receiving a loan or loan guarantee under this chapter if the
comprehensive plan and development regulations are adopted as
required by RCW 36.70A.040 before submitting a request for a loan
or loan guarantee.

(3) In considering awarding loans for public facilities to special
districts requesting funding for a proposed facility located in a
county, city, or town planning under RCW 36.70A.040, the board
shall must consider whether the county, city, or town planning
under RCW 36.70A.040 in whose planning jurisdiction the
proposed facility is located has adopted a comprehensive plan and
development regulations as required by RCW 36.70A.040.

(4) The board ((shall)) must develop a priority process for
public works projects as provided in this section. The intent of the
priority process is to maximize the value of public works projects
accomplished with assistance under this chapter. The board
((shall)) must attempt to assure a geographical balance in assigning
priorities to projects. The board ((shall)) must consider at least the
following factors in assigning a priority to a project:
(a) Whether the local government receiving assistance has
experienced severe fiscal distress resulting from natural disaster or
emergency public works needs;
(b) Except as otherwise conditioned by RCW 43.155.110,
whether the entity receiving assistance is a Puget Sound partner, as
defined in RCW 90.71.010;
(c) Whether the project is referenced in the action agenda
developed by the Puget Sound partnership under RCW 90.71.310;
(d) Whether the project is critical in nature and would affect
the health and safety of a great number of citizens;
(e) Whether the applicant's permitting process has been certified
as streamlined by the office of regulatory assistance;
(f) Whether the applicant has developed and adhered to
guidelines regarding its permitting process for those applying for
development permits consistent with section 1(2), chapter 231,
Laws of 2007;
(g) The cost of the project compared to the size of the
local government and amount of loan money available;
(h) The number of communities served by or funding the
project;
(i) Whether the project is located in an area of high
unemployment, compared to the average state unemployment;
(j) Whether the project is the acquisition, expansion,
improvement, or renovation by a local government of a public water
system that is in violation of health and safety standards, including
the cost of extending existing service to such a system;
(k) Except as otherwise conditioned by RCW 43.155.120,
and effective one calendar year following the development of model
evergreen community management plans and ordinances under
RCW 35.105.050, whether the entity receiving assistance has been
recognized, and what gradation of recognition was received, in the
evergreen community recognition program created in RCW
35.105.030;
(l) The relative benefit of the project to the community,
considering the present level of economic activity in the community
and the existing local capacity to increase local economic activity in
communities that have low economic growth; and
(m) Other criteria that the board considers advisable.

(5) Existing debt or financial obligations of local governments
shall may not be refinanced under this chapter. Each local
government applicant ((shall)) must provide documentation of
attempts to secure additional local or other sources of funding for
each public works project for which financial assistance is sought
under this chapter.

(6) Before November 1st of each even-numbered year, the
board ((shall)) must develop and submit to the appropriate fiscal
committees of the senate and house of representatives a description
of the loans made under RCW 43.155.065, 43.155.068, and
subsection (9) of this section during the preceding fiscal year and a
prioritized list of projects which are recommended for funding by
the legislature, including one copy to the staff of each of the
committees. The list ((shall)) must include, but not be limited to, a
description of each project and recommended financing, the terms
and conditions of the loan or financial guarantee, the local
government jurisdiction and unemployment rate, demonstration of
the jurisdiction’s critical need for the project and documentation of local funds being used to finance the public works project. The list ((shall)) must also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(7) The board ((shall)) may not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature ((shall)) may not change the order of the priorities recommended for funding by the board.

(8) Subsection (7) of this section does not apply to loans made under RCW 43.155.065, 43.155.068, and subsection (9) of this section.

(9) Loans made for the purpose of capital facilities plans ((shall)) are exempted from subsection (7) of this section.

(10) To qualify for loans or pledges for solid waste or recycling facilities under this chapter, a city or county must demonstrate that the solid waste or recycling facility is consistent with and necessary to implement the comprehensive solid waste management plan adopted by the city or county under chapter 70.95 RCW.

(11) After January 1, 2010, any project designed to address the effects of storm water or wastewater on Puget Sound may be funded under this section only if the project is not in conflict with the action agenda developed by the Puget Sound Partnership under RCW 90.71.310.

Sec. 10. RCW 43.160.060 and 2008 c 327 s 5 are each amended to read as follows:

(1) The board is authorized to make direct loans to political subdivisions of the state and to federally recognized Indian tribes for the purposes of assisting the political subdivisions and federally recognized Indian tribes in financing the cost of public facilities, including development of land and improvements for public facilities, project-specific environmental, capital facilities, land use, permitting, feasibility, and marketing studies and plans; project design, site planning, and analysis; project debt and revenue impact analysis; as well as the construction, rehabilitation, alteration, expansion, or improvement of the facilities. A grant may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision or the federally recognized Indian tribe and the finding by the board that financial circumstances require grant assistance to enable the project to move forward. However, no more than twenty-five percent of all financial assistance approved by the board in any biennium may consist of grants to political subdivisions and federally recognized Indian tribes.

(2) Application for funds ((shall)) must be made in the form and manner as the board may prescribe. In making grants or loans the board ((shall)) must conform to the following requirements:

((3)) (a) The board ((shall)) may not provide financial assistance:

((4)) (i) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.

((5)) (ii) For any project that evidence exists would result in a development or expansion that would displace existing jobs in any other community in the state.

((6)) (iii) For a project the primary purpose of which is to facilitate or promote gambling.

((7)) (iv) For a project located outside the jurisdiction of the applicant political subdivision or federally recognized Indian tribe.

INTRODUCTION OF SPECIAL GUESTS

The President welcomed and introduced Colonel Ed Drummond; Captain George Hickman; and Airman George Miller, original members of the “Tuskegee Airmen” and Mr. Tommie Lamb, President of the Sam Bruce Chapter of the Tuskegee Airmen, Inc., who were seated at the rostrum. The “Tuskegee Airmen” were the first African Americans to fly and maintain combat aircraft during World War II. Previously denied military leadership roles and skilled training, the 332nd and other Fighter Groups, trained in Tuskegee, Alabama by the U. S. Army Air Corps program that has become known as the “Tuskegee Experience,” went on to become one of the most highly respected fighter groups of the war, paving the way for full integration of the U. S. military.

With permission of the Senate, business was suspended to allow Colonel Ed Drummond and Mr. Tommie Lamb to address the Senate.

INTRODUCTION OF SPECIAL GUESTS

The President welcomed and introduced Mrs. Alberta Drummond, wife of Colonel Drummond and son, Mr. Michael Drummond’ Mrs. Dorothy Hickman, wife of Captain Hickman; and Ms. Hydarose Miller, daughter of Airman Miller accompanied by Mrs. Brad Owen and visit organizer, Ms. Tracey Lundquist, daughter of former Representative Homer Lundquist and teacher at Tyee Park Elementary School in Lakewood and a Golden Apple Award winner, who were all present in the gallery.

REMARKS BY COLONEL ED DRUMMOND

Colonel Drummond: “First off, I’d like to say, express my thanks for the opportunity to speak in the Senate of the State of Washington. We came to Washington by way of the military in 1961. We’re Pennsylvanians, my wife, of sixty-three years, Alberta, and myself and our family, Michael’s our son, up there. We were adopted by Washington and I always challenged those who were born and raised here to take off their shoes because I have web feet just like they have and that’s one thing you get when you get here. But we’re really blessed and we thank you for the privilege, for taking some of your valuable time and want to
express our thanks for what you're trying to do for the state. We realize that you work hard at what you’re doing. Everybody is not always in agreement of things but you come to a rationalization which is beneficial to us in the state and we appreciate the job that you do and we appreciate you letting us just take a few minutes. Thank you very much.”

REMARKS BY MR. TOMMIE LAMB

Mr. Lamb: “Good morning. I came from a little town in Mississippi and no way on God’s green earth that anybody from Mississippi during my time would be standing in the State Legislature. So, I’m very proud to be here this morning and I want to thank you for taking your time out to welcome us. The Tuskegee Airmen, we’re trying to just tell the story, what was done and what was not done. We look forward to working with the state and with the people of the state of Washington to prove things much better for the kids that are coming along now. You can imagine the school I went to in Mississippi was inferior from the beginning to the end and the only way you could improve yourself was to get out of the state of Mississippi in the 1950s. And like I said my mother and father they would be so proud of me to see me standing this place because it was never believed that we would ever be anything because nothing was planned to be anything. So, again I would just like to thank you and welcome you to come to our meetings. We have meetings on the last Friday of every month at the Museum of Flight where we discuss different programs that we try to encourage young people, continue their education and especially those who are interested in going to Aaronic Engineering and math and science. So, you’re always welcome to come to my meetings and I hope that my members will give you the same warm welcome that you have here on us this morning. Thank you very much.”

REMARKS BY THE PRESIDENT

President Owen: “Following our little time here, we are going to make a little jaunt over to the House of Representatives for a minute and then they will be in my office if people would like to come by for pictures and just say hello and pay their respects to these incredible, incredible heroes of America. That will go until about 12:30 and then I will shut the door so they can have lunch. So, thank you all for allowing us this time to meet these incredible gentlemen. Thank you very much and thank you all for being here with us today.”

MOTION

On motion of Senator Eide, the Senate advanced to the eighth order of business.

Senator Shin assumed the chair.

Sec. 102. RCW 77.55.021 and 2010 c 210 s 27 are each amended to read as follows:

(1) Except as provided in RCW 77.55.031, 77.55.051, and section 201 of this act, in the event that any person or government agency desires to undertake a hydraulic project, the person or government agency shall, before commencing work thereon, secure the approval of the department in the form of a permit as to the adequacy of the means proposed for the protection of fish life.

(2) A complete written application for a permit may be submitted in person or by registered mail and must contain the following:

(a) General plans for the overall project;

(b) Complete plans and specifications of the proposed construction or work within the mean higher high water line in saltwater or within the ordinary high water line in freshwater;

(c) Complete plans and specifications for the proper protection of fish life;

(d) Notice of compliance with any applicable requirements of the state environmental policy act, unless otherwise provided for in this chapter; and

(e) Payment of all applicable application fees charged by the department under section 103 of this act.

(3) The department may establish direct billing accounts or other funds transfer methods with permit applicants to satisfy the fee payment requirements of section 103 of this act.

(4) The department may accept complete, written applications as provided in this section for multiple site permits and general permits and may issue these permits. For multiple site permits, each specific location must be identified.

(5) With the exception of emergency permits as provided in subsection (12) of this section, applications for permits must be submitted to the department's headquarters office in Olympia. Requests for emergency permits as provided in subsection (12) of this section may be made to the permitting biologist assigned to the location in which the emergency occurs, to the department's regional office in which the emergency occurs, or to the department's headquarters office.

(6) Except as provided for emergency permits in subsection (12) of this section, the department may not proceed with permit review until all fees are paid in full as required in section 103 of this act.

(7)(a) Protection of fish life is the only ground upon which

2012 REGULAR SESSION

approval of a permit may be denied or conditioned. Approval of a
permit may not be unreasonably withheld or unreasonably
conditioned.

(b) Except as provided in this subsection and subsections ((6), ((10),
and) (12) through (14) and (16) of this section, the department has
forty-five calendar days upon receipt of a complete application to
grant or deny approval of a permit. The forty-five day requirement
is suspended if:
(i) After ten working days of receipt of the application, the
applicant remains unavailable or unable to arrange for a timely field
evaluation of the proposed project;
(ii) The site is physically inaccessible for inspection;
(iii) The applicant requests a delay; or
(iv) The department is issuing a permit for a storm water
discharge and is complying with the requirements of RCW
77.55.161(3)(b).

(9) Immediately upon determination that the forty-five
day period is suspended under (b) of this subsection, the department
shall notify the applicant in writing of the reasons for the delay.

(d) The period of forty-five calendar days may be
extended if the permit is part of a multiagency permit streamlining
effort and all participating permitting agencies and the permit
applicant agree to an extended timeline longer than forty-five
calendar days.

(10) If the department denies approval of a permit, the
department shall provide the applicant a written statement of the
specific reasons why and how the proposed project would adversely
affect fish life.

(a) Except as provided in (b) of this subsection, issuance, denial,
conditioning, or modification of a permit shall be appealable to the
board within thirty days from the date of receipt of the decision as
provided in RCW 43.21B.230.

(b) Issuance, denial, conditioning, or modification of a permit
may be informally appealed to the department within thirty days
from the date of receipt of the decision. Requests for informal
appeals must be filed in the form and manner prescribed by the
department by rule. A permit decision that has been informally
appealed to the department is appealable to the board within thirty
days from the date of receipt of the department's decision on the
informal appeal.

(a) The permittee must demonstrate substantial
progress on construction of that portion of the project relating to the
permit within two years of the date of issuance.

(b) Approval of a permit is valid for (a period of an)
up to five years from the date of issuance, except as provided in (c) of this
subsection and in RCW 77.55.151.

(c) A permit remains in effect without need for periodic renewal
for hydraulic projects that divert water for agricultural irrigation or
stock watering purposes and that involve seasonal construction or
other work. A permit for streambank stabilization projects to
protect farm and agricultural land as defined in RCW 84.34.020
remains in effect without need for periodic renewal if the problem
cause for the streambank stabilization occurs on an
annual or more frequent basis. The permittee must notify the
appropriate agency before commencing the construction or other
work within the area covered by the permit.

(1) The department may, after consultation with the
permittee, modify a permit due to changed conditions. A
modification under this subsection is not subject to the fees provided
under section 103 of this act. The modification is appealable as
provided in subsection (((4))) (8) of this section. For a hydraulic
project((s)) that diverts water for agricultural irrigation or stock watering purposes, ((or)) when the hydraulic project or other work is
associated with streambank stabilization to protect farm and
agricultural land as defined in RCW 84.34.020, the burden is on the
department to show that changed conditions warrant the
modification in order to protect fish life.

((10)) (11) A permittee may request modification of a permit due
by changed conditions. The request must be processed within
forty-five calendar days of receipt of the written request and
payment of applicable fees under section 103 of this act. A
decision by the department is appealable as provided in subsection
(((4))) (8) of this section. For a hydraulic project((s)) that diverts
water for agricultural irrigation or stock watering purposes, ((or))
when the hydraulic project or other work is associated with
streambank stabilization to protect farm and agricultural land as
defined in RCW 84.34.020, the burden is on the permittee to show
that changed conditions warrant the requested modification and that
such a modification will not impair fish life.

((12)) (12)(a) The department, the county legislative authority,
or the governor may declare and continue an emergency. If the
county legislative authority declares an emergency under this
subsection, it shall immediately notify the department. A declared
state of emergency by the governor under RCW 43.06.010 shall
constitute a declaration under this subsection.

(b) The department, through its authorized representatives, shall
issue immediately, upon request, ((oral)) verbal approval for a
drainage crossing, or work to remove any obstructions, repair existing
structures, restore streambanks, protect fish life, or protect property
threatened by the stream or a change in the stream flow without the
necessary of obtaining a written permit prior to commencing work.

Condition of the emergency ((oral)) verbal permit must be
established by the department and reduced to writing within thirty
days and complied with as provided for in this chapter.

(c) The department may not require the provisions of the state
environmental policy act, chapter 43.21C RCW, to be met as a
condition of issuing a permit under this subsection.

(13) All state and local agencies with authority under this
chapter to issue permits or other authorizations in connection with
emergency water withdrawals and facilities authorized under RCW
43.83B.410 shall expedite the processing of such permits or
authorizations in keeping with the emergency nature of such
requests and shall provide a decision to the applicant within fifteen
calendar days of the date of application.

The department or the county legislative authority
may determine an imminent danger exists. The county legislative
authority shall notify the department, in writing, if it determines that
an imminent danger exists. In cases of imminent danger, the
department shall issue an expedited written permit, upon request, for
work to remove any obstructions, repair existing structures, restore
banks, protect fish resources, or protect property. Expedited permit
requests require a complete written application as provided in
subsection (2) of this section and must be issued within fifteen
calendar days of the receipt of a complete written application.

Approval of an expedited permit is valid for up to sixty days from the
date of issuance. The department may not require the
provisions of the state environmental policy act, chapter 43.21C
RCW, to be met as a condition of issuing a permit under this
subsection.
that a chronic danger exists. In cases of chronic danger, the department shall issue a permit, upon request, for work necessary to abate the chronic danger by removing any obstructions, repairing existing structures, restoring banks, restoring road or highway access, protecting fish resources, or protecting property. Permit requests must be made and processed in accordance with subsections (2) and (6)(2) of this section.

(b) Any projects proposed to address a chronic danger identified under (a) of this subsection that satisfies the project description identified in RCW 77.55.181(1)(a)(ii) are not subject to the provisions of the state environmental policy act, chapter 43.21C RCW. However, the project is subject to the review process established in RCW 77.55.181(3) as if it were a fish habitat improvement project.

NEW SECTION. Sec. 103. A new section is added to chapter 77.55 RCW to read as follows:

(1) The department shall issue a permit, upon request, for work necessary to abate the chronic danger by removing any obstructions, repairing existing structures, restoring banks, restoring road or highway access, protecting fish resources, or protecting property. Permit requests must be made and processed in accordance with subsections (2) and (6)(2) of this section.

(b) Any projects proposed to address a chronic danger identified under (a) of this subsection that satisfies the project description identified in RCW 77.55.181(1)(a)(ii) are not subject to the provisions of the state environmental policy act, chapter 43.21C RCW. However, the project is subject to the review process established in RCW 77.55.181(3) as if it were a fish habitat improvement project.

NEW SECTION. Sec. 104. (1) The University of Washington, through colleges and schools with relevant subject matter expertise, shall conduct a review of state, federal, and local natural resources, environmental, and other regulatory programs to:

(a) Identify programs that regulate construction or the performance of work conducted above the ordinary high water line that potentially use, divert, or change the natural flow or bed of any of the salt or freshwaters of the state; and

(b) Identify the scale of the potential risk to fish life from any regulatory gaps identified in (d) of this subsection.

(2) The University of Washington shall conduct the review in consultation with appropriate federal and state agencies, local governments, tribal governments, and business and environmental interests. The University of Washington shall consult with and solicit input from these entities both: (a) Through a forum gathering the stakeholders together at the onset of the review to discuss matters including the scope and timeline of the study; and (b) Throughout the review process. The University of Washington shall include a summary of their comments on the outcomes of the review process in the report required under subsection (3) of this section.

(3) The University of Washington shall submit a report detailing the review to the appropriate standing committees of the senate and house of representatives consistent with RCW 43.01.036 by September 1, 2014.

NEW SECTION. Sec. 105. A new section is added to chapter 77.55 RCW to read as follows:

(1) The hydraulic project approval account is created in the state treasury. All receipts from application fees for hydraulic project approval applications collected under section 103 of this act must be deposited into the account.

(2) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the hydraulic project approval account may be spent only after appropriation.

(3) Expenditures from the hydraulic project approval account may be used only to fund department activities relating to implementing and operating the hydraulic project approval program.

Sec. 106. RCW 77.55.151 and 2005 c 146 s 502 are each amended to read as follows:

(1) (For a marina or marine terminal in existence on June 6, 1996, or a marina or marine terminal that has received a permit for its initial construction, a renewable, five-year permit shall be issued, upon request, for regular maintenance activities of the marina or marine terminal.

(2) Upon construction of a new marina or marine terminal that has received a permit, a renewable, five-year permit shall be issued, upon request, for regular maintenance activities of the marina or marine terminal.

(3) For the purposes of this section, regular maintenance activities are only those activities necessary to restore the marina or marine terminal to the conditions approved in the initial permit. These activities may include, but are not limited to, dredging, piling replacement, and float replacement.

(4) Upon application under RCW 77.55.021, the department shall issue a renewable, five-year general permit to a marina or marine terminal for its regular maintenance activities identified in the application.

(2) For the purposes of this section, regular maintenance activities may include, but are not limited to:

(a) Maintenance, repair, or replacement of a boat ramp, launch, or float within the existing footprint;

(b) Maintenance or repair of an existing overwater structure within the existing footprint;

(c) Maintenance or repair of boat lifts or railway launches;

(d) New, maintenance, or removal of piling;

(e) Dredging of less than fifty cubic yards;

(f) Maintenance or repair of shoreline armoring or bank protection;

(g) Maintenance or repair of wetland, riparian, or estuarine...
habitat; and

(3) The five-year permit must include a requirement that a fourteen-day notice be given to the department before regular maintenance activities begin.

(4) A permit under this section is subject to the application fee provided in section 103 of this act.

Sec. 107. RCW 77.55.231 and 2005 c 146 s 601 are each amended to read as follows:

(1) Conditions imposed upon a permit must be reasonably related to the project. The permit conditions must ensure that the project provides proper protection for fish life, but the department may not impose conditions that attempt to optimize conditions for fish life that are out of proportion to the impact of the proposed project.

(2) The permit must contain provisions allowing for minor modifications to the plans and specifications without requiring reissuance of the permit.

(3) The permit must contain provisions that allow for minor modifications to the required work timing without requiring the reissuance of the permit. “Minor modifications to the required work timing” means a minor deviation from the timing window set forth in the permit when there are no spawning or incubating fish present within the vicinity of the project.

NEW SECTION. Sec. 108. A new section is added to chapter 77.55 RCW to read as follows:

The department shall prepare and distribute technical and educational information to the general public to assist the public in complying with the requirements of this chapter, including the changes resulting from this act.

NEW SECTION. Sec. 109. A new section is added to chapter 77.55 RCW to read as follows:

The department shall develop a system to provide local governments, affected tribes, and other interested parties with access to hydraulic project approval applications, including applications for a general permit.

NEW SECTION. Sec. 110. The director of fish and wildlife shall adopt any rules required or deemed necessary to implement RCW 77.55.011, 77.55.021, 77.55.151, 77.55.231, and sections 103 through 105, 108, and 109 of this act.

PART TWO
Hydraulic Project
Approval and Forest Practices Integration

NEW SECTION. Sec. 201. A new section is added to chapter 77.55 RCW to read as follows:

(1) The requirements of this chapter do not apply to any forest practices hydraulic project, or to any activities that are associated with such a project, upon incorporation of fish protection standards adopted under this chapter into the forest practices rules and approval of technical guidance as required under RCW 76.09.040, at which time these projects are regulated under chapter 76.09 RCW.

(2) The department must continue to conduct regulatory and enforcement activities under this chapter for forest practices hydraulic projects until the forest practices board incorporates fish protection standards adopted under this chapter into the forest practices rules and approves technical guidance as required under RCW 76.09.040.

(3) By December 31, 2013, the department shall adopt rules establishing the form and procedures for the concurrence review process consistent with section 202 of this act. The concurrence review process must allow the department up to thirty days to review forest practices hydraulic projects meeting the criteria under section 202(2)(a) and (b) of this act for consistency with fish protection standards.

(4) The department shall notify the department of natural resources prior to beginning a rule-making process that may affect activities regulated under chapter 76.09 RCW.

(5) The department shall act consistent with appendix M of the forest and fish report, as the term “forests and fish report” is defined in RCW 76.09.020, when modifying fish protection rules that may affect activities regulated under chapter 76.09 RCW.

(6) The department may review and provide comments on any forest practices application. Prior to commenting and whenever reasonably practicable, the department shall communicate with the applicant regarding the substance of the project.

(7) The department shall participate in effectiveness monitoring for forest practices hydraulic projects through its role in the review processes provided under WAC 222-08-160 as it existed on the effective date of this section.

NEW SECTION. Sec. 202. A new section is added to chapter 76.09 RCW to read as follows:

(1) The department may request information and technical assistance from the department of fish and wildlife regarding any forest practices hydraulic project regulated under this chapter.

(2) A concurrence review process is established for certain forest practices hydraulic projects, as follows:

(a) Prior to submitting an application to the department under RCW 76.09.050 that includes a forest practices hydraulic project involving one or more water crossing structures meeting the criteria of (b) of this subsection, the applicant shall submit water crossing structure plans and specifications to the department of fish and wildlife for concurrence review consistent with section 201(3) of this act.

(b) The concurrence review process applies only to:

(i) Culvert installation or replacement, and repair at or below the bankfull width, as that term is defined in WAC 222-16-010 on the effective date of this section, in fish bearing rivers and streams that exceed five percent gradient;

(ii) Bridge construction or replacement, and repair at or below the bankfull width, of fish bearing unconfined streams; or

(iii) Fill within the flood level - 100 year, as that term is defined in WAC 222-16-010, as it existed on the effective date of this section, of fish bearing unconfined streams.

(c) When submitting an application to the department under RCW 76.09.050, the applicant shall attach the following to the application:

(i) The concurrence review form issued by the department of fish and wildlife; and

(ii) Plans and specifications for each water crossing structure subject to concurrence review.

Sec. 203. RCW 76.09.040 and 2010 c 188 s 4 are each amended to read as follows:

(1)(a) Where necessary to accomplish the purposes and policies stated in RCW 76.09.010, and to implement the provisions of this chapter, the board shall adopt forest practices rules pursuant to chapter 34.05 RCW and in accordance with the procedures enumerated in this section that:

(i) Establish minimum standards for forest practices;

(ii) Provide procedures for the voluntary development of resource management plans which may be adopted as an alternative to the minimum standards in (a)(i) of this subsection if the plan is consistent with the purposes and policies stated in RCW 76.09.010 and the plan meets or exceeds the objectives of the minimum standards;

(iii) Set forth necessary administrative provisions;

(iv) Establish procedures for the collection and administration of forest practice fees as set forth by this chapter; and
(v) Allow for the development of watershed analyses.

(b) Forest practices rules pertaining to water quality protection shall be adopted by the board after reaching agreement with the director of the department of ecology or the director's designee on the board with respect to these rules. All other forest practices rules shall be adopted by the board.

(c) Forest practices rules shall be administered and enforced by the department of ecology and the local governmental entity as provided in this chapter. Such rules shall be adopted and administered so as to give consideration to all purposes and policies set forth in RCW 76.09.010.

(2)(a) The board shall prepare proposed forest practices rules consistent with this section and chapter 34.05 RCW. In addition to any forest practices rules relating to water quality protection proposed by the board, the department of ecology may submit to the board proposed forest practices rules relating to water quality protection.

(b)(i) (Prior to initiating the rule-making process, the proposed rules shall be submitted for review and comments to the department of fish and wildlife and to the counties of the state. After receipt of the proposed forest practices rules, the department of fish and wildlife and the counties of the state shall have thirty days in which to review and submit comments to the board, and to the department of ecology with respect to its proposed rules relating to water quality protection.

(ii) After the expiration of the thirty day period, the board ((and the department of ecology)) shall ((jointly)) hold one or more hearings on the proposed rules pursuant to chapter 34.05 RCW. Any county representative may propose specific forest practices rules relating to problems existing within the county at the hearings. ((iii)) (iii) The board may adopt the department of ecology may approve such proposals if they find the proposals are consistent with the purposes and policies of this chapter.

(3)(a) The board shall incorporate into the forest practices rules those fish protection standards in the rules adopted under chapter 77.55 RCW, as the rules existed on the effective date of this section, that are applicable to activities regulated under the forest practices rules. If fish protection standards are incorporated by reference, the board shall minimize administrative processes by utilizing the exception from the administrative procedures controlling significant legislative rules under RCW 34.05.328(5)(b)(iii) for the incorporation of rules adopted by other state agencies.

(b) Thereafter, the board shall incorporate into the forest practices rules any changes to those fish protection standards in the rules adopted under chapter 77.55 RCW that are:  (i) Adopted consistent with section 201 of this act; and (ii) applicable to activities regulated under the forest practices rules. If fish protection standards are incorporated by reference, the board shall minimize administrative processes by utilizing the exception from the administrative procedures controlling significant legislative rules under RCW 34.05.328(5)(b)(iii) for the incorporation of rules adopted by other state agencies.

(c) The board shall establish and maintain technical guidance in the forest practices board manual, as provided under WAC 222-12-090 as it existed on the effective date of this section, to assist with implementation of the standards incorporated into the forest practices rules under this section. The guidance must include best management practices and standard techniques to ensure fish protection.

(d) The board must complete the requirements of (a) of this subsection and establish initial technical guidance under (c) of this subsection by December 31, 2013.

(4)(a) The board shall establish by rule a program for the acquisition of riparian open space and critical habitat for threatened or endangered species as designated by the board. Acquisition must be a conservation easement. Lands eligible for acquisition are forest lands within unconfined channel migration zones or forest lands containing critical habitat for threatened or endangered species as designated by the board. Once acquired, these lands may be held and managed by the department, transferred to another state agency, transferred to an appropriate local government agency, or transferred to a private nonprofit nature conservation corporation, as defined in RCW 64.04.130, in fee or transfer of management obligation. The board shall adopt rules governing the acquisition by the state or donation to the state of such interest in lands including the right of refusal if the lands are subject to unacceptable liabilities. The rules shall include definitions of qualifying lands, priorities for acquisition, and provide for the opportunity to transfer such lands with limited warranties and with a description of boundaries that does not require full surveys where the cost of securing the surveys would be unreasonable in relation to the value of the lands conveyed. The rules shall provide for the management of the lands for ecological protection or fisheries enhancement. For the purposes of conservation easements entered into under this section, the following apply:

(i) For conveyances of a conservation easement in which the landowner conveys an interest in the trees only, the compensation must include the timber value component, as determined by the average stumpage value for timber of the same species shown on the appropriate table used for timber harvest excise tax purposes under RCW 84.33.091;

(ii) For conveyances of a conservation easement in which the landowner conveys interests in both land and trees, the compensation must include the timber value component in (a)(i) of this subsection plus such portion of the land value component as determined just and equitable by the department. The land value component must be the acreage of qualifying channel migration or critical habitat for threatened or endangered species as designated by the board, multiplied by the appropriate quality code

NEW SECTION. Sec. 204. A new section is added to chapter 77.55 RCW to read as follows:

(1) The department and the department of natural resources shall enter into and maintain a memorandum of agreement between the two agencies that describes how to implement integration of hydraulic project approvals into forest practices applications consistent with this act.
(2) The initial memorandum of agreement between the two departments must be executed by December 31, 2012. The memorandum of agreement may be amended as agreed to by the two departments.

Sec. 205. RCW 76.09.050 and 2011 c 207 s 1 are each amended to read as follows:

(1) The board shall establish by rule which forest practices shall be included within each of the following classes:

Class I: Minimal or specific forest practices that have no direct potential for damaging a public resource and that may be conducted without submitting an application or a notification except that when the regulating authority is transferred to a local governmental entity, those Class I forest practices that involve timber harvesting or road construction within "urban growth areas," designated pursuant to chapter 36.70A RCW, are processed as Class IV forest practices, but are not subject to environmental review under chapter 43.21C RCW;

Class II: Forest practices which have a less than ordinary potential for damaging a public resource that may be conducted without submitting an application and may begin five calendar days, or such lesser time as the department may determine, after written notification by the operator, in the manner, content, and form as prescribed by the department, is received by the department. However, the work may not begin until all forest practice fees required under RCW 76.09.065 have been received by the department. Class II shall not include forest practices:

(a) On forest lands that are being converted to another use;
(b) ((Which require approvals under the provisions of the hydraulics act, RCW 77.55.021); (c)) Within "shorelines of the state" as defined in RCW 90.58.030;

(1) A written statement of intent signed by the forest landowner not to convert to a use other than commercial forest product operations for ten years, accompanied by either a written forest management plan acceptable to the department or documentation that the land is enrolled under the provisions of chapter 84.33 or 84.34 RCW; or
(ii) A conversion option harvest plan approved by the local governmental entity and submitted to the department as part of the application; and/or
(d) Which have a potential for a substantial impact on the environment and therefore require an evaluation by the department as to whether or not a detailed statement must be prepared pursuant to the state environmental policy act, chapter 43.21C RCW. Such evaluation shall be made within ten days from the date the department receives the application: PROVIDED, That nothing herein shall be construed to prevent any local or regional governmental entity from determining that a detailed statement must be prepared for an action pursuant to a Class IV forest practice taken by that governmental entity concerning the land on which forest practices will be conducted. A Class IV application must be approved or disapproved by the department within thirty calendar days from the date the department receives the application, (unless the department determines that a detailed statement must be made, in which case the application must be approved or disapproved by the department within sixty calendar days from the date the department receives the application, unless the commissioner of public lands, through the promulgation of a formal order, determines that the process cannot be completed within such a period) except that the department must: Approve or disapprove an application within sixty calendar days from the date the department receives the application if the department determines that a detailed statement must be made, unless the commissioner of public lands, through the promulgation of a formal order, determines that the process cannot be completed within such a period. However, the applicant may not begin work on that forest practice until all forest practice fees required under RCW 76.09.065 have been received by the department.

Forest practices under Classes I, II, and III are exempt from the requirements for preparation of a detailed statement under the state environmental policy act.

(2) Except for those forest practices being regulated by local governmental entities as provided elsewhere in this chapter, no Class II, Class III, or Class IV forest practice shall be commenced or continued after January 1, 1975, unless the department has received a notification with regard to a Class II forest practice or approved an application with regard to a Class III or Class IV forest practice containing all information required by RCW 76.09.060 as now or hereafter amended. However, in the event forest practices regulations necessary for the scheduled implementation of this chapter and RCW 90.48.420 have not been adopted in time to meet such schedules, the department shall have the authority to regulate forest practices and approve applications on such terms and conditions consistent with this chapter and RCW 90.48.420 and the purposes and policies of RCW 76.09.010 until applicable forest practices regulations are in effect.

(3) Except for those forest practices being regulated by local governmental entities as provided elsewhere in this chapter, if a notification or application is delivered in person to the department by the operator or the operator's agent, the department shall immediately provide a dated receipt thereof. In all other cases, the department shall immediately mail a dated receipt to the operator.

(4) Except for those forest practices being regulated by local governmental entities as provided elsewhere in this chapter, forest practices shall be conducted in accordance with the forest practices regulations, orders and directives as authorized by this chapter or the forest practices regulations, and the terms and conditions of any approved applications.

(5) Except for those forest practices being regulated by local governmental entities as provided elsewhere in this chapter, the department of natural resources shall notify the applicant in writing of either its approval of the application or its disapproval of the application and the specific manner in which the application fails to comply with the provisions of this section or with the forest practices regulations. Except as provided otherwise in this section, if the department fails to either approve or disapprove an application or any portion thereof within the applicable time limit, the application shall be deemed approved and the operation may be commenced: PROVIDED, That this provision shall not apply to
applications which are neither approved nor disapproved pursuant to the provisions of subsection (7) of this section: PROVIDED, FURTHER, That if seasonal field conditions prevent the department from being able to properly evaluate the application, the department may issue an approval conditional upon further review within sixty days: PROVIDED, FURTHER, That the department shall have until April 1, 1975, to approve or disapprove an application involving forest practices allowed to continue to April 1, 1975, under the provisions of subsection (2) of this section). Upon receipt of any notification or any satisfactorily completed application the department shall in any event no later than two business days after such receipt transmit a copy to the departments of ecology and fish and wildlife, and to the county, city, or town in whose jurisdiction the forest practice is to be commenced. Any comments by such agencies shall be directed to the department of natural resources.

(6) For those forest practices regulated by the board and the department, if the county, city, or town believes that an application is inconsistent with this chapter, the forest practices regulations, or any local authority consistent with RCW 76.09.240 as now or hereafter amended, it may so notify the department and the applicant, specifying its objections.

(7) For those forest practices regulated by the board and the department, the department shall not approve portions of applications to which a county, city, or town objects if:

(a) The department receives written notice from the county, city, or town of such objections within fourteen business days from the time of transmittal of the application to the county, city, or town, or one day before the department acts on the application, whichever is later; and

(b) The objections relate to forest lands that are being converted to another use.

The department shall either disapprove those portions of such application or appeal the county, city, or town objections to the appeals board. If the objections related to (b) of this subsection are based on local authority consistent with RCW 76.09.240 as now or hereafter amended, the department shall disapprove the application until such time as the county, city, or town consents to its approval or such disapproval is reversed on appeal. The applicant shall be a party to all department appeals of county, city, or town objections. Unless the county, city, or town either consents or has waived its rights under this subsection, the department shall not approve portions of an application affecting such lands until the minimum time for county, city, or town objections has expired.

(8) For those forest practices regulated by the board and the department, in addition to any rights under the above paragraph, the county, city, or town may appeal any department approval of an application with respect to any lands within its jurisdiction. The appeals board may suspend the department's approval in whole or in part pending such appeal where there exists potential for immediate and material damage to a public resource.

(9) For those forest practices regulated by the board and the department, appeals under this section shall be made to the appeals board in the manner and time provided in RCW 76.09.205. In such appeals there shall be no presumption of correctness of either the county, city, or town or the department position.

(10) For those forest practices regulated by the board and the department, the department shall, within four business days notify the county, city, or town of all notifications, approvals, and disapprovals of an application affecting lands within the county, city, or town, except to the extent the county, city, or town has waived its right to such notice.

(11) For those forest practices regulated by the board and the department, a county, city, or town may waive in whole or in part its rights under this section, and may withdraw or modify any such waiver, at any time by written notice to the department.

(12) Notwithstanding subsections (2) through (5) of this section, forest practices applications or notifications are not required for exotic insect and disease control operations conducted in accordance with RCW 76.09.660(8) where eradication can reasonably be expected.

Sec. 206. RCW 76.09.060 and 2007 c 480 s 11 and 2007 c 106 s 1 are each reenacted and amended to read as follows:

1. The department shall prescribe the form and contents of the notification and application. The forest practices rules shall specify by whom and under what conditions the notification and application shall be signed or otherwise certified as acceptable. Activities conducted by the department or a contractor under the direction of the department under the provisions of RCW 76.04.660, shall be exempt from the landowner signature requirement on any forest practices application required to be filed. The application or notification shall be delivered in person to the department, sent by first-class mail to the department or electronically filed in a form defined by the department. The form for electronic filing shall be readily convertible to a paper copy, which shall be available to the public pursuant to chapter 42.56 RCW. The information required may include, but is not limited to:

(a) Name and address of the forest landowner, timber owner, and operator;

(b) Description of the proposed forest practice or practices to be conducted;

(c) Legal description and tax parcel identification numbers of the land on which the forest practices are to be conducted;

(d) Planimetric and topographic maps showing location and size of all lakes and streams and other public waters in and immediately adjacent to the operating area and showing all existing and proposed roads and major tractor roads;

(e) Description of the silvicultural, harvesting, or other forest practice methods to be used, including the type of equipment to be used and materials to be applied;

(f) For an application or notification submitted on or after the effective date of section 202 of this act that includes a forest practices hydraulic project, plans and specifications for the forest practices hydraulic project to ensure the proper protection of fish life;

(g) Proposed plan for reforestation and for any revegetation necessary to reduce erosion potential from roadsides and yarding roads, as required by the forest practices rules;

(h) Soil, geological, and hydrological data with respect to forest practices;

(i) The expected dates of commencement and completion of all forest practices specified in the application;

(j) Provisions for continuing maintenance of roads and other construction or other measures necessary to afford protection to public resources;

(k) An affirmation that the statements contained in the notification or application are true; and

(l) All necessary application or notification fees.

2. Long range plans may be submitted to the department for review and consultation.

3. The application for a forest practice or the notification of a forest practice is subject to the reforestation requirement of RCW 76.09.070.

(a) If the application states that any land will be or is intended to be converted:

(i) The reforestation requirements of this chapter and of the forest practices rules shall not apply if the land is in fact converted unless applicable alternatives or limitations are provided in forest practices rules issued under RCW 76.09.070;
(ii) Completion of such forest practice operations shall be deemed conversion of the lands to another use for purposes of chapters 84.33 and 84.34 RCW unless the conversion is to a use permitted under a current use tax agreement permitted under chapter 84.34 RCW;

(iii) The forest practices described in the application are subject to applicable county, city, town, and regional governmental authority permitted under RCW 76.09.240 as well as the forest practices rules.

(b) Except as provided elsewhere in this section, if the landowner harvests without an approved application or notification or the landowner does not state that any land covered by the application or notification will be or is intended to be converted, and the department or the county, city, town, or regional governmental entity becomes aware of conversion activities to a use other than commercial timber operations, as that term is defined in RCW 76.09.020, then the department shall send to the department of ecology and the appropriate county, city, town, and regional governmental entities the following documents:

(i) A notice of a conversion to nonforestry use;

(ii) A copy of the applicable forest practices application or notification, if any; and

(iii) Copies of any applicable outstanding final orders or decisions issued by the department related to the forest practices application or notification.

(c) Failure to comply with the reforestation requirements contained in any final order or decision shall constitute a removal of designation under the provisions of RCW 84.33.140, and a change of use under the provisions of RCW 84.34.080, and, if applicable, shall subject such lands to the payments and/or penalties resulting from such removals or changes.

(d) Conversion to a use other than commercial forest product operations within six years after approval of the forest practices application or notification without the consent of the county, city, or town shall constitute a violation of each of the county, municipal city, town, and regional authorities to which the forest practice operations would have been subject if the application had stated an intent to convert.

(e) Land that is the subject of a notice of conversion to a nonforestry use produced by the department and sent to the department of ecology and a local government under this subsection is subject to the development prohibition and conditions provided in RCW 76.09.460.

(f) Landowners who have not stated an intent to convert the land covered by an application or notification and who decide to convert the land to a nonforestry use within six years of receiving an approved application or notification must do so in a manner consistent with RCW 76.09.470.

(g) The application or notification must include a statement requiring an acknowledgment by the forest landowner of his or her intent with respect to conversion and acknowledging that he or she is familiar with the effects of this subsection.

(4) Whenever an approved application authorizes a forest practice which, because of soil condition, proximity to a water course or other unusual factor, has a potential for causing material damage to a public resource, as determined by the department, the applicant shall, when requested on the approved application, notify the department two days before the commencement of actual operations.

(5) Before the operator commences any forest practice in a manner or to an extent significantly different from that described in a previously approved application or notification, there shall be submitted to the department a new application or notification form in the manner set forth in this section.

(6)(a) Except as provided in RCW 76.09.350(4), the notification to or the approval given by the department to an application to conduct a forest practice shall be effective for a term of ((two)) three years from the date of approval or notification ((and shall not be renewed unless a new application is filed and approved or a new notification has been filed)).

(b) A notification or application may be renewed for an additional three-year term by the filing and approval of a notification or application, as applicable, prior to the expiration of the original application or notification. A renewal application or notification is subject to the forest practices rules in effect at the time the renewal application or notification is filed. Nothing in this section precludes the applicant from applying for a new application or notification after the renewal period has lapsed.

(c) At the option of the applicant, an application or notification may be submitted to cover a single forest practice or a number of forest practices within reasonable geographic or political boundaries as specified by the department. An application or notification that covers more than one forest practice may have an effective term of more than ((two)) three years.

(d) The board shall adopt rules that establish standards and procedures for approving an application or notification that has an effective term of more than ((two)) three years. Such rules shall include extended time periods for application or notification approval or disapproval. (On an approved application with a term of more than two years, the applicant shall inform the department before commencing operations.) The department may require the operator to provide advance notice before commencing operations on an approved application or notification.

(7) Notwithstanding any other provision of this section, no prior application or notification shall be required for any emergency forest practice necessitated by fire, flood, windstorm, earthquake, or other emergency as defined by the board, but the operator shall submit an application or notification, whichever is applicable, to the department within forty-eight hours after commencement of such practice or as required by local regulations.

(8) Forest practices applications or notifications are not required for forest practices conducted to control exotic forest insect or disease outbreaks, when conducted by or under the direction of the department of agriculture in carrying out an order of the governor or director of the department of agriculture to implement pest control measures as authorized under chapter 17.24 RCW, and are not required when conducted by or under the direction of the department in carrying out emergency measures under a forest health emergency declaration by the commissioner of public lands as provided in RCW 76.06.130.

(a) For the purposes of this subsection, exotic forest insect or disease has the same meaning as defined in RCW 76.06.020.

(b) In order to minimize adverse impacts to public resources, control measures must be based on integrated pest management, as defined in RCW 17.15.010, and must follow forest practices rules relating to road construction and maintenance, timber harvest, and forest chemicals, to the extent possible without compromising control objectives.

(c) Agencies conducting or directing control efforts must provide advance notice to the appropriate regulatory staff of the department of the operations that would be subject to exemption from forest practices application or notification requirements.

(d) When the appropriate regulatory staff of the department are notified under (c) of this subsection, they must consult with the landowner, interested agencies, and affected tribes, and assist the notifying agencies in the development of integrated pest management plans that comply with forest practices rules as required under (b) of this subsection.
Sec. 207. RCW 76.09.150 and 2000 c 11 s 7 are each amended to read as follows:

(1) The department shall make inspections of forest lands, before, during, and after the conducting of forest practices as necessary for the purpose of ensuring compliance with this chapter, the forest practices rules, and the forest practices rules incorporated under RCW 76.09.040(3), and to ensure that no material damage occurs to the natural resources of this state as a result of forest practices.

(2) Any duly authorized representative of the department shall have the right to enter upon forest land at any reasonable time to enforce the provisions of this chapter and the forest practices rules.

(3) The department or the department of ecology may apply for an administrative inspection warrant to either Thurston county superior court, or the superior court in the county in which the property is located. An administrative inspection warrant may be issued where:

(a) The department has attempted an inspection of forest lands under this chapter to ensure compliance with this chapter and the forest practices rules or to ensure that no potential or actual material damage occurs to the natural resources of this state, and access to all or part of the forest lands has been actually or constructively denied; or

(b) The department has reasonable cause to believe that a violation of this chapter or of rules adopted under this chapter is occurring or has occurred.

(4) In connection with any watershed analysis, any review of a pending application by an identification team appointed by the department, any compliance studies, any effectiveness monitoring, or other research that has been agreed to by a landowner, the department may invite representatives of other agencies, tribes, and interest groups to accompany a department representative and, at the landowner's election, the landowner, on any such inspections. Reasonable efforts shall be made by the department to notify the landowner of the persons being invited onto the property and the purposes for which they are being invited.

NEW SECTION. Sec. 208. A new section is added to chapter 43.30 RCW to read as follows:

(1) By December 31, 2013, the department must make examples of complete, high quality forest practices applications and the resulting approvals readily available to the public on its internet site, as well as the internet site of the office of regulatory assistance established in RCW 43.42.010. The department must maximize assistance to the public and interested parties by seeking to make readily available examples from forest practices that generate significant permitting activity or frequent questions.

(2) The department must regularly review and update the examples required to be made available on the internet under subsection (1) of this section.

(3) The department must obtain the written permission of an applicant before making publicly available that applicant's application or approval under this section and must work cooperatively with the applicant to ensure that no personal or proprietary information is made available.

Sec. 209. RCW 76.09.065 and 2000 c 11 s 5 are each amended to read as follows:

(2) (For applications and notifications submitted to the department, the application fee)) (a) If sections 201 through 203 and 206 of this act are enacted into law by June 30, 2012, then the fee for applications and notifications submitted to the department shall be fifty dollars for class II, III, and IV forest practices applications or notifications relating to the commercial harvest of timber. However, the fee shall be five hundred dollars for class IV forest practices applications on lands being converted to other uses or on lands which are not to be reforested because of the likelihood of future conversion to urban development or on lands that are contained within "urban growth areas," designated pursuant to chapter 36.70A RCW, except the fee shall be fifty dollars on those lands where the forest landowner provides:

(i) A written statement of intent signed by the forest landowner not to convert to a use other than commercial forest product operations for ten years, accompanied by either a written forest management plan acceptable to the department or documentation that the land is enrolled under the provisions of chapter 84.33 RCW; or

(ii) A conversion option harvest plan approved by the local governmental entity and submitted to the department as part of the forest practices application.

(b) If sections 201 through 203 and 206 of this act are enacted into law by June 30, 2012, then the fee for applications and notifications relating to the commercial harvest of timber submitted to the department shall be one hundred fifty dollars for class II applications and notifications, class III applications, and class IV forest practices that have a potential for a substantial impact on the environment and therefore require an evaluation by the department as to whether or not a detailed statement must be prepared pursuant to the state environmental policy act, chapter 43.21C RCW. The fee shall be one thousand five hundred dollars for class IV forest practices applications on lands being converted to other uses or on lands that are not to be reforested because of the likelihood of future conversion to urban development or on lands that are contained within urban growth areas, designated pursuant to chapter 36.70A RCW, except the fee shall be the same as for a class III forest practices application where the forest landowner provides:

A written statement of intent signed by the forest landowner not to convert to a use other than commercial forest product operations for ten years, accompanied by either a written forest management plan acceptable to the department or documentation that the land is enrolled under the provisions of chapter 84.33 RCW; or

B A conversion option harvest plan approved by the local governmental entity and submitted to the department as part of the forest practices application.

(ii) If the board has not incorporated fish protection standards adopted under chapter 77.55 RCW into the forest practices rules and approved technical guidance as required under RCW 76.09.040 by December 31, 2013, the fee for applications and notifications submitted to the department shall be as provided under (a) of this subsection until the rules are adopted and technical guidance approved.

(3) The forest practices application account is created in the state treasury. Moneys in the account may be spent only after...
appraisal. All money collected from fees under (((this)) subsection (2) of this section shall be deposited in the (state general fund) forest practices application account for the purposes of implementing this chapter, chapter 76.13 RCW, and Title 222 WAC.

(((3)) (4) For applications submitted to ((the)) a local governmental entity as provided in this chapter, the fee shall be (five hundred dollars for class IV forest practices on lands being converted to other uses or lands that are contained within "urban growth areas," designated pursuant to chapter 36.70A RCW, except as otherwise provided in this section, unless a different fee is otherwise provided)) determined, collected, and retained by the local governmental entity.

(((4)) (4) Recording fees shall be as provided in chapter 36.18 RCW.

(5) An application fee under subsection (2) of this section shall be refunded or credited to the applicant if either the application or notification is disapproved by the department or the application or notification is withdrawn by the applicant due to restrictions imposed by the department.))

Sec. 210. RCW 76.09.470 and 2007 c 106 s 3 are each amended to read as follows:

(1) If a landowner who did not state an intent to convert his or her land to a nonforestry use decides to convert his or her land to a nonforestry use within six years of receiving an approved forest practices application or notification under this chapter, the landowner must:

(a) Stop all forest practices activities on the parcels subject to the proposed land use conversion to a nonforestry use;

(b) Contact the department of ecology and the applicable proposed land use conversion to a nonforestry use;

(h) Six members of the general public appointed by the governor, one of whom shall be a small forest landowner who actively manages his or her land, and one of whom shall be an independent logging contractor.

(2) ((The director of the department of fish and wildlife's service on the board may be terminated two years after August 18, 1999, if the legislature finds that after two years the department has not made substantial progress toward integrating the laws, rules, and programs governing forest practices, chapter 76.09 RCW, and the laws, rules, and programs governing hydraulic projects, chapter 77.55 RCW. Such a finding shall be based solely on whether the department of fish and wildlife makes substantial progress as defined in this subsection, and will not be based on other actions taken as a member of the board. Substantial progress shall include recommendations to the legislature for closer integration of the existing rule-making authorities of the board and the department of fish and wildlife, and closer integration of the forest practices and hydraulics permitting processes, including exploring the potential for a consolidated permitting process. corner or otherwise. Land having common ownership divided by a
road or other right-of-way shall be considered contiguous.

8) "Conversion to a use other than commercial timber
operation" means a bona fide conversion to an active use which is
incompatible with timber growing and as may be defined by forest
practices rules.

9) "Date of receipt" has the same meaning as defined in RCW
43.21B.001.

agricultural land was historically used for agricultural purposes and
the landowner intends to continue to use the land for agricultural
purposes in the future. As it applies to the operation of the road
maintenance and abandonment plan element of the forest practices
rules on small forest landowners, the term "forest land" excludes:

(a) Residential home sites, which may include up to five acres; and

without legal or equitable title to such land shall be excluded from
the definition of "forest landowner" unless such lessee or other
person has the right to sell or otherwise dispose of any or all of the
timber located on such forest land.

directly pertaining to forest land and relating to growing, harvesting,
or processing timber, including but not limited to:

cannot normally be expected to result in damage to forest soils,
timber, or public resources.

17) "Forest practices rules" means any rules adopted pursuant
to RCW 76.09.040.

18) "Forest road," as it applies to the operation of the road
maintenance and abandonment plan element of the forest practices
rules on small forest landowners, means a road or road segment that
crosses land that meets the definition of forest land, but excludes
residential access roads.

19) "Forest trees" does not include hardwood trees cultivated
by agricultural methods in growing cycles shorter than fifteen years
if the trees were planted on land that was not in forest use
immediately before the trees were planted and before the land was
prepared for planting the trees. "Forest trees" includes Christmas
trees, but does not include Christmas trees that are cultivated by
agricultural methods, as that term is defined in RCW 84.33.035.

the legal interest in timber. Where such timber is subject to a
contract of sale, "timber owner" shall mean the contract purchaser.

27) "Unconfined channel migration zone" means the area
within which the active channel of an unconfined stream is prone to
move and where the movement would result in a potential near-term
loss of riparian forest adjacent to the stream. Sizeable islands with
productive timber may exist within the zone.
NEW SECTION. Sec. 213. A new section is added to chapter 43.21C RCW to read as follows:

(1) The departments of natural resources and fish and wildlife must jointly provide a report to the appropriate committees of the legislature containing findings and any recommendations relating to the regulatory integration of hydraulic projects and forest practices as provided in this act, including:

(a) Progress made in implementing the integration required under this act, including rule incorporation and development of forest practices board manual guidance;

(b) An update on and potential for permitting efficiencies in addition to the integration required under this act;

(c) The process for and outcomes from review of forest practices applications that include forest practices hydraulic projects by the department of fish and wildlife; and

(d) Compliance monitoring for forest practices hydraulic projects through the review processes provided under WAC 222-08-160 as it existed on the effective date of this section.

(2) The departments of natural resources and fish and wildlife must provide an initial report by September 1, 2014, and a second report by September 1, 2016.

(3) This section expires December 31, 2016.

NEW SECTION. Sec. 215. Sections 202 and 205 of this act take effect on the date the forest practices board incorporates fish protection standards adopted under chapter 77.55 RCW into the forest practices rules and approves technical guidance as required under RCW 76.09.040. The department of natural resources must provide written notice of the effective date of these sections to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the department of natural resources.

NEW SECTION. Sec. 216. Nothing in this act affects any rules, processes, or procedures of the department of fish and wildlife and the department of natural resources existing on the effective date of this section that provide for regulatory integration of hydraulic projects and forest practices for projects in nonfish-bearing waters.

NEW SECTION. Sec. 217. Nothing in this act authorizes the department of fish and wildlife to assume authority over approval, disapproval, conditioning, or enforcement of applications or notifications submitted under chapter 76.09 RCW.

NEW SECTION. Sec. 218. Nothing in this act affects the jurisdiction or other authority of a federally recognized Indian tribe within the boundary of its reservation or on other tribally owned lands.

NEW SECTION. Sec. 219. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.
(iii) Create categorical exemptions for minor code amendments for which review under chapter 43.21C RCW would not be required because they do not lessen environmental protection.

(b) During this process, the department of ecology may also review and update the thresholds resulting from the 2012 rule-making process outlined in subsection (2) of this section.

(4)(a) The department of ecology shall convene an advisory committee consisting of members representing, at minimum, cities, counties, business interests, environmental interests, agricultural interests, cultural resources interests, state agencies, and tribal governments to:

(i) Assist in updating the environmental checklist and updating the thresholds for other project actions for both rule-making processes under subsections (2) and (3) of this section; and

(ii) Ensure that state agencies, tribes, and other interested parties can receive notice about projects of interest through notice under chapter 43.21C RCW and means other than chapter 43.21C RCW.

(b) Advisory committee members must have direct experience with the implementation or application of the state environmental policy act.

(5) This section expires July 31, 2014.

Sec. 302. RCW 43.21C.031 and 1995 c 347 s 203 are each amended to read as follows:

(1) An environmental impact statement (the detailed statement required by RCW 43.21C.030(2)(c)) shall be prepared on proposals for legislation and other major actions having a probable significant, adverse environmental impact. The environmental impact statement may be combined with the recommendation or report on the proposal or issued as a separate document. The substantive decisions or recommendations shall be clearly identifiable in the combined document. Actions categorically exempt under RCW 43.21C.110(1)(a) and section 307 of this act do not require an environmental review or the preparation of an environmental impact statement under this chapter. The significant impacts addressed in a comprehensive plan adopted under chapter 36.70A RCW are specifically deferred for consideration at the project level pursuant to subsection (3)(b) of this section.

(2) An environmental impact statement is required to analyze only those probable adverse environmental impacts which are significant. Beneficial environmental impacts may be discussed. The responsible official shall consult with agencies and the public to identify such impacts and limit the scope of an environmental impact statement. The subjects listed in RCW 43.21C.030(2)(c) need not be treated as separate sections of an environmental impact statement. Discussions of significant short-term and long-term environmental impacts, significant irrevocable commitments of natural resources, significant alternatives including mitigation measures, and significant environmental impacts which cannot be mitigated should be consolidated or included, as applicable, in those sections of an environmental impact statement where the responsible official decides they logically belong.

((2)(a) For purposes of this section, a planned action means one or more types of project action that:

(i) Are designated planned actions by an ordinance or resolution adopted by a county, city, or town planning under RCW 36.70A.040;

(ii) Have had the significant impacts adequately addressed in an environmental impact statement prepared in conjunction with (A) a comprehensive plan or subarea plan adopted under chapter 36.70A RCW, or (B) a fully contained community, a master planned resort, a master planned development, or a phased project;

(iii) Are subsequent or implementing projects for the proposals listed in (a)(ii) of this subsection;

(iv) Are located within an urban growth area, as defined in RCW 36.70A.030;

(v) Are not essential public facilities, as defined in RCW 36.70A.200; and

(vi) Are consistent with a comprehensive plan adopted under chapter 36.70A RCW.

(b) A county, city, or town shall limit planned actions to certain types of development or to specific geographical areas that are less extensive than the jurisdictional boundaries of the county, city, or town and may limit a planned action to a time period identified in the environmental impact statement or the ordinance or resolution adopted under this subsection.)

NEW SECTION. Sec. 303. A new section is added to chapter 43.21C RCW to read as follows:

(1) For purposes of this chapter, a planned action means one or more types of development or redevelopment that meet the following criteria:

(a) Are designated as planned actions by an ordinance or resolution adopted by a county, city, or town planning under RCW 36.70A.040;

(b) Have had the significant impacts adequately addressed in an environmental impact statement under the requirements of this chapter in conjunction with, or to implement, a comprehensive plan or subarea plan adopted under chapter 36.70A RCW, or a fully contained community, a master planned resort, a master planned development, or a phased project;

(c) Have had project level significant impacts adequately addressed in an environmental impact statement unless the impacts are specifically deferred for consideration at the project level pursuant to subsection (3)(b) of this section;

(d) Are subsequent or implementing projects for the proposals listed in (b) of this subsection;

(e) Are located within an urban growth area designated pursuant to RCW 36.70A.110;

(f) Are not essential public facilities, as defined in RCW 36.70A.200, unless an essential public facility is accessory to or part of a residential, office, school, commercial, recreational, service, or industrial development that is designated a planned action under this subsection; and

(g) Are consistent with a comprehensive plan or subarea plan adopted under chapter 36.70A RCW.

(2) A county, city, or town shall define the types of development included in the planned action and may limit a planned action to:

(a) A specific geographic area that is less extensive than the jurisdictional boundaries of the county, city, or town; or

(b) A time period identified in the ordinance or resolution adopted under this subsection.

(3)(a) A county, city, or town shall determine during permit review whether a proposed project is consistent with a planned action ordinance adopted by the jurisdiction. To determine project consistency with a planned action ordinance, a county, city, or town may utilize a modified checklist pursuant to the rules adopted to implement RCW 43.21C.110, a form that is designated within the planned action ordinance, or a form contained in agency rules adopted pursuant to RCW 43.21C.120.

(b) A county, city, or town is not required to make a threshold determination and may not require additional environmental review, for a proposal that is determined to be consistent with the development or redevelopment described in the planned action ordinance, except for impacts that are specifically deferred to the project level at the time of the planned action ordinance's adoption. At least one community meeting must be held before the notice is issued for the planned action ordinance. Notice for the planned
FIFTY SEVENTH DAY, MARCH 5, 2012

action and notice of the community meeting required by this subsection (3)(b) must be mailed or otherwise verifiably provided to: (i) All affected federally recognized tribal governments; and (ii) agencies with jurisdiction over the future development anticipated for the planned action. The determination of consistency, and the adequacy of any environmental review that was specifically deferred, are subject to the type of administrative appeal that the county, city, or town provides for the proposal itself consistent with RCW 36.70B.060.

(4) For a planned action ordinance that encompasses the entire jurisdictional boundary of a county, city, or town, at least one community meeting must be held before the notice is issued for the planned action ordinance. Notice for the planned action ordinance and notice of the community meeting required by this subsection must be mailed or otherwise verifiably provided to:

(a) All property owners of record within the county, city, or town;

(b) All affected federally recognized tribal governments; and

(c) All agencies with jurisdiction over the future development anticipated for the planned action.

Sec. 304. RCW 43.21C.229 and 2003 c 298 s 1 are each amended to read as follows:

(1) In order to accommodate infill development and thereby realize the goals and policies of comprehensive plans adopted according to chapter 36.70A RCW, a city or county planning under RCW 36.70A.040 is authorized by this section to establish categorical exemptions from the requirements of this chapter. An exemption adopted under this section applies even if it differs from the categorical exemptions adopted by rule of the department under RCW 43.21C.110(1)(a). An exemption may be adopted by a city or county under this section if it meets the following criteria:

(a) It categorically exempt government action related to development that is new residential or mixed-use development) proposed to fill in an urban growth area, designated according to RCW 36.70A.110, where current density and intensity of use in the area is lower than called for in the goals and policies of the applicable comprehensive plan and the development is either:

(i) Residential development;

(ii) Mixed-use development; or

(iii) Commercial development up to sixty-five thousand square feet, excluding retail development;

(b) It does not exempt government action related to development that is inconsistent with the applicable comprehensive plan or would exceed the density or intensity of use called for in the goals and policies of the applicable comprehensive plan; ((and))

(c) The local government considers the specific probable adverse environmental impacts of the proposed action and determines that these specific impacts are adequately addressed by the development regulations or other applicable requirements of the comprehensive plan, subarea plan element of the comprehensive plan, planned action ordinance, or other local, state, or federal rules or laws; and

(d)(i) The city or county's applicable comprehensive plan was previously subjected to environmental analysis through an environmental impact statement under the requirements of this chapter prior to adoption; or

(ii) The city or county has prepared an environmental impact statement that considers the proposed use or density and intensity of use in the area proposed for an exemption under this section.

(2) Any categorical exemption adopted by a city or county under this section shall be subject to the rules of the department adopted according to RCW 43.21C.110(1)(a) that provide exceptions to the use of categorical exemptions adopted by the department.

NEW SECTION. Sec. 305. A new section is added to chapter 43.21C RCW to read as follows:

(1) A county, city, or town may recover its reasonable expenses of preparation of a nonproject environmental impact statement prepared under RCW 43.21C.229 and section 303 of this act:

(a) Through access to financial assistance under RCW 36.70A.490;

(b) With funding from private sources; and

(c) By the assessment of fees consistent with the requirements and limitations of this section.

(2)(a) A county, city, or town is authorized to assess a fee upon subsequent development that will make use of and benefit from: (i) The analysis in an environmental impact statement prepared for the purpose of compliance with section 303 of this act regarding planned actions; or (ii) the reduction in environmental analysis requirements resulting from the exercise of authority under RCW 43.21C.229 regarding infill development.

(b) The amount of the fee must be reasonable and proportionate to the total expenses incurred by the county, city, or town in the preparation of the environmental impact statement.

(3) A county, city, or town assessing fees under subsection (2)(a) of this section must provide for a mechanism by which project proponents may either elect to utilize the environmental review completed by the lead agency and pay the fees under subsection (1) of this section or certify that they do not want the local jurisdiction to utilize the environmental review completed as a part of a planned action and therefore not be assessed any associated fees. Project proponents who choose this option may not make use of or benefit from the up-front environmental review prepared by the local jurisdiction.

(4) Prior to the collection of fees, the county, city, or town must enact an ordinance that establishes the total amount of expenses to be recovered through fees and provides objective standards for determining the fee amount to be imposed upon each development proposal. The ordinance must provide (a) a procedure by which an applicant who disagrees with whether the amount of the fee is correct, reasonable, or proportionate may pay the fee with the written stipulation "paid under protest"; and (b) if the county, city, or town provides for an administrative appeal of its decision on the project for which the fees are imposed, any dispute about the amount of the fees must be resolved in the same administrative appeals process. Any disagreement about the reasonableness, proportionality, or amount of the fees imposed upon a development may not be the basis for delay in issuance of a project permit for that development.

(5) The ordinance adopted under subsection (4) of this section must make information available about the amount of the expenses designated for recovery. When such expenses have been fully recovered, the county, city, or town may no longer assess a fee under this section.

(6) Any fees collected under this section from subsequent development may be used to reimburse funding received from private sources to conduct the environmental review.

(7) The city, county, or town shall refund fees collected where a court of competent jurisdiction determines that the environmental review conducted under section 303 of this act, regarding planned actions, or under RCW 43.21C.229, regarding infill development, was not sufficient to comply with the requirements of this chapter regarding the proposed development activity for which the fees were collected. The applicant and the city, county, or town may mutually agree to a partial refund or to waive the refund in the interest of resolving any dispute regarding compliance with this chapter.
Sec. 306. RCW 82.02.020 and 2010 c 153 s 3 are each amended to read as follows:

Except only as expressly provided in chapters 67.28, 81.104, and 82.14 RCW, the state preempts the field of imposing retail sales and use taxes and taxes upon parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. Except as provided in RCW 64.34.440 and 82.02.050 through 82.02.090, no county, city, town, or other municipal corporation shall impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of land or easements within the proposed development or plat which the county, city, town, or other municipal corporation can demonstrate are reasonably necessary as a direct result of the proposed development or plat to which the dedication of land or easement is to apply.

This section does not prohibit voluntary agreements with counties, cities, towns, or other municipal corporations that allow a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat. A local government shall not use such voluntary agreements for local off-site transportation improvements within the geographic boundaries of the area or areas covered by an adopted transportation program authorized by chapter 39.92 RCW. Any such voluntary agreement is subject to the following provisions:

1. The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;
2. The payment shall be expended in all cases within five years of collection; and
3. Any payment not so expended shall be refunded with interest to be calculated from the original date the deposit was received by the county and at the same rate applied to tax refunds pursuant to RCW 84.69.100; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

No county, city, town, or other municipal corporation shall require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.

Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW, including reasonable fees that are consistent with RCW 43.21C.420(6) and section 305 of this act.

This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefited thereby in the manner prescribed by law.

Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges. However, no such charge shall exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged. Furthermore, these provisions may not be interpreted to expand or contract any existing authority of counties, cities, or towns to impose such charges.

Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in RCW 36.73.120 nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

Nothing in this section prohibits counties, cities, or towns from imposing transportation impact fees authorized pursuant to chapter 39.92 RCW.

Nothing in this section prohibits counties, cities, or towns from requiring property owners to provide relocation assistance to tenants under RCW 59.18.440 and 59.18.450.

Nothing in this section limits the authority of counties, cities, or towns to implement programs consistent with RCW 36.70A.540, nor to enforce agreements made pursuant to such programs.

This section does not apply to special purpose districts formed and acting pursuant to Title 54, 57, or 87 RCW, nor is the authority conferred by these titles affected.

NEW SECTION. Sec. 307. A new section is added to chapter 43.21C RCW to read as follows:

The following nonproject actions are categorically exempt from the requirements of this chapter:

1. Amendments to development regulations that are required to ensure consistency with an adopted comprehensive plan pursuant to RCW 36.70A.040, where the comprehensive plan was previously subjected to environmental review pursuant to this chapter and the impacts associated with the proposed regulation were specifically addressed in the prior environmental review;
2. Amendments to development regulations that are required to ensure consistency with a shoreline master program approved pursuant to RCW 90.58.090, where the shoreline master program was previously subjected to environmental review pursuant to this chapter and the impacts associated with the proposed regulation were specifically addressed in the prior environmental review;
3. Amendments to development regulations that, upon implementation of a project action, will provide increased environmental protection, limited to the following:
   a. Increased protections for critical areas, such as enhanced buffers or setbacks;
   b. Increased vegetation retention or decreased impervious surface areas in shoreline jurisdiction; and
   c. Increased vegetation retention or decreased impervious surface areas in critical areas;
4. Amendments to technical codes adopted by a county, city, or town to ensure consistency with minimum standards contained in state law, including the following:
   a. Building codes required by chapter 19.27 RCW;
   b. Energy codes required by chapter 19.27A RCW; and
   c. Electrical codes required by chapter 19.28 RCW.

NEW SECTION. Sec. 308. A new section is added to chapter 43.21C RCW to read as follows:

1. The lead agency for an environmental review under this chapter utilizing an environmental checklist developed by the department of ecology pursuant to RCW 43.21C.110 may identify within the checklist provided to applicants instances where questions on the checklist are adequately covered by a locally adopted ordinance, development regulation, land use plan, or other legal authority.
2. If a lead agency identifies an instance as described in subsection (1) of this section, it still must consider whether the action has an impact on the particular element or elements of the environment in question.
3. In instances where the locally adopted ordinance, development regulation, land use plan, or other legal authority...
provide the necessary information to answer a specific question, the
lead agency must explain how the proposed project satisfies the
underlying local legal authority.

(4) If the lead agency identifies instances where questions on the
checklist are adequately covered by a locally adopted ordinance,
development regulation, land use plan, or other legal authority, an
applicant may still provide answers to any questions on the
checklist.

(5) Nothing in this section authorizes a lead agency to ignore or
delete a question on the checklist.

(6) Nothing in this section changes the standard for whether an
environmental impact statement is required for an action that may
have a probable significant, adverse environmental impact pursuant
to RCW 43.21C.030.

(7) Nothing in this section affects the appeal provisions
provided in this chapter.

(8) Nothing in this section modifies existing rules for
determining the lead agency, as defined in WAC 197-11-922
through 197-11-948, nor does it modify agency procedures for
complying with the state environmental policy act when an agency
other than a local government is serving as the lead agency.

Sec. 290. RCW 36.70A.490 and 1995 c 347 s 115 are each
amended to read as follows:

The growth management planning and environmental review
fund is hereby established in the state treasury. Moneys may be
placed in the fund from the proceeds of bond sales, tax revenues,
budget transfers, federal appropriations, gifts, or any other lawful
source. Moneys in the fund may be spent only after appropriation.
Moneys in the fund shall be used to make grants or loans to local
governments for the purposes set forth in RCW 43.21C.240,
43.21C.031, or 36.70A.500. Any payment of either principal or
interest, or both, derived from loans made from this fund must be
deposited into the fund.

Sec. 310. RCW 36.70A.500 and 1997 c 429 s 28 are each
amended to read as follows:

(1) The department of ((community, trade, and economic
development)) commerce shall provide management services for
the growth management planning and environmental review fund
created by RCW 36.70A.490. The department shall establish
procedures for fund management. The department shall encourage
participation in the grant or loan program by other public agencies.
The department shall develop the grant or loan criteria, monitor the
grant or loan program, and select grant or loan recipients in
consultation with state agencies participating in the grant or loan
program through the provision of grant or loan funds or technical
assistance.

(2) A grant or loan may be awarded to a county or city that is
required to or has chosen to plan under RCW 36.70A.040 and that is
qualified pursuant to this section. The grant or loan shall be
provided to assist a county or city in paying for the cost of preparing
an environmental analysis under chapter 43.21C RCW, that is
integrated with a comprehensive plan, subarea plan, plan element,
countywide planning policy, development regulation, monitoring
program, or other planning activity adopted under or implementing
this chapter that:

(a) Improves the process for project permit review while
maintaining environmental quality; or

(b) Encourages use of plans and information developed for
purposes of complying with this chapter to satisfy requirements of
other state programs.

(3) In order to qualify for a grant or loan, a county or city shall:

(a) Demonstrate that it will prepare an environmental analysis
pursuant to chapter 43.21C RCW and subsection (2) of this section
that is integrated with a comprehensive plan, subarea plan, plan
element, countywide planning policy, development regulations,
requirements associated with rule ((promulgation)) adoption. Suggestions for modifications of the proposed rules shall be considered on their merits, and the department shall have the authority and responsibility for full and appropriate independent ((promulgation and)) adoption of rules, assuring consistency with this chapter as amended and with the preservation of protections afforded by this chapter. The rule-making powers authorized in this section shall include, but shall not be limited to, the following phases of interpretation and implementation of this chapter:

(a) Categories of governmental actions which are not to be considered as potential major actions significantly affecting the quality of the environment, including categories pertaining to applications for water right permits pursuant to chapters 90.03 and 90.44 RCW. The types of actions included as categorical exemptions in the rules shall be limited to those types which are not major actions significantly affecting the quality of the environment. The rules shall provide for certain circumstances where actions which potentially are categorically exempt require environmental review. An action that is categorically exempt under the rules adopted by the department may not be conditioned or denied under this chapter.

(b) Rules for criteria and procedures applicable to the determination of when an act of a branch of government is a major action significantly affecting the quality of the environment for which a detailed statement is required to be prepared pursuant to RCW 43.21C.030.

(c) Rules and procedures applicable to the preparation of detailed statements and other environmental documents, including but not limited to rules for timing of environmental review, obtaining comments, data and other information, and providing for and determining areas of public participation which shall include the scope and review of draft environmental impact statements.

(d) Scope of coverage and contents of detailed statements assuring that such statements are simple, uniform, and as short as practicable; statements are required to analyze only reasonable alternatives and probable adverse environmental impacts which are significant, and may analyze beneficial impacts.

(e) Rules and procedures for public notification of actions taken and documents prepared.

(f) Definition of terms relevant to the implementation of this chapter including the establishment of a list of elements of the environment. Analysis of environmental considerations under RCW 43.21C.030(2) may be required only for those subjects listed as elements of the environment (or portions thereof). The list of elements of the environment shall consist of the "natural" and "built" environment. The elements of the built environment shall consist of public services and utilities (such as water, sewer, schools, fire and police protection), transportation, environmental health (such as explosive materials and toxic waste), and land and shoreline use (including housing, and a description of the relationships with land use and shoreline plans and designations, including population).

(g) Rules for determining the obligations and powers under this chapter of two or more branches of government involved in the same project significantly affecting the quality of the environment.

(h) Methods to assure adequate public awareness of the preparation and issuance of detailed statements required by RCW 43.21C.030(2)(c).

(i) To prepare rules for projects setting forth the time limits within which the governmental entity responsible for the action shall comply with the provisions of this chapter.

(j) Rules for utilization of a detailed statement for more than one action and rules improving environmental analysis of nonproject proposals and encouraging better interagency coordination and integration between this chapter and other environmental laws.

(k) Rules relating to actions which shall be exempt from the provisions of this chapter in situations of emergency.

(l) Rules relating to the use of environmental documents in planning and decision making and the implementation of the substantive policies and requirements of this chapter, including procedures for appeals under this chapter.

(m) Rules and procedures that provide for the integration of environmental review with project review as provided in RCW 43.21C.240. The rules and procedures shall be jointly developed with the department of ((community, trade, and economic development)) commerce and shall be applicable to the preparation of environmental documents for actions in counties, cities, and towns planning under RCW 36.70A.040. The rules and procedures shall also include procedures and criteria to analyze planned actions under (((RCW 43.21C.031(2)))) section 303 of this act and revisions to the rules adopted under this section to ensure that they are compatible with the requirements and authorizations of chapter 347, Laws of 1995, as amended by chapter 429, Laws of 1997. Ordinances or procedures adopted by a county, city, or town to implement the provisions of chapter 347, Laws of 1995 prior to the effective date of rules adopted under this subsection (1)(m) shall continue to be effective until the adoption of any new or revised ordinances or procedures that may be required. If any revisions are required as a result of rules adopted under this subsection (1)(m), those revisions shall be made within the time limits specified in RCW 43.21C.120.

(2) In exercising its powers, functions, and duties under this section, the department may:

(a) Consult with the state agencies and with representatives of science, industry, agriculture, labor, conservation organizations, state and local governments, and other groups, as it deems advisable; and

(b) Utilize, to the fullest extent possible, the services, facilities, and information (including statistical information) of public and private agencies, organizations, and individuals, in order to avoid duplication of effort and expense, overlap, or conflict with similar activities authorized by law and performed by established agencies.

(3) Rules adopted pursuant to this section shall be subject to the review procedures of chapter 34.05 RCW.

Sec. 312. RCW 43.21C.095 and 1983 c 117 s 5 are each amended to read as follows:

The rules ((promulgated)) adopted under RCW 43.21C.110 shall be accorded substantial deference in the interpretation of this chapter.

Sec. 313. RCW 90.48.260 and 2011 c 353 s 12 are each amended to read as follows:

(1) The department of ecology is hereby designated as the state water pollution control agency for all purposes of the federal clean water act as it exists on February 4, 1987, and is hereby authorized to participate fully in the programs of the act as well as to take all action necessary to secure to the state the benefits and to meet the requirements of that act. With regard to the national estuary program established by section 320 of that act, the department shall exercise its responsibility jointly with the Puget Sound partnership, created in RCW 90.71.210. The department of ecology may delegate its authority under this chapter, including its national pollutant discharge elimination permit system authority and duties regarding animal feeding operations and concentrated animal feeding operations, to the department of agriculture through a memorandum of understanding. Until any such delegation receives federal approval, the department of agriculture's adoption or issuance of animal feeding operation and concentrated animal feeding operation rules, permits, programs, and directives pertaining to water quality shall be accomplished after reaching agreement with the director of the department of ecology. Adoption or
FIFTY SEVENTH DAY, MARCH 5, 2012

issue and implementation shall be accomplished so that compliance with such animal feeding operation and concentrated animal feeding operation rules, permits, programs, and directives will achieve compliance with all federal and state water pollution control laws. The powers granted herein include, among others, and notwithstanding any other provisions of this chapter (RCW 90.48)) or otherwise, the following:

(a) Complete authority to establish and administer a comprehensive state point source waste discharge or pollution discharge elimination permit program which will enable the department to qualify for full participation in any national waste discharge or pollution discharge elimination permit system and will allow the department to be the sole agency issuing permits required by such national system operating in the state of Washington subject to the provisions of RCW 90.48.262(2). Senator Hargrove spoke in favor of adoption of the striking amendment.

POINT OF ORDER

Senator Ranker: “Mr. President, I request that the President rule that amendment 213 to the committee substitute expands the scope and object of this legislation. The Legislation before this body is well stated in the intent section. It is a measure that updates provisions for four specific regulatory programs. These programs are the hydraulic approval program; the forest practices program; the environmental policy act; and the growth management act appeals. The amendment by contrast would change an entirely different section, entirely different program by extending an existing permit for a number of local jurisdictions regarding clean up and urban storm water runoff. Under your prior rulings Mr. President, this amendment expands both the scope and the object of this bill. The scope or subject of this bill is in four specific programs referenced earlier not just any permit program that might conceivably have connections with the state’s natural resources. The amendment’s subject relating to storm water permits is a separate program codified in an entirely different RCW and title. For these reasons I respectfully request that you rule that the amendment extends the scope and object of this bill.”

Senator Hargrove spoke against the point of order.

MOTION

On motion of Senator Eide, further consideration of Substitute Senate Bill No. 6406 was deferred and the bill held its place on the second reading calendar.

MOTION

On motion of Senator Eide, the Senate reverted to the fourth order of business.

MOTION

On motion of Senator Ranker, Senator Kilmer was excused.

Senator Prentice assumed the chair.

MESSAGE FROM THE HOUSE

March 1, 2012

MR. PRESIDENT:
The House passed SECOND SUBSTITUTE SENATE BILL NO. 6140 with the following amendment(s): 6140-S2 AMH CDH H4385.3

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the issuance of taxable nonrecourse revenue bonds by the Washington economic development finance authority has provided a number of Washington firms with the financing necessary to grow and create jobs. The legislature further finds that municipal authority to issue taxable nonrecourse revenue bonds does not exist and that authorizing the local issuance of taxable bonds for economic development purposes will increase local capacity to strengthen businesses and create jobs.

(2) It is the purpose of this chapter to grant new authority for cities, counties, and port districts that created public corporations under chapter 39.84 RCW prior to 2012, in order to build on the expertise with tax-exempt nonrecourse revenue bond financing developed by these municipalities. Therefore, these municipalities are permitted to create local economic development finance authorities to act as a financial conduit that, without using state or local government funds or lending the credit of the state or local governments, can issue taxable and nontaxable nonrecourse revenue bonds, and participate in federal, state, and local economic development programs to help facilitate access to needed capital by Washington businesses. It is also a primary purpose of this chapter to encourage the development of local innovative approaches to the problem of unmet capital needs. This chapter must be construed liberally to carry out its purposes and objectives.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authority" means a local economic development finance authority created under this chapter. An authority is a public body within the meaning of RCW 39.53.010.

(2) "Board of directors" means the board of directors of an authority.

(3) "Bonds" means any bonds, notes, debentures, interim certificates, conditional sales or lease financing agreements, lines of credit, forward purchase agreements, investment agreements, and other banking or financial arrangements, guarantees, or other obligations issued by or entered into by the authority. Such bonds may be issued on either a tax-exempt or taxable basis.

(4) "Borrower" means one or more public or private persons or entities acting as lessee, purchaser, mortgagor, or borrower who has obtained or is seeking to obtain financing either from an authority or from an eligible banking organization that has obtained or is seeking to obtain funds from the authority to finance a project. A borrower may include a party who transfers the right of use and occupancy to another party by lease, sublease, or otherwise, or a party who is seeking or has obtained a financial guaranty from the authority.

(5) "Economic development activities" means activities related to: Manufacturing, processing, the commercialization of research, production, assembly, tooling, warehousing, exporting products made in Washington or services provided by Washington firms, airports, docks and wharves, mass commuting facilities, high-speed intercity rail facilities, public broadcasting, pollution control, solid waste disposal, federally qualified hazardous waste facilities, energy generating, conservation, or transmission facilities, sports facilities, industrial parks, and activities conducted within a federally designated enterprise or empowerment zone or geographic area of similar nature.

(6) "Eligible banking organization" means any organization subject to regulation by the director of the department of financial institutions, any national bank, federal savings and loan association, and federal credit union located within this state.

(7) "Eligible person" means an individual, partnership, corporation, or joint venture carrying on business, or proposing to...
carry on business, within the state and seeking financial assistance under this act.

(8) “Financial assistance” means the infusion of capital to persons for use in the development and exploitation of specific inventions and products.

(9) “Financing agreements” means, and includes without limitation, a contractual arrangement with an eligible person whereby an authority obtains rights from or in an invention or product or proceeds from an invention or product in exchange for the granting of financial and other assistance to the person.

(10) “Financing document” means an instrument executed by an authority and one or more persons or entities pertaining to the issuance of or security for bonds, or the application of the proceeds of bonds or other funds of, or payable to, the authority. A financing document may include, but need not be limited to, a lease, installment sale agreement, conditional sale agreement, mortgage, loan agreement, trust agreement or indenture, security agreement, letter or line of credit, reimbursement agreement, insurance policy, guaranty agreement, or currency or interest rate swap agreement. A financing document also may be an agreement between the authority and an eligible banking organization which has agreed to make a loan to a borrower.

(11) “Investment grade credit rating” means a rating of at least BBB- by standard & poor's, Baa3 by moody's investors service, or BBB- by fitch.

(12) “Municipality” means a city, town, county, or port district of this state.

(13) “Ordinance” means any appropriate method of taking official action or adopting a legislative decision by any municipality, whether known as a resolution, ordinance, or otherwise.

(14) “Plan” means the general plan of economic development finance objectives developed and adopted by the authority, and updated from time to time, as required under RCW 43.163.090.

(15) “Product” means a product, device, technique, or process that is or may be exploitable commercially. “Product” does not refer to pure research, but does apply to products, devices, techniques, or processes that have advanced beyond the theoretic stage and are readily capable of being, or have been, reduced to practice.

(16) “Project costs” means costs of:

(a) Acquisition, lease, construction, reconstruction, remodeling, refurbishing, rehabilitation, extension, and enlargement of land, rights to land, buildings, structures, docks, wharves, fixtures, machinery, equipment, excavations, paving, landscaping, utilities, approaches, roadways and parking, handling and storage areas, and similar ancillary facilities, and any other real or personal property included in an economic development activity;

(b) Architectural, engineering, consulting, accounting, and legal costs related directly to the development, financing, acquisition, lease, construction, reconstruction, remodeling, refurbishing, rehabilitation, extension, and enlargement of an activity included under subsection (5) of this section, including costs of studies assessing the feasibility of an economic development activity;

(c) Finance costs, including the costs of credit enhancement and discounts, if any, the costs of issuing revenue bonds, and costs incurred in carrying out any financing document;

(d) Start-up costs, working capital, capitalized research and development costs, capitalized interest during construction and during the eighteen months after estimated completion of construction, and capitalized debt service or repair and replacement or other appropriate reserves;

(e) The refunding of any outstanding obligations incurred for any of the costs outlined in this subsection; and

(f) Other costs incidental to any of the costs listed in this subsection.

NEW SECTION. Sec. 3. (1) A municipality that formed a public corporation under chapter 39.84 RCW prior to January 1, 2012, may, if that public corporation is still in existence, enact an ordinance creating an economic development finance authority for the purposes authorized in this chapter. The ordinance creating the authority must approve a charter for the authority containing such provisions as are authorized by and not in conflict with this chapter. Any charter issued under this chapter must contain in substance the limitations set forth in section 4 of this act. In any suit, action, or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority is conclusively presumed to be established and authorized to transact business and exercise its powers under this chapter upon proof of the adoption of the ordinance creating the authority by the governing body. A copy of the ordinance duly certified by the clerk of the governing body of the municipality is admissible in evidence in any suit, action, or proceeding.

(2) An authority created by a municipality pursuant to this chapter may be dissolved by the municipality if: (a) The authority has no property to administer, other than funds or property, if any, to be paid or transferred to the municipality by which it was established; and (b) all the authority's outstanding obligations have been satisfied. Such a dissolution must be accomplished by the governing body of the municipality adopting an ordinance providing for the dissolution.

(3) The creating municipality may, at its discretion and at any time, alter or change the structure, organizational programs, or activities of an authority, including termination of the authority if contracts entered into by the authority are not impaired. Any net earnings of an authority, beyond those necessary for retirement of indebtedness incurred by it, do not inure to the benefit of any person other than the creating municipality. Upon dissolution of an authority, title to all property owned by the authority vests in the municipality.

(4) The ordinance creating an authority must include provisions establishing a board of directors to govern the affairs of the authority, what constitutes a quorum of the board of directors, and how the authority must conduct its affairs.

(5) For a period of ten years after any financing through an authority, it is illegal for a director, officer, agent, or employee of an authority to have, directly or indirectly, any financial interest in any property to be included in or any contract for property, services, or materials to be furnished or used in connection with any economic development activity financed through the authority. Violation of any provision of this section is a gross misdemeanor.

(6) The finances of any authority are subject to examination by the state auditor's office pursuant to RCW 43.09.260.

NEW SECTION. Sec. 4. (1) No municipality may give or lend any money or property in aid of an authority. The municipality that creates an authority must annually review any financial statements of the authority and at all times must have access to the books and records of the authority. No authority may issue revenue obligations under this chapter except upon the approval of both the municipality under the auspices of which it was created and the county, city, or town within whose planning jurisdiction the economic development activity to be financed lies. Upon receiving approval from these jurisdictions, an authority must, before bonds may be issued, obtain one of the following:

(a) A letter of credit supporting the creditworthiness of the borrower from a bank with an investment grade credit rating;

(b) Confirmation that the borrower has arranged for private placement of the bonds with an institutional investor; or

(c) Confirmation that the borrower has an investment grade credit rating of their own.
(2) An authority established under the terms of this chapter constitutes an authority and an instrumentality (within the meaning of those terms in the regulations of the United States treasury and the rulings of the internal revenue service prescribed pursuant to 26 U.S.C. Sec. 103 of the federal internal revenue code of 1986, as amended) may act on behalf of the municipality under whose auspices it is created for the specific public purposes authorized by this chapter. The authority is not a municipal corporation within the meaning of the state Constitution and the laws of the state, or a political subdivision within the meaning of the state Constitution and the laws of the state, including without limitation, Article VIII, section 7 of the Washington state Constitution. A municipality may not delegate to an authority any of the municipality's attributes of sovereignty including, without limitation, the power to tax, the power of eminent domain, and the police power.

NEW SECTION. Sec. 5. (1) An authority established pursuant to this chapter may develop and conduct a program or programs to provide nonrecourse revenue bond financing for the project costs for economic development activities.

(2) An authority is authorized to participate fully in federal and other governmental economic development finance programs and to take such actions as are necessary and consistent with this chapter to secure the benefits of those programs and to meet their requirements.

(3) An authority may develop and conduct a program that will stimulate and encourage the development of new products within Washington state by the infusion of financial aid for invention and innovation in situations in which the financial aid would not otherwise be reasonably available from commercial sources. The authority is authorized to provide nonrecourse revenue bond financing for this program.

(a) For the purposes of this program, the authority has the following powers and duties:

(i) To enter into financing agreements with eligible persons doing business in Washington state, upon terms and on conditions consistent with the purposes of this chapter, for the advancement of financial and other assistance to the persons for the development of specific products, procedures, and techniques, to be developed and produced in this state, and to condition the agreements upon contractual assurances that the benefits of increasing or maintaining employment and tax revenues remain in this state and accrue to it;

(ii) Own, possess, and take license in patents, copyrights, and proprietary processes and negotiate and enter into contracts and establish charges for the use of the patents, copyrights, and proprietary processes when the patents and licenses for products result from assistance provided by the authority;

(iii) Negotiate royalty payments to the authority on patents and licenses for products arising as a result of assistance provided by the authority;

(iv) Negotiate and enter into other types of contracts with eligible persons that assure that public benefits will result from the provision of services by the authority; provided that the contracts are consistent with the state Constitution;

(v) Encourage and provide technical assistance to eligible persons in the process of developing new products;

(vi) Refer eligible persons to researchers or laboratories for the purpose of testing and evaluating new products, processes, or innovations; and

(vii) To the extent permitted under its contract with eligible persons, to consent to a termination, modification, forgiveness, or other change of a term of a contractual right, payment, royalty, contract, or agreement of any kind to which the authority is a party.

(b) Eligible persons seeking financial and other assistance under this program must forward an application, together with an application fee prescribed by rule, to the authority. An investigation and report concerning the advisability of approving an application for assistance must be completed by the staff of the authority. The investigation and report may include, but is not limited to, facts about the company under consideration as its history, wage standards, job opportunities, stability of employment, past and present financial condition and structure, pro forma income statements, present and future markets and prospects, integrity of management as well as the feasibility of the proposed product and invention to be granted financial assistance, including the state of development of the product as well as the likelihood of its commercial feasibility. After receipt and consideration of the report set out in this subsection and after other action as is deemed appropriate, the application must be approved or denied by the authority. The applicant must be promptly notified of action by the authority.

(4) An authority may receive no appropriation of state funds. The department of commerce and the Washington economic development finance authority may assist a local economic development finance authority in organizing itself and in designing programs.

(5) An authority may use any funds legally available to it for any purpose specifically authorized by this chapter, or for otherwise improving economic development by assisting businesses and farm enterprises that do not have access to capital at terms and rates comparable to large corporations due to the location of the business, the size of the business, the lack of financial expertise, or other appropriate reasons.

(6) An authority must coordinate its activities with those, including bond issuance activities, of the creating municipality and the public corporation created under chapter 39.84 RCW by the creating municipality.

NEW SECTION. Sec. 6. (1) An authority established pursuant to this chapter must adopt general operating procedures for the authority. The authority must also adopt operating procedures for individual programs as they are developed for obtaining funds and for providing funds to borrowers. These operating procedures must be adopted by resolution prior to the authority operating the applicable programs.

(2) The operating procedures must include, but are not limited to:

(a) Appropriate standards for securing loans and other financing the authority provides to borrowers, such as guarantees or collateral; and

(b) Strict standards for providing financing to borrowers, such as:

(i) The borrower is a responsible party with a high probability of being able to repay the financing provided by the authority;

(ii) The financing is reasonably expected to benefit the creating municipality by enabling a borrower to increase or maintain jobs or capital in the municipality;

(iii) The borrowers with the greatest needs or that provide the most public benefit are given higher priority by the authority; and

(iv) The financing is consistent with any plan adopted by the authority under the provisions of section 7 of this act.

NEW SECTION. Sec. 7. (1) Any authority established pursuant to this chapter must adopt a general plan of economic development finance objectives to be implemented by the authority during the period of the plan. The authority may exercise the powers authorized under this chapter prior to the adoption of the initial plan. In developing the plan, the authority must consider and set objectives for:

(a) Employment generation associated with the authority's programs;
FIFTY SEVENTH DAY, MARCH 5, 2012

(b) The application of funds to economic sectors and economic development activity evidencing need for improved access to capital markets and funding resources;

c) Eligibility criteria for participants in authority programs;

d) The use of funds and resources available from or through federal, state, local, and private sources and programs;

e) New programs which serve a targeted need for financing assistance within the purposes of this chapter; and

(f) Opportunities to improve capital access as evidenced by programs existing in other localities or as they are made possible by results of private capital market circumstances.

2. Upon adoption of the general plan the authority must conduct its programs in observance of the objectives established in the plan. The authority may periodically update the plan as determined necessary by the authority.

NEW SECTION. Sec. 8. In addition to carrying out the economic development finance activities and programs specifically authorized in this chapter, an authority may:

(7) Appear in its own behalf before boards, commissions, departments, or agencies of federal, state, or local government;

(17) Adopt rules concerning the exercise of the powers authorized by this chapter; and

(18) Exercise any other power the authority deems necessary, useful, or convenient to accomplish its purposes and exercise the powers expressly granted in this chapter.

NEW SECTION. Sec. 9. Notwithstanding any other provision of this chapter, an authority may not:

(1) Give any municipal or state money or property or loan any municipal or state money or credit to or in aid of any individual, association, company, or corporation, or become directly or indirectly the owner of any stock in or bonds of any association, company, or corporation;

NEW SECTION. Sec. 10. (1) An authority may issue its nonrecourse revenue bonds in order to obtain the funds to carry out the programs authorized in this chapter. The bonds must be special obligations of the authority, payable solely out of the special fund or funds established by the authority for their repayment.

(2) Any bonds issued under this chapter may be secured by a financing document between the authority and the purchasers or owners of such bonds or between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the state.

(a) The financing document may pledge or assign, in whole or in part, the revenues and funds held or to be received by the authority, any present or future contract or other rights to receive the same, and the proceeds thereof.

(b) The financing document may contain such provisions for protecting and enforcing the rights, security, and remedies of bond owners as may be reasonable and proper including, without limiting the generality of the foregoing, provisions defining defaults and providing for remedies in the event of default which may include the acceleration of maturities, restrictions on the individual rights of action by bond owners, and covenants setting forth duties of and
limitations on the authority in conduct of its programs and the management of its property.

(c) In addition to other security provided in this chapter or otherwise by law, bonds issued by the authority may be secured, in whole or in part, by financial guarantees, by insurance or by letters of credit issued to the authority or a trustee or any other person, by any bank, trust company, insurance or surety company, or other financial institution, within or without the state. The authority may pledge or assign, in whole or in part, the revenues and funds held or to be received by the authority, any present or future contract or other rights to receive the same, and the proceeds thereof, as security for such guaranties or insurance or for the reimbursement by the authority to any issuer of such letter of credit of any payments made under such letter of credit.

(3) Without limiting the powers of the authority contained in this chapter, in connection with each issue of its obligation bonds, the authority must create and establish one or more special funds including, but not limited to, debt service and sinking funds, reserve funds, project funds, and such other special funds as the authority deems necessary, useful, or convenient.

(4) Any security interest created against the unexpended bond proceeds and against the special funds created by the authority is immediately valid and binding against the money and any securities in which the money may be invested without authority or trustee possession. The security interest must be prior to any party having any competing claim against the moneys or securities, without filing or recording under Article 9A of the uniform commercial code, Title 62A RCW, and regardless of whether the party has notice of the security interest.

(5) The bonds may be issued as serial bonds, term bonds, or any other type of bond instrument consistent with the provisions of this chapter. The bonds must bear such date or dates; mature at such time or times; bear interest at such rate or rates, either fixed or variable; be payable at such time or times; be in such denominations; be in such form; bear such privileges of transferability, exchangeability, and interchangeability; be subject to such terms of redemption; and be sold at public or private sale, in such manner, at such time or times, and at such price or prices as the authority determines. The bonds must be executed by the manual or facsimile signatures of the authority’s chair and either its secretary or executive director, and may be authenticated by the trustee (if the authority determines to use a trustee) or any registrar which may be designated for the bonds by the authority.

(6) Bonds may be issued by the authority to refund other outstanding authority bonds, at or prior to maturity of, and to pay any redemption premium on, the outstanding bonds. Bonds issued for refunding purposes may be combined with bonds issued for the financing or refinancing of new projects. Pending the application of the proceeds of the refunding bonds to the redemption of the bonds to be redeemed, the authority may enter into an agreement or agreements with a corporate trustee regarding the interim investment of the proceeds and the application of the proceeds and the earnings on the proceeds to the payment of the principal of and interest on, and the redemption of, the bonds to be redeemed.

(7) The bonds of the authority may be negotiable instruments under Title 62A RCW.

(8) Neither the board of directors of the authority, nor its employees or agents, nor any person executing the bonds is personally liable on the bonds or subject to any personal liability or accountability by reason of the issuance of the bonds.

(9) The authority may purchase its bonds with any of its funds available for the purchase. The authority may hold, pledge, cancel, or resell the bonds subject to and in accordance with agreements with bond owners.

(10) The state finance committee must be notified in advance of the issuance of bonds by the authority in order to promote the orderly offering of obligations in the financial markets.

NEW SECTION. Sec. 11. (1) Bonds issued by an authority established under this chapter are not considered to constitute a debt of the state, of the municipality, or of any other municipal corporation, quasi-municipal corporation, subdivision, or agency of this state or to pledge any or all of the faith and credit of any of these entities. The revenue bonds are payable solely from both the revenues derived as a result of the economic development activities funded by the revenue bonds including, without limitation, amounts received under the terms of any financing document or by reason of any additional security furnished by beneficiaries of the economic development activity in connection with the financing thereof, and money and other property received from private sources. The issuance of bonds under this chapter do not obligate, directly, indirectly, or contingently, the state or any political subdivision of the state to levy any taxes or appropriate or expend any funds for the payment of the principal or the interest on the bonds. Each revenue bond must contain on its face, and any disclosure document prepared in conjunction with the offer and sale of bonds must include, statements to the effect that:

(a) Neither the state, the municipality, or any other municipal corporation, quasi-municipal corporation, subdivision, or agency of the state is obligated to pay the principal or the interest thereon;
(b) No tax funds or governmental revenue may be used to pay the principal or interest thereon; and
(c) Neither any or all of the faith and credit nor the taxing power of the state, the municipality, or any other municipal corporation, quasi-municipal corporation, subdivision, or agency thereof is pledged to the payment of the principal or the interest on the revenue bond.

(2) Neither the proceeds of bonds issued under this chapter nor any money used or to be used to pay the principal of, premium, if any, or interest on the bonds constitute public money or property. All of such money must be kept segregated and set apart from funds of the state and any political subdivision of the state and are not subject to appropriation or allotment by the state or subject to the provisions of chapter 43.88 RCW.

(3) Contracts entered into by an authority must be entered into in the name of the authority and not in the name of the state or any political subdivision of the state. The obligations of the authority under such contracts are obligations only of the authority and are not, in any way, obligations of the municipality creating the authority or the state. An authority may incur only those financial obligations which will be paid from revenues received pursuant to financing documents, from fees or charges paid by beneficiaries of the economic development activities funded by the revenue bonds, or from the proceeds of revenue bonds.

NEW SECTION. Sec. 12. (1)(a) An authority may enter into financing documents with borrowers regarding bonds issued by the authority that may provide for the payment by each borrower of amounts sufficient, together with other revenues available to the authority, if any, to:

(i) Pay the borrower’s share of the fees established by the authority;
(ii) Pay the principal of, premium, if any, and interest on outstanding bonds of the authority issued in respect of such borrower as the same become due and payable; and
(iii) Create and maintain reserves required or provided for by the authority in connection with the issuance of such bonds.

(b) The payments are not subject to supervision or regulation by any department, committee, board, body, bureau, or agency of the state.
(2) All money received by or on behalf of the authority with respect to this issuance of its bonds must be trust funds to be held and applied solely as provided in this chapter. The authority, in lieu of receiving and applying the moneys itself, may enter into trust agreement or indenture with one or more banks or trust companies having the power and authority to conduct trust business in the state to:

(a) Perform all or any part of the obligations of the authority with respect to:

(i) Bonds issued by it;

(ii) The receipt, investment, and application of the proceeds of the bonds and money paid by a participant or available from other sources for the payment of the bonds;

(iii) The enforcement of the obligations of a borrower in connection with the financing or refinancing of any project; and

(iv) Other matters relating to the exercise of the authority's powers under this chapter;

(b) Receive, hold, preserve, and enforce any security interest or evidence of security interest granted by a participant for purposes of securing the payment of the bonds; and

(c) Act on behalf of the authority or the owners of bonds of the authority for purposes of assuring or enforcing the payment of the bonds, when due.

NEW SECTION. Sec. 13. (1) Any owner of bonds issued under this chapter by any authority, and the trustee under any trust agreement or indenture, may, either at law or in equity, by suit, action, mandamus, or other proceeding, protect and enforce any of their respective rights, and may become the purchaser at any foreclosure sale if the person is the highest bidder, except to the extent the rights given are restricted by the authority in any bond resolution or trust agreement or indenture authorizing the issuance of the bonds.

(2) The bonds of an authority are securities in which all public officers and bodies of this state and all counties, cities, municipal corporations, and political subdivisions, all banks, eligible banking organizations, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, insurance companies and associations, and all executors, administrators, guardians, trustees, and other fiduciaries may legally invest any sinking funds, moneys, or other funds belonging to them or within their control. However, a municipality under the auspices of which an authority was created and the county, city, or town within whose planning jurisdiction the economic development activity to be financed lies, may not invest in bonds issued by the authority.

NEW SECTION. Sec. 14. This chapter provides a complete, additional, and alternative method for accomplishing the purposes of this chapter and must be regarded as supplemental and additional to powers conferred by other laws. The issuance of bonds and refunding bonds under this chapter need not comply with the requirements of any other law applicable to the issuance of bonds.

NEW SECTION. Sec. 15. Insofar as the provisions of this chapter are inconsistent with the provisions of any general or special law, or parts thereof, the provisions of this chapter are controlling.

NEW SECTION. Sec. 16. Sections 1 through 15 of this act constitute a new chapter in Title 39 RCW.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Correct the title and the same are herewith transmitted.

President Owen: "In ruling on the Point of Order raised by Senator Ranker as to whether the striking amendment to Substitute Senate Bill No. 6406 fits within the scope and object of the underlying bill, the President finds and rules as follows.

Substitute Senate Bill No. 6406 presents a challenge between the substitute bill passed by committee and properly substituted on the floor, and a proposed striking amendment. For the purposes of determining whether the striking amendment is outside the scope of the underlying bill, the appropriate comparison is between the substitute bill and the striker.

Substitute Senate Bill No. 6406 is initially described by its intent section. That provision states that the bill’s purpose is: "to modify programs that provide for management and protection of the state's natural resources, including the state's forests, fish, and wildlife, in order to streamline regulatory processes and achieve program efficiencies...."

It does this in four different ways: altering provisions relating to hydraulic permits, forest practices, state environmental processes, and the growth management act. These changes affect both state agency processes and local government actions as well.

The substitute bill does not impact storm water provisions. The addition of the storm water provisions are appropriate only if those provisions do not impermissibly alter the bill’s scope and object.

Here, the substitute bill approaches what the President has referred to as an omnibus bill. It takes four different substantive areas, altering each one in a manner consistent with the bill’s intent section. By adding a fifth area, in a manner consistent with the policies as expressed in the bill, the striking amendment does not broaden the scope and object of the underlying bill.

For these reasons, the President finds that the amendment is within the scope and object of the substitute bill, and Senator Ranker’s point of order is not well-taken."

(4) **Cancellation.** The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

5. **Alternative issuance/renewal/extension.** The department may issue or renew an identicard for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

Sec. 6. RCW 46.20.120 and 2011 c 370 s 4 are each amended to read as follows:

An applicant for a new or renewed driver's license must successfully pass a driver licensing examination to qualify for a driver's license. The department must ensure that examinations are given at places and times reasonably available to the people of this state. If the department does not administer driver licensing examinations as a routine part of its licensing services within a department region because adequate testing sites are provided by driver training schools or school districts within that region, the department shall, at a minimum, administer driver licensing examinations by appointment to applicants eighteen years of age and older in at least one licensing office within that region.

1. **Waiver.** The department may waive:

(a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or

(b) All or any part of the examination involving operating a motor vehicle if the applicant:

(i) Surrenders a valid driver's license issued by the person's previous home state; or

(ii) Provides for verification a valid driver's license issued by a foreign driver licensing jurisdiction with which the department has an informal agreement under RCW 46.20.125; and

(iii) Is otherwise qualified to be licensed.

2. **Fee.** Each applicant for a new license must pay an examination fee of ((twenty)) thirty-five dollars.

(a) The examination fee is in addition to the fee charged for issuance of the license.

(b) "New license" means a license issued to a driver:

(i) Who has not been previously licensed in this state; or

(ii) Whose last previous Washington license has been expired for more than ((five)) six years.

(3) An application for driver's license renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her license by mail or by electronic commerce when it last expired.

(4) A person whose license expired or will expire while he or she is living outside the state, may:

(a) Apply to the department to extend the validity of his or her license for no more than twelve months. If the person establishes to the department's satisfaction that he or she is unable to return to Washington before the date his or her license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;

(b) Apply to the department to renew his or her license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that he or she is unable to return to Washington within twelve months of the date that his or her license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.

(5) If a qualified person submits an application for renewal under subsection (3)(b) or (4)(b) of this section, he or she is not required to pass an examination nor provide an updated photograph. A license renewed by mail or by electronic commerce that does not include a photograph of the licensee must be labeled "not valid for identification purposes."

(6) Driver training schools licensed by the department under chapter 46.82 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

signed by the licensee.

Sec. 8. RCW 46.20.181 and 1999 c 308 s 3 are each amended
to read as follows:

(1) Except as provided in subsection (4) or (5) of this section or
RCW 46.20.105, every driver's license expires on the ((sixth)) sixth
anniversary of the licensee's birthdate following the issuance of the
license.

(2) A person may renew his or her license on or before the
expiration date by submitting an application as prescribed by the
department and paying a fee of ((twenty-five)) forty-five dollars
from October 1, 2012, to June 30, 2013, and fifty-four dollars after
June 30, 2013. This fee includes the fee for the required

(3) A person renewing his or her driver's license more than sixty

(a) The person was outside the state and he or she renews the
license within sixty days after returning to this state; or

(b) The person was incapacitated and he or she renews the
license within sixty days after the termination of the incapacity.

(4) ((During the period from July 1, 2000, to July 1, 2006,)) The
department may issue or renew a driver's license for a period other
than five years from October 1, 2012, to June 30, 2013, or six years
after June 30, 2013, or may extend by mail or electronic commerce a
license that has already been issued, in order to evenly distribute, as
nearly as possible, the yearly renewal rate of licensed drivers. The
fee for a driver's license issued or renewed for a period other than
five years from October 1, 2012, to June 30, 2013, or six years after
June 30, 2013, or that has been extended by mail or electronic commerce, is ((five)) nine dollars for each year that the license is
issued, renewed, or extended. The department may adopt any rules
as are necessary to carry out this subsection.

(5) A driver's license that includes a hazardous materials
endorsement under chapter 46.25 RCW may expire on an
anniversary of the licensee's birthdate other than the sixth year
following issuance or renewal of the license in order to match, as
nearly as possible, the validity of certification from the federal
transportation security administration that the licensee has been
determined not to pose a security risk. The fee for a driver's license
issued or renewed for a period other than five years from October 1,
to June 30, 2013, or six years after June 30, 2013, is nine
dollars for each year that the license is issued or renewed, not
including any endorsement fees. The department may adjust the
expiration date of a driver's license that has previously been issued
to conform to the provisions of this subsection if a hazardous
materials endorsement is added to the license subsequent to its
issuance. If the validity of the driver's license is extended, the
licensee must pay a fee of nine dollars for each year that the license is
extended.

(6) The department may adopt any rules as are necessary to
carry out this section.

Sec. 9. RCW 46.20.200 and 2002 c 352 s 14 are each amended
to read as follows:

(1) If an instruction permit, identicard, or a driver's license is lost
or destroyed, the person to whom it was issued may obtain a
duplicate of it upon furnishing proof of such fact satisfactory to the
department and payment of a fee of ((fifteen)) twenty dollars to the
department.

(2) A replacement permit, identicard, or driver's license may be
obtained to change or correct material information upon payment of
a fee of ten dollars and surrender of the permit, identicard, or driver's
license being replaced.

Sec. 10. RCW 46.20.049 and 2011 c 227 s 6 are each amended
to read as follows:

There shall be an additional fee for issuing any class of
commercial driver's license in addition to the prescribed fee required
for the issuance of the original driver's license. The additional fee
for each class shall be ((sixty-one)) eighty-five dollars from October 1,
to June 30, 2013, and one hundred two dollars after June 30,
2013, for the original commercial driver's license or subsequent
renewals. If the commercial driver's license is issued, renewed, or
extended for a period other than five years from October 1, 2012, to
June 30, 2013, or six years after June 30, 2013, the fee for each class
shall be ((twelve)) seventeen dollars ((and twenty cents)) for each
year that the commercial driver's license is issued, renewed, or
extended. The fee shall be deposited in the highway safety fund.

Sec. 11. RCW 46.20.308 and 2008 c 282 s 2 are each amended
to read as follows:

(1) Any person who operates a motor vehicle within this state is
deemed to have given consent, subject to the provisions of RCW
46.61.506, to a test or tests of his or her blood for the
purpose of determining the alcohol concentration or presence of any
drug in his or her breath or blood if arrested for any offense where,
at the time of the arrest, the arresting officer has reasonable grounds to
believe the person had been driving or was in actual physical control
of a motor vehicle while under the influence of intoxicating liquor or
any drug or was in violation of RCW 46.61.503. Neither consent
nor this section precludes a police officer from obtaining a search
warrant for a person's breath or blood.

(2) The test or tests of breath shall be administered at the
direction of a law enforcement officer having reasonable grounds to
believe the person to have been driving or in actual physical control
of a motor vehicle within this state while under the influence of
intoxicating liquor or any drug or the person to have been driving or
in actual physical control of a motor vehicle while having alcohol in
a concentration in violation of RCW 46.61.503 in his or her system
and being under the age of twenty-one. However, in those
instances where the person is incapable due to physical injury,
physical incapacity, or other physical limitation, of providing a
breath sample or where the person is being treated in a hospital,
clinic, doctor's office, emergency medical vehicle, ambulance, or
other similar facility or where the officer has reasonable grounds to
believe that the person is under the influence of a drug, a blood test
shall be administered by a qualified person as provided in RCW
46.61.506(5). The officer shall inform the person of his or her right
to refuse the breath or blood test, and of his or her right to have
additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (7) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (8) of this section and that the person waives the right to a hearing if he or she receives an ignition interlock driver's license;

(c) Mark the person's Washington state driver's license or permit to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if any, is a temporary license that is valid for sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(e) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol concentration in violation of RCW 46.61.503;

(ii) That after receipt of the warnings required by subsection (2) of this section the person refused to submit to a test of his or her breath or blood, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person is age twenty-one or over, or was 0.02 or more if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (6)(e) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of this section may, within twenty days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within twenty days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license marked under subsection (6)(c) of this section extended, if the person is otherwise eligible for licensing. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration.
of 0.02 or more if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person was age twenty-one or over at the time of the arrest, or 0.02 or more if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to appeal the decision of the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection. (b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 12. RCW 46.20.505 and 2007 c 97 s 1 are each amended to read as follows:

Every person applying for a special endorsement of a driver's license authorizing such person to drive a two or three-wheeled motorcycle or a motor-driven cycle shall pay a fee of five dollars, which is not refundable. In addition, the endorsement fee for the initial motorcycle endorsement shall not exceed twelve dollars, unless the endorsement is issued for a period other than six years, in which case the endorsement fee shall not exceed twenty dollars, unless the endorsement is renewed or extended for a period other than six years, in which case the endorsement fee shall not exceed thirty dollars, unless the endorsement is renewed or extended for a period other than six years.
collected under this section shall be deposited in the motorcycle safety education account of the highway safety fund.

Sec. 13. RCW 46.20.105 and 2000 c 115 s 5 are each amended to read as follows:

(1)(a) The department may provide a method to distinguish the driver's license of a person who is under the age of twenty-one from the driver's license of a person who is twenty-one years of age or older.

(b) If the department provides a method to distinguish under (a) of this subsection, any driver's license issued to a person who is under the age of twenty-one expires on the person's twenty-first birthday.

(2) An instruction permit must be identified as an "instruction permit" and issued in a distinctive form as determined by the department.

(3) An intermediate license must be identified as an "intermediate license" and issued in a distinctive form as determined by the department.

NEW SECTION. Sec. 14. A new section is added to chapter 46.68 RCW to read as follows:

(1) The following amounts in aggregate may only be used for the purposes listed in subsection (2) of this section:

(a) Five dollars per year of validity of each fee collected by the department for an identicard under RCW 46.20.117;

(b) Four dollars per year of validity of each fee collected by the department for a driver's license under RCW 46.20.161;

(c) Four dollars and eighty cents per year of validity of each fee collected by the department for a commercial driver's license under RCW 46.20.049;

(d) Five dollars of each fee collected by the department under RCW 46.20.055;

(e) Fifteen dollars of each fee collected by the department under RCW 46.20.120(2);

(f) Five dollars of each fee collected by the department under RCW 46.20.200; and

(g) One hundred seventy-five dollars of each fee collected by the department under RCW 46.20.308.

(e) Twenty-nine percent for state ferry operations;

(f) Three and seven-tenths percent for freight mobility projects; and

(g) Nine and three-tenths percent for grants to improve safety and mobility for children by enabling and encouraging them to walk and bicycle to school.

NEW SECTION. Sec. 15. Sections 4 through 12 and 14 of this act take effect October 1, 2012.

Amending the Constitution to include the recommendations of the commission on state debt.

The measure was read the second time.

MOTION

Senator Parlette moved that the following amendment by Senator Parlette and others be adopted:

Beginning on page 1, line 8, strike all material through "state." on page 5, line 13 and insert the following:

"Article VIII, section 1. (a) The state may contract debt, the principal of which shall be paid and discharged within thirty years from the time of contracting thereof, in the manner set forth herein. (b) The aggregate debt contracted by the state, as calculated by the treasurer at the time debt is contracted, shall not exceed that amount for which payments of principal and interest in any fiscal year would require the state to expend more than (nine percent) the applicable percentage limit of the arithmetic mean of its general state revenues for the (three) six immediately preceding fiscal years as certified by the treasurer. The term "applicable percentage limit" means eight and one-quarter percent from July 1, 2014, through June 30, 2016; eight and one-half percent from July 1, 2016, through June 30, 2034; eight percent from July 1, 2034, and thereafter. The term "fiscal year" means that period of time commencing July 1 of any year and ending on June 30 of the following year.

(c) The term "general state revenues," when used in this section, shall include all state money received in the treasury from each and every source (whenever except), including moneys received from ad valorem taxes levied by the state and deposited in the general fund in each fiscal year, but not including: (1) Fees and other revenues derived from the ownership or operation of any undertaking, facility, or project; (2) Moneys received as gifts, grants, donations, aid, or assistance or otherwise from the United States or any department, bureau, or corporation thereof; or any person, firm, or corporation, public or private, when the terms and conditions of such gift, grant, donation, aid, or assistance require the application and disbursement of such moneys otherwise than for the general purposes of the state of Washington; (3) Moneys to be paid into and received from retirement system funds, and performance bonds and deposits; (4) Moneys to be paid into and received from trust funds ((including but not limited to moneys received from taxes levied for specific purposes)) and the several permanent and irreducible funds of the state and the moneys derived therefrom but excluding bond redemption funds; (5) Moneys received from taxes levied for specific purposes and required to be deposited for those purposes into specified funds or accounts other than the general fund; and (6) Proceeds received from the sale of bonds or other evidences of indebtedness.

(d) In computing the amount required for payment of principal and interest on outstanding debt under this section, debt shall be construed to mean borrowed money represented by bonds, notes, or other evidences of indebtedness which are secured by the full faith and credit of the state or are required to be repaid, directly or indirectly, from general state revenues and which are incurred by the state, any department, authority, public corporation, or quasi public corporation of the state, any state university or college, or any other public agency created by the state but not by counties, cities, towns, school districts, or other municipal corporations, but shall not include obligations for the payment of current expenses of state government, nor shall it include debt hereafter incurred pursuant to section 3 of this article, obligations guaranteed as provided for in subsection (g) of this section, principal of bond anticipation notes or obligations issued to fund or refund the indebtedness of the Washington state building authority. In addition, for the purpose of computing the amount required for payment of interest on outstanding debt under subsection (b) of this section and this subsection, "interest" shall be reduced by subtracting the amount scheduled to be received by the state as payments from the federal government in each year in respect of bonds, notes, or other evidences of indebtedness subject to this section.

(e) The state may pledge the full faith, credit, and taxing power of the state to guarantee the voter approved general obligation debt of school districts in the manner authorized by the legislature. Any such guarantee does not remove the debt obligation of the school district and is not state debt.

(f) The state may, without limitation, fund or refund, at or prior to maturity, the whole or any part of any existing debt or of any debt hereafter contracted pursuant to section 1, section 2, or section 3 of this article, obligations incurred after effective date of this amendment by any entity of the type described in subsection (h) of this section, including any premium payable with respect thereto and interest thereon. Such funding or refunding shall not be deemed to be contracting debt by the state.

(g) Notwithstanding the limitation contained in subsection (b) of this section, the state may pledge its full faith, credit, and taxing power to guarantee the payment of any obligation payable from revenues received from any of the following sources: (1) Fees collected by the state as license fees for motor vehicles; (2) Excise taxes collected by the state on the sale, distribution or use of motor vehicle fuel; and (3) Interest on the permanent common school fund: Provided. That the legislature shall, at all times, provide sufficient revenues from

Provided. That
such sources to pay the principal and interest due on all obligations for which said source of revenue is pledged.

(h) No money shall be paid from funds in custody of the treasurer with respect to any debt contracted after the effective date of this amendment by the Washington state building authority, the capitol committee, or any similar entity existing or operating for similar purposes pursuant to which such entity undertakes to finance or provide a facility for use or occupancy by the state or any agency, department, or instrumentality thereof.

(i) The legislature shall prescribe all matters relating to the contracting, funding or refunding of debt pursuant to this section, including: The purposes for which debt may be contracted; by a favorable vote of three-fifths of the members elected to each house, the amount of debt which may be contracted for any class of such purposes; the kinds of notes, bonds, or other evidences of debt which may be issued by the state; and the manner by which the treasurer shall determine and advise the legislature, any appropriate agency, officer, or instrumentality of the state as to the available debt capacity within the limitation set forth in this section. The legislature may delegate to any state officer, agency, or instrumentality any of its powers relating to the contracting, funding or refunding of debt pursuant to this section except its power to determine the amount and purposes for which debt may be contracted.

(j) The full faith, credit, and taxing power of the state of Washington are pledged to the payment of the debt created on behalf of the state pursuant to this section and the legislature shall provide by appropriation for the payment of the interest upon and installments of principal of all such debt as the same falls due, but in any event, any court of record may compel such payment.

(k) Notwithstanding the limitations contained in subsection (b) of this section, the state may issue certificates of indebtedness in such sum or sums as may be necessary to meet temporary deficiencies of the treasury, to preserve the best interests of the state in the conduct of the various state institutions, departments, bureaus, and agencies during each fiscal year; such certificates may be issued only to provide for appropriations already made by the legislature and such certificates must be retired and the debt discharged other than by refunding within twelve months after the date of issuance.

(l) Bonds, notes, or other obligations issued and sold by the state of Washington pursuant to and in conformity with this article shall not provide for appropriations already made by the legislature and such obligations must be retired and the debt discharged other than by refunding within twelve months after the date of issuance.

BE IT FURTHER RESOLVED, That the amendments to Article VIII, Section 1, if approved and ratified by the qualified voters of the state, shall be effective on and after July 1, 2014.

Creating a procedure for the state's retrocession of civil and criminal jurisdiction over Indian tribes and Indian country.

The measure was read the second time.

MOTION

Senator Pridemore moved that the following striking amendment by Senator Pridemore be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 37.12 RCW to read as follows:

(1) The process by which the state may retrocede to the United States all or part of the civil and/or criminal jurisdiction previously acquired by the state over a federally recognized Indian tribe, and the Indian country of such tribe, must be accomplished in accordance with the requirements of this section.

(2) To initiate civil and/or criminal retrocession the duly authorized governing body of a tribe must submit a retrocession resolution to the governor accompanied by information about the tribe's plan regarding the tribe's exercise of jurisdiction following the proposed retrocession. The resolution must express the desire of the tribe for the retrocession by the state of all or any measures or provisions of the civil and/or criminal jurisdiction acquired by the state under this chapter over the Indian country and the members of such Indian tribe. Before a tribe submits a retrocession resolution to the governor, the tribe and affected municipalities are encouraged to collaborate in the adoption of interlocal agreements, or other collaborative arrangements, with the goal of ensuring that the best interests of the tribe and the surrounding communities are served by the retrocession process.

(3) Upon receiving a resolution under this section, the governor must within ninety days convene a government-to-government meeting with either the governing body of the tribe or duly authorized tribal representatives for the purpose of considering the tribe's retrocession resolution. The governor's office must consult with elected officials from the counties, cities, and towns proximately located to the area of the proposed retrocession.

(4) Within one year of the receipt of an Indian tribe's retrocession resolution the governor must issue a proclamation, if approving the request either in whole or in part. This one-year deadline may be extended by the mutual consent of the tribe and the governor, as needed. In addition, either the tribe or the governor may extend the deadline once for a period of up to six months. Within ten days of issuance of a proclamation approving the retrocession resolution, the governor must formally submit the proclamation to the federal government in accordance with the procedural requirements for federal approval of the proposed retrocession. In the event the governor denies all or part of the resolution, the reasons for such denial must be provided to the tribe in writing.

(5) Within one hundred twenty days of the governor's receipt of a tribe's resolution requesting civil and/or criminal retrocession, but prior to the governor's issuance of the proclamation approving or denying the tribe's resolution, the appropriate standing committees of the state house and senate may conduct public hearings on the tribe's request for state retrocession. The majority leader of the senate must designate the senate standing committee and the speaker of the house of representatives must designate the house standing committee. Following such public hearings, the designated legislative committees may submit advisory recommendations and/or comments to the governor regarding the proposed retrocession, but in no event are such legislative recommendations binding on the governor or otherwise of legal effect.

(6) The proclamation for retrocession does not become effective until it is approved by a duly designated officer of the United States government and in accordance with the procedures established by the United States for the approval of a proposed state retrocession.

(7) The provisions of RCW 37.12.010 are not applicable to a civil and/or criminal retrocession that is accomplished in accordance with the requirements of this section.

(8) For any proclamation issued by the governor under this section that addresses the operation of motor vehicles upon the public streets, alleys, roads, and highways, the governor must consider the following:

(a) Whether the affected tribe has in place interlocal agreements with neighboring jurisdictions, including applicable state transportation agencies, that address uniformity of motor vehicle operations over Indian country;

(b) Whether there is a tribal traffic policing agency that will ensure the safe operation of motor vehicles in Indian country;

(c) Whether the affected tribe has traffic codes and courts in place; and

(d) Whether there are appropriate traffic control devices in place sufficient to maintain the safety of the public roadways.

(9) The following definitions apply for the purposes of this section:

(c) "Indian tribe" means any federally recognized Indian tribe, nation, community, band, or group;

(d) "Indian country" means:

(i) All land within the limits of any Indian reservation under the jurisdiction of the United States government, notwithstanding the issuance of any patent, and including rights-of-way running through the reservation;

(ii) All dependent Indian communities with the borders of the United States whether in the original or subsequently acquired territory thereof, and whether within or without the limits of a state; and
(iii) All Indian allotments, the Indian titles to which have not been extinguished, including rights-of-way running through the same.

NEW SECTION. Sec. 2. A new section is added to chapter 37.12 RCW to read as follows:
A civil or criminal retrocession accomplished pursuant to the procedure set forth in section 1 of this act does not:

(1) Affect the state's civil jurisdiction over the civil commitment of sexually violent predators pursuant to chapter 71.09 RCW and the state must retain such jurisdiction notwithstanding the completion of the retrocession process authorized under section 1 of this act; and

(2) Abate any action or proceeding which has been filed with any court or agency of the state or local government preceding the effective date of the completion of a retrocession authorized under section 1 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 37.12 RCW to read as follows:

(1) The provisions of section 1 of this act do not affect the validity of any retrocession procedure commenced under RCW 37.12.100 through 37.12.140 prior to the effective date of this section.

(2) Any Indian tribe that has commenced but not completed the retrocession procedure authorized in RCW 37.12.100 through 37.12.140 may request retrocession under section 1 of this act in lieu of completing that procedure.

(3) Any Indian tribe that has completed the retrocession procedure authorized in RCW 37.12.100 through 37.12.140 may use the process authorized under section 1 of this act to request retrocession of any civil or criminal jurisdiction retained by the state under RCW 37.12.120 or 37.12.010.

(4) The provisions of RCW 37.12.120 are not applicable to a civil and/or criminal retrocession that is accomplished in accordance with the requirements of section 1 of this act.''

(1) The pamphlet required under RCW 18.86.030(1)(f) shall consist of the entire text of RCW 18.86.010 through 18.86.030 and 18.86.040 through 18.86.110 with a separate cover page. The pamphlet shall be 8 1/2 by 11 inches in size, the text shall be in print no smaller than 10-point type, the cover page shall be in print no smaller than 12-point type, and the title of the cover page "The Law of Real Estate Agency" shall be in print no smaller than 18-point type. The cover page shall be in the following form:

The Law of Real Estate Agency

This pamphlet describes your legal rights in dealing with a real estate broker or salesperson. Please read it carefully before signing any documents.

The following is only a brief summary of the attached law:

Sec. 1. Definitions. Defines the specific terms used in the law.

Sec. 2. Relationships between Licensees and the Public. States that a licensee who works with a buyer or tenant represents that buyer or tenant-unless the licensee is the listing agent, a seller's subagent, a dual agent, the seller personally or the parties agree otherwise. Also states that in a transaction involving two different licensees affiliated with the same broker, the broker is a dual agent and each licensee solely represents his or her client-unless the parties agree in writing that both licensees are dual agents.

Sec. 3. Duties of a Licensee Generally. Prescribes the duties that are owed by all licensees, regardless of who the licensee represents. Requires disclosure of the licensee's agency relationship in a specific transaction.

Sec. 4. Duties of a Seller's Agent. Prescribes the additional duties of a licensee representing the seller or landlord only.

Sec. 5. Duties of a Buyer's Agent. Prescribes the additional duties of a licensee representing the buyer or tenant only.

Sec. 6. Duties of a Dual Agent. Prescribes the additional duties of a licensee representing both parties in the same transaction, and requires the written consent of both parties to the licensee acting as a dual agent.

Sec. 7. Duration of Agency Relationship. Describes when an agency relationship begins and ends. Provides that the duties of accounting and confidentiality continue after the termination of an agency relationship.

Sec. 8. Compensation. Allows brokers to share compensation with cooperating brokers. States that payment of compensation does not necessarily establish an agency relationship. Allows brokers to receive compensation from more than one party in a transaction with the parties' consent.

Sec. 9. Vicarious Liability. Eliminates the common law liability of a party for the conduct of the party's agent or subagent, unless the agent or subagent is insolvent. Also limits the liability of a broker for the conduct of a subagent associated with a different broker.

Sec. 10. Imputed Knowledge and Notice. Eliminates the common law rule that notice to or knowledge of an agent constitutes notice to or knowledge of the principal.

Sec. 11. Interpretation. This law replaces the fiduciary duties owed by an agent to a principal under the common law, to the extent that it conflicts with the common law.

(2)(a) The pamphlet required under RCW 18.86.030(1)(f) must also include the following disclosure: When the seller of owner-occupied residential real property enters into a listing agreement with a real estate licensee where the proceeds from the sale may be insufficient to cover the costs at closing, it is the responsibility of the real estate licensee to disclose to the seller in writing that the decision by any beneficiary or mortgagee, or its assignees, to release its interest in the real property, for less than the amount the borrower owes, does not automatically relieve the seller of the obligation to pay any debt or costs remaining at closing, including fees such as the real estate licensee's commission.

(b) For the purposes of this subsection, "owner-occupied real property" means real property consisting solely of a single-family residence, a residential condominium unit, or a residential cooperative unit that is the principal residence of the borrower.

Sec. 3. RCW 4.16.040 and 2007 c 124 s 1 are each amended to read as follows:

The following actions shall be commenced within six years:

(1) An action upon a contract in writing, or liability express or implied arising out of a written agreement, except as provided for in section 1(2) of this act.

(3) An action for the rents and profits or for the use and occupation of real estate.

Sec. 4. RCW 61.24.031 and 2011 c 58 s 5 are each amended to read as follows:

(1)(a) A trustee, beneficiary, or authorized agent may not issue a notice of default under RCW 61.24.030(8) until: (i) Thirty days after ((initial contact with the borrower was initiated)) satisfying the due diligence requirements as described in subsection (5) of this section and the borrower has not responded; or (ii) if the borrower responds to the initial contact, ninety days after the initial contact with the borrower was initiated.

(b) A beneficiary or authorized agent shall make initial contact with the borrower by letter to provide the borrower with information required under (c) of this subsection and by telephone as required...
under subsection (5) of this section. The letter required under this subsection must be mailed in accordance with subsection (5)(a) of this section and must include the information described in (c) of this subsection and subsection (5)(c)(i) through (iv) of this section.

(c) The letter required under this subsection, developed by the department pursuant to RCW 61.24.033, at a minimum shall include:

(i) A paragraph printed in no less than twelve-point font and bolded that reads:

"You must respond within thirty days of the date of this letter. IF YOU DO NOT RESPOND within thirty days, a notice of default may be issued and you may lose your home in foreclosure. IF YOU DO RESPOND within thirty days of the date of this letter, you will have an additional sixty days to meet with your lender before a notice of default may be issued.

You should contact a housing counselor or attorney as soon as possible. Failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party. A housing counselor or attorney can help you work with your lender to avoid foreclosure.

If you filed bankruptcy or have been discharged in bankruptcy, this communication is not intended as an attempt to collect a debt from you personally, but is notice of enforcement of the deed of trust lien against the property. If you wish to avoid foreclosure and keep your property, this notice sets forth your rights and options."

(ii) The toll-free telephone number from the United States department of housing and urban development to find a department-approved housing counseling agency, the toll-free numbers for the statewide foreclosure hotline recommended by the housing finance commission, and the statewide civil legal aid hotline for assistance and referrals to other housing counselors and attorneys;

(iii) A paragraph stating that a housing counselor may be available at little or no cost to the borrower and that whether or not the borrower contacts a housing counselor or attorney, the borrower has the right to request a meeting with the beneficiary; and

(iv) A paragraph explaining how the borrower may respond to the letter and stating that after responding the borrower will have an opportunity to meet with his or her beneficiary in an attempt to resolve and try to work out an alternative to the foreclosure and that, after ninety days from the date of the letter, a notice of default may be issued, which starts the foreclosure process.

(d) If the beneficiary has exercised due diligence as required under subsection (5) of this section and the borrower does not respond by contacting the beneficiary within thirty days of the initial contact, the notice of default may be issued. "Initial contact" with the borrower is considered made three days after the date the letter required in (b) of this subsection is sent.

(e) If a meeting is requested by the borrower or the borrower's housing counselor or attorney, the beneficiary or authorized agent shall schedule the meeting to occur before the notice of default is issued. An assessment of the borrower's financial ability to modify or restructure the loan obligation and a discussion of options must occur during the meeting scheduled for that purpose.

(f) The meeting scheduled to assess the borrower's financial ability to modify or restructure the loan obligation and discuss options to avoid foreclosure (must be in person, unless the requirement to meet in person is waived in writing by the borrower or the borrower's representative. A person who is authorized to modify the loan obligation or reach an alternative resolution to foreclosure on behalf of the beneficiary may participate by telephone or video conference, so long as a representative of the beneficiary is at the meeting in person)) may be held telephonically, unless the borrower or borrower's representative requests in writing that a meeting be held in person. The written request for an in-person meeting must be made within thirty days of the initial contact with the borrower. A person who is authorized to agree to a resolution, including modifying or restructuring the loan obligation or other alternative resolution to foreclosure on behalf of the beneficiary, must be present either in person or on the telephone or video conference during the meeting.

(2) A notice of default issued under RCW 61.24.030(8) must include a declaration, as provided in subsection (9) of this section, from the beneficiary or authorized agent that it has contacted the borrower as provided in subsection (1) of this section, it has tried with due diligence to contact the borrower under subsection (5) of this section, or the borrower has surrendered the property to the trustee, beneficiary, or authorized agent. Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the declaration as evidence that the requirements of this section have been satisfied, and the trustee is not liable for the beneficiary's or its authorized agent's failure to comply with the requirements of this section.

(3) If, after the initial contact under subsection (1) of this section, a borrower has designated a housing counseling agency, housing counselor, or attorney to discuss with the beneficiary or authorized agent, on the borrower's behalf, options for the borrower to avoid foreclosure, the borrower shall inform the beneficiary or authorized agent and provide the contact information to the beneficiary or authorized agent. The beneficiary or authorized agent shall contact the designated representative for the borrower to meet.

(4) The beneficiary or authorized agent and the borrower or the borrower's representative shall attempt to reach a resolution for the borrower within the ninety days from the time the initial contact is sent and the notice of default is issued. A resolution may include, but is not limited to, a loan modification, an agreement to conduct a short sale, or a deed in lieu of foreclosure transaction, or some other workout plan. Any modification or workout plan offered at the meeting with the borrower's designated representative by the beneficiary or authorized agent is subject to approval by the borrower.

(5) A notice of default may be issued under RCW 61.24.030(8) if a beneficiary or authorized agent has initiated contact with the borrower as required under subsection (1)(b) of this section and the failure to meet with the borrower occurred despite the due diligence of the beneficiary or authorized agent. The letter must be the letter described in subsection (1)(c) of this section.

(b)(i) After the letter has been sent, the beneficiary or authorized agent shall attempt to contact the borrower by telephone at least three times at different hours and on different days. Telephone calls must be made to the primary and secondary telephone numbers on file with the beneficiary or authorized agent.

(ii) A beneficiary or authorized agent may attempt to contact a borrower using an automated system to dial borrowers if the telephone call, when answered, is connected to a live representative of the beneficiary or authorized agent.

(iii) A beneficiary or authorized agent satisfies the telephone contact requirements of this subsection (5)(b) if the beneficiary or authorized agent determines, after attempting contact under this subsection (5)(b), that the borrower's primary telephone number and
secondary telephone number or numbers on file, if any, have been disconnected or are not good contact numbers for the borrower.

(iv) The telephonic contact under this subsection (5)(b) does not constitute the meeting under subsection (1)(f) of this section.

(c) If the borrower does not respond within fourteen days after the telephonic call requirements of (b) of this subsection have been satisfied, the beneficiary or authorized agent shall send a certified letter, with return receipt requested, to the borrower at the address in the beneficiary’s records for sending account statements to the borrower and to the address of the property encumbered by the deed of trust. The letter must include the information described in (e)(i) through (iv) of this subsection. The letter must also include a paragraph stating: “Your failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party.”

(d) The beneficiary or authorized agent shall provide a means for the borrower to contact the beneficiary or authorized agent in a timely manner, including a toll-free telephone number or charge-free equivalent that will provide access to a live representative during business hours for the purpose of initiating and scheduling the meeting under subsection (1)(f) of this section.

other official acts performed in his or her capacity as a foreclosure
mediator, except in cases of willful or wanton misconduct.

(b) A mediator is not subject to discovery or compulsory

Sec. 8. RCW 61.24.174 and 2011 1st sp.s. c 24 s 1 are each
amended to read as follows:

(1) Except as provided in subsection (5) of this section,
beginning October 1, 2011, and every quarter thereafter, every
mediator issuing notices of default, or directing that a trustee or
authorized agent issue the notice of default, on owner-occupied
residential real property under this chapter must:

(a) Report to the department the number of owner-occupied
residential real properties for which the beneficiary has issued a
notice of default during the previous quarter; (and)

(b) Remit the amount required under subsection (2) of this

of default, or directing that a trustee or authorized agent issue the
notice of default, shall remit two hundred fifty dollars to the
department to be deposited, as provided under RCW 61.24.172, into

payment is required per property and not per notice of default. The
beneficiary shall remit the total amount required in a lump sum each
quarter.
(3) Reporting and payments under subsections (1) and (2) of this section are due within forty-five days of the end of each quarter.

(4) No later than thirty days after April 14, 2011, the beneficiaries required to report and remit to the department under this section shall determine the number of owner-occupied residential real properties for which notices of default were issued during the three months prior to April 14, 2011. The beneficiary shall remit to the department a one-time sum of two hundred fifty dollars multiplied by the number of properties. In addition, by July 31, 2011, the beneficiaries required to report and remit to the department under this section shall remit to the department another one-time sum of two hundred fifty dollars multiplied by the number of owner-occupied residential real properties for which notices of default were issued from April 14, 2011, through June 30, 2011. The department shall deposit the funds into the foreclosure fairness account as provided under RCW 61.24.172.

((4)d)) (5) This section does not apply to any beneficiary or loan servicer that is a federally insured depository institution, as defined in 12 U.S.C. Sec. 461(b)(1)(A), and that certifies under penalty of perjury that it has issued, or has directed a trustee or authorized agent to issue, fewer than two hundred fifty notices of default in the preceding year.

((4)e)) (6) This section does not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW.

Sec. 9. RCW 61.24.030 and 2011 c 58 s 4 are each amended to read as follows:

It shall be requisite to a trustee's sale:

(1) That the deed of trust contains a power of sale;

(2) That the deed of trust contains a statement that the real property conveyed is not used principally for agricultural purposes; provided, if the statement is false on the date the deed of trust was granted or amended to include that statement, and false on the date of the trustee's sale, then the deed of trust must be foreclosed judicially. Real property is used for agricultural purposes if it is used in an operation that produces crops, livestock, or aquatic goods;

(3) That a default has occurred in the obligation secured or a covenant of the grantor, which by the terms of the deed of trust makes operative the power to sell;

(4) That no action commenced by the beneficiary of the deed of trust is now pending to seek satisfaction of an obligation secured by the deed of trust in any court by reason of the grantor's default on the obligation secured: PROVIDED, That (a) the seeking of the appointment of a receiver shall not constitute an action for purposes of this chapter; and (b) if a receiver is appointed, the grantor shall be entitled to any rents or profits derived from property subject to a homestead as defined in RCW 61.13.010. If the deed of trust was granted to secure a commercial loan, this subsection shall not apply to actions brought to enforce any other lien or security interest granted or amended to include that statement, and false on the date of the trustee's sale; and (c) if a receiver is appointed, the grantor shall be entitled to any rents or profits derived from property subject to a homestead as defined in RCW 61.13.010. If the deed of trust was granted to secure a commercial loan, this subsection shall not apply to actions brought to enforce any other lien or security interest granted or amended to include that statement, and false on the date of the trustee's sale;

(5) That the deed of trust has been recorded in each county in which the land or some part thereof is situated;

(6) That prior to the date of the notice of trustee's sale and continuing thereafter through the date of the trustee's sale, the trustee must maintain a street address in this state where personal service of process may be made, and the trustee must maintain a physical presence and have telephone service at such address;

(7)(a) That, for residential real property, before the notice of trustee's sale is recorded, transmitted, or served, the trustee shall have proof that the beneficiary is the owner of any promissory note or other obligation secured by the deed of trust. A declaration by the beneficiary made under the penalty of perjury stating that the beneficiary is the actual holder of the promissory note or other obligation secured by the deed of trust shall be sufficient proof as required under this subsection.

(b) Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the beneficiary's declaration as evidence of proof required under this subsection.

(c) This subsection (7) does not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW;

(8) That at least thirty days before notice of sale shall be recorded, transmitted or served, written notice of default shall be transmitted by the beneficiary or trustee to the borrower and grantor at their last known addresses by both first-class and either registered or certified mail, return receipt requested, and the beneficiary or trustee shall cause to be posted in a conspicuous place on the premises, a copy of the notice, or personally served on the borrower and grantor. This notice shall contain the following information:

(a) A description of the property which is then subject to the deed of trust;

(b) A statement identifying each county in which the deed of trust is recorded and the document number given to the deed of trust upon recording by each county auditor or recording officer;

(c) A statement that the beneficiary has declared the borrower or grantor to be in default, and a concise statement of the default alleged;

(d) An itemized account of the amount or amounts in arrears if the default alleged is failure to make payments;

(e) An itemized account of all other specific charges, costs, or fees that the borrower, grantor, or any guarantor is or may be obliged to pay to reinstate the deed of trust before the recording of the notice of sale;

(f) A statement showing the total of (d) and (e) of this subsection, designated clearly and conspicuously as the amount necessary to reinstate the note and deed of trust before the recording of the notice of sale;

(g) A statement that failure to cure the alleged default within thirty days of the date of mailing of the notice, or if personally served, within thirty days of the date of personal service thereof, may lead to recordation, transmission, and publication of a notice of sale, and that the property described in (a) of this subsection may be sold at public auction at a date no less than one hundred twenty days in the future or no less than one hundred fifty days in the future if the borrower received a letter under RCW 61.24.031;

(h) A statement that the effect of the recordation, transmission, and publication of a notice of sale will be to (i) increase the costs and fees and (ii) publicize the default and advertise the grantor's property for sale;

(i) A statement that the effect of the sale of the grantor's property by the trustee will be to deprive the grantor of all their interest in the property described in (a) of this subsection;

(j) A statement that the borrower, grantor, and any guarantor has recourse to the courts pursuant to RCW 61.24.130 to contest the alleged default on any proper ground;

(k) In the event the property secured by the deed of trust is owner-occupied residential real property, a statement, prominently set out at the beginning of the notice, which shall state as follows: "("You should take care to protect your interest in your home. This notice of default (your failure to pay) is the first step in a process that could result in you losing your home. You should carefully review your options. For example:

Can you pay and stop the foreclosure process?

Do you dispute the failure to pay?

Can you sell your property to preserve your equity?

Are you able to refinance this loan or obligation with a new loan or obligation from another lender with payments, terms, and fees that are more affordable?

Do you qualify for any government or private homeowner
assistance programs?

Do you know if filing for bankruptcy is an option? What are the pros and cons of doing so?

Do not ignore this notice; because if you do nothing, you could lose your home at a foreclosure sale. (No foreclosure sale can be held any sooner than ninety days after a notice of sale is issued and a notice of sale cannot be issued until thirty days after this notice.) Also, if you do nothing to pay what you owe, be careful of people who claim they can help you. There are many individuals and businesses that watch for the notices of sale in order to unfairly profit as a result of borrowers' distress.

You may feel you need help understanding what to do. There are a number of professional resources available, including home loan counselors and attorneys, who may assist you. Many legal services are lower-cost or even free, depending on your ability to pay. If you desire legal help in understanding your options or handling this default, you may obtain a referral (at no charge) by contacting the county bar association in the county where your home is located. These legal referral services also provide information about lower-cost or free legal services for those who qualify. You may contact the Department of Financial Institutions or the statewide civil legal aid hotline for possible assistance or referrals

For tenant-occupied property, the purchaser shall provide a tenant with written notice in accordance with RCW 61.24.060:

NEW SECTION.  Sec. 11. A new section is added to chapter 61.24 RCW to read as follows:

(1) A borrower who has been referred to mediation before the effective date of this section may continue through the mediation process and does not lose his or her right to mediation.

(3) A borrower who has not been referred to mediation as of the effective date of this section and who has had a notice of sale recorded may only be referred to mediation if the referral is made before twenty days have passed from the date the notice of sale was recorded.

Sec. 12. RCW 61.24.172 and 2011 c 58 s 11 are each amended to read as follows:

The foreclosure fairness account is created in the custody of the state treasurer. All receipts received under RCW 61.24.174 must be deposited into the account. Expenditures from the account must be used as follows: (1) No less than ((eighty)) seventy-six percent must be used for the purposes of providing housing (counseling) for counseling activities to benefit borrowers, except that this amount may be less than ((eighty)) seventy-six percent only if necessary to meet the funding level specified for the office of the attorney general under subsection (2) of this section and the department under subsection (4) of this section; (2) up to six percent, or six hundred fifty-five thousand dollars per biennium, whichever amount is greater, to the office of the attorney general to be used by the consumer protection division to enforce this chapter; (3) up to two percent to the office of civil legal aid to be used for the purpose of contracting with qualified legal aid programs for legal representation of homeowners in matters relating to foreclosure. Funds provided under this subsection (3) must be used to supplement, not supplant, other federal, state, and local funds; (4) up to ((nine)) thirteen percent, or ((four hundred fifty-one)) five hundred ninety thousand dollars per biennium, whichever amount is greater, to the department to be used for implementation and operation of the foreclosure fairness act; and (5) up to three percent to the department of financial institutions to conduct homeowner pre-purchase and post-purchase outreach and education programs as defined in RCW 63.320.150.

The department shall enter into interagency agreements to contract with the Washington state housing finance commission and other appropriate entities to implement the foreclosure fairness act.

(e) Any agency or instrumentality of the United States government; or

(f) Any national bank, savings bank, or savings and loan association chartered under the laws of the United States.

(2) The trustee may resign at its own election or be replaced by the beneficiary. The trustee shall give prompt written notice of its resignation to the beneficiary. The resignation of the trustee shall become effective upon the recording of the notice of resignation in each county in which the deed of trust is recorded. If a trustee is not appointed in the deed of trust, or upon the resignation, incapacity, disability, absence, or death of the trustee, or the election of the beneficiary to replace the trustee, the beneficiary shall appoint a

Except as provided in subsection (2) of this section, if the trustee accepts a bid, then the trustee's sale is final as of the date and time of such acceptance if the trustee's deed is recorded within fifteen days thereafter. After a trustee's sale, no person shall have any right, by statute or otherwise, to redeem the property sold at the trustee's sale.

(2)(a) Up to the eleventh day following the trustee's sale, the trustee, beneficiary, or authorized agent for the beneficiary may declare the trustee's sale and trustee's deed void for the following reasons:

(ii) The borrower and beneficiary, or authorized agent for the beneficiary, had agreed prior to the trustee's sale to a loan modification agreement, forbearance plan, shared appreciation mortgage, or other loss mitigation agreement to postpone or discontinue the trustee's sale; or

(iii) The beneficiary or authorized agent for the beneficiary had accepted funds that fully reinstated or satisfied the loan even if the beneficiary or authorized agent for the beneficiary had no legal duty to do so.

(b) This subsection does not impose a duty upon the trustee any different than the obligations set forth under RCW 61.24.010 (3) and (4).

(3) The trustee must refund the bid amount to the purchaser no later than the third day following the postmarked mailing of the rescission notice described under subsection (4) of this section.

(b) Unlawful purchase or use of a license in the first degree is a class C felony. Upon conviction, the department shall revoke any unlawfully used or held licenses and order a five-year suspension of participation in any activities for which the person unlawfully obtained, held, or used a license, permit, tag, or approval.
(4) For purposes of this section, a person "uses" a license, permit, tag, or approval if the person engages in any activity authorized by the license, permit, tag, or approval held or possessed by the person. Such uses include but are not limited to fishing, hunting, taking, trapping, delivery or landing fish or wildlife, and selling, buying, or wholesaling of fish or wildlife.

(5) Any license obtained in violation of this section is void upon issuance and is of no legal effect.

If the shooting ((of another person or livestock is the result of criminal negligence or reckless or intentional conduct, then the person)) kills or results in the death of another person, then the director shall revoke all of the shooter's hunting licenses and suspend all of the person's hunting privileges ((shall be suspended)) for ten years. ((The))

(b) If a person, with malice, discharges a firearm, bow, or crossbow while hunting and in a manner that kills or causes substantial bodily harm to livestock belonging to another person, the director shall revoke all of the shooter's hunting licenses and suspend all hunting privileges for three years. For the purposes of this subsection (1)(b), "malice" has the same meaning as provided in RCW 9A.04.110 but applies to acts against livestock.

(2) A suspension under subsection (1) of this section shall be continued beyond ((these)) the applicable periods if damages owed to the victim or livestock owner have not been paid by the suspended person. ((A)) In such a case, no hunting license shall be reissued to the suspended person unless authorized by the director.

((2))) (4) The commission may by rule authorize petitions for reinstatement of administrative suspensions and define circumstances under which such a reinstatement will be allowed.

MESSAGE FROM THE HOUSE

March 1, 2012

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6555 with the following amendment(s): 6555-S.E AMH ENGR H4436.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.020 and 2010 c 176 s 1 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.
FIFTY SEVENTH DAY, MARCH 5, 2012

2012 REGULAR SESSION

(144) (14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(144) (15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(144) (16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child’s health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent’s substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment as an employee or agent of any public or private organization or institution.

(146) (17) "Pharmacist” means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(146) (18) "Practitioner of the healing arts” or "practitioner” means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term “practitioner” includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(147a) (19) "Professional school personnel” include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(148) (20) "Psychologist” means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(149) (21) "Screened-out report” means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(150) (22) "Sexual exploitation” includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(151) (23) "Sexually aggressive youth” means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(152) (24) "Social service counselor” means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(153) (25) "Supervising agency” means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(154) (26) "Unfounded” means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

NEW SECTION. Sec. 2. A new section is added to chapter 26.44 RCW to read as follows:

(1) No later than December 1, 2013, the department shall implement the family assessment response. The department may implement the family assessment response on a phased-in basis, by geographical area.

(2) The department shall develop an implementation plan in consultation with stakeholders, including tribes. The department shall submit a report of the implementation plan to the appropriate committees of the legislature by December 31, 2012. At a minimum, the following must be developed before implementation and included in the report to the legislature:

(a) Description of the family assessment response practice model;

(b) Identification of possible additional noninvestigative responses or pathways;

(c) Development of an intake screening tool and a family assessment tool specifically to be used in the family assessment response. The family assessment tool must, at minimum, evaluate the safety of the child and determine services needed by the family to improve or restore family well-being;

(d) Delineation of staff training requirements;

(e) Development of strategies to assist and connect families with the appropriate private or public housing support agencies, for those parents whose inability to obtain or maintain safe housing creates a risk of harm to the child, risk of out-of-home placement of the child, or a barrier to reunification;

(g) Identification of methods to involve local community partners in the development of community-based resources to meet families’ needs. Local community partners may include, but are not limited to: Alumni of the foster care system and veteran parents, local private service delivery agencies, schools, local health departments and other health care providers, juvenile court, law enforcement, office of public defense social workers or local defense attorneys, domestic violence victims advocates, and other available community-based entities;

(h) Delineation of procedures to assure continuous quality assurance;

(i) Identification of current departmental expenditures for services appropriate for the family assessment response, to the greatest practicable extent;

(j) Identification of philanthropic funding and other private funding available to supplement public resources in response to identified family needs;

(k) Development of effective mechanisms which assure and maximize, to the greatest extent practicable, that family assessment response for Native American Indian children will be completed in a timely manner by a worker from the child’s tribe or by a worker approved by the child’s tribe;

(l) A potential phase-in schedule if proposed; and

(m) Recommendations for legislative action required to implement the plan.

Sec. 3. RCW 26.44.030 and 2009 c 480 s 1 are each amended to read as follows:

(1) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist,
pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the

child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall
determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child’s wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(((14))) (15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(((16))) (16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(((17))) (17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases. (b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(((18))) (18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(((19))) (19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(((20))) (20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Sec. 4. RCW 26.44.031 and 2007 c 220 s 3 are each amended to read as follows:

(1) To protect the privacy in reporting and the maintenance of reports of nonaccidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, and to safeguard against arbitrary, malicious, or erroneous information or actions, the department shall not disclose or maintain information related to reports of child abuse or neglect except as provided in this section or as otherwise required by state and federal law.

(2) The department shall destroy all of its records concerning:

(a) A screened-out report, within three years from the receipt of the report; and

(b) An unfounded or inconclusive report, within six years of completion of the investigation, unless a prior or subsequent founded report has been received regarding the child who is the subject of the report, a sibling or half-sibling of the child, or a parent, guardian, or legal custodian of the child, before the records are destroyed.

(3) The department may keep records concerning founded reports of child abuse or neglect as the department determines by rule.

(4) ((An)) No unfounded, screened-out, or inconclusive report or information about a family's participation or nonparticipation in the family assessment response may ((be)) be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under chapter 74.15 RCW without the consent of the individual who is the subject of the report or family assessment, unless:

(a) The individual seeks to become a licensed foster parent or adoptive parent; or

(b) The individual is the parent or legal custodian of a child being served by one of the agencies referenced in this subsection.

(5)(a) If the department fails to comply with this section, an individual who is the subject of a report may institute proceedings for injunctive or other appropriate relief for enforcement of the requirement to purge information. These proceedings may be instituted in the superior court for the county in which the person resides or, if the person is not then a resident of this state, in the superior court for Thurston county.

(b) If the department fails to comply with subsection (4) of this section and an individual who is the subject of the report or family assessment response information is harmed by the disclosure of information, in addition to the relief provided in (a) of this subsection, the court may award a penalty of up to one thousand dollars and reasonable attorneys' fees and court costs to the petitioner.

(c) A proceeding under this subsection does not preclude other methods of enforcement provided for by law.

(6) Nothing in this section shall prevent the department from retaining general, nonidentifying information which is required for state and federal reporting and management purposes.

Sec. 5. RCW 26.44.050 and 1999 c 176 s 33 are each amended to read as follows:

Except as provided in RCW 26.44.030(11), upon the receipt of a report concerning the possible occurrence of abuse or neglect, the law enforcement agency or the department of social and health services must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.

A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department of social and health services investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

NEW SECTION. Sec. 6. A new section is added to chapter 26.44 RCW to read as follows:

(1) Within ten days of the conclusion of the family assessment, the department must meet with the child's parent or guardian to discuss the recommendation for services to address child safety concerns or significant risk of subsequent child maltreatment.

(2) If the parent or guardian disagrees with the department's recommendation regarding the provision of services, the department shall convene a family team decision-making meeting to discuss the recommendations and objections. The caseworker's supervisor and area administrator shall attend the meeting.

(3) If the department determines, based on the results of the family assessment, that services are not recommended then the department shall close the family assessment response case.

Sec. 7. RCW 74.13.020 and 2011 c 330 s 4 are each reenacted and amended to read as follows:

For purposes of this chapter:
(1) "Case management" means the management of services delivered to children and families in the child welfare system, including permanency services, caseworker-child visits, family visits, the convening of family group conferences, the development and revision of the case plan, the coordination and monitoring of services needed by the child and family, and the assumption of court-related duties, excluding legal representation, including preparing court reports, attending judicial hearings and permanency hearings, and ensuring that the child is progressing toward permanency within state and federal mandates, including the Indian child welfare act.

(8) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. (11) "Performance-based contracting" means the structuring of all aspects of the procurement of services around the purpose of the work to be performed and the desired results with the contract requirements set forth in clear, specific, and objective terms with measurable outcomes. Contracts shall also include provisions that link the performance of the contractor to the level and timing of reimbursement.

(14) "Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services, as defined in this section.

Sec. 8. RCW 74.13.031 and 2011 c 330 s 5 and 2011 c 160 s 2 are each reenacted and amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a
Voluntary basis, family reconciliation services to families who are in conflict.

(6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section, children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(8) The department and supervising agencies shall have authority to purchase care for children.

(9) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(11) The department and supervising agencies shall have authority to provide extended foster care services to youth ages eighteen to twenty-one years to participate in or complete a secondary education program or a secondary education equivalency program.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order, and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and who have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 9. The Washington state institute for public policy shall conduct an evaluation of the implementation of the family assessment response. The institute shall define the data to be gathered and maintained. At a minimum, the evaluations must address child safety measures, out-of-home placement rates, re-referral rates, and caseload sizes and demographics. The institute shall deliver its first report no later than December 1, 2014, and its final report by December 1, 2016.
Within thirty calendar days after receiving notice of the agency's determination, the alleged perpetrator under RCW 26.44.100 that the person is named as an alleged perpetrator in a founded report of child abuse or neglect has the right to seek review and amendment of the finding as provided in this section.  The request for an adjudicative proceeding must be filed within thirty calendar days after receiving notice of the agency's determination.  The request for an adjudicative proceeding must be filed in accordance with procedures the department establishes by rule.  Upon completion of the review, the department shall notify the alleged perpetrator of the date and nature of the founded reports.

The department may adopt rules to implement this section.

If, following agency review, the report remains founded, the person named as the alleged perpetrator in the report may request an adjudicative hearing to contest the finding.  The adjudicative proceeding is governed by chapter 34.05 RCW and this section.  The request for an adjudicative proceeding must be filed within thirty calendar days after receiving notice of the agency review determination.  If a request for an adjudicative proceeding is not made as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding.

(6) Reviews and hearings conducted under this section are confidential and shall not be open to the public.  Information about reports, reviews, and hearings may be disclosed only in accordance with federal and state laws pertaining to child welfare records and child protective services reports.

(7) The department may adopt rules to implement this section.

The report must specifically address options for consistent boat launch policies among the agencies and, more generally, address how consistency can be developed for other inconsistent interagency access policies.

(2) To the degree the agencies have the authority to address inconsistent recreational access policies administratively, progress towards this end should be included in the required report. If inconsistent recreational access policies are a result of statutory limits, then the report should identify those barriers to consistent recreational access policies.

POINT OF INQUIRY

Senator Hargrove: “Would the previous speaker yield to a question? Senator Ericksen, I have two amendments here that appear to do something similar, 206 and 267. We’re on 267. There is no effect statement on either one. Is this the one that allows the hotel/motel tax to stay with the local jurisdictions and, if so, what does the other one do?”

Senator Ericksen: “Thank you, there are three amendments. One is out of order. We withdrew one amendment that was drawn to the original bill not to the striker so that amendment was withdrawn. So the amendment that is in front of us right now, 267 is the one that deals with the hotel/motel tax.”

Senators Hatfield, Chase and Haugen spoke in favor of adoption of the amendment to the striking amendment.

Senators Schoesler and Ranker spoke against adoption of the amendment to the striking amendment

PERSONAL PRIVILEGE

Senator Roach: “Well, I wanted to mention to the President and to the body that the amendments that are coming around, I think it was previously mentioned, don’t have any effect statements on it. So, you know I could pull out my book and try to figure out all these things out but it says things like this ‘on page 15 beginning on line 13 of the title amendment after 46.16A. 090 strike all the material through’ and you know it’s just that kind of thing. There’s hardly time to go looking into the floor books here to see. In other words, I think that these amendments, since we have at least one of them with an effect statement, seem to be lacking and I think the members and I think this one would like to see a little more specific, reciting all the sections and so forth, but there’s no real explanation of what these amendments do and I want to point out that I think there should be an effect statement on these amendments. Thank you.”

Senators Padden and Keiser spoke in favor of adoption of the amendment to the striking amendment

MESSAGE FROM THE HOUSE

March 2, 2012

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 6240 with the following amendment(s): 6240-S AMH ENGR H4442.E

Strike everything after the enacting clause and insert the following:
"Sec. 1. RCW 13.40.127 and 2009 c 236 s 1 are each amended to read as follows:

(1) A juvenile is eligible for deferred disposition unless he or she:
   (a) Is charged with a sex or violent offense;
   (b) Has a criminal history which includes any felony;
   (c) Has a prior deferred disposition or deferred adjudication; or
   (d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:
   (a) Stipulate to the admissibility of the facts contained in the written police report;
   (b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision; and
   (c) Waive the following rights to: (i) A speedy disposition; and
   (d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and the surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7) A juvenile's lack of compliance shall be determined by the judge upon written motion by the prosecutor or the juvenile's juvenile court community supervision counselor. If a juvenile fails to comply with terms of supervision, the court shall enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to RCW 13.50.050.

(10)(a) Records of deferred disposition cases vacated under subsection (9) of this section shall be sealed no later than thirty days after the juvenile's eighteenth birthday provided that the juvenile does not have any charges pending at that time. If a juvenile has already reached his or her eighteenth birthday before July 26, 2009, and does not have any charges pending he or she may request that the court issue an order sealing the records of his or her deferred disposition cases vacated under subsection (9) of this section, and this request shall be granted.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:
   (i) Revoke the deferred disposition and enter an order of supervision;
   (ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue ((the case)) supervision for an additional one-year period for good cause.

(9)(a) At the conclusion of the period ((set forth in the order of deferral and upon a finding by the court of full compliance with conditions of supervision and payment of full restitution)) of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:
   (i) The deferred disposition has not been previously revoked;
   (ii) The juvenile has completed the terms of supervision;
   (iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and
   (iv) The juvenile has either paid the full amount of restitution, or, made a good faith effort to pay the full amount of restitution during the period of supervision.

(b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the ((respondent's)) juvenile's conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 13.40.190 for any unpaid restitution. Jurisdiction to enforce payment and modify terms of the restitution order shall be the same as those set forth in RCW 13.40.190.

(c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of supervision. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to RCW 13.50.050.

(10)(a) Records of deferred disposition cases vacated under subsection (9) of this section shall be sealed no later than thirty days after the juvenile's eighteenth birthday provided that the juvenile does not have any charges pending at that time. If a juvenile has already reached his or her eighteenth birthday before July 26, 2009, and does not have any charges pending he or she may request that the court issue an order sealing the records of his or her deferred disposition cases vacated under subsection (9) of this section, and this request shall be granted.

(ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution ordered has been paid, the court shall enter a written order sealing the case.

(iii) Any deferred disposition vacated prior to the effective date of this section is not subject to sealing under this subsection.

(iv) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under RCW 13.50.050 (11) and (12).

((iiii))) Records sealed under this provision shall have the same legal status as records sealed under RCW 13.50.050.
Sec. 2. RCW 13.50.050 and 2011 c 338 s 4 and 2011 c 333 s 4 are each reenacted and amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(8) The juvenile court and the prosecutor may set up and maintain a central recordkeeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central recordkeeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central recordkeeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12)(a) The court shall not grant any motion to seal records for class A offenses made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless:

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to the effective date of this section if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(17)(a)(i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;
(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;
(C) Two years have elapsed since completion of the agreement or counsel and release;
(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and
(E) There is no restitution owing in the case.

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

(b) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of those records received a full and unconditional pardon by the governor.

(c) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008, may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17)(c) or (d) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17)(c) or (d) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older or pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(23) Except for subsection (17)(b) of this section, no identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(24) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

Sec. 3. RCW 13.40.180 and 2002 c 175 s 24 are each amended to read as follows:

(1) Where a disposition in a single disposition order is imposed on a youth for two or more offenses, the terms shall run consecutively, subject to the following limitations:

(((44)))

(a) Where the offenses were committed through a single act or omission, omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense;
(2) Where disposition in separate disposition orders is imposed on a youth, the periods of community supervision contained in separate orders, if any, shall run concurrently. All other terms contained in separate disposition orders shall run consecutively.

### Prior Adjudications

- 0
- 1
- 2
- 3
- 4 or more

### Notes

- The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.
- The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.
- The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.
- RCW 13.40.180 applies if the offender is being sentenced for more than one offense.
- A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

**OPTION B**

**Suspended Disposition Alternative**

If the offender is subject to a standard range disposition involving confinement by the department, the court may impose the standard range and suspend the disposition on condition that the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be either research-based best practice programs as identified by the Washington state institute for public policy or the joint legislative audit and review committee, or for chemical dependency treatment programs or services, they must be evidence-based or research-based best practice programs. For the purposes of this subsection:

- "Evidence-based" means a program or practice that has had multiple site random controlled trials across heterogeneous populations demonstrating that the program or practice is effective for the population; and
- "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

If the offender fails to comply with the suspended disposition, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.

An offender is ineligible for the suspended disposition option under this section if the offender is:

- Adjudicated of an A+ offense;
- Fourteen years of age or older and is adjudicated of one or more of the following offenses:
  - A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;
  - Manslaughter in the first degree (RCW 9A.32.060); or
  - Assault in the second degree (RCW 9A.36.021), extortion in the first degree (RCW 9A.56.120), kidnapping in the second degree (RCW 9A.40.030), robbery in the second degree (RCW 9A.56.210), residential burglary (RCW 9A.52.025), burglary in the second degree (RCW 9A.52.030), drive-by shooting (RCW 9A.36.045), vehicular homicide (RCW 46.61.520), hit and run death (RCW 46.52.020(4)(a)), intimidating a witness (RCW 9A.72.110), violation of the uniform controlled substances act (RCW 69.50.401 (2)(a) and (b)), or manslaughter 2 (RCW 9A.32.070), when the offense includes infliction of bodily harm upon another or when during the commission or immediate withdrawal from the offense the respondent was armed with a deadly weapon;
- Ordered to serve a disposition for a firearm violation under RCW 13.40.193; or
- Adjudicated of a sex offense as defined in RCW 9.94A.030.

---

**NOTE:** References in the grid to days or weeks mean periods of confinement. "LS" means "local sanctions" as defined in RCW 13.40.020.
OPTION C
CHEMICAL DEPENDENCY DISPOSITION ALTERNATIVE

If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose a disposition under RCW 13.40.160(4) and 13.40.165.

OR

OPTION D
MANIFEST INJUSTICE

If the court determines that a disposition under option A, B, or C would effectuate a manifest injustice, the court shall impose a disposition outside the standard range under RCW 13.40.160(2)."

Correct the title.
and the same are herewith transmitted.

For the purpose of this pilot program, during the 2011-2013 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors may be present or where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on any public roadway pursuant to ongoing construction. The department shall use the following guidelines to administer the program:

(a) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle;

(b) The department shall plainly mark the locations where the automated traffic safety cameras are used by placing signs on locations that clearly indicate to a driver that he or she is entering a roadway construction zone where traffic laws are enforced by an automated traffic safety camera;

(c) Notices of infractions must be mailed to the registered owner of a vehicle within fourteen days of the infraction occurring;

(d) The owner of the vehicle is not responsible for the violation if the owner of the vehicle, within fourteen days of receiving notification of the violation, mails to the patrol, a declaration under penalty of perjury, stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner, or any other extenuating circumstances;

(e) For purposes of the 2011-2013 fiscal biennium pilot program, infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras must be processed in the same manner as parking infractions for the purposes of RCW 35.50.100, 35.20.220, 46.16A.120, and 46.20.270(3). However, the amount of the fine issued under this subsection (5) for an infraction generated through the use of an automated traffic safety camera is one hundred thirty-seven dollars. The court shall remit thirty-two dollars of the fine to the state treasurer for deposit into the state patrol highway account; and

(f) If a notice of infraction is sent to the registered owner and the registered owner is a rental car business, the infraction must be dismissed against the business if it mails to the patrol, within fourteen days of receiving the notice, a declaration under penalty of perjury of the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred. If the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred, the business must sign a declaration under penalty of perjury to this effect. The declaration must be mailed to the patrol within fourteen days of receiving the notice of traffic infraction. Timely mailing of this declaration to the issuing agency relieves a rental car business of any liability under this section for the notice of infraction. A declaration form suitable for this purpose must be included with each automated traffic infraction notice issued, along with instructions for its completion and use.

(6) The department shall track the costs associated with active traffic management systems on a corridor basis and report to the transportation committees of the legislature on the cost and benefits of the systems by December 1, 2011.

Sec. 602. 2011 c 367 s 606 (uncodified) is amended to read as follows:
STAFFING LEVELS
(1) As the department of transportation completes delivery of the projects funded by the 2003 and 2005 transportation revenue packages, it is clear that the current staffing levels necessary to deliver these projects are not sustainable into the future. Therefore, the department is directed to quickly move forward to develop and implement new business practices so that a smaller, more nimble state workforce can effectively and efficiently deliver transportation improvement programs as they are approved in the future, in strong partnership with the private sector, while protecting the public's interests and assets.

(2) To this end, the department of transportation is directed to reduce the size of its engineering and technical workforce to a level sustained by current law revenue levels currently estimated at two thousand FTEs by the end of the 2013-2015 fiscal biennium. The department's current two thousand eight hundred FTE engineering and technical workforce levels for highway construction will be reduced in the 2011-2013 fiscal biennium, with a target of two thousand four hundred FTEs by June 30, 2013, and to a level of two thousand FTEs by June 30, 2015.

(3) In order to successfully deliver the highway construction program as funded, the department of transportation may continue to contract out engineering and technical services. In addition, the department may continue the incentive program for retirements and employee separations. (The department shall report quarterly to the office of financial management and the transportation committees of the legislature on its progress and plans to reduce highway construction workforce levels to two thousand FTEs by June 2015. This report must also be posted on the department’s web site.)

(4) The department of transportation is directed to reduce the size of its administrative operating programs for the 2013-2015 biennium. As part of the department’s biennial budget submittal, the department shall reduce its workforce in Programs C, H, T, and S by five to seven percent. The ratio of executive management service or Washington management services employees staff must be at least seven staff for every manager by the end of the 2013-2015 biennium.

Sec. 603. 2011 c 367 s 603 (uncodified) is amended to read as follows:
FUND TRANSFERS
(1) The transportation 2003 projects or improvements and the 2005 transportation partnership projects or improvements are listed in LEAP Transportation Document ((2011-L)) 2012-2 as developed (April 19, 2011) February 21, 2012, which consists of a list of specific projects by fund source and amount over a sixteen-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and transportation 2003 account (nickel account) projects on the LEAP transportation documents referenced in this act. For the 2009-2011 and 2011-2013 project appropriations, unless otherwise provided in this act, the director of financial management may authorize a transfer of appropriation authority between projects funded with transportation 2003 account (nickel account) appropriations, or transportation partnership account appropriations, in order to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:
(a) Transfers may only be made within each specific fund source referenced on the respective project list;
(b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;
(c) Each transfer between projects may only occur if the director of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2012 supplemental transportation budget, any unexpended 2009-2011 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects;
(d) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed to complete the project;
(e) Transfers may not occur for projects not identified on the applicable project list;
(f) Transfers may not be made while the legislature is in session; and
(g) Transfers between projects may be made by the department of transportation until the transfer amount by project exceeds two hundred fifty thousand dollars, or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of financial management and the chairs of the house of representatives and senate transportation committees.

(2) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the transportation committees of the legislature.

(3) The office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers in a timely manner.

(4) The office of financial management shall document approved transfers and schedule changes in the transportation executive information system, compare changes to the legislative baseline funding and schedules identified by project identification number identified in the LEAP transportation documents referenced in this act, and transmit revised project lists to chairs of the transportation committees of the legislature on a quarterly basis.

The number of toll credits provided to the Port of Kingston must be equal to, but no more than, the number sufficient to meet federal requirements for grant funding for passenger-only ferry service, but shall not exceed the amount authorized in this section.

"(5) The legislature recognizes that the trail known as the Apple Capital Loop, and its extensions, serve to separate motor vehicle traffic from pedestrians and bicyclists, increasing motor vehicle safety on existing state route number 28. Consistent with chapter 47.30 RCW and pursuant to RCW 47.12.080, the legislature declares that transferring portions of WSDOT Inventory Control (IC) Nos. 2-09-04537 and 2-09-04569 to Douglas county and the city of East Wenatchee is consistent with the public interest. The legislature directs the department to transfer the property to Douglas county and the city of East Wenatchee. The department must be paid fair market value for any portions of the transferred real property that is later abandoned, vacated, or ceases to be publicly maintained for trail purposes. Douglas county and the city of East Wenatchee must agree to accept responsibility for trail segments within their respective jurisdictions and sign an agreement with the state that the transfer of these parcels to their respective jurisdictions extinguishes any state obligations to improve, maintain, or be in any way responsible for these assets. MR. PRESIDENT:
The House receded from its amendment(s) to ENGROSSED SUBSTITUTE SENATE BILL NO. 6555. Under suspension of the rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 6555-S.E AMH KAGI H4629.2, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.020 and 2010 c 176 s 1 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the
alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child’s unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) “Child protective services section” means the child protective services section of the department.

(5) "Children's advocacy center” means a child-focused facility in good standing with the state chapter for children’s advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent’s or guardian’s or other caretaker’s capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child’s health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent’s substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts” or “practitioner” means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term “practitioner” includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel” include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist” means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(21) "Screened-out report” means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(22) "Sexual exploitation” includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(23) "Sexually aggressive youth” means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(24) "Social service counselor” means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(25) "Supervising agency” means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(26) "Unfounded” means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.
NEW SECTION. Sec. 2. A new section is added to chapter 26.44 RCW to read as follows:

(1) No later than December 1, 2013, the department shall implement the family assessment response. The department may implement the family assessment response on a phased-in, by geographical area.

(2) The department shall develop an implementation plan in consultation with stakeholders, including tribes. The department shall submit a report of the implementation plan to the appropriate committees of the legislature by December 31, 2012. At a minimum, the following must be developed before implementation and included in the report to the legislature:

(a) Description of the family assessment response practice model;

(b) Identification of possible additional noninvestigative responses or pathways;

(c) Development of an intake screening tool and a family assessment tool specifically to be used in the family assessment response. The family assessment tool must, at minimum, evaluate the safety of the child and determine services needed by the family to improve or restore family well-being;

(d) Delineation of staff training requirements;

(e) Development of strategies to reduce disproportionality;

(f) Development of strategies to assist and connect families with the appropriate private or public housing support agencies, for those parents whose inability to obtain or maintain safe housing creates a risk of harm to the child, risk of out-of-home placement of the child, or a barrier to reunification;

(g) Identification of methods to involve local community partners in the development of community-based resources to meet families' needs. Local community partners may include, but are not limited to: Alumni of the foster care system and veteran parents, local private service delivery agencies, schools, local health departments and other health care providers, juvenile court, law enforcement, office of public defense social workers or local defense attorneys, domestic violence victims advocates, and other available community-based entities;

(h) Delineation of procedures to assure continuous quality assurance;

(i) Identification of current departmental expenditures for services appropriate for the family assessment response, to the greatest practicable extent;

(j) Identification of philanthropic funding and other private funding available to supplement public resources in response to identified family needs;

(k) Mechanisms to involve the child's Washington state tribe, if any, in any family assessment response, when the child subject to the family assessment response is an Indian child, as defined in RCW 13.38.040;

(l) A potential phase-in schedule if proposed; and

(m) Recommendations for legislative action required to implement the plan.

Sec. 3. RCW 26.44.030 and 2009 e 480 s 1 are each amended to read as follows:

1(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the
proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of “imminent harm” consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning;

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the
state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(((13))) (13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. (The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention. — (172)) (19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Sec. 4. RCW 26.44.031 and 2007 c 220 s 3 are each amended to read as follows:

(1) To protect the privacy in reporting and the maintenance of reports of nonaccidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, and to safeguard against arbitrary, malicious, or erroneous information or actions, the department shall not disclose or maintain information related to reports of child abuse or neglect except as provided in this section or as otherwise required by state and federal law.

(2) The department shall destroy all of its records concerning:

(a) A screened-out report, within three years from the receipt of the report; and

(b) An unfounded or inconclusive report, within six years of completion of the investigation, unless a prior or subsequent founded report has been received regarding the child who is the subject of the report, a sibling or half-sibling of the child, or a parent, guardian, or legal custodian of the child, before the records are destroyed.

(3) The department may keep records concerning founded reports of child abuse or neglect as the department determines by rule.

(4) No unfounded, screened-out, or inconclusive report or information about a family's participation or nonparticipation in the family assessment response may be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under chapter 74.15 RCW without the consent of the individual who is the subject of the report or family assessment, unless:

(a) The individual seeks to become a licensed foster parent or
amended to read as follows:

(b) The individual is the parent or legal custodian of a child being served by one of the agencies referenced in this subsection.

(5)(a) If the department fails to comply with this section, an individual who is the subject of a report may institute proceedings for injunctive or other appropriate relief for enforcement of the requirement to purge information. These proceedings may be instituted in the superior court for the county in which the person resides or, if the person is not then a resident of this state, in the superior court for Thurston county.

(b) If the department fails to comply with subsection (4) of this section and an individual who is the subject of the report or family assessment response information is harmed by the disclosure of information, in addition to the relief provided in (a) of this subsection, the court may award a penalty of up to one thousand dollars and reasonable attorneys' fees and court costs to the petitioner.

(c) A proceeding under this subsection does not preclude other methods of enforcement provided for by law.

(6) Nothing in this section shall prevent the department from retaining general, non-identifying information which is required for state and federal reporting and management purposes.

Sec. 5. RCW 26.44.050 and 1999 c 176 s 33 are each amended to read as follows: Except as provided in RCW 26.44.030(11), upon the receipt of a report concerning the possible occurrence of abuse or neglect, the law enforcement agency or the department of social and health services must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.

A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department of social and health services investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

NEW SECTION. Sec. 6. A new section is added to chapter 26.44 RCW to read as follows:

(1) Within ten days of the conclusion of the family assessment, the department must meet with the child's parent or guardian to discuss the recommendation for services to address child safety concerns or significant risk of subsequent child maltreatment.

(2) If the parent or guardian disagrees with the department's recommendation regarding the provision of services, the department shall convene a family team decision-making meeting to discuss the recommendations and objections. The caseworker's supervisor and area administrator shall attend the meeting.

(3) If the department determines, based on the results of the family assessment, that services are not recommended then the department shall close the family assessment response case.

If a request for review is not made as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding, unless he or she can show that the department did not comply with the notice requirements of RCW 26.44.100.

The Washington state legislature finds and declares: The bond between a child and his or her parent, custodian, or guardian is of paramount importance, and any intervention into the life of a child is also an intervention into the life of the parent, custodian, or guardian; however, instances of nonaccidental injury, neglect, death, sexual abuse and cruelty to children by their parents, custodians or guardians have occurred, and in the instance where a child is deprived of his or her right to conditions of minimal nurture, health, and safety, the safety of the child conflicts with the legal rights of a parent, custodian, or guardian should be separated during or immediately following an investigation of alleged child abuse or neglect. The safety of the child shall be the department's paramount concern. Reports of child abuse and neglect shall be maintained and disseminated with strictest regard for the privacy of the subjects of such reports and so as to safeguard against arbitrary, malicious or erroneous information or actions. This chapter shall not be construed to authorize interference with child-raising practices, including reasonable parental discipline, which are not proved to be injurious to the child's health, welfare and safety.

(3) Notwithstanding the effective date of this section, if implementation of office of public defense contracts would result in the substitution of counsel within one hundred eighty days of a scheduled trial date, the director of the office of public defense may continue defense services with existing counsel to facilitate continuity of effective representation and avoid further continuance of a trial. When existing counsel is maintained, payment to complete the trial shall be prorated based on standard contract fees established by the office of public defense under section 2 of this act and, at the director's discretion, may include extraordinary compensation based on attorney documentation.

Sec. 4. RCW 71.09.040 and 2009 c 409 s 4 are each amended to read as follows:

(1) Upon the filing of a petition under RCW 71.09.030, the judge shall determine whether probable cause exists to believe that the person named in the petition is a sexually violent predator. If such determination is made the judge shall direct that the person be taken into custody and notify the office of public defense of the potential need for representation.

(2) Within seventy-two hours after a person is taken into custody pursuant to subsection (1) of this section, the court shall provide the person with notice of, and an opportunity to appear in person at, a hearing to contest probable cause as to whether the person is a sexually violent predator. In order to assist the person at the hearing, within twenty-four hours of service of the petition, the prosecuting agency shall provide to the person or his or her counsel a copy of all materials provided to the prosecuting agency by the referring agency pursuant to RCW 71.09.025, or obtained by the prosecuting agency pursuant to RCW 71.09.025(1)(c) and (d). At this hearing, the court shall (a) verify the person's identity, and (b) determine whether probable cause exists to believe that the person is a sexually violent predator. At the probable cause hearing, the state may rely upon the petition and certification for determination of probable cause filed pursuant to RCW 71.09.030. The state may supplement this with additional documentary evidence or live testimony. The person may be held in total confinement at the county jail until the trial court renders a decision after the conclusion of the seventy-two hour probable cause hearing. The county shall be entitled to reimbursement for the cost of housing and transporting the person pursuant to rules adopted by the secretary.

(3) At the probable cause hearing, the person shall have the following rights in addition to the rights previously specified: (a) To be represented by counsel, and if the person is indigent as defined in RCW 10.101.010, to have office of public defense contracted counsel appointed as provided in RCW 10.101.020; (b) to present evidence on his or her behalf; (c) to cross-examine witnesses who testify against him or her; (d) to view and copy all petitions and reports in the court file. The court must permit a witness called by either party to testify by telephone. Because this is a special proceeding, discovery pursuant to the civil rules shall not occur until after the hearing has been held and the court has issued its decision.

(4) If the probable cause determination is made, the judge shall direct that the person be transferred to ((an appropriate facility for an evaluation as to whether the person is a sexually violent predator. The evaluation shall be conducted by a person deemed to be professionally qualified to conduct such an examination pursuant to rules developed by the department of social and health services. In adopting such rules, the department of social and health services shall consult with the department of health and the department of corrections)) the custody of the department of social and health services for placement in a total confinement facility operated by the department. In no event shall the person be released from confinement prior to trial. (A witness called by either party shall be permitted to testify by telephone.)

Sec. 5. RCW 71.09.050 and 2010 1st sp.s. c 28 s 1 are each amended to read as follows:

(1) Within forty-five days after the completion of any hearing held pursuant to RCW 71.09.040, the court shall conduct a trial to determine whether the person is a sexually violent predator. The trial may be continued upon the request of either party and a showing of good cause, or by the court on its own motion in the due administration of justice, and when the respondent will not be substantially prejudiced. (The department is responsible for the...
cost of one expert or professional person to conduct an evaluation on the prosecuting agency's behalf). The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. The judge may require the person to complete any or all of the following procedures or tests if requested by the evaluator: (a) A clinical interview; (b) psychological testing; (c) polygraph testing; and (d) polygraph testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation. The state is responsible for the costs of the evaluation. At all stages of the proceedings under this chapter, any person subject to this chapter shall be entitled to the assistance of counsel, and if the person is indigent as defined in RCW 10.101.010, the court, as provided in RCW 10.101.020, shall appoint office of public defense contracted counsel to assist him or her. The person shall be confined in a secure facility for the duration of the trial.

(2) Whenever any indigent person is subjected to an evaluation under this chapter, the office of public defense is responsible for the cost of one expert or professional person to conduct an evaluation on the person's behalf. When the person wishes to be evaluated by a qualified expert or professional person of his or her own choice, the expert or professional person must be permitted to have reasonable access to the person for the purpose of such evaluation, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person's request, assist the person in obtaining an expert or professional person to perform an evaluation or participate in the trial on the person's behalf. Nothing in this chapter precludes the person from paying for additional expert services at his or her own expense.

(3) The person, the prosecuting agency, or the judge shall have the right to demand that the trial be before a twelve-person jury. If no demand is made, the trial shall be before the court.

Sec. 6. RCW 71.09.080 and 2010 c 218 s 2 are each amended to read as follows:

(1) Any person subjected to restricted liberty as a sexually violent predator pursuant to this chapter shall not forfeit any legal right or suffer any legal disability as a consequence of any actions taken or orders made, other than as specifically provided in this chapter, or as otherwise authorized by law.

(2)(a) Any person committed or detained pursuant to this chapter shall be prohibited from possessing or accessing a personal computer if the resident's individualized treatment plan states that access to a computer is harmful to bringing about a positive response to a specific and certain phase or course of treatment.

(b) A person who is prohibited from possessing or accessing a personal computer under (a) of this subsection shall be permitted to access a limited functioning personal computer capable of word processing and limited data storage on the computer only that does not have: (i) Internet access capability; (ii) an optical drive, external drive, universal serial bus port, or similar drive capability; or (iii) the capability to display photographs, images, videos, or motion pictures, or similar display capability from any drive or port capability listed under (b)(ii) of this subsection.

(3) Any person committed pursuant to this chapter has the right to adequate care and individualized treatment. The department of social and health services shall keep records detailing all medical, expert, and professional care and treatment received by a committed person, and shall keep copies of all reports of periodic examinations made pursuant to this chapter. All such records and reports shall be made available upon request only to: The committed person, his or her attorney, the prosecuting agency, the court, the protection and advocacy agency, or another expert or professional person who, upon proper showing, demonstrates a need for access to such records.

(4) At the time a person is taken into custody or transferred into a facility pursuant to a petition under this chapter, the professional person in charge of such facility or his or her designee shall take reasonable precautions to inventory and safeguard the personal property of the persons detained or transferred. A copy of the inventory, signed by the staff member making it, shall be given to the person detained and shall, in addition, be open to inspection by any responsible relative, subject to limitations, if any, specifically imposed by the detained person. For purposes of this subsection, "responsible relative" includes the guardian, conservator, attorney, spouse, parent, adult child, or adult brother or sister of the person. The facility shall not disclose the contents of the inventory to any other person without consent of the patient or order of the court.

(5) Nothing in this chapter prohibits a person presently committed from exercising a right presently available to him or her for the purpose of obtaining release from confinement, including the right to petition for a writ of habeas corpus.

(6) No indigent person may be conditionally released or unconditionally discharged under this chapter without suitable clothing, and the secretary shall furnish the person with such sum of money as is required by RCW 72.02.100 for persons without ample funds who are released from correctional institutions. As funds are available, the secretary may provide payment to the indigent persons conditionally released pursuant to this chapter consistent with the optional provisions of RCW 72.02.100 and 72.02.110, and may adopt rules to do so.

(7) If a civil commitment petition is dismissed, or a trier of fact determines that a person does not meet civil commitment criteria, the person shall be released within twenty-four hours of service of the release order on the superintendent of the special commitment center, or later by agreement of the person who is the subject of the petition.

Sec. 7. RCW 71.09.090 and 2011 2nd sp.s. c 7 s 2 are each amended to read as follows:

(1) If the secretary determines that the person's condition has so changed that either: (a) The person no longer meets the definition of a sexually violent predator; or (b) conditional release to a less restrictive alternative is in the best interest of the person and conditions can be imposed that adequately protect the community, the secretary shall authorize the person to petition the court for conditional release to a less restrictive alternative or unconditional discharge. The petition shall be filed with the court and served upon the prosecuting agency responsible for the initial commitment. The court, upon receipt of the petition for conditional release to a less restrictive alternative or unconditional discharge, shall within forty-five days order a hearing.

(2)(a) Nothing contained in this chapter shall prohibit the person from otherwise petitioning the court for conditional release to a less restrictive alternative or unconditional discharge without the secretary's approval. The secretary shall provide the committed person with an annual written notice of the person's right to petition the court for conditional release to a less restrictive alternative or unconditional discharge over the secretary's objection. The notice shall contain a waiver of rights. The secretary shall file the notice and waiver form and the annual report with the court. If the person does not affirmatively waive the right to petition, the court shall set a show cause hearing to determine whether probable cause exists to warrant a hearing on whether the person's condition has so changed that: (i) He or she no longer meets the definition of a sexually violent predator; or (ii) conditional release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community.

(b) The committed person shall have a right to have an attorney represent him or her at the show cause hearing, which may be
conducted solely on the basis of affidavits or declarations, but the person is not entitled to be present at the show cause hearing. At the show cause hearing, the prosecuting (attorney or attorney general) agency shall present prima facie evidence establishing that the committed person continues to meet the definition of a sexually violent predator and that a less restrictive alternative is not in the best interest of the person and conditions cannot be imposed that adequately protect the community. In making this showing, the state may rely exclusively upon the annual report prepared pursuant to RCW 71.09.070. The committed person may present responsive affidavits or declarations to which the state may reply.

(c) If the court at the show cause hearing determines that either: (i) The state has failed to present prima facie evidence that the committed person continues to meet the definition of a sexually violent predator and that no proposed less restrictive alternative is in the best interest of the person and conditions cannot be imposed that would adequately protect the community; or (ii) probable cause exists to believe that the person's condition has so changed that: (A) The person no longer meets the definition of a sexually violent predator; or (B) release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community, then the court shall set a hearing on either or both issues.

(d) If the court has not previously considered the issue of release to a less restrictive alternative, either through a trial on the merits or through the procedures set forth in RCW 71.09.094(1), the court shall consider whether release to a less restrictive alternative would be in the best interests of the person and conditions can be imposed that would adequately protect the community, without considering whether the person's condition has changed. The court may not find probable cause for a trial addressing less restrictive alternatives unless a proposed less restrictive alternative placement meeting the conditions of RCW 71.09.092 is presented to the court at the show cause hearing.

(3)(a) At the hearing resulting from subsection (1) or (2) of this section, the committed person shall be entitled to be present and to the benefit of all constitutional protections that were afforded to the person at the initial commitment proceeding. The prosecuting agency shall represent the state and shall have a right to a jury trial and to have the committed person evaluated by experts chosen by the state. ((The department is responsible for the cost of one expert or professional person to conduct an evaluation on the prosecuting agency's behalf.)) The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. (The department is responsible for the cost of one expert or professional person to conduct an evaluation on the prosecuting agency's behalf.) The judge may require the person to complete any or all of the following procedures or tests if requested by the evaluator: (i) A clinical interview; (ii) psychological testing; (iii) plethysmograph testing; and (iv) polygraph testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation. The state is responsible for the costs of the evaluation. The committed person shall also have the right to a jury trial and the right to have experts evaluate him or her on his or her behalf and the court shall appoint an expert if the person is indigent and requests an appointment.

(b) Whenever any indigent person is subjected to an evaluation under (a) of this subsection, the (department) office of public defense is responsible for the cost of one expert or professional person conducting an evaluation on the person's behalf. When the person wishes to be evaluated by a qualified expert or professional person of his or her own choice, such expert or professional person must be permitted to have reasonable access to the person for the purpose of such evaluation, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person's request, assist the person in obtaining an expert or professional person to perform an evaluation or participate in the hearing on the person's behalf. Nothing in this chapter precludes the person from paying for additional expert services at his or her own expense.

(c) If the issue at the hearing is whether the person should be unconditionally discharged, the burden of proof shall be upon the state to prove beyond a reasonable doubt that the committed person's condition remains such that the person continues to meet the definition of a sexually violent predator. Evidence of the prior commitment trial and disposition is admissible. The recommittal proceeding shall otherwise proceed as set forth in RCW 71.09.050 and 71.09.060.

(d) If the issue at the hearing is whether the person should be conditionally released to a less restrictive alternative, the burden of proof at the hearing shall be upon the state to prove beyond a reasonable doubt that conditional release to any proposed less restrictive alternative either: (i) Is not in the best interest of the committed person; or (ii) does not include conditions that would adequately protect the community. Evidence of the prior commitment trial and disposition is admissible.

(4)(a) Probable cause exists to believe that a person's condition has "so changed," under subsection (2) of this section, only when evidence exists, since the person's last commitment trial, or less restrictive alternative revocation proceeding, of a substantial change in the person's physical or mental condition such that the person either no longer meets the definition of a sexually violent predator or that a conditional release to a less restrictive alternative is in the person's best interest and conditions can be imposed to adequately protect the community.

(b) A new trial proceeding under subsection (3) of this section may be ordered, or a trial proceeding may be held, only when there is current evidence from a licensed professional of one of the following and the evidence presents a change in condition since the person's last commitment trial proceeding:

(i) An identified physiological change to the person, such as paralysis, stroke, or dementia, that renders the committed person unable to commit a sexually violent act and this change is permanent; or

(ii) A change in the person's mental condition brought about through positive response to continuing participation in treatment which indicates that the person meets the standard for conditional release to a less restrictive alternative or that the person would be safe to be at large if unconditionally released from commitment.

(c) For purposes of this section, a change in a single demographic factor, without more, does not establish probable cause for a new trial proceeding under subsection (3) of this section. As used in this section, a single demographic factor includes, but is not limited to, a change in the chronological age, marital status, or gender of the committed person.

(5) The jurisdiction of the court over a person civilly committed pursuant to this chapter continues until such time as the person is unconditionally discharged.

(6) During any period of confinement pursuant to a criminal conviction, or for any period of detention awaiting trial on criminal charges, this section is suspended.

NEW SECTION. Sec. 8. A new section is added to chapter 71.09 RCW to read as follows:

The following activities, unless provided as part of investigation and preparation for any hearing or trial under this chapter, are beyond the scope of representation of an attorney under contract with the office of public defense pursuant to chapter 2.70 RCW for the purposes of providing indigent defense services in sexually violent predator civil commitment proceedings:

1. Investigation or legal representation challenging the conditions of confinement at the special commitment center or any secure community transition facility;
(2) Investigation or legal representation for making requests under the public records act, chapter 42.56 RCW;

(3) Legal representation or advice regarding filing a grievance with the department as part of its grievance policy or procedure;

(4) Such other activities as may be excluded by policy or contract with the office of public defense.

NEW SECTION. Sec. 9. A new section is added to chapter 71.09 RCW to read as follows:

(1) The office of public defense is responsible for the cost of one expert or professional person conducting an evaluation on an indigent person's behalf as provided in RCW 71.09.050, 71.09.070, or 71.09.090.

(2) Expert evaluations are capped at ten thousand dollars, to include all professional fees, travel, per diem, and other costs. Partial evaluations are capped at five thousand five hundred dollars and expert services apart from an evaluation, exclusive of testimony at trial or depositions, are capped at six thousand dollars.

(3) The office of public defense will pay for the costs related to the evaluation of an indigent person by an additional examiner or in excess of the stated fee caps only upon a finding by the superior court that such appointment or extraordinary fees are for good cause.

Sec. 10. RCW 71.09.110 and 2010 1st sp.s. c 28 s 3 are each amended to read as follows:

The department of social and health services shall be responsible for ((all)) the costs relating to the ((evaluation and)) treatment of persons committed to their custody whether in a secure facility or under a less restrictive alternative ((under any provision of)) as provided in this chapter. ((The secretary shall adopt rules to contain costs relating to reimbursement for evaluation services.)) Reimbursement may be obtained by the department for the cost of care and treatment of persons committed to its custody whether in a secure facility or under a less restrictive alternative pursuant to RCW 43.20B.330 through 43.20B.370.

Sec. 11. RCW 71.09.120 and 1990 c 3 s 1012 are each amended to read as follows:

(1) In addition to any other information required to be released under this chapter, the department is authorized, pursuant to RCW 4.24.550, to release relevant information that is necessary to protect the public, concerning a specific sexually violent predator committed under this chapter.

(2) The department and the courts are authorized to release to the office of public defense records needed to implement the office's administration of public defense in these cases, including research, reports, and other functions as required by RCW 2.70.020 and section 2 of this act. The office of public defense shall maintain the confidentiality of all confidential information included in the records.

(3) The inspection or copying of any nonexempt public record by persons residing in a civil commitment facility for sexually violent predators may be enjoined following procedures identified in RCW 42.56.565. The injunction may be requested by:

(a) An agency or its representative;

(b) A person named in the record or his or her representative;

(c) A person to whom the request specifically pertains or his or her representative.

Sec. 12. RCW 71.09.140 and 1995 c 216 s 17 are each amended to read as follows:

(1) At the earliest possible date, and in no event later than thirty days before conditional release or unconditional discharge, except in the event of escape, the department of social and health services shall send written notice of conditional release, unconditional discharge, or escape, to the following:

(a) The chief of police of the city, if any, in which the person will reside or in which placement will be made under a less restrictive alternative;

(b) The sheriff of the county in which the person will reside or in which placement will be made under a less restrictive alternative; and

(c) The sheriff of the county where the person was last convicted of a sexually violent offense, if the department does not know where the person will reside.

The department shall notify the state patrol of the release of all sexually violent predators and that information shall be placed in the Washington crime information center for dissemination to all law enforcement.

(2) The same notice as required by subsection (1) of this section shall be sent to the following if such notice has been requested in writing about a specific person found to be a sexually violent predator under this chapter:

(a) The victim or victims of any sexually violent offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. "Next of kin" as used in this section means a person's spouse, parents, siblings, and children;

(b) Any witnesses who testified against the person in his or her commitment trial under RCW 71.09.060; and

(c) Any person specified in writing by the prosecuting ((attorney)) agency.

Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting ((attorney)) agency to receive the notice, and the notice are confidential and shall not be available to the committed person.

(3) If a person committed as a sexually violent predator under this chapter escapes from a department of social and health services facility, the department shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the committed person resided immediately before his or her commitment as a sexually violent predator, or immediately before his or her incarceration for his or her most recent offense. If previously requested, the department shall also notify the witnesses and the victims of the sexually violent offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. If the person is recaptured, the department shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2264, by House Committee on Ways & Means (originally sponsored by Representatives Kagi, Walsh, Hinkle, Carlyle, Darneille, Jinkins, Roberts, Dickerson and Ryu)

Concerning performance-based contracting related to child welfare services.

The measure was read the second time.

MOTION

Senator Hargrove moved that the following striking amendment by Senators Hargrove and Stevens be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) The state of Washington and several Indian tribes in the state of Washington assume legal responsibility for abused or neglected children when their parents or caregivers are unable or unwilling to adequately provide for their safety, health, and welfare;
(b) Washington state has a strong history of partnership between the department of social and health services and contracted service providers who currently serve children and families in the child welfare system. The department and its contracted service providers have responsibility for providing services to address parenting deficiencies resulting in child maltreatment, and the needs of children impacted by maltreatment;
(c) Department caseworkers and contracted service providers each play a critical and complementary role in the child welfare system;
(d) The current system of contracting for services needed by children and families in the child welfare system is fragmented, inflexible, and lacks incentives for improving outcomes for children and families.

(2) The legislature intends:
(a) To reform the delivery of certain services to children and families in the child welfare system by creating a flexible, accountable community-based system of care that utilizes performance-based contracting, maximizes the use of evidence-based, research-based, and promising practices, and expands the capacity of community-based agencies to leverage local funding and other resources to benefit children and families served by the department;
(b) To achieve improved child safety, child permanency, including reunification, and child well-being outcomes through the collaborative efforts of the department and contracted service providers and the prioritization of these goals in performance-based contracting; and
(c) To implement performance-based contracting under this act in a manner that supports and complies with the federal and Washington state Indian child welfare act.

NEW SECTION. Sec. 2. For purposes of this chapter:
(1) "Case management" means convening family meetings, developing, revising, and monitoring implementation of any case plan or individual service and safety plan, coordinating and monitoring services needed by the child and family, caseworker-child visits, family visits, and the assumption of court-related duties, excluding legal representation, including preparing court reports, attending judicial hearings and permanency hearings, and ensuring that the child is progressing toward permanency within state and federal mandates, including the Indian child welfare act.
(2) "Child" means:
(a) A person less than eighteen years of age; or
(b) A person age eighteen to twenty-one years who is eligible to receive the extended foster care services authorized under RCW 74.13.031.
(3) "Child-placing agency" has the same meaning as in RCW 74.15.020.
(4) "Child welfare services" means social services including voluntary and in-home services, out-of-home care, case management, and adoption services which strengthen, supplement, or substitute for, parental care and supervision for the purpose of:
(a) Preventing or remedying, or assisting in the solution of problems which may result in families in conflict, or the neglect, abuse, exploitation, or criminal behavior of children;
(b) Protecting and caring for dependent, abused, or neglected children;
(c) Assisting children who are in conflict with their parents, and assisting parents who are in conflict with their children, with services designed to resolve such conflicts;
(d) Protecting and promoting the welfare of children, including the strengthening of their own homes where possible, or, where needed;
(e) Providing adequate care of children away from their homes in foster family homes or day care or other child care agencies or facilities.
(5) "Department" means the department of social and health services.
(6) "Evidence-based" means a program or practice that is cost-effective and includes at least two randomized or statistically controlled evaluations that have demonstrated improved outcomes for its intended population.
(7) "Network administrator" means an entity that contracts with the department to provide defined services to children and families in the child welfare system through its provider network, as provided in section 3 of this act.
(8) "Performance-based contracting" means structuring all aspects of the procurement of services around the purpose of the work to be performed and the desired results with the contract requirements set forth in clear, specific, and objective terms with measurable outcomes and linking payment for services to contractor performance.
(9) "Promising practice" means a practice that presents, based upon preliminary information, potential for becoming a research-based or consensus-based practice.
(10) "Provider network" means those service providers who contract with a network administrator to provide services to children and families in the geographic area served by the network administrator.
(11) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

NEW SECTION. Sec. 3. (1) No later than December 1, 2013, the department shall enter into performance-based contracts for the provision of family support and related services. The department may enter into performance-based contracts for additional services, other than case management.
(2) Beginning December 1, 2013, the department may not renew its current contracts with individuals or entities for the provision of the child welfare services included in performance-based contracts under this section for services in geographic areas served by network administrators under such contracts, except as mutually agreed upon between the department and the network administrator to allow for the successful transition of services that meet the needs of children and families.
(3) The department shall conduct a procurement process to enter into performance-based contracts with one or more network administrators for family support and related services. As part of the procurement process, the department shall consult with department caseworkers, the exclusive bargaining representative for employees of the department, tribal representatives, parents who were formerly involved in the child welfare system, youth currently or previously in foster care, child welfare services researchers, and the Washington state institute for public policy to assist in identifying the categories of family support and related services that will be included in the procurement. The categories of family support and related services shall be defined no later than July 15, 2012. In identifying services, the department must review current data and research related to the effectiveness of family support and related services that mitigate child safety concerns and promote permanency, including reunification, and child well-being. Expenditures for family support and related services purchased under this section must remain within the levels appropriated in the operating budget.
(4)(a) Network administrators shall, directly or through subcontracts with service providers:

(i) Assist caseworkers in meeting their responsibility for implementation of case plans and individual service and safety plans; and

(ii) Provide the family support and related services within the categories of contracted services that are included in a child or family’s case plan or individual service and safety plan within funds available under contract.

(b) While the department caseworker retains responsibility for case management, nothing in this act limits the ability of the department to continue to contract for the provision of case management services by child-placing agencies, behavioral rehabilitation services agencies, or other entities that provided case management under contract with the department prior to July 1, 2005.

(5) In conducting the procurement, the department shall actively consult with other state agencies with relevant expertise, such as the health care authority, and with philanthropic entities with expertise in performance-based contracting for child welfare services. The director of the office of financial management must approve the request for proposal prior to its issuance.

(6) The procurement process must be developed and implemented in a manner that complies with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and must provide an opportunity for tribal governments to contract for service delivery through network administrators.

(7) The procurement and resulting contracts must include, but are not limited to, the following standards and requirements:

(a) The use of family engagement approaches to successfully motivate families to engage in services and training of the network’s contracted providers to apply such approaches;

(b) The use of parents and youth who are successful veterans of the child welfare system to act as mentors through activities that include, but are not limited to, helping families navigate the system, facilitating parent engagement, and minimizing distrust of the child welfare system;

(c) The establishment of qualifications for service providers participating in provider networks, such as appropriate licensure or certification, education, and accreditation by professional accrediting entities;

(d) Adequate provider capacity to meet the anticipated service needs in the network administrator's contracted service area. The network administrator must be able to demonstrate that its provider network is culturally competent and has adequate capacity to address disproportionality, including utilization of tribal and other ethnic providers capable of serving children and families of color or who need language-appropriate services;

(e) Fiscal solvency of network administrators and providers participating in the network;

(f) The use of evidence-based, research-based, and promising practices, where appropriate, including fidelity and quality assurance provisions;

(g) Network administrator quality assurance activities, including monitoring of the performance of providers in their provider network, with respect to meeting measurable service outcomes;

(h) Network administrator data reporting, including data on contracted provider performance and service outcomes; and

(i) Network administrator compliance with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and the federal and Washington state Indian child welfare act.

(8) As part of the procurement process under this section, the department shall issue the request for proposals no later than December 31, 2012. The department shall notify the apparently successful bidders no later than June 30, 2013.

(9) Performance-based payment methodologies must be used in network administrator contracting. Performance measures should relate to successful engagement by a child or parent in services included in their case plan, and resulting improvement in identified problem behaviors and interactions. For the initial three-year period of implementation of performance-based contracting, the department may transfer financial risk for the provision of services to network administrators only to the limited extent necessary to implement a performance-based payment methodology, such as phased payment for services. However, the department may develop a shared savings methodology through which the network administrator will receive a defined share of any savings that result from improved performance. If the department receives a Title IV-E waiver, the shared savings methodology must be consistent with the terms of the waiver. If a shared savings methodology is adopted, the network administrator shall reinvest the savings in enhanced services to better meet the needs of the families and children they serve.

(10) The department must actively monitor network administrator compliance with the terms of contracts executed under this section.

(11) The use of performance-based contracts under this section must be done in a manner that does not adversely affect the state's ability to continue to obtain federal funding for child welfare-related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

NEW SECTION. Sec. 4. (1) For those services included in contracts under section 3 of this act, the service providers must be chosen by the department caseworker from among those in the network administrator's provider network. The criteria for provider selection must include the geographic proximity of the provider to the child or family, and the performance of the provider based upon data collected and provided by the network administrator. If a reasonably qualified provider is not available through the network administrator's provider network, at the request of a department caseworker, a provider who is not currently under contract with the network administrator may be offered a provisional contract by the network administrator, pending that provider demonstrating that he or she meets applicable provider qualifications to participate in the administrator's provider network.

(2) The department shall develop a dispute resolution process to be used when the network administrator disagrees with the department caseworker's choice of a service provider due to factors such as the service provider's performance history or ability to serve culturally diverse families. The mediator or decision maker must be a neutral employee of the department who has not been previously involved in the case. The dispute resolution process must not result in a delay of more than two business days in the receipt of needed services by the child or family.

(3) The department and network administrator shall collaborate to identify and respond to patterns or trends in service utilization that may indicate overutilization or underutilization of family support and related services, or may indicate a need to enhance service capacity.

NEW SECTION. Sec. 5. (1) On an annual basis, beginning in the 2015-2017 biennium, the department and contracted network administrators shall:

(a) Review and update the services offered through performance-based contracts in response to service outcome data,
FIFTY NINTH DAY, MARCH 7, 2012

for currently contracted services and any research that has identified new evidence- based or research-based services not included in a previous procurement; and

(b) Review service utilization and outcome data to determine whether changes are needed in procurement policies or performance-based contracts to better meet the goals established in section 1 of this act.

(2) In conducting the review under subsection (1) of this section, the department must consult with department caseworkers, the exclusive bargaining representative for employees of the department, tribal representatives, parents who were formerly involved in the child welfare system, youth currently or previously in foster care, child welfare services researchers, representatives of child welfare service providers, and the Washington state institute for public policy.

NEW SECTION. Sec. 6. (1) To achieve the service delivery improvements and efficiencies intended in sections 1, 3, 4, and 7 of this act and in RCW 74.13.370, and pursuant to RCW 41.06.142(3), contracting with network administrators to provide services needed by children and families in the child welfare system, pursuant to sections 3 and 4 of this act, and execution and monitoring of individual provider contracts, pursuant to section 3 of this act, are expressly mandated by the legislature and are not subject to the processes set forth in RCW 41.06.142 (1), (4), and (5).

(2) The express mandate in subsection (1) of this section is limited to those services and activities provided in sections 3 and 4 of this act. If the department includes services customarily and historically performed by department employees in the classified service in a procurement for network administrators that exceeds the scope of services or activities provided in sections 3 and 4 of this act, such contracting is not specifically mandated and will be subject to all applicable contractual and legal obligations.

NEW SECTION. Sec. 7. For the purposes of the provision of child welfare services by provider networks, when all other elements of the responses to any procurement under section 3 of this act are equal, private nonprofit entities and federally recognized Indian tribes located in this state must receive primary preference over private for-profit entities.

Sec. 8. RCW 74.13.360 and 2010 c 291 s 4 are each amended to read as follows:

(1) ((No later than July 1, 2011, the department shall convert its current contracts with providers of child welfare services into performance-based contracts. In accomplishing this conversion, the department shall decrease the total number of contracts it uses to purchase child welfare services from providers. The conversion of contracts for the provision of child welfare services to performance-based contracts must be done in a manner that does not adversely affect the state’s ability to continue to obtain federal funding for child welfare related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

—(2)) (No later than December 30, (2012)) 2015:

(a) In the demonstration sites selected under RCW 74.13.368(4)(a), child welfare services shall be provided by supervising agencies with whom the department has entered into performance-based contracts. Supervising agencies may enter into subcontracts with other licensed agencies; and

(b) Except as provided in subsection (((a))) (3) of this section, and notwithstanding any law to the contrary, the department may not directly provide child welfare services to families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a).

(2) No later than December 30, (2012)) 2015, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department is responsible for only the following:

(a) Monitoring the quality of services for which the department contracts under this chapter;

(b) Ensuring that the services are provided in accordance with federal law and the laws of this state, including the Indian child welfare act;

(c) Providing child protection functions and services, including intake and investigation of allegations of child abuse or neglect, emergency shelter care functions under RCW 13.34.050, and referrals to appropriate providers; and

(d) Issuing licenses pursuant to chapter 74.15 RCW.

(3) No later than December 30, (2012)) 2015, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department may provide child welfare services only:

(a) For the limited purpose of establishing a control or comparison group as deemed necessary by the child welfare transformation design committee, with input from the Washington state institute for public policy, to implement the demonstration sites selected and defined pursuant to RCW 74.13.368(4)(a) in which the performance in achieving measurable outcomes will be compared and evaluated pursuant to RCW 74.13.370; or

(b) In an emergency or as a provider of last resort. The department shall adopt rules describing the circumstances under which the department may provide those services. For purposes of this section, "provider of last resort" means the department is unable to contract with a private agency to provide child welfare services in a particular geographic area or, after entering into a contract with a private agency, either the contractor or the department terminates the contract.

(4) For purposes of this chapter, and on and after September 1, 2010, performance-based contracts shall be structured to hold the supervising agencies accountable for achieving the following goals in order of importance: Child safety; child permanency, including reunification; and child well-being.

A federally recognized tribe located in this state may enter into a performance-based contract with the department to provide child welfare services to Indian children whether or not they reside on a reservation. Nothing in this section prohibits a federally recognized Indian tribe located in this state from providing child welfare services to its members or other Indian children pursuant to existing tribal law, regulation, or custom, or from directly entering into agreements for the provision of such services with the department, if the department continues to otherwise provide such services, or with federal agencies.

Sec. 9. RCW 74.13.370 and 2009 c 520 s 9 are each amended to read as follows:

(1) Based upon the recommendations of the child welfare transformation design committee, including the two sets of outcomes developed by the committee under RCW 74.13.368(4)(b), the Washington state institute for public policy is to conduct a review of measurable effects achieved by the supervising agencies and compare those measurable effects with the existing services offered by the state. The report on the measurable effects shall be provided to the governor and the legislature no later than April 1, (2015)) 2018.

(2) No later than (June 30, (2014)) December 1, 2014, the Washington state institute for public policy shall provide the legislature and the governor an initial report on the department’s conversion to the use of performance-based contracts as provided in (RCW 74.13.360(1)) sections 3 and 4 of this act. No later than June 30, (2012)) 2016, the Washington state institute for public
policy shall provide the governor and the legislature with a second report on the extent to which the use of performance-based contracting has resulted in:

(a) Increased use of evidence-based, research-based, and promising practices; and

(b) Improvements in outcomes for children, including child safety, child permanency, including reunification, and child well-being.

(3) The department and network administrators shall respond to the Washington institute for public policy's request for data and other information with which to complete these reports in a timely manner.

(4) The Washington state institute for public policy must consult with a university-based child welfare research entity to evaluate performance-based contracting.

((a)(ii)) (m) A description of how the transition will impact the state's ability to obtain federal funding and examine options to further maximize federal funding opportunities and increased flexibility;

The first set of outcomes shall be used for those cases transferred to a supervising agency over time. The second set of outcomes shall be used for new entrants to the child welfare system.

The committee shall also identify the time frame within which cases will be transferred to supervising agencies. To ensure adequate statistical power to assess these differences, the populations served shall be large enough to provide a probability greater than seventy percent that meaningful difference will be detected and a ninety-five percent probability that observed differences are not due to chance alone.

(6) The committee shall also prepare as part of the plan a recommendation as to how to implement chapter 520, Laws of 2009 so that full implementation of chapter 520, Laws of 2009 is achieved no later than December 30, 2015.

(9) The committee, by majority vote, may establish advisory committees as it deems necessary.

(10) All state executive branch agencies and the agencies with whom the department contracts for child welfare services shall cooperate with the committee and provide timely information as the chair or cochairs may request. Cooperation by the children's administration must include developing and scheduling training for supervising agencies to access data and information necessary to implement and monitor the contracts.

(11) It is expected that the administrative costs for the committee will be supported through private funds.

(12) ((Staff support for the committee shall be provided jointly by partners for our children and legislative staff.

—(13))) The committee is subject to chapters 42.30 (open public meetings act) and 42.52 (ethics in public service) RCW.

((14))) (13) This section expires July 1, 2016.

The governor shall inform the legislature of his or her decision within seven days of the decision. Concerning the sales and use tax exemption for qualifying businesses of eligible server equipment.

The measure was read the second time.

MOTION

Senator Holmquist Newbry moved that the following striking amendment by Senators Holmquist Newbry and Prentice be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) It is the legislature’s intent to encourage immediate investments in technology facilities that can provide an economic stimulus, sustain long-term jobs that provide living wages, and help build the digital infrastructure that can enable the state to be competitive for additional technology investment and jobs.

(2) There is currently an intense competition for data center construction and operation in many states including: Oregon, Arizona, North and South Carolina, North Dakota, Iowa, Virginia, Texas, and Illinois. Unprecedented incentives are available as a result of the desire of these states to attract investments that will serve as a catalyst for additional clusters of economic activity.

(3) Data center technology has advanced rapidly, with marked increases in energy efficiency. Large, commercial-grade data centers leverage the economies of scale to reduce energy consumption. Combining digitized processes with the economies of scale recognized at these data centers, today’s enterprises can materially reduce the energy they consume and greatly improve their efficiency.

(4) The legislature finds that offering an exemption for server services rendered in respect to constructing, installing, repairing, altering, or improving eligible power infrastructure.

(5) The legislature finds that the tax imposed by RCW 82.08.020 is for sales to qualifying businesses and to qualifying tenants of eligible server equipment to be installed, without intervening use, in an eligible computer data center, and to charges made for labor and services rendered in respect to installing eligible server equipment.

The exemption also applies to sales to qualifying businesses of eligible power infrastructure, including labor and equipment. The exemption also applies to sales to qualifying businesses of eligible computer data center, and to charges made for labor and services rendered in respect to constructing, installing, repairing, altering, or improving eligible power infrastructure.

(2)(a) In order to claim the exemption under this section, a qualifying business or a qualifying tenant must submit an application to the department for an exemption certificate. The application must include the information necessary, as required by the department, to determine that a business or tenant qualifies for the exemption under this section. The department must issue exemption certificates to qualifying businesses and qualifying tenants. The department may assign a unique identification number to each exemption certificate issued under this section.

(b) A qualifying business or a qualifying tenant claiming the exemption under this section must present the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller’s files.

(3)(a) Within six years of the date that the department issued an exemption certificate under this section to a qualifying business or a qualifying tenant with respect to an eligible computer data center, the qualifying business or qualifying tenant must establish that net employment at the eligible computer data center has increased by a minimum of:

(i) Thirty-five family wage employment positions; or

(ii) Three family wage employment positions for each twenty thousand square feet of space or less that is newly dedicated to housing working servers at the eligible computer data center.

For qualifying (businesses that lease space at an eligible computer data center) tenants, the number of family wage employment positions that must be increased under this subsection (3)(a)(ii) is based only on the space occupied by the ((lessee)) qualifying tenant in the eligible computer data center.

(b) In calculating the net increase in family wage employment positions:

(i) The owner of an eligible computer data center, in addition to its own net increase in family wage employment positions, may include:

(A) The net increase in family wage employment positions employed by qualifying (businesses leasing space within the eligible computer data center from the owner)) tenants; and

(B) The net increase in family wage employment positions described in (c)(ii)(B) of this subsection (3).

(ii)(A) ((Lessees of the owner of an eligible computer data center)) Qualifying tenants, in addition to their own net increase in family wage employment positions, may include:

(I) A portion of the net increase in family wage employment positions employed by the owner; and

(II) A portion of the net increase in family wage employment positions employed by the owner; and

(B) The portion of the net increase in family wage employment positions to be counted under this subsection (3)(b)(ii) by each ((lessee)) qualifying tenant must be in proportion to the amount of space in the eligible computer data center occupied by the ((lessee)) qualifying tenant compared to the total amount of space in the eligible computer data center occupied by all ((lessees that are qualifying businesses)) qualifying tenants.

(c)(i) For purposes of this subsection, family wage employment positions are new permanent employment positions requiring forty hours of weekly work, or their equivalent, on a full-time basis at the eligible computer data center and receiving a wage equivalent to or greater than one hundred fifty percent of the per capita personal income of the county in which the qualified project is located. An employment position may not be counted as a family wage employment position unless the employment position is entitled to health insurance coverage provided by the employer of the employment position.

For purposes of this subsection (3)(c), "new permanent employment position" means an employment position that did not exist or that had not previously been filled as of the date that the department issued an exemption certificate to the owner or ((lessee)) qualifying tenant of an eligible computer data center, as the case may be.

(ii)(A) Family wage employment positions include positions filled by employees of the owner of the eligible computer data center and by employees of qualifying (businesses leasing space from the owner of the eligible computer data center) tenants.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 82.02.060 and 1990 1st ex.s. c 17 s 44 are each amended to read as follows:

The local ordinance by which impact fees are imposed:

(1) Shall include a schedule of impact fees which shall be adopted for each type of development activity that is subject to impact fees, specifying the amount of the impact fee to be imposed for each type of system improvement. The schedule shall be based upon a formula or other method of calculating such impact fees. In determining proportionate share, the formula or other method of calculating impact fees shall incorporate, among other things, the following:

(a) The cost of public facilities necessitated by new development;

(b) An adjustment to the cost of the public facilities for past or future payments made or reasonably anticipated to be made by new development to pay for particular system improvements in the form of user fees, debt service payments, taxes, or other payments earmarked for or proratable to the particular system improvement;

(c) The availability of other means of funding public facility improvements;

(d) The cost of existing public facilities improvements; and

(e) The methods by which public facilities improvements were financed;

(2) May provide an exemption for low-income housing, and other development activities with broad public purposes, from these impact fees, provided that the impact fees for such development activity shall be paid from public funds other than impact fee accounts;

(3) May provide an exemption from impact fees for low-income housing. Local governments that grant exemptions for low-income housing under this subsection (3) may either: Grant a partial exemption of not more than eighty percent of impact fees, in which case there is no explicit requirement to pay the exempted portion of the fee from public funds other than impact fee accounts; or provide a full waiver, in which case the remaining percentage of the exempted fee must be paid from public funds other than impact fee accounts. An exemption for low-income housing granted under subsection (2) of this section or this subsection (3) must be conditioned upon requiring the developer to record a covenant that, except as provided otherwise by this subsection, prohibits using the property for any purpose other than for low-income housing. At a minimum, the covenant must address price restrictions and household income limits for the low-income housing, and that if the property is converted to a use other than for low-income housing, the property owner must pay the applicable impact fees in effect at the time of conversion. Covenants required by this subsection must be recorded with the applicable county auditor or recording officer. A local government granting an exemption under subsection (2) of this section or this subsection (3) for low-income housing may not collect revenue lost through granting an exemption by increasing impact fees unrelated to the exemption. A school district who receives school impact fees must approve any exemption under subsection (2) of this section or this subsection (3);

(4) Shall provide a credit for the value of any dedication of land for, improvement to, or new construction of any system improvements provided by the developer, to facilities that are identified in the capital facilities plan and that are required by the county, city, or town as a condition of approving the development activity:

(5) Shall allow the county, city, or town imposing the impact fees to adjust the standard impact fee at the time the fee is
 imposed to consider unusual circumstances in specific cases to ensure that impact fees are imposed fairly;
  (((6))) (6) Shall include a provision for calculating the amount of the fee to be imposed on a particular development that permits consideration of studies and data submitted by the developer to adjust the amount of the fee;
  (((7))) (7) Shall establish one or more reasonable service areas within which it shall calculate and impose impact fees for various land use categories per unit of development; and
  (((2a))) (8) May provide for the imposition of an impact fee for system improvement costs previously incurred by a county, city, or town to the extent that new growth and development will be served by the previously constructed improvements provided such fee shall not be imposed to make up for any system improvement deficiencies.
For purposes of this section, "low-income housing" means housing with a monthly housing expense, that is no greater than thirty percent of eighty percent of the median family income adjusted for family size, for the county where the project is located, as reported by the United States department of housing and urban development."

((A biometric)) Any facial recognition matching system (shall) selected by the department must be used only to verify the identity of an applicant for or holder of a ((renewal or duplicate)) driver's license, permit, or identicard ((by matching a biometric identifier submitted by the applicant against the biometric identifier submitted))
when the license was last issued. This project requires a full review by the information services board using the criteria for projects of the highest visibility and risk)) to determine whether the person has been issued a driver's license, permit, or identicard under a different name or names.

(2) Any ((biometric)) facial recognition matching system selected by the department ((shall)) must be capable of highly accurate matching, and ((shall)) must be compliant with ((biometric)) appropriate standards established by the American association of motor vehicle administrators that exist on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.

(3) ((The biometric matching system selected by the department must incorporate a process that allows the owner of a driver's license or identicard to present a personal identification number or other code along with the driver's license or identicard before the information may be verified by a third party, including a governmental entity.

(4) Upon the establishment of a biometric driver's license and identicard system as described in this section, the department shall allow every person applying for an original, renewal, or duplicate driver's license or identicard to voluntarily submit a biometric identifier. Each applicant shall be informed of all ways in which the biometric identifier may be used, all parties to whom the identifier may be disclosed and the conditions of disclosure, the expected error rates for the biometric matching system which shall be regularly updated as the technology changes or empirical data is collected, and the potential consequences of those errors. The department shall adopt rules to allow applicants to verify the accuracy of the system at the time that biometric information is submitted, including the use of at least two separate devices.

(5) The department may not disclose biometric information to the public or any governmental entity except when authorized by court order.

(6)) The department shall post notices in conspicuous locations at all department driver licensing offices, make written information available to all applicants at department driver licensing offices, and provide information on the department's web site regarding the facial recognition matching system. The notices, written information, and information on the web site must address how the facial recognition matching system works, all ways in which the biometric templates derived from the images in the department's database may be stored, and the potential consequences of those errors. The department shall adopt rules to allow applicants to verify the accuracy of the system at the time that biometric information is submitted, including the use of at least two separate devices.

(4) Results from the facial recognition matching system:

(a) Are not available for public inspection and copying under chapter 42.56 RCW;

(b) May only be disclosed when authorized by a court order; and

(c) May only be disclosed to a federal government agency if specifically required under federal law; and

(d) May only be disclosed by the department to a government agency, including a court or law enforcement agency, for use in carrying out its functions if the department has determined that a specific individual has committed one of the prohibited practices listed in RCW 46.20.0921 and this determination has been confirmed by a hearings examiner; the number of cases where a person declined a hearing or did not attend a scheduled hearing.

The office of the chief information officer shall develop the appropriate security standards for the department's use of the facial recognition matching system, subject to approval and oversight by the technology services board.

(2) The department shall develop procedures to handle instances in which the ((biometric)) facial recognition matching system fails to verify the identity of an applicant for a renewal or duplicate driver's license, permit, or identicard. These procedures ((shall)) must allow an applicant to prove identity without using ((a biometric identifier).

(8) Any person who has voluntarily submitted a biometric identifier may choose to discontinue participation in the biometric matching program at any time, provided that the department utilizes a secure procedure to prevent fraudulent requests for a renewal or duplicate driver's license or identicard. When the person discontinues participation, any previously collected biometric information shall be destroyed.

(9) This section does not apply when an applicant renews his or her driver's license or identicard by mail or electronic commerce.

NEW SECTION. Sec. 2. A new section is added to chapter 46.20 RCW to read as follows:

   (c) Pays the required fee. Except as provided in subsection (5) of this section, the fee is ((twenty)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless an applicant is a recipient of continuing public assistance grants under Title 74 RCW, who is referred in writing by the secretary of social and health services. For those persons the fee must be the actual cost of production of the identicard.

(2) **Design and term.** The identicard must:
   (a) Be distinctly designed so that it will not be confused with the official driver's license; and
   (b) Except as provided in subsection (5) of this section, expire on the ((fifth)) sixth anniversary of the applicant's birthdate after issuance.

(3) **Renewal.** An application for identicard renewal may be submitted by means of:
   (a) Personal appearance before the department; or
   (b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired. (((However, the department may accept an application for renewal of an identicard submitted by means of mail or electronic commerce only if specific authority and funding is provided for this purpose by June 30, 2004, in the omnibus transportation appropriations act.)) An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) **Cancellation.** The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) **Alternative issuance/renewal/extension.** The department may issue or renew an identicard for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

Sec. 7. RCW 46.20.120 and 2011 c 370 s 4 are each amended to read as follows:

An applicant for a new or renewed driver's license must successfully pass a driver licensing examination to qualify for a driver's license. The department must ensure that examinations are given at places and times reasonably available to the people of this state. If the department does not administer driver licensing examinations as a routine part of its licensing services within a department region because adequate testing sites are provided by driver training schools or school districts within that region, the department shall, at a minimum, administer driver licensing examinations by appointment to applicants eighteen years of age and older in at least one licensing office within that region.

(1) **Waiver.** The department may waive:
   (a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or
   (b) All or any part of the examination involving operating a motor vehicle if the applicant:
      (i) Surrenders a valid driver's license issued by the person's previous home state; or
      (ii) Provides for verification a valid driver's license issued by a foreign driver licensing jurisdiction with which the department has an informal agreement under RCW 46.20.125; and
      (iii) Is otherwise qualified to be licensed.

(2) **Fee.** Each applicant for a new license must pay an examination fee of ((twenty)) thirty-five dollars.
   (a) The examination fee is in addition to the fee charged for issuance of the license.
   (b) "New license" means a license issued to a driver:
      (i) Who has not been previously licensed in this state; or
      (ii) Whose last previous Washington license has been expired for more than ((five)) six years.

(3) An application for driver's license renewal may be submitted by means of:
   (a) Personal appearance before the department; or
   (b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her license by mail or by electronic commerce when it last expired.

(4) A person whose license expired or will expire while he or she is living outside the state, may:
   (a) Apply to the department to extend the validity of his or her license for no more than twelve months. If the person establishes to the department's satisfaction that he or she is unable to return to Washington before the date his or her license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;
   (b) Apply to the department to renew his or her license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that he or she is unable to return to Washington within twelve months of the date that his or her license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.
(5) If a qualified person submits an application for renewal under subsection (3)(b) or (4)(b) of this section, he or she is not required to pass an examination nor provide an updated photograph. A license renewed by mail or by electronic commerce that does not include a photograph of the licensee must be labeled "not valid for identification purposes."

(6) Driver training schools licensed by the department under chapter 46.82 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

(7) School districts that offer a traffic safety education program under chapter 28A.220 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

Sec. 8. RCW 46.20.161 and 2000 c 115 s 6 are each amended to read as follows:

The department, upon receipt of a fee of ((twenty-five)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless the driver's license is issued for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, in which case the fee shall be ((five)) nine dollars for each year that the license is issued, which includes the fee for the required photograph, shall issue to every qualifying applicant a driver's license.

A driver's license issued to a person under the age of eighteen is an intermediate license, subject to the restrictions imposed under RCW 46.20.075, until the person reaches the age of eighteen. The license must include a distinguishing number assigned to the licensee, the name of record, date of birth, Washington residence address, photograph, a brief description of the licensee, and either a facsimile of the signature of the licensee or a space upon which the licensee shall write his or her usual signature with pen and ink immediately upon receipt of the license. No license is valid until it has been so signed by the licensee.

Sec. 9. RCW 46.20.181 and 1999 c 308 s 3 are each amended to read as follows:

(1) Except as provided in subsection (4) or (5) of this section, every driver's license expires on the ((fifth)) sixth anniversary of the licensee's birthdate following the issuance of the license.

(2) A person may renew his or her license on or before the expiration date by submitting an application as prescribed by the department and paying a fee of ((twenty-five)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013. This fee includes the fee for the required photograph.

(3) A person renewing his or her driver's license more than sixty days after the license has expired shall pay a penalty fee of ten dollars in addition to the renewal fee, unless his or her license expired when:

(a) The person was outside the state and he or she renews the license within sixty days after returning to this state; or

(b) The person was incapacitated and he or she renews the license within sixty days after the termination of the incapacity.

(4) ((During the period from July 1, 2000, to July 1, 2006,)) The department may issue or renew a driver's license for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce a license that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of licensed drivers. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is ((fifteen)) nine dollars for each year that the license is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

(5) A driver's license that includes a hazardous materials endorsement under chapter 46.25 RCW may expire on an anniversary of the licensee's birthdate other than the sixth year following issuance or renewal of the license in order to match, as nearly as possible, the validity of certification from the federal transportation security administration that the licensee has been determined not to pose a security risk. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, is nine dollars for each year that the license is issued or renewed, not including any endorsement fees. The department may adjust the expiration date of a driver's license that has previously been issued to conform to the provisions of this subsection if a hazardous materials endorsement is added to the license subsequent to its issuance. If the validity of the driver's license is extended, the licensee must pay a fee of nine dollars for each year that the license is extended.

The department may adopt any rules as are necessary to carry out this section.

Sec. 10. RCW 46.20.200 and 2002 c 352 s 14 are each amended to read as follows:

(1) If an instruction permit, identicard, or a driver's license is lost or destroyed, the person to whom it was issued may obtain a duplicate of it upon furnishing proof of such fact satisfactory to the department and payment of a fee of ((fifteen)) twenty dollars to the department.

(2) A replacement permit, identicard, or driver's license may be obtained to change or correct material information upon payment of a fee of ten dollars and surrender of the permit, identicard, or driver's license being replaced.

Sec. 11. RCW 46.20.049 and 2011 c 227 s 6 are each amended to read as follows:

There shall be an additional fee for issuing any class of commercial driver's license in addition to the prescribed fee required for the issuance of the original driver's license. The additional fee for each class shall be ((sixty-one)) eighty-five dollars from October 1, 2012, to June 30, 2013, and one hundred twenty dollars after June 30, 2013, or six years after June 30, 2013; for the original commercial driver's license or subsequent renewals. If the commercial driver's license is issued, renewed, or extended for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, the fee for each class shall be ((twelve)) seventeen dollars ((and twenty cents)) for each year that the commercial driver's license is issued, renewed, or extended, and being under the age of twenty-one. However, in those
instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(5). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (7) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (8) of this section and that the person waives the right to a hearing if he or she receives an ignition interlock driver's license;

(c) Mark the person's Washington state driver's license or permit to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if any, is a temporary license that is valid for sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(e) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed by the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol concentration in violation of RCW 46.61.503;

(ii) That after receipt of the warnings required by subsection (2) of this section the person refused to submit to a test of his or her blood or breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (6)(e) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test; or when sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of this section may, within twenty days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of ((two)) three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within twenty days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required ((two)) three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing.

The department may waive the required ((two)) three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be
expeditiously as possible. The review must be limited to a granting petitioner's request for review, the court shall review the filing of the appeal does not stay the effective date of the suspension, obtaining the record of the hearing before the hearing officer. The appellant must pay the costs associated with appeal shall be limited to a review of the record of the administrative hearing. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person was age twenty-one or over at the time of the arrest, or 0.02 or more if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 13. RCW 46.20.505 and 2007 c 97 s 1 are each amended to read as follows:

Every person applying for a special endorsement of a driver's license authorizing such person to drive a two or three-wheeled motorcycle or a motor-driven cycle shall pay a fee of five dollars, which is not refundable. In addition, the endorsement fee for the initial
motorcycle endorsement shall not exceed ((ten)) twelve dollars((, and)), unless the endorsement is issued for a period other than six years, in which case the endorsement fee shall not exceed two dollars for each year the initial motorcycle endorsement is issued. The subsequent renewal endorsement fee shall not exceed ((twenty-five)) thirty dollars, unless the endorsement is renewed or extended for a period other than ((six)) six years, in which case the subsequent renewal endorsement fee shall not exceed five dollars for each year that the endorsement is renewed or extended. Fees collected under this section shall be deposited in the motorcycle safety education account of the highway safety fund.

NEW SECTION. Sec. 12. A new section is added to chapter 46.68 RCW to read as follows:

The public transportation grant program account is created in the state treasury. Moneys in the account may be spent only after approval. Expenditures from the account may be used only for grants to aid transit authorities with operations.

NEW SECTION. Sec. 13. A new section is added to chapter 46.17 RCW to read as follows:

(1) Before accepting an application for an annual vehicle registration renewal for an electric vehicle that uses propulsion units powered solely by electricity, the department, county auditor or other agent, or subagent appointed by the director must require the applicant to pay a one hundred dollar fee in addition to any other fees and taxes required by law. The one hundred dollar fee is due only at the time of annual registration renewal.

(2) This section only applies to:

(a) A vehicle that is designed to have the capability to drive at a speed of more than thirty-five miles per hour; and

(b) An annual vehicle registration renewal that is due on or after February 1, 2013.

(3)(a) The fee under this section is imposed to provide funds to mitigate the impact of vehicles on state roads and highways and for the purpose of evaluating the feasibility of transitioning from a revenue collection system based on fuel taxes to a road user assessment system, and is separate and distinct from other vehicle license fees. Proceeds from the fee must be used for highway purposes, and must be deposited in the motor vehicle fund created in RCW 46.68.070, subject to (b) of this subsection.

(b) In any year the amount of proceeds from the fee collected under this section exceeds one million dollars, the excess amount over one million dollars must be deposited as follows:

(i) Seventy percent to the motor vehicle fund created in RCW 46.68.070;

(ii) Fifteen percent to the transportation improvement account created in RCW 47.26.084; and

(iii) Fifteen percent to the rural arterial trust account created in RCW 36.79.020.

NEW SECTION. Sec. 14. Section 13 of this act expires on the effective date of legislation enacted by the legislature that imposes a vehicle miles traveled fee or tax.

NEW SECTION. Sec. 15. The department of licensing must provide written notice of the expiration date of section 13 of this act to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the department.

Sec. 16. RCW 46.10.420 and 2010 c 161 s 231 are each amended to read as follows:

(1) Each dealer of snowmobiles in this state shall obtain a snowmobile dealer license from the department in a manner prescribed by the department. Upon receipt of an application for a snowmobile dealer's license and the fee provided in subsection (2) of this section, the dealer is licensed and a snowmobile dealer license number must be assigned.

(2) The annual license fee for a snowmobile dealer is twenty-five dollars, which covers all of the snowmobiles offered by a dealer for sale and not rented on a regular, commercial basis. Snowmobiles rented on a regular commercial basis by a snowmobile dealer must be registered separately under RCW 46.10.310, 46.10.400, 46.10.430, and 46.10.440.

(3) Upon the issuance of a snowmobile dealer license, a snowmobile dealer may purchase, at a cost to be determined by the department, snowmobile dealer license plates of a size and color to be determined by the department. The snowmobile dealer license plates must contain the snowmobile license number assigned to the dealer. Each snowmobile operated by a dealer, dealer representative, or prospective customer for the purposes of demonstration or testing shall display snowmobile dealer license plates in a clearly visible manner.

(4) Only a dealer, dealer representative, or prospective customer may display a snowmobile dealer plate, and only a dealer, dealer representative, or prospective customer may use a snowmobile dealer's license plate for the purposes described in subsection (3) of this section.

(5) Snowmobile dealer licenses are nontransferable.

(6) It is unlawful for any snowmobile dealer to sell a snowmobile at wholesale or retail, or to test or demonstrate any snowmobile, within the state, unless the dealer has a snowmobile dealer license as required under this section.

(7) When a snowmobile is sold by a snowmobile dealer, the dealer:

(a) Shall apply for licensing in the purchaser's name ((within fifteen days following the sale)) as provided by rules adopted by the department; and

(b) May issue a temporary license as provided by rules adopted by the department.

Sec. 17. RCW 46.12.675 and 2010 c 161 s 316 are each amended to read as follows:
A security interest in a vehicle other than one held as inventory by a manufacturer or a dealer and for which a certificate of title is required is perfected only by:

(a) Complying with the requirements of RCW 46.12.660 or this section;

(b) Receipt by the department, county auditor or other agent, or subagent appointed by the director of:
   (i) The existing certificate of title, if any;
   (ii) An application for a certificate of title containing the name and address of the secured party; and
   (iii) Payment of the required fees.

(2) A security interest is perfected when it is created if the secured party's name and address appear on the most recently issued certificate of title or, if not, it is created when the department, county auditor or other agent, or subagent appointed by the director receives the certificate of title or an application for a certificate of title and the fees required in subsection (1) of this section.

(3) If a vehicle is subject to a security interest when brought into this state, perfection of the security interest is determined by the law of the jurisdiction where the vehicle was when the security interest was attached, subject to the following:

(a) The security interest continues perfected in this state if the name of the secured party is shown on the existing certificate of title issued by that jurisdiction. The name of the secured party must be shown on the certificate of title issued for the vehicle by this state. The security interest continues perfected in this state when the department issues the certificate of title.

(b) If the security interest was not perfected under the law of the jurisdiction where the vehicle was when the security interest was attached, it may be perfected in this state. Perfection begins when the department receives the information and fees required in subsection (1) of this section.

(4)(a) After a certificate of title has been issued, the registered owner or secured party must apply to the department, county auditor or other agent, or subagent appointed by the director for a new certificate of title when a security interest is granted on a vehicle. Within ten days after creating a security agreement, the registered owner or secured party must submit:
   (i) An application for a certificate of title;
   (ii) The certificate of title last issued for the vehicle, or other documentation required by the department; and
   (iii) The fee required in RCW 46.17.100.

(b) If satisfied that a certificate of title should be reissued, the department shall change the vehicle record and issue a new certificate of title to the secured party.

(5) A secured party shall release the security interest when the conditions within the security agreement have been met and there is no further secured obligation. The secured party must either:

(a) Assign the certificate of title to the registered owner or the registered owner's designee and send the certificate of title to the department, county auditor or other agent, or subagent appointed by the director with the fee required in RCW 46.17.100; or

(b) Assign the certificate of title to the person acquiring the vehicle from the registered owner with the registered owner's release of interest.

(6) The department shall issue a new certificate of title to the registered owner when the department receives the release of interest and required fees as provided in subsection (5)(a) of this section.

(7) A secured party is liable for one hundred dollars payable to the registered owner or person acquiring the vehicle from the registered owner when:

(a) The secured party fails to either assign the certificate of title to the registered owner or to the person acquiring the vehicle from the registered owner or apply for a new certificate of title within ten days after proper demand; and

(b) The failure of the secured party to act as described in (a) of this subsection results in a loss to the registered owner or person acquiring the vehicle from the registered owner.

Sec. 18. RCW 46.16A.320 and 2010 c 161 s 425 are each amended to read as follows:

(1)(a) A vehicle owner may operate an unregistered vehicle on public highways under the authority of a trip permit issued by this state. For purposes of trip permits, a vehicle is considered unregistered if:
   (i) Under reciprocal relations with another jurisdiction, the owner would be required to register the vehicle in this state;
   (ii) Not registered when registration is required under this chapter;
   (iii) The license tabs have expired; or
   (iv) The current gross weight license is insufficient for the load being carried. The licensed gross weight may not exceed eighty thousand pounds for a combination of vehicles or forty thousand pounds for a single unit vehicle with three or more axles.

(b) Trip permits are required to move mobile homes or park model trailers and may only be issued if property taxes are paid in full.

(2) Trip permits may not be:

(a) Issued to vehicles registered under RCW 46.16A.455(5) in lieu of further registration within the same registration year; or

(b) Used for commercial motor vehicles owned by a motor carrier subject to RCW 46.32.080 if the motor carrier's department of transportation number has been placed out of service by the Washington state patrol. A violation of or a failure to comply with this subsection is a gross misdemeanor, subject to a minimum monetary penalty of two thousand five hundred dollars for the first violation and five thousand dollars for each subsequent violation.

(3)(a) Each trip permit authorizes the operation of a single vehicle at the maximum legal weight limit for the vehicle for a period of three consecutive days beginning with the day of first use. No more than three trip permits may be used for any one vehicle in any thirty consecutive day period. No more than two trip permits may be used for any one recreational vehicle, as defined in RCW 43.22.335, in a one-year period. Every trip permit must:
   (i) Identify the vehicle for which it is issued;
   (ii) Be completed in its entirety;
   (iii) Be signed by the operator before operation of the vehicle on the public highways of this state;
   (iv) Not be altered or corrected. Altering or correcting data on the trip permit invalidates the trip permit; and

(b) Vehicles operating under the authority of trip permits are subject to all laws, rules, and regulations affecting the operation of similar vehicles in this state.

(4) Prorate operators operating commercial vehicles on trip permits in Washington shall retain the customer copy of each permit for four years.

(5) Trip permits may be obtained from field offices of the department of transportation, department of licensing, county auditors or other agents, and subagents appointed by the department for the fee provided in RCW 46.17.400(1)(h). Exchanges, credits, or refunds may not be given for trip permits after they have been purchased.

(6) Except as provided in subsection (2)(b) of this section, a violation of or a failure to comply with this section is a gross misdemeanor.

(7) The department may adopt rules necessary to administer this section.

(4) Until January 1, 2014, an annual derelict vessel removal surcharge of one dollar must be charged with each vessel registration. The surcharge:

And the bill do pass as recommended by the conference committee.

Signed by Senators Eide, Haugen and King; Representatives Armstrong, Clibborn and Liias.

MOTION

Senator Haugen moved that the Report of the Conference Committee on Engrossed Substitute Senate Bill No. 6455 be adopted.

POINT OF ORDER

Senator Padden: “Specifically in sections 4, 5 and 6 of the conference committee striker includes an RV surcharge for the funding of Start parks, it was an Engrossed Second Substitute House Bill No. 2373. There are at least three grounds of objections for the point of order: one is scope and object; two is not within the scope and object of the bill pursuant to Article II Section 19 of the state constitution; and three I would ask for a ruling on 1053 that this is a tax since there’s really is not a nexus between the fees and RVs owners using parks. It’s estimated that only twenty percent of the RVs actually use the state park system. The language makes one hundred percent pay for the benefit of the small minority. There simply is not the nexus necessary to establish this as a fee.”

Senator Haugen spoke against the point of order.

POINT OF ORDER

Senator Benton: “Thank you Mr. President, I to rise to a point of order on this bill and ask the same question except in terms of reference to a different section of the bill. A portion of this bill raises abstract fees for the Department of Licensing. This narrow fee increase is intended to fund relatively broad swaths of state government and is absolutely unrelated to the fee transaction. That is the increase has no bearing on the increase on cost borne by the department to gather, store and sell the date. As a matter of fact neither…”

Senator Benton: “I’ll withdraw my objection.”

REPLY BY THE PRESIDENT

President Owen: “But your point of order is? As to the number of votes or the scope and object?”

Senator Benton: “Yeah, concerning Initiative 1053. My point of order is to the question, how many votes will it take to pass this bill? I believe it requires a two-thirds vote Mr. president.”

President Owen: “Senator Benton, rises to the point of order as to the number of votes necessary to pass based on the stated section of the bill. Senator Benton, please restate the section.

Senator Benton: “Thank you, as to the abstract fee increases section of the bill. As a matter of fact, the Department of Licensing did not request the legislation to increase this fee, either in 2007 or this year, and the bill freely admits that the dollars raised go towards other things. Based on that, I believe Mr. President that this is in fact a tax not a fee and should require a two-thirds vote of the senate for passage:”

Senator Haugen spoke against the point of order.

MOTION

On motion of Senator Eide, further consideration of Engrossed Substitute Senate Bill No. 6455 was deferred and the bill held its place on the conference calendar.

Senator Prentice assumed the chair.

(1) Counties may establish and operate DUI courts. Municipalities may enter into cooperative agreements with counties that have DUI courts to provide DUI court services.

(2) For the purposes of this section, "DUI court" means a court that has special calendars or dockets designed to achieve a reduction in recidivism of impaired driving among nonviolent, alcohol abusing offenders, whether adult or juvenile, by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment; mandatory periodic testing for alcohol use and, if applicable, drug use; and the use of appropriate sanctions and other rehabilitation services.

(3)(a) Any jurisdiction that seeks a state appropriation to fund a DUI court program must first:

(i) Exhaust all federal funding that is available to support the operations of its DUI court and associated services; and

(ii) Match, on a dollar-for-dollar basis, state moneys allocated for DUI court programs with local cash or in-kind resources. Moneys allocated by the state must be used to supplement, not supplant, other federal, state, and local funds for DUI court operations and associated services. However, until June 30, 2014, no match is required for state moneys expended for the administrative and overhead costs associated with the operation of a DUI court established as of January 1, 2011.

(b) Any (county) jurisdiction that establishes a DUI court pursuant to this section shall establish minimum requirements for the participation of offenders in the program. The DUI court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:

(i) The offender would benefit from alcohol treatment;
(ii) The offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030, vehicular homicide under RCW 46.61.520, vehicular assault under RCW 46.61.522, or an equivalent out-of-state offense; and

(iii) Without regard to whether proof of any of these elements is required to convict, the offender is not currently charged with or convicted of an offense:

(A) That is a sex offense;

(B) That is a serious violent offense;

(C) That is vehicular homicide or vehicular assault;

(D) During which the defendant used a firearm; or

(E) During which the defendant caused substantial or great bodily harm or death to another person.

Sec. 2. RCW 9.94A.475 and 2002 c 290 s 15 are each amended to read as follows:

Any and all recommended sentencing agreements or plea agreements and the sentences for any and all felony crimes shall be made and retained as public records if the felony crime involves:

(1) Any violent offense as defined in this chapter;

(2) Any most serious offense as defined in this chapter;

(3) Any felony with a deadly weapon special verdict under RCW (9.94A.602) 9.94A.825;

(4) Any felony with any deadly weapon enhancements under RCW 9.94A.533 (3) or (4), or both; (and/or)

(5) The felony crimes of possession of a machine gun, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first or second degree, and/or use of a machine gun in a felony; or

(6) The felony crime of driving a motor vehicle while under the influence of intoxicating liquor or any drug as defined in RCW 46.61.502, and felony physical control of a motor vehicle while under the influence of intoxicating liquor or any drug as defined in RCW 46.61.504.

Sec. 3. RCW 9.94A.640 and 2006 c 73 s 8 are each amended to read as follows:

(1) Every offender who has been discharged under RCW 9.94A.637 may apply to the sentencing court for a vacation of the offender's record of conviction. If the court finds the offender meets the tests prescribed in subsection (2) of this section, the court may clear the record of conviction by:

(a) Permitting the offender to withdraw the offender's plea of guilty and to enter a plea of not guilty; or

(b) if the offender has been convicted after a plea of not guilty, by the court setting aside the verdict of guilty; and (c) by the court dismissing the information or indictment against the offender.

(2) An offender may not have the record of conviction cleared if:

(a) There are any criminal charges against the offender pending in any court of this state or another state, or in any federal court; (b) the offense was a violent offense as defined in RCW 9.94A.030; (c) the offense was a crime against persons as defined in RCW 43.43.830; (d) the offender has been convicted of a new crime in this state, another state, or federal court since the date of the offender's discharge under RCW 9.94A.637; (e) the offense is a class B felony and less than ten years have passed since the date the applicant was discharged under RCW 9.94A.637; (f) the offense was a class C felony, other than a class C felony described in RCW 46.61.502(6) or 46.61.504(6), and less than five years have passed since the date the applicant was discharged under RCW 9.94A.637; or (g) the offense was a class C felony described in RCW 46.61.502(6) or 46.61.504(6) ((and less than ten years have passed since the applicant was discharged under RCW 9.94A.632)).

(3) Once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender's criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.
restitution order. Upon receipt of a petition from the department of labor and industries, the superior court shall hold a restitution hearing and shall enter a restitution order.

(4) In granting probation, the superior court may order the probationer to report to the secretary of corrections or such officer as the secretary may designate and as a condition of the probation to follow the instructions of the secretary. If the county legislative authority has elected to assume responsibility for the supervision of superior court misdemeanor probationers within its jurisdiction, the superior court misdemeanor probationer shall report to a probation officer employed or contracted for by the county. In cases where a superior court misdemeanor probationer is sentenced in one county, but resides within another county, there must be provisions for the probationer to report to the agency having supervision responsibility for the probationer's county of residence.

(5) If the probationer has been ordered to make restitution and the superior court has ordered supervision, the officer supervising the probationer shall make a reasonable effort to ascertain whether restitution has been made. If the superior court has ordered supervision and restitution has not been made as ordered, the officer shall inform the prosecutor of that violation of the terms of probation not less than three months prior to the termination of the probation period. The secretary of corrections will promulgate rules and regulations for the conduct of the person during the term of probation. For defendants found guilty in district court, like functions as the secretary performs in regard to probation may be performed by probation officers employed for that purpose by the county legislative authority of the county wherein the court is located.

(6) The provisions of RCW 9.94A.501 and 9.94A.5011 apply to sentences imposed under this section.

Sec. 5. RCW 9.96.060 and 2001 c 140 s 1 are each amended to read as follows:

(1) Every person convicted of a misdemeanor or gross misdemeanor offense who has completed all of the terms of the sentence for the misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the tests prescribed in subsection (2) of this section, the court may in its discretion vacate the record of conviction by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court dismissing the information, indictment, complaint, or plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty and the court sets aside the verdict of guilty; and (b) setting aside the verdict of guilty.

(2) An applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court;

b) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

c) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), (46)(ii) 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense; or

d) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses); or

e) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family member or household member against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(i) The applicant has not provided written notification of the vacation petition to the prosecuting attorney's office that prosecuted the offense for which vacation is sought, or has not provided that notification to the court;

(ii) The applicant has previously had a conviction for domestic violence. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;

(iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

f) For any offense other than those described in (e) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

g) The offender has been convicted of a new crime in this state, another state, or federal court since the date of conviction;

(h) The applicant has ever had the record of another conviction vacated; or

(i) The applicant is currently restrained, or has been restrained within five years prior to the vacation application, by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party.

(3) Once the court vacates a record of conviction under subsection (1) of this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under subsection (1) of this section may state that he or she has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(4) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

(5) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section
may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

 Sec. 6. RCW 38.52.430 and 1993 c 251 s 2 are each amended to read as follows:

A person whose intoxication causes an incident resulting in an appropriate emergency response, and who, in connection with the incident, has been found guilty of or has had their prosecution deferred for (1) driving while under the influence of intoxicating liquor or any drug, RCW 46.61.502; (2) operating an aircraft under the influence of intoxicants or drugs, RCW 47.68.220; (3) use of a vessel while under the influence of alcohol or drugs, RCW ((88.12.100)) 79A.60.040; (4) vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(a); or (5) vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), is liable for the expense of an emergency response by a public agency to the incident. The expense of an emergency response is a charge against the person liable for expenses under this section. The charge constitutes a debt of that person and is collectible by the public agency incurring those costs in the same manner as in the case of an obligation under a contract, expressed or implied. Following a conviction of an offense listed in this section, and prior to sentencing, the prosecution may present to the court information setting forth the expenses incurred by the public agency for its emergency response to the incident. Upon a finding by the court that the expenses are reasonable, the court shall order the defendant to reimburse the public agency. The cost reimbursement shall be included in the sentencing order as an additional monetary obligation of the defendant and may not be substituted for any other fine or cost required or allowed by statute. The court may establish a payment schedule for the payment of the cost reimbursement, separate from any payment schedule imposed for other fines and costs.

In no event shall a person's liability under this section for the expense of an emergency response exceed ((one)) two thousand five hundred dollars for a particular incident.

If more than one public agency makes a claim for payment from an individual for an emergency response to a single incident under the provisions of this section, and the sum of the claims exceeds the amount recovered, the division of the amount recovered shall be determined by an interlocal agreement consistent with the requirements of chapter 39.34 RCW.

 Sec. 7. RCW 46.20.308 and 2008 c 282 s 2 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcohol concentration or presence of any drug in his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503. Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. However, in those instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(5). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of felony driving under the influence of intoxicating liquor or drugs under RCW 46.61.502(6), felony physical control of a motor vehicle while under the influence of intoxicating liquor or any drug under RCW 46.61.504(6), vehicular homicide as provided in RCW 46.61.520, or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's
license, permit, or privilege to drive as required by subsection (7) of
this section;

(b) Serve notice in writing on the person on behalf of the
department of his or her right to a hearing, specifying the steps he or
she must take to obtain a hearing as provided by subsection (8) of
this section and that the person waives the right to a hearing if he or
she receives an ignition interlock driver's license;

(c) Mark the person's Washington state driver's license or permit
to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if
any, is a temporary license that is valid for sixty days from the date
of arrest or from the date notice has been given in the event notice is
given by the department following a blood test, or until the
suspension, revocation, or denial of the person's license, permit, or
privilege to drive is sustained at a hearing pursuant to subsection (8)
of this section, whichever occurs first. No temporary license is
valid to any greater degree than the license or permit that it replaces;

(e) Immediately notify the department of the arrest and transmit
to the department within seventy-two hours, except as delayed as the
result of a blood test, a sworn report or report under a declaration
authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the
arrested person had been driving or was in actual physical control of
a motor vehicle within this state while under the influence of
intoxicating liquor or drugs, or both, or was under the age of
twenty-one years and had been driving or was in actual physical
control of a motor vehicle while having an alcohol concentration in
violation of RCW 46.61.503;

(ii) That after receipt of the warnings required by subsection (2)
of this section the person refused to submit to a test of his or her
blood or breath, or a test was administered and the results indicated
that the alcohol concentration of the person's breath or blood was
0.08 or more if the person is age twenty-one or over, or was 0.02 or
more if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn
report or report under a declaration authorized by RCW 9A.72.085
under subsection (6)(e) of this section, shall suspend, revoke, or
deny the person's license, permit, or privilege to drive or any
nonresident operating privilege, as provided in RCW 46.20.3101,
such suspension, revocation, or denial to be effective beginning
sixty days from the date of arrest or from the date notice has been
given in the event notice is given by the department following a
blood test, or when sustained at a hearing pursuant to subsection (8)
of this section, whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of
this section may, within twenty days after the notice has been given,
request in writing a formal hearing before the department. The
person shall pay a fee of two hundred dollars as part of the request.
If the request is mailed, it must be postmarked within twenty days
after receipt of the notification. Upon timely receipt of such a
request for a formal hearing, including receipt of the required two
hundred dollar fee, the department shall afford the person an
opportunity for a hearing. The department may waive the required
two hundred dollar fee if the person is an indigent as defined in
RCW 10.101.010. Except as otherwise provided in this section, the
hearing is subject to and shall be scheduled and conducted in
accordance with RCW 46.20.329 and 46.20.332. The hearing shall
be conducted in the county of the arrest, except that all or part of the
hearing may, at the discretion of the department, be conducted by
telephone or other electronic means. The hearing shall be held
within sixty days following the arrest or following the date notice
has been given in the event notice is given by the department
following a blood test, unless otherwise agreed to by the department
and the person, in which case the action by the department shall be
stayed, and any valid temporary license marked under subsection
(6)(c) of this section extended, if the person is otherwise eligible for
licensing. For the purposes of this section, the scope of the hearing
shall cover the issues of whether a law enforcement officer had
reasonable grounds to believe the person had been driving or was in
actual physical control of a motor vehicle within this state while
under the influence of intoxicating liquor or any drug or had been
driving or was in actual physical control of a motor vehicle within
this state while having alcohol in his or her system in a concentration
of 0.02 or more if the person was under the age of twenty-one, whether
the person was placed under arrest, and (a) whether the
person refused to submit to the test or tests upon request of the
officer after having been informed that such refusal would result in
the revocation of the person's license, permit, or privilege to drive,
or (b) if a test or tests were administered, whether the applicable
requirements of this section were satisfied before the administration
of the test or tests, whether the person submitted to the test or tests,
or whether a test was administered without express consent as
permitted under this section, and whether the test or tests indicated
that the alcohol concentration of the person's breath or blood was
0.08 or more if the person was age twenty-one or over at the time of
the arrest, or 0.02 or more if the person was under the age of
twenty-one at the time of the arrest. The sworn report or report
under a declaration authorized by RCW 9A.72.085 submitted by a law
enforcement officer is prima facie evidence that the officer had
reasonable grounds to believe the person had been driving or was in
actual physical control of a motor vehicle within this state while
under the influence of intoxicating liquor or drugs, or both, or the
person had been driving or was in actual physical control of a motor
vehicle within this state while having alcohol in his or her system in a
concentration of 0.02 or more and was under the age of twenty-one
and that the officer complied with the requirements of this section.
A hearing officer shall conduct the hearing, may issue subpoenas
for the attendance of witnesses and the production of documents,
and shall administer oaths to witnesses. The hearing officer shall not
issue a subpoena for the attendance of a witness at the request of the
person unless the request is accompanied by the fee required by
RCW 5.56.010 for a witness in district court. The sworn report or
report under a declaration authorized by RCW 9A.72.085 of the law
enforcement officer and any other evidence accompanying the
report shall be admissible without further evidentiary
foundation and the certifications authorized by the criminal rules for
courts of limited jurisdiction shall be admissible without further evidentiary
foundation. The person may be represented by counsel, may
question witnesses, may present evidence, and may testify. The
department shall order that the suspension, revocation, or denial
either be rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after
such a hearing, the person whose license, privilege, or permit is
suspended, revoked, or denied has the right to file a petition in the
superior court of the county of arrest to review the final order of
revocation by the department in the same manner as an appeal from
a decision of a court of limited jurisdiction. Notice of appeal must
be filed within thirty days after the date the final order is served or
the right to appeal is waived. Notwithstanding RCW 46.20.334,
RALJ 1.1, or other statutes or rules referencing de novo review, the
appeal shall be limited to a review of the record of the administrative
hearing. The appellant must pay the costs associated with
obtaining the record of the hearing before the hearing officer. The
filing of the appeal does not stay the effective date of the suspension,
revocation, or denial. A petition filed under this subsection must
include the petitioner's grounds for requesting review. Upon
granting petitioner's request for review, the court shall review the
department's final order of suspension, revocation, or denial as
expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license. Sec. 8. RCW 46.20.385 and 2011 c 293 s 1 are each amended to read as follows:

(1)(a) Beginning January 1, 2009, any person licensed under this chapter who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or a violation of RCW 46.61.520(1)(a) or 46.61.522(1)(b), or who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied. A person receiving an ignition interlock driver's license waives his or her right to a hearing or appeal under RCW 46.20.308.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial. The installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours. However, when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment, the employer exemption does not apply.

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock device's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(iii) The time period during which the person is licensed under this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is required under RCW 46.20.720 and 46.61.5055. Beginning with incidents occurring on or after September 1, 2011, when calculating the period of time for the restriction under RCW 46.20.720(3), the department must also give the person a day-for-day credit for the time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates. For the purposes of this subsection (11)(c)(iii), the term "all vehicles" does not include vehicles that would be subject to the employer exception under RCW 46.20.720(3).

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation
becomes effective, the driver may obtain, at no additional charge, a
new ignition interlock driver's license upon submittal of evidence that
a functioning ignition interlock device has been installed on all
vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the
application for an ignition interlock driver's license may request a
hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license
after receiving notice that the holder thereof has been convicted of
operating a motor vehicle in violation of its restrictions, no longer
meets the eligibility requirements, or has been convicted of or found
to have committed a separate offense or any other act or omission
that under this chapter would warrant suspension or revocation of a
regular driver's license. The department must give notice of the
cancellation as provided under RCW 46.20.245. A person whose
ignition interlock driver's license has been canceled under this
section may reapply for a new ignition interlock driver's license if he
or she is otherwise qualified under this section and pays the fee
required under RCW 46.20.380.

(6)(a) Unless costs are waived by the ignition interlock
company or the person is indigent under RCW 10.101.010, the
applicant shall pay the cost of installing, removing, and leasing the
ignition interlock device and shall pay an additional fee of twenty
dollars per month. Payments shall be made directly to the ignition
interlock company. The company shall remit the additional twenty
dollar fee to the department.

(b) The department shall deposit the proceeds of the twenty
dollar fee into the ignition interlock device revolving account.
Expenditures from the account may be used only to administer and
operate the ignition interlock device revolving account program.
The department shall adopt rules to provide monetary assistance
according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition
interlock licensing. The department shall consult with the
administrative office of the courts, the state patrol, the Washington
association of sheriffs and police chiefs, ignition interlock
companies, and any other organization or entity the department
deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of
a violation of RCW 46.61.500 when the charge was originally
filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent
local ordinance, may submit to the department an application for an
ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this
chapter, but who would otherwise be eligible under this section to
apply for an ignition interlock license, may submit to the department
an application for an ignition interlock license. The department
may require the person to take any driver's licensing examination
under chapter 46.20 RCW and may require the person to also apply
and qualify for a temporary restricted driver's license under RCW
46.20.391.

Sec. 9. RCW 46.20.720 and 2011 c 293 s 6 are each amended
to read as follows:

(1) The court may order that after a period of suspension,
revocation, or denial of driving privileges, and for up to as long as
the court has jurisdiction, any person convicted of any offense
involving the use, consumption, or possession of alcohol while
operating a motor vehicle may drive only a motor vehicle equipped
with a functioning ignition interlock. The court shall establish a
specific calibration setting at which the interlock will prevent the
vehicle from being started. The court shall also establish the period of
time for which interlock use will be required.

(2) Under RCW 46.61.5055 and subject to the exceptions listed
in that statute, the court shall order any person convicted of a
violation of RCW 46.61.502 or 46.61.504 or an equivalent local
ordinance to (apply for an ignition interlock driver's license from
the department under RCW 46.20.385 and to have) comply with
the rules and requirements of the department regarding the
installation and use of a functioning ignition interlock device
installed on all motor vehicles operated by the person. The court
shall order any person participating in a deferred prosecution
program under RCW 10.05.020 for a violation of RCW 46.61.502
or 46.61.504 or an equivalent local ordinance to have a functioning
ignition interlock device installed on all motor vehicles operated by
the person.

(3) The department shall require that, after any applicable
period of suspension, revocation, or denial of driving privileges, a
person may drive only a motor vehicle equipped with a functioning
ignition interlock device if the person is convicted of a violation of
RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state
statute or ordinance. The department shall require that a person
may drive only a motor vehicle equipped with a functioning ignition
interlock device if the person is convicted of a violation of RCW
46.61.5249 or 46.61.500 and is required under RCW 46.61.5249(4)
or 46.61.500(3) (a) or (b) to install an ignition interlock device on all
vehicles operated by the person.

The department may waive the requirement for the use of such a
device if it concludes that such devices are not reasonably available
in the local area. The installation of an ignition interlock device is
not necessary on vehicles owned, leased, or rented by a person's
employer and on those vehicles whose care and/or maintenance is
the temporary responsibility of the employer, and driven at the
direction of a person's employer as a requirement of employment
during working hours. The person must provide the department
with a declaration pursuant to RCW 9A.72.085 from his or her
employer stating that the person's employment requires the person
to operate a vehicle owned by the employer or other persons during
working hours. However, when the employer's vehicle is assigned
exclusively to the restricted driver and used solely for commuting to
and from employment, the employer exemption does not apply.

The ignition interlock device shall be calibrated to prevent the motor
vehicle from being started when the breath sample provided has an
alcohol concentration of 0.025 or more. Subject to the provisions
of subsections (4) and (5) of this section, the period of time of the
restriction will be no less than:

(a) For a person who has not previously been restricted under
this section, a period of one year;

(b) For a person who has previously been restricted under (a)
of this subsection, a period of five years;

(c) For a person who has previously been restricted under (b)
of this subsection, a period of ten years.

(4) A restriction imposed under subsection (3) of this section
shall remain in effect until the department receives a declaration
from the person's ignition interlock device vendor, in a form
provided or approved by the department, certifying that there have
been none of the following incidents in the four consecutive months
prior to the date of release:

(a) An attempt to start the vehicle with a breath alcohol
concentration of 0.04 or more;

(b) Failure to take or pass any required retest; or

(c) Failure of the person to appear at the ignition interlock
device vendor when required for maintenance, repair, calibration,
monitoring, inspection, or replacement of the device.

(5) For a person required to install an ignition interlock device
pursuant to RCW 46.61.5249(4) or 46.61.500(3), the period of time
of the restriction shall be for six months and shall be subject to
subsection (4) of this section.

(6) In addition to any other costs associated with the use of an
ignition interlock device imposed on the person restricted under this
section, the person shall pay an additional fee of twenty dollars per
Sec. 10. RCW 46.20.745 and 2008 c 282 s 10 are each amended to read as follows:
(1) The ignition interlock device revolving account program is created within the department to assist in covering the monetary costs of installing, removing, and leasing an ignition interlock device, and applicable licensing, for indigent persons who are required to have an ignition interlock device on all vehicles operated by the person if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.502, 46.61.504, or an equivalent local ordinance.
(b) A person convicted of reckless driving shall be required, under RCW 46.20.720, to install an ignition interlock device on all vehicles operated by the person if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520 committed while under the influence of intoxicating liquor or any drug or RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug.

Sec. 11. RCW 46.61.500 and 2011 c 293 s 4 and 2011 c 96 s 34 are each reenacted and amended to read as follows:
(1) Any person who drives any vehicle in willful or wanton disregard for the safety of persons or property is guilty of reckless driving. Violation of the provisions of this section is a gross misdemeanor punishable by imprisonment for up to three hundred sixty-four days and by a fine of not more than five thousand dollars.
(2)(a) Subject to (b) of this subsection, the license or permit to drive or any nonresident privilege of any person convicted of reckless driving shall be suspended by the department for not less than thirty days.
(b) When a reckless driving conviction is a result of a charge that was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, the department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under an administrative action arising out of the same incident. During any period of suspension, revocation, or denial due to a conviction for reckless driving as the result of a charge originally filed as a violation of RCW 46.61.502 or 46.61.504, any person who has obtained an ignition interlock driver's license under RCW 46.20.385 may continue to drive a motor vehicle pursuant to the provision of the ignition interlock driver's license without obtaining a separate temporary restricted driver's license under RCW 46.20.391.

(3)(a) Except as provided under (b) of this subsection, a person convicted of reckless driving who has one or more prior offenses as defined in RCW 46.61.5055(14) within seven years shall be required, under RCW 46.20.720, to install an ignition interlock device on all vehicles operated by the person if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.502, 46.61.504, or an equivalent local ordinance.
(b) A person convicted of reckless driving shall be required, under RCW 46.20.720, to install an ignition interlock device on all vehicles operated by the person if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520 committed while under the influence of intoxicating liquor or any drug or RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug.

Sec. 12. RCW 46.61.5055 and 2011 c 293 s 7 and 2011 c 96 s 35 are each reenacted and amended to read as follows:
(1) Except as provided in RCW 46.61.502(6) or 46.61.504(6), a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 and who has no prior offense within seven years shall be punished as follows:
(a) In the case of a person whose alcohol concentration was less than 0.15, or for whom for reasons other than the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:
(i) By imprisonment for not less than one day nor more than three hundred sixty-four days. Twenty-four consecutive hours of the imprisonment may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based. In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(a)(i), the court may order not less than fifteen days of electronic home monitoring. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device to include an alcohol detection breathalyzer, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and
(ii) By a fine of not less than three hundred fifty dollars nor more than five thousand dollars. Three hundred fifty dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; or
(b) In the case of a person whose alcohol concentration was at least 0.15, or for whom by reason of the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:
(i) By imprisonment for not less than two days nor more than three hundred sixty-four days. Two consecutive days of the imprisonment may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based. In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(b)(i), the court may order not less than thirty days of electronic home monitoring. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device to include an alcohol detection breathalyzer, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and
(ii) By a fine of not less than three hundred sixty dollars nor more than five thousand dollars. Three hundred sixty dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; or

(ii) By a fine of not less than five hundred dollars nor more than five thousand dollars. Five hundred dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent.

(2) Except as provided in RCW 46.61.502(6) or 46.61.504(6), a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 and who has one prior offense within seven years shall be punished as follows:

(a) In the case of a person whose alcohol concentration was less than 0.15, or for whom for reasons other than the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than thirty days nor more than three hundred sixty-four days and sixty days of electronic home monitoring. In lieu of the mandatory minimum term of sixty days electronic home monitoring, the court may order at least an additional four days in jail. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device include an alcohol detection breathalyzer, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. Thirty days of imprisonment and sixty days of electronic home monitoring may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(ii) By a fine of not less than five hundred dollars nor more than five thousand dollars. Five hundred dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; or

(b) In the case of a person whose alcohol concentration was at least 0.15, or for whom by reason of the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than forty-five days nor more than three hundred sixty-four days and ninety days of electronic home monitoring. In lieu of the mandatory minimum term of ninety days electronic home monitoring, the court may order at least an additional six days in jail. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device include an alcohol detection breathalyzer, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. Forty-five days of imprisonment and ninety days of electronic home monitoring may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(ii) By a fine of not less than seven hundred fifty dollars nor more than three hundred sixty-four days and ninety days of electronic home monitoring. In lieu of the mandatory minimum term of sixty days electronic home monitoring, the court may order at least an additional forty days in jail. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device include an alcohol detection breathalyzer, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. Ninety days of imprisonment and three hundred sixty-four days and sixty days of electronic home monitoring may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(iii) By a fine of not less than one thousand dollars nor more than five thousand dollars. One thousand dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; or

In lieu of the mandatory minimum term of one hundred twenty days of electronic home monitoring, the court may order at least an additional eight days in jail. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device include an alcohol detection breathalyzer, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. Ninety days of imprisonment and one hundred twenty days of electronic home monitoring may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(ii) By a fine of not less than one thousand dollars nor more than five thousand dollars. One thousand dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; or

(b) In the case of a person whose alcohol concentration was at least 0.15, or for whom by reason of the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than one hundred twenty days nor more than three hundred sixty-four days and one hundred twenty days of electronic home monitoring. In lieu of the mandatory minimum term of one hundred twenty days of electronic home monitoring, the court may order at least an additional eight days in jail. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device include an alcohol detection breathalyzer, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. Ninety days of imprisonment and one hundred twenty days of electronic home monitoring may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(ii) By a fine of not less than one thousand dollars nor more than five thousand dollars. One thousand dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; or

(b) In the case of a person who had four or more prior offenses within ten years:

(i) A violation of RCW 46.61.520 committed while under the influence of intoxicating liquor or any drug;
(ii) A violation of RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug;
(iii) An out-of-state offense comparable to the offense specified in (b)(i) or (ii) of this subsection; or
(iv) A violation of RCW 46.61.502(6) or 46.61.504(6).

(5)(a) The court shall require any person convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance to ((apply for an ignition interlock driver's license from the department and to have)) comply with the rules and requirements of the department regarding the installation and use of a functioning ignition interlock device installed on all motor vehicles operated by the person.

(b) ((The installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.

(c) An ignition interlock device imposed under this section shall be calibrated to prevent a motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more.

(d) The court may waive the requirement that a person apply for an ignition interlock driver's license if the court makes a specific finding in writing that:
(i) The person lives out-of-state and the devices are not reasonably available in the person's local area;
(ii) The person does not operate a vehicle; or
(iii) The person is not eligible to receive an ignition interlock driver's license under RCW 46.20.385 because the person is not a resident of Washington, is a habitual traffic offender, has already applied for or is already in possession of an ignition interlock driver's license, has never had a driver's license, has been certified under chapter 74.20A RCW as noncompliant with a child support order, or is subject to any other condition or circumstance that makes the person ineligible to obtain an ignition interlock driver's license.

(e) If a court finds that a person is not eligible to receive an ignition interlock driver's license under this section, the court is not required to make any further subsequent inquiry or determination as to the person's eligibility.

(f)) If the court orders that a person refrain from consuming any alcohol ((and requires the person to apply for an ignition interlock driver's license, and the person states that he or she does not operate a motor vehicle or the person is ineligible to obtain an ignition interlock driver's license)), the court ((shall)) may order the person to submit to alcohol monitoring through an alcohol detection breathalyzer device, transdermal sensor device, or other technology designed to detect alcohol in a person's system. ((Alcohol monitoring ordered under this subsection must be for the period of the mandatory license suspension or revocation.)) The person shall pay for the cost of the monitoring unless the court specifies that the cost of monitoring will be paid with funds that are available from an alternative source identified by the court. The county or municipality where the penalty is being imposed shall determine the cost.

((g) The period of time for which ignition interlock use is required will be as follows:
(i) For a person who has not previously been restricted under this section, a period of one year;
(ii) For a person who has previously been restricted under (g)(i) of this subsection, a period of five years;
(iii) For a person who has previously been restricted under (g)(ii) of this subsection, a period of ten years.

(h) Beginning with incidents occurring on or after September 1, 2011, when calculating the period of time for the restriction under RCW 46.20.720(3), the department must also give the person a day-for-day credit for the time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates. For the purposes of this subsection (5)(h), the term "all vehicles" does not include vehicles that would be subject to the employer exception under RCW 46.20.720(3)).

(6) If a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 committed the offense while under the age of sixteen was in the vehicle, the court shall:
(a) In any case in which the installation and use of an interlock or other device is not mandatory under RCW 46.20.720 or other law, order the use of such a device for not less than sixty days following the restoration of the person's license, permit, or nonresident driving privileges; and
(b) In any case in which the installation and use of such a device is otherwise mandatory, order the use of such a device for an additional sixty days.

(7) In exercising its discretion in setting penalties within the limits allowed by this section, the court shall particularly consider the following:
(a) Whether the person's driving at the time of the offense was responsible for injury or damage to another or another's property; and
(b) Whether at the time of the offense the person was driving or in physical control of a vehicle with one or more passengers.

(8) An offender punishable under this section is subject to the alcohol assessment and treatment provisions of RCW 46.61.5056.

(9) The license, permit, or nonresident privilege of a person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs must:
(a) If the person's alcohol concentration was less than 0.15, or if for reasons other than the person's refusal to take a test offered under RCW 46.20.308 there is no test result indicating the person's alcohol concentration:
(i) Where there has been no prior offense within seven years, be suspended or denied by the department for ninety days;
(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for two years; or
(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for three years;
(b) If the person's alcohol concentration was at least 0.15:
(i) Where there has been no prior offense within seven years, be revoked or denied by the department for one year;
(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for nine hundred days; or
(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for four years; or
(c) If by reason of the person's refusal to take a test offered under RCW 46.20.308, there is no test result indicating the person's alcohol concentration:
(i) Where there have been no prior offenses within seven years, be revoked or denied by the department for two years;
(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for three years; or
(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for four years.
The department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under this subsection for a suspension, revocation, or denial imposed under RCW 46.20.3101 arising out of the same incident. For purposes of this subsection, the department shall refer to the driver's record maintained under RCW 46.52.120 when determining the existence of prior offenses.

(10) After expiration of any period of suspension, revocation, or denial of the offender's license, permit, or privilege to drive required by this section, whenever the court imposes up to three hundred sixty-four days in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding five years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive and proof of financial responsibility for the future; (ii) not driving a motor vehicle within this state while having an alcohol concentration of 0.08 or more within two hours after driving; and (iii) not refusing to submit to a test of his or her breath or blood to determine alcohol concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The court may impose conditions of probation that include nonrenewal, installation of an ignition interlock device on the probationer's motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), or (iii) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

(12) A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, additional jail time, work crew, or work camp. Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed three hundred sixty-four days.

(13) An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(3).

(14) For purposes of this section and RCW 46.61.502 and 46.61.504:

(ii) A conviction for a violation of RCW 46.61.504 or an equivalent local ordinance;

(iii) A conviction for a violation of RCW 46.61.520 committed while under the influence of intoxicating liquor or any drug, or a conviction for a violation of RCW 46.61.520 committed in a reckless manner or with the disregard for the safety of others if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520 committed while under the influence of intoxicating liquor or any drug;

(iv) A conviction for a violation of RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug, or a conviction for a violation of RCW 46.61.522 committed in a reckless manner or with the disregard for the safety of others if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug;

(v) A conviction for a violation of RCW 46.61.5249, 46.61.500, 9A.36.050 or an equivalent local ordinance, if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, or of RCW 46.61.520 or 46.61.522;

(vi) An out-of-state conviction for a violation that would have been a violation of (a)(i), (ii), (iii), (iv), or (v) of this subsection if committed in this state;

(viii) A deferred prosecution under chapter 10.05 RCW granted in a prosecution for a violation of RCW 46.61.5249, or an equivalent local ordinance, if the charge under which the deferred prosecution was granted was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, or of RCW 46.61.520 or 46.61.522;

(ix) A deferred prosecution granted in another state for a violation of driving or having physical control of a vehicle while under the influence of intoxicating liquor or any drug if the out-of-state deferred prosecution is equivalent to the deferred prosecution under chapter 10.05 RCW, including a requirement that the defendant participate in a chemical dependency treatment program;

If a deferred prosecution is revoked based on a subsequent conviction for an offense listed in this subsection (14)(a), the subsequent conviction shall not be treated as a prior offense of the revoked deferred prosecution for the purposes of sentencing;

(b) “Within seven years” means that the arrest for a prior offense occurred within seven years before or after the arrest for the current offense; and

(c) “Within ten years” means that the arrest for a prior offense occurred within ten years before or after the arrest for the current offense.

Sec. 13. RCW 46.61.5249 and 2011 c 293 s 5 are each amended to read as follows:

(1) A person is guilty of negligent driving in the first degree if he or she operates a motor vehicle in a manner that is both negligent and endangers or is likely to endanger any person or property, and
exhibits the effects of having consumed liquor or an illegal drug or exhibits the effects of having inhaled or ingested any chemical, whether or not a legal substance, for its intoxicating or hallucinatory effects.

(b) It is an affirmative defense to negligent driving in the first degree by means of exhibiting the effects of having consumed an illegal drug that must be proved by the defendant by a preponderance of the evidence, that the driver has a valid prescription for the drug consumed, and has been consuming it according to the prescription directions and warnings.

(c) Negligent driving in the first degree is a misdemeanor.

(2) For the purposes of this section:

(a) "Negligent" means the failure to exercise ordinary care, and is the doing of some act that a reasonably careful person would not do under the same or similar circumstances or the failure to do something that a reasonably careful person would do under the same or similar circumstances.

(b) "Exhibiting the effects of having consumed liquor" means that a person has the odor of liquor on his or her breath, or that by speech, manner, appearance, behavior, lack of coordination, or otherwise exhibits that he or she has consumed liquor, and either:

(i) Is in possession of or in close proximity to a container that has or recently had liquor in it; or

(ii) Is shown by other evidence to have recently consumed liquor.

(c) "Exhibiting the effects of having consumed an illegal drug" means that a person by speech, manner, appearance, behavior, lack of coordination, or otherwise exhibits that he or she has consumed an illegal drug and either:

(i) Is in possession of an illegal drug; or

(ii) Is shown by other evidence to have recently consumed an illegal drug.

(d) "Exhibiting the effects of having inhaled or ingested any chemical, whether or not a legal substance, for its intoxicating or hallucinatory effects" means that a person by speech, manner, appearance, behavior, lack of coordination or otherwise exhibits that he or she has inhaled or ingested a chemical and either:

(i) Is in possession of the canister or container from which the chemical came; or

(ii) Is shown by other evidence to have recently inhaled or ingested a chemical for its intoxicating or hallucinatory effects.

(e) "Illegal drug" means a controlled substance under chapter 69.50 RCW for which the driver does not have a valid prescription or that is not being consumed in accordance with the prescription directions and warnings, or a legend drug under chapter 69.41 RCW for which the driver does not have a valid prescription or that is not being consumed in accordance with the prescription directions and warnings.

(3) Any act prohibited by this section that also constitutes a crime under any other law of this state may be the basis of prosecution under such other law notwithstanding that it may also be the basis for prosecution under this section.

(4) A person convicted of negligent driving in the first degree who has one or more prior offenses as defined in RCW 46.20.385, 46.20.720, and 46.61.5055 to install an ignition interlock device in all vehicles owned or operated by the person. At a minimum, the fees must be set at a level necessary to support effective performance of the duties identified in this section.

The state patrol must report back to the transportation committees of the legislature and the office of financial management by December 1st of each year on the level of the fees that have been adopted and whether those fees are sufficient to cover the cost of performing the duties listed in this section.

(2) Fees collected under this section must be deposited into the highway safety account to be used solely to fund the Washington state patrol impaired driving section projects.

Sec. 16. RCW 43.43.395 and 2010 c 268 s 2 are each amended to read as follows:

(1) The state patrol shall by rule provide standards for the certification, installation, repair, maintenance, monitoring, inspection, and removal of ignition interlock devices, as defined under RCW 46.04.215, and equipment as outlined under this section, and may inspect the records and equipment of manufacturers and vendors during regular business hours for compliance with statutes and rules and may suspend or revoke certification for any noncompliance. The state patrol may only inspect ignition interlock devices in the vehicles of customers for proper installation and functioning when installation is being done at the vendors' place of business.

(2) (a) When a certified service provider or individual installer of ignition interlock devices is found to be out of compliance, the installation privileges of that certified service provider or individual installer may be suspended or revoked until the certified service provider or individual installer comes into compliance. During any suspension or revocation period, the certified service provider or individual installer is responsible for notifying affected customers of any changes in their service agreement.

(b) A certified service provider or individual installer whose certification is suspended or revoked for noncompliance has a right to an administrative hearing under chapter 34.05 RCW to contest the suspension or revocation, or both. For the administrative hearing, the procedure and rules of evidence are as specified in chapter 34.05 RCW, except as otherwise provided in this chapter. Any request for an administrative hearing must be made in writing and must be received by the state patrol within twenty days after the receipt of the notice of suspension or revocation.

(3) (a) An ignition interlock device must employ fuel cell technology. For the purposes of this subsection, "fuel cell technology" consists of the following electrochemical method: An electrolyte designed to oxidize the alcohol and release electrons to be collected by an active electrode; a current flow is generated within the electrode proportional to the amount of alcohol oxidized on the fuel cell surface; and the electrical current is measured and reported as breath alcohol concentration. Fuel cell technology is highly specific for alcohols.

(b) When reasonably available in the area, as determined by the state patrol, an ignition interlock device must employ technology capable of taking a photo identification of the user giving the breath sample and recording on the photo the time the breath sample was given.

(c) To be certified, an ignition interlock device must:

(i) Meet or exceed the minimum test standards according to rules adopted by the state patrol. Only a notarized statement from a laboratory that is certified by the international organization of
standardization and is capable of performing the tests specified will be accepted as proof of meeting or exceeding the standards. The notarized statement must include the name and signature of the person in charge of the tests under the following statement:

"Two samples of (model name), manufactured by (manufacturer) were tested by (laboratory), certified by the Internal Organization of Standardization. They do meet or exceed all specifications listed in the Federal Register, Volume 71, Number 31 (57 FR 11772), Breath Alcohol Ignition Interlock Devices (BAIID), NHTSA 2005-23470."; and

(ii) Be maintained in accordance with the rules and standards adopted by the state patrol.

MESSAGE FROM THE HOUSE

March 8, 2012

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6492 with the following amendment(s): 6492-S AMH ENGR H4693.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this act is to sustainably improve the timeliness of services related to competency to stand trial by setting performance expectations, establishing new mechanisms for accountability, and enacting reforms to ensure that forensic resources are expended in an efficient and clinically appropriate manner without diminishing the quality of competency services, and to reduce the time defendants with mental illness spend in jail awaiting evaluation and restoration of competency.

NEW SECTION. Sec. 2. A new section is added to chapter 10.77 RCW to read as follows:

(1)(a) The legislature establishes the following performance targets for the timeliness of the completion of accurate and reliable evaluations of competency to stand trial and admissions for inpatient services related to competency to proceed or stand trial for adult criminal defendants. The legislature recognizes that these targets may not be achievable in all cases without compromise to quality of evaluation services, but intends for the department to manage, allocate, and request appropriations for resources in order to meet these targets whenever possible without sacrificing the accuracy of competency evaluations, and to otherwise make sustainable improvements and track performance related to the timeliness of competency services:

(i) For a state hospital to extend an offer of admission to a defendant in pretrial custody for legally authorized treatment or evaluation services related to competency, to stand trial or to extend an offer of admission for legally authorized services following dismissal of charges based on incompetent to proceed or stand trial, seven days or less;

(ii) For completion of a competency evaluation in jail and distribution of the evaluation report for a defendant in pretrial custody, seven days or less;

(iii) For completion of a competency evaluation in the community and distribution of the evaluation report for a defendant..."
who is released from custody and makes a reasonable effort to cooperate with the evaluation, twenty-one days or less.

(b) The time periods measured in these performance targets shall run from the date on which the state hospital receives the court referral and charging documents, discovery, and criminal history information related to the defendant. The targets in (a)(i) and (ii) of this subsection shall be phased in over a six-month period from the effective date of this section. The target in (a)(iii) of this subsection shall be phased in over a twelve-month period from the effective date of this section.

(c) The legislature recognizes the following nonexclusive list of circumstances that may place achievement of targets for completion of competency services described in (a) of this subsection out of the department's reach in an individual case without aspersion to the efforts of the department:

(i) Despite a timely request, the department has not received necessary medical clearance information regarding the current medical status of a defendant in pretrial custody for the purposes of admission to a state hospital;
(ii) The individual circumstances of the defendant make accurate completion of an evaluation of competency to proceed or stand trial dependent upon review of medical history information which is in the custody of a third party and cannot be immediately obtained by the department. Completion of a competency evaluation shall not be postponed for procurement of medical history information which is merely supplementary to the competency determination;
(iii) Completion of the referral is frustrated by lack of availability or participation by counsel, jail or court personnel, interpreters, or the defendant; or
(iv) An unusual spike in the receipt of evaluation referrals or in the number of defendants requiring restoration services has occurred, causing temporary delays until the unexpected excess demand for competency services can be resolved.

(2) The department shall:

(a) Develop, document, and implement procedures to monitor the clinical status of defendants admitted to a state hospital for competency services that allow the state hospital to accomplish early discharge for defendants for whom clinical objectives have been achieved or may be achieved before expiration of the commitment period;
(b) Investigate the extent to which patients admitted to a state hospital under this chapter overstay time periods authorized by law and take reasonable steps to limit the time of commitment to authorized periods; and
(c) Establish written standards for the productivity of forensic evaluators and utilize these standards to internally review the performance of forensic evaluators.

(3) Following any quarter in which a state hospital has failed to meet one or more of the performance targets in subsection (1) of this section after full implementation of the performance target, the department shall report to the executive and the legislature the extent of this deviation and describe any corrective action being taken to improve performance. This report must be made publicly available. An average may be used to determine timeliness under this subsection.

(4) Beginning December 1, 2013, the department shall report annually to the legislature and the executive on the timeliness of services related to competency to proceed or stand trial and the timeliness with which court referrals accompanied by charging documents, discovery, and criminal history information are provided to the department relative to the signature date of the court order. The report must be in a form that is accessible to the public and that breaks down performance by county.

(5) This section does not create any new entitlement or cause of action related to the timeliness of competency evaluations or admission for inpatient services related to competency to proceed or stand trial, nor can it form the basis for contempt sanctions under chapter 7.21 RCW or a motion to dismiss criminal charges.

Sec. 3. RCW 10.77.060 and 2004 c 9 s 1 are each amended to read as follows:

(1)(a) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate ((at least two)) a qualified expert((s)) or professional person((s)) who shall be approved by the prosecuting attorney, to ((examine)) evaluate and report upon the mental condition of the defendant. ((At least one of the experts or professional persons appointed shall be a developmental disabilities professional)) If the court is advised by any party that the defendant may ((be developmentally disabled)) have a developmental disability, the evaluation must be performed by a developmental disabilities professional. ((Upon agreement of the parties, the court may designate one expert or professional person to conduct the examination and report on the mental condition of the defendant. For purposes of the examination, the court may order))

(b) The signed order of the court shall serve as authority for the ((expert(s)) evaluator to be given access to all records held by any mental health, medical, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. ((At least one of the experts or professional persons appointed shall be a developmental disabilities professional))

(c) The legislature recognizes the following nonexclusive list of circumstances that may place achievement of targets for completion of competency services described in (a) of this subsection out of the department's reach in an individual case without aspersion to the efforts of the department:

(i) The defendant is charged with murder in the first or second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation. ((If the defendant is being held in jail or other detention facility, upon agreement of the parties, the court may order that the examination be conducted at the jail or other detention facility.))

(d) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for a period of ((time necessary to complete the examination, but)) commitment not to exceed fifteen days from the time of admission to the facility. Otherwise, the evaluator shall complete the evaluation.

(e) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if:

(1) The defendant is charged with murder in the first or second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation. ((If the defendant is committed to a hospital or secure mental health facility, upon agreement of the parties, the court may order that the examination be conducted at the jail or other detention facility.))

(f) When a defendant is ordered to be committed for inpatient ((examination)) evaluation under this subsection (1), the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the ((expert or professional persons)) evaluator regarding the defendant's competency, sanity, or
null
provide prompt written notification of the results of the detention proceedings under chapter 71.05 RCW pursuant to designated mental health professional for consideration of initial proceedings.

(2) If the defendant is referred for evaluation by a program specifically developed for the particular needs of the defendant. A copy of the evaluation shall be sent to the program.

(A) The program shall be separate from programs serving persons involved in any other treatment or habilitation program.

(B) The program shall be appropriately secure under the circumstances and shall be administered by developmental disabilities professionals who shall direct the habilitation efforts.

(C) The program shall provide an environment affording security appropriate with the charged criminal behavior and necessary to protect the public safety.

(ii) The department may limit admissions of such persons to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services.

(iii) The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department.

(c)) At the end of the mental health treatment and restoration period, if any, or at any time a professional person determines competency has been, or is unlikely to be, restored, the defendant shall be returned to court for a hearing. The parties may agree to waive the defendant's presence or to remote participation by the defendant at a hearing or presentation of an agreed order. The recommendation of the evaluator is for the continuance of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to expiration of the defendant's authorized period of commitment, in which case the department shall promptly notify the court and parties of the date of the defendant's admission and expiration of commitment so that a timely hearing date may be scheduled. If, after notice and hearing, competency has been restored, the stay entered under (a) of this subsection shall be lifted. If competency has not been restored, the proceedings shall be dismissed without prejudice. If the court concludes that competency has not been restored, but that further treatment within the time limits established by RCW 10.77.086 or 10.77.088 is likely to restore competency, the court may order that treatment for purposes of competency restoration be continued. Such treatment may not extend beyond the combination of time provided for in RCW 10.77.086 or 10.77.088.

((i)(b))) (2) If at any time during the proceeding the court finds, following notice and hearing, a defendant is not likely to regain competency, the proceedings shall be dismissed without prejudice and the defendant shall be evaluated for civil commitment proceedings.

(2) If the defendant is referred or evaluated by a designated mental health professional (for consideration of initial detention proceedings under chapter 71.05 RCW pursuant to)) under this chapter, the designated mental health professional shall provide prompt written notification of the results of the ((determination whether to commence initial detention proceedings under chapter 71.05 RCW)) evaluation and whether the person was detained. The notification shall be provided to the court in which the criminal action was pending, the prosecutor, the defense attorney in the criminal action, and the facility that evaluated the defendant for competency.

(3) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(4) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables the defendant to understand the proceedings against him or her and to assist in his or her own defense, or does not disable him or her from so understanding and assisting in his or her own defense.

(5) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of ((examination)) evaluation which meets the requirements of RCW 10.77.060(3). For defendants charged with a felony, the report following the second competency restoration period or first competency restoration period if the defendant's incompetence is determined to be solely due to a developmental disability or the evaluator concludes that the defendant is not likely to regain competency must include an assessment of the defendant's future dangerousness which is evidence-based regarding predictive validity.

Sec. 6. RCW 10.77.086 and 2007 c 375 s 4 are each amended to read as follows:

(1)(a) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, or has been determined unlikely to regain competency pursuant to RCW 10.77.084(1)((c)) (b), but in any event for a period of no longer than ninety days, the court: ((c))) (i) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment; or

((i)(d))) (ii) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person.

(b) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial period of commitment for competency restoration is forty-five days.

(2) On or before expiration of the initial ((ninety-day)) period of commitment under subsection (1) of this section the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a defendant charged with a felony is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional ((ninety-day)) period of ninety days, but the court must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second ((ninety-day)) restoration period. The defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second ((ninety-day)) or third restoration period((nor for any subsequent period)) as provided in subsection (4) of this section((,(c))) if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension.
NEW SECTION. A new section is added to chapter 10.77 RCW to read as follows:

(1) A defendant found incompetent by the court under RCW 10.77.084 must be evaluated at the direction of the secretary and a determination made whether the defendant is an individual with a developmental disability. Such evaluation and determination must be accomplished as soon as possible following the court's placement of the defendant in the custody of the secretary.

(2) When appropriate, and subject to available funds, if the defendant is determined to be an individual with a developmental disability, he or she may be placed in a program specifically developed for the particular needs of the defendant. A copy of the evaluation must be sent to the program.

(a) The program must be separate from programs serving persons involved in any other treatment or habilitation program.

(b) The program must be appropriately secure under the circumstances and must be administered by developmental disabilities professionals who shall direct the habilitation efforts.

(c) The program must provide an environment affording security appropriate with the charged criminal behavior and necessary to protect the public safety.

(3) The department may limit admissions of such persons to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services.

(4) The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department.

NEW SECTION. A new section is added to chapter as criminally insane by following the same procedures applicable to the administration of antipsychotic medication without consent to a civilly committed patient under RCW 71.05.217, except for the following:

(a) The maximum period during which the court may authorize the administration of medication without consent under a single involuntary medication petition shall be the time remaining on the individual's current order of commitment or one hundred eighty days, whichever is shorter; and

(b) A petition for involuntary medication may be filed in either the superior court of the county that ordered the commitment or the superior court of the county in which the individual is receiving treatment, provided that a copy of any order that is entered must be provided to the superior court of the county that ordered the commitment following the hearing. The superior court of the county of commitment shall retain exclusive jurisdiction over all hearings concerning the release of the patient.

(2) The court shall not authorize the administration of antipsychotic medication without consent to an individual who is committed under this chapter as criminally insane when refusal of antipsychotic medication would result in a likelihood of serious harm or substantial deterioration or substantially prolong the length of involuntary commitment and there is no less intrusive course of treatment than medication that is in the best interest of the patient.

NEW SECTION. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect May 1, 2012.

Correct the title.

and the same are herewith transmitted.

RULING BY THE PRESIDENT

President Owen: “In ruling on the Points of Order raised by Senator Padden and Senator Benton as to whether the conference committee report to Engrossed Substitute Senate Bill 6455 is outside of the scope and object of the underlying bill and also raises taxes under Initiative No. 1053, the President finds and rules as follows:

The President finds no basis to conclude that the conference committee report impermissibly introduces a new subject into the bill. The report’s language is within the scope and object of the underlying measure.

With respect to whether the increase in abstract fees is a tax increase as opposed to a fee, the President believes that there is an appropriate nexus between those paying the fee and the purposes for which the fee can be used. Half of the abstract fee is used by the Department of Licensing, which must maintain the program and generate the abstracts; the other half is used for highway safety purposes. These uses are sufficiently connected to those paying the fee to avoid the supermajority requirements of I-1053. For these reasons, Senator Benton’s point is not well-taken.

The fees collected for recreational vehicles, however, are not presently sufficiently tailored to benefit the class of persons paying the fee. While the President believes that a fee could be collected to support recreational vehicle purposes at parks, the conference report language allows the money collected to be used for the operation and maintenance of parks with overnight and recreational vehicle facilities. This support of parks in general is a broad purpose, and thus the fee collected is properly characterized as a tax for purposes of I-1053. For these reasons, Senator Padden’s point is well-taken and the bill will take a two-thirds vote on final passage.”

MOTION

On motion of Senator Eide, further consideration of Engrossed Substitute Senate Bill No. 6455 was deferred and the bill held its place on the Conference calendar.

PERSONAL PRIVILEGE

Senator Kohl-Welles: “Thank you Mr. President. I believe that this is a good time to mention that we have a holiday today. This is the 101\textsuperscript{st} anniversary of International Women’s Day. It is celebrated all over the world. It may seem frivolous to some people in this body, however, when it first began in 1911 at an International Conference in Copenhagen recommended that all countries recognized the achievements and the difficulties faced by women in the world. It was one week later on March 19, 1911 that the Triangle fire occurred in New York City which one hundred forty working women, mainly Italian and Jewish immigrants, perished because they were locked into a garment factory when the fire broke out and could not escape and died. Ever since 1975, the United Nations having proclaimed March 8 as International Women’s Day, we have had celebrations all over the world including in the United States. We’ve had much to celebrate here in the state of Washington. We’ve been a leader in the country in terms of women in elected office. We’re the only state in the history of the country that’s had a female Governor and our two U. S. Senators being women. We’ve also had been a leader in women participation in the legislature. We’re number six right now with thirty-two percent of us being women but from 1994 through 2006 we were number one in the entire country, for twelve years, with nearly forty-one percent of the legislature being comprised of women. There are many things that we can...
recognize with the state of Washington. One other very important one is that we enacted women’s right to vote ten years before it happened nationally. We did it in 1910. Mr. President, may I read just one short quote? This comes from a notable and highly regarded former first lady of the United States, Barbara Bush, of course, who has been known for her strong belief in equality for women and she said; ‘Somewhere out in this audience may even be someday who will follow in my footsteps and preside over the White House as the President’s spouse. I wish him well.’ Thank you Mr. President.”

PERSONAL PRIVILEGE

Senator Padden: “Well, just to follow up on some of the lady from the Thirty-sixth District. You may not remember this but the very first legislative district in the whole United States to have only women representation was my colleague from Spokane, Majority Leaders district, in 1982 was represented by Senator Margaret Hurley in the Senate and in the House by Representatives Lois Stratton and Margaret Leonard. The very first. They thought a little bit more like I did than some of the women today but anyway I thought you would be interested in that. Thank you.”

PERSONAL PRIVILEGE

Senator Chase: “Thank you Mr. President. I rise to honor women today, this evening. You know ninety-eight years ago, ninety-nine maybe by now, Nelly Axelrod from Bellingham joined this august body to become one of the first women to serve in this legislature. You know we think about the years since that time and it was only in 1945 that women and men were finally in an international treaty positive as equals, in the Treaty of the united Nations and the Universal Declaration of the Human Rights but it was not until 1991-92 in Vienna that women’s rights were considered to be human rights. You know this is an important time for women, to renew our interest in human rights and I urge to start thinking in terms of how far we have come and how far we have to go. There are young women in our society and in our state who think that the rights that they currently enjoy are there forever but you know for someone who has been in the trenches, as it were, all of my life struggling for women’s rights it is something that we need to defend at all times. I thank the gentle lady from the Thirty-sixth for bringing this issue forward.”

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

The House receded from its amendment(s) to SUBSTITUTE SENATE BILL NO. 6492. Under suspension of the rules, the bill was returned to second reading for the purpose of an amendment. The House adopted the following amendment: 6492-S AMH PEDE H4705.1, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this act is to sustainably improve the timeliness of services related to competency to stand trial by setting performance expectations, establishing new mechanisms for accountability, and enacting reforms to ensure that forensic resources are expended in an efficient and clinically appropriate manner without diminishing the quality of competency services, and to reduce the time defendants with mental illness spend in jail awaiting evaluation and restoration of competency.

NEW SECTION. Sec. 2. A new section is added to chapter 10.77 RCW to read as follows:

(1) The legislature establishes the following performance targets for the timeliness of the completion of accurate and reliable evaluations of competency to stand trial and admissions for inpatient services related to competency to proceed or stand trial for adult criminal defendants. The legislature recognizes that these targets may not be achievable in all cases without compromise to quality of evaluation services, but intends for the department to manage, allocate, and request appropriations for resources in order to meet these targets whenever possible without sacrificing the accuracy of competency evaluations, and to otherwise make sustainable improvements and track performance related to the timely completion of competency services:

(i) For a state hospital to extend an offer of admission to a defendant in pretrial custody for legally authorized treatment or evaluation services related to competency, or to extend an offer of admission for legally authorized services following dismissal of charges based on incompetent to proceed or stand trial, seven days or less;

(ii) For completion of a competency evaluation in jail and distribution of the evaluation report for a defendant in pretrial custody, seven days or less;

(iii) For completion of a competency evaluation in the community and distribution of the evaluation report for a defendant who is released from custody and makes a reasonable effort to cooperate with the evaluation, twenty-one days or less.

(b) The time periods measured in these performance targets shall run from the date on which the state hospital receives the court referral and charging documents, discovery, and criminal history information related to the defendant. The targets in (a)(i) and (ii) of this subsection shall be phased in over a six-month period from the effective date of this section. The target in (a)(iii) of this subsection shall be phased in over a twelve-month period from the effective date of this section.

(c) The legislature recognizes the following nonexclusive list of circumstances that may place achievement of targets for completion of competency services described in (a) of this subsection out of the department's reach in an individual case without aspersion to the efforts of the department:

(i) Despite a timely request, the department has not received necessary medical clearance information regarding the current medical status of a defendant in pretrial custody for the purposes of admission to a state hospital;

(ii) The individual circumstances of the defendant make accurate completion of an evaluation of competency to proceed or stand trial dependent upon review of medical history information which is in the custody of a third party and cannot be immediately obtained by the department. Completion of a competency evaluation shall not be postponed for procurement of medical history information which is merely supplementary to the competency determination;

(iii) Completion of the referral is frustrated by lack of availability or participation by counsel, jail or court personnel, interpreters, or the defendant;

(iv) An unusual spike in the receipt of evaluation referrals or in the number of defendants requiring evaluation services has occurred, causing temporary delays until the unexpected excess demand for competency services can be resolved.

(2) The department shall:

(a) Develop, document, and implement procedures to monitor the clinical status of defendants admitted to a state hospital for competency services that allow the state hospital to accomplish early discharge for defendants for whom clinical objectives have been achieved or may be achieved before expiration of the commitment period;

(b) Investigate the extent to which patients admitted to a state hospital under this chapter overstay time periods authorized by law and take reasonable steps to limit the time of commitment to authorized periods; and

(c) Establish written standards for the productivity of forensic evaluators and utilize these standards to internally review the performance of forensic evaluators.

(3) Following any quarter in which a state hospital has failed to meet one or more of the performance targets in subsection (1) of this section after full implementation of the performance target, the department shall report to the executive and the legislature the extent of this deviation and describe any corrective action being taken to improve performance. This report must be made publicly available. An average may be used to determine timeliness under this subsection.

(4) Beginning December 1, 2013, the department shall report annually to the legislature and the executive on the timeliness of services related to competency to proceed or stand trial and the timeliness with which court referrals accompanied by charging documents, discovery, and criminal history information are provided to the department relative to the signature date of the court order. The report must be in a form that is accessible to the public and that breaks down performance by county.
(5) This section does not create any new entitlement or cause of action related to the timeliness of competency evaluations or admission for inpatient services related to competency to proceed or stand trial, nor can it form the basis for contempt sanctions under chapter 7.21 RCW or a motion to dismiss criminal charges.

Sec. 3. RCW 10.77.060 and 2004 c 9 s 1 are each amended to read as follows:

(1)(a) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate ((at least two)) a qualified expert(s) or professional person(s), ((one of whom)) who shall be approved by the prosecuting attorney, to ((examine)) evaluate and report upon the mental condition of the defendant.

(b) The signed order of the court shall serve as authority for the ((expert or professional persons)) evaluator to be given access to all records held by any mental health, medical, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. ((At least one of the experts or professional persons appointed shall be a developmental disabilities professional)) If the court is advised by any party that the defendant may ((be developmentally disabled)) have a developmental disability, the evaluation must be performed by a developmental disabilities professional. ((Upon agreement of the parties, the court may designate one expert or professional person to conduct the examination and report on the mental condition of the defendant. For purposes of the examination, the court may order))

(c) The evaluator shall assess the defendant in a jail, detention facility, in the community, or in court to determine whether a period of inpatient commitment will be necessary to complete an accurate evaluation. If inpatient commitment is needed, the signed order of the court shall serve as authority for the evaluator to request the jail or detention facility to transport the defendant ((committed)) to a hospital or (other suitable)) secure ((public or private)) mental health facility for a period of ((time necessary to complete the examination, but)) commitment not to exceed fifteen days from the time of admission to the facility. Otherwise, the evaluator shall complete the evaluation.

(d) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if:

(i) The defendant is charged with murder in the first or second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation. ((If the defendant is being held in jail or other detention facility, upon agreement of the parties, the court may direct that the examination be conducted at the jail or other detention facility.))

(e) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for evaluation, all parties agree to waive the presence of the defendant or to the defendant's remote participation at a subsequent competency hearing or presentation of an agreed order if the recommendation of the evaluator is for continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to the expiration of the authorized commitment period.

(f) When a defendant is ordered to be committed for inpatient ((examination)) evaluation under this subsection (1), the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the ((expert or professional persons)) evaluator regarding the defendant's competency, sanity, or diminished capacity; (ii) whether the defendant has a recent history of one or more violent acts; (iii) whether the defendant has previously been acquitted by reason of insanity or found incompetent; (iv) whether it is reasonably likely the defendant will fail to appear for a future court hearing; and (v) whether the defendant is a threat to public safety.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the ((examination)) evaluation authorized by subsection (1) of this section, and that the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the ((examination)) evaluation shall include the following:

(a) A description of the nature of the ((examination)) evaluation; (b) A diagnosis or description of the current mental ((condition)) status of the defendant; (c) If the defendant suffers from a mental disease or defect, or ((is developmentally disabled)) has a developmental disability, an opinion as to competency; (d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, and an evaluation and report by an expert or professional person has been provided concluding that the defendant was criminally insane at the time of the alleged offense, an opinion as to the defendant's sanity at the time of the act, and an opinion as to whether the defendant presents a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, provided that no opinion shall be rendered under this subsection (3)(d) unless the evaluator or court determines that the defendant is competent to stand trial; (e) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged; (f) An opinion as to whether the defendant should be evaluated by a ((disabled)) designated mental health professional under chapter 71.05 RCW((, and an opinion as to whether the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions)).

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

Sec. 4. RCW 10.77.065 and 2008 c 213 s 1 are each amended to read as follows:

(1)(a) The ((facility)) expert conducting the evaluation shall provide ((his)) his or her report and recommendation to the court in which the criminal proceeding is pending. For a competency evaluation of a defendant who is released from custody, if the evaluation cannot be completed within twenty-one days due to a lack of cooperation by the defendant, the evaluator shall notify the court that he or she is unable to complete the evaluation because of such lack of cooperation.

(ii) A copy of the report and recommendation shall be provided
to the designated mental health professional, the prosecuting attorney, the defense attorney, and the professional person at the local correctional facility where the defendant is being held, or if there is no professional person, to the person designated under (a)(iii) (iv) of this subsection. Upon request, the (( facility)) evaluator shall also provide copies of any source documents relevant to the evaluation to the designated mental health professional. (The report and recommendation shall be provided not less than twenty-four hours preceding the transfer of the defendant to the correctional facility in the county in which the criminal proceeding is pending. 

(iii) (iii) Any facility providing inpatient services related to competency shall discharge the defendant as soon as the facility determines that the defendant is competent to stand trial. Discharge shall not be postponed during the writing and distribution of the evaluation report. Distribution of an evaluation report by a facility providing inpatient services shall ordinarily be accomplished within two working days or less following the final evaluation of the defendant. If the defendant is discharged to the custody of a local correctional facility, the local correctional facility must continue the medication regimen prescribed by the facility, when clinically appropriate, unless the defendant refuses to cooperate with medication.

(iv) If there is no professional person at the local correctional facility, the local correctional facility shall designate a professional person as defined in RCW 71.05.020 or, in cooperation with the regional support network, a professional person at the regional support network to receive the report and recommendation.

(a) Upon commencement of a defendant's evaluation in the local correctional facility, the local correctional facility must notify the evaluator (or the facility conducting the evaluation) of the name of the professional person, or person designated under (a)(iii) (iv) of this subsection, to receive the report and recommendation.

(b) If the (( facility)) evaluator concludes, under RCW 10.77.060(3)(f), the person should be ((kept under further control, an evaluation shall be conducted of such person)) evaluated by a designated mental health professional under chapter 71.05 RCW((,)) the court shall order (iaa) such evaluation be conducted (by the appropriate designated mental health professional: (ii)) prior to release from confinement ((for such person who is committed, if sentenced to confinement for twenty-four months or less; (ii) for any person who is acquitted; or (iii) for any person:  (A) Whose charges are dismissed pursuant to RCW 10.77.086(4); or (B) whose nonfelony charges are dismissed)) when the person is acquitted or convicted and sentenced to confinement for twenty-four months or less, or when charges are dismissed pursuant to a finding of incompetent to stand trial.

(2) The designated mental health professional shall provide written notification within twenty-four hours of the results of the determination whether to commence proceedings under chapter 71.05 RCW. The notification shall be provided to the persons identified in subsection (1)(a) of this section.

(3) The prosecuting attorney shall provide a copy of the results of any proceedings commenced by the designated mental health professional under subsection (2) of this section to the (( facility conducting the evaluation under this chapter))) secretary.

(4) The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services under this chapter may also be disclosed to the courts solely to prevent the entry of any evaluation or treatment order that is inconsistent with any order entered under chapter 71.05 RCW.

Sec. 5. RCW 10.77.084 and 2007 c 375 s 3 are each amended to read as follows:

(1)(a) If at any time during the pendency of an action and prior to judgment the court finds, following a report as provided in RCW 10.77.060, a defendant is incompetent, the court shall order the proceedings against the defendant be stayed except as provided in subsection (4) of this section.

(b) (A defendant found incompetent shall be evaluated at the direction of the secretary and a determination made whether the defendant is an individual with a developmental disability. Such evaluation and determination shall be accomplished as soon as possible following the court's placement of the defendant in the custody of the secretary.

(i) When appropriate, and subject to available funds, if the defendant is determined to be an individual with a developmental disability, he or she may be placed in a program specifically reserved for the treatment and training of persons with developmental disabilities where the defendant shall have the right to habilitation according to an individualized service plan specifically developed for the particular needs of the defendant. A copy of the evaluation shall be sent to the program.

(A) The program shall be separate from programs serving persons involved in any other treatment or habilitation program.

(B) The program shall be appropriately secure under the circumstances and shall be administered by developmental disabilities professionals who shall direct the habilitation efforts.

(C) The program shall provide an environment affording security appropriate with the charged criminal behavior and necessary to protect the public safety.

(ii) The department may limit admissions of such persons to this program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services.

(iii) The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department.

(c)) At the end of the mental health treatment and restoration period, if any, or at any time a professional person determines competency has been, or is unlikely to be, restored, the defendant shall be returned to court for a hearing. The parties may agree to waive the defendant's presence or to remote participation by the defendant at a hearing or presentation of an agreed order if the recommendation of the evaluator is for the continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to expiration of the defendant's authorized period of commitment, in which case the department shall promptly notify the court and parties of the date of the defendant's admission and expiration of commitment so that a timely hearing date may be scheduled. If, after notice and hearing, competency has been restored, the stay entered under (a) of this subsection shall be lifted. If competency has not been restored, the proceedings shall be dismissed without prejudice. If the court concludes that competency has not been restored, but that further treatment within the time limits established by RCW 10.77.086 or 10.77.088 is likely to restore competency, the court may order that treatment for purposes of competency restoration be continued. Such treatment may not extend beyond the combination of time provided for in RCW 10.77.086 or 10.77.088.

((d))) (c) If at any time during the proceeding the court finds, following notice and hearing, a defendant is not likely to regain competency, the proceedings shall be dismissed without prejudice and the defendant shall be evaluated for civil commitment proceedings.

(2) If the defendant is referred ((to the)) for evaluation by a designated mental health professional ((for consideration of initial detention proceedings under chapter 71.05 RCW pursuant to))
under this chapter, the designated mental health professional shall provide prompt written notification of the results of the (determination whether to commence initial detention proceedings under chapter 71.05 RCW) evaluation and whether the person was detained. The notification shall be provided to the court in which the criminal action was pending, the prosecutor, the defense attorney in the criminal action, and the facility that evaluated the defendant for competency.

(3) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(4) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables the defendant to understand the proceedings against him or her and to assist in his or her own defense, or does not disable him or her from so understanding and assisting in his or her own defense.

(5) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of (examination) evaluation which meets the requirements of RCW 10.77.060(3). For defendants charged with a felony, the report following the second competency restoration period or first competency restoration period if the defendant's incompetency is determined to be solely due to a developmental disability or the evaluator concludes that the defendant is not likely to regain competency must include an assessment of the defendant's future dangerousness which is evidence-based regarding predictive validity.

Sec. 6. RCW 10.77.086 and 2007 c 375 s 4 are each amended to read as follows:

(1)(a) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, or has been determined unlikely to regain competency pursuant to RCW 10.77.084(1)((a))((b)), but in any event for a period of no longer than ninety days, the court:

((a)) (i) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment; or

((a)) (ii) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person.

(b) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial period of commitment for competency restoration is forty-five days.

(2) On or before expiration of the initial ((ninety-day)) period of commitment under subsection (1) of this section the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a defendant charged with a felony is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional ((ninety-day)) period of ninety days, but the court must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second ((ninety-day)) restoration period. The defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second ((ninety-day)) or third restoration period((not for any subsequent period)) as provided in subsection (4) of this section((s)) if the defendant's incompetency has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension.

(4) For persons charged with a felony, at the hearing upon the expiration of the second ((ninety-day)) restoration period or at the end of the first ((ninety-day)) restoration period, in the case of a defendant with a developmental disability, if the jury or court finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and (either civil commitment proceedings shall be instituted) the court shall either order the release of the defendant or order the defendant to be committed to a hospital or secure mental health facility for up to seventy-two hours starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation of the purpose of filing a civil commitment petition. The criminal charges shall not be dismissed if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

NEW SECTION. Sec. 7. A new section is added to chapter 10.77 RCW to read as follows:

(1) A defendant found incompetent by the court under RCW 10.77.084 must be evaluated at the direction of the secretary and a determination made whether the defendant is an individual with a developmental disability. Such evaluation and determination must be accomplished as soon as possible following the court's placement of the defendant in the custody of the secretary.

(2) When appropriate, and subject to available funds, if the defendant is determined to be an individual with a developmental disability, he or she may be placed in a program specifically reserved for the treatment and training of persons with developmental disabilities where the defendant has the right to habilitation according to an individualized service plan specifically developed for the particular needs of the defendant. A copy of the evaluation must be sent to the program.

(a) The program must be separate from programs serving persons involved in any other treatment or habilitation program.

(b) The program must be appropriately secure under the circumstances and must be administered by developmental disabilities professionals who shall direct the habilitation efforts.

(c) The program must provide an environment affording security appropriate with the charged criminal behavior and necessary to protect the public safety.

(3) The department may limit admissions of such persons to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services.

(4) The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department.

Sec. 8. RCW 71.05.310 and 2005 c 504 s 709 are each amended to read as follows:
The court shall conduct a hearing on the petition for ninety-day treatment within five judicial days of the first court appearance after the probable cause hearing, or within ten judicial days for a petition filed under RCW 71.05.280(3). The court may continue the hearing for good cause upon the written request of the person named in the petition or the person's attorney. The court may continue for good cause (shown which continuances shall not exceed five additional judicial days) the hearing on a petition filed under RCW 71.05.280(3) upon written request by the person named in the petition, the person's attorney, or the petitioner. If the person named in the petition requests a jury trial, the trial shall commence
within ten judicial days of the first court appearance after the probable cause hearing. The burden of proof shall be by clear, cogent, and convincing evidence and shall be upon the petitioner. The person shall be present at such proceeding, which shall in all respects accord with the constitutional guarantees of due process of law and the rules of evidence pursuant to RCW 71.05.360 (8) and (9).

During the proceeding, the person named in the petition shall continue to be treated until released by order of the superior court. If no order has been made within thirty days after the filing of the petition, not including extensions of time requested by the detained person or his or her attorney, or the petitioner in the case of a petition filed under RCW 71.05.280(3), the detained person shall be released.

NEW SECTION. Sec. 9. The joint legislative audit and review committee shall make an independent assessment of the performance of the state hospitals with respect to provisions specified in section 2 of this act, but shall not be required to independently evaluate the exercise of clinical judgment. A report shall be made to the legislature reflecting the committee's findings and recommendations both six and eighteen months following the effective date of this section. The department of social and health services shall cooperate in a timely manner with requests for data and assistance related to this assessment.

NEW SECTION. Sec. 10. The Washington state institute for public policy shall study and report to the legislature the benefit of standardizing protocols used for treatment to restore competency to stand trial in Washington and during what clinically appropriate time period said treatment may be expected to be effective. The department of social and health services shall cooperate in a timely manner with data requests in service of this study.

NEW SECTION. Sec. 11. A new section is added to chapter 70.48 RCW to read as follows:
A jail may not refuse to book a patient of a state hospital solely based on the patient's status as a state hospital patient, but may consider other relevant factors that apply to the individual circumstances in each case.

NEW SECTION. Sec. 12. A new section is added to chapter 10.77 RCW to read as follows:
(1) A state hospital may administer antipsychotic medication without consent to an individual who is committed under this chapter as criminally insane by following the same procedures applicable to the administration of antipsychotic medication without consent to a civilly committed patient under RCW 71.05.217, except for the following:
(a) The maximum period during which the court may authorize the administration of medication without consent under a single involuntary medication petition shall be the time remaining on the individual's current order of commitment or one hundred eighty days, whichever is shorter; and
(b) A petition for involuntary medication may be filed in either the superior court of the county that ordered the commitment or the superior court of the county in which the individual is receiving treatment, provided that a copy of any order that is entered must be provided to the superior court of the county that ordered the commitment following the hearing. The superior court of the county of commitment shall retain exclusive jurisdiction over all hearings concerning the release of the patient.
(2) The state has a compelling interest in providing antipsychotic medication to a patient who has been committed as criminally insane when refusal of antipsychotic medication would result in a likelihood of serious harm or substantial deterioration or substantially prolong the length of involuntary commitment and there is no less intrusive course of treatment than medication that is in the best interest of the patient.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 14. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect May 1, 2012.

Correct the title.

MESSAGE FROM THE HOUSE

March 8, 2012

MR. P R E S I D E N T:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5978 with the following amendment(s): 5978-S.E AMH WAYS H4692.1

Strike everything after the enacting clause and insert the following:

"PART I
WASHINGTON MEDICAID FRAUD PROVISIONS

NEW SECTION. Sec. 101. The legislature intends to enact a state false claims act in order to provide this state with another tool to combat medicaid fraud. The legislature finds that between 1996 and 2009 state-initiated false claims acts resulted in over five billion
dollars in total recoveries to those states. The highest recoveries in those cases were from claims relating to billing fraud, off-label marketing, and withholding safety information; these cases were primarily related to the pharmaceuticals industry and hospital networks, hospitals, and medical centers. By this act, the legislature does not intend to target a certain industry, profession, or retailer of medical equipment, or to place an undue burden on health care professionals. This act is not intended to harass health care professionals, nor is intended to be used as a tool to target actions that are related to incidental errors or clerical errors, which should not be considered fraud. The intent is to use the false claims act to root out significant areas of fraud that result in higher health care costs to this state and to use the false claims act to recover state money that could and should be used to support the medicaid program.

Sec. 102. RCW 74.09.210 and 2011 1st sp.s.e 15 s 15 are each amended to read as follows:

(1) No person, firm, corporation, partnership, association, agency, institution, or other legal entity, but not including an individual public assistance recipient of health care, shall, on behalf of himself or others, obtain or attempt to obtain benefits or payments under this chapter in a greater amount than that to which entitled by means of:

(a) A willful false statement;

(b) By willful misrepresentation, or by concealment of any material facts; or

(c) By other fraudulent scheme or device, including, but not limited to:

(i) Billing for services, drugs, supplies, or equipment that were unfurnished, of lower quality, or a substitution or misrepresentation of items billed; or

(ii) Repeated billing for purportedly covered items, which were not in fact so covered.

(2) Any person or entity knowingly violating any of the provisions of subsection (1) of this section shall be liable for repayment of any excess benefits or payments received, plus interest at the rate and in the manner provided in RCW 43.20B.695. Such person or other entity shall further, in addition to any other penalties provided by law, be subject to civil penalties. The (secretary(, as appropriate,)) director((, as appropriate,)) or the attorney general may assess civil penalties in an amount not to exceed three times the amount of such excess benefits or payments: PROVIDED, That these civil penalties shall not apply to any acts or omissions occurring prior to September 1, 1979. RCW 43.20A.215 governs notice of a civil fine assessed by the director and provides the right to an adjudicative proceeding.

(3) A criminal action need not be brought against a person for that person to be civilly liable under this section.

(4) In all administrative proceedings under this section, service, adjudicative proceedings, and judicial review of such determinations shall be in accordance with chapter 34.05 RCW, the administrative procedure act.

(5) Civil penalties shall be deposited (in the general fund) upon their receipt into the medicaid fraud penalty account established in section 103 of this act.

(6) The attorney general may contract with private attorneys and local governments in bringing actions under this section as necessary.

NEW SECTION. Sec. 103. A new section is added to chapter 74.09 RCW to read as follows:

The medicaid fraud penalty account is created in the state treasury. All receipts from civil penalties collected under RCW 74.09.210, all receipts received under judgments or settlements that originated under a filing under the federal false claims act, and all receipts received under judgments or settlements that originated under the state medicaid fraud false claims act, chapter 74.—RCW (the new chapter created in section 215 of this act) must be deposited into the account. Moneys in the account may be spent only after appropriation and must be used only for medicaid services, fraud detection and prevention activities, recovery of improper payments, and for other medicaid fraud enforcement activities.

NEW SECTION. Sec. 104. A new section is added to chapter 74.09 RCW to read as follows:

(1) For the purposes of this section:

(a) "Employer" means any person, firm, corporation, partnership, association, agency, institution, or other legal entity.

(b) "Whistleblower" means an employee of an employer that obtains or attempts to obtain benefits or payments under this chapter in violation of RCW 74.09.210, who in good faith reports a violation of RCW 74.09.210 to the authority.

(c) "Workplace reprisal or retaliatory action" includes, but is not limited to: Denial of adequate staff to fulfill duties; frequent staff changes; frequent and undesirable office changes; refusal to assign meaningful work; unwarranted and unsubstantiated report of misconduct under Title 18 RCW; unwarranted and unsubstantiated letters of reprimand or unsatisfactory performance evaluations; demotion; reduction in pay; denial of promotion; suspension; dismissal; denial of employment; or a supervisor or superior behaving in or encouraging coworkers to behave in a hostile manner toward the whistleblower; or a change in the physical location of the employee's workplace or a change in the basic nature of the employee's job, if either are in opposition to the employee's expressed wish.

(2) A whistleblower who has been subjected to workplace reprisal or retaliatory action has the remedies provided under chapter 49.60 RCW. RCW 4.24.500 through 4.24.520, providing certain protection to persons who communicate to government agencies, apply to complaints made under this section. The identity of a whistleblower who complains, in good faith, to the authority about a suspected violation of RCW 74.09.210 may remain confidential if requested. The identity of the whistleblower must subsequently remain confidential unless the authority determines that the complaint was not made in good faith.

(3) This section does not prohibit an employer from exercising its authority to terminate, suspend, or discipline an employee who engages in workplace reprisal or retaliatory action against a whistleblower. The protections provided to whistleblowers under this chapter do not prevent an employer from: (a) Terminating, suspending, or disciplining a whistleblower for other lawful purposes; or (b) reducing the hours of employment or terminating employment as a result of the demonstrated inability to meet payroll requirements. The authority shall determine if the employer cannot meet payroll in cases where a whistleblower has been terminated or had hours of employment reduced due to the inability of a facility to meet payroll.

(4) The authority shall adopt rules to implement procedures for filing, investigation, and resolution of whistleblower complaints that are integrated with complaint procedures under this chapter. The authority shall adopt rules designed to discourage whistleblower complaints made in bad faith or for retaliatory purposes.

NEW SECTION. Sec. 105. A new section is added to chapter 74.09 RCW to read as follows:

The following must be medicare providers in order to be paid under the medicare program: Providers of durable medical equipment and related supplies and providers of medical supplies and related services.

PART II

(ii) Is made to a contractor, grantee, or other recipient, if the money or property is to be spent or used on the government entity's behalf or to advance a government entity program or interest, and the government entity:

(A) Provides or has provided any portion of the money or property requested or demanded; or
(B) Will reimburse such contractor, grantee, or other recipient for any portion of the money or property which is requested or demanded.

(c) Any index or other manner of access to any item listed in (a) of this subsection.

(13) "Qui tam action" is an action brought by a person under section 205 of this act.

(14) "Qui tam relator" or "relator" is a person who brings an action under section 205 of this act.

NEW SECTION. Sec. 202. (1) Subject to subsections (2) and (4) of this section, a person is liable to the government entity for a civil penalty of not less than five thousand five hundred dollars and not more than eleven thousand dollars, plus three times the amount of damages which the government entity sustains because of the act of that person, if the person:

(a) Knowingly presents, or causes to be presented, a false or fraudulent claim for payment or approval;
(b) Knowingly makes, uses, or causes to be made or used, a false record or statement material to a false or fraudulent claim;
(c) Conspires to commit one or more of the violations in this subsection (1);
(d) Has possession, custody, or control of property or money used, or to be used, by the government entity and knowingly delivers, or causes to be delivered, less than all of that money or property;
(e) Is authorized to make or deliver a document certifying receipt of property used, or to be used, by the government entity and, intending to defraud the government entity, makes or delivers the receipt without completely knowing that the information on the receipt is true;
(f) Knowingly buys, or receives as a pledge of an obligation or debt, public property from an officer or employee of the government entity who lawfully may not sell or pledge property; or
(g) Knowingly makes, uses, or causes to be made or used, a false record or statement material to an obligation to pay or transmit money or property to the government entity, or knowingly conceals or knowingly and improperly avoids or decreases an obligation to pay or transmit money or property to the government entity.

(2) The court may assess not less than two times the amount of damages which the government entity sustains because of the act of a person, if the court finds that:

(a) The person committing the violation of subsection (1) of this section furnished the Washington state attorney general with all information known to him or her about the violation within thirty days after the date on which he or she first obtained the information;
(b) The person fully cooperated with any investigation by the attorney general of the violation; and
(c) At the time the person furnished the attorney general with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this title with respect to the violation, and the person did not have actual knowledge of the existence of an investigation into the violation.

(3) A person violating this section is liable to the attorney general for the costs of a civil action brought to recover any such penalty or damages.

(4) For the purposes of determining whether an insurer has a duty to provide a defense or indemnification for an insured and if coverage may be denied if the terms of the policy exclude coverage for intentional acts, a violation of subsection (1) of this section is an intentional act.

(5) The office of the attorney general must, by rule, annually adjust the civil penalties established in subsection (1) of this section so that they are equivalent to the civil penalties provided under the federal false claims act and in accordance with the federal civil penalties inflation adjustment act of 1990.

NEW SECTION. Sec. 203. Any information furnished pursuant to this chapter is exempt from disclosure under the public records act, chapter 42.56 RCW, until final disposition and all court ordered seals are lifted.

NEW SECTION. Sec. 204. The attorney general must diligently investigate a violation under section 202 of this act. If the attorney general finds that a person has violated or is violating section 202 of this act, the attorney general may bring a civil action under this section against the person.

NEW SECTION. Sec. 205. (1) A person may bring a civil action for a violation of section 202 of this act for the person and for the government entity. The action may be known as a qui tam action and the person bringing the action as a qui tam relator. The action must be brought in the name of the government entity. The action may be dismissed only if the court, and the attorney general give written consent to the dismissal and their reason for consenting.

(2) A relator filing an action under this chapter must serve a copy of the complaint and written disclosure of substantially all material evidence and information the person possesses on the attorney general in electronic format. The relator must file the complaint in camera. The complaint must remain under seal for at least sixty days, and may not be served on the defendant until the court so orders. The attorney general may elect to intervene and proceed with the action within sixty days after it receives both the complaint and the material evidence and information.

(3) The attorney general may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under subsection (2) of this section. The motions may be supported by affidavits or other submissions in camera. The defendant may not be required to respond to any complaint filed under this section until twenty days after the complaint is unsealed and served upon the defendant.

(4) If the attorney general does not proceed with the action prior to the expiration of the sixty-day period or any extensions obtained under subsection (3) of this section, then the relator has the right to conduct the action.

(5) When a person brings an action under this section, no person other than the attorney general may intervene or bring a related action based on the facts underlying the pending action.

NEW SECTION. Sec. 206. (1) If the attorney general proceeds with the qui tam action, the attorney general shall have the primary responsibility for prosecuting the action, and is not bound by an act of the relator. The relator has the right to continue as a party to the action, subject to the limitations set forth in subsection (2) of this section.

(2)(a) The attorney general may move to dismiss the qui tam action notwithstanding the objections of the relator if the relator has been notified by the attorney general of the filing of the motion and the court has provided the relator with an opportunity for a hearing on the motion.

(b) The attorney general may settle the action with the defendant notwithstanding the objections of the relator if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, the hearing may be held in camera.

(c) Upon a showing by the attorney general that unrestricted participation during the course of the litigation by the relator would interfere with or unduly delay the attorney general’s prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the relator’s participation, such as:

(i) Limiting the number of witnesses the relator may call;
(ii) Limiting the length of the testimony of the witnesses;
(iii) Limiting the relator’s cross-examination of witnesses; or
(iv) Otherwise limiting the participation by the relator in the litigation.

(d) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the relator would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the relator in the litigation.

(3) If the attorney general elects not to proceed with the qui tam action, the relator has the right to conduct the action. If the attorney general so requests, the relator must serve on the attorney general copies of all pleadings filed in the action and shall supply copies of all deposition transcripts, at the attorney general’s expense. When the relator proceeds with the action, the court, without limiting the status and rights of the relator, may nevertheless permit the attorney general to intervene at a later date upon a showing of good cause.

(4) Whether or not the attorney general proceeds with the qui tam action, upon a showing by the attorney general that certain actions of discovery by the relator would interfere with the attorney general’s investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty days. The showing must be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the attorney general has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(5) Notwithstanding section 205 of this act, the attorney general may elect to pursue its claim through any alternate remedy available to the state, including any administrative proceeding to determine a civil money penalty. If any alternate remedy is pursued in another proceeding, the relator has the same rights in the proceeding as the relator would have had if the action had continued under this section. Any finding of fact or conclusion of law made in the other proceeding that has become final is conclusive on all parties to an action under this section. For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the state of Washington, if all time for filing the appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

NEW SECTION. Sec. 207. (1)(a) Subject to (b) of this subsection, if the attorney general proceeds with a qui tam action, the relator must receive at least fifteen percent but not more than twenty-five percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the relator substantially contributed to the prosecution of the action.

(b) Where the action is one which the court finds to be based primarily on disclosures of specific information, other than
information provided by the relator, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award an amount it considers appropriate, but in no case more than ten percent of the proceeds, taking into account the significance of the information and the role of the relator in advancing the case to litigation.

(c) Any payment to a relator under (a) or (b) of this subsection must be made from the proceeds. The relator must also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys’ fees and costs. All expenses, fees, and costs must be awarded against the defendant.

(2) If the attorney general does not proceed with a qui tam action, the relator shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount may not be less than twenty-five percent and not more than thirty percent of the proceeds of the action or settlement and must be paid out of the proceeds. The relator must also receive an amount for reasonable expenses, which the court finds to have been necessarily incurred, plus reasonable attorneys’ fees and costs. All expenses, fees, and costs must be awarded against the defendant.

(3) Whether or not the attorney general proceeds with the qui tam action, if the court finds that the action was brought by a person who planned and initiated the violation of section 202 of this act upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under subsection (1) or (2) of this section, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of section 202 of this act, that person must be dismissed from the civil action and may not receive any share of the proceeds of the action. The dismissal may not prejudice the right of the state to continue the action, represented by the attorney general.

(4) If the attorney general does not proceed with the qui tam action and the relator conducts the action, the court may award to the defendant reasonable attorneys’ fees and expenses if the defendant prevails in the action and the court finds that the claim of the relator was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(5) Any funds recovered that remain after calculation and distribution under subsections (1) through (3) of this section must be deposited into the medicaid fraud penalty account established in section 103 of this act.

NEW SECTION. Sec. 208. (1) In no event may a person bring a qui tam action which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the state is already a party.

(2)(a) The court must dismiss an action or claim under this section, unless opposed by the attorney general, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed:

(i) In a state criminal, civil, or administrative hearing in which the attorney general or other governmental entity is a party;

(ii) In a legislative report, or other state report, hearing, audit, or investigation; or

(iii) By the news media;

unless the action is brought by the attorney general or the relator is an original source of the information.

(b) For purposes of this section, “original source” means an individual who either (i) prior to a public disclosure under (a) of this subsection, has voluntarily disclosed to the attorney general the information on which allegations or transactions in a claim are based, or (ii) has knowledge that is independent of, and materially adds to, the publicly disclosed allegations or transactions, and who has voluntarily provided the information to the attorney general before filing an action under this section.

NEW SECTION. Sec. 209. (1) Any employee, contractor, or agent is entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent, is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent, or associated others in furtherance of an action under this chapter or other efforts to stop one or more violations of this chapter.

(2) Relief under subsection (1) of this section must include reinstatement with the same seniority status that employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys’ fees, and any and all relief available under RCW 49.60.030(2). An action under this subsection may be brought in the appropriate superior court of the state of Washington for the relief provided in this subsection.

(3) A civil action under this section may not be brought more than three years after the date when the retaliation occurred.

NEW SECTION. Sec. 210. (1) A subpoena requiring the attendance of a witness at a trial or hearing conducted under section 204 or 205 of this act may be served at any place in the state of Washington.

(2) A civil action under section 204 or 205 of this act may be brought at any time, without limitation after the date on which the violation of section 202 of this act is committed.

(3) If the attorney general elects to intervene and proceed with a qui tam action, the attorney general may file its own complaint or amend the complaint of a relator to clarify or add detail to the claims in which the attorney general is intervening and to add any additional claims with respect to which the attorney general contends it is entitled to relief.

(4) In any action brought under section 204 or 205 of this act, the attorney general is required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(5) Notwithstanding any other provision of law or the rules for superior court, a final judgment rendered in favor of the government entity in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, estops the defendant from denying the essential elements of the offense in any action which involves the same transaction as in the criminal proceeding and which is brought under section 204 or 205 of this act.

NEW SECTION. Sec. 211. (1) Any action under section 204 or 205 of this act may be brought in the superior court in any county in which the defendant or, in the case of multiple defendants, any one defendant can be found, resides, transacts business, or in which any act proscribed by section 202 of this act occurred. The appropriate court must issue a summons as required by the superior court civil rules and service must occur at any place within the state of Washington.

(2) The superior courts have jurisdiction over any action brought under the laws of any city or county for the recovery of funds paid by a government entity if the action arises from the same transaction or occurrence as an action brought under section 204 or 205 of this act.

(3) With respect to any local government that is named as a coplaintiff with the state in an action brought under section 205 of this act, a seal on the action ordered by the court under section 205
of this act does not preclude the attorney general or the person bringing the action from serving the complaint, any other pleadings, or the written disclosure of substantially all material evidence and information possessed by the person bringing the action on the law enforcement authorities that are authorized under the law of the local government to investigate and prosecute the action on behalf of the local government, except that the seal applies to the law enforcement authorities so served to the same extent as the seal applies to other parties in the action.

NEW SECTION.  Sec. 212.  (1)(a) Whenever the attorney general, or a designee, for purposes of this section, has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to a false claims act investigation, the attorney general, or a designee, may, before commencing a civil proceeding under section 204 of this act or making an election under section 205 of this act, issue in writing and serve upon the person, a civil investigative demand requiring the person:

(i) To produce the documentary material for inspection and copying;
(ii) To answer in writing written interrogatories with respect to the documentary material or information;
(iii) To give oral testimony concerning the documentary material or information; or
(iv) To furnish any combination of such material, answers, or testimony.

(b) The attorney general may delegate the authority to issue civil investigative demands under this subsection (1).  Whenever a civil investigative demand is an express demand for any product of discovery, the attorney general, the deputy attorney general, or an assistant attorney general must serve, in any manner authorized by this section, a copy of the demand upon the person from whom the discovery was obtained and must notify the person to whom the demand is issued of the date on which the copy was served.  Any information obtained by the attorney general or a designee of the attorney general under this section may be shared with any qui tam relator if the attorney general or designee determines it is necessary as part of any false claims act investigation.

(2)(a) Each civil investigative demand issued under subsection (1) of this section must state the nature of the conduct constituting the alleged violation of this chapter which is under investigation, and the applicable provision of law alleged to be violated.

(b) If the demand is for the production of documentary material, the demand must:

(i) Describe each class of documentary material to be produced with such definiteness and certainty as to permit the material to be fairly identified;
(ii) Prescribe a return date for each class which will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying; and
(iii) Identify the false claims act investigator to whom such material must be made available.

(c) If the demand is for answers to written interrogatories, the demand must:

(i) Set forth with specificity the written interrogatories to be answered;
(ii) Prescribe dates at which time answers to written interrogatories must be submitted; and
(iii) Identify the false claims law investigator to whom such answers must be submitted.

(d) If the demand is for the giving of oral testimony, the demand must:

(i) Prescribe a date, time, and place at which oral testimony must be commenced;
(ii) Identify a false claims act investigator who must conduct the examination and the custodian to whom the transcript of the examination must be submitted;
(iii) Specify that the attendance and testimony are necessary to the conduct of the investigation;
(iv) Notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and
(v) Describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(e) Any civil investigative demand issued under this section which is an express demand for any product of discovery is not due until thirty days after a copy of the demand has been served upon the person from whom the discovery was obtained.

(f) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section may not be sooner than six days after the date on which demand is received, unless the attorney general or an assistant attorney general designated by the attorney general determines that exceptional circumstances are present which warrant the commencement of the testimony sooner.

(g) The attorney general may not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the attorney general, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary.

(3) A civil investigative demand issued under subsection (1) or (2) of this section may not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving of any oral testimony if the material, answers, or testimony would be protected from disclosure under:

(a) The standards applicable to subpoenas or subpoenas duces tecum issued by a court to aid in a special inquiry investigation; or
(b) The standards applicable to discovery requests under the superior court civil rules, to the extent that the application of these standards to any demand is appropriate and consistent with the provisions and purposes of this section.

(4) Any demand which is an express demand for any product of discovery supersedes any inconsistent order, rule, or provision of law, other than this section, preventing or restraining disclosure of the product of discovery to any person.  Disclosure of any product of discovery pursuant to any express demand does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(5) Any civil investigative demand issued under this section may be served by a false claims act investigator, or by a commissioned law enforcement official, at any place within the state of Washington.

(6) Service of any civil investigative demand issued under (a) of this subsection or of any petition filed under subsection (25) of this section may be made upon a partnership, corporation, association, or other legal entity by:

(a) Delivering an executed copy of the demand or petition to any partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity; or to any agent authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;
(b) Delivering an executed copy of the demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or
(c) Depositing an executed copy of the demand or petition in the United States mail by registered or certified mail, with a return

receipt requested, addressed to such partnership, corporation, association, or entity at its principal office or place of business.

(7) Service of any demand or petition may be made upon any natural person:
   (a) Delivering an executed copy of the demand or petition to the person;
   (b) Depositing an executed copy of the demand or petition in the United States mail by registered or certified mail, with a return receipt requested, addressed to the person at the person's residence or principal office or place of business.

(8) A verified return by the individual serving any civil investigative demand issued under subsection (1) or (2) of this section or any petition filed under subsection (25) of this section setting forth the manner of the service constitutes proof of the service. In the case of service by registered or certified mail, the return must be accompanied by the return post office receipt of delivery of the demand.

(9)(a) The production of documentary material in response to a civil investigative demand served under this section must be made under a sworn certificate, in the form as the demand designates, by:
   (i) In the case of a natural person, the person to whom the demand is directed; or
   (ii) In the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to the production and authorized to act on behalf of the person.
   (b) The certificate must state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the false claims act investigator identified in the demand.

(10) Any person upon whom any civil investigative demand for the production of documentary material has been served under this section shall make such material available for inspection and copying to the false claims act investigator identified in the demand at the principal place of business of the person, or at another place as the false claims act investigator and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (25) of this section. The material must be made available on the return date specified in the demand, or on a later date as the false claims act investigator may prescribe in writing. The person may, upon written agreement between the person and the false claims act investigator, substitute copies for originals of all or any part of the material.

(11)(a) Each interrogatory in a civil investigative demand served under this section must be answered separately and fully in writing under oath and must be submitted under a sworn certificate, in the form as the demand designates, by:
   (i) In the case of a natural person, the person to whom the demand is directed; or
   (ii) In the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.
   (b) If any interrogatory is objected to, the reasons for the objection must be stated in the certificate instead of an answer. The certificate must state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information must be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(12) The examination of any person pursuant to a civil investigative demand for oral testimony served under this section must be taken before an officer authorized to administer oaths and affirmations by the laws of the state of Washington or of the place where the examination is held. The officer before whom the testimony is to be taken must put the witness on oath or affirmation and must, personally or by someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony must be recorded and must be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection does not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the superior court civil rules.

(13) The false claims act investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney general, any person who may be agreed upon by the attorney for the government and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking the testimony.

(14) The oral testimony of any person taken pursuant to a civil investigative demand served under this section must be taken in the county within which such person resides, is found, or transacts business, or in another place as may be agreed upon by the false claims act investigator conducting the examination and the person.

(15) When the testimony is fully transcribed, the false claims act investigator or the officer before whom the testimony is taken must afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless the examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make must be entered and identified upon the transcript by the officer or the false claims act investigator, with a statement of the reasons given by the witness for making the changes. The transcript must then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within thirty days after being afforded a reasonable opportunity to examine it, the officer or the false claims act investigator must sign it and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons given.

(16) The officer before whom the testimony is taken must certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or false claims act investigator must promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(17) Upon payment of reasonable charges therefor, the false claims act investigator must furnish a copy of the transcript to the witness only, except that the attorney general, the deputy attorney general, or an assistant attorney general may, for good cause, limit the witness to inspection of the official transcript of the witness' testimony.

(18)(a) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (1) or (2) of this section may be accompanied, represented, and advised by counsel. Counsel may advise the person, in confidence, with respect to any question asked of the person. The person or counsel may object on the record to any question, in whole or in part, and must briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that the person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. The person may not otherwise object to or refuse to answer any question, and may not directly or through counsel otherwise interrupt the oral examination. If the person refuses to answer any question, a special injury proceeding petition may be filed in the superior court under
subsection (25) of this section for an order compelling the person to answer the question.

(b) If the person refuses to answer any question on the grounds of the privilege against self-incrimination, the testimony of the person may be compelled in accordance with the provisions of the superior court civil rules.

(19) Any person appearing for oral testimony under a civil investigative demand issued under subsection (1) or (2) of this section is entitled to the same fees and allowances which are paid to witnesses in the superior courts.

(20) The attorney general must designate a false claims act investigator to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this section, and must designate such additional false claims act investigators as the attorney general determines from time to time to be necessary to serve as deputies to the custodian.

(21)(a) A false claims act investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this section must transmit them to the custodian. The custodian shall take physical possession of the material, answers, or transcripts and is responsible for the use made of them and for the return of documentary material under subsection (23) of this section.

(b) The custodian may cause the preparation of the copies of the documentary material, answers to interrogatories, or transcripts of oral testimony as may be required for official use by any false claims act investigator, or employee of the attorney general. The material, answers, and transcripts may be used by any authorized false claims act investigator or other officer or employee in connection with the taking of oral testimony under this section.

(c)(i) Except as otherwise provided in this subsection (21), no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, may be available for examination by any individual other than a false claims act investigator or other officer or employee of the attorney general authorized under (b) of this subsection.

Nothing in this subsection (c)(ii) is intended to prevent disclosure to the legislature, including any committee or subcommittee for use by such an agency in furtherance of its statutory responsibilities.

(d) While in the possession of the custodian and under the reasonable terms and conditions as the attorney general shall prescribe:

(i) Documentary material and answers to interrogatories must be available for examination by the person who produced the material or answers, or by a representative of that person authorized by that person to examine the material and answers; and

Then, the custodian shall, upon written request of the person who produced the material, return to the person the material, other than copies furnished to the false claims act investigator under subsection (10) of this section or made for the attorney general under subsection (21)(b) of this section, which has not passed into the control of any court, grand jury, or agency through introduction into the record of the case or proceeding.

(24)(a) In the event of the death, disability, or separation from service of the attorney general of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to civil investigative demand under this section, or in the event of the official relief of the custodian from responsibility for the custody and control of the material, answers, or transcripts, the attorney general must promptly:

(b) Any person who is designated to be a successor under this subsection (24) has, with regard to the material, answers, or transcripts, the same duties and responsibilities as were imposed by this section upon that person's predecessor in office, except that the successor may not be held responsible for any default or dereliction which occurred before that designation.

(25) Whenever any person fails to comply with any civil investigative demand issued under subsection (1) or (2) of this section, or whenever satisfactory copying or reproduction of any material requested in the demand cannot be done and the person refuses to surrender the material, the attorney general may file, in any superior court of the state of Washington for any county in which the person resides, is found, or transacts business, and serve upon the person a petition for an order of the court for the enforcement of the civil investigative demand.

(26)(a) Any person who has received a civil investigative demand issued under subsection (1) or (2) of this section may file, in the superior court of the state of Washington for the county within which the person resides, is found, or transacts business, and serve upon the false claims act investigator identified in the demand a petition for an order of the court to modify or set aside the demand. In the case of a petition addressed to an express demand for any product of discovery, a petition to modify or set aside the demand may be brought only in the district court of the United States for the judicial district in which the proceeding in which the discovery was obtained is or was last pending. Any petition filed under this subsection (26)(a) must be filed:

(i) Within thirty days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier; or

(ii) Within a longer period as may be prescribed in writing by any false claims act investigator identified in the demand.
(b) The petition must specify each ground upon which the petitioner relies in seeking relief under (a) of this subsection, and may be based upon any failure of the demand to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the person. During the pendency of the petition in the court, the court may stay, as it deems proper, the running of the time allowed for compliance with the demand, in whole or in part, except that the person filing the petition shall comply with any portions of the demand not sought to be modified or set aside.

(27)(a) In the case of any civil investigative demand issued under subsection (1) or (2) of this section which is an express demand for any product of discovery, the person from whom the discovery was obtained may file, in the superior court of the state of Washington for the county in which the proceeding in which the discovery was obtained is or was last pending, and serve upon any false claims act investigator identified in the demand and upon the recipient of the demand, a petition for an order of the court to modify or set aside those portions of the demand requiring production of any product of discovery. (ii) Within a longer period as may be prescribed in writing by any false claims act investigator identified in the demand.

(b) The petition must specify each ground upon which the petitioner relies in seeking relief under (a) of this subsection, and may be based upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the petition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed for compliance with the demand.

(28) At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection (1) or (2) of this section, the person, and in the case of an express demand for any product of discovery, the person from whom the discovery was obtained, may file, in the superior court of the state of Washington for the county within which the office of the custodian is situated, and serve upon the custodian, a petition for an order of the court to require the performance by the custodian of any duty imposed upon the custodian by this section.

(29) Whenever any petition is filed in any superior court of the state of Washington under this section, the court has jurisdiction to hear and determine the matter so presented, and to enter an order or orders as may be required to carry out the provisions of this section. Any final order so entered is subject to appeal under the rules of appellate procedure. Any disobedience of any final order entered under this section by any court must be punished as a contempt of the court.

(30) The superior court civil rules apply to any petition under this section, to the extent that the rules are not inconsistent with the provisions of this section.

(1) $6,000,000 of the motor vehicle account—state appropriation is provided solely for low-cost enhancements. Of this amount, $10,000 of the motor vehicle account—state appropriation is provided solely for the department to install additional farm machinery signs to promote safety in agricultural areas along state highways. The department shall give priority to low-cost enhancement projects that improve safety or provide congestion relief. The department shall prioritize low-cost enhancement projects on a statewide rather than regional basis. (4) $9,000,000 of the motor vehicle account—state appropriation is provided solely for the department's incident response program.

(5) The department, in consultation with the Washington state patrol, must continue a pilot program for the patrol to issue infractions based on information from automated traffic safety cameras in roadway construction zones on state highways. The department must report to the joint transportation committee by January 1, 2012, and January 1, 2013, on the status of this pilot program. For the purpose of this pilot program, during the 2011-2013 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors may be present or where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on any public roadway pursuant to ongoing construction. The department shall use the following guidelines to administer the program:

(a) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle;

(b) The department shall plainly mark the locations where the automated traffic safety cameras are used by placing signs on locations that clearly indicate to a driver that he or she is entering a roadway construction zone where traffic laws are enforced by an automated traffic safety camera;

(c) Notices of infractions must be mailed to the registered owner of a vehicle within fourteen days of the infraction occurring;

(d) The owner of the vehicle is not responsible for the violation if the owner of the vehicle, within fourteen days of receiving notification of the violation, mails to the patrol, a declaration under penalty of perjury, stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner, or any other extenuating circumstances;

(e) For purposes of the 2011-2013 fiscal biennium pilot program, infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras must be processed in the same manner as parking infractions for the purposes of RCW 35.40.220, 46.16A.120, and 46.20.270(3). However, the amount of the fine issued under this subsection (5) for an infraction generated through the use of an automated traffic safety camera is one hundred thirty-seven dollars. The court shall remit thirty-two dollars of the fine to the state treasurer for deposit into the state patrol highway account; and

(f) If a notice of infraction is sent to the registered owner and the registered owner is a rental car business, the infraction must be dismissed against the business if it mails to the patrol, within fourteen days of receiving the notice, a declaration under penalty of perjury of the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred. If the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred, the business must sign a declaration under penalty of perjury to this effect. The declaration must be mailed to the patrol within fourteen days of receiving the notice of traffic infraction. Timely mailing of this declaration to the issuing agency relieves a rental car business of any liability under this section for the notice of infraction. A declaration form suitable for this purpose must be included with each automated traffic infraction notice issued, along with instructions for its completion and use.

(6) The department shall track the costs associated with active traffic management systems on a corridor basis and report to the transportation committees of the legislature on the cost and benefits of the systems by December 1, 2011.

(7) State university research and extension centers serve as important research hubs for university graduate students and, as such, there is a safety concern with any centers being located on a state highway. Therefore, consistent with RCW 46.61.415, and upon request of a county with a state university research and extension center located on a state highway within its respective jurisdiction, the secretary of transportation shall approve a reduction of the maximum speed limit on the state highway in the vicinity of the center. The speed on the state highway may be less than the maximum speed permitted under RCW 46.61.400(2).

STAFFING LEVELS

(1) As the department of transportation completes delivery of the projects funded by the 2003 and 2005 transportation revenue packages, it is clear that the current staffing levels necessary to deliver these projects are not sustainable into the future. Therefore, the department is directed to quickly move forward to develop and implement new business practices so that a smaller, more nimble state workforce can effectively and efficiently deliver transportation improvement programs as they are approved in the future, in strong partnership with the private sector, while protecting the public’s interests and assets.

(2) To this end, the department of transportation is directed to reduce the size of its engineering and technical workforce to a level sustained by current law revenue levels currently estimated at two thousand FTEs by the end of the 2013-2015 fiscal biennium. The department’s current two thousand eight hundred FTE engineering and technical workforce levels for highway construction will be reduced in the 2011-2013 fiscal biennium, with a target of two thousand four hundred FTEs by June 30, 2013, and to a level of two thousand FTEs by June 30, 2015.

(3) In order to successfully deliver the highway construction program as funded, the department of transportation may continue to contract out engineering and technical services. In addition, the department may continue the incentive program for retirements and employee separations. The department shall report quarterly to the office of financial management and the transportation committees of the legislature on its progress and plans to reduce highway construction workforce levels to two thousand FTEs by June 2015. This report must also be posted on the department’s web site.

(4) The department of transportation is directed to reduce the size of its administrative operating programs for the 2013-2015 biennium. As part of the department’s biennial budget submittal, the department shall reduce its workforce in Programs C, H, T, and S by three percent. The ratio of executive management service or Washington management services employee staff must be at least six staff for every manager by the end of the 2013-2015 biennium.

Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and transportation 2003 account (nickel account) projects on the LEAP transportation documents referenced in this act. For the 2009-2011 and 2011-2013 project appropriations, unless otherwise provided in this act, the director of financial management may authorize a transfer of appropriation authority between projects funded with transportation 2003 account (nickel account) appropriations, or transportation partnership account appropriations, in order to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(2) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the transportation committees of the legislature.
