## Intern Selection Criteria

Candidates for internships must possess strong oral, written, and interpersonal communication skills and the ability to conduct non-partisan legal, fiscal, and policy research and analysis. They should be self-motivated and have an interest in public service.

## Intern Educational Program

Prior to beginning the internship, interns receive an orientation that includes information on legislative organization and process. Senate Committee Services provides regular seminars with state leaders including legislators, state agency administrators, lobbyists, judges, and other elected or appointed officials. Interns receive training on Senate computer programs and individualized training from committee staff as it relates to their assignments. In addition, interns participate in a mock hearing, which is an excellent opportunity to apply the skills and knowledge developed during the internship.

## Intern Housing and Transportation

Interns are responsible for making their own arrangements. However, Olympia has plentiful housing and finding reasonable accommodations is usually not a problem. A list of available housing will be provided upon request. Olympia also has an excellent public transportation system.

## Intern Application/Selection Process

Interested students must:

- ☐ submit a cover letter, resume, and writing sample to their college or university internship coordinator or placement officer; and
- ☐ sign up for an interview time with these same administrators

Interviews begin in the Fall at most schools. If necessary, finalists may be asked to schedule a second interview. At the second interview, candidates may also complete a written exercise.
