The motion by Senator Warnick carried and the resolution was adopted by voice vote.

INTRODUCTION OF SPECIAL GUESTS

The President welcomed and introduced the 2019 Kittitas Secondary School boys’ basketball team, students and representatives who were seated in the gallery.

PERSONAL PRIVILEGE

Senator Honeyford: “Thank you Mr. President. I am very concerned about the apparent lack of respect for the members of this body. This past Wednesday, our session ran until approximately 2:15 p.m. We had no advance notice that the
session would run so long. We had no lunch break. I had a school superintendent and a board member in a meeting in my office at 1:00, which I could not attend. I had a hearing in the House at 1:30 which I had to attend and miss votes here in the Senate. Without advance notice I don’t know how we can plan. And Mr. President, this is my twenty-fifth year in the Legislature and I have never seen such a total disregard of members. And I ask that in the future the Senate receive advance notification of the approximate length of the session so that we may plan accordingly. Thank you Mr. President and I hope that you will support this request.”

PERSONAL PRIVILEGE

Senator Frockt: “Thank you Mr. President. On Wednesday afternoon, while many of us were in the Ways & Means Committee, hearing the capital budget, I received a text from my legislative assistant informing me that there was an active shooter incident occurring in Lake City in the heart of the 46th District, an area that I know very well. And, I wanted to just take a moment, if I could, to ask the Senate to think of the victims of this random act of violence and also briefly commemorate some of the notable people that were involved in it and what they did. A gunman had come out into the street and, apparently in a deranged fashion, had started shooting. Shot at a bus. It is a bus route that I know very well. My nephew and my daughter sometimes ride that route and sometimes their friends have ridden that route. It is on Sandpoint Way, which is an area that is a main thoroughfare that I’m on. You know, anytime that I am not in Olympia, there is a good chance I am on that road, up in that part of north Seattle. My wife is on there. And it just so happens that there were, unfortunately, other people who just happened to be at the wrong place at the wrong time. Dr. Robert Hassan was carjacked and was a retired Air Force Colonel and was shot and killed by the gunman. And then, when he commandeered the vehicle, another individual was killed when the car ran over the line and killed a gentleman who was a long-time Lake City resident, Mr. Lee, Richard Lee, who was apparently on, I think, back on his way home – totally normal thing. It brought back very poor memories because something like this happened to my own grandparents twenty-five years ago and when they were killed in an incident like this. There was a second-grade teacher who was also shot in this incident at Laurelhurst Elementary, Ms. Judd. The story in the paper this morning, in The Seattle Times, she indicated she wanted to make sure her story was out so that her second-graders would know that she was okay and that even though bad things can happen that it’s, … Try not to be afraid, I think, was her message. And then of course, there was Eric Stark, the heroic metro bus driver, that drove his passengers out of harms way. And I think Senator Salomon will be offering a resolution soon, I just found out this morning, to more formally honor him and bus drivers for their very great work that they do for our communities in many instances. He was actually shot and backed his bus up and out of the way. So, I was wondering if we could just take a very brief moment to remember those and to think, in any way you feel fit and is consistent with your values and your traditions, to ask that we get to a better place in our community, in our country and try to stop these senseless acts of gun violence, and violence generally, that hurt so many in our communities? Thank you Mr. President.”

MOMENT OF SILENCE

The Senate rose and observed a moment of silence in memory of Mr. Richard Lee and Dr. Robert Hassan, who were killed during a random act of violence in Seattle and in solidarity with Ms. Deborah Judd and Mr. Eric Stark who were recovering from injuries received during the attack.

PERSONAL PRIVILEGE

Senator Frockt: “Briefly, I forgot in my remarks, I just wanted to also commend the Seattle Police Department and the EMTs, but in particular the police department, who took this deranged individual into custody without any further shots fired after these horrible incidents. They did a terrific job. Thank you Mr. President.”

EDITOR’S NOTE: Mr. Richard T. Lee, of Seattle’s Lake City neighborhood, was shot and killed during a random act of violence on the afternoon of Wednesday, March 27, 2019, in Seattle. Dr. Robert M. “Bob” Hassan, a retired physician and Air Force colonel died as a result of injuries received during a vehicle collision caused by the suspect in an attempt to flee Seattle Police officers in Mr. Lee’s vehicle. Ms. Deborah Judd, second-grade teacher at Laurelhurst Elementary School, was also shot multiple times during the incident but survived her injuries. The attack also injured Mr. Eric Stark, a Metro bus driver, who, despite his wounds, heroically backed the Route 75 bus out of the area, driving his passengers to safety.

MOTIONS

On motion of Senator Rivers, Senators Ericksen and Wilson, L. were excused.

At 10:22 a.m., on motion of Senator Liias, the Senate was declared to be at ease subject to the call of the President for the purposes of caucuses.

Senator McCoy announced a meeting of the Democratic Caucus immediately upon going at ease.

Senator Short announced a meeting of the Republican Caucus immediately upon going at ease.

---

The Senate was called to order at 11:37 a.m. by President Habib.

MOTION

Concerning commercial egg layer operations.

The measure was read the second time.

MOTION

Senator Van De Wege moved that the following committee striking amendment by the Committee on Agriculture, Water, Natural Resources & Parks be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the purpose of this act is to improve the regulation of egg production and sales in order to protect the health and welfare of consumers, promote food safety, advance animal welfare, and protect against the negative fiscal effects on the state associated with the lack of effective regulation of egg production and sales.

Sec. 2. RCW 69.25.010 and 1975 1st ex.s. c 201 s 2 are each amended to read as follows:

Eggs and egg products are an important source of the state’s total supply of food, and are used in food in various forms. They are consumed throughout the state and the major portion thereof moves in intrastate commerce. It is essential, in the public interest, that the health and welfare of consumers be protected by the adoption of measures prescribed herein for assuring that eggs and egg products distributed to them and used in products consumed by them are wholesome, otherwise not adulterated, and properly labeled and packaged. Lack of effective regulation for the handling or disposition of unwholesome, otherwise adulterated, or improperly labeled or packaged egg products and certain qualities of eggs is injurious to the public welfare and destroys markets for wholesome, unadulterated, and properly labeled and packaged eggs and egg products and results in sundry losses to producers and processors, as well as injury to consumers. Unwholesome, otherwise adulterated, or improperly labeled or packaged products can be sold at lower prices and compete unfairly with the wholesome, unadulterated, and properly labeled and packaged products, to the detriment of consumers and the public generally. It is also essential to protect the health and welfare of consumers, promote food safety, advance animal welfare, and protect against the negative fiscal effects on the state associated with the lack of effective regulation of egg production and sales. It is hereby found that all egg products and the qualities of eggs which are regulated under this chapter are either in intrastate commerce, or substantially affect such commerce, and that regulation by the director, as contemplated by this chapter, is appropriate to protect the health and welfare of consumers.

Sec. 3. RCW 69.25.020 and 2013 c 144 s 44 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly otherwise requires.

(a) If it bears or contains any poisonous or deleterious substance that may render it injurious to health; but in case the substance is not an added substance, such article is not considered adulterated under this clause if the quantity of such substance in or on such article does not ordinarily render it injurious to health;

(b) If it bears or contains any added poisonous or added deleterious substance (other than one which is: (i) A pesticide chemical in or on a raw agricultural commodity; (ii) a food additive; or (iii) a color additive) which may, in the judgment of the director, make such article unfit for human food;

(c) If it is, in whole or in part, a raw agricultural commodity and such commodity bears or contains a pesticide chemical (which is unsafe within the meaning of RCW 69.04.392, as enacted or hereafter amended)) that renders it adulterated within the meaning of RCW 15.130.200(2);

(d) If it bears or contains any food additive (which is unsafe within the meaning of RCW 69.04.391, as enacted or hereafter amended)) that renders it adulterated within the meaning of RCW 15.130.200(2);

(e) If it bears or contains any color additive (which is unsafe within the meaning of RCW 69.04.394) that renders it adulterated within the meaning of RCW 15.130.200(2); however, an article which is not otherwise deemed adulterated under (c), (d), or (e) of this subsection is nevertheless deemed adulterated if use of the pesticide chemical, food additive, or color additive, in or on such article, is prohibited by regulations of the director in official plants;

(f) If it consists in whole or in part of any filthy, putrid, or decomposed substance, or if it is otherwise unfit for human food;
