ROLL CALL

The Secretary called the roll on the final passage of Senate Bill No. 6025 and the bill passed the Senate by the following vote: Yeas, 39; Nays, 7; Absent, 0; Excused, 3.

NEW SECTION. Sec. 1. In 1995, the legislature enacted a business and occupation tax rate for persons providing international investment management services. The legislature finds that the original intent of this tax rate was to reduce a competitive disadvantage for a limited number of firms providing international investment management services. The fiscal note for the bill stated that "only a very limited taxpayer group would benefit from the reduced rate." The legislature further finds that as a result of the adoption of economic nexus; a single factor, market-based apportionment methodology; and significant ambiguity in the statute governing the qualifications for the tax rate; a much larger number of businesses are claiming the tax rate than was contemplated in 1995. Therefore, the legislature intends in sections 2 and 3 of this act to clarify the scope of activities and persons eligible for the tax rate to more closely align with the legislature’s original intent.

Sec. 2. RCW 82.04.290 and 2014 c 97 s 404 are each amended to read as follows:

(1) Upon every person engaging within this state in the business of providing qualifying international investment management services, as to such persons, the amount of tax with respect to such business is equal to the gross income or gross proceeds of sales of the business multiplied by a rate of 0.275 percent.

(2)(a) Upon every person engaging within this state in any business activity other than or in addition to an activity taxed explicitly under another section in this chapter or subsection (1) or (3) of this section; as to such persons the amount of tax on account of such activities is equal to the gross income of the business multiplied by the rate of 1.5 percent.

(b) This subsection (2) includes, among others, and without limiting the scope hereof (whether or not title to materials used in the performance of such business passes to another by accession, confusion or other than by outright sale), persons engaged in the business of rendering any type of service which does not constitute a "sale at retail" or a "sale at wholesale." The value of advertising, demonstration, and promotional supplies and materials furnished to an agent by his or her principal or supplier to be used for informational, educational, and promotional purposes is not considered a part of the agent’s remuneration or commission and is not subject to taxation under this section.

(3)(a) Until July 1, 2040, upon every person engaging within this state in the business of performing aerospace product development for others, as to such persons, the amount of tax with respect to such business is equal to the gross income of the business multiplied by a rate of 0.9 percent.

(b) A person reporting under the tax rate provided in this subsection (3) must file a complete annual report with the department under RCW 82.32.534.

(c) "Aerospace product development" has the meaning as provided in RCW 82.04.4461.

Sec. 3. RCW 82.04.293 and 1997 c 7 s 3 are each amended to read as follows:

For purposes of RCW 82.04.290:

(1) A person is engaged in the business of providing qualifying international investment management services, if:

(a) Such person is engaged primarily in the business of providing investment management services; (and)

(b) At least ten percent of the gross income of such person is derived from providing investment management services to any of the following:

(i) (persons or) Collective investment funds (residing) commercially domiciled, as defined in RCW 82.56.010, outside the United States; or

(ii) (persons or) Collective investment funds with at least ten
percent of their investments located outside the United States;
(2) "Investment management services" means investment research, investment consulting, portfolio management, fund administration, fund distribution, investment transactions, or related investment services.
(3) "Collective investment fund" includes:
(a) Funds that are established for the benefit of such tax-exempt organizations, such as charitable remainder trusts, charitable lead trusts, charitable annuity trusts, or other similar trusts; or
(b) Collective investment funds similar to those described in (((ii)) (c)(i)) through (((ii)) (v)) of this subsection (3) created under the laws of a foreign jurisdiction.
(4) "Investment management services" means managing the collective assets of a collective investment fund by engaging, either directly or indirectly through such person's affiliated group, in all of the following activities: (i) Portfolio management; (ii) fund administration; (iii) fund distribution; and (iv) transfer agent services.
(5) Investments are located outside the United States if the underlying assets in which the investment constitutes a beneficial interest reside or are created, issued or held outside the United States.
(6) If a person engaged in the business of providing international investment management services no longer meets the Washington state employment eligibility requirements under subsection (1)(c) of this section, then an amount equal to the entire economic benefit accruing to the person in the current and immediately prior nine consecutive calendar years, or the consecutive years since the effective date of this act, whichever is less, as a result of the preferential tax rate under RCW 82.04.290(1) is immediately due and payable.
(7) The department must assess interest, but not penalties, on the amounts due under this section. The interest must be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW and accrue until the taxes for which a tax preference has been used are repaid.

NEW SECTION. Sec. 4. (1) The legislature finds that a strong financial cluster is critical to the economic health of Washington state. The legislature further finds that anchor institutions are key to growing a strong financial cluster, including international investment management firms. Therefore, the legislature finds that maintaining a competitive tax policy in Washington state enables the state to maintain its anchor investment management firms.
(2) The legislature finds that standard financial information has not historically been subject to sales tax. In 2007 the legislature clarified that sales tax does not apply to electronically delivered standard financial information purchased by investment management companies or financial institutions. In 2013, the legislature provided clarification by passing a sales and use tax exemption for standard financial information purchased by investment management companies.
(3) The legislature further finds that taxation of such standard financial information would be uncompetitive and inconsistent with the fundamental structure of sales tax as a tax on retail transactions. Therefore, it is the legislature's intent to conform with a previously determined policy objective of exempting certain standard financial information purchased by investment management companies from sales and use tax in order to improve industry competitiveness.

NEW SECTION. Sec. 5. (1) This section is the tax preference performance statement for the tax preferences contained in sections 6 and 7, chapter 82.32, Laws of 2019 (sections 6 and 7 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.
(2) The legislature categorizes these tax preferences as ones intended to improve industry competitiveness, as indicated in RCW 82.32.808(2)(b) and to reduce structural inefficiencies in the tax structure as indicated in RCW 82.32.808(2)(d).

(3) It is the legislature’s specific public policy objective to maintain a viable financial cluster. It is the legislature’s intent to exempt sales and use taxes on sales of standard financial information to qualifying international investment management companies, in order to maintain the presence of at least one international investment management services firm headquartered in Washington state with at least two hundred billion dollars of assets under management.

(4) If a review finds that there is at least one international investment management services firm with at least two hundred billion dollars of assets under management headquartered in Washington state, then the legislature intends to extend the expiration date of the tax preferences.

Sec. 6. RCW 82.08.207 and 2013 2nd sp.s. c 13 s 702 are each amended to read as follows:

(2) Sellers making tax-exempt sales under this section must obtain an exemption certificate from the buyer in a form and manner prescribed by the department. The seller must retain a copy of the exemption certificate for the buyer’s files. In lieu of an exemption certificate, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement. For sellers who electronically file their taxes, the department must provide a separate tax reporting line for exemption amounts claimed under this section.

(3) A buyer may not continue to claim the exemption under this section once the buyer has purchased standard financial information during the current calendar year with an aggregate total selling price in excess of fifteen million dollars and an exemption has been claimed under this section or RCW 82.12.207 for such standard financial information. The fifteen million dollar limitation under this subsection does not apply to any other exemption under this chapter that applies to standard financial information. Sellers are not responsible for ensuring a buyer’s compliance with the fifteen million dollar limitation under this subsection. Sellers may not be assessed for uncollected sales tax on a sale to a buyer claiming an exemption under this section after having exceeded the fifteen million dollar limitation under this subsection, except as provided in RCW 82.08.050 (4) and (5).

(4) The definitions in this subsection and RCW 82.04.293 apply throughout this section unless the context clearly requires otherwise.

(a)(4)) “Qualifying international investment management company” means a person((

(A) Who is primarily engaged in the business of providing investment management services; and

(B) Who has gross income that is at least ten percent derived from providing investment management services to:

(1) Persons or collective investment funds residing outside the United States; or

(II) Collective investment funds with at least ten percent of their investments located outside the United States;

(ii) The definitions in RCW 82.04.293 apply to this subsection (((4)(a)) who is eligible for the tax rate in RCW 82.04.290(1).

(b)(i) “Standard financial information” means financial data, facts, or information, or financial information services, not generated, compiled, or developed only for a single customer. Standard financial information includes, but is not limited to, financial market data, bond ratings, credit ratings, and deposit, loan, or mortgage reports.

(ii) For purposes of this subsection (4)(b), “financial market data” means market pricing information, such as for securities, commodities, and derivatives; corporate actions for publicly and privately traded companies, such as dividend schedules and reorganizations; corporate attributes, such as domicile, currencies used, and exchanges where shares are traded; and currency information.

(5) This section expires July 1, ((2021)) 2031.

Sec. 7. RCW 82.12.207 and 2013 2nd sp.s. c 13 s 703 are each amended to read as follows:

(1) The tax imposed by RCW 82.12.020 does not apply to the use of standard financial information by qualifying international investment management companies or persons affiliated, as defined in RCW 82.04.293, with a qualifying international investment management company. The exemption provided in this section applies regardless of whether the standard financial information is in a tangible format or resides on a tangible storage medium or is a digital product transferred electronically to the qualifying international investment management company.

(2) The definitions, conditions, and requirements in RCW 82.08.207 apply to this section.

(3) This section expires July 1, ((2021)) 2031.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. The provisions of RCW 82.32.805 and 82.32.808 do not apply to sections 2 and 3 of this act.

NEW SECTION. Sec. 10. Sections 2 and 3 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect July 1, 2019. “

Correct the title.

MESSAGE FROM THE HOUSE

April 27, 2019

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5825 with the following amendment(s): 5825-S.E AMH ENGR H3161.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that the Puget Sound region is faced with growing traffic congestion and must improve mobility for people and goods by maximizing the effectiveness of the freeway system. Investments in the Interstate 405, state route number 167, and state route number 509 corridors are essential for providing benefits for the movement of vehicles and people. Further, the legislature recognizes that in 2015, the passage of the connecting Washington transportation revenue proposal assumed that tolling would be a component of projects on these corridors.

(2) The legislature recognizes that completion of state route number 167 in Pierce county and completion of state route number 509 in King county provide essential connections to the Port of Tacoma and the Port of Seattle and will help ensure people and goods move more reliably through the Puget Sound region. The completion of these corridors, known as the Gateway project, will play an essential role in enhancing the state’s economic competitiveness, both nationally and globally.

(3) The legislature acknowledges that as one of the most congested freeway sections in the state, the combined Interstate 405 and state route number 167 corridor in King county serves as an ideal candidate for an express toll lanes network. The express toll lanes network provides a tool for managing the use of high occupancy vehicle lanes while generating funds to improve projects in the corridor.

(4) Therefore, it is the intent of this act to expedite the delivery of the Puget Sound Gateway facility, designate the Puget Sound Gateway project as an eligible toll facility, and authorize the imposition of tolls on the Puget Sound Gateway facility. It is further the intent of this act to direct the department of transportation to develop and operate an express toll lanes network on Interstate 405 from the city of Lynnwood on the north end to the intersection of state route number 167 and state route number 512 on the south end.

NEW SECTION. Sec. 2. (1) In order to provide funds necessary for the design, right-of-way, and construction of projects as allowed in sections 11 through 14 of this act, there shall be issued and sold upon the request of the department of transportation up to the following amounts of general obligation bonds of the state of Washington first payable from toll revenue and excise taxes on fuel and vehicle-related fees in accordance with section 5 of this act:

(a) One billion one hundred sixty million dollars for the Interstate 405 and state route number 167 express toll lanes; and
(b) Three hundred forty million dollars for the Puget Sound Gateway facility.

(2) For purposes of chapter . . ., Laws of 2019 (this act), "vehicle-related fees" means vehicle-related fees imposed under Title 46 RCW that constitute license fees for motor vehicles to be used for highway purposes.

NEW SECTION. Sec. 3. Upon the request of the department, the state finance committee shall supervise and provide for the issuance, sale, and retirement of bonds authorized by this act in accordance with chapter 39.42 RCW. Bonds authorized by this act shall be sold in the manner, at time or times, in amounts, and at the price as the state finance committee shall determine. No bonds may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

NEW SECTION. Sec. 4. (1) The proceeds from the sale of bonds authorized by:

(a) Section 2(1)(a) of this act shall be deposited in the Interstate 405 and state route number 167 express toll lanes account created in section 12 of this act; and
(b) Section 2(1)(b) of this act shall be deposited in the Puget Sound Gateway facility account created in section 14 of this act.

(2) The bond proceeds shall be available only for the purposes enumerated in section 2, chapter . . ., Laws of 2019 (section 2 of this act), for the payment of bond anticipation notes or other interim financing, if any, capitalizing interest on the bonds, funding a debt service reserve fund, if any, and for the payment of bond issuance costs, including the costs of underwriting.

NEW SECTION. Sec. 5. Bonds issued under the authority of this section and sections 2, 6, and 7 of this act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal of and interest on the bonds shall be first payable in the manner provided in this section and sections 2, 6, and 7 of this act from toll revenue and then from proceeds of excise taxes on fuel and vehicle-related fees to the extent toll revenue is not available for that purpose. Toll revenue and the state excise taxes on fuel imposed by chapter 82.38 RCW and vehicle-related fees are hereby pledged to the payment of any bonds and the interest thereon issued under the authority of this section and sections 2, 6, and 7 of this act, and the legislature agrees to continue to impose these toll charges on the Interstate 405 and state route number 167 express toll lanes, and on the Puget Sound Gateway facility, and on any other eligible toll facility designated by the legislature and on which the imposition of tolls is authorized by the legislature in respect of the bonds, and excise taxes on fuel and vehicle-related fees in amounts sufficient to pay, when due, the principal and interest on all bonds issued under the authority of this section and sections 2, 6, and 7 of this act.

NEW SECTION. Sec. 6. For bonds issued under the authority of this section and sections 2, 5, and 7 of this act, the state treasurer shall first withdraw toll revenue from the
appropriate toll account for the facility for which the bonds are issued and sold, and, to the extent toll revenue is not available, excise taxes on fuel and vehicle-related fees and deposit in the toll facility bond retirement account, or a special subaccount in the account, such amounts, and at such times, as are required by the bond proceedings.

Any excise taxes on fuel and vehicle-related fees required for bond retirement or interest on the bonds authorized by this section and sections 2, 5, and 7 of this act shall be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on fuel and vehicle-related fees and which is, or may be, appropriated to the department for state highway purposes. Funds required shall never constitute a charge against any other allocations of fuel tax and vehicle-related fee revenues to the state, counties, cities, and towns unless the amount arising from excise taxes on fuel and vehicle-related fees distributed to the state in the motor vehicle fund proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

Any payments for bond retirement or interest on the bonds taken from other revenues from the fuel taxes and vehicle-related fees that are distributable to the state, counties, cities, and towns shall be repaid from available toll revenue in the manner provided in the bond proceedings or, if toll revenue is not available for that purpose, from the first revenues from the excise taxes on fuel and vehicle-related fees distributed to the motor vehicle fund not required for bond retirement or interest on the bonds. Any excise taxes on fuel and vehicle-related fees required for bond retirement or interest on the bonds authorized by this section and sections 2, 5, and 7 of this act shall be reimbursed to the motor vehicle fund from toll revenue in the manner and with the priority specified in the bond proceedings.

NEW SECTION. Sec. 7. Bonds issued under the authority of sections 2, 5, and 6 of this act and this section and any other general obligation bonds of the state of Washington that have been or that may be authorized and that pledge excise taxes on fuel and vehicle-related fees for the payment of principal and interest thereon shall be an equal charge against the revenues from such excise taxes on fuel and vehicle-related fees.

Sec. 8. RCW 47.10.882 and 2011 c 377 s 3 are each amended to read as follows:
The toll facility bond retirement account is created in the state treasury for the purpose of payment of the principal of and interest and premium on bonds. Both principal of and interest on the bonds issued for the purposes of chapter 498, Laws of 2009 ((amended)), chapter 377, Laws of 2011, and chapter . . ., Laws of 2019 (this act) shall be payable from the toll facility bond retirement account. The state finance committee may provide that special subaccounts be created in the account to facilitate payment of the principal of and interest on the bonds. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest on the bonds in accordance with the bond proceedings.

Sec. 9. RCW 47.10.887 and 2011 c 377 s 5 are each amended to read as follows:
The state finance committee may determine and include in any resolution authorizing the issuance of any bonds under chapter 498, Laws of 2009 ((amended)), chapter 377, Laws of 2011, and chapter . . ., Laws of 2019 (this act), such terms, provisions, covenants, and conditions as it may deem appropriate in order to assist with the marketing and sale of the bonds, confer rights upon the owners of bonds, and safeguard rights of the owners of bonds including, among other things:

(1) Provisions regarding the maintenance and operation of eligible toll facilities;

(2) The pledges, uses, and priorities of application of toll revenue;

(3) Provisions that bonds shall be payable from and secured solely by toll revenue as provided by RCW 47.10.886, or shall be payable from and secured by both toll revenue and by a pledge of excise taxes on motor vehicle and special fuels and the full faith and credit of the state as provided in RCW 47.10.879 and 47.10.883 through 47.10.885;

(4) Provisions that bonds shall be payable from and secured by both toll revenue and by a pledge of excise taxes on fuel and vehicle-related fees and the full faith and credit of the state as provided in sections 2 and 5 through 7 of this act;

(5) In consultation with the department of transportation and the tolling authority, financial covenants requiring that the eligible toll facilities must produce specified coverage ratios of toll revenue to debt service on bonds;

((amended)) (6) The purposes and conditions that must be satisfied prior to the issuance of any additional bonds that are to be payable from and secured by any toll revenue on an equal basis with previously issued and outstanding bonds payable from and secured by toll revenue;

((amended)) (7) Provisions that bonds for which any toll revenue are pledged, or for which a pledge of any toll revenue may be reserved, may be structured on a senior, parity, subordinate, or special lien basis in relation to any other bonds for which toll revenue is pledged, with respect to toll revenue only; and

((amended)) (8) Provisions regarding reserves, credit enhancement, liquidity facilities, and payment agreements with respect to bonds.

Notwithstanding the foregoing, covenants and conditions detailing the character of management, maintenance, and operation of eligible toll facilities, insurance for eligible toll facilities, financial management of toll revenue, and disposition of eligible toll facilities must first be approved by the department of transportation.

The owner of any bond may by mandamus or other appropriate proceeding require and compel performance of any duties imposed upon the tolling authority and the department of transportation and their respective officials, including any duties imposed upon or undertaken by them or by their respective officers, agents, and employees, in connection with the construction, maintenance, and operation of eligible toll facilities and in connection with the collection, deposit, investment, application, and disbursement of the proceeds of the bonds and toll revenue.

Sec. 10. RCW 47.10.888 and 2011 c 377 s 6 are each amended to read as follows:

(1) For the purposes of chapter 498, Laws of 2009 ((amended)), chapter 377, Laws of 2011, and chapter . . ., Laws of 2019 (this act), "toll revenue" means all toll receipts, all interest income derived from the investment of toll receipts, and any gifts, grants, or other funds received for the benefit of transportation facilities in the state, including eligible toll facilities. However, for the purpose of any pledge of toll revenue to the payment of particular bonds issued under chapter 498, Laws of 2009 ((amended)), chapter 377, Laws of 2011, and chapter . . ., Laws of 2019 (this act), "toll revenue" means and includes only such toll revenue or portion thereof that is pledged to the payment of those bonds in the resolution authorizing the issuance of such bonds. Toll revenue constitutes "fees and revenues derived from the ownership or operation of any undertaking, facility, or project" as that phrase is used in Article VIII, section 1(c)(1) of the state Constitution.

(2) For the purposes of chapter 498, Laws of 2009 ((amended)), chapter 377, Laws of 2011, and chapter . . ., Laws of 2019 (this act), "tolling authority" has the same meaning as in RCW
Sec. 11. RCW 47.56.880 and 2011 c 369 s 3 are each amended to read as follows:

(1) The imposition of tolls for express toll lanes on Interstate 405 between (the junction with) Interstate 5 on the north end ((and NE 6th Streets in the city of (Bellevue); Lynnwood and Interstate 5 on the south end in the city of Tukwila, and for state route number 167 between Interstate 405 on the north end and state route number 512 on the south end is authorized(1)), Interstate 405 (2a)) and state route number 167 are designated an eligible toll facility, and toll revenue generated in the corridor must only be expended on the Interstate 405 and state route number 167 projects as identified in each corridor’s master plan and as allowed under RCW 47.56.820.

(2) Tolls for the express toll lanes must be set as follows:

(a) The schedule of toll rates must be set by the tolling authority pursuant to RCW 47.56.850. Toll rates may vary in amount by time of day, level of traffic congestion within the highway facility, or other criteria, as the tolling authority deems appropriate.

(b) In those locations with two express toll lanes in each direction, the toll rate must be the same in both lanes.

(c) Toll charges may not be assessed on transit buses and vanpools.

(d) The department shall establish performance standards for travel time, speed, and reliability for the express toll lanes project. The department must automatically adjust the toll rate within the schedule established by the tolling authority, using dynamic tolling, to (ensure) maintain the goal that average vehicle speeds in the lanes remain above forty-five miles per hour at least ninety percent of the time during peak hours.

(e) The tolling authority shall periodically review the toll rates against traffic performance of all lanes to determine if the toll rates are effectively maintaining travel time, speed, and reliability on the highway facilities.

(f) Toll charges may not be assessed on carpools with two or more people in the vehicle on the portion of Interstate 405 between Bellevue and state route number 167 for at least the first year following the initial imposition of tolls on that portion of the express toll lanes, contingent upon the analysis described in (f)(ii) of this subsection.

(ii) The department must analyze the effect of (f)(i) of this subsection utilizing forecasting and modeling data and present the results of the analysis to the tolling authority. If the analysis indicates that the express toll lanes on the portion of Interstate 405 between Bellevue and state route number 167 will not cover the financial obligations outlined in section 12(4) of this act, then the restriction on toll charges in (f)(ii) of this subsection will not be implemented and the department must provide the transportation committees of the legislature with a report, within thirty days, that provides options for not assessing toll charges on carpools with two or more people in the vehicle, which also meet the financial obligations outlined in section 12(4) of this act.

(g) After the bonds issued pursuant to section 2(1)(a) of this act are retired, the tolling authority must reduce the toll rates commensurate with this reduction in the amount of toll revenues required from the express toll lanes.

(4) The department shall monitor the express toll lanes (project) and shall annually report to the transportation commission and the legislature on the impacts from the project on the following performance measures:

(a) Whether the express toll lanes maintain speeds of forty-five miles per hour at least ninety percent of the time during peak periods, and any alternate metric determined by the department in conjunction with the federal highway administration.

(b) Whether the average traffic speed changed in the general purpose lanes;

(c) Whether transit ridership changed;

(d) Whether the actual use of the express toll lanes is consistent with the projected use;

(e) Whether the express toll lanes generated sufficient revenue to pay for all ((Interstate 405)) express toll lane-related operating costs; and

(f) Whether travel times and volumes have increased or decreased on adjacent local streets and state highways((and)); and

(g) Whether the actual gross revenues are consistent with projected gross revenues as identified in the fiscal note for Engrossed House Bill No. 1382 distributed by the office of financial management on March 15, 2011.

(5) If after two years of operation of the express toll lanes on Interstate 405 performance measures listed in subsection (1)(a) and (c) of this section are not being met, the express toll lanes project must be terminated as soon as practicable.

((6)(6)) The department, in consultation with the transportation commission, shall consider making operational changes necessary to fix any unintended consequences of implementing the express toll lanes ((project)).

((7)(7)) A violation of the lane restrictions applicable to the express toll lanes established under this section is a traffic infraction.

Sec. 12. RCW 47.56.884 and 2011 c 369 s 5 are each amended to read as follows:

(1) The Interstate 405 and state route number 167 express toll lanes ((operations)) account is created in the motor vehicle fund. ((All revenues received by the department as toll charges collected from Interstate 405 express toll lane users must be deposited into the account))

(2) Deposits to the account must include:

(a) All proceeds of bonds authorized in section 2(1)(a) of this act and loans for the Interstate 405 and state route number 167 projects, including capitalized interest;

(b) All tolls and other revenues received from the operation of the Interstate 405 and state route number 167 express toll lanes facility, to be deposited at least monthly;

(c) Any interest that may be earned from the deposit or investment of those revenues;

(d) Notwithstanding RCW 47.12.063, proceeds from the sale of any surplus real property acquired for completing the Interstate 405 and state route number 167 express toll lanes facility; and...
ONE HUNDRED FIFTH DAY, APRIL 28, 2019

(e) All damages liquidated or otherwise, collected under any contract involving Interstate 405 or state route number 167 projects.

(3) Moneys in the account may be spent only after appropriation consistent with RCW 47.56.820; expenditures from the account may be used for debt service, planning, administration, construction, maintenance, operation, repair, rebuilding, enforcement, and the expansion of express toll lanes on Interstate 405).

(4) The proceeds of the general obligation bonds authorized in section 2(1)(a) of this act shall be used to make progress toward completion of the Interstate 405 and state route number 167 master plans. It is the intent of the legislature to first use the bond proceeds for the following projects:

(a) Up to six hundred million dollars to design and construct capacity improvements on Interstate 405 between state route number 522 and state route number 527. This project would widen Interstate 405 through the state route number 522 interchange, build direct access ramps to the express toll lanes at south route number 522, build one new lane in each direction to be used as a second express toll lane, and build a partial direct access ramp at state route number 527 to the east, north, and south, to provide connections to the Canyon Park park and ride;

(b) Up to two hundred fifteen million dollars toward completion of the I-405/Renton to Bellevue - Corridor Widening project (M09900R);

(c) Up to three million dollars to update the state route number 167 master plan;

(d) Up to one hundred million dollars to construct both the northbound and southbound state route number 167 stage 6 extension project. This project would extend the express toll lanes south to the state route number 410 and state route number 512 interchange to help mitigate traffic congestion; and

(e) Up to twenty million dollars to design the Interstate 405/North 8th Street Direct Access Ramp project in the city of Renton. It is the intent of the legislature to provide construction funding for this project at a later date.

NEW SECTION. Sec. 13. (1) The Puget Sound Gateway facility is designated an eligible toll facility, tolls are authorized to be imposed on the Puget Sound Gateway facility, and toll revenue generated must be expended only as allowed under RCW 47.56.820.

(2)(a) In setting toll rates for the Puget Sound Gateway facility, pursuant to RCW 47.56.850, the tolling authority shall set a variable schedule of toll rates to maintain travel time, speed, and reliability on the Puget Sound Gateway facility.

(b) The tolling authority may adjust toll rates to reflect inflation as measured by the consumer price index or as necessary for those costs that are eligible under RCW 47.56.820 and to meet the obligations of the tolling authority under RCW 47.56.850.

(c) After the bonds issued pursuant to section 2(1)(b) of this act are retired, the tolling authority must reduce the toll rates commensurate with this reduction in the amount of toll revenues required from the express toll lanes.

(3) For the purposes of this section and section 14 of this act, “Puget Sound Gateway facility” means the state route number 167 roadway between north Meridian Avenue in Puyallup and Interstate 5 in Fife, the state route number 509 spur between Interstate 5 in Fife and state route number 509 in Tacoma, and the state route number 509 roadway between south 188th Street and Interstate 5 in SeaTac.

(4) Prior to setting the schedule of toll rates on the portion of state route number 509 between South 188th Street and Interstate 5 in SeaTac, the department, in collaboration with the transportation commission, must analyze and present to the transportation commission at least one schedule of toll rates that exempts, discounts, or provides other toll relief for low-income drivers during all hours of operation on state route number 509 between South 188th Street and Interstate 5 in SeaTac. In analyzing the schedule of toll rates, the department shall consider implementing an exemption, discount, or other toll relief policy for drivers that reside in close proximity to the corridor.

NEW SECTION. Sec. 14. (1) A special account to be known as the Puget Sound Gateway facility account is created in the motor vehicle fund.

(2) Deposits to the account must include:

(a) All proceeds of bonds authorized in section 2(1)(b) of this act and loans for the Puget Sound Gateway project, including capitalized interest;

(b) All tolls and other revenues received from the operation of the Puget Sound Gateway facility, to be deposited at least monthly;

(c) Any interest that may be earned from the deposit or investment of those revenues;

(d) Notwithstanding RCW 47.12.063, proceeds from the sale of any surplus real property acquired for completing the Puget Sound Gateway project, including existing state route number 509 right-of-way in SeaTac and Des Moines; and

(e) All damages liquidated or otherwise, collected under any contract involving the Puget Sound Gateway project.

(3) Moneys in the account may be spent only after appropriation, consistent with RCW 47.56.820.

(4) The proceeds of the general obligation bonds authorized in section 2(1)(b) of this act shall be used to make progress toward completion of the Puget Sound Gateway facility. It is the intent of the legislature to use the bond proceeds to advance the Puget Sound Gateway facility in order to maximize net mobility benefits for both freight and the traveling public. It is the intent of the legislature for tolling to begin on stage one of the project as soon as practicable in order to leverage toll funds, use bond proceeds to advance one hundred twenty-nine million dollars of connecting Washington state appropriations by two biennia to the 2023-2025 biennium, and advance local and federal contributions. This will allow the department of transportation to deliver and open to the public stage two of the project in fiscal year 2028, three years earlier than originally planned, and to realize twenty million dollars in cost savings in connecting Washington state appropriations.

(5) It is also the intent of the legislature to use the bond proceeds for up to five million dollars to provide noise mitigation on state route number 509 between south 188th Street and Interstate 5.

(6) It is further the intent of the legislature to clarify how the tolling of state route number 167 and state route number 509 will be implemented by requiring the transportation commission and the department of transportation to consider naming the sections of each facility where all of the lanes are tolled as the state route number 167 express way and the state route number 509 express way respectively.

Sec. 15. RCW 43.84.092 and 2018 c 287 s 7, 2018 c 275 s 10, and 2018 c 203 s 14 are each reenacted and amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW,

(1) A claim for exemption under RCW 84.36.381 as now or hereafter amended, may be made and filed at any time during the
year for exemption from taxes payable the following year and

thresholds. The adjusted thresholds must be rounded to the
nearest one dollar. If the income threshold adjustment is negative, the

In no case may the adjustment be greater than one percent. The adjusted thresholds must be rounded to the nearest one dollar. If the income threshold adjustment is negative, the income threshold for the prior year continues to apply.

2(1) "Department" means the state department of revenue.

"Devisor" has the same meaning as provided in RCW 21.35.005.

3 "Equity value" means the amount by which the fair market value of a residence as determined from the records of the county assessor exceeds the total amount of any liens or other obligations against the property.

4 "Heir" has the same meaning as provided in RCW 21.35.005.

5 "Income threshold" means: (a) For taxes levied for collection in calendar years prior to 2020, a combined disposable income equal to forty-five thousand dollars; and (b) for taxes levied for collection in calendar year 2020 and thereafter, a combined disposable income equal to the greater of the income threshold for the previous year, or seventy-five percent of the county median household income, adjusted every five years beginning August 1, 2019, as provided in RCW 84.36.385(8). Beginning with the adjustment made by March 1, 2024, as provided in RCW 84.36.385(8), and every second adjustment thereafter, if the income threshold in a county is not adjusted based on percentage of county median income as provided in this subsection, then the income threshold must be adjusted based on the growth of the consumer price index for all urban consumers (CPI-U) for the prior twelve-month period as published by the United States bureau of labor statistics. In no case may the adjustment be greater than one percent. The adjusted threshold must be rounded to the nearest one dollar. If the income threshold adjustment is negative, the income threshold for the prior year continues to apply.

6 "Local government" means any city, town, county, water-sewer district, public utility district, port district, irrigation district, flood control district, or any other municipal corporation, quasi-municipal corporation, or other political subdivision authorized to levy special assessments.

Sec. 5. RCW 84.38.030 and 2015 3rd sp.s. c 30 s 3 and 2015 c 86 s 313 are each reenacted and amended to read as follows:

A claimant may defer payment of special assessments and/or real property taxes on up to eighty percent of the amount of the claimant’s equity value in the claimant’s residence if the following conditions are met:

1) The claimant must meet all requirements for an exemption for the residence under RCW 84.36.381, other than the age and income limits under RCW 84.36.381.

2) The claimant must be sixty years of age or older on December 31st of the year in which the deferral claim is filed, or must have been, at the time of filing, retired from regular gainful employment by reason of disability as defined in RCW 84.36.383. However, any surviving spouse (or), surviving domestic partner, heir, or devisee of a person who was receiving a deferral at the time of the person’s death qualifies if the surviving spouse (or), surviving domestic partner, heir, or devisee is fifty-seven years of age or older and otherwise meets the requirements of this section.

3) The claimant must have a combined disposable income, as defined in RCW 84.36.383, equal to or less than the income threshold.

4) The claimant must have owned, at the time of filing, the residence on which the special assessment and/or real property taxes have been imposed. For purposes of this subsection, a residence owned by a marital community, owned by domestic partners, or owned by cotenants is deemed to be owned by each spouse, each domestic partner, or each cotenant. A claimant who has only a share ownership in cooperative housing, a life estate, a lease for life, or a revocable trust does not satisfy the ownership requirement.

5) The claimant must have and keep in force fire and casualty insurance in sufficient amount to protect the interest of the state in the claimant’s equity value. However, if the claimant fails to keep fire and casualty insurance in force to the extent of the state’s interest in the claimant’s equity value, the amount deferred may not exceed one hundred percent of the claimant’s equity value in the land or lot only.

6) In the case of special assessment deferral, the claimant must have opted for payment of such special assessments on the installment method if such method was available.

Sec. 6. RCW 84.38.070 and 2008 c 6 s 703 are each amended to read as follows:

If the claimant declaring his or her intention to defer special assessments or real property tax obligations under this chapter ceases to reside permanently on the property for which the declaration to defer is made between the date of filing the declaration and December 31st of that year, the deferral otherwise allowable under this chapter (shall) is not (be) allowed on such tax roll. However, this section (shall) does not apply where the claimant dies, leaving a spouse (or), domestic partner, heir, or devisee surviving, who is also eligible for deferral of special assessment and/or property taxes.

Sec. 7. RCW 84.38.130 and 2008 c 6 s 704 are each amended to read as follows:

Special assessments and/or real property tax obligations deferred under this chapter (shall) become payable together with interest as provided in RCW 84.38.100:

2) Upon the death of the claimant with an outstanding deferred

(3) Upon the condemnation of property with a deferred special assessment and/or real property tax lien upon it by a public or private body exercising eminent domain power, except as otherwise provided in RCW 84.60.070.

(4) At such time as the claimant ceases to reside permanently in the residence upon which the deferral has been granted.

(5) Upon the failure of any condition set forth in RCW 84.38.030.

Sec. 8.  RCW 84.38.150 and 2008 c c 6 s 705 are each amended to read as follows:

(1) A surviving spouse, surviving domestic partner, heir, or devisee of the claimant may elect to continue the property in its deferred tax status if the property is the residence of the spouse, domestic partner, heir, or devisee of the claimant and the spouse, domestic partner, heir, or devisee meets the requirements of this chapter.

(2) The election under this section to continue the property in its deferred status by the spouse, the domestic partner, heir, or devisee of the claimant (shall) must be filed in the same manner as an original claim for deferral is filed under this chapter (not later than ninety days from the date of the claimant’s death). Thereupon, the property with respect to which the deferral of special assessments and/or real property taxes is claimed (shall) must continue to be treated as deferred property. When the property has been continued in its deferred status by the filing of the spouse, the domestic partner, heir, or devisee of the claimant of an election under this section, the spouse, the domestic partner, heir, or devisee of the claimant may continue the property in its deferred status in subsequent years by filing a claim under this chapter so long as the spouse, the domestic partner, heir, or devisee meets the qualifications set out in this section.

NEW SECTION.  Sec. 9.  This act applies for taxes levied for collection in 2020 and thereafter.

NEW SECTION.  Sec. 10.  The provisions of RCW 82.32.805 and 82.32.808 do not apply to this act.’”

**MESSAGE FROM THE HOUSE**

April 27, 2019

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5091 with the following amendment(s): S091-S2.E AMH ENGR H2874.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature intends to provide the funding necessary to support a comprehensive and responsive education system that fully addresses the needs of students with disabilities eligible for special education. Under the current funding model, students with disabilities eligible for special education are funded as basic education students first, with additional funding provided through a statewide multiplier intended to meet the additional needs of each student as established in the student’s individualized education program. Additionally, a safety net administered by the office of the superintendent of public instruction is available for school districts that demonstrate significant extra need beyond what they receive from the base funding formula.

The legislature notes that school districts across the state have identified the need for additional resources to create the educational environment necessary to give every student with an individualized education program the opportunity to succeed. It is the legislature’s intent to provide immediate relief to school district special education programs by enhancing the supplemental funding school districts receive for every student in the program of special education and to provide easier access to the safety net when those base funds are not adequate.

Sec. 2. RCW 28A.150.392 and 2018 c 266 s 106 are each amended to read as follows:

(1)(a) To the extent necessary, funds shall be made available for safety net awards for districts with demonstrated needs for special education funding beyond the amounts provided through the special education funding formula under RCW 28A.150.390.

(b) If the federal safety net awards based on the federal eligibility threshold exceed the federal appropriation in any fiscal year, then the superintendent shall expend all available federal discretionary funds necessary to meet this need.

(2) Safety net funds shall be awarded by the state safety net oversight committee subject to the following conditions and limitations:

(a) The committee shall award additional funds for districts that can convincingly demonstrate that all legitimate expenditures for special education exceed all available revenues from state funding formulas.

(b) In the determination of need, the committee shall consider additional available revenues from federal sources.

(c) Differences in program costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(d) In the determination of need, the committee shall require that districts demonstrate that they are maximizing their eligibility for all state revenues related to services for students eligible for special education (eligible students) and all federal revenues from federal impact aid, medicare, and the individuals with disabilities education act-Part B and appropriate special projects. Awards associated with (e) and (f) of this subsection shall not exceed the total of a district’s specific determination of need.

(e) The committee shall then consider the extraordinary high cost needs of one or more individual students eligible for and receiving special education (students). Differences in costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(f) Using criteria developed by the committee, the committee shall then consider extraordinary high cost needs of one or more individual students eligible for and receiving special education (students) served in residential schools as defined in RCW 28A.190.020, programs for juveniles under the department of corrections, and programs for juveniles operated by city and county jails to the extent they are providing a secondary program of education (students enrolled in special education).

(b) The maximum allowable indirect cost for calculating safety net eligibility may not exceed the federal restricted indirect cost rate for the district plus one percent.

(i) Safety net awards shall be adjusted based on the percent of potential Medicaid eligible students billed as calculated by the superintendent of public instruction in accordance with chapter 318, Laws of 1999.

(j) Safety net awards must be adjusted for any audit findings or exceptions related to special education funding.

(3) The superintendent of public instruction shall adopt such rules and procedures as are necessary to administer the special education funding and safety net award process. By December 1, 2018, the superintendent shall review and revise the rules to achieve full and complete implementation of the requirements of this subsection and subsection (4) of this section including revisions to rules that provide additional flexibility to access community impact awards. Before revising any standards, procedures, or rules, the superintendent shall consult with the office of financial management and the fiscal committees of the legislature. In adopting and revising the rules, the superintendent shall ensure the application process to access safety net funding is streamlined, timelines for submission are not in conflict, feedback to school districts is timely and provides sufficient information to allow school districts to understand how to correct any deficiencies in a safety net application, and that there is consistency between awards approved by school district and by application period. The office of the superintendent of public instruction shall also provide technical assistance to school districts in preparing and submitting special education safety net applications.

(4) On an annual basis, the superintendent shall survey districts regarding their satisfaction with the safety net process and consider feedback from districts to improve the safety net process. Each year by December 1st, the superintendent shall prepare and submit a report to the office of financial management and the appropriate policy and fiscal committees of the legislature that summarizes the survey results and those changes made to the safety net process as a result of the school district feedback.

(5) The safety net oversight committee appointed by the superintendent of public instruction shall consist of:

(a) One staff member from the office of the superintendent of public instruction;

(b) Staff of the office of the state auditor who shall be nonvoting members of the committee; and

(c) One or more representatives from school districts or educational service districts knowledgeable of special education programs and funding.

(6) Beginning in the 2019-20 school year, a high-need student is eligible for safety net awards from state funding under
subsection (2)(e) and (g) of this section if the student’s individualized education program costs exceed two and three-tenths times the average per-pupil expenditure as defined in Title 20 U.S.C. Sec. 7801, the every student succeeds act of 2015.

**Sec. 3.** RCW 28A.150.415 and 2017 3rd sp.s. c 13 s 105 are each amended to read as follows:

(1) Beginning with the 2018-19 school year, the legislature shall begin phasing in funding for professional learning days for certificated instructional staff. At a minimum, the state must allocate funding for:

   (a) One professional learning day in the 2018-19 school year;
   
   (b) Two professional learning days in the 2019-20 school year; and
   
   (c) Three professional learning days in the 2020-21 school year.

(2) The office of the superintendent of public instruction shall calculate each school district’s professional learning allocation as provided in subsection (1) of this section separate from the minimum state allocation for salaries as specified in RCW 28A.150.410 and associated fringe benefits on the apportionment reports provided to each school district. The professional learning allocation shall be equal to the proportional increase resulting from adding the professional learning days provided in subsection (1) of this section to the required minimum number of school days in RCW 28A.150.220(5)(a) applied to the school district’s minimum state allocation for salaries and associated fringe benefits for certificated instructional staff as specified in the omnibus operating appropriations act. Professional learning allocations shall be included in per-pupil calculations, such as special education, for programs funded on a per-pupil basis.

(3) Nothing in this section entitles an individual certificated instructional staff to any particular number of professional learning days.

(4) The professional learning days must meet the definitions and standards provided in RCW 28A.415.430, 28A.415.432, and 28A.415.434.

**Sec. 4.** RCW 28A.150.390 and 2018 c 266 s 102 are each amended to read as follows:

(1) The superintendent of public instruction shall submit to each regular session of the legislature during an odd-numbered year a programmed budget request for special education programs for students with disabilities. Funding for programs operated by local school districts shall be on an excess cost basis from appropriations provided by the legislature for special education programs for students with disabilities and shall take account of state funds accruing through RCW 28A.150.260 (4)(a), (5), (6), and (8) and 28A.150.415.

(2) The excess cost allocation to school districts shall be based on the following:

   (a) A district’s annual average headcount enrollment of students ages birth through four and those five year olds not yet enrolled in kindergarten who are eligible for and receiving special education, multiplied by the district’s base allocation per full-time equivalent student, multiplied by 1.15.

   (b) Subject to the limitation in (b)(ii) of this subsection (2), a district’s annual average (full-time equivalent basic education) enrollment multiplied by the district’s funded enrollment percent of resident students who are eligible for and receiving special education, excluding students ages birth through four and those five year olds not yet enrolled in kindergarten, multiplied by the district’s base allocation per full-time equivalent student, multiplied by (0.9609) the special education cost multiplier rate of (A) In the 2019-20 school year, 0.995 for students eligible for and receiving special education.

   (B) Beginning in the 2020-21 school year, either:

      (i) 1.0075 for students eligible for and receiving special education and reported to be in the general education setting for eighty percent or more of the school day; or

      (ii) 0.995 for students eligible for and receiving special education and reported to be in the general education setting for less than eighty percent of the school day.

   (3) As used in this section:

      (a) “Base allocation” means the total state allocation to all schools in the district generated by the distribution formula under RCW 28A.150.260 (4)(a), (5), (6), and (8) and the allocation under RCW 28A.150.415, to be divided by the district’s full-time equivalent enrollment.

      (b) “Basic education enrollment” means enrollment of resident students including nonresident students enrolled under RCW 28A.225.225 and students from nonhigh districts enrolled under RCW 28A.225.210 and excluding students residing in another district enrolled as part of an interdistrict cooperative program under RCW 28A.225.250.

      (c) “Enrollment percent” means the district’s resident (special education) annual average enrollment of students who are eligible for and receiving special education, excluding students ages birth through four and those five year olds not yet enrolled in kindergarten and students enrolled in institutional education programs, as a percent of the district’s annual average full-time equivalent basic education enrollment.

      ((d) “Funded enrollment percent” means the lesser of the district’s actual enrollment percent or thirteen and five-tenths percent))

**Sec. 5.** RCW 43.09.2856 and 2018 c 266 s 406 are each amended to read as follows:

(1) Beginning with the 2019-20 school year, to ensure that school district local revenues are used solely for purposes of enriching the state’s statutory program of basic education, the state auditor’s regular financial audits of school districts must include a review of the expenditure of school district local revenues for compliance with RCW 28A.150.276, including the spending plan approved by the superintendent of public instruction under RCW 28A.505.240 and its implementation, and any supplemental contracts entered into under RCW 28A.400.200.

(2) If an audit under subsection (1) of this section results in findings that a school district has did not carry to comply with these requirements, then within ninety days of completing the audit the auditor must report the findings to the superintendent of public instruction, the office of financial management, and the education and operating budget committees of the legislature.

(3) The use of the state allocation provided for professional learning under RCW 28A.150.415 must be audited as part of the regular financial audits of school districts by the state auditor’s office to ensure compliance with the limitations and conditions of RCW 28A.150.415.

(4)(a) The state auditor must conduct a financial or accountability audit of each school district by June 1, 2020, for the 2018-19 school year to include a review of the following:

   (i) Special education revenues and the sources of those revenues, by school district; and

   (ii) Special education expenditures and the object of those expenditures, by school district.
ONE HUNDRED FIFTH DAY, APRIL 28, 2019

(b) Special education data reported for each school district through the audits under this subsection must be compiled and submitted to the education committees of the legislature by December 1, 2020.

(3) The program funds shall be used for two overarching purposes:

(a) Support regional career connected learning and work-integrated learning networks in both rural and urban areas under subsection (5) of this section; and

(b) Support career connected learning program intermediaries working within and across regions who partner with multiple employers, labor partners, and educational institutions, work with K-12 and postsecondary career representatives to develop curricula for new and innovative programs, and scale existing career awareness and exploration, career preparation, and endorsed career launch programs.

(4) The program administrator shall consult with the governor’s office and the career connected learning cross-agency work group established in RCW 28C.--.--. (section 54, chapter . . . (E2SHB 2158), Laws of 2019) to develop a formal request for proposal for both the regional career connected learning and work-integrated learning networks and the program intermediaries.

(5)(a) Proposals for regional career connected learning and work-integrated learning networks and intermediaries may be sought from applicants within the geographic areas of the nine educational service districts. Successful applicants shall convene and manage regional, cross-industry networks that will lead to the expansion of career connected learning opportunities.

(b) Regional career connected learning and work-integrated learning network applicants must demonstrate regional knowledge and status as a trusted partner of industry and education stakeholders, a track record of success with career connected learning and aligned initiatives, and a commitment to equity. Regional career connected learning networks may include, but are not limited to, regional education networks, school districts, educational service districts, higher education institutions, workforce development councils, chambers of commerce, industry associations, joint labor management councils, multiemployer training partnerships, economic
development councils, and nonprofit organizations.

(6) Eligible program intermediary applicants may include, but are not limited to, new or existing industry associations, joint labor management councils, regional networks, career technical student organizations, postsecondary education and training institutions working with multiple employer partners, state agencies, and other community-based organizations and expanded learning partners.

(7) Program intermediaries must work with appropriate faculty and staff at the state universities, the regional universities, and the state college, and K-12 education representatives, to expand the number of career launch program credits that may be articulated and transferred to postsecondary degree programs.

(8) Subject to the availability of amounts appropriated for this specific purpose, the employment security department, as the administrator of the program, has the authority to utilize funds deposited in the career connected learning account for the purposes of the program.

(9) During the 2019-2021 fiscal biennium, the employment security department must provide sufficient funding from amounts appropriated for the program to the office of the superintendent of public instruction to provide a grant to each of the nine educational service districts for costs of employing one full-time equivalent employee to support the expansion of career connected learning opportunities.

MOTION

On motion of Senator Pedersen, the rules were suspended and Substitute House Bill No. 1326 was returned to second reading for the purposes of amendment.

MOTION

Senator Pedersen moved that the following striking amendment no. 778 by Senator Pedersen be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act may be known and cited as Jennifer and Michelle’s law.

NEW SECTION. Sec. 2. The legislature finds that the state of Washington has for decades routinely required collection of DNA biological samples from certain convicted offenders and persons required to register as sex and kidnapping offenders. The resulting DNA data has proven to be an invaluable component of forensic evidence analysis. Not only have DNA matches focused law enforcement efforts and resources on productive leads, assisted in the expeditious conviction of guilty persons, and provided identification of recidivist and cold case offenders,
DNA analysis has also played a crucial role in absolving wrongly suspected and convicted persons and in providing resolution to those who have tragically suffered unimaginable harm.

In an effort to solve cold cases and unsolved crimes, to provide closure to victims and their family members, and to support efforts to exonerate the wrongly accused or convicted, the legislature finds that procedural improvements and measured expansions to the collection and analysis of lawfully obtained DNA biological samples are both appropriate and necessary.

**Sec. 3.** RCW 43.43.754 and 2017 c 272 s 4 are each amended to read as follows:

(1) A biological sample must be collected for purposes of DNA identification analysis from:

(a) Every adult or juvenile individual convicted of a felony, or any of the following crimes (or equivalent juvenile offenses):

(i) Assault in the fourth degree where domestic violence as defined in RCW 9.94A.030 was pleaded and proven (RCW 9A.36.041, 9.94A.030);

(ii) Assault in the fourth degree with sexual motivation (RCW 9A.36.041, 9.94A.835);

(iii) Communication with a minor for immoral purposes (RCW 9.68A.090);

(iv) Custodial sexual misconduct in the second degree (RCW 9A.44.170);

(v) Failure to register ((RCW 9A.44.170 for persons convicted on or before June 10, 2010, and RCW 9A.44.132 for persons convicted after June 10, 2010)) chapter 9A.44 RCW);

(vi) Harassment (RCW 9A.46.020);

(vii) Patronizing a prostitute (RCW 9A.88.110);

(viii) Sexual misconduct with a minor in the second degree (RCW 9A.44.096);

(ix) Stalking (RCW 9A.46.110);

(x) Indecent exposure (RCW 9A.88.010);

(xi) Violation of a sexual assault protection order granted under chapter 7.90 RCW;

and

(b) Every adult or juvenile individual who is required to register under RCW 9A.44.130.

(2) A municipal jurisdiction may also submit any biological sample to the laboratory services bureau of the Washington state patrol for purposes of DNA identification analysis when:

(a) The sample was collected from a defendant upon conviction for a municipal offense where the underlying ordinance does not adopt the relevant state statute by reference but the offense is otherwise equivalent to an offense in subsection (1)(a) of this section;

(b) The equivalent offense in subsection (1)(a) of this section was an offense for which collection of a biological sample was required under this section at the time of the conviction; and

(iii) The sample was collected on or after June 12, 2008, and before January 1, 2020.

(b) When submitting a biological sample under this subsection, the municipal jurisdiction must include a signed affidavit from the municipal prosecuting authority of the jurisdiction in which the conviction occurred specifying the state crime to which the municipal offense is equivalent.

(3) Law enforcement may submit to the forensic laboratory services bureau of the Washington state patrol, for purposes of DNA identification analysis, any lawfully obtained biological sample within its control from a deceased offender who was previously convicted of an offense under subsection (1)(a) of this section, regardless of the date of conviction.

(4) If the Washington state patrol crime laboratory already has a DNA sample from an individual for a qualifying offense, a subsequent submission is not required to be submitted.

(5) Biological samples shall be collected in the following manner:

(a) For persons convicted of any offense listed in subsection (1)(a) of this section or adjudicated guilty of an equivalent juvenile offense, who do not serve a term of confinement in a department of corrections facility or a department of children, youth, and families facility, and ((do serve) are serving a term of confinement in a city or county jail facility, the city or county jail facility shall be responsible for obtaining the biological samples.

(b) The local police department or sheriff’s office shall be responsible for obtaining the biological samples for:

(i) Persons convicted of any offense listed in subsection (1)(a) of this section or adjudicated guilty of an equivalent juvenile offense who do not serve a term of confinement in a department of corrections facility, ((and do not serve a term of confinement in)) department of children, youth, and families facility, or a city or county jail facility; and

(ii) Persons who are required to register under RCW 9A.44.130.

(c) For persons convicted of any offense listed in subsection (1)(a) of this section or adjudicated guilty of an equivalent juvenile offense, who are serving or who are to serve a term of confinement in a department of corrections facility or a department of ((social and health services)) children, youth, and families facility, the facility holding the person shall be responsible for obtaining the biological samples as part of the intake process. If the facility did not collect the biological sample during the intake process, then the facility shall collect the biological sample as soon as is practicable. For those persons incarcerated before June 12, 2008, who have not yet had a biological sample collected, priority shall be given to those persons who will be released the soonest.

(((5))) (6) For persons convicted of any offense listed in subsection (1)(a) of this section or adjudicated guilty of an equivalent juvenile offense, who will not serve a term of confinement, the court shall order the person to report to the local police department or sheriff’s office as provided under subsection (5)(b)(ii) of this section within a reasonable period of time established by the court in order to provide a biological sample. The court must further inform the person that refusal to provide a biological sample is a gross misdemeanor under this section.

(7) Any biological sample taken pursuant to RCW 43.43.752 through 43.43.758 may be retained by the forensic laboratory services bureau, and shall be used solely for the purpose of providing DNA or other tests for identification analysis and prosecution of a criminal offense or for the identification of human remains or missing persons. Nothing in this section prohibits the submission of results derived from the biological samples to the federal bureau of investigation combined DNA index system.

(((6))) (8) The forensic laboratory services bureau of the Washington state patrol is responsible for testing performed on all biological samples that are collected under ((subsection (1)(a) of this section, to the extent allowed by funding available for this purpose. ((The director shall give priority to testing on samples collected from those adults or juveniles convicted of a felony or adjudicated guilty of an equivalent juvenile offense that is defined as a sex offense or a violent offense in RCW 9A.44.030)) Known duplicate samples may be excluded from testing unless testing is deemed necessary or advisable by the director.

(((5))) (9) This section applies to:

(a) All adults and juveniles to whom this section applied prior to June 12, 2008;

(b) All adults and juveniles to whom this section did not apply prior to June 12, 2008, who:
(i) Are convicted on or after June 12, 2008, of an offense listed in subsection (1)(a) of this section on the date of conviction; or
(ii) Were convicted prior to June 12, 2008, of an offense listed in subsection (1)(a) of this section and are still incarcerated on or after June 12, 2008; and
(c) All adults and juveniles who are required to register under RCW 9A.44.130 on or after June 12, 2008, whether convicted before, on, or after June 12, 2008; and
(d) All samples submitted under subsections (2) and (3) of this section.

10 This section creates no rights in a third person. No cause of action may be brought based upon the noncollection or nonanalysis or the delayed collection or analysis of a biological sample authorized to be taken under RCW 43.43.752 through 43.43.758.

11 The detention, arrest, or conviction of a person based upon a database match or database information is not invalidated if it is determined that the sample was obtained or placed in the database by mistake, or if the conviction or juvenile adjudication that resulted in the collection of the biological sample was subsequently vacated or otherwise altered in any future proceeding including but not limited to posttrial or postfacto motions, appeals, or collateral attacks. No cause of action may be brought against the state based upon the analysis of a biological sample authorized to be taken pursuant to a municipal ordinance if the conviction or adjudication that resulted in the collection of the biological sample was subsequently vacated or otherwise altered in any future proceeding including, but not limited to, posttrial or postfacto motions, appeals, or collateral attacks.

12 A person commits the crime of refusal to provide DNA if the person (has a duty to register under RCW 9A.44.130 and the person) willfully refuses to comply with a legal request for a DNA sample as required under this section. The refusal to provide DNA is a gross misdemeanor.

Sec. 4. RCW 9A.44.132 and 2015 c 261 s 5 are each amended to read as follows:

(1) A person commits the crime of failure to register as a sex offender if the person has a duty to register under RCW 9A.44.130 for a felony sex offense and knowingly fails to comply with any of the requirements of RCW 9A.44.130.

(a) The failure to register as a sex offender pursuant to this subsection is a class C felony if:
   (i) It is the person’s first conviction for a felony failure to register; or
   (ii) The person has previously been convicted of a felony failure to register as a sex offender in this state or pursuant to the laws of another state, or pursuant to federal law.
(b) If a person has been convicted of a felony failure to register as a sex offender in this state or pursuant to the laws of another state, or pursuant to federal law, on two or more prior occasions, the failure to register under this subsection is a class B felony.

(2) A person is guilty of failure to register as a sex offender if the person has a duty to register under RCW 9A.44.130 for a sex offense other than a felony and knowingly fails to comply with any of the requirements of RCW 9A.44.130. The failure to register as a sex offender under this subsection is a gross misdemeanor.

(3) A person commits the crime of failure to register as a kidnapping offender if the person has a duty to register under RCW 9A.44.130 for a kidnapping offense and knowingly fails to comply with any of the requirements of RCW 9A.44.130.

(a) If the person has a duty to register for a felony kidnapping offense, the failure to register as a kidnapping offender is a class C felony.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1160, as recommended by the Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

PERSONAL PRIVILEGE
Senator Hobbs: “Well, of course, I’ve got to take the time as a good chair of the committee to encourage, hopefully Madam President you will allow everyone to stand up and maybe a round of applause for transportation staff. They are not, they are probably in their offices watching right now, so thank you.”

The senate rose and recognized the work of the staff of the Committee on Transportation.

Senator Hobbs: “Yes Madam President, you know they spent a lot a long nights and weekends working on this project, in your amendments. And, of course, I want to thank the good Senator, Senator King, my ranking, and Senator Saldana. Thank you, and Senator Sheldon, for working together this whole time and, finally, getting this transportation budget. And, and I’d like to say that the only bad thing was that we’re always done first and unfortunately I lost. And I am the last one that got out of the Code Reviser’s Office but anyway, I’m glad this part is done. So thank you everyone for your support.”

PERSONAL PRIVILEGE
Senator Liias: “Thank you Madam President. I join Senator Hobbs in his great comments about our Senate Committee Services and caucus staff who work on transportation but I’d like to particularly single out David Ward, who works for Senate Committee Services, for many many years of wonderful service to the Senate and to the people of Washington State. He is leaving the Senate family to go work at the Joint Transportation Committee. So, he won’t be very far away but just wanted to specifically thank David for not just this session but during Connecting Washington. And I, I hate to admit it, even when I was in the House, I appreciated David Ward and his contributions to the transportation negotiations. So, I’m sure that David is watching, particularly want to thank him for his long and dedicated service and we look forward to seeing what comes next for him in public service. Thank you Madam President.”

PERSONAL PRIVILEGE
Senator King: “I just want to echo the same sentiments that the previous speaker made. David has been a stalwart in the Transportation Committee, what do we call it? Anyway, Services. He just does an absolutely great job. His institutional knowledge is what we’re going to miss. I think he thinks this is going to be much like maybe semi-retirement but, David, we have news for you pal, we’re going to work you hard over there. But we are very much going to miss you in the Senate Transportation but we wish you well.”

SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2042, by House Committee on Finance (originally sponsored by Fey, Orcutt, Slatter, Doglio, Tharinger and Ramos)

Advancing green transportation adoption.

The measure was read the second time.

MOTION

Senator Saldaña moved that the following committee striking amendment by the Committee on Transportation be not adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that increasing the rate of adoption of electric vehicles and vessels and other clean alternative fuel vehicles will help to reduce harmful air pollution from exhaust emissions, including greenhouse gas emissions, in the state. The legislature also finds that an increased reliance on greener transit options will help to further reduce harmful air pollution from exhaust emissions. The legislature further finds that support for clean alternative fuel infrastructure can help to increase adoption of green transportation in the state, as noted in a 2015 joint transportation committee report. It is therefore the legislature’s intent to drive green vehicle and vessel adoption and increased green transit use by: (1) Establishing and extending tax incentive programs for alternative fuel vehicles and related infrastructure, including for commercial vehicles; (2) providing funding for a capital grant program to assist transit authorities in reducing the carbon output of their fleets; (3) increasing public and private electric utilities’ ability to invest in electric vehicle charging infrastructure; (4) establishing a technical assistance program for public agencies within the Washington State University’s energy program; (5) funding a pilot program to test methods for facilitating access to alternative fuel vehicles and alternative fuel vehicle infrastructure by low-income residents of the state; (6) funding a study to examine opportunities to provide financing assistance to lower-income residents of the state who would like to purchase an electric vehicle; and (7) establishing a tax incentive program for certain electric vessels.

Sec. 2. RCW 28B.30.903 and 2010 c 37 s 1 are each amended to read as follows:

(1) The Washington State University extension energy program shall provide information, technical assistance, and consultation on physical plant operation, maintenance, and construction issues to state and local governments, tribal governments, and nonprofit organizations through its plant operations support program. The Washington State University extension energy program may not enter into facilities design or construction contracts on behalf of state or local government agencies, tribal governments, or nonprofit organizations. The plant operations support program created in this section must be funded by voluntary subscription charges, service fees, and other funding acquired by or provided to Washington State University for such purposes.

(2) Subject to the availability of amounts appropriated for this specific purpose, the Washington State University extension energy program shall establish and administer a technical assistance and education program focused on the use of alternative fuel vehicles. Education and assistance may be provided to public agencies, including local governments and other state political subdivisions.

Sec. 3. RCW 47.04.350 and 2015 3rd sp.s. c 44 s 403 are each amended to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department’s public-private partnership office must develop and maintain a ((pilot)) program to support the deployment of ((electric)) clean alternative fuel vehicle charging and refueling infrastructure that is supported by private financing.

(2) The department must define corridors in which bidders may propose to install electric vehicle charging infrastructure or hydrogen fueling stations, and may update these corridors over time as needed. Alternatively, a bidder may propose a corridor in which the bidder proposes to install electric vehicle infrastructure or hydrogen fueling stations if the department has adopted rules allowing such a proposal and establishing guidelines for how such a proposal will be considered.

(3)(a) For bid proposals under this section, the department must require the following:

(i) Bidders must have private sector partners contributing to the project who stand to gain indirect value from development of the project, such as motor vehicle manufacturers, retail stores, or tourism stakeholders;

(ii) Bidders must demonstrate that the proposed project will be valuable to ((electric)) clean alternative fuel vehicle drivers and will address an existing gap in the state’s ((electric vehicle charging station)) low carbon transportation infrastructure;

(iii) Projects must be expected to be profitable and sustainable for the owner-operator and the private partner; and

(iv) Bidders must specify how the project captures the indirect value of charging or refueling station deployment to the private partner.

(b) The department may adopt rules that require any other criteria for a successful project.

(4) In evaluating proposals under this section, the department may use the electric vehicle financial analysis tool that was developed in the joint transportation committee’s study into financing electric vehicle charging station infrastructure.

(5)(a) After selecting a successful proposer under this section, the department may provide a loan or grant to the proposer.

(b) Grants and loans issued under this subsection must be funded from the electric vehicle ((charging infrastructure)) account created in RCW 82.44.200.

(c) Any project selected for support under this section is eligible for only one grant or loan as a part of the ((pilot)) program.

(6) The department may conduct preliminary workshops with potential bidders and other potential private sector partners to determine the best method of designing and maintaining the ((pilot)) program, discuss how to develop and maintain the partnerships among the private sector partners that may receive indirect value, and any other issues relating to the implementation and administration of this section. The department should consider regional workshops to engage potential business partners from across the state.

(7) The department must adopt rules to implement and administer this section.
Sec. 4. 2019 c ... (SHB 1512) s 1 (uncodified) is amended to read as follows:

The legislature finds that:

(1) Programs for the electrification of transportation have the potential to allow electric utilities to optimize the use of electric grid infrastructure, improve the management of electric loads, and better manage the integration of variable renewable energy resources. Depending upon each utility’s unique circumstances, electrification of transportation programs may provide cost-effective energy efficiency, through more efficient use of energy resources, and more efficient use of the electric delivery system. Electrification of transportation may result in cost savings and benefits for all ratepayers.

(2) State policy can achieve the greatest return on investment in reducing greenhouse gas emissions and improving air quality by expediting the transition to alternative fuel vehicles, including electric vehicles. Potential benefits associated with electrification of transportation include the monetization of environmental attributes associated with carbon reduction in the transportation sector.

(3) Legislative clarity is important for utilities to offer programs and services, including incentives, in the electrification of transportation for their customers. It is the intent of the legislature to allow all utilities to support transportation electrification to further the state’s policy goals and achieve parity among all electric utilities, so each electric utility, depending on its unique circumstances, can determine its appropriate role in the development of electrification of transportation infrastructure.

Sec. 5. RCW 80.28.-- and 2019 c ... (SHB 1512) s 4 are each amended to read as follows:

(1) An electric utility regulated by the utilities and transportation commission under this chapter may submit to the commission an electrification of transportation plan that deploys electric vehicle supply equipment or provides other electric transportation programs, services, or incentives to support electrification of transportation, provided that such electric vehicle supply equipment, programs, or services may not increase costs to customers in excess of one-quarter of one percent above the benefits of electric transportation to all customers over a period consistent with the utility’s planning horizon under its most recent integrated resource plan. The plans should align to a period consistent with either the utility’s planning horizon under its most recent integrated resource plan or the time frame of the actions contemplated in the plan, and may include:

(a) Any programs that the utility is proposing contemporaneously with the plan filing or anticipates later in the plan period;

(b) Anticipated benefits of transportation electrification, based on a forecast of electric transportation in the utilities’ service territory; and

(c) Anticipated costs of programs, subject to the restrictions in RCW 80.28.360.

(2) In reviewing an electrification of transportation plan under subsection (1) of this section, the commission may consider the following: (a) The applicability of multiple options for electrification of transportation across all customer classes; (b) the impact of electrification on the utility’s load, and whether demand response or other load management opportunities, including direct load control and dynamic pricing, are operationally appropriate; (c) system reliability and distribution system efficiencies; (d) interoperability concerns, including the interoperability of hardware and software systems in electrification of transportation proposals; and (e) the benefits and costs of the planned actions; and (f) the overall customer experience).

(3) The commission must issue an acknowledgment of an electrification of transportation plan within six months of the submittal of the plan. The commission may establish by rule the requirements for preparation and submission of an electrification of transportation plan. An electric utility may submit a plan under this section before or during rule-making proceedings.

Sec. 6. RCW 80.28.360 and 2019 c ... (SHB 1512) s 5 are each amended to read as follows:

(1) In establishing rates for each electrical company regulated under this title, the commission may allow an incentive rate of return on investment through December 31, 2030, on capital expenditures for electric vehicle supply equipment that is deployed for the benefit of ratepayers, provided that the capital expenditures of the utilities’ programs or plans in section 5(1) of this act do not increase the annual retail revenue requirement of the utility, after accounting for the benefits of transportation electrification in each year of the plan, in excess of one-quarter of one percent. The commission must consider and may adopt other policies to improve access to and promote fair competition in the provision of electric vehicle supply equipment.

(2) An incentive rate of return on investment under this section may be allowed only if the company chooses to pursue capital investment in electric vehicle supply equipment on a fully regulated basis similar to other capital investments behind a customer’s meter. In the case of an incentive rate of return on investment allowed under this section, an increment of up to two percent must be added to the rate of return on common equity allowed on the company’s other investments.

(3) The incentive rate of return on investment authorized in subsection (2) of this section applies only to projects which have been installed after July 1, 2015.

(4) The incentive rate of return on investment increment pursuant to this section may be earned only for a period up to the depreciable life of the electric vehicle supply equipment as defined in the depreciation schedules developed by the company and submitted to the commission for review. When the capital investment has fully depreciated, an electrical company may gift the electric vehicle supply equipment to the owner of the property on which it is located.

(5) By December 31, 2017, the commission must report to the appropriate committees of the legislature with regard to the use of any incentives allowed under this section, the quantifiable impacts of the incentives on actual electric vehicle deployment, and any recommendations to the legislature about utility participation in the electric vehicle market.

NEW SECTION. Sec. 7. This section is the tax preference performance statement for the tax preferences contained in sections 8 through 14, chapter 82.32. Laws of 2019 (sections 8 through 14 of this act). The performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(1) The legislature categorizes the tax preferences as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(2) It is the legislature’s specific public policy objective to increase the use of clean alternative fuel vehicles in Washington. It is the legislature’s intent to establish and extend tax incentive programs for alternative fuel vehicles and related infrastructure by: (a) Reinstating the sales and use tax exemption on certain clean alternative fuel vehicles in order to reduce the price charged to customers for clean alternative fuel vehicles; (b) extending the
business and occupation and public utility tax credit for clean alternative fuel commercial vehicles and expanding it to include clean alternative fuel infrastructure; (c) extending the sales and use tax exemption for electric vehicle batteries, fuel cells, and infrastructure and expanding it to include the electric battery and fuel cell components of electric buses and zero emissions buses; and (d) extending the leasehold excise tax exemption to tenants of public lands for battery and fuel cell electric vehicle infrastructure.

(3) To measure the effectiveness of the tax preferences in sections 8 through 14, chapter . . ., Laws of 2019 (sections 8 through 14 of this act) in achieving the public policy objectives described in subsection (2) of this section, the joint legislative audit and review committee must evaluate the number of clean alternative fuel vehicles titled in the state.

(4) In order to obtain the data necessary to perform the review in subsection (3) of this section, the department of licensing and the department of revenue must provide data needed for the joint legislative audit and review committee analysis. In addition to the data source described under this subsection, the joint legislative audit and review committee may use any other data it deems necessary.

Sec. 8. RCW 82.04.4496 and 2017 c 116 s 1 are each amended to read as follows:

(1)(a)(i) A person who is taxable under this chapter is allowed a credit against the tax imposed in this chapter according to the gross vehicle weight rating of the vehicle and the incremental cost of the vehicle purchased above the purchase price of a comparable conventionally fueled vehicle. The credit is limited, as set forth in the table below, to the lesser of the incremental cost amount or the maximum credit amount per vehicle purchased, and subject to a maximum annual credit amount per vehicle class.

Sec. 14. RCW 82.29A.125 and 2009 c 459 s 3 are each amended to read as follows:

1. Leasehold excise tax may not be imposed on leases to tenants of public lands for purposes of installing, maintaining, and operating electric vehicle infrastructure.

2. The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Battery charging station" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries within electric vehicles, which meet or exceed any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(b) "Battery exchange station" means a fully automated facility that will enable an electric vehicle with a swappable battery to enter a drive lane and exchange the depleted battery with a fully charged battery through a fully automated process, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(c) "Electric vehicle infrastructure" means structures, machinery, and equipment necessary and integral to support an electric vehicle, including battery charging stations, rapid charging stations, ((and)) battery exchange stations, fueling stations that provide hydrogen for fuel cell electric vehicles, and renewable hydrogen production facilities.

Sec. 15. RCW 82.44.200 and 2015 3rd sp.s. c 44 s 404 are each amended to read as follows:

The electric vehicle (charging infrastructure) account is created in the transportation infrastructure account. Proceeds from the principal and interest payments made on loans from the account must be deposited into the account. Expenditures from the account may be used only for the purposes specified in RCW 47.04.350, sections 9 and 10 of this act, and the support of other transportation electrification and alternative fuel related purposes.

Moneys in the account may be spent only after appropriation.

NEW SECTION. Sec. 16. A new section is added to chapter 47.04 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department’s public-private partnership office must develop a pilot program to support clean alternative fuel car sharing programs to provide clean alternative fuel vehicle use opportunities to underserved communities and low to moderate income members of the workforce not readily served by transit or located in transportation corridors with emissions that exceed federal or state emissions standards. Nonprofit organizations or local governments, including housing authorities, with a demonstrated history of managing or implementing low-income transportation clean alternative fuel and shared mobility pilot programs are eligible to participate in this program.

(2) The department must determine specific eligibility criteria, based on the requirements of this section, the report submitted to the legislature by the Puget Sound clean air agency entitled facilitating education opportunities to underserved communities and low to moderate income members of the workforce not readily served by transit or located in transportation corridors with emissions that exceed federal or state emissions standards. Nonprofit organizations or local governments, including housing authorities, with a demonstrated history of managing or implementing low-income transportation clean alternative fuel and shared mobility pilot programs are eligible to participate in this program.

(3) The department may conduct preliminary workshops with potential bidders and other potential partners to determine the best method of designing the pilot program.

(4) The department must include the following elements in its proposal evaluation and scoring methodology: History of successful management of equity focused clean alternative fuel vehicle projects; substantial level of involvement from community-based, equity focused organizations in the project; plan for long-term financial sustainability of the work beyond the duration of the grant period; matching resources leveraged for the project; and geographical diversity of the projects selected.

(5) After selecting successful proposals under this section, the department may provide grant funding to them. The total grant amount available per project may range from fifty thousand to two hundred thousand dollars. The grant opportunity must include possible funding of vehicles, charging or fueling station infrastructure, staff time, and any other expenses required to implement the project. No more than ten percent of grant funds may be used for administrative expenses.

(b) At the termination of a program for providing alternative fuel car sharing services, the state must be reimbursed for any property acquired with state grant funding under this section that nongovernmental participants in the program retain at the time of program termination. The amount of reimbursement may under no circumstances be less than the fair market value of the property at the time of the termination of the program.

NEW SECTION. Sec. 17. (1) Subject to the availability of amounts appropriated for this specific purpose, the department of commerce must conduct a study to identify opportunities to reduce barriers to battery and fuel cell electric vehicle adoption by lower income residents of the state through the use of vehicle and infrastructure financing assistance. The study must include an assessment of opportunities to work with nonprofit lenders to facilitate vehicle purchases through the use of loan-loss reserves and rate buy downs by qualified borrowers purchasing battery and fuel cell electric vehicles that are eligible for the tax exemptions under sections 9 and 10 of this act, and may address additional financing assistance opportunities identified. The study must focus on potential borrowers who are at or below eighty percent of the state median household income. The study may also address any additional opportunities identified to increase electric vehicle adoption by lower income residents of the state.

(2) The department of commerce must provide a report detailing the findings of this study to the transportation committees of the legislature by June 30, 2020, and may contract with a consultant on all or a portion of the study.

NEW SECTION. Sec. 20. This section is the tax preference performance statement for the tax preferences contained in sections 21 and 22, chapter . . ., Laws of 2019 (sections 21 and 22 of this act). The performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(1) The legislature categorizes the tax preferences as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a). (2) It is the legislature’s specific public policy objective to increase the use of electric vessels in Washington. It is the legislature’s intent to establish a sales and use tax exemption on certain electric vessels in order to reduce the price charged to customers for electric vessels.

(3) To measure the effectiveness of the tax preferences in sections 21 and 22, chapter . . ., Laws of 2019 (sections 21 and 22 of this act) in achieving the public policy objectives described in subsection (2) of this section, the joint legislative audit and review committee must evaluate the number of electric vessels titled in the state.

(4) In order to obtain the data necessary to perform the review in subsection (3) of this section, the department of licensing and the department of revenue must provide data needed for the joint legislative audit and review committee analysis. In addition to the data source described under this subsection, the joint legislative audit and review committee may use any other data it deems necessary.

NEW SECTION. Sec. 21. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax imposed by RCW 82.08.020 does not apply to:

(a) The sale of new battery-powered electric marine propulsion systems with continuous power greater than fifteen kilowatts.

(b) The sale of new vessels equipped with propulsion systems that qualify under (a) of this subsection.

(2) Sellers may make tax exempt sales under this section only if the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller’s files.

(3) On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the multimodal transportation account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted during this section until such time as retailers are able to report such exempted amounts on their tax returns.

(4) For the purposes of this section:

(a) “Battery-powered electric marine propulsion system” means a fully electric outboard or inboard motor used by vessels, the sole source of propulsive power of which is the energy stored in the battery packs. The term includes required accessories, such as throttles, displays, and battery packs; and

(b) “Vessel” includes every watercraft, other than a seaplane, used or capable of being used as a means of transportation on the water.

(5) This section expires August 1, 2029.

NEW SECTION. Sec. 22. A new section is added to chapter 82.12 RCW to read as follows:

(1) The tax imposed by RCW 82.12.020 does not apply to the use of:

(a) New battery-powered electric marine propulsion systems with continuous power greater than fifteen kilowatts; and

(b) New vessels equipped with propulsion systems that qualify under (a) of this subsection.

(2) Sellers may make tax exempt sales under this section only if the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller’s files.

(3) On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the multimodal transportation account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted during this section until such time as retailers are able to report such exempted amounts on their tax returns.
NEW SECTION. Sec. 23. A new section is added to chapter 46.17 RCW to read as follows:

To realize the environmental benefits of electrification of the transportation system it is necessary to support the adoption of electric vehicles and other electric technology in the state by incentivizing the purchase of these vehicles, building out the charging infrastructure, developing greener transit options, and supporting clean alternative fuel infrastructure. Therefore, it is the intent of the legislature to support these activities through the imposition of new transportation electrification fees in this section.

(1) A vehicle that both (a) uses at least one method of propulsion that is capable of being reenergized by an external source of electricity and (b) is capable of traveling at least thirty miles using only battery power, is subject to an annual one hundred fifty dollar transportation electrification fee to be collected by the department, county auditor, or other agent or subagent appointed by the director. For administrative efficiencies, the transportation electrification fee must be collected at the same time as vehicle registration renewals and may only be collected for vehicles that are renewing an annual vehicle registration.

(2) In lieu of the fee in subsection (1) of this section for a hybrid electric or alternative fuel vehicle that is not required to pay the fees established in RCW 46.17.323 (1) and (4), the department, county auditor, or other agent or subagent appointed by the director must require that the applicant for the annual vehicle registration renewal of such hybrid electric or alternative fuel vehicle pay a fifty dollar hybrid vehicle transportation electrification fee.

(3) The fees required under this section must be deposited in the electric vehicle account created in RCW 82.44.200, until July 1, 2029, when the fee must be deposited in the motor vehicle account.

NEW SECTION. Sec. 24. Sections 1 through 7, 9 through 12, and 14 through 23 of this act take effect August 1, 2019.

NEW SECTION. Sec. 25. Sections 8 and 13 of this act take effect January 1, 2020.

On page 1, line 1 of the title, after “adoption;” strike the remainder of the title and insert “amending RCW 28B.30.903, 47.04.350, 80.28.493, 80.28.360, 82.04.4496, 82.08.816, 82.12.816, 82.16.0496, 82.29A.125, and 82.44.200; amending 2019 c ... The President Pro Tempore declared the question before the Senate to be the motion to not adopt the committee striking amendment by the Committee on Transportation to Engrossed Second Substitute House Bill No. 2042.

The motion by Senator Saldaña carried and the committee striking amendment was not adopted by voice vote.

MOTION

Senator Saldaña moved that the following striking amendment no. 832 by Senators Saldaña, Hobbs and King be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that increasing the rate of adoption of electric vehicles and vessels and other clean alternative fuel vehicles will help to reduce harmful air pollution from exhaust emissions, including greenhouse gas emissions, in the state. The legislature also finds that an increased reliance on greener transit options will help to further reduce harmful air pollution from exhaust emissions. The legislature further finds that support for clean alternative fuel infrastructure can help to increase adoption of green transportation in the state, as noted in a 2015 joint transportation committee report. It is therefore the legislature’s intent to drive green vehicle and vessel adoption and increased green transit use by: (1) Establishing and extending tax incentive programs for alternative fuel vehicles and related infrastructure, including for commercial vehicles; (2) providing funding for a capital grant program to assist transit authorities in reducing the carbon output of their fleets; (3) increasing public and private electric utilities' ability to invest in electric vehicle charging infrastructure; (4) establishing a technical assistance program for public agencies within the Washington State University’s energy program; (5) funding a pilot program to test methods for facilitating access to alternative fuel vehicles and alternative fuel vehicle infrastructure by low-income residents of the state; (6) funding a study to examine opportunities to provide financing assistance to lower-income residents of the state who would like to purchase an electric vehicle; and (7) establishing a tax incentive program for certain electric vessels.

Sec. 2. RCW 28B.30.903 and 2010 c 37 s 1 are each amended to read as follows:

(1) The Washington State University extension energy program shall provide information, technical assistance, and consultation on physical plant operation, maintenance, and construction issues to state and local governments, tribal governments, and nonprofit organizations through its plant operations support program. The Washington State University extension energy program may not enter into facilities design or construction contracts on behalf of state or local government agencies, tribal governments, or nonprofit organizations. The plant operations support program created in this section must be funded by voluntary subscription charges, service fees, and other funding acquired by or provided to Washington State University for such purposes.

(2) Subject to the availability of amounts appropriated for this specific purpose through the 2023-2025 biennium, the Washington State University extension energy program must establish and administer a technical assistance and education program focused on the use of alternative fuel vehicles. Education and assistance may be provided to public agencies, including local governments and other state political subdivisions.

Sec. 3. RCW 47.04.350 and 2015 3rd sp.s. c 44 s 403 are each amended to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose through the 2023-2025 biennium, the department’s public-private partnership office must develop and maintain a (pilot) program to support the deployment of (electric) clean alternative fuel vehicle charging and refueling infrastructure that is supported by private financing.

(2) The department must define corridors in which bidders may propose to install electric vehicle charging infrastructure or hydrogen fueling stations, and may update these corridors over..."
time as needed. Alternatively, a bidder may propose a corridor in
which the bidder proposes to install electric vehicle infrastructure
or hydrogen fueling stations if the department has adopted rules
allowing such a proposal and establishing guidelines for how such
a proposal will be considered.

(3)(a) For bid proposals under this section, the department must
require the following:
(i) Bidders must have private sector partners contributing to the
project who stand to gain indirect value from development of the
project, such as motor vehicle manufacturers, retail stores, or
tourism stakeholders;
(ii) Bidders must demonstrate that the proposed project will be
tunable to (electric) clean alternative fuel vehicle drivers and
will address an existing gap in the state’s (electric vehicle
charging station) low carbon transportation infrastructure;
(iii) Projects must be expected to be profitable and sustainable
for the owner-operator and the private partner; and
(iv) Bidders must specify how the project captures the indirect
value of charging or refueling station deployment to the private
partner.
(b) The department may adopt rules that require any other
criteria for a successful project.
(4) In evaluating proposals under this section, the department
may use the electric vehicle financial analysis tool that was
developed in the joint transportation committee’s study into
financing electric vehicle charging station infrastructure.
(5)(a) After selecting a successful proposer under this section,
the department may provide a loan or grant to the proposer.
(b) Grants and loans issued under this subsection must be
funded from the electric vehicle (charging infrastructure)
account created in RCW 82.44.200.
(c) Any project selected for support under this section is
eligible for only one grant or loan as a part of the ((pilot))
program.
(6) The department may conduct preliminary workshops with
potential bidders and other potential private sector partners to
determine the best method of designing and maintaining the
((pilot)) program, discuss how to develop and maintain the
partnerships among the private sector partners that may receive
indirect value, and any other issues relating to the implementation
and administration of this section. The department should
consider regional workshops to engage potential business
partners from across the state.
(7) The department must adopt rules to implement and
administer this section.

Sec. 4. 2019 c ...(SHB 1512) s 1 (uncodified) is amended to
read as follows:

The legislature finds that:

(1) Programs for the electrification of transportation have the
potential to allow electric utilities to optimize the use of electric
grid infrastructure, improve the management of electric loads, and
better manage the integration of variable renewable energy
resources. Depending upon each utility’s unique circumstances,
electrification of transportation programs may provide cost-
effective energy efficiency, through more efficient use of energy
resources, and more efficient use of the electric delivery system.
Electrification of transportation may result in cost savings and
benefits for all ratepayers.

(2) State policy can achieve the greatest return on investment
in reducing greenhouse gas emissions and improving air quality
by expediting the transition to alternative fuel vehicles, including
electric vehicles. Potential benefits associated with electrification
of transportation include the monetization of environmental
attributes associated with carbon reduction in the transportation
sector.

(3) Legislative clarity is important for utilities to offer
programs and services, including incentives, in the electrification
of transportation for their customers. It is the intent of the
legislature to allow all utilities to support transportation
electrification to further the state’s policy goals and achieve parity
among all electric utilities, so each electric utility, depending on
its unique circumstances, can determine its appropriate role in
the development of electrification of transportation infrastructure.

Sec. 5.  RCW 80.28.--- and 2019 c ...(SHB 1512) s 4 are each
amended to read as follows:

(1) An electric utility regulated by the utilities and
transportation commission under this chapter may submit to the
commission an electrification of transportation plan that deploys
electric vehicle supply equipment or provides other electric
transportation programs, services, or incentives to support
electrification of transportation((— provided that such electric
vehicle supply equipment, programs, or services may not increase
costs to customers, in excess of one-quarter of one percent above
the benefits of electric transportation to all customers over a
period consistent with the utility’s planning horizon under its
most recent integrated resource plan). The plans should align to
a period consistent with either the utility’s planning horizon under
its most recent integrated resource plan or the time frame of the
actions contemplated in the plan, and may include:
(a) Any programs that the utility is proposing
contemporaneously with the plan filing or anticipates later in
the plan period;
(b) Anticipated benefits of transportation electrification, based
on a forecast of electric transportation in the utilities’ service
territory; and
(c) Anticipated costs of programs, subject to the restrictions in
RCW 80.28.360.
(2) In reviewing an electrification of transportation plan under
subsection (1) of this section, the commission may consider the
following: (a) The applicability of multiple options for
electrification of transportation across all customer classes; (b)
the impact of electrification on the utility’s load, and whether
demand response or other load management opportunities,
including direct load control and dynamic pricing, are
operationally appropriate; (c) system reliability and distribution
system efficiencies; (d) interoperability concerns, including the
interoperability of hardware and software systems in
electrification of transportation proposals; and (e) the benefits and
costs of the planned actions((— and (4) the overall customer
experience)).

(3) The commission must issue an acknowledgment of an
electrification of transportation plan within six months of the
submittal of the plan. The commission may establish by rule the
requirements for preparation and submission of an electrification
of transportation plan. An electric utility may submit a plan under
this section before or during rule-making proceedings.

Sec. 6.  RCW 80.28.360 and 2019 c ...(SHB 1512) s 5 are each
amended to read as follows:

(1) In establishing rates for each electrical company regulated
under this title, the commission may allow an incentive rate of
return on investment through December 31, 2030, on capital
expenditures for electric vehicle supply equipment that is
deployed for the benefit of ratepayers, provided that the capital
expenditures of the utilities’ programs or plans in section 5(1) of
this act do not increase (costs to ratepayers) the annual retail
revenue requirement of the utility, after accounting for the
benefits of transportation electrification in each year of the plan,
in excess of one-quarter of one percent. The commission must
consider and may adopt other policies to improve access to and
promote fair competition in the provision of electric vehicle supply equipment.

(2) An incentive rate of return on investment under this section may be allowed only if the company chooses to pursue capital investment in electric vehicle supply equipment on a fully regulated basis similar to other capital investments behind a customer’s meter. In the case of an incentive rate of return on investment allowed under this section, an increment of up to two percent must be added to the rate of return on common equity allowed on the company’s other investments.

(3) The incentive rate of return on investment authorized in subsection (2) of this section applies only to projects which have been installed after July 1, 2015.

(4) The incentive rate of return on investment increment pursuant to this section may be earned only for a period up to the depreciable life of the electric vehicle supply equipment as defined in the depreciation schedules developed by the company and submitted to the commission for review. When the capital investment has fully depreciated, an electrical company may gift the electric vehicle supply equipment to the owner of the property on which is located.

(5) By December 31, 2017, the commission must report to the appropriate committees of the legislature with regard to the use of any incentives allowed under this section, the quantifiable impacts of the incentives on actual electric vehicle deployment, and any recommendations to the legislature about utility participation in the electric vehicle market.

NEW SECTION. Sec. 7. This section is the tax preference performance statement for the tax preferences contained in sections 8 through 14, chapter . . ., Laws of 2019 (sections 8 through 14 of this act). The performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(1) The legislature categorizes the tax preferences as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(2) It is the legislature’s specific public policy objective to increase the use of clean alternative fuel vehicles in Washington. It is the legislature’s intent to establish and extend tax incentive programs for alternative fuel vehicles and related infrastructure by: (a) Reinstating the sales and use tax exemption on certain clean alternative fuel vehicles in order to reduce the price charged to customers for clean alternative fuel vehicles; (b) extending the business and occupation and public utility tax credit for clean alternative fuel commercial vehicles and expanding it to include clean alternative fuel infrastructure; (c) extending the sales and use tax exemption for electric vehicle batteries, fuel cells, and infrastructure and expanding it to include the electric battery and fuel cell components of electric buses and zero emissions buses; and (d) extending the leasehold excise tax exemption to tenants of public lands for battery and fuel cell electric vehicle infrastructure.

(3) To measure the effectiveness of the tax preferences in sections 8 through 14, chapter . . ., Laws of 2019 (sections 8 through 14 of this act) in achieving the public policy objectives described in subsection (2) of this section, the joint legislative audit and review committee must evaluate the number of clean alternative fuel vehicles titled in the state.

(4) In order to obtain the data necessary to perform the review in subsection (3) of this section, the department of licensing and the department of revenue must provide data needed for the joint legislative audit and review committee analysis. In addition to the data source described under this subsection, the joint legislative audit and review committee may use any other data it deems necessary.

Sec. 8. RCW 82.04.4496 and 2017 c 116 s 1 are each amended to read as follows:

(1)(a)(i) A person who is taxable under this chapter is allowed a credit against the tax imposed in this chapter according to the gross vehicle weight rating of the vehicle and the incremental cost of the vehicle purchased above the purchase price of a comparable conventionally fueled vehicle. The credit is limited, as set forth in the table below, to the lesser of the incremental cost amount or the maximum credit amount per vehicle purchased, and subject to a maximum annual credit amount per vehicle class.

(14)(a) Beginning November 25, 2015, and on the 25th of February, May, August, and November of each year thereafter, the department must notify the state treasurer of the amount of credits taken under this section as reported on returns filed with the department during the preceding calendar quarter ending on the last day of December, March, June, and September, respectively.

(b) On the last day of March, June, September, and December of each year, the state treasurer, based upon information provided by the department, must transfer a sum equal to the dollar amount of the credit provided under this section from the multimodal transportation account to the general fund.

(15) The department must conduct outreach to interested parties to obtain input on how best to streamline the application process required for the credit made available in this section and RCW 82.16.0496 to further adoption of alternative fuel technologies in commercial vehicle fleets, and must incorporate the findings resulting from this outreach effort into the rules and practices it adopts to implement and administer this section and RCW 82.16.0496 to the extent permitted under law.

(iv) Are being sold for the first time after modification.

(b)(i) “Residual value” means the lease-end value of the vehicle as determined by the lessor, at the end of the lease term included in the lease contract.

(b)(ii) “Qualifying used commercial vehicle” means a vehicle as determined by the lessor, at the end of the lease term included in the lease contract.

(b)(iii) “Used commercial vehicle” means a vehicle as determined by the lessor, at the end of the lease term included in the lease contract.

(c) From August 1, 2023, until July 31, 2025, the maximum amount eligible under (b)(i) of this subsection is twenty thousand dollars.

(d)(i) The total amount of the vehicle’s selling price, for sales made; or

(d)(ii) The total lease payments made plus any additional selling price of the leased vehicle if the original lessee purchases the leased vehicle before the qualification period end date, for lease agreements signed.

(e) Based on the purchase date or the date the lease agreement was signed of the vehicle if the vehicle is a new vehicle at the time of the purchase date or the date the lease agreement was signed:

(A) The total amount of the vehicle’s selling price, for sales made; or

(B) The total lease payments made plus any additional selling price of the leased vehicle if the original lessee purchases the leased vehicle before the qualification period end date, for lease agreements signed.

This information must be provided in a form and manner prescribed by the department.

(3)(a) The department of licensing must maintain and publish a list of all vehicle models qualifying for the tax exemptions under this section or section 10 of this act until the expiration date of this section, and is authorized to issue final rulings on vehicle model qualification for these criteria. A seller is not responsible for repayment of the tax exemption under this section and section 10 of this act for a vehicle if the department of licensing’s published list of qualifying vehicle models on the purchase date or the date the lease agreement was signed includes the vehicle model and the department of licensing subsequently removes the vehicle model from the published list, and, if applicable, the vehicle meets the qualifying criterion under subsection (1)(a)(iii)(B) of this section and section 10(1)(a)(iii)(B) of this act.

(b) The department of revenue retains responsibility for determining whether a vehicle meets the applicable qualifying criterion under subsection (1)(a)(iii)(B) of this section and section 10(1)(a)(iii)(B) of this act.

(4) On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the electric vehicle account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.

The House receded from its amendment(s) to ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5290. Under suspension of the rules, the bill was returned to second reading for the purposes of amendment(s). The House adopted the following amendment(s): 5290-S2.E AMH SENN H3195.2, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that it is a goal of our state to divert juveniles who have committed status offenses, behaviors that are prohibited under law only because of an individual’s status as a minor, away from the juvenile justice system because a stay in detention is a predictive factor for future criminal justice system involvement. The legislature finds that Washington has been using the valid court order exception of the juvenile justice and delinquency prevention act, a loophole in federal law allowing judges to detain status offenders for disobeying court orders, more than any other state in the country. The legislature finds that use of the valid court order exception to detain youth for acts like truancy, breaking curfew, or running away from home is counterproductive and may worsen outcomes for at-risk youth.

(2) The legislature further finds that these youth should not be confined with or treated with the same interventions as criminal offenders. The legislature also finds that studies show a disproportionality in race, gender, and socioeconomic status of youth referred to courts or detained, or both. Likewise, the legislature finds that community-based interventions are more effective at addressing underlying causes of status offenses than detention and can reduce court caseloads and lower system costs. As a result, it is the intent of the legislature to strengthen and fund community-based programs that are culturally relevant and focus on addressing disproportionality of youth of color, especially at-risk youth.

(3) The legislature finds that appropriate interventions may include secure, semi-secure, and nonsecure out-of-home placement options, community-based mentoring, counseling, family reconciliation, behavioral health services, and other services designed to support youth and families in crisis and to prevent the need for out-of-home placement. The legislature recognizes that in certain circumstances, a court may find pursuant to this act that less restrictive alternatives to secure confinement are not available or appropriate and that clear, cogent, and convincing evidence requires commitment to a secure residential program with intensive wraparound services. The legislature intends to expand the availability of such interventions statewide by July 1, 2023.

NEW SECTION. Sec. 2. A new section is added to chapter 7.21 RCW to read as follows:

(1) It is the policy of the state of Washington to eliminate the use of juvenile detention as a remedy for contempt of a valid court order for youth under chapters 13.34 and 28A.225 RCW and child in need of services petition youth under chapter 13.32A RCW.

(a) Beginning July 1, 2020, youth may not be committed to juvenile detention as a contempt sanction under chapter 13.34 RCW, and a warrant may not be issued for such youth for failure to appear at a court hearing that requires commitment of such youth to juvenile detention.

(b) Beginning July 1, 2020, youth may not be committed to juvenile detention as a contempt sanction for child in need of services proceedings under chapter 13.32A RCW, and a warrant may not be issued for such youth for failure to appear at a court hearing that requires commitment of such youth to juvenile detention.

(c) Beginning July 1, 2021, youth may not be committed to juvenile detention as a contempt sanction for truancy proceedings
under chapter 28A.225 RCW, and a warrant may not be issued for such youth for failure to appear at a court hearing that requires commitment of such youth to juvenile detention.

(2)(a) It is also the policy of the state of Washington to entirely phase out the use of juvenile detention as a remedy for contempt of a valid court order for at-risk youth under chapter 13.32A RCW by July 1, 2023. After this date, at-risk youth may not be committed to juvenile detention as a contempt sanction under chapter 13.32A RCW, and a warrant may not be issued for failure to appear at a court hearing that requires commitment of the at-risk youth to juvenile detention.

(b) Until July 1, 2023, any at-risk youth committed to juvenile detention as a sanction for contempt under chapter 13.32A RCW, or for failure to appear at a court hearing under chapter 13.32A RCW, must be detained in such a manner so that no direct communication or physical contact may be made between the youth and any youth who is detained to juvenile detention pursuant to a violation of criminal law, unless these separation requirements would result in a youth being detained in solitary confinement.

(c) After July 1, 2023, at-risk youth may be committed to a secure residential program with intensive wraparound services, subject to the requirements under RCW 13.32A.250, as a remedial sanction for contempt under chapter 13.32A RCW or for failure to appear at a court hearing under chapter 13.32A RCW.

**Sec. 3.** RCW 7.21.030 and 2001 c 260 s 6 are each amended to read as follows:

(1) The court may initiate a proceeding to impose a remedial sanction on its own motion or on the motion of a person aggrieved by a contempt of court in the proceeding to which the contempt is related. Except as provided in RCW 7.21.050, the court, after notice and hearing, may impose a remedial sanction authorized by this chapter.

(2) If the court finds that the person has not carried or refused to perform an act that is yet within the person’s power to perform, the court may find the person in contempt of court and impose one or more of the following remedial sanctions:

(a) Imprisonment if the contempt of court is of a type defined in RCW 7.21.010(1) (b) through (d). The imprisonment may extend only so long as it serves a coercive purpose.

(b) A forfeiture not to exceed two thousand dollars for each day the contempt of court continues.

(c) An order designed to ensure compliance with a prior order of the court.

(d) Any other remedial sanction other than the sanctions specified in (a) through (c) of this subsection if the court expressly finds that those sanctions would be ineffectual to terminate a continuing contempt of court.

(e)(i) In cases under chapters 13.32A, 13.34, and 28A.225 RCW and subject to the requirements under RCW 13.32A.250 and 28A.225.090, commitment to juvenile detention for a period of time not to exceed (seven days) seventy-two hours, excluding Saturdays, Sundays, and holidays. The seventy-two hour period shall commence upon the next nonholiday weekday following the court order and shall run to the end of the last nonholiday weekday within the seventy-two hour period. This sanction may be imposed in addition to, or as an alternative to, any other remedial sanction authorized by this chapter. This remedy is specifically determined to be a remedial sanction.

(ii) Prior to committing any youth to juvenile detention as a sanction for contempt under chapter 13.32A, 13.34, or 28A.225 RCW, or for failure to appear at a court hearing under chapter 13.32A, 13.34, or 28A.225 RCW, the court must:

(A) Consider, on the record, the mitigating and aggravating factors used to determine the appropriateness of detention for

enforcement of its order;

(B) Enter written findings affirming that it considered all less restrictive options, that detention is the only appropriate alternative, including its rationale and the clear, cogent, and convincing evidence used to enforce the order;

(C) Afford the same due process considerations that it affords all youth in criminal contempt proceedings; and

(D) Seek input from all relevant parties, including the youth.

(iii) Detention periods for youth sanctioned to juvenile detention for contempt under chapter 13.32A, 13.34, or 28A.225 RCW, or for failure to appear at a court hearing under chapter 13.32A, 13.34, or 28A.225 RCW, shall be:

(A) No more than seventy-two hours, regardless of the number of violations being considered at the hearing; and

(B) Limited to no more than two sanctions, up to seventy-two hours each, in any thirty-day period.

(iv) Nothing in this subsection (2)(e) or in RCW 13.32A.250, 13.34.165, or 28A.225.090 shall be construed to limit the court’s inherent contempt power or curtail its exercise.

(3) The court may, in addition to the remedial sanctions set forth in subsection (2) of this section, order a person found in contempt of court to pay a party for any losses suffered by the party as a result of the contempt and any costs incurred in connection with the contempt proceeding, including reasonable attorney’s fees.

(4) If the court finds that a person under the age of eighteen years has willfully disobeyed the terms of an order issued under chapter 10.14 RCW, the court may find the person in contempt of court and may, as a sole sanction for such contempt, commit the person to juvenile detention for a period of time not to exceed seven days.

**Sec. 4.** RCW 7.21.030 and 2019 c ... s 3 (section 3 of this act) are each amended to read as follows:

(1) The court may initiate a proceeding to impose a remedial sanction on its own motion or on the motion of a person aggrieved by a contempt of court in the proceeding to which the contempt is related. Except as provided in RCW 7.21.050, the court, after notice and hearing, may impose a remedial sanction authorized by this chapter.

(c) An order designed to ensure compliance with a prior order of the court.

(d) Any other remedial sanction other than the sanctions specified in (a) through (c) of this subsection if the court expressly finds that those sanctions would be ineffectual to terminate a continuing contempt of court.

(e)(i) In at-risk youth petition cases only under chapter(13) 13.32A((13.34)) RCW and in cases under chapter 28A.225 RCW and subject to the requirements under RCW 13.32A.250 and 28A.225.090, commitment to juvenile detention for a period of time not to exceed seventy-two hours, excluding Saturdays, Sundays, and holidays. Sec. 10. RCW 13.32A.150 and 2000 c 123 s 17 are each amended to read as follows:

(1) Except as otherwise provided in this chapter, the juvenile court shall not accept the filing of a child in need of services petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that the department has completed a family assessment. The family assessment shall involve the multidisciplinary team if one exists. The family assessment or plan of services developed by the multidisciplinary team shall be aimed at family reconciliation, reunification, and avoidance of the out-of-home placement of the child. (If the department is unable to complete an assessment within two working days following a request for assessment the child or the parents may proceed under subsection (2) of this section or the parent may proceed under RCW 13.32A.194.)

(2) A child or a child’s parent may file with the juvenile court a child in need of services petition to approve an out-of-home placement for the child before completion of a family assessment. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition must be filed in the county where the parent resides. The petition shall allege that the child is a child in need of services and shall ask only that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve the placement is not dependent upon the court’s having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an out-of-home placement under this chapter.

(3) A petition may not be filed if the child is the subject of a proceeding under chapter 13.34 RCW.

Sec. 11. RCW 13.34.165 and 2000 c 122 s 21 are each amended to read as follows:

(1) Failure by a party to comply with an order entered under this chapter is civil contempt of court as provided in RCW 7.21.030(4).

(2) The maximum term of confinement that may be imposed as a remedial sanction for contempt of court under this section is confinement for up to \((\text{seven days})\) seventy-two hours.

(3) A child held for contempt under this section shall be confined only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(4) A motion for contempt may be made by a parent, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order entered pursuant to this chapter.

(5)(a) Subject to (b) of this subsection, whenever the court finds probable cause to believe, based upon consideration of a motion ((for contempt)) and the information set forth in a supporting declaration, that a child ((has violated a placement order entered under this chapter)) is missing from care, the court may issue an order directing law enforcement to pick up and ((take)) return the child to ((detention)) department custody. ((The order may be entered ex parte without prior notice to the child or other parties. Following the child’s admission to detention, a detention review hearing must be held in accordance with RCW 13.32A.620.))

(b) If the department is notified of the child’s whereabouts and authorizes the child’s location, the court must withdraw the order directing law enforcement to pick up and return the child to department custody.

(6) Nothing in this section shall be construed to limit the court’s inherent contempt power or curtail its exercise.

Sec. 12. RCW 13.34.165 and 2019 c ... s 11 (section 11 of this act) are each amended to read as follows:

(1) Failure by a party to comply with an order entered under this chapter is civil contempt of court as provided in RCW 7.21.030(2).

(2) The maximum term of confinement that may be imposed as a remedial sanction for contempt of court under this section is confinement for up to seventy-two hours.

(3) A child held for contempt under this section shall be confined only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(4) A motion for contempt may be made by a parent, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order entered pursuant to this chapter.

(5)(a) Subject to (b) of this subsection, whenever the court finds probable cause to believe, based upon consideration of a motion ((for contempt)) and the information set forth in a supporting declaration, that a child ((has violated a placement order entered under this chapter)) is missing from care, the court may issue an order directing law enforcement to pick up and ((take)) return the child to ((detention)) department custody. ((The order may be entered ex parte without prior notice to the child or other parties. Following the child’s admission to detention, a detention review hearing must be held in accordance with RCW 13.32A.620.))

(b) If the department is notified of the child’s whereabouts and authorizes the child’s location, the court must withdraw the order directing law enforcement to pick up and return the child to department custody.

(6) Nothing in this section shall be construed to limit the court’s inherent contempt power or curtail its exercise.

Sec. 13. RCW 28A.225.090 and 2017 c 291 s 5 are each amended to read as follows:

(1) A court may order a child subject to a petition under RCW 28A.225.035 to do one or more of the following:

(a) Attend the child’s current school, and set forth minimum attendance requirements, which shall not consider a suspension day as an unexcused absence;

(b) If there is space available and the program can provide educational services appropriate for the child, order the child to attend another public school, an alternative education program, center, a skill center, dropout prevention program, or another public educational program;

(c) Attend a private nonsectarian school or program including
an education center. Before ordering a child to attend an approved or certified private nonsectarian school or program, the court shall: (i) Consider the public and private programs available; (ii) find that placement is in the best interest of the child; and (iii) find that the private school or program is willing to accept the child and will not charge any fees in addition to those established by contract with the student’s school district. If the court orders the child to enroll in a private school or program, the child’s school district shall contract with the school or program to provide educational services for the child. The school district shall not be required to contract for a weekly rate that exceeds the state general apportionment dollars calculated on a weekly basis generated by the child and received by the district. A school district shall not be required to enter into a contract that is longer than the remainder of the school year. A school district shall not be required to enter into or continue a contract if the child is no longer enrolled in the district;

(d) Submit to a substance abuse assessment if the court finds on the record that such assessment is appropriate to the circumstances and behavior of the child and will facilitate the child’s compliance with the mandatory attendance law and, if any assessment, including a urinalysis test ordered under this subsection indicates the use of controlled substances or alcohol, order the minor to abstain from the unlawful consumption of controlled substances or alcohol and adhere to the recommendations of the substance abuse assessment at no expense to the school; or

(e) Submit to a mental health evaluation or other diagnostic evaluation and adhere to the recommendations of the drug assessment, at no expense to the school, if the court finds on the court records that such evaluation is appropriate to the circumstances and behavior of the child, and will facilitate the child’s compliance with the mandatory attendance law.

(2)(a) If the child fails to comply with the court order, the court may impose:

(i) Community restitution;

(ii) Nonresidential programs with intensive wraparound services;

(iii) A requirement that the child meet with a mentor for a specified number of times; or

(iv) Other services and interventions that the court deems appropriate.

(b) If the child continues to fail to comply with the court order and the court makes a finding that other measures to secure compliance have been tried but have been unsuccessful and no less restrictive alternative is available, the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e). Failure by a child to comply with an order issued under this subsection shall not be subject to detention for a period greater than that permitted pursuant to a civil contempt proceeding against a child under chapter 13.32A RCW. Detention ordered under this subsection may be for no longer than ((seven days)) seventy-two hours. Detention ordered under this subsection shall preferably be served at a secure crisis residential center close to the child’s home rather than in a juvenile detention facility. A warrant of arrest for a child under this subsection may not be served on a child inside of school during school hours in a location where other students are present.

(3) Any parent violating any of the provisions of either RCW 28A.225.010, 28A.225.015, or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. The court shall remit fifty percent of the fine collected under this section to the child’s school district. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the child’s school did not perform its duties as required in RCW 28A.225.020. The court may order the parent to provide community restitution instead of imposing a fine. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the child in a supervised plan for the child’s attendance at school or upon condition that the parent attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child’s absence.

(4) If a child continues to be truant after entering into a court-approved order with the truancy board under RCW 28A.225.035, the juvenile court shall find the child in contempt, and the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as meaningful community restitution. Failure by a child to comply with an order issued under this subsection may not subject a child to detention for a period greater than that permitted under a civil contempt proceeding against a child under chapter 13.32A RCW.

(5) Nothing in this section shall be construed to limit the court’s inherent contempt power or curtail its exercise.

(6) Subsections (1), (2), and (4) of this section shall not apply to a six or seven year old child required to attend public school under RCW 28A.225.015.

A warrant of arrest for a child under this subsection may not be served on a child inside of school during school hours in a location where other students are present.

(3) Any parent violating any of the provisions of either RCW 28A.225.010, 28A.225.015, or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. (6) Subsections (1), (2), and (4) of this section shall not apply to a six or seven year old child required to attend public school under RCW 28A.225.015.

Sec. 15. RCW 43.185C.260 and 2018 c 58 s 61 are each amended to read as follows:

(1) A law enforcement officer shall take a child into custody:

(a) If a law enforcement agency has been contacted by the parent of the child that the child is absent from parental custody without consent; or

(c) If an agency legally charged with the supervision of a child has notified a law enforcement agency that the child has run away from placement.

(d) If a law enforcement agency has been notified by the juvenile court that the court finds probable cause exists to believe that the child has violated a court placement order issued under this chapter or chapter 13.34 RCW or that the court has issued an order for law enforcement pick-up of the child under this chapter or chapter 13.34 RCW.)

(2) Law enforcement custody shall not extend beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination. Law enforcement custody continues until the law enforcement officer transfers custody to a person, agency, or other authorized entity under this chapter, or releases the child because no placement is available. Transfer of custody is not complete unless the person, agency, or entity to whom the child is released agrees to accept custody.

(3) If a law enforcement officer takes a child into custody pursuant to either subsection (1)(a) or (b) of this section and transports the child to a crisis residential center, the officer shall, within twenty-four hours of delivering the child to the center, provide to the center a written report detailing the reasons the officer took the child into custody. Sec. 2. RCW 46.20.289 and 2016 c 203 s 6 are each amended to read as follows:

Except for traffic violations committed under RCW 46.61.165, the department shall suspend all driving privileges of a person when the department receives notice from a court under RCW 46.63.070(6), 46.63.110(6), or 46.64.025 that the person has did not carry to respond to a notice of traffic infraction for a moving violation, did not carry to appear at a requested hearing for a moving violation, violated a written promise to appear in court for a notice of infraction for a moving violation, or has did not carry to comply with the terms of a notice of traffic infraction, criminal complaint, or citation for a moving violation, or when the department receives notice from another state under Article IV of the nonresident violator compact under RCW 46.23.010 or from a jurisdiction that has entered into an agreement with the department under RCW 46.23.020, other than for a standing, stopping, or parking violation, provided that the traffic infraction or traffic offense is committed on or after July 1, 2005. A suspension under this section takes effect pursuant to the provisions of RCW 46.20.245, and remains in effect until the department has received a certificate from the court showing that the case has been adjudicated, and until the person meets the requirements of RCW 46.20.311. In the case of failure to respond to a traffic infraction issued under RCW 46.55.105, the department shall suspend all driving privileges until the person provides evidence from the court that all penalties and restitution have been paid. A suspension under this section does not take effect if, prior to the effective date of the suspension, the department receives a certificate from the court showing that the case has been adjudicated.

Sec. 3. RCW 46.61.165 and 2013 c 26 s 2 are each amended to read as follows:

(1) The state department of transportation and the local authorities are authorized to reserve all or any portion of any highway under their respective jurisdictions, including any designated lane or ramp, for the exclusive or preferential use of
one or more of the following: (a) Public transportation vehicles; (b) motorcycles; (c) private motor vehicles carrying no fewer than a specified number of passengers; or (d) the following private transportation provider vehicles if the vehicle has the capacity to carry eight or more passengers, regardless of the number of passengers in the vehicle, and if such use does not interfere with the efficiency, reliability, and safety of public transportation operations: (i) Auto transportation company vehicles regulated under chapter 81.68 RCW; (ii) passenger charter carrier vehicles regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; (iii) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (iv) private employer transportation service vehicles, when such limitation will increase the efficient utilization of the highway or will aid in the conservation of energy resources.

(2) Any transit-only lanes that allow other vehicles to access abutting businesses that are authorized pursuant to subsection (1) of this section may not be authorized for the use of private transportation provider vehicles as described under subsection (1) of this section.

(3) The state department of transportation and the local authorities authorized to reserve all or any portion of any highway under their respective jurisdictions, for exclusive or preferential use, may prohibit the use of a high occupancy vehicle lane by the following private transportation provider vehicles: (a) Auto transportation company vehicles regulated under chapter 81.68 RCW; (b) passenger charter carrier vehicles regulated under chapter 81.70 RCW, and marked or unmarked limousines and stretch sport utility vehicles as defined under department of licensing rules; (c) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (d) private employer transportation service vehicles, when the average transit speed in the high occupancy vehicle lane fails to meet department of transportation standards and falls below forty-five miles per hour at least ninety percent of the time during the peak hours, as determined by the department of transportation or the local authority, whichever operates the facility.

(4) Regulations authorizing such exclusive or preferential use of a highway facility may be declared to be effective at all times or at specified times of day or on specified days. Violation of a restriction of highway usage prescribed by the appropriate authority under this section is a traffic infraction. A person who commits a traffic infraction under this section is subject to additional monetary penalties as defined in this subsection. The additional monetary penalties are separate from the base penalty, fees, and assessments issued for the traffic infraction and are intended to raise awareness, and improve the efficiency, of the high occupancy vehicle lane system.

(a) Whenever a person commits a traffic infraction under this section, an additional monetary penalty of fifty dollars must be collected, and, in the case that a person has already committed a violation under this section within two years of committing this violation, then an additional one hundred fifty dollars must be collected.

(b) Any time a person commits a traffic infraction under this section and is using a dummy, doll, or other human facsimile to make it appear that an additional person is in the vehicle, the person must be assessed a two hundred dollar penalty, which is in addition to the penalties in (a) of this subsection.

(c) The monetary penalties under (a) and (b) of this subsection are additional, separate, and distinct penalties from the base penalty and are not subject to fees or assessments specified in RCW 46.63.110, 3.62.090, and 2.68.040.

(d)(i) The additional penalties collected under (a) of this subsection must be distributed as follows:

(A) Twenty-five percent must be deposited into the congestion relief and traffic safety account created under section 7 of this act; and

(B) Seventy-five percent must be deposited into the motor vehicle fund created under RCW 46.68.070.

(ii) The additional penalty collected under (b) of this subsection must be deposited into the congestion relief and traffic safety account created under section 7 of this act.

(e) Violations committed under this section are excluded from eligibility as a moving violation for driver’s license suspension under RCW 46.20.289 when a person subsequently fails to respond to a notice of traffic infraction for this moving violation, fails to appear at a requested hearing for this moving violation, violates a written promise to appear in court for a notice of infraction for this moving violation, or fails to comply with the terms of a notice of traffic infraction for this moving violation.

(5) Local authorities are encouraged to establish a process for private transportation providers, as described under subsections (1) and (3) of this section, to apply for the use of public transportation facilities reserved for the exclusive or preferential use of public transportation vehicles. The application and review processes should be uniform and should provide for an expeditious response by the local authority. Whenever practicable, local authorities should enter into agreements with such private transportation providers to allow for the reasonable use of these facilities.

(6) For the purposes of this section, “private employer transportation service” means regularly scheduled, fixed-route transportation service that is similarly marked or identified to display the business name or logo on the driver and passenger sides of the vehicle, meets the annual certification requirements of the department of transportation, and is offered by an employer for the benefit of its employees.

Sec. 4. RCW 46.63.110 and 2012 c 82 s 1 are each amended to read as follows:

(1) A person found to have committed a traffic infraction shall be assessed a monetary penalty. No penalty may exceed two hundred and fifty dollars for each offense unless authorized by this chapter or title.

(2) The monetary penalty for a violation of (a) RCW 46.55.105(2) is two hundred fifty dollars for each offense; (b) RCW 46.61.210(1) is five hundred dollars for each offense. No penalty assessed under this subsection (2) may be reduced.

(3) The supreme court shall prescribe by rule a schedule of monetary penalties for designated traffic infractions. This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme court to adjust this schedule every two years for inflation.

(4) There shall be a penalty of twenty-five dollars for failure to respond to a notice of traffic infraction except where the infraction relates to parking as defined by local law, ordinance, regulation, or resolution or failure to pay a monetary penalty imposed pursuant to this chapter. A local legislative body may set a monetary penalty not to exceed twenty-five dollars for failure to respond to a notice of traffic infraction relating to parking as defined by local law, ordinance, regulation, or resolution. The local court, whether a municipal, police, or district court, shall impose the monetary penalty set by the local legislative body.

(5) Monetary penalties provided for in chapter 46.70 RCW which are civil in nature and penalties which may be assessed for violations of chapter 46.44 RCW relating to size, weight, and load of motor vehicles are not subject to the limitation on the amount of monetary penalties which may be imposed pursuant to this
(6) Whenever a monetary penalty, fee, cost, assessment, or other monetary obligation is imposed by a court under this chapter, it is immediately payable and is enforceable as a civil judgment under Title 6 RCW. If the court determines, in its discretion, that a person is not able to pay a monetary obligation in full, and not more than one year has passed since the later of July 1, 2005, or the date the monetary obligation initially became due and payable, the court shall enter into a payment plan with the person, unless the person has previously been granted a payment plan with respect to the same monetary obligation, or unless the person is in noncompliance of any existing or prior payment plan, in which case the court may, at its discretion, implement a payment plan. If the court has notified the department that the person has not carried to pay or comply and the person has subsequently entered into a payment plan and made an initial payment, the court shall notify the department that the infraction has been adjudicated, and the department shall rescind any suspension of the person’s driver’s license or driver’s privilege based on failure to respond to that infraction. “Payment plan,” as used in this section, means a plan that requires reasonable payments based on the financial ability of the person to pay. The person may voluntarily pay an amount at any time in addition to the payments required under the payment plan.

(a) If a payment required to be made under the payment plan is delinquent or the person fails to complete a community restitution program on or before the time established under the payment plan, unless the court determines good cause therefor and adjusts the payment plan or the community restitution plan accordingly, the court may refer the unpaid monetary penalty, fee, cost, assessment, or other monetary obligation for civil enforcement until all monetary obligations, including those imposed under subsections (3) and (4) of this section, have been paid, and court authorized community restitution has been completed, or until the court has entered into a new time payment or community restitution agreement with the person. For those infractions subject to suspension under RCW 46.20.289, the court shall notify the department of the person’s failure to meet the conditions of the plan, and the department shall suspend the person’s driver’s license or driving privileges.

(b) If a person has not entered into a payment plan with the court and has not paid the monetary obligation in full on or before the time established for payment, the court may refer the unpaid monetary penalty, fee, cost, assessment, or other monetary obligation to a collections agency until all monetary obligations have been paid, including those imposed under subsections (3) and (4) of this section, or until the person has entered into a payment plan under this section. For those infractions subject to suspension under RCW 46.20.289, the court shall notify the department of the person’s delinquency, and the department shall suspend the person’s driver’s license or driving privileges.

(c) If the payment plan is to be administered by the court, the court may assess the person a reasonable administrative fee to be wholly retained by the city or county with jurisdiction. The administrative fee shall not exceed ten dollars per infraction or twenty-five dollars per payment plan, whichever is less.

(d) Nothing in this section precludes a court from contracting with outside entities to administer its payment plan system. When outside entities are used for the administration of a payment plan, the court may assess the person a reasonable fee for such administrative services, which fee may be calculated on a periodic, percentage, or other basis.

(e) If a court authorized community restitution program for offenders is available in the jurisdiction, the court may allow conversion of all or part of the monetary obligations due under this section to court authorized community restitution in lieu of time payments if the person is unable to make reasonable time payments.

(7) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction shall be assessed:

(a) A fee of five dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the emergency medical services and trauma care system trust account under RCW 70.168.040;

(b) A fee of ten dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the Washington auto theft prevention authority account; and

(c) A fee of two dollars per infraction. Revenue from this fee shall be forwarded to the state treasurer for deposit in the traumatic brain injury account established in RCW 74.31.060.

(8)(a) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction other than of RCW 46.61.527 or 46.61.212 shall be assessed an additional penalty of twenty dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. If a court authorized community restitution program for offenders is available in the jurisdiction, the court shall allow offenders to offset all or a part of the penalty due under this subsection (8) by participation in the court authorized community restitution program.

(b) Eight dollars and fifty cents of the additional penalty under (a) of this subsection shall be remitted to the state treasurer. The remaining revenue from the additional penalty must be remitted under chapters 2.08, 3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this subsection to the state treasurer must be deposited in the state general fund. The balance of the revenue received by the county or city treasurer under this subsection must be deposited into the county or city current expense fund. Moneys retained by the city or county under this subsection shall constitute reimbursement for any liabilities under RCW 43.135.060.

(9) If a legal proceeding, such as garnishment, has commenced to collect any delinquent amount owed by the person for any penalty imposed by the court under this section, the court may, at its discretion, enter into a payment plan.

(10) The monetary penalty for violating RCW 46.37.395 is: (a) Two hundred fifty dollars for the first violation; (b) five hundred dollars for the second violation; and (c) seven hundred fifty dollars for each violation thereafter.

(11) The additional monetary penalties for a violation of RCW 46.61.165 are not subject to assessments or fees provided under this section.

Sec. 5. RCW 3.62.090 and 2004 c 15 s 5 are each amended to read as follows:

(1) There shall be assessed and collected in addition to any fines, forfeitures, or penalties assessed, other than for parking infractions, by all courts organized under Title 3 or 35 RCW a public safety and education assessment equal to seventy percent of such fines, forfeitures, or penalties, which shall be remitted as provided in chapters 3.46, 3.50, 3.62, and 35.20 RCW. The assessment required by this section shall not be suspended or waived by the court.

(2) There shall be assessed and collected in addition to any fines, forfeitures, or penalties assessed, other than for parking infractions and for fines levied under RCW 46.61.5055, and in addition to the public safety and education assessment required

PERSONAL PRIVILEGE

Senator Randall: “I rise today to recognize some of Washington’s most dedicated and perhaps least acknowledged public servants. We all know a wonderful family three generations who work together to make sure that we are able to do our best work for the people of Washington. Jean-Pierre and Kerri, Aiyrl Skylyr, Brittany along with some of the youngest members of the Simon family, keep us fed. They know our coffee orders and our favorite breakfast. They give us a quiet place to hide from the floor when we all need a break. They care so much about the work that we do here and count all of us as friends and team members. And outside of their work here in Olympia they are tireless workers for our community. They have a beautiful restaurant. Aiyrl’s also a welder. Their parents, they represent such wonderful family values and committed Washingtonians to our economy. And I would wonder, Mr. President, if you might be willing to bring our friends out on to the floor?”

The rose and recognized the Simon family who were present at the bar of the senate.

PERSONAL PRIVILEGE

Senator Sheldon: “Mr. President, I just wanted to relate something. What a great family and we’ve all enjoyed their hospitality and their friendship and I go back just a few years and I won’t tell you what year because you could figure it out but the majority party decided that we should just have soup and sandwiches. And I could tell you Mr. President that was the worst session we’ve ever had here.”

PERSONAL PRIVILEGE

Senator Rolffes: “Thank you Mr. President very much. Thank you all very much for the honor of serving as your Ways & Means committee chair this year. It really is quite a privilege. I think we’re all privileged to serve here and it is really a privilege to be able to lead the Senate. And it really is a privilege to work with somebody like John Braun. What a great honor to have a partner like him. I also want to take a moment to thank the staff, which we always do, but I just want to say that there were times that I would, I would refer to our committee as a ship taken over by pirates or an airplane on a bumpy landing and we would and snakes coming out of the cargo load, and those guys always got us landed safely. No matter what was going on with committee, with committee members, with bills, their expertise is absolutely critical. We don’t know what we are doing when we are writing a budget. We don’t know what the timelines are, what the formats are, anything or any of that but the Ways & Means staff is incredible. Incredible. And so I would like to thank them personally and I think we’ll all join in a round of applause for them. I am hoping that they are watching this on TV because they have been working on it for months, years. I want to start by thanking Matt Bridges and Ryan Moore from our caucus staff who are in the wings. And talk about, talk about capable, those guys are handling the pirates every day in our individual caucuses. Then I also want to thank, start by thanking Nazeelah and Maya who were the two staff people who were just made sure the meetings ran efficiently. They ran the front office. They made sure we all had our notes. Just incredible young people. The boss, of course, Michael Bezanson; James Kettel, who was in charge of writing the budget and managing all of that work as well; Jeff Mitchell; Richard Ramsey from the Capital Budget staff; Julie Murray; Michele Alishahi; Amanda Cecil; Claire Goodwin; Kayla Hammer; Jed Herman; Maria Hovde; Alia Kennedy; Danny Masterson; Jeff Naas; Sarian Scott; Sandy Stith; Travis Sugarman; and, of course, Jasmin Adams. Fantastic people. Highly capable staff and we are fortunate that they work for the state government. Can we give them a round of applause?”

The senate rose and recognized the work of the staff of the Committee on Ways & Means and caucus fiscal staff.

provided in this section.

(2)(a) For an eligible school district((c)) with an actual enrichment levy rate that is less than one dollar and fifty cents per thousand dollars of assessed value in the school district, the annual local effort assistance funding is equal to the school district’s maximum local effort assistance multiplied by a fraction equal to the school district’s actual enrichment levy rate divided by one dollar and fifty cents per thousand dollars of assessed value in the school district((c) maximum allowable)).

(b) For an eligible school district with an actual enrichment levy rate that is equal to or greater than one dollar and fifty cents per thousand dollars of assessed value in the school district, the annual local effort assistance funding is equal to the school district’s maximum local effort assistance.

(1) Beginning with taxes levied for collection in ((2019)) 2020, the maximum dollar amount which may be levied by or for any school district for enrichment levies under RCW 84.52.053 is equal to the lesser of ((300) two dollar and fifty cents per thousand dollars of the assessed value of property in the school district or the maximum per-pupil limit. (3) The use of the state allocation provided for professional learning under RCW 28A.150.415 must be audited as part of the regular financial audits of school districts by the state auditor’s office to ensure compliance with the limitations and conditions of RCW 28A.150.415. Correct the title.

(b) The tax imposed under this section must also be collected by the department from the consumer of vapor products where the tax imposed under this section was not paid by the distributor on such vapor products.

(3)(a) The moneys collected under this section must be deposited as follows:

(i) Fifty percent into the Andy Hill cancer research fund created in RCW 43.348.060; and
(ii) Fifty percent into the foundational public health services account created in section 103 of this act.

(b) The funding provided under this subsection is intended to supplement and not supplant general fund investments in cancer research and foundational public health services.

NEW SECTION. Sec. 103. The foundational public health services account is created in the state treasury. Half of all of the moneys collected from the tax imposed on vapor products under RCW 66.44.010 and half of all moneys collected on the tax imposed on heated tobacco products under RCW 82.26.020 must be deposited into the account. Moneys in the account may be spent only after appropriation. Moneys in the account are to be used for the following purposes:

(1) To fund foundational health services. In the 2019-2021 biennium, at least twelve million dollars of the funds deposited into the account must be appropriated for this purpose. Beginning in the 2021-2023 biennium, fifteen percent of the funds deposited into the account, but not less than twelve million dollars each biennium, are to be used for this purpose;

(2) To fund tobacco, vapor product, and nicotine control and prevention, and other substance use prevention and education. Beginning in the 2021-2023 biennium, seventeen percent of the funds deposited into the account are to be used for this purpose;

NEW SECTION. Sec. 104. It is the intent and purpose of this chapter to levy a tax on all vapor products sold, used, consumed, handled, possessed, or distributed within this state. It is the further intent and purpose of this chapter to impose the tax only once on all vapor products in this state. Nothing in this chapter may be construed to exempt any person taxable under any other law or under any other tax imposed under this title.

NEW SECTION. Sec. 105. The tax imposed by section 102 of this act does not apply with respect to any vapor products which under the Constitution and laws of the United States may not be made the subject of taxation by this state.

NEW SECTION. Sec. 106. (1) Every distributor must keep at each place of business complete and accurate records for that place of business, including itemized invoices, of vapor products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of vapor products made.

(2) These records must show the names and addresses of purchasers, the inventory of all vapor products, and other pertinent papers and documents relating to the purchase, sale, or disposition of vapor products. All invoices and other records required by this section to be kept must be preserved for a period of five years from the date of the invoices or other documents or the date of the entries appearing in the records.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the vapor products contained therein, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees are denied free access or are hindered or interfered
with in making such examination, the registration certificate issued under RCW 82.32.030 of the distributor at such premises are subject to revocation by the department, and any licenses issued under chapter 70.345, 82.26, or 82.24 RCW are subject to suspension or revocation by the board.

**NEW SECTION. Sec. 107.** Every person required to be licensed under chapter 70.345 RCW who sells vapor products to persons other than the ultimate consumer must render with each sale itemized invoices showing the seller’s name and address, the purchaser’s name and address, the date of sale, and all prices. The person must preserve legible copies of all such invoices for five years from the date of sale.

**NEW SECTION. Sec. 108.** (1) Every retailer must procure itemized invoices of all vapor products purchased. The invoices must show the seller’s name and address, the date of purchase, and all prices and discounts.

(2) The retailer must keep at each retail outlet copies of complete, accurate, and legible invoices for that retail outlet or place of business. All invoices required to be kept under this section must be preserved for five years from the date of purchase.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees may enter any retail outlet without a search warrant, and inspect the premises for invoices required to be kept under this section and the vapor products contained in the retail outlet, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees are denied free access or are hindered or interfered with in making the inspection, the registration certificate issued under RCW 82.32.030 of the retailer at the premises is subject to revocation by the department, and any licenses issued under chapter 70.345, 82.26, or 82.24 RCW are subject to suspension or revocation by the board.

**NEW SECTION. Sec. 109.** (1)(a) Where vapor products upon which the tax imposed by this chapter has been reported and paid are shipped or transported outside this state by the distributor to a person engaged in the business of selling vapor products, to be sold by that person, or are returned to the manufacturer by the distributor or destroyed by the distributor, or are sold by the distributor to the United States or any of its agencies or instrumentalities, or are sold by the distributor to any Indian tribal organization, credit of such tax may be made to the distributor in accordance with rules prescribed by the department.

(b) For purposes of this subsection (1), the following definitions apply:

(i) "Indian distributor" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "distributor" under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 101 of this act.

(ii) "Indian retailer" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "retailer" under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 101 of this act.

(iii) "Indian tribal organization" means a federally recognized Indian tribe, or tribal entity, and includes an Indian distributor or retailer that is owned by an Indian who is an enrolled tribal member conducting business under tribal license or similar tribal approval within Indian country.

(2) Credit allowed under this section must be determined based on the tax rate in effect for the period for which the tax imposed by this chapter, for which a credit is sought, was paid.

**NEW SECTION. Sec. 110.** All of the provisions contained in chapter 82.32 RCW not inconsistent with the provisions of this chapter have full force and application with respect to taxes imposed under the provisions of this chapter.

**NEW SECTION. Sec. 111.** The department must authorize, as duly authorized agents, enforcement officers of the board to enforce provisions of this chapter. These officers are not employees of the department.

**NEW SECTION. Sec. 112.** (1) The department may by rule establish the invoice detail required under section 106 of this act for a distributor and for those invoices required to be provided to retailers under section 108 of this act.

(2) If a retailer fails to keep invoices as required under section 108 of this act, the retailer is liable for the tax owed on any un invoiced vapor products but not penalties and interest, except as provided in subsection (3) of this section.

(3) If the department finds that the nonpayment of tax by the retailer was willful or if in the case of a second or plural nonpayment of tax by the retailer, penalties and interest must be assessed in accordance with chapter 82.32 RCW.

**NEW SECTION. Sec. 113.** (1) No person may transport or cause to be transported in this state vapor products for sale other than: (a) A licensed distributor under chapter 70.345 RCW, or a manufacturer’s representative authorized to sell or distribute vapor products in this state under chapter 70.345 RCW; (b) a licensed retailer under chapter 70.345 RCW; (c) a seller with a valid delivery sale license under chapter 70.345 RCW; or (d) a person who has given notice to the board in advance of the commencement of transportation.

(2) When transporting vapor products for sale, the person must have in his or her actual possession, or cause to have in the actual possession of those persons transporting such vapor products on his or her behalf, invoices or delivery tickets for the vapor products, which must show the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of the vapor products being transported.

(3) In any case where the department or the board, or any peace officer of the state, has knowledge or reasonable grounds to believe that any vehicle is transporting vapor products in violation of this section, the department, board, or peace officer is authorized to stop the vehicle and to inspect it for contraband vapor products.

(4) This section does not apply to a motor carrier or freight forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier as defined in Title 49 U.S.C. Sec. 40102.

**NEW SECTION. Sec. 114.** The board must compile and maintain a current record of the names of all distributors, retailers, and delivery sales licenses under chapter 70.345 RCW and the status of their license or licenses. The information must be updated on a monthly basis and published on the board’s official internet web site. This information is not subject to the confidentiality provisions of RCW 82.32.330 and must be disclosed to manufacturers, distributors, retailers, and the general public upon request.

**NEW SECTION. Sec. 115.** (1) No person engaged in or conducting business as a distributor or retailer in this state may:

(a) Make, use, or present or exhibit to the department or the board any invoice for any of the vapor products taxed under this chapter that bears an untrue date or falsely states the nature or quantity of the goods invoiced; or

(b) Fail to produce on demand of the department or the board all invoices of all the vapor products taxed under this chapter.
within five years prior to such demand unless the person can show by satisfactory proof that the nonproduction of the invoices was due to causes beyond the person’s control.

(2)(a) No person, other than a licensed distributor, retailer or delivery sales licensee, or manufacturer’s representative, may transport vapor products for sale in this state for which the taxes imposed under this chapter have not been paid unless:
   (i) Notice of the transportation has been given as required under section 113 of this act;
   (ii) The person transporting the vapor products actually possesses invoices or delivery tickets showing the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of vapor products being transported; and
   (iii) The vapor products are consigned to or purchased by a person in this state who is licensed under chapter 70.345 RCW.
(b) A violation of this subsection (2) is a gross misdemeanor.
(3) Any person licensed under chapter 70.345 RCW as a distributor, and any person licensed under chapter 70.345 RCW as a retailer, may not operate in any other capacity unless the additional appropriate license is first secured, except as otherwise provided by law. A violation of this subsection (3) is a misdemeanor.
(4) The penalties provided in this section are in addition to any other penalties provided by law for violating the provisions of this chapter or the rules adopted under this chapter.
(5) This section does not apply to a motor carrier or freight forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier as defined in Title 49 U.S.C. Sec. 40102.

NEW SECTION. Sec. 116. (1) A retailer that obtains vapor products from an unlicensed distributor or any other person that is not licensed under chapter 70.345 RCW must be licensed both as a retailer and a distributor and is liable for the tax imposed under section 102 of this act with respect to the vapor products acquired from the unlicensed person that are held for sale, handling, or distribution in this state. For the purposes of this subsection, “person” includes both persons defined in this act and any person immune from state taxation, such as the United States or its instrumentalities, and federally recognized Indian tribes and enrolled tribal members, conducting business within Indian country.
(2) Every distributor licensed under chapter 70.345 RCW may sell vapor products to retailers located in Washington only if the retailer has a current retailer’s license under chapter 70.345 RCW.

NEW SECTION. Sec. 117. A manufacturer that has manufacturer’s representatives who sell or distribute the manufacturer’s vapor products in this state must provide the board a list of the names and addresses of all such representatives and must ensure that the list provided to the board is kept current. A manufacturer’s representative is not authorized to distribute or sell vapor products in this state unless the manufacturer that hired the representative has a valid distributor’s license under chapter 70.345 RCW and that manufacturer provides the board a current list of all of its manufacturer’s representatives as required by this section. A manufacturer’s representative must carry a copy of the distributor’s license of the manufacturer that hired the representative at all times when selling or distributing the manufacturer’s vapor products.

NEW SECTION. Sec. 118. (1) Any vapor products in the possession of a person selling vapor products in this state acting as a distributor or retailer and who is not licensed as required under chapter 70.345 RCW, or a person who is selling vapor products in violation of RCW 82.24.550(6), may be seized without a warrant by any agent of the department, agent of the board, or law enforcement officer of this state. Any vapor products seized under this subsection are deemed forfeited.
(2) Any vapor products in the possession of a person who is not a licensed distributor, delivery seller, manufacturer’s representative, or retailer and who transports vapor products for sale without having provided notice to the board required under section 113 of this act, or without invoices or delivery tickets showing the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of vapor products being transported may be seized and are subject to forfeiture.
(3) All conveyances, including aircraft, vehicles, or vessels that are used, or intended for use to transport, or in any manner to facilitate the transportation, for the purpose of sale or receipt of vapor products under subsection (2) of this section, may be seized and are subject to forfeiture except:
   (a) A conveyance used by any person as a common or contract carrier having in actual possession invoices or delivery tickets showing the true name and address of the consignor or seller, the true name of the consignee or purchaser, and the quantity and brands of the vapor products transported, unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter;
   (b) A conveyance subject to forfeiture under this section by reason of any act or omission of which the owner establishes to have been committed or omitted without his or her knowledge or consent; or
   (c) A conveyance encumbered by a bona fide security interest if the secured party neither had knowledge of nor consented to the act or omission.
(4) Property subject to forfeiture under subsections (2) and (3) of this section may be seized by any agent of the department, the board, or law enforcement officer of this state upon process issued by any superior court or district court having jurisdiction over the property. Seizure without process may be made if:
   (a) The seizure is incident to an arrest or a search warrant or an inspection under an administrative inspection warrant; or
   (b) The department, board, or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter and exigent circumstances exist making procurement of a search warrant impracticable.
(5) This section may not be construed to require the seizure of vapor products if the department’s agent, board’s agent, or law enforcement officer reasonably believes that the vapor products are possessed for personal consumption by the person in possession of the vapor products.
(6) Any vapor products seized by a law enforcement officer must be turned over to the board as soon as practicable.
(7) This section does not apply to a motor carrier or freight forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier as defined in Title 49 U.S.C. Sec. 40102.

NEW SECTION. Sec. 119. (1) In all cases of seizure of any vapor products made subject to forfeiture under this chapter, the department or board must proceed as provided in RCW 82.24.135.
(2) When vapor products are forfeited under this chapter, the department or board may:
   (a) Retain the property for official use or upon application by any law enforcement agency of this state, another state, or the District of Columbia, or of the United States for the exclusive use of enforcing this chapter or the laws of any other state or the District of Columbia or of the United States; or
   (b) Sell the vapor products at public auction to the highest bidder after due advertisement. Before delivering any of the goods to the successful bidder, the department or board must
require the purchaser to pay the proper amount of any tax due. The proceeds of the sale must be first applied to the payment of all proper expenses of any investigation leading to the seizure and sale, including expenses of seizure, maintenance of custody, advertising, and court costs. The balance of the proceeds and all money must be deposited in the general fund of the state. Proper expenses of investigation include costs incurred by any law enforcement agency or any federal, state, or local agency.

(3) The department or the board may return any property seized under the provisions of this chapter when it is shown that there was no intention to violate the provisions of this chapter. When any property is returned under this section, the department or the board may return the property to the parties from whom they were seized if and when such parties have paid the proper amount of tax due under this chapter.

NEW SECTION. Sec. 120. When the department or the board has good reason to believe that any of the vapor products tax paid under this chapter are being kept, sold, offered for sale, or given away in violation of the provisions of this chapter, it may make affidavit of facts describing the place or thing to be searched, before any judge of any court in this state, and the judge must issue a search warrant directed to the sheriff, any deputy, police officer, or duly authorized agent of the department or the board commanding him or her diligently to search any building, room in a building, place, or vehicle as may be designated in the affidavit and search warrant, and to seize the vapor products and hold them until disposed of by law.

NEW SECTION. Sec. 121. (1)(a) Where vapor products upon which the tax imposed by this chapter has been reported and paid are shipped or transported outside this state by the distributor to a person engaged in the business of selling vapor products, to be sold by that person, or are returned to the manufacturer by the distributor or destroyed by the distributor, or are sold by the distributor to the United States or any of its agencies or instrumentalities, or are sold by the distributor to any Indian tribal organization, credit of such tax may be made to the distributor in accordance with rules prescribed by the department.

(b) For purposes of this subsection (1), the following definitions apply:

(i) "Indian distributor" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "distributor" under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 101 of this act.

(ii) "Indian retailer" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "retailer" under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 101 of this act.

(iii) "Indian tribal organization" means a federally recognized Indian tribe, or tribal entity, and includes an Indian distributor or retailer that is owned by an Indian who is an enrolled tribal member conducting business under tribal license or similar tribal approval within Indian country.

(2) Credit allowed under this section must be determined based on the tax rate in effect for the period for which the tax imposed by this chapter, for which a credit is sought, was paid.

NEW SECTION. Sec. 122. (1) Preexisting inventories of vapor products are subject to the tax imposed in section 102 of this act. All retailers and other distributors must report the tax due under section 102 of this act on preexisting inventories of vapor products on a form, as prescribed by the department, on or before October 31, 2019, and the tax due on such preexisting inventories must be paid on or before January 31, 2020.

RCW (the new chapter created in section 507 of this act).

Sec. 203. RCW 82.24.510 and 2013 c 144 s 50 are each
amended to read as follows:

(1) The licenses issuable under this chapter are as follows:
(a) A wholesaler’s license.
(b) A retailer’s license.

(2) Application for the licenses must be made through the
business licensing system under chapter 19.02 RCW. The board
must adopt rules regarding the regulation of the licenses. The
board may refrain from the issuance of any license under this
chapter if the board has reasonable cause to believe that the
applicant has willfully withheld information requested for the
purpose of determining the eligibility of the applicant to receive
a license, or if the board has reasonable cause to believe that
information submitted in the application is false or misleading or
is not made in good faith. In addition, for the purpose of reviewing
an application for a wholesaler’s license or retailer’s license and
for considering the denial, suspension, or revocation of any such
license, the board may consider any prior criminal conduct of the
applicant, including an administrative violation history record
with the board and a criminal history record information check
within the previous five years, in any state, tribal, or federal
jurisdiction in the United States, its territories, or posses-
sions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW
do not apply to such cases. The board may, in its discretion, grant
or refuse the wholesaler’s license or retailer’s license, subject to the
provisions of RCW 82.24.550.

(3) No person may qualify for a wholesaler’s license or a
retailer’s license under this section without first undergoing a
criminal background check. The background check must be
performed by the board and must disclose any criminal conduct
within the previous five years in any state, tribal, or federal
jurisdiction in the United States, its territories, or possessions. A
person who possesses a valid license on July 22, 2001, is subject
to this subsection and subsection (2) of this section beginning on
the date of the person’s business license expiration under chapter
19.02 RCW, and thereafter. If the applicant or licensee also has a
license issued under chapter 66.24 (((or)), 82.26, or 70.345 RCW,
the background check done under the authority of chapter 66.24
((or)), 82.26, or 70.345 RCW satisfies the requirements of this
section.

(4) Each such license expires on the business license expiration
date, and each such license must be continued annually if the
licensee has paid the required fee and complied with all the
provisions of this chapter and the rules of the board made pursuant
thereto.

(5) Each license and any other evidence of the license that the
board requires must be exhibited in each place of business for
which it is issued and in the manner required for the display of
a business license.

Sec. 204. RCW 82.24.550 and 2015 c 86 s 307 are each
amended to read as follows:

(1) The board must enforce the provisions of this chapter. The
board may adopt, amend, and repeal rules necessary to enforce
the provisions of this chapter.

(2) The department may adopt, amend, and repeal rules
necessary to administer the provisions of this chapter. The board
may revoke or suspend the license or permit of any wholesale or
retail cigarette dealer in the state upon sufficient cause appearing
of the violation of this chapter or upon the failure of such licensee
to comply with any of the provisions of this chapter.

(3) A license may not be suspended or revoked except upon
notice to the licensee and after a hearing as prescribed by the
board. The board, upon finding that the licensee has failed to
comply with any provision of this chapter or any rule adopted
under this chapter, must, in the case of the first offense, suspend
the license or licenses of the licensee for a period of not less than
thirty consecutive business days, and, in the case of a second or
further offense, must suspend the license or licenses for a period
of not less than ninety consecutive business days or more than
twelve months, and, in the event the board finds the licensee has
been guilty of willful and persistent violations, it may revoke the
license or licenses.

(4) Any license issued under chapter 82.26 or 70.345 RCW to a
person whose license or licenses have been suspended or
revoked under this section must also be suspended or revoked
during the period of suspension or revocation under this section.

(5) Any person whose license or licenses have been revoked
under this section may reapply to the board at the expiration of
one year from the date of revocation of the license or licenses.
The license or licenses may be approved by the board if it appears
to the satisfaction of the board that the licensee will comply with
the provisions of this chapter and the rules adopted under this
chapter.

(6) A person whose license has been suspended or revoked may
not sell cigarettes, vapor products, or tobacco products or permit
cigarettes, vapor products, or tobacco products to be sold during
the period of such suspension or revocation on the premises
occupied by the person or upon other premises controlled by the
person or others or in any other manner or form whatever.

(7) Any determination and order by the board, and any order of
suspension or revocation by the board of the license or licenses
issued under this chapter, or refusal to reactivate a license or
licenses after revocation is reviewable by an appeal to the superior
court of Thurston county. The superior court must review the
order or ruling of the board and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the board.

(8) If the board makes an initial decision to deny a license or renewal, or suspend or revoke a license, the applicant may request a hearing subject to the applicable provisions under Title 34 RCW.

(9) For purposes of this section((s));

(2) These records ((shall)) must show the names and addresses of purchasers, the inventory of all tobacco products, and other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products. All invoices and other records required by this section to be kept ((shall)) must be preserved for a period of five years from the date of the invoices or other documents or the date of the entries appearing in the records.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees, may enter any place of business of a retailer, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the tobacco products contained therein, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees, are denied free access or are hindered or interfered with in making such examination, the registration certificate issued under RCW 82.32.030 of the distributor at such premises ((shall be)) is subject to revocation, and any licenses issued under this chapter or chapter 82.24 or 70.345 RCW are subject to suspension or revocation, by the department or board.

Sec. 206. RCW 82.26.080 and 2005 c 180 s 5 are each amended to read as follows:

   (b) A retailer’s license.

(2) Application for the licenses must be made through the business licensing system under chapter 19.02 RCW. The board may adopt rules regarding the regulation of the licenses. The board may refuse to issue any license under this chapter if the board has reasonable cause to believe that the applicant has willfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the board has reasonable cause to believe that information submitted in the application is false or misleading or is not made in good faith. In addition, for the purpose of reviewing an application for a distributor’s license or retailer’s license and for considering the denial, suspension, or revocation of any such license, the board may consider criminal conduct of the applicant, including an administrative violation history record with the board and a criminal history record information check within the previous five years, in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to such cases. The board may, in its discretion, issue or refuse to issue the distributor’s license or retailer’s license, subject to the provisions of RCW 82.26.220.

(4) Each license issued under this chapter expires on the business license expiration date. The license must be continued annually if the licensee has paid the required fee and complied with all the provisions of this chapter and the rules of the board adopted pursuant to this chapter.

(5) Each license and any other evidence of the license required under this chapter must be exhibited in each place of business for which it is issued and in the manner required for the display of a business license.

Part IV

Tribal Compacting

Sec. 401. RCW 43.06.450 and 2001 c 235 s 1 are each amended to read as follows:

The legislature intends to further the government-to-government relationship between the state of Washington and Indians in the state of Washington by authorizing the governor to enter into contracts concerning the sale of cigarettes and vapor products. The legislature finds that these cigarette tax and vapor product tax contracts will provide a means to promote economic development, provide needed revenues for tribal governments and Indian persons, and enhance enforcement of the state’s cigarette tax and vapor product tax, ultimately saving the state money and reducing conflict. In addition, it is the intent of the legislature that the negotiations and the ensuing contracts have no impact on the state’s share of the proceeds under the master settlement agreement entered into on November 23, 1998, by the state. Chapter 235, Laws of 2001 (102) and this act do not constitute a grant of taxing authority to any Indian tribe nor (105) do they provide precedent for the taxation of non-Indians on fee land.

NEW SECTION. Sec. 402. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into vapor product tax contracts concerning the sale of vapor products. All vapor product tax contracts must meet the requirements for vapor product tax contracts under this section.

(2) Vapor product tax contracts must be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, contracts must provide that retailers may not sell or give, or permit to be sold or given, vapor products to any person who is under the state legal age for the purchase of vapor products.

(3) A vapor product tax contract with a tribe must provide for a tribal vapor product tax in lieu of all state vapor product taxes and state and local sales and use taxes on sales of vapor products in Indian country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(4) Vapor product tax contracts must provide that retailers must purchase vapor products only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to comply with the terms of the vapor product tax contract, are certified to the state as having so agreed, and do in fact so comply.

However, the state may in its sole discretion exercise its administrative and enforcement powers over such wholesalers or manufacturers to the extent permitted by law:

(c) A tribal wholesaler that purchases only from a wholesaler or manufacturer described in (a), (b), or (d) of this subsection; and

(d) A tribal manufacturer.

(5) Vapor product tax contracts must be for renewable periods of no more than eight years.

(6) Vapor product tax contracts must include provisions for compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(7) Tax revenue retained by a tribe must be used for essential government services. Use of tax revenue for subsidization of vapor products and food retailers is prohibited.

(8) The vapor product tax contract may include provisions to resolve disputes using a nonjudicial process, such as mediation.

(9) The governor may delegate the power to negotiate vapor product tax contracts to the department of revenue. The department of revenue must consult with the liquor and cannabis board during the negotiations.

(10) Information received by the state or open to state review under the terms of a contract is subject to the provisions of RCW 82.32.330.

(11) It is the intent of the legislature that the liquor and cannabis board and the department of revenue continue the division of duties and shared authority under chapter 82.-- RCW (the new chapter created in section 507 of this act) and therefore the liquor and cannabis board is responsible for enforcement activities that come under the terms of chapter 82.-- RCW (the new chapter created in section 507 of this act).

(12) Each vapor product tax contract must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the contract should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the contract so allow. A contract must provide for termination of the contract if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period. In addition, the contract must include provisions delineating the respective roles and responsibilities of the tribe, the department of revenue, and the liquor and cannabis board.

(13) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) “Essential government services” means services such as tribal administration, public facilities, fire, police, public health, education, job services, sewer, water, environmental and land use, transportation, utility services, and economic development.

(b) “Indian country” has the same meaning as provided in RCW 82.24.010.

(c) “Indian retailer” or “retailer” means:

(i) A retailer wholly owned and operated by an Indian tribe;

(d) “Indian tribe” or “tribe” means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

(e) “Vapor products” has the same meaning as provided in section 101 of this act.

NEW SECTION. Sec. 403. A new section is added to chapter 43.06 RCW to read as follows:
(1) The governor may enter into a vapor product tax agreement with the Puyallup Tribe of Indians concerning the sale of vapor products, subject to the limitations in this section. The legislature intends to address the uniqueness of the Puyallup Indian reservation and its selling environment through pricing and compliance strategies, rather than through the imposition of equivalent taxes. The governor may delegate the authority to negotiate a vapor product tax agreement with the Puyallup Tribe to the department of revenue. The department of revenue must consult with the liquor and cannabis board during the negotiations. An agreement under this section is separate from an agreement under RCW 43.06.465.

(2) Any agreement must require the tribe to impose a tribal vapor product tax with a tax rate that is ninety percent of the state vapor product tax. This tribal tax is in lieu of the combined state and local sales and use taxes and the state vapor product tax, and as such these state taxes are not imposed during the term of the agreement on any transaction governed by the agreement. The tribal vapor product tax must increase or decrease at the time of any increase or decrease in the state vapor product tax so as to remain at a level that is ninety percent of the rate of the state vapor product tax.

(3) The agreement must include a provision requiring the tribe to transmit thirty percent of the tribal tax revenue on all vapor products sales to the state. The funds must be transmitted to the state treasurer on a quarterly basis for deposit by the state treasurer into the general fund. The remaining tribal tax revenue must be used for essential government services, as that term is defined in section 402 of this act.

(4) The agreement is limited to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, agreements must provide that retailers may not sell or give, or permit to be sold or given, vapor products to anyone who is under the state legal age for the purchase of vapor products.

(5)(a) The agreement must include a provision to price and sell the vapor products so that the retail selling price is not less than the price paid by the retailer for the vapor products. (b) The tribal tax is in addition to the retail selling price. (c) The agreement must include a provision to assure the price paid to the retailer includes the tribal tax. (d) If the tribe is acting as a distributor to tribal retailers, the retail selling price must not be less than the price the tribe paid for such vapor products plus the tribal tax.

(6)(a) The agreement must include provisions regarding enforcement and compliance by the tribe in regard to enrolled tribal members who sell vapor products and must describe the individual and joint responsibilities of the tribe, the department of revenue, and the liquor and cannabis board. (b) The agreement must include provisions for tax administration and compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(c) The agreement must include provisions for sharing of information among the tribe, the department of revenue, and the liquor and cannabis board.

(7) The agreement must provide that retailers must purchase vapor products only from distributors or manufacturers licensed to do business in the state of Washington.

(8) The agreement must be for a renewable period of no more than eight years.

(9) The agreement must include provisions to resolve disputes using a nonjudicial process, such as mediation, and must include a dispute resolution protocol. The protocol must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the agreement should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the agreement so allow. An agreement must provide for termination of the agreement if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period.

(10) Information received by the state or open to state review under the terms of an agreement is subject to RCW 82.32.330.

(11) It is the intent of the legislature that the liquor and cannabis board and the department of revenue continue the division of duties and shared authority under chapter 82.--- RCW (the new chapter created in section 507 of this act).

(12) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise. (a) "Indian country" has the same meaning as provided in RCW 82.24.010. (b) "Indian retailer" or "retailer" means: (i) A retailer wholly owned and operated by an Indian tribe; or (ii) A business wholly owned and operated by an enrolled tribal member and licensed by the tribe. (c) "Indian tribe" or "tribe" means the Puyallup Tribe of Indians, which is a federally recognized Indian tribe located within the geographical boundaries of the state of Washington. (d) "Vapor products" has the same meaning as provided in section 101 of this act.

NEW SECTION. Sec. 405. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of vapor products by an Indian retailer during the effective period of a vapor product tax contract subject to section 403 of this act or a vapor product tax agreement under section 404 of this act.

(2) The definitions in section 402 of this act apply to this section.

NEW SECTION. Sec. 406. A new section is added to chapter 82.12 RCW to read as follows:

moneys collected from the tax imposed on vapor products under RCW 66.44.010 must be deposited into the account. Moneys in the account may be spent only after appropriation. Moneys in the account are to be used for the following purposes:

(1) To fund foundational health services. In the 2019-2021 biennium, at least twelve million dollars of the funds deposited into the account must be appropriated for this purpose. Beginning in the 2021-2023 biennium, fifty percent of the funds deposited into the account, but not less than twelve million dollars each biennium, are to be used for this purpose;

(2) To fund tobacco, vapor product, and nicotine control and prevention, and other substance use prevention and education. Beginning in the 2021-2023 biennium, seventeen percent of the funds deposited into the account are to be used for this purpose;

(3) To support increased access and training of public health professionals at public health programs at accredited public institutions of higher education in Washington. Beginning in the 2021-2023 biennium, five percent of the funds deposited into the account are to be used for this purpose;

(4) To fund enforcement by the state liquor and cannabis board of the provisions of this chapter to prevent sales of vapor products to minors and related provisions for control of marketing and product safety, provided that no more than eight percent of the funds deposited into the account may be appropriated for these enforcement purposes.

NEW SECTION. Sec. 104. It is the intent and purpose of this chapter to levy a tax on all vapor products sold, used, consumed, handled, possessed, or distributed within this state. It is the further intent and purpose of this chapter to impose the tax only once on all vapor products in this state. Nothing in this chapter may be construed to exempt any person taxable under any other law or under any other tax imposed under this title.

NEW SECTION. Sec. 105. The tax imposed by section 102 of this act does not apply with respect to any vapor products which under the Constitution and laws of the United States may not be made the subject of taxation by this state.

NEW SECTION. Sec. 106. (1) Every distributor must keep at each place of business complete and accurate records for that place of business, including itemized invoices, of vapor products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of vapor products made.

(2) These records must show the names and addresses of purchasers, the inventory of all vapor products, and other pertinent papers and documents relating to the purchase, sale, or disposition of vapor products. All invoices and other records required by this section to be kept must be preserved for a period of five years from the date of the invoices or other documents or the date of the entries appearing in the records.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the vapor products contained therein, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees are denied free access or are hindered or interfered with in making such examination, the registration certificate issued under RCW 82.32.030 of the retailer at such premises is subject to revocation by the department, and any licenses issued under chapter 70.345, 82.26, or 82.24 RCW are subject to suspension or revocation by the board.

NEW SECTION. Sec. 107. Every person required to be licensed under chapter 70.345 RCW who sells vapor products to persons other than the ultimate consumer must render with each sale itemized invoices showing the seller’s name and address, the purchaser’s name and address, the date of sale, and all prices. The person must preserve legible copies of all such invoices for five years from the date of sale.

NEW SECTION. Sec. 108. (1) Every retailer must procure itemized invoices of all vapor products purchased. The invoices must show the seller’s name and address, the date of purchase, and all prices and discounts.

(2) The retailer must keep at each retail outlet copies of complete, accurate, and legible invoices for that retail outlet or place of business. All invoices required to be kept under this section must be preserved for five years from the date of purchase.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees may enter any retail outlet without a search warrant, and inspect the premises for invoices required to be kept under this section and the vapor products contained in the retail outlet, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees are denied free access or are hindered or interfered with in making the inspection, the registration certificate issued under RCW 82.32.030 of the retailer at the premises is subject to revocation by the department, and any licenses issued under chapter 70.345, 82.26, or 82.24 RCW are subject to suspension or revocation by the board.

NEW SECTION. Sec. 109. (1)(a) Where vapor products upon which the tax imposed by this chapter has been reported and paid are shipped or transported outside this state by the distributor to a person engaged in the business of selling vapor products, to be sold by that person, or are returned to the manufacturer by the distributor or destroyed by the distributor, or are sold by the distributor to the United States or any of its agencies or instrumentalities, or are sold by the distributor to any Indian tribal organization, credit of such tax may be made to the distributor in accordance with rules prescribed by the department.

(b) For purposes of this subsection (1), the following definitions apply:

(i) "Indian distributor" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "distributor" under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 101 of this act.

(ii) "Indian retailer" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "retailer" under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 101 of this act.

(iii) "Indian tribal organization" means a federally recognized Indian tribe, or tribal entity, and includes an Indian distributor or retailer that is owned by an Indian who is an enrolled tribal member conducting business under tribal license or similar tribal approval within Indian country.

(2) Credit allowed under this section must be determined based on the tax rate in effect for the period for which the tax imposed by this chapter, for which a credit is sought, was paid.

NEW SECTION. Sec. 110. All of the provisions contained in chapter 82.32 RCW not inconsistent with the provisions of this chapter have full force and application with respect to taxes imposed under the provisions of this chapter.

NEW SECTION. Sec. 111. The department must authorize, as duly authorized agents, enforcement officers of the board to
enforce provisions of this chapter. These officers are not employees of the department.

NEW SECTION. Sec. 112. (1) The department may by rule establish the invoice detail required under section 106 of this act for a distributor and for those invoices required to be provided to retailers under section 108 of this act.

(2) If a retailer fails to keep invoices as required under section 108 of this act, the retailer is liable for the tax owed on any un invoiced vapor products but not penalties and interest, except as provided in subsection (3) of this section.

(3) If the department finds that the nonpayment of tax by the retailer was willful or if in the case of a second or plural nonpayment of tax by the retailer, penalties and interest must be assessed in accordance with chapter 82.32 RCW.

NEW SECTION. Sec. 113. (1) No person may transport or cause to be transported in this state vapor products for sale other than: (a) A licensed distributor under chapter 70.345 RCW, or a manufacturer’s representative authorized to sell or distribute vapor products in this state under chapter 70.345 RCW; (b) a licensed retailer under chapter 70.345 RCW; (c) a seller with a valid delivery sale license under chapter 70.345 RCW; or (d) a person who has given notice to the board in advance of the commencement of transportation.

(2) When transporting vapor products for sale, the person must have in his or her actual possession, or cause to have in the actual possession of those persons transporting such vapor products on his or her behalf, invoices or delivery tickets for the vapor products, which must show the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of the vapor products being transported.

(3) In any case where the department or the board, or any peace officer of the state, has knowledge or reasonable grounds to believe that any vehicle is transporting vapor products in violation of this section, the department, board, or peace officer is authorized to stop the vehicle and to inspect it for contraband vapor products.

(4) This section does not apply to a motor carrier or freight forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier as defined in Title 49 U.S.C. Sec. 40102.

NEW SECTION. Sec. 114. The board must compile and maintain a current record of the names of all distributors, retailers, and delivery sales licenses under chapter 70.345 RCW and the status of their license or licenses. The information must be updated on a monthly basis and published on the board’s official internet web site. This information is not subject to the confidentiality provisions of RCW 82.32.330 and must be disclosed to manufacturers, distributors, retailers, and the general public upon request.

NEW SECTION. Sec. 115. (1) No person engaged in or conducting business as a distributor or retailer in this state may:

(a) Make, use, or present or exhibit to the department or the board any invoice for any of the vapor products taxed under this chapter that bears an untrue date or falsely states the nature or quantity of the goods invoiced; or

(b) Fail to produce on demand of the department or the board all invoices of all the vapor products taxed under this chapter within five years prior to such demand unless the person can show by satisfactory proof that the nonproduction of the invoices was due to causes beyond the person’s control.

(2)(a) No person, other than a licensed distributor, retailer or delivery sales licensee, or manufacturer’s representative, may transport vapor products for sale in this state for which the taxes imposed under this chapter have not been paid unless:

(i) Notice of the transportation has been given as required under section 113 of this act;

(ii) The person transporting the vapor products actually possesses invoices or delivery tickets showing the true name and address of the consignee or seller, the true name and address of the consignor or purchaser, and the quantity and brands of vapor products being transported; and

(iii) The vapor products are consigned to or purchased by a person in this state who is licensed under chapter 70.345 RCW.

(b) A violation of this subsection (2) is a gross misdemeanor.

(3) Any person licensed under chapter 70.345 RCW as a distributor, and any person licensed under chapter 70.345 RCW as a retailer, may not operate in any other capacity unless the additional appropriate license is first secured, except as otherwise provided by law. A violation of this subsection (3) is a misdemeanor.

(4) The penalties provided in this section are in addition to any other penalties provided by law for violating the provisions of this chapter or the rules adopted under this chapter.

(5) This section does not apply to a motor carrier or freight forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier as defined in Title 49 U.S.C. Sec. 40102.

NEW SECTION. Sec. 116. (1) A retailer that obtains vapor products from an unlicensed distributor or any other person that is not licensed under chapter 70.345 RCW must be licensed both as a retailer and a distributor and is liable for the tax imposed under section 102 of this act with respect to the vapor products acquired from the unlicensed person that are held for sale, handling, or distribution in this state. For the purposes of this subsection, “person” includes both persons defined in this act and any person immune from state taxation, such as the United States or its instrumentalities, and federally recognized Indian tribes and enrolled tribal members, conducting business within Indian country.

(2) Every distributor licensed under chapter 70.345 RCW may sell vapor products to retailers located in Washington only if the retailer has a current retailer’s license under chapter 70.345 RCW.

NEW SECTION. Sec. 117. A manufacturer that has manufacturer’s representatives who sell or distribute the manufacturer’s vapor products in this state must provide the board a list of all of its manufacturer’s representatives and must ensure that the list provided to the board is kept current. A manufacturer’s representative is not authorized to distribute or sell vapor products in this state unless the manufacturer that hired the representative has a valid distributor’s license under chapter 70.345 RCW and that manufacturer provides the board a current list of all of its manufacturer’s representatives as required by this section. A manufacturer’s representative must carry a copy of the distributor’s license of the manufacturer that hired the representative at all times when selling or distributing the manufacturer’s vapor products.

NEW SECTION. Sec. 118. (1) Any vapor products in the possession of a person selling vapor products in this state acting as a distributor or retailer and who is not licensed as required under chapter 70.345 RCW, or a person who is selling vapor products in violation of RCW 82.24.550(6), may be seized without a warrant by any agent of the department, agent of the board, or law enforcement officer of this state. Any vapor products seized under this subsection are deemed forfeited.

(2) Any vapor products in the possession of a person who is not a licensed distributor, delivery seller, manufacturer’s representative, or retailer and who transports vapor products for sale without having provided notice to the board required under
section 113 of this act, or without invoices or delivery tickets showing the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of vapor products being transported may be seized and are subject to forfeiture.

(3) All conveyances, including aircraft, vehicles, or vessels that are used, or intended for use to transport, or in any manner to facilitate the transportation, for the purpose of sale or receipt of vapor products under subsection (2) of this section, may be seized and are subject to forfeiture except:

(a) A conveyance used by any person as a common or contract carrier having in actual possession invoices or delivery tickets showing the true name and address of the consignor or seller, the true name of the consignee or purchaser, and the quantity and brands of the vapor products transported, unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter;

(b) A conveyance subject to forfeiture under this section by reason of any act or omission of which the owner establishes to have been committed or omitted without his or her knowledge or consent; or

(c) A conveyance encumbered by a bona fide security interest if the secured party neither had knowledge of nor consented to the act or omission.

(4) Property subject to forfeiture under subsections (2) and (3) of this section may be seized by any agent of the department, the board, or law enforcement officer of this state upon process issued by any superior court or district court having jurisdiction over the property. Seizure without process may be made if:

(a) The seizure is incident to an arrest or a search warrant or an inspection under an administrative inspection warrant; or

(b) The department, board, or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter and exigent circumstances exist making procurement of a search warrant impracticable.

(5) This section may not be construed to require the seizure of vapor products if the department’s agent, board’s agent, or law enforcement officer reasonably believes that the vapor products are possessed for personal consumption by the person in possession of the vapor products.

(6) Any vapor products seized by a law enforcement officer must be turned over to the board as soon as practicable.

(7) This section does not apply to a motor carrier or freight forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier as defined in Title 49 U.S.C. Sec. 40102.

NEW SECTION. Sec. 119. (1) In all cases of seizure of any vapor products made subject to forfeiture under this chapter, the department or board must proceed as provided in RCW 82.24.135.

(2) When vapor products are forfeited under this chapter, the department or board may:

(a) Retain the property for official use or upon application by any law enforcement agency of this state, another state, or the District of Columbia, or of the United States for the exclusive use of enforcing this chapter or the laws of any other state or the District of Columbia or of the United States; or

(b) Sell the vapor products at public auction to the highest bidder after due advertisement. Before delivering any of the goods to the successful bidder, the department or board must require the purchaser to pay the proper amount of any tax due. The proceeds of the sale must be first applied to the payment of all proper expenses of any investigation leading to the seizure and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, and court costs. The balance of the proceeds and all money must be deposited in the general fund of the state. Proper expenses of investigation include costs incurred by any law enforcement agency or any federal, state, or local agency.

(3) The department or the board may return any property seized under the provisions of this chapter when it is shown that there was no intention to violate the provisions of this chapter. When any property is returned under this section, the department or the board may return the property to the parties from whom they were seized if and when such parties have paid the proper amount of tax due under this chapter.

NEW SECTION. Sec. 120. When the department or the board has good reason to believe that any of the vapor products taxed under this chapter are being kept, sold, offered for sale, or given away in violation of the provisions of this chapter, it may make affidavit of facts describing the place or thing to be searched, before any judge of any court in this state, and the judge must issue a search warrant directed to the sheriff, any deputy, police officer, or duly authorized agent of the department or the board commanding him or her diligently to search any building, room in a building, place, or vehicle as may be designated in the affidavit and search warrant, and to seize the vapor products and hold them until disposed of by law.

NEW SECTION. Sec. 121. (1)(a) Where vapor products upon which the tax imposed by this chapter has been reported and paid are shipped or transported outside this state by the distributor to a person engaged in the business of selling vapor products, to be sold by that person, or are returned to the manufacturer by the distributor or destroyed by the distributor, or are sold by the distributor to the United States or any of its agencies or instrumentalities, or are sold by the distributor to any Indian tribal organization, credit of such tax may be made to the distributor in accordance with rules prescribed by the department.

(b) For purposes of this subsection (1), the following definitions apply:

(i) “Indian distributor” means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of “distributor” under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of “person” in section 101 of this act.

(ii) “Indian retailer” means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of “retailer” under section 101 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of “person” in section 101 of this act.

(iii) “Indian tribal organization” means a federally recognized Indian tribe, or tribal entity, and includes an Indian distributor or retailer that is owned by an Indian who is an enrolled tribal member conducting business under tribal license or similar tribal approval within Indian country.

(2) Credit allowed under this section must be determined based on the tax rate in effect for the period for which the tax imposed by this chapter, for which a credit is sought, was paid.

NEW SECTION. Sec. 122. (1) Preexisting inventories of vapor products are subject to the tax imposed in section 102 of this act. All retailers and other distributors must report the tax due under section 102 of this act on preexisting inventories of vapor products on a form, as prescribed by the department, on or before October 31, 2019, and the tax due on such preexisting inventories must be paid on or before January 31, 2020.

(2) Reports under subsection (1) of this section not filed with the department by October 31, 2019, are subject to a late filing penalty equal to the greater of two hundred fifty dollars or ten percent of the tax due under section 102 of this act on the taxpayer’s preexisting inventories.
(3) The department must notify the taxpayer of the amount of tax due under section 102 of this act on preexisting inventories, which is subject to applicable penalties under RCW 82.32.090 (2) through (7) if unpaid after January 31, 2020. Amounts due in accordance with this section are not considered to be substantially underpaid for the purposes of RCW 82.32.090(2).

(4) Interest, at the rate provided in RCW 82.32.050(2), must be computed daily beginning February 1, 2020, on any remaining tax due under section 102 of this act on preexisting inventories until paid.

(5) A retailer required to comply with subsection (1) of this section is not required to obtain a distributor license as otherwise required under chapter 70.345 RCW as long as the retailer:
   (a) Does not sell vapor products other than to ultimate consumers; and
   (b) Does not meet the definition of "distributor" in section 101 of this act other than with respect to the sale of that retailer's preexisting inventory of vapor products.

(6) Taxes may not be collected under section 102 of this act from consumers with respect to any vapor products acquired before the effective date of this section.

(7) For purposes of this section, "preexisting inventory" means an inventory of vapor products located in this state as of the moment that section 102 of this act takes effect and held by a distributor for sale, handling, or distribution in this state.

notice to the licensee and after a hearing as prescribed by the
board. The board, upon finding that the licensee has failed to
comply with any provision of this chapter or any rule adopted

complied with. If the department, board, or any of its agents or

board, or its duly authorized agents or employees may enter any
retail outlet without a search warrant, and inspect the premises for
invoices required to be kept under this section and the tobacco
products contained in the retail outlet, to determine whether or not
all the provisions of this chapter are being fully complied with. If
the department, board, or any of its agents or employees, are denied free access or are hindered or interfered with in making
the inspection, the registration certificate issued under RCW
82.32.030 of the retailer at the premises is subject to revocation,

The board may refuse to issue any license under this chapter if the board has reasonable cause to believe that the applicant has willfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the board has reasonable cause to believe that information submitted in the application is false or misleading or is not made in good faith. In addition, for the purpose of reviewing an application for a distributor’s license or retailer’s license and for considering the denial, suspension, or revocation of any such license, the board may consider criminal conduct of the applicant, including an administrative violation history record with the board and a criminal history record information check within the previous five years, in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to such cases. (3) No person may qualify for a distributor’s license or a retailer’s license under this section without first undergoing a criminal background check. The background check must be performed by the board and must disclose any criminal conduct within the previous five years in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions. If the applicant or licensee also has a license issued under chapter 66.24, 82.24, or 70.345 RCW, the background check done under the authority of chapter 66.24, 70.345, or 82.24 RCW satisfies the requirements of this section.

(4) Each license issued under this chapter expires on the business license expiration date. The license must be continued annually if the licensee has paid the required fee and complied with all the provisions of this chapter and the rules of the board adopted pursuant to this chapter.

(5) Each license and any other evidence of the license required under this chapter must be exhibited in each place of business for which it is issued and in the manner required for the display of a business license.

The board may revoke or suspend the distributor’s or retailer’s license of any distributor or retailer of tobacco products in the state upon sufficient cause showing a violation of this chapter or upon the failure of the licensee to comply with any of the rules adopted under it.

(3) A license may not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the board. The board, upon finding that the licensee has failed to comply with any provision of this chapter or of any rule adopted under it, must, in the case of the first offense, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and in the case of a second or further offense, suspend the license or licenses for a period of not less than ninety consecutive business days but not more than twelve months, and in the event the board finds the licensee has been guilty of willful and persistent violations, it may revoke the license or licenses.

(4) Any licenses issued under chapter 82.24 or 70.345 RCW to a person whose license or licenses have been suspended or revoked under this section must also be suspended or revoked during the period of suspension or revocation under this section.

(5) Any person whose license or licenses have been revoked under this section may reapply to the board at the expiration of one year of the license or licenses. The license or licenses may be approved by the board if it appears to the satisfaction of the board that the licensee will comply with the provisions of this chapter and the rules adopted under it.

(6) A person whose license has been suspended or revoked may not sell tobacco products, vapor products, or cigarettes or permit tobacco products, vapor products, or cigarettes to be sold during the period of suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others in any other manner or form.

(7) Any determination and order by the board, and any order of suspension or revocation by the board of the license or licenses issued under this chapter, or refusal to reinstate a license or licenses after revocation is reviewable by an appeal to the superior court of Thurston county. The superior court must review the order or ruling of the board and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the board.

(8) If the board makes an initial decision to deny a license or renewal, or suspend or revoke a license, the applicant may request a hearing subject to the applicable provisions under Title 34 RCW.

Part III

Tribal Compacting

Sec. 301. RCW 43.06.450 and 2001 c 235 s 1 are each amended to read as follows:

The legislature intends to further the government-to-government relationship between the state of Washington and Indians in the state of Washington by authorizing the governor to enter into contracts concerning the sale of cigarettes and vapor products. The legislature finds that these cigarette tax and vapor product tax contracts will provide a means to promote economic development, provide needed revenues for tribal governments and Indian persons, and enhance enforcement of the state’s cigarette tax law and vapor product tax, ultimately saving the state money and reducing conflict. In addition, it is the intent of the legislature that the negotiations and the ensuing contracts have no impact on the state’s share of the proceeds under the master settlement agreement entered into on November 23, 1998, by the state. Chapter 235, Laws of 2001 (c(nine)) and this act do not constitute a grant of taxing authority to any Indian tribe nor (c(nine)) do they provide precedent for the taxation of non-Indians on fee land.

NEW SECTION. Sec. 302. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into vapor product tax contracts concerning the sale of vapor products. All vapor product tax contracts must meet the requirements for vapor product tax contracts under this section.

(2) Vapor product tax contracts must be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, contracts may address the legal age of sale for vapor products pursuant to section 11, chapter 15, Laws of 2019.

(3) A vapor product tax contract with a tribe must provide for a tribal vapor product tax in lieu of all state vapor product taxes and state and local sales and use taxes on sales of vapor products in Indian country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(4) Vapor product tax contracts must provide that retailers must purchase vapor products only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to
comply with the terms of the vapor product tax contract, are
certified to the state as having so agreed, and do in fact so comply.
However, the state may in its sole discretion exercise its
administrative and enforcement powers over such wholesalers or
manufacturers to the extent permitted by law:
(c) A tribal wholesaler that purchases only from a wholesaler
or manufacturer described in (a), (b), or (d) of this subsection; and
(d) A tribal manufacturer.
(5) Vapor product tax contracts must be for renewable periods
of no more than eight years.
(6) Vapor product tax contracts must include provisions for
compliance, such as transport and notice requirements, inspection
procedures, recordkeeping, and audit requirements.
(7) Tax revenue retained by a tribe must be used for essential
government services. Use of tax revenue for subsidization of
vapor products and food retailers is prohibited.
(8) The vapor product tax contract may include provisions to
resolve disputes using a nonjudicial process, such as mediation.
(9) The governor may delegate the power to negotiate vapor
product tax contracts to the department of revenue. The
department of revenue must consult with the liquor and cannabis
board during the negotiations.
(10) Information received by the state or open to state review
under the terms of a contract is subject to the provisions of RCW
82.32.330.
(11) It is the intent of the legislature that the liquor and cannabis
board and the department of revenue continue the division of
duties and shared authority under chapter 82, --- RCW (the new
chapter created in section 408 of this act) and therefore the liquor
and cannabis board is responsible for enforcement activities that
come under the terms of chapter 82, --- RCW (the new chapter
created in section 408 of this act).
(12) Each vapor product tax contract must include a procedure
for notifying the other party that a violation has occurred, a
procedure for establishing whether a violation has in fact
occurred, an opportunity to correct such violation, and a provision
providing for termination of the contract should the violation fail
to be resolved through this process, such termination subject to
mediation should the terms of the contract so allow. A contract
must provide for termination of the contract if resolution of a
dispute does not occur within twenty-four months from the time
notification of a violation has occurred. Intervening violations do
not extend this time period. In addition, the contract must include
provisions delineating the respective roles and responsibilities of
the tribe, the department of revenue, and the liquor and cannabis
board.
(13) The definitions in this subsection apply throughout this
section unless the context clearly requires otherwise.
(a) "Essential government services" means services such as
tribal administration, public facilities, fire, police, public health,

Indian tribe located within the geographical boundaries of the
state of Washington.

(c) The agreement must include provisions for sharing of information among the tribe, the department of revenue, and the liquor and cannabis board.

(7) The agreement must provide that retailers must purchase vapor products only from distributors or manufacturers licensed to do business in the state of Washington.

(8) The agreement must be for a renewable period of no more than eight years.

(9) The agreement must include provisions to resolve disputes using a nonjudicial process, such as mediation, and must include a dispute resolution protocol. The protocol must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the agreement should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the agreement so allow. An agreement must provide for termination of the agreement if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period.

(10) Information received by the state or open to state review under the terms of an agreement is subject to RCW 82.32.330.

(11) It is the intent of the legislature that the liquor and cannabis board and the department of revenue continue the division of duties and shared authority under chapter 82.--- RCW (the new chapter created in section 408 of this act).

(12) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(1) The tax levied by RCW 82.08.020 does not apply to sales of vapor products by an Indian retailer during the effective period of a vapor product tax contract subject to section 303 of this act or a vapor product tax agreement under section 304 of this act.

(2) The definitions in section 302 of this act apply to this section.

NEW SECTION. Sec. 306. A new section is added to chapter 82.12 RCW to read as follows:

(1) The provisions of this chapter do not apply in respect to the use of vapor products sold by an Indian retailer during the effective period of a vapor product tax contract subject to section 303 of this act or a vapor product tax agreement under section 304 of this act.

REMARKS BY THE PRESIDENT

President Habib: “I would just take a moment of privilege to do this. I know that we have done this at certain moments at cutoff but, since we do have a moment right now, to just say a word of thanks to all the men and women who work so hard here to make this happen. We got a chance to thank the Dining Room staff before they left for the day but there are so many others. All of our, what I call our floor team, the rostrum staff, the workroom. You all know how hard they work you’ve seen that they work twenty-four hours a day, literally. They have done that these past few days. Senate Security who keeps us safe and does it with so much dignity all of the time. The rostrum staff that is up here, led by the Secretary of the Senate. I want to thank him for his service to our state and the wonderful way in which he leads his staff and the entire agency of the Senate. Of course, the two attorneys who are not even listening to me right now because they’re still working on making everything happen. Jeannie and Victoria, who have made many of your dreams come true with their legal maneuvers and ability to explain things. There’re so many others but of course Senate Committee Services, all the partisan staff in both caucuses. Please, would the Senate join me in thanking them for their work this year.”
The senate rose and recognized the work of the staff of the Washington State Senate.
