SUBSTITUTE HOUSE BILL NO. 2632, by House Committee on Public Safety (originally sponsored by Valdez, Griffey, Ryu, Pellicciotti, Pollet, Orwall, Gregerson, Goodman, Irwin, Ramos, Slatter, Entenman, Davis and Macri)

Concerning false reporting of a crime or emergency.

MOTION

Senator Pedersen moved that the following striking floor amendment no. 1360 by Senators Pedersen and Padden be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that false reporting laws criminalize the knowingly false reporting of certain occurrences that are likely to cause unwarranted evacuations, public inconvenience, or alarm. Recently, however, false reporting and the 911 system have been weaponized, resulting in serious dangers and even lost lives. The term "swatting" describes the false reporting of an emergency with the goal of having a police unit or special weapons and tactics team deployed. The reckless act of swatting, often motivated by the perpetrator's bias towards protected classes, has caused death and trauma in some cases. As such, the legislature finds that a gross misdemeanor is insufficient as a legal response and hereby create felony false reporting punishments when the false reporting leads to injury or death."
Sec. 2. RCW 9A.84.040 and 2011 c 336 s 411 are each amended to read as follows:

(1) A person ((is guilty of)) commits false reporting if, with knowledge that the information reported, conveyed, or circulated is false, he or she initiates or circulates a false report or warning of an alleged occurrence or impending occurrence ((of a fire, explosion, crime, catastrophe, or emergency)) knowing that such false report is likely to cause ((evacuation)); evacuation of a building, place of assembly, or transportation facility((, or to cause)); public inconvenience or alarm; or an emergency response.

(2)(a) A person is guilty of false reporting in the first degree if the report was made with reckless disregard for the safety of others, the false reporting caused an emergency response, and death is sustained by any person as a proximate result of an emergency response. False reporting in the first degree is a class B felony.

(b) A person is guilty of false reporting in the second degree if the report was made with reckless disregard for the safety of others, the false reporting caused an emergency response, and substantial bodily harm is sustained by any person as a proximate result of an emergency response. False reporting in the second degree is a class C felony.

(c) A person is guilty of false reporting in the third degree if he or she commits false reporting under circumstances not constituting false reporting in the first or second degree. False reporting in the third degree is a gross misdemeanor.

(3) Any criminal offense committed under this section may be deemed to have been committed either at the place from which the false report was made, at the place where the false report was received by law enforcement, or at the place where an evacuation, public inconvenience or alarm, or emergency response occurred.

(4) Where a case is legally sufficient to charge a person under the age of eighteen with the crime of false reporting and the alleged offense is the offender's first violation of this section, the prosecutor may divert the case.

(5) For the purposes of this section, "emergency response" means any action to protect life, health, or property by:

(a) A peace officer or law enforcement agency of the United States, the state, or a political subdivision of the state; or

(b) An agency of the United States, the state, or a political subdivision of the state, or a private not-for-profit organization that provides fire, rescue, or emergency medical services.

(6) Nothing in this section will be construed to:

(a) Impose liability on a person who contacts law enforcement for the purpose of, or in connection with, the reporting of unlawful conduct;

(b) Conflict with Title 47 U.S.C. Sec. 230 of the communication decency act; or

(c) Conflict with Title 42 U.S.C. Sec. 1983 of the civil rights act.

NEW SECTION. Sec. 3. A new section is added to chapter 4.24 RCW to read as follows:

(1)(a) An individual who is a victim of an offense under RCW 9A.84.040 may bring a civil action against the person who committed the offense or against any person who knowingly benefits, financially or by receiving anything of value, from participation in a venture that the person knew or should have known has engaged in an act in violation of RCW 9A.84.040, and may recover damages and any other appropriate relief, including reasonable attorneys' fees.

(b) A person who is found liable under RCW 9A.84.040 shall be jointly, and severally liable with each other person, if any, who is found liable under RCW 9A.84.040 for damages arising from the same violation of RCW 9A.84.040.

(2) Any person convicted of violating RCW 9A.84.040 and that resulted in an emergency response may be liable to a public agency for the reasonable costs of the emergency response by, and at the discretion of, the public agency that incurred the costs.

Sec. 4. RCW 9.94A.515 and 2019 c 271 s 7, 2019 c 243 s 5, 2019 c 64 s 3, and 2019 c 46 s 5009 are each reenacted and amended to read as follows:

PERSONAL PRIVILEGE

Senator Braun: “Thank you, Mr. President. So, Mr. President, I passed out a document to the body having to do with Boeing. I thought as we arrive on the 58th day of session we all know that we have a large challenge for our state’s largest employer. I thought it was worth reminding everyone: a) that they are the state’s largest employer. And when you look at that compared to the other states of our country, 45 states, [where] the largest employer is Walmart, [or it’s] the largest university or the largest healthcare system. And the five other states and you can read this from what I passed out, are a variety of private enterprises. Well, except for Colorado, that’s the airport which is a non-pri-- but you can see very quickly that we are enormously fortunate to have Boeing as our largest state employer. The next page will show you, Mr. President, that the average pay in aerospace is $108,000 per year, well above the state’s median or average wage. And that is true across the state, even high-wage areas like King County and certainly in low-wage areas that I represent. And then finally, Mr. President, we sometimes get caught up because a company the size of Boeing has to move their workforce around for a whole variety of reasons, that we aren’t getting our share of their employment. If you go back to 2003, when the special rate was enacted, you can see that we were at 34% of their employees, were in the state of Washington. Today we are at 46. And, while it did peak at 49, we continue to have, by far, by far, Mr. President, most, the highest percentage of the number of Boeing employees around the country and around the world. We are enormously fortunate to have them here. I hope that we will take seriously. Our, the need to help them work through these WTO issues they have in front of them and, frankly, in front of us because it effects our economy. Much broader than just in aerospace. So, Mr. President, I just thought it would be a good opportunity to remind the body that this is important work we have to finish up in the next few days and that we should understand the importance to our state. Thank you very much, Mr. President.”

RULING BY THE PRESIDENT

President Habib: “Thank you, Senator Braun, I permitted you to finish your remarks, but I will just remind members that under your rules, point of personal privilege really pertains to your ability to do your job in the Senate. And we take kind of a broad, I apply it very liberally in the sense that we recognize special birthdays and other things, but it really is not meant to introduce policy discussions and so on. In this case, I permitted it, but I would ask that as we conclude this session members adhere to the rules with respect to these, these points of personal privilege. It could be alluring to us sometimes. Thank you.”

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2722, by House Committee on Environment & Energy (originally sponsored by Mead, Fitzgibbon, Peterson, Doglio, Goodman, Gregerson, Slatter, Tarleton, Davis, Duerr, Ramel, Walen, Cody,
Concerning minimum recycled content requirements.

MOTION

Senator Das moved that the following striking floor amendment no. 1355 by Senators Das and Lovelett be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) Sustainable and resilient markets for recycled materials are essential to any successful recycling system. For many years, Washington has depended on foreign markets to accept the recyclable materials that are collected for recycling in the state. Developing domestic markets for recycled materials benefits the environment and the state's economy and is critical due to the loss of foreign markets.

(2) China's 2018 national sword policy bans the importation of recycled mixed paper and certain types of recycled plastic and imposes a stringent one-half of one percent contamination limit on all other recycled material imports. Washington's recycling facilities are struggling to find markets for recycled materials, resulting in the stockpiling of these materials. Washington must reduce its reliance on unpredictable foreign markets for its recycled materials.

(3) Plastic bottles can be recycled and can contain recycled content in order to close the loop in the recycling stream. Many companies have already taken the initiative at closing the loop by using plastic bottles that contain one hundred percent recycled content. Since November 2010, one national juice company has been using bottles made with one hundred percent postconsumer recycled content for all of its juices and juice smoothies. In January 2018, an international beverage producer announced that it will make all its bottles from one hundred percent recycled plastic by 2025.

(4) The requirements imposed by this act are reasonable and are achievable at minimal cost relative to the burden imposed by the continued excessive use of virgin materials in beverage containers in Washington.

(5) The legislature encourages beverage manufacturers to use plastic beverage containers that exceed the standards set forth in this act.

NEW SECTION. Sec. 2. The definitions in this section apply throughout sections 3 through 7 of this act unless the context clearly requires otherwise.

(1) "Beverage manufacturer" means a manufacturer of one or more beverages described in section 3(1) of this act, that are sold, offered for sale, or distributed in Washington.

(2) "Beverage manufacturing industry" means an association that represents companies that manufacture beverages.

(3) "Department" means the department of ecology.

NEW SECTION. Sec. 3. (1) Beginning January 1, 2022, beverage manufacturers that offer for sale, sell, or distribute in Washington beverages, intended for human or animal consumption and in a quantity more than or equal to two fluid ounces and less than or equal to one gallon, must meet minimum postconsumer recycled content as required under section 4 of this act, on average for the total number of plastic beverage containers for the following beverages:

(a) Water and flavored water;
(b) Beer or other malt beverages;
(c) Wine;
(d) Mineral waters, soda water, and similar carbonated soft drinks; and

(e) Any beverage other than those specified in this subsection, except infant formula.

(2) The following containers are exempt from sections 3 through 6 of this act:

(a) Refillable plastic beverage containers;
(b) Rigid plastic containers or rigid plastic bottles that are medical devices, medical products that are required to be sterile, prescription medicine, and packaging used for those products; and
(c) Bladders or pouches that contain wine.

(3) The department may adopt rules to exempt beverages.

NEW SECTION. Sec. 4. (1) Every year, a beverage manufacturer must meet the following minimum postconsumer recycled plastic content on average for the total number of plastic beverage containers for beverages as established in section 3 of this act that are sold, offered for sale, or distributed in Washington effective:

(a) January 1, 2022, through December 31, 2024: No less than ten percent postconsumer recycled plastic;
(b) January 1, 2025, through December 31, 2029: No less than twenty-five percent postconsumer recycled plastic;
(c) On and after January 1, 2030: No less than fifty percent postconsumer recycled plastic.

(2)(a) Beginning in 2021, and every other year thereafter, or at the petition of the beverage manufacturing industry but not more than annually, the department shall consider whether the minimum postconsumer recycled content requirements established under subsection (1) of this section should be waived or reduced. The department must consider a petition from the beverage manufacturing industry within sixty days of receipt.

(b) If the department determines that a minimum postconsumer recycled content requirement should be adjusted, the adjusted rate must be in effect until a new determination is made or upon the expiration of the minimum postconsumer recycled content requirement's effective period, whichever occurs first. The department may not adjust the minimum postconsumer recycled content requirements above the minimum postconsumer recycled plastic content percentages, as established under subsection (1) of this section. In making a determination to adjust the minimum postconsumer recycled content requirements the department must at least consider the following:

(i) Changes in market conditions, including supply and demand for postconsumer recycled plastics, collection rates, and bale availability;
(ii) Recycling rates;
(iii) The availability of recycled plastic suitable to meet the minimum postconsumer recycled content requirements, including the availability of high quality recycled plastic, and food grade recycled plastic from beverage container recycling programs;
(iv) The capacity of recycling or processing infrastructure;
(v) The progress made by beverage manufacturers in meeting the requirements of this section; and
(vi) The carbon footprint of the transportation of the recycled resin.

(3) The beverage manufacturing industry or a beverage manufacturer may appeal adjustments to the requirement for minimum postconsumer recycled content as determined under subsection (1) of this section to the pollution control hearings board within thirty days of the department's determination.

(4) The department may grant extensions of time for beverage manufacturers to meet the minimum postconsumer recycled plastic content requirements established under subsection (1) of this section if the department determines that a beverage manufacturer has made a substantial effort but has failed to meet the minimum recycled plastic content requirements due to

"NEW SECTION. Sec. 5. In making the determination to adjust minimum postconsumer recycled content requirements the department must consider the following:

(a) Changes in market conditions, including supply and demand for postconsumer recycled plastics, collection rates, and bale availability;
(b) Recycling rates;
(c) The progress made by beverage manufacturers in meeting the requirements of this section; and
(d) The carbon footprint of the transportation of the recycled resin.

"NEW SECTION. Sec. 6. The requirements imposed by this act are reasonable and are achievable at minimal cost relative to the burden imposed by the continued excessive use of virgin materials in beverage containers in Washington.

"NEW SECTION. Sec. 7. The legislature encourages beverage manufacturers to use plastic beverage containers that exceed the standards set forth in this act."
extenuating circumstances beyond the beverage manufacturer's control.

(5) A beverage manufacturer that does not meet the minimum postconsumer recycled plastic content requirements established in subsection (1) of this section is subject to a fee established in section 6 of this act.

NEW SECTION. Sec. 5. (1)(a) On or before March 1, 2022, and annually thereafter, a beverage manufacturer, under penalty of perjury, must report to the department, in pounds and by resin type, the amount of virgin plastic and postconsumer recycled plastic used for plastic beverage containers containing a beverage as established under section 3 of this act sold, offered for sale, or distributed in Washington in the previous calendar year.

(b) The department must post the information reported under this subsection on its website.

(2) The department may: (a) Conduct audits and investigations for the purpose of ensuring compliance with this section based on the information reported under subsection (1) of this section; and (b) adopt rules to implement, administer, and enforce the requirements of this act.

(3) The department shall keep confidential all business trade secrets and proprietary information about manufacturing processes and equipment that the department gathers or becomes aware of through the course of conducting audits or investigations pursuant to this chapter.

NEW SECTION. Sec. 6. (1) Beginning January 1, 2022, a beverage manufacturer that does not meet the minimum postconsumer recycled plastic content requirements as established under section 4 of this act, based upon the amount in pounds and in the aggregate, is subject to an annual fee.

(2) The following violation levels are based on a beverage manufacturer's overall compliance rate of the minimum postconsumer recycled plastic content requirements.

(a) Level one violation: At least seventy-five percent but less than one hundred percent of the minimum recycled plastic content requirements;

(b) Level two violation: At least fifty percent but less than seventy-five percent of the minimum recycled plastic content requirements;

(c) Level three violation: At least twenty-five percent but less than fifty percent of the minimum recycled plastic content requirements;

(d) Level four violation: At least fifteen percent but less than twenty-five percent of the minimum recycled plastic content requirements; and

(e) Level five violation: Less than fifteen percent of the minimum recycled plastic content requirements.

(3) Beginning March 1, 2023, the department may assess fees for violations as follows:

(a) Level one violation, the fee range is five cents to fifteen cents per pound;

(b) Level two violation, the fee range is ten cents to twenty cents per pound;

(c) Level three violation, the fee range is fifteen cents to twenty-five cents per pound;

(d) Level four violation, the fee range is twenty cents to thirty cents per pound;

(e) Level five violation, the fee range is twenty-five cents to thirty cents per pound.

(4) In lieu of or in addition to assessing a fee under subsection (3) of this section, the department may require a beverage manufacturer to submit a corrective action plan detailing how the beverage manufacturer plans to come into compliance with section 4 of this act.

(5) The department shall consider equitable factors in determining whether to assess a fee under subsection (3) of this section and the amount of the fee including, but not limited to: The nature and circumstances of the violation; actions taken by the beverage manufacturer to correct the violation; the beverage manufacturer's history of compliance; the size and economic condition of the beverage manufacturer; and whether the violation or conditions giving rise to the violation were due to circumstances beyond the reasonable control of the beverage manufacturer or were otherwise unavoidable under the circumstances including, but not limited to, unforeseen changes in market conditions.

(6) A beverage manufacturer must:

(a) Pay to the department assessed fees in quarterly installments; or

(b) Arrange an alternative payment schedule subject to the approval of the department.

(7) A beverage manufacturer may appeal fees assessed under this section to the pollution control hearings board within thirty days of assessment.

(8)(a) The department shall consider waiving or reducing the fees or extending the time frame for assessing fees established under subsection (3) of this section for a beverage manufacturer that has demonstrated progress toward meeting the minimum postconsumer recycled content requirements, as established under section 4 of this act, if the beverage manufacturer:

(i) Has failed to meet the minimum postconsumer recycled content requirements; or

(ii) Anticipates it will not be able to meet the minimum postconsumer recycled content requirements.

(b) In determining whether to grant a waiver of, or reduce a fee, or extend the time frame for assessing a fee, the department shall consider, at a minimum, all of the following:

(i) Anomalous market conditions;

(ii) Disruption in, or lack of supply of, recycled plastics; and

(iii) Other factors that have prevented a beverage manufacturer from meeting the requirements.

(9) A beverage manufacturer shall pay the fees assessed pursuant to this section, as applicable, based on the information reported to the department as required under section 5(1) of this act in the form and manner prescribed by the department.

NEW SECTION. Sec. 7. The recycling enhancement fee account is created in the state treasury. All fees collected by the department pursuant to section 6 of this act must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used by the department only for providing funding to the recycling development center created in RCW 70.370.030 for the purpose of furthering the development of recycling infrastructure in this state.

NEW SECTION. Sec. 8. A new section is added to chapter 42.56 RCW to read as follows:

MR. PRESIDENT:
The House passed ENGROSSED SENATE BILL NO. 6180 with the following amendment(s): 6180.E AMH HSEL H5165.1

      (v) Recommended crime-related prohibitions.
   (c) The court on its own motion may order, or on a motion by the court, on its own motion or the motion of the state or the respondent, or if the court concludes, and enters reasons for its conclusion, that such disposition would cause a manifest injustice, the court shall impose a disposition under option D, and the court may suspend the execution of the disposition and place the offender on community supervision for at least two years.

(4) As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:
   (a) Devote time to a specific education, employment, or occupation;
   (b) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. This notice must be sent at the earliest possible date but not later than ten calendar days after entry of the disposition.

(7) For offenders required to register under RCW 9A.44.130, at the end of the supervision ordered under this disposition alternative, there is a presumption that the offender is sufficiently rehabilitated to warrant removal from the central registry of sex offenders. (l) Any input of the victim; and
(m) Any other factors the court may consider relevant.

(8)(a) The sex offender treatment provider shall submit quarterly reports on the respondent’s progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent’s compliance with requirements, treatment activities, the respondent’s relative progress in treatment, and any other material specified by the court at the time of the disposition.

(b) At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

(c) Except as provided in this subsection, examinations and treatment ordered pursuant to this subsection shall be conducted by qualified professionals as described under (d) of this subsection; certified sex offender treatment providers; or certified affiliate sex offender treatment providers under chapter 18.155 RCW.

(d) A sex offender therapist who examines or treats a juvenile sexual offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the therapist is a professional licensed under chapter 18.225 or 18.83 RCW and the treatment employed is evidence-based for sex offender treatment, or if the court finds that: (i) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (ii) no certified sex offender treatment providers or certified affiliate sex offender treatment providers are available for treatment within a reasonable geographical distance of the offender’s home; and (iii) the evaluation and treatment plan comply with this subsection and the rules adopted by the department of health.

((4))) (2)(a) If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the disposition or the court may impose a penalty of up to thirty days confinement for violating conditions of the disposition.

(b) The court may order both execution of the disposition and up to thirty days confinement for the violation of the conditions of the disposition.

(c) The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(4) For purposes of this section, “victim” means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. “Victim” may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(5) A disposition entered under this section is not appealable under RCW 13.40.230.

(9) The provisions of this section and RCW 9A.44.141 through 9A.44.143 apply equally to a person who has been found not guilty by reason of insanity under chapter 10.77 RCW of a sex offense or kidnapping offense.”

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.04.005 and 2018 c 40 s 1 are each amended to read as follows:

For the purposes of this title, unless the context indicates otherwise, the following definitions shall apply:

(1) "Aged, blind, or disabled assistance program" means the program established under RCW 74.62.030.

(2) "Applicant" means any person who has made a request, or on behalf of whom a request has been made, to any county or local office for assistance.

(3) "Authority" means the health care authority.

(4) "County or local office" means the administrative office for one or more counties or designated service areas.

(5) "Department" means the department of social and health services.

(6) "Director" means the director of the health care authority.

(7) "Essential needs and housing support program" means the program established in RCW 43.185C.220.

(8) "Federal aid assistance" means the specific categories of assistance for which provision for federal funds or aid may from time to time be made, or a federally administered needs-based program.

(9) "Income" means:

(a) All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient during the month of application or after applying for or receiving public assistance. The department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him or her to decrease his or her need for public assistance or to aid in rehabilitating him or her or his or her dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance. In addition, for cash assistance the department may disregard income pursuant to RCW 74.08A.230 and 74.12.350.

(b) If, under applicable federal requirements, the state has the option of considering property in the form of lump sum compensatory awards or related settlements received by an applicant or recipient as income or as a resource, the department shall consider such property to be a resource.
(10) "Need" means the difference between the applicant's or recipient's standards of assistance for himself or herself and the dependent members of his or her family, as measured by the standards of the department, and value of all nonexempt resources and nonexempt income received by or available to the applicant or recipient and the dependent members of his or her family.

(11) "Public assistance" or "assistance" means public aid to persons in need thereof for any cause, including services, medical care, assistance grants, disbursing orders, work relief, benefits under RCW 74.62.030 and 43.185C.220, and federal aid assistance.

(13) "Resource" means any asset, tangible or intangible, owned by or available to the applicant at the time of application, which can be applied toward meeting the applicant's need, either directly or by conversion into money or its equivalent. The department may by rule designate resources that an applicant may retain and not be ineligible for public assistance because of such resources. Exempt resources shall include, but are not limited to:

(a) A home that an applicant, recipient, or their dependents is living in, including the surrounding property;

(b) Household furnishings and personal effects;

(c) One motor vehicle, other than a motor home, used and useful having an equity value not to exceed ten thousand dollars;

(f) Applicants for or recipients of benefits under RCW 74.62.030 and 43.185C.220 shall have their eligibility based on resource limitations consistent with the temporary assistance for needy families program rules adopted by the department; and

(g) If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient, except that: (i) The department may exempt resources or income when the income and resources are determined necessary to the applicant's or recipient's restoration to independence, to decrease the need for public assistance, or to aid in rehabilitating the applicant or recipient or a dependent of the applicant or recipient; and (ii) the department may provide grant assistance for a period not to exceed nine months from the date the agreement is signed pursuant to this section to persons who are otherwise ineligible because of excess real property owned by such persons when they are making a good faith effort to dispose of that property if:

(A) The applicant or recipient signs an agreement to repay the lesser of the amount of aid received or the net proceeds of such sale;

(B) If the owner of the excess property ceases to make good faith efforts to sell the property, the entire amount of assistance may become an overpayment and a debt due the state and may be recovered pursuant to RCW 43.20B.630;

(C) Applicants and recipients are advised of their right to a fair hearing and afforded the opportunity to challenge a decision that good faith efforts to sell have ceased, prior to assessment of an overpayment under this section; and

(D) At the time assistance is authorized, the department files a lien without a sum certain on the specific property.

(14) "Secretary" means the secretary of social and health services.

(15) "Standards of assistance" means the level of income required by an applicant or recipient to maintain a level of living specified by the department.

(16) For purposes of determining eligibility for public assistance and participation levels in the cost of medical care, the department shall exempt restitution payments made to people of Japanese and Aleut ancestry pursuant to the Civil Liberties Act of 1988 and the Aleutian and Pribilof Island Restitution Act passed by congress, P.L. 100-383, including all income and resources derived therefrom.

(17) In the construction of words and phrases used in this title, the singular number shall include the plural, the masculine gender shall include both the feminine and neuter genders, and the present tense shall include the past and future tenses, unless the context thereof shall clearly indicate to the contrary.

Sec. 1101(a)(15)(T) or (U) as either existed on January 1, 2020, when the crime is against a spouse who is a victim of human trafficking or against the child of a victim of human trafficking.

Sec. 2. RCW 74.08A.120 and 1999 c 120 s 4 are each amended to read as follows:

MESSAGE FROM THE HOUSE

March 3, 2020

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5291 with the following amendment(s): 5291-52.E AMH ENGR H5074.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.030 and 2019 c 331 s 5, 2019 c 271 s 6, 2019 c 187 s 1, and 2019 c 46 s 5007 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department.

(6) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(7) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Confinement" means total or partial confinement.

(9) "Conviction" means an adjudication of guilt pursuant to Title 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(11) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere, and any issued certificates of restoration of opportunity pursuant to RCW 9.97.020.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon. However, when a defendant is charged with a recidivist offense, "criminal history" includes a vacated prior conviction for the sole purpose of establishing that such vacated prior conviction constitutes an element of the present recidivist offense as provided in RCW 9.94A.640(3)(b) and 9.96.060(5)(c).

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(13) "Criminal street gang associate or member" means any person who actively participates in any criminal street gang and who intentionally promotes, furthers, or assists in any criminal act by the criminal street gang.

(14) "Criminal street gang-related offense" means any felony or misdemeanor offense, whether in this state or elsewhere, that is committed for the benefit of, at the direction of, or in association with any criminal street gang, or is committed with the intent to promote, further, or assist in any criminal conduct by the gang, or is committed for one or more of the following reasons:

(a) To gain admission, prestige, or promotion within the gang;
(b) To increase or maintain the gang's size, membership, prestige, dominance, or control in any geographical area;
(c) To exact revenge or retribution for the gang or any member of the gang;
(d) To obstruct justice, or intimidate or eliminate any witness against the gang or any member of the gang;
(e) To directly or indirectly intimidate or eliminate any witness against the gang or any member of the gang;

((c)) (d) If the offender does not have an open child welfare case with the department of children, youth, and families or with a tribal child welfare agency but has prior involvement, the department will obtain information from the department of children, youth, and families on the number and type of past substantiated referrals of abuse or neglect and report that information to the court. If the department of children, youth, and families has never had any substantiated referrals or an open case with the offender, the department will inform the court.

((d)) (e) The existence of a prior substantiated referral of child abuse or neglect or of an open child welfare case does not, alone, disqualify the parent from applying or participating in this alternative. The court shall consider whether the child-parent relationship can be readily maintained during parental incarceration, and whether, due to the existence of an open child welfare case, parental incarceration exacerbates the likelihood of termination of the child-parent relationship.

(5) If the sentencing court determines that the offender is eligible for a sentencing alternative under this section and that the sentencing alternative is appropriate and should be imposed, the court shall waive imposition of a sentence within the standard sentence range and impose a sentence consisting of twelve months of community custody. The court shall consider the offender’s criminal history when determining if the alternative is appropriate. The court shall also give great weight to the minor child’s best interest.

((e)) (6) When a court imposes a sentence of community custody under this section:

(a) The court may impose conditions as provided in RCW 9.94A.703 and may impose other affirmative conditions as the court considers appropriate.

(b) The department may impose conditions as authorized in RCW 9.94A.704 that may include, but are not limited to:

(i) Parenting classes;

(ii) Chemical dependency treatment;

(iii) Mental health treatment;

(iv) Vocational training;

(v) ((Offender change)) Change programs;

(vi) Life skills classes.

(c) The department shall report to the court if the offender commits any violations of his or her sentence conditions.

((6)) (7) The department shall provide the court with quarterly progress reports regarding the offender's progress in required programming, treatment, and other supervision conditions. When an offender has an open child welfare case, the department will seek to coordinate services with the department of children, youth, and families.

((7)) (8)(a) The court may bring any offender sentenced under this section back into court at any time during the period of community custody on its own initiative to evaluate the offender's progress in treatment, or to determine if any violations of the conditions of the sentence have occurred.

(b) At the commencement of such a hearing, the court shall advise the offender sentenced under this section of the offender's right to assistance of counsel and appoint counsel if the offender is indigent.

((c)) If the offender is brought back to court, the court may modify the conditions of community custody or impose sanctions under (((d))) (d) of this subsection, including extending the length of participation in the alternative program by no more than six months.

((d)) (d) The court may order the offender to serve a term of total confinement within the standard range of the offender's current offense at any time during the period of community custody, if the offender violates the conditions or requirements of the sentence or if the offender is failing to make satisfactory progress in treatment.

((e)) (e) An offender ordered to serve a term of total confinement under (((d))) (d) of this subsection shall receive credit for any time previously served in confinement under this section.

(f) An offender sentenced under this section is subject to all rules relating to earned release time with respect to any period served in total confinement.

(9) The state and its agencies, officers, agents, or employees are not liable for the acts of offenders participating in the sentencing alternative under this section unless the state or its agencies, officers, agents, or employees act with willful disregard of a known risk of immediate harm.

(10) For the purposes of this section:

(a) "Expectant parent" means a pregnant or other parent awaiting the birth of his or her child, or an adoptive parent or person in the process of a final adoption.

(b) "Minor child" means a child under the age of eighteen.

Sec. 3. RCW 9.94A.6551 and 2018 c 38 s 47 are each amended to read as follows:

For an offender(4)s not sentenced under RCW 9.94A.655, but otherwise eligible under this section, no more than the final twelve months of the offender's term of confinement may be served in partial confinement as home detention as part of the parenting program developed by the department.

(1) The secretary may transfer an offender from a correctional facility to home detention in the community if it is determined that the parenting program is an appropriate placement and when all of the following conditions exist:

(a) The offender is serving a sentence in which the high end of the range is greater than one year;

(b) The offender has no current conviction for a felony that is classified as a sex offense or a serious violent offense;

(f) The department determines that ((such a placement)) the offender's participation in the parenting program is in the best interests of the child. Nothing in this section provides the department with authority to determine placement of a minor child.
(2) Except for sex offenses and serious violent offenses, prior juvenile adjudications are not considered offenses when considering eligibility for the parenting program developed by the department.
(3) When the department is considering partial confinement as part of the parenting program for an offender, the department shall inquire of the individual and the department of children, youth, and families whether the agency has an open child welfare case or prior substantiated referral for abuse or neglect involving the offender.
(4) If the department of children, youth, and families or a tribal jurisdiction has an open child welfare case, the department will seek input from the department of children, youth, and families whether the agency has an open child welfare case or prior substantiated referral for abuse or neglect involving the offender.
   (a) Require the offender to be placed on electronic home monitoring;
   (b) Require the offender to participate in programming and treatment that the department determines is needed after consideration of the offender's stated needs;
   (c) Assign a community corrections officer who will monitor the offender's compliance with conditions of partial confinement and programming requirements; and
   (d) If the offender has an open child welfare case with the department of children, youth, and families, collaborate and communicate with the identified social worker in the provision of services.

MR. PRESIDENT:
The House passed ENGROSSED SENATE BILL NO. 5402 with the following amendment(s): 5402.E AMH ENGR H5334.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. 2017 3rd sp.s. c 37 s 501 (uncodified) is amended to read as follows:

(1) This section is the tax preference performance statement for the tax preferences contained in sections 502 and 503, chapter 37, Laws of 2017 3rd sp. sess. This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these tax preferences as ones intended to induce certain designated behavior by taxpayers, improve industry competitiveness, and create or retain jobs, as indicated in RCW 82.32.808(2) (a) through (c).

(3) It is the legislature's specific public policy objective to maintain and expand business in the semiconductor cluster. It is the legislature's intent to extend by ten years the preferential tax rates for manufacturers and processors for hire of semiconductor materials in order to maintain and grow jobs in the semiconductor cluster.

(4) If a review finds that: (a) Since October 19, 2017, at least one project in the semiconductor cluster has located in Clark county, and that this project generates at least two thousand five hundred high-wage jobs, all of which pay twenty dollars per hour or more and at least eighty percent of which pay thirty-five dollars per hour or more; and (b) the number of jobs in the semiconductor cluster in Washington has increased since October 19, 2017, then the legislature intends to extend the expiration date of the tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to data from the department of revenue's annual survey ((data)) for tax years ending before January 1, 2020, and annual tax performance report for subsequent tax years.

Sec. 2. 2017 3rd sp.s. c 37 s 504 (uncodified) is amended to read as follows:

(1) This section is the tax preference performance statement for the tax preferences contained in sections 505 through 508, chapter 37, Laws of 2017 3rd sp. sess. This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these tax preferences as ones intended to induce certain designated behavior by taxpayers, improve industry competitiveness, and create or retain jobs, as indicated in RCW 82.32.808(2) (a) through (c).

(3) It is the legislature's specific public policy objective to encourage significant construction projects; retain, expand, and attract semiconductor business; and encourage and expand family-wage jobs. It is the legislature's intent to extend by ten years the ((preferential tax rates)) exemptions for sales and use of gases and chemicals used in the production of semiconductor materials, in order to encourage the growth and retention of the semiconductor business in Washington, thereby strengthening Washington's competitiveness with other states for manufacturing investment.

(4) If a review finds that the number of construction projects in the industry has increased, and that ((the number of employees employed by the solar silicon, silicon manufacturing, and semiconductor fabrication industry in Washington is the same or more than in 2015, and that at least sixty percent of employees earn sixty thousand dollars a year, then the legislature intends to extend the expiration date of the tax preferences.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to data from the department of revenue's annual survey ((data)) for tax years ending before January 1, 2020, and annual tax performance report for subsequent tax years.

Sec. 3. RCW 19.02.085 and 2013 c 144 s 22 are each amended to read as follows:

delinquency fee must be the lesser of one hundred fifty dollars or fifty percent of a base comprised of the licensee's renewal fee minus corporate licensing taxes, corporation annual report fee, and any interest fees or penalties charged for late taxes or corporate renewals. The business license delinquency fee must be added to the renewal fee and paid by the licensee before a business license is renewed. The delinquency fee must be deposited in the business license account.

(2) The department must waive or cancel the business license delinquency fee imposed in subsection (1) of this section only if the department determines that the licensee failed to renew a license by the business license expiration date due to an undisputable error or failure by the department. For purposes of this subsection, an error or failure is undisputable if the department is satisfied, beyond any doubt, that the error or failure occurred.

(ii) A credit of thirty-three percent of the tax otherwise due is allowed with respect to a product lease.

(b)(i) For a leasehold interest in real property owned by a state university, a credit is allowed equal to the amount that the tax under this chapter exceeds the property tax that would apply if the real property were privately owned by the taxpayer.

(ii) The credit under this subsection (1)(b) is available only if the tax parcel that is subject to the leasehold interest has a market value in excess of ten million dollars. If the leasehold interest attaches to two or more parcels, the credit is available if at least one of the tax parcels has a market value in excess of ten million dollars. In either case, the market value must be determined as of January 1st of the year prior to the year for which the credit is claimed.

(iii) For purposes of calculating the credit under this subsection (1)(b):

(A) If a tax parcel does not have current assessed value in accordance with RCW 84.40.020, a market value appraisal performed by a Washington state-certified general real estate appraiser, as defined in RCW 18.140.010, is sufficient to establish the market value. If the underlying real property that is the subject of the leasehold interest consists of a part of one or more tax parcels, this appraisal must include the market value of the part of the parcel or parcels to which the leasehold interest applies; and

(B) The property tax that would otherwise apply to the real property that is the subject of the leasehold interest is calculated using the existing consolidated levy rate for the property's tax code area.

(iv) The definitions in this subsection apply throughout this subsection (1)(b) unless the context clearly requires otherwise.

(A) “Market value” means the true and fair value of the property as that term is used in RCW 84.40.030, based on the property’s highest and best use and determined by any reasonable means approved by the department.

(B) “Real property” has the same meaning as in RCW 84.04.090 and also includes all improvements upon the land the fee of which is still vested in the public owner.
The taxpayer was at the time of purchase entitled to have sales tax was paid or use tax paid on property purchased for the purpose of leasing. The liquor and cannabis board must administer this chapter and such other provisions of the Revised Code of Washington as specifically provided by law. To that end, the department may prescribe forms and rules of procedure for the determination of the taxable status of any person, for the making of returns and for the ascertainment, assessment, and collection of taxes and penalties imposed thereunder.

The department may make and publish rules, not inconsistent therewith, necessary to enforce provisions of this chapter and chapters 82.04 through 82.27 RCW, and the liquor and cannabis board shall approve such rules necessary to enforce chapters 82.24, 82.26, and 82.25 RCW.

Rules adopted by the department or liquor and cannabis board under the authority of this subsection have the same force and effect as if specifically included in law, unless declared invalid by a court of record not appealed from.

The department may employ such clerks, specialists, and other assistants as are necessary. Salaries and compensation of such employees must be fixed by the department and charged to the proper appropriation for the department.

The department must exercise general supervision of the collection of taxes and, in the discharge of such duty, may institute and prosecute such suits or proceedings in the courts as may be necessary and proper.

RCW 82.32.062 and 2002 c 57 s 1 are each amended to read as follows:

(1) In addition to the procedure set forth in RCW 82.32.060 and as an exception to the four-year period explicitly set forth in RCW 82.32.060, an offset for a tax that has been paid in excess of that properly due may be taken under the following conditions:

(a) The tax paid in excess of that properly due was sales tax paid on the purchase of property acquired for leasing; (b) The taxpayer was at the time of purchase entitled to purchase the property at wholesale under RCW 82.04.060; and (c) The taxpayer substantiates that the taxpayer paid sales or use tax on the purchase of the property and that there was no intervening use of the property by the taxpayer.

The offset under this section is applied to and reduced by the amount of retail sales tax otherwise due from the beginning of the lease of the property until the offset is extinguished.

RCW 82.32.300 and 2019 c 445 s 209 are each amended to read as follows:

(1) The department must administer this chapter and such other provisions of the Revised Code of Washington as specifically provided by law. To that end, the department may prescribe forms and rules of procedure for the determination of the taxable status of any person, for the making of returns and for the ascertainment, assessment, and collection of taxes and penalties imposed thereunder.

(2)(a) The department may make and publish rules, not inconsistent therewith, necessary to enforce provisions of this chapter and chapters 82.02 through 82.23B and 82.27 RCW, and the liquor and cannabis board must; and such other provisions of the Revised Code of Washington that the department is empowered by law to enforce. The liquor and cannabis board shall approve such rules necessary to enforce chapters 82.24, 82.26, and 82.25 RCW.

(b) Rules adopted by the department or liquor and cannabis board under the authority of this subsection have the same force and effect as if specifically included in law, unless declared invalid by a court of record not appealed from.

The department may employ such clerks, specialists, and other assistants as are necessary. Salaries and compensation of such employees must be fixed by the department and charged to the proper appropriation for the department.

The department must exercise general supervision of the collection of taxes and, in the discharge of such duty, may institute and prosecute such suits or proceedings in the courts as may be necessary and proper.

RCW 82.32.780 and 2010 c 112 s 2 are each amended to read as follows:

(a) Taxpayers seeking to obtain a new reseller permit or to renew or reinstate a reseller permit, other than taxpayers subject to the provisions of RCW 82.32.783, must apply to the department in a form and manner prescribed by the department. The department must use its best efforts to rule on applications within sixty days of receiving a complete application. If the department fails to rule on an application within sixty days of receiving a complete application, the taxpayer may either request a review as provided in subsection (6) of this section or resubmit the application. Nothing in this subsection may be construed as preventing the department from ruling on an application more than sixty days after the department received the application.

(b) An application must be denied if:

(i) The department determines that, based on the nature of the applicant’s business, the applicant is not entitled to make purchases at wholesale or is otherwise prohibited from using a reseller permit;

(ii) The application contains any material misstatement; or

(iii) The application is incomplete.

(c) The department may also deny an application if it determines that denial would be in the best interest of collecting taxes due under this title.

(d) The department’s decision to approve or deny an application may be based on tax returns previously filed with the department by the applicant, a current or previous examination of the applicant’s books and records by the department, information provided by the applicant in the master application and the reseller permit application, and other information available to the department.

(e) The department must refuse to accept an application to renew a reseller permit that is received more than ninety days before the expiration of the reseller permit.

(2) Notwithstanding subsection (1) of this section, the department may issue or renew a reseller permit for a taxpayer that has not applied for the permit or renewal of the permit if it appears to the department’s satisfaction, based on the nature of the taxpayer’s business activities and any other information available to the department, that the taxpayer is entitled to make purchases at wholesale.

(3)(a) Except as otherwise provided in this section, reseller permits issued, renewed, or reinstated under this section will be valid for a period of forty-eight months from the date of issuance, renewal, or reinstatement.

(b) A reseller permit is valid for a period of twenty-four months and may be renewed for the period prescribed in (a) of this subsection (3) if the permit is issued to a taxpayer who:

(A) Is not registered with the department under RCW 82.32.030;

(B) Has been registered with the department under RCW 82.32.030 for a continuous period of less than one year as of the date that the department received the taxpayer’s application for a reseller permit;

(C) Was on nonreporting status as authorized under RCW 82.32.045((44)) (5) at the time that the department received the taxpayer’s application for a reseller permit;

(D) Has filed tax returns reporting no business activity for purposes of sales and business and occupation taxes for the twelve-month period immediately preceding the date that the department received the taxpayer's application for a reseller permit or to renew or reinstate a reseller permit;

(E) Has filed tax returns covering any part of the twelve-month period immediately preceding the department's receipt of the taxpayer's application for a reseller permit or to renew or reinstate a reseller permit.

(ii) The provisions of this subsection (3)(b) do not apply to reseller permits issued to any business owned by a federally recognized Indian tribe or by an enrolled member of a federally recognized Indian tribe, if the business does not engage in any business activity that subjects the business to any tax imposed by
the state under chapter 82.04 RCW. Permits issued to such businesses are valid for the period provided in (a) of this subsection (3).

(iii) Nothing in this subsection (3)(b) may be construed as affecting the department's right to deny a taxpayer's application for a reseller permit or to renew or reinstate a reseller permit as provided in subsection (1)(b) and (c) of this section.

(c) A reseller permit is no longer valid if the permit holder's certificate of registration is revoked, the permit holder's tax reporting account is closed by the department, or the permit holder otherwise ceases to engage in business.

(d) The department may provide by rule for a uniform expiration date for reseller permits issued, renewed, or reinstated under this section, if the department determines that a uniform expiration date for reseller permits will improve administrative efficiency for the department. If the department adopts a uniform expiration date by rule, the department may extend or shorten the twenty-four or forty-eight month period provided in (a) and (b) of this subsection for a period not to exceed six months as necessary to conform the reseller permit to the uniform expiration date.

(4)(a) The department may revoke a taxpayer's reseller permit for any of the following reasons:

(i) The taxpayer used or allowed or caused its reseller permit to be used to purchase any item or service without payment of sales tax, but the taxpayer or other purchaser was not entitled to use the reseller permit for the purchase;

(ii) The department issued the reseller permit to the taxpayer in error;

(iii) The department determines that the taxpayer is no longer entitled to make purchases at wholesale; or

(iv) The department determines that revocation of the reseller permit would be in the best interest of collecting taxes due under this title.

(b) The notice of revocation must be in writing and is effective on the date specified in the revocation notice. The notice must also advise the taxpayer of its right to a review by the department.

(c) The department may refuse to reinstate a reseller permit revoked under (a)(i) of this subsection until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full. In the event a taxpayer whose reseller permit has been revoked under this subsection reorganizes, the new business resulting from the reorganization is not entitled to a reseller permit until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full.

(d) For purposes of this subsection, "reorganize" or "reorganization" means: (i) The transfer, however effected, of a majority of the assets of one business to another business where any of the persons having an interest in the ownership or management in the former business maintain an ownership or management interest in the new business, either directly or indirectly; (ii) a mere change in identity or form of ownership, however effected; or (iii) the new business is a mere continuation of the former business based on significant shared features such as owners, personnel, assets, or general business activity.

(5) The department may provide the public with access to reseller permit numbers on its web site, including the name of the permit holder, the status of the reseller permit, the expiration date of the permit, and any other information that is disclosable under RCW 82.32.330(3)(i)(ii)).

(6) The department must provide by rule for the review of the department's decision to deny, revoke, or refuse to reinstate a reseller permit or the department's failure to rule on an application within the time prescribed in subsection (1)(a) of this section. Such review must be consistent with the requirements of chapter 34.05 RCW.

(7) As part of its continuing efforts to educate taxpayers on their sales and use tax responsibilities, the department will educate taxpayers on the appropriate use of a reseller permit or other documentation authorized under RCW 82.04.470 and the consequences of misusing such permits or other documentation.

Sec. 41. RCW 82.60.025 and 2010 1st sp.s. c 16 s 4 are each amended to read as follows:

The lessor or owner of a qualified building is not eligible for a deferral unless:

(1) The underlying ownership of the buildings, machinery, and equipment vests exclusively in the same person; or

(2) The lessor by written contract agrees to pass the economic benefit of the deferral to the lessee;

(3) The economic benefit of the deferral passed to the lessee is not less than the amount of tax deferred by the lessor and is evidenced by written documentation of any type of payment, credit, or other financial arrangement between the lessor or owner of the qualified building and the lessee.

Sec. 42. RCW 82.60.063 and 2010 1st sp.s. c 16 s 10 are each amended to read as follows:

(1) Subject to the conditions in this section, a person is not liable for the amount of deferred taxes outstanding for an investment project when the person temporarily ceases to use its qualified buildings and qualified machinery and equipment for manufacturing or research and development activities in a county with a population of less than twenty thousand persons for a period not to exceed twenty-four months from the date that the department sent its assessment for the amount of outstanding deferred taxes to the taxpayer.

(2) The relief from repayment of deferred taxes under this section does not apply unless the number of qualified employment positions maintained at the investment project after manufacturing or research and development activities are temporarily ceased is at least ten percent of the number of qualified employment positions employed at the investment project at the time the deferral was approved by the department. If a person has been approved for more than one deferral under this chapter, relief from repayment of deferred taxes under this section does not apply unless the number of qualified employment positions maintained at the investment project after manufacturing or research and development activities are temporarily ceased is at least ten percent of the highest number of qualified employment positions at the investment project at the time any of the deferrals were approved by the department. If, at any time during the twenty-four month period after the department has sent the taxpayer an assessment for outstanding deferred taxes resulting from the person temporarily ceasing to use its qualified buildings and qualified machinery and equipment for manufacturing or research and development activities, the number of qualified employment positions falls below the ten percent threshold in this subsection, the amount of deferred taxes outstanding for the project is immediately due.

(3) The lessor of an investment project for which a deferral has been granted under this chapter who has passed the economic benefits of the deferral to the lessee is not eligible for relief from the payment of deferred taxes under this section.

(4) A person seeking relief from the payment of deferred taxes under this section must apply to the department in a form and manner prescribed by the department. The application required under this subsection must be made before the department within thirty days of the date that the department sent its assessment for outstanding deferred taxes resulting from the person temporarily ceasing to use its qualified buildings and qualified machinery and
equipment for manufacturing or research and development activities. The department must approve applications that meet the requirements in this section for relief from the payment of deferred taxes.

5. A person is entitled to relief under this section only once.

6. A person whose application for relief from the payment of deferred taxes has been approved under this section must file an annual tax performance report as required under RCW 82.60.070(1) or any successor statute. In addition, the person must file, in a form and manner prescribed by the department, a report on the status of the business and the outlook for commencing manufacturing or research and development activities.

Sec. 57. RCW 82.32.805 and 2013 2nd sp.s. c 13 s 1701 are each amended to read as follows:

(1) Except as otherwise provided in this section, every new tax preference expires on the first day of the calendar year that is subsequent to the calendar year that is ten years from the effective date of the tax preference. With respect to any new property tax exemption, the exemption does not apply to taxes levied for collection beginning in the calendar year that is subsequent to the calendar year that is ten years from the effective date of the tax preference.

(b) A future amendment that expands a tax preference does not extend the tax preference beyond the period provided in this subsection unless an extension is expressly and unambiguously stated in the amendment.

(2) Subsection (1) of this section does not apply if legislation creating a new tax preference includes an expiration date for the new tax preference or an exemption from this section in its entirety or from the provisions of subsection (1) of this section, whether or not such exemption is codified.

(3) Subsection (1) of this section does not apply to any existing tax preference that is amended to clarify an ambiguity or correct a technical inconsistency. Future enacted legislation intended to make such clarifications or corrections must explicitly indicate this intent.

(4) For the purposes of this section, the following definitions apply:

(a) "New tax preference" means a tax preference that initially takes effect after August 1, 2013, or a tax preference in effect as of August 1, 2013, that is expanded or extended after August 1, 2013, even if the expanding or extending amendment includes any other change to the tax preference.

(b) "Tax preference" has the same meaning as in RCW 43.136.021 with respect to any state tax administered by the department, except does not include the Washington estate and transfer tax in chapter 83.100 RCW.

(5) The department must provide written notice to the office of the code reviser of a ten-year expiration date required under this section for a new tax preference.

Sec. 58. RCW 82.32.808 and 2017 c 135 s 8 are each amended to read as follows:

(1) As provided in this section, every bill enacting a new tax preference must include a tax preference performance statement, unless the legislation enacting the new tax preference contains an explicit exemption from the requirements of this section.

(2) A tax preference performance statement must state the legislative purpose for the new tax preference. The tax preference performance statement must indicate one or more of the following general categories, by reference to the applicable category specified in this subsection, as the legislative purpose of the new tax preference:

(a) Tax preferences intended to induce certain designated behavior by taxpayers;

(b) Tax preferences intended to improve industry competitiveness;

(c) Tax preferences intended to create or retain jobs;

(d) Tax preferences intended to reduce structural inefficiencies in the tax structure;

(e) Tax preferences intended to provide tax relief for certain businesses or individuals; or

(f) A general purpose not identified in (a) through (e) of this subsection.

(3) In addition to identifying the general legislative purpose of the tax preference under subsection (2) of this section, the tax preference performance statement must provide additional detailed information regarding the legislative purpose of the new tax preference.

(4) A new tax preference performance statement must specify clear, relevant, and ascertainable metrics and data requirements that allow the joint legislative audit and review committee and the legislature to measure the effectiveness of the new tax preference in achieving the purpose designated under subsection (2) of this section.

(5) If the tax preference performance statement for a new tax preference indicates a legislative purpose described in subsection (2)(b) or (c) of this section, any taxpayer claiming the new tax preference must file an annual tax performance report in accordance with RCW 82.32.534.

(6) Taxpayers claiming a new tax preference must report the amount of the tax preference claimed by the taxpayer to the department as otherwise required by statute or determined by the department as part of the taxpayer's regular tax reporting responsibilities. For new tax preferences allowing certain types of gross income of the business to be excluded from business and occupation or public utility taxation, the tax return must explicitly report the amount of the exclusion, regardless of whether it is structured as an exemption or deduction, if the taxpayer is otherwise required to report taxes to the department on a monthly or quarterly basis. For a new sales and use tax exemption, the total purchase price or value of the exempt product or service subject to the exemption claimed by the buyer must be reported on an addendum to the buyer's tax return if the buyer is otherwise required to report taxes to the department on a monthly or quarterly basis and the buyer is required to submit an exemption certificate, or similar document, to the seller.

(b) This subsection does not apply to:

(i) Property tax exemptions;

(ii) Tax preferences required by constitutional law;

(iii) Tax preferences for which the tax benefit to the taxpayer is less than one thousand dollars per calendar year; or

(iv) Taxpayers who are annual filers.

(c) The department may waive the filing requirements of this subsection for taxpayers who are not required to file electronically any return or report under this chapter.

(7)(a) Except as otherwise provided in this subsection, the amount claimed by a taxpayer for any new tax preference is subject to public disclosure and is not considered confidential tax information under RCW 82.32.330, if the reporting periods subject to disclosure ended at least twenty-four months prior to the date of disclosure and the taxpayer is required to report the amount of the tax preference claimed by the taxpayer to the department under subsection (6) of this section.

(b)(i) The department may waive the public disclosure requirement under (a) of this subsection (7) for good cause. Good
cause may be demonstrated by a reasonable showing of economic harm to a taxpayer if the information specified under this subsection is disclosed. The waiver under this subsection (7)(b)(i) only applies to the new tax preferences provided in chapter 13, Laws of 2013 2nd sp. sess.

(ii) The amount of the tax preference claimed by a taxpayer during a calendar year is confidential under RCW 82.32.330 and may not be disclosed under this subsection if the amount for the calendar year is less than ten thousand dollars.

(c) In lieu of the disclosure and waiver requirements under this subsection, the requirements under RCW 82.32.534 apply to any tax preference that requires a tax performance report.

(8) If a new tax preference does not include the information required under subsections (2) through (4) of this section, the joint legislative audit and review committee is not required to perform a tax preference review under chapter 43.136 RCW, and it is legislatively presumed that it is the intent of the legislature to allow the new tax preference to expire upon its scheduled expiration date.

(9) For the purposes of this section, "tax preference" and "new tax preference" have the same meaning as provided in RCW 82.32.805.

(10) The provisions of this section do not apply to the extent that legislation creating a new tax preference provides an exemption, in whole or in part, from this section, whether or not such exemption is codified.

Sec. 59. RCW 35.90.020 and 2017 c 209 s 2 are each amended to read as follows:

(1) Except as otherwise provided in subsection (7) of this section, a city that requires a general business license of any person that engages in business activities within that city must partner with the department to have such license issued, and renewed if the city requires renewal, through the business licensing service in accordance with chapter 19.02 RCW.

(a) Except as otherwise provided in subsection (3) of this section, the department must phase in the issuance and renewal of general business licenses of cities that required a general business license as of July 1, 2017, and are not already partnering with the department, as follows:

(i) Between January 1, 2018, and December 31, 2021, the department must partner with at least six cities per year;

(ii) Between January 1, 2022, and December 31, 2027, the department must partner with the remaining cities;

(iii) Between July 1, 2017 and December 31, 2022, the department must partner with all cities requiring a general business license if specific funding for the purposes of this subsection (((3)(i)) (1)(a)(iii) is appropriated in the omnibus appropriations act.

(b) A city that imposes a general business license requirement and does not partner with the department as of January 1, 2018, may continue to issue and renew its general business licenses until the city partners with the department as provided in subsection (4) of this section.

(2)(a) A city that did not require a general business license as of July 1, 2017, but imposes a new general business license requirement after that date must advise the department in writing of its intent to do so at least ninety days before the requirement takes effect.

(b) If a city subject to (a) of this subsection (2) imposes a new general business license requirement after July 1, 2017, the department, in its sole discretion, may adjust resources to partner with the imposing city as of the date that the new general business licensing requirement takes effect. If the department cannot reallocate resources, the city may issue and renew its general business license until the department is able to partner with the city.

(3) The department may delay assuming the duties of issuing and renewing general business licenses beyond the dates provided in subsection (1)(a) of this section if:

(a) Insufficient funds are appropriated for this specific purpose;

(b) The department cannot ensure the business licensing system is adequately prepared to handle all general business licenses due to unforeseen circumstances;

(c) The department determines that a delay is necessary to ensure that the transition to mandatory department issuance and renewal of general business licenses is as seamless as possible; or

(d) The department receives a written notice from a city within sixty days of the date that the city appears on the department's biennial partnership plan, which includes an explanation of the fiscal or technical challenges causing the city to delay joining the system. A delay under this subsection (3)(d) may be for no more than three years.

(4)(a) In consultation with affected cities and in accordance with the priorities established in subsection (5) of this section, the department must establish a biennial plan for partnering with cities to assume the issuance and renewal of general business licenses as required by this section. The plan must identify the cities that the department will partner with and the dates targeted for the department to assume the duties of issuing and renewing general business licenses.

(b) By January 1, 2018, and January 1st of each even-numbered year thereafter until the department has partnered with all cities that currently impose a general business license requirement that have not declined to partner with the department under subsection (7) of this section, the department must submit the partnering plan required in (a) of this subsection (4) to the governor; legislative fiscal committees; house local government committee; senate (agriculture, water, trade and) financial institutions, economic development and trade committee; senate local government committee; affected cities; association of Washington cities; association of Washington business; national federation of independent business; and Washington retail association.

(c) The department may, in its sole discretion, alter the plan required in (a) of this subsection (4) with a minimum notice of thirty days to affected cities.

(5) When determining the plan to partner with cities for the issuance and renewal of general business licenses as required in subsection (4) of this section, cities that notified the department of their wish to partner with the department before January 1, 2017, must be allowed to partner before other cities.

(6) A city that partners with the department for the issuance and renewal of general business licenses through the business licensing service in accordance with chapter 19.02 RCW may not issue and renew those licenses.

(7) ((A)) (a) Except as provided in (b) of this subsection, a city may decline to partner with the department for the issuance and renewal of a general business license as provided in subsection (1) of this section if the city participates in the online local business license and tax filing portal known as "FileLocal" as of July 1, 2020.

(b) A city that receives at least one million nine hundred fifty thousand dollars in fiscal year 2020 for temporary streamlined sales tax mitigation under the 2019 omnibus appropriations act, section 722, chapter 415, Laws of 2019, may decline to partner with the department for the issuance and renewal of a general business license as provided in subsection (1) of this section if the city participates in FileLocal as of July 1, 2021.

(c) For the purposes of this subsection (7), a city is considered to be a FileLocal participant as of the date that a business may
access FileLocal for purposes of applying for or renewing that
city's general business license and reporting and paying that city's
local business and occupation taxes. A city that ceases
participation in FileLocal after July 1, 2020, or July 1, 2021, in
the case of a city eligible for the extension under (b) of this
subsection, must partner with the department for the issuance
and renewal of its general business license as provided in subsection
(1) of this section.

(8) By January 1, 2019, and each January 1st thereafter through
January 1, 2028, the department must submit a progress report to
the legislature. The report required by this subsection must
provide information about the progress of the department's efforts
to partner with all cities that impose a general business license
requirement and include:

(a) A list of cities that have partnered with the department as
required in subsection (1) of this section;
(b) A list of cities that have not partnered with the department;
(c) A list of cities that are scheduled to partner with the
department during the upcoming calendar year;
(d) A list of cities that have declined to partner with the
department as provided in subsection (7) of this section;
(e) An explanation of lessons learned and any process
efficiencies incorporated by the department;
(f) Any recommendations to further simplify the issuance and
renewal of general business licenses by the department; and
(g) Any other information the department considers relevant.

amended to read as follows:

information obtained by the department it appears that a tax or
penalty has been paid less than that properly due, the department
shall assess against the taxpayer such additional amount found to
be due and shall add thereto interest on the tax only. The
department shall notify the taxpayer by mail, or electronically as
provided in RCW 82.32.135, of the additional amount and the
additional amount shall become due and shall be paid within
thirty days from the date of the notice, or within such further time
as the department may provide.

shall be computed at the rate of nine percent per annum from the
last day of the year in which the deficiency is incurred until the
earlier of December 31, 1998, or the date of payment. After
December 31, 1998, the rate of interest shall be variable and

of interest shall be variable and computed as provided in subsection
(2) of this section from the last day of the year in which

subsection (1), interest imposed after December 31, 1998, shall
be computed from the last day of the month following each
calendar year included in a notice, and the last day of the month
following the final month included in a notice if not the end of a
calendar year, until the due date of the notice.

(ii) For interest associated with annual tax reporting periods
having a due date as prescribed in RCW 82.32.045(3), interest
must be computed from the last day of April immediately
following each such annual reporting period included in the
notice, until the due date of the notice.

(iii) If payment in full is not made by the due date of the notice,
additional interest shall be computed under this subsection (1)(c)
until the date of payment. The rate of interest shall be variable and
computed as provided in subsection (2) of this section. The rate
so computed shall be adjusted on the first day of January of each
year for use in computing interest for that calendar year.

(2) For the purposes of this section, the rate of interest to be
charged to the taxpayer shall be an average of the federal short-
term rate as defined in 26 U.S.C. Sec. 1274(d) plus two
percentage points. The rate set for each new year shall be
computed by taking an arithmetical average to the nearest
percentage point of the federal short-term rate, compounded
annually. That average shall be calculated using the rates from
four months: January, April, and July of the calendar year
immediately preceding the new year, and October of the previous
preceding year.

(3) During a state of emergency declared under RCW
43.06.010(12), the department, on its own motion or at the request
of any taxpayer affected by the emergency, may extend the due
date of any assessment or correction of an assessment for
additional taxes, penalties, or interest as the department deems
proper.

(4) No assessment or correction of an assessment for additional
taxes, penalties, or interest due may be made by the department
more than four years after the close of the tax year, except (a)
against a taxpayer who has not registered as required by this
chapter, (b) upon a showing of fraud or of misrepresentation of
a material fact by the taxpayer, or (c) where a taxpayer has executed
a written waiver of such limitation. The execution of a written
waiver shall also extend the period for making a refund or credit
as provided in RCW 82.32.060(2).

(5) For the purposes of this section, "return" means any
document a person is required by the state of Washington to file
to satisfy or establish a tax or fee obligation that is administered
or collected by the department of revenue and that has a statutorily
defined due date.

Sec. 61. RCW 82.32.060 and 2009 c 176 s 4 are each
amended to read as follows:

(1) If, upon receipt of an application by a taxpayer for a refund
or for an audit of the taxpayer's records, or upon an examination
of the returns or records of any taxpayer, it is determined by the
department that within the statutory period for assessment of
taxes, penalties, or interest prescribed by RCW 82.32.050 any
amount of tax, penalty, or interest has been paid in excess of that
properly due, the excess amount paid within, or attributable to,
such period must be credited to the taxpayer's account or must be
refunded to the taxpayer, at the taxpayer's option. Except as
provided in subsection (2) of this section, no refund or credit may
be made for taxes, penalties, or interest paid more than four years
prior to the beginning of the calendar year in which the refund
application is made or examination of records is completed.

(2)(a) The execution of a written waiver under RCW 82.32.050
or 82.32.100 will extend the time for making a refund or credit of
any taxes paid during, or attributable to, the years covered by the
waiver if, prior to the expiration of the waiver period, an
application for refund of such taxes is made by the taxpayer or the
department discovers a refund or credit is due.

(b) A refund or credit must be allowed for an excess payment
resulting from the failure to claim a bad debt deduction, credit, or
refund under RCW 82.04.4284, 82.08.037, 82.12.037,
82.14B.150, or 82.16.050(5) for debts that became bad debts
under 26 U.S.C. Sec. 166, as amended or renumbered as of
January 1, 2003, less than four years prior to the beginning of the
calendar year in which the refund application is made or
examination of records is completed.

(3) Any such refunds must be made by means of vouchers
approved by the department and by the issuance of state warrants
drawn upon and payable from such funds as the legislature may
provide. However, taxpayers who are required to pay taxes by
FIFTEEN EIGHTH DAY, MARCH 10, 2020

electronic funds transfer under RCW 82.32.080 must have any refunds paid by electronic funds transfer if the department has the necessary account information to facilitate a refund by electronic funds transfer.

(4) Any judgment for which a recovery is granted by any court of competent jurisdiction, not appealed from, for tax, penalties, and interest which were paid by the taxpayer, and costs, in a suit by any taxpayer must be paid in the same manner, as provided in subsection (3) of this section, upon the filing with the department of a certified copy of the order or judgment of the court.

(a) Interest at the rate of three percent per annum must be allowed by the department and by any court on the amount of any refund, credit, or other recovery allowed to a taxpayer for taxes, penalties, or interest paid by the taxpayer before January 1, 1992. This rate of interest applies for all interest allowed through December 31, 1998. Interest allowed after December 31, 1998, must be computed at the rate as computed under RCW 82.32.050(2). The rate so computed must be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(b) For refunds or credits of amounts paid or other recovery allowed to a taxpayer after December 31, 1991, the rate of interest must be the rate as computed for assessments under RCW 82.32.050(2) less one percent. This rate of interest applies for all interest allowed through December 31, 1998. Interest allowed after December 31, 1998, must be computed at the rate as computed under RCW 82.32.050(2). The rate so computed must be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(5) Interest allowed on a credit notice or refund issued after December 31, 2003, must be computed as follows:

(a) If all overpayments for each calendar year and all reporting periods ending with the final month included in a notice or refund were made on or before the due date of the final return for each calendar year or the final reporting period included in the notice or refund:

(i) Interest must be computed from January 31st following each calendar year included in a notice or refund; (ii)

(ii) Interest must be computed from the last day of the month following the final month included in a notice or refund; or

(iii) For interest associated with annual tax reporting periods having a due date as prescribed in RCW 82.32.045(5), interest must be computed from the last day of April following each such annual reporting period included in a notice or refund.

(b) If the taxpayer has not made all overpayments for each calendar year and all reporting periods ending with the final month included in a notice or refund on or before the dates specified by RCW 82.32.045 for the final return for each calendar year or the final month included in the notice or refund, interest must be computed from the last day of the month following the date on which payment in full of the liabilities was made for each calendar year included in a notice or refund, and the last day of the month following the date on which payment in full of the liabilities was made if the final month included in a notice or refund is not the end of a calendar year.

(c) Interest included in a credit notice must accrue up to the date the taxpayer could reasonably be expected to use the credit notice, as defined by the department's rules. If a credit notice is converted to a refund, interest must be recomputed to the date the refund is issued, but not to exceed the amount of interest that would have been allowed with the credit notice.

MESSAGE FROM THE HOUSE

March 5, 2020

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5473 with the following amendment(s): 5473-S.E AMH LAWS H5130.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) As a result of major demographic shifts, adults' obligations to provide unpaid care to elderly, frail, ill, or family members with a disability have sharply increased in the United States over the last two decades. In addition, the increasing unavailability of child care creates a problem for parents with young children. These situations appear to disproportionately affect women workers who are single parents. These trends often force employees to choose between providing care to a family member and keeping their job. Another factor for a parent leaving a job may be to relocate to be closer to a minor child. Additionally, workers are finding themselves in situations where the hours or responsibilities are being substantially increased without a commensurate increase in pay. Unemployment insurance was created to ease the burden of involuntary unemployment upon individual employees and the economy as a whole. Our current framework places unnecessary barriers to this insurance benefit in the way of workers, frequently low-wage employees, who must rely on caregiving or provide it themselves, sometimes forcing them to leave the workforce and leaving employers with a smaller labor pool. It is the intent of the legislature to ensure that Washington's unemployment insurance system remains responsive to the needs of employees with caregiving and other responsibilities and taking into account changes at the workplace.

(2) Several senate bills in the 2020 legislative session would have amended the unemployment insurance laws to provide that an individual is not disqualified from unemployment insurance benefits when:

(a) The separation was necessary because care for a child or a vulnerable adult in the claimant's care is inaccessible, so long as the claimant made reasonable efforts to preserve the employment status by requesting a leave of absence or changes in working conditions or work schedule that would accommodate the caregiving inaccessibility, by having promptly notified the employer of the reason for the absence, and by having promptly requested reemployment when again able to assume employment;

(b) The employer, without a commensurate change in pay:

(i) Substantially increases the individual's job duties; or

(ii) Significantly changes the individual's working conditions; and

(c) The individual left work to relocate outside the existing labor market because of the geographical location of or proximity to and the separation from a minor child.

(3) The legislature intends to have the employment security department study the impacts to Washington's unemployment insurance trust fund and the contribution rates of employers if the law was amended to allow unemployment insurance benefits for individuals who leave work voluntarily for the reasons described in subsection (2) of this section.

NEW SECTION. Sec. 2. (1) The employment security department must study the impacts to:

(a) Washington's unemployment insurance trust fund and the contribution rates of employers if the law was amended to allow unemployment insurance benefits for individuals who leave work voluntarily for the reasons described in section 1(2) of this act; and

(b) Washington's unemployment insurance trust fund if the law was amended to allow unemployment insurance benefits for individuals who leave work voluntarily for the reasons described in section 1(2) of this act, and the benefits were not charged to the employers' experience rating accounts.

(2) The employment security department may consider:

(a) The existing and prior Washington laws, rules, and case law governing the disqualification of individuals from receiving unemployment benefits for leaving work voluntarily without good cause;

(b) The laws and regulations of other states governing the disqualification of individuals from receiving unemployment benefits for leaving work voluntarily without good cause; and

(c) Any other information the employment security department deems relevant.

(3) By November 6, 2020, and in compliance with RCW 43.01.036, the employment security department must report to the

MESSAGE FROM THE HOUSE

March 5, 2020

Mr. President:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6288 with the following amendment(s): 6288-5.E AMH ENGR H5210.E

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that firearm violence is a significant public health and safety concern in Washington. From 2014 to 2018, over one thousand people in Washington were murdered and well over half of those victims were murdered with a gun. Thousands more were hospitalized or treated in emergency departments after surviving gunshot injuries. The legislature recognizes that firearm violence in Washington disproportionately impacts low-income communities and communities of color, with young men of color being particularly vulnerable. This violence imposes a high physical, emotional, and financial toll on families and communities across the state. In Washington, the overall estimate of the annual economic cost of gun violence is three billion eight hundred million dollars.

The legislature recognizes that rates of suicide have been growing in the United States as well as in the state of Washington. Seventy-nine percent of all firearm deaths in Washington state are suicides. More people die of suicide by firearm than by all other means combined.

The legislature intends to establish the Washington office of firearm safety and violence prevention to provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts to reduce preventable injuries and deaths from firearm violence. The office will work with government entities, law enforcement agencies, community-based organizations, and individuals through the state to develop evidence-based policies, strategies, and interventions to reduce the impacts of firearm violence in Washington's communities. The office will also administer the Washington firearm violence intervention and prevention grant program which will provide for intentional, coordinated, and sustained investments in evidence-based violence reduction strategies to reduce the human and financial costs of firearm violence and enhance firearm safety.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of commerce.

(2) "Office" means the Washington office of firearm safety and violence prevention.

NEW SECTION. Sec. 3. (1) The Washington office of firearm safety and violence prevention is created within the department for the purposes of coordinating and promoting effective state and local efforts to reduce firearm violence.

(2) The duties of the office include, but are not limited to:

(a) Working with law enforcement agencies, county prosecutors, researchers, and public health agencies throughout the state to identify and improve upon available data sources, data collection methods, and data-sharing mechanisms. The office will also identify gaps in available data needed for ongoing analysis, policy development, and the implementation of evidence-based firearm violence intervention and prevention strategies;

(b) Researching, identifying, and recommending legislative policy options to promote the implementation of statewide evidence-based firearm violence intervention and prevention strategies;

(c) Researching, identifying, and applying for nonstate funding to aid in the research, analysis, and implementation of statewide firearm violence intervention and prevention strategies;

(d) Working with the office of crime victim advocacy to identify opportunities to better support victims of firearm violence, a population that is currently underrepresented among recipients of victim services;

(e) Contract for a statewide helpline, counseling, and referral services for victims, friends, and family members impacted by gun violence and community professionals and providers who engage with them;

(f) Contract with the University of Washington to develop a best practice guide for therapy for gun violence victims;

(g) Administering the Washington firearm violence intervention and prevention grant program as outlined in section 6 of this act.

(3) The office shall report to the appropriate legislative policy committees by December 1st every odd-numbered year on its progress and findings in analyzing data, developing strategies to prevent firearm violence, and recommendations for additional legislative policy options. The first report must be submitted by December 1, 2021.

NEW SECTION. Sec. 4. Subject to the availability of amounts appropriated for this specific purpose, the office shall contract with a level one trauma center in the state of Washington to provide a statewide helpline, counseling, and referral service for victims, friends, and family members impacted by gun violence and community professionals, legal practitioners, health providers, and others who engage with them. The service must be developed in consultation with the office of crime victims advocacy established in RCW 43.280.080, and include the opportunity for brief clinical encounters, problem solving, and referral to the best state resources available to meet their needs. The service must become conversant with providers across the state that are trained in evidence-based trauma therapy and establish relationships to ensure specific knowledge of available resources. The office of crime victims advocacy established in RCW 43.280.080 must provide consultation within existing resources.

NEW SECTION. Sec. 5. The office shall contract with the University of Washington department of psychiatry and behavioral sciences to develop a best practice guide for therapy for gun violence victims in collaboration with the Harborview center for sexual assault and traumatic stress. The guide must summarize the state of the knowledge in this area and provide recommendations for areas of focus and action that are meaningful and practical for different constituencies. The guide must be made available to the public online and disseminated across the state to appropriate entities including but not limited to medical examiner's offices, prosecuting attorneys, level one and level two trauma centers, and victim support organizations.

NEW SECTION. Sec. 6. (1) The Washington firearm violence intervention and prevention grant program is created to be administered by the office. The purpose of the program is to improve public health and safety by supporting effective firearm violence reduction initiatives in communities that are disproportionately affected by firearm violence including suicides.

(2) Program grants shall be used to support, expand, and
replicate evidence-based violence reduction initiatives, including hospital-based violence intervention programs, evidence-based street outreach programs, and focused deterrence strategies, that seek to interrupt the cycles of violence, victimization, and retaliation in order to reduce the incidence of firearm violence. These initiatives must be primarily focused on providing violence intervention services to the small segment of the population that is identified as having the highest risk of perpetrating or being victimized by firearm violence.

(3) Program grants shall be made on a competitive basis to cities that are disproportionately impacted by violence, to law enforcement agencies in those cities, and to community-based organizations that serve the residents of those cities. Where appropriate, two or more cities may submit joint applications to better address regional problems.

(4) An applicant for a program grant shall submit a proposal, in a form prescribed by the office, which must include, but not be limited to, all of the following:

(a) Clearly defined and measurable objectives for the grant;
(b) A description describing how the applicant proposes to use the grant to implement an evidence-based firearm violence reduction initiative in accordance with this section;
(c) A statement describing how the applicant proposes to use the grant to enhance coordination of existing violence prevention and intervention programs and minimize duplication of services; and
(d) Evidence indicating that the proposed firearm violence reduction initiative would likely reduce the incidence of firearm violence.

(5) In awarding program grants, the office shall give preference to applicants whose grant proposals demonstrate the greatest likelihood of reducing firearm violence in the applicant's community, without contributing to mass incarceration.

(6) Each city that receives a program grant shall distribute no less than fifty percent of the grant funds to one or more of any of the following types of entities:

(a) Community-based organizations;
(b) Indian tribes and tribal organizations; and
(c) Public agencies or departments that are primarily dedicated to community safety or firearm violence prevention.

(7) The office shall form a grant selection advisory committee including, without limitation, persons who have been impacted by violence, formerly incarcerated persons, and persons with direct experience in implementing evidence-based violence reduction initiatives, including initiatives that incorporate public health and community-based approaches.

(8) Each grantee shall report to the office, in a form and at intervals prescribed by the office, the grantee's progress in achieving the grant objectives.

(9) The office may contract with an independent entity with expertise in evaluating community-based grant-funded programs to evaluate the grant program's effectiveness.

NEW SECTION. Sec. 7. Sections 2 through 6 of this act are each reenacted and amended to read as follows:

MR. PRESIDENT:

The House passed SENATE BILL NO. 6359 with the following amendment(s): 6359 AMH HCW H5073.2

In the case of a proposed health care facility (or portion thereof) which has not begun to provide tertiary health services on the date an application is submitted under this subsection with respect to such facility (or portion), the facility (or portion) shall meet the applicable requirements of subsection (1) of this section when the facility first provides such services. The department shall approve an application submitted under this subsection if it determines that the applicable requirements of subsection (1) of this section are met.

(3) A health care facility (or any part thereof) with respect to which an exemption was granted under subsection (1) of this section may not be sold or leased and a controlling interest in such facility or in a lease of such facility may not be acquired and a health care facility described in (1)(c) which was granted an exemption under subsection (1) of this section may not be used by any person other than the lessee described in (1)(c) unless:

(a) The department issues a certificate of need approving the sale, lease, acquisition, or use; or

(b) The department determines, upon application, that (i) the entity to which the facility is proposed to be sold or leased, which intends to acquire the controlling interest, or which intends to use the facility is a health maintenance organization or a combination of health maintenance organizations which meets the requirements of (1)(a)(i), and (ii) with respect to such facility, meets the requirements of (1)(a)(ii) or (iii) or the requirements of (1)(b)(i) and (ii).

(4) In the case of a health maintenance organization, an ambulatory care facility, or a health care facility, which ambulatory or health care facility is controlled, directly or indirectly, by a health maintenance organization or a combination of health maintenance organizations, the department may under the program apply its certificate of need requirements to the offering of inpatient tertiary health services to the extent that such offering is not exempt under the provisions of this section or RCW 70.38.105(7).

(5)(a) The department shall not require a certificate of need for the construction, development, or other establishment of a nursing home, or the addition of beds to an existing nursing home, that is owned and operated by a continuing care retirement community that:

(i) Offers services only to contractual members;

(ii) Provides its members a contractually guaranteed range of services from independent living through skilled nursing, including some assistance with daily living activities;

(iii) Contractually assumes responsibility for the cost of services exceeding the member's financial responsibility under the contract, so that no third party, with the exception of insurance purchased by the retirement community or its members, but including the medicaid program, is liable for costs of care even if the member depletes his or her personal resources;

(iv) Has offered continuing care contracts and operated a nursing home continuously since January 1, 1988, or has obtained a certificate of need to establish a nursing home;

(v) Maintains a binding agreement with the state assuring that financial liability for services to members, including nursing home services, will not fall upon the state;

(vi) Does not operate, and has not undertaken a project that would result in a number of nursing home beds in excess of one for every four living units operated by the continuing care retirement community, exclusive of nursing home beds; and

(vii) Has obtained a professional review of pricing and long-term solvency within the prior five years which was fully disclosed to members.

(b) A continuing care retirement community shall not be exempt under this subsection from obtaining a certificate of need unless:

(i) It has submitted an application for exemption at least thirty days prior to commencing construction of, is submitting an application for the licensure of, or is commencing operation of a nursing home, whichever comes first; and

(ii) The application documents to the department that the continuing care retirement community qualifies for exemption.

(c) The sale, lease, acquisition, or use of part or all of a continuing care retirement community nursing home that qualifies for exemption under this subsection shall require prior certificate of need approval to qualify for licensure as a nursing home unless the department determines such sale, lease, acquisition, or use is by a continuing care retirement community that meets the conditions of (a) of this subsection.

(6) A rural hospital, as defined by the department, reducing the number of licensed beds to become a rural primary care hospital under the provisions of Part A Title XVIII of the Social Security Act Section 1820, 42 U.S.C., 1395c et seq. may, within three years of the reduction of beds licensed under chapter 70.41 RCW, increase the number of licensed beds to no more than the previously licensed number without being subject to the provisions of this chapter.

(7) A rural health care facility licensed under RCW 70.175.100 formerly licensed as a hospital under chapter 70.41 RCW may, within three years of the effective date of the rural health care facility license, apply to the department for a hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous
A rural hospital determined to no longer meet critical access hospital status for state law purposes as a result of participation in the Washington rural health access preservation pilot identified by the state office of rural health and formerly licensed as a hospital under chapter 70.41 RCW may apply to the department to renew its hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW. If all or part of a formerly licensed rural hospital is sold, purchased, or leased during the period the rural hospital does not meet critical access hospital status as a result of participation in the Washington rural health access preservation pilot and the new owner or lessor applies to renew the rural hospital's license, then the sale, purchase, or lease of part or all of the rural hospital is subject to the provisions of this chapter.

A nursing home that voluntarily reduces the number of its licensed beds to provide assisted living, licensed assisted living facility care, adult day care, adult day health, respite care, hospice, outpatient therapy services, congregate meals, home health, or senior wellness clinic, or to reduce to one or two the number of beds per room or to otherwise enhance the quality of life for residents in the nursing home, may convert the original facility or portion of the facility back, and thereby increase the number of nursing home beds to more than the previously licensed number of nursing home beds without obtaining a certificate of need under this chapter, provided the facility has been in continuous operation and has not been purchased or leased. Any conversion to the original licensed bed capacity, or to any portion thereof, shall comply with the same life and safety code requirements as existed at the time the nursing home voluntarily reduced its licensed beds; unless waivers from such requirements were issued, in which case the converted beds shall reflect the conditions or standards that then existed pursuant to the approved waivers.

To convert beds back to nursing home beds under this subsection, the nursing home must:

(i) Give notice of its intent to preserve conversion options to the department of health no later than thirty days after the effective date of the license reduction; and

(ii) Give notice to the department of health and to the department of social and health services of the intent to convert beds back. If construction is required for the conversion of beds back, the notice of intent to convert beds back must be given, at a minimum, one year prior to the effective date of license modification reflecting the restored beds; otherwise, the notice must be given a minimum of ninety days prior to the effective date of license modification reflecting the restored beds. Prior to any license modification to convert beds back to nursing home beds under this section, the licensee must demonstrate that the nursing home meets the certificate of need exemption requirements of this section.

The term “construction,” as used in (b)(ii) of this subsection, is limited to those projects that are expected to equal or exceed the expenditure minimum amount, as determined under this chapter.

Conversion of beds back under this subsection must be completed no later than four years after the effective date of the license reduction. However, for good cause shown, the four-year period for conversion may be extended by the department of health for one additional four-year period.

Nursing homes that have been voluntarily reduced under this section shall be counted as available nursing home beds for the purpose of evaluating need under RCW 70.38.115(2) (a) and (k) so long as the facility retains the ability to convert them back to nursing home use under the terms of this section.

When a building owner has secured an interest in the nursing home beds, which are intended to be voluntarily reduced by the licensee under (a) of this subsection, the applicant shall provide the department with a written statement indicating the building owner's approval of the bed reduction.

The department shall not require a certificate of need for a hospice agency if:

(i) The hospice agency is designed to serve the unique religious or cultural needs of a religious group or an ethnic minority and commits to furnishing hospice services in a manner specifically aimed at meeting the unique religious or cultural needs of the religious group or ethnic minority;

(ii) The hospice agency is operated by an organization that:

(A) Operates a facility, or group of facilities, that offers a comprehensive continuum of long-term care services, including, at a minimum, a licensed, medicare-certified nursing home, assisted living, independent living, day health, and various community-based support services, designed to meet the unique social, cultural, and religious needs of a specific cultural and ethnic minority group;

(B) Has operated the facility or group of facilities for at least ten continuous years prior to the establishment of the hospice agency;

(iii) The hospice agency commits to coordinating with existing hospice programs in its community when appropriate;

(iv) The hospice agency has a census of no more than forty patients;

(v) The hospice agency commits to obtaining and maintaining medicare certification;

(vi) The hospice agency only serves patients located in the same county as the majority of the long-term care services offered by the organization that operates the agency; and

(vii) The hospice agency is not sold or transferred to another agency.

The department shall include the patient census for an agency exempted under this subsection (10) in its calculations for future certificate of need applications.

To alleviate the need to board psychiatric patients in emergency departments and increase capacity of hospitals to serve individuals on ninety-day or one hundred eighty-day commitment orders, for the period of time from May 5, 2017, through June 30, 2021:

(a) The department shall suspend the certificate of need requirement for a hospital licensed under chapter 70.41 RCW that changes the use of licensed beds to increase the number of beds to provide psychiatric services, including involuntary treatment services. A certificate of need exemption under this subsection (11)(a) shall be valid for two years.

(b) The department may not require a certificate of need for:

(i) The addition of beds as described in RCW 70.38.260 (2) and (3); or

(ii) The construction, development, or establishment of a psychiatric hospital licensed as an establishment under chapter 71.12 RCW that will have no more than sixteen beds and provide treatment to adults on ninety or one hundred eighty-day involuntary commitment orders, as described in RCW 70.38.260(4).

An ambulatory surgical facility is exempt from all certificate of need requirements if the facility:

(i) Is an individual or group practice and, if the facility is a group practice, the privilege of using the facility is not extended to physicians outside the group practice;

(ii) Operated or received approval to operate, prior to January
19, 2018; and
(iii) Was exempt from certificate of need requirements prior to January 19, 2018, because the facility either:
(A) Was determined to be exempt from certificate of need requirements pursuant to a determination of reviewability issued by the department; or
(B) Was a single-specialty endoscopy center in existence prior to January 14, 2003, when the department determined that endoscopy procedures were surgeries for purposes of certificate of need.

(b) The exemption under this subsection:
(i) Applies regardless of future changes of ownership, corporate structure, or affiliations of the individual or group practice as long as the use of the facility remains limited to physicians in the group practice; and
(ii) Does not apply to changes in services, specialties, or number of operating rooms.

(13) A rural health clinic providing health services in a home health shortage area as declared by the department pursuant to 42 C.F.R. Sec. 405.2416 is not subject to certificate of need review under this chapter.

Sec. 2. RCW 70.127.040 and 2012 c 10 s 54 are each amended to read as follows:
The following are not subject to regulation for the purposes of this chapter:
(1) A family member providing home health, hospice, or home care services;
(2) A person who provides only meal services in an individual's permanent or temporary residence;
(3) An individual providing home care through a direct agreement with a recipient of care in an individual's permanent or temporary residence;
(4) A person furnishing or delivering home medical supplies or equipment that does not involve the provision of services beyond those necessary to deliver, set up, and monitor the proper functioning of the equipment and educate the user on its proper use;

(6) An employee or volunteer of a licensed agency who provides services only as an employee or volunteer;
(7) Facilities and institutions, including but not limited to nursing homes under chapter 18.51 RCW, hospitals under chapter 70.41 RCW, adult family homes under chapter 70.128 RCW, assisted living facilities under chapter 18.20 RCW, developmental disability residential programs under chapter 71A.12 RCW, other entities licensed under chapter 71.12 RCW, or other licensed facilities and institutions, only when providing services to persons residing within the facility or institution;
(8) Local and combined city-county health departments providing services under chapters 70.05 and 70.08 RCW;
(9) An individual providing care to ill individuals, individuals with disabilities, or vulnerable individuals through a contract with the department of social and health services;
(10) Nursing homes, hospitals, or other institutions, agencies, organizations, or persons that contract with licensed home health, hospice, or home care agencies for the delivery of services;
(11) In-home assessments of an ill individual, an individual with a disability, or a vulnerable individual that does not result in regular ongoing care at home;
(12) Services conducted by and for the adherents of a church or religious denomination that rely upon spiritual means alone through prayer for healing in accordance with the tenets and practices of such church or religious denomination and the bona fide religious beliefs genuinely held by such adherents;
(13) A medicare-approved dialysis center operating a medicare-approved home dialysis program;
(14) A person providing case management services. For the purposes of this subsection, "case management" means the assessment, coordination, authorization, planning, training, and monitoring of home health, hospice, and home care, and does not include the direct provision of care to an individual;

MESSAGE FROM THE HOUSE

March 4, 2020

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6397 with the following amendment(s): 6397-S AMH APP H5313.1
Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.09.522 and 2019 c 325 s 4004 are each amended to read as follows:

(1) For the purposes of this section:
(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under this chapter or other applicable law and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;
(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter or other applicable law whose health care services are provided by the managed health care system.

(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of medicaid under the following conditions:
(a) Agreements shall be made for at least thirty thousand recipients statewide;
(b) Agreements in at least one county shall include enrollment of all recipients of programs as allowed for in the approved state plan amendment or federal waiver for Washington state's medicaid program;
(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;
(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;
(e)(i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, including:
(A) Standards regarding the quality of services to be provided;
(B) The financial integrity of the responding system;
(C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive medication management services for patients with multiple chronic conditions consistent with the findings and goals established in RCW 74.09.5223;
(D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use;
(E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management;
(F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals established in RCW 74.09.5223;
(G) Evaluation and reporting on the impact of comprehensive medication management services on patient clinical outcomes and total health care costs, including reductions in emergency department utilization, hospitalization, and drug costs; and
(H) Established consistent processes to incentivize integration of behavioral health services in the primary care setting, promoting care that is integrated, collaborative, colocated, and preventive
(ii)(A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.
(B) Contracts that include the items in (e)(i)(C) through (G) of this subsection must not exceed the rates that would be paid in the absence of these provisions;
(f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;
(g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;
(b) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;
(i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and
(j) The authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicare clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:
(a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that enable the authority to operate as far
below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of Medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(6) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) Any contract with a managed health care system to provide services to medical assistance enrollees shall require that managed health care systems offer contracts to mental health providers and substance use disorder treatment providers to provide access to primary care services integrated into behavioral health clinical settings, for individuals with behavioral health and medical comorbidities.

(8) Managed health care system contracts effective on or after April 1, 2016, shall serve geographic areas that correspond to the regional service areas established in RCW 74.09.870.

(9) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter or other applicable law to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state if the managed health care system has made good faith efforts to contract with the nonparticipating provider.

(10) For services covered under this chapter or other applicable law to medical assistance or medical care services enrollees, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (9) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(11) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the authority, including hospital-based physician services. The authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(12) Payments under RCW 74.60.130 are exempt from this section.

(13) Subsections (9) through (11) of this section expire July 1, 2024.

Correct the title.

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

March 5, 2020

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6442 with the following amendment(s): 6442-S.E AMH PS H5071.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS.
(1) The legislature finds that all people confined in prisons in Washington deserve basic health care, nutrition, and safety. As held in United States v. California, 921 F.3d 865, 886 (9th Cir. 2019), states possess "the general authority to ensure the health and welfare of inmates and detainees in facilities within its borders."

(2) The legislature finds that profit motives lead private prisons to cut operational costs, including the provision of food, health care, and rehabilitative services, because their primary fiduciary duty is to maximize shareholder profits. The legislature finds that this is in stark contrast to the interests of the state to ensure the health, safety, and welfare of Washingtonians.

(3) The legislature finds that people confined in for-profit prisons have experienced abuses and have been confined in dangerous and unsanitary conditions. Safety risks and abuses in private prisons at the local, state, and federal level have been consistently and repeatedly documented. The United States department of justice office of the inspector general found in 2016 that privately operated prisons "incurred more safety and security incidents per capita than comparable BOP (federal bureau of prisons) institutions." The office of inspector general additionally found that privately operated prisons had "higher rates of inmate-on-inmate and inmate-on-staff assaults, as well as higher rates of staff uses of force."

(4) The legislature finds that private prison operators have cut costs by reducing essential security and health care staffing. The sentencing project, a national research and advocacy organization, found in 2012 that private prison staff earn an average of five thousand dollars less than staff at publicly run facilities and receive almost sixty hours less training. The office of inspector general also found that people confined in private facilities often failed to receive necessary medical care and that one private prison went without a full-time physician for eight months.

(5) The legislature finds that private prisons are less accountable for what happens inside those facilities than state-run facilities, as they are not subject to the freedom of information act under 5 U.S.C. Sec. 552 or the Washington public records act under chapter 42.56 RCW.

(6) The legislature finds that at least twenty-two other states have stopped confining people in private for-profit facilities.

(7) Therefore, it is the intent of the legislature to prohibit the use of private prisons in Washington state.

NEW SECTION. Sec. 2. A new section is added to chapter 72.68 RCW to read as follows:

PROHIBITION ON PRIVATE INCARCERATION.
(1) Except as provided in subsection (2) of this section and RCW 72.68.010(2), the secretary is prohibited from utilizing a contract with a private correctional entity for the transfer or placement of offenders.

(2) This section does not apply to:
(a) State work release centers, juvenile residential facilities, nonprofit community-based alternative juvenile detention facilities, or nonprofit community-based alternative adult detention facilities that provide separate care or special treatment, operated in whole or in part by for-profit contractors;
(b) Contracts for ancillary services including, but not limited to, medical services, educational services, repair and maintenance contracts, behavioral health services, or other services not directly related to the ownership, management, or operation of security services in a correctional facility; or
(c) Tribal entities.

Sec. 3. RCW 72.68.040 and 2012 c 117 s 500 are each amended to read as follows:

(1) The secretary may contract with the authorities of the federal government, or the authorities of any state of the United States, (private companies in other states,)) or any county or city in this state providing for the detention in an institution or jail operated by such entity, for prisoners convicted of a felony in the courts of this state and sentenced to a term of imprisonment therefor in a state correctional institution for convicted felons under the jurisdiction of the department. (After) Except as provided in subsection (2) of this section, after the making of a contract under this section, prisoners sentenced to a term of imprisonment in a state correctional institution for convicted felons may be conveyed by the superintendent or his or her assistants to the institution or jail named in the contract. The prisoners shall be delivered to the authorities of the institution or jail, there to be confined until their sentences have expired or they are otherwise discharged by law, paroled, or until they are returned to a state correctional institution for convicted felons for further confinement.

(2) A prisoner may not be conveyed to a private correctional entity except under the circumstances identified in RCW 72.68.010(2) or section 2(2) of this act.

Sec. 4. RCW 72.68.010 and 2000 c 62 s 2 are each amended to read as follows:

(1) Whenever in its judgment the best interests of the state or the welfare of any prisoner confined in any penal institution will be better served by his or her transfer to another institution or to a foreign country of which the prisoner is a citizen or national, the secretary may effect such transfer consistent with applicable federal laws and treaties. The secretary has the authority to transfer offenders between in-state correctional facilities or to out-of-state (private or) governmental institutions if the secretary determines that transfer is in the best interest of the state.
or the offender. The determination of what is in the best interest of the state or offender may include but is not limited to considerations of overcrowding, emergency conditions, or hardship to the offender. In determining whether the transfer will impose a hardship on the offender, the secretary shall consider:

(a) The location of the offender's family and whether the offender has maintained contact with members of his or her family; (b) whether, if the offender has maintained contact, the contact will be significantly disrupted by the transfer due to the family's inability to maintain the contact as a result of the transfer; and (c) whether the offender is enrolled in a vocational or educational program that cannot reasonably be resumed if the offender is returned to the state.

(2)(a) The secretary has the authority to transfer offenders to an out-of-state private correctional entity only if:

(i) The governor finds that an emergency exists such that the population of a state correctional facility exceeds its reasonable, maximum capacity, resulting in safety and security concerns;

(ii) The governor has considered all other legal options to address capacity, including those pursuant to RCW 9.94A.870;

(iii) The secretary determines that transfer is in the best interest of the state or the offender; and

(iv) The contract with the out-of-state private correctional entity includes requirements for access to public records to the same extent as if the facility were operated by the department, inmate access to the office of the corrections ombuds, and inspections and visits without notice.

(b) Should any of these requirements in this subsection not be met, the contract with the private correctional entity shall be terminated.

(3) If directed by the governor, the secretary shall, in carrying out this section and RCW 43.06.350, adopt rules under chapter 34.05 RCW to effect the transfer of prisoners requesting transfer to foreign countries.

Sec. 5. RCW 72.09.050 and 1999 c 309 s 1902 and 1999 c 309 s 924 are each reenacted and amended to read as follows:

The secretary shall manage the department of corrections and shall be responsible for the administration of adult correctional programs, including but not limited to the operation of all state correctional institutions or facilities used for the confinement of convicted felons. In addition, the secretary shall have broad powers to enter into agreements with any federal agency, or any other state, or any Washington state agency or local government providing for the operation of any correctional facility or program for persons convicted of felonies or misdemeanors or for juvenile offenders. Such agreements for counties with local law and justice councils shall be required in the local law and justice plan pursuant to RCW 72.09.300. The agreements may provide for joint operation or operation by the department of corrections, alone, or by any of the other governmental entities, alone. (Beginning February 1, 1999, the secretary may expend funds appropriated for the 1997-1999 biennium to enter into agreements with any local government or private organization in any other state, providing for the operation of any correctional facility or program for persons convicted of felonies. Between July 1, 1999, and June 30, 2001, the secretary may expend funds appropriated for the 1999-01 biennium to enter into agreements with any local government or private organization in any other state, providing for the operation of any correctional facility or program for persons convicted of felonies.) The secretary may employ persons to aid in performing the functions and duties of the department. The secretary may delegate any of his or her functions or duties to department employees, including the authority to certify and maintain custody of records and documents on file with the department. The secretary is authorized to promulgate standards for the department of corrections within appropriation levels authorized by the legislature.

Pursuant to the authority granted in chapter 34.05 RCW, the secretary shall adopt rules providing for inmate restitution when restitution is determined appropriate as a result of a disciplinary action.

Sec. 6. RCW 72.68.001 and 1981 c 136 s 114 are each amended to read as follows:

The governor shall transmit such written charges to the member accused and the chief justice of the supreme court. Removal of any member of the board by the tribunal shall disqualify such member for reappointment.

(2) Each board member shall receive reimbursement for travel expenses incurred in the discharge of his or her duties in accordance with RCW 43.03.050 and 43.03.060. Each member shall receive an annual salary to be determined by the governor pursuant to RCW 43.03.040. The board shall specify in its rules of practice and procedure, as required by subsection (7) of this section, the procedure and criteria to be employed for designating hearing examiners as a presiding officer. Hearing examiners used by the board shall meet the requirements of subsection (3) of this section. (10) All members of the board shall meet on at least an annual basis with the objective of sharing information that promotes the goals and purposes of this chapter.

(11) The board shall annually elect one of its attorney members to be the board (administrative officer) chair. The duties and responsibilities of the (administrative officers) chair include (handling day-to-day administrative, budget, and personnel matters on behalf of the board, together with making case assignments to board members in accordance with the board’s rules of procedure in order to achieve a fair and balanced workload among all board members. MESSAGE FROM THE HOUSE

March 6, 2020

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6617 with the following amendment(s): 6617-S.E AMH FITZ H5386.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature makes the following findings:

(a) Washington state is experiencing a housing affordability crisis. Many communities across the state are in need of more housing for renters, across the income spectrum. Accessory dwelling units are frequently rented at below market rate, providing additional affordable housing options for renters.

(b) Accessory dwelling units are often occupied by tenants who pay no rent at all; among these tenants are grandparents, adult children, family members with disabilities, friends going through life transitions, and community members in need. Accessory dwelling units meet the needs of these people who might otherwise require scarce subsidized housing space and resources.

(c) Accessory dwelling units can meet the needs of Washington's growing senior population, making it possible for this population to age in their communities by offering senior-friendly housing, which prioritizes physical accessibility, in walkable communities near amenities essential to successful aging in place, including transit and grocery stores, without requiring costly renovations of existing housing stock.

(d) Homeowners who add an accessory dwelling unit may benefit from added income and an increased sense of security.

(e) Siting accessory dwelling units near transit hubs and near public amenities can help to reduce greenhouse gas emissions by increasing walkability, shortening household commutes, and limiting sprawl.

(2) The legislature intends to promote and encourage the creation of accessory dwelling units as a means to address the need for additional affordable housing options.

NEW SECTION. Sec. 2. A new section is added to chapter 36.70A RCW to read as follows:

The definitions in this section apply throughout sections 3 and 4 of this act unless the context clearly requires otherwise.

(1) "Accessory dwelling unit" means a dwelling unit located on the same lot as a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(2) "Attached accessory dwelling unit" means an accessory dwelling unit located within or attached to a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(3) "City" means any city, code city, and town located in a county planning under RCW 36.70A.040.

(4) "Detached accessory dwelling unit" means an accessory dwelling unit that consists partly or entirely of a building that is separate and detached from a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(5) "Dwelling unit" means a residential living unit that provides complete independent living facilities for one or more persons and that includes permanent provisions for living, sleeping, eating, cooking, and sanitation.

(6) "Major transit stop" means:

(a) A stop on a high capacity transportation system funded or expanded under the provisions of chapter 81.104 RCW;

(b) Commuter rail stops;

(c) Stops on rail or fixed guideway systems, including transitways;

(d) Stops on bus rapid transit routes or routes that run on high occupancy vehicle lanes; or

(e) Stops for a bus or other transit mode providing fixed route..."
service at intervals of at least fifteen minutes during the peak hours of operation.

NEW SECTION. Sec. 3. A new section is added to chapter 36.70A RCW to read as follows:

(1) Cities must adopt or amend by ordinance, and incorporate into their development regulations, zoning regulations, and other official controls the requirements of section 4 of this act to take effect by July 1, 2021.

(2) Beginning July 1, 2021, the requirements of section 4 of this act:
   (a) Apply and take effect in any city that has not adopted or amended ordinances, regulations, or other official controls as required under this section; and
   (b) Supersede, preempt, and invalidate any local development regulations that conflict with section 4 of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 36.70A RCW to read as follows:

The distillery or craft distillery tasting rooms referenced in this section shall be the off-site tasting rooms allowed, and have the privileges and limitations provided in this chapter. This section does not create additional numbers of authorized tasting rooms beyond what is authorized by this section, section 3 of this act, and in RCW 66.24.140, 66.24.145, 66.28.040, 66.24.630, and 66.28.310.

Sec. 8. RCW 66.28.040 and 2016 c 235 s 15 are each amended to read as follows:

(1) Except as permitted by the board under RCW 66.20.010, or as allowed under this title, no domestic brewery, microbrewery, distributor, distiller, domestic winery, importer, rectifier, certificate of approval holder, or other manufacturer of liquor may, within the state of Washington, give to any person any liquor without charge.

(2) Nothing in this section nor in RCW 66.28.305 prevents a domestic brewery, microbrewery, distributor, domestic winery, distiller, certificate of approval holder, or importer from furnishing samples of beer, wine, orspirituous liquor to authorized licensees for the purpose of negotiating a sale, in accordance with regulations adopted by the liquor and cannabis board, provided that the samples are subject to taxes imposed by RCW 66.24.290 and 66.24.210.(a)

to such exemption.

(5) Nothing in this section prevents a domestic brewery or
microbrewery from serving beer without charge, on the brewery
premises.

(6) Nothing in this section prevents donations of wine for the

(7) Nothing in this section prevents a domestic winery from
serving wine without charge, on the winery premises.

(8) Nothing in this section prevents a craft distillery acting as

66.24.143, distillery licensed under RCW 66.24.140 or
66.24.145, or an off-site tasting room authorized under section 3
of this act, from providing, without charge, samples of spirits,
including spirits adulterated with other alcohol entitled to be
served to customers on the distillery premises or at an off-site
tasting room.

Sec. 9. RCW 66.24.630 and 2017 c 96 s 4 are each amended
to read as follows:

(1) There is a spirits retail license to: Sell spirits in original
containers to consumers for consumption off the licensed
premises and to permit holders; sell spirits in original containers
to retailers licensed to sell spirits for consumption on the
premises, for resale at their licensed premises according to the
terms of their licenses, although no single sale may exceed
twenty-four liters, unless the sale is by a licensee that was a
contract liquor store manager of a contract liquor store at the
location of its spirits retail licensed premises from which it makes
such sales; and export spirits.

(2) For the purposes of this title, a spirits retail license is a retail
license, and a sale by a spirits retailer is a retail sale only if not for
resale. Nothing in this title authorizes sales by on-sale licensees
to other retail licensees. The board must establish by rule an
obligation of on-sale spirits retailers to:

(a) Maintain a schedule by stock-keeping unit of all their
purchases of spirits from spirits retail licensees, including
combination spirits, beer, and wine licensees holding a license
issued pursuant to RCW 66.24.035, indicating the identity of the
seller and the quantities purchased; and

(b) Provide, not more frequently than quarterly, a report for
each scheduled item containing the identity of the purchasing on-
premises licensee and the quantities of that scheduled item
purchased since any preceding report to:

(i) A distributor authorized by the distiller to distribute a
scheduled item in the on-sale licensee's geographic area; or

(ii) A distiller acting as distributor of the scheduled item in
the area.

(3)(a) Except as otherwise provided in (c) of this subsection,
the board may issue spirits retail licenses only for premises
comprising at least ten thousand square feet of fully enclosed
retail space within a single structure, including storerooms and
other interior auxiliary areas but excluding covered or fenced
exterior areas, whether or not attached to the structure, and only
to applicants that the board determines will maintain systems for
inventory management, employee training, employee
supervision, and physical security of the product substantially as
effective as those of stores currently operated by the board with
respect to preventing sales to or pilferage by underage or
inebriated persons.

(b) License issuances and renewals are subject to RCW
66.24.010 and the regulations adopted thereunder, including
without limitation rights of cities, towns, county legislative
authorities, the public, churches, schools, and public institutions
to object to or prevent issuance of local liquor licenses. However,
existing grocery premises licensed to sell beer and/or wine are
deemed to be premises "now licensed" under RCW
66.24.010(9)(a) for the purpose of processing applications for
spirits retail licenses.

(c) The board may not deny a spirits retail license to an
otherwise qualified contract liquor store at its contract location or
to the holder of former state liquor store operating rights sold at
auction under RCW 66.24.620 on the grounds of location, nature,
or size of the premises to be licensed. The board may not deny a
spirits retail license to applicants that are not contract liquor stores
or operating rights holders on the grounds of the size of the
premises to be licensed, if such applicant is otherwise qualified
and the board determines that:

(i) There is no spirits retail license holder in the trade area that
the applicant proposes to serve;

(ii) The applicant meets, or upon licensure will meet, the
operational requirements established by the board by rule; and

(iii) The licensee has not committed more than one public
safety violation within the three years preceding application.

(d) A retailer authorized to sell spirits for consumption on or
off the licensed premises may accept delivery of spirits at its
licensed premises, at another licensed premises as designated by
the retailer, or at one or more warehouse facilities registered
with the board, which facilities may also warehouse and distribute
nonliquor items, and from which the retailer may deliver to its
own licensed premises and, pursuant to sales permitted under
subsection (1) of this section:

(i) To other retailer premises licensed to sell spirits
for consumption on the licensed premises;

(ii) To other registered facilities; or

(iii) To lawful purchasers outside the state. The facilities may
be registered and utilized by associations, cooperatives, or
comparable groups of retailers, including at least one retailer
licensed to sell spirits.

(e) For purposes of negotiating volume discounts, a group of
individual retailers authorized to sell spirits for consumption off
the licensed premises may accept delivery of spirits at their
individual licensed premises or at any one of the individual
licensee's premises, or at a warehouse facility registered with
the board.

(4)(a) Except as otherwise provided in RCW 66.24.632, or in
(b) of this subsection, each spirits retail licensee must pay to the
board, for deposit into the liquor revolving fund, a license
issuance fee equivalent to seventeen percent of all spirits sales
revenues under the license, exclusive of taxes collected by the
licensee and of sales of items on which a license fee payable under
this section has otherwise been incurred. The board must establish
rules setting forth the timing of such payments and reporting of
sales dollar volume by the licensee, with payments required
quarterly in arrears. The first payment is due October 1, 2012.

(b) This subsection (4) does not apply to craft distilleries for
sales of spirits of the craft distillery's own production.

(5) In addition to the payment required under subsection (4) of
this section, each licensee must pay an annual license renewal fee
of one hundred sixty-six dollars. The board must periodically
review and adjust the renewal fee as may be required to maintain
it as comparable to annual license renewal fees for licenses to sell
beer and wine not for consumption on the licensed premises. If
required by law at the time, any increase of the annual renewal fee becomes effective only upon ratification by the legislature.

(6) As a condition to receiving and renewing a spirits retail license the licensee must provide training as prescribed by the board by rule for individuals who sell spirits or who manage others who sell spirits regarding compliance with laws and regulations regarding sale of spirits, including without limitation the prohibitions against sale of spirits to individuals who are underage or visibly intoxicated. The training must be provided before the individual first engages in the sale of spirits and must be renewed at least every five years. The licensee must maintain records documenting the nature and frequency of the training provided. An employee training program is presumptively sufficient if it incorporates a "responsible vendor program" adopted by the board.

(7) The maximum penalties prescribed by the board in WAC 314-29-020 through 314-29-040 relating to fines and suspensions are doubled for violations relating to the sale of spirits by spirits retail licensees.

(b)(a) The board must adopt regulations concerning the adoption and administration of a compliance training program for spirits retail licensees, to be known as a "responsible vendor program," to reduce underage drinking, encourage licensees to adopt specific best practices to prevent sales to minors, and provide licensees with an incentive to give their employees ongoing training in responsible alcohol sales and service.

(b) Licensees who join the responsible vendor program under this section and maintain all of the program's requirements are not subject to the doubling of penalties provided in this section for a single violation in any period of twelve calendar months.

(c) The responsible vendor program must be free, voluntary, and self-monitoring.

(d) To participate in the responsible vendor program, licensees must submit an application form to the board. If the application establishes that the licensee meets the qualifications to join the program, the board must send the licensee a membership certificate.

(e) A licensee participating in the responsible vendor program must at a minimum:

(i) Provide ongoing training to employees;

(ii) Accept only certain forms of identification for alcohol sales;

(iii) Adopt policies on alcohol sales and checking identification;

(iv) Post specific signs in the business; and

(v) Keep records verifying compliance with the program's requirements.

(f)(i) A spirits retail licensee that also holds a grocery store license under RCW 66.24.360 or a beer and/or wine specialty shop license under RCW 66.24.371 may, upon board approval and pursuant to board rules, transition to a combination spirits, beer, and wine license pursuant to RCW 66.24.035.

(ii) An applicant that would qualify for a spirits retail license under this section and that qualifies for a combination spirits, beer, and wine license pursuant to RCW 66.24.035 may apply for a license pursuant to RCW 66.24.035 instead of applying for a spirits retail license under this section.

Sec. 10. RCW 66.28.310 and 2019 c 149 s 1 are each amended to read as follows:

(1)(a) Nothing in RCW 66.28.305 prohibits an industry member from providing retailers branded promotional items which are of nominal value, singly or in the aggregate. Such items include but are not limited to: Trays, lighters, blotters, postcards, pencils, coasters, menu cards, meal checks, napkins, clocks, mugs, glasses, bottles or can openers, corkscrews, matches, printed recipes, shirts, hats, visors, and other similar items. Branded promotional items:

(i) Must be used exclusively by the retailer or its employees in a manner consistent with its license;

(b) An industry member is not obligated to provide any such branded promotional items, and a retailer may not require an industry member to provide such branded promotional items as a condition for selling any alcohol to the retailer.

(c) Any industry member or retailer or any other person asserting that the provision of branded promotional items as allowed in (a) of this subsection has resulted or is more likely than not to result in undue influence or an adverse impact on public health and safety, or is otherwise inconsistent with the criteria in (a) of this subsection may file a complaint with the board. Upon receipt of a complaint the board may conduct such investigation as it deems appropriate in the circumstances. If the investigation reveals the provision of branded promotional items has resulted in or is more likely than not to result in undue influence or has resulted or is more likely than not to result in an adverse impact on public health and safety or is otherwise inconsistent with (a) of this subsection the board may issue an administrative violation notice to the industry member, to the retailer, or both. The recipient of the administrative violation notice may request a hearing under chapter 34.05 RCW.

(2) Nothing in RCW 66.28.305 prohibits:

(a) An industry member from providing to a special occasion licensee and a special occasion licensee from receiving services for:

(i) Installation of draft beer dispensing equipment or advertising;

(ii) Advertising, pouring, or dispensing of beer or wine at a beer or wine tasting exhibition or judging event; or

(iii) Pouring or dispensing of spirits by a licensed domestic distiller or the accredited representative of a distiller, manufacturer, importer, or distributor ofspirits liquor licensed under RCW 66.24.310; or

MESSAGE FROM THE HOUSE

March 5, 2020

MR. PRESIDENT:
The House passed SECOND ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5720 with the following amendment(s): 5720-S2.E2 AMH ENGR H5345.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 71.05.010 and 2016 sp.s. c 29 s 203 are each amended to read as follows:

(1) The provisions of this chapter apply to persons who are eighteen years of age or older and are intended by the legislature:

(a) To protect the health and safety of persons suffering from ((mental disorders and substance use)) behavioral health disorders and to protect public safety through use of the parenthood and police powers of the state;

(b) To prevent inappropriate, indefinite commitment of ((mentally disordered persons and persons with substance use disorders)) persons living with behavioral health disorders and to eliminate legal disabilities that arise from such commitment;

(c) To provide prompt evaluation and timely and appropriate treatment of persons with serious ((mental disorders and substance use)) behavioral health disorders;

(d) To safeguard individual rights;

(e) To provide continuity of care for persons with serious ((mental disorders and substance use)) behavioral health disorders;

(f) To encourage the full use of all existing agencies, professional personnel, and public funds to prevent duplication of services and unnecessary expenditures; and

(g) To encourage, whenever appropriate, that services be..."
provided within the community.

(2) When construing the requirements of this chapter the court must focus on the merits of the petition, except where requirements have been totally disregarded, as provided in In re C.W., 147 Wn.2d 259, 281 (2002). A presumption in favor of deciding petitions on their merits further both public and private interests because the mental and physical well-being of individuals as well as public safety may be implicated by the decision to release an individual and continue his or her treatment.

Sec. 2. RCW 71.05.012 and 1997 c 112 s 1 are each amended to read as follows:

It is the intent of the legislature to enhance continuity of care for persons with serious [(mental)] behavioral health disorders that can be controlled or stabilized in a less restrictive alternative commitment. Within the guidelines stated in In re LaBelle 107 Wn. 2d 196 (1986), the legislature intends to encourage appropriate interventions at a point when there is the best opportunity to restore the person to or maintain satisfactory functioning.

For persons with a prior history or pattern of repeated hospitalizations or law enforcement interventions due to decompensation, the consideration of prior [(mental)] history is particularly relevant in determining whether the person would receive, if released, such care as is essential for his or her health or safety.

Therefore, the legislature finds that for persons who are currently under a commitment order, a prior history of decompensation leading to repeated hospitalizations or law enforcement interventions should be given great weight in determining whether a new less restrictive alternative commitment should be ordered.

Sec. 3. RCW 71.05.020 and 2019 c 446 s 2, 2019 c 444 s 16, and 2019 c 325 s 3001 are each reenacted and amended to read as follows:

An order for initial detention
under this section expires one hundred eighty days from issuance.

(9) Except as otherwise expressly stated in this chapter, all procedures must be followed as if the order had been entered under RCW 71.05.150. RCW 71.05.160 does not apply if detention was initiated under the process set forth in this section.

(10) For purposes of this section, "immediate family member" means a spouse, domestic partner, child, stepchild, parent, stepparent, grandparent, or sibling.

Sec. 25. RCW 71.05.210 and 2019 c 446 s 8 are each amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program:

(a) Shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by:

(i) One physician, physician assistant, or advanced registered nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a (chemical dependency) substance use disorder professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (ii) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for seventy-two hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, after examination and evaluation, the mental health professional or (chemical dependency) substance use disorder professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment program, or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement; however, a person may only be referred to a secure withdrawal management and stabilization facility if approved substance use disorder treatment program if there is an available secure withdrawal management and stabilization facility or approved substance use disorder treatment program with adequate space for the person.

(3) An evaluation and treatment center, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated crisis responder and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 26. RCW 71.05.210 and 2019 c 446 s 8 are each amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program:

(a) Shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by:

(i) One physician, physician assistant, or advanced registered nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a (chemical dependency) substance use disorder professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (ii) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to (seventy-two) one hundred twenty hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for (seventy-two) one hundred twenty hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, after examination and evaluation, the mental health professional or (chemical dependency) substance use disorder professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment program, or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement; however, a person may only be referred to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program if there is an available secure withdrawal management and stabilization facility or approved substance use disorder treatment program with adequate space for the person.

(3) An evaluation and treatment center, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated crisis responder and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.
Sec. 27. RCW 71.05.210 and 2019 c 446 s 9 are each amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program:

(a) Shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by:

(i) One physician, physician assistant, or advanced registered nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a (chemical dependency) substance use disorder professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (ii) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to ((seventy-two)) one hundred twenty hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for ((seventy-two)) one hundred twenty hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, after examination and evaluation, the mental health professional or (chemical dependency) substance use disorder professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment program, or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement.

(3) An evaluation and treatment center, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to a hospital for evaluation or admission for treatment.

Sec. 28. RCW 71.05.212 and 2018 c 291 s 13 are each amended to read as follows:

(1) Whenever a designated crisis responder or professional person is conducting an evaluation under this chapter, consideration shall include all reasonably available information from credible witnesses and records regarding:

(a) Prior recommendations for evaluation of the need for civil commitments when the recommendation is made pursuant to an evaluation conducted under chapter 10.77 RCW;

(b) Historical behavior, including history of one or more violent acts;

(c) Prior determinations of incompetency or insanity under chapter 10.77 RCW; and

(d) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords, neighbors, or others with significant contact and history of involvement with the person. If the designated crisis responder relies upon information from a credible witness in reaching his or her decision to detain the individual, then he or she must provide contact information for any such witness to the prosecutor. The designated crisis responder or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient behavioral health treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration from safe behavior, or one or more violent acts;

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and

(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated crisis responder or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

Sec. 29. RCW 71.05.214 and 2018 c 201 s 3007 are each amended to read as follows:

The authority shall develop statewide protocols to be utilized by professional persons and designated crisis responders in administration of this chapter and chapter 10.77 and 71.34 RCW. The protocols shall be updated at least every three years. The protocols shall provide uniform development and application of criteria in evaluation and commitment recommendations, of persons who have, or are alleged to have, (mental disorder or substance use) behavioral health disorders and are subject to this chapter.

The initial protocols shall be developed not later than September 1, 1999. The authority shall develop and update the protocols in consultation with representatives of designated crisis responders, the department of social and health services, local government, law enforcement, county and city prosecutors, public defenders, and groups concerned with (mental illness and substance use) behavioral health disorders. The protocols shall be submitted to the governor and legislature upon adoption by the authority.

Sec. 30. RCW 71.05.215 and 2018 c 201 s 3008 are each amended to read as follows:

(1) A person found to be gravely disabled or (previously) to present a likelihood of serious harm as a result of a (mental disorder or substance use) behavioral health disorder has a right to refuse antipsychotic medication unless it is determined that the failure to medicate may result in a likelihood of serious harm or substantial deterioration or substantially prolong the length of involuntary commitment and there is no less intrusive course of treatment than medication in the best interest of that person.

(2) The authority shall adopt rules to carry out the purposes of this chapter. These rules shall include:

(a) An attempt to obtain the informed consent of the person prior to administration of antipsychotic medication.

(b) For short-term treatment up to thirty days, the right to refuse antipsychotic medications unless there is an additional concurring
medical opinion approving medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or psychiatric assistant in consultation with a mental health professional with prescriptive authority.

(c) For continued treatment beyond thirty days through the hearing on any petition filed under RCW 71.05.217, the right to periodic review of the decision to medicate by the medical director or designee.

(d) Administration of antipsychotic medication in an emergency and review of this decision within twenty-four hours. An emergency exists if the person presents an imminent likelihood of serious harm, and medically acceptable alternatives to administration of antipsychotic medications are not available or are unlikely to be successful; and in the opinion of the physician, physician assistant, or psychiatric advanced registered nurse practitioner, the person’s condition constitutes an emergency requiring the treatment be instituted prior to obtaining a second medical opinion.

(e) Documentation in the medical record of the attempt by the physician, physician assistant, or psychiatric advanced registered nurse practitioner to obtain informed consent and the reasons why antipsychotic medication is being administered over the person’s objection or lack of consent.

Sec. 31. RCW 71.05.217 and 2016 c 155 s 4 are each amended to read as follows:

1 A person presents an imminent likelihood of serious harm, and medically acceptable alternatives to administration of antipsychotic medications are not available, have not been successful, or are not likely to be effective.

B The court shall make specific findings of fact concerning: (A) The existence of one or more compelling state interests; (B) the necessity and effectiveness of the treatment; and (C) the person's desires regarding the proposed treatment. If the patient is unable to make a rational and informed decision about consenting to or refusing the proposed treatment, the court shall make a substituted judgment for the patient as if he or she were competent to make such a determination.

C The person shall be present at any hearing on a request to administer antipsychotic medication or electroconvulsant therapy filed pursuant to this subsection. The person has the right: (1) To be represented by an attorney; (2) To present evidence; (3) To cross-examine witnesses; (4) To have the rules of evidence enforced; (5) To remain silent; (6) To view and copy all petitions and reports in the court file; and (7) To be given reasonable notice and an opportunity to prepare for the hearing.

D The court may appoint a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, psychologist within their scope of practice, physician assistant, or physician to examine and testify on behalf of such person. The court shall appoint a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, psychologist within their scope of practice, physician assistant, or physician designated by such person or the person’s counsel to testify on behalf of the person in cases where an order for electroconvulsant therapy is sought.

E An order for the administration of antipsychotic medications entered following a hearing conducted pursuant to this section shall be effective for the period of the current involuntary treatment order, and any interim period during which the person is awaiting trial or hearing on a new petition for involuntary treatment or involuntary medication.

F Any person detained pursuant to RCW 71.05.320(4), who subsequently refuses antipsychotic medication, shall be entitled to the procedures set forth in this subsection.

G Antipsychotic medication may be administered to a nonconsenting person detained or committed pursuant to this chapter without a court order pursuant to RCW 71.05.215(2) or under the following circumstances:

(1) A person presents an imminent likelihood of serious harm;

(2) Medically acceptable alternatives to administration of antipsychotic medications are not available, have not been successful, or are not likely to be effective; and

(3) In the opinion of the physician, physician assistant, or psychiatric advanced registered nurse practitioner with responsibility for treatment of the person, or his or her designee, the person's condition constitutes an emergency requiring the treatment be instituted before a judicial hearing as authorized pursuant to this section can be held.

If antipsychotic medications are administered over a person’s lack of consent pursuant to this subsection, a petition for an order authorizing the administration of antipsychotic medications shall be filed on the next judicial day. The hearing shall be held within two judicial days. If deemed necessary by the physician, physician assistant, or psychiatric advanced registered nurse
practitioner with responsibility for the treatment of the person, administration of antipsychotic medications may continue until the hearing is held;

((144)) (k) To dispose of property and sign contracts unless such person has been adjudicated an incompetent in a court proceeding directed to that particular issue;

((144)) (l) Not to have psychosurgery performed on him or her under any circumstances.

(2) Every person involuntarily detained or committed under the provisions of this chapter is entitled to all the rights set forth in this chapter and retains all rights not denied him or her under this chapter except as limited by chapter 9.41 RCW.

(3) No person may be presumed incompetent as a consequence of receiving evaluation or treatment for a behavioral health disorder. Competency may not be determined or withdrawn except under the provisions of chapter 10.77 or 11.88 RCW.

(4) Subject to RCW 71.05.745 and related regulations, persons receiving evaluation or treatment under this chapter must be given a reasonable choice of an available physician, physician assistant, psychiatric advanced registered nurse practitioner, or other professional person qualified to provide such services.

(5) Whenever any person is detained under this chapter, the person must be advised that unless the person is released or voluntarily admits himself or herself for treatment within seventy-two hours of the initial detention, a judicial hearing must be held in a superior court within seventy-two hours to determine whether there is probable cause to detain the person for up to an additional fourteen days based on an allegation that because of a behavioral health disorder the person presents a likelihood of serious harm or is gravely disabled, and that at the probable cause hearing the person has the following rights:

(a) To communicate immediately with an attorney; to have an attorney appointed if the person is indigent; and to be told the name and address of the attorney that has been designated;

(b) To remain silent, and to know that any statement the person makes may be used against him or her;

(c) To present evidence on the person's behalf;

(d) To cross-examine witnesses who testify against him or her;

(e) To be proceeded against by the rules of evidence;

(f) To have the court appoint a reasonably available independent professional person to examine the person and testify in the hearing, at public expense unless the person is able to bear the cost;

(g) To view and copy all petitions and reports in the court file; and

(h) To refuse antipsychotic medications, including antipsychotic medication beginning twenty-four hours prior to the probable cause hearing;

(6) The judicial hearing described in subsection (5) of this section must be held according to the provisions of subsection (5) of this section and rules promulgated by the supreme court.

((7)) (a) Privileges between patients and physicians, physician assistants, psychologists, or psychiatric advanced registered nurse practitioners are deemed waived in proceedings under this chapter relating to the administration of antipsychotic medications. As to other proceedings under this chapter, the privileges are waived when a court of competent jurisdiction in its discretion determines that such waiver is necessary to protect either the detained person or the public.

(b) The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

(c) The record maker may not be required to testify in order to introduce medical or psychological records of the detained person so long as the requirements of RCW 5.45.020 are met except that portions of the record which contain opinions as to the detained person's mental state must be deleted from such records unless the person making such conclusions is available for cross-examination.

((8)) (Nothing contained in this chapter prohibits the patient from petitioning by writ of habeas corpus for release.

(9) Nothing in this section permits any person to knowingly violate a no-contact order or a condition of an active judgment and sentence or an active condition of supervision by the department of corrections.

((10)) The rights set forth under this section apply equally to ninety-day or one hundred eighty-day hearings under RCW 71.05.310.

Sec. 32. RCW 71.05.217 and 2016 c 155 s 4 are each amended to read as follows:

((1)) Insofar as danger to the individual or others is not created, each person involuntarily detained, treated in a less restrictive alternative course of treatment, or committed for treatment and evaluation pursuant to this chapter shall have, in addition to other rights not specifically withheld by law, the following rights, a list of which shall be prominently posted in all facilities, institutions, and hospitals providing such services:

((144)) (a) To wear his or her own clothes and to keep and use his or her own personal possessions, except when deprivation of same is essential to protect the safety of the resident or other persons;

((144)) (b) To keep and be allowed to spend a reasonable sum of his or her own money for canteen expenses and small purchases;

((144)) (c) To have access to individual storage space for his or her private use;

((144)) (d) To have visitors at reasonable times;

(i) To not be denied access to treatment by spiritual means through prayer in accordance with the tenets and practices of a church or religious denomination in addition to the treatment otherwise proposed;

(j) Not to consent to the administration of antipsychotic medications beyond the hearing conducted pursuant to RCW 71.05.320(4) or the performance of electroconvulsant therapy or surgery, except emergency lifesaving surgery, unless ordered by a court of competent jurisdiction pursuant to the following standards and procedures:

((144)) (i) The administration of antipsychotic medication or electroconvulsant therapy shall not be ordered unless the petitioning party proves by clear, cogent, and convincing evidence that there exists a compelling state interest that justifies overriding the patient's lack of consent to the administration of antipsychotic medications or electroconvulsant therapy, that the proposed treatment is necessary and effective, and that medically acceptable alternative forms of treatment are not available, have not been successful, or are not likely to be effective.

(((ii))) (ii) The court shall make specific findings of fact concerning: ((ii)) (A) The existence of one or more compelling state interests; (((ii))) (B) the necessity and effectiveness of the treatment; and (((iii))) (C) the person's desires regarding the
proposed treatment. If the patient is unable to make a rational and informed decision about consenting to or refusing the proposed treatment, the court shall make a substituted judgment for the patient as if he or she were competent to make such a determination.

((4)) (iii) The person shall be present at any hearing on a request to administer antipsychotic medication or electroconvulsant therapy filed pursuant to this subsection. ((5)) (iv) An order for the administration of antipsychotic medications entered following a hearing conducted pursuant to this section shall be effective for the period of the current involuntary treatment order, and any interim period during which the person is awaiting trial or hearing on a new petition for involuntary treatment or involuntary medication.

((6)) (v) Any person detained pursuant to RCW 71.05.320(4), who subsequently refuses antipsychotic medication, shall be entitled to the procedures set forth in this subsection.

((7)) (vi) Antipsychotic medication may be administered to a nonconsenting person detained or committed pursuant to this chapter without a court order pursuant to RCW 71.05.215(2) or under the following circumstances:

((7)) (A) A person presents an imminent likelihood of serious harm;

((7)) (B) Medically acceptable alternatives to administration of antipsychotic medications are not available, have not been successful, or are not likely to be effective; and

((7)) (C) In the opinion of the physician, physician assistant, or psychiatric advanced registered nurse practitioner with responsibility for treatment of the person, or his or her designee, the person's condition constitutes an emergency requiring the treatment be instituted before a judicial hearing as authorized pursuant to this section can be held.

If antipsychotic medications are administered over a person's lack of consent pursuant to this subsection, a petition for an order authorizing the administration of antipsychotic medications shall be filed on the next judicial day. The hearing shall be held within two judicial days. If deemed necessary by the physician, physician assistant, or psychiatric advanced registered nurse practitioner with responsibility for the treatment of the person, administration of antipsychotic medications may continue until the hearing is held:

((7)) (k) To dispose of property and sign contracts unless such person has been adjudicated an incompetent in a court proceeding directed to that particular issue;

((7)) (l) Not to have psychosurgery performed on him or her under any circumstances.

(2) Every person involuntarily detained or committed under the provisions of this chapter is entitled to all the rights set forth in this chapter and retains all rights not denied him or her under this chapter except as limited by chapter 9.41 RCW.

(3) No person may be presumed incompetent as a consequence of receiving evaluation or treatment for a behavioral health disorder. Competency may not be determined or withdrawn except under the provisions of chapter 10.77 or 11.88 RCW.

(4) Subject to RCW 71.05.745 and related regulations, persons receiving evaluation or treatment under this chapter must be given a reasonable choice of an available physician, physician assistant, psychiatric advanced registered nurse practitioner, or other professional person qualified to provide such services.

(5) Whenever any person is detained under this chapter, the person must be advised that unless the person is released or voluntarily admits himself or herself for treatment within one hundred twenty hours of the initial detention, a judicial hearing must be held in a superior court within one hundred twenty hours to determine whether there is probable cause to detain the person for up to an additional fourteen days based on an allegation that because of a behavioral health disorder the person presents a likelihood of serious harm or is gravely disabled, and that at the probable cause hearing the person has the following rights:

(a) To communicate immediately with an attorney; to have an attorney appointed if the person is indigent; and to be told the name and address of the attorney that has been designated;

(b) To remain silent, and to know that any statement the person makes may be used against him or her;

(c) To present evidence on the person's behalf;

(d) To cross-examine witnesses who testify against him or her;

(e) To be proceeded against by the rules of evidence;

(f) To have the court appoint a reasonably available independent professional person to examine the person and testify in the hearing, at public expense unless the person is able to bear the cost;

(g) To view and copy all petitions and reports in the court file; and

(h) To refuse psychiatric medications, including antipsychotic medication beginning twenty-four hours prior to the probable cause hearing.

(6) The judicial hearing described in subsection (5) of this section must be held according to the provisions of subsection (5) of this section and rules promulgated by the supreme court.

(7)(a) Privileges between patients and physicians, physician assistants, psychologists, or psychiatric advanced registered nurse practitioners are deemed waived in proceedings under this chapter relating to the administration of antipsychotic medications. As to other proceedings under this chapter, the privileges are waived when a court of competent jurisdiction in its discretion determines that such waiver is necessary to protect either the detained person or the public.

(b) The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

(c) The record maker may not be required to testify in order to introduce medical or psychological records of the detained person so long as the requirements of RCW 5.45.020 are met except that portions of the record which contain opinions as to the detained person's mental state must be deleted from such records unless the person making such conclusions is available for cross-examination.

(8) Nothing contained in this chapter prohibits the patient from petitioning by writ of habeas corpus for release.

(9) Nothing in this section permits any person to knowingly
violate a no-contact order or a condition of an active judgment and sentence or an active condition of supervision by the department of corrections.

(10) The rights set forth under this section apply equally to ninety-day or one hundred eighty-day hearings under RCW 71.05.310.

Sec. 33. RCW 71.05.230 and 2018 c 291 s 6 are each amended to read as follows:

A person detained for seventy-two hour evaluation and treatment may be committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the facility providing evaluation services has analyzed the person’s condition and finds that the condition is caused by (a) a behavioral health disorder and results in: (i) A likelihood of serious harm (b) the person being gravely disabled; or (c) the person being in need of assisted outpatient behavioral health treatment; and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(3) The facility providing intensive treatment is certified to provide such treatment by the department under RCW 71.05.745; and

(4)(a)(i) The professional staff of the facility or the designated crisis responder has filed a petition with the court for a fourteen day involuntary detention or a ninety day less restrictive alternative. The petition must be signed by:

(A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and

(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a chemical dependency professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person.

(b) If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of a behavioral health disorder, presents a likelihood of serious harm, is gravely disabled, or is in need of assisted outpatient behavioral health treatment, and shall set forth any recommendations for less restrictive alternative treatment services; and

(5) A copy of the petition has been served on the detained person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed for mental health treatment; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated crisis responder may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide less restrictive alternative treatment is other than the facility providing involuntary treatment, the outpatient facility so designated to provide less restrictive alternative treatment has agreed to assume such responsibility.

Sec. 34. RCW 71.05.230 and 2018 c 291 s 6 are each amended to read as follows:

A person detained for one hundred twenty hour evaluation and treatment may be committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the facility providing evaluation services has analyzed the person’s condition and finds that the condition is caused by (a) a behavioral health disorder and results in: (i) A likelihood of serious harm (b) the person being gravely disabled; or (c) the person being in need of assisted outpatient behavioral health treatment; and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(4)(a)(i) The professional staff of the facility or the designated crisis responder has filed a petition with the court for a fourteen day involuntary detention or a ninety day less restrictive alternative. The petition must be signed by:

(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a chemical dependency professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person.

(b) If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of a behavioral health disorder, presents a likelihood of serious harm, is gravely disabled, or is in need of assisted outpatient behavioral health treatment, and shall set forth any recommendations for less restrictive alternative treatment services; and

(5) A copy of the petition has been served on the detained person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the
probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed for mental health treatment; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated crisis responder may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide less restrictive alternative treatment is other than the facility providing involuntary treatment, the outpatient facility so designated to provide less restrictive alternative treatment has agreed to assume such responsibility.

(4) The court shall also set a date for a full hearing on the petition as provided in RCW 71.05.310.)

Sec. 44. RCW 71.05.310 and 2012 c 256 s 8 are each amended to read as follows:

The court shall (continue) set a hearing on the petition for ninety-day or one hundred eighty-day treatment within five judicial days of the (first court appearance after the probable cause hearing trial setting hearing, or within ten judicial days for a petition filed under RCW 71.05.280(3). The court may continue the hearing (for good cause upon the written request of the person named in the petition or the person’s attorney. The court may continue for good cause the hearing on a petition filed under RCW 71.05.280(3) upon written request by the person named in the petition, the person’s attorney, or the petitioner)) in accordance with section 37 of this act. If the person named in the petition requests a jury trial, the trial (shall commence) must be set within ten judicial days of the (first court appearance after the probable cause hearing) next judicial day after the date of filing the petition. The burden of proof shall be by clear, cogent, and convincing evidence and shall be upon the petitioner. The person (shall) has the right to be present at such proceeding, which shall in all respects accord with the constitutional guarantees of due process of law and the rules of evidence (pursuant to RCW 71.05.360 (8) and (9)) under RCW 71.05.217.

During the proceeding, the person named in the petition shall continue to be treated until released by order of the superior court or discharged by the behavioral health service provider. If (the court finds that grounds for commitment have been proven) the hearing has not commenced within thirty days after the filing of the petition, not including extensions of time (requested by the detained person or his or her attorney, or the petitioner in the case of a petition filed under RCW 71.05.280(3)) ordered under section 37 of this act, the detained person shall be released.

Sec. 45. RCW 71.05.320 and 2018 c 201 s 3012 are each amended to read as follows:

(1)(a) Subject to (b) of this subsection, if the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

(b) If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. The court may only enter an order for commitment based on a substance use disorder if there is an available approved substance use disorder treatment program with adequate space for the person.

(c) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. (If the order for less restrictive treatment is based on a substance use disorder, treatment must be provided by an approved substance use disorder treatment program.) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for inpatient treatment for a further period of intensive treatment not to exceed ninety days from the date of judgment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the (mental) behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the (mental) behavioral health service provider.
(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a ((mental disorder, substance use disorder)) behavioral health disorder((s)) or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of ((mental disorder, substance use disorder)) a behavioral health disorder((s)) or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280((3)) and as a result of ((mental disorder, substance use disorder)) a behavioral health disorder((s)) or developmental disability, a likelihood of serious harm; or

(c)(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280((3)(b)), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a ((mental disorder)) behavioral health disorder or developmental disability that results in a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person’s life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280((3)(b)), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a ((mental disorder)) behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person’s condition has so changed such that the ((mental disorder)) behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient ((mental disorder)) behavioral health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, subject to subsection (1)(b) of this section, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based solely on the grounds identified in subsection (4)(c) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the ((mental disorder)) behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the ((mental disorder)) behavioral health service provider.

(b) At the end of the one hundred eighty day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person’s previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

Sec. 46. RCW 71.05.320 and 2018 c 201 s 3013 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. If the grounds set forth in RCW 71.05.280 are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the ((mental disorder)) behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the ((mental disorder)) behavioral health service provider.
The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient behavioral health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

At the end of the one hundred eighty-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty-day commitment.

An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

RCW 71.05.380 and 2016 sp.s. c 29 s 245 are each amended to read as follows:

All persons voluntarily entering or remaining in any facility, institution, or hospital providing evaluation and treatment for behavioral health disorders shall have no less than all rights secured to involuntarily detained persons by RCW (71.05.380 and) 71.05.217.

RCW 71.05.445 and 2019 c 325 s 3009 are each amended to read as follows:

(a) When a behavioral health service provider conducts its initial assessment for a person receiving court-ordered treatment, the service provider shall inquire and shall be told by the offender whether he or she is subject to supervision by the department of corrections.

(b) When a person receiving court-ordered treatment or treatment ordered by the department of corrections discloses to his or her behavioral health service provider that he or she is subject to supervision by the department of corrections, the behavioral health service provider shall notify the department of corrections that he or she is being treated.

The notification may be written or oral and shall not require the consent of the offender. If an oral notification is made, it must be confirmed by a written notification. For purposes of this section, a written notification includes notification by email or facsimile, so long as the notifying behavioral health service provider is clearly identified.

The information to be released to the department of corrections shall include all relevant records and reports, as defined by rule, necessary for the department of corrections to carry out its duties.

The authority and the department of corrections, in consultation with behavioral health administrative services
organizations, managed care organizations, (mental) behavioral health service providers as defined in RCW 71.05.020, (mental) behavioral health consumers, and advocates for persons with (mental illness) behavioral health disorders, shall adopt rules to implement the provisions of this section related to the type and scope of information to be released. These rules shall:

(a) Enhance and facilitate the ability of the department of corrections to carry out its responsibility of planning and ensuring community protection with respect to persons subject to sentencing under chapter 9.94A or 9.95 RCW, including accessing and releasing or disclosing information of persons who received (mental) behavioral health services as a minor; and

(b) Establish requirements for the notification of persons under the supervision of the department of corrections regarding the provisions of this section.

(4) The information received by the department of corrections under this section shall remain confidential and subject to the limitations on disclosure outlined in this chapter, except as provided in RCW 72.09.585.

(5) No (mental) behavioral health service provider or individual employed by a (mental) behavioral health service provider shall be held responsible for information released to or used by the department of corrections under the provisions of this section or rules adopted under this section.

(6) Whenever federal law or federal regulations restrict the release of information and records related to (mental) behavioral health services for any patient who receives treatment for alcoholism or drug dependency, the release of the information may be restricted as necessary to comply with federal law and regulations.

(7) This section does not modify the terms and conditions of disclosure of information related to sexually transmitted diseases under chapter 70.24 RCW.

(8) The authority shall, subject to available resources, electronically, or by the most cost-effective means available, provide the department of corrections with the names, last dates of services, and addresses of specific behavioral health administrative services organizations, managed care organizations, and (mental) behavioral health service providers that delivered (mental) behavioral health services to a person subject to chapter 9.94A or 9.95 RCW pursuant to an agreement between the authority and the department of corrections.

Sec. 49. RCW 71.05.455 and 2016 c 158 s 2 are each amended to read as follows:

When funded, the Washington association of sheriffs and police chiefs, in consultation with the criminal justice training commission, must develop and adopt a model policy for use by law enforcement agencies relating to a law enforcement officer's referral of a person to a (mental) behavioral health agency after receiving a report of threatened or attempted suicide. The model policy must complement the criminal justice training commission's crisis intervention training curriculum.

Sec. 50. RCW 71.05.457 and 2016 c 158 s 3 are each amended to read as follows:

By July 1, 2017, all general authority Washington law enforcement agencies must adopt a policy establishing criteria and procedures for a law enforcement officer to refer a person to a (mental) behavioral health agency after receiving a report of threatened or attempted suicide.

Sec. 51. RCW 71.05.525 and 2018 c 201 s 3024 are each amended to read as follows:

When, in the judgment of the department of social and health services, the welfare of any person committed to or confined in any state juvenile correctional institution or facility necessitates that such a person be transferred or moved for observation, diagnosis or treatment to any state institution or facility for the care of juveniles with (mental illness) behavioral health disorders, the secretary of the department of social and health services, or his or her designee, is authorized to order and effect such move or transfer: PROVIDED, HOWEVER, That the secretary of the department of social and health services shall adopt and implement procedures to assure that persons so transferred shall, while detained or confined in such institution or facility for the care of juveniles with (mental illness) behavioral health disorders, be provided with substantially similar opportunities for parole or early release evaluation and determination as persons detained or confined in state juvenile correctional institutions or facilities: PROVIDED, FURTHER, That the secretary of the department of social and health services shall notify the original committing court of such transfer.

Sec. 52. RCW 71.05.530 and 2016 s 29 s 247 are each amended to read as follows:

Evaluation and treatment facilities and secure (detoxification) withdrawal management and stabilization facilities authorized pursuant to this chapter may be part of the comprehensive community (mental) behavioral health services program conducted in counties pursuant to chapter 71.24 RCW, and may receive funding pursuant to the provisions thereof.

Sec. 53. RCW 71.05.585 and 2018 c 291 s 2 are each amended to read as follows:

(1) Less restrictive alternative treatment, at a minimum, includes the following services:

(a) Assignment of a care coordinator;

(b) An intake evaluation with the provider of the less restrictive alternative treatment;

(c) A psychiatric evaluation;

(d) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;

(e) A transition plan addressing access to continued services at the expiration of the order;

(f) An individual crisis plan; and

(g) Notification to the care coordinator assigned in (a) of this subsection if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(2) Less restrictive alternative treatment may additionally include requirements to participate in the following services:

(a) Medication management;

(b) Psychotherapy;

(c) Nursing;

(d) Substance abuse counseling;

(e) Residential treatment; and

(f) Support for housing, benefits, education, and employment.

(3) If the person was provided with involuntary medication under RCW 71.05.215 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

((44)) (5) The care coordinator assigned to a person ordered to less restrictive alternative treatment must submit an
individualized plan for the person's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

((4)(a)) (6) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 54. RCW 71.05.590 and 2019 c 446 s 14 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, ((or to a)) evaluation and treatment facility ((if the person is committed for mental health treatment)), ((or to a)) secure withdrawal management and stabilization facility with available space, or an approved substance use disorder treatment program with available space ((if the person is committed for substance use disorder treatment)). The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initiate initial inpatient detention procedures under subsection (6) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) Except as provided in subsection (6) of this section, a designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility ((in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a)), an available secure withdrawal management and stabilization facility with adequate space, or an available approved substance use disorder treatment program ((if either is available)) with adequate space, in or near the county in which he or she is receiving outpatient treatment ((and has adequate space)).

Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (6) of this section, a person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection (6) of this section, the
issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person’s functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person’s less restrictive alternative or conditional release order or order the person’s detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period ((may be for no longer than the period)) must be for fourteen days from the revocation hearing if the outpatient order was based on a petition under RCW 71.05.160 or 71.05.230. If the court orders detention for inpatient treatment and the outpatient order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the outpatient order must be converted to days of inpatient treatment authorized in the original court order. A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

6) (a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient treatment procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility ((in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a)), secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program ((if either is available)), in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to seventy-two hours, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within seventy-two hours of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person’s less restrictive alternative order or order the person’s detention for inpatient treatment. To continue detention after the seventy-two hour period, the court must find that the person, as a result of a (((mental disorder or substance use)))) behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 55. RCW 71.05.590 and 2019 c 446 s 14 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person’s functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person’s compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department. ((or to an evaluation and treatment facility (((if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a)), secure withdrawal management and stabilization facility with available space, or an approved substance use disorder treatment program with available space)));

The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to
stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initiate initial inpatient detention procedures under subsection (6) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) Except as provided in subsection (6) of this section, a designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility ((in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a)), an available secure withdrawal management and stabilization facility with adequate space, or an available approved substance use disorder treatment program ((if either is available)) with adequate space in or near the county in which he or she is receiving outpatient treatment ((and has adequate space)).

Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (6) of this section, a person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person’s detention.

(d) Except as provided in subsection (6) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person’s functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person’s less restrictive alternative or conditional release order or order the person’s detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period ((may be for no longer than the period)) must be for fourteen days from the revocation hearing if the outpatient order was based on a petition under RCW 71.05.160 or 71.05.230. If the court orders detention for inpatient treatment and the outpatient order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the outpatient order must be converted to days of inpatient treatment authorized in the original court order. A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court shall consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

(6)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility ((in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a)), secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program ((if either is available)) in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to ((seventy-two)) one hundred twenty hours, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within ((seventy-two)) one hundred twenty hours of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person’s less restrictive alternative order or order the person’s detention for inpatient
treatment. To continue detention after the (seventy-two) one hundred twenty hour period, the court must find that the person, as a result of a (mental disorder or substance use) behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 56. RCW 71.05.590 and 2019 c 446 s 15 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, (or to an (if the person is committed for mental health treatment)), (or to a) secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program (if the person is committed for substance use disorder treatment)). The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initial inpatient detention procedures under subsection (6) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) Except as provided in subsection (6) of this section, a designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility (in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment)), in a secure withdrawal management and stabilization facility or in an approved substance use disorder treatment program (if either is available)) in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (6) of this section, a person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection (6) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred;
(iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period (may be for no longer than the period) must be for fourteen days from the revocation hearing if the outpatient order was based on a petition under RCW 71.05.160 or 71.05.230. If the court orders detention for inpatient treatment and the outpatient order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the outpatient order must be converted to days of inpatient treatment authorized in the original court order.

5 In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

6(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility (in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment), in a secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program (if either is available), in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to ((seventy-two)) one hundred twenty hours, excluding weekends and holidays, pending a court hearing. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the ((seventy-two)) one hundred twenty hour period, the court must find that the person, as a result of a ((mental disorder or substance use)) behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.)

Sec. 57. RCW 71.05.720 and 2018 c 201 s 3029 are each amended to read as follows:

Annually, all community mental health employees who work directly with clients shall be provided with training on safety and violence prevention topics described in RCW 49.19.030. The curriculum for the training shall be developed collaboratively among the authority, the department, contracted ((mental)) behavioral health service providers, and employee organizations that represent community mental health workers.

Sec. 58. RCW 71.05.740 and 2019 c 325 s 3012 are each amended to read as follows:

All behavioral health administrative services organizations in the state of Washington must forward historical ((mental)) behavioral health involuntary commitment information retained by the organization, including identifying information and dates of commitment to the authority. As soon as feasible, the behavioral health administrative services organizations must arrange to report new commitment data to the authority within twenty-four hours. Commitment information under this section does not need to be resent if it is already in the possession of the authority. Behavioral health administrative services organizations and the authority shall be immune from liability related to the sharing of commitment information under this section.

Sec. 59. RCW 71.05.750 and 2019 c 325 s 3013 are each amended to read as follows:

1) A designated crisis responder shall make a report to the authority when he or she determines a person meets detention criteria under RCW 71.05.150, 71.05.153, 71.34.700, or 71.34.710 and there are not any beds available at an evaluation and treatment facility, the person has not been provisionally accepted for admission by a facility, and the person cannot be served on a single bed certification or less restrictive alternative. Starting at the time when the designated crisis responder determines a person meets detention criteria and the investigation has been completed, the designated crisis responder has twenty-four hours to submit a completed report to the authority.

2) The report required under subsection (1) of this section must contain at a minimum:

(a) The date and time that the investigation was completed;
(b) The identity of the responsible behavioral health administrative services organization and managed care organization, if applicable;
(c) The county in which the person met detention criteria;
(d) A list of facilities which refused to admit the person; and
(e) Identifying information for the person, including age or date of birth.

3) The authority shall develop a standardized reporting form or modify the current form used for single bed certifications for the report required under subsection (2) of this section and may require additional reporting elements as it determines are necessary or supportive. The authority shall also determine the method for the transmission of the completed report from the designated crisis responder to the authority.

4) The authority shall create quarterly reports displayed on its web site that summarize the information reported under subsection (2) of this section. At a minimum, the reports must display data by county and by month. The reports must also include the number of single bed certifications granted by category. The categories must include all of the reasons that the authority recognizes for issuing a single bed certification, as identified in rule.
(5) The reports provided according to this section may not display "protected health information" as that term is used in the federal health insurance portability and accountability act of 1996, nor information contained in "mental health treatment records" as that term is used in chapter 70.02 RCW or elsewhere in state law, and must otherwise be compliant with state and federal privacy laws.

(6) For purposes of this section, the term "single bed certification" means a situation in which an adult on a (\textit{twenty-two}) one hundred twenty-hour detention, fourteen-day commitment, ninety-day commitment, or one hundred eighty-day commitment is detained to a facility that is:

(a) Not licensed or certified as an inpatient evaluation and treatment facility; or

(b) A licensed or certified inpatient evaluation and treatment facility that is already at capacity.

Sec. 60. RCW 9.41.047 and 2019 c 248 s 3 and 2019 c 247 s 3 are each reenacted and amended to read as follows:

(1)(a) At the time a person is convicted or found not guilty by reason of insanity of an offense making the person ineligible to possess a firearm, or at the time a person is committed by court order under RCW 71.05.240, 71.05.320, 71.34.740, 71.34.750, or chapter 10.77 RCW for mental health treatment, or at the time that charges are dismissed based on incompetency to stand trial under RCW 10.77.088 and the court makes a finding that the person has a history of one or more violent acts, the convicting or committing court, or court that dismisses charges, shall notify the person, orally and in writing, that the person must immediately surrender any concealed pistol license and that the person may not possess a firearm unless his or her right to do so is restored by a court of record. For purposes of this section a convicting court includes a court in which a person has been found not guilty by reason of insanity.

(b) The court shall forward within three judicial days after conviction, entry of the commitment order, or dismissal of charges, a copy of the person's driver's license or identicard, or comparable information such as their name, address, and date of birth, along with the date of conviction or commitment, or date charges are dismissed, to the department of licensing. When a person is committed by court order under RCW 71.05.240, 71.05.320, 71.34.740, 71.34.750, or chapter 10.77 RCW, for mental health treatment, or when a person's charges are dismissed based on incompetency to stand trial under RCW 10.77.088 and the court makes a finding that the person has a history of one or more violent acts, the court also shall forward, within three judicial days after entry of the commitment order, or dismissal of charges, a copy of the person's driver's license, or comparable information, along with the date of commitment or date charges are dismissed, to the national instant criminal background check system index, denied persons file, created by the federal Brady handgun violence prevention act (P.L. 103-159). The petitioning party shall provide the court with the information required. If more than one commitment order is entered under one cause number, only one notification to the department of licensing and the national instant criminal background check system is required.

(2) Upon receipt of the information provided for by subsection (1) of this section, the department of licensing shall determine if the convicted or committed person, or the person whose charges are dismissed based on incompetency to stand trial, has a concealed pistol license. If the person does have a concealed pistol license, the department of licensing shall immediately notify the license-issuing authority which, upon receipt of such notification, shall immediately revoke the license.

(3)(a) A person who is prohibited from possessing a firearm, by reason of having been involuntarily committed for mental health treatment under RCW 71.05.240, 71.05.320, 71.34.740, 71.34.750, chapter 10.77 RCW, or equivalent statutes of another jurisdiction, or by reason of having been detained under RCW 71.05.150 or 71.05.153, or because the person's charges were dismissed based on incompetency to stand trial under RCW 10.77.088 and the court made a finding that the person has a history of one or more violent acts, may, upon discharge, petition the superior court to have his or her right to possess a firearm restored.

(b) The petition must be brought in the superior court that ordered the involuntary commitment or dismissed the charges based on incompetency to stand trial or the superior court of the county in which the petitioner resides.

(c) Except as provided in (d) and (e) of this subsection, the court shall restore the petitioner's right to possess a firearm if the petitioner proves by a preponderance of the evidence that:

(i) The petitioner is no longer required to participate in court-ordered inpatient or outpatient treatment;

(ii) The petitioner has successfully managed the condition related to the commitment or detention or incompetency;

(iii) The petitioner no longer presents a substantial danger to himself or herself, or the public; and

(iv) The symptoms related to the commitment or detention or incompetency are not reasonably likely to recur.

(d) If a preponderance of the evidence in the record supports a finding that the person petitioning the court has engaged in violence and that it is more likely than not that the person will engage in violence after his or her right to possess a firearm is restored, the person shall bear the burden of proving by clear, cogent, and convincing evidence that he or she does not present a substantial danger to the safety of others.

(e) If the petitioner seeks restoration after having been detained under RCW 71.05.150 or 71.05.153, the state shall bear the burden of proof to show, by a preponderance of the evidence, that the petitioner does not meet the restoration criteria in (c) of this subsection.

(f) When a person's right to possess a firearm has been restored under this subsection, the court shall forward, within three judicial days after entry of the restoration order, notification that the person's right to possess a firearm has been restored to the department of licensing with a copy of the person's driver's license or identicard, or comparable identification such as their name, address, and date of birth, the health care authority, and the national instant criminal background check system index, denied persons file. In the case of a person whose right to possess a firearm has been suspended for six months as provided in RCW 71.05.182, the department of licensing shall forward notification of the restoration order to the licensing authority, which, upon receipt of such notification, shall immediately lift the suspension, restoring the license.

(4) No person who has been found not guilty by reason of insanity may petition a court for restoration of the right to possess a firearm unless the person meets the requirements for the restoration of the right to possess a firearm under RCW 9.41.040(4).

Sec. 61. RCW 9.41.049 and 2019 c 247 s 2 are each amended to read as follows:

(1) When a designated crisis responder files a petition for initial detention under RCW 71.05.150 or 71.05.153 on the grounds that the person presents a likelihood of serious harm, the petition shall include a copy of the person's driver's license or identicard or comparable information such as their name, address, and date of birth. If the person is not subsequently committed for involuntary treatment under RCW 71.05.240, the court shall forward within three business days of the probable cause hearing a copy of the person's driver's license or identicard, or comparable information,
along with the date of release from the facility, to the department of licensing and to the state patrol, who shall forward the information to the national instant criminal background check system index, denied persons file, created by the federal Brady handgun violence prevention act (P.L. 103-159). Upon expiration of the six-month period during which the person’s right to possess a firearm is suspended as provided in RCW 71.05.182, the Washington state patrol shall forward to the national instant criminal background check system index, denied persons file, notice that the person’s right to possess a firearm has been restored.

(2) Upon receipt of the information provided for by subsection (1) of this section, the department of licensing shall determine if the detained person has a concealed pistol license. If the person does have a concealed pistol license, the department of licensing shall immediately notify the license-issuing authority, which, upon receipt of such notification, shall immediately suspend the license for a period of six months from the date of the person’s release from the facility.

(3) A person who is prohibited from possessing a firearm by reason of having been detained under RCW 71.05.150 or 71.05.153 may, upon discharge, petition the superior court to have his or her right to possess a firearm restored before the six-month suspension period has elapsed by following the procedures provided in RCW 9.41.047(3).

Sec. 62. RCW 71.34.010 and 2019 c 381 s 1 are each amended to read as follows:

(1) It is the purpose of this chapter to assure that minors in need of ((behavioral)) behavioral health care and treatment receive an appropriate continuum of culturally relevant care and treatment, including prevention and early intervention, self-directed care, parent-directed care, and involuntary treatment. To facilitate the continuum of care and treatment to minors in out-of-home placements, all divisions of the authority and the department that provide ((behavioral)) behavioral health services to minors shall jointly plan and deliver those services.

(2) It is also the purpose of this chapter to protect the rights of adolescents to confidentiality and to independently seek services for ((mental health and substance use)) behavioral health disorders. Mental health and ((chemical dependency)) substance use disorder professionals shall guard against needless hospitalization and deprivations of liberty, enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment, and encourage the use of voluntary services. Mental health and ((chemical dependency)) substance use disorder professionals shall, whenever clinically appropriate, offer less restrictive alternatives to inpatient treatment. Additionally, all ((behavioral)) behavioral health care and treatment providers shall assure that minors’ parents are given an opportunity to participate in the treatment decisions for their minor children. The ((behavioral)) behavioral health care and treatment providers shall, to the extent possible, offer services that involve minors’ parents or family.

(3)(a) It is the intent of the legislature to enhance continuity of care for minors with serious behavioral health disorders that can be controlled or stabilized in a less restrictive alternative commitment. Within the guidelines stated in In re LaBelle, 107 Wn.2d 196 (1986), the legislature intends to encourage appropriate interventions at a point when there is the best opportunity to restore the minor to or maintain satisfactory functioning.

(b) For minors with a prior history or pattern of repeated hospitalizations or law enforcement interventions due to decompensation, the consideration of prior behavioral health history is particularly relevant in determining whether the minor would receive, if released, such care as is essential for his or her health or safety.

(c) Therefore, the legislature finds that for minors who are currently under a commitment order, a prior history of decompensation leading to repeated hospitalizations or law enforcement interventions should be given great weight in determining whether a new less restrictive alternative commitment should be ordered. The court must also consider any school behavioral issues, the impact on the family, the safety of other children in the household, and the developmental age of the minor.

(4) It is also the purpose of this chapter to protect the health and safety of minors suffering from behavioral health disorders and to protect public safety through use of the parens patriae and police powers of the state. Accordingly, when construing the requirements of this chapter the court must focus on the merits of the petition, except where requirements have been totally disregarded, as provided in In re C.W., 147 Wn.2d 259, 281 (2002). A presumption in favor of deciding petitions on their merits furthers both public and private interests because the mental and physical well-being of minors as well as public safety may be implicated by the decision to release a minor and discontinue his or her treatment.

(5) It is also the purpose of this chapter to assure the ability of parents to exercise reasonable, compassionate care and control of their minor children when there is a medical necessity for treatment and without the requirement of filing a petition under this chapter, including the ability to request and receive medically necessary treatment for their adolescent children without the consent of the adolescent.

(67) "Triage facility" means a short-term facility or a portion of a facility licensed or certified by the department of health under RCW 71.24.035, which is designed as a facility to assess and stabilize an individual or determine the need for involuntary commitment of an individual, and must meet department of health residential treatment facility standards. A triage facility may be structured as a voluntary or involuntary placement facility.

(68) "Violent act" means behavior that resulted in homicide, attempted suicide, injury, or substantial loss or damage to property.

(69) "Written order of apprehension" means an order of the court for a peace officer to deliver the named minor in the order to a facility or emergency room as determined by the designated crisis responder. Such orders must be entered into the Washington crime information center database.

(1) The superior court has jurisdiction over proceedings under this chapter.

(2) A record of all petitions and proceedings under this chapter shall be maintained by the clerk of the superior court in the county in which the petition or proceedings was initiated.

(3) Petitions for commitment shall be filed and venue for hearings under this chapter shall be in the county in which the minor is being detained. ((The court may, for good cause, transfer the proceeding to the county of the minor's residence, or to the county in which the alleged conduct evidencing need for commitment occurred. If the county of detention is changed, subsequent petitions may be filed in the county in which the minor is detained without the necessity of a change of venue.))

NEW SECTION. Sec. 67. A new section is added to chapter 71.34 RCW to read as follows:

A peace officer may take or authorize a minor to be taken into custody and immediately delivered to an appropriate triage facility, crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, approved substance use disorder treatment program, or the emergency department of a local hospital when he or she has reasonable cause to believe that such minor is suffering from a behavioral health disorder and presents an imminent likelihood of serious harm or is gravely disabled. Until July 1, 2026, a peace officer's delivery of a minor to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program is subject to the availability of a secure withdrawal management and stabilization facility or approved substance use disorder treatment program with adequate space for the minor.

Sec. 68. RCW 71.34.355 and 2016 c 155 s 18 are each amended to read as follows:

(1) Absent a risk to self or others, minors treated under this chapter have the following rights, which shall be prominently posted in the evaluation and treatment facility:

(((11)) (h) To have the right to adequate care and individualized treatment;

(((12)) (i) To not be denied access to treatment by spiritual means through prayer in accordance with the tenets and practices of a church or religious denomination in addition to the treatment otherwise proposed;

(i) Not to consent to the administration of antipsychotic medications beyond the hearing conducted pursuant to RCW 71.34.750 or the performance of electroconvulsive treatment or surgery, except emergency lifesaving surgery, upon him or her, ((and not to have electroconvulsive treatment or nonemergency surgery in such circumstances)) unless ordered by a court ((pursuant to a judicial hearing in which the minor is present and represented by counsel, and the court shall appoint a psychiatrist, psychologist, psychiatrist, psychiatric advanced registered nurse practitioner, or physician designated by the minor or the minor's court to testify on behalf of the minor)) under procedures described in RCW 71.05.217(1)(i). The minor's parent may exercise this right on the minor's behalf, and must be informed of any impending treatment;

(((13)) (k) Not to have psychosurgery performed on him or her under any circumstances.

2(a) Privileges between minors and physicians, physician assistants, psychologists, or psychiatric advanced registered nurse practitioners are deemed waived in proceedings under this chapter relating to the administration of antipsychotic medications. As to other proceedings under this chapter, the privileges are waived when a court of competent jurisdiction in its discretion determines that such waiver is necessary to protect either the detained minor
or the public.

(b) The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained minor for purposes of a proceeding under this chapter. Upon motion by the detained minor or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

(c) The record maker may not be required to testify in order to introduce medical or psychological records of the detained minor so long as the requirements of RCW 5.45.020 are met except that portions of the record which contain opinions as to the detained minor’s mental state must be deleted from such records unless the person making such conclusions is available for cross-examination.

(3) No minor may be presumed incompetent as a consequence of receiving an evaluation or voluntary or involuntary treatment for a mental disorder or substance use disorder, under this chapter or any prior laws of this state dealing with mental illness or substance use disorders.

NEW SECTION. Sec. 69. A new section is added to chapter 71.34 RCW to read as follows:

At the time a minor is involuntarily admitted to an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the professional person in charge or his or her designee shall take reasonable precautions to inventory and safeguard the personal property of the detained minor. A copy of the inventory, signed by the staff member making it, must be given to the detained minor and must, in addition, be open to inspection by any responsible relative, subject to limitations, if any, specifically imposed by the detained minor. For purposes of this section, “responsible relative” includes the guardian, conservator, attorney, parent, or adult brother or sister of the minor. The facility shall not disclose the contents of the inventory to any other person without the consent of the minor or order of the court.

If not otherwise available, the facility shall furnish transportation for the minor to the minor’s residence or other appropriate place. If the minor has been arrested, the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program shall detain the minor for not more than eight hours at the request of the peace officer. The program or facility shall make reasonable efforts to contact the requesting peace officer during this time to inform the peace officer that the minor is not approved for admission or is being released in order to enable a peace officer to return to the facility and take the minor back into custody.

(2) If the minor is released to someone other than the minor’s parent, the facility shall make every effort to notify the minor’s parent of the release as soon as possible.

(3) No indigent minor may be released to less restrictive alternative treatment or setting or discharged from inpatient treatment without suitable clothing, and the authority shall furnish this clothing. As funds are available, the director may provide necessary funds for the immediate welfare of indigent minors upon discharge or release to less restrictive alternative treatment.

Sec. 71. RCW 71.34.410 and 2019 c 446 s 27 are each amended to read as follows:

(1) No public or private agency or governmental entity, nor officer of a public or private agency, nor the superintendent, or professional person in charge, his or her professional designee or attending staff of any such agency, nor any public official performing functions necessary to the administration of this chapter, nor peace officer responsible for detaining a (minor) minor under this chapter, nor any designated crisis responder, nor professional person, nor evaluation and treatment facility, nor secure withdrawal management and stabilization facility, nor approved substance use disorder treatment program shall be civilly or criminally liable for performing actions authorized in this chapter with regard to the decision of whether to admit, release, administer antipsychotic medications, or detain a (minor) minor for evaluation and treatment: PROVIDED, That such duties were performed in good faith and without gross negligence.

(2) This section does not relieve a person from giving the required duty to warn or to take reasonable precautions to provide protection from violent behavior where the minor has communicated an actual threat of physical violence against a reasonably identifiable victim or victims. The duty to warn or to take reasonable precautions to provide protection from violent behavior is discharged if reasonable efforts are made to communicate the threat to the victim or victims and to law enforcement personnel.

Sec. 72. RCW 71.34.420 and 2018 c 201 s 5012 are each amended to read as follows:

The facility that is the proposed site of the single bed certification must be a facility that is willing and able to provide the person with timely and appropriate treatment either directly or by arrangement with other public or private agencies.

(2) A single bed certification must be specific to the minor receiving treatment.

(3) A designated crisis responder who submits an application for a single bed certification for treatment at a facility that is willing and able to provide timely and appropriate mental health treatment in good faith belief that the single bed certification is appropriate may presume that the single bed certification will be approved for the purpose of completing the detention process and responding to other emergency calls.

(4) The authority may adopt rules implementing this section and continue to enforce rules it has already adopted except where inconsistent with this section.

NEW SECTION. Sec. 73. A new section is added to chapter 71.34 RCW to read as follows:

Nothing in this chapter shall prohibit the professional person in charge of a treatment facility, or his or her professional designee, from permitting a minor detained for intensive treatment to leave the facility for prescribed periods during the term of the minor’s detention, under such conditions as may be appropriate.

Sec. 74. RCW 71.34.500 and 2019 c 381 s 3 are each amended to read as follows:

(1) An adolescent may admit himself or herself to an evaluation and treatment facility for inpatient mental health treatment or an approved substance use disorder treatment program for inpatient substance use disorder treatment without parental consent. The admission shall occur only if the professional person in charge of the facility concurs with the need for inpatient treatment. Parental authorization, or authorization from a person who may consent on behalf of the minor pursuant to RCW 7.70.065, is required for inpatient treatment of a minor under the age of thirteen.

(2) When, in the judgment of the professional person in charge
of an evaluation and treatment facility or approved substance use disorder treatment program, there is reason to believe that a minor is in need of inpatient treatment because of a (mental disorder or substance use) behavioral health disorder, and the facility provides the type of evaluation and treatment needed by the minor, and it is not feasible to treat the minor in any less restrictive setting or the minor's home, the minor may be admitted to the facility.

(3) Written renewal of voluntary consent must be obtained from the applicant no less than once every twelve months. The minor's need for continued inpatient treatments shall be reviewed and documented no less than every one hundred eighty days.

In no event shall an adolescent be held longer than seventy-two hours for evaluation. If, in the judgment of the professional person, it is determined it is a medical necessity for the adolescent to receive inpatient treatment, the adolescent may be held for treatment. The facility shall limit treatment to that which the professional person determines is medically necessary to stabilize the adolescent's condition until the evaluation has been completed. Within twenty-four hours of completion of the evaluation, the professional person shall notify the authority if the adolescent is held solely for mental health and not substance use disorder treatment and of the date of admission. (2) The consent of the adolescent is not required for admission, evaluation, and treatment if a parent provides consent.

(3) An appropriately trained professional person may evaluate whether the adolescent has a (mental disorder or has a substance use) behavioral health disorder. (5) No adolescent receiving inpatient treatment under this section may be discharged from the facility based solely on his or her request.

(6) Prior to the review conducted under RCW 71.34.610, the professional person shall notify the adolescent of his or her right to petition superior court for release from the facility.

(a) Historical behavior, including history of one or more violent acts; and

(b) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords,
neighbors, teachers, school personnel, or others with significant contact and history of involvement with the minor. If the designated crisis responder relies upon information from a credible witness in reaching his or her decision to detain the minor, then he or she must provide contact information for any such witness to the prosecutor. The designated crisis responder or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the minor which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, when:
(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts;
(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the minor; and

NEW SECTION. Sec. 81. A new section is added to chapter 71.34 RCW to read as follows:

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the minor; and

(1a)(i) When a designated crisis responder receives information that an adolescent as a result of a behavioral health disorder presents a likelihood of serious harm or is gravely disabled, has investigated the specific facts alleged and of the credibility of the person or persons providing the information, and has determined that voluntary admission for inpatient treatment is not possible, the designated crisis responder may take the adolescent, or cause the adolescent to be taken, into custody and transported to an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program providing inpatient treatment.

(iii) When a designated crisis responder receives information that an adolescent as a result of a substance use disorder presents a likelihood of serious harm or is gravely disabled, has investigated the specific facts alleged and of the credibility of the person or persons providing the information, and has determined that voluntary admission for inpatient treatment is not possible, the designated crisis responder may take the adolescent, or cause the adolescent to be taken, into custody and transported to an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program providing inpatient treatment.
before and at the hearing if the adolescent is indigent.

(4) Subject to subsection (5) of this section, whenever the designated crisis responder petitions for detention of an adolescent under this chapter, an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program providing seventy-two hour evaluation and treatment must immediately accept on a provisional basis the petition and the person. Within twenty-four hours of the adolescent's arrival, the facility must evaluate the adolescent's condition and either admit or release the adolescent in accordance with this chapter.

(5) A designated crisis responder may not petition for detention of an adolescent to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and that has adequate space for the adolescent.

(6) If an adolescent is not approved for admission by the inpatient evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the facility shall make such recommendations and referrals for further care and treatment of the adolescent as necessary.

(7) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section, based on the purpose of this chapter under RCW 71.34.010, except in the few cases where the facility staff or the designated crisis responder have totally disregarded the requirements of this section.

The parent shall file notice with the court and provide a copy of the designated crisis responder's report or notes. A designated crisis responder decides not to detain an adolescent for evaluation and treatment under RCW 71.34.700(2), or forty-eight hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the adolescent detained, an immediate family member or guardian or conservator of the adolescent may petition the superior court for the adolescent's detention using the procedures under RCW 71.05.201 and 71.05.203; however, when the court enters an order of initial detention, except as otherwise expressly stated in this chapter, all procedures must be followed as if the order has been entered under (a) of this subsection.

(4) Subject to subsection (5) of this section, whenever the designated crisis responder petitions for detention of an adolescent under this chapter, an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program providing inpatient treatment, a commitment hearing shall be held within one hundred twenty hours of the adolescent's provisional acceptance to determine whether probable cause exists to commit the adolescent for further treatment.

(b) The adolescent shall be advised that he or she has a right to communicate immediately with an attorney and that he or she has a right to have an attorney appointed to represent him or her before and at the hearing if the adolescent is indigent.

(5) A designated crisis responder may not petition for detention of an adolescent to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and that has adequate space for the adolescent.

(6) If an adolescent is not approved for admission by the inpatient evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the facility shall make such
recommendations and referrals for further care and treatment of the adolescent as necessary.

(7) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section, based on the purpose of this chapter under RCW 71.34.010, except in the few cases where the facility staff or the designated crisis responder have totally disregarded the requirements of this section.

(a) The court must find by clear, cogent, and convincing evidence that the minor:

(i) Is suffering from a mental disorder or substance use disorder;

(ii) Presents a likelihood of serious harm or is gravely disabled; and

(iii) Is in need of further treatment that only can be provided in a one hundred eighty-day commitment.

(b) If commitment is for a substance use disorder, the court must find that there is an available approved substance use disorder treatment program that has adequate space for the minor.

(7) In determining whether an inpatient or less restrictive alternative commitment is appropriate, great weight must be given to evidence of a prior history or pattern of decompensation and discontinuation of treatment resulting in: (a) Repeated hospitalizations; or (b) repeated peace officer interventions resulting in juvenile charges. Such evidence may be used to provide a factual basis for concluding that the minor would not receive, if released, such care as is essential for his or her health or safety.

(8)(a) If the court finds that the criteria for commitment are met and that less restrictive treatment in a community setting is not appropriate or available, the court shall order the minor committed to the custody of the director for further inpatient mental health treatment, to an approved substance use disorder treatment program for further substance use disorder treatment, or to a private treatment and evaluation facility for inpatient mental health or substance use disorder treatment if the minor's parents have assumed responsibility for payment for the treatment. If the court finds that a less restrictive alternative is in the best interest of the minor, the court shall order less restrictive alternative treatment upon such conditions as necessary.

(b) If the court determines that the minor does not meet the criteria for one hundred eighty-day commitment, the minor shall be released.

(9)(a) Successive one hundred eighty-day commitments are permissible on the same grounds and under the same procedures as the original one hundred eighty-day commitment. Such petitions shall be filed at least three days prior to the expiration of the previous one hundred eighty-day commitment order.

Sec. 95. RCW 71.34.750 and 2019 c 446 s 40 and 2019 c 325 s 2009 are each reenacted and amended to read as follows:

(1) At any time during the minor's period of fourteen-day commitment, the professional person in charge may petition the court for an order requiring the minor to undergo an additional one hundred eighty-day period of treatment. The evidence in support of the petition shall be presented by the county prosecutor unless the petition is filed by the professional person in charge of a state-operated facility in which case the evidence shall be presented by the attorney general.

(2) The petition for one hundred eighty-day commitment shall contain the following:

(a) The name and address of the petitioner or petitioners;

(b) The name of the minor alleged to meet the criteria for one hundred eighty-day commitment;

(c) A statement that the petitioner is the professional person in charge of the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program responsible for the treatment of the minor;

(d) The date of the fourteen-day commitment order; and

(e) A summary of the facts supporting the petition.

(3) The petition shall be supported by accompanying affidavits signed by: (a) Two examining physicians, one of whom shall be a child psychiatrist, or two psychiatric advanced registered nurse practitioners, one of whom shall be a child and adolescent or family psychiatric advanced registered nurse practitioner. If the petition is for substance use disorder treatment, the petition may be signed by a (chemical dependency) substance use disorder professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner, two physician assistants, one of whom must be supervised by a child psychiatrist; (b) one children's mental health specialist and either an examining physician, physician assistant, or a psychiatric advanced registered nurse practitioner; or (c) two among an examining physician, physician assistant, and a psychiatric advanced registered nurse practitioner, one of which needs to be a child psychiatrist, a physician assistant supervised by a child psychiatrist, or a child and adolescent psychiatric nurse practitioner. The affidavits shall describe in detail the behavior of the detained minor which supports the petition and shall state whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(4) The petition for one hundred eighty-day commitment shall be filed with the clerk of the court at least three days before the expiration of the fourteen-day commitment period. The petitioner or the petitioner's designee shall within twenty-four hours of filing serve a copy of the petition on the minor and notify the minor's attorney and the minor's parent. A copy of the petition shall be provided to such persons at least twenty-four hours prior to the hearing.

(5) At the time of filing, the court shall set a date within seven days for the hearing on the petition. (The court may continue the hearing upon the written request of the minor or the minor's attorney for not more than ten days.) If the hearing is not commenced within thirty days after the filing of the petition, including extensions of time requested by the detained person or his or her attorney or the court in the administration of justice under section 90 of this act, the minor must be released. The minor or the parents shall be afforded the same rights as in a fourteen-day commitment hearing. Treatment of the minor shall continue pending the proceeding.

(6) For one hundred eighty-day commitment:

(a) The court must find by clear, cogent, and convincing evidence that the minor:

(i) Is suffering from a mental disorder or substance use disorder;

(ii) Presents a likelihood of serious harm or is gravely disabled; and

(iii) Is in need of further treatment that only can be provided in a one hundred eighty-day commitment.
a one hundred eighty-day commitment.

(7) In determining whether an inpatient or less restrictive alternative commitment is appropriate, great weight must be given to evidence of a prior history or pattern of decompensation and discontinuation of treatment resulting in: (a) Repeated hospitalizations; or (b) repeated peace officer interventions resulting in juvenile charges. Such evidence may be used to provide a factual basis for concluding that the minor would not receive, if released, such care as is essential for his or her health or safety.

(8)(a) If the court finds that the criteria for commitment are met and that less restrictive treatment in a community setting is not appropriate or available, the court shall order the minor committed to the custody of the director for further inpatient mental health treatment, to an approved substance use disorder treatment program for further substance use disorder treatment, or to a private treatment and evaluation facility for inpatient mental health or substance use disorder treatment if the minor's parents have assumed responsibility for payment for the treatment. If the court finds that a less restrictive alternative is in the best interest of the minor, the court shall order less restrictive alternative treatment upon such conditions as necessary.

(b) If the court determines that the minor does not meet the criteria for one hundred eighty-day commitment, the minor shall be released.

(9) Successive one hundred eighty-day commitments are permissible on the same grounds and under the same procedures as the original one hundred eighty-day commitment. Such petitions shall be filed at least three days prior to the expiration of the previous one hundred eighty-day commitment order.

NEW SECTION. Sec. 96. A new section is added to chapter 71.34 RCW to read as follows:

(1) Less restrictive alternative treatment, at a minimum, must include the following services:

(a) Assignment of a care coordinator;

(b) An intake evaluation with the provider of the less restrictive alternative treatment;

(c) A psychiatric evaluation;

(d) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;

(e) A transition plan addressing access to continued services at the expiration of the order;

(f) An individual crisis plan; and

(g) Notification to the care coordinator assigned in (a) of this subsection if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(2) Less restrictive alternative treatment may include the following additional services:

(a) Medication management;

(b) Psychotherapy;

(c) Nursing;

(d) Substance abuse counseling;

(e) Residential treatment; and

(f) Support for housing, benefits, education, and employment.

(3) If the minor was provided with involuntary medication during the involuntary commitment period, the less restrictive alternative treatment order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(5) The care coordinator assigned to a minor ordered to less restrictive alternative treatment must submit an individualized plan for the minor's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(6) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative treatment orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 97. RCW 71.34.780 and 2019 c 446 s 41 are each amended to read as follows:

(1) If the professional person in charge of an outpatient treatment program, a designated crisis responder, or the director or secretary, as appropriate, determines that a minor is failing to adhere to the conditions of the court order for less restrictive alternative treatment or the conditions for the conditional release, or that substantial deterioration in the minor's functioning has occurred, the designated crisis responder, or the director or secretary, as appropriate, may order that the minor ((if committed for mental health treatment)) be taken into custody and transported to an inpatient evaluation and treatment facility ((or, if committed for substance use disorder treatment, be taken into custody and transported to)), a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program ((if there is an available)). A secure withdrawal management and stabilization facility or approved substance use disorder treatment program that has adequate space for the minor must be available.

(2)(a) The designated crisis responder ((or the)), director, or secretary, as appropriate, shall file the order of apprehension and detention and serve it upon the minor and notify the minor's parent and the minor's attorney, if any, of the detention within two days of return. At the time of service the minor shall be informed of the right to a hearing and to representation by an attorney. The designated crisis responder or the director or secretary, as appropriate, may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(b) If the minor is involuntarily detained for revocation at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program in a different county from where the minor was initially detained, the facility or program may file the order of apprehension, serve it on the minor and notify the minor's parents and the minor's attorney at the request of the designated crisis responder.

(3) A petition for revocation of less restrictive alternative treatment shall be filed by the designated crisis responder or the director ((or the)), secretary, or facility, as appropriate, with the court in the county ((or ordering the less restrictive alternative treatment)) where the minor is detained. The court shall conduct the hearing in that county. A petition for revocation of conditional release ((may be filed with the court in the county ordering inpatient...
treatment or the county where the minor on conditional release is residing)) must be filed in the county where the minor is detained. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. (Upon motion for good cause, the hearing may be transferred to the county of the minor’s residence or to the county in which the alleged violations occurred.) The hearing shall be held within seven days of the minor’s return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor’s routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or, subject to subsection (4) of this section, whether the minor should be returned to inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be returned to inpatient treatment. If the minor is returned to inpatient treatment, RCW 71.34.760 regarding the director’s placement responsibility shall apply. The hearing may be waived by the minor and the minor returned to inpatient treatment or to less restrictive alternative treatment or conditional release on the same or modified conditions.

(4) A court may not order the return of a minor to inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available with adequate space for the minor.

Sec. 98. RCW 71.34.780 and 2019 c 446 s 42 are each amended to read as follows:

(1) If the professional person in charge of an outpatient treatment program, a designated crisis responder, or the director or secretary, as appropriate, determines that a minor is failing to adhere to the conditions of the court order for less restrictive alternative treatment or the conditions for the conditional release, or that substantial deterioration in the minor’s functioning has occurred, the designated crisis responder, or the director or secretary, as appropriate, may order that the minor ((if committed for mental health treatment)) be taken into custody and transported to an inpatient evaluation and treatment facility ((if committed for substance use disorder treatment, be taken into custody and transported to)), a secure withdrawal management and stabilization facility; or an approved substance use disorder treatment program.

(2)(a) The designated crisis responder ((or the)), director, or secretary, as appropriate, shall file the order of apprehension and detention and serve it upon the minor and notify the minor’s parent and the minor’s attorney, if any, of the detention within two days of return. At the time of service the service shall be informed of the right to a hearing and to representation by an attorney. The designated crisis responder or the director or secretary, as appropriate, may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(b) If the minor is involuntarily detained for revocation at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program in a different county from where the minor was initially detained, the facility or program may file the order of apprehension, serve it on the minor and notify the minor’s parent and the minor’s attorney at the request of the designated crisis responder.

(3) A petition for revocation of less restrictive alternative treatment shall be filed by the designated crisis responder or the director (or), secretary, or facility, as appropriate, with the court in the county ((ordering the less restrictive alternative treatment)) where the minor is detained. The court shall conduct the hearing in that county. A petition for revocation of conditional release ((may be filed with the court in the county ordering inpatient treatment or the county where the minor on conditional release is residing)) must be filed in the county where the minor is detained. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. (Upon motion for good cause, the hearing may be transferred to the county of the minor’s residence or to the county in which the alleged violations occurred.) The hearing shall be held within seven days of the minor’s return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor’s routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or whether the minor should be returned to inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be returned to inpatient treatment. If the minor is returned to inpatient treatment, RCW 71.34.760 regarding the director’s placement responsibility shall apply. The hearing may be waived by the minor and the minor returned to inpatient treatment or to less restrictive alternative treatment or conditional release on the same or modified conditions.

NEW SECTION. Sec. 99. A new section is added to chapter 71.34 RCW to read as follows:

The legislature recognizes the inherent authority of the judiciary under Article IV, section 1 of the state Constitution to establish rules regarding access to court records, and respectfully requests the Washington state supreme court to adopt rules regarding potential access for the following entities to the files and records of court proceedings under this chapter and chapter 71.05 RCW:

(1) The department;
(2) The department of health;
(3) The authority;
(4) The state hospitals as defined in RCW 72.23.010;
(5) Any person who is the subject of a petition;
(6) The attorney or guardian of the person;
(7) Resource management services for that person; and

NEW SECTION. Sec. 100. A new section is added to chapter 71.34 RCW to read as follows:

For purposes of this chapter, at any hearing the petitioner, the respondent, the witnesses, the interpreters, and the presiding judicial officer may be present and participate either in person or by video, as determined by the court. The term "video" as used in this section includes any functional equivalent. At any hearing conducted by video, the technology used must permit the judicial officer, counsel, all parties, and the witnesses to be able to see, hear, and speak, when authorized, during the hearing; to allow attorneys to use exhibits or other materials during the hearing; and to allow the respondent's counsel to be in the same location as the respondent unless otherwise requested by the respondent or the respondent's counsel. Witnesses in a proceeding may also appear in court through other means, including telephonically, pursuant to the requirements of superior court civil rule 43. Notwithstanding the foregoing, the court, upon its own motion or upon a motion for good cause by any party, may require all parties and witnesses to participate in the hearing in person rather than by video. In ruling on any such motion, the court may allow in-person or video testimony; and the court may consider, among
other things, whether the respondent's alleged behavioral health disorder affects the respondent's ability to perceive or participate in the proceeding by video.

NEW SECTION. Sec. 101. A new section is added to chapter 71.05 RCW to read as follows:

For purposes of this chapter, at any hearing the petitioner, the respondent, the witnesses, the interpreters, and the presiding judicial officer may be present and participate either in person or by video, as determined by the court. NEW SECTION. Sec. 102. A new section is added to chapter 71.34 RCW to read as follows:

In addition to the responsibility provided for by RCW 34.05B.330, the parents of a minor who is involuntarily detained pursuant to this chapter for the purpose of treatment and evaluation outside of a facility maintained and operated by the department shall be responsible for the cost of such care and treatment. In the event that an individual is unable to pay for such treatment or in the event payment would result in a substantial hardship upon the individual or his or her family, then the county of residence of such person shall be responsible for such costs. If it is not possible to determine the county of residence of the person, the cost shall be borne by the county where the person was originally detained. The department, or the authority, as appropriate, shall, pursuant to chapter 34.05 RCW, adopt standards as to (1) inability to pay in whole or in part, (2) a definition of substantial hardship, and (3) appropriate payment schedules. Financial responsibility with respect to services and facilities of the department shall continue to be as provided in RCW 43.20B.320 through 43.20B.360 and 43.20B.370.

MESSAGE FROM THE HOUSE

March 5, 2020

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5759 with the following amendment(s): 5759-S.E AMH APP H5314.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act may be known and cited as the consumer protection in eye care act.

NEW SECTION. Sec. 2. INTENT. (1) The legislature recognizes the importance of allowing licensed practitioners to use their professional judgment, based on their education, training, and expertise, to determine the appropriate use of current and future technologies to enhance patient care. Guidelines for providing health care services through remote technology have been addressed by the medical community, and the legislature intends to complement and clarify those guidelines with respect to using remote technology to provide prescriptions for corrective lenses.

(2) The legislature also recognizes that health care consumers, including eye health care consumers, can benefit from developments in technology that offer advantages such as increased convenience or increased speed in delivery of services. However, the legislature recognizes that health care consumers can be misled or harmed by the use of developments in technology that are not properly supervised by qualified providers.

(3) The legislature recognizes that the use of technology that permits a consumer to submit data to an entity for the purposes of obtaining a prescription for corrective lenses, including contact lenses, may fail to detect serious eye health issues resulting in permanent vision loss if the patient is not also receiving comprehensive eye care according to standard of care.

(4) Therefore, the legislature concludes that consumers should be protected from improper or unsupervised use of technology for purposes of obtaining a prescription for corrective lenses, without unduly restricting the development and implementation of technology and without unduly restricting licensed practitioners from using such technology where appropriate.

NEW SECTION. Sec. 3. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Contact lens" means any lens placed directly on the surface of the eye, regardless of whether or not it is intended to correct a visual defect. Contact lens includes, but is not limited to, cosmetic, therapeutic, and corrective lenses that are a federally regulated medical device.

(2) "Corrective lenses" means any lenses, including lenses in spectacles and contact lenses, that are manufactured in accordance with the specific terms of a valid prescription for an individual patient for the purpose of correcting the patient’s refractive or binocular error.

(3) "Department" means the department of health.

(4) "Diagnostic information and data" mean any and all information and data, including but not limited to photographs and scans, generated by or through the use of any remote technology.

(5) "Patient-practitioner relationship" means the relationship between a provider of medical services, the practitioner, and a receiver of medical services, the patient, based on mutual understanding of their shared responsibility for the patient's health care.

(6) "Prescription" means the written or electronic directive from a qualified provider for corrective lenses and consists of the refractive power as well as contact lens parameters in the case of contact lens prescriptions.

(7) "Qualified provider" means a physician licensed under chapter 18.71 RCW or an osteopathic physician licensed under chapter 18.57 RCW practicing ophthalmology, or a person licensed under chapter 18.53 RCW to practice optometry.

(8) "Remote qualified provider" means any qualified provider who is not physically present at the time of the examination.

(9) "Remote technology" means any automated equipment or testing device and any application designed to be used on or with a phone, computer, or internet-based device that is used without the physical presence and participation of a qualified provider that generates data for purposes of determining an individual's refractive error. Remote technology does not include the use of telemedicine as defined in RCW 48.43.735 for purposes other than determining an individual's refractive error.

(10) "Spectacles" means any device worn by an individual that has one or more lenses through which the wearer looks. Spectacles are commonly known and referred to as glasses, and..."
may include cosmetic or corrective lenses.

(11) "Standard of care" means those standards developed and defined by the American academy of ophthalmology preferred practice pattern "Comprehensive Adult Medical Eye Evaluation" (Appendix 1), as the preferred practice pattern existed on the effective date of this act.

(12) "Standard of care for contact lenses" means the frequency of eye examinations as recommended for contact lens wearers in the American academy of ophthalmology publication "Refractive Errors & Refractive Surgery Preferred Practice Pattern" (Appendix 2), as the preferred practice pattern existed on the effective date of this act.

NEW SECTION. Sec. 4. USE OF REMOTE TECHNOLOGY FOR CORRECTIVE LENS PRESCRIPTIONS. A qualified provider may prepare a prescription for corrective lenses intended to correct an individual's refractive error by remote technology if:

(1) The prescribing qualified provider is held to the same standard of care applicable to qualified providers providing corrective lens prescriptions in traditional in-person clinical settings;

(2) A patient-practitioner relationship is clearly established by the qualified provider agreeing to provide a corrective lens prescription, whether or not there was an in-person encounter between the parties. The parameters of the patient-practitioner relationship for the use of remote technology must mirror those that would be expected for similar in-person encounters to provide corrective lens prescriptions;

(3) The remote technology is only offered to patients who meet appropriate screening criteria. A review of the patient's medical and ocular history that meets standard of care is required to determine who may or may not be safely treated with refraction without a concurrent comprehensive eye exam. Patients must also be informed that a refraction alone, whether utilizing remote technology or in person, does not substitute for a comprehensive eye exam;

(4) Continuity of care is maintained. Continuity of care requires but is not limited to:

(a) A qualified provider addressing an adverse event that occurs as a result of the prescription written by the qualified provider by:

(i) Being available to address the patient's vision or medical condition directly, either in-person or remotely, if it is possible to address the adverse event remotely;

(ii) Having an agreement with another qualified provider or licensed medical provider who is available to address the patient's vision or medical condition, either in-person or remotely; or

(iii) Referring the patient to a qualified provider or licensed medical provider who is capable of addressing the patient's condition;

(b) Retaining patient exam documentation for a minimum of ten years and retaining communication between the remote qualified provider who evaluated the patient and prescribed corrective lenses and any applicable providers as they normally would in an in-person setting; and

(5) When prescribing for contact lenses, the examination of the eyes is performed in accordance with the standard of care for contact lenses. The components of the eye examination, if done remotely, must be to the same evaluation and standard of care the qualified provider would typically do in an in-person setting for the same condition. If the eye examination is performed by someone other than the prescribing qualified provider, the prescribing qualified provider must obtain written, faxed, or electronically communicated affirmative verification of the results of that eye examination from the provider who performed the examination. The absence of receipt of affirmative verification within any specified time period cannot be used as presumed affirmative verification.

NEW SECTION. Sec. 5. REMOTE TECHNOLOGY STANDARDS FOR USE. It is unlawful for any person to offer or otherwise make available to consumers in this state remote technology under this chapter without fully complying with the following:

(1) The remote technology must be approved by the United States food and drug administration when applicable;

(2) The remote technology must be designed and operated in a manner that provides any accommodation required by the Americans with disabilities act of 1990, 42 U.S.C. Sec. 12101 et seq. when applicable;

(3) The remote technology, when used for the collection and transmission of diagnostic information and data, must gather and transmit any protected health information in compliance with the federal health insurance portability and accountability act of 1996 and related regulations;

(4) The remote technology, when used for the collection and transmission of diagnostic information and data, may only transmit the diagnostic information and data to a qualified provider, their staff, contracted support staff, or another licensed health care provider for the purposes of collaboration in providing care to the patient. When diagnostic information and data are collected and transmitted through remote technology, that information must be read and interpreted by a qualified provider or contracted support staff in order to release a corrective lens prescription to the patient or other entity. Contracted support staff must comply with all requirements of this chapter. Contract support staff and the supervising provider retain personal and professional responsibility for any violation of this chapter by the contracted support staff; and

(5) The owner, lessee, or operator of the remote technology must maintain liability insurance in an amount reasonably sufficient to cover claims which may be made by individuals diagnosed or treated based on information and data by the automated equipment, including but not limited to photographs and scans.

NEW SECTION. Sec. 6. ENFORCEMENT. (1) The relevant disciplinary authority for the qualified provider shall review any written complaint alleging a violation, or attempted violation, of this chapter or rules adopted pursuant to this chapter, and conduct an investigation.

(2) If the disciplinary authority finds that a person has violated or attempted to violate this chapter, it may:

(a) Upon the first violation or attempted violation that did not result in significant harm to an individual's health, issue a written warning; or

(b) In all other cases, impose a civil penalty of not less than one thousand dollars and not more than ten thousand dollars for each violation.

(3) At the request of the department, the attorney general may file a civil action seeking an injunction or other appropriate relief to enforce this chapter and the rules adopted pursuant to this chapter.

(4) For the purposes of this section, "disciplinary authority" means the same as in RCW 18.130.020.

NEW SECTION. Sec. 7. RULE MAKING. The department shall adopt any rules necessary to implement this chapter.

NEW SECTION. Sec. 8. Sections 2 through 7 of this act constitute a new chapter in Title 18 RCW.

MESSAGE FROM THE HOUSE

March 4, 2020

MR. PRESIDENT:
The House passed SECOND SUBSTITUTE SENATE BILL NO. 5947 with the following amendment(s): 5947-S2 AMH CB H5260.2

Strike everything after the enacting clause and insert the following:
"NEW SECTION. Sec. 1. The legislature finds that Washington's working agricultural lands are essential to the economic and social well-being of our rural communities and to the state's overall environment and economy. The legislature further finds that different challenges and opportunities exist to expand the use of precision agriculture for different crops in the state by assisting farmers, ranchers, and aquaculturists to purchase equipment and receive technical assistance to reduce their operations' carbon footprint while ensuring that crops and soils receive exactly what they need for optimum health and productivity. Moreover, the legislature finds that opportunities exist to enhance soil health through carbon farming and..."
regenerative agriculture by increasing soil organic carbon levels while ensuring appropriate carbon to nitrogen ratios, and to store carbon in standing trees, seaweed, and other vegetation. Therefore, it is the intent of the legislature to provide cost-sharing competitive grant opportunities to enable farmers and ranchers to adopt practices that increase appropriate quantities of carbon stored in and above their soil and to initiate or expand the use of precision agriculture on their farms. This act seeks to leverage and enhance existing state and federal cost-sharing programs for farm, ranch, and aquaculture operations.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this section and sections 3 through 7 of this act unless the context clearly requires otherwise.

(1) "Carbon dioxide equivalent emission" means a metric measure used to compare the emission impacts from various greenhouse gases based on their relative radiative forcing effect over a specified period of time compared to carbon dioxide emissions.

(2) "Carbon dioxide equivalent impact" means a metric measure of the cumulative radiative forcing impacts of both carbon dioxide equivalent emissions and the radiative forcing benefits of carbon storage.

(3) "Commission" means the Washington state conservation commission created in this chapter.

(4) "Conservation district" means one or a group of Washington state's conservation districts created in this chapter.

NEW SECTION. Sec. 3. (1) The commission shall develop a sustainable farms and fields grant program in consultation with the department of agriculture, Washington State University, and the United States department of agriculture natural resources conservation service.

(2) As funding allows, the commission shall distribute funds, as appropriate, to conservation districts and other public entities to help implement the projects approved by the commission.

(3) No more than fifteen percent of the funds may be used by the commission to develop, or to consult or contract with private or public entities, such as universities or conservation districts, to develop:

(a) An educational public awareness campaign and outreach about the sustainable farm and field program; or

(b) The grant program, including the production of analytical tools, measurement estimation and verification methods, cost-benefit measurements, and public reporting methods.

(4) No more than five percent of the funds may be used by the commission to cover the administrative costs of the program.

(5) No more than twenty percent of the funds may be awarded to any single grant applicant.

(6) Allowable uses of grant funds include:

(a) Annual payments to enrolled participants for successfully delivered carbon storage or reduction;

(b) Up-front payments for contracted carbon storage;

(c) Down payments on equipment;

(d) Purchases of equipment;

(e) Purchase of seed, seedlings, spores, animal feed, and amendments;

(f) Services to landowners, such as the development of site-specific conservation plans to increase soil organic levels or to increase usage of precision agricultural practices, or design and implementation of best management practices to reduce livestock emissions; and

(g) Other equipment purchases or financial assistance deemed appropriate by the commission to fulfill the intent of sections 2 through 7 of this act.

(7) Grant applications are eligible for costs associated with technical assistance.

(8) Conservation districts and other public entities may apply for a single grant from the commission that serves multiple farmers.

(9) Grant applicants may apply to share equipment purchased with grant funds. Applicants for equipment purchase grants issued under this grant program may be farm, ranch, or aquaculture operations coordinating as individual businesses or as formal cooperative ventures serving farm, ranch, or aquaculture operations. Conservation districts, separately or jointly, may also apply for grant funds to operate an equipment sharing program.

(10) No contract for carbon storage or changes to management practices may exceed twenty-five years. Grant contracts that include up-front payments for future benefits must be conditioned to include penalties for default due to negligence on the part of the recipient.

(11) The commission shall attempt to achieve a geographically fair distribution of funds across a broad group of crop types, soil management practices, and farm sizes.

(12) Any applications involving state lands leased from the department of natural resources must include the department's approval.

NEW SECTION. Sec. 4. (1) When prioritizing grant recipients, the commission, in consultation with the department of agriculture, Washington State University, and the United States department of agriculture natural resources conservation service, shall seek to maximize the benefits of the grant program by leveraging other state, nonstate, public, and private sources of money. The primary metrics used to rank grant applications must be made public by the commission.

(2) The grant program must prioritize or weight projects based on consideration of the individual project's ability to:

(a) Increase the quantity of organic carbon in topsoil through practices including, but not limited to, cover cropping, no-till and minimum tillage conservation practices, crop rotations, manure application, biochar application, compost application, and changes in grazing management;

(b) Increase the quantity of organic carbon in aquatic soils;

(c) Intentionally integrate trees, shrubs, seaweed, or other vegetation into management of agricultural and aquatic cultural lands;

(d) Reduce or avoid carbon dioxide equivalent emissions in or from soils;

(e) Reduce nitrous oxide and methane emissions through changes to livestock or soil management; and

(f) Increase usage of precision agricultural practices.

(3) The commission shall develop and approve a prioritization metric to guide the distribution of funds appropriated by the legislature for this purpose, with the goal of producing cost-effective carbon dioxide equivalent impact benefits.

(4) Applicants that create riparian buffers along waterways, or otherwise benefit fish habitat, must receive an enhanced prioritization compared to other grant applications that perform similarly under the prioritization metrics developed by the commission.

(5) The commission shall downgrade a specific grant proposal within its prioritization metric if the proposal is expected to cause significant environmental damage to fish and wildlife habitat.

NEW SECTION. Sec. 5. (1) The commission shall determine methods for measuring, estimating, and verifying outcomes under the sustainable farms and fields grant program in consultation with Washington State University, the department of agriculture, and the United States department of agriculture natural resources conservation service.

(2) The commission may require that a grant recipient allow
the commission, or contractors hired by the commission, including the Washington State University extension program, access to the grant recipient's property, with reasonable notice, to monitor the results of the project or projects funded by the grant program on the grant recipient's property.

**NEW SECTION.** Sec. 6. (1) By October 15, 2021, and every two years thereafter, the commission shall report to the legislature and the governor on the performance of the sustainable farms and fields grant program.

(2) The commission shall update at least annually a public list of projects and pertinent information including a summary of state and federal funds, private funds spent, landowner and other private cost-share matching expenditures, the total number of projects, and an estimate of carbon sequestered or carbon emissions reduced.

(3) By July 1, 2024, the commission, in consultation with Washington State University and the University of Washington, must evaluate and update the most appropriate carbon equivalency metric to apply to the sustainable farms and fields grant program. Until this equivalency is updated by the commission, or unless the commission identifies a better metric, the commission must initially use a one hundred year storage equivalency that can be linearly annualized to recognize the storage of carbon on an annual basis based on the storage of 3.67 tons of biogenic carbon for one hundred years being assigned a value equal to avoiding one ton of carbon dioxide equivalent emissions.

(4) The grant recipient and other private cost-sharing participants may at their own discretion allow their business or other name to be listed on the public report produced by the commission. All grant recipients must allow anonymized information about the full funding of their project to be made available for public reporting purposes.

**NEW SECTION.** Sec. 7. The sustainable farms and fields account is created in the state treasury. All receipts of money directed to the account must be deposited in the account. Expenditures from the account may be used only for purposes relating to the sustainable farms and fields grant program established in section 3 of this act. Moneys in the account may be spent only after appropriation.

**NEW SECTION.** Sec. 8. Sections 2 through 7 of this act are each added to chapter 89.08 RCW.

**NEW SECTION.** Sec. 9. No public funds shall be awarded as grants under this act until public funds are appropriated specifically for the sustainable farms and fields grant program.

Senators McCoy and Warnick spoke in favor of the motion.

The President declared the question before the Senate to be the motion by Senator McCoy that the Senate concur in the House amendment(s) to Second Substitute Senate Bill No. 5947.

The motion by Senator McCoy carried and the Senate concurred in the House amendment(s) to Second Substitute Senate Bill No. 5947 by voice vote.

The President declared the question before the Senate to be the final passage of Second Substitute Senate Bill No. 5947, as amended by the House.

**ROLL CALL**

The Secretary called the roll on the final passage of Second Substitute Senate Bill No. 5947, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 43; Nays, 6; Absent, 0; Excused, 0.

Voting nay: Senators Ericksen, Honeyford, King, Padden, Rivers and Wagoner

SECOND SUBSTITUTE SENATE BILL NO. 5947, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

**POINT OF ORDER**

Senator Padden: “Yes, in the roll call before the last one, Mr. President, a member had been marked ‘absent,’ did not vote. And the folks up front changed that, changed an ‘excused’ to an ‘absent’ without the member voting and without being here. It looked like during the roll call itself. So I wondered if you had an explanation?”

**REPLY BY THE PRESIDENT**

President Habib: “So, what happened was that, just prior to the roll call vote, Senator Mullet had - I don’t know if you were on the floor Senator Padden and heard, Senator Mullet moved to excuse Senators Liias and Wellman. And I said, as I normally do, as I always do, ‘Without objection Senators Liias and Wellman are excused.’ For whatever reason Liias was noted as excused but not Wellman. And, so when the roll call had been concluded, and Wellman had not voted, she showed up as absent but, in fact, that was a mistake. She should have been already excused. In any case it didn’t matter because she appeared in time, before the roll call had been concluded. So, that is the extent of that particular drama. Thank you.”

Senator Padden: “Thank you, Mr. President, for the explanation.”

**MOTION**

On motion of Senator Mullet, Senator Van De Wege was excused.

MESSAGE FROM THE HOUSE

March 5, 2020

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 6259 with the following amendment(s): 6259-S AMH H5117.1

Strike everything after the enacting clause and insert the following:

"PART I

Sec. 101. RCW 43.71B.901 and 2019 c 282 s 1 are each amended to read as follows:

(1) The legislature finds that:
(a) As set forth in 25 U.S.C. Sec. 1602, it is the policy of the nation, in fulfillment of its special trust responsibilities and legal obligations to American Indians and Alaska Natives, to:
(i) Ensure the highest possible health status for American Indians and Alaska Natives and to provide all resources necessary to effect that policy;
(ii) Raise the health status of American Indians and Alaska Natives to at least the levels set forth in the goals contained within the healthy people 2020 initiative or successor objectives; and
(iii) Ensure tribal self-determination and maximum participation by American Indians and Alaska Natives in the direction of health care services so as to render the persons administering such services and the services themselves more responsive to the needs and desires of tribes and American Indian and Alaska Native communities;

(b) According to the northwest tribal epidemiology center and the department of health, American Indians and Alaska Natives in the state experience some of the greatest health disparities compared to other groups, including (excessively high rates of):
(i) (Premature)) Disproportionately high rates of premature mortality due to (suicide, overdose, unintentional injury, and various) chronic diseases and unintentional injury; (and)

(ii) (Asthma)) Disproportionately high rates of asthma, coronary heart disease, hypertension, diabetes, prediabetes, obesity, dental caries, poor mental health, youth depressive feelings, cigarette smoking and vaping, and cannabis use;

(iii) A drug overdose death rate in 2016 in this state that is three times higher than the national American Indian and Alaska Native rate and has increased thirty-six percent since 2012 and almost three hundred percent since 2000 in contrast to a relatively stable rate for the state overall population. Over seventy-two percent of these overdose deaths involved an opioid;

(iv) A suicide mortality rate in this state that is more than one and four-fifths times higher than the rate for non-American Indians and Alaska Natives. Since 2001, the suicide mortality rate for American Indians and Alaska Natives in this state has increased by fifty-eight percent which is more than three times the rate of increase among non-American Indians and Alaska Natives. Nationally, the highest suicide rates among American Indians and Alaska Natives are for adolescents and young adults, while rates among non-Hispanic whites are highest in older age groups, suggesting that different risk factors might contribute to suicide in these groups; and

(v) A rate of exposure to significant adverse childhood experiences between 2009 and 2011 that is nearly twice the rate of non-Hispanic whites;

(c) These health disparities are a direct result of both historical trauma, leading to adverse childhood experiences across multiple generations, and inadequate levels of federal funding to the Indian health service;

(d) Under a 2016 update in payment policy from the centers for medicare and medicaid services, the state has the opportunity to shift more of the cost of care for American Indian and Alaska Native medicaid enrollees from the state general fund to the federal government if all of the federal requirements are met;

(e) Because the federal requirements to achieve this cost shift and obtain the new federal funds place significant administrative burdens on Indian health service and tribal health facilities, the state has no way to shift these costs of care to the federal government unless the state provides incentives for tribes to take on these administrative burdens; and

(f) The federal government's intent for this update in payment policy is to help states, the Indian health service, and tribes to improve delivery systems for American Indians and Alaska Natives by increasing access to care, strengthening continuity of care, and improving population health.

(2) The legislature, therefore, intends to:
(a) Establish that it is the policy of this state and the intent of this chapter, in fulfillment of the state's unique relationships and shared respect between sovereign governments, to:
(i) Recognize the United States' special trust responsibility to provide quality health care and allied health services to American Indians and Alaska Natives, including those individuals who are residents of this state; and

(ii) Implement the national policies of Indian self-determination with the goal of reducing health inequities for American Indians and Alaska Natives;

(b) Establish the governor's Indian health advisory council to:
(i) Adopt a biennial Indian health improvement advisory plan, developed by the reinvestment committee;

(ii) Address issues with tribal implications that are not able to be resolved at the agency level; (and)

(iii) Provide oversight of the Indian health improvement reinvestment account; and

(iv) Draft recommended legislation to address Indian health improvement needs including, but not limited to, crisis coordination between Indian health care providers and the state's behavioral health system;

(c) Establish the Indian health improvement reinvestment account in order to provide incentives for tribes to assume the administrative burdens created by the federal requirements for the state to shift health care costs to the federal government;

(d) Appropriate and deposit into the reinvestment account all of the new state savings, subject to federal appropriations and less agreed upon administrative costs to maintain fiscal neutrality to the state general fund; (and)

(e) Require the funds in the reinvestment account to be spent only on costs for projects, programs, or activities identified in the advisory plan;

(f) Address the ongoing suicide and addiction crisis among American Indians and Alaska Natives by:
(i) Including Indian health care providers among entities eligible to receive available resources as defined in RCW 71.24.025 for the delivery of behavioral health services to American Indians and Alaska Natives;

(ii) Strengthening the state's behavioral health system crisis
coordination with tribes and Indian health care providers by removing barriers to the federal trust responsibility to provide for American Indians and Alaska Natives; and

(g) Recognize the sovereign authority of tribal governments to act as public health authorities in providing for the health and safety of their community members including those individuals who may be experiencing a behavioral health crisis.

Before filing the petition, the designated crisis responder must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage facility, or approved substance use disorder treatment program.

(2)(a) An order to detain a person with a mental disorder to a designated evaluation and treatment facility, or to detain a person with a substance use disorder to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, for not more than a seventy-two-hour evaluation and treatment period may be issued by a judge of the superior court upon request of a designated crisis responder, subject to (d) of this subsection, whenever it appears to the satisfaction of a judge of the superior court:

(i) That there is probable cause to support the petition; and
(ii) That the person has refused or failed to accept appropriate evaluation and treatment voluntarily.

(b) The petition for initial detention, signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in determining whether there are sufficient grounds for issuing the order.

(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(d) A court may not issue an order to detain a person to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is an available secure withdrawal management and stabilization facility or approved substance use disorder treatment program that has adequate space for the person.

(3) The designated crisis responder shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order together with a notice of rights, and a petition for initial detention. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

(5) An Indian tribe shall have jurisdiction exclusive to the state as to any involuntary commitment of an American Indian or Alaska Native to an evaluation and treatment facility located within the boundaries of that tribe, unless the tribe has consented to the state's concurrent jurisdiction, or the tribe has expressly declined to exercise its exclusive jurisdiction.

(6) Tribal court orders for involuntary commitment shall be recognized and enforced in accordance with superior court civil rule 82.5.

(7) In any investigation and evaluation of an individual under RCW 71.05.150 or 71.05.153 in which the designated crisis responder knows, or has reason to know, that the individual is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the designated crisis responder shall notify the tribe or Indian health care provider regarding whether or not a petition for initial detention or involuntary outpatient treatment will be filed. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible but no later than three hours subject to the requirements in RCW 70.02.230 (2)(dd) and (3). (1) If a designated crisis responder decides not to detain a person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the person detained, an immediate family member or guardian or conservator of the person, or a federally recognized Indian tribe if the person is a member of such tribe, may petition the superior court for the person's initial detention.

(2) A petition under this section must be filed within ten calendar days following the designated crisis responder investigation or the request for a designated crisis responder investigation. If more than ten days have elapsed, the immediate family member, guardian, or conservator may request a new designated crisis responder investigation.

(3) (a) The petition must be filed in the county in which the designated crisis responder investigation occurred or was requested to occur and must be submitted on forms developed by
the administrative office of the courts for this purpose. The petition must be accompanied by a sworn declaration from the petitioner, and other witnesses if desired, describing why the person should be detained for evaluation and treatment. The description of why the person should be detained may contain, but is not limited to, the information identified in RCW 71.05.212.

(b) The petition must contain:
(i) A description of the relationship between the petitioner and the person; and
(ii) The date on which an investigation was requested from the designated crisis responder.

(4) The court shall, within one judicial day, review the petition to determine whether the petition raises sufficient evidence to support the allegation. If the court so finds, it shall provide a copy of the petition to the designated crisis responder agency with an order for the agency to provide the court, within one judicial day, with a written sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to the designated crisis responder's current decision.

(5) Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

(6) The court shall dismiss the petition at any time if it finds that a designated crisis responder has filed a petition for the person's initial detention under RCW 71.05.150 or 71.05.153 or that the person has voluntarily accepted appropriate treatment.

(7) The court must issue a final ruling on the petition within five judicial days after it is filed. After reviewing all of the information provided to the court, the court may enter an order for initial detention or an order instructing the designated crisis responder to file a petition for assisted outpatient behavioral health treatment if the court finds that: (a) There is probable cause to support a petition for detention or assisted outpatient behavioral health treatment; and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall transmit its final decision to the petitioner.

(8) If the court enters an order for initial detention, it shall provide the order to the designated crisis responder agency and issue a written order for apprehension of the person by a peace officer for delivery of the person to a facility or emergency room determined by the designated crisis responder. The designated crisis responder agency serving the jurisdiction of the court shall collaborate and coordinate with law enforcement regarding apprehensions and detentions under this subsection, including sharing of information relating to risk and which would assist in locating the person. A person may not be detained to jail pursuant to a written order issued under this subsection. An order for detention under this section should contain the advisement of rights which the person would receive if the person were detained by a designated crisis responder. An order for initial detention under this section expires one hundred eighty days from issuance.

(9) Except as otherwise expressly stated in this chapter, all procedures must be followed as if the order had been entered under RCW 71.05.150. RCW 71.05.160 does not apply if detention was initiated under the process set forth in this section.

The designated crisis responder or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient behavioral health treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts;
(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and
(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated crisis responder or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

(ii) Three times the amount of actual damages sustained, if any.

(b) It is not a prerequisite to recovery under this subsection that the plaintiff suffered or was threatened with special, as contrasted with general, damages.

(c) Any person may bring an action to enjoin the release of confidential information or records concerning him or her or his or her ward, in violation of the provisions of this section, and may in the same action seek damages as provided in this subsection.

(d) The court may award to the plaintiff, should he or she prevail in any action authorized by this subsection, reasonable attorney fees in addition to those otherwise provided by law.

(e) If an action is brought under this subsection, no action may be brought under RCW 70.02.170.

MESSAGE FROM THE HOUSE

March 3, 2020

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6268 with the following amendment(s): 6268-S.E AMH CRJ H5206.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that individuals who abuse their intimate partners often misuse court proceedings in order to control, harass, intimidate, coerce, and/or impoverish the abused partner. Court proceedings can provide a means for an abuser to exert and reestablish power and control over a domestic violence survivor long after a relationship has ended. The legal system unwittingly becomes another avenue that abusers exploit to cause psychological, emotional, and financial devastation. This misuse of the court system by abusers has been referred to as legal bullying, stalking through the courts, paper abuse, and similar terms. The legislature finds that the term "abusive litigation" is the most common term and that it accurately describes this problem. Abusive litigation against domestic violence survivors arises in a variety of contexts. Family law cases such as dissolutions, legal separations, parenting plan actions or modifications, and protection order proceedings are particularly common forums for abusive litigation. It is also not uncommon for abusers to file civil lawsuits against survivors, such as defamation, tort, or breach of contract claims. Even if a lawsuit is meritless, forcing a survivor to spend time, money, and emotional resources responding to the action provides a means for the abuser to assert power and control over the survivor.

The legislature finds that courts have considerable authority to respond to abusive litigation tactics, while upholding litigants' constitutional rights to access to the courts. Because courts have inherent authority to control the conduct of litigants, they have considerable discretion to fashion creative remedies in order to curb abusive litigation. The legislature intends to provide the
NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abusive litigation" means litigation where the following apply:

(a) The opposing parties have a current or former intimate partner relationship;

(b) The party who is filing, initiating, advancing, or continuing the litigation has been found by a court to have committed domestic violence against the other party pursuant to: (A) An order entered under this chapter; (B) A parenting plan with restrictions based on RCW 26.09.191(2)(a)(ii); or (C) A restraining order entered under chapter 26.09, 26.26, or 26.26A RCW, provided that the issuing court made a specific finding that the restraining order was necessary due to domestic violence; and

(c) The statements containing factual contentions made in the litigation have been found by the court to have been frivolous, vexatious, intransigent, or otherwise.

(2) "Intimate partner" is defined in RCW 26.50.010.

(3) "Litigation" means any kind of legal action or proceeding including, but not limited to: (i) Filing a summons, complaint, demand, or petition; (ii) Serving a summons, complaint, demand, or petition, regardless of whether it has been filed; (iii) Filing a motion, notice of court date, note for motion docket, or order to appear; (iv) Serving a motion, notice of court date, note for motion docket, or order to appear, regardless of whether it has been filed or scheduled; (v) Filing a subpoena, subpoena duces tecum, request for interrogatories, request for production, notice of deposition, or other discovery request; or (vi) Serving a subpoena, subpoena duces tecum, request for interrogatories, request for production, notice of deposition, or other discovery request.

(4) "Perpetrator of abusive litigation" means a person who files, initiates, advances, or continues litigation in violation of an order restricting abusive litigation.

NEW SECTION. Sec. 3. (1) A party to a case may request from the court an order restricting abusive litigation if the parties are current or former intimate partners and one party has been found by the court to have committed domestic violence against the other party:

(a) In any answer or response to the litigation being filed, initiated, advanced, or continued;

(b) By motion made at any time during any open or ongoing case; or

(c) By separate motion made under this chapter, within five years of the entry of an order for protection even if the order has since expired.

(2) Any court of competent jurisdiction may, on its own motion, determine that a hearing pursuant to section 4 of this act is necessary to determine if a party is engaging in abusive litigation.

(3) The administrative office of the courts shall update the instructions, brochures, standard petition, and order for protection forms, and create new forms for the motion for order restricting abusive litigation and order restricting abusive litigation, and update the court staff handbook when changes in the law make an update necessary.

(4) No filing fee may be charged to the unrestricted party for proceedings under this section regardless of whether it is filed under this chapter or another action in this title. Forms and instructional brochures shall be provided free of charge.

(5) The provisions of this section are nonexclusive and do not affect any other remedy available.

NEW SECTION. Sec. 4. (1) If a party asserts that they are being subjected to abusive litigation, the court shall attempt to verify that the parties have or previously had an intimate partner relationship and that the party raising the claim of abusive litigation has been found to be a victim of domestic violence by the other party. If the court verifies that both elements are true, or is unable to verify that they are not true, the court shall set a hearing to determine whether the litigation meets the definition of abusive litigation.

(2) At the time set for the hearing on the alleged abusive civil action, the court shall hear all relevant testimony and may require any affidavits, documentary evidence, or other records the court deems necessary.

NEW SECTION. Sec. 5. At the hearing conducted pursuant to section 4 of this act, evidence of any of the following creates a rebuttable presumption that litigation is being initiated, advanced, or continued primarily for the purpose of harassing, intimidating, or maintaining contact with the other party:

(1) The same or substantially similar issues between the same or substantially similar parties have been litigated within the past five years in the same court or any other court of competent jurisdiction; or

(2) The same or substantially similar issues between the same or substantially similar parties have been raised, pled, or alleged in the past five years and were dismissed on the merits or with prejudice; or

(3) Within the last ten years, the party allegedly engaging in abusive litigation has been sanctioned under superior court civil rule 11 or a similar rule or law in another jurisdiction for filing one or more cases, petitions, motions, or other filings, that were found to have been frivolous, vexatious, intransigent, or brought in bad faith involving the same opposing party; or

(4) A court of record in another judicial district has determined that the party allegedly engaging in abusive litigation has previously engaged in abusive litigation or similar conduct and has been subject to a court order imposing prefiling restrictions.

NEW SECTION. Sec. 6. (1) If the court finds by a preponderance of the evidence that a party is engaging in abusive litigation, and that any or all of the motions or actions pending before the court are abusive litigation, the litigation shall be dismissed, denied, stricken, or resolved by other disposition with prejudice.

(2) In addition to dismissal or denial of any pending abusive litigation within the jurisdiction of the court, the court shall enter an "order restricting abusive litigation." The order shall:

(a) Impose all costs of any abusive civil action pending in the court at the time of the court's finding pursuant to subsection (1) of this section against the party advancing the abusive litigation;

(b) Award the other party reasonable attorneys' fees and costs of responding to the abusive litigation including the cost of seeking the order restricting abusive litigation; and

(c) Identify the party protected by the order and impose prefiling restrictions upon the party found to have engaged in abusive litigation for a period of not less than forty-eight months.
nor more than seventy-two months.

(3) If the court finds by a preponderance of the evidence that the litigation does not constitute abusive litigation, the court shall enter written findings and the litigation shall proceed. Nothing in this section or chapter shall be construed as limiting the court's inherent authority to control the proceedings and litigants before it.

(4) The provisions of this section are nonexclusive and do not affect any other remedy available to the person who is protected by the order restricting abusive litigation or to the court.

NEW SECTION. Sec. 7. (1) Except as provided in this section, a person who is subject to an order restricting abusive litigation is prohibited from filing, initiating, advancing, or continuing the litigation against the protected party for the period of time the filing restrictions are in effect.

(2) Notwithstanding subsection (1) of this section and consistent with the state Constitution, a person who is subject to an order restricting abusive litigation may seek permission to file a new case or a motion in an existing case using the procedure set out in subsection (3) of this section.

(3)(a) A person who is subject to an order restricting litigation against whom prefiling restrictions have been imposed pursuant to this chapter who wishes to initiate a new case or file a motion in an existing case during the time the person is under filing restrictions must first appear before the judicial officer who imposed the prefiling restrictions to make application for permission to institute the civil action.

(b)(i) The judicial officer may examine witnesses, court records, and any other available evidence to determine if the proposed litigation is abusive litigation or if there are reasonable and legitimate grounds upon which the litigation is based.

(ii) If the judicial officer determines the proposed litigation is abusive litigation, based on reviewing the records as well as any evidence from the person who is subject to the order, then it is not necessary for the person protected by the order to appear or participate in any way. If the judicial officer is unable to determine whether the proposed litigation is abusive without hearing from the person protected by the order, then the court shall issue an order scheduling a hearing, and notifying the protected party of the party's right to appear and/or participate in the hearing. The order should specify whether the protected party is expected to submit a written response. When possible, the protected party should be permitted to appear telephonically and provided instructions for how to appear telephonically.

(c)(i) If the judicial officer believes the litigation that the party who is subject to the prefiling order is making application to file will constitute abusive litigation, the application shall be denied, dismissed, or otherwise disposed with prejudice.

(ii) If the judicial officer reasonably believes that the litigation the party who is subject to the prefiling order is making application to file will not be abusive litigation, the judicial officer may grant the application and issue an order permitting the filing of the case, motion, or pleading. The order shall be attached to the front of the pleading to be filed with the clerk. The party who is protected by the order shall be served with a copy of the order at the same time as the underlying pleading.

(d) The findings of the judicial officer shall be reduced to writing and made a part of the record in the matter. If the party who is subject to the order disputes the finding of the judge, the party may seek review of the decision as provided by the applicable court rules.

(4) If the application for the filing of a pleading is granted pursuant to this section, the period of time commencing with the filing of the application requesting permission to file the action and ending with the issuance of an order permitting filing of the action shall not be computed as a part of any applicable period of limitations within which the matter must be instituted.

(5) If, after a party who is subject to prefiling restrictions has made application and been granted permission to file or advance a case pursuant to this section, any judicial officer hearing or presiding over the case, or any part thereof, determines that the person is attempting to add parties, amend the complaint, or is otherwise attempting to alter the parties and issues involved in the litigation in a manner that the judicial officer reasonably believes would constitute abusive litigation, the judicial officer shall stay the proceedings and refer the case back to the judicial officer who granted the application to file, for further disposition.

(a) If a party who is protected by an order restricting abusive litigation is served with a pleading filed by the person who is subject to the order, and the pleading does not have an attached order allowing the pleading, the protected party may respond to the case by filing a copy of the order restricting abusive litigation.

(b) If it is brought to the attention of the court that a person against whom prefiling restrictions have been imposed has filed a new case or is continuing an existing case without having been granted permission pursuant to this section, the court shall dismiss, deny, or otherwise dispose of the matter. This action may be taken by the court on the court's own motion or initiative. The court may take whatever action against the perpetrator of abusive litigation deemed necessary and appropriate for a violation of the order restricting abusive litigation.

(c) If a party who is protected by an order restricting abusive litigation is served with a pleading filed by the person who is subject to the order, and the pleading does not have an attached order allowing the pleading, the protected party is under no obligation or duty to respond to the summons, complaint, petition, motion, to answer interrogatories, to appear for depositions, or any other responsive action required by rule or statute in a civil action.

(7) If the judicial officer who imposed the prefiling restrictions is no longer serving in the same capacity in the same judicial district where the restrictions were placed, or is otherwise unavailable for any reason, any other judicial officer in that judicial district may perform the review required and permitted by this section.

Sec. 8. RCW 26.09.191 and 2019 c 46 s 5020 are each amended to read as follows:

(1) The permanent parenting plan shall not require mutual decision-making or designation of a dispute resolution process other than court action if it is found that a parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or a pattern of emotional abuse of a child; or (c) a history of acts of domestic violence as defined in RCW 26.50.010(3) or an assault or sexual assault that causes grievous bodily harm or the fear of such harm or that results in a pregnancy.

(2)(a) The parent's residential time with the child shall be limited if it is found that the parent has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of emotional abuse of a child; (iii) a history of acts of domestic violence as defined in RCW 26.50.010(3) or an assault or sexual assault that causes grievous bodily harm or the fear of such harm or that results in a pregnancy; or (iv) the parent has been convicted as an adult of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption
exists under (d) of this subsection;

(D) RCW 9A.44.089;
(E) RCW 9A.44.093;
(F) RCW 9A.44.096;
(G) RCW 9A.44.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;
(H) Chapter 9.68A RCW;
(I) Any predecessor or antecedent statute for the offenses listed in (a)(iv)(A) through (H) of this subsection;
(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (a)(iv)(A) through (H) of this subsection.

This subsection (2)(a) shall not apply when (c) or (d) of this subsection applies.
(b) The parent's residential time with the child shall be limited if it is found that the parent resides with a person who has engaged in any of the following conduct: (i) Physical, sexual, or a pattern of emotional abuse of a child; (ii) a history of acts of domestic violence as defined in RCW 26.50.010(3) or an assault or sexual assault that causes grievous bodily harm or the fear of such harm or that results in a pregnancy; or (iii) the person has been convicted as an adult or as a juvenile has been adjudicated as a sex offender under:
(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;
(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;
(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;
(D) RCW 9A.44.089;
(E) RCW 9A.44.093;
(F) RCW 9A.44.096;
(G) RCW 9A.44.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;
(H) Chapter 9.68A RCW;
(I) Any predecessor or antecedent statute for the offenses listed in (b)(iii)(A) through (H) of this subsection;
(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (b)(iii)(A) through (H) of this subsection.

This subsection (2)(b) shall not apply when (c) or (e) of this subsection applies.
(c) If a parent has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter. If a parent resides with an adult or a juvenile who has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with the parent's child except contact that occurs outside that person's presence.
(d) There is a rebuttable presumption that a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection poses a present danger to a child. Unless the parent rebuts this presumption, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter:
(i) If the child was the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or
(ii) If the child was the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child.
(g) The presumption established in (e) of this subsection may
be rebutted only after a written finding that the child was not conceived and subsequently born as a result of a sexual assault committed by the parent requesting residential time and that:

(i) If the child was not the victim of the sex offense committed by the parent who is residing with the parent requesting residential time, (A) contact between the child and the parent residing with the convicted or adjudicated person is appropriate and that parent is able to protect the child in the presence of the convicted or adjudicated person, and (B) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

(ii) If the child was the victim of the sex offense committed by the person who is residing with the parent requesting residential time, (A) contact between the child and the parent in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the parent residing with the convicted or adjudicated person in the presence of the convicted or adjudicated person is in the child's best interest, and (C) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes contact between the parent and child in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.

(h) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection to have residential time with the child supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(i) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who has been adjudicated as a juvenile of a sex offense listed in (e)(i) through (ix) of this subsection to have residential time with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(j) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who, as an adult, has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have residential time with the child in the presence of the convicted person supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(m) The limitations imposed by the court under (a) or (b) of this subsection shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting residential time. The limitations shall also be reasonably calculated to provide for the safety of the parent who may be at risk of physical, sexual, or emotional abuse or harm that could result if the parent has contact with the parent requesting residential time. The
limitations the court may impose include, but are not limited to: Supervised contact between the child and the parent or completion of relevant counseling or treatment. If the court expressly finds based on the evidence that limitations on the residential time with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting residential time, the court shall restrain the parent requesting residential time from all contact with the child.

(ii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused the child, except upon recommendation by an evaluator or therapist for the child that the child is ready for contact with the parent and will not be harmed by the contact. The court shall not enter an order allowing a parent to have contact with the child in the offender's presence if the parent resides with a person who has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused a child, unless the court finds that the parent accepts that the person engaged in the harmful conduct and the parent is willing to and capable of protecting the child from harm from the person.

(iii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence pursuant to RCW 26.26A.465 to have committed sexual assault, as defined in RCW 26.26A.465, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault.

(iv) If the court limits residential time under (a) or (b) of this subsection to require supervised contact between the child and the parent, the court shall not approve of a supervisor for contact between a child and a parent who has engaged in physical, sexual, or a pattern of emotional abuse of the child unless the court finds based upon the evidence that the supervisor accepts that the harmful conduct occurred and is willing to and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing to or capable of protecting the child.

(n) If the court expressly finds based on the evidence that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's or other person's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of (a), (b), and (m)(i) and (iv) of this subsection, or if the court expressly finds that the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a), (b), and (m)(i) and (iv) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court. This subsection shall not apply when (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), and (m)(ii) of this subsection apply.

(3) A parent's involvement or conduct may have an adverse effect on the child's best interests, and the court may preclude or limit any provisions of the parenting plan, if any of the following factors exist:

(a) A parent's neglect or substantial nonperformance of parenting functions;

(b) A long-term emotional or physical impairment which interferes with the parent's performance of parenting functions as defined in RCW 26.09.004;

(c) A long-term impairment resulting from drug, alcohol, or other substance abuse that interferes with the performance of parenting functions;

(d) The absence or substantial impairment of emotional ties between the parent and the child;

(e) The abusive use of conflict by the parent which creates the danger of serious damage to the child's psychological development. Abusive use of conflict includes, but is not limited to, abusive litigation as defined in section 2 of this act. If the court finds a parent has engaged in abusive litigation, the court may impose any restrictions or remedies set forth in chapter 26.---

RCW (the new chapter created in section 10 of this act) in addition to including a finding in the parenting plan. Litigation that is aggressive or improper but that does not meet the definition of abusive litigation shall not constitute a basis for a finding under this section. A report made in good faith to law enforcement, a medical professional, or child protective services of sexual, physical, or mental abuse of a child shall not constitute a basis for a finding of abusive use of conflict:

(f) A parent has withheld from the other parent access to the child for a protracted period without good cause; or

(g) Such other factors or conduct as the court expressly finds adverse to the best interests of the child.

(4) In cases involving allegations of limiting factors under subsection (2)(a)(ii) and (iii) of this section, both parties shall be screened to determine the appropriateness of a comprehensive assessment regarding the impact of the limiting factor on the child and the parties.

(5) In entering a permanent parenting plan, the court shall not draw any presumptions from the provisions of the temporary parenting plan.

(6) In determining whether any of the conduct described in this section has occurred, the court shall apply the civil rules of evidence, proof, and procedure.

(7) For the purposes of this section:

(a) "A parent's child" means that parent's natural child, adopted child, or stepchild; and

(b) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

Sec. 9. RCW 26.50.060 and 2019 c 46 s 5038 are each amended to read as follows:

(1) Upon notice and after hearing, the court may provide relief as follows:

(a) Restrain the respondent from committing acts of domestic violence;

(b) Exclude the respondent from the dwelling that the parties share, from the residence, workplace, or school of the petitioner, or from the day care or school of a child;

(c) Prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;

(d) On the same basis as is provided in chapter 26.09 RCW, the court shall make residential provision with regard to minor children of the parties. However, parenting plans as specified in chapter 26.09 RCW shall not be required under this chapter;

(e) Order the respondent to participate in a domestic violence perpetrator treatment program approved under RCW 26.50.150;

(f) Order other relief as it deems necessary for the protection of the petitioner and other family or household members sought to be protected, including orders or directives to a peace officer, as allowed under this chapter;

(g) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys'
fees or limited license legal technician fees when such fees are incurred by a person licensed and practicing in accordance with the state supreme court's admission to practice rule 28, the limited practice rule for limited license legal technicians;

(h) Restrain the respondent from having any contact with the victim of domestic violence or the victim's children or members of the victim's household;

(i) Restrain the respondent from harassing, following, keeping under physical or electronic surveillance, cyberstalking as defined in RCW 9.61.260, and using telephonic, audiovisual, or other electronic means to monitor the actions, location, or communication of a victim of domestic violence, the victim's children, or members of the victim's household. For the purposes of this subsection, "communication" includes both "wire communication" and "electronic communication" as defined in RCW 9.73.260;

(j) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring;

(k) Consider the provisions of RCW 9.41.800:

(l) Order possession and use of essential personal effects. The court shall list the essential personal effects to make it clear which property is included. Personal effects may include pets. The court may order that a petitioner be granted the exclusive custody or control of any pet owned, possessed, leased, kept, or held by the petitioner, respondent, or minor child residing with either the petitioner or respondent and may prohibit the respondent from interfering with the petitioner's efforts to remove the pet. The court may also prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance of specified locations where the pet is regularly found; (\((a\&\text{m})\))

(m) Order use of a vehicle; and

(n) Enter an order restricting the respondent from engaging in abusive litigation as set forth in chapter 26-..... RCW (the new chapter created in section 10 of this act). A petitioner may request this relief in the petition or by separate motion. A petitioner may request this relief by separate motion at any time within five years of the date the order for protection is entered even if the order has since expired. A stand-alone motion for an order restricting abusive litigation may be brought by a party who meets the requirements of chapter 26-..... RCW (the new chapter created in section 10 of this act) regardless of whether the party has previously sought an order for protection under this chapter, provided the motion is made within five years of the date the order that made a finding of domestic violence was entered. In cases where a finding of domestic violence was entered pursuant to an order under chapter 26.09, 26.26, or 26.26A RCW, a motion for an order restricting abusive litigation may be brought under the family law case or as a stand-alone action filed under this chapter, when it is not reasonable or practical to file under the family law case.

(2) If a protection order restrains the respondent from contacting the respondent's minor children the restraint shall be for a fixed period not to exceed one year. This limitation is not applicable to orders for protection issued under chapter 26.09, 26.10, 26.26A, or 26.26B RCW. With regard to other relief, if the petitioner has petitioned for relief on behalf of his or her own behalf or on behalf of the petitioner's family or household members or minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioner's family or household members or minor children when the order expires, the court may either grant relief for a fixed period or enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent's minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09, 26.26A, or 26.26B RCW.

(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided in RCW 26.50.085 or by mail as provided in RCW 26.50.123. If the court permits service by publication or mail, the court shall set the new hearing date not later than twenty-four days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in RCW 26.50.070. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of domestic violence against the petitioner or the petitioner's children or family or household members when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in subsection (1)(g) of this section.

(4) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence and may issue an ex parte temporary order for protection in accordance with RCW 26.50.070 on behalf of the victim until the victim is able to prepare a petition for an order for protection in accordance with RCW 26.50.030.

(5) Except as provided in subsection (4) of this section, no order for protection shall grant relief to any party except upon notice to the respondent and hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court order shall also state whether the court issued the protection order following personal service, service by publication, or service by mail and whether the court has approved service by publication or mail of an order issued under this section.

(7) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing on the order the particular reasons for the court's denial.

NEW SECTION Sec. 10. Sections 1 through 7 of this act constitute a new chapter in Title 26 RCW.

NEW SECTION Sec. 11. This act shall be construed liberally so as to effectuate the goal of protecting survivors of domestic violence from abusive litigation.

NEW SECTION Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

MESSAGE FROM THE HOUSE

March 5, 2020

MR. PRESIDENT:
The House passed SENATE BILL NO. 6417 with the following amendment(s): 6417 AMH BERG PRIN 658

On page 5, line 3, after "(6)" strike "Retirees" and insert "Beginning on the date that the state receives a determination from the federal internal revenue service that this subsection (6) conforms with federal law, retirees"

On page 5, after line 7, insert the following:
"Sec. 2. RCW 41.32.785 and 2019 c 102 s 3 are each amended
to read as follows:

(1) Upon retirement for service as prescribed in RCW 41.32.765 or retirement for disability under RCW 41.32.790, a member shall elect to have the retirement allowance paid pursuant to the following options, calculated so as to be actuarially equivalent to each other.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to a designated person. Such person shall be nominated by the member by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall include, but are not limited to, a joint and one hundred percent survivor option and a joint and fifty percent survivor option.

2(a) A member, if married, must provide the written consent of his or her spouse to the option selected under this section, except as provided in (b) and (c) of this subsection. If a member is married and both the member and member's spouse do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member's spouse as the beneficiary. Such benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) and (c) of this subsection.

(b) Written consent from a spouse or domestic partner is not required if a member who is married or a domestic partner selects a joint and survivor option under subsection (1)(b) of this section and names the member's spouse or domestic partner as the survivor beneficiary.

(c) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member's retirement:

(i) The department shall honor the designation as if made by the member under subsection (1) of this section; and

(ii) The spousal consent provisions of (a) of this subsection do not apply.

(3)(a) Any member who retired before January 1, 1996, and who elected to receive a reduced retirement allowance under subsection (1)(b) or (2) of this section is entitled to receive a retirement allowance adjusted in accordance with (b) of this subsection, if they meet the following conditions:

(i) The retiree's designated beneficiary predeceases or has predeceased the retiree; and

(ii) The retiree provides to the department proper proof of the designated beneficiary's death.

(b) The retirement allowance payable to the retiree, as of July 1, 1998, or the date of the designated beneficiary's death, whichever comes last, shall be increased by the percentage derived in (c) of this subsection.

(c) The percentage increase shall be derived by the following:

(i) One hundred percent multiplied by the result of (c)(ii) of this subsection converted to a percent;

(ii) Subtract one from the reciprocal of the appropriate joint and survivor option factor;

(iii) The joint and survivor option factor shall be from the table in effect as of July 1, 1998.

(d) The adjustment under (b) of this subsection shall accrue from the beginning of the month following the date of the designated beneficiary's death or from July 1, 1998, whichever comes last.

(4) No later than July 1, 2001, the department shall adopt rules that allow a member additional actuarially equivalent survivor benefit options, and shall include, but are not limited to:

(a)(i) A retired member who retired without designating a survivor beneficiary shall have the opportunity to designate their spouse from a postretirement marriage as a survivor during a one-year period beginning one year after the date of the postretirement marriage provided the retirement allowance payable to the retiree is not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670.

(ii) A member who entered into a postretirement marriage prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse as a survivor beneficiary following the adoption of the rules.

(b) A retired member who elected to receive a reduced retirement allowance under this section and designated a nonspouse as survivor beneficiary shall have the opportunity to remove the survivor designation and have their future benefit adjusted.

(c) The department may make an additional charge, if necessary, to ensure that the benefits provided under this subsection remain actuarially equivalent.

(5) No later than July 1, 2003, the department shall adopt rules to permit:

(a) A court-approved property settlement incident to a court decree of dissolution made before retirement to provide that benefits payable to a member who meets the length of service requirements of RCW 41.32.815 and the member's divorcing spouse be divided into two separate benefits payable over the life of each spouse.

The member shall have available the benefit options of subsection (1) of this section upon retirement, and if remarried at the time of retirement remains subject to the spousal consent requirements of subsection (2) of this section. Any reductions of the member's benefit subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

The nonmember ex spouse shall be eligible to commence receiving their separate benefit upon reaching the age provided in RCW 41.32.765(1) and after filing a written application with the department.

(b) A court-approved property settlement incident to a court decree of dissolution made after retirement may only divide the benefit into two separate benefits payable over the life of each spouse if the nonmember ex spouse was selected as a survivor beneficiary at retirement.

The retired member may later choose the survivor benefit options available in subsection (4) of this section. Any actuarial reductions subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

Both the retired member and the nonmember divorced spouse shall be eligible to commence receiving their separate benefits upon filing a copy of the dissolution order with the department in accordance with RCW 41.50.670.
(c) The department may make an additional charge or adjustment if necessary to ensure that the separate benefits provided under this subsection are actuarially equivalent to the benefits payable prior to the decree of dissolution.

(6) Beginning on the date that the state receives a determination from the federal internal revenue service that this subsection (6) conforms with federal law, retirees have up to ninety calendar days after the receipt of their first retirement allowance to change their survivor election under subsections (1) and (2) of this section. If a member changes the member's survivor election under this subsection the change is effective the first of the following month and is prospective only.

Sec. 3. RCW 41.32.851 and 2019 c 102 s 4 are each amended to read as follows:

If a member is married and both the member and the member's spouse do not give written consent to an option under this section, the department shall pay a joint and fifty-percent survivor benefit calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) and (c) of this subsection.

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

The House passed SENATE BILL NO. 6164 with the following amendment(s): 6164 AMH PS H5187.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to give prosecutors the discretion to petition the court to resentence an individual if the person’s sentence no longer advances the interests of justice. The purpose of sentencing is to advance public safety through punishment, rehabilitation, and restorative justice. When a sentence includes incarceration, this purpose is best served by terms that are proportionate to the seriousness of the offense and provide uniformity with the sentences of offenders committing the same offense under similar circumstances. By providing a means to reevaluate a sentence after some time has passed, the legislature intends to provide the prosecutor and the court with another tool to ensure that these purposes are achieved.

NEW SECTION. Sec. 2. A new section is added to chapter 36.27 RCW to read as follows:

(a) The prosecutor of a county in which an offender was sentenced for a felony offense may petition the sentencing court or the sentencing court’s successor to resentence the offender if
the original sentence no longer advances the interests of justice.

(2) The court may grant or deny a petition under this section. If the court grants a petition, the court shall resentence the defendant in the same manner as if the offender had not previously been sentenced, provided the new sentence, if any, is no greater than the initial sentence.

(3) The court may consider postconviction factors including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Credit shall be given for time served.

(4) The prosecuting attorney shall make reasonable efforts to notify victims and survivors of victims of the petition for resentencing and the date of the resentencing hearing. The prosecuting attorney shall provide victims and survivors of victims access to available victim advocates and other related services. The court shall provide an opportunity for victims and survivors of victims of any crimes for which the offender has been convicted to present a statement personally or by representation. The prosecuting attorney and the court shall comply with the requirements set forth in chapter 7.69 RCW.

(5) A resentencing under this section shall not reopen the defendant's conviction to challenges that would otherwise be barred."

March 5, 2020

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6518 with the following amendment(s): 6518-S2.E AMH APP H5354.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec. 1. The legislature finds that scientific research has played an important role in informing and advancing public policy in many areas, including health, education, early childhood development, and environmental and wildlife protection.

(1) The legislature also finds that organophosphate pesticides, such as chlorpyrifos, above certain levels may harm aquatic habitats and aquatic organisms, including salmon.

(2) In addition, the legislature finds that scientific research has identified early childhood as a critical period of intervention during which children develop the foundation for educational achievement. Young children are especially vulnerable to environmental contaminants and toxic stress.

(3) Chlorpyrifos and other organophosphate pesticides affect the nervous system through inhibition of cholinesterase, an enzyme required for proper nerve functioning.

(4) Children experience greater exposure to chlorpyrifos pesticides because, relative to adults, they eat, drink, and breathe more in proportion to their body weight. Because of this concern, the federal food quality protection act requires a tenfold margin of safety in the registration of pesticides to protect infants and children.

NEW SECTION.  Sec. 2. A new section is added to chapter 17.21 RCW to read as follows:

The director must adopt emergency rules that take effect by January 1, 2022, that include specific control measures for chlorpyrifos that are designed to reduce emissions sufficiently so the public is not subject to levels of exposure that may cause or contribute to significant adverse health effects.

NEW SECTION.  Sec. 3. (1) Subject to the availability of amounts appropriated for this specific purpose, Washington State University shall provide the Washington state commission on pesticide registration with funding to work with agricultural grower groups presently using chlorpyrifos to research alternative pest control strategies.

(2) Additional funding must be provided to the department of agriculture for training and enforcement of the Washington pesticide application act.

NEW SECTION.  Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2020, in the omnibus appropriations act, this act is null and void."

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2116, by House Committee on Education (originally sponsored by Callan, Eslick, Frame, Klippert, Blake, Ramos, Lovick, Davis, Doglio, Leavitt, Senn, Pollet and Santos)

Establishing a task force on improving institutional education programs and outcomes.

MOTION

Senator Wellman moved that the following striking floor
amendment no. 1370 by Senator Wellman be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that the federal every student succeeds act of 2015, P.L. 114-95, reauthorized and amended the elementary and secondary education act of 1965, the federal policy and funding assistance framework for the nation's public education system.

Two of the stated purposes of the every student succeeds act are to provide all children with a significant opportunity to receive a fair, equitable, and high quality education, and to close educational achievement gaps.

The legislature further recognizes that Article IX of the state Constitution provides that it is the paramount duty of the state to make ample provision for the education of all children residing within its borders, without distinction or preference on account of race, color, caste, or sex.

While the partnership of federal and state law is critical in ensuring that the civil and education rights of students are upheld, efforts in Washington to fully realize state and federal objectives, especially with respect to the delivery of education services in institutional facilities, remain unfinished.

The legislature, therefore, intends to establish a task force on improving institutional education programs and outcomes, with tasks and duties generally focused on educational programs in the juvenile justice system. In so doing, the legislature intends to examine issues that have not been significantly explored in recent years, build a shared understanding of past and present circumstances, and develop recommendations for improving the delivery of education services, and associated outcomes, for youth in institutional facilities.

NEW SECTION. Sec. 2. (1)(a) The task force on improving institutional education programs and outcomes is established, with members as provided in this subsection.

(i) The president of the senate shall appoint one member from each of the two largest caucuses of the senate, with each member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(ii) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives, with one member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(iii) The governor shall appoint one member each from the state board of education and the department of children, youth, and families, and one member representing an organization that provides free legal advice to youth who are involved in, or at risk of being involved in, the juvenile justice system.

(iv) The superintendent of public instruction shall appoint three members: One member representing the superintendent of public instruction; one member who is a principal from a school district with at least twenty thousand enrolled students that provides education services to a juvenile rehabilitation facility; and one member who is a teacher with expertise in providing education services to residents of a juvenile rehabilitation facility.

(v) The task force must also include one member representing the educational opportunity gap oversight and accountability committee, selected by the educational opportunity gap oversight and accountability committee.

(b) The task force shall choose its cochairs from among its legislative membership. One cochair must be from a minority caucus in one of the two chambers of the legislature. A member from the majority caucus of the house of representatives shall

convene the initial meeting of the task force by May 1, 2020.

(2) The task force shall examine the following issues:

(a) Goals and strategies for improving the coordination and delivery of education services to youth involved with the juvenile justice system, especially youth in juvenile rehabilitation facilities, and children receiving education services, including home or hospital instruction, under RCW 28A.155.090;

(b) The transmission of student records, including individualized education programs and plans developed under section 504 of the rehabilitation act of 1973, for students in institutional facilities, and recommendations for ensuring that those records are available to the applicable instructional staff within two business days of a student's admission to the institution;

(c) Goals and strategies for increasing the graduation rate of youth in institutional facilities, and in recognition of the transitory nature of youth moving through the juvenile justice system, issues related to grade level progression and academic credit reciprocity and consistency to ensure that:

(i) Core credits earned in an institutional facility are considered core credits by public schools that the students subsequently attend; and

(ii) Public school graduation requirements, as they applied to a student prior to entering an institutional facility, remain applicable for the student upon returning to a public school;

(d) Goals and strategies for assessing adverse childhood experiences of students in institutional education and providing trauma-informed care;

(e) An assessment of the level and adequacy of basic and special education funding for institutional facilities. The examination required by this subsection (2)(e) must include information about the number of students receiving special education services in institutional facilities, and a comparison of basic and special education funding in institutional facilities and public schools during the previous ten school years;

(f) An assessment of the delivery methods, and their adequacy, that are employed in the delivery of special education services in institutional facilities, including associated findings;

(g) School safety, with a focus on school safety issues that are applicable in institutional facilities; and

(h) Special skills and services of faculty and staff, including associated professional development and nonacademic supports necessary for addressing social emotional and behavioral health needs presenting as barriers to learning for youth in institutional facilities.

(3) The task force, in completing the duties prescribed by this section, shall solicit and consider information and perspectives provided by the department of corrections and persons and entities with relevant interest and expertise, including from persons with experience reintegrating youth from institutional facilities into school and the community at large, and from persons who provide education services in secure facilities housing persons under the age of twenty-five, examples of which include county jails, juvenile justice facilities, and community facilities as defined in RCW 72.05.020.

(4) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research. The office of financial management, the office of the superintendent of public instruction, the department of children, youth, and families, and the department of corrections shall cooperate with the task force and provide information as the cochairs may reasonably request.

(5) Legislative members of the task force are to be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for
travel expenses if they are elected officials or are participating on behalf of an employer, government entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(6) The expenses of the task force must be paid jointly by the senate and the house of representatives. Task force expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(7) In accordance with RCW 43.01.036, the task force shall report its findings and recommendations to the governor and the appropriate committees of the house of representatives and the senate by December 15, 2020, in time for the legislature to take action on legislation that is consistent with the findings and recommendations during the 2021 legislative session. The findings and recommendations may also include recommendations for extending the duration of the task force.

(8) This section expires June 30, 2021.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "outcomes;" strike the remainder of the title and insert "creating new sections; providing an expiration date; and declaring an emergency."

MESSAGE FROM THE HOUSE

MR. PRESIDENT:
The House refuses to concur in the Senate amendment(s) to SUBSTITUTE HOUSE BILL NO. 2711 and asks the Senate to recede therefrom.

and the same are herewith transmitted.

MELISSA PALMER, Deputy Chief Clerk

MOTION

Senator Wellman moved that the Senate recede from its position on the Senate amendments to Substitute House Bill No. 2711.

The President declared the question before the Senate to be motion by Senator Wellman that the Senate recede from its position on the Senate amendments to Substitute House Bill No. 2711. The motion by Senator Wellman carried and the Senate receded from its amendments to Substitute House Bill No. 2711.

MOTION

On motion of Senator Wellman, the rules were suspended and Substitute House Bill No. 2711 was returned to second reading for the purposes of amendment.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 2711, by House Committee on Education (originally sponsored by J. Johnson, Corry, Stonier, Ormsby, Appleton, Caldier, Davis, Leavitt, Lekanoff, Ramel, Senn, Chopp, Goodman, Fey, Pollet, Callan and Chambers)

Increasing equitable educational outcomes for foster care and homeless children and youth from prekindergarten to postsecondary education.

MOTION

Senator Wellman moved that the following striking floor amendment no. 1369 by Senator Wellman be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that students in foster care, experiencing homelessness, or both, have the lowest high school graduation and postsecondary completion outcomes compared to other student populations. The legislature also finds that these students change schools at significantly higher rates than their general student population peers, and that these changes can disrupt academic progress. The legislature further finds that these students have disproportionate suspension and expulsion rates, and require special education services at much higher rates than other students.

(2) The legislature acknowledges that, as a result, only forty-six percent of Washington students who experienced foster care during high school, and fifty-five percent of students experiencing homelessness, graduated from high school on time in 2018. By comparison, the statewide four-year graduation rate for the class of 2019 was nearly eighty-one percent. Furthermore, students of color are disproportionately represented in the foster care system and in homeless student populations, and their academic outcomes are significantly lower than their white peers. Additionally, students who do not achieve positive education
outcomes experience high rates of unemployment, poverty, adult homelessness, and incarceration.

(3) The legislature, therefore, intends to provide the opportunity for an equitable education for students in foster care, experiencing homelessness, or both. In accomplishing this goal, the legislature intends to achieve parity in education outcomes for these students, both in comparison to their general student population peers and throughout the education continuum of prekindergarten to postsecondary education.

(4) In 2018 the legislature directed the department of children, youth, and families and other entities in chapter 299, Laws of 2018, to convene a work group focused on students in foster care and students experiencing homelessness. The legislature resolves to continue this work group to improve education outcomes for these students.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction, in collaboration with the department of children, youth, and families, the office of homeless youth prevention and protection programs of the department of commerce, and the student achievement council, shall convene a work group to address the needs of students in foster care, experiencing homelessness, or both. Nothing in this section prevents the office of the superintendent of public instruction from using an existing work group created under the authority of section 223(1)(bb), chapter 299, Laws of 2018, with modifications to the membership and duties, to meet the requirements of this section. The work group, which shall seek to promote continuity with efforts resulting from section 223(1)(bb), chapter 299, Laws of 2018, must include representatives of nongovernmental agencies and representation from the educational opportunity gap oversight and accountability committee. The work group must also include four legislative members who possess experience in issues of education, the foster care system, and homeless youth, appointed as follows:

(a) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.
(b) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives.

(2) The work group shall develop recommendations to promote the following for students who are in foster care, experiencing homelessness, or both:

(a) The achievement of parity in education outcomes with the general student population; and
(b) The elimination of racial and ethnic disparities for education outcomes in comparison to the general student population.

(3) In developing the recommendations required by subsection (2) of this section, the work group shall:

(a) Review the education outcomes of students in foster care, experiencing homelessness, or both, by examining data, disaggregated by race and ethnicity, on:

(i) Kindergarten readiness, early grade reading and math, eighth and ninth grade students on track to graduate, high school completion, postsecondary enrollment, and postsecondary completion; and
(ii) School attendance, school mobility, special education status, and school discipline;
(b) Evaluate the outcomes, needs, and service array for students in foster care, experiencing homelessness, or both, and the specific needs of students of color and students with special education needs;
(c) Engage stakeholders, including students in foster care, experiencing homelessness, or both, foster parents and relative caregivers, birth parents, caseworkers, school districts and educators, early learning providers, postsecondary institutions, and federally recognized tribes, to provide input on the development of recommendations; and
(d) Submit annual reports to the governor, the appropriate committees of the legislature, and the educational opportunity gap oversight and accountability committee by October 31, 2021, 2022, and 2023 that identify:

(A) Progress the state has made toward achieving education parity for students in foster care, experiencing homelessness, or both; and
(B) Recommendations that can be implemented using existing resources, rules, and regulations, and those that would require policy, administrative, and resource allocation changes prior to implementation.

(ii) Reports required by (d) of this subsection may include findings and recommendations regarding the feasibility of developing a case study to examine or implement recommendations of the work group.

(4) The work group, in accordance with RCW 43.01.036, must submit a final report to the governor, the appropriate committees of the legislature, and the educational opportunity gap oversight and accountability committee by July 1, 2024. The final report must include the recommendations required by subsection (2) of this section and may include a plan for achieving the recommendations specified in subsection (2) of this section.

(5) To assist the work group in the completion of its duties, the following apply:

(a) The office of the superintendent of public instruction, department of children, youth, and families, the student achievement council, and the office of homeless youth prevention and protection programs of the department of commerce shall provide updated education data and other necessary data to the education data center established under RCW 43.41.400; and
(b) The education data center shall provide annual reports to the work group regarding education outcomes specified in subsection (3)(a)(i) and (ii) of this section by March 31, 2021, 2022, and 2023. If state funds are not available to produce the reports, the work group may pursue supplemental private funds to fulfill the requirements of this subsection (5)(b).

(6) Nothing in this section permits disclosure of confidential information protected from disclosure under federal or state law, including but not limited to information protected under chapter 13.50 RCW. Confidential information received by the work group retains its confidentiality and may not be further disseminated except as permitted by federal and state law.

(7) For the purposes of this section, "students in foster care, experiencing homelessness, or both" includes students who are in foster care or experiencing homelessness, and students who have been homeless or in foster care, or both.

(8) This section expires December 31, 2024.
(2) The student achievement council and the office of the superintendent of public instruction shall establish a set of indicators relating to the outcomes provided in RCW 28A.300.590 and 28A.300.592 to provide consistent services for youth, facilitate transitions among contractors, and support outcome-driven contracts. The student achievement council and the superintendent of public instruction shall collaborate with nongovernmental contractors and the department to develop a list of the most critical indicators, establishing a common set of indicators to be used in the outcome-driven contracts in RCW 28A.300.590 and 28A.300.592. (A list of these indicators must be included in the report provided in subsection (3) of this section.

(3) By November 1, 2017, and biannually thereafter, the department, the student achievement council, and the office of the superintendent of public instruction, in consultation with the nongovernmental entities engaged in public-private partnerships shall submit a joint report to the governor and the appropriate education and human services committees of the legislature regarding each of these programs, individually, as well as the collective progress the state has made toward the following goals:

(a) To make Washington number one in the nation for foster care graduation rates;

(b) To make Washington number one in the nation for foster care enrollment in postsecondary education; and

(c) To make Washington number one in the nation for foster care postsecondary completion.

(4) The department, the student achievement council, and the office of the superintendent of public instruction, in consultation with the nongovernmental entities engaged in public-private partnerships, shall also submit one report by November 1, 2018, to the governor and the appropriate education and human services committees of the legislature regarding the transfer of responsibilities from the department to the office of the superintendent of public instruction with respect to the programs in RCW 28A.300.592, and from the department to the student achievement council with respect to the program in RCW 28B.77.250 and whether these transfers have resulted in better coordinated services for youth.)

NEW SECTION. Sec. 4. RCW 28A.300.8001 (Plan for cross-system collaboration to promote educational stability and improve educational outcomes for foster children—Reports) and 2012 c 163 s 10 are each repealed."

On page 1, line 3 of the title, after "education;" strike the remainder of the title and insert "amending RCW 74.13.1051; adding a new section to chapter 28A.300 RCW; creating a new section; repealing RCW 28A.300.8001; and providing an expiration date."

(4) This section expires June 30, (2024) 2034.

NEW SECTION. Sec. 1. (1) Over the past two decades, the legislature has taken significant action to ensure the continued presence and competitiveness of Washington's aerospace industry. The legislature finds that the industry plays a significant role not only in the health of Washington's economy, but also in the health of the United States economy. Moreover, the competitiveness of the domestic aerospace industry has faced significant challenges with the large subsidies provided to international competitors.

(2) The legislature finds that a commitment to the elimination of trade barriers for aerospace as well as several other vital Washington exports is important. The legislature also wishes to help bring the United States into full compliance with a recent world trade organization ruling asserting Washington's business and occupation tax rate of 0.2904 percent violates world trade organization rules. The legislature hopes this action to help bring the United States into compliance will end the threat of retaliatory tariffs against many of Washington's industries, including agricultural products, fish, wine, and intellectual property.

(3) The legislature appreciates the state aerospace industry's commitment to complying with the world trade organization ruling by advocating for the repeal of the preferential business and occupation tax. The legislature hopes that the repeal of this Washington aerospace preference will ensure continued economic success and competitiveness for the industry as well as many other industries. The legislature further hopes that the repeal of the 0.2904 business and occupation tax will allow for the complete resolution of all trade disputes surrounding large civil aircraft.

(4) The legislature further finds that the people of Washington benefit from the presence of the aerospace industry in Washington state. The industry provides good wages and benefits for thousands of engineers, technicians, mechanics, and support staff working across the state. Furthermore, the legislature has a goal of preserving and growing employment in Washington state. The legislature intends that the future consideration of all tax measures will work to achieve this goal in a manner compliant with the world trade organization.

NEW SECTION. Sec. 2. A new section is added to chapter 82.04 RCW to read as follows:

(2) Such agreement expressly allows a business and occupation tax rate reduction for commercial airplane manufacturers to either 0.2904 percent or, if that rate is not permissible, a specific alternative tax rate, or a specific amount or maximum amount by which the existing tax rates may be reduced, that results in a tax rate of at least 0.357 percent.
(3) The department of commerce notifies the department in writing that the conditions of subsections (1) and (2) of this section are met and provides a copy of the written notice from the United States trade representative to the department.

(4) The department of labor and industries notifies the department in writing that a significant commercial airplane manufacturer has at least a three-tenths of one percent aerospace apprenticeship utilization rate of its qualified apprenticeable workforce in Washington, as defined in section 4 of this act.

(5) No rate reduction is allowed under RCW 82.04.260(11)(e) if the written notice from the United States trade representative does not expressly specify either the specific allowable tax rate, or the specific amount or maximum amount by which the existing tax rates may be reduced as provided under the agreement between the United States and the European Union.
