Properties in the City of Seattle and Medina area that benefit will pay for the cost over runs. This seems like a vague term that would be difficult to enforce. Could you help me understand what is the ‘City of Seattle’ and ‘Medina area’ and how would we enforce this provision?”

Senator Pedersen: “Well thank you Senator Liias for the question. I think that the Attorney General has already weighed in on this question and has found that the amendment is vague and unenforceable, that this language is vague and unenforceable. Personally I think the Medina area would probably include Hunt’s Point, Clyde Hill, Redmond, Kirkland, Bellevue, maybe it stretches to Mercer Island. Medina is an important place. Thank you.”

“((7) $161,000,000 of the motor vehicle account--state appropriation and $101,400,000 of the motor vehicle account--federal appropriation is provided solely for constructing the preferred alternative replacement bridge with light rail, as specified in the record of decision by the federal highway administration and the federal transit administration on December 7, 2011, that best improves safety, travel reliability, freight mobility, and bridge structural stability and relieves congestion on Interstate 5 between Portland, Oregon and Vancouver, Washington. The legislature assumes that this project will cost no more than $3,413,000,000 as provided in RCW 47.56.890, and that toll revenue, federal funds, and equal contributions from the states of Washington and Oregon will fund this project.”

Renumber the remaining subsections consecutively and correct any internal references accordingly.

HOUSE BILL NO. 2296, by Representatives Pike, Harris, Blake, Vick, Taylor, Overstreet, Farrell, S. Hunt and Pollet

Addressing duplicate signatures on petitions in cities, towns, and code cities.

The measure was read the second time.

MOTION

Senator Roach moved that the following committee striking amendment by the Committee on Governmental Operations be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that in Filo Foods, LLC v. City of SeaTac, No. 70758-2-1 (Wash. Ct. Apps. Div. I, Feb. 10, 2014), the Washington court of appeals ruled that RCW 35A.01.040(7), requiring local certifying officers to strike all signatures of any person signing an optional municipal code city initiative petition two or more times, was unconstitutional. The court held that the statute unduly burdened the first amendment rights of voters who expressed a view on a political matter by signing an initiative petition.

(2) The legislature intends to require local officers certifying city and town petitions to count one valid signature of a duplicate signer. This will ensure that a person inadvertently signing a city or town petition more than once will not be penalized for doing so.

Sec. 2. RCW 35.21.005 and 2008 c 196 s 1 are each amended to read as follows:

Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in (d) and (e) of this subsection are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall include a reference to the applicable state statute or city ordinance, if any;

(b) If the petition initiates or refers an ordinance, a true copy thereof;

(c) If the petition seeks the annexation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action and if practical, a map of the area;

(d) Numbered lines for signatures with space provided beside each signature for the name and address of the signer and the date of signing;

(e) The warning statement prescribed in subsection (2) of this section.

(2) Petitions shall be printed or typed on single sheets of white paper of good quality and each sheet of petition paper of good quality and each sheet of petition paper having a space thereon for signatures shall contain the text or prayer of the petition and the following warning:

WARNING

Every person who signs this petition with any other than his or her true name, or who knowingly signs more than one of these petitions, or signs a petition seeking an election when he or she is not a legal voter, or signs a petition when he or she is otherwise not qualified to sign, or who makes herein any false statement, shall be guilty of a misdemeanor.

Each signature shall be executed in ink or indelible pencil and shall be followed by the name and address of the signer and the date of signing.

(3) The term "signer" means any person who signs his or her own name to the petition.

(4) To be sufficient a petition must contain valid signatures of qualified registered voters or property owners, as the case may be, in the number required by the applicable statute or ordinance. Within three working days after the filing of a petition, the officer with whom the petition is filed shall transmit the petition to the county auditor for petitions signed by registered voters, or to the county assessor for petitions signed by property owners for determination of sufficiency. The officer or officers whose duty it is to determine the sufficiency of the petition shall proceed to make such a determination with reasonable promptness and shall file with the officer receiving the petition for filing a certificate stating the date upon which such determination was begun, which date shall be
referred to as the terminal date. Additional pages of one or more signatures may be added to the petition by filing the same with the appropriate filing officer prior to such terminal date. Any signer of a filed petition may withdraw his or her signature by a written request for withdrawal filed with the receiving officer prior to such terminal date. Such written request shall so sufficiently describe the petition as to make identification of the person and the petition certain. The name of any person seeking to withdraw shall be signed exactly the same as contained on the petition and, after the filing of such request for withdrawal, prior to the terminal date, the signature of any person seeking such withdrawal shall be deemed withdrawn.

(5) Petitions containing the required number of signatures shall be accepted as prima facie valid until their invalidity has been proved.

(6) A variation on petitions between the signatures on the petition and that on the voter's permanent registration caused by the substitution of initials instead of the first or middle names, or both, shall not invalidate the signature on the petition if the surname and handwriting are the same.

(7) ((Signatures, including the original, of any person who has signed a petition two or more times shall be stricken.) If a person signs a petition more than once, all but the first valid signature must be rejected.

(8) Signatures followed by a date of signing which is more than six months prior to the date of filing of the petition shall be stricken.

(9) When petitions are required to be signed by the owners of property, the determination shall be made by the county assessor. Where validation of signatures to the petition is required, the following shall apply:

(a) The signature of a record owner, as determined by the records of the county auditor, shall be sufficient without the signature of his or her spouse;

(b) In the case of mortgaged property, the signature of the mortgagor shall be sufficient, without the signature of his or her spouse;

(c) In the case of property purchased on contract, the signature of the contract purchaser, as shown by the records of the county auditor, shall be deemed sufficient, without the signature of his or her spouse;

(d) Any officer of a corporation owning land within the area involved who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation, and shall attach to the petition a certified excerpt from the bylaws of such corporation showing such authority;

(e) When the petition seeks annexation, any officer of a corporation owning land within the area involved, who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation. If an officer signs the petition, he or she must attach an affidavit stating that he or she is duly authorized to sign the petition on behalf of such corporation;

(f) When property stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property; and

(g) When a parcel of property is owned by multiple owners, the signature of an owner designated by the multiple owners is sufficient.

(10) The officer or officers responsible for determining the sufficiency of the petition shall so in writing and transmit the written certificate to the officer with whom the petition was originally filed.

Sec. 3. RCW 35A.01.040 and 2008 c 196 s 2 are each amended to read as follows:

Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

1. A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in (d) and (e) of this subsection are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall be a concise statement of the action or relief sought by petitioners and shall include a reference to the applicable state statute or city ordinance, if any;

(b) If the petition initiates or refers an ordinance, a true copy thereof;

(c) If the petition seeks the annexation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action and if practical, a map of the area;

(d) Numbered lines for signatures with space provided beside each signature for the name and address of the signer and the date of signing;

1) Every person convicted of a misdemeanor or gross misdemeanor offense who has completed all of the terms of the sentence for the misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the tests prescribed in subsection (2) of this section, the court may in its discretion vacate the record of conviction by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

"MISCELLANEOUS 2013-2015 FISCAL BIENNIAL

Sec. 701. RCW 90.03.525 and 2005 c 319 s 140 are each amended to read as follows:

(1) The rate charged by a local government utility to the department of transportation with respect to state highway right-of-way or any section of state highway right-of-way for the construction, operation, and maintenance of storm water control facilitiesunder chapters 35.67, 35.92, 36.89, 36.94, 57.08, and 86.15 RCW, shall be thirty percent of the rate for comparable real property, except as otherwise provided in this section. The rate charged to the department with respect to state highway right-of-way or any section of state highway right-of-way within a local government utility's jurisdiction shall not, however, exceed the rate charged for comparable city street or county road right-of-way within the same jurisdiction. The legislature finds that the aforesaid rates are presumptively fair and equitable because of the traditional and continuing expenditures of the department of transportation for the construction, operation, and maintenance of storm water control facilities designed to control surface water or storm water runoff from state highway rights-of-way.

(2) Charges paid under subsection (1) of this section by the department of transportation must be used solely for storm water
control facilities that directly reduce ((state highway)) runoff impacts or implementation of best management practices that will reduce the need for such facilities. By January 1st of each year, beginning with calendar year 1997, the local government utility, in coordination with the department, shall develop a plan for the expenditure of the charges for that calendar year. The plan must be consistent with the objectives identified in RCW 90.78.040. In addition, beginning with the submittal for 1998, the utility shall provide a progress report on the use of charges assessed for the prior year. No charges may be paid until the plan and report have been submitted to the department.)

(3) The utility imposing the charge and the department of transportation may, however, agree to either higher or lower rates with respect to the construction, operation, or maintenance of any specific storm water control facilities ((based upon the annual plan prescribed in subsection (2) of this section)). If, after mediation, the local government utility and the department of transportation cannot agree upon the proper rate, either may commence an action in the superior court for the county in which the state highway right-of-way is located to establish the proper rate. The court in establishing the proper rate shall take into account the extent and adequacy of storm water control facilities constructed by the department and the actual benefits to the sections of state highway rights-of-way from storm water control facilities constructed, operated, and maintained by the local government utility. Control of surface water runoff and storm water runoff from state highway rights-of-way shall be determined an actual benefit to the state highway rights-of-way. The rate for sections of state highway right-of-way as determined by the court shall be set forth in the annual plan. The rate for sections of state highway rights-of-way shall be deemed an actual benefit to the state highway rights-of-way. The rate for sections of state highway right-of-way as determined by the court shall be set forth in terms of the percentage of the rate for comparable real property, but shall in no event exceed the rate charged for comparable city street or county road right-of-way within the same jurisdiction.

(4) The legislature finds that the federal clean water act (national pollutant discharge elimination system, 40 C.F.R. parts 122-124), the state water pollution control act, chapter 90.71 RCW, and the highway runoff program under chapter 90.71 RCW, mandate the treatment and control of storm water runoff from state highway rights-of-way owned by the department of transportation. Appropriations made by the legislature to the department of transportation for the construction, operation, and maintenance of storm water control facilities are intended to address applicable federal and state mandates related to storm water control and treatment. This section is not intended to limit opportunities for sharing the costs of storm water improvements between cities, counties, and the state.”

(i) A distributor authorized by the distiller to distribute a scheduled item in the on-sale licensee's geographic area; or

(ii) A distiller acting as distributor of the scheduled item in the area.

(3)(a) Except as otherwise provided in (c) of this subsection, the board may issue spirits retail licenses only for premises comprising at least ten thousand square feet of fully enclosed retail space within a single structure, including storerooms and other interior auxiliary areas but excluding covered or fenced exterior areas, whether or not attached to the structure, and only to applicants that the board determines will maintain systems for inventory management, employee training, employee supervision, and physical security of the product substantially as effective as those of stores currently operated by the board with respect to preventing sales to or pilferage by underage or inebriated persons.

(b) License issuances and renewals are subject to RCW 66.24.010 and the regulations promulgated thereunder, including without limitation rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses.  However, existing grocery premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of processing applications for spirits retail licenses.

(c) The board may not deny a spirits retail license to an otherwise qualified contract liquor store at its contract location or to the holder of former state liquor store operating rights sold at auction under RCW 66.24.620 on the grounds of location, nature, or size of the premises to be licensed.  The board may not deny a spirits retail license to applicants that are not contract liquor stores or operating rights holders on the grounds of the size of the premises to be licensed, if such applicant is otherwise qualified and the board determines that:

(i) There is no retail spirits license holder in the trade area that the applicant proposes to serve;

(ii) The applicant meets, or upon licensure will meet, the operational requirements established by the board by rule; and

(iii) The licensee has not committed more than one public safety violation within the three years preceding application.

(d) A retailer authorized to sell spirits for consumption on or off the licensed premises may accept delivery of spirits at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which the retailer may deliver to its own licensed premises and, pursuant to sales permitted under subsection (1) of this section:

(i) To other retail premises licensed to sell spirits for consumption on the licensed premises;

(ii) To other registered facilities; or

(iii) To lawful purchasers outside the state.  The facilities may be registered and utilized by associations, cooperatives, or comparable groups of retailers, including at least one retailer licensed to sell spirits.

(4)(a) Except as otherwise provided in (b) of this subsection, each spirits retail licensee must pay to the board, for deposit into the liquor revolving fund, a license issuance fee equivalent to seventeen percent of all spirits sales revenues under the license, exclusive of taxes collected by the licensee and of sales of items on which a license fee payable under this section has otherwise been incurred.  The board must establish rules setting forth the timing of such payments and reporting of sales dollar volume by the licensee, with payments required quarterly in arrears.  The first payment is due October 1, 2012.

(b) This subsection (4) does not apply to craft distilleries.

(5) In addition to the payment required under subsection (4) of this section, each licensee must pay an annual license renewal fee of one hundred sixty-six dollars.  The board must periodically review and adjust the renewal fee as may be required to maintain it as comparable to annual license renewal fees for licenses to sell beer and wine not for consumption on the licensed premises.  If required by law at the time, any increase of the annual renewal fee becomes effective only upon ratification by the legislature.

(6) As a condition to receiving and renewing a retail spirits license the licensee must provide training as prescribed by the board by rule for individuals who sell spirits or who manage others who sell spirits regarding compliance with laws and regulations regarding sale of spirits, including without limitation the prohibitions against sale of spirits to individuals who are underage or visibly intoxicated.  The training must be provided before the individual first engages in the sale of spirits and must be renewed at least every five years.  The licensee must maintain records documenting the nature and frequency of the training provided.  An employee training program is presumptively sufficient if it incorporates a "responsible vendor program" promulgated by the board.

(7) The maximum penalties prescribed by the board in WAC 314-29-020 through 314-29-040 relating to fines and suspensions are doubled for violations relating to the sale of spirits by retail spirits licensees.

(8)(a) The board must promulgate regulations concerning the adoption and administration of a compliance training program for spirits retail licensees, to be known as a "responsible vendor program," to reduce underage drinking, encourage licensees to adopt specific best practices to prevent sales to minors, and provide licensees with an incentive to give their employees ongoing training in responsible alcohol sales and service.

(b) Licensees who join the responsible vendor program under this section and maintain all of the program's requirements are not subject to the doubling of penalties provided in this section for a single violation in any period of twelve calendar months.

(c) The responsible vendor program must be free, voluntary, and self-monitoring.
(d) To participate in the responsible vendor program, licensees must submit an application form to the board. If the application establishes that the licensee meets the qualifications to join the program, the board must send the licensee a membership certificate.

(e) A licensee participating in the responsible vendor program must at a minimum:

(i) Provide ongoing training to employees;

(ii) Accept only certain forms of identification for alcohol sales;

(iii) Adopt policies on alcohol sales and checking identification;

(iv) Post specific signs in the business; and

(v) Keep records verifying compliance with the program's requirements.

MOTION

There being no objection, the following title amendment was adopted:

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "spirits retailers when selling for resale; amending RCW 66.24.055 and 66.24.630; and adding a new section to chapter 66.24 RCW."

MOTION

Senator Ranker moved that the following amendment by Senators Ranker and Frocket be adopted:

On page 1, after line 9, insert the following:

"Sec. 2. RCW 66.24.055 and 2013 2nd sp.s. c 1 12 s 1 are each amended to read as follows:

(1) There is a license for spirits distributors to: sell spirits purchased from manufacturers, distillers, or suppliers including, without limitation, licensed Washington distilleries, licensed spirits importers, other Washington spirits distributors, or suppliers of foreign spirits located outside of the United States, to spirits retailers including, without limitation, spirits retail licensees, special occasion license holders, interstate common carrier license holders, restaurant spirits retailer license holders, spirits, beer, and wine private club license holders, hotel license holders, sports entertainment facility license holders, and spirits, beer, and wine nightclub license holders, and to other spirits distributors; and (b) export the same from the state.

(2) By January 1, 2012, the board must issue spirits distributor licenses to all applicants who, upon December 8, 2013, have the rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses. However, existing distributor premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of processing applications for spirits distributor licenses.

Sec. 3. RCW 66.24.630 and 2012 2nd sp.s. c 6 s 401 are each amended to read as follows:

(1) There is a spirits retail license to: Sell spirits in original containers to consumers for consumption of the licensed premises and to permit holders; sell spirits in original containers to retailers licensed to sell spirits for consumption on the premises, for resale at their licensed premises according to the terms of their licenses, although no single sale may exceed twenty-four (24) sales by a single spirits retail licensee to a single retailer licensed to sell for consumption on the premises on any business day may not exceed..."
sixty liters, unless the sale is by a licensee that was a contract liquor store manager of a contract liquor store at the location of its spirits retail licensed premises from which it makes such sales; and export spirits. Sales made to retailers licensed to sell spirits for consumption on the premises must be made at the location of the spirits retail licensed premises and may not be delivered to a retailer licensed to sell spirits for consumption on the premises.

(2) For the purposes of this title, a spirits retail license is a retail license, and a sale by a spirits retailer is a retail sale only if not for resale. Nothing in this title authorizes sales by on-sale licensees to other retail licensees. The board must establish by rule an obligation of on-sale spirits retailers to:

(a) Maintain a schedule by stock-keeping unit of all their purchases of spirits from spirits retail licensees, indicating the identity of the seller and the quantities purchased; and

(b) Provide, not more frequently than quarterly, a report for each scheduled item containing the identity of the purchasing on-premise licensee and the quantities of that scheduled item purchased since any preceding report to:

(i) A distributor authorized by the distiller to distribute a scheduled item in the on-sale licensee's geographic area; or

(ii) A distiller acting as distributor of the scheduled item in the area.

(3)(a) Except as otherwise provided in (c) of this subsection, the board may issue spirits retail licenses only for premises comprising at least ten thousand square feet of fully enclosed retail space within a single structure, including storerooms and other interior auxiliary areas but excluding covered or fenced exterior areas, whether or not attached to the structure, and only to applicants that the board determines will maintain systems for inventory management, employee training, employee supervision, and physical security of the product substantially as effective as those of stores currently operated by the board with respect to preventing sales to or pilferage by underage or inebriated persons.

(b) License issuances and renewals are subject to RCW 66.24.010 and the regulations promulgated thereunder, including without limitation rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses. However, existing grocery premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of processing applications for spirits retail licenses.

(c) The board may not deny a spirits retail license to an otherwise qualified contract liquor store at its contract location or to the holder of former state liquor store operating rights sold at auction under RCW 66.24.620 on the grounds of location, nature, or size of the premises to be licensed. The board may not deny a spirits retail license to applicants that are not contract liquor stores or operating rights holders on the grounds of the size of the premises to be licensed, if such applicant is otherwise qualified and the board determines that:

(ii) The applicant meets, or upon licensure will meet, the operational requirements established by the board by rule; and

(iii) The licensee has not committed more than one public safety violation within the three years preceding application.

(d) A retailer authorized to sell spirits for consumption on or off the licensed premises may accept delivery of spirits at its licensed premises or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which the retailer may deliver to its own licensed premises and, pursuant to sales permitted under subsection (1) of this section:

(ii) To other registered facilities; or

(iii) To lawful purchasers outside the state. The facilities may be registered and utilized by associations, cooperatives, or comparable groups of retailers, including at least one retailer licensed to sell spirits.

(4)(a) Except as otherwise provided in (b) of this subsection, each spirits retail licensee must pay to the board, for deposit into the liquor revolving fund, a license issuance fee equivalent to seventeen percent of all spirits sales revenues under the license, exclusive of taxes collected by the licensee and of sales of items on which a license fee payable under this section has otherwise been incurred. The board must establish rules setting forth the timing of such payments and reporting of sales dollar volume by the licensee, with payments required quarterly in arrears. The first payment is due October 1, 2012.

(b) This subsection (4) does not apply to craft distilleries.

(5) In addition to the payment required under subsection (4) of this section, each licensee must pay an annual license renewal fee of one hundred sixty-six dollars. The board must periodically review and adjust the renewal fee as may be required to maintain it as comparable to annual license renewal fees for licenses to sell beer and wine and not for consumption on the licensed premises. If required by law at the time, any increase of the annual renewal fee becomes effective only upon ratification by the legislature.

(6) As a condition to receiving and renewing a retail spirits license the licensee must provide training as prescribed by the board by rule for individuals who sell spirits or who manage others who sell spirits regarding compliance with laws and regulations regarding sale of spirits, including without limitation the prohibitions against sale of spirits to individuals who are underage or visibly intoxicated. (c) The responsible vendor program must be free, voluntary, and self-monitoring.

(d) To participate in the responsible vendor program, licensees must submit an application form to the board. If the application establishes that the licensee meets the qualifications to join the program, the board must send the licensee a membership certificate.

(e) A licensee participating in the responsible vendor program must at a minimum:

(i) Provide ongoing training to employees;

(ii) Accept only certain forms of identification for alcohol sales; and

(iii) Adopt policies on alcohol sales and checking identification;
(iv) Post specific signs in the business; and
(v) Keep records verifying compliance with the program's requirements.

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "spirits retailers when selling for resale; amending RCW 66.24.055 and 66.24.630; and adding a new section to chapter 66.24 RCW."

Renumber the remaining sections consecutively and correct any internal references accordingly.

(i) Only if the funds applied under (b) of this subsection are insufficient to satisfy the damage directly caused by a law enforcement officer, may the landlord seek compensation for the damage by filing a claim against the governmental entity under whose authority the law enforcement agency operates within thirty days after the search;

(ii) Only if the governmental entity denies or fails to respond to the landlord's claim within sixty days of the date of filing, may the landlord collect damages under this subsection by filing within thirty days of denial or the expiration of the sixty day period, whichever occurs first, a claim with the seizing law enforcement agency. The seizing law enforcement agency must notify the landlord of the status of the claim by the end of the thirty day period. Nothing in this section requires the claim to be paid by the end of the sixty day or thirty day period; and

(c) For any claim filed under (b) of this subsection, the law enforcement agency shall pay the claim unless the agency provides substantial proof that the landlord either:

(i) Knew or consented to actions of the tenant in violation of RCW 9.68A.100, 9.68A.101, or 9A.88.070; or

(ii) Failed to respond to a notification of the illegal activity, provided by a law enforcement agency under RCW 59.18.075, within seven days of receipt of notification of the illegal activity.

(((12))) (13) The landlord's claim for damages under subsection (((11))) (12) of this section may not include a claim for loss of business and is limited to:

(a) Damage to tangible property and clean-up costs;

(b) The lesser of the cost of repair or fair market value of the damage directly caused by a law enforcement officer;

(c) The proceeds from the sale of the specific tenant's property seized and forfeited under subsection (9) of this section; and

(d) The proceeds available after the seizing law enforcement agency satisfies any bona fide security interest in the tenant's property and costs related to sale of the tenant's property as provided by subsection (((14))) (12) of this section.

(((14))) (14) Subsections (((11))) (12) and (((12))) (13) of this section do not limit any other rights a landlord may have against a tenant to collect for damages. However, if a law enforcement agency satisfies a landlord's claim under subsection (((14))) (12) of this section, the rights the landlord has against the tenant for damages directly caused by a law enforcement officer under the terms of the landlord and tenant's contract are subrogated to the law enforcement agency."

The board shall also meet at such other times and places as are requested by the department or by three members of the board. A quorum is a majority of the board. A hearing ((instrument fitter/dispensers)) aid specialist, speech-language pathologist, and audiologist must be represented. Meetings of the board shall be open and public, except the board may hold executive sessions to the extent permitted by chapter 42.30 RCW.

(6) Members of the board shall be compensated in accordance with RCW 43.03.240 and shall be reimbursed for their travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(7) The governor may remove a member of the board for cause at the recommendation of a majority of the board.

Sec. 13. RCW 18.35.161 and 2010 c 65 s 4 are each amended to read as follows: The board shall have the following powers and duties:

(1) To establish by rule such minimum standards and procedures in the fitting and dispensing of hearing instruments as deemed appropriate and in the public interest;

(2) To adopt any other rules necessary to implement this chapter and which are not inconsistent with it;

(3) To develop, approve, and administer or supervise the administration of examinations to applicants for licensure or interim permits and to certify to the secretary;

(4) To require a licensee or interim permit holder to make restitution to any individual injured by a violation of this chapter or chapter 18.130 RCW, the uniform disciplinary act. The authority to require restitution does not limit the board's authority to take other action deemed appropriate and provided for in this chapter or chapter 18.130 RCW;

(5) To pass upon the qualifications of applicants for licensure or interim permits and to certify to the secretary;

(6) To recommend requirements for continuing education and continuing competency requirements as a prerequisite to renewing a license or certification under this chapter;

(7) To keep an official record of all its proceedings. The record is evidence of all proceedings of the board that are set forth in this record;

(9) To adopt rules relating to standards of care relating to hearing ((instrument fitter/dispensers)) aid specialists or audiologists, including the dispensing of hearing instruments, and relating to speech-language pathologists, including dispensing of communication devices.

Sec. 14. RCW 18.35.185 and 2002 c 310 s 19 are each amended to read as follows:

(1) In addition to any other rights and remedies a purchaser may have, the purchaser of a hearing instrument shall have the right to rescind the transaction for other than the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder's breach if:

(a) The purchaser, for reasonable cause, returns the hearing instrument or holds it at the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder's disposal, if the hearing instrument is in its original condition less normal wear and tear. "Reasonable cause" shall be defined by the board but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser about wearing a hearing instrument; and

(b) The purchaser sends notice of the cancellation by certified mail, return receipt requested, to the establishment employing the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder at the time the hearing instrument was originally purchased, and the notice is posted not later than thirty days following the date of delivery, but the purchaser and the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder may extend the deadline for posting of the notice of rescission by mutual, written agreement. In the event the hearing instrument develops a problem which qualifies as a reasonable cause for rescission or which prevents the purchaser from evaluating the hearing instrument, and the purchaser notifies the establishment employing the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder of the problem during the thirty days following the date of delivery and documents such notification, the deadline for posting the notice of rescission shall be extended by an equal number of days as those between the date of the notification of the problem to the date of notification of availability for redeliveries. Where the hearing instrument is returned to the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder for any inspection for modification or repair, and the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder has notified the purchaser that the hearing instrument is available for redelivery, and where the purchaser has not responded by either taking possession of the hearing instrument or instructing the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder to forward it to the purchaser, then the deadline for giving notice of the rescission shall extend no more than seven working days after this notice of availability.

(2) If the transaction is rescinded under this section or as otherwise provided by law and the hearing instrument is returned to the licensed hearing ((instrument fitter/dispensers)) aid specialist, licensed audiologist, or interim permit holder, the licensed hearing
(1) Every individual engaged in the fitting and dispensing of hearing instruments shall be covered by a surety bond of ten thousand dollars or more, for the benefit of any person injured or damaged as a result of any violation by the licensee or permit holder, or their employees or agents, of any of the provisions of this chapter or rules adopted by the secretary.

(2) In lieu of the surety bond required by this section, the licensee or permit holder may deposit cash or other negotiable security in a banking institution as defined in chapter 30.04 RCW or a credit union as defined in chapter 31.12 RCW. All obligations and remedies relating to surety bonds shall apply to deposits and security filed in lieu of surety bonds.

(3) If a cash deposit or other negotiable security is filed, the licensee or permit holder shall maintain such cash or other negotiable security for one year after discontinuing the fitting and dispensing of hearing instruments.

(4) Each invoice for the purchase of a hearing instrument provided to a customer must clearly display on the first page the bond number covering the licensee or interim permit holder responsible for fitting/dispensing the hearing instrument.

(5) All licensed hearing ((instrument fitter/dispenser)) aid specialists, licensed audiologists, and permit holders must verify compliance with the requirement to hold a surety bond or cash or other negotiable security by submitting a signed declaration of compliance upon annual renewal of their license or permit. Up to twenty-five percent of the credential holders may be randomly audited for surety bond compliance after the credential is renewed. It is the credential holder's responsibility to submit a copy of the original surety bond or bonds, or documentation that cash or other negotiable security is held in a banking institution during the time period being audited. Failure to comply with the audit documentation request or failure to supply acceptable documentation within thirty days may result in disciplinary action.

(6) The practice of audiology or speech-language pathology by persons certified by the Washington professional educator standards board as educational staff associates, except for those persons electing to be licensed under this chapter. However, a person certified by the board as an educational staff associate who practices outside the school setting must be a licensed audiologist or licensed speech-language pathologist.

(7) The legislature finds that the public health, safety, and welfare would best be protected by uniform regulation of hearing ((instrument fitter/dispenser)) aid specialists, speech-language pathologists, speech-language pathology assistants, audiologists, and interim permit holders throughout the state. Therefore, the provisions of this chapter relating to the licensing of hearing ((instrument fitter/dispenser)) aid specialists, speech-language pathologists, and audiologists, the certification of speech-language pathology assistants, and regulation of interim permit holders and their respective establishments or facilities is exclusive. No political subdivision of the state of Washington within whose jurisdiction a hearing ((instrument fitter/dispenser)) aid specialist, audiologist, or speech-language pathology establishment or facility is located may require any registrations, bonds, licenses, certificates, or interim permits of the establishment or facility or its employees or charge any fee for the same or similar purposes.

(8) That nothing herein shall limit or abridge the authority of any political subdivision to levy and collect a general and nondiscriminatory license fee levied on all businesses, or to levy a tax based upon the gross business conducted by any firm within the political subdivision.
connection with his or her name the words "licensed audiologist" or a variation, synonym, letter, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions of a licensed audiologist.

(5) Nothing in this chapter prohibits a person credentialed in this state under another act from engaging in the practice for which he or she is credentialed.

As you might imagine those two Senators from the Fourth and the Thirty Seventh have some very different views and come from very different parts of the state and I would just like to thank both of them for their cooperation and support on this bill. I would like to call particular attention to the gentleman from the Thirty Seventh because I would say that he and I also have some very different perspectives and I really appreciate a gentleman who will work to find areas of agreement and to work the language to find the area that we can come to ‘yes.’ And Senator Kline did that very well. It took us a couple of iterations to get there and that’s the best way that sometimes the negotiations can go. And I know this was a very challenging bill for him. When I first approached him to be a sponsor on the bill and he declined by the way. So, I really appreciate all the good work that he did, Senator Kline I appreciate your work and thank you very much. Thank you Mr. President.”
At 5:47 p.m., on motion of Senator Fain, the Senate adjourned until 9:00 a.m. Thursday, March 6, 2014.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2315, by House Committee on Health Care & Wellness (originally sponsored by Representatives Orwall, Harris, Cody, Roberts, Short, Morrell, Manweller, Green, Jinkins, Fitzgibbon, Tharinger, Ryu, Goodman, Ormsby, Pollet and Walkinshaw)

Concerning suicide prevention.

The measure was read the second time.

MOTION

Senator Becker moved that the following committee striking amendment by the Committee on Health Care be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. 2012 c 181 s 1 (uncodified) is amended to read as follows:

(1) The legislature finds that:

(a) According to the centers for disease control and prevention:

(i) In 2008, more than thirty-six thousand people died by suicide in the United States, making it the tenth leading cause of death nationally.

(ii) During 2007-2008, an estimated five hundred sixty-nine thousand people visited hospital emergency departments with self-inflicted injuries in the United States, seventy percent of whom had attempted suicide.

(iii) During 2008-2009, the average percentages of adults who thought, planned, or attempted suicide in Washington were higher than the national average.

(b) According to a national study, veterans face an elevated risk of suicide as compared to the general population, more than twice the risk among male veterans. Another study has indicated a positive correlation between posttraumatic stress disorder and suicide.

(i) Washington state is home to more than sixty thousand men and women who have deployed in support of the wars in Iraq and Afghanistan.

(ii) Research continues on how the effects of wartime service and injuries, such as traumatic brain injury, posttraumatic stress disorder, or other service-related conditions, may increase the number of veterans who attempt suicide.

(iii) As more men and women separate from the military and transition back into civilian life, community mental health providers will become a vital resource to help these veterans and their families deal with issues that may arise.

(c) Suicide has an enormous impact on the family and friends of the victim as well as the community as a whole.

(d) Approximately ninety percent of people who die by suicide had a diagnosable psychiatric disorder at the time of death, such as depression. Most suicide victims exhibit warning signs or behaviors prior to an attempt.

(e) Improved training and education in suicide assessment, treatment, and management has been recommended by a variety of organizations, including the United States department of health and human services and the institute of medicine.

(2) It is therefore the intent of the legislature to help lower the suicide rate in Washington by requiring certain health professionals to complete training in suicide assessment, treatment, and management as part of their continuing education, continuing competency, or recertification requirements.

(3) The legislature does not intend to expand or limit the existing scope of practice of any health professional affected by this act.

Sec. 2. RCW 43.70.442 and 2013 c 78 s 1 and 2013 c 73 s 6 are each reenacted and amended to read as follows:

(1)(a) ((Beginning January 1, 2014)) Each of the following professionals certified or licensed under Title 18 RCW shall, at least once every six years, complete training in suicide assessment, treatment, and management that is approved, in rule, by the relevant disciplining authority:

(ii) A chemical dependency professional licensed under chapter 18.205 RCW;

(iii) A marriage and family therapist licensed under chapter 18.225 RCW;

(iv) A mental health counselor licensed under chapter 18.225 RCW;

(vii) An advanced social worker or independent clinical social worker licensed under chapter 18.225 RCW; and

(viii) A social worker associate--advanced or social worker associate--independent clinical licensed under chapter 18.225 RCW.

(b) The requirements in (a) of this subsection apply to a person holding a retired active license for one of the professions in (a) of this subsection.

(c) The training required by this subsection must be at least six hours in length, unless a ((disciplinary)) disciplining authority has determined, under subsection ((4)(b)) (9)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(2)(a) Except as provided in (b) of this subsection, a professional listed in subsection (1)(a) of this section must complete the first training required by this section during the first full continuing education reporting period after January 1, 2014, or the first full continuing education reporting period after initial licensure or certification, whichever occurs later.

(b) A professional listed in subsection (1)(a) of this section applying for initial licensure ((on or after January 1, 2014)) may delay completion of the first training required by this section for six years after initial licensure if he or she can demonstrate successful completion of the training required in subsection (1) of this section no more than six years prior to the application for initial licensure.

(3) The hours spent completing training in suicide assessment, treatment, and management under this section count toward meeting any applicable continuing education or continuing competency requirements for each profession.

(4)(a) A disciplining authority may, by rule, specify minimum training and experience that is sufficient to exempt a professional from the training requirements in subsections (1) and (5) of this section.

(b) ((The board of occupational therapy practice)) A disciplining authority may exempt ((an occupational therapy practitioner)) a professional from the training requirements of subsections (1) and (5) of this section if the ((occupational therapy practitioner)) professional has only brief or limited patient contact.

RULING BY THE PRESIDENT

President Owen: “In ruling on the Point of Order raised by Senator Braun as to whether Amendment 602 by Sen. Lias to Senate Bill 6220 expands the scope and object of the bill, the President finds and rules as follows.

Senate Bill No. 6220 addressed one issue: the imposition of a 17% charge on the sale of spirits from certain retailers to restaurants. If Amendment 602 were offered against the bill in the form it had when initially brought before the Senate, the amendment would clearly be outside the scope and object of that bill.

The President’s determination is made more difficult by the adoption of Amendment 605, prior to the body’s consideration of Amendment 602. Amendment 605 broadened the scope of the bill by clarifying – if not altering – the imposition of a fee upon the
sale of spirits from a manufacturer to liquor distributors and retailers.

This previous amendment changed the scope and object of the bill, but was not challenged. Instead of affecting only a single commercial relationship, involving only retailers and certain sellers of spirits, the bill expanded to include a second significant commercial relationship, the one existing between manufacturers, on the one hand, and distributors or retailers on the other.

The proposed amendment adds yet another commercial relationship into the mix: the relationship at the point of sale from a retailer to a consumer.

This is not a clear and easy decision for the President, but it presents a question that is not often faced: the adoption of a discrete amendment that sufficiently alters the scope and object of the original bill to allow additional matters to be properly offered and considered. In this instance, the President finds that the adoption of Amendment 605, by introducing a second form of commercial relationship into the bill, opens the bill for the consideration of other commercial relationships, such as that between retailers and consumers.

The President would further advise against the body taking this ruling too far. Initiative 1183, as adopted by the voters, contains a series of commercial relationships that are not found in many arenas. By failing to limit the bill to addressing a single discrete commercial relationship, the body may no longer be able to procedurally limit amendments involving other commercial relationships.

For these reasons, the President finds that the proposed amendment is within the scope and object of the underlying bill, and Senator Braun’s point is not well-taken.”

The Senate resumed consideration of Senate Bill No. 6220 which had been deferred on March 5, 2014.

The Senate resumed consideration of the striking amendment by Senators Liias and Conway to Senate Bill No. 6220 that had been deferred on March 5, 2014.

Senator Braun spoke against adoption of the striking amendment.

POINT OF ORDER

Senator Rolles: “I believe the speaker has already spoken on this amendment and under the rules that we’re operating under we each get to speak once to the amendment unless we’re the maker of the amendment.”

RULING BY THE PRESIDENT

President Owen: “The President believes that Senator Braun had only had risen to a point of order and does, that does not constitute having spoken on the bill.”

Senators Liias and Conway spoke in favor of adoption of the striking amendment.

Senators Mullet and Ericksen spoke against adoption of the striking amendment.

The President declared the question before the Senate to be the adoption of the striking amendment by Senators Liias and Conway to Senate Bill No. 6220.

Concerning the arrest of individuals who suffer from chemical dependency.

The measure was read the second time.

MOTION

Senator O'Ban moved that the following committee striking amendment by the Committee on Human Services & Corrections be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the large number of individuals involved in the juvenile justice and criminal justice systems with substance abuse challenges is of significant concern. Access to effective treatment is critical to the successful treatment of individuals in the early stages of their contact with the juvenile justice and criminal justice systems. Such access may prevent further involvement in the systems. The effective use of substance abuse treatment options can result not only in significant cost savings for the juvenile justice and criminal justice systems, but can benefit the lives of individuals who face substance abuse challenges.

NEW SECTION. Sec. 2. A new section is added to chapter 10.31 RCW to read as follows:

(1) A pilot program is established in Snohomish county for the purpose of studying the effect of chemical dependency diversions as described in this section.

(2) When a police officer has reasonable cause to believe that the individual:
   (a) Has committed acts constituting a nonfelony crime that is not a serious offense as identified in RCW 9.41.010;
   (b) Has not committed a possible violation of laws relating to driving or being in physical control of a vehicle while under the influence of intoxicating liquor or any drug under chapter 46.20 RCW; and
   (c) Is known by history or consultation with staff designated by the county to suffer from a chemical dependency, as defined in RCW 70.96A.020, the arresting officer may:
      (i) Take the individual to an approved chemical dependency treatment provider for treatment. The individual must be examined by a chemical dependency treatment provider within three hours of arrival;
      (ii) Take the individual to an emergency medical service customarily used for incapacitated persons, if no approved treatment program is readily available. The individual must be examined by a chemical dependency treatment provider within three hours of arrival;
   (iii) Refer the individual to a chemical dependency professional for initial detention and proceeding under chapter 70.96A RCW; or
   (iv) Release the individual upon agreement to voluntary participation in outpatient treatment.

(3) If the individual is released to the community, the chemical dependency provider shall inform the arresting officer of the release within a reasonable period of time after the release if the arresting officer has specifically requested notification and provided contact information to the provider.

(4) In deciding whether to refer the individual to treatment under this section, the police officer shall be guided by standards mutually agreed upon with the prosecuting authority, which address, at a minimum, the length, seriousness, and recency of the known criminal history of the individual, the mental health and substance abuse history of the individual, where available, and the circumstances surrounding the commission of the alleged offense.

(5) The police officer shall submit a written report to the prosecuting attorney within ten days.

(6) Any agreement to participate in treatment shall not require individuals to stipulate to any of the alleged facts regarding the criminal activity as a prerequisite to participation in a chemical dependency treatment alternative. The agreement is inadmissible in any criminal or civil proceeding. The agreement does not create immunity from prosecution for the alleged criminal activity.

(7) If an individual violates such agreement and the chemical dependency treatment alternative is no longer appropriate, the chemical dependency treatment alternative is no longer appropriate, the chemical dependency provider shall inform the referring law enforcement agency of the violation.

(8) Nothing in this section may be construed as barring the referral of charges to the prosecuting attorney, or the filing of criminal charges by the prosecuting attorney.

(9) The police officer, staff designated by the county, or treatment facility personnel are immune from liability for any good faith conduct under this section.

NEW SECTION. Sec. 3. Snohomish county shall evaluate the effects of the pilot program as provided in section 2 of this act. Snohomish county shall submit a report to the legislature consistent with RCW 43.01.036. The report must summarize the effectiveness of the pilot program and include: How often the chemical dependency diversion was used, the kind of treatment the person engaged in, how often treatment was completed, the number of prosecutions, any cost savings to the county or state, any cost shifting from the county or state onto other systems, and the recidivism rate of offenders involved in the pilot program. The report may include any recommendations to the legislature to improve the effectiveness of the pilot program. The report is due July 1, 2015, and every other year until July 1, 2019.

Sec. 4. RCW 13.40.042 and 2013 c 179 s 2 are each amended to read as follows:

(1) When a police officer has reasonable cause to believe that a juvenile has committed acts constituting a nonfelony crime that is not a serious offense as identified in RCW 10.77.092, and the officer believes that the juvenile suffers from a mental disorder, and the local prosecutor has entered into an agreement with a law enforcement regarding the detention of juveniles who may have a mental disorder or may be suffering from chemical dependency, the arresting officer, instead of taking the juvenile to the local juvenile detention facility, may take the juvenile to:
   (a) An evaluation and treatment facility as defined in RCW 71.34.020 if the juvenile suffers from a mental disorder and the facility has been identified as an alternative location by agreement of the prosecutor, law enforcement, and the mental health provider;
   (b) A facility or program identified by agreement of the prosecutor and law enforcement; or
   (c) A location already identified and in use by law enforcement for the purpose of a behavioral health diversion.
For the purposes of this section, an "alternative location" means a facility or program that has the capacity to evaluate a youth and, if determined to be appropriate, develop a behavioral health intervention plan and initiate treatment.

If a juvenile is taken to any location described in subsection (1)(a) or (b) of this section, the juvenile may be held for up to twelve hours and must be examined by a mental health or chemical dependency professional within three hours of arrival.

The authority provided pursuant to this section is in addition to existing authority under RCW 10.31.110 and section 2 of this act.

Sec. 5. RCW 13.40.080 and 2013 c 179 s 4 are each amended to read as follows:

A diversion agreement shall be a contract between a juvenile accused of an offense and a diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

A diversion agreement shall be limited to one or more of the following:

(a) Community restitution not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. If an assessment identifies mental health or chemical dependency needs, a youth may access up to thirty hours of counseling. The counseling sessions may include services demonstrated to improve behavioral health and reduce recidivism. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, a physician, a counselor, a school, or a treatment provider, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversion unit exercising the option to permit diversion agreements to mandate attendance at up to thirty hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) A fine, not to exceed one hundred dollars;

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

(f) Upon request of any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to RCW 13.40.630.

In assessing periods of community restitution to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian. To the extent possible, the court officer shall advise the victims of the juvenile offender of the diversion process, offer victim impact letter forms and restitution claim forms, and involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.

If additional time is necessary for the juvenile to complete restitution to a victim, the time period limitations of this subsection may be extended by an additional six months.

If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may relieve the juvenile of the requirement to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. If the court relieves the juvenile of the requirement to pay full or partial restitution, the court may order an amount of community restitution that the court deems appropriate. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

Divertees and potential divertees shall be afforded due process in all contacts with a diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the divertee;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement;

(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.
(8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(9) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

(10) The diversion unit may refer a juvenile to a restorative justice program, community-based counseling, or treatment programs.

(11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;
(b) The fact that a diversion agreement was entered into;
(c) The juvenile's obligations under such agreement;
(d) Whether the alleged offender performed his or her obligations under such agreement; and
(e) The facts of the alleged offense.

(13) A diversion unit may refuse to enter into a diversion agreement with a juvenile. When a diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(14) A diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection includes the authority to refer the juvenile to community-based counseling or treatment programs or a restorative justice program. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

(16) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert an unpaid fine into community restitution. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community restitution in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

(17) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

3. For purposes of this section "person" means any individual, partnership, corporation, association, state agency, governmental subdivision or unit thereof, or public or private organization or entity of any character.

4. To establish participation standing under subsection (2)(b) of this section, a person must show that his or her participation before the county or city was reasonably related to the person's issue as presented to the board.

Senator Ericksen moved that the following committee striking amendment by the Committee on Energy, Environment & Telecommunications be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that investments in diesel engine idling reduction projects cost-effectively improve public health by reducing harmful diesel emissions. The legislature further finds that these investments also result in long-term savings in fuel and maintenance costs. It is therefore the intent of the legislature to establish a stable, wholly self-sustaining account for the department of ecology to use for investments in diesel idle reduction projects.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

1) "Account" means the diesel idle reduction account created in section 4 of this act.

2) "Department" means the department of ecology.

3) "Loan recipient" means a state, local, or other governmental entity that owns diesel vehicles or equipment.

NEW SECTION. Sec. 3. (1) The department shall use the moneys in the account to provide loans with low or no interest to loan recipients for the purpose of reducing exposure to diesel emissions and improving public health by investing in diesel idle emission reduction technologies and infrastructure. The department shall, to the extent practical, integrate communications, outreach, and other aspects of the administration of loans from the account with the administration of existing grant programs to reduce diesel emissions from vehicles and equipment. In selecting loan recipients, the department shall consider anticipated human health, environmental, and greenhouse gas benefits from reduced exposure to harmful air emissions associated with diesel idling.

(2) The department shall make loans in such a manner that the remittances from loan recipients are of equal value over a long-term planning horizon to the disbursements from the fund.

(3) Loan moneys may not be spent on vehicles or equipment that spend less than one-half of their operating time in Washington. Permissible diesel idle reduction expenditures include, but are not limited to:

(a) Electrically powered systems and truck stops;
(b) Shore connection systems and alternative maritime power;
(c) Shore connection systems for locomotives;
(d) Auxiliary power units and generator sets;
(e) Fuel-operated heaters or direct-fired heaters, including engine fluid preheaters and cab air heaters;
(f) Battery powered systems, including battery powered heating and air conditioning systems;
(g) Thermal storage systems;
(h) Automatic engine start-up and shutdown systems;
(i) Projects to augment or replace diesel engines or power systems with engines or power systems that use liquefied or compressed natural gas; and
(j) Other operation or maintenance efficiencies that achieve emission reduction benefits for the public.

NEW SECTION. Sec. 4. The diesel idle reduction account is created in the state treasury. All receipts from remittances made by loan recipients pursuant to section 3 of this act and any moneys appropriated to the account by law must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes of this chapter, including the costs of program administration.

MOTION

Senator O’Ban moved that the following committee striking amendment by the Committee on Human Services & Corrections be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.40.193 and 2003 c 53 s 100 are each amended to read as follows:

(1) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040(2)(a)(iii), the court shall impose a minimum disposition of ten days of confinement. If the offender's standard range of disposition for the offense as indicated in RCW 13.40.0357 is more than thirty days of confinement, the court shall commit the offender to the department for the standard range disposition. The offender shall not be released until the offender has served a minimum of ten days in confinement.

(2) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040, the disposition must include a requirement that the respondent participate in a qualifying program as described in (b) of this subsection, when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(b) For purposes of this section, “qualifying program” means an aggression replacement training program, a functional family therapy program, or another program applicable to the juvenile firearm offender population that has been identified as evidence-based or research-based and cost-beneficial in the current list prepared at the direction of the legislature by the Washington state institute for public policy.

(3) If the court finds that the respondent or an accomplice was armed with a firearm, the court shall determine the standard range disposition for the offense pursuant to RCW 13.40.160. If the offender or an accomplice was armed with a firearm when the offender committed any felony other than possession of a machine gun, possession of a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, or use of a machine gun in a felony, the following periods of total confinement must be added to the sentence: For a class A felony, six months; for a class B felony, four months; and for a class C felony, two months. The additional time shall be imposed regardless of the offense's juvenile disposition offense category as designated in RCW 13.40.0357.

(4) When a disposition under this section would effectuate a manifest injustice, the court may impose another disposition. When a judge finds a manifest injustice and imposes a disposition of confinement exceeding thirty days, the court shall commit the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. When a judge finds a manifest injustice and imposes a disposition of confinement less than thirty days, the disposition shall be comprised of confinement or community supervision or both.

(5) Any term of confinement ordered pursuant to this section shall run consecutively to any term of confinement imposed in the same disposition for other offenses.

Sec. 2. RCW 13.40.127 and 2013 c 179 s 5 are each amended to read as follows:

(1) A juvenile is eligible for deferred disposition unless he or she:

(a) Is charged with a sex or violent offense;
(b) Has a criminal history which includes any felony;
(c) Has a prior deferred disposition or deferred adjudication; or
(d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:

(a) Stipulate to the admissibility of the facts contained in the written police report;
(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision;
(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and
(d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court’s record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

The court may require the juvenile to undergo a mental health or substance abuse assessment, or both. If the assessment identifies a need for treatment, conditions of supervision may include treatment for the assessed need that has been demonstrated to improve behavioral health and reduce recidivism.

The court shall require a juvenile granted a deferral of disposition for unlawful possession of a firearm in violation of RCW 9.41.040 to participate in a qualifying program as described in RCW 13.40.193(2)(b), when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile’s failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7)(a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile’s juvenile court community supervision counselor may file a motion with the court requesting the court revoke the deferred disposition based on the juvenile’s lack of compliance or treat the juvenile’s lack of compliance as a violation pursuant to RCW 13.40.200.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:

(i) Revoke the deferred disposition and enter an order of disposition; or

(ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue supervision for an additional one-year period for good cause.

(9)(a) At the conclusion of the period of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:

(i) The deferred disposition has not been previously revoked;

(ii) The juvenile has completed the terms of supervision;

(iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and

(iv) The juvenile has either paid the full amount of restitution, or, made a good faith effort to pay the full amount of restitution during the period of supervision.

(b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the juvenile’s conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 13.40.190 for any unpaid restitution. Jurisdiction to enforce payment and modify terms of the restitution order shall be the same as those set forth in RCW 13.40.190.

(c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to RCW 13.50.050.

(10)(a)(i) Anytime the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution ordered has been paid, the court shall enter a written order sealing the case.

(ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is not eighteen years of age or older and full restitution ordered has been paid, the court shall schedule an administrative sealing hearing to take place no later than thirty days after the respondent’s eighteenth birthday, at which time the court shall enter a written order sealing the case. The respondent’s presence at the administrative sealing hearing is not required.

(iii) Any deferred disposition vacated prior to June 7, 2012, is not subject to sealing under this subsection.

(b) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under RCW 13.50.050 (11) and (12).

(c) Records sealed under this provision shall have the same legal status as records sealed under RCW 13.50.050.

Sec. 3. RCW 13.40.210 and 2009 c 187 s 1 are each amended to read as follows:

(1) The secretary shall set a release date for each juvenile committed to its custody. The release date shall be within the prescribed range to which a juvenile has been committed under RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile’s minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile’s release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department’s supervision without the prior approval of the secretary or the secretary’s designee.

(2) The secretary shall monitor the average daily population of the state’s juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible
custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.

(3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence ((on)) for theft of a motor vehicle, possession of a stolen motor vehicle, or taking a motor vehicle without permission 1. A juvenile adjudicated for unlawful possession of a firearm, possession of a stolen firearm, theft of a firearm, or drive-by shooting may participate in aggression replacement training, functional family therapy, or functional family parole aftercare if the juvenile meets eligibility requirements for these services. The decision to place an offender ((on)) in an evidence-based parole program shall be based on an assessment by the department of the offender's risk for reoffending upon release and an assessment of the ongoing treatment needs of the juvenile. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending.

(b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii) pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines or restitution; and (xii) perform community restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

(c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.

(d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4)(a) The department may also modify parole for violation thereof. If, after conferring a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (vi) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the youth has completed the basic training camp program as described in RCW 13.40.320.

(b) The secretary may modify parole and order any of the conditions or may return the offender to confinement for up to twenty-four weeks if the offender was sentenced for a sex offense as defined under RCW 9A.44.130 and is known to have violated the terms of parole. Confinement beyond thirty days is intended to only be used for a small and limited number of sex offenders. It shall only be used when other graduated sanctions or interventions have not been effective or the behavior is so egregious it warrants the use of the higher level intervention and the violation: (i) Is a known pattern of behavior consistent with a previous sex offense that puts the youth at high risk for reoffending sexually; (ii) consists of sexual behavior that is determined to be predatory as defined in RCW 71.09.020; or (iii) requires a review under chapter 71.09 RCW, due to a recent overt act. The total number of days of confinement for violations of parole conditions during the parole period shall not exceed the number of days provided by the maximum sentence imposed by the disposition for the underlying offense pursuant to RCW 13.40.0357. The department shall not aggregate multiple parole violations that occur prior to the parole revocation hearing and impose consecutive twenty-four week periods of confinement for each parole violation. The department is authorized to engage in rule making pursuant to chapter 34.05 RCW, to implement this subsection, including narrowly defining the behaviors that could lead to this higher level intervention.

(c) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days. Confinement shall be in a facility operated by or pursuant to a contract with the state or any county.

(5) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her
supervision on the same grounds as a law enforcement officer would be authorized to arrest the person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.

NEW SECTION Sec. 4. A new section is added to chapter 13.40 RCW to read as follows:

(1) The juvenile rehabilitation administration of the department of social and health services must compile and analyze data regarding juvenile offenders who have been found to have committed the offense of unlawful possession of a firearm under RCW 9.41.040 and make their initial contact with the criminal justice system between January 1, 2005, and December 31, 2013. Information compiled and analyzed must include:

(i) Previous and subsequent criminal offenses committed by the offenders as juveniles or adults;

REMARKS BY THE PRESIDENT

President Owen: “So, clearly there’s some curiosity out there about what’s going on here. We have a very, very important component of the Seattle Seahawks with us this morning. This is Taima. Taima the Hawk and he is with Dave Knutson, owner of Taima. Let me tell you a little bit about it. The newest member of the Seahawks family is Taima the Hawk, named by Seahawks fans. Taima, which means ‘thunder,’ is quickly becoming a fixture of the Seahawks Sunday at Century Link Field. Since 2007 Taima has been the first one out of the tunnel leading the team onto the field before each home game and has given my beautiful wife a kiss on the cheek as a matter of fact. A Hawk fact: He was hatched April 21, 2005 in the hospital at the World Bird Sanctuary in St. Louis; the species is Augur Hawk (Buteo Hawk); the wing span is approximately 4’5”. It is absolutely beautiful. Would you like to share anything about it?”

REMARKS BY DAVE KNOTSON

Dave Knutson: “We’ve had so much fun, this is my eleventh season working with the Seahawks. This is Taima’s ninth season that we just finished up and to be able to go to a Super Bowl and represent the Seahawks and be there for that big win was probably the highlight of our football and Seahawk. Taima the Hawk career. We visit with so many fans at the games and that’s one funnest part of what we do. It’s gratifying to be able to meet the fans. The fans can get pictures with him. They can touch him, pet him, spend time with him and just see how calm he is at the games and then watch him fly out of the tunnel from my wife Robin, over here, her hand out, to me out at the forty yard line with all that craziness with the loudest fans in the world, the loudest stadium in the world and he flies right out to me. He leads the team out. He’s the first Hawk out of the tunnel. Go Hawks.”

REMARKS BY THE PRESIDENT

President Owen: “So, Dave and Robin, who I forgot. I’m sorry. I did not see you there. If you take a look around here we have had famous people in here from all over the place. We’ve had great football players. We’ve had distinguished guests. That’s the most cameras I’ve seen out at one time for you there. Also, a good friend of ours who’s been down here in the past is Mike Flood who is Vice President of Community Relations for that incredible football team, the Seattle Seahawks. So, welcome to all of you and thank you for coming by.”

MOTION

Senator Pearson moved that the following committee striking amendment by the Committee on Natural Resources & Parks be not adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that section 45, chapter 291, Laws of 2013 required the department of natural resources, in consultation with the department of ecology, to evaluate potential changes to laws and rules related to derelict and
abandoned vessels that increase vessel owner responsibility and address challenges associated with the economics of removing vessels from the water.

(2) The legislature further finds that, during the 2013 legislative interim, the two responsible agencies engaged in a thorough process to satisfy their legislative charge. This process involved exhausting in-state expertise on various topics and reaching out to experts in vessel deconstruction, surety bonding, letters of credit, marine insurance, taxation, federal regulation, similar programs in other states, and more. The process also involved two open invitation public meetings.

(3) The legislature further finds that a significant number of various and competing options were discussed, analyzed, and ultimately dismissed during the process undertaken by the two agencies. It is the intent of the legislature to capture the recommendations for meeting the goals of increased vessel owner responsibility and addressing the challenges associated with the economics of removing vessels from the water that rose to the top from the process undertaken by the agencies.

(4) It is the further intent of the legislature that this act serve as the final report due by the department of natural resources under section 45, chapter 291, Laws of 2013.

Part One—Vessel Owner Responsibility

NEW SECTION. Sec. 101. A new section is added to chapter 79.100 RCW to read as follows:

(1) Any individual or company that purchases or otherwise receives a used vessel greater than sixty-five feet in length and more than forty years old must, prior to or concurrent with the transfer of ownership, secure a marine insurance policy consistent with this section. Proof of the marine insurance policy must be provided to:

(a) The transferor of the vessel upon purchase; and

(b) If applicable, the department of licensing upon registration or the department of revenue upon the payment of any taxes.

(2) The transferor of a vessel greater than sixty-five feet in length and more than forty years old has an affirmative duty to ensure that any potential transferee has secured a marine insurance policy consistent with this section prior to or concurrent with the finalization of any sale. Nothing in this section prohibits the sale or other transfer of a vessel greater than sixty-five feet in length and more than forty years old to a transferee that fails to secure a marine insurance policy. However, a transferor that chooses to finalize a sale or other transfer with a transferee not in possession of a marine insurance policy assumes secondary liability for the vessel consistent with RCW 79.100.060 if the vessel is later abandoned by the transferee or becomes derelict prior to a subsequent ownership transfer.

(3) The marine insurance policy required under this section must be secured by the transferee prior to, or concurrent with, assuming ownership of a vessel greater than sixty-five feet in length and more than forty years old. The marine insurance policy must satisfy the following conditions:

(a) Have a term of at least twelve months following the transferee's assumption of vessel ownership;

(b) Provide coverage of an amount that is, unless otherwise provided by the department by rule, at least three hundred thousand dollars;

(c) Provide, unless otherwise provided by the department by rule, coverage for the removal of the vessel if it should sink and coverage should it cause a pollution event.

(4) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(5) The department may, by rule, provide for a purchaser of a vessel to also satisfy the insurance requirements of this section through the posting of adequate security with a financial institution.

(6) A person required to secure marine insurance or show proof of marine insurance under this section who either: (a) Fails to secure a marine insurance policy consistent with this section prior to or concurrent with the transfer of ownership; or (b) cancels a marine insurance policy consistent with this section prior to the end of the twelfth month of vessel ownership or to a subsequent transfer of ownership, whichever occurs first, without securing another marine insurance policy consistent with this section in its place, is guilty of a misdemeanor. The department may contact any vessel owner required by this section to have a marine insurance policy to ensure compliance with this section.

Sec. 102. RCW 79.100.150 and 2013 c 291 s 38 are each amended to read as follows:

(1) A vessel owner must obtain a vessel inspection under this section prior to transferring a vessel that is:

(a) More than sixty-five feet in length and more than forty years old; and

(b) Either:

(i) Is registered or required to be registered under chapter 88.02 RCW; or

(ii) Is listed or required to be listed under chapter 84.40 RCW.

(2) If the vessel inspection determines the vessel is not seaworthy and the value of the vessel is less than the anticipated costs required to return the vessel to seaworthiness, then the vessel owner may not sell or transfer ownership of the vessel unless:

(a) The vessel is repaired to a seaworthy state prior to the transfer of ownership; or

(b) The vessel is sold for scrap, salvage, restoration to a seaworthy state, or another use that will remove the vessel from state waters.

(3) Where required under subsection (1) of this section, a vessel owner must provide a copy of the vessel inspection documentation to the transferee and, if the department did not conduct the inspection, to the department prior to the transfer.

((4) Unless rules adopted by the department provide otherwise, the vessel inspection required under this section must be contained in a formal marine survey conducted by a third party to the transaction. The survey must include, at a minimum, a conclusion relating to the seaworthiness of the vessel, an estimate of the vessel's fair market value, and, if applicable, an estimate as to the anticipated cost of repairs necessary to return the vessel to seaworthiness.

(5) The department may, by rule, allow other forms of vessel condition determinations, such as United States coast guard certificates of inspection, to replace the requirements for a formal marine survey under this section.

(6) Failure to comply with the requirements of (((4) (a) and (2))) of this section will result in the transferor having secondary liability under RCW 79.100.060 if the vessel is later abandoned by the transferee or becomes derelict prior to a subsequent ownership transfer.

(7) Nothing in this section prevents a vessel owner from removing, dismantling, and lawfully disposing of any vessel lawfully under the vessel owner's control.

Part Two—Authorities and Requirements Applicable to Marinas

Sec. 201. RCW 79.100.130 and 2013 c 291 s 4 are each amended to read as follows:

(1) A private moorage facility owner, as those terms are defined in RCW 88.26.010, may contract with the department or a local
government for the purpose of participating in the derelict vessel removal program.

(2) If a contract is completed under this section, the department or local government shall serve as the authorized public entity for the removal of a derelict or abandoned vessel from the property of the private moorage facility owner. The contract must provide for the private moorage facility owner to be financially responsible for the removal and disposal costs that are not reimbursed by the department as provided under RCW 79.100.100, and any additional reasonable administrative costs incurred by the department of local government during the removal of the derelict or abandoned vessel.

(3) Prior to the commencement of any removal (Section 554) under this section for which a local government serves as the authorized public entity and that will seek reimbursement from the derelict vessel removal program, the contract and the proposed vessel removal shall be submitted to the department for review and approval. The local government shall use the procedure specified under RCW 79.100.100(6).

(4) If the private moorage facility owner has already seized the vessel under chapter 88.26 RCW and title has reverted to the moorage facility, the moorage facility is not considered the owner under this chapter for purposes of cost recovery for actions taken under this section.

NEW SECTION. Sec. 202. A new section is added to chapter 88.26 RCW to read as follows:

(1) Every private moorage facility operator must:
(a) Obtain and maintain insurance coverage for the private moorage facility;
(b) Require, as a condition of moorage, all vessels other than transient vessels to provide proof of marine insurance to the moorage facility.

(2) Unless rules adopted by the department of natural resources require otherwise, insurance maintained by moorage facility operators and required of moored vessels must:
(a) Provide coverage at liability limits of at least three hundred thousand dollars per occurrence; and
(b) Include, at a minimum, general, legal, and pollution liability coverage.

(3) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(4) The requirement under this section for moorage facility operators to require proof of marine insurance from mooring vessels applies at the time a moorage agreement is entered into and at the time of any renewals of the agreement. The moorage facility operator is not required to verify independently whether a mooring vessel's insurance policy meets the requirements of this section and is not responsible for any change in insurance coverage applicable to the vessel that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(5) Any moorage facility operator who fails to satisfy the requirements of this section incurs secondary liability under RCW 79.100.060 for any vessel located at the moorage facility that meets the definition of derelict vessel or abandoned vessel as those terms are defined in RCW 79.100.010.

NEW SECTION. Sec. 203. A new section is added to chapter 53.08 RCW to read as follows:

(1) Every moorage facility operator must:
(a) Obtain and maintain insurance coverage for the moorage facility;
(b) Require, as a condition of moorage, all vessels other than transient vessels to provide proof of marine insurance to the moorage facility.

(2) Unless rules adopted by the department of natural resources require otherwise, insurance maintained by moorage facility operators and required of moored vessels must:
(a) Provide coverage at liability limits of at least three hundred thousand dollars per occurrence; and
(b) Include, at a minimum, general, legal, and pollution liability coverage.

(3) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(4) The requirement under this section for moorage facility operators to require proof of marine insurance from mooring vessels applies at the time a moorage agreement is entered into and at the time of any renewals of the agreement. The moorage facility operator is not required to verify independently whether a mooring vessel's insurance policy meets the requirements of this section and is not responsible for any change in insurance coverage applicable to the vessel that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(5) Any moorage facility operator who fails to satisfy the requirements of this section incurs secondary liability under RCW 79.100.060 for any vessel located at the moorage facility that meets the definition of derelict vessel or abandoned vessel as those terms are defined in RCW 79.100.010.

Sec. 204. RCW 53.08.310 and 1986 c 260 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this section, section 203 of this act, and RCW 53.08.320.

(1) "Port charges" mean charges of a moorage facility operator for moorage and storage, and all other charges owing or to become owing under a contract between a vessel owner and the moorage facility operator, or under an officially adopted tariff including, but not limited to, costs of sale and related legal expenses.

(2) "Vessel" means every species of watercraft or other artificial contrivance capable of being used as a means of transportation on water and which does not exceed two hundred feet in length. "Vessel" includes any trailer used for the transportation of watercraft.

(3) "Moorage facility" means any properties or facilities owned or operated by a moorage facility operator which are capable of use for the moorage or storage of vessels.

(4) "Moorage facility operator" means any port district, city, town, metropolitan park district, or county which owns and/or operates a moorage facility.

(5) "Owner" means every natural person, firm, partnership, corporation, association, or organization, or agent thereof, with actual or apparent authority, who expressly or impliedly contracts for use of a moorage facility.

(6) "Transient vessel" means a vessel using a moorage facility and which belongs to an owner who does not have a moorage agreement with the moorage facility operator. Transient vessels include, but are not limited to: Vessels seeking a harbor of refuge, day use, or overnight use of a moorage facility on a space-as-available basis.

Part Three--Encouraging Vessel Removal and Deconstruction
NEW SECTION. Sec. 301. A new section is added to chapter 82.08 RCW to read as follows:
(1) The tax levied by RCW 82.08.020 does not apply to sales of vessel deconstruction performed at:
(a) A qualified vessel deconstruction facility; or
(b) An area over water that has been permitted under section 402 of the clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.
(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.
(a)(i) “Vessel deconstruction” means permanently dismantling a vessel, including: Abatement and removal of hazardous materials; the removal of mechanical, hydraulic, or electronic components or other vessel machinery and equipment; and either the cutting apart or disposal, or both, of vessel infrastructure. For the purposes of this subsection, “hazardous materials” includes fuel, lead, asbestos, polychlorinated biphenyls, and oils.
(ii) “Vessel deconstruction” does not include vessel modification or repair.
(b) “Qualified vessel deconstruction facility” means structures, including floating structures, that are permitted under section 402 of the clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.
(3) Sellers making tax-exempt sales under this section must obtain from the purchaser an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files. In lieu of an exemption certificate, a seller may capture the relevant data elements as allowed under the streamlined sales and tax agreement.

NEW SECTION. Sec. 302. A new section is added to chapter 82.12 RCW to read as follows:
(1) This chapter does not apply to the use of vessel deconstruction services performed at:
(a) A qualified vessel deconstruction facility; or
(b) An area over water that has been permitted under section 402 of the federal clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.
(2) The definitions in section 301(2) of this act apply to this section.

NEW SECTION. Sec. 303. A new section is added to chapter 44.28 RCW to read as follows:
(1) This section is the tax preference performance statement for the tax preference contained in sections 301 and 302 of this act. This performance statement is only intended to be used for subsequent evaluation of this tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.
(2) The legislature categorizes this tax preference as intended to induce certain designated behavior by taxpayers as indicated in RCW 82.32.808(2)(a).
(3) It is the legislature's specific public policy objective to decrease the number of abandoned and derelict vessels by providing incentives to increase vessel deconstruction in Washington by lowering the cost of deconstruction. It is the legislature's intent to provide businesses engaged in vessel deconstruction a sales and use tax exemption for sales of vessel deconstruction. This incentive will lower the costs associated with vessel deconstruction and encourage businesses to make investments in vessel deconstruction facilities. Pursuant to chapter 43.136 RCW, the joint legislative audit and review committee must review the sales tax exemptions provided under sections 301 and 302 of this act by December 1, 2018.
(4) If a review finds that the increase in available capacity to deconstruct derelict vessels or a reduction in the average cost to deconstruct vessels has resulted in an increase of the number of derelict vessels removed from Washington's waters as compared to before the effective date of this section, then the legislature intends for the legislative auditor to recommend extending the expiration date of the tax preference.
(5) In order to obtain the data necessary to perform the review in subsection (3) of this section, the joint legislative audit and review committee should refer to data kept and maintained by the department of natural resources.
(6) This section expires January 1, 2019.

NEW SECTION. Sec. 304. Sections 301 and 302 of this act take effect October 1, 2014.

Part Four--Revenue to Support the Derelict Vessel Removal Program

NEW SECTION. Sec. 401. (1) The legislature finds that:
(a) Derelict and abandoned vessels are a threat to the safety of the public waterways, an environmental hazard for humans and marine life, and an occupational danger for persons that make their living on the waters of this state;
(b) Derelict vessel removal fees are imposed when recreational vessels are registered with the department of licensing. The accumulation of these fees is sufficient for the removal and disposal of recreational vessels that become derelict or abandoned;
(c) Derelict vessel removal fees do not apply to commercial vessels. Former commercial vessels are among the most costly to remove from Washington waters and to dispose of in an environmentally responsible manner. The costs for removing and disposing of these vessels far exceed the funding provided by the derelict vessel removal fees paid by recreational vessels;
(d) According to the department of natural resources, as of the effective date of this section, there is a significant backlog of abandoned or derelict vessels that are former commercial vessels; and
(e) The use of general fund revenue to pay for the removal and disposal of derelict or abandoned vessels places an undue burden on the nonboating public and reduces the revenue available to pay for necessary governmental services.
(2) The legislature intends for either the owners or operators, or both, of commercial vessels to pay their fair share for the removal of abandoned or derelict vessels by imposing a fee for the moorage of commercial vessels.

NEW SECTION. Sec. 402. A new section is added to chapter 79.100 RCW to read as follows:
(1)(a) Except as otherwise provided in (b) of this subsection, an annual derelict vessel removal fee is imposed upon all persons required by RCW 84.40.065 to list any ship or vessel with the department of revenue for state property tax purposes.
(b) The derelict vessel removal fee imposed in (a) of this subsection does not apply in any year that a person required to list a ship or vessel does not owe the state property tax levied for collection in that year with respect to that ship or vessel.
(c) The annual derelict vessel removal fee is equal to one dollar per vessel foot measured by extreme length of the vessel, rounded up to the nearest whole foot.
(2) Each year, the department of revenue must include the amount of the derelict vessel removal fee due under this section for that calendar year in the tax statement required in RCW 84.40.065.
(3) The person listing a ship or vessel and the owner of the ship or vessel, if not the same person, are jointly and severally liable for the fee imposed in this section.
(4) The department of revenue must collect the derelict vessel removal fee imposed in this section as provided in RCW 84.56.440.
(5) All derelict vessel removal fees collected under this section must be deposited into the derelict vessel removal account created in RCW 79.100.100.

Sec. 403.  RCW 84.56.440 and 2008 c 181 s 511 are each amended to read as follows:

(1) The department of revenue shall collect the derelict vessel removal fee imposed under section 402 of this act and all ad valorem taxes upon ships and vessels listed with the department in accordance with RCW 84.40.065, and all applicable interest and penalties on such taxes and fees. The taxes and derelict vessel removal fee shall be due and payable to the department on or before the thirtieth day of April and shall be delinquent after that date.

(2) If payment of the tax, derelict vessel removal fee, or both, is not received by the department by the due date, there shall be imposed a penalty of five percent of the amount of the unpaid tax and fee; and if the tax and fee are not received within thirty days after the due date, there shall be imposed a total penalty of ten percent of the amount of the unpaid tax and fee; and if the tax and fee are not received within sixty days after the due date, there shall be imposed a total penalty of twenty percent of the amount of the unpaid tax and fee. No penalty so added shall be less than five dollars.

(3) Delinquent taxes under this section are subject to interest at the rate set forth in RCW 82.32.050 from the date of delinquency until paid. Delinquent derelict vessel removal fees are also subject to interest at the same rate and in the same manner as provided for delinquent taxes under RCW 82.32.050. Interest or penalties collected on delinquent taxes and derelict vessel removal fees under this section shall be paid by the department into the general fund of the state treasury.

(4) If upon information obtained by the department it appears that any ship or vessel required to be listed according to the provisions of RCW 84.40.065 is not so listed, the department shall value the ship or vessel and assess against the owner of the vessel the taxes and derelict vessel removal fees found to be due and shall add thereto interest at the rate set forth in RCW 82.32.050 from the original due date of the tax and fee until the date of payment. The department shall notify the vessel owner by mail of the amount and the same shall become due and shall be paid by the vessel owner within thirty days of the date of the notice. If payment is not received by the department by the due date specified in the notice, the department shall add a penalty of ten percent of the tax and fee found due. A person who willfully gives a false listing or willfully fails to list a ship or vessel as required by RCW 84.40.065 shall be subject to the penalty imposed by RCW 84.40.130(2), which shall be assessed and collected by the department.

(5) Delinquent taxes and fees under this section, along with all penalties and interest thereon, shall be collected by the department according to the procedures set forth in chapter 82.32 RCW for the filing and execution of tax warrants, including the imposition of warrant interest. In the event a warrant is issued by the department for the collection of taxes, derelict vessel removal fees, or both, under this section, the department shall add a penalty of five percent of the amount of the delinquent tax and fee, but not less than ten dollars.

(6) [(The department shall also collect all delinquent taxes pertaining to ships and vessels appearing on the records of the county treasurers for each of the counties of this state as of December 31, 1993, including any applicable interest or penalties. The provisions of subsection (5) of this section shall apply to the collection of such delinquent taxes.]

(7) The department of revenue must withhold the decals required under RCW 88.02.570(10) for failure to pay the state property tax or derelict vessel removal fee collectible under this section.

NEW SECTION.  Sec. 404. Sections 401 through 403 of this act take effect January 1, 2015.

Part Five--Incentivizing the Registration of Moored Vessels

NEW SECTION.  Sec. 501. A new section is added to chapter 88.02 RCW to read as follows:

(1) A moorage provider that provides long-term moorage must obtain the following information and documentation from persons entering into long-term moorage agreements with the moorage provider:

(a) The name of the legal owner of the vessel;

(b) A local contact person and that person's address and telephone number, if different than the owner;

(c) The owner's address and telephone number;

(d) The vessel's hull identification number;

(e) If applicable, the vessel's coast guard registration;

(f) The vessel's home port;

(g) The date on which the moorage began;

(h) The vessel's country or state of registration and registration number; and

(i) Proof of vessel registration, a written statement of the lessee's intent to register a vessel, or an affidavit in a form and manner approved by the department certifying that the vessel is exempt from state vessel registration requirements as provided by RCW 88.02.570.

(2) For moorage agreements entered into effective on or after July 1, 2014, a long-term moorage agreement for vessels not registered in this state must include, in a form and manner approved by the department and the department of revenue, notice of state vessel registration requirements as provided by this chapter and tax requirements as provided by chapters 82.08, 82.12, and 82.49 RCW and listing requirements as provided by RCW 84.40.065.

(3) A moorage provider must maintain records of the information and documents required under this section for at least two years. Upon request, a moorage provider must:

(a) Permit any authorized agent of a requesting agency to:

(i) Inspect the moorage facility for vessels that are not registered as required by this chapter or listed as required under RCW 84.40.065; and

(ii) Inspect and copy records identified in subsection (1) of this section for vessels that the requesting agency determines are not properly registered or listed as required by law; or

(b) Provide to the requesting agency:

(i) Information as provided in subsection (1)(a), (c), (d), and (e) of this section; and

(ii) Information as provided in subsection (1)(b), (f), (g), (h), and (i) of this section for those vessels that the requesting agency subsequently determines are not registered as required by this chapter or listed as required under RCW 84.40.065.

(4) Requesting agencies must coordinate their requests to ensure that a moorage provider does not receive more than two requests per calendar year. For the purpose of enforcing vessel registration and vessel listing requirements, requesting agencies may share the results of information requests with each other.

(5) The information required to be collected under this section must be collected at the time the long-term moorage agreement is entered into and at the time of any renewals of the agreement. The moorage provider is not responsible for updating any changes in the information that occurs after the initial agreement is entered into or in the time period between agreement renewals.
The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Long-term moorage" means moorage provided for more than thirty consecutive days.

(b) "Moorage facility" means any properties or facilities located in this state that are used for the moorage of vessels and are owned or operated by a moorage provider.

(c) "Moorage facility operator" has the same meaning as defined in RCW 53.08.310.

(d) "Moorage provider" means any public or private entity that owns or operates any moorage facility, including a moorage facility operator, private moorage facility operator, the state of Washington, or any other person.

(e) "Private moorage facility operator" has the same meaning as defined in RCW 88.26.010.

(f) "Requesting agency" means the department, the department of revenue, or the department of natural resources.

NEW SECTION. Sec. 502. A new section is added to chapter 82.49 RCW to read as follows:

(1) An owner of a vessel that is not registered as required by chapter 88.02 RCW and for which watercraft excise tax is due under this chapter is liable for a penalty in the following amount:

(a) One hundred dollars for the owner's first violation;

(b) Two hundred dollars for the owner's second violation involving the same or any other vessel; or

(c) Four hundred dollars for the owner's third and successive violations involving the same or any other vessel.

(2) The department of revenue may collect this penalty under the procedures established in chapter 82.32 RCW. The penalty imposed under this section is in addition to any other civil or criminal penalty imposed by law.

Sec. 503. RCW 82.49.010 and 2010 c 161 s 1044 are each amended to read as follows:

(1) An excise tax is imposed for the privilege of using a vessel upon the waters of this state, except vessels exempt under RCW 82.49.020. The annual amount of the excise tax is one-half of one percent of fair market value, as determined under this chapter, or five dollars, whichever is greater. Violation of this subsection is a misdemeanor.

(2) Person who is required under chapter 88.02 RCW to register a vessel in this state and who fails to register the vessel in this state or registry the vessel in another state or foreign country and avoids the Washington watercraft excise tax is guilty of a gross misdemeanor and is liable for such unpaid excise tax. The department of revenue may assess and collect the unpaid excise tax under chapter 82.32 RCW, including the penalty imposed in section 502 of this act and penalties and interest provided in chapter 82.32 RCW.

(3) The excise tax upon a vessel registered for the first time in this state shall be imposed for a twelve-month period, including the month in which the vessel is registered, unless the director of licensing extends or diminishes vessel registration periods for the purpose of staggered renewal periods under RCW 88.02.560. A vessel is registered for the first time in this state when the vessel was not registered in this state for the immediately preceding registration year, or when the vessel was registered in another jurisdiction for the immediately preceding year.

Part Six--Miscellaneous and Technical

Sec. 601. RCW 79.100.060 and 2013 c 291 s 40 are each amended to read as follows:

(1) The owner of an abandoned or derelict vessel, or any person or entity that has incurred secondary liability (under RCW 79.100.150) for an abandoned or derelict vessel under this chapter or section 202 or 203 of this act, is responsible for reimbursing an authorized public entity for all reasonable and auditable costs associated with the removal or disposal of the owner's vessel under this chapter. These costs include, but are not limited to, costs incurred exercising the authority granted in RCW 79.100.030, all administrative costs incurred by the authorized public entity during the procedure set forth in RCW 79.100.040, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. An authorized public entity that has taken temporary possession of a vessel may require that all reasonable and auditable costs associated with the removal of the vessel be paid before the vessel is released to the owner.

(2) Reimbursement for costs may be sought from an owner, or any person or entity that has incurred secondary liability under (RCW 79.100.150) this chapter or section 202 or 203 of this act, who is identified subsequent to the vessel's removal and disposal.

(3) If the full amount of all costs due to the authorized public entity under this chapter is not paid to the authorized public entity within thirty days after first notifying the responsible parties of the amounts owed, the authorized public entity or the department may bring an action in any court of competent jurisdiction to recover the costs, plus reasonable attorneys' fees and costs incurred by the authorized public entity.

Sec. 602. RCW 79.100.120 and 2013 c 291 s 32 are each amended to read as follows:

(1) A person (a person) or lien holder seeking to contest an authorized public entity's decision to take temporary possession or custody of a vessel under this chapter, or to contest the amount of reimbursement owed to an authorized public entity under this chapter, may request a hearing in accordance with this section.

(b) A transferor with secondary liability under this chapter or section 202 or 203 of this act may commence a lawsuit in the superior court for the county in which custody of the vessel was taken to contest the transferor's liability or the amount of reimbursement owed the authorized public entity under this chapter.

(2) If the contested decision or action was undertaken by a state agency, a written request for a hearing related to the decision or action must be filed with the pollution control hearings board and served on the state agency in accordance with RCW 43.21B.230 (2) and (3) within thirty days of the date the authorized public entity acquires custody of the vessel under RCW 79.100.040, or if the vessel is redeemed before the authorized public entity acquires custody, the date of redemption, or the right to a hearing is deemed waived and the vessel's owner is liable for any costs owed the authorized public entity. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

(b) Upon receipt of a timely hearing request, the pollution control hearings board shall proceed to hear and determine the validity of the decision to take the vessel into temporary possession or custody and the reasonableness of any towing, storage, or other charges permitted under this chapter. Within five business days after the request for a hearing is filed, the pollution control hearings board shall notify the vessel owner requesting the hearing and the authorized public entity of the date, time, and location for the hearing. Unless the vessel is redeemed before the request for hearing is filed, the pollution control hearings board shall set the hearing on a date that is within ten business days of the filing of the request for hearing. If the vessel is redeemed before the request for hearing is filed, the pollution control hearings board shall set the hearing on a date that is within sixty days of the filing of the request for hearing.

(c) Consistent with RCW 43.21B.305, a proceeding brought under this subsection may be heard by one member of the pollution control hearings board, whose decision is the final decision of the board.
(3)(a) If the contested decision or action was undertaken by a metropolitan park district, port district, city, town, or county, which has adopted rules or procedures for contesting decisions or actions pertaining to derelict or abandoned vessels, those rules or procedures must be followed in order to contest a decision to take temporary possession or custody of a vessel, or to contest the amount of reimbursement owed.

(b) If the metropolitan park district, port district, city, town, or county has not adopted rules or procedures for contesting decisions or actions pertaining to derelict or abandoned vessels, then (a person) an owner or lien holder requesting a hearing under this section must follow the procedure established in subsection (2) of this section.

Sec. 603. RCW 79.100.100 and 2013 c 291 s 2 are each amended to read as follows:

(1)(a) The derelict vessel removal account is created in the state treasury. All receipts from RCW 79.100.050 and 79.100.060 and those moneys specified in RCW 88.02.640 must be deposited into the account. The account is authorized to receive fund transfers and appropriations from the general fund, deposits from the derelict vessel removal surcharge under RCW 88.02.640(4), deposits under section 402 of this act, as well as gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of this chapter and expend the same or any income according to the terms of the gifts, grants, or endowments provided those terms do not conflict with any provisions of this section or any guidelines developed to prioritize reimbursement of removal projects associated with this chapter.

(b) Moneys in the account may only be spent after appropriation. Expenditures from the account may only be used by the department for developing and administering the vessel turn-in program created in RCW 79.100.160 and to reimburse authorized public entities for up to ninety percent of the total reasonable and auditable administrative, removal, disposal, and environmental damage costs of abandoned or derelict vessels when the previous owner is either unknown after a reasonable search effort or insolvent. Reimbursement may not be made unless the department determines that the public entity has made reasonable efforts to identify and locate the party responsible for the vessel, or any other person or entity that has incurred secondary liability (under RCW 79.100.150) for the vessel under this chapter or section 202 or 203 of this act, regardless of the title of owner of the vessel.

(c) Funds in the account resulting from transfers from the general fund or from the deposit of funds from the watercraft excise tax as provided for under RCW 82.49.030 must be used to reimburse one hundred percent of costs and should be prioritized for the removal of large vessels.

(d) Costs associated with the removal and disposal of an abandoned or derelict vessel under the authority granted in RCW 53.08.320 also qualify for reimbursement from the derelict vessel removal account.

(e) In each biennium, up to twenty percent of the expenditures from the derelict vessel removal account may be used for administrative expenses of the department for licensing and department of natural resources in implementing this chapter.

(2) Priority for use of this account is for the removal of derelict and abandoned vessels that are in danger of sinking, breaking up, or blocking navigation channels, or that present environmental risks such as leaking fuel or other hazardous substances. The department must develop criteria, in the form of informal guidelines, to prioritize removal projects associated with this chapter, but may not consider whether the applicant is a state or local entity when prioritizing. The guidelines must also include guidance to the authorized public entities as to what removal activities and associated costs are reasonable and eligible for reimbursement.

(3) The department must keep all authorized public entities apprised of the balance of the derelict vessel removal account and the funds available for reimbursement. The guidelines developed by the department must also be made available to the other authorized public entities. This subsection (3) must be satisfied by utilizing the least costly method, including maintaining the information on the department's internet web site, or any other cost-effective method.

(4) An authorized public entity may contribute its ten percent of costs that are not eligible for reimbursement by using in-kind services, including the use of existing staff, equipment, and volunteers.

(5) This chapter does not guarantee reimbursement for an authorized public entity. Authorized public entities seeking certainty in reimbursement prior to taking action under this chapter may first notify the department of their proposed action and the estimated total costs. Upon notification by an authorized public entity, the department must make the authorized public entity aware of the status of the fund and the likelihood of reimbursement being available. The department may offer technical assistance and assure reimbursement for up to two years following the removal action if an assurance is appropriate given the balance of the fund and the details of the proposed action.

Sec. 604. 2013 c 291 s 39 (uncodified) is amended to read as follows:

(1) By December 31, (2013) 2014, the department of natural resources shall adopt by rule initial procedures and standards for the vessel inspections required under (section 38 of this act) RCW 79.100.150. The procedures and standards must identify the public or private entities authorized to conduct inspections, the required elements of an inspection, and the manner in which inspection results must be documented. The vessel inspection required under this section must be designed to:

(a) Provide the transferee with current information about the condition of the vessel, including the condition of its hull and key operating systems, prior to the transfer;

(b) Provide the department of natural resources with information under (a) of this subsection for each applicable vessel and, more broadly, to improve the department's understanding of the condition of the larger, older boats in the state's waters;

(c) Discourage the future abandonment or dereliction of the vessel;

(d) Maximize the efficiency and effectiveness of the inspection process, including with respect to the time and resources of the transferor, transferee, and the state.

(2) The department of natural resources shall work with appropriate government agencies and stakeholders in designing the inspection process and standards under this section.

(3) This section expires July 31, (2014) 2015.

NEW SECTION Sec. 605. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.”

On page 1, line 1 of the title, after “vessels;” strike the remainder of the title and insert “amending RCW 79.100.150, 79.100.130, 53.08.310, 84.56.440, 82.49.010, 79.100.060, 79.100.120, and 79.100.100; amending 2013 c 291 s 39 (uncodified); adding new sections to chapter 79.100 RCW; adding a new section to chapter 88.26 RCW; adding a new section to chapter 53.08 RCW; adding a new section to chapter 82.08 RCW; adding a new section to chapter 82.12 RCW; adding a new section to chapter 44.28 RCW; adding a new section to chapter 82.49 RCW; creating new sections; prescribing penalties; providing effective dates; and providing expiration dates.”
The President declared the question before the Senate to be the motion by Senator Pearson to not adopt the committee striking amendment by the Committee on Natural Resources & Parks to Second Substitute House Bill No. 2457.

The motion by Senator Pearson carried and the committee striking amendment was not adopted by voice vote.

MOTION

Senator Pearson moved that the following striking amendment by Senators Pearson and Liias be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature finds that section 45, chapter 291, Laws of 2013 required the department of natural resources, in consultation with the department of ecology, to evaluate potential changes to laws and rules related to derelict and abandoned vessels that increase vessel owner responsibility and address challenges associated with the economics of removing vessels from the water.

(2) The legislature further finds that, during the 2013 legislative interim, the two responsible agencies engaged in a thorough process to satisfy their legislative charge. This process involved exhausting in-state expertise on various topics and reaching out to experts in vessel deconstruction, surety bonding, letters of credit, marine insurance, taxation, federal regulation, similar programs in other states, and more. The process also involved two open invitation public meetings.

(3) The legislature further finds that a significant number of various and competing options were discussed, analyzed, and ultimately dismissed during the process undertaken by the two agencies. It is the intent of the legislature to capture the recommendations for meeting the goals of increased vessel owner responsibility and addressing the challenges associated with the economics of removing vessels from the water that rose to the top from the process undertaken by the agencies.

(4) It is the further intent of the legislature that this act serve as the final report due by the department of natural resources under section 45, chapter 291, Laws of 2013.

Part One--Vessel Owner Responsibility

NEW SECTION. Sec. 101. A new section is added to chapter 79.100 RCW to read as follows:

(1) Any individual or company that purchases or otherwise receives a used vessel greater than sixty-five feet in length and more than forty years old must, prior to or concurrent with the transfer of ownership, secure a marine insurance policy consistent with this section. Proof of the marine insurance policy must be provided to:

(a) The transferee of the vessel upon purchase or other transfer; and

(b) If applicable, the department of licensing upon registration or the department of revenue upon the payment of any taxes.

(2) The transferee of a vessel greater than sixty-five feet in length and more than forty years old has an affirmative duty to ensure that any potential transferee has secured a marine insurance policy consistent with this section prior to or concurrent with the finalization of any sale or transfer. Nothing in this section prohibits the sale or other transfer of a vessel greater than sixty-five feet in length and more than forty years old to a transferee that fails to secure a marine insurance policy. However, a transferee that chooses to finalize a sale or other transfer with a transferee not in possession of a marine insurance policy assumes secondary liability for the vessel consistent with RCW 79.100.060 if the vessel is later abandoned by the transferee or becomes derelict prior to a subsequent ownership transfer.

(3) The marine insurance policy required under this section must be secured by the transferee prior to, or concurrent with, assuming ownership of a vessel greater than sixty-five feet in length and more than forty years old. The marine insurance policy must satisfy the following conditions:

(a) Have a term of at least twelve months following the transferee's assumption of vessel ownership;

(b) Provide coverage of an amount that is, unless otherwise provided by the department by rule, at least three hundred thousand dollars;

(c) Provide, unless otherwise provided by the department by rule, coverage for the removal of the vessel if it should sink and coverage should it cause a pollution event.

(4) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(5) The department may, by rule, provide for a purchaser of a vessel to also satisfy the insurance requirements of this section through the posting of adequate security with a financial institution.

(6) A person required to secure marine insurance or show proof of marine insurance under this section who either: (a) Fails to secure a marine insurance policy consistent with this section prior to or concurrent with the transfer of ownership, unless the vessel was sold consistent with RCW 79.100.150(2)(b); or (b) cancels a marine insurance policy consistent with this section prior to the end of the twelfth month of vessel ownership or to a subsequent transfer of ownership, whichever occurs first, without securing another marine insurance policy consistent with this section in its place, is guilty of a misdemeanor. The department may contact any vessel owner required by this section to have a marine insurance policy to ensure compliance with this section.

Sec. 102. RCW 79.100.150 and 2013 c 291 s 38 are each amended to read as follows:

(1) A vessel owner must obtain a vessel inspection under this section prior to transferring a vessel that is:

(a) More than sixty-five feet in length and more than forty years old; and

(b) Either:

(i) Is registered or required to be registered under chapter 88.02 RCW; or

(ii) Is listed or required to be listed under chapter 84.40 RCW.

(2) If the vessel inspection determines the vessel is not seaworthy and the value of the vessel is less than the anticipated costs required to return the vessel to seaworthiness, then the vessel owner may not sell or transfer ownership of the vessel unless:

(a) The vessel is repaired to a seaworthy state prior to the transfer of ownership; or

(b) The vessel is sold for scrap, restoration, salvage, or another use that will remove the vessel from state waters to a person displaying a business license issued under RCW 19.02.070 that a reasonable person in the seller's position would believe has the capability and intent to do based on factors that may include the buyer's facilities, resources, documented intent, and relevant history.

(3) Where required under subsection (1) of this section, a vessel owner must provide a copy of the vessel inspection documentation to the transferee and, if the department did not conduct the inspection, to the department prior to the transfer.

(4) Unless rules adopted by the department provide otherwise, the vessel inspection required under this section must be contained in a formal marine survey conducted by a third party to the transaction. The survey must include, at a minimum, a conclusion relating to the seaworthiness of the vessel, an estimate of the vessel's fair market value, and, if applicable, an estimate as to the
anticipated cost of repairs necessary to return the vessel to seaworthiness.

(5) The department may, by rule, allow other forms of vessel condition determinations, such as United States coast guard certificates of inspection, to replace the requirements for a formal marine survey under this section.

(6) Failure to comply with the requirements of (subsections (1) and (2)) of this section will result in the transferor having secondary liability under RCW 79.100.060 if the vessel is later abandoned by the transferee or becomes derelict prior to a subsequent ownership transfer.

(7) Nothing in this section prevents a vessel owner from removing, dismantling, and lawfully disposing of any vessel lawfully under the vessel owner's control.

Part Two—Authorities and Requirements Applicable to Marinas

Sec. 201. RCW 79.100.130 and 2013 c 291 s 4 are each amended to read as follows:

(1) A private moorage facility owner, as those terms are defined in RCW 88.26.010, may contract with the department or a local government for the purpose of participating in the derelict vessel removal program.

(2) If a contract is completed under this section, the department or local government shall serve as the authorized public entity for the removal of a derelict or abandoned vessel from the property of the private moorage facility owner. The contract must provide for the private moorage facility owner to be financially responsible for the removal and disposal costs that are not reimbursed by the department as provided under RCW 79.100.100, and any additional reasonable administrative costs incurred by the department or local government during the removal of the derelict or abandoned vessel.

(3) Prior to the commencement of any removal (which) under this section for which a local government serves as the authorized public entity and that will seek reimbursement from the derelict vessel removal program, the contract and the proposed vessel removal shall be submitted to the department for review and approval. The local government shall use the procedure specified under RCW 79.100.100(66).

(4) If the private moorage facility owner has already seized the vessel under chapter 88.26 RCW and title has reverted to the moorage facility, the moorage facility is not considered the owner under this chapter for purposes of cost recovery for actions taken under this section.

(5)(a) The department and all local governments have discretion as to whether to enter into contracts to serve as the authorized public entity under this section for vessels located at a private moorage facility.

(b) The department may not enter into a contract to serve as the authorized public entity under this section for vessels located at a private moorage facility if the private moorage facility is not in compliance with the mandatory insurance requirements of section 202 of this act.

NEW SECTION. Sec. 202. A new section is added to chapter 88.26 RCW to read as follows:

(1) Every private moorage facility operator must:

(a) Obtain and maintain insurance coverage for the private moorage facility;

(b) Require, as a condition of moorage, all vessels other than transient vessels to provide proof of marine insurance to the moorage facility.

(2) Unless rules adopted by the department of natural resources require otherwise, insurance maintained by private moorage facility operators and required of moored vessels must:

(a) Provide coverage at liability limits of at least three hundred thousand dollars per occurrence; and

(b) Include, at a minimum, general, legal, and pollution liability coverage.

(3) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(4) The requirement under this section for private moorage facility operators to require proof of marine insurance from mooring vessels applies whenever a private moorage facility operator enters an initial or renewal moorage agreement after the effective date of this section. The private moorage facility operator is not required to verify independently whether a mooring vessel's insurance policy meets the requirements of this section and is not responsible for any change in insurance coverage applicable to the vessel that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(5) Any private moorage facility operator who fails to satisfy the requirements of this section incurs secondary liability under RCW 79.100.060 and is not eligible for reimbursement from the derelict vessel removal program.

NEW SECTION. Sec. 203. A new section is added to chapter 53.08 RCW to read as follows:

(1) Every moorage facility operator must:

(a) Obtain and maintain insurance coverage for the moorage facility;

(b) Require, as a condition of moorage, all vessels other than transient vessels to provide proof of marine insurance to the moorage facility.

(2) Unless rules adopted by the department of natural resources require otherwise, insurance maintained by moorage facility operators and required of moored vessels must:

(a) Provide coverage at liability limits of at least three hundred thousand dollars per occurrence; and

(b) Include, at a minimum, general, legal, and pollution liability coverage.

(3) The purchaser of marine insurance under this section may satisfy the requirements of this section through the purchase of multiple policies as necessary.

(4) The requirement under this section for moorage facility operators to require proof of marine insurance from mooring vessels applies whenever a moorage facility operator enters an initial or renewal moorage agreement after the effective date of this section. The moorage facility operator is not required to verify independently whether a mooring vessel's insurance policy meets the requirements of this section and is not responsible for any change in insurance coverage applicable to the vessel that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(5) Any moorage facility operator that the department determines has failed to satisfy the requirements of this section is not eligible for reimbursement from the derelict vessel removal account under RCW 79.100.100.

Sec. 204. RCW 88.26.010 and 1993 c 474 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Charges" means charges of a private moorage facility operator for moorage and storage, all other charges owing to or that become owing under a contract between a vessel owner and the private moorage facility operator, or any costs of sale and related legal expenses for implementing RCW 88.26.020.

Transient vessels may also include vessels taken into custody under RCW 79.100.040.

Sec. 205. RCW 53.08.310 and 1986 c 260 s 1 are each amended to read as follows:

(1) "Port charges" mean charges of a moorage facility operator for moorage and storage, and all other charges owing or to become owing under a contract between a vessel owner and the moorage facility operator, or under an officially adopted tariff including, but not limited to, costs of sale and related legal expenses.

Transient vessels may also include vessels taken into custody under RCW 79.100.040.

Part Three--Encouraging Vessel Removal and Deconstruction

NEW SECTION. Sec. 301. A new section is added to chapter 82.08 RCW to read as follows:

(1) This chapter does not apply to the use of vessel deconstruction services performed at:

(a) A qualified vessel deconstruction facility; or

(b) An area over water that has been permitted under section 402 of the federal clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.

(2) The definitions in section 301(2) of this act apply to this section.

(1) This section applies throughout this section unless the context clearly requires otherwise.

(a)(i) "Vessel deconstruction" means permanently dismantling a vessel, including: Abatement and removal of hazardous materials; the removal of mechanical, hydraulic, or electronic components or other vessel machinery and equipment; and either the cutting apart or disposal, or both, of vessel infrastructure. For the purposes of this subsection, "hazardous materials" includes fuel, lead, asbestos, polychlorinated biphenyls, and oils.

(ii) "Vessel deconstruction" does not include vessel modification or repair.

(b) "Qualified vessel deconstruction facility" means structures, including floating structures, that are permitted under section 402 of the clean water act of 1972 (33 U.S.C. Sec. 1342) for vessel deconstruction.

(3) Sellers making tax-exempt sales under this section must obtain from the purchaser an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files. In lieu of an exemption certificate, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement.

NEW SECTION. Sec. 303. (1) This section is the tax preference performance statement for the tax preference contained in sections 301 and 302 of this act. This performance statement is only intended to be used for subsequent evaluation of this tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as intended to induce certain designated behavior by taxpayers as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to decrease the number of abandoned and derelict vessels by providing incentives to increase vessel deconstruction in Washington by lowering the cost of deconstruction. It is the legislature's intent to provide businesses engaged in vessel deconstruction a sales and use tax exemption for sales of vessel deconstruction. This incentive will lower the costs associated with vessel deconstruction and encourage businesses to make investments in vessel deconstruction facilities. Pursuant to chapter 43.136 RCW, the joint legislative audit and review committee must review the sales tax exemptions provided under sections 301 and 302 of this act by December 1, 2018.

(4) If a review finds that the increase in available capacity to deconstruct derelict vessels or a reduction in the average cost to deconstruct vessels has resulted in an increase of the number of derelict vessels removed from Washington's waters as compared to before the effective date of this section, then the legislature intends for the legislative auditor to recommend extending the expiration date of the tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (3) of this section, the joint legislative audit and review committee should refer to data kept and maintained by the department of natural resources.

(6) This section expires January 1, 2019.
NEW SECTION. Sec. 304. Sections 301 and 302 of this act take effect October 1, 2014.

Part Four--Revenue to Support the Derelict Vessel Removal Program

NEW SECTION. Sec. 401. (1) The legislature finds that:
(a) Derelict and abandoned vessels are a threat to the safety of the public waterways, an environmental hazard for humans and marine life, and an occupational danger for persons that make their living on the waters of this state;
(b) Derelict vessel removal fees are imposed when recreational vessels are registered with the department of licensing. The accumulation of these fees is sufficient for the removal and disposal of recreational vessels that become derelict or abandoned;
(c) Derelict vessel removal fees do not apply to commercial vessels. Former commercial vessels are among the most costly to remove from Washington waters and to dispose of in an environmentally responsible manner. The costs for removing and disposing of these vessels far exceeds the funding provided by the derelict vessel removal fees paid by recreational vessels;
(d) According to the department of natural resources, as of the effective date of this section, there is a significant backlog of abandoned or derelict vessels that are former commercial vessels; and
(e) The use of general fund revenue to pay for the removal and disposal of derelict or abandoned vessels places an undue burden on the nonboating public and reduces the revenue available to pay for necessary governmental services.
(2) The legislature intends for either the owners or operators, or both, of commercial vessels to pay their fair share for the removal of abandoned or derelict vessels by imposing a per foot fee on commercial vessels.

NEW SECTION. Sec. 402. A new section is added to chapter 79.100 RCW to read as follows:
(1(a) Except as otherwise provided in (b) of this subsection, an annual derelict vessel removal fee is imposed upon all persons required by RCW 84.40.065 to list any ship or vessel with the department of revenue for state property tax purposes.
(b) The derelict vessel removal fee imposed in (a) of this subsection does not apply in any year that a person required to list a ship or vessel does not owe the state property tax levied for collection in that year with respect to that ship or vessel.
(c) The annual derelict vessel removal fee is equal to one dollar per vessel foot measured by extreme length of the vessel, rounded up to the nearest whole foot.
(2) Each year, the department of revenue must include the amount of the derelict vessel removal fee due under this section for that calendar year in the tax statement required in RCW 84.40.065.
(3) The person listing a ship or vessel and the owner of the ship or vessel, if not the same person, are jointly and severally liable for the fee imposed in this section.
(4) The department of revenue must collect the derelict vessel removal fee imposed in this section as provided in RCW 84.56.440.
(5) All derelict vessel removal fees collected under this section must be deposited into the derelict vessel removal account created in RCW 79.100.100.

Sec. 403. RCW 84.56.440 and 2008 c 181 s 511 are each amended to read as follows:
(1) The department of revenue shall collect the derelict vessel removal fee imposed under section 402 of this act and all ad valorem taxes upon ships and vessels listed with the department in accordance with RCW 84.40.065, and all applicable interest and penalties on such taxes and fees. The taxes and derelict vessel removal fee shall be due and payable to the department on or before the thirtieth day of April and shall be delinquent after that date.
(2) If payment of the tax, derelict vessel removal fee, or both, is not received by the department by the due date, there shall be imposed a penalty of five percent of the amount of the unpaid tax and fee; and if the tax ((is)) and fee are not received within thirty days after the due date, there shall be imposed a total penalty of ten percent of the amount of the unpaid tax and fee; and if the tax ((is)) and fee are not received within sixty days after the due date, there shall be imposed a total penalty of twenty percent of the amount of the unpaid tax and fee. No penalty so added shall be less than five dollars.
(3) Delinquent taxes under this section are subject to interest at the rate set forth in RCW 82.32.050 from the date of delinquency until paid. Delinquent derelict vessel removal fees are also subject to interest at the same rate and in the same manner as provided for delinquent taxes under RCW 82.32.050. Interest or penalties collected on delinquent taxes and derelict vessel removal fees under this section shall be paid by the department into the general fund of the state treasury.
(4) If upon information obtained by the department it appears that any ship or vessel required to be listed according to the provisions of RCW 84.40.065 is not so listed, the department shall value the ship or vessel and assess against the owner of the vessel the taxes and derelict vessel removal fees found to be due and shall add thereto interest at the rate set forth in RCW 82.32.050 from the original due date of the tax and fee until the date of payment. The department shall notify the vessel owner by mail of the amount and the same shall become due and shall be paid by the vessel owner within thirty days of the date of the notice. If payment is not received by the department by the due date specified in the notice, the department shall add a penalty of ten percent of the tax and fee found due. A person who willfully gives a false listing or willfully fails to list a ship or vessel as required by RCW 84.40.065 shall be subject to the penalty imposed by RCW 84.40.130(2), which shall be assessed and collected by the department.
(5) Delinquent taxes and fees under this section, along with all penalties and interest thereon, shall be collected by the department according to the procedures set forth in chapter 82.32 RCW for the filing and execution of tax warrants, including the imposition of warrant interest. In the event a warrant is issued by the department for the collection of taxes, derelict vessel removal fees, or both, under this section, the department shall add a penalty of five percent of the amount of the delinquent tax and fees, but not less than ten dollars.
(6) (The department shall also collect all delinquent taxes pertaining to ships and vessels appearing on the records of the county treasurers for each of the counties of this state as of December 31, 1993, including any applicable interest or penalties. The provisions of subsection (5) of this section shall apply to the collection of such delinquent taxes.
((7))) During a state of emergency declared under RCW 43.06.010(12), the department, on its own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes and fees payable under this section as the department deems proper.
(7) The department of revenue must withhold the decals required under RCW 88.02.570(10) for failure to pay the state property tax or derelict vessel removal fee collectible under this section.

NEW SECTION. Sec. 404. Sections 401 through 403 of this act take effect January 1, 2015.

Part Five--Incentivizing the Registration of Moored Vessels

NEW SECTION. Sec. 501. A new section is added to chapter 88.02 RCW to read as follows:
(1) A moorage provider that provides long-term moorage must obtain the following information and documentation from persons entering into long-term moorage agreements with the moorage provider:

(a) The name of the legal owner of the vessel;
(b) A local contact person and that person’s address and telephone number, if different than the owner;
(c) The owner’s address and telephone number;
(d) The vessel’s hull identification number;
(e) If applicable, the vessel’s coast guard registration;
(f) The vessel’s home port;
(g) The date on which the moorage began;
(h) The vessel’s country or state of registration and registration number; and
(i) Proof of vessel registration, a written statement of the lessee’s intent to register a vessel, or an affidavit in a form and manner approved by the department certifying that the vessel is exempt from state vessel registration requirements as provided by RCW 88.02.570.

(2) For moorage agreements entered into effective on or after July 1, 2014, a long-term moorage agreement for vessels not registered in this state must include, in a form and manner approved by the department and the department of revenue, notice of state vessel registration requirements as provided by this chapter and tax requirements as provided by chapters 82.08, 82.12, and 82.49 RCW and listing requirements as provided by RCW 84.40.065.

(3) A moorage provider must maintain records of the information and documents required under this section for at least two years. Upon request, a moorage provider must:

(a) Permit any authorized agent of a requesting agency to:
(i) Inspect the moorage facility for vessels that are not registered as required by this chapter or listed as required under RCW 84.40.065; and
(ii) Inspect and copy records identified in subsection (1) of this section for vessels that the requesting agency determines are not properly registered or listed as required by law; or
(b) Provide to the requesting agency:
(i) Information as provided in subsection (1)(a), (c), (d), and (e) of this section; and
(ii) Information as provided in subsection (1)(b), (f), (g), (h), and (i) of this section for those vessels that the requesting agency subsequently determines are not registered as required by this chapter or listed as required under RCW 84.40.065.

(4) Requesting agencies must coordinate their requests to ensure that a moorage provider does not receive more than two requests per calendar year. For the purpose of enforcing vessel registration and vessel listing requirements, requesting agencies may share the results of information requests with each other.

(5) The information required to be collected under this section must be collected at the time the long-term moorage agreement is entered into and at the time of any renewals of the agreement. The moorage provider is not responsible for updating any changes in the information that occurs after the initial agreement is entered into or in the time period between agreement renewals.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Long-term moorage" means moorage provided for more than thirty consecutive days, unless the moorage is for a vessel that has been taken into custody under RCW 79.100.040.
(b) "Moorage facility" means any properties or facilities located in this state that are used for the moorage of vessels and are owned or operated by a moorage provider.
(c) "Moorage facility operator" has the same meaning as defined in RCW 53.08.310.
(d) "Moorage provider" means any public or private entity that owns or operates any moorage facility, including a moorage facility operator, private moorage facility operator, the state of Washington, or any other person.
(e) "Private moorage facility operator" has the same meaning as defined in RCW 88.26.010.
(f) "Requesting agency" means the department, the department of revenue, or the department of natural resources.

NEW SECTION. Sec. 502. A new section is added to chapter 82.49 RCW to read as follows:

(1) An owner of a vessel that is not registered as required by chapter 88.02 RCW and for which watercraft excise tax is due under this chapter is liable for a penalty in the following amount:

(a) One hundred dollars for the owner’s first violation;
(b) Two hundred dollars for the owner’s second violation involving the same or any other vessel; or
(c) Four hundred dollars for the owner’s third and successive violations involving the same or any other vessel.

(2) The department of revenue may collect this penalty under the procedures established in chapter 82.32 RCW. The penalty imposed under this section is in addition to any other civil or criminal penalty imposed by law.

Sec. 503. RCW 82.49.010 and 2010 c 161 s 1044 are each amended to read as follows:

(1) An excise tax is imposed for the privilege of using a vessel upon the waters of this state, except vessels exempt under RCW 82.49.020. The annual amount of the excise tax is one-half of one percent of fair market value, as determined under this chapter, or five dollars, whichever is greater. Violation of this subsection is a misdemeanor.

(2) ((Persons who are)) A person who is required under chapter 88.02 RCW to register a vessel in this state and who fails to register the vessel in this state or registers the vessel in another state or foreign country and avoids the Washington watercraft excise tax (((are))) is guilty of a gross misdemeanor and (((are))) is liable for such unpaid excise tax. The department of revenue may assess and collect the unpaid excise tax under chapter 82.32 RCW, including the penalty imposed in section 502 of this act and penalties and interest provided in chapter 82.32 RCW.

(3) The excise tax upon a vessel registered for the first time in this state shall be imposed for a twelve-month period, including the month in which the vessel is registered, unless the director of licensing extends or diminishes vessel registration periods for the purpose of staggered renewal periods under RCW 88.02.560. A vessel is registered for the first time in this state when the vessel was not registered in this state for the immediately preceding registration year, or when the vessel was registered in another jurisdiction for the immediately preceding year.

Part Six--Miscellaneous and Technical

Sec. 601. RCW 79.100.060 and 2013 c 291 s 40 are each amended to read as follows:

(1) The owner of an abandoned or derelict vessel, or any person or entity that has incurred secondary liability ((under RCW 79.100.150)) for an abandoned or derelict vessel under this chapter or section 202 of this act, is responsible for reimbursing an authorized public entity for all reasonable and auditable costs associated with the removal or disposal of the owner’s vessel under this chapter. These costs include, but are not limited to, costs incurred exercising the authority granted in RCW 79.100.030, all administrative costs incurred by the authorized public entity during the procedure set forth in RCW 79.100.040, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. An authorized public entity that
has taken temporary possession of a vessel may require that all reasonable and auditable costs associated with the removal of the vessel be paid before the vessel is released to the owner.

(2) Reimbursement for costs may be sought from an owner, or any person or entity that has incurred secondary liability under (((RCW 79.100.150)) this chapter or section 202 of this act, who is identified subsequent to the vessel's removal and disposal.

(3) If the full amount of all costs due to the authorized public entity under this chapter is not paid to the authorized public entity within thirty days after first notifying the responsible parties of the amounts owed, the authorized public entity or the department may bring an action in any court of competent jurisdiction to recover the costs, plus reasonable attorneys' fees and costs incurred by the authorized public entity.

Sec. 602. RCW 79.100.120 and 2013 c 291 s 32 are each amended to read as follows:

(1) (((A person)) (a) An owner or lien holder seeking to contest an authorized public entity's decision to take temporary possession or custody of a vessel under this chapter, or to contest the amount of reimbursement owed to an authorized public entity under this chapter, may request a hearing in accordance with this section.

(b) A transferor or other entity with secondary liability under this chapter or section 202 of this act may commence a lawsuit in the superior court for the county in which custody of the vessel was taken to contest the transferor's or other entity's liability or the amount of reimbursement owed the authorized public entity under this chapter.

(2)(a) If the contested decision or action was undertaken by a state agency, a written request for a hearing related to the decision or action must be filed with the pollution control hearings board and served on the state agency in accordance with RCW 43.21B.230 (2) and (3) within thirty days of the date the authorized public entity acquires custody of the vessel under RCW 79.100.040, or if the vessel is redeemed before the authorized public entity acquires custody, the date of redemption, or the right to a hearing is deemed waived and the vessel's owner is liable for any costs owed the authorized public entity. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

(b) Upon receipt of a timely hearing request, the pollution control hearings board shall proceed to hear and determine the validity of the decision to take the vessel into temporary possession or custody and the reasonableness of any towing, storage, or other charges permitted under this chapter. Within five business days after the request for a hearing is filed, the pollution control hearings board shall notify the vessel owner requesting the hearing and the authorized public entity of the date, time, and location for the hearing. Unless the vessel is redeemed before the request for hearing is filed, the pollution control hearings board shall set the hearing on a date that is within ten business days of the filing of the request for hearing. If the vessel is redeemed before the request for a hearing is filed, the pollution control hearings board shall set the hearing on a date that is within sixty days of the filing of the request for hearing.

(c) Consistent with RCW 43.21B.305, a proceeding brought under this subsection may be heard by one member of the pollution control hearings board, whose decision is the final decision of the board.

(3)(a) If the contested decision or action was undertaken by a metropolitan park district, port district, city, town, or county, which has adopted rules or procedures for contesting decisions or actions pertaining to derelict or abandoned vessels, those rules or procedures must be followed in order to contest a decision to take temporary possession or custody of a vessel, or to contest the amount of reimbursement owed.

(b) If the metropolitan park district, port district, city, town, or county has not adopted rules or procedures for contesting decisions or actions pertaining to derelict or abandoned vessels, then (((a person)) an owner or lien holder requesting a hearing under this section must follow the procedure established in subsection (2) of this section.

Sec. 603. RCW 79.100.100 and 2013 c 291 s 2 are each amended to read as follows:

(1)(a) The derelict vessel removal account is created in the state treasury. All receipts from RCW 79.100.050 and 79.100.060 and those moneys specified in RCW 88.02.640 must be deposited into the account. The account is authorized to receive fund transfers and appropriations from the general fund, deposits from the derelict vessel removal surcharge under RCW 88.02.640(4), deposits under section 402 of this act, as well as gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of this chapter and expend the same or any income according to the terms of the gifts, grants, or endowments provided those terms do not conflict with any provisions of this section or any guidelines developed to prioritize reimbursement of removal projects associated with this chapter.

(b) Moneys in the account may only be spent after appropriation. Expenditures from the account may only be used by the department for developing and administering the vessel turn-in program created in RCW 79.100.160 and to, except as provided in RCW 79.100.130 and section 203 of this act, reimburse authorized public entities for up to ninety percent of the total reasonable and auditable administrative, removal, disposal, and environmental damage costs of abandoned or derelict vessels when the previous owner is either unknown after a reasonable search effort or insolvent. Reimbursement may not be made unless the department determines that the public entity has made reasonable efforts to identify and locate the party responsible for the vessel, or any other person or entity that has incurred secondary liability (((under RCW 79.100.150)) for the vessel under this chapter or section 202 of this act, regardless of the title of owner of the vessel.

(c) Funds in the account resulting from transfers from the general fund or from the deposit of funds from the watercraft excise tax as provided for under RCW 82.49.030 must be used to reimburse one hundred percent of costs and should be prioritized for the removal of large vessels.

(d) Costs associated with the removal and disposal of an abandoned or derelict vessel under the authority granted in RCW 53.08.320 also qualify for reimbursement from the derelict vessel removal account.

(e) In each biennium, up to twenty percent of the expenditures from the derelict vessel removal account may be used for administrative expenses of the department of licensing and department of natural resources in implementing this chapter.

(2) Priority for use of this account is for the removal of derelict and abandoned vessels that are in danger of sinking, breaking up, or blocking navigation channels, or that present environmental risks such as leaking fuel or other hazardous substances. The department must develop criteria, in the form of informal guidelines, to prioritize removal projects associated with this chapter, but may not consider whether the applicant is a state or local entity when prioritizing. The guidelines must also include guidance to the authorized public entities as to what removal activities and associated costs are reasonable and eligible for reimbursement.

(3) The department must keep all authorized public entities apprised of the balance of the derelict vessel removal account and the funds available for reimbursement. The guidelines developed by the department must also be made available to the other authorized public entities. This subsection (3) must be satisfied by utilizing the least costly method, including maintaining the information on the department's internet web site, or any other cost-effective method.
FIFTY FOURTH DAY, MARCH 7, 2014

(4) An authorized public entity may contribute its ten percent of costs that are not eligible for reimbursement by using in-kind services, including the use of existing staff, equipment, and volunteers.

(5) This chapter does not guarantee reimbursement for an authorized public entity. Authorized public entities seeking certainty in reimbursement prior to taking action under this chapter may first notify the department of their proposed action and the estimated total costs. Upon notification by an authorized public entity, the department must make the authorized public entity aware of the status of the fund and the likelihood of reimbursement being available. The department may offer technical assistance and assure reimbursement for up to two years following the removal action if an assurance is appropriate given the balance of the fund and the details of the proposed action.

Sec. 604. RCW 79.100.010 and 2007 c 342 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandoned vessel" means a vessel that has been left, moored, or anchored in the same area without the express consent, or contrary to the rules of, the owner, manager, or lessee of the aquatic lands below or on which the vessel is located for either a period of more than thirty consecutive days or for more than a total of ninety days in any three hundred sixty-five-day period, and the vessel's owner is: (a) Not known or cannot be located; or (b) known and located but is unwilling to take control of the vessel.

"Vessel" includes any trailer used for the transportation of watercraft, or any attached floats or debris.

(8) "Ship" means every species of watercraft or other mobile artificial contrivance, powered or unpowered, intended to be used for transporting people or goods on water or for floating marine construction or repair and that exceeds two hundred feet in length.

Sec. 605. 2013 c 291 s 39 (uncodified) is amended to read as follows:

(1) By December 31, (2013) 2014, the department of natural resources shall adopt by rule initial procedures and standards for the vessel inspections required under ((section 38 of this act)) RCW 79.100.150. The procedures and standards must identify the public or private entities authorized to conduct inspections, the required elements of an inspection, and the manner in which inspection results must be documented. The vessel inspection required under this section must be designed to:

(a) Provide the transferee with current information about the condition of the vessel, including the condition of its hull and key operating systems, prior to the transfer;

(b) Provide the department of natural resources with information under (a) of this subsection for each applicable vessel and, more broadly, to improve the department's understanding of the condition of the larger, older boats in the state's waters;

(c) Discourage the future abandonment or dereliction of the vessel; and

(d) Maximize the efficiency and effectiveness of the inspection process, including with respect to the time and resources of the transferor, transferee, and the state.

Sec. 1. RCW 48.31B.005 and 1993 c 462 s 2 are each amended to read as follows:

((As used in this chapter, the following terms have the meanings set forth in this section, unless the context requires otherwise.)) The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(2) ((The term)) "Commissioner" means the insurance commissioner, the commissioner’s deputies, or the office of the

(3) "Control" means as follows:

(a) For a for-profit person, "control," including the terms "controlling," "controlled by," and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is presumed to exist if ((a)) any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in a manner similar to that provided by RCW 48.31B.025(11) that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

(b) For a nonprofit corporation organized under chapters 24.03 and 24.06 RCW, control exists if a person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing a majority of voting rights of the person or the power to elect or appoint a majority of the board of directors, trustees, or other governing body of the person, unless the power is the result of an official position of, or corporate office held by, the person; and

(5) "Insurance holding company system" means a system that consists of two or more affiliated persons, one or more of which is an insurer.

(((4) The term)) (6) "Insurer" (has the same meaning as set forth in RCW 48.01.050)) includes an insurer authorized under chapter 48.05 RCW, a fraternal mutual insurer or society holding a license under RCW 48.36A.290, a health care service contractor registered under chapter 48.44 RCW, a health maintenance organization registered under chapter 48.46 RCW, and a self-funded multiple employer welfare arrangement under chapter 48.125 RCW, as well as all persons engaged as, or purporting to be engaged as insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements in this state, and all persons in process of organization to become insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements, except it does not include agencies, authorities, or instrumentalities of the United States, its possessions and territories, the commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

(11) "Voting security" includes ((a)) any security convertible into or evidencing a right to acquire a voting security.

Sec. 2. RCW 48.31B.010 and 1993 c 462 s 3 are each amended to read as follows:

   (ii) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly therein. In applying the competitive standard in this subsection (4)(a)(ii) (of this subsection):
      (A) The informational requirements of RCW 48.31B.020(3)(a) and the standards of RCW 48.31B.020(4)(b) apply;

(b) The commissioner shall approve an exchange or other acquisition of control referred to in this section within sixty days after he or she declares the statement filed under this section to be complete and after holding a public hearing. At the hearing, the person filing the statement, the insurer, and any person whose significant interest is determined by the commissioner to be affected may present evidence, examine and cross-examine witnesses, and offer oral and written arguments and in connection therewith may conduct discovery proceedings in the same manner as is allowed in the superior court of this state. All discovery proceedings must be concluded not later than three days before the commencement of the public hearing.

(c) If the proposed acquisition of control will require the approval of more than one commissioner, the public hearing referred to in (b) of this subsection may be held on a consolidated basis upon request of the person filing the statement referred to in subsection (1) of this section. Such person shall file the statement referred to in subsection (1) of this section with the national association of insurance commissioners within five days of making the request for a public hearing. A commissioner may opt out of a consolidated hearing, and shall provide notice to the applicant of the opt out within ten days of the receipt of the statement referred to in subsection (1) of this section. A hearing conducted on a consolidated basis shall be public and shall be held within the United States before the commissioners of the states in which the insurers are domiciled. Such commissioners shall hear and receive evidence. A commissioner may attend such hearing, in person, or by telecommunication.

(e) The commissioner may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as may be reasonably necessary to assist the commissioner in reviewing the proposed acquisition of control. All reasonable costs of a hearing held under this section, as determined by the commissioner, including costs associated with the commissioner's use of investigatory, professional, and other necessary personnel, mailing of required notices and other information, and use of equipment or facilities, must be paid before issuance of the commissioner's order by the acquiring person.

(5) This section does not apply to:
   (a) (A) Any transaction that is subject to RCW 48.31.010, dealing with the merger or consolidation of two or more insurers;
   (b) An offer, request, invitation, agreement, or acquisition ((that)) which the commissioner by order ((has exempted from this section as ((1))) not) exempts as not having been made or entered into for the purpose and not having the effect of controlling the operation of an insurer, or (((ii))) as otherwise not comprehended within the purposes of this section;
   (c) If the proposed acquisition of control will result in the insurer being acquired by an out of state insurer authorized to do business in this state who files a statement with the commissioner under this section, and over all actions involving that person arising out of violations of this section, and each such person is deemed to have performed acts equivalent to and constituting an appointment by that person of the commissioner to be the person's true and lawful attorney upon whom may be served all lawful process in an action, suit, or proceeding arising out of violations of this section. Copies of all ((such)) lawful process ((shall)) must be served on the commissioner and transmitted by registered or certified mail by the commissioner to such person at the last known address.

Sec. 4. RCW 48.31B.020 and 1993 c 462 s 5 are each amended to read as follows:

(1) The following definitions ((in this subsection)) apply (only) for the purposes of this section (only):
   (a) "Acquisition" means (an) any agreement, arrangement, or activity which the consummation of which results in a person acquiring control of, divestiture of, or merger with, a domestic insurer or acquired, or is affiliated with an acquiring person.
   (b) An "involved insurer" includes an insurer which either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.

(2)(a) Except as exempted in (b) of this subsection, this section applies to any acquisition in which there is a change in control of an insurer authorized to do business in this state.

(b) This section does not apply to the following:
   (i) (An acquisition subject to approval or disapproval by the commissioner under RCW 48.31B.015);
   (ii) A purchase of securities solely for investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in this state. If a purchase of securities results in a presumption of control under RCW 48.31B.005((ii))) (2), it is not
solely for investment purposes unless the commissioner of the insurer's state of domicile accepts a disclaimer of control or affirmatively finds that control does not exist and the disclaimer action or affirmative finding is communicated by the domiciliary commissioner to the commissioner of this state;

(((i))) (ii) The acquisition of a person by another person when neither person is directly nor through affiliates primarily engaged in the business of insurance, if preacquisition notification is filed with the commissioner in accordance with subsection (3)(a) of this section sixty days (before) prior to the proposed effective date of the acquisition. However, the preacquisition notification is not required for exclusion from this section if the acquisition would otherwise be excluded from this section by this subsection (2)(b);

(((iii))) (iii) The acquisition of already affiliated persons;

(((iv))) (iv) An acquisition if, as an immediate result of the acquisition:

(A) In no market would the combined market share of the involved insurers exceed five percent of the total market;

(B) There would be no increase in any market share; or

(C) In no market would the:

(I) ((The)) Combined market share of the involved insurers exceed twelve percent of the total market; and

(II) ((The)) Market share increase by more than two percent of the total market.

For the purpose of this subsection (2)(b)((iv) of this subsection)) (iv), a (2)market((2)) means direct written insurance premium in this state for a line of business as contained in the annual statement required to be filed by insurers licensed to do business in this state;

(((v))) (v) An acquisition for which a preacquisition notification would be required under this section due solely to the resulting effect on the ocean marine insurance line of business;

(((vi))) (vi) An acquisition of an insurer whose domiciliary commissioner affirmatively finds((s)) that the insurer is in failing condition((s)), there is a lack of feasible alternative to improving such condition((s)), and the public benefits of improving the insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition; and the findings are communicated by the domiciliary commissioner to the commissioner of this state.

(3) An acquisition covered by subsection (2) of this section may be subject to an order under subsection (5) of this section unless the acquiring person files a preacquisition notification and the waiting period has expired. The acquired person may file a preacquisition notification.

(a) The preacquisition notification must be in such form and contain such information as prescribed by the national association of insurance commissioners relating to those markets that, under subsection (2)(b)(((i))) (iv) of this section, cause the acquisition not to be exempted from this section. The commissioner may require such additional material and information as he or she deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subsection (4) of this section. The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of the person indicating his or her ability to render an informed opinion.

(b) The waiting period required begins on the date the commissioner declares the preacquisition notification to be complete and ends on the earlier of the sixtieth day after the date of the declaration or the termination of the waiting period by the commissioner. ((Before)) Prior to the end of the waiting period, the commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition((— If additional information is required)), in which
(B) One of the insurers involved is one of the insurers in a grouping of such large insurers showing the requisite increase in the market share; and

(C) Another involved insurer’s market is two percent or more.

(iii) For the purposes of this subsection (4)(b) (of this subsection):

(A) (The term) "Insurer" includes (at a) any company or group of companies under common management, ownership, or control;

(B) (The term) "Market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, adopted by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this state, and the relevant geographical market is assumed to be this state.

(C) The burden of showing prima face evidence of violation of the competitive standard rests upon the commissioner.

(iv) Even though an acquisition is not prima facie violative of the competitive standard under (b)(i) and (ii) of this subsection, the commissioner may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under (b)(i) and (ii) of this subsection, a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under (of this subsection) this subsection include, but are not limited to, the following: Market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry and exit into the market.

(c) An order may not be entered under subsection (5)(a) of this section if:

(i) The acquisition will yield substantial economies of scale or economies in resource use that cannot be feasibly achieved in any other way, and the public benefits that would arise from the economies exceed the public benefits that would arise from not lessening competition; or

(ii) The acquisition will substantially increase the availability of insurance, and the public benefits of the increase exceed the public benefits that would arise from not lessening competition.

(5)(a)(i) If an acquisition violates the standards of this section, the commissioner may enter an order:

(A) Requiring an involved insurer to cease and desist from doing business in this state with respect to the line or lines of insurance involved in the violation; or

(B) Denying the application of an acquired or acquiring insurer for a license to do business in this state.

(ii) (The commissioner) Such an order may not (enter the order) be entered unless:

(A) There is a hearing;

(B) Notice of the hearing is issued (before) prior to the end of the waiting period and not less than fifteen days (before) prior to the hearing; and

(C) The hearing is concluded and the order is issued no later than sixty days after the (end of the waiting period) filing of the precollection notification with the commissioner.

(iii) Every order must be accompanied by a written decision of the commissioner setting forth (his or her) findings of fact and conclusions of law.

(iv) An order entered under this subsection (5)(a) (of this subsection) may not become final earlier than thirty days after it is issued, during which time the involved insurer may submit a plan to remedy the anticompetitive impact of the acquisition within a reasonable time. Based upon the plan or other information, the commissioner shall specify the conditions, if any, under the time period during which the aspects of the acquisition causing a violation of the standards of this section would be remedied and the order vacated or modified.

(5)(b) An order pursuant to this subsection (5)(a) (of this subsection) does not apply if the acquisition is not consummated.

(b) ((A)) Any person who violates a cease and desist order of the commissioner under (a) of this subsection and while the order is in effect, may, after notice and hearing and upon order of the commissioner, be subject at the discretion of the commissioner to one or more of the following:

(i) A monetary (penalty) fine of not more than ten thousand dollars for every day of violation; or

(ii) Suspension or revocation of the person’s license; or

(iii) Both (b)(i) and (b)(ii) of this subsection.

(c) ((An)) Any insurer or other person who fails to make a filing required by this section, who also fails to demonstrate a good faith effort to comply with the filing requirement, is subject to a civil penalty of not more than fifty thousand dollars.

(6) RCW 48.31B.045 (2) and (3) and 48.31B.050 do not apply to acquisitions covered under subsection (2) of this section.

Sec. 5. RCW 48.31B.025 and 2000 c 214 s 1 are each amended to read as follows:

(1) Every insurer that is authorized to do business in this state (of that) and is a member of an insurance holding company system shall register with the commissioner, except a foreign insurer subject to registration requirements and standards adopted by statute or regulation in the jurisdiction of its domicile that are substantially similar to those contained in:

(a) This section;

(b) RCW 48.31B.030 (1)(a), (2), and (3); and

(c) Either RCW 48.31B.030(1)(b) or a provision such as the following: Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions within fifteen days after the end of the month in which it learns of each change or addition.

(2) ((An)) Any insurer which is subject to registration under this section shall register within fifteen days after it becomes subject to registration, and annually thereafter by (May 15th) April 30th of each year for the previous calendar year, unless the commissioner for good cause shows extends the time for registration, and then within the extended time. The commissioner may require (an) any insurer authorized to do business in the state that is a member of a holding company system, (but that) and which is not subject to registration under this section, to furnish a copy of the registration statement, the summary specified in subsection (3) of this section, or other information filed by the insurance company with the insurance regulatory authority of its domiciliary jurisdiction.

(3) ((An)) Every insurer subject to registration shall file the registration statement on a form and in a format prescribed by the national association of insurance commissioners, containing the following current information:

(a) The capital structure, general financial condition, ownership, and management of the insurer and any person controlling the insurer;

(b) The identity and relationship of every member of the insurance holding company system;

(c) The following agreements in force, and transactions currently outstanding or that have occurred during the last calendar year between the insurer and its affiliates:

(i) Loans, other investments, or purchases, sales, or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;

(ii) Purchases, sales, or exchange of assets;
(iii) Transactions not in the ordinary course of business;
(iv) Guarantees or undertakings for the benefit of an affiliate that result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;
(v) All management agreements, service contracts, and cost-sharing arrangements;
(vi) Reinsurance agreements;
(vii) Dividends and other distributions to shareholders; and
(viii) Consolidated tax allocation agreements;
(d) Any pledge of the insurer's stock, including stock of subsidiary or controlling affiliate, for a loan made to a member of the insurance holding company system;
(e) If requested by the commissioner, the insurer must include financial statements of or within an insurance holding company system, including all affiliates. Financial statements may include but are not limited to annual audited financial statements filed with the United States securities and exchange commission pursuant to the securities act of 1933, as amended, or the securities exchange act of 1934, as amended. An insurer required to file financial statements pursuant to this subsection (2)(e) may satisfy the request by providing the commissioner with the most recently filed parent corporation financial statements that have been filed with the United States securities and exchange commission;
(f) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in registration forms adopted or approved by the commissioner;
(g) Statements that the insurer's board of directors oversees corporate governance and internal controls and that the insurer's officers or senior management have approved, implemented, and continue to maintain and monitor corporate governance and internal control procedures; and
(h) Any other information required by the commissioner by rule.

(3) All registration statements must contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.

(4) No information need be disclosed on the registration statement filed under subsection (2) of this section if the information is not material for the purposes of this section. Unless the commissioner by rule or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving one-half of one percent or less of an insurer's admitted assets as of (the 31st day of the previous) December 31st next preceding are not material for purposes of this section.

(5)(a) Subject to RCW 48.31B.030(2), each registered insurer shall report to the commissioner all dividends and other distributions to shareholders within five business days after their declaration and ((at least)) fifteen business days before payment, and shall provide the commissioner such other information as may be required by rule.

(b) If the commissioner determines that a registered insurer's surplus as regards policyholders is not reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the commissioner may order the registered insurer to limit or discontinue the payment of stockholder dividends until such time as the surplus is adequate.

(6) ((A)) Any person within an insurance holding company system subject to registration (shall) is required to provide complete and accurate information to an insurer, where the information is reasonably necessary to enable the insurer to comply with this chapter.

(7) The commissioner shall terminate the registration of an insurer that demonstrates that it no longer is a member of an insurance holding company system.

(8) The commissioner may require or allow two or more affiliated insurers subject to registration under this section to file a consolidated registration statement.

(9) The commissioner may allow an insurer authorized to do business in this state and which is part of an insurance holding company system to register on behalf of an affiliated insurer ((that)) which is required to register under subsection (1) of this section and to file all information and material required to be filed under this section.

(10) This section does not apply to an insurer, information, or transaction if and to the extent that the commissioner by rule or order exempts the insurer, information, or transaction from this section.

(11) ((A)) Any person may file with the commissioner a disclaimer of affiliation with ((an)) any authorized insurer, or ((an)) any insurer or ((a)) any member of ((an)) any insurance holding company system may file the disclaimer. The person making such a filing with the commissioner shall at the same time deliver a complete copy of the filing to each domestic insurer which is the subject of such filing. The disclaimer must fully disclose all material relationships and bases for affiliation between the person and the insurer as well as the basis for disclosing the affiliation. ((After a disclaimer has been filed, the insurer is relieved of any duty to register or report under this section that may arise out of the insurer's relationship with the person unless and until the commissioner disallows the disclaimer. The commissioner shall disallow the disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support the disallowance.))

(12) A disclaimer of affiliation is deemed to have been granted unless the commissioner, within thirty days following receipt of a complete disclaimer, notifies the filing party the disclaimer is disallowed. In the event of disallowance, the disclaiming party may request an administrative hearing, which shall be granted. The disclaiming party is relieved of its duty to register under this section if approval of the disclaimer has been granted by the commissioner, or if the disclaimer is deemed to have been approved.

(13) The failure to file a registration statement or ((a)) any summary of the registration statement or enterprise risk filing required by this section within the time specified for ((the)) filing is a violation of this section.

Sec. 6. RCW 48.31B.030 and 1993 c 462 s 7 are each amended to read as follows:

(1)(a) Transactions within ((an)) an insurance holding company system to which an insurer subject to registration is a party are subject to the following standards:
(i) The terms must be fair and reasonable;
(ii) Agreements for cost-sharing services and management must include such provisions as required by rule issued by the commissioner;
(iii) Charges or fees for services performed must be fair and reasonable;
(iv) Expenses incurred and payment received must be allocated to the insurer in conformity with customary insurance accounting practices consistently applied;
...the books, accounts, and records of each party to all such transactions must be so maintained as to clearly and accurately disclose the nature and details of the transactions(s) including such accounting information as is necessary to support the reasonableness of the charges or fees to the respective parties; and

(vii) The insurer's surplus regarding policyholders (after) following any dividends or distributions to shareholders or affiliates must be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(b) The following transactions involving a domestic insurer and a person in its insurance holding company system, including amendments or modifications of affiliate agreements previously filed pursuant to this section, which are subject to the materiality standards contained in this subsection, may not be entered into unless the insurer has notified the commissioner in writing of its intention to enter into the transaction and the commissioner declares the notice to be sufficient at least sixty days before, or such shorter period as the commissioner may permit, and the commissioner has not disapproved it within that period. The notice for amendments or modifications must include the reasons for the change and the financial impact on the domestic insurer. Informal notice must be reported, within thirty days after a termination of a previously filed agreement, to the commissioner for determination of the type of filing required, if any:

(i) Sales, purchases, exchanges, loans or extensions of credit, guarantees, or investments if the transactions are equal to or exceed:

(A) With respect to nonlife insurers and not including health care service contractors and health maintenance organizations, the lesser of three percent of the insurer's admitted assets or twenty-five percent of surplus as regards policyholders;

(B) With respect to life insurers, three percent of the insurer's admitted assets as of the 31st day of the previous December as of December 31st next preceding;

(C) With respect to health care service contractors and health maintenance organizations, the lesser of five percent of the insurer's admitted assets or twenty-five percent of its capital and surplus or net worth as of December 31st next preceding;

(ii) Loans or extensions of credit to any person who is not an affiliate, where the insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, an affiliate of the insurer making the loans or extensions of credit if the transactions are equal to or exceed:

(A) With respect to nonlife insurers and not including health care service contractors and health maintenance organizations, the lesser of three percent of the insurer's admitted assets or twenty-five percent of surplus as regards policyholders;

(B) With respect to life insurers, three percent of the insurer's admitted assets as of the 31st day of the previous December as of December 31st next preceding;

(C) With respect to health care service contractors and health maintenance organizations, the lesser of five percent of the insurer's admitted assets or twenty-five percent of its capital and surplus or net worth as of December 31st next preceding;

(iii) Reinsurance agreements or modifications (to them) thereto, including:

(A) All reinsurance pooling agreements;

(B) Agreements in which the reinsurance premium or a change in the insurer's liabilities, or the projected reinsurance premium or a change in the insurer's liabilities in any of the next three years, equals or exceeds five percent of the insurer's surplus as regards policyholders, as of (the 31st day of the previous) December 31st next preceding, including those agreements that may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one or more affiliates of the insurer;

(v) All management agreements, service contracts, tax allocation agreements, guarantees, and all cost-sharing arrangements;

(vi) Guarantees when made by a domestic insurer. However, a guarantee which is quantifiable as to amount is not subject to the notice requirements of this subsection (1)(b)(v) unless it exceeds the lesser of one-half of one percent of the insurer's admitted assets or ten percent of surplus as regards policyholders as of December 31st next preceding.

(c) A domestic insurer may make an extraordinary dividend or distribution to its shareholders or such stockholders as the commissioner may designate. Informal notice of any extraordinary dividend or distribution must be given at least thirty days before the dividend or distribution to the commissioner for determination of the type of filing required, if any:

(i) Ten percent of the ((company's)) insurer's surplus as regards policyholders or net worth as of ((the 31st day of the previous)) December next preceding; or

(ii) The net gain from operations of the ((company)) insurer, if the ((company)) insurer is a life insurance company, or the net income if the company is not a life insurance company, for the

...
twelve month period ending (the 31st day of the previous) December next preceding, but does not include pro rata distributions of any class of the (company's) insurer's own securities.

(c) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution that is conditional upon the commissioner's approval. The declaration confers no rights upon shareholders until: (i) the commissioner has approved the payment of the dividend or distribution; or (ii) the commissioner has not disapproved the payment within the thirty-day period referred to in (a) of this subsection.

(3) For purposes of this chapter, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, (may) must be considered:

(a) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;
(b) The extent to which the insurer's business is diversified among (these) several lines of insurance;
(c) The number and size of risks insured in each line of business;
(d) The extent of the geographical dispersion of the insurer's insured risks;
(e) The nature and extent of the insurer's reinsurance program;
(f) The quality, diversification, and liquidity of the insurer's investment portfolio;
(g) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders;
(h) The surplus as regards policyholders maintained by other comparable insurers;
(i) The adequacy of the insurer's reserves;
(j) The quality and liquidity of investments in affiliates. The commissioner may (discount) treat any such investment (or may treat any such investment) as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders when in (the or her) the judgment of the commissioner the investment so warrants; and
(k) The quality of the insurer's earnings and the extent to which the reported earnings include extraordinary items.

(4)(a) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer are not thereby relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer must be managed so as to assure its separate operating identity consistent with this title.

(b) This section does not preclude a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property, or services with one or more other persons under arrangements meeting the standards of subsection (1)(a) of this section.

(c) At least one-third of a domestic insurer's directors and at least one-third of the members of each committee of the insurer's board of directors must be persons who are not: (i) Officers or employees of the insurer or of any entity that controls, is controlled by, or is under common control with the insurer; or (ii) beneficial owners of a controlling interest in the voting stock of the insurer or any such entity. The committee or committees have responsibility for nominating candidates for director for election by shareholders or policyholders, evaluating the performance of officers deemed to be principal officers of the insurer, and recommending to the board of directors the selection and compensation of the principal officers.

(ii) For a nonprofit person, the board of directors of a domestic insurer shall establish one or more committees comprised solely of directors who are not officers or employees of the insurer or of any entity controlling, controlled by, or under common control with the insurer. The committee or committees have responsibility for nominating candidates for director for election, evaluating the performance of officers deemed to be principal officers of the insurer, and recommending to the board of directors the selection and compensation of the principal officers.

(e) The provisions of (c) and (d) of this subsection do not apply to a domestic insurer if the person controlling the insurer has a board of directors and committees thereof that meet the requirements of (c) and (d) of this subsection with respect to such controlling entity.

(f) An insurer may make application to the commissioner for a waiver from the requirements of this subsection, if the insurer's annual direct written and assumed premium, excluding premiums reinsured with the federal crop insurance corporation and federal flood program, is less than three hundred million dollars. An insurer may also make application to the commissioner for a waiver from the requirements of this subsection based upon unique circumstances. The commissioner may consider various factors including, but not limited to, the type of business entity, volume of business written, availability of qualified board members, or the ownership or organizational structure of the entity.

Sec. 7. RCW 48.31B.035 and 1993 c 462 s 8 are each amended to read as follows:

(1) Subject to the limitation contained in this section and in addition to the powers that the commissioner has under chapter 48.03 RCW relating to the examination of insurers, the commissioner (also may order an insurer registered under RCW 48.31B.025 to produce such records, books, or other information papers in the possession of the insurer or its affiliates as are reasonably necessary to ascertain the financial condition of the insurer or to determine compliance with this title. If the insurer fails to comply with the order, the commissioner may examine the affiliates to obtain the information) has the power to examine any insurer registered under RCW 48.31B.025 and its affiliates to ascertain the financial condition of the insurer, including the enterprise risk to the insurer by the ultimate controlling party, or by any entity or combination of entities within the insurance holding company system, or by the insurance holding company system on a consolidated basis.

(2)(a) The commissioner may order any insurer registered under RCW 48.31B.025 to produce information not in the possession of the insurer or its affiliates as are reasonably necessary to determine compliance with this title.

(b) To determine compliance with this title, the commissioner may order any insurer registered under RCW 48.31B.025 to produce information not in the possession of the insurer if the insurer can obtain access to such information pursuant to contractual relationships, statutory obligations, or other method. In the event the insurer cannot obtain the information requested by the commissioner, the insurer shall provide the commissioner a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of information. Whenever it appears to the commissioner that the detailed explanation is without merit, the commissioner may require, after notice and hearing, the insurer to pay a fine of ten thousand dollars for each day's delay, or may suspend or revoke the insurer's license.
The commissioner shall transfer the fine collected under this section to the state treasurer for deposit into the general fund.

(3) The commissioner may retain at the registered insurer's expense such attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as are reasonably necessary to assist in the conduct of the examination under subsection (1) of this section. Any persons so retained are under the direction and control of the commissioner and shall act in a purely advisory capacity.

(4) Notwithstanding the provisions under RCW 48.03.060, each registered insurer producing for examination records, books, and papers under subsection (1) of this section ((is liable for and (must) must pay the expense of the examination (in accordance with RCW 48.03.060)).

(5) In the event the insurer fails to comply with an order, the commissioner has the power to examine the affiliates to obtain the information. The commissioner also has the power to issue subpoenas, to administer oaths, and to examine under oath any person for purposes of determining compliance with this section. Upon the failure or refusal of any person to obey a subpoena, the commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order is punishable as contempt of court. Every person is required to attend as a witness at the place specified in the subpoena, when subpoenaed, anywhere within the state. Every person is entitled to the same fees and mileage, if claimed, as a witness as provided in RCW 48.03.070.

NEW SECTION. Sec. 8. A new section is added to chapter 48.31B RCW to read as follows:

(1) With respect to any insurer registered under RCW 48.31B.025, and in accordance with subsection (3) of this section, the commissioner has the power to participate in a supervisory college for any domestic insurer that is part of an insurance holding company system with international operations in order to determine compliance by the insurer with this title. The powers of the commissioner with respect to supervisory colleges include, but are not limited to, the following:

(a) Initiating the establishment of a supervisory college;
(b) Clarifying the membership and participation of other supervisors in the supervisory college;
(c) Clarifying the functions of the supervisory college and the role of other regulators, including the establishment of a group-wide supervisor;

(e) Establishing a crisis management plan.

(2) Each registered insurer subject to this section is liable for and must pay the reasonable expenses of the commissioner's participation in a supervisory college in accordance with subsection (3) of this section, including reasonable travel expenses. For purposes of this section, a supervisory college may be convened as either a temporary or permanent forum for communication and cooperation between the regulators charged with the supervision of the insurer or its affiliates, and the commissioner may establish a regular assessment to the insurer for the payment of these expenses.

(3) In order to assess the business strategy, financial position, legal and regulatory position, risk exposure, risk management, and governance processes, and as part of the examination of individual insurers in accordance with RCW 48.31B.035, the commissioner may participate in a supervisory college with other regulators charged with supervision of the insurer or its affiliates, including other state, federal, and international regulatory agencies. The commissioner may enter into agreements in accordance with section 9(3) of this act providing the basis for cooperation between the commissioner and the other regulatory agencies, and the activities of the supervisory college. This section does not delegate to the supervisory college the authority of the commissioner to regulate or supervise the insurer or its affiliates within its jurisdiction.

NEW SECTION. Sec. 9. A new section is added to chapter 48.31B RCW to read as follows:

(1) Documents, materials, or other information in the possession or control of the commissioner that are obtained by or disclosed to the commissioner or any other person in the course of an examination or investigation made pursuant to RCW 48.31B.035 and all information reported pursuant to RCW 48.31B.015(2)(l) and (m), 48.31B.025, 48.31B.030, and section 8 of this act are confidential by law and privileged, are not subject to chapter 42.56 RCW, are not subject to subpoena, and are not subject to discovery or admissible in evidence in any private civil action. However, the commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties. The commissioner shall not otherwise make the documents, materials, or other information public without the prior written consent of the insurer to which it pertains. The commissioner may publish all or any part of such information in such manner as is deemed appropriate if: (a) The commissioner, after giving the insurer and its affiliates who would be affected thereby notice and opportunity to be heard, determines that the interest of policyholders, shareholders, or the public is served by the publication thereof, and (b) the information is not protected under RCW 48.02.065.

(2) Neither the commissioner nor any person who received documents, materials, or other information while acting under the authority of the commissioner or with whom such documents, materials, or other information are shared pursuant to this chapter is permitted or may be required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (1) of this section.

(3) In order to assist in the performance of the commissioner's duties, the commissioner:

(b) Notwithstanding (a) of this subsection, may only share confidential and privileged documents, materials, or information reported pursuant to RCW 48.31B.025(12) with commissioners of states having statutes or rules substantially similar to subsection (1) of this section and who have agreed in writing not to disclose such information;
(c) May receive documents, materials, or information, including otherwise confidential and privileged documents, materials, or information from the national association of insurance commissioners and its affiliates and subsidiaries, the international association of insurance supervisors and the bank for international settlements and its affiliates and subsidiaries, and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material, or information received with notice or the understanding that it is confidential or privileged under the laws of...
the jurisdiction that is the source of the document, material, or information; and

(d) Shall enter into written agreements with the national association of insurance commissioners governing sharing and use of information provided pursuant to this chapter consistent with this subsection that shall:

(i) Specify procedures and protocols regarding the confidentiality and security of information shared with the national association of insurance commissioners and its affiliates and subsidiaries pursuant to this chapter, including procedures and protocols for sharing by the national association of insurance commissioners with other state, federal, or international regulators including the international association of insurance supervisors and the bank for international settlements and its affiliates and subsidiaries;

(ii) Specify that ownership of information shared with the national association of insurance commissioners and its affiliates and subsidiaries pursuant to this chapter remains with the commissioner and the national association of insurance commissioners' use of the information is subject to the direction of the commissioner;

(iii) Require prompt notice to be given to an insurer whose confidential information in the possession of the national association of insurance commissioners pursuant to this chapter is subject to a request or subpoena to the national association of insurance commissioners for disclosure or production; and

(iv) Require the national association of insurance commissioners and its affiliates and subsidiaries to consent to intervention by an insurer in any judicial or administrative action in which the national association of insurance commissioners and its affiliates and subsidiaries may be required to disclose confidential information about the insurer shared with the national association of insurance commissioners and its affiliates and subsidiaries pursuant to this chapter.

(4) The sharing of information by the commissioner pursuant to this chapter does not constitute a delegation of regulatory authority or rule making, and the commissioner is solely responsible for the administration, execution, and enforcement of this chapter.

(5) No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in subsection (3) of this section.

(6) Documents, materials, or other information in the possession or control of the national association of insurance commissioners pursuant to this chapter are confidential by law and privileged, are not subject to chapter 42.56 RCW, are not subject to subpoena, and are not subject to discovery or admissible in evidence in any private civil action.

Sec. 10. RCW 48.31B.040 and 1993 c 462 s 9 are each amended to read as follows:

The commissioner may, ((upon notice and opportunity for all interested persons to be heard, adopt rules and issue orders that are necessary to carry out)) in accordance with the administrative procedure act, chapter 34.05 RCW, adopt rules interpreting and implementing this chapter.

Sec. 11. RCW 48.31B.050 and 1993 c 462 s 11 are each amended to read as follows:

(1) The commissioner shall require, after notice and hearing, an insurer failing, without just cause, to file a registration statement as required in this chapter, to pay a penalty of not more than ten thousand dollars per day. The maximum penalty under this section is one million dollars. The commissioner may reduce the penalty if the insurer demonstrates to the commissioner that the imposition of the penalty would constitute a financial hardship to the insurer. The commissioner shall pay a fine collected under this section to the state treasurer for the account of the general fund.

(2) Every director or officer of an insurance holding company system who knowingly violates this chapter, or participates in, or assents to, or who knowingly permits an officer or agent of the insurer to engage in transactions or make investments that have not been properly reported or submitted under RCW 48.31B.025(1) or 48.31B.030(1)(b) or (2), or that violate this chapter, shall, pay, in their individual capacity, a civil forfeiture of not more than ten thousand dollars per violation, after notice and hearing before the commissioner. In determining the amount of the civil forfeiture, the commissioner shall take into account the appropriateness of the forfeiture with respect to the gravity of the violation, the history of previous violations, and such other matters as justice may require.

(3) Whenever it appears to the commissioner that an insurer subject to this chapter or a director, officer, employee, or agent of the insurer has engaged in a transaction or entered into a contract that is subject to RCW 48.31B.030 and that would not have been approved had approval been requested, the commissioner may order the insurer to cease and desist immediately any further activity under that transaction or contract. After notice and hearing the commissioner may also order the insurer to void any such contracts and restore the status quo if that action is in the best interest of the policyholders, creditors, or the public.

(4) Whenever it appears to the commissioner that an insurer or a director, officer, employee, or agent of the insurer has committed a willful violation of this chapter, the commissioner may refer the matter to the prosecuting attorney of Thurston county or the county in which the principal office of the insurer is located. An insurer that willfully violates this chapter may be fined not more than one million dollars. Any individual who willfully violates this chapter may be fined in his or her individual capacity not more than ten thousand dollars, or be imprisoned for not more than three years, or both.

(5) An officer, director, or employee of an insurance holding company system who willfully and knowingly subscribes to or makes or causes to be made a false statement or false filing with the intent to deceive the commissioner in the performance of his or her duties under this chapter, upon conviction thereof, shall be imprisoned for not more than three years or fined not more than ten thousand dollars or both. The officer, director, or employee upon whom the fine is imposed shall pay the fine in his or her individual capacity.

NEW SECTION. Sec. 22. PURPOSE AND SCOPE. (1) The purpose of this chapter is to provide the requirements for maintaining a risk management framework and completing an own risk and solvency assessment and provide guidance and instructions for filing an ORSA summary report with the insurance commissioner of this state.  
(2) The requirements of this chapter apply to all insurers domiciled in this state unless exempt pursuant to section 27 of this act.  
(3) The legislature finds and declares that the ORSA summary report contains confidential and sensitive information related to an insurer or insurance group's identification of risks material and relevant to the insurer or insurance group filing the report. This information includes proprietary and trade secret information that has the potential for harm and competitive disadvantage to the insurer or insurance group if the information is made public. It is the intent of this legislature that the ORSA summary report is a confidential document filed with the commissioner, that the ORSA summary report may be shared only as stated in this chapter and to assist the commissioner in the performance of his or her duties, and that in no event may the ORSA summary report be subject to public disclosure.
NEW SECTION. Sec. 22. Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Insurance group" means, for the purposes of conducting an ORSA, those insurers and affiliates included within an insurance holding company system as defined in RCW 48.31B.005.

(2) "Insurer" includes an insurer authorized under chapter 48.05 RCW, a fraternal mutual insurer or society holding a license under RCW 48.36A.290, a health care service contractor registered under chapter 48.44 RCW, a health maintenance organization registered under chapter 48.46 RCW, and a self-funded multiple employer welfare arrangement under chapter 48.125 RCW, as well as all persons engaged as, or purporting to be engaged as, insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements in this state, and to persons in process of organization to become insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements in this state, and to persons in process of organization to become insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements, except that it does not include agencies, authorities, or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

(3) "Own risk and solvency assessment" or "ORSA" means a confidential internal assessment, appropriate to the nature, scale, and complexity of an insurer or insurance group, conducted by that insurer or insurance group of the material and relevant risks associated with the insurer or insurance group's current business plan, and the sufficiency of capital resources to support those risks.

(4) "ORSA guidance manual" means the own risk and solvency assessment guidance manual developed and adopted by the national association of insurance commissioners.

(5) "ORSA summary report" means a confidential high-level ORSA summary of an insurer or insurance group.

NEW SECTION. Sec. 23. Risk Management Framework. An insurer shall maintain a risk management framework to assist the insurer with identifying, assessing, monitoring, managing, and reporting on its material and relevant risks. This requirement is satisfied if the insurance group of which the insurer is a member maintains a risk management framework applicable to the operations of the insurer.

NEW SECTION. Sec. 24. ORSA Requirement. Subject to section 27 of this act, an insurer, or the insurance group of which the insurer is a member, shall regularly conduct an ORSA consistent with a process comparable to the ORSA guidance manual. The ORSA must be conducted annually but also at any time when there are significant changes to the risk profile of the insurer or the insurance group of which the insurer is a member.

NEW SECTION. Sec. 25. ORSA Summary Report. (1) Upon the commissioner's request, and no more than once each year, an insurer shall submit to the commissioner an ORSA summary report or any combination of reports that together contain the information described in the ORSA guidance manual, applicable to the insurer or the insurance group of which it is a member. Notwithstanding any request from the commissioner, if the insurer is a member of an insurance group, the insurer shall submit the report or set of reports required by this subsection if the commissioner is the lead state commissioner of the insurance group as determined by the procedures within the financial analysis handbook adopted by the national association of insurance commissioners.

(2) The report shall include a signature of the insurer or insurance group's chief risk officer or other executive having responsibility for the oversight of the insurer's enterprise risk management process attesting to the best of his or her belief and knowledge that the insurer applies the enterprise risk management process described in the ORSA summary report and that a copy of the report has been provided to the insurer's board of directors or the appropriate governing committee.

(3) An insurer may comply with subsection (1) of this section by providing the most recent and substantially similar report or reports provided by the insurer or another member of an insurance group of which the insurer is a member to the commissioner of another state or to a supervisor or regulator of a foreign jurisdiction, if that report provides information that is comparable to the information described in the ORSA guidance manual. Any such report in a language other than English must be accompanied by a translation of that report into the English language.

NEW SECTION. Sec. 26. ORSA Summary Report. (1) An insurer is exempt from the requirements of this section, if:

(a) The insurer has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premium reinsured with the federal crop insurance corporation and federal flood program, less than five hundred million dollars; and

(b) The insurance group of which the insurer is a member has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premium reinsured with the federal crop insurance corporation and federal flood program, less than one billion dollars.

(2) If an insurer qualifies for exemption pursuant to subsection (1)(a) of this section, but the insurance group of which the insurer is a member does not qualify for exemption pursuant to subsection (1)(b) of this section, then the ORSA summary report that may be required pursuant to section 26 of this act must include every insurer within the insurance group. This requirement is satisfied by the submission of more than one ORSA summary report for any combination of insurers, provided any combination of reports includes every insurer within the insurance group.

(3) If an insurer does not qualify for exemption pursuant to subsection (1)(a) of this section, but the insurance group of which the insurer is a member does qualify for exemption pursuant to subsection (1)(b) of this section, then the only ORSA summary report that may be required pursuant to section 26 of this act is the report applicable to that insurer.

(4) If an insurer does not qualify for exemption pursuant to subsection (1)(a) of this section, the insurer may apply to the commissioner for a waiver from the requirements of this chapter based upon unique circumstances. In deciding whether to grant the insurer's request for waiver, the commissioner may consider the type and volume of business written, ownership and organizational structure, and any other factor the commissioner considers relevant to the insurer or insurance group of which the insurer is a member. If the insurer is a part of an insurance group with insurers domiciled in more than one state, the commissioner shall coordinate with the lead state commissioner and with the other domiciliary commissioners in considering whether to grant the insurer's request for a waiver.

(5) Notwithstanding the exemptions stated in this section, the commissioner may require that an insurer maintain a risk management framework, conduct an ORSA, and file an ORSA summary report (a) based on unique circumstances including, but not limited to, the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests; and (b) if the insurer has risk-based capital at the company action level event as set forth in RCW 48.05.440 or 48.43.310, meets one or more of the standards of an insurer deemed to be in hazardous financial condition as defined in WAC 284-16-310, or otherwise exhibits qualities of a troubled insurer as determined by the commissioner.
(6) If an insurer that qualifies for exemption pursuant to subsection (1)(a) of this section subsequently no longer qualifies for that exemption due to changes in premium reflected in the insurer's most recent annual statement or in the most recent annual statements of the insurers within the insurance group of which the insurer is a member, the insurer has one year following the year the threshold is exceeded to comply with the requirement of this chapter.

NEW SECTION. Sec. 28. CONTENTS OF ORSA SUMMARY REPORT. (1) The ORSA summary report shall be prepared consistent with the ORSA guidance manual, subject to the requirements of subsection (2) of this section. Documentation and supporting information must be maintained and made available upon examination or upon the request of the commissioner.

(2) The review of the ORSA summary report, and any additional requests for information, must be made using similar procedures currently used in the analysis and examination of multistate or global insurers and insurance groups.

NEW SECTION. Sec. 29. CONFIDENTIAL TREATMENT. (1) Documents, materials, or other information, including the ORSA summary report, in the possession or control of the commissioner that are obtained by, created by, or disclosed to the commissioner or any other person under this chapter, is recognized by this state as being proprietary and to contain trade secrets. All such documents, materials, or other information is confidential by law and privileged, is not subject to chapter 42.56 RCW, is not subject to subpoena, and is not subject to discovery or admissible in evidence in any private civil action. However, the commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties. The commissioner may not otherwise make the documents, materials, or other information public without the prior written consent of the insurer.

(2) Neither the commissioner nor any person who received documents, materials, or other ORSA-related information, through examination or otherwise, while acting under the authority of the commissioner or with whom such documents, materials, or other information are shared pursuant to this chapter, is permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (1) of this section.

The agreement must provide that the recipient agrees in writing to maintain the confidentiality and privileged status of the ORSA-related documents, materials, or other information and has verified in writing the legal authority to maintain confidentiality;

(d) Shall specify that ownership of information shared with the national association of insurance commissioners or third-party consultants pursuant to this chapter remains with the commissioner and the national association of insurance commissioners or a third-party consultant's use of the information is subject to the direction of the commissioner;

(e) Shall prohibit the national association of insurance commissioners or third-party consultant from storing the information shared pursuant to this chapter in a permanent database after the underlying analysis is completed;

(f) Shall require prompt notice to be given to an insurer whose confidential information in the possession of the national association of insurance commissioners or a third-party consultant pursuant to this chapter is subject to a request or subpoena to the national association of insurance commissioners for disclosure or production;

(g) Shall require the national association of insurance commissioners and its affiliates and subsidiaries to consent to intervention by an insurer in any judicial or administrative action in which the national association of insurance commissioners and its affiliates and subsidiaries may be required to disclose confidential information about the insurer shared with the national association of insurance commissioners and its affiliates and subsidiaries pursuant to this chapter; and

(h) In the case of an agreement involving a third-party consultant, shall provide the insurer's written consent.

(4) The sharing of information by the commissioner pursuant to this chapter shall not constitute a delegation of regulatory authority or rule making, and the commissioner is solely responsible for the administration, execution, and enforcement of the provisions of this chapter.

(5) A waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall not occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in this chapter.

If ((a)) any partner, member, or person is a corporation((i)) or the person required to file the statement referred to in subsection (1) of this section is a corporation, the commissioner may require that the information called for by (a) through (((i))) (n) of this subsection ((shall)) be given with respect to the corporation, each officer and director of the corporation, and each person who is directly or indirectly the beneficial owner of more than ten percent of the outstanding voting securities of the corporation((i));

(p) If ((a)) any material change occurs in the facts set forth in the statement filed with the commissioner and sent to the insurer under this section, an amendment setting forth the change, together with copies of all documents and other material relevant to the change, must be filed with the commissioner and sent to the insurer within two business days after the person learns of the change.

(3) If ((aa)) any offer, request, invitation, agreement, or acquisition referred to in subsection (1) of this section is proposed to be made by means of a registration statement under the securities act of 1933 or in circumstances requiring the disclosure of similar information under the securities exchange act of 1934, or under a state law requiring similar registration or disclosure, the person required to file the statement referred to in subsection (1) of this section may ((use those)) utilize the documents in furnishing the information called for by that statement.

4(a) The commissioner shall approve a merger or other acquisition of control referred to in subsection (1) of this section unless, after a public hearing thereon, he or she finds that:

(i) After the change of control, the domestic insurer referred to in subsection (1) of this section would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

(ii) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly therein. In applying the competitive standard in this subsection (4)(a)(ii) ((of this subsection)):

(A) The informational requirements of RCW 48.31B.020(3)(a) and the standards of RCW 48.31B.020(4)(b) apply;

(v) The competence, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

(vi) The acquisition is likely to be hazardous or prejudicial to the insurance-buying public;

(b) The commissioner shall approve an exchange or other acquisition of control referred to in this section within sixty days after he or she declares the statement filed under this section to be complete and after holding a public hearing. At the hearing, the person filing the statement, the insurer, and any person whose significant interest is determined by the commissioner to be affected may present evidence, examine and cross-examine witnesses, and offer oral and written arguments and in connection therewith may conduct discovery proceedings in the same manner as is allowed in the superior court of this state. All discovery proceedings must be concluded not later than three days before the commencement of the public hearing.

(c) If the proposed acquisition of control will require the approval of more than one commissioner, the public hearing referred to in (b) of this subsection may be held on a consolidated basis upon request of the person filing the statement referred to in subsection (1) of this section. Such person shall file the statement referred to in subsection (1) of this section with the national association of insurance commissioners within five days of making the request for a public hearing. A commissioner may opt out of a consolidated hearing, and shall provide notice to the applicant of the option out within ten days of the receipt of the statement referred to in subsection (1) of this section. A hearing conducted on a consolidated basis shall be public and shall be held within the United States before the commissioners of the states in which the insurers are domiciled. Such commissioners shall hear and receive evidence. A commissioner may attend such hearing, in person, or by telecommunication.

(d) In connection with a change of control of a domestic insurer, any determination by the commissioner that the person acquiring control of the insurer shall be required to maintain or restore the capital of the insurer to the level required by the laws and rules of this state shall be made not later than sixty days after the date of notification of the change in control submitted pursuant to subsection (1)(a) of this section.

(e) The commissioner may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as may be reasonably necessary to assist the commissioner in reviewing the proposed acquisition of control. All reasonable costs of a hearing held under this section, as determined by the commissioner, including costs associated with the commissioner's use of investigatory, professional, and other necessary personnel, mailing of required notices and other information, and use of equipment or facilities, must be paid before issuance of the commissioner's order by the acquiring person.

5 This section does not apply to:

(a) ((AA)) Any transaction that is subject to RCW 48.31.010, dealing with the merger or consolidation of two or more insurers;

(b) An offer, request, invitation, agreement, or acquisition ((that)) which the commissioner by order ((has exempted from this section as ((Not))) exempts as not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer, or ((was)) otherwise not comprehended within the purposes of this section.

(6) The following are violations of this section:

(a) The failure to file a statement, amendment, or other material required to be filed under subsection (1) or (2) of this section; or

(b) The effectuation or an attempt to effectuate an acquisition of control of, divestiture of, or merger with, a domestic insurer unless the commissioner has given approval thereto.

(7) The courts of this state ((have)) are hereby vested with jurisdiction over every person not resident, domiciled, or authorized to do business in this state who files a statement with the commissioner under this section, and over all actions involving that person arising out of violations of this section, and each such person is deemed to have performed acts equivalent to and constituting an appointment by that person of the commissioner to be the person's true and lawful attorney upon whom may be served all lawful
process in an action, suit, or proceeding arising out of violations of this section. Copies of all lawful process must be served on the commissioner and transmitted by registered or certified mail by the commissioner to such person at the person's last known address.

Sec. 4. RCW 48.31B.020 and 1993 c 462 s 5 are each amended to read as follows:

(1) The following definitions (in this subsection) apply (only) for the purposes of this section:

(a) "Acquisition" means (an) agreement, arrangement, or activity the consummation of which in a person acquiring directly or indirectly the control of another person, and includes but is not limited to the acquisition of voting securities, the acquisition of assets, bulk reinsurance, and mergers.

(b) An "involved insurer" includes an insurer which either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.

(2) Except as exempted in (b) of this subsection, this section applies to any acquisition in which there is a change in control of an insurer authorized to do business in this state.

(b) This section does not apply to the following:

(i) An acquisition subject to approval or disapproval by the commissioner under RCW 48.31B.015;

(ii) A purchase of securities solely for investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in this state. If a purchase of securities results in a presumption of control under RCW 48.31B.005((ii))), it is not solely for investment purposes unless the commissioner of the insurer's state of domicile accepts a disclaimer of opinion of an economist as to the competitive impact of the acquisition.

(c) The acquisition of an insurer whose sale is the result of a merger.

(d) An "involved insurer" includes an insurer which either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.

(3) An acquisition covered by subsection (2) of this section may be subject to an order under subsection (5) of this section unless the acquiring person files a preacquisition notification and the waiting period has expired. The acquired person may file a preacquisition notification.

(a) The preacquisition notification must be in such form and contain such information as prescribed by the national association of insurance commissioners relating to those markets that, under subsection (2)b((iv)), of this section, cause the acquisition not to be exempted from this section. The commissioner may require such additional material and information as he or she deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subsection (4) of this section. The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of the person indicating his or her ability to render an informed opinion.

(b) The waiting period required begins on the date the commissioner declares the preacquisition notification to be complete and ends on the earlier of the sixthieth day after the date of the declaration or the termination of the waiting period by the commissioner.

((Before)) Prior to the end of the waiting period, the commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition. If additional information is required, in which event the waiting period ends on the earlier of the sixtieth day after the commissioner declares he or she has received receipt of the additional information by the commissioner or the termination of the waiting period by the commissioner.

(4) (a) The commissioner may enter an order under subsection (5) of this section with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be substantially to lessen competition in a line of insurance in this state or tend to create a monopoly therein or if the insurer fails to file adequate information in compliance with subsection (3) of this section.

(b) In determining whether a proposed acquisition would violate the competitive standard of (a) of this subsection, the commissioner shall consider the following:

(i) An acquisition covered under subsection (2) of this section involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standards as follows:

(A) If the market is highly concentrated and the involved insurers possess the following shares of the market:

<table>
<thead>
<tr>
<th>Insurer A</th>
<th>Insurer B</th>
</tr>
</thead>
<tbody>
<tr>
<td>4%</td>
<td>4% or more</td>
</tr>
<tr>
<td>10%</td>
<td>2% or more</td>
</tr>
<tr>
<td>15%</td>
<td>1% or more; or</td>
</tr>
</tbody>
</table>

(B) If the market is not highly concentrated and the involved insurers possess the following shares of the market:

<table>
<thead>
<tr>
<th>Insurer A</th>
<th>Insurer B</th>
</tr>
</thead>
<tbody>
<tr>
<td>5%</td>
<td>5% or more</td>
</tr>
</tbody>
</table>
A highly concentrated market is one in which the share of the four largest insurers is seventy-five percent or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than two insurers are involved, exceeding the total of the two columns in the table is prima facie evidence of violation of the competitive standard in (a) of this subsection. For the purpose of this subsection (4)(b)(i) (of this subsection), the insurer with the largest share of the market is Insurer A.

(ii) There is a significant trend toward increased concentration when the aggregate market share of a grouping of the largest insurers in the market, from the two largest to the eight largest, has increased by seven percent or more of the market over a period of time extending from a base year five to ten years before the acquisition up to the time of the acquisition. An acquisition or merger covered under subsection (2) of this section involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in (a) of this subsection if:

(A) There is a significant trend toward increased concentration in the market;

(B) One of the insurers involved is one of the insurers in a grouping of such large insurers showing the requisite increase in the market share; and

(C) Another involved insurer’s market is two percent or more.

(iii) For the purposes of this subsection (4)(b) (of this subsection):

(A) ((The term)) “Insurer” includes ((a)) any company or group of companies under common management, ownership, or control;

(B) ((The term)) “Market” means the relevant product and geographical markets. In determining the relevant product and geographical markets, the commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, adopted by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this state, and the relevant geographical market is assumed to be this state;

(C) The burden of showing prima facie evidence of violation of the competitive standard rests upon the commissioner.

(iv) Even though an acquisition is not prima facie violative of the competitive standard under (b)(i) and (ii) of this subsection, the commissioner may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under (b)(i) and (ii) of this subsection, a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under ((the term)) this subsection include, but are not limited to, the following: Market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry and exit into the market.

(c) An order may not be entered under subsection (5)(a) of this section if:

(i) The acquisition will yield substantial economies of scale or economies in resource use that cannot be feasibly achieved in any other way, and the public benefits that would arise from the economies exceed the public benefits that would arise from not lessening competition; or

(ii) The acquisition will substantially increase the availability of insurance, and the public benefits of the increase exceed the public benefits that would arise from not lessening competition.

(5)(a)(i) If an acquisition violates the standards of this section, the commissioner may enter an order:

(A) Requiring an involved insurer to cease and desist from doing business in this state with respect to the line or lines of insurance involved in the violation; or

(B) Denying the application of an acquired or acquiring insurer for a license to do business in this state.

(ii) (((The commissioner)) Such an order may not ((enter the order)) be entered unless:

(A) There is a hearing;

(B) Notice of the hearing is issued ((before)) prior to the end of the waiting period and not less than fifteen days ((before)) prior to the hearing; and

(C) The hearing is concluded and the order is issued no later than sixty days after the ((end of the waiting period)) filing of the preacquisition notification with the commissioner.

(iii) Every order must be accompanied by a written decision of the commissioner setting forth ((this or her)) findings of fact and conclusions of law.

(((iv))) (v) An order entered under this subsection (5)(a) (of this subsection) may not become final earlier than thirty days after it is issued, during which time the involved insurer may submit a plan to remedy the anticompetitive impact of the acquisition within a reasonable time. Based upon the plan or other information, the commissioner shall specify the conditions, if any, under the time period during which the aspects of the acquisition causing a violation of the standards of this section would be remedied and the order vacated or modified.

(((v))) (vi) An order pursuant to this subsection (5)(a) (of this subsection) does not apply if the acquisition is not consummated.

(b) ((A)) Any person who violates a cease and desist order of the commissioner under (a) of this subsection and while the order is in effect, may, after notice and hearing and upon order of the commissioner, be subject at the discretion of the commissioner to:

(i) A monetary ((penalty)) fine of not more than ten thousand dollars for every day of violation; or

(ii) Suspension or revocation of the person’s license; or

(iii) Both (b)(i) and (b)(ii) of this subsection.

(c) ((An)) Any insurer or other person who fails to make a filing required by this section, and who also fails to demonstrate a good faith effort to comply with the filing requirement, is subject to a civil penalty of not more than fifty thousand dollars.

(6) RCW 48.31B.045 (2) and (3) and 48.31B.050 do not apply to acquisitions covered under subsection (2) of this section.

Sec. 5. RCW 48.31B.025 and 2000 c 214 s 1 are each amended to read as follows:

1. Every insurer that is authorized to do business in this state ((that)) and is a member of an insurance holding company system shall register with the commissioner, except a foreign insurer subject to registration requirements and standards adopted by statute or regulation in the jurisdiction of its domicile that are substantially similar to those contained in:

(a) This section;

(b) RCW 48.31B.030 (1)(a), (2), and (3); and

(c) Either RCW 48.31B.030(1)(b) or a provision such as the following: Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions within fifteen days after the end of the month in which it learns of each change or addition.
(An) Any insurer which is subject to registration under this section shall register within fifteen days after it becomes subject to registration, and annually thereafter by (May 15th) April 30th of each year for the previous calendar year, unless the commissioner for good cause shown extends the time for registration, and then within the extended time. The commissioner may require (an) any insurer authorized to do business in the state that is a member of a holding company system, (but that) and which is not subject to registration under this section, to furnish a copy of the registration statement, the summary specified in subsection (3) of this section, or other information filed by the insurance company with the insurance regulatory authority of its domiciliary jurisdiction.

(2) ((An)) Every insurer subject to registration shall file the registration statement on a form and in a format prescribed by the national association of insurance commissioners, containing the following current information:

(a) The capital structure, general financial condition, ownership, and management of the insurer and any person controlling the insurer;
(b) The identity and relationship of every member of the insurance holding company system;
(c) The following agreements in force, and transactions currently outstanding or that have occurred during the last calendar year between the insurer and its affiliates:
(i) Loans, other investments, or purchases, sales, or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;
(ii) Purchases, sales, or exchange of assets;
(iii) Transactions not in the ordinary course of business;
(iv) Guarantees or undertakings for the benefit of an affiliate that result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;
(v) All management agreements, service contracts, and cost-sharing arrangements;
(vi) Reinsurance agreements;
(vii) Dividends and other distributions to shareholders; and
(viii) Consolidated tax allocation agreements;
(d) Any pledge of the insurer's stock, including stock of subsidiary or controlling affiliate, for a loan made to a member of the insurance holding company system;
(e) If requested by the commissioner, the insurer must include financial statements of or within an insurance holding company system, including all affiliates. Financial statements may include but are not limited to annual audited financial statements filed with the United States securities and exchange commission pursuant to the securities act of 1933, as amended, or the securities exchange act of 1934, as amended. An insurer required to file financial statements pursuant to this subsection (2)(e) may satisfy the request by providing the commissioner with the most recently filed parent corporation financial statements that have been filed with the United States securities and exchange commission;
(f) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in registration forms adopted or approved by the commissioner;
(g) Statements that the insurer's board of directors oversees corporate governance and internal controls and that the insurer's officers or senior management have approved, implemented, and continue to maintain and monitor corporate governance and internal control procedures; and
(h) Any other information required by the commissioner by rule.

(3) All registration statements must contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.

(4) No information need be disclosed on the registration statement filed under subsection (2) of this section if the information is not material for the purposes of this section. Unless the commissioner by rule or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving one-half of one percent or less of an insurer's admitted assets as of (the 31st day of the previous) December 31st next preceding are not material for purposes of this section.

(5)(a) Subject to RCW 48.31B.030(2), each registered insurer shall report to the commissioner all dividends and other distributions to shareholders within five business days after their declaration and ((at least)) fifteen business days before payment, and shall provide the commissioner such other information as may be required by rule.

(b) If the commissioner determines that a registered insurer's surplus as regards policyholders is not reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the commissioner may order the registered insurance company to limit or discontinue the payment of stockholder dividends until such time the surplus is adequate.

(6) ((An)) Any person within an insurance holding company system subject to registration ((shall)) is required to provide complete and accurate information to an insurer, where the information is reasonably necessary to enable the insurer to comply with this chapter.

(7) The commissioner shall terminate the registration of an insurer that demonstrates that it no longer is a member of an insurance holding company system.

(8) The commissioner may require or allow two or more affiliated insurers subject to registration under this section to file a consolidated registration statement.

(9) The commissioner may allow an insurer authorized to do business in this state and which is part of an insurance holding company system to register on behalf of an affiliated insurer ((that)) which is required to register under subsection (1) of this section and to file all information and material required to be filed under this section.

(10) This section does not apply to an insurer, information, or transaction if and to the extent that the commissioner by rule or order exempts the insurer, information, or transaction from this section.

(11) ((A)) Any person may file with the commissioner a disclaimer of affiliation with (an) any authorized insurer, or (an) any insurer or (A) any member of (an) any insurance holding company system may file the disclaimer. The person making such a filing with the commissioner shall at the same time deliver a complete copy of the filing to each domestic insurer which is the subject of such filing. The disclaimer may fully disclose all material relationships and bases for affiliation between the person and the insurer as well as the basis for claiming the affiliation.

(12) The ultimate controlling person of every insurer subject to
registration shall also file an annual enterprise risk report. The report must, to the best of the ultimate controlling person's knowledge and belief, identify the material risks within the insurance holding company system that could pose enterprise risk to the insurer. The report must be filed with the lead state commissioner of the insurance holding company system as determined by the procedures within the financial analysis handbook adopted by the national association of insurance commissioners.

(13) The failure to file a registration statement or (a) any summary of the registration statement or enterprise risk filing required by this section within the time specified for ((the)) filing is a violation of this section.

Sec. 6. RCW 48.31B.030 and 1993 c 462 s 7 are each amended to read as follows:

(1)(a) Transactions within ((a)) an insurance holding company system to which an insurer subject to registration is a party are subject to the following standards:

(i) The terms must be fair and reasonable;

(ii) Agreements for cost-sharing services and management must include such provisions as required by rule issued by the commissioner;

(iii) Charges or fees for services performed must be fair and reasonable;

((iv))) (iv) Expenses incurred and payment received must be allocated to the insurer in conformity with customary insurance accounting practices consistently applied;

((v))) (v) The books, accounts, and records of each party to all such transactions must be so maintained as to clearly and accurately disclose the nature and details of the transactions((a)) including such accounting information as is necessary to support the reasonableness of the charges or fees to the respective parties; and

((vi))) (vi) The insurer's surplus regarding policyholders (after) following any dividends or distributions to shareholders or affiliates must be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(b) The following transactions involving a domestic insurer and a person in its insurance holding company system, including amendments or modifications of affiliate agreements previously filed pursuant to this section, which are subject to the materiality standards contained in this subsection, may not be entered into unless the insurer has notified the commissioner in writing of its intention to enter into the transaction and the commissioner declares the notice to be sufficient at least sixty days before, or such shorter period as the commissioner may permit, and the commissioner has not disapproved it within that period. The notice for amendments or modifications must include the reasons for the change and the financial impact on the domestic insurer. Informal notice must be reported, within thirty days after a termination of a previously filed agreement, to the commissioner for determination of the type of filing required, if any:

(i) Sales, purchases, exchanges, loans or extensions of credit, guarantees, or investments if the transactions are equal to or exceed:

(A) With respect to nonlife insurers and not including health care service contractors and health maintenance organizations, the lesser of three percent of the insurer's admitted assets or twenty-five percent of surplus as regards policyholders;

(B) With respect to life insurers, three percent of the insurer's admitted assets((; each as of the 31st day of the previous December)) as of December 31st next preceding;

(C) With respect to health care service contractors and health maintenance organizations, the lesser of five percent of the insurer's admitted assets or twenty-five percent of its capital and surplus or net worth as of December 31st next preceding:

(ii) Loans or extensions of credit to any person who is not an affiliate, where the insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, an affiliate of the insurer making the loans or extensions of credit if the transactions are equal to or exceed:

(A) With respect to nonlife insurers and not including health care service contractors and health maintenance organizations, the lesser of three percent of the insurer's admitted assets or twenty-five percent of surplus as regards policyholders;

(B) With respect to life insurers, three percent of the insurer's admitted assets((; each as of the 31st day of the previous December)) as of December 31st next preceding;

(C) With respect to health care service contractors and health maintenance organizations, the lesser of five percent of the insurer's admitted assets or twenty-five percent of its capital and surplus or net worth as of December 31st next preceding:

(iii) Reinsurance agreements or modifications ((to them)) thereto, including:

(A) All reinsurance pooling agreements;

(B) Agreements in which the reinsurance premium or a change in the insurer's liabilities, or the projected reinsurance premium or a change in the insurer's liabilities in any of the next three years, equals or exceeds five percent of the insurer's surplus as regards policyholders, as of ((the 31st day of the previous December)) December 31st next preceding, including those agreements that may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one or more affiliates of the insurer;

(iv) All management agreements, service contracts, tax allocation agreements, guarantees, and all cost-sharing arrangements; ((and))

(v) Guarantees when made by a domestic insurer. However, a guarantee which is quantifiable as to amount is not subject to the notice requirements of this subsection (1)(b)(v) unless it exceeds the lesser of one-half of one percent of the insurer's admitted assets or ten percent of surplus as regards policyholders as of December 31st next preceding. Further, all guarantees which are not quantifiable as to amount are subject to the notice requirements of this subsection (1)(b)(v);

(vi) Direct or indirect acquisitions or investments in a person that controls the insurer or in an affiliate of the insurer in an amount which, together with its present holdings in such investments, exceeds two and one-half percent of the insurer's surplus to policyholders. Direct or indirect acquisitions or investments in subsidiaries acquired or authorized pursuant to chapter 48.13 RCW, or in nonsubsidiary insurance affiliates that are subject to this chapter, are exempt from this requirement; and

(vii) Any material transactions, specified by rule, ((that)) which the commissioner determines may adversely affect the interests of the insurer's policyholders.

((Nothing contained in this section authorizes or permits a)) This subsection does not authorize or permit any transaction ((that)) which, in the case of an insurer not a member of the same insurance holding company system, would be otherwise contrary to law.

(c) A domestic insurer may not enter into transactions ((that)) which are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise. If the commissioner determines that the separate transactions were entered into over ((a)) any twelve-month period for that purpose, the
commissioner may apply for an order as described in RCW 48.31B.045(1).

(d) The commissioner, in reviewing transactions under (b) of this subsection, (shall) must consider whether the transactions comply with the standards set forth in (a) of this subsection and whether they may adversely affect the interests of policyholders.

(e) The commissioner (shall) must be notified within thirty days of an investment of the domestic insurer in any one corporation if the total investment in the corporation by the insurance holding company system exceeds ten percent of the corporation's voting securities.

(2)(a) (No)) A domestic insurer may not pay an extraordinary dividend or make any other extraordinary distribution to its shareholders until(((((the 31st day of the preceding December)))) thirty days after the commissioner declares that he or she has received sufficient notice of the declaration thereof and has not within that period disapproved the payment((s)) or (((i))) until the commissioner has approved the payment within the thirty-day period.

(b) For purposes of this section, an extraordinary dividend or distribution is (ca) any dividend or distribution of cash or other property, whose fair market value((s)) together with that of other dividends or distributions made within the ((period of)) preceding twelve (annual) months ((ending on the date on which the proposed dividend is scheduled for payment or distribution)) exceeds the greater of:

(i) Ten percent of the ((company's)) insurer's surplus as regards policyholders or net worth as of ((the 31st day of the preceding December next preceding)) or

(ii) The net gain from operations of the ((company)) insurer, if the ((company)) insurer is a life insurance company, or the net income if the company is not a life insurance company, for the twelve month period ending ((the 31st day of the preceding December next preceding)) but does not include pro rata distributions of any class of the ((company's)) insurer's own securities.

(c) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution that is conditional upon the commissioner's approval. The declaration confers no rights upon shareholders until: (i) The commissioner has approved the payment of the dividend or distribution; or (ii) the commissioner has not disapproved the payment within the thirty-day period referred to in (a) of this subsection.

(3) For purposes of this chapter, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, (may) must be considered:

(a) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;
(b) The extent to which the insurer's business is diversified among (the) several lines of insurance;
(c) The number and size of risks insured in each line of business;
(d) The extent of the geographical dispersion of the insurer's insured risks;
(e) The quality, diversification, and liquidity of the insurer's investment portfolio;
(f) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders;
(h) The surplus as regards policyholders maintained by other comparable insurers;
(i) The adequacy of the insurer's reserves;
(j) The quality and liquidity of investments in affiliates. The commissioner may (discount) treat any such investment (or may treat any such investment) as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in (his or her) the judgment of the commissioner the investment so warrants; and
(k) The quality of the insurer's earnings and the extent to which the reported earnings include extraordinary items.

(4)(a) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer are not thereby relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer must be managed so as to assure its separate operating identity consistent with this title.

(b) This section does not preclude a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property, or services with one or more other persons under arrangements meeting the standards of subsection (1)(a) of this section.

(c) At least one-third of a domestic insurer's directors and at least one-third of the members of each committee of the insurer's board of directors must be persons who are not: (i) Officers or employees of the insurer or of any entity that controls, is controlled by, or is under common control with the insurer; or (ii) beneficial owners of a controlling interest in the voting securities of the insurer or of an entity that controls, is controlled by, or is under common control with the insurer. A quorum for transacting business at a meeting of the insurer's board of directors or any committee of the board of directors must include at least one person with the qualifications described in (a) of this subsection.

(d)(i) For a for-profit person, the board of directors of a domestic insurer shall establish one or more committees comprised solely of directors who are not officers or employees of the insurer or of any entity controlling, controlled by, or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or any such entity. The committee or committees have responsibility for nominating candidates for director for election by shareholders or policyholders, evaluating the performance of officers deemed to be principal officers of the insurer, and recommending to the board of directors the selection and compensation of the principal officers.

(ii) For a nonprofit person, the board of directors of a domestic insurer shall establish one or more committees comprised solely of directors who are not officers or employees of the insurer or of any entity controlling, controlled by, or under common control with the insurer. The committee or committees have responsibility for nominating candidates for director for election, evaluating the performance of officers deemed to be principal officers of the insurer, and recommending to the board of directors the selection and compensation of the principal officers.

(e) The provisions of (c) and (d) of this subsection do not apply to a domestic insurer if the person controlling the insurer has a board of directors and committees thereof that meet the requirements of (c) and (d) of this subsection with respect to such controlling entity.

(f) An insurer may make application to the commissioner for a waiver from the requirements of this subsection, if the insurer's annual direct written and assumed premium, excluding premiums reinsured with the federal crop insurance corporation and federal flood program, is less than three hundred million dollars. An insurer may also make application to the commissioner for a waiver from the requirements of this subsection based upon unique circumstances. The commissioner may consider various factors including, but not limited to, the type of business entity, volume of business written, availability of qualified board members, or the ownership or organizational structure of the entity.
48.31B.025 to produce such records, books, or other information papers in the possession of the insurer or its affiliates as are reasonably necessary to ascertain the financial condition of the insurer or to determine compliance with this title. The commissioner has the power to examine any insurer registered under RCW 48.31B.025 and its affiliates to ascertain the financial condition of the insurer, including the enterprise risk to the insurer by the ultimate controlling party, or by any entity or combination of entities within the insurance holding company system, or by the insurance holding company system on a consolidated basis.

(2)(a) The commissioner may order any insurer registered under RCW 48.31B.025 to produce such records, books, or other information papers in the possession of the insurer or its affiliates as are reasonably necessary to determine compliance with this title.

(b) To determine compliance with this title, the commissioner may order any insurer registered under RCW 48.31B.025 to produce information not in the possession of the insurer if the insurer can obtain access to such information pursuant to contractual relationships, statutory obligations, or other method. In the event the insurer cannot obtain the information requested by the commissioner, the insurer shall provide the commissioner a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of information. Whenever it appears to the commissioner that the detailed explanation is without merit, the commissioner may require, after notice and hearing, the insurer to pay a fine of ten thousand dollars for each day’s delay, or may suspend or revoke the insurer’s license. The commissioner shall transfer the fine collected under this section to the state treasurer for deposit into the general fund.

(3) The commissioner may retain at the registered insurer’s expense such attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner’s staff as are reasonably necessary to assist in the conduct of the examination under subsection (1) of this section. Any persons so retained are under the direction and control of the commissioner and shall act in a purely advisory capacity.

(4) Notwithstanding the provisions under RCW 48.03.060, each registered insurer producing for examination records, books, and papers under subsection (1) of this section is liable for and must pay the expense of the examination in accordance with RCW 48.03.060).

(5) In the event the insurer fails to comply with an order, the commissioner has the power to examine the affiliates to obtain the information. The commissioner also has the power to issue subpoenas, to administer oaths, and to examine under oath any person for purposes of determining compliance with this section. Upon the failure or refusal of any person to obey a subpoena, the commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order is punishable as contempt of court. Every person is entitled to the same fees and mileage, if claimed, as a witness as provided in RCW 48.03.070.

(2) Each registered insurer subject to this section is liable for and must pay the reasonable expenses of the commissioner’s participation in a supervisory college in accordance with subsection (3) of this section, including reasonable travel expenses. For purposes of this section, a supervisory college may be convened as either a temporary or permanent forum for communication and cooperation between the regulators charged with the supervision of the insurer or its affiliates, and the commissioner may establish a regular assessment to the insurer for the payment of these expenses.

(3) In order to assess the business strategy, financial position, legal and regulatory position, risk exposure, risk management, and governance processes, and as part of the examination of individual insurers in accordance with RCW 48.31B.035, the commissioner may participate in a supervisory college with other regulators charged with supervision of the insurer or its affiliates, including other state, federal, and international regulatory agencies. The commissioner may enter into agreements in accordance with section 9(3) of this act providing the basis for cooperation between the commissioner and the other regulatory agencies, and the activities of the supervisory college. This section does not delegate to the supervisory college the authority of the commissioner to regulate or supervise the insurer or its affiliates within its jurisdiction.

NEW SECTION. Sec. 9. A new section is added to chapter 48.31B RCW to read as follows:

(vi) The arbitration decision shall be in writing and must set forth findings of fact and conclusions of law that support the decision.

(vii) Notwithstanding the provisions under RCW 7.04A.280, the arbitration decision shall be binding on all parties and shall not be appealable.

**Sec. 11.** RCW 48.31B.050 and 1993 c 462 s 11 are each amended to read as follows:

(1) The commissioner shall require, after notice and hearing, an insurer failing, without just cause, to file a registration statement as required in this chapter, to pay a penalty of not more than ten thousand dollars per day. The maximum penalty under this section is one million dollars. The commissioner may reduce the penalty if the insurer demonstrates to the commissioner that the imposition of the penalty would constitute a financial hardship to the insurer. The commissioner shall pay a fine collected under this section to the state treasurer for the account of the general fund.

(2) Every director or officer of an insurance holding company system who knowingly violates this chapter, or participates in, or assents to, or who knowingly permits an officer or agent of the insurer to engage in transactions or make investments that have not been properly reported or submitted under RCW 48.31B.025(1) or 48.31B.030(1)(b) or (2), or that violate this chapter, shall pay, in their individual capacity, a civil forfeiture of not more than ten thousand dollars per violation, after notice and hearing before the commissioner. In determining the amount of the civil forfeiture, the commissioner shall take into account the appropriateness of the forfeiture with respect to the gravity of the violation, the history of previous violations, and such other matters as justice may require.

(3) Whenever it appears to the commissioner that an insurer subject to this chapter or a director, officer, employee, or agent of the insurer has engaged in a transaction or entered into a contract that is subject to RCW 48.31B.030 and that would not have been approved had approval been requested, the commissioner may order the insurer to cease and desist immediately any further activity under that transaction or contract. After notice and hearing the commissioner may also order the insurer to void any such contracts and restore the status quo if that action is in the best interest of the policyholders, creditors, or the public.

(4) Whenever it appears to the commissioner that an insurer or a director, officer, employee, or agent of the insurer has committed a willful violation of this chapter, the commissioner may refer the matter to the prosecuting attorney of Thurston county or the county in which the principal office of the insurer is located. An insurer that willfully violates this chapter may be fined not more than one million dollars. Any individual who willfully violates this chapter may be fined in his or her individual capacity not more than ten thousand dollars, or be imprisoned for not more than three years, or both.

The officer, director, or employee upon whom the fine is imposed shall pay the fine in his or her individual capacity.

(6) Whenever it appears to the commissioner that any person has committed a violation of RCW 48.31B.015 and which prevents the full understanding of the enterprise risk to the insurer by affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under an order of supervision in accordance with RCW 48.31.400.

**Sec. 12.** RCW 48.31B.070 and 1993 c 462 s 15 are each amended to read as follows:

The confidentiality and privilege created by this section and RCW 42.56.400((9))) (8) applies only to the commissioner, any person acting under the authority of the commissioner, the national association of insurance commissioners and its affiliates and subsidiaries, regulatory and law enforcement officials of other states and nations, the federal government, and international authorities.

(2) Neither the commissioner nor any person who received documents, materials, or other information while acting under the authority of the commissioner is permitted or required to testify in any private civil action concerning any confidential and privileged documents, materials, or information subject to subsection (1) of this section.

(3) The commissioner:

(a) May share documents, materials, or other information, including the confidential and privileged documents, materials, or information subject to subsection (1) of this section, with (i) the national association of insurance commissioners and its affiliates and subsidiaries, and (ii) regulatory and law enforcement officials of other states and nations, the federal government, and international authorities, if the recipient agrees to maintain the confidentiality and privileged status of the document, material, or other information;

(c) May enter into agreements governing the sharing and use of information consistent with this subsection.

(4) No waiver of an existing privilege or claim of confidentiality in the documents, materials, or information may occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in subsection (3) of this section.

(5) Documents, materials, or information, which is either confidential or privileged, or both, which has been provided to the commissioner by (a) the national association of insurance commissioners and its affiliates and subsidiaries, (b) regulatory or law enforcement officials of other states and nations, the federal government, or international authorities, or (c) agencies of this state, is confidential and privileged only if the documents, materials, or information is protected from disclosure by the applicable laws of the jurisdiction that is the source of the document, material, or information.

The commissioner shall notify a party that produced the documents, materials, or information five business days before disclosure in connection with an agency action. The notified party may seek injunctive relief in any Washington state superior court to prevent disclosure of any documents, materials, or information it believes is confidential or privileged. (i) The documents, materials, or information are otherwise privileged or exempted from public disclosure; or

(ii) The commissioner finds that the public interest in disclosure of the documents, materials, or information is outweighed by the public interest in nondisclosure in that particular instance.

(8) Any person may petition a Washington state superior court to allow inspection of information exempt from public disclosure under subsection (6) of this section when the information is connected to allegations of negligence or malfeasance by the commissioner related to a financial or market conduct examination. The court shall conduct an in-camera review after notifying the commissioner and every party that produced the information. The court may order the commissioner to allow the petitioner to have access to the information provided the petitioner maintains the confidentiality of the information. The petitioner must not disclose the information to any other person, except upon further order of the court. After conducting a regular hearing, the court may order that the information can be disclosed publicly if the court finds that there is a public interest in the disclosure of the information and the exemption of the information from public disclosure is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

The purpose of this chapter is to provide the requirements for maintaining a risk management framework and completing an own risk and solvency assessment and provide guidance and instructions for filing an ORSA summary report with the insurance commissioner of this state.

The requirements of this chapter apply to all insurers domiciled in this state unless exempt pursuant to section 27 of this act.

The legislature finds and declares that the ORSA summary report contains confidential and sensitive information related to an insurer or insurance group's identification of risks material and relevant to the insurer or insurance group filing the report. This information includes proprietary and trade secret information that has the potential for harm and competitive disadvantage to the insurer or insurance group if the information is made public. It is the intent of this legislature that the ORSA summary report is a confidential document filed with the commissioner, that the ORSA summary report may be shared only as stated in this chapter and to assist the commissioner in the performance of his or her duties, and that in no event may the ORSA summary report be subject to public disclosure.

NEW SECTION. Sec. 21. The following acts or parts of acts are each amended to read as follows:
(1) "Insurance group" means, for the purposes of conducting an ORSA, those insurers and affiliates included within an insurance holding company system as defined in RCW 48.31B.005.
(2) "Insurance carrier" includes an insurer authorized under chapter 48.05 RCW, a fraternal mutual insurer or society holding a license under RCW 48.36A.290, a health care service contractor registered under chapter 48.44 RCW, a health maintenance organization registered under chapter 48.46 RCW, and a self-funded multiple employer welfare arrangement under chapter 48.125 RCW, as well as all persons engaged as or purporting to be engaged as insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements in this state, and to persons in process of organization to become insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements in this state, and to persons in process of organization to become insurers, fraternal benefit societies, health care service contractors, health maintenance organizations, or self-funded multiple employer welfare arrangements, except that it does not include agencies, authorities, or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.
(3) "Own risk and solvency assessment" or "ORSA" means a confidential internal assessment, appropriate to the nature, scale, and complexity of an insurer or insurance group, conducted by that insurer or insurance group of the material and relevant risks associated with the insurer or insurance group's current business plan, and the sufficiency of capital resources to support those risks.
(4) "ORSA guidance manual" means the own risk and solvency assessment guidance manual developed and adopted by the national association of insurance commissioners.
(5) "ORSA summary report" means a confidential high-level ORSA summary of an insurer or insurance group.

NEW SECTION. Sec. 22. PURPOSE AND SCOPE. The purpose of this chapter is to provide the requirements for
time when there are significant changes to the risk profile of the insurer or the insurance group of which the insurer is a member.

NEW SECTION. Sec. 26. ORSA SUMMARY REPORT. (1) Upon the commissioner's request, and no more than once each year, an insurer shall submit to the commissioner an ORSA summary report or any combination of reports that together contain the information described in the ORSA guidance manual, applicable to the insurer or the insurance group of which it is a member. Notwithstanding any request from the commissioner, if the insurer is a member of an insurance group, the insurer shall submit the report or set of reports required by this subsection if the commissioner is the lead state commissioner of the insurance group as determined by the procedures within the financial analysis handbook adopted by the national association of insurance commissioners.

(2) The report shall include a signature of the insurer or insurance group's chief risk officer or other executive having responsibility for the oversight of the insurer's enterprise risk management process attesting to the best of his or her belief and knowledge that the insurer applies the enterprise risk management process described in the ORSA summary report and that a copy of the report has been provided to the insurer's board of directors or the appropriate governing committee.

(3) An insurer may comply with subsection (1) of this section by providing the most recent and substantially similar report or reports provided by the insurer or another member of an insurance group of which the insurer is a member to the commissioner of another state or to a supervisor or regulator of a foreign jurisdiction, if that report provides information that is comparable to the information described in the ORSA guidance manual. Any such report in a language other than English must be accompanied by a translation of that report into the English language.

NEW SECTION. Sec. 27. EXEMPTIONS. (1) An insurer is exempt from the requirements of this chapter, if:

(a) The insurer has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premium reinsured with the federal crop insurance corporation and federal flood program, less than five hundred million dollars; and

(b) The insurance group of which the insurer is a member has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premium reinsured with the federal crop insurance corporation and federal flood program, less than one billion dollars.

(2) If an insurer qualifies for exemption pursuant to subsection (1)(a) of this section, but the insurance group of which the insurer is a member does not qualify for exemption pursuant to subsection (1)(b) of this section, then the ORSA summary report that may be required pursuant to section 26 of this act must include every insurer within the insurance group. This requirement is satisfied by the submission of more than one ORSA summary report for any combination of insurers, provided any combination of reports includes every insurer within the insurance group.

(3) If an insurer does not qualify for exemption pursuant to subsection (1)(a) of this section, but the insurance group of which the insurer is a member does qualify for exemption pursuant to subsection (1)(b) of this section, then the only ORSA summary report that may be required pursuant to section 26 of this act is the report applicable to that insurer.

(4) If an insurer does not qualify for exemption pursuant to subsection (1)(a) of this section, the insurer may apply to the commissioner for a waiver from the requirements of this chapter based upon unique circumstances. In deciding whether to grant the insurer's request for waiver, the commissioner may consider the type and volume of business written, ownership and organizational structure, and any other factor the commissioner considers relevant to the insurer or insurance group of which the insurer is a member.

If the insurer is a part of an insurance group with insurers domiciled in more than one state, the commissioner shall coordinate with the lead state commissioner and with the other domiciliary commissioners in considering whether to grant the insurer's request for a waiver.

(5) Notwithstanding the exemptions stated in this section, the commissioner may require that an insurer maintain a risk management framework, conduct an ORSA, and file an ORSA summary report (a) based on unique circumstances including, but not limited to, the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests; and (b) if the insurer has risk-based capital at the company action level event as set forth in RCW 48.05.440 or 48.43.310, meets one or more of the standards of an insurer deemed to be in hazardous financial condition as defined in WAC 284-16-310, or otherwise exhibits qualities of a troubled insurer as determined by the commissioner.

(6) If an insurer that qualifies for exemption pursuant to subsection (1)(a) of this section subsequently no longer qualifies for that exemption due to changes in premium reflected in the insurer's most recent annual statement or in the most recent annual statements of the insurers within the insurance group of which the insurer is a member, the insurer has one year following the year the threshold is exceeded to comply with the requirement of this chapter.

NEW SECTION. Sec. 28. CONTENTS OF ORSA SUMMARY REPORT. (1) The ORSA summary report shall be prepared consistent with the ORSA guidance manual, subject to the requirements of subsection (2) of this section. Documentation and supporting information must be maintained and made available upon examination or upon the request of the commissioner.

(2) The review of the ORSA summary report, and any additional requests for information, must be made using similar procedures currently used in the analysis and examination of multistate or global insurers and insurance groups.

All such documents, materials, or other information is confidential by law and privileged, is not subject to chapter 42.56 RCW, is not subject to subpoena, and is not subject to discovery or admissible in evidence in any private civil action. However, the commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties. The commissioner may not otherwise make the documents, materials, or other information public without the prior written consent of the insurer.

(2) Neither the commissioner nor any person who received documents, materials, or other ORSA-related information, through examination or otherwise, while acting under the authority of the commissioner or with whom such documents, materials, or other information are shared pursuant to this chapter, is permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (1) of this section.

The agreement must provide that the recipient agrees in writing to maintain the confidentiality and privileged status of the ORSA-related documents, materials, or other information and has verified in writing the legal authority to maintain confidentiality;

(d) Shall specify that ownership of information shared with the national association of insurance commissioners or third-party consultants pursuant to this chapter remains with the commissioner and the national association of insurance commissioners' or a third-party consultant's use of the information is subject to the direction of the commissioner;

(e) Shall prohibit the national association of insurance commissioners or third-party consultant from storing the information shared pursuant to this chapter in a permanent database after the underlying analysis is completed;

(f) Shall require prompt notice to be given to an insurer whose confidential information in the possession of the national association of insurance commissioners or a third-party consultant pursuant to this chapter is subject to a request or subpoena to the national association of insurance commissioners for disclosure or production;

(g) Shall require the national association of insurance commissioners and its affiliates and subsidiaries to consent to intervention by an insurer in any judicial or administrative action in which the national association of insurance commissioners and its affiliates and subsidiaries may be required to disclose confidential information about the insurer shared with the national association of insurance commissioners and its affiliates and subsidiaries pursuant to this chapter; and

(h) In the case of an agreement involving a third-party consultant, shall provide the insurer's written consent.

(4) The sharing of information by the commissioner pursuant to this chapter shall not constitute a delegation of regulatory authority or rule making, and the commissioner is solely responsible for the administration, execution, and enforcement of the provisions of this chapter.

(5) A waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall not occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in this chapter.

The maximum fine under this section is one hundred thousand dollars. The commissioner may reduce the fine if the insurer demonstrates to the commissioner that the imposition of the fine would constitute a financial hardship to the insurer.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature intends to clarify and update the description of farm and agricultural land as it is used under the property tax open space program. Modern technology and water quality and labor regulations have all caused nurseries to increasingly grow plants in containers rather than in the ground. Growing plants in containers preserves topsoil, allows more plants to be grown per acre, allows soil and nutrients to be customized for each type of plant, allows more efficient use of water and fertilizer, allows year round harvest and sales, and reduces labor cost and injuries.

Sec. 2. RCW 84.34.020 and 2011 c 101 s 1 are each amended to read as follows:

((As used in this chapter, unless a different meaning is required by the context)) The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Open space land" means (a) any land area so designated by an official comprehensive land use plan adopted by any city or county and zoned accordingly, or (b) any land area, the preservation of which in its present use would (i) conserve and enhance natural or scenic resources, or (ii) protect streams or water supply, or (iii) promote conservation of soils, wetlands, beaches or tidal marshes, or (iv) enhance the value to the public of abutting or neighboring parks, forests, wildlife preserves, nature reservations or sanctuaries or other open space, or (v) enhance recreation opportunities, or (vi) preserve historic sites, or (vii) preserve visual quality along highway, road, and street corridors or scenic vistas, or (viii) retain in its natural state tracts of land not less than one acre situated in an urban area and open to public use on such conditions as may be reasonably required by the legislative body granting the open space classification, or (c) any land meeting the definition of farm and agricultural conservation land under subsection (8) of this section. As a condition of granting open space classification, the legislative body may not require public access on land classified under (b)(iii) of this subsection for the purpose of promoting conservation of wetlands.

(2) "Farm and agricultural land" means:

(a) Any parcel of land that is twenty or more acres or multiple parcels of land that are contiguous and total twenty or more acres:

(i) Devoted primarily to the production of livestock or agricultural commodities for commercial purposes;

(ii) Enrolled in the federal conservation reserve program or its successor administered by the United States department of agriculture; or

(iii) Other similar commercial activities as may be established by rule;

(b)(i) Any parcel of land that is five acres or more but less than twenty acres devoted primarily to agricultural uses, which has produced a gross income from agricultural uses equivalent to, as of January 1, 1993:

(A) One hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for classification under this subsection is made with the granting authority prior to January 1, 1993; and

(B) On or after January 1, 1993, two hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter;

(ii) For the purposes of (b)(i) of this subsection, "gross income from agricultural uses" includes, but is not limited to, the wholesale value of agricultural products donated to nonprofit food banks or feeding programs;

(c) Any parcel of land of less than five acres devoted primarily to agricultural uses which has produced a gross income as of January 1, 1993, of:

(i) One thousand dollars or more per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for
classification under this subsection is made with the granting authority prior to January 1, 1993; and

(ii) On or after January 1, 1993, fifteen hundred dollars or more per year for three of the five calendar years preceding the date of application for classification under this chapter. Parcels of land described in (b)(i)(A) and (c)(i) of this subsection, and that is reclassified under subsection (2)(h), in addition to any contiguous land classified under this subsection, is less than twenty acres, it must meet the applicable income or investment requirements in (b), (c), or (d) of this subsection.

(3) "Timber land" means any parcel of land that is five or more acres or multiple parcels of land that are contiguous and total five or more acres which is or are devoted primarily to the growth and harvesting of timber but no more than ten percent of the land may be used for such incidental uses. It also includes the land on which appurtenances necessary for the production, preparation, or sale of the timber products exist in conjunction with land producing these products.

(A) Managed as part of a single operation; and

(II) Legal entities that are wholly owned by members of the same family; or

(III) An individual who owns at least one of the parcels and a legal entity or entities that own the other parcel or parcels if the entity or entities are wholly owned by that individual, members of his or her family, or that individual and members of his or her family.

(ii) "Family" includes only:

(A) An individual and his or her spouse or domestic partner, child, stepchild, adopted child, grandchild, parent, stepparent, grandparent, cousin, or sibling;

(B) The spouse or domestic partner of an individual's child, stepchild, adopted child, grandchild, parent, stepparent, grandparent, cousin, or sibling;

(C) A child, stepchild, adopted child, grandchild, parent, stepparent, grandparent, cousin, or sibling of the individual's spouse or the individual's domestic partner; and

(D) The spouse or domestic partner of any individual described in (b)(ii)(C) of this subsection (6).

(7) "Granting authority" means the appropriate agency or official who acts on an application for classification of land pursuant to this chapter.

(8) "Farm and agricultural conservation land" means either:

(a) Land that was previously classified under subsection (2) of this section, that no longer meets the criteria of subsection (2) of this section, and that is reclassified under subsection (1) of this section; or

(b) Land that is traditional farmland that is not classified under chapter 84.33 or 84.34 RCW, that has not been irrevocably devoted
to a use inconsistent with agricultural uses, and that has a high potential for returning to commercial agriculture.

Sec. 3. RCW 28B.145.030 and 2011 1st sp.s. c 13 s 4 are each amended to read as follows:

(1) The program administrator, under contract with the ((board)) council, shall staff the ((opportunity scholarship)) board and shall have the duties and responsibilities provided in this chapter, including but not limited to publicizing the program, selecting participants for the opportunity scholarship award, distributing opportunity scholarship awards, and achieving the maximum possible rate of return on investment of the accounts in subsection (2) of this section, while ensuring transparency in the investment decisions and processes. Duties, exercised jointly with the ((opportunity scholarship)) board, include soliciting funds and setting annual fund-raising goals. The program administrator shall be paid an administrative fee as determined by the ((opportunity scholarship)) board.

(2) With respect to the opportunity scholarship program, the program administrator shall:

(a) Establish and manage two separate accounts into which to receive grants and contributions from private sources as well as state matching funds, and from which to disburse scholarship funds to participants;

(b) Solicit and accept grants and contributions from private sources, via direct payment, pledge agreement, or escrow account, of private sources for deposit into one or both of the two accounts created in this subsection (2)(b) in accordance with this subsection (2)(b):

(i) The "scholarship account," whose principal may be invaded, and from which scholarships must be disbursed beginning no later than December 1, 2011, if, by that date, state matching funds in the
amount of five million dollars or more have been received. Thereafter, scholarships shall be disbursed on an annual basis beginning no later than May 1, 2012, and every (May) October 1st thereafter;

   (ii) The "endowment account," from which scholarship moneys may be disbursed from earnings only in years when:

   (A) The state match has been made into both the scholarship and the endowment account;

   (B) The state appropriations for the state need grant under RCW 28B.92.010 meet or exceed state appropriations for the state need grant made in the 2011-2013 biennium, adjusted for inflation, and eligibility for state need grant recipients is at least seventy percent of state median family income; and

   (C) The state has demonstrated progress toward the goal of total per-student funding levels, from state appropriations plus tuition and fees, of at least the sixtieth percentile of total per-student funding at similar public institutions of higher education in the global challenge states, as defined, measured, and reported in RCW 28B.15.068. In any year in which the office of financial management reports that the state has not made progress toward this goal, no new scholarships may be awarded. In any year in which the office of financial management reports that the percentile of total per-student funding is less than the sixtieth percentile and at least five percent less than the prior year, pledges of future grants and contributions may, at the request of the donor, be released and grants and contributions already received refunded to the extent that opportunity scholarship awards already made can be fulfilled from the funds remaining in the endowment account. In fulfilling the requirements of this subsection, the office of financial management shall use resources that facilitate measurement and comparisons of the most recently completed academic year. These resources may include, but are not limited to, the data provided in a uniform dashboard format under RCW 28B.77.090 as the statewide public four-year dashboard and academic year reports prepared by the state board for community and technical colleges: (and)

   (iii) An amount equal to at least fifty percent of all grants and contributions must be deposited into the scholarship account until such time as twenty million dollars have been deposited into the account, after which time the private donors may designate whether their contributions must be deposited to the scholarship or the endowment account. The ((opportunity scholarship)) board and the program administrator must work to maximize private sector contributions to both the scholarship account and the endowment account, to maintain a robust scholarship program while simultaneously building the endowment, and to determine the division between the two accounts in the case of undesignated grants and contributions, taking into account the need for a long-term funding mechanism and the short-term needs of families and students in Washington. The first five million dollars in state match, as provided in RCW 28B.145.040, shall be deposited into the scholarship account and thereafter the state match shall be deposited into the two accounts in equal proportion to the private funds deposited in each account; and

   (iv) Once moneys in the opportunity scholarship match transfer account are subject to an agreement under RCW 28B.145.050(5) and are deposited in the scholarship account or endowment account under this section, the state acts in a fiduciary rather than ownership capacity with regard to those assets. Assets in the scholarship account and endowment account are not considered state money, common cash, or revenue to the state;

   (c) Provide proof of receipt of grants and contributions from private sources to the ((board)) council, identifying the amounts received by name of private source and date, and whether the amounts received were deposited into the scholarship or the endowment account;

   (d) In consultation with the ((higher education coordinating board)) council and the state board for community and technical colleges, make an assessment of the reasonable annual eligible expenses associated with eligible education programs identified by the ((opportunities scholarship)) board;

   (e) Determine the dollar difference between tuition fees charged by institutions of higher education in the 2008-09 academic year and the academic year for which an opportunity scholarship is being distributed;

   (f) Develop and implement an application, selection, and notification process for awarding opportunity scholarships;

   (g) Determine the annual amount of the opportunity scholarship for each selected participant. The annual amount shall be at least one thousand dollars or the amount determined under (e) of this subsection, but may be increased on an income-based, sliding scale basis up to the amount necessary to cover all reasonable annual eligible expenses as assessed pursuant to (d) of this subsection, or to encourage participation in baccalaureate degree programs identified by the ((opportunities scholarship)) board;

   (h) Distribute scholarship funds to selected participants. The respondent and his or her attorney shall be given notice and an opportunity to respond to any objection.

(c) The respondent's presence at the administrative sealing hearing is not required.

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;
(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

((4)) (15)(a) If the court enters a written order sealing the juvenile court file pursuant to subsection (11) of this section or grants ((the)) a motion to seal ((made)) pursuant to subsection ((4)) (12) of this section, it shall, subject to subsection ((23)) (24) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

((5)) (16) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection ((23)) (24) of this section.

((6)) (17) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying ((the)) a sealing order; however, the court may order the juvenile court record ressealed upon disposition of the subsequent matter if the case meets the sealing criteria under subsection (11) or (12) of this section and the court record has not previously been ressealed. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The
administering office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

((18)) (a)(i) Subject to subsection ((22)) (24) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;

(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;

(C) Two years have elapsed since completion of the agreement or counsel and release;

(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and

(E) There is no restitution owing in the case.

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

(b) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of those records received a full and unconditional pardon by the governor.

(c) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection ((22)) (24) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(d) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection ((22)) (24) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

((23)) (19) If the court grants the motion to destroy records made pursuant to subsection ((18)(c)) or (d) of this section, it shall, subject to subsection ((22)) (24) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

((24)) (20) The person making the motion pursuant to subsection ((18)(c)) or (d) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

((25)) (21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

((22)) (22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

Any juvenile justice or care agency may, subject to the limitations in subsection ((22)) (24) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older pursuant to subsection (((17))) (18)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

Except for subsection (((17))) (18)(b) of this section, no identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault."

The President declared the question before the Senate to be the motion by Senator O'Ban to not adopt the committee striking amendment by the Committee on Human Services & Corrections to Second Substitute House Bill No. 1651.

The motion by Senator O'Ban carried and the committee striking amendment was not adopted by voice vote.

MOTION

Senator O'Ban moved that the following striking amendment by Senators O'Ban and Darneille be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

1. The primary goal of the Washington state juvenile justice system is the rehabilitation and reintegration of former juvenile offenders. The public has a compelling interest in the rehabilitation of former juvenile offenders and their successful reintegration into society as active, law-abiding, and contributing members of their communities. When juvenile court records are publicly available, former juvenile offenders face substantial barriers to reintegration, as they are denied housing, employment, and education opportunities on the basis of these records.

2. The legislature declares it is the policy of the state of Washington that the interest in juvenile rehabilitation and reintegration constitutes compelling circumstances that outweigh
the public interest in continued availability of juvenile court records. The legislature intends that juvenile court proceedings be openly administered but, except in limited circumstances, the records of these proceedings be closed when the juvenile has reached the age of eighteen and completed the terms of disposition.

Sec. 2. RCW 13.50.010 and 2013 c 23 s 6 are each amended to read as follows:

(b) "Official juvenile court file" means the legal file of the juvenile court containing the petition or information, motions, memorandums, briefs, findings of the court, and court orders;

(d) "Social file" means the juvenile court file containing the records and reports of the probation counselor.

(2) Each petition or information filed with the court may include only one juvenile and each petition or information shall be filed under a separate docket number. The social file shall be filed separately from the official juvenile court file.

(3) It is the duty of any juvenile justice or care agency to maintain accurate records. To this end:

(a) The agency may never knowingly record inaccurate information. Any information in records maintained by the department of social and health services relating to a petition filed pursuant to chapter 13.34 RCW that is found by the court to be false or inaccurate shall be corrected or expunged from such records by the agency;

(b) An agency shall take reasonable steps to assure the security of its records and prevent tampering with them; and

(c) An agency shall make reasonable efforts to insure the completeness of its records, including action taken by other agencies with respect to matters in its files.

(4) Each juvenile justice or care agency shall implement procedures consistent with the provisions of this chapter to facilitate inquiries concerning records.

(5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of justice or in the best interests of the juvenile the records or parts of them should remain confidential.

(6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.

(7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment. The court may also permit inspection by or release to individuals or agencies, including juvenile justice advisory committees of county law and justice councils, engaged in legitimate research for educational, scientific, or public purposes. ((The court shall release to the caseload forecast council records needed for its research and data-gathering functions. Access to records or information for research purposes shall be permitted only if the anonymity of all persons mentioned in the records or information will be preserved.)) Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) The court shall release to the caseload forecast council the records needed for its research and data-gathering functions. The court shall release to the Washington state office of public defense records needed to implement the agency's oversight, technical assistance, and other functions as required by RCW 2.70.020. Access to the records used as a basis for oversight, technical assistance, or other agency functions is restricted to the Washington state office of public defense. The Washington state office of public defense shall maintain the confidentiality of all confidential information included in the records.

Sec. 3. RCW 13.50.050 and 2012 c 177 s 2 are each amended to read as follows:

(1) This section and sections 4 and 5 of this act govern((s)) records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to (subsection (12) of this) section 4 of this act.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this (section) chapter, RCW ((13.50.014)) 13.40.215((c)) and 4.24.550.

(4) Except as otherwise provided in this (section and RCW 13.50.010) chapter, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.
(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central recordkeeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central recordkeeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central recordkeeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) (In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12) (a) The court shall not grant any motion to seal records for class A offenses made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless:

(i) Since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in an adjudication or conviction;

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense;

(v) The person has not been convicted of rape in the second degree, rape in the second degree, or indecent liberties that was actually committed with forcible compulsion; and

(vi) Full restitution has been paid.

(b) The court shall not grant any motion to seal records for class B, C, gross misdemeanor and misdemeanor offenses and diversions made under subsection (11) of this section unless:

(i) Since the date of last release from confinement, including full-time residential treatment, if any, entry of disposition, or completion of the diversion agreement, the person has spent two consecutive years in the community without being convicted of any offense or crime;

(ii) No proceeding is pending seeking the conviction of a juvenile offense or a criminal offense;

(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense; and

(v) Full restitution has been paid.

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14)(a) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the
effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(17)(a)(i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;

(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;

(C) Two years have elapsed since completion of the agreement or counsel and release;

(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and

(E) There is no restitution owing in the case.

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records pursuant to this section.

(b) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of those records received a full and unconditional pardon by the governor.

(c) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(d) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17)(c) or (d) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17)(c) or (d) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section or section 4 or 5 of this act may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(21) Nothing in this section or section 4 or 5 of this act may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older or pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

NEW SECTION. Sec. 4. A new section is added to chapter 13.50 RCW to read as follows:

(1) The court shall hold regular sealing hearings. During these regular sealing hearings, the court shall administratively seal an individual's juvenile court record pursuant to the requirements of this subsection unless the court receives an objection to sealing or the court notes a compelling reason not to seal, in which case, the court shall set a contested hearing to be conducted on the record to address sealing. The respondent and his or her attorney shall be given at least eighteen days' notice of any contested sealing hearing and the opportunity to respond to any objections, but the respondent's presence is not required at any sealing hearing pursuant to this subsection.

(b) At the disposition hearing of a juvenile offender, the court shall schedule an administrative sealing hearing to take place during the first regularly scheduled sealing hearing after the latest of the following events that apply:

(i) The respondent's eighteenth birthday;

(ii) Anticipated completion of a respondent's probation, if ordered;

(iii) Anticipated release from confinement at the juvenile rehabilitation administration, or the completion of parole, if the respondent is transferred to the juvenile rehabilitation administration.

(c) A court shall enter a written order sealing an individual's juvenile court record pursuant to this subsection if:

(i) One of the offenses for which the court has entered a disposition is not at the time of commission of the offense:

(A) A most serious offense, as defined in RCW 9.94A.030;

(B) A sex offense under chapter 9A.44 RCW; or

(C) A drug offense, as defined in RCW 9.94A.030; and
(ii) The respondent has completed the terms and conditions of disposition, including affirmative conditions and financial obligations.

(d) Following a contested sealing hearing on the record after an objection is made pursuant to (a) of this subsection, the court shall enter a written order sealing the juvenile court record unless the court determines that sealing is not appropriate.

(2) The court shall enter a written order immediately sealing the official juvenile court record upon the acquittal after a fact finding or upon dismissal of charges.

(3) If a juvenile court record has not already been sealed pursuant to this section, in any case in which information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to RCW 13.50.050(13), order the sealing of the official juvenile court record, the social file, and records of the court and of any other agency in the case.

(4)(a) The court shall grant any motion to seal records for class A offenses made pursuant to subsection (3) of this section if:

(i) Since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in an adjudication or conviction;

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense;

(v) The person has not been convicted of rape in the first degree, rape in the second degree, or indecent liberties that was actually committed with forcible compulsion; and

(vi) Full restitution has been paid.

(b) The court shall grant any motion to seal records for class B, C, gross misdemeanor, and misdemeanor offenses and diversions made under subsection (3) of this section if:

(i) Since the date of last release from confinement, including full-time residential treatment, if any, entry of disposition, or completion of the diversion agreement, the person has spent two consecutive years in the community without being convicted of any offense or crime;

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense; and

(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense; and

(v) Full restitution has been paid.

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

(5) The person making a motion pursuant to subsection (3) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose records are sought to be sealed.

(b)(a) If the court enters a written order sealing the juvenile court record pursuant to this section, it shall, subject to RCW 13.50.050(13), order sealed the official juvenile court record, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(7) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and 13.50.050(13).

(8)(a) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying a sealing order; however, the court may order the juvenile court record resealed upon disposition of the subsequent matter if the case meets the sealing criteria under this section and the court record has not previously been resealed.

(b) Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order.

(c) The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(9) If the juvenile court record has been sealed pursuant to this section, the record of an employee is not admissible in an action for liability against the employer based on the former juvenile offender's conduct to show that the employer knew or should have known of the juvenile record of the employee. The record may be admissible, however, if a background check conducted or authorized by the employer contained the information in the sealed record.

NEW SECTION. Sec. 5. A new section is added to chapter 13.50 RCW to read as follows:

(a) Subject to RCW 13.50.050(13), all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(i) The person who is the subject of the information or complaint is at least eighteen years of age; and

(ii) The person's criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;

(iii) Two years have elapsed since completion of the agreement or counsel and release;

(iv) No proceeding is pending against the person seeking the conviction of a criminal offense; and

(v) There is no restitution owing in the case.

(b) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of
the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(c) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

(2) All records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within thirty days of being notified by the governor's office that the subject of those records received a full and unconditional pardon by the governor.

(3)(a) A person may request that the court order the records in his or her case destroyed as follows:

(i) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008. The request shall be granted if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(ii) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion. The request shall be granted if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(b) If the court grants the motion to destroy records made pursuant to this subsection, it shall, subject to RCW 13.50.050(13), order the official juvenile court record, the social file, and any other records named in the order to be destroyed.

(c) The person making the motion pursuant to this subsection must give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(4) Any juvenile justice or care agency may, subject to the limitations in RCW 13.50.050(13) and this section, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older or pursuant to subsection (1) of this section.

(b) The court may not routinely destroy the official juvenile court record or recordings or transcripts of any proceedings.

Sec. 6. RCW 13.40.127 and 2013 c 179 s 5 are each amended to read as follows:

(1) A juvenile is eligible for deferred disposition unless he or she:

(a) Is charged with a sex or violent offense;

(b) Has a criminal history which includes any felony;

(c) Has a prior deferred disposition or deferred adjudication; or

(d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:

(a) Stipulate to the admissibility of the facts contained in the written police report;

(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision;

(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and

d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

The court may require the juvenile to undergo a mental health or substance abuse assessment, or both. If the assessment identifies a need for treatment, conditions of supervision may include treatment for the assessed need that has been demonstrated to improve behavioral health and reduce recidivism.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7)(a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile's juvenile court community supervision counselor may file a motion with the court requesting the court revoke the deferred disposition based on the juvenile's lack of compliance or treat the juvenile's lack of compliance as a violation pursuant to RCW 13.40.200.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:

(i) Revoke the deferred disposition and enter an order of disposition; or

(ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue supervision for an additional one-year period for good cause.

(9)(a) At the conclusion of the period of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:

(i) The deferred disposition has not been previously revoked;

(ii) The juvenile has completed the terms of supervision;

(iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and

(iv) The juvenile has either paid the full amount of restitution, or, made a good faith effort to pay the full amount of restitution during the period of supervision.

(b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the juvenile's conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 13.40.190 for any unpaid restitution. Jurisdiction to enforce
payment and modify terms of the restitution order shall be the same as those set forth in RCW 13.40.190.

(c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to ((RCW 13.50.050)) section 4 of this act.

(10)(a)(i) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution ordered has been paid, the court shall enter a written order sealing the case.

(ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is not eighteen years of age or older and full restitution ordered has been paid, the court shall schedule an administrative sealing hearing to take place no later than thirty days after the respondent's eighteenth birthday, at which time the court shall enter a written order sealing the case. The respondent's presence at the administrative sealing hearing is not required.

(iii) Any deferred disposition vacated prior to June 7, 2012, is not subject to sealing under this subsection.

(b) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under ((RCW 13.50.050 (11) and (12))) section 4 of this act.

(c) Records sealed under this provision shall have the same legal status as records sealed under ((RCW 13.50.050)) section 4 of this act.

Sec. 7. RCW 13.40.190 and 2010 c 134 s 1 are each amended to read as follows:

Sec. 8. RCW 13.50.100 and 2013 c 23 s 7 are each amended to read as follows:

(f) If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution.

(g) At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution to the insurance provider and could not reasonably acquire the means to pay the insurance provider the restitution over a ten-year period.

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.

(3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(4) For purposes of this section, “victim” means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. “Victim” may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(5) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

Sec. 8. RCW 13.50.100 and 2013 c 23 s 7 are each amended to read as follows:

(f) If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution.

(g) At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution to the insurance provider and could not reasonably acquire the means to pay the insurance provider the restitution over a ten-year period.

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.

(3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(4) For purposes of this section, “victim” means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. “Victim” may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(5) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.
(a) Information that may be released shall be limited to information regarding investigations in which: (i) The juvenile was an alleged victim of abandonment or abuse or neglect; or (ii) the petitioner for custody of the juvenile, or any individual aged sixteen or older residing in the petitioner's household, is the subject of a founded or currently pending child protective services investigation made by the department subsequent to October 1, 1998.

(b) Additional information may only be released with the written consent of the subject of the investigation and the juvenile alleged to be the victim of abandonment or abuse and neglect, or the parent, custodian, guardian, or personal representative of the juvenile, or by court order obtained with notice to all interested parties.

(5) Any disclosure of records or information by the department of social and health services pursuant to this section shall not be deemed a waiver of any confidentiality or privilege attached to the records or information by operation of any state or federal statute or regulation, and any recipient of such records or information shall maintain it in such a manner as to comply with such state and federal statutes and regulations and to protect against unauthorized disclosure.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2023, by House Committee on Business & Financial Services (originally sponsored by Representatives Habib, Ryu, Zeiger and Maxwell)
Allowing crowdfunding for certain small securities offerings.

The measure was read the second time.

MOTION

Senator Hobbs moved that the following striking amendment by Senators Hobbs and Angel be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act may be known and cited as the Washington jobs act of 2014.

NEW SECTION. Sec. 2. The legislature finds that start-up companies play a critical role in creating new jobs and revenues. Crowdfunding, or raising money through small contributions from a large number of investors, allows smaller enterprises to access the capital they need to get new businesses off the ground. The legislature further finds that the costs of state securities registration often outweigh the benefits to Washington start-ups seeking to make small securities offerings and that the use of crowdfunding for business financing in Washington is significantly restricted by state securities laws. Helping new businesses access equity crowdfunding within certain boundaries will democratize venture capital and facilitate investment by Washington residents in Washington start-ups while protecting consumers and investors. For these reasons, the legislature intends to provide Washington businesses and investors the opportunity to benefit from equity crowdfunding.

NEW SECTION. Sec. 3. A new section is added to chapter 21.20 RCW to read as follows:

(1) Any offer or sale of a security is exempt from RCW 21.20.040 through 21.20.300 and 21.20.327, except as expressly provided, if:

(a) The offering is first declared exempt by the director after:

(i) The issuer files the offering with the director; or

(ii) A portal working in collaboration with the director files the offering with the director on behalf of the issuer under section 4 of this act;

(b) The offering is conducted in accordance with the requirements of section 3(a)(11) of the securities act of 1933 and securities and exchange commission rule 147, 17 C.F.R. Sec. 230.147;

(c) The issuer is an entity organized and doing business in the state of Washington;

(d) Each investor provides evidence or certification of residency in the state of Washington at the time of purchase;

(e) The issuer files with the director an escrow agreement either directly or through a portal providing that all offering proceeds will be released to the issuer only when the aggregate capital raised from all investors equals or exceeds the minimum target offering, as determined by the director;

(f) The aggregate purchase price of all securities sold by an issuer pursuant to the exemption provided by this section does not exceed one million dollars during any twelve-month period;

(g) The aggregate amount sold to any investor by one or more issuers during the twelve-month period preceding the date of the sale does not exceed:

(i) The greater of two thousand dollars or five percent of the annual income or net worth of the investor, as applicable, if either the annual income or the net worth of the investor is less than one hundred thousand dollars; or

(ii) Ten percent of the annual income or net worth of the investor, as applicable, up to one hundred thousand dollars, if either the annual income or net worth of the investor is one hundred thousand dollars or more;

(h) The investor acknowledges by manual or electronic signature the following statement conspicuously presented at the time of sale on a page separate from other information relating to the offering: "I acknowledge that I am investing in a high-risk, speculative business venture, that I may lose all of my investment, and that I can afford the loss of my investment";

(i) The issuer reasonably believes that all purchasers are purchasing for investment and not for sale in connection with a distribution of the security; and

(j) The issuer and investor provide any other information reasonably requested by the director.

(2) Attempted compliance with the exemption provided by this section does not act as an exclusive election. The issuer may claim any other applicable exemption.

(3) For as long as securities issued under the exemption provided by this section are outstanding, the issuer shall provide a quarterly report to the issuer's shareholders and the director by making such report publicly accessible, free of charge, at the issuer's internet web site address within forty-five days of the end of each fiscal quarter. The report must contain the following information:

(a) Executive officer and director compensation, including specifically the cash compensation earned by the executive officers and directors since the previous report and on an annual basis, and any bonuses or other compensation, including stock options or other rights to receive equity securities of the issuer or any affiliate of the issuer, received by them; and

(b) A brief analysis by management of the issuer of the business operations and financial condition of the issuer.

(4) Securities issued under the exemption provided by this section may not be transferred by the purchaser during a one-year period beginning on the date of purchase, unless the securities are transferred:

(a) To the issuer of the securities;

(b) To an accredited investor;

(c) As part of a registered offering; or

(d) To a member of the family of the purchaser or the equivalent, or in connection with the death or divorce of other similar circumstances, in the discretion of the director.

(5) The director shall adopt disqualification provisions under which this exemption shall not be available to any person or its predecessors, affiliates, officers, directors, underwriters, or other related persons. The provisions shall be substantially similar to the disqualification provisions adopted by the securities and exchange commission pursuant to the requirements of section 401(b)(2) of the Jobs act of 2012 or, if none, as adopted in Rule 506 of Regulation D. Notwithstanding the foregoing, this exemption shall become available on the effective date of this section.

(2) A portal shall require, at a minimum, the following information from an applicant for exemption prior to offering services to the applicant or forwarding the applicant's materials to the director:

(a) A description of the issuer, including type of entity, location, and business plan, if any;

(b) The applicant's intended use of proceeds from an offering under this act;
(c) Identities of officers, directors, managing members, and ten percent beneficial owners, as applicable;
(d) A description of any outstanding securities; and
(e) A description of any litigation or legal proceedings involving the applicant, its officers, directors, managing members, or ten percent beneficial owners, as applicable.

3) Upon receipt of the information described in subsection (2) of this section, the portal may offer services to the applicant that the portal deems appropriate or necessary to meet the criteria for exemption under sections 3 and 5 of this act. Such services may include assistance with development of a business plan, referral to legal services, and other technical assistance in preparation for a public securities offering.

4) The portal shall forward the materials necessary for the applicant to qualify for exemption to the director for filing when the portal is satisfied that the applicant has assembled the necessary information and materials to meet the criteria for exemption under sections 3 and 5 of this act.

5) The portal shall work in collaboration with the director for the purposes of executing the offering upon filing with the director.

NEW SECTION Sec. 5. A new section is added to chapter 21.20 RCW to read as follows:

The director must adopt rules to implement sections 2 and 3 of this act subject to RCW 21.20.450 including, but not limited to:

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2626, by House Committee on Higher Education (originally sponsored by Representatives Seagquist, Haler, Reykdal, Gregerson, Pollet and Moscoso)

Concerning statewide educational attainment goals.

The measure was read the second time.

MOTION

Senator Bailey moved that the following committee striking amendment by the Committee on Higher Education be adopted: Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that increasing educational attainment is vital to the well-being of Washingtonians and critical to the health of the state's economy. Education opens doors to gainful employment, higher wages, increased job benefits, improved physical health, and increased civic engagement. Educated workers who are capable of competing for high-demand jobs in today's global economy sustain existing employers and attract new businesses. These individuals with competitive higher education credentials directly contribute to the state's economic growth and vitality.

(2) The legislature finds that workforce and labor market projections estimate that by 2020 the vast majority of jobs in Washington will require at least a high school diploma or equivalent and seventy percent of those jobs will also require some postsecondary education.

(3) The legislature finds that current levels of educational attainment are inadequate to address the educational needs of the state. In 2013, eighty-nine percent of Washington adults ages twenty-five to forty-four had a high school diploma or equivalent, and less than fifty percent of Washington adults ages twenty-five to forty-four have a postsecondary credential.

(4) The legislature recognizes that one of the most important duties of the student achievement council is to propose educational attainment goals to the governor and legislature and develop a..."
ten-year roadmap to achieve those goals, to be updated every two years.

NEW SECTION. Sec. 2. Acknowledging the recommendations in the higher education ten-year roadmap, the legislature is encouraged by the student achievement council’s efforts to meet the following two goals in order to meet the societal and economic needs of the future:

(1) All adults in Washington ages twenty-five to forty-four will have a high school diploma or equivalent by 2023; and

(2) At least seventy percent of Washington adults ages twenty-five to forty-four will have a postsecondary credential by 2023.

MOTION
Senator Bailey moved that the following committee striking amendment by the Committee on Higher Education be adopted:
Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.15.102 and 2013 c 23 s 53 are each amended to read as follows:

(1) Beginning with the 2011-12 academic year, any four-year institution of higher education that increases tuition beyond levels assumed in the omnibus appropriations act is subject to the financial aid requirements included in this section and shall remain subject to these requirements through the 2018-19 academic year.

(2) Beginning July 1, 2011, each four-year institution of higher education that raises tuition beyond levels assumed in the omnibus appropriations act shall, in a manner consistent with the goal of enhancing the quality of and access to their institutions, provide
financial aid to offset full-time tuition fees for resident undergraduate students as follows:

(a) Subtract from the full-time tuition fees an amount that is equal to the maximum amount of a state need grant award that would be given to an eligible student with a family income at or below fifty percent of the state's median family income as determined by the student achievement council; and

(b) Offset the remainder as follows:

(i) Students with demonstrated need whose family incomes are at or below fifty percent of the state's median family income shall receive financial aid equal to one hundred percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is five percent or greater of the state's median family income for a family of four as provided by the student achievement council;

(ii) Students with demonstrated need whose family incomes are greater than fifty percent and no more than seventy percent of the state's median family income shall receive financial aid equal to fifty percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is fifteen percent or greater of the state's median family income for a family of four as provided by the student achievement council;

(iii) Students with demonstrated need whose family incomes exceed seventy percent and are less than one hundred percent of the state's median family income shall receive financial aid equal to fifty percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is fifteen percent or greater of the state's median family income for a family of four as provided by the student achievement council; and

(iv) Students with demonstrated need whose family incomes are at or exceed one hundred percent and are no more than one hundred twenty-five percent of the state's median family income shall receive financial aid equal to twenty-five percent of the remainder if an institution's full-time tuition fees for resident undergraduate students is twenty percent or greater of the state's median family income for a family of four as provided by the student achievement council.

(3) The financial aid required in subsection (2) of this section shall:

(a) Be reduced by the amount of other financial aid awards, not including the state need grant;

(b) Be prorated based on credit load; and

(c) Only be provided to students up to demonstrated need.

(4) Financial aid sources and methods may be:

(a) Tuition revenue or locally held funds;

(b) Tuition waivers created by a four-year institution of higher education for the specific purpose of serving low and middle-income students; or

(c) Local financial aid programs.

(5) Use of tuition waivers as specified in subsection (4)(b) of this section shall not be included in determining total state tuition waiver authority as defined in RCW 28B.15.910.

(6) By ((August 15, 2012, and August 15th)) December 31st every year ((thereafter)), four-year institutions of higher education that increase tuition beyond levels assumed in the omnibus appropriations act after January 1, 2011, shall report to the governor and relevant committees of the legislature on the effectiveness of the various sources and methods of financial aid in mitigating tuition increases. A key purpose of these reports is to provide information regarding the results of the decision to grant tuition-setting authority to the four-year institutions of higher education and whether tuition setting authority should continue to be granted to the institutions or revert back to the legislature after consideration of the impacts on students, including educational access, affordability, and quality. These reports shall include:

(a) The amount of additional financial aid provided to middle-income and low-income resident students with demonstrated need in the aggregate and per student;

(b) An itemization of the sources and methods of financial aid provided by the four-year institution of higher education in the aggregate and per student for resident undergraduate students;

(c) An analysis of the combined impact of federal tuition tax credits and financial aid provided by the institution of higher education on the net cost to students and their families resulting from tuition increases;

(d) In cases where tuition increases are greater than those assumed in the omnibus appropriations act at any four-year institution of higher education, the institution must include an explanation in its report of why this increase was necessary and how the institution will mitigate the effects of the increase. The institution must include in this section of its report a plan and specific timelines; and

(e) An analysis of changes in resident student enrollment patterns, participation rates, graduation rates, and debt load, by race and ethnicity, gender, state and county of origin, age, and socioeconomic status, and a plan to mitigate effects of reduced diversity due to tuition increases. This analysis shall include disaggregated data for resident students in the following income brackets:

(i) Up to seventy percent of the median family income;

(ii) Between seventy-one percent and one hundred twenty-five percent of the median family income; and

(iii) Above one hundred twenty-five percent of the median family income.

(7) Beginning in the 2012-13 academic year, the University of Washington shall enroll during each academic year at least the same number of resident first-year undergraduate students at the Seattle campus, as defined in RCW 28B.15.012, as enrolled during the 2009-10 academic year. This requirement shall not apply to nonresident undergraduate and graduate and professional students.

agency policy or rule, or contract, shall be available to the employee on the designated paydate. Overtime, penalty pay, and special pay provisions may be paid by the next following paydate if the postponement of payment is attributable to: The employee's not making a timely or accurate report of the facts which are the basis for the payment, or the employer's lack of reasonable opportunity to verify the claim.

Compensable benefits payable because of separation from state service shall be paid with the earnings for the final period worked unless the employee separating has not provided the agency with the proper notification of intent to terminate.

One-half of the employee's basic monthly salary shall be paid in each pay period. Employees paid on an hourly basis or employees who work less than a full pay period shall be paid for actual salary earned.

(2) Subsection (1) of this section shall not apply in instances where it would conflict with contractual rights or, with the approval of the office of financial management, to short-term, intermittent, noncareer state employees, to student employees of institutions of higher education, to state or state guard members participating in state active duty, and to liquor control agency managers who are paid a percentage of monthly liquor sales.

Under no circumstance may the paydate be established more than seven days after the pay period in which the wages are earned except that when the designated paydate falls on a holiday, the paydate shall not be later than the following Monday.

(b) Employees on a biweekly payroll cycle under this subsection (5) who are paid a salary may receive a prorated amount of their annualized salary each pay period. The prorated amount must be proportional to the number of pay periods worked in the calendar year. Employees on a biweekly payroll cycle under this subsection (5) who are paid hourly, or who work less than a full pay period may be paid the actual salary amount earned during the pay period.

(c) Each institution that adopts a biweekly pay schedule under this subsection (5) must establish, publish, and notify the director of the office of financial management of the official paydates six months before the beginning of each subsequent calendar year.

(6) Notwithstanding subsections (1), (2), and (4) of this section, academic employees at institutions of higher education as defined in RCW 28B.10.016 whose employment appointments are less than twelve months may have their salaries prorated in such a way that coincides with the paydays used for full-time employees.

MOTION

Senator O’Ban moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature intends to assure that for parents with developmental disabilities, the department of social and health services takes into consideration the parent's disability when offering services to correct parental deficiencies. To do so, the legislature finds that the department must contact the developmental disabilities administration.

Sec. 2. RCW 13.34.136 and 2013 c 316 s 2, 2013 c 254 s 2, and 2013 c 173 s 2 are each reenacted and amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency
planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the developmental disabilities administration, the department shall make reasonable efforts to consult with the developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145((4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan for care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the

Subjecting federally recognized Indian tribes to the same conditions as state and local governments for property owned exclusively by the tribe.

The measure was read the second time.
MOTION

Senator Sheldon moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This section is the tax preference performance statement for the tax preference contained in section 5 of this act. This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(1) The legislature categorizes this tax preference as one intended to create jobs and improve the economic health of tribal communities as indicated in RCW 82.32.808(2) (c) and (f).

(2) It is the legislature's specific public policy objective to create jobs and improve the economic health of tribal communities. It is the legislature's intent to exempt property used by federally recognized Indian tribes for economic development purposes, in order to achieve these policy objectives.

(3) The joint legislative audit and review committee must perform an economic impact report to the legislature as required in section 10 of this act to provide the information necessary to measure the effectiveness of this act.

Sec. 2. RCW 82.29A.010 and 2010 c 281 s 2 are each amended to read as follows:

(a) The legislature hereby recognizes that properties of the state of Washington, counties, school districts, and other municipal corporations are exempted by Article 7, section 1 of the state Constitution from property tax obligations, but that private lessees of such public properties receive substantial benefits from governmental services provided by units of government.

(b) The legislature further recognizes that a uniform method of taxation should apply to such leasehold interests in publicly owned property.

(c) The legislature finds that lessees of publicly owned property or community centers are entitled to those same governmental services and does hereby provide for a leasehold excise tax to fairly compensate governmental units for services rendered to such lessees of publicly owned property or community centers. For the purposes of this subsection, "community center" has the same meaning as provided in RCW 84.36.010.

(d) The legislature also finds that eliminating the property tax on property owned exclusively by federally recognized Indian tribes within the state requires that the leasehold excise tax also be applied to leasehold interests on tribally owned property.

Sec. 3. RCW 82.29A.020 and 2012 2nd sp.s s 6 s 501 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context requires otherwise.

(a) "Leasehold interest" means an interest in publicly owned real or personal property which exists by virtue of any lease, permit, license, or any other agreement, written or verbal, between the public owner of the property and a person who would not be exempt from property taxes if that person owned the property in fee, granting possession and use, to a degree less than fee simple ownership. However, no interest in personal property (excluding land or buildings) which is owned by the United States, whether or not as trustee, or by any foreign government may constitute a leasehold interest hereunder when the right to use such property is granted pursuant to a contract solely for the manufacture or production of articles for sale to the United States or any foreign government. The term "leasehold interest" includes the rights of use or occupancy by others of property which is owned in fee or held in trust by a public corporation, commission, or authority created under RCW 35.21.730 or 35.21.660 if the property is listed on or is within a district listed on any federal or state register of historical sites.

(b) The term "leasehold interest" does not include:

(i) Road or utility easements, rights of access, occupancy, or use granted solely for the purpose of removing materials or products purchased from a public owner or the lessee of a public owner, or rights of access, occupancy, or use granted solely for the purpose of natural energy resource exploration; or

(ii) The preferential use of publicly owned cargo cranes and docks and associated areas used in the loading and discharging of cargo located at a port district marine facility. "Preferential use" means that publicly owned real or personal property is used by a private party under a written agreement with the public owner, but the public owner or any third party maintains a right to use the property when not being used by the private party.

(c) "Publicly owned real or personal property" includes real or personal property owned by a federally recognized Indian tribe in the state and exempt from tax under RCW 84.36.010.

(2) (a) "Taxable rent" means contract rent as defined in (c) of this subsection in all cases where the lease or agreement has been established or renegotiated through competitive bidding, or negotiated or renegotiated in accordance with statutory requirements regarding the rent payable, or negotiated or renegotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor. However, after January 1, 1986, with respect to any lease which has been in effect for ten years or more without renegotiation, taxable rent may be established by procedures set forth in (g) of this subsection. All other leasehold interests are subject to the determination of taxable rent under the terms of (g) of this subsection.

(b) For purposes of determining leasehold excise tax on any lands on the Hanford reservation subleased to a private or public entity by the department of ecology, taxable rent includes only the annual cash rental payment made by such entity to the department of ecology as specifically referred to as rent in the sublease agreement between the parties and does not include any other fees, assessments, or charges imposed on or collected by such entity irrespective of whether the private or public entity pays or collects such other fees, assessments, or charges as specified in the sublease agreement.

(c) "Contract rent" means the amount of consideration due as payment for a leasehold interest, including: The total of cash payments made to the lessor or to another party for the benefit of the lessor according to the requirements of the lease or agreement, including any rents paid by a sublessee; expenditures for the protection of the lessor's interest when required by the terms of the lease or agreement; and expenditures for improvements to the property to the extent that such improvements become the property of the lessor. Where the consideration conveyed for the leasehold interest is made in combination with payment for concession or other rights granted by the lessor, only that portion of such payment which represents consideration for the leasehold interest is part of contract rent.

(d) "Contract rent" does not include: (i) Expenditures made by the lessee, which under the terms of the lease or agreement, are to be reimbursed by the lessor to the lessee or expenditures for improvements and protection made pursuant to a lease or an agreement which requires that the use of the improved property be open to the general public and that no profit will inure to the lessee"
from the lease; (ii) expenditures made by the lessee for the replacement or repair of facilities due to fire or other casualty including payments for insurance to provide reimbursement for losses or payments to a public or private entity for protection of such property from damage or loss or for alterations or additions made necessary by an action of government taken after the date of the execution of the lease or agreement; (iii) improvements added to publicly owned property by a sublessee under an agreement executed prior to January 1, 1976, which have been taxed as personal property of the sublessee prior to January 1, 1976, or improvements made by a sublessee of the same lessee under a similar agreement executed prior to January 1, 1976, and such improvements are taxable to the sublessee as personal property; (iv) improvements added to publicly owned property if such improvements are being taxed as personal property to any person.

(e) Any prepaid contract rent is considered to have been paid in the year due and not in the year actually paid with respect to prepayment for a period of more than one year. Expenditures for improvements with a useful life of more than one year which are included as part of contract rent must be treated as prepaid contract rent and prorated over the useful life of the improvement or the remaining term of the lease or agreement if the useful life is in excess of the remaining term of the lease or agreement. Rent prepaid prior to January 1, 1976, must be prorated from the date of prepayment.

(f) With respect to a "product lease", the value is that value determined at the time of sale under terms of the lease.

(g) If it is determined by the department of revenue, upon examination of a lessee's accounts or those of a lessor of publicly owned property, that a lessee is occupying or using publicly owned property in such a manner as to create a leasehold interest and that such leasehold interest has not been established through competitive bidding, or obligated in accordance with statutory requirements regarding the rent payable, or negotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor, the department may establish a taxable rent computation for use in determining the tax payable under authority granted in this chapter based upon the following criteria: (i) Consideration must be given to rental being paid to other lessors by lessees of similar property for similar purposes over similar periods of time; (ii) consideration must be given to what would be considered a fair rate of return on the market value of the property leased less reasonable deductions for any restrictions on use, special operating requirements or provisions for concurrent use by the lessor, another person or the general public.

(3) "Product lease" as used in this chapter means a lease of property for use in the production of agricultural or marine products to the extent that such lease provides for the contract rent to be paid by the delivery of a stated percentage of the production of such agricultural or marine products to the credit of the lessor or the payment to the lessor of a stated percentage of the proceeds from the sale of such products.

(4) "Renegotiated" means a change in the lease agreement which changes the agreed time of possession, restrictions on use, the rate of the cash rental or of any other consideration payable by the lessee to or for the benefit of the lessor, other than any such change required by the terms of the lease or agreement. In addition "renegotiated" means a continuation of possession by the lessee beyond the date when, under the terms of the lease agreement, the lessee had the right to vacate the premises without any further liability to the lessor.

(5) "City" means any city or town.

(6) "Products" includes natural resource products such as cut or picked evergreen foliage, Cascara bark, wild edible mushrooms, native ornamental trees and shrubs, ore and minerals, natural gas, geothermal water and steam, and forage removed through the grazing of livestock.

Sec. 4. RCW 82.29A.050 and 1992 c 206 s 6 are each amended to read as follows:

(1) The leasehold excise taxes provided for in RCW 82.29A.030 and 82.29A.040 (((shall)) must be paid by the lessee to the lessor and the lessee (((shall)) must collect such tax and remit the same to the department (((of revenue))). The tax (((shall)) must be payable at the same time as payments are due to the lessor for use of the property from which the leasehold interest arises, and in the case of payment of contract rent to a person other than the lessor, at the time of payment. The tax payment (((shall)) must be accompanied by such information as the department (((of revenue))) may require.

In the case of prepaid contract rent the payment may be prorated in accordance with instructions of the department (((of revenue))) and the prorated portion of the tax (((shall be)) is due, one-half not later than May 31st and the other half not later than November 30th each year.

(2) The lessor receiving taxes payable under the provisions of this chapter (((shall)) must remit the same together with a return provided by the department, to the department of revenue on or before the last day of the month following the month in which the tax is collected. The department may relieve any taxpayer or class of taxpayers from the obligation of filing monthly returns and may require the return to cover other reporting periods, but in no event (((shall)) may returns be filed for a period greater than one year. The lessor (((shall be))) is fully liable for collection and remittance of the tax. The amount of tax until paid by the lessee to the lessor (((shall)) constitute a debt from the lessee to the lessor. The tax required by this chapter (((shall)) must be stated separately from contract rent, and if not so separately stated for purposes of determining the tax due from the lessee to the lessor and from the lessor to the department, the contract rent does not include the tax imposed by this chapter. Where a lessee has failed to pay to the lessor the tax imposed by this chapter and the lessor has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the lessee for collection of the tax (((provided, That)). However, taxes due where contract rent has not been paid (((shall)) must be reported by the lessor to the department and the lessee alone (((shall be)) is liable for payment of the tax to the department.

(3) Each person having a leasehold interest subject to the tax provided for in this chapter arising out of a lease of federally owned or federal trust lands (((shall)), or property owned by a federally recognized Indian tribe in the state and exempt on tax under RCW 84.36.010, must report and remit the tax due directly to the department of revenue in the same manner and at the same time as the lessor would be required to report and remit the tax if such lessor were a state public entity.

Sec. 5. RCW 84.36.010 and 2010 c 281 s 1 are each amended to read as follows:

(1) All property belonging exclusively to the United States, the state, or any county or municipal corporation; all property belonging exclusively to any federally recognized Indian tribe, if (a) the tribe is located in the state, (((that))) and (b) the property is used exclusively for essential government services; all state route number 16 corridor transportation systems and facilities constructed under chapter 47.46 RCW; all property under a financing contract pursuant to chapter 39.94 RCW or recorded agreement granting immediate possession and use to the public bodies listed in this section or under an order of immediate possession and use pursuant to RCW 8.04.090; and, for a period of forty years from acquisition, all property of a community center; is exempt from taxation. All property belonging exclusively to a foreign national government is exempt from taxation if that property is used exclusively as an office or residence
for a consul or other official representative of the foreign national
government, and if the consul or other official representative is a
citizen of that foreign nation.

(2) Property owned by a federally recognized Indian tribe,
which is used for economic development purposes, may only
qualify for the exemption from taxes in this section if the property

(b) “Essential government services” means services such as
tribal administration, public facilities, fire, police, public health,
education, sewer, water, environmental and land use, transportation,
utility services, and economic development.

(c) “Economic development” means commercial activities,
including those that facilitate the creation or retention of businesses
or jobs, or that improve the standard of living or economic health of
tribal communities.

Sec. 6. RCW 84.36.451 and 2001 c 26 s 2 are each amended
to read as follows:

(1) The following property shall be exempt from taxation:
Any and all rights to occupy or use any real or personal property

(a) and (b) of this subsection as defined in RCW 82.29A.020.

(2) The exemption under this section does not apply to:

Sec. 7. RCW 84.40.230 and 1994 c 124 s 25 are each amended
to read as follows:

When any real property is sold on contract by the United States of
America, the state, (or) any county or municipality, or any
federally recognized Indian tribe, and the contract expresses or
implies that the vendee is entitled to the possession, use, benefits and
profits thereof and therefrom so long as the vendee complies with
the terms of the contract, it is deemed that the vendor retains title merely as security for the fulfillment of the contract, and the property must be assessed and taxed in the same manner as other similar property in private ownership is taxed, and the tax roll must contain, opposite the description of the property so assessed the following notation: “Subject to title remaining in the vendor” or other notation of similar significance. No foreclosure for delinquent taxes nor any deed issued pursuant thereto may extinguish or otherwise affect the title of the vendor. In any case under former law where the contract and not the property was taxed no deed of the property described in such contract may ever be executed and delivered by the state or any county or municipality until all taxes assessed against such contract and local assessments assessed against the land described thereon are fully paid.

NEW SECTION. Sec. 8. A new section is added to chapter
82.29A RCW to read as follows:

(1) Property owned exclusively by a federally recognized Indian
tribe that is exempt from property tax under RCW 84.36.010 is
subject to payment in lieu of leasehold excise taxes, if:

(a) The tax exempt property is used exclusively for economic
development, as defined in RCW 84.36.010;

(b) There is no taxable leasehold interest in the tax exempt
property;

(c) The property is located outside of the tribe’s reservation; and

(d) The property is not otherwise exempt from taxation by
federal law.

(2) The amount of the payment in lieu of leasehold excise taxes
must be determined jointly and in good faith negotiation between
the tribe that owns the property and the county in which the property
is located. However, the amount may not exceed the leasehold
excise tax amount that would otherwise be owed by a taxable
leasehold interest in the property. If the tribe and the county cannot
agree to terms on the amount of payment in lieu of taxes, the
department may determine the rate, provided that the amount may
not exceed the leasehold excise tax amount that would otherwise be
owed by a taxable leasehold interest in the property.

(3) Payment must be made by the tribe to the county. The
county treasurer must distribute all such money collected solely to
the local taxing districts, including cities, in the same proportion that
each local taxing district would have shared if a leasehold excise tax
had been levied.

NEW SECTION. Sec. 9. A new section is added to chapter
84.36 RCW to read as follows:

(1) To qualify in any year for exempt status for real or personal
property used exclusively for essential government services under
RCW 84.36.010, a federally recognized Indian tribe must file an
initial application with the department of revenue on or before
October 1st of the prior year. All applications must be filed on
forms prescribed by the department and signed by an authorized
agent of the federally recognized tribe.

(2) If the use for essential government services is based in whole
or in part on economic development, the application must also
include:

(a) If the economic development activities are those of a lessee,
a declaration from both the federally recognized tribe and the
lessee confirming a lease agreement exists for the exempt tax year.

(b) If the property is subject to the payment in lieu of leasehold
excise tax as described in section 8 of this act, a declaration from
both the federally recognized tribe and the county in which the
property is located confirming that an agreement exists for the
exempt tax year regarding the amount for the payment in lieu of
leasehold excise tax.

(3) A federally recognized Indian tribe which files an
application under the requirements of subsection (2) of this section,
must file an annual renewal application, on forms prescribed by the
department of revenue, on or before October 1st of each year. The
application must contain a declaration certifying the continuing
exempt status of the real or personal property, and that the lease
agreement or agreement for payment in lieu of leasehold excise tax
continue in good standing, or that a new lease or agreement exists.

NEW SECTION. Sec. 10. A new section is added to chapter
52.30 RCW to read as follows:

(1) When exempt tribal property is located within the
boundaries of a fire protection district or a regional fire protection
service authority, the fire protection district or authority is authorized to contract with the tribe for compensation for providing fire protection services in an amount and under such terms as are mutually agreed upon by the fire protection district or authority and the tribe.

(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Exempt tribal property" means property that is owned exclusively by a federally recognized Indian tribe and that is exempt from taxation under RCW 84.36.010.

(b) "Regional fire protection service authority" or "authority" has the same meaning as provided in RCW 52.26.020.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act is null and void.

Sec. 1. RCW 13.34.138 and 2009 c 520 s 29, 2009 c 491 s 3, 2009 c 397 s 4, and 2009 c 152 s 1 are each reenacted and amended to read as follows:

1. The status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first. The purpose of the hearing shall be to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(1)(a) or 13.34.134.

2. (a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision by the supervising agency or department shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department or supervising agency must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department or supervising agency may recommend to the court and the court may order that placement of the child in the parent’s home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department or supervising agency must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department or supervising agency of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty.
on the part of the department or supervising agency to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether the supervising agency or the department is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child by preventing the return of the child to the home of the child's parent and whether housing assistance should be provided by the department or supervising agency;

(vii) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

(viii) Whether preference has been given to placement with the child's relatives if such placement is in the child's best interests;

(ix) Whether both in-state and, where appropriate, out-of-state placements have been considered;

(x) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(xi) Whether terms of visitation need to be modified;

(xii) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;

(xiii) Whether any additional court orders need to be made to move the case toward permanency; and

(xiv) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed. If the court determines that the child has been in out-of-home care for at least seventeen consecutive months following the filing of a dependency petition and the parents have been noncompliant with court-ordered services and have made no progress towards correcting parental deficiencies, the court shall order that a petition seeking termination of parent and child relationship be filed unless the court makes a good cause exception based on the factors described in RCW 13.34.145.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with the supervising agency's case plan; and

(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the department's or supervising agency's case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(4) The court's authority to order housing assistance under this chapter is: (a) Limited to cases in which a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child and housing assistance would aid the parent in providing an appropriate home for the child; and (b) subject to the availability of funds appropriated for this specific purpose. Nothing in this chapter shall be construed to create an entitlement to housing assistance nor to create judicial authority to order the provision of such assistance to any person or family if the assistance or funding are unavailable or the child or family are not eligible for such assistance.

(5) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130((44)) (6)."
(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision by the supervising agency or department shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department or supervising agency must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department or supervising agency may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department or supervising agency must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department or supervising agency of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department or supervising agency to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether the supervising agency or the department is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child by preventing the return of the child to the home of the child's parent and whether housing assistance should be provided by the department or supervising agency;

(vii) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

(viii) Whether preference has been given to placement with the child's relatives if such placement is in the child's best interests;

(ix) Whether both in-state and, where appropriate, out-of-state placements have been considered;

(x) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(xi) Whether terms of visitation need to be modified;

(xii) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;

(xiii) Whether any additional court orders need to be made to move the case toward permanency; and

(iv) There is no genuine issue of material fact that the parents have made no progress toward successfully correcting parental deficiencies identified in a dependency proceeding under this chapter.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with the supervising agency's case plan; and

(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the department's or supervising agency's case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect;

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. NEW SECTION. Sec. 5. TRANSFER ON DEATH DEED AUTHORIZED. An individual may transfer property to one or more beneficiaries effective at the transferor's death by a transfer on death deed. A transfer on death deed may not be used to effect a deed in lieu of foreclosure of a deed of trust.

NEW SECTION. Sec. 7. TRANSFER ON DEATH DEED NONTESTAMENTARY. A transfer on death deed is non testamentary.

NEW SECTION. Sec. 8. CAPACITY OF TRANSFEROR. The capacity required to make or revoke a transfer on death deed is the same as the capacity required to make a will.

NEW SECTION. Sec. 9. REQUIREMENTS. A transfer on death deed:

(1) Except as otherwise provided in subsection (2) of this section, must contain the essential elements and formalities of a properly recordable inter vivos deed;

(2) Must state that the transfer to the designated beneficiary is to occur at the transferor's death; and

(ii) An instrument of revocation that expressly revokes the deed or part of the deed; or

(iii) An inter vivos deed that expressly revokes the transfer on death deed or part of the deed; and

(b) Is acknowledged by the transferor after the acknowledgment of the deed being revoked and recorded before the transferor's death in the public records in the office of the county auditor of the county where the deed is recorded.

(2) If a transfer on death deed is made by more than one transferor:

(a) Revocation by a transferor does not affect the deed as to the interest of another transferor;

(b) A deed of joint owners is revoked only if it is revoked by all of the joint owners living at the time that the revocation is recorded; and

(c) A deed of community property by both spouses or by both domestic partners is revoked only if it is revoked by both of the spouses or domestic partners, provided that if only one of the spouses or domestic partners is then surviving, that spouse or domestic partner may revoke the deed.

(3) After a transfer on death deed is recorded, it may not be revoked by a revocatory act on the deed.

(4) This section does not limit the effect of an inter vivos transfer of the property.

NEW SECTION. Sec. 12. EFFECT OF TRANSFER ON DEATH DEED DURING TRANSFEROR'S LIFE. During a transferor's life, a transfer on death deed does not:

(1) Affect an interest or right of the transferor or any other owner, including the right to transfer or encumber the property;

(3) Affect an interest or right of a secured or unsecured creditor or future creditor of the transferor, even if the creditor has actual or constructive notice of the deed;

(4) Affect the transferor's or designated beneficiary's eligibility for any form of public assistance;

(5) Create a legal or equitable interest in favor of the designated beneficiary; or

(6) Subject the property to claims or process of a creditor of the designated beneficiary.

NEW SECTION. Sec. 13. EFFECT OF TRANSFER ON DEATH DEED AT TRANSFEROR'S DEATH. (1) Except as otherwise provided in this section, or in RCW 11.07.010, and 11.05A.030, on the death of the transferor, the following rules apply...
to property that is the subject of a transfer on death deed and owned by the transferor at death:

(a) Subject to (b) of this subsection, the interest in the property is transferred to the designated beneficiary in accordance with the deed.

(b) The interest of a designated beneficiary is contingent on the designated beneficiary surviving the transferor. The interest of a designated beneficiary that fails to survive the transferor lapses.

(c) Subject to (d) of this subsection, concurrent interests are transferred to the beneficiaries in equal and undivided shares with no right of survivorship.

(d) If the transferor has identified two or more designated beneficiaries to receive concurrent interests in the property, the share of one which lapses or fails for any reason is transferred to the other, or to the others in proportion to the interest of each in the remaining part of the property held concurrently.

(2) Subject to chapter 65.08 RCW, a beneficiary takes the property subject to all conveyances, encumbrances, assignments, contracts, mortgages, liens, and other interests to which the property is subject at the transferor's death, including liens recorded within twenty-four months after the transferor's death under RCW 41.05A.090 and 43.20B.080. For purposes of this subsection and chapter 65.08 RCW, the recording of the transfer on death deed is deemed to have occurred at the transferor's death.

(3) If a transferor is a joint owner and is:

(a) Survived by one or more other joint owners, the property that is the subject of a transfer on death deed belongs to the surviving joint owner or owners with right of survivorship; or

(b) The last surviving joint owner, the transfer on death deed is effective.

(4) If the property that is the subject of a transfer on death deed is community property and:

(a) The transferor is married and is not joined in the deed by the transferor's spouse or is in a registered domestic partnership and is not joined in the deed by the transferor's domestic partner, the transferor's interest in the property is transferred to the designated beneficiary in accordance with the deed on the transferor's death; or

(b) The transferor is married and is joined in the deed by the transferor's spouse, or is in a registered domestic partnership and is joined in the deed by the transferor's domestic partner, and:

(i) Is survived by the transferor's spouse or domestic partner, the deed is not effective upon the transferor's death; or

(ii) Is the surviving spouse or domestic partner, the transfer on death deed is effective on the transferor's death with respect to the transferor's interest in the property as of the time of the transferor's death.

(5) A transfer on death deed transfers property without covenant or warranty of title even if the deed contains a contrary provision.

NEW SECTION. Sec. 14. DISCLAIMER. A beneficiary may disclaim all or part of the beneficiary's interest as provided by chapter 11.86 RCW.

NEW SECTION. Sec. 15. LIABILITY FOR CREDITOR CLAIMS AND STATUTORY ALLOWANCES. A beneficiary of a transfer on death deed is liable for an allowed claim against the transferor's probate estate and statutory allowances to a surviving spouse and children to the extent provided in RCW 11.18.200, 11.42.085, and chapter 11.54 RCW.

NEW SECTION. Sec. 16. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among the states that enact it.

NEW SECTION. Sec. 17. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This act modifies, limits, and supersedes the federal
unilateral right to rescind or modify the arrangement; or a right of interest held by the person solely in a fiduciary capacity. For the definition of "nonprobate asset" relating to revocation of a provision for a former spouse upon dissolution of marriage or declaration of invalidity of marriage, RCW 11.07.010(5) applies. For the definition of "nonprobate asset" relating to revocation of a provision for a former spouse upon dissolution of marriage or declaration of invalidity of marriage, see RCW 11.07.010(5). For the definition of "nonprobate asset" relating to testamentary disposition of nonprobate assets, see RCW 11.11.010(7).

(11) "Personal representative" includes executor, administrator, special administrator, and guardian or limited guardian and special representative.

(12) "Real estate" includes, except as otherwise specifically provided herein, all lands, tenements, and hereditaments, and all rights thereto, and all interest therein possessed and claimed in fee simple, or for the life of a third person.

(13) "Representation" refers to a method of determining distribution in which the takers are in unequal degrees of kinship with respect to a decedent, and is accomplished as follows: After first determining who, of those entitled to share in the estate, are in the nearest degree of kinship, the estate is divided into equal shares, the number of shares being the sum of the number of persons who survive the decedent who are in the nearest degree of kinship and the number of persons in the same degree of kinship who died before the decedent but who left issue surviving the decedent; each share of a deceased person in the nearest degree ((shall)) must be divided among those of the deceased person's issue who survive the decedent and have no ancestor then living who is in the line of relationship between them and the decedent, those more remote in degree taking together the share which their ancestor would have taken had he or she survived the decedent.

(14) References to "section 2033A" of the internal revenue code in wills, trust agreements, powers of appointment, and other instruments governed by or subject to this title ((shall be)) are deemed to refer to the comparable or corresponding provisions of section 2057 of the internal revenue code, as added by section 6006(b) of the internal revenue service restructuring act of 1998 (H.R. 2676, P.L. 105-206); and references to the section 2033A "exclusion" ((shall be)) are deemed to mean the section 2057 deduction.

(15) "Settlor" has the same meaning as provided for "trustor" in this section.

(16) "Special administrator" means a personal representative of the estate of a decedent appointed for limited purposes and the term may be used in lieu of "personal representative" wherever required by context.

(17) "Surviving spouse" or "surviving domestic partner" does not include an individual whose marriage to or state registered domestic partnership with the decedent has been terminated, dissolved, or invalided unless, by virtue of a subsequent marriage or state registered domestic partnership, he or she is married to or in a domestic partnership with the decedent at the time of death. A decree of separation that does not terminate the status of spouses or domestic partners is not a dissolution or invalidation for purposes of this subsection.

(18) "Trustee" means an original, added, or successor trustee and includes the state, or any agency thereof, when it is acting as the trustee of a trust to which chapter 11.98 RCW applies.

(19) "Trustor" means a person, including a testator, who creates, or contributes property to, a trust.

(20) "Will" means an instrument validly executed as required by RCW 11.12.020.

Words that import the singular number may also be applied to the plural of persons and things.

Words importing the masculine gender only may be extended to females also.

Sec. 19. RCW 11.07.010 and 2008 c 6 s 906 are each amended to read as follows:

(1) This section applies to all nonprobate assets, wherever situated, held at the time of entry of a decree of dissolution of marriage or state registered domestic partnership or a declaration of invalidity or certification of termination of a state registered domestic partnership.

(2)(a) If a marriage or state registered domestic partnership is dissolved or invalidated, or a state registered domestic partnership terminated, a provision made prior to that event that relates to the payment or transfer at death of the decedent's interest in a nonprobate asset in favor of or granting an interest or power to the decedent's former spouse or state registered domestic partner, is revoked. A provision affected by this section must be interpreted, and the nonprobate asset affected passes, as if the former spouse or former state registered domestic partner, failed to survive the decedent, having died at the time of entry of the decree of dissolution or declaration of invalidity or termination of state registered domestic partnership.

(b) This subsection does not apply if and to the extent that:

(i) The instrument governing disposition of the nonprobate asset expressly provides otherwise;

(ii) The decree of dissolution, declaration of invalidity, or other court order requires that the decedent maintain a nonprobate asset for the benefit of a former spouse or former state registered domestic partner or children of the marriage or domestic partnership, payable on the decedent's death either outright or in trust, and other nonprobate assets of the decedent fulfilling such a requirement for the benefit of the former spouse or former state registered domestic partner or children of the marriage or domestic partnership do not exist at the decedent's death;

(iii) A court order requires that the decedent maintain a nonprobate asset for the benefit of another, payable on the decedent's death either outright or in trust, and other nonprobate assets of the decedent fulfilling such a requirement do not exist at the decedent's death; or

(iv) If not for this subsection, the decedent could not have effected the revocation by unilateral action because of the terms of the decree, declaration, termination of state registered domestic partnership, or for any other reason, immediately after the entry of the decree of dissolution, declaration of invalidity, or termination of state registered domestic partnership.

(3)(a) A payor or other third party in possession or control of a nonprobate asset at the time of the decedent's death is not liable for making a payment or transferring an interest in a nonprobate asset to a decedent's former spouse or state registered domestic partner, whose interest in the nonprobate asset is revoked under this section, or for taking another action in reliance on the validity of the instrument governing disposition of the nonprobate asset, before the payor or other third party has actual knowledge of the dissolution or other invalidation of marriage or termination of the state registered domestic partnership. A payor or other third party is liable for a payment or transfer made or other action taken after the payor or other third party has actual knowledge of a revocation under this section.

(b) This section does not require a payor or other third party to pay or transfer a nonprobate asset to a beneficiary designated in a governing instrument affected by the dissolution or other invalidation of marriage or termination of state registered domestic partnership, or to another person claiming an interest in the nonprobate asset, if the payor or third party has actual knowledge of the existence of a dispute between the former spouse or former state registered domestic partner, and the beneficiaries or other persons concerning rights of ownership of the nonprobate asset as a result of
the application of this section among the former spouse or former state registered domestic partner, and the beneficiaries or among other persons, or if the payor or third party is otherwise uncertain as to who is entitled to the nonprobate asset under this section. In such a case, the payor or third party may, without liability, notify in writing all beneficiaries or other persons claiming an interest in the nonprobate asset of either the existence of the dispute or its uncertainty as to who is entitled to payment or transfer of the nonprobate asset. The payor or third party may also, without liability, refuse to pay or transfer a nonprobate asset in such a circumstance to a beneficiary or other person claiming an interest until the time that either:

(i) All beneficiaries and other interested persons claiming an interest have consented in writing to the payment or transfer; or

(ii) The payment or transfer is authorized or directed by a court of proper jurisdiction.

(c) Notwithstanding subsections (1) and (2) of this section and (a) and (b) of this subsection, a payor or other third party having actual knowledge of the existence of a dispute between beneficiaries or other persons concerning rights to a nonprobate asset as a result of the application of this section may condition the payment or transfer of the nonprobate asset on execution, in a form and with security acceptable to the payor or other third party, of a bond in an amount that is double the fair market value of the nonprobate asset at the time of the decedent's death or the amount of an adverse claim, whichever is the lesser, or of a similar instrument to provide security to the payor or other third party, indemnifying the payor or other third party for any liability, loss, damage, costs, and expenses for and on account of payment or transfer of the nonprobate asset.

(d) As used in this subsection, "actual knowledge" means, for a payor or other third party in possession or control of the nonprobate asset at or following the decedent's death, written notice to the payor or other third party, or to an officer of a payor or other third party in the course of his or her employment, received after the decedent's death and within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge. The notice must identify the nonprobate asset with reasonable specificity. The notice also must be sufficient to inform the payor or other third party of the revocation of the provisions in favor of the decedent's spouse or state registered domestic partner, by reason of the dissolution or invalidation of marriage or termination of state registered domestic partnership, or to inform the payor or third party of a dispute concerning rights to a nonprobate asset as a result of the application of this section. Receipt of the notice for a period of more than thirty days is presumed to be received within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge, but receipt of the notice for a period of less than five business days is presumed not to be a sufficient time for these purposes. These presumptions may be rebutted only by clear and convincing evidence to the contrary.

(5)(a) As used in this section, "nonprobate asset" means those rights and interests of a person having beneficial ownership of an asset that pass on the person's death under only the following written instruments or arrangements other than the decedent's will:

1. A payable-on-death provision of a life insurance policy, employee benefit plan, annuity or similar contract, or individual retirement account, unless provided otherwise by controlling federal law;
2. A payable-on-death, trust, or joint right of survivorship bank account;
3. A trust of which the person is a grantor and that becomes effective or irrevocable only upon the person's death;
4. A transfer on death beneficiary designations of a transfer on death or pay on death security, or joint tenancy or joint tenancy with right of survivorship designations of a security, if such designations are authorized under Washington law;
5. A transfer on death, pay on death, joint tenancy, or joint tenancy with right of survivorship brokerage account;
6. A transfer on death deed;
7. Unless otherwise specifically provided therein, a contract wherein payment or performance under that contract is affected by the death of the person; or
8. Unless otherwise specifically provided therein, any other written instrument of transfer, within the meaning of RCW 11.02.091(3), containing a provision for the nonprobate transfer of an asset at death.

(b) For the general definition in this title of "nonprobate asset," see RCW 11.02.005((15)) (10) and for the definition of "nonprobate asset" relating to testamentary disposition of nonprobate assets, see RCW 11.11.010(7). For the purposes of this chapter, a "bank account" includes an account into or from which cash deposits and withdrawals can be made, and includes demand deposit accounts, time deposit accounts, money market accounts, or certificates of deposit, maintained at a bank, savings and loan association, credit union, brokerage house, or similar financial institution.

6. This section is remedial in nature and applies as of July 25, 1993, to decrees of dissolution and declarations of invalidity entered after July 24, 1993, and this section applies as of January 1, 1995, to decrees of dissolution and declarations of invalidity entered before July 25, 1993.

Sec. 20. RCW 11.11.010 and 2008 c 6 s 909 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.
(1)(a) "Actual knowledge" means:
   (i) For a financial institution, whether acting as personal representative or otherwise, or other third party in possession or control of a nonprobate asset, receipt of written notice that: (A) Complies with RCW 11.11.050; (B) pertains to the testamentary disposition or ownership of a nonprobate asset in its possession or control; and (C) is received by the financial institution or third party after the death of the owner in a time sufficient to afford the financial institution or third party a reasonable opportunity to act upon the knowledge; and
   (ii) For a personal representative that is not a financial institution, personal knowledge or possession of documents relating to the testamentary disposition or ownership of a nonprobate asset of the owner sufficient to afford the personal representative reasonable opportunity to act upon the knowledge, including reasonable opportunity for the personal representative to provide the written notice under RCW 11.11.050.

(b) For the purposes of (a) of this subsection, notice of more than thirty days is presumed to be notice that is sufficient to afford the party a reasonable opportunity to act upon the knowledge, but notice of less than five business days is presumed not to be a sufficient notice for these purposes. These presumptions may be rebutted only by clear and convincing evidence to the contrary.

(2) "Beneficiary" means the person designated to receive a nonprobate asset upon the death of the owner by means other than the owner's will.

(3) "Broker" means a person defined as a broker or dealer under the federal securities laws.

(4) "Date of will" means, as to any nonprobate asset, the date of signature of the will or codicil that refers to the asset and disposes of it.

(5) "Designate" means a written means by which the owner selects a beneficiary, including but not limited to instruments under contractual arrangements and registration of accounts, and "designation" means the selection.

(6) "Financial institution" means: A bank, trust company, mutual savings bank, savings and loan association, credit union, broker, or issuer of stock or its transfer agent.

(7)(a) "Nonprobate asset" means a nonprobate asset within the meaning of RCW 11.02.005, but excluding the following:
   (i) A right or interest in real property passing under a joint tenancy with right of survivorship;
   (ii) A deed or conveyance for which possession has been postponed until the death of the owner;
   (iii) A transfer on death deed;
   (iv) A right or interest passing under a community property agreement; and
   (v) An individual retirement account or bond.

(b) For the definition of "nonprobate asset" relating to revocation of a provision for a former spouse or former domestic partner upon dissolution of marriage or state registered domestic partnership or declaration of invalidity of marriage or state registered domestic partnership, see RCW 11.07.010(5).

(8) "Owner" means a person who, during life, has beneficial ownership of the nonprobate asset.

(9) "Request" means a request by the beneficiary for transfer of a nonprobate asset after the death of the owner, if it complies with all conditions of the arrangement, including reasonable special requirements concerning necessary signatures and regulations of the financial institution or other third party, or by the personal representative of the owner's estate or the testamentary beneficiary, if it complies with the owner's will and any additional conditions of the financial institution or third party for such transfer.

(10) "Testamentary beneficiary" means a person named under the owner's will to receive a nonprobate asset under this chapter, including but not limited to the trustee of a testamentary trust.

(11) "Third party" means a person, including a financial institution, having possession of or control over a nonprobate asset at the death of the owner, including the trustee of a revocable living trust and surviving joint tenant or tenants.

Sec. 21. RCW 11.18.200 and 1999 c 42 s 605 are each amended to read as follows:

(1) Unless expressly exempted by statute, a beneficiary of a nonprobate asset that was subject to satisfaction of the decedent's general liabilities immediately before the decedent's death takes the asset subject to liabilities, claims, estate taxes, and the fair share of expenses of administration reasonably incurred by the personal representative in the transfer of or administration upon the asset. The beneficiary of such an asset is liable to account to the personal representative to the extent necessary to satisfy liabilities, claims, the asset's fair share of expenses of administration, and the asset's share of any applicable estate taxes under chapter 83.110A RCW. Before making demand that a beneficiary of a nonprobate asset account to the personal representative, the personal representative ((shall)) must give notice to the beneficiary, in the manner provided in section 11.96A RCW, that the beneficiary is liable to account under this section.

(2) The following rules govern in applying subsection (1) of this section:

(a) A beneficiary of property passing at death under a community property agreement takes the property subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section. However, assets existing as community or separate property immediately before the decedent's death under the community property agreement are subject to the decedent's liabilities and claims to the same extent that they would have been had they been assets of the probate estate.

(b) A beneficiary of property held in joint tenancy form with right of survivorship, including without limitation United States savings bonds or similar obligations, takes the property subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section to the extent of the decedent's beneficial ownership interest in the property immediately before death.

(c) A beneficiary of payable-on-death or trust bank accounts, bonds, securities, or similar obligations, including without limitation United States bonds or similar obligations, takes the property subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section, to the extent of the decedent's beneficial ownership interest in the property immediately before death.

(d) A beneficiary of a transfer on death deed or of deeds or conveyances made by the decedent if possession has been postponed until the death of the decedent takes the property subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section, to the extent of the decedent's beneficial ownership interest in the property immediately before death.

(e) A trust for the decedent's use of which the decedent is the grantor is subject to the decedent's liabilities, claims, estate taxes, and administration expenses as described in subsection (1) of this section, to the same extent as the trust was subject to claims of the decedent's creditors immediately before death under RCW 19.36.020.

(f) A trust not for the use of the grantor but of which the decedent is the grantor and that becomes effective or irrevocable only upon the decedent's death is subject to the decedent's claims, liabilities, estate taxes, and expenses of administration as described in subsection (1) of this section.

(g) Anything in this section to the contrary notwithstanding, nonprobate assets that existed as community property immediately
before the decedent's death are subject to the decedent's liabilities and claims to the same extent that they would have been had they been assets of the probate estate.

(h) The liability of a beneficiary of life insurance is governed by chapter 48.18 RCW.

(i) The liability of a beneficiary of pension or retirement employee benefits is governed by chapter 6.15 RCW.

(j) An inference may not be drawn from (a) through (i) of this subsection that a beneficiary of nonprobate assets other than those assets specifically described in (a) through (i) of this subsection does or does not take the assets subject to claims, liabilities, estate taxes, and administration expenses as described in subsection (1) of this section.

(3) Nothing in this section derogates from the rights of a person interested in the estate to recover any applicable estate tax under chapter (83.110) 83.110A RCW or from the liability of any beneficiary for estate tax under chapter (83.110) 83.110A RCW.

(4) Nonprobate assets that may be responsible for the satisfaction of the decedent's general liabilities and claims abate together with the probate assets of the estate in accord with chapter 11.10 RCW.

Sec. 23. RCW 11.94.050 and 2011 c 327 s 4 are each amended to read as follows:

(1) Although a designated attorney-in-fact or agent has all powers of absolute ownership of the principal, or the document has language to indicate that the attorney-in-fact or agent (shall) has all the powers the principal would have if alive and competent, the attorney-in-fact or agent (shall) does not have the power to make, amend, alter, or revoke the principal's will or codicils, and (shall) does not have the power, unless specifically provided otherwise in the document: To make, amend, alter, or revoke any of the principal's life insurance, annuity, or similar contract beneficiary designations, employee benefit plan beneficiary designations, trust agreements, registration of the principal's securities in beneficiary form, payable on death or transfer on death beneficiary designations, designation of persons as joint tenants with right of survivorship with the principal with respect to any of the principal's property, community property agreements, transfer on death deeds, or any other provisions for nonprobate transfer at death contained in nonprobate instruments described in RCW 48.72.091; to make any gifts of property owned by the principal; to exercise the principal's rights to distribute property in trust or cause a trustee to distribute property in trust to the extent consistent with the terms of the trust agreement; to make transfers of property to any trust (whether or not created by the principal) unless the trust benefits the principal alone and does not have dispositive provisions which are different from those which would have governed the property had it not been transferred into the trust; or to disclaim property.

(2) Nothing in subsection (1) of this section prohibits an attorney-in-fact or agent from making any transfer of resources not prohibited under chapter 74.09 RCW when the transfer is for the purpose of qualifying the principal for medical assistance or the limited casualty program for the medically needy.

Sec. 24. RCW 82.45.010 and 2010 1st sp.s. c 23 s 207 are each amended to read as follows:

(1) As used in this chapter, the term "sale" has its ordinary meaning and includes any conveyance, grant, assignment, quitclaim, or transfer of the ownership of or title to real property, including standing timber, or any estate or interest therein for a valuable consideration, and any contract for such conveyance, grant, assignment, quitclaim, or transfer, and any lease with an option to purchase real property, including standing timber, or any estate or interest therein or other contract under which possession of the property is given to the purchaser, or any other person at the purchaser's direction, and title to the property is retained by the vendor as security for the payment of the purchase price. The term also includes the grant, assignment, quitclaim, sale, or transfer of improvements constructed upon leased land.

(2)(a) The term "sale" also includes the transfer or acquisition within any twelve-month period of a controlling interest in any entity with an interest in real property located in this state for a valuable consideration.

(b) For the sole purpose of determining whether, pursuant to the exercise of an option, a controlling interest was transferred or acquired within a twelve-month period, the date that the option agreement was executed is the date on which the transfer or acquisition of the controlling interest is deemed to occur. For all other purposes under this chapter, the date upon which the option is executed is the date of the transfer of the option as permitted by chapter 48.18 RCW.
exercised is the date of the transfer or acquisition of the controlling interest.

(c) For purposes of this subsection, all acquisitions of persons acting in concert must be aggregated for purposes of determining whether a transfer or acquisition of a controlling interest has taken place. The department must adopt standards by rule to determine when persons are acting in concert. In adopting a rule for this purpose, the department must consider the following:

(i) Persons must be treated as acting in concert when they have a relationship with each other such that one person influences or controls the actions of another through common ownership; and

(ii) When persons are not commonly owned or controlled, they must be treated as acting in concert only when the unity with which the purchasers have negotiated and will consummate the transfer of ownership interests supports a finding that they are acting as a single entity. If the acquisitions are completely independent, with each purchaser buying without regard to the identity of the other purchasers, then the acquisitions are considered separate acquisitions.

(3) The term “sale” does not include:

(a) A transfer by gift, devise, or inheritance.

(b) A transfer by gift on death deed, to the extent that it is not in satisfaction of a contractual obligation of the decedent owed to the recipient of the property.

(c) A transfer of any leasehold interest other than of the type mentioned above.

(d) A cancellation or forfeiture of a vendee's interest in a contract for the sale of real property, whether or not such contract contains a forfeiture clause, or deed in lieu of foreclosure of a mortgage.

(e) The partition of property by tenants in common by agreement or as the result of a court decree.

(f) The assignment of property or interest in property from one spouse or one domestic partner to the other spouse or other domestic partner in accordance with the terms of a decree of dissolution of marriage or state registered domestic partnership or in fulfillment of a property settlement agreement.

(g) The assignment or other transfer of a vendor's interest in a contract for the sale of real property, even though accompanied by a conveyance of the vendor's interest in the real property involved.

(h) Transfers by appropriation or decree in condemnation proceedings brought by the United States, the state or any political subdivision thereof, or a municipal corporation.

(i) A mortgage or other transfer of an interest in real property merely to secure a debt, or the assignment thereof.

(j) Any transfer or conveyance made pursuant to a deed of trust or an order of sale by the court in any mortgage, deed of trust, or lien foreclosure proceeding or upon execution of a judgment, or deed in lieu of foreclosure to satisfy a mortgage or deed of trust.

(k) A conveyance to the federal housing administration or veterans administration by an authorized mortgagee made pursuant to a contract of insurance or guaranty with the federal housing administration or veterans administration.

(l) A transfer in compliance with the terms of any lease or contract upon which the tax as imposed by this chapter has been paid or where the lease or contract was entered into prior to the date this tax was first imposed.

(m) The sale of any grave or lot in an established cemetery.

(n) A sale by the United States, this state or any political subdivision thereof, or a municipal corporation of this state.

(o) A sale to a regional transit authority or public corporation under RCW 81.112.320 under a sale/leaseback agreement under RCW 81.112.300.

(p) A transfer of real property, however effected, if it consists of a mere change in identity or form of ownership of an entity where there is no change in the beneficial ownership. These include transfers to a corporation or partnership which is wholly owned by the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner. However, if thereafter such transferee corporation or partnership voluntarily transfers such real property, or such transferor, spouse or domestic partner, or children of the transferor or the transferor's spouse or domestic partner voluntarily transfer stock in the transferee corporation or interest in the transferee partnership capital, as the case may be, to other than (i) the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, (ii) a trust having the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner as the only beneficiaries at the time of the transfer to the trust, or (iii) a corporation or partnership wholly owned by the original transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, within three years of the original transfer to which this exemption applies, and the tax on the subsequent transfer has not been paid within sixty days of becoming due, excise taxes become due and payable on the original transfer as otherwise provided by law.

(q) A transfer that for federal income tax purposes does not involve the recognition of gain or loss for entity formation, liquidation or dissolution, and reorganization, including but not limited to nonrecognition of gain or loss because of application of 26 U.S.C. Sec. 332, 337, 351, 368(a)(1), 721, or 731 of the internal revenue code of 1986, as amended.

(i) However, the transfer described in (q)(i) of this subsection cannot be preceded or followed within a twelve-month period by another transfer or series of transfers, that, when combined with the otherwise exempt transfer or transfers described in (q)(i) of this subsection, results in the transfer of a controlling interest in the entity for valuable consideration, and in which one or more persons previously holding a controlling interest in the entity receive cash or property in exchange for any interest the person or persons acting in concert hold in the entity. This subsection ((p)) (q)(i) does not apply to that part of the transfer involving property received that is the real property interest that the person or persons originally contributed to the entity or when one or more persons who did not contribute real property or belong to the entity at a time when real property was purchased receive cash or personal property in exchange for that person or persons' interest in the entity. The real estate excise tax under this subsection ((p)) (q)(i) is imposed upon the person or persons who previously held a controlling interest in the entity.

(r) A qualified sale of a manufactured/mobile home community, as defined in RCW 59.20.030, that takes place on or after June 12, 2008, but before December 31, 2018.

Sec. 25. RCW 82.45.197 and 2008 c 269 s 1 are each amended to read as follows:

In order to receive an exemption from the tax in this chapter on real property transferred as a result of inheritance under RCW 82.45.010(3)(a), the following documentation must be provided:

(1) If the property is being transferred under the terms of a community property agreement, a copy of the recorded agreement and a certified copy of the death certificate;

(2) If the property is being transferred under the terms of a trust instrument, a certified copy of the death certificate and a copy of the trust instrument showing the authority of the grantor;

(3) If the property is being transferred under the terms of a probated will, a certified copy of the letters testamentary or in the case of intestate administration, a certified copy of the letters of
administration showing that the grantor is the court-appointed executor, executrix, or administrator, and a certified copy of the death certificate;

(4) In the case of joint tenants with right of survivorship and remainder interests, a certified copy of the death certificate is recorded to perfect title;

(5) If the property is being transferred pursuant to a court order, a certified copy of the court order requiring the transfer, and confirming that the grantor is required to do so under the terms of the order; (or)

(6) If the community property interest of the decedent is being transferred to a surviving spouse or surviving domestic partner absent the documentation set forth in subsections (1) through (5) of this section, a certified copy of the death certificate and a signed affidavit from the surviving spouse or surviving domestic partner affirming that he or she is the sole and rightful heir to the property; or

(7) If the property is being transferred pursuant to a transfer on death deed, a certified copy of the death certificate is recorded to perfect title.

Sec. 26. RCW 82.45.150 and 1996 c 149 s 6 are each amended to read as follows:

All of chapter 82.32 RCW, except RCW 82.32.030, 82.32.050, 82.32.140, 82.32.270, and 82.32.090 (1) and ((10)), applies to the tax imposed by this chapter, in addition to any other provisions of law for the payment and enforcement of the tax imposed by this chapter. The department of revenue (shall) must by rule provide for the effective administration of this chapter. The rules (shall) must prescribe and furnish a real estate excise tax affidavit form verified by both the seller and the buyer, or agents of each, to be used by each county, or the department, as the case may be, in the collection of the tax imposed by this chapter, except that an affidavit given in connection with grant of an easement or right-of-way to a gas, electrical, or telecommunications company, as defined in RCW 80.04.010, or to a public utility district or cooperative that distributes electricity, need be verified only on behalf of the company, district, or cooperative and except that a transfer on death deed need be verified only on behalf of the transferor. The department of revenue (shall) must annually conduct audits of transactions and affidavits filed under this chapter.

Sec. 27. RCW 84.33.140 and 2013 2nd sp.s c 11 s 13 are each amended to read as follows:

(1) When land has been designated as forest land under RCW 84.33.130, a notation of the designation must be made each year upon the assessment and tax rolls. A copy of the notice of approval together with the legal description or assessor's parcel numbers for the land must, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded.

(2) In preparing the assessment roll as of January 1, 2002, for taxes payable in 2003 and each January 1st thereafter, the assessor must list each parcel of designated forest land at a value with respect to the grade and class provided in this subsection and adjusted as provided in subsection (3) of this section. The assessor must compute the assessed value of the land using the same assessment ratio applied generally in computing the assessed value of other property in the county. Values for the several grades of bare forest land are as follows:

<table>
<thead>
<tr>
<th>LAND GRADE</th>
<th>OPERABILITY CLASS</th>
<th>VALUES PER ACRE</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>2</td>
<td>$234</td>
</tr>
</tbody>
</table>

(3) On or before December 31, 2001, the department must adjust by rule under chapter 34.05 RCW, the forest land values contained in subsection (2) of this section in accordance with this subsection, and must certify the adjusted values to the assessor who will use these values in preparing the assessment roll as of January 1, 2002. For the adjustment to be made on or before December 31, 2001, for use in the 2002 assessment year, the department must:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1996, and June 30, 2001, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and
(b) Divide the aggregate value of all timber harvested within the state between July 1, 1995, and June 30, 2000, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 84.33.074; and

(c) Adjust the forest land values contained in subsection (2) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

(4) For the adjustments to be made on or before December 31, 2002, and each succeeding year thereafter, the same procedure described in subsection (3) of this section must be followed using harvester excise tax returns filed under RCW 84.33.074. However, this adjustment must be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values must be successively one year more recent.

(5) Land graded, assessed, and valued as forest land must continue to be so graded, assessed, and valued until removal of designation by the assessor upon the occurrence of any of the following:

(a) Receipt of notice from the owner to remove the designation;
(b) Sale or transfer to an ownership making the land exempt from ad valorem taxation;
(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of forest land designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner or transfer by a transfer on death deed, does not, by itself, result in removal of designation. The signed notice of continuance must be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance must be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated under subsection (11) of this section are due and payable by the seller or transferor at time of sale. The auditor may not accept an instrument of conveyance regarding designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (11) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;
(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:
(i) The land is no longer primarily devoted to and used for growing and harvesting timber. However, land may not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (13) or (14) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in the designated forest land by means of a transaction that qualifies for an exemption under subsection (13) or (14) of this section. The governmental agency, organization, or recipient must annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;
(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control, and forest debris provisions of Title 76 RCW or any applicable rules under Title 76 RCW; or
(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.
(6) Land may not be removed from designation if there is a governmental restriction that prohibits, in whole or in part, the owner from harvesting timber from the owner's designated forest land. If only a portion of the parcel is impacted by governmental restrictions of this nature, the restrictions cannot be used as a basis to remove the remainder of the forest land from designation under this chapter. For the purposes of this section, "governmental restrictions" includes: (a) Any law, regulation, rule, ordinance, program, or other action adopted or taken by a federal, state, county, city, or other governmental entity; or (b) the land's zoning or its presence within an urban growth area designated under RCW 36.70A.110.

(7) The assessor has the option of requiring an owner of forest land to file a timber management plan with the assessor upon the occurrence of one of the following:

(a) An application for designation as forest land is submitted; or
(b) Designated forest land is sold or transferred and a notice of continuance, described in subsection (5)(c) of this section, is signed.

(8) If land is removed from designation because of any of the circumstances listed in subsection 5(a) through (c) of this section, the removal applies only to the land affected. If land is removed from designation because of subsection 5(d) of this section, the removal applies only to the actual area of land that is no longer primarily devoted to the growing and harvesting of timber, without regard to any other land that may have been included in the application and approved for designation, as long as the remaining designated forest land meets the definition of forest land contained in RCW 84.33.035.

(9) Within thirty days after the removal of designation as forest land, the assessor must notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(10) Unless the removal is reversed on appeal a copy of the notice of removal with a notation of the action, if any, upon appeal, together with the legal description or assessor's parcel numbers for the land removed from designation must, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded and a notation of removal from designation must immediately be made upon the assessment and tax rolls. The assessor must revalue the land to be removed with reference to its true and fair value as of January 1st of the year of removal from designation. Both the assessed value before and after the removal of designation must be listed. Taxes based on the value of the land as forest land are assessed and payable up until the date of removal and taxes based on the true and fair value of the land are assessed and payable from the date of removal from designation.

(11) Except as provided in subsection (5)(c), (13), or (14) of this section, a compensating tax is imposed on land removed from designation as forest land. The compensating tax is due and payable to the treasurer thirty days after the owner is notified of the amount of this tax. As soon as possible after the land is removed from designation, the assessor must compute the amount of compensating tax and mail a notice to the owner of the amount of compensating tax owed and the date on which payment of this tax is due. The amount of compensating tax is equal to the difference between the amount of tax last levied on the land as designated forest land and an amount equal to the new assessed value of the land multiplied by the dollar rate of the last levy extended against the land, multiplied by a number, in no event greater than nine, equal to the number of years for which the land was designated as forest land, plus compensating taxes on the land at forest land values up until the date of removal and the prorated taxes on the land at true
(12) Compensating tax, together with applicable interest thereon, becomes a lien on the land, which attaches at the time the land is removed from designation as forest land and has priority and must be fully paid and satisfied before any recognition, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date will thereupon become delinquent. From the date of delinquency until paid, interest is charged at the same rate applied by law to delinquent ad valorem property taxes.

(13) The compensating tax specified in subsection (11) of this section may not be imposed if the removal of designation under subsection (5) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW or approved for state natural resources conservation area purposes as defined in chapter 79.71 RCW, or for acquisition and management as a community forest trust as defined in chapter 79.155 RCW. At such time as the land is no longer used for the purposes enumerated, the compensating tax imposed under subsection (11) of this section is imposed upon the current owner;

(d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;

(e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of the land;

(f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(g) The creation, sale, or transfer of a conservation easement of private forest lands within unconfined channel migration zones or containing critical habitat for threatened or endangered species under RCW 76.09.040;

(h) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (13)(h);

(i) The discovery that the land was designated under this chapter in error through no fault of the owner. For purposes of this subsection (13)(i), “fault” means a knowingly false or misleading statement, or other act or omission not in good faith, that contributed to the approval of designation under this chapter or the failure of the assessor to remove the land from designation under this chapter;

(ii) For purposes of this subsection (13), the discovery that land was designated under this chapter in error through no fault of the owner is not the sole reason for removal of designation under subsection (5) of this section if an independent basis for removal exists. An example of an independent basis for removal includes the land no longer being devoted to and used for growing and harvesting timber;

(14) In a county with a population of more than six hundred thousand inhabitants or in a county with a population of at least two hundred forty-five thousand inhabitants that borders Puget Sound as defined in RCW 90.71.010, the compensating tax specified in subsection (11) of this section may not be imposed if the removal of designation as forest land under subsection (5) of this section resulted solely from:

(a) An action described in subsection (13) of this section;

(b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax is imposed upon the current owner.

Sec. 28. RCW 84.34.108 and 2009 c 513 s 2, 2009 c 354 s 3, 2009 c 255 s 2, and 2009 c 246 s 3 are each reenacted and amended to read as follows:

(1) When land has once been classified under this chapter, a notation of the classification (shall) must be made each year upon the assessment and tax rolls and the land (shall) must be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of the classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of the classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner (shall) or transfer by a transfer on death deed does not, by itself, result in removal of classification. The notice of continuance (shall) must be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (4) of this section (shall) become due and payable by the seller or transferee at time of sale. The auditor (shall) may not accept an instrument of conveyance regarding classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferee, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d)(i) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of the land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

(ii) The granting authority, upon request of an assessor, (shall) must provide reasonable assistance to the assessor in making a determination whether the land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance (shall) must be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:
(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

3 Within thirty days after the removal of all or a portion of the land from current use classification under subsection (1) of this section, the assessor ((shall)) must notify the owner in writing, setting forth the reasons for the removal. The seller, transferee, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038. The removal notice must explain the steps needed to appeal the removal decision, including when a notice of appeal must be filed, where the forms may be obtained, and how to contact the county board of equalization.

4 Unless the removal is reversed on appeal, the assessor ((shall)) must revalue the affected land with reference to its true and fair value on January 1st of the year of removal from classification. Both the assessed valuation before and after the removal of classification ((shall)) must be listed and taxes ((shall)) must be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty ((shall)) must be imposed which ((shall be)) are due and payable to the treasurer thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor ((shall)) must compute the amount of additional tax, applicable interest, and penalty and the treasurer ((shall)) must mail notice to the owner of the amount thereof and the date on which payment is due. The amount of the additional tax, applicable interest, and penalty ((shall)) must be determined as follows:

(a) The amount of additional tax ((shall be)) is equal to the difference between the property tax paid as "open space land," "farm and agricultural land," or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) The amount of applicable interest ((shall be)) is equal to the interest upon the amounts of the additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

(c) The amount of the penalty ((shall be)) is as provided in RCW 84.34.080. The penalty ((shall)) may not be imposed if the removal satisfies the conditions of RCW 84.34.070.

5 Additional tax, applicable interest, and penalty ((shall)) become a lien on the land ((which shall attach)) that attaches at the time the land is removed from classification under this chapter and ((shall)) have priority to and ((shall)) must be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which the land may become charged or liable. This lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any additional tax unpaid on its due date ((shall)) will thereupon become delinquent. From the date of delinquency until paid, interest ((shall)) must be charged at the same rate applied by law to delinquent ad valorem property taxes.

6 The additional tax, applicable interest, and penalty specified in subsection (4) of this section ((shall)) may not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of the property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of the land;

(e) Transfer of land to a church when the land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections. At such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (4) of this section ((shall)) must be imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(d);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(j) The creation, sale, or transfer of a conservation easement of private forest lands within unconfined channel migration zones or containing critical habitat for threatened or endangered species under RCW 76.09.040;

(k) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under chapter 84.33 RCW, or classified under this chapter continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (6)(k); or

(l)(i) The discovery that the land was classified under this chapter in error through no fault of the owner. For purposes of this subsection (6)(l), "fault" means a knowingly false statement, or other act or omission not in good faith, that contributed to the approval of classification under this chapter or the failure of the assessor to remove the land from classification under this chapter.

(ii) For purposes of this subsection (6), the discovery that land was classified under this chapter in error through no fault of the owner is not the sole reason for removal of classification pursuant to subsection (1) of this section if an independent basis for removal exists. Examples of an independent basis for removal include the owner changing the use of the land or failing to meet any applicable income criteria required for classification under this chapter.

MOTION

"Sec. 1. RCW 77.55.181 and 2010 c 210 s 29 are each amended to read as follows:

(1)(a) In order to receive the permit review and approval process created in this section, a fish habitat enhancement project must meet the criteria under ((1)(a) and (b)(a)) of this ((subsection));

(a) A fish habitat enhancement project) section and must be a project to accomplish one or more of the following tasks:

(i) Elimination of human-made or caused fish passage barriers, including culvert repair and replacement;

(ii) Restoration of an eroded or unstable streambank employing the principle of bioengineering, including limited use of rock as a stabilization only at the toe of the bank, and with primary emphasis on using native vegetation to control the erosive forces of flowing water; or

(iii) Placement of woody debris or other instream structures that benefit naturally reproducing fish stocks.

(b) The department shall develop size or scale threshold tests to determine if projects accomplishing any of these tasks should be evaluated under the process created in this section or under other project review and approval processes. A project proposal shall not be reviewed under the process created in this section if the department determines that the scale of the project raises concerns regarding public health and safety((c) of

((d))) (c) A fish habitat enhancement project must be approved in one of the following ways in order to receive the permit review and approval process created in this section:

(i) By the department pursuant to chapter 77.95 or 77.100 RCW;

(ii) By the sponsor of a watershed restoration plan as provided in chapter 89.08 RCW;

(iii) By the department as a department-sponsored fish habitat enhancement or restoration project;

(iv) Through the review and approval process for the jobs for the environment program;

(v) Through the review and approval process for conservation district-sponsored projects, where the project complies with design standards established by the conservation commission through interagency agreement with the United States fish and wildlife service and the natural resource conservation service;

(vi) Through a formal grant program established by the legislature or the department for fish habitat enhancement or restoration; ((and))

(vii) Through the department of transportation's environmental retrofit program as a stand-alone fish passage barrier correction project;

(viii) Through a local, state, or federally approved fish barrier removal grant program designed to assist local governments in implementing stand-alone fish passage barrier corrections;

(ix) By a city or county for a stand-alone fish passage barrier correction project funded by the city or county; and

(x) Through other formal review and approval processes established by the legislature.

(2) Fish habitat enhancement projects meeting the criteria of subsection (1) of this section are expected to result in beneficial impacts to the environment. Decisions pertaining to fish habitat enhancement projects meeting the criteria of subsection (1) of this section and being reviewed and approved according to the provisions of this section are not subject to the requirements of RCW 43.21C.030(2)(c).

(3)(a) A permit is required for projects that meet the criteria of subsection (1) of this section and are being reviewed and approved under this section. An applicant shall use a joint aquatic resource permit application form developed by the office of regulatory assistance to apply for approval under this chapter. On the same day, the applicant shall provide copies of the completed application form to the department and to each appropriate local government.

(b) Local governments shall accept the application as notice of the proposed project. The department shall provide a fifteen-day comment period during which it will receive comments regarding environmental impacts.

(c) Within forty-five days, the department shall either issue a permit, with or without conditions, deny approval, or make a determination that the review and approval process created by this section is not appropriate for the proposed project. The department shall base this determination on identification during the comment period of adverse impacts that cannot be mitigated by the conditioning of a permit.

(d) If the department determines that the review and approval process created by this section is not appropriate for the proposed project, the department shall notify the applicant and the appropriate local governments of its determination. The applicant may reapply for approval of the project under other review and approval processes.
Any person aggrieved by the approval, denial, conditioning, or modification of a permit under this section may appeal the decision as provided in RCW 77.55.021(((444))) (8).

(4) No local government may require permits or charge fees for fish habitat enhancement projects that meet the criteria of subsection (1) of this section and that are reviewed and approved according to the provisions of this section.

(5) No civil liability may be imposed by any court on the state or its officers and employees for any adverse impacts resulting from a fish enhancement project permitted by the department under the criteria of this section except upon proof of gross negligence or willful or wanton misconduct.

Sec. 2. RCW 77.95.180 and 2010 1st sp.s. c 7 s 83 are each amended to read as follows:

(1)(a) To maximize available state resources, the department and the department of transportation ((shall)) must work in partnership to identify ((cooperative)) and complete projects to eliminate fish passage barriers caused by state roads and highways.

(b) The partnership between the department and the department of transportation must be based on the principle of maximizing habitat recovery through a coordinated investment strategy that, to the maximum extent practical and allowable, prioritizes opportunities: To correct multiple fish barriers in whole streams rather than through individual, isolated projects; to coordinate with other entities sponsoring barrier removals, such as regional fisheries enhancement groups incorporated under this chapter, in a manner that achieves the greatest cost savings to all parties; and to correct barriers located furthest downstream in a stream system. Examples of this principle include:

(i) Coordinating with all relevant state agencies and local governments to maximize the habitat recovery value of the investments made by the state to correct fish passage barriers;

(ii) Maximizing the habitat recovery value of investments made by public and private forest landowners through the road maintenance and abandonment planning process outlined in the forest practices rules, as that term is defined in RCW 76.09.020;

(iii) Recognizing that many of the barriers owned by the state are located in the same stream systems as barriers that are owned by cities and counties with limited financial resources for correction and that state-local partnership opportunities should be sought to address these barriers; and

(iv) Recognizing the need to continue investments in the family forest fish passage program created pursuant to RCW 76.13.150 and other efforts to address fish passage barriers owned by private parties that are in the same stream systems as barriers owned by public entities.

(2) The department ((of transportation)) shall also provide engineering and other technical services to assist ((regional fisheries enhancement groups)) nonstate barrier owners with fish passage barrier removal projects, provided that the barrier removal projects have been identified as a priority by the department ((of fish and wildlife)) and the department ((of transportation)) has received an appropriation to continue ((if)) that component of a fish barrier removal program.

(3) Nothing in this section is intended to:

(a) Alter the process and prioritization methods used in the implementation of the forest practices rules, as that term is defined in RCW 76.09.020, or the family forest fish passage program, created pursuant to RCW 76.13.150, that provides public cost assistance to small forest landowners associated with the road maintenance and abandonment processes; or

(b) Prohibit or delay fish barrier projects undertaken by the department of transportation or another state agency that are a component of an overall transportation improvement project or that are being undertaken as a direct result of state law, federal law, or a court order. However, the department of transportation or another state agency is required to work in partnership with the fish passage barrier removal board created in RCW 77.95.160 to ensure that the scheduling, staging, and implementation of these projects are, to maximum extent practicable, consistent with the coordinated and prioritized approach adopted by the fish passage barrier removal board.

Sec. 3. RCW 77.95.170 and 1999 c 242 s 4 are each amended to read as follows:

(1) The department ((of transportation and the department of fish and wildlife)) may ((administer and)) coordinate with the recreation and conservation office in the administration of all state grant programs specifically designed to assist state agencies, ((local governments)), private landowners, tribes, organizations, and volunteer groups in identifying and removing impediments to salmonid fish passage. The transportation improvement board may administer all grant programs specifically designed to assist cities, counties, and other units of local governments with fish passage barrier corrections associated with transportation projects. All grant programs must be administered and be consistent with the following:

(a) Salmonid-related corrective projects, inventory, assessment, and prioritization efforts;

(b) Salmonid projects subject to a competitive application process; and

(c) A minimum dollar match rate that is consistent with the funding authority’s criteria. If no funding match is specified, a match amount of at least twenty-five percent per project is required. For local, private, and volunteer projects, in-kind contributions may be counted toward the match requirement.

(2) Priority shall be given to projects that ((immediately increase access to available and improved spawning and rearing habitat for depressed, threatened, and endangered stocks. Priority shall also be given to project applications that are coordinated with other efforts within a watershed)) match the principles provided in RCW 77.95.180.

(3) ((Except for projects administered by the transportation improvement board.)) All projects subject to this section shall be reviewed and approved by the fish passage barrier removal (task force) board created in RCW 77.95.160 or an alternative oversight committee designated by the state legislature.

(4) Other agencies that administer natural resource-based grant programs ((that may include fish passage barrier removal projects)) shall use fish passage selection criteria that are consistent with this section when those programs are addressing fish passage barrier removal projects.

(5) (a) The ((departments of transportation and fish and wildlife)) department shall establish a centralized database directory of all fish passage barrier information. The database directory must include, but is not limited to, existing fish passage inventories, fish passage projects, grant program applications, and other databases. These data must be used to coordinate and assist in habitat recovery and project mitigation projects.

(b) The department must develop a barrier inventory training program that qualifies participants to perform barrier inventories and develop data that enhance the centralized database. The department may decide the qualifications for participation. However, employees and volunteers of conservation districts and regional salmon recovery groups must be given priority consideration.

Sec. 4. RCW 77.95.160 and 2000 c 107 s 110 are each amended to read as follows:

(1) The department ((and the department of transportation)) shall ((convene)) maintain a fish passage barrier removal (task force) board. ((The task force shall consist of one representative...)}
each from the department, the department of transportation, the department of ecology, tribes, cities, counties, a business organization, an environmental organization, regional fisheries enhancement groups, and other interested entities as deemed appropriate by the cochairs. The persons representing the department and the department of transportation shall serve as cochairs of the task force and shall appoint members to the task force. The task force shall make recommendations to expand the program in RCW 77.95.180. The board must be composed of a representative from the department, the department of transportation, cities, counties, the governor’s salmon recovery office, tribal governments, and the department of natural resources. The representative of the department must serve as chair of the board and may expand the membership of the board to representatives of other governments, stakeholders, and interested entities.

(2)(a) The duty of the board is to identify and expedite the removal of human-made or caused impediments to anadromous fish passage in the most efficient manner practical. (Program) through the development of a coordinated approach and schedule that identifies and prioritizes the projects necessary to eliminate fish passage barriers caused by state and local roads and highways and barriers owned by private parties.

(b) The coordinated approach must address fish passage barrier removals in all areas of the state in a manner that is consistent with a recognition that scheduling and prioritization is necessary.

(c) The board must coordinate and mutually share information, when appropriate, with:

(i) Other fish passage correction programs, including local salmon recovery plan implementation efforts through the governor’s salmon recovery office;

(ii) The applicable conservation districts when developing schedules and priorities within set geographic areas or counties; and

(iii) The recreation and conservation office to ensure that barrier removal methodologies are consistent with, and maximizing the value of, other salmon recovery efforts and habitat improvements that are not primarily based on the removal of barriers.

(d) Recommendations (shall) must include (a) proposed funding mechanisms and other necessary mechanisms and methodologies to coordinate (and prioritize) state, tribal, local, and volunteer barrier removal efforts within each water resource inventory area and satisfy the principles of RCW 77.95.180. To the degree practicable, the board must utilize the database created in RCW 77.95.170 and information on fish barriers developed by conservation districts to guide methodology development. The board may consider recommendations by interested entities from the private sector and regional fisheries enhancement groups.

(e) When developing a prioritization methodology under this section, the board shall consider:

(i) Projects benefiting depressed, threatened, and endangered stocks;

(ii) Projects providing access to available and high quality spawning and rearing habitat;

(iii) Correcting the lowest barriers within the stream first;

(iv) Whether an existing culvert is a full or partial barrier;

(v) Projects that are coordinated with other adjacent barrier removal projects; and

(vi) Projects that address replacement of infrastructure associated with flooding, erosion, or other environmental damage. (A priority shall be given to projects that immediately increase access to available and improved spawning and rearing habitat for depressed, threatened, and endangered stocks. The department or the department of transportation may contract with cities and counties to assist in the identification and removal of impediments to anadromous fish passage.)

(f) The board may not make decisions on fish passage standards or categorize as impassible culverts or other infrastructure developments that have been deemed passable by the department.

NEW SECTION. Sec. 5. A new section is added to chapter 77.95 RCW to read as follows:

The department must implement RCW 77.95.160 and 77.95.180 within existing funds.

(2) The department of fish and wildlife must report back to the legislature, consistent with RCW 43.01.036, by October 31, 2016, summarizing the information gathered and any progress made towards using the bundling concept to streamline permitting for transportation-related fish barrier removal projects.

Concerning technology-enhanced government surveillance.

MOTION

Senator Padden moved that the following committee striking amendment by the Committee on Law & Justice be not adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that technological advances have provided new, unique equipment that may be utilized for surveillance purposes. These technological advances often outpace statutory protections and can lead to inconsistent or contradictory interpretations between jurisdictions.

The legislature finds that regardless of application or size, the use of these extraordinary surveillance technologies, without public debate or clear legal authority, creates uncertainty for citizens and agencies throughout Washington state. The legislature finds that extraordinary surveillance technologies do present a substantial privacy risk potentially contrary to the strong privacy protections enshrined in Article I, section 7 of the Washington state Constitution that reads "No person shall be disturbed in his private affairs, or his home invaded, without authority of law." The legislature further finds that the lack of clear statutory authority for the use of extraordinary surveillance technologies may increase liability to state and local jurisdictions. It is the intent of the legislature to provide clear standards for the lawful use of extraordinary surveillance technologies by state and local jurisdictions.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this subchapter unless the context clearly requires otherwise.

(a) "Agency" means the state of Washington, its agencies, and political subdivisions, except the Washington national guard in Title 32 U.S.C. status.

(b) "Agency" also includes any entity or individual, whether public or private, with which any of the entities identified in (a) of this subsection has entered into a contractual relationship or any other type of relationship, with or without consideration, for the operation of an extraordinary sensing device that acquires, collects, or indexes personal information to accomplish an agency function.

(c) "Court of competent jurisdiction" means any district court of the United States, or a court of general jurisdiction authorized by the state of Washington to issue search warrants.

(d) "Extraordinary sensing device" means a sensing device attached to an unmanned aircraft system.

(e) "Governor" means the council, commission, board, or other controlling body of an agency in which legislative powers are vested, except that for a state agency for which there is no governing body other than the state legislature, "governing body" means the chief executive officer responsible for the governance of the agency.

(f) "Personal information" means all information that:

(i) His or her social security number, driver's license number, agency-issued identification number, student identification number, real or personal property holdings derived from tax returns, and the person's education, financial transactions, medical history, ancestry, religion, political ideology, or criminal or employment record; or
(i) Intellectual property, trade secrets, proprietary information, or operational information;
(b) Affords a basis for inferring personal characteristics, such as finger and voice prints, photographs, or things done by or to such person; and the record of the person's presence, registration, or membership in an organization or activity, or admission to an institution; or
(c) Indexes anything about a person including, but not limited to, his or her activities, behaviors, pursuits, conduct, interests, movements, occupations, or associations.
(6)(a) "Sensing device" means a device capable of remotely acquiring personal information from its surroundings, using any frequency of the electromagnetic spectrum, or a sound detecting system.
(b) "Sensing device" does not include equipment whose sole function is to provide information directly necessary for safe air navigation or operation of a vehicle.
(7) "Unmanned aircraft system" means an aircraft that is operated without the possibility of human intervention from within or on the aircraft, together with associated elements, including communication links and components that control the unmanned aircraft that are required for the pilot in command to operate safely and efficiently in the national airspace system.

NEW SECTION. Sec. 3. Except as otherwise specifically authorized in this subchapter, it is unlawful for an agency to operate an extraordinary sensing device or disclose personal information about any person acquired through the operation of an extraordinary sensing device.

NEW SECTION. Sec. 4. (1) No state agency or organization having jurisdiction over criminal law enforcement or regulatory violations including, but not limited to, the Washington state patrol, shall procure an extraordinary sensing device without the explicit approval of the legislature, given for that specific extraordinary sensing device to be used for a specific purpose.
(2) No local agency having jurisdiction over criminal law enforcement or regulatory violations shall procure an extraordinary sensing device without the explicit approval of the governing body of such locality, given for that specific extraordinary sensing device to be used for a specific purpose.

NEW SECTION. Sec. 5. The governing body for each agency must develop and make publicly available, including on the agency web site, written policies and procedures for the use of any extraordinary sensing device procured, and provide notice and opportunity for public comment prior to adoption of the written policies and procedures.

NEW SECTION. Sec. 6. All operations of an extraordinary sensing device, by an agency, or disclosure of personal information about any person acquired through the operation of an extraordinary sensing device, by an agency, must be conducted in such a way as to minimize the collection and disclosure of personal information not authorized under this subchapter.

NEW SECTION. Sec. 7. (1) An extraordinary sensing device may be operated and personal information from such operation disclosed, if the operation and collection of personal information is pursuant to a search warrant issued by a court of competent jurisdiction as provided in this section, and the operation, collection, and disclosure are compliant with the provisions of this chapter.
(2) Each petition for a search warrant from a judicial officer to permit the use of an extraordinary sensing device and personal information collected from such operation must be made in writing, upon oath or affirmation, to a judicial officer in a court of competent jurisdiction for the geographic area in which an extraordinary sensing device is to be operated or where there is probable cause to believe the offense for which the extraordinary sensing device is sought has been committed, is being committed, or will be committed.
(3) The law enforcement officer shall submit an affidavit that includes:
(a) The identity of the applicant and the identity of the agency conducting the investigation;
(b) The identity of the individual, if known, and area for which use of the extraordinary sensing device is being sought;
(c) Specific and articulable facts demonstrating probable cause to believe that there has been, is, or will be criminal activity and that the operation of the extraordinary sensing device will uncover evidence of such activity or facts to support the finding that there is probable cause for issuance of a search warrant pursuant to applicable requirements; and
(d) A statement that other methods of data collection have been investigated and found to be either cost-prohibitive or pose an unacceptable safety risk to a law enforcement officer or to the public.
(4) If the judicial officer finds, based on the affidavit submitted, there is probable cause to believe a crime has been committed, is being committed, or will be committed and there is probable cause to believe the personal information likely to be obtained from the use of the extraordinary sensing device will be evidence of the commission of such offense, the judicial officer may issue a search warrant authorizing the use of the extraordinary sensing device. The search warrant must authorize the collection of personal information contained in or obtained from the extraordinary sensing device.
(5) Warrants may not be issued for a period greater than ten days. Extensions may be granted, but no longer than the authorizing judicial officer deems necessary to achieve the purposes for which it was granted and in no event for longer than thirty days.
(6) Within ten days of the execution of a search warrant, the officer executing the warrant must serve a copy of the warrant upon the target of the warrant, except if notice is delayed pursuant to section 8 of this act.

NEW SECTION. Sec. 8. (1) A governmental entity acting under this section may, when a warrant is sought, include in the petition a request, which the court shall grant, for an order delaying the notification required under section 7(6) of this act for a period not to exceed ninety days if the court determines that there is a reason to believe that notification of the existence of the warrant may have an adverse result.
(2) An adverse result for the purposes of this section is:
(a) Placing the life or physical safety of an individual in danger;
(b) Causing a person to flee from prosecution;
(c) Causing the destruction of or tampering with evidence;
(d) Causing the intimidation of potential witnesses; or
(e) Jeopardizing an investigation or unduly delaying a trial.
(3) The governmental entity shall maintain a copy of certification.
(4) Extension of the delay of notification of up to ninety days each may be granted by the court upon application or by certification by a governmental entity.
(5) Upon expiration of the period of delay of notification under subsection (2) or (4) of this section, the governmental entity shall serve a copy of the warrant upon, or deliver it by registered or first-class mail to, the target of the warrant, together with notice that:
(a) States with reasonable specificity the nature of the law enforcement inquiry; and
(b) Informs the target of the warrant: (i) That notification was delayed; (ii) what governmental entity or court made the certification or determination pursuant to which that delay was made; and (iii) which provision of this section allowed such delay.
NEW SECTION. Sec. 9. (1) It is lawful under this section for any law enforcement officer or other public official to operate an extraordinary sensing device and disclose personal information from such operation if the officer reasonably determines that an emergency situation exists that involves criminal activity and presents immediate danger of death or serious physical injury to any person and:
   (a) Requires operation of an extraordinary sensing device before a warrant authorizing such interception can, with due diligence, be obtained;
   (b) There are grounds upon which such a warrant could be entered to authorize such operation; and
   (c) An application for a warrant providing for such operation is made within forty-eight hours after the operation has occurred or begins to occur.

(2) In the absence of a warrant, an operation of an extraordinary sensing device carried out under this section must immediately terminate when the personal information sought is obtained or when the application for the warrant is denied, whichever is earlier.

(3) In the event such application for approval is denied, the personal information obtained from the operation of a device must be treated as having been obtained in violation of this chapter, except for purposes of section 15 of this act, and an inventory must be served on the person named in the application.

NEW SECTION. Sec. 10. (1) It is lawful under this section for a law enforcement officer, agency employee, or authorized agent to operate an extraordinary sensing device and disclose personal information from such operation if:
   (a) An officer, employee, or agent reasonably determines that an emergency situation exists that:
      (i) Does not involve criminal activity;
      (ii) Presents immediate danger of death or serious physical injury to any person; and
      (iii) Has characteristics such that operation of an extraordinary sensing device can reasonably reduce the danger of death or serious physical injury;
   (b) An officer, employee, or agent reasonably determines that the operation does not intend to collect personal information and is unlikely to accidentally collect personal information, and such operation is not for purposes of regulatory enforcement. Allowable uses are limited to:
      (i) Monitoring to discover, locate, observe, and prevent forest fires;
      (ii) Monitoring an environmental or weather-related catastrophe or damage from such an event;
      (iii) Surveying for wildlife management, habitat preservation, or environmental damage; and
      (iv) Surveying for the assessment and evaluation of environmental or weather-related damage, erosion, flood, or contamination;
   (c) The operation is part of a training exercise conducted on a military base and the extraordinary sensing device does not collect personal information on persons located outside the military base;
   (d) The operation is for training, testing, or research purposes by an agency and does not collect personal information without specific written consent of any individual whose personal information is collected; or
   (e) The operation is part of the response to an emergency or disaster for which the governor has proclaimed a state of emergency under RCW 43.06.010(12).

(2) Upon completion of the operation of an extraordinary sensing device pursuant to this section, any personal information obtained must be treated as information collected on an individual other than a target for purposes of section 14 of this act.

NEW SECTION. Sec. 11. Operation of an extraordinary sensing device by an agency is prohibited unless the agency has affixed a unique identifier registration number assigned by the agency.

NEW SECTION. Sec. 12. Whenever any personal information from an extraordinary sensing device has been acquired, no part of such personal information and no evidence derived therefrom may be received in evidence in any trial, hearing, or other proceeding in or before any court, grand jury, department, officer, agency, regulatory body, legislative committee, or other authority of the state or a political subdivision thereof if the collection or disclosure of that personal information would be in violation of this chapter.

NEW SECTION. Sec. 13. Personal information collected during the operation of an extraordinary sensing device authorized by and consistent with this chapter may not be used, copied, or disclosed for any purpose after conclusion of the operation, unless there is probable cause that the personal information is evidence of criminal activity. Personal information must be deleted as soon as possible after there is no longer probable cause that the personal information is evidence of criminal activity; this must be within thirty days if the personal information was collected on the target of a warrant authorizing the operation of the extraordinary sensing device, and within ten days for other personal information collected incidentally to the operation of an extraordinary sensing device otherwise authorized by and consistent with this chapter. There is a presumption that personal information is not evidence of criminal activity if that personal information is not used in a criminal prosecution within one year of collection.

NEW SECTION. Sec. 14. Any person who knowingly violates this chapter is subject to legal action for damages, to be brought by any other person claiming that a violation of this chapter has injured his or her business, his or her person, or his or her reputation. A person so injured is entitled to recover actual damages. In addition, the individual is entitled to reasonable attorneys' fees and other costs of litigation.

NEW SECTION. Sec. 15. Any use of an extraordinary sensing device must fully comply with all federal aviation administration requirements and guidelines. Compliance with the terms of this chapter is a condition precedent to establishment and operation of a test range for the integration of unmanned aviation vehicles into the national airspace.

NEW SECTION. Sec. 16. (1) For a state agency having jurisdiction over criminal law enforcement including, but not limited to, the Washington state patrol, the agency must maintain records of each use of an extraordinary sensing device and, for any calendar year in which an agency has used an extraordinary sensing device, prepare an annual report including, at a minimum, the following:
   (a) The number of uses of an extraordinary sensing device organized by types of incidents and types of justification for use;
   (b) The number of crime investigations aided by the use and how the use was helpful to the investigation;
   (c) The number of uses of an extraordinary sensing device for reasons other than criminal investigations and how the use was helpful;
   (d) The frequency and type of data collected for individuals or areas other than targets;
   (e) The total cost of the extraordinary sensing device;
   (f) The dates when personal information and other data was deleted or destroyed in compliance with the act;
   (g) The number of warrants requested, issued, and extended; and
   (h) Additional information and analysis the governing body deems useful.
(2) For a state agency other than that in subsection (1) of this section, the agency must maintain records of each use of an extraordinary sensing device and, for any calendar year in which an agency has used an extraordinary sensing device, prepare an annual report including, at a minimum, the following:

(a) The types of extraordinary sensing devices used, the purposes for which each type of extraordinary sensing device was used, the circumstances under which use was authorized, and the name of the officer or official who authorized the use;

(b) Whether deployment of the device was imperceptible to the public;

(c) The specific kinds of personal information that the extraordinary sensing device collected about individuals;

(d) The length of time for which any personal information collected by the extraordinary sensing device was retained;

(e) The specific steps taken to mitigate the impact on an individual's privacy, including protections against unauthorized use and disclosure and a data minimization protocol; and

(f) An individual point of contact for citizen complaints and concerns.

(3) For a local agency having jurisdiction over criminal law enforcement or regulatory violations, the agency must maintain records of each use of an extraordinary sensing device including, at a minimum, the following:

(a) The number of uses of an extraordinary sensing device organized by types of incidents and types of justification for use;

(b) The number of investigations aided by the use and how the use was helpful to the investigation;

(c) The number of uses of an extraordinary sensing device for reasons other than criminal investigations and how the use was helpful;

(d) The frequency and type of data collected for individuals or areas other than targets;

(e) The total cost of the extraordinary sensing device;

(f) The dates when personal information and other data was deleted or destroyed in compliance with the act;

(g) The number of warrants requested, issued, and extended; and

(h) Additional information and analysis the governing body deems useful.

(4) The annual reports required pursuant to subsections (1) and (2) of this section must be filed electronically to the office of financial management, who must compile the results and submit them electronically to the relevant committees of the legislature by September 1st of each year, beginning in 2015.

NEW SECTION. Sec. 17. Sections 2 through 16 of this act are each added to chapter 9.73 RCW and codified with the subchapter heading of "extraordinary sensing devices."

NEW SECTION. Sec. 18. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

On page 1, line 1 of the title, after "surveillance," strike the remainder of the title and insert "adding new sections to chapter 9.73 RCW; creating a new section; and prescribing penalties."

Senator Honeyford spoke in favor of adoption of the amendment to the striking amendment.

WITHDRAWAL OF AMENDMENT

On motion of Senator Honeyford, the amendment by Senator Honeyford on page 1, line 26 to the striking amendment Engrossed House Bill No. 2789 was withdrawn.

PARLIAMENTARY INQUIRY

Senator Fain: “Is there a special order of consideration set at 4:59 today?”

REPLY BY THE PRESIDENT

President Owen: “That is possible Senator but I don’t have anything in the rules that says that’s what I’m supposed to do. It’s also been a practice in the past that someone has stood up and asked the President what time it was and I didn’t hear anybody do that either, Senator Fain. I mean if you want to talk about it I’m perfectly willing to talk about it.”

REMARKS BY THE PRESIDENT

President Owen: “Senator Fain, did you have a point of order or not? The President believes that we’re beyond five o’clock and that the business of the senate is done. The Senate Rule says that you continue the bill after the special order. There was no special order.”

POINT OF ORDER

Senator Benton: “Thank you Mr. President. I believe it’s always been the practice of the Senate once we begin the transaction on a bill that we are allowed to complete the transaction on the bill. The action on Engrossed House Bill No. 2789 began prior to the special order of consideration and regardless of whether there was actually a special order of consideration or not the action and activity on this bill has already begun and therefore should be completed before the Senate adjourns.”

REPLY BY THE PRESIDENT

President Owen: “So are you raising to a point of order or….?”

POINT OF ORDER

Senator Benton: “Mr. President, I believe that’s the way we’ve always operated here and I would ask that the President would continue to operate that way.”

REPLY BY THE PRESIDENT

President Owen: “Well, it’s based on the rules Senator and the President is perfectly happy to check the rules if that’s what you’re asking the President to do.”

POINT OF ORDER

Senator Benton: “I am Mr. President but by your own admission we don’t allow for debate on rules and sometimes you say well, the practice of the Senate can prevail so, I’m hoping that will be the case.”

RULING BY THE PRESIDENT

President Owen: “In ruling upon Senator Benton’s Point of Order, the President finds the rule is not crystal clear as to what happens if in fact there’s not a special order of business but he believes his memory banks remind him, as well as his fine attorney over here, that in the past even if we haven’t had a special order the President has allowed the bill that we were on to continue and be completed. So, the President believes that, I believe it is Engrossed House Bill No. 2789 is appropriately before us and can be completed.”

MOTION

On motion of Senator Billig, Senators Liias and Mullet were excused.

MOTION

Senator Honeyford moved that the following amendment by Senator Honeyford to the striking amendment be adopted:

PARLIAMENTARY INQUIRY

Senator Fain: "May I read Mr. President?"

REPLY BY THE PRESIDENT

President Owen: "You certainly may."

PARLIAMENTARY INQUIRY

Senator Fain: "Thank you Mr. President. ‘Special order; Rule 18. The President shall call the Senate to order at the hour fixed for the consideration of Special Order and announce the special order is before the Senate which shall then it be considered unless it is postponed by the majority vote of the members present and it any business before the Senate at the time of the announcement of the special order shall take its regular position in the order of business except that if cut-off established by concurrent resolution occurs during the special order the Senate may complete the measure that was before the Senate when consideration of special order was commenced.’ My question Mr. President: I believe there was acknowledged that we had a departure from tradition. This is an important issue for I
think both sides to understand as we move forward how cut-off
and the special order of consideration will be treated. I’m merely
seeking inquiry on how the President would ask that the members
request the special order of consideration come before the body?”

REPLY BY THE PRESIDENT

President Owen: “Senator Fain, you are correct in reading
the language. It says ‘the President shall call the Senate to order.’
The Senate was already called to order. The rule presumes that
you’re not in order at the time, for instance at ease or at recess.
The President would come in, call the Senate to order at the time
that you have ordered at that time and then state that the issue is
before us. Now, let’s take that a little further. From history,
because the President has been around here a very long time, and
that is the practice quite often has been for the majority to stand
up and ask the President ‘what time is it?’ To remind him that it is
time to go to the special order. That was not done. It is also been
the practice prior to the last year or two for the call of special
order at about 4:55 rather than waiting for one minute where an
error can easily be made. The President would strongly urge in
the future that the majority party learn to work with the President
on these issues and he would be happy to work with you in return.
That was not done.”

MOTION

On motion of Senator Fain, the Senate advanced to the
seventh order of business.

PERSONAL PRIVILEGE

Senator Fain: “Thank you Mr. President. For the
information of members, we are going to be working on a few
gubernatorial appointments to give those Chairs, Ranking
Members and sponsors of Senate bills that are returning an
opportunity to work through those folders. Hopefully the staff is
bringing out those documents to the Chairs right now so that they
can go and work with their Ranking Members and the bill
sponsors. We’ll be going through this brief order of gubernatorial
appointments with the hope that we can then have those
documents ready and given back to myself or to Kathleen on our
staff in order to start at 9:00 a.m. tomorrow morning working on
our dispute calendar. So, that’s the reason we are working on
gubernatorial appointments right now so please use that time to
complete your folders on returning Senate bills. Thank you Mr.
President.”

**SB 6582** by Senators Baumgartner, Ericksen and Braun

AN ACT Relating to the safety of the transport of liquid bulk crude oil; amending RCW 82.23B.010, 82.23B.020,
...and older. Men are slightly more likely to be diagnosed with colorectal cancer than women. Also, African-Americans are 20 percent more likely to be diagnosed with colorectal cancer than Caucasians, and 45 percent more likely to die of the disease; and

WHEREAS, Despite its high incidence, colorectal cancer is one of the most detectable and, if found early, most treatable forms of cancer. Ninety percent of those diagnosed early, while the cancer is still localized, survive more than five years. Sadly, only 39 percent of all colorectal cancers are detected early enough for survival to occur. When the cancer is diagnosed at a more advanced stage, having spread to surrounding areas, the five-year survival rate drops from 90 percent to 70 percent. When diagnosed at an advanced stage, having spread to distant organs, the five-year survival rate is only 12 percent; and

WHEREAS, Early detection is the best defense against this devastating, but preventable disease. Over half of all colon cancer deaths in the United States can be prevented by early screening. However, a majority of Americans are not being screened early enough to catch the cancer while it is still localized. In a recent survey, the Centers for Disease Control found that only 72 percent of all Americans reported having used the most inferior form of screening methods and just 65 percent reported have used a more advanced screening. This compares to 85 percent of all women who had been screened for breast cancer; and

WHEREAS, There are many factors that contribute to such low screening rates: A lack of public awareness and education about the prevention and treatment of colorectal cancer, negative attitudes towards screening procedures, and the absence of symptoms; and

WHEREAS, On November 19, 1999, the United States Senate designated March as National Colorectal Cancer Awareness Month, and on October 3, 2000, the United States House of Representatives passed House Concurrent Resolution 133, legislation that recognizes the impact of colorectal cancer and urges action to be taken:

NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate urge Washingtonians to become more educated of the risks facing them regarding this disease and actively fight it by getting regular screenings for colorectal cancer; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Secretary of the Senate to the American Cancer Society.

Senators McAuliffe and King spoke in favor of adoption of the resolution.

Senator McAuliffe moved adoption of the following resolution:

SENATE RESOLUTION
8717
By Senators McAuliffe, Rivers, Pedersen, Liias, Hewitt, Braun, Billig, Keiser, Darnelle, Angel, King, and Cleveland

WHEREAS, Colorectal cancer is the second leading cause of cancer deaths in men and women in the United States, with the lifetime risk of developing the cancer at 5 percent; and

WHEREAS, In the United States alone, over 141,000 people are diagnosed with colorectal cancer, and it is expected to cause 50,300 deaths in the year 2014; and

WHEREAS, It is estimated that in Washington State, 3,000 people are diagnosed with, and 1,000 people will die, every year of colorectal cancer; and

WHEREAS, Colorectal cancer affects people regardless of age, race, or sex. Nine out of ten diagnoses will occur in people aged 50
By Senators Parlette, Fraser, Roach, Holmquist Newbry, Nelson, Kohl-Welles, Becker, Eide, Hargrove, Chase, Ericksen, Tom, Brown, King, O’Ban, Rolfs, Rivers, Schoesler, Conway, and Dammeier

WHEREAS, Washington has a rich history of being a champion for women’s rights and a national leader in promoting progress for women; and

WHEREAS, In 1910, Washington distinguished itself by becoming the fifth state in the nation and the first on the Pacific Coast to permanently enact women’s suffrage; and

WHEREAS, It took an additional 10 years, but Washington’s action inspired and reinvigorated the national suffrage movement, which culminated in the passage of the 19th Amendment to the United States Constitution in 1920, assuring nearly all women in the nation the right to vote; and

WHEREAS, Washington’s history would look very different today had it not been for the courageous women and men who were willing to speak out against the status quo in pursuit of equal rights for all; and

WHEREAS, Susan B. Anthony was a catalyst for suffrage legislation and spoke before members of the Washington State Territorial Legislature in Olympia on October 19, 1871; and

WHEREAS, Over the past 100 years, women have made significant marks on the history of the state and the legislative process through their hard work, effective leadership, and broad influence to transform economic, cultural, political, family, and social issues in Washington; and

WHEREAS, In 1926, Bertha Landes became the first woman to lead a major American city as mayor of Seattle, and gender barriers continued to crumble when Belle Reeves became Washington’s first female secretary of state; and

WHEREAS, In 1977, Dixy Lee Ray became Washington’s first female governor, and only two years later, Senator Jeanette Hayner became the first woman to serve as the Senate Majority Leader in the Washington Legislature; and

WHEREAS, Washington was the first state to have two female U.S. senators, Patty Murray and Maria Cantwell, and a female governor, Christine Gregoire, at the same time; and

WHEREAS, Today Chief Justice Barbara Madsen leads the state Supreme Court, where a majority of the justices are women, and Kim Wyman serves as Washington’s 15th Secretary of State and is the second female to ever hold that office in Washington’s 125-year history; and

NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate applaud these women, and many others who have served Washington diligently and boldly, for changing the course of history and promoting the full equality of women; and

BE IT FURTHER RESOLVED, That the Senate recognize that Washington has consistently been a national leader in the percentage of women serving in the Legislature, honor the legacy of women leaders in service to the State of Washington, and celebrate their role in our democratic process over the past 100 years.
The Senate was called to order at 11:32 a.m. by President Owen.

Sec. 1. A new section is added to chapter 46.61 RCW to read as follows:

The customer must be at least twenty-one years of age and may only be offered wine or beer if the services he or she will be receiving will last more than one hour.
Notwithstanding any provision of law to the contrary, the operator of a street legal motorcycle approaching an intersection, including a left turn intersection, that is controlled by a triggered traffic control signal using a vehicle detection device that is inoperative due to the size of the street legal motorcycle shall come to a full and complete stop at the intersection. If the traffic control signal, including the left turn signal, as appropriate, fails to begin a change in signal phase after ninety seconds, the operator may, after exercising due care, proceed directly through the intersection or proceed to turn left, as appropriate. It is not a defense to a violation of RCW 46.61.050 that the driver of a motorcycle proceeded under the belief that a traffic control signal used a vehicle detection device or was inoperative due to the size of the motorcycle when the signal did not use a vehicle detection device or that any such device was not in fact inoperative due to the size of the motorcycle."

MESSAGE FROM THE HOUSE

March 6, 2014

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6129 with the following amendment(s): 6129-S AMH ENGR H4326.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature acknowledges that paraeducators have become a significant resource to students who need additional education assistance. The legislature further recognizes that there is significant variability in paraeducator standards, training, and opportunity for professional development. A carefully constructed paraeducator development program would place the highest qualified paraeducators working with the highest need students. Such a program when combined with a career ladder could offer paraeducators real opportunities for upward mobility. Since paraeducators more closely reflect the cultural diversity of the student population, a development program and career ladder would be likely to encourage more paraeducators to become teachers. Training teachers how to work with a paraeducator in their classrooms could increase paraeducators' ability to teach students who need additional assistance.

NEW SECTION. Sec. 2. (1) The superintendent of public instruction shall convene a work group to examine the use of paraeducators across school districts, including their roles and types of assignments in the classroom and the variation in paraeducator deployment in support of teachers. The work group must include paraeducators, teachers, school and school district administrators, school directors, and representatives of their respective associations. The superintendent of public instruction shall submit the findings of the work group to the professional educator standards board by August 31, 2014, to inform the work of the board and the work group established under subsection (2) of this section.

(2)(a) The professional educator standards board shall simultaneously convene a work group to design program specific minimum employment standards for paraeducators, professional development and education opportunities that support the standards, a paraeducator career ladder, an articulated pathway for teacher preparation and certification, and teacher professional development on how to maximize the use of paraeducators in the classroom.

(b) The work group convened by the professional educator standards board must include representatives of:

(i) The professional educator standards board; the Green River Community College center of excellence for careers in education; educational service districts; community and technical college paraeducator apprenticeship and certificate programs; colleges of education; teacher, paraeducator, principal, school director, and administrator associations; career and technical education; special education parents and advocacy organizations; community-based organizations representing immigrant and refugee communities and communities of color; the educational opportunity gap oversight and accountability committee; and the office of the superintendent of public instruction; and

(ii) A maximum of two paraeducators from each program for which specific minimum employment standards will be designed.

(3) By January 10, 2015, the work group convened by the professional educator standards board shall submit a report to the education committees of the legislature that recommends:

(a) Multiple options for assuring minimum employment standards and professional development opportunities for paraeducators who work in:

(i) English language learner programs, transitional bilingual instruction programs, and federal limited English proficiency programs; and

(ii) The learning assistance program and federal disadvantaged program;

(b) A career ladder that encourages paraeducators to pursue advanced education and professional development as well as increased instructional ability and responsibility;

(c) An articulated pathway for teacher preparation that includes:

(i) Paraeducator certificate and apprenticeship programs that offer course credits that apply to transferrable associate degrees and are aligned with the standards and competencies for teachers adopted by the professional educator standards board;

(ii) Associate degree programs that build on and do not duplicate the courses and competencies of paraeducator certificate programs, incorporate field experiences, are aligned with the standards and competencies for teachers adopted by the professional educator standards board, and are transferrable to bachelor's degree in education programs and teacher certification programs;

(iii) Bachelor's degree programs that lead to teacher certification that build on and do not duplicate the courses and competencies of transferrable associate degrees;

(iv) Incorporation of the standards for cultural competence developed by the professional educator standards board under RCW 28A.410.270 throughout the courses and curriculum of the pathway, particularly focusing on multicultural education and principles of language acquisition; and

(v) A comparison of the current status of pathways for teacher certification to the elements of the articulated pathway, highlighting gaps and recommending strategies to address the gaps; and

(d) Professional development for certified employees that focuses on maximizing the success of paraeducators in the classroom.

(4) The work group convened by the professional educator standards board must submit a final report of its recommendations
to the education committees of the legislature by January 10, 2016, concerning:

(a) Multiple options for assuring minimum employment standards and professional development opportunities for basic education and special education paraprofessionals;

(b) Whether there should be alignment of training requirements of paraprofessionals providing special education services for students during the school year with existing training for home care aides who provide similar services to students when they are not in school, and if so, how the alignment should be accomplished; and

(c) Appropriate professional development and training to help paraprofessionals meet the employment standards.

(5) This section expires June 30, 2016.

NEW SECTION.  Sec. 3. A new section is added to chapter 28A.410 RCW to read as follows:

Sec. 5. RCW 71.24.015 and 2005 c 503 s 1 are each amended to read as follows:
It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs that focus on resilience and recovery, and practices that are evidence-based, research-based, consensus-based, or, where these do not exist, promising or emerging best practices, which provide for:
(1) Access to mental health services for adults ((of the state who are acutely mentally ill, chronically mentally ill, or who are seriously disturbed and children ((of the state who are acutely mentally ill, chronically mentally ill, or who are seriously disturbed, which services recognize the special needs of underserved populations, including minorities, children, the elderly, (disabled)) individuals with disabilities, and low-income persons. Access to mental health services shall not be limited by a person's history of confinement in a state, federal, or local correctional facility. It is also the purpose of this chapter to promote the early identification of (mentally ill) children with mental illness and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and should enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;
(2) The involvement of persons with mental illness, their family members, and advocates in designing and implementing mental health services that reduce unnecessary hospitalization and incarceration and promote the recovery and employment of persons with mental illness. To improve the quality of services available and promote the rehabilitation, recovery, and reintegration of persons with mental illness, consumer and advocate participation in mental health services is an integral part of the community mental health system and shall be supported;
(3) Accountability of efficient and effective services through state-of-the-art outcome and performance measures and statewide standards for monitoring client and system outcomes, performance, and reporting of client and system outcome information. These processes shall be designed so as to maximize the use of available resources for direct care of people with a mental illness and to assure uniform data collection across the state;
(4) Minimum service delivery standards;
(5) Priorities for the use of available resources for the care of ((the mentally ill)) individuals with mental illness consistent with the priorities defined in the statute;

(6) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, ((regional support networks)) behavioral health and recovery organizations, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of ((the mentally ill)) individuals with mental illness, and other service providers; and

(7) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders including services operated by consumers and advocates. The legislature intends to encourage the development of regional mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties ((are encouraged to)) must enter into joint operating agreements with other counties to form regional systems of care that are consistent with the regional service areas established under section 2 of this act. Regional systems of care, whether operated by a county, group of counties, or another entity shall integrate planning, administration, and service delivery under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs. The legislature hereby finds and declares that sound fiscal management requires vigilance to ensure that funds appropriated by the legislature for the provision of needed community mental health programs and services are ultimately expended solely for the purpose for which they were appropriated, and not for any other purpose.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end, the legislature intends to promote active engagement with ((the mentally ill)) persons with mental illness and collaboration between families and service providers.

Sec. 6. RCW 71.24.016 and 2006 c 333 s 102 are each amended to read as follows:

(1) The legislature intends that eastern and western state hospitals shall operate as clinical centers for handling the most complicated long-term care needs of patients with a primary diagnosis of mental disorder. It is further the intent of the legislature that the community mental health service delivery system focus on maintaining ((the mentally ill)) individuals with mental illness in the community. This program shall be evaluated and managed through a limited number of outcome and performance measures (designed to hold each regional support network accountable for program success), as provided in RCW 43.20A.895, 70.320.020, and 71.36.025.

(2) The legislature intends to address the needs of people with mental disorders with a targeted, coordinated, and comprehensive set of evidence-based practices that are effective in serving individuals in their community and will reduce the need for placements in state mental hospitals. The legislature further intends to explicitly hold ((regional support networks)) behavioral health and recovery organizations accountable for serving people with mental disorders within the boundaries of their ((geographic boundaries)) regional service area and for not exceeding their allocation of state hospital beds. ((Within funds appropriated by the legislature for this purpose, regional support networks shall develop the means to serve the needs of people with mental disorders within their geographic boundaries. Elements of the program may include:

(a) Crisis triage;
(b) Evaluation and treatment and community hospital beds;
(c) Residential beds;
(d) Programs for community treatment teams; and

(3) The regional support network shall have the flexibility, within the funds appropriated by the legislature for this purpose, to design the mix of services that will be most effective within their service area of meeting the needs of people with mental disorders and avoiding placement of such individuals at the state mental hospital. Regional support networks are encouraged to maximize the use of evidence-based practices and alternative resources with the goal of substantially reducing and potentially eliminating the use of institutions for mental diseases.)

(1) By December 1, 2018, the department and the health care authority shall report to the governor and the legislature regarding the preparedness of each regional service area to provide mental health services, chemical dependency services, and medical care services to medicaid clients under a fully integrated managed health care purchasing system.

Behavioral health and recovery organizations are encouraged to maximize the use of evidence-based practices and alternative resources with the goal of substantially reducing and potentially eliminating the use of institutions for mental diseases.

(17)(17)) (17) Encourage all health and disability insurance programs to include alcoholism and other drug addiction as a covered illness; and

(18)(18)) (18) Organize and sponsor a statewide program to help court personnel, including judges, better understand the disease of alcoholism and other drug addiction and the uses of chemical dependency treatment programs.

Sec. 19. RCW 70.96A.080 and 1989 c 270 s 18 are each amended to read as follows:

1. In coordination with the health care authority, the department shall establish by (all) appropriate means, (including contracting for services) a comprehensive and coordinated (discrete) program for the treatment of alcoholics and other drug addicts and their families, persons incapacitated by alcohol or other psychoactive chemicals, and intoxicated persons.

2. (a) The program shall include, but not necessarily be limited to, a continuum of chemical dependency treatment services that includes:

(i) Detoxification services available twenty-four hours a day;

(ii) Residential treatment;

(iii) Outpatient treatment, including medication assisted treatment; and

(iv) Contracts with at least one provider directly or through contracts with behavioral health and recovery organizations, for
case management and residential treatment services for pregnant and parenting women.

(b) The program may include peer support, supported housing, supported employment, crisis diversion, or recovery support services.

(3) All appropriate public and private resources shall be coordinated with and used in the program when possible.

(4) The department may contract for the use of an approved treatment program or other individual or organization if the secretary considers this to be an effective and economical course to follow.

(5) By April 1, 2016, treatment provided under this chapter must be purchased primarily through managed care contracts. Consistent with RCW 70.96A.350, services and funding provided through the criminal justice treatment account are intended to be exempted from managed care contracting.

Sec. 20. RCW 70.96A.320 and 2013 c 320 s 8 are each amended to read as follows:

(1) A county legislative authority, or two or more counties acting jointly, may establish an alcoholism and other drug addiction program. If two or more counties jointly establish the program, they shall designate one county to provide administrative and financial services.

(2) To be eligible for funds from the department for the support of the county alcoholism and other drug addiction program, the county legislative authority shall establish a county alcoholism and other drug addiction board under RCW 70.96A.300 and appoint a county alcoholism and other drug addiction program coordinator under RCW 70.96A.310.

(3) The county legislative authority may apply to the department for financial support for the county program of alcoholism and other drug addiction. To receive financial support, the county legislative authority shall submit a plan that meets the following conditions:

(a) It shall describe the prevention, early intervention, or recovery support services and activities to be provided;

(b) It shall include anticipated expenditures and revenues;

(c) It shall be prepared by the county alcoholism and other drug addiction program board and be adopted by the county legislative authority;

(d) It shall reflect maximum effective use of existing services and programs; and

(e) It shall meet other conditions that the secretary may require.

(4) The county may accept and spend gifts, grants, and fees, from public and private sources, to implement its program of alcoholism and other drug addiction.

(5) The department shall require that any agreement to provide financial support to a county that performs the activities of a service coordination organization for alcoholism and other drug addiction services must incorporate the expected outcomes and criteria to measure the performance of service coordination organizations as provided in chapter 70.320 RCW.

(6) The county may subcontract for prevention, early intervention, or recovery support services with approved prevention or treatment programs.

(7) To continue to be eligible for financial support from the department for the county alcoholism and other drug addiction program, an increase in state financial support shall not be used to supplant local funds from a source that was used to support the county alcoholism and other drug addiction program before the effective date of the increase.

Sec. 21. RCW 71.24.049 and 2001 c 323 s 13 are each amended to read as follows:

By January 1st of each odd-numbered year, the ((regional support network)) behavioral health and recovery organization shall identify: (1) The number of children in each priority group, as defined by this chapter, who are receiving mental health services funded in part or in whole under this chapter, (2) the amount of funds under this chapter used for children's mental health services, (3) an estimate of the number of unserved children in each priority group, and (4) the estimated cost of serving these additional children and their families.

Sec. 22. RCW 71.24.061 and 2007 c 359 s 7 are each amended to read as follows:

(1) The department shall provide flexibility in provider contracting to ((regional support networks)) behavioral health and recovery organizations for children's mental health services. Beginning with 2007-2009 biennium contracts, ((regional support networks)) behavioral health and recovery organization contracts shall authorize ((regional support networks)) behavioral health and recovery organizations to allow and encourage licensed community mental health centers to subcontract with individual licensed mental health professionals when necessary to meet the need for an adequate, culturally competent, and qualified children's mental health provider network.

(2) To the extent that funds are specifically appropriated for this purpose or that nonstate funds are available, a children's mental health evidence-based practice institute shall be established at the University of Washington division of public behavioral health and justice policy. The institute shall closely collaborate with entities currently engaged in evaluating and promoting the use of evidence-based, research-based, promising, or consensus-based practices in children's mental health treatment, including but not limited to the University of Washington department of psychiatry and behavioral sciences, children's hospital and regional medical center, the University of Washington school of nursing, the University of Washington school of social work, and the Washington state institute for public policy. To ensure that funds appropriated are used to the greatest extent possible for their intended purpose, the University of Washington's indirect costs of administration shall not exceed ten percent of appropriated funding.

The institute shall:

(a) Improve the implementation of evidence-based and research-based practices by providing sustained and effective training and consultation to licensed children's mental health providers and child-serving agencies who are implementing evidence-based or researched-based practices for treatment of children's emotional or behavioral disorders, or who are interested in adapting these practices to better serve ethnically or culturally diverse children. Efforts under this subsection should include a focus on appropriate oversight of implementation of evidence-based practices to ensure fidelity to these practices and thereby achieve positive outcomes;

(b) Continue the successful implementation of the "partnerships for success" model by consulting with communities so they may select, implement, and continually evaluate the success of evidence-based practices that are relevant to the needs of children, youth, and families in their community;

(c) Partner with youth, family members, family advocacy, and culturally competent provider organizations to develop a series of information sessions, literature, and online resources for families to become informed and engaged in evidence-based and research-based practices;

(d) Participate in the identification of outcome-based performance measures under RCW 71.36.025(2) and partner in a statewide effort to implement statewide outcomes monitoring and quality improvement processes; and

(e) Serve as a statewide resource to the department and other entities on child and adolescent evidence-based, research-based, promising, or consensus-based practices for children's mental health treatment, maintaining a working knowledge through ongoing review of academic and professional literature, and knowledge of
other evidence-based practice implementation efforts in Washington and other states.

(3) To the extent that funds are specifically appropriated for this purpose, the department in collaboration with the evidence-based practice institute shall implement a pilot program to support primary care providers in the assessment and provision of appropriate diagnosis and treatment of children with mental and behavioral health disorders and track outcomes of this program. The program shall be designed to promote more accurate diagnoses and treatment through timely case consultation between primary care providers and child psychiatric specialists, and focused educational learning collaboratives with primary care providers.

Sec. 23. RCW 71.24.155 and 2001 c 323 s 14 are each amended to read as follows:

Grants shall be made by the department to ((regional support networks)) behavioral health and recovery organizations for community mental health programs totaling not less than ninety-five percent of available resources. The department may use up to forty percent of the remaining five percent to provide community demonstration projects, including early intervention or primary prevention programs for children, and the remainder shall be for emergency needs and technical assistance under this chapter.

Sec. 24. RCW 71.24.160 and 2011 c 343 s 6 are each amended to read as follows:

The ((regional support networks)) behavioral health and recovery organizations shall make satisfactory showing to the secretary that state funds shall in no case be used to replace local funds from any source being used to finance mental health services prior to January 1, 1990. Maintenance of effort funds devoted to judicial services related to involuntary commitment reimbursed under RCW 71.05.730 must be expended for other purposes that further treatment for mental health and chemical dependency disorders.

Sec. 25. RCW 71.24.250 and 2001 c 323 s 16 are each amended to read as follows:

The ((regional support networks)) behavioral health and recovery organization may accept and expend gifts and grants received from private, county, state, and federal sources.

Sec. 26. RCW 71.24.300 and 2008 c 261 s 4 are each amended to read as follows:

(1) Upon the request of a tribal authority or authorities within a ((regional support network)) behavioral health and recovery organization the joint operating agreement or the county authority shall allow for the inclusion of the tribal authority to be represented as a party to the ((regional support network)) behavioral health and recovery organization.

(2) The roles and responsibilities of the county and tribal authorities shall be determined by the terms of that agreement including a determination of membership on the governing board and advisory committees, the number of tribal representatives to be party to the agreement, and the provisions of law and shall assure the provision of culturally competent services to the tribes served.

(3) The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under ((regional support networks)) behavioral health and recovery organizations by rule, except to assure that all duties required of ((regional support networks)) behavioral health and recovery organizations are assigned and that counties and the ((regional support network)) behavioral health and recovery organization do not duplicate functions and that a single authority has final responsibility for all available resources and performance under the ((regional support network)) behavioral health and recovery organization's contract with the secretary.

(4) If a ((regional support network)) behavioral health and recovery organization is a private entity, the department shall allow for the inclusion of the tribal authority to be represented as a party to the ((regional support network)) behavioral health and recovery organization.

(5) The roles and responsibilities of the private entity and the tribal authorities shall be determined by the department through negotiation with the tribal authority.

(6) ((Regional support networks)) Behavioral health and recovery organizations shall submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties:

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

(b) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

(c) Provide within the boundaries of each ((regional support network)) behavioral health and recovery organization evaluation and treatment services for at least ninety percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. ((Regional support networks)) Behavioral health and recovery organizations may contract to purchase evaluation and treatment services from other ((networks)) organizations if they are unable to provide for appropriate resources within their boundaries. Insofar as the original intent of serving persons in the community is maintained, the secretary is authorized to approve exceptions on a case-by-case basis to the requirement to provide evaluation and treatment services within the boundaries of each ((regional support network)) behavioral health and recovery organization. Such exceptions are limited to:

(i) Contracts with neighboring or contiguous regions; or

(ii) Individuals detained or committed for periods up to seventeen days at the state hospitals at the discretion of the secretary.

(d) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, employment services as (defined) described in RCW 71.24.035, and mental health services to children.

(e) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(7) A ((regional support network)) behavioral health and recovery organization may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the persons with mental illness and which is within the boundaries of a ((regional support network)) behavioral health and recovery organization be made available to support the operations of the ((regional support network)) behavioral health and recovery organization. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(8) Each ((regional support network)) behavioral health and recovery organization shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter, provide local oversight regarding the activities of the ((regional support network)) behavioral health and recovery organization, and work with the ((regional support network)) behavioral health and recovery organization to resolve significant concerns regarding service delivery and outcomes. The department shall establish statewide procedures for the operation of regional advisory committees including mechanisms for advisory board feedback to the department regarding ((regional support network)) behavioral health and recovery organization performance. The composition of the board shall be broadly
representative of the demographic character of the region and shall include, but not be limited to, representatives of consumers and families, law enforcement, and where the county is not the ((regional support network)) behavioral health and recovery organization, county elected officials. Composition and length of terms of board members may differ between ((regional support networks)) behavioral health and recovery organizations but shall be included in each ((regional support network)) behavioral health and recovery organization's contract and approved by the secretary.

9) ((Regional support networks)) Behavioral health and recovery organizations shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary.

10) ((Regional support networks)) Behavioral health and recovery organizations may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. Projects identified or submitted under this subsection must be fully integrated with the ((regional support network)) behavioral health and recovery organization six-year operating and capital plan, timeline, and budget required by subsection (6) of this section.

Sec. 27. RCW 71.24.310 and 2013 2nd sp.s.c 4 s 994 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the ((regional support network)) behavioral health and recovery organization defined in RCW 71.24.025. For this reason, the legislature intends that the department and the ((regional support network)) behavioral health and recovery organizations shall work together to implement chapter 71.05 RCW as follows:

1) By June 1, 2006, ((regional support networks)) behavioral health and recovery organizations shall recommend to the department the number of state hospital beds that should be allocated for use by each ((regional support network)) behavioral health and recovery organization. The statewide total allocation shall not exceed the number of state hospital beds offering long-term inpatient care, as defined in this chapter, for which funding is provided in the biennial appropriations act.

2) If there is consensus among the ((regional support networks)) behavioral health and recovery organizations regarding the number of state hospital beds that should be allocated for use by each ((regional support network)) behavioral health and recovery organization, the department shall contract with each ((regional support network)) behavioral health and recovery organization accordingly.

3) If there is not consensus among the ((regional support networks)) behavioral health and recovery organizations regarding the number of beds that should be allocated for use by each ((regional support network)) behavioral health and recovery organization, the department shall establish by emergency rule the number of state hospital beds that are available for use by each ((regional support network)) behavioral health and recovery organization. The emergency rule shall be effective September 1, 2006. The primary factor used in the allocation shall be the estimated number of adults with acute and chronic mental illness in each ((regional support network)) behavioral health and recovery organization area, based upon population-adjusted incidence and utilization.

4) The allocation formula shall be updated at least every three years to reflect demographic changes, and new evidence regarding the incidence of acute and chronic mental illness and the need for long-term inpatient care. In the updates, the statewide total allocation shall include (a) all state hospital beds offering long-term inpatient care for which funding is provided in the biennial appropriations act; plus (b) the estimated equivalent number of beds or comparable diversion services contracted in accordance with subsection (5) of this section.

5) The department is encouraged to enter performance-based contracts with ((regional support networks)) behavioral health and recovery organizations to provide some or all of the ((regional support network)) behavioral health and recovery organization's allocated long-term inpatient treatment capacity in the community, rather than in the state hospital. The performance contracts shall specify the number of patient days of care available for use by the ((regional support network)) behavioral health and recovery organization in the state hospital.

6) If a ((regional support network)) behavioral health and recovery organization uses more state hospital patient days of care than it has been allocated under subsection (3) or (4) of this section, or than it has contracted to use under subsection (5) of this section, whichever is less, it shall reimburse the department for that care, except during the period of July 1, 2012, through December 31, 2013, where reimbursements may be temporarily altered per section 204, chapter 4, Laws of 2013 2nd sp. sess. The reimbursement rate per day shall be the hospital's total annual budget for long-term inpatient care, divided by the total patient days of care assumed in development of that budget.

7) One-half of any reimbursements received pursuant to subsection (6) of this section shall be used to support the cost of operating the state hospital and, during the 2007-2009 fiscal biennium, implementing new services that will enable a ((regional support network)) behavioral health and recovery organization to reduce its utilization of the state hospital. The department shall distribute the remaining half of such reimbursements among ((regional support networks)) behavioral health and recovery organizations that have used less than their allocated or contracted patient days of care at that hospital, proportional to the number of patient days of care not used.

Sec. 28. RCW 71.24.350 and 2013 c 23 s 189 are each amended to read as follows:

The department shall require each ((regional support network)) behavioral health and recovery organization to provide for a separately funded mental health ombuds office in each ((regional support network)) behavioral health and recovery organization that is independent of the ((regional support network)) behavioral health and recovery organization. The ombuds office shall maximize the use of consumer advocates.

Sec. 29. RCW 71.24.370 and 2006 c 333 s 103 are each amended to read as follows:

1) Except for monetary damage claims which have been reduced to final judgment by a superior court, this section applies to all claims against the state, state agencies, state officials, or state employees that exist on or arise after March 29, 2006.

2) Except as expressly provided in contracts entered into between the department and the ((regional support network)) behavioral health and recovery organizations after March 29, 2006, the entities identified in subsection (3) of this section shall have no claim for declaratory relief, injunctive relief, judicial review under chapter 34.05 RCW, or civil liability against the state or state agencies for actions or inactions performed pursuant to the administration of this chapter with regard to the following: (a) The allocation or payment of federal or state funds; (b) the use or allocation of state hospital beds; or (c) financial responsibility for the provision of inpatient mental health care.

3) This section applies to counties, ((regional support networks)) behavioral health and recovery organizations, and entities which contract to provide ((regional support network)) behavioral health and recovery organization services and their subcontractors, agents, or employees.

Sec. 30. RCW 71.24.455 and 1997 c 342 s 2 are each amended to read as follows:
(1) The secretary shall select and contract with a ((regional support network)) behavioral health and recovery organization or private provider to provide specialized access and services to ((mentally ill)) offenders with mental illness upon release from total confinement within the department of corrections who have been identified by the department of corrections and selected by the ((regional support network)) behavioral health and recovery organization or private provider as high-priority clients for services and who meet service program entrance criteria. The program shall enroll no more than twenty-five offenders at any one time, or a number of offenders that can be accommodated within the appropriated funding level, and shall seek to fill any vacancies that occur.

(2) Criteria shall include a determination by department of corrections staff that:

(a) The offender suffers from a major mental illness and needs continued mental health treatment;
(b) The offender's previous crime or crimes have been determined by either the court or department of corrections staff to have been substantially influenced by the offender's mental illness;
(c) It is believed the offender will be less likely to commit further criminal acts if provided ongoing mental health care;
(d) The offender is unable or unlikely to obtain housing and/or treatment from other sources for any reason; and
(e) The offender has at least one year remaining before his or her sentence expires but is within six months of release to community housing and is currently housed within a work release facility or any department of corrections' division of prisons facility.

(3) The ((regional support network)) behavioral health and recovery organization or private provider shall provide specialized access and services to the selected offenders. The services shall be aimed at lowering the risk of recidivism. An oversight committee composed of a representative of the department, a representative of the selected ((regional support network)) behavioral health and recovery organization or private provider, and a representative of the department of corrections shall develop policies to guide the pilot program, provide dispute resolution including making determinations as to when entrance criteria or required services may be waived in individual cases, advise the department of corrections and the ((regional support network)) behavioral health and recovery organization on the selection of eligible offenders, and set minimum requirements for service contracts. The selected ((regional support network)) behavioral health and recovery organization or private provider shall implement the policies and service contracts. The following services shall be provided:

(a) Intensive case management to include a full range of intensive community support and treatment in client-to-staff ratios of not more than ten offenders per case manager including: (i) A minimum of weekly group and weekly individual counseling; (ii) home visits by the program manager at least two times per month; and (iii) counseling focusing on relapse prevention and past, current, or future behavior of the offender.
(b) The case manager shall attempt to locate and procure housing appropriate to the living and clinical needs of the offender and as needed to maintain the psychiatric stability of the offender. The entire range of emergency, transitional, and permanent housing and involuntary hospitalization must be considered as available housing options. A housing subsidy may be provided to offenders to defray housing costs up to a maximum of six thousand six hundred dollars per offender per year and be administered by the case manager. Additional funding sources may be used to offset these costs when available.
(c) The case manager shall collaborate with the assigned prison, work release, or community corrections staff during release planning, prior to discharge, and in ongoing supervision of the offender while under the authority of the department of corrections.
(d) Medications including the full range of psychotropic medications including atypical antipsychotic medications may be required as a condition of the program. Medication prescription, medication monitoring, and counseling to support offender understanding, acceptance, and compliance with prescribed medication regimens must be included.
(e) A systematic effort to engage offenders to continuously involve themselves in current and long-term treatment and appropriate habilitative activities shall be made.
(f) Classes appropriate to the clinical and living needs of the offender and appropriate to his or her level of understanding.

(g) The case manager shall assist the offender in the application and qualification for entitlement funding, including medical aid, state assistance, and other available government and private assistance at any point that the offender is qualified and resources are available.
(h) The offender shall be provided access to daily activities such as drop-in centers, prevocational and vocational training and jobs, and volunteer activities.

(4) Once an offender has been selected into the pilot program, the offender shall remain in the program until the end of his or her sentence or unless the offender is released from the pilot program earlier by the department of corrections.

(5) Specialized training in the management and supervision of high-crime risk ((mentally ill)) offenders with mental illness shall be provided to all participating mental health providers by the department and the department of corrections prior to their participation in the program and as requested thereafter.

(6) The pilot program provided for in this section must be providing services by July 1, 1998.

Sec. 31. RCW 71.24.470 and 2009 c 319 s 1 are each amended to read as follows:

(1) The secretary shall contract, to the extent that funds are appropriated for this purpose, for case management services and such other services as the secretary deems necessary to assist offenders identified under RCW 72.09.370 for participation in the offender reentry community safety program. The contracts may be with ((regional support networks)) behavioral health and recovery organizations or any other qualified and appropriate entities.

(2) The case manager has the authority to assist these offenders in obtaining the services, as set forth in the plan created under RCW 72.09.370(2), for up to five years. The services may include coordination of mental health services, assistance with unfunded medical expenses, obtaining chemical dependency treatment, housing, employment services, educational or vocational training, independent living skills, parenting education, anger management services, and such other services as the case manager deems necessary.

(3) The legislature intends that funds appropriated for the purposes of RCW 72.09.370, 71.05.145, and 71.05.212, and this section and distributed to the ((regional support networks)) behavioral health and recovery organizations are to supplement and not to supplant general funding. Funds appropriated to implement RCW 72.09.370, 71.05.145, and 71.05.212, and this section are not to be considered available resources as defined in RCW 71.24.025 and are not subject to the priorities, terms, or conditions in the appropriations act established pursuant to RCW 71.24.035.

(4) The offender reentry community safety program was formerly known as the community integration assistance program.

Sec. 32. RCW 71.24.480 and 2009 c 319 s 2 are each amended to read as follows:

(1) A licensed service provider or ((regional support network)) behavioral health and recovery organization, acting in the course of the provider's or ((network's)) organization's duties under this
chapter, is not liable for civil damages resulting from the injury or
death of another caused by a participant in the offender reentry
community safety program who is a client of the provider or
((network) organization), unless the act or omission of the provider
or ((network) organization) constitutes:
(a) Gross negligence;
(b) Willful or wanton misconduct; or
(c) A breach of the duty to warn or protect from a client's
threatened violent behavior if the client has communicated a serious
threat of physical violence against a reasonably ascertainable victim or
victims.

(2) In addition to any other requirements to report violations, the
licensed service provider and ((regional support network))
behavioral health and recovery organization shall report an
offender's expressions of intent to harm or other predatory behavior,
regardless of whether there is an ascertainable victim, in progress
reports and other established processes that enable courts and
supervising entities to assess and address the progress and
appropriateness of treatment.

(3) A licensed service provider's or ((regional support
networks)) behavioral health and recovery organization's mere act
of treating a participant in the offender reentry community safety
program is not negligence. Nothing in this subsection alters the
licensed service provider's or ((regional support networks))
behavioral health and recovery organization's normal duty of care
with regard to the client.

(4) The limited liability provided by this section applies only to
the conduct of licensed service providers and ((regional support
networks)) behavioral health and recovery organizations and does
not apply to conduct of the state.

(5) For purposes of this section, "participant in the offender
reentry community safety program" means a person who has been
identified under RCW 72.09.370 as an offender who:
(a) Is reasonably believed to be dangerous to himself or herself or others;
and
(b) Has a mental disorder.

Sec. 33. RCW 71.24.845 and 2013 c 230 s 1 are each
amended to read as follows:

The ((regional support networks)) behavioral health and
recovery organizations shall jointly develop a uniform transfer
agreement to govern the transfer of clients between ((regional
support networks)) behavioral health and recovery organizations.
By September 1, 2013, the ((regional support networks))
behavorial health and recovery organizations shall submit the uniform transfer
agreement to the department. By December 1, 2013, the
department shall establish guidelines to implement the uniform
transfer agreement and may modify the uniform transfer agreement
as necessary to avoid impacts on state administrative systems.

Sec. 34. RCW 71.24.055 and 2007 c 359 s 4 are each
amended to read as follows:

As part of the system transformation initiative, the department
of social and health services shall undertake the following activities
related specifically to children's mental health services:

(1) The development of recommended revisions to the access to
care standards for children. The recommended revisions shall
reflect the policies and principles set out in RCW 71.36.005,
71.36.010, and 71.36.025, and recognize that early identification,
intervention and prevention services, and brief interventions
may be provided outside of the ((regional support network))
behavioral health and recovery organization system. Revised
access to care standards shall assess a child's need for mental health
services based upon the child's diagnosis and its negative impact
upon his or her persistent impaired functioning in family, school, or
the community, and should not solely condition the receipt of
services upon a determination that a child is engaged in high risk
behavior or is in imminent need of hospitalization or out-of-home
placement. Assessment and diagnosis for children under five years
of age shall be determined using a nationally accepted assessment
tool designed specifically for children of that age. The
recommendations shall also address whether amendments to RCW
71.24.025 ((26)) and (27) and (28) and 71.24.035(5) are necessary
to implement revised access to care standards;

(2) Development of a revised children's mental health benefit
package. The department shall ensure that services included in the
children's mental health benefit package reflect the policies and
principles included in RCW 71.36.005 and 71.36.025, to the extent
allowable under medicaid, Title XIX of the federal social security
act. Strong consideration shall be given to developmentally
appropriate evidence-based and research-based practices,
family-based interventions, the use of natural and peer supports, and
community support services. This effort shall include a review of
other states' efforts to fund family-centered children's mental health
services through their medicaid programs;

(3) Consistent with the timeline developed for the system
transformation initiative, recommendations for revisions to the
children's access to care standards and the children's mental health
services benefits package shall be presented to the legislature by
January 1, 2009.

Sec. 35. RCW 71.24.065 and 2007 c 359 s 10 are each
amended to read as follows:

To the extent funds are specifically appropriated for this
purpose, the department of social and health services shall contract
for implementation of a wraparound model of integrated children's
mental health services delivery in up to four ((regional support
network)) behavioral health and recovery organization regions in
Washington state in which wraparound programs are not currently
operating, and in up to two ((regional support network))
behavioral health and recovery organization regions in which wraparound
programs are currently operating. Contracts in regions with
existing wraparound programs shall be for the purpose of expanding
the number of children served.

(1) Funding provided may be expended for: Costs associated
with a request for proposal and contracting process; administrative
costs associated with successful bidders' operation of the
wraparound model; the evaluation under subsection (5) of this
section; and funding for services needed by children enrolled in
wraparound model sites that are not otherwise covered under
existing state programs. The services provided through the
wraparound model sites shall include, but not be limited to, services
covered under the medicaid program. The department shall
maximize the use of medicaid and other existing state-funded
programs as a funding source. However, state funds provided may
be used to develop a broader service package to meet needs
determined in a child's care plan. Amounts provided shall
supplement, and not supplant, state, local, or other funding for
services that a child being served through a wraparound site would
otherwise be eligible to receive.

(2) The wraparound model sites shall serve children with
serious emotional or behavioral disturbances who are at high risk of
residential or correctional placement or psychiatric hospitalization,
and who have been referred for services from the department, a
county juvenile court, a tribal court, a school, or a licensed mental
health provider or agency.

(3) Through a request for proposal process, the department shall
contract, with ((regional support networks)) behavioral health and
recovery organizations, alone or in partnership with either
educational service districts or entities licensed to provide mental
health services to children with serious emotional or behavioral
disturbances, to operate the wraparound model sites. The
contractor shall provide care coordination and facilitate the delivery
of services and other supports to families using a strength-based,
highly individualized wraparound process. The request for proposal shall require that:
(a) The ((regional support network)) behavioral health and recovery organization agree to use its Medicaid revenues to fund services included in the existing ((regional support networks)) behavioral health and recovery organization's benefit package that a Medicaid-eligible child participating in the wraparound model site is determined to need.

(b) The contractor provide evidence of commitments from at least the following entities to participate in wraparound care plan development and service provision when appropriate: Community mental health agencies, schools, the department of social and health services children's administration, juvenile courts, the department of social and health services juvenile rehabilitation administration, and managed care systems contracting with the department under RCW 74.09.522; and

(c) The contractor will operate the wraparound model site in a manner that maintains fidelity to the wraparound process as defined in RCW 71.36.010.

(4) Contracts for operation of the wraparound model sites shall be executed on or before April 1, 2008, with enrollment and service delivery beginning on or before July 1, 2008.

(5) The evidence-based practice institute established in RCW 71.24.061 shall evaluate the wraparound model sites, measuring outcomes for children served. Outcomes measured shall include, but are not limited to: Decreased out-of-home placement, including residential, group, and foster care, and increased stability of such placements, school attendance, school performance, recidivism, emergency room utilization, involvement with the juvenile justice system, decreased use of psychotropic medication, and decreased hospitalization.

(6) The evidence-based practice institute shall provide a report and recommendations to the appropriate committees of the legislature by December 1, 2010.

Sec. 36. RCW 71.24.240 and 2005 c 503 s 10 are each amended to read as follows:

In order to establish eligibility for funding under this chapter, any ((regional support network)) behavioral health and recovery organization seeking to obtain federal funds for the support of any aspect of a community mental health program as defined in this chapter shall submit program plans to the secretary for prior review and approval before such plans are submitted to any federal agency.

Sec. 37. RCW 71.24.320 and 2008 c 261 s 5 are each amended to read as follows:

(1) If an existing ((regional support network)) behavioral health and recovery organization chooses not to respond to a request for ((qualifications)) a detailed plan, or is unable to substantially meet the requirements of a request for ((qualifications)) a detailed plan, or notifies the department of social and health services it will no longer serve as a ((regional support network)) behavioral health and recovery organization, the department shall utilize a procurement process in which other entities recognized by the secretary may bid to serve as the ((regional support network)) behavioral health and recovery organization.

(a) The request for proposal shall include a scoring factor for proposals that include additional financial resources beyond that provided by state appropriation or allocation.

(b) The department shall provide detailed briefings to all bidders in accordance with department and state procurement policies.

(c) The request for proposal shall also include a scoring factor for proposals submitted by nonprofit entities that include a component to maximize the utilization of state provided resources and the leverage of other funds for the support of mental health services to persons with mental illness.

(2) A ((regional support network)) behavioral health and recovery organization that voluntarily terminates, refuses to renew, or refuses to sign a mandatory amendment to its contract to act as a ((regional support network)) behavioral health and recovery organization is prohibited from responding to a procurement under this section or serving as a ((regional support network)) behavioral health and recovery organization for five years from the date that the department signs a contract with the entity that will serve as the ((regional support network)) behavioral health and recovery organization.

Sec. 38. RCW 71.24.330 and 2013 c 320 s 9 are each amended to read as follows:

(1)(a) Contracts between a ((regional support network)) behavioral health and recovery organization and the department shall include mechanisms for monitoring performance under the contract and remedies for failure to substantially comply with the requirements of the contract including, but not limited to, financial penalties, termination of the contract, and reprocurement of the contract.

(b) The department shall incorporate the criteria to measure the performance of service coordination organizations into contracts with ((regional support networks)) behavioral health and recovery organizations as provided in chapter 70.320 RCW.

(2) The ((regional support network)) behavioral health and recovery organization procurement processes shall encourage the preservation of infrastructure previously purchased by the community mental health service delivery system, the maintenance of linkages between other services and delivery systems, and maximization of the use of available funds for services versus profits. However, a ((regional support network)) behavioral health and recovery organization selected through the procurement process is not required to contract for services with any county-owned or operated facility. The ((regional support network)) behavioral health and recovery organization procurement process shall provide that public funds appropriated by the legislature shall not be used to promote or deter, encourage, or discourage employees from exercising their rights under Title 29, chapter 7, subchapter II, United States Code or chapter 41.56 RCW.

(3) In addition to the requirements of RCW 71.24.035, contracts shall:

(a) Define administrative costs and ensure that the ((regional support network)) behavioral health and recovery organization does not exceed an administrative cost of ten percent of available funds;

(b) Require effective collaboration with law enforcement, criminal justice agencies, and the chemical dependency treatment system;

(c) Require substantial implementation of department adopted integrated screening and assessment process and matrix of best practices;

(d) Maintain the decision-making independence of designated mental health professionals;

(e) Except at the discretion of the secretary or as specified in the biennial budget, require ((regional support networks)) behavioral health and recovery organizations to pay the state for the costs associated with individuals who are being served on the grounds of the state hospitals and who are not receiving long-term inpatient care as defined in RCW 71.24.025;

(f) Include a negotiated alternative dispute resolution clause; and

(g) Include a provision requiring either party to provide one hundred eighty days' notice of any issue that may cause either party to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to act as a ((regional support network)) behavioral health and recovery organization. If either party decides to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to serve as a ((regional support network)) behavioral health and recovery organization they
shall provide ninety days' advance notice in writing to the other party.

Sec. 39. RCW 71.24.360 and 2012 c 91 s 1 are each amended to read as follows:

(1) The department may establish new ((regional support network)) behavioral health and recovery organization boundaries in any part of the state:
   (a) Where more than one ((network)) organization chooses not to respond to, or is unable to substantially meet the requirements of, the request for ((qualifications)) a detailed plan under RCW 71.24.320;
   (b) Where a ((regional support network)) behavioral health and recovery organization is subject to reprocurement under RCW 71.24.330; or
   (c) Where two or more ((regional support networks)) behavioral health and recovery organizations propose to reconfigure themselves to achieve consolidation, in which case the procurement process described in RCW 71.24.320 and 71.24.330(2) does not apply.

(2) The department may establish no fewer than six and no more than fourteen ((regional support networks)) behavioral health and recovery organizations under this chapter. No entity shall be responsible for more than three ((regional support networks)) behavioral health and recovery organizations.

Sec. 40. RCW 71.24.405 and 2001 c 323 s 19 are each amended to read as follows:

The department shall establish a comprehensive and collaborative effort within ((regional support networks)) behavioral health and recovery organizations and with local mental health service providers aimed at creating innovative and streamlined community mental health service delivery systems, in order to carry out the purposes set forth in RCW 71.24.400 and to capture the diversity of the community mental health service delivery system.

The department must accomplish the following:

(1) Identification, review, and cataloging of all rules, regulations, duplicative administrative and monitoring functions, and other requirements that currently lead to inefficiencies in the community mental health service delivery system and, if possible, eliminate the requirements;

(2) The systematic and incremental development of a single system of accountability for all federal, state, and local funds provided to the community mental health service delivery system. Systematic efforts should be made to include federal and local funds into the single system of accountability;

(3) The elimination of process regulations and related contract and reporting requirements. In place of the regulations and requirements, a set of outcomes for mental health adult and children clients according to chapter 71.24 RCW must be used to measure the performance of mental health service providers of ((regional support network)) behavioral health and recovery organizations. Such outcomes shall focus on stabilizing out-of-home and hospital care, increasing stable community living, increasing age-appropriate activities, achieving family and consumer satisfaction with services, and system efficiencies;

(4) Evaluation of the feasibility of contractual agreements between the department of social and health services and ((regional support networks)) behavioral health and recovery organizations and mental health service providers that link financial incentives to the success or failure of mental health service providers and ((regional support networks)) behavioral health and recovery organizations to meet outcomes established for mental health service clients;

(5) The involvement of mental health consumers and their representatives. Mental health consumers and their representatives will be involved in the development of outcome standards for mental health clients under section 5 of this act; and

(6) An independent evaluation component to measure the success of the department in fully implementing the provisions of RCW 71.24.400 and this section.

Sec. 41. RCW 71.24.430 and 2001 c 323 s 3 are each amended to read as follows:

(1) The department shall ensure the coordination of allied services for mental health clients. The department shall implement strategies for resolving organizational, regulatory, and funding issues at all levels of the system, including the state, the ((regional support networks)) behavioral health and recovery organizations, and local service providers.

(2) The department shall propose, in operating budget requests, transfers of funding among programs to support collaborative service delivery to persons who require services from multiple department programs. The department shall report annually to the appropriate committees of the senate and house of representatives on actions and projects it has taken to promote collaborative service delivery.

Sec. 42. RCW 74.09.522 and 2013 2nd sp.s. c 17 s 13 are each amended to read as follows:

(1) For the purposes of this section:
   (a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under this chapter and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;
   (b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system.

(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:
   (a) Agreements shall be made for at least thirty thousand recipients statewide;
   (b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;
   (c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;
   (d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;
(e) (i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, to be included in contracts issued or renewed on or after January 1, 2015, including:
   (A) Standards regarding the quality of services to be provided;
   (B) The financial integrity of the responding system;
   (C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive medication management services for patients with multiple chronic conditions consistent with the findings and goals established in RCW 74.09.5223;
   (D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use;
   (E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management;
   (F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals established in RCW 74.09.5223; (((and)))
   (G) Evaluation and reporting on the impact of comprehensive medication management services on patient clinical outcomes and total health care costs, including reductions in emergency department utilization, hospitalization, and drug costs; and
   (H) Established consistent processes to incentivize integration of behavioral health services in the primary care setting, promoting care that is integrated, collaborative, colocated, and preventive.
   (ii) (A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.
   (B) Contracts that include the items in (e)(i)(C) through (G) of this subsection must not exceed the rates that would be paid in the absence of these provisions;
   (f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;
   (g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;
   (h) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;
   (i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and
   (j) The authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:
   (a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that enable the authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.
   (b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:
      (i) Demonstrated commitment to or experience in serving low-income populations;
      (ii) Quality of services provided to enrollees;
      (iii) Accessibility, including appropriate utilization, of services offered to enrollees;
      (iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;
      (v) Payment rates; and
      (vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.
   (c) Consideration should be given to using multiple year contracting periods.
   (d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.
   (e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.
   (f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(6) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) By April 1, 2016, any contract with a managed health care system to provide services to medical assistance enrollees shall require that managed health care systems offer contracts to behavioral health and recovery organizations, mental health providers, or chemical dependency treatment providers to provide access to primary care services integrated into behavioral health clinical settings, for individuals with behavioral health and medical comorbidities.

(8) Managed health care system contracts effective on or after April 1, 2016, shall serve geographic areas that correspond to the regional service areas established in section 2 of this act.

(9) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the
system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(((8A.600.010))) (10) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after August 24, 2011, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (7) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(((8A.600.010))) (11) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the authority, including hospital-based physician services. The authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(((8A.600.010))) (12) Payments under RCW 74.60.130 are exempt from this section.

Sec. 43. RCW 9.41.280 and 2009 c 453 s 1 are each amended to read as follows:

Anyone convicted under this subsection is prohibited from applying for a concealed pistol license for a period of three years. The court shall send notice of the revocation to the department of licensing, and the city, town, or county which issued the license.

Any violation of subsection (1) of this section by elementary or secondary school students constitutes grounds for expulsion from the state's public schools in accordance with RCW 28A.600.010. An appropriate school authority shall promptly notify law enforcement and the student's parent or guardian regarding any allegation or indication of such violation.

Upon the arrest of a person at least twelve years of age and not more than twenty-one years of age for violating subsection (1)(a) of this section, the person shall be detained or confined in a juvenile or adult facility for up to seventy-two hours. The person shall not be released within the seventy-two hours until after the person has been examined and evaluated by the designated mental health professional unless the court in its discretion releases the person sooner after a determination regarding probable cause or on probation bond or bail.

Within twenty-four hours of the arrest, the arresting law enforcement agency shall refer the person to the designated mental health professional for examination and evaluation under chapter 71.05 or 71.34 RCW and inform a parent or guardian of the person of the arrest, detention, and examination. The designated mental health professional shall examine and evaluate the person subject to the provisions of chapter 71.05 or 71.34 RCW. The examination shall occur at the facility in which the person is detained or confined. If the person has been released on probation, bond, or bail, the examination shall occur wherever is appropriate.

The designated mental health professional may determine whether to refer the person to the county-designated chemical dependency specialist for examination and evaluation in accordance with chapter 70.96A RCW. The county-designated chemical dependency specialist shall examine the person subject to the provisions of chapter 70.96A RCW. The examination shall occur at the facility in which the person is detained or confined. If the person has been released on probation, bond, or bail, the examination shall occur wherever is appropriate.

Upon completion of any examination by the designated mental health professional or the county-designated chemical dependency specialist, the results of the examination shall be sent to the court, and the court shall consider those results in making any determination about the person.

The designated mental health professional and county-designated chemical dependency specialist shall, to the extent permitted by law, notify a parent or guardian of the person that an examination and evaluation has taken place and the results of the examination. Nothing in this subsection prohibits the delivery of additional, appropriate mental health examinations to the person while the person is detained or confined.

If the designated mental health professional determines it is appropriate, the designated mental health professional may refer the person to the local ((regional support network)) behavioral and recovery health organization for follow-up services or the department of social and health services or other community providers for other services to the family and individual.

(b) Any person engaged in military, law enforcement, or school district security activities. However, a person who is not a commissioned law enforcement officer and who provides school security services under the direction of a school administrator may not possess a device listed in subsection (1)(f) of this section unless he or she has successfully completed training in the use of such devices that is equivalent to the training received by commissioned law enforcement officers;

(c) Any person who is involved in a convention, showing, demonstration, lecture, or firearms safety course authorized by
school authorities in which the firearms of collectors or instructors are handled or displayed;

(d) Any person while the person is participating in a firearms or air gun competition approved by the school or school district;

(f) Any nonstudent at least eighteen years of age legally in possession of a firearm or dangerous weapon that is secured within an attended vehicle or concealed from view within a locked unattended vehicle while conducting legitimate business at the school;

(g) Any nonstudent at least eighteen years of age who is in lawful possession of an unloaded firearm, secured in a vehicle while conducting legitimate business at the school; or

(h) Any law enforcement officer of the federal, state, or local government agency.

(4) Subsections (1)(c) and (d) of this section do not apply to any person who possesses nun-chu-ka sticks, throwing stars, or other dangerous weapons to be used in martial arts classes authorized to be conducted on the school premises.

(5) Subsection (1)(f)(i) of this section does not apply to any person who possesses a device listed in subsection (1)(f)(ii) of this section, if the device is possessed and used solely for the purpose approved by a school for use in a school authorized event, lecture, or activity conducted on the school premises.

(6) Except as provided in subsection (3)(b), (c), (f), and (h) of this section, firearms are not permitted in a public or private school building.

Sec. 44. RCW 10.31.110 and 2011 c 305 s 7 and 2011 c 148 s 3 are each reenacted and amended to read as follows:

(1) When a police officer has reasonable cause to believe that the individual has committed acts constituting a felony crime that is not a serious offense as identified in RCW 10.77.092 and the individual is known by history or consultation with the (regional support network) behavioral health and recovery organization to suffer from a mental disorder, the arresting officer may:

(a) Take the individual to a crisis stabilization unit as defined in RCW 71.05.020(6). Individuals delivered to a crisis stabilization unit pursuant to this section may be held by the facility for a period of up to twelve hours. The individual must be examined by a mental health professional within three hours of arrival;

(b) Take the individual to a triage facility as defined in RCW 71.05.020. An individual delivered to a triage facility which has elected to operate as an involuntary facility may be held up to a period of twelve hours. The individual must be examined by a mental health professional within three hours of arrival;

(c) Refer the individual to a mental health professional for evaluation for initial detention and proceeding under chapter 71.05 RCW; or

(d) Release the individual upon agreement to voluntary participation in outpatient treatment.

(2) If the individual is released to the community, the mental health provider shall inform the arresting officer of the release within a reasonable period of time after the release if the arresting officer has specifically requested notification and provided contact information to the provider.

(3) In deciding whether to refer the individual to treatment under this section, the police officer shall be guided by standards mutually agreed upon with the prosecuting authority, which address, at a minimum, the length, seriousness, and recency of the known criminal history of the individual, the mental health history of the individual, where available, and the circumstances surrounding the commission of the alleged offense.

(4) Any agreement to participate in treatment shall not require individuals to stipulate to any of the alleged facts regarding the criminal activity as a prerequisite to participation in a mental health treatment alternative. The agreement is inadmissible in any criminal or civil proceeding. The agreement does not create immunity from prosecution for the alleged criminal activity.

(5) If an individual violates such agreement and the mental health treatment alternative is no longer appropriate:

(a) The mental health provider shall inform the referring law enforcement agency of the violation; and

(b) The original charges may be filed or referred to the prosecutor, as appropriate, and the matter may proceed accordingly.

(6) The police officer is immune from liability for any good faith conduct under this section.

In the case of a proposed health care facility (or portion thereof) which has not begun to provide tertiary health services on the date an application is submitted under this subsection with respect to such facility (or portion), the facility (or portion) shall meet the applicable requirements of subsection (1) of this section when the facility first provides such services. (ii) Provides its members a contractually guaranteed range of services from independent living through skilled nursing, including some assistance with daily living activities;

(iii) Contractually assumes responsibility for the cost of services exceeding the member’s financial responsibility under the contract, so that no third party, with the exception of insurance purchased by the retirement community or its members, but including the medicaid program, is liable for costs of care even if the member depletes his or her personal resources;

(iv) Has offered continuing care contracts and operated a nursing home continuously since January 1, 1988, or has obtained a certificate of need to establish a nursing home;

(v) Maintains a binding agreement with the state assuring that financial liability for services to members, including nursing home services, will not fall upon the state;

(vii) Has obtained a professional review of pricing and long-term solvency within the prior five years which was fully disclosed to members.

(b) A continuing care retirement community shall not be exempt under this subsection from obtaining a certificate of need unless:

(c) The sale, lease, acquisition, or use of part or all of a continuing care retirement community nursing home that qualifies for exemption under this subsection shall require prior certificate of need approval to qualify for licensure as a nursing home unless the department determines such sale, lease, acquisition, or use is by a continuing care retirement community that meets the conditions of (a) of this subsection.

(6) A rural hospital, as defined by the department, reducing the number of licensed beds to become a rural primary care hospital under the provisions of Part A Title XVIII of the Social Security Act Section 1820, 42 U.S.C. 1395c et seq., may, within three years of the effective date of the rural health care facility license, apply to the department for a hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed as a hospital under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous operation, and the rural health care facility has not been purchased or leased.

(7) A rural health care facility licensed under RCW 70.175.100 formerly licensed as a hospital under chapter 70.41 RCW may, within three years of the effective date of the rural health care facility license, continue the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous operation, and the rural health care facility has not been purchased or leased.

(8)(a) A nursing home that voluntarily reduces the number of its licensed beds to provide assisted living, licensed assisted living facility care, adult day care, adult day health, respite care, hospice, outpatient therapy services, congregate meals, home health, or senior wellness clinic, or to reduce to one or two the number of beds per room or to otherwise enhance the quality of life for residents in the nursing home, may convert the original facility or portion of the facility back, and thereby increase the number of nursing home beds to no more than the previously licensed number without being subject to the provisions of this chapter.

(b) To convert beds back to nursing home beds under this subsection, the nursing home must:
(i) Give notice of its intent to preserve conversion options to the department of health no later than thirty days after the effective date of the license reduction; and

(ii) Give notice to the department of health and to the department of social and health services of the intent to convert beds back. If construction is required for the conversion of beds back, the notice of intent to convert beds back must be given, at a minimum, one year prior to the effective date of license modification reflecting the restored beds; otherwise, the notice must be given a minimum of ninety days prior to the effective date of license modification reflecting the restored beds. Prior to any license modification to convert beds back to nursing home beds under this section, the licensee must demonstrate that the nursing home meets the certificate of need exemption requirements of this section.

The term "construction," as used in (b)(ii) of this subsection, is limited to those projects that are expected to equal or exceed the expenditure minimum amount, as determined under this chapter.

(c) Conversion of beds back under this subsection must be completed no later than four years after the effective date of the license reduction. However, for good cause shown, the four-year period for conversion may be extended by the department of health for one additional four-year period.

(d) Nursing home beds that have been voluntarily reduced under this section shall be counted as available nursing home beds for the purpose of evaluating need under RCW 70.38.115(2) (a) and (k) so long as the facility retains the ability to convert them back to nursing home use under the terms of this section.

(e) When a building owner has secured an interest in the nursing home beds, which are intended to be voluntarily reduced by the licensee under (a) of this subsection, the applicant shall provide the department with a written statement indicating the building owner's approval of the bed reduction.

(9)(a) The department shall not require a certificate of need for a hospice agency if:

(i) The hospice agency is designed to serve the unique religious or cultural needs of a religious group or an ethnic minority and commits to furnishing hospice services in a manner specifically aimed at meeting the unique religious or cultural needs of the religious group or ethnic minority;

(ii) The hospice agency is operated by an organization that:

(A) Operates a facility, or group of facilities, that offers a comprehensive continuum of long-term care services, including, at a minimum, a licensed, medicare-certified nursing home, assisted living, independent living, day health, and various community-based support services, designed to meet the unique social, cultural, and religious needs of a specific cultural and ethnic minority group;

(B) Has operated the facility or group of facilities for at least ten continuous years prior to the establishment of the hospice agency;

(1) The criminal justice treatment account is created in the state treasury. Moneys in the account may be expended solely for:

(a) Substance abuse treatment and treatment support services for offenders with an addiction or a substance abuse problem that, if not treated, would result in addiction, against whom charges are filed by a prosecuting attorney in Washington state; (b) the provision of drug and alcohol treatment services and treatment support services for nonviolent offenders within a drug court program; (c) the administrative and overhead costs associated with the operation of a drug court; and (d) during the 2011-2013 biennium, the legislature may appropriate up to three million dollars from the account in order to offset reductions in the state general fund for treatment services provided by counties. This amount is not subject to the requirements of subsections (5) through (9) of this section. During the 2013-2015 fiscal biennium, the legislature may transfer from the criminal justice treatment account to the state general fund amounts as reflect the state savings associated with the implementation of the medicaid expansion of the federal affordable care act. Moneys in the account may be spent only after appropriation.

(2) For purposes of this section:

(a) "Treatment" means services that are critical to a participant's successful completion of his or her substance abuse treatment program, but does not include the following services: Housing other than that provided as part of an inpatient substance abuse treatment program, vocational training, and mental health counseling; and

(b) "Treatment support" means transportation to or from inpatient or outpatient treatment services when no viable alternative exists, and child care services that are necessary to ensure a participant's ability to attend outpatient treatment sessions.

(3) Revenues to the criminal justice treatment account consist of:

For the fiscal year beginning July 1, 2005, and each subsequent fiscal year, the state treasurer shall transfer eight million two hundred fifty thousand dollars from the general fund to the criminal justice treatment
account, divided into four equal quarterly payments. For the fiscal year beginning July 1, 2006, and each subsequent fiscal year, the amount transferred shall be increased on an annual basis by the implicit price deflator as published by the federal bureau of labor statistics.

(b) In each odd-numbered year, the legislature shall appropriate the amount transferred to the criminal justice treatment account in (a) of this subsection to the division of alcohol and substance abuse for the purposes of subsection (5) of this section.

(5) Moneys appropriated to the division of alcohol and substance abuse from the criminal justice treatment account shall be distributed as specified in this subsection. The department shall serve as the fiscal agent for purposes of distribution. Until July 1, 2004, the department may not use moneys appropriated from the criminal justice treatment account for administrative expenses and shall distribute all amounts appropriated under subsection (4)(b) of this section in accordance with this subsection. Beginning in July 1, 2004, the department may retain up to three percent of the amount appropriated under subsection (4)(b) of this section for its administrative costs.

(a) Seventy percent of amounts appropriated to the division from the account shall be distributed to counties pursuant to the distribution formula adopted under this section. The division of alcohol and substance abuse, in consultation with the department of corrections, the Washington state association of counties, the Washington state association of drug court professionals, the superior court judges' association, the Washington association of prosecuting attorneys, representatives of the criminal defense bar, representatives of substance abuse treatment providers, and any other person deemed by the division to be necessary, shall establish a fair and reasonable methodology for distribution to counties of moneys in the criminal justice treatment account. County or regional plans submitted for the expenditure of formula funds must be approved by the panel established in (b) of this subsection.

(b) Thirty percent of the amounts appropriated to the division from the account shall be distributed as grants for purposes of treating offenders against whom charges are filed by a county prosecuting attorney. The division shall appoint a panel of representatives from the Washington association of prosecuting attorneys, the Washington association of sheriffs and police chiefs, the superior court judges' association, the Washington state association of counties, the Washington defender's association or the Washington association of criminal defense lawyers, the department of corrections, the Washington state association of drug court professionals, substance abuse treatment providers, and the division. The panel shall review county or regional plans for funding under (a) of this subsection and grants approved under this subsection. The panel shall attempt to ensure that treatment as funded by the grants is available to offenders statewide.

(6) The county alcohol and drug coordinator, county prosecutor, county sheriff, county superior court, a substance abuse treatment provider appointed by the county legislative authority, a member of the criminal defense bar appointed by the county legislative authority, and, in counties with a drug court, a representative of the drug court shall jointly submit a plan, approved by the county legislative authority or authorities, to the panel established in subsection (5)(b) of this section, for disposition of all the funds provided from the criminal justice treatment account within that county. The funds shall be used solely to provide approved alcohol and substance abuse treatment pursuant to RCW 70.96A.090, treatment support services, and for the administrative and overhead costs associated with the operation of a drug court.

(9) Counties must meet the criteria established in RCW 2.28.170(3)(b).

(10) The authority under this section to use funds from the criminal justice treatment account for the administrative and overhead costs associated with the operation of a drug court expires June 30, 2015.

(11) Expenditures from the criminal justice treatment account may only be used for the purposes set out in this section and does not include managed care purchasing for Medicaid enrollees.

Sec. 94. RCW 70.320.020 and 2013 c 320 s 2 are each amended to read as follows:

(1) The authority and the department shall base contract performance measures developed under RCW 70.320.030 on the following outcomes when contracting with service contracting entities: Improvements in client health status and wellness; increases in client participation in meaningful activities; reductions in client involvement with criminal justice systems; reductions in avoidable costs in hospitals, emergency rooms, crisis services, and jails and prisons; increases in stable housing in the community; improvements in client satisfaction with quality of life; and reductions in population-level health disparities.

(2) The performance measures must demonstrate the manner in which the following principles are achieved within each of the outcomes under subsection (1) of this section:

(a) Maximization of the use of evidence-based practices will be given priority over the use of research-based and promising practices, and research-based practices will be given priority over the use of promising practices. The agencies will develop strategies to identify programs that are effective with ethnically diverse clients and to consult with tribal governments, experts within ethnically diverse communities and community organizations that serve diverse communities;

(b) The maximization of the client's independence, recovery, and employment;

(c) The maximization of the client's participation in treatment decisions; and

(d) The collaboration between consumer-based support programs in providing services to the client.

(3) In developing performance measures under RCW 70.320.030, the authority and the department shall consider expected outcomes relevant to the general populations that each agency serves. The authority and the department may adapt the outcomes to account for the unique needs and characteristics of discrete subcategories of populations receiving services, including ethnically diverse communities.

(4) The authority and the department shall coordinate the establishment of the expected outcomes and the performance measures between each agency as well as each program to identify expected outcomes and performance measures that are common to the clients enrolled in multiple programs and to eliminate conflicting standards among the agencies and programs.

(5) The authority and the department shall establish timelines and mechanisms for service contracting entities to report data...
related to performance measures and outcomes, including phased implementation of public reporting of outcome and performance measures in a form that allows for comparison of performance measures and levels of improvement between geographic regions of Washington.

(b) The authority and the department may not release any public reports of client outcomes unless the data have been deidentified and aggregated in such a way that the identity of individual clients cannot be determined through directly identifiable data or the combination of multiple data elements.

NEW SECTION. Sec. 95. A new section is added to chapter 70.24 RCW to read as follows:

(1) The department and the health care authority shall develop a plan to provide integrated managed health and mental health care for foster children receiving care through the medical assistance program. The plan shall detail the steps necessary to implement and operate a fully integrated program for foster children, including development of a service delivery system, benefit design, reimbursement mechanisms, and standards for contracting with health plans. The plan must be designed so that all of the requirements for providing mental health services to children under the T.R. v. Dreyfus and Porter settlement are met. The plan shall include an implementation timeline and funding estimate. The department and the health care authority shall submit the plan to the legislature by December 1, 2014.

(2) This section expires July 1, 2015.

NEW SECTION. Sec. 96. Section 1 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

NEW SECTION. Sec. 98. Section 72 of this act takes effect July 1, 2018.”

The department must retain registry records for at least five calendar years to permit the state liquor and cannabis board and the department of revenue to verify eligibility for tax exemptions.

(7) During development of the medical marijuana registry, the department of health shall consult with stakeholders and persons with relevant expertise to include, but not be limited to, qualifying patients, designated providers, health care professionals, state and local law enforcement agencies, and the University of Washington computer science and engineering security and privacy research lab.

(2) Nothing in this chapter establishes a right of care as a covered benefit or requires any state purchased health care as defined in RCW 41.05.011 or other health carrier or health plan as defined in Title 48 RCW to be liable for any claim for reimbursement for the medical use of ((cannabis)) marijuana. Such entities may enact coverage or noncoverage criteria or related policies for payment or nonpayment of medical ((cannabis)) marijuana in their sole discretion.

(3) Nothing in this chapter requires any health care professional to authorize the medical use of ((cannabis)) marijuana for a patient.

(4) Nothing in this chapter requires any accommodation of any on-site medical use of ((cannabis)) marijuana in any place of employment, in any school bus or on any school grounds, in any youth center, in any correctional facility, or smoking ((cannabis)) marijuana in any public place or hotel or motel. However, a school may permit a minor who meets the requirements of section 19 of this act to consume medical marijuana on school grounds. The approval or denial of such a petition shall be considered a final agency action, subject to judicial review.

Sec. 30. RCW 69.51A.100 and 2011 c 181 s 404 are each amended to read as follows:

(1) A qualifying patient may revoke his or her designation of a specific designated provider and designate a different designated provider at any time. A revocation of designation must be in writing, signed and dated, and provided to the department and designated provider. The protections of this chapter cease to apply to a person who has served as a designated provider to a qualifying patient seventy-two hours after receipt of that patient’s revocation of his or her designation.

(2) A person may stop serving as a designated provider to a given qualifying patient at any time by revoking that designation in writing, signed and dated, and provided to the department and the qualifying patient. However, that person may not begin serving as a designated provider to a different qualifying patient until fifteen days have elapsed from the date the last qualifying patient designated him or her to serve as a provider.

(3) The department may adopt rules to implement this section, including a procedure to remove the name of the designated provider from the medical marijuana registry upon receipt of a revocation under this section.

Sec. 31. RCW 69.51A.110 and 2011 c 181 s 408 are each amended to read as follows:

A qualifying patient’s medical use of ((cannabis)) marijuana as authorized by a health care professional may not be a sole disqualifying factor in determining the patient’s suitability for an organ transplant, unless it is shown that this use poses a significant risk of rejection or organ failure. This section does not preclude a health care professional from requiring that a patient abstain from the medical use of ((cannabis)) marijuana for a period of time determined by the health care professional, while waiting for a transplant organ or before the patient undergoes an organ transplant.

Sec. 32. RCW 69.51A.120 and 2011 c 181 s 409 are each amended to read as follows:

A qualifying patient or designated provider may not have his or her parental rights or residential time with a child restricted solely due to his or her medical use of ((cannabis)) marijuana in compliance with the terms of this chapter absent written findings supported by evidence that such use has resulted in a long-term impairment that interferes with the performance of parenting functions as defined under RCW 26.09.004.

NEW SECTION. Sec. 33. A new section is added to chapter 69.51A RCW to read as follows:

Neither this chapter nor chapter 69.50 RCW prohibits a health care professional from selling or donating topical, noningestable products that have a THC concentration of less than .3 percent to qualifying patients.

NEW SECTION. Sec. 34. A new section is added to chapter 69.51A RCW to read as follows:
VALIDATION

Valid documentation may not be issued by a health care professional after September 1, 2015. All valid documentation expires September 1, 2015. Until September 1, 2015, qualifying patients and designated providers in possession of valid documentation may establish an affirmative defense to charges of violations of state law relating to marijuana through proof at trial, by a preponderance of evidence, that the qualifying patient has been authorized by a health care professional for the medical use of marijuana, that the qualifying patient meets the requirements of RCW 69.51A.010(4), and that the qualifying patient’s necessary medical use exceeds the amounts set forth in RCW 69.50.360.

NEW SECTION. Sec. 35. A new section is added to chapter 69.51A RCW to read as follows:

A medical marijuana advisory group must be appointed by the governor to advise and assist the state liquor and cannabis board in adopting rules relating to the medical use of marijuana. The advisory group will meet at the call of the state liquor and cannabis board. Membership of the advisory group includes, but is not limited to the following:

(1) Three health care professionals who authorize the medical use of marijuana;
(2) Two pharmacists, one with compounding experience;
(3) One licensed marijuana producer with medical marijuana experience;
(4) One licensed marijuana processor with medical marijuana experience;
(5) One licensed marijuana retailer with medical marijuana experience; and
(6) One qualifying patient.

NEW SECTION. Sec. 36. (1) The legislature finds marijuana use for qualifying patients is a valid and necessary option health care professionals may recommend for their patients. The legislature further finds that although there is a distinction between recreational and medical use of marijuana, the changing environment for recreational marijuana use in Washington will also affect qualifying patients. The legislature further finds that while recognizing the difference between recreational and medical use of marijuana, it is imperative to develop a single, comprehensive regulatory scheme for marijuana use in the state. Acknowledging that the implementation of this act may result in changes to how qualifying patients access medical marijuana, the legislature intends to ease the transition towards a regulated market and provide a statutory means for a safe, consistent, and secure source of marijuana for qualifying patients. Therefore, the legislature intends to provide qualifying patients a retail sales and use tax exemption on purchases of marijuana for medical use when authorized by a health care professional. Because marijuana is neither a prescription medicine nor an over-the-counter medication, this policy should in no way be construed as precedent for changes in the treatment of prescription medications or over-the-counter medications.

(2) This section is the tax preference performance statement for the retail sales and use tax exemptions for marijuana concentrates, useable marijuana, and marijuana-infused products purchased by qualifying patients provided in sections 11 and 12 of this act. The performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(b) The legislature categorizes the tax preference as one intended to accomplish the general purposes indicated in RCW 82.32.808(2)(e).

(c) It is the legislature’s specific public policy objective to provide qualifying patients a retail sales and use tax exemption on purchases of marijuana concentrates, useable marijuana, and marijuana-infused products for medical use when authorized by a health care professional and registered with the medical marijuana registry.

(d) To measure the effectiveness of the exemption provided in this act in achieving the specific public policy objectives described in (c) of this subsection, the joint legislative audit and review committee must evaluate the actual fiscal impact of the sales and use tax exemption in this act compared to the estimated impact in the fiscal note for this act.

NEW SECTION. Sec. 37. All references to the Washington state liquor control board must be construed as referring to the Washington state liquor and cannabis board. The code reviser must prepare legislation for the 2015 legislative session changing all references in the Revised Code of Washington from the Washington state liquor control board to the Washington state liquor and cannabis board.

NEW SECTION. Sec. 38. The following acts or parts of acts are each repealed:

(1) RCW 69.51A.020 (Construction of chapter) and 2011 c 181 s 103 & 1999 c 2 s 3;

NEW SECTION. Sec. 40. RCW 69.51A.043 (Failure to register--Affirmative defense) and 2011 c 181 s 402, as now existing or hereafter amended, are each repealed, effective September 1, 2015.

NEW SECTION. Sec. 41. Sections 6, 7, 10, 16, 17, 19, 23 through 25, 27, 28, 30, and 38 of this act take effect July 1, 2015.

MOTION

Senator Kohl-Welles moved that the following striking amendment by Senators Kohl-Welles and Rivers be adopted:

Strike everything after the enacting clause and insert the following:

“NEW SECTION. Sec. 1. The legislature finds that voter approval of Initiative Measure No. 502 established a system for licensing and regulating cannabis production, processing, and sale. The legislature further finds that this new industry is projected to create new jobs and generate revenues to the state estimated as high as $1,943,936,000 over five fiscal years. The legislature also finds that qualifying patients have additional protections under chapter 69.51A RCW. The legislature further finds there is potential interest to expand into other areas, such as industrial hemp, food processing, farmers’ markets, and banking. As such, given a potentially evolving demand and market in new areas, it is the intent of the legislature to create a state cannabis industry coordinating committee to promote and further develop the industry while remaining in compliance with federal guidelines. It is the intention of the legislature that the committee will coordinate and monitor new developments and their impact on Washington state, and to make recommendations to the legislature on establishment of a state comprehensive plan.

The legislature also finds that, while the state liquor control board is working to implement the regulatory structure enacted by Initiative Measure No. 502, additional issues need to be addressed. The use of medical marijuana outside of this regulatory structure, the process for medical authorizations, the establishment of medical dispensaries, and other related issues should be addressed by a statewide committee that would submit its policy recommendations for consideration by the 2015 legislature.”
NEW SECTION. Sec. 2. (1) A state cannabis industry coordinating committee is established, with members as provided in this subsection.

(a) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.

(b) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives.

(c) The governor shall appoint members representing the following state agencies:
   (i) The liquor control board;
   (ii) The department of health;
   (iii) The department of commerce;
   (iv) The department of revenue;
   (v) The office of the treasurer;
   (vi) The department of agriculture; and
   (vii) The department of financial institutions.

(d) The governor shall appoint seven members representing medical marijuana patients as follows:
   (i) A health care professional with experience authorizing qualifying patients for the medical use of marijuana;
   (ii) Two qualifying patients or their designated providers;
   (iii) A medical marijuana advocate;
   (iv) A medical marijuana producer;
   (v) A medical marijuana processor; and
   (vi) A medical marijuana retailer or a person with experience providing marijuana to or consulting with qualifying patients.

(e) One representative each from the association of Washington cities and the Washington state association of counties.

(f) The governor shall appoint up to nine industry stakeholders representing established and emerging markets for the use of cannabis including, but not limited to, the various commercial uses of industrial hemp, food processing, farmers' markets, tourism, banking, and other uses that may be relevant.

(2) The committee must appoint its cochairs, one of which shall be from among its legislative membership. The committee shall make rules for orderly procedure and, in addition to the subcommittee required in subsection (3) of this section, the committee may form subcommittees to accomplish its work.

(3) The committee shall appoint a medical marijuana subcommittee for the purpose of reviewing and making recommendations on the following issues:
   (a) Whether RCW 69.50.331(8) prevents the siting of marijuana retailers who hold medical marijuana endorsements and what may be done to assist the state and local governments in siting these retail outlets;
   (b) Whether there is a need for retail outlets that are licensed to only sell medical marijuana to qualifying patients or designated providers;
   (c) Whether the use of valid documentation should be permitted as an alternative to registering with the medical marijuana registry;
   (d) Whether a marijuana producer or marijuana processor endorsement should be established to permit a producer or processor to sell directly to qualifying patients and designated providers and whether these licensees are producing marijuana concentrates, useable marijuana, and marijuana-infused products that are meeting the needs of medical marijuana patients;
   (e) Whether posttraumatic stress disorder should be added to terminal or debilitating medical conditions that qualify a person for the medical use of marijuana;
   (f) Whether a different method of taxation should be established for those products designated by the liquor control board as being beneficial for qualifying patients and designated providers. This includes whether these products should be taxed at a different rate than products intended for nonmedical use or whether they should be provided with tax exemptions;
   (g) Options for funding the medical marijuana registry; and
   (h) Any other matters pertinent to promoting access to safe and affordable marijuana for medical use by qualifying patients.

(4) The committee has the following powers and duties:
   (a) Developing a state comprehensive plan that identifies and coordinates the various business opportunities within the cannabis industry, including potential opportunities;
   (b) Recommending a state financial system that best implements the state's marijuana marketplace while maximizing public safety, accurate tax accounting, and compliance with the United States attorney general's guidance regarding marijuana enforcement and guidance regarding marijuana-related financial crimes on implementation of Initiative Measure No. 502;
   (c) Developing a method for monitoring and assessing the economic returns the cannabis industry delivers to the state;
   (d) Examining and reporting on any changes in federal law that may impact the legal operations of the cannabis industry in the state;
   (e) Making recommendations for a statewide cannabis industry coordinator;
   (f) Recommending options for the distribution of tax revenue from the sale of marijuana; and
   (g) Making recommendations specific to the medical use of marijuana as described in subsection (3) of this section.

(5) The committee shall provide specific preliminary recommendations to the appropriate committees of the legislature by December 15, 2014, and a final report by January 10, 2016.

(6) Staff support for the committee must be provided by senate committee services, the house of representatives office of program research, and the represented state agencies.

(7) Legislative members of the committee must serve without additional compensation, but must be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members, except those representing an employer or organization, are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(8) The expenses of the committee must be paid jointly by the senate and the house of representatives. Committee expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(9) Meetings of the committee are subject to the open public meetings act, chapter 42.30 RCW.

(10) This section expires January 31, 2016."

(1)(a) The secretary of social and health services and the secretary of health shall adopt additional requirements for the licensure or relicensure of agencies, facilities, and licensed individuals who provide care and treatment to vulnerable adults, including nursing pools registered under chapter 18.52C RCW. These additional requirements shall ensure that any person associated with a licensed agency or facility having unsupervised access with a vulnerable adult shall not be the respondent in an active protective order under RCW 74.34.130, nor have been: (i) Convicted of a crime against persons as defined in RCW 43.43.830, except as provided in this section; (ii) convicted of crimes relating to financial exploitation as defined in RCW 43.43.830, except as provided in this section; or (iii) found in any disciplinary board final decision to have abused a vulnerable adult under RCW 43.43.830.

(b) The offense was prostitution, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(c) The offense was theft in the third degree, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(d) The offense was theft in the second degree, or the same offense as it may be renamed, and five or more years have passed between the most recent conviction and the date of application for employment;

(g) The otherwise disqualifying conviction or disposition has been the subject of a pardon, annulment, or other equivalent procedure.

The offenses set forth in (a) through (g) of this subsection do not automatically disqualify an applicant for employment by a licensee. Nothing in this section may be construed to require the employment of any person against a licensee's judgment.

An individual responding to a criminal background inquiry request from his or her employer or potential employer shall disclose the information about his or her criminal history under penalty of perjury. The secretaries shall use the information solely for the purpose of determining eligibility for licensure or relicensure. Criminal justice agencies shall provide the secretaries such information as they may have and that the secretaries may require for such purpose.

Sec. 2. RCW 43.20A.710 and 2012 c 164 s 505 are each amended to read as follows:

(1) The secretary shall investigate the conviction records, pending charges and disciplinary board final decisions of:

(a) Any current employee or applicant seeking or being considered for any position with the department who will or may have unsupervised access to children, vulnerable adults, or individuals with mental illness or developmental disabilities. This includes, but is not limited to, positions conducting comprehensive assessments, financial eligibility determinations, licensing and certification activities, investigations, surveys, or case management; or for state positions otherwise required by federal law to meet employment standards;

(b) Individual providers who are paid by the state and providers who are paid by home care agencies to provide in-home services involving unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, including but not limited to services provided under chapter 74.39 or 74.39A RCW; and

(c) Individuals or businesses or organizations for the care, supervision, case management, or treatment of children, persons with developmental disabilities, or vulnerable adults, including but not limited to services contracted for under chapter 18.20, 70.127, 70.128, 72.36, or 74.39A RCW or Title 71A RCW.

(2) The secretary shall require a fingerprint-based background check through both the Washington state patrol and the federal bureau of investigation as provided in RCW 43.43.837. Unless otherwise authorized by law, the secretary shall use the information solely for the purpose of determining the character, suitability, and competence of the applicant.

(3) Except as provided in subsection (4) of this section, an individual provider or home care agency provider who has resided in the state less than three years before applying for employment involving unsupervised access to a vulnerable adult as defined in chapter 74.34 RCW must be fingerprinted for the purpose of investigating conviction records through both the Washington state patrol and the federal bureau of investigation. This subsection applies only with respect to the provision of in-home services funded by medicaid personal care under RCW 74.09.520, community options program entry system waiver services under RCW 74.39A.030, or chore services under RCW 74.39A.110. However, this subsection does not supersede RCW 74.15.030(2)(b).

(4) Long-term care workers, as defined in RCW 74.39A.009, who are hired after January 7, 2012, are subject to background checks under RCW 74.39A.056, except that the department may require a background check at any time under RCW 43.43.837. For the purposes of this subsection, "background check" includes, but is not limited to, a fingerprint check submitted for the purpose of investigating conviction records through both the Washington state patrol and the federal bureau of investigation.

(5) An individual provider or home care agency provider hired to provide in-home care for and having unsupervised access to a vulnerable adult as defined in chapter 74.34 RCW must have no conviction for a disqualifying crime under RCW 43.43.830 and 43.43.842. An individual or home care agency provider must also have no conviction for a crime relating to drugs as defined in RCW 43.43.830. This subsection applies only with respect to the provision of in-home services funded by medicaid personal care under RCW 74.09.520, community options program entry system waiver services under RCW 74.39A.030, or chore services under RCW 74.39A.110.

(6) The secretary shall provide the results of the state background check on long-term care workers, including individual providers, to the persons hiring them or to their legal guardians, if any, for their determination of the character, suitability, and competence of the applicants. If the person elects to hire or retain an individual provider after receiving notice from the department that the applicant has a conviction for an offense that would disqualify the applicant from having unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, then the secretary shall deny payment for any subsequent services rendered by the disqualified individual provider.

(7) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

(8) Any person whose criminal history would otherwise disqualify the person under this section from a position which will or may have unsupervised access to children, vulnerable adults, or persons with mental illness or developmental disabilities shall not be disqualified if the department of social and health services reviewed the person's otherwise disqualifying criminal history through the department of social and health services' background assessment review team process conducted in 2002 and determined that such person could remain in a position covered by this section, or if the otherwise disqualifying conviction or disposition has been the subject of a pardon, annulment, or other equivalent procedure.

NEW SECTION. Sec. 3. A new section is added to chapter 74.15 RCW to read as follows:

If an agency operating under contract with the children's administration chooses to hire an individual that would be precluded from employment with the department based on a disqualifying crime or negative action, the department and its officers and employees have no liability arising from any injury or harm to a child or other department client that is attributable to such individual.

Sec. 4. RCW 74.13.700 and 2013 c 162 s 2 are each amended to read as follows:

(1) In determining the character, suitability, and competence of an individual, the department may not:

(a) Deny or delay a license or approval of unsupervised access to children to an individual solely because of a crime or civil infraction involving the individual or entity revealed in the background check process that (is not on the secretary's list of crimes and negative actions and is not related) does not fall within the categories of disqualifying crimes described in the adoption and safe families act of 1997 or does not relate directly to child safety, permanence, or well-being; or

(b) Delay the issuance of a license or approval of unsupervised access to children by requiring the individual to obtain records relating to a crime or civil infraction revealed in the background check process that (is not on the secretary's list of crimes and negative actions and is not related) does not fall within the categories of disqualifying crimes described in the adoption and safe families act of 1997 or does not relate directly to child safety, permanence, or well-being (and is not a permanent disqualifier pursuant to department rule).

(2) If the department determines that an individual does not possess the character, suitability, or competence to provide care or have unsupervised access to a child, it must provide the reasons for its decision in writing with copies of the records or documents
related to its decision to the individual within ten days of making the decision.

(3) For purposes of this section, "individual" means a relative as defined in RCW 74.15.020(2)(a), an "other suitable person" under chapter 13.34 RCW, a person pursuing licensing as a foster parent, or a person employed or seeking employment by a business or organization licensed by the department or with whom the department has a contract to provide care, supervision, case management, or treatment of children in the care of the department. "Individual" does not include long-term care workers defined in RCW 74.39A.009(17)(a) whose background checks are conducted as provided in RCW 74.39A.056.

(4) The department or its officers, agents, or employees may not be held civilly liable based upon its decision to grant or deny unsupervised access to children if the background information it relied upon at the time the decision was made did not indicate that child safety, permanence, or well-being would be a concern.

MESSAGE FROM THE HOUSE

March 5, 2014

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6145 with the following amendment(s): 6145-S AMH GOE H4367.1
districts are reducing nursing services. As a result, school districts are becoming more dependent upon unlicensed, minimally trained, and many times unwilling classified employees to provide these services.

Over the years, unlicensed employees have sought and received legislative approval for protections from employer reprisal if they refuse to deliver nursing services and liability protections if they provide nursing services that harm a student. It is clear that unlicensed employees will be expected to deliver new medications and nursing services not currently recognized in state law to students in the future.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.210 RCW to read as follows:

(1) Beginning July 1, 2014, a school district employee not licensed under chapter 18.79 RCW who is asked to administer medications or perform nursing services not previously recognized in law shall at the time he or she is asked to administer the medication or perform the nursing service file, without coercion by the employer, a voluntary written, current, and unexpired letter of intent stating the employee’s willingness to administer the new medication or nursing service. It is understood that the letter of intent will expire if the conditions of acceptance are substantially changed. If a school employee who is not licensed under chapter 18.79 RCW chooses not to file a letter under this section, the employee is not subject to any employer reprisal or disciplinary action for refusing to file a letter.

(2) In the event a school employee provides the medication or service to a student in substantial compliance with (a) rules adopted by the state nursing care quality assurance commission and the instructions of a registered nurse or advanced registered nurse practitioner issued under such rules, and (b) written policies of the school district, then the employee, the employee's school district or school of employment, and the members of the governing board and chief administrator thereof are not liable in any criminal action or for civil damages in his or her individual, marital, governmental, corporate, or other capacity as a result of providing the medication or service.

(3) The board of directors shall designate a professional person licensed under chapter 18.71, 18.57, or 18.79 RCW as it applies to registered nurses and advanced registered nurse practitioners to consult and coordinate with the student's parents and health care provider, and train and supervise the appropriate school district personnel in proper procedures to ensure a safe, therapeutic learning environment. School employees must receive the training provided under this subsection before they are authorized to deliver the service or medication. Such training must be provided, where necessary, on an ongoing basis to ensure that the proper procedures are not forgotten because the services or medication are delivered infrequently.

Sec. 3. RCW 4.24.300 and 2004 c 87 s 1 are each amended to read as follows:

(1) Any person, including but not limited to a volunteer provider of emergency or medical services, who without compensation or the expectation of compensation renders emergency care at the scene of an emergency or who participates in transporting, not for compensation, therefrom an injured person or persons for emergency medical treatment shall not be liable for civil damages resulting from any act or omission in the rendering of such emergency care or in transporting such persons, other than acts or omissions constituting gross negligence or willful or wanton misconduct. Any person rendering emergency care during the course of regular employment and receiving compensation or expecting to receive compensation for rendering such care is excluded from the protection of this subsection.

(2) Any licensed health care provider regulated by a disciplining authority under RCW 18.130.040 in the state of Washington who, without compensation or the expectation of compensation, provides health care services at a community health care setting is not liable for civil damages resulting from any act or omission in the rendering of such care, other than acts or omissions constituting gross negligence or willful or wanton misconduct.

(3) For purposes of subsection (2) of this section, “community health care setting” means an entity that provides health care services and:

(a) Is a clinic operated by a public entity or private tax exempt corporation or any entity that is owned, operated, or controlled by a hospital licensed under chapter 70.41 RCW unless the hospital-based clinic either:

(i) Maintains and holds itself out to the public as having established hours on a regular basis for providing free health care services to members of the public to the extent that care is provided without compensation or expectation of compensation during those established hours;

(ii) Is participating, through a written agreement, in a community-based program to provide access to health care services for uninsured persons, to the extent that:

(A) Care is provided without compensation or expectation of compensation to individuals who have been referred for care through that community-based program; and

(B) The health care provider's participation in the community-based program is conditioned upon his or her agreement to provide health services without expectation of compensation;

(b) Is a for-profit corporation that maintains and holds itself out to the public as having established hours on a regular basis for providing free health care services to members of the public to the extent that care is provided without compensation or expectation of compensation during those established hours;

(c) Is a for-profit corporation that is participating, through a written agreement, in a community-based program to provide access to health care services for uninsured persons, to the extent that:

(i) Care is provided without compensation or expectation of compensation to individuals who have been referred for care through that community-based program; and

(ii) The health care provider's participation in the community-based program is conditioned upon his or her agreement to provide health services without expectation of compensation.

(4) Any school district employee not licensed under chapter 18.79 RCW who renders emergency care at the scene of an emergency during an officially designated school activity or who participates in transporting therefrom an injured person or persons for emergency medical treatment shall not be liable for civil damages resulting from any act or omission in the rendering of such emergency care or in transporting such persons, other than acts or omissions constituting gross negligence or willful or wanton misconduct.”

MESSAGE FROM THE HOUSE

March 5, 2014

MR. PRESIDENT:
The House passed SENATE BILL NO. 6208 with the following amendment(s): 6208 AMH CDHT H4333.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the practice of persons using the allure of untapped benefits from the United States department of veterans affairs to market products and services substantially affects the public interest. This practice may impact the ability of veterans or their surviving spouses to appropriately plan their finances or care. The legislature further finds that the lack of regulation of persons who provide advice related to veterans' benefits is inadequate to address unfair and deceptive practices that exist in the marketplace and has contributed to the unauthorized practice of law and the use and marketing of financial planning options that are potentially detrimental to the veteran, their spouse, and family. It is the intent of the legislature, through this chapter, to restrict how individuals receive compensation and remuneration for providing assistance with veterans' benefit-related services and to encourage certain disclosures from individuals offering veterans' benefit-related services.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Compensation" means money, property, or anything else of value, which includes, but is not limited to, exclusive arrangements or agreements for the provision of services or the purchase of products.

(2) "Person" includes, where applicable, natural persons, corporations, trusts, unincorporated associations, and partnerships.

(3) "Trade or commerce" includes the marketing or sale of assets, goods, or services, or any commerce directly or indirectly affecting the people of the state of Washington.

NEW SECTION. Sec. 3. A person may not engage in the following acts or practices:

(1) Receiving compensation for advising or assisting another person with a veterans' benefit matter, except as permitted under Title 38 of the United States Code;

(2) Using financial or other personal information gathered in order to prepare documents for, or otherwise represent the interests of, another in a veterans' benefit matter for purposes of trade or commerce;

(3) Receiving compensation for referring another person to a person accredited by the United States department of veterans affairs;

(4) Representing, either directly or by implication, either orally or in writing, that the receipt of a certain level of veterans' benefits is guaranteed.

NEW SECTION. Sec. 4. (1) It is unlawful for any person to advertise or promote any event, presentation, seminar, workshop, or other public gathering regarding veterans' benefits or entitlements that does not include the following disclosure: "This event is not sponsored by, or affiliated with, the United States Department of Veterans Affairs, the Washington State Department of Veterans Affairs, or any other congressionally chartered or recognized organization of honorably discharged members of the Armed Forces of the United States or any of their auxiliaries. Products or services that may be discussed at this event are not necessarily endorsed by those organizations. You may qualify for benefits other than or in addition to the benefits discussed at this event."

(2) The disclosure required by subsection (1) of this section must be in the same type size and font as the term "veteran" or any variation of that term as used in the event advertisement or promotional materials.

(3) The disclosure required by subsection (1) of this section must be disseminated, both orally and in writing, at the beginning of any event, presentation, seminar, workshop, or other public gathering regarding veterans' benefits or entitlements.

(4) The disclosure required by subsection (1) of this section does not apply where the United States department of veterans affairs, the Washington state department of veterans affairs, or any other congressionally chartered or recognized organization of honorably discharged members of the Armed Forces of the United States or any of their auxiliaries have granted written permission to the advertiser or promoter for the use of its name, symbol, or insignia to advertise or promote such events, presentations, seminars, workshops, or other public gatherings. The disclosure required by subsection (1) of this section also does not apply where the event, presentation, seminar, workshop, or gathering is part of an accredited continuing legal education course.

NEW SECTION. Sec. 5. Nothing in this chapter applies to officers, employees, or volunteers of the state, of any county, city, or other political subdivision, or of a federal agency of the United States, who are acting in their official capacity.

NEW SECTION. Sec. 6. The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and

an unfair method of competition for purposes of applying the consumer protection act, chapter 19.86 RCW.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. This chapter may be known and cited as the "pension poacher prevention act."

NEW SECTION. Sec. 9. Sections 1 through 6 and 8 of this act constitute a new chapter in Title 19 RCW."

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.305.141 and 2009 c 543 s 2 are each amended to read as follows:

(1) In addition to waivers authorized under RCW 28A.305.140 and 28A.655.180, the state board of education may grant waivers from the requirement for a one hundred eighty-day school year under RCW 28A.150.220 ((and 28A.150.250)) to school districts that propose to operate one or more schools on a flexible calendar for purposes of economy and efficiency as provided in this section. (b) An explanation and estimate of the economies and efficiencies to be gained from compressing the instructional hours into fewer than one hundred eighty days;

(c) An explanation of how monetary savings from the proposal will be redirected to support student learning;

(d) A summary of comments received at one or more public hearings on the proposal and how concerns will be addressed;

(3) The state board of education shall adopt criteria to evaluate waiver requests. No more than five districts may be granted waivers. Waivers may be granted for up to three years. After each school year, the state board of education shall analyze empirical evidence evidence to determine whether the reduction is affecting student learning. If the state board of education determines that student learning is adversely affected, the school district shall discontinue the flexible calendar as soon as possible but not later than the beginning of the next school year after the determination has been made. All waivers expire August 31, ((2014)) 2017.

(a) Two of the five waivers granted under this subsection shall be granted to school districts with student populations of less than one hundred fifty students.

(b) Three of the five waivers granted under this subsection shall be granted to school districts with student populations of between one hundred fifty-one and five hundred students.

(4) (The state board of education shall examine the waivers granted under this section and make a recommendation to the education committees of the legislature by December 15, 2013, regarding whether the waiver program should be continued, modified, or allowed to terminate. This recommendation should focus on whether the program resulted in improved student learning as demonstrated by empirical evidence. Such evidence includes, but is not limited to: Improved scores on the Washington assessment of student learning, results of the dynamic indicators of basic early literacy skills, student grades, and attendance.

(5)) This section expires August 31, ((2014)) 2017."
