

(c) If there is in the possession of the person or organization served with the order any property that might be subject to the claim of the department, the person or organization must immediately withhold such property and deliver the property to the director or the director's authorized representative immediately upon demand.

(d) If the person or organization served the order fails to timely answer the order, the court may render judgment by default against the person or organization for the full amount claimed by the director in the order plus costs.

(e) If an order to withhold and deliver is served upon an employer and the property found to be subject to the notice is wages, the employer may assert in the answer all exemptions to which the wage earner might be entitled as provided by RCW 6.27.150)) of benefits under this chapter is made because of clerical error, mistake of identity, innocent misrepresentation by or on behalf of the recipient thereof mistakenly acted upon, or any other circumstance of a similar nature, all not induced by willful misrepresentation, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim with the crime victims' compensation program. The department must make claim for such repayment or recoupment within one year of the making of any such payment or it will be deemed any claim therefor has been waived.

(b) Except as provided in subsections (3) and (4) of this section, the department may only assess an overpayment of benefits because of adjudicator error when the order upon which the overpayment is based is not yet final as provided in RCW 51.52.050 and 51.52.060. "Adjudicator error" includes the failure to consider information in

the claim file, failure to secure adequate information, or an error in judgment.

(c) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his or her discretion to waive, in whole or in part, the amount of any such timely claim where the recovery would be against equity and good conscience.

(2) Whenever the department fails to pay benefits because of clerical error, mistake of identity, or innocent misrepresentation, all not induced by recipient willful misrepresentation, the recipient may request an adjustment of benefits to be paid from the crime victims' compensation programs subject to the following:

(a) The recipient must request an adjustment in benefits within one year from the date of the incorrect payment or it will be deemed any claim therefore has been waived.

(b) The recipient may not seek an adjustment of benefits because of adjudicator error. Adjustments due to adjudicator error are addressed by the filing of a written request for reconsideration with the department or an appeal with the department within ninety days from the date the order is communicated as provided in RCW 51.52.050. "Adjudicator error" includes the failure to consider information in the claim file, failure to secure adequate information, or an error in judgment.

(3) Whenever any payment of benefits under this chapter has been made pursuant to an adjudication by the department or by order of any court and timely appeal therefrom has been made where the final decision is that any such payment was made pursuant to an erroneous adjudication, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim.

(a) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise discretion to waive, in whole or in part, the amount of any such payments where the recovery would be against equity and good conscience.

(b) The department shall first attempt recovery of overpayments for health services from any entity that provided health insurance to the victim to the extent that the health insurance entity would have provided health insurance benefits.

(4)(a) Whenever any payment of benefits under this chapter has been induced by willful misrepresentation the recipient thereof shall repay any such payment together with a penalty of fifty percent of the total of any such payments and the amount of such total sum may be recouped from any future payments due to the recipient on any claim with the crime victims' compensation program against whom the willful misrepresentation was committed and the amount of such penalty shall be placed in the crime victims' compensation fund. Such repayment or recoupment must be demanded or ordered within three years of the discovery of the willful misrepresentation.

(b) For purposes of this subsection (4), it is willful misrepresentation for a person to obtain payments or other benefits under this chapter in an amount greater than that to which the person otherwise would be entitled. Willful misrepresentation includes:

(i) Willful false statement; or

(ii) Willful misrepresentation, omission, or concealment of any material fact.

(c) For purposes of this subsection (4), "willful" means a conscious or deliberate false statement, misrepresentation, omission, or concealment of a material fact with the specific intent of obtaining, continuing, or increasing benefits under this chapter.

(d) For purposes of this subsection (4), failure to disclose a work-type activity must be willful in order for a misrepresentation to have occurred.

(e) For purposes of this subsection (4), a material fact is one

which would result in additional, increased, or continued benefits, including but not limited to facts about physical restrictions, or work-type activities which either result in wages or income or would be reasonably expected to do so. Wages or income include the receipt of any goods or services. For a work-type activity to be reasonably expected to result in wages or income, a pattern of repeated activity must exist. For those activities that would reasonably be expected to result in wages or produce income, but for which actual wage or income information cannot be reasonably determined, the department shall impute wages.

(5) The victim, beneficiary, or other person affected thereby shall have the right to contest an order assessing an overpayment pursuant to this section in the same manner and to the same extent as provided under RCW 51.52.050 and 51.52.060. In the event such an order becomes final under chapter 51.52 RCW and notwithstanding the provisions of subsections (1) through (4) of this section, the director or director's designee may file with the clerk in any county within the state a warrant in the amount of the sum representing the unpaid overpayment and/or penalty plus interest accruing from the date the order became final. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for such warrant and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the victim, beneficiary, or other person mentioned in the warrant, the amount of the unpaid overpayment and/or penalty plus interest accrued, and the date the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to and interest in all real and personal property of the victim, beneficiary, or other person against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of such clerk. The sheriff shall then proceed in the same manner and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the department in the manner provided by law in the case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee under RCW 36.18.012(10), which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the victim, beneficiary, or other person within three days of filing with the clerk.

The director or director's designee may issue to any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, a notice to withhold and deliver property of any kind if there is reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is due, owing, or belonging to any victim, beneficiary, or other person upon whom a warrant has been served for payments due the department. The notice and order to withhold and deliver shall be served by certified mail accompanied by an affidavit of service by mailing or served by the sheriff of the county, or by the sheriff's deputy, or by any authorized representative of the director or director's designee, or by electronic means or other methods authorized by law. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired or in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with such notice and order, any property that may be subject to the claim of the department, such property shall be delivered forthwith to the director or the director's authorized representative upon demand. If the party served and named in the

notice and order fails to answer the notice and order within the time prescribed in this section, the court may, after the time to answer such order has expired, render judgment by default against the party named in the notice for the full amount, plus costs, claimed by the director or the director's designee in the notice. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, the employer may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled.

This subsection shall only apply to orders assessing an overpayment which are issued on or after July 28, 1991. This subsection shall apply retroactively to all orders assessing an overpayment resulting from willful misrepresentation, civil or criminal.

(6) Orders assessing an overpayment which are issued on or after July 28, 1991, shall include a conspicuous notice of the collection methods available to the department.

NEW SECTION. Sec. 702. Notwithstanding any other provisions of law, any overpayments previously recovered under the provisions of section 405 of this act as now or hereafter amended shall be limited to six months' overpayments. Where greater recovery has already been made, the director, in his or her discretion, may make restitution in those cases where an extraordinary hardship has been created.

Sec. 703. RCW 7.68.130 and 1995 c 33 s 3 are each amended to read as follows:

(1) Benefits payable pursuant to this chapter shall be reduced by the amount of any other public or private insurance available, less a proportionate share of reasonable attorneys' fees and costs, if any, incurred by the victim in obtaining recovery from the insurer. Calculation of a proportionate share of attorneys' fees and costs shall be made under the formula established in RCW ~~((51.24.060))~~ 7.68.050 (9) through (14). The department or the victim may require court approval of costs and attorneys' fees or may petition a court for determination of the reasonableness of costs and attorneys' fees.

(2) Benefits payable after 1980 to victims injured or killed before 1980 shall be reduced by any other public or private insurance including but not limited to social security.

(3) Payment by the department under this chapter shall be secondary to other insurance benefits, notwithstanding the provision of any contract or coverage to the contrary. In the case of private life insurance proceeds, the first forty thousand dollars of the proceeds shall not be considered for purposes of any reduction in benefits.

(4) If the department determines that a victim is likely to be eligible for other public insurance or support services, the department may require the applicant to apply for such services before awarding benefits under RCW 7.68.070. If the department determines that a victim shall apply for such services and the victim refuses or does not apply for those services, the department may deny any further benefits under this chapter. The department may require an applicant to provide a copy of their determination of eligibility before providing benefits under this chapter.

(5) Before payment of benefits will be considered victims shall use their private insurance coverage.

(6) For the purposes of this section, the collection methods available under RCW 7.68.125~~((4))~~ (5) apply.

Sec. 704. RCW 7.68.050 and 1998 c 91 s 1 are each amended to read as follows:

(1) No right of action at law for damages incurred as a consequence of a criminal act shall be lost as a consequence of being entitled to benefits under the provisions of this chapter. The victim or his beneficiary may elect to seek damages from the person or persons liable for the claimed injury or death, and such victim or

ONE HUNDRED SECOND DAY, APRIL 21, 2011

beneficiary is entitled to the full compensation and benefits provided by this chapter regardless of any election or recovery made pursuant to this section.

(2) For the purposes of this section, the rights, privileges, responsibilities, duties, limitations, and procedures contained in ~~((RCW 51.24.050 through 51.24.140))~~ subsections (3) through (25) of this section apply.

(3) (If the recovery involved is against the state, the lien of the department includes the interest on the benefits paid by the department to or on behalf of such person under this chapter computed at the rate of eight percent per annum from the date of payment.) (a) If a third person is or may become liable to pay damages on account of a victim's injury for which benefits and compensation are provided under this chapter, the injured victim or beneficiary may elect to seek damages from the third person.

(b) In every action brought under this section, the plaintiff shall give notice to the department when the action is filed. The department may file a notice of statutory interest in recovery. When such notice has been filed by the department, the parties shall thereafter serve copies of all notices, motions, pleadings, and other process on the department. The department may then intervene as a party in the action to protect its statutory interest in recovery.

(c) For the purposes of this subsection, "injury" includes any physical or mental condition, disease, ailment, or loss, including death, for which compensation and benefits are paid or payable under this chapter.

(d) For the purposes of this chapter, "recovery" includes all damages and insurance benefits, including life insurance, paid in connection with the victim's injuries or death.

(4) An election not to proceed against the third person operates as an assignment of the cause of action to the department, which may prosecute or compromise the action in its discretion in the name of the victim, beneficiary, or legal representative.

(5) If an injury to a victim results in the victim's death, the department to which the cause of action has been assigned may petition a court for the appointment of a special personal representative for the limited purpose of maintaining an action under this chapter and chapter 4.20 RCW.

(6) If a beneficiary is a minor child, an election not to proceed against a third person on such beneficiary's cause of action may be exercised by the beneficiary's legal custodian or guardian.

(7) Any recovery made by the department shall be distributed as follows:

(a) The department shall be paid the expenses incurred in making the recovery including reasonable costs of legal services;

(b) The victim or beneficiary shall be paid twenty-five percent of the balance of the recovery made, which shall not be subject to subsection (8) of this section, except that in the event of a compromise and settlement by the parties, the victim or beneficiary may agree to a sum less than twenty-five percent;

(c) The department shall be paid the amount paid to or on behalf of the victim or beneficiary by the department; and

(d) The victim or beneficiary shall be paid any remaining balance.

(8) Thereafter no payment shall be made to or on behalf of a victim or beneficiary by the department for such injury until any further amount payable shall equal any such remaining balance. Thereafter, such benefits shall be paid by the department to or on behalf of the victim or beneficiary as though no recovery had been made from a third person.

(9) If the victim or beneficiary elects to seek damages from the third person, any recovery made shall be distributed as follows:

(a) The costs and reasonable attorneys' fees shall be paid proportionately by the victim or beneficiary and the department. The department may require court approval of costs and attorneys'

2011 REGULAR SESSION

fees or may petition a court for determination of the reasonableness of costs and attorneys' fees;

(b) The victim or beneficiary shall be paid twenty-five percent of the balance of the award, except that in the event of a compromise and settlement by the parties, the victim or beneficiary may agree to a sum less than twenty-five percent;

(c) The department shall be paid the balance of the recovery made, but only to the extent necessary to reimburse the department for the amount paid;

(i) The department shall bear its proportionate share of the costs and reasonable attorneys' fees incurred by the victim or beneficiary to the extent of the benefits paid under this title. The department's proportionate share shall not exceed one hundred percent of the costs and reasonable attorneys' fees;

(ii) The department's proportionate share of the costs and reasonable attorneys' fees shall be determined by dividing the gross recovery amount into the benefits paid amount and multiplying this percentage times the costs and reasonable attorneys' fees incurred by the victim or beneficiary;

(iii) The department's reimbursement share shall be determined by subtracting their proportionate share of the costs and reasonable attorneys' fees from the benefits paid amount;

(d) Any remaining balance shall be paid to the victim or beneficiary; and

(e) Thereafter no payment shall be made to or on behalf of a victim or beneficiary by the department for such injury until the amount of any further amount payable shall equal any such remaining balance minus the department's proportionate share of the costs and reasonable attorneys' fees in regards to the remaining balance. This proportionate share shall be determined by dividing the gross recovery amount into the remaining balance amount and multiplying this percentage times the costs and reasonable attorneys' fees incurred by the victim or beneficiary. Thereafter, such benefits shall be paid by the department to or on behalf of the victim or beneficiary as though no recovery had been made from a third person.

(10) The recovery made shall be subject to a lien by the department for its share under this section. Notwithstanding RCW 48.18.410, a recovery made from life insurance shall be subject to a lien by the department.

(11) The department has sole discretion to compromise the amount of its lien. In deciding whether or to what extent to compromise its lien, the department shall consider at least the following:

(a) The likelihood of collection of the award or settlement as may be affected by insurance coverage, solvency, or other factors relating to the third person;

(b) Factual and legal issues of liability as between the victim or beneficiary and the third person. Such issues include but are not limited to possible contributory negligence and novel theories of liability; and

(c) Problems of proof faced in obtaining the award or settlement.

(12) It shall be the duty of the person to whom any recovery is paid before distribution under this section to advise the department of the fact and amount of such recovery, the costs and reasonable attorneys' fees associated with the recovery, and to distribute the recovery in compliance with this section.

(13) The distribution of any recovery made by award or settlement of the third party action shall be confirmed by department order, served by electronic, registered or certified mail, and shall be subject to chapter 51.52 RCW. In the event the order of distribution becomes final under chapter 51.52 RCW, the director or the director's designee may file with the clerk of any county within the state a warrant in the amount of the sum representing the unpaid

lien plus interest accruing from the date the order became final. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for such warrant and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of such victim or beneficiary mentioned in the warrant, the amount of the unpaid lien plus interest accrued and the date when the warrant was filed. The amount of such warrant as docketed shall become a lien upon the title to and interest in all real and personal property of the victim or beneficiary against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of such clerk. The sheriff shall then proceed in the same manner and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the department in the manner provided by law in the case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee under RCW 36.18.012(10), which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the victim or beneficiary within three days of filing with the clerk.

(14) The director, or the director's designee, may issue to any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, a notice and order to withhold and deliver property of any kind if he or she has reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property which is due, owing, or belonging to any victim or beneficiary upon whom a warrant has been served by the department for payments due to the crime victims' compensation program. The notice and order to withhold and deliver shall be served by the sheriff of the county or by the sheriff's deputy; by certified mail, return receipt requested; or by any authorized representatives of the director. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with such notice and order, any property which may be subject to the claim of the department, such property shall be delivered forthwith to the director or the director's authorized representative upon demand. If the party served and named in the notice and order fails to answer the notice and order within the time prescribed in this section, the court may, after the time to answer such order has expired, render judgment by default against the party named in the notice for the full amount claimed by the director in the notice together with costs. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, the employer may assert in the answer to all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled.

(15) The department may require the victim or beneficiary to exercise the right of election under this chapter by serving a written demand by electronic mail, registered mail, certified mail, or personal service on the victim or beneficiary.

(16) Unless an election is made within sixty days of the receipt of the demand, and unless an action is instituted or settled within the time granted by the department, the victim or beneficiary is deemed to have assigned the action to the department. The department shall allow the victim or beneficiary at least ninety days from the election to institute or settle the action. When a beneficiary is a minor child

the demand shall be served upon the legal custodian or guardian of such beneficiary.

(17) If an action which has been filed is not diligently prosecuted, the department may petition the court in which the action is pending for an order assigning the cause of action to the department. Upon a sufficient showing of a lack of diligent prosecution the court in its discretion may issue the order.

(18) If the department has taken an assignment of the third party cause of action under subsection (16) of this section, the victim or beneficiary may, at the discretion of the department, exercise a right of reelection and assume the cause of action subject to reimbursement of litigation expenses incurred by the department.

(19) If the victim or beneficiary elects to seek damages from the third person, notice of the election must be given to the department. The notice shall be by registered mail, certified mail, or personal service. If an action is filed by the victim or beneficiary, a copy of the complaint must be sent by registered mail to the department.

(20) A return showing service of the notice on the department shall be filed with the court but shall not be part of the record except as necessary to give notice to the defendant of the lien imposed by subsection (10) of this section.

(21) Any compromise or settlement of the third party cause of action by the victim or beneficiary which results in less than the entitlement under this title is void unless made with the written approval of the department. For the purposes of this chapter, "entitlement" means benefits and compensation paid and estimated by the department to be paid in the future.

(22) If a compromise or settlement is void because of subsection (21) of this section, the department may petition the court in which the action was filed for an order assigning the cause of action to the department. If an action has not been filed, the department may proceed as provided in chapter 7.24 RCW.

(23) The fact that the victim or beneficiary is entitled to compensation under this title shall not be pleaded or admissible in evidence in any third-party action under this chapter. Any challenge of the right to bring such action shall be made by supplemental pleadings only and shall be decided by the court as a matter of law.

(24) Actions against third persons that are assigned by the claimant to the department, voluntarily or by operation of law in accordance with this chapter, may be prosecuted by special assistant attorneys general.

(25) The attorney general shall select special assistant attorneys general from a list compiled by the department and the Washington state bar association. The attorney general, in conjunction with the department and the Washington state bar association, shall adopt rules and regulations outlining the criteria and the procedure by which private attorneys may have their names placed on the list of attorneys available for appointment as special assistant attorneys general to litigate third-party actions under subsection (24) of this section.

(26) The 1980 amendments to this section apply only to injuries which occur on or after April 1, 1980.

MESSAGE FROM THE HOUSE

April 20, 2011

MR. PRESIDENT:

The House receded from its amendment(s) to SENATE BILL NO. 5625. Under suspension of the rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 5625 AMH ROBE H2691.1, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.215.260 and 2006 c 265 s 307 are each amended to read as follows:

(1) Each agency shall make application for a license or ~~(renewal of)~~ the continuation of a full license to the department on forms prescribed by the department. Upon receipt of such application, the department shall either grant or deny a license or continuation of a full license within ninety days. A license or continuation shall be granted if the agency meets the minimum requirements set forth in this chapter and the departmental requirements consistent with ~~((the [this]))~~ this chapter, except that an initial license may be issued as provided in RCW 43.215.280. The department shall consider whether an agency is in good standing, as defined in subsection (4)(b) of this section, before granting a continuation of a full license. Full licenses provided for in this chapter shall ((be issued for a period of three years)) continue to remain valid so long as the licensee meets the requirements for a nonexpiring license in subsection (2) of this section. The licensee, however, shall advise the director of any material change in circumstances which might constitute grounds for reclassification of license as to category. The license issued under this chapter is not transferable and applies only to the licensee and the location stated in the application. For licensed family day care homes having an acceptable history of child care, the license may remain in effect for two weeks after a move.

(2) In order to qualify for a nonexpiring full license, a licensee must meet the following requirements on an annual basis as established from the date of initial licensure:

- (a) Submit the annual licensing fee;
- (b) Submit a declaration to the department indicating the licensee's intent to continue operating a licensed child care program, or the intent to cease operation on a date certain;
- (c) Submit a declaration of compliance with all licensing rules; and
- (d) Submit background check applications on the schedule established by the department.

(3) If a licensee fails to meet the requirements in subsection (2) of this section for continuation of a full license the license expires and the licensee must submit a new application for licensure under this chapter.

(4)(a) Nothing about the nonexpiring license process may interfere with the department's established monitoring practice.

(b) For the purpose of this section, an agency is considered to be in good standing if in the intervening period between monitoring visits the agency does not have any of the following:

- (i) Valid complaints;
- (ii) A history of noncompliance related to those valid complaints or pending from prior monitoring visits; or
- (iii) Other information that when evaluated would result in a finding of noncompliance with this section.

ONE HUNDRED SECOND DAY, APRIL 21, 2011

2011 REGULAR SESSION

(c) The department shall consider whether an agency is in good standing when determining the most appropriate approach and process for monitoring visits, for the purposes of administrative efficiency while protecting children, consistent with this chapter. If the department determines that an agency is not in good standing, the department may issue a probationary license, as provided in RCW 43.215.290.

Sec. 2. RCW 43.215.290 and 2006 c 265 s 310 are each amended to read as follows:

(1) The department may issue a probationary license to a licensee who has had ~~((a)) an initial, expiring, or other~~ license but is temporarily unable to comply with a rule or has been the subject of multiple complaints or concerns about noncompliance if:

(a) The noncompliance does not present an immediate threat to the health and well-being of the children but would be likely to do so if allowed to continue; and

(b) The licensee has a plan approved by the department to correct the area of noncompliance within the probationary period.

(2) Before issuing a probationary license, the department shall, in writing, refer the licensee to the child care resource and referral network or other appropriate resource for technical assistance. The department may issue a probationary license pursuant to subsection (1) of this section if within fifteen working days after the department has sent its referral:

(a) The licensee, in writing, has refused the department's referral for technical assistance; or

(b) The licensee has failed to respond in writing to the department's referral for technical assistance.

(3) If the licensee accepts the department's referral for technical assistance issued under subsection (2) of this section, the department, the licensee, and the technical assistance provider shall meet within thirty days after the licensee's acceptance. The licensee and the department, in consultation with the technical assistance provider, shall develop a plan to correct the areas of noncompliance identified by the department. If, after sixty days, the licensee has not corrected the areas of noncompliance identified in the plan developed in consultation with the technical assistance provider, the department may issue a probationary license pursuant to subsection (1) of this section.

(4) A probationary license may be issued for up to six months, and at the discretion of the department it may be extended for an additional six months. The department shall immediately terminate the probationary license, if at any time the noncompliance for which the probationary license was issued presents an immediate threat to the health or well-being of the children.

~~((3))~~ (5) The department may, at any time, issue a probationary license for due cause that states the conditions of probation.

~~((4))~~ (6) An existing license is invalidated when a probationary license is issued.

~~((5))~~ (7) At the expiration of the probationary license, the department shall reinstate the original license for the remainder of its term, issue a new license, or revoke the original license.

~~((6))~~ (8) A right to an adjudicative proceeding shall not accrue to the licensee whose license has been placed on probationary status unless the licensee does not agree with the placement on probationary status and the department then suspends, revokes, or modifies the license.

Sec. 3. RCW 43.215.270 and 2006 c 265 s 308 are each amended to read as follows:

(1) If a licensee desires to apply for a renewal of its license, a request for a renewal shall be filed ninety days before the expiration date of the license. If the department has failed to act at the time of the expiration date of the license, the license shall continue in effect until such time as the department acts.

(2) License renewal under this section does not apply to nonexpiring licenses described in RCW 43.215.260."

Correct the title.

MESSAGE FROM THE HOUSE

April 7, 2011

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5023 with the following amendment(s): 5023-S AMH ENGR H2272.E

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 19.154.010 and 1989 c 117 s 1 are each amended to read as follows:

The legislature finds and declares that ~~((assisting persons regarding immigration matters))~~ the practice by nonlawyers and other unauthorized persons of providing legal advice and legal services to others in immigration matters substantially affects the public interest. The practice(s) of ~~((immigration assistants have a significant impact on the residents of the state of Washington))~~ nonlawyers and other unauthorized persons providing immigration-related legal advice and legal services for compensation may impact the ability of their customers to reside and work within the United States and to establish and maintain stable families and business relationships. The legislature further finds and declares that the previous scheme for regulating the

ONE HUNDRED SECOND DAY, APRIL 21, 2011

behavior of nonlawyers and other unauthorized persons who provide immigration-related services is inadequate to address the level of unfair and deceptive practices that exists in the marketplace and often contributes to the unauthorized practice of law. It is the intent of the legislature, through this act, to ~~((establish rules of practice and conduct for immigration assistants to promote honesty and fair dealing with residents and to preserve public confidence))~~ prohibit nonlawyers and other unauthorized persons from providing immigration-related services that constitute the practice of law.

Sec. 2. RCW 19.154.020 and 1989 c 117 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) ("Immigration assistant" means every person who, for compensation or the expectation of compensation, gives nonlegal assistance on an immigration matter. That assistance is limited to:

(a) Transcribing responses to a government agency form selected by the customer which is related to an immigration matter, but does not include advising a person as to his or her answers on those forms;

(b) Translating a person's answer to questions posed on those forms;

(c) Securing for a person supporting documents currently in existence, such as birth and marriage certificates, which may be needed to submit with those forms;

(d) Making referrals to attorneys who could undertake legal representation for a person in an immigration matter.

(2)) "Immigration matter" means any proceeding, filing, or action affecting the nonimmigrant, immigrant, or citizenship status of any person ((which arises)) arising under immigration and naturalization law, executive order, or presidential proclamation, or ((which arises under)) pursuant to any action of the United States citizenship and immigration ((and naturalization)) services, the United States department of labor, ((or)) the United States department of state, the United States department of justice, the United States department of homeland security, the board of immigration appeals, or any other entity or agency having jurisdiction over immigration law.

~~((3))~~ (2) "Compensation" means money, property, or anything else of value.

(3) "Practice of law" has the definition given to it by the supreme court of Washington whether by rule or decision, and includes all exceptions and exclusions to that definition currently in place or hereafter created, whether by rule or decision.

Sec. 3. RCW 19.154.060 and 1989 c 117 s 6 are each amended to read as follows:

~~((Immigration assistants shall offer or provide only nonlegal assistance in an immigration matter as defined in RCW 19.154.020.))~~ (1) Persons, other than those licensed to practice law in this state or otherwise permitted to practice law or represent others under federal law in an immigration matter, are prohibited from engaging in the practice of law in an immigration matter for compensation.

(2) Persons, other than those licensed to practice law in this state or otherwise permitted to practice law or represent others under federal law in an immigration matter, are prohibited from engaging in the following acts or practices, for compensation:

(a) Advising or assisting another person in determining the person's legal or illegal status for the purpose of an immigration matter;

(b) Selecting or assisting another in selecting, or advising another as to his or her answers on, a government agency form or document in an immigration matter;

(c) Selecting or assisting another in selecting, or advising another in selecting, a benefit, visa, or program to apply for in an

immigration matter;

(d) Soliciting to prepare documents for, or otherwise representing the interests of, another in a judicial or administrative proceeding in an immigration matter;

(e) Explaining, advising, or otherwise interpreting the meaning or intent of a question on a government agency form in an immigration matter;

(f) Charging a fee for referring another to a person licensed to practice law;

(g) Selecting, drafting, or completing legal documents affecting the legal rights of another in an immigration matter.

(3) Persons, other than those holding an active license to practice law issued by the Washington state bar association or otherwise permitted to practice law or represent others under federal law in an immigration matter, are prohibited from engaging in the following acts or practices, regardless of whether compensation is sought:

(a) Representing, either orally or in any document, letterhead, advertisement, stationery, business card, web site, or other comparable written material, that he or she is a notario publico, notario, immigration assistant, immigration consultant, immigration specialist, or using any other designation or title, in any language, that conveys or implies that he or she possesses professional legal skills in the area of immigration law;

(b) Representing, in any language, either orally or in any document, letterhead, advertisement, stationery, business card, web site, or other comparable written material, that he or she can or is willing to provide services in an immigration matter, if such services would constitute the practice of law.

(4)(a) The prohibitions of subsections (1) through (3) of this section shall not apply to the activities of nonlawyer assistants acting under the supervision of a person holding an active license to practice law issued by the Washington state bar association or otherwise permitted to practice law or represent others under federal law in an immigration matter.

(b) This section does not prohibit a person from offering translation services, regardless of whether compensation is sought. Translating words contained on a government form from English to another language and translating a person's words from another language to English does not constitute the unauthorized practice of law.

(5) In addition to complying with the prohibitions of subsections (1) through (3) of this section, persons licensed as a notary public under chapter 42.44 RCW who do not hold an active license to practice law issued by the Washington state bar association shall not use the term notario publico, notario, immigration assistant, immigration consultant, immigration specialist, or any other designation or title, in any language, that conveys or implies that he or she possesses professional legal skills in the areas of immigration law, when advertising notary public services in the conduct of their business. A violation of any provision of this chapter by a person licensed as a notary public under chapter 42.44 RCW shall constitute unprofessional conduct under the uniform regulation of business and professions act, chapter 18.235 RCW.

NEW SECTION. Sec. 4. A new section is added to chapter 19.154 RCW to read as follows:

Persons who are not licensed to practice law in this state or who are not otherwise permitted to represent others under federal law in an immigration matter may engage in the following services for compensation:

(1) Translate words on a government form that the person seeking services presents to the person providing translation services;

ONE HUNDRED SECOND DAY, APRIL 21, 2011

2011 REGULAR SESSION

(2) Secure existing documents for the person seeking services. Existing documents include, for example, birth and marriage certificates; and

(3) Offer other immigration related services that are not prohibited under this chapter or any other provision of law or do not constitute the practice of law.

Sec. 5. RCW 19.154.090 and 1989 c 117 s 9 are each amended to read as follows:

(1) The legislature finds and declares that any violation of this chapter substantially affects the public interest and is an unfair and deceptive act or practice and unfair method of competition in the conduct of trade or commerce as set forth in RCW 19.86.020.

(2) In addition to all remedies available in chapter 19.86 RCW, a person injured by a violation of this chapter may bring a civil action to recover the actual damages proximately caused by a violation of this chapter, or one thousand dollars, whichever is greater.

Sec. 6. RCW 42.44.030 and 2002 c 86 s 287 are each amended to read as follows:

(1) In addition to the unprofessional conduct specified in RCW 18.235.130, the director may deny appointment as a notary public to any person based on the following conduct, acts, or conditions:

~~((+))~~ (a) Has had disciplinary action taken against any professional license in this or any other state; ~~((or~~

~~—(2))~~ (b) Has engaged in official misconduct as defined in RCW 42.44.160(1), whether or not criminal penalties resulted; or

~~(c) Has violated any of the provisions of chapter 19.154 RCW.~~

(2) The director shall deliver a certificate evidencing the appointment to each person appointed as a notary public. The certificate may be signed in facsimile by the governor, the secretary of state, and the director or the director's designee. The certificate must bear a printed seal of the state of Washington.

NEW SECTION. Sec. 7. A new section is added to chapter 19.154 RCW to read as follows:

Nothing in this chapter shall apply to or regulate any business to the extent such regulation is prohibited or preempted by federal law.

Sec. 8. RCW 19.154.900 and 1989 c 117 s 11 are each amended to read as follows:

This chapter shall be known and cited as the "immigration ~~((assistant practices))~~ services fraud prevention act."

NEW SECTION. Sec. 9. (1)(a) The legislature recognizes that immigrants in Washington need legal services to assist them in immigration matters, and it is difficult for existing organizations to meet those needs because of high case loads and limited resources.

(b) The legislature also recognizes that the difference between offering nonlegal services and offering legal services in immigration matters is sometimes difficult to distinguish. Not understanding or recognizing the distinction between nonlegal services and legal services in immigration matters can result in a person engaging in the unauthorized practice of law and can result in irreparable consequences for immigrants who seek assistance.

(2) Therefore, the legislature respectfully requests that the supreme court's practice of law board, within available resources, evaluate the following:

(a) The specific services nonattorneys may provide to immigrants that do not rise to the level of the practice of law in immigration matters;

(b) The level of access to and the quality of nonlegal and legal services immigrants have and the ways in which access and quality can be improved;

(c) The level of need immigrants have for nonlegal services compared to the need for legal services in immigration matters.

(3) A report of the board's findings and recommendations must be presented to the legislature no later than December 1, 2011.

NEW SECTION. Sec. 10. The following acts or parts of acts are each repealed:

- (1) RCW 19.154.030 (Exemptions) and 1989 c 117 s 3;
- (2) RCW 19.154.040 (Registration required) and 1989 c 117 s 4;
- (3) RCW 19.154.050 (Change of address) and 1989 c 117 s 5;
- (4) RCW 19.154.070 (Written contract--Requirements--Right to rescind) and 1989 c 117 s 7;
- (5) RCW 19.154.080 (Prohibited activities) and 1989 c 117 s 8; and
- (6) RCW 19.154.902 (Effective date--1989 c 117) and 1989 c 117 s 15.

NEW SECTION. Sec. 11. This act takes effect one hundred eighty days after final adjournment of the legislative session in which it is enacted."

Correct the title.
and the same are herewith transmitted.

SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1599, by House Committee on Ways & Means (originally sponsored by Representatives Probst, Haler, Maxwell, Orwall, Haigh, Santos, Dammeier, Seaquist, Liias, Reykdal, Kagi, Roberts, Kenney and Ormsby)

Establishing the pay for actual student success dropout prevention program.

The measure was read the second time.

MOTION

Senator McAuliffe moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Providing students with the opportunity to graduate from high school with the knowledge and skills to be successful in today's world is now clearly part of Washington's definition of a basic education. Some students will only achieve this objective with supplemental interventions, support, and counseling;

(b) Dropout prevention is a fundamental strategy for strengthening society, building the economy, reducing crime, reducing government spending, and increasing individual freedom and opportunity;

(c) There are known and proven strategies to reduce the dropout rate, including ones that are successful for high-risk and troubled students. For example, the opportunity internship program, the jobs for America's graduates program, the building bridges program, and individualized student support services provided by the college success foundation have all had a measurable impact on helping at-risk students be successful in school. In addition, the Everett school district successfully increased its extended graduation rate from fifty-three percent in 2003 to ninety percent in 2010 by tracking the progress toward graduation of each student and assigning success coordinators to ensure students pursued all possible avenues to complete and make up credits. The Renton school district, through a combination of leadership, community partnerships and resources, and high expectations for all students, has increased its graduation rate to ninety percent, with ninety-six percent of graduating seniors in 2010 meeting proficiency on the state high school assessments. However, these types of models have never been brought to scale; and

(d) For every dropout prevented, the chances of that person committing a crime are reduced by twenty percent, and that person stands to increase his or her lifetime earnings by three hundred thousand dollars in today's dollars. In addition, for every dropout prevented, taxpayers save an estimated ten thousand five hundred dollars per year for each year of the individual's life between the ages of twenty and sixty-five.

(2) Therefore, the state should use a dual strategy of making front-end investments in proven programs in order to expand them into an effective dropout prevention and intervention system, while simultaneously recognizing and rewarding actual success in reducing the dropout rate by investing a portion of the savings generated from each prevented dropout in the public schools.

(3) The legislature recognizes that the current fiscal climate in the state is a likely contributing factor to an increase in dropout rates. Reductions in state funding for schools are often felt first in student support services, counseling, supplemental instruction and tutoring, and increased class size, all of which affect struggling students. A poor economy negatively affects families through unemployment, uncertainty, and reduced public services, and students bring these stresses with them to school. If allowed to go unaddressed, these economic and fiscal circumstances are likely to slow or reverse progress on improving high school completion rates. Therefore, a concentrated effort at improvement is required at this time.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.175 RCW to read as follows:

(1) The pay for actual student success (PASS) program is created under this section and sections 3 through 8 of this act to invest in proven dropout prevention and intervention programs as provided in section 3 of this act and provide a financial award for high schools that demonstrate improvement in the dropout prevention indicators established under section 4 of this act. The legislature finds that increased accumulation of credits and reductions in incidents of student discipline lead to improved graduation rates.

(2) The office of the superintendent of public instruction, the workforce training and education coordinating board, the building bridges working group, the higher education coordinating board, and the college scholarship organization under section 3(4) of this act shall collaborate to assure that the programs under section 3 of this act operate systematically and are expanded to include as many additional students and schools as possible.

ONE HUNDRED SECOND DAY, APRIL 21, 2011

2011 REGULAR SESSION

NEW SECTION. Sec. 3. A new section is added to chapter 28A.175 RCW to read as follows:

Subject to funds appropriated for this purpose, funds shall be allocated as specified in the omnibus appropriations act to support the PASS program through the following programs:

(1) The opportunity internship program under RCW 28C.18.160 through 28C.18.168;

(2) The jobs for America's graduates program administered through the office of the superintendent of public instruction;

(3) The building bridges program under RCW 28A.175.025, to be used to expand programs that have been implemented by building bridges partnerships and determined by the building bridges work group to be successful in reducing dropout rates, or to replicate such programs in new partnerships; and

(4) Individualized student support services provided by a college scholarship organization with expertise in managing scholarships for low-income, high potential students and foster care youth under contract with the higher education coordinating board, including but not limited to college and career advising, counseling, tutoring, community mentor programs, and leadership development.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.175 RCW to read as follows:

(1) The office of the superintendent of public instruction, in consultation with the state board of education, must:

(a) Calculate the annual extended graduation rate for each high school, which is the rate at which a class of students enters high school as freshmen and graduates with a high school diploma, including students who receive a high school diploma after the year they were expected to graduate. The office may statistically adjust the rate for student demographics in the high school, including the number of students eligible for free and reduced price meals, special education and English language learner students, students of various racial and ethnic backgrounds, and student mobility;

(b) Annually calculate the proportion of students at grade level for each high school, which shall be measured by the number of credits a student has accumulated at the end of each school year compared to the total number required for graduation. For the purposes of this subsection (1)(b), the office shall adopt a standard definition of "at grade level" for each high school grade;

(c) Annually calculate the proportion of students in each high school who are suspended or expelled from school, as reported by the high school. In-school suspensions shall not be included in the calculation. Improvement on the indicator under this subsection (1)(c) shall be measured by a reduction in the number of students suspended or expelled from school; and

(d) Beginning with the 2012-13 school year, annually measure student attendance in each high school as provided under section 10 of this act.

(2) The office of the superintendent of public instruction may add dropout prevention indicators to the list of indicators under subsection (1) of this section, such as student grades, state assessment mastery, or student retention.

(3) To the maximum extent possible, the office of the superintendent of public instruction shall rely on data collected through the comprehensive education data and research system to calculate the dropout prevention indicators under this section and shall minimize additional data collection from schools and school districts unless necessary to meet the requirements of this section.

(4) The office of the superintendent of public instruction shall develop a metric for measuring the performance of each high school on the indicators under subsection (1) of this section that assigns points for each indicator and results in a single numeric dropout prevention score for each high school. The office shall weight the extended graduation rate indicator within the metric so that a high school does not qualify for an award under section 5 of this act

without an increase in its extended graduation rate. The metric used through the 2012-13 school year shall include the indicators in subsection (1)(a) through (c) of this section and shall measure improvement against the 2010-11 school year as the baseline year. Beginning in the 2013-14 school year, the metric shall also include the indicator in subsection (1)(d) of this section, with improvement in this indicator measured against the 2012-13 school year as the baseline year. The office may establish a minimum level of improvement in a high school's dropout prevention score for the high school to qualify for a PASS program award under section 5 of this act.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.175 RCW to read as follows:

(1)(a) Subject to funds appropriated for this purpose or otherwise available in the account established in section 7 of this act, beginning in the 2011-12 school year and each year thereafter, a high school that demonstrates improvement in its dropout prevention score compared to the baseline school year as calculated under section 4 of this act may receive a PASS program award as provided under this section. The legislature intends to recognize and reward continuous improvement by using a baseline year for calculating eligibility for PASS program awards so that a high school retains previously earned award funds from one year to the next unless its performance declines.

(b) The office of the superintendent of public instruction must determine the amount of PASS program awards based on appropriated funds and eligible high schools. The intent of the legislature is to provide an award to each eligible high school commensurate with the degree of improvement in the high school's dropout prevention score and the size of the high school. The office must establish a minimum award amount. If funds available for PASS program awards are not sufficient to provide an award to each eligible high school, the office of the superintendent of public instruction shall establish objective criteria to prioritize awards based on eligible high schools with the greatest need for additional dropout prevention and intervention services. The office of the superintendent of public instruction shall encourage and may require a high school receiving a PASS program award to demonstrate an amount of community matching funds or an amount of in-kind community services to support dropout prevention and intervention.

(c) Ninety percent of an award under this section must be allocated to the eligible high school to be used for dropout prevention activities in the school as specified in subsection (2) of this section. The principal of the high school shall determine the use of funds after consultation with parents and certificated and classified staff of the school.

(d) Ten percent of an award under this section must be allocated to the school district in which the eligible high school is located to be used for dropout prevention activities as specified in subsection (2) of this section in the high school or in other schools in the district.

(e) The office of the superintendent of public instruction may withhold distribution of award funds under this section to an otherwise eligible high school or school district if the superintendent of public instruction issues a finding that the school or school district has willfully manipulated the dropout prevention indicators under section 4 of this act, for example by expelling, suspending, transferring, or refusing to enroll students at risk of dropping out of school or at risk of low achievement.

(2) High schools and school districts may use PASS program award funds for any programs or activities that support the development of a dropout prevention, intervention, and reengagement system as described in RCW 28A.175.074, offered directly by the school or school district or under contract with education agencies or community-based organizations, including

ONE HUNDRED SECOND DAY, APRIL 21, 2011

but not limited to educational service districts, workforce development councils, and boys and girls clubs. Such programs or activities may include but are not limited to the following:

(a) Strategies to close the achievement gap for disadvantaged students and minority students;

(b) Use of graduation coaches as defined in section 6 of this act;

(c) Opportunity internship activities under RCW 28C.18.164;

(d) Dropout reengagement programs provided by community-based organizations or community and technical colleges;

(e) Comprehensive guidance and planning programs as defined under RCW 28A.600.045, including but not limited to the navigation 101 program;

(f) Reduced class sizes, extended school day, extended school year, and tutoring programs for students identified as at risk of dropping out of school, including instruction to assist these students in meeting graduation requirements in mathematics and science;

(g) Outreach and counseling targeted to students identified as at risk of dropping out of school, or who have dropped out of school, to encourage them to consider learning alternatives such as preapprenticeship programs, skill centers, running start, technical high schools, and other options for completing a high school diploma;

(h) Preapprenticeship programs or running start for the trades initiatives under RCW 49.04.190;

(i) Mentoring programs for students;

(j) Development and use of dropout early warning data systems;

(k) Counseling, resource and referral services, and intervention programs to address social, behavioral, and health factors associated with dropping out of school;

(l) Implementing programs for in-school suspension or other strategies to avoid excluding middle and high school students from the school whenever possible;

(m) Parent engagement activities such as home visits and off-campus parent support group meetings related to dropout prevention and reengagement; and

(n) Early learning programs for prekindergarten students.

(3) High schools and school districts are encouraged to implement dropout prevention and reengagement strategies in a comprehensive and systematic manner, using strategic planning, school improvement plans, evaluation and feedback, and response to intervention tools.

MESSAGE FROM THE HOUSE

April 21, 2011

MR. PRESIDENT:

The House has passed SECOND SUBSTITUTE SENATE BILL NO. 5622. and the same is herewith transmitted.

BARBARA BAKER, Chief Clerk

MESSAGE FROM THE HOUSE

April 21, 2011

MR. PRESIDENT:

The House receded from its amendment(s) to SUBSTITUTE SENATE BILL NO. 5531. Under suspension of the rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 5531-S AMH PEDE ADAM 059, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that counties that host evaluation and treatment beds incur costs by providing judicial services associated with civil commitments under chapters 71.05 and 71.34 RCW. Because evaluation and treatment beds are not evenly distributed across the state, these commitments frequently occur in a different county from the county in which the person was originally detained. The intent of this act is to create a process for the state to reimburse counties through the regional support networks for the counties' reasonable direct costs incurred in providing these judicial services, and to prevent the burden of these costs from falling disproportionately on the counties or regional support networks in which the commitments are most likely to occur. The legislature recognizes that the costs of judicial services may vary across the state based on different factors and conditions.

NEW SECTION. Sec. 2. A new section is added to chapter 71.05 RCW to read as follows:

(1) A county may apply to its regional support network on a quarterly basis for reimbursement of its direct costs in providing judicial services for civil commitment cases under this chapter and chapter 71.34 RCW. The regional support network shall in turn be entitled to reimbursement from the regional support network that serves the county of residence of the individual who is the subject of the civil commitment case. Reimbursements under this section shall be paid out of the regional support network's nonmedicaid appropriation.

(2) Reimbursement for judicial services shall be provided per civil commitment case at a rate to be determined based on an independent assessment of the county's actual direct costs. This assessment must be based on an average of the expenditures for judicial services within the county over the past three years. In the event that a baseline cannot be established because there is no significant history of similar cases within the county, the reimbursement rate shall be equal to eighty percent of the median reimbursement rate of counties included in the independent assessment.

(3) For the purposes of this section:

(a) "Civil commitment case" includes all judicial hearings related to a single episode of hospitalization, or less restrictive alternative detention in lieu of hospitalization, except that the filing of a petition for a one hundred eighty-day commitment under this chapter or a petition for a successive one hundred eighty-day commitment under chapter 71.34 RCW shall be considered to be a new case regardless of whether there has been a break in detention. "Civil commitment case" does not include the filing of a petition for a one hundred eighty-day commitment under this chapter on behalf of a patient at a state psychiatric hospital.

(b) "Judicial services" means a county's reasonable direct costs in providing prosecutor services, assigned counsel and defense services, court services, and court clerk services for civil commitment cases under this chapter and chapter 71.34 RCW.

(4) To the extent that resources have shared purpose, the regional support network may only reimburse counties to the extent such resources are necessary for and devoted to judicial services as described in this section.

(5) No filing fee may be charged or collected for any civil commitment case subject to reimbursement under this section.

NEW SECTION. Sec. 3. A new section is added to chapter 71.05 RCW to read as follows:

(1) The joint legislative audit and review committee shall conduct an independent assessment of the direct costs of providing judicial services under this chapter and chapter 71.34 RCW as defined in section 2 of this act. The assessment shall include a review and analysis of the reasons for differences in costs among counties. The assessment shall be conducted for any county in which more than twenty civil commitment cases were conducted during the year prior to the study. The assessment must be completed by June 1, 2012.

(2) The administrative office of the courts and the department shall provide the joint legislative audit and review committee with assistance and data required to complete the assessment.

(3) The joint legislative audit and review committee shall present recommendations as to methods for updating the costs identified in the assessment to reflect changes over time.

NEW SECTION. Sec. 4. A new section is added to chapter 71.34 RCW to read as follows:

A county may apply to its regional support network for reimbursement of its direct costs in providing judicial services for civil commitment cases under this chapter, as provided in section 2 of this act.

Sec. 5. RCW 71.05.110 and 1997 c 112 s 7 are each amended to read as follows:

Attorneys appointed for persons pursuant to this chapter shall be compensated for their services as follows: (1) The person for whom an attorney is appointed shall, if he or she is financially able pursuant to standards as to financial capability and indigency set by the superior court of the county in which the proceeding is held, bear the costs of such legal services; (2) if such person is indigent pursuant to such standards, the ~~((costs of such services shall be borne by))~~ regional support network shall reimburse the county in which the proceeding is held ~~((subject however to the responsibility for costs provided in RCW 71.05.320(2)))~~ for the direct costs of such legal services, as provided in section 2 of this act.

Sec. 6. RCW 71.24.160 and 2001 c 323 s 15 are each amended to read as follows:

The regional support networks shall make satisfactory showing to the secretary that state funds shall in no case be used to replace local funds from any source being used to finance mental health services prior to January 1, 1990. Maintenance of effort funds devoted to judicial services related to involuntary commitment reimbursed under section 2 of this act must be expended for other purposes that further treatment for mental health and chemical dependency disorders.

Sec. 7. RCW 71.34.300 and 1985 c 354 s 14 are each amended to read as follows:

(1) The county or combination of counties is responsible for development and coordination of the evaluation and treatment program for minors, for incorporating the program into the county mental health plan, and for coordination of evaluation and treatment services and resources with the community mental health program required under chapter 71.24 RCW.

(2) The county shall be responsible for maintaining its support of involuntary treatment services for minors at its 1984 level, adjusted for inflation, with the department responsible for additional costs to the county resulting from this chapter. Maintenance of effort funds devoted to judicial services related to involuntary

commitment reimbursed under section 2 of this act must be expended for other purposes that further treatment for mental health and chemical dependency disorders.

Sec. 8. RCW 71.34.330 and 1985 c 354 s 23 are each amended to read as follows:

Attorneys appointed for minors under this chapter shall be compensated for their services as follows:

(1) Responsible others shall bear the costs of such legal services if financially able according to standards set by the court of the county in which the proceeding is held.

(2) If all responsible others are indigent as determined by these standards, the ~~((costs of these legal services shall be borne by))~~ regional support network shall reimburse the county in which the proceeding is held for the direct costs of such legal services, as provided in section 2 of this act.

Sec. 9. RCW 71.05.230 and 2009 c 217 s 2 and 2009 c 293 s 3 are each reenacted and amended to read as follows:

A person detained for seventy-two hour evaluation and treatment may be detained for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative to involuntary intensive treatment. ~~((There shall be no fee for filing petitions for fourteen days of involuntary intensive treatment.))~~ A petition may only be filed if the following conditions are met:

(1) The professional staff of the agency or facility providing evaluation services has analyzed the person's condition and finds that the condition is caused by mental disorder and either results in a likelihood of serious harm, or results in the detained person being gravely disabled and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(3) The facility providing intensive treatment is certified to provide such treatment by the department; and

(4) The professional staff of the agency or facility or the designated mental health professional has filed a petition for fourteen day involuntary detention or a ninety day less restrictive alternative with the court. The petition must be signed either by:

- (a) Two physicians;
- (b) One physician and a mental health professional;
- (c) Two psychiatric advanced registered nurse practitioners;
- (d) One psychiatric advanced registered nurse practitioner and a mental health professional; or

(e) A physician and a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person. If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm, or is gravely disabled and shall set forth the less restrictive alternative proposed by the facility; and

(5) A copy of the petition has been served on the detained person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated mental health professional may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide outpatient treatment is other than the facility providing involuntary treatment, the outpatient facility so designated has agreed to assume such responsibility.

If the minor, after reaching legal age, waives in writing the notice required by this section, the guardian will be automatically discharged without further order of the court and the declaration of completion of guardianship will be effective as an order terminating the guardianship without an accounting upon filing the declaration. If the guardian has been required to furnish a bond, and a declaration of completion of guardianship is filed according to this section, any bond furnished by the guardian shall be automatically discharged upon the discharge of the guardian.

(3) TERMINATION ON COURT ORDER. A guardianship or limited guardianship may be terminated by court order after such notice as the court may require if the guardianship or limited guardianship is no longer necessary.

The guardian or limited guardian shall, within ~~((thirty))~~ ninety days of the date of termination of the guardianship, unless the court orders a different deadline for good cause, prepare and file with the court a final verified account of administration. The final verified account of administration shall contain the same information as required for (a) an intermediate verified account of administration of the estate under RCW 11.92.040(2) and (b) an intermediate personal care status report under RCW 11.92.043(2).

(4) EFFECT OF TERMINATION. When a guardianship or limited guardianship terminates other than by the death of the incapacitated person, the powers of the guardian or limited guardian cease, except that a guardian or limited guardian of the estate may make disbursements for claims that are or may be allowed by the court, for liabilities already properly incurred for the estate or for the incapacitated person, and for expenses of administration. When a guardianship or limited guardianship terminates by death of the incapacitated person, the guardian or limited guardian of the estate may proceed under RCW 11.88.150 as now or hereafter amended, but the rights of all creditors against the incapacitated person's estate shall be determined by the law of decedents' estates.

Sec. 8. RCW 11.92.053 and 1995 c 297 s 7 are each amended to read as follows:

Within ninety days, unless the court orders a different deadline for good cause, after the termination of a guardianship for any reason, the guardian or limited guardian of the estate shall petition the court for an order settling his or her account as filed in accordance with RCW 11.92.040(2) with regard to any receipts, expenditures, and investments made and acts done by the guardian to the date of the termination. Upon the filing of the petition, the court shall set a date for the hearing of the petition after notice has been given in accordance with RCW 11.88.040. Any person interested may file objections to the petition or may appear at the time and place fixed for the hearing thereof and present his or her objections thereto. The court may take such testimony as it deems proper or necessary to determine whether an order settling the account should be issued and the transactions of the guardian be approved, and the court may appoint a guardian ad litem to review the report.

At the hearing on the petition of the guardian or limited guardian, if the court is satisfied that the actions of the guardian or limited guardian have been proper, and that the guardian has in all respects discharged his or her trust with relation to the receipts, expenditures, investments, and acts, then, in such event, the court shall enter an order approving the account, and the order shall be final and binding upon the incapacitated person, subject only to the right of appeal as upon a final order. However, within one year after the incompetent attains his or her majority any such account

may be challenged by the incapacitated person on the ground of fraud.

Sec. 9. RCW 11.92.040 and 1991 c 289 s 10 are each amended to read as follows:

(2) To file annually, within ninety days after the anniversary date of the guardian's or limited guardian's appointment, and also within ~~((thirty))~~ ninety days after termination of the appointment, unless the court for good cause orders a different deadline to file following termination, a written verified account of the administration for court approval, which account shall contain at least the following information:

In addition, immediately following such statement of present fair market value, the account shall set forth a statement of current amount of the guardian's bond and any other court-ordered protection for the security of the guardianship assets;

(3) The court in its discretion may allow reports at intervals of up to thirty-six months for estates with assets (exclusive of real property) having a value of not more than twice the homestead exemption. Notwithstanding contrary provisions of this section, the guardian or limited guardian of an estate need not file an annual report with the court if the funds of the guardianship are held for the benefit of a minor in a blocked account unless the guardian requests a withdrawal from such account, in which case the guardian shall provide a written verified account of the administration of the guardianship estate along with the guardian's petition for the withdrawal. The guardian or limited guardian shall report any substantial change in income or assets of the guardianship estate within thirty days of the occurrence of the change. A hearing shall be scheduled for court review and determination of provision for increased bond or other provision in accordance with RCW 11.88.100;

If the offender has multiple current convictions, the statutory maximum sentence allowed by law for each crime shall run concurrently.

(2) No offender may be released under this section unless the secretary or the secretary's designee ((find [finds] that such release is in the best interests of the state of Washington. (2) The department shall work in conjunction with a qualified nonprofit legal services organization in the state recognized by the department of justice pursuant to 8 C.F.R. 1003.61, to create the written notice required by subsection (1) of this section. A written notice containing the advisals given to an individual at the first master calendar hearing in a removal proceeding meets the requirements of this section.

Sec. 3. RCW 10.40.200 and 1983 c 199 s 1 are each amended to read as follows:

(1) The legislature finds and declares that in many instances involving an individual who is not a citizen of the United States charged with an offense punishable as a crime under state law, a plea of guilty is entered without the defendant knowing that a conviction of such offense is grounds for deportation, exclusion from admission to the United States, or denial of naturalization pursuant to the laws of the United States. Therefore, it is the intent of the legislature in enacting this section to promote fairness to such accused individuals by requiring in such cases that acceptance of a guilty plea be preceded by an appropriate warning of the special consequences for such a defendant which may result from the plea.

2011 REGULAR SESSION

It is further the intent of the legislature that at the time of the plea no defendant be required to disclose his or her legal status to the court.

(2) Prior to acceptance of a plea of guilty to any offense punishable as a crime under state law, except offenses designated as infractions under state law, the court shall determine that the defendant has been advised of the following potential consequences of conviction for a defendant who is not a citizen of the United States: Deportation, exclusion from admission to the United States, or denial of naturalization pursuant to the laws of the United States. A defendant signing a guilty plea statement containing the advisement required by this subsection shall be presumed to have received the required advisement. If, after September 1, 1983, the defendant has not been advised as required by this section and the defendant shows that conviction of the offense to which the defendant pleaded guilty may have the consequences for the defendant of deportation, exclusion from admission to the United States, or denial of naturalization pursuant to the laws of the United States, the court, on defendant's motion, shall vacate the judgment and permit the defendant to withdraw the plea of guilty and enter a plea of not guilty. Absent a written acknowledgement by the defendant of the advisement required by this subsection, the defendant shall be presumed not to have received the required advisement.

(3) With respect to pleas accepted prior to September 1, 1983, it is not the intent of the legislature that a defendant's failure to receive the advisement required by subsection (2) of this section should require the vacation of judgment and withdrawal of the plea or constitute grounds for finding a prior conviction invalid.

(4) Prior to acceptance of a plea of guilty to any offense punishable as a crime under state law, except offenses designated as infractions under state law, the court shall advise the defendant that, pursuant to RCW 9.94A.685, the defendant may be subject to early release from custody for removal from the United States as a consequence of conviction and that the defendant may be able to contest a removal order.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Failure of the employer to receive such notice or order whether served or mailed shall not release the employer from any tax or any increases or penalties thereon.

NEW SECTION. Sec. 3. A new section is added to chapter 51.18 RCW to read as follows:

Payment by an employer for direct primary care services as defined in RCW 48.150.010 when used for medical services on an allowed industrial injury or occupational disease claim does not disqualify: (1) the employer from participating in a retrospective rating plan; (2) any related group sponsor from promoting a retrospective rating plan; or (3) any related plan administrator from administering a retrospective rating plan, provided the employer or group sponsor or plan administrator provides any medical cost or payment information that may be required by the department. Prior to the first retrospective rating adjustment for the plan year beginning January 1, 2012, the department shall determine the information needed and any changes to the retrospective rating premium and claim cost calculations to maintain appropriate and equitable retrospective rating refunds when employers pay for direct primary care services. These changes shall apply beginning with the January 1, 2012 plan year.

The department may adopt rules to implement this section.

Sec. 4. RCW 51.24.060 and 2001 c 146 s 9 are each amended to read as follows:

(1) If the injured worker or beneficiary elects to seek damages from the third person, any recovery made shall be distributed as follows:

(a) The costs and reasonable attorneys' fees shall be paid proportionately by the injured worker or beneficiary and the department and/or self-insurer: PROVIDED, That the department and/or self-insurer may require court approval of costs and attorneys' fees or may petition a court for determination of the reasonableness of costs and attorneys' fees;

(b) The injured worker or beneficiary shall be paid twenty-five percent of the balance of the award: PROVIDED, That in the event of a compromise and settlement by the parties, the injured worker or beneficiary may agree to a sum less than twenty-five percent;

(c) The department and/or self-insurer shall be paid the balance of the recovery made, but only to the extent necessary to reimburse the department and/or self-insurer for benefits paid;

(i) The department and/or self-insurer shall bear its proportionate share of the costs and reasonable attorneys' fees incurred by the worker or beneficiary to the extent of the benefits paid under this title: PROVIDED, That the department's and/or self-insurer's proportionate share shall not exceed one hundred percent of the costs and reasonable attorneys' fees;

(ii) The department's and/or self-insurer's proportionate share of the costs and reasonable attorneys' fees shall be determined by dividing the gross recovery amount into the benefits paid amount and multiplying this percentage times the costs and reasonable attorneys' fees incurred by the worker or beneficiary;

(iii) The department's and/or self-insurer's reimbursement share shall be determined by subtracting their proportionate share of the costs and reasonable attorneys' fees from the benefits paid amount;

(d) Any remaining balance shall be paid to the injured worker or beneficiary; and

(e) Thereafter no payment shall be made to or on behalf of a worker or beneficiary by the department and/or self-insurer for such injury until the amount of any further compensation and benefits

ONE HUNDRED SECOND DAY, APRIL 21, 2011

2011 REGULAR SESSION

shall equal any such remaining balance minus the department's and/or self-insurer's proportionate share of the costs and reasonable attorneys' fees in regards to the remaining balance. This proportionate share shall be determined by dividing the gross recovery amount into the remaining balance amount and multiplying this percentage times the costs and reasonable attorneys' fees incurred by the worker or beneficiary. Thereafter, such benefits shall be paid by the department and/or self-insurer to or on behalf of the worker or beneficiary as though no recovery had been made from a third person.

(2) The recovery made shall be subject to a lien by the department and/or self-insurer for its share under this section.

(3) The department or self-insurer has sole discretion to compromise the amount of its lien. In deciding whether or to what extent to compromise its lien, the department or self-insurer shall consider at least the following:

(a) The likelihood of collection of the award or settlement as may be affected by insurance coverage, solvency, or other factors relating to the third person;

(b) Factual and legal issues of liability as between the injured worker or beneficiary and the third person. Such issues include but are not limited to possible contributory negligence and novel theories of liability; and

(c) Problems of proof faced in obtaining the award or settlement.

(4) In an action under this section, the self-insurer may act on behalf and for the benefit of the department to the extent of any compensation and benefits paid or payable from state funds.

(5) It shall be the duty of the person to whom any recovery is paid before distribution under this section to advise the department or self-insurer of the fact and amount of such recovery, the costs and reasonable attorneys' fees associated with the recovery, and to distribute the recovery in compliance with this section.

(6) The distribution of any recovery made by award or settlement of the third party action shall be confirmed by department order, served by ~~((registered or certified mail))~~ a method for which receipt can be confirmed or tracked, and shall be subject to chapter 51.52 RCW. In the event the order of distribution becomes final under chapter 51.52 RCW, the director or the director's designee may file with the clerk of any county within the state a warrant in the amount of the sum representing the unpaid lien plus interest accruing from the date the order became final. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for such warrant and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of such worker or beneficiary mentioned in the warrant, the amount of the unpaid lien plus interest accrued and the date when the warrant was filed. The amount of such warrant as docketed shall become a lien upon the title to and interest in all real and personal property of the injured worker or beneficiary against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of such clerk. The sheriff shall then proceed in the same manner and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the department in the manner provided by law in the case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee under RCW 36.18.012(10), which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the injured worker or beneficiary within three days of filing with the clerk.

(7) The director, or the director's designee, may issue to any person, firm, corporation, municipal corporation, political

subdivision of the state, public corporation, or agency of the state, a notice and order to withhold and deliver property of any kind if he or she has reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property which is due, owing, or belonging to any worker or beneficiary upon whom a warrant has been served by the department for payments due to the state fund. The notice and order to withhold and deliver shall be served by the sheriff of the county or by the sheriff's deputy; by ~~((certified mail, return receipt requested))~~ a method for which receipt can be confirmed or tracked; or by any authorized representatives of the director. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with such notice and order, any property which may be subject to the claim of the department, such property shall be delivered forthwith to the director or the director's authorized representative upon demand. If the party served and named in the notice and order fails to answer the notice and order within the time prescribed in this section, the court may, after the time to answer such order has expired, render judgment by default against the party named in the notice for the full amount claimed by the director in the notice together with costs. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, the employer may assert in the answer to all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled.

NEW SECTION. Sec. 5. A new section is added to Chapter 51.36 RCW to read as follows:

The department shall report to the appropriate committees of the legislature by December 1, 2011 on statutory changes needed to ensure an injured worker may receive care from a health care provider who furnishes primary care services through a direct agreement in compliance with chapter 48.150 RCW and that the injured worker is not paying directly for medical services related to their industrial injury or occupational disease. The report shall provide a timeline for rule development with a goal to have necessary changes in place by July 1, 2013, and include the data required from direct care providers necessary to establish premium rates, experience modification factors, and retrospective rating adjustments; medical cost or payment information that may be required from retrospective rating participants; any requirements specific to direct primary care providers in order for them participate in the statewide medical provider network and to ensure the department has information to efficiently manage worker claims; and any other issues or barriers to participation of direct primary care providers in the workers' compensation system.

Sec. 6. RCW 51.32.240 and 2008 c 280 s 2 are each amended to read as follows:

(1)(a) Whenever any payment of benefits under this title is made because of clerical error, mistake of identity, innocent misrepresentation by or on behalf of the recipient thereof mistakenly acted upon, or any other circumstance of a similar nature, all not induced by willful misrepresentation, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be. The department or self-insurer, as the case may be, must make claim for such repayment or recoupment within one year of the making of any such payment or it will be deemed any claim therefor has been waived.

(b) Except as provided in subsections (3), (4), and (5) of this section, the department may only assess an overpayment of benefits because of adjudicator error when the order upon which the overpayment is based is not yet final as provided in RCW 51.52.050 and 51.52.060. "Adjudicator error" includes the failure to consider information in the claim file, failure to secure adequate information, or an error in judgment.

(c) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his or her discretion to waive, in whole or in part, the amount of any such timely claim where the recovery would be against equity and good conscience.

(2) Whenever the department or self-insurer fails to pay benefits because of clerical error, mistake of identity, or innocent misrepresentation, all not induced by recipient willful misrepresentation, the recipient may request an adjustment of benefits to be paid from the state fund or by the self-insurer, as the case may be, subject to the following:

(a) The recipient must request an adjustment in benefits within one year from the date of the incorrect payment or it will be deemed any claim therefore has been waived.

(b) The recipient may not seek an adjustment of benefits because of adjudicator error. Adjustments due to adjudicator error are addressed by the filing of a written request for reconsideration with the department of labor and industries or an appeal with the board of industrial insurance appeals within sixty days from the date the order is communicated as provided in RCW 51.52.050. "Adjudicator error" includes the failure to consider information in the claim file, failure to secure adequate information, or an error in judgment.

(3) Whenever the department issues an order rejecting a claim for benefits paid pursuant to RCW 51.32.190 or 51.32.210, after payment for temporary disability benefits has been paid by a self-insurer pursuant to RCW 51.32.190(3) or by the department pursuant to RCW 51.32.210, the recipient thereof shall repay such benefits and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be. The director, under rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise discretion to waive, in whole or in part, the amount of any such payments where the recovery would be against equity and good conscience.

(4) Whenever any payment of benefits under this title has been made pursuant to an adjudication by the department or by order of the board or any court and timely appeal therefrom has been made where the final decision is that any such payment was made pursuant to an erroneous adjudication, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim whether state fund or self-insured.

(a) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise discretion to waive, in whole or in part, the amount of any such payments where the recovery would be against equity and good conscience. However, if the director waives in whole or in part any such payments due a self-insurer, the self-insurer shall be reimbursed the amount waived from the self-insured employer overpayment reimbursement fund.

(b) The department shall collect information regarding self-insured claim overpayments resulting from final decisions of the board and the courts, and recoup such overpayments on behalf of the self-insurer from any open, new, or reopened state fund or self-insured claims. The department shall forward the amounts collected to the self-insurer to whom the payment is owed. The department may provide information as needed to any self-insurers from whom payments may be collected on behalf of the department

or another self-insurer. Notwithstanding RCW 51.32.040, any self-insurer requested by the department to forward payments to the department pursuant to this subsection shall pay the department directly. The department shall credit the amounts recovered to the appropriate fund, or forward amounts collected to the appropriate self-insurer, as the case may be.

(c) If a self-insurer is not fully reimbursed within twenty-four months of the first attempt at recovery through the collection process pursuant to this subsection and by means of processes pursuant to subsection (6) of this section, the self-insurer shall be reimbursed for the remainder of the amount due from the self-insured employer overpayment reimbursement fund.

(d) For purposes of this subsection, "recipient" does not include health service providers whose treatment or services were authorized by the department or self-insurer.

(e) The department or self-insurer shall first attempt recovery of overpayments for health services from any entity that provided health insurance to the worker to the extent that the health insurance entity would have provided health insurance benefits but for workers' compensation coverage.

(5)(a) Whenever any payment of benefits under this title has been induced by willful misrepresentation the recipient thereof shall repay any such payment together with a penalty of fifty percent of the total of any such payments and the amount of such total sum may be recouped from any future payments due to the recipient on any claim with the state fund or self-insurer against whom the willful misrepresentation was committed, as the case may be, and the amount of such penalty shall be placed in the supplemental pension fund. Such repayment or recoupment must be demanded or ordered within three years of the discovery of the willful misrepresentation.

(b) For purposes of this subsection (5), it is willful misrepresentation for a person to obtain payments or other benefits under this title in an amount greater than that to which the person otherwise would be entitled. Willful misrepresentation includes:

(i) Willful false statement; or

(ii) Willful misrepresentation, omission, or concealment of any material fact.

(c) For purposes of this subsection (5), "willful" means a conscious or deliberate false statement, misrepresentation, omission, or concealment of a material fact with the specific intent of obtaining, continuing, or increasing benefits under this title.

(d) For purposes of this subsection (5), failure to disclose a work-type activity must be willful in order for a misrepresentation to have occurred.

(e) For purposes of this subsection (5), a material fact is one which would result in additional, increased, or continued benefits, including but not limited to facts about physical restrictions, or work-type activities which either result in wages or income or would be reasonably expected to do so. Wages or income include the receipt of any goods or services. For a work-type activity to be reasonably expected to result in wages or income, a pattern of repeated activity must exist. For those activities that would reasonably be expected to result in wages or produce income, but for which actual wage or income information cannot be reasonably determined, the department shall impute wages pursuant to RCW 51.08.178(4).

(6) The worker, beneficiary, or other person affected thereby shall have the right to contest an order assessing an overpayment pursuant to this section in the same manner and to the same extent as provided under RCW 51.52.050 and 51.52.060. In the event such an order becomes final under chapter 51.52 RCW and notwithstanding the provisions of subsections (1) through (5) of this section, the director, director's designee, or self-insurer may file with the clerk in any county within the state a warrant in the amount of

ONE HUNDRED SECOND DAY, APRIL 21, 2011

2011 REGULAR SESSION

the sum representing the unpaid overpayment and/or penalty plus interest accruing from the date the order became final. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for such warrant and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the worker, beneficiary, or other person mentioned in the warrant, the amount of the unpaid overpayment and/or penalty plus interest accrued, and the date the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to and interest in all real and personal property of the worker, beneficiary, or other person against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of such clerk. The sheriff shall then proceed in the same manner and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the department or self-insurer in the manner provided by law in the case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee under RCW 36.18.012(10), which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the worker, beneficiary, or other person within three days of filing with the clerk.

The director, director's designee, or self-insurer may issue to any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, a notice to withhold and deliver property of any kind if there is reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is due, owing, or belonging to any worker, beneficiary, or other person upon whom a warrant has been served for payments due the department or self-insurer. The notice and order to withhold and deliver shall be served by ~~((certified mail))~~ a method for which receipt can be confirmed or tracked accompanied by an affidavit of service by mailing or served by the sheriff of the county, or by the sheriff's deputy, or by any authorized representative of the director, director's designee, or self-insurer. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired or in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with such notice and order, any property that may be subject to the claim of the department or self-insurer, such property shall be delivered forthwith to the director, the director's authorized representative, or self-insurer upon demand. If the party served and named in the notice and order fails to answer the notice and order within the time prescribed in this section, the court may, after the time to answer such order has expired, render judgment by default against the party named in the notice for the full amount, plus costs, claimed by the director, director's designee, or self-insurer in the notice. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, the employer may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled.

This subsection shall only apply to orders assessing an overpayment which are issued on or after July 28, 1991: PROVIDED, That this subsection shall apply retroactively to all orders assessing an overpayment resulting from fraud, civil or criminal.

(7) Orders assessing an overpayment which are issued on or after July 28, 1991, shall include a conspicuous notice of the collection methods available to the department or self-insurer.

Sec. 7. RCW 51.48.120 and 1995 c 160 s 5 are each amended to read as follows:

If any employer should default in any payment due to the state fund the director or the director's designee may issue a notice of assessment certifying the amount due, which notice shall be served upon the employer by mailing such notice to the employer by ~~((certified mail))~~ a method for which receipt can be confirmed or tracked to the employer's last known address or served in the manner prescribed for the service of a summons in a civil action. Such notice shall contain the information that an appeal must be filed with the board of industrial insurance appeals and the director by mail or personally within thirty days of the date of service of the notice of assessment in order to appeal the assessment unless a written request for reconsideration is filed with the department of labor and industries.

Sec. 8. RCW 51.48.150 and 1995 c 160 s 6 are each amended to read as follows:

The director or the director's designee is hereby authorized to issue to any person, firm, corporation, municipal corporation, political subdivision of the state, a public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind whatsoever when he or she has reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or any agency of the state, property which is or shall become due, owing, or belonging to any employer upon whom a notice of assessment has been served by the department for payments due to the state fund. The effect of a notice and order to withhold and deliver shall be continuous from the date such notice and order to withhold and deliver is first made until the liability out of which such notice and order to withhold and deliver arose is satisfied or becomes unenforceable because of lapse of time. The department shall release the notice and order to withhold and deliver when the liability out of which the notice and order to withhold and deliver arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order to withhold and deliver was made that such notice and order to withhold and deliver has been released.

The notice and order to withhold and deliver shall be served by the sheriff of the county or by the sheriff's deputy, by ~~((certified mail, return receipt requested))~~ a method for which receipt can be confirmed or tracked, or by any duly authorized representatives of the director. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation or any agency of the state upon whom service has been made is hereby required to answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with a notice and order to withhold and deliver, any property which may be subject to the claim of the department, such property shall be delivered forthwith to the director or the director's duly authorized representative upon service of the notice to withhold and deliver which will be held in trust by the director for application on the employer's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review, or in the alternative such party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. Should any party served and named in the notice to withhold and deliver fail to make answer to such notice and order to withhold and deliver, within the time prescribed herein, it shall be lawful for the court, after the time to answer such

ONE HUNDRED SECOND DAY, APRIL 21, 2011

order has expired, to render judgment by default against the party named in the notice to withhold and deliver for the full amount claimed by the director in the notice to withhold and deliver together with costs. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, then the employer shall be entitled to assert in the answer to all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled.

Sec. 9. RCW 51.52.050 and 2008 c 280 s 1 are each amended to read as follows:

(1) Whenever the department has made any order, decision, or award, it shall promptly serve the worker, beneficiary, employer, or other person affected thereby, with a copy thereof by mail, ~~((which shall be addressed to such person at his or her last known address as shown by the records of the department))~~ or if the worker, beneficiary, employer, or other person affected thereby chooses, the department may send correspondence and other legal notices by secure electronic means except for orders communicating the closure of a claim. Persons who choose to receive correspondence and other legal notices electronically shall be provided information to assist them in ensuring all electronic documents and communications are received. Correspondence and notices must be addressed to such a person at his or her last known postal or electronic address as shown by the records of the department. Correspondence and notices sent electronically are considered received on the date sent by the department. The copy, in case the same is a final order, decision, or award, shall bear on the same side of the same page on which is found the amount of the award, a statement, set in black faced type of at least ten point body or size, that such final order, decision, or award shall become final within sixty days from the date the order is communicated to the parties unless a written request for reconsideration is filed with the department of labor and industries, Olympia, or an appeal is filed with the board of industrial insurance appeals, Olympia. However, a department order or decision making demand, whether with or without penalty, for repayment of sums paid to a provider of medical, dental, vocational, or other health services rendered to an industrially injured worker, shall state that such order or decision shall become final within twenty days from the date the order or decision is communicated to the parties unless a written request for reconsideration is filed with the department of labor and industries, Olympia, or an appeal is filed with the board of industrial insurance appeals, Olympia.

(2)(a) Whenever the department has taken any action or made any decision relating to any phase of the administration of this title the worker, beneficiary, employer, or other person aggrieved thereby may request reconsideration of the department, or may appeal to the board. In an appeal before the board, the appellant shall have the burden of proceeding with the evidence to establish a prima facie case for the relief sought in such appeal.

(b) An order by the department awarding benefits shall become effective and benefits due on the date issued. Subject to (b)(i) and (ii) of this subsection, if the department order is appealed the order shall not be stayed pending a final decision on the merits unless ordered by the board. Upon issuance of the order granting the appeal, the board will provide the worker with notice concerning the potential of an overpayment of benefits paid pending the outcome of the appeal and the requirements for interest on unpaid benefits pursuant to RCW 51.52.135. A worker may request that benefits cease pending appeal at any time following the employer's motion for stay or the board's order granting appeal. The request must be submitted in writing to the employer, the board, and the department. Any employer may move for a stay of the order on appeal, in whole or in part. The motion must be filed within fifteen days of the order granting appeal. The board shall conduct an expedited review of

2011 REGULAR SESSION

the claim file provided by the department as it existed on the date of the department order. The board shall issue a final decision within twenty-five days of the filing of the motion for stay or the order granting appeal, whichever is later. The board's final decision may be appealed to superior court in accordance with RCW 51.52.110. The board shall grant a motion to stay if the moving party demonstrates that it is more likely than not to prevail on the facts as they existed at the time of the order on appeal. The board shall not consider the likelihood of recoupment of benefits as a basis to grant or deny a motion to stay. If a self-insured employer prevails on the merits, any benefits paid may be recouped pursuant to RCW 51.32.240.

(i) If upon reconsideration requested by a worker or medical provider, the department has ordered an increase in a permanent partial disability award from the amount reflected in an earlier order, the award reflected in the earlier order shall not be stayed pending a final decision on the merits. However, the increase is stayed without further action by the board pending a final decision on the merits.

(ii) If any party appeals an order establishing a worker's wages or the compensation rate at which a worker will be paid temporary or permanent total disability or loss of earning power benefits, the worker shall receive payment pending a final decision on the merits based on the following:

(A) When the employer is self-insured, the wage calculation or compensation rate the employer most recently submitted to the department; or

(B) When the employer is insured through the state fund, the highest wage amount or compensation rate uncontested by the parties.

Payment of benefits or consideration of wages at a rate that is higher than that specified in (b)(ii)(A) or (B) of this subsection is stayed without further action by the board pending a final decision on the merits.

(c) In an appeal from an order of the department that alleges willful misrepresentation, the department or self-insured employer shall initially introduce all evidence in its case in chief. Any such person aggrieved by the decision and order of the board may thereafter appeal to the superior court, as prescribed in this chapter."

MESSAGE FROM THE HOUSE

April 21, 2011

MR. PRESIDENT:

The House has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE SENATE BILL NO. 5457 and has passed the bill as recommended by the Conference Committee. and the same is herewith transmitted.

BARBARA BAKER, Chief Clerk

REPORT OF THE CONFERENCE COMMITTEE

Engrossed Substitute Senate Bill No. 5457

April 20, 2011

MR. PRESIDENT:

MR. SPEAKER:

We of your conference committee, to whom was referred Engrossed Substitute Senate Bill No. 5457, have had the same under consideration and recommend that all previous amendments not be adopted and that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that public transportation provides many benefits to the citizens of the state and the environment, including through public transportation's ability to alleviate congestion and offset the burdens placed by general vehicular traffic on the state's transportation infrastructure. In these challenging economic times, many transit agencies find themselves struggling to continue to provide a level of service that reduces congestion.

The legislature further recognizes that King county conducted a regional transit task force in 2010 that considered a policy framework for the potential future growth and, if necessary,

contraction of King county's transit system. The task force members were selected to represent a broad diversity of interests and perspectives. The task force recommendations, which were unanimously accepted, addressed key elements, such as the adoption of performance measures, controlling operating costs, developing policy guidance for making service reductions, and clear and transparent guidelines for service allocation. As a result of the work done by the task force and King county's commitment to comply with the recommendations, it is the intent of the legislature that King county be provided the opportunity to impose a temporary congestion reduction charge, which is separate and distinct from the base motor vehicle license fee, that can help address its revenue shortfalls during this economic crisis and allow it to continue reducing congestion and the corresponding burdens placed on the highway system on some of the state's most crowded corridors.

The legislature recognizes that the title of Initiative Measure No. 1053 states that it applies only to tax and fee increases imposed by state government, and that the text of the initiative requires a two-thirds majority only for tax increases. The legislature further recognizes that Initiative Measure No. 1053 does not apply to local government. Despite these facts, this act requires a two-thirds majority of the metropolitan King county council in order to implement a local option fee, in the form of a congestion reduction charge, to help fund King county metro transit service. Faced with the potential loss of hundreds of thousands of hours of vital transit service, it is the intent of the legislature to provide King county with this temporary local option funding mechanism. It is further the intent of the legislature not to expand the parameters of Initiative Measure No. 1053 beyond what the voters intended and thus interfere with local control or limit the ability of local governments to provide services to the people of Washington.

NEW SECTION. Sec. 2. A new section is added to chapter 82.80 RCW to read as follows:

(1)(a) Except as provided in subsection (2) of this section, the governing body of a county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW and is operating a public transportation system may impose, if approved by a majority of the voters within that county or a two-thirds majority of the governing body, an annual congestion reduction charge of up to twenty dollars per vehicle registered in the boundaries of the county for each vehicle subject to vehicle license fees under RCW 46.17.350(1) (a), (c), (d), (e), (g), (h), (j), (n), (o), (p), or (q) and for each vehicle subject to gross weight license fees under RCW 46.17.355 with an unladen weight of six thousand pounds or less.

(b) Prior to the imposition of a congestion reduction charge authorized under (a) of this subsection, a governing body must complete a congestion reduction plan indicating the proposed expenditures of the proceeds of the congestion reduction charge.

(c) If a governing body that imposes a congestion reduction charge authorized under (a) of this subsection completed a regional transit task force evaluating system improvements and efficiencies within two years prior to the imposition of the charge, the proceeds from the charge must be expended in a manner consistent with the recommendations of the regional transit task force.

(d) A governing body that imposes a congestion reduction charge authorized under (a) of this subsection must complete a report by July 1, 2012, detailing the expenditures of the proceeds of the congestion reduction charge through June 1, 2012.

(e) A governing body that imposes a congestion reduction charge authorized under (a) of this subsection must complete a report by June 1, 2014, detailing the expenditures of the proceeds of the congestion reduction charge.

(2) The governing body of a county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal

corporation under chapter 36.56 RCW and is operating a public transportation system may not impose a congestion reduction charge authorized under subsection (1)(a) of this section for a passenger-only ferry transportation improvement, unless the charge is first approved by a majority of the voters within that county.

(3) The governing body of a county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW and is operating a public transportation system shall contract with the department of licensing as provided under section 3 of this act for the collection of the congestion reduction charge.

(4) A congestion reduction charge imposed under this section may not be assessed until six months after approval.

(5) A congestion reduction charge imposed under this section applies only for vehicle registration renewals and is effective upon the registration renewal date as provided by the department of licensing.

(6) The following vehicles are exempt from the congestion reduction charge imposed under this section:

(a) Farm tractors or farm vehicles as defined in RCW 46.04.180 and 46.04.181;

(b) Off-road vehicles as defined in RCW 46.04.365;

(c) Nonhighway vehicles as defined in RCW 46.09.310;

(d) Vehicles registered under chapter 46.87 RCW and the international registration plan; and

(e) Snowmobiles as defined in RCW 46.04.546.

(7) The authority to impose a congestion reduction charge authorized in subsection (1)(a) of this section expires with vehicle registrations that expire two years after the imposition of the charge or no later than June 30, 2014, whichever comes first.

(8) A congestion reduction charge authorized under subsection (1)(a) of this section may only be imposed after June 30, 2014, if approved by a majority of the voters within a county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW and is operating a public transportation system.

(9) This section expires December 31, 2014.

NEW SECTION. Sec. 3. A new section is added to chapter 46.68 RCW to read as follows:

Whenever the department enters into a contract with the governing body of a county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW and is operating a public transportation system for the collection of congestion reduction charges authorized under section 2 of this act:

(1) The contract must require that the governing body provide any information specified by the department to identify the vehicle owners who owe the congestion reduction charges, and must specify that it is the responsibility of the governing body to ensure that the congestion reduction charges are appropriately applied;

(2) The department is not responsible for the collection of congestion reduction charges until a date agreed to by both parties as specified in the contract;

(3) The department shall deduct a percentage amount as provided in the contract, not to exceed three percent of the charges collected, necessary to reimburse the department for the costs incurred for the collection of the congestion reduction charges; and

(4) The department shall remit remaining proceeds to the custody of the state treasurer. The state treasurer shall distribute the proceeds to the governing body on a monthly basis."

Correct the title.

And the bill do pass as recommended by the conference committee.

Signed by Senators Haugen, King and White; Representatives Armstrong, Clibborn and Liias.

REPORT OF THE CONFERENCE COMMITTEE

Substitute House Bill No. 1793

April 20, 2011

MR. PRESIDENT:

MR. SPEAKER:

We of your conference committee, to whom was referred Substitute House Bill No. 1793, have had the same under consideration and recommend that all previous amendments not be adopted and that the following striking amendment be adopted:

ONE HUNDRED THIRD DAY, APRIL 22, 2011

2011 REGULAR SESSION

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) One of the goals of the juvenile justice system is to rehabilitate juvenile offenders and promote their successful reintegration into society. Without opportunities to reintegrate, juveniles suffer increased recidivism and decreased economic function.

(2) The public has an interest in accessing information relating to juvenile records for public safety and research purposes.

(3) The public's legitimate interest in accessing personal information must be balanced with the rehabilitative goals of the juvenile justice system. All benefit when former juvenile offenders, after paying their debt to society, reintegrate and contribute to their local communities as productive citizens.

(4) It is the intent of the legislature to balance the rehabilitative and reintegration needs of an effective juvenile justice system with the public's need to access personal information for public safety and research purposes.

Sec. 2. RCW 19.182.040 and 1993 c 476 s 6 are each amended to read as follows:

(1) Except as authorized under subsection (2) of this section, no consumer reporting agency may make a consumer report containing any of the following items of information:

(a) Bankruptcies that, from date of adjudication of the most recent bankruptcy, antedate the report by more than ten years;

(b) Suits and judgments that, from date of entry, antedate the report by more than seven years or until the governing statute of limitations has expired, whichever is the longer period;

(c) Paid tax liens that, from date of payment, antedate the report by more than seven years;

(d) Accounts placed for collection or charged to profit and loss that antedate the report by more than seven years;

(e) Records of arrest, indictment, or conviction of an adult for a crime that, from date of disposition, release, or parole, antedate the report by more than seven years;

(f) Juvenile records, as defined in RCW 13.50.010(1)(c), when the subject of the records is twenty-one years of age or older at the time of the report; and

(g) Any other adverse item of information that antedates the report by more than seven years.

(2) Subsection (1)(a) through (e) and (g) of this section is not applicable in the case of a consumer report to be used in connection with:

(a) A credit transaction involving, or that may reasonably be expected to involve, a principal amount of fifty thousand dollars or more;

(b) The underwriting of life insurance involving, or that may reasonably be expected to involve, a face amount of fifty thousand dollars or more; or

(c) The employment of an individual at an annual salary that equals, or that may reasonably be expected to equal, twenty thousand dollars or more.

NEW SECTION. Sec. 3. (1)(a) A joint legislative task force on juvenile record sealing is established, with members as provided in this subsection.

(i) The president of the senate shall appoint two members from each of the two largest caucuses of the senate;

(ii) The speaker of the house of representatives shall appoint two members from each of the two largest caucuses of the house of representatives;

(iii) A representative of the administrative office of the courts;

(iv) A representative of the judicial information systems data dissemination committee;

(v) A representative of the association of counties, specifically county clerks;

(vi) A representative of the Washington association of prosecuting attorneys;

(vii) A representative of the Washington state patrol;

(viii) A representative from the juvenile law section of the Washington state bar association;

(ix) A representative of the Washington defenders' association;

(x) A representative of the juvenile rehabilitation administration within the department of social and health services; and

(xi) A representative of the juvenile court administrator's association.

(b) The task force shall choose one of the legislative members from the senate and one of the legislative members from the house of representatives to cochair the task force. The legislative members shall convene the first meeting of the task force.

(2) The task force shall determine how to cost-effectively restrict public access to juvenile records when an individual has met the statutory requirements of RCW 13.50.050(12) and without requiring individuals who are the subject of the records to file a motion to seal the records in juvenile court; whether and how to restrict access to diversion records; and other juvenile criminal record access issues that may arise during the work of the task force.

(3) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research.

(4) The task force shall report its findings and recommendations to the governor and the appropriate committees of the legislature by December 15, 2011.

(5) This section expires January 1, 2012.

Sec. 4. RCW 13.50.050 and 2010 c 150 s 2 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports

2011 REGULAR SESSION

would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central recordkeeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central recordkeeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central recordkeeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12)(a) The court shall not grant any motion to seal records for class A offenses made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless:

(i) Since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in an adjudication or conviction;

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(v) Full restitution has been paid.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14)(a) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(17)(a)(i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;

(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;

(C) Two years have elapsed since completion of the agreement or counsel and release;

(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and

(E) There is no restitution owing in the case.

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

ONE HUNDRED THIRD DAY, APRIL 22, 2011

(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

ONE HUNDRED THIRD DAY, APRIL 22, 2011

amendments not be adopted and that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the legislature's intent to provide local governments with more time to meet certain statutory requirements. Many cities and counties in Washington are facing revenue shortfalls, higher expenses, and more difficulty with borrowing money as a result of the economic downturn. The effects of the economic downturn on the budgets of local governments will be felt most deeply from 2010 to 2012. Local governments are facing the combined impact of decreased tax revenues, a falloff in state and federal aid, and increased demand for social services. With the loss of tax revenue and state and federal aid, local governments are being forced to make significant cuts that will eliminate jobs, curtail essential services, and increase the number of people in need. Additionally, local governments are struggling to comply with certain statutory requirements. Local governments want to comply with these statutory requirements, but with budget constraints, they need more time to do so. The legislature does not intend to remove any existing statutory requirement, but rather modify the time under which a local government must meet certain statutory requirements.

Sec. 2. RCW 36.70A.130 and 2010 c 216 s 1 and 2010 c 211 s 2 are each reenacted and amended to read as follows:

(1)(a) Each comprehensive land use plan and development regulations shall be subject to continuing review and evaluation by the county or city that adopted them. Except as otherwise provided, a county or city shall take legislative action to review and, if needed, revise its comprehensive land use plan and development regulations to ensure the plan and regulations comply with the requirements of this chapter according to the deadlines in subsections (4) and (5) of this section.

(b) Except as otherwise provided, a county or city not planning under RCW 36.70A.040 shall take action to review and, if needed, revise its policies and development regulations regarding critical areas and natural resource lands adopted according to this chapter to ensure these policies and regulations comply with the requirements of this chapter according to the deadlines in subsections (4) and (5) of this section. Legislative action means the adoption of a resolution or ordinance following notice and a public hearing indicating at a minimum, a finding that a review and evaluation has occurred and identifying the revisions made, or that a revision was not needed and the reasons therefor.

(c) ((The review and evaluation required by this subsection may be combined with the review required by subsection (3) of this section.)) The review and evaluation required by this subsection shall include, but is not limited to, consideration of critical area ordinances and, if planning under RCW 36.70A.040, an analysis of the population allocated to a city or county from the most recent ten-year population forecast by the office of financial management.

(d) Any amendment of or revision to a comprehensive land use plan shall conform to this chapter. Any amendment of or revision to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program consistent with RCW 36.70A.035 and 36.70A.140 that identifies procedures and schedules whereby updates, proposed amendments, or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year. "Updates" means to review and revise, if needed, according to subsection (1) of this section, and the deadlines in subsections (4) and (5) of this section or in accordance with the provisions of subsection (6) of this section. Amendments may be considered

2011 REGULAR SESSION

more frequently than once per year under the following circumstances:

(i) The initial adoption of a subarea plan. Subarea plans adopted under this subsection (2)(a)(i) must clarify, supplement, or implement jurisdiction-wide comprehensive plan policies, and may only be adopted if the cumulative impacts of the proposed plan are addressed by appropriate environmental review under chapter 43.21C RCW;

(ii) The development of an initial subarea plan for economic development located outside of the one hundred year floodplain in a county that has completed a state-funded pilot project that is based on watershed characterization and local habitat assessment;

(iii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW;

(iv) The amendment of the capital facilities element of a comprehensive plan that occurs concurrently with the adoption or amendment of a county or city budget; or

(v) The adoption of comprehensive plan amendments necessary to enact a planned action under RCW 43.21C.031(2), provided that amendments are considered in accordance with the public participation program established by the county or city under this subsection (2)(a) and all persons who have requested notice of a comprehensive plan update are given notice of the amendments and an opportunity to comment.

(b) Except as otherwise provided in (a) of this subsection, all proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with the growth management hearings board or with the court.

(3)(a) Each county that designates urban growth areas under RCW 36.70A.110 shall review, ~~((at least every ten years))~~ according to the schedules established in subsection (5) of this section, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas.

(b) The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period. The review required by this subsection may be combined with the review and evaluation required by RCW 36.70A.215.

(4) Except as provided in subsection (6) of this section, counties and cities shall take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter as follows:

(a) On or before December 1, 2004, for Clallam, Clark, Jefferson, King, Kitsap, Pierce, Snohomish, Thurston, and Whatcom counties and the cities within those counties;

(b) On or before December 1, 2005, for Cowlitz, Island, Lewis, Mason, San Juan, Skagit, and Skamania counties and the cities within those counties;

(c) On or before December 1, 2006, for Benton, Chelan, Douglas, Grant, Kittitas, Spokane, and Yakima counties and the cities within those counties; and

(5) Except as otherwise provided in subsection (6) of this section, following the review of comprehensive plans and development regulations required by subsection (4) of this section, counties and cities shall take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter as follows:

(a) On or before (~~December 1, 2014~~) June 30, 2015, and every (~~seven~~) eight years thereafter, for (~~Clallam, Clark, Jefferson,~~) King, (~~Kitsap,~~) Pierce, and Snohomish (~~(Thurston, and Whatcom)~~) counties and the cities within those counties;

(6)(a) Nothing in this section precludes a county or city from conducting the review and evaluation required by this section before the deadlines established in subsections (4) and (5) of this section. Counties and cities may begin this process early and may be eligible for grants from the department, subject to available funding, if they elect to do so.

(b) A county that is subject to a deadline established in subsection (4)(b) through (d) of this section and meets the following criteria may comply with the requirements of this section at any time within the thirty-six months following the deadline established in subsection (4) of this section: The county has a population of less than fifty thousand and has had its population increase by no more than seventeen percent in the ten years preceding the deadline established in subsection (4) of this section as of that date.

(c) A city that is subject to a deadline established in subsection (4)(b) through (d) of this section and meets the following criteria may comply with the requirements of this section at any time within the thirty-six months following the deadline established in subsection (4) of this section: The city has a population of no more than five thousand and has had its population increase by the greater of either no more than one hundred persons or no more than seventeen percent in the ten years preceding the deadline established in subsection (4) of this section as of that date.

(g) State agencies are encouraged to provide technical assistance to the counties and cities in the review of critical area ordinances, comprehensive plans, and development regulations.

(7)(a) The requirements imposed on counties and cities under this section shall be considered "requirements of this chapter" under the terms of RCW 36.70A.040(1). Only those counties and cities in compliance with the schedules in this section may receive preference for grants or loans subject to the provisions of RCW 43.17.250.

Sec. 3. RCW 36.70A.215 and 1997 c 429 s 25 are each amended to read as follows:

(1) Subject to the limitations in subsection (7) of this section, a county shall adopt, in consultation with its cities, countywide planning policies to establish a review and evaluation program. This program shall be in addition to the requirements of RCW 36.70A.110, 36.70A.130, and 36.70A.210. In developing and implementing the review and evaluation program required by this section, the county and its cities shall consider information from other appropriate jurisdictions and sources. The purpose of the review and evaluation program shall be to:

(a) Determine whether a county and its cities are achieving urban densities within urban growth areas by comparing growth and development assumptions, targets, and objectives contained in the countywide planning policies and the county and city comprehensive plans with actual growth and development that has occurred in the county and its cities; and

(b) Identify reasonable measures, other than adjusting urban growth areas, that will be taken to comply with the requirements of this chapter.

(2) The review and evaluation program shall:

(a) Encompass land uses and activities both within and outside of urban growth areas and provide for annual collection of data on urban and rural land uses, development, critical areas, and capital facilities to the extent necessary to determine the quantity and type of land suitable for development, both for residential and employment-based activities;

(b) Provide for evaluation of the data collected under (a) of this subsection (~~every five years~~) as provided in subsection (3) of this section. (~~The first evaluation shall be completed not later than September 1, 2002.~~) The evaluation shall be completed no later than one year prior to the deadline for review and, if necessary, update of comprehensive plans and development regulations as required by RCW 36.70A.130. The county and its cities may

(c) Provide for methods to resolve disputes among jurisdictions relating to the countywide planning policies required by this section and procedures to resolve inconsistencies in collection and analysis of data; and

(d) Provide for the amendment of the countywide policies and county and city comprehensive plans as needed to remedy an inconsistency identified through the evaluation required by this section, or to bring these policies into compliance with the requirements of this chapter.

(3) At a minimum, the evaluation component of the program required by subsection (1) of this section shall:

(a) Determine whether there is sufficient suitable land to accommodate the countywide population projection established for the county pursuant to RCW 43.62.035 and the subsequent population allocations within the county and between the county and its cities and the requirements of RCW 36.70A.110;

(b) Determine the actual density of housing that has been constructed and the actual amount of land developed for commercial and industrial uses within the urban growth area since the adoption of a comprehensive plan under this chapter or since the last periodic evaluation as required by subsection (1) of this section; and

(c) Based on the actual density of development as determined under (b) of this subsection, review commercial, industrial, and housing needs by type and density range to determine the amount of land needed for commercial, industrial, and housing for the remaining portion of the twenty-year planning period used in the most recently adopted comprehensive plan.

(4) If the evaluation required by subsection (3) of this section demonstrates an inconsistency between what has occurred since the adoption of the countywide planning policies and the county and city comprehensive plans and development regulations and what was envisioned in those policies and plans and the planning goals and the requirements of this chapter, as the inconsistency relates to the evaluation factors specified in subsection (3) of this section, the county and its cities shall adopt and implement measures that are reasonably likely to increase consistency during the subsequent five-year period. If necessary, a county, in consultation with its cities as required by RCW 36.70A.210, shall adopt amendments to countywide planning policies to increase consistency. The county and its cities shall annually monitor the measures adopted under this subsection to determine their effect and may revise or rescind them as appropriate.

(5)(a) Not later than July 1, 1998, the department shall prepare a list of methods used by counties and cities in carrying out the types of activities required by this section. The department shall provide this information and appropriate technical assistance to counties and cities required to or choosing to comply with the provisions of this section.

(b) By December 31, 2007, the department shall submit to the appropriate committees of the legislature a report analyzing the effectiveness of the activities described in this section in achieving the goals envisioned by the countywide planning policies and the comprehensive plans and development regulations of the counties and cities.

(6) From funds appropriated by the legislature for this purpose, the department shall provide grants to counties, cities, and regional planning organizations required under subsection (7) of this section to conduct the review and perform the evaluation required by this section.

(7) The provisions of this section shall apply to counties, and the cities within those counties, that were greater than one hundred fifty thousand in population in 1995 as determined by office of financial

In determining whether impact fees have been encumbered, impact fees shall be considered encumbered on a first in, first out basis. The county, city, or town shall notify potential claimants by first-class mail deposited with the United States postal service at the last known address of claimants.

The request for a refund must be submitted to the county, city, or town governing body in writing within one year of the date the right to claim the refund arises or the date that notice is given, whichever is later. Any impact fees that are not expended within these time limitations, and for which no application for a refund has been made within this one-year period, shall be retained and expended on the indicated capital facilities. Refunds of impact fees under this subsection shall include interest earned on the impact fees.

This notice requirement shall not apply if there are no unexpended or unencumbered balances within an account or accounts being terminated.

Sec. 10. RCW 82.14.415 and 2009 c 550 s 1 are each amended to read as follows:

(1) The legislative authority of any city that is located in a county with a population greater than six hundred thousand that annexes an area consistent with its comprehensive plan required by chapter 36.70A RCW ~~((:))~~ may impose a sales and use tax in accordance with the terms of this chapter. The tax is in addition to other taxes authorized by law and ~~((shall be))~~ is collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the city. The tax may only be imposed by a city if:

(a) The city has commenced annexation of an area having a population of at least ten thousand people, or four thousand in the case of a city described under subsection (3)(a)(i) of this section, prior to January 1, 2015; and

(b) The city legislative authority determines by resolution or ordinance that the projected cost to provide municipal services to the annexation area exceeds the projected general revenue that the city would otherwise receive from the annexation area on an annual basis.

(2) The tax authorized under this section is a credit against the state tax under chapter 82.08 or 82.12 RCW. The department of revenue ~~((shall))~~ must perform the collection of such taxes on behalf of the city at no cost to the city and ~~((shall))~~ must remit the tax to the city as provided in RCW 82.14.060.

(3)(a) Except as provided in (b) of this subsection, the maximum rate of tax any city may impose under this section is:

(i) 0.1 percent for each annexed area in which the population is greater than ten thousand and less than twenty thousand. The ten thousand population threshold in this subsection (3)(a)(i) is four thousand for a city with a population between one hundred fifteen thousand and one hundred forty thousand and located within a county with a population over one million five hundred thousand; and

(ii) 0.2 percent for an annexed area in which the population is greater than twenty thousand.

(b) Beginning July 1, 2011, the maximum rate of tax imposed under this section is 0.85 percent for an annexed area in which the population is greater than ~~((eighteen))~~ sixteen thousand if the annexed area was, prior to November 1, 2008, officially designated as a potential annexation area by more than one city, one of which has a population greater than four hundred thousand.

(4)(a) Except as provided in (b) of this subsection, the maximum cumulative rate of tax a city may impose under subsection (3)(a) of this section is 0.2 percent for the total number of annexed areas the city may annex.

(b) The maximum cumulative rate of tax a city may impose under subsection (3)(a) of this section is 0.3 percent, beginning July 1, 2011, if the city commenced annexation of an area, prior to

ONE HUNDRED THIRD DAY, APRIL 22, 2011

2011 REGULAR SESSION

January 1, 2010, that would have otherwise allowed the city to increase the rate of tax imposed under this section absent the rate limit imposed in (a) of this subsection.

(c) The maximum cumulative rate of tax a city may impose under subsection (3)(b) of this section is 0.85 percent for the single annexed area the city may annex and the amount of tax distributed to a city under subsection (3)(b) of this section ~~((shall))~~ may not exceed five million dollars per fiscal year.

(5) The tax imposed by this section ~~((shall))~~ may only be imposed at the beginning of a fiscal year and ~~((shall))~~ may continue for no more than ten years from the date that each increment of the tax is first imposed. Tax rate increases due to additional annexed areas ~~((shall be))~~ are effective on July 1st of the fiscal year following the fiscal year in which the annexation occurred, provided that notice is given to the department as set forth in subsection (9) of this section.

(6) All revenue collected under this section ~~((shall))~~ may be used solely to provide, maintain, and operate municipal services for the annexation area.

(7) The revenues from the tax authorized in this section may not exceed that which the city deems necessary to generate revenue equal to the difference between the city's cost to provide, maintain, and operate municipal services for the annexation area and the general revenues that the cities would otherwise expect to receive from the annexation during a year. If the revenues from the tax authorized in this section and the revenues from the annexation area exceed the costs to the city to provide, maintain, and operate municipal services for the annexation area during a given year, the city ~~((shall))~~ must notify the department and the tax distributions authorized in this section ~~((shall))~~ must be suspended for the remainder of the year.

(8) No tax may be imposed under this section before July 1, 2007. Before imposing a tax under this section, the legislative authority of a city ~~((shall))~~ must adopt an ordinance that includes the following:

(a) A certification that the amount needed to provide municipal services to the annexed area reflects the city's true and actual costs;

(b) The rate of tax under this section that ~~((shall be))~~ is imposed within the city; and

(c) The threshold amount for the first fiscal year following the annexation and passage of the ordinance.

(9) The tax ~~((shall))~~ must cease to be distributed to the city for the remainder of the fiscal year once the threshold amount has been reached. No later than March 1st of each year, the city ~~((shall))~~ must provide the department with a certification of the city's true and actual costs to provide municipal services to the annexed area, a new threshold amount for the next fiscal year, and notice of any applicable tax rate changes. Distributions of tax under this section ~~((shall))~~ must begin again on July 1st of the next fiscal year and continue until the new threshold amount has been reached or June 30th, whichever is sooner. Any revenue generated by the tax in excess of the threshold amount ~~((shall))~~ belongs to the state of Washington. Any amount resulting from the threshold amount less the total fiscal year distributions, as of June 30th, ~~((shall))~~ may not be carried forward to the next fiscal year.

(10) The tax ~~((shall))~~ must cease to be distributed to a city imposing the tax under subsection (3)(b) of this section for the remainder of the fiscal year, if the total distributions to the city imposing the tax exceed five million dollars for the fiscal year.

(11) The resident population of the annexation area must be determined in accordance with chapter 35.13 or 35A.14 RCW.

(12) The following definitions apply throughout this section unless the context clearly requires otherwise:

(a) "Annexation area" means an area that has been annexed to a city under chapter 35.13 or 35A.14 RCW. "Annexation area" includes all territory described in the city resolution.

(b) "Commenced annexation" means the initiation of annexation proceedings has taken place under the direct petition method or the election method under chapter 35.13 or 35A.14 RCW.

(c) "Department" means the department of revenue.

(d) "Municipal services" means those services customarily provided to the public by city government.

(e) "Fiscal year" means the year beginning July 1st and ending the following June 30th.

(f) "Potential annexation area" means one or more geographic areas that a city has officially designated for potential future annexation, as part of its comprehensive plan adoption process under the state growth management act, chapter 36.70A RCW.

(g) "Threshold amount" means the maximum amount of tax distributions as determined by the city in accordance with subsection (7) of this section that the department ~~((shall))~~ must distribute to the city generated from the tax imposed under this section in a fiscal year.

Sec. 11. RCW 90.46.015 and 2009 c 456 s 2 are each amended to read as follows:

The rules must address all aspects of reclaimed water use, including commercial and industrial uses, land applications, direct groundwater recharge, wetland discharge, surface percolation, constructed wetlands, and streamflow or surface water augmentation. The department of health shall, in coordination with the department of ecology, adopt rules for greywater reuse. The rules must also designate whether the department of ecology or the department of health will be the lead agency responsible for a particular aspect of reclaimed water use. In developing the rules, the departments of health and ecology shall amend or rescind any existing rules on reclaimed water in conflict with the new rules.

(2) All rules required to be adopted pursuant to this section must be completed no later than December 31, 2010, ~~((although the department of ecology is encouraged to adopt the final rules as soon as possible))~~ except that the department of ecology shall adopt rules for reclaimed water use no earlier than June 30, 2013.

(3) The department of ecology must consult with the advisory committee created under RCW 90.46.050 in all aspects of rule development required under this section.

With regard to the national estuary program established by section 320 of that act, the department shall exercise its responsibility jointly with the Puget Sound partnership, created in RCW 90.71.210. The department of ecology may delegate its authority under this chapter, including its national pollutant discharge elimination permit system authority and duties regarding animal feeding operations and concentrated animal feeding operations, to the department of agriculture through a memorandum of understanding. ((+)) (b) The power to establish and administer state programs in a manner which will insure the procurement of moneys, whether in the form of grants, loans, or otherwise; to assist in the construction, operation, and maintenance of various water pollution control facilities and works; and the administering of various state water pollution control management, regulatory, and enforcement programs.

((+)) (c) The power to develop and implement appropriate programs pertaining to continuing planning processes, area-wide waste treatment management plans, and basin planning.

The governor shall have authority to perform those actions required of him or her by the federal clean water act.

(2) By July 31, 2012, the department shall:

(a) Reissue without modification and for a term of one year any national pollutant discharge elimination system municipal storm water general permit first issued on January 17, 2007; and

Sec. 14. RCW 90.58.090 and 2003 c 321 s 3 are each amended to read as follows:

(1) A master program, segment of a master program, or an amendment to a master program shall become effective when

approved by the department. Within the time period provided in RCW 90.58.080, each local government shall have submitted a master program, either totally or by segments, for all shorelines of the state within its jurisdiction to the department for review and approval.

The department shall strive to achieve final action on a submitted master program within one hundred eighty days of receipt and shall post an annual assessment related to this performance benchmark on the agency web site.

(2) Upon receipt of a proposed master program or amendment, the department shall:

(a) Provide notice to and opportunity for written comment by all interested parties of record as a part of the local government review process for the proposal and to all persons, groups, and agencies that have requested in writing notice of proposed master programs or amendments generally or for a specific area, subject matter, or issue. The comment period shall be at least thirty days, unless the department determines that the level of complexity or controversy involved supports a shorter period;

(b) In the department's discretion, conduct a public hearing during the thirty-day comment period in the jurisdiction proposing the master program or amendment;

(c) Within fifteen days after the close of public comment, request the local government to review the issues identified by the public, interested parties, groups, and agencies and provide a written response as to how the proposal addresses the identified issues;

(d) Within thirty days after receipt of the local government response pursuant to (c) of this subsection, make written findings and conclusions regarding the consistency of the proposal with the policy of RCW 90.58.020 and the applicable guidelines, provide a response to the issues identified in (c) of this subsection, and either approve the proposal as submitted, recommend specific changes necessary to make the proposal approvable, or deny approval of the proposal in those instances where no alteration of the proposal appears likely to be consistent with the policy of RCW 90.58.020 and the applicable guidelines. The written findings and conclusions shall be provided to the local government, all interested persons, parties, groups, and agencies of record on the proposal;

(e) If the department recommends changes to the proposed master program or amendment, within thirty days after the department mails the written findings and conclusions to the local government, the local government may:

(i) Agree to the proposed changes. The receipt by the department of the written notice of agreement constitutes final action by the department approving the amendment; or

(ii) Submit an alternative proposal. If, in the opinion of the department, the alternative is consistent with the purpose and intent of the changes originally submitted by the department and with this chapter it shall approve the changes and provide written notice to all recipients of the written findings and conclusions. If the department determines the proposal is not consistent with the purpose and intent of the changes proposed by the department, the department may resubmit the proposal for public and agency review pursuant to this section or reject the proposal.

(3) The department shall approve the segment of a master program relating to shorelines unless it determines that the submitted segments are not consistent with the policy of RCW 90.58.020 and the applicable guidelines.

(4) The department shall approve the segment of a master program relating to critical areas as defined by RCW 36.70A.030(5) provided the master program segment is consistent with RCW 90.58.020 and applicable shoreline guidelines, and if the segment provides a level of protection of critical areas at least equal to that provided by the local government's critical areas ordinances adopted and thereafter amended pursuant to RCW 36.70A.060(2).

ONE HUNDRED THIRD DAY, APRIL 22, 2011

2011 REGULAR SESSION

(5) The department shall approve those segments of the master program relating to shorelines of statewide significance only after determining the program provides the optimum implementation of the policy of this chapter to satisfy the statewide interest. If the department does not approve a segment of a local government master program relating to a shoreline of statewide significance, the department may develop and by rule adopt an alternative to the local government's proposal.

(6) In the event a local government has not complied with the requirements of RCW 90.58.070 it may thereafter upon written notice to the department elect to adopt a master program for the shorelines within its jurisdiction, in which event it shall comply with the provisions established by this chapter for the adoption of a master program for such shorelines.

Upon approval of such master program by the department it shall supersede such master program as may have been adopted by the department for such shorelines.

(7) A master program or amendment to a master program takes effect when and in such form as approved or adopted by the department. Shoreline master programs that were adopted by the department prior to July 22, 1995, in accordance with the provisions of this section then in effect, shall be deemed approved by the department in accordance with the provisions of this section that became effective on that date. The department shall maintain a record of each master program, the action taken on any proposal for adoption or amendment of the master program, and any appeal of the department's action. The department's approved document of record constitutes the official master program."

On page 1, line 3 of the title, after "requirements;" strike the remainder of the title and insert "amending RCW 36.70A.215, 43.19.648, 43.325.080, 43.185C.210, 46.68.113, 82.02.070, 82.02.080, 82.14.415, 90.46.015, 90.48.260, 90.58.080, and 90.58.090; reenacting and amending RCW 36.70A.130; and creating a new section."

PERSONAL PRIVILEGE

Senator Kastama: "I'd like to make this a point of personal privilege because I believe that there are things being said on the Senate floor that affect me personally and I'd like to explain to members here about that last speech so that there is absolutely no confusion as to my involvement in state accountability. I asked to be the Chair of the Senate Government Operations, Tribal Relations and Elections Committee. During that time there was a piece of legislation that passed that all state agencies apply for something called the 'Washington State Quality Award.' I went ahead and passed that bill. I didn't know exactly what it was about but frankly I went on from there and I took the classes necessary to become an examiner for the Washington State Quality Awards at my cost and I volunteer for this organization. There are three sources of audits in the State of Washington: the State Auditor, but that's very infrequent and it's very subjective; there's JLARC, which we direct but it's very expensive; and the third thing is the Washington State Quality Awards, which is a state agency that gets no money from the state. It gets it from its private contributors and it relies on volunteers like myself to take the classes, pay for them and then go out and do examinations of state agencies and companies. That is my involvement with the Washington State Quality Awards so I know it very well. It is a performance audit. It is not just something that you capriciously do. It is where, you have a team of examiners come into your organization. They examine it. The most comprehensive performance audit of any of those other entities that I have mentioned. So, I really, frankly, Mr. President bring this up because I'm offended when people think that there is some personal gain out of that. I volunteer my time. I know it probably better than most people here because I have gone through the classes and training. And yet that Malcolm Baldrige National Quality Award criteria-this from the Federal Government-that Washington State Quality Awards use is constantly disparaged in this institution. I challenge anyone here to find better criteria in the world than that. It is by our Commerce Department in Washington D. C. that makes it. It is used by Boeing. It is used by Proctor and Gamble. It is used by my local hospital, Good Samaritan Hospital Multi care. So, this is excellent stuff and I'm tired of it being disparaged in both the House and the Senate. And I'm tired of it being disparaged by cities and counties who do not take the time to learn it. People are fed up with the way government operates., We say it just needs more money. Frankly it needs better performance. It needs better performance measures and this is a good system if not the best way to do it. And frankly Mr. President, that's why I'm bringing it up because I am tired of these disparaging remarks and I challenge anyone to come forward and refute what I've said. Thank you Mr. President."

MOTION

2011 REGULAR SESSION

On motion of Senator Ericksen, Senator Carrell was excused.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.61.165 and 1999 c 206 s 1 are each amended to read as follows:

(1) The state department of transportation and the local authorities are authorized to reserve all or any portion of any highway under their respective jurisdictions, including any designated lane or ramp, for the exclusive or preferential use of one or more of the following: (a) Public transportation vehicles ~~((or));~~ (b) private motor vehicles carrying no fewer than a specified number of passengers; or (c) the following private transportation provider vehicles if the vehicle has the capacity to carry eight or more passengers, regardless of the number of passengers in the vehicle, and if such use does not interfere with the efficiency, reliability, and safety of public transportation operations: (i) Auto transportation company vehicles regulated under chapter 81.68 RCW; (ii) passenger charter carrier vehicles regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; (iii) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (iv) private employer transportation service vehicles, when such limitation will increase the efficient utilization of the highway or will aid in the conservation of energy resources.

(2) Any transit-only lanes that allow other vehicles to access abutting businesses that are authorized pursuant to subsection (1) of this section may not be authorized for the use of private transportation provider vehicles as described under subsection (1) of this section.

(3) The state department of transportation and the local authorities authorized to reserve all or any portion of any highway under their respective jurisdictions, for exclusive or preferential use, may prohibit the use of a high occupancy vehicle lane by the following private transportation provider vehicles: (a) Auto transportation company vehicles regulated under chapter 81.68 RCW; (b) passenger charter carrier vehicles regulated under chapter 81.70 RCW, and marked or unmarked limousines and stretch sport utility vehicles as defined under department of licensing rules; (c) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (d) private employer transportation service vehicles, when the average transit speed in the high occupancy

vehicle lane fails to meet department of transportation standards and falls below forty-five miles per hour at least ninety percent of the time during the peak hours, as determined by the department of transportation or the local authority, whichever operates the facility.

(4) Regulations authorizing such exclusive or preferential use of a highway facility may be declared to be effective at all times or at specified times of day or on specified days. Violation of a restriction of highway usage prescribed by the appropriate authority under this section is a traffic infraction.

(5) Local authorities are encouraged to establish a process for private transportation providers, as described under subsections (1) and (3) of this section, to apply for the use of public transportation facilities reserved for the exclusive or preferential use of public transportation vehicles. The application and review processes should be uniform and should provide for an expeditious response by the local authority. Whenever practicable, local authorities should enter into agreements with such private transportation providers to allow for the reasonable use of these facilities.

(6) For the purposes of this section, "private employer transportation service" means regularly scheduled, fixed-route transportation service that is similarly marked or identified to display the business name or logo on the driver and passenger sides of the vehicle, meets the annual certification requirements of the department of transportation, and is offered by an employer for the benefit of its employees.

Sec. 2. RCW 47.04.290 and 2008 c 257 s 1 are each amended to read as follows:

(1) Any local transit agency that has received state funding for a park and ride lot shall make reasonable accommodation for use of that lot by: ~~Auto~~ transportation companies regulated under chapter 81.68 RCW ~~((and));~~ passenger charter carriers regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; private, nonprofit transportation providers regulated under chapter 81.66 RCW ~~((, that intend to provide or already provide regularly scheduled service at that lot));~~ and private employer transportation service vehicles, provided that such use does not interfere with the efficiency, reliability, and safety of public transportation operations. The accommodation must be in the form of an agreement between the applicable local transit agency and the private ~~((transit))~~ transportation provider ~~((regulated under chapter 81.68 or 81.66 RCW)).~~ The transit agency may require that the agreement include provisions to recover actual costs and fair market value for the use of the lot and its related facilities and to provide adequate insurance and indemnification of the transit agency, and other reasonable provisions to ensure that the private ~~((transit))~~ transportation provider's use does not unduly burden the transit agency. The transit agency may consider benefits to its public transportation system when establishing an amount to charge for the use of the park and ride lot and its related facilities. If the agreement includes provisions to recover actual costs, the private transportation provider is responsible to remit the full actual costs of park and ride lot use to the appropriate transit agency. No accommodation is required, and any agreement may be terminated, if the park and ride lot is at or exceeds ninety percent capacity between the hours of 6:00 a.m. and 4:00 p.m., Monday through Friday for two consecutive months. Additionally, any agreement may be terminated if the private transportation provider violates any policies guiding the terms of use of the park and ride lot. The transit agency may reserve the authority to designate which pick-up and drop-off zones of the park and ride lot may be used by the private transportation provider.

(2) A local transit agency described under subsection (1) of this section may enter into a cooperative agreement with a taxicab company regulated under chapter 81.72 RCW in order to

accommodate the taxicab company at the agency's park and ride lot, provided the taxicab company must agree to provide service with reasonable availability, subject to schedule coordination provisions as agreed to by the parties.

(3) For the purposes of this section, "private employer transportation service" means regularly scheduled, fixed-route transportation service that is similarly marked or identified to display the business name or logo on the driver and passenger sides of the vehicle, meets the annual certification requirements of the department, and is offered by an employer for the benefit of its employees.

(4) For the purposes of this section, "private transportation provider" means:

(a) A company regulated under chapter 81.68 RCW; chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; and chapter 81.66 RCW; and

(b) An entity providing private employer transportation service.

(5)(a) Local authorities are encouraged to establish a process for private transportation providers, described under subsections (1) and (4) of this section, to apply for the use of park and ride facilities.

(b) The process must provide a list of facilities that the local authority determines to be unavailable for use by the private transportation provider and must provide the criteria used to reach that determination.

(c) The application and review processes must be uniform and should provide for an expeditious response by the authority.

(6) The department must convene a stakeholder process that includes interested public and private transportation providers, which must develop standard permit forms, clear explanations of permit rate calculations, and standard indemnification provisions that may be used by all local authorities.

Sec. 3. RCW 47.52.025 and 1974 ex.s. c 133 s 1 are each amended to read as follows:

(1) Highway authorities of the state, counties, and incorporated cities and towns, in addition to the specific powers granted in this chapter, shall also have, and may exercise, relative to limited access facilities, any and all additional authority, now or hereafter vested in them relative to highways or streets within their respective jurisdictions, and may regulate, restrict, or prohibit the use of such limited access facilities by various classes of vehicles or traffic. Such highway authorities may reserve any limited access facility or portions thereof, including designated lanes or ramps for the exclusive or preferential use of (a) public transportation vehicles, (b) privately owned buses, ((c)) (c) private motor vehicles carrying not less than a specified number of passengers, or (d) the following private transportation provider vehicles if the vehicle has the capacity to carry eight or more passengers, regardless of the number of passengers in the vehicle, and if such use does not interfere with the efficiency, reliability, and safety of public transportation operations: (i) Auto transportation company vehicles regulated under chapter 81.68 RCW; (ii) passenger charter carrier vehicles regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; (iii) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (iv) private employer transportation service vehicles, when such limitation will increase the efficient utilization of the highway facility or will aid in the conservation of energy resources. Regulations authorizing such exclusive or preferential use of a highway facility may be declared to be effective at all time or at specified times of day or on specified days.

(2) Any transit-only lanes that allow other vehicles to access abutting businesses that are reserved pursuant to subsection (1) of this section may not be authorized for the use of private transportation provider vehicles as described under subsection (1) of

this section.

(3) Highway authorities of the state, counties, or incorporated cities and towns may prohibit the use of limited access facilities by the following private transportation provider vehicles: (a) Auto transportation company vehicles regulated under chapter 81.68 RCW; (b) passenger charter carrier vehicles regulated under chapter 81.70 RCW, and marked or unmarked limousines and stretch sport utility vehicles as defined under department of licensing rules; (c) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (d) private employer transportation service vehicles, when the average transit speed in the high occupancy vehicle travel lane fails to meet department standards and falls below forty-five miles per hour at least ninety percent of the time during the peak hours for two consecutive months.

(4)(a) Local authorities are encouraged to establish a process for private transportation providers, described under subsections (1) and (3) of this section, to apply for the use of limited access facilities that are reserved for the exclusive or preferential use of public transportation vehicles.

(b) The process must provide a list of facilities that the local authority determines to be unavailable for use by the private transportation provider and must provide the criteria used to reach that determination.

(c) The application and review processes must be uniform and should provide for an expeditious response by the authority.

(5) For the purposes of this section, "private employer transportation service" means regularly scheduled, fixed-route transportation service that is similarly marked or identified to display the business name or logo on the driver and passenger sides of the vehicle, meets the annual certification requirements of the department, and is offered by an employer for the benefit of its employees.

NEW SECTION. Sec. 4. A new section is added to chapter 47.04 RCW to read as follows:

When designing portions of a highway that are intended to be used as portions reserved for the exclusive or preferential use of public transportation vehicles, state and local jurisdictions shall consider whether the design will safely accommodate private transportation provider vehicles that may be authorized to use the reserved portions under RCW 46.61.165 and 47.52.025 without interfering with the efficiency, reliability, and safety of public transportation operations.

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with mitigation requirements under the state environmental policy act (chapter 43.21C RCW) or the national environmental policy act (42 U.S.C. Secs. 4321 through 4347) or in any other way conflicts with federal requirements that are a condition or part of the allocation of federal funds to the state or local facilities, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or local authorities."

MOTION

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 47.64.120 and 2010 c 283 s 10 are each amended to read as follows:

(1) Except as otherwise provided in this chapter, the employer and ferry system employee organizations, through their collective bargaining representatives, shall meet at reasonable times to negotiate in good faith with respect to wages, hours, working conditions, and insurance, and other matters mutually agreed upon. Employer funded retirement benefits shall be provided under the public employees retirement system under chapter 41.40 RCW and shall not be included in the scope of collective bargaining. Except as provided under RCW 47.64.270, the employer is not required to bargain over health care benefits. Any retirement system or retirement benefits shall not be subject to collective bargaining.

(2) Upon ratification of bargaining agreements, ferry employees are entitled to an amount equivalent to the interest earned on retroactive compensation increases. For purposes of this section, the interest earned on retroactive compensation increases is the same monthly rate of interest that was earned on the amount of the compensation increases while held in the state treasury. The interest will be computed for each employee until the date the retroactive compensation is paid, and must be allocated in accordance with appropriation authority. The interest earned on retroactive compensation is not considered part of the ongoing compensation obligation of the state and is not compensation earnable for the purposes of chapter 41.40 RCW. Negotiations shall also include grievance procedures for resolving any questions arising under the agreement, which shall be embodied in a written agreement and signed by the parties.

(3) The employer shall not bargain over rights of management which, in addition to all powers, duties, and rights established by

constitutional provision or statute, must include, but not be limited to, the following:

- (a) Directing promotions;
- (b) Directing staffing levels; and
- (c) Directing the use of part-time shifts.

(4) A collective bargaining agreement may not contain any provision that extends the term of an existing collective bargaining agreement or applicability of items incompatible with this section in an existing collective bargaining agreement.

(5) Except as otherwise provided in this chapter, if a conflict exists between an executive order, administrative rule, or agency policy relating to wages, hours, and terms and conditions of employment and a collective bargaining agreement negotiated under this chapter, the collective bargaining agreement shall prevail. A provision of a collective bargaining agreement that conflicts with the terms of a statute is invalid and unenforceable.

(3) Effective July 1, 2013, the public employment relations commission shall sever from the masters, mates, and pilots bargaining unit all captains. In anticipation of the captains' severance from the masters, mates, and pilots bargaining unit, the public employment relations commission shall conduct an election by August 31, 2011, to determine representation of the captains. If a majority of the captains in the masters, mates, and pilots bargaining unit indicate by vote that they desire to be included in a newly formed captains-only bargaining unit, the public employment relations commission shall certify a captains-only bargaining unit, to be effective July 1, 2013. Notwithstanding the results of the election, captains shall remain a part of the masters, mates, and pilots bargaining unit through June 30, 2013.

(4) If a new captains-only bargaining unit is created, the employer and the exclusive bargaining representative for the captains-only bargaining unit must negotiate a collective bargaining agreement exclusive to the captains-only bargaining unit.

(5) For negotiations covering the 2013-2015 biennium, the employer and the exclusive bargaining representative of the captains-only bargaining unit must negotiate agreements that are consistent with this section.

members of the senate and the members listening and friends of
the senate I would like to thank all of you for your cards and
words of condolences for my father. I have to tell you, I feel so
good because, although we are going into special session, it
allowed me by having the weekend off last weekend to spend that
time with my parents and my sister in Chelan and I was here
briefly Monday morning and then I left immediately and my
father passed away on Tuesday evening and I was there the whole
time. I really appreciated it. Now my dad was a World War Two
Marine and, right up to the very end, had projects that he wanted
done before he passed on. One of them was fixing a skylight in a
little apartment close to their house. Another was fixing the
sliders in the door in the living room and the last one was
surfacing the driveway and that happened on Monday. The last
thing I told my dad at 7:00 on Tuesday April 19 was that, 'Dad,
the driveway looks absolutely wonderful.' He passed away about
fifteen minutes later as my mom and sister and I were having
dinner. My dad had the same type of brain tumor that Ed Kennedy
died of, multiforma glioblastoma. And we found out last year in
February. The only reason my mother knew something was
wrong is that he got his words a little mixed up at breakfast. Well,
don't we all do that once in a while? So naturally she thought it
was a stroke but it turned on that it was a brain tumor. So, we did
a lot of fun things over the last year but that's sort of the way
we've always done it. The service will be on Saturday. This
coming Saturday, which will also be the birthday of my little
granddaughter. She will be two and the reason we've waited a
week is because the funeral directors in Chelan are on vacation
and my best friend from college said, 'Are you kidding? You only
have one?' I said, 'Well, it's a father and son and they are both in

2011 1ST SPECIAL SESSION

Mexico.' So, I have been working on writing the obituary, getting
the program, Mr. President, may I share this photo?"

REPLY BY THE PRESIDENT

President Owen: "Of course."

Senator Parlette: "I have to show you, the front of the
program is going to be this wonderful picture of my father fly
fishing which I happen to take in Stehekin a couple years ago.
Well, it's probably not as professional as those photographers
around here but it is sort of special and low and behold, we didn't
know it, it is the first day of fishing season. So I think it's very
appropriate and again thank you to all of you for your cards and I
really appreciate it. This truly is a senate family. You are
appreciated. Thank you."

"NEW SECTION. Sec. 1. The legislature finds that stable and sustainable employment is the key goal of the WorkFirst and temporary assistance for needy families programs. Achieving stable and sustainable employment is a developmental process that takes time, effort, and engagement. In times of fiscal challenge, temporary assistance for needy families and WorkFirst resources must be invested in program elements that produce the best results for low-income families and the state of Washington.

The legislature further finds that the core tenets that are the foundation of Washington state's WorkFirst program are: (1) Achieving stable and successful employment; (2) recognizing the critical role that participants play in their children's development, healthy growth, and promotion of family stability; (3) developing strategies founded on the principle that WorkFirst is a transitional, not long-term, program to assist families on the pathway to self-sufficiency while holding them accountable; and (4) leveraging resources outside the funding for temporary assistance for needy families is crucial to achieving WorkFirst goals. It is the intent of the legislature, using evidence-based and research-based practices, to develop a road map to self-sufficiency for WorkFirst participants and temporary assistance for needy families recipients.

Sec. 2. RCW 74.08A.260 and 2009 c 85 s 2 are each amended to read as follows:

(1) Each recipient shall be assessed after determination of program eligibility and before referral to job search. Assessments shall be based upon factors that are critical to obtaining employment, including but not limited to education, availability of child care, history of family violence, history of substance abuse, and other factors that affect the ability to obtain employment. Assessments may be performed by the department or by a contracted entity. The assessment shall be based on a uniform, consistent, transferable format that will be accepted by all agencies and organizations serving the recipient.

(2) Based on the assessment, an individual responsibility plan shall be prepared that: (a) Sets forth an employment goal and a plan for maximizing the recipient's success at meeting the employment goal; (b) considers WorkFirst educational and training programs from which the recipient could benefit; (c) contains the obligation of the recipient to participate in the program by complying with the plan; (d) moves the recipient into full-time WorkFirst activities as quickly as possible; and (e) describes the services available to the recipient either during or after WorkFirst to enable the recipient to obtain and

keep employment and to advance in the workplace and increase the recipient's wage earning potential over time.

~~((2))~~ (3) Recipients who are not engaged in work and work activities, and do not qualify for a good cause exemption under RCW 74.08A.270, shall engage in self-directed service as provided in RCW 74.08A.330.

~~((3))~~ (4) If a recipient refuses to engage in work and work activities required by the department, the family's grant shall be reduced by the recipient's share, and may, if the department determines it appropriate, be terminated.

~~((4))~~ (5) The department may waive the penalties required under subsection ~~((3))~~ (4) of this section, subject to a finding that the recipient refused to engage in work for good cause provided in RCW 74.08A.270.

~~((5) In implementing this section, the department shall assign the highest priority to the most employable clients, including adults in two-parent families and parents in single-parent families that include older preschool or school-age children to be engaged in work activities.)~~

(6) In consultation with the recipient, the department or contractor shall place the recipient into a work activity that is available in the local area where the recipient resides.

(7) Assessments conducted under this section shall include a consideration of the potential benefit to the recipient of engaging in financial literacy activities. The department shall consider the options for financial literacy activities available in the community, including information and resources available through the financial ~~(literacy)~~ education public-private partnership created under RCW 28A.300.450. The department may authorize up to ten hours of financial literacy activities as a core activity or an optional activity under WorkFirst.

(8) From July 1, 2011, through June 30, 2012, subsections (2) through (6) of this section are suspended for a recipient who is a parent or other relative personally providing care for a child under the age of six years. This suspension applies to both one and two parent families. Beginning July 1, 2012, the department shall phase in the work activity requirements that were suspended, beginning with those recipients closest to reaching the sixty-month limit of receiving temporary assistance for needy families under RCW 74.08A.010(1). The phase in shall be accomplished so that a fairly equal number of recipients required to participate in work activities are returned to those activities each month until the total number required to participate is participating by June 30, 2013. Nothing in this subsection shall prevent a recipient from participating in the WorkFirst program on a voluntary basis.

(9)(a) A legislative task force overseeing the WorkFirst program is established, with members as provided in this subsection.

(i) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.

(v) Develop and oversee, as part of the WorkFirst redesign, the implementation of a comprehensive family assessment to be used at program entry; the use of an evaluation after completion of the family assessment which is designed to identify the appropriate work preparation activities and service levels for the recipient; and the use of a predictive modeling tool to be used to identify risk factors relating to a recipient's participation in the temporary assistance for needy families program and his or her employability, and especially identifying those recipients most likely to experience long stays on the program as well as those recipients likely to experience short stays on the program;

(vi) Improve the responsiveness of the WorkFirst program in meeting the employment needs of Washington businesses;

(vii) Improve individual level outcomes; and

(viii) Support families in developing skills that lead to a stable family environment and reduce intergenerational poverty.

(c) Staff support for the task force must be provided by senate committee services and the house of representatives office of program research.

PERSONAL PRIVILEGE

Senator Eide: "Well, I too would like to thank each and every one of you here on the floor today for being involved in our government, youth and government. I have to tell you, this is my thirteenth year in the Senate, this is my fifth year serving as the Majority Floor Leader. I served two years prior to that in the House of Representatives but the one person that made a difference in my life and got me involved in civics was my high school teacher, my senior high school teacher, Mr. Cosgrove and to this day I thank him for that because he made me realize how important it was to be involved in your government and in your communities because truly you are the ones that are going to make a difference. Now we're in very tough, trying times right now in the state legislature and in the State of Washington with our budget. I'm sure you're quite aware of that but at these tough times it takes individuals like Senator Carrell, myself and Senator Fraser and all the rest of us on this floor to make some pretty tough decisions but we are here because we believe in the process and we believe in civics and that we can make a difference. So, hopefully one of these years, I'm going to see you down here, maybe perhaps sitting in my seat, sitting in Senator Carrell's seat because you are the ones, you are the ones of the future, you are the ones that are going to make a difference. So, thank you for participating in this great program. It's a pleasure to see all of you here today and have some fun along the way. I'd love to hear what bills you're working on quite frankly. I'm the one that brought up the cell phone bill that took me ten years to pass and text messaging. Do not text while you're driving. Whenever I can possibly say I do, no texting and no using your cell phone while driving, it's very dangerous. Ok, thank you Madam President for this indulgence."

PERSONAL PRIVILEGE

Senator Fraser: "To note that also I first became interested in public affairs through a high school class, civics class, my teacher was Mr. Prebezac in Seattle and you have a wonderful opportunity here. This is an important time in your life and you are the future of our democracy and I'd also like to thank the many adult sponsors and volunteers who are help making your participation here possible. And again, we in the Senate are very proud of you. We welcome you."

Changing the designation of the medicaid single state agency.

The measure was read the second time.

MOTION

Senator Keiser moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

(1) Washington state government must be organized to be efficient, cost-effective, and responsive to its residents;

(2) The cost of state-purchased health care continues to grow at an unsustainable rate, now representing nearly one-third of the state's budget and hindering our ability to invest in other essential services such as education and public safety;

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

(3) Responsibility for state health care purchasing is currently spread over multiple agencies, but successful interagency collaboration on quality and cost initiatives has helped demonstrate the benefits to the state of centralized health care purchasing;

(4) Consolidating the majority of state health care purchasing into a single state agency will best position the state to work with others, including private sector purchasers, health insurance carriers, health care providers, and consumers to increase the quality and affordability of health care for all state residents;

(5) The development and implementation of uniform state policies for all state-purchased health care is among the purposes for which the health care authority was originally created; and

(6) The state will be best able to take advantage of the opportunities and meet its obligations under the federal affordable care act, including establishment of a health benefit exchange and medicaid expansion, if primary responsibility for doing so rests with a single state agency.

The legislature therefore intends, where appropriate, to consolidate state health care purchasing within the health care authority, positioning the state to use its full purchasing power to get the greatest value for its money, and allowing other agencies to focus even more intently on their core missions.

In order to verify costs incurred by the department or authority for treatment of public assistance applicants or recipients, the secretary or director may examine patient records or portions thereof in connection with services to such applicants or recipients rendered by a health care provider, notwithstanding the provisions of RCW 5.60.060, 18.53.200, 18.83.110, or any other statute which may make or purport to make such records privileged or confidential: PROVIDED, That no original patient records shall be removed from the premises of the health care provider, and that the disclosure of any records or information by the department (~~(of social and health services)~~) or the authority is prohibited and shall be punishable as a class C felony according to chapter 9A.20 RCW, unless such disclosure is directly connected to the official purpose for which the records or information were obtained: PROVIDED FURTHER, That the disclosure of patient information as required under this section shall not subject any physician or other health services provider to any liability for breach of any confidential relationship between the provider and the patient, but no evidence resulting from such disclosure may be used in any civil, administrative, or criminal proceeding against the patient unless a waiver of the applicable evidentiary privilege is obtained: PROVIDED FURTHER, That the secretary or director shall destroy all copies of patient medical records in their possession upon completion of the audit, investigation or proceedings;

(2) Approve or deny applications to participate as a provider of services furnished pursuant to this chapter;

Sec. 20. RCW 74.09.300 and 1979 ex.s. c 152 s 11 are each amended to read as follows:

Whenever the secretary (~~(of the department of social and health services)~~) or director imposes a civil penalty under RCW 74.09.210, or terminates or suspends a provider's eligibility under RCW 74.09.290, he or she shall, if the provider is licensed pursuant to Titles 18, 70, or 71 RCW, give written notice of such imposition, termination, or suspension to the appropriate licensing agency or disciplinary board.

Sec. 21. RCW 74.09.470 and 2009 c 463 s 2 are each amended to read as follows:

(1) Consistent with the goals established in RCW 74.09.402, through the apple health for kids program authorized in this section, the (~~(department)~~) authority shall provide affordable health care coverage to children under the age of nineteen who reside in Washington state and whose family income at the time of enrollment is not greater than two hundred fifty percent of the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services, and effective January 1, 2009, and only to the extent that funds are specifically appropriated therefor, to children whose family income is not greater than three hundred percent of the federal poverty level. In administering the program, the (~~(department)~~) authority shall take such actions as may be necessary to ensure the receipt of federal financial participation under the medical assistance program, as

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

codified at Title XIX of the federal social security act, the state children's health insurance program, as codified at Title XXI of the federal social security act, and any other federal funding sources that are now available or may become available in the future. The ((department)) authority and the caseload forecast council shall estimate the anticipated caseload and costs of the program established in this section.

(2) The ((department)) authority shall accept applications for enrollment for children's health care coverage; establish appropriate minimum-enrollment periods, as may be necessary; and determine eligibility based on current family income. The ((department)) authority shall make eligibility determinations within the time frames for establishing eligibility for children on medical assistance, as defined by RCW 74.09.510. The application and annual renewal processes shall be designed to minimize administrative barriers for applicants and enrolled clients, and to minimize gaps in eligibility for families who are eligible for coverage. If a change in family income results in a change in the source of funding for coverage, the ((department)) authority shall transfer the family members to the appropriate source of funding and notify the family with respect to any change in premium obligation, without a break in eligibility. The ((department)) authority shall use the same eligibility redetermination and appeals procedures as those provided for children on medical assistance programs. The ((department)) authority shall modify its eligibility renewal procedures to lower the percentage of children failing to annually renew. The ((department)) authority shall manage its outreach, application, and renewal procedures with the goals of: (a) Achieving year by year improvements in enrollment, enrollment rates, renewals, and renewal rates; (b) maximizing the use of existing program databases to obtain information related to earned and unearned income for purposes of eligibility determination and renewals, including, but not limited to, the basic food program, the child care subsidy program, federal social security administration programs, and the employment security department wage database; (c) streamlining renewal processes to rely primarily upon data matches, online submissions, and telephone interviews; and (d) implementing any other eligibility determination and renewal processes to allow the state to receive an enhanced federal matching rate and additional federal outreach funding available through the federal children's health insurance program reauthorization act of 2009 by January 2010. The department shall advise the governor and the legislature regarding the status of these efforts by September 30, 2009. The information provided should include the status of the department's efforts, the anticipated impact of those efforts on enrollment, and the costs associated with that enrollment.

(3) To ensure continuity of care and ease of understanding for families and health care providers, and to maximize the efficiency of the program, the amount, scope, and duration of health care services provided to children under this section shall be the same as that provided to children under medical assistance, as defined in RCW 74.09.520.

(4) The primary mechanism for purchasing health care coverage under this section shall be through contracts with managed health care systems as defined in RCW 74.09.522, subject to conditions, limitations, and appropriations provided in the biennial appropriations act. However, the ((department)) authority shall make every effort within available resources to purchase health care coverage for uninsured children whose families have access to dependent coverage through an employer-sponsored health plan or another source when it is cost-effective for the state to do so, and the purchase is consistent with requirements of Title XIX and Title XXI of the federal social security act. To the extent allowable under federal law, the ((department)) authority shall require families to enroll in available employer-sponsored coverage, as a condition of

participating in the program established under this section, when it is cost-effective for the state to do so. Families who enroll in available employer-sponsored coverage under this section shall be accounted for separately in the annual report required by RCW 74.09.053.

(5)(a) To reflect appropriate parental responsibility, the ((department)) authority shall develop and implement a schedule of premiums for children's health care coverage due to the ((department)) authority from families with income greater than two hundred percent of the federal poverty level. For families with income greater than two hundred fifty percent of the federal poverty level, the premiums shall be established in consultation with the senate majority and minority leaders and the speaker and minority leader of the house of representatives. Premiums shall be set at a reasonable level that does not pose a barrier to enrollment. The amount of the premium shall be based upon family income and shall not exceed the premium limitations in Title XXI of the federal social security act. Premiums shall not be imposed on children in households at or below two hundred percent of the federal poverty level as articulated in RCW 74.09.055.

(b) Beginning no later than January 1, 2010, the ((department)) authority shall offer families whose income is greater than three hundred percent of the federal poverty level the opportunity to purchase health care coverage for their children through the programs administered under this section without an explicit premium subsidy from the state. The design of the health benefit package offered to these children should provide a benefit package substantially similar to that offered in the apple health for kids program, and may differ with respect to cost-sharing, and other appropriate elements from that provided to children under subsection (3) of this section including, but not limited to, application of preexisting conditions, waiting periods, and other design changes needed to offer affordable coverage. The amount paid by the family shall be in an amount equal to the rate paid by the state to the managed health care system for coverage of the child, including any associated and administrative costs to the state of providing coverage for the child. Any pooling of the program enrollees that results in state fiscal impact must be identified and brought to the legislature for consideration.

(6) The ((department)) authority shall undertake and continue a proactive, targeted outreach and education effort with the goal of enrolling children in health coverage and improving the health literacy of youth and parents. The ((department)) authority shall collaborate with the department of social and health services, department of health, local public health jurisdictions, the office of the superintendent of public instruction, the department of early learning, health educators, health care providers, health carriers, community-based organizations, and parents in the design and development of this effort. The outreach and education effort shall include the following components:

(a) Broad dissemination of information about the availability of coverage, including media campaigns;

(b) Assistance with completing applications, and community-based outreach efforts to help people apply for coverage. Community-based outreach efforts should be targeted to the populations least likely to be covered;

(c) Use of existing systems, such as enrollment information from the free and reduced-price lunch program, the department of early learning child care subsidy program, the department of health's women, infants, and children program, and the early childhood education and assistance program, to identify children who may be eligible but not enrolled in coverage;

(d) Contracting with community-based organizations and government entities to support community-based outreach efforts to help families apply for coverage. These efforts should be targeted

FOURTEENTH DAY, MAY 9, 2011

to the populations least likely to be covered. The ~~((department))~~ authority shall provide informational materials for use by government entities and community-based organizations in their outreach activities, and should identify any available federal matching funds to support these efforts;

(e) Development and dissemination of materials to engage and inform parents and families statewide on issues such as: The benefits of health insurance coverage; the appropriate use of health services, including primary care provided by health care practitioners licensed under chapters 18.71, 18.57, 18.36A, and 18.79 RCW, and emergency services; the value of a medical home, well-child services and immunization, and other preventive health services with linkages to department of health child profile efforts; identifying and managing chronic conditions such as asthma and diabetes; and the value of good nutrition and physical activity;

(f) An evaluation of the outreach and education efforts, based upon clear, cost-effective outcome measures that are included in contracts with entities that undertake components of the outreach and education effort;

(g) An implementation plan to develop online application capability that is integrated with the ~~((department's))~~ automated client eligibility system, and to develop data linkages with the office of the superintendent of public instruction for free and reduced-price lunch enrollment information and the department of early learning for child care subsidy program enrollment information.

(7) The ~~((department))~~ authority shall take action to increase the number of primary care physicians providing dental disease preventive services including oral health screenings, risk assessment, family education, the application of fluoride varnish, and referral to a dentist as needed.

(8) The department shall monitor the rates of substitution between private-sector health care coverage and the coverage provided under this section ~~((and shall report to appropriate committees of the legislature by December 2010))~~.

Sec. 22. RCW 74.09.480 and 2009 c 463 s 4 are each amended to read as follows:

(1) The ~~((department))~~ authority, in collaboration with the department of health, department of social and health services, health carriers, local public health jurisdictions, children's health care providers including pediatricians, family practitioners, and pediatric subspecialists, community and migrant health centers, parents, and other purchasers, shall establish a concise set of explicit performance measures that can indicate whether children enrolled in the program are receiving health care through an established and effective medical home, and whether the overall health of enrolled children is improving. Such indicators may include, but are not limited to:

(a) Childhood immunization rates;

(b) Well child care utilization rates, including the use of behavioral and oral health screening, and validated, structured developmental screens using tools, that are consistent with nationally accepted pediatric guidelines and recommended administration schedule, once funding is specifically appropriated for this purpose;

(c) Care management for children with chronic illnesses;

(d) Emergency room utilization;

(e) Visual acuity and eye health;

(f) Preventive oral health service utilization; and

(g) Children's mental health status. In defining these measures the ~~((department))~~ authority shall be guided by the measures provided in RCW 71.36.025.

Performance measures and targets for each performance measure must be established and monitored each biennium, with a goal of achieving measurable, improved health outcomes for the children of Washington state each biennium.

(2) Beginning in calendar year 2009, targeted provider rate increases shall be linked to quality improvement measures established under this section. The ~~((department))~~ authority, in conjunction with those groups identified in subsection (1) of this section, shall develop parameters for determining criteria for increased payment, alternative payment methodologies, or other incentives for those practices and health plans that incorporate evidence-based practice and improve and achieve sustained improvement with respect to the measures.

(3) The department shall provide a report to the governor and the legislature related to provider performance on these measures, beginning in September 2010 for 2007 through 2009 and the authority shall provide the report biennially thereafter. ~~((The department shall advise the legislature as to its progress towards developing this biennial reporting system by September 30, 2009.))~~

Sec. 23. RCW 74.09.490 and 2007 c 359 s 5 are each amended to read as follows:

(1)~~((a))~~ The ~~((department))~~ authority, in consultation with the evidence-based practice institute established in RCW 71.24.061, shall develop and implement policies to improve prescribing practices for treatment of emotional or behavioral disturbances in children, improve the quality of children's mental health therapy through increased use of evidence-based and research-based practices and reduced variation in practice, improve communication and care coordination between primary care and mental health providers, and prioritize care in the family home or care which integrates the family where out-of-home placement is required.

~~((b))~~ (2) The ~~((department))~~ authority shall identify those children with emotional or behavioral disturbances who may be at high risk due to off-label use of prescription medication, use of multiple medications, high medication dosage, or lack of coordination among multiple prescribing providers, and establish one or more mechanisms to evaluate the appropriateness of the medication these children are using, including but not limited to obtaining second opinions from experts in child psychiatry.

~~((c))~~ (3) The ~~((department))~~ authority shall review the psychotropic medications of all children under five and establish one or more mechanisms to evaluate the appropriateness of the medication these children are using, including but not limited to obtaining second opinions from experts in child psychiatry.

~~((d))~~ (4) The ~~((department))~~ authority shall track prescriptive practices with respect to psychotropic medications with the goal of reducing the use of medication.

~~((e))~~ (5) The ~~((department))~~ authority shall encourage the use of cognitive behavioral therapies and other treatments which are empirically supported or evidence-based, in addition to or in the place of prescription medication where appropriate.

~~((2))~~ The department shall convene a representative group of regional support networks, community mental health centers, and managed health care systems contracting with the department under RCW 74.09.522 to:

— (b) Define managed health care system and regional support network contractual performance standards that track access to and utilization of services; and

— (c) Set standards for reducing the number of children that are prescribed antipsychotic drugs and receive no outpatient mental health services with their medication.

— (3) The department shall submit a report on progress and any findings under this section to the legislature by January 1, 2009.)

This section shall be administered in a manner consistent with federal early and periodic screening, diagnosis, and treatment requirements related to the receipt of medically necessary services when a child's need for such services is identified through developmental screening.

(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the ~~((department))~~ authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the ~~((department))~~ authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the ~~((department))~~ authority by rule;

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the ~~((department))~~ authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

(h) The ~~((department))~~ authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services; and

(i) Nothing in this section prevents the ~~((department))~~ authority from entering into similar agreements for other groups of people eligible to receive services under this chapter.

(3) The ~~((department))~~ authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The ~~((department))~~ authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The ~~((department))~~ authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the ~~((department))~~ authority in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the ~~((department))~~ authority to the extent that minimum contracting requirements defined by the ~~((department))~~ authority are met, at payment rates that enable the ~~((department))~~ authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the ~~((department))~~ authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The ~~((department))~~ authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the ~~((department))~~ Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the ~~((department))~~ authority and contract bidders or the ~~((department))~~

authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document. ~~((In designing such procedures, the department shall give strong consideration to the negotiation and dispute resolution processes used by the Washington state health care authority in its managed health care contracting activities.))~~

(6) The ~~((department))~~ authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

Sec. 30. RCW 74.09.5222 and 2009 c 545 s 4 are each amended to read as follows:

(1) The ~~((department))~~ authority shall submit a section 1115 demonstration waiver request to the federal department of health and human services to expand and revise the medical assistance program as codified in Title XIX of the federal social security act. The waiver request should be designed to ensure the broadest federal financial participation under Title XIX and XXI of the federal social security act. To the extent permitted under federal law, the waiver request should include the following components:

(a) Establishment of a single eligibility standard for low-income persons, including expansion of categorical eligibility to include childless adults. The ~~((department))~~ authority shall request that the single eligibility standard be phased in such that incremental steps are taken to cover additional low-income parents and individuals over time, with the goal of offering coverage to persons with household income at or below two hundred percent of the federal poverty level;

(b) Establishment of a single seamless application and eligibility determination system for all state low-income medical programs included in the waiver. Applications may be electronic and may include an electronic signature for verification and authentication. Eligibility determinations should maximize federal financing where possible;

(c) The delivery of all low-income coverage programs as a single program, with a common core benefit package that may be similar to the basic health benefit package or an alternative benefit package approved by the secretary of the federal department of health and human services, including the option of supplemental coverage for select categorical groups, such as children, and individuals who are aged, blind, and disabled;

(d) A program design to include creative and innovative approaches such as: Coverage for preventive services with incentives to use appropriate preventive care; enhanced medical home reimbursement and bundled payment methodologies; cost-sharing options; use of care management and care coordination programs to improve coordination of medical and behavioral health services; application of an innovative predictive risk model to better target care management services; and mandatory enrollment in managed care, as may be necessary;

(e) The ability to impose enrollment limits or benefit design changes for eligibility groups that were not eligible under the Title XIX state plan in effect on the date of submission of the waiver application;

(f) A premium assistance program whereby employers can participate in coverage options for employees and dependents of employees otherwise eligible under the waiver. The waiver should make every effort to maximize enrollment in employer-sponsored health insurance when it is cost-effective for the state to do so, and the purchase is consistent with the requirements of Titles XIX and XXI of the federal social security act. To the extent allowable under federal law, the ~~((department))~~ authority shall require enrollment in available employer-sponsored coverage as a condition of eligibility for coverage under the waiver; and

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

(g) The ability to share savings that might accrue to the federal medicare program, Title XVIII of the federal social security act, from improved care management for persons who are eligible for both medicare and medicaid. Through the waiver application process, the ~~((department))~~ authority shall determine whether the state could serve, directly or by contract, as a medicare special needs plan for persons eligible for both medicare and medicaid.

(2) The ~~((department))~~ authority shall hold ongoing stakeholder discussions as it is developing the waiver request, and provide opportunities for public review and comment as the request is being developed.

(3) The ~~((department and the health care))~~ authority shall identify statutory changes that may be necessary to ensure successful and timely implementation of the waiver request as submitted to the federal department of health and human services as the apple health program for adults.

(4) The legislature must authorize implementation of any waiver approved by the federal department of health and human services under this section.

Sec. 31. RCW 74.09.5225 and 2005 c 383 s 1 are each amended to read as follows:

(1) Payments for recipients eligible for medical assistance programs under this chapter for services provided by hospitals, regardless of the beneficiary's managed care enrollment status, shall be made based on allowable costs incurred during the year, when services are provided by a rural hospital certified by the centers for medicare and medicaid services as a critical access hospital. Any additional payments made by the ~~((medical assistance administration))~~ authority for the healthy options program shall be no more than the additional amounts per service paid under this section for other medical assistance programs.

(2) Beginning on July 24, 2005, a moratorium shall be placed on additional hospital participation in critical access hospital payments under this section. However, rural hospitals that applied for certification to the centers for medicare and medicaid services prior to January 1, 2005, but have not yet completed the process or have not yet been approved for certification, remain eligible for medical assistance payments under this section.

(1)(a) The authority is designated as the single state agency for purposes of Title XIX of the federal social security act.

(b) The amount and nature of medical assistance and the determination of eligibility of recipients for medical assistance shall be the responsibility of the ~~((department of social and health services))~~ authority.

(c) The ~~((department))~~ authority shall establish reasonable standards of assistance and resource and income exemptions which shall be consistent with the provisions of the social security act and ~~((with the))~~ federal regulations ~~((of the secretary of health, education and welfare))~~ for determining eligibility of individuals for medical assistance and the extent of such assistance to the extent that funds are available from the state and federal government. The ~~((department))~~ authority shall not consider resources in determining continuing eligibility for recipients eligible under section 1931 of the social security act.

(d) The authority is authorized to collaborate with other state or local agencies and nonprofit organizations in carrying out its duties under this chapter and, to the extent appropriate, may enter into agreements with such other entities.

(2) Individuals eligible for medical assistance under RCW 74.09.510(3) shall be transitioned into coverage under that subsection immediately upon their termination from coverage under RCW 74.09.510(2)(a). The ~~((department))~~ authority shall use income eligibility standards and eligibility determinations

(2) The ~~((department))~~ authority, in collaboration with the Washington association of sheriffs and police chiefs, the department of corrections, and the regional support networks, shall establish procedures for coordination between the authority and department field offices, institutions for mental disease, and correctional institutions, as defined in RCW 9.94.049, that result in prompt reinstatement of eligibility and speedy eligibility determinations for persons who are likely to be eligible for medical assistance services upon release from confinement. Sec. 48. RCW 74.09.770 and 1989 1st ex.s. c 10 s 2 are each amended to read as follows:

(1) The legislature finds that Washington state and the nation as a whole have a high rate of infant illness and death compared with other industrialized nations. This is especially true for minority and low-income populations. Premature and low weight births have been directly linked to infant illness and death. The availability of adequate maternity care throughout the course of pregnancy has been identified as a major factor in reducing infant illness and death. Further, the investment in preventive health care programs, such as maternity care, contributes to the growth of a healthy and productive society and is a sound approach to health care cost containment. The legislature further finds that access to maternity care for low-income women in the state of Washington has declined significantly in recent years and has reached a crisis level.

(2) It is the purpose of this ~~((chapter/subchapter))~~ subchapter to provide, consistent with appropriated funds, maternity care necessary to ensure healthy birth outcomes for low-income families. To this end, a maternity care access system is established based on the following principles:

(a) The family is the fundamental unit in our society and should be supported through public policy.

(b) Access to maternity care for eligible persons to ensure healthy birth outcomes should be made readily available in an expeditious manner through a single service entry point.

(c) Unnecessary barriers to maternity care for eligible persons should be removed.

(d) Access to preventive and other health care services should be available for low-income children.

(e) Each woman should be encouraged to and assisted in making her own informed decisions about her maternity care.

(f) Unnecessary barriers to the provision of maternity care by qualified health professionals should be removed.

(g) The system should be sensitive to cultural differences among eligible persons.

(h) To the extent possible, decisions about the scope, content, and delivery of services should be made at the local level involving a broad representation of community interests.

(i) The maternity care access system should be evaluated at appropriate intervals to determine effectiveness and need for modification.

(j) Maternity care services should be delivered in a cost-effective manner.

Sec. 49. RCW 74.09.790 and 1993 c 407 s 9 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW 74.09.760 through 74.09.820 and 74.09.510:

(1) "At-risk eligible person" means an eligible person determined by the ~~((department))~~ authority to need special assistance in applying for and obtaining maternity care, including pregnant women who are substance abusers, pregnant and parenting adolescents, pregnant minority women, and other eligible persons who need special assistance in gaining access to the maternity care system.

(8) Provide family planning services including information about the synthetic progestin capsule implant form of contraception, for twelve months immediately following a pregnancy to women who were eligible for medical assistance under the maternity care access program during that pregnancy or who were eligible only for emergency labor and delivery services during that pregnancy; and

(9) Within available resources, provide family planning services to women who meet the financial eligibility requirements for services under subsections (1) and (2) of this section.

Sec. 51. RCW 74.09.810 and 1989 1st ex.s. c 10 s 6 are each amended to read as follows:

(1) The ~~((department))~~ authority shall establish an alternative maternity care service delivery system, if it determines that a county or a group of counties is a maternity care distressed area. A maternity care distressed area shall be defined by the ~~((department))~~ authority, in rule, as a county or a group of counties where eligible women are unable to obtain adequate maternity care. The ~~((department))~~ authority shall include the following factors in its determination:

(3) The ~~((department))~~ authority shall review the report and use it, to the extent possible, in developing strategies to improve maternity care access in the distressed area. The ~~((department))~~ authority may contract with or directly employ qualified maternity care health providers to provide maternity care services, if access to such providers in the distressed area is not possible by other means. In such cases, the ~~((department))~~ authority is authorized to pay that portion of the health care providers' malpractice liability insurance that represents the percentage of maternity care provided to eligible persons by that provider through increased medical assistance payments.

Sec. 52. RCW 74.09.820 and 1989 1st ex.s. c 10 s 7 are each amended to read as follows:

NEW SECTION. Sec. 53. A new section is added to chapter 74.09 RCW to read as follows:

(1) The following persons have the right to an adjudicative proceeding:

(a) Any applicant or recipient who is aggrieved by a decision of the authority or an authorized agency of the authority; or

(b) A current or former recipient who is aggrieved by the authority's claim that he or she owes a debt for overpayment of assistance.

(2) For purposes of this section:

(a) "Applicant" means any person who has made a request, or on behalf of whom a request has been made to the authority for any medical services program established under chapter 74.09 RCW.

(b) "Recipient" means a person who is receiving benefits from the authority for any medical services program established in this chapter.

(3) An applicant or recipient has no right to an adjudicative proceeding when the sole basis for the authority's decision is a federal or state law requiring an assistance adjustment for a class of applicants or recipients.

(4) An applicant or recipient may file an application for an adjudicative proceeding with either the authority or the department and must do so within ninety calendar days after receiving notice of the aggrieving decision. The authority shall determine which agency is responsible for representing the state of Washington in the hearing, in accordance with agreements entered pursuant to RCW 41.05.021.

(5)(a) The adjudicative proceeding is governed by the administrative procedure act, chapter 34.05 RCW, and this subsection. The following requirements shall apply to adjudicative proceedings in which an appellant seeks review of decisions made by more than one agency. When an appellant files a single application for an adjudicative proceeding seeking review of decisions by more than one agency, this review shall be conducted initially in one adjudicative proceeding. The presiding officer may sever the proceeding into multiple proceedings on the motion of any of the parties, when:

(i) All parties consent to the severance; or

(ii) Either party requests severance without another party's consent, and the presiding officer finds there is good cause for severing the matter and that the proposed severance is not likely to prejudice the rights of an appellant who is a party to any of the severed proceedings.

(b) If there are multiple adjudicative proceedings involving common issues or parties where there is one appellant and both the authority and the department are parties, upon motion of any party or upon his or her own motion, the presiding officer may consolidate the proceedings if he or she finds that the consolidation is not likely to prejudice the rights of the appellant who is a party to any of the consolidated proceedings.

(c) The adjudicative proceeding shall be conducted at the local community services office or other location in Washington convenient to the applicant or recipient and, upon agreement by the applicant or recipient, may be conducted telephonically.

(d) The applicant or recipient, or his or her representative, has the right to inspect his or her file from the authority and, upon request, to receive copies of authority documents relevant to the proceedings free of charge.

(e) The applicant or recipient has the right to a copy of the audio recording of the adjudicative proceeding free of charge.

(f) If a final adjudicative order is issued in favor of an applicant, medical services benefits must be provided from the date of earliest

eligibility, the date of denial of the application for assistance, or forty-five days following the date of application, whichever is soonest. If a final adjudicative order is issued in favor of a recipient, medical services benefits must be provided from the effective date of the authority's decision.

(g) The authority is limited to recovering an overpayment arising from assistance being continued pending the adjudicative proceeding to the amount recoverable up to the sixtieth day after the director's receipt of the application for an adjudicative proceeding.

(6) If the director requires that a party seek administrative review of an initial order to an adjudicative proceeding governed by this section, in order for the party to exhaust administrative remedies pursuant to RCW 34.05.534, the director shall adopt and implement rules in accordance with this subsection.

(a) The director, in consultation with the secretary, shall adopt rules to create a process for parties to seek administrative review of initial orders issued pursuant to RCW 34.05.461 in adjudicative proceedings governed by this subsection when multiple agencies are parties.

(b) This process shall seek to minimize any procedural complexities imposed on appellants that result from multiple agencies being parties to the matter, without prejudicing the rights of parties who are public assistance applicants or recipients.

(c) Nothing in this subsection shall impose or modify any legal requirement that a party seek administrative review of initial orders in order to exhaust administrative remedies pursuant to RCW 34.05.534.

(7) This subsection only applies to an adjudicative proceeding in which the appellant is an applicant for or recipient of medical services programs established under this chapter and the issue is his or her eligibility or ineligibility due to the assignment or transfer of a resource. The burden is on the authority or its authorized agency to prove by a preponderance of the evidence that the person knowingly and willingly assigned or transferred the resource at less than market value for the purpose of qualifying or continuing to qualify for medical services programs established under this chapter. If the prevailing party in the adjudicative proceeding is the applicant or recipient, he or she is entitled to reasonable attorneys' fees.

(8) When an applicant or recipient files a petition for judicial review as provided in RCW 34.05.514 of an adjudicative order entered with respect to the medical services program, no filing fee may be collected from the person and no bond may be required on any appeal. In the event that the superior court, the court of appeals, or the supreme court renders a decision in favor of the applicant or recipient, the person is entitled to reasonable attorneys' fees and costs. If a decision of the court is made in favor of an applicant, assistance shall be paid from the date of earliest eligibility, the date of the denial of the application for assistance, or forty-five days following the date of application, whichever is soonest. If a decision of the court is made in favor of a recipient, assistance shall be paid from the effective date of the authority's decision.

(9) The provisions of RCW 74.08.080 do not apply to adjudicative proceedings requested or conducted with respect to the medical services program pursuant to this section.

(10) The authority shall adopt any rules it deems necessary to implement this section.

incapacity in this subsection, as evidenced by the ninety-day duration standard, is not intended to be as stringent as federal supplemental security income disability standards; and

(A) Are citizens or aliens lawfully admitted for permanent residence or otherwise residing in the United States under color of law;

(B) Have furnished the department their social security number. If the social security number cannot be furnished because it has not been issued or is not known, an application for a number shall be made prior to authorization of benefits, and the social security number shall be provided to the department upon receipt;

(C) Have not refused or failed without good cause to participate in drug or alcohol treatment if an assessment by a certified chemical dependency counselor indicates a need for such treatment. Good cause must be found to exist when a person's physical or mental condition, as determined by the department, prevents the person from participating in drug or alcohol dependency treatment, when needed outpatient drug or alcohol treatment is not available to the person in the county of his or her residence or when needed inpatient treatment is not available in a location that is reasonably accessible for the person; and

(D) Have not refused or failed without good cause to participate in vocational rehabilitation services, if an assessment conducted under RCW 74.04.655 indicates that the person might benefit from such services. Good cause must be found to exist when a person's physical or mental condition, as determined by the department, prevents the person from participating in vocational rehabilitation services, or when vocational rehabilitation services are not available to the person in the county of his or her residence.

(b)(i) Persons who initially apply and are found eligible for disability lifeline benefits based upon incapacity from gainful employment under (a) of this subsection on or after September 2, 2010, who are homeless and have been assessed as needing chemical dependency or mental health treatment or both, must agree, as a condition of eligibility for the disability lifeline program, to accept a housing voucher in lieu of a cash grant if a voucher is available. The department shall establish the dollar value of the housing voucher. The dollar value of the housing voucher may differ from the value of the cash grant. Persons receiving a housing voucher under this subsection also shall receive a cash stipend of fifty dollars per month.

(ii) If the department of commerce has determined under RCW 43.330.175 that sufficient housing is not available, persons described in this subsection who apply for disability lifeline benefits during the time period that housing is not available shall receive a cash grant in lieu of a cash stipend and housing voucher.

(iii) Persons who refuse to accept a housing voucher under this subsection but otherwise meet the eligibility requirements of (a) of this subsection are eligible for medical care services benefits under RCW 74.09.035, subject to the time limits in (h) of this subsection.

(c) The following persons are not eligible for the disability lifeline program:

(i) Persons who are unemployable due primarily to alcohol or drug addiction. These persons shall be referred to appropriate assessment, treatment, shelter, or supplemental security income referral services as authorized under chapter 74.50 RCW. Referrals shall be made at the time of application or at the time of eligibility review. This subsection shall not be construed to prohibit the department from granting disability lifeline benefits to alcoholics and drug addicts who are incapacitated due to other physical or mental conditions that meet the eligibility criteria for the disability lifeline program;

(ii) Persons who refuse or fail to cooperate in obtaining federal aid assistance, without good cause.

(d) Disability lifeline benefits shall be provided only to persons who are not members of assistance units receiving federal aid assistance, except as provided in (a) of this subsection, and who will accept available services that can reasonably be expected to enable the person to work or reduce the need for assistance unless there is good cause to refuse. Failure to accept such services shall result in termination until the person agrees to cooperate in accepting such services and subject to the following maximum periods of ineligibility after reapplication:

(i) First failure: One week;

(ii) Second failure within six months: One month;

(iii) Third and subsequent failure within one year: Two months.

(e) Persons who are likely eligible for federal supplemental security income benefits shall be moved into the disability lifeline expedited component of the disability lifeline program. Persons placed in the expedited component of the program may, if otherwise eligible, receive disability lifeline benefits pending application for federal supplemental security income benefits. The monetary value of any disability lifeline benefit that is subsequently duplicated by the person's receipt of supplemental security income for the same period shall be considered a debt due the state and shall by operation of law be subject to recovery through all available legal remedies.

(f) For purposes of determining whether a person is incapacitated from gainful employment under (a) of this subsection:

(i) The department shall adopt by rule medical criteria for disability lifeline incapacity determinations to ensure that eligibility decisions are consistent with statutory requirements and are based on clear, objective medical information; and

(ii) The process implementing the medical criteria shall involve consideration of opinions of the treating or consulting physicians or health care professionals regarding incapacity, and any eligibility decision which rejects uncontroverted medical opinion must set forth clear and convincing reasons for doing so.

(g) Persons receiving disability lifeline benefits based upon a finding of incapacity from gainful employment who remain otherwise eligible shall have their benefits discontinued unless the recipient demonstrates no material improvement in their medical or mental health condition. The department may discontinue benefits when there was specific error in the prior determination that found the person eligible by reason of incapacitation.

(h)(i) Beginning September 1, 2010, no person who is currently receiving or becomes eligible for disability lifeline program benefits shall be eligible to receive benefits under the program for more than twenty-four months in a sixty-month period. For purposes of this subsection, months of receipt of general assistance-unemployable benefits count toward the twenty-four month limit. Months during which a person received benefits under the expedited component of the disability lifeline or general assistance program or under the aged, blind, or disabled component of the disability lifeline or general assistance program shall not be included when determining whether a person has been receiving benefits for more than twenty-four months. On or before July 1, 2010, the department must review the cases of all persons who have received disability lifeline benefits or general assistance unemployable benefits for at least twenty months as of that date. On or before September 1, 2010, the department must review the cases of all remaining persons who have received disability lifeline benefits for at least twelve months as of that date. The review should determine whether the person meets the federal supplemental security income disability standard and, if the person does not meet that standard, whether the receipt of additional services could lead to employability. If a need for additional services is identified, the department shall provide case management services, such as assistance with arranging

transportation or locating stable housing, that will facilitate the person's access to needed services. A person may not be determined ineligible due to exceeding the time limit unless he or she has received a case review under this subsection finding that the person does not meet the federal supplemental security income disability standard.

(ii) The time limits established under this subsection expire June 30, 2013.

(i) No person may be considered an eligible individual for disability lifeline benefits with respect to any month if during that month the person:

(i) Is fleeing to avoid prosecution of, or to avoid custody or confinement for conviction of, a felony, or an attempt to commit a felony, under the laws of the state of Washington or the place from which the person flees; or

(ii) Is violating a condition of probation, community supervision, or parole imposed under federal or state law for a felony or gross misdemeanor conviction.

(6) "Disability lifeline expedited" means a component of the disability lifeline program under which persons receiving disability lifeline benefits have been determined, after examination by an appropriate health care provider, to be likely to be eligible for federal supplemental security income benefits based on medical and behavioral health evidence that meets the disability standards used for the federal supplemental security income program.

(7) "Federal aid assistance"--The specific categories of assistance for which provision is made in any federal law existing or hereafter passed by which payments are made from the federal government to the state in aid or in respect to payment by the state for public assistance rendered to any category of needy persons for which provision for federal funds or aid may from time to time be made, or a federally administered needs-based program.

(8) "Applicant"--Any person who has made a request, or on behalf of whom a request has been made, to any county or local office for assistance.

The department may by rule designate resources that an applicant may retain and not be ineligible for public assistance because of such resources. Exempt resources shall include, but are not limited to:

(a) A home that an applicant, recipient, or their dependents is living in, including the surrounding property;

(b) Household furnishings and personal effects;

(c) A motor vehicle, other than a motor home, used and useful having an equity value not to exceed five thousand dollars;

(d) A motor vehicle necessary to transport a household member with a physical disability. This exclusion is limited to one vehicle per person with a physical disability;

(e) All other resources, including any excess of values exempted, not to exceed one thousand dollars or other limit as set by the department, to be consistent with limitations on resources and exemptions necessary for federal aid assistance. The department shall also allow recipients of temporary assistance for needy families to exempt savings accounts with combined balances of up to an additional three thousand dollars;

(f) Applicants for or recipients of disability lifeline benefits shall have their eligibility based on resource limitations consistent with

the temporary assistance for needy families program rules adopted by the department; and

(g) If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient, except that: (i) The department may exempt resources or income when the income and resources are determined necessary to the applicant's or recipient's restoration to independence, to decrease the need for public assistance, or to aid in rehabilitating the applicant or recipient or a dependent of the applicant or recipient; and (ii) the department may provide grant assistance for a period not to exceed nine months from the date the agreement is signed pursuant to this section to persons who are otherwise ineligible because of excess real property owned by such persons when they are making a good faith effort to dispose of that property: PROVIDED, That:

(A) The applicant or recipient signs an agreement to repay the lesser of the amount of aid received or the net proceeds of such sale;

(B) If the owner of the excess property ceases to make good faith efforts to sell the property, the entire amount of assistance may become an overpayment and a debt due the state and may be recovered pursuant to RCW 43.20B.630;

(C) Applicants and recipients are advised of their right to a fair hearing and afforded the opportunity to challenge a decision that good faith efforts to sell have ceased, prior to assessment of an overpayment under this section; and

(D) At the time assistance is authorized, the department files a lien without a sum certain on the specific property.

(12) "Income"--(a) All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient during the month of application or after applying for or receiving public assistance. The department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him or her to decrease his or her need for public assistance or to aid in rehabilitating him or her or his or her dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance. In addition, for cash assistance the department may disregard income pursuant to RCW 74.08A.230 and 74.12.350.

(b) If, under applicable federal requirements, the state has the option of considering property in the form of lump sum compensatory awards or related settlements received by an applicant or recipient as income or as a resource, the department shall consider such property to be a resource.

(13) "Need"--The difference between the applicant's or recipient's standards of assistance for himself or herself and the dependent members of his or her family, as measured by the standards of the department, and value of all nonexempt resources and nonexempt income received by or available to the applicant or recipient and the dependent members of his or her family.

(14) "Authority" means the health care authority.

(15) "Director" means the director of the health care authority.

Information supplied to a parent by the department shall be used only for purposes directly related to the enforcement of the visitation and custody provisions of the court order of separation or decree of divorce. transportation in the state. A particular goal of the study was to explore opportunities to enhance coordination of special needs transportation programs to ensure that they are delivered efficiently and result in improved access and increased mobility options for their clients. It is the intent of the legislature to further consider some of the recommendations, and to implement many of these recommendations in the form of two pilot projects that will test the potential for applying these recommendations statewide in the future.

(2) The legislature is aware that the department of social and health services submitted an application in December of 2008 to the federal centers for medicare and medicaid services, seeking approval to use the medical match system, a federal funding system that has different requirements from the federal administrative match system currently used by the department. It is the intent of the legislature to advance the goals of chapter 515, Laws of 2009 and the recommendations of the study identified in subsection (1) of this section without jeopardizing the application made by the department.

(3) By August 15, 2009, the agency council on coordinated transportation shall appoint a work group for the purpose of identifying relevant federal requirements related to special needs transportation, and identifying solutions to streamline the requirements and increase efficiencies in transportation services provided for persons with special transportation needs. (g) The local coordinating coalitions established under RCW 47.06B.070; and

(5) The work group shall elect one or more of its members to serve as chair or co-chairs.

(6) The work group shall immediately contact representatives of the federal congressional delegation for Washington state and the relevant federal agencies and coordinating authorities including, but not limited to, the federal transit administration, the United States department of health and human services, and the interagency transportation coordinating council on access and mobility, and invite the federal representatives to work collaboratively to:

(a) Identify transportation definitions and terminology used in the various relevant state and federal programs, and establish consistent transportation definitions and terminology. For purposes of this subsection, relevant state definitions exclude terminology that requires a medical determination, including whether a trip or service is medically necessary;

(b) Identify restrictions or barriers that preclude federal, state, and local agencies from sharing client lists or other client information, and make progress towards removing any restrictions or barriers;

(c) Identify relevant state and federal performance and cost reporting systems and requirements, and work towards establishing

consistent and uniform performance and cost reporting systems and requirements; and

(d) Explore, subject to federal approval, opportunities to test cost allocation models, including the pilot projects established in RCW 47.06B.080, that:

(i) Allow for cost sharing among public paratransit and medicaid nonemergency medical trips; and

(ii) Capture the value of medicaid trips provided by public transit agencies for which they are not currently reimbursed with a funding match by federal medicaid dollars.

(7) By December 1, 2009, the work group shall submit a report to the joint transportation committee that explains the progress made towards the goals of this section and identifies any necessary legislative action that must be taken to implement all the provisions of this section. A second progress report must be submitted to the joint transportation committee by June 1, 2010, and a final report must be submitted to the joint transportation committee by December 1, 2010.

The local coordinating coalition shall serve in an advisory capacity to the agency council on coordinated transportation by providing the council with a focused and ongoing assessment of the special transportation needs and services provided within its region.

(3) The composition and size of each local coordinating coalition may vary by region. Local coordinating coalition members, appointed by the chair of the agency council on coordinated transportation to two-year terms, must reflect a balanced representation of the region's providers of special needs transportation services and must include:

FOURTEENTH DAY, MAY 9, 2011

(5) Regular meetings of the local coordinating coalition may be convened at the call of the chair or by a majority of the members. Meetings must be open to the public, and held in locations that are readily accessible to public transportation.

(6) The regional transportation planning organization, as described in chapter 47.80 RCW, serving the region in which the local coordinating coalition is created shall provide necessary staff support for the local coordinating coalition. In regions served by more than one regional transportation planning organization, unless otherwise agreed to by the relevant planning organizations, the regional transportation planning organization serving the largest population within the region shall provide the necessary staff support.

(iii) The restrictions imposed under (a) of this subsection (2) must be limited to the extent possible to reduce variation in prescribing patterns and shall remain in effect only until such time as the endorsing practitioner can demonstrate a reduction in variation in line with his or her peers.

(b) A state purchased health care program may immediately designate an available, less expensive, equally effective generic product in a previously reviewed drug class as a preferred drug, without first submitting the product to review by the pharmacy and therapeutics committee established pursuant to RCW 70.14.050.

Any section or provision of the public health laws of this state which may be susceptible to more than one construction shall be interpreted in favor of the construction most likely to satisfy federal laws entitling this state to receive federal funds for the various programs of public health.

Sec. 83. RCW 70.47.010 and 2009 c 568 s 1 are each amended to read as follows:

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

(1)(a) The legislature finds that limitations on access to health care services for enrollees in the state, such as in rural and underserved areas, are particularly challenging for the basic health plan. Statutory restrictions have reduced the options available to the ~~((administrator))~~ director to address the access needs of basic health plan enrollees. It is the intent of the legislature to authorize the ~~((administrator))~~ director to develop alternative purchasing strategies to ensure access to basic health plan enrollees in all areas of the state, including: (i) The use of differential rating for managed health care systems based on geographic differences in costs; and (ii) limited use of self-insurance in areas where adequate access cannot be assured through other options.

(b) In developing alternative purchasing strategies to address health care access needs, the ~~((administrator))~~ director shall consult with interested persons including health carriers, health care providers, and health facilities, and with other appropriate state agencies including the office of the insurance commissioner and the office of community and rural health. In pursuing such alternatives, the ~~((administrator))~~ director shall continue to give priority to prepaid managed care as the preferred method of assuring access to basic health plan enrollees followed, in priority order, by preferred providers, fee for service, and self-funding.

(2) The legislature further finds that:

(a) A significant percentage of the population of this state does not have reasonably available insurance or other coverage of the costs of necessary basic health care services;

(b) This lack of basic health care coverage is detrimental to the health of the individuals lacking coverage and to the public welfare, and results in substantial expenditures for emergency and remedial health care, often at the expense of health care providers, health care facilities, and all purchasers of health care, including the state; and

(c) The use of managed health care systems has significant potential to reduce the growth of health care costs incurred by the people of this state generally, and by low-income pregnant women, and at-risk children and adolescents who need greater access to managed health care.

(3) The purpose of this chapter is to provide or make more readily available necessary basic health care services in an appropriate setting to working persons and others who lack coverage, at a cost to these persons that does not create barriers to the utilization of necessary health care services. To that end, this chapter establishes a program to be made available to those residents not eligible for medicare who share in a portion of the cost or who pay the full cost of receiving basic health care services from a managed health care system.

(4) It is not the intent of this chapter to provide health care services for those persons who are presently covered through private employer-based health plans, nor to replace employer-based health plans. However, the legislature recognizes that cost-effective and affordable health plans may not always be available to small business employers. Further, it is the intent of the legislature to expand, wherever possible, the availability of private health care coverage and to discourage the decline of employer-based coverage.

(5)(a) It is the purpose of this chapter to acknowledge the initial success of this program that has (i) assisted thousands of families in their search for affordable health care; (ii) demonstrated that low-income, uninsured families are willing to pay for their own health care coverage to the extent of their ability to pay; and (iii) proved that local health care providers are willing to enter into a public-private partnership as a managed care system.

(b) As a consequence, the legislature intends to extend an option to enroll to certain citizens above two hundred percent of the federal poverty guidelines within the state who reside in communities where the plan is operational and who collectively or individually wish to exercise the opportunity to purchase health care coverage

through the basic health plan if the purchase is done at no cost to the state. It is also the intent of the legislature to allow employers and other financial sponsors to financially assist such individuals to purchase health care through the program so long as such purchase does not result in a lower standard of coverage for employees.

(c) The legislature intends that, to the extent of available funds, the program be available throughout Washington state to subsidized and nonsubsidized enrollees. It is also the intent of the legislature to enroll subsidized enrollees first, to the maximum extent feasible.

(d) The legislature directs that the basic health plan ~~((administrator))~~ director identify enrollees who are likely to be eligible for medical assistance and assist these individuals in applying for and receiving medical assistance. ~~((The administrator and the department of social and health services shall implement a seamless system to coordinate eligibility determinations and benefit coverage for enrollees of the basic health plan and medical assistance recipients.))~~ Enrollees receiving medical assistance are not eligible for the Washington basic health plan.

Sec. 84. RCW 70.47.020 and 2011 c 205 s 1 are each amended to read as follows:

As used in this chapter:

(1) ~~("Administrator" means the Washington basic health plan administrator, who also holds the position of administrator))~~ "Director" means the director of the Washington state health care authority.

(2) "Health coverage tax credit eligible enrollee" means individual workers and their qualified family members who lose their jobs due to the effects of international trade and are eligible for certain trade adjustment assistance benefits; or are eligible for benefits under the alternative trade adjustment assistance program; or are people who receive benefits from the pension benefit guaranty corporation and are at least fifty-five years old.

(3) "Health coverage tax credit program" means the program created by the Trade Act of 2002 (P.L. 107-210) that provides a federal tax credit that subsidizes private health insurance coverage for displaced workers certified to receive certain trade adjustment assistance benefits and for individuals receiving benefits from the pension benefit guaranty corporation.

(4) "Managed health care system" means: (a) Any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, or any combination thereof, that provides directly or by contract basic health care services, as defined by the ~~((administrator))~~ director and rendered by duly licensed providers, to a defined patient population enrolled in the plan and in the managed health care system; or (b) a self-funded or self-insured method of providing insurance coverage to subsidized enrollees provided under RCW 41.05.140 and subject to the limitations under RCW 70.47.100(7).

(5) "Nonsubsidized enrollee" means an individual, or an individual plus the individual's spouse or dependent children: (a) Who is not eligible for medicare; (b) who is not confined or residing in a government-operated institution, unless he or she meets eligibility criteria adopted by the ~~((administrator))~~ director; (c) who is accepted for enrollment by the ~~((administrator))~~ director as provided in RCW 48.43.018, either because the potential enrollee cannot be required to complete the standard health questionnaire under RCW 48.43.018, or, based upon the results of the standard health questionnaire, the potential enrollee would not qualify for coverage under the Washington state health insurance pool; (d) who resides in an area of the state served by a managed health care system participating in the plan; (e) who chooses to obtain basic health care coverage from a particular managed health care system; and (f) who pays or on whose behalf is paid the full costs for participation in the plan, without any subsidy from the plan.

(7) "Rate" means the amount, negotiated by the ~~((administrator))~~ director with and paid to a participating managed health care system, that is based upon the enrollment of subsidized, nonsubsidized, and health coverage tax credit eligible enrollees in the plan and in that system.

(8) "Subsidy" means the difference between the amount of periodic payment the ~~((administrator))~~ director makes to a managed health care system on behalf of a subsidized enrollee plus the administrative cost to the plan of providing the plan to that subsidized enrollee, and the amount determined to be the subsidized enrollee's responsibility under RCW 70.47.060(2).

(9) "Subsidized enrollee" means:

(a) An individual, or an individual plus the individual's spouse or dependent children:

(c) To the extent that state funds are specifically appropriated for this purpose, with a corresponding federal match, an individual, or an individual's spouse or dependent children, who meets the requirements in (a)(i) through (iv), (vi), and (vii) of this subsection and whose gross family income at the time of enrollment is more than two hundred percent, but less than two hundred fifty-one percent, of the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services.

(10) "Washington basic health plan" or "plan" means the system of enrollment and payment for basic health care services, administered by the plan ~~((administrator))~~ director through participating managed health care systems, created by this chapter.

Sec. 85. RCW 70.47.110 and 1991 sp.s. c 4 s 3 are each amended to read as follows:

The ~~((department of social and health services))~~ health care authority may make payments to ~~((the administrator or to))~~ participating managed health care systems on behalf of any enrollee who is a recipient of medical care under chapter 74.09 RCW, at the

maximum rate allowable for federal matching purposes under Title XIX of the social security act. Any enrollee on whose behalf the ~~((department of social and health services))~~ health care authority makes such payments may continue as an enrollee, making premium payments based on the enrollee's own income as determined under the sliding scale, after eligibility for coverage under chapter 74.09 RCW has ended, as long as the enrollee remains eligible under this chapter. Nothing in this section affects the right of any person eligible for coverage under chapter 74.09 RCW to receive the services offered to other persons under that chapter but not included in the schedule of basic health care services covered by the plan. The ~~((administrator))~~ director shall seek to determine which enrollees or prospective enrollees may be eligible for medical care under chapter 74.09 RCW and may require these individuals to complete the eligibility determination process under chapter 74.09 RCW prior to enrollment or continued participation in the plan. The ~~((administrator and the department of social and health services))~~ director shall ~~((cooperatively))~~ adopt procedures to facilitate the transition of plan enrollees and payments on their behalf between the plan and the programs established under chapter 74.09 RCW.

Sec. 86. RCW 70.48.130 and 1993 c 409 s 1 are each amended to read as follows:

(1) It is the intent of the legislature that all jail inmates receive appropriate and cost-effective emergency and necessary medical care. Governing units, the ~~((department of social and health services))~~ health care authority, and medical care providers shall cooperate to achieve the best rates consistent with adequate care.

(2) Payment for emergency or necessary health care shall be by the governing unit, except that the ~~((department of social and health services))~~ health care authority shall directly reimburse the provider pursuant to chapter 74.09 RCW, in accordance with the rates and benefits established by the ~~((department))~~ authority, if the confined person is eligible under the ~~((department's))~~ authority's medical care programs as authorized under chapter 74.09 RCW. After payment by the ~~((department))~~ authority, the financial responsibility for any remaining balance, including unpaid client liabilities that are a condition of eligibility or participation under chapter 74.09 RCW, shall be borne by the medical care provider and the governing unit as may be mutually agreed upon between the medical care provider and the governing unit. In the absence of mutual agreement between the medical care provider and the governing unit, the financial responsibility for any remaining balance shall be borne equally between the medical care provider and the governing unit. Total payments from all sources to providers for care rendered to confined persons eligible under chapter 74.09 RCW shall not exceed the amounts that would be paid by the ~~((department))~~ authority for similar services provided under Title XIX medicaid, unless additional resources are obtained from the confined person.

(3) As part of the screening process upon booking or preparation of an inmate into jail, general information concerning the inmate's ability to pay for medical care shall be identified, including insurance or other medical benefits or resources to which an inmate is entitled. This information shall be made available to the ~~((department))~~ authority, the governing unit, and any provider of health care services.

(4) The governing unit or provider may obtain reimbursement from the confined person for the cost of health care services not provided under chapter 74.09 RCW, including reimbursement from any insurance program or from other medical benefit programs available to the confined person. Nothing in this chapter precludes civil or criminal remedies to recover the costs of medical care provided jail inmates or paid for on behalf of inmates by the governing unit. As part of a judgment and sentence, the courts are authorized to order

FOURTEENTH DAY, MAY 9, 2011

defendants to repay all or part of the medical costs incurred by the governing unit or provider during confinement.

(5) To the extent that a confined person is unable to be financially responsible for medical care and is ineligible for the ((department's)) authority's medical care programs under chapter 74.09 RCW, or for coverage from private sources, and in the absence of an interlocal agreement or other contracts to the contrary, the governing unit may obtain reimbursement for the cost of such medical services from the unit of government whose law enforcement officers initiated the charges on which the person is being held in the jail: PROVIDED, That reimbursement for the cost of such services shall be by the state for state prisoners being held in a jail who are accused of either escaping from a state facility or of committing an offense in a state facility.

(6) There shall be no right of reimbursement to the governing unit from units of government whose law enforcement officers initiated the charges for which a person is being held in the jail for care provided after the charges are disposed of by sentencing or otherwise, unless by intergovernmental agreement pursuant to chapter 39.34 RCW.

(7) Under no circumstance shall necessary medical services be denied or delayed because of disputes over the cost of medical care or a determination of financial responsibility for payment of the costs of medical care provided to confined persons.

(8) Nothing in this section shall limit any existing right of any party, governing unit, or unit of government against the person receiving the care for the cost of the care provided.

Sec. 87. RCW 70.168.040 and 2010 c 161 s 1158 are each amended to read as follows:

The emergency medical services and trauma care system trust account is hereby created in the state treasury. Moneys shall be transferred to the emergency medical services and trauma care system trust account from the public safety education account or other sources as appropriated, and as collected under RCW 46.63.110(7) and 46.68.440. Disbursements shall be made by the department subject to legislative appropriation. Expenditures may be made only for the purposes of the state trauma care system under this chapter, including emergency medical services, trauma care services, rehabilitative services, and the planning and development of related services under this chapter and for reimbursement by the ((department of social and health services)) health care authority for trauma care services provided by designated trauma centers.

Sec. 88. RCW 70.225.040 and 2007 c 259 s 45 are each amended to read as follows:

(1) Prescription information submitted to the department shall be confidential, in compliance with chapter 70.02 RCW and federal health care information privacy requirements and not subject to disclosure, except as provided in subsections (3) and (4) of this section.

(2) The department shall maintain procedures to ensure that the privacy and confidentiality of patients and patient information collected, recorded, transmitted, and maintained is not disclosed to persons except as in subsections (3) and (4) of this section.

(3) The department may provide data in the prescription monitoring program to the following persons:

(a) Persons authorized to prescribe or dispense controlled substances, for the purpose of providing medical or pharmaceutical care for their patients;

(b) An individual who requests the individual's own prescription monitoring information;

(c) Health professional licensing, certification, or regulatory agency or entity;

(d) Appropriate local, state, and federal law enforcement or prosecutorial officials who are engaged in a bona fide specific investigation involving a designated person;

2011 1ST SPECIAL SESSION

(e) Authorized practitioners of the department of social and health services and the health care authority regarding medicaid program recipients;

(f) The director or director's designee within the department of labor and industries regarding workers' compensation claimants;

(g) The director or the director's designee within the department of corrections regarding offenders committed to the department of corrections;

(h) Other entities under grand jury subpoena or court order; and

(i) Personnel of the department for purposes of administration and enforcement of this chapter or chapter 69.50 RCW.

(4) The department may provide data to public or private entities for statistical, research, or educational purposes after removing information that could be used to identify individual patients, dispensers, prescribers, and persons who received prescriptions from dispensers.

(5) A dispenser or practitioner acting in good faith is immune from any civil, criminal, or administrative liability that might otherwise be incurred or imposed for requesting, receiving, or using information from the program.

NEW SECTION. Sec. 89. The purpose of this chapter is to provide the health care authority with the powers, duties, and authority with respect to the collection of overpayments and the coordination of benefits that are currently provided to the department of social and health services in chapter 43.20B RCW. Providing the health care authority with these powers is necessary for the authority to administer medical services programs established under chapter 74.09 RCW currently administered by the department of social and health services programs but transferred to the authority under this act. The authority is authorized to collaborate with other state agencies in carrying out its duties under this chapter and, to the extent appropriate, may enter into agreements with such other agencies. Nothing in this chapter may be construed as diminishing the powers, duties, and authority granted to the department of social and health services in chapter 43.20B RCW with respect to the programs that will remain under its jurisdiction following enactment of this act.

NEW SECTION. Sec. 90. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise:

(1) "Assistance" means all programs administered by the authority.

(2) "Authority" means the Washington state health care authority.

(3) "Director" means the director of the Washington state health care authority.

(4) "Overpayment" means any payment or benefit to a recipient or to a vendor in excess of that to which is entitled by law, rule, or contract, including amounts in dispute.

(5) "Vendor" means a person or entity that provides goods or services to or for clientele of the authority and that controls operational decisions.

NEW SECTION. Sec. 91. The authority is authorized to charge fees for services provided unless otherwise prohibited by law. The fees may be sufficient to cover the full cost of the service provided if practical or may be charged on an ability-to-pay basis if practical. This section does not supersede other statutory authority enabling the assessment of fees by the authority. Whenever the authority is authorized by law to collect total or partial reimbursement for the cost of its providing care of or exercising custody over any person, the authority shall collect the reimbursement to the extent practical.

NEW SECTION. Sec. 92. (1) Except as otherwise provided by law, including subsection (2) of this section, there may be no collection of overpayments and other debts due the authority after the expiration of six years from the date of notice of such

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

overpayment or other debt unless the authority has commenced recovery action in a court of law or unless an administrative remedy authorized by statute is in place. However, any amount due in a case thus extended ceases to be a debt due the authority at the expiration of ten years from the date of the notice of the overpayment or other debt unless a court-ordered remedy would be in effect for a longer period.

(2) There may be no collection of debts due the authority after the expiration of twenty years from the date a lien is recorded pursuant to section 97 of this act.

(3) The authority, at any time, may accept offers of compromise of disputed claims or may grant partial or total write-off of any debt due the authority if it is no longer cost-effective to pursue. The authority shall adopt rules establishing the considerations to be made in the granting or denial of a partial or total write-off of debts.

NEW SECTION. Sec. 93. The form of the lien in section 95 of this act must be substantially as follows:

STATEMENT OF LIEN

Notice is hereby given that the State of Washington, Health Care Authority, has rendered assistance to, a person who was injured on or about the day of in the county of state of, and the said authority hereby asserts a lien, to the extent provided in section 95 of this act, for the amount of such assistance, upon any sum due and owing (name of injured person) from, alleged to have caused the injury, and/or his or her insurer and from any other person or insurer liable for the injury or obligated to compensate the injured person on account of such injuries by contract or otherwise.

NEW SECTION. Sec. 94. (1) No settlement made by and between a recipient and either the tort feisor or insurer, or both,

discharges or otherwise compromises the lien created in section 95 of this act without the express written consent of the director or the director's designee. Discretion to compromise such liens rests solely with the director or the director's designee.

(2) No settlement or judgment may be entered purporting to compromise the lien created by section 95 of this act without the express written consent of the director or the director's designee.

NEW SECTION. Sec. 95. (1) To secure reimbursement of any assistance paid as a result of injuries to or illness of a recipient caused by the negligence or wrong of another, the authority is subrogated to the recipient's rights against a tort feisor or the tort feisor's insurer, or both.

(2) The authority has the right to file a lien upon any recovery by or on behalf of the recipient from such tort feisor or the tort feisor's insurer, or both, to the extent of the value of the assistance paid by the authority: PROVIDED, That such lien is not effective against recoveries subject to wrongful death when there are surviving dependents of the deceased. The lien becomes effective upon filing with the county auditor in the county where the assistance was authorized or where any action is brought against the tort feisor or insurer. The lien may also be filed in any other county or served upon the recipient in the same manner as a civil summons if, in the authority's discretion, such alternate filing or service is necessary to secure the authority's interest. The additional lien is effective upon filing or service.

(3) The lien of the authority may be against any claim, right of action, settlement proceeds, money, or benefits arising from an insurance program to which the recipient might be entitled (a) against the tort feisor or insurer of the tort feisor, or both, and (b) under any contract of insurance purchased by the recipient or by any other person providing coverage for the illness or injuries for which the assistance is paid or provided by the authority.

(4) If recovery is made by the authority under this section and the subrogation is fully or partially satisfied through an action brought by or on behalf of the recipient, the amount paid to the authority must bear its proportionate share of attorneys' fees and costs.

(a) The determination of the proportionate share to be borne by the authority must be based upon:

(i) The fees and costs approved by the court in which the action was initiated; or

(ii) The written agreement between the attorney and client which establishes fees and costs when fees and costs are not addressed by the court.

(b) When fees and costs have been approved by a court, after notice to the authority, the authority has the right to be heard on the matter of attorneys' fees and costs or its proportionate share.

(c) When fees and costs have not been addressed by the court, the authority shall receive at the time of settlement a copy of the written agreement between the attorney and client which establishes fees and costs and may request and examine documentation of fees and costs associated with the case. The authority may bring an action in superior court to void a settlement if it believes the attorneys' calculation of its proportionate share of fees and costs is inconsistent with the written agreement between the attorney and client which establishes fees and costs or if the fees and costs associated with the case are exorbitant in relation to cases of a similar nature.

(5) The rights and remedies provided to the authority in this section to secure reimbursement for assistance, including the authority's lien and subrogation rights, may be delegated to a managed health care system by contract entered into pursuant to RCW 74.09.522. A managed health care system may enforce all rights and remedies delegated to it by the authority to secure and

FOURTEENTH DAY, MAY 9, 2011

recover assistance provided under a managed health care system consistent with its agreement with the authority.

NEW SECTION. Sec. 96. (1) An attorney representing a person who, as a result of injuries or illness sustained through the negligence or wrong of another, has received, is receiving, or has applied to receive shall:

(a) Notify the authority at the time of filing any claim against a third party, commencing an action at law, negotiating a settlement, or accepting a settlement offer from the tortfeasor or the tortfeasor's insurer, or both; and

(b) Give the authority thirty days' notice before any judgment, award, or settlement may be satisfied in any action or any claim by the applicant or recipient to recover damages for such injuries or illness.

(2) The proceeds from any recovery made pursuant to any action or claim described in section 95 of this act that is necessary to fully satisfy the authority's lien against recovery must be placed in a trust account or in the registry of the court until the authority's lien is satisfied.

NEW SECTION. Sec. 97. (1) The authority shall file liens, seek adjustment, or otherwise effect recovery for assistance correctly paid on behalf of an individual consistent with 42 U.S.C. Sec. 1396p. The authority shall adopt a rule providing for prior notice and hearing rights to the record title holder or purchaser under a land sale contract.

(2) Liens may be adjusted by foreclosure in accordance with chapter 61.12 RCW.

(3) In the case of an individual who was fifty-five years of age or older when the individual received assistance, the authority shall seek adjustment or recovery from the individual's estate, and from nonprobate assets of the individual as defined by RCW 11.02.005, but only for assistance consisting of services that the authority determines to be appropriate, and related hospital and prescription drug services. Recovery from the individual's estate, including foreclosure of liens imposed under this section, must be undertaken as soon as practicable, consistent with 42 U.S.C. Sec. 1396p.

(4) The authority shall apply the assistance estate recovery law as it existed on the date that benefits were received when calculating an estate's liability to reimburse the authority for those benefits.

(5)(a) The authority shall establish procedures consistent with standards established by the federal department of health and human services and pursuant to 42 U.S.C. Sec. 1396p to waive recovery when such recovery would work an undue hardship. The authority shall recognize an undue hardship for a surviving domestic partner whenever recovery would not have been permitted if he or she had been a surviving spouse. The authority is not authorized to pursue recovery under such circumstances.

(b) Recovery of assistance from a recipient's estate may not include property made exempt from claims by federal law or treaty, including exemption for tribal artifacts that may be held by individual Native Americans.

(6) A lien authorized under this section relates back to attach to any real property that the decedent had an ownership interest in immediately before death and is effective as of that date or date of recording, whichever is earlier.

(7) The authority may enforce a lien authorized under this section against a decedent's life estate or joint tenancy interest in real property held by the decedent immediately prior to his or her death. Such a lien enforced under this subsection may not end and must continue as provided in this subsection until the authority's lien has been satisfied.

(a) The value of the life estate subject to the lien is the value of the decedent's interest in the property subject to the life estate immediately prior to the decedent's death.

(b) The value of the joint tenancy interest subject to the lien is the value of the decedent's fractional interest the recipient would have owned in the jointly held interest in the property had the recipient and the surviving joint tenants held title to the property as tenants in common on the date of the recipient's death.

(c) The authority may not enforce the lien provided by this subsection against a bona fide purchaser or encumbrancer that obtains an interest in the property after the death of the recipient and before the authority records either its lien or the request for notice of transfer or encumbrance as provided by section 116 of this act.

(d) The authority may not enforce a lien provided by this subsection against any property right that vested prior to July 1, 2005.

(8)(a) Subject to the requirements of 42 U.S.C. Sec. 1396p(a) and the conditions of this subsection (8), the authority is authorized to file a lien against the property of an individual prior to his or her death, and to seek adjustment and recovery from the individual's estate or sale of the property subject to the lien, if:

(i) The individual is an inpatient in a nursing facility, intermediate care facility for persons with intellectual disabilities, or other medical institution; and

(ii) The authority has determined after notice and opportunity for a hearing that the individual cannot reasonably be expected to be discharged from the medical institution and to return home.

(b) If the individual is discharged from the medical facility and returns home, the authority shall dissolve the lien.

(9) The authority is authorized to adopt rules to effect recovery under this section. The authority may adopt by rule later enactments of the federal laws referenced in this section.

(10) It is the responsibility of the authority to fully disclose in advance verbally and in writing, in easy to understand language, the terms and conditions of estate recovery to all persons offered care subject to recovery of payments.

(11) In disclosing estate recovery costs to potential clients, and to family members at the consent of the client, the authority shall provide a written description of the community service options.

NEW SECTION. Sec. 98. (1) Overpayments of assistance become a lien against the real and personal property of the recipient from the time of filing by the authority with the county auditor of the county in which the recipient resides or owns property, and the lien claim has preference over the claims of all unsecured creditors.

(2) Debts due the state for overpayments of assistance may be recovered by the state by deduction from the subsequent assistance payments to such persons, lien and foreclosure, or order to withhold and deliver, or may be recovered by civil action.

NEW SECTION. Sec. 99. (1) Any person who owes a debt to the state for an overpayment of assistance must be notified of that debt by either personal service or certified mail, return receipt requested. Personal service, return of the requested receipt, or refusal by the debtor of such notice is proof of notice to the debtor of the debt owed. Service of the notice must be in the manner prescribed for the service of a summons in a civil action. The notice must include a statement of the debt owed; a statement that the property of the debtor will be subject to collection action after the debtor terminates from assistance; a statement that the property will be subject to lien and foreclosure, distraint, seizure and sale, or order to withhold and deliver; and a statement that the net proceeds will be applied to the satisfaction of the overpayment debt. Action to collect the debt by lien and foreclosure, distraint, seizure and sale, or order to withhold and deliver, is lawful after ninety days from the debtor's termination from assistance or the receipt of the notice of debt, whichever is later. This does not preclude the authority from recovering overpayments by deduction from subsequent assistance payments, not exceeding deductions as authorized under federal law with regard to financial assistance programs: PROVIDED, That

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

subject to federal legal requirement, deductions may not exceed five percent of the grant payment standard if the overpayment resulted from error on the part of the authority or error on the part of the recipient without willful or knowing intent of the recipient in obtaining or retaining the overpayment.

(2) A current or former recipient who is aggrieved by a claim that he or she owes a debt for an overpayment of assistance has the right to an adjudicative proceeding pursuant to section 53 of this act. If no application is filed, the debt is subject to collection action as authorized under this chapter. If a timely application is filed, the execution of collection action on the debt is stayed pending the final adjudicative order or termination of the debtor from assistance, whichever occurs later.

NEW SECTION. Sec. 100. (1) After service of a notice of debt for an overpayment as provided for in section 99 of this act, stating the debt accrued, the director may issue to any person, firm, corporation, association, political subdivision, or department of the state an order to withhold and deliver property of any kind including, but not restricted to, earnings which are due, owing, or belonging to the debtor, when the director has reason to believe that there is in the possession of such person, firm, corporation, association, political subdivision, or department of the state property which is due, owing, or belonging to the debtor. The order to withhold and deliver must state the amount of the debt, and must state in summary the terms of this section, RCW 6.27.150 and 6.27.160, chapters 6.13 and 6.15 RCW, 15 U.S.C. Sec. 1673, and other state or federal exemption laws applicable generally to debtors. The order to withhold and deliver must be served in the manner prescribed for the service of a summons in a civil action or by certified mail, return receipt requested. Any person, firm, corporation, association, political subdivision, or department of the state upon whom service has been made shall answer the order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of therein. The director may require further and additional answers to be completed by the person, firm, corporation, association, political subdivision, or department of the state. If any such person, firm, corporation, association, political subdivision, or department of the state possesses any property which may be subject to the claim of the authority, such property must be withheld immediately upon receipt of the order to withhold and deliver and must, after the twenty-day period, upon demand, be delivered forthwith to the director. The director shall hold the property in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability. In the alternative, there may be furnished to the director a good and sufficient bond, satisfactory to the director, conditioned upon final determination of liability. Where money is due and owing under any contract of employment, express or implied, or is held by any person, firm, corporation, association, political subdivision, or department of the state subject to withdrawal by the debtor, such money must be delivered by remittance payable to the order of the director. Delivery to the director, subject to the exemptions under RCW 6.27.150 and 6.27.160, chapters 6.13 and 6.15 RCW, 15 U.S.C. Sec. 1673, and other state or federal law applicable generally to debtors, of the money or other property held or claimed satisfies the requirement of the order to withhold and deliver. Delivery to the director serves as full acquittance, and the state warrants and represents that it shall defend and hold harmless for such actions persons delivering money or property to the director pursuant to this chapter. The state also warrants and represents that it shall defend and hold harmless for such actions persons withholding money or property pursuant to this chapter.

(2) The director shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed by certified mail a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address or, in the alternative, a copy of the order to withhold and deliver must be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter. The copy of the order must be mailed or served together with a concise explanation of the right to petition for a hearing on any issue related to the collection. This requirement is not jurisdictional, but, if the copy is not mailed or served as provided in this section, or if any irregularity appears with respect to the mailing or service, the superior court, on its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the director's failure to serve on or mail to the debtor the copy.

NEW SECTION. Sec. 101. If any person, firm, corporation, association, political subdivision, or department of the state fails to answer an order to withhold and deliver within the time prescribed in section 100 of this act, or fails or refuses to deliver property pursuant to the order, or after actual notice of filing of a lien as provided for in this chapter, pays over, releases, sells, transfers, or conveys real or personal property subject to such lien to or for the benefit of the debtor or any other person, or fails or refuses to surrender upon demand property distrained under section 100 of this act, or fails or refuses to honor an assignment of wages presented by the director, such person, firm, corporation, association, political subdivision, or department of the state is liable to the authority in an amount equal to one hundred percent of the value of the debt which is the basis of the lien, order to withhold and deliver, distraint, or assignment of wages, together with costs, interest, and reasonable attorneys' fees.

NEW SECTION. Sec. 102. Any person, firm, corporation, association, political subdivision, or department employing a person owing a debt for overpayment of assistance received shall honor, according to its terms, a duly executed assignment of earnings presented to the employer by the director as a plan to satisfy or retire an overpayment debt. This requirement to honor the assignment of earnings is applicable whether the earnings are to be paid presently or in the future and continues in force and effect until released in writing by the director. Payment of moneys pursuant to an assignment of earnings presented to the employer by the director serves as full acquittance under any contract of employment, and the state warrants and represents it shall defend and hold harmless such action taken pursuant to the assignment of earnings. The director is released from liability for improper receipt of moneys under assignment of earnings upon return of any moneys so received.

NEW SECTION. Sec. 103. If an improper real property transfer is made as defined in RCW 74.08.331 through 74.08.338, the authority may request the attorney general to file suit to rescind the transaction except as to subsequent bona fide purchasers for value. If it is established by judicial proceedings that a fraudulent conveyance occurred, the value of any assistance which has been furnished may be recovered in any proceedings from the recipient or the recipient's estate.

NEW SECTION. Sec. 104. When the authority provides assistance to persons who possess excess real property under RCW 74.04.005(1)(g), the authority may file a lien against or otherwise perfect its interest in such real property as a condition of granting such assistance, and the authority has the status of a secured creditor.

NEW SECTION. Sec. 105. (1) When the authority determines that a vendor was overpaid by the authority for either goods or services, or both, provided to authority clients, except

nursing homes under chapter 74.46 RCW, the authority shall give written notice to the vendor. The notice must include the amount of the overpayment, the basis for the claim, and the rights of the vendor under this section.

(2) The notice may be served upon the vendor in the manner prescribed for the service of a summons in civil action or be mailed to the vendor at the last known address by certified mail, return receipt requested, demanding payment within twenty days of the date of receipt.

(3) The vendor has the right to an adjudicative proceeding governed by the administrative procedure act, chapter 34.05 RCW, and the rules of the authority. The vendor's application for an adjudicative proceeding must be in writing, state the basis for contesting the overpayment notice, and include a copy of the authority's notice. The application must be served on and received by the authority within twenty-eight days of the vendor's receipt of the notice of overpayment. The vendor must serve the authority in a manner providing proof of receipt.

(4) Where an adjudicative proceeding has been requested, the presiding or reviewing officer shall determine the amount, if any, of the overpayment received by the vendor.

(5) If the vendor fails to attend or participate in the adjudicative proceeding, upon a showing of valid service, the presiding or reviewing officer may enter an administrative order declaring the amount claimed in the notice to be assessed against the vendor and subject to collection action by the authority.

(6) Failure to make an application for an adjudicative proceeding within twenty-eight days of the date of notice results in the establishment of a final debt against the vendor in the amount asserted by the authority and that amount is subject to collection action. The authority may also charge the vendor with any costs associated with the collection of any final overpayment or debt established against the vendor.

(7) The authority may enforce a final overpayment or debt through lien and foreclosure, distraint, seizure and sale, order to withhold and deliver, or other collection action available to the authority to satisfy the debt due.

(8) Debts determined under this chapter are subject to collection action without further necessity of action by a presiding or reviewing officer. The authority may collect the debt in accordance with sections 100, 101, and 106 of this act. In addition, a vendor lien may be subject to distraint and seizure and sale in the same manner as prescribed for support liens in RCW 74.20A.130.

(9) Chapter 66, Laws of 1998 applies to overpayments for goods or services provided on or after July 1, 1998.

(10) The authority may adopt rules consistent with this section.

NEW SECTION. Sec. 106. (1) The authority may, at the director's discretion, secure the repayment of any outstanding overpayment, plus interest, if any, through the filing of a lien against the vendor's real property, or by requiring the posting of a bond, assignment of deposit, or some other form of security acceptable to the authority, or by doing both.

(a) Any lien is effective from the date of filing for record with the county auditor of the county in which the property is located and the lien claim has preference over the claims of all unsecured creditors.

(b) The authority shall review and determine the acceptability of all other forms of security.

(c) Any bond must be issued by a company licensed as a surety in the state of Washington.

(d) This subsection does not apply to nursing homes licensed under chapter 18.51 RCW or portions of hospitals licensed under chapter 70.41 RCW and operating as a nursing home, if those facilities are subject to chapter 74.46 RCW.

2011 1ST SPECIAL SESSION

(2) The authority may recover any overpayment, plus interest, if any, by setoff or recoupment against subsequent payments to the vendor.

NEW SECTION. Sec. 107. Liens created under section 106 of this act bind the affected property for a period of ten years after the lien has been recorded or ten years after the resolution of all good faith disputes as to the overpayment, whichever is later. Any civil action by the authority to enforce such lien must be timely commenced before the ten-year period expires or the lien is released. A civil action to enforce such lien is not timely commenced unless the summons and complaint are filed within the ten-year period in a court having jurisdiction and service of the summons and complaint is made upon all parties in the manner prescribed by appropriate civil court rules.

NEW SECTION. Sec. 108. Any action to enforce a vendor overpayment debt must be commenced within six years from the date of the authority's notice to the vendor.

NEW SECTION. Sec. 109. The remedies under sections 106 and 107 of this act are nonexclusive and nothing contained in this chapter may be construed to impair or affect the right of the authority to maintain a civil action or to pursue any other remedies available to it under the laws of this state to recover such debt.

NEW SECTION. Sec. 110. (1) Except as provided in subsection (4) of this section, vendors shall pay interest on overpayments at the rate of one percent per month or portion thereof. Where partial repayment of an overpayment is made, interest accrues on the remaining balance. Interest must not accrue when the overpayment occurred due to authority error.

(2) If the overpayment is discovered by the vendor prior to discovery and notice by the authority, the interest begins accruing ninety days after the vendor notifies the authority of such overpayment.

(3) If the overpayment is discovered by the authority prior to discovery and notice by the vendor, the interest begins accruing thirty days after the date of notice by the authority to the vendor.

(4) This section does not apply to:

(a) Interagency or intergovernmental transactions; and

(b) Contracts for public works, goods and services procured for the exclusive use of the authority, equipment, or travel.

NEW SECTION. Sec. 111. (1) To avoid a duplicate payment of benefits, a recipient of assistance from the authority is deemed to have subrogated the authority to the recipient's right to recover temporary total disability compensation due to the recipient and the recipient's dependents under Title 51 RCW, to the extent of such assistance or compensation, whichever is less. However, the amount to be repaid to the authority must bear its proportionate share of attorneys' fees and costs, if any, incurred under Title 51 RCW by the recipient or the recipient's dependents.

(2) The authority may assert and enforce a lien and notice to withhold and deliver to secure reimbursement. The authority shall identify in the lien and notice to withhold and deliver the recipient of assistance and temporary total disability compensation and the amount claimed by the authority.

NEW SECTION. Sec. 112. The effective date of the lien and notice to withhold and deliver provided in section 111 of this act is the day that it is received by the department of labor and industries or a self-insurer as defined in chapter 51.08 RCW. Service of the lien and notice to withhold and deliver may be made personally, by regular mail with postage prepaid, or by electronic means. A statement of lien and notice to withhold and deliver must be mailed to the recipient at the recipient's last known address by certified mail, return receipt requested, no later than two business days after the authority mails, delivers, or transmits the lien and notice to withhold and deliver to the department of labor and industries or a self-insurer.

FOURTEENTH DAY, MAY 9, 2011

2011 1ST SPECIAL SESSION

NEW SECTION. Sec. 113. The director of labor and industries or the director's designee, or a self-insurer as defined in chapter 51.08 RCW, following receipt of the lien and notice to withhold and deliver, shall deliver to the director of the authority or the director's designee any temporary total disability compensation payable to the recipient named in the lien and notice to withhold and deliver up to the amount claimed. The director of labor and industries or self-insurer shall withhold and deliver from funds currently in the director's or self-insurer's possession or from any funds that may at any time come into the director's or self-insurer's possession on account of temporary total disability compensation payable to the recipient named in the lien and notice to withhold and deliver.

NEW SECTION. Sec. 114. (1) A recipient feeling aggrieved by the action of the authority in recovering his or her temporary total disability compensation as provided in sections 111 through 115 of this act has the right to an adjudicative proceeding.

(2) A recipient seeking an adjudicative proceeding shall file an application with the director within twenty-eight days after the statement of lien and notice to withhold and deliver was mailed to the recipient. If the recipient files an application more than twenty-eight days after, but within one year of, the date the statement of lien and notice to withhold and deliver was mailed, the recipient is entitled to a hearing if the recipient shows good cause for the recipient's failure to file a timely application. The filing of a late application does not affect prior collection action pending the final adjudicative order. Until good cause for failure to file a timely application is decided, the authority may continue to collect under the lien and notice to withhold and deliver.

(3) The proceeding shall be governed by chapter 34.05 RCW, the administrative procedure act.

NEW SECTION. Sec. 115. Sections 111 through 114 of this act and this section do not apply to persons whose eligibility for benefits under Title 51 RCW is based upon an injury or illness occurring prior to July 1, 1972.

NEW SECTION. Sec. 116. (1) When an individual receives assistance subject to recovery under this chapter and the individual is the holder of record title to real property or the purchaser under a land sale contract, the authority may present to the county auditor for recording in the deed and mortgage records of a county a request for notice of transfer or encumbrance of the real property. The authority shall adopt a rule providing prior notice and hearing rights to the record title holder or purchaser under a land sale contract.

(2) The authority shall present to the county auditor for recording a termination of request for notice of transfer or encumbrance when, in the judgment of the authority, it is no longer necessary or appropriate for the authority to monitor transfers or encumbrances related to the real property.

(3) The authority shall adopt by rule a form for the request for notice of transfer or encumbrance and the termination of request for notice of transfer or encumbrance that, at a minimum:

(a) Contains the name of the assistance recipient and a case identifier or other appropriate information that links the individual who is the holder of record title to real property or the purchaser under a land sale contract to the individual's assistance records;

(b) Contains the legal description of the real property;

(c) Contains a mailing address for the authority to receive the notice of transfer or encumbrance; and

(d) Complies with the requirements for recording in RCW 36.18.010 for those forms intended to be recorded.

(4) The authority shall pay the recording fee required by the county clerk under RCW 36.18.010.

(5) The request for notice of transfer or encumbrance described in this section does not affect title to real property and is not a lien on, encumbrance of, or other interest in the real property.

NEW SECTION. Sec. 117. (1) By December 10, 2011, the department of social and health services and the health care authority shall provide a preliminary report, and by December 1, 2012, provide a final implementation plan, to the governor and the legislature with recommendations regarding the role of the health care authority in the state's purchasing of mental health treatment, substance abuse treatment, and long-term care services, including services for those with developmental disabilities.

(2) The reports shall:

(a) Consider options for effectively coordinating the purchase and delivery of care for people who need long-term care, developmental disabilities, mental health, or chemical dependency services. Options considered may include, but are not limited to, transitioning purchase of these services from the department of social and health services to the health care authority, and strategies for the agencies to collaborate seamlessly while purchasing services separately; and

(b) Address the following components:

(i) Incentives to improve prevention efforts;

(ii) Service delivery approaches, including models for care management and care coordination and benefit design;

(iii) Rules to assure that those requiring long-term care services and supports receive that care in the least restrictive setting appropriate to their needs;

(iv) Systems to measure cost savings;

(v) Mechanisms to measure health outcomes and consumer satisfaction;

(vi) The designation of a single point of entry for financial and functional eligibility determinations for long-term care services; and

(vii) Process for collaboration with local governments.

(3) In developing these recommendations, the agencies shall:

(a) Consult with tribal governments and with interested stakeholders, including consumers, health care and other service providers, health insurance carriers, and local governments; and

(b) Cooperate with the joint select committee on health reform implementation established in House Concurrent Resolution No. 4404 and any of its advisory committees. The agencies shall strongly consider the guidance and input received from these forums in the development of its recommendations.

(4) The agencies shall submit a progress report to the governor and the legislature by November 15, 2013, that provides details on the agencies' progress on purchasing coordination to date.

Sec. 118. RCW 74.09A.005 and 2007 c 179 s 1 are each amended to read as follows:

The legislature finds that:

(1) Simplification in the administration of payment of health benefits is important for the state, providers, and health insurers;

(2) The state, providers, and health insurers should take advantage of all opportunities to streamline operations through automation and the use of common computer standards;

(3) It is in the best interests of the state, providers, and health insurers to identify all third parties that are obligated to cover the cost of health care coverage of joint beneficiaries; and

(4) Health insurers, as a condition of doing business in Washington, must increase their effort to share information with the ~~((department))~~ authority and accept the ~~((department's))~~ authority's timely claims consistent with 42 U.S.C. 1396a(a)(25).

Therefore, the legislature declares that to improve the coordination of benefits between the ~~((department of social and health services))~~ health care authority and health insurers to ensure that medical insurance benefits are properly utilized, a transfer of information between the ~~((department))~~ authority and health insurers should be instituted, and the process for submitting requests for information and claims should be simplified.

Except to the extent expressly authorized in the omnibus operating budget or other legislative act and where necessary to improve coordination of care for individual clients, nothing in this section or in section 117 of this act shall be construed as authorizing the secretary or the director to transfer funds appropriated to one agency or program in the omnibus operating budget to another agency or program.

NEW SECTION. Sec. 125. (1) All powers, duties, and functions of the department of social and health services pertaining to the medical assistance program and the medicaid purchasing administration are transferred to the health care authority to the extent necessary to carry out the purposes of this act. affected, the state auditor, and the state treasurer. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

(7) A nonsupervisory medicaid purchasing unit bargaining unit is created at the health care authority. MESSAGE FROM THE HOUSE

May 9, 2011

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5596 with the following amendment(s): 5596-S2.E AMH CODY H2780.3

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that mounting budget pressures combined with growth in enrollment and constraints in the medicaid program have forced open discussion throughout the country and in our state concerning complete withdrawal from the medicaid program. The legislature recognizes that a better and more sustainable way forward would involve new state flexibility for managing its medicaid program built on the success of the basic health plan and Washington's transitional bridge waiver, where elements of consumer participation and choice, benefit design flexibility, and payment flexibility have helped keep costs low. The legislature further finds that either a centers for medicare and medicaid services' innovation center project or a section 1115 demonstration project, or both, with capped eligibility group per capita payments would allow the state to operate as a laboratory of innovation for bending the cost curve, preserving the safety net, and improving the management of care for low-income populations.

NEW SECTION. **Sec. 2.** A new section is added to chapter 74.09 RCW to read as follows:

(1) By October 1, 2011, the department shall submit a request to the centers for medicare and medicaid services' innovation center and, if necessary, a request under section 1115 of the social security act, to implement a medicaid and state children's health insurance program demonstration project. The demonstration project shall be

designed to achieve the broadest federal financial participation and, to the extent permitted under federal law, shall authorize:

(a) Establishment of base-year, eligibility group per capita payments, with maximum flexibility provided to the state for managing the health care trend and provisions for shared savings if per capita expenditures are below the negotiated rates. The capped eligibility group per capita payments shall: (i) Be based on targeted per capita costs for the full duration of the demonstration period; (ii) include due consideration and flexibility for unforeseen events, changes in the delivery of health care, and changes in federal or state law; and (iii) take into account the effect of the federal patient protection and affordable care act on federal resources devoted to medicaid and state children's health insurance programs. Federal payments for each eligibility group shall be based on the product of the negotiated per capita payments for the eligibility group multiplied by the actual caseload for the eligibility group;

(b) Coverage of benefits determined to be essential health benefits under section 1302(b) of the federal patient protection and affordable care act, 42 U.S.C. 18022(b), with coverage of benefits in addition to the essential health benefits as appropriate for distinct categories of enrollees such as children, pregnant women, individuals with disabilities, and elderly adults.

(c) Limited, reasonable, and enforceable cost sharing and premiums to encourage informed consumer behavior and appropriate utilization of health services, while ensuring that access to evidence-based, preventative and primary care is not hindered;

(d) Streamlined eligibility determinations;

(e) Innovative reimbursement methods such as bundled, global, and risk-bearing payment arrangements, that promote effective purchasing, efficient use of health services, and support health homes, accountable care organizations, and other innovations intended to contain costs, improve health, and incent smart consumer decision making;

(f) Clients to voluntarily enroll in the insurance exchange, and broadened enrollment in employer-sponsored insurance when available and deemed cost-effective for the state, with authority to require clients to remain enrolled in their chosen plan for the calendar year;

(g) An expedited process of forty-five days or less in which the centers for medicare and medicaid services must respond to any state request for changes to the demonstration project once it is implemented to ensure that the state has the necessary flexibility to manage within its eligibility group per capita payment caps; and

(h) The development of an alternative payment methodology for federally qualified health centers and rural health clinics that enables capitated or global payment of enhanced payments.

(2) The department shall provide status reports to the joint legislative select committee on health reform implementation as requested by the committee.

(3) The department shall provide multiple opportunities for stakeholders and the general public to review and comment on the request as it developed.

(4) The department shall identify changes to state law necessary to ensure successful and timely implementation of the demonstration project."

Correct the title. and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

May 9, 2011

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5927 with the following amendment(s): 5927-S.E AMH WAYS H2773.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) There is an increasing level of dispute and uncertainty regarding the amount of payment nonparticipating providers may receive for health care services provided to enrollees of state purchased health care programs designed to serve low-income individuals and families, such as basic health and the medicaid managed care programs;

(b) The dispute has resulted in litigation, including a recent Washington superior court ruling that determined nonparticipating providers were entitled to receive billed charges from a managed health care system for services provided to medicaid and basic health plan enrollees. The decision would allow a nonparticipating provider to demand and receive payment in an amount exceeding the payment managed health care system network providers receive for the same services. Similar provider lawsuits have now been filed in other jurisdictions in the state;

(c) In the biennial operating budget, the legislature has previously indicated its intent that payment to nonparticipating providers for services provided to medicaid managed care enrollees should be limited to amounts paid to medicaid fee-for-service providers. The duration of these provisions is limited to the period during which the operating budget is in effect. A more permanent resolution of these issues is needed; and

(d) Continued failure to resolve this dispute will have adverse impacts on state purchased health care programs serving low-income enrollees, including: (i) Diminished ability for the state to negotiate cost-effective contracts with managed health care systems; (ii) a potential for significant reduction in the willingness of providers to participate in managed health care system provider networks; (iii) a reduction in providers participating in the managed health care systems; and (iv) increased exposure for program enrollees to balance billing practices by nonparticipating providers. Ultimately, fewer eligible people will get the care they need as state purchased health care programs will operate with less efficiency and reduced access to cost-effective and quality health care coverage for program enrollees.

(2) It is the intent of the legislature to create a legislative solution that reduces the cost borne by the state to provide public health care coverage to low-income enrollees in managed health care systems, protects enrollees and state purchased health care programs from balance billing by nonparticipating providers, provides appropriate payment to health care providers for services provided to enrollees of state purchased health care programs, and limits the risk for managed health care systems that contract with the state programs.

Sec. 2. RCW 74.09.522 and 1997 c 59 s 15 and 1997 c 34 s 1 are each reenacted and amended to read as follows:

(1) For the purposes of this section(§):

(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under ((RCW 74.09.520)) this chapter and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system.

(2) The department of social and health services shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:

(a) Agreements shall be made for at least thirty thousand recipients statewide;

(b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;

(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the department may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed

FIFTEENTH DAY, MAY 10, 2011

2011 1ST SPECIAL SESSION

twelve months: AND PROVIDED FURTHER, That the department shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the department by rule;

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the department under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(e) In negotiating with managed health care systems the department shall adopt a uniform procedure to negotiate and enter into contractual arrangements, including standards regarding the quality of services to be provided; and financial integrity of the responding system;

(f) The department shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The department shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the department may enter into prepaid capitation contracts that do not include inpatient care;

(h) The department shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services; and

(i) Nothing in this section prevents the department from entering into similar agreements for other groups of people eligible to receive services under this chapter.

(3) The department shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The department shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The department shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the department in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the department to the extent that minimum contracting requirements defined by the department are met, at payment rates that enable the department to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the department, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The department shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the department to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the department and contract bidders or the department and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document. In designing such procedures, the department shall give strong consideration to the negotiation and dispute resolution processes used by the Washington state health care authority in its managed health care contracting activities.

(6) The department may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(8) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after the effective date of this section, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (7) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(9) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the department, including hospital-based physician services. The department will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the department will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(10) Subsections (7) through (9) of this section expire July 1, 2016.

2011 1ST SPECIAL SESSION

(2) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(3) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the authority, including hospital-based physician services. The authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. When no economic trends and conditions factor or factors for either fiscal year are defined in a biennial appropriations act, no economic trends and conditions factor or factors defined in any earlier biennial appropriations act shall be applied solely or compounded to the operations component rate allocation established in accordance with this chapter.

(8) Total payment rates under the nursing facility medicaid payment system shall not exceed facility rates charged to the general public for comparable services.

(9) The department shall establish in rule procedures, principles, and conditions for determining component rate allocations for facilities in circumstances not directly addressed by this chapter, including but not limited to: Inflation adjustments for partial-period cost report data, newly constructed facilities, existing facilities entering the medicaid program for the first time or after a period of absence from the program, existing facilities with expanded new bed capacity, existing medicaid facilities following a change of ownership of the nursing facility business, facilities temporarily reducing the number of set-up beds during a remodel, facilities having less than six months of either resident assessment, cost report data, or both, under the current contractor prior to rate setting, and other circumstances.

(10) The department shall establish in rule procedures, principles, and conditions, including necessary threshold costs, for adjusting rates to reflect capital improvements or new requirements imposed by the department or the federal government. Any such rate adjustments are subject to the provisions of RCW 74.46.421.

(11) Effective July 1, 2010, there shall be no rate adjustment for facilities with banked beds. For purposes of calculating minimum

occupancy, licensed beds include any beds banked under chapter 70.38 RCW.

(12) Facilities obtaining a certificate of need or a certificate of need exemption under chapter 70.38 RCW after June 30, 2001, must have a certificate of capital authorization in order for (a) the depreciation resulting from the capitalized addition to be included in calculation of the facility's property component rate allocation; and (b) the net invested funds associated with the capitalized addition to be included in calculation of the facility's financing allowance rate allocation.

Sec. 2. RCW 74.46.435 and 2010 1st sp.s. c 34 s 5 are each amended to read as follows:

(1) The property component rate allocation for each facility shall be determined by dividing the sum of the reported allowable prior period actual depreciation, subject to department rule, adjusted for any capitalized additions or replacements approved by the department, and the retained savings from such cost center, by the greater of a facility's total resident days in the prior period or resident days as calculated on ~~((eighty-five))~~ eighty-seven percent facility occupancy for essential community providers, ~~((ninety))~~ ninety-two percent occupancy for small nonessential community providers, or ~~((ninety-two))~~ ninety-five percent facility occupancy for large nonessential community providers. If a capitalized addition or retirement of an asset will result in a different licensed bed capacity during the ensuing period, the prior period total resident days used in computing the property component rate shall be adjusted to anticipated resident day level.

(2) A nursing facility's property component rate allocation shall be rebased annually, effective July 1st, in accordance with this section and this chapter.

(3) When a certificate of need for a new facility is requested, the department, in reaching its decision, shall take into consideration per-bed land and building construction costs for the facility which shall not exceed a maximum to be established by the secretary.

(4) The property component rate allocations calculated in accordance with this section shall be adjusted to the extent necessary to comply with RCW 74.46.421.

Sec. 3. RCW 74.46.437 and 2001 1st sp.s. c 8 s 8 are each amended to read as follows:

(1) ~~((Beginning July 1, 1999,))~~ The department shall establish for each medicaid nursing facility a financing allowance component rate allocation. The financing allowance component rate shall be rebased annually, effective July 1st, in accordance with the provisions of this section and this chapter.

(2) ~~((Effective July 1, 2001,))~~ The financing allowance ~~((shall be))~~ is determined by multiplying the net invested funds of each facility by ~~((10))~~ .04, and dividing by the greater of a nursing facility's total resident days from the most recent cost report period or resident days calculated on ~~((eighty-five))~~ eighty-seven percent facility occupancy~~((— Effective July 1, 2002, the financing allowance component rate allocation for all facilities, other than essential community providers, shall be set by using the greater of a facility's total resident days from the most recent cost report period or resident days calculated at ninety percent facility occupancy. However, assets acquired on or after May 17, 1999, shall be grouped in a separate financing allowance calculation that shall be multiplied by .085. The financing allowance factor of .085 shall not be applied to the net invested funds pertaining to new construction or major renovations receiving certificate of need approval or an exemption from certificate of need requirements under chapter 70.38 RCW, or to working drawings that have been submitted to the department of health for construction review approval, prior to May 17, 1999))~~ for essential community providers, ninety-two percent facility occupancy for small nonessential community providers, or ninety-five percent occupancy for large nonessential community

providers. If a capitalized addition, renovation, replacement, or retirement of an asset will result in a different licensed bed capacity during the ensuing period, the prior period total resident days used in computing the financing allowance shall be adjusted to the greater of the anticipated resident day level or ~~((eighty-five))~~ eighty-seven percent of the new licensed bed capacity for essential community providers, ninety-two percent facility occupancy for small nonessential community providers, or ninety-five percent occupancy for large nonessential community providers. ~~((Effective July 1, 2002, for all facilities, other than essential community providers, the total resident days used to compute the financing allowance after a capitalized addition, renovation, replacement, or retirement of an asset shall be set by using the greater of a facility's total resident days from the most recent cost report period or resident days calculated at ninety percent facility occupancy.))~~

(3) In computing the portion of net invested funds representing the net book value of tangible fixed assets, the same assets, depreciation bases, lives, and methods referred to in ~~((RCW 74.46.330, 74.46.350, 74.46.360, 74.46.370, and 74.46.380))~~ department rule, including owned and leased assets, shall be utilized, except that the capitalized cost of land upon which the facility is located and such other contiguous land which is reasonable and necessary for use in the regular course of providing resident care ~~((shall))~~ must also be included. Subject to provisions and limitations contained in this chapter, for land purchased by owners or lessors before July 18, 1984, capitalized cost of land ~~((shall be))~~ is the buyer's capitalized cost. For all partial or whole rate periods after July 17, 1984, if the land is purchased after July 17, 1984, capitalized cost ~~((shall be))~~ is that of the owner of record on July 17, 1984, or buyer's capitalized cost, whichever is lower. In the case of leased facilities where the net invested funds are unknown or the contractor is unable to provide necessary information to determine net invested funds, the secretary ~~((shall have))~~ has the authority to determine an amount for net invested funds based on an appraisal conducted according to ~~((RCW 74.46.360(1))~~ department rule.

(4) ~~((Effective July 1, 2001, for the purpose of calculating a nursing facility's financing allowance component rate, if a contractor has elected to bank licensed beds prior to May 25, 2001, or elects to convert banked beds to active service at any time, under chapter 70.38 RCW, the department shall use the facility's new licensed bed capacity to recalculate minimum occupancy for rate setting and revise the financing allowance component rate, as needed, effective as of the date the beds are banked or converted to active service. However, in no case shall the department use less than eighty-five percent occupancy of the facility's licensed bed capacity after banking or conversion. Effective July 1, 2002, in no case, other than for essential community providers, shall the department use less than ninety percent occupancy of the facility's licensed bed capacity after conversion.))~~

~~((5))~~ The financing allowance rate allocation calculated in accordance with this section shall be adjusted to the extent necessary to comply with RCW 74.46.421.

Sec. 4. RCW 74.46.485 and 2010 1st sp.s. c 34 s 9 are each amended to read as follows:

(1) The department shall:

(a) Employ the resource utilization group III case mix classification methodology. The department shall use the forty-four group index maximizing model for the resource utilization group III grouper version 5.10, but the department may revise or update the classification methodology to reflect advances or refinements in resident assessment or classification, subject to federal requirements. The department may adjust the case mix index for any of the lowest ten resource utilization group categories

beginning with PA1 through PE2 to any case mix index that aids in achieving the purpose and intent of RCW 74.39A.007 and cost-efficient care; and

(b) Implement minimum data set 3.0 under the authority of this section and RCW 74.46.431(3). The department must notify nursing home contractors twenty-eight days in advance the date of implementation of the minimum data set 3.0. In the notification, the department must identify for all semiannual rate settings following the date of minimum data set 3.0 implementation a previously established semiannual case mix adjustment established for the semiannual rate settings that will be used for semiannual case mix calculations in direct care until minimum data set 3.0 is fully implemented. ~~((After the department has fully implemented minimum data set 3.0, it must adjust any semiannual rate setting in which it used the previously established case mix adjustment using the new minimum data set 3.0 data.))~~

(2) A default case mix group shall be established for cases in which the resident dies or is discharged for any purpose prior to completion of the resident's initial assessment. The default case mix group and case mix weight for these cases shall be designated by the department.

(3) A default case mix group may also be established for cases in which there is an untimely assessment for the resident. The default case mix group and case mix weight for these cases shall be designated by the department.

Sec. 5. RCW 74.46.496 and 2010 1st sp.s. c 34 s 10 are each amended to read as follows:

(1) Each case mix classification group shall be assigned a case mix weight. The case mix weight for each resident of a nursing facility for each calendar quarter or six-month period during a calendar year shall be based on data from resident assessment instruments completed for the resident and weighted by the number of days the resident was in each case mix classification group. Days shall be counted as provided in this section.

(2) The case mix weights shall be based on the average minutes per registered nurse, licensed practical nurse, and certified nurse aide, for each case mix group, and using the United States department of health and human services ~~((1995))~~ nursing facility staff time measurement study ~~((stemming from its multistate nursing home case mix and quality demonstration project)).~~ Those minutes shall be weighted by statewide ratios of registered nurse to certified nurse aide, and licensed practical nurse to certified nurse aide, wages, including salaries and benefits, which shall be based on ~~((1995))~~ cost report data for this state.

(3) The case mix weights shall be determined as follows:

(a) Set the certified nurse aide wage weight at 1.000 and calculate wage weights for registered nurse and licensed practical nurse average wages by dividing the certified nurse aide average wage into the registered nurse average wage and licensed practical nurse average wage;

(b) Calculate the total weighted minutes for each case mix group in the resource utilization group ~~((III))~~ classification system by multiplying the wage weight for each worker classification by the average number of minutes that classification of worker spends caring for a resident in that resource utilization group ~~((III))~~ classification group, and summing the products;

(c) Assign ~~((a))~~ the lowest case mix weight ~~((of 1.000))~~ to the resource utilization group ~~((III classification group))~~ with the lowest total weighted minutes and calculate case mix weights by dividing the lowest group's total weighted minutes into each group's total weighted minutes and rounding weight calculations to the third decimal place.

(4) The case mix weights in this state may be revised if the United States department of health and human services updates its nursing facility staff time measurement studies. The case mix

weights shall be revised, but only when direct care component rates are cost-rebased as provided in subsection (5) of this section, to be effective on the July 1st effective date of each cost-rebased direct care component rate. However, the department may revise case mix weights more frequently if, and only if, significant variances in wage ratios occur among direct care staff in the different caregiver classifications identified in this section.

(5) Case mix weights shall be revised when direct care component rates are cost-rebased as provided in RCW 74.46.431(4).

Sec. 6. RCW 74.46.501 and 2010 1st sp.s. c 34 s 11 are each amended to read as follows:

(1) From individual case mix weights for the applicable quarter, the department shall determine two average case mix indexes for each medicaid nursing facility, one for all residents in the facility, known as the facility average case mix index, and one for medicaid residents, known as the medicaid average case mix index.

(2)(a) In calculating a facility's two average case mix indexes for each quarter, the department shall include all residents or medicaid residents, as applicable, who were physically in the facility during the quarter in question based on the resident assessment instrument completed by the facility and the requirements and limitations for the instrument's completion and transmission (January 1st through March 31st, April 1st through June 30th, July 1st through September 30th, or October 1st through December 31st).

(b) The facility average case mix index shall exclude all default cases as defined in this chapter. However, the medicaid average case mix index shall include all default cases.

(3) Both the facility average and the medicaid average case mix indexes shall be determined by multiplying the case mix weight of each resident, or each medicaid resident, as applicable, by the number of days, as defined in this section and as applicable, the resident was at each particular case mix classification or group, and then averaging.

(4) In determining the number of days a resident is classified into a particular case mix group, the department shall determine a start date for calculating case mix grouping periods as specified by rule.

(5) The cutoff date for the department to use resident assessment data, for the purposes of calculating both the facility average and the medicaid average case mix indexes, and for establishing and updating a facility's direct care component rate, shall be one month and one day after the end of the quarter for which the resident assessment data applies.

(6)(a) Although the facility average and the medicaid average case mix indexes shall both be calculated quarterly, the cost-rebasing period facility average case mix index will be used throughout the applicable cost-rebasing period in combination with cost report data as specified by RCW 74.46.431 and 74.46.506, to establish a facility's allowable cost per case mix unit. To allow for the transition to minimum data set 3.0 and implementation of resource utilization group IV for July 1, 2011, through June 30, 2013, the department shall calculate rates using the medicaid average case mix scores effective for January 1, 2011, rates adjusted under RCW 74.46.485(1)(a), and the scores shall be increased each six months during the transition period by one-half of one percent. The July 1, 2013, direct care cost per case mix unit shall be calculated by utilizing 2011 direct care costs, patient days, and 2011 facility average case mix indexes based on the minimum data set 3.0 resource utilization group IV grouper 57. A facility's medicaid average case mix index shall be used to update a nursing facility's direct care component rate semiannually.

(b) The facility average case mix index used to establish each nursing facility's direct care component rate shall be based on an average of calendar quarters of the facility's average case mix

indexes from the four calendar quarters occurring during the cost report period used to rebase the direct care component rate allocations as specified in RCW 74.46.431.

(c) The medicaid average case mix index used to update or recalibrate a nursing facility's direct care component rate semiannually shall be from the calendar six-month period commencing nine months prior to the effective date of the semiannual rate. For example, July 1, 2010, through December 31, 2010, direct care component rates shall utilize case mix averages from the October 1, 2009, through March 31, 2010, calendar quarters, and so forth.

Sec. 7. RCW 74.46.506 and 2010 1st sp.s. c 34 s 12 are each amended to read as follows:

(1) The direct care component rate allocation corresponds to the provision of nursing care for one resident of a nursing facility for one day, including direct care supplies. Therapy services and supplies, which correspond to the therapy care component rate, shall be excluded. The direct care component rate includes elements of case mix determined consistent with the principles of this section and other applicable provisions of this chapter.

(2) The department shall determine and update semiannually for each nursing facility serving medicaid residents a facility-specific per-resident day direct care component rate allocation, to be effective on the first day of each six-month period. In determining direct care component rates the department shall utilize, as specified in this section, minimum data set resident assessment data for each resident of the facility, as transmitted to, and if necessary corrected by, the department in the resident assessment instrument format approved by federal authorities for use in this state.

(3) The department may question the accuracy of assessment data for any resident and utilize corrected or substitute information, however derived, in determining direct care component rates. The department is authorized to impose civil fines and to take adverse rate actions against a contractor, as specified by the department in rule, in order to obtain compliance with resident assessment and data transmission requirements and to ensure accuracy.

(4) Cost report data used in setting direct care component rate allocations shall be for rate periods as specified in RCW 74.46.431(4)(a).

(5) The department shall rebase each nursing facility's direct care component rate allocation as described in RCW 74.46.431, adjust its direct care component rate allocation for economic trends and conditions as described in RCW 74.46.431, and update its medicaid average case mix index as described in RCW 74.46.496 and 74.46.501, consistent with the following:

(a) Adjust total direct care costs reported by each nursing facility for the applicable cost report period specified in RCW 74.46.431(4)(a) to reflect any department adjustments, and to eliminate reported resident therapy costs and adjustments, in order to derive the facility's total allowable direct care cost;

(b) Divide each facility's total allowable direct care cost by its adjusted resident days for the same report period, to derive the facility's allowable direct care cost per resident day;

(c) Divide each facility's adjusted allowable direct care cost per resident day by the facility average case mix index for the applicable quarters specified by RCW 74.46.501(6)(b) to derive the facility's allowable direct care cost per case mix unit;

(d) Divide nursing facilities into at least two and, if applicable, three peer groups: Those located in nonurban counties; those located in high labor-cost counties, if any; and those located in other urban counties;

(e) Array separately the allowable direct care cost per case mix unit for all facilities in nonurban counties; for all facilities in high labor-cost counties, if applicable; and for all facilities in other urban

2011 1ST SPECIAL SESSION

counties, and determine the median allowable direct care cost per case mix unit for each peer group;

(f) Determine each facility's semiannual direct care component rate as follows:

(i) Any facility whose allowable cost per case mix unit is greater than one hundred (~~(twelve)~~) ten percent of the peer group median established under (e) of this subsection shall be assigned a cost per case mix unit equal to one hundred (~~(twelve)~~) ten percent of the peer group median, and shall have a direct care component rate allocation equal to the facility's assigned cost per case mix unit multiplied by that facility's medicaid average case mix index from the applicable six-month period specified in RCW 74.46.501(6)(c);

(ii) Any facility whose allowable cost per case mix unit is less than or equal to one hundred (~~(twelve)~~) ten percent of the peer group median established under (e) of this subsection shall have a direct care component rate allocation equal to the facility's allowable cost per case mix unit multiplied by that facility's medicaid average case mix index from the applicable six-month period specified in RCW 74.46.501(6)(c).

(6) The direct care component rate allocations calculated in accordance with this section shall be adjusted to the extent necessary to comply with RCW 74.46.421.

(7) Costs related to payments resulting from increases in direct care component rates, granted under authority of RCW 74.46.508 for a facility's exceptional care residents, shall be offset against the facility's examined, allowable direct care costs, for each report year or partial period such increases are paid. Such reductions in allowable direct care costs shall be for rate setting, settlement, and other purposes deemed appropriate by the department.

Sec. 8. RCW 74.46.515 and 2010 1st sp.s. c 34 s 15 are each amended to read as follows:

(1) The support services component rate allocation corresponds to the provision of food, food preparation, dietary, housekeeping, and laundry services for one resident for one day.

(2) The department shall determine each medicaid nursing facility's support services component rate allocation using cost report data specified by RCW 74.46.431(6).

(3) To determine each facility's support services component rate allocation, the department shall:

(a) Array facilities' adjusted support services costs per adjusted resident day, as determined by dividing each facility's total allowable support services costs by its adjusted resident days for the same report period, increased if necessary to a minimum occupancy provided by RCW 74.46.431(2), for each facility from facilities' cost reports from the applicable report year, for facilities located within urban counties, and for those located within nonurban counties and determine the median adjusted cost for each peer group;

(b) Set each facility's support services component rate at the lower of the facility's per resident day adjusted support services costs from the applicable cost report period or the adjusted median per resident day support services cost for that facility's peer group, either urban counties or nonurban counties, plus (~~(ten)~~) eight percent; and

(c) Adjust each facility's support services component rate for economic trends and conditions as provided in RCW 74.46.431(6).

(4) The support services component rate allocations calculated in accordance with this section shall be adjusted to the extent necessary to comply with RCW 74.46.421.

Sec. 9. RCW 74.46.521 and 2010 1st sp.s. c 34 s 16 are each amended to read as follows:

(1) The operations component rate allocation corresponds to the general operation of a nursing facility for one resident for one day, including but not limited to management, administration, utilities, office supplies, accounting and bookkeeping, minor building maintenance, minor equipment repairs and replacements, and other

supplies and services, exclusive of direct care, therapy care, support services, property, financing allowance, and variable return.

(2) The department shall determine each medicaid nursing facility's operations component rate allocation using cost report data specified by RCW 74.46.431(7)(a). Operations component rates for essential community providers shall be based upon a minimum occupancy of (~~(eighty-five)~~) eighty-seven percent of licensed beds. Operations component rates for small nonessential community providers shall be based upon a minimum occupancy of (~~(ninety)~~) ninety-two percent of licensed beds. Operations component rates for large nonessential community providers shall be based upon a minimum occupancy of (~~(ninety-two)~~) ninety-five percent of licensed beds.

(3) For all calculations and adjustments in this subsection, the department shall use the greater of the facility's actual occupancy or an (~~(imputed)~~) occupancy equal to (~~(eighty-five)~~) eighty-seven percent for essential community providers, (~~(ninety)~~) ninety-two percent for small nonessential community providers, or (~~(ninety-two)~~) ninety-five percent for large nonessential community providers. To determine each facility's operations component rate the department shall:

(a) Array facilities' adjusted general operations costs per adjusted resident day, as determined by dividing each facility's total allowable operations cost by its adjusted resident days for the same report period for facilities located within urban counties and for those located within nonurban counties and determine the median adjusted cost for each peer group;

(b) Set each facility's operations component rate at the lower of:

(i) The facility's per resident day adjusted operations costs from the applicable cost report period adjusted if necessary for minimum occupancy; or

(ii) The adjusted median per resident day general operations cost for that facility's peer group, urban counties or nonurban counties; and

(c) Adjust each facility's operations component rate for economic trends and conditions as provided in RCW 74.46.431(7)(b).

(4) The operations component rate allocations calculated in accordance with this section shall be adjusted to the extent necessary to comply with RCW 74.46.421.

NEW SECTION. Sec. 10. A new section is added to chapter 74.46 RCW to read as follows:

(1) The department shall establish a skilled nursing facility safety net assessment medicaid share pass through or rate add-on to reimburse the medicaid share of the skilled nursing facility safety net assessment as a medicaid allowable cost consistent with section 15 of this act. This add-on shall not be considered an allowable cost for future year cost rebasing.

(2) As of the effective date of this section, supplemental payments to reimburse medicaid expenditures, including an amount to reimburse the medicaid share of the skilled nursing facility safety net assessment, not to exceed the annual medicare upper payment limit, must be provided for all years when the skilled nursing facility safety net assessment is levied, consistent with section 15 of this act. These supplemental payments, at a minimum, must be sufficient to reimburse the medicaid share of the assessment for those paying the assessment. The part of these supplemental payments that reimburses the medicaid share of the assessment are not subject to the reconciliation and settlement process provided in RCW 74.46.022(6).

NEW SECTION. Sec. 11. (1) For fiscal years 2012 and 2013 and subject to appropriation, the department of social and health services shall do a comparative analysis of the facility-based payment rates calculated on July 1, 2011, using the payment methodology defined in chapter 74.46 RCW as modified by

FIFTEENTH DAY, MAY 10, 2011

sections 1 through 9 of this act, to the facility-based payment rates in effect June 30, 2010. If the facility-based payment rate calculated on July 1, 2011, is smaller than the facility-based payment rate on June 30, 2011, the difference shall be provided to the individual nursing facilities as an add-on payment per medicaid resident day.

(2) During the comparative analysis performed in subsection (1) of this section, if it is found that the direct care rate for any facility calculated under sections 1 through 9 of this act is greater than the direct care rate in effect on June 30, 2010, then the facility shall receive a ten percent direct care rate add-on to compensate that facility for taking on more acute clients than they have in the past.

(3) The rate add-ons provided in subsection (2) of this section are subject to the reconciliation and settlement process provided in RCW 74.46.022(6).

NEW SECTION. Sec. 12. PURPOSE, FINDINGS, AND INTENT. (1) It is the intent of the legislature to encourage maximization of financial resources eligible and available for medicaid services by establishing the skilled nursing facility safety net trust fund to receive skilled nursing facility safety net assessments to use in securing federal matching funds under federally prescribed programs available through the state medicaid plan.

(2) The purpose of this chapter is to provide for a safety net assessment on certain Washington skilled nursing facilities, which will be used solely to support payments to skilled nursing facilities for medicaid services.

(3) The legislature finds that:

(a) Washington skilled nursing facilities have proposed a skilled nursing facility safety net assessment to generate additional state and federal funding for the medicaid program, which will be used in part to restore recent reductions in skilled nursing facility reimbursement rates and provide for an increase in medicaid reimbursement rates; and

(b) The skilled nursing facility safety net assessment and skilled nursing facility safety net trust fund created in this chapter allows the state to generate additional federal financial participation for the medicaid program and provides for increased reimbursement to skilled nursing facilities.

(4) In adopting this chapter, it is the intent of the legislature:

(a) To impose a skilled nursing facility safety net assessment to be used solely for the purposes specified in this chapter;

(b) That funds generated by the assessment, including matching federal financial participation, shall not be used for purposes other than as specified in this chapter;

(c) That the total amount assessed not exceed the amount needed, in combination with all other available funds, to support the reimbursement rates and other payments authorized by this chapter, including payments under section 15 of this act; and

(d) To condition the assessment and use of the resulting funds on receiving federal approval for receipt of additional federal financial participation.

NEW SECTION. Sec. 13. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Certain high volume medicaid nursing facilities" means the fewest number of facilities necessary with the highest number of medicaid days or total patient days annually to meet the statistical redistribution test at 42 C.F.R. Sec. 433.68(e)(2).

(2) "Continuing care retirement community" means a facility that provides a continuum of services by one operational entity or related organization providing independent living services, or boarding home or assisted living services under chapter 18.20 RCW, and skilled nursing services under chapter 18.51 RCW in a single contiguous campus. The number of licensed nursing home beds must be sixty percent or less of the total number of beds

available in the entire continuing care retirement community. For purposes of this subsection "contiguous" means land adjoining or touching other property held by the same or related organization including land divided by a public road.

(3) "Deductions from revenue" means reductions from gross revenue resulting from an inability to collect payment of charges. Such reductions include bad debt, contractual adjustments, policy discounts and adjustments, and other such revenue deductions.

(4) "Department" means the department of social and health services.

(5) "Fund" means the skilled nursing facility safety net trust fund.

(6) "Hospital based" means a nursing facility that is physically part of, or contiguous to, a hospital. For purposes of this subsection "contiguous" has the same meaning as in subsection (2) of this section.

(7) "Medicare patient day" means a patient day for medicare beneficiaries on a medicare part A stay, medicare hospice stay, and a patient day for persons who have opted for managed care coverage using their medicare benefit.

(8) "Medicare upper payment limit" means the limitation established by federal regulations, 42 C.F.R. Sec. 447.272, that disallows federal matching funds when state medicaid agencies pay certain classes of nursing facilities an aggregate amount for services that would exceed the amount that would be paid for the same services furnished by that class of nursing facilities under medicare payment principles.

(9) "Net resident service revenue" means gross revenue from services to nursing facility residents less deductions from revenue. Net resident service revenue does not include other operating revenue or nonoperating revenue.

(10) "Nonexempt nursing facility" means a nursing facility that is not exempt from the skilled nursing facility safety net assessment.

(11) "Nonoperating revenue" means income from activities not relating directly to the day-to-day operations of an organization. Nonoperating revenue includes such items as gains on disposal of a facility's assets, dividends, and interest from security investments, gifts, grants, and endowments.

(12) "Nursing facility," "facility," or "skilled nursing facility" has the same meaning as "nursing home" as defined in RCW 18.51.010.

(13) "Other operating revenue" means income from nonresident care services to residents, as well as sales and activities to persons other than residents. It is derived in the course of operating the facility such as providing personal laundry service for residents or from other sources such as meals provided to persons other than residents, personal telephones, gift shops, and vending machines.

(14) "Related organization" means an entity which is under common ownership and/or control with, or has control of, or is controlled by, the contractor, as defined under chapter 74.46 RCW.

(a) "Common ownership" exists when an entity is the beneficial owner of five percent or more ownership interest in the contractor, as defined under chapter 74.46 RCW and any other entity.

NEW SECTION. Sec. 14. SKILLED NURSING FACILITY SAFETY NET ASSESSMENT FUND. (1) There is

FIFTEENTH DAY, MAY 10, 2011

2011 1ST SPECIAL SESSION

established in the state treasury the skilled nursing facility safety net trust fund. The purpose and use of the fund shall be to receive and disburse funds, together with accrued interest, in accordance with this chapter. Moneys in the fund, including interest earned, shall not be used or disbursed for any purposes other than those specified in this chapter. Any amounts expended from the fund that are later recouped by the department on audit or otherwise shall be returned to the fund.

(2) The skilled nursing facility safety net trust fund must be a separate and continuing fund, and no money in the fund reverts to the state general fund at any time. All assessments, interest, and penalties collected by the department under sections 15, 16, and 20 of this act shall be deposited into the fund.

(3) Any money received under sections 15, 16, and 20 of this act must be deposited in the state treasury for credit to the skilled nursing facility safety net trust fund, and must be expended, to the extent authorized by federal law, to obtain federal financial participation in the medicaid program and to maintain and enhance nursing facility rates in a manner set forth in subsection (4) of this section.

(4) Disbursements from the fund may be made only as follows:

(a) As an immediate pass-through or rate add-on to reimburse the medicaid share of the skilled nursing facility safety net assessment as a medicaid allowable cost;

(b) To make medicaid payments for nursing facility services in accordance with chapter 74.46 RCW and pursuant to this chapter;

(c) To refund erroneous or excessive payments made by skilled nursing facilities pursuant to this chapter;

(d) To administer the provisions of this chapter the department may expend an amount not to exceed one-half of one percent of the money received from the assessment, and must not exceed the amount authorized for expenditure by the legislature for administrative expenses in a fiscal year;

(e) To repay the federal government for any excess payments made to skilled nursing facilities from the fund if the assessments or payment increases set forth in this chapter are deemed out of compliance with federal statutes and regulations and all appeals have been exhausted. In such a case, the department may require skilled nursing facilities receiving excess payments to refund the payments in question to the fund. The state in turn shall return funds to the federal government in the same proportion as the original financing. If a skilled nursing facility is unable to refund payments, the state shall either develop a payment plan or deduct moneys from future medicaid payments, or both; and

(f) To increase nursing facility payments to fund covered services to medicaid beneficiaries within medicare upper limits.

(5) Any positive balance in the fund at the end of a fiscal year shall be applied to reduce the assessment amount for the subsequent fiscal year in accordance with section 16(1)(c)(i) of this act.

(6) Upon termination of the assessment, any amounts remaining in the fund shall be refunded to skilled nursing facilities, pro rata according to the amount paid by the facility, subject to limitations of federal law.

NEW SECTION. Sec. 15. ASSESSMENTS. (1) In accordance with the redistribution method set forth in 42 C.F.R. Sec. 433.68(e)(1) and (2), the department shall seek a waiver of the broad-based and uniform provider assessment requirements of federal law to exclude certain nursing facilities from the skilled nursing facility safety net assessment and to permit certain high volume medicaid nursing facilities or facilities with a high number of total annual resident days to pay the skilled nursing facility safety net assessment at a lesser amount per nonmedicare patient day.

(2) The skilled nursing facility safety net assessment shall, at no time, be greater than the maximum percentage of the nursing facility

industry reported net patient service revenues allowed under federal law or regulation.

(3) All skilled nursing facility safety net assessments collected pursuant to this section by the department shall be transmitted to the state treasurer who shall credit all such amounts to the skilled nursing facility safety net trust fund.

NEW SECTION. Sec. 16. ADMINISTRATION AND COLLECTION. (1) The department, in cooperation with the office of financial management, shall develop rules for determining the amount to be assessed to individual skilled nursing facilities, notifying individual skilled nursing facilities of the assessed amount, and collecting the amounts due. Such rule making shall specifically include provision for:

(a) Payment of the skilled nursing facility safety net assessment;

(b) Interest on delinquent assessments;

(c) Adjustment of the assessment amounts as follows:

(i) The assessment amounts under section 15 of this act may be adjusted as follows:

(A) If sufficient other appropriated funds for skilled nursing facilities, are available to support the nursing facility reimbursement rates as authorized in the biennial appropriations act and other uses and payments permitted by sections 14 and 15 of this act without utilizing the full assessment authorized under section 15 of this act, the department shall reduce the amount of the assessment to the minimum level necessary to support those reimbursement rates and other uses and payments.

(B) So long as none of the conditions set forth in section 18(2) of this act have occurred, if the department's forecasts indicate that the assessment amounts under section 15 of this act, together with all other appropriated funds, are not sufficient to support the skilled nursing facility reimbursement rates authorized in the biennial appropriations act and other uses and payments authorized under sections 14 and 15 of this act, the department shall increase the assessment rates to the amount necessary to support those reimbursement rates and other payments to the maximum amount allowable under federal law.

(C) Any positive balance remaining in the fund at the end of the fiscal year shall be applied to reduce the assessment amount for the subsequent fiscal year.

(ii) Beginning July 1, 2012, any adjustment to the assessment amounts pursuant to this subsection, and the data supporting such adjustment, including but not limited to relevant data listed in subsection (2) of this section, must be submitted to the Washington health care association, and aging services of Washington, for review and comment at least sixty calendar days prior to implementation of such adjusted assessment amounts. Any review and comment provided by the Washington health care association, and aging services of Washington, shall not limit the ability of either association or its members to challenge an adjustment or other action by the department that is not made in accordance with this chapter.

(2) By November 30th of each year, the department shall provide the following data to the office of financial management, the chair of the fiscal committee of the senate and the house of representatives, the Washington health care association, and aging services of Washington:

(a) The fund balance; and

(b) The amount of assessment paid by each skilled nursing facility.

(3) Assessments shall be assessed from the effective date of this section.

NEW SECTION. Sec. 17. EXCEPTIONS. (1) Subject to subsection (4) of this section the department shall exempt the following nursing facility providers from the skilled nursing facility

- (c) State, tribal, and county operated nursing facilities; and
- (d) Any nursing facility operated by a public hospital district and nursing facilities that are hospital-based.

(2) The department shall lower the skilled nursing facility safety net assessment for either certain high volume medicaid nursing facilities or certain facilities with high resident volumes to meet the redistributive tests of 42 C.F.R. Sec. 433.68(e)(2).

(3) The department shall lower the skilled nursing facility safety net assessment for any skilled nursing facility with a licensed bed capacity in excess of two hundred three beds to the same level described in subsection (2) of this section.

(4) To the extent necessary to obtain federal approval under 42 C.F.R. Sec. 433.68(e)(2), the exemptions prescribed in subsections (1), (2), and (3) of this section may be amended by the department.

(5) The per resident day assessment rate shall be the same amount for each affected facility except as prescribed in subsections (1), (2), and (3) of this section.

(6) The department shall notify the nursing facility operators of any skilled nursing facilities that would be exempted from the skilled nursing facility safety net assessment pursuant to the waiver request submitted to the United States department of health and human services under this section.

NEW SECTION. Sec. 18. CONDITIONS. (1) If the centers for medicare and medicaid services fail to approve any state plan amendments or waiver requests that are necessary in order to implement the applicable sections of this chapter then the assessment authorized in section 16 of this act shall cease to be imposed.

(2) Nothing in subsection (1) of this section prohibits the department from working cooperatively with the centers for medicare and medicaid services to secure approval of any needed state plan amendments or waiver requests. As provided in sections 15 and 17 of this act, the department shall adjust any submitted state plan amendments or waiver requests as necessary to achieve approval.

(3) If this chapter does not take effect or ceases to be imposed, any moneys remaining in the fund shall be refunded to skilled nursing facilities in proportion to the amounts paid by such facilities.

NEW SECTION. Sec. 19. ASSESSMENT PART OF OPERATING OVERHEAD. The incidence and burden of assessments imposed under this chapter shall be on skilled nursing facilities and the expense associated with the assessments shall constitute a part of the operating overhead of the facilities. Skilled nursing facilities shall not itemize the safety net assessment on billings to residents or third-party payers.

NEW SECTION. Sec. 20. ENFORCEMENT. If a nursing facility fails to make timely payment of the safety net assessment, the department may seek a remedy provided by law, including, but not limited to:

- (1) Withholding any medical assistance reimbursement payments until such time as the assessment amount is recovered;
- (2) Suspension or revocation of the nursing facility license; or
- (3) Imposition of a civil fine up to one thousand dollars per day for each delinquent payment, not to exceed the amount of the assessment.

NEW SECTION. Sec. 21. QUALITY INCENTIVE PAYMENTS. (1) The department and the department of health, in consultation with the Washington state health care association, and aging services of Washington, shall design a system of skilled nursing facility quality incentive payments. The design of the system shall be submitted to the relevant policy and fiscal

committees of the legislature by December 15, 2011. The system shall be based upon the following principles:

(a) Evidence-based treatment and processes shall be used to improve health care outcomes for skilled nursing facility residents;

(b) Effective purchasing strategies to improve the quality of health care services should involve the use of common quality improvement measures, while recognizing that some measures may not be appropriate for application to facilities with high bariatric, behaviorally challenged, or rehabilitation populations;

(c) Quality measures chosen for the system should be consistent with the standards that have been developed by national quality improvement organizations, such as the national quality forum, the federal centers for medicare and medicaid services, or the federal agency for healthcare research and quality. New reporting burdens to skilled nursing facilities should be minimized by giving priority to measures skilled nursing facilities that are currently required to report to governmental agencies, such as the nursing home compare measures collected by the federal centers for medicare and medicaid services;

(d) Benchmarks for each quality improvement measure should be set at levels that are feasible for skilled nursing facilities to achieve, yet represent real improvements in quality and performance for a majority of skilled nursing facilities in Washington state; and

(e) Skilled nursing facilities performance and incentive payments should be designed in a manner such that all facilities in Washington are able to receive the incentive payments if performance is at or above the benchmark score set in the system established under this section.

(2) Pursuant to an appropriation by the legislature, for state fiscal year 2013 and each fiscal year thereafter, assessments may be increased to support an additional one percent increase in skilled nursing facility reimbursement rates for facilities that meet the quality incentive benchmarks established under this section.

The motion by Senator Keiser carried and the striking amendment was adopted by voice vote.

MOTION

There being no objection, the following title amendment was adopted:

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "nursing homes; amending RCW 74.46.431, 74.46.435, 74.46.437, 74.46.485, 74.46.496, 74.46.501, 74.46.506, 74.46.515, and 74.46.521; reenacting and amending RCW 43.84.092; adding a new section to chapter 74.46 RCW; adding a new chapter to Title 74 RCW; creating a new section; repealing RCW 74.46.433; prescribing penalties; providing an effective date; and declaring an emergency."

POINT OF ORDER

Senator Holmquist Newbry: "I believe that this bill may require a super majority vote under Initiative 1053 and I have some arguments to offer."

REPLY BY THE PRESIDENT

President Owen: "Senator Holmquist Newbry, the President believes you're a little premature on your challenge. We are not on third reading yet."

MOTION

On motion of Senator Murray, the rules were suspended, Engrossed Substitute Senate Bill No. 5581 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

POINT OF ORDER

Senator Holmquist Newbry: "I believe that this bill may require a super-majority voter under Initiative 1053 and I have some arguments to offer. Thank you Mr. President. In your previous rulings, you have talked about the main distinction between taxes and fees. In order to be a fee there must be a very close nexus between those paying the fee and the purpose for which that fee is to be used. If those paying the charge are not in the group that benefits from the charge the charge would appear to be a more general tax. Under this bill, nursing homes will pay an assessment on each bed: private-pay and Medicaid. Nursing homes will receive a financial benefit but only for the Medicaid beds. Most nursing homes have a mix of private-pay and Medicaid beds and would therefore receive at least a partial financial benefit in exchange for the payment for the fee. However, if a nursing home is an entirely private-pay facility and does not qualify for exemption the facility would pay a fee on all beds but under the terms of this bill could never be a part of the group receiving a benefit. There's no other purpose for this bill or other benefit provided other than the redistribution of funds. I submit to you that this scenario would constitute a tax on a private-paid facility and therefore the bill is more accurately characterized as imposing a tax rather than a fee under Initiative 1053. This would require a super majority vote, I ask you to rule. Thank you Mr. President."

Senator Murray spoke against the point of order.

MOTION

On motion of Senator Eide, further consideration of Engrossed Substitute Senate Bill No. 5581 was deferred and the bill held its place on the third reading calendar.

At 1:39 p.m., on motion of Senator Eide, the Senate adjourned until 10:00 a.m. Wednesday, May 11, 2011.

ENGROSSED SECOND SUBSTITUTE SENATE BILL 5596,

ENGROSSED SUBSTITUTE SENATE BILL 5927.

MOTION

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator Holmquist Newbry as to the application of Initiative 1053 to Engrossed Substitute Senate Bill 5581, the President finds and rules as follows:

Procedural challenges to revenue bills have been relatively common since the enactment of Initiative 601, followed by Initiatives 960 and 1053. These challenges often have a significant impact on revenue legislation, as the result of each challenge determines the number of votes necessary for a matter to pass. The President has attempted to approach these challenges in a consistent manner, and strongly believes that consistency provides guidance to members and legislative staff in drafting legislation that increases revenue. Certainly, some of the challenges have been easier to decide than others. In this particular instance, excellent arguments have been made to support both sides of the ultimate question – whether this assessment is a tax or a fee – and the President believes that this is one of the more difficult decisions he has been called upon to make.

Substitute Senate Bill 5581 addresses the collection of revenue referred to as a 'safety net assessment.' The bill does two separate things: it reduces the Medicaid rates paid to nursing homes for the care of Medicaid eligible patients, and it collects an assessment to supplement those reduced rates. This challenge focuses on the collection and distribution of the assessment, arguing that it constitutes a tax under I-1053.

Generally, the bill imposes an obligation on licensed nursing homes to pay an assessment based on the number of beds in each facility, but only for those beds occupied by private pay and Medicaid patients. After federal funds are received and added to the assessments, those amounts are used to pay for the care of Medicaid patients in licensed nursing homes. The bill carefully excludes certain nursing homes from the obligation to pay the assessment, such as continuing care facilities, publicly-owned facilities, hospitals, and smaller nursing homes. However, to the extent that those facilities may have Medicaid patients, they will benefit from the increased rates provided by the assessments. For almost all individual nursing facilities, the amount paid and the benefit received will vary from one another, and these variances are likely to be significant.

Past rulings by the President have recognized that a measure may be appropriately described as a fee if there is a sufficient nexus between those paying the fee or tax, and the purpose for which the revenue is used. Several additional elements contribute to this analysis, such as the common elements linking members of the group obligated to pay, whether the amounts are paid into an account with limited purposes, and the specific purpose or purposes for which the revenue may be used.

The latter two elements – paying the funds into a limited account, and limiting the purpose for which the funds may be used – weigh in favor of this measure being considered a fee.

Admittedly, there is not a perfect symmetry between the individual institutions that may pay the assessment and those that receive the benefit of the increased Medicaid rates. The precise amounts paid will vary between nursing homes, and the Medicaid rate payments will also vary, because the mix of beds – private-pay and Medicaid – will be different for each institution and will also change over time for each individual institution.

But even though individual circumstances may vary, the President cannot ignore that the nursing home industry provides a broad range of vital services for Washington citizens, particularly elderly citizens. These services are paid for through private resources, Medicare, and Medicaid. Most nursing homes – although not all of them – have a mix of all three. Accordingly, the President views this bill as imposing an assessment on the licensed nursing home industry, and returning that assessment to the industry in the form of increased Medicaid rates. Neither I-1053 nor the President's prior rulings have required that a fee fall equally on individual payors, nor that its benefits be the same for each recipient. Simply put, 'there must be a reasonable connection between the fee, those paying it, and the purpose on which its proceeds may be spent.' April 4, 2007, Senate Journal, pages 1204-05).

For these reasons, the President believes this measure will take only a simple majority vote on final passage, and Senator Holmquist Newbry's point is not well-taken."

(3) This section expires June 30, 2013.

Sec. 21. RCW 47.64.300 and 2007 c 160 s 4 are each amended to read as follows:

(1) If an agreement has not been reached following a reasonable period of negotiations and, when applicable, mediation, upon the recommendation of the assigned mediator that the parties remain at impasse or, with respect to biennial bargaining, in compliance with the interest arbitration agreement under RCW 47.64.170(6)(a), all impasse items shall be submitted to arbitration under this section. The issues for arbitration shall be limited to the issues certified by the ((commission)) executive director.

(2) The parties may agree to submit the dispute to a single arbitrator, whose authority and duties shall be the same as those of an arbitration panel. If the parties cannot agree on the arbitrator within five working days, the selection shall be made under subsection (3) of this section, except with respect to biennial bargaining described under RCW 47.64.170(6). The full costs of

arbitration under this section shall be shared equally by the parties to the dispute.

(3) Within seven days following the issuance of the determination of the ~~((commission))~~ executive director, each party shall, absent an agreement to the contrary, name one person to serve as its arbitrator on the arbitration panel. Except with respect to biennial bargaining described under RCW 47.64.170(6), the two members so appointed shall meet within seven days following the appointment of the later appointed member to attempt to choose a third member to act as the neutral chair of the arbitration panel. Upon the failure of the arbitrators to select a neutral chair within seven days, either party may apply to the federal mediation and conciliation service, or, with the consent of the parties, the American arbitration association to provide a list of five qualified arbitrators from which the neutral chair shall be chosen. Each party shall pay the fees and expenses of its arbitrator, and the fees and expenses of the neutral chair shall be shared equally between the parties.

(4) In consultation with the parties, the arbitrator or arbitration panel shall promptly establish a date, time, and place for a hearing and shall provide reasonable notice thereof to the parties to the dispute. The parties shall exchange final positions in writing, with copies to the arbitrator or arbitration panel, with respect to every issue to be arbitrated, on a date mutually agreed upon, but in no event later than ten working days before the date set for hearing. A hearing, which shall be informal, shall be held, and each party shall have the opportunity to present evidence and make argument. No member of the arbitration panel may present the case for a party to the proceedings. The rules of evidence prevailing in judicial proceedings may be considered, but are not binding, and any oral testimony or documentary evidence or other data deemed relevant by the chair of the arbitration panel may be received in evidence. A recording of the proceedings shall be taken. The arbitration panel has the power to administer oaths, require the attendance of witnesses, and require the production of such books, papers, contracts, agreements, and documents as may be deemed by the panel to be material to a just determination of the issues in dispute. If any person refuses to obey a subpoena issued by the arbitration panel, or refuses to be sworn or to make an affirmation to testify, or any witness, party, or attorney for a party is guilty of any contempt while in attendance at any hearing held hereunder, the arbitration panel may invoke the jurisdiction of the superior court in the county where the labor dispute exists, and the court has jurisdiction to issue an appropriate order. Any failure to obey the order may be punished by the court as a contempt thereof.

(5) The neutral chair shall consult with the other members of the arbitration panel, if a panel has been created. Within thirty days following the conclusion of the hearing, or sooner as the October 1st deadline set forth in RCW 47.64.170 (6)(c) and (7) necessitates, the neutral chair shall make written findings of fact and a written determination of the issues in dispute, based on the evidence presented. A copy thereof shall be served on each of the other members of the arbitration panel, and on each of the parties to the dispute. That determination is final and binding upon both parties, subject to review by the superior court upon the application of either party solely upon the question of whether the decision of the panel was arbitrary or capricious.

MESSAGE FROM THE HOUSE

May 13, 2011

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5921 with the following amendment(s): 5921-S.E AMH ENGR H2797.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that stable and sustainable employment is the key goal of the WorkFirst and temporary assistance for needy families programs. Achieving stable and sustainable employment is a developmental process that takes time, effort, and engagement. In times of fiscal challenge,

2011 1ST SPECIAL SESSION

temporary assistance for needy families and WorkFirst resources must be invested in program elements that produce the best results for low-income families and the state of Washington.

The legislature further finds that the core tenets that are the foundation of Washington state's WorkFirst program are: (1) Achieving stable and successful employment; (2) recognizing the critical role that participants play in their children's development, healthy growth, and promotion of family stability; (3) developing strategies founded on the principle that WorkFirst is a transitional, not long-term, program to assist families on the pathway to self-sufficiency while holding them accountable; and (4) leveraging resources outside the funding for temporary assistance for needy families is crucial to achieving WorkFirst goals. It is the intent of the legislature, using evidence-based and research-based practices, to develop a road map to self-sufficiency for WorkFirst participants and temporary assistance for needy families recipients.

The legislature further finds that parents are responsible for the support of their children and that they have up to sixty months of receipt of temporary assistance for needy families benefits, absent any applicable hardship extension, to achieve stable and sustainable employment or find other means to support their family. It is the intent of the legislature to apply a sixty-month time limit to the temporary assistance for needy families program, including households in which a parent is in the home and ineligible for temporary assistance for needy families. The legislature intends that hardship extensions be applied to families subject to time limits.

Sec. 2. RCW 74.08A.260 and 2009 c 85 s 2 are each amended to read as follows:

(1) Each recipient shall be assessed after determination of program eligibility and before referral to job search. Assessments shall be based upon factors that are critical to obtaining employment, including but not limited to education, availability of child care, history of family violence, history of substance abuse, and other factors that affect the ability to obtain employment. Assessments may be performed by the department or by a contracted entity. The assessment shall be based on a uniform, consistent, transferable format that will be accepted by all agencies and organizations serving the recipient.

(2) Based on the assessment, an individual responsibility plan shall be prepared that: (a) Sets forth an employment goal and a plan for maximizing the recipient's success at meeting the employment goal; (b) considers WorkFirst educational and training programs from which the recipient could benefit; (c) contains the obligation of the recipient to participate in the program by complying with the plan; (d) moves the recipient into full-time WorkFirst activities as quickly as possible; and (e) describes the services available to the recipient either during or after WorkFirst to enable the recipient to obtain and keep employment and to advance in the workplace and increase the recipient's wage earning potential over time.

~~((2))~~ (3) Recipients who are not engaged in work and work activities, and do not qualify for a good cause exemption under RCW 74.08A.270, shall engage in self-directed service as provided in RCW 74.08A.330.

~~((3))~~ (4) If a recipient refuses to engage in work and work activities required by the department, the family's grant shall be reduced by the recipient's share, and may, if the department determines it appropriate, be terminated.

~~((4))~~ (5) The department may waive the penalties required under subsection ~~((3))~~ (4) of this section, subject to a finding that the recipient refused to engage in work for good cause provided in RCW 74.08A.270.

((5) In implementing this section, the department shall assign the highest priority to the most employable clients, including adults in two-parent families and parents in single-parent families that

TWENTY FIRST DAY, MAY 16, 2011

include older preschool or school-age children to be engaged in work activities.)

(6) In consultation with the recipient, the department or contractor shall place the recipient into a work activity that is available in the local area where the recipient resides.

(7) Assessments conducted under this section shall include a consideration of the potential benefit to the recipient of engaging in financial literacy activities. The department shall consider the options for financial literacy activities available in the community, including information and resources available through the financial ~~(literacy)~~ education public-private partnership created under RCW 28A.300.450. The department may authorize up to ten hours of financial literacy activities as a core activity or an optional activity under WorkFirst.

(8)(a) From July 1, 2011, through June 30, 2012, subsections (2) through (6) of this section are suspended for a recipient who is a parent or other relative personally providing care for one child under the age of two years, or two or more children under the age of six years. This suspension applies to both one and two parent families. However, both parents in a two-parent family cannot use the suspension during the same month. Beginning July 1, 2012, the department shall phase in the work activity requirements that were suspended, beginning with those recipients closest to reaching the sixty-month limit of receiving temporary assistance for needy families under RCW 74.08A.010(1). The phase in shall be accomplished so that a fairly equal number of recipients required to participate in work activities are returned to those activities each month until the total number required to participate is participating by June 30, 2013. Nothing in this subsection shall prevent a recipient from participating in the WorkFirst program on a voluntary basis. Recipients who participate in the WorkFirst program on a voluntary basis shall be provided an option to participate in the program on a part-time basis, consisting of sixteen or fewer hours of activities per week. Recipients also may participate voluntarily on a full-time basis.

(b)(i) The period of suspension of work activities under this subsection provides an opportunity for the legislative and executive branches to oversee redesign of the WorkFirst program. To realize this opportunity, both during the period of suspension and following reinstatement of work activity requirements as redesign is being implemented, a legislative-executive WorkFirst oversight task force is established, with members as provided in this subsection (8)(b).

(ii) The president of the senate shall appoint two members from each of the two largest caucuses of the senate.

(iii) The speaker of the house of representatives shall appoint two members from each of the two largest caucuses of the house of representatives.

(iv) The governor shall appoint members representing the department of social and health services, the department of early learning, the department of commerce, the employment security department, the office of financial management, and the state board for community and technical colleges.

SECOND ENGROSSED SENATE BILL 5773,
ENGROSSED SUBSTITUTE SENATE BILL 5921.

PERSONAL PRIVILEGE

Senator Eide: "Well, thank you Mr. President. Well, ladies and gentlemen of the Senate, my husband Mark and I have hit a milestone in our life this last weekend. Our daughter Joanna graduated from law school. We are very, very proud of her needless to say, even more so of course her mom and dad were bawling during the ceremony but she is one of three in her whole class of one hundred eight that received, this means a whole lot to me and I'm sharing something that's going on in my life, thank you. My daughter graduated from law school this weekend. We're extremely proud of her. She did this on her own. My husband had me with the whip, go, go and she did this on her own. She was one of only three in her whole class, there was a hundred eight in her law school class, that received a double emphasis. One in Natural Resources and Environment Law and the other one in Native American Law. She received an award for her pro bono that she had done which was only a few of them so her wore a cord around her neck. Now there's a day that you stand

TWENTY SECOND DAY, MAY 17, 2011

up there and you think you're so darned proud you don't know how to stand it but I wanted to share it with because we've been blessed. Brought the grandparents, brought our son, Matt and it was glorious day. Thank you for letting me share."

PERSONAL PRIVILEGE

Senator Pflug: "Thank you Mr. President. I would like to congratulate the lady and I'm just also let her know that I know exactly how you feel because on Sunday we celebrated my daughter-in-laws' graduation from law school as well and it's just, it is an incredible feeling to see these kids doing so well and of course for me inspiring too. Obviously it can be done. So I told her that maybe next year we could start our own firm, you know 'Pflug and Pflug' or 'Pflug & Daughter' and she would inform me it would be Pflug & Mother.' So, anyway, thank you and congratulations."

PERSONAL PRIVILEGE

Senator Shin: "Thank you sir. Good morning to you all. I want to apologize for my absence last week from this chamber. I was invited by the both the Russian government and there were seven American Missionaries, about ten Korean Missionaries in East of Russia. I got off at Vladivostok, about six hour drive to the western part of Russia. They have agreed to lease two hundred thousand acres of virgin land, soil to farm and maybe plant green grass and some food stuff and they would market it all over the world and this would be for the people that are poor. On that two hundred thousand acres of land they raise soy beans, wheat and corn and they would distribute to the poor people and also in Africa, South America. It was an honor for me to be invited and do some mediation between Russian government and those missionaries. It's already successful, ready to plow the fields and they will start to harvest to help the poor people around the world and it was an honor to be there and come back last night. Thank you Mr. President."

PERSONAL PRIVILEGE

Senator Murray: "Thank you Mr. President. I don't do point of personal privilege so this is a first for me. But you'll remember a few years ago that we've had the privilege of having the Irish Attorney General visit us and speak to us in this chamber. Today for the first time in the history of the Irish Republic the Queen of England is visiting on a state visit. Another important step in the peace process that so tore that island apart. That's the end of my point of personal privilege."

REMARKS BY THE PRESIDENT

President Owen: "Long live the Queen."

MOTION

On motion of Senator Ericksen, Senators Benton, Parlette, Roach and Zarelli were excused.

(a) The full certified rates of tax levy for state, county, county road district, and city or town purposes must be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy takes precedence over all other levies and may not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069, 84.52.105, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, 84.52.125, 84.52.135, 84.52.140, and the protected portion of the levy under RCW 86.15.160 by flood control zone districts in a county with a population of seven hundred seventy-five thousand or more that are coextensive with a county, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies must be reduced as follows:

(i) The portion of the levy by a metropolitan park district that has a population of less than one hundred fifty thousand and is located in a county with a population of one million five hundred thousand or more that is protected under RCW 84.52.120 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

Concerning adverse childhood experiences.

The measure was read the second time.

MOTION

Senator Regala moved that the following committee striking amendment by the Committee on Ways & Means be not adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that adverse childhood experiences are a powerful common determinant of a child's ability to be successful at school and, as an adult, to be successful at work, to avoid behavioral and chronic physical health conditions, and to build healthy relationships. The purpose of this chapter is, through a new or existing public-private partnership and in collaboration with community leadership, and state agency representatives, to identify the primary causes of adverse childhood experiences in communities and to mobilize broad public and private support to prevent harm to young children. A reduction in adverse childhood experiences is sought through a focused effort to identify and utilize innovative strategies based on evidence-based and research-based approaches and practices to prevent adverse experiences in early childhood and reduce the accumulated harm of adverse experiences throughout childhood.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Community public health and safety networks" or "networks" means the organizations authorized under RCW 70.190.060.

(2) "Department" means the department of social and health services.

(3) "Evidence-based" has the same meaning as in RCW 43.215.146.

(4) "Research-based" has the same meaning as in RCW 43.215.146.

(5) "Secretary" means the secretary of social and health services.

NEW SECTION. Sec. 3. (1) The nongovernmental private-public partnership described in section 1 of this act shall focus on preventing and reducing the prevalence of adverse childhood experiences and their enduring effects. The private-public partnership shall support the interests of selected community-based organizations around this common goal. It is recognized that many community public health and safety networks across the state have knowledge and expertise regarding reduction of adverse childhood experiences and will provide leadership on this initiative in their communities. In addition, a broad range of community coalitions involved with early learning and other early childhood initiatives have coalesced in many communities. The intent of the private-public partnership is to coordinate and assemble the strongest components of these networks and coalitions to respond to the initiative of reducing and preventing adverse childhood experiences while providing the flexibility for communities to devise their own strategies and approaches to achieve prevention and reduction.

(2) The secretary of the department of social and health services and the director of the department of early learning shall convene a planning group to refine the purposes, goals, and structure of the private-public partnership. Membership of the planning group must be broad and shall include, but is not limited to, stakeholders in the following areas: Early learning, community public health and safety networks, organizations that work to prevent and address child abuse and neglect, tribes, public agency representatives, philanthropic organizations, and organizations focused on community mobilization. The planning group shall develop a work plan for the private-public partnership, which must be submitted to the legislature no later than December 15, 2011.

(3) The private-public partnership shall establish criteria for distributing funds to community organizations based upon research and data with demonstrated effectiveness in preventing and reducing adverse childhood experiences. When establishing criteria to distribute funds, the private-public partnership shall give consideration to community public health and safety networks that have a history of providing training and services related to adverse childhood experiences. The method for distributing funds must be based upon data indicating areas of need and the use of evidence-based and research-based strategies to address those needs.

(4) In addition to other powers granted to the secretary, the secretary may:

(a) Enter into contracts on behalf of the department to carry out the purposes of this chapter;

(b) Provide funding to the private-public partnerships; and

(c) Accept gifts, grants, or other funds for the purposes of this chapter.

Sec. 4. RCW 13.40.462 and 2006 c 304 s 2 are each amended to read as follows:

(1) The department of social and health services juvenile rehabilitation administration shall establish a reinvesting in youth program that awards grants to counties for implementing research-based early intervention services that target juvenile justice-involved youth and reduce crime, subject to the availability of amounts appropriated for this specific purpose.

(2) Effective July 1, 2007, any county or group of counties may apply for participation in the reinvesting in youth program.

(3) Counties that participate in the reinvesting in youth program shall have a portion of their costs of serving youth through the research-based intervention service models paid for with moneys from the reinvesting in youth account established pursuant to RCW 13.40.466.

TWENTY SECOND DAY, MAY 17, 2011

(4) The department of social and health services juvenile rehabilitation administration shall review county applications for funding through the reinvesting in youth program and shall select the counties that will be awarded grants with funds appropriated to implement this program. The department, in consultation with the Washington state institute for public policy, shall develop guidelines to determine which counties will be awarded funding in accordance with the reinvesting in youth program. At a minimum, counties must meet the following criteria in order to participate in the reinvesting in youth program:

(a) Counties must match state moneys awarded for research-based early intervention services with nonstate resources that are at least proportional to the expected local government share of state and local government cost avoidance that would result from the implementation of such services;

(b) Counties must demonstrate that state funds allocated pursuant to this section are used only for the intervention service models authorized pursuant to RCW 13.40.464;

(c) Counties must participate fully in the state quality assurance program established in RCW 13.40.468 to ensure fidelity of program implementation. If no state quality assurance program is in effect for a particular selected research-based service, the county must submit a quality assurance plan for state approval with its grant application. Failure to demonstrate continuing compliance with quality assurance plans shall be grounds for termination of state funding; and

(d) Counties that submit joint applications must submit for approval by the department of social and health services juvenile rehabilitation administration multicounty plans for efficient program delivery.

((5) The department of social and health services juvenile rehabilitation administration shall convene a technical advisory committee comprised of representatives from the house of representatives, the senate, the governor's office of financial management, the department of social and health services juvenile rehabilitation administration, the family policy council, the juvenile court administrator's association, and the Washington association of counties to assist in the implementation of chapter 304, Laws of 2006.))

The definitions in this section apply throughout this section and RCW ((43.121.170 through)) 43.215.145, 43.215.147, and 43.121.185 unless the context clearly requires otherwise.

(1) "Evidence-based" means a program or practice that has had multiple site random controlled trials across heterogeneous

populations demonstrating that the program or practice is effective for the population.

(2) "Home visitation" means providing services in the permanent or temporary residence, or in other familiar surroundings, of the family receiving such services.

(3) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

(1) Within available funds, the ~~((council for children and families))~~ department shall fund evidence-based and research-based home visitation programs for improving parenting skills and outcomes for children. Home visitation programs must be voluntary and must address the needs of families to alleviate the effect on child development of factors such as poverty, single parenthood, parental unemployment or underemployment, parental disability, or parental lack of high school diploma, which research shows are risk factors for child abuse and neglect and poor educational outcomes. In order to maximize opportunities to obtain matching funds from private entities, general funds intended to support home visiting funding shall be appropriated to the home visiting services account established in RCW 43.215.130.

(2) The ~~((council for children and families shall develop a plan))~~ department shall work with the department of social and health services, the department of health (~~the department of early learning, and the family policy council~~), the private-public partnership created in RCW 43.215.070, and key partners and stakeholders to develop a plan to coordinate or consolidate home visitation services for children and families ~~((and report to the appropriate committees of the legislature by December 1, 2007, with their recommendations for implementation of the plan))~~ to the extent practicable.

The standards shall be based on the standards set forth in the public health services improvement plan as required by RCW 43.70.550.

NEW SECTION. Sec. 9. (1) Beginning July 1, 2011, the council for children and families and the department of early learning shall develop a plan for transitioning the work of the council for children and families, including public awareness campaigns, to the department of early learning. The council for children and families and the department of early learning shall, as appropriate, participate in the development of the private-public partnership in order to streamline efforts around the prevention of child abuse and neglect and avoid duplication of effort.

(2) The executive director of the council for children and families and the director of the department of early learning shall consult with the stakeholder group convened in section 3(2) of this act to develop strategies to maximize Washington's leverage and match of federal child abuse and neglect prevention moneys.

Sec. 10. RCW 74.14A.060 and 2000 c 219 s 2 are each amended to read as follows:

Within available funds, the secretary of the department of social and health services shall ~~((charge appropriated funds to))~~ support blended funding projects for youth ~~((subject to any current or future~~

The network shall review the proposed blended funding project pursuant to its authority to examine the decategorization of program funds under RCW 70.190.110, within the current appropriation level. The department shall document the number of children who participate in blended funding projects, the total blended funding amounts per child, the amount charged to each appropriation by program, and services provided to each child through each blended funding project and report this information to the appropriate committees of the legislature by December 1st of each year, beginning in December 1, 2000.

Sec. 11. RCW 70.190.040 and 1993 c 336 s 901 are each amended to read as follows:

TWENTY SECOND DAY, MAY 17, 2011

2011 1ST SPECIAL SESSION

"NEW SECTION. Sec. 1. The legislature finds that adverse childhood experiences are a powerful common determinant of a child's ability to be successful at school and, as an adult, to be successful at work, to avoid behavioral and chronic physical health conditions, and to build healthy relationships. The purpose of this chapter is to identify the primary causes of adverse childhood experiences in communities and to mobilize broad public and private support to prevent harm to young children and reduce the accumulated harm of adverse experiences throughout childhood. A focused effort is needed to 1) identify and promote the use of innovative strategies based on evidence-based and research-based approaches and practices; and 2) align public and private policies and funding with approaches and strategies which have demonstrated effectiveness.

The legislature recognizes that many community public health and safety networks across the state have knowledge and expertise regarding the reduction of adverse childhood experiences and can provide leadership on this initiative in their communities. In addition, a broad range of community coalitions involved with early learning, child abuse prevention, and community mobilization have coalesced in many communities. The adverse childhood experiences initiative should coordinate and assemble the strongest components of these networks and coalitions to effectively respond to the challenge of reducing and preventing adverse childhood experiences while providing flexibility for communities to design responses that are appropriate for their community.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adverse Childhood experiences" means the following indicators of severe childhood stressors and family dysfunction that, when experienced in the first eighteen years of life and taken together, are proven by public health research to be powerful determinants of physical, mental, social, and behavioral health across the lifespan: child physical abuse; child sexual abuse; child emotional abuse; child emotional or physical neglect; alcohol or other substance abuse in the home; mental illness, depression or suicidal behaviors in the home; incarceration of a family member; witnessing intimate partner violence; and parental divorce or separation. Adverse childhood experiences have been demonstrated to affect the development of the brain and other major body systems.

(2) "Community public health and safety networks" or "networks" means the organizations authorized under RCW 70.190.060.

(3) "Department" means the department of social and health services.

(7) "Secretary" means the secretary of social and health services.

NEW SECTION. Sec. 3. The members selected must represent a diversity of interests including: Early learning coalitions, community public health and safety networks, organizations that work to prevent and address child abuse and neglect, tribes, representatives of public agency agencies involved with interventions in or prevention of adverse childhood experiences, philanthropic organizations, and organizations focused on community mobilization.

(c) The secretary and director shall co-chair the planning group meetings and shall convene the first meeting.

(2) The planning group shall submit a report on its progress and recommendations to the appropriate legislative committees no later than December 15, 2011.

MOTION

On motion of Senator Pridemore, Substitute Senate Bill No. 5931 was substituted for Senate Bill No. 5931 and the substitute bill was placed on the second reading and read the second time.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator Tom as to the application of Initiative 1053 to Engrossed Substitute Senate Bill 5542, the President finds and rules as follows:

The bill before us imposes fees that are to be used for essentially two purposes: first, a smaller portion of the proceeds is used to administer the program; and second, the larger portion of the proceeds is directed to the Tobacco Prevention and Control Account, to be used for tobacco usage prevention and treatment programs.

There is no doubt that the use of proceeds for administrative purposes is properly characterized as a fee. The remaining question is whether there is a sufficient connection between those paying the fee and portion of the proceeds used for tobacco usage prevention and treatment. The President believes there is a sufficient nexus. While Senator Tom is correct that those seeking to use tobacco products may have no immediate interest in prevention or treatment programs, it is possible that they may utilize these programs at a later date. Moreover, it is proper to view the fee collected as being used to mitigate potential harmful effects which may result from the act contemplated. In either case, there is a clear connection between those paying and the purpose for which the fee may be used.

For these reasons, the President believes this measure will take only a simple majority vote on final passage, and Senator Tom's point is not well-taken."

The Senate resumed consideration of Engrossed Substitute Senate Bill No. 5542 which had been deferred earlier in the day.

Senators Delvin, Kline and Pridemore spoke in favor of passage of the bill.

Senators Tom, Nelson, Kline, McAuliffe and Haugen spoke against passage of the bill.

PERSONAL PRIVILEGE

TWENTY THIRD DAY, MAY 18, 2011

2011 1ST SPECIAL SESSION

Senator Fraser: "Thank you Mr. President. Today is a major anniversary of an extraordinary event in the state of Washington. The initial major explosion of Mt. St. Helens and I think it occurred on May 18, 1980 and so by my calculations that was thirty-one years ago and I think everybody who was in or possibly near the state of Washington including, say northern Oregon, remembers what they were doing and where they were when they learned about the explosion. Some people, I understand, heard the boom as far north as Port Townsend. Other people of course saw the ash. Other people had massive experiences with ash. I recall hearing that Ritzville was severely inundated with ash. I recall that in Spokane the street lights went on. It was as dark as night with ash and in terms of the legislature I recall that suddenly, even though the legislature wasn't in session in May, there was suddenly a lot of interim committee work because the committees concerned with natural resources, were concerned about natural resource impact, committees dealing with business impact, committees dealing with labor impact, employment security was asked for all the data on job and business impacts, public safety impacts, clean up impacts, transportation of course was a major concern with the highways covered with ash and the cleanup and local government expenses. So, it was a major historic event for the state. The legislature did move quickly to understand what was going on and make appropriate recommendations. So, it's a day to remember."

PERSONAL PRIVILEGE

Senator Schoesler: "I could probably go on longer than the body or TVW wants to listen to having lived in Ritzville, the epicenter of ash fall. When the lights came on in the streets in the afternoon. The ash falling and literally thousands of people taking refuge there off the freeway because their cars simply didn't run with the filters plugged with Mt. St. Helens. But early in the morning the interesting thing was my wife was getting ready for church in the basement of our house and she heard a thud as I did. She thought I was reverting back to my childhood and jumping off the furniture in the living room. I drove out to our farm and at mid-day a neighbor stopped me and he said, 'Mark, this is the worst thunderstorm I've ever seen.' It was that black in the West. The animals, how smart they were. Our horses literally were freaking out about a storm they'd never seen before. And as we went through that night of darkness that started early in the day, we woke to a deep fall of ash, much like a winter snow. I left my home that morning, first thought was check my cattle and I had never heard the world as silent. People talk about the silence after a nuclear winter or other terrible events. Deathly silent. Very few tracks. No cars moving. The strangest of my life and probably the strangest summer of my life as we struggled to clean a community of ash, get our crops back in shape, figure out how we would go through a harvest with ash. An event that shaped our lives in that part of the world forever. You still can find a little bit of Mt. St. Helens along the roads there. And many of you know about my former career of the combine demolition derby in Lind and to advertise the combine demolition derby in Lind the sign on 395 says, 'Drop in, Mt. St. Helens did.' Thank you."

PERSONAL PRIVILEGE

Senator Carrell: "This event that occurred in 1980 was really a wakeup call that I think that we are continuing to learn about. The fact that there are natural disasters that we are powerless to do much about and there are actually three of them that recently we have become aware of. The first of those was 1980 and the fact we have this very violent type of volcano that is

Mt. St. Helens. It is a type that you find all over the world particularly on the Pacific Rim and we have a number of them in the state of Washington which could do very similar things, other than Rainier, which is old of volcano to do that sort of thing but nevertheless. Well, you don't expect to have a grandpa doing you know violent acts. It's just, it's more likely to collapse and that would cause mud flows and so on. But the other two things are tsunami and if you go along the ocean you will see the ghost trees which are about three hundred years ago were killed cedar trees and spruce trees that were killed in the last big major tsunamis we had. We know down to the day when it occurred because records in Japan where they had tsunamis there too but it washed for miles inland down the Grays Harbor area. I'm sure Senator Hargrove appreciates all the new soil that he has in his district from that. But the other, the great earthquakes that they trigger. We got Japan and other places, Indonesia, to look at some examples why we really need in this state to be prepared for major type of catastrophes that are coming. It isn't maybe. It's a certainty. And the last one was about three hundred years ago and it happened about every three hundred years. Not at good sign, but anyway, you know I think that St. Helens was the first of those things. It was a wakeup call that isn't something in far off lands. It could happen right here in our backyards and we need to be ready for it. Thank you Mr. President."

PERSONAL PRIVILEGE

Senator Fain: "I just wanted to send my appreciation to the colleagues for talking about St. Helens this morning as the only member of this body that was not yet alive. I appreciate hearing about it."

PERSONAL PRIVILEGE

Senator Hobbs: "Well, I'm not here to talk about Mt. St. Helens, I was ten years old. I was watching Saturday morning cartoons, I don't remember that much about it but when I'm here, what I'm speaking about because I know that my wife is watching right now, Pamela, I just want to say congratulations, you received your Masters in Occupational Therapy at UPS over the weekend and I know it was very hard for you, basically being a married single mother because I'm always away. You followed me for about, well, over ten years in the active Army and you took care of the kids and you watched the home and I am so proud of you were able to do your own path finding. I had no problem watching the kids while you were at school and I realize how hard it is to be Mr. Mom so I appreciate that and what I'm really happy about is that an Occupational Therapist will actually make more than State Legislator so that is something that I am very happy about. Thank you very much Pam and congratulations. I love you."

PERSONAL PRIVILEGE

Senator Stevens: "Well, I would like to add my congratulations to Mrs. Hobbs. I am certain that she has a great burden to bear and now she has added to her intelligence I am sure and will be a better wife and mother and certainly a better wife of a Senator. But mostly I want to talk about Mt. St. Helens. I can remember that morning very vividly. We heard the loud boom. We lived in Arlington and I said to my husband, 'That was Mt. St. Helens' and he said 'Nah, couldn't possibly be' and I said 'Oh yeah, I think it was' and so we had that little discussion and as these events happen in history we all remember where we were when and of course that is one. Just last fall we had a visit with

TWENTY THIRD DAY, MAY 18, 2011

my husband's cousin who at that time was the head of FEMA and handled all of the FEMA responsibilities in regard to Mt. St. Helens and he remembers vividly some of the activities that he went through. He remembers the negotiations with our then-Governor Dixie Lee Ray and how difficult it was for a federal agency to come in and deal with the governor who, you know, there's always that turf battle and what they went through in that whole process and he remembers it very, very vividly even though he is in his 80s. But at the same time we all remember and I am very sorry for Senator Fain he was too young to remember but hopefully we can give him this little bit of history that will give him a reminder of what he missed. So, thank you Mr. President."

(2) Many Washington seniors and persons with disabilities currently receive long-term in-home care services from individual providers hired directly by them under the medicaid personal care, community options programs entry system, or chore services program.

(3) Quality long-term in-home care services allow Washington seniors, persons with disabilities, and their families the choice of allowing seniors and persons with disabilities to remain in their homes, rather than forcing them into institutional care such as nursing homes. Long-term in-home care services are also less costly, saving Washington taxpayers significant amounts through lower reimbursement rates.

~~((4) The quality of long term in home care services in Washington would benefit from improved regulation, higher standards, better accountability, and improved access to such services. The quality of long term in home care services would further be improved by a well trained, stable individual provider workforce earning reasonable wages and benefits.~~

~~(5) Washington seniors and persons with disabilities would~~

benefit from the establishment of an authority that has the power and duty to regulate and improve the quality of long-term in-home care services.

~~(6) The authority should ensure that the quality of long-term in-home care services provided by individual providers is improved through better regulation, higher standards, increased accountability, and the enhanced ability to obtain services. Qualifications established must include compliance with the minimum requirements for training and satisfactory criminal background checks as provided in RCW 74.39A.050 and confirmation that the individual provider or prospective individual provider is not currently listed on any long-term care abuse and neglect registry used by the department at the time of the investigation;~~

To accommodate the role of the state as payor for the community-based services provided under this chapter and to ensure coordination with state employee collective bargaining under chapter 41.80 RCW and the coordination necessary to implement

TWENTY FIFTH DAY, MAY 20, 2011

2011 1ST SPECIAL SESSION

RCW 74.39A.300, the public employer shall be represented for bargaining purposes by the governor or the governor's designee appointed under chapter 41.80 RCW. The governor or governor's designee shall periodically consult with the authority during the collective bargaining process to allow the authority to communicate issues relating to the long-term in-home care services received by consumers. ~~((The governor or the governor's designee shall consult the authority on all issues for which the exclusive bargaining representative requests to engage in collective bargaining under subsections (6) and (7) of this section.))~~ The ~~((authority))~~ department shall ~~((work with))~~ solicit input from the developmental disabilities council, the governor's committee on disability issues and employment, the state council on aging, and other consumer advocacy organizations to obtain informed input from consumers on their interests, including impacts on consumer choice, for all issues proposed for collective bargaining under subsections (5) and (6) ~~((and (7)))~~ of this section.

(2) Chapter 41.56 RCW governs the collective bargaining relationship between the governor and individual providers, except as otherwise expressly provided in this chapter and except as follows:

(a) The only unit appropriate for the purpose of collective bargaining under RCW 41.56.060 is a statewide unit of all individual providers;

(b) The showing of interest required to request an election under RCW 41.56.060 is ten percent of the unit, and any intervener seeking to appear on the ballot must make the same showing of interest;

(c) The mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480 apply, except that:

(i) With respect to commencement of negotiations between the governor and the bargaining representative of individual providers, negotiations shall be commenced by May 1st of any year prior to the year in which an existing collective bargaining agreement expires; and

(ii) The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and fringe benefit provisions of the arbitrated collective bargaining agreement, is not binding on the authority or the state;

(d) Individual providers do not have the right to strike; and

(e) Individual providers who are related to, or family members of, consumers or prospective consumers are not, for that reason, exempt from this chapter or chapter 41.56 RCW.

(3) Individual providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state, its political subdivisions, or an area agency on aging for any purpose. Chapter 41.56 RCW applies only to the governance of the collective bargaining relationship between the employer and individual providers as provided in subsections (1) and (2) of this section.

(4) Consumers and prospective consumers retain the right to select, hire, supervise the work of, and terminate any individual provider providing services to them. Consumers may elect to receive long-term in-home care services from individual providers who are not referred to them by the authority.

~~((In implementing and administering this chapter, neither the authority nor any of its contractors may reduce or increase the hours of service for any consumer below or above the amount determined to be necessary under any assessment prepared by the department or an area agency on aging.~~

~~((6))~~ Except as expressly limited in this section and RCW 74.39A.300, the wages, hours, and working conditions of individual providers are determined solely through collective bargaining as provided in this chapter. No agency or department of the state may

establish policies or rules governing the wages or hours of individual providers. However, this subsection does not modify:

(a) The department's authority to establish a plan of care for each consumer or its core responsibility to manage long-term in-home care services under this chapter, including determination of the level of care that each consumer is eligible to receive. However, at the request of the exclusive bargaining representative, the governor or the governor's designee appointed under chapter 41.80 RCW shall engage in collective bargaining, as defined in RCW 41.56.030(4), with the exclusive bargaining representative over how the department's core responsibility affects hours of work for individual providers. This subsection shall not be interpreted to require collective bargaining over an individual consumer's plan of care;

(b) The department's authority to terminate its contracts with individual providers who are not adequately meeting the needs of a particular consumer, or to deny a contract under RCW 74.39A.095(8);

(c) The consumer's right to assign hours to one or more individual providers selected by the consumer within the maximum hours determined by his or her plan of care;

(d) The consumer's right to select, hire, terminate, supervise the work of, and determine the conditions of employment for each individual provider providing services to the consumer under this chapter;

(e) The department's obligation to comply with the federal medicaid statute and regulations and the terms of any community-based waiver granted by the federal department of health and human services and to ensure federal financial participation in the provision of the services; and

(f) The legislature's right to make programmatic modifications to the delivery of state services under this title, including standards of eligibility of consumers and individual providers participating in the programs under this title, and the nature of services provided. The governor shall not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection ~~((6))~~ (5)(f).

~~((7))~~ (6) At the request of the exclusive bargaining representative, the governor or the governor's designee appointed under chapter 41.80 RCW shall engage in collective bargaining, as defined in RCW 41.56.030(4), with the exclusive bargaining representative over employer contributions to the training partnership for the costs of: (a) Meeting all training and peer mentoring required under this chapter; and (b) other training intended to promote the career development of individual providers.

~~((8(a)))~~ (7) The state, the department, ~~((the authority,))~~ the area agencies on aging, or their contractors under this chapter may not be held vicariously or jointly liable for the action or inaction of any individual provider or prospective individual provider, whether or not that individual provider or prospective individual provider was included on the ~~((authority's))~~ referral registry or referred to a consumer or prospective consumer. The existence of a collective bargaining agreement, the placement of an individual provider on the referral registry, or the development or approval of a plan of care for a consumer who chooses to use the services of an individual provider and the provision of case management services to that consumer, by the department or an area agency on aging, does not constitute a special relationship with the consumer.

~~((b))~~ ~~((The members of the board are immune from any liability resulting from implementation of this chapter.~~

~~((9))~~ (8) Nothing in this section affects the state's responsibility with respect to unemployment insurance for individual providers. However, individual providers are not to be considered, as a result of the state assuming this responsibility, employees of the state.

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. It is also the intent of the legislature to ensure that the ~~((correctional industries board of directors))~~ department, in developing and selecting correctional industries work programs, does not encourage the development of, or provide for selection of or contracting for, or the significant expansion of, any new or existing class I correctional industries work programs that unfairly compete with Washington businesses. The legislature intends that the requirements relating to fair competition in the correctional industries work programs be liberally construed by the ~~((correctional industries board of directors))~~ department to protect Washington businesses from unfair competition. For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

An agreement for a new class I correctional industries work program, or an agreement for a significant expansion of an existing class I correctional industries work program, that unfairly competes with any Washington business is prohibited.

(d) The department ~~((of corrections))~~ shall supply appropriate security and custody services without charge to the participating firms.

(e) Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage comparable to the wage paid for work of a similar nature in the locality in which the industry is located, as determined by the director of correctional industries. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit.

(ii) The products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to the following:

(C) Private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization;

(c)(i) Class II correctional industries products and services shall be reviewed by the ~~((correctional industries board of directors))~~ department before offering such products and services for sale to private contractors.

(ii) The ~~((board of directors))~~ secretary shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, by-products and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus by-products and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

The measure was read the second time.

MOTION

Senator Schoesler moved that the following committee striking amendment by the Committee on Ways & Means be not adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature intends that the retirement and annuity programs of the state's institutions of higher education be revised for future participants to reflect changes that have already occurred in state pension plans. The legislature intends also that newly hired employees who are eligible for participation in an annuity or retirement income plan offered by a higher education institution have an opportunity to participate in either (1) that plan without a supplemental benefit under RCW 28B.10.400(1)(c), or (2) the public employees' retirement system plan 3 or the teachers' retirement system plan 3. Plan 3 provides a combination of defined contribution and defined benefit pension, which will be available for newly hired employees. The legislature also intends to reduce the expanded postretirement employment provisions for members of the public employees' retirement system and the teachers' retirement system plans 1 that were temporarily expanded due to the shortage of qualified workers in particular teaching and public employment categories, and eliminate postretirement employment exceptions that existed for annuity or retirement income plan-covered positions that have been the subject of abuse.

Sec. 2. RCW 28B.10.400 and 2010 c 21 s 1 are each amended to read as follows:

TWENTY SIXTH DAY, MAY 21, 2011

2011 1ST SPECIAL SESSION

(2) By June 30, 2013, and every two years thereafter, each institution of higher education that is responsible for payment of supplemental amounts under RCW 28B.10.400(1)(c) shall contract with the state actuary under chapter 41.44 RCW for an actuarial valuation of their supplemental benefit plan. By June 30, 2013, and at least once every six years thereafter, each institution shall also contract with the state actuary under chapter 41.44 RCW for an actuarial experience study of the mortality, service, compensation, and other experience of the annuity or retirement income plans created in this chapter, and into the financial condition of each system. At the discretion of the state actuary, the valuation or experience study may be performed by the state actuary or by an outside actuarial firm under contract to the office of the state actuary. Each institution of higher education is required to provide the data and information required for the performance of the valuation or experience study to the office of the state actuary or to the actuary performing the study on behalf of the state actuary. The state actuary may charge each institution for the actual cost of the valuation or experience study through an interagency agreement. Upon completion of the valuation or experience study, the state actuary shall provide copies of the study to the institution of higher education and to the select committee on pension policy and the pension funding council.

(3)(a) A higher education retirement plan supplemental benefit fund is created in the custody of the state treasurer for the purpose of funding future benefit obligations of higher education retirement plan supplemental benefits. The state investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in the fund.

(b) Beginning January 1, 2014, an employer contribution rate of one-half of one percent of salary is established to begin prefunding the unfunded future obligations of the supplemental benefit established in RCW 28B.10.400.

(c) Consistent with chapter 41.50 RCW, the department of retirement systems shall collect the employer contribution rates established in this section from each state institution of higher education, and deposit those contributions into the higher education retirement plan supplemental benefit fund. The contributions made by each employer into the higher education retirement plan supplemental benefit fund and the earnings on those contributions shall be accounted for separately within the fund.

(d) Following the completion and review of the initial actuarial valuations and experience study conducted pursuant to subsection (2) of this section, the pension funding council may:

(i) Adopt and make changes to the employer contribution rate established in (a) of this subsection consistent with the procedures established in chapter 41.45 RCW. If the actuarial valuations of the higher education retirement plans of each institution contributing to the higher education retirement plan supplemental benefit fund suggest that different contribution rates are appropriate for each institution, different rates may be adopted. Rates adopted by the pension funding council are subject to revision by the legislature.

(ii) Recommend legislation that will, upon accumulation of sufficient funding in the higher education retirement plan supplemental benefit fund transfer the responsibility for making supplemental benefit payments to the department of retirement systems, and adjust employer contribution rates to reflect the transfer of responsibility.

Sec. 8. RCW 28B.10.430 and 1979 ex.s. c 96 s 5 are each amended to read as follows:

(1) This section applies only to those persons who are first employed by an institution of higher education in a position eligible for participation in an old age annuities or retirement income plan under this chapter prior to July 1, 2011.

(2) For any person receiving a monthly benefit pursuant to a

program established under RCW 28B.10.400, the pension portion of such benefit shall be the sum of the following amounts:

(a) One-half of the monthly benefit payable under such program by a life insurance company; and

(b) The monthly equivalent of the supplemental benefit described in RCW 28B.10.400~~((3))~~ (1)(c).

~~((2))~~ (3) Notwithstanding any provision of law to the contrary, effective July 1, 1979, no person receiving a monthly benefit pursuant to RCW 28B.10.400 shall receive, as the pension portion of that benefit, less than ten dollars per month for each year of service creditable to the person whose service is the basis of the benefit. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ten dollars. Where the benefit was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

~~((3))~~ (4) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the monthly benefit of each person who commenced receiving a monthly benefit under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post-retirement adjustment. Such adjustment shall be calculated as follows:

(a) Monthly benefits to which this subsection and subsection ~~((2))~~ (3) of this section are both applicable shall be determined by first applying subsection ~~((2))~~ (3) of this section and then applying this subsection. The ~~((department))~~ institution shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those persons to whom this subsection applies;

(b) The ~~((department))~~ institution shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;

(c) Each person to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.

NEW SECTION. Sec. 9. A new section is added to chapter 41.32 RCW to be codified under the subchapter heading "plan 3" to read as follows:

(1) All faculty members who are first employed by an institution of higher education in a position eligible for participation in old age annuities or retirement income plans under chapter 28B.10 RCW on or after July 1, 2011, have a period of thirty days to make an irrevocable choice to:

(a) Become a member of the teachers' retirement system plan 3 under this chapter; or

(b) Participate in the annuities or retirement income plan provided by the institution.

(2) At the end of thirty days, if the member has not made a choice to become a member of the teachers' retirement system, he or she becomes a participant in the institution's plan under RCW 28B.10.400, but does not become eligible for any supplemental benefit under RCW 28B.10.400(1)(c).

(3) Any retired teacher or retired administrator who retired prior to September 1, 2011, and who enters service in any public educational institution in Washington state one and one-half calendar months or more after his or her accrual date and:

(a) Is hired pursuant to a written policy into a position for which the school board has documented a justifiable need to hire a retiree into the position;

(b) Is hired through the established process for the position with the approval of the school board or other highest decision-making authority of the prospective employer;

(c) Whose employer retains records of the procedures followed and the decisions made in hiring the retired teacher or retired administrator and provides those records in the event of an audit; and

(d) The employee has not already rendered a cumulative total of more than one thousand nine hundred hours of service while in receipt of pension payments beyond an annual threshold of eight hundred sixty-seven hours; shall cease to receive pension payments while engaged in that service after the retiree has rendered service for more than one thousand five hundred hours in a school year. The one thousand nine hundred hour cumulative total limitation under this section applies prospectively after July 22, 2007.

(4) When a retired teacher or administrator renders service beyond eight hundred sixty-seven hours, the department shall collect from the employer the applicable employer retirement contributions for the entire duration of the member's employment during that fiscal year.

(5) The department shall collect and provide the state actuary with information relevant to the use of this section for the select committee on pension policy.

(6) The legislature reserves the right to amend or repeal this section in the future and no member or beneficiary has a contractual right to be employed for more than five hundred twenty-five hours per year without a reduction of his or her pension.

"Sec. 1. RCW 28B.95.020 and 2007 c 405 s 8 are each amended to read as follows:

The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Academic year" means the regular nine-month, three-quarter, or two-semester period annually occurring between August 1st and July 31st.

(2) "Account" means the Washington advanced college tuition payment program account established for the deposit of all money received by the board from eligible purchasers and interest earnings on investments of funds in the account, as well as for all expenditures on behalf of eligible beneficiaries for the redemption of tuition units and for the development of any authorized college savings program pursuant to RCW 28B.95.150.

(3) "Board" means the higher education coordinating board as defined in chapter 28B.76 RCW.

(4) "Committee on advanced tuition payment" or "committee" means a committee of the following members: The state treasurer, the director of the office of financial management, the executive director of the higher education coordinating board, or their designees(,); and ((two)) four members to be appointed by the governor and confirmed by the senate for four-year terms, one representing program participants and ((one)) three private business representatives with marketing, public relations, or financial expertise. Beginning with appointments made after the effective date of this section, in making the three appointments representing

private business, the governor must consider names from a list provided by the president of the senate and the speaker of the house of representatives. Appointment of the two additional members representing private business as provided for in chapter . . . , Laws of 2011 1st sp. sess. (this act) must be made by June 30, 2011, and shall be confirmed by the senate by June 30, 2012.

(5) "Governing body" means the committee empowered by the legislature to administer the Washington advanced college tuition payment program.

(6) "Contractual obligation" means a legally binding contract of the state with the purchaser and the beneficiary establishing that purchases of tuition units will be worth the same number of tuition units at the time of redemption as they were worth at the time of the purchase.

(7) "Eligible beneficiary" means the person for whom the tuition unit will be redeemed for attendance at an institution of higher education. The beneficiary is that person named by the purchaser at the time that a tuition unit contract is accepted by the governing body. Qualified organizations, as allowed under section 529 of the federal internal revenue code, purchasing tuition unit contracts as future scholarships need not designate a beneficiary at the time of purchase.

(8) "Eligible purchaser" means an individual or organization that has entered into a tuition unit contract with the governing body for the purchase of tuition units for an eligible beneficiary. The state of Washington may be an eligible purchaser for purposes of purchasing tuition units to be held for granting Washington college bound scholarships.

(9) "Full-time tuition charges" means resident tuition charges at a state institution of higher education for enrollments between ten credits and eighteen credit hours per academic term.

(10) "Institution of higher education" means an institution that offers education beyond the secondary level and is recognized by the internal revenue service under chapter 529 of the internal revenue code.

(11) "Investment board" means the state investment board as defined in chapter 43.33A RCW.

(12) "State institution of higher education" means institutions of higher education as defined in RCW 28B.10.016.

(13) "Tuition and fees" means undergraduate tuition and services and activities fees as defined in RCW 28B.15.020 and 28B.15.041 rounded to the nearest whole dollar. For purposes of this chapter, services and activities fees do not include fees charged for the payment of bonds heretofore or hereafter issued for, or other indebtedness incurred to pay, all or part of the cost of acquiring, constructing, or installing any lands, buildings, or facilities.

(14) "Tuition unit contract" means a contract between an eligible purchaser and the governing body, or a successor agency appointed for administration of this chapter, for the purchase of tuition units for a specified beneficiary that may be redeemed at a later date for an equal number of tuition units.

(15) "Unit purchase price" means the minimum cost to purchase one tuition unit for an eligible beneficiary. Generally, the minimum purchase price is one percent of the undergraduate tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account. The analysis for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.

Sec. 2. RCW 28B.95.030 and 2005 c 272 s 2 are each amended to read as follows:

payment which shall be chaired by the executive director of the board. The committee shall be supported by staff of the board.

(2)(a) The Washington advanced college tuition payment program shall consist of the sale of tuition units, which may be redeemed by the beneficiary at a future date for an equal number of tuition units regardless of any increase in the price of tuition, that may have occurred in the interval.

(b) Each purchase shall be worth a specific number of or fraction of tuition units at each state institution of higher education as determined by the governing body.

(c) The number of tuition units necessary to pay for a full year's, full-time undergraduate tuition and fee charges at a state institution of higher education shall be set by the governing body at the time a purchaser enters into a tuition unit contract.

(d) The governing body may limit the number of tuition units purchased by any one purchaser or on behalf of any one beneficiary, however, no limit may be imposed that is less than that necessary to achieve four years of full-time, undergraduate tuition charges at a state institution of higher education. The governing body also may, at its discretion, limit the number of participants, if needed, to ensure the actuarial soundness and integrity of the program.

(e) While the Washington advanced college tuition payment program is designed to help all citizens of the state of Washington, the governing body may determine residency requirements for eligible purchasers and eligible beneficiaries to ensure the actuarial soundness and integrity of the program.

(3)(a) No tuition unit may be redeemed until two years after the purchase of the unit. Units may be redeemed for enrollment at any institution of higher education that is recognized by the internal revenue service under chapter 529 of the internal revenue code.

(b) Units redeemed at a nonstate institution of higher education or for graduate enrollment shall be redeemed at the rate for state public institutions in effect at the time of redemption.

(4) The governing body shall determine the conditions under which the tuition benefit may be transferred to another family member. In permitting such transfers, the governing body may not allow the tuition benefit to be bought, sold, bartered, or otherwise exchanged for goods and services by either the beneficiary or the purchaser.

(5) The governing body shall administer the Washington advanced college tuition payment program in a manner reasonably designed to be actuarially sound, such that the assets of the trust will be sufficient to defray the obligations of the trust including the costs of administration. The governing body may, at its discretion, discount the minimum purchase price for certain kinds of purchases such as those from families with young children, as long as the actuarial soundness of the account is not jeopardized.

(6) The governing body shall annually determine current value of a tuition unit.

(7) The governing body shall promote, advertise, and publicize the Washington advanced college tuition payment program.

(8) In addition to any other powers conferred by this chapter, the governing body may:

(e) Formulate and adopt all other policies and rules necessary for the efficient administration of the program;

(f) Consider the addition of an advanced payment program for room and board contracts and also consider a college savings program;

(g) Purchase insurance from insurers licensed to do business in the state, to provide for coverage against any loss in connection with the account's property, assets, or activities or to further insure the value of the tuition units;

(h) Make, execute, and deliver contracts, conveyances, and other instruments necessary to the exercise and discharge of its powers and duties under this chapter;

(i) Contract for the provision for all or part of the services necessary for the management and operation of the program with other state or nonstate entities authorized to do business in the state;

(j) Contract for other services or for goods needed by the governing body in the conduct of its business under this chapter;

(k) Contract with financial consultants, actuaries, auditors, and other consultants as necessary to carry out its responsibilities under this chapter;

(l) Solicit and accept cash donations and grants from any person, governmental agency, private business, or organization; and

(m) Perform all acts necessary and proper to carry out the duties and responsibilities of this program under this chapter.

Sec. 3. RCW 28B.95.080 and 1997 c 289 s 8 are each amended to read as follows:

The governing body shall annually evaluate, and cause to be evaluated by ~~((a nationally recognized))~~ the state actuary, the soundness of the account and determine the additional assets needed, if any, to defray the obligations of the account. The governing body may, at its discretion, consult with a nationally recognized actuary for periodic assessments of the account.

If funds are ~~((not sufficient))~~ determined by the governing body, based on actuarial analysis to be insufficient to ensure the actuarial soundness of the account, the governing body shall adjust the price of subsequent tuition credit purchases to ensure its soundness.

If there are insufficient numbers of new purchases to ensure the actuarial soundness of the account, the governing body shall request such funds from the legislature as are required to ensure the integrity of the program. Funds may be appropriated directly to the account or appropriated under the condition that they be repaid at a later date. The repayment shall be made at such time that the account is again determined to be actuarially sound.

Sec. 4. RCW 28B.95.150 and 2001 c 184 s 2 are each amended to read as follows:

(1) The committee may establish a college savings program. If such a program is established, the college savings program shall be established, in such form as may be determined by the committee, to be a qualified state tuition program as defined by the internal revenue service under section 529 of the internal revenue code, and shall be administered in a manner consistent with the Washington advanced college tuition payment program. The committee, in planning and devising the program, shall consult with the state investment board, the state treasurer, ~~((a qualified actuarial consulting firm with appropriate expertise to evaluate such plans))~~ the state actuary, the legislative fiscal and higher education committees, and the institutions of higher education. The governing body may, at its discretion, consult with a qualified actuarial consulting firm with appropriate expertise to evaluate such plans for periodic assessments of the program.

(2) Up to two hundred thousand dollars of administrative fees collected from guaranteed education tuition program participants may be applied as a loan to fund the development of a college savings program. This loan must be repaid with interest before the conclusion of the biennium in which the committee draws funds for this purpose from the advanced college tuition payment program account.

TWENTY SIXTH DAY, MAY 21, 2011

2011 1ST SPECIAL SESSION

(3) If such a college savings program is established, the college savings program account is created in the custody of the state treasurer for the purpose of administering the college savings program. Disbursements from the account, except for program administration, are exempt from appropriations and the allotment provisions of chapter 43.88 RCW. Money used for program administration is subject to the allotment provisions, but without appropriation.

(4) The committee, after consultation with the state investment board, shall determine the investment policies for the college savings program. Program contributions may be invested by the state investment board or the committee may contract with an investment company licensed to conduct business in this state to do the investing. The committee shall keep or cause to be kept full and adequate accounts and records of the assets of each individual participant in the college savings program.

(5) Neither the state nor any eligible educational institution may be considered or held to be an insurer of the funds or assets of the individual participant accounts in the college savings program created under this section nor may any such entity be held liable for any shortage of funds in the event that balances in the individual participant accounts are insufficient to meet the educational expenses of the institution chosen by the student for which the individual participant account was intended.

(6) The committee shall adopt rules to implement this section. Such rules shall include but not be limited to administration, investment management, promotion, and marketing; compliance with internal revenue service standards; application procedures and fees; start-up costs; phasing in the savings program and withdrawals therefrom; deterrents to early withdrawals and provisions for hardship withdrawals; and reenrollment in the savings program after withdrawal.

(7) The committee may, at its discretion, determine to cease operation of the college savings program if it determines the continuation is not in the best interest of the state. The committee shall adopt rules to implement this section addressing the orderly distribution of assets.

NEW SECTION. Sec. 5. (1) Pursuant to passage of Engrossed Second Substitute House Bill No. 1795 (the higher education opportunity act), and to maintain the actuarial soundness of the account and to lower the risk to the state of incurring additional unfunded liability, the governing body as defined in RCW 28B.95.020 shall, with the assistance of the state actuary, assess the financial solvency of the advanced college tuition payment program and shall determine if any changes should be made to the program for units purchased on or after September 1, 2011, including, but not limited to:

MESSAGE FROM THE HOUSE

May 21, 2011

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5182 with the following amendment(s): 5182-S2.E AMH ENGR H2828.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that the state's higher education system plays a critical role in assuring Washington's continued leadership role in driving economic prosperity, innovation, and opportunity. By educating citizens for living wage jobs, producing world-class research, and helping to create vibrant communities, the state's institutions of higher education form a foundational component in assuring prosperity for our citizens.

The legislature also recognizes the significant contributions made by the higher education coordinating board in coordinating higher education policy and planning, and administering the state's financial aid programs. The board has also recently finished several significant planning efforts that will provide guidance to the legislature and to the institutions in forming priorities and deploying resources.

However, the legislature also recognizes the importance of prioritizing scarce resources for the core, front-line services that institutions provide--namely instruction, research, and robust financial aid. During times of economic downturn, policymakers must focus on those areas of public service that have the most direct and immediate impact on students. Keeping class sections open, attracting the best professors and instructors, providing comprehensive support services, and offering meaningful financial help to offset the costs of attending school must be the main concerns of policymakers.

It is for these reasons that the legislature intends to create a new office dedicated entirely to the administration of student financial aid programs. By focusing financial and governance resources on direct aid to students, the state can provide the highest level of service in this area. The legislature further intends to eliminate many of the policy and planning functions of the higher education coordinating board and rededicate those resources to the higher education institutions that provide the core, front-line services associated with instruction and research. Given the unprecedented budget crises the state is facing, the state must take the opportunity to build on the recommendations of the board and use the dollars where they can make the most direct impact.

(1) The establishment of a new domicile in the state of Washington by a person formerly domiciled in another state has occurred if such person is physically present in Washington primarily for purposes other than educational and can show satisfactory proof that such person is without a present intention to return to such other state or to acquire a domicile at some other place outside of Washington.

A student wishing to apply for a change in classification shall reduce such evidence to writing and file it with the institution. In any case involving an application for a change from nonresident to resident status, the burden of proof shall rest with the applicant. Any change in classification, either nonresident to resident, or the reverse, shall be based upon written evidence maintained in the files of the institution and, if approved, shall take effect the semester or quarter such evidence was filed with the institution: PROVIDED, That applications for a change in

(3) Full-time students registered for more than eighteen credit hours shall be charged an additional operating fee for each credit hour in excess of eighteen hours at the applicable established per credit hour tuition fee rate for part-time students: PROVIDED, That, subject to the limitations of RCW 28B.15.910, the governing boards of the state universities and the community colleges may exempt all or a portion of the additional charge, for students who are registered exclusively in first professional programs in medicine, dental medicine, veterinary medicine, doctor of pharmacy, or law, or who are registered exclusively in required courses in vocational preparatory programs.

Students shall be eligible to receive a maximum of twelve quarters or eight semesters of waivers and may transfer among state-supported institutions of higher education during that

2011 1ST SPECIAL SESSION

period and continue to have the tuition and services and activities fees waived by the state-supported institution of higher education that the student attends. Should the student's cumulative grade point average fall below 3.30 during the first three quarters or two semesters, that student may petition the (~~(higher education coordinating board)~~) office of student financial assistance which shall have the authority to establish a probationary period until such time as the student's grade point average meets required standards.

(2) Students named by the (~~(higher education coordinating board)~~) office of student financial assistance after June 30, 1994, as recipients of the Washington scholars award under RCW 28A.600.100 through 28A.600.150 shall be eligible to receive a grant for undergraduate course work as authorized under RCW 28B.76.660.

Prior to January 1st of each odd-numbered year the (~~(higher education coordinating board, in cooperation with the state board for community college education, and)~~) office of student financial assistance, in consultation with appropriate agencies and officials in the state of Oregon, shall determine for the purposes of RCW 28B.15.730 the number of students for whom nonresident tuition and fees have been waived for the first academic year of the biennium and the fall term of the second academic year, and make an estimate of the number of such students for the remainder of the second academic year, and the difference between the aggregate amount of tuition and fees that would have been paid to the respective states by residents of the other state had such waivers not been made, and the aggregate amount of tuition and fees paid by residents of the other state. Should the (~~(board)~~) office of student financial assistance determine that the state of Oregon has experienced a greater net tuition and fee revenue loss than institutions in Washington, it shall pay from funds appropriated for this purpose to the appropriate agency or institutions in Oregon an amount determined by subtracting the net tuition and fee revenue loss of Washington from the net tuition and fee revenue loss of Oregon, minus twenty-five thousand dollars for each year of the biennium: PROVIDED, That appropriate officials in the state of Oregon agree to make similar restitution to the state of Washington should the net tuition and fee revenue loss in Washington be greater than that in Oregon.

Sec. 154. RCW 28B.15.752 and 1985 c 370 s 74 are each amended to read as follows:

Should the (~~(board)~~) office of student financial assistance determine that the state of Idaho has experienced a greater net tuition and fee revenue loss than institutions in Washington, it shall pay from funds appropriated for this purpose to the appropriate agency or institution in Idaho an amount determined by subtracting the net tuition and fee revenue loss of Washington from the net tuition and fee revenue loss of Idaho, minus twenty-five thousand dollars for each year of the biennium if the appropriate officials in the state of Idaho agree to

(2) Upon enrolling, the student must provide evidence of commitment to complete the program. The student must make satisfactory progress and maintain a cumulative 2.0 grade point average for continued eligibility. If a student's cumulative grade point average falls below 2.0, the student may petition the institution of higher education of attendance. The qualified institution of higher education has the authority to establish a probationary period until such time as the student's grade point average reaches required standards.

(3) Subject to funds appropriated for this specific purpose, public qualified institutions of higher education shall receive an enhancement of one thousand five hundred dollars for each full-time equivalent student enrolled in the opportunity grant program whose income is below two hundred percent of the federal poverty level. The funds shall be used for individualized support services which may include, but are not limited to, college and career advising, tutoring, emergency child care, and emergency transportation. The qualified institution of higher education is expected to help students access all financial resources and support services available to them through alternative sources.

(4) The college board shall be accountable for student retention and completion of opportunity grant-eligible programs of study. It shall set annual performance measures and targets and monitor the performance at all qualified institutions of higher education. The college board must reduce funding at institutions of higher education that do not meet targets for two consecutive years, based on criteria developed by the college board.

(5) The college board and ~~((higher education coordinating board))~~ office of student financial assistance shall work together to ensure that students participating in the opportunity grant program are informed of all other state and federal financial aid to which they may be entitled while receiving an opportunity grant.

TWENTY SEVENTH DAY, MAY 22, 2011

(6) The college board and (~~higher education coordinating board~~) office of student financial assistance shall document the amount of opportunity grant assistance and the types and amounts of other sources of financial aid received by participating students. Annually, they shall produce a summary of the data.

(7) The college board shall:

Only the college board or a duly authorized representative thereof may authorize expenditures from this account. In order to maintain an effective expenditure and revenue control, the account is subject in all respects to chapter 43.88 RCW, but no appropriation is required to permit expenditure of moneys in the account.

Sec. 158. RCW 28B.92.020 and 2003 c 19 s 11 are each amended to read as follows:

(1) The legislature finds that the (~~higher education coordinating board, in consultation with the~~) higher education community, has completed a review of the state need grant program. It is the intent of the legislature to endorse the (~~boards~~) proposed changes to the state need grant program, including:

(a) Reaffirmation that the primary purpose of the state need grant program is to assist low-income, needy, and disadvantaged Washington residents attending institutions of higher education;

(b) A goal that the base state need grant amount over time be increased to be equivalent to the rate of tuition charged to resident undergraduate students attending Washington state public colleges and universities;

(c) State need grant recipients be required to contribute a portion of the total cost of their education through self-help;

(d) State need grant recipients be required to document their need for dependent care assistance after taking into account other public funds provided for like purposes; and

(e) Institutional aid administrators be allowed to determine whether a student eligible for a state need grant in a given academic year may remain eligible for the ensuing year if the student's family income increases by no more than a marginal amount except for funds provided through the educational assistance grant program for students with dependents.

(2) The legislature further finds that the (~~higher education coordinating board, under its authority to implement the proposed~~) changes in subsection (1) of this section, should do so in a timely manner.

(3) The legislature also finds that:

(a) In most circumstances, need grant eligibility should not extend beyond five years or one hundred twenty-five percent of the published length of the program in which the student is enrolled or the credit or clock-hour equivalent; and

(b) State financial aid programs should continue to adhere to the principle that funding follows resident students to their choice of institution of higher education.

The (~~board~~) office shall be cognizant of the following guidelines in the performance of its duties:

(1) The (~~board~~) office shall be research oriented, not only at its inception but continually through its existence.

(2) The (~~board~~) office shall coordinate all existing programs of financial aid except those specifically dedicated to a particular institution by the donor.

(3) The (~~board~~) office shall take the initiative and responsibility for coordinating all federal student financial aid programs to ensure that the state recognizes the maximum potential effect of these programs, and shall design state programs that complement existing federal, state, and institutional programs. The (~~board~~) office shall ensure that state programs continue to follow the principle that state financial aid funding follows the student to the student's choice of institution of higher education.

2011 1ST SPECIAL SESSION

(4) Counseling is a paramount function of the state need grant and other state student financial aid programs, and in most cases could only be properly implemented at the institutional levels; therefore, state student financial aid programs shall be concerned with the attainment of those goals which, in the judgment of the ((board)) office, are the reasons for the existence of a student financial aid program, and not solely with administration of the program on an individual basis.

(5) The "package" approach of combining loans, grants and employment for student financial aid shall be the conceptual element of the state's involvement.

(6) The ((board)) office shall ensure that allocations of state appropriations for financial aid are made to individuals and institutions in a timely manner and shall closely monitor expenditures to avoid under or overexpenditure of appropriated funds.

Sec. 161. RCW 28B.92.050 and 1999 c 345 s 4 are each amended to read as follows:

The ((board)) office shall have the following powers and duties:

(1) Conduct a full analysis of student financial aid as a means of:

(a) Fulfilling educational aspirations of students of the state of Washington, and

(b) Improving the general, social, cultural, and economic character of the state.

Such an analysis will be a continuous one and will yield current information relevant to needed improvements in the state program of student financial aid. The ((board)) office will disseminate the information yielded by their analyses to all appropriate individuals and agents.

(2) Design a state program of student financial aid based on the data of the study referred to in this section. The state programs will supplement available federal and local aid programs. The state programs of student financial aid will not exceed the difference between the budgetary costs of attending an institution of higher education and the student's total resources, including family support, personal savings, employment, and federal, state, and local aid programs.

(3) Determine and establish criteria for financial need of the individual applicant based upon the consideration of that particular applicant. In making this determination the ((board)) office shall consider the following:

(a) Assets and income of the student.

(b) Assets and income of the parents, or the individuals legally responsible for the care and maintenance of the student.

(c) The cost of attending the institution the student is attending or planning to attend.

(d) Any other criteria deemed relevant to the ((board)) office.

(4) Set the amount of financial aid to be awarded to any individual needy or disadvantaged student in any school year.

(5) Award financial aid to needy or disadvantaged students for a school year based upon only that amount necessary to fill the financial gap between the budgetary cost of attending an institution of higher education and the family and student contribution.

(6) Review the need and eligibility of all applications on an annual basis and adjust financial aid to reflect changes in the financial need of the recipients and the cost of attending the institution of higher education.

Sec. 162. RCW 28B.92.060 and 2009 c 215 s 4 are each amended to read as follows:

In awarding need grants, the ((board)) office shall proceed substantially as follows: PROVIDED, That nothing contained herein shall be construed to prevent the ((board)) office, in the exercise of its sound discretion, from following another procedure when the best interest of the program so dictates:

(1) The ((board)) office shall annually select the financial aid award recipients from among Washington residents applying for student financial aid who have been ranked according to:

(a) Financial need as determined by the amount of the family contribution; and

(b) Other considerations, such as whether the student is a former foster youth, or is a placebound student who has completed an associate of arts or associate of science degree or its equivalent.

(2) The financial need of the highest ranked students shall be met by grants depending upon the evaluation of financial need until the total allocation has been disbursed. Funds from grants which are declined, forfeited or otherwise unused shall be reawarded until disbursed, except that eligible former foster youth shall be assured receipt of a grant.

(3) A student shall be eligible to receive a state need grant for up to five years, or the credit or clock hour equivalent of five years, or up to one hundred twenty-five percent of the published length of time of the student's program. A student may not start a new associate degree program as a state need grant recipient until at least five years have elapsed since earning an associate degree as a need grant recipient, except that a student may earn two associate degrees concurrently. Qualifications for renewal will include maintaining satisfactory academic progress toward completion of an eligible program as determined by the ((board)) office. Should the recipient terminate his or her enrollment for any reason during the academic year, the unused portion of the grant shall be returned to the state educational grant fund by the institution according to the institution's own policy for issuing refunds, except as provided in RCW 28B.92.070.

(4) In computing financial need, the ((board)) office shall determine a maximum student expense budget allowance, not to exceed an amount equal to the total maximum student expense budget at the public institutions plus the current average state appropriation per student for operating expense in the public institutions. Any child support payments received by students who are parents attending less than half-time shall not be used in computing financial need.

(5)(a) A student who is enrolled in three to six credit-bearing quarter credits, or the equivalent semester credits, may receive a grant for up to one academic year before beginning a program that leads to a degree or certificate.

(b) An eligible student enrolled on a less-than-full-time basis shall receive a prorated portion of his or her state need grant for any academic period in which he or she is enrolled on a less-than-full-time basis, as long as funds are available.

(c) An institution of higher education may award a state need grant to an eligible student enrolled in three to six credit-bearing quarter credits, or the semester equivalent, on a provisional basis if:

(i) The student has not previously received a state need grant from that institution;

(ii) The student completes the required free application for federal student aid;

(iii) The institution has reviewed the student's financial condition, and the financial condition of the student's family if the student is a dependent student, and has determined that the student is likely eligible for a state need grant; and

(iv) The student has signed a document attesting to the fact that the financial information provided on the free application for federal student aid and any additional financial information provided directly to the institution is accurate and complete, and that the student agrees to repay the institution for the grant amount if the student submitted false or incomplete information.

(6) As used in this section, "former foster youth" means a person who is at least eighteen years of age, but not more than twenty-four

TWENTY SEVENTH DAY, MAY 22, 2011

years of age, who was a dependent of the department of social and health services at the time he or she attained the age of eighteen.

Sec. 163. RCW 28B.92.084 and 2009 c 238 s 8 are each amended to read as follows:

(1) The ~~((board))~~ office shall work with institutions of higher education to assure that the institutions are aware of the eligibility of opportunity internship graduates for an award under this chapter.

(2) If an opportunity internship graduate enrolls within one year of high school graduation in a postsecondary program of study in an institution of higher education, including in an apprenticeship program with related and supplemental instruction provided through an institution of higher education, the graduate is eligible to receive a state need grant for up to one year. The graduate shall not be required to be enrolled on at least a half-time basis. The related and supplemental instruction provided to a graduate through an apprenticeship program shall not be required to lead to a degree or certificate.

(3) Except for the eligibility criteria for an opportunity internship graduate that are provided under this section, other rules pertaining to award of a state need grant apply.

(4) Nothing in this section precludes an opportunity internship graduate from being eligible to receive additional state need grants after the one-year grant provided in this section if the graduate meets other criteria as a needy or disadvantaged student.

Sec. 164. RCW 28B.92.120 and 2004 c 275 s 41 are each amended to read as follows:

Funds appropriated for student financial assistance to be granted pursuant to this chapter shall be disbursed as determined by the ~~((board))~~ office.

Sec. 165. RCW 28B.92.130 and 2004 c 275 s 42 are each amended to read as follows:

The ~~((board))~~ office shall be authorized to accept grants, gifts, bequests, and devises of real and personal property from any source for the purpose of granting financial aid in addition to that funded by the state.

Sec. 166. RCW 28B.92.140 and 1997 c 269 s 1 are each amended to read as follows:

The state educational trust fund is hereby established in the state treasury. The primary purpose of the trust is to pledge statewide available college student assistance to needy or disadvantaged students, especially middle and high school youth, considered at-risk of dropping out of secondary education who participate in ~~((board-))~~ approved early awareness and outreach programs and who enter any accredited Washington institution of postsecondary education within two years of high school graduation.

The ~~((board))~~ office shall deposit refunds and recoveries of student financial aid funds expended in prior fiscal periods in such account. The ~~((board))~~ office may also deposit moneys that have been contributed from other state, federal, or private sources.

Expenditures from the fund shall be for financial aid to needy or disadvantaged students. The ~~((board))~~ office may annually expend such sums from the fund as may be necessary to fulfill the purposes of this section, including not more than three percent for the costs to administer aid programs supported by the fund. All earnings of investments of balances in the state educational trust fund shall be credited to the trust fund. Expenditures from the fund shall not be subject to appropriation but are subject to allotment procedures under chapter 43.88 RCW.

Sec. 167. RCW 28B.92.150 and 2004 c 275 s 43 are each amended to read as follows:

The ~~((board))~~ office shall adopt rules as may be necessary or appropriate for effecting the provisions of this chapter, in accordance with the provisions of chapter 34.05 RCW, the administrative procedure act.

The state of Washington may be an eligible purchaser for purposes of purchasing tuition units to be held for granting Washington college bound scholarships.

2011 1ST SPECIAL SESSION

(14) "Tuition unit contract" means a contract between an eligible purchaser and the governing body, or a successor agency appointed for administration of this chapter, for the purchase of tuition units for a specified beneficiary that may be redeemed at a later date for an equal number of tuition units.

(15) "Unit purchase price" means the minimum cost to purchase one tuition unit for an eligible beneficiary. Generally, the minimum purchase price is one percent of the undergraduate tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account. The analysis for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.

Sec. 169. RCW 28B.95.025 and 2000 c 14 s 2 are each amended to read as follows:

The ~~((board))~~ office shall maintain appropriate offices and employ and fix compensation of such personnel as may be necessary to perform the advanced college tuition payment program duties. (b) Each purchase shall be worth a specific number of or fraction of tuition units at each state institution of higher education as determined by the governing body.

(c) The number of tuition units necessary to pay for a full year's, full-time undergraduate tuition and fee charges at a state institution of higher education shall be set by the governing body at the time a purchaser enters into a tuition unit contract.

(d) The governing body may limit the number of tuition units purchased by any one purchaser or on behalf of any one beneficiary, however, no limit may be imposed that is less than that necessary to achieve four years of full-time, undergraduate tuition charges at a state institution of higher education. The governing body also may, at its discretion, limit the number of participants, if needed, to ensure the actuarial soundness and integrity of the program.

(5) The governing body shall administer the Washington advanced college tuition payment program in a manner reasonably designed to be actuarially sound, such that the assets of the trust will be sufficient to defray the obligations of the trust including the costs of administration. The governing body may, at its discretion, discount the minimum purchase price for certain kinds of purchases such as those from families with young children, as long as the actuarial soundness of the account is not jeopardized.

(6) The governing body shall annually determine current value of a tuition unit.

(7) The governing body shall promote, advertise, and publicize the Washington advanced college tuition payment program.

(8) In addition to any other powers conferred by this chapter, the governing body may:

(a) Impose reasonable limits on the number of tuition units or units that may be used in any one year;

(b) Determine and set any time limits, if necessary, for the use of benefits under this chapter;

(c) Impose and collect administrative fees and charges in connection with any transaction under this chapter;

The governing body may, at its discretion, allow an organization to purchase tuition units for future use as scholarships. Such organizations electing to purchase tuition units for this purpose must enter into a contract with the governing body which, at a minimum, ensures that the scholarship shall be freely given by the purchaser to a scholarship recipient. For such purchases, the purchaser need not name a beneficiary until four months before the date when the tuition units are first expected to be used.

The governing body shall formulate and adopt such rules as are necessary to determine which organizations may qualify to purchase tuition units for scholarships under this section. The governing

TWENTY SEVENTH DAY, MAY 22, 2011

body also may consider additional rules for the use of tuition units if purchased as scholarships.

The governing body may establish a scholarship fund with moneys from the Washington advanced college tuition payment program account. A scholarship fund established under this authority shall be administered by the (~~higher education coordinating board~~) office and shall be provided to students who demonstrate financial need. Financial need is not a criterion that any other organization need consider when using tuition units as scholarships. With the exception of investment and operating costs associated with the investment of money by the investment board paid under RCW 43.33A.160 and 43.84.160, the account shall be credited with all investment income earned by the account. Disbursements from the account are exempt from appropriations and the allotment provisions of chapter 43.88 RCW. Money used for program administration is subject to the allotment of all expenditures. However, an appropriation is not required for such expenditures. Program administration shall include, but not be limited to: The salaries and expenses of the program personnel including lease payments, travel, and goods and services necessary for program operation; contracts for program promotion and advertisement, audits, and account management; and other general costs of conducting the business of the program.

Disbursements from the account shall be made only on the authorization of the governing body.

(4) With regard to the assets of the account, the state acts in a fiduciary, not ownership, capacity. Therefore the assets of the program are not considered state money, common cash, or revenue to the state.
