President Owen: “Senator, your, you as a body changed that rule to allow members to address members names on the floor. PERSONAL PRIVILEGE

Senator Fain: “Thank you Mr. President. I believe Senator McAuliffe provided a good reminder to the body about speaking to floor amendments. So, I do believe it’s a good idea for members that are moving bills that if there is a floor amendment being offered on that that we should speak to the content of that briefly so that members have an idea of what they’re being asked to vote on. Thank you.”

REPLY BY THE PRESIDENT

President Owen: “Senator Fain, it might be useful for the President to do just a slight explanation. I don’t mean to be talking down to anybody here but there are members who have not had experiences with that. With a senate bill and you amend it in committee and you do a substitute, you have a substitute bill that’s normally not debated. When you have a house bill you cannot substitute it so you do a striking amendment, normally not debated, however, you have that option because it is an amendment and all amendments must be passed on the floor that come out of committee. But when you have a floor amendment then by a member on the floor then it is customary to explain that amendment. You are correct about that. So, for the new members, the reason they have not been debating the committee amendments is because that is the same as a substitute bill, if it was a senate bill, and those are traditionally not debated unless

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1114, by House Committee on Appropriations (originally sponsored by Representatives Pedersen, Rodne, Morrell, Nealey, Green and Jinkins)

Addressing criminal incompetency and civil commitment.

The measure was read the second time.

MOTION

Senator Pearson moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that persons with a mental illness or developmental disability are more likely to be victimized by crime than to be perpetrators of crime. The legislature further finds that there are a small number of individuals who commit repeated violent acts against others while suffering from the effects of a mental illness and/or developmental disability that both contributes to their criminal behaviors and renders them legally incompetent to be held accountable for those behaviors. The legislature further finds that the primary statutory mechanisms designed to protect the public from violent behavior, either criminal commitment to a corrections institution, or long-term commitment as not guilty by reason of insanity, are unavailable due to the legal incompetence of these individuals to stand trial. The legislature further finds that the existing civil system of short-term incompetence of these individuals to stand trial. The legislature further finds that the existing civil system of short-term commitments under the Washington's involuntary treatment act is insufficient to protect the public from these violent acts. Finally, the legislature finds that changes to the involuntary treatment act to account for this small number of individuals is necessary in order to serve Washington's compelling interest in public safety and to provide for the proper care of these individuals.

Sec. 2. RCW 10.77.086 and 2012 c 256 s 6 are each amended to read as follows:

(1)(a) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, or has been determined unlikely to regain competency pursuant to RCW 10.77.084(1)(b), but in any event for a period of no longer than ninety days, the court:

(i) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment; or

(ii) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person.

(b) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial period of commitment for competency restoration is forty-five days.

(2) On or before expiration of the initial period of commitment under subsection (1) of this section the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a defendant charged with a felony is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional period of ninety days, but the court must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second restoration period. The defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third restoration period as provided in subsection (4) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability with a mental illness, or that such that competence is not reasonably likely to be regained during an extension.

(4) For persons charged with a felony, at the hearing upon the expiration of the second restoration period or at the end of the first restoration period, in the case of a defendant with a developmental disability, if the jury or court finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and the court shall ((either order the release of the defendant or)) order the defendant be committed to a state hospital ((for secure mental health facility)) as defined in RCW 72.23.010 for up to seventy-two hours starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. The criminal charges shall not be dismissed if the court or jury finds that:

(a) The defendant is a substantial danger to others; or
(b) A prosecutor or a representative of a prosecutor's association; and
(c) A defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third restoration period as provided in subsection (4) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability with a mental illness, or that such that competence is not reasonably likely to be regained during an extension.

(5) If a defendant who is charged with a felony and determined to be incompetent is committed to a state hospital, the court shall conduct a prompt hearing to determine the defendant's competency before the expiration of the second restoration period. In the event that the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

Sec. 3. RCW 10.77.270 and 2010 c 263 s 1 are each amended to read as follows:

(1) The secretary shall establish an independent public safety review panel for the purpose of advising the secretary and the courts with respect to persons who have been found not guilty by reason of insanity, or persons committed under the involuntary treatment act where the court has made a special finding under RCW 71.05.280(3)(b). The panel shall provide advice regarding all recommendations to the secretary, decisions by the secretary, or actions pending in court: (a) For a change in commitment status; (b) to allow furloughs or temporary leaves accompanied by staff; (c) not to seek further commitment terms under RCW 71.05.320; or ((e)) (d) to permit movement about the grounds of the treatment facility, with or without the accommodation of staff.

(2) The members of the public safety review panel shall be appointed by the governor for a renewable term of three years and shall include the following:

(a) A psychiatrist;
(b) A licensed clinical psychologist;
(c) A representative of the department of corrections;
(d) A prosecutor or a representative of a prosecutor's association;
(e) A representative of law enforcement or a law enforcement association;
(f) A consumer and family advocate representative; and
(g) A public defender or a representative of a defendant's association.
(3) Thirty days prior to issuing a recommendation for conditional release under RCW 10.77.150 or forty-five days prior to issuing a recommendation for release under RCW 10.77.200, the secretary shall submit its recommendation with the committed person's application and the department's risk assessment to the public safety review panel. The public safety review panel shall complete an independent assessment of the public safety risk entailed by the secretary's proposed conditional release recommendation or release recommendation and provide this assessment in writing to the secretary. The public safety review panel may, within funds appropriated for this purpose, request additional evaluations of the committed person. The public safety review panel may indicate whether it is in agreement with the secretary's recommendation, or whether it would issue a different recommendation. The secretary shall provide the panel's assessment when it is received along with any supporting documentation, including all previous reports of evaluations of the committed person in the person's hospital record, to the court, prosecutor in the county that ordered the person's commitment, and counsel for the committed person.

(4) The secretary shall notify the public safety review panel at appropriate intervals concerning any changes in the commitment or custody status of persons found not guilty by reason of insanity, or persons committed under the involuntary treatment act where the court has made a special finding under RCW 71.05.280(3)(b). The panel shall have access, upon request, to a committed person's complete hospital record, and any other records deemed necessary by the public safety review panel.

(5) The department shall provide administrative and financial support to the public safety review panel. The department, in consultation with the public safety review panel, may adopt rules to implement this section.

(6) By December 1, 2014, the public safety review panel shall report to the appropriate legislative committees the following:

(a) Whether the public safety review panel has observed a change in statewide consistency of evaluations and decisions concerning changes in the commitment status of persons found not guilty by reason of insanity;

(b) Whether the public safety review panel should be given the authority to make release decisions and monitor release conditions;

(c) Whether further changes in the law are necessary to enhance public safety when incompetency prevents operation of the criminal justice system and long-term commitment of the criminally insane;

(d) Any other issues the public safety review panel deems relevant.

Sec. 4. RCW 71.05.280 and 2008 c 213 s 6 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be confined for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted:  (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of mental disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of mental disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetency is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled.

Sec. 5. RCW 71.05.320 and 2009 c 323 s 2 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment in a facility certified for one hundred eighty day treatment by the department.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment.

(3) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment:  (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of mental disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder or developmental disability a likelihood of serious harm; or

(c) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder or developmental disability continues to present(s) a substantial likelihood of repeating ((similar) acts (considering)) similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.  (ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty day period whenever the petition presents prima facie evidence that the person continues to suffer from a mental disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the mental disorder or
developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

(4) For a person committed under subsection (2) of this section who has been remanded to a period of less restrictive treatment, in addition to the grounds specified in subsection (3) of this section, the designated mental health professional may file a new petition for continued less restrictive treatment if:

(a) The person was previously committed by a court to detention for involuntary mental health treatment during the thirty-six months that preceded the person's initial detention date during the current involuntary commitment cycle, excluding any time spent in a mental health facility or in confinement as a result of a criminal conviction;

(b) In view of the person's treatment history or current behavior, the person is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive treatment; and

(c) Outpatient treatment that would be provided under a less restrictive treatment order is necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.

(5) A new petition for involuntary treatment filed under subsection (3) or (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. However, a commitment is not permissible under subsection (4) of this section if thirty-six months have passed since the last date of discharge from detention for inpatient treatment that preceded the current less restrictive alternative order, nor shall a commitment under subsection (4) of this section be permissible if the likelihood of serious harm in subsection (4)(c) of this section is based solely on harm to the property of others.

(7) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

Sec. 6. RCW 71.05.425 and 2011 c 305 s 5 are each amended to read as follows:

(1)(a) Except as provided in subsection (2) of this section, at the earliest possible date, and in no event later than thirty days before conditional release, final release, authorized leave under RCW 71.05.325(2), or transfer to a facility other than a state mental hospital, the superintendent shall send written notice of conditional release, release, authorized leave, or transfer of a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) to the following:

(b) The same notice as required by (a) of this subsection shall be sent to the following, if such notice has been requested in writing about a specific person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4):

(i) The victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) preceding commitment under RCW 71.05.280(3) or 71.05.320(3)(c) or the victim's next of kin if the crime was a homicide;

(ii) Any witnesses who testified against the person in any court proceedings;

(iii) Any person specified in writing by the prosecuting attorney.

Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the person committed under this chapter; and

(iv) The chief of police of the city, if any, and the sheriff of the county, if any, which had jurisdiction of the person on the date of the applicable offense.

(c) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical transfers.

(d) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification.

(2) If a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) escapes, the superintendent shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the person escaped and in which the person resided immediately before the person's arrest and the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed. If previously requested, the superintendent shall also notify the witnesses and the victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) preceding commitment under RCW 71.05.280(3) or 71.05.320(3) or the victim's next of kin if the crime was a homicide. In addition, the secretary shall also notify appropriate parties pursuant to RCW 71.05.390(18). If the person is recaptured, the superintendent shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(3) If the victim, the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parent or legal guardian of the child.

(4) The superintendent shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(5) For purposes of this section the following terms have the following meanings:

(b) "Sex offense" means a sex offense under RCW 9.94A.030;

(c) "Next of kin" means a person's spouse, state registered domestic partner, parents, siblings, and children;
(d) "Felony harassment offense" means a crime of harassment as defined in RCW 9A.46.060 that is a felony.

Sec. 7. RCW 10.77.200 and 2010 c 263 s 8 are each amended to read as follows:

(1) Upon application by the committed or conditionally released person, the secretary shall determine whether or not reasonable grounds exist for release. In making this determination, the secretary may consider the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case. If the secretary approves the release he or she then shall authorize the person to petition the court.

(2) In instances in which persons have not made application for release, but the secretary believes, after consideration of the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case, that reasonable grounds exist for release, the secretary may petition the court. If the secretary petitions the court for release under this subsection, notice of the petition must be provided to the person who is the subject of the petition and to his or her attorney.

(3) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for release, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the (petitioner) person who is the subject of the petition examined by an expert or professional person of the prosecuting attorney's choice. If the secretary is the petitioner, the attorney general shall represent the secretary. If the (petitioner) person who is the subject of the petition is indigent, and the person so requests, the court shall appoint a qualified expert or professional person to examine him or her. If the (petitioner) person who is the subject of the petition has a developmental disability, the examination shall be performed by a developmental disabilities professional. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the (petitioner) person who is the subject of the petition no longer presents, as a result of a mental disease or defect, a substantial danger to other persons, or a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(4) For purposes of this section, a person affected by a mental disease or defect in a state of remission is considered to have a mental disease or defect requiring supervision when the disease may, with reasonable medical probability, occasionally become active and, when active, render the person a danger to others. Upon a finding that the (petitioner) person who is the subject of the petition has a mental disease or defect in a state of remission under this subsection, the court may deny release, or place or continue such a person on conditional release.

(5) Nothing contained in this chapter shall prohibit the patient from petitioning the court for release or conditional release from the institution in which he or she is committed. The petition shall be served upon the court, the prosecuting attorney, and the secretary. Upon receipt of such petition, the secretary shall develop a recommendation as provided in subsection (1) of this section and provide the secretary's recommendation to all parties and the court. The issue to be determined on such proceeding is whether the (petitioner) patient, as a result of a mental disease or defect, is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(6) Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. If specific funding for the purposes of sections 3 through 5 of this act, referencing sections 3 through 5 of this act by bill or chapter number and section number, is not provided by June 30, 2013, in the omnibus appropriations act, sections 3 through 5 of this act are null and void.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This act may be known as the Wynn Loiland act.

Sec. 2. RCW 41.26.470 and 2010 c 259 s 2 are each amended to read as follows:

(1) A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the director shall be eligible to receive an allowance under the provisions of RCW 41.26.410 through 41.26.550. Such member shall receive a monthly disability allowance computed as provided for in RCW 41.26.420 and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-three, except under subsection (7) of this section.

(2) Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is no longer entitled to benefits under Title 51 RCW, the retirement allowance shall be canceled and the member shall be restored to duty in the same civil service rank, if any, held by the member at the time of retirement or, if unable to perform the duties of the rank, then, at the member's request, in such other like or lesser rank as may be or become open and available, the duties of which the member is then able to perform. In no event shall a member previously drawing a disability allowance be returned or be restored to duty at a salary or rate of pay less than the current salary attached to the rank or position held by the member at the date of the retirement for disability. If the department determines that the member is able to return to service, the member is entitled to notice and a hearing. Both the notice and the hearing shall comply with the requirements of chapter 34.05 RCW, the administrative procedure act.

(3) Those members subject to this chapter who became disabled in the line of duty on or after July 23, 1989, and who receive benefits under RCW 41.04.500 through 41.04.530 or similar benefits under RCW 41.04.535 shall receive or continue to receive service credit subject to the following:

(a) No member may receive more than one month's service credit in a calendar month.

(b) No service credit under this section may be allowed after a member separates or is separated without leave of absence.

(c) Employer contributions shall be paid by the employer at the rate in effect for the period of the service credited.
(9) A member who is totally disabled in the line of duty is entitled to receive a retirement allowance equal to seventy percent of the member's final average salary. The allowance provided under this subsection shall be offset by:

(a) Temporary disability wage-replacement benefits or permanent total disability benefits provided to the member under Title 51 RCW; and

(b) Federal social security disability benefits, if any;

so that such an allowance does not result in the member receiving combined benefits that exceed one hundred percent of the member's final average salary. However, the offsets shall not in any case reduce the allowance provided under this subsection below the member's accrued retirement allowance.

A member is considered totally disabled if he or she is unable to perform any substantial gainful activity due to a physical or mental condition that may be expected to result in death or that has lasted or is expected to last at least twelve months. Substantial gainful activity is defined as average earnings in excess of eight hundred sixty dollars a month in 2006 adjusted annually as determined by the director based on federal social security disability standards. The department may require a person in receipt of an allowance under this subsection to provide any financial records that are necessary to determine continued eligibility for such an allowance. A person in receipt of an allowance under this subsection whose earnings exceed the threshold for substantial gainful activity shall have their benefit converted to a line-of-duty disability retirement allowance as provided in subsection (7) of this section.

Any person in receipt of an allowance under the provisions of this section is subject to comprehensive medical examinations as may be required by the department under subsection (2) of this section in order to determine continued eligibility for such an allowance.

(10)(a) In addition to the retirement allowance provided in subsection (9) of this section, the retirement allowance of a member who is totally disabled in the line of duty shall include reimbursement for any payments made by the member after June 10, 2010, for premiums on employer-provided medical insurance, insurance authorized by the consolidated omnibus budget reconciliation act of 1985 (COBRA), medicare part A (hospital insurance), and medicare part B (medical insurance). A member who is entitled to medicare must enroll and maintain enrollment in both medicare part A and medicare part B in order to remain eligible for the reimbursement provided in this subsection. The legislature reserves the right to amend or repeal the benefits provided in this subsection in the future and no member or beneficiary has a contractual right to receive any distribution not granted prior to that time.

(b) The retirement allowance of a member who became disabled prior to July 1, 2013, and who is not eligible for reimbursement provided in (a) of this subsection shall include reimbursement for any payments made after June 30, 2013, for premiums on other medical insurance. However, in no instance shall the reimbursement exceed the amount reimbursed for premiums authorized by the consolidated omnibus budget reconciliation act of 1985 (COBRA)."

On page 1, line 3 of the title, after "duty;" strike the remainder of the title and insert "amending RCW 41.26.470; and creating a new section."

MOTION

Senator Becker moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authority" means the health care authority.

(2) "Department" means the department of social and health services.

(3) "Emerging best practice" or "promising practice" means a program or practice that, based on statistical analyses or a well-established theory of change, shows potential for meeting the evidence-based or research-based criteria, which may include the use of a program that is evidence-based for outcomes other than those listed in this section.

(4) "Evidence-based" means a program or practice that has been tested in heterogeneous or intended populations with multiple randomized, or statistically controlled evaluations, or both; or one large multiple site randomized, or statistically controlled evaluation, or both, where the weight of the evidence from a systemic review demonstrates sustained improvements in at least one outcome. "Evidence-based" also means a program or practice that can be implemented with a set of procedures to allow successful replication in Washington and, when possible, is determined to be cost-beneficial.

(5) "Research-based" means a program or practice that has been tested with a single randomized, or statistically controlled evaluation, or both, demonstrating sustained desirable outcomes; or where the weight of the evidence from a systemic review supports sustained outcomes as described in this subsection but does not meet the full criteria for evidence-based.

(6) "Service coordination organization" or "service contracting entity" means the authority and department, or an entity that may contract with the state to provide, directly or through subcontracts, a comprehensive delivery system of medical, behavioral, long-term care, or social support services, including entities such as regional support networks as defined in RCW 71.24.025, managed care organizations that provide medical services to clients under chapter 74.09 RCW, counties providing chemical dependency services under chapters 74.50 and 70.96A RCW, and area agencies on aging providing case management services under chapter 74.39A RCW.

NEW SECTION. Sec. 2. (1) The authority and the department shall base contract performance measures developed under section 3 of this act on the following outcomes when contracting with service contracting entities: Improvements in client health status and wellness; increases in client participation in meaningful activities; reductions in client involvement with criminal justice systems; reductions in avoidable costs in hospitals, emergency rooms, crisis services, and jails and prisons; increases in stable housing in the community; improvements in client satisfaction with quality of life; and reductions in population-level health disparities.
The performance measures must demonstrate the manner in which the following principles are achieved within each of the outcomes under subsection (1) of this section:

(a) Maximization of the use of evidence-based practices will be given priority over the use of research-based and promising practices, and research-based practices will be given priority over the use of promising practices. The agencies will develop strategies to identify programs that are effective with ethnically diverse clients and to consult with tribal governments, experts within ethnically diverse communities and community organizations that serve diverse communities;

(b) The maximization of the client’s independence, recovery, and employment;

(c) The maximization of the client’s participation in treatment decisions; and

(d) The collaboration between consumer-based support programs in providing services to the client.

(3) In developing performance measures under section 3 of this act, the authority and the department shall consider expected outcomes relevant to the general populations that each agency serves. The authority and the department may adapt the outcomes to account for the unique needs and characteristics of discrete subcategories of populations receiving services, including ethnically diverse communities.

(4) The authority and the department shall coordinate the establishment of the expected outcomes and the performance measures between each agency as well as each program to identify expected outcomes and performance measures that are common to the clients enrolled in multiple programs and to eliminate conflicting standards among the agencies and programs.

(5) The authority and the department shall establish timelines and mechanisms for service contracting entities to report data related to performance measures and outcomes, including phased implementation of public reporting of outcome and performance measures in a form that allows for comparison of performance measures and levels of improvement between geographic regions of Washington.

NEW SECTION. Sec. 3. By September 1, 2014:

(1) The authority shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in section 2 of this act for clients enrolled in medical managed care programs operated under Title XIX or XXI of the federal social security act.

(2) The department shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in section 2 of this act for clients receiving mental health, long-term care, or chemical dependency services.

NEW SECTION. Sec. 4. By July 1, 2015, the authority and the department shall require that contracts with service coordination organizations include provisions requiring the adoption of the performance measures developed under this chapter and mechanisms for reporting data to support each of the outcomes and performance measures.

NEW SECTION. Sec. 5. (1) By December 1, 2014, the department and the authority shall report jointly to the legislature on the expected outcomes and the performance measures. The report must identify the performance measures and the expected outcomes established for each program, the relationship between the performance measures and expected improvements in client outcomes, mechanisms for reporting outcomes and measuring performance, and options for applying the performance measures and expected outcomes development process to other health and social service programs.

(2) By December 1, 2016, the department and the authority shall report to the legislature on the incorporation of the performance measures into contracts with service coordination organizations and progress toward achieving the identified outcomes.

NEW SECTION. Sec. 6. The outcomes and performance measures established pursuant to this chapter do not establish a standard of care in any civil action brought by a recipient of services. The failure of a service coordination organization to meet the outcomes and performance measures established pursuant to this chapter does not create civil liability on the part of the service coordination organization in a claim brought by a recipient of services.

NEW SECTION. Sec. 7. A new section is added to chapter 74.09 RCW to read as follows:

The authority shall incorporate the expected outcomes and criteria to measure the performance of service coordination organizations as provided in chapter 70.-- RCW (the new chapter created in section 11 of this act) into contracts with managed care organizations that provide services to clients under this chapter.

Sec. 8. RCW 70.96A.320 and 1990 c 151 s 9 are each amended to read as follows:

(2) To be eligible for funding from the department for the support of the county alcoholism and other drug addiction program, the county legislative authority shall establish a county alcoholism and other drug addiction board under RCW 70.96A.300 and appoint a county alcoholism and other drug addiction program coordinator under RCW 70.96A.310.

(3) The county legislative authority may apply to the department for financial support for the county program of alcoholism and other drug addiction. To receive financial support, the county legislative authority shall submit a plan that meets the following conditions:

(a) It shall describe the services and activities to be provided;

(b) It shall include anticipated expenditures and revenues;

(c) It shall be prepared by the county alcoholism and other drug addiction program board and be adopted by the county legislative authority;

(d) It shall reflect maximum effective use of existing services and programs; and

(e) It shall meet other conditions that the secretary may require.

(4) The county may accept and spend gifts, grants, and fees, from public and private sources, to implement its program of alcoholism and other drug addiction.

(5) The department shall require that any agreement to provide financial support to a county that performs the activities of a service coordination organization for alcoholism and other drug addiction services must incorporate the expected outcomes and criteria to measure the performance of service coordination organizations as provided in chapter 70.-- RCW (the new chapter created in section 11 of this act).

(6) The county may subcontract for detoxification, residential treatment, or outpatient treatment with treatment programs that are approved treatment programs. The county may subcontract for other services with individuals or organizations approved by the department.

(7) To continue to be eligible for financial support from the department for the county alcoholism and other drug addiction program, an increase in state financial support shall not be used to supplant local funds from a source that was used to support the county alcoholism and other drug addiction program before the effective date of the increase.

Sec. 9. RCW 71.24.330 and 2008 c 261 s 6 are each amended to read as follows:
(1)(a) Contracts between a regional support network and the department shall include mechanisms for monitoring performance under the contract and remedies for failure to substantially comply with the requirements of the contract including, but not limited to, financial penalties, termination of the contract, and reprocurement of the contract.

(b) The department shall incorporate the criteria to measure the performance of service coordination organizations into contracts with regional support networks as provided in chapter 70. — RCW (the new chapter created in section 11 of this act).

(2) The regional support network procurement processes shall encourage the preservation of infrastructure previously purchased by the community mental health service delivery system, the maintenance of linkages between other services and delivery systems, and maximization of the use of available funds for services versus profits. However, a regional support network selected through the procurement process is not required to contract for services with any county-owned or operated facility. The regional support network procurement process shall provide that public funds appropriated by the legislature shall not be used to promote or deter, encourage, or discourage employees from exercising their rights under Title 29, chapter 7, subchapter II, United States Code or chapter 41.56 RCW.

(3) In addition to the requirements of RCW 71.24.035, contracts shall:

(a) Define administrative costs and ensure that the regional support network does not exceed an administrative cost of ten percent of available funds;

(b) Require effective collaboration with law enforcement, criminal justice agencies, and the chemical dependency treatment systems;

(c) Require substantial implementation of department adopted integrated screening and assessment process and matrix of best practices;

(d) Maintain the decision-making independence of designated mental health professionals;

(e) Except at the discretion of the secretary or as specified in the biennial budget, require regional support networks to pay the state for the costs associated with individuals who are being served on the grounds of the state hospitals and who are not receiving long-term inpatient care as defined in RCW 71.24.025;

(f) Include a negotiated alternative dispute resolution clause; and

(g) Include a provision requiring either party to provide one hundred eighty days' notice of any issue that may cause either party to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to act as a regional support network. If either party decides to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to serve as a regional support network they shall provide ninety days' advance notice in writing to the other party.

Sec. 10. RCW 74.39A.090 and 2004 c 141 s 3 are each amended to read as follows:

(1) The legislature intends that any staff reassigned by the department as a result of shifting of the reauthorization responsibilities by contract outlined in this section shall be dedicated for discharge planning and assisting with discharge planning and information on existing discharge planning cases. Discharge planning, as directed in this section, is intended for residents and patients identified for discharge to long-term care pursuant to RCW 70.41.320, 74.39A.040, and 74.42.058. The purpose of discharge planning is to protect residents and patients from the financial incentives inherent in keeping residents or patients in a more expensive higher level of care and shall focus on care options that are in the best interest of the patient or resident.

(2) The department shall contract with area agencies on aging:

(a) To provide case management services to consumers receiving home and community services in their own home; and

(b) To reassess and reauthorize home and community services in home or in other settings for consumers consistent with the intent of this section:

(i) Who have been initially authorized by the department to receive home and community services; and

(ii) Who, at the time of reassessment and reauthorization, are receiving home and community services in their own home.

(3) In the event that an area agency on aging is unwilling to enter into or satisfactorily fulfill a contract or an individual consumer's need for case management services will be met through an alternative delivery system, the department is authorized to:

(a) Obtain the services through competitive bid; and

(b) Provide the services directly until a qualified contractor can be found.

(4)(a) The department shall include, in its oversight and monitoring of area agency on aging performance, assessment of case management roles undertaken by area agencies on aging in this section. The scope of oversight and monitoring includes, but is not limited to, assessing the degree and quality of the case management performed by area agency on aging staff for elderly and (disabled) persons with disabilities in the community.

(b) The department shall incorporate the expected outcomes and criteria to measure the performance of service coordination organizations into contracts with area agencies on aging as provided in chapter 70. — RCW (the new chapter created in section 11 of this act).

(5) Area agencies on aging shall assess the quality of the in-home care services provided to consumers who are receiving services under the Medicaid personal care, community options programs entry system or chore services program through an individual provider or home care agency. Quality indicators may include, but are not limited to, home care consumers satisfaction surveys, how quickly home care consumers are linked with home care workers, and whether the plan of care under RCW 74.39A.095 has been honored by the agency or the individual provider.

(6) The department shall develop model language for the plan of care established in RCW 74.39A.095. The plan of care shall be in clear language, and written at a reading level that will ensure the ability of consumers to understand the rights and responsibilities expressed in the plan of care.

The measure was read the second time.

**MOTION**

Senator Ericksen moved that the following committee striking amendment by the Committee on Energy, Environment & Telecommunications be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 19.280.010 and 2006 c 195 s 1 are each amended to read as follows:

It is the intent of the legislature to encourage the development of new safe, clean, and reliable energy resources to meet demand in Washington for affordable and reliable electricity. To achieve this end, the legislature finds it essential that electric utilities in Washington develop comprehensive resource plans that explain the mix of generation and demand-side resources they plan to use to meet their customers' electricity needs in both the short term and the long term. The legislature intends that information obtained from integrated resource planning under this chapter will be used to assist in identifying and developing: (1) New energy generation((,)); (2) conservation and efficiency resources((,)); (3) methods, commercially available technologies, and facilities for integrating renewable resources, including addressing any overgeneration event; and (4) related infrastructure to meet the state's electricity needs.

Sec. 2. RCW 19.280.020 and 2009 c 565 s 19 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commission" means the utilities and transportation commission.

(2) "Conservation and efficiency resources" means any reduction in electric power consumption that results from increases in the efficiency of energy use, production, transmission, or distribution.

(3) "Consumer-owned utility" includes a municipal electric utility formed under Title 35 RCW, a public utility district formed under Title 54 RCW, an irrigation district formed under chapter 87.03 RCW, a cooperative formed under chapter 23.86 RCW, a mutual corporation or association formed under chapter 24.06 RCW, a port district formed under Title 53 RCW, or a water-sewer district formed under Title 57 RCW, that is engaged in the business
of distributing electricity to one or more retail electric customers in the state.

4) "Department" means the department of commerce.

5) "Electric utility" means a consumer-owned or investor-owned utility.

6) "Full requirements customer" means an electric utility that relies on the Bonneville power administration for all power needed to supply its total load requirement other than that served by nondispatchable generating resources totaling no more than six megawatts or renewable resources.

7) "Governing body" means the elected board of directors, city council, commissioners, or board of any consumer-owned utility.

8) "High efficiency cogeneration" means the sequential production of electricity and useful thermal energy from a common fuel source, where, under normal operating conditions, the facility has a useful thermal energy output of no less than thirty-three percent of the total energy output.

9) "Integrated resource plan" means an analysis describing the mix of generating resources (and), conservation, methods, technologies, and resources to integrate renewable resources and, where applicable, address overgeneration events; and efficiency resources that will meet current and projected needs at the lowest reasonable cost to the utility and its ratepayers and that complies with the requirements specified in RCW 19.280.030(1).

10) "Investor-owned utility" means a corporation owned by investors that meets the definition in RCW 80.04.010 and is engaged in distributing electricity to more than one retail electric customer in the state.

11) "Lowest reasonable cost" means the lowest cost mix of generating resources and conservation and efficiency resources determined through a detailed and consistent analysis of a wide range of commercially available resources. At a minimum, this analysis must consider resource cost, market-volatility risks, demand-side resource uncertainties, resource dispatchability, resource effect on system operation, the risks imposed on the utility and its ratepayers, public policies regarding resource preference adopted by Washington state or the federal government, and the cost of risks associated with environmental effects including emissions of carbon dioxide.

12) "Plan" means either an "integrated resource plan" or a "resource plan."

13) "Renewable resources" means electricity generation facilities fueled by: (a) Water; (b) wind; (c) solar energy; (d) geothermal energy; (e) landfill gas; (f) biomass energy utilizing animal waste, solid organic fuels from wood, forest, or field residues or dedicated energy crops that do not include wood pieces that have been treated with chemical preservatives such as creosote, pentachlorophenol, or copper-chrome-arsenic; (g) by-products of pulping or wood manufacturing processes, including but not limited to bark, wood chips, sawdust, and lignin in spent pulping liquors; (h) ocean thermal, wave, or tidal power; or (i) gas from sewage treatment facilities.

14) "Resource plan" means an assessment that estimates electricity loads and resources over a defined period of time and complies with the requirements in RCW 19.280.030(2).

15) "Overgeneration event" means an event within an operating period of a balancing authority when the electricity supply, including generation from intermittent renewable resources, exceeds the demand for electricity for that utility's energy delivery obligations and when there is a negatively priced regional market.

Sec. 3. RCW 19.280.030 and 2011 c 180 s 305 are each amended to read as follows:

Each electric utility must develop a plan consistent with this section.
The Senate was called to order at 2:06 p.m. by President Owen.

The public members shall be residents of the state and appointed by the governor, subject to confirmation by the senate, on the basis of their interest or expertise in the provision of higher education and the financing of higher education. The public members of the authority shall serve for terms of four years. The initial terms of the public members shall be staggered in a manner determined by the governor. In the event of a vacancy on the authority due to death, resignation, or removal of any public member, and upon the expiration of the term of any public member, the governor shall appoint a successor for a term expiring on the fourth anniversary of the successor's date of the appointment. If any of the state offices are abolished, the resulting vacancy on the authority shall be filled by the state officer who shall succeed substantially to the power and duties of the abolished office. Any public member of the authority may be removed by the governor for misfeasance, malfeasance, willful neglect of duty, or any other cause after notice and a public hearing, unless such notice and hearing shall be expressly waived in writing.

The person may cause copies to be made of all minutes and other records and documents of the authority, and may give certificates to the effect that such copies are..."

(5) Four members of the authority constitute a quorum. Members participating in a meeting through the use of any means of communication by which all members participating can hear each other during the meeting shall be deemed to be present in person at the meeting for all purposes. The authority may act on the basis of a motion except when authorizing the issuance and sale of bonds, in which case the authority shall act by resolution. Bond resolutions and other resolutions shall be adopted upon the affirmative vote of four members of the authority, and shall be signed by those members voting yes. Motions shall be adopted upon the affirmative vote of a majority of a quorum of members present at any meeting of the authority. All actions taken by the authority shall take effect immediately without need for publication or other public notice. A vacancy in the membership of the authority does not impair the power of the authority to act under this chapter.

(6) The members of the authority shall be compensated in accordance with RCW 43.03.240 and shall be entitled to reimbursement, solely from the funds of the authority, for travel expenses as determined by the authority incurred in the discharge of their duties under this chapter."

MESSAGE FROM THE HOUSE

April 17, 2013

MR. PRESIDENT:

The House has passed:

SUBSTITUTE SENATE BILL NO. 5182,
SUBSTITUTE SENATE BILL NO. 5263,
SUBSTITUTE SENATE BILL NO. 5264,
SENATE BILL NO. 5476,
ENGROSSED SUBSTITUTE SENATE BILL NO. 5681.
SENATE BILL NO. 5715,
and the same are herewith transmitted.

BARBARA BAKER, Chief Clerk

MOTION

On motion of Senator Fain, the Senate advanced to the seventh order of business.

RULING BY THE PRESIDENT

President Owen: “In ruling on the Point of Inquiry raised by Senator Darneille as to whether House Bill No. 1149 amends Initiative 1183 so as to require a 2/3 vote on final passage, the President finds and rules as follows:

Initiative 1183 privatized the sale of spirits, allowing certain private retailers to sell the product. The initiative amends RCW 66.24.145, the same statute that would be amended in House Bill No. 1149. That statute limits sales of spirits by craft distilleries to two liters per person per day. The bill would amend a portion of RCW 66.24.145 that the initiative did not directly amend, by changing the limit to three liters per day.

In this specific instance, the initiative maintained preexisting limits on the amount of spirits that one person could buy: two liters per person per day. The sponsors altered the statute slightly to make it consistent with the privatization process, while making no explicit change to the daily limit.

The President may not determine the precise intent of the sponsors of Initiative 1183. However, the limit on individual sales of spirits was contained in the statute that the sponsors wrote, it was placed before the voters with the limitation intact, and was passed by those same voters. Perhaps most importantly, the limitation on individual sales of spirits is consistent with the broad purpose of the initiative to provide for private sales of spirits within the framework of a heavily regulated commercial environment.

If the President were to conclude that the passage of House Bill No. 1149 did not contradict Initiative 1183, he would have to speculate about the sponsors’ intent, in a manner that is beyond his powers. Instead, he must evaluate the question by considering the initiative’s purpose and its function: to allow sales of spirits by private commercial businesses, but within a limited and regulated environment. Restricting the daily sales of spirits is part of that limited and regulated environment, and House Bill No. 1149 would change a small part of that environment.

For these reasons, the President finds that House Bill No. 1149 would amend Initiative 1183, and will require a two-thirds Constitutional supermajority vote on final passage.”

The Senate resumed consideration of House Bill No. 1149 which had been deferred earlier in the day.

Senators Holmquist Newbry and Conway spoke in favor of passage of the bill.

The President declared the question before the Senate to be the final passage of House Bill No. 1149.

After the outstanding taxes, interest, and penalties are removed from the tax rolls under subsection (2) of this section, all future taxes are the responsibility of the owner of the manufactured/mobile home or park model trailer.

(2) Upon notification by the assessor, the county treasurer must remove from the tax rolls any outstanding taxes, as well as interest and penalties, on a manufactured/mobile home or park model trailer if the landlord of a manufactured/mobile home park:

(a) Submits a signed affidavit to the assessor indicating that the landlord has taken ownership of the manufactured/mobile home or park model trailer with the intent to resell or rent after (i) the manufactured/mobile home or park model trailer has been abandoned; or (ii) a final judgment for restitution of the premises under RCW 59.18.410 has been executed in favor of the landlord with regard to the manufactured/mobile home or park model trailer and title has been lawfully transferred to the landlord; and

(b) The most current assessed value of the manufactured/mobile home or park model trailer is less than eight thousand dollars.

(3) For the purposes of this section, "abandoned," "manufactured/mobile home," and "park model" have the same meanings as provided in RCW 59.20.030.

Sec. 2. RCW 46.44.170 and 2010 c 161 s 1118 are each amended to read as follows:

(1) Any person moving a mobile home as defined in RCW 46.04.302 or a park model trailer as defined in RCW 46.04.622 upon public highways of the state must obtain:

(a) A special permit from the department of transportation and local authorities pursuant to RCW 46.44.090 and 46.44.093 and (shall) must pay the proper fee as prescribed by RCW 46.44.0941 and 46.44.096; and

(b) For mobile homes constructed before June 15, 1976, and already situated in the state: (i) A certification from the department of labor and industries that the mobile home was inspected for fire safety; or (ii) an affidavit in the form prescribed by the department of commerce signed by the owner at the county treasurer's office at the time of the application for the movement permit stating that the mobile home is being moved by the owner for his or her continued occupation or use; or (iii) a copy of the certificate of title together with an affidavit signed under penalty of perjury by the certified owner stating that the mobile home is being transferred to a wrecking yard or similar facility for disposal. In addition, the destroyed mobile home must be removed from the assessment rolls of the county and any outstanding taxes on the destroyed mobile home must be removed by the county treasurer.

(2) A special permit issued as provided in subsection (1) of this section for the movement of any mobile home or a park model trailer that is assessed for purposes of property taxes (shall) is not (be) valid until the county treasurer of the county in which the mobile home or park model trailer is located (shall) must endorse or attach his or her certificate that all property taxes which are a lien or which are delinquent, or both, upon the mobile home or park model trailer being moved have been satisfied. Further, any mobile home or park model trailer required to have a special movement permit under this section (shall) must display an easily recognizable decal. However, endorsement or certification by the county treasurer and the display of the decal is not required:

(a) When a mobile home or park model trailer is to enter the state or is being moved from a manufacturer or distributor to a retail sales outlet or directly to the purchaser's designated location or between retail and sales outlets;

(b) When a signed affidavit of destruction is filed with the county assessor and the mobile home or park model trailer is being moved to a disposal site by a landlord as defined in RCW 59.20.030 after (i) the mobile home or park model trailer has been abandoned as defined in RCW 59.20.030; or (ii) a final judgment for restitution of the premises under RCW 59.18.410 has been executed in favor of the landlord with regard to the mobile home or park model trailer and title has been lawfully transferred to the landlord. The mobile home or park model trailer will be removed from the tax rolls and, upon notification by the assessor, any outstanding taxes on the destroyed mobile home or park model trailer will be removed by the county treasurer; or

(c) When a signed affidavit of destruction is filed with the county assessor by any mobile home or park model trailer owner or any property owner with an abandoned mobile home or park model trailer, the same (shall) must be removed from the tax rolls and, upon notification by the assessor, any outstanding taxes on the destroyed mobile home or park model trailer (shall) must be removed by the county treasurer.

(3) Except as provided in subsection (1)(a) of this act, if the landlord of a manufactured/mobile home park takes ownership of a manufactured/mobile home or park model trailer with the intent to resell the same after the same under RCW 59.20.030 after (a) the manufactured/mobile home or park model trailer has been abandoned as defined in RCW 59.20.030; or (b) a final judgment for restitution of the premises under RCW 59.18.410 has been executed in favor of the landlord with regard to the manufactured/mobile home or park model trailer and title has been lawfully transferred to the landlord, the outstanding taxes become the responsibility of the landlord.

(4) It is the responsibility of the owner of the mobile home or park model trailer subject to property taxes or the agent to obtain the endorsement and decal from the county treasurer before a mobile home or park model trailer is moved.

(5) This section does not prohibit the issuance of vehicle license plates for a mobile home or park model trailer subject to property taxes, but plates (shall) may not be issued unless the mobile home or park model trailer subject to property taxes for which plates are sought has been listed for property tax purposes in the county in which it is principally located and the appropriate fee for the license has been paid.

(6) The department of transportation, the department of labor and industries, and local authorities are authorized to adopt reasonable rules for implementing the provisions of this section.

The department of transportation (shall) adopt rules
specifying the design, reflective characteristics, annual coloration, and for the uniform implementation of the decal required by this section. The department of labor and industries ((shall)) must adopt procedures for notifying destination local jurisdictions concerning the arrival of mobile homes that failed safety inspections.”

POINT OF INQUIRY

Senator Hargrove: “Would Senator Holmquist Newbry yield to a question? I was just, somebody whispered in my ear that this is actually restricts current practice by making sure that there is ID presented and that isn’t necessarily the case now? Is that correct? I’m looking for a way to vote for one of these bills.”

Senator Holmquist Newbry: “Senator Hargrove, this is my understanding in reading the background of the bill. Presently Washington has no statutes regulating the use of such self-checkout systems with respect to the purchase of alcoholic beverages so I think you would see it as a restriction but so you know that the common practice used by our retailers in Washington State does follow this premise. So, yes, I would love your support Senator Hargrove.”

SUBSTITUTE HOUSE BILL NO. 1284, by House Committee on Early Learning & Human Services (originally sponsored by Representatives Roberts, Walsh, Kagi, Sawyer, Goodman, Freeman, Farrell, Appleton, Ryu, Reykdal, Santos and Habib)

Concerning the rights of parents who are incarcerated or in residential substance abuse treatment.

The measure was read the second time.

MOTION

Senator Pearson moved that the following committee striking amendment by the Committee on Human Services & Corrections be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.067 and 2009 c 520 s 23 are each amended to read as follows:

(1) Following shelter care and no later than thirty days prior to fact-finding, the department or supervising agency shall convene a conference as required in the shelter care order to develop and specify in a written service agreement the expectations of both the department or supervising agency and the parent regarding voluntary services for the parent.

(b) The case conference shall include the parent, counsel for the parent, caseworker, counsel for the state, guardian ad litem, counsel for the child, and any other person agreed upon by the parties. Once the shelter care order is entered, the department or supervising agency is not required to provide additional notice of the case conference to any participants in the case conference.

(c) The written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific services to be provided to the parent.

(d) The case conference agreement must be agreed to and signed by the parties. The court shall not consider the content of the discussions at the case conference at the time of the fact-finding hearing for the purposes of establishing that the child is a dependent child, and the court shall not consider any documents or written materials presented at the case conference but not incorporated into the case conference agreement, unless the documents or written materials were prepared for purposes other than or as a result of the case conference and are otherwise admissible under the rules of evidence.

(2) At any other stage in a dependency proceeding, the department or supervising agency, upon the parent's request, shall convene a case conference.

(3) If a case conference is convened pursuant to subsection (1) or (2) of this section and the parent is unable to participate in person due to incarceration, the parent must have the option to participate through the use of a teleconference or videoconference.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court no less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130((44)) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement. If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is
not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(v) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vi) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(44)(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(44)(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 3. RCW 13.34.145 and 2011 c 330 s 6 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why
the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;
(ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;
(iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;
(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;
(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and
(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:
(A) Being returned safely to his or her home;
(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;
(C) Being placed for adoption;
(D) Being placed with a guardian;
(E) Being placed in the home of a fit and willing relative of the child; or
(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

(4) Following this inquiry, at the permanency planning hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the child becomes emancipated pursuant to chapter 13.64 RCW.

5(a) If the permanency plan identifies independent living as a goal, the court at the permanency planning hearing shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(b) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(c) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(i) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(ii) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

7(i) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or
(ii) Modify the permanency plan, and order implementation of the modified plan; and
(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or
(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.
(5) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(6) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(7) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(8) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (g), (e) of this section are met.

(11) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(12) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 4. RCW 13.34.180 and 2009 c 520 s 34 and 2009 c 477 s 5 are each reenacted and amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party, including the supervising agency, to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (b) of this section applies:

(a) That the child has been found to be a dependent child;
(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:
(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;
(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or
(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and
(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(4)(b); whether the department or supervising agency made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(4)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or
(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

((4))) (5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(4)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

MOTION

On motion of Senator Ericksen, Substitute Senate Bill No. 5785 was substituted for Senate Bill No. 5785 and the substitute bill was placed on the second reading and read the second time.

MOTION

Senator Ericksen moved that the following striking amendment by Senators Ericksen and Rolfes be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 46.16A.200 and 2011 c 171 s 46 are each amended to read as follows:

(1) Design. All license plates may be obtained by the director from the metal working plant of a state correctional facility or from any source in accordance with existing state of Washington purchasing procedures. License plates:
(a) May vary in background, color, and design;
(b) Must be legible and clearly identifiable as a Washington state license plate;
(c) Must designate the name of the state of Washington without abbreviation;
(d) Must be treated with fully reflectorized materials designed to increase visibility and legibility at night;
(e) Must be of a size and color and show the registration period as determined by the director; and
(f) Before July 1, 2010, may display a symbol or artwork approved by the former special license plate review board and the legislature. Beginning July 1, 2010, special license plate series approved by the department and enacted into law by the legislature may display a symbol or artwork approved by the department.

(2) Exceptions to reflectorized materials. License plates issued before January 1, 1968, are not required to be treated with reflectorized materials.

(3) Dealer license plates. License plates issued to a dealer must contain an indication that the license plates have been issued to a vehicle dealer.

(a) Furnished. The director shall furnish to all persons making satisfactory application for a vehicle registration:
(i) Two identical license plates each containing the license plate number; or
(ii) One license plate if the vehicle is a trailer, semitrailer, camper, moped, collector vehicle, horseless carriage, or motorcycle.
(b) The director may adopt types of license plates to be used as long as the license plates are legible.

(5) Display. License plates must be:
(i) Attached conspicuously at the front and rear of each vehicle if two license plates have been issued;
(ii) Attached to the rear of the vehicle if one license plate has been issued;
(iii) Kept clean and be able to be plainly seen and read at all times; and
(iv) Attached in a horizontal position at a distance of not more than four feet from the ground.
(b) The Washington state patrol may grant exceptions to this subsection if the body construction of the vehicle makes compliance with this section impossible.
(6) **Change of license classification.** A person who has altered a vehicle that makes the current license plate or plates invalid for the vehicle's use shall:
   (a) Surrender the current license plate or plates to the department, county auditor or other agent, or subagent appointed by the director;
   (b) Apply for a new license plate or plates; and
   (c) Pay a change of classification fee required under RCW 46.17.310.

(7) **Unlawful acts.** It is unlawful to:
   (a) Display a license plate or plates on the front or rear of any vehicle that were not issued by the director for the vehicle;
   (b) Display a license plate or plates on any vehicle that have been changed, altered, or disfigured, or have become illegible;
   (c) Use holders, frames, or other materials that change, alter, or make a license plate or plates illegible. License plate frames may be used on license plates only if the frames do not obscure license tabs or identifying letters or numbers on the plates and the license plates can be plainly seen and read at all times;
   (d) Operate a vehicle unless a valid license plate or plates are attached as required under this section;
   (e) Transfer a license plate or plates issued under this chapter between two or more vehicles without first making application to transfer the license plates. A violation of this subsection (7)(e) is a traffic infraction subject to a fine not to exceed five hundred dollars. Any law enforcement agency that determines that a license plate or plates have been transferred between two or more vehicles shall confiscate the license plate or plates and return them to the department for nullification along with full details of the reasons for confiscation. Each vehicle identified in the transfer will be issued a new license plate or plates upon application by the owner or owners and the payment of full fees and taxes; or
   (f) Fail, neglect, or refuse to endorse the registration certificate ((and deliver the license plate or plates to the purchaser or transferee of the vehicle)), except as authorized under this section.

(8) **Transfer.** (a) Standard issue license plates ((follow the vehicle)) must be replaced when ownership of the vehicle changes (unless), pursuant to subsection (9)(a)(i) of this section, but the registered owner ((wishes to)) may retain the license plates and transfer them to a replacement vehicle of the same use. In addition to all other taxes and fees due upon change in ownership, a registered owner wishing to keep standard issue license plates shall pay the license plate transfer fee required under RCW 46.17.200(1)(c) when applying for license plate transfer.
   (b) Special license plates and personalized license plates may be treated in the same manner as described in (a) of this subsection unless otherwise limited by law.
   (c) License plates issued to the state or any county, city, town, school district, or other political subdivision entitled to exemption as provided by law may be treated in the same manner as described in (a) of this subsection.

(9) **Replacement.** (a) Except as provided in subsection (8)(a) of this section, an owner or the owner's authorized representative ((shall)) must apply for a replacement license plate or plates: (i) When taking ownership of the vehicle; (ii) if the current license plate or plates assigned to the vehicle have been lost, defaced, or destroyed; or (iii) if one or both plates have become so illegible or are in such a condition as to be difficult to distinguish. An owner or the owner's authorized representative may apply for a replacement license plate or plates at any time the owner chooses. The department shall offer to owners the option of retaining the current license plate number when obtaining replacement license plates for the fee required in RCW 46.17.200(1)(b).
   (b) The application for a replacement license plate or plates must:
      (i) Be on a form furnished or approved by the director; and
      (ii) Be accompanied by the fee required under RCW 46.17.200(1)(a).
   (c) When a vehicle is sold to a vehicle dealer for resale, the application for a replacement plate or plates need not be made until the vehicle is sold by the vehicle dealer.
   (d) The department shall not require the payment of any fee to replace a license plate or plates for vehicles owned, rented, or leased by foreign countries or international bodies to which the United States government is a signatory by treaty.

(10) **(Periodic replacement.** License plates must be replaced periodically to ensure maximum legibility and reflectivity. The department shall:
   (a) Use empirical studies documenting the longevity of the reflective materials used to make license plates;
   (b) Determine how frequently license plates must be replaced; and
   (c) Offer to owners the option of retaining the current license plate number when obtaining replacement license plates for the fee required in RCW 46.17.200(1)(b).

(11) **Replacement-Exceptions.** The following license plates are not required to be ((periodically)) replaced as required in subsection (((10)))(9) of this section:

(12) **Rules.** The department may adopt rules to implement this section.

**Sec. 2.** RCW 46.16A.020 and 2010 c 161 s 402 are each amended to read as follows:

(1) The department, county auditor or other agent, or subagent appointed by the director shall assign a new registration year to a vehicle if:
   (a) The ((Washington state vehicle registration has expired and)) registered ownership ((of)) of the vehicle is being transferred. The renewed ((license)) vehicle registration is valid for a full twelve-month period unless: (i) The vehicle changes ownership during the twelve-month period, in which case the registration expires; or (ii) a specific expiration date is required by law, rule, or program; or
   (b) The Washington vehicle registration has expired and the registered owner:
      (i) Is a member of the United States armed forces;
      (ii) Was stationed outside of Washington under military orders during the prior vehicle registration year; and
      (iii) Provides the department a copy of the military orders.
   (2) Each registration year may be divided into twelve registration months. Each registration month begins at 12:01 a.m. on a day of the month assigned by the department and ends at 12:00 a.m. on the same day the following month.
   (3) A registration period extends through the end of the next business day when the final day of a registration year or month falls on a Saturday, Sunday, or legal holiday.

**Sec. 3.** RCW 46.16A.110 and 2010 c 161 s 428 and 2010 c 8 s 9012 are each reenacted and amended to read as follows:

(1) A registered owner or the registered owner's authorized representative must apply for a renewal vehicle registration to the department, county auditor or other agent, or subagent appointed by the director on a form approved by the director. The application for
a renewal vehicle registration must be accompanied by a draft, money order, certified bank check, or cash for all fees and taxes required by law for the application for a renewal vehicle registration.

(2)(a) When a vehicle changes ownership, the person taking ownership or his or her authorized representative must apply for a renewal vehicle registration as provided in subsection (1) of this section and, except as provided in (b) of this subsection, pay all the taxes and fees that are due at the time of registration renewal. For the purposes of this section, when a vehicle is sold to a vehicle dealer for resale, the application for a renewal registration need not be made until the vehicle is sold by the vehicle dealer.

(b) The person taking ownership or his or her authorized representative must be given credit for the portion of a motor vehicle excise tax, including the motor vehicle excise tax collected under RCW 81.104.160, that reflects the remaining period for which the tax was initially paid by the previous owner.

(3) An application and the fees and taxes for a renewal vehicle registration must be handled in the same manner as an original vehicle registration application. The registration does not need to show the name of the lien holder when the application for renewal vehicle registration becomes the renewal registration upon validation.

(4) A person expecting to be out of state during the normal renewal period of a vehicle registration may renew a vehicle registration and have license plates or tabs pressurized by applying for a renewal as described in subsection (1) of this section. A vehicle registration may be renewed for the subsequent registration year up to eighteen months before the current expiration date and must be displayed from the date of issue or from the day of the expiration of the current registration year, whichever date is later.

(5) An application for a renewal vehicle registration is not required for those vehicles owned, rented, or leased by:

Sec. 4. RCW 46.17.200 and 2012 c 74 s 3 are each amended to read as follows:

(b) A license plate retention fee, as required under RCW 46.16A.200((10)(c))) (9)(a), of twenty dollars if the owner wishes to retain the current license plate number upon license plate replacement, unless the owner or type of vehicle is exempt from payment. The twenty dollar fee must be deposited in the multimodal transportation account created in RCW 47.66.070.

(2) The department may, upon request, provide license plates that have been used and returned to the department for nonvehicular use. The department may charge a fee of up to five dollars per license plate to cover costs or recovery for postage and handling. The department may waive the fee for license plates used in educational projects and may, by rule, provide standards for the fee waiver and restrictions on the number of license plates provided to any one person. The fee must be deposited in the motor vehicle fund created in RCW 46.68.070.

Sec. 5. RCW 46.18.130 and 2011 c 171 s 68 are each amended to read as follows:

(1) Revenues generated from the sale of special license plates for those sponsoring organizations who used the application process in RCW 46.18.110 must be deposited into the motor vehicle fund created in RCW 46.68.070 until the department determines that the state's implementation costs have been fully reimbursed.

(2) When it is determined that the state has been fully reimbursed the department must notify the house of representatives and senate transportation committees, the sponsoring organization, and the state treasurer, and begin distributing the revenue as otherwise provided by law.

(3) If reimbursement does not occur within two years from the date the special license plate is first offered for sale to the public, the special license plate series must be placed in probationary status for a period of one year from that date. If the state is still not fully reimbursed for its implementation costs after the one-year probation, the special license plate series must be discontinued immediately. Special license plates issued before discontinuation are valid until replaced ((under RCW 46.16A.200(4))).

(4) The department shall:

(a) Provide the special license plate applicant with a written receipt for the payment; and

(b) Maintain a record of each special license plate applicant trust account deposit including, but not limited to, the name and address of each special license plate applicant whose funds are being deposited, the amount paid, and the date of the deposit.

(5) After the department receives written notice that the special license plate applicant's application has been approved by the legislature, the director shall request that the money be transferred to the motor vehicle fund created in RCW 46.68.070.

(6) After the department receives written notice that the special license plate applicant's application has been denied by the department or the legislature, the director shall provide a refund to the applicant within thirty days.

(7) After the department receives written notice that the special license plate applicant's application has been withdrawn by the special license plate applicant, the director shall provide a refund to the applicant within thirty days.

Sec. 6. RCW 46.18.140 and 2010 1st sp.s c 7 s 97 and 2010 c 161 s 609 are each reenacted and amended to read as follows:

(1) A special license plate series created by the legislature after January 1, 2011, that has not been reviewed and approved by the department is subject to the following requirements:
(a) The organization sponsoring the license plate series shall, within thirty days of enactment of the legislation creating the special license plate series, submit prepayment of all start-up costs associated with the creation and implementation of the special license plate in an amount determined by the department. The prepayment will be credited to the motor vehicle fund created in RCW 46.68.070. The creation and implementation of the special license plate series may not begin until payment is received by the department.

(b) If the sponsoring organization is not able to meet the prepayment requirements in (a) of this subsection and can demonstrate this fact to the satisfaction of the department, the revenues generated from the sale of the special license plates must be deposited in the motor vehicle fund created in RCW 46.68.070 until the department determines that the state’s portion of the implementation costs have been fully reimbursed. When it has determined that the state has been fully reimbursed, the department must notify the treasurer to commence distribution of the revenue according to statutory provisions.

(c) The sponsoring organization must provide a proposed special license plate design to the department within thirty days of enactment of the legislation creating the special license plate series.

(2) The state must be reimbursed for its portion of the implementation costs within two years from the date the new special license plate series goes on sale to the public. If the reimbursement does not occur within the two-year time frame, the special license plate series must be placed in probationary status for a period of one year from that date. If the state is still not fully reimbursed for its implementation costs after the one-year probation, the special license plate series must be discontinued immediately. Those special license plates issued before discontinuation are valid until the entire existing inventory is sold according to statutory provisions.

(3) If the sponsoring organization ceases to exist or the purpose of the special license plate series ceases to exist, revenues generated from the sale of the special license plates must be deposited into the motor vehicle fund created in RCW 46.68.070.

(4) A sponsoring organization may not seek to redesign its special license plate series until the entire existing inventory is sold or purchased by the organization itself. All costs for the redesign of a special license plate series must be paid by the sponsoring organization.

MESSAGE FROM THE HOUSE

April 17, 2013

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5078 with the following amendment(s): 5078-S2.E AMH FIN H2258.5

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that nonprofit fairs provide educational opportunities for youth and promote agriculture and the welfare of rural Washington. The legislature further finds that publicly owned fairgrounds can be rented or loaned out on a temporary basis without jeopardizing the property's exempt status for property tax purposes. The legislature further finds that many cities and counties have transferred ownership of fairgrounds to nonprofit associations for an identical use of the property. The legislature further finds that property tax exemptions for nonprofit fairs associations should be subject to property tax even though the use of the property has not changed. (2) It is the intent of the legislature to mitigate an unintended consequence of the property tax code that would otherwise interfere with a city's or county's ability to achieve operational efficiencies and follow best practices by transferring fairgrounds to nonprofit associations for an identical use of the property. It is the further intent of the legislature to expire the property tax exemption in five years to evaluate if the exemption has created any unintended consequences, including any unfair competitive advantage that may be conferred by the property tax exemption over private businesses, and identify other similar tax situations where ownership of property may be transferred from a public entity to a nonprofit association.

Sec. 2. RCW 84.36.480 and 1984 c 220 s 6 are each amended to read as follows:
(1) The following property shall be exempt from taxation:
(2) Except as provided otherwise in subsections (2) and (3) of this section, the real and personal property of a nonprofit association that sponsors or conducts a fair or fairs (which) is eligible to receive support from ((revenues collected pursuant to RCW))
the fair fund, as created in RCW 15.76.115 and allocated by the director of the department of agriculture, is exempt from taxation. To be exempt under this ((section)) subsection (1), the property must be used exclusively for fair purposes, except as provided in RCW 84.36.805. However, the loan or rental of property otherwise exempt under this section to a private concessionaire or to any person for use as a concession in conjunction with activities permitted under this section shall not nullify the exemption if the concession charges are subject to agreement and the rental income, if any, is reasonable and is devoted solely to the operation and maintenance of the property.

(2)(a) Except as provided otherwise in subsection (3) of this section, the real and personal property owned by a nonprofit fair association organized under chapter 24.06 RCW and used for fair purposes is exempt from taxation if the majority of such property, as determined by assessed value, was purchased or acquired by the same nonprofit fair association from a county or a city between 1995 and 1998.

(b) The exemption under this subsection (2) may not be claimed for taxes levied for collection in 2019 and thereafter.

(3) A nonprofit fair association with real and personal property having an assessed value of more than fifteen million dollars is not eligible for the exemptions under this section.

Sec. 3. RCW 84.36.805 and 2006 c 319 s 1 and 2006 c 226 s 3 are each reenacted and amended to read as follows:

(1) In order to qualify for an exemption under this chapter, the nonprofit organizations, associations, or corporations must satisfy the conditions in this section.

(2) The property must be used exclusively for the actual operation of the activity for which exemption is granted, unless otherwise provided, and does not exceed an amount reasonably necessary for that purpose, except:

(a) The loan or rental of the property does not subject the property to tax if:

(i) The rents and donations received for the use of the portion of the property are reasonable and do not exceed the maintenance and operation expenses attributable to the portion of the property loaned or rented; and

(ii) Except for the exemptions under RCW 84.36.030(4), 84.36.037, 84.36.050, and 84.36.060(1) (a) and (b), the property would be exempt from tax if owned by the organization to which it is loaned or rented;

(b) The use of the property for fund-raising activities does not subject the property to tax if the fund-raising activities are consistent with the purposes for which the exemption is granted.

(3) The facilities and services must be available to all regardless of race, color, national origin or ancestry.

(4) The organization, association, or corporation must be duly licensed or certified where such licensing or certification is required by law or regulation.

(5) Property sold to organizations, associations, or corporations with an option to be repurchased by the seller ((shall)) does not qualify for exempt status. This subsection does not apply to property sold to a nonprofit entity, as defined in RCW 84.36.560(7), by:

(a) A nonprofit as defined in RCW 84.36.800 that is exempt from income tax under ((section)) 26 U.S.C. Sec. 501(c) of the federal internal revenue code;

(b) A governmental entity established under RCW 35.21.660, 35.21.670, or 35.21.730;

(c) A housing authority created under RCW 35.82.030;

(d) A housing authority meeting the definition in RCW 35.82.210(2)(a); or

(e) A housing authority established under RCW 35.82.300.

The department ((shall)) must have access to its books in order to determine whether the nonprofit organization, association, or corporation is exempt from taxes under this chapter.

(7) This section does not apply to exemptions granted under RCW 84.36.020, 84.36.032, 84.36.250, ((and)) 84.36.260, and 84.36.480(2).

Correct the title, and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 15, 2013

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5329 with the following amendment(s): 3329-S.2.E AMH ENGR H2372.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.657.005 and 2010 c 235 s 101 are each amended to read as follows:

(1) The legislature finds that an effective educational accountability system is premised on creating and maintaining partnerships between the state and local school districts. The legislature also recognizes that it takes time to make significant changes that are sustainable over the long term in an educational system that serves more than one million students from diverse communities.

(2) The legislature further finds that it is the state's responsibility to create a coherent and effective accountability framework for the continuous improvement of all schools and school districts. This system must provide an excellent and equitable education for challenged schools that align with basic education, increases the level of support based upon the magnitude of need, and uses data for decisions. Such a system will identify schools and their districts for recognition as well as for additional state support.

(4) For a specific group of (challenged schools, defined as) persistently lowest-achieving schools((s)) and their districts, it is necessary to provide a required action process that creates a partnership between the state and local district to target funds and assistance to turn around the identified (lowest-achieving) schools. The legislature finds that state takeover of persistently lowest-achieving schools is unlikely to produce long-term improvement in student achievement because takeover is an unsustainable approach to school governance and an inadequate response to addressing the underlying barriers to improved outcomes for all students. However, in the rare case of a persistently lowest-achieving school that continues to fail to improve even after required action and supplemental assistance, it is appropriate and necessary to assign the superintendent of public instruction the responsibility to intercede, provide robust technical assistance, and direct the necessary interventions. Even though the superintendent of public instruction continues to work in partnership with the local school board, the superintendent of public instruction is accountable for assuring that adequate steps are taken to improve student achievement in these schools.

(5) Phase I of this accountability system will recognize schools that have done an exemplary job of raising student achievement and closing the achievement gaps using the (state board of education's accountability) Washington achievement index adopted by the state board of education. The state board of education shall have ongoing collaboration with the (achievement) educational opportunity gap oversight and accountability committee regarding the measures used to measure the closing of the achievement gaps and (identification) recognition provided to the school districts for closing the achievement gaps. Phase I will also target the lowest five percent of persistently lowest-achieving schools defined under federal guidelines to provide federal funds and federal intervention models through a voluntary option in 2010, and for those who do not volunteer and have not improved student achievement, a required action process beginning in 2011.

(6) Phase II of this accountability system will work toward implementing the (state board of education's accountability) Washington achievement index for identification of challenged schools in need of improvement, including those that are not Title I schools, and the use of state and local intervention models and federal and state funds through a (required action process) comprehensive system of differentiated support, targeted assistance, and intervention beginning in (2013, in addition to the federal program) the 2014-15 school year. If federal approval of the (state board of education's accountability) Washington achievement index ((must be)) is not obtained ((or else)), the federal guidelines for (persistently lowest-achieving) identifying schools will continue to be used. If it ever becomes necessary, a process is established to assign responsibility to the superintendent of public instruction to intervene in persistently lowest-achieving schools that have failed to improve despite required action.

(7) The expectation from implementation of this accountability system is the improvement of student achievement for all students to prepare them for postsecondary education, work, and global citizenship in the twenty-first century.

Sec. 2. RCW 28A.657.010 and 2010 c 235 s 112 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "All students group” means those students in grades three through eight and high school who take the state's assessment in reading or English language arts and mathematics required under 20 U.S.C. Sec. 6311(b)(3)."
(2) "Title I" means Title I, part A of the federal elementary and secondary education act of 1965 (ESEA) (20 U.S.C. Secs. 6311-6322).

(3) "Turnaround principles" include but are not limited to the following:
(a) Providing strong leadership;
(b) Ensuring teachers are effective and able to improve instruction;
(c) Increasing learning time;
(d) Strengthening the school's instructional program;
(e) Using data to inform instruction;
(f) Establishing a safe and supportive school environment; and
(g) Engaging families and communities.

Sec. 3. RCW 28A.657.020 and 2010 c 235 s 102 are each amended to read as follows:
(1) Beginning in 2010, and each year thereafter((December 1, 2012)), the superintendent of public instruction shall annually identify schools as one of the state's persistently lowest-achieving schools if the school is a Title I school, or a school that is eligible for but does not receive Title I funds, that is among the lowest-achieving five percent of Title I or Title I eligible schools in the state.

(2) The criteria for determining whether a school is among the persistently lowest-achieving five percent of Title I schools, or Title I eligible schools, under subsection (1) of this section shall be established by the superintendent of public instruction. The criteria must meet all applicable requirements for the receipt of a federal school improvement grant under the American recovery and reinvestment act of 2009 and Title I of the elementary and secondary education act of 1965, and take into account both:
(a) The academic achievement of the "all students" group in a school in terms of proficiency on the state's assessment, and any alternative assessments, in reading and mathematics combined; and
(b) The school's lack of progress on the mathematics and reading assessments over a number of years in the "all students" group.

(3)(a) Beginning December 1, 2013, and each December thereafter, the superintendent of public instruction shall annually identify challenged schools in need of improvement and a subset of such schools that are the persistently lowest-achieving schools in the state.

(b) The criteria for determining whether a school is a challenged school in need of improvement shall be adopted by the superintendent of public instruction in rule. The criteria must meet all applicable federal requirements under Title I of the elementary and secondary education act of 1965 and other federal rules or guidance, including applicable requirements for the receipt of federal school improvement funds if available, but shall apply equally to Title I, Title I-eligible, and non-Title I schools in the state. The criteria must take into account the academic achievement of the "all students" group and subgroups of students in a school in terms of proficiency on the state assessments in reading or English language arts and mathematics and a high school's graduation rate for all students and subgroups of students. The superintendent may establish tiered categories of challenged schools based on the relative performance of all students, subgroups of students, and other factors.

(c) The superintendent of public instruction shall also adopt criteria in rule for determining whether a challenged school in need of improvement is also a persistently lowest-achieving school for purposes of the required action district process under this chapter, which shall include the school's lack of progress for all students and subgroups of students over a number of years. The criteria for identifying persistently lowest-achieving schools shall also take into account the level of state or federal resources available to implement a required action plan.

(d) If the Washington achievement index is approved by the United States department of education for use in identifying schools for federal purposes, the superintendent of public instruction shall use the approved index to identify schools under (b) and (c) of this subsection.

Sec. 4. RCW 28A.657.030 and 2010 c 235 s 103 are each amended to read as follows:
(1) Beginning in January 2011, the superintendent of public instruction shall annually recommend to the state board of education school districts for designation as required action districts. A district with at least one school identified as a persistently lowest-achieving school according to the criteria established by the superintendent of public instruction under RCW 28A.657.020 shall be designated as a required action district ((if it meets the criteria developed by the superintendent of public instruction)). However, a school district shall not be recommended for designation as a required action district if the district was awarded a federal school improvement grant by the superintendent in 2010 or 2011 and for three consecutive years following receipt of the grant implemented a federal school intervention model at each school identified for improvement. The state board of education may designate a district that received a school improvement grant in 2010 or 2011 as a required action district if after three years of voluntarily implementing a plan the district continues to have a school identified as persistently lowest-achieving and meets the criteria for designation established by the superintendent of public instruction.

(2) The superintendent of public instruction shall provide a school district superintendent with written notice of the recommendation for designation as a required action district by certified mail or personal service. A school district superintendent may request reconsideration of the superintendent of public instruction's recommendation. The reconsideration shall be limited to a determination of whether the school district met the criteria for being recommended as a required action district. A request for reconsideration must be in writing and served on the superintendent of public instruction within ten days of service of the notice of the superintendent's recommendation.

(3) The state board of education shall annually designate those districts recommended by the superintendent in subsection (1) of this section as required action districts. A district designated as a required action district shall be required to notify all parents of students attending a school identified as a persistently lowest-achieving school in the district of the state board of education's designation of the district as a required action district and the process for complying with the requirements set forth in RCW 28A.657.040 through 28A.657.100.

Sec. 5. RCW 28A.657.050 and 2012 c 53 s 10 are each amended to read as follows:
(1)(a) The local district superintendent and local school board of a school district designated as a required action district must submit a required action plan to the state board of education for approval. Unless otherwise required by subsection (3) of this section, the plan must be submitted under a schedule as required by the state board. A required action plan must be developed in collaboration with administrators, teachers, and other staff, parents, unions representing any employees within the district, students, and other representatives of the local community.

(b) The superintendent of public instruction shall provide a district with assistance in developing its plan if requested, and shall develop and publish guidelines for the development of required action plans. The superintendent of public instruction, in consultation with the state board of education, shall also publish a list of research and evidence-based school improvement models, consistent with turnaround principles, that are approved for use in required action plans.
The school board must conduct a public hearing to allow for comment on a proposed required action plan. The local school district shall submit the plan first to the office of the superintendent of public instruction to review and approve that the plan is consistent with federal and state guidelines, as applicable. After the office of the superintendent of public instruction has approved that the plan is consistent with federal and state guidelines, the local school district must submit its required action plan to the state board of education for approval.

(2) A required action plan must include all of the following:

(a) Implementation of ((one of the four federal intervention)) an approved school improvement model(s) required for the receipt of ((a)) federal or state funds for school improvement ((grant)) for those persistently lowest-achieving schools that the district will be focusing on for required action. ((However, a district may not establish a charter school under a federal intervention model without express legislative authority. The intervention models are the turnaround, restart, school closure, and transformation models.))

The approved school improvement model selected must address the concerns raised in the academic performance audit and be intended to improve student performance to allow a school district to be removed from the list of districts designated as a required action district by the state board of education within three years of implementation of the plan. The required action plan for districts with multiple persistently lowest-achieving schools must include separate plans for each school as well as a plan for how the school district will support the schools collectively.

(b) Submission of an application for ((one federal school improvement grant or a grant from other sources)) federal or state funds for school improvement to the superintendent of public instruction;

(c) A budget that provides for adequate resources to implement the model((s)) selected and any other requirements of the plan;

(d) A description of the changes in the district's or school's existing policies, structures, agreements, processes, and practices that are intended to attain significant achievement gains for all students enrolled in the school and how the district intends to address the findings of the academic performance audit; and

(e) Identification of the measures that the district will use in assessing student achievement at a school identified as a persistently lowest-achieving school, which include closing the educational opportunity gap, improving mathematics and reading or English language arts student achievement, and improving graduation rates as defined by the office of the superintendent of public instruction.

(3)(a) For any district designated for required action, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after June 10, 2010, must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement a required action plan. For any district applying to participate in a collaborative schools for innovation and success pilot project under RCW 28A.630.104, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after June 7, 2012, must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement an innovation and success plan.

(b) If the school district and the employee organizations are unable to agree on the terms of an addendum or modification to an existing collective bargaining agreement, the parties, including all labor organizations affected under the required action plan, shall request the public employment relations commission to, and the commission shall, appoint an employee of the commission to act as a mediator to assist in the resolution of a dispute between the school district and the employee organizations. Beginning in 2011, and each year thereafter, mediation shall commence no later than April 15th. All mediations held under this section shall include the employer and representatives of all affected bargaining units.

(c) If the executive director of the public employment relations commission, upon the recommendation of the assigned mediator, finds that the employer and any affected bargaining unit are unable to reach agreement following a reasonable period of negotiations and mediation, but by no later than May 15th of the year in which mediation occurred, the executive director shall certify any disputed issues for a decision by the superior court in the county where the school district is located. The issues for determination by the superior court must be limited to the issues certified by the executive director.

(ii) Within seven days after the filing of the petition, each party shall file with the court the proposal it is asking the court to order be filed with the court setting forth the reasons why the court should order implementation of its proposal in the final plan.

(iii) Following receipt of the proposals and briefs of the parties, the court must schedule a date and time for a hearing on the petition. The hearing must be limited to argument of the parties or their counsel regarding the proposals submitted for the court’s consideration. The parties may waive a hearing by written agreement.

(iv) The court must enter an order selecting the proposal for inclusion in a required action plan that best responds to the issues raised in the school district's academic performance audit, and allows for the award of ((one federal school improvement grant or a grant from other sources)) federal or state funds for school improvement to the district from the office of the superintendent of public instruction to implement ((one of the four federal intervention)) an approved school improvement model((s)). In the case of an innovation and success plan, the court must enter an order selecting the proposal for inclusion in the plan that best responds to the issues raised in the school's comprehensive needs assessment. The court's decision must be issued no later than June 15th of the year in which the petition is filed and is final and binding on the parties; however the court's decision is subject to appeal only in the case where it does not allow the school district to implement a required action plan consistent with the requirements for the award of ((one federal school improvement grant or other sources)) federal or state funds for school improvement by the superintendent of public instruction.
(e) Each party shall bear its own costs and attorneys' fees incurred under this statute.

(c) The school board must conduct a public hearing to allow for comment on a proposed required action plan. The local school district shall submit the plan first to the office of the superintendent of public instruction to review and approve that the plan is consistent with federal and state guidelines, as applicable. (However, a district may not establish a charter school under a federal intervention model without express legislative authority. The intervention models are the turnaround, restart, school closure, and transformation models.)

The ((intervention)) approved school improvement model selected must address the concerns raised in the academic performance audit and be intended to improve student performance to allow a school district to be removed from the list of districts designated as a required action district by the state board of education within three years of implementation of the plan. The required action plan for districts with multiple persistently lowest-achieving schools must include separate plans for each school as well as a plan for how the school district will support the schools collectively.

(e) Identification of the measures that the school district will use in assessing student achievement at a school identified as a persistently lowest-achieving school, which include closing the educational opportunity gap, improving mathematics and reading or English language arts student achievement, and improving graduation rates as defined by the office of the superintendent of public instruction that enable the school to no longer be identified as a persistently lowest-achieving school.

(3)(a) For any district designated for required action, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after June 10, 2010, must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement a required action plan.

Beginning in 2011, and each year thereafter, mediation shall commence no later than April 15th. All mediations held under this section shall include the employer and representatives of all affected bargaining units.

(c) If the executive director of the public employment relations commission, upon the recommendation of the assigned mediator, finds that the employer and any affected bargaining unit are unable to reach agreement following a reasonable period of negotiations and mediation, but by no later than May 15th of the year in which mediation occurred, the executive director shall certify any disputed issues for a decision by the superior court in the county where the school district is located. The issues for determination by the superior court must be limited to the issues certified by the executive director.

(d) The process for filing with the court in this subsection (3)(d) must be used in the case where the executive director certifies issues for a decision by the superior court.

(i) The school district shall file a petition with the superior court, by no later than May 20th of the same year in which the issues were certified, setting forth the following:

(A) The name, address, and telephone number of the school district and its principal representative;

(B) The name, address, and telephone number of the employee organizations and their principal representatives;

(ii) Within seven days after the filing of the petition, each party shall file with the court the proposal it is asking the court to order be certified, setting forth the following:

(A) The name, address, and telephone number of the school district and its principal representative;

(B) The name, address, and telephone number of the employee organizations and their principal representatives;

(E) The academic performance audit that the office of the superintendent of public instruction completed for the school district.

(iii) Following receipt of the proposals and briefs of the parties, the court must schedule a date and time for a hearing on the petition. The hearing must be limited to argument of the parties or their counsel regarding the proposals submitted for the court's consideration. The parties may waive a hearing by written agreement.
Sec. 7. RCW 28A.657.060 and 2010 c 235 s 106 are each amended to read as follows:

A required action plan developed by a district's school board and superintendent must be submitted to the state board of education for approval. The state board must accept for inclusion in any required action plan the final decision by the superior court on any issue certified by the executive director of the public employment relations commission under the process in RCW 28A.657.050. The state board of education shall approve a plan proposed by a school district only if the plan meets the requirements in RCW 28A.657.050 and provides sufficient remedies to address the findings in the academic performance audit to improve student achievement. Any addendum or modification to an existing collective bargaining agreement, negotiated under RCW 28A.657.050 or by agreement of the district and the exclusive bargaining unit, related to student achievement or school improvement shall not go into effect until approval of a required action plan by the state board of education. If the state board does not approve a proposed plan, it must notify the local school board and local district's superintendent in writing with an explicit rationale for why the plan was not approved. Nonapproval by the state board of education of the local school district's initial required action plan submitted is not intended to trigger any actions under RCW 28A.657.080. With the assistance of the office of the superintendent of public instruction, the superintendent and school board of the required action district shall either: (((1)(1)(i)) (1)) Submit a new plan to the state board of education for approval within forty days of notification that its plan was rejected, or (((2)(2)(a)) (2)) submit a request to the required action plan review panel established under RCW 28A.657.070 for reconsideration of the state board's rejection within ten days of the notification that the plan was rejected. If federal or state funds for school improvement are not available, the plan is not required to be implemented until such funding becomes available. If federal or state funds for this purpose are available, a required action plan must be implemented in the immediate school year following the district's designation as a required action district.

Sec. 8. RCW 28A.657.070 and 2010 c 235 s 107 are each amended to read as follows:

(1) A required action plan review panel shall be established to offer an objective, external review of a request from a school district for reconsideration of the state board of education's rejection of the district's required action plan or reconsideration of a level two required action plan developed only by the superintendent of public instruction as provided under section 11 of this act. The review and reconsideration by the panel shall be based on whether the state board of education or the superintendent of public instruction gave appropriate consideration to the unique circumstances and characteristics identified in the academic performance audit or level two needs assessment and review of the local school district ((whose required action plan was rejected)).

(2)(a) The panel shall be composed of five individuals with expertise in school improvement, school and school district restructuring, or parent and community involvement in schools. Two of the panel members shall be appointed by the speaker of the house of representatives; two shall be appointed by the president of the senate; and one shall be appointed by the governor.

(b) The speaker of the house of representatives, president of the senate, and governor shall solicit recommendations for possible panel members from the Washington association of school administrators, the Washington state school directors' association, the association of Washington school principals, the ((achievement)) educational opportunity gap oversight and accountability committee, and associations representing certificated teachers, classified school employees, and parents.

(c) Members of the panel shall be appointed no later than December 1, 2010, but the superintendent of public instruction shall convene the panel only as needed to consider a school district's request for reconsideration. Appointments shall be for a four-year term, with opportunity for reappointment. Reappointments in the case of a vacancy shall be made expeditiously so that all requests are considered in a timely manner.

(3)(a) In the case of a rejection of a required action plan, the required action plan review panel may reaffirm the decision of the state board of education, recommend that the state board reconsider the rejection, or recommend changes to the required action plan that should be considered by the district and the state board of education to secure approval of the plan. The state board of education shall consider the recommendations of the panel and issue a decision in writing to the local school district and the panel. If the school district must submit a new required action plan to the state board of education, the district must submit the plan within forty days of the board's decision.

(b) In the case of a level two required action plan where the local school district and the superintendent of public instruction have not come to agreement, the required action plan review panel may reaffirm the level two required action plan submitted by the superintendent of public instruction or recommend changes to the plan that should be considered by the state board of education, the superintendent of public instruction, and the local school district. The state board of education shall consider the recommendations of the panel and issue a decision in writing to the local school district and the panel. If the school district must submit a new required action plan to the state board of education, the district must submit the plan within forty days of the board's decision.

(4) The state board of education and superintendent of public instruction must develop timelines and procedures for the deliberations under this section so that school districts can implement a required action plan within the time frame required under RCW 28A.657.060.
the reasons why the previous plan did not succeed and must specify requirements for a release.

Sec. 10. RCW 28A.657.100 and 2010 c 235 s 110 are each amended to read as follows:

(2) The superintendent of public instruction must recommend to the state board of education that a school district be released from the designation as a required action district after the district implements a required action plan for a period of three years; has made progress, as defined by the superintendent of public instruction, toward exiting persistently lowest-achieving status; demonstrated significant improvement or progress toward exiting persistently lowest-achieving status, despite implementation of a required action plan; and includes assignment or reassignment of personnel, reallocation of resources, use of specified curriculum or instructional strategies, use of a specified school improvement model, or any other conditions determined by the superintendent of public instruction to be necessary for the level two required action plan to succeed, which conditions shall be binding on the school district. The level two required action plan shall also include the specific technical assistance and support to be provided by the office of the superintendent of public instruction, which may include assignment of school improvement specialists to have a regular on-site presence in the school and technical assistance provided through the educational service district. Individuals assigned as on-site school improvement specialists must have demonstrated experience in school turnaround and cultural competence.

(c) The level two required action plan must be submitted to the state board of education for approval.

(4) If the superintendent of public instruction and the school district board of directors are unable to come to an agreement on a level two required action plan within ninety days of the completion of the needs assessment and review conducted under subsection (2) of this section, the superintendent of public instruction shall complete and submit a level two required action plan directly to the state board of education for approval. The school district board of directors may submit a request to the required action plan review panel established under RCW 28A.657.070 for reconsideration of the superintendent's level two required action plan within ten days of the submission of the plan to the state board of education. After the state board of education considers the recommendations of the required action plan review panel, the decision of the board regarding the level two required action plan is final and not subject to further reconsideration.

(5) If changes to a collective bargaining agreement are necessary to implement a level two required action plan, the parties must reopen the agreement or negotiate an addendum, using the process outlined under RCW 28A.657.050. If the level two required action plan is developed by the superintendent of public instruction under subsection (4) of this section, a designee of the superintendent shall participate in the discussions among the parties to the collective bargaining agreement.

(6) While a school district is assigned to level two of the required action process under this chapter, the superintendent of public instruction is responsible and accountable for ensuring that the level two required action plan is implemented with fidelity. The superintendent of public instruction shall refer to the school district board of directors as the governing authority of the school district and continue to work in partnership with the school district to implement the level two required action plan. However, if the superintendent of public instruction finds that the level two required action plan is not being implemented as specified, including the implementation of any binding conditions within the plan, the superintendent may direct actions that must be taken by school district personnel to implement the level two required action plan or the binding conditions. If necessary, the superintendent of public instruction may exercise authority under RCW 28A.505.120 regarding allocation of funds.

(7) The superintendent of public instruction shall include in the budget estimates and information submitted to the governor under RCW 28A.300.170 a request for sufficient funds to support implementation of the level two required action plans established under this section.

(8) The superintendent of public instruction must recommend to the state board of education that a school district be released from assignment to level two of the required action process after the district implements the level two required action plan for a period of three years; has made progress, as defined by the superintendent of
public instruction using the criteria established under RCW 28A.657.020; and no longer has a school within the district identified as persistently lowest-achieving. The state board of education shall release a school district from the level two assignment upon confirmation that the school district has met the requirements for a release.

Sec. 12. RCW 28A.657.110 and 2010 c 235 s 111 are each amended to read as follows:

The board must seek input from the public and interested groups in developing the framework. Based on the framework, the superintendent of public instruction shall design a comprehensive system of specific strategies for recognition, provision of differentiated support and targeted assistance, and, if necessary, requiring intervention in schools and school districts. The superintendent shall submit the system design to the state board of education for review. The state board of education shall recommend approval or modification of the system design to the superintendent no later than January 1, 2014, and the system must be implemented statewide no later than the 2014-15 school year. To the extent state funds are appropriated for this purpose, the system must apply equally to Title I, Title I-eligible, and non-Title I schools in the state.

(2) The state board of education shall develop (an accountability) a Washington achievement index to identify schools and school districts for recognition, for continuous improvement, and for additional state support. The index shall be based on criteria that are fair, consistent, and transparent. Performance shall be measured using multiple outcomes and indicators including, but not limited to, graduation rates and results from statewide assessments. The index shall be developed in such a way as to be easily understood by both employees within the schools and school districts, as well as parents and community members. It is the legislature's intent that the index provide feedback to schools and school districts to self-assess their progress, and enable the identification of schools with exemplary ((student)) performance and those that need assistance to overcome challenges in order to achieve exemplary ((student)) performance.

(3) The state board of education, in cooperation with the office of the superintendent of public instruction, shall annually recognize schools for exemplary performance as measured on the ((state board of education accountability)) Washington achievement index. The state board of education shall have ongoing collaboration with the ((achievement)) educational opportunity gap oversight and accountability committee regarding the measures used to measure the closing of the achievement gaps and the recognition provided to the school districts for closing the achievement gaps.

(4) In coordination with the superintendent of public instruction, the state board of education shall seek approval from the United States department of education for use of the ((accountability)) Washington achievement index and the state system of differentiated support, assistance, and intervention((i))) to replace the federal accountability system under P.L. 107-110, the no child left behind act of 2001.

(5) The state board of education shall work with the education data center established within the office of financial management and the technical working group established in (section 112, chapter 518, Laws of 2009) RCW 28A.290.020 to determine the feasibility of using the prototypical funding allocation model as not only a tool for allocating resources to schools and school districts but also as a tool for schools and school districts to report to the state legislature and the state board of education on how the state resources received are being used.

(a) Benefits paid to any individual later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer. However, when a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers who fail to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed incomplete or inaccurate report or reports, except as provided in subsection (5) of this section.

(b) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under RCW 50.06.020(1) after receiving crime victims’ compensation for a disability resulting from a nonwork-related occurrence; or

(ii) The individual files under RCW 50.06.020(2).

(c) Benefits paid which represent the state’s share of benefits payable as extended benefits defined under RCW 50.22.010(6) shall not be charged to the experience rating account of any contribution paying employer.

(d) In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(e) Benefits paid to an individual who qualifies for benefits under RCW 50.20.050 (1)(b) (iv) or (xi) or (2)(b) (iv) or (xi), as applicable, shall not be charged to the experience rating account of any contribution paying employer.

(f) With respect to claims with an effective date on or after the first Sunday following April 22, 2005, benefits paid that exceed the benefits that would have been paid if the weekly benefit amount for the claim had been determined as one percent of the total wages paid in the individual’s base year shall not be charged to the experience rating account of any contribution paying employer. This
subsection (3)(f) does not apply to the calculation of contribution rates under RCW 50.29.025 for rate year 2010 and thereafter.

(g) The forty-five dollar increase paid as part of an individual's weekly benefit amount as provided in RCW 50.20.1201 and the twenty-five dollar increase paid as part of an individual's weekly benefit amount as provided in RCW 50.20.1202 shall not be charged to the experience rating account of any contribution paying employer.

(h) With respect to claims where the minimum amount payable weekly is increased to one hundred fifty-five dollars pursuant to RCW 50.20.1201(3), benefits paid that exceed the benefits that would have been paid if the minimum amount payable weekly had been calculated pursuant to RCW 50.20.120 shall not be charged to the experience rating account of any contribution paying employer.

(i) Upon approval of an individual's training benefits plan submitted in accordance with RCW 50.22.155(2), an individual is considered enrolled in training, and regular benefits beginning with the week of approval shall not be charged to the experience rating account of any contribution paying employer.

(j) Training benefits paid to an individual under RCW 50.22.155 shall not be charged to the experience rating account of any contribution paying employer.

(4)(a) A contribution paying base year employer, except employers as provided in subsection (6) of this section, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

(i) Last left the employ of such employer voluntarily for reasons not attributable to the employer;

(ii) Was discharged for misconduct or gross misconduct connected with his or her work not a result of inability to meet the minimum job requirements;

(iii) Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, worksite, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster;

(iv) Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter (50.06 (50.60)) RCW; or

(v) Was hired to replace an employee who is a member of the military reserves or National Guard and was called to federal active military service by the president of the United States and is subsequently laid off when that employee is reemployed by their employer upon release from active duty within the time provided for reemployment in RCW 73.16.035.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.

(5) When a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers and who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed incomplete or inaccurate report or reports.

(6) An employer's experience rating account may not be relieved of charges for a benefit payment and an employer who reimburses the trust fund for benefit payments may not be credited for a benefit payment if a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to the claim or claims without establishing good cause for the failure and the employer or employer's agent has a pattern of such failures. The commissioner has the authority to determine whether the employer has good cause under this subsection.

(a) For the purposes of this subsection, "adequately" means providing accurate information of sufficient quantity and quality that would allow a reasonable person to determine eligibility for benefits.

(b)(i) For the purposes of this subsection, "pattern" means a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to a claim or claims without establishing good cause for the failure, if the greater of the following calculations for an employer is met:

(A) At least three times in the previous two years; or

(B) Twenty percent of the total current claims against the employer.

(ii) If an employer's agent is utilized, a pattern is established based on each individual client employer that the employer's agent represents.

Sec. 4. RCW 50.20.190 and 2011 c 301 s 17 are each amended to read as follows:

(1) An individual who is paid any amount as benefits under this title to which he or she is not entitled shall, unless otherwise relieved pursuant to this section, be liable for repayment of the amount overpaid. The department shall issue an overpayment assessment setting forth the reasons for and the amount of the overpayment. The amount assessed, to the extent not collected, may be deducted from any future benefits payable to the individual: PROVIDED, That in the absence of a back pay award, a settlement affecting the allowance of benefits, fraud, misrepresentation, or willful nondisclosure, every determination of liability shall be mailed or personally served not later than two years after the close of or final payment made on the individual's applicable benefit year for which the purported overpayment was made, whichever is later, unless the merits of the claim are subjected to administrative or judicial review in which event the period for serving the determination of liability shall be extended to allow service of the determination of liability during the six-month period following the final decision affecting the claim.

(2) The commissioner may waive an overpayment if the commissioner finds that the overpayment was not the result of fraud, misrepresentation, willful nondisclosure, or fault attributable to the individual and that the recovery thereof would be against equity and good conscience. When determining whether the recovery would be against equity and good conscience, the department must consider whether the employer or employer's agent failed to respond timely and adequately to a written request of the department for information relating to the claim or claims without establishing good cause for the failure pursuant to RCW 50.29.021(6). An overpayment waived under this subsection shall be charged against the individual's applicable entitlement for the eligibility period containing the weeks to which the overpayment was attributed as though such benefits had been properly paid.

(3) Any assessment herein provided shall constitute a determination of liability from which an appeal may be had in the same manner and to the same extent as provided for appeals relating
to determinations in respect to claims for benefits: PROVIDED, That an appeal from any determination covering overpayment only shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within thirty days of the delivery of the notice of determination of liability, or within thirty days of the mailing of the notice of determination, whichever is the earlier, the determination of liability shall be deemed conclusive and final. Whenever any such notice of determination of liability becomes conclusive and final, the commissioner, upon giving at least twenty days’ notice, using a method by which the mailing can be tracked or the delivery can be confirmed, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee under RCW 36.18.012(10). The clerk of the county where the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person(s) mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any interest in, all real and personal property of the person(s) against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. A warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law for a civil judgment. A copy of the warrant shall be mailed within five days of its filing with the clerk to the person(s) mentioned in the warrant using a method by which the mailing can be tracked or the delivery can be confirmed.

(4) On request of any agency which administers an employment security law of another state, the United States, or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law, the commissioner may collect the amount of such benefits from the claimant to be refunded to the agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States, or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States, or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

(5) Any employer who is a party to a back pay award or settlement due to loss of wages shall, within thirty days of the award or settlement, report to the department the amount of the award or settlement, the name and social security number of the recipient of the award or settlement, and the period for which it is awarded. When an individual has been awarded or receives back pay, for benefit purposes the amount of the back pay shall constitute wages paid in the period for which it was awarded. For contribution purposes, the back pay award or settlement shall constitute wages paid in the period in which it was actually paid. The following requirements shall also apply:

(a) The employer shall reduce the amount of the back pay award or settlement by an amount determined by the department based upon the amount of unemployment benefits received by the recipient of the award or settlement during the period for which the back pay award or settlement was awarded;

(b) The employer shall pay to the unemployment compensation fund, in a manner specified by the commissioner, an amount equal to the amount of such reduction;

(c) The employer shall also pay to the department any taxes due for unemployment insurance purposes on the entire amount of the back pay award or settlement notwithstanding any reduction made pursuant to (a) of this subsection;

(d) If the employer fails to reduce the amount of the back pay award or settlement as required in (a) of this subsection, the department shall issue an overpayment assessment against the recipient of the award or settlement in the amount that the back pay award or settlement should have been reduced; and

(e) If the employer fails to pay to the department an amount equal to the reduction as required in (b) of this subsection, the department shall issue an assessment of liability against the employer which shall be collected pursuant to the procedures for collection of assessments provided herein and in RCW 50.24.110.

(6) When an individual fails to repay an overpayment assessment that is due and fails to arrange for satisfactory repayment terms, the commissioner shall impose an interest penalty of one percent per month of the outstanding balance. Interest shall accrue immediately on overpayments assessed pursuant to RCW 50.20.070 and shall be imposed when the assessment becomes final. For any other overpayment, interest shall accrue when the individual has missed two or more of the individual’s monthly payments either partially or in full.

(7) The department shall: (a) Conduct social security number cross-match audits or engage in other more effective activities that ensure that individuals are entitled to all amounts of benefits that they are paid; and (b) engage in other detection and recovery of overpayment and collection activities.

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7. This act takes effect October 20, 2013.

Correct the title, and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 15, 2013

MR. PRESIDENT:
The House passed SENATE BILL NO. 5359 with the following amendment(s): 5359 AMH ELHS H2305.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.030 and 2012 c 55 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.
(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(13) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(14) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(15) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(16) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated...
for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(17) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(18) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Sec. 2. RCW 26.44.030 and 2012 c 259 s 3 and 2012 c 55 s 1 are each reenacted and amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(ii) "Organization" includes a sole proprietor, corporation, limited liability company, trust, association, institutional, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has dies or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has dies or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the
of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;
(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

MESSAGE FROM THE HOUSE

April 16, 2013

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5565 with the following amendment(s): 5565-S AMHEL H2302.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that the goals of the child welfare system are the safety, permanence, and well-being of the children it serves. The legislature further recognizes the importance of background checks conducted by the department of social and health services to assess an individual's character, suitability, and competence to determine whether an individual is appropriate to be provided a license under chapter 74.13 RCW or have unsupervised access to children. The legislature does not intend to change the current secretary of social and health services' list of crimes and negative actions. However, the legislature believes that either an unreasonable delay in a determination of whether to approve or deny a license under chapter 74.13 RCW or unsupervised access to children, when such unreasonable delay or denial is based solely on a crime or civil infraction not directly related to child safety, is not appropriate and is not in the best interest of the children being served by the child welfare system.

NEW SECTION. Sec. 2. A new section is added to chapter 74.13 RCW to read as follows:

(1) In determining the character, suitability, and competence of an individual, the department may not:
(a) Deny or delay a license or approval of unsupervised access to children to an individual solely because of a crime or civil infraction involving the individual or entity revealed in the background check process that is not on the secretary's list of crimes and negative actions and is not related directly to child safety, permanence, or well-being; or
(b) Delay the issuance of a license or approval of unsupervised access to children by requiring the individual to obtain records relating to a crime or civil infraction revealed in the background check process that is not on the secretary's list of crimes and negative actions and is not related directly to child safety, permanence, or well-being; and
(c) Assist children who are in conflict with their parents, and assisting parents who are in conflict with their children, with services designed to resolve such conflicts;

(2) If the department determines that an individual does not possess the character, suitability, or competence to provide care or have unsupervised access to a child, it must provide the reasons for its decision in writing with copies of the records or documents related to its decision to the individual within ten days of making the decision.

(3) For purposes of this section, "individual" means a relative as defined in RCW 74.15.020(2)(a), an "other suitable person" under chapter 13.34 RCW, a person pursuing licensing as a foster parent, or a person employed or seeking employment by a business or organization licensed by the department or with whom the department has a contract to provide care, supervision, case management, or treatment of children in the care of the department. "Individual" does not include long-term care workers defined in RCW 74.39A.009(17)(a) whose background checks are conducted as provided in RCW 74.39A.056.

(4) The department or its officers, agents, or employees may not be held civilly liable based upon its decision to grant or deny unsupervised access to children if the background information relied upon at the time the decision was made did not indicate that child safety, permanence, or well-being would be a concern.

NEW SECTION. Sec. 3. A new section is added to chapter 74.13 RCW to read as follows:

The department shall charge a fee to process a request made by a person in another state for an individual's child abuse or neglect history in this state or other background history on the individual possessed by the department. All proceeds from the fees collected must go directly to aiding the cost associated with the department conducting background checks.

Sec. 6. RCW 13.34.065 and 2011 c 309 s 24 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) If it is likely that the child will remain in shelter care longer than seventy-two hours, in those areas in which child welfare services are being provided by a supervising agency, the supervising agency shall assume case management responsibilities of the case. The department or supervising agency shall submit a recommendation to the court as to the further need for shelter care in all cases in which the child will remain in shelter care longer than the seventy-two hour period. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(ii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. A minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home. If the dependency petition or other information before the court alleges that homelessness or the lack of suitable housing was a significant factor contributing to the removal of the child, the court shall inquire as to whether housing assistance was provided to the family to prevent or eliminate the need for removal of the child or children;

(e) Is the placement proposed by the department or supervising agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in RCW 13.38.040, whether the provisions of the federal Indian child welfare act or chapter 13.38 RCW apply, and whether there is compliance with the federal Indian child welfare act and chapter 13.38 RCW, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal
custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child’s home and to make it possible for the child to return home; and

(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. If such relative or other suitable person appears otherwise suitable and competent to provide care and treatment, the fingerprint-based background check need not be completed before placement, but as soon as possible after placement. The court must also determine whether placement with the relative or other suitable person is in the child’s best interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child’s visitation with siblings, if such visitation is part of the supervising agency’s plan or is ordered by the court; and

(iii) Cooperate with the department or supervising agency in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1). In determining placement, the court shall weigh the child’s length of stay and attachment to the current provider in determining what is in the best interest of the child.

(d) If a relative or other suitable person is not available, the court shall order continued shelter care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the department’s or supervising agency’s case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection.

NEW SECTION. Sec. 7. (1) The legislature finds that any person who has had a founded finding of child abuse or neglect or has been involved in a dependency action involving one or more of his or her children is able to turn his or her life around and establish good parenting relationships with his or her children. Unfortunately, his or her prior involvement with child protective services or the dependency court can hamper such a person’s ability to find future employment, especially if the employment involves unsupervised access to children or other vulnerable populations.

(2) The legislature further finds that a number of states permit convicted offenders to seek a certificate of rehabilitation in certain situations. Generally, the certificate declares that a convicted individual is rehabilitated after completing a prison sentence or being released on parole or supervision. Usually, the applicant for a certificate must prove that he or she has met certain criteria before a certificate will be awarded. Such a certificate often restores certain rights to the applicant and makes him or her eligible for certain employment for which he or she would not be eligible without the certificate.

(3) A nonprofit with expertise in veteran parent programs shall convene a work group in consultation with the department of social and health services to explore options, including a certificate of rehabilitation, for addressing the impact of founded complaints on the ability of rehabilitated individuals to gain employment or care for children, including volunteer activities. The work group must contain, but not be limited to, persons representing the following: The courts, veteran parents, parent attorneys, foster parents, relative caregivers, kinship caregivers, child-placement agencies, the attorney...
general's office, the governor's policy office, the office of public
defense parent representation program, and the legislature.

(4) The work group shall report recommendations to the
appropriate committees of the legislature no later than December 31, 2013.

NEW SECTION. Sec. 8. The department of social and
health services shall adopt all necessary rules to implement this act.

NEW SECTION. Sec. 9. Section 4 of this act expires
December 1, 2013.

NEW SECTION. Sec. 10. Section 5 of this act takes effect
December 1, 2013."

other sources deposited in the account. All federal funds received
by the department for home visiting activities must be deposited into

private-public partnership, shall jointly submit a report to the
relevant legislative committees detailing the reasons why the fifty
percent match target was not met, the actual match rate achieved,
and a plan to achieve fifty percent match in the subsequent fiscal
year. This report shall be submitted as promptly as practicable, but
the lack of receipt of this report shall not prevent state funds in the
account from being accessed.

(iv) Amounts used for program administration by the
department may not exceed an average of four percent in any two
consecutive fiscal years.

(v) Authorizations for expenditures may be given only after
private funds are committed ((and available)). The
nongovernmental private-public partnership must report to the
department quarterly to demonstrate sufficient investment of private
match funds.

(c) Expenditures from the account are ((exempt from the
appropriations and)) subject to appropriation and the allotment
provisions of chapter 43.88 RCW.  (((However, amounts used for
program administration by the department are subject to the
allotment and budgetary controls of chapter 43.88 RCW, and an
appropriation is required for these expenditures.)))

(2) The department must expend moneys from the account to
provide state matching funds for partnership activities to implement
home visiting services and administer the infrastructure necessary to
develop, support, and evaluate evidence-based, research-based,
and promising home visiting programs.

(3) Activities eligible for funding through the account include,
but are not limited to:

following:  (i) Enhancing child development and well-being by
alleviating the effects on child development of poverty and other
known risk factors; (ii) reducing the incidence of child abuse and
neglect; or (iii) promoting school readiness for young children and
their families; and
(b) Development and maintenance of the infrastructure for
home visiting programs, including training, quality improvement,

(12) This section is intended to adopt the common law concept of virtual representation. This section supplements the common law relating to the doctrine of virtual representation and may not be construed as limiting the application of that common law doctrine.

Sec. 6. RCW 11.96A.125 and 2011 c 327 s 11 are each amended to read as follows:

The terms of a will or trust, even if unambiguous, may be reformed by judicial proceedings ((or binding nonjudicial procedure)) under this chapter to conform the terms to the intention of the testator or trustor if it is proved by clear, cogent, and convincing evidence,((or the parties to a binding nonjudicial agreement agree that there is clear, cogent, and convincing evidence)), that both the intent of the testator or trustor and the terms of the will or trust were affected by a mistake of fact or law, whether in expression or inducement. This does not limit the ability to reform the will or trust using the binding nonjudicial procedures of RCW 11.96A.220.

Sec. 7. RCW 11.97.010 and 2011 c 327 s 12 are each amended to read as follows:

((((4))) The trustee of a power may by the provisions of the trust relieve the trustee from any or all of the duties, restrictions, and liabilities which would otherwise be imposed by chapters 11.95, 11.98, 11.100, and 11.104A RCW and RCW 11.106.020, or may alter or deny any or all of the privileges and powers conferred by those provisions; or may add duties, restrictions, liabilities, privileges, or powers to those imposed or granted by those provisions. If any specific provision of those chapters is in conflict with the provisions of a trust, the provisions of the trust control whether or not specific reference is made in the trust to any of those chapters, except as provided in RCW 6.32.250, 11.96A.190, 19.36.020, section 8 of this act, 11.98.200 through 11.98.240, section 16(1) of this act, 11.95.100 through 11.95.150, and chapter 11.103 RCW. In no event may a trustee be relieved of the duty to act in good faith and with honest judgment ((or the duty to provide information to beneficiaries as required in this section)). Notwithstanding the breadth of discretion granted to a trustee in the terms of the trust, including the use of such terms as "absolute," "sole," or "uncontrolled," the trustee ((shall)) must exercise a discretionary power in good faith and in accordance with the terms and purposes of the trust and the interests of the beneficiaries.

(2) Within sixty days after the date of acceptance of the position of trustee of an irrevocable trust, or the date the trustee of a formerly revocable trust acquires knowledge that the trust has become irrevocable, whether by the death of the trustor or otherwise, the trustee shall give notice of: (a) The existence of the trust, (b) the identity of the trustor or trustors, (c) the trustee's name, address, and telephone number, and (d) the right to request such information as is reasonably necessary to enable the notified person to enforce his or her rights under the trust, to all persons interested in the trust, as defined in RCW 11.96A.030, and who would be entitled to notice under RCW 11.96A.110 and 11.96A.120 if they were a party to judicial proceedings regarding the trust. If any such person is a minor and no guardian has been appointed for such person by any court, then such notice may be given to a parent of the person. If a person otherwise entitled to notice under this section is a charitable organization, and the charitable organization's only interest in the trust is a future interest that may be revoked, then such notice shall instead be given to the attorney general. A trustee who gives notice pursuant to this section satisfies the duty to inform the beneficiaries of the existence of the trust. The notice required under this subsection (2) applies only to irrevocable trusts created after December 31, 2011, and revocable trusts that become irrevocable after December 31, 2011, provided that all common law
distributees described in (a) of this subsection to terminated on that
date.

The situs of the trust or designate Washington law to govern the trust
the date that such beneficiary's qualification is determined:

(1) Unless unreasonable under the circumstances, a trustee shall
obtain review of the statement and of acts of the trustee disclosed in
the accounting period;

(2)(a) Unless the trust instrument designates a state other than
Washington as the situs of the trust and does not expressly authorize
transfer of situs, the trustee may register the trust as a Washington
trust if any of the factors in subsection (1)(a) through (e) of this
section are present. The trustee ((shall)) must register the trust by
filing with the clerk of the court in any county where venue lies for
the trust under RCW 11.96A.050, a statement including the following:

(i) The name and address of the trustee;
(ii) The date of the trust, name of the trustee, and name of the
trust, if any;
(iii) The factor or factors listed in subsection (1)(a) through (e)
of this section that are present for the trust and which qualify the
trust for registration.

(b) Within five days of filing the registration with the court, the
trustee ((shall)) must mail a copy of the registration to each ((person
who were entitled to notice of the registration)) qualified beneficiary who has not waived notice of the registration,
who would be entitled to notice under RCW 11.97.010 and

distributees described in (a) of this subsection.

(3) A trustee shall keep all persons interested in the trust, as
defined in RCW 11.96A.030, and who would be entitled to notice
under RCW 11.96A.110 and 11.96A.120 if they were a party to
judicial proceedings regarding the trust, reasonably informed about
the administration of the trust and of the material facts necessary for
them to protect their interests. A report that contains the following
is presumed to satisfy the trustee's duty to keep such persons
reasonably informed for the relevant period of trust administration:

(a) A statement of receipts and disbursements of principal and
income that have occurred during the accounting period;

(b) A statement of the assets and liabilities of the trust and their
values at the beginning and end of the period;

(c) The trustee's compensation for the period;

(d) The agents hired by the trustee, their relationship to the
trustee, if any, and their compensation, for the period;

(e) Disclosure of any pledge, mortgage, option, or lease of trust
property, or other agreement affecting trust property, binding for a
period of five years or more that was granted or entered into during
the accounting period;

(f) Disclosure of all transactions during the period that are
equivalent to one of the types of transactions described in RCW
11.98.078 or otherwise could have been affected by a conflict
between the trustee's fiduciary and personal interests;

(g) A statement that the recipient of the account information
may petition the superior court pursuant to chapter 11.106 RCW to
obtain review of the statement and of acts of the trustee disclosed in
the statement; and

(h) A statement that claims against the trustee for breach of trust
may not be made after the expiration of three years from the date the
beneficiary receives the statement.

(4) Unless unreasonable under the circumstances, a trustee shall
promptly respond to any beneficiary's request for information
related to the administration of the trust.

(5) If a person entitled to notice under this section requests
information reasonably necessary to enable the notified person to
enforce his or her rights under the trust, then the trustee must provide
such information within sixty days of receipt of such request.

NOTICE IS GIVEN that the attached Registration of Trust was
filed by the undersigned in the above-entitled court on the . . . day
of . . . ., 20. . .; unless you file a petition in the above-entitled court
objecting to the registration and requesting the court to issue an order
that Washington is not the proper situs of the trust, and to serve a
copy of such petition upon the trustee or the trustee's lawyer. If a petition
objecting to the registration is filed within thirty days of the date of
filing the registration, the trustee must request the court to fix a time
and place for the hearing of the petition and notify by mail, personal
service or electronic transmission, if a valid consent to electronic
transmission is in effect under the terms of RCW 11.96A.110, all
persons who were entitled to notice of the registration) qualified
beneficiaries of the time and place of the hearing, not less than ten
days before the hearing on the petition.

(6) If a person receiving notice of the registration files a
petition with the court objecting to the registration within thirty days of
the date of filing the registration, the registration ((shall)) will be
deemed the equivalent of an order entered by the court declaring that
the situs of the trust is Washington. After expiration of the thirty-day period following filing of the registration, the trustee may
obtain a certificate of registration signed by the clerk, and issued
under the seal of the court, which may be in the form specified in (d)
of this subsection.

(d) Notice of registration and certificates of registration may
be in the following form:

(i) Notice form:

objecting to such registration and requesting the court to issue an
order that Washington is not the proper situs of the trust, and serve a
copy thereof upon the trustee or the trustee's lawyer, within thirty days after the date of the filing, the registration will be deemed the equivalent of an order entered by the court declaring that the situs of the trust is Washington.

If you file and serve a petition within the period specified, the undersigned will request the court to fix a time and place for the hearing of your petition, and you will be notified of the time and place thereof, by mail, or personal service, not less than ten days before the hearing on the petition.

(ii) Certificate of Registration:

State of Washington, County of . . . .

In the superior court of the county of . . . . .

Whereas, the attached Registration of Trust was filed with this court on . . . . . . , the attached Notice of Filing Registration of Trust and Affidavit of Mailing Notice of Filing Registration of Trust were filed with this court on . . . . . . , and no objections to such Registration have been filed with this court, the trust known as . . . . . . , under trust agreement dated . . . . . . , between . . . . . . as Trustor and . . . . . . as Trustee, is hereby registered as a Washington trust.

Witness my hand and the seal of said court this . . . day of . . . . . . . ., 20 . . . .

(3) If the instrument establishing a trust does not designate ((Washington as the situs or designate Washington)) any jurisdiction as the situs or designate any jurisdiction's governing law to apply to the trust, and the trustee of the trust has not registered the trust as allowed in subsection (2) of this section, the situs of the trust is Washington if ((the situs has not previously been established by any court proceeding and the additional conditions specified in this subsection (3) are met.

(a) For a testamentary trust, the situs of the trust is Washington if:

(i) The will was admitted to probate in Washington; or

(ii) The will has not been admitted to probate in Washington, but any trustee of the trust resides or has a place of business in Washington, any qualified beneficiary (as entitled to notice under RCW 11.96.010) resides in Washington, or any real property that is an asset of the trust is located in Washington.

(b) For an inter vivos trust (where the trustor is domiciled in Washington either when the trust becomes irrevocable or, in the case of a revocable trust, when judicial proceedings under chapter 11.96A RCW are commenced), the situs of the trust is Washington if:

(i) The trustor is living and Washington is the trustor's domicile or any of the trustees reside in or have a place of business in Washington; or

(ii) The trustor is deceased((the situs has not previously been established by any court proceeding)); and:

(A) The trustor's will was admitted to probate in Washington; or

(B) The trustor's will was not admitted to probate in Washington, but any ((person entitled to notice under RCW 11.97.010)) qualified beneficiary resides in Washington, any trustee resides or has a place of business in Washington, or any real property that is an asset of the trust is located in Washington.

(c) If the situs of the trust is not determined under (a) or (b) of this subsection, the determination regarding the situs of the trust is a matter for purposes of RCW 11.96A.030. Whether Washington is the situs ((shall)) must be determined by a court in a judicial proceeding conducted under RCW 11.96A.080 if:

(i) A trustee has a place of business in or a trustee is a resident of Washington; or

(ii) More than an insignificant part of the trust administration occurs in Washington; or
instrument or who has been selected to serve as successor trustee under the procedure established in the governing instrument for the selection of a successor trustee, and who is willing to serve as trustee, then all parties with an interest in the trust may agree to a nonjudicial change of the trustee under RCW 11.96A.220. The successor trustee (shall serve) is deemed to have accepted the trusteeship as of the effective date of the discharge of the predecessor trustee as provided in RCW 11.98.041 or, in circumstances where there is no predecessor trustee, as of the effective date of the trustee's appointment.

(3) When there is a desire to name one or more cotrustees to serve with the existing trustee, then all parties with an interest in the trust may agree to the nonjudicial addition of one or more cotrustees under RCW 11.96A.220. The additional cotrustee (shall serve) is deemed to have accepted the trusteeship as of the effective date of the cotrustee's appointment.

(4) Unless subsection (1), (2), or (3) of this section applies, any beneficiary of a trust, the trustee, if alive, or the trustee may petition the superior court having jurisdiction for the appointment or change of a trustee or cotrustee under the procedures provided in RCW 11.96A.080 through 11.96A.200: (a) Whenever the office of trustee becomes vacant; (b) upon filing of a petition of resignation by a trustee; or (c) for any other reasonable cause.

(5) For purposes of this subsection, the term fiduciary includes both trustee and personal representative.

(a) Except as otherwise provided in the governing instrument, a successor fiduciary, absent actual knowledge of a breach of fiduciary duty: (i) Is not liable for any act or omission of a predecessor fiduciary and is not obligated to inquire into the validity or propriety of any such act or omission; (ii) is authorized to accept as conclusively accurate any accounting or statement of assets tendered to the successor fiduciary by a predecessor fiduciary; and (iii) is authorized to receive only for assets actually delivered and has no duty to make further inquiry as to undisclosed assets of the trust or estate.

(b) Nothing in this section relieves a successor fiduciary from liability for retaining improper investments, nor does this section in any way bar the successor fiduciary, trust beneficiaries, or other party in interest from bringing an action against a predecessor fiduciary arising out of the acts or omissions of the predecessor fiduciary, nor does it relieve the successor fiduciary of liability for its own acts or omissions except as specifically stated or authorized in this section.

(6) A change of trustee to a foreign trustee does not change the situs of the trust. Transfer of situs of a trust to another jurisdiction requires compliance with RCW 11.98.005 and RCW 11.98.045 through 11.98.055.

Sec. 13. RCW 11.98.041 and 1985 c 30 s 141 are each amended to read as follows:

Where a vacancy occurs in the office of trustee under the circumstances described in RCW 11.98.039 (1) or (2), the outgoing trustee (shall be) is discharged upon the agreement of all parties entitled to notice or upon the expiration of thirty days after notice is given of such vacancy as required by the applicable subsection of RCW 11.98.039, whichever occurs first, or if no notice is required under RCW 11.98.039(1), upon the date the vacancy occurs, unless before the effective date of such discharge a petition is filed under RCW 11.98.039(4)(4) regarding the appointment or change of a trustee of the trust. Where a petition is filed under RCW 11.98.039(4)(4) regarding the appointment or change of a trustee, the superior court having jurisdiction may discharge the trustee from the trust and may appoint a successor trustee upon such terms as the court may require.

Sec. 14. RCW 11.98.045 and 2011 c 327 s 23 are each amended to read as follows:

(1) If a trust is a Washington trust under RCW 11.98.005, a trustee may transfer the situs of the trust to a jurisdiction other than Washington if the trust instrument so provides or in accordance with RCW 11.98.051 or 11.98.055.

(2) Transfer under this section is permitted only if:
   (a) The transfer would facilitate the economic and convenient administration of the trust;
   (b) The transfer would not materially impair the interests of the qualified beneficiaries or others interested in the trust;
   (c) The transfer does not violate the terms of the trust;
   (d) The new trustee is qualified and able to administer the trust or such assets on the terms set forth in the trust; and
   (e) The trust meets at least one condition for situs listed in RCW 11.98.005(1) with respect to the new jurisdiction.

(3) Acceptance of such transfer by a foreign corporate trustee or trust company under this section or RCW 11.98.051 or 11.98.055 (shall) may not be construed to be doing a "trust business" as described in RCW 30.08.150(9).

Sec. 15. RCW 11.98.051 and 2011 c 327 s 24 are each amended to read as follows:

(1) The trustee may transfer trust situs (a) in accordance with RCW 11.96A.220; or (b) by giving written notice to the (persons entitled to notice as provided under RCW 11.96A.110 and to) the attorney general in the case of a charitable trust subject to chapter 11.110 RCW and to the qualified beneficiaries not less than sixty days before initiating the transfer. The notice must:
   (a) State the name and mailing address of the trustee;
   (b) Include a copy of the governing instrument of the trust;
   (c) Include a statement of assets and liabilities of the trust dated within ninety days of the notice;
   (d) State the name and mailing address of the trustee to whom the trust will be transferred together with evidence that the trustee has agreed to accept the trust in the manner provided by law of the new situs. The notice must also contain a statement of the trustee's qualifications and the name of the court, if any, having jurisdiction of that trustee or in which a proceeding with respect to the administration of the trust may be heard;
   (e) State the facts supporting the requirements of RCW 11.98.045(2);
   (f) Advise the (beneficiaries) recipients of the notice of the date, not less than sixty days after the giving of the notice, by which (the beneficiary) such recipients must notify the trustee of an objection to the proposed transfer; and
   (g) Include a form on which the recipient may ((indicate consent or objection)) object to the proposed transfer.

(2) If the date upon which the (beneficiaries) right to object to the transfer expires without receipt by the trustee of any objection, the trustee may transfer the trust situs as provided in the notice. If the trust was registered under RCW 11.98.045(2), the trustee must file a notice of transfer of situs and termination of registration with the attorney general in the case of a charitable trust subject to chapter 11.110 RCW, and to the qualified beneficiaries.

(3) The authority of a trustee under this section to transfer a trust's situs terminates if a (beneficiary) recipient of the notice notifies the trustee of an objection to the proposed transfer on or before the date specified in the notice.

(4) A change of trust situs does not authorize a change of trustee. Change of trustee of a trust requires compliance with RCW 11.98.039.

NEW SECTION. Sec. 16. A new section is added to chapter 11.98 RCW between RCW 11.98.070 and 11.98.080 to read as follows:

(1) A trustee must keep all qualified beneficiaries of a trust reasonably informed about the administration of the trust and of the material facts necessary for them to protect their interests. Unless unreasonable under the circumstances, a trustee must promptly respond to any beneficiary's request for information related to the
administration of the trust. The trustee is deemed to have satisfied the request of a qualified beneficiary who requests information concerning the terms of the trust reasonably necessary to enable such beneficiary to enforce his or her rights under the trust if the trustee provides a copy of the entire trust instrument. If a qualified beneficiary must compel production of information from the trustee by order of the court, then the court may order costs, including reasonable attorneys’ fees, to be awarded to such beneficiary pursuant to RCW 11.96A.150.

(2)(a) Except to the extent waived or modified as provided in subsection (5) of this section, within sixty days after the date of acceptance of the position of trustee, the trustee must give notice to the qualified beneficiaries of the trust of:

(i) The existence of the trust;
(ii) The identity of the trustee or trustees;
(iii) The trustee’s name, address, and telephone number; and
(iv) The right to request such information as is reasonably necessary to enable the notified person to enforce his or her rights under the trust.

(b) The notice required under this subsection (2) applies only to irrevocable trusts created after December 31, 2011, and revocable trusts that become irrevocable after December 31, 2011.

(3) Despite any other provision of this section, and except to the extent waived or modified as provided in subsection (5) of this section, the trustee may not be required to provide any information described in subsection (1) or (2) of this section to any beneficiary of a trust other than the trustee’s spouse or domestic partner if:

(a) Such spouse or domestic partner has capacity;
(b) Such spouse or domestic partner is the only permissible distributee of the trust; and
(c) All of the other qualified beneficiaries of the trust are the descendants of the trustor and the trustee’s spouse or domestic partner.

(4) While the trustee of a revocable trust is living, no beneficiary other than the trustee is entitled to receive any information under this section.

(5) The trustee may waive or modify the notification requirements of subsections (2) and (3) of this section in the trust document or in a separate writing, made at any time, that is delivered to the trustee.

Sec. 17. RCW 11.98.080 and 1999 c 42 s 621 are each amended to read as follows:

(1)(a) Two or more trusts may be consolidated if:

((i)) (i) The trusts so provide; or
((ii)) (ii) Whether provided in the trusts or not, ((in accordance with subsection (2) of this section, if all interested persons consent as provided in subsection (2)(b) of this section and the requirements of subsection (1)(d) of this section are satisfied), or
— (c) Whether provided in the trusts or not, in accordance with subsection (3) of this section if the requirements of subsection (1)(d) of this section are satisfied;
— (d) the requirements of subsection (2), (3), or (4) of this section are satisfied;
— (b) Consolidation under subsection (2) ((((iii)), (3), or (4) of this section is permitted only if:

(i) The dispositive provisions of each trust to be consolidated are substantially similar;
(ii) Consolidation is not inconsistent with the intent of the trustor with regard to any trust to be consolidated; and
(iii) Consolidation would facilitate administration of the trusts and would not materially impair the interests of the beneficiaries((c));
— (e) Trusts may be consolidated whether created inter vivos or by will, by the same or different instruments, by the same or different
provide for payment from one or more of the trusts of reasonable fees and expenses for any party to the proceeding.

(5) This section applies to all trusts whenever created. Any person dealing with the trustee of the resulting consolidated trust is entitled to rely on the authority of that trustee to act and is not obliged to inquire into the validity or propriety of the consolidation under this section.

(6) For powers of fiduciaries to divide trusts, see RCW 11.108.025.

NEW SECTION. Sec. 18. RCW 11.98.090 (Nonliability of third persons without knowledge of breach) and 1985 c 30 s 52 are each repealed.

Sec. 19. RCW 11.103.040 and 2011 c 327 s 37 are each amended to read as follows:

While ((a trust is revocable by the trustor)) the trustee of a revocable trust is living, the rights of the beneficiaries are subject to the control of, and the duties of the trustee are owed exclusively to, the trustee. If a revocable trust has more than one trustee, the duties of the trustee are owed to all of the living trustees having the right to revoke the trust.

Sec. 20. RCW 11.103.050 and 2011 c 327 s 38 are each amended to read as follows:

(1) A person may commence a judicial proceeding to contest the validity of a trust that was revocable at the trustor's death within the earlier of:

(a) Twenty-four months after the trustor's death; or

(b) Four months after the trustee sent to the person by personal service, mail, or in an electronic transmission if there is a consent of the recipient to electronic transmission then in effect under the terms of RCW 11.96A.110, a notice ((with the information required in RCW 11.97.010, and)) including:

(i) The name and date of the trust;

(ii) The identity of the trustor or trustors;

(iii) The trustee's name, address, and telephone number; and

(iv) Notice of the time allowed for commencing a proceeding.

(2) Upon the death of the trustee of a trust that was revocable at the trustee's death, the trustee may proceed to distribute the trust property in accordance with the terms of the trust, unless:

(a) The trustee knows of a pending judicial proceeding contesting the validity of the trust; or

(b) A potential contestant has notified the trustee of a possible judicial proceeding to contest the trust and a judicial proceeding is commenced within sixty days after the contestant sent the notification.

(3) A beneficiary of a trust that is determined to have been invalid is liable to return any distribution received.

Sec. 21. RCW 11.96A.250 and 2001 c 14 s 3 are each amended to read as follows:

(a) (The personal representative or trustee may petition the court having jurisdiction over the matter for the appointment of a special representative to represent a person who is interested in the estate or trust.) Any party or the parent of a minor or unborn party may petition the court for the appointment of a special representative to represent a party: (i) Who is a minor; (ii) who is (incompetent or disabled) incapacitated without an appointed guardian of his or her estate; (iii) who is yet unborn, unknown, or unascertained; or (iv) whose identity or address is unknown. The petition may be heard by the court without notice.

In appointing the special representative the court shall give due consideration and deference to any nomination(s) made in the petition, the special skills required in the representation, and the need for a representative who will act independently and prudently. The nomination of a person as special representative by the petitioner and the person's willingness to serve as special representative are not grounds by themselves for finding a lack of independence, however, the court may consider any interests that the nominating party may have in the estate or trust in making the determination.

(c) The special representative may enter into a binding agreement on behalf of the person or beneficiary. The special representative may be appointed for more than one person or class of persons if the interests of such persons or class are not in conflict. The petition (shall) must be verified. The petition and order appointing the special representative may be in the following form:

(1) The board shall study all matters connected with the provision of health care coverage, life insurance, liability insurance, accidental death and dismemberment insurance, and disability income insurance or any of, or a combination of, the enumerated types of insurance for employees and their dependents on the best basis possible with relation both to the welfare of the employees and to the state. However, liability insurance shall not be made available to dependents.

(2) The board shall develop employee benefit plans that include comprehensive health care benefits for employees. In developing these plans, the board shall consider the following elements:

(a) Methods of maximizing cost containment while ensuring access to quality health care;

(b) Development of provider arrangements that encourage cost containment and ensure access to quality care, including but not limited to prepaid delivery systems and prospective payment methods;

(c) Wellness incentives that focus on proven strategies, such as smoking cessation, injury and accident prevention, reduction of alcohol misuse, appropriate weight reduction, exercise, automobile and motorcycle safety, blood cholesterol reduction, and nutrition education;

(d) Utilization review procedures including, but not limited to a cost-efficient method for prior authorization of services, hospital inpatient length of stay review, requirements for use of outpatient surgeries and second opinions for surgeries, review of invoices or claims submitted by service providers, and performance audit of providers;

(e) Effective coordination of benefits; and

(f) Minimum standards for insuring entities.

(3) To maintain the comprehensive nature of employee health care benefits, benefits provided to employees shall be substantially equivalent to the state employees’ health benefits plan in effect on January 1, 1993. Nothing in this subsection shall prohibit changes or increases in employee point-of-service payments or employee premium payments for benefits or the administration of a high deductible health plan in conjunction with a health savings account.

(The board may establish employee eligibility criteria which are not substantially equivalent to employee eligibility criteria in effect on January 1, 1993.)

(4) The eligibility provisions of this subsection have effect through December 31, 2013. Except if bargained for under chapter 41.80 RCW, the board shall design benefits and determine the terms and conditions of employee and retired employee participation and coverage, including establishment of eligibility criteria subject to the requirements of this chapter. Employer groups obtaining benefits through contractual agreement with the authority for employees defined in RCW 41.05.011(6) (a) through (d) may contractually agree with the authority to benefits eligibility criteria which differs from that determined by the board. The eligibility criteria established by the board shall be no more restrictive than the following:

(a) Except as provided in (b) through (e) of this subsection, an employee is eligible for benefits from the date of employment if the employing agency anticipates he or she will work an average of at least eighty hours per month and for at least eight hours in each month for more than six consecutive months. An employee determined ineligible for benefits at the beginning of his or her employment shall become eligible in the following circumstances:

(b) A seasonal employee is eligible for benefits from the date of employment if the employing agency anticipates that he or she will work an average of at least eighty hours per month and for at least eight hours in each month of the season. A seasonal employee determined ineligible at the beginning of his or her employment who works an average of at least half-time, as defined by the board, per month over a period of six consecutive months and at least eight hours in each of those six consecutive months becomes eligible at the first of the month following the six-month averaging period. A benefits-eligible seasonal employee who works a season of less than nine months shall not be eligible for the employer contribution during the off season, but may continue enrollment in benefits during the off season by self-paying for the benefits. A benefits-eligible seasonal employee who works a season of nine months or more is eligible for the employer contribution through the off season following each season worked.

(c) Faculty are eligible as follows:

(i) Faculty who the employing agency anticipates will work half-time or more for the entire instructional year or equivalent nine-month period are eligible for benefits from the date of employment. Eligibility shall continue until the beginning of the first full month of the next instructional year, unless the employment relationship is terminated, in which case eligibility shall cease the first day of the month following the notice of termination or the effective date of the termination, whichever is later.

(ii) Faculty who the employing agency anticipates will not work for the entire instructional year or equivalent nine-month period are eligible for benefits at the beginning of the second consecutive quarter or semester of employment in which he or she is anticipated to work, or has actually worked, half-time or more. Such an employee shall continue to receive uninterrupted employer contributions for benefits if the employee works at least half-time in a quarter or semester. Faculty who the employing agency anticipates will not work for the entire instructional year or equivalent nine-month period, but who actually work half-time or more throughout the entire instructional year, are eligible for summer or off-quarter coverage. Faculty who have met the criteria of this subsection (4)(c)(ii), who work at least two quarters of the academic year with an average academic year workload of half-time or more for three quarters of the academic year, and who have worked an average of half-time or more in each of the two preceding academic years shall continue to receive uninterrupted employer contributions for benefits if he or she works at least half-time in a quarter or semester or works two quarters of the academic year with an average academic workload each academic year of half-time or more for three quarters. Eligibility under this section ceases immediately if this criteria is not met.

(iii) Faculty may establish or maintain eligibility for benefits by working for more than one institution of higher education. When faculty work for more than one institution of higher education, those institutions shall prorate the employer contribution costs, or if eligibility is reached through one institution, that institution will pay the full employer contribution. Faculty working for more than one institution must alert his or her employers to his or her potential eligibility in order to establish eligibility.

(iv) The employing agency must provide written notice to faculty who are potentially eligible for benefits under this subsection (4)(c) of their potential eligibility.

(v) To be eligible for maintenance of benefits through averaging under (c)(ii) of this subsection, faculty must provide written notification to his or her employing agency or agencies of his or her potential eligibility.

(d) A legislator is eligible for benefits on the date his or her term begins. All other elected and full-time appointed officials of the legislative and executive branches of state government are eligible for benefits on the date his or her term begins or they take the oath of office, whichever occurs first.

(e) A justice of the supreme court and judges of the court of appeals and the superior courts become eligible for benefits on the date he or she takes the oath of office.

(f) Except as provided in (c)(i) and (ii) of this subsection, eligibility ceases for any employee the first of the month following termination of the employment relationship.

(g) In determining eligibility under this section, the employing agency may disregard training hours, standby hours, or temporary changes in work hours as determined by the authority under this section.

(h) Insurance coverage for all eligible employees begins on the first day of the month following the date when eligibility for benefits is established. If the date eligibility is established is the first working day of a month, insurance coverage begins on that date.

(i) Eligibility for an employee whose work circumstances are described by more than one of the eligibility categories in (a) through (e) of this subsection shall be determined solely by the criteria of the category that most closely describes the employee's work circumstances.

toxic waste sites will provide needed jobs to citizens of Washington state,

(b) "Fiduciary" does not mean:
(i) A person acting as a fiduciary with respect to a trust or other
fiduciary estate that was organized for the primary purpose of, or is
engaged in, actively carrying on a trade or business for profit, unless
the trust or other fiduciary estate was created as part of, or to
facilitate, one or more estate plans or because of the incapacity of a
natural person;
(ii) A person who acquires ownership or control of a facility
with the objective purpose of avoiding liability of the person or any
other person. It is prima facie evidence that the fiduciary acquired
ownership or control of the facility to avoid liability if the facility is
the only substantial asset in the fiduciary estate at the time the
facility became subject to the fiduciary estate;
(iii) A person who acts in a capacity other than that of a
fiduciary or in a beneficiary capacity and in that capacity directly or
indirectly benefits from a trust or fiduciary relationship;
(iv) A person who is a beneficiary and fiduciary with respect to
the same fiduciary estate, and who while acting as a fiduciary
receives benefits that exceed customary or reasonable
compensation, and incidental benefits permitted under applicable
law;
(v) A person who is a fiduciary and receives benefits that
substantially exceed customary or reasonable compensation, and
incidental benefits permitted under applicable law; or
(vi) A person who acts in the capacity of trustee of state or
federal lands or resources.

(8) "Fiduciary capacity" means the capacity of a person holding
title to a facility, or otherwise having control of an interest in the
facility pursuant to the exercise of the responsibilities of the person
as a fiduciary.

(9) "Foreclosure and its equivalents" means purchase at a
foreclosure sale, acquisition, or assignment of title in lieu of
foreclosure, termination of a lease, or other repossession, acquisition
of a right to title or possession, an agreement in satisfaction of the
obligation, or any other comparable formal or informal manner,
whether pursuant to law or under warranties, covenants, conditions,
representations, or promises from the borrower, by which the holder
acquires title to or possession of a facility securing a loan or other
obligation.

(10) "Hazardous substance" means:
(a) Any dangerous or extremely hazardous waste as defined in
RCW 70.105.010 (((5) and (6))) (1) and (7), or any dangerous or
extremely hazardous waste designated by rule pursuant to chapter
70.105 RCW;
(b) Any hazardous substance as defined in RCW
70.105.010(((44))) (10) or any hazardous substance as defined by
rule pursuant to chapter 70.105 RCW;
facility; and (d) the operation is being done primarily to protect a security interest. Operating a facility for longer than one year prior to foreclosure or its equivalents shall be presumed to be operating the facility for other than to protect a security interest.

(17) “Owner or operator” means:
(a) Any person with any ownership interest in the facility or who exercises any control over the facility; or
(b) In the case of an abandoned facility, any person who had owned, or operated, or exercised control over the facility any time before its abandonment;

The term does not include:
(i) An agency of the state or unit of local government which acquired ownership or control through a drug forfeiture action under RCW 69.50.505, or involuntarily through bankruptcy, tax delinquency, abandonment, or, other circumstances in which the government involuntarily acquires title. This exclusion does not apply to an agency of the state or unit of local government which has caused or contributed to the release or threatened release of a hazardous substance from the facility;
(ii) A person who, without participating in the management of a facility, holds indicia of ownership primarily to protect the person's security interest in the facility. Holders after foreclosure and its equivalent and holders who engage in any of the activities identified in subsection (18)(e) through (g) of this section shall not lose this exemption provided the holder complies with all of the following:
(A) The holder properly maintains the environmental compliance measures already in place at the facility;
(B) The holder complies with the reporting requirements in the rules adopted under this chapter;
(C) The holder complies with any order issued to the holder by the department to abate an imminent or substantial endangerment;
(D) The holder allows the department or potentially liable persons under an order, agreed order, or settlement agreement under this chapter access to the facility to conduct remedial actions and does not impede the conduct of such remedial actions;
(E) Any remedial actions conducted by the holder are in compliance with any preexisting requirements identified by the department, or, if the department has not identified such requirements for the facility, the remedial actions are conducted consistent with the rules adopted under this chapter; and
(F) The holder does not exacerbate an existing release. The exemption in this subsection (17)(b)(ii) does not apply to holders who cause or contribute to a new release or threatened release or who are otherwise liable under RCW 70.105D.040(1) (b), (c), (d), and (e); provided, however, that a holder shall not lose this exemption if it establishes that any such new release has been remediated according to the requirements of this chapter and that any hazardous substances remaining at the facility after remediation of the new release are divisible from such new release. The exemption in this subsection (17)(b)(ii) also does not apply where the fiduciary's powers to comply with this subsection (17)(b)(ii) are limited by a governing instrument created with the objective purpose of avoiding liability under this chapter or of avoiding compliance with this chapter; or
(iv) Any person who has any ownership interest in, operates, or exercises control over real property where a hazardous substance has come to be located solely as a result of migration of the hazardous substance to the real property through the groundwater from a source off the property, if:
(A) The person can demonstrate that the hazardous substance has not been used, placed, managed, or otherwise handled on the property in a manner likely to cause or contribute to a release of the hazardous substance that has migrated onto the property;
(B) The person has not caused or contributed to the release of the hazardous substance;
(C) The person does not engage in activities that damage or interfere with the operation of remedial actions installed on the person's property or engage in activities that result in exposure of humans or the environment to the contaminated groundwater that has migrated onto the property;
(D) If requested, the person allows the department, potentially liable persons who are subject to an order, agreed order, or consent decree, and the authorized employees, agents, or contractors of each, access to the property to conduct remedial actions required by the department. The person may attempt to negotiate an access agreement before allowing access; and
(E) Legal withdrawal of groundwater does not disqualify a person from the exemption in this subsection (17)(b)(iv).

(18) "Participation in management" means exercising decision-making control over the borrower's operation of the facility, environmental compliance, or assuming or manifesting responsibility for the overall management of the enterprise encompassing the day-to-day decision making of the enterprise.

The term does not include any of the following: (a) A holder with the mere capacity or ability to influence, or the unexercised right to control facility operations; (b) a holder who conducts or requires a borrower to conduct an environmental audit or an environmental site assessment at the facility for which indicia of ownership is held; (c) a holder who requires a borrower to come into compliance with any applicable laws or regulations at the facility for which indicia of ownership is held; (d) a holder who requires a borrower to conduct remedial actions including setting minimum requirements, but does not otherwise control or manage the borrower's remedial actions or the scope of the borrower's remedial
actions except to prepare a facility for sale, transfer, or assignment; 
(e) a holder who engages in workout or policing activities primarily 
to protect the holder's security interest in the facility; (f) a holder 
who prepares a facility for sale, transfer, or assignment and requires a 
borrower to prepare a facility for sale, transfer, or assignment; (g) a 
holder who operates a facility primarily to protect a security interest, 
or requires a borrower to continue to operate, a facility primarily to 
protect a security interest; and (h) a prospective holder who, as a 
condition of becoming a holder, requires an owner or operator to 
conduct an environmental audit, conduct an environmental site 
assessment, come into compliance with any applicable laws or 
regulations, or conduct remedial actions prior to holding a security 
interest is not participating in the management of the facility.

(19) "Person" means an individual, firm, corporation, 
association, partnership, consortium, joint venture, commercial 
entity, state government agency, unit of local government, federal 
government agency, or Indian tribe.

(20) "Policing activities" means actions the holder takes to 
ensure that the borrower complies with the terms of the loan or 
security interest or actions the holder takes or requires the borrower 
to take to maintain the value of the security. Policing activities 
include: Requiring the borrower to conduct remedial actions at the 
facility during the term of the security interest; requiring the 
borrower to comply or come into compliance with applicable 
federal, state, and local environmental and other laws, regulations, 
and permits during the term of the security interest; securing or 
exercising authority to monitor or inspect the facility including 
on-site inspections, or to monitor or inspect the borrower's business 
or financial condition during the term of the security interest; or 
taking other actions necessary to adequately police the loan or 
security interest such as requiring a borrower to comply with any 
waivers, covenants, conditions, representations, or promises from 
the borrower.

(21) "Potentially liable person" means any person whom the 
department finds, based on credible evidence, to be liable under 
RCW 70.105D.040. The department shall give notice to any such 
person and allow an opportunity for comment before making the 
finding, unless an emergency requires otherwise.

(22) "Prepare a facility for sale, transfer, or assignment" 
means to secure access to the facility; perform routine maintenance 
on the facility; remove inventory, equipment, or structures; properly 
maintain environmental compliance measures already in place at the 
facility; conduct remedial actions to cleanup releases at the facility; 
or to perform other similar activities intended to preserve the value 
of the facility where the borrower has defaulted on the loan or 
otherwise breached the security agreement or after foreclosure and 
its equivalents and in anticipation of a pending sale, transfer, or 
assignment, primarily to protect the holder's security interest in the 
facility. A holder can prepare a facility for sale, transfer, or 
assignment for up to one year prior to foreclosure and its equivalents 
and still stay within the security interest exemption in subsection 
(17)(b)(ii) of this section.

(23) "Primarily to protect a security interest" means the indicia 
of ownership is held primarily for the purpose of securing payment 
or performance of an obligation. The term does not include indicia 
of ownership held primarily for investment purposes nor indicia of 
ownership held primarily for purposes other than as protection for a 
security interest. A holder may have other, secondary reasons, for 
maintaining indicia of ownership, but the primary reason must be 
for protection of a security interest. Holding indicia of ownership 
after foreclosure or its equivalents for longer than five years shall be 
considered to be holding the indicia of ownership for purposes other 
than primarily to protect a security interest. For facilities that have 
been acquired through foreclosure or its equivalents prior to July 23, 
1995, this five-year period shall begin as of July 23, 1995.

(24) "Public notice" means, at a minimum, adequate notice 
mailed to all persons who have made timely request of the 
department and to persons residing in the potentially affected 
vicinity of the proposed action; mailed to appropriate news media; 
published in the newspaper of largest circulation in the city or 
county of the proposed action; and opportunity for interested 
persons to comment.

(25) "Release" means any intentional or unintentional entry of 
any hazardous substance into the environment, including but not 
limited to the abandonment or disposal of containers of hazardous 
substances.

(26) "Remedy" or "remedial action" means any action or 
expiration consistent with the purposes of this chapter to identify, 
eliminate, or minimize any threat or potential threat posed by 
hazardous substances to human health or the environment including 
any investigative and monitoring activities with respect to any 
release or threatened release of a hazardous substance and any 
health assessments or health effects studies conducted in order to 
determine the risk or potential risk to human health.

(27) "Security interest" means an interest in a facility created or 
established for the purpose of securing a loan or other obligation. 
Security interests include deeds of trusts, sellers interest in a real 
estate contract, liens, legal, or equitable title to a facility acquired 
incident to foreclosure and its equivalents, and title pursuant to lease 
financing transactions. Security interests may also arise from 
transactions such as sale and leasebacks, conditional sales, 
installment sales, trust receipt transactions, certain assignments, 
factoring agreements, accounts receivable financing arrangements, 
easements, and consignments, if the transaction creates or 
establishes an interest in a facility for the purpose of securing a loan 
or other obligation.

(28) "Workout activities" means those actions by which a 
holder, at any time prior to foreclosure and its equivalents, seeks to 
prevent, cure, or mitigate a default by the borrower or obligor; or to 
preserve, or prevent the diminution of, the value of the security. 
Workout activities include: Restructuring or renegotiating the 
terms of the security interest; requiring payment of additional rent or 
interest; exercising forbearance; requiring or exercising rights 
pursuant to an assignment of accounts or other amounts owed to an 
obligor; requiring or exercising rights pursuant to an escrow 
agreement pertaining to amounts owed to an obligor; providing 
specific or general financial or other advice, suggestions, 
counseling, or guidance; and exercising any right or remedy the 
holder is entitled to by law or under any warranties, covenants, 
conditions, representations, or promises from the borrower.

(29) "Areawide groundwater contamination" means 
groundwater contamination on multiple adjacent properties with 
different ownerships consisting of hazardous substances from 
multiple sources that have resulted in commingled plumes of 
contaminated groundwater that are not practicable to address 
separately.

(30) "Brownfield property" means previously developed and 
currently abandoned or underutilized real property and adjacent 
surface waters and sediment where environmental, economic, or 
community reuse objectives are hindered by the release or 
threatened release of hazardous substances that the department has 
determined requires remedial action under this chapter or that the 
United States environmental protection agency has determined 
requires remedial action under the federal cleanup law.

(31) "Local government" means any political subdivision of the 
state, including a town, city, county, special purpose district, or 
other municipal corporation, including brownfield renewal authority 
created under section 5 of this act.

(32) "Model remedy" or "model remedial action" means a set of 
technologies, procedures, and monitoring protocols identified by the
department for use in routine types of clean-up projects at facilities
that have common features and lower risk to human health and the
environment.

(33) "Prospective purchaser" means a person who is not
currently liable for remedial action at a facility and who proposes to
purchase, redevelop, or reuse the facility.

(34) "Redevelopment opportunity zone" means a geographic
area designated under section 4 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter
70.105D RCW to read as follows:

(1) The brownfield redevelopment trust fund account is created
in the state treasury. All receipts from the sources identified in
subsection (2) of this section must be deposited into the account.
Moneys in the account may be spent only after appropriation.
Expenditures from the account may be used only as identified in
subsection (4) of this section.

(2) The following receipts must be deposited into the
brownfield redevelopment trust fund account:

(a) Moneys appropriated by the legislature to the account for a
specific redevelopment opportunity zone established under section
4 of this act or a specific brownfield renewal authority established
under section 5 of this act;

(b) Moneys voluntarily deposited in the account for a
specific redevelopment opportunity zone or a specific brownfield
renewal authority; and

(c) Receipts from settlements or court orders that direct direct
payment to the account for a specific redevelopment opportunity zone to
resolve a person's liability or potential liability under this chapter.

(3) If a settlement or court order does not direct payment of
receipts described in subsection (2)(c) of this section into the
brownfield redevelopment trust fund account, then the receipts from
any payment to the state must be deposited into the state toxics
control account established under RCW 70.105D.070.

(4) Expenditures from the brownfield redevelopment trust fund
account may only be used for the purposes of remediation and
cleanup at the specific redevelopment opportunity zone or specific
brownfield renewal authority for which the moneys were deposited
in the account.

(5) The department shall track moneys received, interest earned,
and moneys expended separately for each facility.

(6) The account must retain its interest earnings in accordance
with RCW 43.84.092.

(7) The local government designating the redevelopment
opportunity zone under section 4 of this act or the associated
brownfield renewal authority created under section 5 of this act must
be the beneficiary of the deposited moneys.

(8) All expenditures must be used to conduct remediation and
cleanup consistent with a plan for the remediation and cleanup of the
properties or facilities approved by the department under this
chapter. All expenditures must meet the eligibility requirements for
the use by local governments under the rules for remedial action
grants adopted by the department under this chapter, including
requirements for the expenditure of nonstate match funding.

(9) Beginning October 31, 2015, the department must provide a
biennial report to the office of financial management and the
legislature regarding the activity for each specific redevelopment
opportunity zone or specific brownfield renewal authority for which
specific legislative appropriation was provided in the previous two
fiscal years.

(10) After the department determines that all remedial actions
within the redevelopment opportunity zone identified in the plan
approved under subsection (8) of this section are completed,
including payment of all cost reasonably attributable to the remedial
actions and cleanup, any remaining moneys must be transferred to
the state toxics control account established under RCW
70.105D.070.

(11) If the department determines that substantial progress has
not been made on the plan approved under subsection (8) of this
section for a redevelopment opportunity zone or specific brownfield
renewal authority for which moneys were deposited in the account
within six years, or that the brownfield renewal authority is no
longer a viable entity, then all remaining moneys must be
transferred to the state toxics control account established under
RCW 70.105D.070.

(12) The department is authorized to adopt rules to implement
this section.

NEW SECTION. Sec. 4. A new section is added to chapter
70.105D RCW to read as follows:

(1) A city or county may designate a geographic area within its
jurisdiction as a redevelopment opportunity zone if the zone meets
the criteria in this subsection and the city or county adopts a
resolution that includes the following determinations and
commitments:

(a) At least fifty percent of the upland properties in the zone are
brownfield properties whether or not the properties are contiguous;

(b) The upland portions of the zone are comprised entirely of
parcels of property either owned by the city or county or whose
owner has provided consent in writing to have their property
included within the zone;

(c) The cleanup of brownfield properties will be integrated with
planning for the future uses of the properties and is consistent with
the comprehensive land use plan for the zone; and

(d) The proposed properties lie within the incorporated area of a
city or within an urban growth area designated under RCW
36.70A.110.

(2) A port district may designate a redevelopment opportunity
zone when:

(a) The port district adopts a resolution that includes the
determinations and commitments required under subsection (1)(a),
(c), and (d) of this section and (c) of this subsection;

(b) The zone meets the criteria in subsection (1)(a), (c), and (d)
of this section; and

(c) The port district either:

(i) Owns in fee all of the upland properties within the zone; or

(ii) Owns in fee at least fifty percent of the upland property in
the zone, the owners of other parcels of upland property in the zone
have provided consent in writing to have their property included in
the zone, and the governing body of the city and county in which the
zone lies approves of the designation by resolution.

NEW SECTION. Sec. 5. A new section is added to chapter
70.105D RCW to read as follows:

(1) A city, county, or port district may establish by resolution a
brownfield renewal authority for the purpose of guiding and
implementing the cleanup and reuse of properties within a
designated redevelopment opportunity zone. Any combination of
cities, counties, and port districts may establish a brownfield
renewal authority through an interlocal agreement under chapter
39.34 RCW, and the brownfield renewal authority may exercise
those powers as are authorized under chapter 39.34 RCW and under
this chapter.

(2) A brownfield renewal authority must be governed by a
board of directors selected as determined by the resolution or
interlocal agreement establishing the authority.

(3) A brownfield renewal authority must be a separate legal
entity and be deemed a municipal corporation. It has the power to:
Sue and be sued; receive, account for, and disburse funds; employ
personnel; and acquire or dispose of any interest in real or personal
property within a redevelopment opportunity zone in the furtherance
of the authority purposes. A brownfield renewal authority has the
power to contract indebtedness and to issue and sell general
obligation bonds pursuant to and in the manner provided for general
county bonds in chapters 36.67 and 39.46 RCW and other
applicable statutes, and to issue revenue bonds pursuant to and in the
manner provided for revenue bonds in chapter 36.67 RCW and
other applicable statutes.

(4) If the department determines that substantial progress has
not been made on the plan approved under section 3 of this act by
the brownfield renewal authority within six years of a city, county,
or port district establishing a brownfield renewal authority, the
department may require dissolution of the brownfield renewal
authority. Upon dissolution of the brownfield renewal authority,
except as provided in section 3 of this act, all assets and liabilities
transfer to the city, town, or port district establishing the brownfield
renewal authority.

Sec. 6. RCW 70.105D.030 and 2009 c 560 s 10 are each
amended to read as follows:

(1) The department may exercise the following powers in
addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially
liable persons to investigate any releases or threatened releases of
hazardous substances, including but not limited to inspecting,
sampling, or testing to determine the nature or extent of any release
or threatened release. If there is a reasonable basis to believe that a
release or threatened release of a hazardous substance may exist, the
department's authorized employees, agents, or contractors may enter
upon any property and conduct investigations. The department
shall give reasonable notice before entering property unless an
emergency prevents such notice. The department may by
subpoena require the attendance or testimony of witnesses and the
production of documents or other information that the department
deems necessary;

(b) Conduct, provide for conducting, or require potentially
liable persons to conduct remedial actions (including investigations
under (a) of this subsection) to remedy releases or threatened
releases of hazardous substances. In carrying out such powers, the
department's authorized employees, agents, or contractors may enter
upon property. The department shall give reasonable notice before
entering property unless an emergency prevents such notice. In
conducting, providing for, or requiring remedial action, the
department shall give preference to permanent solutions to the
maximum extent practicable and shall provide for or require
adequate monitoring to ensure the effectiveness of the remedial
action;

(c) Indemnify contractors retained by the department for
carrying out investigations and remedial actions, but not for any
contractor's reckless or willful misconduct;

(d) Carry out all state programs authorized under the federal
cleanup law and the federal resource, conservation, and recovery
act, 42 U.S.C. Sec. 6901 et seq., as amended;

(e) Classify substances as hazardous substances for purposes
of RCW 70.105D.020 and classify substances and products as hazardous substances for purposes of RCW
82.21.020(1);

(f) Issue orders or enter into consent decrees or agreed orders
that include, or issue written opinions under (i) of this subsection
that may be conditioned upon, environmental covenants where
necessary to protect human health and the environment from a
release or threatened release of a hazardous substance from a
facility. Prior to establishing an environmental covenant under this
subsection, the department shall consult with and seek comment
from a city or county department with land use planning authority
for real property subject to the environmental covenant;

(g) Enforce the application of permanent and effective
institutional controls that are necessary for a remedial action to be
protective of human health and the environment and the notification
requirements established in RCW 70.105D.110, and impose
penalties for violations of that section consistent with RCW
70.105D.050;

(h) Require holders to conduct remedial actions necessary to
abate an imminent or substantial endangerment pursuant to RCW
70.105D.020(17)(b)(ii)(C);

(i) Provide informal advice and assistance to persons regarding
the administrative and technical requirements of this chapter. This
may include site-specific advice to persons who are conducting or
otherwise interested in independent remedial actions. Any such
advice or assistance shall be advisory only, and shall not be binding
on the department. As a part of providing this advice and
assistance for independent remedial actions, the department may
prepare written opinions regarding whether the independent
remedial actions or proposals for those actions meet the substantive
requirements of this chapter or whether the department believes
further remedial action is necessary at the facility. Nothing in this
chapter may be construed to preclude the department from issuing a
written opinion on whether further remedial action is necessary at
any portion of the real property located within a facility, even if
further remedial action is still necessary elsewhere at the same
facility. Such a written opinion on a portion of a facility must also
provide an opinion on the status of the facility as a whole. The
department may collect, from persons requesting advice and
assistance, the costs incurred by the department in providing such
advice and assistance; however, the department shall, where
appropriate, waive collection of costs in order to provide an
appropriate level of technical assistance in support of public
participation. The state, the department, and officers and
employees of the state are immune from all liability, and no cause of
action of any nature may arise from any act or omission in
conducting, or failing to provide, informal advice and assistance.
The department must track the number of requests for reviews of
planned or completed independent remedial actions and establish
performance measures to track how quickly the department is able
to respond to those requests. By November 1, 2015, the
department must submit to the governor and the appropriate
legislative fiscal and policy committees a report on achieving the
performance measures and provide recommendations for improving
performance, including staffing needs; ((aad))

(j) In fulfilling the objectives of this chapter, the department
shall allocate staffing and financial assistance in a manner that
considers both the reduction of human and environmental risks and
the land reuse potential and planning for the facilities to be cleaned
up. This does not preclude the department from allocating
resources to a facility based solely on human or environmental risks;

(k) Establish model remedies for common categories of
facilities, types of hazardous substances, types of media, or
geographic areas to streamline and accelerate the selection of
remedies for routine types of cleanups at facilities.

(i) When establishing a model remedy, the department shall:

(A) Identify the requirements for characterizing a facility to
select a model remedy, the applicability of the model remedy for use
at a facility, and monitoring requirements;

(B) Describe how the model remedy meets clean-up standards
and the requirements for selecting a remedy established by the
department under this chapter; and

(C) Provide public notice and an opportunity to comment on the
proposed model remedy and the conditions under which it may be
used at a facility.

(ii) When developing model remedies, the department shall
solicit and consider proposals from qualified persons. The
proposals must, in addition to describing the model remedy, provide
the information required under (k)(ii)(A) and (B) of this subsection.

(iii) If a facility meets the requirements for use of a model
remedy, an analysis of the feasibility of alternative remedies is not
required under this chapter. For department-conducted and department-supervised remedial actions, the department must provide public notice and consider public comments on the proposed use of a model remedy at a facility. The department shall waive collection of its costs for providing a written opinion under (i) of this subsection on a cleanup that qualifies for and appropriately uses a model remedy; and

(F) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigatory and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

(b) Establish a hazard ranking system for hazardous waste sites;

(c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;

(d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remedying releases or threatened releases at the site;

(e) Publish and periodically update minimum clean-up standards for remedial actions at least as stringent as the clean-up standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and

(F) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.

(3) To achieve and protect the state’s long-term ecological health, the department shall (((prioritize sufficient funding))) plan to clean up hazardous waste sites and prevent the creation of future hazards due to improper disposal of toxic wastes((, and create financing tools to clean up large-scale hazardous waste sites requiring multiyear commitments)) at a pace that matches the estimated cash resources in the state and local toxics control accounts. Estimated cash resources must consider the annual cash flow requirements of major projects that receive appropriations expected to cross multiple biennia. To effectively monitor toxic accounts expenditures, the department shall develop a comprehensive ten-year financing report that identifies long-term remedial action project costs, tracks expenses, and projects future needs.

(4) By November 1, 2016, the department must submit to the governor and the appropriate legislative committees a report on the status of developing model remedies and their use under this chapter. The report must include: The number and types of model remedies identified by the department under subsection (1)(k) of this section; the number and types of model remedy proposals prepared by qualified private sector engineers, consultants, or contractors that were accepted or rejected under subsection (1)(k) of this section and the reasons for rejection; and the success of model remedies in accelerating the cleanup as measured by the number of jobs created by the cleanup, where such information is available to the department, acres of land restored, and the number and types of hazardous waste sites successfully remediated using model remedies.

(5) Before (Decemeber) September 20th of each even-numbered year, the department shall:

(a) Develop a comprehensive ten-year financing report in coordination with all local governments with clean-up responsibilities that identifies the projected biennial hazardous waste site remedial action needs that are eligible for funding from the state and local toxics control accounts;

(b) Work with local governments to develop working capital reserves to be incorporated in the ten-year financing report;

(c) Identify the projected remedial action needs for orphaned, abandoned, and other clean-up sites that are eligible for funding from the state toxics control account;

(d) Project the remedial action need, cost, revenue, and any recommended working capital reserve estimate to the next biennium's long-term remedial action needs from both the local ((toxics control account)) and ((the)) state toxics control accounts, and submit this information to the appropriate standing fiscal and environmental committees of the senate and house of representatives. This submittal must also include a ranked list of such remedial action projects for both accounts(((and (e)))

The submittal must also identify separate budget estimates for large, multi-biennia clean-up projects that exceed ten million dollars. The department shall prepare its ten-year capital budget plan that is submitted to the office of financial management to reflect the separate budget estimates for these large clean-up projects and include information on the projected private and public funding obligations for completion of the projects.

(6) By December 1 of each odd-numbered year, the department must provide the legislature and the public (((each year with an accounting))) a report of the department’s activities supported by appropriations from the state and local toxics control accounts((, including a list of known hazardous waste sites and their hazard rankings, actions taken and planned at each site, how the department is meeting its waste management priorities under RCW 70.105.150, and all funds expended under this chapter)). The report must be prepared and displayed in a manner that allows the legislature and the public to easily determine the statewide and local progress made in cleaning up hazardous waste sites under this chapter. The report must include, at a minimum:

(a) The name, location, hazardous waste ranking, and a short description of each site on the hazardous sites list, and the date the site was placed on the hazardous waste sites list; and

(b) For hazardous waste sites with a grant, loan, or direct investment in remedial actions by the state:

(i) The amount of money from the state and local toxics control accounts used to conduct remedial actions at the site and the amount of that money recovered from potentially liable persons;

(ii) The actual or estimated start and end dates and the actual or estimated expenditures of funds authorized under this chapter for the following project phases:

(A) Emergency or interim actions, if needed;

(B) Remedial investigation;

(C) Feasibility study and selection of a remedy;

(D) Engineering design and construction of the selected
remedy;
(E) Operation and maintenance or monitoring of the constructed remedy; and
(F) The final completion date.

((4)(a)) (2) The department shall establish a program to identify potential hazardous waste sites and to encourage persons to provide information about hazardous waste sites.

((4)(a)) (8) For all facilities where an environmental covenant has been required under subsection (1)(f) of this section, including all facilities where the department has required an environmental covenant under an order, agreed order, or consent decree, or as a condition of a written opinion issued under the authority of subsection (1)(i) of this section, the department shall periodically review the environmental covenant for effectiveness. Except as otherwise provided in (c) of this subsection, the department shall conduct a review at least once every five years after an environmental covenant is recorded.

(a) The review shall consist of, at a minimum:
(i) A review of the title of the real property subject to the environmental covenant to determine whether the environmental covenant was properly recorded and, if applicable, amended or terminated;
(ii) A physical inspection of the real property subject to the environmental covenant to determine compliance with the environmental covenant, including whether any development or redevelopment of the real property has violated the terms of the environmental covenant; and
(iii) A review of the effectiveness of the environmental covenant in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances. This shall include a review of available monitoring data.

(b) If an environmental covenant has been amended or terminated without proper authority, or if the terms of an environmental covenant have been violated, or if the environmental covenant is no longer effective in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances, then the department shall take any and all appropriate actions necessary to ensure compliance with the environmental covenant and the policies and requirements of this chapter.

(c) For facilities where an environmental covenant required by the department under subsection (1)(f) of this section was required before July 1, 2007, the department shall:
(i) Enter all required information about the environmental covenant into the registry established under RCW 64.70.120 by June 30, 2008;
(ii) For those facilities where more than five years has elapsed since the environmental covenant was required and the department has yet to conduct a review, conduct an initial review according to the following schedule:
(A) By December 30, 2008, fifty facilities;
(B) By June 30, 2009, fifty additional facilities; and
(C) By June 30, 2010, the remainder of the facilities;
(iii) Once this initial review has been completed, conduct subsequent reviews at least once every five years.

Sec. 7. RCW 70.105D.040 and 1997 c 406 s 4 are each amended to read as follows:
(1) Except as provided in subsection (3) of this section, the following persons are liable with respect to a facility:
(a) The owner or operator of the facility;
(b) Any person who owned or operated the facility at the time of disposal or release of the hazardous substances;
(c) Any person who owned or possessed a hazardous substance and who by contract, agreement, or otherwise arranged for disposal or treatment of the hazardous substance at the facility, or arranged with a transporter for transport for disposal or treatment of the hazardous substances at the facility, or otherwise generated hazardous wastes disposed of or treated at the facility;
(d) Any person (i) who accepts or accepted any hazardous substance for transport to a disposal, treatment, or other facility selected by such person from which there is a release or a threatened release for which remedial action is required, unless such facility, at the time of disposal or treatment, could legally receive such substance; or (ii) who accepts a hazardous substance for transport to such a facility and has reasonable grounds to believe that such facility is not operated in accordance with chapter 70.105 RCW; and
(e) Any person who both sells a hazardous substance and is responsible for written instructions for its use if (i) the substance is used according to the instructions and (ii) the use constitutes a release for which remedial action is required at the facility.

(2) Each person who is liable under this section is strictly liable, jointly and severally, for all remedial action costs and for all natural resource damages resulting from the releases or threatened releases of hazardous substances. The attorney general, at the request of the department, is empowered to recover all costs and damages from persons liable therefor.

(3) The following persons are not liable under this section:
(a) Any person who can establish that the release or threatened release of a hazardous substance for which the person would be otherwise responsible was caused solely by:
(i) An act of God;
(ii) An act of war; or
(iii) An act or omission of a third party (including but not limited to a trespasser) other than (A) an employee or agent of the person asserting the defense, or (B) any person whose act or omission occurs in connection with a contractual relationship existing, directly or indirectly, with the person asserting this defense to liability. This defense only applies where the person asserting the defense has exercised the utmost care with respect to the hazardous substance, the foreseeable acts or omissions of the third party, and the foreseeable consequences of those acts or omissions;
(b) Any person who is an owner, past owner, or purchaser of a facility and who can establish by a preponderance of the evidence that at the time the facility was acquired by the person, the person had no knowledge or reason to know that any hazardous substance, the release or threatened release of which has resulted in or contributed to the need for the remedial action, was released or disposed of on, in, or at the facility. This subsection (3)(b) is limited as follows:
(i) To establish that a person had no reason to know, the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property, consistent with good commercial or customary practice in an effort to minimize liability. Any court interpreting this subsection (3)(b) shall take into account any specialized knowledge or experience on the part of the person, the relationship of the purchase price to the value of the property if uncontaminated, commonly known or reasonably ascertainable information about the property, the obviousness of the presence or likely presence of contamination at the property, and the ability to detect such contamination by appropriate inspection;
(ii) The defense contained in this subsection (3)(b) is not available to any person who had actual knowledge of the release or threatened release of a hazardous substance when the person owned the real property and who subsequently transferred ownership of the property without first disclosing such knowledge to the transferee;
(iii) The defense contained in this subsection (3)(b) is not available to any person who, by any act or omission, caused or
settled with a person not currently liable for remedial action at subsection (4) of this section, the attorney general may agree to a settlement only if at least ten persons request one or if the department determines a hearing is necessary.

(4) There may be no settlement by the state with any person potentially liable under this chapter except in accordance with this section.

(a) The attorney general may agree to a settlement with any potentially liable person only if the department finds, after public notice and any required hearing, that the proposed settlement would expedite such a settlement with persons whose contribution is insignificant in amount and toxicity. A hearing shall be required only if at least ten persons request one or if the department determines a hearing is necessary.

(b) A settlement agreement under this section shall be entered as a consent decree issued by a court of competent jurisdiction.

(c) A settlement agreement may contain a covenant not to sue only of a scope commensurate with the settlement agreement in favor of any person with whom the attorney general has settled under this section. Any covenant not to sue shall contain a reopener clause which requires the court to amend the covenant not to sue if factors not known at the time of entry of the settlement agreement are discovered and present a previously unknown threat to human health or the environment.

(d) A party who has resolved its liability to the state under this section shall not be liable for claims for contribution regarding matters addressed in the settlement. The settlement does not discharge any of the other liable parties but it reduces the total potential liability of the others to the state by the amount of the settlement.

(e) If the state has entered into a consent decree with an owner or operator under this section, the state shall not enforce this chapter against any owner or operator who is a successor in interest to the settling party unless under the terms of the consent decree the state could enforce against the settling party, if:

(i) The successor owner or operator is liable with respect to the facility solely due to that person’s ownership interest or operator status acquired as a successor in interest to the owner or operator with whom the state has entered into a consent decree; and

(ii) The stay of enforcement under this subsection does not apply if the consent decree was based on circumstances unique to the settling party that do not exist with regard to the successor in interest, such as financial hardship. For consent decrees entered into before July 27, 1997, at the request of a settling party or a potential successor owner or operator, the attorney general shall issue a written opinion on whether a consent decree contains such unique circumstances. For all other consent decrees, such unique circumstances shall be specified in the consent decree.

(f) Any person who is not subject to enforcement by the state under (e) of this subsection is not liable for claims for contribution regarding matters addressed in the settlement.

(5)(a) In addition to the settlement authority provided under subsection (4) of this section, the attorney general may agree to a settlement with a person not currently liable for remedial action at a facility who proposes to purchase, redevelop, or reuse the facility selected by the prospective purchaser, provided that:

(i) The settlement will yield substantial new resources to facilitate cleanup;

(ii) The settlement will expedite remedial action at the facility consistent with the rules adopted under this chapter; and

(iii) Based on available information, the department determines that the redevelopment or reuse of the facility is not likely to contribute to the existing release or threatened release, interfere with remedial actions that may be needed at the facility, or increase health risks to persons at or in the vicinity of the facility.

(b) The legislature recognizes that the state does not have adequate resources to participate in all property transactions involving contaminated property. The primary purpose of this subsection (5) is to promote the cleanup and reuse of vacant or abandoned commercial or industrial property. The attorney general and the department may give priority to settlements that will provide a substantial public benefit. Inclusion in the settlement of a reopener clause which requires the court to amend the covenant not to sue if factors not known at the time of entry of the settlement agreement are discovered and present a previously unknown threat to human health or the environment.

(6) As an alternative to a settlement under subsection (5) of this section, the department may enter into an agreed order with a prospective purchaser of a property within a designated redevelopment opportunity zone. The agreed order is subject to the limitations in RCW 70.105D.020(1), but stays enforcement by the department under this chapter regarding remedial actions required by the agreed order as long as the prospective purchaser complies with the requirements of the agreed order.

(7) Nothing in this chapter affects or modifies in any way any person’s right to seek or obtain relief under other statutes or under common law, including but not limited to damages for injury or loss resulting from a release or threatened release of a hazardous substance. No settlement by the department or remedial action ordered by a court or the department affects any person’s right to obtain a remedy under common law or other statutes.
investigative and remedial actions and orders, and agreed orders, including amounts spent prior to March 1, 1989.

(4) The attorney general may bring an action to secure such relief as is necessary to protect human health and the environment under this chapter.

(5)(a) Any person may commence a civil action to compel the department to perform any nondiscretionary duty under this chapter. At least thirty days before commencing the action, the person must give notice of intent to sue, unless a substantial endangerment exists. The court may award attorneys' fees and other costs to the prevailing party in the action.

(b) Civil actions under this section and RCW 70.105D.060 may be brought in the superior court of Thurston county or of the county in which the release or threatened release exists.

(6) Any person who fails to provide notification of releases consistent with RCW 70.105D.110 or who submits false information is liable in an action brought by the attorney general for a civil penalty of up to five thousand dollars per day for each day the party refuses to comply.

(7) Any person who owns real property or lender holding a mortgage on real property that is subject to a lien filed under RCW 70.105D.055 may petition the department to have the lien removed or the amount of the lien reduced. If, after consideration of the petition and the information supporting the petition, the department decides to deny the request, the person may, within ninety days after receipt of the department's denial, file suit for removal or reduction of the lien. The person is entitled to removal of a lien filed under RCW 70.105D.055 if they can prove by a preponderance of the evidence:

(a) For liens filed under RCW 70.105D.055(2)(a), the amount of the lien exceeds the remedial action costs the department incurred related to cleanup of the real property; and

(b) For liens filed under RCW 70.105D.055(2)(c), the amount of the lien exceeds the remedial action costs the department incurred related to cleanup of the real property or exceeds the increase of the fair market value of the real property solely attributable to the remedial action conducted by the department.

Sec. 9. RCW 70.105D.070 and 2012 2nd sp.s. c 7 s 920 and 2012 2nd sp.s. c 2 s 6005 are each reenacted and amended to read as follows:

"NEW SECTION. Sec. 1. The legislature finds that there are a large number of toxic waste sites that have been identified in the department of ecology's priority list as ready for immediate cleanup. The legislature further finds that addressing the cleanup of these toxic waste sites will provide needed jobs to citizens of Washington state. It is the intent of the legislature to prioritize the spending of revenues under chapter 70.105D RCW, the model toxics control act, on cleaning up the most toxic sites, while also providing jobs in communities around the state.

Sec. 2. RCW 70.105D.020 and 2007 c 104 s 18 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

An agreed order may be used to require or approve any cleanup or other remedial actions but it is not a settlement under RCW 70.105D.040(4) and shall not contain a covenant not to sue, or provide protection from claims for contribution, or provide eligibility for public funding of remedial actions under RCW 70.105D.070 (2)(c)(cci) (a)(xv) and (b)(iii) and (3)(b)(iii).

(2) "Department" means the department of ecology.

(3) "Director" means the director of ecology or the director's designee.

Except as provided in subsection (17)(b)(iii) of this section, the liability of a fiduciary under this chapter shall not exceed the assets held in the fiduciary capacity.

(b) "Fiduciary" does not mean:

(i) A person acting as a fiduciary with respect to a trust or other fiduciary estate that was organized for the primary purpose of, or is engaged in, actively carrying on a trade or business for profit, unless the trust or other fiduciary estate was created as part of, or to facilitate, one or more estate plans or because of the incapacity of a natural person;

(ii) A person who acquires ownership or control of a facility with the objective purpose of avoiding liability of the person or any other person. It is prima facie evidence that the fiduciary acquired ownership or control of the facility to avoid liability if the facility is
the only substantial asset in the fiduciary estate at the time the facility became subject to the fiduciary estate;

(iii) A person who acts in a capacity other than that of a fiduciary or in a beneficiary capacity and in that capacity directly or indirectly benefits from a trust or fiduciary relationship;

(iv) A person who is a beneficiary and fiduciary with respect to the same fiduciary estate, and who while acting as a fiduciary receives benefits that exceed customary or reasonable compensation, and incidental benefits permitted under applicable law;

(10) "Hazardous substance" means:

(a) Any dangerous or extremely hazardous waste as defined in RCW 70.105.010 (((5) and (6))) (1) and (7), or any dangerous or extremely dangerous waste designated by rule pursuant to chapter 70.105 RCW;

(b) Any hazardous substance as defined in RCW 70.105.010(((44))) (10) or any hazardous substance as defined by rule pursuant to chapter 70.105 RCW;

A holder can be a public or privately owned financial institution, receiver, conservator, loan guarantor, or other similar persons that loan money or guarantee repayment of a loan. Holders typically are banks or savings and loan institutions but may also include others such as insurance companies, pension funds, or private individuals that engage in loaning of money or credit.

(12) "Independent remedial actions" means remedial actions conducted without department oversight or approval, and not under an order, agreed order, or consent decree.

(13) "Indicia of ownership" means evidence of a security interest, evidence of an interest in a security interest, or evidence of an interest in a facility securing a loan or other obligation, including any legal or equitable title to a facility acquired incident to foreclosure and its equivalents. Evidence of such interests includes, mortgages, deeds of trust, sellers interest in a real estate contract, liens, surety bonds, and guarantees of obligations, title held pursuant to a lease financing transaction in which the lessor does not select initially the leased facility, or legal or equitable title obtained pursuant to foreclosure and their equivalents. Evidence of such interests also includes assignments, pledges, or other rights to or other forms of encumbrance against the facility that are held primarily to protect a security interest.

(14) "Industrial properties" means properties that are or have been characterized by, or are to be committed to, traditional industrial uses such as processing or manufacturing of materials, marine terminal and transportation areas and facilities, fabrication, assembly, treatment, or distribution of manufactured products, or storage of bulk materials, that are either:

(16) "Operating a facility primarily to protect a security interest" occurs when all of the following are met: (a) Operating the facility where the borrower has defaulted on the loan or otherwise breached the security agreement; (b) operating the facility to preserve the value of the facility as an ongoing business; (c) the operation is being done in anticipation of a sale, transfer, or assignment of the facility; and (d) the operation is being done primarily to protect a security interest. Operating a facility for longer than one year prior to foreclosure or its equivalents shall be presumed to be operating the facility for other than to protect a security interest.

(17) "Owner or operator" means:

(a) Any person with any ownership interest in the facility or who exercises any control over the facility; or

(b) In the case of an abandoned facility, any person who had owned, or operated, or exercised control over the facility any time before its abandonment;

The term does not include:

(i) An agency of the state or unit of local government which acquired ownership or control through a drug forfeiture action under RCW 69.50.505, or involuntarily through bankruptcy, tax delinquency, abandonment, or other circumstances in which the government involuntarily acquires title. This exclusion does not apply to an agency of the state or unit of local government which has caused or contributed to the release or threatened release of a hazardous substance from the facility;

(ii) A person who, without participating in the management of a facility, holds indicia of ownership primarily to protect the person's security interest in the facility. Holders after foreclosure and its equivalent and holders who engage in any of the activities identified in subsection (18)(e) through (g) of this section shall not lose this exemption provided the holder complies with all of the following:
(A) The holder properly maintains the environmental compliance measures already in place at the facility;

(C) The holder complies with any order issued to the holder by the department to abate an imminent or substantial endangerment;

(D) The holder allows the department or potentially liable persons under an order, agreed order, or settlement agreement under this chapter access to the facility to conduct remedial actions and does not impede the conduct of such remedial actions;

(E) Any remedial actions conducted by the holder are in compliance with any preexisting requirements identified by the department, or, if the department has not identified such requirements for the facility, the remedial actions are conducted consistent with the rules adopted under this chapter; and

(F) The holder does not exacerbate an existing release. The exemption in this subsection (17)(b)(ii) does not apply to holders who cause or contribute to a new release or threatened release or who are otherwise liable under RCW 70.105D.040(1) (b), (c), (d), and (e); provided however, that a holder shall not lose this exemption if it establishes that any such new release has been remediated according to the requirements of this chapter and that any hazardous substances remaining at the facility after remediation of the new release are divisible from such new release;

(iii) A fiduciary in his, her, or its personal or individual capacity. This exemption does not preclude a claim against the assets of the estate or trust administered by the fiduciary or against a nonemployee agent or independent contractor retained by a fiduciary. This exemption also does not apply to the extent that a person is liable under this chapter independently of the person's ownership as a fiduciary or for actions taken in a fiduciary capacity which cause or contribute to a new release or exacerbate an existing release of hazardous substances. This exemption applies provided that, to the extent of the fiduciary's powers granted by law or by the applicable governing instrument granting fiduciary powers, the fiduciary complies with all of the following:

(A) The fiduciary properly maintains the environmental compliance measures already in place at the facility;

(B) The fiduciary complies with the reporting requirements in the rules adopted under this chapter;

(C) The fiduciary complies with any order issued to the fiduciary by the department to abate an imminent or substantial endangerment;

(D) The fiduciary allows the department or potentially liable persons under an order, agreed order, or settlement agreement under this chapter access to the facility to conduct remedial actions and does not impede the conduct of such remedial actions;

(E) Any remedial actions conducted by the fiduciary are in compliance with any preexisting requirements identified by the department, or, if the department has not identified such requirements for the facility, the remedial actions are conducted consistent with the rules adopted under this chapter; and

(F) The fiduciary does not exacerbate an existing release.

The exemption in this subsection (17)(b)(iii) does not apply to fiduciaries who cause or contribute to a new release or threatened release or who are otherwise liable under RCW 70.105D.040(1) (b), (c), (d), and (e); provided however, that a fiduciary shall not lose this exemption if it establishes that any such new release has been remediated according to the requirements of this chapter and that any hazardous substances remaining at the facility after remediation of the new release are divisible from such new release. The exemption in this subsection (17)(b)(iii) also does not apply where the fiduciary's powers to comply with this subsection (17)(b)(iii) are limited by a governing instrument created with the objective purpose of avoiding liability under this chapter or of avoiding compliance with this chapter; or

(iv) Any person who has any ownership interest in, operates, or exercises control over real property where a hazardous substance has come to be located solely as a result of migration of the hazardous substance to the real property through the groundwater from a source off the property, if:

(A) The person can demonstrate that the hazardous substance has not been used, placed, managed, or otherwise handled on the property in a manner likely to cause or contribute to a release of the hazardous substance that has migrated onto the property;

(B) The person has not caused or contributed to the release of the hazardous substance;

(C) The person does not engage in activities that damage or interfere with the operation of remedial actions installed on the person's property or engage in activities that result in exposure of humans or the environment to the contaminated groundwater that has migrated onto the property;

(D) If requested, the person allows the department, potentially liable persons who are subject to an order, agreed order, or consent decree, and the authorized employees, agents, or contractors of each, access to the property to conduct remedial actions required by the department. The person may attempt to negotiate an access agreement before allowing access; and

(E) Legal withdrawal of groundwater does not disqualify a person from the exemption in this subsection (17)(b)(iv).

(18) "Participation in management" means exercising decision-making control over the borrower's operation of the facility, environmental compliance, or assuming or manifesting responsibility for the overall management of the enterprise encompassing the day-to-day decision making of the enterprise.

The term does not include any of the following: (a) A holder with the mere capacity or ability to influence, or the unexercised right to control facility operations; (b) a holder who conducts or requires a borrower to conduct an environmental audit or an environmental site assessment at the facility for which indicia of ownership is held; (c) a holder who requires a borrower to come into compliance with any applicable laws or regulations at the facility for which indicia of ownership is held; (d) a holder who requires a borrower to conduct remedial actions including setting minimum requirements, but does not otherwise control or manage the borrower's remedial actions or the scope of the borrower's remedial actions except to prepare a facility for sale, transfer, or assignment; (e) a borrower or the holder who engages in workout or policing activities primarily to protect the holder's security interest in the facility; (f) a holder who prepares a facility for sale, transfer, or assignment or requires a borrower to prepare a facility for sale, transfer, or assignment; (g) a holder who operates a facility primarily to protect a security interest, or requires a borrower to continue to operate, a facility primarily to protect a security interest; and (h) a prospective holder or a holder who, as a condition of becoming a holder, requires an owner or operator to conduct an environmental audit, conduct an environmental site assessment, come into compliance with any applicable laws or regulations, or conduct remedial actions prior to holding a security interest or actions the holder takes or requires the borrower to take to maintain the value of the security. Policing activities include: Requiring the borrower to conduct remedial actions at the facility during the term of the security interest; requiring the borrower to comply or come into compliance with applicable federal, state, and local environmental and other laws, regulations, and permits during the term of the security interest; securing or
exercising authority to monitor or inspect the facility including on-site inspections, or to monitor or inspect the borrower's business or financial condition during the term of the security interest; or taking other actions necessary to adequately police the loan or security interest such as requiring a borrower to comply with any warranties, covenants, conditions, representations, or promises from the borrower.

(21) "Potentially liable person" means any person whom the department finds, based on credible evidence, to be liable under RCW 70.105D.040. The department shall give notice to any such person and allow an opportunity for comment before making the finding, unless an emergency requires otherwise.

(22) "Prepare a facility for sale, transfer, or assignment" means to secure access to the facility; perform routine maintenance on the facility; remove inventory, equipment, or structures; properly maintain environmental compliance measures already in place at the facility; conduct remedial actions to cleanup releases at the facility; or to perform other similar activities intended to preserve the value of the facility where the borrower has defaulted on the loan or otherwise breached the security agreement or after foreclosure and its equivalents and in anticipation of a pending sale, transfer, or assignment, primarily to protect the holder's security interest in the facility. A holder can prepare a facility for sale, transfer, or assignment for up to one year prior to foreclosure and its equivalents and still stay within the security interest exemption in subsection (17)(b)(ii) of this section.

(23) "Primarily to protect a security interest" means the indicia of ownership is held primarily for the purpose of securing payment or performance of an obligation. The term does not include indicia of ownership held primarily for investment purposes nor indicia of ownership held primarily for purposes other than as protection for a security interest. A holder may have other, secondary reasons, for maintaining indicia of ownership, but the primary reason must be for protection of a security interest. Holding indicia of ownership after foreclosure or its equivalents for longer than five years shall be considered to be holding the indicia of ownership for purposes other than primarily to protect a security interest. For facilities that have been acquired through foreclosure or its equivalents prior to July 23, 1995, this five-year period shall begin as of July 23, 1995.

(24) "Public notice" means, at a minimum, adequate notice mailed to all persons who have made timely request of the department and to persons residing in the potentially affected vicinity of the proposed action; mailed to appropriate news media; published in the newspaper of largest circulation in the city or county of the proposed action; and opportunity for interested persons to comment.

(25) "Release" means any intentional or unintentional entry of any hazardous substance into the environment, including but not limited to the abandonment or disposal of containers of hazardous substances.

(26) "Remedy" or "remedial action" means any action or expenditure consistent with the purposes of this chapter to identify, eliminate, or minimize any threat or potential threat posed by hazardous substances to human health or the environment including any investigative and monitoring activities with respect to any release or threatened release of a hazardous substance and any health assessments or health effects studies conducted in order to determine the risk or potential risk to human health.

(27) "Security interest" means an interest in a facility created or established for the purpose of securing a loan or other obligation. Security interests include deeds of trusts, sellers interest in a real estate contract, liens, legal, or equitable title to a facility acquired incident to foreclosure and its equivalents, and title pursuant to lease financing transactions. Security interests may also arise from transactions such as sale and leasebacks, conditional sales, installment sales, trust receipt transactions, certain assignments, factoring agreements, accounts receivable financing arrangements, easements, and consignments, if the transaction creates or establishes an interest in a facility for the purpose of securing a loan or other obligation.

(28) "Workout activities" means those actions by which a holder, at any time prior to foreclosure and its equivalents, seeks to prevent, cure, or mitigate a default by the borrower or obligor; or to preserve, or prevent the diminution of, the value of the security. Workout activities include: Restructuring or renegotiating the terms of the security interest; requiring payment of additional rent or interest; exercising forbearance; requiring or exercising rights pursuant to an assignment of accounts or other amounts owed to an obligor; requiring or exercising rights pursuant to an escrow agreement pertaining to amounts owed to an obligor; providing specific or general financial or other advice, suggestions, counseling, or guidance; and exercising any right or remedy the holder is entitled to by law or under any warranties, covenants, conditions, representations, or promises from the borrower.

(29) "Areawide groundwater contamination" means groundwater contamination on multiple adjacent properties with different ownerships consisting of hazardous substances from multiple sources that have resulted in commingled plumes of contaminated groundwater that are not practicable to address separately.

(30) "Brownfield property" means previously developed and currently abandoned or underutilized real property and adjacent surface waters and sediment where environmental, economic, or community reuse objectives are hindered by the release or threatened release of hazardous substances that the department has determined requires remedial action under this chapter or that the United States environmental protection agency has determined requires remedial action under the federal cleanup law.

(31) "City" means a city or town.

(32) "Local government" means any political subdivision of the state, including a town, city, county, special purpose district, or other municipal corporation, including brownfield renewal authority created under section 5 of this act.

(33) "Model remedy" or "model remedial action" means a set of technologies, procedures, and monitoring protocols identified by the department for use in routine types of clean-up projects at facilities that have common features and lower risk to human health and the environment.

(34) "Prospective purchaser" means a person who is not currently liable for remedial action at a facility and who proposes to purchase, redevelop, or reuse the facility.

(35) "Redevelopment opportunity zone" means a geographic area designated under section 4 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 70.105D RCW to read as follows:

(1) The brownfield redevelopment trust fund account is created in the state treasury. All receipts from the sources identified in subsection (2) of this section must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only as identified in subsection (4) of this section.

(2) The following receipts must be deposited into the brownfield redevelopment trust fund account:

(a) Moneys appropriated by the legislature to the account for a specific redevelopment opportunity zone established under section 4 of this act or a specific brownfield renewal authority established under section 5 of this act;

(b) Moneys voluntarily deposited in the account for a specific redevelopment opportunity zone or a specific brownfield renewal authority; and
(c) Receipts from settlements or court orders that direct payment to the account for a specific redevelopment opportunity zone to resolve a person’s liability or potential liability under this chapter.

(3) If a settlement or court order does not direct payment of receipts described in subsection (2)(c) of this section into the brownfield redevelopment trust fund account, then the receipts from any payment to the state must be deposited into the state toxics control account established under RCW 70.105D.070.

(4) Expenditures from the brownfield redevelopment trust fund account may only be used for the purposes of remediation and cleanup at the specific redevelopment opportunity zone or specific brownfield renewal authority for which the moneys were deposited in the account.

(5) The department shall track moneys received, interest earned, and moneys expended separately for each facility.

(6) The account must retain its interest earnings in accordance with RCW 43.84.092.

(7) The local government designating the redevelopment opportunity zone under section 4 of this act or the associated brownfield renewal authority created under section 5 of this act must be the beneficiary of the deposited moneys.

(8) All expenditures must be used to conduct remediation and cleanup consistent with a plan for the remediation and cleanup of the properties or facilities approved by the department under this chapter. All expenditures must meet the eligibility requirements for the use by local governments under the rules for remedial action grants adopted by the department under this chapter, including requirements for the expenditure of nonstate match funding.

(9) Beginning October 31, 2015, the department must provide a biennial report to the office of financial management and the legislature regarding the activity for each specific redevelopment opportunity zone or specific brownfield renewal authority for which specific legislative appropriation was provided in the previous two fiscal years.

(10) After the department determines that all remedial actions within the redevelopment opportunity zone identified in the plan approved under subsection (8) of this section are completed, including payment of all cost reasonably attributable to the remedial actions and cleanup, any remaining moneys must be transferred to the state toxics control account established under RCW 70.105D.070.

(11) If the department determines that substantial progress has not been made on the plan approved under subsection (8) of this section for a redevelopment opportunity zone or specific brownfield renewal authority for which moneys were deposited in the account within six years, or that the brownfield renewal authority is no longer a viable entity, then all remaining moneys must be transferred to the state toxics control account established under RCW 70.105D.070.

(12) The department is authorized to adopt rules to implement this section.

NEW SECTION. Sec. 4. A new section is added to chapter 70.105D RCW to read as follows:

(1) A city or county may designate a geographic area within its jurisdiction as a redevelopment opportunity zone if the zone meets the criteria in this subsection and the city or county adopts a resolution that includes the following determinations and commitments:

(a) At least fifty percent of the upland properties in the zone are brownfield properties whether or not the properties are contiguous;

(b) The upland portions of the zone are comprised entirely of parcels of property either owned by the city or county or whose owner has provided consent in writing to have their property included within the zone;

(c) The cleanup of brownfield properties will be integrated with planning for the future uses of the properties and is consistent with the comprehensive land use plan for the zone; and

(d) The proposed properties lie within the incorporated area of a city or within an urban growth area designated under RCW 36.70A.110.

(2) A port district may designate a redevelopment opportunity zone when:

(a) The port district adopts a resolution that includes the determinations and commitments required under subsection (1)(a), (c), and (d) of this section and (c) of this subsection;

(b) The zone meets the criteria in subsection (1)(a), (c), and (d) of this section; and

(c) The port district either:

(i) Owns in fee all of the upland properties within the zone; or

(ii) Owns in fee at least fifty percent of the upland property in the zone, the owners of other parcels of upland property in the zone have provided consent in writing to have their property included in the zone, and the governing body of the city and county in which the zone lies approves of the designation by resolution.

NEW SECTION. Sec. 5. A new section is added to chapter 70.105D RCW to read as follows:

(1) A city, county, or port district may establish by resolution a brownfield renewal authority for the purpose of guiding and implementing the cleanup and reuse of properties within a designated redevelopment opportunity zone. Any combination of cities, counties, and port districts may establish a brownfield renewal authority through an interlocal agreement under chapter 39.34 RCW, and the brownfield renewal authority may exercise those powers as are authorized under chapter 39.34 RCW and under this chapter.

(2) A brownfield renewal authority must be governed by a board of directors selected as determined by the resolution or interlocal agreement establishing the authority.

(3) A brownfield renewal authority must be a separate legal entity and be deemed a municipal corporation. It has the power to: Sue and be sued; receive, account for, and disburse funds; employ personnel; and acquire or dispose of any interest in real or personal property within a redevelopment opportunity zone in the furtherance of the authority purposes. A brownfield renewal authority has the power to contract indebtedness and to issue and sell general obligation bonds pursuant to and in the manner provided for general county bonds in chapters 36.67 and 39.46 RCW and other applicable statutes, and to issue revenue bonds pursuant to and in the manner provided for revenue bonds in chapter 36.67 RCW and other applicable statutes.

(4) If the department determines that substantial progress has not been made on the plan approved under section 3 of this act by the brownfield renewal authority within six years of a city, county, or port district establishing a brownfield renewal authority, the department may require dissolution of the brownfield renewal authority. Upon dissolution of the brownfield renewal authority, except as provided in section 3 of this act, all assets and liabilities transfer to the city, town, or port district establishing the brownfield renewal authority.

Sec. 6. RCW 70.105D.030 and 2009 c 560 s 10 are each amended to read as follows:

(1) The department may exercise the following powers in addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially liable persons to investigate any releases or threatened releases of hazardous substances, including but not limited to inspecting, sampling, or testing to determine the nature or extent of any release or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the department’s authorized employees, agents, or contractors may enter
upon any property and conduct investigations. The department shall give reasonable notice before entering property unless an emergency prevents such notice. The department may by subpoena require the attendance or testimony of witnesses and the production of documents or other information that the department deems necessary;

(b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. The department shall give reasonable notice before entering property unless an emergency prevents such notice. In conducting, providing for, or requiring remedial action, the department shall give preference to permanent solutions to the maximum extent practicable and shall provide for or require adequate monitoring to ensure the effectiveness of the remedial action;

(c) Indemnify contractors retained by the department for carrying out investigations and remedial actions, but not for any contractor's reckless or willful misconduct;

(d) Carry out all state programs authorized under the federal cleanup law and the federal resource, conservation, and recovery act, 42 U.S.C. Sec. 6901 et seq., as amended;

(e) Classify substances as hazardous substances for purposes of RCW 70.105D.020 and classify substances and products as hazardous substances for purposes of RCW 82.21.020(1);

(f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection that may be conditioned upon, environmental covenants where necessary to protect human health and the environment from a release or threatened release of a hazardous substance from a facility. Prior to establishing an environmental covenant under this subsection, the department shall consult with and seek comment from a city or county department with land use planning authority for real property subject to the environmental covenant;

(g) Enforce the application of permanent and effective institutional controls that are necessary for a remedial action to be protective of human health and the environment and the notification requirements established in RCW 70.105D.110, and impose penalties for violations of that section consistent with RCW 70.105D.050;

(h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(17)(b)(i)(C);

(i) Provide informal advice and assistance to persons regarding the administrative and technical requirements of this chapter. This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or assistance shall be advisory only, and shall not be binding on the department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. Nothing in this chapter may be construed to preclude the department from issuing a written opinion on whether further remedial action is necessary at any portion of the real property located within a facility, even if further remedial action is still necessary elsewhere at the same facility. Such a written opinion on a portion of a facility must also provide an opinion on the status of the facility as a whole. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance. The department must track the number of requests for reviews of planned or completed independent remedial actions and establish performance measures to track how quickly the department is able to respond to those requests. By November 1, 2015, the department must submit to the governor and the appropriate legislative fiscal and policy committees a report on achieving the performance measures and provide recommendations for improving performance, including staffing needs;

(j) In fulfilling the objectives of this chapter, the department shall allocate staffing and financial assistance in a manner that considers both the reduction of human and environmental risks and the land reuse potential and planning for the facilities to be cleaned up. This does not preclude the department from allocating resources to a facility based solely on human or environmental risks;

(k) Establish model remedies for common categories of facilities, types of hazardous substances, types of media, or geographic areas to streamline and accelerate the selection of remedies for routine types of cleanups at facilities:

(i) When establishing a model remedy, the department shall:

(A) Identify the requirements for characterizing a facility to select a model remedy, the applicability of the model remedy for use at a facility, and monitoring requirements;

(B) Describe how the model remedy meets clean-up standards and the requirements for selecting a remedy established by the department under this chapter; and

(C) Provide public notice and an opportunity to comment on the proposed model remedy and the conditions under which it may be used at a facility;

(ii) When developing model remedies, the department shall solicit and consider proposals from qualified persons. The proposals must, in addition to describing the model remedy, provide the information required under (k)(i)(A) and (B) of this subsection;

(iii) If a facility meets the requirements for use of a model remedy, an analysis of the feasibility of alternative remedies is not required under this chapter. For department-conducted and department-supervised remedial actions, the department must provide public notice and consider public comments on the proposed use of a model remedy at a facility. The department shall waive collection of its costs for providing a written opinion under (i) of this subsection on a cleanup that qualifies for and appropriately uses a model remedy; and

(iv) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

(b) Establish a hazard ranking system for hazardous waste sites;

(c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the
department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;

(d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remediating releases or threatened releases at the site;

(e) Publish and periodically update minimum clean-up standards for remedial actions at least as stringent as the clean-up standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and

(f) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.

3. To achieve and protect the state's long-term ecological health, the department shall ((prioritize sufficient funding)) plan to clean up hazardous waste sites and prevent the creation of future hazards due to improper disposal of toxic wastes((, and create financing tools to clean up large scale hazardous waste sites requiring multiyear commitments)) at a pace that matches the estimated cash resources in the state and local toxics control accounts and the environmental legacy stewardship account created in section 10 of this act. Estimated cash resources must consider the annual cash flow requirements of major projects that receive appropriations expected to cross multiple biennia. To effectively monitor toxic accounts expenditures, the department shall develop a comprehensive ten-year financing report that identifies long-term remedial action project costs, tracks expenses, and projects future needs.

4. By November 1, 2016, the department must submit to the governor and the appropriate legislative committees a report on the status of developing model remedies and their use under this chapter. The report must include: The number and types of model remedies identified by the department under subsection (1)(k) of this section; the number and types of model remedy proposals prepared by qualified private sector engineers, consultants, or contractors that were accepted or rejected under subsection (1)(k) of this section and the reasons for rejection; and the success of model remedies in accelerating the cleanup as measured by the number of jobs created by the cleanup, where this information is available to the department, acres of land restored, and the number and types of hazardous waste sites successfully remediated using model remedies.

5. Before ((December)) September 20th of each even-numbered year, the department shall:

(a) Develop a comprehensive ten-year financing report in coordination with all local governments with clean-up responsibilities that identifies the projected biennial hazardous waste site remedial action needs that are eligible for funding from the state and local toxics control account and the environmental legacy stewardship account;

(b) Work with local governments to develop working capital reserves to be incorporated in the ten-year financing report;

(c) Identify the projected remedial action needs for orphaned, abandoned, and other clean-up sites that are eligible for funding from the state toxics control account;

(d) Project the remedial action need, cost, revenue, and any recommended working capital reserve estimate to the next biennium's long-term remedial action needs from both the local ((toxics control account)) and (the) state toxics control account and the environmental legacy stewardship account, and submit this information to the appropriate standing fiscal and environmental committees of the senate and house of representatives. This submittal must also include a ranked list of such remedial action projects for both accounts((, and (e)))

The submittal must also identify separate budget estimates for large, multi-biennia clean-up projects that exceed ten million dollars. The department shall prepare its ten-year capital budget plan that is submitted to the office of financial management to reflect the separate budget estimates for these large clean-up projects and include information on the anticipated private and public funding obligations for completion of the relevant projects.

6. By December 1st of each odd-numbered year, the department must provide the legislature and the public ((each year with an accounting)) a report of the department's activities supported by appropriations from the state and local toxics control accounts((, including a list of known hazardous waste sites and their hazard rankings, actions taken and planned at each site, how the department is meeting its waste management priorities under RCW 70.105.150, and all funds expended under this chapter)) and the environmental legacy stewardship account. The report must be prepared and displayed in a manner that allows the legislature and the public to easily determine the statewide and local progress made in cleaning up hazardous waste sites under this chapter. The report must include, at a minimum:

(a) The name, location, hazardous waste ranking, and a short description of each site on the hazardous sites list, and the date the site was placed on the hazardous waste sites list; and

(b) For sites where there are state contracts, grants, loans, or direct investments by the state:

(i) The amount of money from the state and local toxics control accounts and the environmental legacy stewardship account used to conduct remedial actions at the site and the amount of that money recovered from potentially liable persons;

(ii) The actual or estimated start and end dates and the actual or estimated expenditures of funds authorized under this chapter for the following project phases:

(A) Emergency or interim actions, if needed;

(B) Remedial investigation;

(C) Feasibility study and selection of a remedy;

(D) Engineering design and construction of the selected remedy;

(E) Operation and maintenance or monitoring of the constructed remedy; and

(F) The final completion date.

((6))) (7) The department shall establish a program to identify potential hazardous waste sites and to encourage persons to provide information about hazardous waste sites.

((6))) (8) For all facilities where an environmental covenant has been required under subsection (1)(f) of this section, including all facilities where the department has required an environmental covenant under an order, agreed order, or consent decree, or as a condition of a written opinion issued under the authority of subsection (1)(i) of this section, the department shall periodically review the environmental covenant for effectiveness. Except as otherwise provided in (c) of this subsection, the department shall conduct a review at least once every five years after an environmental covenant is recorded.

(a) The review shall consist of, at a minimum:
(i) A review of the title of the real property subject to the environmental covenant to determine whether the environmental covenant was properly recorded and, if applicable, amended or terminated;

(ii) A physical inspection of the real property subject to the environmental covenant to determine compliance with the environmental covenant, including whether any development or redevelopment of the real property has violated the terms of the environmental covenant; and

(iii) A review of the effectiveness of the environmental covenant in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances. This shall include a review of available monitoring data.

(b) If an environmental covenant has been amended or terminated without proper authority, or if the terms of an environmental covenant have been violated, or if the environmental covenant is no longer effective in limiting or prohibiting activities that may interfere with the integrity of the remedial action or that may result in exposure to or migration of hazardous substances, then the department shall take any and all appropriate actions necessary to ensure compliance with the environmental covenant and the policies and requirements of this chapter.

(c) For facilities where an environmental covenant required by the department under subsection (1)(f) of this section was required before July 1, 2007, the department shall:

(i) Enter all required information about the environmental covenant into the registry established under RCW 64.70.120 by June 30, 2008;

(ii) For those facilities where more than five years has elapsed since the environmental covenant was required and the department has yet to conduct a review, conduct an initial review according to the following schedule:

(A) By December 30, 2008, fifty facilities;

(B) By June 30, 2009, fifty additional facilities; and

(C) By June 30, 2010, the remainder of the facilities;

(iii) Once this initial review has been completed, conduct subsequent reviews at least once every five years.

Sec. 7. RCW 70.105D.040 and 1997 c 406 s 4 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, the following persons are liable with respect to a facility:

(a) The owner or operator of the facility;

(b) Any person who owned or operated the facility at the time of disposal or release of the hazardous substances;

(c) Any person who owned or possessed a hazardous substance and who by contract, agreement, or otherwise arranged for disposal or treatment of the hazardous substance at the facility, or arranged with a transporter for transport for disposal or treatment of the hazardous substances at the facility, or otherwise generated hazardous wastes disposed of or treated at the facility;

(d) Any person (i) who accepts or accepted any hazardous substance at the facility;

(e) Any person (i) who accepts or accepted any hazardous substance for transport to a disposal, treatment, or other facility selected by such person from which there is a release or a threatened release of a hazardous substance at the facility, or arranged with a transporter for transport for disposal or treatment of the hazardous substances at the facility, or otherwise generated hazardous wastes disposed of or treated at the facility;

(f) Any person who both sells a hazardous substance and who by contract, agreement, or otherwise arranged for disposal or release of the hazardous substances;

(g) Any person who, either alone or together with others, has a responsible person jointly and severally, for all remedial action costs and for all natural resource damages resulting from the releases or threatened releases of hazardous substances. The attorney general, at the request of the department, is empowered to recover all costs and damages from persons liable therefor.

(3) The following persons are not liable under this section:

(a) Any person who can establish that the release or threatened release of a hazardous substance for which the person would be otherwise responsible was caused solely by:

(i) An act of God;

(ii) An act of war; or

(iii) An act or omission of a third party (including but not limited to a trespasser) other than (A) an employee or agent of the person asserting the defense, or (B) any person whose act or omission occurs in connection with a contractual relationship existing, directly or indirectly, with the person asserting this defense to liability. This defense only applies where the person asserting the defense has exercised the utmost care with respect to the hazardous substance, the foreseeable acts or omissions of the third party, and the foreseeable consequences of those acts or omissions;

(b) Any person who is an owner, past owner, or purchaser of a facility and who can establish by a preponderance of the evidence that at the time the facility was acquired by the person, the person had no knowledge or reason to know that any hazardous substance, the release or threatened release of which has resulted in or contributed to the need for the remedial action, was released or disposed of on, in, or at the facility. This subsection (3)(b) is limited as follows:

(i) To establish that a person had no reason to know, the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property, consistent with good commercial or customary practice in an effort to minimize liability. Any court interpreting this subsection (3)(b) shall take into account any specialized knowledge or experience on the part of the person, the relationship of the purchase price to the value of the property if uncontaminated, commonly known or reasonably ascertainable information about the property, the obviousness of the presence or likely presence of contamination at the property, and the ability to detect such contamination by appropriate inspection;

(ii) The defense contained in this subsection (3)(b) is not available to any person who had actual knowledge of the release or threatened release of a hazardous substance when the person owned the real property and who subsequently transferred ownership of the property without first disclosing such knowledge to the transferee;

(iii) The defense contained in this subsection (3)(b) is not available to any person who, by any act or omission, caused or contributed to the release or threatened release of a hazardous substance at the facility;

(c) Any natural person who uses a hazardous substance lawfully and without negligence for any personal or domestic purpose in or near a dwelling or accessory structure when that person is: (i) A resident of the dwelling; (ii) a person who, without compensation, assists the resident in the use of the substance; or (iii) a person who is employed by the resident, but who is not an independent contractor;

(d) Any person who, for the purpose of growing food crops, applies pesticides or fertilizers without negligence and in accordance with all applicable laws and regulations.

(4) There may be no settlement by the state with any person potentially liable under this chapter except in accordance with this section.

(a) The attorney general may agree to a settlement with any person potentially liable under this chapter only if the department finds, after public notice and any required hearing, that the proposed settlement would lead to a more expeditious cleanup of hazardous substances in
compliance with clean-up standards under RCW 70.105D.030(2)(e) and with any remedial orders issued by the department. Whenever practicable and in the public interest, the attorney general may expedite such a settlement with persons whose contribution is insignificant in amount and toxicity. A hearing shall be required only if at least ten persons request one or if the department determines a hearing is necessary.

(b) A settlement agreement under this section shall be entered as a consent decree issued by a court of competent jurisdiction.

(c) A settlement agreement may contain a covenant not to sue only of a scope commensurate with the settlement agreement in favor of any person with whom the attorney general has settled under this section. Any covenant not to sue shall contain a reopener clause which requires the court to amend the covenant not to sue if factors not known at the time of entry of the settlement agreement are discovered and present a previously unknown threat to human health or the environment.

(d) A party who has resolved its liability to the state under this section shall not be liable for claims for contribution regarding matters addressed in the settlement. The settlement does not discharge any of the other liable parties but it reduces the total potential liability of the others to the state by the amount of the settlement.

(e) If the state has entered into a consent decree with an owner or operator under this section, the state shall not enforce this chapter against any owner or operator who is a successor in interest to the settling party unless under the terms of the consent decree the state could enforce against the settling party, if:

(i) The successor owner or operator is liable with respect to the facility solely due to that person’s ownership interest or operator status acquired as a successor in interest to the owner or operator with whom the state has entered into a consent decree; and

(ii) The stay of enforcement under this subsection does not apply if the consent decree was based on circumstances unique to the settling party that do not exist with regard to the successor in interest, such as financial hardship. For consent decrees entered into before July 27, 1997, at the request of a settling party or a potential successor owner or operator, the attorney general shall issue a written opinion on whether a consent decree contains such unique circumstances. For all other consent decrees, such unique circumstances shall be specified in the consent decree.

(f) Any person who is not subject to enforcement by the state under (e) of this subsection is not liable for claims for contribution regarding matters addressed in the settlement.

(5)(a) In addition to the settlement authority provided under subsection (4) of this section, the attorney general may agree to a settlement with a ((person not currently liable for remedial action at a facility who proposes to purchase, redevelop, or reuse the facility)) prospective purchaser, provided that:

(i) The settlement will yield substantial new resources to facilitate cleanup;

(ii) The settlement will expedite remedial action at the facility consistent with the rules adopted under this chapter; and

(iii) Based on available information, the department determines that the redevelopment or reuse of the facility is not likely to contribute to the existing release or threatened release, interfere with remedial actions that may be needed at the facility, or increase health risks to persons at or in the vicinity of the facility.

(b) The legislature recognizes that the state does not have adequate resources to participate in all property transactions involving contaminated property. The primary purpose of this subsection (5) is to promote the cleanup and reuse of ((vacant or abandoned commercial or industrial facility)) brownfield property. The attorney general and the department may give priority to settlements that will provide a substantial public benefit((i) including, but not limited to the reuse of a vacant or abandoned manufacturing or industrial facility, or the development of a facility by a governmental entity to address an important public purpose)) in addition to cleanup.

(c) A settlement entered under this subsection is governed by subsection (4) of this section.

(6) As an alternative to a settlement under subsection (5) of this section, the department may enter into an agreement with a prospective purchaser of a property within a designated redevelopment opportunity zone. The agreement is subject to the limitations in RCW 70.105D.020(1), but stays enforcement by the department under this chapter regarding remedial actions required by the agreed order as long as the prospective purchaser complies with the requirements of the agreed order.

(7) Nothing in this chapter affects or modifies in any way any person’s right to seek or obtain relief under other statutes or under common law, including but not limited to damages for injury or loss resulting from a release or threatened release of a hazardous substance. No settlement by the department or remedial action ordered by a court or the department affects any person’s right to obtain a remedy under common law or other statutes.

Sec. 8. RCW 70.105D.050 and 2005 c 211 s 2 are each amended to read as follows:

(1) With respect to any release, or threatened release, for which the department does not conduct or contract for conducting remedial action and for which the department believes remedial action is in the public interest, the director shall issue orders or agreed orders requiring potentially liable persons to provide the remedial action. Any liable person, or prospective purchaser who has entered into an agreed order under RCW 70.105D.040(6), who refuses, without sufficient cause, to comply with an order or agreed order of the director is liable in an action brought by the attorney general for:

(a) Up to three times the amount of any costs incurred by the state as a result of the party’s refusal to comply; and

(b) A civil penalty of up to twenty-five thousand dollars for each day the party refuses to comply.

The treble damages and civil penalty under this subsection apply to all recovery actions filed on or after March 1, 1989.

(2) Any person who incurs costs complying with an order issued under subsection (1) of this section may petition the department for reimbursement of those costs. If the department refuses to grant reimbursement, the person may within thirty days thereafter file suit and recover costs by proving that he or she was not a liable person under RCW 70.105D.040 and that the costs incurred were reasonable.

(3) The attorney general shall seek, by filing an action if necessary, to recover the amounts spent by the department for investigative and remedial actions and orders, and agreed orders, including amounts spent prior to March 1, 1989.

(4) The attorney general may bring an action to secure such relief as is necessary to protect human health and the environment under this chapter.

(5)(a) Any person may commence a civil action to compel the department to perform any nondiscretionary duty under this chapter. At least thirty days before commencing the action, the person must give notice of intent to sue, unless a substantial endangerment exists. The court may award attorneys’ fees and other costs to the prevailing party in the action.

(b) Civil actions under this section and RCW 70.105D.060 may be brought in the superior court of Thurston county or of the county in which the release or threatened release exists.

(6) Any person who fails to provide notification of releases consistent with RCW 70.105D.110 or who submits false information is liable in an action brought by the attorney general for a civil penalty of up to five thousand dollars per day for each day the party refuses to comply.
(7) Any person who owns real property or lender holding a mortgage on real property that is subject to a lien filed under RCW 70.105D.055 may petition the department to have the lien removed or the amount of the lien reduced. If, after consideration of the petition and the information supporting the petition, the department decides to deny the request, the person may, within ninety days after receipt of the department’s denial, file suit for removal or reduction of the lien. The person is entitled to removal of a lien filed under RCW 70.105D.055(2)(a) if they can prove by a preponderance of the evidence that the person is not a liable party under RCW 70.105D.040. The person is entitled to a reduction of the amount of the lien if they can prove by a preponderance of the evidence:

(a) For liens filed under RCW 70.105D.055(2)(a), the amount of the lien exceeds the remedial action costs the department incurred related to cleanup of the real property; and

(b) For liens filed under RCW 70.105D.055(2)(c), the amount of the lien exceeds the remedial action costs the department incurred related to cleanup of the real property or exceeds the increase of the fair market value of the real property solely attributable to the remedial action conducted by the department.

Sec. 9. RCW 70.105D.070 and 2012 2nd sps. c 7 s 920 and 2012 2nd sps. c 2 s 6005 are each reenacted and amended to read as follows:

(c) To expedite cleanups throughout the state, the department shall partner with local communities and liable parties for cleanups. The department is authorized to use the following additional strategies in order to ensure a healthier environment for future generations:

(i) The director may alter grant matching requirements to create incentives for local governments to expedite cleanups when one of the following conditions exist:

(A) Funding would prevent or mitigate unfair economic hardship imposed by the clean-up liability;

(B) Funding would create new substantial economic development, public recreational, or habitat restoration opportunities that would not otherwise occur; or

(C) Funding would create an opportunity for acquisition and redevelopment of vacant, orphaned, or abandoned property under

NINETY NINTH DAY, APRIL 22, 2013

2013 REGULAR SESSION
RCW 70.105D.040(5) that would not otherwise occur;

(ii) The use of outside contracts to conduct necessary studies;

(1) Except for unanticipated receipts under RCW 43.70.260 through 43.70.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute.

(5) Except during the 2011-2013 fiscal biennium, one percent of the moneys deposited into the state and local toxics control accounts shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remediating of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation from either account which are not expended at the close of any biennium shall revert to the state toxics control account.

(6) No moneys deposited into either the state or local toxics control account may be used for solid waste incinerator feasibility studies, construction, maintenance, or operation; or, after January 1, 2010, for projects designed to address the restoration of Puget Sound, funded in a competitive grant process, that are in conflict with the action agenda developed by the Puget Sound partnership under RCW 90.71.310.

(7) The department shall adopt rules for grant or loan issuance and performance.

(8) During the 2011-2013 fiscal biennium, the legislature may transfer from the local toxics control account to the state toxics control account such amounts as reflect excess fund balance in the account.

(a) Moneys collected under RCW 82.21.030 must be deposited as follows: Fifty-six percent to the state toxics control account under subsection (2) of this section and forty-four percent to the local toxics control account under subsection (3) of this section.

When the cumulative amount of deposits made to the state and local toxics control accounts under this subsection reaches the limit during a fiscal year as established in (b) of this subsection, the remainder of the moneys collected under RCW 82.21.030 during that fiscal year must be deposited into the environmental legacy stewardship account created in section 10 of this act.

(b) The limit on distributions of moneys collected under RCW 82.21.030 to the state and local toxics control accounts for the fiscal year beginning July 1, 2013, is one hundred fifteen million dollars. This limit for each succeeding fiscal year must be increased by a percentage rate that equals the fiscal growth factor as defined in RCW 43.135.025.

(c) In addition to the funds required under (a) of this subsection, the following moneys must be deposited into the state toxics control account: (i) The costs of remedial actions recovered under this chapter or chapter 70.105A RCW; (ii) penalties collected or recovered under this chapter; and (iii) any other money appropriated or transferred to the account by the legislature.

(xii) Storm water pollution control projects and activities that protect or preserve existing remedial actions or prevent hazardous clean-up sites;

(xiii) Funding requirements to maintain receipt of federal funds under the federal solid waste disposal act (42 U.S.C. Sec. 6901 et seq.);

(xiv) Air quality programs and actions for reducing public exposure to toxic air pollution;

(xv) Public funding to assist prospective purchasers to pay for the costs of remedial action in compliance with clean-up standards under RCW 70.105D.030(2)(e) if:

(A) The facility is located within a redevelopment opportunity zone designated under section 4 of this act;

(B) The amount and terms of the funding are established under a settlement agreement under RCW 70.105D.040(5); and

(C) The director has found the funding meets any additional criteria established in rule by the department, will achieve a substantially more expeditious or enhanced cleanup than would otherwise occur, and will provide a public benefit in addition to cleanup commensurate with the scope of the public funding; and

(xvi) Public funding to assist potentially liable persons to pay for the costs of remedial action in compliance with clean-up standards under RCW 70.105D.030(2)(e) but only when the amount and terms of such funding are established under a settlement agreement under RCW 70.105D.040(4) and when the director has found that the funding will achieve both: (A) A substantially more expeditious or enhanced cleanup than would otherwise occur; and (B) the prevention or mitigation of unfair economic hardship.

(b) Priority for use of the funds is given to:

(i) Cleanup of high priority sites on the department's hazardous sites list that have a draft or preliminary remedial investigation or feasibility study on file with the department, a completed remedial investigation or feasibility study, or a finalized clean-up action plan, and are prepared to begin the clean-up action;

(ii) Cleanup of brownfield properties to make land available for economic and job development opportunities that would not otherwise occur; and

(iii) Cleanup of hazardous waste sites where public funding to assist potentially liable persons is authorized under (a)(xvi) of this act.
The department shall use moneys deposited in the local toxics control account for grants to local governments for the following purposes:

(i) Remedial actions, including planning for adaptive reuse of properties as provided for under (c)(iv) of this subsection;

(ii) Extended grant agreements entered into under (c)(i) of this subsection;

(iii) Storm water pollution source projects that: (A) Work in conjunction with a remedial action; (B) protect completed remedial actions against recontamination; or (C) Prevent hazardous clean-up sites;

(iv) Hazardous waste plans and programs under chapter 70.105 RCW;

(v) Solid waste plans and programs under chapters 70.95, 70.95C, 70.95L, and 70.105 RCW; and

(vi) Public funding to assist potentially liable persons to pay for the costs of remedial action in compliance with clean-up standards under RCW 70.105D.030(2)(e) but only when the amount and terms of such funding are established under a settlement agreement under RCW 70.105D.040(4) and when the director has found that the funding will achieve both: (A) A substantially more expeditious or enhanced clean-up than would otherwise occur; and (B) The prevention or mitigation of unfair economic hardship.

(b) To expedite clean-up projects throughout the state, funding is prioritized for:

(i) High priority sites identified on the department's hazardous site list, that have a draft or preliminary remedial investigation or feasibility study on file with the department, a completed remedial investigation or feasibility study, or a finalized clean-up action plan, and are prepared to begin the clean-up action;

(ii) Brownfield properties that are available for economic and job development opportunities that would not otherwise occur; and

(iii) Public funding to assist potentially liable persons meeting the requirements under (a)(vi) of this subsection when the potentially liable persons have a draft or preliminary remedial investigation or feasibility study on file with the department, a completed remedial investigation or feasibility study, or a finalized clean-up action plan.

(c) To expedite cleanups throughout the state, the department may use the following strategies when providing grants to local governments under this subsection:

(i) Enter into an extended grant agreement with a local government conducting remedial actions at a facility where those actions extend over multiple biennia and the total eligible cost of those actions exceeds twenty million dollars. The agreement is subject to the following limitations:

(A) The initial duration of such an agreement may not exceed ten years. The department may extend the duration of such an agreement upon finding substantial progress has been made on remedial actions at the facility; and

(B) Extended grant agreements may not exceed fifty percent of the total eligible remedial action costs at the facility; and

(C) The department may not allocate future funding to an extended grant agreement unless the local government has demonstrated to the department that funds awarded under the agreement during the previous biennium have been substantially expended or contracts have been entered into to substantially expend the funds;

(ii) Enter into a grant agreement with a local government conducting a remedial action that provides for periodic reimbursement of remedial action costs as they are incurred as established in the agreement;

(iii) Enter into a grant agreement with a local government prior to it acquiring a property or obtaining necessary access to conduct remedial actions, provided the agreement is conditioned upon the local government acquiring the property or obtaining the access in accordance with a schedule specified in the agreement;

(iv) Provide integrated planning grants to local governments to fund studies necessary to facilitate remedial actions at brownfield properties and adaptive reuse of properties following remediation. Eligible activities include, but are not limited to: Environmental site assessments; remedial investigations; health assessments; feasibility studies; site planning; community involvement; land use and regulatory analyses; building and infrastructure assessments; economic and fiscal analyses; and any environmental analyses under chapter 43.21C RCW;

(v) Provide grants to local governments for remedial actions related to areawide groundwater contamination. To receive the funding, the local government does not need to be a potentially liable person or be required to seek reimbursement of grant funds from a potentially liable person;

(vi) The director may alter grant matching requirements to create incentives for local governments to expedite cleanups when one of the following conditions exists:

(A) Funding would prevent or mitigate unfair economic hardship imposed by the clean-up liability;

(B) Funding would create new substantial economic development, public recreational opportunities, or habitat restoration opportunities that would not otherwise occur; or

(C) Funding would create an opportunity for acquisition and redevelopment of brownfield property under RCW 70.105D.040(5) that would not otherwise occur;

(vii) When pending grant applications under (c)(iv) and (v) of this subsection (3) exceed the amount of funds available, designated redevelopment opportunity zones must receive priority for distribution of available funds;

(d) To expedite multiparty clean-up efforts, the department may purchase remedial action cost-cap insurance.

(F) Funds for plans and programs must be allocated consistent with matching requirements established in chapters 70.95, 70.95C, 70.95L, and 70.105 RCW.

(5) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute.

(6) No moneys deposited into either the state or local toxics control account may be used for: Natural disasters where there is no hazardous substance contamination; high performance buildings; solid waste incinerator and organic composting facility feasibility studies, construction, maintenance, or operation; or after January 1, 2010, for projects designed to address the restoration of Puget Sound, funded in a competitive grant process, that are in conflict with the action agenda developed by the Puget Sound Partnership under RCW 90.71.310. However, this subsection does not prevent an appropriation from the state toxics control account to the department of revenue to enforce compliance with the hazardous substance tax imposed in chapter 82.21 RCW.

(7) Except during the 2011-2013 fiscal biennium, one percent of the moneys deposited into the state and local toxics control accounts shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste...
management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation from either account that are not expended at the close of any biennium revert to the state toxics control account.

(8) The department shall adopt rules for grant issuance and performance. To accelerate both remedial action and economic recovery, the department may expedite the adoption of rules necessary to implement this act using the expedited procedures in RCW 34.05.353. The department shall initiate the award of financial assistance by August 1, 2013. To ensure the adoption of rules will not delay financial assistance, the department may administer the award of financial assistance through interpretive guidance pending the adoption of rules through July 1, 2014.

Beginning July 1, 2013, and every fiscal year thereafter, the annual amount received from the tax imposed by RCW 82.21.030 that exceeds one hundred fifteen million dollars, plus the fiscal growth factor under chapter 43.135 RCW, must be deposited into the environmental legacy stewardship account. The state treasurer may make periodic deposits into the environmental legacy stewardship account based on forecasted revenue. Moneys in the account may only be spent after appropriation.

(2) Moneys in the environmental legacy stewardship account may be spent on:

(a) Performance and outcome based projects, activities, programs, and services that support the clean-up, monitoring, and prevention of releases of hazardous substances, water protection and monitoring, water pollution prevention, monitoring and cleanup, and environmental health protection and monitoring;

(b) Clean-up projects using model remedies, technologies, procedures, contracts, and project management and oversight that result in significant reductions in the time to complete clean-up projects compared to baseline averages for comparable clean-up projects;

(c) Storm water projects;

(d) Remedial action grants;

(e) Cleanup and disposal of hazardous substances from abandoned or derelict vessels, defined for the purposes of this section as vessels that have little or no value and either have no identified owner or have an identified owner lacking financial resources to clean up and dispose of the vessel, that pose a threat to human health or the environment;

(f) Appropriations to the state and local toxics control accounts created in RCW 70.105D.070 if the legislature determines that priorities for spending exceed available funds in those accounts.

NEW SECTION. Sec. 11. (1) For the biennium ending June 30, 2015, the state treasurer must transfer forty-five million dollars from the state toxics control account to the environmental legacy stewardship account created in section 10 of this act.

(2) For the biennium ending June 30, 2015, the state treasurer must transfer forty-five million dollars from the local toxics control account created in section 12 of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 70.105 RCW to read as follows:

Expenditures from the account may only be used for carrying out the department's powers and duties under this chapter related to the regulation of facilities that treat, store, or dispose of mixed waste or mixed waste facilities that are undergoing closure.

NEW SECTION. Sec. 13. By October 1, 2013, the state treasurer must transfer the fund balance of the mixed waste fees within the state toxics control account to the radioactive mixed waste account created in section 12 of this act. The department of ecology shall report the fund balance amount to the state treasurer for transfer into the radioactive mixed waste account.

(1) The department may assess reasonable service charges against those facilities that store, treat, incinerate, or dispose of dangerous or extremely hazardous waste that contains both a nonradioactive hazardous component and a radioactive component or which are undergoing closure under this chapter in those instances where closure entails the physical characterization of remaining wastes which contain both a nonradioactive hazardous component and a radioactive component or the management of such wastes through treatment or removal, except any commercial low-level radioactive waste facility. Service charges may not exceed the costs to the department in carrying out the duties of this section.

(2) Program elements or activities for which service charges may be assessed include:

(a) Office, staff, and staff support for the purposes of facility or unit permit development, review, and issuance; and

(b) Actions taken to determine and ensure compliance with the state's hazardous waste management act.

(3) Moneys collected through the imposition of such service charges shall be deposited in the radioactive mixed waste account created in section 12 of this act.

(4) The department shall adopt rules necessary to implement this section. Facilities that store, treat, incinerate, or dispose of dangerous or extremely hazardous waste that contains both a nonradioactive hazardous component and a radioactive component shall not be subject to service charges prior to such rule making. Facilities undergoing closure under this chapter in those instances where closure entails the physical characterization of remaining wastes which contain both a nonradioactive hazardous component and a radioactive component or the management of such wastes through treatment or removal shall not be subject to service charges prior to such rule making.

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5213 with the following amendment(s): 5213-S2 AMNH ENGR H2368.E

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 74.09 RCW to read as follows:

The legislature finds that chronic care management, including comprehensive medication management services, provided by licensed pharmacists and qualified providers is a critical component of a collaborative, multidisciplinary, inter-professional approach to the treatment of chronic diseases for targeted individuals, to improve the quality of care and reduce overall cost in the treatment of such diseases.

Sec. 2. RCW 74.09.522 and 2011 1st sp.s. c 9 s 2, and 2011 1st sp.s. c 9 s 2, and 2011 c 316 s 4 are each reenacted and amended to read as follows:

(1) For the purposes of this section:
(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides or arranges for the provision of health care services to enrollees of programs authorized under this chapter and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m) of Title XIX of the federal social security act, participating in either or both the federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;
(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system;
(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:
(a) Agreements shall be made for at least thirty thousand recipients statewide;
(b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;
(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;
(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating
managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(e)(i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, to be included in contracts issued or renewed on or after January 1, 2015, including:

(A) Standards regarding the quality of services to be provided;
(B) The financial integrity of the responding system;
(C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive medication management services for patients with multiple chronic conditions in alignment with medication management services as described in section 3503(c) and (d) of P.L. 111-148 of 2010, as amended;
(D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use; ((and))
(E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management;
(F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals established in section 1 of this act and in alignment with section 3503(c) and (d) of P.L. 111-148 of 2010, as amended;
(G) Evaluation and reporting on the impact of comprehensive medication management services on patient clinical outcomes and total health care costs, including reductions in emergency department utilization, hospitalization, and drug costs.

(ii)(A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(B) Contracts that include the items in (e)(i)(C) through ((e)(iii)) (G) of this subsection must not exceed the rates that would be paid in the absence of these provisions;

(f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;

(h) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;

(i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and

(j) The authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with the federal center for medicare and medicaid innovation and seek opportunities on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that enable the authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;
(ii) Quality of services provided to enrollees;
(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;
(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(g) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(8) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after August 24, 2011, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (7) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the
service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(9) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the ((department)) authority, including hospital-based physician services. The ((department)) authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the ((department)) authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(10) Subsections (7) through (9) of this section expire July 1, 2016.”

Correct the title.

and the same are herewith transmitted.

BARBARA BAKER, Chief Clerk

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5491 with the following amendment(s): 5491-S.E AMH ED H2145.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature acknowledges that multiple entities, including the state board of education, the office of the superintendent of public instruction, the workforce training and education coordinating board, the quality education council, and the student achievement council, are actively working on efforts to identify measurable goals and priorities, road maps, and strategic plans for the entire educational system. It is not the legislature’s intent to undermine or curtail the ongoing work of these groups. However, the legislature believes that a coordinated single set of statewide goals would help focus these efforts.

(2) It is, therefore, the intent of the legislature to establish a discrete set of statewide data points that will serve as snapshots of the overall health of the educational system and as a means for evaluating progress in achieving the outcomes set for the system and the students it serves. By monitoring these statewide indicators over time, it is the intent of the legislature to understand whether reform efforts and investments are making positive progress in the overall education of students and whether adjustments are necessary. Finally, it is the intent of the legislature to align the education reform efforts of each state education agency in order to hold each part of the system – statewide leaders, school personnel, and students – accountable to the same definitions of success.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.150 RCW to read as follows:

(1) The following statewide indicators of educational system health are established:

(a) The percentage of students demonstrating the characteristics of entering kindergartners in all six areas identified by the Washington kindergarten inventory of developing skills administered in accordance with RCW 28A.655.080;

(b) The percentage of students meeting the standard on the fourth grade statewide reading assessment administered in accordance with RCW 28A.655.070;

(c) The percentage of students meeting the standard on the eighth grade statewide mathematics assessment administered in accordance with RCW 28A.655.070;

(d) The four-year cohort high school graduation rate;

(e) The percentage of high school graduates who during the second quarter after graduation are either enrolled in postsecondary education or training or are employed, and the percentage during the fourth quarter after graduation who are either enrolled in postsecondary education or training or are employed; and

(f) The percentage of students enrolled in precollege or remedial courses in college.

(2) The statewide indicators established in subsection (1) of this section shall be disaggregated as provided under RCW 28A.300.042.

(3) The state board of education, with assistance from the office of the superintendent of public instruction, the workforce training and education coordinating board, the educational opportunity gap oversight and accountability committee, and the student achievement council, shall establish a process for identifying realistic but challenging system-wide performance goals and measurements, if necessary, for each of the indicators established in subsection (1) of this section, including for subcategories of students as provided under subsection (2) of this section. The performance goal for each indicator must be set on a biennial basis, and may only be adjusted upward.

(4) The state board of education, the office of the superintendent of public instruction, and the student achievement council shall each align their strategic planning and education reform efforts with the statewide indicators and performance goals established under this section.

(5)(a) The state board of education, with assistance from the office of the superintendent of public instruction, the workforce training and education coordinating board, the educational opportunity gap oversight and accountability committee, and the student achievement council, shall submit a report on the status of each indicator in subsection (1) of this section and recommend revised performance goals and measurements, if necessary, by December 1st of each even-numbered year, except that the initial report establishing baseline values and initial goals shall be delivered to the education committees of the legislature by December 1, 2013.

(b) If the educational system is not on target to meet the performance goals on any individual indicator, the report must recommend evidence-based reforms intended to improve student achievement in that area.

(c) To the extent data is available, the performance goals for each indicator must be compared with national data in order to identify whether Washington student achievement results are within the top ten percent nationally or are comparable to results in peer states with similar characteristics as Washington. If comparison data show that Washington students are falling behind national peers on any indicator, the report must recommend evidence-based reforms targeted at addressing the indicator in question."

MESSAGE FROM THE HOUSE

April 9, 2013

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5761 with the following amendment(s): 5761-S AMH TR H2285.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 47.42.120 and 2010 c 138 s 2 are each amended to read as follows:

Notwithstanding any other provisions of this chapter, no sign except a sign of type 1 or 2 or those type 3 signs that advertise activities conducted upon the properties where the signs are located, may be erected or maintained without a permit issued by the department. Application for a permit shall be made to the department on forms furnished by it. The forms shall contain a statement that the owner or lessee of the land in question has consented thereto. For type 8 signs (temporary agricultural directional signs), when the land in question is owned by the department, the consent statement must be reviewed and, if the sign does not create a safety concern, be approved within ten days of application by the department. The application shall be accompanied by a fee established by department rule to be deposited with the state treasurer to the credit of the motor vehicle fund. Permits shall be for the remainder of the calendar year in which they are issued, and accompanying fees shall not be prorated for fractions of the year. Permits must be renewed annually through a certification process established by department rule. Advertising copy may be changed at any time without the payment of an additional fee. Assignment of permits in good standing is effective only upon receipt of written notice of assignment by the department. A permit may be revoked after hearing if the department finds that any statement made in the application or annual certification process was false or misleading, or that the sign covered is not in good general condition and in a reasonable state of repair, or is otherwise in violation of this chapter, if the false or misleading information has not been corrected and the sign has not been brought into compliance with this chapter or rules adopted under it within thirty days after written notification. Beginning July 1, 2014, the department shall establish and charge by rule an annual fee for type 4 and 5 sign permits. The fee must reasonably recover costs for outdoor advertising control program administration and enforcement and may not exceed one hundred fifty dollars. The department shall establish by rule exemptions from payment of the annual fee for type 4 and 5 signs that do not generate rental income.

Sec. 2. RCW 47.42.080 and 2010 c 8 s 10016 are each amended to read as follows:

(1) Any sign erected or maintained contrary to the provisions of this chapter or rules adopted hereunder that is designed to be viewed from the interstate system, the primary system, or the scenic system is a public nuisance, and the department, the chief of the Washington state patrol, the county sheriff, or the chief of police of any city or town shall notify the permittee or, if there is no permittee, the owner of the property on which the sign is located, by certified mail at his or her last known address, that it constitutes a public nuisance and must comply with the chapter or be removed.

(2) If the permittee or owner, as the case may be, fails to comply with the chapter or remove any such sign within fifteen days after being notified to remove the sign he or she is guilty of a misdemeanor. In addition to the penalties imposed by law upon conviction, an order may be entered compelling removal of the sign. Each day the sign is maintained constitutes a separate offense.

(3) If the permittee or owner, as the case may be, fails to comply with this chapter or rules adopted under this chapter or fails to remove any sign erected or maintained contrary to the provisions of this chapter or rules adopted under this chapter within fifteen days after being notified to remove the sign, the department shall assess a fine of one hundred dollars per calendar day until the sign is brought into compliance or is removed. The one hundred dollar per calendar day fine is not contingent on a misdemeanor conviction. Fines collected under this subsection must be deposited with the state treasurer to the credit of the motor vehicle fund."
(4) If the permittee or the owner of the property upon which it is located, as the case may be, is not found or refuses receipt of the notice, the department, the chief of the Washington state patrol, the county sheriff, or the chief of police of any city or town shall post the sign and property upon which it is located with a notice that the sign constitutes a public nuisance and must be removed. If the sign is not removed within fifteen days after such posting, the department, the chief of the Washington state patrol, the county sheriff, or the chief of police of any city or town shall abate the nuisance and destroy the sign, and for that purpose may enter upon private property without incurring liability for doing so.

(5) Nothing in this section may be construed to affect the provisions contained in RCW 47.42.102 requiring the payment of compensation upon the removal of any signs compensable under state law.

((6))) (6) Any sign erected or maintained on state highway right-of-way contrary to this chapter or rules adopted under it is a public nuisance, and the department is authorized to remove any such sign without notice.

Sec. 3. RCW 47.42.130 and 1999 c 276 s 2 are each amended to read as follows:

Every permit issued by the department shall be assigned a separate identification number, and each permittee shall fasten to each sign a weatherproof label, not larger than (sixteen) twenty-eight square inches, that shall be furnished by the department and on which shall be plainly visible the permit number. The permittee shall also place his or her name in a conspicuous position on the front or back of each sign. The failure of a sign to have such a label affixed to it is prima facie evidence that it is not in compliance with the provisions of this chapter.

NEW SECTION. Sec. 4. RCW 47.42.048 (State and local prohibitions) and 1974 ex.s c 80 s 3 are each repealed.

(b) Providing for issuance of individual horse and cattle identification certificates or other means of horse and cattle identification;

(c) Designating the documents that constitute other satisfactory proof of ownership for cattle and horses. A bill of sale may not be designated as documenting satisfactory proof of ownership for cattle; and

(2) A self-inspection certificate may be accepted as satisfactory proof of ownership for cattle if the director determines that the self-inspection certificate, together with other available documentation, sufficiently establishes ownership. Self-inspection certificates completed after June 10, 2010, are not satisfactory proof of ownership for cattle.

(3)(a) Upon request by a milk producer licensed under chapter 15.36 RCW, the department must issue an official individual identification tag to be placed by the producer before the first point of sale on bull calves and free-martins (infertile female calves) under thirty days of age. The fee for each tag is the cost to the department for manufacture, purchase, and distribution of the tag plus the applicable beef commission assessment. As used in this subsection (3), "green tag" means the official individual identification issued by the department.

(b) Transactions involving unbranded dairy breed bull calves or free-martins (infertile female calves) not being moved or transported out of Washington are exempt from inspection requirements under this chapter only if:

(ii) The seller holds a valid milk producer's license under chapter 15.36 RCW;

(iii) The sale does not take place at or through a public livestock market or special sale authorized by chapter 16.65 RCW;

(iv) Each animal is officially identified as provided in (a) of this subsection; and

(v) A certificate of permit and a bill of sale listing each animal's
green tag accompanies the animal to the buyer's location. These documents do not constitute proof of ownership under this chapter.

(c) All fees received under (a) of this subsection, except for the beef commission assessment, must be deposited in the animal disease traceability account in the agricultural local fund created in RCW 43.23.230.

Sec. 2. RCW 16.57.370 and 2003 c 326 s 43 are each amended to read as follows:

All fees collected under the provisions of this chapter shall be deposited in an account in the agricultural local fund and used to carry out the purposes of this chapter, except as otherwise provided.

NEW SECTION. Sec. 3. RCW 16.57.303 (Proceeds from sale of impounded dairy breed cattle--Paid to seller) and 2003 c 326 s 37 are each repealed.

Sec. 4. RCW 16.57.300 and 2003 c 326 s 36 are each amended to read as follows:

(Except under RCW 16.57.302) The proceeds from the sale of cattle and horses when impounded under RCW 16.57.290, after paying the cost thereof, shall be paid to the director, who shall make a record showing the brand or marks or other method of identification of the animals and the amount realized from the sale thereof. However, the proceeds from a sale of the cattle or horses at a licensed public livestock market shall be held by the licensee for a reasonable period not to exceed thirty days to permit the consignor to establish ownership or the right to sell the cattle or horses. All exchange funds must be deposited in a separately identified account using your taxpayer identification number. You must receive written notification of how your exchange funds have been deposited. Your exchange facilitator is required to provide you with written directions of how to independently verify the deposit of the exchange funds. For purposes of this section, a violation of the prudent investor standard includes, but is not limited to, a transaction in which:

(9) Fail to fulfill its contractual duties to the client to deliver property or funds to the taxpayer in a material way unless such a failure is due to ((circumstances beyond the control of the exchange facilitator)); (a) Events beyond the prediction or control of the exchange facilitator; or (b) an investment specifically requested by the client;

(10) Commit, including commission by its owners, officers, directors, employees, agents, or independent contractors, any crime involving fraud, misrepresentation, deceit, embezzlement, misappropriation of funds, robbery, or other theft of property;

(1) An exchange facilitator must deposit all client funds in((a) For accounts with a value of five hundred thousand dollars or more,) a separately identified account, as defined in treasury regulation section 1.468B-6(c)(ii), for the particular client or client's matter, and the client must receive all the earnings credited to the separately identified account((a)(1))

Sec. 7. RCW 19.310.120 and 2012 c 34 s 4 are each amended to read as follows:

(1) Failure to fulfill the requirements under RCW 19.310.040 constitutes prima facie evidence that the exchange facilitator intended to defraud a client who suffered a subsequent loss of the asset entrusted to the exchange facilitator.

(2) A person who engages in business as an exchange facilitator and who knowingly violates RCW 19.310.100 (1) through (5) (i) or fails to comply with the requirements under RCW 19.310.040 is guilty of a class B felony under chapter 9A.20 RCW. However, an exchange facilitator is not guilty of a class B felony for failure to comply with the requirements under RCW 19.310.040 if:

(a) Failure to comply is due to the cancellation or amendment of the fidelity bond by the bond issuer; and

(b) The exchange facilitator:

(i) Within thirty days, takes all reasonable steps to comply with the requirements under RCW 19.310.040; and

(ii) Deposits any new exchange funds into a qualified escrow account or qualified trust until a fidelity bond is obtained that meets the requirements under RCW 19.310.040(1)(a)(i)."

MESSAGE FROM THE HOUSE

April 16, 2013

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5315 with the following amendment(s): 5315-S AMH ELHS H2235.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.130 and 2011 c 309 s 27 and 2011 c 292 s 1 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition that maintains the child in her or his home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose services to assist the parents in maintaining the child in the home, including housing assistance, if appropriate, that least interfere with family autonomy and are adequate to protect the child.

(b)(i) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person, the department, or a supervising agency for supervision of the child's placement. If the court orders that the child be placed with a caregiver over the objections of the parent or the department, the court shall articulate, on the record, his or her reasons for ordering the placement. The court may not order an Indian child, as defined in RCW 13.38.040, to be removed from his or her home unless the court finds, by clear and convincing evidence including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(ii) The department or supervising agency has the authority to place the child, subject to review and approval by the court (A) with a relative as defined in RCW 74.15.020(2)(a), (B) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child, or (C) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW.

(iii) The department may also consider placing the child, subject to review and approval by the court, with a person with whom the child's sibling or half-sibling is residing or a person who has adopted the sibling or half-sibling of the child being placed as long as the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be competent to provide care for the child.

(2) Absent good cause, the department or supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260.

(3) The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a), including a placement provided for in subsection (1)(b)(iii) of this section, when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, the child shall be placed with a person who is willing, appropriate, and available to care for the child, and who is: (I) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (II) a suitable person as described in subsection (1)(b) of this section. The court..."
shall consider the child's existing relationships and attachments when determining placement.

(4) When placing an Indian child in out-of-home care, the department or supervising agency shall follow the placement preference characteristics in RCW 13.38.180.

(5) Placement of the child with a relative or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services, including housing assistance, that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or

(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(6) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a stepprother or steppsister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the stepprochild.

(7) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child's best interest.

(8) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(9) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the department or supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130((66)) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunite. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child,
including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(v) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vi) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130((44)) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130((44)) (6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 3. RCW 13.34.380 and 2009 c 520 s 45 are each amended to read as follows:

The department shall develop consistent policies and protocols, based on current relevant research, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: The structure and quality of visitations; consultation with the assigned law enforcement officer in the event the parent or sibling of the child is identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child; and training for department and supervising agency caseworkers, visitation supervisors, and foster parents related to visitation.

The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court.

NEW SECTION. Sec. 4. A new section is added to chapter 13.34 RCW to read as follows:
In the event a judge orders a parent to undergo a psychosexual evaluation, and pending the outcome of the evaluation, the department, subject to the approval of the court, may reassess visitation duration, supervision, and location, if appropriate. If the assessment indicates the current visitation plan is contrary to the child’s health, safety, or welfare, the department, subject to approval by the court, may alter the visitation plan pending the outcome of the investigation.

Sec. 5. RCW 74.14B.010 and 1999 c 389 s 5 are each amended to read as follows:

(1) Caseworkers employed in children services shall meet minimum standards established by the department of social and health services. Comprehensive training for caseworkers shall be completed before such caseworkers are assigned to case-carrying responsibilities without direct supervision. Intermittent, part-time, and standby workers shall be subject to the same minimum standards and training.

(2) Ongoing specialized training shall be provided for persons responsible for investigating child sexual abuse. Training participants shall have the opportunity to practice interview skills and receive feedback from instructors.

(3) The department, the criminal justice training commission, the Washington association of sheriffs and police chiefs, and the Washington association of prosecuting attorneys shall design and implement statewide training that contains consistent elements for persons engaged in the interviewing of children, including law enforcement, prosecution, and child protective services.

(4) The training shall: (a) Be based on research-based practices and standards; (b) minimize the trauma of all persons who are interviewed during abuse investigations; (c) provide methods of reducing the number of investigative interviews necessary whenever possible; (d) assure, to the extent possible, that investigative interviews are thorough, objective, and complete; (e) recognize needs of special populations, such as persons with developmental disabilities; (f) recognize the nature and consequences of victimization; (g) require investigative interviews to be conducted in a manner most likely to permit the interviewed persons the maximum emotional comfort under the circumstances; (h) address record retention and retrieval; and (i) documentation of investigative interviews.

(5) The identification of domestic violence is critical in ensuring the safety of children in the child welfare system. As a result, ongoing domestic violence training and consultation shall be provided to caseworkers, including how to use the children's administration's practice guide to domestic violence."

MESSAGE FROM THE HOUSE

April 9, 2013

MR. PRESIDENT:

The House passed SENATE JOINT MEMORIAL NO. 8005 with the following amendment(s): 8005 AMH TR H2251.1

Beginning on page 1, line 1, strike all material through page 2, line 36, and insert the following:

"TO THE HONORABLE LYNN PETERSON, SECRETARY OF TRANSPORTATION, AND TO THE WASHINGTON STATE TRANSPORTATION COMMISSION, AND TO THE WASHINGTON STATE DEPARTMENT OF TRANSPORTATION:

We, your Memorialists, the Senate and House of Representatives of the State of Washington, in legislative session assembled, respectfully represent and petition as follows:

WHEREAS, American soldiers and sailors were taken as prisoners of war during the American Revolutionary War with the majority of prisoners kept aboard British prison hulks near New York City. In 1873, a general exchange of prisoners occurred after the cessation of hostilities and recognition of American independence; and

WHEREAS, During the War of 1812, battlefield exchanges occurred under a general British/American cartel for exchanging prisoners. The British continued to use prison hulks and the American POW's were treated humanely until their repatriation following the Treaty of Ghent in 1814; and

WHEREAS, During the Mexican-American War, the Mexican forces released some American prisoners in "head for head" exchanges that occasionally took place during the war, but most American prisoners of war remained incarcerated until the ratification of the Treaty of Guadalupe Hidalgo; and

WHEREAS, During the Civil War, both Union and Confederate forces were unprepared to detain the enormous number of POW's. 211,400 Union prisoners were held in the South and 220,000 Confederate prisoners were held in the North. Starting in 1865, the federal government began returning large numbers of prisoners to the Confederacy. After the surrender at Appomattox, the Union prisons were closed quickly; and

WHEREAS, The United States entered World War I in April 1917. Of the 4,120 American POW's during World War I, 147 died in captivity with most deaths resulting from wounds received in combat. Prisoner exchanges followed the signing of the armistice; and

WHEREAS, During World War II, 260,000 American POW's were held by Germans in Europe. Over 1,121 American POW's died in European prison camps. In the Far East, the Japanese held 124,079 American POW's. 10,650 American POW's died in Japanese prison camps. In addition, there were 30,314 MIA's and 78,776 unaccounted for in the Far East; and

WHEREAS, During the Korean War, more than 12,000 American POW's were held by North Korea and China. Additionally, over 8,000 were classified as MIA and unaccounted for. After a truce was signed at Panmonjum, over 4,000 American POW's were returned in August 1953; and

WHEREAS, During the Vietnam War, 1,750 Americans were listed as MIA or unaccounted for in Vietnam and an additional 600 were MIA in neighboring Laos and Cambodia. To date, Vietnam has not accounted for all American POW's; and

WHEREAS, During the Gulf War, 47 Americans were listed as POW's or MIA at some point during Operation Desert Storm. At the conclusion of the war, 21 POW's were repatriated, 23 bodies were recovered, 2 bodies were never recovered, and one MIA case was left unresolved until 2009 when his remains were found in the Iraq desert; and

WHEREAS, During the Cold War, there was a sustained state of political and military tension between Western and Eastern powers and, as of 2000, there were 126 United States servicemen still unaccounted for. The United States Senate Select Committee on POW/MIA Affairs found evidence that some United States POW's were held in the former Soviet Union after the Cold War incident and that it "cannot, based on its investigation to date, rule out the possibility that one or more U.S. POW's from past wars or incidents are still being held somewhere within the borders of the former Soviet Union";

NOW, THEREFORE, Your Memorialists respectfully pray that the Washington State Transportation Commission commence proceedings to designate state route number 117 in Clallam county between the junction of state route number 101 and Marine Drive in the city of Port Angeles as the POW/MIA Memorial Highway to honor the service and sacrifice of all prisoners of war, missing in action, and those unaccounted for who served in the United States of America.

BE IT RESOLVED, That copies of this Memorial be immediately transmitted to the Honorable Lynn Peterson, Secretary of Transportation, the Washington State Transportation Commission, and the Washington State Department of Transportation." and the same are herewith transmitted.

"Sec. 1. RCW 68.50.105 and 2011 c 61 s 1 are each amended to read as follows:

(1) Reports and records of autopsies or postmortem shall be confidential, except that the following persons may examine and obtain copies of any such report or record: The personal representative of the decedent as defined in RCW 11.02.005, any family member, the attending physician or advanced registered nurse practitioner, the prosecuting attorney or law enforcement agencies having jurisdiction, public health officials, the department of labor and industries in cases in which it has an interest under RCW 68.50.103, or the secretary of the department of social and health services or his or her designee in cases being reviewed under RCW 74.13.640.

(2)(a) Notwithstanding the restrictions contained in this section regarding the dissemination of records and reports of autopsies or postmortem, nor the exemptions referenced under RCW 42.56.240(1), nothing in this chapter prohibits a coroner, medical examiner, or his or her designee, from publicly discussing his or her findings as to any death subject to the jurisdiction of his or her office where actions of a law enforcement officer or corrections officer have been determined to be a proximate cause of the death, except as provided in (b) of this subsection.

BARBARA BAKER, Chief Clerk

MOTION

Senator Padden moved that the Senate concur in the House amendment(s) to Substitute Senate Bill No. 5256.

Senator Padden spoke in favor of the motion.

POINT OF INQUIRY

Senator Kline: "Would Senator Padden yield to a question? Senator Padden, Substitute Senate Bill No. 5256, as it is before us, says that coroners and medical examiners are not prohibited from publicly discussing their findings as to any death subject to the jurisdiction of their office where the actions of a law enforcement or corrections officer have been determined to be a proximate cause of death, with certain exceptions outlined in subsection 2(b). As you know, coroners and medical examiners routinely publicly discuss their findings as to deaths within their jurisdiction, whether the proximate cause of death are due to the actions of a law enforcement or corrections officer or not. Is Substitute Senate Bill No. 5256 intended to limit, in any way, the ability of a coroner or medical examiner from publicly discussing his or her findings as to a death that occurs within their jurisdiction where the proximate cause of death is not due to the actions of a law enforcement or corrections officer?"

Senator Padden: "Thank you Senator Kline. I understand there has been some concern regarding the application of the language contained in Substitute Senate Bill No. 5256. This bill amends RCW 68.50.105, which makes papers and records of autopsies and postmortem confidential. This statute has been interpreted, in some cases, to prevent a coroner or medical examiner from publicly discussing their findings. Notwithstanding subsection 2(b), which prohibits discussion in deaths that occur prior to January 1, 2014 for cases with pending investigations or litigation, the intent of the legislature in passing Substitute Senate Bill No. 5256 is to clarify that RCW 68.50.105 does not prohibit a coroner or medical examiner from publicly discussing his or her findings, particularly in cases where the actions of a law enforcement officer have been determined to be a proximate cause of the death. Aside from the provisions in subsection 2(b), Substitute Senate Bill No. 5256 is intended to protect the ability of coroners and medical examiners to discuss cases, not limit it."

The President declared the question before the Senate to be the motion by Senator Padden that the Senate concur in the House amendment(s) to Substitute Senate Bill No. 5256.

The motion by Senator Padden carried and the Senate concurred in the House amendment(s) to Substitute Senate Bill No. 5256 by voice vote.

The President declared the question before the Senate to be the final passage of Substitute Senate Bill No. 5256, as amended by the House.

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 5256, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 47; Nays, 0; Absent, 0; Excused, 2.

Excused: Senators Carrell and Murray

SUBSTITUTE SENATE BILL NO. 5256, as amended by the House, having received the constitutional majority, was declared
passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

April 17, 2013

MR. PRESIDENT:
The House passed ENGROSSED SENATE BILL NO. 5099 with the following amendment(s): 5099.E AMH ENV1 H2252.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.19.648 and 2012 c 171 s 1 are each amended to read as follows:

(1) Effective June 1, 2015, all state agencies, to the extent determined practicable by the rules adopted by the department of commerce pursuant to RCW 43.325.080, are required to satisfy one hundred percent of their fuel usage for operating publicly owned vessels, vehicles, and construction equipment from electricity or biofuel. Compressed natural gas, liquefied natural gas, or propane may be substituted for electricity or biofuel if the department of commerce determines that electricity and biofuel are not reasonably available.

(2)(a) Effective June 1, 2018, all local government subdivisions of the state, to the extent determined practicable by the rules adopted by the department of commerce pursuant to RCW 43.325.080, are required to satisfy one hundred percent of their fuel usage for operating publicly owned vessels, vehicles, and construction equipment from electricity or biofuel. The department of commerce shall convene an advisory committee of representatives of local government subdivisions, representatives from organizations representing each local government subdivision, and either (i) an electric utility or (ii) a natural gas utility, or both, to work with the department to develop the rules. The department may invite additional stakeholders to participate in the advisory committee as needed and determined by the department.

(b) The following are exempt from this requirement: (i) Transit agencies using compressed natural gas on June 1, 2018((are exempt from this requirement)), and (ii) engine retrofits that would void warranties. Nothing in this section is intended to require the replacement of equipment before the end of its useful life. Compressed natural gas, liquefied natural gas, or propane may be substituted for electricity or biofuel if the department of commerce determines that electricity and biofuel are not reasonably available.

(c)(i) Rules adopted pursuant to RCW 43.325.080 must provide the authority for local government subdivisions to elect to exempt police, fire, and other emergency response vehicles, including utility vehicles frequently used for emergency response, from the fuel usage requirement in (a) of this subsection.

(ii) Prior to executing its authority under (c)(i) of this subsection, a local government subdivision must provide notice to the department of commerce of the exemption. The notice must include the rationale for the exemption and an explanation of how the exemption is consistent with rules adopted by the department of commerce.

(d) Before June 1, 2018, local government subdivisions purchasing vessels, vehicles, and construction equipment capable of using biodiesel must request warranty protection for the highest level of biodiesel the vessel, vehicle, or construction equipment is capable of using, up to one hundred percent biodiesel, as long as the costs are reasonably equal to a vessel, vehicle, or construction equipment that is not warranted to use up to one hundred percent biodiesel.

(3) In order to phase in this transition for the state, all state agencies, to the extent determined practicable by the department of commerce by rules adopted pursuant to RCW 43.325.080, are required to achieve forty percent fuel usage for operating publicly owned vessels, vehicles, and construction equipment from electricity or biofuel by June 1, 2013. Compressed natural gas, liquefied natural gas, or propane may be substituted for electricity or biofuel if the department of commerce determines that electricity and biofuel are not reasonably available. The department of enterprise services, in consultation with the department of commerce, shall report to the governor and the legislature by December 1, 2013, on what percentage of the state's fuel usage is from electricity or biofuel.

MESSAGE FROM THE HOUSE

April 9, 2013

MR. PRESIDENT:
The House passed SENATE BILL NO. 5102 with the following amendment(s): 5102 AMH JUDI H2129.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that allergies are a serious medical disorder that affect more than one in five persons in the United States and are the sixth leading cause of chronic disease. Roughly one in thirteen children has a food allergy, and the incidence is rising. Up to forty percent of food-allergic children may be at risk for anaphylaxis, a severe and potentially life-threatening reaction. Anaphylaxis may also occur due to an insect sting, drug allergy, or other causes. Twenty-five percent of first-time anaphylactic reactions among children occur in a school setting. Anaphylaxis can occur anywhere on school property, including the classroom, playground, school bus, or on field trips.

(2) Rapid and appropriate administration of the drug epinephrine, also known as adrenaline, to a patient experiencing an anaphylactic reaction may make the difference between life and death. In a school setting, epinephrine is typically administered intramuscularly via an epinephrine autoinjector device. Medical experts agree that the benefits of emergency epinephrine administration far outweigh the risks.

(3) The legislature further finds that, on many days, as much as twenty percent of the nation's combined adult and child population can be found in public and nonpublic schools. Therefore, schools need to be prepared to treat potentially life-threatening anaphylactic reactions in the event a student is experiencing a first-time anaphylactic reaction, a student does not have his or her own epinephrine autoinjector device available, or if a school nurse is not in the vicinity at the time.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.210 RCW to read as follows:

(1) School districts and nonpublic schools may maintain at a school in a designated location a supply of epinephrine autoinjectors based on the number of students enrolled in the school.

(2)(a) A licensed health professional with the authority to prescribe epinephrine autoinjectors may prescribe epinephrine autoinjectors in the name of the school district or school to be maintained for use when necessary. Epinephrine prescriptions must be accompanied by a standing order for the administration of school-supplied, undesignated epinephrine autoinjectors for potentially life-threatening allergic reactions.
(b) There are no changes to current prescription or self-administration practices for children with existing epinephrine autoinjector prescriptions or a guided anaphylaxis care plan.

(c) Epinephrine autoinjectors may be obtained from donation sources, but must be accompanied by a prescription.

(3)(a) When a student has a prescription for an epinephrine autoinjector on file, the school nurse or designated trained school personnel may utilize the school district or school supply of epinephrine autoinjectors to respond to an anaphylactic reaction under a standing protocol according to RCW 28A.210.300.

(b) When a student does not have an epinephrine autoinjector or prescription for an epinephrine autoinjector on file, the school nurse may utilize the school district or school supply of epinephrine autoinjectors to respond to an anaphylactic reaction under a standing protocol according to RCW 28A.210.300.

(c) Epinephrine autoinjectors may be used on school property, including the school building, playground, and school bus, as well as during field trips or sanctioned excursions away from school property. The school nurse or designated trained school personnel may carry an appropriate supply of school-owned epinephrine autoinjectors on field trips or excursions.

(4)(a) If a student is injured or harmed due to the administration of epinephrine that a licensed health professional with prescribing authority has prescribed and a pharmacist has dispensed to a school under this section, the licensed health professional with prescribing authority and pharmacist may not be held responsible for the injury unless he or she issued the prescription with a conscious disregard for safety.

(b) In the event a school nurse or other school employee administers epinephrine in substantial compliance with a student's prescription that has been prescribed by a licensed health professional within the scope of the professional's prescriptive authority, if applicable, and written policies of the school district or private school, then the school employee, the employee's school district or school of employment, and the members of the governing board and chief administrator thereof are not liable in any criminal action or for civil damages in their individual, marital, governmental, corporate, or other capacity as a result of providing the epinephrine.

(c) School employees, except those licensed under chapter 18.79 RCW, who have not agreed in writing to the use of epinephrine autoinjectors as a specific part of their job description, may file with the school district a written letter of refusal to use epinephrine autoinjectors. This written letter of refusal may not serve as grounds for discharge, nonrenewal of an employment contract, or other action adversely affecting the employee's contract status.

(5) The office of the superintendent of public instruction shall review the anaphylaxis policy guidelines required under RCW 28A.210.380 and make a recommendation to the education committees of the legislature by December 1, 2013, based on student safety, regarding whether to designate other trained school employees to administer epinephrine autoinjectors to students without prescriptions for epinephrine autoinjectors demonstrating the symptoms of anaphylaxis when a school nurse is not in the vicinity."

amendment(s): 5145 AMH PS H2078.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter
35.21 RCW to read as follows:

(1) Any fire department may develop a community assistance 
referral and education services program to provide community 
outreach and assistance to residents of its district in order to advance 
injury and illness prevention within its community. The program 
should identify members of the community who use the 911 system 
for low acuity assistance calls (calls that are nonemergency or 
nonurgent) and connect them to their primary care providers, other 
health care professionals, low-cost medication programs, and other 
social services. The program may also provide a fire 
department-based, nonemergency contact in order to provide an 
alternative resource to the 911 system. The program may hire 
health care professionals as needed.

(2) A participating fire department may seek grant opportunities 
and private gifts in order to support its community assistance 
referral and education services program.

(3) In developing a community assistance referral and education 
services program, a fire department may consult with the health care 
personnel shortage task force to identify health care professionals 
capable of working in a nontraditional setting and providing 
assistance, referral, and education services.

(4) Community assistance referral and education services 
programs implemented under this section must, at least annually, 
measure any reduction of repeated use of the 911 emergency system 
and any reduction in avoidable emergency room trips attributable to 
implementation of the program. Results of findings under this 
subsection must be reportable to the legislature or other local 
governments upon request. Findings should include estimated 
amounts of medicaid dollars that would have been spent on 
emergency room visits had the program not been in existence.

(5) For purposes of this section, "fire department" includes city 
and town fire departments, fire protection districts organized under
Title 52 RCW, and regional fire authorities organized under chapter 52.26 RCW.”

MESSAGE FROM THE HOUSE

April 11, 2013

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5389 with the following amendment(s): 5389-S.2.E AMH ELIS HJ236.1

Strike everything after the enacting clause and insert the following:

‘NEW SECTION. Sec. 1. The Washington state legislature recognizes the importance of frequent and meaningful contact for siblings separated due to involvement in the foster care system. The legislature also recognizes that children and youth in foster care have not always been provided adequate opportunities for visitation with their siblings. It is the intent of the legislature to encourage appropriate facilitation of sibling visits.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130((ii))) ((vii)), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to preserve existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(((v))) (v) The plan state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(((vi))) (vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(((vii))) (vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130((ii))) ((vii)), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the
parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130((4)) (6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:
(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.
(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.
(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe."

Correct the title.

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5369 with the following amendment(s): 5369-S AMH ENVI H2138.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:
(1) Because related geothermal resources may be present on contiguous private, state, and federal lands within the state, there is a need to provide greater conformity with the state's geothermal resources statutes and the federal statutes defining geothermal resources and clarify that ownership of geothermal resources resides with the surface owner unless the interest is otherwise reserved or conveyed.
(2) It is in the public interest to encourage and foster the development of geothermal resources in the state, and the legislature intends to align the state statutes defining geothermal resources with current federal law with which developers are familiar, and clarify the respective regulatory roles of state agencies."

"Engrossed Second Substitute Senate Bill No. 5369, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 48; Nays, 0; Absent, 0; Excused, 1.

(3) Geothermal resources suitable for energy development are located at much greater depths than the aquifers relied upon for other beneficial uses, but in the event that a geothermal well draws from the same source as other uses, a coordinated and streamlined permitting of geothermal development can better ensure that any interference with existing water uses will be addressed and eliminated. It is the intent of this act that no water uses associated with a geothermal well impair any water use authorized through appropriation under Title 90 RCW.

(4) Changes to federal law in 2005 require a distribution of a portion of geothermal energy revenues from leases on federal land directly to the county in which the lease activity occurs, and therefore it is appropriate that the additional distribution to the state be provided for statewide uses relating to geothermal energy assessment, exploration, and production.

**Sec. 2.** RCW 78.60.030 and 1974 ex.s. c 43 s 3 are each amended to read as follows:

((For the purposes of this chapter, unless the text otherwise requires, the following terms shall have the following meanings:))

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1)(a) “Geothermal resources” ((means only that natural heat energy of the earth from which it is technologically practical to produce electricity commercially and the medium by which such heat energy is extracted from the earth, including liquids or gases, as well as any minerals contained in any natural or injected fluids, brines and associated gas, but excluding oil, hydrocarbon gas and other hydrocarbon substances)) includes the natural heat of the earth, the energy, in whatever form, below the surface of the earth present in, resulting from, or created by, or that may be extracted from, the natural heat, and all minerals in solution or other products obtained from naturally heated fluids, brines, associated gases and steam, in whatever form, found below the surface of the earth, exclusive of helium or oil, hydrocarbon gas or other hydrocarbon substances, but including, specifically:

(i) All products of geothermal processes, including indigenous steam, and hot water and hot brines;

(ii) Steam and other bases, hot water and hot brines resulting from water, gas, or other fluids artificially introduced into geothermal formations;

(iii) Heat or other associated energy found in geothermal formations; and

(iv) Any by-product derived from them.

(b) “Geothermal resources” does not include heat energy used in ground source heat exchange systems for ground source heat pumps.

(2) "Waste", in addition to its ordinary meaning, shall mean "physical waste" as that term is generally understood and shall include:

(a) The inefficient, excessive, or improper use of, or unnecessary dissipation of, reservoir energy; or the locating, spacing, drilling, equiping, operating or producing of any geothermal energy well in a manner which results, or tends to result, in reducing the quantity of geothermal energy to be recovered from any geothermal area in this state;

(b) The inefficient above-ground transporting or storage of geothermal energy; or the locating, spacing, drilling, equiping, operating, or producing of any geothermal well in a manner causing, or tending to cause, unnecessary excessive surface loss or destruction of geothermal energy;

(c) The escape into the open air, from a well of steam or hot water, in excess of what is reasonably necessary in the efficient development or production of a geothermal well.

(3) "Geothermal area" means any land that is, or reasonably appears to be, underlain by geothermal resources.

(4) "Energy transfer system" means the structures and enclosed fluids which facilitate the utilization of geothermal energy. The system includes the geothermal wells, cooling towers, re injection wells, equipment directly involved in converting the heat energy associated with geothermal resources to mechanical or electrical energy or in transferring it to another fluid, the closed piping between such equipment, wells and towers and that portion of the earth which facilitates the transfer of a fluid from reinjection wells to geothermal wells: PROVIDED, That the system shall not include any geothermal resources which have escaped into or have been released into the nongeothermal ground or surface waters from either man-made containers or through leaks in the structure of the earth caused by or to which access was made possible by any drilling, redrilling, reworking or operating of a geothermal or reinjection well.

(5) "Operator" means the person supervising or in control of the operation of a geothermal resource well, whether or not such person is the owner of the well.

(6) "Owner" means the person who possesses the legal right to drill, convert or operate any well or other facility subject to the provisions of this chapter.

(7) "Person" means any individual, corporation, company, association of individuals, joint venture, partnership, receiver, trustee, guardian, executor, administrator, personal representative, or public agency that is the subject of legal rights and duties.

(8) "Pollution" means any damage or injury to ground or surface waters, soil or air resulting from the unauthorized loss, escape, or disposal of any substances at any well subject to the provisions of this chapter.

(9) "Department" means the department of natural resources.

(10) "Well" means any excavation made for the discovery or production of geothermal resources, or any special facility, converted producing facility, or reactivated or converted abandoned facility used for the reinjection of geothermal resources, or the residue thereof underground.

(11) "Core holes" are holes drilled or excavations made expressly for the acquisition of geological or geophysical data for the purpose of finding and delineating a favorable geothermal area prior to the drilling of a well.

(12) A "completed well" is a well that has been drilled to its total depth, has been adequately cased, and is ready to be either plugged and abandoned, shut-in, or put into production.

(13) "Plug and abandon" means to place permanent plugs in the well in such a way and at such intervals as are necessary to prevent future leakage of fluid from the well to the surface or from one zone in the well to the other, and to remove all drilling and production equipment from the site, and to restore the surface of the site to its natural condition or contour or to such condition as may be prescribed by the department.

(14) "Shut-in" means to adequately cap or seal a well to control the contained geothermal resources for an interim period.

(15) "By-product" means any mineral or minerals, not including oil, hydrocarbon gas, or helium, which are found in solution or in association with geothermal steam and that have a value of less than seventy-five percent of the value of the geothermal resource or are not, because of quantity, quality, or technical difficulties in extraction and production, of sufficient value to warrant extraction and production by themselves.

**Sec. 3.** RCW 78.60.040 and 1979 ex.s. c 2 s 1 are each amended to read as follows:

Notwithstanding any other provision of law, geothermal resources are found and hereby determined to be sui generis, being neither a mineral resource nor a water resource and as such are (hereinafter) declared to be the private property of the holder of the title to the surface land above the resource, unless the geothermal
resources have been otherwise reserved by or conveyed to another person or entity. Nothing in this section divests the people of the state of any rights, title, or interest in geothermal resources owned by the state.

Sec. 4. RCW 78.60.060 and 2003 c 39 s 40 are each amended to read as follows:

(1) This chapter is intended to preempt local regulation of the drilling and operation of wells for geothermal resources but shall not be construed to permit the locating of any well or drilling when such well or drilling is prohibited under state or local land use law or regulations promulgated thereunder. Geothermal resources, by-products (and/or), or waste products which have escaped or been released from the energy transfer system (and/or) or a mineral recovery process shall be subject to provisions of state law relating to the pollution of ground or surface waters (Title 90 RCW), provisions of the state fisheries law and the state game laws (Title 77 RCW), and any other state environmental pollution control laws.

(2) Authorization for (use of by-product water resources for all beneficial uses) a consumptive or nonconsumptive use of water associated with a geothermal well, for purposes including but not limited to power production, greenhouse heating, warm water fish propagation, space heating plants, irrigation, swimming pools, and hot springs baths, shall be subject to the appropriation procedure as provided in Title 90 RCW, except for the following:

(a) Water that is removed from an aquifer or geothermal reservoir to develop and obtain geothermal resources if the water is returned to or reinjected into the same aquifer or reservoir; or

(i) During a test of a geothermal well; or

(ii) From the temporary failure of all or part of a system that removes water from an aquifer or geothermal reservoir, transfers the heat from that water, and re-injects that water into the same aquifer or reservoir.

(3) The department and the department of ecology shall cooperate to avoid duplication and to promote efficiency in issuing permits and other approvals for these uses.

(4) Nothing in this act shall affect or operate to impair any existing water rights.

NEW SECTION. Sec. 5. The purpose of this chapter is to provide for the allocation of revenues distributed to the state under section 35 of the Mineral Lands Leasing Act of 1920, as amended (30 U.S.C. Sec. 191), with respect to activities of the United States bureau of land management undertaken pursuant to the Geothermal Steam Act of 1970 (30 U.S.C. Sec. 1001 et seq.) in order to accomplish the following general objectives:

(1) Reduction of dependence on nonrenewable energy and stimulation of the state's economy through development of geothermal energy.

(2) Mitigation of the social, economic, and environmental impacts of geothermal development.

(3) Maintenance of the productivity of renewable resources through the investment of proceeds from these resources.

NEW SECTION. Sec. 6. (1) There is created the geothermal account in the state treasury. All expenditures from this account are subject to appropriation and chapter 43.88 RCW.

(2) All revenues received by the state treasurer under section 35 of the Mineral Lands Leasing Act of 1920, as amended (30 U.S.C. Sec. 191), with respect to activities of the United States bureau of land management undertaken pursuant to the Geothermal Steam Act of 1970 (30 U.S.C. Sec. 1001 et seq.) shall be deposited in the geothermal account in the state treasury immediately upon receipt.

(3) Expenditures from the account may only be used as provided in section 7 of this act.

NEW SECTION. Sec. 7. Distribution of funds from the geothermal account created in section 6 of this act shall be subject to the following limitations:

(1) Seventy percent to the department of natural resources for geothermal exploration and assessment; and

(2) Thirty percent to Washington State University or its statutory successor for the purpose of encouraging the development of geothermal energy.
amended to read as follows:

(b) Unless the board makes a determination of invalidity, state agencies, commissions, or governing boards shall not penalize counties, cities, or towns during the pendency of an appeal as provided in RCW 43.17.250.  

Sec. 2. RCW 43.17.250 and 1999 c 164 s 601 are each amended to read as follows:

(1) Whenever a state agency is considering awarding grants or loans for a county, city, or town planning under RCW 36.70A.040 to finance public facilities, it shall consider whether the county, city, or town requesting the grant or loan has adopted a comprehensive plan and development regulations as required by RCW 36.70A.040.

(2) If a comprehensive plan, development regulation, or amendment thereto adopted by a county, city, or town has been appealed to the growth management hearings board under RCW 36.70A.280, the county, city, or town may not be determined to be ineligible or otherwise penalized in the acceptance of applications or loans during the pendency of the appeal before the board or subsequent judicial appeals. This subsection (2) applies only to counties, cities, and towns that have: (a) Delayed the initial effective date of the action subject to the petition before the board until after the board issues a final determination; or (b) within thirty days of receiving notice of a petition for review by the board, delayed or suspended the effective date of the action subject to the petition before the board until after the board issues a final determination.

(3) When reviewing competing requests from counties, cities, or towns planning under RCW 36.70A.040, a state agency considering awarding grants or loans for public facilities shall accord additional preference to those counties, cities, or towns that have adopted a comprehensive plan and development regulations as required by RCW 36.70A.040. For the purposes of the preference accorded in this section, a county, city, or town planning under RCW 36.70A.040 is deemed to have satisfied the requirements for adopting a comprehensive plan and development regulations specified in RCW 36.70A.040 if the county, city, or town: (a) Adopts or has adopted a comprehensive plan and development regulations within the time periods specified in RCW 36.70A.040; (b) Adopts or has adopted a comprehensive plan and development regulations before ((submitting a request for a grant or loan)) the state agency makes a decision regarding award recipients of the grants or loans if the county, city, or town failed to adopt a comprehensive plan and/or development regulations within the time periods specified in RCW 36.70A.040; or (c) Demonstrates substantial progress toward adopting a comprehensive plan or development regulations within the time periods specified in RCW 36.70A.040. A county, city, or town that is more than six months out of compliance with the time periods specified in RCW 36.70A.040 shall not be deemed to demonstrate substantial progress for purposes of this section.

((4))) (4) The preference specified in subsection ((b))) (3) of this section applies only to competing requests for grants or loans from counties, cities, or towns planning under RCW 36.70A.040. A request from a county, city, or town planning under RCW 36.70A.040 shall be accorded no additional preference based on subsection ((b))) (2) of this section over a request from a county, city, or town not planning under RCW 36.70A.040.

((5))) (5) Whenever a state agency is considering awarding grants or loans for public facilities to a special district requesting
amended to read as follows:

apply the standards in subsection (2) of this section and the

RCW 36.70A.040 ((is not prohibited from receiving a loan or loan

guarantee)) may apply for and receive financial assistance under this

chapter if such request is

made before the expiration of the time periods specified in RCW

36.70A.040 to adopt a comprehensive plan or development

regulations as required by RCW 36.70A.040. This

subsection does not require any county, city, or town planning under

RCW 36.70A.040 to adopt a comprehensive plan or development

regulations before requesting or receiving ((a loan or loan

guarantee)) financial assistance under this chapter if such request is

made before the expiration of the time periods specified in RCW

36.70A.040. A county, city, or town planning under RCW 36.70A.040 ((must have)) may not receive financial assistance under this chapter unless it has adopted a comprehensive plan, including a capital facilities plan element, and development regulations as required by RCW 36.70A.040. This subsection does not require any county, city, or town planning under RCW 36.70A.040 ((must have)) to adopt a comprehensive plan or development regulations before requesting or receiving ((a loan or loan guarantee)) financial assistance under this chapter if such request is made before the expiration of the time periods specified in RCW 36.70A.040. A county, city, or town planning under RCW 36.70A.040 ((must have)) that has not adopted a comprehensive plan and development regulations within the time periods specified in RCW 36.70A.040 ((is not prohibited from receiving a loan or loan guarantee)) may apply for and receive financial assistance under this chapter if the comprehensive plan and development regulations are adopted as required by RCW 36.70A.040 before ((submitting a request for a loan or loan guarantee)) executing a contractual agreement for financial assistance with the board.

In considering awarding ((loans)) financial assistance for public facilities to special districts requesting funding for a proposed facility located in a county, city, or town planning under RCW 36.70A.040, the board must consider whether the county, city, or town planning under RCW 36.70A.040 in whose planning jurisdiction the proposed facility is located has adopted a comprehensive plan and development regulations as required by RCW 36.70A.040.

The board must develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board must attempt to assure a geographical balance in assigning priorities to projects. The board must consider at least the following factors in assigning a priority to a project:

Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

Except as otherwise conditioned by RCW 43.155.110, whether the entity receiving assistance is a Puget Sound partner, as defined in RCW 90.71.010;

Whether the project is referenced in the action agenda developed by the Puget Sound partnership under RCW 90.71.310;

Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

Whether the applicant’s permitting process has been certified as streamlined by the office of regulatory assistance;

Whether the applicant has developed and adhered to guidelines regarding its permitting process for those applying for development permits consistent with section 1(2), chapter 231, Laws of 2007;

The cost of the project compared to the size of the local government and amount of loan money available;

The number of communities served by or funding the project;

Whether the project is located in an area of high unemployment, compared to the average state unemployment;

Whether the project is the acquisition, expansion, improvement, or renovation by a local government of a public water system that is in violation of health and safety standards, including the cost of extending existing service to such a system;

Except as otherwise conditioned by RCW 43.155.120, and effective one calendar year following the development of model evergreen community management plans and ordinances under RCW 35.105.030, whether the entity receiving assistance has been recognized, and what gradation of recognition was received, in the evergreen community recognition program created in RCW 35.105.030;

The relative benefit of the project to the community, considering the present level of economic activity in the community and the existing local capacity to increase local economic activity in communities that have low economic growth; and

Other criteria that the board considers advisable.

Existing debt or financial obligations of local governments may not be refinanced under this chapter. Each local government applicant must provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

Before November 1st of each even-numbered year, the board must develop and submit to the appropriate fiscal committees of the senate and house of representatives a description of the loans made under RCW 43.155.065, 43.155.068, and subsection (9) of this section during the preceding fiscal year and a prioritized list of projects which are recommended for funding by the legislature, including one copy to the staff of each of the committees. The list must include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list must also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

The board may not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature may not change the order of the priorities recommended for funding by the board.

Subsection (7) of this section does not apply to loans made under RCW 43.155.065, 43.155.068, and subsection (9) of this section.

Loans made for the purpose of capital facilities plans are exempted from subsection (7) of this section.

To qualify for loans or pledges for solid waste or recycling facilities under this chapter, a city or county must demonstrate that the solid waste or recycling facility is consistent with and necessary
to implement the comprehensive solid waste management plan
adopted by the city or county under chapter 70.95 RCW.

(11) After January 1, 2010, any project designed to address
the effects of storm water or wastewater on Puget Sound may be funded
under this section only if the project is not in conflict with the action
agenda developed by the Puget Sound partnership under RCW
90.71.310.

Sec. 4. RCW 70.146.070 and 2008 c 299 s 26 are each amended to read as follows:

(1) When making grants or loans for water pollution control
facilities, the department shall consider the following:

(a) The protection of water quality and public health;
(b) The cost to residential ratepayers if they had to finance water
pollution control facilities without state assistance;
(c) Actions required under federal and state permits and
compliance orders;

(d) The level of local fiscal effort by residential ratepayers since
1972 in financing water pollution control facilities;

(e) Except as otherwise conditioned by RCW 70.146.110,
whether the entity receiving assistance is a Puget Sound partner, as
defined in RCW 90.71.010;

(f) Whether the project is referenced in the action agenda
developed by the Puget Sound partnership under RCW 90.71.310;

(g) Except as otherwise provided in RCW 70.146.120, and
effective one calendar year following the development and
statewide availability of model evergreen community management
plans and ordinances under RCW 35.105.050, whether the project is
sponsored by an entity that has been recognized, and what gradation
of recognition was received, in the evergreen community
recognition program created in RCW 35.105.030;

(h) The extent to which the applicant county or city, or if the
applicant is another public body, the extent to which the county or
city in which the applicant public body is located, has established
programs to mitigate nonpoint pollution of the surface or
subterranean water sought to be protected by the water pollution
control facility named in the application for state assistance; and

(i) The recommendations of the Puget Sound partnership,
created in RCW 90.71.210, and any other board, council,
commission, or group established by the legislature or a state agency
to study water pollution control issues in the state.

(2) Except where necessary to address a public health need or
substantial environmental degradation, a county, city, or town
planning under RCW 36.70A.040 may not receive a grant or loan
for water pollution control facilities unless it has adopted a
comprehensive plan, including a capital facilities plan element, and
development regulations as required by RCW 36.70A.040. A
county, city, or town that has adopted a comprehensive plan and
development regulations as provided in RCW 36.70A.040 may
request a grant or loan for water pollution control facilities. This
subsection does not require any county, city, or town planning under
RCW 36.70A.040 to adopt a comprehensive plan or development
regulations before requesting (or receiving) a grant or loan under
this chapter if such request is made before the expiration of the time
periods specified in RCW 36.70A.040. A county, city, or town
planning under RCW 36.70A.040 (including) that has not adopted a
comprehensive plan and development regulations within the time
periods specified in RCW 36.70A.040 is not prohibited from
receiving a grant or loan under this chapter if the comprehensive
plan and development regulations are adopted as required by RCW
36.70A.040 before ((submitting a request for a)) the department
executes a contractual agreement for the grant or loan.

(3) Whenever the department is considering awarding grants or
loans for public facilities to special districts requesting funding for a
proposed facility located in a county, city, or town planning under
RCW 36.70A.040, it shall consider whether the county, city, or
town planning under RCW 36.70A.040 in whose planning
jurisdiction the proposed facility is located has adopted a
comprehensive plan and development regulations as required by
RCW 36.70A.040.

(4) After January 1, 2010, any project designed to address
the effects of water pollution on Puget Sound may be funded under this
chapter only if the project is not in conflict with the action agenda
developed by the Puget Sound partnership under RCW 90.71.310.

Sec. 5. RCW 36.70A.200 and 2011 c 60 s 17 are each amended to read as follows:

(1) The comprehensive plan of each county and city that is
planning under RCW 36.70A.040 shall include a process for
identifying and siting essential public facilities. Essential public
facilities include those facilities that are typically difficult to site,
such as airports, state education facilities and state or regional
transportation facilities as defined in RCW 47.06.140, regional
transit authority facilities as defined in RCW 81.112.020, state and
local correctional facilities, solid waste handling facilities, and
inpatient facilities including substance abuse facilities, mental
health facilities, group homes, and secure community transition
facilities as defined in RCW 71.09.020.

(2) Each county and city planning under RCW 36.70A.040
shall, not later than September 1, 2002, establish a process, or
amend its existing process, for identifying and siting essential public
facilities and adopt or amend its development regulations as
necessary to provide for the siting of secure community transition
facilities consistent with statutory requirements applicable to these
facilities.

(3) Any city or county not planning under RCW 36.70A.040
shall, not later than September 1, 2002, establish a process for siting
secure community transition facilities and adopt or amend its
development regulations as necessary to provide for the siting of
such facilities consistent with statutory requirements applicable to
these facilities.

(4) The office of financial management shall maintain a list of
those essential state public facilities that are required or likely to be
built within the next six years. The office of financial management
may at any time add facilities to the list.

(5) No local comprehensive plan or development regulation
may preclude the siting of essential public facilities.

(6) No person may bring a cause of action for civil damages
based on the good faith actions of any county or city to provide for
the siting of secure community transition facilities in accordance
with this section and with the requirements of chapter 12, Laws of
2001 2nd sp. sess. For purposes of this subsection, "person"
includes, but is not limited to, any individual, agency as defined in
RCW 42.17A.005, corporation, partnership, association, and limited
liability entity.

(7) Counties or cities siting facilities pursuant to subsection (2)
or (3) of this section shall comply with RCW 71.09.341.

(8) The failure of a county or city to act by the deadlines
established in subsections (2) and (3) of this section is not:

(a) A condition that would disqualify the county or city for
grants, loans, or pledges under RCW 43.155.070 or 70.146.070;
(b) A consideration for grants or loans provided under RCW
43.17.250(1)(a) (2); or
(c) A basis for any petition under RCW 36.70A.280 or for any
private cause of action.”

Correct the title.

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 17, 2013

MR. PRESIDENT:

The House passed SENATE BILL NO. 5092 with the following amendment(s): 5092 AMH HCW H2202.1

Strike everything after the enacting clause and insert the following:

"SEC. 1. RCW 18.79.110 and 1994 sp.s.c 9 s 411 are each amended to read as follows:

(1) The commission shall keep a record of all of its proceedings and make such reports to the governor as may be required. The commission shall define by rules what constitutes specialized and advanced levels of nursing practice as recognized by the medical and nursing profession. The commission may adopt rules or issue advisory opinions in response to questions put to it by professional health associations, nursing practitioners, and consumers in this state concerning the authority of various categories of nursing practitioners to perform particular acts.

(2) The commission shall approve curricula and shall establish criteria for minimum standards for schools preparing persons for licensing as registered nurses, advanced registered nurse practitioners, and licensed practical nurses under this chapter. The commission shall approve such schools of nursing as meet the requirements of this chapter and the commission, and the commission shall approve establishment of basic nursing education programs and shall establish criteria as to the need for and the size of a program and the type of program and the geographical location. The commission shall establish criteria for proof of reasonable currency of knowledge and skill as a basis for safe practice after three years' inactive or lapsed status. The commission shall establish criteria for licensing by endorsement. The commission shall determine examination requirements for applicants for licensing as registered nurses, advanced registered nurse practitioners, and licensed practical nurses under this chapter, and shall certify to the secretary for licensing duly qualified applicants.

(3) The commission shall adopt rules on continuing competency. The rules must include exemptions from the continuing competency requirements for registered nurses seeking advanced nursing degrees. Nothing in this subsection prohibits the commission from providing additional exemptions for any person credentialed under this chapter who is enrolled in an advanced education program.

(4) The commission shall adopt such rules under chapter 34.05 RCW as are necessary to fulfill the purposes of this chapter.

(5) The commission is the successor in interest of the board of nursing and the board of practical nursing. The department may adjust the percentage of credit annually.

Sec. 10. RCW 70.95N.210 and 2006 c 183 s 21 are each amended to read as follows:

The return share of covered electronic products used to determine the top ten brand owners for purposes of electing the board must be determined by the department by January 1, 2007. For program years 2016 and beyond, five board positions are reserved for representatives of the top ten brand owners by market share of covered electronic products, and six board positions are reserved for representatives of other brands, including at least one board position reserved for a manufacturer who is also a retailer selling their own private label. The market share of covered electronic products used to determine the top ten brand owners for purposes of electing the board must be determined by the department by October 1, 2015.
(b) The board must have representation from both television and computer manufacturers.
(2) The board shall select from its membership the chair of the board and such other officers as it deems appropriate.
(3) A majority of the board constitutes a quorum.
(4) The directors of the department of ((community, trade, and economic development)) commerce and the department of ecology serve as ex officio members. The state agency directors serving in ex officio capacity may each designate an employee of their respective departments to act on their behalf in all respects with regard to any matter to come before the authority. Ex officio designations must be made in writing and communicated to the authority director.
(5) The board shall create its own bylaws in accordance with the laws of the state of Washington.
(6) Any member of the board may be removed for misfeasance, malfeasance, or willful neglect of duty after notice and a public hearing, unless the notice and hearing are expressly waived in writing by the affected member.

For program years 2009 through 2015, such apportionment (shall) must be based on return share, market share, any combination of return share and market share, or any other equitable method. For the 2016 program year and all subsequent program years, such apportionment must be based on market share. The authority's apportionment of costs to manufacturers participating in the standard plan may not include nor be based on electronic products imported through the state and subsequently exported outside the state. Charges assessed under this section must not be formulated in such a way as to create incentives to divert imported electronic products to ports or distribution centers in other states. The authority shall adjust the charges to manufacturers participating in the standard plan as necessary in order to ensure that all costs associated with the identified activities are covered.
(3) The authority may require financial assurances or performance bonds for manufacturers participating in the standard plan, including but not limited to new entrants and white box manufacturers, when determining equitable methods for apportioning costs to ensure that the long-term costs for collecting, transporting, and recycling of a covered electronic product are borne by the appropriate manufacturer in the event that the manufacturer ceases to participate in the program.
(4) Nothing in this section authorizes the authority to assess fees or levy taxes directly on the sale or possession of electronic products.
(5) If a manufacturer has not met its financial obligations as determined by the authority under this section, the authority shall notify the department that the manufacturer is no longer participating in the standard plan.
(6) For program years 2009 through 2015, the authority shall submit its plan for assessing charges and apportioning cost on manufacturers participating in the standard plan to the department for review and approval along with the standard plan as provided in RCW 70.95N.060.
(7)(a) Any manufacturer participating in the standard plan may appeal an assessment of charges or apportionment of costs levied by the authority under this section by written petition to the director of the department. The director of the department or the director's designee shall review all appeals within timelines established by the department and shall reverse any assessments of charges or apportionment of costs if the director finds that the authority's assessments or apportionment of costs was an arbitrary administrative decision, an abuse of administrative discretion, or is not an equitable assessment or apportionment of costs. The director shall make a fair and impartial decision based on sound data. If the director of the department reverses an assessment of

If an offender is transferred from a county jail to the department, the administrator of a county jail facility shall certify to the department the amount of time spent in custody at the facility and the amount of earned release time. The department may approve a jail certification from a correctional agency that calculates earned release time based on the actual amount of confinement time served by the offender before sentencing when an erroneous calculation of confinement time served by the offender before sentencing appears on the judgment and sentence.

(2) An offender who has been convicted of a felony committed after July 23, 1995, that involves any applicable deadly weapon enhancements under RCW 9.94A.533 (3) or (4), or both, shall not receive any good time credits or earned release time for that portion of his or her sentence that results from any deadly weapon enhancements.

(3) An offender may earn early release time as follows:

(a) In the case of an offender convicted of a serious violent offense, or a sex offense that is a class A felony, committed on or after July 1, 1990, and before July 1, 2003, the aggregate earned release time may not exceed fifteen percent of the sentence.

(b) In the case of an offender convicted of a serious violent offense, or a sex offense that is a class A felony, committed on or after July 1, 2003, the aggregate earned release time may not exceed ten percent of the sentence.

(c) An offender is qualified to earn up to fifty percent of aggregate earned release time if he or she:

(i) Is not classified as an offender who is at a high risk to reoffend as provided in subsection (4) of this section;

(ii) Is not confined pursuant to a sentence for:

(A) A sex offense;

(B) A violent offense;

(C) A crime against persons as defined in RCW 9.94A.411;

(D) A felony that is domestic violence as defined in RCW 10.99.020;

(E) A violation of RCW 9A.52.025 (residential burglary);

(F) A violation of, or an attempt, solicitation, or conspiracy to violate, RCW 69.50.401 by manufacture or delivery or possession with intent to deliver methamphetamine; or

(G) A violation of, or an attempt, solicitation, or conspiracy to violate, RCW 69.50.406 (delivery of a controlled substance to a minor);

(iii) Has no prior conviction for the offenses listed in (c)(ii) of this subsection;

(iv) Participates in programming or activities as directed by the offender's individual reentry plan as provided under RCW 72.09.270 to the extent that such programming or activities are made available by the department; and

(v) Has not committed a new felony after July 22, 2007, while under community custody.

(d) In no other case shall the aggregate earned release time exceed one-third of the total sentence.

(4) The department shall perform a risk assessment of each offender who may qualify for earned early release under subsection (3)(c) of this section utilizing the risk assessment tool recommended by the Washington state institute for public policy. Subsection (3)(c) of this section does not apply to offenders convicted after July 1, 2010.

(5)(a) A person who is eligible for earned early release as provided in this section and who will be supervised by the department pursuant to RCW 9.94A.501 or 9.94A.5011, shall be transferred to community custody in lieu of earned release time;

(b) The department shall, as a part of its program for release to the community in lieu of earned release, require the offender to propose a release plan that includes an approved residence and...
living arrangement. All offenders with community custody terms eligible for release to community custody in lieu of earned release shall provide an approved residence and living arrangement prior to release to the community;

(c) The department may deny transfer to community custody in lieu of earned release time if the department determines an offender's release plan, including proposed residence location and living arrangements, may violate the conditions of the sentence or conditions of supervision, place the offender at risk to violate the conditions of the sentence, place the offender at risk to reoffend, or present a risk to victim safety or community safety. The department's authority under this section is independent of any court-ordered condition of sentence or statutory provision regarding conditions for community custody;

(d) If the department is unable to approve the offender's release plan, the department may do one or more of the following:

(i) Transfer an offender to partial confinement in lieu of earned early release for a period not to exceed three months. The three months in partial confinement is in addition to that portion of the offender's term of confinement that may be served in partial confinement as provided in RCW 9.94A.728(5);

(ii) Provide rental vouchers to the offender for a period not to exceed three months if rental assistance will result in an approved release plan. (Thia)

A voucher must be provided in conjunction with additional transition support programming or services that enable an offender to participate in services including, but not limited to, substance abuse treatment, mental health treatment, sex offender treatment, educational programming, or employment programming;

(e) The department shall maintain a list of housing providers that meets the requirements of section 2 of this act. If more than two voucher recipients will be residing per dwelling unit, as defined in RCW 59.18.030, rental vouchers for those recipients may only be paid to a housing provider on the department's list;

(f) For each offender who is the recipient of a rental voucher, the department shall (include, concurrent with the data that the department otherwise obtains and records, the housing status of the offender for the duration of the offender's supervision)) gather data as recommended by the Washington state institute for public policy and in order to best demonstrate whether rental vouchers are effective in reducing recidivism.

(6) An offender serving a term of confinement imposed under RCW 9.94A.670(5)(a) is not eligible for earned release credits under this section.

NEW SECTION. Sec. 2. A new section is added to chapter 72.09 RCW to read as follows:

(1) A housing provider may be placed on a list with the department to receive rental vouchers under RCW 9.94A.729 in accordance with the provisions of this section.

(2) For living environments with between four and eight beds, or a greater number of individuals if permitted by local code, the department shall provide transition support that verifies an offender is participating in programming or services including, but not limited to, substance abuse treatment, mental health treatment, sex offender treatment, educational programming, development of positive living skills, or employment programming. In addition, when selecting housing providers, the department shall consider the compatibility of the proposed offender housing with the surrounding neighborhood and underlying zoning. The department shall adopt procedures to limit the concentration of housing providers who provide housing to sex offenders in a single neighborhood or area.

(3)(a) The department shall provide the local law and justice council, county sheriff, or, if such housing is located within a city, a city's chief law enforcement officer with notice anytime a housing provider or new housing location requests to be or is added to the list within that county.

(b) The county or city local government may provide the department with a community impact statement which includes the number and location of other special needs housing in the neighborhood and a review of services and supports in the area to assist offenders in their transition. If a community impact statement is provided to the department within ten business days of the notice of a new housing provider or housing location request, the department shall consider the community impact statement in determining whether to add the provider to the list and, if the provider is added, shall include the community impact statement in the notice that a provider is added to the list within that county.

(4) If a certificate of inspection, as provided in RCW 59.18.125, is required by local regulation and the local government does not have a current certificate of inspection on file, the local government shall have ten business days from the later of (a) receipt of notice from the department as provided in subsection (3) of this section; or (b) from the date the local government is given access to the dwelling unit to conduct an inspection or reinspection to issue a certificate. This section is deemed satisfied if a local government does not issue a timely certificate of inspection.

(5)(a) If, within ten business days of receipt of a notice from the department of a new location or new housing provider, the county or city determines that the housing is in a neighborhood with an existing concentration of special needs housing, including but not limited to offender reentry housing, retirement homes, assisted living, emergency or transitional housing, or adult family homes, the county or city may request that the department program administrator remove the new location or new housing provider from the list.

(b) This subsection does not apply to housing providers approved by the department to receive rental vouchers on the effective date of this section.

(6) The county or city may at any time request a housing provider be removed from the list if it provides information to the department that:

(a) It has determined that the housing does not comply with state and local fire and building codes or applicable zoning and development regulations in effect at the time the housing provider first began receiving housing vouchers; or

(b) The housing provider is not complying with the provisions of this section.

(7) After receiving a request to remove a housing provider from the county or city, the department shall immediately notify the provider of the concerns and request that the provider demonstrate that it is in compliance with the provisions of this section. If, after ten days' written notice, the housing provider cannot demonstrate to the department that it is in compliance with the reasons for the county's or city's request for removal, the department shall remove the housing provider from the list.

(8) A housing provider who provides housing pursuant to this section is not liable for civil damages arising from the criminal conduct of an offender to any greater extent than a regular tenant, and no special duties are created under this section. 7

MESSAGE FROM THE HOUSE

April 12, 2013

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5723 with the following amendment(s): 5723-5.E AMH ENGR H2143.E

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 9.46 RCW to read as follows:

(1) A bona fide charitable or nonprofit organization, as defined in RCW 9.46.0209, whose primary purpose is serving individuals with intellectual disabilities may conduct enhanced raffles if licensed by the commission.

(2) The commission has the authority to approve two enhanced raffles per calendar year for western Washington and two enhanced raffles per calendar year for eastern Washington. Whether the enhanced raffle occurs in western Washington or eastern Washington will be determined by the location where the grand prize winning ticket is to be drawn as stated on the organization's application to the commission. An enhanced raffle is considered approved when voted on by the commission.

(3) The commission has the authority to approve enhanced raffles under the following conditions:

(a) The value of the grand prize must not exceed five million dollars.

(b) Sales may be made in person, by mail, by fax, or by telephone only. Raffle ticket order forms may be printed from the bona fide charitable or nonprofit organization's web site. Obtaining the form in this manner does not constitute a sale.

(c) Tickets purchased as part of a multiple ticket package may be purchased at a discount.

(d) Multiple smaller prizes are authorized during the course of an enhanced raffle for a grand prize including, but not limited to, early bird, refer a friend, and multiple ticket drawings.

(e) A purchase contract is not necessary for smaller noncash prizes, but the bona fide charitable or nonprofit organization must be able to demonstrate that such a prize is available and sufficient funds are held in reserve in the event that the winner chooses a noncash prize.

(f) All enhanced raffles and associated smaller raffles must be independently audited, as defined by the commission during rule making. The audit results must be reported to the commission.

(g) Call centers, when licensed by the commission, are authorized. The bona fide charitable or nonprofit organization may contract with a call center vendor to receive enhanced raffle ticket sales. The vendor may not solicit sales. The vendor may be located outside the state, but the bona fide charitable or nonprofit organization must have a contractual relationship with the vendor stating that the vendor must comply with all applicable Washington state laws and rules.

(h) The bona fide charitable or nonprofit organization must be the primary recipient of the funds raised.

(i) Sales data may be transmitted electronically from the vendor to the bona fide charitable or nonprofit organization. Credit cards, issued by a state regulated or federally regulated financial institution, may be used for payment to participate in enhanced raffles.

(j) Receipts including ticket confirmation numbers may be sent to ticket purchasers either by mail or e-mail.

(k) In the event the bona fide charitable or nonprofit organization determines ticket sales are insufficient to qualify for a complete enhanced raffle to move forward, the enhanced raffle winner must receive fifty percent of the net proceeds in excess of expenses as the grand prize. The enhanced raffle winner will receive a choice between an annuity value equal to fifty percent of the net proceeds in excess of expenses paid by annuity over twenty years, or a one-time cash payment of seventy percent of the annuity value.

(l) A bona fide charitable or nonprofit organization is authorized to hire a consultant licensed by the commission to run an enhanced raffle; in addition, the bona fide charitable or nonprofit organization must have a dedicated employee who is responsible for oversight of enhanced raffle operations. The bona fide charitable or nonprofit organization is ultimately responsible for ensuring that an enhanced raffle is conducted in accordance with all applicable state laws and rules.

(4) The commission has the authority to set fees for bona fide charitable or nonprofit organizations, call center vendors, and consultants conducting enhanced raffles authorized under this section.

(5) The commission has the authority to adopt rules governing the licensing and operation of enhanced raffles.

(6) Except as specifically authorized in this section, enhanced raffles must be held in accordance with all other requirements of this chapter, other applicable laws, and rules of the commission.

(7) For the purposes of this section:

(a) "Enhanced raffle" means a game in which tickets bearing an individual number are sold for not more than two hundred fifty dollars each and in which a grand prize and smaller prizes are awarded on the basis of drawings from the tickets by the person or persons conducting the game. An enhanced raffle may include additional related entries and drawings, such as early bird, refer a friend, and multiple ticket drawings when the bona fide charitable or nonprofit organization establishes the eligibility standards for such entries and drawings before any enhanced raffle tickets are sold. No drawing may occur by using a random number generator or similar means.

(b) "Early bird drawing" means a separate drawing for a separate prize held prior to the grand prize drawing. All tickets entered into the early bird drawing, including all early bird winning tickets, are entered into subsequent early bird drawings, and also entered into the drawing for the grand prize.

(c) "Refer a friend drawing" means a completely separate drawing, using tickets distinct from those for the enhanced raffle, for a separate prize held at the conclusion of the enhanced raffle for all enhanced raffle ticket purchasers, known as the referring friend, who refer other persons to the enhanced raffle when the other person ultimately purchases an enhanced raffle ticket. The referring friend will receive one ticket for each friend referred specifically for the refer a friend drawing. In addition, each friend referred could also become a referring friend and receive his or her own additional ticket for the refer a friend drawing.

(d) "Multiple ticket drawing" means a completely separate drawing, using tickets distinct from those for the enhanced raffle, for a separate prize held at the conclusion of the enhanced raffle for all enhanced raffle ticket purchasers who purchase a specified number of enhanced raffle tickets. For example, a multiple ticket drawing could include persons who purchase three or more enhanced raffle tickets in the same order, using the same payment information, with tickets in the same person's name. For each eligible enhanced raffle ticket purchased, the purchaser also receives a ticket for the multiple ticket drawing prize.

(e) "Western Washington" includes those counties west of the Cascade mountains, including Clallam, Clark, Cowlitz, Grays Harbor, Island, Jefferson, King, Kitsap, Lewis, Mason, Pacific, Pierce, San Juan, Skagit, Skamania, Snohomish, Thurston, Wahkiakum, and Whatcom.

(f) "Eastern Washington" includes those counties east of the Cascade mountains that are not listed in (e) of this subsection.

(8) By December 2016, the commission must report back to the appropriate committees of the legislature on enhanced raffles. The report must include results of the raffles, revenue generated by the raffles, and identify any state or federal regulatory actions taken in relation to enhanced raffles in Washington. The report must also

The President declared the question before the Senate to be the final passage of Senate Joint Memorial No. 8001, as amended by the House.

MESSAGE FROM THE HOUSE

April 15, 2013

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5630 with the following amendment(s): 5630-S AMPH KETT 007

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec. 1. A new section is added to chapter 70.128 RCW to read as follows:

(1) The protection of vulnerable residents living in adult family homes and other long-term care facilities in the state is a matter of ongoing concern and grave importance. In 2011, the legislature examined problems with the quality of care and oversight of adult family homes in Washington. The 2011 legislature passed Engrossed Substitute House Bill No. 1277 to address some of these issues, and in addition, created an adult family home quality assurance panel report in order to improve the quality of care of vulnerable residents and the department's oversight of adult family homes.

Sec. 2. RCW 70.128.060 and 2011 1st sp.s. c 3 s 403 are each amended to read as follows:

(1) An application for license shall be made to the department upon forms provided by it and shall contain such information as the department reasonably requires.

(2) Subject to the provisions of this section, the department shall issue a license to an adult family home if the department finds that the applicant and the home are in compliance with this chapter and the rules adopted under this chapter. The department may not issue a license if (a) the applicant or a person affiliated with the applicant has prior violations of this chapter relating to the adult family home subject to the application or any other adult family home, or of any other law regulating residential care facilities within the past ten years that resulted in revocation, suspension, or nonrenewal of a license or contract with the department; or (b) the applicant or a person affiliated with the applicant has a history of significant noncompliance with federal, state, or local laws, rules, or regulations relating to the provision of care or services to vulnerable adults or to children. A person is considered affiliated with an applicant if the person is listed on the license application as a partner, officer, director, resident manager, or majority owner of the applying entity, or is the spouse of the applicant.

(3) The license fee shall be submitted with the application.

(4) Proof of financial solvency must be submitted when requested by the department.

(5) The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within twenty-eight days after receipt of the notice of denial.

(6) The department shall not issue a license to a provider if the department finds that the provider or spouse of the provider or any partner, officer, director, managerial employee, or majority owner has a history of significant noncompliance with federal or state regulations, rules, or laws in providing care or services to vulnerable adults or to children.

(7) The department shall license an adult family home for the maximum level of care that the adult family home may provide. The department shall define, in rule, license levels based upon the education, training, and caregiving experience of the licensed provider or staff.

(8) For adult family homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of providers and resident managers consistent with RCW 70.128.230, and also is required for caregivers, with standardized competency testing for caregivers hired after the effective date of this section, as set forth by the department in rule. The department shall examine, with input from experts, providers, consumers, and advocates, whether the existing specialty training courses are adequate for providers, resident managers, and caregivers to meet these residents’ special needs, are sufficiently standardized in curricula and instructional techniques, and are accompanied by effective tools to fairly evaluate successful student completion. The department may enhance the existing specialty training requirements by rule, and may update curricula, instructional techniques, and competency testing based upon its review and stakeholder input. In addition, the department shall examine, with input from experts, providers, consumers, and advocates, whether additional specialty training categories should
be created for adult family homes serving residents with other special needs, such as traumatic brain injury, skilled nursing, or bariatric care. The department may establish, by rule, additional specialty training categories and requirements for providers, resident managers, and caregivers, if needed to better serve residents with such special needs.

(9) The department shall establish, by rule, standards used to license nonresident providers and multiple facility operators.

(10) The department shall establish, by rule, for multiple facility operators educational standards substantially equivalent to recognized national certification standards for residential care administrators.

(11) At the time of an application for an adult family home license and upon the annual fee renewal date set by the department, the licensee shall pay a license fee. Beginning July 1, 2011, the per bed license fee and any processing fees, including the initial license fee, must be established in the omnibus appropriations act and any amendment or additions made to that act. The license fees established in the omnibus appropriations act and any amendment or additions made to that act may not exceed the department's annual licensing and oversight activity costs and must include the department's cost of paying providers for the amount of the license fee attributed to medicaid clients.

(12) A provider who receives notification of the department's initiation of a denial, suspension, nonrenewal, or revocation of an adult family home license may, in lieu of appealing the department's action, surrender or relinquish the license. The department shall not issue a new license to or contract with the provider, for the purposes of providing care to vulnerable adults or children, for a period of twenty years following the surrendering or relinquishment of the former license. The licensing record shall indicate that the provider relinquished or surrendered the license, without admitting the violations, after receiving notice of the department's initiation of a denial, suspension, nonrenewal, or revocation of a license.

(13) The department shall establish, by rule, the circumstances requiring a change in the licensed provider, which include, but are not limited to, a change in ownership or control of the adult family home or provider, a change in the provider's form of legal organization, such as from sole proprietorship to partnership or corporation, and a dissolution or merger of the licensed entity with another legal organization. The new provider is subject to the provisions of this chapter, the rules adopted under this chapter, and other applicable law. In order to ensure that the safety of residents is not compromised by a change in provider, the new provider is responsible for correction of all violations that may exist at the time of the new license.

**NEW SECTION.** Sec. 3. A new section is added to chapter 70.128 RCW to read as follows:

(1) In order to enhance the selection of an appropriate adult family home, all adult family homes licensed under this chapter shall disclose the scope of, and charges for, the care, services, and activities provided by the home or customarily arranged for by the home. The disclosure must be provided to the home's residents and the residents' representatives, if any, prior to admission, and to interested prospective residents and their representatives upon request, using standardized disclosure forms developed by the department with stakeholders' input. The home may also disclose supplemental information to prospective residents and other interested persons.

(2)(a) The disclosure forms that the department develops must be standardized, reasonable in length, and easy to read. The form setting forth the scope of an adult family home's care, services, and activities must be available from the adult family home through a link to the department's web site developed pursuant to this section. This form must indicate, among other categories, the scope of personal care and medication service provided, the scope of skilled nursing services or nursing delegation provided or available, any specialty care designations held by the adult family home, the customary number of caregivers present during the day and whether the home has awake staff at night, any particular cultural or language access available, and clearly state whether the home admits medicaid clients or retains residents who later become eligible for medicaid. The adult family home shall provide or arrange for the care, services, and activities disclosed in its form.

(b) The department must also develop a second standardized disclosure form with stakeholders' input for use by adult family homes to set forth an adult family home's charges for its care, services, items, and activities, including the charges not covered by the home's daily or monthly rate, or by medicaid, medicare, or other programs. This form must be available from the home and disclosed to residents and their representatives, if any, prior to admission, and to interested prospective residents and their representatives upon request.

(3)(a) If the adult family home decreases the scope of care, services, or activities it provides, due to circumstances beyond the home's control, the home shall provide a minimum of thirty days' written notice to the residents, and the residents' representative if any, before the effective date of the decrease in the scope of care, services, or activities provided.

(b) If the adult family home voluntarily decreases the scope of care, services, or activities it provides, and any such decrease will result in the discharge of one or more residents, then ninety days' written notice must be provided prior to the effective date of the decrease. Notice must be given to the residents and the residents' representative, if any.

(c) If the adult family home increases the scope of care, services, or activities it provides, the home shall promptly provide written notice to the residents, and the residents' representative if any, and shall indicate the date on which the increase is effective.

(4) When the care needs of a resident exceed the disclosed scope of care or services that the adult family home provides, the home may exceed the care or services previously disclosed, provided that the additional care or services are permitted by the adult family home's license, and the home can safely and appropriately serve the resident with available staff or through the provision of reasonable accommodations required by state or federal law. The provision of care or services to a resident that exceed those previously disclosed by the home does not mean that the home is capable of or required to provide the same care or services to other residents, unless required as a reasonable accommodation under state or federal law.

(5) An adult family home may deny admission to a prospective resident if the home determines that the needs of the prospective resident cannot be met, so long as the adult family home operates in compliance with state and federal law, including RCW 70.129.030(3) and the reasonable accommodation requirements of state and federal antidiscrimination laws.

(6) The department shall work with consumers, advocates, and other stakeholders to combine and improve existing web resources to create a more robust, comprehensive, and user-friendly web site for family members, residents, and prospective residents of adult family homes in Washington. The department may contract with outside vendors and experts to assist in the development of the web site. The web site should be easy to navigate and have links to information important for residents, prospective residents, and their family members or representatives including, but not limited to: (a) Explanations of the types of licensed long-term care facilities, levels of care, and specialty designations; (b) lists of suggested questions when looking for a care facility; (c) warning signs of abuse, neglect, or financial exploitation; and (d) contact information for the department and the long-term care ombudsman. In addition, the consumer oriented web site should include a searchable list of all...
adult family homes in Washington, with links to inspection and investigation reports and any enforcement actions by the department for the previous three years. If a violation or enforcement remedy is deleted, rescinded, or modified under RCW 70.128.167 or chapter 34.05 RCW, the department shall make the appropriate changes to the information on the web site as soon as reasonably feasible, but no later than thirty days after the violation or enforcement remedy has been deleted, rescinded, or modified. To facilitate the comparison of adult family homes, the web site should also include a link to each licensed adult family home’s disclosure form required by subsection (2)(a) of this section. The department’s web site should also include periodically updated information about whether an adult family home has a current vacancy, if the home provides such information to the department, or may include links to other consumer-oriented web sites with the vacancy information.

Sec. 4. RCW 70.128.160 and 2011 1st sp.s. c 3 s 208 are each amended to read as follows:

(1) The department is authorized to take one or more of the actions listed in subsection (2) of this section in any case in which the department finds that an adult family home provider has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under this chapter;

(b) Operated an adult family home without a license or under a revoked license;

(c) Knowingly or with reason to know made a false statement of material fact on his or her application for license or any data attached thereto, or in any matter under investigation by the department;

(d) Willfully prevented or interfered with any inspection or investigation by the department.

(2) When authorized by subsection (1) of this section, the department may take one or more of the following actions:

(a) Refuse to issue a license;

(b) Impose reasonable conditions on a license, such as correction within a specified time, training, and limits on the type of clients the provider may admit or serve;

(c) Impose civil penalties of at least one hundred dollars per day per violation;

(d) Impose civil penalties of up to three thousand dollars for each incident that violates adult family home licensing laws and rules, including, but not limited to, chapters 70.128, 70.129, 74.34, and 74.39A RCW and related rules. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty;

(e) Impose civil penalties of up to ten thousand dollars for a current or former licensed provider who is operating an unlicensed home;

(f) Suspend, revoke, or refuse to renew a license; or

(g) Suspend admissions to the adult family home by imposing stop placement.

(3) When the department orders stop placement, the facility shall not admit any person until the stop placement order is terminated. The department may approve readmission of a resident to the facility from a hospital or nursing home during the stop placement. The department shall terminate the stop placement (when) only after: (a) The violations necessitating the stop placement have been corrected; and (b) The provider exhibits the capacity to maintain correction of the violations previously found deficient. However, if upon the revisit the department finds new violations that the department reasonably believes will result in a new stop placement, the previous stop placement shall remain in effect until the new stop placement is imposed. In order to protect the home’s existing residents from potential ongoing neglect, when the provider has been cited for a violation that is repeated, uncorrected, pervasive, or presents a threat to the health, safety, or welfare of one or more residents, and the department has imposed a stop placement, the department shall also impose a condition on license or other remedy to facilitate or spur prompter compliance if the violation has not been corrected, and the provider has not exhibited the capacity to maintain correction, within sixty days of the stop placement.

(4) Nothing in subsection (3) of this section is intended to apply to stop placement imposed in conjunction with a license revocation or summary suspension or to prevent the department from imposing a condition on license or other remedy prior to sixty days after a stop placement, if the department considers it necessary to protect one or more residents' well-being. After a department finding of a violation for which a stop placement has been imposed, the department shall make an on-site revisit of the provider within fifteen working days from the request for revisit, to ensure correction of the violation. For violations that are serious or recurring or uncorrected following a previous citation, and create actual or threatened harm to one or more residents’ well-being, including violations of residents’ rights, the department shall make an on-site revisit as soon as appropriate to ensure correction of the violation. Verification of correction of all other violations may be made by either a department on-site revisit or by written or photographic documentation found by the department to be credible. This subsection does not prevent the department from enforcing license suspensions or revocations. Nothing in this subsection shall interfere with or diminish the department's authority and duty to ensure that the provider adequately cares for residents, including to make departmental on-site revisits as needed to ensure that the provider protects residents, and to enforce compliance with this chapter.

(5) Chapter 34.05 RCW applies to department actions under this section, except that orders of the department imposing license suspension, stop placement, or conditions for continuation of a license are effective immediately upon notice and shall continue in effect pending any hearing.

(6) A separate adult family home account is created in the custody of the state treasurer. All receipts from civil penalties imposed under this chapter must be deposited into the account. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. The department shall use the special account only for promoting the quality of life and care of residents living in adult family homes.

(7) The department shall by rule specify criteria as to when and how the sanctions specified in this section must be applied. The criteria must provide for the imposition of incrementally more severe penalties for deficiencies that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. The criteria shall be tiered such that those homes consistently found to have deficiencies will be subjected to increasingly severe penalties. The department shall implement prompt and specific enforcement remedies without delay for providers found to have delivered care or failed to deliver care resulting in problems that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. In the selection of remedies, the health, safety, and well-being of residents must be of paramount importance.
licensor or complaint investigator may not include in the home's report the violation or deficiency if the violation or deficiency:

(a) Is corrected to the satisfaction of the department prior to the exit conference;
(b) Is not recurring; and
(c) Did not pose a significant risk of harm or actual harm to a resident.

(2) For the purposes of this section, "recurring" means that the violation or deficiency was found under the same regulation or statute in one of the two most recent preceding inspections, reinspections, or complaint investigations.

NEW SECTION. Sec. 6. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2013, in the omnibus appropriations act, this act is null and void."

Correct the title.

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 11, 2013

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5215 with the following amendment(s): 5215-S2.E AMH HCW H2216.1

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that Washington state is a provider friendly state within which to practice medicine. As part of health care reform, Washington state endeavors to establish and operate a state-based health benefits exchange wherein insurance products will be offered for sale and add potentially three hundred thousand patients to commercial insurance, and to expand access to medicaid for potentially three hundred thousand new enrollees. Such a successful and new insurance market in Washington state will require the willing participation of all categories of health care providers. The legislature further finds that principles of fair contracting apply to all contracts between health care providers and health insurance carriers offering insurance within Washington state and that fair dealings and transparency in expectations should be present in interactions between all third-party payors and health care providers.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Health care provider” or "provider" has the same meaning as in RCW 48.43.005 and, for the purposes of this chapter, includes facilities licensed under chapter 70.41 RCW.

(2) "Payor" or "third-party payor" means carriers licensed under chapters 48.20, 48.21, 48.44, and 48.46 RCW, and managed health care systems as defined in RCW 74.09.522.

(3) "Material amendment” means an amendment to a contract between a payor and health care provider that would result in requiring a health care provider to participate in a health plan, product, or line of business with a lower fee schedule in order to continue to participate in a health plan, product, or line of business with a higher fee schedule. A material amendment does not include any of the following:

(a) A decrease in payment or compensation resulting from a change in a fee schedule published by the payor upon which the payment or compensation is based and the date of applicability is clearly identified in the contract, compensation addendum, or fee schedule notice;

(b) A decrease in payment or compensation that was anticipated under the terms of the contract, if the amount and date of applicability of the decrease is clearly identified in the contract; or

(c) Changes unrelated to compensation so long as reasonable notice of not less than sixty days is provided.

NEW SECTION. Sec. 3. (1) A third-party payor shall provide no less than sixty days' notice to the health care provider of any proposed material amendments to a health care provider's contract with the third-party payor.

(2) Any material amendment to a contract must be clearly defined in a notice to the provider from the third-party payor as being a material change to the contract before the provider's notice period begins. The notice must also inform the providers that they may choose to reject the terms of the proposed material amendment through written or electronic means at any time during the notice period and that such rejection may not affect the terms of the health care provider's existing contract with the third-party payor.

(3) A health care provider's rejection of the material amendment does not affect the terms of the health care provider's existing contract with the third-party payor.

(4) A failure to comply with the terms of subsections (1), (2), and (3) of this section shall void the effectiveness of the material amendment.

NEW SECTION. Sec. 4. A payor may require a health care provider to extend the payor's medicaid rates, or some percentage above the payor's medicaid rates, that govern a health benefit program administered by a public purchaser to a commercial plan or
ONE HUNDREDTH DAY, APRIL 23, 2013

line of business offered by a payor that is not administered by a public purchaser only if the health care provider has expressly agreed in writing to the extension. For the purposes of this section, “administered by a public purchaser” does not include commercial coverage offered through the Washington health benefit exchange. Nothing in this section prohibits a payor from utilizing medicaid rates, or some percentage above medicaid rates, as a base when negotiating payment rates with a health care provider.

NEW SECTION. Sec. 5. A new section is added to chapter 18.130 RCW to read as follows:

No licensee subject to this chapter may be required to participate in any public or private third-party reimbursement program or any plans or products offered by a payor as a condition of licensure.

NEW SECTION. Sec. 6. Sections 1 through 4 of this act constitute a new chapter in Title 48 RCW."

Correct the title.

and the same are herewith transmitted.

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5705 with the following amendment(s): 5705-S AMH CARL H2459.1

On page 2, after line 3, insert the following:

"NEW SECTION. Sec. 2. The legislature finds that it is difficult for many property owners to pay property taxes under the current system where past due property tax payments must be paid in full, including penalties and interest. The legislature further finds that providing counties and property owners some flexibility in structuring past due property tax payments may provide some relief for property owners with delinquent tax payments.

Sec. 3. RCW 84.56.020 and 2010 c 200 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and, except as provided in this section, shall be delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of . . . . County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax be paid on or before the thirtieth day of April, the remainder of such tax is due and payable on or before the thirty-first day of October following and shall be delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax be paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the thirty-first day of October following and is delinquent after that date.

(5) Except as provided in (c) of this subsection, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the full year amount of tax unpaid is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the amount of tax delinquent on December 1st of the year in which the tax is due.

(c) If a taxpayer is successfully participating in a payment agreement under subsection (1)(b) of this section, the county treasurer may not assess additional penalties on delinquent taxes that are included within the payment agreement. Interest and penalties that have been assessed prior to the payment agreement remain due and payable as provided in the payment agreement.

(b) When real property taxes become delinquent and prior to the filing of the certificate of delinquency, the treasurer is authorized to assess and collect tax foreclosure avoidance costs.

(6) (a) For purposes of this section, "tax foreclosure avoidance costs" means those costs that can be identified specifically with the administration of properties subject to and prior to foreclosure. Tax foreclosure avoidance costs include:

(i) Compensation of employees for the time devoted and identified specifically to administering the avoidance of property foreclosure; and

(ii) The cost of materials, services, or equipment acquired, consumed, or expended specifically for the purpose of administering tax foreclosure avoidance prior to the filing of a certificate of delinquency.

(c) When tax foreclosure avoidance costs are collected, the tax foreclosure avoidance costs must be credited to the county treasurer service fund account, except as otherwise directed.

(d) For purposes of chapter 84.64 RCW, any taxes, interest, or penalties deemed delinquent under this section remain delinquent until such time as all taxes, interest, and penalties for the tax year in which the taxes were first due and payable have been paid in full.

(7) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict on delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

(7) (a) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

(9) (2) For purposes of this chapter, "interest" means both interest and penalties.

(10) All collections of interest on delinquent taxes must be credited to the county current expense fund; but the cost of foreclosure and sale of real property, and the fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint and sale for delinquent taxes without regard to budget limitations.

(11) (a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, interest, and charges by electronic bill presentment and payment. Electronic bill presentment and payment may be utilized as an option by the taxpayer, but the treasurer may not require the use of electronic bill presentment and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for((prepayments)) delinquent tax year payments only or for((pre)payments of current tax. All prepayments must be paid in full by the due date specified in (c) of this subsection. Payments on past
due taxes must include collection of the oldest delinquent year, which includes interest and taxes within a twelve-month period, prior to filing a certificate of delinquency under chapter 84.64 RCW or distraint pursuant to RCW 84.56.070.

(b) The treasurer must provide, by electronic means or otherwise, a payment agreement that may include prepayment collection charges. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic bill and provides for payment of current year taxes, inclusive of prepayment collection charges. The treasurer may provide, by electronic means or otherwise, a payment agreement for payment of past due delinquencies, which must also require current year taxes to be paid timely. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic or alternative bill, which includes a payment plan for current year taxes.

(c) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and are delinquent after that date. The remainder of the tax is due and payable on or before the thirty-first day of October following and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

(d) A county treasurer may authorize payment of past due property taxes, penalties, and interest under this chapter by electronic funds transfer payments on a monthly basis. Monthly payments must first be applied to penalties and interest. Delinquent taxes are subject to interest and penalties, as provided in subsection (5) of this section.

(e) The treasurer must pay any collection costs, investment earnings, or both on past due payments or prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

(11) For purposes of this section unless the context clearly requires otherwise, the following definitions apply:

(a) “Electronic bill presentment and payment” means statements, invoices, or bills that are created, delivered, and paid using the internet. The term includes an automatic electronic statements, invoices, or bills that are created, delivered, and paid accruing costs, and ((shall)) must proceed to advertise the same by posting written notices in three public places in the county in which such property has been distrained, one of which places ((shall)) must be at the county courthouse, such notice to state the time when and place where such property will be sold.

(b) The county treasurer, or the treasurer’s deputy, ((shall)) must tax the same fees for making the distraint and sale of goods and chattels for the payment of taxes as are allowed by law to sheriffs for making levy and sale of property on execution; traveling fees to be computed from the county seat of the county to the place of making distraint.

(c) If the taxes for which such property is distrained, and the interest and costs accruing thereon, are not paid before the date appointed for such sale, which ((shall)) may not be less than ten days after the taking of such property, such treasurer or treasurer’s designee ((shall)) must proceed to sell such property at public auction, or so much thereof as ((shall)) is sufficient to pay such taxes, with interest and costs, and if there be any excess of money arising from the sale of any personal property, the treasurer ((shall)) must pay such excess less any cost of the auction to the owner of the property so sold or to his or her legal representative((;

PROVIDED, That whenever it shall become)).

(d) If necessary to distraint any standing timber owned separately from the ownership of the land upon which the same may stand, or any fish trap, pound net, reef net, set net, or drag seine fishing location, or any other personal property as the treasurer ((shall)) determines to be incapable or reasonably impracticable of manual delivery, it ((shall)) is deemed to have been distrained and taken into possession when the treasurer ((shall have)) has, at least thirty days before the date fixed for the sale thereof, filed with the auditor of the county wherein such property is located a notice in writing reciting that the treasurer has distrained such property, describing it, giving the name of the owner or reputed owner, the amount of the tax due, with interest, and the time and place of sale(s). A copy of the notice ((shall)) must also be sent to the owner or reputed owner at his or her last known address, by registered letter at least thirty days prior to the date of sale((; AND PROVIDED FURTHER, That)).

(e) If the county treasurer has reasonable grounds to believe that any personal property, including mobile homes, manufactured homes, or park model trailers, upon which taxes have been levied, but not paid, is about to be removed from the county where the same has been assessed, or is about to be destroyed, sold, or disposed of, the county treasurer may demand such taxes, without the notice provided for in this section, and if necessary may ((forthwith)) distraint sufficient goods and chattels to pay the same.”

Correct the title, and the same are herewith transmitted.

(15) "Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. This definition may include a vulnerable adult who is receiving services through home health, hospice, or a home care agency, or an individual provider when the neglect is not a result of inaction by that agency or individual provider.

(16) "Social worker" means:

If abuse, neglect, or abandonment caused or contributed to the death of a vulnerable adult, the death is a death caused by unnatural or unlawful means, and the body shall be the jurisdiction of the coroner or medical examiner pursuant to RCW 68.50.010.

(6) Permissive reporters may report to the department or a law enforcement agency when there is reasonable cause to believe that a vulnerable adult is being or has been abandoned, abused, financially exploited, or neglected.

(7) No facility, as defined by this chapter, agency licensed or required to be licensed under chapter 70.127 RCW, or facility or agency under contract with the department to provide care for vulnerable adults may develop policies or procedures that interfere with the reporting requirements of this chapter.

(8) Each report, oral or written, must contain as much as possible of the following information:

(a) The name and address of the person making the report;
(b) The name and address of the vulnerable adult and the name of the facility or agency providing care for the vulnerable adult;
(c) The name and address of the legal guardian or alternate decision maker;
(d) The nature and extent of the abandonment, abuse, financial exploitation, neglect, or self-neglect;
(e) Any history of previous abandonment, abuse, financial exploitation, neglect, or self-neglect;
(f) The identity of the alleged perpetrator, if known; and
(g) Other information that may be helpful in establishing the extent of abandonment, abuse, financial exploitation, neglect, or the cause of death of the deceased vulnerable adult.

(9) Unless there is a judicial proceeding or the person consents, the identity of the person making the report under this section is confidential.

(10) In conducting an investigation of abandonment, abuse, financial exploitation, self-neglect, or neglect, the department or law enforcement, upon request, must have access to all relevant records related to the vulnerable adult that are in the possession of mandated reporters and their employees, unless otherwise prohibited by law. Records maintained under RCW 4.24.250, 18.20.390, 43.70.510, 70.41.200, 70.230.080, and 74.42.640 shall not be subject to the requirements of this subsection. Providing access to records relevant to an investigation by the department or law enforcement
under this provision may not be deemed a violation of any confidential communication privilege.

Sec. 3. RCW 74.34.067 and 2011 c 170 s 2 are each amended to read as follows:

(1) Where appropriate, an investigation by the department may include a private interview with the vulnerable adult regarding the alleged abandonment, abuse, financial exploitation, neglect, or self-neglect.

(2) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to interview the vulnerable adult or adults harmed, and, consistent with the protection of the vulnerable adult shall interview facility staff, any available independent sources of relevant information, including if appropriate the family members of the vulnerable adult.

(3) The department may conduct ongoing case planning and consultation with: (a) Those persons or agencies required to report under this chapter or submit a report under this chapter; (b) consultants designated by the department; and (c) designated representatives of Washington Indian tribes if client information exchanged is pertinent to cases under investigation or the provision of protective services. Information considered privileged by statute and not directly related to reports required by this chapter must not be divulged without a valid written waiver of the privilege.

(4) The department shall prepare and keep on file a report of each investigation conducted by the department for a period of time in accordance with policies established by the department.

(5) If the department has reason to believe that the vulnerable adult has suffered from abandonment, abuse, financial exploitation, neglect, or self-neglect, and lacks the ability or capacity to consent, and needs the protection of a guardian, the department may bring a guardianship action under chapter 11.88 RCW.

(6) For purposes consistent with this chapter, the department, the certified professional guardian board, and the office of public guardianship may share information contained in reports and investigations of the abuse, abandonment, neglect, self-neglect, and financial exploitation of vulnerable adults. This information may be used solely for: (a) recruiting or appointing appropriate guardians and (b) monitoring, or when appropriate, disciplining certified professional or public guardians. Reports of abuse, abandonment, neglect, self-neglect, and financial exploitation are confidential under RCW 74.34.095 and other laws, and secondary disclosure of information shared under this section is prohibited.

(7) When the investigation is completed and the department determines that an incident of abandonment, abuse, financial exploitation, neglect, or self-neglect has occurred, the department shall inform the vulnerable adult of their right to refuse protective services, and ensure that, if necessary, appropriate protective services are provided to the vulnerable adult, with the consent of the vulnerable adult. If the vulnerable adult has the right to withdraw or refuse protective services.

((4))) (8) The department's adult protective services division may enter into agreements with federally recognized tribes to investigate reports of abandonment, abuse, financial exploitation, neglect, or self-neglect of vulnerable adults on property over which a federally recognized tribe has exclusive jurisdiction. If the department has information that abandonment, abuse, financial exploitation, or neglect is criminal or is placing a vulnerable adult on tribal property at potential risk of personal or financial harm, the department may notify tribal law enforcement or another tribal representative specified by the tribe. Upon receipt of the notification, the tribe may assume jurisdiction of the matter. Neither the department nor its employees may participate in the investigation after the tribe assumes jurisdiction. The department, its officers, and its employees are not liable for any action or inaction of the tribe or for any harm to the alleged victim, the person against whom the allegations were made, or other parties that occurs after the tribe assumes jurisdiction. Nothing in this section limits the department's jurisdiction and authority over facilities or entities that the department licenses or certifies under federal or state law.

((9))) (9) The department may photograph a vulnerable adult or their environment for the purpose of providing documentary evidence of the physical condition of the vulnerable adult or his or her environment. When photographing the vulnerable adult, the department shall obtain permission from the vulnerable adult or his or her legal representative unless immediate photographing is necessary to preserve evidence. However, if the legal representative is alleged to have abused, neglected, abandoned, or exploited the vulnerable adult, consent from the legal representative is not necessary. No such consent is necessary when photographing the physical environment.

((10))) (10) When the investigation is complete and the department determines that the incident of abandonment, abuse, financial exploitation, or neglect has occurred, the department shall inform the facility in which the incident occurred, consistent with confidentiality requirements concerning the vulnerable adult, witnesses, and complainants.

(1) A managed health care system participating in the plan shall do so by contract with the ((administrator)) director and shall provide, directly or by contract with other health care providers, covered basic health care services to each enrollee covered by its contract with the ((administrator)) director as long as payments from the ((administrator)) director on behalf of the enrollee are current. A participating managed health care system may offer, without additional cost, health care benefits or services not included in the schedule of covered services under the plan. A participating managed health care system shall not give preference in enrollment to enrollees who accept such additional health care benefits or services. Managed health care systems participating in the plan shall not discriminate against any potential or current enrollee based upon health status, sex, race, ethnicity, or religion. The ((administrator)) director may receive and act upon complaints from enrollees regarding failure to provide covered services or efforts to obtain payment, other than authorized copayments, for covered services directly from enrollees, but nothing in this chapter empowers the ((administrator)) director to impose any sanctions under Title 18 RCW or any other professional or facility licensing statute.

(2) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(3) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the authority, including hospital-based physician services. The authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(4) The plan shall allow, at least annually, an opportunity for enrollees to transfer their enrollments among participating managed health care systems serving their respective areas. The ((administrator)) director shall establish a period of at least twenty days in a given year when this opportunity is afforded enrollees, and in those areas served by more than one participating managed health care system the ((administrator)) director shall endeavor to establish a uniform period for such opportunity. The plan shall allow enrollees to transfer their enrollment to another participating managed health care system at any time upon a showing of good cause for the transfer.

(5) Prior to negotiating with any managed health care system, the ((administrator)) director shall determine, on an actuarially sound basis, the reasonable cost of providing the schedule of basic health care services, expressed in terms of upper and lower limits, and recognizing variations in the cost of providing the services through the various systems and in different areas of the state.

(6) In negotiating with managed health care systems for participation in the plan, the ((administrator)) director shall adopt a uniform procedure that includes at least the following:

(a) The ((administrator)) director shall issue a request for proposals, including standards regarding the quality of services to be provided; financial integrity of the responding systems; and responsiveness to the unmet health care needs of the local communities or populations that may be served;

(b) The ((administrator)) director shall then review responsive proposals and may negotiate with respondents to the extent necessary to refine any proposals;

(c) The ((administrator)) director may then select one or more systems to provide the covered services within a local area; and

(d) The ((administrator)) director may adopt a policy that gives preference to respondents, such as nonprofit community health clinics, that have a history of providing quality health care services to low-income persons.

(7)(a) The ((administrator)) director may contract with a managed health care system to provide covered basic health care services to subsidized enrollees, nonsubsidized enrollees, health coverage tax credit eligible enrollees, or any combination thereof. At a minimum, such contracts issued on or after January 1, 2012, must include:

(i) Provider reimbursement methods that incentivize chronic care management within health homes;

(ii) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use; and

(iii) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training unless the managed care system is an integrated health delivery system that has programs in place for chronic care management.

(b) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(c) For the purposes of this subsection, "chronic care management," "chronic condition," and "health home" have the same meaning as in RCW 74.09.010.

(d) Contracts that include the items in (a)(i) through (iii) of this subsection must not exceed the rates that would be paid in the absence of these provisions.

(8) The ((administrator)) director may establish procedures and policies to further negotiate and contract with managed health care systems following completion of the request for proposal process in subsection (6) of this section, upon a determination by the ((administrator)) director that it is necessary to provide access, as defined in the request for proposal documents, to covered basic health care services for enrollees.

MESSAGE FROM THE HOUSE

April 16, 2013

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5449 with the following amendment(s): 5449-S.E AMH HCW H2152.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The federal patient protection and affordable care act of 2010, P.L. 111-148, as amended, prohibits the imposition of any preexisting condition coverage exceptions in the individual market for insurance coverage beginning January 1, 2014. The affordable care act also extends opportunities for individuals to enroll in comprehensive coverage in a health benefit exchange beginning January 1, 2014. The legislature finds that some individuals may still be barred from enrolling in the new comprehensive coverage options and it is the intent of the legislature to continue some limited access to the Washington state health insurance pool for a transitional period, and to provide for modification to the pool to reflect changes in federal law and insurance availability.

Sec. 2. RCW 48.41.060 and 2011 c 314 s 13 are each amended to read as follows:

(1) The board shall have the general powers and authority granted under the laws of this state to insurance companies, health care service contractors, and health maintenance organizations, licensed or registered to offer or provide the kinds of health coverage defined under this title. In addition thereto, the board shall:

(a) [[Designate or establish the standard health questionnaire to be used under RCW 48.41.100 and 48.43.018, including the form and content of the standard health questionnaire and the method of its application. The questionnaire must provide for an objective evaluation of an individual's health status by assigning a discreet measure, such as a system of point scoring to each individual. The questionnaire must not contain any questions related to pregnancy, and pregnancy shall not be a basis for coverage by the pool. The questionnaire shall be designed such that it is reasonably expected to identify the eight percent of persons who are the most costly to treat who are under individual coverage in health benefit plans, as defined in RCW 48.43.005, in Washington state or are covered by the pool, if applied to all such persons;]]

(b) [[Obtain from a member of the American academy of actuaries, who is independent of the board, a certification that the standard health questionnaire meets the requirements of (a) of this subsection;]]

(c) [[Approve the standard health questionnaire and any modifications needed to comply with this chapter. The standard health questionnaire shall be submitted to an actuary for certification, modified as necessary, and approved at least every thirty-six months unless at the time when certification is required the pool will be discontinued before the end of the succeeding thirty-six month period. The designation and approval of the standard health questionnaire by the board shall not be subject to review and approval by the commissioner. The standard health questionnaire or any modification thereto shall not be used until ninety days after public notice of the approval of the questionnaire or any modification thereto, except that the initial standard health questionnaire approved for use by the board after March 23, 2000, may be used immediately following public notice of such approval;]]

(d) [[Establish appropriate rates, rate schedules, rate adjustments, expense allowances, claim reserve formulas and any other actuarial functions appropriate to the operation of the pool. Rates shall not be unreasonable in relation to the coverage provided, the risk experience, and expenses of providing the coverage. Rates and rate schedules may be adjusted for appropriate risk factors such as age and area variation in claim costs and shall take into account the following:]]
consideration appropriate risk factors in accordance with established actuarial underwriting practices consistent with Washington state individual plan rating requirements under RCW 48.44.022 and 48.46.064;

((i)(ii)) (b)(i) Assess members of the pool in accordance with the provisions of this chapter, and make advance interim assessments as may be reasonable and necessary for the organizational or interim operating expenses. Any interim assessments will be credited as offsets against any regular assessments due following the close of the year.

(ii) Self-funded multiple employer welfare arrangements are subject to assessment under this subsection only in the event that assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq. The arrangements and the commissioner shall initially request an advisory opinion from the United States department of labor or obtain a declaratory ruling from a federal court on the legality of imposing assessments on these arrangements before imposing the assessment. Once the legality of the assessments has been determined, the multiple employer welfare arrangement certified by the insurance commissioner must begin payment of these assessments.

(iii) If there has not been a final determination of the legality of these assessments, then beginning on the earlier of (A) the date the fourth multiple employer welfare arrangement has been certified by the insurance commissioner, or (B) April 1, 2006, the arrangement shall deposit the assessments imposed by this subsection into an interest bearing escrow account maintained by the arrangement. Upon a final determination that the assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq., all funds in the interest bearing escrow account shall be transferred to the board;

((i)(v)) (c) Issue policies of health coverage in accordance with the requirements of this chapter;

((i)(v)) (g) Provide certification to the commissioner when assessments will exceed the threshold level established in RCW 48.41.037.

(2) In addition thereto, the board may:

(a) Enter into contracts as are necessary or proper to carry out the provisions and purposes of this chapter including the authority, with the approval of the commissioner, to enter into contracts with similar pools of other states for the joint performance of common administrative functions, or with persons or other organizations for the performance of administrative functions;

(b) Sue or be sued, including taking any legal action as necessary to avoid the payment of improper claims against the pool or the coverage provided by or through the pool;

(c) Appoint appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the pool, policy, and other contract design, and any other function within the authority of the pool; and

(d) Conduct periodic audits to assure the general accuracy of the financial data submitted to the pool, and the board shall cause the pool to have an annual audit of its operations by an independent certified public accountant.

(3) Nothing in this section shall be construed to require or authorize the adoption of rules under chapter 34.05 RCW.

(v) Any person becoming eligible for medicare before August 1, 2009, who provides evidence of (A) a rejection for medical reasons, (B) a requirement of restrictive riders, (C) an up-rated premium, (D) a preexisting conditions limitation, or (E) lack of access to or for a comprehensive medicare supplemental insurance policy under chapter 48.66 RCW, the effect of any of which is to substantially reduce coverage from that received by a person considered a standard risk by at least one member within six months of the date of application; and

(vi) Any person under the age of nineteen who does not have access to individual plan open enrollment or special enrollment periods at the time of application to the pool, whether through the health benefit exchange operated pursuant to chapter 43.71 RCW or in the private insurance market, and who makes application to the pool for coverage prior to December 31, 2017;

(ii) Any resident of the state not eligible for medicare coverage, enrolled in the pool prior to December 31, 2013, shall remain eligible for pool coverage except as provided in subsections (2) and (3) of this section through December 31, 2017;

(iii) Any person who provides evidence of a carrier's decision not to accept him or her for enrollment in an individual health benefit plan as defined in RCW 48.43.005 based upon, and within ninety days of the receipt of, the results of the standard health questionnaire designated by the board and administered by health carriers under RCW 48.43.018;
include coverage at least as comprehensive as a plan F medicare supplement plan combined with medicare parts A and B. The plan options must also provide access to adequate and stable provider networks that make up-to-date provider directories easily accessible on the carrier web site, and will provide them in hard copy, if requested. In addition, if no health maintenance organization or preferred provider organization plan includes the health care provider with whom the person has an established care relationship and from whom he or she has received treatment within the past twelve months, the person does not have reasonable access.

(2) The following persons are not eligible for coverage by the pool:

(a) Any person having terminated coverage in the pool unless (i) twelve months have lapsed since termination, or (ii) that person can show continuous other coverage which has been involuntarily terminated for any reason other than nonpayment of premiums. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(b) Inmates of public institutions and those persons who become eligible for medical assistance after June 30, 2008, as defined in RCW 74.09.010. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(c) Any person who resides in a county of the state where any carrier or insurer regulated under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool and who does not qualify for pool coverage based upon the results of the standard health questionnaire designated by the board and administered by the pool administrator. The pool administrator shall provide written notice to the person of the denial of eligibility.

(3) When a carrier or insurer regulated under chapter 48.15 RCW begins to offer an individual health benefit plan in a county where no carrier had been offering an individual health benefit plan:

(a) If the health benefit plan offered is other than a catastrophic health plan as defined in RCW 48.43.005, any person enrolled in a pool plan pursuant to subsection (1)(a) of this section shall no longer be eligible for coverage under that plan pursuant to subsection (1)(a) of this section.

(b) The pool administrator shall provide written notice to each person no longer eligible for coverage under subsection (1)(a)(i) of this section that he or she is no longer eligible.

(c) Losing eligibility for pool coverage under this subsection (3) does not affect a person's eligibility for pool coverage under subsection (1)(a)(i), (ii), or (iv) of this section; and

(d) The pool administrator shall provide written notice to any person who is no longer eligible for coverage under a pool plan under this subsection (3) within thirty days of determining that he or she is no longer eligible.

(e) The board shall ensure that an independent analysis of the eligibility standards for the pool coverage is conducted, including examining the eight percent eligibility threshold, eligibility for medicaid enrollees and other publicly sponsored enrollees, and the impacts on the pool and the state budget. The board shall report the findings to the legislature by December 1, 2007.

Sec. 4. RCW 48.41.160 and 2007 c 259 s 27 are each amended to read as follows:

(1) On or before December 31, 2007, the pool shall cancel all existing pool policies and replace them with policies that are identical to the existing policies except for the inclusion of a provision providing for a guarantee of the continuity of coverage consistent with this section. As a means to minimize the number of policy changes for enrollees, replacement policies provided under this subsection also may include the plan modifications authorized in RCW 48.41.100, 48.41.110, and 48.41.120.

(2) A pool policy shall contain a guarantee of the individual's right to continued coverage, subject to the provisions of subsections (4) and (5), (7), and (8) of this section.

(3) The guarantee of continuity of coverage required by this section shall not prevent the pool from canceling or nonrenewing a policy for:

(a) Nonpayment of premium;

(b) Violation of published policies of the pool;

(c) Failure of a covered person who becomes eligible for medicare benefits by reason of age to apply for a pool medical supplement plan, or a medicare supplement plan or other similar plan offered by a carrier pursuant to federal laws and regulations;

(d) Failure of a covered person to pay any deductible or copayment amount owed to the pool and not the provider of health care services;

(e) Covered persons committing fraudulent acts as to the pool;

(f) Covered persons materially breaching the pool policy, or

(g) Changes adopted to federal or state laws when such changes no longer permit the continued offering of such coverage.

(4)(a) The guarantee of continuity of coverage provided by this section requires that if the pool replaces a plan, it must make the replacement plan available to all individuals in the plan being replaced. The replacement plan must include all of the services covered under the replaced plan, and must not significantly limit access to the kind of services covered under the replacement plan through unreasonable cost-sharing requirements or otherwise. The pool may also allow individuals who are covered by a plan that is being replaced an unrestricted right to transfer to a fully comparable plan.

(b) The guarantee of continuity of coverage provided by this section requires that if the pool discontinues offering a plan:

(i) The pool must provide notice to each individual of the discontinuation at least ninety days prior to the date of the discontinuation;

(ii) the pool must offer to each individual provided coverage under the discontinued plan the option to enroll in any other plan currently offered by the pool for which the individual is otherwise eligible; and

(iii) in exercising the option to discontinue a plan and in offering the option of coverage under (b)(ii) of this subsection, the pool must act uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for this coverage.

(c) The pool cannot replace or discontinue a plan under this subsection (4) until it has completed an evaluation of the impact of replacing the plan upon:

(i) The cost and quality of care to pool enrollees;

(ii) Pool financing and enrollment;

(iii) The board's ability to offer comprehensive and other plans to its enrollees;

(iv) Other items identified by the board.

In its evaluation, the board must request input from the constituents represented by the board members.

(d) The guarantee of continuity of coverage provided by this section does not apply if the pool has zero enrollment in a plan.
(6) A pool policy offered under this chapter shall provide that, upon the death of the individual in whose name the policy is issued, every other individual then covered under the policy may elect, within a period specified in the policy, to continue coverage under the same or a different policy.

(7) All pool policies issued on or after January 1, 2014, must reflect the new eligibility requirements of RCW 48.41.100 and contain a statement of the intent to discontinue the pool coverage on December 31, 2017, under pool nonmedicare plans.

(8) Pool policies issued prior to January 1, 2014, shall be modified effective January 1, 2013, consistent with subsection (3)(e) of this section, and contain a statement of the intent to discontinue pool coverage on December 31, 2017, under pool nonmedicare plans.

(9) The pool shall discontinue all nonmedicare pool plans effective December 31, 2017.

Sec. 5. RCW 48.41.240 and 2012 c 87 s 17 are each amended to read as follows:

(1) The board shall review populations that may need ongoing access to coverage through the pool, with specific attention to those persons who may be excluded from or may receive inadequate coverage beginning January 1, 2014, such as persons with end-stage renal disease or HIV/AIDS, or persons not eligible for coverage in the exchange.

(2) If the review under subsection (1) of this section indicates a continued need for coverage through the pool after December 31, 2013, the board shall submit recommendations regarding any modifications to pool eligibility requirements for new and ongoing enrollment after December 31, 2013. The recommendations must address any needed modifications to the standard health questionnaire or other eligibility screening tool that could be used in a manner consistent with federal law to determine eligibility for enrollment in the pool.

(3) The board shall complete an analysis of current pool assessment requirements in relation to assessments that will fund the reinsurance program and recommend changes to pool assessments or any credits against assessments that may be considered for the reinsurance program. The analysis shall recommend whether the categories of members paying assessments should be adjusted to make the assessment fair and equitable among all payers.

(4) The board shall report its recommendations to the governor and the legislature by December 1, 2012.

(5) The board shall revisit the study of eligibility completed in 2012 with another review of the populations that may need ongoing access to coverage through the pool, to be submitted to the governor and legislature by November 1, 2015. The eligibility study shall include the nonmedicare populations scheduled to lose coverage and medicare populations, and consider whether the enrollees have access to comprehensive coverage alternatives that include appropriate pharmacy coverage. The study shall include recommendations to address any barriers in eligibility that remain in accessing other coverage such as medicare supplemental coverage or comprehensive pharmacy coverage, as well as suggestions for financing changes and recommendations on a future expiration of the pool.

(c) With respect to compliance with RCW 42.52.160, the administrative process shall include a reasonable determination by the university of acceptable private uses having de minimis costs to the university and a method for establishing fair and reasonable reimbursement charges for private uses the costs of which are in excess of de minimis.

(3) The executive ethics board shall:

This section does not apply to state officers and state employees of the judicial branch.

Sec. 4. RCW 42.52.420 and 2000 c 211 s 1 are each amended to read as follows:

(1) After the filing of any complaint, except as provided in RCW 42.52.450, the staff of the appropriate ethics board shall investigate the complaint.

(The investigation shall be limited to the allegations contained in the complaint.) The ethics board may request the assistance of the office of the attorney general or a contract investigator in conducting its investigation.

(2) The results of the investigation shall be reduced to writing and the staff shall either make a determination that the complaint should be dismissed pursuant to RCW 42.52.425, or recommend to the board that there is or that there is not reasonable cause to believe that a violation of this chapter or rules adopted under it has been or is being committed.

A citizen action may be brought only if the appropriate ethics board or the attorney general have failed to commence an action under this chapter within forty-five days after notice from the person, the person has thereafter notified the appropriate ethics board and the attorney general that the person will commence a citizen's action within ten days upon their failure to commence an action, and the appropriate ethics board and the attorney general have in fact failed to bring an action within ten days of receipt of the second notice. An action is deemed to have been commenced when the appropriate ethics board or the board's executive director accepts a complaint for filing and initiates a preliminary investigation.

If the person who brings the citizen's action prevails, the judgment awarded shall escheat to the state, but the person shall be entitled to be reimbursed by the state of Washington for costs and attorneys' fees incurred. If a citizen's action that the court finds was brought without reasonable cause is dismissed, the court may order the person commencing the action to pay all costs of trial and reasonable attorneys' fees incurred by the defendant.

Upon commencement of a citizen action under this section, at the request of a state officer or state employee who is a defendant, the office of the attorney general shall represent the defendant if the attorney general finds that the defendant's conduct complied with this chapter and was within the scope of employment.

However, all complaints filed with the commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath;

MESSAGE FROM THE HOUSE

April 16, 2013

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5601 with the following amendment(s): 5601-S AMH HCW H2163.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes the complexity of the health care delivery system and the need to provide a clear and consistent regulatory framework to enable health care providers to manage their operations in an efficient and effective manner. The legislature also recognizes that the donation of electronic health records systems reduces health care costs, promotes patient safety, and improves the quality of health care.

(2) To further the important national policy of promoting the widespread adoption of electronic health records systems, the federal antikickback statute and the rules adopted to implement the statute contain a safe harbor that allows the donation of electronic health records systems. The federal statute and rules also contain additional safe harbors to preserve a variety of other activities which, in many cases, improve access to health care. For health care entities other than clinical laboratories, the legality of all of these arrangements is currently in question.

(3) The legislature is adding language to chapter 19.68 RCW to clarify existing law and ensure that, except with respect to arrangements involving an entity which principally operates as a clinical laboratory, it is interpreted in a manner consistent with the federal antikickback statute.

NEW SECTION. Sec. 2. (1) Nothing in this chapter may be construed to limit or prohibit the donation of electronic health record technology or other activity by any entity, including a hospital licensed under chapter 70.41 RCW that operates a clinical laboratory, when the donation or other activity is allowed by or otherwise does not violate, 42 U.S.C. Sec. 1320a-7(b) or the federal rules adopted to implement 42 U.S.C. Sec. 1320a-7(b).

(2) This section does not apply to any entity which principally operates as a clinical laboratory licensed or certified under section 353 of the public health service act, 42 U.S.C. Sec. 263a, or other applicable Washington state law.

NEW SECTION. Sec. 3. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

"Electronic health record technology” means items and services, in the form of software or information technology and training services, necessary and used predominantly to create, maintain, transmit, or receive electronic health records.

NEW SECTION. Sec. 4. This act applies retroactively to June 1, 2006, as well as prospectively.

NEW SECTION. Sec. 5. Sections 2 and 3 of this act are each added to chapter 19.68 RCW."

If the vehicle is directed to be held for a suspended license impound, a person who desires to redeem the vehicle at the end of the period of impound shall within five days of the impound at the request of the tow truck operator pay a security deposit to the tow truck operator of not more than one-half of the applicable impound storage rate for each day of the proposed suspended license impound. The tow truck operator shall credit this amount against the final bill for removal, towing, and storage upon redemption. The tow truck operator may accept other sufficient security in lieu of the security deposit. If the person desiring to redeem the vehicle does not pay the security deposit or provide other security acceptable to the tow truck operator, the tow truck operator may process and sell at auction the vehicle as an abandoned vehicle within the normal time limits set out in RCW 46.55.130(1). A motor vehicle dealer or lender with a perfected security interest in the vehicle may not knowingly and intentionally engage in collusion with a registered owner to repossess and then return or resell a vehicle to the registered owner in an attempt to avoid a suspended license impound. However, this provision does not preclude a vehicle dealer or a lender with a perfected security interest in the vehicle from repossessing the vehicle and then selling, leasing, or otherwise disposing of it in accordance with chapter 62A.9A RCW, including providing redemption rights to the debtor under RCW 62A.9A-623. If the debtor is the registered owner of the vehicle, the debtor's right to redeem the vehicle under chapter 62A.9A RCW is conditioned upon the debtor obtaining and providing proof from the impounding authority or court having jurisdiction that any fines, penalties, and forfeitures owed by the registered owner, as a result of the suspended license impound, have been paid, and proof of the payment must be tendered to the vehicle dealer or lender at the time the debtor tenders all other obligations required to redeem the vehicle. The tow truck operator shall credit this amount against the final bill for removal, towing, and storage upon redemption. The tow truck operator may accept other sufficient security in lieu of the security deposit. If the person desiring to redeem the vehicle does not pay the security deposit or provide other security acceptable to the tow truck operator, the tow truck operator may process and sell at auction the vehicle as an abandoned vehicle within the normal time limits set out in RCW 46.55.130(1). The security deposit required by this section may be paid and must be accepted at any time up to twenty-four hours before the beginning of the auction to sell the vehicle as abandoned. If the towing firm cannot determine through the customer's bank or a check verification service that the presented check would be paid by the bank or guaranteed by the service, the towing firm may refuse to accept the check. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district or municipal court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. The municipal court has jurisdiction to determine the issues involving impoundments authorized by agents of the municipality. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the appropriate court within ten days of the date the opportunity was provided for in (((subsection)(2))) of this subsection and more than five days before the date of the auction. At the time of the filing of the hearing request, the petitioner shall pay to the court clerk a filing fee in the same amount required for the filing of a suit in district court. If the hearing request is not received by the court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, the registered and legal owners of the vehicle or other item of personal property registered or titled with the department, for the amount of fees paid. In addition, the court shall enter judgment in favor of the authorizing the impoundment, towing, and storage fees permitted under this chapter. The court shall enter judgment in favor of the person or agency authorizing the impoundment for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment in favor of the registered and legal owners of the vehicle, or other item of personal property registered or titled with the department, for the amount of the filing fee required by law for the impound hearing petition as well as reasonable damages for loss of the use of the vehicle during the time the same was impounded against the person or agency authorizing the impound. However, if an impoundment arising from an alleged violation of RCW 46.20.342 or 46.20.345 is determined to be in violation of this chapter, then the law enforcement officer directing the impoundment and the government employing the officer are not liable for damages if the officer relied in good faith and without gross negligence on the records of the department in ascertaining that the operator of the vehicle had a suspended or revoked driver's license. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. **MOTION**

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.215 RCW to read as follows:

The legislature finds that the first five years of a child's life establish the foundation for educational success. The legislature also finds that children who have high quality early learning opportunities from birth through age five are more likely to succeed throughout their K-12 education and beyond. The legislature further finds that the benefits of high quality early learning experiences are particularly significant for low-income parents and children, and provide an opportunity to narrow the opportunity gap in Washington's K-12 educational system. The legislature understands that early supports for high-risk parents of young children through home visiting services show a high return on investment due to significantly improved chances of better education, health, and life outcomes for children. The legislature further recognizes that, when parents work or go to school, high quality and full-day early learning opportunities should be available and accessible for their children. In order to improve education outcomes, particularly for low-income children, the legislature is committed to expanding high quality early learning opportunities and integrating currently disparate funding streams for all birth-to-five early learning services including, working connections child care and the early childhood education and assistance program, into a single high quality continuum of learning that provides essential services to low-income families and prepares all enrolled children for success in school. The legislature therefore intends to establish the earliest start program to provide a continuum of high quality and accountable early learning opportunities for Washington's parents and children.

Sec. 2. RCW 28A.150.220 and 2011 1st sp.s. c 27 s 1 are each amended to read as follows:

(1) In order for students to have the opportunity to develop the basic education knowledge and skills under RCW 28A.150.210, school districts must provide instruction of sufficient quantity and quality and give students the opportunity to complete graduation requirements that are intended to prepare them for postsecondary education, gainful employment, and citizenship. The program established under this section shall be the minimum instructional program for basic education offered by school districts.

(2) Each school district shall make available to students the following minimum instructional offering each school year:

(a) For students enrolled in grades one through twelve, at least a district-wide annual average of one thousand hours, which shall be increased to at least one thousand eighty instructional hours for students enrolled in each of grades seven through twelve and at least one thousand instructional hours for students in each of grades one through six according to an implementation schedule adopted by the legislature, but not before the 2014-15 school year; and

(b) For students enrolled in kindergarten, at least four hundred fifty instructional hours, which shall be increased at least one thousand instructional hours according to the implementation schedule under RCW 28A.150.315.

(3) The instructional program of basic education provided by each school district shall include:

(a) Instruction in the essential academic learning requirements under RCW 28A.655.070;

(b) Instruction that provides students the opportunity to complete twenty-four credits for high school graduation, subject to a phased-in implementation of the twenty-four credits as established by the legislature. Course distribution requirements may be established by the state board of education under RCW 28A.230.090;

(c) If the essential academic learning requirements include a requirement of languages other than English, the requirement may be met by students receiving instruction in one or more American Indian languages;

(d) Supplemental instruction and services for underachieving students through the learning assistance program under RCW 28A.165.005 through 28A.165.065;

(e) Supplemental instruction and services for eligible and enrolled students whose primary language is other than English through the transitional bilingual instruction program under RCW 28A.180.010 through 28A.180.080;

(f) The opportunity for an appropriate education at public expense as defined by RCW 28A.155.020 for all eligible students with disabilities as defined in RCW 28A.155.020; and

(g) Programs for highly capable students under RCW 28A.185.010 through 28A.185.030.

(4) Nothing contained in this section shall be construed to require individual students to attend school for any particular number of hours per day or to take any particular courses.

(5) Each school district's kindergarten through twelfth grade basic educational program shall be accessible to all students who are five years of age, as provided by RCW 28A.225.160, and less than twenty-one years of age and shall consist of a minimum of one hundred eighty school days per school year in such grades as are conducted by a school district, and one hundred eighty half-days of instruction, or equivalent, in kindergarten, to be increased to a minimum of one hundred eighty school days per school year according to the implementation schedule under RCW 28A.150.315. However, schools administering the Washington kindergarten inventory of developing skills may use up to three school days at the beginning of the school year to meet with parents and families as required in the parent involvement component of the inventory. In addition, effective May 1, 1979, a school district may schedule the last five school days of the one hundred and eighty day school year for noninstructional purposes in the case of students who are graduating from high school, including, but not limited to, the observance of graduation and early release from school upon the request of a student, and all such students may be claimed as a full-time equivalent student to the extent they could otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260.

(6) Nothing in this section precludes a school district from enriching the instructional program of basic education, such as offering additional instruction or providing additional services, programs, or activities that the school district determines to be appropriate for the education of the school district's students.

(7) The state board of education shall adopt rules to implement and ensure compliance with the program requirements imposed by this section, RCW 28A.150.250 and 28A.150.260, and such related supplemental program approval requirements as the state board may establish.

INTRODUCTION OF SPECIAL GUESTS

The President welcomed and introduced former Senator Rosa Franklin who was seated at the rostrum.

REMARKS BY ROSA FRANKLIN

Rosa Franklin: "Thank you Mr. Lieutenant Governor and your assistant, your young assistant. I love it. As I said to the Lieutenant Governor and to everyone, I was quite comfortable up there looking down. They said 'No, you come down', and I said, 'All right, if they will tolerate me.' It is so good to see each and every one of you. Red Hat Day, it started over in the Pritchard Building and I said to our then-Majority Leader Snyder and others, 'You know, we sometimes don’t have enough fun. Let's have some fun' and spoke of let’s do Red Hat and we went around and others, 'You know, we sometimes don’t have enough fun. Let’s have some fun' and spoke of let’s do Red Hat and went around and that’s where it started and then when I go back and think Senator West was ill and was recovering and he said he looked at channel 23 and looked and said ‘What in the world are they doing’? He could not imagine what we were doing? We were having fun with Red Hat Day. From that day on when I was looking at some pictures a couple nights ago and thought about I wonder whose carrying on this tradition of having some fun and was so surprised when Senator McAuliffe called and said you’re doing Red Hat Day and I said, ‘great.’ It’s so good to be here and to have our male colleagues with their Red Caps. Keep up the good work. Have fun, don’t get too serious. When you really serious and don’t have fun, then it’s time to quit but have fun and do the work. It’s good being here."

I wanted to let members know that through our collective efforts we were able to raise over $5,000 for Senator Carrell. Thank you very much. Certainly would want you to know that donations are still able to be made through Senator Carrell’s LA, Michelle and that he continues to be in our thoughts and prayers during his recovery.”

**MOTION**

Senator Bailey moved that the following striking amendment by Senator Bailey be adopted:

Strike everything after the enacting clause and insert the following:

**PART I
SHORT TITLE AND INTENT**

NEW SECTION. Sec. 101. This act may be known and cited as the public employee defined contribution retirement plan act.

NEW SECTION. Sec. 102. The legislature recognizes the need for public employees, public safety employees, teachers, and school employees, to have a secure and viable retirement benefit, not only for their own financial protection, but also so that public funds are spent prudently for their intended purpose. The legislature also recognizes the need for public employers and taxpayers to have consistent and predictable pension funding obligations in support of employee retirement benefits. Therefore, it is the intent of the legislature to provide a defined contribution retirement plan option for new public employees, teachers, and school employees that uses best practices of defined contribution plans to provide opportunity and flexibility to accrue a viable retirement benefit, while providing stable funding requirements for public employers and taxpayers. These best practices include minimizing the investment risk borne by the participants, whether through lack of investment knowledge or lack of access to the full variety of investment classes, and providing a distribution option that would ensure participants do not outlive their savings.

**PART II
RETIREMENT SYSTEM**

NEW SECTION. Sec. 201. This chapter applies only to members of the Washington public employees' savings plan created under this chapter.

NEW SECTION. Sec. 202. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Accumulated contributions" means the sum of all contributions standing to the credit of a member in the member's individual account, together with the earnings thereon.

(2) "Compensation earnable" means salaries or wages earned by a member during a payroll period for personal services, including overtime payments, and shall include wages and salaries deferred under provisions established pursuant to sections 403(b), 414(h), and 457 of the internal revenue code, but excludes nonmoney maintenance compensation and lump sum or other payments for deferred annual sick leave, unused accumulated vacation leave, unused accumulated annual leave, or any form of severance pay.

(b) "Compensation earnable" also includes the following actual or imputed payments, which are not paid for personal services:

(i) Retroactive payments to an individual by an employer on reinstatement of the employee in a position, or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wage which the individual would have earned during a payroll period is considered compensation earnable to the extent provided in this subsection (2), and the individual shall receive the equivalent service;
employer or employee may be a violation of RCW 41.40.055, when an employee and employer have a written or oral agreement to resume employment with the same employer following termination. Mere expressions or inquiries about postretirement employment by an employer or employee that do not constitute a commitment to reemploy the employee after retirement are not an agreement under this subsection.

(15)(a) "Service" means periods of employment by a member in an eligible position or positions for one or more employers for which compensation earned is paid. Time spent in standby status, whether compensated or not, is not service. Educational employees who are compensated for work in at least nine months from September to August shall be provided one year of service.

(b) Service in any state elective position is service.

(16) "State actuary" or "actuary" means the person appointed pursuant to RCW 44.44.010(2).

(17) "State elective position" means any position held by any person elected or appointed to statewide office or elected or appointed as a member of the legislature.

(18) "State treasurer" means the treasurer of the state of Washington.

(19) "Substitute employee" means any substitute employee as defined in RCW 41.35.010 and any substitute teacher as defined in RCW 41.32.010.

(20) "Transferable plan" means the plans 2 and plans 3 of the retirement systems established under chapters 41.32, 41.34, 41.35, 41.37, and 41.40 RCW.

NEW SECTION. Sec. 203. A public employees' savings plan is hereby created for the employees of the state of Washington and its political subdivisions. The administration and management of the savings plan, the responsibility for making effective the provisions of this chapter, and the authority to make all rules and regulations necessary therefor are hereby vested in the department. All such rules and regulations shall be governed by the provisions of chapter 34.05 RCW. The retirement system created in this chapter shall be known as the Washington public employees' savings plan.

NEW SECTION. Sec. 204. Membership in the retirement system consists of:

(1) All regularly compensated employees, substitute employees, and appointive and elective officials who:

(a) Are eligible for membership in plan 2 or plan 3 of the retirement systems established under chapters 41.32, 41.35, 41.37, or 41.40 RCW;

(b) First become employed by an employer on or after July 1, 2014; and

(c) Make an irrevocable choice to become a member of the system, or become a member by default, as provided in subsection (3) of this section. However, a member may not participate in another defined contribution retirement plan or annuity retirement plan which includes an employer contribution for the same period of employment with an employer.

(2) All regularly compensated employees and appointive and elective officials employed by an employer who first established service in a transferable plan prior to July 1, 2014, and who made an irrevocable choice to transfer into the system as provided in section 206 of this act.

(3)(a) All individuals who meet the requirements of subsection (1) of this section have a period of ninety days to make an irrevocable choice to either become a member of the public employees' savings plan or to instead elect to become a member, if eligible, of plan 2 or plan 3 of a retirement system established under chapters 41.32, 41.35, 41.37, and 41.40 RCW. At the end of ninety days, if the individual has not made a choice of a retirement plan, he or she becomes a member of plan 3 of the applicable retirement system or plan 2 of the retirement system established under chapter 41.37 RCW.

(b) For administrative efficiency, until a member makes a choice or becomes a plan 3 member by default, as provided in (a) of this subsection, the member shall be reported to the department in plan 2 of the state defined benefit retirement system listed in (a) of this subsection for which they are eligible, with member and employer contributions. Upon becoming a member of the public employees' savings plan or of plan 3, all member and employer accumulated contributions will be credited to the member's account in the public employees' savings plan, subject to the vesting requirements in section 207 of this act, or in the member's plan 3 defined contribution account. If the individual becomes a member of plan 3, all service credit shall be transferred to the member's plan 3 defined benefit.

NEW SECTION. Sec. 205. Substitute employees may establish membership and service in the plan under the provisions of RCW 41.32.013 or 41.35.033.

NEW SECTION. Sec. 206. (1) Between January 1, 2015, and July 1, 2015, every member of a transferable plan employed by an employer in an eligible position has a one-time and irrevocable option to transfer to the public employees' savings plan. Contributions to this plan shall begin the first day of the pay cycle in which the employee becomes a member. Members electing this option must transfer service from each transferable plan in which the member has established service credit.

(2) Service in each transferable plan for which a transferring member has established service credit will be transferred to the public employees' savings plan on July 1, 2015. This service applies to the eligibility for vesting in employer matching contributions as provided in section 207 of this act.

(3) Retirement benefits in each transferable plan for which a transferring member has established service credit will be transferred to the public employees' savings plan and credited to member accounts in the public employees' savings plan as follows:

(a) Plan 2 members' accumulated contributions from each transferable plan 2 will be transferred on July 1, 2015, including all accrued interest as of the transfer date;

(b) Plan 3 members' member accounts from each transferable plan 3 will be transferred on July 1, 2015;

(c) An additional transfer payment from each transferable plan will be credited to qualified members' accounts in the public employees' savings plan on July 1, 2017. The transfer payment represents the employer provided portion of the member's accrued retirement benefit and is equal to the actuarial equivalent value of the member's accrued retirement benefit on June 30, 2015, as determined by the director in consultation with the state actuary, less any amounts transferred under (a) of this subsection. In no event may the additional transfer payment result in a decrease in the value of a member's account;

(d) For purposes of determining the actuarial equivalent value of the accrued benefit transferred under (c) of this subsection, the department shall include both expected future salary increases and expected future service credit for benefit eligibility purposes. However, only service credit earned as of June 30, 2015, shall be used to determine the portion of the present value of future benefits that the transferring member has accrued at the date of the transfer;

(e) The additional transfer payment provided under (c) of this subsection must be increased with regular interest, as determined by the director, for the period of time between the transfer date and the date of the additional transfer payment;

(f) To qualify for the transfer payment provided under (c) of this subsection, a transferring member must remain employed by an employer in an eligible position through July 1, 2017;

(g) Members and beneficiaries are fully vested in each amount transferred under (a), (b), (c), and (e) of this subsection when the amount is credited to the member's account in the public employees' savings plan.
which the employee becomes a member.

(5) The department shall notify potentially eligible members of their option to transfer to the public employees' savings plan and shall provide estimates of the amounts potentially available for transfer to their member accounts.

NEW SECTION. Sec. 207. (1) Except as provided in subsection (5) of this section, a member shall contribute five percent of his or her compensation earnable until age thirty-five, and seven and one-half percent thereafter.

(2) The employer of a member shall contribute to the member's account an amount equal to eighty percent of the contributions made by a member.

(3) Members with less than five years of service are not vested in employer contributions to member accounts and the earnings on those contributions. Once members have attained five years of service, they become fully vested in the employer contributions and the earnings on those contributions. Members do not have any right to receive employer contributions or the earnings on those contributions in which they are not vested.

(4) Contributions shall begin the first day of the pay cycle in which the employee becomes a member.

(5) If required by the federal internal revenue service pursuant to a private letter ruling issued pursuant to section 213 of this act, the member contribution rate for persons who transfer to the retirement plan pursuant to section 206 of this act shall be identical to the member contribution rate they had immediately prior to transferring to the retirement plan. The employers of those members shall contribute to those members' accounts four percent of the member's compensation earnable until age thirty-five, and six percent thereafter.

NEW SECTION. Sec. 208. In addition to contributions made to members' accounts, employers shall make contributions to the unfunded actuarial accrued liability in plan 1 of the teachers' retirement system and plan 1 of the public employees' retirement system as follows:

(1) School districts and educational service districts shall contribute to plan 1 of the teachers' retirement system the amounts specified in RCW 41.45.060(8) (b) and (c) on earnable compensation paid to teachers as defined in RCW 41.32.010.

(2) School districts and educational service districts shall contribute to plan 1 of the public employees' retirement system the amounts specified in RCW 41.45.060(6) (b) and (c) on earnable compensation paid to classified employees as defined in RCW 41.35.010.

(3) Employers other than school districts and educational service districts shall contribute to plan 1 of the public employees' retirement system the amounts specified in RCW 41.45.060(6) (b) and (c).

NEW SECTION. Sec. 209. (1) Members may self-direct their investments as set forth in section 210 of this act and RCW 43.33A.190. If a member does not select investments, the member's account shall be invested in the default investment option of the retirement strategy fund that is closest to the retirement target date of the member. "Retirement strategy fund" means one of several diversified asset allocation portfolios managed by investment advisors under contract to the state investment board. The asset mix of the portfolios adjusts over time depending on a target retirement date.

(2) The department shall adopt rules that will allow members the option to roll over moneys from other tax qualified accounts into their public employees' savings plan member account. This option is subject to internal revenue service requirements for favorable tax qualification. The department is not required to allow all roll-overs that may be permitted under internal revenue service regulations.

NEW SECTION. Sec. 210. (1) The state investment board has the full authority to invest all self-directed investment moneys in accordance with RCW 43.84.150 and 43.33A.140, and cumulative investment directions received pursuant to section 209 of this act and this section. In carrying out this authority the state investment board, after consultation with the department, shall provide a set of options for members to choose from for self-directed investment.

(2) All investment and operating costs of the state investment board associated with making self-directed investments shall be paid by members and recovered under procedures agreed to by the department and the state investment board pursuant to the principles set forth in RCW 43.33A.160 and 43.84.160. All other expenses caused by self-directed investment shall be paid by the member in accordance with rules established by the department. With the exception of these expenses, all earnings from self-directed investments shall accrue to the member's account.

(3)(a)(i) The department shall keep or cause to be kept full and adequate accounts and records of each individual member's account. The department shall account for and report on the investment of defined contribution assets or may enter into an agreement with the state investment board for such accounting and reporting under this chapter.

(ii) The department's duties related to individual member accounts include conducting the activities of trade instruction, settlement activities, and direction of cash movement and related wire transfers with the custodian bank and outside investment firms.

(iii) The department has sole responsibility for contracting with any recordkeepers for individual member accounts and shall manage the performance of recordkeepers under those contracts.

(b)(i) The department's duties under (a)(ii) of this subsection do not limit the authority of the state investment board to conduct its responsibilities for asset management and balancing of the defined contribution funds.

(ii) The state investment board has sole responsibility for contracting with outside investment firms to provide investment management for the defined contribution funds and shall manage the performance of investment managers under those contracts.

(c) The state treasurer shall designate and define the terms of engagement for the custodial banks.

NEW SECTION. Sec. 211. (1) If the member terminates employment, the balance in the member's account may be distributed in accordance with an option selected by the member either as a lump sum or pursuant to other options authorized by the department. A distribution from the member account shall not result in loss of service for purposes of vesting in employer contributions under section 207 of this act.

(2) If the member dies while in service, the balance of the member's account may be distributed in accordance with an option selected by the member either as a lump sum or pursuant to other options authorized by the department. The distribution is as follows:

(a) The distribution shall be made to the person or persons the member nominated by written designation duly executed and filed with the department;

(b) If there is no designated person or persons still living at the time of the member's death, the balance of the member's account in the retirement system shall be paid to the member's surviving spouse as if in fact the spouse had been nominated by written designation;

(c) If there is no surviving spouse, then to the person or persons, trust, or organization as the member has nominated by written designation duly executed and filed with the department; or
(d) If there is no designated person or persons still living at the time of the member's death, then to the member's legal representatives.

(3) The distribution under subsections (1) and (2) of this section is less:

(a) Any amount identified as owing to an obligee upon withdrawal pursuant to a court order filed under RCW 41.50.670; and

(b) Any employer contributions and the earnings on those contributions in which the member is not vested as provided for in section 207 of this act.

(4) Upon any distribution from a member account under this section, any employer contributions and the earnings on those contributions in which the member is not vested as provided for in section 207 of this act are forfeited by the member. Amounts forfeited under this subsection will be credited, under rules developed by the department, to the employers that made the contributions.

(5) The department, in consultation with the state investment board, shall adopt rules providing members and survivors an option to purchase, using funds in the member's account, an annuity from a state-administered fund. The offering of this option is subject to favorable tax determination by the internal revenue service.

NEW SECTION. Sec. 212. (1) Subject to subsections (2) and (3) of this section, the right of a person to an annuity or any other right accrued or accruing to any person under the provisions of this chapter, the various funds created by this chapter, and all moneys and investments and income thereof, are hereby exempt from any insolvency laws, or other process of law whatsoever, whether the same be in actual possession of the person or be deposited or loaned and shall be unassignable.

(2)(a) This section does not prohibit a beneficiary of an annuity from authorizing deductions therefrom for payment of premiums due on any group insurance policy or plan issued for the benefit of a group comprised of public employees of the state of Washington or its political subdivisions and which has been approved for deduction in accordance with rules that may be adopted by the state health care authority and/or the department. This section does not prohibit a beneficiary of an annuity from authorizing deductions therefrom for payment of dues and other membership fees to any retirement association or organization the membership of which is composed of retired public employees, if a total of three hundred or more of such retired employees have authorized such deduction for payment to the same retirement association or organization.

(b) This section does not prohibit a beneficiary of an annuity from authorizing deductions from that allowance for charitable purposes on the same terms as employees and public officers under RCW 41.04.035 and 41.04.036.

(3) Subsection (1) of this section does not prohibit the department from complying with (a) a wage assignment order for child support issued pursuant to chapter 26.18 RCW, (b) an order to withhold and deliver issued pursuant to chapter 74.20A RCW, (c) a notice of payroll deduction issued pursuant to RCW 26.23.060, (d) a mandatory benefits assignment order issued by the department, (e) a court order directing the department of retirement systems to pay benefits directly to an obligee under a dissolution order as defined in RCW 41.50.500(3) which fully complies with RCW 41.50.670 and 41.50.700, or (f) any administrative or court order expressly authorized by federal law.

NEW SECTION. Sec. 213. (1) The retirement plan created by this chapter must be administered so as to comply with the internal revenue code, Title 26 U.S.C., and specifically with plan qualification requirements imposed on governmental plans by section 401(a) of the internal revenue code. The department shall submit a request for a private letter ruling to the federal internal revenue service to confirm that permitting persons who transfer to the retirement plan pursuant to section 206 of this act to make contributions at the rates provided in section 207(1) of this act, will not prevent the retirement plan from being a qualified plan.

(2) Any section or provision of this chapter which is susceptible to more than one construction must be interpreted in favor of the construction most likely to satisfy requirements imposed by section 401(a) of the internal revenue code.

(3) If any section or provision of this chapter is found to be in conflict with the plan qualification requirements for governmental plans in section 401(a) of the internal revenue code, the conflicting part of this chapter is hereby inoperative solely to the extent of the conflict, and such finding does not affect the operation of the remainder of this chapter.

NEW SECTION. Sec. 214. (1) A state board, commission, or agency, or any officer, employee, or member thereof, is not liable for any loss or deficiency resulting from member investments selected or required pursuant to section 210 (1) or (3) of this act.

(2) Neither the department, nor director or any employee, nor the state investment board, nor any officer, employee, or member thereof, is liable for any loss or deficiency resulting from a member investment in the default option pursuant to section 209 of this act or reasonable efforts to implement investment directions pursuant to section 210 (1) or (3) of this act.

(3) The state investment board, or any officer, employee, or member thereof, is not liable with respect to any declared unit valuations or crediting of rates of return, or any other exercise of powers or duties, including discretion, under section 210(2) of this act.

(4) The department, or any officer or employee thereof, is not liable for crediting rates of return which are consistent with the state investment board's declaration of unit valuations pursuant to section 210(2) of this act.

NEW SECTION. Sec. 215. For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widower, next of kin, and family apply equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. When necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law are gender neutral, and applicable to individuals in state registered domestic partnerships.

NEW SECTION. Sec. 216. Sections 201 through 215 of this act constitute a new chapter in Title 41 RCW.

PART III

CHANGES TO EXISTING RETIREMENT SYSTEMS

Sec. 301. RCW 41.04.440 and 2007 c 492 s 3 are each amended to read as follows:

(1) The sole purpose of RCW 41.04.445 and 41.04.450 is to allow the members of the retirement systems created in chapters 2.10, 2.12, 41.26, 41.32, 41.35, 41.37, 41.40, 41.34, 41.-- (the new chapter created in section 216 of this act), and 43.43 RCW to enjoy the tax deferral benefits allowed under 26 U.S.C. 414(h). Chapter 227, Laws of 1984 does not alter in any manner the provisions of RCW 41.45.060, 41.45.061, and 41.45.067 which require that the member contribution rates shall be set so as to provide fifty percent of the cost of the respective retirement plans.

(4) The director may adjust the expense fund contribution rate
for each system at any time when necessary to reflect unanticipated
costs or savings in administering the department.

(5) An employer who fails to submit timely and accurate reports
to the department may be assessed an additional fee related to the
increased costs incurred by the department in processing the
deficient reports. Fees paid under this subsection shall be deposited
in the retirement system expense fund.

(a) Every six months the department shall determine the amount
of an employer's fee by reviewing the timeliness and accuracy of the

subsection shall not exceed fifty percent of the standard fee.

MESSAGE FROM THE HOUSE

April 16, 2013

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5405 with the following amendment(s):
5405-S2.E AMH ROB H2402.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the federal fostering connections to success and increasing adoptions act of 2008 provides important new opportunities to increase the impact of state funding through maximizing the amount of federal funding available to promote permanency and positive outcomes for dependent youth.

(2) The legislature also finds that children and adolescents who are legal dependents of Washington state have experienced significant trauma and loss, putting them at increased risk for poor life outcomes. Longitudinal research on the adult functioning of former foster youth indicates a disproportionate likelihood that youth aging out of foster care and those who spent several years in care will experience poor outcomes in a variety of areas, including limited human capital upon which to build economic security and inability to fully take advantage of secondary and postsecondary educational opportunities, untreated mental or behavioral health problems, involvement in the criminal justice and corrections systems, and early parenthood combined with second-generation child welfare involvement.

(3) The legislature further finds that research also demonstrates that access to adequate and appropriate supports during the period of transition from foster care to independence can have significant positive impacts on adult functioning and can improve outcomes relating to educational attainment and postsecondary enrollment, employment and earnings, and reduced rates of teen pregnancies.

Sec. 2. RCW 13.34.030 and 2011 1st sp.s. c 36 s 13 are each reenacted and amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" means when the child’s parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child’s parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" means:

(a) Any individual under the age of eighteen years; or
(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. A youth who remains dependent and who receives extended foster care services under RCW 74.13.031 shall not be considered a "child" under any other statute or for any other purpose.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of
place placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.

(4) "Department" means the department of social and health services.

(5) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to this chapter for the limited purpose of assisting the court in the supervision of the dependency.

(6) "Dependent child" means any child who:
(a) Has been abandoned;
(b) Is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child;
(c) Has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or
(d) Is receiving extended foster care services, as authorized by RCW 74.13.031.

(7) "Developmental disability" means a disability attributable to intellectual disability, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary to be closely related to an intellectual disability or to require treatment similar to that required for individuals with intellectual disabilities, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial limitation to the individual.

(8) "Extended foster care services" means residential and other support services the department is authorized to provide under RCW 74.13.031. These services may include placement in licensed, relative, or otherwise approved care, or supervised independent living settings; assistance in meeting basic needs; independent living services; medical assistance; and counseling or treatment.

(9) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding, including a guardian appointed pursuant to chapter 13.36 RCW; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(10) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(11) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(12) "Housing assistance" means appropriate referrals by the department or other supervising agencies to federal, state, local, or private agencies or organizations, assistance with forms, applications, or financial subsidies or other monetary assistance for housing. For purposes of this chapter, "housing assistance" is not a remedial service or time-limited family reunification service as described in RCW 13.34.025(2).

(13) "Indigent" means a person who, at any stage of a court proceeding, is:
(a) Receiving one of the following types of public assistance: Temporary assistance for needy families, aged, blind, or disabled assistance benefits, medical care services under RCW 74.09.035, pregnant women assistance benefits, poverty-related veterans' benefits, food stamps or food stamp benefits transferred electronically, refugee resettlement benefits, medicaid, or supplemental security income; or
(b) Involuntarily committed to a public mental health facility; or

Sec. 3. RCW 13.34.145 and 2011 c 330 s 6 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(ii) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.
The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(i) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(ii) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

((44)) (5) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(((44)) (6) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

((44)) (7) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

((44)) (8) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

((44)) (9) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

((44)) (10) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection ((44)) (9) of this section are met.

((44)) (11) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

RCW 13.34.267 and 2012 c 52 s 4 are each amended to read as follows:

(1) In order to facilitate the delivery of extended foster care services, the court, upon the agreement of the youth to participate in the extended foster care program, shall (((postpone for six months the dismissal of a)) maintain the dependency proceeding for any youth who is (a) dependent in foster care at the age of eighteen years and who, at the time of his or her eighteenth birthday, is:

(c) Participating in a program or activity designed to promote employment or remove barriers to employment.

(2) If the court maintains the dependency proceeding of a youth pursuant to subsection (1) of this section, the youth is eligible to receive extended foster care services pursuant to RCW 74.13.031, subject to the youth's continuing eligibility and agreement to participate.

(3) A dependent youth receiving extended foster care services is a party to the dependency proceeding. The youth's parent or guardian must be dismissed from the dependency proceeding when the youth reaches the age of eighteen.

(4) The court shall dismiss the dependency proceeding for any youth who is a dependent in foster care and who, at the age of eighteen years, does not meet any of the criteria described in subsection (1)(a) through (c) of this section or does not agree to participate in the program.

(((2)(a) The six-month postponement under this subsection is intended to allow a reasonable window of opportunity for an eligible youth who reaches the age of eighteen to request extended foster care services from the department or supervising agency. The court shall dismiss the dependency if the youth:

(i) Has not requested extended foster care services from the department by the end of the six-month period; or

(ii) Is no longer eligible for extended foster care services under RCW 74.13.031(10) at any point during the six-month period.

(3) A youth who participates in extended foster care while completing a secondary education or equivalency program may continue to receive extended foster care services for the purpose of participating in a postsecondary academic or postsecondary vocational education program. If, at the time the secondary education or equivalency program is completed, the youth has applied to and can demonstrate that he or she intends to timely enroll in a postsecondary academic or vocational education program, the dependency shall be dismissed if the youth fails to timely enroll or continue in the postsecondary program, or reaches age twenty-one, whichever is earlier.

The department may establish foster care rates appropriate to the needs of the youth participating in extended foster care services. The department's placement and care authority over a youth receiving extended foster care services is solely for the purpose of providing services and does not create a legal responsibility for the actions of the youth receiving extended foster care services.

(6) The court shall appoint counsel to represent a youth, as defined in RCW 13.34.030(2)(b), in dependency proceedings under this section.

(7) The court case plan for delivery of services to a youth receiving extended foster care services is subject to the review requirements set forth in RCW 13.34.138 and 13.34.145, and should be applied in a developmentally appropriate manner, as they relate to youth age eighteen to twenty-one years. Additionally, the court shall consider:

(a) Whether the youth is safe in his or her placement;
(b) Whether the youth continues to be eligible for extended foster care services;
(c) Whether the current placement is developmentally appropriate for the youth;
(d) The youth's development of independent living skills; and
(e) The youth's overall progress toward transitioning to full independence and the projected date for achieving such transition.

(8) Prior to the review hearing, the youth's attorney shall indicate whether there are any contested issues and may provide additional information necessary for the court's review.

(9) Upon the request of the youth, or when the youth is no longer eligible to receive extended foster care services according to rules adopted by the department, the court shall dismiss the dependency.

NEW SECTION. Sec. 5. A new section is added to chapter 74.13 RCW to read as follows:

(2)(a) A youth seeking to participate in extended foster care after being declined by the department under subsection (1) of this section may file a notice of intent to file a petition for dependency, asking the court to determine his or her eligibility for extended foster care services, and to enter an order of dependency. If the youth chooses to file such notice, it must be filed within thirty days of the date of the department's decision.

(b) Upon filing the notice, the youth must be provided counsel at no cost to him or her. Upon receipt of the youth's petition, the court must set a hearing date to determine whether the petition should be granted.

section 5 of this act or pursuant to an order of dependency issued by
the court under section 6 of this act. A nonminor dependent whose
dependency case was dismissed by the court must have requested extended foster care services before reaching age nineteen years.

(c) The department shall develop and implement rules regarding youth eligibility requirements.

(11) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of
youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (10) of this section.

(12) The department shall refer cases to the division of child support to families with children that prevent or shorten the duration of an
out-of-home placement.

(13) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), (6), and (7) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(14) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to
families with children that prevent or shorten the duration of an
out-of-home placement.

(15) The department and supervising agencies shall have authority to provide independent living services to youths, including
individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(16) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster
parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(17)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

Sec. 10. RCW 74.13.031 and 2012 c 259 s 8 and 2012 c 52 s 2 are each reenacted and amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in:

(a) Meeting the need for adoptive and foster home placements;

(b) Reducing the foster parent turnover rate;

(c) Completing home studies for legally free children; and

(d) Implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in
death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.
(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit and the caseworker is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(8) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(9) The department and supervising agency shall have authority to purchase care for children.

(10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(11)(a) The department and supervising agencies shall ((have authority to)) provide continued extended foster care services to ((youth ages eighteen to twenty-one years to participate in or complete)) nonminor dependents who are:

(i) Enrolled in a secondary education program or a secondary education equivalency program(+$+$);
(ii) Enrolled and participating in a postsecondary academic or postsecondary vocational education program; or
(iii) Participating in a program or activity designed to promote employment or remove barriers to employment.

(b) To be eligible for extended foster care services, the nonminor dependent must have been dependent and in foster care at the time that he or she reached age eighteen years. If the dependency case of the nonminor dependent was dismissed pursuant to RCW 13.34.267, he or she may receive extended foster care services pursuant to a voluntary placement agreement under section 5 of this act or pursuant to an order of dependency issued by the court under section 6 of this act. A nonminor dependent whose dependency case was dismissed by the court must have requested extended foster care services before reaching age nineteen years.

(c) The department shall develop and implement rules regarding youth eligibility requirements.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);
(iii) Parent-child visits;
(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and
(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.
(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

Sec. 11. RCW 43.88C.010 and 2012 c 217 s 3 are each amended to read as follows:

The council shall consist of two individuals appointed by the governor and four individuals, one of whom is appointed by the chairperson of each of the two largest political caucuses in the senate and house of representatives. MESSAGE FROM THE HOUSE

April 12, 2013

MR. PRESIDENT:
The House passed SENATE BILL NO. 5797 with the following amendment(s): 5797 AMH ENGR H2300.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that in the state of Washington, there exists a type of court administered by the judiciary commonly called a specialty or therapeutic court. Judges in the trial courts throughout the state effectively utilize specialty and therapeutic courts to remove defendants with their consent and the consent of the prosecuting authority from the normal criminal court system and allow those defendants the opportunity to obtain treatment services to address particular issues that may have contributed to the conduct that led to their arrest in exchange for dismissal of the charges. Trial courts have proved adept at creative approaches in fashioning a wide variety of specialty and therapeutic courts addressing the spectrum of social issues that can contribute to criminal activity.

The legislature also finds that there are presently more than seventy-four specialty and therapeutic courts operating in the state of Washington that save costs to both the trial courts and law enforcement by strategic focus of resources within the criminal justice system. There are presently more than fifteen types of specialty and therapeutic courts in the state including: Veterans treatment court, adult drug court, juvenile drug court, family dependency treatment court, mental health court, DUI court, community court, reentry drug court, tribal healing to wellness court, truancy court, homeless court, domestic violence court, gambling court, and Back on TRAC: Treatment, responsibility, accountability on campus.

The legislature recognizes the inherent authority of the judiciary under Article IV, section 1 of the state Constitution to establish specialty and therapeutic courts. The legislature recognizes the outstanding contribution to the state and a local community made by the establishment of specialty and therapeutic courts and desires to provide a general provision in statute acknowledging and encouraging the judiciary to provide for such courts to address the particular needs within a given judicial jurisdiction.

NEW SECTION. Sec. 2. A new section is added to chapter 2.28 RCW to read as follows:

(1) The legislature respectfully encourages the supreme court to adopt any administrative orders and court rules of practice and procedure it deems necessary to support the establishment of effective specialty and therapeutic courts.

(2) Any jurisdiction may establish a specialty or therapeutic court under this section and may seek state or federal funding as it becomes available for the establishment, maintenance, and expansion of specialty and therapeutic courts and for the provision by participating agencies of treatment to participating defendants.

(3) Any jurisdiction establishing a specialty court shall endeavor to incorporate the treatment court principles of best practices as recognized by state and national treatment court agencies and organizations in structuring a particular program, which may include:

(a) Determine the population;
(b) Perform a clinical assessment;
(c) Develop the treatment plan;
(d) Supervise the offender;
(e) Forge agency, organization, and community partnerships;
the participation of offenders in the program. The drug court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:

(i) The offender would benefit from substance abuse treatment;
(ii) The offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030; and
(iii) Without regard to whether proof of any of these elements is required to convict, the offender is not currently charged with or convicted of an offense:

(A) That is a sex offense;
(B) That is a serious violent offense;
(C) During which the defendant used a firearm; or
(D) During which the defendant caused substantial or great bodily harm or death to another person.

Sec. 6. RCW 2.28.175 and 2012 c 183 s 1 are each amended to read as follows:

(1) ((Counties)) Jurisdictions may establish and operate DUI courts. Municipalities may enter into cooperative agreements with counties or other municipalities that have DUI courts to provide DUI court services.
(2) For the purposes of this section, "DUI court" means a court that has special calendars or dockets designed to achieve a reduction in recidivism of impaired driving among nonviolent, alcohol abusing offenders, whether adult or juvenile, by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment; mandatory periodic testing for alcohol use and, if applicable, drug use; and the use of appropriate sanctions and other rehabilitation services.
(3)(a) Any jurisdiction that seeks a state appropriation to fund a DUI court program must first:
(i) Exhaust all federal funding that is available to support the operations of its DUI court and associated services; and
(ii) Match, on a dollar-for-dollar basis, state moneys allocated for DUI court programs with local cash or in-kind resources. Moneys allocated by the state must be used to supplement, not supplant, other federal, state, and local funds for DUI court operations and associated services. However, until June 30, 2014, no match is required for state moneys expended for the administrative and overhead costs associated with the operation of a DUI court established as of January 1, 2011.
(b) Any jurisdiction that establishes a DUI court pursuant to this section shall establish minimum requirements for the participation of offenders in the program. The DUI court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:

(i) The offender would benefit from alcohol treatment;
(ii) The offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030, vehicular homicide under RCW 46.61.520, vehicular assault under RCW 46.61.522, or an equivalent out-of-state offense; and

(A) That is a sex offense;
(B) That is a serious violent offense;
(C) That is vehicular homicide or vehicular assault;
(D) During which the defendant used a firearm; or
(E) During which the defendant caused substantial or great bodily harm or death to another person.

Sec. 7. RCW 2.28.180 and 2011 c 236 s 1 are each amended to read as follows:

(1) ((Counties)) Jurisdictions may establish and operate mental health courts.
(2) For the purposes of this section, "mental health court" means a court that has special calendars or dockets designed to achieve a reduction in recidivism and symptoms of mental illness among...
nonviolent, felony and nonfelony offenders with mental illnesses and recidivism among nonviolent felony and nonfelony offenders who have developmental disabilities as defined in RCW 71A.10.020 or who have suffered a traumatic brain injury by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment including drug treatment for persons with co-occurring disorders; mandatory periodic reviews, including drug testing if indicated; and the use of appropriate sanctions and other rehabilitation services.

(3)(a) Any jurisdiction that seeks a state appropriation to fund a mental health court program must first:
- (i) Exhaust all federal funding that is available to support the operations of its mental health court and associated services; and
- (ii) Match, on a dollar-for-dollar basis, state moneys allocated for mental health court programs with local cash or in-kind resources. Moneys allocated by the state must be used to supplement, not supplant, other federal, state, and local funds for mental health court operations and associated services.
- (b) Any ((county)) jurisdiction that establishes a mental health court pursuant to this section shall establish minimum requirements for the participation of offenders in the program. The mental health court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:
  - (i) The offender would benefit from psychiatric treatment or treatment related to his or her developmental disability or traumatic brain injury;
  - (ii) The offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030; and
  - (iii) Without regard to whether proof of any of these elements is required to convict, the offender is not currently charged with or convicted of an offense:
    - (A) That is a sex offense;
    - (B) That is a serious violent offense;
    - (C) During which the defendant used a firearm; or
    - (D) During which the defendant caused substantial or great bodily harm or death to another person.

Sec. 8. RCW 2.28.190 and 2011 c 293 s 11 are each amended to read as follows:

Any ((county)) jurisdiction that has established a DUI court, drug court, and a mental health court under this chapter may combine the functions of these courts into a single therapeutic court.

NEW SECTION. Sec. 9. This act takes effect August 1, 2013.

Correct the title.
and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 24, 2013

MR. PRESIDENT:
The House receded from its amendment(s) to SECOND SUBSTITUTE SENATE BILL NO. 5213. Under suspension of the rules, the bill was returned to second reading for the purposes of amendment(s). The House adopted the following amendment(s): 5213-S2 AMH CODY H2475.2, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 74.09 RCW to read as follows:

The legislature finds that chronic care management, including comprehensive medication management services, provided by licensed pharmacists and qualified providers is a critical component of a collaborative, multidisciplinary, inter-professional approach to the treatment of chronic diseases for targeted individuals, to improve the quality of care and reduce overall cost in the treatment of such diseases.

Sec. 2. RCW 74.09.522 and 2011 1st sp.s. c 15 s 29, 2011 1st sp.s. c 9 s 2, and 2011 c 316 s 4 are each reenacted and amended to read as follows:

(1) For the purposes of this section:

(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under this chapter and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system.

(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:

(a) Agreements shall be made for at least thirty thousand recipients statewide;

(b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;

(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;
(e)(i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, to be included in contracts issued or renewed on or after January 1, (2012) 2015, including:

(A) Standards regarding the quality of services to be provided;

(B) The financial integrity of the responding system;

(C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive medication management services for patients with multiple chronic conditions consistent with the findings and goals established in section 1 of this act;

(D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department utilization, hospitalization, and drug costs.

(E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management;

(F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals established in section 1 of this act; and

(G) Evaluation and reporting on the impact of comprehensive medication management services on patient outcomes and total health care costs, including reductions in emergency department utilization, hospitalization, and drug costs.

(ii)(A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(B) Contracts that include the items in (e)(i)(C) through (e)(i)(G) of this subsection must not exceed the rates that would be paid in the absence of these provisions;

(f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;

(h) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;

(i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and

(j) The authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that enable the authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(6) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(8) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after August 24, 2011, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (7) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(9) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written
agreements sufficient to provide adequate access to all services covered under the contract with the department, including hospital-based physician services. The department will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the department will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(10) Subsections (7) through (9) of this section expire July 1, 2016."

Correct the title.

(iii) In the case of a statement attributed to another person, identifies the person and disclaims an intent to assert the truth of the statement;

(c) Is communicated to the person who has made a request for correction or clarification; and

(d) Accompanies and is an equally prominent part of any electronic publication of the allegedly defamatory statement by the publisher.

(3) A correction or clarification is published in a medium reasonably likely to reach substantially the same audience as the publication complained of if it is published in a later issue, edition, or broadcast of the original publication.

(4) If a later issue, edition, or broadcast of the original publication will not be published within the time limits established for a timely correction or clarification, a correction or clarification is published in a manner and medium reasonably likely to reach substantially the same audience as the publication complained of if:

(a) It is timely published in a reasonably prominent manner:

(i) In another medium likely to reach an audience reasonably equivalent to the original publication; or

(ii) If the parties cannot agree on another medium, in the newspaper with the largest general circulation in the region in which the original publication was distributed;

(b) Reasonable steps are taken to correct undistributed copies of the original publication, if any; and

(c) It is published in the next practicable issue, edition, or broadcast, if any, of the original publication.

(5) A correction or clarification is timely and sufficient if the parties agree in writing that it is timely and sufficient.

NEW SECTION. Sec. 7. CHALLENGES TO CORRECTION OR CLARIFICATION OR TO REQUEST FOR CORRECTION OR CLARIFICATION. (1) If a defendant in an action governed by this chapter intends to rely on a timely and sufficient correction or clarification, the defendant's intention to do so, and the correction or clarification relied upon, must be set forth in a notice served on the plaintiff within sixty days after service of the summons and complaint or ten days after the correction or clarification is made, whichever is later. A correction or clarification is deemed to be timely and sufficient unless the plaintiff challenges its timeliness or sufficiency within twenty days after the notice is served.

(2) If a defendant in an action governed by this chapter intends to challenge the adequacy or timeliness of a request for correction or clarification, the defendant must set forth the challenge in a motion.
to declare the request inadequate or untimely served within sixty

days after service of the summons and complaint. The court shall

rule on the motion at the earliest appropriate time before trial.

NEW SECTION. Sec. 8. OFFER TO CORRECT OR

CLARIFY. (1) If a timely correction or clarification is no longer

possible, the publisher of an alleged defamatory statement may

offer, at any time before trial, to make a correction or clarification.

The offer must be made in writing to the person allegedly defamed

by the publication and:

(a) Contain the publisher's offer to:

(i) Publish, at the person's request, a sufficient correction or

clarification; and

(ii) Pay the person's reasonable expenses of litigation, including

attorneys' fees, incurred before publication of the correction or

clarification; and

(b) Be accompanied by a copy of the proposed correction or

clarification and the plan for its publication.

(2) If the person accepts in writing an offer to correct or clarify

made pursuant to subsection (1) of this section:

(a) The person is barred from commencing an action against the

publisher based on the statement; or

(b) If an action has been commenced, the court shall dismiss

the action against the defendant with prejudice after the defendant

complies with the terms of the offer.

(3) A person who does not accept an offer made in conformance

with subsection (1) of this section may not recover damages for

injury to reputation or presumed damages in an action based on the

statement; however, the person may recover all other damages

permitted by law, as well as reasonable expenses of litigation,

including attorneys' fees, incurred before the offer, unless the person

failed to make a good-faith attempt to request a correction or

clarification in accordance with section 3(2) of this act or failed to

disclose information in accordance with section 4 of this act.

(4) On request of either party, a court shall promptly determine

the sufficiency of the offered correction or clarification.

NEW SECTION. Sec. 9. SCOPE OF PROTECTION. A

timely and sufficient correction or clarification made by a person

responsible for a publication constitutes a correction or clarification

made by all persons responsible for that publication other than a

republisher. However, a correction or clarification that is sufficient

only because of the operation of section 6(2)(b)(iii) of this act does

not constitute a correction or clarification made by the person to

whom the statement is attributed.

NEW SECTION. Sec. 10. UNIFORMITY OF

APPLICATION AND CONSTRUCTION. This chapter shall be

applied and construed to effectuate its general purpose to make

uniform the law with respect to the subject of this chapter among

states enacting it.

NEW SECTION. Sec. 11. SHORT TITLE. This chapter may be

known and cited as the uniform correction or clarification of

NEW SECTION. Sec. 12. If any provision of this act or its

application to any person or circumstance is held invalid, the

remainder of the act or the application of the provision to other

persons or circumstances is not affected.

MESSAGE FROM THE HOUSE

MR. PRESIDENT:
The House passed ENGROSSED SENATE BILL NO. 5484 with the following amendment(s): AMH PS H2325.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9A.36.031 and 2011 c 336 s 359 and 2011 c 238 s 1 are each reenacted and amended to read as follows:

(1) A person is guilty of assault in the third degree if he or she, under circumstances not amounting to assault in the first or second degree:

(a) With intent to prevent or resist the execution of any lawful process or mandate of any court officer or the lawful apprehension or detention of himself, herself, or another person, assaults another; or

(b) Assaults a person employed as a transit operator or driver, the immediate supervisor of a transit operator or driver, a mechanic, or a security officer, by a public or private transit company or a contracted transit service provider, while that person is performing his or her official duties at the time of the assault; or

(c) Assaults a school bus driver, the immediate supervisor of a driver, a mechanic, or a security officer, employed by a school district transportation service or a private company under contract for transportation services with a school district, while the person is performing his or her official duties at the time of the assault; or

(d) With criminal negligence, causes bodily harm to another person by means of a weapon or other instrument or thing likely to produce bodily harm; or

(e) Assaults a firefighter or other employee of a fire department, county fire marshal's office, county fire prevention bureau, or fire protection district who was performing his or her official duties at the time of the assault; or

(f) With criminal negligence, causes bodily harm accompanied by substantial pain that extends for a period sufficient to cause considerable suffering; or

(g) Assaults a law enforcement officer or other employee of a law enforcement agency who was performing his or her official duties at the time of the assault; or

(h) Assaults a peace officer with a projectile stun gun; or

(i) Assaults a nurse, physician, or health care provider who was performing his or her nursing or health care duties at the time of the assault. For purposes of this subsection: "Nurse" means a person licensed under chapter 18.79 RCW; "physician" means a person licensed under chapter 18.57 or 18.71 RCW; and "health care provider" means a person certified under chapter 18.71 or 18.73 RCW who performs emergency medical services or a person regulated under Title 18 RCW and employed by, or contracting with, a hospital licensed under chapter 70.41 RCW;

(j) Assaults a judicial officer, court-related employee, county clerk, or county clerk's employee, while that person is performing his or her official duties at the time of the assault or as a result of that person's employment within the judicial system. For purposes of this subsection, "court-related employee" includes bailiffs, court reporters, judicial assistants, court managers, court managers' employees, and any other employee, regardless of title, who is engaged in equivalent functions; or

(k) Assaults a person located in a courtroom, jury room, judge's chamber, or any waiting area or corridor immediately adjacent to a courtroom, jury room, or judge's chamber. This section shall apply only: (i) During the times when a courtroom, jury room, or judge's chamber is being used for judicial purposes during court proceedings; and (ii) if signage was posted in compliance with section 3 of this act at the time of the assault.

(2) Assault in the third degree is a class C felony.
Sec. 2. RCW 9.94A.535 and 2011 c 87 s 1 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

(1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(j) The current offense involved domestic violence, as defined in RCW 10.99.020, and the defendant suffered a continuing pattern of coercion, control, or abuse by the victim of the offense and the offense is a response to that coercion, control, or abuse.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury - Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(c) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.

(d) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(i) The current offense involved multiple victims or multiple incidents per victim;

(ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;

(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or

(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) The current offense involved the manufacture of controlled substances for use by other parties;

(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5193, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

PERSONAL PRIVILEGE

Senator Ranker: “Thank you Mr. President. I want to thank Senator Smith, Senator Pearson and Senator Rolfs for their work on this bill that we just passed and to Senator Rolfs saluted to the decision by the Fish & Wildlife Commission yesterday. The actions of the Commission and these Senators and others in the House over the last weeks has brought us to a place in Washington State where I believe we are going to be able to move forward with implementation of the wolf management plan which has been extremely controversial in a manner that truly respects ranchers in Eastern Washington making sure that people can actually defend their private property and their families in a time of fear and that’s what we’ve accomplished with this bill and it’s kind of a package here with this bill and the commission’s decision. I just really want to thank the three of you on your efforts on this. I thinks it’s a great effort for Washington State so that we can recover the species as well as make sure our ranchers have a livelihood that is protected.”

"Financial exploitation" includes, but is not limited to:

(a) The use of deception, intimidation, or undue influence by a person or entity in a position of trust and confidence with a vulnerable adult to obtain or use the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult;

(c) Obtaining or using a vulnerable adult's property, income, resources, or trust funds without lawful authority, by a person or entity who knows or clearly should know that the vulnerable adult lacks the capacity to consent to the release or use of his or her property, income, resources, or trust funds.

(15) "Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. This definition may include a vulnerable adult who is receiving services through home health, hospice, or a home care agency, or an individual provider when the neglect is not a result of inaction by that agency or individual provider.

(16) "Social worker" means:

(a) A social worker as defined in RCW 18.320.010(2); or
(b) Anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of vulnerable adults, or providing social services to vulnerable adults, whether in an individual capacity or as an employee or agent of any public or private organization or institution.

Sec. 2. RCW 74.34.035 and 2010 c 133 s 4 are each amended to read as follows:

(1) When there is reasonable cause to believe that abandonment, abuse, financial exploitation, or neglect of a vulnerable adult has occurred, mandated reporters shall immediately report to the department.

(2) When there is reason to suspect that sexual assault has occurred or there is reasonable cause to believe that an act has caused fear of imminent harm:

(a) Mandated reporters shall immediately report to the department; and

(b) Mandated reporters shall immediately report to the appropriate law enforcement agency, except as provided in subsection (4) of this section.

(4) A mandated reporter is not required to report to a law enforcement agency, unless requested by the injured vulnerable adult or his or her legal representative or family member, an incident of physical assault between vulnerable adults that causes minor bodily injury and does not require more than basic first aid, unless:

(a) The injury appears on the back, face, head, neck, chest, breasts, groin, inner thigh, buttock, genital, or anal area;

(b) There is a fracture;

(c) There is a pattern of physical assault between the same vulnerable adults or involving the same vulnerable adults; or

(d) There is an attempt to choke a vulnerable adult.

(5) When there is reason to suspect that the death of a vulnerable adult was caused by abuse, neglect, or abandonment by another person, mandated reporters shall, pursuant to RCW 68.50.020, report the death to the medical examiner or coroner having jurisdiction, as well as the department and local law enforcement, in the most expeditious manner possible. A mandated reporter is not relieved from the reporting requirement provisions of this subsection by the existence of a previously signed death certificate. If abuse, neglect, or abandonment caused or contributed to the death of a vulnerable adult, the death is a death caused by unnatural or unlawful means, and the body shall be the jurisdiction of the coroner or medical examiner pursuant to RCW 68.50.010.

(6) Permissive reporters may report to the department or a law enforcement agency when there is reasonable cause to believe that a vulnerable adult is being or has been abandoned, abused, financially exploited, or neglected.

(7) No facility, as defined by this chapter, agency licensed or required to be licensed under chapter 70.127 RCW, or facility or agency under contract with the department to provide care for vulnerable adults may develop policies or procedures that interfere with the reporting requirements of this chapter.

(8) Each report, oral or written, must contain as much as possible of the following information:

(a) The name and address of the person making the report;

(b) The name and address of the vulnerable adult and the name of the facility or agency providing care for the vulnerable adult;

(c) The name and address of the legal guardian or alternate decision maker;

(d) The nature and extent of the abandonment, abuse, financial exploitation, neglect, or self-neglect;

(e) Any history of previous abandonment, abuse, financial exploitation, neglect, or self-neglect;

(f) The identity of the alleged perpetrator, if known; and

(g) Other information that may be helpful in establishing the extent of abandonment, abuse, financial exploitation, neglect, or the cause of death of the deceased vulnerable adult.

(9) Unless there is a judicial proceeding or the person consents, the identity of the person making the report under this section is confidential.

(10) In conducting an investigation of abandonment, abuse, financial exploitation, self-neglect, or neglect, the department or law enforcement, upon request, must have access to all relevant records related to the vulnerable adult that are in the possession of mandated reporters and their employees, unless otherwise prohibited by law. Records maintained under RCW 4.24.250, 18.20.390, 43.70.510, 70.41.200, 70.230.080, and 74.42.640 shall not be subject to the requirements of this subsection. Providing access to records relevant to an investigation by the department or law enforcement under this provision may not be deemed a violation of any confidential communication privilege. Access to any records that would violate attorney-client privilege shall not be provided without a court order unless otherwise required by court rule or caselaw.

Sec. 3. RCW 74.34.067 and 2011 c 170 s 2 are each amended to read as follows:

(1) Where appropriate, an investigation by the department may include a private interview with the vulnerable adult regarding the alleged abandonment, abuse, financial exploitation, neglect, or self-neglect.

(2) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to interview the vulnerable adult or adults harmed, and, consistent with the protection of the vulnerable adult shall interview facility staff, any available independent sources of relevant information, including if appropriate the family members of the vulnerable adult.

(3) The department may conduct ongoing case planning and consultation with: (a) Those persons or agencies required to report under this chapter or submit a report under this chapter; (b) Consultants designated by the department; and (c) Designated representatives of Washington Indian tribes if client information exchanged is pertinent to cases under investigation or the provision of protective services. Information considered privileged by statute and not directly related to reports required by this chapter must not be divulged without a valid written waiver of the privilege.

(4) The department shall prepare and keep on file a report of each investigation conducted by the department for a period of time in accordance with policies established by the department.

(5) If the department has reason to believe that the vulnerable adult has suffered from abandonment, abuse, financial exploitation, neglect, or self-neglect, and lacks the ability or capacity to consent,
and needs the protection of a guardian, the department may bring a guardianship action under chapter 11.88 RCW.

(6) For purposes consistent with this chapter, the department, the certified professional guardian board, and the office of public guardianship may share information contained in reports and investigations of the abuse, abandonment, neglect, self-neglect, and financial exploitation of vulnerable adults. This information may be used solely for (a) recruiting or appointing appropriate guardians and (b) monitoring, or when appropriate, disciplining certified professional or public guardians. Reports of abuse, abandonment, neglect, self-neglect, and financial exploitation are confidential under RCW 74.34.095 and other laws, and secondary disclosure of information shared under this section is prohibited.

(7) When the investigation is completed and the department determines that an incident of abandonment, abuse, financial exploitation, neglect, or self-neglect has occurred, the department shall inform the vulnerable adult of their right to refuse protective services, and ensure that, if necessary, appropriate protective services are provided to the vulnerable adult, with the consent of the vulnerable adult. The vulnerable adult has the right to withdraw or refuse protective services.

(8) The department’s adult protective services division may enter into agreements with federally recognized tribes to investigate reports of abandonment, abuse, financial exploitation, neglect, or self-neglect of vulnerable adults on property over which a federally recognized tribe has exclusive jurisdiction. If the department has information that abandonment, abuse, financial exploitation, or neglect is criminal or is placing a vulnerable adult on tribal property at potential risk of personal or financial harm, the department may notify tribal law enforcement or another tribal representative specified by the tribe. Upon receipt of the notification, the tribe may assume jurisdiction of the matter. Neither the department nor its employees may participate in the investigation after the tribe assumes jurisdiction. The department, its officers, and its employees are not liable for any action or inaction of the tribe or for any harm to the alleged victim, the person against whom the allegations were made, or other parties that occurs after the tribe assumes jurisdiction. Nothing in this section limits the department’s jurisdiction and authority over facilities or entities that the department licenses or certifies under federal or state law.

(9) The department may photograph a vulnerable adult or their environment for the purpose of providing documentary evidence of the physical condition of the vulnerable adult or his or her environment. When photographing the vulnerable adult, the department shall obtain permission from the vulnerable adult or his or her legal representative unless immediate photographing is necessary to preserve evidence. However, if the legal representative is alleged to have abused, neglected, abandoned, or exploited the vulnerable adult, consent from the legal representative is not necessary. No such consent is necessary when photographing the physical environment.

(10) When the investigation is complete and the department determines that the incident of abandonment, abuse, financial exploitation, or neglect has occurred, the department shall inform the facility in which the incident occurred, consistent with confidentiality requirements concerning the vulnerable adult, witnesses, and complainants.

Correct the title.
and the same are herewith transmitted.

MESSAGE FROM THE HOUSE
April 16, 2013

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5744 with the following amendment(s): 5744-S.E. AMH LWD H2192.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that many Washington workers involved in manual logging in the logging industry suffer industrial injuries with greater frequency and severity than workers in other industries. The legislature further finds that the incidence and severity of injury is particularly high among young workers during the early periods of employment in manual logging. The legislature recognizes the importance of improving safety performance in the logging industry to reduce industrial injuries for workers and resulting workers' compensation premium rates for employers. The legislature acknowledges that industry participants, including private land owners, timber industry employers, the department of natural resources, and the department of labor and industries, have formed a logger safety task force to develop and implement a logger safety initiative. The goal of the initiative is to reduce the frequency and severity of injuries in the logging industry. The task force will create a program that will establish sector-wide standards for worker training and supervision; establish a certification process for individual company safety programs; and review the progress of logging operations through mandatory performance-based audits. The legislature further recognizes that as the safety culture in the logging industry evolves, the frequency and severity of injuries will decrease, which will drive down industrial insurance costs for logging industry employers. While the industrial insurance costs will decline over time as safety improves, the legislature acknowledges that an immediate reduction in industrial insurance rates for the 2014 rate year for participating logging employers provides an additional incentive for these employers to commit to the logger safety initiative. Therefore, the legislature intends to monitor development and implementation of the logger safety initiative.

NEW SECTION. Sec. 2. A new section is added to chapter 51.04 RCW to read as follows:

(1) The department shall include one or more representatives of logging industry workers on the logger safety task force. In addition, the department shall reach out to all employers in the logging industry, including those having one or more on the job fatalities in the last five years, and invite them to participate in the logger safety initiative. All participants must comply with the requirements of the logger safety initiative.

(2) By December 31, 2013, the department shall report back to the appropriate committees of the legislature on the development and implementation of the logger safety initiative. The report shall provide a status update on implementation of the initiative and participation in the safety program, including a description and summary of the worker training and supervision standards and the certification process for individual companies. The report shall also contain a description and summary of any industrial insurance rate reduction or other incentive for rate year 2014 that will be applied to employers participating in the initiative. The report may provide recommendations for legislative consideration to further the goals of the initiative."

Correct the title.

and the same are herewith transmitted.

Senator Rivers moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 39.102 RCW to read as follows:

This chapter expires June 30, 2044.

NEW SECTION. Sec. 2. RCW 39.102.904 (Expiration date--2006 c 181 and 2006 c 181 s 707 are each repealed.

Sec. 3. RCW 82.14.475 and 2010 c 164 s 12 are each amended to read as follows:

(1) A sponsoring local government, and any cosponsoring local government, that has been approved by the board to use local infrastructure financing may impose a sales and use tax in accordance with the terms of this chapter and subject to the criteria set forth in this section. Except as provided in this section, the tax is in addition to other taxes authorized by law and is collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the taxing jurisdiction of the sponsoring local government or cosponsoring local government.

(2) The tax authorized under subsection (1) of this section is credited against the state taxes imposed under RCW 82.08.020(1) and 82.12.020 at the rate provided in RCW 82.08.020(1). The department must perform the collection of such taxes on behalf of the sponsoring local government or cosponsoring local government at no cost to the sponsoring local government or cosponsoring local government and must remit the taxes as provided in RCW 82.14.060.

(3) The aggregate rate of tax imposed by the sponsoring local government, and any cosponsoring local government, must not exceed the lesser of:

(a) The rate provided in RCW 82.08.020(1) less:

(i) The aggregate rates of all other local sales and use taxes imposed by any taxing authority on the same taxable events;
(ii) The aggregate rates of all taxes under RCW 82.14.465 and this section that are authorized to be imposed on the same taxable events but have not yet been imposed by a sponsoring local government or cosponsoring local government that has been approved by the department or the community economic revitalization board to receive a state contribution under chapter 39.100 or 39.102 RCW; and

(iii) The percentage amount of distributions required under RCW 82.08.020(5) multiplied by the rate of state taxes imposed under RCW 82.08.020(1); and

(b) The rate, as determined by the sponsoring local government, and any cosponsoring local government, in consultation with the department, reasonably necessary to receive the state contribution over ten months.

(4) Sponsoring local governments that have been approved before October 1, 2008, by the community economic revitalization board for a state contribution must select the rate of tax under this section no later than September 1, 2009.

(5) The department, upon request, must assist a sponsoring local government and cosponsoring local government in establishing their tax rate in accordance with subsection (3) of this section. Once the rate of tax is selected, it may not be increased.

(6)(a) No tax may be imposed under the authority of this section:

(i) Before July 1st of the second calendar year following the year approval by the board under RCW 39.102.040 was made; and

(ii) Until a sponsoring local government reports to the board and the department as required by RCW 39.102.140 that the state has benefited through the receipt of state excise tax allocation revenues or state property tax allocation revenues, or both.

(b) The tax imposed under this section expires when all indebtedness issued under the authority of RCW 39.102.150 is retired and all other contractual obligations relating to the financing of public improvements under chapter 39.102 RCW are satisfied, but not more than twenty-five years after the tax is first imposed.

(7) An ordinance adopted by the legislative authority of a sponsoring local government or cosponsoring local government imposing a tax under this section must provide that:

(a) The tax is first imposed on the first day of a fiscal year;

(b) The cumulative amount of tax received by the sponsoring local government, and any cosponsoring local government, in any fiscal year may not exceed the amount of the state contribution;

(c) The tax will cease to be distributed for the remainder of any fiscal year in which either:

(i) The amount of tax received by the sponsoring local government, and any cosponsoring local government, equals the amount of the state contribution;

(ii) The amount of revenue from taxes imposed under this section by all sponsoring and cosponsoring local governments equals the annual state contribution limit; or

(iii) The amount of tax received by the sponsoring local government equals the amount of project award granted in the approval notice described in RCW 39.102.040;

(d) Neither the local excise tax allocation revenues nor the local property tax allocation revenues may constitute more than eighty percent of the total local funds as described in RCW 39.102.020((28)) (29)(b). This requirement applies beginning January 1st of the fifth calendar year after the calendar year in which the sponsoring local government begins allocating local excise tax allocation revenues under RCW 39.102.110;

(e) The tax must be distributed again, should it cease to be distributed for any of the reasons provided in (c) of this subsection, at the beginning of the next fiscal year, subject to the restrictions in this section; and

(f) Any revenue generated by the tax in excess of the amounts specified in (c) of this subsection belongs to the state of Washington.

(8) If a county and city cosponsor a revenue development area, the combined amount of distributions received by both the city and county may not exceed the state contribution.

(9) The department must determine the amount of tax receipts distributed to each sponsoring local government, and any cosponsoring local government, imposing sales and use tax under this section and shall advise a sponsoring or cosponsoring local government when tax distributions for the fiscal year equal the amount of state contribution for that fiscal year as provided in subsection (11) of this section. Determinations by the department of the amount of tax distributions attributable to each sponsoring or cosponsoring local government are final and may not be used to challenge the validity of any tax imposed under this section. The department must remit any tax receipts in excess of the amounts specified in subsection (7)(c) of this section to the state treasurer who must deposit the money in the general fund.

(10) If a sponsoring or cosponsoring local government fails to comply with RCW 39.102.140, no tax may be distributed in the subsequent fiscal year until such time as the sponsoring or cosponsoring local government complies and the department calculates the state contribution amount for such fiscal year.

(11) Each year, the amount of taxes approved by the department for distribution to a sponsoring or cosponsoring local government in the next fiscal year must be equal to the state contribution and may be no more than the total local funds as described in RCW 39.102.020((28)) (29)(b). The department must consider information from reports described in RCW 39.102.140 when determining the amount of state contributions for each fiscal year. The department’s determination of the amount of the state contribution is final and conclusive, and may not be changed once such determination is made and such contribution is distributed to the sponsoring or cosponsoring local government, unless the department subsequently determines that local revenue information contained in a report described in RCW 39.102.140 differs from the actual dedicated local revenue. If a discrepancy is found, the department must adjust its determination accordingly. A sponsoring or cosponsoring local government may not receive, in any fiscal year, more revenues from taxes imposed under the authority of this section than the amount approved annually by the department. The department may not approve the receipt of more distributions of sales and use tax under this section to a sponsoring or cosponsoring local government than is authorized under subsection (7) of this section.

(12) The amount of tax distributions received from taxes imposed under the authority of this section by all sponsoring and cosponsoring local governments is limited annually to not more than seven million five hundred thousand dollars.

(13) The definitions in RCW 39.102.020 apply to this section unless the context clearly requires otherwise.

(14) If a sponsoring local government is a federally recognized Indian tribe, the distribution of the sales and use tax authorized under this section must be authorized through an interlocal agreement pursuant to chapter 39.34 RCW.

(15) Subject to RCW 39.102.195, the tax imposed under the authority of this section may be applied either to provide for the payment of debt service on bonds issued under RCW 39.102.150 by the sponsoring local government or to pay public improvement costs on a pay-as-you-go basis, or both.

(16) The tax imposed under the authority of this section must cease to be imposed if the sponsoring local government or cosponsoring local government (including indebtedness under the authority of RCW 39.102.150, and the prescribed bond issue) fails to commence construction on public improvements((q)) by June ((30th of the fifth

from the fund are paid in full. Revenues derived from taxes
imposed under RCW 82.14.475 are subject to the use restriction in
RCW 39.102.130.

NEW SECTION.  Sec. 7.  A new section is added to chapter 39.102 RCW to read as follows:

Notwithstanding RCW 39.102.040 and RCW 39.102.050, the board shall approve an additional demonstration project to be known as the Spokane County Kendall Yards Urban Development Project.  The Spokane County Kendall Yards Urban Development Project application must be received by the board no later than July 1, 2014.  Spokane County Kendall Yards Urban Development Project award must not exceed three hundred fifty thousand dollars per year.  The board must approve by September 15, 2014, such demonstration project application submitted by July 1, 2014.

Sec. 8.  RCW 39.102.060 and 2007 c 229 s 4 are each amended to read as follows:

The designation of a revenue development area is subject to the following limitations:

(1) The taxable real property within the revenue development area boundaries may not exceed one billion dollars in assessed value at the time the revenue development area is designated;

(2) The average assessed value per square foot of taxable land within the revenue development area boundaries, as of January 1st of the year the application is submitted to the board under RCW 39.102.040, may not exceed seventy dollars at the time the revenue development area is designated;

(3) No revenue development area shall have within its geographic boundaries any part of a hospital benefit zone under chapter 39.100 RCW or any part of another revenue development area created under this chapter;

(4) A revenue development area is limited to contiguous tracts, lots, pieces, or parcels of land without the creation of islands of property not included in the revenue development area;

(5) The boundaries may not be drawn to purposely exclude parcels where economic growth is unlikely to occur;

(6) The public improvements financed through local infrastructure financing must be located in the revenue development area;

(7) A revenue development area cannot comprise an area containing more than twenty-five percent of the total assessed value of the taxable real property within the boundaries of the sponsoring local government, including any cospending local government, at the time the revenue development area is designated;

(8) The boundaries of the revenue development area shall not be changed for the time period that local infrastructure financing is used; and

(a) Except as provided in (b) of this subsection, a revenue development area cannot include any part of an increment area created under chapter 39.89 RCW, except those increment areas created prior to January 1, 2006.

(b) A revenue development area's boundaries may include all or a portion of an existing increment area if:

(i) The state of Washington has loaned money for environmental cleanup in such area in order to stimulate redevelopment of brownfields;

(ii) The environmental cleanup, for which the state's loans were intended has been completed; and

(iii) The sponsoring local government determines the creation of the revenue development is necessary for redevelopment and protecting the state's investment by increasing property tax revenue.

Sec. 9.  RCW 39.102.120 and 2009 c 267 s 4 are each amended to read as follows:

(1) Commencing in the second calendar year following board approval of a revenue development area, except for the Spokane County Kendall Yards Urban Development Project which shall commence January 1, 2016, the county treasurer shall distribute receipts from regular taxes imposed on real property located in the revenue development area as follows:

(a) Each participating taxing district and the sponsoring local government shall receive that portion of its regular property taxes produced by the rate of tax levied by or for the taxing district on the property tax allocation revenue value base value for that local infrastructure financing project in the taxing district; and

(b) The sponsoring local government shall receive an additional portion of the regular property taxes levied by it and by or for each participating taxing district upon the property tax allocation revenue value within the revenue development area.  However, if there is no property tax allocation revenue value, the sponsoring local government shall not receive any additional regular property taxes under this subsection (1)(b).  The sponsoring local government may agree to receive less than the full amount of the additional portion of regular property taxes under this subsection (1)(b) as long as bond debt service, reserve, and other bond covenant requirements are satisfied, in which case the balance of those tax receipts shall be allocated to the participating taxing districts that levied regular property taxes, or have regular property taxes levied for them, in the revenue development area for collection that year in proportion to their regular tax levy rates for collection that year.  The sponsoring local government may request that the treasurer transfer this additional portion of the property taxes to its designated agent.  The portion of the tax receipts distributed to the sponsoring local government or its agent under this subsection (1)(b) may only be expended to finance public improvement costs associated with the public improvements financed in whole or in part by local infrastructure financing.

(2) The county assessor shall determine the property tax allocation revenue value and property tax allocation revenue base value.  This section does not authorize revaluations of real property by the assessor for property taxation that are not made in accordance with the assessor's revaluation plan under chapter 84.41 RCW or under other authorized revaluation procedures.

(3) The distribution of local property tax allocation revenue to the sponsoring local government must cease when local property tax allocation revenues are no longer obligated to pay the costs of the public improvements.  Any excess local property tax allocation revenues and earnings on such revenues remaining at the time the distribution of local property tax allocation revenue terminates must be returned to the county treasurer and distributed to the participating taxing districts that imposed regular property taxes, or had regular property taxes imposed for it, in the revenue development area for collection that year, in proportion to the rates of their regular property tax levies for collection that year.

(4) The allocation to the revenue development area of that portion of the sponsoring local government's and each participating taxing district's regular property taxes levied by or for each taxing district upon the property tax allocation revenue value within that revenue development area is declared to be a public purpose of and benefit to the sponsoring local government and each participating taxing district.
(5) The distribution of local property tax allocation revenues pursuant to this section shall not affect or be deemed to affect the rate of taxes levied by or within any sponsoring local government and participating taxing district or the consistency of any such levies with the uniformity requirement of Article VII, section 1 of the state Constitution.

(6) This section does not apply to those revenue development areas that include any part of an increment area created under chapter 39.89 RCW.”

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5193,
SUBSTITUTE SENATE BILL NO. 5211,
ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5267,
Mr. President:
The House recessed from its amendment(s) to ENGROSSED SENATE BILL NO. 5236. Under suspension of the rules, the bill was returned to second reading for the purposes of amendment(s). The House adopted the following amendment(s): 5236.E AMH GOOD CLYN 464, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. INTENT. Since the United States Supreme Court recognized the First Amendment limitations on the common law tort of defamation and defamation-like torts, courts have struggled to achieve a balance between constitutionally protected guarantees of free expression and the need to protect citizens from reputational harm. Unlike personal injuries, harm to reputation can often be cured by means other than money damages. The correction or clarification of a published statement may restore a person's reputation more quickly and more thoroughly than a victorious lawsuit. The salutary effect of a correction or clarification is enhanced if it is published reasonably soon after a statement is made.

This act seeks to provide strong incentives for individuals to promptly correct or clarify an alleged false statement as an alternative to costly litigation. The options created by this act provide an opportunity for a plaintiff who believes he or she has been harmed by a false statement to secure quick and complete vindication of his or her reputation. This act provides publishers with a quick and cost-effective means of correcting or clarifying alleged mistakes and avoiding costly litigation.

NEW SECTION. Sec. 2. DEFINITION. The definition in this section applies throughout this chapter unless the context clearly requires otherwise.

"Person" means an individual, corporation, business trust, estate, trust, partnership, association, joint venture, or other legal or commercial entity. The term does not include a government or governmental subdivision, agency, or instrumentality.

NEW SECTION. Sec. 3. SCOPE. (1) This chapter applies to any claim for relief, however characterized, for damages arising out of harm caused by the false content of a publication that is published on or after the effective date of this section.

(2) This chapter applies to all publications, including writings, broadcasts, oral communications, electronic transmissions, or other forms of transmitting information.

NEW SECTION. Sec. 4. REQUEST FOR CORRECTION OR CLARIFICATION. (1) A person may maintain an action for defamation or another claim covered by this chapter only if:

(a) The person has made a timely and adequate request for correction or clarification from the defendant; or

(b) The defendant has made a correction or clarification.

(2) A request for correction or clarification is timely if made within the period of limitation for commencement of an action for defamation.

(3) A request for correction or clarification is adequate if it:

(a) Is made in writing and reasonably identifies the person making the request;

(b) Specifies with particularity the statement alleged to be false and defamatory or otherwise actionable and, to the extent known, the time and place of publication;

(c) Alлегes the defamatory meaning of the statement;

(d) Specifies the circumstances giving rise to any defamatory meaning of the statement which arises from other than the express language of the publication; and

(e) States that the alleged defamatory meaning of the statement is false.

(4) In the absence of a previous adequate request, service of a summons and complaint stating a claim for defamation or another claim covered by this chapter and containing the information required in subsection (3) of this section constitutes an adequate request for correction or clarification.

(5) The period of limitation for commencement of a defamation action or another claim covered by this chapter is tolled during the period allowed in section 7(1) of this act for responding to a request for correction or clarification.

NEW SECTION. Sec. 5. DISCLOSURE OF EVIDENCE OF FALSITY. (1) A person who has been requested to make a correction or clarification may ask the requester to disclose reasonably available information material to the falsity of the allegedly defamatory or otherwise actionable statement.

(2) If a correction or clarification is not made, a person who unreasonably fails to disclose the information after a request to do so may not recover damages for injury to reputation or presumed damages; however, the person may recover all other damages permitted by law.

NEW SECTION. Sec. 6. EFFECT OF CORRECTION OR CLARIFICATION. If a timely and sufficient correction or clarification is made, a person may not recover damages for injury to reputation or presumed damages; however, the person may recover all other damages permitted by law.

NEW SECTION. Sec. 7. TIMELY AND SUFFICIENT CORRECTION OR CLARIFICATION. (1) A correction or clarification is timely if it is published before, or within thirty days after, receipt of a request for correction or clarification or of the information in section 5(1) of this act, whichever is later, unless the period is extended by written agreement of the parties.

(2) A correction or clarification is sufficient if it:

(a) Is published with a prominence and in a manner and medium reasonably likely to reach substantially the same audience as the publication complained of;

(b) Refers to the statement being corrected or clarified and:

(i) Corrects the statement;

(ii) In the case of defamatory or false meaning arising from other than the express language of the publication, disclaims an intent to communicate that meaning or to assert its truth; or

(iii) In the case of a statement attributed to another person, identifies the person and disclaims an intent to assert the truth of the statement;

(c) In advance of the publication, is provided to the person who has made a request for correction or clarification; and

(d) Accompanies and is an equally prominent part of any electronic publication of the allegedly defamatory or otherwise actionable statement by the publisher.

(3) A correction or clarification is published in a medium reasonably likely to reach substantially the same audience as the publication complained of if it is published in a later issue, edition, or broadcast of the original publication.

(4) If a later issue, edition, or broadcast of the original publication will not be published within the time limits established for a timely correction or clarification, a correction or clarification is published in a manner and medium reasonably likely to reach substantially the same audience as the publication complained of if:
(a) It is timely published in a reasonably prominent manner:
   (i) In another medium likely to reach an audience reasonably
equivalent to the original publication; or
   (ii) If the parties cannot agree on another medium, in the
newspaper with the largest general circulation in the region in which
the original publication was distributed;
   (b) Reasonable steps are taken to correct undistributed copies
of the original publication, if any; and
   (c) It is published in the next practicable issue, edition, or
broadcast, if any, of the original publication.

(5) A correction or clarification is timely and sufficient if the
parties agree in writing that it is timely and sufficient.

NEW SECTION. Sec. 8. CHALLENGES TO
CORRECTION OR CLARIFICATION OR TO REQUEST FOR
CORRECTION OR CLARIFICATION. (1) If a defendant in an
action governed by this chapter intends to rely on a timely and
sufficient correction or clarification, the defendant’s intention to do
so, and the correction or clarification relied upon, must be set forth
in a notice served on the plaintiff within sixty days after service of
the summons and complaint or ten days after the correction or
clarification is made, whichever is later.

(2) If a defendant in an action governed by this chapter intends
to challenge the adequacy or timeliness of a request for correction or
clarification, the defendant must set forth the challenge in a motion
to challenge the adequacy or timeliness of a request for correction or
clarification. The offer must be made in writing to the
person allegedly harmed by the publication and:

(a) Contain the publisher’s offer to:
   (i) Publish, at the person’s request, a sufficient correction or
clarification; and
   (ii) Pay the person’s reasonable expenses of litigation, including
attorneys’ fees, incurred before publication of the correction or
clarification; and
   (b) Be accompanied by a copy of the proposed correction or
clarification and the plan for its publication.

(2) If the person accepts in writing an offer to correct or clarify
made pursuant to subsection (1) of this section:
(a) The person is barred from commencing an action against the
publisher based on the statement; or
(b) If an action has been commenced, the court shall dismiss the
action against the defendant with prejudice after the defendant
complies with the terms of the offer.

(3) A person who does not accept an offer made in conformance
with subsection (1) of this section may not recover damages for
injury to reputation or presumed damages in an action based on the
statement; however, the person may recover all other damages
permitted by law, together with reasonable expenses of litigation,
including attorneys’ fees, incurred before the offer, unless the person
failed to make a good-faith attempt to request a correction or
clarification in accordance with section 4 of this act or failed to
disclose information in accordance with section 5 of this act.

(4) On request of either party, a court shall promptly determine
the sufficiency of the offered correction or clarification.

NEW SECTION. Sec. 10. SCOPE OF PROTECTION. A
timely and sufficient correction or clarification made by a person
responsible for a publication constitutes a correction or clarification
made by all persons responsible for that publication other than a
republisher. However, a correction or clarification that is sufficient
only because of the operation of section 7(2)(b)(iii) of this act does
not constitute a correction or clarification made by the person to
whom the statement is attributed.
Excused: Senators Carrell and Murray

ENGROSSED SENATE BILL NO. 5236, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

April 25, 2013

MR. PRESIDENT:
The House receded from its amendment(s) to SUBSTITUTE SENATE BILL NO. 5705. Under suspension of the rules, the bill was returned to second reading for the purposes of amendment(s). The House adopted the following amendment(s): 5705- S AMH CARL H2564.1, and passed the bill as amended by the House.

On page 2, after line 3, insert the following:

“NEW SECTION. Sec. 2. The legislature finds that it is difficult for many property owners to pay property taxes under the current system where past due property tax payments must be paid in full, including penalties and interest. The legislature further finds that providing counties and property owners some flexibility in structuring past due property tax payments may provide some relief for property owners with delinquent tax payments.

Sec. 3. RCW 84.56.020 and 2010 c 200 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and, except as provided in this section, shall be delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to “Treasurer of . . . . County” or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax be paid on or before the thirtieth day of April, the remainder of such tax is due and payable on or before the thirty-first day of October following and shall be delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax be paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the thirty-first day of October following and is delinquent after that date.

(5) Except as provided in (c) of this subsection, delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the full year amount of tax unpaid from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of payment of the tax, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the full year amount of tax unpaid is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the amount of tax delinquent on December 1st of the year in which the tax is due.

(c) If a taxpayer is successfully participating in a payment agreement under subsection (11)(b) of this section, the county treasurer may not assess additional penalties on delinquent taxes that are included within the payment agreement. Interest and penalties that have been assessed prior to the payment agreement remain due and payable as provided in the payment agreement.

(1) The legislature finds that it is important to recognize the service of active duty military and veterans and to acknowledge the continued sacrifice of those veterans who have been catastrophically injured. The legislature further finds that many disabled veterans often need customized, accessible transportation to be self-sufficient and to maintain a high quality of life. The legislature further finds that individuals with a severe disability are three times more likely to be at or below the national poverty level. The legislature further finds that the federal government pays for the cost of mobility adaptive equipment for severely injured veterans; however, it does not cover the cost of sales or use tax owed on this equipment. The legislature further finds that veterans who have been catastrophically injured. The legislature further finds that this added financial burden has the unintended effect of causing some veterans to acquire their mobility adaptive equipment in neighboring states that do not impose a sales tax, thereby negatively impacting Washington businesses providing mobility enhancing equipment and services to Washington veterans.

(2) It is the legislature’s intent to provide specific financial relief for severely injured veterans and to ameliorate a negative consequence of Washington’s tax structure by providing a sales and use tax exemption for mobility adaptive equipment required to customize vehicles for disabled veterans. It is the further intent of the legislature to reexamine this exemption in five years to determine whether it has mitigated the competitive disadvantage stemming from Washington’s tax structure on mobility businesses and to assess whether the cost of the exemption in terms of forgone state revenue is beyond what was reasonably assumed in the fiscal estimate for the legislation.

NEW SECTION. Sec. 2. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax imposed by RCW 82.08.020 does not apply to sales to eligible purchasers of prescribed add-on automotive adaptive equipment, including charges incurred for labor and services rendered in respect to the installation and repairing of such
equipment. The exemption provided in this section only applies if the eligible purchaser is reimbursed in whole or part for the purchase by the United States department of veterans affairs or other federal agency, and the reimbursement is paid directly by that federal agency to the seller.

(2) Sellers making tax-exempt sales under this section must:
(a) Obtain an exemption certificate from the eligible purchaser in a form and manner prescribed by the department. The seller must retain a copy of the exemption certificate for the seller's files. In lieu of an exemption certificate, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement;
(b) File their tax return with the department electronically; and
(c) Report their total gross sales on their return and deduct the exempt sales under subsection (1) of this section from their reported gross sales.

(3) For purposes of this section, the following definitions apply unless the context clearly requires otherwise:
(a) "Add-on automotive adaptive equipment" means equipment installed in, and modifications made to, a motor vehicle that are necessary to assist physically challenged persons to enter, exit, or safely operate a motor vehicle. The term does not include motor vehicles and equipment installed in a motor vehicle by the manufacturer of the motor vehicle.
(b) "Eligible purchaser" means a veteran, or member of the armed forces serving on active duty, who is disabled, regardless of whether the disability is service connected as that term is defined by federal statute 38 U.S.C. Sec. 101, as amended, as of August 1, 2013.
(c) "Prescribed add-on automotive adaptive equipment" means add-on automotive adaptive equipment prescribed by a physician.

(4) This section expires July 1, 2018.

(1) The tax imposed by RCW 82.12.020 does not apply to the use of prescribed add-on automotive adaptive equipment or to labor and services rendered in respect to the installation and repairing of such equipment. The exemption under this section only applies if the sale of the prescribed add-on automotive adaptive equipment or labor and services was exempt from sales tax under section 1 of this act or would have been exempt from sales tax under section 1 of this act if the equipment or labor and services had been purchased in this state.

(2) For purposes of this section, "prescribed add-on automotive adaptive equipment" has the same meaning as provided in section 1 of this act.
