

IT Consultation Form
Addendum to the IT Service Request

Consultant: Sue Schuler

Date of consultation: 3/25/2013

Requestor: Wendy Stigall

Change #: 6307

Please use this space to offer clarity of request.

The application of jail credits in OMNI when there is a mandatory/enhancement that are being served as flat time needs to be changed. The current programming is allowing more than the maximum amount of good time to be applied to the base sentences. Current programming applies the jail time to the mandatory/enhancement and the jail good time to the base sentence. Programming needs to be changed to apply the jail time and jail good time to the base sentence. If the number of jail days exceeds the base sentence, the remainder would then be applied to the mandatory/enhancement. The mandatory/enhancement would still run first in the system. Any jail good time in excess of the base sentence would not be applied to the mandatory/enhancement.
