MESSAGE FROM THE HOUSE

April 9, 2019

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5010 with the following amendment(s): 5010-S AMH ENGR H2452.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) On September 13, 2017, the joint legislative audit and review committee distributed the 17-06 final report: Fees assessed for forest fire protection. The report identified more than twenty thousand parcels of land that do not pay the forest fire protection assessment or a local fire district levy but are likely still protected by the department of natural resources or a local fire district.

The legislature finds that fire protection services at the state and local level are vital to the preservation of public and personal property throughout the state. The legislature further finds that fire protection resources are very limited in carrying out the substantial duties that fire protection services are asked to perform. Therefore, properties that benefit from fire protection should be required to contribute to the operation and maintenance of such essential services.

(2)(a) A local fire district may propose to annex any parcel or parcels having all boundaries of the property wholly within the external boundary of the requesting local fire district if such parcel or parcels are not presently being assessed a local fire district levy.

(b) Prior to annexing a parcel or parcels under this section the local fire district must:

(i) Verify with the county assessor that the parcel or parcels have all boundaries of the property wholly within the external boundary of the requesting local fire district and are not presently assessed a local fire district levy;

(ii) Notify the owner of record of each parcel in writing no less than sixty days prior to conducting a public hearing that the local fire district is seeking to annex the parcel; and

(iii) Hold at least one public hearing on the proposed annexation.

(3) Following the hearing, the local fire district must determine by resolution whether any parcel will be annexed. After adoption of the resolution, the local fire district must send a copy to the county legislative authority, the county assessor, and the owner of record of any parcel proposed to be annexed. The resolution must include a list of all parcels proposed to be annexed.

(4) Within thirty days of notification of the resolution, the owner of record of a parcel proposed to be annexed may appeal the proposed annexation to the county legislative authority. Issues raised under appeal may include compliance with the process established under this section, whether the parcel is presently being assessed a local fire district levy, whether the levied amount is consistent with local fire district levy amounts, whether the local fire district actually has the resources to provide the parcel or parcels with timely service. The county legislative authority may address multiple appeals at the same hearing. The decision of the county legislative authority or its designee is not appealable.

(5) If the proposed annexation is upheld or no appeal is made within thirty days of notification of the resolution, the county legislative authority must approve the proposed annexation of any parcel or parcels of land submitted under subsection (3) of this section into the local fire district. The order must include a description of the property to be annexed and the effective date of the annexation. The order is not subject to referendum.

(6) A notice of intention must be filed with the boundary review board created under RCW 36.93.030. However, the jurisdiction of the board may not be invoked as described in RCW 36.93.100 for annexations under this section.

(7) Any local fire district levy to be imposed on a parcel annexed in accordance with this section may not be assessed until the next tax assessment cycle following the annexation.

(8) Annexations of a parcel or parcels of land under this section must be initiated by January 1, 2021.

(9) For the purposes of this section, "local fire district" means a fire district, regional fire protection service authority, city, or town.

(10) The annexation process established under this section is not exclusive and does not limit annexation through other statutory authorities.”

Correct the title.

(2) Informed consent for health care, including mental health care, for a patient who is not competent, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, may be obtained from a person authorized to consent on behalf of such a patient.

Such declaration shall be effective for up to six months from the date of the declaration.

(b) Informed consent for health care on behalf of a patient who is incapacitated, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent may be obtained from a school nurse, school counselor, or homeless student liaison when:
(A) Consent is necessary for nonemergency, outpatient, primary care services, including physical examinations, vision examinations and eyeglasses, dental examinations, hearing examinations and hearing aids, immunizations, treatments for illnesses and conditions, and routine follow-up care customarily provided by a health care provider in an outpatient setting, excluding elective surgeries;

The declaration must also include written notice of the exemption from liability under (b)(ii) of this subsection.

(c) A health care provider may, but is not required to, rely on the representations or declaration of a person claiming to be a relative responsible for the care of the minor patient, under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection, if the health care provider does not have actual notice of the falsity of any of the statements made by the person claiming to be a relative responsible for the health care of the minor patient, or person claiming to be authorized to consent to the health care of the minor patient.

(d) A health care facility or a health care provider may, in its discretion, require documentation of a person’s claimed status as being a relative responsible for the health care of the minor patient, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection. A contracting agency may award a contract in reasonable reliance upon such a sworn statement.

(5) The awarding agency may at its discretion reject the bid of any contractor who has failed to perform satisfactorily on a previous contract with the state.

(6) After reviewing all bid submissions, an agency may enter into negotiations with the lowest responsive and responsible bidder in order to determine if the bid may be improved. An agency may not use this negotiation opportunity to permit a bidder to change a nonresponsive bid into a responsive bid.

(7) The procuring agency must enter into the state’s enterprise vendor registration and bid notification system the name of each bidder and an indication as to the successful bidder.

Sec. 20. RCW 46.16A.435 and 2011 c 121 s 3 are each amended to read as follows:

(1) The department shall establish a declaration subject to the requirements of (((RCW 9A.72.085))) chapter 5.50 RCW, which must be submitted by an off-road motorcycle owner when applying for on-road registration of the off-road motorcycle. In order to be registered for on-road use, an off-road motorcycle must travel on two wheels with a seat designed to be straddled by the operator and with handlebar-type steering control.

(3) The declaration must include the following:

(4) The department must track off-road motorcycles in a separate registration category for reporting purposes.

Sec. 21. RCW 46.20.308 and 2016 c 203 s 15 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath for the purpose of determining the alcohol concentration in his or her breath if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. Prior to administering a breath test pursuant to this section, the officer shall inform the person of his or her right under this section to refuse the breath test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver’s license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver’s refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to a test and the test is administered, the driver’s license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if:

(i) The driver is age twenty-one or over and the test indicates either that the alcohol concentration of the driver’s breath is 0.08 or more; or

(ii) The driver is under age twenty-one and the test indicates either that the alcohol concentration of the driver’s breath is 0.02 or more; or

(iii) The driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and
NINETY SIXTH DAY, APRIL 19, 2019

(d) If the driver’s license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver’s license.

(3) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested exercises the right, granted herein, by refusing upon the request of a law enforcement officer to submit to a test or tests of his or her breath, no test shall be given except as otherwise authorized by law.

(4) Nothing in subsection (1), (2), or (3) of this section precludes a law enforcement officer from obtaining a person’s blood to test for alcohol, marijuana, or any drug, pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law. Any blood drawn for the purpose of determining the person’s alcohol, marijuana levels, or any drug, is drawn pursuant to this section when the officer has reasonable grounds to believe that the person is in physical control or driving a vehicle under the influence or in violation of RCW 46.61.503.

(5) If, after arrest and after any other applicable conditions and requirements of this section have been satisfied, a test or tests of the person’s blood or breath is administered and the test results indicate that the alcohol concentration of the person’s breath or blood is 0.08 or more, or the THC concentration of the person’s blood is 5.00 or more, if the person is age twenty-one or over, or that the alcohol concentration of the person’s breath or blood is 0.02 or more, or the THC concentration of the person’s blood is above 0.00, if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person’s blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person’s license, permit, or privilege to drive as required by subsection (6) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (7) of this section;

(c) Serve notice in writing that the license or permit, if any, is a temporary license that is valid for thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person’s license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(d) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by (RCW 9A.72.085) chapter 5.50 RCW that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol or THC concentration in violation of RCW 46.61.503;

(ii) That after receipt of any applicable warnings required by subsection (2) of this section the person refused to submit to a test of his or her breath, or a test was administered and the results indicated that the alcohol concentration of the person’s breath or blood was 0.08 or more, or the THC concentration of the person’s blood was 5.00 or more, if the person is age twenty-one or over, or that the alcohol concentration of the person’s breath or blood was 0.02 or more, or the THC concentration of the person’s breath or blood was above 0.00, if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(6) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by (RCW 9A.72.085) chapter 5.50 RCW under subsection (5)(d) of this section, shall suspend, revoke, or deny the person’s license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first.

(7) A person receiving notification under subsection (5)(b) of this section may, within seven days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within seven days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within thirty days, excluding Saturdays, Sundays, and legal holidays, following the date of timely receipt of such request for a formal hearing before the department or thirty days, excluding Saturdays, Sundays, and legal holidays following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license under subsection (5) of this section extended, if the person is otherwise eligible for licensing. Unless otherwise agreed to by the department and the person, the department must give five days notice of the hearing to the person. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person’s license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law as
permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person’s breath or blood was 0.08 or more, or the THC concentration of the person’s blood was 5.00 or more, if the person was age twenty-one or over at the time of the arrest, or that the alcohol concentration of the person’s breath or blood was 0.02 or more, or the THC concentration of the person’s blood was above 0.00, if the person was under the age of twenty-one at the time of the arrest. Where a person is found to be in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was under the age of twenty-one at the time of the arrest and was in physical control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or THC concentration above 0.00, the person may petition the hearing officer to apply the affirmative defense found in RCW 46.61.504(3) and 46.61.503(2). The driver has the burden to prove the affirmative defense by a preponderance of the evidence.

The sworn report or report under a declaration authorized by RCW 9A.72.085 chapter 5.50 RCW of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(8) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner’s grounds for requesting review. Upon granting petitioner’s request for review, the court shall review the department’s final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk’s office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department’s action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(9)(a) If a person whose driver’s license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (6) of this section, other than as a result of a breath test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which the action has been or will be taken under subsection (6) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license under subsection (5) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person’s commercial driver’s license or privilege to operate a commercial motor vehicle.

(10) When it has been finally determined under the procedures of this section that a nonresident’s privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person’s residence and of any state in which he or she has a license.

Sec. 22. RCW 46.20.720 and 2017 c 336 s 5 are each amended to read as follows:

(1) Ignition interlock restriction. The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) Pretrial release. Upon receipt of notice from a court that
an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) Ignition interlock driver’s license. As required for issuance of an ignition interlock driver’s license under RCW 46.20.385;

(c) Deferred prosecution. Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) Post conviction. After any applicable period of suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) Court order. Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific calibration setting at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) Calibration. Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall be calibrated to prevent the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more.

(3) Duration of restriction. A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver’s license that has been issued to the person.

(c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

(i) For a person who has not previously been restricted under this subsection, a period of one year;

(ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of ten years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while a passenger under the age of sixteen was in the vehicle shall be extended for an additional six-month period as required by RCW 46.61.5055(6)(a).

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department’s determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) Requirements for removal. A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person’s ignition interlock device vendor, in a form provided or approved by the department, certifying that there have been none of the following incidents in the one hundred eighty consecutive days prior to the date of release:

(a) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(b) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(c) Failure to pass any random retest with a breath alcohol concentration of 0.025 or lower unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.025, and the digital image confirms the same person provided both samples; or

(d) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device.

(5) Day-for-day credit. (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) Employer exemption. (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person’s employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person’s employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to (RCW 9A.72.085) chapter 5.50 RCW from his or her employer stating that the person’s employment requires the person to operate a vehicle owned by
the employer or other persons during working hours.

(b) The employer exemption does not apply when the employer’s vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(7) **Ignition interlock device revolving account.** In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of twenty dollars per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) **Foreign jurisdiction.** For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

**Sec. 23.** RCW 47.68.250 and 2017 3rd sp.s. c 25 s 44 are each amended to read as follows:

(1) Every aircraft must be registered with the department for each calendar year in which the aircraft is operated or is based within this state. A fee of fifteen dollars is charged for each such registration and each annual renewal thereof.

(2) Possession of the appropriate effective federal certificate, permit, rating, or license relating to ownership and airworthiness of the aircraft, and payment of the excise tax imposed by Title 82 RCW for the privilege of using the aircraft within this state during the year for which the registration is sought, and payment of the registration fee required by this section are the only requisites for registration of an aircraft under this section.

(3) The registration fee imposed by this section is payable to and collected by the secretary. The fee for any calendar year must be paid during the month of January, and must be collected by the secretary at the time of the collection by him or her of the excise tax. If the secretary is satisfied that the requirements for registration of the aircraft have been met, he or she must issue to the owner of the aircraft a certificate of registration therefor. The secretary must pay to the state treasurer the registration fees collected under this section, which registration fees must be credited to the aeronautics account.

MESSAGE FROM THE HOUSE

April 10, 2019

MR. PRESIDENT:
The House passed SECOND SUBSTITUTE SENATE BILL NO. 5021 with the following amendment(s): 5021-S2 AMH APP H2829.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 41.80 RCW to read as follows:

(1) In order to maintain dedicated and uninterrupted services to the supervision of criminal offenders that are in state correctional facilities and on community supervision, it is the legislature’s intent to grant certain employees of the department of corrections interest arbitration rights as an alternative means of settling disputes.

(2) This section applies only to employees covered by chapter 41.06 RCW working for the department of corrections, except confidential employees as defined in RCW 41.80.005, members of the Washington management service, internal auditors, and nonsupervisory marine department employees.

(3) Negotiations between the employer and the exclusive bargaining representative of a unit of employees shall be commenced at least five months before submission of the budget to the legislature. If no agreement has been reached sixty days after the commencement of such negotiations then, at any time thereafter, either party may declare that an impasse exists and may submit the dispute to the commission for mediation, with or
without the concurrence of the other party. The commission shall appoint a mediator, who shall promptly meet with the representatives of the parties, either jointly or separately, and shall take such other steps as he or she may deem appropriate in order to persuade the parties to resolve their differences and effect an agreement. A mediator, however, does not have a power of compulsion. The mediator may consider only matters that are subject to bargaining under this chapter.

(4) If an agreement is not reached following a reasonable period of negotiations and mediation, and the director, upon recommendation of the assigned mediator, finds that the parties remain at impasse, then an arbitrator must be appointed to resolve the dispute. The issues for determination by the arbitrator must be limited to the issues certified by the executive director.

(5) Within ten working days after the first Monday in September of every odd-numbered year, the governor or the governor’s designee and the bargaining representatives for any bargaining units covered by this section shall attempt to agree on an interest arbitrator to be used if the parties are not successful in negotiating a comprehensive collective bargaining agreement. The parties will select an arbitrator by mutual agreement or by alternatively striking names from a regional list of seven qualified arbitrators provided by the federal mediation and conciliation service.

(a) The fees and expenses of the arbitrator, the court reporter, if any, and the cost of the hearing room, if any, will be shared equally between the parties. Each party is responsible for the costs of its attorneys, representatives and witnesses, and all other costs related to the development and presentation of their case.

(b) Immediately upon selecting an interest arbitrator, the parties shall cooperate to reserve dates with the arbitrator for a potential hearing between August 1st and September 15th of the following even-numbered year. The parties shall also prepare a schedule of at least five negotiation dates, absent an agreement to the contrary.

(c) The parties shall execute a written agreement before December 15th of the odd-numbered year setting forth the name of the arbitrator and the dates reserved for bargaining and arbitration.

(d)(i) The arbitrator must hold a hearing and provide reasonable notice of the hearing to the parties to the dispute. The hearing must be informal and each party has the opportunity to present evidence and make arguments. The arbitrator may not present the case for a party to the proceedings.

(ii) The rules of evidence prevailing in judicial proceedings may be considered, but are not binding, and any oral testimony or documentary evidence or other data deemed relevant by the arbitrator may be received in evidence. A recording of the proceedings must be taken.

(iii) The arbitrator may administer oaths, require the attendance of witnesses, and require the production of such books, papers, contracts, agreements, and documents deemed by the arbitrator to be material to a just determination of the issues in dispute. If a person refuses to obey a subpoena issued by the arbitrator, or refuses to be sworn or to make an affirmation to testify, or a witness, party, or attorney for a party is guilty of contempt while in attendance at a hearing, the arbitrator may invoke the jurisdiction of the superior court in the county where the labor dispute exists, and the court may issue an appropriate order. Any failure to obey the order may be punished by the court as a contempt thereof.

(6) The arbitrator may consider only matters that are subject to bargaining under RCW 41.80.020(1), and may not consider those subjects listed under RCW 41.80.020(2) and (3) and 41.80.040.

(a) In making its determination, the arbitrator shall take into consideration the following factors:

(i) The financial ability of the department of corrections to pay for the compensation and benefit provisions of a collective bargaining agreement;

(ii) The constitutional and statutory authority of the employer;

(iii) Stipulations of the parties;

(iv) Comparison of the wages, hours, and conditions of employment of personnel involved in the proceedings with the wages, hours, and conditions of employment of like personnel of like state government employers of similar size in the western United States;

(v) The ability of the department of corrections to retain employees;

(vi) The overall compensation presently received by department of corrections employees, including direct wage compensation, vacations, holidays, and other paid excused time, pensions, insurance benefits, and all other direct or indirect monetary benefits received;

(vii) Changes in any of the factors listed in this subsection during the pendency of the proceedings;

(viii) Such other factors which are normally or traditionally taken into consideration in the determination of matters that are subject to bargaining under RCW 41.80.020(1).

(b) The decision of an arbitrator under this section is subject to RCW 41.80.010(3).

(7) During the pendency of the proceedings before the arbitrator, existing wages, hours, and other conditions of employment shall not be changed by action of either party without the consent of the other but a party may so consent without prejudice to his or her rights or position under chapter 41.56 RCW.

(8)(a) If the representative of either or both the employees and the state refuses to submit to the procedures set forth in subsections (3), (4), and (5) of this section, the parties, or the commission on its own motion, may invoke the jurisdiction of the superior court for the county in which the labor dispute exists and the court may issue an appropriate order. A failure to obey the order may be punished by the court as a contempt thereof.

(b) A decision of the arbitrator is final and binding on the parties, and may be enforced at the instance of either party, the arbitrator, or the commission in the superior court for the county where the dispute arose. However, the decision of the arbitrator is not binding on the legislature and, if the legislature does not approve the funds necessary to implement provisions pertaining to the compensation and fringe benefit provision of an interest arbitration award, the provisions are not binding on the state or department of corrections.

(9) Subject to the provisions of this section, the parties shall follow the commission’s procedures for interest arbitration.

NEW SECTION. Sec. 2. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2019, in the omnibus appropriations act, this act is null and void."

Correct the title.

and the same are herewith transmitted.

(13) "Supervisor" means an employee who has authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, direct, reward, or discipline employees, or to adjust employee grievances, or effectively to recommend such action, if the exercise of the authority is not of a merely routine nature but requires the consistent exercise of individual judgment. However, no employee who is a member of the Washington management service may be included in a collective bargaining unit established under this section.

(1) For the purpose of negotiating collective bargaining agreements under this chapter, the employer shall be represented by the governor or governor’s designee, except as provided for institutions of higher education in subsection (4) of this section.

(2)(a) If an exclusive bargaining representative represents more than one bargaining unit, the exclusive bargaining representative shall negotiate with each employer representative as designated in subsection (1) of this section one matter collective bargaining agreement on behalf of all the employees in bargaining units that the exclusive bargaining representative represents. For those exclusive bargaining representatives who represent fewer than a
total of five hundred employees each, negotiation shall be by a coalition of all those exclusive bargaining representatives. The coalition shall bargain for a master collective bargaining agreement covering all of the employees represented by the coalition. The governor’s designee and the exclusive bargaining representative or representatives are authorized to enter into supplemental bargaining of agency-specific issues for inclusion in or as an addendum to the master collective bargaining agreement, subject to the parties’ agreement regarding the issues and procedures for supplemental bargaining. This section does not prohibit cooperation and coordination of bargaining between two or more exclusive bargaining representatives.

(b) This subsection (2) does not apply to exclusive bargaining representatives who represent employees of institutions of higher education, except when the institution of higher education has elected to exercise its option under subsection (4) of this section to have its negotiations conducted by the governor or governor’s designee under the procedures provided for general government agencies in subsections (1) through (3) of this section.

(c) If five hundred or more employees of an independent state elected official listed in RCW 43.01.010 are organized in a bargaining unit or bargaining units under RCW 41.80.070, the official shall be consulted by the governor or the governor’s designee before any agreement is reached under (a) of this subsection concerning supplemental bargaining of agency specific issues affecting the employees in such bargaining unit.

(3) The governor shall submit a request for funds necessary to implement the compensation and fringe benefit provisions in the master collective bargaining agreement or for legislation necessary to implement the agreement. Requests for funds necessary to implement the provisions of bargaining agreements shall not be submitted to the legislature by the governor unless such requests:

(a) Have been submitted to the director of the office of financial management by October 1 prior to the legislative session at which the request are to be considered; and

(b) Have been certified by the director of the office of financial management as being feasible financially for the state or reflects the decision of an arbitration panel reached under section 5 of this act.

The legislature shall approve or reject the submission of the request for funds as a whole. The legislature shall not consider a request for funds to implement a collective bargaining agreement unless the request is transmitted to the legislature as part of the governor’s budget document submitted under RCW 43.88.030 and 43.88.060. If the legislature rejects or fails to act on the submission, either party may reopen all or part of the agreement or the exclusive bargaining representative may seek to implement the procedures provided for in RCW 41.80.090.

(4)(a)(i) For the purpose of negotiating agreements for institutions of higher education, the employer shall be the respective governing board of each of the universities, colleges, or community colleges or a designee chosen by the board to negotiate on its behalf.

(ii) A governing board of a university or college may elect to have its negotiations conducted by the governor or governor’s designee under the procedures provided for general government agencies in subsections (1) through (3) of this section, except that:

(A) The governor or the governor’s designee and an exclusive bargaining representative shall negotiate one master collective bargaining agreement for all of the bargaining units of employees of a university or college that the representative represents; or

(B) If the parties mutually agree, the governor or the governor’s designee and an exclusive bargaining representative shall negotiate one master collective bargaining agreement for all of the bargaining units of employees of more than one university or college that the representative represents.

(iii) A governing board of a community college may elect to have its negotiations conducted by the governor or governor’s designee under the procedures provided for general government agencies in subsections (1) through (3) of this section.

(b) Prior to entering into negotiations under this chapter, the institutions of higher education or their designees shall consult with the director of the office of financial management regarding financial and budgetary issues that are likely to arise in the impending negotiations.

(c)(i) In the case of bargaining agreements reached between institutions of higher education other than the University of Washington and exclusive bargaining representatives agreed to under the provisions of this chapter, if appropriations are necessary to implement the compensation and fringe benefit provisions of the bargaining agreements, the governor shall submit a request for such funds to the legislature according to the provisions of subsection (3) of this section, except as provided in (c)(iii) of this subsection.

(ii) In the case of bargaining agreements reached between the University of Washington and exclusive bargaining representatives agreed to under the provisions of this chapter, if appropriations are necessary to implement the compensation and fringe benefit provisions of a bargaining agreement, the governor shall submit a request for such funds to the legislature according to the provisions of subsection (3) of this section, except as provided in this subsection (4)(c)(ii) and as provided in (c)(iii) of this subsection.

(A) If appropriations of less than ten thousand dollars are necessary to implement the provisions of a bargaining agreement, a request for such funds shall not be submitted to the legislature by the governor unless the request has been submitted to the director of the office of financial management by October 1 prior to the legislative session at which the request is to be considered.

(B) If appropriations of ten thousand dollars or more are necessary to implement the provisions of a bargaining agreement, a request for such funds shall not be submitted to the legislature by the governor unless the request:

(I) Has been submitted to the director of the office of financial management by October 1 prior to the legislative session at which the request is to be considered; and

(II) Has been certified by the director of the office of financial management as being feasible financially for the state.

(C) If the director of the office of financial management does not certify a request under (c)(ii)(B) of this subsection as being feasible financially for the state, the parties shall enter into collective bargaining solely for the purpose of reaching a mutually agreed upon modification of the agreement necessary to address the absence of those requested funds. The legislature may act upon the compensation and fringe benefit provisions of the modified collective bargaining agreement if those provisions are agreed upon and submitted to the office of financial management and legislative budget committees before final legislative action on the biennial or supplemental operating budget by the sitting legislature.

(iii) In the case of a bargaining unit of employees of institutions of higher education in which the exclusive bargaining representative is certified during or after the conclusion of a legislative session, the legislature may act upon the compensation and fringe benefit provisions of the unit’s initial collective bargaining agreement if those provisions are agreed upon and submitted to the office of financial management and legislative budget committees before final legislative action on the biennial or supplemental operating budget by the sitting legislature.

(5) If, after the compensation and fringe benefit provisions of an agreement are approved by the legislature, a significant

2019 REGULAR SESSION

revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(6) After the expiration date of a collective bargaining agreement negotiated under this chapter, all of the terms and conditions specified in the collective bargaining agreement remain in effect until the effective date of a subsequently negotiated agreement, not to exceed one year from the expiration date stated in the agreement. Thereafter, the employer may unilaterally implement according to law.

(7) For the 2013-2015 fiscal biennium, a collective bargaining agreement related to employee health care benefits negotiated between the employer and coalition pursuant to RCW 41.80.020(3) regarding the dollar amount expended on behalf of each employee shall be a separate agreement for which the governor may request funds necessary to implement the agreement. The legislature may act upon a 2013-2015 collective bargaining agreement related to employee health care benefits if an agreement is reached and submitted to the office of financial management and legislative budget committees before final legislative action on the biennial or supplemental operating appropriations act by the sitting legislature.

(8)(a) For the 2015-2017 fiscal biennium, the governor may request funds to implement:

(i) Modifications to collective bargaining agreements as set forth in a memorandum of understanding negotiated between the employer and the service employees international union healthcare 1199nw, an exclusive bargaining representative, that was necessitated by an emergency situation or an imminent jeopardy determination by the center for medicare and medicaid services that relates to the safety or health of the clients, employees, or both the clients and employees.

(ii) Unilaterally implemented modifications to collective bargaining agreements, resulting from the employer being prohibited from negotiating with an exclusive bargaining representative due to a pending representation petition, necessitated by an emergency situation or an imminent jeopardy determination by the center for medicare and medicaid services that relates to the safety or health of the clients, employees, or both the clients and employees.

(iii) Modifications to collective bargaining agreements as set forth in a memorandum of understanding negotiated between the employer and the union of physicians of Washington, an exclusive bargaining representative, that was necessitated by an emergency situation or an imminent jeopardy determination by the center for medicare and medicaid services that relates to the safety or health of the clients, employees, or both the clients and employees.

(8)(b) For the 2015-2017 fiscal biennium, the legislature may act upon the request for funds for modifications to a 2015-2017 collective bargaining agreement under (a)(i), (ii), (iii), and (iv) of this subsection if funds are requested by the governor before final legislative action on the supplemental omnibus appropriations act by the sitting legislature.

(c) The request for funding made under this subsection and any action by the legislature taken pursuant to this subsection is limited to the modifications described in this subsection and may not otherwise affect the original terms of the 2015-2017 collective bargaining agreement.

(d) Subsection (3)(a) and (b) of this section (((3))) does not apply to requests for funding made pursuant to this subsection.

NEW SECTION. Sec. 3. A new section is added to chapter 41.80 RCW to read as follows:

The intent and purpose of sections 4 through 10 of this act is to recognize that there exists a public policy in the state of Washington against strikes by uniformed personnel as a means of settling their labor disputes; that the uninterrupted and dedicated service of these classes of employees is vital to the welfare and public safety of the state of Washington; and that to promote such dedicated and uninterrupted public service there should exist an effective and adequate alternative means of settling disputes.

NEW SECTION. Sec. 4. A new section is added to chapter 41.80 RCW to read as follows:

(1) Negotiations between the employer and the exclusive bargaining representative of a unit of uniformed personnel shall be commenced at least five months prior to the submission of the budget to the legislature. If no agreement has been reached sixty days after the commencement of such negotiations then, at any time thereafter, either party may declare that an impasse exists and may submit the dispute to the commission for mediation, with or without the concurrence of the other party. The commission shall appoint a mediator, who shall promptly meet with the representatives of the parties, either jointly or separately, and shall take such other steps as he or she may deem appropriate in order to persuade the parties to resolve their differences and effect an agreement. A mediator, however, does not have a power of compulsion. The mediator may consider only matters that are subject to bargaining under this chapter.

(2) If an agreement has not been reached following a reasonable period of negotiations and mediation, and the executive director, upon the recommendation of the assigned mediator, finds that the parties remain at impasse, then the executive director shall certify the issues for interection and may submit the dispute to the commission for mediation, with or without the concurrence of the other party. The commission shall appoint a mediator, who shall promptly meet with the representatives of the parties, either jointly or separately, and shall take such other steps as he or she may deem appropriate in order to persuade the parties to resolve their differences and effect an agreement. A mediator, however, does not have a power of compulsion. The mediator may consider only matters that are subject to bargaining under this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 41.80 RCW to read as follows:

(1) Within ten working days after the first Monday in September of every odd-numbered year, the state’s bargaining representative and the exclusive bargaining representative for the appropriate bargaining unit shall attempt to agree on an interest arbitration panel consisting of three members to be used if the parties are not successful in negotiating a comprehensive collective bargaining agreement. Each party shall name one person to serve as its arbitrator on the arbitration panel. The two members so appointed shall meet within seven days following the appointment of the later appointed member to attempt to choose a third member to act as the neutral chair of the arbitration panel. Upon the failure of the arbitrators to select a neutral chair within seven days, the two appointed members shall use one of the two following options in the appointment of the third member, who shall act as chair of the panel: (a) By mutual consent, the two appointed members may jointly request the commission to, and the commission shall, appoint a third member within two days of
such a request. Costs of each party’s appointee shall be borne by each party respectively; other costs of the arbitration proceedings shall be borne by the commission; or (b) either party may apply to the commission, the federal mediation and conciliation service, or the American arbitration association to provide a list of five qualified arbitrators from which the neutral chair shall be chosen. Each party shall pay the fees and expenses of its arbitrator, and the fees and expenses of the neutral chair shall be shared equally between the parties.

(2) Immediately upon selecting an interest arbitration panel, the parties shall cooperate to reserve dates with the arbitration panel for potential arbitration between August 1st and September 15th of the following even-numbered year. The parties shall also prepare a schedule of at least five negotiation dates for the following year, absent an agreement to the contrary. The parties shall execute a written agreement before November 1st of each odd-numbered year setting forth the names of the members of the arbitration panel and the dates reserved for bargaining and arbitration. This subsection imposes minimum obligations only and is not intended to define or limit a party’s full, good faith bargaining obligation under other sections of this chapter.

(3) If the parties are not successful in negotiating a comprehensive collective bargaining agreement, a hearing shall be held. The hearing shall be informal and each party shall have the opportunity to present evidence and make argument. No member of the arbitration panel may present the case for a party to the proceedings. The rules of evidence prevailing in judicial proceedings may be considered, but are not binding, and any oral testimony or documentary evidence or other data deemed relevant by the chair of the arbitration panel may be received in evidence. A recording of the proceedings shall be taken. The arbitration panel has the power to administer oaths, require the attendance of witnesses, and require the production of such books, papers, contracts, agreements, and documents as may be deemed by the panel to be material to a just determination of the issues in dispute. If any person refuses to obey a subpoena issued by the arbitration panel, or refuses to be sworn or to make an affirmation to testify, or any witness, party, or attorney for a party is guilty of any contempt while in attendance at any hearing held under this section, the arbitration panel may invoke the jurisdiction of the superior court in the county where the labor dispute exists, and the court has jurisdiction to issue an appropriate order. Any failure to obey the order may be punished by the court as a contempt thereof. The hearing conducted by the arbitration panel shall be concluded within twenty-five days following the selection or designation of the neutral chair of the arbitration panel, unless the parties agree to a longer period.

(4) The neutral chair shall consult with the other members of the arbitration panel, and, within thirty days following the conclusion of the hearing, the neutral chair shall make written findings of fact and a written determination of the issues in dispute, based on the evidence presented. A copy thereof shall be served on the commission, on each of the other members of the arbitration panel, and on each of the parties to the dispute.

(5) Except as provided in this subsection, the written determination shall be final and binding upon both parties.

(a) The written determination is subject to review by the superior court upon the application of either party solely upon the question of whether the decision of the panel was arbitrary or capricious.

(b) The written determination is not binding on the legislature and, if the legislature does not approve the funds necessary to implement provisions pertaining to compensation and fringe benefits of an arbitrated collective bargaining agreement, is not binding on the state.

(6) The arbitration panel may consider only matters that are subject to bargaining under this chapter.

NEW SECTION. Sec. 6. A new section is added to chapter 41.80 RCW to read as follows:

An interest arbitration panel created pursuant to section 5 of this act, in the performance of its duties under this chapter, exercises a state function and is, for the purposes of this chapter, a state agency. Chapter 34.05 RCW does not apply to proceedings before an interest arbitration panel under this chapter.

NEW SECTION. Sec. 7. A new section is added to chapter 41.80 RCW to read as follows:

In making its determination, the panel shall be mindful of the legislative purpose enumerated in section 3 of this act and, as additional standards or guidelines to aid it in reaching a decision, shall take into consideration the following factors:

(1) The constitutional and statutory authority of the employer;

(2) Stipulations of the parties;

(3) Comparison of the hours and conditions of employment of personnel involved in the proceedings with the hours and conditions of employment of like personnel of like employers of similar size on the west coast of the United States;

(4) Changes in any of the circumstances under subsections (1) through (3) of this section during the pendency of the proceedings; and

(5) Such other factors, not confined to the factors under subsections (1) through (4) of this section, that are normally or traditionally taken into consideration in the determination of matters that are subject to bargaining under this chapter.

NEW SECTION. Sec. 8. A new section is added to chapter 41.80 RCW to read as follows:

During the pendency of the proceedings before the arbitration panel, existing wages, hours, and other conditions of employment shall not be changed by action of either party without the consent of the other party, and the court may so consent without prejudice to its rights or position under sections 4 through 10 of this act.

NEW SECTION. Sec. 9. A new section is added to chapter 41.80 RCW to read as follows:

(1) If the representative of either or both the uniformed personnel and the employer refuse to submit to the procedures set forth in sections 4 and 5 of this act, the parties, or the commission on its own motion, may invoke the jurisdiction of the superior court for the county in which the labor dispute exists and such court shall have jurisdiction to issue an appropriate order. A failure to obey such order may be punished by the court as a contempt thereof.

(2) Except as provided in this subsection, a decision of the arbitration panel shall be final and binding on the parties, and may be enforced at the instance of either party, the arbitration panel or the commission in the superior court for the county where the dispute arose.

(a) The written determination is subject to review by the superior court upon the application of either party solely upon the question of whether the decision of the panel was arbitrary or capricious.

(b) The written determination is not binding on the legislature and, if the legislature does not approve the funds necessary to implement provisions pertaining to compensation and fringe benefits of an arbitrated collective bargaining agreement, is not binding on the state.

NEW SECTION. Sec. 10. A new section is added to chapter 41.80 RCW to read as follows:

The right of uniformed personnel to engage in any strike, work slowdown, or stoppage is not granted. An employee organization recognized as the exclusive bargaining representative of
uniformed personnel subject to this chapter that willfully disobey a lawful order of enforcement by a superior court pursuant to this section and section 9 of this act, or willfully offers resistance to such order, whether by strike or otherwise, is in contempt of court as provided in chapter 7.21 RCW. An employer that willfully disobeys a lawful order of enforcement by a superior court pursuant to section 9 of this act or willfully offers resistance to such order is in contempt of court as provided in chapter 7.21 RCW.

NEW SECTION.  Sec. 11.  A new section is added to chapter 41.80 RCW to read as follows:

(1) By January 1, 2020, the public employment relations commission shall review the appropriateness of the bargaining units that consist of or include uniformed personnel and exist on the effective date of this section. If the commission determines that an existing bargaining unit is not appropriate pursuant to RCW 41.80.070, the commission may modify the unit.

(2) The exclusive bargaining representatives certified to represent the bargaining units that consist of or include uniformed personnel exist on the effective date of this section shall continue as the exclusive bargaining representative without the necessity of an election as of the effective date of this section. However, there may be proceedings concerning representation under this chapter thereafter.

NEW SECTION.  Sec. 12.  If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2019, in the omnibus appropriations act, this act is null and void."

Correct the title.

MESSAGE FROM THE HOUSE

April 10, 2019

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5035 with the following amendment(s): 5035-S.E AMH LAWS H2453.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec. 1.  The legislature finds:

(1) That from the shift in the 1980s from criminal to civil penalties for prevailing wage violations that the law needs some enhancements to effectively provide the department of labor and industries with the ability to utilize its civil remedies to both discourage and penalize repeat and willful violations of the law.

(2) Revisions to chapter 39.12 RCW are long overdue and are necessary to appropriately address filing and reporting procedures and penalties, which are necessary to strengthen enforcement of and deterrence from repeat and/or willful violations of the chapter.

Sec. 2.  RCW 39.12.010 and 1989 c 12 s 6 are each amended to read as follows:

(1) The "prevailing rate of wage" ((for the intents and purposes of this chapter, shall be)) is the rate of hourly wage, usual benefits, and overtime paid in the locality, as hereinafter defined, to the majority of workers, laborers, or mechanics, in the same trade or occupation. In the event that there is not a majority in the same trade or occupation paid at the same rate, then the average rate of hourly wage and overtime paid to such laborers, workers, or mechanics in the same trade or occupation ((shall be)) is the prevailing rate. If the wage paid by any contractor or subcontractor to laborers, workers, or mechanics on any public work is based on some period of time other than an hour, the hourly wage ((for the purposes of this chapter shall be)) is mathematically determined by the number of hours worked in such period of time.

(2) The "locality" ((for the purposes of this chapter shall be)) is the largest city in the county wherein the physical work is being performed.

(3) The "usual benefits" ((for the purposes of this chapter shall)) includes the amount of:

(a) The rate of contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a fund, plan, or program; and

(b) The rate of costs to the contractor or subcontractor which may be reasonably anticipated in providing benefits to workers, laborers, and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan or program which was communicated in writing to the workers, laborers, and mechanics affected, for medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, for unemployment benefits, life insurance, disability and sickness insurance, or accident insurance, for vacation and holiday pay, for defraying costs of apprenticeship or other similar programs, or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other federal, state, or local law to provide any of such benefits.
(4) An "interested party" (for the purposes of this chapter shall) include a contractor, subcontractor, an employee of a contractor or subcontractor, an organization whose members’ wages, benefits, and conditions of employment are affected by this chapter, and the director of labor and industries or the director’s designee.

(5) An "inadvertent filing or reporting error" is a mistake and is made notwithstanding the use of due care by the contractor, subcontractor, or employer. An inadvertent filing or reporting error includes a contractor who, in good faith, relies on a written determination provided by the department of labor and industries and pays its workers, laborers, and mechanics accordingly, but is later found to have not paid the proper prevailing wage rate.

(6) “Unpaid prevailing wages” or "unpaid wages" means the employer fails to pay all of the prevailing rate of wages owed for any workweek by the regularly established pay day for the period in which the workweek ends. Every employer must pay all wages, other than usual benefits, owing to its employees not less than once a month. Every employer must pay all usual benefits owing to its employees by the regularly established deadline for those benefits.

(7) "Rate of contribution" means the effective annual rate of usual benefit contributions for all hours, public and private, worked during the year by an employee (commonly referred to as "annualization" of benefits). The only exemption to the annualization requirements is for defined contribution pension plans that have immediate participation and vesting.

Sec. 3. RCW 39.12.050 and 2009 c 219 s 3 are each amended to read as follows:

(1) Any contractor or subcontractor who files a false statement or fails to file any statement or record required to be filed or fails to post a document required to be posted under this chapter and the rules adopted under this chapter, shall, after a determination to that effect has been issued by the director after hearing under chapter 34.05 RCW, forfeit as a civil penalty the sum of five hundred dollars for each false filing or failure to file or post, and shall not be permitted to bid, or have a bid considered, on any public works project contract until the penalty has been paid in full to the director. The burden of proving, by a preponderance of the evidence, that an error is inadvertent rests with the contractor or subcontractor charged with the error. Civil penalties shall be deposited in the public works administration account.

To the extent that a contractor or subcontractor has not paid wages at the rate due pursuant to RCW 39.12.020, and a finding to that effect has been made as provided by this subsection, such unpaid wages (shall) constitute a lien against the bonds and retainage as provided in RCW 18.27.040, 19.28.041, 39.08.010, and 60.28.011.

(2) If a contractor or subcontractor is found to have violated the provisions of subsection (1) of this section for a second time within a five year period, the contractor or subcontractor (shall) is subject to the sanctions prescribed in subsection (1) of this section and shall not be allowed to bid on any public works contract for one year. The one year period (shall) runs from the date of notice by the director of the determination of noncompliance. When an appeal is taken from the director’s determination, the one year period (shall) commences from the date (of the final determination of the appeal) the notice of violation becomes final.

The director shall issue his or her findings that a contractor or subcontractor has violated the provisions of this subsection after a hearing held subject to the provisions of chapter 34.05 RCW; unless a notice of violation is not timely appealed. A notice of violation not timely appealed is final and binding, and not subject to further appeal.

Sec. 4. RCW 39.12.065 and 2009 c 219 s 4 are each amended to read as follows:

(1) Upon complaint by an interested party, the director of labor and industries shall cause an investigation to be made to determine whether there has been compliance with this chapter and the rules adopted hereunder, and if the investigation indicates that a violation may have occurred, the department of labor and industries may issue a notice of violation for unpaid wages, penalties, and interest on all wages owed at one percent per month. A hearing shall be held following a timely appeal of the notice of violation in accordance with chapter 34.05 RCW. The director shall issue a written determination including his or her findings after the hearing unless a notice of violation is not timely appealed. A notice of violation not timely appealed is final and binding, and not subject to further appeal. A judicial appeal from the director’s determination may be taken in accordance with chapter 34.05 RCW, with the prevailing party entitled to recover reasonable costs and attorneys’ fees.

A complaint concerning nonpayment of the prevailing rate of wage shall be filed with the department of labor and industries no later than (thirty) sixty days from the acceptance date of the public works project. The department may not charge a contractor or subcontractor with a violation of this section when responding to a complaint filed after the sixty-day limit. The failure to timely file such a complaint (shall) does not prohibit the department from investigating the matter and recovering unpaid wages for the worker(s) within two years from the acceptance of the public works contract. The department may not investigate or recover unpaid wages if the complaint is filed after two years from the acceptance of a public works contract. The failure to timely file such a complaint also does not prohibit a claimant from pursuing a private right of action against a contractor or subcontractor for unpaid prevailing wages. The remedy provided by this section is not exclusive and is concurrent with any other remedy provided by law.

(2) To the extent that a contractor or subcontractor has not paid the prevailing rate of wage under a determination issued as provided in subsection (1) of this section, the director shall notify the agency awarding the public works contract of the amount of the violation found, and the awarding agency shall withhold, or in the case of a bond, the director shall proceed against the bond in accordance with the applicable statute to recover, such amount from the following sources in the following order of priority until the total of such amount is withheld:

(a) The retainage or bond in lieu of retainage as provided in RCW 60.28.011;

(b) If the claimant was employed by the contractor or subcontractor on the public works project, the bond filed by the contractor or subcontractor with the department of labor and industries as provided in RCW 18.27.040 and 19.28.041;

(c) A surety bond, or at the contractor’s or subcontractor’s option an escrow account, running to the director in the amount of the violation found; and

(d) That portion of the progress payments which is properly allocable to the contractor or subcontractor who is found to be in violation of this chapter. Under no circumstances shall any portion of the progress payments be withheld that are properly allocable to a contractor, subcontractor, or supplier, that is not found to be in violation of this chapter.

The amount withheld shall be released to the director to distribute in accordance with the director’s determination.

(3) A contractor or subcontractor that is found, in accordance
with subsection (1) of this section, to have violated the requirement to pay the prevailing rate of wage \((\text{shall be})\) is subject to a civil penalty of not less than \((\text{one})\) five thousand dollars or an amount equal to \((\text{twice})\) fifty percent of the total prevailing wage violation found on the contract, whichever is greater, interest on all wages owed at one percent per month, and \((\text{shall be})\) is not \((\text{is})\) permitted to bid, or have a bid considered, on any public works contract until such civil penalty has been paid in full to the director. If a contractor or subcontractor is found to have participated in a violation of the requirement to pay the prevailing rate of wage for a second time within a five-year period, the contractor or subcontractor \((\text{shall be})\) is subject to the sanctions prescribed in this subsection and as an additional sanction \((\text{shall be})\) is not \((\text{is})\) allowed to bid on any public works contract for two years. Civil penalties shall be deposited in the public works administration account. If a previous or subsequent violation of a requirement to pay a prevailing rate of wage under federal or other state law is found against the contractor or subcontractor within five years from a violation under this section, the contractor or subcontractor shall not be allowed to bid on any public works contract for two years. The two-year period runs from the date of notice by the director of the determination of noncompliance. When an appeal is taken from the director’s determination, the two-year period commences from the date the notice of violation becomes final. A contractor or subcontractor \((\text{shall be})\) is not \((\text{is})\) barred from bidding on any public works contract if the contractor or subcontractor relied upon written information from the department to pay a prevailing rate of wage that is later determined to be in violation of this chapter. The civil penalty and sanctions under this subsection \((\text{shall be})\) do not apply to a violation determined by the director to be an inadvertent filing or reporting error. The burden of proving, by a preponderance of the evidence, that an error is inadvertent rests with the contractor or subcontractor charged with the error. To the extent that a contractor or subcontractor has not paid the prevailing wage rate under a determination issued as provided in subsection (1) of this section, the unpaid wages \((\text{shall be})\) constitute a lien against the bonds and retainage as provided herein and in RCW 18.27.040, 19.28.041, 39.08.010, and 60.28.011.

(4) The director may waive or reduce a penalty or additional sanction under this section including, but not limited to, when the director determines the contractor or subcontractor paid all wages and interest or there was an inadvertent filing or reporting error. The director may not waive or reduce interest. The department of labor and industries shall submit a report of the waivers made under this section, including a justification for any waiver made, upon request of an interested party.

(5) If, after the department of labor and industries initiates an investigation and before a notice of violation of unpaid wages, the contractor or subcontractor pays the unpaid wages identified in the investigation, interest on all wages owed at one percent per month, and penalties in the amount of one thousand dollars or twenty percent of the total prevailing wage violation determined by the department of labor and industries, whichever is greater, then the violation is considered resolved without further penalty under subsection (3) of this section.

(6) A contractor or subcontractor may only utilize the process outlined in subsection (5) of this section if the department of labor and industries has not issued a notice of violation that resulted in final judgment under this section against that contractor or subcontractor in the last five-year period. If a contractor or subcontractor utilizes the process outlined in subsection (5) of this section for a second time within a five-year period, the contractor or subcontractor is subject to the sanctions prescribed in subsection (3) of this section and may not be allowed to bid on any public works contract for two years.

**NEW SECTION.** Sec. 5. A new section is added to chapter 39.12 RCW to read as follows:

(1) Each contractor, subcontractor, or employer shall keep accurate payroll records for three years from the date of acceptance of the public works project by the contract awarding agency, showing the employee’s full name, address, social security number, trade or occupation, classification, straight and overtime rates, hourly rate of usual benefits, and hours worked each day and week, including any employee authorizations executed pursuant to RCW 49.28.065, and the actual gross wages, itemized deductions, withholdings, and net wages paid, for each laborer, worker, and mechanic employed by the contractor for work performed on a public works project.

(2) A contractor, subcontractor, or employer shall file a copy of its certified payroll records using the department of labor and industries’ online system at least once per month. If the department of labor and industries’ online system is not used, a contractor, subcontractor, or employer shall file a copy of its certified payroll records directly with the department of labor and industries in a format approved by the department of labor and industries at least once per month.

(3) A contractor, subcontractor, or employer’s noncompliance with this section constitutes a violation of RCW 39.12.050.

**NEW SECTION.** Sec. 6. This act takes effect January 1, 2020.

(1) A person who under RCW 71.05.150 or 71.05.153 has been detained at a facility for seventy-two-hour evaluation and treatment on the grounds that the person presents a likelihood of serious harm, but who has not been subsequently committed for involuntary treatment under RCW 71.05.240, may not have in his or her possession or control any firearm for a period of six months after the date that the person is detained.

(2) Before the discharge of a person who has been initially detained under RCW 71.05.150 or 71.05.153 on the grounds that the person presents a likelihood of serious harm, but has not been subsequently committed for involuntary treatment under RCW 71.05.240, the designated crisis responder shall inform the person orally and in writing that:
   (a) He or she is prohibited from possessing or controlling any firearm for a period of six months;
   (b) He or she must immediately surrender, for the six-month period, any concealed pistol license and any firearms that the person possesses or controls to the sheriff of the county or the chief of police of the municipality in which the person is domiciled;
   (c) After the six-month suspension, the person’s right to control or possess any firearm or concealed pistol license shall be automatically restored, absent further restrictions imposed by other law; and
   (d) Upon discharge, the person may petition the superior court to have his or her right to possess a firearm restored before the six-month suspension period has elapsed by following the procedures provided in RCW 9.41.047(3).

(3)(a) A law enforcement agency holding any firearm that has been surrendered pursuant to this section shall, upon the request of the person from whom it was obtained, return the firearm at the expiration of the six-month suspension period, or prior to the expiration of the six-month period if the person’s right to possess firearms has been restored by the court under RCW 9.41.047. NEW SECTION. Sec. 2. A new section is added to chapter 9.41 RCW to read as follows:

(1) When a designated crisis responder files a petition for initial detention under RCW 71.05.150 or 71.05.153 on the grounds that the person presents a likelihood of serious harm, the petition shall include a copy of the person’s driver’s license or identical or comparable information. If the person is not subsequently committed for involuntary treatment under RCW 71.05.240, the court shall forward within three business days of the probable cause hearing a copy of the person’s driver’s license or identical, or comparable information, along with the date of release from the facility, to the department of licensing and to the state patrol, who shall forward the information to the national instant criminal background check system index, denied persons file, created by the federal Brady handgun violence prevention act (P.L. 103-159). Upon expiration of the six-month period during which the person’s right to possess a firearm is suspended as provided in section 1 of this act, the Washington state patrol shall forward to the national instant criminal background check system index, denied persons file, notice that the person’s right to possess a firearm has been restored.

(2) Upon receipt of the information provided for by subsection (1) of this section, the department of licensing shall determine if the detained person has a concealed pistol license. (3) A person who is prohibited from possessing a firearm by reason of having been detained under RCW 71.05.150 or 71.05.153 may, upon discharge, petition the superior court to have his or her right to possess a firearm restored before the six-month suspension period has elapsed by following the procedures provided in RCW 9.41.047(3).

Sec. 3. RCW 9.41.047 and 2018 c 201 s 6001 are each amended to read as follows:

For purposes of this section a convicting court includes a court in which a person has been found not guilty by reason of insanity.
   (b) The convicting or committing court shall forward within three judicial days after conviction or entry of the commitment order a copy of the person’s driver’s license or identical, or comparable information, along with the date of conviction or commitment, to the department of licensing. When a person is committed by court order under RCW 71.05.240, 71.05.320, 71.34.740, 71.34.750, or chapter 10.77 RCW, for mental health treatment, the committing court shall notify the person, orally and in writing, that the person must immediately surrender any concealed pistol license and that the person may not possess a firearm unless his or her right to do so is restored by a court of record.

(2) Upon receipt of the information provided for by subsection (1) of this section, the department of licensing shall determine if the convicted or committed person has a concealed pistol license. If the person does have a concealed pistol license, the department of licensing shall immediately notify the license-issuing authority
which, upon receipt of such notification, shall immediately revoke the license.

(3)(a) A person who is prohibited from possessing a firearm, by reason of having been involuntarily committed for mental health treatment under RCW 71.05.240, 71.05.320, 71.34.740, 71.34.750, chapter 10.77 RCW, or equivalent statutes of another jurisdiction, or by reason of being detained under RCW 71.05.150 or 71.05.153, may, upon discharge, petition the superior court to have his or her right to possess a firearm restored.

(b) The petition must be brought in the superior court that ordered the involuntary commitment or the superior court of the county in which the petitioner resides.

(c) Except as provided in (d) and (e) of this subsection, the court shall restore the petitioner’s right to possess a firearm if the petitioner proves by a preponderance of the evidence that:

(i) The petitioner is no longer required to participate in court-ordered inpatient or outpatient treatment;

(ii) The petitioner has successfully managed the condition related to the commitment or detention;

(iii) The petitioner no longer presents a substantial danger to himself or herself, or the public; and

(iv) The symptoms related to the commitment or detention are not reasonably likely to recur.

(d) If a preponderance of the evidence in the record supports a finding that the person petitioning the court has engaged in violence and that it is more likely than not that the person will engage in violence after his or her right to possess a firearm is restored, the person shall bear the burden of proving by clear, cogent, and convincing evidence that he or she does not present a substantial danger to the safety of others.

(e) If the petitioner seeks restoration after having been detained under RCW 71.05.150 or 71.05.153, the state shall bear the burden of proof to show, by a preponderance of the evidence, that the petitioner does not meet the restoration criteria in (c) of this subsection.

(i) When a person’s right to possess a firearm has been restored under this subsection, the court shall forward, within three judicial days after entry of the restoration order, notification that the person’s right to possess a firearm has been restored to the department of licensing, the health care authority, and the national instant criminal background check system index, denied persons file. In the case of a person whose right to possess a firearm has been suspended for six months as provided in section 1 of this act, the department of licensing shall forward notification of the restoration order to the licensing authority, which, upon receipt of such notification, shall immediately lift the suspension, restoring the license.

(4) No person who has been found not guilty by reason of insanity may petition a court for restoration of the right to possess a firearm unless the person meets the requirements for the restoration of the right to possess a firearm under RCW 9.41.040(4).

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2019, in the omnibus appropriations act, this act is null and void."

MESSAGE FROM THE HOUSE

April 10, 2019

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5127 with the following amendment(s): 5127-S.E AMH APP H2706.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 46.63.110 and 2012 c 82 s 1 are each amended to read as follows:

(1) A person found to have committed a traffic infraction shall be assessed a monetary penalty. No penalty may exceed two hundred and fifty dollars for each offense unless authorized by this chapter or title.

(2) The monetary penalty for a violation of (a) RCW 46.55.105(2) is two hundred fifty dollars for each offense; (b) RCW 46.61.210(1) is five hundred dollars for each offense. No penalty assessed under this subsection (2) may be reduced.

(3) The supreme court shall prescribe by rule a schedule of monetary penalties for designated traffic infractions. This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme
court to adjust this schedule every two years for inflation.

(4) There shall be a penalty of twenty-five dollars for failure to respond to a notice of traffic infraction except where the infraction relates to parking as defined by local law, ordinance, regulation, or resolution or failure to pay a monetary penalty imposed pursuant to this chapter. A local legislative body may set a monetary penalty not to exceed twenty-five dollars for failure to respond to a notice of traffic infraction relating to parking as defined by local law, ordinance, regulation, or resolution. The local court, whether a municipal, police, or district court, shall impose the monetary penalty set by the local legislative body.

(5) Monetary penalties provided for in chapter 46.70 RCW which are civil in nature and penalties which may be assessed for violations of chapter 46.44 RCW relating to size, weight, and load of motor vehicles are not subject to the limitation on the amount of monetary penalties which may be imposed pursuant to this chapter.

(6) Whenever a monetary penalty, fee, cost, assessment, or other monetary obligation is imposed by a court under this chapter, it is immediately payable as and is enforceable as a civil judgment under Title 6 RCW. If the court determines, in its discretion, that a person is not able to pay a monetary obligation in full, and not more than one year has passed since the later of July 1, 2005, or the date the monetary obligation initially became due and payable, the court shall enter into a payment plan with the person, unless the person has previously been granted a payment plan with respect to the same monetary obligation, or unless the person is in noncompliance of any existing or prior payment plan, in which case the court may, at its discretion, implement a payment plan. If the court has notified the department that the person has failed to pay or comply and the person has subsequently entered into a payment plan and made an initial payment, the court shall notify the department that the infraction has been adjudicated, and the department shall rescind any suspension of the person’s driver’s license or driver’s privilege based on failure to respond to that infraction. “Payment plan,” as used in this section, means a plan that requires reasonable payments based on the financial ability of the person to pay. The person may voluntarily pay an amount at any time in addition to the payments required under the payment plan.

(a) If a payment required to be made under the payment plan is delinquent or the person fails to complete a community restitution program on or before the time established under the payment plan, unless the court determines good cause therefor and adjusts the payment plan or the community restitution plan accordingly, the court may refer the unpaid monetary penalty, fee, cost, assessment, or other monetary obligation for civil enforcement until all monetary obligations, including those imposed under subsections (3) and (4) of this section, have been paid, and court authorized community restitution has been completed, or until the court has entered into a new time payment or community restitution agreement with the person. For those infractions subject to suspension under RCW 46.20.289, the court shall notify the department of the person’s failure to meet the conditions of the plan, and the department shall suspend the person’s driver’s license or driving privileges.

(b) If a person has not entered into a payment plan with the court and has not paid the monetary obligation in full on or before the time established for payment, the court may refer the unpaid monetary penalty, fee, cost, assessment, or other monetary obligation to a collections agency until all monetary obligations have been paid, including those imposed under subsections (3) and (4) of this section, or until the person has entered into a payment plan under this section. For those infractions subject to suspension under RCW 46.20.289, the court shall notify the department of the person’s delinquency, and the department shall suspend the person’s driver’s license or driving privileges.

(c) If the payment plan is to be administered by the court, the court may assess the person a reasonable administrative fee to be wholly retained by the city or county with jurisdiction. The administrative fee shall not exceed ten dollars per infraction or twenty-five dollars per payment plan, whichever is less.

(d) Nothing in this section precludes a court from contracting with outside entities to administer its payment plan system. When outside entities are used for the administration of a payment plan, the court may assess the person a reasonable fee for such administrative services, which fee may be calculated on a periodic, percentage, or other basis.

(e) If a court authorized community restitution program for offenders is available in the jurisdiction, the court may allow conversion of all or part of the monetary obligations due under this section to court authorized community restitution in lieu of time payments if the person is unable to make reasonable time payments.

The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. If a court authorized community restitution program for offenders is available in the jurisdiction, the court shall allow offenders to offset all or a part of the penalty due under this subsection (8) by participation in the court authorized community restitution program.

(b) Eight dollars and fifty cents of the additional penalty under (a) of this subsection shall be remitted to the state treasurer. The remaining revenue from the additional penalty must be remitted under chapters 2.08, 3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this subsection to the state treasurer must be deposited in the state general fund. The balance of the revenue received by the county or city treasurer under this subsection must be deposited into the county or city current expense fund. Moneys retained by the city or county under this subsection shall constitute reimbursement for any liabilities under RCW 43.135.060.

(9) If a legal proceeding, such as garnishment, has commenced to collect any delinquent amount owed by the person for any penalty imposed by the court under this section, the court may, at its discretion, enter into a payment plan.

(10) The monetary penalty for violating RCW 46.37.395 is: (a) Two hundred fifty dollars for the first violation; (b) five hundred dollars for the second violation; and (c) seven hundred fifty dollars for each violation thereafter.

April 10, 2019

MR. PRESIDENT:
The House passed ENGROSSED SENATE BILL NO. 5210 with the following amendment(s): 5210.E AMH HCW H2611.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that approximately twenty percent of the population have hearing loss, including more than six hundred fifty thousand Washington state residents who have been diagnosed with hearing loss. The number is rising; the aging baby boomer generation is increasing age-related hearing loss exponentially, and hearing loss has increased among children and youth in the last decade. As these trends continue, telecoil technology has the potential to benefit more people, but only if consumers are made aware of the technology and its benefits.

The legislature finds that the federal Americans with disabilities act of 1990 was amended in 2010 to require assistive listening systems in places of public assembly, served by a public address system, to be hearing aid compatible. Currently, the telecoil is the only component within a consumer hearing instrument that enables this mandated compatibility. Without a telecoil-enabled hearing instrument a person cannot effectively access mandated assistive listening systems.

The legislature finds that bluetooth technology is evolving, but it is still generally not suited for long range transmission in a large venue like an auditorium. To date, hearing aid bluetooth technology does not meet compliance standards for assistive listening system requirements.

Therefore, the legislature intends to increase consumer awareness of benefits and uses of the different types of hearing instruments and technologies.

**NEW SECTION. Sec. 2.** A new section is added to chapter 18.35 RCW to read as follows:

(1) Any person who engages in fitting and dispensing of hearing instruments shall:

(a) Prior to initial fitting and purchase, notify a person seeking to purchase a hearing instrument, both orally and in writing, about the uses, benefits, and limitations of current hearing assistive technologies, as defined by the department of health in rule.

(b) Provide to each person who enters into an agreement to purchase a hearing instrument a receipt, which must be signed by the purchaser at the time of the purchase, containing language that verifies that prior to initial fitting and purchase the consumer was informed, both orally and in writing, about the uses, benefits, and limitations of current hearing assistive technologies, as defined by the department of health in rule.

(2) The department may adopt rules to create a standard receipt form that persons required to provide notice under this section may provide to purchasers, as required in subsection (1)(a) of this section.

(3) A person required to provide written notice in subsection (1) of this section may produce written materials, use materials produced by hearing instrument manufacturers or others, or use the materials created by the office of the deaf and hard of hearing, as required in section 3 of this act.

(4) This section may not be construed to create a private right of action or claim against any person engaging in the fitting and dispensing of hearing instruments.

(5) The department must adopt rules necessary to implement this section. The department may consider a number of factors in defining current hearing assistive technologies, but must consider whether hearing assistive technologies are compatible with assistive listening systems that are compliant with the Americans with disabilities act.

**NEW SECTION.** Sec. 3. A new section is added to chapter 43.20A RCW to read as follows:

The office of the deaf and hard of hearing shall develop educational materials to be distributed by hearing aid dispensers, including audiologists, to persons with hearing loss that explains the uses, benefits, and limitations of current hearing assistive technologies as defined by the department of health in rule.”

MESSAGE FROM THE HOUSE

April 4, 2019

MR. PRESIDENT:
The House passed SENATE BILL NO. 5233 with the following amendment(s): 5233 AMH LAWS H2438.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec. 1. The legislature finds that Initiative 1433 is a good law approved by the voters to establish sick leave benefits for workers. The law creates necessary worker protections while simultaneously reducing the spread of communicable sickness and disease and addressing other public health and safety concerns.

However, the legislature finds that this new law does not provide for flexibility and portability of benefits for construction workers who may work for multiple employers and who already negotiate wages and benefits with their employers. Workers covered under a collective bargaining agreement for the construction industry should be allowed the ability to negotiate comparable benefits that ensures that eligibility can be achieved and that the benefits are portable from employer to employer.

Sec. 2.  RCW 49.46.020 and 2017 c 2 s 3 are each amended to read as follows:

(1)(a) Beginning January 1, 2017, and until January 1, 2018, every employer shall pay to each of his or her employees who has reached the age of eighteen years wages at a rate of not less than eleven dollars per hour.

(b) Beginning January 1, 2018, and until January 1, 2019, every employer shall pay to each of his or her employees who has reached the age of eighteen years wages at a rate of not less than eleven dollars and fifty cents per hour.

(c) Beginning January 1, 2019, and until January 1, 2020, every employer shall pay to each of his or her employees who has reached the age of eighteen years wages at a rate of not less than twelve dollars per hour.

(d) Beginning January 1, 2020, and until January 1, 2021, every employer shall pay to each of his or her employees who has reached the age of eighteen years wages at a rate of not less than thirteen dollars and fifty cents per hour.

(2)(a) Beginning January 1, 2021, and each following January 1st as set forth under (b) of this subsection, every employer shall pay to each of his or her employees who has reached the age of eighteen years wages at a rate of not less than the amount established under (b) of this subsection.

The legislature finds that the provisions of this section are necessary to effectuate the provisions of this act and shall have effect for the purpose of making this act effective without a change in its language.

NEW SECTION. Sec. 3. The construction industry, in cooperation with businesses and labor organizations, shall develop a König for adoption of the provisions of this act in the construction industry.

Sec. 4.  This act shall take effect January 1, 2017.

In Witness Whereof, I have hereunto set my hand and caused the seal of the State of Washington to be affixed this 4th day of April, 2019.

GAI A. SLEET
Secretary of State
(b) On September 30, 2020, and on each following September 30th, the department of labor and industries shall calculate an adjusted minimum wage rate to maintain employee purchasing power by increasing the current year’s minimum wage rate by the rate of inflation. The adjusted minimum wage rate shall be calculated to the nearest cent using the consumer price index for urban wage earners and clerical workers, CPI-W, or a successor index, for the twelve months prior to each September 1st as calculated by the United States department of labor. Each adjusted minimum wage rate calculated under this subsection (2)(b) takes effect on the following January 1st.

(3) An employer must pay to its employees: (a) All tips and gratuities; and (b) all service charges as defined under RCW 49.46.160 except those that, pursuant to RCW 49.46.160, are itemized as not being payable to the employee or employees servicing the customer. Tips and service charges paid to an employee are in addition to, and may not count towards, the employee’s hourly minimum wage.

(4) Beginning January 1, 2018, except as provided in section 4 of this act, every employer must provide to each of its employees paid sick leave as provided in RCW 49.46.200 and 49.46.210.

(5) The director shall by regulation establish the minimum wage for employees under the age of eighteen years.

Sec. 3. RCW 49.46.210 and 2017 c 2 s 5 are each amended to read as follows:

(1) Beginning January 1, 2018, except as provided in section 4 of this act, every employer shall provide each of its employees paid sick leave as follows:

(a) An employee shall accrue at least one hour of paid sick leave for every forty hours worked as an employee. An employer may provide paid sick leave in advance of accrual provided that such front-loading meets or exceeds the requirements of this section for accrual, use, and carryover of paid sick leave.

(b) An employee is authorized to use paid sick leave for the following reasons:

(i) An absence resulting from an employee’s mental or physical illness, injury, or health condition; to accommodate the employee’s need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or an employee’s need for preventive medical care;

(ii) To allow the employee to provide care for a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or care for a family member who needs preventive medical care; and

(iii) When the employee’s place of business has been closed by order of a public official for any health-related reason, or when an employee’s child’s school or place of care has been closed for such a reason.

(c) An employee is authorized to use paid sick leave for absences that qualify for leave under the domestic violence leave act, chapter 49.76 RCW.

(d) An employee is entitled to use accrued paid sick leave beginning on the ninetieth calendar day after the commencement of his or her employment.

(e) Employers are not prevented from providing more generous paid sick leave policies or permitting use of paid sick leave for additional purposes.

(f) An employer may require employees to give reasonable notice of an absence from work, so long as such notice does not interfere with an employee’s lawful use of paid sick leave.

(g) For absences exceeding three days, an employer may require verification that an employee’s use of paid sick leave is for an authorized purpose. If an employer requires verification, verification must be provided to the employer within a reasonable time period during or after the leave. An employer’s requirements for verification may not result in an unreasonable burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law.

(h) An employer may not require, as a condition of an employee taking paid sick leave, that the employee search for or find a replacement worker to cover the hours during which the employee is on paid sick leave.

(i) For each hour of paid sick leave used, an employee shall be paid the greater of the minimum hourly wage rate established in this chapter or his or her normal hourly compensation. The employer is responsible for providing regular notification to employees about the amount of paid sick leave available to the employee.

(j) Unused paid sick leave carries over to the following year, except that an employer is not required to allow an employee to carry over paid sick leave in excess of forty hours.

(k) This section does not require an employer to provide financial or other reimbursement for accrued and unused paid sick leave to any employee upon the employee’s termination, resignation, retirement, or other separation from employment. When there is a separation from employment and the employee is rehired within twelve months of separation by the same employer, whether at the same or a different business location of the employer, previously accrued unused paid sick leave shall be reinstated and the previous period of employment shall be counted for purposes of determining the employee’s eligibility to use paid sick leave under subsection (1)(d) of this section.

(2) For purposes of this section, “family member” means any of the following:

(a) A child, including a biological, adopted, or foster child, stepchild, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent, regardless of age or dependency status;

(b) A biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child;

(c) A spouse;

(d) A registered domestic partner;

(e) A grandparent;

(f) A grandchild; or

(g) A sibling.

(3) An employer may not adopt or enforce any policy that counts the use of paid sick leave time as an absence that may lead to or result in discipline against the employee.

(4) An employer may not discriminate or retaliate against an employee for his or her exercise of any rights under this chapter including the use of paid sick leave.

NEW SECTION. Sec. 4. A new section is added to chapter 49.46 RCW to read as follows:

(1) The sick leave provisions of RCW 49.46.200 through 49.46.830 shall not apply to construction workers covered by a collective bargaining agreement, provided:

(a) The union signatory to the collective bargaining agreement is an approved referral union program authorized under RCW 50.20.010 and in compliance with WAC 192-210-110; and

(b) The collective bargaining agreement establishes equivalent sick leave provisions, as provided in subsection (2) of this section; and

(c) The requirements of RCW 49.46.200 through 49.46.830 are expressly waived in the collective bargaining agreement in clear and unambiguous terms or in an addendum to an existing agreement including an agreement that is open for negotiation
provided the sick leave portions were previously ratified by the membership.

(2) Equivalent sick leave provisions provided by a collective bargaining agreement must meet the requirements of RCW 49.46.200 through 49.46.830 and the rules adopted by the department of labor and industries, except the payment of leave at the normal hourly compensation may occur before usage.

Correct the title.

MESSAGE FROM THE HOUSE

April 16, 2019

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5380 with the following amendment(s): 5380-S AMH ENGR H2881.E

Strike everything after the enacting clause and insert the following:

“NEW SECTION. Sec. 1. The legislature declares that opioid use disorder is a public health crisis. State agencies must increase access to evidence-based opioid use disorder treatment services, promote coordination of services within the substance use disorder treatment and recovery support system, strengthen partnerships between opioid use disorder treatment providers and their allied community partners, expand the use of the Washington state prescription drug monitoring program, and support comprehensive school and community-based substance use prevention services.

This act leverages the direction provided by the Washington state interagency opioid working plan in order to address the opioid epidemic challenging communities throughout the state.

Agencies administering state purchased health care programs, as defined in RCW 41.05.011, shall coordinate activities to implement the provisions of this act and the Washington state interagency opioid working plan, explore opportunities to address the opioid epidemic, and provide status updates as directed by the joint legislative executive committee on health care oversight to promote legislative and executive coordination.

Sec. 2. 2005 c 70 s 1 (uncodified) is amended to read as follows:

The legislature finds that drug use among pregnant (women) individuals is a significant and growing concern statewide. (The legislature further finds that methadone, although an effective alternative to other substance use treatments, can result in babies who are exposed to methadone while in uteri being born addicted and facing the painful effects of withdrawal.) Evidence informed group prenatal care reduces preterm birth for infants, and increases maternal social cohesion and support during pregnancy and postpartum, which is good for maternal mental health.

It is the intent of the legislature to notify all pregnant (mothers) individuals who are receiving (methadone treatment) medication for the treatment of opioid use disorder of the risks and benefits (methadone) such medication could have on their baby during pregnancy through birth and to inform them of the potential need for the newborn baby to be (taken care of) treated in a hospital setting or in a specialized supportive environment designed specifically to address (newborn addiction problems) and manage neonatal opioid or other drug withdrawal syndromes.

(5) An individual who violates this section commits a civil violation. Disciplinary authorities may impose a fine of two
hundred fifty dollars per violation, not to exceed five thousand dollars per calendar year. Fines imposed under this section must be allocated to the health professions account.

(6) Systems used for the electronic communication of prescription information must:

(a) Comply with federal laws and rules for electronically communicated prescriptions for controlled substances included in Schedules II through V, as required by Title 21 C.F.R. parts 1300, 1304, 1306, and 1311;

(b) Meet the national council for prescription drug prescriber/pharmacist interface SCRIPT standard as determined by the department in rule;

(c) Have adequate security and systems safeguards designed to prevent and detect unauthorized access, modification, or manipulation of these records;

(d) Provide an explicit opportunity for practitioners to indicate their preference on whether a therapeutically equivalent generic drug may be substituted; and

(e) Include the capability to input and track partial fills of a controlled substance prescription in accordance with section 7 of this act.

NEW SECTION. Sec. 17. A new section is added to chapter 69.50 RCW to read as follows:

(1) Any practitioner who writes the first prescription for an opioid during the course of treatment to any patient must, under professional rules, discuss the following with the patient:

(a) The risks of opioids, including risk of dependence and overdose;

(b) Pain management alternatives to opioids, including nonopioid pharmacological treatments, and nonpharmacological treatments available to the patient, at the discretion of the practitioner and based on the medical condition of the patient; and

(c) A written copy of the warning language provided by the department under section 11 of this act.

(2) If the patient is under eighteen years old or is not competent, the discussion required by subsection (1) of this section must include the patient’s parent, guardian, or the person identified in RCW 7.70.065, unless otherwise provided by law.

(3) The practitioner shall document completion of the requirements in subsection (1) of this section in the patient’s health care record.

(4) To fulfill the requirements of subsection (1) of this section, a practitioner may designate any individual who holds a credential issued by a disciplining authority under RCW 7.70.065, unless otherwise provided by law.

(5) Violation of this section constitutes unprofessional conduct under chapter 18.130 RCW.

(6) This section does not apply to:

(a) Opioid prescriptions issued for the treatment of pain associated with terminal cancer or other terminal diseases, or for palliative, hospice, or other end-of-life care of where the practitioner determines the health, well-being, or care of the patient would be compromised by the requirements of this section and documents such basis for the determination in the patient’s health care record; or

(b) Administration of an opioid in an inpatient or outpatient treatment setting.

(7) This section does not apply to practitioners licensed under chapter 18.92 RCW.

(8) The department shall review this section by March 31, 2026, and report to the appropriate committees of the legislature on whether this section should be retained, repealed, or amended.

Sec. 18. RCW 70.41.480 and 2015 c 234 s 1 are each amended to read as follows:

(1) The legislature finds that high quality, safe, and compassionate health care services for patients of Washington state must be available at all times. The legislature further finds that there is a need for patients being released from hospital emergency departments to maintain access to emergency medications when community or hospital pharmacy services are not available, including medication for opioid overdose reversal and for the treatment for opioid use disorder as appropriate. It is the intent of the legislature to accomplish this objective by allowing practitioners with prescriptive authority to prescribe limited amounts of prepackaged emergency medications to patients being discharged from hospital emergency departments when access to community or outpatient hospital pharmacy services is not otherwise available.

(2) A hospital may allow a practitioner to prescribe prepackaged emergency medications and allow a practitioner or a registered nurse licensed under chapter 18.79 RCW to distribute prepackaged emergency medications to patients being discharged from a hospital emergency department in the following circumstances:

(a) During times when community or outpatient hospital pharmacy services are not available within fifteen miles by road; or

(b) When, in the judgment of the practitioner and consistent with hospital policies and procedures, a patient has no reasonable ability to reach the local community or outpatient pharmacy; or

(c) When, in the judgment of the practitioner and consistent with hospital policies and procedures, a patient is at risk of opioid overdose and the prepackaged emergency medication being distributed is an opioid overdose reversal medication. The labeling requirements of RCW 69.41.050 and 18.64.246 do not apply to opioid overdose reversal medications dispensed, distributed, or delivered pursuant to a prescription, collaborative drug therapy agreement, standing order, or protocol issued in accordance with this section. The individual or entity that dispenses, distributes, or delivers an opioid overdose reversal medication as authorized by this section must ensure that directions for use are provided.

(3) A hospital may only allow this practice if: The director of the hospital pharmacy, in collaboration with appropriate hospital medical staff, develops policies and procedures regarding the following:

(a) Development of a list, preapproved by the pharmacy director, of the types of emergency medications to be prepackaged and distributed;

(b) Assurances that emergency medications to be prepackaged pursuant to this section are prepared by a pharmacist or under the supervision of a pharmacist licensed under chapter 18.64 RCW;

(c) Development of specific criteria under which emergency prepackaged medications may be prescribed and distributed consistent with the limitations of this section;

(d) Assurances that any practitioner authorized to prescribe prepackaged emergency medication or any nurse authorized to distribute prepackaged emergency medication is trained on the types of medications available and the circumstances under which they may be distributed;

(e) Procedures to require practitioners intending to prescribe prepackaged emergency medications pursuant to this section to maintain a valid prescription either in writing or electronically in the patient’s records prior to a medication being distributed to a patient;

(f) Establishment of a limit of no more than a forty-eight hour supply of emergency medication as the maximum to be dispensed to a patient, except when community or hospital pharmacy services will not be available within forty-eight hours. In no case may the policy allow a supply exceeding ninety-six hours be
dispensed;

(g) Assurances that prepackaged emergency medications will be kept in a secure location in or near the emergency department in such a manner as to preclude the necessity for entry into the pharmacy; and

(h) Assurances that nurses or practitioners will distribute prepackaged emergency medications to patients only after a practitioner has counseled the patient on the medication.

(((424)) (4) The delivery of a single dose of medication for immediate administration to the patient is not subject to the requirements of this section.

(((444)) (5) Nothing in this section restricts the authority of a practitioner in a hospital emergency department to distribute opioid overdose reversal medication under RCW 69.41.095.

(6) For purposes of this section:

(a) "Emergency medication" means any medication commonly prescribed to emergency ((((444))) department) patients, including those drugs, substances or immediate precursors listed in schedules II through V of the uniform controlled substances act, chapter 69.50 RCW, as now or hereafter amended.

(b) "Distribute" means the delivery of a drug or device other than by administering or dispensing.

(c) "Practitioner" means any person duly authorized by law or rule in the state of Washington to prescribe drugs as defined in RCW 18.64.011(((424))) (29).

(d) "Nurse" means a registered nurse as defined in RCW 18.79.020.

Sec. 19. RCW 70.168.090 and 2010 c 52 s 5 are each amended to read as follows:

(1) (a) By July 1991, the department shall establish a statewide data registry to collect and analyze data on the incidence, severity, and causes of trauma, including traumatic brain injury. The department shall collect additional data on traumatic brain injury should additional data requirements be enacted by the legislature. The registry shall be used to improve the availability and delivery of prehospital and hospital trauma care services. Specific data elements of the registry shall be defined by rule by the department. To the extent possible, the department shall coordinate data collection from hospitals for the trauma registry with the health care data system authorized in chapter 70.170 RCW. Every hospital, facility, or health care provider authorized to provide level I, II, III, IV, or V trauma care services, level I, II, or III pediatric trauma care services, level I, level I-pediatric, II, or III trauma-related rehabilitative services, and prehospital trauma-related services in the state shall furnish data to the registry. All other hospitals and prehospital providers shall furnish trauma data as required by the department by rule.

(b) The department may respond to requests for data and other information from the registry for special studies and analysis consistent with requirements for confidentiality of patient and quality assurance records. The department may require requestors to pay any or all of the reasonable costs associated with such requests that might be approved.

(2) The department must establish a statewide electronic emergency medical services data system and adopt rules requiring licensed ambulance and aid services to report and furnish patient encounter data to the electronic emergency medical services data system. The data system must be used to improve the availability and delivery of prehospital emergency medical services. The department must establish in rule the specific data elements of the data system and secure transport methods for data. The data collected must include data on suspected drug overdoses for the purposes of including, but not limited to, identifying individuals to engage substance use disorder peer professionals, patient navigators, outreach workers, and other professionals as appropriate to prevent further overdoses and to induce into treatment and provide other needed supports as may be available.

(3) In each emergency medical services and trauma care planning and service region, a regional emergency medical services and trauma care systems quality assurance program shall be established by those facilities authorized to provide levels I, II, and III trauma care services. The systems quality assurance program shall evaluate trauma care delivery, patient care outcomes, and compliance with the requirements of this chapter. The systems quality assurance program may also evaluate emergency cardiac and stroke care delivery. The emergency medical services medical program director and all other health care providers and facilities who provide trauma and emergency cardiac and stroke care services within the region shall be invited to participate in the regional emergency medical services and trauma care quality assurance program.

(((424)) (4) Data elements related to the identification of individual patient’s, provider’s and facility’s care outcomes shall be confidential, shall be exempt from RCW 42.56.030 through 42.56.570 and 42.17.350 through 42.17.450, and shall not be subject to discovery by subpoena or admissible as evidence.

(((444)) (5) Patient care quality assurance proceedings, records, and reports developed pursuant to this section are confidential, except from chapter 42.56 RCW, and are not subject to discovery by subpoena or admissible as evidence(44) in any civil action, except, after in camera review, pursuant to a court order which provides for the protection of sensitive information of interested parties including the department: (a) In actions arising out of the department’s designation of a hospital or health care facility pursuant to RCW 70.168.070; (b) in actions arising out of the department’s revocation or suspension of designation status of a hospital or health care facility under RCW 70.168.070; (c) in actions arising out of the department’s licensing or verification of an ambulance or aid service pursuant to RCW 18.73.030 or 70.168.080; (d) in actions arising out of the certification of a medical program director pursuant to RCW 18.71.212; or (((44))) (e) in actions arising out of the restriction or revocation of the clinical or staff privileges of a health care provider as defined in RCW 7.70.020 (1) and (2), subject to any further restrictions on disclosure in RCW 4.24.250 that may apply. Information that identifies individual patients shall not be publicly disclosed without the patient’s consent.

Sec. 20. RCW 70.225.010 and 2007 c 259 s 42 are each amended to read as follows:

(1) The department shall establish and maintain a prescription monitoring program to monitor the prescribing and dispensing of all Schedules II, III, IV, and V controlled substances and any additional drugs identified by the pharmacy quality assurance commission as demonstrating a potential for abuse by all professionals licensed to prescribe or dispense such substances in this state. The program shall be designed to improve health care quality and effectiveness by reducing abuse of controlled substances, reducing duplicative prescribing and overprescribing of controlled substances, and improving controlled substance prescribing practices with the intent of eventually establishing an electronic database available in real time to dispensers and prescribers of controlled substances. As much as possible, the department should establish a common database with other states. This program’s management and operations shall be funded entirely from the funds in the account established under RCW 74.09.215. Nothing in this chapter prohibits voluntary contributions from private individuals and business entities as defined under Title 23, 23B, 24, or 25 RCW to assist in funding the prescription monitoring program.

(2) Except as provided in subsection (4) of this section, each dispenser shall submit to the department by electronic means information regarding each prescription dispensed for a drug included under subsection (1) of this section. Drug prescriptions for more than one day use should be reported. The information submitted for each prescription shall include, but not be limited to:

(a) Patient identifier;
(b) Drug dispensed;
(c) Date of dispensing;
(d) Quantity dispensed;
(e) Prescriber; and
(f) Dispenser.

(b) Beginning January 1, 2021, each dispenser must submit the information as soon as readily available, but no later than one business day from the date of distributing, and in accordance with transmission methods established by the department.

(4) The data submission requirements of subsections (1) through (3) of this section do not apply to:

(a) Medications provided to patients receiving inpatient services provided at hospitals licensed under chapter 70.41 RCW; or patients of such hospitals receiving services at the clinics, day surgery areas, or other settings within the hospital’s license where the medications are administered in single doses;
(b) Pharmacies operated by the department of corrections for the purpose of providing medications to offenders in department of corrections institutions who are receiving pharmaceutical services from a department of corrections pharmacy, except that the department of corrections must submit data related to each offender’s current prescriptions for controlled substances upon the offender’s release from a department of corrections institution; or
(c) Veterinarians licensed under chapter 18.92 RCW. The department, in collaboration with the veterinary board of governors, shall establish alternative data reporting requirements for veterinarians that allow veterinarians to report:

(i) By either electronic or nonelectronic methods;
(ii) Only those data elements that are relevant to veterinary practices and necessary to accomplish the public protection goals of this chapter; and

(iii) No more frequently than once every three months and no less frequently than once every six months.

(5) The department shall continue to seek federal grants to support the activities described in chapter 259, Laws of 2007. The department may not require a practitioner or a pharmacist to pay a fee or tax specifically dedicated to the operation and management of the system.

NEW SECTION. Sec. 22. A new section is added to chapter 70.225 RCW to read as follows:

(1) In order to expand integration of prescription monitoring program data into certified electronic health record technologies, the department must collaborate with health professional and facility associations, vendors, and others to:

(a) Conduct an assessment of the current status of integration;
(b) Provide recommendations for improving integration among small and rural health care facilities, offices, and clinics;
(c) Comply with federal prescription drug monitoring program qualification requirements under section 1944 of the federal substance use-disorder prevention that promotes opioid recovery and treatment for patients and communities act of 2018 to facilitate eligibility for federal grants and establish a program to provide financial assistance to small and rural health care facilities and clinics with integration as funding is available, especially under federal programs;
(d) Conduct security assessments of other commonly used platforms for integrating prescription monitoring program data with certified electronic health records for possible use in Washington; and

(e) Assess improvements to the prescription monitoring program to establish a modality to identify patients that do not wish to receive opioid medications in a manner that allows an ordering or prescribing physician to be able to use the prescription monitoring program to identify patients who do not wish to receive opioids or patients that have had an opioid-related overdose.

(ii) Only those data elements that are relevant to veterinary

(2) (a) By January 1, 2021, a facility, entity, office, or provider group identified in RCW 70.225.040 with ten or more prescribers that is not a critical access hospital as defined in RCW 74.60.010 that uses a federally certified electronic health records system must demonstrate that the facility’s or entity’s federally certified electronic health record is able to fully integrate data to and from the prescription monitoring program using a mechanism approved by the department under subsection (3) of this section.

(b) The department must develop a waiver process for the requirements of (a) of this subsection for facilities, entities, offices, or provider groups due to economic hardship, technological limitations that are not reasonably in the control of the facility, entity, office, or provider group, or other exceptional circumstance demonstrated by the facility, entity, office, or provider group. The waiver must be limited to one year or less, or for any other specified time frame set by the department.

(3) Electronic health record system vendors who are fully integrated with the prescription monitoring program in Washington state may not charge an ongoing fee or a fee based on the number of transactions or providers. Total costs of connection must not impose unreasonable costs on any facility, entity, office, or provider group using the electronic health record and must be consistent with current industry pricing structures. For the purposes of this subsection, “fully integrated” means that the electronic health records system must:

(a) Send information to the prescription monitoring program without provider intervention using a mechanism approved by the department;
(b) Make current information from the prescription monitoring
program available to a provider within the workflow of the electronic health records system; and

(c) Make information available in a way that is unlikely to interfere with, prevent, or materially discourage access, exchange, or use of electronic health information, in accordance with the information blocking provisions of the federal twenty-first century cures act, P.L. 114-255.

Sec. 23. RCW 70.225.040 and 2017 c 297 s 9 are each amended to read as follows:

(1) (Prescription) All information submitted to the prescription monitoring program is confidential, except as in subsection (6) of this section.

(A) Prescription monitoring program data to emergency department personnel when the patient registers in the emergency department; and

(B) Notice to local health officers who have made opioid-related overdose a notifiable condition under RCW 70.05.070 as authorized by rules adopted under RCW 43.20.050, providers, appropriate care coordination staff, and prescribers listed in the patient’s prescription monitoring program record that the patient has experienced a controlled substance overdose event. The department shall determine the content and format of the notice in consultation with the Washington state hospital association, Washington state medical association, and Washington state health care authority, and the notice may be modified as necessary to reflect current needs and best practices.

(v) The department shall, on at least a quarterly basis, and pursuant to a schedule determined by the department, provide a facility or entity identified under subsection (3)(i)(i) of this section or a provider group identified under subsection (3)(i)(ii) (i) of this section with facility or entity and individual prescriber information if the facility, entity, or provider group:
(a) Uses the information only for internal quality improvement and individual prescriber quality improvement feedback purposes and does not use the information as the sole basis for any medical staff sanction or adverse employment action; and

(b) Provides to the department a standardized list of current prescribers of the facility, entity, or provider group. The specific facility, entity, or provider group information provided pursuant to this subsection and the requirements under this subsection must be determined by the department in consultation with the Washington state hospital association, Washington state medical association, and Washington state health care authority, and may be modified as necessary to reflect current needs and best practices.

5(b)(a) The department may publish or provide data to public or private entities for statistical, research, or educational purposes after removing information that could be used directly or indirectly to identify individual patients, requestors, dispensers, prescribers, and persons who received prescriptions from dispensers. Direct and indirect patient identifiers may be provided for the research that has been approved by the Washington state institutional review board and by the department through a data-sharing agreement.

(i) The department may provide dispenser and prescriber data and data that includes indirect patient identifiers to the Washington state hospital association for use solely in connection with its coordinated quality improvement program maintained under RCW 43.70.510 after entering into a data use agreement as specified in RCW 43.70.052(8) with the association. The department may provide dispenser and prescriber data and data that includes indirect patient identifiers to the Washington state medical association for use solely in connection with its coordinated quality improvement program maintained under RCW 43.70.510 after entering into a data use agreement with the association.

(iii) The department may provide a prescriber feedback report to the largest health professional association representing each of the prescribing professions. The health professional associations must distribute the feedback report to prescribers engaged in the professions represented by the associations for quality improvement purposes, so long as the reports contain no direct patient identifiers that could be used to identify individual patients, dispensers, and persons who received prescriptions from dispensers, and the association enters into a written data-sharing agreement with the department. However, reports may include indirect patient identifiers as agreed to by the department and the association in a written data-sharing agreement.

(b) For the purposes of this subsection((c)):

(i) “Indirect patient identifiers” means data that may include: Hospital or provider identifiers, a five-digit zip code, county, state, and country of resident; dates that include month and year; age in years; and race and ethnicity; but does not include the patient’s first name; middle name; last name; social security number; control or medical record number; zip code plus four digits; dates that include day, month, and year; or admission and discharge date in combination; and

Data the department receives from other jurisdictions must be retained, used, protected, and destroyed as provided by the agreements to the extent consistent with the laws in this state.

(7) Persons authorized in subsections (3) and (5)(a) through (6) of this section to receive data in the prescription monitoring program from the department, acting in good faith, are immune from any civil, criminal, disciplinary, or administrative liability that might otherwise be incurred or imposed for acting under this chapter.

NEW SECTION. Sec. 24. RCW 71.24.011 and 1982 c 204 s 1 are each amended to read as follows:

This chapter may be known and cited as the community ((mental)) behavioral health services act.

NEW SECTION. Sec. 25. A new section is added to chapter 71.24 RCW to read as follows:

(1) Recognizing that treatment strategies and modalities for the treatment of individuals with opioid use disorder and their newborns continue to evolve, and that improved health outcomes are seen when birth parents and their infants are allowed to room together, the authority must provide recommendations to the office of financial management by October 1, 2019, to better support the care of individuals who have recently delivered and their newborns.

(2) These recommendations must support:

(a) Successful transition from the early postpartum and newborn period for the birth parent and infant to the next level of care;

(b) Reducing the risk of parental infant separation;

(c) Increasing the chance of uninterrupted recovery of the parent and foster the development of positive parenting practices.

(3) The authority’s recommendations must include:

(a) How these interventions could be supported in hospitals, birthing centers, or other appropriate sites of care and descriptions as to current barriers in providing these interventions;

(b) Estimates of the costs needed to support this enhanced set of services; and

(c) Mechanisms for funding the services.

Sec. 26. RCW 71.24.560 and 2017 c 297 s 11 are each amended to read as follows:

(1) All approved opioid treatment programs that provide services to ((women)) individuals who are pregnant are required to disseminate up-to-date and accurate health education information to all their pregnant ((clients)) individuals concerning the ((possible addiction and health risks that their treatment may have on their baby)) effects opioid use and opioid use disorder medication may have on their baby, including the development of dependence and subsequent withdrawal. All pregnant ((clients)) individuals must also be advised of the risks to both themselves and their ((baby)) babies associated with ((not remaining on the)) discontinuing an opioid treatment program. The information must be provided to these ((clients)) individuals both verbally and in writing. The health education information provided to the pregnant ((clients)) individuals must include referral options for
(2) The department shall adopt rules that require all opioid treatment programs to educate all pregnant (women) individuals in their program on the benefits and risks of medication-assisted treatment to (their) a developing fetus before they are prescribed these medications, as part of their treatment. The department shall also adopt rules requiring all opioid treatment programs to educate individuals who become pregnant about the risks to both the expecting parent and the fetus of not treating opioid use disorder. The department shall meet the requirements under this subsection within the appropriations provided for opioid treatment programs. The department, working with treatment providers and medical experts, shall develop and disseminate the educational materials to all certified opioid treatment programs.

(3) For pregnant individuals who participate in medicaid, the authority, through its managed care organizations, must ensure that pregnant individuals receive outreach related to opioid use disorder when identified as a person at risk.

Sec. 27. RCW 71.24.580 and 2018 c 205 s 2 and 2018 c 201 s 4044 are each reenacted and amended to read as follows:

(1) The criminal justice treatment account is created in the state treasury. Moneys in the account may be expended solely for: (a) Substance use disorder treatment and treatment support services for offenders with a substance use disorder that, if not treated, would result in addiction, against whom charges are filed by a prosecuting attorney in Washington state; (b) the provision of substance use disorder treatment services and treatment support services for nonviolent offenders within a drug court program; and (c) the administrative and overhead costs associated with the operation of a drug court. Amounts provided in this subsection must be used for treatment and recovery support services for criminally involved offenders and authorization of these services shall not be subject to determinations of medical necessity. During the 2017-2019 fiscal biennium, the legislature may direct the state treasurer to make transfers of moneys in the criminal justice treatment account to the state general fund. It is the intent of the legislature to continue in the 2019-2021 biennium the policy of transferring to the state general fund such amounts as reflect the excess fund balance of the account. Moneys in the account may be spent only after appropriation.

(2) For purposes of this section:

(b) "Treatment support" includes transportation to or from inpatient or outpatient treatment services when no viable alternative exists, and child care services that are necessary to ensure a participant’s ability to attend outpatient treatment sessions.

(3) Revenues to the criminal justice treatment account consist of: (a) Funds transferred to the account pursuant to this section; and (b) any other revenues appropriated to or deposited in the account.

(4)(a) For the fiscal year beginning July 1, 2005, and each subsequent fiscal year, the state treasurer shall transfer eight million two hundred fifty thousand dollars from the general fund to the criminal justice treatment account, divided into four equal quarterly payments. For the fiscal year beginning July 1, 2006, and each subsequent fiscal year, the amount transferred shall be increased on an annual basis by the implicit price deflator as published by the federal bureau of labor statistics.

(b) Thirty percent of the amounts appropriated to the authority from the account shall be distributed as grants for purposes of treating offenders against whom charges are filed by a county prosecuting attorney. If appropriate medication-assisted treatment resources are not available or accessible within the jurisdiction, the health care authority’s designee for assistance must assist the court with acquiring the resource.

(10) Counties must meet the criteria established in RCW 2.30.030(3).

Sec. 28. RCW 71.24.585 and 2017 c 297 s 12 are each amended to read as follows:

(The state of Washington declares that there is no fundamental right to medication-assisted treatment for opioid use disorder.

(1)(a) The state of Washington declares that ((while medications used in the treatment of opioid use disorder are addictive substances, that they nevertheless have several legal, important, and justified uses and that one of their appropriate and legal uses is, in conjunction with other required therapeutic procedures, in the treatment of persons with opioid use disorder. The state of Washington recognizes as evidence-based for the management of opioid use disorder the medications approved by the federal food and drug administration for the treatment of opioid use disorder. Medication-assisted treatment should only be used for participants who are deemed appropriate to need this level of intervention. Providers must inform patients of all treatment options available. The provider and the patient shall consider alternative treatment options, like abstinence, when developing the treatment plan. If medications are prescribed, follow-up must be included in the treatment plan in order to work toward the goal of abstinence.)) substance use disorders are medical conditions. Substance use disorders should be treated in a manner similar to other medical conditions by using interventions that are supported by evidence, including medications approved by the federal food and drug administration for the treatment of opioid use disorder. It is also recognized that many individuals have multiple substance use disorders, as well as histories of trauma, developmental disabilities, or mental health conditions. As such, all individuals experiencing opioid use disorder should be offered evidence-supported treatments to include federal food and drug administration approved medications for the treatment of opioid use disorders and behavioral counseling and social supports to address them. For behavioral health agencies, an effective plan of treatment for most persons with opioid use disorder integrates access to medications and psychosocial counseling and should be consistent with the American society of addiction medicine patient placement criteria. Providers must inform patients with opioid use disorder or substance use disorder of options to access federal food and drug administration approved medications for the treatment of opioid use disorder or substance use disorder. Because some such medications are controlled substances in chapter 69.50 RCW, the state of Washington maintains the legal obligation and right to regulate the ((clinical)) uses of these medications in the treatment of opioid use disorder.

(Further,) (b) The authority must work with other state agencies and stakeholders to develop value-based payment strategies to better support the ongoing care of persons with opioid and other substance use disorders.

(c) The department of corrections shall develop policies to prioritize services based on available grant funding and funds appropriated specifically for opioid use disorder treatment.

(2) The authority must promote the use of medication therapies and other evidence-based strategies to address the opioid epidemic in Washington state. Additionally, by January 1, 2020, the authority must prioritize state resources for the provision of treatment and recovery support services to inpatient and outpatient treatment settings that allow patients to start or maintain their use of medications for opioid use disorder while engaging in services.

(3) The state declares that the main goals of ((opioid substitution treatment is total abstinence from substance use for the individuals who participate in the treatment program, but recognizes the additional goals of reduced morbidity, and restoration of the ability to lead a productive and fulfilling life. The state recognizes that a small percentage of persons who participate in opioid treatment programs require treatment for an extended period of time. Opioid treatment programs shall provide a comprehensive transition program to eliminate substance use, including opioid use disorder treatment)) treatment for persons with opioid use disorder are the cessation of unprescribed opioid use, reduced morbidity, and restoration of the ability to lead a productive and fulfilling life.

(4) To achieve the goals in subsection (3) of this section, to promote public health and safety, and to promote the efficient and economic use of funding for the medicaid program under Title XIX of the social security act, the authority may seek, receive, and expend alternative sources of funding to support all aspects of the state’s response to the opioid crisis.

(5) The authority must work with the department of social and health services, the department of corrections, the department of health, the department of children, youth, and families, and any other agencies or entities the authority deems appropriate to develop a statewide approach to leveraging medicaid funding to treat opioid use disorder and provide emergency overdose treatment. Such alternative sources of funding may include:

(a) Seeking a section 1115 demonstration waiver from the federal centers for medicare and medicaid services to fund opioid treatment medications for persons eligible for medicaid at or during the time of incarceration and juvenile detention facilities; and

(b) Soliciting and receiving private funds, grants, and donations from any willing person or entity.

(6)(a) The authority shall work with the department of health to promote coordination between medication-assisted treatment prescribers, federally accredited opioid treatment programs, substance use disorder treatment facilities, and state-certified substance use disorder treatment agencies to:

(i) Increase patient choice in receiving medication and counseling;

(ii) Strengthen relationships between opioid use disorder providers;

(iii) Acknowledge and address the challenges presented for individuals needing treatment for multiple substance use disorders simultaneously; and

(iv) Study and review effective methods to identify and reach out to individuals with opioid use disorder who are at high risk of overdose and not involved in traditional systems of care, such as homeless individuals using syringe service programs, and connect such individuals to appropriate treatment.

(b) The authority must work with stakeholders to develop a set of recommendations to the governor and the legislature that:

(i) Propose, in addition to those required by federal law, a standard set of services needed to support the complex treatment needs of persons with opioid use disorder treated in opioid treatment programs;

(ii) Outline the components of and strategies needed to develop opioid treatment program centers of excellence that provide fully integrated care for persons with opioid use disorder;

(iii) Estimate the costs needed to support these models and recommendations for funding strategies that must be included in the report;
(iv) Outline strategies to increase the number of waivered health care providers approved for prescribing buprenorphine by the substance abuse and mental health services administration; and

(v) Outline strategies to lower the cost of federal food and drug administration approved products for the treatment of opioid use disorder.

(7) State agencies shall review and promote positive outcomes associated with the accountable communities of health funded opioid projects and local law enforcement and human services opioid collaborations as set forth in the Washington state interagency opioid working plan.

(8) The authority must partner with the department and other state agencies to replicate effective approaches for linking individuals who have had a nonfatal overdose with treatment opportunities, with a goal to connect certified peer counselors with individuals who have had a nonfatal overdose.

(9) State agencies must work together to increase outreach and education about opioid overdoses to non-English-speaking communities by developing a plan to conduct outreach and education to non-English-speaking communities. The department must submit a report on the outreach and education plan with recommendations for implementation to the appropriate legislative committees by July 1, 2020.

(2) Under the pilot project, the authority must partner with the law enforcement assisted diversion national support bureau to award a contract, subject to appropriation, for two or more geographic areas in the state of Washington for law enforcement assisted diversion. Cities, counties, and tribes may compete for participation in a pilot project.

(3) The pilot projects must provide for comprehensive technical assistance from law enforcement assisted diversion implementation experts to develop and implement a law enforcement assisted diversion program in the pilot project’s geographic areas in a way that ensures fidelity to the research-based law enforcement assisted diversion model.

(4) The key elements of a law enforcement assisted diversion pilot project must include:

(a) Long-term case management for individuals with substance use disorders;
(b) Facilitation and coordination with community resources focusing on overdose prevention;
(c) Facilitation and coordination with community resources focused on the prevention of infectious disease transmission;

(f) Consider the transportation systems that would provide service to the program and whether the systems will provide reasonable opportunities to access the program for persons in need of treatment;

(g) Consider whether the applicant has, or has demonstrated in the past, the capability to provide the appropriate services to assist the persons who utilize the program in meeting goals established by the legislature in RCW 71.24.585. The department shall prioritize licensing or certification to applicants who have demonstrated such capability and are able to measure their success in meeting such outcomes;

(h) Hold one public hearing in the community in which the facility is proposed to be located. The hearing shall be held at a time and location that are most likely to permit the largest number of interested persons to attend and present testimony. The department shall notify all appropriate media outlets of the time, date, and location of the hearing at least three weeks in advance of the hearing.

MESSAGE FROM THE HOUSE

April 16, 2019

MR. PRESIDENT:
The House passed SECOND SUBSTITUTE SENATE BILL NO. 5602 with the following amendment(s): 5602-S2 AMH MACR H2934.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds and declares:

(1) It is the public policy of this state to provide the maximum access to reproductive health care and reproductive health care coverage for all people in Washington state.

(2) In 2018, the legislature passed Substitute Senate Bill No. 6219. Along with reproductive health care coverage requirements, the bill mandated a literature review of barriers to reproductive health care. As documented by the report submitted to the legislature on January 1, 2019, young people, immigrants, people living in rural communities, transgender and gender nonconforming people, and people of color still face significant barriers to getting the reproductive health care they need.

(3) Washingtonians who are transgender and gender nonconforming have important reproductive health care needs as well. These needs go unmet when, in the process of seeking care, transgender and gender nonconforming people are stigmatized or are denied critical health services because of their gender identity or expression.

(4) The literature review mandated by Substitute Senate Bill No. 6219 found that, "according to 2015 U.S. Transgender Survey data, thirty-two percent of transgender respondents in Washington State reported that in the previous year they did not see a doctor when needed because they could not afford it."

(5) Existing state law should be enhanced to ensure greater coverage of and timely access to reproductive health care for the benefit of all Washingtonians, regardless of gender identity or expression.

(6) Because stigma is also a key barrier to access to reproductive health care, all Washingtonians, regardless of gender identity, should be free from discrimination in the provision of health care services, health care plan coverage, and in access to publicly funded health coverage.

(7) All people should have access to robust reproductive health services to maintain and improve their reproductive health.

NEW SECTION. Sec. 2. A new section is added to chapter 74.09 RCW to read as follows:

(1) In the provision of reproductive health care services through programs under this chapter, the authority, managed care plans, and providers that administer or deliver such services may not discriminate in the delivery of a service provided through a program of the authority based on the covered person’s gender identity or expression.

(2) The authority and any managed care plans delivering or administering services purchased or contracted for by the authority, may not issue automatic initial denials of coverage for reproductive health care services that are ordinarily or exclusively available to individuals of one gender, based on the fact that the individual’s gender assigned at birth, gender identity, or gender otherwise recorded in one or more government-issued documents, is different from the one to which such health services are ordinarily or exclusively available.

(3) Denials as described in subsection (2) of this section are prohibited discrimination under chapter 49.60 RCW.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Gender expression" means a person’s gender-related appearance and behavior, whether or not stereotypically associated with the person’s gender assigned at birth.

(b) "Gender identity" means a person’s internal sense of the person’s own gender, regardless of the person’s gender assigned at birth.

(c) "Reproductive health care services" means any medical services or treatments, including pharmaceutical and preventive care service or treatments, directly involved in the reproductive system and its processes, functions, and organs involved in reproduction, in all stages of life. Reproductive health care services does not include infertility treatment.

(d) "Reproductive system" includes, but is not limited to: Genitals, gonads, the uterus, ovaries, fallopian tubes, and breasts.

(5) This section must not be construed to authorize discrimination on the basis of a covered person’s gender identity or expression in the administration of any other medical assistance programs administered by the authority.

Sec. 3. RCW 48.43.072 and 2018 c 119 s 2 are each amended to read as follows:

(1) A health plan ((issued or renewed on or after January 1, 2019)) or student health plan, including student health plans deemed by the insurance commissioner to have a short-term limited purpose or duration or to be guaranteed renewable while the covered person is enrolled as a regular full-time undergraduate or graduate student at an accredited higher education institution, shall provide coverage for:

(a) All contraceptive drugs, devices, and other products, approved by the federal food and drug administration, including over-the-counter contraceptive drugs, devices, and products, approved by the federal food and drug administration. This includes condoms, regardless of the gender or sexual orientation of the covered person, and regardless of whether they are to be used for contraception or exclusively for the prevention of sexually transmitted infections;

(b) Voluntary sterilization procedures;

(c) The consultations, examinations, procedures, and medical services that are necessary to prescribe, dispense, insert, deliver, distribute, administer, or remove the drugs, devices, and other products or services in (a) and (b) of this subsection((c));

(d) The following preventive services:

(i) Screening for physical, mental, sexual, and reproductive health care needs that arise from a sexual assault; and

(ii) Well-person preventive visits;

(e) Medically necessary services and prescription medications for the treatment of physical, mental, sexual, and reproductive health care needs that arise from a sexual assault; and

(f) The following reproductive health-related over-the-counter drugs and products approved by the federal food and drug administration: Prenatal vitamins for pregnant persons; and breast pumps for covered persons expecting the birth or adoption of a child.

(2) The coverage required by subsection (1) of this section:

(a) May not require copayments, deductibles, or other forms of cost sharing((i));

(i) Except for:
A. The medically necessary services and prescription medications required by subsection (1)(e) of this section; and
B. The drugs and products in subsection (1)(f) of this section; or
(ii) Unless the health plan is offered as a qualifying health plan for a health savings account. For such a qualifying health plan, the carrier must establish the plan’s cost sharing for the coverage required by subsection (1) of this section at the minimum level necessary to preserve the enrollee’s ability to claim tax exempt contributions and withdrawals from ((his or her) the enrollee’s health savings account under internal revenue service laws and regulations; and
(b) May not require a prescription to trigger coverage of over-the-counter contraceptive drugs, devices, and products, approved by the federal food and drug administration, except those reproductive health related drugs and products as set forth in subsection (1)(f) of this section.
(3) A health carrier may not deny the coverage required in subsection (1) of this section because an enrollee changed ((his or her)) the enrollee’s contraceptive method within a twelve-month period.
(4) Except as otherwise authorized under this section, a health benefit plan may not impose any restrictions or delays on the coverage required under this section, such as medical management techniques that limit enrollee choice in accessing the full range of contraceptive drugs, devices, or other products, approved by the federal food and drug administration.
(5) Benefits provided under this section must be extended to all enrollees, enrolled spouses, and enrolled dependents.
(6) This section may not be construed to allow for denial of care on the basis of race, color, national origin, sex, sexual orientation, gender expression or identity, marital status, age, citizenship, immigration status, or disability.
(7) A health plan or student health plan, including student health plans deemed by the insurance commissioner to have a short-term limited purpose or duration or to be guaranteed renewable while the covered person is enrolled as a regular full-time undergraduate or graduate student at an accredited higher education institution, issued or renewed on or after January 1, 2021, may not issue automatic initial denials of coverage for reproductive health care services that are ordinarily available to individuals of one gender, based on the fact that the individual’s gender assigned at birth, gender identity, or gender otherwise recorded in one or more government-issued documents, is different from the one to which such health services are ordinarily or exclusively available.
(8) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.
(a) "Gender expression" means a person’s gender-related appearance and behavior, whether or not stereotypically associated with the person’s gender assigned at birth.
(b) "Gender identity" means a person’s internal sense of the person’s own gender, regardless of the person’s gender assigned at birth.
(c) "Reproductive health care services" means any medical services or treatments, including pharmaceutical and preventive care service or treatments, directly involved in the reproductive system and its processes, functions, and organs involved in reproduction, in all stages of life. Reproductive health care services does not include infertility treatment.
(d) "Reproductive system" includes, but is not limited to: Genitals, gonads, the uterus, ovaries, fallopian tubes, and breasts.
(e) "Well-person preventive visits" means the preventive annual visits recommended by the federal health resources and services administration women’s preventive services guidelines, with the understanding that those visits must be covered for women, and when medically appropriate, for transgender, nonbinary, and intersex individuals.
(9) This section may not be construed to authorize discrimination on the basis of gender identity or expression, or perceived gender identity or expression, in the provision of nonreproductive health care services.
(10) The commissioner, under RCW 48.30.300, and the human rights commission, under chapter 49.60 RCW shall share enforcement authority over complaints of discrimination under this section as set forth in RCW 49.60.178.
(11) The commissioner may adopt rules to implement this section.

NEW SECTION. Sec. 4. A new section is added to chapter 48.43 RCW to read as follows:
(1) The legislature intends to codify the state’s current practice of requiring health carriers to bill enrollees with a single invoice and to segregate into a separate account the premium attributable to abortion services for which federal funding is prohibited. Washington has achieved full compliance with section 1303 of the federal patient protection and affordable care act by requiring health carriers to submit a single invoice to enrollees and to segregate into a separate account the premium amounts attributable to coverage of abortion services for which federal funding is prohibited. Further, section 1303 states that the act does not preempt or otherwise have any effect on state laws regarding the prohibition of, or requirement of, coverage, funding, or procedural requirements on abortions.
(2) In accordance with RCW 48.43.073 related to requirements for coverage and funding of abortion services, an issuer offering a qualified health plan must:
(a) Bill enrollees and collect payment through a single invoice that includes all benefits and services covered by the qualified health plan; and
(b) Include in the segregation plan required under applicable federal and state law a certification that the issuer’s billing and payment processes meet the requirements of this section.
NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2019, in the omnibus appropriations act, this act is null and void.

NEW SECTION. Sec. 6. This act may be known and cited as the reproductive health care access for all act.
NEW SECTION. Sec. 7. (1) Section 2 of this act takes effect January 1, 2020.
(2) Section 3 of this act takes effect January 1, 2021.

NEW SECTION. Sec. 8. Section 4 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.96.060 and 2017 c 336 s 2, 2017 c 272 s 9, and 2017 c 128 s 1 are each reenacted and amended to read as follows:

(1) (Every person convicted of a misdemeanor or gross misdemeanor offense who has completed all of the terms of the sentence for the misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant’s record of conviction for the offense. If the court finds the applicant meets the tests prescribed in subsection (2) of this section, the court may in its discretion vacate the record of conviction.) When vacating a conviction under this section, the court effectuates the vacation by: (a)(i) Permitting the applicant to withdraw the applicant’s plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilt; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) Every person convicted of a misdemeanor or gross misdemeanor offense who has completed all of the terms of the sentence for the misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant’s record of conviction for the offense. Except as provided in subsections (3), (4), and (5) of this section, an applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court;

(b) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

(c) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a “prior offense” under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;

(d) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses);

(e) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family member or household member against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

(f) For any offense other than those described in (e) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

(g) The offender has been convicted of a new crime in this state, another state, or federal court since the date of conviction;

(h) The applicant has ever had the record of another conviction vacated; or

(i) The applicant is currently restrained, or has been restrained within five years prior to the vacation application, by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party.

Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant’s record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant’s record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person’s family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under United States v. Washington, 384 F. Supp. 312 (W.D. Wash. 1974), or Schappy v. Smith, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Every person convicted of a misdemeanor marijuana offense, who was twenty-one years of age or older at the time of the offense, may apply to the sentencing court for a vacation of the applicant’s record of conviction for the offense. A misdemeanor marijuana offense includes, but is not limited to, any offense under RCW 69.50.4014, from July 1, 2004, onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 21, 1971, to March 21, 1979, and any offense under an equivalent municipal ordinance. The requirements and restrictions in subsection (2) of this section do not apply to applications under this subsection. If an applicant qualifies under this subsection, the court shall vacate the record of conviction.

(6)(a) Once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person’s criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. Except as provided in (b) of this subsection, nothing in this section affects or prevents the use of an offender’s prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location (RCW 10.99.040, 10.99.050, 26.09.300, 26.10.220, (26.26.128) 26.268.050, 26.44.063, 26.44.150, 26.50.060, 26.50.070, 26.50.130, 26.52.070, or 74.34.145); or (ii) stalking (RCW 9A.46.110). A vacated conviction under this section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11.

((4)) (7) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

((4)) (8) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

NEW SECTION. Sec. 2. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2019, in the omnibus appropriations act, this act is null and void."

"Sec. 1. RCW 43.371.005 and 2014 c 223 s 9 are each amended to read as follows:

The legislature finds that:

(1) The activities authorized by this chapter will require collaboration among state agencies and local governments that are involved in health care, private health carriers, third-party purchasers, health care providers, and hospitals. These activities will identify strategies to increase the quality and effectiveness of health care delivered in Washington state and are therefore in the best interest of the public.

(2) The benefits of collaboration, together with active state supervision, outweigh potential adverse impacts. Therefore, the legislature intends to exempt from state antitrust laws, and provide immunity through the state action doctrine from federal
antitrust laws, activities that are undertaken, reviewed, and approved by the (office) authority pursuant to this chapter that might otherwise be constrained by such laws. The legislature does not intend and does not authorize any person or entity to engage in activities not provided for by this chapter, and the legislature neither exempts nor provides immunity for such activities including, but not limited to, agreements among competing providers or carriers to set prices or specific levels of reimbursement for health care services.

Sec. 2. RCW 43.371.010 and 2015 c 246 s 1 are each reenacted and amended to read as follows:

(4) "Data supplier" means: (a) A carrier, third-party administrator, or a public program identified in RCW 43.371.030 that provides claims data; and (b) a carrier or any other entity that provides claims data to the database at the request of an employer-sponsored self-funded health plan or Taft-Hartley trust health plan pursuant to RCW 43.371.030(1).
(5) "Data vendor" means an entity contracted to perform data collection, processing, aggregation, extracts, analytics, and reporting.
(6) "Database" means the statewide all-payer health care claims database established in RCW 43.371.020.
(7) "Direct patient identifier" means a data variable that directly identifies an individual, including: Names; telephone numbers; fax numbers; social security number; medical record numbers; health plan beneficiary numbers; account numbers; certificate or license numbers; vehicle identifiers and serial numbers, including license plate numbers; device identifiers and serial numbers; web universal resource locators; internet protocol address numbers; biometric identifiers, including finger and voice prints; and full face photographic images and any comparable images.
(8) "Director" means the director of (financial management) the authority.
(9) "Indirect patient identifier" means a data variable that may identify an individual when combined with other information.
(10) "Lead organization" means the organization selected under RCW 43.371.020.
(11) "Office" means the office of financial management.
(12) "Proprietary financial information" means claims data or reports that disclose or would allow the determination of specific terms of contracts, discounts, or fixed reimbursement arrangements or other specific reimbursement arrangements between an individual health care facility or health care provider, as those terms are defined in RCW 48.43.005, and a specific payer, or internal fee schedule or other internal pricing mechanism of integrated delivery systems owned by a carrier.
(13) "Unique identifier" means an obfuscated identifier assigned to an individual represented in the database to establish a basis for following the individual longitudinally throughout different payers and encounters in the data without revealing the individual’s identity.

Sec. 3. RCW 43.371.020 and 2015 c 246 s 2 are each amended to read as follows:

(1) The office shall establish a statewide all-payer health care claims database (office). On January 1, 2020, the office must transfer authority and oversight for the database to the authority. The office and authority must develop a transition plan that sustains operations by July 1, 2019. The database shall support transparent public reporting of health care information. The database must improve transparency to: Assist patients, providers, and hospitals to make informed choices about care; enable providers, hospitals, and communities to improve by benchmarking their performance against that of others by focusing on best practices; enable purchasers to identify value, build expectations into their purchasing strategy, and reward improvements over time; and promote competition based on quality and cost. The database must systematically collect all medical claims and pharmacy claims from private and public payers, with data from all settings of care that permit the systematic analysis of health care delivery. Any mandated claims data collected in the all-payer health care claims database is owned by the state. Copies of the information may be retained by the lead organization.

(B) Is a compensated or uncompensated member of a bidding organization’s board of directors, advisory committee, or has held such a position in the past three years.
(ii) If any relationship or interest described in (a)(i) of this subsection is discovered during the procurement process, the officer or employee with the prohibited relationship must withdraw from involvement in the procurement process.
(b) Due to the complexities of the all payer claims database and the unique privacy, quality, and financial objectives, the (office) authority must (award extra points in the scoring evaluation for) give strong consideration to the following factors in determining the appropriate lead organization contractor: (i) The organization’s degree of experience in health care data collection, analysis, analytics, and security; (ii) whether the organization has a long-term self-sustainable financial model; (iii) the organization’s experience in convening and effectively engaging stakeholders to develop reports, especially among groups of health providers, carriers, and self-insured purchasers; (iv) the organization’s experience in meeting budget and timelines for report generations; and (v) the organization’s ability to combine cost and quality data to assess total cost of care.
(2a) By December 31, 2017, (office) the successful lead organization must apply to be certified as a qualified entity pursuant to 42 C.F.R. Sec. 401.703(a) for the centers for Medicare and Medicaid services.
(d) The authority may not select a lead organization that:

(v) Is an entity with a controlling interest in any entity covered in (d)(i) through (iv) of this subsection.
(3) As part of the competitive procurement process referenced in subsection (2) of this section, the lead organization shall enter

(h) Store data on secure servers that are compliant with the federal health insurance portability and accountability act and regulations, with access to the data strictly controlled and limited to staff with appropriate training, clearance, and background checks; and

(i) Maintain state of the art security standards for transferring data to approved data requestors.

(4) The lead organization and data vendor must submit detailed descriptions to the office of the chief information officer to ensure robust security methods are in place. The office of the chief information officer must report its findings to the (office) authority and the appropriate committees of the legislature.

(5) The lead organization is responsible for internal governance, management, funding, and operations of the database. At the direction of the (office), the lead organization shall work with the data vendor to:

(a) Collect claims data from data suppliers as provided in RCW 43.371.030;

The lead organization may not charge providers or data suppliers fees other than fees directly related to requested reports and data files; and

(h) Convene advisory committees with the approval and participation of the (office) authority, including: (i) A committee on data policy development; and (ii) a committee to establish a data release process consistent with the requirements of this chapter and to provide advice regarding formal data release requests. (6) The lead organization governance structure and advisory committees for this database must include representation of the third-party administrator of the uniform medical plan. A payer, health maintenance organization, or third-party administrator must be a data supplier to the all-payer health care claims database to be represented on the lead organization governance structure or advisory committees.

Sec. 4. RCW 43.371.030 and 2015 c 246 s 3 are each amended to read as follows:

(1) The state medicaid program, public employees’ benefits board programs, school employees’ benefits board programs beginning July 1, 2020, all health carriers operating in this state, all third-party administrators paying claims on behalf of health plans in this state, and the state labor and industries program must submit claims data to the database within the time frames established by the director in rule and in accordance with procedures established by the lead organization. The director may expand this requirement by rule to include any health plans or health benefit plans defined in RCW 48.43.005(26) (a) through (i) to accomplish the goals of this chapter set forth in RCW 43.371.020(1). Employer-sponsored self-funded health plans and Taft-Hartley trust health plans may voluntarily provide claims data to the database within the time frames and in accordance with procedures established by the lead organization.

(3) The lead organization shall submit an annual status report to the (office) authority regarding compliance with this section.

(4) The state retains the ownership over all mandated claims data submitted to the database under this section. No contract with the lead organization may transfer ownership of data from the state to the lead organization or the data vendor. Copies of the information may be retained by the lead organization.

Sec. 5. RCW 43.371.050 and 2015 c 246 s 5 are each amended to read as follows:

(1) Except as otherwise required by law, claims or other data from the database shall only be available for retrieval in processed form to public and private requesters pursuant to this section and shall be made available within a reasonable time after the request. Each request for claims data must include, at a minimum, the following information:

(a) The identity of any entities that will analyze the data in connection with the request;

(b) The stated purpose of the request and an explanation of how the request supports the goals of this chapter set forth in RCW 43.371.020(1);

(c) A description of the proposed methodology;

(d) The specific variables requested and an explanation of how
the data is necessary to achieve the stated purpose described pursuant to (b) of this subsection;
   (e) How the requester will ensure all requested data is handled in accordance with the privacy and confidentiality protections required under this chapter and any other applicable law;
   (f) The method by which the data will be destroyed at the conclusion of the data use agreement;
   (g) The protections that will be utilized to keep the data from being used for any purposes not authorized by the requester’s approved application; and
   (h) Consent to the penalties associated with the inappropriate disclosures or uses of direct patient identifiers, indirect patient identifiers, or proprietary financial information adopted under RCW 43.371.070(1).

(2) The lead organization may decline a request that does not include the information set forth in subsection (1) of this section that does not meet the criteria established by the lead organization’s data release advisory committee, or for reasons established by rule.

(3) Except as otherwise required by law, the authority shall direct the lead organization and the data vendor to maintain the confidentiality of claims or other data it collects for the database that include proprietary financial information, direct patient identifiers, indirect patient identifiers, or any combination thereof. Any entity that receives claims or other data must also maintain confidentiality and may only release such claims data or any part of the claims data if:
   (a) The claims data does not contain proprietary financial information, direct patient identifiers, indirect patient identifiers, or any combination thereof; and
   (b) The release is described and approved as part of the request in subsection (1) of this section.

(4) The lead organization shall, in conjunction with the authority and the data vendor, create and implement a process to govern levels of access to and use of data from the database consistent with the following:
   (a) Claims or other data that include proprietary financial information, direct patient identifiers, indirect patient identifiers, unique identifiers, or any combination thereof may be released only to the extent such information is necessary to achieve the goals of this chapter set forth in RCW 43.371.020(1) to researchers with approval of an institutional review board upon receipt of a signed data use and confidentiality agreement with the lead organization. A researcher or research organization that obtains claims data pursuant to this subsection must agree in writing not to disclose such data or parts of the data set to any other party, including affiliated entities, and must consent to the penalties associated with the inappropriate disclosures or uses of direct patient identifiers, indirect patient identifiers, or proprietary financial information adopted under RCW 43.371.070(1).
   (b) Claims or other data that do not contain direct patient identifiers, but that may contain proprietary financial information, direct patient identifiers, unique identifiers, or any combination thereof may be released to:
      (i) Federal, state, tribal, and local government agencies upon receipt of a signed data use agreement with the authority and the lead organization.
      (ii) Any entity when functioning as the lead organization under the terms of this chapter, and
      (iii) The Washington health benefit exchange established under chapter 43.71 RCW, upon receipt of a signed data use agreement with the authority and the lead organization as directed by rules adopted under this chapter.
   (c) Claims or other data that do not contain proprietary financial information, direct patient identifiers, or any combination thereof, but that may contain indirect patient identifiers, unique identifiers, or a combination thereof may be released to agencies, researchers, and other entities as approved by the lead organization upon receipt of a signed data use agreement with the lead organization.
   (d) Claims or other data that do not contain direct patient identifiers, indirect patient identifiers, proprietary financial information, or any combination thereof may be released upon request.

(5) Reports utilizing data obtained under this section may not contain proprietary financial information, direct patient identifiers, indirect patient identifiers, or any combination thereof. Nothing in this subsection (5) may be construed to prohibit the use of geographic areas with a sufficient population size or aggregate gender, age, medical condition, or other characteristics in the generation of reports, so long as they cannot lead to the identification of an individual.

(6) Reports issued by the lead organization at the request of providers, facilities, employers, health plans, and other entities as approved by the lead organization may utilize proprietary financial information to calculate aggregate cost data for display in such reports. The authority shall approve by rule a format for the calculation and display of aggregate cost data consistent with this chapter that will prevent the disclosure or determination of proprietary financial information. In developing the rule, the authority shall solicit feedback from the stakeholders, including those listed in RCW 43.371.020(5)(h), and must consider, at a minimum, data presented as proportions, ranges, averages, and medians, as well as the differences in types of data gathered and submitted by data suppliers.

(7) Recipients of claims or other data under subsection (4) of this section must agree in a data use agreement or a confidentiality agreement to, at a minimum:
   (a) Take steps to protect data containing direct patient identifiers, indirect patient identifiers, proprietary financial information, or any combination thereof as described in the agreement;
   (b) Not disclose the claims data except pursuant to subsection (3) of this section;
   (c) Not attempt to determine the identity of any person whose information is included in the data set or use the claims or other data in any manner that identifies any individual or their family or attempt to locate information associated with a specific individual;
   (d) Destroy claims data at the conclusion of the data use agreement; and
   (e) Consent to the penalties associated with the inappropriate disclosures or uses of direct patient identifiers, indirect patient identifiers, or proprietary financial information adopted under RCW 43.371.070(1).

1(a) Under the supervision of and through contract with the lead organization, the lead organization shall prepare health care data reports using the database and the statewide health performance and quality measure set. Prior to the lead organization releasing any health care data reports that use claims data, the lead organization must submit the reports to the authority for review.

(b) By October 31st of each year, the lead organization shall submit to the director a list of reports it anticipates producing during the following calendar year. The director may establish a
public comment period not to exceed thirty days, and shall submit the list and any comment to the appropriate committees of the legislature for review.

(2)(a) Health care data reports that use claims data prepared by the lead organization for the legislature and the public should promote awareness and transparency in the health care market by reporting on:

(i) Whether providers and health systems deliver efficient, high quality care; and

(ii) Geographic and other variations in medical care and costs as demonstrated by data available to the lead organization.

(b) Measures in the health care data reports should be stratified by demography, income, language, health status, and geography when feasible with available data to identify disparities in care and successful efforts to reduce disparities.

(c) Comparisons of costs among providers and health care systems must account for differences in the case mix and severity of illness of patients and populations, as appropriate and feasible, and must take into consideration the cost impact of subsidization for uninsured and government-sponsored patients, as well as teaching expenses, when feasible with available data.

(3) The lead organization may not publish any data or health care data reports that:

(a) Directly or indirectly identify individual patients;

(b) Disclose a carrier’s proprietary financial information; (or)

(c) Compare performance in a report generated for the general public that includes any provider in a practice with fewer than four providers; or

(d) Contain Medicaid data that is in direct conflict with the biennial Medicaid forecast.

(4) The lead organization may not release a report that compares and identifies providers, hospitals, or data suppliers unless:

(a) It allows the data supplier, the hospital, or the provider to verify the accuracy of the information submitted to the data vendor, comment on the reasonableness of conclusions reached, and submit to the lead organization and data vendor any corrections of errors with supporting evidence and comments within thirty days of receipt of the report;

(b) It corrects data found to be in error within a reasonable amount of time; and

(c) The report otherwise complies with this chapter.

(5) The (office) authority and the lead organization may use claims data to identify and make available information on payers, providers, and facilities, but may not use claims data to recommend or incentivize direct contracting between providers and employers.

(b)(a) The lead organization shall distinguish in advance to the (office) authority when it is operating in its capacity as the lead organization and when it is operating in its capacity as a private entity. Where the lead organization acts in its capacity as a private entity, it may only access data pursuant to RCW 43.371.050(4) (b), (c) or (d).

(b) Except as provided in RCW 43.371.050(4), claims or other data that contain direct patient identifiers or proprietary financial information must remain exclusively in the custody of the data vendor and may not be accessed by the lead organization.

Sec. 7. RCW 43.371.070 and 2015 c 246 s 7 are each amended to read as follows:

(1) The director shall adopt any rules necessary to implement this chapter, including:

(b) Deadlines for submission of claim files;

(c) Penalties for failure to submit claim files as required;

(d) Procedures for ensuring that all data received from data suppliers are securely collected and stored in compliance with state and federal law;

(e) Procedures for ensuring compliance with state and federal privacy laws;

(h) Penalties associated with the inappropriate disclosures or uses of direct patient identifiers, indirect patient identifiers, and proprietary financial information.

(i) A minimum reporting threshold below which a data supplier is not required to submit data.

(2) The director may not adopt rules, policies, or procedures beyond the authority granted in this chapter.

Sec. 8. RCW 43.371.080 and 2015 c 246 s 8 are each amended to read as follows:

(1) (By December 1st of 2016 and 2017, the office shall report to the appropriate committees of the legislature regarding the development and implementation of the database, including but not limited to budget and cost detail, technical progress, and work plan metrics.

(2) Every two years commencing two years following the year in which the first report is issued or the first release of data is provided from the database, the office) The authority shall report every two years to the appropriate committees of the legislature regarding the cost, performance, and effectiveness of the database and the performance of the lead organization under its contract with the (office) authority. Using independent economic expertise, subject to appropriation, the report must evaluate whether the database has advanced the goals set forth in RCW 43.371.020(1), as well as the performance of the lead organization. The report must also make recommendations regarding but not limited to how the database can be improved, whether the contract for the lead organization should be modified, renewed, or terminated, and the impact the database has had on competition between and among providers, purchasers, and payers.

The coordinating structure must collaborate in a private/public manner with the lead organization and other partners key to the broader success of the database. The coordinating structure shall advise the authority and lead organization on the development of any database policies and rules relevant to agency data needs.

(2) The office must participate as a key part of the coordinating structure and evaluate progress towards meeting the goals of the database, and, as necessary, recommend strategies for maintaining and promoting the progress of the database in meeting the intent of this section, and report its findings biennially to the governor and the legislature. The authority shall facilitate the office obtaining the information needed to complete the report in a manner that is efficient and not overly burdensome for the parties. The authority must provide the office with access
to database processes, procedures, nonproprietary methodologies, and outcomes to conduct the review and issue the biennial report. The biennial review shall assess, at a minimum the following:

(a) The list of approved agency use case projects and related data requirements under RCW 43.371.050(4);

All existing contracts and obligations remain in full force and must be performed by the health care authority.

(4) The transfer of the powers, duties, and functions of the office of financial management does not affect the validity of any act performed before the effective date of this section.

(5) If apportionments of budgeted funds are required because of the transfers directed by this section, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. Each of these must make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

NEW SECTION. Sec. 12. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2019, in the omnibus appropriations act, this act is null and void.

MR. PRESIDENT:
The House passed ENGROSSED SENATE BILL NO. 5334 with the following amendment(s): 5334.E AMH CRJ H2465.1

Strike everything after the enacting clause and insert the following:

"PART I — CONDOMINIUM LIABILITY"

Sec. 101. RCW 64.90.410 and 2018 c 277 s 303 are each amended to read as follows:

1(a) Except as provided otherwise in the governing documents, subsection (4) of this section, or other provisions of this chapter, the board may act on behalf of the association.

(b) In the performance of their duties, officers and board members must exercise the degree of care and loyalty to the association required of an officer or director of a corporation organized, ((and)) are subject to the conflict of interest rules governing directors and officers, and are entitled to the immunities from liability available to officers and directors under chapter 24.06 RCW. The standards of care and loyalty, and conflict of interest rules and immunities described in this section apply regardless of the form in which the association is organized.

(2)(a) Except as provided otherwise in RCW 64.90.300(5), effective as of the transition meeting held in accordance with
 Unless the declarations and organizational documents provide for the election of officers by the unit owners, the board must elect the officers.

 (c) Unless provided otherwise in the declaration or organizational documents, board members and officers must take office upon adjournment of the meeting at which they were elected or appointed or, if not elected or appointed at a meeting, at the time of such election or appointment, and must serve until their successor takes office.

 (d) In determining the qualifications of any officer or board member of the association, “unit owner” includes, unless the declaration or organizational documents provide otherwise, any board member, officer, member, partner, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner.

 (e) Any officer or board member of the association who would not be eligible to serve as such if he or she were not a board member, officer, partner in, or trustee of such a person is disqualified from continuing in office if he or she ceases to have any such affiliation with that person or that person would have been disqualified from continuing in such office as a natural person.

 (3) Except when voting as a unit owner, the declarant may not appoint or elect any person or to serve itself as a voting, ex officio or nonvoting board member following the transition meeting.

 (4) The board may not, without vote or agreement of the unit owners:

 (a) Amend the declaration, except as provided in RCW 64.90.285;

 (b) Amend the organizational documents of the association;

 (c) Terminate the common interest community;

 (d) Elect members of the board, but may fill vacancies in its membership not resulting from removal for the unexpired portion of any term or, if earlier, until the next regularly scheduled election of board members; or

 (e) Determine the qualifications, powers, duties, or terms of office of board members.

 (5) The board must adopt budgets as provided in RCW 64.90.525.

 (6) Except for committees appointed by the declarant pursuant to special declarant rights, all committees of the association must be appointed by the board. Committees authorized to exercise any power reserved to the board must include at least two board members who have exclusive voting power for that committee. Committees that are not so composed may not exercise the authority of the board and are advisory only.

 Sec. 102. RCW 64.90.670 and 2018 c 277 s 415 are each amended to read as follows:

 (1) A declarant and any dealer warrants to a purchaser of a condominium unit that the unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, except for reasonable wear and tear and damage by casualty or condemnation.

 (2) A declarant and any dealer impliedly warrants to a purchaser of a condominium unit that the unit and the common elements of the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

 (a) Free from defective materials;

 (b) Constructed in accordance with construction standards, including applicable building codes, generally accepted in the state of Washington at the time of construction; and

 (c) Constructed in a workmanlike manner.

 (6) A declarant and any dealer warrants to a purchaser of a condominium unit that may be used for residential use that any existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

 (4) Warranties imposed under this section may be excluded or modified as specified in RCW 64.90.675.

 (5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant are made or contracted for by the declarant.

 Any conveyance of a condominium unit transfers to the purchaser all of a declarant’s or dealer’s implied warranties of quality.

 (7)(a) In a proceeding for breach of any of the obligations arising under this section, the (plaintiff) purchaser must show that the alleged breach has adversely affected or will adversely affect the performance of that portion of the unit or common elements alleged to be in breach. Nothing in this section limits the ability of a board to bring claims on behalf of two or more unit owners pursuant to RCW 64.90.405(2)(d).

 (b) (As used in this subsection, an adverse effect must be more than technical; and must be significant to a reasonable person.) To establish an adverse effect on performance, the (person alleging the breach) purchaser is (not) required to prove that the alleged breach (renders the unit or common element unhabitable or unfit for its intended purpose);

 (i) Is more than technical;

 (ii) Is significant to a reasonable person; and

 (iii) Has caused or will cause physical damage to the unit or common elements; has materially impaired the performance of mechanical, electrical, plumbing, elevator, or similar building equipment; or presents an actual, unreasonable safety risk to the occupants of the condominium.

 (8) Proof of breach of any obligation arising under this section is not proof of damages. Damages awarded for a breach of (an obligation) a warranty arising under subsection (2) of this section are the reasonable cost of repairs. However, if it is established that the cost of such repairs is clearly disproportionate to the loss in market value caused by the breach, damages are limited to the loss in market value.

(name of common interest community), a ..... (type of community), as that term is defined in the Washington Uniform Common Interest Ownership Act, solely to meet the requirements of the Washington Uniform Common Interest Ownership Act and not for any public purpose. (name of common interest community), recorded under (name of county in which the common interest community is located) County Recording No. ..... (recording number).

(Declarant’s name, signature, and acknowledgment)

(7) Each map filed for a common interest community, and any amendments to the map, must be in the style, size, form, and quality as prescribed by the recording authority of the county where filed, and a copy must be delivered to the county assessor.

(8) Each map prepared for a common interest community in compliance with this chapter, and any amendments to the map, must show or state:

(a) The name of the common interest community and, immediately following the name of the community, a statement that the common interest community is a condominium,
cooperative, or miscellaneous community as defined in this chapter. A local jurisdiction may also require that the name of a plat community on the survey, plat, or map be followed by a statement that the common interest community is a plat community as defined in this chapter;

(b) A legal description of the land in the common interest community;

(c) As to a condominium, a survey of the land in the condominium, and as to a cooperative, a survey or a drawing of the land included in the entire cooperative that complies with the other requirements of this section;

(e) If the boundaries of land subject to the development right to add units that will result in the reallocation of allocated interests is fixed in the declaration or an amendment to the declaration pursuant to RCW 64.90.225(1)(h)(i), and subject to the provisions of the declaration, the legal description and boundaries of that land, labeled "SUBJECT TO DEVELOPMENT RIGHTS TO ADD UNITS THAT WILL RESULT IN A REALLOCATION OF ALLOCATED INTERESTS";

(f) The location and dimensions of all existing buildings containing or comprising units;

(g) The extent of any encroachments by or upon any portion of the common interest community;

(i) The location and dimensions of vertical unit boundaries;

(j) The location with reference to an established datum of horizontal unit boundaries, and that unit’s identifying number. With respect to a cooperative, miscellaneous community, or condominium for which the horizontal boundaries are not defined by physical monuments, reference to an established datum is not required if the location of the horizontal boundaries of a unit is otherwise reasonably described or depicted;

(k) The legal description and the location and dimensions of any real estate in which the unit owners will own only an estate for years, labeled as "LEASEHOLD REAL ESTATE";

(l) The distance between any noncontiguous parcels of real estate comprising the common interest community;

(m) The general location of any existing principal common amenities listed in a public offering statement under RCW 64.90.610(1)(k);

(o) As to any survey, all other matters customarily shown on land surveys.

(9) The map for a common interest community may also show the anticipated approximate location and dimensions of any contemplated improvement to be constructed anywhere within the common interest community, and any contemplated improvement shown must be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."

(10) The map for a common interest community must identify any unit in which the declarant has reserved the right to create additional units or common elements under RCW 64.90.250(3).

(11) Unless the declaration provides otherwise, any horizontal boundary of a unit located outside a building has the same elevation as the horizontal boundary of the inside part and need not be depicted on the map.

(12) Upon exercising any development right, the declarant must record either new maps necessary to conform to the requirements of subsections (3), (4), (6), and (8) of this section, or new certifications of any map previously recorded if that map otherwise conforms to the requirements of subsections (3), (4), (6), and (8) of this section.

(13) Any survey and the surveyor certifications required under this section must be made by a licensed surveyor.

(14) As to a plat community, the information required under subsections (6)(a) and (c), (8)(d) through (g), (m), and (n), (9), and (10) of this section is required, but may be shown on a map incorporated in or attached to the declaration, and need not be shown on the plat community map. Any such map is deemed a map for purposes of applying the provisions of this section, and the declarant must provide the certification required under subsection (6)(b) of this section.

(15) In showing or projecting the location and dimensions of the vertical boundaries of a unit located in a building, it is not necessary to show the thickness of the walls constituting the vertical boundaries or otherwise show the distance of those vertical boundaries either from the exterior surface of the building containing that unit or from adjacent vertical boundaries of other units if: (a) The walls are designated to be the vertical boundaries of that unit; (b) the unit is located within a building, the location and dimensions of the building having been shown on the map under subsection (8)(f) of this section; and (c) the graphic general location of the vertical boundaries are shown in relation to the exterior surfaces of that building and to the vertical boundaries of other units within that building.

Sec. 208. RCW 64.90.285 and 2018 c 277 s 218 are each amended to read as follows:

(1)(a) Except in cases of amendments that may be executed by: A declarant under subsection (10) of this section, RCW 64.90.240(2), 64.90.245(12), 64.90.250, or 64.90.415(2)(d); the association under RCW 64.90.030, 64.90.230(5), 64.90.240(3), 64.90.260(1), or 64.90.265 or subsection (11) of this section; or certain unit owners under RCW 64.90.240(2), 64.90.260(1), 64.90.265(2), or 64.90.290(2), and except as limited by subsections (4), (6), (7), (8), and (12) of this section, the declaration may be amended only by vote or agreement of unit owners of units to which at least sixty-seven percent of the votes in the association are allocated, unless the declaration specifies a different percentage not to exceed ninety percent for all amendments or for specific subjects of amendment. For purposes of this section, "amendment" means any change to the declaration, including adding, removing, or modifying restrictions contained in a declaration.

(b) If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval; however, any right of approval may not result in an expansion of special declarant rights reserved in the declaration or violate any other section of this chapter, including RCW 64.90.015, 64.90.050, 64.90.055, and 64.90.060.

(2) In the absence of fraud, any action to challenge the validity of an amendment adopted by the association may not be brought more than one year after the amendment is recorded.

(3) Every amendment to the declaration must be recorded in every county in which any portion of the common interest community is located and is effective only upon recordation. An amendment, except an amendment pursuant to RCW
64.90.260(1), must be indexed in the grantee’s index in the name of the common interest community and the association and in the grantor’s index in the name of the parties executing the amendment. 

(4) Except to the extent expressly permitted or required under this chapter, an amendment may not create or increase special declarant rights, increase the number of units, change the boundaries of any unit, or change the allocated interests of a unit without the consent of unit owners to which at least ninety percent of the votes in the association are allocated, including the consent of any unit owner of a unit, the boundaries of which or allocated interest of which is changed by the amendment.

(5) Amendments to the declaration required to be executed by the association must be executed by any authorized officer of the association who must certify in the amendment that it was properly adopted.

(6) The declaration may require a higher percentage of unit owner approval for an amendment that is intended to prohibit or materially restrict the uses of units permitted under the applicable zoning ordinances, or to protect the interests of members of a defined class of owners, or to protect other legitimate interests of the association or its members. Subject to subsection (13) of this section, a declaration may not require, as a condition for amendment, approval by more than ninety percent of the votes in the association or by all but one unit owner, whichever is less. An amendment approved under this subsection must provide reasonable protection for a use permitted at the time the amendment was adopted.

(7) The time limits specified in the declaration pursuant to RCW 64.90.225(1)(g) within which reserved development rights must be exercised may be extended, and additional development rights may be created, if persons entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by the declarant, agree to that action. The agreement is effective thirty days after an amendment to the declaration reflecting the terms of the agreement is recorded unless all the persons holding the affected special declarant rights, or security interests in those rights, record a written objection within the thirty-day period, in which case the amendment is void, or consent in writing at the time the amendment is recorded, in which case the amendment is effective when recorded.

(8) A provision in the declaration creating special declarant rights that have not expired may not be amended without the consent of the declarant.

(9) If any provision of this chapter or the declaration requires the consent of a holder of a security interest in a unit as a condition to the effectiveness of an amendment to the declaration, the consent is deemed granted if a refusal to consent in a record is not received by the association within sixty days after the association delivers notice of the proposed amendment to the holder at an address for notice provided by the holder or mails the notice to the holder by certified mail, return receipt requested, at that address. If the holder has not provided an address for notice to the association, the association must provide notice to the address in the security interest of record.

(10) Upon thirty-day advance notice to unit owners, the declarant may, without a vote of the unit owners or approval by the board, unilaterally adopt, execute, and record a corrective amendment or supplement to the governing documents to correct a mathematical mistake, an inconsistency, or a scrivener’s error, or clarify an ambiguity in the governing documents with respect to an objectively verifiable fact including, without limitation, recalculating the undivided interest in the common elements, the liability for common expenses, or the number of votes in the unit owners’ association appertaining to a unit, within five years after the recordation or adoption of the governing document containing or creating the mistake, inconsistency, error, or ambiguity. Any such amendment or supplement may not materially reduce what the obligations of the declarant would have been if the mistake, inconsistency, error, or ambiguity had not occurred.

(11) Upon thirty-day advance notice to unit owners, the association may, upon a vote of two-thirds of the members of the board, without a vote of the unit owners, adopt, execute, and record an amendment to the declaration for the following purposes:

(a) To correct or supplement the governing documents as provided in subsection (10) of this section;

(b) To remove language and otherwise amend as necessary to effect the removal of language purporting to forbid or restrict the conveyance, encumbrance, occupancy, or lease to: Individuals of a specified race, creed, color, sex, or national origin; individuals with sensory, mental, or physical disabilities; and families with children or any other legally protected classification;

(c) To remove language and otherwise amend as necessary to effect the removal of language that purports to impose limitations on the power of the association beyond the limit authorized in RCW 64.90.405((4)(a))(3)(a) to deal with the declarant that are more restrictive than the limitations imposed on the power of the association to deal with other persons; and

(d) To remove any other language and otherwise amend as necessary to effect the removal of language purporting to limit the rights of the association or its unit owners in direct conflict with this chapter.

(12) If the declaration requires that amendments to the declaration may be adopted only if the amendment is signed by a specified number or percentage of unit owners and if the common interest community contains more than twenty units, such requirement is deemed satisfied if the association obtains such signatures or the vote or agreement of unit owners holding such number or percentage.

(13)(a) If the declaration requires that amendments to the declaration may be adopted only by the vote or agreement of unit owners of units to which more than sixty-seven percent of the votes in the association are allocated, and the percentage required is otherwise consistent with this chapter, the amendment is approved if:

(i) The approval of the percentage specified in the declaration is obtained;

(ii)(A) Unit owners of units to which at least sixty-seven percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) A unit owner does not vote against the proposed amendment; and

(C) Notice of the proposed amendment, including notice that the failure of a unit owner to object may result in the adoption of the amendment, is delivered to the unit owners holding the votes in the association that have not voted or agreed to the proposed amendment and no written objection to the proposed amendment is received by the association within sixty days after the association delivers notice; or

(iii)(A) Unit owners of units to which at least sixty-seven percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) At least one unit owner objects to the proposed amendment; and

(C) Pursuant to an action brought by the association in the county in which the common interest community is situated against all objecting unit owners, the court finds, under the totality of circumstances including, but not limited to, the subject matter of the amendment, the purpose of the amendment, the percentage voting to approve the amendment, and the percentage objecting
to the amendment, that the amendment is reasonable.

(b) If the declaration requires the affirmative vote or approval of any particular unit owner or class of unit owners as a condition of its effectiveness, the amendment is not valid without that vote or approval.

Sec. 209. RCW 64.90.405 and 2018 c 277 s 302 are each amended to read as follows:

(1) An association must:
(a) Adopt organizational documents;
(b) Adopt budgets as provided in RCW 64.90.525;

(o) Maintain directors’ and officers’ liability insurance;
(p) Subject to subsection (4) of this section, assign its right to future income, including the right to receive assessments;
(q) Join in a petition for the establishment of a parking and business improvement area, participate in the ratepayers’ board or other advisory body set up by the legislative authority for operation of a parking and business improvement area, and pay special assessments levied by the legislative authority on a parking and business improvement area encompassing the condominium property for activities and projects that benefit the condominium directly or indirectly;
(r) Establish and administer a reserve account as described in RCW 64.90.535;
(s) Prepare a reserve study as described in RCW 64.90.545;
(t) Exercise any other powers conferred by the declaration or organizational documents;
(u) Exercise all other powers that may be exercised in this state by the same type of entity as the association;
(v) Exercise any other powers necessary and proper for the governance and operation of the association;
(w) Require that disputes between the association and unit owners or between two or more unit owners regarding the common interest community, other than those governed by chapter 64.50 RCW, be submitted to nonbinding alternative dispute resolution as a prerequisite to commencement of a judicial proceeding; and
(x) Suspend any right or privilege of a unit owner who fails to pay an assessment, but may not:

(i) Deny a unit owner or other occupant access to the owner’s unit;
(ii) Suspend a unit owner’s right to vote; or
(iii) Withhold services provided to a unit or a unit owner by the association if the effect of withholding the service would be to endanger the health, safety, or property of any person.

(3) The declaration may not limit the power of the association beyond the limit authorized in subsection (2)(w) of this section to:
(a) Deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons; or
(b) Institute litigation or an arbitration, mediation, or administrative proceeding against any person, subject to the following:

(i) The association must comply with chapter 64.50 RCW, if applicable, before instituting any proceeding described in chapter 64.50 RCW in connection with construction defects; and
(ii) The board must promptly provide notice to the unit owners of any legal proceeding in which the association is a party other than proceedings involving enforcement of rules or to recover unpaid assessments or other sums due the association.

(4) Any borrowing by an association that is to be secured by an assignment of the association’s right to receive future income pursuant to subsection (2)(e) and (p) of this section requires ratification by the unit owners as provided in this subsection.

(a) The board must provide notice of the intent to borrow to all unit owners. The notice must include the purpose and maximum amount of the loan, the estimated amount and term of any assessments required to repay the loan, a reasonably detailed projection of how the money will be expended, and the interest rate and term of the loan.

(b) In the notice, the board must set a date for a meeting of the unit owners, which must not be less than fourteen and no more than sixty days after mailing of the notice, to consider
ratification of the borrowing.

(c) Unless at that meeting, whether or not a quorum is present, unit owners holding a majority of the votes in the association or any larger percentage specified in the declaration reject the proposal to borrow funds, the association may proceed to borrow the funds in substantial accordance with the terms contained in the notice.

(5) If a tenant of a unit owner violates the governing documents, in addition to exercising any of its powers against the unit owner, the association may:

(a) Exercise directly against the tenant the powers described in subsection (2)(i) of this section;

(b) After giving notice to the tenant and the unit owner and an opportunity to be heard, levy reasonable fines against the tenant and unit owner for the violation; and

(c) Enforce any other rights against the tenant for the violation that the unit owner as the landlord could lawfully have exercised under the lease or that the association could lawfully have exercised directly against the unit owner, or both; but the association does not have the right to terminate a lease or evict a tenant unless permitted by the declaration. The rights referred to in this subsection (5)(c) may be exercised only if the tenant or unit owner fails to cure the violation within ten days after the association notifies the tenant and unit owner of that violation.

(6) Unless a lease otherwise provides, this section does not:

(a) Affect rights that the unit owner has to enforce the lease or that the association has under other law; or

(b) Permit the association to enforce a lease to which it is not a party in the absence of a violation of the governing documents.

(7) The board may determine whether to take enforcement action by exercising the association’s power to impose sanctions or commencing an action for a violation of the governing documents, including whether to compromise any claim for unpaid assessments or other claim made by or against it.

(8) The board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association’s legal position does not justify taking any further enforcement action;

(b) The covenant, restriction, or rule being enforced is, or is likely to be construed as, inconsistent with law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association’s resources; or

(d) It is not in the association’s best interests to pursue an enforcement action.

(9) The board’s decision under subsections (7) and (8) of this section to not pursue enforcement under one set of circumstances does not prevent the board from taking enforcement action under another set of circumstances, but the board may not be arbitrary or capricious in taking enforcement action.

Sec. 210. RCW 64.90.445 and 2018 c 277 s 310 are each amended to read as follows:

(1) The following requirements apply to unit owner meetings:

(a) A meeting of the association must be held at least once each year. Failure to hold an annual meeting does not cause a forfeiture or give cause for dissolution of the association and does not affect otherwise valid association acts.

(b)(i) An association must hold a special meeting of unit owners to address any matter affecting the common interest community or the association if its president, a majority of the board, or unit owners having at least twenty percent, or any lower percentage specified in the organizational documents, of the votes in the association request that the secretary call the meeting.

(ii) If the association does not provide notice to unit owners of a special meeting within thirty days after the requisite number or percentage of unit owners request the secretary to do so, the requesting members may directly provide notice to all the unit owners of the meeting. Only matters described in the meeting notice required in (c) of this subsection may be considered at a special meeting.

(c) An association must provide notice to unit owners of the time, date, and place of each annual and special unit owners meeting not less than fourteen days and not more than fifty days before the meeting date. Notice may be by any means described in RCW 64.90.515. The notice of any meeting must state the time, date, and place of the meeting and the items on the agenda, including:

(i) The text of any proposed amendment to the declaration or organizational documents;

(ii) Any changes in the previously approved budget that result in a change in the assessment obligations; and

(iii) Any proposal to remove a board member or officer.

(d) The minimum time to provide notice required in (c) of this subsection may be reduced or waived for a meeting called to deal with an emergency.

(e) Unit owners must be given a reasonable opportunity at any meeting to comment regarding any matter affecting the common interest community or the association.

(f) The declaration or organizational documents may allow for meetings of unit owners to be conducted by telephonic, video, or other conferencing process, if the process is consistent with subsection (2)(i) of this section.

(2) The following requirements apply to meetings of the board and committees authorized to act for the board:

(a) Meetings must be open to the unit owners except during executive sessions, but the board may expel or prohibit attendance by any person who, after warning by the chair of the meeting, disrupts the meeting. The board and those committees may hold an executive session only during a regular or special meeting of the board or a committee. A final vote or action may not be taken during an executive session.

(b) An executive session may be held only to:

(i) Consult with the association’s attorney concerning legal matters;

(ii) Discuss existing or potential litigation or mediation, arbitration, or administrative proceedings;

(iii) Discuss labor or personnel matters;

(iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the association at a disadvantage; or

(v) Prevent public knowledge of the matter to be discussed if the board or committee determines that public knowledge would violate the privacy of any person.

(c) For purposes of this subsection, a gathering of members of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(d) During the period of declarant control, the board must meet at least four times a year. At least one of those meetings must be held at the common interest community or at a place convenient to the community. After the transition meeting, all board meetings must be at the common interest community or at a place convenient to the common interest community unless the unit owners amend the bylaws to vary the location of those meetings.

(e) At each board meeting, the board must provide a reasonable opportunity for unit owners to comment regarding matters affecting the common interest community and the association.
(f) Unless the meeting is included in a schedule given to the unit owners or the meeting is called to deal with an emergency, the secretary or other officer specified in the organizational documents must provide notice of each board meeting to each board member and to the unit owners. The notice must be given at least fourteen days before the meeting and must state the time, date, place, and agenda of the meeting.

(g) If any materials are distributed to the board before the meeting, the board must make copies of those materials reasonably available to the unit owners, except that the board need not make available copies of unapproved minutes or materials that are to be considered in executive session.

(h) Unless the organizational documents provide otherwise, fewer than all board members may participate in a regular or special meeting by or conduct a meeting through the use of any means of communication by which all board members participating can hear each other during the meeting. A board member participating in a meeting by these means is deemed to be present in person at the meeting.

(i) Unless the organizational documents provide otherwise, the board may meet by participation of all board members by telephonic, video, or other conferencing process if:

(i) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and

(ii) The process provides all unit owners the opportunity to hear or perceive the discussion and to comment as provided in (e) of this subsection.

(j) After the transition meeting, unit owners may amend the organizational documents to vary the procedures for meetings described in (i) of this subsection.

(k) Instead of meeting, the board may act by unanimous consent as documented in a record by all its members. Actions taken by unanimous consent must be kept as a record of the association with the meeting minutes. After the transition meeting, the board may act by unanimous consent only to undertake ministerial actions, actions subject to ratification by the unit owners, or to implement actions previously taken at a meeting of the board.

(l) A board member who is present at a board meeting at which any action is taken is presumed to have assented to the action taken unless the board member’s dissent or abstention to such action is lodged with the person acting as the secretary of the meeting before adjournment of the meeting or provided in a record to the secretary of the association immediately after adjournment of the meeting. The right to dissent or abstain does not apply to a board member who voted in favor of such action at the meeting.

(m) A board member may not vote by proxy or absentee ballot.

(n) Even if an action by the board is not in compliance with this section, it is valid unless set aside by a court. A challenge to the validity of an action of the board for failure to comply with this section may not be brought more than ninety days after the minutes of the board of the meeting at which the action was taken are approved or the record of that action is distributed to unit owners, whichever is later.

Sec. 211. RCW 64.90.485 and 2018 c 277 s 318 are each amended to read as follows:

(1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner’s interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3)(a) A lien under this section also has priority over the security interests described in subsection (2)(b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association’s lien or a security interest described in subsection (2)(b) of this section;

(ii) The association’s actual costs and reasonable attorneys’ fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a)(iii) of this subsection; provided, however, that the costs and reasonable attorneys’ fees that will have priority under this subsection (3)(a)(ii) shall not exceed two thousand dollars or an amount equal to the amounts described in (a)(i) of this subsection, whichever is less;

(iii) The amounts described in (a)(ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the association has given that holder not less than sixty days’ prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within sixty days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and

(iv) Upon payment of the amounts described in (a)(i) and (ii) of this subsection by the holder of a security interest, the association’s lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder’s security interest on the unit.

(b) For the purposes of this subsection:

(i) “Institution of proceedings” means either:

(A) The date of recording of a notice of trustee’s sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a
real estate contract forfeiture proceeding by the vendor under a real estate contract.

(ii) 'Capital improvements’ does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys’ fees and costs incurred for services unrelated to the foreclosure of the association’s lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics’ or material suppliers’ liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recording of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within fifteen days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association’s lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association’s lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners’ interests in the units are real estate, the association’s lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners’ interests in the units are personal property, the association’s lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(14) If the unit owner’s interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys’ fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association’s lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association’s debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the
unit and stating that it is executed by the person after a foreclosure of the association’s lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner’s default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys’ fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor’s conveyance, without prejudice to the grantee’s right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys’ fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys’ fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes a sum equal to at least three months of common expense assessments; and

(b) The board approves commencement of a foreclosure action specifically against that unit.

(22) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable.

(2) The public offering statement must begin with notices substantially in the following forms and in conspicuous type:
(a) “RIGHT TO CANCEL. (1) You are entitled to receive a copy of this public offering statement and all material amendments to this public offering statement before conveyance of your unit. Under RCW 64.90.635, you have the right to cancel your contract for the purchase of your unit within seven days after first receiving this public offering statement. If this public offering statement is first provided to you more than seven days before you sign your contract for the purchase of your unit, you
have no right to cancel your contract. If this public offering statement is first provided to you seven days or less before you sign your contract for the purchase of your unit, you have the right to cancel, before conveyance of the unit, the executed contract by delivering, no later than the seventh day after first receiving this public offering statement, a notice of cancellation pursuant to section (3) of this notice. If this public offering statement is first provided to you less than seven days before the closing date for the conveyance of your unit, you may, before conveyance of your unit to you, extend the closing date to a date not more than seven days after you first received this public offering statement, so that you may have seven days to cancel your contract for the purchase of your unit.

(2) You have no right to cancel your contract upon receipt of an amendment to this public offering statement; however, this does not eliminate any right to rescind your contract, due to the disclosure of the information in the amendment, that is otherwise available to you under generally applicable contract law.

(3) If you elect to cancel your contract pursuant to this notice, you may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the seller at the address set forth in this public offering statement or at the address of the seller’s registered agent for service of process. The date of such notice is the date of receipt, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by you before cancellation must be refunded promptly."

(b) "OTHER DOCUMENTS CREATING BINDING LEGAL OBLIGATIONS. This public offering statement is a summary of some of the significant aspects of purchasing a unit in this common interest community. The governing documents and the purchase agreement are complex, contain other important information, and create binding legal obligations. You should consider seeking the assistance of legal counsel."

(c) "OTHER REPRESENTATIONS. You may not rely on any statement, promise, model, depiction, or description unless it is (1) contained in the public offering statement delivered to you or (2) made in writing signed by the declarant or dealer or the declarant’s or dealer’s agent identified in the public offering statement. A statement of opinion, or a commendation of the real estate, its quality, or its value, does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change."

(d) "MODEL UNITS. Model units are intended to provide you with a general idea of what a finished unit might look like. Units being offered for sale may vary from the model unit in terms of floor plan, fixtures, finishes, and equipment. You are advised to obtain specific information about the unit you are considering purchasing."

(e) "RESERVE STUDY. The association [does] [does not] have a current reserve study. Any reserve study should be reviewed carefully. It may not include all reserve components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. You may encounter certain risks, including being required to pay as a special assessment your share of expenses for the cost of major maintenance, repair, or replacement of a reserve component, as a result of the failure to: (1) Have a current reserve study or fully funded reserves, (2) include a component in a reserve study, or (3) provide any or sufficient contributions to a reserve account for a component."

(f) "DEPOSITS AND PAYMENTS. Only earnest money and reservation deposits are required to be placed in an escrow or trust account. Any other payments you make to the seller of a unit are at risk and may be lost if the seller defaults."

(g) "CONSTRUCTION DEFECT CLAIMS. Chapter 64.50 RCW contains important requirements you must follow before you may file a lawsuit for defective construction against the seller or builder of your home. Forty-five days before you file your lawsuit, you must deliver to the seller or builder a written notice of any construction conditions you allege are defective and provide your seller or builder the opportunity to make an offer to repair or pay for the defects. You are not obligated to accept any offer made by the builder or seller. There are strict deadlines and procedures under state law, and failure to follow them may affect your ability to file a lawsuit."

(h) "ASSOCIATION INSURANCE. The extent to which association insurance provides coverage for the benefit of unit owners (including furnishings, fixtures, and equipment in a unit) is determined by the provisions of the declaration and the association’s insurance policy, which may be modified from time to time. You and your personal insurance agent should read the declaration and the association’s policy prior to closing to determine what insurance is required of the association and unit owners, unit owners’ rights and duties, what is and is not covered by the association’s policy, and what additional insurance you should obtain."

(i) "QUALIFIED WARRANTY. Your unit [is] [is not] covered by a qualified warranty under chapter 64.35 RCW."

(3) The public offering statement must include copies of each of the following documents: The declaration; the (survey) map; the organizational documents; the rules ((and regulations)); if any; the current or proposed budget for the association; a dated balance sheet of the association; any inspection and repair report or reports prepared in accordance with the requirements of RCW 64.55.090; and any qualified warranty provided to a purchaser by a declarant together with a history of claims under the qualified warranty. If any of these documents are not in final form, the documents must be marked “draft” and, before closing the sale of a unit, the purchaser must be given notice of any material changes to the draft documents.

(4) A declarant must promptly amend the public offering statement to reflect any material change in the information required under this section.

Sec. 213. RCW 64.90.650 and 2018 c 277 s 411 are each amended to read as follows:

(i) In the case of a sale of a unit when delivery of a public offering statement is required pursuant to RCW 64.90.605(3) and subject to subsection (2) of this section, a seller before conveying a unit:

(a) Must record or furnish to the purchaser releases of all liens that encumber:
  (i) In a condominium, that unit and its common element interest; and
  (ii) In a cooperative, plat community, or miscellaneous community, that unit and any limited common elements assigned to that unit; or
(b) Must provide the purchaser of that unit with title insurance from a licensed title insurance company against any lien not released pursuant to (a) of this subsection.

(2) Subsection (1) of this section does not apply to liens that encumber:

(a) Real estate that a declarant has the right to withdraw from the common interest community;
(b) In a condominium, the unit and its common element interest being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien;
(c) In a cooperative, plat community, or miscellaneous community, the unit and any limited common element allocated to the unit being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien.

(3) Before conveying real property to the association, the declarant must have that real property released from:
   (a) All liens the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units; and
   (b) All other liens on that real property unless the public offering statement describes certain real property that may be conveyed subject to liens in specified amounts.

(4) In the case of a cooperative, the provisions of this section do not apply to liens securing indebtedness that represent a common expense liability for which the purchaser expressly agrees in writing to be responsible.

Sec. 214.  
RCW 64.06.005 and 2010 c 64 s 1 are each amended to read as follows:

Sec. 219. RCW 64.34.308 and 2011 c 189 s 2 are each amended to read as follows:
(1) Except as provided in the declaration, the bylaws, subsection (2) of this section, or other provisions of this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors are required to exercise: (a) If appointed by the declarant, the care required of fiduciaries of the unit owners; or (b) if elected by the unit owners, ordinary and reasonable care.
(2) The board of directors shall not act on behalf of the association to amend the declaration in any manner that requires the vote or approval of the unit owners pursuant to RCW 64.34.264, to terminate the condominium pursuant to RCW 64.34.268, or to elect members of the board of directors or determine the qualifications, powers, and duties, or terms of office of members of the board of directors pursuant to subsection (7) of this section; but the board of directors may fill vacancies in its membership for the unexpired portion of any term.
(3) Except as provided in RCW 64.90.080, 64.90.405(1) (b) and (c), and 64.90.525, within thirty days after adoption of any proposed budget for the condominium, the board of directors shall provide a summary of the budget to all the unit owners and shall set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of units to which a majority of the votes in the association are allocated or any larger percentage specified in the declaration reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the unit owners shall be continued until such time as the unit owners ratify a subsequent budget proposed by the board of directors.
(4) As part of the summary of the budget provided to all unit owners, the board of directors shall disclose to the unit owners:
   (a) The current amount of regular assessments budgeted for contribution to the reserve account, the recommended contribution rate from the reserve study, and the funding plan upon which the recommended contribution rate is based;
   (b) If additional regular or special assessments are scheduled to be imposed, the date the assessments are due, the amount of the assessments per each unit per month or year, and the purpose of the assessments;
   (c) Based upon the most recent reserve study and other information, whether currently projected reserve account balances will be sufficient at the end of each year to meet the association’s obligation for major maintenance, repair, or replacement of reserve components during the next thirty years;
   (d) If reserve account balances are not projected to be sufficient, what additional assessments may be necessary to ensure that sufficient reserve account funds will be available each year during the next thirty years, the approximate dates assessments may be due, and the amount of the assessments per unit per month or year;
   (e) The estimated amount recommended in the reserve account at the end of the current fiscal year based on the most recent reserve study, the projected reserve account cash balance at the end of the current fiscal year, and the percent funded at the date of the latest reserve study;
   (f) The estimated amount recommended in the reserve account based upon the most recent reserve study at the end of each of the next five budget years, the projected reserve account cash balance in each of those years, and the projected percent funded for each of those years; and
   (g) If the funding plan approved by the association is implemented, the projected reserve account cash balance in each of the next five budget years and the percent funded for each of those years.
(5)(a) Subject to subsection (6) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may: (i) Appoint and remove the officers and members of the board of directors; or (ii) veto or approve a proposed action of the board or association. A declarant’s failure to veto or approve such proposed action in writing within thirty days after receipt of written notice of the proposed action shall be deemed approval by the declarant.
(b) Regardless of the period provided in the declaration, a period of declarant control terminates no later than the earlier of: (i) Sixty days after conveyance of seventy-five percent of the units which may be created to unit owners other than a declarant; (ii) two years after the last conveyance or transfer of record of a unit except as security for a debt; (iii) two years after any development right to add new units was last exercised; or (iv) the date on which the declarant records an amendment to the declaration pursuant to which the declarant voluntarily surrenders the right to further appoint and remove officers and members of the board of directors. A declarant may voluntarily surrender the right to appoint and remove officers and members of the board of directors before termination of that period pursuant to (i), (ii), and (iii) of this subsection (5)(b), but in that event the declarant may require, for the duration of the period of declarant control, that specified actions of the association or board of directors, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.
(6) Not later than sixty days after conveyance of twenty-five percent of the units which may be created to unit owners other than a declarant, at least one member and not less than twenty-five percent of the members of the board of directors must be elected by unit owners other than the declarant. Not later than sixty days after conveyance of fifty percent of the units which may be created to unit owners other than a declarant, not less than thirty-three and one-third percent of the members of the board of directors must be elected by unit owners other than the declarant.
(7) Within thirty days after the termination of any period of declarant control, the unit owners shall elect a board of directors of at least three members, at least a majority of whom must be unit owners. The number of directors need not exceed the number of units then in the condominium. The board of directors shall elect the officers. Such members of the board of directors and officers shall take office upon election.

(8) Notwithstanding any provision of the declaration or bylaws to the contrary, the unit owners, by a two-thirds vote of the voting power in the association present and entitled to vote at any meeting of the unit owners at which a quorum is present, may remove any member of the board of directors with or without cause, other than a member appointed by the declarant. The declarant may not remove any member of the board of directors elected by the unit owners. Prior to the termination of the period of declarant control, the unit owners, other than the declarant, may remove by a two-thirds vote, any director elected by the unit owners.

(1) An association is encouraged to establish a reserve account with a financial institution to fund major maintenance, repair, and replacement of common elements, including limited common elements that will require major maintenance, repair, or replacement within thirty years. If the association establishes a reserve account, the account must be in the name of the association. The board of directors is responsible for administering the reserve account.

(2) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, an association with significant assets shall prepare and update a reserve study, in accordance with the association’s governing documents and RCW 64.34.224(1). The initial reserve study must be based upon a visual site inspection conducted by a reserve study professional.

(3) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, the association shall update the reserve study annually. At least every three years, an updated reserve study must be prepared and based upon a visual site inspection conducted by a reserve study professional.

(4) Except as provided in RCW 64.90.080 and 64.90.545, this section and RCW 64.34.382 through 64.34.392 apply to condominiums governed by chapter 64.32 RCW or this chapter and intended in whole or in part for residential purposes. These sections do not apply to condominiums consisting solely of units that are restricted in the declaration to nonresidential use. Sec. 221. RCW 64.34.392 and 2009 c 307 s 1 are each amended to read as follows:

(1) Except as provided in RCW 64.90.080 and 64.90.545, a condominium association with ten or fewer unit owners is not required to follow the requirements under RCW 64.34.380 through 64.34.390 if two-thirds of the owners agree to exempt the association from the requirements.

(2) The unit owners must agree to maintain an exemption under subsection (1) of this section by a two-thirds vote every three years.

(3) Notwithstanding subsections (1) and (2) of this section, a disclosure that the condominium association does not have a reserve study must be included in a unit’s public offering statement as required under RCW 64.34.410 or resale certificate as required under RCW 64.34.425.

Sec. 222. RCW 64.38.025 and 2011 c 189 s 8 are each amended to read as follows:

(1) Except as provided in the association’s governing documents or this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors shall exercise the degree of care and loyalty required of an officer or director of a corporation organized under chapter 24.03 RCW.

(2) The board of directors shall not act on behalf of the association to amend the articles of incorporation, to take any action that requires the vote or approval of the owners, to terminate the association, to elect members of the board of directors, or to determine the qualifications, powers, and duties, or terms of office of members of the board of directors; but the board of directors may fill vacancies in its membership of the unexpired portion of any term.

(3) Except as provided in RCW 64.90.080, 64.90.405(1), (b) and (c), and 64.90.525, within thirty days after adoption by the board of directors of any proposed regular or special budget of the association, the board shall set a date for a meeting of the owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of a majority of the votes in the association are allocated or any larger percentage specified in the governing documents reject the budget, in person or by proxy, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the owners shall be continued until such time as the owners ratify a subsequent budget proposed by the board of directors.

(4) As part of the summary of the budget provided to all owners, the board of directors shall disclose to the owners:

(a) The current amount of regular assessments budgeted for contribution to the reserve account, the recommended contribution rate from the reserve study, and the funding plan upon which the recommended contribution rate is based;

(b) If additional regular or special assessments are scheduled to be imposed, the date the assessments are due, the amount of the assessments per each owner per month or year, and the purpose of the assessments;

(c) Based upon the most recent reserve study and other information, whether currently projected reserve account balances will be sufficient at the end of each year to meet the association’s obligation for major maintenance, repair, or replacement of reserve components during the next thirty years;

(d) If reserve account balances are not projected to be sufficient, what additional assessments may be necessary to ensure that sufficient reserve account funds will be available each year during the next thirty years, the approximate dates assessments may be due, and the amount of the assessments per owner per month or year;

(e) The estimated amount recommended in the reserve account at the end of the current fiscal year based on the most recent reserve study, the projected reserve account cash balance at the end of the current fiscal year, and the percent funded at the date of the latest reserve study;

(f) The estimated amount recommended in the reserve account based upon the most recent reserve study at the end of each of the next five budget years, the projected reserve account cash balance in each of those years, and the projected percent funded for each of those years; and

(g) If the funding plan approved by the association is implemented, the projected reserve account cash balance in each of the next five budget years and the percent funded for each of those years.

(5) The owners by a majority vote of the voting power in the
association present, in person or by proxy, and entitled to vote at any meeting of the owners at which a quorum is present, may remove any member of the board of directors with or without cause.

Sec. 223. RCW 64.38.065 and 2011 c 189 s 9 are each amended to read as follows:

(1) An association is encouraged to establish a reserve account with a financial institution to fund major maintenance, repair, and replacement of common elements, including limited common elements that will require major maintenance, repair, or replacement within thirty years. If the association establishes a reserve account, the account must be in the name of the association. The board of directors is responsible for administering the reserve account.

(2) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, an association with significant assets shall prepare and update a reserve study, in accordance with the association’s governing documents and this chapter. The initial reserve study must be based upon a visual site inspection conducted by a reserve study professional.

(3) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, the association shall update the reserve study annually. At least every three years, an updated reserve study must be prepared and based upon a visual site inspection conducted by a reserve study professional.

(4) The decisions relating to the preparation and updating of a reserve study must be made by the board of directors in the exercise of the reasonable discretion of the board. The decisions must include whether a reserve study will be prepared or updated, and whether the assistance of a reserve study professional will be utilized.

Sec. 224. RCW 64.38.090 and 2011 c 189 s 14 are each amended to read as follows:

Except as provided in RCW 64.90.080 and 64.90.545, an association is not required to follow the reserve study requirements under RCW 64.38.025 and RCW 64.38.065 through 64.38.085 if the cost of the reserve study exceeds five percent of the association’s annual budget, the association does not have significant assets, or there are ten or fewer homes in the association.
