"NEW SECTION  Sec. 1. SHORT TITLE. This act may be known and cited as the revised uniform fiduciary access to digital assets act.

NEW SECTION  Sec. 2. DEFINITIONS. In this chapter:
(1) “Account” means an arrangement under a terms-of-service agreement in which a custodian carries, maintains, processes, receives, or stores a digital asset of the user or provides goods or services to the user.
(2) “Agent” means an attorney in fact granted authority under a durable or nondurable power of attorney.
(3) “Carries” means engages in the transmission of an electronic communication.
(4) “Catalogue of electronic communications” means information that identifies each person with which a user has had an electronic communication, the time and date of the communication, and the electronic address of the person.
(5) “Content of an electronic communication” means information concerning the substance or meaning of the communication which:
(a) Has been sent or received by a user;
(b) Is in electronic storage by a custodian providing an electronic communication service to the public or is carried or maintained by a custodian providing a remote computing service to the public; and
(c) Is not readily accessible to the public.
(6) “Court” means the superior court of each county.
(7) “Custodian” means a person that carries, maintains, processes, receives, or stores a digital asset of a user.
(8) “Designated recipient” means a person chosen by a user using an online tool to administer digital assets of the user."
NEW SECTION. Sec. 4. USER DIRECTION FOR DISCLOSURE OF DIGITAL ASSETS. (1) A user may use an online tool to direct the custodian to disclose to a designated recipient or not to disclose some or all of the user's digital assets, including the content of electronic communications. If the online tool allows the user to modify or delete a direction at all times, a direction regarding disclosure using an online tool overrides a contrary direction by the user in a will, trust, power of attorney, or other record.

(2) If a user has not used an online tool to give direction under subsection (1) of this section or if the custodian has not provided an online tool, the user may allow or prohibit in a will, trust, power of attorney, or other record, disclosure to a fiduciary of some or all of the user's digital assets, including the content of electronic communications sent or received by the user.

(3) A user's direction under subsection (1) or (2) of this section overrides a contrary provision in a terms-of-service agreement that does not require the user to act affirmatively and distinctly from the user's assent to the terms-of-service agreement.

NEW SECTION. Sec. 5. TERMS-OF-SERVICE AGREEMENT. (1) This chapter does not change or impair a service agreement if the user has not provided a fiduciary or designated recipient any new or expanded rights other than those held by the user, for whom, or for whose estate, the fiduciary or designated recipient acts or represents.

(3) A fiduciary's or designated recipient's access to digital assets may be modified or eliminated by a user, by federal law, or by a terms-of-service agreement if the user has not provided direction under section 4 of this act.

NEW SECTION. Sec. 6. PROCEDURE FOR DISCLOSING DIGITAL ASSETS. (1) When disclosing digital assets of a user under this chapter, the custodian may at its sole discretion:

(a) Grant a fiduciary or designated recipient full access to the user's account;

(b) Grant a fiduciary or designated recipient partial access to the user's account sufficient to perform the tasks with which the fiduciary or designated recipient is charged; or

(c) Provide a fiduciary or designated recipient a copy in a record of any digital asset that, on the date the custodian received the request for disclosure, the user could have accessed if the user were alive and had full capacity and access to the account.

(2) A custodian may assess a reasonable administrative charge for the cost of disclosing digital assets under this chapter.

(3) A custodian need not disclose under this chapter a digital asset deleted by a user.

(4) If a user directs or a fiduciary requests a custodian to disclose under this chapter some, but not all, of the user's digital assets, the custodian need not disclose the assets if segregation of the assets would impose an undue burden on the custodian. If the custodian believes the direction or request imposes an undue burden, the custodian or fiduciary may seek an order from the court to disclose:

(a) A subset limited by date of the user's digital assets;

(b) All of the user's digital assets to the fiduciary or designated recipient;
(c) None of the user's digital assets; or
(d) All of the user's digital assets to the court for review in camera.

NEW SECTION. Sec. 7. DISCLOSURE OF CONTENT OF ELECTRONIC COMMUNICATIONS OF DECEASED USER.       (iii) Unless the user provided direction using an online tool, the user consented to disclosure of the content of electronic communications; or
