(4)(a) The department shall use moneys deposited in the local toxics control account for grants or loans to local governments for the following purposes in descending order of priority:

(i) Extended grant agreements entered into under (((ee))) ((ii)) of this subsection;

(ii) Remedial actions, including planning for adaptive reuse of properties as provided for under (((ee))) ((iv)) of this subsection. The department must prioritize funding of remedial actions at:

(A) Facilities on the department's hazardous sites list with a high hazard ranking for which there is an approved remedial action work plan or an equivalent document under federal cleanup law;

(B) Brownfield properties within a redevelopment opportunity zone if the local government is a prospective purchaser of the property and there is a department-approved remedial action work plan or equivalent document under the federal cleanup law;

(d) During the 2013-2015 fiscal biennium, the legislature may transfer from the local toxics control account to the state general fund, such amounts as reflect the excess fund balance in the account.

(e)) To expedite cleanups throughout the state, the department may use the following strategies when providing grants to local governments under this subsection:

(i) Enter into an extended grant agreement with a local government conducting remedial actions at a facility where those actions extend over multiple biennia and the total eligible cost of those actions exceeds twenty million dollars. The agreement is subject to the following limitations:

(A) The initial duration of such an agreement may not exceed ten years. The department may extend the duration of such an agreement upon finding substantial progress has been made on remedial actions at the facility; and

(B) Extended grant agreements may not exceed fifty percent of the total eligible remedial action costs at the facility; and

(C) The department may not allocate future funding to an extended grant agreement unless the local government has demonstrated to the department that funds awarded under the agreement during the previous biennium have been substantially expended or contracts have been entered into to substantially expend the funds;

(ii) Enter into a grant agreement with a local government conducting a remedial action that provides for periodic reimbursement of remedial action costs as they are incurred as established in the agreement;

(iii) Enter into a grant agreement with a local government prior to a release of a hazardous substance contamination; high performance buildings; solid waste incinerator facility feasibility studies, construction, maintenance, or operation; or (after January 1, 2010) projects designed to address the restoration of Puget Sound, funded in a competitive grant process, that are in conflict with the action agenda developed by the Puget Sound partnership under RCW 90.71.310. However, this subsection does not prevent an appropriation from the state toxics control account to the department of revenue to enforce compliance with the hazardous substance tax imposed in chapter 82.21 RCW.

(7) ((Except during the 2011-2013 and the 2015-2017 fiscal biennia)) One percent of the moneys collected under RCW 82.21.030 shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation that are not expended at the close of any biennium revert to the state toxics control account.

(8) The department shall adopt rules for grant or loan issuance and performance. To accelerate both remedial action and economic recovery, the department may expedite the adoption of rules necessary to implement chapter 1, Laws of 2013 2nd sp. sess. using the expedited procedures in RCW 34.05.353. The department shall initiate the award of financial assistance by August 1, 2013. To ensure the adoption of rules will not delay financial assistance, the department may administer the award of financial assistance through interpretive guidance pending the adoption of rules through July 1, 2014.

(9) Except as provided under subsection (3)(k) and (q) of this section, nothing in chapter 1, Laws of 2013 2nd sp. sess. affects the ability of a potentially liable person to receive public funding.

(10) ((During the 2015-2017 fiscal biennium the local toxics control account may also be used for the centennial clean water
program and for the stormwater financial assistance program administered by the department of ecology.

(44)) During the 2017-2019 biennium;

(a) The state toxics control account, the local toxics control account, and the environmental legacy stewardship account may be used for interchangeable purposes and funds may be transferred between accounts to accomplish those purposes.

(b) The legislature may direct the state treasurer to make transfers of moneys in the state toxics control account to the water pollution control revolving account.

(4) Application for funding must be made in the form and manner as the board may prescribe. In making grants or loans the board must conform to the following requirements:

(a) The board may not provide financial assistance:

(b) The board may provide financial assistance only if:

(i) For projects demonstrating convincing evidence that a specific private development or expansion is ready to occur and will occur only if the public facility improvement is made that:

(A) Results in the creation of significant private sector jobs or significant private sector capital investment as determined by the board.

(B) Will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities; and

(C) Is located in a rural community as defined by the board, or a rural county; or

(f) An application must be approved by the local government and supported by the local associate development organization or local workforce development council or approved by the governing body of the federally recognized Indian tribe.

(((g))) (d) The board may de minimis general system improvements to be funded if they are critically linked to the viability of the project.

((e)) An application must demonstrate convincing evidence that the median hourly wage of the private sector jobs created after the project is completed will exceed the countywide median hourly wage.

(b) The board must prioritize each proposed project according to:

(i) The relative benefits provided to the community by the jobs the project would create, not just the total number of jobs it would create after the project is completed, but also giving consideration to the unemployment rate in the area in which the jobs would be located.

(ii) The rate of return of the state's investment, including, but not limited to, the leveraging of private sector investment, anticipated job creation and retraining, and expected increases in state and local tax revenues associated with the project.

(iii) Whether the proposed project offers a health insurance plan for employees that includes an option for dependents of employees.

(iv) Whether the public facility investment will increase existing capacity necessary to accommodate projected population and employment growth in a manner that supports infill and redevelopment of existing urban or industrial areas that are served by adequate public facilities. Projects should maximize the use of existing infrastructure and provide for adequate funding of necessary transportation improvements.

(v) Whether the applicant's permitting process has been certified as streamlined by the office of regulatory assistance; and

(v) The project's readiness to proceed.

(5) A responsible official of the local government or the federally recognized Indian tribe must be present during board deliberations and provide information that the board requests.

(((5))) (6) Before any financial assistance application is approved, the local government or the federally recognized Indian tribe seeking the assistance must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

FOR THE DEPARTMENT OF ECOLOGY
VW Settlement Funded Projects (40000018)

(The appropriation in this section is subject to the following conditions and limitations:
(1) The legislature finds that it is appropriate to provide a framework for the administration of mitigation funds provided to the state as a beneficiary under the terms of the consent decrees entered into by the United States, Volkswagen AG, and other participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years. The legislature deems the department of ecology the responsible agency for the administration and expenditure of funds provided by the trust under the terms of the consent decrees, including the development of a mitigation plan to guide the use of the funds, whether or not the department receives funds directly for projects included in the plan.
(2)(a) The department of ecology shall develop the mitigation plan through an open, transparent public process consistent with direction in the consent decrees. The department shall provide ample opportunity, using a variety of engagement options, as appropriate, for stakeholders and the public to shape, review, and comment throughout the development of the mitigation plan, including at least two meetings of the legislative advisory group as described in (c) of this subsection.
(b) The department of ecology shall work collaboratively with other agencies to develop and implement the elements of the mitigation plan that address categories of projects for which other agencies have already developed programs or expertise. In doing so, the department of ecology must consider and utilize, where appropriate and to the extent possible, the following existing programs for alternative fuels and zero emission vehicles:
(i) The department of transportation's electric vehicle infrastructure bank program;
(ii) The state alternative fuel commercial vehicle tax credit;
(iii) The state sales and use tax exemption for clean vehicles; and
(iv) Public transportation grant programs administered by the department of transportation.
(c)(i) For the purposes of providing legislative input and gathering public feedback on the development of the mitigation plan, a legislative advisory group is established. The advisory group is comprised of eight legislators, including the chairs and ranking members, or designees of the chairs and ranking members, of the transportation and capital budget committees in the House and in the Senate, the director of the department of ecology, and the secretary of the department of transportation.
(ii) The advisory group must select a chair from among its membership. Meetings of the advisory group must be open to the public and allow for public comment.

(iii) The advisory group must meet at least twice, once immediately prior to the date that the draft mitigation plan is released publicly, and again after public comment has been incorporated but before the department submits the plan to the trustee.

(iv) The office of program research and the senate committee services must provide staff support to the advisory group. The department of ecology staff must provide technical support, as needed. Legislative members of the advisory group are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, government entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.01 RCW. Advisory group expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(3) The mitigation plan and the stewardship of project implementation must adhere to the following principles:

(a) Maximize air quality and public health benefits relating to the reduction of nitrogen oxides emissions;

(b) Give priority to projects that improve air quality relating to the reduction of nitrogen oxides emissions in areas that bear a disproportionate share of the burden from nitrogen-oxides emissions;

(c) Achieve substantial additional air quality benefits relating to the reduction of nitrogen oxides emissions beyond that which would already occur, absent trust funding;

(d) Investments in clean vehicles or investments in clean engine replacements must be shown to be cost effective. For the purposes of leveraging funding, investments in clean vehicles may not exceed the incremental cost of the clean vehicle relative to the cost of a similar conventionally fueled vehicle. To incentivize the replacement of standard engines, investments may be made up to the full cost of the clean engine replacement;

(e) Consideration must be given to investments across a range of fueling technologies and emissions reduction technologies; and

(f) Priority must be given to projects that have the highest benefit-cost ratios, in terms of the amount of nitrogen oxides emissions reduced per dollar invested.

(4) Funding must be allocated to eligible projects under the terms of the consent decrees in the following manner:

(a)(i) No more than thirty percent of funding provided during the 2017-2019 biennium for commercial vehicle class four and 3.0 liter diesel vehicles of certain models and years. The department of ecology shall work collaboratively with other agencies to implement the elements of the mitigation plan that address categories of projects for which other agencies have already developed programs or expertise. In doing so, the department of ecology must consider and utilize, where appropriate and to the extent practical, the following existing frameworks for the administration of mitigation funds provided to participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years.

(a)(ii) Projects that receive funding under subsection (4)(a)(i) and (ii) of this section and ocean-going vessels' shore power projects that receive funding under subsection (4)(a)(viii) of this section must include electric technologies, if practicable.

(b) Projects that receive funding under subsection (4)(a)(ii) and (iii) of this section and ocean-going vessels' shore power projects that receive funding under subsection (4)(a)(viii) of this section must include electric technologies, if practicable.

(c) For the purposes of this section:

(d) Incentivize the replacement of standard engines, investments may not exceed the incremental cost of the clean vehicle, relative to the cost of a similar conventionally fueled vehicle. To incentivize the replacement of standard engines, investments may be made up to the full cost of the clean engine replacement;

(e) Consideration must be given to investments across a range of fueling technologies and emissions reduction technologies; and

(f) Priority must be given to projects that have the highest benefit-cost ratios, in terms of the amount of nitrogen oxides emissions reduced per dollar invested.

(4) Funding must be allocated to eligible projects under the terms of the consent decrees in the following manner:

(a)(i) No more than thirty percent of funding provided during the 2017-2019 biennium for commercial vehicle class four through eight transit buses, shuttle buses, and school buses;

(iii) The state sales and use tax exemption for clean vehicles;

(iv) Public transportation grant programs administered by the department of transportation.

The appropriation in this section is subject to the following conditions and limitations:

(1)(a) The legislature finds that it is appropriate to provide a framework for the administration of mitigation funds provided to the state as a beneficiary under the terms of the consent decrees entered into by the United States, Volkswagen AG, and other participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years. The legislature deems the department of ecology the responsible agency for the administration and expenditure of funds provided by the trustee under the terms of the consent decrees, including the development of a mitigation plan to guide the use of the funds, whether or not the department receives funds directly for projects included in the plan.

(b) The department of ecology shall work collaboratively with other agencies to implement the elements of the mitigation plan that address categories of projects for which other agencies have already developed programs or expertise. In doing so, the department of ecology must consider and utilize, where appropriate and to the extent practical, the following existing programs for alternative fuels and zero-emission vehicles:

(i) The Department of Transportation's electric vehicle infrastructure bank program.

(ii) The state alternative fuel commercial vehicle tax credit.

(iii) The state sales and use tax exemption for clean vehicles.

(iv) Public transportation grant programs administered by the department of transportation.

(c)(i) For the purposes of providing legislative input and gathering public feedback on the mitigation plan, a steering
committee is established. The steering committee is comprised of the following members: Four legislators, one from each major caucus, and one alternate for each of the four legislators; the director of the department of ecology, or his or her designee; the director of enterprise services, or his or her designee; the director of the office of financial management, or his or her designee; the governor, or his or her designee; and the secretary of the department of transportation, or his or her designee.

(ii) As the responsible agency for administration of funds provided by the trustee under the terms of the consent decree, the department of ecology shall chair the steering committee. Meetings of the steering committee must be open to the public.

(iii) The steering committee shall meet as needed to review the mitigation plan and review project category selection principles and priorities, and project proposals.

(iv) The department of ecology staff shall provide support to the steering committee as needed. Legislative members and alternates of the advisory group are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, government entity, or other organization.

(2) The stewardship of project implementation must adhere to the following principles:

(a) Maximize air quality and public health benefits relating to the reduction of nitrogen oxides emissions, other toxic air pollutant emissions and carbon emissions;

(b) Encouraging projects that improve air quality in areas that bear a disproportionate share of the burden from nitrogen oxides emissions and reduce carbon emissions;

(c) In making project selections, consider distribution of projects across many areas of the state;

(d) Achieve substantial additional air quality benefits relating to the reduction of nitrogen oxides emissions beyond that which would already occur, absent trust funding;

(e) Investments in clean vehicles and vessels or investments in clean engine replacements are encouraged to be cost-effective. For the purposes of leveraging funding, investments in clean vehicles may not exceed the incremental cost of the clean vehicle, relative to the cost of a similar conventionally fueled vehicle. To incentivize the replacement while maximizing achievement of complimentary state goals of standard engines, investments may be made up to the full cost of the clean engine replacement;

(f) Investments must be across a range of low and zero emission fueling technologies including, but not limited to, electric, hybrid, zero emission, and compressed natural gas and other emissions reduction fuels and technologies; and

(g) Encouragement of projects that have high benefit-cost ratios for reductions of nitrogen oxides emissions and carbon emissions.

(3) Funding must be allocated to eligible projects under the terms of the consent decrees in the following manner:

(a) No more than sixty percent of funding may be provided for on-road heavy duty vehicles; class four through eight school buses, shuttle buses, or transit buses; commercial vehicle class four through eight transit buses, shuttle buses, and school buses; and commercial vehicle class eight local freight trucks and port drayage trucks;

(b) No more than twenty percent of funding may be provided for commercial vehicle class four through seven local freight trucks;

(c) No more than five percent of funding may be provided for freight switchers;

(d) No more than five percent of funding may be provided for airport ground support equipment;

(v) No more than forty-five percent of funding may be provided for marine vessels including ferries and tugs, and for ocean-going vessels' shore power;

(vi) No more than fifteen percent of funding may be provided for light duty, zero emission vehicle supply equipment. Priority must be given to those projects for which grant funds were sought under the department of transportation's grant opportunity for DC fast chargers for Washington's interregional corridors program in 2017, that ranked high in the grant evaluation but did not receive funding; and

(vii) No more than five percent of funding may be provided for nonfederal matching funds for projects eligible under the diesel emission reduction act option.

(4) To the extent this section conflicts with the consent decrees, the consent decrees supersedes it.

(5) The department of ecology may modify the mitigation plan as needed to comply with trustee requirements, including to the extent these modifications conflict with this section. In making any adjustments, the department of ecology shall provide notice to the steering committee of any significant changes to the plan submitted.

(6) The department of ecology shall provide a report to the governor and the appropriate committees of the legislature by January 1, 2019, and each year thereafter, on any plans or efforts to change the mitigation plan, its progress in implementing the mitigation plan, and the specific projects funded through these mitigation funds for the previous fiscal year.

(7) For the purposes of this section:

(a) "Project" means an eligible mitigation action under the terms of the consent decrees entered into by the United States, Volkswagen AG, and other participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years.

The portion of the appropriation in this section that represents the value of the land transferred must be deposited in the natural resources real property replacement account.

d. The loan application project results in the creation or retention of long-term economic opportunities; and

e. The loan application project results in leveraging additional federal funding for an airport.

INTRODUCTION AND FIRST READING

SCR 8408  by Senator Baumgartner
Designating April 1st as Governor Jay Inslee Integrity Day.

Referred to Committee on State Government, Tribal Relations & Elections.

On motion of Senator Schoesler and without objection, Senate Concurrent Resolution No. 8408, designating April 1st as Governor Jay Inslee Integrity Day, was read in full.

MOTION

On motion of Senator Liias, the measure listed on the Introduction and First Reading report was referred to the committee as designated.
PERSONAL PRIVILEGE

Senator Nelson: “Thank you Mr. President. The work we do here involves a lot of people and we want to thank all our staff. But there are a couple of individuals that I want to call out right now who give us counsel every day, and also give you counsel Mr. President. Who make sure that this place runs well. And although they are partisan, they are also nonpartisan in so many ways. If I can’t reach Victoria Cantore, I know I can reach Jeannie Gorrell. And I know that, at that point in time, that I will be given the same counsel by either to make sure that I succeed as a leader of the Democrats. They perform above and beyond the duties assigned. And they sit up there every day, quietly doing their work, making sure this place functions well. Mr. President, today should be Victoria and Jeannie’s day and I truly want to thank them from the bottom of my heart.”

The senate rose in sustained recognition of the devoted service provided by Ms. Victoria Cantore, Senate Counsel, and Mrs. Jeannie Gorrell, Senate Counsel to the senate and the people of the State of Washington.

PERSONAL PRIVILEGE

Senator Schoesler: “Thank you Mr. President. Echoing the remarks of the Majority Leader to the exemplary service we have had from the two legal counsels to you and us at the rostrum. I give my great thanks from this side of the aisle. I will say that Jeannie has probably been with us just a little longer than many of our staff. Starting just out of grade school she came to work here for us. A brief stint at WSU because she was a gifted learner. And she has provided excellent counsel to chairman on this side of the aisle, leadership on this side of the aisle, been available night and day to the members of the Senate and yourself to help serve us every session. And for that we are truly grateful.”

Senator Nelson, Majority Leader, and Senator Schoesler, Republican Leader, presented Ms. Cantore and Mrs. Gorrell each with a bouquet of flowers at their places on the rostrum.

The senate again rose in recognition of Ms. Victoria Cantore, Senate Counsel, and Mrs. Jeannie Gorrell, Senate Counsel.

REMARKS BY SENATOR LIAS

Senator Liias: “Thank you Mr. President. I just want to highlight to the members not paying attention on the floor that Victoria received blue flowers and Jeannie received red flowers, which I think is an appropriate representation. I also just want to note to folks that weren’t paying attention that Victoria was actually working through half of the point of personal privilege from Senator Nelson. I think, a testament to how hard these two individuals work, that they were working through their own point of personal privilege. I will also just add my final note that together the three of us have referred, I think, on the order of a thousand bills between the House and Senate combined. I also have had the opportunity to really get to know these two individuals and, in particular, to Jeannie Gorrell who, I think coming into the role as the Democratic Floor Leader with a Republican Counsel, I expected maybe a little bit more feistiness – and she has been a great advocate for the Republican Caucus but she has been a great partner in the work we have to do here. So, I appreciate both of you very much.”

PERSONAL PRIVILEGE

Senator Keiser: “Thank you Mr. President. I, too, when serving as President Pro Tem over these last few weeks, have depended on both Victoria and Jeannie to help me. Because, as a rookie, I was pretty out of my depth and I would have been drowning without their help. I couldn’t have done it without you. Thank you so much.”

MOTION

At 12:15 p.m., on motion of Senator Liias, the Senate was declared to be at ease subject to the call of the President for the purposes of caucuses.

Senator Becker announced a meeting of the Republican Caucus immediately upon going at ease.

AFTERNOON SESSION

The Senate was called to order at 12:21 p.m. by President Habib.

SIGNED BY THE PRESIDENT

Pursuant to Article 2, Section 32 of the State Constitution and Senate Rule 1(5), the President announced the signing of and thereupon did sign in open session:

SUBSTITUTE HOUSE BILL NO. 2282.

At 12:21 p.m., the President declared the Senate to be at ease subject to the call of the President.

The Senate was called to order at 2:21 p.m. by President Habib.

MOTION

On motion of Senator Liias, the Senate reverted to the fourth order of business.

March 2, 2018

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6034 with the following amendment(s): 6034-S.E AMI ENGR H4883.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 54.16 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Broadband" means high-speed internet access and other advanced telecommunications services.

(b) "Broadband network" means networks of deployed telecommunications equipment and technologies necessary to provide broadband.

(c) "Inadequate" means internet retail service that does not meet one hundred percent of the standards detailed in the service level agreement.

(d) "Partnership payment structure" means a group of or individual property owners who agree to pay a term payment structure for infrastructure improvements to their property.

(e) "Petition" means a formal written request for retail internet service by property owners on the public utility district broadband network.

(f) "Retail internet service" means the provision of broadband service to end users.

(g) "Service level agreement" means a standard agreement, adopted during an open public meeting, between the retail internet service provider and the public utility that describes the required percentage of broadband download and upload speed and system availability, customer service, and transmission time.

(2) Any public utility district that, as of the effective date of this section, provides only water, sewer, and wholesale telecommunications services in a county with an area less than five hundred square miles and is located west of the Puget Sound may provide retail internet service on the public utility district's broadband network located within the public utility district boundaries only when all of the existing providers of end-user internet service on the public utility district's broadband network cease to provide end-user service or provide inadequate end-user service as determined in the manner prescribed by this section.

The authority provided in this subsection expires five years after the effective date of this act for any public utility district that has not begun providing retail internet service within that time period.

(3) Upon receiving a petition meeting the requirements of subsection (4) of this section, a public utility district board of commissioners may hold up to three meetings to:

(a) Verify the signature or signatures of the property owners on the petition and certify the petition;

(b) Determine and submit findings that the retail internet service available to the petitioners served by the public utility district's broadband network is either nonexistent or inadequate as defined in the service level agreement adopted by the commissioners for all existing internet service providers on the public utility district's broadband network;

(c) Receive, and either reject or accept any recommendations or adjustments to, a business case plan developed in accordance with subsection (7) of this section; and

(d) By resolution, authorize the public utility district to provide retail internet service on the public utility district's broadband network.

(4) A petition meets the requirements of subsection (3) of this section if it is delivered to a public utility district board of commissioners, declares that the signatories on the public utility district's broadband network have no or inadequate retail internet service providers, requests the public utility district to provide the retail internet service, and is signed by one of the following:

(a) A majority of a group, including homeowners' associations, of any geographical area within the public utility district, who have developed a partnership payment structure to finance broadband deployment with the public utility district; or

(b) Any individual who has developed a partnership payment structure to finance broadband deployment with the public utility district.

(5) For the purposes of this section, the adequacy of retail internet service is determined by measuring retail internet service to end users on the public utility district's broadband network and comparing it with service standards in the public utility district service level agreement used for all public utility district network providers. Measurement of the existing retail internet service provider's service must be quantified by measuring the service with speed and capacity devices and software. Additionally, a retail internet service provider may submit its own assessment of its service level for consideration by the commission within thirty days of the first meeting conducted under subsection (3) of this section.

(6) The commissioners of a public utility district may by resolution authorize the public utility district to provide or contract for provision of retail internet services on the public utility district's broadband network:

(a) After development of a business case plan in accordance with subsection (7) of this section; and

(b) When it is determined that no service or inadequate service exists for the individual or petitioners identified in subsection (4) of this section.

(7) The business case plan under subsection (6) of this section must be reviewed by an independent qualified consultant. The review must include the use of public funds in the provision of retail internet service. Any recommendations or adjustments to the business case plan made during third-party review must be received and either rejected or accepted by the district board of commissioners in an open meeting.

(8)(a) Except as provided in subsection (9) of this section, in case of failure to reach an agreement on the adequacy of retail internet service, the commissioners must request an appointment of an administrative law judge under Title 34 RCW to hear the dispute.

(b) The commissioners must provide a written notice, together with a copy of the dispute, and may require the disputing parties to attend a hearing before the administrative law judge, at a time and place to be specified in the written notice.

(c) The place of any such hearing may be the office of the commissioners or another place designated by the commissioners. The disputed information must be presented at the hearing.

(d) Upon review and consideration of all of the evidence, the administrative law judge must determine if the retail internet service is inadequate or nonexistent as defined in this section. Upon making a determination, the administrative law judge must state findings of fact and must issue and file a determination with the commissioners.

(9) If a provider of end-user service is a company regulated by the utilities and transportation commission, the company may choose to have the commission resolve disputes concerning the service level agreement under the process established in RCW
54.16.340. For the purposes of this subsection, "company" includes subsidiaries or affiliates.

(10) Any public utility district providing cable television service under this section must secure a cable television franchise, pay franchise fees, and any applicable taxes to the local cable franchise authority as required by federal law.

(11) Except as provided in subsection (9) of this section, nothing in this section may be construed or is intended to confer upon the utilities and transportation commission any authority to exercise jurisdiction over locally regulated utilities.

(12) All rates for retail internet services offered by a public utility district under this section must be just, fair, and reasonable, except the public utility district may set tiers of service charges based on service demands of the end user, including commercial and residential rates.

(13) A public utility district must not condition the availability or cost of other services upon the purchase or use of retail internet service.

(14) A public utility district authorized to provide retail internet service within a specific geographical area must, upon reasonable notice, furnish to all persons and entities within that geographical area meeting the provisions of subsections (2) and (4) of this section proper facilities and connections for retail internet service as requested.

(15) A public utility district providing retail internet service must separately account for any revenues and expenditures for those services according to standards established by the state auditor pursuant to its authority in chapter 43.09 RCW and consistent with the provisions of this title.

NEW SECTION. Sec. 2. A new section is added to chapter 34.12 RCW to read as follows:

When requested by the public utility district commissioners, the chief administrative law judge shall assign an administrative law judge to conduct proceedings under section 1 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 54.16 RCW to read as follows:

(5) By December 1, 2019, and annually thereafter, the department of revenue must submit a report to the appropriate legislative committees detailing the amount of payments made under this section and the amount of property tax that would be owed on the property comprising the broadband network used in providing retail internet service.

If a physician at, employed by, or under contract with, the health care facility determines that a patient has heterogeneously or extremely dense breasts, the summary of the mammography report must include the following notice:

"Your mammogram indicates that you may have dense breast tissue. Roughly half of all women have dense breast tissue which is normal. Dense breast tissue may make it more difficult to evaluate your mammogram. We are sharing this information with you and your health care provider to help raise your awareness of breast density. We encourage you to talk with your health care provider about this and other breast cancer risk factors. Together, you can decide which screening options are right for you."

MESSAGE FROM THE HOUSE

March 1, 2018

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5143 with the following amendment(s): 5143-S.E AMH FIN H4940.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. 2016 c 217 s 1 (uncodified) is amended to read as follows:

(1) This section is the tax preference performance statement for the tax preference contained in this act. This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to provide tax relief for certain businesses or individuals, as indicated in RCW 82.32.808(2)(e).

(3) It is the legislature's specific public policy objective to encourage and expand the ability of nonprofit low-income housing developers to provide homeownership opportunities for low-income households. It is the legislature's intent to exempt from taxation real property owned by a nonprofit entity for the purpose of building residences to be sold, or, in the case of land, to be leased for life or ninety-nine years, to low-income households in order to enhance the ability of nonprofit low-income housing developers to purchase and hold land for future affordable housing development.

(4)(a) To measure the effectiveness of the tax preference provided in section 2 of this act in achieving the specific public policy objectives described in subsection (3) of this section, the joint legislative audit and review committee must evaluate, two years prior to the expiration of the tax preference: (i) The annual growth in the percentage of revenues dedicated to the development of affordable housing, for each nonprofit claiming the preference, for the period that the preference has been claimed; and (ii) the annual changes in both the total number of parcels qualifying for the exemption and the total number of parcels for which owner occupancy notifications have been submitted to the department of revenue, from June 9, 2016, through the most recent year of available data prior to the committee's review.

(b) If the review by the joint legislative audit and review committee finds that for most of the nonprofits claiming the exemption, program spending, program expenses, or another ratio representing the percentage of the nonprofit entity's revenues dedicated to the development of affordable housing has increased for the period during which the exemption was claimed, then the legislature intends to extend the expiration date of the tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to:

(a) Initial applications for the preference as approved by the department of revenue under RCW 84.36.815;
(b) Owner occupancy notices reported to the department of revenue under section 2 of this act;
(c) Annual financial statements for a nonprofit entity claiming this tax preference, as defined in section 2 of this act, and provided by nonprofit entities claiming this preference; and
(d) Any other data necessary for the evaluation under subsection (4) of this section.

Sec. 2. RCW 84.36.049 and 2016 c 217 s 2 are each amended to read as follows:

(1) All real property owned by a nonprofit entity for the purpose of developing or redeveloping on the real property one or more residences to be sold to low-income households including land to be leased as provided in subsection (8)(d)(ii) of this section, is exempt from state and local property taxes.

(2) The exemption provided in this section expires on or at the earlier of:

(a) The date on which the nonprofit entity transfers title to the single-family dwelling unit;
(b) The date on which the nonprofit entity executes a lease of land described in subsection (8)(d)(ii) of this section;
(c) The end of the seventh consecutive property tax year for which the property is granted an exemption under this section or, if the nonprofit entity has claimed an extension under subsection (3) of this section, the end of the tenth consecutive property tax

...
year for which the property is granted an exemption under this section, or
((4)(a) (d)) (D) The property is no longer held for the purpose for which the exemption was granted.

3) If the nonprofit entity believes that title to the (real property) single-family dwelling unit will not be transferred by the end of the sixth consecutive property tax year, the nonprofit entity may claim a three-year extension of the exemption period by:
   (a) Filing a notice of extension with the department on or before March 31st of the sixth consecutive property tax year; and
   (b) Providing a filing fee equal to the greater of two hundred dollars or one-tenth of one percent of the real market value of the property as of the most recent assessment date with the notice of extension. The filing fee must be deposited into the state general fund.

4)(a) If the nonprofit entity has not transferred title to the (real property) single-family dwelling unit to a low-income household within the applicable period described in subsection (2)(c) of this section, or if the nonprofit entity has converted the property to a purpose other than the purpose for which the exemption was granted, the property is disqualified from the exemption.

   (b) Upon disqualification, the county treasurer must collect an additional tax equal to all taxes that would have been paid on the property but for the existence of the exemption, plus interest at the same rate and computed in the same way as that upon delinquent property taxes.

   (c) The additional tax must be distributed by the county treasurer in the same manner in which current property taxes applicable to the subject property are distributed. The additional taxes and interest are due in full thirty days following the date on which the treasurer's statement of additional tax due is issued.

   (d) The additional tax and interest is a lien on the property. The lien for additional tax and interest has priority to and must be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the property may become charged or liable. If a nonprofit entity sells or transfers real property subject to a lien for additional taxes under this subsection, such unpaid additional taxes must be paid by the nonprofit entity at the time of sale or transfer. The county auditor may not accept an instrument of conveyance unless the additional tax has been paid. The nonprofit entity or the new owner may appeal the assessed values upon which the additional tax is based to the county board of equalization in accordance with the provisions of RCW 84.40.038.

5) Nonprofit entities receiving an exemption under this section must immediately notify the department when the exempt real property is sold or transferred. The notice of occupancy made to the department must include a certification by the nonprofit entity that the occupants are a low-income household and a date when the title to the (real property) single-family dwelling unit was or is anticipated to be transferred. The department of revenue must include a certification by the nonprofit entity at the time of sale or transfer. The county auditor must immediately notify the department when the exempt real property is sold or transferred.

6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

   (a) "Financial statements" means an audited annual financial statement and a completed United States treasury internal revenue service return form 990 for organizations exempt from income tax.

   (b) "Low-income household" means a single person, family, or unrelated persons living together whose adjusted income is less than eighty percent of the median family income, adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the property is located.

   (c) "Nonprofit entity" means a nonprofit as defined in RCW 84.36.800 that is exempt from federal income taxation under 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended.

   (d) "Residence" means:
      (i) A single-family dwelling unit whether such unit be separate or part of a multifamily dwelling((, including the land on which such dwelling stands)); and
      (ii) The land on which a dwelling unit described in (d)(i) of this subsection (8) stands, whether to be sold, or to be leased for life or ninety-nine years, to the low-income household owning such dwelling unit.

9) The department may not accept applications for the initial exemption in this section after December 31, 2027. The exemption in this section may not be approved for and does not apply to taxes due in 2038 and thereafter.

10) This section expires January 1, 2038.

NEW SECTION. Sec. 3. This act applies to taxes levied for collection in 2019 and thereafter."
Correct the title.

and the same is herewith transmitted.

MESSAGE FROM THE HOUSE

February 27, 2018

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6002 with the following amendment(s): 6002-S.E AMH ENGR H4828.E.

Strike everything after the enacting clause and insert the following:

"PART I - GENERAL PROVISIONS

NEW SECTION. Sec. 101. This act may be known and cited as the Washington voting rights act of 2018."

NEW SECTION. Sec. 102. The legislature finds that electoral systems that deny race, color, or language minority groups an equal opportunity to elect candidates of their choice are inconsistent with the right to free and equal elections as provided by Article I, section 19 and Article VI, section 1 of the Washington state Constitution as well as protections found in the fourteenth and fifteenth amendments to the United States Constitution. The well-established principle of "one person, one vote" and the prohibition on vote dilution have been consistently upheld in federal and state courts for more than fifty years.

The legislature also finds that local government subdivisions are often prohibited from addressing these challenges because of Washington laws that narrowly prescribe the methods by which they may elect members of their legislative bodies. The legislature finds that in some cases, this has resulted in an improper dilution of voting power for these minority groups. The legislature intends to modify existing prohibitions in state laws so that these jurisdictions may voluntarily adopt changes on their own, in collaboration with affected community members, to remedy potential electoral issues so that minority groups have an equal opportunity to elect candidates of their choice or influence the outcome of an election.

The legislature intends for this act to be consistent with federal protections that may provide a similar remedy for minority groups. Remedies shall also be available where the drawing of crossover and coalition districts is able to address both vote dilution and racial polarization.

The legislature also intends for this act to be consistent with legal precedent from Mt. Spokane Skiing Corp. v. Spokane Co. (86 Wn. App. 165, 1997) that found that noncharter counties need
not adhere to a single uniform county system of government, but that each county have the same "authority available" in order to be deemed uniform.

NEW SECTION. Sec. 103. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise. In applying these definitions and other terms in this chapter, courts may rely on relevant federal case law for guidance.

(1) "At-large election" means any of the following methods of electing members of the governing body of a political subdivision:

(a) One in which the voters of the entire jurisdiction elect the members to the governing body;

(b) One in which the candidates are required to reside within given areas of the jurisdiction and the voters of the entire jurisdiction elect the members to the governing body; or

(c) One that combines the criteria in (a) and (b) of this subsection or one that combines at-large with district-based elections.

(2) "District-based elections" means a method of electing members to the governing body of a political subdivision in which the candidate must reside within an election district that is a divisible part of the political subdivision and is elected only by voters residing within that election district.

(3) "Polarized voting" means voting in which there is a difference, as defined in case law regarding enforcement of the federal voting rights act, 52 U.S.C. 10301 et seq., in the choice of candidates or other electoral choices that are preferred by voters in a protected class, and in the choice of candidates and electoral choices that are preferred by voters in the rest of the electorate.

(4) "Political subdivision" means any county, city, town, school district, fire protection district, port district, or public utility district, but does not include the state.

(5) "Protected class" means a class of voters who are members of a race, color, or language minority group, as this class is referenced and defined in the federal voting rights act, 52 U.S.C. 10301 et seq.

NEW SECTION. Sec. 104. As provided in section 302 of this act, no method of electing the governing body of a political subdivision may be imposed or applied in a manner that impairs the ability of members of a protected class or classes to have an equal opportunity to elect candidates of their choice as a result of the dilution or abridgment of the rights of voters who are members of a protected class or classes.

PART II - VOLUNTARY CHANGES TO ELECTORAL PROCESSES

NEW SECTION. Sec. 201. (1) A political subdivision that conducts an election pursuant to state, county, or local law, is authorized to change its electoral system, including, but not limited to, implementing a district-based election system, to remedy a potential violation of section 104 of this act.

(2) If a political subdivision invokes its authority under this section to implement a district-based election system, the districts shall be drawn in a manner consistent with section 202 of this act.

NEW SECTION. Sec. 202. (1)(a) Prior to the adoption of its proposed plan, the political subdivision must provide public notice to residents of the subdivision about the proposed remedy to a potential violation of section 104 of this act. If a significant segment of the residents of the subdivision have limited English proficiency and speaks a language other than English, the political subdivision must:

(i) Provide accurate written and verbal notice of the proposed remedy in languages that diverse residents of the political subdivision can understand, as indicated by demographic data; and

(ii) Air radio or television public service announcements describing the proposed remedy broadcast in the languages that diverse residents of the political subdivision can understand, as indicated by demographic data.

(b) The political subdivision shall hold at least one public hearing on the proposed plan at least one week before adoption.

(c) For purposes of this section, "significant segment of the community" means five percent or more of residents, or five hundred or more residents, whichever is fewer, residing in the political subdivision.

(2)(a) If the political subdivision invokes its authority under section 201 of this act and the plan is adopted during the period of time between the first Tuesday after the first Monday of November and on or before January 15th of the following year, the political subdivision shall order new elections to occur at the next succeeding general election.

(b) If the political subdivision invokes its authority under section 201 of this act and the plan is adopted during the period of time between January 16th and on or before the first Monday of November, the next election will occur as scheduled and organized under the current electoral system, but the political subdivision shall order new elections to occur pursuant to the remedy at the general election the following calendar year.

(3) If a political subdivision implements a district-based election system under section 201(2) of this act, the plan shall be consistent with the following criteria:

(a) Each district shall be as reasonably equal in population as possible to each and every other such district comprising the political subdivision.

(b) Each district shall be reasonably compact.

(c) Each district shall consist of geographically contiguous area.

(d) To the extent feasible, the district boundaries shall coincide with existing recognized natural boundaries and shall, to the extent possible, preserve existing communities of related and mutual interest.

(e) District boundaries may not be drawn or maintained in a manner that creates or perpetuates the dilution of the votes of the members of a protected class or classes.

(4) Within forty-five days after receipt of federal decennial census information applicable to a specific local area, the commission established in RCW 44.05.030 shall forward the census information to each political subdivision.

(5) No later than eight months after its receipt of federal decennial census data, the governing body of the political subdivision that had previously invoked its authority under section 201 of this act to implement a district-based election system, or that was previously charged with redistricting under section 403 of this act, shall prepare a plan for redistricting its districts, pursuant to RCW 29A.76.010, and in a manner consistent with this act.

NEW SECTION. Sec. 203. A new section is added to chapter 28A.343 RCW to read as follows:

The school board of directors may authorize a change to its electoral system pursuant to section 201 of this act. Any staggering of directors' terms shall be accomplished as provided in RCW 28A.343.030 and 28A.343.600 through 28A.343.650.

Sec. 204. RCW 36.32.020 and 1982 c 226 s 4 are each amended to read as follows:

The board of county commissioners of each county shall divide their county into three commissioner districts so that each district shall comprise as nearly as possible one-third of the population of
the county: PROVIDED, That the territory comprised in any voting precincts of such districts remain compact, and shall not be divided by the lines of said districts.

However, the commissioners of any county composed entirely of islands and with a population of less than thirty-five thousand may divide their county into three commissioner districts without regard to population, except that if any single island is included in more than one district, the districts on such island shall comprise, as nearly as possible, equal populations.

The commissioners of any county may authorize a change to their electoral system pursuant to section 201 of this act. Except where necessary to comply with a court order issued pursuant to section 403 of this act, and except in the case of an intervening census, the lines of the districts shall not be changed more often than once in four years and only when a full board of commissioners is present. The districts shall be designated as districts numbered one, two and three.

Sec. 205. RCW 36.32.040 and 1982 c 226 s 5 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the qualified electors of each county commissioner district, and they only, shall nominate from among their own number, candidates for the office of county commissioner of such commissioner district to be voted for at the following general election. Such candidates shall be nominated in the same manner as candidates for other county and district offices are nominated in all other respects.

(2) Where the commissioners of a county composed entirely of islands with a population of less than thirty-five thousand have chosen to divide the county into unequal-sized commissioner districts pursuant to the exception provided in RCW 36.32.020, the qualified electors of the entire county shall nominate from among their own number who reside within a commissioner district, candidates for the office of county commissioner of such commissioner district to be voted for at the following general election. Such candidates shall be nominated in the same manner as candidates for other county and district offices are nominated in all other respects.

(3) The commissioners of any county may authorize a change to their electoral system pursuant to section 201 of this act.

NEW SECTION. Sec. 206. A new section is added to chapter 35.21 RCW to read as follows:

The legislative authority of a city or town may authorize a change to its electoral system pursuant to section 201 of this act.

NEW SECTION. Sec. 207. A new section is added to chapter 35A.21 RCW to read as follows:

NEW SECTION. Sec. 208. A new section is added to chapter 52.14 RCW to read as follows:

The board of fire commissioners of a fire protection district may authorize a change to its electoral system pursuant to section 201 of this act by majority vote.

NEW SECTION. Sec. 209. A new section is added to chapter 53.12 RCW to read as follows:

The port commission may authorize a change to its electoral system pursuant to section 201 of this act.

Sec. 210. RCW 54.12.010 and 2004 c 113 s 1 are each amended to read as follows:

A public utility district that is created as provided in RCW 54.08.010 shall be a municipal corporation of the state of Washington, and the name of such public utility district shall be Public Utility District No. . . . of . . . . County.

The powers of the public utility district shall be exercised through a commission consisting of three members in three commissioner districts, and five members in five commissioner districts.

(1) If the public utility district is countywide and the county has three county legislative authority districts, then, at the first election of commissioners and until any change is made in the boundaries of public utility district commissioner districts, one public utility district commissioner shall be chosen from each of the three county legislative authority districts.

(2) If the public utility district comprises only a portion of the county, with boundaries established in accordance with chapter 54.08 RCW, or if the public utility district is countywide and the county does not have three county legislative authority districts, three public utility district commissioner districts, numbered consecutively, each with approximately equal population and following precinct lines, as far as practicable, shall be described in the petition for the formation of the public utility district, subject to appropriate change by the county legislative authority if and when it changes the boundaries of the proposed public utility district. One commissioner shall be elected as a commissioner of each of the public utility district commissioner districts.

(3) Only a registered voter who resides in a commissioner district may be a candidate for, or hold office as, a commissioner of the commissioner district. Only voters of a commissioner district may vote at a primary to nominate candidates for a commissioner of the commissioner district. Voters of the entire public utility district may vote at a general election to elect a person as a commissioner of the commissioner district.

(4) The term of office of each public utility district commissioner other than the commissioners at large shall be six years, and the term of each commissioner at large shall be four years. Each term shall be computed in accordance with RCW 29A.20.040 following the commissioner's election. All public utility district commissioners shall hold office until their successors shall have been elected and have qualified and assume office in accordance with RCW 29A.60.280.

(5) A vacancy in the office of public utility district commissioner shall occur as provided in chapter 42.12 RCW or by nonattendance at meetings of the public utility district commission for a period of sixty days unless excused by the public utility district commission. Vacancies on a board of public utility district commissioners shall be filled as provided in chapter 42.12 RCW.

(6) The boundaries of the public utility district commissioner districts may be changed only by the public utility district commission or by a court order issued pursuant to section 403 of this act, and shall be examined every ten years to determine substantial equality of population in accordance with chapter 29A.76 RCW. Except as provided in this section, section 403 of this act, RCW 54.04.039, or in the case of an intervening census, the boundaries shall not be changed more often than once in four years. Boundaries may only be changed when all members of the commission are present. Whenever territory is added to a public utility district under RCW 54.04.035, or added or withdrawn under RCW 54.04.039, the boundaries of the public utility commissioner districts shall be changed to include the additional or exclude the withdrawn territory. Unless the boundaries are changed pursuant to RCW 54.04.039, the proposed change of the boundaries of the public utility district commissioner district must be made by resolution and after public hearing. Notice of the time of the public hearing shall be
published for two weeks before the hearing. Upon a referendum petition signed by ten percent of the qualified voters of the public utility district being filed with the county auditor, the county legislative authority shall submit the proposed change of boundaries to the voters of the public utility district for their approval or rejection. The petition must be filed within ninety days after the adoption of resolution of the proposed action. The validity of the petition is governed by the provisions of chapter 54.08 RCW.

PART III - CITIZEN-INITIATED CHANGES TO ELECTORAL PROCESSES

NEW SECTION. Sec. 301. (1) A voter who resides in the political subdivision who intends to challenge a political subdivision's electoral system under this act shall first notify the political subdivision. The political subdivision shall promptly make such notice public.

(2) The notice provided shall identify and provide contact information for the person or persons who intend to file an action, and shall identify the protected class or classes whose members do not have an equal opportunity to elect candidates of their choice or an equal opportunity to influence the outcome of an election because of alleged vote dilution and polarized voting. The notice shall also include a type of remedy the person believes may address the alleged violation of section 302 of this act.

NEW SECTION. Sec. 302. (1) A political subdivision is in violation of this act when it is shown that:

(a) Elections in the political subdivision exhibit polarized voting; and

(b) Members of a protected class or classes do not have an equal opportunity to elect candidates of their choice as a result of the dilution or abridgment of the rights of members of that protected class or classes.

(2) The fact that members of a protected class are not geographically compact or concentrated to constitute a majority in a proposed or existing district-based election district shall not preclude a finding of a violation under this act, but may be a factor in determining a remedy. The equal opportunity to elect shall be assessed pragmatically, based on local election conditions, and may include crossover districts.

(3) In determining whether there is polarized voting under this act, the court shall analyze elections of the governing body of the political subdivision, ballot measure elections, elections in which at least one candidate is a member of a protected class, and other electoral choices that affect the rights and privileges of members of a protected class. Elections conducted prior to the filing of an action pursuant to this act are more probative to establish the existence of racially polarized voting than elections conducted after the filing of an action.

(4) The election of candidates who are members of a protected class and who were elected prior to the filing of an action pursuant to this act shall not preclude a finding of polarized voting that results in an unequal opportunity for a protected class to elect candidates of their choice.

(5) Proof of intent on the part of the voters or elected officials to discriminate against a protected class is not required for a cause of action to be sustained.

(6) Other factors such as the history of discrimination, the use of electoral devices or other voting practices or procedures that may enhance the dilutive effects of at-large elections, denial of access to those processes determining which groups of candidates will receive financial or other support in a given election, the extent to which members of a protected class bear the effects of past discrimination in areas such as education, employment, and health, which hinder their ability to participate effectively in the political process, and the use of overt or subtle racial appeals in political campaigns are probative, but not necessary factors, to establish a violation of this act.

NEW SECTION. Sec. 303. (1) The political subdivision shall work in good faith with the person providing the notice to implement a remedy that provides the protected class or classes identified in the notice an equal opportunity to elect candidates of their choice. Such work in good faith to implement a remedy may include, but is not limited to consideration of: (a) Relevant electoral data; (b) relevant demographic data, including the most recent census data available; and (c) any other information that would be relevant to implementing a remedy.

(2) If the political subdivision adopts a remedy that takes the notice into account, or adopts the notice's proposed remedy, the political subdivision shall seek a court order acknowledging that the political subdivision's remedy complies with section 104 of this act and was prompted by a plausible violation. The person who submitted the notice may support or oppose such an order, and may obtain public records to do so. The political subdivision must provide all political, census, and demographic data and any analysis of that data used to develop the remedy in its filings seeking the court order and with any documents made public. All facts and reasonable inferences shall be viewed in the light most favorable to those opposing the political subdivision's proposed remedy at this stage. There shall be a rebuttable presumption that the court will decline to approve the political subdivision's proposed remedy at this stage.

(3) If the court concludes that the political subdivision's remedy complies with section 104 of this act, an action under this act may not be brought against that political subdivision for four years by any party so long as the political subdivision does not enact a change to or deviation from the remedy during this four-year period that would otherwise give rise to an action under this act.

(4) In agreeing to adopt the person's proposed remedy, the political subdivision may do so by stipulation, which shall become a public document.

NEW SECTION. Sec. 304. (1) Any voter who resides in the political subdivision may file an action under this act if, one hundred eighty days after a political subdivision receives notice of a challenge to its electoral system under section 301 of this act, the political subdivision has not obtained a court order stating that it has adopted a remedy in compliance with section 104 of this act. However, if notice is received after July 1, 2021, then the political subdivision shall have ninety days to obtain a court order before an action may be filed.

(2) If a political subdivision has received two or more notices containing materially different proposed remedies, the political subdivision shall work in good faith with the persons to implement a remedy that provides the protected class or classes identified in the notices an equal opportunity to elect candidates of their choice. If the political subdivision adopts one of the remedies offered, or a different remedy that takes multiple notices into account, the political subdivision shall seek a court order acknowledging that the political subdivision's remedy is reasonably necessary to avoid a violation of section 104 of this act. The persons who submitted the notice may support or oppose such an order, and may obtain public records to do so. The political subdivision must provide all political, census, and demographic data and any analysis of that data used to develop the remedy in its filings seeking the court order and with any documents made public. All facts and reasonable inferences shall be viewed in the light most favorable to those opposing the political subdivision's proposed remedy at this stage. There shall
be a rebuttable presumption that the court will decline to approve the political subdivision's proposed remedy at this stage.

(3) If the court concludes that the political subdivision's remedy complies with section 104 of this act, an action under this act may not be brought against that political subdivision for four years by any party so long as the political subdivision does not enact a change to or deviation from the remedy during this four-year period that would otherwise give rise to an action under this act.

**PART IV - SAFE HARBOR AND LEGAL ACTION UNDER THIS ACT**

**NEW SECTION.** Sec. 401. (1) After exhaustion of the time period in section 304 of this act, any voter who resides in a political subdivision where a violation of section 104 of this act is alleged may file an action in the superior court of the county in which the political subdivision is located. If the action is against a county, the action may be filed in the superior court of such county, or in the superior court of either of the two nearest judicial districts as determined pursuant to RCW 36.01.050(2). An action filed pursuant to this chapter does not need to be filed as a class action.

(2) Members of different protected classes may file an action jointly pursuant to this act if they demonstrate that the combined voting preferences of the multiple protected classes are polarized against the rest of the electorate.

**NEW SECTION.** Sec. 402. (1) In an action filed pursuant to this act, the trial court shall set a trial to be held no later than one year after the filing of a complaint, and shall set a discovery and motions calendar accordingly.

(2) For purposes of any applicable statute of limitations, a cause of action under this act arises every time there is an election for any members of the governing body of the political subdivision.

(3) The plaintiff's constitutional right to the secrecy of the plaintiff's record is preserved and is not waived by the filing of an action pursuant to this act, and the filing is not subject to discovery or disclosure.

(4) In seeking a temporary restraining order or a preliminary injunction, a plaintiff shall not be required to post a bond or any other security in order to secure such equitable relief.

(5) No notice may be submitted to any political subdivision pursuant to this act before July 19, 2018.

**NEW SECTION.** Sec. 403. (1) The court may order appropriate remedies including, but not limited to, the imposition of a district-based election system. The court may order the affected jurisdiction to draw or redraw district boundaries or appoint an individual or panel to draw or redraw district lines. The proposed districts must be approved by the court prior to their implementation.

(2) Implementation of a district-based remedy is not precluded by the fact that members of a protected class do not constitute a numerical majority within a proposed district-based election district. If, in tailoring a remedy, the court orders the implementation of a district-based election district where the members of the protected class are not a numerical majority, the court shall do so in a manner that provides the protected class an equal opportunity to elect candidates of their choice. The court may also approve a district-based election system that provides the protected class the opportunity to join in a coalition of two or more protected classes to elect candidates of their choice if there is demonstrated political cohesion among the protected classes.

(3) In tailoring a remedy after a finding of a violation of section 104 of this act:

(a) If the court's order providing a remedy or approving proposed districts, whichever is later, is issued during the period of time between the first Tuesday after the first Monday of November and on or before January 15th of the following year, the court shall order new elections, conducted pursuant to the remedy, to occur at the next succeeding general election. If a special filing period is required, filings for that office shall be reopened for a period of three business days, such three-day period to be fixed by the filing officer.

(b) If the court's order providing a remedy or approving proposed districts, whichever is later, is issued during the period of time between January 16th and on or before the first Monday of November, the next election will occur as scheduled and organized under the current electoral system, but the court shall order new elections to occur pursuant to the remedy at the general election the following calendar year.

(c) The remedy may provide for the political subdivision to hold elections for the members of its governing body at the same time as regularly scheduled elections for statewide or federal offices.

(4) Within thirty days of the conclusion of any action filed under section 402 of this act, the political subdivision must publish on the subdivision's web site, the outcome and summary of the action, as well as the legal costs incurred by the subdivision. If the political subdivision does not have its own web site, then it may publish on the county web site.

**NEW SECTION.** Sec. 404. (1) No action under this act may be brought by any person against a political subdivision that has adopted a remedy to its electoral system after an action is filed that is approved by a court pursuant to section 303 of this act or implemented a court-ordered remedy pursuant to section 403 of this act for four years after adoption of the remedy if the political subdivision does not enact a change to or deviation from the remedy during this four-year period that would otherwise give rise to an action under this act.

(2) No action under this act may be brought by any person against a political subdivision that has adopted a remedy to its electoral system in the previous decade before the effective date of this section as a result of a claim under the federal voting rights act until after the political subdivision completes redistricting pursuant to RCW 29A.76.010 for the 2020 decennial census.

**NEW SECTION.** Sec. 405. (1) In any action to enforce this chapter, the court may allow the prevailing plaintiff or plaintiffs, other than the state or political subdivision thereof, reasonable attorneys' fees, all nonattorney fee costs as defined by RCW 4.84.010, and all reasonable expert witness fees. No fees or costs may be awarded if no action is filed.

(2) Prevailing defendants may recover an award of fees or costs pursuant to RCW 4.84.185.

**PART V - MISCELLANEOUS PROVISIONS**

**NEW SECTION.** Sec. 501. The provisions of parts I, III, and IV of this act are not applicable to cities and towns with populations under one thousand or to school districts with K-12 full-time equivalent enrollments of less than two hundred fifty.

**NEW SECTION.** Sec. 502. A new section is added to chapter 29A.76 RCW to read as follows: In any change to its electoral system under section 201 of this act or preparation of a redistricting plan under section 201 of this act, political subdivisions may use population data regarding political parties only to the extent necessary to ensure compliance with this act or federal law.
NEW SECTION. Sec. 503. This act supersedes other state laws and local ordinances to the extent that those state laws or ordinances would otherwise restrict a jurisdiction's ability to comply with this act.

NEW SECTION. Sec. 504. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 505. Sections 101 through 202, 301 through 501, and 503 of this act constitute a new chapter in Title 29A RCW.

Correct the title.

If such an alleged offense or infraction and an alleged offense or infraction subject to juvenile court jurisdiction arise out of the same event or incident, the juvenile court may have jurisdiction of both matters. The jurisdiction under this subsection does not constitute "transfer" or a "decline" for
purposes of RCW 13.40.110 (1) or (2) or (e)(i) of this subsection. Sec. 4. RCW 13.40.110 and 2009 c 454 s 3 are each amended to read as follows:

(1) Discretionary decline hearing - The prosecutor, respondent, or the court on its own motion may, before a hearing on the information on its merits, file a motion requesting the court to transfer the respondent for adult criminal prosecution and the information on its merits, file a motion requesting the court to transfer the respondent for adult criminal prosecution and the matter shall be set for a hearing on the question of declining jurisdiction only if:

(3) The court after a decline hearing may order the case transferred for adult criminal prosecution upon a finding that the declination would be in the best interest of the juvenile or the public. The court shall consider the relevant reports, facts, opinions, and arguments presented by the parties and their counsel.

(4) When the respondent is transferred for criminal prosecution or retained for prosecution in juvenile court, the court shall set forth in writing its finding which shall be supported by relevant facts and opinions produced at the hearing.

Sec. 5. RCW 13.40.193 and 2014 c 117 s 1 are each amended to read as follows:

(1) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040(2)(a)((iii)) (iv), the court shall impose a minimum disposition of ten days of confinement. If the offender's standard range of disposition for the offense as indicated in RCW 13.40.0357 is more than thirty days of confinement, the court shall commit the offender to the department for the standard range disposition. The offender shall not be released until the offender has served a minimum of ten days in confinement.

(2)(a) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040, the disposition must include a requirement that the respondent participate in a qualifying program as described in (b) of this subsection, when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(b) For purposes of this section, "qualifying program" means an aggression replacement training program, a functional family therapy program, or another program applicable to the juvenile firearm offender population that has been identified as evidence-based or research-based and cost-beneficial in the current list prepared at the direction of the legislature by the Washington state institute for public policy.

(3) If the court finds that the respondent or an accomplice was armed with a firearm, the court shall determine the standard range disposition for the offense pursuant to RCW 13.40.160. If the offender or an accomplice was armed with a firearm when the offender committed any felony other than possession of a machine gun, possession of a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, or use of a machine gun in a felony, the following periods of total confinement must be added to the sentence: (For a) (a) Except for (b) of this subsection, for a class A felony, six months; for a class B felony, four months; and for a class C felony, two months; (b) for any violent offense as defined in RCW 9.94A.030, committed by a respondent who is sixteen or seventeen years old at the time of the offense, a period of twelve months. (4) If the court finds that the respondent who is sixteen or seventeen years old and committed the offense of robbery in the
first degree, drive-by shooting, burglary in the first degree, or any violent offense as defined in RCW 9.94A.030 and was armed with a firearm, and the court finds that the respondent's participation was related to membership in a criminal street gang or advancing the benefit, aggrandizement, gain, profit, or other advantage for a criminal street gang, a period of three months total confinement must be added to the sentence. The additional time must be imposed regardless of the offense's juvenile disposition offense category as designated in RCW 13.40.0357 and must be served consecutively with any other sentencing enhancement.

(b) For the purposes of this section, "criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(5) When a disposition under this section would effectuate a manifest injustice, the court may impose another disposition. When a judge finds a manifest injustice and imposes a disposition of confinement exceeding thirty days, the court shall commit the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. When a judge finds a manifest injustice and imposes a disposition of confinement less than thirty days, the disposition shall be comprised of confinement or community supervision or both.

(((5))) (6) Any term of confinement ordered pursuant to this section shall run consecutively to any term of confinement imposed in the same disposition for other offenses.

MESSAGE FROM THE HOUSE

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6437 with the following amendment(s): 6437-S AMH FEYJ H5105.3
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:
(1) Registered tow truck operators have continuing problems involving the disposal of recreational vehicles that have been impounded and abandoned pursuant to chapter 46.55 RCW;
(2) Traditional methods of disposal are no longer adequate to meet the increasing problem of abandoned recreational vehicles in Washington state;
(3) Abandoned recreational vehicles continue to be a hazard to the health and safety of citizens, business owners, and the environment; and
(4) Adequate funding is necessary to resolve the problem of abandoned recreational vehicles in a manner that is environmentally friendly and economically sound so that registered tow truck operators may be successful in their duties of public impounding, transporting, and storing unauthorized vehicles.

NEW SECTION. Sec. 2. A new section is added to chapter 46.55 RCW to read as follows:
(1) A registered tow truck operator may transport an abandoned recreational vehicle under section 5 of this act without being licensed as a hulk hauler. The transport of an abandoned recreational vehicle by a registered tow truck operator under this chapter must be completed by utilizing a reasonable, direct, and safe route on the date of transport.
(2) A registered tow truck operator must provide a written record of the delivery to a licensed dismantler or authorized disposal site for each abandoned recreational vehicle by use of an abandoned vehicle report or junk vehicle affidavit to be sent to the department. A copy of the report must be maintained in the vehicle transaction file. Completion of the report relieves the registered tow truck operator from any civil or criminal liability for the disposal of a properly processed abandoned recreational vehicle.

Sec. 3. RCW 46.79.110 and 2001 c 64 s 12 are each amended to read as follows:
Nothing contained in this chapter shall be construed to prohibit:
Any individual not engaged in business as a hulk hauler or scrap processor from towing any vehicle owned by him or her to any vehicle wrecker or scrap processor, or a registered tow truck operator from transporting an abandoned recreational vehicle under section 5 of this act in compliance with this chapter.

NEW SECTION. Sec. 4. A new section is added to chapter 46.17 RCW to read as follows:
(1) Before accepting an application for a registration for a recreational vehicle, the department, county auditor, or other agent, or subagent appointed by the director, shall require an applicant to pay a six-dollar fee in addition to any other fees and taxes required by law.
(2) The abandoned recreational disposal fee must be deposited into the abandoned recreational vehicle disposal account created in section 6 of this act.
(3) For the purposes of this section, "recreational vehicle" means a camper, motor home, or travel trailer.

NEW SECTION. Sec. 5. (1) A registered tow truck operator, as defined in RCW 46.55.010, vehicle wrecker, as defined in RCW 46.80.010, or scrap processor, as defined in RCW 46.79.010, and scrap metal businesses, as defined in RCW 19.290.010, may apply to the department on a form prescribed by the department for cost reimbursement for the towing, transport, storage, dismantling, and disposal of abandoned recreational vehicles from public property.
(2) The department may only use funds under section 6 of this act for cost reimbursement for the towing, transport, storage, dismantling, and disposal of abandoned recreational vehicles. The department may not authorize reimbursements that total more than ten thousand dollars per vehicle for which cost reimbursements are requested."
(3) After consulting with the 2017 stakeholder group, the department may develop rules including, but not limited to, towing, transport, storage, dismantling, and disposal rates, application form and contents, and cost reimbursement and the reimbursement process, to implement this section.

(4) The department shall convene a stakeholder work group every two years, with the first meeting to be held within twelve months of rule adoption, to make recommendations on rule amendments.

(5) For the purposes of this section, an "abandoned recreational vehicle" means a camper, motorhome, or travel trailer that has been impounded from public property, abandoned pursuant to chapter 46.55 RCW, and received no bids at auction, or declared an abandoned junk vehicle by a law enforcement officer, pursuant to chapter 46.55 RCW, while on public property.

**NEW SECTION. Sec. 6.** A new section is added to chapter 46.68 RCW to read as follows:

(1) The abandoned recreational vehicle disposal account is created in the state treasury. All receipts from the fee imposed in section 4 of this act must be deposited into the account. The account may receive fund transfers and appropriations from the general fund, as well as gifts, grants, and endowments from public or private sources, in trust or otherwise, for the use and benefit of the purposes of this act and expend any income according to the terms of the gifts, grants, or endowments, provided that those terms do not conflict with any provisions of this section or any guidelines developed to prioritize reimbursement of removal projects associated with this act.

(2) Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only by the department to reimburse registered tow truck operators and licensed dismantlers for up to one hundred percent of the total reasonable and auditatable administrative costs for transport, dismantling, and disposal of abandoned recreational vehicles under section 5 of this act when the last registered owner is unknown after a reasonable search effort. Compliance with RCW 46.55.100 is considered a reasonable effort to locate the last registered owner of the abandoned recreational vehicle. Any funds received by the registered tow truck operators or licensed dismantlers through collection efforts from the last owner of record shall be turned over to the department for vehicles reimbursed under section 5 of this act.

(3) Funds in the account resulting from transfers from the general fund must be used to reimburse one hundred percent of eligible costs up to a limit of ten thousand dollars per vehicle for which cost reimbursements are requested.

(4) In each fiscal biennium, beginning in the 2019-2021 fiscal biennium, up to fifteen percent of the expenditures from the account may be used for administrative expenses of the department in implementing this chapter.

MOTION

Senator Pedersen moved that the Senate concur in the House amendment(s) to Substitute Senate Bill No. 5553.

Senator Pedersen spoke in favor of the motion.

Senator Padden spoke against the motion.

The President declared the question before the Senate to be the motion by Senator Pedersen that the Senate concur in the House amendment(s) to Substitute Senate Bill No. 5553.
(e) Violates school district policy or procedure related to harassment, intimidation, or bullying pursuant to RCW 28A.300.285 or the prohibition on discrimination pursuant to RCW 28A.642.010;
(f) Inciting of students so as to create a clear and present danger of:
   (i) The commission of unlawful acts on school premises;
   (ii) The violation of lawful school district policy or procedure;
   or
   (iii) The material and substantial disruption of the orderly operation of the school. A school official must base a forecast of material and substantial disruption on specific facts, including past experience in the school and current events influencing student behavior, and not on undifferentiated fear or apprehension; or
   (g) Is in violation of the federal communications act or applicable federal communication commission rules or regulations.

(3) Political expression by students in school-sponsored media shall not be deemed the use of public funds for political purposes, for purposes of the prohibitions of RCW 42.17A.550.

(4) Any student, individually or through his or her parent or guardian, enrolled in a public high school may file an appeal of any alleged violation of subsection (1) of this section pursuant to chapter 28A.645 RCW.

(5) Expression made by students in school-sponsored media is not necessarily the expression of school policy. Neither a school official nor the governing board of the school or school district may be held responsible in any civil or criminal action for any expression made or published by students in school-sponsored media.

(6) Each school district that includes a high school shall adopt a written student freedom of expression policy in accordance with this section. The policy may include reasonable provisions for the time, place, and manner of student expression.

(7) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "School-sponsored media" means any matter that is prepared, substantially written, published, or broadcast by student journalists, that is distributed or generally made available, either free of charge or for a fee, to members of the student body, and that is prepared under the direction of a student media adviser. "School-sponsored media" does not include media that is intended for distribution or transmission solely in the classrooms in which they are produced.

(b) "Student journalist" means a student who gathers, compiles, writes, edits, photographs, records, or prepares information for dissemination in school-sponsored media.

(c) "Student media adviser" means a person who is employed, appointed, or designated by the school to supervise, or provide instruction relating to, school-sponsored media.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Students at institutions of higher education have the right to exercise freedom of speech and of the press in school-sponsored media, whether or not the media are supported financially by the school or by use of school facilities, or are produced in conjunction with a class. All school-sponsored media produced primarily by students at an institution of higher education are public forums for expression by the student journalists and student editors at the particular institution. Student media, whether school-sponsored or nonschool sponsored, are not subject to mandatory prior review by school officials.

(2) Student editors of school-sponsored media are responsible for determining the news, opinion, feature, and advertising content of the media. This subsection does not prevent a student media adviser from teaching professional standards of English and journalism to the student journalists. A student media adviser may not be terminated, transferred, removed, or otherwise disciplined for refusing to suppress the protected free expression rights of student journalists.

(3) Nothing in this section may be interpreted to authorize expression by students that:
   (a) Is libelous or slanderous;
   (b) Constitutes an unwarranted invasion of privacy;
   (c) Violates the federal communications act or any rule or regulation of the federal communications commission; or
   (d) So incites students as to create a clear and present danger of:
      (i) The commission of unlawful acts on school premises;
      (ii) The violation of lawful school regulations, policies, or procedures; or
      (iii) The material and substantial disruption of the orderly operation of the school. A school official must base a forecast of material and substantial disruption on specific facts, including past experience in the school and current events influencing student behavior, and not on undifferentiated fear or apprehension.

(4) Any student enrolled in an institution of higher education may commence a civil action to obtain appropriate injunctive and declaratory relief as determined by a court for a violation of subsection (1) of this section by the institution of higher education. Upon a motion, a court may award reasonable attorneys' fees to a prevailing plaintiff in a civil action brought under this section.

(5) Expression made by students in school-sponsored media is not the expression of school policy. Neither a school official nor the governing board of any institution of higher education may be held responsible in any civil or criminal action for any expression made or published by students in school-sponsored media unless school officials or the governing board have interfered with or altered the content of the student expression.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "School-sponsored media" means any matter that is prepared, substantially written, published, or broadcast by student journalists, that is distributed or generally made available, either free of charge or for a fee, to members of the student body, and that is prepared under the direction of a student media adviser. "School-sponsored media" does not include media that is intended for distribution or transmission solely in the classrooms in which they are produced.

(b) "Student journalist" means a student who gathers, compiles, writes, edits, photographs, records, or prepares information for dissemination in school-sponsored media.

(c) "Student media adviser" means a person who is employed, appointed, or designated by the school to supervise, or provide instruction relating to, school-sponsored media.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Sec. 2. RCW 53.08.390 and 2010 c 8 s 16003 are each amended to read as follows:

A countywide port district located in part or in whole within the Grays Harbor pilotage district, as defined by RCW 88.16.050(2), may commence pilotage service with the following powers and subject to the conditions contained in this section.

If there are no persons on the waiting list, the board shall solicit applicants and offer the examination.

(4) In addition to the power to employ or contract with pilots, a port district providing pilotage services under this section has such other powers as are reasonably necessary to accomplish the purpose of this section including, but not limited to, providing through ownership or contract pilots launches, dispatcher services, or ancillary tug services required for operations or safety.

The port district shall receive public comments for thirty days before the port district commission may approve and recommend the pilotage tariff, rates, or rules of service.

(b) The port district must include a charge in its tariff until such time as the pilot retirement agreement expenses for Grays Harbor pilotage district pilots employed prior to October 1, 2001, are no longer owed. The port district shall determine the charge owed as pilot retirement agreement expenses. The charge must be sufficient to cover costs associated with the pilot retirement agreement expenses for Grays Harbor pilots employed prior to October 1, 2001. The revenue collected from the charge must be deposited into an account maintained by the port district solely for the pilot retirement agreement expenses of the Grays Harbor
pilots employed prior to October 1, 2001. Under no circumstances shall the port district be obligated to fund or pay for any portion of the retirement agreement expenses for Grays Harbor pilots employed prior to October 1, 2001.

PROVIDED, That the board may fix extra compensation for extra services to vessels in distress, for awaiting vessels, for all vessels in direct transit to or from a Canadian port where Puget Sound pilotage is required for a portion of the voyage, or for being carried to sea on vessels against the will of the pilot, and for such other services as may be determined by the board. MESSAGE FROM THE HOUSE

February 27, 2018

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5522 with the following amendment(s): 5522-S AMHEL H4847.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that on February 12, 2014, the body of a newborn girl was found near the side of a road in North Bend, Washington, wrapped in a blanket. The newborn was less than half a mile away from Snoqualmie valley hospital, a location where infants can be safely and anonymously surrendered under Washington state’s safety of newborn children law. The legislature further finds that while national estimates are that safe surrender laws across the country have saved well over one thousand infants in the past decade, surprisingly little is known about how many abandonment incidents occur and how many could have been or have been prevented through safe surrender laws.

The legislature further finds that no newborn should be abandoned to die alone and hungry as its first and only exposure to the world, any life that can be saved under the safety of the newborn children law is worth saving, and understanding the characteristics of newborn abandonment and knowing when and where they occur is crucial for developing effective public awareness strategies to make caregivers aware of the state's safe surrender option. The legislature further finds that while existing state law requires persons receiving infants under the safety of newborn children law to notify child protective services, which is situated within the Washington state department of social and health services children's administration, within twenty-four hours, there is no statutory requirement for the department of social and health services to report data on surrendered newborns. The legislature therefore intends to require the department of social and health services to provide consistent tracking and

MESSAGE FROM THE HOUSE

March 2, 2018

MR. PRESIDENT:
The House passed ENGROSSED FOURTH SUBSTITUTE SENATE BILL NO. 5251 with the following amendment(s): 5251-S4.E AMH CDHT H4949.1
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. FINDINGS AND PURPOSE. (1) The legislature finds that the tourism industry is the fourth largest economic sector in the state of Washington and provides general economic benefit to the state. Since 2011 there have been minimal general funds committed to statewide tourism marketing and Washington is the only state without a state-funded tourism marketing program. Before 2011, the amount of funds appropriated to statewide tourism marketing was not significant and, in fact, Washington ranked forty-eighth in state tourism funding. Washington has significant attractions and activities for tourists, including many natural outdoor assets that draw visitors to mountains, waterways, parks, and open spaces. There should be a program to publicize these assets and activities to potential out-of-state visitors that is implemented in an expeditious manner by tourism professionals in the private sector.

(2) The purpose of this act is to establish the framework and funding for a statewide tourism marketing program. The program needs to have a structure that includes significant, stable, long-term funding, and it should be implemented and managed by the tourism industry. The source of funds should be from major sectors of the tourism industry with government assistance in collecting these funds and providing accountability for their expenditure. The dedicated sales tax authorized for contributions made in this chapter will bring direct benefits to those making contributions by bringing more tourists into the state who will patronize the participating businesses and create economic benefit for the state.

NEW SECTION. Sec. 2. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authority" means the Washington tourism marketing authority created in section 3 of this act.

(2) "Board" means the Washington tourism marketing authority board of directors.

(3) "Department" means the department of commerce.

(4) "Director" means the director of the department of commerce.

(5) "Statewide tourism marketing account" means the account created pursuant to section 5 of this act.

NEW SECTION. Sec. 3. WASHINGTON TOURISM MARKETING AUTHORITY—ESTABLISHED. (1) The Washington tourism marketing authority is established as a public body constituting an instrumentality of the state of Washington.

(2) The authority is responsible for contracting for statewide tourism marketing services that promote tourism on behalf of the citizens of the state, and for managing the authority's financial resources.

(3) The department provides administrative assistance to the authority and serves as the fiscal agent of the authority for moneys appropriated for purposes of the authority.

(4) The authority must create a private local account to receive nonstate funds and state funds, other than general fund state funds, contributed to the authority for purposes of this chapter.

NEW SECTION. Sec. 4. BOARD OF DIRECTORS AND ADVISORY COMMITTEE. (1) The authority must be governed by a board of directors. The board of directors must consist of:

(a) Two members and two alternates from the house of representatives, with one member and one alternate appointed from each of the two major caucuses of the house of representatives by the speaker of the house of representatives;

(b) Two members and two alternates from the senate, with one member and one alternate appointed from each of the two major caucuses of the senate by the president of the senate; and

(c) Nine representatives with expertise in the tourism industry and related businesses including, but not limited to, hotel, restaurant, outdoor recreation, attractions, retail, and rental car businesses appointed by the governor.

(2) The initial membership of the authority must be appointed as follows:

(a) By May 1, 2018, the speaker of the house of representatives and the president of the senate must each submit to the governor a list of ten nominees who are not legislators or employees of the state or its political subdivisions, with no caucus submitting the same nominee;

(b) The nominations from the speaker of the house of representatives must include at least one representative from the restaurant industry; one representative from the rental car industry; and one representative from the retail industry;

(c) The nominations from the president of the senate must include at least one representative from the hotel industry; one representative from the attractions industry; and one representative from the outdoor recreation industry; and

(d) The remaining member appointed by the governor must have a demonstrated expertise in the tourism industry.

(3) By July 1, 2018, the governor must appoint four members from each list submitted by the speaker of the house of representatives and the president of the senate under subsection
(2)(a) through (c) of this section and one member under subsection (2)(d) of this section. Appointments by the governor must reflect diversity in geography, size of business, gender, and ethnicity. No county may have more than two appointments and no city may have more than one appointment.

(4) There must be a nonvoting advisory committee to the board. The advisory committee must consist of:

(a) One ex officio representative from the department, state parks and recreation commission, department of transportation, and other state agencies as the authority deems appropriate; and

(b) One member from a federally recognized Indian tribe appointed by the director of the department.

(5) The initial appointments under subsections (1) and (2) of this section must be appointed by the governor to terms as follows: Four members for two-year terms; four members for three-year terms; and five members for four-year terms, which must include the chair. After the initial appointments, all appointments must be for four years.

(6) The board must select from its membership the chair of the board and such other officers as it deems appropriate. The chair of the board must be a member from the tourism industry or related businesses.

(7) A majority of the board constitutes a quorum.

(8) The board must create its own bylaws in accordance with the laws of the state of Washington.

(9) Any member of the board may be removed for misfeasance, malfeasance, or willful neglect of duty after notice and a public hearing, unless the notice and hearing are expressly waived in writing by the affected member.

(10) If a vacancy occurs on the board, a replacement must be appointed for the unexpired term.

(11) The members of the board serve without compensation but are entitled to reimbursement, solely from the funds of the authority, for expenses incurred in the discharge of their duties.

(12) The board must meet at least quarterly.

(13) No board member of the authority may serve on the board of an organization that could be considered for a contract authorized under section 6 of this act.

NEW SECTION. Sec. 5. STATEWIDE TOURISM MARKETING ACCOUNT. The statewide tourism marketing account is created in the state treasury. All receipts from tax revenues under section 9 of this act must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for expenditures of the department that are related to implementation of a statewide tourism marketing program and operation of the authority. A two-to-one nonstate or state fund, other than general fund state, match must be provided for all expenditures from the account. A match may consist of nonstate or state fund, other than general fund state, cash contributions deposited in the private local account created under section 3(4) of this act, the value of an advertising equivalency contribution, or an in-kind contribution. The board must determine criteria for what qualifies as an in-kind contribution.

NEW SECTION. Sec. 6. USE OF FUNDS. (1) From amounts appropriated to the department for the authority and from other moneys available to it, the authority may incur expenditures for any purpose specifically authorized by this chapter including:

(a) Entering into a contract for a multiple-year statewide tourism marketing plan with a statewide nonprofit organization existing on the effective date of this section whose sole purpose is marketing Washington to tourists. The marketing plan must include, but is not limited to, focuses on rural tourism-dependent counties, natural wonders and outdoor recreation opportunities of the state, attraction of international tourists, identification of local offerings for tourists, and assistance for tourism areas adversely impacted by natural disasters. In the event that no such organization exists on the effective date of this section or the initial contractor ceases to exist, the authority may determine criteria for a contractor to carry out a statewide marketing program;

(b) Contracting for the evaluation of the impact of the statewide tourism marketing program; and

(c) Paying for administrative expenses of the authority, which may not exceed two percent of the state portion of funds collected in any fiscal year.

(2) All nonstate moneys received by the authority under section 7 of this act or otherwise provided to the authority for purposes of matching funding must be deposited in the authority's private local account created under section 3(4) of this act and are held in trust for uses authorized solely by this chapter.

NEW SECTION. Sec. 7. GIFTS OR GRANTS TO THE WASHINGTON TOURISM MARKETING AUTHORITY. The board may receive gifts, grants, or endowments from public or private sources that are made from time to time, in trust or otherwise, for the use and benefit of the purposes of the authority and spend gift, grants, or endowments or income from public or private sources according to their terms, unless the receipt of gifts, grants, or endowments violates RCW 42.17A.560.

NEW SECTION. Sec. 8. SHORT TITLE. This chapter may be known and cited as the statewide tourism marketing act.

NEW SECTION. Sec. 9. A new section is added to chapter 82.08 RCW to read as follows:

(1) Beginning July 1, 2018, 0.2 percent of taxes collected pursuant to RCW 82.08.020(1) on retail sales of lodging, car rentals, and restaurants must be deposited into the statewide tourism marketing account created in section 5 of this act. Except as provided otherwise for fiscal year 2019 in subsection (2) of this section, future revenue collections under this section may be up to three million dollars per biennium and must be deposited into the statewide tourism marketing account created in section 5 of this act. The deposit under this subsection to the statewide tourism marketing account may only occur if the legislature authorizes the deposit in the biennial omnibus appropriations act.

(2) For fiscal year 2019, up to a maximum of one million five hundred thousand dollars must be deposited into the statewide tourism marketing account created in section 5 of this act. The deposit under this subsection to the statewide tourism marketing account may only occur if the legislature authorizes the deposit in the biennial omnibus appropriations act.

MR. PRESIDENT:
The House passed SENATE BILL NO. 6159 with the following amendment(s): 6159 AMH ENVI H4850.1
On page 2, after line 11, insert the following:

"Sec. 3. RCW 70.149.040 and 2017 c 23 s 4 are each amended to read as follows:
The director shall:
(1) Design a program, consistent with RCW 70.149.120, for providing pollution liability insurance for heating oil tanks that provides up to sixty thousand dollars per occurrence coverage and aggregate limits, not to exceed fifteen million dollars each calendar year, and protects the state of Washington from unwanted or unanticipated liability for accidental release claims;
(2) Administer, implement, and enforce the provisions of this chapter. To assist in administration of the program, the director is authorized to appoint up to two employees who are exempt from the civil service law, chapter 41.06 RCW, and who shall serve at the pleasure of the director;
(3) Administer the heating oil pollution liability trust account, as established under RCW 70.149.070;
(4) Employ and discharge, at his or her discretion, agents, attorneys, consultants, companies, organizations, and employees as deemed necessary, and to prescribe their duties and powers, and fix their compensation;
(5) Adopt rules under chapter 34.05 RCW as necessary to carry out the provisions of this chapter;
(6) Design and from time to time revise a reinsurance contract providing coverage to an insurer or insurers meeting the requirements of this chapter. The director is authorized to provide reinsurance through the pollution liability insurance program trust account;
(7) Solicit bids from insurers and select an insurer to provide pollution liability insurance for third-party bodily injury and property damage, and corrective action to owners and operators of heating oil tanks;
(8) Register, and design a means of accounting for, operating heating oil tanks;
(9) Implement a program to provide advice and technical assistance on the administrative and technical requirements of this chapter and chapter 70.105D RCW to persons who are conducting or otherwise interested in independent remedial actions at facilities where there is a suspected or confirmed release from the following petroleum storage tank systems: A heating oil tank; a decommissioned heating oil tank; an abandoned heating oil tank; or a petroleum storage tank system identified by the department of ecology based on the relative risk posed by the release to
human health and the environment, as determined under chapter 70.105D RCW, or other factors identified by the department of ecology.

(a) Such advice or assistance is advisory only, and is not binding on the pollution liability insurance agency or the department of ecology. As part of this advice and assistance, the pollution liability insurance agency may provide written opinions on whether independent remedial actions or proposals for these actions meet the substantive requirements of chapter 70.105D RCW, or whether the pollution liability insurance agency believes further remedial action is necessary at the facility. As part of this advice and assistance, the pollution liability insurance agency may also observe independent remedial actions.

(b) The agency is authorized to collect, from persons requesting advice and assistance, the costs incurred by the agency in providing such advice and assistance. The costs may include travel costs and expenses associated with review of reports and preparation of written opinions and conclusions. Funds from cost reimbursement must be deposited in the heating oil pollution liability trust account.

(c) The state of Washington, the pollution liability insurance agency, and its officers and employees are immune from all liability, and no cause of action arises from any act or omission in providing, or failing to provide, such advice, opinion, conclusion, or assistance;

(10) Establish a public information program to provide information regarding liability, technical, and environmental requirements associated with active and abandoned heating oil tanks;

(11) Monitor agency expenditures and seek to minimize costs and maximize benefits to ensure responsible financial stewardship;

(12) Study if appropriate user fees to supplement program funding are necessary and develop recommendations for legislation to authorize such fees;

(13) Establish requirements, including deadlines not to exceed ninety days, for reporting to the pollution liability insurance agency a suspected or confirmed release from a heating oil tank, including a decommissioned or abandoned heating oil tank, that may pose a threat to human health or the environment by the owner or operator of the heating oil tank or the owner of the property where the release occurred;

(14) Within ninety days of receiving information and having a reasonable basis to believe that there may be a release from a heating oil tank, including decommissioned or abandoned heating oil tanks, that may pose a threat to human health or the environment, perform an initial investigation to determine at a minimum whether such a release has occurred and whether further remedial action is necessary under chapter 70.105D RCW. The initial investigation may include, but is not limited to, inspecting, sampling, or testing. The director may retain contractors to perform an initial investigation on the agency's behalf;

(15) For any written opinion issued under subsection (9) of this section requiring an environmental covenant as part of the remedial action, consult with, and seek comment from, a city or county department with land use planning authority for real property subject to the environmental covenant prior to the property owner recording the environmental covenant; and

(16) For any property where an environmental covenant has been established as part of the remedial action approved under subsection (9) of this section, periodically review the environmental covenant for effectiveness. The director shall perform a review at least once every five years after an environmental covenant is recorded."

MESSAGE FROM THE HOUSE

February 28, 2018

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5991 with the following amendment(s): 5991-S AMH SEIT H4917.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act may be known and cited as the democracy is strengthened by casting light on spending in elections act of 2018 or the Washington state DISCLOSE act of 2018.

NEW SECTION. Sec. 2. The legislature finds that the public has the right to know who is contributing to election campaigns in Washington state and that campaign finance disclosure deters corruption, increases public confidence in Washington state elections, and strengthens representative democracy. The legislature finds that campaign finance disclosure is overwhelmingly supported by the citizens of Washington state as evidenced by the two initiatives that largely established Washington's current campaign finance system. Both passed with over seventy-two percent of the popular vote, as well as winning margins in every county in the state."
The legislature finds that nonprofit organizations are increasingly engaging in campaign activities in Washington state and across the country, including taking a more active role in contributing to candidate and ballot proposition campaigns. In some cases, these activities are occurring without adequate public disclosure due to loopholes in campaign finance regulations.

The legislature finds that many nonprofit organizations wish to use the provisions of current law to anonymously contribute to campaign activity, frustrating the purposes of public disclosure laws.

Therefore, the legislature intends to increase transparency and accountability, deter corruption, and strengthen confidence in the election process by closing campaign finance disclosure loopholes and requiring the disclosure of contributions and expenditures by nonprofit organizations that participate significantly in Washington state elections.

Sec. 3. RCW 42.17A.005 and 2011 c 145 s 2 and 2011 c 60 s 19 are each reenacted and amended to read as follows:

personally incurred by volunteer campaign workers not in excess of fifty dollars personally paid for by the worker. "Volunteer services," for the purposes of this subsection, means services or labor for which the individual is not compensated by any person;

(vii) Messages in the form of reader boards, banners, or yard or window signs displayed on a person's own property or property occupied by a person. However, a facility used for such political advertising for which a rental charge is normally made must be reported as an in-kind contribution and counts towards any applicable contribution limit of the provider;

(c) The notice referred to in (a)(i) and (ii) of this subsection must be in writing and must state: "The unit you will be occupying is, or may become, part of a common interest community and subject to sale."

14. "Convey" or "conveyance" means, with respect to a unit, any transfer of ownership of the unit, including a transfer by deed or by real estate contract and, with respect to a unit in a leasehold common interest community or a proprietary lease in a cooperative, a transfer by lease or assignment of the unit, but does not include the creation, transfer, or release of a security interest.

15. "Cooperative" means a common interest community in which the real estate is owned by an association, each member of which is entitled by virtue of the member's ownership interest in the association and by a proprietary lease to exclusive possession of a unit.

16. "Dealer" means a person who, together with such person's affiliates, owns or has a right to acquire either six or more units in a common interest community or fifty percent or more of the units in a common interest community containing more than two units.

17. "Declarant" means:

(a) Any person who executes as declarant a declaration;

(b) Any person who reserves any special declarant right in a declaration;

(c) Any person who exercises special declarant rights or to whom special declarant rights are transferred of record. The holding or exercise of rights to maintain sales offices, signs advertising the common interest community, and models, and related right of access, does not confer the status of being a declarant; or

(d) Any person who is the owner of a fee interest in the real estate that is subjected to the declaration at the time of the recording of an instrument pursuant to section 306 of this act and who directly or through one or more affiliates is materially involved in the construction, marketing, or sale of units in the common interest community created by the recording of the instrument.

18. "Declarant control" means the right of the declarant or persons designated by the declarant to appoint or remove any officer or board member of the association or to veto or approve
a proposed action of any board or association, pursuant to section 304(1)(a) of this act.

   (a) Add real estate or improvements to a common interest community;
   (b) Create units, common elements, or limited common elements within a common interest community;
   (c) Subdivide or combine units or convert units into common elements;

   (e) Reallocate limited common elements with respect to units that have not been conveyed by the declarant.

(21) "Effective age" means the difference between the useful life and remaining useful life.

(22) "Electronic transmission" or "electronically transmitted" means any electronic communication (a) not directly involving the physical transfer of a record in a tangible medium and (b) that may be retained, retrieved, and reviewed by the sender and the recipient of the communication, and that may be directly reproduced in a tangible medium by a sender and recipient.

(23) "Eligible mortgagee" means the holder of a security interest on a unit that has filed with the secretary of the association a written request that it be given copies of notices of any action by the association that requires the consent of mortgagees.

(24) "Foreclosure" means a statutory forfeiture or a judicial or nonjudicial foreclosure of a security interest or a deed or other conveyance in lieu of a security interest.

(25) "Full funding plan" means a reserve funding goal of achieving one hundred percent fully funded reserves by the end of the thirty-year study period described under section 331 of this act, in which the reserve account balance equals the sum of the estimated costs required to maintain, repair, or replace the deteriorated portions of all reserve components.

(26) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of that reserve component by its effective age, then dividing the result by that reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(27) "Governing documents" means the organizational documents, map, declaration, rules, or other written instrument by which the association has the authority to exercise any of the powers provided for in this chapter or to manage, maintain, or otherwise affect the property under its jurisdiction.

(28) "Identifying number" means a symbol or address that identifies only one unit or limited common element in a common interest community.

(29) "Leasehold common interest community" means a common interest community in which all or a portion of the real estate is subject to a lease the expiration or termination of which will terminate the common interest community or reduce its size.

(30) "Limited common element" means a portion of the common elements allocated by the declaration or by operation of section 203 (1)(b) or (2) of this act for the exclusive use of one or more, but fewer than all, of the unit owners.

(31) "Map" means: (a) With respect to a plat community, the plat as defined in RCW 58.17.020 and complying with the requirements of Title 58 RCW, and (b) with respect to a condominium, cooperative, or miscellaneous community, a map prepared in accordance with the requirements of section 210 of this act.

(32) "Master association" means an organization described in section 221 of this act, whether or not it is also an association described in section 301 of this act.

(33) "Miscellaneous community" means a common interest community in which units are lawfully created in a manner not inconsistent with chapter 58.17 RCW and that is not a condominium, cooperative, or plat community.

(34) "Nominal reserve costs" means that the current estimated total replacement costs of the reserve components are less than fifty percent of the annual budgeted expenses of the association, excluding contributions to the reserve fund, for a condominium or cooperative containing horizontal unit boundaries, and less than seventy-five percent of the annual budgeted expenses of the association, excluding contributions to the reserve fund, for all other common interest communities.

(35) "Organizational documents" means the instruments filed with the secretary of state to create an entity and the instruments governing the internal affairs of the entity including, but not limited to, any articles of incorporation, certificate of formation, bylaws, and limited liability company or partnership agreement.

(36) "Person" means an individual, corporation, business trust, estate, the trustee or beneficiary of a trust that is not a business trust, partnership, limited liability company, association, joint venture, public corporation, government, or governmental subdivision, agency, or instrumentality, or any other legal entity.

(37) "Plat community" means a common interest community in which units have been created by subdivision or short subdivision as both are defined in RCW 58.17.020 and in which the boundaries of units are established pursuant to chapter 58.17 RCW.

(38) "Proprietary lease" means a written and recordable lease that is executed and acknowledged by the association as lessor and that otherwise complies with requirements applicable to a residential lease of more than one year and pursuant to which a member is entitled to exclusive possession of a unit in a cooperative. A proprietary lease governed under this chapter is not subject to chapter 59.18 RCW except as provided in the declaration.

(41) "Real estate" means any leasehold or other estate or interest in, over, or under land, including structures, fixtures, and other improvements and interests that by custom, usage, or law pass with a conveyance of land though not described in the contract of sale or instrument of conveyance. "Real estate" includes parcels with or without upper or lower boundaries and spaces that may be filled with air or water.

(42) "Real estate contract" has the same meaning as defined in RCW 61.30.010.

(43) "Record," when used as a noun, means information inscribed on a tangible medium or contained in an electronic transmission.

(45) "Replacement cost" means the estimated total cost to maintain, repair, or replace a reserve component to its original functional condition.
(46) "Reserve component" means a physical component of the common interest community which the association is obligated to maintain, repair, or replace, which has an estimated useful life of less than thirty years, and for which the cost of such maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget.

(47) "Reserve study professional" means an independent person who is suitably qualified by knowledge, skill, experience, training, or education to prepare a reserve study in accordance with sections 330 and 331 of this act. For the purposes of this subsection, "independent" means a person who is not an employee, officer, or director, and has no pecuniary interest in the declarant, association, or any other party for whom the reserve study is prepared.

(48) "Residential purposes" means use for dwelling or recreational purposes, or both.

(49) "Rule" means a policy, guideline, restriction, procedure, or regulation of an association, however denominated, that is not set forth in the declaration or organizational documents and governs the conduct of persons or the use or appearance of property.

(50) "Security interest" means an interest in real estate or personal property, created by contract or conveyance that secures payment or performance of an obligation. "Security interest" includes a lien created by a mortgage, deed of trust, real estate contract, lease intended as security, assignment of lease or rents intended as security, pledge of an ownership interest in an association, and any other consensual lien or title retention contract intended as security for an obligation.

(51) "Special declarant rights" means rights reserved for the benefit of a declarant to:

(a) Complete any improvements indicated on the map or described in the declaration or the public offering statement pursuant to section 403(1)(h) of this act;
(b) Exercise any development right;
(c) Maintain sales offices, management offices, signs advertising the common interest community, and models;

(57)(a) "Unit" means a physical portion of the common interest community designated for separate ownership or occupancy, the boundaries of which are described pursuant to section 206(1)(d) of this act.
(b) If a unit in a cooperative is owned by a unit owner or is sold, conveyed, voluntarily or involuntarily encumbered, or otherwise transferred by a unit owner, the interest in that unit that is owned, sold, conveyed, encumbered, or otherwise transferred is the right to possession of that unit under a proprietary lease, coupled with the allocated interests of that unit, and the association's interest in that unit is not affected.
(c) Except as provided in the declaration, a mobile home or manufactured home for which title has been eliminated pursuant to chapter 65.20 RCW is part of the unit described in the title elimination documents.

(58)(a) "Unit owner" means (i) a declarant or other person that owns a unit or (ii) a lessee of a unit in a leasehold common interest community whose lease expires simultaneously with any lease the expiration or termination of which will remove the unit from the common interest community, but does not include a person having an interest in a unit solely as security for an obligation.
(b) "Unit owner" also means the vendee, not the vendor, of a unit under a recorded real estate contract.
(c) In a condominium, plat community, or miscellaneous community, the declarant is the unit owner of any unit created by the declaration. In a cooperative, the declarant is treated as the unit owner of any unit to which allocated interests have been allocated until that unit has been conveyed to another person.

(59) "Useful life" means the estimated time during which a reserve component is expected to perform its intended function without major maintenance, repair, or replacement.

(60) "Writing" does not include an electronic transmission.

NEW SECTION. Sec. 103. NO VARIATION BY AGREEMENT. Except as expressly provided in this chapter, the effect of the provisions of this chapter may not be varied by agreement, and rights conferred by this chapter may not be waived. Except as provided otherwise in section 123 of this act, a declarant may not act under a power of attorney, or use any other device, to evade the limitations or prohibitions of this chapter or the declaration.

NEW SECTION. Sec. 104. SEPARATE TITLES AND TAXATION. (1) In a cooperative, unless the declaration provides that a unit owner's interest in a unit and its allocated interests is real estate for all purposes, that interest is personal property.
(2) In a condominium, plat community, or miscellaneous community, if there is any unit owner other than a declarant:
(a) Each unit that has been created, together with its interest in the common elements, constitutes for all purposes a separate parcel of real estate; and
(b) Each unit together with its interest in the common elements must be separately taxed and assessed.
(3) If a development right has an ascertainable market value, the development right constitutes a separate parcel of real estate for property tax purposes and must be separately taxed and assessed to the declarant, and the declarant alone is liable for payment of those taxes.
(4) If there is no unit owner other than a declarant, the real estate comprising the common interest community may be taxed and assessed in any manner provided by law.

NEW SECTION. Sec. 105. APPLICABILITY OF LOCAL ORDINANCES, REGULATIONS, AND BUILDING CODES. (1) A building, fire, health, or safety statute, ordinance, or regulation may not impose any requirement upon any structure in a common interest community that it would not impose upon a physically identical development under a different form of ownership.

(2) A zoning, subdivision, or other land use statute, ordinance, or regulation may not prohibit the condominium or cooperative form of ownership or impose any requirement upon a condominium or cooperative that it would not impose upon a physically identical development under a different form of ownership.

(3) Chapter 58.17 RCW does not apply to the creation of a condominium or a cooperative. This chapter must not be construed to permit the creation of a condominium or cooperative on a lot, tract, or parcel of land that could not be sold or transferred without violating chapter 58.17 RCW.

(4) Except as provided in subsections (1), (2), and (3) of this section, this chapter does not invalidate or modify any provision of any building, zoning, subdivision, or other statute, ordinance, rule, or regulation governing the use of real estate.

(5) This section does not prohibit a county legislative authority from requiring the review and approval of declarations and amendments to declarations and of termination agreements executed pursuant to section 219(2) of this act by the county assessor solely for the purpose of allocating the assessed value and property taxes. The review by the assessor must be done in a reasonable and timely manner.

NEW SECTION. Sec. 106. EMINENT DOMAIN. (1) If a unit is acquired by condemnation or part of a unit is acquired by condemnation leaving the unit owner with a remnant that may not practically or lawfully be used for any purpose permitted by the declaration, the award must include compensation to the unit owner for that unit and its allocated interests, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides, that unit's allocated interests are automatically reallocated to the remaining units in proportion to the respective allocated interests of those units before the taking, and the association must promptly prepare, execute, and record an amendment to the declaration reflecting the reallocations. Any remnant of a unit remaining after part of a unit is taken under this subsection is thereafter a common element.

(2) Except as provided in subsection (1) of this section, if part of a unit is acquired by condemnation, the award must compensate the unit owner for the reduction in value of the unit and its interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree provides otherwise:

(a) That unit's allocated interests are reduced in proportion to the reduction in the size of the unit, or on any other basis specified in the declaration; and

(b) The portion of the allocated interests divested from the partially acquired unit are automatically reallocated to that unit and to the remaining units in proportion to the respective allocated interests of those units before the taking, with the partially acquired unit participating in the reallocation on the basis of its reduced allocated interests.

(3)(a) If part of the common elements is acquired by condemnation, the portion of the award attributable to the common elements taken must be paid to the association. A court may award damages to a unit owner or owners for particular damage to the owner's units arising from condemnation.

(b) Unless the declaration or the decree provides otherwise, any portion of the award attributable to the acquisition of a limited common element must be equally divided among the owners of the units to which that limited common element was allocated at the time of acquisition.

(4) The decree must be recorded in every county in which any portion of the common interest community is located.

NEW SECTION. Sec. 107. SUPPLEMENTAL GENERAL PRINCIPLES OF LAW APPLICABLE. The principles of law and equity, including the law of corporations and any other form of organization authorized by the law of this state and unincorporated associations, the law of real estate, and the law relative to the capacity to contract, principal and agent, eminent domain, estoppel, fraud, misrepresentation, duress, coercion, mistake, receivership, substantial performance, or other validating or invalidating cause supplement this chapter, except to the extent inconsistent with this chapter.

NEW SECTION. Sec. 108. CONSTRUCTION AGAINST IMPLICIT REPEAL. This chapter is intended as a unified coverage of its subject matter and no part of it must be construed to be impliedly repealed by subsequent legislation if that construction can reasonably be avoided.

NEW SECTION. Sec. 109. UNIFORMITY OF APPLICATION AND CONSTRUCTION. This chapter must be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

NEW SECTION. Sec. 110. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 111. UNCONSCIONABLE AGREEMENT OR TERM OF CONTRACT. (1) The court, upon finding as a matter of law that a contract or contract clause was unconscionable at the time the contract was made, may refuse to enforce the contract, enforce the remainder of the contract without the unconscionable clause, or limit the application of any unconscionable clause to avoid an unconscionable result.

(2) Whenever it is claimed, or appears to the court, that a contract or any contract clause is or may be unconscionable, the parties, to aid the court in making the determination, must be afforded a reasonable opportunity to present evidence as to:

(a) The commercial setting of the negotiations;

(b) Whether a party has knowingly taken advantage of the inability of the other party reasonably to protect his or her interests by reason of physical or mental infirmity, illiteracy, inability to understand the language of the agreement, or similar factors;

(c) The effect and purpose of the contract or clause; and

(d) If a sale, any gross disparity at the time of contracting between the amount charged for the property and the value of that property measured by the price at which similar property was readily obtainable in similar transactions. A disparity between the contract price and the value of the property measured by the price at which similar property was readily obtainable in similar transactions does not, of itself, render the contract unconscionable.

NEW SECTION. Sec. 112. OBLIGATION OF GOOD FAITH. Every contract or duty governed under this chapter
imposes an obligation of good faith in its performance or enforcement.

NEW SECTION. Sec. 113. REMEDIES TO BE LIBERALLY ADMINISTERED. The remedies provided under this chapter must be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. However, consequential, special, or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law.

NEW SECTION. Sec. 114. ADJUSTMENT OF DOLLAR AMOUNTS. (1) From time to time the dollar amount specified in sections 116 and 409(2) of this act must change, as provided in subsections (2) and (3) of this section, according to and to the extent of changes in the consumer price index for urban wage earners and clerical workers: U.S. city average, all items 1967 = 100, compiled by the bureau of labor statistics, United States department of labor, (the "index"). The index for December 1979, which was 230, is the reference base index.
(2) The dollar amounts specified in sections 116 and 409(2) of this act and any amount stated in the declaration pursuant to sections 116 and 409(2) of this act must change on July 1st of each year if the percentage of change, calculated to the nearest whole percentage point, between the index at the end of the preceding year and the reference base index, is ten percent or more, but: (a) The portion of the percentage change in the index in excess of a multiple of ten percent must be disregarded and the dollar amount may only change in multiples of ten percent of the amount appearing in this chapter on the effective date of this section; (b) the dollar amount must not change if the amount required under this section is that currently in effect pursuant to this chapter as a result of earlier application of this section; and (c) the dollar amount must not be reduced below the amount appearing in this chapter on the effective date of this section.
(3) If the index is revised after December 1979, the percentage of change pursuant to this section must be calculated on the basis of the revised index. If the revision of the index changes the reference base index, a revised reference base index must be determined by multiplying the reference base index then applicable by the rebasing factor furnished by the bureau of labor statistics. If the index is superseded, the index referred to in this section is the one represented by the bureau of labor statistics as reflecting most accurately the changes in the purchasing power of the dollar for consumers.

NEW SECTION. Sec. 115. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede the U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b).

NEW SECTION. Sec. 116. APPLICABILITY TO NEW COMMON INTEREST COMMUNITIES. (1) Except as provided otherwise in this section, this chapter applies to all common interest communities created within this state after the effective date of this section. Chapters 59.18, 64.32, 64.34, and 64.38 RCW do not apply to common interest communities created after the effective date of this section.
(2) Unless the declaration provides that this entire chapter is applicable, a plat community or miscellaneous community that is not subject to any development right is subject only to sections 104, 105, and 106 of this act, if the community: (a) Contains no more than twelve units; and (b) provides in its declaration that the annual average assessment of all units restricted to residential purposes, exclusive of optional user fees and any insurance premiums paid by the association, may not exceed three hundred dollars, as adjusted pursuant to section 114 of this act.
(3) The exemption provided in subsection (2) of this section applies only if:
(a) The declarant reasonably believes in good faith that the maximum stated assessment will be sufficient to pay the expenses of the association for the community; and
(b) The declaration provides that the assessment may not be increased above the limitation in subsection (2) of this section prior to the transition meeting without the consent of unit owners, other than the declarant, holding ninety percent of the votes in the association.

NEW SECTION. Sec. 117. APPLICABILITY TO PREEXISTING COMMON INTEREST COMMUNITIES. (1) Except for a nonresidential common interest community described in section 121 of this act, sections 120 and 326 of this act apply, and any inconsistent provisions of chapter 59.18, 64.32, 64.34, or 64.38 RCW do not apply, to a common interest community created in this state before the effective date of this section.
(2) Except to the extent provided in this subsection, the sections listed in subsection (1) of this section apply only to events and circumstances occurring after the effective date of this section and do not invalidate existing provisions of the governing documents of those common interest communities. To protect the public interest, sections 120 and 326 of this act supersede existing provisions of the governing documents of all plat communities and miscellaneous communities previously subject to chapter 64.38 RCW.

NEW SECTION. Sec. 118. APPLICABILITY OF AMENDMENTS TO NEW COMMON INTEREST COMMUNITIES. Amendments to this chapter apply to all common interest communities except those that (1) were created prior to the effective date of this section and (2) have not subsequently amended their governing documents to provide that this chapter will apply to the common interest community pursuant to section 120 of this act.

NEW SECTION. Sec. 119. APPLICABILITY OF PRIOR CONDOMINIUM STATUTES. Chapter 64.32 RCW does not apply to condominiums created after July 1, 1990, and chapter 64.34 RCW does not apply to condominiums created after the effective date of this section.

NEW SECTION. Sec. 120. ELECTION OF PREEXISTING COMMON INTEREST COMMUNITIES TO BE GOVERNED BY THIS CHAPTER. (1) The declaration of any common interest community created before the effective date of this section may be amended to provide that this chapter will apply to the common interest community, regardless of what applicable law provided before this act was adopted.
(2) Except as provided otherwise in subsection (3) of this section or in section 218 (9), (10), or (11) of this act, an amendment to the governing documents authorized under this section must be adopted in conformity with any procedures and requirements for amending the instruments specified by those instruments and in conformity with the amendment procedures of this chapter. If the governing documents do not contain provisions authorizing amendment, the amendment procedures of this chapter apply. If an amendment grants to a person a right, power, or privilege permitted under this chapter, any correlative obligation, liability, or restriction in this chapter also applies to the person.
(3) Notwithstanding any provision in the governing documents of a common interest community that govern the procedures and requirements for amending the governing documents, an amendment under subsection (1) of this section may be made as follows:

(a) The board shall propose such amendment to the owners if the board deems it appropriate or if owners holding twenty percent or more of the votes in the association request such an amendment in writing to the board;

(b) Upon satisfaction of the foregoing requirements, the board shall prepare a proposed amendment and shall provide the owners with a notice in a record containing the proposed amendment and at least thirty days' advance notice of a meeting to discuss the proposed amendment;

(c) Following such meeting, the board shall provide the owners with a notice in a record containing the proposed amendment and a ballot to approve or reject the amendment;

(d) The amendment shall be deemed approved if owners holding at least thirty percent of the votes in the association participate in the voting process, and at least sixty-seven percent of the votes cast by participating owners are in favor of the proposed amendment.

NEW SECTION. Sec. 121. APPLICABILITY TO NONRESIDENTIAL AND MIXED-USE COMMON INTEREST COMMUNITIES. (1) A plat community, miscellaneous community, or cooperative in which all the units are restricted exclusively to nonresidential use is not subject to this chapter except to the extent the declaration provides that:

(a) This entire chapter applies to the community;

(b) Sections 101 through 226 of this act apply to the community; or

(c) Only sections 104, 105, and 106 of this act apply to the community.

(2) A condominium in which all the units are restricted exclusively to nonresidential use is subject to this chapter, but the declaration may provide that only sections 101 through 226 of this act apply to the community.

(3) If this entire chapter applies to a common interest community in which all the units are restricted exclusively to nonresidential use, the declaration may also require, subject to section 111 of this act, that:

(a) Any management, maintenance, operations, or employment contract, lease of recreational or parking areas or facilities, and any other contract or lease between the association and a declarant or an affiliate of a declarant continues in force after the declarant turns over control of the association; and

(b) Purchasers of units must execute proxies, powers of attorney, or similar devices in favor of the declarant regarding particular matters enumerated in those instruments.

(4) A common interest community that contains both units restricted to nonresidential purposes and units that may be used for residential purposes is not subject to this chapter unless the units that may be used for residential purposes would comprise a common interest community subject to this chapter in the absence of such nonresidential units or the declaration provides that this chapter applies as provided in subsection (2) or (3) of this section.

NEW SECTION. Sec. 122. APPLICABILITY TO OUT-OF-STATE COMMON INTEREST COMMUNITIES. This chapter does not apply to a common interest community located outside this state.

NEW SECTION. Sec. 123. OTHER EXEMPT REAL ESTATE ARRANGEMENTS. (1) An arrangement between the associations for two or more common interest communities to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in their arrangement or declarations does not create a separate common interest community.

(2) An arrangement between an association for a common interest community and the owner of real estate that is not part of a common interest community to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in their arrangement does not create a separate common interest community. However, costs payable by the common interest community as a result of the arrangement must be included in the periodic budget for the common interest community, and the arrangement must be disclosed in all public offering statements and resale certificates required under this chapter.

(3) Except for a cooperative, a lease in which the tenant is obligated to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in an arrangement does not create a separate common interest community.

NEW SECTION. Sec. 124. OTHER EXEMPT COVENANTS. An easement or covenant that requires the owners of separately owned parcels of real estate to share costs or other obligations associated with a party wall, driveway, well, or other similar use does not create a common interest community.

II. CREATION, ALTERATION, AND TERMINATION OF COMMON INTEREST COMMUNITIES

NEW SECTION. Sec. 201. CREATION OF COMMON INTEREST COMMUNITIES. (1)(a) A common interest community may be created under this chapter only by (i) recording a declaration executed in the same manner as a deed, and (ii) recording a map pursuant to section 210(3) of this act, and (iii) with respect to a cooperative, conveying the real estate subject to that declaration to the association.

(b) The declaration and map must be recorded in every county in which any portion of the common interest community is located. The name of a condominium must not be identical to the name of any other existing condominium or plat community, whether created under this chapter or chapter 64.32 or 64.34 RCW, in any county in which the condominium is located.

(2) A declaration or an amendment to a declaration adding units to a common interest community other than a plat community may not be recorded unless a certification required under section 210(6) (a) or (b) of this act regarding the map is also recorded.

(3)(a) Except as provided otherwise in the declaration or map, if, in a common interest community other than a condominium or cooperative, real estate described as a common element in the declaration or map is not conveyed to the association or expressly dedicated in the declaration or map to the unit owners as tenants in common, that real estate is deemed to be conveyed to the association at the time the first unit is conveyed, subject to the authority and jurisdiction of the association and subject to development rights, if any, reserved in the declaration.

(b) Except as provided otherwise in the declaration or map, in the event of the dissolution of an association, any real estate owned by the association vests in the unit owners as tenants in common with each unit owner's interest being determined in accordance with the provisions of section 219 of this act regarding a termination of the common interest community.

NEW SECTION. Sec. 202. RESERVATION OF NAME. Upon the filing of a written request with the county office in which the declaration is to be recorded, using a form of written request as may be required by the county office and paying a fee as the county office may establish not in excess of fifty dollars, a
NEW SECTION.  Sec. 203.  UNIT BOUNDARIES.  (1)  Except as provided by the declaration or, in the case of a Plat Community or miscellaneous community, by the map:

(a) If walls, floors, or ceilings are designated as boundaries of a unit, all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring, and any other materials constituting any part of the finished surfaces thereof are a part of the unit, and all other portions of the walls, floors, or ceilings are a part of the common elements.

(b) If any chute, flue, duct, wire, conduit, bearing wall, bearing column, or any other fixture lies partially within and partially outside the designated boundaries of a unit, any portion thereof serving only that unit is a limited common element allocated solely to that unit, and any portion thereof serving more than one unit or any portion of the common elements is a part of the common elements.

(2) Subject to subsection (1)(b) of this section, all spaces, interior partitions, and other fixtures and improvements within the boundaries of a unit are a part of the unit.

(3) Any fireplaces, shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, decks, patios, and all exterior doors and windows or other fixtures designed to serve a single unit, but located outside the unit's boundaries, are limited common elements allocated exclusively to that unit.

NEW SECTION.  Sec. 204.  CONSTRUCTION AND VALIDITY OF GOVERNING DOCUMENTS.  (1)  All provisions of the governing documents are severable.  If any provision of a governing document, or its application to any person or circumstances, is held invalid, the remainder of the governing document or application to other persons or circumstances is not affected.

(2) The rule against perpetuities may not be applied to defeat any provision of the governing documents adopted pursuant to section 302(1)(a) of this act.

(3) If a conflict exists between the declaration and the organizational documents, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

(4)(a) The creation of a common interest community must not be impaired and title to a unit and any common elements must not be rendered unmarketable or otherwise affected by reason of an insignificant failure of the governing documents, or any amendment to the governing documents, to comply with this chapter.

(b) This chapter does not determine whether a significant failure impairs marketability.  Any unit owner, record owner of a security interest in any portion of the common interest community, or the association has standing to obtain a court order compelling the recordation of a declaration or map or adoption of organizational documents, or any appropriate amendment thereto, or to any other governing document, necessary to comply with the requirements of this chapter and to effectuate the reasonably ascertainable intent of the parties, including the intent to create a common interest community in compliance with this chapter.  The failure to (i) include in the declaration or any amendment to the declaration cross-references by recording number to the map or any amendment to the map cross-references by recording number to the declaration or any amendment to the declaration is deemed an insignificant failure to comply with this chapter.

NEW SECTION.  Sec. 205.  DESCRIPTION OF UNITS.  (1)  In a condominium or a cooperative, a description of a unit that sets forth the name of the common interest community, the recording data for the declaration, the county and state in which the common interest community is located, and the identifying number of the unit is a legally sufficient description of that unit and all rights, obligations, and interests appurtenant to that unit that were created by the governing documents.

(2) In a Plat Community or miscellaneous community, a description of a unit that sets forth the name of the common interest community, the recording data for the map, the county and state in which the common interest community is located, and the identifying number of the unit is a legally sufficient description of that unit and all rights, obligations, and interests appurtenant to that unit.

NEW SECTION.  Sec. 206.  CONTENTS OF DECLARATION.  (1)  The declaration must contain:

(a) The names of the common interest community and the association and, immediately following the initial recital of the name of the community, a statement that the common interest community is a condominium, cooperative, plat community, or miscellaneous community;

(b) A legal description of the real estate included in the common interest community;

(c) A statement of the number of units that the declarant has created and, if the declarant has reserved the right to create additional units, the maximum number of such additional units;

(d) In all common interest communities, a reference to the recorded map creating the units and common elements, if any, subject to the declaration, and in a common interest community other than a plat community, the identifying number of each unit created by the declaration, a description of the boundaries of each unit if and to the extent they are different from the boundaries stated in section 203(1)(a) of this act, and with respect to each existing unit, and if known at the time the declaration is recorded, the (i) approximate square footage, (ii) number of whole or partial bathrooms, (iii) number of rooms designated primarily as bedrooms, and (iv) level or levels on which each unit is located.

(e) A description of any limited common elements, other than those specified in section 203 (1)(b) and (2) of this act;

(f) A description of any real estate that may be allocated subsequently by the declarant as limited common elements, other than limited common elements specified in section 203 (1)(b) and (2) of this act, together with a statement that they may be so allocated;

(g) A description of any development right and any other special declarant rights reserved by the declarant, and, if the boundaries of the real estate subject to those rights are fixed in the declaration pursuant to (h)(i) of this subsection, a description of the real property affected by those rights, and a time limit within which each of those rights must be exercised;

(h) If any development right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:

(i) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each development right or a statement that no assurances are made in those regards; and
(ii) A statement as to whether, if any development right is exercised in any portion of the real estate subject to that development right, that development right must be exercised in all or in any other portion of the remainder of that real estate;

(i) Any other conditions or limitations under which the rights described in (g) of this subsection may be exercised or will lapse;

(j) An allocation to each unit of the allocated interests in the manner described in section 208 of this act;

(k) Any restrictions on alienation of the units, including any restrictions on leasing that exceed the restrictions on leasing units that boards may impose pursuant to section 323(9)(c) of this act and on the amount for which a unit may be sold or on the amount that may be received by a unit owner on sale, condemnation, or casualty loss to the unit or to the common interest community, or on termination of the common interest community;

(l) A cross-reference by recording number to the map for the units created by the declaration;

(m) Any authorization pursuant to which the association may establish and enforce construction and design criteria and aesthetic standards as provided in section 322 of this act;

(n) All matters required under sections 207, 208, 209, 216, 217, and 303 of this act.

(2) All amendments to the declaration must contain a cross-reference by recording number to the declaration and to any prior amendments to the declaration. All amendments to the declaration adding units must contain a cross-reference by recording number to the map relating to the added units and set forth all information required under subsection (1) of this section with respect to the added units.

(3) The declaration may contain any other matters the declarant considers appropriate, including any restrictions on the uses of a unit or the number or other qualifications of persons who may occupy units.

NEW SECTION. Sec. 207. LEASEHOLD COMMON INTEREST COMMUNITIES. (1) Any lease the expiration or termination of which may terminate the common interest community or reduce its size, or a memorandum of the lease, must be recorded. Every lessor of the leases in a condominium, plat community, or miscellaneous community must sign the declaration. The declaration must state:

(a) The recording number of the lease or a statement of where the complete lease may be inspected;

(b) The date on which the lease is scheduled to expire;

(c) A legal description of the real estate subject to the lease;

(d) Any right of the unit owners to redeem the reversion and the manner in which those rights may be exercised, or a statement that they do not have those rights;

(e) Any right of the unit owners to remove any improvements within a reasonable or stated time after the expiration or termination of the lease, or a statement that they do not have those rights; and

(f) Any rights of the unit owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

(2) The declaration may provide for the collection by the association of the proportionate rents paid on the lease by the unit owners and may designate the association as the representative of the unit owners on all matters relating to the lease.

(3) After the declaration for a condominium, miscellaneous community, or plat community is recorded, neither the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit owner who makes timely payment of a unit owner's share of the rent and otherwise complies with all covenants that, if violated, would entitle the lessor to terminate the lease. A unit owner's leasehold interest in a condominium, miscellaneous community, or plat community is not affected by failure of any other person to pay rent or fulfill any other covenant.

(4) Acquisition of the leasehold interest of any unit owner by the owner of the reversion or remainder does not merge the leasehold and fee simple interests unless the leasehold interests of all unit owners subject to that reversion or remainder are acquired and the owner of the reversion or remainder records a document confirming the merger.

(5) If the expiration or termination of a lease decreases the number of units in a common interest community, the allocated interests must be reallocated in accordance with section 106(1) of this act as though those units had been taken by condemnation. Reallocations must be confirmed by an amendment to the declaration and map prepared, executed, and recorded by the association.

NEW SECTION. Sec. 208. ALLOCATION OF ALLOCATED INTERESTS. (1) The declaration must allocate to each unit:

(a) In a condominium, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association and a portion of the votes in the association;

(b) In a cooperative, an ownership interest in the association, a fraction or percentage of the common expenses of the association, and a portion of the votes in the association; and

(c) In a plat community and miscellaneous community, a fraction or percentage of the common expenses of the association and a portion of the votes in the association.

(2) The declaration must state the formulas used to establish allocations of interests. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(3) If units may be added to or withdrawn from the common interest community, the declaration must state the formulas to be used to reallocate the allocated interests among all units included in the common interest community after the addition or withdrawal.

(4) (a) The declaration may provide:

(i) That different allocations of votes are made to the units on particular matters specified in the declaration;

(ii) For cumulative voting only for the purpose of electing board members; and

(iii) For class voting on specified issues affecting the class if necessary to protect valid interests of the class.

(b) A declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants under this chapter, and units do not constitute a class because they are owned by a declarant.

(5) Except for minor variations due to rounding, the sum of the common expense liabilities and, in a condominium, the sum of the undivided interests in the common elements allocated at any time to all the units must each equal one if stated as a fraction or one hundred percent if stated as a percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

(6) (a) In a condominium, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

(b) In a cooperative, any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an ownership interest in the association made without the possessory interest in the unit to which that interest is related is void.
NEW SECTION. Sec. 209. LIMITED COMMON ELEMENTS. (1)(a) Except for the limited common elements described in section 203 (1)(b) and (3) of this act, the declaration must specify to which unit or units each limited common element is allocated.

(b) An allocation of a limited common element may not be altered without the consent of the owners of the units from which and to which the limited common element is allocated.

(2)(a) Except in the case of a reallocation being made by a declarant pursuant to a development right reserved in the declaration, a limited common element may be reallocated between units only with the approval of the board and by an amendment to the declaration executed by the unit owners between or among whose units the reallocation is made.

(b) The board must approve the request of the unit owner or owners under this subsection (2) within thirty days, or within such other period provided by the declaration, unless the proposed reallocation does not comply with this chapter or the declaration. The failure of the board to act upon a request within such period is deemed an approval of the request.

(c) The amendment must be executed and recorded by the association and be recorded in the name of the common interest community.

(3) Unless provided otherwise in the declaration, the unit owners of units to which at least sixty-seven percent of the votes are allocated, including the unit owner of the unit to which the common element or limited common element will be assigned or incorporated, must agree to reallocate a common element as a limited common element or to incorporate a common element or limited common element into an existing unit. Such reallocation or incorporation must be reflected in an amendment to the declaration and the map.

NEW SECTION. Sec. 210. MAPS. (1) A map is required for all common interest communities. For purposes of this chapter, a map must be construed as part of the declaration.

(2) With the exception of subsections (1), (3), (4), and (14) of this section, this section does not apply to a plat as defined in RCW 58.17.020.

(3) The map for a common interest community must be executed by the declarant and recorded concurrently with, and contain cross-references by recording number to, the declaration.

(4) An amendment to a map for a common interest community must be executed by the same party or parties authorized or required to execute an amendment to the declaration, contain cross-references by recording number to the declaration and any amendments to the declaration, and be recorded concurrently with an amendment to the declaration. With respect to a plat community, (a) any amendment to the map must be prepared and recorded in compliance with the requirements, processes, and procedures in chapter 58.17 RCW and of the local subdivision ordinances of the city, town, or county in which the plat community is located, and (b) any amendment to the declaration must conform to the map as so approved and recorded.

(5) A map for a cooperative may be prepared by a licensed land surveyor, and may be incorporated into the declaration to satisfy subsection (3) of this section and section 206(1)(d) of this act. If the map for a cooperative is not prepared by a licensed land surveyor, the map need not contain the certification required in subsection (6)(a) of this section.

(6) The map for a common interest community must be clear and legible and must contain:

(a) If the map is a survey, a certification by a licensed land surveyor in substantially the following form:

SURVEYOR CERTIFICATE: This map correctly represents a survey made by me or under my direction in conformance with the requirements of the Survey Recording Act at the request of ..... (name of party requesting the survey) on ..... (date). I hereby certify that this map for ..... (name of common interest community) is based upon an actual survey of the property herein described; that the bearings and distances are correctly shown; that all information required by the Washington Uniform Common Interest Ownership Act is supplied herein; and that all horizontal and vertical boundaries of the units, (1) to the extent determined by the walls, floors, or ceilings thereof, or other physical monuments, are substantially completed in accordance with said map, or (2) to the extent such boundaries are not defined by physical monuments, such boundaries are shown on the map. (Surveyor's name, signature, license or certificate number, and acknowledgment)

(b) If the map is not a survey, a certification in substantially the following form:

DECLARANT CERTIFICATE: I hereby certify on behalf of ..... (declarant) that this map for ..... (name of common interest community) was made by me or under my direction in conformance with the requirements of RCW ..... (this section); that all information required by the Washington Uniform Common Interest Ownership Act is supplied herein; and that all horizontal and vertical boundaries of the units, (1) to the extent determined by the walls, floors, or ceilings thereof, or other physical monuments, are substantially completed in accordance with said map, or (2) to the extent such boundaries are not defined by physical monuments, such boundaries are shown on the map. (Declarant's name, signature, and acknowledgment)

(c) A declaration by the declarant in substantially the following form:

DECLARANT DECLARATION: The undersigned owner or owners of the interest in the real estate described herein hereby declare this map and dedicate the same for a common interest community named ..... (name of common interest community), a ..... (type of community), as that term is defined in the Washington Uniform Common Interest Ownership Act, solely to meet the requirements of the Washington Uniform Common Interest Ownership Act and not for any public purpose. This map and any portion thereof is restricted by law and the Declaration for ..... (name of common interest community), recorded under (name of county in which the common interest community is located) County Recording No. ..... (recording number). (Declarant's name, signature, and acknowledgment)

(7) Each map filed for a common interest community, and any amendments to the map, must be in the style, size, form, and quality as prescribed by the recording authority of the county where filed, and a copy must be delivered to the county assessor.

(8) Each map prepared for a common interest community in compliance with this chapter, and any amendments to the map, must show or state:

(a) The name of the common interest community and, immediately following the name of the community, a statement that the common interest community is a condominium, cooperative, or miscellaneous community as defined in this chapter. A local jurisdiction may also require that the name of a plat community on the survey, plat, or map be followed by a statement that the common interest community is a plat community as defined in this chapter;

(b) A legal description of the land in the common interest community;
(c) As to a condominium, a survey of the land in the condominium, and as to a cooperative, a survey or a drawing of the land included in the entire cooperative that complies with the other requirements of this section;

(d) If the boundaries of land subject to the development right to withdraw are fixed in the declaration or an amendment to the declaration pursuant to section 206(1)(h)(i) of this act, and subject to the provisions of the declaration, an amendment to the map if not contained in the initial recorded map, the legal description and boundaries of that land, labeled "MAY BE WITHDRAWN FROM THE COMMON INTEREST COMMUNITY;

(e) If the boundaries of land subject to the development right to add units that will result in the reallocation of allocated interests is fixed in the declaration or an amendment to the declaration pursuant to section 206(1)(h)(i) of this act, and subject to the provisions of the declaration, the legal description and boundaries of that land, labeled "SUBJECT TO DEVELOPMENT RIGHTS TO ADD UNITS THAT WILL RESULT IN A REALLOCATION OF ALLOCATED INTERESTS";

(f) The location and dimensions of all existing buildings containing or comprising units;

(g) The extent of any encroachments by or upon any portion of the common interest community;

(h) To the extent feasible, the location and dimensions of all recorded easements serving or burdening any portion of the common interest community and any unrecorded easements of which a surveyor or declarant knows or reasonably should have known;

(i) The location and dimensions of vertical unit boundaries;

(j) The location with reference to an established datum of horizontal unit boundaries. With respect to a cooperative, miscellaneous community, or condominium for which the horizontal boundaries are not defined by physical monuments, reference to an established datum is not required if the location of the horizontal boundaries of a unit is otherwise reasonably described or depicted;

(k) The legal description and the location and dimensions of any real estate in which the unit owners will own only an estate for years, labeled as "LEASEHOLD REAL ESTATE";

(l) The distance between any noncontiguous parcels of real estate comprising the common interest community;

(m) The general location of any existing principal common amenities listed in a public offering statement under section 403(1)(k) of this act;

(n) The general location of porches, decks, balconies, patios, storage facilities, moorage spaces, or parking spaces that are allocated as limited common elements, and any applicable identifying number or designation; and

(o) As to any survey, all other matters customarily shown on land surveys.

(9) The map for a common interest community may also show the anticipated approximate location and dimensions of any contemplated improvement to be constructed anywhere within the common interest community, and any contemplated improvement shown must be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."

(10) The map for a common interest community must identify any unit in which the declarant has reserved the right to create additional units or common elements under section 211(3) of this act.

(11) Unless the declaration provides otherwise, any horizontal boundary of part of a unit located outside a building has the same elevation as the horizontal boundary of the inside part and need not be depicted on the map.

(12) Upon exercising any development right, the declarant must record either new maps necessary to conform to the requirements of subsections (3), (4), (6), and (8) of this section, or new certifications of any map previously recorded if that map otherwise conforms to the requirements of subsections (3), (4), (6), and (8) of this section.

(13) Any survey and the surveyor certifications required under this section must be made by a licensed surveyor.

(14) As to a plat community, the information required under subsections (6) (a) and (c), (8) (d) through (g), (k), (m), and (n), (9), and (10) of this section is required, but may be shown on a map incorporated in or attached to the declaration, and need not be shown on the plat community map. Any such map is deemed a map for purposes of applying the provisions of this section, and the declarant must provide the certification required under subsection (6)(b) of this section.

(15) In showing or projecting the location and dimensions of the vertical boundaries of a unit located in a building, it is not necessary to show the thickness of the walls constituting the vertical boundaries or otherwise show the distance of those vertical boundaries either from the exterior surface of the building containing that unit or from adjacent vertical boundaries of other units if: (a) The walls are designated to be the vertical boundaries of that unit; (b) the unit is located within a building, the location and dimensions of the building having been shown on the map under subsection (8)(f) of this section; and (c) the graphic general location of the vertical boundaries are shown in relation to the exterior surfaces of that building and to the vertical boundaries of other units within that building.

NEW SECTION. Sec. 211. EXERCISE OF DEVELOPMENT RIGHTS.

(1) To exercise any development right reserved under section 206(1)(h) of this act, the declarant must prepare, execute, and record any amendments to the declaration and map in accordance with the requirements of sections 210 and 218(3) of this act. The declarant is the unit owner of any units created. The amendment to the declaration must assign an identifying number to each new unit created and, except in the case of subdivision, combination, or conversion of units described in subsection (3) of this section, reallocate the allocated interests among all units. The amendment must describe any common elements and any limited common elements created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required under section 209 of this act. The amendments are effective upon recording.

(2) Development rights may be reserved within any real estate added to the common interest community if the amendment to the declaration adding that real estate includes all matters required under sections 206 and 207 of this act and the amendment to the map includes all matters required under section 210 of this act. This subsection does not extend the time limit on the exercise of development rights imposed by the declaration pursuant to section 206(1)(h) of this act.

(3) When a declarant exercises a development right to subdivide, combine, or convert a unit previously created into additional units or common elements, or both:

(a) If the declarant converts the unit entirely into common elements, the amendment to the declaration must reallocate all the allocated interests of that unit among the other units as if that unit had been taken by condemnation under section 106 of this act; or

(b) If the declarant subdivides the unit into two or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration must reallocate all the allocated interests of the unit among the units created by the subdivision in any reasonable manner prescribed by the declarant.

(4) If the declaration provides, pursuant to section 206(1)(h) of this act, that all or a portion of the real estate is subject to a right of withdrawal:
(a) If all the real estate is subject to withdrawal, and the declaration or map or amendment to the declaration or map does not describe separate portions of real estate subject to that right, none of the real estate may be withdrawn if a unit in that real estate has been conveyed to a purchaser; or

(b) If any portion of the real estate is subject to withdrawal as described in the declaration or map or amendment to the declaration or map, none of that portion of the real estate may be withdrawn if a unit in that portion has been conveyed to a purchaser.

(5) If the declarant combines two or more units into a lesser number of units, whether or not any part of a unit is converted into common elements or common elements are converted units, the amendment to the declaration must reallocate all of the allocated interests of the units being combined into the unit or units created by the combination in any reasonable manner prescribed by the declarant.

(6) A unit conveyed to a purchaser may not be withdrawn pursuant to subsection (4)(a) or (b) of this section without the consent of the unit owner of that unit and the holder of a security interest in the unit.

NEW SECTION. Sec. 212. ALTERATIONS OF COMMON ELEMENTS AND UNITS. Subject to the provisions of the governing documents and other provisions of law, a unit owner:

(1) May make any improvements or alterations to the unit owner's unit that do not impair the structural integrity or mechanical or electrical systems or lessen the support of any portion of the common interest community;

(2) May not change the appearance of the common elements without approval of the board;

(3) After acquiring an adjoining unit or an adjoining part of an adjoining unit, with approval of the board, may remove or alter any intervening partition or create apertures in the unit or adjoining unit, even if the partition in whole or in part is a common element. The removal of partitions or creation of apertures under this subsection is not an alteration of boundaries. The board must approve a unit owner's request, which must include the plans and specifications for the proposed removal or alteration, under this subsection (3) after receipt of all required information unless the proposed alteration does not comply with this section or the governing documents; and

(4) May eliminate the title to a mobile home or manufactured home within the unit as permitted under chapter 65.20 RCW without the consent or joinder by the association, any other unit owner, or any party having a security interest in any other unit or the common elements.

NEW SECTION. Sec. 213. RELOCATION OF UNIT BOUNDARIES. (1) Subject to the provisions of the declaration, section 212 of this act, and other provisions of law, the boundaries between adjoining units may be relocated upon application to the board by the unit owners of those units and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries and such other information as the board may require. If the unit owners of the adjoining units have specified a relocation between their units of their allocated interests, the application must state the proposed reallocations. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, section 212 of this act, or other provisions of law, the board must approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (3) of this section.

(2)(a) Subject to the provisions of the declaration and other provisions of law, boundaries between units and common elements may be relocated to incorporate common elements within a unit by an amendment to the declaration upon application to the association by the unit owner of the unit who proposes to relocate a boundary. The amendment may be approved only if the unit owner of the unit, the boundary of which is being relocated, and, unless the declaration provides otherwise, persons entitled to cast at least sixty-seven percent of the votes in the association, including sixty-seven percent of the votes allocated to units not owned by the declarant, agree.

(b) The association may require payment to the association of a one-time fee or charge or continuing fees or charges payable by the unit owners of the units whose boundaries are being relocated to include common elements.

(3)(a) The association must prepare any amendment to the declaration in accordance with the requirements of section 206 of this act and any amendment to the map in accordance with the requirements of section 210 of this act necessary to show or describe the altered boundaries of affected units and their dimensions and identifying numbers.

(b) The amendment to the declaration must be executed by the unit owner of the unit, the boundaries of which are being relocated, and by the association, contain words of conveyance between them, and be recorded in the names of the unit owner or owners and the association, as grantor or grantee, as appropriate and as required under section 218(3) of this act. The amendments are effective upon recording.

(4) All costs, including reasonable attorneys' fees, incurred by the association for preparing and recording amendments to the declaration and map under this section must be assessed to the unit, the boundaries of which are being relocated.

NEW SECTION. Sec. 214. SUBDIVISION AND COMBINATION OF UNITS. (1) Unless prohibited in the declaration, subject to the provisions of the declaration, section 212 of this act, and other provisions of law, a unit may be subdivided into two or more units upon application to the association by the unit owner of the unit and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries, a reallocation of all the allocated interests of the units among the units created by the subdivision, and such other information as the board may require. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, sections 209 and 212 of this act, or other provisions of law, the board must approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (4) of this section.

(2) Unless prohibited in the declaration, subject to the provisions of the declaration, section 212 of this act, and other provisions of law, two or more units may be combined into a lesser number of units upon application to the association by the owners of those units and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries, a reallocation of all the allocated interests of the units being combined among the units resulting from the combination, and such other information as the board may require. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, sections 209 and 212 of this act, or other provisions of law, the board shall approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (4) of this section.
(3) The association may require payment to the association of a one-time fee or charge or continuing fees or charges payable by the owners of the units whose boundaries are being relocated to include common elements.

(4) The association must prepare, execute, and record any amendments to the declaration and, in a condominium, cooperative, or miscellaneous community, the map, prepared in accordance with the requirements of sections 210 and 218(3) of this act, subdividing or combining those units. The amendment to the declaration must be executed by the association and unit owner or owners of the units from which the subdivided or combined unit or units are derived, assign an identifying number to each resulting unit, and reallocate the allocated interests formerly allocated to the unit from which a combination was derived to the new unit or, if two or more units are derived from such combination, among the new units in any reasonable manner prescribed by such owners in the amendment or on any other basis the declaration requires. The amendments are effective upon recording.

(5) All costs, including reasonable attorneys' fees, incurred by the association for preparing and recording amendments to the declaration and map under this section must be assessed to the unit, the boundaries of which are being relocated.

(6) This section does not apply to the declarant's exercise of any development right to subdivide or combine a unit previously created.

NEW SECTION. Sec. 215. MONUMENTS AS BOUNDARIES. (1) The physical boundaries of a unit located in a building containing or comprising that unit constructed or reconstructed in substantial accordance with the map, or amendment to the map, are its boundaries rather than any boundaries shown on the map, regardless of settling or lateral movement of the unit or of any building containing or comprising the unit, or of any minor variance between boundaries of the unit or any building containing or comprising the unit shown on the map.

(2) This section does not relieve a unit owner from liability in case of the unit owner's willful misconduct or relieve a declarant or any other person from liability for failure to adhere to the map.

NEW SECTION. Sec. 216. USE FOR SALES PURPOSES. (1) A declarant may maintain sales offices, management offices, and models in units or on common elements in the common interest community only if the declaration so provides. In a cooperative or condominium, any sales office, management office, or model not designated a unit by the declaration is a common element.

(2) When a declarant no longer owns a unit or has the right to create a unit in the common interest community, the declarant ceases to have any rights under this section unless the unit is removed promptly from the common interest community in accordance with a right to remove reserved in the declaration.

(3) Subject to any limitations in the declaration, a declarant may maintain signs in or on units owned by the declarant or the common elements advertising the common interest community.

(4) This section is subject to the provisions of other state law and local ordinances.

NEW SECTION. Sec. 217. EASEMENT AND USE RIGHTS. (1) Subject to the declaration, a declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging the declarant's obligations or exercising special declarant rights, whether arising under this chapter or reserved in the declaration.

(2) Subject to sections 302(2)(f) and 314 of this act, the unit owners have an easement in the common elements for access to their units.

(3) Subject to the declaration and rules, the unit owners have a right to use the common elements that are not limited common elements for the purposes for which the common elements were intended.

NEW SECTION. Sec. 218. AMENDMENT OF DECLARATION. (1)(a) Except in cases of amendments that may be executed by: A declarant under subsection (10) of this section, sections 209(2), 210(12), 211, or 304(2)(d) of this act; the association under section 106, 207(5), 209(3), 213(1), or 214 of this act or subsection (11) of this section; or certain unit owners under section 209(2), 213(1), 214(2), or 219(2) of this act, and except as limited by subsections (4), (6), (7), (8), and (12) of this section, the declaration may be amended only by vote or agreement of unit owners of units to which at least sixty-seven percent of the votes in the association are allocated, unless the declaration specifies a different percentage not to exceed ninety percent for all amendments or for specific subjects of amendment. For purposes of this section, "amendment" means any change to the declaration, including adding, removing, or modifying restrictions contained in a declaration.

(b) If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval; however, any right of approval may not result in an expansion of special declarant rights reserved in the declaration or violate any other section of this chapter, including sections 103, 111, 112, and 113 of this act.

(2) In the absence of fraud, any action to challenge the validity of an amendment adopted by the association may not be brought more than one year after the amendment is recorded.

(3) Every amendment to the declaration must be recorded in every county in which any portion of the common interest community is located and is effective only upon recordation. An amendment, except an amendment pursuant to section 213(1) of this act, must be indexed in the grantee's index in the name of the common interest community and the association and in the grantor's index in the name of the parties executing the amendment.

(4) Except to the extent expressly permitted or required under this chapter, an amendment may not create or increase special declarant rights, increase the number of units, change the boundaries of any unit, or change the allocated interests of a unit without the consent of unit owners to which at least ninety percent of the votes in the association are allocated, including the consent of any unit owner of a unit, the boundaries of which or allocated interest of which is changed by the amendment.

(5) Amendments to the declaration required to be executed by the association must be executed by any authorized officer of the association who must certify in the amendment that it was properly adopted.

(6) The declaration may require a higher percentage of unit owner approval for an amendment that is intended to prohibit or materially restrict the uses of units permitted under the applicable zoning ordinances, or to protect the interests of members of a defined class of owners, or to protect other legitimate interests of the association or its members. Subject to subsection (13) of this section, a declaration may not require, as a condition for amendment, approval by more than ninety percent of the votes in the association or by all but one unit owner, whichever is less. An amendment approved under this subsection must provide reasonable protection for a use permitted at the time the amendment was adopted.
(7) The time limits specified in the declaration pursuant to section 206(1)(g) of this act within which reserved development rights must be exercised may be extended, and additional development rights may be created, if persons entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by the declarant, agree to that action. The agreement is effective thirty days after an amendment to the declaration reflecting the terms of the agreement is recorded unless all the persons holding the affected special declarant rights, or security interests in those rights, record a written objection within the thirty-day period, in which case the amendment is void, or consent in writing at the time the amendment is recorded, in which case the amendment is effective when recorded.

(8) A provision in the declaration creating special declarant rights that have not expired may not be amended without the consent of the declarant.

(9) If any provision of this chapter or the declaration requires the consent of a holder of a security interest in a unit as a condition to the effectiveness of an amendment to the declaration, the consent is deemed granted if a refusal to consent in a record is not received by the association within sixty days after the association delivers notice of the proposed amendment to the holder at an address for notice provided by the holder or mails the notice to the holder by certified mail, return receipt requested, at that address. If the holder has not provided an address for notice to the association, the association must provide notice to the address in the security interest of record.

(10) Upon thirty-day advance notice to unit owners, the declarant may, without a vote of the unit owners or approval by the board, unilaterally adopt, execute, and record a corrective amendment or supplement to the governing documents to correct a mathematical mistake, an inconsistency, or a scrivener's error, or clarify an ambiguity in the governing documents with respect to an objectively verifiable fact including, without limitation, recalculating the undivided interest in the common elements, the liability for common expenses, or the number of votes in the unit owners' association appertaining to a unit, within five years after the recordation or adoption of the governing document containing or creating the mistake, inconsistency, error, or ambiguity. Any such amendment or supplement may not materially reduce what the obligations of the declarant would have been if the mistake, inconsistency, error, or ambiguity had not occurred.

(11) Upon thirty-day advance notice to unit owners, the association may, upon a vote of two-thirds of the members of the board, without a vote of the unit owners, adopt, execute, and record an amendment to the declaration for the following purposes:

(a) To correct or supplement the governing documents as provided in subsection (10) of this section;

(b) To remove language and otherwise amend as necessary to effect the removal of language purporting to forbid or restrict the conveyance, encumbrance, occupancy, or lease to: Individuals of a specified race, creed, color, sex, or national origin; individuals with sensory, mental, or physical disabilities; and families with children or any other legally protected classification;

(c) To remove language and otherwise amend as necessary to effect the removal of language that purports to impose limitations on the power of the association beyond the limit authorized in section 302(1)(u) of this act to deal with the declarant that are more restrictive than the limitations imposed on the power of the association to deal with other persons; and

(d) To remove any other language and otherwise amend as necessary to effect the removal of language purporting to limit the rights of the association or its unit owners in direct conflict with this chapter.

(12) If the declaration requires that amendments to the declaration may be adopted only if the amendment is signed by a specified number or percentage of unit owners and if the common interest community contains more than twenty units, such requirement is deemed satisfied if the association obtains such signatures or the vote or agreement of unit owners holding such number or percentage.

(13)(a) If the declaration requires that amendments to the declaration may be adopted only by the vote or agreement of unit owners of units to which more than sixty-seven percent of the votes in the association are allocated, and the percentage required is otherwise consistent with this chapter, the amendment is approved if:

(i) The approval of the percentage specified in the declaration is obtained;

(ii)(A) Unit owners of units to which at least sixty-seven percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) A unit owner does not vote against the proposed amendment; and

(C) Notice of the proposed amendment, including notice that the failure of a unit owner to object may result in the adoption of the amendment, is delivered to the unit owners holding the votes in the association that have not voted or agreed to the proposed amendment and no written objection to the proposed amendment is received by the association within sixty days after the association delivers notice; or

(iii)(A) Unit owners of units to which at least sixty-seven percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) At least one unit owner objects to the proposed amendment; and

(C) Pursuant to an action brought by the association in the county in which the common interest community is situated against all objecting unit owners, the court finds, under the totality of circumstances including, but not limited to, the subject matter of the amendment, the purpose of the amendment, the percentage voting to approve the amendment, and the percentage objected to the amendment, that the amendment is reasonable.

(b) If the declaration requires the affirmative vote or approval of any particular unit owner or class of unit owners as a condition of its effectiveness, the amendment is not valid without that vote or approval.

NEW SECTION. Sec. 219. TERMINATION OF COMMON INTEREST COMMUNITY. (1) Except for a taking of all the units by condemnation, foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in section 226 of this act, a common interest community may be terminated only by agreement of unit owners of units to which at least eighty percent of the votes in the association are allocated, or any larger percentage the declaration specifies, and with any other approvals required by the declaration. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

(2) An agreement to terminate must be evidenced by the execution of a termination agreement, or ratifications of the agreement, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement is void unless it is recorded before that date. A termination agreement and all ratifications of the agreement must be recorded in every county in which a portion of the common interest community is situated and is effective
only upon recordation. An agreement to terminate may only be amended by complying with the requirements of this subsection and subsection (1) of this section.

(3)(a) In the case of a condominium, plat community, or miscellaneous community containing only units having horizontal boundaries between units, a termination agreement may provide that all of the common elements and units of the common interest community must be sold following termination. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of the sale.

(b) In the case of a condominium, plat community, or miscellaneous community containing no units having horizontal boundaries between units, a termination agreement may provide for sale of the common elements that are not necessary for the habitability of a unit, but it may not require that any unit be sold following termination, unless the declaration as originally recorded or all the unit owners consent to the sale. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of sale.

(c) In the case of a condominium, plat community, or miscellaneous community containing some units having horizontal boundaries between units and some units without horizontal boundaries between units, a termination agreement may provide for sale of the common elements that are not necessary for the habitability of a unit, but it may not require that any unit be sold following termination, unless the declaration as originally recorded provides otherwise or all the unit owners consent to the sale. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of sale.

(4)(a) The association, on behalf of the unit owners, may contract for the sale of real estate in a common interest community, but the contract is not binding on the unit owners until approved pursuant to subsections (1) and (2) of this section. If any real estate is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the association continues in existence with all powers it had before termination.

(b) Proceeds of the sale must be distributed to unit owners and lienholders as their interests may appear, in accordance with subsections (6) and (8) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real estate, each unit owner and the unit owner's successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit owner and the unit owner's successors in interest remain liable for all assessments and other obligations imposed on unit owners under this chapter or the declaration.

(5) In a condominium, plat community, or miscellaneous community, if any portion of the real estate constituting the common interest community is not to be sold following termination, title to those portions of the real estate constituting the common elements and, in a common interest community containing units having horizontal boundaries between units described in the declaration, title to all the real estate containing such boundaries in the common interest community vests in the unit owners upon termination as tenants in common in proportion to their respective interests as provided in subsection (8) of this section, and liens on the units shift accordingly. While the tenancy in common exists, each unit owner and the unit owner's successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit.

(6)(a) Following termination of the common interest community, the proceeds of a sale of real estate, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units as their interests may appear.

(b) Following termination of a condominium, plat community, or miscellaneous community, creditors of the association holding liens on the units that were recorded or perfected under RCW 4.64.020 before termination may enforce those liens in the same manner as any lienholder.

(c) All other creditors of the association are to be treated as if they had perfected liens on the units immediately before termination.

(7) In a cooperative, the declaration may provide that all creditors of the association have priority over any interests of unit owners and creditors of unit owners. In that event, following termination, creditors of the association holding liens on the cooperative that were recorded or perfected under RCW 4.64.020 before termination may enforce their liens in the same manner as any lienholder, and any other creditor of the association is to be treated as if the creditor had perfected a lien against the cooperative immediately before termination. Unless the declaration provides that all creditors of the association have that priority:

(a) The lien of each creditor of the association that was perfected against the association before termination becomes, upon termination, a lien against each unit owner's interest in the unit as of the date the lien was perfected;

(b) Any other creditor of the association must be treated, upon termination, as if the creditor had perfected a lien against each unit owner's interest immediately before termination;

(c) The amount of the lien of an association's creditor described in (a) and (b) of this subsection against each of the unit owners' interest must be proportionate to the ratio that each unit's common expense liability bears to the common expense liability of all of the units;

(d) The lien of each creditor of each unit owner that was perfected before termination continues as a lien against that unit owner's unit as of the date the lien was perfected;

(e) The assets of the association must be distributed to all unit owners and all lienholders as their interests may appear in the order described in this subsection; and

(f) Creditors of the association are not entitled to payment from any unit owner in excess of the amount of the creditor's lien against that unit owner's interest.

(8) The respective interests of unit owners referred to in subsections (4), (5), (6), and (7) of this section are as follows:

(a) Except as otherwise provided in (b) of this subsection, the respective interests of unit owners are the fair market values of their units, allocated interests, and any limited common elements immediately before the termination, as determined by one or more independent appraisers selected by the association. The decision of the independent appraisers must be distributed to the unit owners and becomes final unless disapproved within thirty days after distribution by unit owners of units to which twenty-five percent of the votes in the association are allocated. The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's
unit and its allocated interests by the total fair market values of all the units and their allocated interests.

(b) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value of the unit or limited common element before destruction cannot be made, the interests of all unit owners are:

(i) In a condominium, their respective common element interests immediately before the termination;

(ii) In a cooperative, their respective ownership interests immediately before the termination; and

(iii) In a plat community or miscellaneous community, their respective common expense liabilities immediately before the termination.

(9) In a condominium, plat community, or miscellaneous community, except as otherwise provided in subsection (10) of this section, foreclosure or enforcement of a lien or encumbrance against the entire common interest community does not terminate the common interest community, and foreclosure or enforcement of a lien or encumbrance against a portion of the common interest community, other than withdrawable real estate, does not withdraw that portion from the common interest community. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate, or against common elements that have been subjected to a security interest by the association under section 314 of this act, does not withdraw that real estate from the common interest community, but the person taking title to the real estate may require from the association, upon request, an amendment excluding the real estate from the common interest community.

(10) In a condominium, plat community, or miscellaneous community, if a lien or encumbrance against a portion of the real estate comprising the common interest community has priority over the declaration and the lien or encumbrance has not been partially released, the parties foreclosing the lien or encumbrance, upon foreclosure, may record an instrument excluding the real estate subject to that lien or encumbrance from the common interest community.

(11) The right of partition under chapter 7.52 RCW is suspended if an agreement to sell property is provided for in the termination agreement pursuant to subsection (3)(a), (b), or (c) of this section. The suspension of the right to partition continues unless a binding obligation to sell does not exist three months after the recording of the termination agreement, the binding sale agreement is terminated, or one year after the termination agreement is recorded, whichever occurs first.

NEW SECTION. Sec. 220. RIGHTS OF SECURED LENDERS. (1) The declaration may require that all or a specified number or percentage of the lenders who hold security interests encumbering the units or who have extended credit to the association approve specified actions of the unit owners or the association as a condition to the effectiveness of those actions, but no requirement for approval may operate to:

(a) Deny or delegate control over the general administrative affairs of the association by the unit owners or the board;

(b) Prevent the association or the board from commencing, intervening in, or settling any litigation or proceeding; or

(c) Prevent any insurance trustee or the association from receiving and distributing any insurance proceeds except pursuant to section 315 of this act.

(2) With respect to any action requiring the consent of a specified number or percentage of mortgagees, the consent of only eligible mortgagees holding a first lien security interest need be obtained and the percentage must be based upon the votes attributable to units with respect to which eligible mortgagees have an interest.

(3) A lender who has extended credit to an association secured by an assignment of income or an encumbrance on the common elements may enforce its security agreement in accordance with its terms, subject to the requirements of this chapter and other law. A requirement that the association must deposit its periodic common charges before default with the lender to which the association's income has been assigned, or increase its common charges at the lender's direction by amounts reasonably necessary to amortize the loan in accordance with its terms, does not violate the prohibitions on lender approval contained in subsection (1) of this section.

NEW SECTION. Sec. 221. MASTER ASSOCIATIONS. (1) If the declaration provides that any of the powers described in section 302 of this act are to be exercised by or may be delegated to a for-profit or nonprofit corporation or limited liability company that exercises those or other powers on behalf of one or more common interest communities or for the benefit of the unit owners of one or more common interest communities, all provisions of this chapter applicable to unit owners associations apply to any such corporation or limited liability company, except as modified by this section.

(2) Unless it is acting in the capacity of an association described in section 301 of this act, a master association may exercise the powers set forth in section 302(1)(b) of this act only to the extent expressly permitted in the declarations of common interest communities that are part of the master association or expressly described in the delegations of power from those common interest communities to the master association.

(3) If the declaration of any common interest community provides that the board may delegate certain powers to a master association, the board is not liable for the acts or omissions of the master association with respect to those powers following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners' association set forth in sections 303, 310, 311, 312, 314, and 322 of this act apply in the conduct of the affairs of a master association only to persons who elect the board of a master association, whether or not those persons are otherwise unit owners within the meaning of this chapter.

(5) If a master association is also an association described in section 301 of this act, the organizational documents of the master association and the declaration of each common interest community, the powers of which are assigned by the declaration or delegated to the master association, may provide that the board of the master association must be elected after the period of declarant control in any of the following ways:

(a) All unit owners of all common interest communities subject to the master association may elect all members of the master association's board;

(b) All board members of all common interest communities subject to the master association may elect all members of the master association's board;

(c) All unit owners of each common interest community subject to the master association may elect specified members of the master association's board; or

(d) All board members of each common interest community subject to the master association may elect specified members of the master association's board.

NEW SECTION. Sec. 222. DELEGATION OF POWER TO SUBASSOCIATIONS. (1)(a) If the declaration provides that any of the powers described in section 302 of this act are to be exercised by or may be delegated to a for-profit corporation or limited liability company that exercises those or other powers on behalf of unit owners owning less than all of the units in a
common interest community, and if those unit owners share the exclusive use of one or more limited common elements within the common interest community or share some property or other interest in the common interest community in common that is not shared by the remainder of the unit owners in the common interest community, all provisions of this chapter applicable to unit owners associations apply to any such corporation or limited liability company, except as modified under this section.

(b) The delegation of powers to a subassociation must not be used to discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) A subassociation may exercise the powers set forth in section 302 of this act only to the extent expressly permitted by the declaration of the common interest community of which the units in the subassociation are a part of or expressly described in the delegations of power from that common interest community to the subassociation.

(3) If the declaration of any common interest community contains a delegation of certain powers to a subassociation, or provides that the board of the common interest community may make such a delegation, the board members are not liable for the acts or omissions of the subassociation with respect to those powers so exercised by the subassociation following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners association set forth in sections 301 through 321 of this act apply to the conduct of the affairs of a subassociation.

(5) Notwithstanding section 304(4) of this act, the board of the subassociation must be elected after any period of declarant control by the unit owners of all of the units in the common interest community subject to the subassociation.

(6) The declaration of the common interest community creating the subassociation may provide that the authority of the board of the subassociation is exclusive with regard to the powers and responsibilities delegated to it. In the alternative, the declaration may provide as to some or all such powers that the authority of the board of a subassociation is concurrent with and subject to the authority of the board of the unit owners association, in which case the declaration must also contain standards and procedures for the review of the decisions of the board of the subassociation and procedures for resolving any dispute between the board of the unit owners association and the board of the subassociation.

NEW SECTION. Sec. 223. MERGER OR CONSOLIDATION OF COMMON INTEREST COMMUNITIES. (1) Any two or more common interest communities of the same form of ownership, by agreement of the unit owners as provided in subsection (2) of this section, may be merged or consolidated into a single common interest community. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant common interest community is the legal successor, for all purposes, of all of the preexisting common interest communities, and the operations and activities of all associations of the preexisting common interest communities are merged or consolidated into a single association that holds all powers, rights, obligations, assets, and liabilities of all preexisting associations.

(2) An agreement of two or more common interest communities to merge or consolidate pursuant to subsection (1) of this section must be evidenced by an agreement prepared, executed, recorded, and certified by the president of the association of each of the preexisting common interest communities following approval by unit owners of units to which are allocated the percentage of votes in each common interest community required to terminate that common interest community. The agreement must be recorded in every county in which a portion of the common interest community is located and is not effective until recorded.

(3) Every merger or consolidation agreement, and every amendment providing for a merger or consolidation made by a declarant when exercising a special declarant right, must identify the declaration that will apply to the resultant common interest community and provide for the reallocation of allocated interests among the units of the resultant common interest community either (a) by stating the reallocations or the formulas upon which they are based or (b) by stating the percentage of overall allocated interests of the resultant common interest community that are allocated to all of the units comprising each of the preexisting common interest communities, and providing that the portion of the percentages allocated to each unit formerly comprising a part of the preexisting common interest community is equal to the percentages of allocated interests allocated to that unit by the declaration of the preexisting common interest community.

NEW SECTION. Sec. 224. ADDITION OF UNSPECIFIED REAL ESTATE. In a plat community or miscellaneous community, if the right is originally reserved in the declaration, the declarant, in addition to any other development right, may amend the declaration at any time during as many years as are specified in the declaration for adding additional real estate to the plat community or miscellaneous community without describing the location of that real estate in the original declaration. The amount of real estate added to the plat community or miscellaneous community pursuant to this section may not exceed ten percent of the real estate described in section 206(1)(b) of this act together with any real estate that is described in the declaration for addition to the plat community or miscellaneous community, and the declarant may not increase the number of units in the plat community or miscellaneous community beyond the number stated in the original declaration pursuant to section 206(1)(c) of this act.

NEW SECTION. Sec. 225. LARGE SCALE COMMUNITIES. (1) The declaration for a common interest community may state that it is a large scale community if the declarant has reserved the development right to create at least five hundred units that may be used for residential purposes and, at the time of the reservation, that declarant owns or controls more than five hundred acres on which the units may be built.

(2) If the requirements of subsection (1) of this section are satisfied, the declaration for the large scale community need not state a maximum number of units and need not contain any of the information required under section 206(1)(c) through (n) of this act until the declaration is amended under subsection (3) of this section.

(3) When each unit in a large scale community is conveyed to a purchaser, the declaration must contain:

(a) A sufficient legal description of the unit and all portions of the large scale community in which any other units have been conveyed to a purchaser; and

(b) All the information required under section 206(1)(c) through (n) of this act with respect to that real estate.

(4) The only real estate in a large scale community subject to this chapter are units that have been made subject to the declaration or that are being offered for sale and any other real estate described pursuant to subsection (3) of this section. Other real estate that is or may become part of the large scale community is only subject to other law and to any other restrictions and limitations that appear of record.

(5) If the public offering statement conspicuously identifies the fact that the community is a large scale community, the disclosure requirements contained in sections 401 through 420 of this act
apply only to units that have been made subject to the declaration or are being offered for sale in connection with the public offering statement and to any other real estate described pursuant to subsection (3) of this section.

(6) Limitations in this chapter on the addition of unspecified real estate do not apply to a large scale community.

(7) The period of declarant control of the association for a large scale community terminates in accordance with any conditions specified in the declaration or otherwise at the time the declarant, in a recorded instrument and after giving notice in a record to the board of the association, voluntarily surrenders all rights to control the activities of the association.

NEW SECTION. Sec. 301. ORGANIZATION OF UNIT OWNERS ASSOCIATION. (1) A unit owners association must be organized no later than the date the first unit in the common interest community is conveyed to a purchaser.

(2) The membership of the association at all times consists exclusively of all unit owners or, following termination of the common interest community, of all former unit owners entitled to distributions of proceeds under section 219 of this act or their heirs, successors, or assigns.

(3) The association must have a board and be organized as a for-profit or nonprofit corporation or limited liability company.

(4) In case of any conflict between Title 23B RCW or chapter 23.86, 24.03, 24.06, or 25.15 RCW and this chapter, this chapter controls.

NEW SECTION. Sec. 302. POWERS AND DUTIES OF UNIT OWNERS ASSOCIATION. (1) An association must:
(a) Adopt organizational documents;
(b) Adopt budgets as provided in section 326 of this act;
(c) Impose assessments for common expenses and specially allocated expenses on the unit owners as provided in sections 117(1) and 326 of this act;
(d) Prepare financial statements as provided in section 327 of this act; and
(e) Deposit and maintain the funds of the association in accounts as provided in section 327 of this act.

(2) Except as provided otherwise in subsection (4) of this section and subject to the provisions of the declaration, the association may:
(a) Amend organizational documents and adopt and amend rules;
(b) Amend budgets under section 326 of this act;
(c) Hire and discharge managing agents and other employees, agents, and independent contractors;
(d) Institute, defend, or intervene in litigation or in arbitration, mediation, or administrative proceedings or any other legal proceeding in its own name on behalf of itself or two or more unit owners on matters affecting the common interest community;
(e) Make contracts and incur liabilities subject to subsection (4) of this section;
(f) Regulate the use, maintenance, repair, replacement, and modification of common elements;
(g) Cause additional improvements to be made as a part of the common elements;
(h) Acquire, hold, encumber, and convey in its own name any right, title, or interest to real estate or personal property, but:
(i) Common elements in a condominium, plat community, or miscellaneous community may be conveyed or subjected to a security interest pursuant to section 314 of this act only and
(ii) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest pursuant to section 314 of this act only;
(i) Grant easements, leases, licenses, and concessions through or over the common elements and petition for or consent to the vacation of streets and alleys;
(j) Impose and collect any reasonable payments, fees, or charges for:
(i) The use, rental, or operation of the common elements, other than limited common elements described in section 203 (1)(b) and (3) of this act;
(ii) Services provided to unit owners; and
(iii) Moving in, moving out, or transferring title to units to the extent provided for in the declaration;
(k) Collect assessments and impose and collect reasonable charges for late payment of assessments;
(l) Enforce the governing documents and, after notice and opportunity to be heard, impose and collect reasonable fines for violations of the governing documents in accordance with a previously established schedule of fines adopted by the board of directors and furnished to the owners;
(m) Impose and collect reasonable charges for the preparation and recordation of amendments to the declaration, resale certificates required under section 409 of this act, lender questionnaires, or statements of unpaid assessments;
(n) Provide for the indemnification of its officers and board members, to the extent provided in RCW 23B.17.030;
(o) Maintain directors' and officers' liability insurance;
(p) Subject to subsection (4) of this section, assign its right to future income, including the right to receive assessments;
(q) Join in a petition for the establishment of a parking and business improvement area, participate in the ratepayers' board or other advisory body set up by the legislative authority for operation of a parking and business improvement area, and pay special assessments levied by the legislative authority on a parking and business improvement area encompassing the condominium property for activities and projects that benefit the condominium directly or indirectly;
(r) Establish and administer a reserve account as described in section 328 of this act;
(s) Prepare a reserve study as described in section 330 of this act;
(t) Exercise any other powers conferred by the declaration or organizational documents;
(u) Exercise all other powers that may be exercised in this state by the same type of entity as the association;

(v) Exercise any other powers necessary and proper for the governance and operation of the association;

(w) Require that disputes between the association and unit owners or between two or more unit owners regarding the common interest community, other than those governed by chapter 64.50 RCW, be submitted to nonbinding alternative dispute resolution as a prerequisite to commencement of a judicial proceeding; and

(x) Suspend any right or privilege of a unit owner who fails to pay an assessment, but may not:
   (i) Deny a unit owner or other occupant access to the owner's unit;
   (ii) Suspend a unit owner's right to vote; or
   (iii) Withhold services provided to a unit or a unit owner by the association if the effect of withholding the service would be to endanger the health, safety or property of any person.

(3) The declaration may not limit the power of the association beyond the limit authorized in subsection (2)(w) of this section to:

(a) Deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons; or

(b) Institute litigation or an arbitration, mediation, or administrative proceeding against any person, subject to the following:
   (i) The association must comply with chapter 64.50 RCW, if applicable, before instituting any proceeding described in chapter 64.50 RCW in connection with construction defects; and
   (ii) The board must promptly provide notice to the unit owners of any legal proceeding in which the association is a party other than proceedings involving enforcement of rules or to recover unpaid assessments or other sums due the association.

(4) Any borrowing by an association that is to be secured by an assignment of the association's right to receive future income pursuant to subsection (2)(e) and (p) of this section requires ratification by the unit owners as provided in this subsection.

(a) The board must provide notice of the intent to borrow to all unit owners. The notice must include the purpose and maximum amount of the loan, the estimated amount and term of any assessments required to repay the loan, a reasonably detailed projection of how the money will be expended, and the interest rate and term of the loan.

(b) In the notice, the board must set a date for a meeting of the unit owners, which must not be less than fourteen and no more than sixty days after mailing of the notice, to consider ratification of the borrowing.

(c) Unless at that meeting, whether or not a quorum is present, unit owners holding a majority of the votes in the association or any larger percentage specified in the declaration reject the proposal to borrow funds, the association may proceed to borrow the funds in substantial accordance with the terms contained in the notice.

(5) If a tenant of a unit owner violates the governing documents, in addition to exercising any of its powers against the unit owner, the association may:

(a) Exercise directly against the tenant the powers described in subsection (2)(f) of this section;

(b) After giving notice to the tenant and the unit owner and an opportunity to be heard, levy reasonable fines against the tenant and unit owner for the violation; and

(c) Enforce any other rights against the tenant for the violation that the unit owner as the landlord could lawfully have exercised under the lease or that the association could lawfully have exercised directly against the unit owner, or both; but the association does not have the right to terminate a lease or evict a tenant unless permitted by the declaration. The rights referred to in this subsection (5)(c) may be exercised only if the tenant or unit owner fails to cure the violation within ten days after the association notifies the tenant and unit owner of that violation.

(6) Unless a lease otherwise provides, this section does not:

(a) Affect rights that the unit owner has to enforce the lease or that the association has under other law; or

(b) Permit the association to enforce a lease to which it is not a party in the absence of a violation of the governing documents.

(7) The board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commencing an action for a violation of the governing documents, including whether to compromise any claim for unpaid assessments or other claim made by or against it.

(8) The board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction, or rule being enforced is, or is likely to be construed as, inconsistent with law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or

(d) It is not in the association's best interests to pursue an enforcement action.

(9) The board's decision under subsections (7) and (8) of this section to not pursue enforcement under one set of circumstances does not prevent the board from taking enforcement action under another set of circumstances, but the board may not be arbitrary or capricious in taking enforcement action.

NEW SECTION. Sec. 303. BOARD MEMBERS, OFFICERS, AND COMMITTEES. (1)(a) Except as provided otherwise in the governing documents, subsection (4) of this section, or other provisions of this chapter, the board may act on behalf of the association.

(b) In the performance of their duties, officers and board members must exercise the degree of care and loyalty to the association required of an officer or director of a corporation organized, and are subject to the conflict of interest rules governing directors and officers, under chapter 24.06 RCW. The standards of care and loyalty described in this section apply regardless of the form in which the association is organized.

(2)(a) Except as provided otherwise in section 221(5) of this act, effective as of the transition meeting held in accordance with section 304(4) of this act, the board must be comprised of at least three members, at least a majority of whom must be unit owners. However, the number of board members need not exceed the number of units then in the common interest community.

(b) Unless the declaration or organizational documents provide for the election of officers by the unit owners, the board must elect the officers.

(c) Unless provided otherwise in the declaration or organizational documents, board members and officers must take office upon adjournment of the meeting at which they were elected or appointed or, if not elected or appointed at a meeting, at the time of such election or appointment, and must serve until their successor takes office.

(d) In determining the qualifications of any officer or board member of the association, "unit owner" includes, unless the declaration or organizational documents provide otherwise, any board member, officer, member, partner, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner.
(e) Any officer or board member of the association who would not be eligible to serve as such if he or she were not a board member, officer, partner in, or trustee of such a person is disqualified from continuing in office if he or she ceases to have any such affiliation with that person or that person would have been disqualified from continuing in such office as a natural person.

(3) Except when voting as a unit owner, the declarant may not appoint or elect any person or to serve itself as a voting, ex officio or nonvoting board member following the transition meeting.

(4) The board may not, without vote or agreement of the unit owners:
   (a) Amend the declaration, except as provided in section 218 of this act;
   (b) Amend the organizational documents of the association;
   (c) Terminate the common interest community;
   (d) Elect members of the board, but may fill vacancies in its membership not resulting from removal for the unexpired portion of any term or, if earlier, until the next regularly scheduled election of board members; or
   (e) Determine the qualifications, powers, duties, or terms of office of board members.

(5) The board must adopt budgets as provided in section 326 of this act.

(6) Except for committees appointed by the declarant pursuant to special declarant rights, all committees of the association must be appointed by the board. Committees authorized to exercise any power reserved to the board must include at least two board members who have exclusive voting power for that committee. Committees that are not so composed may not exercise the authority of the board and are advisory only.

NEW SECTION. Sec. 304. PERIOD OF DECLARANT CONTROL—TRANSITION. (1)(a) Subject to subsection (3) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may:
   (i) Appoint and remove the officers and board members; or
   (ii) Veto or approve a proposed action of the board or association.

   (b) A declarant may voluntarily surrender the right to appoint and remove officers and board members before the period ends. In that event, the declarant may require that during the remainder of the period, specified actions of the association or board, as described in a recorded amendment to the declaration executed by the declarant, be approved by the declarant before they become effective. A declarant's failure to veto or approve such proposed action in writing within thirty days after receipt of written notice of the proposed action is deemed approval by the declarant.

   (2) Regardless of the period provided in the declaration, and except as provided in section 225(7) of this act, a period of declarant control terminates no later than the earliest of:
      (a) Sixty days after conveyance of seventy-five percent of the units that may be created to unit owners other than a declarant;
      (b) Two years after the last conveyance of a unit, except to a dealer;

   (c) Two years after any right to add new units was last exercised; or

   (d) The day the declarant, after giving notice in a record to unit owners, records an amendment to the declaration voluntarily surrendering all rights to appoint and remove officers and board members.

(3) Not later than sixty days after conveyance of twenty-five percent of the units that may be created to unit owners other than a declarant, at least one member and not less than twenty-five percent of the members of the board must be elected by unit owners other than the declarant. Not later than sixty days after conveyance of fifty percent of the units that may be created to unit owners other than a declarant, not less than thirty-three and one-third percent of the members of the board must be elected by unit owners other than the declarant. Until such members are elected and take office, the existing board may continue to act on behalf of the association.

(4) Within thirty days after the termination of any period of declarant control or, in the absence of such period, not later than a date that is sixty days after the conveyance of seventy-five percent of the units that may be created to unit owners other than a declarant, the board must schedule a transition meeting and provide notice to the unit owners in accordance with section 310(1)(c) of this act. At the transition meeting, the board elected by the unit owners must be elected in accordance with section 303(2) of this act.

NEW SECTION. Sec. 305. TRANSFER OF ASSOCIATION PROPERTY. (1) No later than thirty days following the date of the transition meeting held pursuant to section 304(4) of this act, the declarant must deliver or cause to be delivered to the board elected at the transition meeting all property of the unit owners and association as required by the declaration or this chapter including, but not limited to:

   (a) The original or a copy of the recorded declaration and each amendment to the declaration;

   (b) The organizational documents of the association;

   (c) The minute books, including all minutes, and other books and records of the association;

   (d) Current rules and regulations that have been adopted;

   (e) Resignations of officers and members of the board who are required to resign because the declarant is required to relinquish control of the association;

   (f) The financial records, including canceled checks, bank statements, and financial statements of the association, and source documents from the time of formation of the association through the date of transfer of control to the unit owners;

   (g) Association funds or the control of the funds of the association;

   (h) Originals or copies of any recorded instruments of conveyance for any common elements included within the common interest community but not appurtenant to the units;

   (i) All tangible personal property of the association;

   (j) Except for alterations to a unit done by a unit owner other than the declarant, a copy of the most recent plans and specifications used in the construction or remodeling of the common interest community, except for buildings containing fewer than three units;

   (k) Originals or copies of insurance policies for the common interest community and association;

   (l) Originals or copies of any certificates of occupancy that may have been issued for the common interest community;

   (m) Originals or copies of any other permits obtained by or on behalf of the declarant and issued by governmental bodies applicable to the common interest community;

   (n) Originals or copies of all written warranties that are still in effect for the common elements, or any other areas or facilities that the association has the responsibility to maintain and repair, from the contractor, subcontractors, suppliers, and manufacturers and all owners' manuals or instructions furnished to the declarant with respect to installed equipment or building systems;

   (o) A roster of unit owners and eligible mortgagees and their addresses and telephone numbers, if known, as shown on the declarant's records and the date of closing of the first sale of each unit sold by the declarant;
(p) Originals or copies of any leases of the common elements and other leases to which the association is a party;

(q) Originals or photocopies of any employment contracts or service contracts in which the association is one of the contracting parties or service contracts in which the association or the unit owners have an obligation or a responsibility, directly or indirectly, to pay some or all of the fee or charge of the person performing the service;

(r) Originals or copies of any qualified warranty issued to the association as provided for in RCW 64.35.505; and

(s) Originals or copies of all other contracts to which the association is a party.

(2) Within sixty days of the transition meeting, the board must retain the services of a certified public accountant to audit the records of the association as the date of the transition meeting in accordance with generally accepted auditing standards unless the unit owners, other than the declarant, to which a majority of the votes are allocated elect to waive the audit. The cost of the audit must be a common expense unless otherwise provided in the declaration. The accountant performing the audit must examine supporting documents and records, including the cash disbursements and related paid invoices, to determine if expenditures were for association purposes and the billings, cash receipts, and related records to determine if the declarant was charged for and paid the proper amount of assessments.

(3) A declaration may provide for the appointment of specified positions on the board by persons other than the declarant or an affiliate of the declarant during or after the period of declarant control. It also may provide a method for filling vacancies in those positions, other than by election by the unit owners. However, after the period of declarant control, appointed members:

(a) May not comprise more than one-third of the board; and

(b) Have no greater authority than any other board member.

NEW SECTION.  Sec. 306. TRANSFER OF SPECIAL DECLARANT RIGHTS.  (1) Except as provided in subsection (3) of this section, a special declarant right created or reserved under this chapter may be transferred only by an instrument effecting the transfer and executed by the transferor, to be recorded in every county in which any portion of the common interest community is located. The transferee must provide the association with a copy of the recorded instrument, but the failure to furnish the copy does not invalidate the transfer.

(2) Upon transfer of any special declarant right, the liability of a transferor declarant is as follows:

(a) A transferor is not relieved of any obligation or liability arising before the transfer and remains liable for such warranty obligations arising before the transfer imposed upon the transferor under this chapter. Lack of privity does not deprive any unit owner of standing to maintain an action to enforce any obligation of the transferor.

(b) If a successor to any special declarant right is an affiliate of a declarant the transferor is jointly and severally liable with the successor for any obligations or liabilities of the successor relating to the common interest community.

(c) If a successor retains any special declarant rights, but transfers other special declarant rights to a successor who is not an affiliate of the declarant, the transferor is liable for any obligations or liabilities imposed on a declarant under this chapter or by the declaration relating to the retained special declarant rights, whether arising before or after the transfer.

(d) A transferor is not liable for any act or omission or any breach of a contractual or warranty obligation by a successor declarant who is not an affiliate of the transferor.

(e) Upon foreclosure of a security interest, sale by a trustee under an agreement creating a security interest, tax sale, judicial sale, or sale under bankruptcy code or receivership proceedings of any unit owned by a declarant or real property in a common interest community that is subject to any special declarant rights, a person acquiring title to the real property being foreclosed or sold succeeds to all of the special declarant rights related to that real property held by that declarant and to any rights reserved in the declaration pursuant to section 216 of this act and held by that declarant to maintain models, sales offices, and signs except to the extent the judgment or instrument effecting the transfer states otherwise.

(2) The association may terminate without penalty, at any time after the board elected by the unit owners pursuant to section 304(4) of this act takes office upon not less than ninety days' notice to the other party, any of the following if it was entered into before the board was elected:

(a) Any management, maintenance, operations, or employment contract, or lease of recreational or parking areas or facilities; or

(b) Any other contract or lease between the association and a declarant or an affiliate of a declarant.

(3) This section does not apply to:

(a) Any lease the termination of which would terminate the common interest community or reduce its size, unless the real estate subject to that lease was included in the common interest

NEW SECTION.  Sec. 307. TERMINATION OF CONTRACTS AND LEASES.  (1) Within two years after the transition meeting, the association may terminate without penalty, upon not less than ninety days' notice to the other party, any of the following if it was entered into before the board was elected:

(a) Any management, maintenance, operations, or employment contract, or lease of recreational or parking areas or facilities; or

(b) Any other contract or lease between the association and a declarant or an affiliate of a declarant.

(2) The association may terminate without penalty, at any time after the board elected by the unit owners pursuant to section 304(4) of this act takes office upon not less than ninety days' notice to the other party, any contract or lease that is not bona fide or was unconscionable to the unit owners at the time entered into.

(3) This section does not apply to:

(a) Any lease the termination of which would terminate the common interest community or reduce its size, unless the real estate subject to that lease was included in the common interest
community for the purpose of avoiding the right of the association to terminate a lease under this section; or
(b) A proprietary lease.

NEW SECTION. Sec. 308. ORGANIZATIONAL DOCUMENTS. (1) Unless provided for in the declaration, the organizational documents of the association must:
(a) Provide the number of board members and the titles of the officers of the association;
(b) Provide for election by the board or, if the declaration requires, by the unit owners of a president, treasurer, secretary, and any other officers of the association the organizational documents specify;
(c) Specify the qualifications, powers and duties, terms of office, and manner of electing and removing board members and officers and filling vacancies in accordance with section 303 of this act;
(d) Specify the powers the board or officers may delegate to other persons or to a managing agent;
(e) Specify a method for the unit owners to amend the organizational documents;
(f) Describe the budget ratification process required under section 326 of this act, if not provided in the declaration;
(g) Contain any provision necessary to satisfy requirements in this chapter or the declaration concerning meetings, voting, quorums, and other activities of the association; and
(h) Provide for any matter required by law of this state other than this chapter to appear in the organizational documents of organizations of the same type as the association.

(2) Subject to the declaration and this chapter, the organizational documents may provide for any other necessary or appropriate matters.

NEW SECTION. Sec. 309. UPKEEP OF COMMON INTEREST COMMUNITY. (1) Except to the extent provided by the declaration, subsections (2) and (4) of this section, or section 315(8) of this act, the association must maintain, repair, and replace the common elements, including limited common elements, and each unit owner must maintain, repair, and replace that owner's unit.

(2) The board may by rule designate physical components of the property for which a unit owner is otherwise responsible that present a heightened risk of damage or harm to persons or property if the physical components fail. The association may require that specific measures be taken by the unit owner or the association to diminish that risk of harm. If a unit owner fails to accomplish any necessary maintenance, repair, or replacement to those components, or fails to take any other measures required of the unit owner under this subsection, the association may, after notice to a unit owner and an opportunity to be heard, enter the unit in the manner pursuant to subsection (3) of this section to perform such maintenance, repair, replacement, or measure at the expense of that unit owner.

(3) Upon prior notice, except in case of an emergency, each unit owner must afford to the association and the other unit owners, and to their agents or employees, access through that owner's unit and limited common elements reasonably necessary for the purposes stated in subsections (1) and (2) of this section, including necessary inspections by the association. If damage is inflicted on the common elements or on any unit through which access is taken, the unit owner responsible for the damage, or the association if it is responsible, is liable for the prompt repair of the damage.

(4) In addition to the liability that a declarant as a unit owner has under this chapter, the declarant alone is liable for all expenses in connection with real estate subject to development rights and no other unit owner and no other portion of the common interest community is subject to a claim for payment of those expenses. However, the declaration may provide that the expenses associated with the operation, maintenance, repair, and replacement of a common element that the owners have a right to use must be paid by the association as a common expense. Unless the declaration provides otherwise, any income or proceeds from real estate subject to development rights inures to the declarant.

(5) In a plat community or miscellaneous community, if all development rights have expired with respect to any real estate, the declarant remains liable for all expenses of that real estate unless, upon expiration, the declaration provides that the real estate becomes common elements or units.

NEW SECTION. Sec. 310. MEETINGS. (1) The following requirements apply to unit owner meetings:
(a) A meeting of the association must be held at least once each year. Failure to hold an annual meeting does not cause a forfeiture or give cause for dissolution of the association and does not affect otherwise valid association acts.
(b)(i) An association must hold a special meeting of unit owners to address any matter affecting the common interest community or the association if its president, a majority of the board, or unit owners having at least twenty percent, or any lower percentage specified in the organizational documents, of the votes in the association request that the secretary call the meeting.
(ii) If the association does not provide notice to unit owners of a special meeting within thirty days after the requisite number or percentage of unit owners request the secretary to do so, the requesting members may directly provide notice to all the unit owners of the meeting. Only matters described in the meeting notice required in (c) of this subsection may be considered at a special meeting.
(c) An association must provide notice to unit owners of the time, date, and place of each annual and special unit owners meeting not less than fourteen days and not more than fifty days before the meeting date. Notice may be by any means described in section 324 of this act. The notice of any meeting must state the time, date, and place of the meeting and the items on the agenda, including:
(i) The text of any proposed amendment to the declaration or organizational documents;
(ii) Any changes in the previously approved budget that result in a change in the assessment obligations; and
(iii) Any proposal to remove a board member or officer.
(d) The minimum time to provide notice required in (c) of this subsection may be reduced or waived for a meeting called to deal with an emergency.

(e) Unit owners must be given a reasonable opportunity at any meeting to comment regarding any matter affecting the common interest community or the association.

(f) The declaration or organizational documents may allow for meetings of unit owners to be conducted by telephonic, video, or other conferencing process, if the process is consistent with subsection (2)(i) of this section.

(2) The following requirements apply to meetings of the board and committees authorized to act for the board:
(a) Meetings must be open to the unit owners except during executive sessions, but the board may expel or prohibit attendance by any person who, after warning by the chair of the meeting, disrupts the meeting. The board and those committees may hold an executive session only during a regular or special meeting of the board or a committee. A final vote or action may not be taken during an executive session.
(b) An executive session may be held only to:
(i) Consult with the association's attorney concerning legal matters;
(ii) Discuss existing or potential litigation or mediation, arbitration, or administrative proceedings;
(iii) Discuss labor or personnel matters;
(iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the association at a disadvantage; or
(v) Prevent public knowledge of the matter to be discussed if the board or committee determines that public knowledge would violate the privacy of any person.

(c) For purposes of this subsection, a gathering of members of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(f) Unless the meeting is included in a schedule given to the unit owners or the meeting is called to deal with an emergency, the secretary or other officer specified in the organizational documents must provide notice of each board meeting to each board member and to the unit owners. The notice must be given at least fourteen days before the meeting and must state the time, date, place, and agenda of the meeting.

(g) If any materials are distributed to the board before the meeting, the board must make copies of those materials reasonably available to those unit owners, except that the board need not make available copies of unapproved minutes or materials that are to be considered in executive session.

(h) Unless the organizational documents provide otherwise, fewer than all board members may participate in a regular or special meeting by or conduct a meeting through the use of any means of communication by which all board members participating can hear each other during the meeting. A board member participating in a meeting by these means is deemed to be present in person at the meeting.

(i) Unless the organizational documents provide otherwise, the board may meet by participation of all board members by telephonic, video, or other conferencing process if:

(i) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and

(ii) The process provides all unit owners the opportunity to hear or perceive the discussion and to comment as provided in (e) of this subsection.

(j) After the transition meeting, unit owners may amend the organizational documents to vary the procedures for meetings described in (i) of this subsection.

(k) Instead of meeting, the board may act by unanimous consent as documented in a record by all its members. Actions taken by unanimous consent must be kept as a record of the association with the meeting minutes. After the transition meeting, the board may act by unanimous consent only to undertake ministerial actions, actions subject to ratification by the unit owners, or to implement actions previously taken at a meeting of the board.

(l) A board member who is present at a board meeting at which any action is taken is presumed to have assented to the action taken unless the board member's dissent or abstention to such action is lodged with the person acting as the secretary of the meeting before adjournment of the meeting or provided in a record to the secretary of the association immediately after adjournment of the meeting. The right to dissent or abstain does not apply to a board member who voted in favor of such action at the meeting.

(m) A board member may not vote by proxy or absentee ballot.

(n) Even if an action by the board is not in compliance with this section, it is valid unless set aside by a court. A challenge to the validity of an action of the board for failure to comply with this section may not be brought more than ninety days after the minutes of the board of the meeting at which the action was taken are approved or the record of that action is distributed to unit owners, whichever is later.

(3) Minutes of all unit owner meetings and board meetings, excluding executive sessions, must be maintained in a record. The decision on each matter voted upon at a board meeting or unit owner meeting must be recorded in the minutes.

NEW SECTION.  Sec. 311. QUORUM.  (1) Unless the organizational documents provide otherwise, a quorum of the unit owners is present throughout any meeting of the unit owners if persons entitled to cast twenty percent of the votes in the association:

(a) Are present in person or by proxy at the beginning of the meeting;

(b) Have voted by absentee ballot; or

(c) Are present by any combination of (a) and (b) of this subsection.

(2) Unless the organizational documents specify a larger number, a quorum of the board is present for purposes of determining the validity of any action taken at a meeting of the board only if individuals entitled to cast a majority of the votes on that board are present at the time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the board members present is the act of the board unless a greater vote is required by the organizational documents.

NEW SECTION.  Sec. 312. UNIT OWNER VOTING.  (1) Unit owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, unit owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of unit owners the following requirements apply:

(a) Unit owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of unit owners, as designated by the person presiding at the meeting.

(b) If only one of several unit owners of a unit is present, that unit owner is entitled to cast all the votes allocated to that unit. If more than one of the unit owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the unit owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the unit owners casts the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other unit owners of the unit.
(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, a unit owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When a unit owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to a unit may be cast pursuant to a directed or undirected proxy duly executed by a unit owner in the same manner as provided in RCW 24.06.110.

(b) If a unit is owned by more than one person, each unit owner of the unit may vote or register protest to the casting of votes by the other unit owners of the unit through a duly executed proxy.

(c) A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of a unit owner does not revoke a proxy given by the unit owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(6) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(a) The association must notify the unit owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which unit owners wishing to deliver information to all unit owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every unit owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of a unit owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to unit owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than unit owners of leased units:

(a) This section applies to lessees as if they were unit owners;

(b) Unit owners that have leased their units to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners.

(8) Unit owners must also be given notice, in the manner provided in section 324 of this act, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the unit owners, votes allocated to a unit owned by the association must be cast in the same proportion as the votes cast on the matter by unit owners other than the association.

NEW SECTION. Sec. 313. TORT AND CONTRACT LIABILITY—TOLLING OF LIMITATION PERIOD. (1) A unit owner is not liable, solely by reason of being a unit owner, for an injury or damage arising out of the condition or use of the common elements. Neither the association nor any unit owner except the declarant is liable for that declarant's torts in connection with any part of the common interest community which that declarant must maintain.

(2)(a) An action alleging a wrong done by the association, including an action arising out of the condition or use of the common elements, may be maintained only against the association and not against any unit owner.

(b) If the wrong occurred during any period of declarant control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit owner for (i) all tort losses not covered by insurance suffered by the association or that unit owner and (ii) all costs that the association would not have incurred but for a breach of contract or other wrongful act or omission by the association.

(c) If a declarant is liable to an association under this section, the declarant is also liable for all expenses of litigation, including reasonable attorneys' fees and costs, incurred by the association.

(3)(a) Except as provided in section 417 of this act with respect to warranty claims, any statute of limitation affecting the association's right of action against a declarant under this chapter is tolled until any period of declarant control terminates.

(b) A unit owner is not precluded from maintaining an action contemplated under this section because that person is a unit owner, board member, or officer of the association. Liens resulting from judgments against the association are governed under section 319 of this act.
NEW SECTION. Sec. 314. CONVEYANCE OR ENCUMBRANCE OF COMMON ELEMENTS. (1)(a) In a common interest community other than a cooperative, portions of the common elements may be conveyed or subject to a security interest by the association if unit owners entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by a declarant, or any larger percentage the declaration specifies, agree to such action; but all unit owners of units to which any limited common element is allocated must agree to convey that limited common element or subject it to a security interest. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

(b) Proceeds of the sale or a loan are an asset of the association, but the proceeds of the sale of limited common elements must be distributed equitably among the unit owners of units to which the limited common elements were allocated. This subsection (1) does not apply to the incorporation of common elements into units as a result of relocating unit boundaries pursuant to section 213 of this act, to subdividing or combining units pursuant to section 214 of this act, or to eminent domain proceedings pursuant to section 106 of this act.

(2)(a) Part of a cooperative may be conveyed and all or part of a cooperative may be subject to a security interest by the association if unit owners entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by a declarant, or any larger percentage the declaration specifies, agree to such action; but, if fewer than all of the units or limited common elements are to be conveyed or subject to a security interest, all unit owners of those units, or the units to which those limited common elements are allocated, must agree to convey those units or limited common elements or subject them to a security interest. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

(b) Proceeds of the sale or a loan are an asset of the association. Any purported conveyance or other voluntary transfer of an entire cooperative, unless made pursuant to section 219 of this act, is void. This subsection (2) does not apply to the incorporation of common elements into units as a result of relocating unit boundaries pursuant to section 213 of this act, to subdividing or combining units pursuant to section 214 of this act, or to eminent domain proceedings pursuant to section 106 of this act.

(3) An agreement to convey common elements in a common interest community other than a cooperative, or to subject them to a security interest, or in a cooperative, an agreement to convey any part of a cooperative or subject it to a security interest, must be evidenced by the execution of an agreement, or ratifications of an agreement, in the same manner as a deed, by the requisite number of unit owners. The agreement must specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications of the agreement must be recorded in every county in which a portion of the common interest community is situated and is effective only upon recordation.

(4) The association, on behalf of the unit owners, may contract to convey or dedicate an interest in a common interest community pursuant to subsection (1) of this section, but the contract is not enforceable against the association until approved pursuant to subsection (1), (2), or (3) of this section. Thereafter, the association has all powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.

(5) Unless made pursuant to this section, any purported conveyance, encumbrance, judicial sale, or other voluntary transfer of common elements or of any other part of a cooperative is void.

(6) A conveyance or encumbrance of common elements or of a cooperative pursuant to this section does not deprive any unit of its rights of access and support.

(7) Unless the declaration requires a higher percentage, if the consent of eligible mortgagees holding security interests on at least eighty percent of the units subject to security interests held by eligible mortgagees on the day the unit owners' agreement under subsection (3) of this section is recorded, is obtained:

(a) A conveyance of common elements pursuant to this section terminates both the undivided interests in those common elements allocated to the units and the security interests in those undivided interests held by all persons holding security interests in the units; and

(b) An encumbrance of common elements pursuant to this section has priority over all preexisting encumbrances on the undivided interests in those common elements held by all persons holding security interests in the units.

(8) The consents of eligible mortgagees, or a certificate of the secretary affirming that the requisite percentage of eligible mortgagees have consented, may be recorded at any time before the date on which the agreement under subsection (3) of this section becomes void. Such consents or certificates recorded are valid from the date they are recorded for purposes of calculating the percentage of consenting eligible mortgagees, regardless of later conveyance or encumbrances on those units. If the required percentage of eligible mortgagees consent, a conveyance or encumbrance of common elements does not affect interests having priority over the declaration or created by the association after the declaration was recorded.

(9) In a cooperative, the association may acquire, hold, encumber, or convey a proprietary lease without complying with this section.

NEW SECTION. Sec. 315. INSURANCE. (1) Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association must maintain in its own name, to the extent reasonably available and subject to reasonable deductibles:

(a) Property insurance on the common elements and, in a plat community or miscellaneous community, also on property that must become common elements, insuring against risks of direct physical loss commonly insured against, which insurance, after application of any deductibles, must be not less than eighty percent of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies;

(b) Commercial general liability insurance, including medical payments insurance, in an amount determined by the board, but not less than any amount specified in the declaration, covering all occurrences commonly insured against for bodily injury and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements and, in cooperatives, of all units;

(c) Fidelity insurance; and

(d) Other insurance required under the declaration.

(2) In the case of a building that contains units divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, the insurance maintained under subsection (1)(a) of this section, to the extent reasonably available, must include the units and, unless provided otherwise in the declaration, all improvements and betterments to the units.
(3) If the insurance described in subsections (1) and (2) of this section is not reasonably available, the association must promptly cause notice of that fact to be given to all unit owners. The association may carry any other insurance it considers appropriate to protect the association or the unit owners.

(4) Insurance policies carried pursuant to subsections (1) and (2) of this section must provide that:
   (a) Each unit owner is an insured person under the policy with respect to liability arising out of the unit owner's interest in the common elements or membership in the association;
   (b) The insurer waives its right to subrogation under the policy against any unit owner or member of the unit owner's household;
   (c) Any act or omission by a unit owner, unless acting within the unit owner's scope of authority on behalf of the association, does not void the policy and is not a condition to recovery under the policy; and
   (d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(5) Any loss covered by the property insurance policy under subsection (1)(a) and (b) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a security interest. The insurance trustee or the association must hold any insurance proceeds in trust for the association, unit owners, and lienholders as their interests may appear. Subject to subsection (8) of this section, the proceeds must be disbursed first for the repair or replacement of the damaged property, and the association, unit owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or replaced, or the common interest community is terminated.

(6) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the unit owner's own benefit.

(7) An insurer that has issued an insurance policy under this section must issue certificates or memoranda of insurance to the association and, upon a request made in a record, to any unit owner or holder of a security interest. The insurer issuing the policy may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy unless the insurer has complied with all applicable provisions of chapter 48.18 RCW pertaining to the cancellation or nonrenewal of contracts of insurance. The insurer may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy without complying with this section.

(8) Any portion of the common interest community for which insurance is required under this section that is damaged or destroyed must be repaired or replaced promptly by the association unless:
   (a) The common interest community is terminated, in which case section 219 of this act applies;
   (b) Repair or replacement would be illegal; or
   (c) Eighty percent of the unit owners, including every unit owner of a unit or assigned limited common element that will not be rebuilt, vote not to rebuild.

(9) The cost of repair or replacement not paid from insurance proceeds is a common expense. If all of the damaged or destroyed portions of the common interest community are not repaired or replaced:
   (a) The insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the common interest community; and
   (b) Except to the extent that other persons will be distributees:
      (i) The insurance proceeds attributable to units and limited common elements that are not repaired or replaced must be distributed to the unit owners of those units and the unit owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and
      (ii) The remainder of the proceeds must be distributed to all the unit owners or lienholders, as their interests may appear, as follows:
         (A) In a condominium, in proportion to the common element interests of all the units; and
         (B) In a cooperative, plat community, or miscellaneous community, in proportion to the common expense liabilities of all the units.

(10) If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under section 106 of this act, and the association promptly must prepare, execute, and record an amendment to the declaration reflecting the reallocations.

(11) The provisions of this section may be varied or waived as provided in the declaration if all units of a common interest community are restricted to nonresidential use.

NEW SECTION. Sec. 316. ACCOUNTS—RECONCILIATION. (1) The association must establish and maintain its accounts and records in a manner that will enable it to credit assessments for common expenses and specially allocated expenses, including allocations to reserves, and other income to the association, and to charge expenditures, to the account of the appropriate units in accordance with the provisions of the declaration.

(2) To assure that the unit owners are correctly assessed for the actual expenses of the association, the accounts of the association must be reconciled at least annually unless the board determines that a reconciliation would not result in a material savings to any unit owner. Unless provided otherwise in the declaration, any surplus funds of the association remaining after the payment of or provision for common expenses and any prepayment of reserves must be paid annually to the unit owners in proportion to their common expense liabilities or credited to them to reduce their future common expense assessments.

NEW SECTION. Sec. 317. ASSESSMENTS AND CAPITAL CONTRIBUTIONS. (1)(a) Assessments for common expenses and those specially allocated expenses that are subject to inclusion in a budget must be made at least annually based on a budget adopted at least annually by the association in the manner provided in section 326 of this act.

(b) Assessments for common expenses and specially allocated expenses must commence on all units that have been created upon the conveyance of the first unit in the common interest community; however, the declarant may delay commencement of assessments for some or all common expenses or specially allocated expenses, in which event the declarant must pay all of the common expenses or specially allocated expenses that have been delayed. In a common interest community in which units may be added pursuant to reserved development rights, the declarant may delay commencement of assessments for such units in the same manner.

(2) The declaration may provide that, upon closing of the first conveyance of each unit to a purchaser or first occupancy of a unit, whichever occurs first, the association may assess and collect a working capital contribution for such unit. The working capital contribution may be collected prior to the commencement...
of common assessments under subsection (1) of this section. A working capital contribution may not be used to defray expenses that are the obligation of the declarant.

(3) Except as provided otherwise in this section, all common expenses must be assessed against all the units in accordance with their common expense liabilities, subject to the right of the declarant to delay commencement of certain common expenses under subsections (1) and (2) of this section. Any past due assessment or installment of past due assessment bears interest at the rate established by the association pursuant to section 318 of this act.

(4) The declaration may provide that any of the following expenses of the association must be assessed against the units on some basis other than common expense liability. If and to the extent the declaration so provides, the association must assess:

(a) Expenses associated with the operation, maintenance, repair, or replacement of any specified limited common element against the units to which that limited common element is assigned, equally or in any other proportion that the declaration provides;

(b) Expenses specified in the declaration as benefiting fewer than all of the units or their unit owners exclusively against the units benefited in proportion to their common expense liability or in any other proportion that the declaration provides;

(c) The costs of insurance in proportion to risk; and

(d) The costs of one or more specified utilities in proportion to respective usage or upon the same basis as such utility charges are made by the utility provider.

(5) Assessments to pay a judgment against the association may be made only against the units in the common interest community at the time the judgment was entered, in proportion to their common expense liabilities.

(6) To the extent that any expense of the association is caused by willful misconduct or gross negligence of any unit owner or that unit owner's tenant, guest, invitee, or occupant, the association may assess that expense against the unit owner's unit after notice and an opportunity to be heard, even if the association maintains insurance with respect to that damage or common expense.

(7) If the declaration so provides, to the extent that any expense of the association is caused by the negligence of any unit owner or that unit owner's tenant, guest, invitee, or occupant, the association may assess that expense against the unit owner's unit after notice and an opportunity to be heard, to the extent of the association's deductible and any expenses not covered under an insurance policy issued to the association.

(8) In the event of a loss or damage to a unit that would be covered by the association's property insurance policy, excluding policies for earthquake, flood, or similar losses that have higher than standard deductibles, but that is within the deductible under that policy and if the declaration so provides, the association may assess the amount of the loss up to the deductible against that unit. This subsection does not prevent a unit owner from asserting a claim against another person for the amount assessed if that other person would be liable for the damages under general legal principles.

(9) If common expense liabilities are reallocated, assessments and any installment of assessments not yet due must be recalculated in accordance with the reallocated common expense liabilities.

NEW SECTION. Sec. 318. LIEN FOR SUMS DUE ASSOCIATION—ENFORCEMENT. (1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3)(a) A lien under this section also has priority over the security interests described in subsection (2)(b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to section 317(1) of this act, along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2)(b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a)(iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3)(a)(i) shall not exceed two thousand dollars; and

(iii) The amounts described in (a)(ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the association has given that holder not less than sixty days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;
(B) Recording date of the trust deed or mortgage;
(C) Recording information;
(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;
(E) Amount of unpaid assessment; and
(F) A statement that failure to, within sixty days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and

(iv) Upon payment of the amounts described in (a)(i) of this subsection by the holder of a security interest, the association's lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract.
(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under section 317 (6) or (7) of this act does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than this act gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitation on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagor a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within fifteen days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or section 409(1)(b) of this act.

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as a mortgagee on real estate or by power of sale under (b) of this subsection.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;
(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;
(iii) Satisfaction of the association's lien;
(iv) Satisfaction in the order of priority of any subordinate claim of record; and
(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the
unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes a sum equal to at least three months of common expense assessments; and

(b) The board approves commencement of a foreclosure action specifically against that unit.

(22) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable.

NEW SECTION. Sec. 319. OTHER LIENS. (1) In a condominium, plat community, and miscellaneous community:

(a) Except as otherwise provided in (b) of this subsection, a judgment for money against the association perfected under RCW 4.64.020 is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of the other real estate of the association and all of the units in the common interest community at the time the judgment was entered. Other property of a unit owner is not subject to the claims of creditors of the association.

(b) If the association has granted a security interest in the common elements to a creditor of the association pursuant to section 314 of this act, the holder of that security interest must exercise its right against the common elements before its judgment lien on any unit may be enforced.

(c) Whether perfected before or after the creation of the common interest community, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the common interest community, becomes effective against two or more units, the unit owner of an affected unit may pay to the lienholder the amount of the lien attributable to the unit, and the lienholder, upon receipt of payment, must promptly deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio that the unit owner's common expense liability bears to the common expense liabilities of all unit owners that are subject to the lien. After payment, the association may not assess or have a lien against that unit owner's unit for any portion of the common expenses incurred in connection with that lien.

(d) A judgment against the association must be recorded and indexed in the name of the common interest community and the association and, when so indexed, is notice of the lien against the units.

(2) In a cooperative:

(a) If the association receives notice of an impending foreclosure on all or any portion of the association's real estate, the association must promptly transmit a copy of that notice to each unit owner of a unit located within the real estate to be foreclosed. Failure of the association to transmit the notice does not affect the validity of the foreclosure.

(b) Whether a unit owner's unit is subject to the claims of the association's creditors, other property of a unit owner is not subject to those claims.

NEW SECTION. Sec. 320. ASSOCIATION RECORDS. (1) An association must retain the following:

(a) The current budget, detailed records of receipts and expenditures affecting the operation and administration of the association, and other appropriate accounting records within the last seven years;
(b) Minutes of all meetings of its unit owners and board other than executive sessions, a record of all actions taken by the unit owners or board without a meeting, and a record of all actions taken by a committee in place of the board on behalf of the association;

(c) The names of current unit owners, addresses used by the association to communicate with them, and the number of votes allocated to each unit;

(d) Its original or restated declaration, organizational documents, all amendments to the declaration and organizational documents, and all rules currently in effect;

(f) A list of the names and addresses of its current board members and officers;

(i) Copies of contracts to which it is or was a party within the last seven years;

(j) Materials relied upon by the board or any committee to approve or deny any requests for design or architectural approval for a period of seven years after the decision is made;

(k) Materials relied upon by the board or any committee concerning a decision to enforce the governing documents for a period of seven years after the decision is made;

(l) Copies of insurance policies under which the association is a named insured;

(m) Any current warranties provided to the association;

(n) Copies of all notices provided to unit owners or the association in accordance with this chapter or the governing documents; and

(o) Ballots, proxies, absentee ballots, and other records related to voting by unit owners for one year after the election, action, or vote to which they relate.

(2) Subject to subsections (3) and (4) of this section, all records required to be retained by an association must be made available for examination and copying by all unit owners, holders of mortgages on the units, and their respective authorized agents as follows, unless agreed otherwise:

(a) During reasonable business hours or at a mutually convenient time and location; and

(b) At the offices of the association or its managing agent.

(3) Records retained by an association may be withheld from inspection and copying to the extent that they concern:

(a) Personnel and medical records relating to specific individuals;

(b) Contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated;

(c) Existing or potential litigation or mediation, arbitration, or administrative proceedings;

(d) Existing or potential matters involving federal, state, or local administrative or other formal proceedings before a governmental tribunal for enforcement of the governing documents;

(e) Legal advice or communications that are otherwise protected by the attorney-client privilege or the attorney work product doctrine, including communications with the managing agent or other agent of the association;

(f) Information the disclosure of which would violate a court order or law;

(g) Records of an executive session of the board;

(h) Individual unit files other than those of the requesting unit owner;

(i) Unlisted telephone number or electronic address of any unit owner or resident;

(j) Security access information provided to the association for emergency purposes; or

(k) Agreements that for good cause prohibit disclosure to the members.

(4) An association may charge a reasonable fee for producing and providing copies of any records under this section and for supervising the unit owner's inspection.

(5) A right to copy records under this section includes the right to receive copies by photocopying or other means, including through an electronic transmission if available upon request by the unit owner.

(6) An association is not obligated to compile or synthesize information.

(7) Information provided pursuant to this section may not be used for commercial purposes.

(8) An association's managing agent must deliver all of the association's original books and records to the association immediately upon termination of its management relationship with the association, or upon such other demand as is made by the board. An association managing agent may keep copies of the association records at its own expense.

NEW SECTION. Sec. 321. ASSOCIATION AS TRUSTEE. With respect to a third person dealing with the association in the association's capacity as a trustee, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers. A third person, without actual knowledge that the association is exceeding or improperly exercising its powers, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the association in its capacity as trustee.

NEW SECTION. Sec. 322. RULES. (1) Unless the declaration provides otherwise, the board must, before adopting, amending, or repealing any rule, give all unit owners notice of:

(a) Its intention to adopt, amend, or repeal a rule and provide the text of the rule or the proposed change; and

(b) A date on which the board will act on the proposed rule or amendment after considering comments from unit owners.

(2) Following adoption, amendment, or repeal of a rule, the association must give notice to the unit owners of its action and provide a copy of any new or revised rule.

(3) If the declaration so provides, an association may adopt rules to establish and enforce construction and design criteria and aesthetic standards and, if so, must adopt procedures for enforcement of those standards and for approval of construction applications, including a reasonable time within which the association must act after an application is submitted and the consequences of its failure to act.

(4) An association's internal business operating procedures need not be adopted as rules.

(5) Every rule must be reasonable.

NEW SECTION. Sec. 323. SPECIFIC LIMITATIONS ON ASSOCIATION'S REGULATORY AUTHORITY. (1) An association may not prohibit display of the flag of the United States, or the flag of Washington state, on or within a unit or a limited common element, except that an association may adopt reasonable restrictions pertaining to the time, place, or manner of displaying the flag of the United States necessary to protect a substantial interest of the association. For purposes of this section,
"flag of the United States" means the flag of the United States as described in 4 U.S.C. Sec. 1 et seq. that is made of fabric, cloth, or paper. "Flag of the United States" does not mean a flag, depiction, or emblem made of lights, paint, roofing, siding, paving materials, flora, or balloons, or of any similar building, landscaping, or decorative components.

(2) The association may not prohibit display of signs regarding candidates for public or association office, or ballot issues, on or within a unit or limited common element, but the association may adopt rules governing the time, place, size, number, and manner of those displays.

(3) The association may not prohibit the installation of a solar energy panel on or within a unit so long as the solar panel:

(a) Meets applicable health and safety standards and requirements imposed by state and local permitting authorities;

(b) If used to heat water, is certified by the solar rating certification corporation or another nationally recognized certification agency. Certification must be for the solar energy panel and for installation;

(c) If used to produce electricity, meets all applicable safety and performance standards established by the national electric code, the institute of electrical and electronics engineers, accredited testing laboratories, such as underwriters laboratories, and, where applicable, rules of the utilities and transportation commission regarding safety and reliability.

(4) The governing documents may:

(a) Prohibit the visibility of any part of a roof-mounted solar energy panel above the roof line;

(b) Permit the attachment of a solar energy panel to the slope of a roof facing a street only if:

(i) The solar energy panel conforms to the slope of the roof; and

(ii) The top edge of the solar energy panel is parallel to the roof ridge; and

(c) Require:

(i) A solar energy panel frame, a support bracket, or any visible piping or wiring to be painted to coordinate with the roofing material;

(ii) A unit owner or resident to shield a ground-mounted solar energy panel if shielding the panel does not prohibit economic installation of the solar energy panel or degrade the operational performance quality of the solar energy panel by more than ten percent; and

(iii) Unit owners or residents who install solar energy panels to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of a solar energy panel.

(5) The governing documents may include other reasonable rules regarding the placement and manner of a solar energy panel.

(6) For purposes of this section, "solar energy panel" means a panel device or system or combination of panel devices or systems that relies on direct sunlight as an energy source, including a panel device or system or combination of panel devices or systems that collects sunlight for use in:

(a) The heating or cooling of a structure or building;

(b) The heating or pumping of water;

(c) Industrial, commercial, or agricultural processes; or

(d) The generation of electricity.

(7) This section must not be construed to permit installation by a unit owner of a solar panel on or in common elements without approval of the board.

(8) Unit owners may peacefully assemble on the common elements to consider matters related to the common interest community, but the association may adopt rules governing the time, place, and manner of those assemblies.

(9) An association may adopt rules that affect the use or occupancy of or behavior in units that may be used for residential purposes, only to:

(a) Implement a provision of the declaration;

(b) Regulate any behavior in or occupancy of a unit that violates the declaration or adversely affects the use and enjoyment of other units or the common elements by other occupants; and

(c) Restrict the leasing of residential units to the extent those rules are reasonably designed to meet underwriting requirements of institutional lenders that regularly make loans secured by first mortgages on units in comparable common interest communities or that regularly purchase those mortgages.

NEW SECTION. Sec. 324. NOTICE. (1) Notice to the association, board, or any owner or occupant of a unit under this chapter must be provided in the form of a record.

(2) Notice provided in a tangible medium may be transmitted by mail, private carrier, or personal delivery; telegraph or teletype; or telephone, wire, or wireless equipment that transmits a facsimile of the notice.

(a) Notice in a tangible medium to an association may be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report or provided by notice to the unit owners, or to the president or secretary of the association at the address shown in the association's most recent annual report or provided by notice to the unit owners.

(b) Notice in a tangible medium to a unit owner or occupant must be addressed to the unit address unless the unit owner or occupant has requested, in a record delivered to the association, that notices be sent to an alternate address or by other method allowed by this section and the governing documents.

(3) Notice may be provided in an electronic transmission as follows:

(a) Notice to unit owners or board members by electronic transmission is effective only upon unit owners and board members who have consented, in the form of a record, to receive electronically transmitted notices under this chapter and have designated in the consent the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice to unit owners or board members under this subsection includes material that this chapter or the governing documents requires or permits to accompany the notice.

(c) A unit owner or board member who has consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in the form of a record.

(d) The consent of any unit owner or board member is revoked if: The association is unable to electronically transmit two consecutive notices given by the association in accordance with the consent, and this inability becomes known to the secretary of the association or any other person responsible for giving the notice. The inadvertent failure by the association to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to unit owners or board members who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the unit owner or board member a separate record of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(f) Notice to an association in an electronic transmission is effective only with respect to an association that has designated
NEW SECTION. Sec. 325. REMOVAL OF OFFICERS AND BOARD MEMBERS. (1) Unit owners present in person, by proxy, or by absentee ballot at any meeting of the unit owners at which a quorum is present may remove any board member and any officer elected by the unit owners, with or without cause, if the number of votes in favor of removal cast by unit owners entitled to vote for election of the board member or officer proposed to be removed is at least the lesser of (a) a majority of the votes in the association held by such unit owners or (b) two-thirds of the votes cast by such unit owners at the meeting, but:

(i) A board member appointed by the declarant may not be removed by a unit owner vote during any period of declarant control;

(ii) A board member appointed under section 305(3) of this act may be removed only by the person that appointed that member; and

(iii) The unit owners may not consider whether to remove a board member or officer at a meeting of the unit owners unless that subject was listed in the notice of the meeting.

(2) At any meeting at which a vote to remove a board member or officer is to be taken, the board member or officer being considered for removal must have a reasonable opportunity to speak before the vote.

(3) At any meeting at which a board member or officer is removed, the unit owners entitled to vote for the board member or officer may immediately elect a successor board member or officer consistent with this chapter.

(4) The board may, without a unit owner vote, remove from the board a board member or officer elected by the unit owners if (a) the board member or officer is delinquent in the payment of assessments more than sixty days and (b) the board member or officer has not cured the delinquency within thirty days after receiving notice of the board's intent to remove the board member or officer. Unless provided otherwise by the governing documents, the board may remove an officer elected by the board at any time, with or without cause. The removal must be recorded in the minutes of the next board meeting.

NEW SECTION. Sec. 326. ADOPTION OF BUDGETS—ASSESSMENTS AND SPECIAL ASSESSMENTS. (1) (a) Within thirty days after adoption of any proposed budget for the common interest community, the board must provide a copy of the budget to all the unit owners and set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen nor more than fifty days after providing the budget. Unless at that meeting the unit owners of units to which a majority of the votes in the association are allocated or any larger percentage specified in the declaration reject the budget, the budget and the assessments against the units included in the budget are ratified, whether or not a quorum is present.

(b) If the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the unit owners continues until the unit owners ratify a subsequent budget proposed by the board.

(2) The budget must include:

(a) The projected income to the association by category;

(b) The projected common expenses and those specially allocated expenses that are subject to being budgeted, both by category;

(c) The amount of the assessments per unit and the date the assessments are due;

(d) The current amount of regular assessments budgeted for contribution to the reserve account;

(e) A statement of whether the association has a reserve study that meets the requirements of section 331 of this act and, if so, the extent to which the budget meets or deviates from the recommendations of that reserve study; and

(f) The current deficiency or surplus in reserve funding expressed on a per unit basis.

(3) The board, at any time, may propose a special assessment. The assessment is effective only if the board follows the procedures for ratification of a budget described in subsection (1) of this section and the unit owners do not reject the proposed assessment. The board may provide that the special assessment may be due and payable in installments over any period it determines and may provide a discount for early payment.

NEW SECTION. Sec. 327. FINANCIAL STATEMENTS AND ASSOCIATION FUNDS. (1) The association must prepare, or cause to be prepared, at least annually, a financial statement of the association in accordance with accrual based accounting practices.

(2) The financial statements of associations with annual assessments of fifty thousand dollars or more must be audited at least annually by a certified public accountant. In the case of an association with annual assessments of less than fifty thousand dollars, an annual audit is also required but may be waived annually by unit owners other than the declarant of units to which a majority of the votes in the association are allocated, excluding the votes allocated to units owned by the declarant.

(3) The association must keep all funds of the association in the name of the association with a qualified financial institution. The funds must not be commingled with the funds of any other association or with the funds of any managing agent of the association or any other person, or be kept in any trust account or custodial account in the name of any trustee or custodian.

(4) A managing agent who accepts or receives funds belonging to the association must promptly deposit all such funds into an account maintained by the association as provided in subsection (3) of this section or section 328 of this act, as appropriate.

NEW SECTION. Sec. 328. RESERVE ACCOUNT—ESTABLISHMENT. An association required to obtain a reserve study pursuant to section 330 of this act must establish one or more accounts for the deposit of funds, if any, for the replacement costs of reserve components. Any reserve account must be an income-earning account maintained under the direct
control of the board, and the board is responsible for administering the reserve account.

NEW SECTION. Sec. 329. RESERVE ACCOUNT—WITHDRAWALS. (1) The board may withdraw funds from the association's reserve account to pay for unforeseen or unbudgeted costs that are unrelated to replacement costs of the reserve components. Any such withdrawal must be recorded in the minute books of the association. The board must give notice of any such withdrawal to each unit owner and adopt a repayment schedule not to exceed twenty-four months unless the board determines that repayment within twenty-four months would impose an unreasonable burden on the unit owners. The board must provide to unit owners along with the annual budget adopted in accordance with section 326 of this act (a) notice of any such withdrawal, (b) a statement of the current deficiency in reserve funding expressed on a per unit basis, and (c) the repayment plan.

(2) The board may withdraw funds from the reserve account without satisfying the notification of repayment requirements under this section to pay for replacement costs of reserve components not included in the reserve study.

NEW SECTION. Sec. 330. RESERVE STUDY—PREPARATION. (1) Unless exempt under subsection (2) of this section, an association must prepare and update a reserve study in accordance with this chapter. An initial reserve study must be prepared by a reserve study professional and based upon either a reserve study professional's visual site inspection of completed improvements or a review of plans and specifications of or for unbuilt improvements, or both when construction of some but not all of the improvements is complete. An updated reserve study must be prepared annually. An updated reserve study must be prepared at least every third year by a reserve study professional and based upon a visual site inspection conducted by the reserve study professional.

(2) Unless the governing documents require otherwise, subsection (1) of this section does not apply (a) to common interest communities containing units that are restricted in the declaration to nonresidential use, (b) to common interest communities that have only nominal reserve costs, or (c) when the cost of the reserve study or update exceeds ten percent of the association's annual budget.

(3) The governing documents may impose greater requirements on the board.

NEW SECTION. Sec. 331. RESERVE STUDY—CONTENTS. (1) Any reserve study is supplemental to the association's operating and maintenance budget.

(2) A reserve study must include:

(a) A reserve component list, including any reserve component, the replacement cost of which exceeds one percent of the annual budget of the association, excluding contributions to the reserves for that reserve component. If one of these reserve components is not included in the reserve study, the study must explain the basis for its exclusion. The study must also include quantities and estimates for the useful life of each reserve component, the remaining useful life of each reserve component, and current major replacement costs for each reserve component;

(b) The date of the study and a disclosure as to whether the study meets the requirements of this section;

(c) The following level of reserve study performed:

(i) Level I: Full reserve study funding analysis and plan;

(ii) Level II: Update with visual site inspection; or

(iii) Level III: Update with no visual site inspection;

(d) The association's reserve account balance;

(e) The percentage of the fully funded balance to which the reserve account is funded;

(f) Special assessments already implemented or planned;

(g) Interest and inflation assumptions;

(h) Current reserve account contribution rates for a full funding plan and a baseline funding plan;

(i) A recommended reserve account contribution rate for a full funding plan to achieve one hundred percent fully funded reserves by the end of the thirty-year study period, a recommended reserve account contribution rate for a baseline funding plan to maintain the reserve account balance above zero throughout the thirty-year study period without special assessments, and a reserve account contribution rate recommended by the reserve study professional;

(j) A projected reserve account balance for thirty years based on each funding plan presented in the reserve study;

(k) A disclosure on whether the reserve study was prepared with the assistance of a reserve study professional, and whether the reserve study professional was independent; and

(l) A statement of the amount of any current deficit or surplus in reserve funding expressed on a dollars per unit basis. The amount is calculated by subtracting the association's reserve account balance as of the date of the study from the fully funded balance, and then multiplying the result by the fraction or percentage of the common expenses of the association allocable to each unit; except that if the fraction or percentage of the common expenses of the association allocable vary by unit, the association must calculate any current deficit or surplus in a manner that reflects the variation.

(3) A reserve study must also include the following disclosure:

"This reserve study should be reviewed carefully. It may not include all common and limited common element components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. The failure to include a component in a reserve study, or to provide contributions to a reserve account for a component, may, under some circumstances, require the association to (1) defer major maintenance, repair, or replacement, (2) increase future reserve contributions, (3) borrow funds to pay for major maintenance, repair, or replacement, or (4) impose special assessments for the cost of major maintenance, repair, or replacement."

NEW SECTION. Sec. 332. RESERVE STUDY—DEMAND BY UNIT OWNERS—ACTION TO ENFORCE. (1) When more than three years have passed since the date of the last reserve study prepared by a reserve study professional, unit owners of units to which at least twenty percent of the votes in the association are allocated may demand in a record delivered to the board that the cost of a reserve study be included in the next annual budget and that the study be prepared by the end of that budget year. The demand must refer to this section. The board must, upon receipt of the demand, include the cost of a reserve study in the next budget and, if that budget is not rejected by the unit owners pursuant to section 326 of this act, arrange for the preparation of a reserve study.

(2) One or more unit owners may bring an action to enforce the requirements of this section and sections 330 and 331 of this act. In such an action, a court may order specific performance and may award reasonable attorneys' fees and costs to the prevailing party.

(3) A unit owner's duty to pay assessments is not excused because of the association's failure to comply with this section and sections 330 and 331 of this act. A budget ratified by the unit owners pursuant to section 326 of this act is not invalidated because of the association's failure to comply with this section and sections 330 and 331 of this act.
NEW SECTION. Sec. 333. RESERVE STUDY—RESERVE ACCOUNT—IMMUNITY FROM LIABILITY. Except for an award for attorneys' fees and costs under section 332(2) of this act, monetary damages or other liability may not be awarded against or imposed upon the association or its officers or board members, or upon any person who may have provided advice or assistance to the association or its officers or board members, for failure to: Establish or replenish a reserve account, have a current reserve study prepared or updated in accordance with the requirements of this chapter, or make reserve disclosures in accordance with this chapter.

IV. PROTECTION OF PURCHASERS

NEW SECTION. Sec. 401. APPLICABILITY—WAIVER. (1) Sections 402 through 420 of this act apply to all units subject to this chapter, except as provided in subsections (2) and (3) of this section.

(2) Sections 402 through 420 of this act do not apply in the case of:

(a) A conveyance by gift, devise, or descent;
(b) A conveyance pursuant to court order;
(c) A conveyance by a government or governmental agency;
(d) A conveyance by foreclosure;
(e) A conveyance of all of the units in a common interest community in a single transaction;
(f) A conveyance to other than a purchaser;
(g) An agreement to convey that may be canceled at any time and for any reason by the purchaser without penalty;
(h) A conveyance of a unit restricted to nonresidential uses, except and to the extent otherwise agreed to in writing by the seller and purchaser of that unit.

(3) Sections 414, 415, 416, 417, 419, and 420 of this act apply only to condominiums created under this chapter, and do not apply to other common interest communities.

NEW SECTION. Sec. 402. LIABILITY FOR PUBLIC OFFERING STATEMENT REQUIREMENTS. (1) Except as provided otherwise in subsection (2) of this section, a declarant required to deliver a public offering statement pursuant to subsection (3) of this section must prepare a public offering statement conforming to the requirements of sections 403, 404, and 405 of this act.

(2) A declarant may transfer responsibility for preparation of all or a part of the public offering statement to a successor declarant or to a dealer who intends to offer units in the condominium.

(3)(a) Any declarant or dealer who offers to convey a unit for the person's own account to a purchaser must provide the purchaser of the unit with a copy of a public offering statement and all material amendments to the public offering statement before conveyance of that unit.
(b) Any agent, attorney, or other person assisting the declarant or dealer in preparing the public offering statement may rely upon information provided by the declarant or dealer without independent investigation. The agent, attorney, or other person is not liable for any material misrepresentation in or omissions of material facts from the public offering statement unless the person had actual knowledge of the misrepresentation or omission at the time the public offering statement was prepared.
(c) The declarant or dealer is liable for any misrepresentation contained in the public offering statement or for any omission of material fact from the public offering statement if the declarant or dealer had actual knowledge of the misrepresentation or omission or, in the exercise of reasonable care, should have known of the misrepresentation or omission.

(4) If a unit is part of a common interest community and is part of any other real estate regime in connection with the sale of which the delivery of a public offering statement is required under the laws of this state, a single public offering statement conforming to the requirements of sections 403, 404, and 405 of this act as those requirements relate to each regime in which the unit is located, and to any other requirements imposed under the laws of this state, may be prepared and delivered in lieu of providing two or more public offering statements.

(5) A declarant is not required to prepare and deliver a public offering statement in connection with the sale of any unit owned by the declarant, or to obtain for or provide to the purchaser a report or statement required under sections 403(1)(oo), 405(1), or 412 of this act, upon the later of:

(a) The termination or expiration of all special declarant rights;
(b) The expiration of all periods within which claims or actions for a breach of warranty arising from defects involving the common elements under section 417 of this act must be filed or commenced, respectively, by the association against the declarant;
(c) The time when the declarant ceases to meet the definition of a dealer under section 102 of this act.

(6) After the last to occur of any of the events described in subsection (5) of this section, a declarant must deliver to the purchaser of a unit owned by the declarant a resale certificate under section 409(2) of this act together with:

(a) The identification of any real property not in the common interest community that unit owners have a right to use and a description of the terms of such use;
(b) A brief description or a copy of any express construction warranties to be provided to the purchaser;
(c) A statement of any litigation brought by an owners' association, unit owner, or governmental entity in which the declarant or any affiliate of the declarant has been a defendant arising out of the construction, sale, or administration of any common interest community within the state of Washington within the previous five years, together with the results of the litigation, if known;
(d) Whether timesharing is permitted or prohibited, and, if permitted, a statement that the purchaser of a time share unit is entitled to receive the disclosure document required under chapter 64.36 RCW; and
(e) Any other information and cross-references that the declarant believes will be helpful in describing the common interest community to the purchaser, all of which may be included or not included at the option of the declarant.

(7) A declarant is not liable to a purchaser for the failure or delay of the association to provide the resale certificate in a timely manner, but the purchase contract is voidable by the purchaser of a unit sold by the declarant until the resale certificate required under section 409(2) of this act and the information required under subsection (6) of this section have been provided and for five days thereafter or until conveyance, whichever occurs first.

NEW SECTION. Sec. 403. PUBLIC OFFERING STATEMENT—GENERAL PROVISIONS. (1) A public offering statement must contain the following information:

(a) The name and address of the declarant;
(b) The name and address or location of the management company, if any;
(c) The relationship of the management company to the declarant, if any;
(d) The name and address of the common interest community;
(e) A statement whether the common interest community is a condominium, cooperative, plat community, or miscellaneous community;
(f) A list, current as of the date the public offering statement is prepared, of up to the five most recent common interest communities in which at least one unit was sold by the declarant or an affiliate of the declarant within the past five years, including the names of the common interest communities and their addresses;

(w) A brief description of:
(kk) Any liens on real estate to be conveyed to the association required to be disclosed pursuant to section 411(3)(b) of this act;

(2) The public offering statement must begin with notices substantially in the following forms and in conspicuous type:

(a) "RIGHT TO CANCEL. (1) You are entitled to receive a copy of this public offering statement and all material amendments to this public offering statement before conveyance of your unit. Under section 408 of this act, you have the right to cancel your contract for the purchase of your unit within seven days after first receiving this public offering statement. If this public offering statement is first provided to you more than seven days before you sign your contract for the purchase of your unit, you have no right to cancel your contract. If this public offering statement is first provided to you seven days or less before you sign your contract for the purchase of your unit, you have the right to cancel, before conveyance of the unit, the executed contract by delivering, no later than the seventh day after first receiving this public offering statement, a notice of cancellation pursuant to section (3) of this notice. If this public offering statement is first provided to you less than seven days before the closing date for the conveyance of your unit, you may, before conveyance of your unit to you, extend the closing date to a date not more than seven days after you first received this public offering statement, so that you may have seven days to cancel your contract for the purchase of your unit.

(2) You have no right to cancel your contract upon receipt of an amendment to this public offering statement; however, this does not eliminate any right to rescind your contract, due to the disclosure of the information in the amendment, that is otherwise available to you under generally applicable contract law.

(3) If you elect to cancel your contract pursuant to this notice, you may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the seller at the address set forth in this public offering statement or at the address of the seller's registered agent for service of process. The date of such notice is the date of receipt, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by you before cancellation must be refunded promptly."

(b) "OTHER DOCUMENTS CREATING BINDING LEGAL OBLIGATIONS. This public offering statement is a summary of some of the significant aspects of purchasing a unit in this common interest community. The governing documents and the purchase agreement are complex, contain other important information, and create binding legal obligations. You should consider seeking the assistance of legal counsel."

(c) "OTHER REPRESENTATIONS. You may not rely on any statement, promise, model, depiction, or description unless it is (1) contained in the public offering statement delivered to you or (2) made in writing signed by the declarant or dealer or the declarant's or dealer's agent identified in the public offering statement. A statement of opinion, or a commendation of the real estate, its quality, or its value, does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change."

(d) "MODEL UNITS. Model units are intended to provide you with a general idea of what a finished unit might look like. Units being offered for sale may vary from the model unit in terms of floor plan, fixtures, finishes, and equipment. You are advised to obtain specific information about the unit you are considering purchasing."

(e) "RESERVE STUDY. The association [does] [does not] have a current reserve study. Any reserve study should be reviewed carefully. It may not include all reserve components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of maintenance, repair, or replacement. You may encounter certain risks, including being required to pay as a special assessment your share of expenses for the cost of major maintenance, repair, or replacement of a reserve component, as a result of the failure to: (1) Have a current reserve study or fully funded reserves, (2) include a component in a reserve study, or (3) provide any or sufficient contributions to a reserve account for a component."

(f) "DEPOSITS AND PAYMENTS. Only earnest money and reservation deposits are required to be placed in an escrow or trust account. Any other payments you make to the seller of a unit are at risk and may be lost if the seller defaults."

(g) "CONSTRUCTION DEFECT CLAIMS. Chapter 64.50 RCW contains important requirements you must follow before you may file a lawsuit for defective construction against the seller or builder of your home. Forty-five days before you file your lawsuit, you must deliver to the seller or builder a written notice of any construction conditions you allege are defective and provide your seller or builder the opportunity to make an offer to repair or pay for the defects. You are not obligated to accept any offer made by the builder or seller. There are strict deadlines and procedures under state law, and failure to follow them may affect your ability to file a lawsuit."

(h) "ASSOCIATION INSURANCE. The extent to which association insurance provides coverage for the benefit of unit owners (including furnishings, fixtures, and equipment in a unit) is determined by the provisions of the declaration and the association's insurance policy, which may be modified from time to time. You and your personal insurance agent should read the declaration and the association's policy prior to closing to determine what insurance is required of the association and unit owners, unit owners' rights and duties, what is and is not covered by the association's policy, and what additional insurance you should obtain."
"QUALIFIED WARRANTY. Your unit [is] [is not] covered by a qualified warranty under chapter 64.35 RCW."

The public offering statement must include copies of each of the following documents: The declaration; the survey; the organizational documents; the rules and regulations, if any; the current or proposed budget for the association; a dated balance sheet of the association; any inspection and repair report or reports prepared in accordance with the requirements of RCW 64.55.090; and any qualified warranty provided to a purchaser by a declarant together with a history of claims under the qualified warranty. If any of these documents are not in final form, the documents must be marked "draft" and, before closing the sale of a unit, the purchaser must be given notice of any material changes to the draft documents.

A declarant must promptly amend the public offering statement to reflect any material change in the information required under this section.

NEW SECTION. Sec. 404. PUBLIC OFFERING STATEMENT—COMMON INTEREST COMMUNITIES SUBJECT TO DEVELOPMENT RIGHTS. If the declaration provides that a common interest community is subject to any development rights or if the declarant reserves any special declarant rights, the public offering statement must include, in addition to the information required under section 403 of this act:

1. A statement of all development rights and special declarant rights reserved to the declarant, together with the dates or other circumstances under which such rights must terminate; and
2. A statement describing how the allocated interests of a unit may be changed by the exercise of any development right.

NEW SECTION. Sec. 405. PUBLIC OFFERING STATEMENT—COMMON INTEREST COMMUNITIES CONTAINING CONVERSION BUILDINGS. (1) A public offering statement for a unit in a conversion building must contain, in addition to the information required under sections 403, 404, and 412(6)(a) of this act:

(a) Either a copy of a report prepared by an independent, licensed architect or engineer or a statement by the declarant based on such report that describes, to the extent reasonably ascertainable, the present condition of all structural components and mechanical and electrical installations material to the use and enjoyment of the common interest community;
(b) A statement by the declarant or dealer of the expected useful life of each item reported on in (a) of this subsection or a statement that no representations are made in that regard;
(c) A copy of any inspection and repair report for the conversion building required under RCW 64.55.090, if applicable;
(d) A list of any outstanding notices of uncured violations of building code or other municipal ordinances and regulations, together with the estimated cost of curing those violations and a statement that such list is not a representation that the conversion building is in compliance with the current building code or other municipal ordinances and regulations;
(e) A statement of the improvements to the conversion building made or contracted for by the declarant or dealer, or affiliate of either, offering the unit for sale; and
(f) The current deficiency or surplus in reserve funding expressed on a per unit basis.

The obligation to provide the information required in subsection (1) of this section as to any particular conversion building ceases on the earlier of (a) the date when all units in the building have been conveyed to persons other than the declarant or a dealer, or any affiliate of the declarant or dealer, or (b) the date set forth in section 402(5) of this act.

NEW SECTION. Sec. 406. PUBLIC OFFERING STATEMENT—USE OF SINGLE DISCLOSURE DOCUMENT. If a unit is offered for sale for which the delivery of a public offering statement or other disclosure document is required under the laws of any state or the United States, a single disclosure document conforming to the requirements of sections 403, 404, and 405 of this act and conforming to any other requirement imposed under such laws may be prepared and delivered in lieu of providing two or more disclosure documents.

NEW SECTION. Sec. 407. PUBLIC OFFERING STATEMENT—CONTRACT OF SALE—RESTRICTION ON INTEREST CONVEYED. In the case of a sale of a unit in which delivery of a public offering statement is required, a contract of sale may be executed unless otherwise prohibited by applicable law, but interest in that unit may not be conveyed until:

1. The declaration and map that create the common interest community in which that unit is located are recorded pursuant to sections 201(1) and 210(3) of this act; and
2. In the case of a unit in a building containing that unit or a building comprising that unit, the unit is substantially completed and available and to which any structural components and mechanical systems of the building containing or comprising that unit are substantially completed, but a declarant or dealer and a purchaser may otherwise specifically agree in writing as to the extent to which the unit will not be substantially completed and available and to which any structural components and mechanical systems will not be substantially completed at the time of conveyance.

NEW SECTION. Sec. 408. PURCHASER’S RIGHT TO CANCEL. (1) The purchaser may cancel a contract for the purchase of the unit within seven days after first receiving the public offering statement. If the public offering statement is first provided to a purchaser more than seven days before execution of a contract for the purchase of a unit, the purchaser does not have the right under this section to cancel the executed contract. If the public offering statement is first provided to a purchaser seven days or less before the purchaser signs a contract for the purchase of a unit, the purchaser, before conveyance of the unit to the purchaser, may cancel the contract by delivering, no later than the seventh day after first receiving the public offering statement, a notice of cancellation, delivered pursuant to subsection (3) of this section. If the public offering statement is first provided to a purchaser less than seven days before the closing date for the conveyance of that unit, the purchaser, before conveyance of the unit to the purchaser, extend the closing date to a date no more than seven days after the purchaser first received the public offering statement.

2. A purchaser does not have the right under this section to cancel a contract upon receipt of an amendment to a public offering statement. This subsection must not be construed to eliminate any right that is otherwise available to the purchaser under generally applicable contract law to rescind the contract due to the disclosure of the information in the amendment.

3. If a purchaser elects to cancel a contract under subsection (1) of this section, the purchaser may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the declarant at the address set forth in the public offering statement or at the address of the declarant’s registered agent for service of process. The date of such notice is the date of receipt of delivery, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by the purchaser before cancellation must be refunded promptly. There is no liability for failure to deliver any amendment unless such
failure would have entitled the purchaser under generally applicable legal principles to cancel the contract for the purchase of the unit had the undisclosed information been evident to the purchaser before the closing of the purchase.

(4) The language of the notice required under section 403(2)(a) of this act must not be construed to modify the rights set forth in this section.

NEW SECTION.  Sec. 409. RESALES OF UNITS. (1) Except in the case of a sale when delivery of a public offering statement is required, or unless exempt under section 401(2) of this act, a unit owner must furnish to a purchaser before execution of any contract for sale of a unit, or otherwise before conveyance, a resale certificate, signed by an officer or authorized agent of the association and based on the books and records of the association and the actual knowledge of the person signing the certificate, containing:

(a) A statement disclosing any right of first refusal or other restraint on the free alienability of the unit contained in the declaration;
(b) With respect to the selling unit owner's unit, a statement setting forth the amount of any assessment currently due, any delinquent assessments, and a statement of any special assessments that have been levied and have not been paid even though not yet due;
(c) A statement, which must be current to within forty-five days, of any assessments against any unit in the condominium that are past due over thirty days;
(d) A statement, which must be current to within forty-five days, of any monetary obligation of the association that is past due over thirty days;
(e) A statement of any other fees payable to the association by unit owners;
(f) A statement of any expenditure or anticipated repair or replacement cost reasonably anticipated to be in excess of five percent of the board-approved annual budget of the association, regardless of whether the unit owners are entitled to approve such cost;
(g) A statement whether the association does or does not have a reserve study prepared in accordance with sections 330 and 331 of this act;
(h) The annual financial statement of the association, including the audit report if it has been prepared, for the year immediately preceding the current year;
(i) The most recent balance sheet and revenue and expense statement, if any, of the association;
(j) The current operating budget of the association;
(k) A statement of any unsatisfied judgments against the association and the status of any legal actions in which the association is a party or a claimant as defined in RCW 64.50.010;
(l) A statement describing any insurance coverage carried by the association and contact information for the association's insurance broker or agent;
(m) A statement as to whether the board has given or received notice in a record that any existing uses, occupancies, alterations, or improvements in or to the seller's unit or to the limited common elements allocated to the unit violate any provision of the governing documents;
(n) A statement of the number of units, if any, still owned by the declarant, whether the declarant has transferred control of the association to the unit owners, and the date of such transfer;
(o) A statement as to whether the board has received notice in a record from a governmental agency of any violation of environmental, health, or building codes with respect to the seller's unit, the limited common elements allocated to that unit, or any other portion of the common interest community that has not been cured;
(p) A statement of the remaining term of any leasehold estate affecting the common interest community and the provisions governing any extension or renewal of the leasehold estate;
(q) A statement of any restrictions in the declaration affecting the amount that may be received by a unit owner upon sale;
(r) In a cooperative, an accountant's statement, if any was prepared, as to the deductibility for federal income tax purposes by the unit owner of real estate taxes and interest paid by the association;
(s) A statement describing any pending sale or encumbrance of common elements;
(t) A statement disclosing the effect on the unit to be conveyed of any restrictions on the owner's right to use or occupy the unit or to lease the unit to another person;
(u) A copy of the declaration, the organizational documents, the rules or regulations of the association, the minutes of board meetings and association meetings, except for any information exempt from disclosure under section 320(3) of this act, for the last twelve months, a summary of the current reserve study for the association, and any other information reasonably requested by mortgagees of prospective purchasers of units. Information requested generally by the federal national mortgage association, the federal home loan bank board, the government national mortgage association, the veterans administration, or the department of housing and urban development is deemed reasonable if the information is reasonably available to the association;
(v) A statement whether the units or common elements of the common interest community are covered by a qualified warranty under chapter 64.35 RCW and, if so, a history of claims known to the association as having been made under any such warranty;
(w) A description of any age-related occupancy restrictions affecting the common interest community; and
(x) If the association does not have a reserve study that has been prepared in accordance with sections 330 and 331 of this act or its governing documents, the following disclosure:
"This association does not have a current reserve study. The lack of a current reserve study poses certain risks to you, the purchaser. Insufficient reserves may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a common element."

(2) The association, within ten days after a request by a unit owner, and subject to the payment of any fees imposed pursuant to section 302(2)(m) of this act, must furnish a resale certificate signed by an officer or authorized agent of the association and containing the information necessary to enable the unit owner to comply with this section. For the purposes of this chapter, a reasonable charge for the preparation of a resale certificate may not exceed two hundred seventy-five dollars. The association may charge a unit owner a nominal fee not to exceed one hundred dollars for updating a resale certificate within six months of the unit owner's request. A unit owner is not liable to the purchaser for any erroneous information provided by the association and included in the certificate.

(3)(a) A purchaser is not liable for any unpaid assessment or fee greater than the amount set forth in the certificate prepared by the association.

(b) A unit owner is not liable to a purchaser for the failure or delay of the association to provide the certificate in a timely manner, but the purchase contract is voidable by the purchaser until the certificate has been provided and for five days thereafter or until conveyance, whichever occurs first.
NEW SECTION. Sec. 410. ESCROW OF DEPOSITS. Any earnest money deposit, as defined in RCW 64.04.005, or any reservation deposit made in connection with the right to purchase a unit from a person required to deliver a public offering statement pursuant to section 402(3) of this act must be placed in escrow and held in this state in an escrow or trust account designated solely for that purpose by a licensed title insurance company or agent, a licensed attorney, a real estate broker or independent bonded escrow company, or an institution whose accounts are insured by a governmental agency or instrumentality until: (1) Delivered to the declarant at closing, (2) delivered to the declarant because of the purchaser's default under a contract to purchase the unit, (3) refunded to the purchaser, or (4) delivered to a court in connection with the filing of an interpleader action.

NEW SECTION. Sec. 411. RELEASE OF LIENS. (1) In the case of a sale of a unit when delivery of a public offering statement is required pursuant to section 402(3) of this act and subject to subsection (2) of this section, a seller before conveying a unit:
   (a) Must record or furnish to the purchaser releases of all liens that encumber:
      (i) In a condominium, that unit and its common element interest; and
      (ii) In a cooperative, plat community, or miscellaneous community, that unit and any limited common elements assigned to that unit; or
   (b) Must provide the purchaser of that unit with title insurance from a licensed title insurance company against any lien not released pursuant to (a) of this subsection.
   (2) Subsection (1) of this section does not apply to liens that encumber:
      (a) Real estate that a declarant has the right to withdraw from the common interest community;
      (b) In a condominium, the unit and its common element interest being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien;
      (c) In a cooperative, plat community, or miscellaneous community, the unit and any limited common element allocated to the unit being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien.
   (3) Before conveying real property to the association, the declarant must have that real property released from:
      (a) All liens the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units; and
      (b) All other liens on that real property unless the public offering statement describes certain real property that may be conveyed subject to liens in specified amounts.

NEW SECTION. Sec. 412. CONVERSION BUILDINGS—TENANT RIGHTS. (1)(a) A declarant or dealer who intends to offer units in a conversion building must give each of the residential tenants and any residential subtenants in possession of a portion of a conversion building notice of the conversion and provide those persons with the public offering statement no later than one hundred twenty days before the tenants and any subtenants in possession are required to vacate. The notice must:
   (i) Set forth generally the rights of residential tenants and residential subtenants under this section;
   (ii) Be delivered pursuant to notice requirements set forth in RCW 59.12.040;
   (iii) Expressly state whether there is a county or city relocation assistance program for residential tenants or residential subtenants of conversion buildings in the jurisdiction in which the property is located. If the county or city does have a relocation assistance program, the following must also be included in the notice:
      (A) A summary of the terms and conditions under which relocation assistance is paid; and
      (B) Contact information for the city or county relocation assistance program, which must include, at a minimum, a telephone number of the city or county department that administers the relocation assistance program for conversion buildings.
   (b) A residential tenant or residential subtenant may not be required to vacate upon less than one hundred twenty days' notice, except by reason of nonpayment of rent, waste, or conduct that disturbs other residential tenants' or residential subtenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period except as provided in (c) of this subsection.
   (c) At the declarant's option, the declarant may provide all residential tenants and residential subtenants in a single conversion building with an option to terminate their lease or rental agreements without cause or consequence after providing the declarant with thirty days' notice. In such case, residential tenants and residential subtenants continue to have access to relocation assistance under subsection (6)(e)(i) of this section.
   (d)(i) Nothing in this subsection (1) waives or repeals RCW 59.18.200(2)(b).
      (ii) Failure to give notice as required under this section is a defense to an action for possession.
   (e) The city or county in which the property is located may require the declarant to forward a copy of the conversion notice required in this subsection (1) to the appropriately designated department or agency in the city or county for the purpose of maintaining a list of common interest communities containing conversion buildings in the jurisdiction.
   (2)(a) For sixty days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice must offer to convey each unit or proposed unit occupied for residential use to the residential tenant or residential subtenant who leases that unit. If a residential tenant or residential subtenant fails to purchase the unit during that sixty-day period, the offeror may offer to dispose of an interest in that unit during the following one hundred eighty days at a price or on terms more favorable to the offeree than the price or terms offered to the residential tenant or residential subtenant only if:
      (i) Such offeror, by written notice mailed to the residential tenant's or residential subtenant's last known address, offers to sell an interest in that unit at the more favorable price and terms; and
      (ii) Such residential tenant or residential subtenant fails to accept the offer in writing within ten days following the mailing of the offer to the tenant or subtenant.
   (b) This subsection (2) does not apply to any unit in a conversion building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.
   (3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no actual knowledge of the violation, the recording of the deed conveying the unit, or, in a cooperative, the conveyance of the unit, extinguishes any right a residential tenant or residential subtenant may have under subsection (2) of this section to purchase that unit, but does not affect the right of a residential tenant or residential subtenant to recover damages from the seller for a violation of subsection (2) of this section.
(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified under chapter 59.18 RCW.

(5) This section does not permit termination of a lease or sublease by a declarant in violation of its terms.

(6) Notwithstanding section 105 of this act, a city or county may by appropriate ordinance require with respect to any conversion building within the jurisdiction of the city or county that:

(a) In addition to the statement required under section 405(1)(a) of this act, the public offering statement must contain a copy of a written inspection report of that building prepared by the appropriate department of the city or county listing any violations of the housing code or other governmental regulation that is applicable regardless of whether the real property is owned as a common interest community or in some other form of ownership. The inspection must be made within forty-five days of the declarant's written request, and the report must be issued within fourteen days of the inspection being made. The inspection may not be required with respect to any building for which a final certificate of occupancy has been issued by the city or county within the preceding twenty-four months, and any fee imposed for the making of such inspection may not exceed the fee that would be imposed for the making of such an inspection for a purpose other than complying with this subsection (6)(a).

(b) Prior to the conveyance of any residential unit within a conversion building, other than a conveyance to a declarant or dealer, or affiliate of either:

(i) All violations disclosed in the inspection report provided for in (a) of this subsection, and not otherwise waived by the city or county, must be repaired; and

(ii) A certification must be obtained from the city or county that such repairs have been made. The certification must be based on a reinspection to be made within seven days of the declarant's written request and be issued within seven days of the reinspection being made;

(c) The repairs required to be made under (b) of this subsection must be warranted by the declarant against defects due to workmanship or materials for a period of one year following the completion of such repairs;

(d) Prior to the conveyance of any residential unit within a conversion building, other than a conveyance to a declarant or dealer, or affiliate of either:

(i) The declarant must establish and maintain, during the one-year warranty period provided under (c) of this subsection, an account containing a sum equal to ten percent of the actual cost of making the repairs required under (b) of this subsection;

(ii) During the one-year warranty period, the funds in the account must be used exclusively for paying the actual cost of making repairs required, or for otherwise satisfying claims made, under such warranty;

(iii) Following the expiration of the one-year warranty period, any funds remaining in the account must be immediately disbursed to the declarant; and

(iv) The declarant must notify in writing the association and the city or county as to the location of the account and any disbursements from the account;

(e)(i) A declarant must pay relocation assistance, in an amount to be determined by the city or county, which may not exceed a sum equal to three months of the residential tenant's or residential subtenant's rent at the time the conversion notice required under subsection (1) of this section is received, to residential tenants or residential subtenants:  

(A) Who do not elect to purchase a unit in the common interest community;

(B) Who are in lawful occupancy for residential purposes of a unit in the conversion building; and

(C) Whose annual household income from all sources, on the date of the notice described in subsection (1) of this section, was less than an amount equal to eighty percent of:

(I) The annual median income for comparably sized households in the standard metropolitan statistical area, as defined and established by the United States department of housing and urban development, in which the conversion building is located; or

(II) If the conversion building is not within a standard metropolitan statistical area, the annual median income for comparably sized households in the state of Washington, as defined and determined by said department.

The household size of a unit must be based on the number of persons actually in lawful occupancy of the unit. The residential tenant or residential subtenant actually in lawful occupancy of the unit is entitled to the relocation assistance. Relocation assistance must be paid on or before the date the residential tenant or residential subtenant vacates and is in addition to any damage deposit or other compensation or refund to which the residential tenant or residential subtenant is otherwise entitled. Unpaid rent or other amounts owed by the residential tenant or residential subtenant to the landlord may be offset against the relocation assistance.

(ii) Elderly residential tenants or residential subtenants and residential tenants or residential subtenants with special needs who otherwise meet the requirements of (e)(i)(A) of this subsection must receive relocation assistance, the greater of:

(A) The sum described in (e)(i) of this subsection; or

(B) The sum of actual relocation expenses of the residential tenant or residential subtenant, up to a maximum of one thousand five hundred dollars in excess of the sum described in (e)(i) of this subsection, which may include costs associated with the physical move, first month's rent, and the security deposit for the dwelling unit to which the residential tenant or residential subtenant is relocating, rent differentials for up to a six-month period, and any other reasonable costs or fees associated with the relocation. Receipts for relocation expenses must be provided to the declarant by eligible residential tenants or residential subtenants, and declarants must provide the relocation assistance to residential tenants or residential subtenants in a timely manner. The city or county may provide additional guidelines for the relocation assistance.

(iii) For the purposes of this subsection (6)(e):

(A) "Elderly" means a person who is at least sixty-five years of age; and

(B) "Special needs" means a chronic mental illness or physical disability, a developmental disability, or other condition affecting cognition, disease, chemical dependency, or a medical condition that is permanent, not reversible or curable, or is long lasting, and severely limits a person's mental or physical capacity for self-care;

(f) Except as authorized under (g) of this subsection, a declarant and any dealer may not begin any construction, remodeling, or repairs to any interior portion of an occupied building that is to become a conversion building during the one hundred twenty-day notice period provided for in subsection (1) of this section unless all residential tenants and residential subtenants who have elected not to purchase a unit in the common interest community and who are in lawful occupancy in the building have vacated the premises. For the purposes of this subsection:
(i) "Construction, remodeling, or repairs" means the work that is done for the purpose of establishing or selling units in a conversion building, and does not mean the work that is done to maintain the building or lot for the residential use of the existing residential tenants or residential subtenants; and

(ii) "Occupied building" means a stand-alone structure occupied by residential tenants or residential subtenants and does not include other stand-alone buildings located on the property or detached common area facilities; and

(g)(i) If a declarant or dealer has offered existing residential tenants or residential subtenants an option to terminate an existing lease or rental agreement without cause or consequence as authorized under subsection (1)(c) of this section, a declarant and any dealer may begin construction, remodeling, or repairs to interior portions of an occupied building (A) to repair or remodel vacant units to be used as model units, if the repair or remodel is limited to one model for each unit type in the building; (B) to repair or remodel a vacant unit or common element for use as a sales office; or (C) to do both.

(ii) The work performed under this subsection (6)(g) must not violate the residential tenants' or residential subtenants' rights of quiet enjoyment during the one hundred twenty-day notice period.

(7) Violations of any city or county ordinance adopted as authorized under subsection (6) of this section gives rise to such remedies, penalties, and causes of action that may be lawfully imposed by the city or county. Such violations do not invalidate the creation of the common interest community or the conveyance of any interest in the common interest community.

NEW SECTION. Sec. 413. CONVERSION COMMON INTEREST COMMUNITY PROJECT—REPORT. (1) All cities and counties planning under RCW 36.70A.040, which have inspected any conversion buildings or managed the payment of relocation assistance within the jurisdiction within the previous twelve-month period, must report annually to the department of commerce the following information:

(a) The total number of apartment units converted into common interest community units;

(b) The total number of conversion common interest community projects; and

(c) The total number of residential tenants and residential subtenants who receive relocation assistance.

(2) Upon completion of a conversion common interest community project, a city or county may require the declarant to provide the information described in subsection (1)(a) and (c) of this section for the converted common interest community to the appropriately designated department or agency in the city or county for the purpose of complying with subsection (1) of this section.

NEW SECTION. Sec. 414. EXPRESS WARRANTIES OF QUALITY. (1) Subject to subsections (2) and (3) of this section, express warranties made by any declarant or dealer to a purchaser of a unit in a condominium, if relied upon by the purchaser in purchasing the unit, are created as follows:

(a) Any written affirmation of fact or written promise that relates to the unit, its use, or rights appurtenant to the unit or its use, improvements to the condominium that would directly benefit the unit, or the right to use or have the benefit of facilities not located in the condominium creates an express warranty that the unit and related rights and uses will not materially deviate from the affirmation or promise.

(b) Any written description of the physical characteristics of the condominium at the time the purchase agreement is executed, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the written description in all material respects.

(c) Any written description of the quantity or extent of the real estate comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerances.

(d) A written statement that a purchaser may put a unit only to a specified use is an express warranty that the specified use is lawful.

(2) Subject to subsection (3) of this section, neither formal words, such as "warranty" or "guarantee," nor a specific intention to make a warranty are necessary to create an express warranty, but a statement of opinion or a commendation of the real estate, its quality, or its value does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change.

(3) A purchaser may not rely on any statement, affirmation, promise, model, depiction, or description unless it is contained in the public offering statement delivered to the purchaser or made in a record signed by the declarant or dealer, or the declarant's or dealer's agent identified in the public offering statement.

(4) Any conveyance of a unit transfers to the purchaser all express warranties of quality made by the declarant or dealer.

NEW SECTION. Sec. 415. IMPLIED WARRANTIES OF QUALITY. (1) A declarant and any dealer warrants to a purchaser of a condominium unit that the unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, except for reasonable wear and tear and damage by casualty or condemnation.

(2) A declarant and any dealer impliedly warrants to a purchaser of a condominium unit that the unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

(a) Free from defective materials;

(b) Constructed in accordance with sound engineering and construction standards;

(c) Constructed in a workmanlike manner; and

(d) Constructed in compliance with all laws then applicable to such improvements.

(3) A declarant and any dealer warrants to a purchaser of a condominium unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(4) Warranties imposed under this section may be excluded or modified as specified in section 416 of this act.

(5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant are made or contracted for by the declarant.

(6) Any conveyance of a condominium unit transfers to the purchaser all of a declarant's or dealer's implied warranties of quality.

(7)(a) In a proceeding for breach of any of the obligations arising under this section, the plaintiff must show that the alleged breach has adversely affected or will adversely affect the performance of that portion of the unit or common elements alleged to be in breach.

(b) As used in this subsection, an adverse effect must be more than technical and must be significant to a reasonable person. To establish an adverse effect, the person alleging the breach is not required to prove that the breach renders the unit or common element uninhabitable or unfit for its intended purpose.
(8) Proof of breach of any obligation arising under this section is not proof of damages. Damages awarded for a breach of an obligation arising under this section are the reasonable cost of repairs. However, if it is established that the cost of such repairs is clearly disproportionate to the loss in market value caused by the breach, damages are limited to the loss in market value.

NEW SECTION. Sec. 416. EXCLUSION OR MODIFICATION OF IMPLIED WARRANTIES OF QUALITY. (1) Except as limited under subsection (2) of this section with respect to a purchaser of a condominium unit that may be used for residential use, implied warranties of quality under section 415 of this act:
(a) May be excluded or modified by written agreement of the parties; and
(b) Are excluded by written expression of disclaimer, such as "as is," "with all faults," or other language that in common understanding calls the buyer's attention to the exclusion of warranties.

NEW SECTION. Sec. 416. EXCLUSION OR MODIFICATION OF IMPLIED WARRANTIES OF QUALITY. (2) With respect to a purchaser of a condominium unit that may be used for residential use, no disclaimer of implied warranties of quality under section 415 of this act is effective, except that a declarant and any dealer may disclaim liability in an instrument for one or more specified defects or failures to comply with applicable law, if:
(a) The declarant or dealer knows or has reason to believe that the specific defects or failures exist at the time of disclosure;
(b) The disclaimer specifically describes the defects or failures;
(c) The disclaimer includes a statement as to the effect of the defects or failures;
(d) The disclaimer is bold faced, capitalized, underlined, or otherwise set out from surrounding material so as to be conspicuous; and
(e) The disclaimer is signed by the purchaser.

(3) A declarant or dealer may not make an express written warranty of quality that limits the implied warranties of quality made to the purchaser set forth in section 415 of this act.

NEW SECTION. Sec. 417. WARRANTIES OF QUALITY—BREACH—ACTIONS FOR CONSTRUCTION DEFECT CLAIMS. (1) A proceeding for breach of any obligations arising under section 414, 415, or 416 of this act must be commenced within four years after the cause of action accrues. The period for commencing an action for a breach accruing with respect to a purchaser of a condominium unit that describes or portrays an unbuilt contemplated improvement in the condominium unless the description or portrayal of the improvement in the promotional material is conspicuously labeled or identified either as "MUST BE BUILT" or as "NEED NOT BE BUILT" or words to that effect.

(1) A declarant, association, unit owner, or any other person subject to this chapter may bring an action to enforce a right granted or obligation imposed under this chapter or the governing documents. The court may award reasonable attorneys' fees and costs.

NEW SECTION. Sec. 419. LABELING OF PROMOTIONAL MATERIAL. NEW SECTION. Sec. 420. IMPROVEMENTS—DECLARANT’S DUTIES. (1) Except for improvements labeled "NEED NOT BE BUILT" on the map in conformity to section 210(9) of this act, the declarant must complete all improvements depicted on the map or other graphic representation of a condominium, if the map or other graphic representation is contained in the public offering statement or in any promotional material approved or authorized by the declarant with respect to the condominium.

(2) The declarant is subject to liability for the prompt repair and restoration, to a condition compatible with the remainder of the condominium, of any portion of the condominium damaged by the exercise of rights reserved pursuant to or created under sections 211 through 217 of this act.

Except as needed to certify, authorize, or qualify bilingual personnel per subsection (2) of this section, the department will only offer spoken language interpreter testing in the following manner:

(a) To individuals speaking languages for which ten percent or more of the requests for interpreter services in the prior year for department employees and the health care authority on behalf of limited English-speaking applicants and recipients of public assistance that went unfilled through the procurement process in section 3 of this act;

(b) To spoken language interpreters who were decertified or deauthorized due to noncompliance with any continuing education requirements; and

(c) To current department certified or authorized spoken language interpreters seeking to gain additional certification or authorization.

(5) The department shall require compliance with RCW 41.56.113(2) through its contracts with third parties.

(6) Initial client contact materials shall inform clients in all primary languages of the availability of interpretation services for non-English speaking persons. Basic informational pamphlets shall be translated into all primary languages.

(7) To the extent all written communications directed to applicants or recipients are not in the primary language of the applicant or recipient, the department and the office of administrative hearings shall include with the written communication a notice in all primary languages of applicants or recipients describing the significance of the communication and specifically how the applicants or recipients may receive assistance in understanding, and responding to if necessary, the written communication. The department shall assure that sufficient resources are available to assist applicants and recipients in a timely fashion with understanding, responding to, and complying with the requirements of all such written communications.

(8) As used in this section:

(a) "Language access provider" means any independent contractor who provides spoken language interpreter services for state agencies, injured worker, or crime victim appointments through the department of labor and industries, or Medicaid enrollee appointments, or provided these services on or after January 1, 2009, and before June 10, 2010, whether paid by a broker, language access agency, or ((the department)) a state agency. "Language access provider" does not mean ((an owner,)) a manager(s) or employee of a broker or a language access agency.

(b) "Primary languages" includes but is not limited to Spanish, Vietnamese, Cambodian, Laotian, and Chinese.

NEW SECTION. Sec. 3. A new section is added to chapter 39.26 RCW to read as follows:

(1) The department of social and health services, the department of children, youth, and families, and the health care authority are each authorized to purchase interpreter services on behalf of limited English-speaking applicants and recipients of public assistance.

(2) The department of labor and industries is authorized to purchase interpreter services for medical and vocational providers authorized to provide services to limited English-speaking injured workers or crime victims.

(3) No later than September 1, 2020, the department of social and health services, the department of children, youth, and families, the health care authority, and the department of labor and industries must purchase in-person spoken language interpreter services directly from language access providers as defined in RCW 74.04.025, or through limited contracts with scheduling and coordinating delivery organizations, or both. Each state agency must have at least one contract with an entity that provides interpreter services through telephonic and video remote technologies. Nothing in this section precludes the department of labor and industries from purchasing in-person spoken language interpreter services directly from language access providers or from directly reimbursing language access providers.

(4) Notwithstanding subsection (3) of this section, the department of labor and industries may pay a language access provider directly for the costs of interpreter services when the services are necessary for use by a medical provider for emergency or urgent care, or where the medical provider determines that advanced notice is not feasible.

The department must have at least one contract with an entity that provides interpreter services through telephonic and video remote technologies. If the department determines it is more cost-effective or efficient, it may jointly purchase these services with the department of social and health services, the department of children, youth, and families, the health care authority, and the department of labor and industries as provided in subsection (3) of this section. The department of social and health services, department of children, youth, and families, the health care authority, and the department of labor and industries have the authority to procure interpreters through the department if the demand for spoken language interpreters cannot be met through their respective contracts.

(6) All interpreter services procured under this section must be provided by language access providers who are certified or authorized by the state, or nationally certified by the certification commission for health care interpreters or the national board for certification of medical interpreters. When a nationally certified, state-certified, or authorized language access provider is not available, a state agency is authorized to contract with a spoken language interpreter with other certifications or qualifications deemed to meet agency needs. Nothing in this subsection precludes providing interpretive services through state employees or employees of medical or vocational providers.

(7) Nothing in this section is intended to address how state agencies procure interpreters for sensory-impaired persons.

(8) For purposes of this section, "state agency" means any state office or activity of the executive branch of state government, including state agencies, departments, offices, divisions, boards, commissions, and correctional and other types of institutions, but excludes institutions of higher education as defined in RCW 28B.10.016, the school for the blind, and the center for childhood deafness and hearing loss.

(1) In addition to the entities listed in RCW 41.56.020, this
chapter applies to the governor with respect to language access
providers. Solely for the purposes of collective bargaining and as
expressly limited under subsections (2) and (3) of this section, the
governor is the public employer of language access providers
who, solely for the purposes of collective bargaining, are public
employees. The governor or the governor's designee shall
represent the public employer for bargaining purposes.

(2) There shall be collective bargaining, as defined in RCW
41.56.030, between the governor and language access providers,
except as follows:

(a) ((A statewide unit of all language access providers is)) The
only units appropriate for purposes of collective bargaining under
RCW 41.56.060 are:

(i) A statewide unit for language access providers who provide
spoken language interpreter services for any state agency
through the department of enterprise services, excluding language
access providers included in (a)(i) and (ii) of this subsection;

(ii) A statewide unit for language access providers who provide
spoken language interpreter services for injured workers or crime
victims receiving benefits from the department of labor and
industries; and

(iii) A statewide unit for language access providers who provide
spoken language interpreter services for the department of social and
health services appointments, department of children, youth, and
families appointments, or medicaid enrollee appointments.

(b) The exclusive bargaining representative of language access
providers in the unit specified in (a) of this subsection shall be the
representative chosen in an election conducted pursuant to RCW
41.56.070.

Bargaining authorization cards furnished as the showing of
interest in support of any representation petition or motion for
intervention filed under this section are exempt from disclosure
under chapter 42.56 RCW;

(c) Notwithstanding the definition of "collective bargaining" in
RCW 41.56.030(4), the scope of collective bargaining for
language access providers under this section is limited solely to:

(i) Economic compensation, such as the manner and rate of
payments; (ii) professional development and training; (iii) labor-
management committees; and (iv) grievance procedures. Retirement
benefits are not subject to collective bargaining. By
such obligation neither party may be compelled to agree to a
proposal or be required to make a concession unless otherwise
provided in this chapter;

(d) In addition to the entities listed in the mediation and interest
arbitration provisions of RCW 41.56.430 through 41.56.470 and
41.56.480, the provisions apply to the governor or the governor's
designee and the exclusive bargaining representative of language
access providers, except that:

(i) In addition to the factors to be taken into consideration by
an interest arbitration panel under RCW 41.56.465, the panel shall
consider the financial ability of the state to pay for the
compensation and benefit provisions of a collective bargaining
agreement;

(ii) The decision of the arbitration panel is not binding on the
legislature and, if the legislature does not approve the request for
funds necessary to implement the compensation and benefit
provisions of the arbitrated collective bargaining agreement, the
decision is not binding on the state;

(e) Language access providers do not have the right to strike;

(f) If a single employee organization is the exclusive
bargaining representative for two or more units, upon petition by
the employee organization, the units may be consolidated into a
single larger unit if the commission considers the larger unit to be
appropriate. If consolidation is appropriate, the commission shall
 certify the employee organization as the exclusive bargaining
representative of the new unit;

(g) If a single employee organization is the exclusive
bargaining representative for two or more bargaining units, the
governor and the employee organization may agree to negotiate a
single collective bargaining agreement for all of the bargaining
units that the employee organization represents.

(3) Language access providers who are public employees
solely for the purposes of collective bargaining under subsection
(1) of this section are not, for that reason, employees of the state
for any other purpose. This section applies only to the governance
of the collective bargaining relationship between the employer
and language access providers as provided in subsections (1) and
(2) of this section.

(4) Each party with whom the department of social and health
services, the department of labor and industries, and the
department of enterprise services contracts for language access
services and each of their subcontractors shall provide to the
respective department an accurate list of language access
providers, as defined in RCW 41.56.030, including their names,
addresses, and other contact information, annually by January
30th, except that initially the lists must be provided within thirty
days of ((June 10, 2010)) the effective date of this section. The
department shall, upon request, provide a list of all language
access providers, including their names, addresses, and other
contact information, to a labor union seeking to represent
language access providers.

to the delivery of state services under chapter 74.04 or 39.26
RCW or Title 51 RCW. The governor may not enter into, extend,
or renew any agreement under this chapter that does not expressly
reserve the legislative rights described in this subsection.

(6) Upon meeting the requirements of subsection (7) of this
section, the governor must submit, as a part of the proposed
biennial or supplemental operating budget submitted to the
legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement the agreement.

(7) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section may not be submitted by the governor to the legislature unless the request has been:
   (a) Submitted to the director of financial management by October 1st prior to the legislative session at which the requests are to be considered, except that, for initial negotiations under this section, the request may not be submitted before July 1, 2011; and
   (b) Certified by the director of financial management as financially feasible for the state or reflective of a binding decision of an arbitration panel reached under subsection (2)(d) of this section.

(8) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any collective bargaining agreement must be reopened for the sole purpose of renegotiating the funds necessary to implement the agreement.

(9) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(10) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of language access providers and their exclusive bargaining representative to the extent the activities are authorized by this chapter.

Sec. 8. RCW 41.56.510 and 2017 3rd sp.s. c 6 s 809 are each amended to read as follows:

SECOND READING

SECOND SUBSTITUTE HOUSE BILL NO. 1896, by House Committee on Appropriations (originally sponsored by

MOTION

Senator Wellman moved that the following striking amendment no. 927 by Senator Wellman be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that effective civics education teaches students how to be active, informed, and engaged citizens. The legislature recognizes that RCW 28A.150.210 identifies civics as one component of a basic education and that one-half credit in civics is required for high school graduation. The required civics content, however, may be embedded in another social studies course.

Civics requirements are meant to ensure that every student receives a high-quality civics education from kindergarten through twelfth grade. The legislature also recognizes, however, that two factors limit the effectiveness of civics education.

First, when the one-half civics credit is embedded in other courses rather than taught in a stand-alone civics course, the required content is easily diluted or ignored altogether. Pressure to emphasize other areas of the curriculum can relegate civics education to a lesser role.

Second, professional development opportunities for teachers in civics education are rare. In many districts, due to limited budgets and competing demands for funding, opportunities for teachers to deepen instructional and curricular practices in civics do not exist.

The legislature, therefore, intends to: Require school districts to provide a mandatory stand-alone civics course for all high school students; and support the development of an in-depth and interactive teacher professional development program to improve the ability of teachers throughout the state to provide students with an effective civics education from kindergarten through twelfth grade. This expanded civics education program seeks to ensure that students have basic knowledge about national, state, tribal, and local governments, and that they develop the skills and dispositions needed to become informed and engaged citizens.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.230 RCW to read as follows:

(1)(a) Beginning with or before the 2020-21 school year, each school district that operates a high school must provide a mandatory one-half credit stand-alone course in civics for each high school student. Except as provided by (c) of this subsection, civics content and instruction embedded in other social studies courses do not satisfy the requirements of this subsection.

(b) Credit awarded to students who complete the civics course must be applied to course credit requirements in social studies that are required for high school graduation.

(c) Civics content and instruction required by this section may be embedded in social studies courses that offer students the opportunity to earn both high school and postsecondary credit.

(2) The content of the civics course must include, but is not limited to:

(a) Federal, state, tribal, and local government organization and procedures;

(b) Rights and responsibilities of citizens addressed in the Washington state and United States Constitutions;

(c) Current issues addressed at each level of government;

(d) Electoral issues, including elections, ballot measures, initiatives, and referenda;

(e) The study and completion of the civics component of the federally administered naturalization test required of persons seeking to become naturalized United States citizens; and

(f) The importance in a free society of living the basic values and character traits specified in RCW 28A.150.211.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.415 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, an expanded civics education teacher training program is established within the office of the superintendent of public instruction.

(2) The program must provide for the selection of a team of qualified social studies teachers, and when appropriate, civics education specialists, from across the state who will:

(a) Develop teacher training materials using existing open educational resources (OERs) that include civics information on national, state, tribal, and local government, and the civics component of the federally administered naturalization test required of persons seeking to become naturalized United States citizens;

(b) Provide teacher training across the state, consistent with provisions in this chapter, and using the tools established by the office of the superintendent of public instruction including the college, career, and civic life (C3) framework and the six proven instructional practices for enhancing civics education; and

(c) Provide professional learning opportunities as described in section 2(3), chapter 77, Laws of 2016, which states that professional learning shall incorporate differentiated, coherent, sustained, and evidence-based strategies that improve educator effectiveness and student achievement, including job-embedded coaching or other forms of assistance to support educators’ transfer of new knowledge and skills into their practice.

(3) The program shall assure an increase in the number of:

(a) Teachers with the knowledge and skills to effectively engage students in civics education;

(b) Students who have a basic understanding of how governments work; and

(c) Students from every demographic and socioeconomic group who know their rights and responsibilities within society and are prepared to exercise them.

(4) The office of the superintendent of public instruction may accept gifts and grants to assist with the establishment and implementation of the program established in this section.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.300 RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction shall select two school districts that are diverse in size and in geographic and demographic makeup to serve as demonstration sites for enhanced civics education. These demonstration sites will:

(1) Implement and assess an in-depth civics education program that includes the six proven instructional practices for enhancing civics education in kindergarten through twelfth grade classrooms;

(2) Collaborate with programs and agencies in the local community in order to expand after-school and summer civics education opportunities;

(3) Monitor and report the level of penetration of civics education in school and out-of-school programs;

(4) Ensure that underserved students including rural, low-income, immigrant, and refugee students are prioritized in the implementation of programs;
(5) Develop evaluation standards and a procedure for endorsing civics education curriculum that can be recommended for use in other school districts and out-of-school programs; and

(6) Provide an annual report on the demonstration sites by December 1st each year to the governor and the committees of the legislature with oversight over K-12 education.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.300 RCW to read as follows:

(1)(a) Effective July 1, 2018, responsibility for administering
the Washington history day program is transferred from the
Washington state historical society to the office of the
superintendent of public instruction. In accordance with this
subsection (1)(a), and subject to funds appropriated for this
specific purpose, the office of the superintendent of public
instruction is responsible for the administration and coordination
of the Washington history day program, a program affiliated with
the national history day organization, including providing
necessary staff support.

(b) Subject to the requirements and limits of (a) of this
subsection, the Washington history day program must be operated
as a partnership between the office of the superintendent of public
instruction, the Washington state historical society, and private
parties interested in providing funding and in-kind support for the
program. The Washington state historical society must, in
coordination with the office of the superintendent of public
instruction, promote the program and provide access and support
for students who are conducting primary and secondary research
of historical Washington state documents and commentary.

(2) The Washington history day account is created in the
custody of the state treasurer. In collaboration with private and
philanthropic partners, private matching funds will be procured to
support Washington history day. All receipts from gifts, grants,

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.170.020 and 1995 c 269 s 2203 are each amended to read as follows:

As used in this chapter:
(1) "Department" means department of health.
(2) "Hospital" means any health care institution which is required to qualify for a license under RCW 70.41.020((2)));
(3) "Secretary" means secretary of health.
(4) "Charity care" means medically necessary hospital health care rendered to indigent persons when third-party coverage, if any, has been exhausted, to the extent that the persons are unable to pay for the care or to pay deductibles or coinsurance amounts required by a third-party payer, as determined by the department.
(5) "Third-party coverage" means an obligation on the part of an insurance company, health care service contractor, health maintenance organization, group health plan, government program, tribal health benefits, or health care sharing ministry as defined in 26 U.S.C. Sec. 5000A to pay the care of covered patients and services, and may include settlements, judgments, or awards actually received related to the negligent acts of others which have resulted in the medical condition for which the patient has received hospital health care service. The pendency of such settlements, judgments, or awards must not stay hospital obligations to consider an eligible patient for charity care.
(6) "Sliding fee schedule" means a hospital-determined, publicly available schedule of discounts to charges for persons deemed eligible for charity care; such schedules shall be
established after consideration of guidelines developed by the department.

((644)) (2) "Special studies" means studies which have not been funded through the department's biennial or other legislative appropriations.

Sec. 2. RCW 70.170.060 and 1998 c 245 s 118 are each amended to read as follows:

(1) No hospital or its medical staff shall adopt or maintain admission practices or policies which result in:
   (a) A significant reduction in the proportion of patients who have no third-party coverage and who are unable to pay for hospital services;
   (b) A significant reduction in the proportion of individuals admitted for inpatient hospital services for which payment is, or is likely to be, less than the anticipated charges for or costs of such services; or
   (c) The refusal to admit patients who would be expected to require unusually costly or prolonged treatment for reasons other than those related to the appropriateness of the care available at the hospital.

(2) No hospital shall adopt or maintain practices or policies which would deny access to emergency care based on ability to pay. No hospital which maintains an emergency department shall transfer a patient with an emergency medical condition or who is in active labor unless the transfer is performed at the request of the patient or is due to the limited medical resources of the transferring hospital. Hospitals must follow reasonable procedures in making transfers to other hospitals including confirmation of acceptance of the transfer by the receiving hospital.

(3) The department shall develop definitions by rule, as appropriate, for subsection (1) of this section and, with reference to federal requirements, subsection (2) of this section. The department shall monitor hospital compliance with subsections (1) and (2) of this section. (5) For the purpose of providing charity care, each hospital shall develop, implement, and maintain a charity care policy which, consistent with subsection (1) of this section, shall enable people below the federal poverty level access to appropriate hospital-based medical services, and a sliding fee schedule for determination of discounts from charges for persons who qualify for such discounts by January 1, 1990. The department shall develop specific guidelines to assist hospitals in setting sliding fee schedules required by this section. All persons with family income below one hundred percent of the federal poverty standard shall be deemed charity care patients for the full amount of hospital charges, (provided that such persons are not eligible for other private or public health coverage sponsorship. Persons who may be eligible for charity care shall be notified by the hospital.

((644)) except to the extent the patient has third-party coverage for those charges.

The summary and application form must be available in all languages spoken by more than ten percent of the population of the hospital service area.

((8)(a) All hospital billing statements and other written communications concerning billing or collection of a hospital bill by a hospital must include the following or a substantially similar statement prominently displayed on the first page of the statement in both English and the second most spoken language in the hospital's service area:

You may qualify for free care or a discount on your hospital bill, whether or not you have insurance. Please contact our financial assistance office at [web site] and [phone number].

Hospitals shall develop standardized training programs on the hospital's charity care policy and use of interpreter services, and provide regular training for appropriate staff, including the relevant and appropriate staff who perform functions relating to registration, admissions, or billing.

(10) Each hospital shall make every reasonable effort to determine:

(a) The existence or nonexistence of private or public sponsorship which might cover in full or part the charges for care rendered by the hospital to a patient;

(b) The annual family income of the patient as classified under federal poverty income guidelines as of the time the health care services were provided, or at the time of application for charity care if the application is made within two years of the time of service, the patient has been making good faith efforts towards payment of health care services rendered, and the patient demonstrates eligibility for charity care; and

(c) The eligibility of the patient for charity care as defined in this chapter and in accordance with hospital policy. An initial determination of sponsorship status shall precede collection efforts directed at the patient.

((42)) (11) At the hospital's discretion, a hospital may consider applications for charity care at any time, including any time there is a change in a patient's financial circumstances.

(12) The department shall monitor the distribution of charity care among hospitals, with reference to factors such as relative need for charity care in hospital service areas and trends in private and public health coverage. The department shall prepare reports that identify any problems in distribution which are in contradiction of the intent of this chapter. The report shall include an assessment of the effects of the provisions of this chapter on access to hospital and health care services, as well as an evaluation of the contribution of all purchasers of care to hospital charity care.

((644)) (13) The department shall issue a report on the subjects addressed in this section at least annually, with the first report due on July 1, 1990.

MESSAGE FROM THE HOUSE

February 28, 2018

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 6274 with the following amendment(s): 6274-S2 AMH HE H4955.1

Strike everything after the enacting clause and insert the following:

"Sec. 1.  RCW 28B.117.005 and 2013 c 39 s 11 are each amended to read as follows:

(1)(a) (The legislature finds that in Washington, there are more than seven thousand three hundred children in foster family or group care. These children face unique obstacles and burdens as they transition to adulthood, including lacking continuity in their elementary and high school educations. As compared to the general population of students, twice as many foster care youth change schools at least once during their elementary and secondary school careers, and three times as many change schools at least three times. Only thirty-four percent of foster care youth graduate from high school within four years, compared to seventy percent for the general population. Of the former foster care youth who earn a high school diploma, more than twenty-eight percent earn a high school equivalency certificate as provided in RCW 28B.50.536 instead of a traditional high school diploma. This is almost six times the rate of the general population. Research indicates that holders of high school equivalency certificates tend not to be as economically successful as the holders of traditional high school diplomas. Only twenty percent of former foster care youth who earn a high school degree enroll in college, compared to over sixty percent of the population generally. Of the former foster care youth who do enroll in college, very few go on to earn a degree. Less than two percent of former foster care youth hold bachelor's degrees, compared to twenty-eight percent of Washington's population generally.

(b) Former foster care youth face two critical hurdles to enrolling in college. The first is a lack of information regarding preparation for higher education and their options for enrolling in higher education. The second is finding the financial resources to fund their education. As a result of the unique hurdles and challenges that face former foster care youth, a disproportionate number of them are part of society's large group of marginalized youth and are at increased risk of continuing the cycle of poverty and violence that frequently plagues their families.

(c) Former foster care youth suffer from mental health problems at a rate greater than that of the general population. For example, one in four former foster care youth report having suffered from posttraumatic stress disorder within the previous twelve months, compared to only four percent of the general population. Similarly, the incidence of major depression among former foster care youth is twice that of the general population, twenty percent versus ten percent.

(d) There are other barriers for former foster care youth to achieving successful adulthood. One third of former foster care youth live in households that are at or below the poverty level. This is three times the rate for the general population. The percentage of former foster care youth who report being homeless within one year of leaving foster care varies from over ten percent to almost twenty-five percent. By comparison, only one percent of the general population reports having been homeless at sometime during the past year. One in three former foster care youth lack health insurance, compared to less than one in five people in the general population. One in six former foster care youth receive cash public assistance. This is five times the rate of the general population.

(e) Approximately twenty-five percent of former foster care youth are incarcerated at sometime after leaving foster care. This is four times the rate of incarceration for the general population. Of the former foster care youth who "age out" of foster care, twenty-seven percent of the males and ten percent of the females are incarcerated within twelve to eighteen months of leaving foster care.

(f) Female former foster care youth become sexually active more than seven months earlier than their nonfoster care counterparts, have more sexual partners, and have a mean age of first pregnancy of almost two years earlier than their peers who were not in foster care.

(g) The legislature intends to create the passport to college promise pilot program. The pilot program will initially operate for a six-year period, and will have two primary components, as follows:

(a) Significantly increasing outreach to foster care youth between the ages of fourteen and eighteen regarding the higher education opportunities available to them, how to apply to college, and how to apply for and obtain financial aid; and
(b) Providing financial aid to former foster care youth to assist with the costs of their public undergraduate college education.

The legislature finds that with the creation of the passport to college promise program this state took a significant step toward providing higher education opportunities to youth and alumni of foster care. The passport to college promise program not only provides financial aid to former foster youth but, just as important, it recognizes the critical role of wraparound services and provides early outreach to foster care youth regarding postsecondary higher educational opportunities. Since 2007, the passport to college promise program has increased the number of former foster youth enrolling in higher education and working toward college degrees.

(b) Recognizing the success of creating pathways for foster youth to access higher education, the legislature now seeks to create an additional postsecondary pathway through access to registered apprenticeships or recognized preapprenticeships. Former foster and unaccompanied homeless youth face critical hurdles to accessing registered apprenticeships and recognized preapprenticeships. The first is a lack of information regarding preparation for and enrolling in registered apprenticeships or recognized preapprenticeships. The second is finding the financial resources to begin and continue in an apprenticeship or preapprenticeship. As a result of the unique hurdles and challenges that face youth in and alumni of foster care and unaccompanied homeless and former homeless youth, a disproportionate number of them are part of society's large group of marginalized youth.

(c) The legislature reiterates its earlier recognition of the critical role education plays in improving outcomes for youth in and alumni of foster care and unaccompanied homeless and former homeless youth, as well as the key role played by wraparound services in providing continuity and seamless transitions to postsecondary credential programs. With the creation of a parallel pathway with a passport for registered apprenticeships or recognized preapprenticeships, including for the provision of wraparound services, the legislature strives to make Washington the leader in the nation with respect to foster and unaccompanied homeless youth graduating from high school and enrolling in and achieving a postsecondary credential.

(d) The legislature further finds that students experiencing homelessness face similar challenges and educational outcomes as their peers in foster care. In 2016, fifty-three and two-fifths percent of Washington youth experiencing homelessness graduated from high school on time, compared to seventy-nine percent of their peers. Students experiencing homelessness are more likely to be students of color, chronically absent, and have lower test scores in reading and math. Homeless students may also be former foster youth and foster youth may be formerly homeless students. Similar to youth in foster care, students experiencing homelessness need opportunities for financial aid, wraparound services, and early outreach regarding postsecondary higher educational opportunities and apprenticeships.

(2) It is the intent of the legislature to create the passport to careers program with two programmatic pathways: The passport to college promise program and the passport to apprenticeship opportunities. The passport to careers program expands upon the passport to college promise program created in 2007 to include a program of financial assistance for eligible youth and young adults to participate in apprenticeship or preapprenticeship programs called the passport to apprenticeship opportunities program. The passport to careers program will have three primary components:

(a) Outreach to foster and unaccompanied homeless youth and young adults regarding the higher education and registered apprenticeship opportunities available to them, how to apply, and how to apply for and obtain financial aid;

(b) Provide financial support to former foster and unaccompanied homeless youth to assist with the costs of their public undergraduate college education or provide financial assistance to meet apprenticeship or preapprenticeship program minimum qualifications and occupational-specific costs and the supportive services to help them apply and complete a registered apprenticeship or recognized preapprenticeship; and

(c) Measurably increase the number of foster and homeless youth accessing and completing higher education or registered apprenticeship programs and successfully entering and retaining employment.

Sec. 2. RCW 28B.117.010 and 2012 c 163 s 2 are each amended to read as follows:

The passport to ((college promise)) careers program is created. The purpose of the program is:

(1) To encourage current and former foster care youth and unaccompanied youth experiencing homelessness to prepare for, (attend) enroll in, and successfully complete higher education or a registered apprenticeship or preapprenticeship program;

(2) To improve the high school graduation outcomes of foster youth and unaccompanied youth experiencing homelessness through coordinated P-20 and child welfare outreach, intervention, and planning; and

(3) To improve postsecondary outcomes by providing current and former foster care youth and unaccompanied youth who have experienced homelessness with the educational planning, information, institutional support, and direct financial resources necessary for them to succeed in either higher education or a registered apprenticeship or preapprenticeship program.

Sec. 3. RCW 28B.117.020 and 2012 c 163 s 3 are each amended to read as follows:

(c) Extend financial assistance to any eligible applicant for a maximum of six years after first enrolling with a registered apprenticeship or recognized preapprenticeship, or until the applicant turns twenty-six, whichever occurs first.

(7) Recipients may utilize passport to college promise or passport to apprenticeship opportunities at different times, but not concurrently. The total award an individual may receive in any combination of the programs shall not exceed the equivalent amount that would have been awarded for the individual to attend a public university for five years with the highest annual tuition and state-mandated fees in the state.

Sec. 5. RCW 28B.117.040 and 2012 c 163 s 4 are each amended to read as follows:

Effective operation of the passport to (((college promise))) careers program requires early and accurate identification of former foster care youth and unaccompanied youth experiencing homelessness so that they can be linked to the financial and other assistance that will help them succeed in college or in a registered apprenticeship or recognized preapprenticeship. To that end:

(1) All institutions of higher education that receive funding for student support services under RCW 28B.117.030 shall include on their applications for admission or on their registration materials a question asking whether the applicant has been in state, tribal, or federal foster care in Washington state ((for at least one year since his or her sixteenth birthday together)) or experienced unaccompanied homelessness under the parameters in subsection (3)(a) of this section, as determined by the office, with an explanation that financial and support services may be available. All other institutions of higher education are strongly encouraged to include such a question and explanation. No institution may consider whether an applicant may be eligible for a scholarship or student support services under this chapter when deciding whether the applicant will be granted admission.

(2) With substantial input from the office of the superintendent of public instruction, the department of social and health services and the department of children, youth, and families shall devise and implement procedures for efficiently, promptly, and accurately identifying students and applicants who are eligible for services under RCW 28B.117.030, and for sharing that information with the office (((and with)), the institutions of higher education, and the nongovernmental entity or entities identified in RCW 28B.117.030((5)(e)), 28B.77.250, and section 8 of this act. The procedures shall include appropriate safeguards for consent by the applicant or student before disclosure.

Sec. 6. RCW 28B.77.250 and 2016 c 71 s 5 are each amended to read as follows:

(1) To the extent funds are appropriated for this purpose, the council, with input from the office of the superintendent of public instruction; the department of children, youth, and families; the department of commerce office of homeless youth prevention and protection programs; and the department of social and health services, shall contract with at least one nongovernmental entity to develop, implement, and administer a program of supplemental educational transition planning for youth in foster care and unaccompanied youth experiencing homelessness in Washington state.

(2) The nongovernmental entity or entities chosen by the council shall have demonstrated success in working with foster care and unaccompanied homeless youth and assisting foster care and unaccompanied homeless youth in successfully making the transition from high school to a postsecondary plan, including postsecondary enrollment, career, or service.

(3) The selected nongovernmental entity or entities shall provide supplemental educational transition planning to foster care and unaccompanied homeless youth in Washington state. Youth eligible for referral are not currently served by programs under RCW 28A.300.592, dependent pursuant to chapter 13.34 RCW, age thirteen through twenty-one, and remain eligible for continuing service following fulfillment of the permanent plan and through initiation of a postsecondary plan. After high school completion, services are concluded within a time period specified in the contract to pursue engagement of continuing postsecondary support services provided by local education agencies, postsecondary education, community-based programs, or the passport to (((college promise))) careers program. The nongovernmental entity or entities must facilitate the educational progress, graduation, and postsecondary plan initiation of eligible youth. The contract must be outcome driven with a stated goal of improving the graduation rates and postsecondary plan initiation of eligible youth by two percent per year over five school year periods starting with the 2016-17 school year and ending with the 2021-22 school year. With each new contract, a baseline must be established at the end of the first year of service provision.

(4) The supplemental transition planning shall include:

(a) Consultation with schools and the department of social and health services' case workers to develop educational plans for and with participating youth;

(b) Age-specific developmental and logistical tasks to be accomplished for high school and postsecondary success;

(c) Facilitating youth participation with appropriate school and local resources that may assist in educational access and success; and

(d) Coordinating youth, caregivers, schools, and social workers to support youth progress in the educational system; and

(e) Establishing postsecondary plan initiation in coordination with the passport to careers program.

(5) The selected nongovernmental entity or entities may be colocated in the offices of the department of social and health services to provide timely consultation. These entities must have access to all paper and electronic education records and case information pertinent to the educational planning and services of youth referred and are subject to RCW 13.50.010 and 13.50.100.
(6) The contracted nongovernmental entity or entities must report outcomes to the council and the department of social and health services semiannually (beginning on December 1, 2016).

(7) For purposes of this section, "homeless" and "unaccompanied" have the same meanings as in RCW 28B.117.020.

Sec. 7. RCW 28B.117.050 and 2011 1st sp.s. c 11 s 223 are each amended to read as follows:

In developing the web site and conducting the outreach program, the office shall get input from community and technical colleges; the foster care partnership; institutions of higher education; the employment security department; the state apprenticeship and training council; the workforce training and education coordinating board; department of commerce office of homeless youth prevention and protection programs; department of children, youth, and families; the department of licensing; and the department of labor and industries. (c) How and when to apply for a registered apprenticeship or preapprenticeship program;

(d) What academic subject matter prerequisites, if any, are generally required for acceptance to an institute of higher education, a registered apprenticeship, or a preapprenticeship program;

(e) What college placement tests, if any, are generally required for admission to college and when and how to register for such tests;

((f))) (1) How and when to obtain and complete a federal free application for federal student aid (FAFSA) or if ineligible to apply for the FAFSA, the state financial aid application approved by the office; and

((f))) (2) Detailed sources of financial aid and assistance likely available to eligible former foster care and unaccompanied homeless youth, including the financial aid and assistance provided by this chapter.

(2) The office shall determine whether to design, build, and operate such program and web site directly or to use, support, and modify existing web sites created by government or nongovernmental entities for a similar purpose.

NEW SECTION.  Sec. 8. A new section is added to chapter 28B.117 RCW to read as follows:

Subject to availability of amounts appropriated for this specific purpose, the office, with approval from the employment security department and the apprenticeship and training council pursuant to chapter 49.04 RCW, shall contract with at least one nongovernmental entity to provide quality training, employment navigation, and supportive services to disadvantaged populations seeking to complete apprenticeships and preapprenticeships through the passport to apprenticeship opportunities program. The nongovernmental entity shall also disburse state financial assistance under RCW 28B.117.030(5) to meet registered apprenticeship and preapprenticeship entrance requirements and occupational-specific costs.

NEW SECTION.  Sec. 9. The legislature strongly recommends that the entities selected in sections 6 and 8 of this act coordinate on technological models to keep the students they serve engaged.

Sec. 10. RCW 28B.76.526 and 2016 c 241 s 201 are each amended to read as follows:

MESSAGE FROM THE HOUSE

February 28, 2018

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6329 with the following amendment(s): 6329-S.E AMH CB H5004.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that unit priced contracting is a decades old, proven practice used at ports for competitively bid maintenance and repair work that is common but unpredictable in its timing and scope. Unit priced contracting is an efficient mechanism to maintain essential services to port customers, often on short notice or in emergency situations.

(2) The legislature also finds that unit priced contracting ensures that necessary work is performed safely and at a competitive rate by qualified contractors, and also saves public money because of additional costs that would be incurred by bidding each work order separately.

(3) The legislature also finds that, in order to avoid litigation and audit risk, statutory clarification is needed regarding the authority for port districts to engage in unit priced contracting.

(4) The legislature also finds that flexibility for small projects produces a more efficient process.

Sec. 2. RCW 53.08.120 and 2009 c 74 s 2 are each amended to read as follows:

(1) All material and work required by a port district not meeting the definition of public work in RCW 39.04.010(4) may be procured in the open market or by contract and all work ordered may be done by contract or day labor.

(2)(a) All such contracts for work meeting the definition of "public work" in RCW 39.04.010(4), the estimated cost of which exceeds three hundred thousand dollars, shall be awarded using a competitive bid process. The contract must be awarded at public bidding upon notice published in a newspaper of general circulation in the district at least thirteen days before the last date upon which bids will be received, calling for bids upon the work, plans and specifications for which shall then be on file in the office of the commission for public inspection. The same notice may call for bids on such work or material based upon plans and specifications submitted by the bidder. The competitive bidding requirements for purchases or public works may be waived pursuant to RCW 39.04.280 if an exemption contained within that section applies to the purchase or public work.

(b) For all contracts related to work meeting the definition of "public work" in RCW 39.04.010(4) that are estimated at three hundred thousand dollars or less, a port district may let contracts using the small works roster process under RCW 39.04.155 in lieu of advertising for bids. Whenever possible, the managing official shall invite at least one proposal from a minority contractor who shall otherwise qualify under this section.

When awarding such a contract for work, when utilizing proposals from the small works roster, the managing official shall give weight to the contractor submitting the lowest and best proposal, and whenever it would not violate the public interest, such contracts shall be distributed equally among contractors, including minority contractors, on the small works roster.

(c) Any port district may construct any public work, as defined in RCW 39.04.010, by contract without calling for bids whenever the estimated cost of the work or improvement, including cost of materials, supplies, and equipment, will not exceed the sum of forty thousand dollars. A "public works project" means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid calling for bids. The port district managing official shall make his or her best effort to reach out to qualified contractors, including certified minority and woman-owned contractors.

(3)(a) A port district may procure public works with a unit priced contract under this section or RCW 39.04.010(2) for the purpose of completing anticipated types of work based on hourly rates or unit pricing for one or more categories of work or trades.

(b) For the purposes of this section, unit priced contract means a competitively bid contract in which public works are anticipated on a recurring basis to meet the business or operational needs of a port district, under which the contractor agrees to a fixed period..."
indefinite quantity delivery of work, at a defined unit price, for each category of work.

(c) Unit priced contracts must be executed for an initial contract term not to exceed three years, with the port district having the option of extending or renewing the unit priced contract for one additional year.

(d) Invitations for unit priced bids shall include, for purposes of the bid evaluation, estimated quantities of the anticipated types of work or trades, and specify how the port district will issue or release work assignments, work orders, or task authorizations pursuant to a unit priced contract for projects, tasks, or other work based on the hourly rates or unit prices bid by the contractor. Contracts must be awarded to the lowest responsible bidder as per RCW 39.04.010. Whenever possible, the port district must invite at least one proposal from a minority or woman contractor who otherwise qualifies under this section.

(e) Unit priced contractors shall pay prevailing wages for all work that would otherwise be subject to the requirements of chapter 39.12 RCW. Prevailing wages for all work performed pursuant to each work order must be the prevailing wage rates in effect at the beginning date for each contract year. Unit priced contracts shall have prevailing wage rates updated annually. Intents and affidavits for prevailing wages paid shall be submitted annually for all work completed within the previous twelve-month period of the unit priced contract. Correct the title.

and the same is herewith transmitted.

(vi) Extended family members, as defined by the law or custom of an Indian child's tribe or, in the absence of such law or custom, a person who has reached the age of eighteen and who is the Indian child's grandparent, aunt or uncle, brother or sister, brother-in-law or sister-in-law, niece or nephew, first or second cousin, or stepparent who provides care in the family abode on a twenty-four hour basis to an Indian child as defined in 25 U.S.C. Sec. 1903(4).

(b) "Relative" does not include a person whose parental rights have been terminated, relinquished, or determined not to exist with respect to a child who is the subject of a petition under this chapter.

NEW SECTION. Sec. 2. (1) A person who is not the parent of the child may petition for visitation with the child if:

(a) The petitioner has an ongoing and substantial relationship with the child;

(b) The petitioner is a relative of the child or a parent of the child; and

(c) The child is likely to suffer harm or a substantial risk of harm if visitation is denied.

(2) A person has established an ongoing and substantial relationship with a child if the person and the child have had a relationship formed and sustained through interaction, companionship, and mutualty of interest and affection, without expectation of financial compensation, with substantial continuity for at least two years unless the child is under the age of two years, in which case there must be substantial continuity for at least half of the child's life, and with a shared expectation of and desire for an ongoing relationship.

NEW SECTION. Sec. 3. (1) If a court has jurisdiction over the child pursuant to chapter 26.27 RCW, a petition for visitation under section 2 of this act must be filed with that court.

(2) Except as otherwise provided in subsection (1) of this section, if a court has exclusive original jurisdiction over the child...
under RCW 13.04.030(1) (a) through (d), (h), or (j), a petition for visitation under section 2 of this act must be filed with that court. Granting of a petition for visitation under this chapter does not entitle the petitioner to party status in a child custody proceeding under Title 13 RCW.

(3) Except as otherwise provided in subsections (1) and (2) of this section, a petition for visitation under section 2 of this act must be filed in the county where the child primarily resides.

(4) The petitioner may not file a petition for visitation more than once.

(5) The petitioner must file with the petition an affidavit alleging that:

(a) A relationship with the child that satisfies the requirements of section 2 of this act exists or existed before action by the respondent; and

(b) The child would likely suffer harm or the substantial risk of harm if visitation between the petitioner and child was not granted.

(6) The petitioner shall set forth facts in the affidavit supporting the petitioner's requested order for visitation.

(7) The petitioner shall serve notice of the filing to each person having legal custody of, or court-ordered residential time with, the child. A person having legal custody or residential time with the child may file an opposing affidavit.

(8) If, based on the petition and affidavits, the court finds that it is more likely than not that visitation will be granted, the court shall hold a hearing.

(9) The court may not enter any temporary orders to establish, enforce, or modify visitation under this section.

NEW SECTION. Sec. 4. (1)(a) At a hearing pursuant to section 3(8) of this act, the court shall enter an order granting visitation if it finds that the child would likely suffer harm or the substantial risk of harm if visitation between the petitioner and the child is not granted and that granting visitation between the child and the petitioner is in the best interest of the child.

(b) An order granting visitation does not confer upon the petitioner the rights and duties of a parent.

(2) In making its determination, the court shall consider the respondent's reasons for denying visitation. It is presumed that a fit parent's decision to deny visitation is in the best interest of the child and does not create a likelihood of harm or a substantial risk of harm to the child.

(3) To rebut the presumption in subsection (2) of this section, the petitioner must prove by clear and convincing evidence that the child would likely suffer harm or the substantial risk of harm if visitation between the petitioner and the child were not granted.

(4) If the court finds that the petitioner has met the standard for rebutting the presumption in subsection (2) of this section, or if there is no presumption because no parent has custody of the child, the court shall consider whether it is in the best interest of the child to enter an order granting visitation. The petitioner must prove by clear and convincing evidence that visitation is in the child's best interest. In determining whether it is in the best interest of the child, the court shall consider the following, nonexclusive factors:

(a) The love, affection, and strength of the current relationship between the child and the petitioner and how the relationship is beneficial to the child;

(b) The length and quality of the prior relationship between the child and the petitioner before the respondent denied visitation, including the role performed by the petitioner and the emotional ties that existed between the child and the petitioner;

(c) The relationship between the petitioner and the respondent;

(d) The love, affection, and strength of the current relationship between the child and the respondent;

(e) The nature and reason for the respondent's objection to granting the petitioner visitation;

(f) The effect that granting visitation will have on the relationship between the child and the respondent;

(g) The residential time-sharing arrangements between the parties having residential time with the child;

(h) The good faith of the petitioner and respondent;

(i) Any history of physical, emotional, or sexual abuse or neglect by the petitioner, or any history of physical, emotional, or sexual abuse or neglect by a person residing with the petitioner if visitation would involve contact between the child and the person with such history;

(j) The child's reasonable preference, if the court considers the child to be of sufficient age to express a preference;

(k) Any other factor relevant to the child's best interest; and

(l) The fact that the respondent has not lost his or her parental rights by being adjudicated as an unfit parent.

NEW SECTION. Sec. 5. (1)(a) For the purposes of sections 2 through 4 of this act, unless it finds, on the basis of facts that have arisen since the entry of the order or were unknown to the court at the time it entered the order, that a substantial change of circumstances has occurred in the circumstances of the child or nonmoving party and that modification or termination of the order is necessary for the best interest of the child.

(2)(a) If a court has jurisdiction over the child pursuant to chapter 26.27 RCW, a petition for modification or termination under this section must be filed with that court.

(b) Except as otherwise provided in (a) of this subsection, if a court has exclusive original jurisdiction over the child under RCW 13.04.030(1) (a) through (d), (h), or (j), a petition for modification or termination under this section must be filed with that court.

(c) Except as otherwise provided in (a) or (b) of this subsection, a petition for modification or termination under this section must be filed in the county where the child primarily resides.

(3) The petitioner must file with the petition an affidavit alleging that, on the basis of facts that have arisen since the entry of the order or were unknown to the court at the time it entered the order, there is a substantial change of circumstances of the child or nonmoving party and that modification or termination of the order is necessary for the best interest of the child. The petitioner shall set forth facts in the affidavit supporting the petitioner's requested order.

(4) The petitioner shall serve notice of the petition to each person having legal custody of, or court-ordered residential time or court-ordered visitation with, the child. A person having legal custody or residential or visitation time with the child may file an opposing affidavit.
(5) If, based on the petition and affidavits, the court finds that it is more likely than not that a modification or termination will be granted, the court shall hold a hearing.

(6) The court may award reasonable attorneys' fees and costs to either party.

Sec. 7. RCW 26.10.160 and 2011 c 89 s 7 are each amended to read as follows:

(1) A parent not granted custody of the child is entitled to reasonable visitation rights except as provided in subsection (2) of this section.

(2)(a) Visitation with the child shall be limited if it is found that the parent seeking visitation has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of emotional abuse of a child; (iii) a history of acts of domestic violence as defined in RCW 26.50.010((4)(A)) or an assault or sexual assault which causes grievous bodily harm or the fear of such harm; or (iv) the parent has been convicted as an adult of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(H) Chapter 9.68A RCW;

(I) Any predecessor or antecedent statute for the offenses listed in (b)(iii)(A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (b)(iii)(A) through (H) of this subsection.

This subsection (2)(b) shall not apply when (c) or (e) of this subsection applies.

(c) If a parent has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter.

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.076;

(iii) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (d)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection.

(e) There is a rebuttable presumption that a parent who resides with a person who, as an adult, has been convicted, or as a juvenile has been adjudicated, of the sex offenses listed in (c)(i) through (ix) of this subsection places a child at risk of abuse or harm when that parent exercises visitation in the presence of the convicted or adjudicated person. Unless the parent rebuts the presumption, the court shall restrain the parent from contact with the parent's child except contact that occurs outside of the convicted or adjudicated person's presence.

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (d)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection.
(f) The presumption established in (d) of this subsection may be rebutted only after a written finding that:

   (i) If the child was not the victim of the sex offense committed by the parent requesting visitation, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

   (ii) If the child was the victim of the sex offense committed by the parent requesting visitation, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent is in the child's best interest, and (C) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

   (g) The presumption established in (e) of this subsection may be rebutted only after a written finding that:

   (i) If the child was not the victim of the sex offense committed by the person who is residing with the parent requesting visitation, (A) contact between the child and the parent residing with the convicted or adjudicated person is appropriate and that parent is able to protect the child in the presence of the convicted or adjudicated person, and (B) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

   (ii) If the child was the victim of the sex offense committed by the person who is residing with the parent requesting visitation, (A) contact between the child and the parent in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the parent residing with the convicted or adjudicated person is in the child's best interest, and (C) the convicted or adjudicated person is in the child's best interest, and (D) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes contact between the parent and child in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.

   (h) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection to have visitation with the child supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

   (i) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who has been adjudicated as a juvenile of a sex offense listed in (e)(i) through (ix) of this subsection to have visitation with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

   (j) If the court finds that the parent has met the burden of rebutting the presumption under (h) of this subsection, the court may allow a parent residing with a person who, as an adult, has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have visitation with the child in the presence of the convicted person supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

   (k) A court shall not order unsupervised contact between the offending parent and a child of the offending parent who was sexually abused by that parent. A court may order unsupervised contact between the offending parent and a child who was not sexually abused by the parent after the presumption under (d) of this subsection has been rebutted and supervised visitation has occurred for at least two years with no further arrests or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW and (i) the sex offense of the offending parent was not committed against a child of the offending parent, and (ii) the court finds that unsupervised contact between the child and the offending parent is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treating child sexual abuse victims who has supervised at least one period of visitation between the parent and the child, and after consideration of evidence of the offending parent's compliance with community supervision requirements, if any. If the offending parent was not ordered by a court to participate in treatment for sex offenders, then the parent shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the offender has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child.

   (l) A court may order unsupervised contact between the parent and a child which may occur in the presence of a juvenile adjudicated of a sex offense listed in (e)(i) through (ix) of this subsection who resides with the parent after the presumption under (e) of this subsection has been rebutted and supervised visitation has occurred for at least two years during which time the adjudicated juvenile has had no further arrests, adjudications, or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW, and (i) the court finds that unsupervised contact between the child and the parent that may occur in the presence of the adjudicated juvenile is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treatment of child sexual abuse victims who has supervised at least one period of visitation between the parent and the child in the presence of the adjudicated juvenile, and after consideration
FIFTY EIGHTH DAY, MARCH 6, 2018

of evidence of the adjudicated juvenile's compliance with community supervision or parole requirements, if any. If the adjudicated juvenile was not ordered by a court to participate in treatment for sex offenders, then the adjudicated juvenile shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the adjudicated juvenile has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child which may occur in the presence of the adjudicated juvenile who is residing with the parent.

(m)(i) The limitations imposed by the court under (a) or (b) of this subsection shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting visitation. If the court expressly finds based on the evidence that limitations on visitation with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting visitation, the court shall restrain the person seeking visitation from all contact with the child.

(ii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused the child, except upon recommendation by an evaluator or therapist for the child that the child is ready for contact with the parent and will not be harmed by the contact. The court shall not enter an order allowing a parent to have contact with the child in the offender's presence if the parent resides with a person who has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused a child, unless the court finds that the parent accepts that the person engaged in the harmful conduct and the parent is willing to and capable of protecting the child from harm from the person.

(iii) If the court limits visitation under (a) or (b) of this subsection to require supervised contact between the child and the parent, the court shall not approve of a supervisor for contact between a child and a parent who has engaged in physical, sexual, or a pattern of emotional abuse of the child unless the court finds based upon the evidence that the supervisor accepts that the harmful conduct occurred and is willing to and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing to or capable of protecting the child.

(n) If the court expressly finds based on the evidence that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's or other person's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of (a), (b), and (m)(i) and (iii) of this subsection, or if the court expressly finds that the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a), (b), and (m)(i) and (iii) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court. This subsection shall not apply when (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), and (m)(ii) of this subsection apply.

(3) Any person may petition the court for visitation rights at any time including, but not limited to, custody proceedings. The court may order visitation rights for any person when visitation may serve the best interest of the child whether or not there has been any change of circumstances.

MESSAGE FROM THE HOUSE

March 2, 2018

MR. PRESIDENT:
The House passed ENGROSSED SENATE BILL NO. 5917 with the following amendment(s): 5917.E AMH ENGR H5038.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that international baccalaureate and Cambridge international coursework prepares students for postsecondary success and provides opportunities for them to earn college credit or secure placement in advanced courses.

Therefore, the legislature intends to establish a policy for granting as many undergraduate course credits as possible to students who have successfully completed international baccalaureate and Cambridge international exams and clearly communicate credit awarding policies and course equivalencies to students. This policy is intended to be similar to the credit policy adopted during the 2017 legislative session for AP examinations. The goal of the policy is to award course credit in all appropriate instances and maximize the number of college students given college credit for international baccalaureate exam scores and Cambridge international exam grades.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.10 RCW to read as follows:

(1) The institutions of higher education must establish coordinated evidence-based policies for granting as many undergraduate college credits as possible and appropriate for general education requirements or the equivalent to students who have successfully completed international baccalaureate (IB) or Cambridge international courses and demonstrated mastery of college-level curriculum, as shown by the students' examination scores or grades for those programs. The institutions shall take into account the evidence for student success and the relevance of the IB or Cambridge international curriculum and test scores or grades in consideration of granting college credit or waiving course requirements, with appropriate consideration of the institutions' degree distribution requirements or curriculum for specific degree programs. Policies may consider, for example:

(a) Whether a four on a standard-level or higher-level IB examination and whether a grade of E on a Cambridge international examination indicates that the student has mastered college-level coursework for which undergraduate college credits may be granted; and

(b) What test score or grade for specific subjects indicates if graduation distribution requirements or prerequisite courses may be waived, while preserving the integrity of the institutions' faculty process for determining degree and major curriculum requirements.

(2) The credit policies regarding IB and Cambridge international examinations must be posted on campus web sites effective for the fall 2018 academic term. The institutions of higher education must conduct biennial reviews of their IB and Cambridge international credit policies and report noncompliance to the appropriate committees of the legislature by November 1st of each year, beginning November 1, 2020.

Correct the title.

MESSAGE FROM THE HOUSE

March 1, 2018

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6162 with the following amendment(s): 6162-S2.E AMH SLAT H5098.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.320 RCW to read as follows:

For the purposes of sections 2 through 6 of this act, "dyslexia" means a specific learning disorder that is neurological in origin and that is characterized by unexpected difficulties with accurate or fluent word recognition and by poor spelling and decoding abilities that are not consistent with the person's intelligence, motivation, and sensory capabilities. These difficulties typically result from a deficit in the phonological components of language that is often unexpected in relation to other cognitive abilities. In addition, the difficulties are not typically a result of ineffective classroom instruction. Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede growth of vocabulary and background knowledge.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Beginning in the 2021-22 school year, and as provided in this section, each school district must use multimodal systems of support to provide interventions to students in kindergarten through second grade who display indications of, or areas of weakness associated with, dyslexia. In order to provide school districts with the opportunity to intervene before a student's performance falls significantly below grade level, school districts must screen students in kindergarten through second grade for indications of, or areas associated with, dyslexia as provided in this section.

(2)(a) School districts must use screening tools and resources that exemplify best practices, as described under section 3 of this act.

(b) School districts may use the screening tools and resources identified by the superintendent of public instruction in accordance with section 3 of this act.

(3)(a) If a student shows indications of below grade level literacy development or indications of, or areas of weakness associated with, dyslexia, the school district must provide interventions using evidence-based multimodal systems of support, consistent with the recommendations of the dyslexia advisory council under section 4 of this act and as required under this subsection (3).

(b) The interventions must be evidence-based multisensory structured literacy interventions and must be provided by an educator trained in instructional methods specifically targeting students' areas of weakness.

(c) Whenever possible, a school district must begin by providing student supports in the general education classroom. If screening tools and resources indicate that, after receiving the initial tier of student support, a student requires interventions, the school district may provide the interventions in either the general education classroom or a learning assistance program setting. If after receiving interventions, further screening tools and resources indicate that a student continues to have indications of, or areas of weakness associated with, dyslexia, the school district must recommend to the student's parents and family that the student be evaluated for dyslexia or a specific learning disability.

(4) For a student who shows indications of, or areas of weakness associated with, dyslexia, each school district must notify the student's parents and family of the identified indicators and areas of weakness, as well as the plan for using multitiered systems of support to provide supports and interventions. The initial notice must also include information relating to dyslexia and resources for parental support developed by the superintendent of public instruction. The school district must regularly update the student's parents and family of the student's progress.

(5) School districts may use state funds provided under chapter 28A.165 RCW to meet the requirements of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.300 RCW to read as follows:

(1) By September 1, 2019, the superintendent of public instruction, after considering recommendations from the dyslexia advisory council convened under section 4 of this act, must identify screening tools and resources that, at a minimum, meet the following best practices:

(a) Satisfy developmental and academic criteria, including considerations of validity and reliability, that indicate typical literacy development or dyslexia, taking into account typical child neurodevelopmental development; and

(b) Identify indicators and areas of weakness that are highly predictive of future reading difficulty, including phonological awareness, phonemic awareness, rapid naming skills, letter sound knowledge, and family history of difficulty with reading and language acquisition.

(2) Beginning September 1, 2019, the superintendent of public instruction must maintain on the agency’s web site the list of screening tools and resources identified under this section and must include links to the tools and resources, when available.

(3) The superintendent of public instruction must review and update the list of screening tools and resources identified under this section as appropriate.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The superintendent of public instruction shall convene a dyslexia advisory council to advise the superintendent on matters relating to dyslexia in an academic setting. NEW SECTION. Sec. 6. A new section is added to chapter 28A.320 RCW to read as follows:

Beginning with the 2018-19 school year, as part of the annual student assessment inventory, school districts that screen students for indicators of, or areas of weakness associated with, dyslexia must report the number of students and grade levels of the students screened, disaggregated by student subgroups. Each school district must aggregate the school reports and submit the aggregated report to the office of the superintendent of public instruction. The office of the superintendent of public instruction and the dyslexia advisory council convened under section 4 of this act must use this data when developing best practice recommendations in accordance with sections 4 and 5 of this act.

Sec. 7. RCW 28A.165.035 and 2016 c 72 s 803 are each amended to read as follows:

(1) Use of best practices that have been demonstrated through research to be associated with increased student achievement magnifies the opportunities for student success. To the extent they are included as a best practice or strategy in one of the state menus or an approved alternative under this section or RCW 28A.655.235, the following are services and activities that may be supported by the learning assistance program:

(a) Extended learning time opportunities occurring:

(i) Before or after the regular school day;

(iii) Beyond the regular school year;

(b) Services under RCW 28A.320.190;

(d) Consultant teachers to assist in implementing effective instructional practices by teachers serving participating students;

(e) Tutoring support for participating students;

(f) Outreach activities and support for parents of participating students, including employing parent and family engagement coordinators; and

(g) Up to five percent of a district’s learning assistance program allocation may be used for development of partnerships with community-based organizations, educational service districts, and other local agencies to deliver academic and nonacademic supports to participating students who are significantly at risk of not being successful in school to reduce barriers to learning, increase student engagement, and enhance students’ readiness to learn. The school board must approve in an open meeting any community-based organization or local agency before learning assistance funds may be expended.

(2) In addition to the state menu developed under RCW 28A.655.235, the office of the superintendent of public instruction shall convene a panel of experts, including the Washington state institute for public policy, to develop additional state menus of best practices and strategies for use in the learning assistance program to assist struggling students at all grade levels in English language arts and mathematics and reduce disruptive behaviors in the classroom. The office of the superintendent of public instruction shall publish the state menus by July 1, 2015, and update the state menus by each July 1st thereafter.

(3) (a) Beginning in the 2016-17 school year, except as provided in (b) of this subsection, school districts must use a
practice or strategy that is on a state menu developed under subsection (2) of this section or RCW 28A.655.235.

(b) Beginning in the 2016-17 school year, school districts may use a practice or strategy that is not on a state menu developed under subsection (2) of this section for two school years initially. If the district is able to demonstrate improved outcomes for participating students over the previous two school years at a level commensurate with the best practices and strategies on the state menu, the office of the superintendent of public instruction shall approve use of the alternative practice or strategy by the district for one additional school year. Subsequent annual approval by the superintendent of public instruction to use the alternative practice or strategy is dependent on the district continuing to demonstrate increased improved outcomes for participating students.

(c) Beginning in the 2016-17 school year, school districts may enter cooperative agreements with state agencies, local governments, or school districts for administrative or operational costs needed to provide services in accordance with the state menus developed under this section and RCW 28A.655.235.

(4) School districts are encouraged to implement best practices and strategies from the state menus developed under this section and RCW 28A.655.235 before the use is required.

(5) School districts may use learning assistance program allocations to meet the screening and intervention requirements of section 2 of this act, even if the student being screened or provided with supports is not eligible to participate in the learning assistance program. The learning assistance program allocations may also be used for school district staff trainings necessary to implement the provisions of section 2 of this act.

For the purpose of allowing flexibility to innovate in areas such as scheduling, personnel, funding, and educational programs to improve student outcomes and academic achievement, charter schools are not subject to, and are exempt from, all other state statutes and rules applicable to school districts and school district boards of directors. Except as provided otherwise by this chapter or a charter contract, charter schools are exempt from all school district policies.

(4) A charter school may not engage in any sectarian practices in its educational program, admissions or employment policies, or operations.

MESSAGE FROM THE HOUSE

March 1, 2018

MR. PRESIDENT:
The House passed SENATE BILL NO. 6407 with the following amendment(s): 6407 AMH APP H5083.2
Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.025 and 2009 c 520 s 20 are each amended to read as follows:

(1) The department and ((supervising)) agencies shall develop methods for coordination of services to parents and children in child dependency cases. To the maximum extent possible under current funding levels, the department and ((supervising)) agencies must:

(a) Coordinate and integrate services to children and families, using service plans and activities that address the children's and families' multiple needs, including ensuring that siblings have regular visits with each other, as appropriate. Assessment criteria should screen for multiple needs;

(b) Develop treatment plans for the individual needs of the client in a manner that minimizes the number of contacts the client is required to make; and

(c) Access training for department and ((supervising)) agency staff to increase skills across disciplines to assess needs for mental health, substance abuse, developmental disabilities, and other areas.

(2) The department shall coordinate within the administrations of the department, and with contracted service providers ((including supervising agencies)), to ensure that parents in dependency proceedings under this chapter receive priority access to remedial services recommended by the department ((or supervising agency)) in its social study or ordered by the court for the purpose of correcting any parental deficiencies identified in the dependency proceeding that are capable of being corrected in the foreseeable future. Services may also be provided to caregivers other than the parents as identified in RCW 13.34.138.

(a) For purposes of this chapter, remedial services are those services defined in the federal adoption and safe families act as time-limited family reunification services. Remedial services include individual, group, and family counseling; substance abuse treatment services; mental health services; assistance to address domestic violence; services designed to provide temporary child care and therapeutic services for families; and transportation to or from any of the above services and activities.

(b) The department shall provide funds for remedial services if the parent is unable to pay to the extent funding is appropriated in the operating budget or otherwise available to the department for such specific services. As a condition for receiving funded remedial services, the court may inquire into the parent's ability to pay for all or part of such services or may require that the parent make appropriate applications for funding to alternative funding sources for such services.

(c) If court-ordered remedial services are unavailable for any reason, including lack of funding, lack of services, or language barriers, the department ((or supervising agency)) shall promptly notify the court that the parent is unable to engage in the treatment due to the inability to access such services.

(d) This section does not create an entitlement to services and does not create judicial authority to order the provision of services except for the specific purpose of making reasonable efforts to remedy parental deficiencies identified in a dependency proceeding under this chapter.

Sec. 2. RCW 13.34.030 and 2017 c 276 s 2 are each amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" means:

(a) Any individual under the age of eighteen years; or

(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. A youth who remains dependent and who receives extended foster care services under RCW 74.13.031 shall not be considered a "child" under any other statute or for any other purpose.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.
(4) "Department" means the department of social and health services.

(6) "Dependent child" means any child who:

(a) Has been abandoned;
(b) Is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child;
(c) Has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or
(d) Is receiving extended foster care services, as authorized by RCW 74.13.031.

(7) "Developmental disability" means a disability attributable to intellectual disability, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary to be closely related to an intellectual disability or to require treatment similar to that required for individuals with intellectual disabilities, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial limitation to the individual.

The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(11) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(12) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(13) "Housing assistance" means appropriate referrals by the department or other ((supervising)) agencies to federal, state, local, or private agencies or organizations, assistance with forms, applications, or financial subsidies or other monetary assistance for housing. For purposes of this chapter, "housing assistance" is not a remedial service or time-limited family reunification service as described in RCW 13.34.025(2).

(14) "Indigent" means a person who, at any stage of a court proceeding, is:

(a) Receiving one of the following types of public assistance: Temporary assistance for needy families, aged, blind, or disabled assistance benefits, medical care services under RCW 74.09.035, pregnant women assistance benefits, poverty-related veterans' benefits, food stamps or food stamp benefits transferred electronically, refugee resettlement benefits, medicaid, or supplemental security income; or

(17) "Parent" means the biological or adoptive parents of a child, or an individual who has established a parent-child relationship under RCW 26.26.101, unless the legal rights of that person have been terminated by a judicial proceeding pursuant to this chapter, chapter 26.33 RCW, or the equivalent laws of another state or a federally recognized Indian tribe.

(18) "Preventive services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services, including housing assistance, capable of preventing the need for out-of-home placement while protecting the child.

(19) "Shelter care" means temporary physical care in a facility licensed pursuant to RCW 74.15.030 or in a home not required to be licensed pursuant to RCW 74.15.030.

(b) A description of the specific services and activities, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such services and activities are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered. The description shall identify the services chosen and approved by the parent;

(d) A statement of the likely harms the child will suffer as a result of removal;
(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an
assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

(22) "Supervised independent living" includes, but is not limited to, apartment living, room and board arrangements, college or university dormitories, and shared roommate settings. Supervised independent living settings must be approved by the children's administration or the court.

(23) (""Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services as defined in RCW 74.13.020.

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" mean:
(a) Any individual under the age of eighteen years; or,
(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. A youth who remains dependent and who receives extended foster care services under RCW 74.13.031 shall not be considered a "child" under any other statute or for any other purpose.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.

(4) "Department" means the department of children, youth, and families.

(5) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to this chapter for the limited purpose of assisting the court in the supervision of the dependency.

(6) "Dependent child" means any child who:
(a) Has been abandoned;
(b) Is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child;
(c) Has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or

(d) Is receiving extended foster care services, as authorized by RCW 74.13.031.

(7) "Developmental disability" means a disability attributable to intellectual disability, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary of the department of social and health services to be closely related to an intellectual disability or to require treatment similar to that required for individuals with intellectual disabilities, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial limitation to the individual.

(8) "Educational liaison" means a person who has been appointed by the court to fulfill responsibilities outlined in RCW 13.34.046.

(9) "Extended foster care services" means residential and other support services the department is authorized to provide under RCW 74.13.031. These services may include placement in licensed, relative, or otherwise approved care, or supervised independent living settings; assistance in meeting basic needs; independent living services; medical assistance; and counseling or treatment.

(10) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding, including a guardian appointed pursuant to chapter 13.36 RCW; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(11) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(12) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(13) "Housing assistance" means appropriate referrals by the department or other (("supervising ")) agencies to federal, state, local, or private agencies or organizations, assistance with forms, applications, or financial subsidies or other monetary assistance for housing. For purposes of this chapter, "housing assistance" is not a remedial service or time-limited family reunification service as described in RCW 13.34.025(2).

(14) "Indigent" means a person who, at any stage of a court proceeding, is:
(a) Receiving one of the following types of public assistance: Temporary assistance for needy families, aged, blind, or disabled assistance benefits, medical care services under RCW 74.09.035, pregnant women assistance benefits, poverty-related veterans' benefits, food stamps or food stamp benefits transferred electronically, refugee resettlement benefits, medicare, or supplemental security income; or
(b) Involuntarily committed to a public mental health facility; or
(c) Receiving an annual income, after taxes, of one hundred twenty-five percent or less of the federally established poverty level; or
(d) Unable to pay the anticipated cost of counsel for the matter before the court because his or her available funds are insufficient to pay any amount for the retention of counsel.

(15) "Nonminor dependent" means any individual age eighteen to twenty-one years who is participating in extended foster care services authorized under RCW 74.13.031.

(16) "Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

(17) "Parent" means the biological or adoptive parents of a child, or an individual who has established a parent-child relationship under RCW 26.26.101, unless the legal rights of that person have been terminated by a judicial proceeding pursuant to this chapter, chapter 26.33 RCW, or the equivalent laws of another state or a federally recognized Indian tribe.

(18) "Preventive services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services, including housing assistance, capable of preventing the need for out-of-home placement while protecting the child.

(19) "Shelter care" means temporary physical care in a facility licensed pursuant to RCW 74.15.030 or in a home not required to be licensed pursuant to RCW 74.15.030.

(20) "Sibling" means a child's birth brother, birth sister, adoptive brother, adoptive sister, half-brother, or half-sister, or as defined by the law or custom of the Indian child's tribe for an Indian child as defined in RCW 13.38.040.

(21) "Social study" means a written evaluation of matters relevant to the disposition of the case and shall contain the following information:

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific services and activities, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such services and activities are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered. The description shall identify the services chosen and approved by the parent;

(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs that have been considered and rejected; the preventive services, including housing assistance, that have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home; and the parents' attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal;

(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

(22) "Supervised independent living" includes, but is not limited to, apartment living, room and board arrangements, college or university dormitories, and shared roommate settings. Supervised independent living settings must be approved by the children's administration or the court.

(23) ("Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services as defined in RCW 74.13.020.

(24) "Voluntary placement agreement" means, for the purposes of extended foster care services, a written voluntary agreement between a nonminor dependent who agrees to submit to the care and authority of the department for the purposes of participating in the extended foster care program.

Sec. 4. RCW 13.34.065 and 2013 c 162 s 6 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The court shall notify all other parties of the hearing by any reasonable means.

(2)(a) If it is likely that the child will remain in shelter care longer than seventy-two hours, the court shall immediately and safely return the child while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The court shall notify all other parties of the hearing by any reasonable means.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare,
and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home. If the dependency petition or other information before the court alleges that homelessness or the lack of suitable housing was a significant factor contributing to the removal of the child, the court shall inquire as to whether housing assistance was provided to the family to prevent or eliminate the need for removal of the child or children;

(e) Is the placement proposed by the department ((or supervising agencies)) the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in RCW 13.38.040, whether the provisions of the federal Indian child welfare act or chapter 13.38 RCW apply, and whether there is compliance with the federal Indian child welfare act and chapter 13.38 RCW, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii) (A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. If such relative or other suitable person appears otherwise suitable and competent to provide care and treatment, the fingerprint-based background check need not be completed before placement, but as soon as possible after placement. The court must also determine whether placement with the relative or other suitable person is in the child's best interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the ((supervising agency's)) department's plan or is ordered by the court; and

(iii) Cooperate with the department ((or supervising agency)) in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the ((supervising agency)) department shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1).

In determining placement, the court shall weigh the child's length of stay and attachment to the current provider in determining what is in the best interest of the child.

(d) If a relative or other suitable person is not available, the court shall order continued shelter care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the department's or ((supervising agency's)) agency's case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and
location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 5. RCW 13.34.067 and 2013 c 173 s 1 are each amended to read as follows:

(1)(a) Following shelter care and no later than thirty days prior to fact-finding, the department ((or supervising agency)) shall convene a case conference as required in the shelter care order to develop and specify in a written service agreement the expectations of both the department ((or supervising agency)) and the parent regarding voluntary services for the parent.

(b) The case conference shall include the parent, caseworker, counsel for the parent, caseworker, counsel for the state, guardian ad litem, counsel for the child, and any other person agreed upon by the parties. Once the shelter care order is entered, the department ((or supervising agency)) is not required to provide additional notice of the case conference to any participants in the case conference.

(c) The written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific services to be provided to the parent.

(d) The case conference agreement must be agreed to and signed by the parties. The court shall not consider the content of the discussions at the case conference at the time of the fact-finding hearing for the purposes of establishing that the child is a dependent child, and the court shall not consider any documents or written materials presented at the case conference but not incorporated into the case conference agreement, unless the documents or written materials were prepared for purposes other than or as a result of the case conference and are otherwise admissible under the rules of evidence.

(2) At any other stage in a dependency proceeding, the department ((or supervising agency)), upon the parent's request, shall convene a case conference.

(3) If a case conference is convened pursuant to subsection (1) or (2) of this section and the parent is unable to participate in person due to incarceration, the parent must have the option to participate through the use of a teleconference or videoconference.

Sec. 6. RCW 13.34.094 and 2009 c 520 s 24 are each amended to read as follows:

The department((, or supervising agency after the shelter care hearing)) shall, within existing resources, provide to parents requesting or participating in a multidisciplinary team, family group conference, case conference, or prognostic staffing information that describes these processes prior to the processes being undertaken.

Sec. 7. RCW 13.34.096 and 2016 c 180 s 1 are each amended to read as follows:

(1) The department ((or supervising agency)) shall provide the child's foster parents, preadoptive parents, or other caregivers with timely and adequate notice of their right to be heard prior to each proceeding held with respect to the child in juvenile court under this chapter. For purposes of this section, "timely and adequate notice" means notice at the time the department would be required to give notice to parties to the case and by any means reasonably certain of notifying the foster parents, preadoptive parents, or other caregivers, including but not limited to written, telephone, or in person oral notification. For emergency hearings, the department shall give notice to foster parents, preadoptive parents, or other caregivers as soon as is practicable. For six-month review and annual permanency hearings, the department shall give notice to foster parents upon placement or as soon as practicable.

(2) The court shall establish and include in the court record after every hearing for which the department ((or supervising agency)) is required to provide notice to the child's foster parents, preadoptive parents, and caregivers whether the department provided adequate and timely notice, whether a caregiver's report was received by the court, and whether the court provided the child's foster parents, preadoptive parents, or caregivers with an opportunity to be heard in court. For purposes of this section, "caregiver's report" means a form provided by the department of social and health services to a child's foster parents, preadoptive parents, or caregivers that provides an opportunity for those individuals to share information about the child with the court before a court hearing. A caregiver's report shall not include information related to a child's biological parent that is not directly related to the child's well-being.

(3) Absent exigent circumstances, the department shall provide the child's foster family home notice of expected placement changes as required by RCW 74.13.300.

(4) The rights to notice and to be heard apply only to persons with whom a child has been placed by the department or ((supervising)) agency and who are providing care to the child at the time of the proceeding. This section shall not be construed to grant party status to any person solely on the basis of such notice and right to be heard.

Sec. 8. RCW 13.34.096 and 2017 3rd sp.s. e 6 s 304 are each amended to read as follows:

(1) The department ((or supervising agency)) shall provide the child's foster parents, preadoptive parents, or other caregivers with timely and adequate notice of their right to be heard prior to each proceeding held with respect to the child in juvenile court under this chapter. For purposes of this section, "timely and adequate notice" means notice at the time the department would be required to give notice to parties to the case and by any means reasonably certain of notifying the foster parents, preadoptive parents, or other caregivers, including but not limited to written, telephone, or in person oral notification. For emergency hearings, the department shall give notice to foster parents, preadoptive parents, or other caregivers as soon as is practicable. For six-month review and annual permanency hearings, the department
shall give notice to foster parents upon placement or as soon as practicable.

(2) The court shall establish and include in the court record after every hearing for which the department ((or supervising agency)) is required to provide notice to the child's foster parents, preadoptive parents, and caregivers whether the department provided adequate and timely notice, whether a caregiver's report was received by the court, and whether the court provided the child's foster parents, preadoptive parents, or caregivers with an opportunity to be heard in court. For purposes of this section, "caregiver's report" means a form provided by the department to a child's foster parents, preadoptive parents, or caregivers that provides an opportunity for those individuals to share information about the child with the court before a court hearing. A caregiver's report shall not include information related to a child's biological parent that is not directly related to the child's well-being.

(3) Absent exigent circumstances, the department shall provide the child's foster family home notice of expected placement changes as required by RCW 74.13.300.

(4) The rights to notice and to be heard apply only to persons with whom a child has been placed by the department or ((supervising)) agency and who are providing care to the child at the time of the proceeding. This section shall not be construed to grant party status to any person solely on the basis of such notice and right to be heard.

Sec. 9. RCW 13.34.125 and 2009 c 520 s 26 are each amended to read as follows:

In those cases where an alleged father, birth parent, or parent has indicated his or her intention to make a voluntary adoption plan for the child and has agreed to the termination of his or her parental rights, the department ((or supervising agency)) shall follow the wishes of the alleged father, birth parent, or parent regarding the proposed adoptive placement of the child, if the court determines that the adoption is in the best interest of the child, and the prospective adoptive parents chosen by the alleged father, birth parent, or parent are properly qualified to adopt in compliance with the standards in this chapter and chapter 26.33 RCW. If the department ((or supervising agency)) has filed a termination petition, an alleged father's, birth parent's, or parent's preferences regarding the proposed adoptive placement of the child shall be given consideration.

Sec. 10. RCW 13.34.130 and 2013 c 254 s 1 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition that maintains the child in his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose services to assist the parents in maintaining the child in the home, including housing assistance, if appropriate, that least interfere with family autonomy and are adequate to protect the child.

(b)(i) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person, the department, or ((or supervising agency)) responsible for supervision of the child's placement. If the court orders that the child be placed with a caregiver over the objections of the parent or the department, the court shall articulate, on the record, his or her reasons for ordering the placement. The court may not order an Indian child, as defined in RCW 13.38.040, to be removed from his or her home unless the court finds, by clear and convincing evidence including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(ii) The department ((or supervising agency)) has the authority to place the child, subject to review and approval by the court (A) with a relative as defined in RCW 74.15.020(2)(a), (B) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department ((or supervising agency)) to be suitable and competent to provide care for the child, or (C) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW.

(iii) The department may also consider placing the child, subject to review and approval by the court, with a person with whom the child's sibling or half-sibling is residing or a person who has adopted the sibling or half-sibling of the child being placed as long as the person has completed all required criminal history background checks and otherwise appears to the department ((or supervising agency)) to be competent to provide care for the child.

(2) Absent good cause, the department ((or supervising agency)) shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260.

(3) The department ((or supervising agency)) may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a), including a placement provided for in subsection (1)(b)(iii) of this section, when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, the child shall be placed with a person who is willing, appropriate, and available to care for the child, and who is: (I) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (II) a suitable person as described in subsection (1)(b) of this section. The court shall consider the child's existing relationships and attachments when determining placement.

(4) When placing an Indian child in out-of-home care, the department ((or supervising agency)) shall follow the placement preference characteristics in RCW 13.38.180.

(5) Placement of the child with a relative or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services, including housing assistance, that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or
(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(6) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a stepbrother or stepsister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the stepsibling.

(7) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child's best interest.

(8) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(9) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the department ((or supervising agency)) to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court.

Sec. 11. RCW 13.34.132 and 2013 c 302 s 11 are each amended to read as follows:

A court may order that a petition seeking termination of the parent and child relationship be filed if the following requirements are met:

(1) The court has removed the child from his or her home pursuant to RCW 13.34.130;

(2) Termination is recommended by the department ((or the supervising agency));

(3) Termination is in the best interests of the child;

(4) Because of the existence of aggravated circumstances, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interests of the child. In determining whether aggravated circumstances exist by clear, cogent, and convincing evidence, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) Conviction of the parent of trafficking, or promoting commercial sexual abuse of a minor when the victim of the crime is the child, the child's other parent, a sibling of the child, or another child;

(f) Conviction of the parent of attempting, soliciting, or conspiring to commit a crime listed in (a), (b), (c), or (d) of this subsection;

(g) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(h) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim. In the case of a parent of an Indian child, as defined in RCW 13.38.040, the court shall also consider tribal efforts to assist the parent in completing treatment and make it possible for the child to return home;

(i) An infant under three years of age has been abandoned;

(j) Conviction of the parent, when a child has been born of the offense, of: (A) A sex offense under chapter 9A.44 RCW; or (B) incest under RCW 9A.64.020.

Sec. 12. RCW 13.34.136 and 2015 c 270 s 1 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the ((supervising agency)) department assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The ((agency supervising the dependency)) department shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's ((or supervising agencies)) proposed permanency plan must be provided to the department ((or supervising agency)), all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:
(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department (or supervising agency) shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps ((the supervising agency or)) the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department (or supervising agency) will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child;

(i) The department's (or supervising agency's) plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the developmental disabilities administration, the department shall make reasonable efforts to consult with the developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii) (A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The (or supervising agency) department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department (or supervising agency) should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) (A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department (or supervising agency).

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The (or supervising agency) department shall provide all reasonable services that are available within the department (or supervising agency), or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department (or supervising agency) shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause
to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department ((or supervising agency)) to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other ((supervising)) agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other ((supervising)) agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 13. RCW 13.34.136 and 2017 3rd sp.s. c 6 s 306 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the ((supervising agency)) department assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The ((agency supervising the dependency)) department shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's ((or supervising agency's)) proposed permanency plan must be provided to the department ((or supervising agency)), all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department ((or supervising agency)) shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps ((the supervising agency)) or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department ((or supervising agency)) will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's ((or supervising agencies)) plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the department of social and health services developmental disabilities administration, the department shall make reasonable efforts to consult with the department of social and health services developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial.
for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The ((supervising agency or)) department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity.

Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department ((or supervising agency)) should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromized.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior. (B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department ((or supervising agency)).

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The ((supervising agency or)) department shall provide all reasonable services that are available within the department ((or supervising agency)), or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department ((or supervising agency)) shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department ((or supervising agency)) to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other ((supervising)) agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. This section does not require the department or other ((supervising)) agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.
Sec. 14. RCW 13.34.138 and 2009 c 520 s 29, 2009 c 491 s 3, 2009 c 397 s 4, and 2009 c 152 s 1 are each reenacted and amended to read as follows:

(1) The status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first. The purpose of the hearing shall be to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(1)(a) or 13.34.134.

(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision by the ((supervising agency or)) department shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department ((or supervising agency)) must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any person who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department ((or supervising agency)) may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department ((or supervising agency)) must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department ((or supervising agency)) of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department ((or supervising agency)) to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether ((the supervising agency or)) the department is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child by preventing the return of the child to the home of the child's parent and whether housing assistance should be provided by the department ((or supervising agency));

(vii) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

(viii) Whether preference has been given to placement with the child's relatives if such placement is in the child's best interests;

(ix) Whether both in-state and, where appropriate, out-of-state placements have been considered;

(x) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(xi) Whether terms of visitation need to be modified;

(xii) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;

(xiii) Whether any additional court orders need to be made to move the case toward permanency; and

(xiv) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with the ((supervising agency's)) department's case plan; and

(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the department's ((or supervising agency's)) case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition...
should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(4) The court's authority to order housing assistance under this chapter is: (a) Limited to cases in which a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child and housing assistance would aid the parent in providing an appropriate home for the child; and (b) subject to the availability of funds appropriated for this specific purpose. Nothing in this chapter shall be construed to create an entitlement to housing assistance nor to create judicial authority to order the provision of such assistance to any person or family if the assistance or funding are unavailable or the child or family are not eligible for such assistance.

(5) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(3) (6).

Sec. 15. RCW 13.34.145 and 2015 c 270 s 2 and 2015 c 257 s 1 are each reenacted and amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. The court shall find, as of the date of the hearing, that the child's placement and plan of care is the best permanency plan for the child and provide compelling reasons why it continues to not be in the child's best interest to (i) return home; (ii) be placed for adoption; (iii) be placed with a legal guardian; or (iv) be placed with a fit and willing relative. If the child is present at the hearing, the court should ask the child about his or her desired permanency outcome.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department (or supervising agency) and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department (or supervising agency) staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department (or supervising agency) to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

(5) Following this inquiry, at the permanency planning hearing, the court shall order the department (or supervising agency) to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child.

(a) For purposes of this subsection, "good cause exception" includes but is not limited to the following:

(i) The child is being cared for by a relative;

(ii) The department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home;
(iii) The department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests;

(iv) The parent is incarcerated, or the parent's prior incarceration is a significant factor in why the child has been in foster care for fifteen of the last twenty-two months, the parent maintains a meaningful role in the child's life, and the department has not documented another reason why it would be otherwise appropriate to file a petition pursuant to this section;

(v) Where a parent has been accepted into a dependency treatment court program or long-term substance abuse or dual diagnoses treatment program and is demonstrating compliance with treatment goals; or

(vi) Where a parent who has been court ordered to complete services necessary for the child's safe return home files a declaration under penalty of perjury stating the parent's financial inability to pay for the same court-ordered services, and also declares the department was unwilling or unable to pay for the same services necessary for the child's safe return home.

(b) The court's assessment of whether a parent who is incarcerated maintains a meaningful role in the child's life may include consideration of the following:

(i) The parent's expressions or acts of manifesting concern for the child, such as letters, telephone calls, visits, and other forms of communication with the child;

(ii) The parent's efforts to communicate and work with the department ((or supervising agency)) or other individuals for the purpose of complying with the service plan and repairing, maintaining, or building the parent-child relationship;

(iii) A positive response by the parent to the reasonable efforts of the department ((or the supervising agency));

(iv) Information provided by individuals or agencies in a reasonable position to assist the court in making this assessment, including but not limited to the parent's attorney, correctional and mental health personnel, or other individuals providing services to the parent;

(v) Limitations in the parent's access to family support programs, therapeutic services, and visiting opportunities, restrictions to telephone and mail services, inability to participate in foster care planning meetings, and difficulty accessing lawyers and participating meaningfully in court proceedings; and

(vi) Whether the continued involvement of the parent in the child's life is in the child's best interest.

(c) The constraints of a parent's current or prior incarceration and associated delays or barriers to accessing court-mandated services may be considered in rebuttal to a claim of aggravated circumstances under RCW 13.34.132(4)(h) for a parent's failure to complete available treatment.

(d)(a) If the permanency plan identifies independent living as a goal, the court at the permanency planning hearing shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(b) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(c) The department ((or supervising agency)) shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(7) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(a) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(b) If the department ((or supervising agency)) is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

(8) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the ((supervising agency)) department to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(9) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(10) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(11) If the court orders the child returned home, casework supervision by the department ((or supervising agency)) shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(12) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(13) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (12) of this section are met.

(14) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department ((or supervising agency)) requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(15) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the ((supervising agency)) department of its obligation to provide
reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(16) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 16. RCW 13.34.155 and 2009 c 526 s 2 and 2009 c 520 s 31 are each reenacted and amended to read as follows:

(1) The court hearing the dependency petition may hear and determine issues related to chapter 26.10 RCW in a dependency proceeding as necessary to facilitate a permanency plan for the child or children as part of the dependency disposition order or a dependency review order or as otherwise necessary to implement a permanency plan of care for a child. The parents, guardians, or legal custodian of the child must agree, subject to court approval, to establish a permanent custody order. This agreed order may have the concurrence of the other parties to the dependency (including the supervising agency), the guardian ad litem of the child, and the child if age twelve or older, and must also be in the best interests of the child. If the petitioner for a custody order under chapter 26.10 RCW is not a party to the dependency proceeding, he or she must agree on the record or by the filing of a declaration to the entry of a custody order. Once an order is entered under chapter 26.10 RCW, and the dependency petition dismissed, the department ((or supervising agency)) shall not continue to supervise the placement.

(2)(a) The court hearing the dependency petition may establish or modify a parenting plan under chapter 26.09 or 26.26 RCW as part of a disposition order or at a review hearing when doing so will implement a permanent plan of care for the child and result in dismissal of the dependency.

(b) The dependency court shall adhere to procedural requirements under chapter 26.09 RCW and must make a written finding that the parenting plan established or modified by the dependency court under this section is in the child's best interests.

(c) Unless the whereabouts of one of the parents is unknown to either the department or the court, the parents must agree, subject to court approval, to establish the parenting plan or modify an existing parenting plan.

(d) Whenever the court is asked to establish or modify a parenting plan, the child's residential schedule, the allocation of decision-making authority, and dispute resolution under this section, the dependency court may:

(i) Appoint a guardian ad litem to represent the interests of the child when the court believes the appointment is necessary to protect the best interests of the child; and

(ii) Appoint an attorney to represent the interests of the child with respect to provisions for the parenting plan.

(e) The dependency court must make a written finding that the parenting plan established or modified by the dependency court under this section is in the child's best interests.

(f) The dependency court may interview the child in chambers to ascertain the child's wishes as to the child's residential schedule in a proceeding for the entry or modification of a parenting plan under this section. The court may permit counsel to be present at the interview. The court shall cause a record of the interview to be made and to become part of the court record of the dependency case and the case under chapters 26.09 or 26.26 RCW.

(g) In the absence of agreement by a parent, guardian, or legal custodian of the child to allow the juvenile court to hear and determine issues related to the establishment or modification of a parenting plan under chapter 26.09 or 26.26 RCW, a party may move the court to transfer such issues to the family law department of the superior court for further resolution. The court may only grant the motion upon entry of a written finding that it is in the best interests of the child.

(h) In any parenting plan agreed to by the parents and entered or modified in juvenile court under this section, all issues pertaining to child support and the division of marital property shall be referred to or retained by the family law department of the superior court.

(3) Any court order determining issues under chapter 26.10 RCW is subject to modification upon the same showing and standards as a court order determining Title 26 RCW issues.

(4) Any order entered in the dependency court establishing or modifying a permanent legal custody order or, parenting plan, or residential schedule under chapters 26.09, 26.10, and 26.26 RCW shall also be filed in the chapters 26.09, 26.10, and 26.26 RCW action by the moving or prevailing party. If the petitioning or moving party has been found indigent and appointed counsel at public expense in the dependency proceeding, no filing fees shall be imposed by the clerk. Once filed, any order, parenting plan, or residential schedule establishing or modifying permanent legal custody of a child shall survive dismissal of the dependency proceeding.

Sec. 17. RCW 13.34.174 and 2009 c 520 s 32 are each amended to read as follows:

(1) The provisions of this section shall apply when a court orders a party to undergo an alcohol or substance abuse diagnostic investigation and evaluation.

(2) The facility conducting the investigation and evaluation shall make a written report to the court stating its findings and recommendations including family-based services or treatment when appropriate. If its findings and recommendations support treatment, it shall also recommend a treatment plan setting out:

(a) Type of treatment;

(b) Nature of treatment;

(c) Length of treatment;

(d) A treatment time schedule; and

(e) Approximate cost of the treatment.

The affected person shall be included in developing the appropriate treatment plan. The treatment plan must be signed by the treatment provider and the affected person. The initial written progress report based on the treatment plan shall be sent to the appropriate persons six weeks after initiation of treatment. Subsequent progress reports shall be provided after three months, six months, twelve months, and thereafter every six months if treatment exceeds twelve months. Reports are to be filed with the court in a timely manner. Close-out of the treatment record must include summary of pretreatment and posttreatment, with final outcome and disposition. The report shall also include recommendations for ongoing stability and decrease in destructive behavior.

Each report shall also be filed with the court and a copy given to the person evaluated and the person's counsel. A copy of the treatment plan shall also be given to the department's ((or supervising agency's)) caseworker and to the guardian ad litem. Any program for chemical dependency shall meet the program requirements contained in chapter 70.96A RCW.

(3) If the court has ordered treatment pursuant to a dependency proceeding it shall also require the treatment program to provide, in the reports required by subsection (2) of this section, status reports to the court, the department, ((the supervising agency)) and the person or person's counsel regarding the person's cooperation with the treatment plan proposed and the person's progress in treatment.

(4) If a person subject to this section fails or neglects to carry out and fulfill any term or condition of the treatment plan, the program or agency administering the treatment shall report such
breach to the court, the department, the guardian ad litem, (the supervising agency if any,) and the person or person's counsel, within twenty-four hours, together with its recommendation. These reports shall be made as a declaration by the person who is personally responsible for providing the treatment.

(5) Nothing in this chapter may be construed as allowing the court to require the department to pay for the cost of any alcohol or substance abuse evaluation or treatment program.

Sec. 18. RCW 13.34.176 and 2009 c 520 s 33 are each amended to read as follows:

(1) The court, upon receiving a report under RCW 13.34.174(4) or at the department's (or supervising agency's) request, may schedule a show cause hearing to determine whether the person is in violation of the treatment conditions. All parties shall be given notice of the hearing. The court shall hold the hearing within ten days of the request for a hearing. At the hearing, testimony, declarations, reports, or other relevant information may be presented on the person's alleged failure to comply with the treatment plan and the person shall have the right to present similar information on his or her own behalf.

(2) If the court finds that there has been a violation of the treatment conditions it shall modify the dependency order, as necessary, to ensure the safety of the child. The modified order shall remain in effect until the party is in full compliance with the treatment requirements.

Sec. 19. RCW 13.34.180 and 2013 c 173 s 4 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party,(including the supervising agency,) to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

(a) That the child has been found to be a dependent child;

(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;

(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;

(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;

(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(5)(b); whether the department (or supervising agency) made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(5)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established pursuant to subsection (1) of this section, the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

(a) The petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(5)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.
(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

Sec. 20. RCW 13.34.180 and 2017 3rd sp.s. c 6 s 308 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party((including the supervising agency)), to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

(a) That the child has been found to be a dependent child;
(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:
(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;
(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or
(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and
(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(5)(b); whether the department ((or supervising agency)) made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(5)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:
(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;
(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;
(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or
(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(5)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain...
a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you. You have important legal rights and you must take steps to protect your interests. This petition could result in permanent loss of your parental rights.

1. You have the right to a fact-finding hearing before a judge.
2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of children, youth, and families or ((the supervising agency)) other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact:  
3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

You should be present at this hearing.

You may call _[insert agency]_ for more information about your child. The agency's name and telephone number are _[insert name and telephone number]_."

Sec. 21. RCW 13.34.210 and 2010 c 272 s 13 are each amended to read as follows:

If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department ((of the supervising agency)) willing to accept custody for the purpose of placing the child for adoption. If an adoptive home has not been identified, the department ((or the supervising agency)) shall place the child in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within six months after the date of the order and a guardianship of the child under chapter 13.36 RCW or chapter 11.88 RCW, or a permanent custody order under chapter 26.10 RCW, has not been entered by the court, the court shall review the case every six months until a decree of adoption is entered. The ((supervising agency)) department shall take reasonable steps to ensure that the child maintains relationships with siblings as provided in RCW 13.34.130(6) and shall report to the court the status and extent of such relationships.

Sec. 22. RCW 13.34.215 and 2011 c 292 s 2 are each amended to read as follows:

(1) A child may petition the juvenile court to reinstate the previously terminated parental rights of his or her parent under the following circumstances:

(a) The child was previously found to be a dependent child under this chapter;
(b) The child's parent's rights were terminated in a proceeding under this chapter;
(c)(i) The child has not achieved his or her permanency plan; or
(ii) While the child achieved a permanency plan, it has not since been sustained;
(d) Three years have passed since the final order of termination was entered; and
(e) The child must be at least twelve years old at the time the petition is filed. Upon the child's motion for good cause shown, or on its own motion, the court may hear a petition filed by a child younger than twelve years old.

(2) If the child is eligible to petition the juvenile court under subsection (1) of this section and a parent whose rights have been previously terminated contacts the department ((or supervising agency)) or the child's guardian ad litem regarding reinstatement, the department ((or supervising agency)) or the guardian ad litem must notify the eligible child about his or her right to petition for reinstatement of parental rights.

(3) A child seeking to petition under this section shall be provided counsel at no cost to the child.

(4) The petition must be signed by the child in the absence of a showing of good cause as to why the child could not do so.

(5) If, after a threshold hearing to consider the parent's apparent fitness and interest in reinstatement of parental rights, the court finds by a preponderance of the evidence that the best interests of the child may be served by reinstatement of parental rights, the juvenile court shall order that a hearing on the merits of the petition be held.

(6) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department ((or the supervising agency)), the child's attorney, and the child. The court shall also order the department ((or supervising agency)) to give prior notice of any hearing to the child's former parent whose parental rights are the subject of the petition, any parent whose rights have not been terminated, the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(7) The juvenile court shall conditionally grant the petition if it finds by clear and convincing evidence that the child has not achieved his or her permanency plan and is not likely to imminently achieve his or her permanency plan and that reinstatement of parental rights is in the child's best interest. In determining whether reinstatement is in the child's best interest the court shall consider, but is not limited to, the following:

(a) Whether the parent whose rights are to be reinstated is a fit parent and has remedied his or her deficits as provided in the record of the prior termination proceedings and prior termination order;
(b) The age and maturity of the child, and the ability of the child to express his or her preference;
(c) Whether the reinstatement of parental rights will present a risk to the child's health, welfare, or safety; and
(d) Other material changes in circumstances, if any, that may have occurred which warrant the granting of the petition.

(8) In determining whether the child has or has not achieved his or her permanency plan or whether the child is likely to achieve his or her permanency plan, the department ((or supervising agency)) shall provide the court, and the court shall review, information related to any efforts to achieve the permanency plan including efforts to achieve adoption or a permanent guardianship.

(9) If the court conditionally grants the petition under subsection (7) of this section, the case will be continued for six months and a temporary order of reinstatement entered. During this period, the child shall be placed in the custody of the parent. The department ((or supervising agency)) shall develop a permanency plan for the child reflecting the plan to be
reunification and shall provide transition services to the family as appropriate.

(b) If the child must be removed from the parent due to abuse or neglect allegations prior to the expiration of the conditional six-month period, the court shall dismiss the petition for reinstatement of parental rights if the court finds the allegations have been proven by a preponderance of the evidence.

(c) If the child has been successfully placed with the parent for six months, the court order reinstating parental rights remains in effect and the court shall dismiss the dependency.

(10) After the child has been placed with the parent for six months, the court shall hold a hearing. If the placement with the parent has been successful, the court shall enter a final order of reinstatement of parental rights, which shall restore all rights, powers, privileges, immunities, duties, and obligations of the parent as to the child, including those relating to custody, control, and support of the child. The court shall dismiss the dependency and direct the clerk's office to provide a certified copy of the final order of reinstatement of parental rights to the parent at no cost.

(11) The granting of the petition under this section does not vacate or otherwise affect the validity of the original termination order.

(12) Any parent whose rights are reinstated under this section shall not be liable for any child support owed to the department pursuant to RCW 13.34.160 or Title 26 RCW or costs of other services provided to a child for the time period from the date of termination of parental rights to the date parental rights are reinstated.

(13) A proceeding to reinstate parental rights is a separate action from the termination of parental rights proceeding and does not vacate the original termination of parental rights. An order granted under this section reinstates the parental rights to the child. This reinstatement is a recognition that the situation of the parent and child have changed since the time of the termination of parental rights and reunification is now appropriate.

(14) This section is retroactive and applies to any child who is under the jurisdiction of the juvenile court at the time of the hearing regardless of the date parental rights were terminated.

(15) The state, the department, (the supervising agency) and its employees are not liable for civil damages resulting from any act or omission in the provision of services under this section, unless the act or omission constitutes gross negligence. This section does not create any duty and shall not be construed to create a duty where none exists. This section does not create a cause of action against the state, the department, (the supervising agency) or its employees concerning the original termination.

Sec. 23. RCW 13.34.233 and 2009 c 520 s 38 are each amended to read as follows:

(1) Any party may request the court under RCW 13.34.150 to modify or terminate a dependency guardianship order. Notice of any motion to modify or terminate the guardianship shall be served on all other parties, including any agency that was responsible for supervising the child's placement at the time the guardianship petition was filed. Notice in all cases shall be served upon the department. If the department (the supervising agency) was not previously a party to the guardianship proceeding, the department (the supervising agency) shall nevertheless have the right to: (a) Initiate a proceeding to modify or terminate a guardianship; and (b) intervene at any stage of such a proceeding.

(2) The guardianship may be modified or terminated upon the motion of any party, or the department (the supervising agency) if the court finds by a preponderance of the evidence that there has been a substantial change of circumstances subsequent to the establishment of the guardianship and that it is in the child's best interest to modify or terminate the guardianship. The court shall hold a hearing on the motion before modifying or terminating a guardianship.

(3) Upon entry of an order terminating the guardianship, the dependency guardian shall not have any rights or responsibilities with respect to the child and shall not have legal standing to participate as a party in further dependency proceedings pertaining to the child. The court may allow the child's dependency guardian to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

(4) Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department (the supervising agency) for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter. The court shall not place a child in the custody of the child's parent unless the court finds that reasons for removal as set forth in RCW 13.34.130 no longer exist and that such placement is in the child's best interest. The court shall thereafter conduct reviews as provided in RCW 13.34.138 and, where applicable, shall hold a permanency planning hearing in accordance with RCW 13.34.145.

Sec. 24. RCW 13.34.245 and 2009 c 520 s 39 are each amended to read as follows:

(1) Where any parent or Indian custodian voluntarily consents to foster care placement of an Indian child and a petition for dependency has not been filed regarding the child, such consent shall not be valid unless executed in writing before the court and filed with the court. The consent shall be accompanied by the written certification of the court that the terms and consequences of the consent were fully explained in detail to the parent or Indian custodian during the court proceeding and were fully understood by the parent or Indian custodian. The court shall also certify in writing whether the parent or Indian custodian fully understood the explanation in English or that it was interpreted into a language that the parent or Indian custodian understood. Any consent given prior to, or within ten days after, the birth of the Indian child shall not be valid.

(2) To obtain court validation of a voluntary consent to foster care placement, any person may file a petition for validation alleging that there is located within the county an Indian child whose parent or Indian custodian wishes to voluntarily consent to foster care placement of the child and requesting that the court validate the consent as provided in this section. The petition shall contain the name, date of birth, and residence of the child, the names and residences of the consenting parent or Indian custodian, and the name and location of the Indian tribe in which the child is a member or eligible for membership. The petition shall state whether the placement preferences of 25 U.S.C. Sec. 1915 (b) or (c) will be followed. Reasonable attempts shall be made by the petitioner to ascertain and set forth in the petition the identity, location, and custodial status of any parent or Indian custodian who has not consented to foster care placement and why that parent or Indian custodian cannot assume custody of the child.

(3) Upon filing of the petition for validation, the clerk of the court shall schedule the petition for a hearing on the court validation of the voluntary consent no later than forty-eight hours after the petition has been filed, excluding Saturdays, Sundays, and holidays. Notification of time, date, location, and purpose of the validation hearing shall be provided as soon as possible to the consenting parent or Indian custodian, the department (the supervising agency) which is to assume responsibility for the child's placement and care pursuant to the consent to foster care
placement, and the Indian tribe in which the child is enrolled or eligible for enrollment as a member. If the identity and location of any nonconsenting parent or Indian custodian is known, reasonable attempts shall be made to notify the parent or Indian custodian of the consent to placement and the validation hearing. Notification under this subsection may be given by the most expedient means, including, but not limited to, mail, personal service, telephone, and telegraph.

(4) Any parent or Indian custodian may withdraw consent to a voluntary foster care placement, made under this section, at any time. Unless the Indian child has been taken in custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130, the Indian child shall be returned to the parent or Indian custodian upon withdrawal of consent to foster care placement of the child.

(5) Upon termination of the voluntary foster care placement and return of the child to the parent or Indian custodian, the department ((or supervising agency)) which had assumed responsibility for the child's placement and care pursuant to the consent to foster care placement shall file with the court written notification of the child's return and shall also send such notification to the Indian tribe in which the child is enrolled or eligible for enrollment as a member and to any other party to the validation proceeding including any noncustodial parent.

Sec. 25. RCW 13.34.320 and 2009 c 520 s 40 are each amended to read as follows:

The department ((or supervising agency)) shall obtain the prior consent of a child's parent, legal guardian, or legal custodian before a dependent child is admitted into an inpatient mental health treatment facility. If the child's parent, legal guardian, or legal custodian is unavailable or does not agree with the proposed admission, the department ((or supervising agency)) shall request a hearing and provide notice to all interested parties to seek prior approval of the juvenile court before such admission. In the event that an emergent situation creating a risk of substantial harm to the health and welfare of a child in the custody of the department ((or supervising agency)) does not allow time for the department ((or supervising agency)) to obtain prior approval or to request a court hearing before consenting to the admission of the child into an inpatient mental health hospital, the department ((or supervising agency)) shall seek court approval by requesting that a hearing be set on the first available court date.

Sec. 26. RCW 13.34.330 and 2009 c 520 s 41 are each amended to read as follows:

A dependent child who is admitted to an inpatient mental health facility shall be placed in a facility, with available treatment space, that is closest to the family home, unless the department ((or supervising agency)), in consultation with the admitting authority finds that admission in the facility closest to the child's home would jeopardize the health or safety of the child.

Sec. 27. RCW 13.34.340 and 2009 c 520 s 42 are each amended to read as follows:

For minors who cannot consent to the release of their records with the department ((or supervising agency)) because they are not old enough to consent to treatment, or, if old enough, lack the capacity to consent, or if the minor is receiving treatment involuntarily with a provider the department ((or supervising agency)) has authorized to provide mental health treatment under RCW 13.34.320, the department ((or supervising agency)) shall disclose, upon the treating physician's request, all relevant records, including the minor's passport as established under RCW 74.13.285, in the department's ((or supervising agency's)) possession that the treating physician determines contain information required for treatment of the minor. The treating physician shall maintain all records received from the department ((or supervising agency)) in a manner that distinguishes the records from any other records in the minor's file with the treating physician and the department ((or supervising agency)) records may not be disclosed by the treating physician to any other person or entity absent a court order except that, for medical purposes only, a treating physician may disclose the department ((or supervising agency)) records to another treating physician.

Sec. 28. RCW 13.34.370 and 2009 c 520 s 44 are each amended to read as follows:

The court may order expert evaluations of parties to obtain information regarding visitation issues or other issues in a case. These evaluations shall be performed by appointed evaluators who are mutually agreed upon by the court, ((the supervising agency)) the department, and the parents' counsel, and, if the child is to be evaluated, by the representative for the child. If no agreement can be reached, the court shall select the expert evaluator.

Sec. 29. RCW 13.34.380 and 2013 c 254 s 3 are each amended to read as follows:

The department shall develop consistent policies and protocols, based on current research and assessment, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: (1) The structure and quality of visitations; consultation with the assigned law enforcement officer in the event the parent or sibling of the child is identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child; and training for department ((and supervising agency)) caseworkers, visitation supervisors, and foster parents related to visitation.

The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court.

Sec. 30. RCW 13.34.385 and 2009 c 520 s 46 are each amended to read as follows:

(1) A relative of a dependent child may petition the juvenile court for reasonable visitation with the child if:

(a) The child has been found to be a dependent child under this chapter;

(b) The parental rights of both of the child's parents have been terminated;

(c) The child is in the custody of the department((,)) or another public agency((, or a supervising agency)); and

(d) The child has not been adopted and is not in a preadoptive home or other permanent placement at the time the petition for visitation is filed.

(2) The court shall give prior notice to any proceeding under this section, or cause prior notice to be given, to the department, other public agency, or ((supervising)) agency having custody of the child, the child's attorney or guardian ad litem if applicable, and the child. The court shall also order the custodial agency to give prior notice of any hearing to the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(3) The juvenile court may grant the petition for visitation if it finds that the requirements of subsection (1) of this section have been met, and that unsupervised visitation between the child and the relative does not present a risk to the child's safety or
well-being and that the visitation is in the best interests of the child. In determining the best interests of the child the court shall consider, but is not limited to, the following:

(a) The love, affection, and strength of the relationship between the child and the relative;
(b) The length and quality of the prior relationship between the child and the relative;
(c) Any criminal convictions for or founded history of abuse or neglect of a child by the relative;
(d) Whether the visitation will present a risk to the child’s health, welfare, or safety;
(e) The child’s reasonable preference, if the court considers the child to be of sufficient age to express a preference;
(f) Any other factor relevant to the child’s best interest.

(4) The visitation order may be modified at any time upon a showing that the visitation poses a risk to the child’s safety or well-being. The visitation order shall state that visitation will automatically terminate upon the child’s placement in a preadoptive home, if the child is adopted, or if there is a subsequent founded abuse or neglect allegation against the relative.

(5) The granting of the petition under this section does not grant the relative the right to participate in the dependency action and does not grant any rights to the relative not otherwise specified in the visitation order.

(6) This section is retroactive and applies to any eligible dependent child at the time of the filing of the petition for visitation, regardless of the date parental rights were terminated.

(7) For the purpose of this section, "relative" means a relative as defined in RCW 74.15.020(2)(a), except parents.

(8) This section is intended to provide an additional procedure by which a relative may request visitation with a dependent child. It is not intended to impair or alter the ability a court currently has to order visitation with a relative under the dependency statutes.

Sec. 31. RCW 13.34.400 and 2009 c 520 s 48 are each amended to read as follows:

In any proceeding under this chapter, if the department ((or supervising agency)) submits a report to the court in which the department is recommending a new placement or a change in placement, the department ((or supervising agency)) shall include the documents relevant to persons in the home in which a child will be placed and listed in subsections (1) through (5) of this section to the report. The department ((or supervising agency)) shall include only these relevant documents and shall not attach the entire history of the subject of the report.

(1) If the report contains a recommendation, opinion, or assertion by the department ((or supervising agency)) relating to substance abuse treatment, mental health treatment, anger management classes, or domestic violence classes, the department ((or supervising agency)) shall attach the document upon which the recommendation, opinion, or assertion was based. The documentation may include the progress report or evaluation submitted by the provider, but may not include the entire history with the provider.

(2) If the report contains a recommendation, opinion, or assertion by the department ((or supervising agency)) relating to visitation with a child, the department ((or supervising agency)) shall attach the document upon which the recommendation, opinion, or assertion was based. The documentation may include the most recent visitation report, a visitation report referencing a specific incident alleged in the report, or summary of the visitation prepared by the person who supervised the visitation. The documentation attached to the report shall not include the entire visitation history.

(3) If the report contains a recommendation, opinion, or assertion by the department ((or supervising agency)) relating to the psychological status of a person, the department ((or supervising agency)) shall attach the document upon which the recommendation, opinion, or assertion was based. The documentation may include the progress report, evaluation, or summary submitted by the provider, but shall not include the entire history of the person.

(4) If the report contains a recommendation, opinion, or assertion by the department ((or supervising agency)) relating to injuries to a child, the department ((or supervising agency)) shall attach a summary of the physician’s report, prepared by the physician or the physician’s designee, relating to the recommendation, opinion, or assertion by the department.

(5) If the report contains a recommendation, opinion, or assertion by the department ((or supervising agency)) relating to a home study, licensing action, or background check information, the department ((or supervising agency)) shall attach the document or documents upon which that recommendation, opinion, or assertion is based.

Sec. 32. RCW 26.44.020 and 2012 c 259 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child’s health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child’s unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.
(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(21) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(24) "Social service counselor" means anyone engaged in a professional capacity during course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(25) ("Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(26)"Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

Sec. 33. RCW 26.44.020 and 2017 3rd sp.s. c 6 s 321 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the
child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the department of children, youth, and families.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department of social and health services, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(21) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(24) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(25) ("Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(26)) "Unfound" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

(1) The department ((and supervising agencies)) shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department ((and supervising agencies)) shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's ((and supervising agency's)) success in:

RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response:

(5) The department ((or supervising agencies)) shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(6) The department ((or supervising agencies)) shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department ((and the supervising agencies)) shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department ((and the supervising agencies)) is encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department ((or supervising agencies)) shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department ((and supervising agencies)) shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(9) The department ((and supervising agency)) shall have authority to purchase care for children.

(10) The department shall establish a children's services advisory committee ((with sufficient members representing supervising agencies)) which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(11)(a) The department ((and supervising agencies)) shall provide continued extended foster care services to nonminor dependents who are:

(iv) Engaged in employment for eighty hours or more per month; or

(v) Not able to engage in any of the activities described in (a)(i) through (iv) of this subsection due to a documented medical condition.

(b) To be eligible for extended foster care services, the nonminor dependent must have been dependent and in foster care at the time that he or she reached age eighteen years. If the dependency case of the nonminor dependent was dismissed pursuant to RCW 13.34.267, he or she may receive extended foster care services pursuant to a voluntary placement agreement under RCW 74.13.336 or pursuant to an order of dependency issued by the court under RCW 13.34.268. A nonminor dependent whose dependency case was dismissed by the court must have requested extended foster care services before reaching age nineteen years. Eligible nonminor dependents may unenroll and reenroll in extended foster care through a voluntary placement agreement once between ages eighteen and twenty-one.

(c) The department shall develop and implement rules regarding youth eligibility requirements.

(d) The department shall make efforts to ensure that extended foster care services maximize medicaid reimbursements. This must include the department ensuring that health and mental health extended foster care providers participate in medicaid, unless the condition of the extended foster care youth requires specialty care that is not available among participating medicaid providers or there are no participating medicaid providers in the area. The department shall coordinate other services to maximize federal resources and the most cost-efficient delivery of services to extended foster care youth.

(e) The department shall allow a youth who has received extended foster care services, but lost his or her eligibility, to reenter the extended foster care program once through a voluntary placement agreement when he or she meets the eligibility criteria again.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age
eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department ((and supervising agencies)) shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order. The purchase of such care is exempt from the requirements of chapter 74.13B RCW and may be purchased from the federally recognized Indian tribe or tribally licensed child-placing agency, and shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200, 43.185C.295, 74.13.035, and 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the ((or supervising agency)) department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department ((and supervising agencies)) shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department ((and supervising agencies)) shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department ((and supervising agencies are)) is performing the duties and meeting the obligations specified in this section and RCW 74.13.250 (and 74.13.220) regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:
   (i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;
   (ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);
   (iii) Parent-child visits;
   (iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and
   (v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.
   (b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

(19) The department shall have the authority to purchase legal representation for parents of children who are at risk of being dependent, or who are dependent, to establish or modify a parenting plan under chapter 26.09 or 26.26 RCW, when it is necessary for the child's safety, permanence, or well-being. This subsection does not create an entitlement to legal representation purchased by the department and does not create judicial authority to order the department to purchase legal representation for a parent. Such determinations are solely within the department's discretion.

Sec. 38. RCW 74.13.0311 and 2009 c 520 s 52 are each amended to read as follows:

The department ((or supervising agencies)) may provide child welfare services pursuant to a deferred prosecution plan ordered under chapter 10.05 RCW. Child welfare services provided under this chapter pursuant to a deferred prosecution order may not be construed to prohibit the department ((or supervising agencies)) from providing services or undertaking proceedings pursuant to chapter 13.34 or 26.44 RCW.

Sec. 39. RCW 74.13.036 and 2009 c 520 s 54 and 2009 c 518 s 5 are each reenacted and amended to read as follows:

(1) The department shall oversee implementation of chapter 13.34 RCW and chapter 13.32A RCW. The oversight shall be comprised of working with affected parts of the criminal justice and child care systems as well as with local government, legislative, and executive authorities to effectively carry out these chapters. The department shall work with all such entities to ensure that chapters 13.32A and 13.34 RCW are implemented in a uniform manner throughout the state.

(2) The department shall develop a plan and procedures, in cooperation with the statewide advisory committee, to insure the full implementation of the provisions of chapter 13.32A RCW. Such plan and procedures shall include but are not limited to:
   (a) Procedures defining and delineating the role of the department and juvenile court with regard to the execution of the child in need of services placement process;
   (b) Procedures for designating department ((or supervising agencies)) staff responsible for family reconciliation services;

There shall be uniform application of the procedures developed by the department and juvenile court personnel, to the extent practicable. Local and regional differences shall be taken into consideration in the development of procedures required under this subsection.

(3) In addition to its other oversight duties, the department shall:
   (a) Identify and evaluate resource needs in each region of the state;
   (b) Disseminate information collected as part of the oversight process to affected groups and the general public;
   (c) Educate affected entities within the juvenile justice and child care systems, local government, and the legislative branch regarding the implementation of chapters 13.32A and 13.34 RCW;
   (d) Review complaints concerning the services, policies, and procedures of those entities charged with implementing chapters 13.32A and 13.34 RCW; and
   (e) Report any violations and misunderstandings regarding the implementation of chapters 13.32A and 13.34 RCW.

Sec. 40. RCW 74.13.042 and 2009 c 520 s 56 are each amended to read as follows:

If the department ((or supervising agency)) is denied lawful access to records or information, or requested records or information is not provided in a timely manner, the department ((or supervising agency)) may petition the court for an order compelling disclosure.
(1) The petition shall be filed in the juvenile court for the county in which the record or information is located or the county in which the person who is the subject of the record or information resides. If the person who is the subject of the record or information is a party to or the subject of a pending proceeding under chapter 13.32A or 13.34 RCW, the petition shall be filed in such proceeding.

(2) Except as otherwise provided in this section, the persons from whom and about whom the record or information is sought shall be served with a summons and a petition at least seven calendar days prior to a hearing on the petition. The court may order disclosure upon ex parte application of the department ((or supervising agency)), without prior notice to any person, if the court finds there is reason to believe access to the record or information is necessary to determine whether the child is in imminent danger and in need of immediate protection.

(3) The court shall grant the petition upon a showing that there is reason to believe that the record or information sought is necessary for the health, safety, or welfare of the child who is currently receiving child welfare services.

Sec. 41. RCW 74.13.045 and 2009 c 520 s 57 are each amended to read as follows:

The department shall develop and implement an informal, nonadversarial complaint resolution process to be used by clients of the department ((or supervising agency)), foster parents, and other affected individuals who have complaints regarding a department policy or procedure, the application of such a policy or procedure, or the performance of an entity that has entered into a performance-based contract with the department, related to programs administered under this chapter. The process shall not apply in circumstances where the complainant has the right under Title 13, 26, or 74 RCW to seek resolution of the complaint through judicial review or through an adjudicative proceeding.

Nothing in this section shall be construed to create substantive or procedural rights in any person. Participation in the complaint resolution process shall not entitle any person to an adjudicative proceeding under chapter 34.05 RCW or to superior court review. Foster parents who care for more demanding children, such as children with severe emotional, mental, or physical handicaps, would especially benefit from additional training. (iii) Manage the entire family support and related service array within the geographic boundaries of a given network; and

(iv) Have the authority to redistribute funding within the network based on provider performance and the need to address service gaps if approval is provided by the department.

(b) While the department caseworker retains responsibility for case management, nothing in chapter 205, Laws of 2012 limits the ability of the department to continue to contract for the provision of case management services by child-placing agencies, behavioral rehabilitation services agencies, or other entities that provided case management under contract with the department prior to July 1, 2005.

(4) ((In conducting the procurement, the department shall actively consult with other state agencies with relevant expertise, such as the health care authority, and with philanthropic entities with expertise in performance-based contracting for child welfare services. The director of the office of financial management must approve the request for proposal prior to its issuance.)) The procurement and resulting contracts must include, but are not limited to, the following standards and requirements:

(a) The use of family engagement approaches to successfully motivate families to engage in services and training of the network's contracted providers to apply such approaches;

(b) The use of parents and youth who are successful veterans of the child welfare system to act as mentors through activities that include, but are not limited to, helping families navigate the system, facilitating parent engagement, and minimizing distrust of the child welfare system;

(c) The establishment of qualifications for service providers participating in provider networks, such as appropriate licensure or certification, education, and accreditation by professional accrediting entities;

(d) Adequate provider capacity to meet the anticipated service needs in the network administrator's contracted service area. The network administrator must be able to demonstrate that its provider network is culturally competent and has adequate capacity to address disproportionality, including utilization of tribal and other ethnic providers capable of serving children and families of color or who need language-appropriate services;

(e) Fiscal solvency of network administrators and providers participating in the network;

(f) The use of evidence-based, research-based, and promising practices, where appropriate, including fidelity and quality assurance provisions;

(g) Network administrator quality assurance activities, including monitoring of the performance of providers in their provider network, with respect to meeting measurable service outcomes;

(h) Network administrator data reporting, including data on contracted provider performance and service outcomes; and

(i) Network administrator compliance with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and the federal and Washington state Indian child welfare act.

(6) As part of the procurement process under this section to expand the coverage of network administrators, the department shall issue the request for proposals or request for information no later than ((December 31, 2013, shall begin)) September 30, 2018, to expand the coverage area of the existing network administrator or expand the number of network administrators so that there is expanded network administrator coverage on the east side of the crest of the Cascade mountain range. Expanded implementation of performance-based contracting must begin no later than ((July 1, 2014, and shall fully implement performance-based contracting no later than July 1, 2015)) January 30, 2019, if a qualified organization responds to the procurement process. Based on the costs and benefits of the network administrator expansion in this subsection, the department shall submit a recommendation to the oversight board for children, youth, and families established pursuant to RCW 43.216.015 and the appropriate committees of the legislature by September 1, 2020, regarding the time frame for expansion of network administrator coverage to additional regions of the state.

(7) ((8))) Performance-based payment methodologies must be used in network administrator contracting. Performance measures should relate to successful engagement by a child or parent in services included in their case plan, and resulting improvement in identified problem behaviors and interactions. For the initial three-year period of implementation of performance-based contracting, the department may transfer financial risk for the provision of services to network administrators only to the limited extent necessary to implement a performance-based payment
methodology, such as phased payment for services. However, the department may develop a shared savings methodology through which the network administrator will receive a defined share of any savings that result from improved performance. If the department receives a Title IV-E waiver, the shared savings methodology must be consistent with the terms of the waiver. If a shared savings methodology is adopted, the network administrator shall reinvest the savings in enhanced services to better meet the needs of the families and children they serve.

((48)) (8) The department must actively monitor network administrator compliance with the terms of contracts executed under this section.

((44)) (9) The use of performance-based contracts under this section must be done in a manner that does not adversely affect the state's ability to continue to obtain federal funding for child welfare-related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

(10) The department shall, consistent with state and federal confidentiality requirements:

(a) Share all relevant data with the network administrators in order for the network administrators to track the performance and effectiveness of the services in the network; and

(b) Make all performance data available to the public.

(11) The department must not require existing network administrators to reapply to provide network administrator services in the coverage area of the existing network administrator on the effective date of this section.

(12) Beginning January 1, 2019, and in compliance with RCW 43.01.036, the department shall annually submit to the oversight board for children, youth, and families established pursuant to RCW 43.216.015 and the appropriate committees of the legislature a report detailing the status of the network administrator procurement and implementation process.

(13) In determining the cost estimate for expanded network administrator implementation, the department shall consider the value of the existing data platform for child welfare services.

Each agency (or supervising agency) shall make application for a license or renewal of license to the department on forms prescribed by the department. Such a foster home license shall cease to be valid when the home is no longer under the supervision of that agency. Licenses provided for in chapter 74.15 RCW and RCW 74.13.031 shall be issued for a period of three years. The licensee, however, shall advise the secretary of any material change in circumstances which might constitute grounds for reclassification of license as to category. The license issued under this chapter is not transferable and applies only to the licensee. The license shall be limited to a particular location which shall be stated on the license. For licensed foster-family homes having an acceptable history of child care, the license may remain in effect for thirty days after a move, except that this will apply only if the family remains intact. Licensees must notify their licensor before moving to a new location and may request a continuation of the license at the new location. At the request of the licensee, the department shall, within thirty days following a foster-family home licensee's move to a new location, amend the license to reflect the new location, provided the new location and the licensee meet minimum licensing standards.

MESSAGE FROM THE HOUSE

March 1, 2018

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6419 with the following amendment(s): 6419-S AMH ELHS H4897.1

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that research continues to demonstrate the efficacy of the state's early childhood education and assistance program, known as ECEAP. Studies in Washington and from other states show that ECEAP prepares children for kindergarten success and has significant positive impacts on third, fourth, and fifth grade test scores. The legislature also finds that in some areas of the state, expanding ECEAP has proven challenging because there are too few eligible children to form an ECEAP classroom. The result is that children who are income eligible and the furthest from opportunity remain unserved. The legislature finds further that in other ECEAP classrooms, funded seats remain empty because providers do not have sufficient flexibility to serve families in need who are slightly over income but often have similar risk factors. The legislature intends, therefore, to provide more flexibility in determining eligibility for ECEAP in order to maximize the state's investment and assure that program funding is deployed to serve the greatest number of children and families.
NEW SECTION.  Sec. 2. A new section is added to chapter 43.216 RCW to read as follows:

(1) The department shall adopt rules that allow the inclusion of children in the early childhood education and assistance program whose family income is above one hundred ten percent of the federal poverty level if the number of such children equals or more than twenty-five percent of total statewide enrollment.  

(2) Children included in the early childhood education and assistance program under this section must be homeless or impacted by specific developmental or environmental risk factors that are linked by research to school performance. "Homeless" means without a fixed, regular, and adequate nighttime residence as set forth in the federal McKinsey-Vento homeless assistance act, P.L. 100–77, July 22, 1987, 101 Stat. 482, and runaway and homeless youth act, P.L. 93–415, Title III, September 7, 1974, 88 Stat. 1129.  

(3) Children included in the early childhood education and assistance program under this section are not to be considered eligible children as defined in RCW 43.216.505 and are not considered to be part of the state-funded entitlement required in RCW 43.216.556.  

NEW SECTION.  Sec. 3. A new section is added to chapter 43.216 RCW to read as follows:

(1) The department shall prioritize children for enrollment in the early childhood education and assistance program who are eligible pursuant to RCW 43.216.505.  

(2) As space is available, children may be included in the early childhood education and assistance program pursuant to section 2 of this act. Priority within this group must be given to children who are experiencing homelessness, child welfare system involvement, or a developmental delay or disability that does not meet the eligibility criteria for special education adopted under RCW 28A.155.020.  

(3) The department shall adopt rules that allow the inclusion of children who are not otherwise eligible by assessing a fee.  

(4) The program shall be implemented by utilizing the program standards and eligibility criteria in the early childhood education and assistance program in RCW ((43.215.450)) 43.216.556. The program must offer a comprehensive program of early childhood education and family support, including parental involvement and health information, screening, and referral services, based on family need. Participation in the program is voluntary. On a space available basis, the program may allow enrollment of children who are not otherwise eligible by assessing a fee.  

(5) The program shall prioritize children for enrollment in the early childhood education and assistance program who are eligible pursuant to RCW 43.216.505.  

(6) The department shall adopt rules for the following program components, as appropriate and necessary during the phased implementation of the program, consistent with early achievers program standards established in RCW ((43.215.100)) 43.216.085:

(a) Minimum program standards;  
(b) Approval of program providers; and  
(c) Accountability and adherence to performance standards.  

(7) The department has administrative responsibility for:

(a) Approving and contracting with providers according to rules developed by the ((director)) secretary under this section;  
(b) In partnership with school districts, monitoring program quality and assuring the program is responsive to the needs of eligible children;  
(c) Assuring that program providers work cooperatively with school districts to coordinate the transition from preschool to kindergarten so that children and their families are well-prepared and supported; and  
(d) Providing technical assistance to contracted providers.  

NEW SECTION.  Sec. 5. This act takes effect July 1, 2018.

Correct the title.

and the same is herewith transmitted.

(2) The designated crisis responder must investigate and evaluate the specific facts alleged and the reliability or credibility of any person providing information. The designated crisis responder may spend up to forty-eight hours to complete the investigation, provided that the person may not be held for investigation for any period except as authorized by RCW 71.05.050 or 71.05.153.

(e) A summons to appear in court at a specific time and place within five judicial days for a probable cause hearing, except as provided in subsection (4) of this section.

(4) If the person is in the custody of jail or prison at the time of the investigation, a petition for assisted outpatient behavioral health treatment may be used to facilitate continuity of care after release from custody or the diversion of criminal charges as follows:

(a) If the petition is filed in anticipation of the person's release from custody, the summons may be for a date up to five judicial days following the person's anticipated release date, provided that a clear time and place for the hearing is provided; or

(b) The hearing may be held prior to the person's release from custody, provided that (i) the filing of the petition does not extend the time the person would otherwise spend in the custody of jail or prison; (ii) the charges or custody of the person is not a pretext to detain the person for the purpose of the involuntary commitment hearing; and (iii) the person's release from custody must be expected to swiftly follow the adjudication of the petition. In this circumstance, the time for hearing is shortened to three judicial days after the filing of the petition.

(5) The petition must be served upon the person and the person's counsel with a notice of applicable rights. Proof of service must be filed with the court.

(6) A petition for assisted outpatient behavioral health treatment filed under this section must be adjudicated under RCW 71.05.240.

(7) If the petition is granted by the court, the court may enter an order of detention, confinement, or commitment, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, if the petition is filed in anticipation of the person's release from custody, the summons may be for a date up to five judicial days following the person's anticipated release date, provided that a clear time and place for the hearing is provided; or

(b) The hearing may be held prior to the person's release from custody, provided that (i) the filing of the petition does not extend the time the person would otherwise spend in the custody of jail or prison; (ii) the charges or custody of the person is not a pretext to detain the person for the purpose of the involuntary commitment hearing; and (iii) the person's release from custody must be expected to swiftly follow the adjudication of the petition. In this circumstance, the time for hearing is shortened to three judicial days after the filing of the petition.

(5) The petition must be served upon the person and the person's counsel with a notice of applicable rights. Proof of service must be filed with the court.

(6) A petition for assisted outpatient behavioral health treatment filed under this section must be adjudicated under RCW 71.05.240.
authorized to petition for involuntary commitment under RCW 71.05.230 and must include involvement or consultation with the agency or facility which will provide monitoring or services under the proposed less restrictive alternative treatment order. If the petition is for an involuntary outpatient evaluation and the person is being held in a hospital emergency department, the person may be released once the hospital has satisfied federal and state legal requirements for appropriate screening and stabilization of patients.

(2)(a) An order to detain a person with a mental disorder to a designated evaluation and treatment facility, or to detain a person with a substance use disorder to a secure detoxification facility or approved substance use disorder treatment program, for not more than a seventy-two-hour evaluation and treatment period, or to detain a person to the place of evaluation shall be permitted to be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(2)(b) The petition for initial detention (or involuntary outpatient evaluation), signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in determining whether there are sufficient grounds for issuing the order.

(2)(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(2)(d) A court may not issue an order to detain a person to a secure detoxification facility or approved substance use disorder treatment program unless there is an available secure detoxification facility or approved substance use disorder treatment program that has adequate space for the person.

(3) The designated crisis responder shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order for an involuntary outpatient evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

Sec. 5. RCW 71.05.150 and 2016 sp.s. c 29 s 211 are each amended to read as follows:

1. (((a))) When a designated crisis responder receives information alleging that a person, as a result of a mental disorder, substance use disorder, or both presents a likelihood of serious harm or is gravely disabled, or that a person is in need of assisted outpatient (mental) behavioral health treatment, the designated crisis responder may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention or involuntary outpatient ((evaluation)) treatment, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention (or involuntary outpatient evaluation). If the petition is filed solely on the grounds that the person is in need of assisted outpatient mental health treatment, the petition may only be for an involuntary outpatient evaluation. An involuntary outpatient evaluation may be conducted by any combination of licensed professionals authorized to petition for involuntary commitment under RCW 71.05.230 and must include involvement or consultation with the agency or facility which will provide monitoring or services under the proposed less restrictive alternative treatment order.

2. ((a))) An order to detain a person with a mental disorder to a designated evaluation and treatment facility, or to detain a person with a substance use disorder to a secure detoxification facility or approved substance use disorder treatment program, for not more than a seventy-two-hour evaluation and treatment period, or to detain a person to the place of evaluation shall be permitted to be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.
any, a copy of the order together with a notice of rights, and a petition for initial detention ((or involuntary outpatient evaluation)). After service on such person the designated crisis responder shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program, and the designated attorney. The designated crisis responder shall notify the court and the prosecuting attorney that a probable cause hearing will be held within seventy-two hours of the date and time of outpatient evaluation or admission to the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

Sec. 6. RCW 71.05.230 and 2017 3rd sp.s. c 14 s 17 are each amended to read as follows:

A person detained ((or committed)) for seventy-two hour evaluation and treatment ((or for an outpatient evaluation for the purpose of filing a petition for a less restrictive alternative treatment order)) may be committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative ((to involuntary intensive)) treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the ((agency or)) facility providing evaluation services has analyzed the person's condition and finds that the condition is caused by mental disorder or substance use disorder and results in a likelihood of serious harm, results in the person being gravely disabled, or results in the person being in need of assisted outpatient ((mental)) behavioral health treatment, and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(3) The ((agency or)) facility providing intensive treatment ((or which proposes to supervise the less restrictive alternative)) is certified to provide such treatment by the department; and

(4)(a)(i) The professional staff of the ((agency or)) facility or the designated crisis responder has filed a petition with the court for a fourteen day involuntary detention or a ninety day less restrictive alternative. The petition must be signed by:

(A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and

(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a chemical dependency professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person.

(b) If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of a mental disorder or as a result of a substance use disorder, presents a likelihood of serious harm, is gravely disabled, or is in need of assisted outpatient ((mental)) behavioral health treatment, and shall set forth any recommendations for less restrictive alternative treatment services; and

(5) A copy of the petition has been served on the detained ((or committed)) person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed for mental health treatment; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated crisis responder may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide less restrictive alternative treatment is other than the facility providing involuntary treatment, the outpatient facility so designated to provide less restrictive alternative treatment has agreed to assume such responsibility.

Sec. 7. RCW 71.05.240 and 2016 sp.s. c 29 s 232 and 2016 c 45 s 2 are each reenacted and amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention ((or involuntary outpatient evaluation)) of such person as determined in RCW 71.05.180, or at a time determined under section 3 of this act. If requested by the person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

(2) If the petition is for mental health treatment, the court at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary...
treatment not to exceed fourteen days in a facility certified to provide treatment by the department.

(b) Commitment for up to fourteen days based on a substance use disorder must be to either a secure detoxification facility or an approved substance use disorder treatment program. A court may only enter a commitment order based on a substance use disorder if there is an available secure detoxification facility or approved substance use disorder treatment program with adequate space for the person.

(c) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for not to exceed ninety days.

(d) If the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, is in need of assisted outpatient ((mental)) behavioral health treatment, and that the person does not present a likelihood of serious harm or grave disability, the court shall order an appropriate less restrictive alternative course of treatment not to exceed ninety days((, and may not order inpatient treatment)).

(44) An order for less restrictive alternative treatment must name the mental health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the mental health service provider.

(5) The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310. If the commitment is for mental health treatment, the court shall also state to the person and provide written notice that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

Sec. 8. RCW 71.05.240 and 2016 sp.s. c 29 s 233 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention ((or involuntary outpatient evaluation)) of such person as determined in RCW 71.05.180, or at a time determined under section 3 of this act. If requested by the person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

(2) If the petition is for mental health treatment, the court at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department.

(b) Commitment for up to fourteen days based on a substance use disorder must be to either a secure detoxification facility or an approved substance use disorder treatment program.

(c) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for not to exceed ninety days.

(d) If the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, is in need of assisted outpatient ((mental)) behavioral health treatment, and that the person does not present a likelihood of serious harm or grave disability, the court shall order an appropriate less restrictive alternative course of treatment not to exceed ninety days((, and may not order inpatient treatment)).

(4) An order for less restrictive alternative treatment must name the mental health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the mental health service provider.

(5) The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310. If the commitment is for mental health treatment, the court shall also state to the person and provide written notice that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

Sec. 9. RCW 71.05.590 and 2017 3rd sp.s. c 14 s 9 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;
(b) Substantial deterioration in the person's functioning has occurred;
(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or
(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;
(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

c) To request a court hearing for review and modification of the court order. The request must be made to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or to an evaluation and treatment facility if the person is committed for mental health treatment, or to a secure detoxification facility with available space or an approved substance use disorder treatment program with available space if the person is committed for substance use disorder treatment. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initiate initial inpatient detention procedures under subsection (6) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) Except as provided in subsection (6) of this section, a designated crisis responder or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter, to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment and has adequate space. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (6) of this section, a person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

d) Except as provided in subsection (6) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order. A court may not issue an order to detain a person for inpatient treatment in a secure detoxification facility or approved substance use disorder treatment program under this subsection unless there is a secure detoxification facility or approved substance use disorder treatment program available and with adequate space for the person.

(e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

(6)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under section 3 of...
this act, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to seventy-two hours, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within seventy-two hours of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the seventy-two hour period, the court must find that the person, as a result of a mental disorder or substance use disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure detoxification facility or approved substance use disorder program unless there is a secure detoxification facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 10. RCW 71.05.590 and 2017 3rd sp.s. c 14 s 10 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or to an evaluation and treatment facility if the person is committed for mental health treatment, or to a secure detoxification facility or an approved substance use disorder treatment program if the person is committed for substance use disorder treatment. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initial inpatient detention procedures under subsection (6) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) Except as provided in subsection (6) of this section, a designated crisis responder or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (6) of this section, a person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.
(c) The designated crisis responder or secretary shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection (6) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by another inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order. If the court orders detention for inpatient treatment, the person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order.

((16e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.))

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

(6)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under section 3 of this act, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to seventy-two hours, excluding weekends and holidays, pending a court hearing. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(g) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the seventy-two hour period, the court must find that the person, as a result of a mental disorder or substance use disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure detoxification facility or approved substance use disorder program under this subsection unless there is a secure detoxification facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 11. RCW 71.05.201 and 2017 3rd sp.s. c 14 s 2 are each amended to read as follows:

1. If a designated crisis responder decides not to detain a person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the person detained, an immediate family member or guardian or conservator of the person may petition the superior court for the person's initial detention.

2. A petition under this section must be filed within ten calendar days following the designated crisis responder investigation or the request for a designated crisis responder investigation. If more than ten days have elapsed, the immediate family member, guardian, or conservator may request a new designated crisis responder investigation.

3(a) The petition must be filed in the county in which the designated crisis responder investigation occurred or was requested to occur and must be submitted on forms developed by the administrative office of the courts for this purpose. The petition must be accompanied by a sworn declaration from the petitioner, and other witnesses if desired, describing why the person should be detained for evaluation and treatment. The description of why the person should be detained may contain, but is not limited to, the information identified in RCW 71.05.212.

(b) The petition must contain:
(i) A description of the relationship between the petitioner and the person; and
(ii) The date on which an investigation was requested from the designated crisis responder.

4. The court shall, within one judicial day, review the petition to determine whether the petition raises sufficient evidence to support the allegation. If the court so finds, it shall provide a copy of the petition to the designated crisis responder agency with an order for the agency to provide the court, within one judicial day, with a written sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to the designated crisis responder's current decision.

5. Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

6. The court shall dismiss the petition at any time if it finds that a designated crisis responder has filed a petition for the person's initial detention under RCW 71.05.150 or 71.05.153 or that the person has voluntarily accepted appropriate treatment.
(7) The court must issue a final ruling on the petition within five judicial days after it is filed. After reviewing all of the information provided to the court, the court may enter an order for initial detention or an order instructing the designated crisis responder to file a petition for assisted outpatient behavioral health treatment if the court finds that: (a) There is probable cause to support a petition for detention or assisted outpatient behavioral health treatment; and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall transmit its final decision to the petitioner.

(8) If the court enters an order for initial detention, it shall provide the order to the designated crisis responder agency and issue a written order for apprehension of the person by a peace officer for delivery of the person to a facility or emergency room determined by the designated crisis responder. The designated crisis responder agency serving the jurisdiction of the court must collaborate and coordinate with law enforcement regarding apprehensions and detentions under this subsection, including sharing of information relating to risk and which would assist in locating the person. A person may not be detained to jail pursuant to a written order issued under this subsection. An order for detention under this section should contain the advisement of rights which the person would receive if the person were detained by a designated crisis responder. An order for initial detention under this section expires one hundred eighty days from issuance.

(9) Except as otherwise expressly stated in this chapter, all procedures must be followed as if the order had been entered under RCW 71.05.150. RCW 71.05.160 does not apply if detention was initiated under the process set forth in this section.

(10) For purposes of this section, "immediate family member" means a spouse, domestic partner, child, stepchild, parent, stepparent, grandparent, or sibling.

Sec. 12. RCW 71.05.156 and 2016 sp.s. c 29 s 215 are each amended to read as follows:

A designated crisis responder who conducts an evaluation for imminent likelihood of serious harm or imminent danger because of being gravely disabled under RCW 71.05.153 must also evaluate the person under RCW 71.05.150 for likelihood of serious harm or grave disability that does not meet the imminent standard for emergency detention, and to determine whether the person is in need of assisted outpatient ((mental)) behavioral health treatment.

Sec. 13. RCW 71.05.212 and 2016 sp.s. c 29 s 226 are each amended to read as follows:

(1) Whenever a designated crisis responder or professional person is conducting an evaluation under this chapter, consideration shall include all reasonably available information from credible witnesses and records regarding:

(a) Prior recommendations for evaluation of the need for civil commitments when the recommendation is made pursuant to an evaluation conducted under chapter 10.77 RCW;
(b) Historical behavior, including history of one or more violent acts;
(c) Prior determinations of incompetency or insanity under chapter 10.77 RCW; and
(d) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords, neighbors, or others with significant contact and history of involvement with the person. If the designated crisis responder relies upon information from a credible witness in reaching his or her decision to detain the individual, then he or she must provide contact information for any such witness to the prosecutor. The designated crisis responder or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient ((mental)) behavioral health treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts;
(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and
(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated crisis responder or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

Sec. 14. RCW 71.05.245 and 2015 c 250 s 8 are each amended to read as follows:

(1) In making a determination of whether a person is gravely disabled, presents a likelihood of serious harm, or is in need of assisted outpatient ((mental)) behavioral health treatment in a hearing conducted under RCW 71.05.240 or 71.05.320, the court must consider the symptoms and behavior of the respondent in light of all available evidence concerning the respondent's historical behavior.

(2) Symptoms or behavior which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient ((mental)) behavioral health treatment, when: (a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts; (b) these symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and (c) without treatment, the continued deterioration of the respondent is probable.

(3) In making a determination of whether there is a likelihood of serious harm in a hearing conducted under RCW 71.05.240 or 71.05.320, the court shall give great weight to any evidence before the court regarding whether the person has: (a) A recent history of one or more violent acts; or (b) a recent history of one or more commitments under this chapter or its equivalent provisions under the laws of another state which were based on a likelihood of serious harm. The existence of prior violent acts or commitments under this chapter or its equivalent shall not be the sole basis for determining whether a person presents a likelihood of serious harm.

For the purposes of this subsection "recent" refers to the period of time not exceeding three years prior to the current hearing.

Sec. 15. RCW 71.05.280 and 2016 sp.s. c 29 s 234 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be committed for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted:
(a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of mental disorder or substance use disorder presents a likelihood of serious harm; or

MESSAGE FROM THE HOUSE

February 28, 2018

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 6514 with the following amendment(s): 6514-S AMH HE H5039.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) Washington has been a leader in addressing suicide as a public health issue. The legislature intends for Washington to continue its leadership by supporting the creation of comprehensive suicide prevention and behavioral health initiatives for postsecondary students. In 2015, the legislature created the mental health and suicide prevention in higher education task force. The task force was charged with determining the policies, resources, and technical assistance needed to support postsecondary institutions in improving access to behavioral health services and improving suicide prevention responses. In November 2016, the task force issued its report on behavioral health services and improving suicide prevention responses. According to the task force report:

(a) The 2005 American college health association national college health assessment survey found that nine and one-half percent of students seriously considered suicide, one and one-half percent of students nationwide have attempted suicide, and less than twenty percent were in treatment.

(b) According to the 2015 American college health association national college health assessment, seventy-five percent of students nationwide have attempted suicide, one and one-half percent of students seriously considered suicide, and almost one-quarter said depression negatively impacted academics.

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of mental disorder or substance use disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, as a result of a mental disorder, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled; or

(5) Such person is in need of assisted outpatient (mentally) behavioral health treatment.

Sec. 16. RCW 71.05.595 and 2015 c 250 s 17 are each amended to read as follows:

A court order for less restrictive alternative treatment for a person found to be in need of assisted outpatient (mentally) behavioral health treatment must be terminated prior to the expiration of the order when, in the opinion of the professional person in charge of the less restrictive alternative treatment provider, (1) the person is prepared to accept voluntary treatment, or (2) the outpatient treatment ordered is no longer necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 18. Sections 4, 6, 7, 9, 11, 12, 13, and 15 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect April 1, 2018.

NEW SECTION. Sec. 19. Sections 5, 8, and 10 of this act take effect July 1, 2026.

NEW SECTION. Sec. 20. Sections 4, 7, and 9 of this act expire July 1, 2026."
Lack of funding for behavioral health resources across all sectors is the largest barrier to providing services for postsecondary students statewide;

(d) Due to funding constraints, the level of professional mental and behavioral health counseling is often limited for postsecondary institutions in all sectors. For example, six institutions in the public two-year sector servicing nearly fifty thousand students have either no professional mental health providers to counsel students or have such limited resources that the counselor to student ratio was as low as one to nearly eight thousand five hundred in 2014-2015.

(3) The legislature also recognizes that, as of 2016, there were over sixteen thousand student veterans and dependents enrolled in Washington's community and technical colleges, and approximately four thousand veterans and dependents enrolled in Washington's four-year institutions of higher education. The legislature recognizes that the risk for suicide is significantly higher among veterans when compared to nonveteran adults in the United States and that student veterans face unique challenges and often have vastly different life experiences from traditional students. According to a study presented a few years ago at an annual convention of the American psychological association, almost half of military veterans who are enrolled in college have contemplated suicide at some point and twenty percent have planned to kill themselves.

(4) The legislature intends to implement task force recommendations by:

(a) Creating a publicly available statewide resource for postsecondary institutions;

(b) Developing and centralizing data collection; and

(c) Creating a grant program for resource-challenged institutions to help develop suicide prevention programs in those institutions, which may include for example, enhancing treatment services to student veterans; creating campus-wide crisis services; expanding existing crisis plans to integrate suicide intervention; reentry, including medical leave that supports reentry; postvention; and creating links and referral systems between campus behavioral health resources and community-based mental health resources.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.20 RCW to read as follows:

(1) Subject to availability of amounts appropriated for this specific purpose, the suicide prevention in higher education grant program is established. The purpose of the grant program is to provide funding to postsecondary institutions for the institutions to create partnerships with health care entities to provide mental health, behavioral health, and suicide prevention services to students in their institutions.

(2) To establish the components of the statewide resource, the entity shall convene and consult with a work group that consists of representatives from stakeholder groups the entity deems appropriate. The entity must consider representatives from those organizations listed in the mental health and suicide prevention in higher education task force, created by chapter 67, Laws of 2015. At a minimum, the stakeholders in the work group must include:

(a) Representation from a tribal college;

(b) Representation from a veterans training support center;

(c) Representation from students and families;

(d) Representatives selected by the educational opportunity gap oversight and accountability committee;

(e) Representation from a community behavioral health provider;

(f) A suicide prevention expert;

(g) Representation from the department of health; and

(h) Three institutional counseling center directors or executive directors to include one from each of the following: A public four-year college or university, a private, nonprofit institution, and a community and technical college.

(3) The entity must be responsible for constructing and hosting the statewide resource and linking the resource to the student achievement council's and the department of health's web sites.

(4) At a minimum, the statewide resource must:

(a) Be made publicly available through a web-based portal or a support line;

(b) Provide a free curriculum to train faculty, staff, and students in suicide recognition and referral skills and in the specific needs of student veterans;

(c) Provide a resource to build capacity within the institutions to train individuals to deliver training in person;

(d) Contain model crisis protocols, per sector, that include behavioral health and suicide identification, intervention, reentry, and postvention;

(e) Contain model marketing materials and messages that promote student behavioral health on college campuses;

(f) Develop capacity for an annual conference for postsecondary institutions seeking to address students' behavioral health and suicide prevention needs. The entity must be responsible for hosting the first conference for postsecondary institutions;

(g) Include resources that will serve diverse communities and underrepresented populations, including resources that are culturally relevant.

(5) The statewide resource must be made available to postsecondary institutions by June 30, 2020.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.77 RCW to read as follows:

(1) Subject to availability of amounts appropriated for this specific purpose, the suicide prevention in higher education grant program is established. The purpose of the grant program is to provide funding to postsecondary institutions for the institutions to create partnerships with health care entities to provide mental health, behavioral health, and suicide prevention services to students in their institutions.

(2) The council shall administer the grant program in accordance with this section and in collaboration with the work group convened by the entity within the University of Washington school of social work specified under section 2 of this act. The council shall establish minimum criteria that grant recipients must meet to be awarded a grant. The grant program must be implemented by November 1, 2019.

(b) The council must award the first six grants created under this section to public institutions of higher education. When selecting the recipients of the first six grants under this subsection, the council must consult with the state board for community and technical colleges. The council must identify which public institutions of higher education have the greatest need, have a clear and strong demonstration of willingness from leadership to utilize the statewide resources created under section 2 of this act, and can develop partnerships to enhance capacity. From those identified public institutions of higher education, proposals that enhance treatment services to student veterans must be given priority. Once the first six grants are awarded, the council may award grants to other postsecondary institutions that meet the council's criteria.

(3) For the purposes of this section, "postsecondary institutions" means institutions of higher education as defined in RCW 28B.10.016, degree-granting institutions as defined in RCW 28B.85.010, private vocational schools as defined under RCW 28C.10.020, and school as defined in RCW 18.16.020.
NEW SECTION. Sec. 4. A new section is added to chapter 28B.20 RCW to read as follows:

(1) Beginning June 1, 2019, and every June 1st thereafter until 2022, postsecondary institutions shall submit a report to the entity within the University of Washington school of social work specified under section 2 of this act for the purposes of establishing a baseline for behavioral health concerns and responses at the institutions of higher education.

(2) The annual report must include the following information as reported to the postsecondary institution, in compliance with the entity's established data collection requirements, and if an institution does not collect or have access to the information it must indicate this in the report:

(a) The awareness of students, faculty, and staff regarding behavioral health and suicide prevention resources;
(b) The institution's counselor-to-student ratio;
(c) The number of students referred to off-campus behavioral health providers;
(d) The number of students identifying emotional distress as reasons for withdrawal;
(e) The number of student suicide deaths;
(f) The number of student suicide attempts that result in hospitalization;
(g) Information about dissemination of material to students about behavioral health resources that are available on and off campus;
(h) Confirmation of campus plans for suicide recognition and referral training that identifies groups receiving the required training and which groups are recommended to receive training in the future;
(i) The entity or entities on campus responsible for the development and maintenance of the campus crisis plan that integrate policies for suicide identification, intervention, reentry, and postvention;
(j) The campus point person or persons responsible for the crisis plan; and
(k) Information about behavioral health services and supports available to veterans on campus.

(3) For purposes of this section, "postsecondary institutions" has the same meaning as that term is defined in section 3 of this act.

(4) This section expires December 31, 2022.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.20 RCW to read as follows:

(1) By December 31, 2018, for the purposes of collecting data on suicide prevention and behavioral health in higher education, the entity within the University of Washington school of social work specified under section 2 of this act shall identify data, methods for data collection, and data definitions to be used by postsecondary institutions required to submit annual reports under section 4 of this act. The entity shall collaborate with the postsecondary institutions, as defined in section 3 of this act, in establishing data collection requirements and criteria.

(2) The entity shall aggregate the information it receives by sector and, by December 1st of each year, the entity must submit an aggregated summary report to the relevant committees of the legislature. The entity shall serve as the depository for annual reports submitted by institutions of higher education under section 4 of this act."

Correct the title.

and the same is herewith transmitted.

MESSAGE FROM THE HOUSE

March 1, 2018

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6334 with the following amendment(s): 6334-S AMH JUDI H4873.1

Strike everything after the enacting clause and insert the following:

"PART I

HEALTH CARE COVERAGE

Sec. 101. RCW 26.09.105 and 2009 c 476 s 1 are each amended to read as follows:

(1) Whenever a child support order is entered or modified under this chapter, the court shall require both parents to provide medical support for any child named in the order as provided in this section.

(a) The child support order must include an obligation to provide health care coverage that is both accessible to all children named in the order and available at reasonable cost to the obligated parent.

(b) The court must allocate the cost of health care coverage between the parents.

(2) Medical support consists of:

(((ii) (a) Health (insurance) care coverage, which may consist of health insurance coverage or public health care coverage; and
(b) Cash medical support, which consists of:

)))
(i) A parent's monthly payment toward the premium paid for coverage provided by ((either the other parent or the state)) a public entity or by another parent, which represents the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation; and

(ii) A parent's proportionate share of uninsured medical expenses.

(((7))) (3) The parents share the obligation to provide medical support for the child or children specified in the order, by providing health ((insurance)) care coverage or contributing a cash medical support obligation when appropriate, and paying a proportionate share of any uninsured medical expenses.

(4) Under appropriate circumstances, the court may excuse one parent from the responsibility to provide health ((insurance)) care coverage or the monthly payment toward the premium. The child's receipt of public health care coverage may not be the sole basis for excusing a parent from providing health insurance coverage through an employer or union.

(((6))) (5) (a) The court shall always require both parents to contribute their proportionate share of uninsured medical expenses.

(2) Both parents share the obligation to provide medical support for the child or children specified in the order, by providing health insurance coverage or contributing a cash medical support obligation when appropriate, and paying a proportionate share of any uninsured medical expenses.

(((4))) (5)(a) The court may specify how medical support must be provided by each parent under subsection (((4))) (6) of this section.

(b) If the court does not specify how medical support will be provided or if neither parent provides proof that he or she is providing health ((insurance)) care coverage for the child at the time the support order is entered, the division of child support or either parent may enforce a parent's obligation to provide medical support under RCW 26.18.170.

(((4))) (6)(a) If there is sufficient evidence provided at the time the order is entered, the court may make a determination of which parent must provide health care coverage and which parent must contribute a sum certain amount as his or her monthly payment toward the premium.

(b) If both parents have available health insurance coverage or health care coverage that is accessible to the child at the time the support order is entered, the court has discretion to order the parent with better coverage to provide the ((health insurance)) care coverage for the child and the other parent to pay a monthly payment toward the premium. In making the determination of which coverage is better, the court shall consider the needs of the child, the cost and extent of each parent's coverage, and the accessibility of the coverage.

(c) Each parent shall ((remain)) be responsible for his or her proportionate share of uninsured medical expenses.

(((5))) (2) The order must provide that if the parties' circumstances change, the parties' medical support obligations will be enforced as provided in RCW 26.18.170.

(((6))) (8) A parent who is ordered to maintain or provide health ((insurance)) care coverage may comply with that requirement by:

(a) Providing proof of accessible ((private insurance)) health care coverage for any child named in the order; or

(b) Providing coverage that can be extended to cover the child that is available to that parent through employment or that is union-related, if the cost of such coverage does not exceed twenty-five percent of that parent's basic child support obligation.

(((7))) (9) The order must provide that, while an obligated parent may satisfy his or her health care coverage obligation by enrolling the child in public health care coverage, that parent is also required to provide accessible health insurance coverage for the child if it is available at no cost through the parent's employer or union.

(10) The order must provide that the fact that one parent enrolled the child in public health care coverage does not satisfy the other parent's health care coverage obligation unless the support order provides otherwise. A parent may satisfy the obligation to provide health care coverage by:

(a) First enrolling the child in available and accessible health insurance coverage through the parent's employer or union if such coverage is available for no more than twenty-five percent of the parent's basic support obligation; or

(b) If there is no accessible health insurance coverage for the child available through the parent's employer or union, contributing a proportionate share of any premium paid by the other parent or the state for public health care coverage for the child.

(11) The court may order a parent to provide health ((insurance)) care coverage that exceeds twenty-five percent of that parent's basic support obligation if it is in the best interests of the child to provide coverage.

(((8))) (12) If the child receives state financed medical coverage through the department under chapter 74.09 RCW, for which there is an assignment, the obligated parent shall pay a monthly payment toward the premium.

(9)) (12) Each parent is responsible for his or her proportionate share of uninsured medical expenses for the child or children covered by the support order.

(((10))) (13) The parents must maintain health ((insurance)) care coverage as required under this section until:

(a) Further order of the court;

(b) The child is emancipated, if there is no express language to the contrary in the order; or

(c) Health insurance is no longer available through the parents' employer or union and no conversion privileges exist to continue coverage following termination of employment.

(((11))) (14) A parent who is required to extend health insurance coverage to a child under this section is liable for any covered health care costs for which the parent receives direct payment from an insurer.

(((12))) (15) This section shall not be construed to limit the authority of the court to enter or modify support orders containing provisions for payment of uninsured health expenses, health care costs, or insurance premiums which are in addition to and not inconsistent with this section.

((13))) (15) A parent ordered to provide health ((insurance)) care coverage must provide proof of such coverage or proof that such coverage is unavailable within twenty days of the entry of the order to:

(a) The other parent; or

(b) The department of social and health services if the parent has been notified or ordered to make support payments to the Washington state support registry.

(((14))) (16) Every order requiring a parent to provide health care or insurance coverage must be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

(((15))) (17) When a parent is providing health insurance or health care coverage at the time the order is entered, the premium shall be included in the worksheets for the calculation of child support under chapter 26.19 RCW.

(((16))) (18) As used in this section:

(a) "Accessible" means health ((insurance)) care coverage which provides primary care services to the child or children with reasonable effort by the custodian.
(b) "Cash medical support" means a combination of: (i) A parent's monthly payment toward the premium paid for coverage provided by ((either the other)) a public entity or by another parent ((or the state)), which represents the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation; and (ii) a parent's proportionate share of uninsured medical expenses.

(c) (("Health insurance coverage" does not include medical assistance provided under chapter 74.09 RCW.

(4)) "Uninsured medical expenses" includes premiums, copays, deductibles, along with other health care costs not covered by ((insurance)) health care coverage.

(5) (d) "Obligated parent" means a parent ordered to provide health insurance coverage for the children.

(6) (e) "Proportionate share" means an amount equal to a parent's percentage share of the combined monthly net income of both parents as computed when determining a parent's child support obligation under chapter 26.19 RCW.

(7) (f) "Monthly payment toward the premium" means a parent's contribution toward premiums paid for coverage provided by a public entity or by ((the other)) another parent ((or the state for insurance coverage for the child)), which is based on the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation.

(8) (g) "Premium" means the amount paid for coverage provided by a public entity or by another parent for a child covered by the order. This term may also mean "cost of coverage."

(9) This section does not limit the authority of the court to enter or modify support orders containing provisions for payment of uninsured health expenses, health care costs, or insurance premiums which are in addition to and not inconsistent with this section.

(10) The department of social and health services has rule-making authority to enact rules in compliance with 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 102. RCW 26.18.020 and 2008 c 6 s 1027 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Dependent child" means any child for whom a support order has been established or for whom a duty of support is owed.

(3) "Duty of support" means the duty to provide for the needs of a dependent child, which may include necessary food, clothing, shelter, education, and health care. The duty includes any obligation to make monetary payments, to pay expenses, including maintenance in cases in which there is a dependent child, or to reimburse another person or an agency for the cost of necessary support furnished a dependent child. The duty may be imposed by court order, by operation of law, or otherwise.

(4) "Obligee" means the custodian of a dependent child, the spouse or former spouse or domestic partner or former domestic partner, or person or agency, to whom a duty of support or duty of maintenance is owed, or the person or agency to whom the right to receive or collect support or maintenance has been assigned.

(5) "Obligor" means the person owing a duty of support or duty of maintenance.

(6) "Support or maintenance order" means any judgment, decree, or order of support or maintenance issued by the superior court or authorized agency of the state of Washington; or a judgment, decree, or other order of support or maintenance issued by a court or agency of competent jurisdiction in another state or country, which has been registered or otherwise made enforceable in this state.

(8) "Earnings" means compensation paid or payable for personal services or remuneration for employment, whether denominated as wages, salary, commission, bonus, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy support or maintenance obligations, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(9) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld.

(10) "Department" means the department of social and health services.

(11) "Health insurance coverage" is another term for, and included in the definition of, "health care coverage." Health insurance coverage includes any coverage under which medical services are provided by an employer or a union whether that coverage is provided through a self-insurance program, under the employee retirement income security act of 1974, a commercial insurer pursuant to chapters 48.20 and 48.21 RCW, a health care service contractor pursuant to chapter 48.44 RCW, or a health maintenance organization pursuant to chapter 48.46 RCW, and the state through chapter 41.05 RCW.

(12) "Insurer" means a commercial insurance company providing disability insurance under chapter 48.20 or 48.21 RCW, a health care service contractor providing health care coverage under chapter 48.44 RCW, a health maintenance organization providing comprehensive health care services under chapter 48.46 RCW, and shall also include any employer or union which is providing health insurance coverage on a self-insured basis.

(13) "Remuneration for employment" means moneys due from or payable by the United States to an individual within the scope of 42 U.S.C. Sec. 659 and 42 U.S.C. Sec. 662(f).

(14) "Health care coverage" means fee for service, health maintenance organization, preferred provider organization, and other types of private health insurance and public health care coverage under which medical services could be provided to a dependent child or children. The term "health care coverage" includes, but is not limited to, health insurance coverage.

(15) "Public health care coverage," sometimes called "state purchased health care," means state-financed or federally financed medical coverage, whether or not there is an assignment of rights. For children residing in Washington state, this includes coverage through the department of social and health services or the health care authority, except for coverage under chapter 41.05 RCW; for children residing outside of Washington, this includes coverage through another state's agencies that administer state purchased health care programs.

Sec. 103. RCW 26.18.170 and 2009 c 476 s 2 are each amended to read as follows:

(1) Whenever a parent has been ordered to provide medical support for a dependent child, the department or the other parent may seek enforcement of the medical support as provided under this section.
(a) If the obligated parent provides proof that he or she provides accessible health care coverage for the child (through private insurance), that parent has satisfied his or her obligation to provide health care coverage.

(b) If the obligated parent does not provide proof of coverage, either the department or the other parent may take appropriate action as provided in this section to enforce the obligation.

(2) An obligated parent may satisfy his or her health care coverage obligation by enrolling the child in public health care coverage, but that parent is also required to provide accessible health insurance coverage for the child if it is available at no cost through the parent's employer or union.

(3) The fact that one parent enrolled the child in public health care coverage does not satisfy the other parent's health care coverage obligation unless the support order provides otherwise. A parent may satisfy the obligation to provide health care coverage by:

(a) First enrolling the child in available and accessible health insurance coverage through the parent's employer or union if such coverage is available for no more than twenty-five percent of the parent's basic support obligation;

(b) If there is no accessible health insurance coverage for the child available through the parent's employer or union, contributing a proportionate share of any premium paid by the other parent or the state for public health care coverage for the child.

(4) The department may attempt to enforce a parent's obligation to provide health insurance coverage for the dependent child. If health insurance coverage is not available through the parent's employment or union at a cost not to exceed twenty-five percent of the parent's basic support obligation, or as otherwise provided in the support order, the department may enforce any monthly payment toward the premium ordered to be provided under RCW 26.09.105 or 74.20A.300.

((44)) (5) A parent seeking to enforce another parent's monthly payment toward the premium under RCW 26.09.105 may:

(a) Apply for support enforcement services from the division of child support as provided by rule; or

(b) Take action on his or her own behalf by:

(i) Filing a motion in the underlying superior court action; or

(ii) Initiating an action in superior court to determine the amount owed by the obligated parent, if there is not already an underlying superior court action.

((44)) (6)(a) The department may serve a notice of support owed under RCW 26.23.110 on a parent to determine the amount of that parent's monthly payment toward the premium.

(b) Whether or not the child receives temporary assistance for needy families or medicaid, the department may enforce the responsible parent's monthly payment toward the premium. When the child receives state-financed medical public health care coverage (through the department under chapter 24.09 RCW) for which there is an assignment, the department may disburse amounts collected to the custodial parent to be used for the medical costs of the child or the department may retain amounts collected and apply them toward the cost of providing the child's state-financed medical coverage. The department may disregard monthly payments toward the premium which are passed through to the family in accordance with federal law.

((44)) (7)(a) If the order to provide health insurance coverage contains language notifying the parent ordered to provide coverage that failure to provide such coverage or proof that such coverage is unavailable may result in direct enforcement of the order and orders payments through, or has been submitted to, the Washington state support registry for enforcement, then the department may, without further notice to the parent, send a national medical support notice pursuant to 42 U.S.C. Sec. 666(a)(19), and sections 401(e) and (f) of the federal child support and performance incentive act of 1998 to the parent's employer or union. The notice shall be served:

(i) By regular mail;

(ii) In the manner prescribed for the service of a summons in a civil action;

(iii) By certified mail, return receipt requested; or

(iv) By electronic means if there is an agreement between the secretary of the department and the person, firm, corporation, association, political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States to accept service by electronic means.

(b) The notice shall require the employer or union to enroll the child in the health insurance plan as provided in subsection ((6)(b)) (10) of this section.

(c) The returned part A of the national medical support notice to the division of child support by the employer constitutes proof of service of the notice in the case where the notice was served by regular mail.

((44)) (8) Upon receipt of a national medical support notice from a child support agency operating under Title IV-D of the federal social security act:

(a) The parent's employer or union shall comply with the provisions of the notice, including meeting response time frames and withholding requirements required under part A of the notice;

(b) The parent's employer or union shall also be responsible for complying with forwarding part B of the notice to the child's plan administrator, if required by the notice;

(c) The plan administrator is responsible for complying with the provisions of the notice.

((2)) (9) If the parent's order to provide health insurance coverage does not order payments through, and has not been submitted to, the Washington state support registry for enforcement:

(a) The parent seeking enforcement may, without further notice to the obligated parent, send a certified copy of the order requiring health insurance coverage to the parent's employer or union by certified mail, return receipt requested; and

(b) The parent seeking enforcement shall attach a notarized statement to the order declaring that the order is the latest order addressing coverage entered by the court and require the employer or union to enroll the child in the health insurance plan as provided in subsection ((6)(b)) (10) of this section.

((2)) (10) Upon receipt of an order that provides for health insurance coverage:

(a) The parent's employer or union shall answer the party who sent the order within twenty days and confirm that the child:

(i) Has been enrolled in the health insurance plan;

(ii) Will be enrolled; or

(iii) Cannot be covered, stating the reasons why such coverage cannot be provided;

(b) The employer or union shall withhold any required premium from the parent's income or wages;

(c) If more than one plan is offered by the employer or union, and each plan may be extended to cover the child, then the child shall be enrolled in the parent's plan. If the parent's plan does not provide coverage which is accessible to the child, the child shall be enrolled in the least expensive plan otherwise available to the parent;

(d) The employer or union shall provide information about the name of the health insurance coverage provider or issuer and the extent of coverage available to the parent and shall make available any necessary claim forms or enrollment membership cards.

((44)) (11) If the order for coverage contains no language notifying either or both parents that failure to provide health insurance coverage or proof that such coverage is unavailable
may result in direct enforcement of the order, the department or
the parent seeking enforcement may serve a written notice of
intent to enforce the order on the obligated parent by certified
mail, return receipt requested, or by personal service. If the parent
required to provide medical support fails to provide written proof
that such coverage has been obtained or applied for or fails to
provide proof that such coverage is unavailable within twenty
days of service of the notice, the department or the parent seeking
enforcement may proceed to enforce the order directly as provided in subsection (((15))) (7) of this section.

 (((16))) (12) If the parent ordered to provide health insurance
coverage elects to provide coverage that will not be accessible to
the child because of geographic or other limitations when
accessible coverage is otherwise available, the department or the
parent seeking enforcement may serve a written notice of intent
to purchase health insurance coverage on the obligated parent by
certified mail, return receipt requested. The notice shall also
specify the type and cost of coverage.

 (((17))) (13) If the department serves a notice under subsection  (((16))) (12) of this section the parent required to provide medical
support shall, within twenty days of the date of service:
(a) File an application for an adjudicative proceeding; or
(b) Provide written proof to the department that the obligated
parent has either applied for, or obtained, coverage accessible to
the child.

 (((18))) (14) If the parent seeking enforcement serves a notice
under subsection (((17))) (12) of this section, within twenty days of the date of service the parent required to provide medical
support shall provide written proof to the parent seeking
enforcement that he or she has either applied for, or obtained,
coverage accessible to the child.

 (((19))) (15) If the parent required to provide medical support
fails to respond to a notice served under subsection (((18))) (12) of this section to the party who served the notice, the party who
served the notice may purchase the health insurance coverage
specified in the notice directly.
(a) If the obligated parent is the responsible parent, the amount
of the monthly premium shall be added to the support debt and be
collectible without further notice.
(b) If the obligated parent is the custodial parent, the
responsible parent may file an application for enforcement
services and ask the department to establish and enforce the
custodial parent's obligation.

 (((20))) (16) If the parent required to provide medical support
fails to pay his or her portion, determined under RCW 26.19.080,
of any premium, deductible, copay, or uninsured medical expense
incurred on behalf of the child, pursuant to a child support order,
the department or the parent seeking reimbursement of medical
depenses may enforce collection of the obligated parent's portion
of the premium, deductible, copay, or uninsured medical expense
incurred on behalf of the child.

(a) If the department is enforcing the order and the responsible
parent is the obligated parent, the obligated parent's portion of the
premium, deductible, copay, or uninsured medical expenses
incurred on behalf of the child added to the support debt and be
collectible without further notice, following the reduction of the
expenses to a sum certain either in a court order or by the
department, pursuant to RCW 26.23.110.
(b) If the custodial parent is the obligated parent, the
responsible parent may file an application for enforcement
services and ask the department to establish and enforce the
custodial parent's obligation.

 (((21))) (20) As used in this section:
(a) "Accessible" means health insurance coverage which
provides primary care services to the child or children with
reasonable effort by the custodian.
(b) "Cash medical support" means a combination of: (i) A
parent's monthly payment toward the premium paid for coverage
by either the other parent or the state, which represents the
obligated parent's proportionate share of the premium paid, but
no more than twenty-five percent of the obligated parent's basic
support obligation; and (ii) a parent's proportionate share of
uninsured medical expenses.
(c) (("Health insurance coverage" does not include medical
assistance provided under chapter 74.09 RCW.
(d)) "Uninsured medical expenses" includes premiums,
copays, deductibles, along with other health care costs not
covered by insurance.

 (((22))) (11) "Obligated parent" means a parent ordered to provide
health insurance coverage for the children.

 (((23))) (12) "Monthly payment toward the premium" means a
parent's contribution toward premiums paid by the other parent or
the state for insurance coverage for the child, which is based on
the obligated parent's proportionate share of the premium paid,
but no more than twenty-five percent of the obligated parent's basic
support obligation.

 (((24))) (21) The department has rule-making authority to enact
rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec.
666(a)(19) as amended by section 7307 of the deficit reduction
act of 2005. Additionally, the department has rule-making
authority to implement regulations required under 45 C.F.R. Parts
302, 303, 304, 305, and 308.

 Sec. 104. RCW 26.23.050 and 2009 c 476 s 4 are each
amended to read as follows:
(1) If the division of child support is providing support
enforcement services under RCW 26.23.045, or if a party is
applying for support enforcement services by signing the
application form on the bottom of the support order, the superior
court shall include in all court orders that establish or modify a support obligation:
(a) A provision that orders and directs the responsible parent to make all support payments to the Washington state support registry;
(b) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of the court order, unless:
(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or
(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;
(c) A statement that the receiving parent might be required to submit an accounting of how the support, including any cash medical support, is being spent to benefit the child;
(d) A statement that any parent required to provide health ((insurance)) care coverage for the child or children covered by the order must notify the division of child support and the other parent when the coverage terminates; and
(e) A statement that the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320.
As used in this subsection and subsection (3) of this section, "good cause not to require immediate income withholding" means a written determination of why implementing immediate wage withholding would not be in the child's best interests and, in modification cases, proof of timely payment of previously ordered support.
(2) In all other cases not under subsection (1) of this section, the court may order the responsible parent to make payments directly to the person entitled to receive the payments, to the Washington state support registry, or may order that payments be made in accordance with an alternate arrangement agreed upon by the parties.
(a) The superior court shall include in all orders under this subsection that establish or modify a support obligation:
(i) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of the court order, unless:
(A) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or
(B) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;
(ii) A statement that the receiving parent may be required to submit an accounting of how the support is being spent to benefit the child;
(iii) A statement that any parent required to provide health ((insurance)) care coverage for the child or children covered by the order must notify the division of child support and the other parent when the coverage terminates; and
(iv) A statement that a parent seeking to enforce the obligation to provide health ((insurance)) care coverage may:
(A) File a motion in the underlying superior court action; or
(B) If there is not already an underlying superior court action, initiate an action in the superior court.
As used in this subsection, "good cause not to require immediate income withholding" is any reason that the court finds appropriate.
(b) The superior court may order immediate or delayed income withholding as follows:
(i) Immediate income withholding may be ordered if the responsible parent has earnings. If immediate income withholding is ordered under this subsection, all support payments shall be paid to the Washington state support registry. The superior court shall issue a mandatory wage assignment order as set forth in chapter 26.18 RCW when the support order is signed by the court. The parent entitled to receive the transfer payment is responsible for serving the employer with the order and for its enforcement as set forth in chapter 26.18 RCW.
(ii) If immediate income withholding is not ordered, the court shall require that income withholding be delayed until a payment is past due. The support order shall contain a statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent, after a payment is past due.
(c) If a mandatory wage withholding order under chapter 26.18 RCW is issued under this subsection and the division of child support provides support enforcement services under RCW 26.23.045, the existing wage withholding assignment is prospectively superseded upon the division of child support's subsequent service of an income withholding notice.
(3) The office of administrative hearings and the department of social and health services shall require that all support obligations established as administrative orders include a provision which orders and directs that the responsible parent shall make all support payments to the Washington state support registry. All administrative orders shall also state that the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320. All administrative orders shall also state that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state without further notice to the responsible parent at any time after entry of the order, unless:
(a) One of the parties demonstrates, and the presiding officer finds, that there is good cause not to require immediate income withholding; or
(b) The parties reach a written agreement that is approved by the presiding officer that provides for an alternate agreement.
(4) If the support order does not include the provision ordering and directing that all payments be made to the Washington state support registry and a statement that withholding action may be taken against wages, earnings, assets, or benefits if a support payment is past due or at any time after the entry of the order, or that a parent's licensing privileges may not be renewed, or may be suspended, the division of child support may serve a notice on the responsible parent stating such requirements and authorizations. Service may be by personal service or any form of mail requiring a return receipt.
(5) Every support order shall state:
(a) The address where the support payment is to be sent;
(b) That withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of a support order, unless:
(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) The income of the parties, if known, or that their income is unknown and the income upon which the support award is based;

(d) The support award as a sum certain amount;

(e) The specific day or date on which the support payment is due;

(f) The names and ages of the dependent children;

(g) A provision requiring both the responsible parent and the custodial parent to keep the Washington state support registry informed of whether he or she has access to health ((insurance)) care coverage at reasonable cost and, if so, the health ((insurance policy)) care coverage information;

(h) That either or both the responsible parent and the custodial parent shall be obligated to provide medical support for his or her child through health ((insurance)) care coverage if:

(i) The obligated parent provides accessible coverage for the child through private ((insurance)) or public health care coverage; or

(ii) Coverage that can be extended to cover the child is or becomes available to the parent through employment or is union-related; or

(iii) In the absence of such coverage, through an additional sum certain amount, as that parent's monthly payment toward the premium as provided under RCW 26.09.105;

(i) That a parent providing health ((insurance)) care coverage must notify both the division of child support and the other parent when coverage terminates;

(j) That if proof of health ((insurance)) care coverage or proof that the coverage is unavailable is not provided within twenty days, the parent seeking enforcement or the department may seek direct enforcement of the coverage through the employer or union of the parent required to provide medical support without further notice to the parent as provided under chapter 26.18 RCW;

(k) The reasons for not ordering health ((insurance)) care coverage if the order fails to require such coverage;

(l) That the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320;

(m) That each parent must:

(i) Promptly file with the court and update as necessary the confidential information form required by subsection (7) of this section; and

(ii) Provide the state case registry and update as necessary the information required by subsection (7) of this section; and

(n) That parties to administrative support orders shall provide to the state case registry and update as necessary their residential addresses and the address of the responsible parent's employer. The division of child support may adopt rules that govern the collection of parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers to enforce an administrative support order. The division of child support shall not release this information if the division of child support determines that there is reason to believe that release of the information may result in physical or emotional harm to the party or to the child, or a restraining order or protective order is in effect to protect one party from the other party.

(6) After the responsible parent has been ordered or notified to make payments to the Washington state support registry under this section, the responsible parent shall be fully responsible for making all payments to the Washington state support registry and shall be subject to payroll deduction or other income-withholding action. The responsible parent shall not be entitled to credit against a support obligation for any payments made to a person or agency other than to the Washington state support registry except as provided under RCW 74.20.101. A civil action may be brought by the payor to recover payments made to persons or agencies who have received and retained support moneys paid contrary to the provisions of this section.

(7) All petitioners and parties to all court actions under chapters 26.09, 26.10, 26.12, 26.18, 26.21A, 26.23, 26.26, and 26.27 RCW shall complete to the best of their knowledge a verified and signed confidential information form or equivalent that provides the parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers. The clerk of the court shall not accept petitions, except in parentage actions initiated by the state, orders of child support, decrees of dissolution, or paternity orders for filing in such actions unless accompanied by the confidential information form or equivalent, or unless the confidential information form or equivalent is already on file with the court clerk. In lieu of or in addition to requiring the parties to complete a separate confidential information form, the clerk may collect the information in electronic form. The clerk of the court shall transmit the confidential information form or its data to the division of child support with a copy of the order of child support or paternity order, and may provide copies of the confidential information form or its data and any related findings, decrees, parenting plans, orders, or other documents to the state administrative agency that administers Title IV-A, IV-D, IV-E, or XIX of the federal social security act. In state initiated paternity actions, the parties adjudicated the parents of the child or children shall complete the confidential information form or equivalent or the state's attorney of record may complete that form to the best of the attorney's knowledge.

(8) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 105. RCW 26.26.165 and 1994 c 230 s 17 are each amended to read as follows:

(1) In entering or modifying a support order under this chapter, the court shall require either or both parents to maintain or provide health ((insurance)) care coverage for any dependent child as provided under RCW 26.09.105.

(2) This section shall not be construed to limit the authority of the court to enter or modify support orders containing provisions for payment of uninsured health expenses, health costs, or insurance premiums which are in addition to and not inconsistent with this section. ("Health insurance coverage" as used in this section does not include medical assistance provided under chapter 74.09 RCW.)

(3) A parent ordered to provide health ((insurance)) care coverage shall provide proof of such coverage or proof that such coverage is unavailable within twenty days of the entry of the order to:

(a) The physical custodian; or
(b) The department of social and health services if the parent has been notified or ordered to make support payments to the Washington state support registry.

(4) Every order requiring a parent to provide health care coverage shall be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

Sec. 106. RCW 26.26.375 and 2011 c 283 s 20 are each amended to read as follows:

(1) After the period for rescission of an acknowledgment of paternity provided in RCW 26.26.330 has passed, a parent executing an acknowledgment of paternity of the child named therein may commence a judicial proceeding for:

(a) Making residential provisions or a parenting plan with regard to the minor child on the same basis as provided in chapter 26.09 RCW; or

(b) Establishing a child support obligation under chapter 26.19 RCW and maintaining health care coverage under RCW 26.09.105.

(2) Pursuant to RCW 26.09.010(3), a proceeding authorized by this section shall be titled "In re the parenting and support of..."

(3) Before the period for a challenge to the acknowledgment or denial of paternity has elapsed under RCW 26.26.335, the petitioner must specifically allege under penalty of perjury, to the best of the petitioner's knowledge, that: (a) No man other than the man who executed the acknowledgment of paternity is the father of the child; (b) there is not currently pending a proceeding to adjudicate the parentage of the child or that another man is adjudicated the child's father; and (c) the petitioner has provided notice of the proceeding to any other person appearing in the action deny the allegations, a permanent parenting plan or residential schedule may not be entered for the child without the matter being converted to a proceeding to challenge the acknowledgment of paternity under RCW 26.26.335 and 26.26.340. A copy of the acknowledgment of paternity or the birth certificate issued by the state in which the child was born must be filed with the petition or response. The court may convert the matter to a proceeding to challenge the acknowledgment on its own motion.

Sec. 107. RCW 74.20A.055 and 2009 c 476 s 7 are each amended to read as follows:

(1) The secretary, if there is no order that establishes the responsible parent's support obligation or specifically relieves the responsible parent of a support obligation or pursuant to an establishment of paternity under chapter 26.26 RCW, serve on the responsible parent or parents and custodial parent a notice and finding of financial responsibility requiring the parents to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future. The hearing shall be held pursuant to this section, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department. A custodian who has physical custody of a child has the same rights that a custodial parent has under this section.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the debtor within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. The notice may be served upon the custodial parent who is the nonassistance applicant or public assistance recipient by first-class mail to the last known address. If the custodial parent is not the nonassistance applicant or public assistance recipient, service shall be in the same manner as for the responsible parent.

(3) The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future. The notice and finding shall also include:

(a) A statement of the name of the custodial parent and the name of the child or children for whom support is sought;

(b) A statement of the amount of periodic future support payments as to which financial responsibility is alleged;

(c) A statement that the responsible parent or custodial parent may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why the terms set forth in the notice should not be ordered;

(d) A statement that, if neither the responsible parent nor the custodial parent files in a timely fashion an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt and amounts due under the notice shall be subject to collection action;

(e) A statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, order to withhold and deliver, notice of payroll deduction or other collection action to satisfy the debt and enforce the support obligation established under the notice;

(f) A statement that either: (i) Providing health care coverage for the child; (ii) one or both parents are responsible for either: (A) Is available through health insurance which is accessible to the child or through coverage that) or public health care coverage; or

(B) Is or becomes available to the parent through that parent's (B) Is or becomes available to the parent through that parent's employment or (C) Is or becomes available to the parent through care coverage provided by (D) Is or becomes available to the parent through that parent's
care coverage provided by (E) Is or becomes available to the parent through that parent's

(i) Paying a monthly payment toward the premium if no such coverage is available, as provided under RCW 26.09.105.

(4) A responsible parent or custodial parent who objects to the notice and finding of financial responsibility may file an application for an adjudicative proceeding within twenty days of the date of service of the notice or thereafter as provided under this subsection.

(a) If the responsible parent or custodial parent files the application within twenty days, the office of administrative hearings shall schedule an adjudicative proceeding to hear the parent's or parents' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application stays collection action pending the entry of a final administrative order;

(b) If both the responsible parent and the custodial parent fail to file an application within twenty days, the notice and finding shall become a final administrative order. The amounts for current and future support and the support debt stated in the notice are
final and subject to collection, except as provided under (c) and 
(d) of this subsection;

(c) If the responsible parent or custodial parent files the 
application more than twenty days after, but within one year of 
the date of service, the office of administrative hearings shall 
schedule an adjudicative proceeding to hear the parent's or 
parents' objection and determine the support obligation for the 
entire period covered by the notice and finding of financial 
responsibility. The filing of the application does not stay further 
collection action, pending the entry of a final administrative 
order, and does not affect any prior collection action;

(d) If the responsible parent or custodial parent files the 
application more than one year after the date of service, the office 
of administrative hearings shall schedule an adjudicative 
proceeding at which the parent who requested the late hearing 
must show good cause for failure to file a timely application. The 
filing of the application does not stay future collection action and 
does not affect prior collection action:

(i) If the presiding officer finds that good cause exists, the 
presiding officer shall proceed to hear the parent's objection to the 
notice and determine the support obligation;

(ii) If the presiding officer finds that good cause does not exist, 
the presiding officer shall treat the application as a petition for 
prospective modification of the amount for current and future 
support established under the notice and finding. In the 
modification proceeding, the presiding officer shall set current 
and future support under chapter 26.19 RCW. The petitioning 
parent need show neither good cause nor a substantial change of 
circumstances to justify modification of current and future 
support;

(e) If the responsible parent's support obligation was based 
upon imputed median net income, the grant standard, or the 
family need standard, the division of child support may file an 
application for adjudicative proceeding more than twenty days 
after the date of service of the notice. The office of administrative 
hearings shall schedule an adjudicative proceeding and provide 
notice of the hearing to the responsible parent and the custodial 
parent. The presiding officer shall determine the support 
obligation for the entire period covered by the notice, based upon 
credible evidence presented by the division of child support, the 
responsible parent, or the custodial parent, or may determine that 
the support obligation set forth in the notice is incorrect. The 
division of child support demonstrates good cause by showing 
that the responsible parent's support obligation was based upon 
imputed median net income, the grant standard, or the family need 
standard. The filing of the application by the division of child 
support does not stay further collection action, pending the entry 
of a final administrative order, and does not affect any prior 
collection action.

(f) The department shall retain and/or shall not refund support 
money collected more than twenty days after the date of service 
of the notice. Money withheld as the result of collection action 
shall be delivered to the department. The department shall 
distribute such money, as provided in published rules.

(5) If an application for an adjudicative proceeding is filed, the 
presiding or reviewing officer shall determine the past liability 
and responsibility, if any, of the alleged responsible parent and 
shall also determine the amount of periodic payments to be made 
in the future, which amount is not limited by the amount of any 
public assistance payment made to or for the benefit of the child. 
If deviating from the child support schedule in making these 
determinations, the presiding or reviewing officer shall apply the 
standards contained in the child support schedule and enter 
written findings of fact supporting the deviation.

(6) If either the responsible parent or the custodial parent fails 
to attend or participate in the hearing or other stage of an 
adjudicative proceeding, upon a showing of valid service, the 
presiding officer shall enter an order of default against each party 
who did not appear and may enter an administrative order 
declaring the support debt and payment provisions stated in the 
notice and finding of financial responsibility to be assessed and 
determined and subject to collection action. The parties who 
appear may enter an agreed settlement or consent order, which 
may be different than the terms of the department's notice. Any 
party who appears may choose to proceed to the hearing, after the 
conclusion of which the presiding officer or reviewing officer 
may enter an order that is different than the terms stated in the 
otice, if the obligation is supported by credible evidence 
presented by any party at the hearing.

(7) The final administrative order establishing liability and/or 
future periodic support payments shall be superseded upon entry 
of a superior court order for support to the extent the superior 
court order is inconsistent with the administrative order.

(8) Debts determined pursuant to this section, accrued and not 
paid, are subject to collection action under this chapter without 
further necessity of action by a presiding or reviewing officer.

(9) The department has rule-making authority to enact rules 
consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 
666(a)(19) as amended by section 7307 of the deficit reduction 
act of 2005. Additionally, the department has rule-making 
authority to implement regulations required under 45 C.F.R. Parts 
302, 303, 304, 305, and 308.

Sec. 108. RCW 74.20A.056 and 2009 c 476 s 8 are each 
amended to read as follows:

(1) If an alleged father has signed an affidavit acknowledging 
paternity which has been filed with the state registrar of vital 
statistics before July 1, 1997, the division of child support may 
serve a notice and finding of parental responsibility on him and 
the custodial parent. Procedures for and responsibility resulting 
from acknowledgments filed after July 1, 1997, are in subsections 
(8) and (9) of this section. Service of the notice shall be in the 
same manner as a summons in a civil action or by certified mail, 
return receipt requested, on the alleged father. The custodial 
parent shall be served by first-class mail to the last known 
address. If the custodial parent is not the nonassistance applicant 
or public assistance recipient, service shall be in the same 
manner as for the responsible parent. The notice shall have attached to it a 
copy of the affidavit or certification of birth record information 
advising of the existence of a filed affidavit, provided by the state 
registrar of vital statistics, and shall state that:

(a) Either or both parents are responsible for providing health 
(insurance) care coverage for their child either through 
(private) health insurance or public health care coverage, which 
is accessible to the child, or through coverage that if coverage 
that can be extended to cover the child is or becomes available to 
the parent through employment or is union-related, or for paying a 
monthly payment toward the premium if no such coverage is 
available, as provided under RCW 26.09.105;

(b) The alleged father or custodial parent may file an 
application for an adjudicative proceeding at which they both 
will be required to appear and show cause why the amount stated in 
the notice as to support is incorrect and should not be ordered;

(c) An alleged father or mother, if she is also the custodial 
parent, may request that a blood or genetic test be administered to 
determine whether such test would exclude him from being a 
natural parent and, if not excluded, may subsequently request that 
the division of child support initiate an action in superior court to 
determine the existence of the parent-child relationship; and
(d) If neither the alleged father nor the custodial parent requests that a blood or genetic test be administered or files an application for an adjudicative proceeding, the amount of support stated in the notice and finding of parental responsibility shall become final, subject only to a subsequent determination under RCW 26.26.500 through 26.26.630 that the parent-child relationship does not exist.

(2) An alleged father or custodial parent who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt, the amount of the current and future support obligation, and the reimbursement of the costs of blood or genetic tests if advanced by the department. A custodian who is not the parent of a child and who has physical custody of a child has the same notice and hearing rights that a custodial parent has under this section.

(3) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department. If no application is filed within twenty days:

(a) The amounts in the notice shall become final and the debt created therein shall be subject to collection action; and

(b) Any amounts so collected shall neither be refunded nor returned if the alleged father is later found not to be a responsible parent.

(4) An alleged father or the mother, if she is also the custodial parent, may request that a blood or genetic test be administered at any time. The request for testing shall be in writing, or as the department may specify by rule, and served on the division of child support. If a request for testing is made, the department shall arrange for the test and, pursuant to rules adopted by the department, may advance the cost of such testing. The department shall mail a copy of the test results by certified mail, return receipt requested, to the alleged father's and mother's, if she is also the custodial parent, last known address.

(5) If the test excludes the alleged father from being a natural parent, the division of child support shall file a copy of the results with the state registrar of vital statistics and shall dismiss any pending administrative collection proceedings based upon the affidavit in issue. The state registrar of vital statistics shall remove the alleged father's name from the birth certificate and change the child's surname to be the same as the mother's maiden name as stated on the birth certificate, or any other name which the mother may select.

(6) The alleged father or mother, if she is also the custodial parent, may, within twenty days after the date of receipt of the test results, request the division of child support to initiate an action under RCW 26.26.500 through 26.26.630 to determine the existence of the parent-child relationship. If the division of child support initiates a superior court action at the request of the alleged father or mother and the decision of the court is that the alleged father is a natural parent, the parent who requested the test shall be liable for court costs incurred.

(7) If the alleged father or mother, if she is also the custodial parent, does not request the division of child support to initiate a superior court action, or fails to appear and cooperate with blood or genetic testing, the notice of parental responsibility shall become final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26.500 through 26.26.630.

(8)(a) Subsections (1) through (7) of this section do not apply to acknowledgments of paternity filed with the state registrar of vital statistics after July 1, 1997.

(b) If an acknowledged father has signed an acknowledgment of paternity that has been filed with the state registrar of vital statistics after July 1, 1997:

(i) The division of child support may serve a notice and finding of financial responsibility under RCW 74.20A.055 based on the acknowledgment. The division of child support shall attach a copy of the acknowledgment or certification of the birth record information advising of the existence of a filed acknowledgment of paternity to the notice;

(ii) The notice shall include a statement that the acknowledged father or any other signatory may commence a proceeding in court to rescind or challenge the acknowledgment or denial of paternity under RCW 26.26.330 and 26.26.335;

(iii) A statement that either or both parents are responsible for providing health coverage for the child if accessible coverage that can be extended to cover the child is or becomes available to the parent through employment or is union-related as provided under RCW 26.09.105; and

(iv) The party commencing the action to rescind or challenge the acknowledgment or denial must serve notice on the division of child support and the office of the prosecuting attorney in the county in which the proceeding is commenced. Commencement of a proceeding to rescind or challenge the acknowledgment or denial stays the establishment of the notice and finding of financial responsibility, if the notice has not yet become a final order.

(c) If neither the acknowledged father nor the other party to the notice files an application for an adjudicative proceeding or the signatories to the acknowledgment or denial do not commence a proceeding to rescind or challenge the acknowledgment of paternity, the amount of support stated in the notice and finding of financial responsibility becomes final, subject only to a subsequent determination under RCW 26.26.500 through 26.26.630 that the parent-child relationship does not exist. The division of child support does not refund nor return any amounts collected under a notice that becomes final under this section or RCW 74.20A.055, even if a court later determines that the acknowledgment is void.

(d) An acknowledged father or other party to the notice who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt and the amount of the current and future support obligation.

(i) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department.

(ii) If the application for an adjudicative proceeding is not filed within twenty days of service of the notice, any amounts collected under the notice shall be neither refunded nor returned if the alleged father is later found not to be a responsible parent.

(e) If neither the acknowledged father nor the custodial parent requests an adjudicative proceeding, or if no timely action is brought to rescind or challenge the acknowledgment or denial after service of the notice, the notice of financial responsibility becomes final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26.500 through 26.26.630.
FIFTY EIGHTH DAY, MARCH 6, 2018

(9) Acknowledgments of paternity that are filed after July 1, 1997, are subject to requirements of chapters 26.26, the uniform parentage act, and 70.58 RCW.

(10) The department and the department of health may adopt rules to implement the requirements under this section.

(11) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 109. RCW 74.20A.059 and 2009 c 476 s 9 are each amended to read as follows:

(1) The department, the physical custodian, or the responsible parent may petition for a prospective modification of a final administrative order if:

(a) The administrative order has not been superseded by a superior court order; and

(b) There has been a substantial change of circumstances, except as provided under RCW 74.20A.055(4)(d).

(2) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child; or

(b) If a party requests an adjustment in an order for child support that was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based; or

(c) If a child is a full-time student and reasonably expected to complete secondary school or the equivalent level of vocational or technical training before the child becomes nineteen years of age upon a finding that there is a need to extend support beyond the eighteenth birthday.

(3) An order may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require medical support under RCW 26.09.105 for a child covered by the order; or

(b) Modify an existing order for health care coverage.

(4) Support orders may be adjusted once every twenty-four months based upon changes in the income of the parents without a showing of substantially changed circumstances.

(5)(a) All administrative orders entered on, before, or after September 1, 1991, may be modified based upon changes in the child support schedule established in chapter 26.19 RCW without a substantial change of circumstances. The petition may be filed based on changes in the child support schedule after twelve months has expired from the entry of the administrative order or the most recent modification order setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to subsection (4) of this section.

(b) If, pursuant to subsection (4) of this section or (a) of this section, the order modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the change may be implemented in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under subsection (4) of this section may be filed.

(6) An increase in the wage or salary of the parent or custodian who is receiving the support transfer payments is not a substantial change in circumstances for purposes of modification under subsection (1)(b) of this section. An obligor's voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department shall file the petition and a supporting affidavit with the secretary or the secretary's designee when the department petitions for modification.

(8) The responsible parent or the physical custodian shall follow the procedures in this chapter for filing an application for an adjudicative proceeding to petition for modification.

(9) Upon the filing of a proper petition or application, the secretary or the secretary's designee shall issue an order directing each party to appear and show cause why the order should not be modified.

(10) If the presiding or reviewing officer finds a modification is appropriate, the officer shall modify the order and set current and future support under chapter 26.19 RCW.

Sec. 110. RCW 74.20A.300 and 2009 c 476 s 6 are each amended to read as follows:

(1) Whenever a support order is entered or modified under this chapter, the department shall require either or both parents to provide medical support for any dependent child, in the nature of health care coverage or a monthly payment toward the premium, as provided under RCW 26.09.105.

(2) "Health insurance coverage" as used in this section does not include medical assistance provided under chapter 74.09 RCW.

(3) A parent ordered to provide health care coverage shall provide proof of such coverage or proof that such coverage is unavailable to the department within twenty days of the entry of the order.

(4) A parent required to provide health care coverage must notify the department and the other parent when coverage terminates.

(5) Every order requiring a parent to provide health care coverage shall be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

PART II

ELECTRONIC PAYMENTS

NEW SECTION. Sec. 201. A new section is added to chapter 26.23 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Electronic funds transfer" means any transfer of funds, other than a transaction originated or accomplished by conventional check, drafts, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument, or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit a checking or other deposit account. "Electronic funds transfer" includes payments made:

(i) By electronic check (echeck); and

(ii) By any means made available through the division of child support's web-based payment services.

(b) "Income withholding order" means an order to withhold income, order to withhold and deliver, or notice of payroll deduction issued under this chapter or chapter 26.10, 26.18, 74.20, or 74.20A RCW.

(c) "Payroll processor" means a person, entity, agent, or company which provides payroll services to an employer or other business such as calculating paychecks and providing electronic funds transfer services for payments to employees and other entities.
(2) Except as provided in subsection (4) of this section, an employer or other business that has received an income withholding order from the department of social and health services requiring payment to the Washington state support registry must remit payments through electronic funds transfer when the following conditions apply:

(a) The income withholding order applies to a person who is either an employee or contractor of the business, and the employer or business has:
   (i) Ten or more employees; or
   (ii) Ten or more contractors;
(b) The employer or business has received an income withholding order for more than one employee or contractor, even if the employer or business has fewer than ten employees or contractors, but has received an income withholding order for more than one employee or contractor;
(c) The employer or business uses a payroll processor to handle its payroll, payment, and tax processes and the payroll processor has the capacity to transmit payments through electronic funds transfer; or
(d) The employer or business is required by the department of revenue to file and pay taxes electronically under RCW 82.32.080.

(3) All electronic funds transfer payments must identify the person from whom the payment was withheld, the amount of the payment, the person's identifying number assigned by the division of child support, or the division of child support case number to which the payment is to be applied. If a business, employer, or payroll processor required to remit payments by electronic funds transfer under this section fails to comply with this requirement, the division of child support may issue a notice of noncompliance pursuant to RCW 74.20A.350.

(4) The department may waive the requirement to remit payments electronically for a business, employer, or payroll processor that is unable to comply despite good faith efforts or due to circumstances beyond that entity's reasonable control. Grounds for approving a waiver include, but are not limited to, circumstances in which:
   (a) The business, employer, or payroll processor does not have a computer that meets the minimum standards necessary for electronic remittance;
   (b) Additional time is needed to program the entity's computer;
   (c) The business, employer, or payroll processor does not currently file data electronically with any business or government agency;
   (d) Compliance conflicts with the entity's business procedures;
   (e) Compliance would cause a financial hardship.

(5) The department has the discretion to terminate a waiver granted under subsection (4) of this section if:
   (a) The business or employer has received at least one income withholding order for a person or employee and has failed to withhold or failed to withhold within the time provided in the order at least twice;
   (b) The business, employer, or payroll processor has submitted at least one dishonored check; or
   (c) The business, employer, or payroll processor continues to incorrectly identify withholdings or makes other errors that affect proper distribution of the support, despite contact and information from the department on how to correct the error.

(6) The department of social and health services has rule-making authority to enact rules in compliance with this section, including, but not limited to:
   (a) The necessary conditions required for a business, employer, or payroll processor to electronically remit child support payments to the Washington state support registry;
   (b) Options for electronic funds transfers and the process by which one must comply in order to establish such payment arrangements;
   (c) Which types of payment meet the definition of electronic funds transfer; and
   (d) Reasons for exemption from the requirement to remit funds by electronic funds transfer.

Sec. 202. RCW 74.20A.350 and 1997 c 58 s 893 are each amended to read as follows:

(1) The division of child support may issue a notice of noncompliance to any person, firm, entity, or agency of state or federal government that the division believes is not complying with:
   (a) A notice of payroll deduction issued under chapter 26.23 RCW;
   (b) A lien, order to withhold and deliver, or assignment of earnings issued under this chapter;
   (c) Any other wage assignment, garnishment, attachment, or withholding instrument properly served by the agency or firm providing child support enforcement services for another state, under Title IV-D of the federal social security act;
   (d) A subpoena issued by the division of child support, or the agency or firm providing child support enforcement for another state, under Title IV-D of the federal social security act;
   (e) An information request issued by the division of child support, or the agency or firm providing child support enforcement for another state under Title IV-D of the federal social security act, to an employer or entity required to respond to such requests under RCW 74.20A.360; ((or))
   (f) The duty to report newly hired employees imposed by RCW 26.23.040; or
   (g) The duty of a business, employer, or payroll processor that has received an income withholding order from the department of social and health services requiring payment to the Washington state support registry to remit withheld funds by electronic means imposed by section 201 of this act.

(2) Liability for noncompliance with a wage withholding, garnishment, order to withhold and deliver, or any other lien or attachment issued to secure payment of child support is governed by RCW 26.23.090 and 74.20A.100, except that liability for noncompliance with remittance time frames is governed by subsection (((4))) ((4)) of this section.

(3) Fines for noncompliance by a business, employer, or payroll processor with the duty to remit withheld funds by electronic means imposed by section 201 of this act are governed by subsection (4)(c) of this section.

(4) The division of child support may impose fines of up to one hundred dollars per occurrence for:
   (a) Noncompliance with a subpoena or an information request issued by the division of child support, or the agency or firm providing child support enforcement services for another state under Title IV-D of the federal social security act;
   (b) Noncompliance with the required time frames for remitting withheld support moneys to the Washington state support registry, or the agency or firm providing child support enforcement services for another state, except that no liability shall be established for failure to make timely remittance unless the division of child support has provided the person, firm, entity, or agency of state or federal government with written warning:
      (i) Explaining the duty to remit withheld payments promptly;
      (ii) Explaining the potential for fines for delayed submission; and
      (iii) Providing a contact person within the division of child support with whom the person, firm, entity, or agency of state or
federal government may seek assistance with child support withholding issues;

(c) A business, employer, or payroll processor's noncompliance with the duty to remit withheld funds by electronic means imposed by section 201 of this act. The division of child support may not impose fines for failure to comply with this requirement unless it has provided the person, firm, entity, or agency of state or federal government with written warning:

(i) Explaining the duty to remit withheld payments by electronic means;

(ii) Explaining the potential for fines for failure to remit withheld payments by electronic means when required under section 201 of this act; and

(iii) Providing a contact person within the division of child support with whom the person, firm, entity, or agency of state or federal government may seek assistance with child support withholding issues.

(((44))) (5) The division of child support may assess fines according to RCW 26.23.040 for failure to comply with employer reporting requirements.

(((44))) (6) The division of child support may suspend licenses for failure to comply with a subpoena issued under RCW 74.20.225.

(((44))) (7) The division of child support may serve a notice of noncompliance by personal service or by any method of mailing requiring a return receipt.

(((44))) (8) The liability asserted by the division of child support in the notice of noncompliance becomes final and collectible on the twenty-first day after the date of service, unless within that time the person, firm, entity, or agency of state or federal government:

(a) Initiates an action in superior court to contest the notice of noncompliance;

(b) Requests a hearing by delivering a hearing request to the division of child support in accordance with rules adopted by the secretary under this section; or

(c) Contacts the division of child support and negotiates an alternate resolution to the asserted noncompliance or demonstrates that the person, firm, entity, or agency of state or federal government has complied with the child support processes.

(((44))) (9) The notice of noncompliance shall contain:

(a) A full and fair disclosure of the rights and obligations created by this section; and

(b) Identification of the:

(i) Child support process with respect to which the division of child support is alleging noncompliance; and

(ii) State child support enforcement agency issuing the original child support process.

(((44))) (10) In an administrative hearing convened under subsection (((2))) (8)(b) of this section, the presiding officer shall determine whether or not, and to what extent, liability for noncompliance exists under this section, and shall enter an order containing these findings. If liability does exist, the presiding officer shall include language in the order advising the parties to the proceeding that the liability may be collected by any means available to the division of child support under subsection (((6))) (8) of this section without further notice to the liable party.

(((44))) (11) Hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW.

(((44))) (12) After the twenty days following service of the notice, the person, firm, entity, or agency of state or federal government may petition for a late hearing. A petition for a late hearing does not stay any collection action to recover the debt. A late hearing is available upon a showing of any of the grounds stated in civil rule 60 for the vacation of orders.

(((44))) (13) The division of child support may collect any obligation established under this section using any of the remedies available under chapter 26.09, 26.18, 26.21A, 26.23, 74.20, or 74.20A RCW for the collection of child support.

(((44))) (14) The division of child support may enter agreements for the repayment of obligations under this section. Agreements may:

(a) Suspend the obligation imposed by this section conditioned on future compliance with child support processes. Such suspension shall end automatically upon any failure to comply with a child support process. Amounts suspended become fully collectible without further notice automatically upon failure to comply with a child support process;

(b) Resolve amounts due under this section and provide for repayment.

(((44))) (15) The secretary may adopt rules to implement this section.

motion by Senator Dhingra that the Senate concur in the House amendment(s) to Substitute Senate Bill No. 6334.

The economic table is presumptive for combined monthly net incomes up to and including twelve thousand dollars. When combined monthly net income exceeds twelve thousand dollars, the court may exceed the presumptive amount of support set for combined monthly net incomes of twelve thousand dollars upon written findings of fact.

PART IV

SELF-SUPPORT RESERVE

Sec. 401. RCW 26.19.065 and 2009 c 84 s 2 are each amended to read as follows:

(1) **Limit at forty-five percent of a parent's net income.** Neither parent's child support obligation owed for all his or her biological or legal children may exceed forty-five percent of net income except for good cause shown.

(a) Each child is entitled to a pro rata share of the income available for support, but the court only applies the pro rata share to the children in the case before the court.

(b) Before determining whether to apply the forty-five percent limitation, the court must consider whether it would be unjust to apply the limitation after considering the best interests of the child and the circumstances of each parent. Such circumstances include, but are not limited to, leaving insufficient funds in the custodial parent's household to meet the basic needs of the child, comparative hardship to the affected households, assets or liabilities, and any involuntary limits on either parent's earning capacity including incarceration, disabilities, or incapacity.

(c) Good cause includes, but is not limited to, possession of substantial wealth, children with day care expenses, special medical need, educational need, psychological need, and larger families.

(2) **Presumptive minimum support obligation.** (a) When a parent's monthly net income is below one hundred twenty-five percent of the federal poverty guideline for a one-person family, a support order of not less than fifty dollars per child per month shall be entered unless the obligor parent establishes that it would be unjust to do so in that particular case. The decision whether there is a sufficient basis to deviate below the presumptive minimum payment must take into consideration the best interests of the child and the circumstances of each parent. Such circumstances can include leaving insufficient funds in the custodial parent's household to meet the basic needs of the child, comparative hardship to the affected households, assets or liabilities, and earning capacity.

(b) The basic support obligation of the parent making the transfer payment, excluding health care, day care, and special child-rearing expenses, shall not reduce his or her net income below the self-support reserve of one hundred twenty-five percent of the federal poverty level for a one-person family, except for the presumptive minimum payment of fifty dollars per child per month or when it would be unjust to apply the self-support reserve limitation after considering the best interests of the child and the circumstances of each parent. Such circumstances include, but are not limited to, leaving insufficient funds in the custodial parent's household to meet the basic needs of the child, comparative hardship to the affected households, assets or liabilities, and earning capacity. This section shall not be construed to require monthly substantiation of income.

(3) **Income above twelve thousand dollars.** The economic table is presumptive for combined monthly net incomes up to and including twelve thousand dollars. When combined monthly net income exceeds twelve thousand dollars, the court may exceed the presumptive amount of support set for combined monthly net incomes of twelve thousand dollars upon written findings of fact.

MESSAGE FROM THE HOUSE

February 27, 2018

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6560 with the following amendment(s): 6560-S AMH ELHS H4874.3

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) In accordance with RCW 43.330.700(5)(a), it is the goal of the legislature, that beginning January 1, 2021, any unaccompanied youth discharged from a publicly funded system of care in our state will be discharged into safe and stable housing, and that this policy applies to any judicial proceeding through which the youth has been committed to the publicly funded system of care or in any collateral proceeding that involves the custody of the youth in that system.

(2) The department of children, youth, and families and the office of homeless youth prevention and protection programs must jointly develop a plan to ensure that, by December 31, 2020, no unaccompanied youth is discharged from a publicly funded system of care into homelessness. The plan must specify actions that state agencies will take to prevent youth from being discharged from such a system, and that the plan is consistent with RCW 46.20.161(2).

(3) Alternative issuance/renewal/extension. The department may issue or renew an identicard for a period other than six years, or may extend by mail or by electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than six years, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

NEW SECTION. Sec. 2. RCW 46.20.117 and 2017 c 122 s 2 are each amended to read as follows:

(1) Issuance. The department shall issue an identicard, containing a picture, if the applicant:

(a) Does not hold a valid Washington driver's license;
(b) Proves his or her identity as required by RCW 46.20.035; and
(c) Pays the required fee. Except as provided in subsection (5) of this section, the fee is fifty-four dollars, unless an applicant is:
(i) A recipient of continuing public assistance grants under Title 74 RCW, who is referred in writing by the secretary of social and health services; or
(ii) Under the age of eighteen and does not have a permanent address as determined by the department by rule; or
(iii) An individual who is scheduled to be released from an institution as defined in RCW 13.40.020, a community facility as defined in RCW 72.05.020, or other juvenile rehabilitation facility operated by the department of social and health services or the department of children, youth, and families; or an individual who has been released from such an institution or facility within thirty calendar days before the date of the application.

For those persons under (c)(i) through (iii) of this subsection, the fee must be the actual cost of production of the identicard.

(2)(a) Design and term. The identicard must:
(i) Be distinctly designed so that it will not be confused with the official driver's license; and

NONA SNELL, Deputy Chief Clerk
Senator Cleveland moved that the Senate concur in the House amendment(s) to Engrossed Substitute Senate Bill No. 6241. Senator Cleveland spoke in favor of the motion.

**POINT OF ORDER**

Senator Rivers: “I believe that the House amendment to ESSB 6241 impermissibly expands the scope and object of ESSB 6241 in violation of Senate Rule 66.”

President Habib: “Senator Rivers, do you have remarks?”

Senator Rivers: “Just briefly Mr. President. I have remarks written down but my chief concern is that no where in the underlying bill is the individual market mentioned at all. So, we are introducing a brand new construct into this bill that is about the school employees benefit board. And that is why I think that it is out of scope. So, I will submit my written comments to you and appreciate your consideration of my concern.”

President Habib: “Are there remarks in response? Senator Hobbs.”

Senator Hobbs: “Yes, Mr. President. Just as when the previous speaker rose to object, I wrote a very carefully crafted argument that tells you why this is inside the scope and object and it is so well written that I think I am just going to submit it to you. So I sent it to Victoria, so she has it right there.”

Senator Liias moved that further consideration of Engrossed Substitute Senate Bill No. 6241 be deferred and the bill hold its place on the concurrence calendar.

President Habib: “Senator Liias, unless you notify me that it’s not necessary, the President would like to, following disposition of your motion, take an opportunity to consult with counsel regarding the scope and object concern, point of order that’s been raised by Senator Rivers, and will ask that Senator Keiser, in her capacity as President Pro Tempore, preside over the senate while we go attend to that. Senator Liias.”

Senator Liias: “Thank you Mr. President. We would look forward to that and certainly understand that you want to take some time to consider it and we would gladly proceed with some other measures while you do that.”

The motion by Senator Liias carried and further consideration of Engrossed Substitute Senate Bill No. 6241 was deferred and the bill held its place on the concurrence calendar.

Senator Keiser assumed the chair.

**MOTION**

On motion of Senator Baumgartner, Senator Walsh was excused.

**PERSONAL PRIVILEGE**

Senator Baumgartner: “Thank you Madam President. Tomorrow I hope to say some words of goodbye to you guys at 11:00 but tonight I would like to recognize that, in light of the recent Academy Awards where America’s attention turns to the film industry and the finest works of art that appeared in cinema, that today is the twentieth anniversary of America’s finest film of all time, ‘The Big Lebowski.’ And for any of you who have not had the privilege to watch ‘The Big Lebowski,’ you’ve missed out. It actually gets better each and every time that you watch it. Senator Dansel and I frequently, when you thought we were hard at work in the back of the Chamber, solving yet another problem of the, another challenge of the people of the state of Washington, actually we were just in back quoting ‘Big Lebowski’ back and forth to each other. Again, an amazing film, a great work of art, a tremendous number of quotes. I’d always wanted to, one day, work to have a ‘Big Lebowski Day here,’ in addition to Seinfeld and Shakespeare and a number of others. But in any event, in light of that, if there is anything that I vote no on and you stand up and make a great speech I’ll just say, ‘That’s just like your opinion, man.’ That would be funny if you knew ‘Big Lebowski’ quotes. But I just wanted to share that because I think it is important for the people of Washington and I know that we are just trying to chew up a little time here during this amendment. Thank you Madam President for my peculiar and unique comment.”

Senator Liias moved that Peder Digre, Senate Gubernatorial Appointment No. 9293, be confirmed as a member of the Washington Student Achievement Council.

The President Pro Tempore declared the question before the Senate to be the confirmation of Peder Digre, Senate Gubernatorial Appointment No. 9293, as a member of the Washington Student Achievement Council.

Peder Digre, Senate Gubernatorial Appointment No. 9293, having received the constitutional majority was declared confirmed as a member of the Washington Student Achievement Council.

**MOTION**

On motion of Senator Baumgartner, Senator Walsh was excused.
President Pro Tempore Keiser: “It was definitely peculiar.”

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The health care authority shall convene the University of Washington, Seattle children's hospital, medicaid managed care organizations, organizations connecting families to children's mental health services and providers, health insurance carriers as defined in RCW 48.44.010, and the office of the insurance commissioner to recommend:

(a) An alternative funding model for the partnership access line; and

(b) A strategy to ensure that expanded services for the partnership access line identified in subsection (2) of this section do not duplicate existing requirements for medicaid managed care organizations as required by RCW 74.09.492.

(2) The funding model must identify potential sources to support:

(a) Current partnership access line services for primary care providers;

(b) An expansion of partnership access line services to include consultation services for primary care providers treating depression in pregnant women and new mothers; and

(c) An expansion of partnership access line services to include referrals to children's mental health services and other resources for parents and guardians with concerns related to their child's mental health.

(3) In the development of the alternative funding model, the authority and office of the insurance commissioner must:

(a) Consider a mechanism that determines the annual cost of operating the partnership access line and collects a proportional share of the program cost from each health insurance carrier; and

(b) Differentiate between partnership access line activities eligible for medicaid funding from other nonmedicaid eligible activities.

(4) By December 1, 2018, the authority must recommend a plan to the appropriate committees of the legislature, and the children's mental health work group created in chapter . . . , Laws of 2018 (Engrossed Second Substitute House Bill No. 2779), if chapter . . . , Laws of 2018 (Engrossed Second Substitute House Bill No. 2779) is enacted by the effective date of this section.

(5) This section expires December 30, 2018.

Sec. 2. RCW 71.24.061 and 2014 c 225 s 35 are each amended to read as follows:

(1) The department shall provide flexibility in provider contracting to behavioral health organizations for children's mental health services. Beginning with 2007-2009 biennium contracts, behavioral health organization contracts shall authorize behavioral health organizations to allow and encourage licensed community mental health centers to subcontract with individual licensed mental health professionals when necessary to meet the need for an adequate, culturally competent, and qualified children's mental health provider network.

(2) To the extent that funds are specifically appropriated for this purpose or that nonstate funds are available, a children's mental health evidence-based practice institute shall be established at the University of Washington division of public behavioral health and justice policy. The institute shall closely collaborate with entities currently engaged in evaluating and promoting the use of evidence-based, research-based, promising, or consensus-based practices in children's mental health treatment, including but not limited to the University of Washington department of psychiatry and behavioral sciences, ((children's hospital and regional medical center)) Seattle children's hospital, the University of Washington school of nursing, the University of Washington school of social work, and the Washington state institute for public policy. To ensure that funds appropriated are used to the greatest extent possible for their intended purpose, the University of Washington's indirect
costs of administration shall not exceed ten percent of appropriated funding. The institute shall:

(a) Improve the implementation of evidence-based and research-based practices by providing sustained and effective training and consultation to licensed children's mental health providers and child-serving agencies who are implementing evidence-based or research-based practices for treatment of children's emotional or behavior disorders, or who are interested in adapting these practices to better serve ethnically or culturally diverse children. Efforts under this subsection should include a focus on appropriate oversight of implementation of evidence-based practices to ensure fidelity to these practices and thereby achieve positive outcomes;

(b) Continue the successful implementation of the "partnerships for success" model by querying with communities so they may select, implement, and continually evaluate the success of evidence-based practices that are relevant to the needs of children, youth, and families in their community;

(c) Partner with youth, family members, family advocacy, and culturally competent provider organizations to develop a series of information sessions, literature, and online resources for families to become informed and engaged in evidence-based and research-based practices;

(d) Participate in the identification of outcome-based performance measures under RCW 71.36.025(2) and partner in a statewide effort to implement statewide outcomes monitoring and quality improvement processes; and

(e) Serve as a statewide resource to the department and other entities on child and adolescent evidence-based, research-based, promising, or consensus-based practices for children's mental health treatment, maintaining a working knowledge through ongoing review of academic and professional literature, and knowledge of other evidence-based practice implementation efforts in Washington and other states.

(3) To the extent that funds are specifically appropriated for this purpose, the ((department)) health care authority in collaboration with the ((evidence-based practice institute)) University of Washington department of psychiatry and behavioral sciences and Seattle children's hospital shall:

(a) Implement a ((pilot)) program to support primary care providers in the assessment and provision of appropriate diagnosis and treatment of children with mental and behavioral health disorders and track outcomes of this program;

(b) Beginning January 1, 2019, implement a two-year pilot program called the partnership access line for moms and kids to:

(i) Support obstetricians, pediatricians, primary care providers, mental health professionals, and other health care professionals providing care to pregnant women and new mothers through same-day telephone consultations in the assessment and provision of appropriate diagnosis and treatment of depression in pregnant women and new mothers; and

(ii) Facilitate referrals to children's mental health services and other resources for parents and guardians with concerns related to the mental health of the parent or guardian's child. Facilitation activities include assessing the level of services needed by the child; within seven days of receiving a call from a parent or guardian, identifying mental health professionals who are in-network with the child's health care coverage who are accepting new patients and taking appointments; coordinating contact between the parent or guardian and the mental health professional; and providing postreferral reviews to determine if the child has outstanding needs. In conducting its referral activities, the program shall collaborate with existing databases and resources to identify in-network mental health professionals.

(c) The program activities described in (a) and (b)(i) of this subsection shall be designed to promote more accurate diagnoses and treatment through timely case consultation between primary care providers and child psychiatric specialists, and focused educational learning collaboratives with primary care providers.

(4) The health care authority, in collaboration with the University of Washington department of psychiatry and behavioral sciences and Seattle children's hospital, shall report on the following:

(a) The number of individuals who have accessed the resources described in subsection (3) of this section;

(f) Systemic barriers to services, as determined and defined by the health care authority, the University of Washington department of psychiatry and behavioral sciences, and Seattle children's hospital.

(5) Beginning December 30, 2019, and annually thereafter, the health care authority must submit, in compliance with RCW 43.01.036, a report to the governor and appropriate committees of the legislature with findings and recommendations for improving services and service delivery from subsection (4) of this section.

(6) The health care authority shall enforce requirements in managed care contracts to ensure care coordination and network adequacy issues are addressed in order to remove barriers to access to mental health services identified in the report described in subsection (4) of this section.”

ROLL CALL

Voting yea: Senators Angel, Bailey, Baumgartner, Becker, Billig, Braun, Brown, Carlyle, Chase, Cleveland, Conway,
The legislature intends to update the existing Washington state equal pay act, not modified since 1943, to address income disparities based on gender. The legislature further finds that equality of opportunity for advancement is key to reducing gender income disparities between similarly employed males and females, who shall discriminate in any way in the payment of wages as between sexes or who shall pay any female a less wage, be it piece work or salary, than is being paid males.

Discrimination within the meaning of this section does not include a differential in compensation based in good faith on a factor or factors that:

1. Are consistent with business necessity;
2. Are not based on or derived from a gender-based differential; and
3. Account for the entire differential. More than one factor may account for the differential.

Such bona fide factors include, but are not limited to:

1. Education, training, or experience;
2. A seniority system;
3. A merit system;
4. A system that measures earnings by quantity or quality of production; or
5. A bona fide regional difference in compensation levels.

A differential in compensation based in good faith on a local government ordinance providing for a minimum wage different from state law does not constitute discrimination under this section.

An individual’s previous wage or salary history is not a defense under this section.

The employer carries the burden of proof on these defenses.

A differential in career advancement based on a bona fide job-related factor or factors that meet the criteria in RCW 49.12.175(3)(a) (i) through (iii) (as recodified by this act) does not constitute discrimination within the meaning of this section. Such bona fide factors include, but are not limited to, the factors specified in RCW 49.12.175(3)(b) (i) through (iv) (as recodified by this act).

If it is determined that an employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the employee is entitled to

REPORT OF THE CONFERENCE COMMITTEE

Second Substitute House Bill No. 1506

March 6, 2018

MR. PRESIDENT:

MR. SPEAKER:

We of your conference committee, to whom was referred Second Substitute House Bill No. 1506, have had the same under consideration and recommend that all previous amendments not be adopted and that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that despite existing equal pay laws, there continues to be a gap in wages and advancement opportunities among workers in Washington, especially women. Income disparities limit the ability of women to provide for their families, leading to higher rates of poverty among women and children. The legislature finds that in order to promote fairness among workers, employees must be compensated equitably. Further, policies that encourage retaliation or discipline towards workers who discuss or inquire about compensation prevent workers from moving forward.

The legislature intends to update the existing Washington state equal pay act, not modified since 1943, to address income disparities, employer discrimination, and retaliation practices, and to reflect the equal status of all workers in Washington state.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Compensation" means discretionary and nondiscretionary wages and benefits provided by an employer to an employee as a result of the employment relationship.

(2) "Department" means the department of labor and industries.

(3) "Director" means the director of the department of labor and industries, or the director's designated representative.

(4) "Employee" means an employee who is employed in the business of the employee's employer whether by way of manual labor or otherwise.

(5) "Employer" means any person, firm, corporation, partnership, business trust, legal representative, or other business entity which engages in any business, industry, profession, or activity in this state and employs one or more employees, and includes the state, any state institution, state agency, political subdivisions of the state, and any municipal corporation or quasi-municipal corporation.

Sec. 3. RCW 49.12.175 and 1943 c 254 s 1 are each amended to read as follows:

(1) Any employer in this state((employing both males and females, who shall discriminate in any way in the payment of wages as between sexes or who shall pay any female a less wage, be it time or piece work, or salary, than is being paid males)) who discriminates in any way in providing compensation based on gender between similarly employed((, or in any employment formerly performed by males, shall be)) employees of the employer is guilty of a misdemeanor. If any (((female)) employee (((shall))) receives less compensation because of (((being discriminated against))) discrimination on account of ((her sex, and))) gender in violation of this section, (((she shall be))) that employee is entitled to (((recover in a civil action the full amount of compensation that she would have received had she not been discriminated against))) the remedies in sections 7 and 8 of this act. In such action, however, the employer shall be credited with any compensation which has been paid to (((her))) the employee upon account. (((A differential in wages between employees based in good faith on a factor or factors other than sex shall not constitute discrimination within the meaning of RCW 49.12.010 through 49.12.180.)))

(2) For purposes of this section, employees are similarly employed if the individuals work for the same employer, the performance of the job requires similar skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed.

(3)(a) Discrimination within the meaning of this section does not include a differential in compensation based in good faith on a bona fide job-related factor or factors that:

(i) Are consistent with business necessity;
(ii) Are not based on or derived from a gender-based differential; and
(iii) Account for the entire differential. More than one factor may account for the differential.

(b) Such bona fide factors include, but are not limited to:

(i) Education, training, or experience;
(ii) A seniority system;
(iii) A merit system;
(iv) A system that measures earnings by quantity or quality of production; or
(v) A bona fide regional difference in compensation levels.

(c) A differential in compensation based in good faith on a local government ordinance providing for a minimum wage different from state law does not constitute discrimination under this section.

(d) An individual’s previous wage or salary history is not a defense under this section.

(e) The employer carries the burden of proof on these defenses.

NEW SECTION. Sec. 4. (1) The legislature finds that equality of opportunity for advancement is key to reducing income disparities based on gender. The legislature further finds that using gender as a factor in advancement contributes to pay inequity.

(2) An employer may not, on the basis of gender, limit or deprive an employee of career advancement opportunities that would otherwise be available.

(3) A differential in career advancement based on a bona fide job-related factor or factors that meet the criteria in RCW 49.12.175(3)(a) (i) through (iii) (as recodified by this act) does not constitute discrimination within the meaning of this section. Such bona fide factors include, but are not limited to, the factors specified in RCW 49.12.175(3)(b) (i) through (iv) (as recodified by this act).

(4)(a) If it is determined that an employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the employee is entitled to
the remedies in this section and in section 8 of this act.

(b) Upon complaint by an employee, the director must investigate to determine if there has been compliance with this section and the rules adopted to implement this section. The director, upon complaint, may also initiate an investigation on behalf of one or more employees for a violation of this section and the rules adopted to implement this section. The director may require the testimony of witnesses and production of documents as part of an investigation.

c) If the director determines that a violation occurred, the director shall attempt to resolve the violation by conference and conciliation.

d) If no agreement is reached to resolve the violation and the director determines that the employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the director may issue a citation and notice of assessment and order:

(i) The employer to pay to the employee actual damages, statutory damages equal to the actual damages or five thousand dollars, whichever is greater, and interest of one percent per month on all compensation owed;

(ii) The employer to pay to the department the costs of investigation and enforcement; and

(iii) Any other appropriate relief.

(e) In addition to the citation and notice of assessment, if the director determines that the employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the director may order payment to the department of a civil penalty. The violation as to each affected employee constitutes a separate violation.

(i) For a first violation, the civil penalty may not exceed five hundred dollars.

(ii) For a repeat violation, the civil penalty may not exceed one thousand dollars or ten percent of the damages, whichever is greater.

(f) Section 7 (3), (4), and (5) of this act applies to this section.

NEW SECTION. Sec. 5. (1) An employer may not:

(a) Require nondisclosure by an employee of his or her wages as a condition of employment; or

(b) Require an employee to sign a waiver or other document that prevents the employee from disclosing the amount of the employee’s wages.

(2) An employer may not discharge or in any other manner retaliate against an employee for:

(a) Inquiring about, disclosing, comparing, or otherwise discussing the employee's wages or the wages of any other employee;

(b) Asking the employer to provide a reason for the employee's wages or lack of opportunity for advancement; or

(c) Aiding or encouraging an employee to exercise his or her rights under this section.

(3) An employer may prohibit an employee who has access to compensation information of other employees or applicants as part of such employee's essential job functions from disclosing the wages of the other employees or applicants to individuals who do not otherwise have access to such information, unless the disclosure is in response to a complaint or charge, in furtherance of an investigation, or consistent with the employer's legal duty to provide the information and the disclosure is part of the employee's essential job functions. An employee described in this subsection otherwise has the protections of this section, including to disclose the employee's wages without retaliation.

(4) This section does not require an employee to disclose the employee's compensation.

(5) This section does not permit an employee to violate the requirements in chapter 49.17 RCW and rules adopted under that chapter.

NEW SECTION. Sec. 6. An employer may not retaliate, discharge, or otherwise discriminate against an employee because the employee has filed any complaint, or instituted or caused to be instituted any proceeding under this chapter, or has testified or is about to testify in any such proceeding, or because of the exercise by such employee on behalf of himself or herself or others of any right afforded by this chapter.

NEW SECTION. Sec. 7. (1) Upon complaint by an employee, the director must investigate to determine if there has been compliance with RCW 49.12.175 (as recodified by this act), sections 5 and 6 of this act, and the rules adopted under this chapter. The director, upon complaint, may also initiate an investigation on behalf of one or more employees for a violation of RCW 49.12.175 (as recodified by this act), sections 5 and 6 of this act, and the rules adopted under this chapter. The director may require the testimony of witnesses and production of documents as part of an investigation.

(2) If the director determines that a violation occurred, the director shall attempt to resolve the violation by conference and conciliation.

(a) If no agreement is reached to resolve the violation, the director may issue a citation and notice of assessment and order the employer to pay to the complainant actual damages; statutory damages equal to the actual damages or five thousand dollars, whichever is greater; interest of one percent per month on all compensation owed; payment to the department of the costs of investigation and enforcement; and any other appropriate relief.

(b) In addition to the citation and notice of assessment, the director may order payment to the department of a civil penalty. For purposes of a civil penalty for violation of RCW 49.12.175 (as recodified by this act) and section 6 of this act, the violation as to each affected employee constitutes a separate violation.

(i) For a first violation, the civil penalty may not exceed five hundred dollars.

(ii) For a repeat violation, the civil penalty may not exceed one thousand dollars or ten percent of the damages, whichever is greater.

(3) An appeal from the director's determination may be taken in accordance with chapter 34.05 RCW. An employee who prevails is entitled to costs and reasonable attorneys' fees.

(4) The department must deposit civil penalties paid under this section in the supplemental pension fund established under RCW 51.44.033.

(5) Any wages and interest owed must be calculated from four years from the last violation before the complaint.

NEW SECTION. Sec. 8. (1) Subject to subsection (2) of this section, an employee may bring a civil action against an employer for violation of RCW 49.12.175 (as recodified by this act) and sections 4 through 6 of this act for actual damages; statutory damages equal to the actual damages or five thousand dollars, whichever is greater; interest of one percent per month on all compensation owed; and costs and reasonable attorneys' fees. The court may also order reinstatement and injunctive relief. The employee must bring a civil action within three years of the date of the alleged violation of this chapter regardless of whether the employee pursued an administrative complaint. Filing a civil action under this chapter shall terminate the director's processing of the complaint under section 4 or 7 of this act. Recovery of any wages and interest owed must be calculated from four years from the last violation prior to the date of filing the civil action.
(2) An employee alleging a violation of section 4 of this act is entitled to relief only if the court determines that the employer committed a pattern of violations as to the employee or committed a violation through application of a formal or informal employer policy or practice.

NEW SECTION. Sec. 9. A violation of this chapter occurs when a discriminatory compensation decision or other practice is adopted, when an individual becomes subject to a discriminatory compensation decision or other practice, or when an individual is affected by application of a discriminatory compensation decision or other practice, including each time wages, benefits, or other compensation is paid, resulting in whole or in part from such a decision or other practice.

NEW SECTION. Sec. 10. The department shall include notice of the provisions of this chapter in the next reprinting of employment posters.

NEW SECTION. Sec. 11. The department may adopt rules to implement sections 1 and 4 through 7 of this act and RCW 49.12.175 (as recodified by this act).

NEW SECTION. Sec. 12. RCW 49.12.175 is recodified as a section in chapter 49.--- RCW (the new chapter created in section 13 of this act).

NEW SECTION. Sec. 13. Sections 1, 2, and 4 through 11 of this act constitute a new chapter in Title 49 RCW."

SECOND SUBSTITUTE HOUSE BILL NO. 1506, as recommended by the Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

RULING BY THE PRESIDENT

President Habib: “As it left the Senate, Engrossed Substitute Senate Bill No. 6241 made a number of changes to the administration of the School Employees Benefits Board (SEBB). Those changes included items clarifying which employees are covered, how charter schools are treated, and standards for premium rates, as well as other administrative clarifications.

The House amendment requires carriers participating in SEBB or the Public Employees Benefits Board (PEBB) to also offer plans in the Washington Health Benefit Exchange in any county where the PEBB or SEBB plan is offered.

The scope of the bill is broadly the administration of SEBB. It does not seek to regulate private market entities, nor does it substantively address matters related to PEBB. Therefore, the amendment is outside the scope of the underlying bill.

No part of the bill has as its object regulating insurance carriers. Further, by tying carriers’ participation in SEBB or PEBB to their participation in the individual insurance market, it appears that the amendment’s object or purpose is to stabilize the individual insurance market. This is soundly outside the object of the underlying bill.

For these reasons, Senator Rivers point is well taken.”

MOTION

On motion of Senator Hunt, the rules were suspended and Engrossed Substitute House Bill No. 2406 was returned to second reading for the purposes of amendment.

MOTION

Senator Hunt moved that the following striking amendment no. 928 by Senator Hunt be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to ensure our elections have the utmost confidence of the citizens of the state. In order to ensure the integrity of the elections in Washington, the legislature wants to maximize the security benefits of having locally run, decentralized counting systems in our state, based in thirty-nine different counties. The legislature wants to maximize this locally run benefit by adding options to the auditing process for local elections administrators. Multiple jurisdictions, with multiple options for ensuring election outcomes will increase the transparency, integrity, and trust of our elections process.

Sec. 2. RCW 29A.60.185 and 2005 c 242 s 5 are each amended to read as follows:

(1) Prior to certification of the election as required by RCW 29A.60.190, the county auditor shall conduct an audit of duplicated ballots in accordance with subsection (2) of this section, and an audit using at minimum one of the following methods:

(a) An audit of results of votes cast on the direct recording electronic voting devices, or other in-person ballot marking systems, used in the county if there are races or issues with more than ten votes cast on all direct recording electronic voting devices or other in-person ballot marking systems in the county. This audit must be conducted by randomly selecting by lot up to four percent of the direct recording electronic voting devices or other in-person ballot marking systems, or one direct recording electronic voting device or other in-person ballot marking system, whichever is greater, and, for each device or system, comparing the results recorded electronically with the results recorded on paper. For purposes of this audit, the results recorded on paper must be tabulated as follows: On one-fourth of the devices or systems selected for audit, the paper records must be tabulated manually; on the remaining devices or systems, the paper records may be tabulated by a mechanical device determined by the secretary of state to be capable of accurately reading the votes cast and printed thereon and qualified for use in the state under applicable state and federal laws. Three races or issues, randomly selected by lot, must be audited on each device or system. This audit procedure must be subject to observation by political party representatives if representatives have been appointed and are present at the time of the audit. As used in this subsection, "in-person ballot marking system" or "system" means an in-person ballot marking system that retains or produces an electronic voting record of each vote cast using the system.

(b) A random check of the ballot counting equipment consistent with RCW 29A.60.170(3);

(c) A risk-limiting audit. A "risk-limiting audit" means an audit protocol that makes use of statistical principles and methods and

is designed to limit the risk of certifying an incorrect election outcome. The secretary of state shall:

(i) Set the risk limit. A "risk limit" means the largest statistical probability that an incorrect reported tabulation outcome is not detected in a risk-limiting audit;

(ii) Randomly select for audit at least one statewide contest, and for each county at least one ballot contest other than the selected statewide contest. The county auditor shall randomly select a ballot contest for audit if in any particular election there is no statewide contest and

(iii) Establish procedures for implementation of risk-limiting audits, including random selection of the audit sample, determination of audit size, and procedures for a comparison risk-limiting audit and ballot polling risk-limiting audit as defined in (c)(iii)(A) and (B) of this subsection.

(A) In a comparison risk-limiting audit, the county auditor compares the voter markings on randomly selected ballots to the ballot-level cast vote record produced by the ballot counting equipment.

(B) In a ballot polling risk-limiting audit, the county auditor of a county using ballot counting equipment that does not produce ballot-level cast vote records reports the voter markings on randomly selected ballots until the prespecified risk limit is met; or

(d) An independent electronic audit of the original ballot counting equipment used in the county. The county auditor may either conduct an audit of all ballots cast, or limit the audit to three precincts or six batches pursuant to procedures adopted under RCW 29A.60.170(3). This audit must be conducted using an independent electronic audit system that is, at minimum:

(i) Approved by the secretary of state;

(ii) Completely independent from all voting systems, including ballot counting equipment, that is used in the county;

(iii) Distributed or manufactured by a vendor different from the vendor that distributed or manufactured the original ballot counting equipment; and

(iv) Capable of demonstrating that it can verify and confirm the accuracy of the original ballot counting equipment's reported results.

(2) Prior to certification of the election, the county auditor must conduct an audit of ballots duplicated under RCW 29A.60.125. The audit of duplicated ballots must involve a comparison of the duplicated ballot to the original ballot. The county canvassing board must establish procedures for the auditing of duplicated ballots.

(3) For each audit method, the secretary of state must adopt procedures for expanding the audit to include additional ballots when an audit results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots, and the method to determine how many additional ballots will be selected. The secretary of state shall adopt procedures to investigate the cause of any discrepancy found during an audit.

(4) The secretary of state must establish rules by January 1, 2019, to implement and administer the auditing methods in this section, including facilitating public observation and reporting requirements.

Sec. 3. RCW 29A.60.170 and 2011 c 10 s 55 are each amended to read as follows:

(1) At least twenty-eight days prior to any special election, general election, or primary, the county auditor shall request from the chair of the county central committee of each major political party a list of individuals who are willing to serve as observers. The county auditor has discretion to also request observers from any campaign or organization. The county auditor may delete
from the lists names of those persons who indicate to the county auditor that they cannot or do not wish to serve as observers, and names of those persons who, in the judgment of the county auditor, lack the ability to properly serve as observers after training has been made available to them by the auditor.

(2) The counting center is under the direction of the county auditor and must be open to observation by one representative from each major political party, if representatives have been appointed by the respective major political parties and these representatives are present while the counting center is operating. The proceedings must be open to the public, but no persons except those employed and authorized by the county auditor may touch any ballot or ballot container or operate a vote tallying system.

(3) A random check of the ballot counting equipment ((may)) must be conducted upon mutual agreement of the political party observers or at the discretion of the county auditor. The random check procedures must be adopted by the county canvassing board, and consistent with rules adopted under RCW 29A.60.185(4), prior to the processing of ballots. The random check process shall involve a comparison of a manual count or electronic count if an audit under RCW 29A.60.185(1)(d) is conducted to the machine count from the original ballot counting equipment and may involve up to either three precincts or six batches depending on the ballot counting procedures in place in the county. The random check will be limited to one office or issue on the ballots in the precincts or batches that are selected for the check. The selection of the precincts or batches to be checked must be selected according to procedures established by the county canvassing board ((may)). The random check procedures must include a process, consistent with RCW 29A.60.185(3) and rules adopted under RCW 29A.60.185(4), for expanding the audit to include additional ballots when a random check conducted under this section results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots and the method to determine how many additional ballots will be selected. Procedures adopted under RCW 29A.60.185 pertaining to investigations of any discrepancy found during an audit must be followed. The check must be completed no later than forty-eight hours after election day.

(a) By November 1, 2018, the secretary of state shall:

(i) For each county, survey all random check procedures adopted by the county canvassing board under subsection (3) of this section; and

(ii) Evaluate the procedures to identify the best practices and any discrepancies.

(b) By December 15, 2018, the secretary of state shall submit a report, in compliance with RCW 43.01.036, to the appropriate committees of the legislature that provides recommendations, based on the evaluation performed under (a) of this subsection, for adopting best practices and uniform procedures.

SEC. 4. RCW 29A.60.110 and 2013 c 11 s 61 are each amended to read as follows:

(1) Immediately after their tabulation, all ballots counted at a ballot counting center must be sealed in containers that identify the primary or election and be retained for at least sixty days or according to federal law, whichever is longer.

(2) In the presence of major party observers who are available, ballots may be removed from the sealed containers at the elections department and consolidated into one sealed container for storage purposes. The containers may only be opened by the canvassing board as part of the canvass, to conduct recounts, to conduct a random check under RCW 29A.60.170, to conduct an audit under RCW 29A.60.185, or by order of the superior court in a contest or election dispute. If the canvassing board opens a ballot container, it shall make a full record of the additional tabulation or examination made of the ballots. This record must be added to any other record of the canvassing process in that county.

SEC. 5. RCW 29A.12.005 and 2013 c 11 s 21 are each amended to read as follows:

PERSONAL PRIVILEGE

Senator Baumgartner: “Thank you Mr. President. I rise to invoke Rule 33.”

President Habib: “We don’t have them memorized, so we’re looking up what Rule 33 is.”

Senator Baumgartner: “Well good, a little learning, a little opportunity for everybody.”

President Habib: “You rise to a point of personal privilege. Is that right?”

Senator Baumgartner: “I do and may I read from Rule 33 before I begin, Mr. President?”

President Habib: “You may.”

Senator Baumgartner: “Well good. ‘A question of privilege shall involve only subject matter which affects the particular senator personally and in a manner unique and peculiar to that senator.’”

President Habib: “Please state your point of personal privilege.”

Senator Baumgartner: “Thank you Mr. President. I’d like to rise and express my great admiration for the people of this body and the great opportunity it was for me to serve as a Senator amongst you. If I may continue and say a few more things Mr. Senator, or, Mr. President?”

President Habib: “Please proceed.”
Senator Baumgartner: “Thank you very much everyone. As I’ve, I think as most of you know, I’ll be doing something a little different next year and just wanted to say a few words of gratitude. I was gonna tell a few stories but I know the, there’s a lot going on here so I might tell one or two but not as many as I might have, but… You know, when I first saw this building from the outside I was in, I think, 8th grade doing Future Problem Solvers, academic competition. And we would drive over to Port Townsend and you would get a real exciting moment when you’re sitting in the back of the long yellow school bus with your friends on this long road trip from eastern Washington and you see the dome as you went by. And that’s what the capitol looked like. And when I first did the job application part of this process I came over here but did not go inside the building. And I figured, ‘Well, if I actually am elected state senator at some point, I’ll go inside the building and they’ll out figure out, well, what might I find while I was in there?’ And then when I finally got the opportunity to come inside this building it was on my honeymoon of all things. My wife and I had gotten married right nearing the middle of our eleventh grade. And so the places we wanted to go to, but they showed us off the places we wanted to go to to Yemen because my wife had been there twice and there’s an island called Socotra off the coast of Yemen that’s kind of like the Galapagos of the Red Sea. And she thinks it’s wonderful and we really wanted to go but because she was an immigrant and we’d gone through the process of getting the fiancée visa she couldn’t actually travel outside of the country for that period. Instead we decided to go down to the Oregon Coast, which I always thought would be a good marketing slogan for them, ‘If you can’t get to Yemen, come to Oregon Coast.’ But, in any event, we were coming down and I got to come inside the building and, I went and looked for the first time, walking around upstairs and I saw all these pictures and I saw one senator, somebody in a Senator’s office. And I was really excited to announce who I was. And I say, ‘Hey I’m Mike Baumgartner, I just won election to the Senate.’ And, to my surprise, it was a Senator who had just lost and was packing boxes and on the way out but we had a nice conversation. And then, I looked at the pictures on the walls of the Senate that hang up above in the hallways and I thought to myself ‘Who are these people? I have no idea who any of these people are.’ And then I’ve always, since I’ve been working here, I’ve thought, ‘Well someday everyone will have no idea who I, or the next senator who comes in while we’re switching boxes, you know, and they’re coming out.’ And that’s a process and that’s how it should work. But when I did finally get the chance to come inside this building I found just something very, very amazing, which is you guys. And the hard work you do for the people of Washington and what you do, the sacrifices you make to serve the people. Certainly, all of us come with different goals and all of us come with different, I think, a similar goal in mind, but a different process to get there. For all how much we fight out here, I can’t tell you how much I respect you. Now I was going to, I think every going away speech should have a little Seinfeld in it. I was thinking about the Festivus and the airing of grievances and feats of strength but I would just like to make a couple suggestions as I head out the door. One of them would be: I have not written a speech down, I’ve written three speeches down in the last eight years but I don’t think being a Senator should be performance art. So I wish you guys would change the rules that you could actually read a speech on the Senate floor. They’re your rules, you ought to change it. You know, if that’s the best way to represent your district, change the rules. You know, not everybody’s as comfortable with public speaking as others. The second thing that I wanted just to really strongly encourage you guys on is: Let be this be the greatest bastion of free speech in the state. You know, this is where the people’s business is supposed to be done. I think it’s okay if you yell and argue sometimes. I have no doubt that you can move beyond these. Sometimes the only thing that bothers me out here is when people use the rules, I think, to shut down legitimate debate. I once told a story of my father, as a kid, growing up the son of a General Motors factory worker out in Pontiac outside of Detroit and how he liked professional wrestling as a kid. And he once got to go to professional wrestling match on tour and he was really excited. They were in a high school gym and these two wrestlers were in there slugging the heck out of each other. Then eventually, my dad had to go use the bathroom in the gym locker room and those same two wrestlers were in the back room having a beer talking to each other. Of course, that’s not to say anything we do out here is fake. It is not. It is of the highest integrity but I also know that regardless what happens out here you guys will be down in that Senate Dining Room. So it’ll be okay to get mad at each other out here. And then just a final suggestion I have is: Just be so proud of the work that you continue to do. When people talk to me about running for office I tell them that ultimately it’s up to them whether they get to run, and it’s up to the people whether they get to vote. And then I’ve always, since I’ve been working here, I’ve thought, ‘Well someday everyone will have no idea who I, or the next senator who comes in while we’re switching boxes, you know, and they’re coming out.’ And the story I’ll tell actually involves a palace that both myself and Senator Steve Hobbs have been inside of in Baghdad. When I got to be there it was with General David Patreus right at the start of the Iraq, the offense of the Iraq surge in late May or early June of 2007. And that was when we had reversed strategy in Iraq and decided to put more soldiers in, more Marines in, and more civilians like myself to do whatever the things we do. So Patreus had a bunch of senior military officers together. You know, of all the, I’ve worked with a lot of impressive people in life. The most impressive is Father Mike Schultheis, this Jesuit in Africa but Patreus would be near the top. He got all these senior military officers together and he gave this speech about we’re going to take the fight to Al-Qaeda and Jaysh al-Mahdi and these groups. And it was one of these things, classic general speech. You know, you couldn’t be a four-star general unless you could really rock the room with a speech like that. The words he left to us as he was giving this speech is, he talked about how proud we should be there to be in the battle and be in the fight. And then he got out Teddy Roosevelt’s man in the arena speech that he gave in Paris in 1911. And of course, and he read it to us. And of course that speech, to paraphrase, and I won’t read the whole thing, says ‘it’s not the critic that counts. It’s the man or the woman in the arena that knows the highest of the highs and lowest of the lows that’s covered with blood sweat and tears and is, and that those cowards that critique from the stands will never know the highest of the highs and the lowest of the lows and to be so proud.’ So, to you, be very, very proud. I have a parting gift for all of you. I thought it was really nice that Jim Hargrove gave all of us Bibles when he left. I can’t afford that but what I do have, if you ever came into my office I started, just as a way to save, put something on the wall and to save kind of a documentation of what happened here I started putting newspaper articles and covers of papers and stuff that had significant things, usually involving me, but significant things on the wall. So if you’ve seen that on my wall and so all those frames are coming down now but I’m going to be giving each of you a picture of you with Teddy and that man in the arena speech on there. So I know, in this era of political correctness, maybe there’s somebody out there that doesn’t like Teddy Roosevelt just let me know. I don’t want to cause any embarrassment. I happen to like the guy but, in any event, you’ll get that, that Teddy Roosevelt speech there as well too and my, as a sign of admiration for you. I always also kinda always thought it’d be a nice tradition here if we traded ties like they do in soccer games. You know, at the end of the soccer match you trade shirts. If anybody wants to trade a tie, I’ll give you a tie. Ladies you want a scarf, I’ll get you a scarf. Okay. And
then just the final thing I’ll say, and I apologize for taking so long, but the final thing I'll say is: When I came here I used to think about three young boys that I had met in my life as a reason to be in public service. And the first young boy I met was when I was in Mozambique the year that I spent with the Jesuits getting to do volunteer work and having the time of my life, and there were some street children in downtown Beira in Mozambique that had it very, very tough. I mean it is very tough to be a street kid and to be poor wherever you are in the world. I promise you it is really really tough in Mozambique. And these kids used to, sometimes, when I would go to this chicken restaurant, there was this group of street children that would follow you after you came out of the chicken restaurant hoping they could get your scraps of chicken, like leftover bread or a bone to suck the marrow out of and in there. And it was interesting to be with the Jesuits because there was no social safety net in Mozambique so the church would pick up a lot of the work and a lot of people would just come to our door. But any event, I knew these street kids or had seen them before and one day I had come out of that chicken restaurant, had eaten my food and there was some leftover and I gave it to all these kids, these kids had come, street kids, with nothing, in tattered clothes, no shoes, nothing. And one little kid came behind them. And this was a young man that had no hands and the reason he had no hands was because he was working for a shopkeeper once and he stole from him. So that shopkeeper, to punish him, had tied him up and beat him and left him tied up, cut off the circulation of both his arms so now he was a street kid in Mozambique with no arms. So when that day they came up he was asking me for food and I had already given it out to the other kids that were already very hungry and he looked at me and I thought, ‘Good grief.’ Then I watched as he turned to one of those other kids and that kid looked at him and started feeding him with bread that I had leftover into his mouth. Now if you’re a Catholic, or somebody of a certain particular religious faith you might see some religious symbolism in that act, but even if you’re not, you can think about what is our role, at least I do every day here, to get to helping people like that, I do know that you all keep it in mind. It’s one thing that gives me great assurance as I leave here. The second young man I just talk about real very briefly is a young man I met when I was in Iraq. The single worst thing I ever saw, or knew about, when I was in Iraq was one day Al-Qaeda put two, put bombs on two mentally ill ladies, or mentally handicapped, special needs ladies and sent them in to kids market and popped off the bombs and killed a bunch of kids in a pet market on a Friday. I mean, if that’s not evil, I don’t know what is. But there was a young man that was there who kind of got blown sideways and had a lot of problems with his intestines but there was a great American civilian State Department officer named Dan Bisby, that I was friends with who, the, her, his, the boy’s aunt called Dan because she was an Iraqi government official. Dan got her into the special American hospital and they saved that kid’s life. So a couple months later Dan invited me to be there when the kid came in on crutches to thank the doctors that saved his life and he broke into tears saying, ‘Thank you America, thank you America, thank you America.’ and holding up an American flag. And I think about what our country represents and what we represent here as part of that process and it is so special and there is no doubt, while we did not get everything correct, that it is on the side of the good guys. So I think that a lot as well too as I leave here that you guys will carry on that tradition. And the final little boy, of course, that I used to think about when I did this process was my first son, … Conrad. So when I came here and we were giving out our freshman gifts on the Senate floor, I gave you guys bottles of wine. And then my wife was pregnant at the time … and I gave you guys little lumps of coal cause I said I wanted to be home before … my wife was due in June, and I wanted to be home … before he … she gave birth, thank you. And so, since that process and holding Conrad, … you know I thought about what future he was going to inherit and I very much … appreciate the kindness that … you guys have shown my family this year. … Thank you very much for allowing me to serve with you.”

The senate rose and recognized Senator Baumgartner for his service to the senate, the people of the 6th Legislative District and the state of Washington.

PERSONAL PRIVILEGE

Senator Billig: “Thank you Mr. President. And I would like to take a moment to thank my friend from the Sixth District for his friendship and for his partnership on so many things we’ve worked together on for Spokane and for, really, the whole state. He was such a, and is such a champion for the medical school in, in Spokane that is gonna make such a positive impact not only on the health care delivery for Eastern Washington, our whole state, but also for the economic development in, in, in our state. He was also such a leader in the transportation package and I, one of the things that I really appreciate about Senator Baumgartner is his political courage. That he will do what is right above what somebody tells him he’s supposed to do or what some conventional wisdom of what somebody might need to do in his position. And he sees something that’s right and then shows leadership and we don’t always agree on what he thinks is right, in fact we often disagree. But he does have political courage and he is a person of extreme principle. So I appreciate that partnership and working together on behalf of Spokane but I also have really appreciated the friendship, hearing his stories. I walked by, we were, there was a high school class from Spokane here and he was speaking with them, this is just last week, and I came in right after him. I walk in and this is what I hear, ‘Lo and behold, I was then working for the crown prince of Bahrain.’ That was just a perfect Senator Baumgartner line to hear. Like, if I was imitating Senator Baumgartner, that’s the line I would have used. And he was using it when I walked in! But he has great stories, which I always appreciate. And then the other thing is we live in the same neighborhood so we see each other in Spokane. And so I very much appreciate his beautiful family and I’ve enjoyed getting to know them. I look forward, you used the Seinfeld reference to the, with Festivus, and so I look forward to us gathering around the Festivus pole together with our families and continuing our friendship even if you have moved on from the State Senate. Thank you.”

PERSONAL PRIVILEGE

Senator Schoesler: “Well thank you Mr. President. When I had my first meeting with then prospective-Senator Baumgartner at a landmark hotel in downtown Spokane little did I know that the 9th District was getting a second senator because, for many years, his mother had hollered at me at the Johnson parade every year, ‘All day kindergarten. All day kindergarten!’ I’m glad we passed that just to get his mother off my case. And finding out his dad had a lot of interests I share, pillars of the community, when he’s old town of Colton and Pullman needed a friend, Michael Baumgartner remembered where he came from. We shared that deep, personal friendship with the late Dr. Elson Floyd. We, think we both thought we were both Elson’s best friend because everybody wanted to be Elson Floyd’s best friend.
And I think the single most unselfish act I've seen in recent years was when Michael Baumgartner said, 'You know, it's okay if Marcus Riccelli's bill is the vehicle that starts the medical school. I don't have to have my name on it, I want that medical school.' That unselfish act in the Spokane community for our friend, the late Dr. Floyd, was an act of character that I can admire as a member of this institution. So, I wish Michael the best in the future. I look forward to getting my Spokane County property tax statement from him and hopefully it's not going up too fast. Thank you.

**PERSONAL PRIVILEGE**

Senator Keiser: “Thank you. It has been such an experience to serve as the ranking member, first couple of years, with Senator Baumgartner and then to sort of switch roles in the committee. I want to say one of the reasons we have developed such a rapport is because Senator Baumgartner has an open mind. He is willing to listen to new ideas. He’s willing to, as he, as he mentioned, have hearings on bills he knew he didn’t support and he knew his caucus wouldn’t support but he was willing to discuss the issues. Bring them forward. Hear people out. And that kind of open mind is so important because that’s how we learn things. And one of the best things about this job we have is we learn a new thing or two every day. It’s been a pleasure to serve with you Michael. It’s been a pleasure to work with you. And, even though we are diametrically opposed on some issues, I respect you and I know you respect me. Thank you.”

**PERSONAL PRIVILEGE**

Senator Becker: “Thank you Mr. President. Well, it’s been an honor to meet Senator Baumgartner and I’m gonna say this from the bottom of my heart, I really have enjoyed working with you for these years. I remember when Senator Baumgartner got onto the Health Care Committee, Mr. President, and we’d see him once in a while but not all the time and it was mainly for the, for the Washington State University Medical Center. But then he started coming a lot more. And just this year he said to me he didn’t realize how hard it was on the medical committee and all of the issues that we have to face and I’m saying medical but it’s healthcare, but to learn that he also thought it was hard when I think that Senator Baumgartner’s probably one of the smartest people down here. I will tell you he lets you know it in a lot of different ways every day as well. And if you think he’s kind of a smart aleck out here I can tell you he’s really kind of a smart aleck, and I’m cleaning up my words, in caucus. But it’s made caucus fun, and it’s made caucus, I think what I like about him in caucus wouldn’t support but he was willing to discuss the issues. Bring them forward. Hear people out. And that kind of open mind is so important because that’s how we learn things. And one of the best things about this job we have is we learn a new thing or two every day. It’s been a pleasure to serve with you Michael. It’s been a pleasure to work with you. And, even though we are diametrically opposed on some issues, I respect you and I know you respect me. Thank you.”

**PERSONAL PRIVILEGE**

Senator Hobbs: “Well, course I’ve gotta say goodbye to my good friend, Michael Baumgartner. You’ve been a very good friend even when you first came here in 2010 I know Hatfield and I did a little thing on you and all the 2010 freshmen that came in here, I think it was The Spice, ‘Spice Boys.’ I can’t remember which Spice you were but I know one Senator that’s no longer here was ‘Old Spice.’ I remember that. I, there’s a lot of things I’m gonna miss about you. There’s a lot of things I’m gonna miss about you cause, as you heard before, you do compromise. You are willing to negotiate. Now, you have to get through all of the Molotov cocktails and the anger tweets and all that, but once you get through all that, he is willing to compromise. He’s done that on several occasions and I learned my lesson when Hatfield and I were trying to stop a bill, I think it was an environmental bill, actually, and out of the blue we did not count on Michael Baumgartner’s vote for said bill and it went through so we’ve learned our lesson on that one but it did show you that he is willing to compromise on many issues. One thing that I really admire about him is his ties to his community. Now, before I say this I want you to know that this is totally by accident but I, I actually went to a Michael Baumgartner fundraiser. Again, this side of the aisle, it was an accident. There was a convention in Spokane and I happened to, I wanted to get dinner, and I went to this restaurant and there was a Michael Baumgartner fundraiser and it was amazing how many people in the different community, all around the community was there, Republican and Democrat, who was there supporting Michael Baumgartner. So, I had to admire that, but at the same time, being a good Democrat, I did eat his food and not leave a check. So I felt really good about that. What I love about Michael is his, his empathy. I know sometimes you may not think that because of some of the tweets, especially the one yesterday that was a good one. You know, when I, I’ve, there have been a couple of times I’ve been down and he came up to me and he said some really nice words and checked up on me a couple times and I really appreciate that, Michael, for being there. Now of course, in the course of this, at the end you go, you know, and if you haven’t seen ‘The Matrix’ you probably won’t understand this but there’s a, there’s a scene where Neo’s offered the red pill or the blue pill. Right? So he’s saying all you gotta do Steve is take the red pill, things will be better. I must admit, there were times when I picked up that red pill and looked at it but I set it back down. I put it back down. So, I’m, I’m gonna miss a lot about you. Let me, let me just go through the things that I won’t miss about you cause, as you heard before, you do compromise. You are willing to negotiate. Now, you have to get through all of the, for the, for the convention in Spokane, Mr. President, and we’d see him once in a while but not all the time and it was mainly for the, the Washington State University Medical Center. But then he started coming a lot more. And just this year he said to me he didn’t realize how hard it was on the medical committee and all of the issues that we have to face and I’m saying medical but it’s healthcare, but to learn that he also thought it was hard when I think that Senator Baumgartner’s probably one of the smartest people down here. I will tell you he lets you know it in a lot of different ways every day as well. And if you think he’s kind of a smart aleck out here I can tell you he’s really kind of a smart aleck, and I’m cleaning up my words, in caucus. But it’s made caucus fun, and it’s made caucus, I think what I like about him in caucus is that he’ll bring up something that we’ll never think of I mean, he’ll always have a different view point and he shares it. But I also remember from the, from, when his wife was pregnant the first time and we threw a baby shower for her and she said they didn’t do baby showers in England and it was really a new experience for her and how excited Michael Baumgartner’s been with the birth of each and every one of his children and just watching him go through his role in parenthood. But watching him mature and, and grow in this role, I’m gonna miss him. I’m gonna miss him terribly. So I guess I’m gonna have to do more trips over to Spokane. They, good shopping over there, but it would be so much fun to go over and see you, but in caucus I don’t think it’s gonna be the same and, Mr. President, he will be sorely missed. Thank you.”

**PERSONAL PRIVILEGE**
PERSONAL PRIVILEGE

Senator Braun: “Thank you Mr. President. So I want to rise and briefly say a few words about my friend Michael Baumgartner, most of which has been said and I’ll be relatively brief, but I think it’s important. I mean, Mike has been wonderful to work with in many ways, more wonderful maybe on this side of the aisle, I don’t know, but he’s, it’s really been inspirational to me. I mean, he’s an eloquent speaker as we heard earlier, he’s an entertaining speaker, as we’ve heard often. I’m not being a person gifted with story-telling ability. I’ve always marveled at his story telling ability and thoroughly enjoyed it. I greatly appreciate and I’ll greatly miss that. He’s also been very insightful. Folks don’t often realize this but he thinks hard about things and really thinks about them in an open way. And, and this as a, and as example, he promotes ideas and sometimes those ideas turn into bills. Sometimes they’re bills for him, sometimes they’re bills for others, frankly, on either side of the aisle. I’ll use higher ed as an example. Michael was among the very first to promote the idea of reducing college tuition and focusing on higher ed. Folks hadn’t thought about that and what it would do. What it would mean to the average citizen of the State of Washington. And he promoted that idea and he did it in the form of a bill but, more importantly, he promoted it in a, in a thoughtful, articulate way that connected. And I think we can all agree, I hope we can all agree, that it truly connected with the citizens of the State of Washington and for me, that’s a reminder that ideas matter. That thinking through things and applying our principles to the problems we face today matters and nobody did it better than Michael. So the next thing I wanted to mention, and he’s talked about this, he is a very, clearly, a family man. His kids, we both have four kids. I, his, he’s about fifteen years behind, but every time he talks of his kids it’s so obvious the pure pleasure he gets out of his family. The love of his family. And I remember when our kids, my wife and I, our kids were that age and how at the time sometimes it seemed pleasurable. Now it seems like it was all pleasurable, frankly, it seemed like a wonderful time. But it helps, you know it’s just inspiring that, that, it’s very much a point of connection to, to live through that period, lots of kids running around the house and all the chaos and pure enjoyment that brings and every time I talk to Michael about his family I come away happier, let’s just put it that way. And then finally, Michael was a man of principles and this is probably the thing I admire more than anything else, and it’s not principles and it’s not ideological. As we said before, he’s willing to think about, has been willing to think about, ideas and how we might solve hard problems we all face. Knowing his principles, grounded in those principles, but open to how do we get to solving the problem and I think, but, also rooted in not be willing to deviate from those principles as we solve that problem and for me that’s been especially important. I tend to be a bit pragmatic, I want to solve the problem and ‘Uncle Freedom’ back there has always pulled me back to principles and say, ‘Yeah we want to solve the problem but we wanna do it based on our principles, we wanna do it the way we can be proud of it long-term.’ And I really, really appreciate so Michael thank you very much for your service to this body, to our state, to our constituents. It’s been a very much a pleasure to serve with you and best of luck as the next treasurer for the Spokane County. Thank you.”

PERSONAL PRIVILEGE

Senator Brown: “Thank you Mr. President. It has been an honor and a privilege to serve with Senator Hollywood, oh, I mean Baumgartner. Between the ascots and the bow ties, the Molotov cocktails, and the heartfelt speeches, you have taught me every single one of us so very much and it has been truly an honor.”

PERSONAL PRIVILEGE

Senator Frockt: “Thank you Mr. President. Well, a lot been said and I won’t repeat all of it, but I just want to say to my friend
Mike Baumgartner, and I consider him a personal friend. People, I tell people back in my district, you know, they’ll say, ‘You know, I heard Baumgartner on the radio. He’s crazy.’ And I say, ‘Well, yeah but, but, but he, he, he’s actually an interesting thinker and you can talk to him.’ I’d say, you know, we’ve worked together on a lot of things and I consider him a personal friend and I do. My first, I guess, consciousness of the force that is Mike Baumgartner was at the end of the twelfth, the infamous, or famous ninth order in 2012, depending on your perspective, where Mike stood up and said at the end of that of very contentious debate, ‘We won, you lost. Deal with it.’ And I remember thinking, everybody was very upset and emotional, and I remember thinking to myself you know, I actually enjoyed this debate. I wasn’t really happy with the outcome but I actually enjoyed it because I actually felt we were debating real issues and real differences and real policies. And I’ve always enjoyed that and I thought, you know what? That’s what happens, so sometimes that’s the way it goes: We won, you lost, and you have to deal with it and maybe that’ll happen later today, I don’t know, but, he said quietly. I, I want, I wanted to say, you know I appreciate your free thinking, your open mindedness, I think your leadership on ‘ban the box’ was really, really important on that issue. I think that your leadership on higher education, I’ve used your line quite a lot, when you said, ‘Higher education around here is everyone’s third priority and we need to make it the first priority.’ I think that your leadership and those of Senator Braun and others, you know we talked about it but there was some good work that was done on the other side and then you worked with us to come up with a policy that worked and I was really appreciative of that. But your leadership on higher ed has been great. And I’d say lastly I just wanna say I’m really happy that we’ve always agreed on the role of the Supreme Court and education funding and I know that, I know that deep in your heart you knew that I was right on the Supreme Court’s role in education funding and what we had to, had to get done but I’m gonna miss working with you. I hope you’ll stay in touch. I hope you’ll come see me in Seattle and we can go buy some very expensive ice cream and tomorrow night I will trade ties with you, if you want to do that. Thanks.”

PERSONAL PRIVILEGE

Senator Angel: “Well I’m gonna make it short and sweet. You are a rock star and we’re gonna miss the heck out of you. Love you.”

PERSONAL PRIVILEGE

Senator Hunt: “Well we’ve had a lot of good things said about Senator Baumgartner but there’s one thing that we have not heard of and that’s the fact that Senator Baumgartner is a great WSU Cougar and it’s been a pleasure working with him and talking Cougar football and Cougar sports and there have been several times where he said, ‘You know there’s this WSU event in Seattle tonight, lets sneak out and go to that and they’ll never miss us.’ Well we never quite did that but it’s been a real pleasure working with you on that as a Cougar fan and also serving with you and being your next door neighbor up on the fourth floor so best of luck to you.”

PERSONAL PRIVILEGE

Senator Ericksen: “Why thank you Mr. President, just rising to talk about Senator Baumgartner for a second because with Senator Baumgartner, it’s always about the story and when you went into his office you saw that because he spoke of it earlier, he had all those newspaper stories and all the cut outs of himself that he had all over his wall, that when you walked in there you were basically faced with a wall of pictures of Mike Baumgartner of different stories, you know, from his life. And we hear it on the floor also, the stories about his time serving our country whether it’s overseas, serving people in the Catholic Church so it’s about the story. And it’s an amazing thing and that’s something we can take to ourselves I think on the floor here today is we hear the stories from both Republicans and Democrats of how Mike has touched their lives over his course of eight years in such a special way. I think we’re just, it’s an interesting thing is we’re all cogs in the machine. We come here and we do our time but really I think for Mike Baumgartner to go from being you know, in Iraq, being in Mozambique, being in all over the world, coming back to Spokane then becoming a Senator. When you just think about that for a second. How does that story happen? The guy didn’t even live in the district when he ran for election and he got elected in Spokane. But this is another, another one of the stories as you look at what happened with Mike so I think we’re just privileged for the past eight years that we have been able to be a part of that story also in his life and he shared it with us so I think that’s something for us to take to heart also as we go on. It’s about living the story and living in a positive way and how it impacts your life but to have that opportunity to be able to go out and do the next best thing which I think has always been Mike’s philosophy. What’s the next cool story I can have in my life with my family? And we just wish you the best and hope you can keep on creating those amazing stories and we’ll read about them and I’m sure when we visit your office wherever it ends up being next we will see plenty of pictures of you that tell the story.”

REMARKS BY THE PRESIDENT

President Habib: “Thank you all for these wonderful points and I just wanted to add one thing. There is a, cause Senator Baumgartner’s grasp of my ancestral language, Persian Farsi is I think better than mine of German which, I’m guessing, is Senator Baumgartner’s but I will say I imagine in German there is a word that captures the feeling of a presiding officer when Senator Baumgartner wants to be recognized to speak. And that word, I think only German would have this, would have a word for this. It’s a mixture of the anticipation of frustration and the anticipation of amusement at the same time because I never knew, I’ve never known, whether it’s being tweeted at by him, like I was last night, or whether he was gonna call me on a rule without telling me what the content of the rule was, like today, or Kafka quotes, et cetera, what it would be but it would always be interesting and very peculiar feeling in the pit of the stomach of anyone who’s ever been a presiding officer. But I will ask all the Senators to just close this moment of recognition, we’ll have others in the future, by joining me in thanking Senator Baumgartner for his years of service here in the State Senate.”

The senate again rose and recognized Senator Baumgartner for his service.

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All real and personal property taxes and assessments made payable by the provisions of this title are due and payable to the county treasurer on or before the thirtieth day of April and, except as provided in this section, are delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of . . . . . County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax is paid on or before the thirtieth day of April, the remainder of such tax, except as provided in subsection (5) of this section, is due and payable on or before the following thirty-first day of October and is delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax is paid after the thirtieth day of April but before the thirtieth day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax, except as provided in subsection (5) of this section, is due and payable on or before the following thirty-first day of October and is delinquent after that date.

(5)(a) For the 2017 state property taxes levied under RCW 84.52.065 (1) and (2) for collection in 2018, the remainder of the tax is due and payable as follows:

(i) Forty percent is due and payable on or before the thirty-first day of October 2018 and is delinquent after that date;

(ii) Thirty percent is due and payable on or before the thirtieth day of April 2019 and is delinquent after that date; and

(6) Except as provided in (c) of this subsection, delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the amount of tax delinquent from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of the tax payment, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the amount of tax delinquent is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the delinquent tax amount on December 1st of the year in which the tax is due.

(c) If a taxpayer is successfully participating in a payment agreement under subsection (((12))) (13)(b) of this section or a partial payment program pursuant to subsection (((13))) (14) of this section, the county treasurer may not assess additional penalties on delinquent taxes that are included within the payment agreement. Interest and penalties that have been assessed prior to the payment agreement remain due and payable as provided in the payment agreement.

(((16))) (7)(a) When real property taxes become delinquent and prior to the filing of the certificate of delinquency, the treasurer is authorized to assess and collect tax foreclosure avoidance costs.

(b) For the purposes of this section, "tax foreclosure avoidance costs" means those direct costs associated with the administration of properties subject to and prior to foreclosure. Tax foreclosure avoidance costs include:

(i) Compensation of employees for the time devoted to administering the avoidance of property foreclosures; and

(ii) The cost of materials, services, or equipment acquired, consumed, or expended in administering tax foreclosure avoidance prior to the filing of a certificate of delinquency.

(c) When tax foreclosure avoidance costs are collected, such costs must be credited to the county treasurer service fund account, except as otherwise directed.

(d) For purposes of chapter 84.64 RCW, any taxes, interest, or penalties deemed delinquent under this section remain delinquent until such time as all taxes, interest, and penalties for the tax year in which the taxes were first due and payable have been paid in full.

(((8))) (8) Subsection (((4))) (6) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict regarding delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

(((9))) (9) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

(((10))) (10) All collections of interest on delinquent taxes must be credited to the county current expense fund.

(((11))) (11) For purposes of this chapter, "interest" means both interest and penalties unless the context clearly requires otherwise.

(((12))) (12) The direct cost of foreclosure and sale of real property, and the direct fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint, and sale because of delinquent taxes without regard to budget limitations and not subject to indirect costs of other charges.

(((13))) (13)(a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, interest, and charges by electronic means, and may use any method approved by the county.
billing and payment. Electronic billing and payment may be used as an option by the taxpayer, but the treasurer may not require the use of electronic billing and payment. Sec. 3. RCW 36.35.110 and 2013 c 221 s 2 are each amended to read as follows:

(1) No claims are allowed against the county from any municipality, school district, road district or other taxing district for taxes levied on property acquired by the county by tax deed under the provisions of this chapter, but all taxes must at the time of deeding the property be thereby canceled. However, the proceeds of any sale of any property acquired by the county by tax deed must first be applied to reimburse the county for the costs of foreclosure and sale. The remainder of the proceeds, if any, must be applied to pay any amounts deferred under chapter 84.37 or 84.38 RCW on the property, including accrued interest, and outstanding at the time the county acquired the property by tax deed. The remainder of the proceeds, if any, must be justly apportioned to the various funds existing at the date of the sale, in the territory in which such property is located, according to the tax levies of the year last in process of collection.

(2) For purposes of this section, "costs of foreclosure and sale" means those costs of foreclosing on the property that, when collected, are subject to RCW 84.56.020(((13))) (12), and the direct costs incurred by the county in selling the property.

NEW SECTION. Sec. 4. Section 1 of this act applies both prospectively and retroactively to January 1, 2018. However, this act does not authorize refunds of state property taxes levied for collection in 2018 and validly collected before the effective date of this section.

MOTION

Senator Braun moved that the following amendment no. 942 by Senator Braun be adopted:

Beginning on page 1, line 3 of the amendment, strike all material through "schools." on page 2, line 22 and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 84.56 RCW to read as follows:

(1)(a) There is provided a total reduction in state property tax collections of four hundred thirty-one million dollars for taxes payable after September 15, 2018, through December 31, 2019. This reduction is provided solely through a voucher program as provided under this section. By September 15, 2018, the department must make a voucher available for each currently taxable real and personal property parcel in the state in a form and manner as determined by the department in its sole discretion.

(b) An additional reduction in state property tax collections must be provided equal to the amount by which the June 2018 economic and revenue forecast exceeds the February 2018 economic and revenue forecast for revenues deposited into the state general fund, education legacy trust account, and Washington opportunity pathways account for the 2017-2019 and 2019-2021 biennia. The additional reduction under this subsection (1)(b) is limited to an amount that does not cause the total reduction under this subsection (1) to exceed one billion dollars.

(2) The department must determine the voucher amount for each taxable real and personal property parcel in a manner that equitably distributes the four hundred thirty-one million dollar reduction. To that end, each voucher must be issued for an amount equal to the parcel’s equalized value divided by the total equalized value statewide, multiplied by four hundred thirty-one million dollars.

(3) No later than April 15, 2018, each county assessor must provide the following information about each taxable parcel in the assessor’s county to the department electronically in a form and manner as prescribed by the department:

(a) Parcel number;
(b) Owner’s name and mailing address;
(c) Name and mailing address of the person of record who pays the property taxes on the parcel, if that person is not the owner of the property;
(d) Type of property, either real or personal;
(e) Taxable value, as of April 1, 2018, for either or both of the state levies under RCW 84.52.065(2) as specified by the department; and
(f) Any additional information requested by the department by March 15, 2018, for use in administering this section.

(4)(a) Vouchers may only be redeemed beginning September 15, 2018, through June 30, 2019, for taxes levied on taxable property for collection in 2018 or 2019. Vouchers cannot be redeemed against taxes paid before the effective date of this section.

(b) Vouchers expire July 1, 2019, and may not be used to prepay property taxes due after June 30, 2019. There are no refunds for unused vouchers.

(c)(i) Except as otherwise provided in this subsection (4)(c), vouchers may only be redeemed against the taxes levied on the parcel for which the voucher was issued.

(d) Vouchers are transferable to a new owner of the parcel for which the voucher was issued. The department may prescribe the manner that vouchers may be transferred. The county treasurer may refuse to accept a voucher that has been transferred in a manner not consistent with the manner prescribed by the department.

(3) No later than April 15, 2018, each county assessor must provide the following information about each taxable parcel in the assessor’s county to the department electronically in a form and manner as prescribed by the department:

(a) Parcel number;
(b) Owner’s name and mailing address;
(c) Name and mailing address of the person of record who pays the property taxes on the parcel, if that person is not the owner of the property;
(d) Type of property, either real or personal;
(e) Taxable value, as of April 1, 2018, for either or both of the state levies under RCW 84.52.065(2) as specified by the department; and
(f) Any additional information requested by the department by March 15, 2018, for use in administering this section.

(4)(a) Vouchers may only be redeemed beginning September 15, 2018, through June 30, 2019, for taxes levied on taxable property for collection in 2018 or 2019. Vouchers cannot be redeemed against taxes paid before the effective date of this section.

(b) Vouchers expire July 1, 2019, and may not be used to prepay property taxes due after June 30, 2019. There are no refunds for unused vouchers.

(c)(i) Except as otherwise provided in this subsection (4)(c), vouchers may only be redeemed against the taxes levied on the parcel for which the voucher was issued.

(ii) The department may, at its sole discretion, authorize vouchers to be redeemed against taxes levied on a different parcel of real property as the parcel for which the voucher was issued in cases where the parcel for which the voucher was issued no longer exists after April 1, 2018, due to the segregation or aggregation of real property parcels. The department must advise county assessors and treasurers and issue public guidance on its web site concerning the department’s decision whether to authorize vouchers to be redeemed against taxes levied on a different parcel of real property as the parcel for which the voucher was issued as authorized under this subsection (4)(c).

(d) Vouchers are transferable to a new owner of the parcel for which the voucher was issued. The department may prescribe the manner that vouchers may be transferred. The county treasurer may refuse to accept a voucher that has been transferred in a manner not consistent with the manner prescribed by the department.

(5) Vouchers may be redeemed only by submitting them to the appropriate county treasurer for payment of taxes as indicated by the person redeeming the voucher.

(6) If a voucher is lost or destroyed, a qualified person may redeem the unused amount of the lost or destroyed voucher in accordance with this section by making a request to the county treasurer. A qualified person attempting to redeem a lost or destroyed voucher for a taxable parcel must provide proof satisfactory to the county treasurer that the person is a qualified person. The department must provide assistance to the county treasurer by verifying the amount that the lost or destroyed voucher was issued for.

(7) The county treasurer must apply redeemed vouchers as payment against the state taxes levied under RCW 84.52.065(2). However, the county treasurer may apply redeemed vouchers as payment against local property taxes if the county treasurer cannot feasibly apply vouchers as payment only to the state taxes levied under RCW 84.52.065(2). In such cases, the county treasurer must use collections of state property taxes levied under RCW 84.52.065(2) and not yet distributed to the state to reimburse local taxing districts for the amount of their taxes paid with vouchers redeemed in accordance with this section.

(8) By March 1, 2019, and March 1, 2020, or such other dates as may be required by the department, each county treasurer must report to the department information requested by the department concerning redeemed vouchers.

(9) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Equalized value" means the assessed value as of January 1, 2017, as provided by county assessors on April 1, 2018, divided by the real and personal property ratio for that county for property taxes levied for collection in 2018.

(b) "Qualified person" means the owner of record of the property for which a lost or destroyed voucher was issued or the person who pays the taxes on that property as indicated in the records of the county treasurer, if not the owner of record.

Sec. 2. RCW 84.69.020 and 2017 3rd sp.s. c 13 s 310 are each amended to read as follows:

On the order of the county treasurer, ad valorem taxes paid before or after delinquency must be refunded if they were:

(8) Paid as a result of mistake, inadvertence, or lack of knowledge by either a public official or employee or by any person with respect to real property in which the person paying the same has no legal interest;

(10) Paid on the basis of an assessed valuation which was appealed to the state board of tax appeals and ordered reduced by the board: PROVIDED, That the amount refunded under subsections (9) and (10) of this section (shall) may only be for the difference between the tax paid on the basis of the appealed valuation and the tax payable on the valuation adjusted in accordance with the board's order; 
(11) Paid as a state property tax levied upon property, the assessed value of which has been established by the state board of tax appeals for the year of such levy: PROVIDED, HOWEVER, That the amount refunded (shall) may only be for the difference between the state property tax paid and the amount of state property tax which would, when added to all other property taxes within the one percent limitation of Article VII, section 2 of the state Constitution equal one percent of the assessed value established by the board; 
(12) Paid on the basis of an assessed valuation which was adjudicated to be unlawful or excessive: PROVIDED, That the amount refunded shall be for the difference between the amount of tax which was paid on the basis of the valuation adjudged unlawful or excessive and the amount of tax payable on the basis of the assessed valuation determined as a result of the proceeding;

(17) Paid in excess of the amount of taxes properly due at the time of the excess payment, including amounts paid in excess of taxes properly due at the time of the excess payment as a result of the proper use of a voucher as authorized under section 1 of this act.

No refunds under the provisions of this section shall be made because of any error in determining the valuation of property, except as authorized in subsections (9), (10), (11), and (12) of this section nor may any refunds be made if a bona fide purchaser has acquired rights that would preclude the assessment and collection of the refunded tax from the property that should properly have been charged with the tax. Any refunds made on delinquent taxes must include the proportionate amount of interest and penalties paid. However, no refunds as a result of an incorrect payment authorized under subsection (8) of this section made by a third party payee shall be granted. The county treasurer may deduct from moneys collected for the benefit of the state's levies, refunds of the state's levies including interest on the levies as provided by this section and chapter 84.68 RCW.

The county treasurer of each county must make all refunds determined to be authorized by this section, and by the first Monday in February of each year, report to the county legislative authority a list of all refunds made under this section during the previous year. The list is to include the name of the person receiving the refund, the amount of the refund, and the reason for the refund.

EVENING SESSION

The Senate was called to order at 6:00 p.m. by President Habib.

The Senate resumed consideration of Senate Bill No. 6614 which had been deferred earlier in the day.

RULING BY THE PRESIDENT

President Habib: “In responding to the Point of Parliamentary Inquiry raised by Senator Baumgartner as to the number of votes required for final passage of Engrossed Substitute Senate Bill 6614, the President finds and rules as follows:

Article 7, Section 12 of the Washington State Constitution requires a three-fifths vote of the Senate for appropriations of funds from the Budget Stabilization Account, commonly referred to as the Rainy Day Fund. Under this bill, a portion of revenue from the new state property tax levy adopted in the 2017 Legislative Session will be deposited directly into the Education Legacy Trust Account, rather than the General Fund.

In considering the question of how many votes are required for final passage of Engrossed Substitute Senate Bill 6614, the President finds that a simple constitutional majority is required on the basis of two distinct lines of reasoning.

First and foremost, the bill does not contain any appropriation from the Rainy Day Fund. The diversion of extraordinary revenue from existing sources that have historically been deposited in the General Fund would, under Article 7, Section 12, require an adjustment to the Rainy Day Fund to reflect the statutory change. However, the revenue collected through the new property tax levy, enacted in 2017 by the 65th Legislature, has not yet been deposited into the General Fund. Because the bill does not request an appropriation from the Rainy Day Fund, a simple majority is all that is required for final passage.

Furthermore, the President also believes that the revenue increase caused by the enactment of this new tax policy is the result not of unexpected positive revenue from existing sources, but rather a policy decision to establish a new levy for the specific purpose of funding common schools.

Seen in this light, the requirement that the bill obtain a mere simple constitutional majority rather than a three-fifths super majority is in keeping with the spirit as well as the letter of the Rainy Day Fund.”

POINT OF ORDER

Senator Braun: “Mr. President, I believe that the bill before us violates Rule 25, that no bill shall contain more than one subject. I, shall I go on?”

President Habib: “Senator Braun has raised a point of order as to whether Engrossed, I’m sorry I’m just looking at my, Engrossed Substitute Senate Bill 6614 violates Senate rules and
the constitution by containing more than one subject. Senator Braun, remarks?"

Senator Braun: “Thank you Mr. President. So, Senate Rule 25 mirrors Article 2, Section 19 of the Washington State Constitution as provided in the Amalgamated Transit Union versus State case which challenged the validity of Initiative 695. The single subject rule is intended to prevent legislatures, whether the people or the legislature, from having to vote on a law they do not favor in order to obtain a law in which they do. Put another way, in deciding whether a measure contains a single object however the consequential inquiries is founded on a question whether a measure is drafted in such a way that those voting on it may be required to vote for something of which the voter disapproves in order to obtain approval of an unrelated law. Here in this engrossed bill the proposed striking amendment for Substitute Senate Bill 6614 contains two distinct and unrelated subjects. The first subject is the reduction of the state property tax in 2019 and the second subject is the redirection of existing property taxes to a different account designed to avoid the otherwise required deposit into a constitutional budget stabilization account. There’s no rational unity in these two matters and that is reflected in the striking amendment’s title which contains, which clearly bifurcates the subject into two distinct matters. So here we’re faced with a popular proposal to reduce property taxes and a dubious proposal with a purpose unrelated and unnecessary to reducing property taxes. Namely, transferring state funds to avoid putting money into the state’s constitutional savings account. Mr. President, I support the reducing of property taxes. We have advocated for that since last fall when we started having additional revenue forecasted. So the, the property tax on this measure, I think, is a good thing. However, I can’t support the separate and unrelated subject of redirecting almost a billion dollars of state revenue scheduled to otherwise be deposited in the state’s constitutional savings account. This is precisely the log rolling that Article 2, Section 19 is designed to prevent. I ask you rule that the striking amendment is out of order, thank you Mr. President.”

President Habib: “Remarks and rebuttals. Senator Liias?”

Senator Liias: “Thank you Mr. President. While I appreciate the points made by my colleague, the general subject of Engrossed Substitute Senate Bill 6614 is a state property tax levy that’s collected for the purpose of funding our state’s common schools. The striking amendment in the bill adjusts the rate of that levy and the calendar years in which it’ll be collected and direct that some of the levy funds will be deposit into the Education Legacy Trust account for the support of common schools. As Senator Braun identified, previous Lieutenant Governor rulings have called on, in a bill to have a rational unity to the general subject of the measure, the, the state property tax levy collected for the purpose of funding state common schools and the use of those funds is a rationally unified general subject. I believe that the gentleman’s point is not correct.”

MOTION

On motion of Senator Liias, further consideration of Engrossed Substitute Senate Bill No. 6614 was deferred and the bill held its place on the third reading calendar.

Senator Keiser assumed the chair.

SUBSTITUTE HOUSE BILL NO. 2448, by House Committee on Finance (originally sponsored by Representatives Senn, Tharinger, Chapman, Kilduff, Macri, Robinson, Appleton, Kloba, Pollet, Santos and Tarleton)
Increasing the availability of housing for developmentally disabled persons.

The measure was read the second time.

MOTION

Senator Darnelle moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is need to expand housing opportunities for persons with developmental disabilities. The legislature finds it is often preferable for persons with developmental disabilities to remain residing in their home, when it is safe and appropriate, to foster ongoing stability. The legislature recognizes that securing a child's future housing and services provides the parents of persons with developmental disabilities peace of mind. The legislature further finds that providing a new mechanism for the transfer of residential property into housing for persons with developmental disabilities expands the state's housing capacity and helps meet demand. The legislature further finds that utilizing existing residential property will reduce the demands on the housing trust fund. The legislature finds that there is an opportunity and need, for advocates and the supporters of the developmental disabilities community to work together, to develop model transfer agreements that will provide peace of mind and assist parents of children with developmental disabilities more readily access this program.

NEW SECTION. Sec. 2. (1) This section is the tax preference performance statement for the tax preference contained in section 3, chapter . . ., Laws of 2018 (section 3 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to reduce the tax burden on individuals and businesses imposed by the existing real estate excise tax rates.

(4) If a review finds that there is an increase of residential property transfers by parents of a person with developmental disabilities to a qualified entity as a result of the relief from this tax preference, then the legislature intends to extend the expiration date of this tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to any data collected by the state.

Sec. 3. RCW 82.45.010 and 2014 c 58 s 24 are each amended to read as follows:

(1) As used in this chapter, the term "sale" has its ordinary meaning and includes any conveyance, grant, assignment, quitclaim, or transfer of the ownership of or title to real property, including standing timber, or any estate or interest therein for a valuable consideration, and any contract for such conveyance, grant, assignment, quitclaim, or transfer, and any lease with an option to purchase real property, including standing timber, or any estate or interest therein or other contract under which possession of the property is given to the purchaser, or any other person at the purchaser's direction, and title to the property is retained by the vendor as security for the payment of the purchase price. The term also includes the grant, assignment, quitclaim, sale, or transfer of improvements constructed upon leased land.

(2)(a) The term "sale" also includes the transfer or acquisition within any twelve-month period of a controlling interest in any entity with an interest in real property located in this state for a valuable consideration.

(b) For the sole purpose of determining whether, pursuant to the exercise of an option, a controlling interest was transferred or acquired within a twelve-month period, the date that the option agreement was executed is the date on which the transfer or acquisition of the controlling interest is deemed to occur. For all other purposes under this chapter, the date upon which the option is exercised is the date of the transfer or acquisition of the controlling interest.

(c) For purposes of this subsection, all acquisitions of persons acting in concert must be aggregated for purposes of determining whether a transfer or acquisition of a controlling interest has taken place. The department must adopt standards by rule to determine when persons are acting in concert. In adopting a rule for this purpose, the department must consider the following:

(i) Persons must be treated as acting in concert when they have a relationship with each other such that one person influences or controls the actions of another through common ownership; and

(ii) When persons are not commonly owned or controlled, they must be treated as acting in concert only when the unity with which the purchasers have negotiated and will consummate the transfer of ownership interests supports a finding that they are acting as a single entity. If the acquisitions are completely independent, with each purchaser buying without regard to the identity of the other purchasers, then the acquisitions are considered separate acquisitions.

(3) The term "sale" does not include:

(a) A transfer by gift, devise, or inheritance.

(b) A transfer by transfer on death deed, to the extent that it is not in satisfaction of a contractual obligation of the decedent owed to the recipient of the property.

(c) A transfer of any leasehold interest other than of the type mentioned above.

(d) A cancellation or forfeiture of a vendee's interest in a contract for the sale of real property, whether or not such contract contains a forfeiture clause, or deed in lieu of foreclosure of a mortgage.

(e) The partition of property by tenants in common by agreement or as the result of a court decree.

(f) The assignment of property or interest in property from one spouse or one domestic partner to the other spouse or other domestic partner in accordance with the terms of a decree of dissolution of marriage or state registered domestic partnership or in fulfillment of a property settlement agreement.

(g) The assignment or other transfer of a vendor's interest in a contract for the sale of real property, even though accompanied by a conveyance of the vendor's interest in the real property involved.

(h) Transfers by appropriation or decree in condemnation proceedings brought by the United States, the state or any political subdivision thereof, or a municipal corporation.

(i) A mortgage or other transfer of an interest in real property merely to secure a debt, or the assignment thereof.

(j) Any transfer or conveyance made pursuant to a deed of trust or an order of sale by the court in any mortgage, deed of trust, or lien foreclosure proceeding or upon execution of a judgment, or deed in lieu of foreclosure to satisfy a mortgage or deed of trust.

(k) A conveyance to the federal housing administration or veterans administration by an authorized mortgagee made...
pursuant to a contract of insurance or guaranty with the federal housing administration or veterans administration.

(1) A transfer in compliance with the terms of any lease or contract upon which the tax as imposed by this chapter has been paid or where the lease or contract was entered into prior to the date this tax was first imposed.

(m) The sale of any grave or lot in an established cemetery.

(n) A sale by the United States, this state or any political subdivision thereof, or a municipal corporation of this state.

(o) A sale to a regional transit authority or public corporation under RCW 81.112.320 under a sale/leaseback agreement under RCW 81.112.300.

(p) A transfer of real property, however effected, if it consists of a mere change in identity or form of ownership of an entity where there is no change in the beneficial ownership. These include transfers to a corporation or partnership which is wholly owned by the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner. However, if thereafter such transferee corporation or partnership voluntarily transfers such real property, or such transferor, spouse or domestic partner, or children of the transferor or the transferor's spouse or domestic partner voluntarily transfer stock in the transferee corporation or interest in the transferee partnership capital, as the case may be, to other than (i) the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, (ii) a trust having the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner as the only beneficiaries at the time of the transfer to the trust, or (iii) a corporation or partnership wholly owned by the original transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, within three years of the original transfer to which this exemption applies, and the tax on the subsequent transfer has not been paid within sixty days of becoming due, excise taxes become due and payable on the original transfer as otherwise provided by law.

(q)(i) A transfer that for federal income tax purposes does not involve the recognition of gain or loss for entity formation, liquidation or dissolution, and reorganization, including but not limited to nonrecognition of gain or loss because of application of 26 U.S.C. Sec. 332, 337, 351, 368(a)(1), 721, or 731 of the internal revenue code of 1986, as amended.

(ii) However, the transfer described in (q)(i) of this subsection cannot be preceded or followed within a twelve-month period by another transfer or series of transfers, that, when combined with the otherwise exempt transfer or transfers described in (q)(i) of this subsection, results in the transfer of a controlling interest in the entity for valuable consideration, and in which one or more persons previously holding a controlling interest in the entity receive cash or property in exchange for any interest the person or persons acting in concert hold in the entity. This subsection (3)(q)(ii) does not apply to that part of the transfer involving property received that is the real property interest that the person or persons originally contributed to the entity or when one or more persons who did not contribute real property or belong to the entity at a time when real property was purchased receive cash or personal property in exchange for that person or persons' interest in the entity. The real estate excise tax under this subsection (3)(q)(ii) is imposed upon the person or persons who previously held a controlling interest in the entity.

(r) A qualified sale of a manufactured/mobile home community, as defined in RCW 59.20.030, that takes place on or after June 12, 2008, but before December 31, 2018.

(s)(i) A qualified transfer of residential property by a legal representative of a person with developmental disabilities to a qualified entity subject to the following conditions:

(A) The adult child with developmental disabilities of the transferor of the residential property must be allowed to reside in the residence or successor property so long as the placement is safe and appropriate as determined by the department of social and health services;

(B) The title to the residential property is conveyed without the receipt of consideration by the legal representative of a person with developmental disabilities to a qualified entity;

(C) The residential property must have no more than four living units located on it; and

(D) The residential property transferred must remain in continued use for fifty years by the qualified entity as supported living for persons with developmental disabilities by the qualified entity or successor entity. If the qualified entity sells or otherwise conveys ownership of the residential property the proceeds of the sale or conveyance must be used to acquire similar residential property and such similar residential property must be considered the successor for continued use. The property will not be considered in continued use if the department of social and health services finds that the property has failed, after a reasonable time to remedy, to meet any health and safety statutory or regulatory requirements. If the department of social and health services determines that the property fails to meet the requirements for continued use, the department of social and health services must notify the department and the real estate excise tax based on the value of the property at the time of the transfer into use as residential property for persons with developmental disabilities becomes immediately due and payable by the qualified entity. The tax due is not subject to penalties, fees, or interest under this title.

(ii) For the purposes of this subsection (3)(s) the definitions in RCW 71A.10.020 apply.

(iii) A "qualified entity" is:

(A) A nonprofit organization under Title 26 U.S.C., Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended, of the effective date of this section, or a subsidiary under the same taxpayer identification number that provides residential supported living for persons with developmental disabilities; or

(B) A nonprofit adult family home, as defined in RCW 70.128.010, that exclusively serves persons with developmental disabilities.

(iv) In order to receive an exemption under this subsection (3)(s) an affidavit must be submitted by the transferor of the residential property and must include a copy of the transfer agreement and any other documentation as required by the department.

Sec. 4. RCW 43.185.050 and 2017 3rd sp.s. c 12 s 13 are each amended to read as follows:

(1) The department must use moneys from the housing trust fund and other legislative appropriations to finance in whole or in part any loans or grant projects that will provide housing for persons and families with special housing needs and with incomes at or below fifty percent of the median family income for the county or standard metropolitan statistical area where the project is located. At least thirty percent of these moneys used in any given funding cycle (shall) must be for the benefit of projects located in rural areas of the state as defined by the department. If the department determines that it has not received an adequate number of suitable applications for rural projects during any given funding cycle, the department may allocate unused moneys for projects in nonrural areas of the state.
(2) Activities eligible for assistance from the housing trust fund and other legislative appropriations include, but are not limited to:

(a) New construction, rehabilitation, or acquisition of low and very low-income housing units;

(3) Preference (Amend) must be given for projects that include an early learning facility.

(4) Legislative appropriations from capital bond proceeds may be used only for the costs of projects authorized under subsection (2)(a), (i), and (j) of this section, and not for the administrative costs of the department.

(5) Moneys from repayment of loans from appropriations from capital bond proceeds may be used for all activities necessary for the proper functioning of the housing assistance program except for activities authorized under subsection (2)(b) and (c) of this section.

(6) Administrative costs associated with application, distribution, and project development activities of the department may not exceed three percent of the annual funds available for the housing assistance program. Reappropriations must not be included in the calculation of the annual funds available for determining the administrative costs.

(7) Administrative costs associated with compliance and monitoring activities of the department may not exceed one-quarter of one percent annually of the contracted amount of state investment in the housing assistance program."

The President Pro Tempore declared the question before the Senate to be the final passage of Substitute House Bill No. 2448 as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 2448 as amended by the Senate and the bill passed the Senate by the following vote:  Yeas, 48; Nays, 0; Absent, 0; Excused, 1.

Excused: Senator Walsh

SUBSTITUTE HOUSE BILL NO. 2448, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 2990, by House Committee on Transportation (originally sponsored by Representatives Fey, Young and Muri)

Concerning the Tacoma Narrows bridge debt service payment plan.

The measure was read the second time.

MOTION

Senator King moved that the following committee striking amendment by the Committee on Transportation be adopted: Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 47.46 RCW to read as follows:

(1) The legislature finds funding of the Tacoma Narrows bridge facility to be distinct from other Washington state tolling facilities due to its increasing debt service costs, which is the primary driver of the facility's escalating costs. Washington state has since recommended and established financing structures with steadier levels of debt service payments for subsequent tolled transportation facilities, supporting better management of the state's debt burden and a lower financial burden for toll ratepayers.

(2) The Tacoma Narrows bridge facility debt service structure resulted, in part, from a decision by the legislature to fund
construction of the bridge without drawing from state tax dollars. As a result, toll revenue was committed to fund ninety-nine percent of bridge construction costs, as well as the associated interest payments and other associated debt service costs. This is not the standard more recently utilized by the legislature, as is the case of the state route 520 bridge's construction, seventy-two percent of which is to be paid for with toll revenues. In light of the maximum burden for bridge construction that was placed on Tacoma Narrows bridge toll ratepayers, there is no equitable reason that the burden of future debt service payment increases should be borne by these same toll ratepayers.

(3) The legislature established the Tacoma Narrows bridge work group in 2017 and tasked it with identifying opportunities for long-term toll payer relief from increasing toll rates on the Tacoma Narrows bridge. The work group recommended a request of up to one hundred twenty-five million dollars in state funding from the legislature to offset future debt service payment increases, allocated across the remaining years of tolling at levels that result in maintaining toll rates at fiscal year 2018 levels.

(4) Due to the findings aforementioned, an alternative is put forward by the legislature. State contribution loans for each fiscal biennium are to be made through the life of the debt service plan of up to a total of eighty-five million dollars, and will be repaid in annual amounts beginning after the debt service and deferred sales tax are fully repaid. It is the intent of the legislature that the commission will:

(a) Maintain tolls at no more than toll rates effective at the fiscal year 2018 level until fiscal year 2022; and

(b) Maintain tolls at no more than twenty-five cents higher than the toll rates effective at the fiscal year 2018 level beginning in fiscal year 2022 until such time as the debt service and deferred sales tax obligation is fully met according to the repayment schedule in place as of the effective date of this section and until any state contribution loans are fully repaid.

(5) To offset part of the toll rate increases that would otherwise be necessary to meet increases in future debt service payments, it is the intent of the legislature that the state treasurer make state contribution loan transfers to the Tacoma Narrows toll bridge account created in RCW 47.56.165 on the first day of each fiscal biennium, beginning in the 2019-2021 fiscal biennium, through the life of the debt service plan. It is the intent of the legislature that the state treasurer make state contribution loan transfers in amounts necessary to ensure debt service payments are made in full after toll revenue from the Tacoma Narrows bridge toll facility is applied to the debt payment amounts and other required costs.

(6) This section does not create a private right of action.

NEW SECTION. Sec. 2. A new section is added to chapter 47.46 RCW to read as follows:

(1) Through 2031, the commission shall submit to the transportation committees of the legislature on an annual basis a report that includes sufficient information to enable the legislature to determine an adequate amount of contribution from nontoll sources required for each fiscal biennium to maintain tolls at no more than twenty-five cents higher than the toll rates effective at the fiscal year 2018 level, while also maintaining the debt service plan repayment schedule in place as of the effective date of this section. The report must be submitted by January 5th of each year.

(2) Beginning in 2031, and until such time as the state contribution loans described in section 1(4) of this act are repaid, the commission shall submit to the transportation committees of the legislature on an annual basis a report that includes information detailing the annual expected toll revenue to be used for repayment of the state contribution loans while maintaining tolls at no more than twenty-five cents higher than the toll rates effective at the fiscal year 2018 level. The report must be submitted by January 5th of each year.

(3) This section does not create a private right of action.

Sec. 3. RCW 47.46.110 and 2002 c 114 s 8 are each amended to read as follows:

(1) The commission shall retain toll charges on any existing and future facilities constructed under this chapter and financed primarily by bonds issued by the state until:

(a) All costs of investigation, financing, acquisition of property, and construction advanced from the motor vehicle fund have been fully repaid, except as provided in subsection (2)(b) of this section;

(b) Obligations incurred in constructing that facility have been fully paid; and

(c) The motor vehicle fund is fully repaid under RCW 47.46.140; and

(d) The accounts from which moneys are provided to reduce the debt service according to section 1(5) of this act are fully repaid.

(2) This section does not:

(a) Prohibit the use of toll revenues to fund maintenance, operations, or management of facilities constructed under this chapter except as prohibited by RCW 47.56.245;

(b) Require repayment of funds specifically appropriated as a nonreimbursable state financial contribution to a project.

(3) Notwithstanding the provisions of subsection (2)(a) of this section, upon satisfaction of the conditions enumerated in subsection (1) of this section:

(a) The facility must be operated as a toll-free facility; and

(b) The operation, maintenance, upkeep, and repair of the facility must be paid from funds appropriated for the use of the department for the construction and maintenance of the primary state highways of the state of Washington.

On page 1, line 2 of the title, after “plan;” strike the remainder of the title and insert “amending RCW 47.46.110; and adding new sections to chapter 47.46 RCW.”
