(3) Following the filing of the petition and before the court's decision, any person may submit a declaration to the court in support of or in opposition to initial detention.

(4) The court shall review the petition to determine whether the petition raises sufficient evidence to support the allegation. If the court so finds, it shall provide a copy of the petition and accompanying information to the designated mental health professional agency with an order for the agency to provide the court and the petitioner with a written sworn statement providing a detailed description of the designated mental health professional's investigation and the basis for the decision not to seek initial detention within one business day. "PART I: INITIAL DETENTION

FIFTY SECOND DAY, MARCH 4, 2015

2015 REGULAR SESSION

Sec. 101. RCW 71.05.010 and 1998 c 297 s 2 are each amended to read as follows:

(1) The provisions of this chapter are intended by the legislature:

~~((1))~~ (a) To protect the health and safety of persons suffering from mental disorders and to protect public safety through use of the parens patriae and police powers of the state;

~~(b)~~ To prevent inappropriate, indefinite commitment of mentally disordered persons and to eliminate legal disabilities that arise from such commitment;

~~((2))~~ (c) To provide prompt evaluation and timely and appropriate treatment of persons with serious mental disorders;

~~((3))~~ (d) To safeguard individual rights;

~~((4))~~ (e) To provide continuity of care for persons with serious mental disorders;

~~((5))~~ (f) To encourage the full use of all existing agencies, professional personnel, and public funds to prevent duplication of services and unnecessary expenditures; and

~~((6))~~ (g) To encourage, whenever appropriate, that services be provided within the community;

~~(7) To protect the public safety).~~

(2) When construing the requirements of this chapter the court must focus on the merits of the petition, except where requirements have been totally disregarded, as provided in *In re C.W.*, 147 Wn.2d 259, 281 (2002). A presumption in favor of deciding petitions on their merits furthers both public and private interests because the mental and physical well-being of individuals as well as public safety may be implicated by the decision to release an individual and discontinue his or her treatment.

NEW SECTION. Sec. 102. A new section is added to chapter 71.05 RCW to read as follows:

(1) The department may use a single bed certification process to provide additional treatment capacity for a person suffering from a mental disorder for whom an evaluation and treatment bed is not available. The facility that is the proposed site of the single bed certification must be a facility that is willing and able to provide the person with timely and appropriate treatment either directly or by arrangement with other public or private agencies. Appropriate settings for single bed certifications may include, but are not limited to, any of the following settings where the facility is willing and able to provide timely and appropriate treatment to the person:

(a) A hospital with or without a psychiatric unit;

(b) A psychiatric hospital;

(c) A hospital that is willing and able to provide timely and appropriate mental health treatment or medical treatment to a person with a co-occurring mental disorder and medical condition such that it prevents transfer to an evaluation and treatment facility or state hospital; or

(d) A residential treatment facility.

(2) A single bed certification must be specific to the patient receiving treatment.

(3) A designated mental health professional who submits an application for a single bed certification for treatment at a facility which is willing and able to provide timely and appropriate mental health treatment, or medical treatment to an individual with a co-occurring mental disorder and medical condition, in good faith belief that the single bed certification is appropriate may presume that the single bed certification will be approved for the purpose of completing the detention process and responding to other emergency calls.

(4) The department may adopt rules implementing this section and continue to enforce rules it has already adopted except where inconsistent with this section.

NEW SECTION. Sec. 103. A new section is added to chapter 71.05 RCW to read as follows:

(1) A designated mental health professional shall make a report to the department when he or she determines a person meets detention criteria under RCW 71.05.150, 71.05.153, 71.34.700, or 71.34.710 and there are not any beds available at an evaluation and treatment facility, the person has not been provisionally accepted for admission by a facility, and the person cannot be served on a single bed certification or less restrictive alternative. Starting at the time when the designated mental health professional determines a person meets detention criteria and the investigation has been completed, the designated mental health professional has twenty-four hours to submit a completed report to the department.

(2) The report required under subsection (1) of this section must contain at a minimum:

(a) The date and time that the investigation was completed;

(b) The identity of the responsible regional support network or behavioral health organization;

(c) The county in which the person met detention criteria;

(d) A list of facilities which refused to admit the person; and

(e) Identifying information for the person, including age or date of birth.

(3) The department shall develop a standardized reporting form or modify the current form used for single bed certifications for the report required under subsection (2) of this section and may require additional reporting elements as it determines are necessary or supportive. The department shall also determine the method for the transmission of the completed report from the designated mental health professional to the department.

(4) The department shall create quarterly reports displayed on its web site that summarize the information reported under subsection (2) of this section. At a minimum, the reports must display data by county and by month. The reports must also include the number of single bed certifications granted by category. The categories must include all of the reasons that the department recognizes for issuing a single bed certification, as identified in rule.

(5) The reports provided according to this section may not display "protected health information" as that term is used in the federal health insurance portability and accountability act of 1996, nor information contained in "mental health treatment records" as that term is used in chapter 70.02 RCW or elsewhere in state law, and must otherwise be compliant with state and federal privacy laws.

(6) For purposes of this section, the term "single bed certification" means a situation in which an adult on a seventy-two hour detention, fourteen-day commitment, ninety-day commitment, or one hundred eighty-day commitment is detained to a facility that is:

(a) Not certified as an inpatient evaluation and treatment facility; or

(b) A certified inpatient evaluation and treatment facility that is already at capacity.

NEW SECTION. Sec. 104. A new section is added to chapter 71.05 RCW to read as follows:

(1) Submission of a report as provided in section 103 of this act constitutes prima facie evidence that the responsible regional support network or behavioral health organization is in breach of its duty under RCW 71.24.300(6)(b) and 43.20A.894(1)(d) to provide for adequate network of evaluation and treatment services within its regional service area.

(2) The department shall promptly share reports it receives under section 103 of this act with the responsible regional support network or behavioral health organization. The regional support network or behavioral health organization receiving this notification must attempt to engage the person in appropriate services for which the person is eligible and report back within seven days to the department.

(3) The department shall track and analyze reports submitted under section 103 of this act. The department must initiate corrective action when appropriate to ensure that each regional support network or behavioral health organization has implemented an adequate plan to provide evaluation and treatment services. Corrective actions may include remedies under RCW 71.24.330 and 43.20A.894, including requiring expenditure of reserve funds. An adequate plan may include development of less restrictive alternatives to involuntary commitment such as crisis triage, crisis diversion, voluntary treatment, or prevention programs reasonably calculated to reduce demand for evaluation and treatment under this chapter.

Sec. 105. RCW 71.05.050 and 2000 c 94 s 3 are each amended to read as follows:

(1) Nothing in this chapter shall be construed to limit the right of any person to apply voluntarily to any public or private agency or practitioner for treatment of a mental disorder, either by direct application or by referral. Any person voluntarily admitted for inpatient treatment to any public or private agency shall be released immediately upon his or her request. Any person voluntarily admitted for inpatient treatment to any public or private agency shall orally be advised of the right to immediate discharge, and further advised of such rights in writing as are secured to them pursuant to this chapter and their rights of access to attorneys, courts, and other legal redress. Their condition and status shall be reviewed at least once each one hundred eighty days for evaluation as to the need for further treatment or possible discharge, at which time they shall again be advised of their right to discharge upon request ~~(: PROVIDED HOWEVER, That)~~.

(2) If the professional staff of any public or private agency or hospital regards a person voluntarily admitted who requests discharge as presenting, as a result of a mental disorder, an imminent likelihood of serious harm, or is gravely disabled, they may detain such person for sufficient time to notify the ~~((county))~~ designated mental health professional of such person's condition to enable the ~~((county))~~ designated mental health professional to authorize such person being further held in custody or transported to an evaluation and treatment center pursuant to the provisions of this chapter, which shall in ordinary circumstances be no later than the next judicial day ~~(: PROVIDED FURTHER, That)~~.

(3) If a person is brought to the emergency room of a public or private agency or hospital for observation or treatment, the person refuses voluntary admission, and the professional staff of the public or private agency or hospital regard such person as presenting as a result of a mental disorder an imminent likelihood of serious harm, or as presenting an imminent danger because of grave disability, they may detain such person for sufficient time to notify the ~~((county))~~ designated mental health professional of such person's condition to enable the ~~((county))~~ designated mental health professional to authorize such person being further held in custody or transported to an evaluation treatment center pursuant to the conditions in this chapter, but which time shall be no more than six hours from the time the professional staff ~~((determine that an evaluation by))~~ notify the ~~((county))~~ designated mental health professional ~~((is necessary))~~ of the need for evaluation, not counting time periods prior to medical clearance.

(4) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this

section based on the intent of this chapter under RCW 71.05.010 except in the few cases where the facility staff or designated mental health professional has totally disregarded the requirements of this section.

Sec. 106. RCW 71.05.153 and 2011 c 305 s 8 and 2011 c 148 s 2 are each reenacted and amended to read as follows:

(1) When a designated mental health professional receives information alleging that a person, as the result of a mental disorder, presents an imminent likelihood of serious harm, or is in imminent danger because of being gravely disabled, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the person or persons providing the information if any, the designated mental health professional may take such person, or cause by oral or written order such person to be taken into emergency custody in an evaluation and treatment facility for not more than seventy-two hours as described in RCW 71.05.180.

(2) A peace officer may take or cause such person to be taken into custody and immediately delivered to a triage facility, crisis stabilization unit, evaluation and treatment facility, or the emergency department of a local hospital under the following circumstances:

(a) Pursuant to subsection (1) of this section; or

(b) When he or she has reasonable cause to believe that such person is suffering from a mental disorder and presents an imminent likelihood of serious harm or is in imminent danger because of being gravely disabled.

(3) Persons delivered to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, or triage facility that has elected to operate as an involuntary facility by peace officers pursuant to subsection (2) of this section may be held by the facility for a period of up to twelve hours, not counting time periods prior to medical clearance.

(4) Within three hours ~~((of))~~ after arrival, not counting time periods prior to medical clearance, the person must be examined by a mental health professional. Within twelve hours of ~~((arrival))~~ notice of the need for evaluation, not counting time periods prior to medical clearance, the designated mental health professional must determine whether the individual meets detention criteria. If the individual is detained, the designated mental health professional shall file a petition for detention or a supplemental petition as appropriate and commence service on the designated attorney for the detained person. If the individual is released to the community, the mental health provider shall inform the peace officer of the release within a reasonable period of time after the release if the peace officer has specifically requested notification and provided contact information to the provider.

(5) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section based on the intent of this chapter under RCW 71.05.010 except in the few cases where the facility staff or designated mental health professional has totally disregarded the requirements of this section.

Sec. 107. RCW 71.05.210 and 2009 c 217 s 1 are each amended to read as follows:

Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility (1) shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by (a) a licensed physician who may be assisted by a physician assistant according to chapter 18.71A RCW and a mental health professional, (b) an advanced registered nurse practitioner according to chapter 18.79 RCW and a mental health professional, or (c) a licensed physician and a psychiatric advanced registered nurse practitioner and (2) shall receive such treatment and care as his or her condition requires

FIFTY SECOND DAY, MARCH 4, 2015

2015 REGULAR SESSION

including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.340, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (a) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (b) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for seventy-two hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

If, after examination and evaluation, the mental health professional and licensed physician or psychiatric advanced registered nurse practitioner determine that the initial needs of the person would be better served by placement in a chemical dependency treatment facility, then the person shall be referred to an approved treatment program defined under RCW 70.96A.020.

An evaluation and treatment center admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated mental health professional and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

FIFTY SECOND DAY, MARCH 4, 2015

2015 REGULAR SESSION

(2) The roles and responsibilities of the county and tribal authorities shall be determined by the terms of that agreement including a determination of membership on the governing board and advisory committees, the number of tribal representatives to be party to the agreement, and the provisions of law and shall assure the provision of culturally competent services to the tribes served.

(3) The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that counties and the regional support network do not duplicate functions and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

State

agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(8) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter, provide local oversight regarding the activities of the regional support network, and work with the regional support network to resolve significant concerns regarding service delivery and outcomes. The department shall establish statewide procedures for the operation of regional advisory committees including mechanisms for advisory board feedback to the department regarding regional support network performance. Composition and length of terms of board members may differ between regional support networks but shall be included in each regional support network's contract and approved by the secretary.

(9) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary.

Sec. 110. RCW 71.24.300 and 2014 c 225 s 39 are each amended to read as follows:

(1) Upon the request of a tribal authority or authorities within a behavioral health organization the joint operating agreement or the county authority shall allow for the inclusion of the tribal authority to be represented as a party to the behavioral health organization.

(2) The roles and responsibilities of the county and tribal authorities shall be determined by the terms of that agreement including a determination of membership on the governing board and advisory committees, the number of tribal representatives to be party to the agreement, and the provisions of law and shall assure the provision of culturally competent services to the tribes served.

(3) The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under behavioral health organizations by rule, except to assure that all duties required of behavioral health organizations are assigned and that counties and the behavioral health organization do not duplicate functions and that a single authority has final responsibility for all available resources and performance under the behavioral health organization's contract with the secretary.

(4) If a behavioral health organization is a private entity, the department shall allow for the inclusion of the tribal authority to be represented as a party to the behavioral health organization.

(5) The roles and responsibilities of the private entity and the tribal authorities shall be determined by the department, through negotiation with the tribal authority.

(6) Behavioral health organizations shall submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties:

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

Behavioral health organizations may contract to purchase evaluation and treatment services from other organizations if they are unable to provide for appropriate resources within their boundaries. Insofar as the original intent of serving persons in the community is maintained, the secretary is authorized to approve exceptions on a case-by-case basis to the requirement to provide evaluation and treatment services within the boundaries of each behavioral health organization. Such exceptions are limited to:

(i) Contracts with neighboring or contiguous regions; or

(ii) Individuals detained or committed for periods up to seventeen days at the state hospitals at the discretion of the secretary.

(e) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(7) A behavioral health organization may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the persons with mental illness and which is within the boundaries of a behavioral health organization be made available to support the operations of the behavioral health organization. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(8) Each behavioral health organization shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter, provide local oversight regarding the activities of the behavioral health organization, and work with the behavioral health organization to resolve significant concerns regarding service delivery and outcomes. The department shall establish statewide procedures for the operation of regional advisory committees including mechanisms for advisory board feedback to the department regarding behavioral health organization performance. The composition of the board shall be broadly representative of the demographic character of the region and shall include, but not be limited to, representatives of consumers and families, law enforcement, and where the county is not the behavioral health organization, county elected officials. (9) Behavioral health organizations shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary.

(10) Behavioral health organizations may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. fully integrated with the behavioral health organization six-year operating and capital plan, timeline, and budget required by subsection (6) of this section.

NEW SECTION. Sec. 111. A new section is added to chapter 71.24 RCW to read as follows:

(3) A designated mental health professional who submits an application for a single bed certification for treatment at a facility which is willing and able to provide timely and appropriate mental health treatment, or medical treatment to an individual with a co-occurring mental disorder and medical condition, in good faith belief that the single bed certification is appropriate may presume that the single bed certification will be approved for the purpose of completing the detention process and responding to other emergency calls.

(4) The department may adopt rules implementing this section and continue to enforce rules it has already adopted except where inconsistent with this section.

For purposes of (a) of this subsection, time spent in a mental health facility or in confinement as a result of a criminal conviction is excluded from the thirty-six month calculation;

(47) "Medical clearance" means a physician or other health care provider has determined that a person is medically stable and ready for referral to the designated mental health professional.

Sec. 203. RCW 71.05.150 and 2011 c 148 s 5 are each amended to read as follows:

(1)(a) When a designated mental health professional receives information alleging that a person, as a result of a mental

disorder: (i) Presents a likelihood of serious harm; ~~((or))~~ (ii) is gravely disabled; or (iii) is in need of assisted outpatient treatment; the designated mental health professional may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention or outpatient evaluation, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention or outpatient evaluation. If the petition is filed solely on the grounds that the person is in need of assisted outpatient treatment, the petition may only be for outpatient evaluation. If the petition is for assisted outpatient treatment, and the person is being held in a hospital emergency department, the person may be released once the hospital has satisfied federal and state legal requirements for appropriate screening and stabilization of patients.

(b) Before filing the petition, the designated mental health professional must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, or triage facility.

(2)(a) An order to detain to a designated evaluation and treatment facility for not more than a seventy-two-hour evaluation and treatment period, or for an outpatient evaluation, may be issued by a judge of the superior court upon request of a designated mental health professional, whenever it appears to the satisfaction of a judge of the superior court:

(i) That there is probable cause to support the petition; and

(ii) That the person has refused or failed to accept appropriate evaluation and treatment voluntarily.

(b) The petition for initial detention or outpatient evaluation, signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in determining whether there are sufficient grounds for issuing the order.

(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(3) The designated mental health professional shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order together with a notice of rights, and a petition for initial detention or outpatient evaluation. After service on such person the designated mental health professional shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility and the designated attorney. The designated mental health professional shall notify the court and the prosecuting attorney that a probable cause hearing will be held within seventy-two hours of the date and time of outpatient evaluation or admission to the evaluation and treatment facility. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated mental health professional may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator,

if any, a copy of the original order together with a notice of rights and a petition for initial detention.

Sec. 204. RCW 71.05.156 and 2013 c 334 s 2 are each amended to read as follows:

A designated mental health professional who conducts an evaluation for imminent likelihood of serious harm or imminent danger because of being gravely disabled under RCW 71.05.153 must also evaluate the person under RCW 71.05.150 for likelihood of serious harm or grave disability that does not meet the imminent standard for emergency detention, and determine whether the person is in need of assisted outpatient treatment.

Sec. 205. RCW 71.05.212 and 2010 c 280 s 2 are each amended to read as follows:

(1) Whenever a designated mental health professional or professional person is conducting an evaluation under this chapter, consideration shall include all reasonably available information from credible witnesses and records regarding:

(a) Prior recommendations for evaluation of the need for civil commitments when the recommendation is made pursuant to an evaluation conducted under chapter 10.77 RCW;

(b) Historical behavior, including history of one or more violent acts;

(c) Prior determinations of incompetency or insanity under chapter 10.77 RCW; and

(d) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords, neighbors, or others with significant contact and history of involvement with the person. If the designated mental health professional relies upon information from a credible witness in reaching his or her decision to detain the individual, then he or she must provide contact information for any such witness to the prosecutor. The designated mental health professional or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts;

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and

(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated mental health professional or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

Sec. 206. RCW 71.05.230 and 2011 c 343 s 9 are each amended to read as follows:

A person detained or committed for seventy-two hour evaluation and treatment may be ~~((detained))~~ committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative to involuntary intensive treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the agency or facility providing evaluation services has analyzed the person's condition and finds that the condition is caused by mental disorder and ~~((either))~~ results in a likelihood of serious harm, ~~((or))~~ results in the ~~((detained))~~ person being gravely disabled, or results in the

person being in need of assisted outpatient treatment, and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(3) The facility providing intensive treatment is certified to provide such treatment by the department; and

(4) The professional staff of the agency or facility or the designated mental health professional has filed a petition for fourteen day involuntary detention or a ninety day less restrictive alternative with the court. The petition must be signed either by:

(a) Two physicians;

(b) One physician and a mental health professional;

(c) Two psychiatric advanced registered nurse practitioners;

(d) One psychiatric advanced registered nurse practitioner and a mental health professional; or

(e) A physician and a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person. If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm, ~~((or))~~ is gravely disabled, or is in need of assisted outpatient treatment, and shall set forth the less restrictive alternative proposed by the facility; and

(5) A copy of the petition has been served on the detained person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated mental health professional may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide outpatient treatment is other than the facility providing involuntary treatment, the outpatient facility so designated has agreed to assume such responsibility.

Sec. 207. RCW 71.05.240 and 2009 c 293 s 4 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention of such person as determined in RCW 71.05.180. If requested by the detained person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

(2) The court at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230

will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) At the conclusion of the probable cause hearing(~~(-if the court finds by a preponderance of the evidence that))~~);

(a) If the court finds by a preponderance of the evidence that such person, as the result of mental disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department. If the court finds that such person, as the result of a mental disorder, presents a likelihood of serious harm, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive course of treatment for not to exceed ninety days;

(b) If the court finds by a preponderance of the evidence that such person, as the result of a mental disorder, is in need of assisted outpatient treatment, and that the person does not present a likelihood of serious harm or grave disability, the court shall order an appropriate less restrictive course of treatment not to exceed ninety days, and may not order inpatient treatment.

(4) The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310. The court shall also state to the person and provide written notice that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

Sec. 208. RCW 71.05.245 and 2010 c 280 s 3 are each amended to read as follows:

(1) In making a determination of whether a person is gravely disabled ~~((or))~~, presents a likelihood of serious harm, or is in need of assisted outpatient treatment in a hearing conducted under RCW 71.05.240 or 71.05.320, the court must consider the symptoms and behavior of the respondent in light of all available evidence concerning the respondent's historical behavior.

(2) Symptoms or behavior which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient treatment, when: (a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts; (b) these symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and (c) without treatment, the continued deterioration of the respondent is probable.

(3) In making a determination of whether there is a likelihood of serious harm in a hearing conducted under RCW 71.05.240 or 71.05.320, the court shall give great weight to any evidence before the court regarding whether the person has: (a) A recent history of one or more violent acts; or (b) a recent history of one or more commitments under this chapter or its equivalent provisions under the laws of another state which were based on a likelihood of serious harm. The existence of prior violent acts or commitments under this chapter or its equivalent shall not be the sole basis for determining whether a person presents a likelihood of serious harm.

FIFTY SECOND DAY, MARCH 4, 2015

2015 REGULAR SESSION

For the purposes of this subsection "recent" refers to the period of time not exceeding three years prior to the current hearing.

Sec. 209. RCW 71.05.280 and 2013 c 289 s 4 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be confined for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of mental disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of mental disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled; or

(5) Such person is in need of assisted outpatient treatment.

Sec. 210. RCW 71.05.320 and 2013 c 289 s 5 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment in a facility certified for one hundred eighty day treatment by the department.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the grounds set forth in RCW 71.05.280(5) provide the only basis for commitment, the court must order an appropriate less restrictive course of treatment not to exceed ninety days, and may not order inpatient treatment.

(3) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or

professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of mental disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder or developmental disability a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty day period whenever the petition presents prima facie evidence that the person continues to suffer from a mental disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the mental disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

~~(4) ((For a person committed under subsection (2) of this section who has been remanded to a period of less restrictive treatment, in addition to the grounds specified in subsection (3) of this section, the designated mental health professional may file a new petition for continued less restrictive treatment if:~~

~~(a) The person was previously committed by a court to detention for involuntary mental health treatment during the thirty-six months that preceded the person's initial detention date during the current involuntary commitment cycle, excluding any time spent in a mental health facility or in confinement as a result of a criminal conviction;~~

~~(b) In view of the person's treatment history or current behavior, the person is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive treatment; and~~

~~(c) Outpatient treatment that would be provided under a less restrictive treatment order is necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.~~

~~(5))~~ A new petition for involuntary treatment filed under subsection (3) ~~((or (4))~~) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is

shown for a change of venue. The cost of the proceedings shall be borne by the state.

~~((6))~~ (5) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. If the court's order is based solely on the grounds identified in subsection (3)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days, and may not enter an order for inpatient treatment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. However, a commitment solely on the grounds identified in subsection (3)(e) of this section is not permissible under subsection ~~((4))~~ (3) of this section if: (i) Thirty-six months have passed since the last date of discharge from detention for inpatient treatment that preceded the current less restrictive alternative order, ~~((nor shall a commitment under subsection (4) of this section be permissible if))~~ or (ii) the likelihood of serious harm ~~((in subsection (4)(e) of this section))~~ as described in RCW 71.05.020(4)(c) is based solely on harm to the property of others.

~~((7))~~ (6) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

PART III: MISCELLANEOUS

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there are currently no alternatives to competency restoration provided in the state hospitals. Subject to the availability of amounts appropriated for this specific purpose, the legislature encourages

FIFTY SECOND DAY, MARCH 4, 2015

the department of social and health services to develop, on a phased-in basis, alternative locations and increased access to competency restoration services under chapter 10.77 RCW for individuals who do not require in-patient psychiatric hospitalization level services.

Sec. 2. RCW 10.77.084 and 2012 c 256 s 5 are each amended to read as follows:

(1)(a) If at any time during the pendency of an action and prior to judgment the court finds, following a report as provided in RCW 10.77.060, a defendant is incompetent to stand trial, the court shall order the proceedings against the defendant be stayed except as provided in subsection (4) of this section.

(b) The court may order a defendant who has been found to be incompetent to stand trial to undergo competency restoration treatment at a facility designated by the department if the defendant is eligible under RCW 10.77.086 or 10.77.088. At the end of ((the mental health treatment and) each competency restoration period((- if any-)) or at any time a professional person determines competency has been, or is unlikely to be, restored, the facility shall return the defendant ((shall be returned)) to court for a hearing((-)), except that if the opinion of the professional person is that the defendant remains incompetent and the hearing is held before the expiration of the current competency restoration period, the parties may agree to waive the defendant's presence ((or)) to remote participation by the defendant at a hearing, or to presentation of an agreed order ((if the recommendation of the evaluator is for the continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to expiration of the defendant's authorized period of commitment, in which case)) in lieu of a hearing. The ((department)) facility shall promptly notify the court and all parties of the date ((of the defendant's admission and expiration of commitment)) on which the competency restoration period commences and expires so that a timely hearing date may be scheduled.

(c) If, ~~((after))~~ following notice and hearing((-)) or entry of an agreed order under (b) of this subsection, the court finds that competency has been restored, the court shall lift the stay entered under (a) of this subsection ~~((shall be lifted))~~. If the court finds that competency has not been restored, the court shall dismiss the proceedings ~~((shall be dismissed))~~ without prejudice~~((If the court concludes that competency has not been restored, but))~~, except that the court may order a further period of competency restoration treatment if it finds that further treatment within the time limits established by RCW 10.77.086 or 10.77.088 is likely to restore competency, ~~((the court may order that treatment for purposes of competency restoration be continued. Such treatment may not extend beyond the combination of time provided for in))~~ and a further period of treatment is allowed under RCW 10.77.086 or 10.77.088.

~~((or))~~ (d) If at any time during the proceeding the court finds, following notice and hearing, a defendant is not likely to regain competency, the court shall dismiss the proceedings ~~((shall be dismissed))~~ without prejudice and refer the defendant ~~((shall be evaluated))~~ for civil commitment evaluation or proceedings if appropriate under RCW 10.77.065, 10.77.086, or 10.77.088.

(2) If the defendant is referred for evaluation by a designated mental health professional under this chapter, the designated mental health professional shall provide prompt written notification of the results of the evaluation and whether the person was detained. The notification shall be provided to the court in which the criminal action was pending, the prosecutor, the defense attorney in the criminal action, and the facility that evaluated the defendant for competency.

2015 REGULAR SESSION

(3) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(4) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables the defendant to understand the proceedings against him or her and to assist in his or her own defense, or does not disable him or her from so understanding and assisting in his or her own defense.

(5) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of evaluation which meets the requirements of RCW 10.77.060(3). For defendants charged with a felony, the report following the second competency restoration period or first competency restoration period if the defendant's incompetence is determined to be solely due to a developmental disability or the evaluator concludes that the defendant is not likely to regain competency must include an assessment of the defendant's future dangerousness which is evidence-based regarding predictive validity.

Sec. 3. RCW 10.77.086 and 2013 c 289 s 2 are each amended to read as follows:

(1)(a)(i) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, ~~((or has been determined unlikely to regain competency pursuant to RCW 10.77.084(1)(b-)))~~ but in any event for a period of no longer than ninety days, the court:

~~((or))~~ (A) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment; or

~~((or))~~ (B) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person. The facilities may include community mental health providers or other local facilities that contract with the department and are willing and able to provide treatment under this section. During the 2015-2017 fiscal biennium, the department may contract with one or more cities or counties to provide competency restoration services in a city or county jail if the city or county jail is willing and able to serve as a location for competency restoration services and if the secretary determines that there is an emergent need for beds and documents the justification, including a plan to address the emergency. Patients receiving competency restoration services in a city or county jail must be physically separated from other populations at the jail, must interact only with treatment staff and not jail staff, and must be provided as much as possible with a therapeutic environment.

(ii) The ninety day period for evaluation and treatment under this subsection (1) includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

(b) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial period of commitment for competency restoration is forty-five days. The forty-five day period includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

(c) If the court determines that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo restoration treatment, in which case the court shall order that the defendant

be referred for evaluation for civil commitment in the manner provided in subsection (4) of this section.

(2) On or before expiration of the initial period of commitment under subsection (1) of this section the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a defendant charged with a felony is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional period of ninety days, but the court must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second restoration period. The defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third restoration period as provided in subsection (4) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension. The ninety-day period includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

(4) For persons charged with a felony, at the hearing upon the expiration of the second restoration period or at the end of the first restoration period, in the case of a defendant with a developmental disability, if the jury or court finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and the court shall order the defendant be committed to a state hospital as defined in RCW 72.23.010 for up to seventy-two hours starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. The criminal charges shall not be dismissed if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months. The six-month period includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

Sec. 4. RCW 10.77.088 and 2007 c 375 s 5 are each amended to read as follows:

(1)(a) If the defendant is charged with a nonfelony crime which is a serious offense as identified in RCW 10.77.092 and found by the court to be not competent, then the court (~~shall order the secretary to place the defendant~~):

(i) (~~At a secure mental health facility in the custody of the department or an agency designated by the department for mental health treatment and restoration of competency.~~) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment;

(ii) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person. The facilities may include community mental health providers or other local facilities that contract with the department and are willing and able to provide treatment under this section. During the 2015-2017 fiscal biennium, the department may contract with one or more cities or counties to provide competency restoration services in a city or county jail if the city or county jail is willing and able to serve as a location for

competency restoration services and if the secretary determines that there is an emergent need for beds and documents the justification, including a plan to address the emergency. Patients receiving competency restoration services in a city or county jail must be physically separated from other populations at the jail, must interact only with treatment staff and not jail staff, and must be provided as much as possible with a therapeutic environment. The placement under (a)(i) and (ii) of this subsection shall not exceed fourteen days in addition to any unused time of the evaluation under RCW 10.77.060. The court shall compute this total period and include its computation in the order. The fourteen-day period plus any unused time of the evaluation under RCW 10.77.060 shall be considered to include only the time the defendant is actually at the facility and shall be in addition to reasonable time for transport to or from the facility;

~~((#)))~~ (iii) May alternatively order that the defendant be placed on conditional release for up to ninety days for mental health treatment and restoration of competency; or

~~((###)))~~ (iv) May order any combination of this subsection.

(b) If the court has determined that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in (c) of this subsection.

(c)(i) If the proceedings are dismissed under RCW 10.77.084 and the defendant was on conditional release at the time of dismissal, the court shall order the designated mental health professional within that county to evaluate the defendant pursuant to chapter 71.05 RCW. The evaluation may be conducted in any location chosen by the professional.

(ii) If the defendant was in custody and not on conditional release at the time of dismissal, the defendant shall be detained and sent to an evaluation and treatment facility for up to seventy-two hours, excluding Saturdays, Sundays, and holidays, for evaluation for purposes of filing a petition under chapter 71.05 RCW. The seventy-two-hour period shall commence upon the next nonholiday weekday following the court order and shall run to the end of the last nonholiday weekday within the seventy-two-hour period.

(2) If the defendant is charged with a nonfelony crime that is not a serious offense as defined in RCW 10.77.092:

The court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the designated mental health professional to evaluate the defendant and consider initial detention proceedings under chapter 71.05 RCW. The court must give notice to all parties at least twenty-four hours before the dismissal of any proceeding under this subsection, and provide an opportunity for a hearing on whether to dismiss the proceedings.

Sec. 5. RCW 10.77.091 and 2010 c 263 s 2 are each amended to read as follows:

(1) If the secretary determines in writing that a person committed to the custody of the secretary for treatment as criminally insane presents an unreasonable safety risk which, based on behavior, clinical history, and facility security is not manageable in a state hospital setting, the secretary may place the person in any secure facility operated by the secretary or the secretary of the department of corrections. Any person affected by this provision shall receive appropriate mental health treatment governed by a formalized treatment plan targeted at mental health rehabilitation needs and shall be afforded his or her rights under RCW 10.77.140, 10.77.150, and 10.77.200. The secretary of the department of social and health services shall retain legal custody of any person placed under this section and review any placement outside of a department mental health hospital every three months, or sooner if warranted by the

person's mental health status, to determine if the placement remains appropriate.

(2) Beginning December 1, 2010, and every six months thereafter, the secretary shall report to the governor and the appropriate committees of the legislature regarding the use of the authority under this section to transfer persons to a secure facility. The report shall include information related to the number of persons who have been placed in a secure facility operated by the secretary or the secretary of the department of corrections, and the length of time that each such person has been in the secure facility.

~~((3) This section expires June 30, 2015.)~~

Sec. 6. RCW 10.77.220 and 1982 c 112 s 3 are each amended to read as follows:

No person who is criminally insane confined pursuant to this chapter shall be incarcerated in a state correctional institution or facility ~~(: PROVIDED, That nothing herein shall prohibit)~~. This section does not apply to confinement in a mental health facility located wholly within a correctional institution. Confinement of a person who is criminally insane in a county jail or other local facility while awaiting either placement in a treatment program or a court hearing pursuant to this chapter is permitted for no more than seven days.

NEW SECTION. Sec. 7. A new section is added to chapter 10.77 RCW to read as follows:

(1) If the defendant is charged with a nonfelony offense, and the issue of competency to stand trial is raised by the court or a party under RCW 10.77.060, the prosecutor may continue with the competency process or dismiss the charges without prejudice and refer the defendant for assessment by a mental health professional, chemical dependency professional, or developmental disabilities professional to determine the appropriate service needs for the defendant.

(2) This section does not apply to defendants with a current charge or prior conviction for a serious violent offense or sex offense as defined in RCW 9.94A.030.

NEW SECTION. Sec. 8. A new section is added to chapter 10.77 RCW to read as follows:

(1) In order to prioritize goals of accuracy, prompt service to the court, quality assurance, and integration with other services, an office of forensic mental health services is established within the department of social and health services. The office shall be led by a director on at least the level of deputy assistant secretary within the department who shall, after a reasonable period of transition, have responsibility for the following functions:

(a) Operational control of all forensic evaluation services, including specific budget allocation;

(b) Responsibility for training forensic evaluators;

(c) Development of a system to certify forensic evaluators, and to monitor the quality of forensic evaluation reports;

(f) Promotion of congruence across state hospitals where appropriate, and promotion of interventions that flow smoothly into community interventions;

(g) Coordination with regional support networks, behavioral health organizations, community mental health agencies, and the department of corrections regarding community treatment and monitoring of persons on conditional release;

(h) Oversight of forensic data collection and analysis statewide, and appropriate dissemination of data trends and recommendations; and

(i) Oversight of the development, implementation, and maintenance of community forensic programs and services.

(2) The office of forensic mental health services must have a clearly delineated budget separate from the overall budget for state hospital services.

Sec. 9. RCW 71.05.235 and 2008 c 213 s 5 are each amended to read as follows:

(1) If an individual is referred to a designated mental health professional under RCW 10.77.088(1)~~((b))~~ (c)(i), the designated mental health professional shall examine the individual within forty-eight hours. If the designated mental health professional determines it is not appropriate to detain the individual or petition for a ninety-day less restrictive alternative under RCW 71.05.230(4), that decision shall be immediately presented to the superior court for hearing. The court shall hold a hearing to consider the decision of the designated mental health professional not later than the next judicial day. At the hearing the superior court shall review the determination of the designated mental health professional and determine whether an order should be entered requiring the person to be evaluated at an evaluation and treatment facility. No person referred to an evaluation and treatment facility may be held at the facility longer than seventy-two hours.

(2) If an individual is placed in an evaluation and treatment facility under RCW 10.77.088(1)~~((b))~~ (c)(ii), a professional person shall evaluate the individual for purposes of determining whether to file a ninety-day inpatient or outpatient petition under chapter 71.05 RCW. Before expiration of the seventy-two hour evaluation period authorized under RCW 10.77.088(1)~~((b))~~ (c)(ii), the professional person shall file a petition or, if the recommendation of the professional person is to release the individual, present his or her recommendation to the superior court of the county in which the criminal charge was dismissed. The superior court shall review the recommendation not later than forty-eight hours, excluding Saturdays, Sundays, and holidays, after the recommendation is presented. If the court rejects the recommendation to unconditionally release the individual, the court may order the individual detained at a designated evaluation and treatment facility for not more than a seventy-two hour evaluation and treatment period and direct the individual to appear at a surety hearing before that court within seventy-two hours, or the court may release the individual but direct the individual to appear at a surety hearing set before that court within eleven days, at which time the prosecutor may file a petition under this chapter for ninety-day inpatient or outpatient treatment. If a petition is filed by the prosecutor, the court may order that the person named in the petition be detained at the evaluation and treatment facility that performed the evaluation under this subsection or order the respondent to be in outpatient treatment. If a petition is filed but the individual fails to appear in court for the surety hearing, the court shall order that a mental health professional or peace officer shall take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility to be brought before the court the next judicial day after detention. Upon the individual's first appearance in court after a petition has been filed, proceedings under RCW 71.05.310 and 71.05.320 shall commence. For an individual subject to this subsection, the prosecutor or professional person may directly file a petition for ninety-day inpatient or outpatient treatment and no petition for initial detention or fourteen-day detention is required before such a petition may be filed.

The court shall conduct the hearing on the petition filed under this subsection within five judicial days of the date the petition is filed. The court may continue the hearing upon the written request of the person named in the petition or the person's attorney, for good cause shown, which continuance shall not exceed five additional judicial days. If the person named in the petition requests a jury trial, the trial shall commence within ten judicial days of the date of the filing of the petition. The burden of proof shall be by clear, cogent, and convincing evidence and shall be upon the petitioner. The person shall be present at such proceeding, which shall in all respects accord with the constitutional guarantees of due process of law and the rules of evidence pursuant to RCW 71.05.360 (8) and (9).

During the proceeding the person named in the petition shall continue to be detained and treated until released by order of the court. If no order has been made within thirty days after the filing of the petition, not including any extensions of time requested by the detained person or his or her attorney, the detained person shall be released.

(3) If a designated mental health professional or the professional person and prosecuting attorney for the county in which the criminal charge was dismissed or attorney general, as appropriate, stipulate that the individual does not present a likelihood of serious harm or is not gravely disabled, the hearing under this section is not required and the individual, if in custody, shall be released.

(4) The individual shall have the rights specified in RCW 71.05.360 (8) and (9).

Sec. 10. RCW 10.77.065 and 2014 c 10 s 3 are each amended to read as follows:

(1)(a)(i) The expert conducting the evaluation shall provide his or her report and recommendation to the court in which the criminal proceeding is pending. For a competency evaluation of a defendant who is released from custody, if the evaluation cannot be completed within twenty-one days due to a lack of cooperation by the defendant, the evaluator shall notify the court that he or she is unable to complete the evaluation because of such lack of cooperation.

(ii) A copy of the report and recommendation shall be provided to the designated mental health professional, the prosecuting attorney, the defense attorney, and the professional person at the local correctional facility where the defendant is being held, or if there is no professional person, to the person designated under (a)(iv) of this subsection. Upon request, the evaluator shall also provide copies of any source documents relevant to the evaluation to the designated mental health professional.

(iii) Any facility providing inpatient services related to competency shall discharge the defendant as soon as the facility determines that the defendant is competent to stand trial. Discharge shall not be postponed during the writing and distribution of the evaluation report. Distribution of an evaluation report by a facility providing inpatient services shall ordinarily be accomplished within two working days or less following the final evaluation of the defendant. If the defendant is discharged to the custody of a local correctional facility, the local correctional facility must continue the medication regimen prescribed by the facility, when clinically appropriate, unless the defendant refuses to cooperate with medication and an involuntary medication order by the court has not been entered.

(iv) If there is no professional person at the local correctional facility, the local correctional facility shall designate a professional person as defined in RCW 71.05.020 or, in cooperation with the regional support network, a professional person at the regional support network to receive the report and recommendation.

(v) Upon commencement of a defendant's evaluation in the local correctional facility, the local correctional facility must notify the evaluator of the name of the professional person, or person designated under (a)(iv) of this subsection, to receive the report and recommendation.

(b) If the evaluator concludes, under RCW 10.77.060(3)(f), the person should be evaluated by a designated mental health professional under chapter 71.05 RCW, the court shall order such evaluation be conducted prior to release from confinement when the person is acquitted or convicted and sentenced to confinement for twenty-four months or less, or when charges are dismissed pursuant to a finding of incompetent to stand trial.

(2) The designated mental health professional shall provide written notification within twenty-four hours of the results of the determination whether to commence proceedings under chapter 71.05 RCW. The notification shall be provided to the persons identified in subsection (1)(a) of this section.

(3) The prosecuting attorney shall provide a copy of the results of any proceedings commenced by the designated mental health professional under subsection (2) of this section to the secretary.

(4) A facility conducting a civil commitment evaluation under RCW 10.77.086(4) or 10.77.088(1)(~~(b)~~) (c)(ii) that makes a determination to release the person instead of filing a civil commitment petition must provide written notice to the prosecutor and defense attorney at least twenty-four hours prior to release. The notice may be given by electronic mail, facsimile, or other means reasonably likely to communicate the information immediately.

(5) The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services under this chapter may also be disclosed to the courts solely to prevent the entry of any evaluation or treatment order that is inconsistent with any order entered under chapter 71.05 RCW.

Sec. 11. RCW 10.77.065 and 2014 c 225 s 59 and 2014 c 10 s 3 are each reenacted and amended to read as follows:

(1)(a)(i) The expert conducting the evaluation shall provide his or her report and recommendation to the court in which the criminal proceeding is pending. For a competency evaluation of a defendant who is released from custody, if the evaluation cannot be completed within twenty-one days due to a lack of cooperation by the defendant, the evaluator shall notify the court that he or she is unable to complete the evaluation because of such lack of cooperation.

(v) Upon commencement of a defendant's evaluation in the local correctional facility, the local correctional facility must notify the evaluator of the name of the professional person, or person designated under (a)(iv) of this subsection, to receive the report and recommendation.

(b) If the evaluator concludes, under RCW 10.77.060(3)(f), the person should be evaluated by a designated mental health professional under chapter 71.05 RCW, the court shall order such evaluation be conducted prior to release from confinement when the person is acquitted or convicted and sentenced to confinement for twenty-four months or less, or when charges are dismissed pursuant to a finding of incompetent to stand trial.

PERSONAL PRIVILEGE

Senator Padden: "I just wanted to call the chamber's attention to the passing of Adele Ferguson and most of you probably don't remember her although there are a few that do. She was a pioneer newspaper woman that covered the legislature back in the 80s and 90s when I was in the other body. She was noted as being pretty tough lady but she also was a prodigious writer of articles about the legislature not only in the Bremerton Sun but also she ended up, later, having columns in weekly newspapers throughout the state of Washington. A lady that I certainly enjoyed visiting with and extremely knowledgeable but she didn't suffer fools very well. Everybody sometimes could be subject to some of her columns but I really enjoyed her and I'm sorry to hear of her passing."

PERSONAL PRIVILEGE

Senator Hargrove: "Well along with Senator Padden, I had the privilege of having Adele Ferguson write about me a few times and like, I think the best way to think about her is: She was a tough 'ol bird. She really, really, really knew her stuff and if you had an interview with her she would get it correct. But also there were a few times where maybe some of the information she initially received was maybe a little off but she'd come and talk to you and then she'd make sure that she had a story that was good and accurate. We really appreciated her tough pushing us in some places but also making sure that in fact that she was just an absolute quality journalist that I wish we had today. So, I'm also rising to bemoan the fact that she is no longer with us."

PERSONAL PRIVILEGE

Senator Angel: "This is really sad news. I'm devastated to here this. This wonderful lady covered me eight years as a County Commissioner. She never said anything really good but she never said anything bad and with Adele you always considered that a compliment. She will be very, very, very missed. The way she covered, with the integrity and, yes, the accuracy. She will be missed. Thank you."

PERSONAL PRIVILEGE

Senator Sheldon: "Thank you Mr. President. I also wanted to rise and remember Adele. You always said *Ay-del* not *Uh-del* or you were admonished. Everybody knew in that Bremerton area that you had to [Cellular phone buzzes] ... turn your phone off. [Groans] You had to get to know Adele is you were running for office. Mr. President, you were in that district and I knew you knew Adele very well. So, I went in to her office in the Sun. Very small office and everything was piled vertically so on her desk – was worse than Hargrove's desk. It was this high, with papers here and there and, of course, she had a manual typewriter, then she could type as she talked which was disconcerting. But now, 'Mr. Sheldon, why are you running for office and what do you think you can bring to Olympia?' Well, 'Nothing.' She was a person of great humor, very salty language but she could get to heart of an issue. She was very much respected and if you have a

2015 REGULAR SESSION

chance to read her book, it's very entertaining because of all the stories and all the people she knew and the great memories that we'll have of her as well because she was one of a kind."

PERSONAL PRIVILEGE

Senator Rolfes: "Thank you Mr. President. I'm a lot younger than the rest of these people and Ms. Ferguson died last night at the age of 90. She was 81 when I first ran for the state legislature and I think she covered me once in a salty way. But what I really wanted to call to the attention of the body was less about her political history which I didn't share, unlike others, but the fact that she was absolutely a pioneer. A woman who worked in a world of men and made it easier for other women to follow and a woman who encouraged other women to go into politics. You know, they don't make them like they used to and I know she leaves behind a really loving family still in our Kitsap County area and a great legacy. Thank you."

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 71A.20.180 and 2011 1st sp.s. c 30 s 6 are each amended to read as follows:

~~((1) By December 31, 2011, the department shall:~~

~~(a) Close Frances Haddon Morgan residential rehabilitation center and relocate current residents consistent with the requirements of section 7 of this act; and~~

~~(b) Establish at least two state operating living alternatives on the campus of the Frances Haddon Morgan center, if residents have chosen to receive care in such a setting and subject to federal requirements related to the receipt of federal medicaid matching funds.~~

~~((2)(a) Upon August 24, 2011, the department shall not permit any new admission to Yakima Valley School unless such admission is limited to the provision of short term respite or crisis stabilization services. Except as provided in (b) of this subsection, no current permanent resident of Yakima Valley School shall be required or compelled to relocate to a different care setting as a result of chapter 30, Laws of 2011 1st sp. sess.~~

~~((b)) (1)(a) The Yakima Valley School shall ((continue to)) operate as a residential habilitation center ((until such time that the census of permanent residents has reached sixteen persons. As part of the closure plan, at least two cottages will be converted to state operated living alternatives, subject to federal requirements related to the receipt of federal medicaid matching funds)). The Yakima Valley School must operate crisis stabilization beds and respite service beds as the capacity of the school allows and as the needs of the community require, subject to the availability of amounts appropriated for this specific purpose.~~

~~((3) To assure the successful implementation of subsections (1) and (2) of this section,)) (2) The department, within available funds:~~

~~(a) Shall establish state-operated living alternatives, within funds specifically provided in the omnibus appropriations act, to provide community residential services to residential habilitation center residents transitioning to the community under chapter 30, Laws of 2011 1st sp. sess. who prefer a state-operated living alternative. ~~((d)) Shall establish up to eight state-staffed crisis stabilization beds and up to eight state-staffed respite beds based upon funding provided in the omnibus appropriations act and the geographic areas with the greatest need for those services; ((and~~

~~((e)) (d) Shall establish regional or mobile specialty services evenly distributed throughout the state, such as dental care,~~

physical therapy, occupational therapy, and specialized nursing care, which can be made available to former residents of residential habilitation centers and, within available funds, other individuals with developmental disabilities residing in the community; and

Senators Keiser, Honeyford and Rolfes spoke in favor of adoption of the striking amendment.

Senators Angel and Chase spoke against adoption of the striking amendment.

POINT OF INQUIRY

Senator Roach: "Would Senator Keiser yield to a question? I'm reading it. It says 'As of the effective date of this section, no new long term admissions are permitted.' So what I don't understand is we're going to beef everything up and make it nicer and then not allow any more to come in? I don't understand."

Senator Keiser: "The current policy is to not place long term clients at the RHCs [residential habilitation centers]. That is current policy. This does not change current policy. It restates it. But what we don't have enough of are crisis services and respite services for families with DD [developmentally disabled] children, sometimes adult children, and those families need support. I think we can use these facilities for family support services and enhance services in many ways perhaps for mental health services as well. We'll be working together, I know, as we develop new approaches to these, what used to be called, 'institutions' but they could become communities."

Senators Hargrove and Frockt spoke in favor of adoption of the striking amendment.

The President declared the question before the Senate to be the adoption of the striking amendment by Senators Honeyford and Keiser to Second Substitute Senate Bill No. 5243.

The motion by Senator Keiser carried and the striking amendment was adopted by voice vote.

MOTION

There being no objection, the following title amendment was adopted:

On page 1, line 2 of the title, after "centers;" strike the remainder of the title and insert "and amending RCW 71A.20.180."

MOTION

On motion of Senator Honeyford, the rules were suspended, Engrossed Second Substitute Senate Bill No. 5243 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Senator Honeyford spoke in favor of passage of the bill.

The President declared the question before the Senate to be the final passage of Engrossed Second Substitute Senate Bill No. 5243.

(3) The K-12 data governance group shall:

(a) Develop a detailed data security plan and procedures to govern the use and maintenance of data systems, including ensuring the use of appropriate administrative, physical, and technical safeguards for electronic and physical personally identifiable student-level data at the state level; and develop a model plan consistent with this chapter for school districts to use to safeguard personally identifiable student-level data at the school district level;

(b) Identify the critical research and policy questions that need to be addressed by the K-12 education data improvement system;

~~((b))~~ (c) Identify reports and other information that should be made available on the internet in addition to the reports identified in subsection (5) of this section;

~~((e))~~ (f) Focus on financial and cost data necessary to support the new K-12 financial models and funding formulas, including any necessary changes to school district budgeting and accounting, and on assuring the capacity to link data across financial, student, and educator systems; and

Strong

consideration must be made to the current practice and cost of migration to new requirements. The operating rules should delineate the coordination, delegation, and escalation authority for data collection issues, business rules, and performance goals for each K-12 data collection system, including:

(i) Defining and maintaining standards for privacy and confidentiality;

(ii) Setting data collection priorities;

Nothing in RCW 43.41.400, this section, or RCW 28A.655.210 should be construed to require that a data dictionary or reporting should be hobbled to the lowest common set. The work of the K-12 data governance group must specify which data are desirable. Districts that can meet these requirements shall report the desirable data. Funding from the legislature must establish which subset data are absolutely required.

(4)(a) The K-12 data governance group shall provide updates on its work as requested by the education data center and the legislative evaluation and accountability program committee.

(b) The work of the K-12 data governance group shall be periodically reviewed and monitored by the educational data center and the legislative evaluation and accountability program committee.

(5) To the extent data is available, the office of the superintendent of public instruction shall make the following minimum reports available on the internet. The reports must either be run on demand against current data, or, if a static report, must have been run against the most recent data:

(a) The percentage of data compliance and data accuracy by school district;

(b) The magnitude of spending per student, by student estimated by the following algorithm and reported as the detailed summation of the following components:

(i) An approximate, prorated fraction of each teacher or human resource element that directly serves the student. Each human resource element must be listed or accessible through online tunneling in the report;

(ii) An approximate, prorated fraction of classroom or building costs used by the student;

(iii) An approximate, prorated fraction of transportation costs used by the student; and

(iv) An approximate, prorated fraction of all other resources within the district. District-wide components should be disaggregated to the extent that it is sensible and economical;

(d) The cost of K-12 special education services per student, by student receiving those services, by school district, estimated by the algorithm in (b) of this subsection, and reported in the same manner as required in (b) of this subsection;

(e) Improvement on the statewide assessments computed as both a percentage change and absolute change on a scale score metric by district, by school, and by teacher that can also be filtered by a student's length of full-time enrollment within the school district;

(f) Number of K-12 students per classroom teacher on a per teacher basis;

FIFTY SECOND DAY, MARCH 4, 2015

2015 REGULAR SESSION

(g) Number of K-12 classroom teachers per student on a per student basis;

(h) Percentage of a classroom teacher per student on a per student basis; and

(6) The superintendent of public instruction shall submit a preliminary report to the legislature by November 15, 2009, including the analyses by the K-12 data governance group under subsection (3) of this section and preliminary options for addressing identified gaps. A final report, including a proposed phase-in plan and preliminary cost estimates for implementation of a comprehensive data improvement system for financial, student, and educator data shall be submitted to the legislature by September 1, 2010.

(7) All reports and data referenced in this section and RCW 43.41.400 and 28A.655.210 shall be made available in a manner consistent with the technical requirements of the legislative evaluation and accountability program committee and the education data center so that selected data can be provided to the legislature, governor, school districts, and the public.

(8) Reports shall contain data to the extent it is available. All reports must include documentation of which data are not available or are estimated. Reports must not be suppressed because of poor data accuracy or completeness. Reports may be accompanied with documentation to inform the reader of why some data are missing or inaccurate or estimated.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.310 RCW to read as follows:

(f) The provisions of this subsection (1) shall not apply to use or disclosure of personally identifiable student-level data by a private contractor or vendor to a service provider, provided the private contractor or vendor:

(i) Prohibits the service provider from using any personally identifiable student-level data for any purpose other than providing the contracted service to, or on behalf of, the private

contractor or vendor for the educational purposes for which such data was originally disclosed to the private contractor or vendor;
