Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 43.70.052 and 2014 c 220 s 2 are each amended to read as follows:

(1)(a) To promote the public interest consistent with the purposes of chapter 492, Laws of 1993 as amended by chapter 267, Laws of 1995, the department shall (continue) require hospitals to submit hospital financial and patient discharge information, including any applicable information reported pursuant to section 2 of this act, which shall be collected, maintained, analyzed, and disseminated by the department. The department shall, if deemed cost-effective and efficient, contract with a private entity for any or all parts of data collection. Data elements shall be reported in conformance with a uniform reporting system established by the department. This includes data elements identifying each hospital's revenues, expenses, contractual allowances, charity care, bad debt, other income, total units of inpatient and outpatient services, and other financial and employee compensation information reasonably necessary to fulfill the purposes of this section.

(b) Data elements relating to use of hospital services by patients shall be the same as those currently compiled by hospitals through inpatient discharge abstracts. The department shall encourage and permit reporting by electronic transmission or hard copy as is practical and economical to reporters.

(c) By January 1, 2023, the department must revise the uniform reporting system to further delineate hospital expenses reported in the other direct expense category in the statement of revenue and expense. The department must include the following additional categories of expenses within the other direct expenses category:

(i) Blood supplies;
(ii) Contract staffing;
(iii) Information technology, including licenses and maintenance;
(iv) Insurance and professional liability;
(v) Laundry services;
(vi) Legal, audit, and tax professional services;
(vii) Purchased laboratory services;
(viii) Repairs and maintenance;
(ix) Shared services or system office allocation;
(x) Staff recruitment;
(xi) Training costs;
(xii) Taxes;
(xiii) Utilities; and
(xiv) Other noncategorized expenses.

(d) The department must revise the uniform reporting system to further delineate hospital revenues reported in the other operating revenue category in the statement of revenue and expense. The department must include the following additional categories of revenues within the other operating revenues category:

(i) Donations;
(ii) Grants;
(iii) Joint venture revenue;
(iv) Local taxes;
(v) Outpatient pharmacy;
(vi) Parking;
(vii) Quality incentive payments;
(viii) Reference laboratories;
(ix) Rental income;
(x) Retail cafeteria; and
(xi) Other noncategorized revenues.

(e)(i) A hospital, other than a hospital designated by medicare as a critical access hospital or sole community hospital, must report line items and amounts for any expenses or revenues in the other noncategorized expenses category in (c)(xiv) of this subsection or the other noncategorized revenues category in (d)(xii) of this subsection that either have a value: (A) Of $1,000,000 or more; or (B) representing one percent or more of the total expenses or total revenues; or

(ii) A hospital designated by medicare as a critical access hospital or sole community hospital must report line items and amounts for any expenses or revenues in the other noncategorized expenses category in (c)(xiv) of this subsection or the other noncategorized revenues category in (d)(xii) of this subsection that represent the greater of: (A) $1,000,000; or (B) one percent or more of the total expenses or total revenues.

(f) A hospital must report any money, including loans, received by the hospital or a health system to which it belongs from a federal, state, or local government entity in response to a national or state-declared emergency, including a pandemic. Hospitals must report this information as it relates to federal, state, or local money received after January 1, 2020, in association with the COVID-19 pandemic. The department shall provide guidance on reporting pursuant to this subsection.

(2) In identifying financial reporting requirements, the department may require both annual reports and condensed quarterly reports from hospitals, so as to achieve both accuracy and timeliness in reporting, but shall craft such requirements with due regard of the data reporting burdens of hospitals.

(3)(a) Beginning with compensation information for 2012, unless a hospital is operated on a for-profit basis, the department shall require a hospital licensed under chapter 70.41 RCW to annually submit employee compensation information. To satisfy employee compensation reporting requirements to the department, a hospital shall submit information as directed in (a)(i) or (ii) of this subsection. A hospital may determine whether to report under (a)(i) or (ii) of this subsection for purposes of reporting.

(i) Within one hundred thirty-five days following the end of each hospital's fiscal year, a nonprofit hospital shall file the appropriate schedule of the federal internal revenue service form 990 that identifies the employee compensation information with the department. If the lead administrator responsible for the hospital or the lead administrator's compensation is not identified on the schedule of form 990 that identifies the employee compensation information, the hospital shall also submit the compensation information for the lead administrator as directed by the department's form required in (b) of this subsection.

(ii) Within one hundred thirty-five days following the end of each hospital's calendar year, a hospital shall submit the names and compensation of the five highest compensated employees of the hospital who do not have any direct patient responsibilities. Compensation information shall be reported on a calendar year basis for the calendar year immediately preceding the reporting date. If those five highest compensated employees do not include the lead administrator for the hospital, compensation information for the lead administrator shall also be submitted. Compensation information shall include base compensation, bonus and incentive compensation, other payments that qualify as reportable compensation, retirement and other deferred compensation, and nontaxable benefits.

(b) To satisfy the reporting requirements of this subsection (3), the department shall create a form and make it available no later than August 1, 2012. To the greatest extent possible, the form shall follow the format and reporting requirements of the portion of the internal revenue service form 990 schedule relating to compensation information. If the internal revenue service substantially revises its schedule, the department shall update its form.

(4) The health care data collected, maintained, and studied by the department shall only be available for retrieval in original or processed form to public and private requestors pursuant to subsection ((24)) (9) of this section and shall be available within a reasonable period of time after the date of request. The cost of retrieving data for state officials and agencies shall be funded through the state general appropriation. The cost of retrieving data for individuals and organizations engaged in research or private use of data or studies shall be funded by a fee schedule developed by the department that reflects the direct cost of retrieving the data or study in the requested form.

(5) The department shall, in consultation and collaboration with ((the federally recognized)) tribes, urban or other Indian health service organizations, and the federal area Indian health service, design, develop, and maintain an American Indian-specific health data, statistics information system.

(6)(a) Except as provided in subsection (c) of this section, beginning January 1, 2023, patient discharge information reported by hospitals to the department must identify patients by race, ethnicity, gender identity, sexual orientation, preferred language, any disability, and zip code of primary residence. The department shall provide guidance on reporting pursuant to this subsection. When requesting demographic information under this subsection, a hospital must inform patients that providing the information is voluntary. If a hospital fails to report demographic information under this subsection because a patient refused to provide the information, the department may not take any action against the hospital for failure to comply with reporting requirements or other licensing standards on that basis.

(b) The department must develop a waiver process for the requirements of (a) of this subsection for a hospital that is certified by the centers for medicare and medicaid services as a critical access hospital, is certified by the centers of medicare and medicaid services as a sole community hospital, or qualifies as a medicare dependent hospital due to economic hardship, technological limitations that are not reasonably in the control of the hospital, or other exceptional circumstance demonstrated by the hospital. The waiver must be limited to one year or less, or for any other specified time frame set by the department. Hospitals may apply for waiver extensions.
(c) Subject to funding appropriated specifically for this purpose, the department shall establish a process no later than October 1, 2022, for any hospital that is certified by the centers for medicare and medicaid services as a critical access hospital, is certified by the centers for medicare and medicaid services as a sole community hospital, or qualifies as a medicare dependent hospital, to apply for a grant to support updating the hospital’s electronic health records system to comply with the requirements of this subsection, subject to the following:

(i) A hospital owned or operated by a health system that owns or operates two or more hospitals is not eligible to apply for a grant under this subsection;

(ii) In considering a hospital application, the department may consider information about the hospital’s need for financial support to alter the hospital’s electronic health records system, including, but not limited to, demonstrated costs necessary to update the hospital’s current electronic health record system to comply with the requirements in this section and evidence of need for financial assistance. The department may provide grant amounts of varying sizes depending on the need of the applicant hospital;

(iii) A hospital that receives a grant under this section must update the hospital’s electronic health records system to comply with the requirements of this section before the hospital may make other changes to its electronic health records system, except for changes that are required for security, compliance, or privacy purposes; and

(iv) A hospital that receives a grant under this section must comply with subsection (a) of this section no later than July 1, 2023.

(d) The department shall adopt rules to implement this subsection (6) no later than July 1, 2022.

(7) Beginning January 1, 2023, each hospital must report to the department, on a quarterly basis, the number of submitted and completed charity care applications in the prior quarter and the number of charity care applications approved in the prior quarter pursuant to the hospital’s charity care policy, consistent with chapter 70.170 RCW. The department shall develop a standard form for hospitals to use in submitting information pursuant to this subsection.

(8) All persons subject to the data collection requirements of this section shall comply with departmental requirements established by rule in the acquisition of data.

((144)) (9) The department must maintain the confidentiality of patient discharge data it collects under subsections (1) and (6) of this section. Patient discharge data that includes direct and indirect identifiers is not subject to public inspection and the department may only release such data as allowed for in this section. Any agency that receives patient discharge data under (a) or (b) of this subsection must also maintain the confidentiality of the data and may not release the data except as consistent with subsection ((144)) (10)(b) of this section. The department may release the data as follows:

(a) Data that includes direct and indirect patient identifiers, as specifically defined in rule, may be released to:

(i) Federal, state, and local government agencies upon receipt of a signed data use agreement with the department; and

(ii) Researchers with approval of the Washington state institutional review board upon receipt of a signed confidentiality agreement with the department.

(b) Data that does not contain direct patient identifiers but may contain indirect patient identifiers may be released to agencies, researchers, and other persons upon receipt of a signed data use agreement with the department.

(c) Data that does not contain direct or indirect patient identifiers may be released on request.

((144)) (10) Recipients of data under subsection ((144)) (9)(a) and (b) of this section must agree in a written data use agreement, at a minimum, to:

(a) Take steps to protect direct and indirect patient identifying information as described in the data use agreement; and

(b) Not redisclose the data except as authorized in their data use agreement consistent with the purpose of the agreement.

((144)) (11) Recipients of data under subsection ((144)) (9)(b) and (c) of this section must not attempt to determine the identity of persons whose information is included in the data set or use the data in any manner that identifies individuals or their families.

((144)) (12) For the purposes of this section:

(a) “Direct patient identifier” means information that identifies a patient; and

(b) “Indirect patient identifier” means information that may identify a patient when combined with other information.

((144)) (13) The department must adopt rules necessary to carry out its responsibilities under this section. The department must consider national standards when adopting rules.

NEW SECTION. Sec. 2. A new section is added to chapter 43.70 RCW to read as follows:

(1)(a) Beginning July 1, 2022, for a health system operating a hospital licensed under chapter 70.41 RCW, the health system must annually submit to the department a consolidated annual income statement and balance sheet, including hospitals, ambulatory surgical facilities, health clinics, urgent care clinics, physician groups, health-related laboratories, long-term care facilities, home health agencies, dialysis facilities, ambulance services, behavioral health settings, and virtual care entities that are operated in Washington.

The study must be completed by September 1, 2022, and the department shall submit the study to the appropriate committees of the legislature by October 1, 2022.

Sec. 4. RCW 70.01.040 and 2012 c 184 s 1 are each amended to read as follows:

(1) Prior to the delivery of nonemergency services, a provider-based clinic that charges a facility fee shall provide a notice to any patient that the clinic is licensed as part of the hospital and the patient may receive a separate charge or billing for the facility component, which may result in a higher out-of-pocket expense.

(2) Each health care facility must post prominently in locations easily accessible to and visible by patients, including its website,
a statement that the provider-based clinic is licensed as part of the hospital and the patient may receive a separate charge or billing for the facility, which may result in a higher out-of-pocket expense.

(3) Nothing in this section applies to laboratory services, imaging services, or other ancillary health services not provided by staff employed by the health care facility.

(4) As part of the year-end financial reports submitted to the department of health pursuant to RCW 43.70.052, all hospitals with provider-based clinics that bill a separate facility fee shall report:

(a) The number of provider-based clinics owned or operated by the hospital that charge or bill a separate facility fee;

(c) The revenue received by the hospital for the year by means of facility fees at each provider-based clinic; and
(d) The range of allowable facility fees paid by public or private payers at each provider-based clinic.

(5) For the purposes of this section:

(a) "Facility fee" means any separate charge or billing by a provider-based clinic in addition to a professional fee for physicians' services that is intended to cover building, electronic medical records systems, billing, and other administrative and operational expenses.
(b) "Provider-based clinic" means the site of an off-campus clinic or provider office (located at least two hundred fifty yards from the main hospital buildings or as determined by the centers for medicare and medicaid services) that is owned by a hospital licensed under chapter 70.41 RCW or a health system that operates one or more hospitals licensed under chapter 70.41 RCW, is licensed as part of the hospital, and is primarily engaged in providing diagnostic and therapeutic care including medical history, physical examinations, assessment of health status, and treatment monitoring. This does not include clinics exclusively designed for and providing laboratory, X-ray, testing, therapy, pharmacy, or educational services and does not include facilities designated as rural health clinics.

Sec. 5. RCW 70.41.470 and 2012 c 103 s 1 are each amended to read as follows:

(1) As of January 1, 2013, each hospital that is recognized by the internal revenue service as a 501(c)(3) nonprofit entity must make its federally required community health needs assessment widely available to the public and submit it to the department within fifteen days of submission to the internal revenue service. Following completion of the initial community health needs assessment, each hospital in accordance with the internal revenue service(c)) shall complete and make widely available to the public and submit to the department an assessment once every three years. The department must post the information submitted to it pursuant to this subsection on its website.

(2)(a) Unless contained in the community health needs assessment under subsection (1) of this section, a hospital subject to the requirements under subsection (1) of this section shall make public and submit to the department a description of the community served by the hospital, including both a geographic description and a description of the general population served by the hospital; and demographic information such as leading causes of death, levels of chronic illness, and descriptions of the medically underserved, low-income, and minority, or chronically ill populations in the community.

(b)(i) Beginning July 1, 2022, a hospital, other than a hospital designated by medicare as a critical access hospital or sole community hospital, that is subject to the requirements under subsection (1) of this section must annually submit to the department an addendum which details information about activities identified as community health improvement services with a cost of $5,000 or more. The addendum must include the type of activity, the methodology used to calculate the hospital's costs, and the number of people served by the activity.

(ii) Beginning July 1, 2022, a hospital designated by medicare as a critical access hospital or sole community hospital that is subject to the requirements under subsection (1) of this section must annually submit to the department an addendum which details information about the 10 highest cost activities identified as community health improvement services. The addendum must include the type of activity, the methodology used to calculate the hospital's costs, and the number of people served by the activity.

(iii) The department shall require the reporting of demographic information about participant race, ethnicity, any disability, gender identity, preferred language, and zip code of primary residency. The department, in consultation with interested entities, may revise the required demographic information according to an established six-year review cycle about participant race, ethnicity, disabilities, gender identity, preferred language, and zip code of primary residence that must be reported under (b)(i) and (ii) of this subsection (2). At a minimum, the department's consultation process shall include community organizations that provide community health improvement services, communities impacted by health inequities, health care workers, hospitals, and the governor's interagency coordinating council on health disparities. The department shall establish a six-year cycle for the review of the information requested under this subsection (2)(b)(iii).

(iv) The department shall provide guidance on participant data collection and the reporting requirements under this subsection (2)(b). The guidance shall include a standard form for the reporting of information under this subsection (2)(b). The standard form must allow for the reporting of community health improvement services that are repeated within a reporting period to be combined within the addendum as a single project with the number of instances of the services listed. The department must develop the guidelines in consultation with interested entities, including an association representing rural hospitals in Washington, labor unions representing workers who work in hospital settings, and community health board associations. The department must post the information submitted to it pursuant to this subsection (2)(b) on its website.

(3)(a) Each hospital subject to the requirements of subsection (1) of this section shall make widely available to the public a community benefit implementation strategy within one year of completing its community health needs assessment. In developing the implementation strategy, hospitals shall consult with community-based organizations and stakeholders, and local public health jurisdictions, as well as any additional consultations
the hospital decides to undertake. Unless contained in the implementation strategy under this subsection (3)(a), the hospital must provide a brief explanation for not accepting recommendations for community benefit proposals identified in the assessment through the stakeholder consultation process, such as excessive expense to implement or infeasibility of implementation of the proposal.  

(b) Implementation strategies must be evidence-based, when available; or development and implementation of innovative programs and practices should be supported by evaluation measures.

(4) When requesting demographic information under subsection (2)(b) of this section, a hospital must inform participants that providing the information is voluntary. If a hospital fails to report demographic information under subsection (2)(b) of this section because a participant refused to provide the information, the department may not take any action against the hospital for failure to comply with reporting requirements or other licensing standards on that basis.

(5) For the purposes of this section, the term “widely available to the public” has the same meaning as in the internal revenue service guidelines.

NEW SECTION.  Sec. 6.  The department of health shall develop any forms or guidance required in this act at least 60 days before hospitals are required to utilize the form or guidance.

NEW SECTION.  Sec. 7.  If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2021, in the omnibus appropriations act, this act is null and void.

"NEW SECTION.  Sec. 1.  The legislature finds that:

(1) Residents in licensed long-term care facilities have been disproportionately impacted and isolated by the COVID-19 pandemic and over 50 percent of all COVID-19 deaths in Washington have been associated with long-term care facilities;

(2) According to a University of Washington report, social isolation creates a "double pandemic” that disrupts care and exacerbates the difficulties of dementia, depression, suicide risk, chronic health conditions, and other challenges faced by long-term care residents and providers;

(3) A "digital divide" exists in many parts of Washington, particularly for older adults of color with low incomes and those in rural communities;

(4) Residents with sensory limitations, mental illness, intellectual disabilities, dementia, cognitive limitations, traumatic brain injuries, or other disabilities may not be able to fully utilize digital tools which exacerbates their social isolation;

(5) Long-term care facilities already have the legal responsibility to care for their residents in a manner and in an environment that promotes the maintenance or enhancement of each resident’s quality of life. A resident should have a safe, clean, comfortable, and homelike environment as detailed in chapter 70.129 RCW; and

(6) The COVID-19 pandemic has exposed systematic weaknesses in the state’s long-term care system and there is a need to enact additional measures to protect and improve the health, safety, and quality of life of residents.”

Sec. 23. RCW 70.129.030 and 2013 c 23 s 184 are each amended to read as follows:

(1) The facility must inform the resident both orally and in writing in a language that the resident understands of his or her

(2) The resident to the extent provided by law or ((his or her legal)) resident representative to the extent provided by law, has the right:

(b) After receipt of his or her records for inspection, to purchase at a cost not to exceed the community standard photocopies of the records or portions of them upon request and two working days' advance notice to the facility.

(3) The facility shall only admit or retain individuals whose needs it can safely and appropriately serve in the facility with appropriate available staff and through the provision of reasonable accommodations required by state or federal law. Except in cases of genuine emergency, the facility shall not admit an individual before obtaining a thorough assessment of the resident's needs and preferences. The assessment shall contain, unless unavailable despite the best efforts of the facility, the resident applicant, and other interested parties, the following minimum information: Recent medical history; necessary and contraindicated medications; a licensed medical or other health professional's diagnosis, unless significant known behaviors or symptoms that may cause concern or require special care; mental illness, except where protected by confidentiality laws; level of personal care needs; activities and service preferences; and preferences regarding other issues important to the resident applicant, such as food and daily routine.

Each resident and ((his or her)) resident representative must be informed in writing in advance of changes in the availability or the charges for services, items, or activities, or of changes in the facility's rules. Except in emergencies, thirty days' advance notice must be given prior to the change. However, for facilities licensed for six or fewer residents, if there has been a substantial and continuing change in the resident's condition necessitating substantially greater or lesser services, items, or activities, then the charges for those services, items, or activities may be changed upon fourteen days' advance written notice.

(5) The facility must furnish a written description of residents' rights that includes:

(a) A description of the manner of protecting personal funds, under RCW 70.129.040:

(b) A posting of names, addresses, and telephone numbers of the state survey and certification agency, the state licensure office, the state ombuds program, and the protection and advocacy systems; and

(c) A statement that the resident may file a complaint with the appropriate state licensing agency concerning alleged resident abuse, neglect, and misappropriation of resident property in the facility.

(6) Notification of changes.

(a) A facility must immediately consult with the resident's physician, and if known, make reasonable efforts to notify the ((resident's legal)) resident representative ((of that resident)) to the extent provided by law when there is:

(i) A change in room or roommate assignment; or

(ii) A decision to transfer or discharge the resident from the facility.

(c) The facility must record and update the address ((and)), phone number, and any other contact information of the ((resident's)) resident representative ((of an interested family member)), upon receipt of notice from them.

(2) Upon written authorization of a resident, if the facility agrees to manage the resident's personal funds, the facility must hold, safeguard, manage, and account for the personal funds of the resident deposited with the facility as specified in this section.

(a) The facility must deposit a resident's personal funds in excess of one hundred dollars in an interest-bearing account or accounts that is separate from any of the facility's operating accounts, and that credits all interest earned on residents' funds to that account. The department shall establish a release procedure for use for burial expenses.

(b) The individual financial record must be available on request to the resident, or ((his or her legal)) resident representative to the extent provided by law.

(4) Upon the death of a resident with personal funds deposited with the facility, the facility must convey within thirty days the resident's funds, and a final accounting of those funds, to the individual or probate jurisdiction administering the resident's estate; but in the case of a resident who received long-term care services paid for by the state, the funds and accounting shall be sent to the state of Washington, department of social and health services, office of financial recovery. (c) The facility must record and update the address ((and)), phone number, and any other contact information of the ((resident's)) resident representative ((of an interested family member)), upon receipt of notice from them.
by RCW (30A.22.041, 30A.22.041, and the resident shall be notified in writing of the name, address, and location of the depository. The adult family home may not commingle resident funds from these accounts with the adult family home's funds or with the funds of any person other than another resident. The individual resident's account record shall be available upon request by the resident or (the resident's) resident representative to the extent provided by law.

(6) The adult family home shall provide the resident or (the resident's) resident representative full disclosure in writing, prior to the receipt of any funds for a deposit, security, prepaid charges, or any other fees or charges, specifying what the funds are paid for and the basis for retaining any portion of the funds if the resident dies, is hospitalized, or is transferred or discharged from the adult family home. The disclosure must be in a language that the resident or (the resident's) resident representative understands, and be acknowledged in writing by the resident or (the resident's) resident representative. The adult family home shall retain a copy of the disclosure and the acknowledgment. The adult family home may not retain funds for reasonable wear and tear by the resident or for any basis that would violate RCW 70.129.150.

(7) Funds paid by the resident or (the resident's) resident representative to the adult family home, which the adult family home in turn pays to a placement agency or person, shall be governed by the disclosure requirements of this section. If the resident then dies, is hospitalized, or is transferred or discharged from the adult family home, and is entitled to any refund of funds under this section or RCW 70.129.150, the adult family home shall refund the funds to the resident or (the resident's) resident representative to the extent provided by law, within thirty days of the resident leaving the adult family home, and may not require the resident to obtain the refund from the placement agency or person.

(8) If, during the stay of the resident, the status of the adult family home licensee or ownership is changed or transferred to another, any funds in the resident's accounts affected by the change or transfer shall simultaneously be deposited in an equivalent account or accounts by the successor or new licensee or owner, who shall promptly notify the resident or (the resident's) resident representative to the extent provided by law, in writing of the name, address, and location of the new depository.

(9) Because it is a matter of great public importance to protect residents who need long-term care from deceptive disclosures and unfair retention of deposits, fees, or prepaid charges by adult family homes, a violation of this section or RCW 70.129.150 shall be construed for purposes of the consumer protection act, chapter 19.86 RCW, to constitute an unfair or deceptive act or practice or an unfair method of competition in the conduct of trade or commerce. The resident's claim to any funds paid under this section shall be prior to that of any creditor of the adult family home, its owner, or licensee, even if such funds are commingled.

Sec. 25. RCW 70.129.080 and 1994 c 214 s 9 are each amended to read as follows:

(c) The health of individuals in the facility would otherwise be endangered;
(d) The resident has failed to make the required payment for his or her stay;
(e) The facility ceases to operate.

(2) All long-term care facilities shall fully disclose to potential residents or (their legal) resident representatives the service capabilities of the facility prior to admission to the facility. If the care needs of the applicant who is medicaid eligible are in excess of the facility's service capabilities, the department shall identify other care settings or residential care options consistent with federal law.

(3) Before a long-term care facility transfers or discharges a resident, the facility must:
(a) First attempt through reasonable accommodations to avoid the transfer or discharge, unless agreed to by the resident;
(b) Notify the resident and resident representative (and make a reasonable effort to notify, if known, an interested family member) of the transfer or discharge and the reasons for the move in writing and in a language and manner they understand;
(c) Record the reasons in the resident's record; and
(d) Include in the notice the items described in subsection (5) of this section.

(4) (a) Except when specified in this subsection, the notice of transfer or discharge required under subsection (3) of this section...

If a resident dies or is hospitalized or is transferred to another facility for more appropriate care and does not return to the original facility, the facility shall refund any deposit or charges already paid less the facility's per diem rate for the days the resident actually resided or reserved or retained a bed in the facility notwithstanding any minimum stay policy or discharge notice requirements, except that the facility may retain an additional amount to cover its reasonable, actual expenses incurred as a result of a private-pay resident's move, not to exceed five days' per diem charges, unless the resident has given advance notice in compliance with the admission agreement. All long-term care facilities or nursing facilities covered under this section are required to refund any and all refunds due the resident or (his or her) resident representative to the extent provided by law, within thirty days from the resident's date of discharge from the facility. Nothing in this section applies to provisions in contracts negotiated between a nursing facility or long-term care facility and a certified health plan, health or disability insurer, health maintenance organization, managed care organization, or similar entities.

(2) Where a long-term care facility or nursing facility requires the execution of an admission contract by or on behalf of an individual seeking admission to the facility, the terms of the contract shall be consistent with the requirements of this section, and the terms of an admission contract by a long-term care facility shall be consistent with the requirements of this chapter.

Sec. 29. RCW 70.129.180 and 2009 c 489 s 1 are each amended to read as follows:

(1) The commission may, without examination, issue a limited license to persons who possess the qualifications set forth herein:

(1) The commission may, upon the written request of the secretary of the department of social and health services, the secretary of children, youth, and families, or the secretary of corrections, issue a limited license to practice medicine in this state to persons who have been accepted for employment by the department of social and health services, the department of children, youth, and families, or the department of corrections as physicians; who are licensed to practice medicine in another state of the United States or in the country of Canada or any province or territory thereof; and who meet all of the qualifications for
licensure set forth in RCW 18.71.050.

Such license shall permit the holder thereof to practice medicine only in connection with patients, residents, or inmates of the state institutions under the control and supervision of the secretary of the department of social and health services, the department of children, youth, and families, or the department of corrections.

(2) The commission may issue a limited license to practice medicine in this state to persons who have been accepted for employment by a county or city health department as physicians; who are licensed to practice medicine in another state of the United States or in the country of Canada or any province or territory thereof; and who meet all of the qualifications for licensure set forth in RCW 18.71.050.

Such license shall permit the resident physician to practice medicine only in connection with his or her duties as a resident physician and shall not authorize the physician to engage in any other form of practice. Each resident physician shall practice medicine only under the supervision and control of a physician licensed in this state, but such supervision and control shall not be construed to necessarily require the personal presence of the supervising physician at the place where services are rendered.

(4)(a) Upon nomination by the dean of an accredited school of medicine in the state of Washington or the chief executive officer of a hospital or other appropriate health care facility licensed in the state of Washington, the commission may issue a limited license to a physician applicant invited to serve as a teaching-research member of the institution's instructional staff if the sponsoring institution and the applicant give evidence that he or she has graduated from a recognized medical school and has been licensed or otherwise privileged to practice medicine at his or her location of origin. Such license shall permit the recipient to practice medicine only within the confines of the instructional program specified in the application and shall terminate whenever the holder ceases to be involved in that program, or at the end of one year, whichever is earlier. Upon request of the applicant and the institutional authority, the license may be renewed. SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1287, by House Committee on Transportation (originally sponsored by Ramel, Hackney, Bateman, Fitzgibbon, Berry, Goodman, Santos, Kloba, Macri, Bergquist, Ormsby and Pollet)

Concerning preparedness for a zero emissions transportation future.

The measure was read the second time.

Senator Das moved that the following committee striking amendment by the Committee on Transportation be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) Motor vehicles are a significant source of air pollution, including greenhouse gas emissions, in Washington. The transportation sector accounts for nearly one-half of greenhouse gas emissions in Washington, and on-road vehicle emissions are responsible for the vast majority of the transportation sector emissions.

(2) The widespread adoption of zero emissions vehicles is essential to the achievement of the state emissions limits established in RCW 70A.45.020, which, by 2050, requires a reduction of greenhouse gas emissions to 5,000,000 metric tons and the achievement of net zero greenhouse gas emissions. The rapid uptake of zero emissions vehicles is also an essential component of the state energy strategy, which calls for the phase out of vehicles powered by gasoline or diesel by mid-century. To ensure that the necessary infrastructure is in place to facilitate zero emissions vehicle adoption, the state energy strategy calls for the establishment of building codes that require installation of the conduit, wiring, and panel capacity necessary to support electric vehicle charging in new and retrofitted buildings.

(3) In 2005, Washington first took action to adopt some of the motor vehicle emissions standards of the state of California,
which are more protective of human health and the environment than federal motor vehicle emissions standards. In 2020, the legislature directed the department of ecology to adopt all of California's motor vehicle emissions standards, including California's zero emissions vehicles program.

(4) A Washington state transition to a zero emissions transportation future requires accurate forecasting of zero emissions vehicle adoption rates, comprehensive planning for the necessary electric vehicle charging and green hydrogen production infrastructure, including the siting of infrastructure in desirable locations with amenities, such as near convenience stores, gas stations, and other small retailers, and managing the load of charging and green hydrogen production and refueling infrastructure as a dynamic energy service to the electric grid.

(5) To ensure that the transition to a zero emissions transportation future proceeds efficiently and conveniently for users and operators of the multimodal transportation system, it is the intent of the legislature to:

(a) Require state government to provide resources that facilitate the planning and deployment of electric vehicle charging and refueling infrastructure in a transparent, effective, and equitable manner across the state;

(b) Ensure utility resource planning analyzes the impacts on electricity generation and delivery from growing adoption and usage of electric vehicles; and

(c) Require state building codes that support the anticipated levels of zero emissions vehicle use that result from the program requirements in chapter 70A.30 RCW and that achieve emissions reductions consistent with RCW 70A.45.020.

NEW SECTION. Sec. 2. A new section is added to chapter 47.01 RCW to read as follows:

(1) The department, through the department's public-private partnership office and in consultation with the department of ecology, the department of commerce, and the office of equity, must develop and maintain a publicly available mapping and forecasting tool that provides locations and essential information of charging and refueling infrastructure to support forecasted levels of electric vehicle adoption, travel, and usage across Washington state.

(2)(a) The publicly available mapping and forecasting tool must be designed to enable coordinated, effective, efficient, and timely deployment of charging and refueling infrastructure necessary to support statewide and local transportation electrification efforts that result in emissions reductions consistent with RCW 70A.45.020.

(b) The tool must:

(i) Initially prioritize on-road transportation;

(ii) To the greatest extent possible, maintain the latest data;

(iii) Model charging and refueling infrastructure that may be used by owners and operators of light, medium, and heavy-duty vehicles; and

(iv) Incorporate the department's traffic data for passenger and freight vehicles.

(c) The tool must, if feasible:

(i) Provide the data necessary to support programs by state agencies that directly or indirectly support transportation electrification efforts;

(ii) Evolve over time to support future transportation electrification programs;

(iii) Provide data at a scale that supports electric utility planning for the impacts of transportation electrification both systemwide and on specific components of the distribution system; and

(iv) Forecast statewide zero emissions vehicle use that would achieve the emissions reductions consistent with RCW 70A.45.020. The department may reference existing zero emissions vehicle use forecasts, such as that established in the state energy strategy.

(3) The department, in consultation with the department of commerce, the department of ecology, and the office of equity, may elect to include other transportation charging and refueling infrastructure, such as maritime, public transportation, and aviation in the mapping and forecasting tool.

(4) The tool must include, to the extent feasible, the following elements:

(a) The amount, type, location, and year of installation for electric vehicle supply equipment that is expected to be necessary to support forecasted electric vehicle penetration and usage within the state;

(b) Electric vehicle adoption, usage, technological profiles, and any other characteristics necessary to model future electric vehicle penetration levels and use cases that impact electric vehicle supply equipment needs within the state;

(c) The estimated energy and capacity demand based on inputs from (b) of this subsection;

(d) Boundaries of political subdivisions including, but not limited to:

(i) Retail electricity suppliers;

(ii) Public transportation agency boundaries;

(iii) Municipalities;

(iv) Counties; and

(v) Federally recognized tribal governments;

(e) Existing and known publicly or privately owned level 2, direct current fast charge, and refueling infrastructure. The department must identify gas stations, convenience stores, and other small retailers that are colocated with existing and known electric vehicle charging infrastructure identified under this subsection;

(f) A public interface designed to provide any user the ability to determine the forecasted charging and refueling infrastructure needs within a provided geographic boundary, including those listed under (d) of this subsection; and

(g) The ability for all data tracked within the tool to be downloadable or usable within a separate mapping and forecasting tool.

(5) The tool must, if feasible, integrate scenarios including:

(a) Varying levels of public transportation utilization;

(b) Varying levels of active transportation usage, such as biking or walking;

(c) Vehicle miles traveled amounts above and below the baseline;

(d) Adoption of autonomous and shared mobility services; and

(e) Forecasts capturing each utility service area's relative level of zero emissions vehicle use that would achieve each utility service area's relative emissions reductions consistent with RCW 70A.45.020.

(6) To support highly impacted communities and vulnerable populations disproportionately burdened by transportation-related emissions and to ensure economic and mobility benefits flow to communities that have historically received less investment in infrastructure, the mapping and forecasting tool must integrate population, health, environmental, and socioeconomic data on a census tract basis. The department may use existing data used by other state or federal agencies. The department must consult with the department of health, the office of equity, the department of ecology, and other agencies as necessary in order to ensure the tool properly integrates cumulative impact analyses best practices and to ensure that the tool is developed in coordination with other state government administrative efforts to identify disproportionately impacted communities.

(7) The mapping and forecasting tool must, to the extent
appropriate, integrate related analyses, such as the department of commerce's state energy strategy, the joint transportation committee's public fleet electrification study, the west coast collaborative's alternative fuel infrastructure corridor coalition report, and other related electric vehicle supply equipment assessments as deemed appropriate. To the extent that the mapping and forecasting tool is used by the department as the basis for the identification of recommended future electric vehicle charging sites, the department must consider recommending sites that are collocated with small retailers, including gas stations and convenience stores, and other amenities.

(8) Where appropriate and feasible, the mapping and forecasting tool must incorporate infrastructure located at or near the border in neighboring state and provincial jurisdictions.

(9) In designing the mapping and forecasting tool, the department must coordinate with the department of commerce, the department of ecology, the utilities and transportation commission, and other state agencies as needed in order to ensure the mapping and forecasting tool is able to successfully facilitate other state agency programs that involve development of electric vehicle supply equipment.

(10) The department must conduct a stakeholder process in developing the mapping and forecasting tool to ensure the tool supports the needs of communities, public agencies, and relevant private organizations. The stakeholder process must involve stakeholders, including but not limited to electric utilities, early in the development of the tool.

(11) The department may contract with the department of commerce or consultants, or both, to develop and implement all or portions of the mapping and forecasting tool. The department may rely on or, to the extent necessary, contract for privately maintained data sufficient to develop the elements specified in subsection (4) of this section.

(12) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise:

(a) "Charging infrastructure" means a unit of fueling infrastructure that supplies electric energy for the recharging of battery electric vehicles.

(b) "Direct current fast charger" means infrastructure that supplies electricity to battery electric vehicles at capacities no less than 50 kilowatts, typically using 208/408 volt three-phase direct current electricity.

(c) "Electric vehicle" means any craft, vessel, automobile, public transportation vehicle, or equipment that transports people or goods and operates, either partially or exclusively, on electrical energy from an off-board source that is stored onboard for motive purpose.

(d) "Electric vehicle supply equipment" means charging infrastructure and hydrogen refueling infrastructure.

(e) "Level 2 charger" means infrastructure that supplies electricity to battery electric vehicles at 240 volts and equal to or less than 80 amps.

(f) "Refueling infrastructure" means a unit of fueling infrastructure that supplies hydrogen for the resupply of hydrogen fuel cell electric vehicles.

**Sec. 3.** RCW 19.280.030 and 2019 c 288 s 14 are each amended to read as follows:

Each electric utility must develop a plan consistent with this section:

1. Utilities with more than twenty-five thousand customers that are not full requirements customers must develop or update an integrated resource plan by September 1, 2008. At a minimum, progress reports reflecting changing conditions and the progress of the integrated resource plan must be produced every two years thereafter. An updated integrated resource plan must be developed at least every four years subsequent to the 2008 integrated resource plan. The integrated resource plan, at a minimum, must include:

   a) A range of forecasts, for at least the next ten years or longer, of projected customer demand which takes into account econometric data and customer usage;

Such assessment may include, as appropriate, opportunities for development of combined heat and power as an energy and capacity resource, demand response and load management programs, and currently employed and new policies and programs needed to obtain the conservation and efficiency resources;

   c) An assessment of commercially available, utility scale renewable and nonrenewable generating technologies including a comparison of the benefits and risks of purchasing power or building new resources;

   j) The integration of the demand forecasts, resource evaluations, and resource adequacy requirement into a long-range assessment describing the mix of supply side generating resources and conservation and efficiency resources that will meet current and projected needs, including mitigating overgeneration events and implementing RCW 19.405.030 through 19.405.050, at the lowest reasonable cost and risk to the utility and its customers, while maintaining and protecting the safety, reliable operation, and balancing of its electric system;

   k) An assessment, informed by the cumulative impact analysis conducted under RCW 19.405.140, of: Energy and nonenergy benefits and reductions of burdens to vulnerable populations and highly impacted communities; long-term and short-term public health and environmental benefits, costs, and risks; and energy security and risk; (and)

   l) A ten-year clean energy action plan for implementing RCW 19.405.030 through 19.405.050 at the lowest reasonable cost, and at an acceptable resource adequacy standard, that identifies the specific actions to be taken by the utility consistent with the long-range integrated resource plan; and

   m) An analysis of how the plan accounts for:

   (i) Modeled load forecast scenarios that consider the anticipated levels of zero emissions vehicle use in a utility's service area, including anticipated levels of zero emissions vehicle use in the utility's service area provided in section 2 of
this act, if feasible;  
(ii) Analysis, research, findings, recommendations, actions, and any other relevant information found in the electrification of transportation plans submitted under RCW 35.92.450, 54.16.430, and 80.28.365; and  
(iii) Assumed case forecasts and the associated energy impacts. Electric utilities may, but are not required to, use the forecasts generated by the mapping and forecasting tool created in section 2 of this act. This subsection (1)(m)(iii) applies only to plans due to be filed after September 1, 2023.  

(2) For an investor-owned utility, the clean energy action plan must: (a) Identify and be informed by the utility’s ten-year cost-effective conservation potential assessment as determined under RCW 19.285.040, if applicable; (b) establish a resource adequacy requirement; (c) identify the potential cost-effective demand response and load management programs that may be acquired; (d) identify renewable resources, nonemitting electric generation, and distributed energy resources that may be acquired and evaluate how each identified resource may be expected to contribute to meeting the utility’s resource adequacy requirement; (e) identify any need to develop new, or expand or upgrade existing, bulk transmission and distribution facilities; and (f) identify the nature and possible extent to which the utility may need to rely on alternative compliance options under RCW 19.405.040(1)(b), if appropriate.  

(3)(a) An electric utility shall consider the social cost of greenhouse gas emissions, as determined by the commission for investor-owned utilities pursuant to RCW 80.28.405 and the department for consumer-owned utilities, when developing integrated resource plans and clean energy action plans. An electric utility must incorporate the social cost of greenhouse gas emissions as a cost adder when:  
(i) Evaluating and selecting conservation policies, programs, and targets;  
(ii) Developing integrated resource plans and clean energy action plans; and  
(iii) Evaluating and selecting intermediate term and long-term resource options.  

(b) For the purposes of this subsection (3): (i) Gas consisting largely of methane and other hydrocarbons derived from the decomposition of organic material in landfills, wastewater treatment facilities, and anaerobic digesters must be considered a nonemitting resource; and (ii) qualified biomass energy must be considered a nonemitting resource.  

(4) To facilitate broad, equitable, and efficient implementation of chapter 288, Laws of 2019, a consumer-owned energy utility may enter into an agreement with a joint operating agency organized under chapter 43.52 RCW or other nonprofit organization to develop and implement a joint clean energy action plan in collaboration with other utilities.  

(5) All other utilities may elect to develop a full integrated resource plan as set forth in subsection (1) of this section or, at a minimum, shall develop a resource plan that:  
(a) Estimates loads for the next five and ten years;  
(b) Enumerates the resources that will be maintained and/or acquired to serve those loads;  
(c) Explains why the resources in (b) of this subsection were chosen and, if the resources chosen are not: (i) Renewable resources; (ii) methods, commercially available technologies, or facilities for integrating renewable resources, including addressing any overgeneration event; or (iii) conservation and efficiency resources, why such a decision was made; and (d) By December 31, 2020, and in every resource plan thereafter, identifies how the utility plans over a ten-year period to implement RCW 19.405.040 and 19.405.050; and  
(e) Accounts for:  
(i) Modeled load forecast scenarios that consider the anticipated levels of zero emissions vehicle use in a utility’s service area, including anticipated levels of zero emissions vehicle use in the utility’s service area provided in section 2 of this act, if feasible;  
(ii) Analysis, research, findings, recommendations, actions, and any other relevant information found in the electrification of transportation plans submitted under RCW 35.92.450, 54.16.430, and 80.28.365; and  
(iii) Assumed case forecasts and the associated energy impacts. Electric utilities may, but are not required to, use the forecasts generated by the mapping and forecasting tool created in section 2 of this act. This subsection (5)(e)(iii) applies only to plans due to be filed after September 1, 2023.  

(6) Assessments for demand side resources included in an integrated resource plan may include combined heat and power systems as one of the measures in a conservation supply curve. The value of recoverable waste heat resulting from combined heat and power must be reflected in analyses of cost-effectiveness under this subsection.  

(7) An electric utility that is required to develop a resource plan under this section must complete its initial plan by September 1, 2008.  

(8) Plans developed under this section must be updated on a regular basis, on intervals approved by the commission or the department, or at a minimum on intervals of two years.  

(9) Plans shall not be a basis to bring legal action against electric utilities.  

(10)(a) To maximize transparency, the commission, for investor-owned utilities, or the governing body, for consumer-owned utilities, may require an electric utility to make the utility’s data input files available in a native format. Each electric utility shall publish its final plan either as part of an annual report or as a separate document available to the public. The report may be in an electronic form.  

(b) Nothing in this subsection limits the protection of records containing commercial information under RCW 80.04.095.  

(11) By December 31, 2021, the department and the commission must adopt rules establishing the requirements for incorporating the cumulative impact analysis developed under RCW 19.405.140 into the criteria for developing clean energy action plans under this section.  

Sec. 4. RCW 19.27.540 and 2019 c 285 s 18 are each amended to read as follows:  

(1) The building code council shall adopt rules for electric vehicle infrastructure requirements. Rules adopted by the state building code council must consider applicable national and international standards and be consistent with rules adopted under RCW 19.28.281.  

(2)(a) Except as provided in (b) of this subsection, the rules adopted under this section must require electric vehicle charging capability at all new buildings that provide on-site parking. Where parking is provided, the greater of one parking space or ten percent of parking spaces, rounded to the next whole number, must be provided with wiring or raceway sized to accommodate 208/240 V 40-amp or equivalent electric vehicle charging. Electrical rooms serving buildings with on-site parking must be sized to accommodate the potential for electrical equipment and distribution required to serve a minimum of twenty percent of the total parking spaces with 208/240 V 40-amp or equivalent electric vehicle charging. Load management infrastructure may be used to adjust the size and capacity of the required building electric service equipment and circuits on the customer facilities, as well as electric utility-owned infrastructure, as allowed by applicable local and national electrical code. For accessible parking spaces, the greater of one parking space or ten percent of accessible
parking spaces, rounded to the next whole number, must be provided with electric vehicle charging infrastructure that may also serve adjacent parking spaces not designated as accessible parking.

(b) For occupancies classified as assembly, education, or mercantile, the requirements of this section apply only to employee parking spaces. The requirements of this section do not apply to occupancies classified as residential R-3, utility, or miscellaneous.

(c) The required rules required under this subsection must be implemented by July 1, 2021.

(3)(a) The rules adopted under this section must exceed the specific minimum requirements established under subsection (2) of this section for all types of residential and commercial buildings to the extent necessary to support the anticipated levels of zero emissions vehicle use that result from the zero emissions vehicle program requirements in chapter 70A.30 RCW and that result in emissions reductions consistent with RCW 70A.45.020.

(b) The rules required under this subsection must be implemented by July 1, 2024, and may be periodically updated thereafter.

Sec. 5. RCW 82.44.200 and 2019 c 287 s 15 are each amended to read as follows:

The electric vehicle account is created in the transportation infrastructure account. Proceeds from the principal and interest payments made on loans from the account must be deposited into the account. Expenditures from the account may be used only for the purposes specified in RCW 47.04.350, 82.08.9999, and 82.12.9999, and the support of other transportation electrification and alternative fuel related purposes, including section 2 of this act. Moneys in the account may be spent only after appropriation.

NEW SECTION. Sec. 6. (1) Once a road usage charge, or equivalent fee or tax based on vehicle miles traveled, is in effect in the state of Washington with at least 75 percent of the registered passenger and light duty vehicles in the state participating, then a goal is established for the state that all publicly owned and privately owned passenger and light duty vehicles of model year 2030 or later that are sold, purchased, or registered in Washington state be electric vehicles. The department of licensing shall provide notice to the secretary of the senate and the chief clerk of the house of representatives, and the office of the governor when the road usage charge is in effect and the required number of registered vehicles are participating.

(2) The goal established in this section does not supersede any other law, and the other law controls if inconsistent with the goal established in this section.

(3) For purposes of this section:

(a) "Electric vehicles" are vehicles that use energy stored in rechargeable battery packs or in hydrogen and which rely solely on electric motors for propulsion.

(b) "Passenger and light duty vehicles" are on-road motor vehicles with a scale weight of up to 10,000 pounds and three or more wheels. Emergency services vehicles are not passenger and light duty vehicles.

(4) Nothing in this section:

(a) Authorizes any state agency to restrict the purchase, sale, or registration of vehicles that are not electric vehicles; or

(b) Changes or affects the directive to the department of ecology to implement the zero emission vehicle program required under RCW 70A.30.010.

NEW SECTION. Sec. 7. Section 6 of this act constitutes a new chapter in Title 70A RCW.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature finds that the public health system must use all available and effective tools to prevent the spread of the novel coronavirus COVID-19 and save lives in Washington. Public health case investigation, testing, and contact tracing are traditional, trusted public health tools used to control the spread of communicable diseases and are subject to laws and policies protecting health information privacy. As the economy reopens, the staggering number of COVID-19 cases continue to test capacity of the public health system's ability to control COVID-19. In an effort to increase the system's capacity, academic institutions and technology companies have recently developed digital tools, including web and mobile applications, to assist local and state public health agencies with contact tracing efforts.

(2) The legislature finds that it is imperative to strike a balance between supporting innovative tools that increase the public health system's capacity while also providing equitable protections for the privacy and security of individual's COVID-19 health data and assuring individuals that collected data will not be used for law enforcement or immigration purposes. Achieving this balance is critical to reassure every Washingtonian, that any data collected by digital tools will be used in a private, secure, and legitimate manner and to support the use of all available tools to reduce the spread of COVID-19, particularly among vulnerable populations, and save lives in Washington.

(3) Therefore, the legislature intends to establish privacy and security standards for these digital tools to provide protections for all Washingtonian's COVID-19 health data.

MOTION

Senator Pedersen moved that the following committee striking amendment by the Committee on Law & Justice be adopted.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that additional clarity is necessary following the passage of Initiative Measure No. 940 (chapter 1, Laws of 2019) and Substitute House Bill No. 1064 (chapter 4, Laws of 2019). The legislature intends to address excessive force and discriminatory policing by establishing a requirement for law enforcement and community corrections officers to act with reasonable care when carrying out their duties, including using de-escalation tactics and alternatives to deadly force. Further, the legislature intends to address public safety concerns by limiting the use of deadly force to very narrow circumstances where there is an imminent threat of serious physical injury or death. It is the intent of the legislature that when practicable, peace officers will use the least amount of physical force necessary to overcome actual resistance under the circumstances.

It is the fundamental duty of law enforcement to preserve and protect all human life.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Law enforcement agency" includes any "general authority Washington law enforcement agency" and any "limited authority Washington law enforcement agency" as those terms are defined in RCW 10.93.020.

(2) "Less lethal alternatives" include, but are not limited to, verbal warnings, de-escalation tactics, conducted energy weapons, devices that deploy oleoresin capsicum, batons, and beanbag rounds.

(3) "Peace officer" includes any "general authority Washington peace officer," "limited authority Washington peace officer," and "specially commissioned Washington peace officer" as those terms are defined in RCW 10.93.020; however, "peace officer" does not include any corrections officer or other employee of a jail, correctional, or detention facility, but does include any community corrections officer.

NEW SECTION. Sec. 3. (1)(a) Except as otherwise provided under this section, a peace officer may use physical force against a person when necessary to: Protect against criminal conduct where there is probable cause to make an arrest; effect an arrest; prevent an escape as defined under chapter 9A.76 RCW; or protect against an imminent threat of bodily injury to the peace officer, another person, or the person against whom force is being used.

(b) A peace officer may use deadly force against another person only when necessary to protect against an imminent threat of serious physical injury or death to the officer or another person.

(2) A peace officer shall use reasonable care when determining whether to use physical force and when using any physical force against another person. To that end, a peace officer shall:

(a) When possible, exhaust available and appropriate de-escalation tactics prior to using any physical force, such as: Creating physical distance by employing tactical repositioning and repositioning as often as necessary to maintain the benefit of time, distance, and cover; when there are multiple officers, designating one officer to communicate in order to avoid competing commands; calling for additional resources such as a crisis intervention team or mental health professional when possible; calling for back-up officers when encountering resistance; taking as much time as necessary, without using physical force or weapons; and leaving the area if there is no threat of imminent harm or no crime is being committed;

(b) When using physical force, use the least amount of physical force necessary to overcome resistance under the circumstances. This includes a consideration of the characteristics and conditions of a person for the purposes of determining whether to use force against that person and, if force is necessary, determining the appropriate and least amount of force possible to effect a lawful purpose. Such characteristics and conditions may include, for example, whether the person: Is visibly pregnant, or states that they are pregnant; is known to be a minor, objectively appears to be a minor, or states that they are a minor; is known to be a vulnerable adult, or objectively appears to be a vulnerable adult as defined in RCW 74.34.020; displays signs of mental, behavioral, or physical impairments or disabilities; is experiencing perceptual or cognitive impairments typically related to the use of alcohol, narcotics, hallucinogens, or other drugs; is suicidal; has limited English proficiency; or is in the presence of children;

(c) Terminate the use of physical force as soon as the necessity for such force ends:

(d) When possible, use available and appropriate less lethal alternatives before using deadly force; and
Make less lethal alternatives issued to the officer reasonably available for their use.

(3) A peace officer may not use any force tactics prohibited by applicable departmental policy, this chapter, or otherwise by law, except to protect his or her life or the life of another person from an imminent threat.

(4) Nothing in this section prevents a law enforcement agency or political subdivision of this state from adopting policies or standards with additional requirements for de-escalation and greater restrictions on the use of physical and deadly force than provided in this section.

(5) For the purposes of this chapter:
   (a) “Imminent threat” means that, based on the totality of the circumstances, it is objectively reasonable to believe that a person has the present and apparent ability, opportunity, and intent to immediately cause death or serious bodily injury to the peace officer or another person.
   (b) “Necessary” means that, under the totality of the circumstances, a reasonably effective alternative to the use of deadly force does not exist, and that the amount of force used was a reasonable and proportional response to the threat posed to the officer and others.
   (c) “Totality of the circumstances” means all facts known to the peace officer leading up to and at the time of the use of force, and includes the actions of the person against whom the peace officer uses such force, and the actions of the peace officer.

NEW SECTION. Sec. 4. (1) By July 1, 2022, the attorney general shall develop and publish model policies on law enforcement’s use of force and de-escalation tactics consistent with section 3 of this act.

(2) By December 1, 2022, all law enforcement agencies shall: Adopt policies consistent with the model policies and submit copies of the applicable policies to the attorney general; or, if the agency did not adopt policies consistent with the model policies, provide notice to the attorney general stating the reasons for any departures from the model policies and an explanation of how the agency’s policies are consistent with section 3 of this act, including a copy of the agency’s relevant policies. After December 1, 2022, whenever a law enforcement agency modifies or repeals any policies pertaining to the use of force or de-escalation tactics, the agency shall submit notice of such action with copies of any relevant policies to the attorney general within 60 days.

(3) By December 31st of each year, the attorney general shall publish on its website a report on the requirements of this section, including copies of the model policies, information as to the status of individual agencies’ policies, and copies of any agency policies departing from the model policies.

NEW SECTION. Sec. 5. A new section is added to chapter 43.101 RCW to read as follows:

The basic training provided to criminal justice personnel by the commission must be consistent with the standards in section 3 of this act and the model policies established by the attorney general under section 4 of this act.

(1) Beginning one year after December 6, 2018, all law enforcement officers in the state of Washington must receive violence de-escalation training. Law enforcement officers beginning employment after December 6, 2018, must successfully complete such training within the first (fifteen) 15 months of employment. The commission shall set the date by which other law enforcement officers must successfully complete such training.

(2) All law enforcement officers shall periodically receive continuing violence de-escalation training to practice their skills, update their knowledge and training, and learn about new legal requirements and violence de-escalation strategies.

(4) Violence de-escalation training provided under this section must be consistent with section 3 of this act and the model policies established by the attorney general under section 4 of this act.

(5) The commission shall submit a report to the legislature and the governor by January 1st and July 1st of each year on the implementation of and compliance with subsections (1) and (2) of this section. The report must include data on compliance by agencies and officers. The report may also include recommendations for any changes to laws and policies necessary to improve compliance with subsections (1) and (2) of this section.

NEW SECTION. Sec. 7. RCW 10.31.050 (Officer may use force) and 2010 c 8 s 1031, Code 1881 s 1031, 1873 p 229 s 211, & 1854 p 114 s 75 are each repealed.

NEW SECTION. Sec. 8. Sections 2 through 4 of this act constitute a new chapter in Title 10 RCW.

NEW SECTION. Sec. 9. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2021, in the omnibus appropriations act, this act is null and void.

On page 1, line 2 of the title, after “officers;” strike the remainder of the title and insert “amending RCW 43.101.450; adding a new section to chapter 43.101 RCW; adding a new chapter to Title 10 RCW; creating new sections; and repealing RCW 10.31.050.”

Caseload limits must be calculated pursuant to (c)(ii) of this subsection.

Notwithstanding the caseload limits developed and recommended by the statewide children's representation work group pursuant to section 5, chapter 180, Laws of 2010, when one attorney represents a sibling group, the first child is counted as one case and each child thereafter is counted as one-half case to determine compliance with the caseload standards pursuant to (c)(i) of this subsection and RCW 2.53.045.

(iii) The office of civil legal aid is responsible for implementation of (c)(i) and (ii) of this subsection as provided in RCW 2.53.045.

(ii) Nothing in this subsection (7)(b) shall be construed to change or alter the confidentiality provisions of RCW 13.50.100.

(c) Pursuant to this subsection, the department or supervising agency and the child's guardian ad litem shall notify each child of his or her right to request an attorney and shall ask the child whether he or she wishes to have an attorney. The department or supervising agency and the child's guardian ad litem shall notify the child and make this inquiry immediately after:

(e) The notification and inquiry is not required if the child has already been appointed an attorney.

(f) The department or supervising agency shall note in the child's individual service and safety plan, and the guardian ad litem shall note in his or her report to the court, that the child was notified of the right to request an attorney and indicate the child's position regarding appointment of an attorney.

The court shall make an additional inquiry at the first regularly scheduled hearing after the child's fifteenth birthday. No inquiry is necessary if the child has already been appointed an attorney.

(8) For the purposes of child abuse prevention and treatment act (42 U.S.C. Secs. 5101 et seq.) grants to this state under P.L. 93-247, or any related state or federal legislation, a person appointed pursuant to this section shall be deemed a guardian ad litem.

(9) When a court-appointed special advocate or volunteer guardian ad litem is requested on a case, the program shall give the court the name of the person it recommends. The program shall attempt to match a child with special needs with a guardian ad litem who has specific training or education related to the child's individual needs. The court shall immediately appoint the person recommended by the program.

(10) If a party in a case reasonably believes the court-appointed special advocate or volunteer guardian ad litem is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate or volunteer guardian ad litem on the grounds the advocate or volunteer is inappropriate or unqualified.

(2) The legislature therefore respectfully requests that the supreme court's commission on children in foster care convene a children's representation work group composed of relevant stakeholders, including an independent expert in attorneys' ethical duties, to review and update, where appropriate, the standards of practice, caseload limits, and training guidelines, referenced in RCW 2.53.045 and section 6 of this act. The updated standards shall be developed by March 31, 2022.

(1) Where the department is required to screen a long-term care worker, contracted provider, or licensee through a background check to determine whether the person has a history that would disqualify the person from having unsupervised access to, working with, or providing supervision, care, or treatment to vulnerable adults or children, the department may not automatically disqualify a person on the basis of a criminal record that includes a conviction of any of the following crimes once the specified amount of time has passed for the particular crime:

(a) Selling marijuana to a person under RCW 69.50.401 after three years or more have passed between the most recent conviction and the date the background check is processed;
(b) Theft in the first degree under RCW 9A.56.030 after 10 years or more have passed between the most recent conviction and the date the background check is processed;
(c) Robbery in the second degree under RCW 9A.56.210 after five years or more have passed between the most recent conviction and the date the background check is processed;
(d) Extortion in the second degree under RCW 9A.56.130 after five years or more have passed between the most recent conviction and the date the background check is processed;

(f) Assault in the second degree under RCW 9A.36.021 after five years or more have passed between the most recent conviction and the date the background check is processed.

(2) The provisions of subsection (1) of this section do not apply where the department is performing background checks for the department of children, youth, and families.
(3) The provisions of subsection (1) of this section do not apply to department employees or applicants for department positions except for positions in the state-operated community residential program.
(4) Notwithstanding subsection (1) of this section, a long-term care worker, contracted provider, or licensee may not provide, or be paid to provide, care to children or vulnerable adults under the medicare or medicaid programs if the worker is excluded from participating in those programs by federal law.
(5) The department, a contracted provider, or a licensee, when conducting a character, competence, and suitability review for the purpose of hiring, licensing, certifying, contracting with,
permitting, or continuing to permit a person to be employed in any position caring for or having unsupervised access to vulnerable adults or children, may, in its sole discretion, determine whether to consider any of the convictions identified in subsection (1) of this section. The department, a contracted provider, or a licensee, when conducting a character, competence, and suitability review for the purpose of hiring, licensing, certifying, contracting with, permitting, or continuing to permit a person to be employed in any position caring for or having unsupervised access to vulnerable adults or children, is immune from suit in law, equity, or under the administrative procedure act, for damages based upon its exercise of discretion under this section or the refusal to exercise such discretion, and the department’s, contracted provider’s, or licensee’s consideration or lack of consideration of a criminal conviction identified in subsection (1) of this section and resulting decision does not constitute negligence. This subsection does not create a duty for the department to conduct a character, competence, and suitability review.

(6) For the purposes of the section:

NEW SECTION. Sec. 2. A new section is added to chapter 74.39A RCW to read as follows:

(b) The department shall invite the participation of persons with expertise in the background check process to provide advice and consultation to the work group with respect to the development of the proposed process under subsection (1) of this section.
(c) Appointments to the work group shall be made by the department. The department shall convene the meetings of the work group and serve as the facilitator.

(5)(a) Department of social and health services: A certificate of restoration of opportunity does not apply to the state abuse and neglect registry. A provider may conditionally employ a person pending the completion of a criminal conviction background inquiry, but may not allow the person to have unsupervised access to any resident.

(14) A provider shall offer activities to residents under care as defined by the department in rule.

(15) An adult family home must be financially solvent, and upon request for good cause, shall provide the department with detailed information about the home's finances. Financial records of the adult family home may be examined when the department has good cause to believe that a financial obligation related to resident care or services will not be met.

(16) An adult family home provider must ensure that staff are competent and receive necessary training to perform assigned tasks. Staff must satisfactorily complete department-approved staff orientation, basic training, and continuing education as specified by the department by rule. The provider shall ensure that a qualified caregiver is on-site whenever a resident is at the adult family home; any exceptions will be specified by the department in rule. SECOND READING

HOUSE BILL NO. 1399, by Representatives Vick, Kirby, Jacobsen, Simmons, Dufault, Dolan, and Young
Reducing barriers to professional licensure for individuals with previous criminal convictions.

The measure was read the second time.

MOTION

Senator Mullet moved that the following committee striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that individuals with prior criminal convictions, upon completing the terms of one's sentence, have paid their debt to society, and should be given the opportunity to be regular and productive members of society by seeking gainful employment. Recognizing the perils recidivism poses to the individual, families, public safety, and general well-being, the legislature should prioritize that removal of these barriers which prevent these individuals from entering the workforce.

(2) It is the intent of the legislature to provide a reliable process for individuals with past criminal convictions to apply for a professional license, and to be prevented from obtaining a professional license due to a prior criminal conviction which does not directly relate to the applicable profession, business, or trade.

NEW SECTION. Sec. 2. (1) An individual who has a criminal conviction may submit to the appropriate licensing authority a preliminary application for a professional license, government certification, or state recognition for the individual's personal qualifications for a determination as to whether the individual's criminal conviction would disqualify the individual from obtaining the occupational or professional license, government certification, or state recognition of the individual's personal qualifications from that licensing authority. The preliminary application may be submitted at any time, including prior to obtaining required education or paying any fee, other than the fee for the preliminary application under subsection (7) of this section. Only licenses, certifications, or recognitions administered by the department of licensing or a board or commission with the support of the department of licensing are eligible for a determination under this section.

(2) The preliminary application may include additional information about the individual's current circumstances, including the time since the offense, completion of the criminal sentence, other evidence of rehabilitation, testimonials, employment history, and employment aspirations.

(3) Upon receipt of a preliminary application under subsection (2) of this section and a fee if required under subsection (7) of this section, the appropriate licensing authority shall make a determination of whether the individual's criminal conviction would disqualify the individual from obtaining a professional license, government certification, or state recognition of the individual's personal qualifications from that licensing authority.

(4) The licensing authority shall issue its determination in writing within two months after receiving a preliminary application under subsection (2) of this section. If the licensing authority determines that the individual's criminal conviction would disqualify the individual, the licensing authority will provide a determination that includes findings of fact and conclusions of law and may advise the individual of any action the individual may take to remedy the disqualification. If the licensing authority finds that the individual has been convicted of a subsequent criminal conviction, or that the individual has failed to disclose a conviction, the licensing authority may rescind a determination upon finding that the subsequent criminal conviction would be disqualifying under subsection (3) of this section.

(5) The individual may appeal the determination of the licensing authority. The appeal shall be in accordance with chapter 34.05 RCW.

(6) An individual whose preliminary application has been disqualified shall not file another preliminary application under this section after the time of the preliminary application within two years after the final decision on the previous preliminary application, except that if the individual has taken action to remedy the disqualification as advised by the licensing board. If such action has been taken, the individual may file another preliminary application under this section with the same licensing authority six months after the final decision on the previous preliminary application.

(7) A licensing authority may charge a fee not to exceed $100 for each preliminary application filed pursuant to this section. The fee is intended to offset the administrative costs incurred under this section.

NEW SECTION. Sec. 3. The appropriate licensing authority may disqualify an individual from obtaining a professional license, government certification, or state recognition if it determines the individual's conviction is related to the occupation or profession unless the individual has requested and received a certificate of restoration of opportunity under RCW 9.97.020.

NEW SECTION. Sec. 4. This act takes effect January 1, 2022.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act constitute a new chapter in Title 18 RCW.""

Senator Pedersen moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"PART I
FINDINGS, INTENT, AND DEFINITIONS
NEW SECTION. Sec. 1. FINDINGS AND INTENT. (1) Washington state has been a national leader in adopting legal protections to prevent and respond to abuse, violence, harassment, stalking, neglect, or other threatening behavior, through the enactment of different types of civil protection orders, which are intended to provide a fast, efficient means to obtain protection against perpetrators of these harms.

(2) Washington state has enacted six different types of civil protection orders: (a) Domestic violence protection orders, adopted by the legislature in 1984; (b) vulnerable adult protection orders, adopted by the legislature in 1986; (c) antiharassment protection orders, adopted by the legislature in 1987; (d) sexual assault protection orders, adopted by the legislature in 2006; (e) stalking protection orders, adopted by the legislature in 2013; and (f) extreme risk protection orders, enacted by a vote of the people through Initiative Measure No. 1491 in 2016.

(3) These civil protection orders are essential tools designed to address significant harms impacting individuals as well as communities. The legislature finds that:

(a) Domestic violence is a problem of immense proportions. About 15 percent of Washington adults report experiencing domestic violence in their lifetime, and women, low-income people, and Black and indigenous communities experience higher rates of domestic violence. When domestic violence victims seek to separate from their abuser, they face increased risks. Forty-five percent of domestic violence homicides occur within 90 days of a recent separation, while 75 percent occur within the first six months of separation. Domestic violence victims also face increased risks when their abuser has access to firearms. Firearms are used to commit more than half of all intimate partner homicides in the United States. When an abusive partner has access to a gun, a domestic violence victim is 11 times more likely to be killed. Domestic violence has long been recognized as being at the core of other major social problems: Child abuse, other crimes of violence against persons or property, homelessness, and alcohol and drug abuse. Research has identified that adverse childhood experiences such as exposure to domestic violence have long-term negative impacts on health, well-being, and life outcomes, including criminal legal system involvement. Washington state studies have found that domestic violence is the most predictive of future violent crime by the perpetrator. Nationwide, domestic violence costs over $460,000,000,000 each year for health care, absence from work, services to children, and more. Adolescent dating violence is occurring at increasingly high rates, and preventing and confronting adolescent violence is important in preventing future violence in adult relationships. Domestic violence should not be minimized or dismissed based on any mental health diagnoses of the perpetrator or the victim. To the contrary, the presence of mental health concerns or substance use of either party increases the likelihood of serious injury and lethality. The legislature finds that it is in the public interest to improve the lives of persons being victimized by the acts and dynamics of domestic violence, to require reasonable, coordinated measures to prevent domestic violence from occurring, and to respond effectively to secure the safety of survivors of domestic violence;

(b) Sexual assault is the most heinous crime against another person short of murder. Sexual assault inflicts humiliation, degradation, and terror on victims. The perpetrator's age, gender, or relationship does not define the seriousness. According to the centers for disease control and prevention, one in six men, one in three women, and one in two nonbinary persons will experience sexual violence in their lifetime. Because of the stigma of a sexual assault and trauma, many victims are afraid or are not ready to report to law enforcement and go through the rigors of the criminal justice process. Individuals with disabilities; Black and indigenous communities; and lesbian, gay, bisexual, transgender, queer, and other individuals experience a higher rate of sexual violence. Experiencing a sexual assault is itself a reasonable basis for ongoing fear. Rape is recognized as the most underreported crime; estimates suggest that only one in seven rapes is reported to authorities. Victims who do not report the crime still may need to seek safety and protection from future interactions with the
perpetrator and have a right to such safety and protection. Some
cases where rape is reported are not prosecuted or do not lead to
a conviction. A victim should be able to expediently seek a civil
remedy requiring that the perpetrator stay away from the victim,
independent of the criminal process and regardless of whether
related criminal charges are pending;

(c) Stalking is a crime that affects 3,400,000 people over the
age of 18 each year in the United States. Almost half of victims
experience at least one unwanted contact per week. 29 percent of
stalking victims fear that the stalking will never stop. The
prevalence of anxiety, insomnia, social dysfunction, and severe
depression is much higher among stalking victims than among the
general population. Research shows that stalking is a significant
indication of future lethality. Increased access to technology has
also increased methods of stalking. Stalking is distinct from
common acts of harassment or nuisance covered by
antiharassment orders, and law enforcement agencies need to be
able to rely on orders that distinguish stalking from acts of
harassment or nuisance. Victims who do not report the stalking
behavior they are experiencing still may need safety and
protection from future interactions with the perpetrator through
expedient access to the civil court system, and this protection can
be accomplished without infringing on constitutionally protected
speech or activity;

(d) Serious, personal harassment through invasions of a
person's privacy by an act, acts, or words showing an intent to
coerce, intimidate, or humiliate the victim is increasing. The
legislature finds the prevention of such harassment is an
important governmental objective, and that victims should have
access to a method to prevent further contact between the victim
and perpetrator. A person may be targeted for harassing behavior
due to his or her identity, such as age, gender, sexual orientation,
race, religion, disability, or immigration status. The legislature
finds that unlawful harassment directed at a child by a child is not
acceptable and can have serious consequences, but that some
negative interactions between young people, especially in
schools, do not rise to the level of unlawful harassment. It is the
intention of the legislature that a protection order sought by the
parent or guardian of a child as provided for in this chapter
will be available only when the alleged behavior of the person under
the age of 18 to be restrained rises to the level set forth in this chapter;

(e) Some adults are vulnerable and may be subject to abuse,
neglect, financial exploitation, or abandonment by a family
member, care provider, or other person who has a relationship
with the vulnerable adult. A vulnerable adult may have physical
disabilities, mobility issues, or be otherwise unable to represent
himself or herself in court or to retain legal counsel in order to
obtain the relief available under this chapter or other protections
offered through the courts. A vulnerable adult may lack the ability
to perform or obtain those services necessary to maintain his or
her well-being because he or she lacks the capacity for consent,
and may have health problems that place him or her in a
dependent position. The legislature finds the legal tool of
protection orders will help prevent abuse, neglect, exploitation, or
abandonment of vulnerable adults; and

(f) Every year, over 100,000 persons in our country are victims
of gunshot wounds and 38,000 individuals lose their lives from
gun violence. On average, there are over 100 gun deaths each day,
61 percent of which are suicides. In Washington state, the suicide
rate is on average 10 percent higher. Extreme risk protection
orders allow for the temporary removal of the most lethal means
of suicide from the situation, saving lives of those at risk. Studies
show that individuals who engage in certain dangerous behaviors
are significantly more likely to commit violence toward
themselves or others in the near future. These behaviors, which
can include other acts or threats of violence, self-harm, or the
abuse of drugs or alcohol, are warning signs that the person may
soon commit an act of violence. Individuals who pose a danger to
themselves or others often exhibit signs that alert family,
household members, or law enforcement to the threat. Restricting
firearms access in these moments of crisis is an important way to
prevent gun violence and save lives. Many mass shooters
displayed warning signs prior to their killings, but federal and
state laws provided no clear legal process to suspend the shooters' access to guns, even temporarily. In enacting the extreme risk
protection order, the people intended to reduce gun deaths and
injuries, while respecting constitutional rights, by providing a
procedure for family, household members, and law enforcement
to obtain a court order temporarily preventing individuals who are
at high risk of harming themselves or others from accessing
firearms when there is demonstrated evidence that the individuals
pose a significant danger, including danger as a result of
threatening or violent behavior. Additionally, extreme risk
protection orders may provide protections from firearm risks for
individuals who are not eligible to petition for other types of
protection orders. Extreme risk protection orders are intended to
be limited to situations in which individuals pose a significant
danger of harming themselves or others by possessing a firearm,
having immediate access to a firearm, or having expressed intent
to obtain a firearm, and include standards and safeguards to
protect the rights of respondents and due process of law.
Temporarily removing firearms under these circumstances is an
important tool to prevent suicide, homicide, and community
violence.

(4) The legislature finds that all of these civil protection orders
are essential tools that can increase safety for victims of domestic
violence, sexual assault, stalking, abuse of vulnerable adults,
unlawful harassment, and threats of gun violence to obtain
immediate protection for themselves apart from the criminal legal
system. Victims are in the best position to know what their safety
needs are and should be able to seek these crucial protections
without having to rely on the criminal legal system process. The
legislature further finds the surrender of firearms in civil
protection orders is critical to public health. In keeping with the
harm reduction approach of this lifesaving tool, the legislature
finds that it is appropriate to allow for immunity from prosecution
for certain offenses when appropriate to create a safe harbor from
prosecution for certain offenses to increase compliance with
orders to surrender and prohibit firearms.

(5) To better achieve these important public purposes, the
legislature further finds the need to clarify and simplify these civil
protection order statutes to make them more understandable and
accessible to victims seeking relief and to respondents who are
subject to the court process. An efficient and effective civil
process can provide necessary relief many victims require in
order to escape and prevent harm. Clarification and simplification
of the statutes will aid petitioners, respondents, law enforcement,
and judicial officers in their application, help to eliminate
procedural inconsistencies, modernize practices, provide better
access to justice for those most marginalized, increase
compliance, and improve identified problem areas within the
statutes. Those who participate in the protection order process
often find it difficult to navigate the statutes, which were adopted
at different times and contain differing jurisdictional approaches,
procedures, definitions, and types of relief offered, among other
differences, all of which can create barriers and cause confusion.
Harmonizing and standardizing provisions where there is not a
need for a specific, different approach can provide more
uniformity among the laws and significantly reduce these
obstacles.

The legislature finds that these improvements are needed to
help ensure that protection orders and corresponding court
processes are more easily accessible to all litigants, particularly parties who may experience higher barriers to accessing justice.

(6) The legislature finds that advances in technology have made it increasingly possible to file petitions, effect service of process, and conduct hearings in protection order proceedings through more efficient and accessible means, while upholding constitutional due process requirements. These include using approaches such as online filing of petitions, electronic service of protection orders, and video and telephonic hearings to maintain and improve access to the courts. These alternatives can help make protection order processes more accessible, effective, timely, and procedurally just, particularly in situations where there are emergent risks. The legislature finds that it would be helpful for petitioners, respondents, judicial officers, court personnel, law enforcement, advocates, counsel, and others to have these new tools enacted into statute and made readily available in every court, with statewide best practices created for their use, specific to the context of civil protection orders. The legislature further finds that it is important to modernize other aspects of the civil protection order statutes to reflect current trends, and to provide for data collection and research in these areas of the law.

(7) The legislature further finds that in order to improve the efficacy of, accessibility to, and understanding of, civil protection orders, the six different civil protection orders in Washington state should be included in a single chapter of the Revised Code of Washington.

NEW SECTION. Sec. 2. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable adult without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse," for the purposes of a vulnerable adult protection order, means intentional, willful, or reckless action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical harm, pain, or mental anguish. "Abuse" includes sexual abuse, mental abuse, physical abuse, personal exploitation, and improper use of restraint against a vulnerable adult, which have the following meanings:

(a) "Improper use of restraint" means the inappropriate use of chemical, physical, or mechanical restraints for convenience or discipline, or in a manner that: (i) Is inconsistent with federal or state licensing or certification requirements for facilities, hospitals, or programs authorized under chapter 71A.12 RCW; (ii) is not medically authorized; or (iii) otherwise constitutes abuse under this section.

(b) "Mental abuse" means an intentional, willful, or reckless verbal or nonverbal action that threatens, humiliates, harasses, coerces, intimidates, isolates, unreasonably confines, or punishes a vulnerable adult. "Mental abuse" may include ridiculing, yelling, swearing, or withholding or tampering with prescribed medications or their dosage.

(c) "Personal exploitation" means an act of forcing, compelling, or exerting undue influence over a vulnerable adult causing the vulnerable adult to act in a way that is inconsistent with relevant past behavior, or causing the vulnerable adult to perform services for the benefit of another.

(d) "Physical abuse" means the intentional, willful, or reckless action of inflicting bodily injury or physical mistreatment. "Physical abuse" includes, but is not limited to, striking with or without an object, slapping, pinching, strangulation, suffocation, kicking, shoving, or prodding.

(e) "Sexual abuse" means any form of nonconsensual sexual conduct including, but not limited to, unwanted or inappropriate touching, rape, molestation, indecent liberties, sexual coercion, sexually explicit photographing or recording, voyeurism, indecent exposure, and sexual harassment. "Sexual abuse" also includes any sexual conduct between a staff person, who is not also a resident or client, of a facility or a staff person of a program authorized under chapter 71A.12 RCW, and a vulnerable adult living in that facility or receiving service from a program authorized under chapter 71A.12 RCW, whether or not the sexual conduct is consensual.

(3) "Chemical restraint" means the administration of any drug to manage a vulnerable adult's behavior in a way that reduces the safety risk to the vulnerable adult or others, has the temporary effect of restricting the vulnerable adult's freedom of movement, and is not standard treatment for the vulnerable adult's medical or psychiatric condition.

(4) "Consent" in the context of sexual acts means that at the time of sexual contact, there are actual words or conduct indicating freely given agreement to that sexual contact. Consent must be ongoing and may be revoked at any time. Conduct short of voluntary agreement does not constitute consent as a matter of law. Consent cannot be freely given when a person does not have capacity due to disability, intoxication, or age. Consent cannot be freely given when the other party has authority or control over the care or custody of a person incarcerated or detained.

(5)(a) "Course of conduct" means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose. "Course of conduct" includes any form of communication, contact, or conduct, including the sending of an electronic communication, but does not include constitutionally protected free speech. Constitutionally protected activity is not included within the meaning of "course of conduct."

(b) In determining whether the course of conduct serves any legitimate or lawful purpose, a court should consider whether:

(i) Any current contact between the parties was initiated by the respondent only or was initiated by both parties;

(ii) The respondent has been given clear notice that all further contact with the petitioner is unwanted;

(iii) The respondent's course of conduct appears designed to alarm, annoy, or harass the petitioner;

(iv) The respondent is acting pursuant to any statutory authority including, but not limited to, acts which are reasonably necessary to:

(A) Protect property or liberty interests;

(B) Enforce the law; or

(C) Meet specific statutory duties or requirements;

(v) The respondent's course of conduct has the purpose or effect of unreasonably interfering with the petitioner's privacy or the purpose or effect of creating an intimidating, hostile, or offensive living environment for the petitioner; or

(vi) Contact by the respondent with the petitioner or the petitioner's family has been limited in any manner by any previous court order.

**PART II**

**JURISDICTION AND VENUE**

**NEW SECTION. Sec. 3. REVIEW OF EXISTING COURT JURISDICTION.** The legislature finds that there are inconsistencies and differing approaches within existing provisions governing the jurisdictional division of authority and responsibility among superior courts and courts of limited jurisdiction for protection order proceedings addressed by this act. This act retains those jurisdictional differences only as an interim measure, and creates an approach in section 12 of this act to review the existing jurisdictional division, assess the benefits and ramifications of modifying or consolidating jurisdiction for protection orders consistent with the goals of this act of improving efficacy and accessibility, and propose to the legislature provisions to address jurisdiction.

**NEW SECTION. Sec. 4. DOMESTIC VIOLENCE PROTECTION ORDERS AND SEXUAL ASSAULT PROTECTION ORDERS.** (1) The superior, district, and municipal courts have jurisdiction over domestic violence protection order proceedings and sexual assault protection order proceedings under this chapter. The jurisdiction of district and municipal courts is limited to enforcement of section 56(1) of this act, or the equivalent municipal ordinance, and the issuance and enforcement of temporary orders for protection provided for in section 38 of this act if:
(a) A superior court has exercised or is exercising jurisdiction over a proceeding involving the parties;
(b) The petition for relief under this chapter presents issues of
the residential schedule of, and contact with, children of the parties; or
(c) The petition for relief under this chapter requests the court to exclude a party from the dwelling which the parties share.

(2) When the jurisdiction of a district or municipal court is limited to the issuance and enforcement of a temporary protection order, the district or municipal court shall set the full hearing in superior court and transfer the case. If the notice and order are not served on the respondent in time for the full hearing, the issuing court shall have concurrent jurisdiction with the superior court to extend the temporary protection order.

NEW SECTION. Sec. 5. STALKING PROTECTION ORDERS. (1) The district courts shall have original jurisdiction and cognizance of stalking protection order proceedings brought under this chapter, except a district court shall transfer such actions and proceedings to the superior court when it is shown that:

(a) The petitioner, victim, or respondent to the petition is under 18 years of age;
(b) The action involves title or possession of real property;
(c) A superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or
(d) The action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(2) Municipal courts may exercise jurisdiction and cognizance of any stalking protection order proceedings brought under this chapter by adoption of local court rule, except a municipal court shall transfer such actions and proceedings to the superior court when it is shown that:

(a) The petitioner, victim, or respondent to the petition is under 18 years of age;
(b) The action involves title or possession of real property;
(c) A superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or
(d) The action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(3) Superior courts shall have concurrent jurisdiction to receive the transfer of stalking protection order petitions in cases where a district or municipal court judge makes findings of fact and conclusions of law showing that meritorious reasons exist for the transfer.

NEW SECTION. Sec. 6. ANTIHARASSMENT PROTECTION ORDERS. (1) The district courts shall have original jurisdiction and cognizance of antiharassment protection order proceedings brought under this chapter, except a district court shall transfer such actions and proceedings to the superior court when it is shown that:

(a) The respondent to the petition is under 18 years of age;
(b) The action involves title or possession of real property;
(c) A superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or
(d) The action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(2) Municipal courts may exercise jurisdiction and cognizance of antiharassment protection order proceedings brought under this chapter by adoption of local court rule, except the municipal court shall transfer such actions and proceedings to the superior court when it is shown that:

(a) The petitioner, victim, or respondent to the petition is under 18 years of age;
(b) The action involves title or possession of real property;
(c) A superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or
(d) The action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.
PETITIONS. (1) There exists an action known as a petition for a protection order. The following types of petitions for a protection order may be filed:

(a) A petition for a domestic violence protection order, which must allege the existence of domestic violence committed against the petitioner or petitioners by an intimate partner or a family or household member. The petitioner may petition for relief on behalf of himself or herself and on behalf of family or household members who are minors or vulnerable adults. A petition for a domestic violence protection order must specify whether the petitioner and the respondent are intimate partners or family or household members. A petitioner who has been sexually assaulted or stalked by an intimate partner or a family or household member should, but is not required to, seek a domestic violence protection order, rather than a sexual assault protection order or a stalking protection order.

(b) A petition for a sexual assault protection order, which must allege the existence of nonconsensual sexual conduct or nonconsensual sexual penetration that was committed against the petitioner by the respondent. A petitioner who has been sexually assaulted by an intimate partner or a family or household member should, but is not required to, seek a domestic violence protection order, rather than a sexual assault protection order. A single incident of nonconsensual sexual conduct or nonconsensual sexual penetration is sufficient grounds for a petition for a sexual assault protection order. The petitioner may petition for a sexual assault protection order on behalf of:

(i) Himself or herself;

(ii) A minor child, where the petitioner is the parent, legal guardian, or custodian;

(iii) A vulnerable adult, where the petitioner is an interested person; or

(iv) Any other adult for whom the petitioner demonstrates to the court's satisfaction that the petitioner is interested in the adult's well-being, the court's intervention is necessary, and the adult cannot file the petition because of age, disability, health, or inaccessibility.

(c) A petition for a stalking protection order, which must allege the existence of stalking committed against the petitioner or petitioners by the respondent. A petitioner who has been stalked by an intimate partner or a family or household member should, but is not required to, seek a domestic violence protection order, rather than a stalking protection order. The petitioner may petition for a stalking protection order on behalf of:

(i) Himself or herself;

(ii) A minor child, where the petitioner is the parent, legal guardian, or custodian;

(iii) A vulnerable adult, where the petitioner is an interested person; or

(iv) Any other adult for whom the petitioner demonstrates to the court's satisfaction that the petitioner is interested in the adult's well-being, the court's intervention is necessary, and the adult cannot file the petition because of age, disability, health, or inaccessibility.

(d) A petition for a vulnerable adult protection order, which must allege that the petitioner, or person on whose behalf the petition is brought, is a vulnerable adult and that the petitioner, or person on whose behalf the petition is brought, has been abandoned, abused, financially exploited, or neglected, or is threatened with abandonment, abuse, financial exploitation, or neglect by the respondent. If the petition is filed by an interested person, the affidavit or declaration must also include a statement of why the petitioner qualifies as an interested person.

(e) A petition for an extreme risk protection order, which must allege that the respondent poses a significant danger of causing
personal injury to self or others by having in the respondent's custody or control, purchasing, possessing, accessing, receiving, or attempting to purchase or receive, a firearm. The petition must also identify the number, types, and locations of any firearms the petitioner believes to be in the respondent's current ownership, possession, custody, access, or control. A petition for an extreme risk protection order may be filed by (i) an intimate partner or a family or household member of the respondent; or (ii) a law enforcement agency.

(f) A petition for an antiharassment protection order, which must allege the existence of unlawful harassment committed against the petitioner or petitioners by the respondent. If a petitioner is seeking relief based on domestic violence, nonconsensual sexual conduct, nonconsensual sexual penetration, or stalking, the petitioner may, but is not required to, seek a domestic violence, sexual assault, or stalking protection order, rather than an antiharassment order. The petitioner may petition for an antiharassment protection order on behalf of:

(i) Himself or herself;
(ii) A minor child, where the petitioner is the parent, legal guardian, or custodian;
(iii) A vulnerable adult, where the petitioner is an interested person; or
(iv) Any other adult for whom the petitioner demonstrates to the court's satisfaction that the petitioner is interested in the adult's well-being, the court's intervention is necessary, and the adult cannot file the petition because of age, disability, health, or inaccessibility.

(2) With the exception of vulnerable adult protection orders, a person under 18 years of age who is 15 years of age or older may seek relief under this chapter as a petitioner and is not required to seek relief through a petition filed on his or her behalf. He or she may also petition on behalf of a family or household member who is a minor if chosen by the minor and capable of pursuing the minor's stated interest in the action.

(3) A person under 15 years of age who is seeking relief under this chapter is required to seek relief by a person authorized as a petitioner under this section.

(4) A petition for any type of protection order must not be dismissed or denied on the basis that the conduct alleged by the petitioner would meet the criteria for the issuance of another type of protection order.

(5) The protection order petition must contain a section where the petitioner, regardless of petition type, may request specific relief provided for in section 39 of this act that the petitioner seeks for himself or herself or for family or household members who are minors. The totality of selected relief, and any other relief the court deems appropriate for the petitioner, or family or household members who are minors, must be considered at the time of entry of temporary protection orders and at the time of entry of full protection orders.

(6) If a court reviewing the petition for a protection order or a request for a temporary protection order determines that the petition was not filed in the correct court, the court shall enter findings establishing the correct court, and direct the clerk to transfer the petition to the correct court and to provide notice of the transfer to all parties who have appeared.

(7) Upon filing a petition for a protection order, the petitioner may request that the court enter an ex parte temporary protection order until a hearing on a full protection order may be held. An ex parte temporary protection order shall be effective for a fixed period of time and shall be issued initially for a period not to exceed 14 days.

(8) The court may, at its discretion, issue a temporary order on the petition with or without a hearing. If an order is not signed upon presentation, the court shall set a hearing for a full protection order not later than 14 days from the date of the filing of the petition for a protection order, if the petition for a protection order is filed before close of business on a judicial day. If a petition for a protection order is filed after close of business on a judicial day or is filed on a nonjudicial day, the court shall set a hearing for a full protection order not later than 14 days from the first judicial day after the petition is filed.

NEW SECTION. Sec. 14. FILING—PROVISIONS GOVERNING ALL PETITIONS. The following apply to all petitions for protection orders under this chapter.

(1)(a) By January 1, 2023, county clerks on behalf of all superior courts and, by January 1, 2026, all courts of limited jurisdiction, must permit petitions for protection orders and all other filings in connection with the petition to be submitted as preferred by the petitioner either: (i) In person; (ii) remotely through an electronic submission process; or (iii) by mail for persons who are incarcerated or who are otherwise unable to file in person or remotely through an electronic system. The court or clerk must make all electronically filed court documents available for electronic access by judicial officers statewide. Judicial officers may not be charged for access to such documents. The electronic filing system must allow for protection orders to be filed at any time of the day. Petitioners and respondents should not be charged for electronic filing for petitions and documents filed pursuant to this section.

(b) By January 1, 2023, all superior courts' systems and, by January 1, 2026, all limited jurisdiction courts' systems, should allow for the petitioner to electronically track the progress of the petition for a protection order. Notification may be provided by text messaging or email, and should provide reminders of court appearances and alert the petitioner when the following occur: (i) The petition has been processed and is under review by a judicial officer; (ii) the order has been signed; (iii) the order has been transmitted to law enforcement for entry into the Washington crime information center system; (iv) return of service upon the respondent has been filed with the court or clerk; and (v) a receipt for the surrender of firearms has been filed with the court or clerk. Respondents, once served, should be able to sign up for similar electronic notification. Petitioners and respondents should not be charged for electronic notification.

(2) The petition must be accompanied by a confidential document to be used by the courts and law enforcement to fully identify the parties and serve the respondent. This record will be exempt from public disclosure at all times, and restricted access to this form is governed by general rule 22 provisions governing access to the confidential information form. The petitioner is required to fill out the confidential party information form to the petitioner's fullest ability. The respondent must be served with a blank confidential party information form, and when the respondent first appears, the respondent must confirm with the court the respondent's identifying and current contact information, including electronic means of contact, and file this with the court.

(3) A petition must be accompanied by a declaration signed under penalty of perjury stating the specific facts and circumstances for which relief is sought. Parties, attorneys, and witnesses may electronically sign sworn statements in all filings.

(4) The petitioner and the respondent must disclose the existence of any other litigation or of any other restraining, protection, or no-contact orders between the parties, to the extent that such information is known by the petitioner and the respondent. To the extent possible, the court shall take judicial notice of any existing restraining, protection, or no-contact orders between the parties before entering a protection order. The court shall not include provisions in a protection order that would allow the respondent to engage in conduct that is prohibited by another
restraining, protection, or no-contact order between the parties that was entered in a different proceeding. The obligation to disclose the existence of any other litigation includes, but is not limited to, the existence of any other litigation concerning the custody or residential placement of a child of the parties as set forth in RCW 26.27.281. The court administrator shall verify for the court the terms of any existing protection order governing the parties.

(5) The petition may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties, except in cases where the court has realigned the parties in accordance with section 26 of this act.

(6) Relief under this chapter must not be denied or delayed on the grounds that the relief is available in another action. The court shall not defer acting on a petition for a protection order nor grant a petitioner less than the full relief that the petitioner is otherwise entitled to under this chapter because there is, or could be, another proceeding involving the parties including, but not limited to, any potential or pending family law matter or criminal matter.

(7) A person’s right to petition for relief under this chapter is not affected by the person leaving his or her residence or household.

(8) A petitioner is not required to post a bond to obtain relief in any proceeding for a protection order.

(9)(a) No fees for service of process may be charged by a court or any public agency to petitioners seeking relief under this chapter. Except as provided in (b) of this subsection, courts may not charge petitioners any fees or surcharges the payment of which is a condition precedent to the petitioner’s ability to secure access to relief under this chapter. Petitioners shall be provided the necessary number of certified copies, forms, and instructional brochures free of charge. A respondent who is served electronically with a protection order shall be provided a certified copy of the order free of charge upon request.

(b) A filing fee may be charged for a petition for an antiharassment protection order except as follows:

(i) No filing fee may be charged to a petitioner seeking an antiharassment protection order against a person who has engaged in acts of stalking as defined in RCW 9A.46.110, or from a person who has engaged in conduct that would constitute a sex offense as defined in RCW 9A.44.128, or from a person who is a family or household member or intimate partner who has engaged in conduct that would constitute domestic violence; and

(ii) The court shall waive the filing fee if the court determines the petitioner is not able to pay the costs of filing.

(10) If the petition states that disclosure of the petitioner’s address or other identifying location information would risk harm to the petitioner or any member of the petitioner’s family or household, that address may be omitted from all documents filed with the court. If the petitioner has not disclosed an address under this subsection, the petitioner shall designate an alternative address or email address at which the respondent may serve the petition.

(11) Subject to the availability of amounts appropriated for this specific purpose, or as provided through alternative sources including, but not limited to, grants, local funding, or pro bono means, if the court deems it necessary, the court may appoint a guardian ad litem for a petitioner or a respondent who is under 18 years of age and who is not represented by counsel. If a guardian ad litem is appointed by the court for either or both parties, neither the petitioner nor the respondent shall be required by the court to pay any costs associated with the appointment.

(12) Minor children must only be referred to in the petition and in all other publicly available filed documents by their initials and date of birth. Any orders issued by the court for entry into a law enforcement database must show the minor’s full name for purposes of identification, but be redacted to only display initials and date of birth for purposes of public access.

(13) If a petitioner has requested an ex parte temporary protection order, because these are often emergent situations, the court shall prioritize review, either entering an order without a hearing or scheduling and holding an ex parte hearing in person, by telephone, by video, or by other electronic means on the day the petition is filed if possible. Otherwise, it must be heard no later than the following judicial day. The clerk shall ensure that the request for an ex parte temporary protection order is presented timely to a judicial officer, and signed orders will be returned promptly to the clerk for entry and to the petitioner as specified in this section.

(14) Courts shall not require a petitioner to file duplicative forms.

(15) The Indian child welfare act applies in the following manner.

(a) In a proceeding under this chapter where the petitioner seeks to protect a minor and the petitioner is not the minor’s parent as defined by RCW 13.38.040, the petition must contain a statement alleging whether the minor is or may be an Indian child as defined in RCW 13.38.040. If the minor is an Indian child, chapter 13.38 RCW and the federal Indian child welfare act, 25 U.S.C. Sec. 1901 et seq., shall apply. A party should allege in the petition if these laws have been satisfied in a prior proceeding and identify the proceeding.

(b) Every order entered in any proceeding under this chapter where the petitioner is not a parent of the minor or minors protected by the order must contain a finding that the federal Indian child welfare act or chapter 13.38 RCW does or does not apply, or if there is insufficient information to make a determination, the court must make a finding that a determination must be made before a full protection order may be entered. If there is reason to know the child is an Indian child, but the court does not have sufficient evidence to determine that the child is or is not an Indian child, 25 C.F.R. Sec. 23.107(b) applies. Where there is a finding that the federal Indian child welfare act or chapter 13.38 RCW does apply, the order must also contain a finding that all notice, evidentiary requirements, and placement preferences under the federal Indian child welfare act and chapter 13.38 RCW have been satisfied, or a finding that removal or placement of the child is necessary to prevent imminent physical damage or harm to the child pursuant to 25 U.S.C. Sec. 1922 and RCW 13.38.140. Where there is a finding that the federal Indian child welfare act or chapter 13.38 RCW does not apply, the order must also contain a finding as to why there is no reason to know the child may be an Indian child.

NEW SECTION. Sec. 15. FILING—PROVISIONS APPLICABLE TO SPECIFIED ORDERS. The following apply only to the specific type of protection orders referenced in each subsection.

(1) The department of social and health services, in its discretion, may file a petition for a vulnerable adult protection order or a domestic violence protection order on behalf of, and with the consent of, any vulnerable adult. When the department has reason to believe a vulnerable adult lacks the ability or capacity to consent, the department, in its discretion, may seek relief on behalf of the vulnerable adult. Neither the department nor the state of Washington is liable for seeking or failing to seek relief on behalf of any persons under this section. The vulnerable adult shall not be held responsible for any violations of the order by the respondent.

(2)(a) If the petitioner for an extreme risk protection order is a law enforcement agency, the petitioner shall make a good faith
effort to provide notice to an intimate partner or family or household member of the respondent and to any known third party who may be at risk of violence. The notice must state that the petitioner intends to petition the court for an extreme risk protection order or has already done so, and include referrals to appropriate resources, including behavioral health, domestic violence, and counseling resources. The petitioner must attest in the petition to having provided such notice, or attest to the steps that will be taken to provide such notice.

(b) Recognizing that an extreme risk protection order may need to be issued outside of normal business hours, courts shall allow law enforcement petitioners to petition after hours for a temporary extreme risk protection order using an on-call, after-hours judge, as is done for approval of after-hours search warrants.

NEW SECTION.  Sec. 16. DUTIES OF THE ADMINISTRATIVE OFFICE OF THE COURTS—RECOMMENDATIONS FOR FILING AND DATA COLLECTION. (1) By June 30, 2022, the administrative office of the courts shall:

(a) Develop and distribute standard forms for petitions and orders issued under this chapter, and facilitate the use of online forms for electronic filings.

(i) For all protection orders except extreme risk protection orders, the protection order must include, in a conspicuous location, a notice of criminal penalties resulting from a violation of the order, and the following statement: "You can be arrested even if the protected person or persons invite or allow you to violate the order. You alone are responsible for following the order. Only the court may change the order. Requests for changes must be made in writing."

(ii) For extreme risk protection orders, the protection order must include, in a conspicuous location, a notice of criminal penalties resulting from a violation of the order, and the following statement: "You have the sole responsibility to avoid or refrain from violating this order's provisions. Only the court may change the order. Requests for changes must be made in writing."

(b) Develop and distribute instructions and informational brochures regarding protection orders and a court staff handbook on the protection order process, which shall be made available online to view and download at no cost. Developing additional methods to inform the public about protection orders in understandable terms and in languages other than English through videos and social media should also be considered. The instructions, brochures, forms, and handbook must be prepared in consultation with civil legal aid, culturally specific advocacy programs, and domestic violence and sexual assault advocacy programs. The instructions must be designed to assist petitioners in completing the petition, and must include a sample of standard petition and protection order forms. The instructions and standard petition must include a means for the petitioner to identify, with only lay knowledge, the firearms the respondent may own, possess, receive, have access to, or have in the respondent's custody or control. The instructions must provide pictures of types of firearms that the petitioner may choose from to identify the relevant firearms, or an equivalent means to allow petitioners to identify firearms without requiring specific or technical knowledge regarding the firearms. The court staff handbook must allow for the addition of a community resource list by the court clerk. The informational brochure must describe the use of, and the process for, obtaining, renewing, modifying, terminating, and enforcing protection orders as provided under this chapter, as well as the process for obtaining, modifying, terminating, and enforcing an antiharassment no-contact order as provided under chapter 9A.46 RCW, a domestic violence no-contact order as provided under chapter 10.99 RCW, a restraining order as provided under chapters 26.09, 26.26A, 26.26B, and 26.44 RCW, a foreign protection order as defined in chapter 26.52 RCW, and a Canadian domestic violence protection order as defined in RCW 26.55.010;

(c) Determine the significant non-English-speaking or limited English-speaking populations in the state. The administrative office of the courts shall then arrange for translation of the instructions and informational brochures required by this section, which must contain a sample of the standard petition and protection order forms, into the languages spoken by at least the top five significant non-English-speaking populations, and shall distribute a master copy of the translated instructions and informational brochures to all court clerks and to the Washington supreme court's interpreter commission, minority and justice commission, and gender and justice commission by the effective date of this section. Such materials must be updated and distributed if needed due to relevant changes in the law;

(d) (i) Distribute a master copy of the petition and order forms, instructions, and informational brochures to all court clerks, and distribute a master copy of the petition and order forms to all superior, district, and municipal courts;

(ii) In collaboration with civil legal aid attorneys, domestic violence advocates, sexual assault advocates, elder abuse advocates, clerks, and judicial officers, develop and distribute a single petition form that a petitioner may use to file for any type of protection order authorized by this chapter, with the exception of extreme risk protection orders;

(iii) For extreme risk protection orders, develop and prepare:

(A) A standard petition and order form for an extreme risk protection order, as well as a standard petition and order form for an extreme risk protection order sought against a respondent under 18 years of age, titled "Extreme Risk Protection Order - Respondent Under 18 Years";

(B) Pattern forms to assist in streamlining the process for those persons who are eligible to seal records relating to an order under (d)(i) of this subsection, including:

(I) A petition and declaration the respondent can complete to ensure that requirements for public sealing have been met; and

(II) An order sealing the court records relating to that order; and

(C) An informational brochure to be served on any respondent who is subject to a temporary or full protection order under (d)(iii)(A) of this subsection;

(e) Create a new confidential party information form to satisfy the purposes of the confidential information form and the law enforcement information sheet that will serve both the court's and law enforcement's data entry needs without requiring a redundant effort for the petitioner, and ensure the petitioner's confidential information is protected for the purpose of safety. The form should be created with the presumption that it will also be used by the respondent to provide all current contact information needed by the court and law enforcement, and full identifying information for improved data entry. The form should also prompt the petitioner to disclose on the form whether the person who the petitioner is seeking to restrain has a disability, brain injury, or impairment requiring special assistance; and

(f) Update the instructions, brochures, standard petition and order for protection forms, and court staff handbook when changes in the law make an update necessary.

(2) The administrative office of the courts, through the gender and justice commission of the Washington state supreme court, and with the support of the Washington state women's commission, shall work with representatives of superior, district, and municipal court judicial officers, court clerks, and administrators, including those with experience in protection order proceedings, as well as advocates and practitioners with expertise in each type of protection order, and others with relevant
expertise, to develop for the courts:

(a) Standards for filing evidence in protection order proceedings in a manner that protects victim safety and privacy, including evidence in the form of text messages, social media messages, voice mails, and other recordings, and the development of a sealed cover sheet for explicit or intimate images and recordings; and

(b) Requirements for private vendors who provide services related to filing systems for protection orders, as well as what data should be collected.

NEW SECTION. Sec. 17. FILING—COURT CLERK DUTIES. (1) All court clerks’ offices shall make available the standardized forms, instructions, and informational brochures required by this chapter, and shall fill in and keep current specific program names and telephone numbers for community resources, including civil legal aid and volunteer lawyer programs. Any assistance or information provided by clerks under this chapter, or any assistance or information provided by any person, including court clerks, employees of the department of social and health services, and other court facilitators, to complete the forms provided by the court, does not constitute the practice of law, and clerks are not responsible for incorrect information contained in a petition.

(2) All court clerks shall obtain community resource lists as described in (a) and (b) of this subsection, which the court shall make available as part of, or in addition to, the informational brochures described in section 16 of this act.

(a) The court clerk shall obtain a community resource list from a domestic violence program and from a sexual assault program serving the county in which the court is located. The community resource list must include the names, telephone numbers, and, as available, website links of domestic violence programs, sexual assault programs, and elder abuse programs serving the community in which the court is located, including law enforcement agencies, domestic violence agencies, sexual assault agencies, civil legal aid programs, elder abuse programs, interpreters, multicultural programs, and batterers’ treatment programs. The list must be made available in print and online.

(b) The court clerk may create a community resource list of crisis intervention, behavioral health, interpreter, counseling, and other relevant resources serving the county in which the court is located. The clerk may also create a community resource list for respondents to include suicide prevention, treatment options, and resources for when children are involved in protection order cases. Any list shall be made available in print and online.

(c) Courts may make the community resource lists specified in (a) and (b) of this subsection available as part of, or in addition to, the informational brochures described in subsection (1) of this section, and should translate them into the languages spoken by the county’s top five significant non-English-speaking populations.

(3) Court clerks should not make an assessment of the merits of a petitioner’s petition for a protection order or refuse to accept for filing any petition that meets the basic procedural requirements.

PART IV
SERVICE
NEW SECTION. Sec. 18. SERVICE—METHODS OF SERVICE. (1) To minimize delays and the need for more hearings, which can hinder access to justice and undermine judicial economy, to lessen costs, to guarantee actual notice to the respondent, and to simplify and modernize processes for petitioners, respondents, law enforcement, and the courts, the following methods of service are authorized for protection order proceedings, including petitions, temporary protection orders, reissuances of temporary protection orders, full protection orders, motions to renew protection orders, and motions to modify or terminate protection orders.

(a) Personal service, consistent with court rules for civil proceedings, must be made by law enforcement to mitigate risks, increase safety, and ensure swift recovery of firearms in cases requiring the surrender of firearms, such as extreme risk protection orders and protection orders with orders to surrender and prohibit weapons; cases that involve transferring the custody of a child or children from the respondent to the petitioner; or cases involving vacating the respondent from the parties’ shared residence. Personal service should also be used in cases involving a respondent who is incarcerated. Personal service must otherwise be made by law enforcement unless the petitioner elects to have the respondent served by a third party who is not a party to the action and is over 18 years of age and competent to be a witness.

(b)(i) Service by electronic means, including service by email, text message, social media applications, or other technologies, must be prioritized for all orders at the time of the issuance of temporary protection orders, with the exception of the following cases, for which personal service must be prioritized: (A) Cases requiring the surrender of firearms, such as extreme risk protection orders and protection orders with orders to surrender weapons; (B) cases that involve transferring the custody of a child or children from the respondent to the petitioner; (C) cases involving vacating the respondent from the parties’ shared residence; or (D) cases involving a respondent who is incarcerated. Once firearms and concealed pistol licenses have been surrendered and verified by the court, or there is evidence the respondent does not possess firearms, the restrained party has been vacated from the shared residence, or the custody of the child or children has been transferred, per court order, then subsequent motions and orders may be served electronically.

(ii) Service by electronic means must be effected by a law enforcement agency, unless the petitioner elects to have the respondent served by any person who is not a party to the action, is over 18 years of age and competent to be a witness, and can provide sworn proof of service to the court as required.

(iii) Electronic service must be effected by transmitting copies of the petition and any supporting materials filed with the petition, notice of hearing, and any orders, or relevant materials for motions, to the respondent at the respondent’s electronic address or the respondent’s electronic account associated with email, text messaging, social media applications, or other technologies. Verification of receipt may be accomplished through read-receipt mechanisms, a response, a sworn statement from the person who effected service verifying transmission and any follow-up communications such as email or telephone contact used to further verify, or an appearance by the respondent at a hearing. Sworn proof of service must be filed with the court by the person who effected service. Service by electronic means is complete upon transmission when made prior to 5:00 p.m. on a judicial day. Service made on a Saturday, Sunday, legal holiday, or after 5:00 p.m. on any other day shall be deemed complete at 9:00 a.m. on the first judicial day thereafter.

(c) Service by mail is permitted when electronic service is not possible, and there have been two unsuccessful attempts at personal service or when the petitioner requests it in lieu of electronic service or personal service where personal service is not otherwise required. If electronic service and personal service are not successful, the court shall affirmatively order service by mail without requiring additional motions to be filed by the petitioner. Service by mail must be made by any person who is not a party to the action and is over 18 years of age and competent to be a witness, by mailing copies of the materials to be served to
the party to be served at the party's last known address or any other address determined by the court to be appropriate. Two copies must be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a tracking or certified information showing when and where it was delivered. The envelopes must bear the return address of the sender. Service is complete upon the mailing of two copies as prescribed in this section.

(d) Service by publication is permitted only in those cases where all other means of service have been unsuccessful or are not possible due to lack of any known physical or electronic address of the respondent. Publication must be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons must not be made until the court orders service by publication under this section. Service of the summons is considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons must contain the date of the first publication, and shall require the respondent upon whom service by publication is desired to appear and answer the petition on the date set for the hearing. The summons must also contain a brief statement of the reason for the petition and a summary of the provisions under the temporary protection order. The summons must be essentially in the following form:

In the .......... court of the state of Washington for the county of ..........

........................................, Petitioner

vs. No. ....

........................................, Respondent

The state of Washington to .......... (respondent):

You are hereby summoned to appear on the .... day of .......... (year) ....., at .... a.m./p.m., and respond to the petition. If you fail to respond, a protection order will be issued against you pursuant to the provisions of chapter 7-.......... RCW (the new chapter created in section 78 of this act), for a minimum of one year from the date you are required to appear. A temporary protection order has been issued against you, restraining you from the following: (Insert a brief statement of the provisions of the temporary protection order). A copy of the petition, notice of hearing, and temporary protection order has been filed with the clerk of this court.

........................................

Petitioner .................

(2) The court may authorize multiple methods of service permitted by this section and may consider use of any address determined by the court to be appropriate in order to authorize service that is reasonably probable to provide actual notice. The court shall favor speedy and cost-effective methods of service to promote prompt and accessible resolution of the merits of the petition.

(3) To promote judicial economy and reduce delays, for respondents who are able to be served electronically, the respondent, or the parent or guardian of the respondent for respondents under the age of 18 or the guardian or conservator of an adult respondent, shall be required to provide his or her electronic address or electronic account associated with an email, text messaging, social media application, or other technology by filing the confidential party information form referred to in section 16(1) of this act. This must occur at the earliest point at which the respondent, parent, guardian, or conservator is in contact with the court so that electronic service can be effected for all subsequent motions, orders, and hearings.

(4) If an order entered by the court recites that the respondent appeared before the court, either in person or remotely, the necessity for further service is waived and proof of service of that order is not necessary, including in cases where the respondent leaves the hearing before a final ruling is issued or signed. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court for the hearing, if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been served with the temporary order.

(5) When the respondent for a protection order is under the age of 18 or is an individual subject to a guardianship or conservatorship under Title 11 RCW:

(a) When the respondent is a minor, service of a petition for a protection order, modification, or renewal, shall be completed, as defined in this chapter, upon both the respondent and the respondent's parent or legal guardian.

(b) A copy of the protection order must be served on a parent, guardian, or conservator of the respondent at any address where the respondent resides, or the department of children, youth, and families in the case where the respondent is the subject of a dependency or court approved out-of-home placement. A minor respondent shall not be served at the minor respondent's school unless no other address for service is known.

(c) For extreme risk protection orders, the court shall also provide a parent, guardian, or conservator of the respondent with written notice of the legal obligation to safely secure any firearm on the premises and the potential for criminal prosecution if a prohibited person were to obtain access to any firearm. This notice may be provided at the time the parent, guardian, or conservator of the respondent appears in court or may be served along with a copy of the order, whichever occurs first.

(6) The court shall not dismiss, over the objection of a petitioner, a petition for a protection order or a motion to renew a protection order based on the inability of law enforcement or the petitioner to serve the respondent, unless the court determines that all available methods of service have been attempted unsuccessfully.

NEW SECTION. Sec. 19. SERVICE BY A LAW ENFORCEMENT OFFICER. When service is to be completed under this chapter by a law enforcement officer:

(1) The clerk of the court shall have a copy of any order issued under this chapter, as well as the petition for a protection order and any supporting materials, electronically forwarded on or before the next judicial day to the law enforcement agency specified in the order for service upon the respondent;

(2) Service of an order issued under this chapter must take precedence over the service of other documents by law enforcement unless they are of a similar emergency nature;

(3) Where personal service is required, the first attempt at service must occur within 24 hours of receiving the order from the court whenever practicable, but not more than five days after receiving the order. If the first attempt is not successful, no fewer than two additional attempts should be made to serve the order, particularly for respondents who present heightened risk of lethality or other risk of physical harm to the petitioner or petitioner's family or household members. Law enforcement shall document all attempts at service on a return of service form and submit it to the court in a timely manner;

(4) If service cannot be completed within 10 calendar days, the law enforcement officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification. Law
enforcement shall continue to attempt to complete service unless otherwise directed by the court. In the event that the petitioner does not provide a service address for the respondent or there is evidence that the respondent is evading service, the law enforcement officer shall use law enforcement databases to assist in locating the respondent;

(5) If the respondent is in a protected person’s presence at the time of contact for service, the law enforcement officer should take reasonable steps to separate the parties when possible prior to completing the service or inquiring about or collecting firearms. When the order requires the respondent to vacate the parties’ shared residence, law enforcement shall take reasonable steps to ensure that the respondent has left the premises and is on notice that his or her return is a violation of the terms of the order.

The law enforcement officer shall provide the respondent with copies of all forms with the exception of the law enforcement information sheet and the return of service form;

(6) Any law enforcement officer who serves a protection order on a respondent with the knowledge that the respondent requires special assistance due to a disability, brain injury, or impairment shall make a reasonable effort to accommodate the needs of the respondent to the extent practicable without compromise to the safety of the petitioner;

(7) Proof of service must be submitted to the court on the return of service form. The form must include the date and time of service and each document that was served in order for the service to be complete, along with any details such as conduct at the time of service, threats, or avoidance of service, as well as statements regarding possession of firearms, including any denials of ownership despite positive purchase history, active concealed pistol license, or sworn statements in the petition that allege the respondent’s access to, or possession of, firearms; or

(8) If attempts at service were not successful, the return of service form or the form letter showing that the order was not served, and stating the reason it was not served, must be returned to the court by the next judicial day following the last unsuccessful attempt at service. Each attempt at service must be noted and reflected in computer aided dispatch records, with the date, time, address, and reason service was not completed.

NEW SECTION. Sec. 20. MATERIALS TO BE SERVED. The following materials must be served, depending on the type of relief sought.

(1) If the petitioner is seeking a hearing on a petition for a protection order, the respondent must be served with the petition for a protection order, any supporting declarations or other materials, the notice of hearing, any temporary protection order issued by the court, any temporary order to surrender and prohibit weapons issued by the court, and a blank confidential party information form as referred to in section 16(1) of this Act. The respondent shall confirm with the court during his or her first appearance all necessary contact and identifying information, and file the form with the court.

(2) If the petitioner is seeking the renewal or reissuance of a protection order, the respondent must be served with the motion to renew or reissue the protection order, any supporting declarations or other materials, and the notice of hearing.

(3) If either party is seeking to modify or terminate a protection order, the other party must be served with the motion to modify or terminate the protection order, any supporting declarations or other materials, and the notice of hearing.

(4) For any other motion filed by a party with the court, the other party must be served with all materials the moving party submitted to the court and with any notice of hearing issued by the court related to the motion.

NEW SECTION. Sec. 21. TIME REQUIREMENTS. Service must be completed on the nonmoving party not less than five judicial days before the hearing date, unless waived by the nonmoving party. If service cannot be made, the court shall set a new hearing date and shall either require an additional attempt at obtaining service or permit service by other means authorized in this chapter. If the nonmoving party was served before the hearing, but less than five judicial days before the hearing, it is not necessary to re-serve materials that the nonmoving party already received, but any new notice of hearing and reissued order must be served on the nonmoving party. The court shall not require more than two attempts at obtaining service before permitting service by other means authorized in this chapter unless the moving party requests additional time to attempt service. If the court permits service by mail or by publication, the court shall set the hearing date not later than 24 days from the date of the order authorizing such service.

NEW SECTION. Sec. 22. VULNERABLE ADULT PROTECTION ORDERS—SERVICE WHEN VULNERABLE ADULT IS NOT THE PETITIONER. (1) When a petition for a vulnerable adult protection order is filed by someone other than the vulnerable adult, notice of the petition and hearing must be personally served upon the vulnerable adult not less than five judicial days before the hearing.

(2) In addition to copies of all pleadings filed by the petitioner, the petitioner shall provide a written notice to the vulnerable adult using a standard notice form developed by the administrative office of the courts. The standard notice form shall be designed to explain to the vulnerable adult in clear, plain language the purpose and nature of the petition and that the vulnerable adult has the right to participate in the hearing and to either support or object to the petition.

(3) When good faith attempts to personally serve the vulnerable adult have been unsuccessful, the court shall permit service by electronic means or by mail. The court may authorize service by publication if the court determines that personal service, service by electronic means, and service by mail cannot be obtained. If timely service under this section cannot be made, the court shall continue the hearing date until the substitute service approved by the court has been satisfied.

NEW SECTION. Sec. 23. DEVELOPMENT OF BEST PRACTICES. Courts and law enforcement agencies shall adopt rules, protocols, and pattern forms to standardize and implement best practices for service, including mechanisms and verification options for electronic service and electronic returns of service, as well as best practices for efficient transmission of court documents to law enforcement for entry into criminal justice databases and returns of service or property.

PART V HEARINGS

NEW SECTION. Sec. 24. HEARING PROCEDURES. In hearings under this chapter, the following apply:

(1) Hearings under this chapter are special proceedings. The procedures established under this chapter for protection order hearings supersede inconsistent civil court rules. Courts should evaluate the needs and procedures best suited to individual hearings based on consideration of the totality of the circumstances, including disparities that may be apparent in the parties’ resources and representation by counsel.

(2)(a) Courts shall prioritize hearings on petitions for ex parte temporary protection orders over less emergent proceedings.

(b) For extreme risk protection order hearings where a law enforcement agency is the petitioner, the court shall prioritize scheduling because of the importance of immediate temporary removal of firearms in situations of extreme risk and the goal of minimizing the time law enforcement must otherwise wait for a
particular case to be called, which can hinder their other patrol and supervisory duties. Courts also may allow a law enforcement petitioner to participate telephonically, or allow another representative from that law enforcement agency or the prosecutor's office to present the information to the court if personal presence of the petitioning officer is not required for testimonial purposes.

(3) A hearing on a petition for a protection order must be set by the court even if the court has denied a request for a temporary protection order in the proceeding where the petition is not dismissed or continued pursuant to subsection (11) of this section.

(4) If the respondent does not appear, or the petitioner informs the court that the respondent has not been served at least five judicial days before the hearing date and the petitioner desires to pursue service, or the parties have informed the court of an agreed date of continuance for the hearing, the court shall reissue any temporary protection order previously issued, cancel the scheduled hearing, and reset the hearing date.

(5) When considering any request to stay, continue, or delay a hearing under this chapter because of the pendency of a parallel criminal investigation or prosecution of the respondent, courts shall apply a rebuttable presumption against such delay and give due recognition to the purpose of this chapter to provide victims quick and effective relief. Courts must consider on the record the following factors:
   (a) The extent to which a defendant's Fifth Amendment rights are or are not implicated, given the special nature of protection order proceedings, which burden a defendant's Fifth Amendment privilege substantially less than do other civil proceedings;
   (b) Similarities between the civil and criminal cases;
   (c) Status of the criminal case;
   (d) The interests of the petitioners in proceeding expeditiously with litigation and the potential prejudice and risk to petitioners of a delay;
   (e) The burden that any particular aspect of the proceeding may impose on respondents;
   (f) The convenience of the court in the management of its cases and the efficient use of judicial resources;
   (g) The interests of persons not parties to the civil litigation; and
   (h) The interest of the public in the pending civil and criminal litigation.

(6) Hearings must be conducted upon live testimony of the parties and sworn declarations. Live testimony of witnesses other than the parties may be requested, but shall not be permitted unless the court finds that live testimony of witnesses other than the parties is necessary and material. If either party requests a continuance to allow for proper notice of witnesses or to afford a party time to seek counsel, the court should continue the hearing. If the court continues the hearing, the court shall reissue any temporary orders.

(7) Prehearing discovery under the civil court rules, including, but not limited to, depositions, requests for production, or requests for admission, is disfavored and only permitted if specifically authorized by the court for good cause shown upon written motion of a party filed six judicial days prior to the hearing and served prior to the hearing.

(8) The rules of evidence need not be applied, other than with respect to privileges, the requirements of the rape shield statute under RCW 9A.44.020, and evidence rules 412 and 413.

(9)(a) The prior sexual activity or the reputation of the petitioner is inadmissible except:
   (i) As evidence concerning the past sexual conduct of the petitioner with the respondent when this evidence is offered by the respondent upon the issue of whether the petitioner consented to the sexual conduct alleged for the purpose of a protection order;
   (ii) When constitutionally required to be admitted.

(b) To determine admissibility, a written motion must be made six judicial days prior to the protection order hearing. The motion must include an offer of proof of the relevancy of the proposed evidence and reasonably specific information as to the date, time, and place of the past sexual conduct between the petitioner and the respondent. If the court finds that the offer of proof is relevant to the issue of the victim's consent, the court shall conduct a hearing in camera. The court may not admit evidence under this subsection unless it determines at the hearing that the evidence is relevant and the probative value of the evidence outweighs the danger of unfair prejudice. The evidence shall be admissible at the hearing to the extent an order made by the court specifies the evidence that may be admitted. The motion, related papers, and the record of the hearing must be sealed and remain under seal unless the court orders otherwise.

(10) When a petitioner has alleged incapacity to consent to sexual conduct or sexual penetration due to intoxicants, alcohol, or other condition, the court must determine on the record whether the petitioner had the capacity to consent.

(11) If, prior to a full hearing, the court finds that the petition for a protection order does not contain sufficient allegations as a matter of law to support the issuance of a protection order, the court shall permit the petitioner 14 days to prepare and file an amended petition, provided the petitioner states an intent to do so and the court does not find that amendment would be futile. If the amended petition is not filed within 14 days, the case must be administratively dismissed by the clerk's office.

(12) Courts shall not require parties to submit duplicate or working copies of pleadings or other materials filed with the court, unless the document or documents cannot be scanned or are illegible.

(13) Courts shall, if possible, have petitioners and respondents in protection order proceedings gather in separate locations and enter and depart the court room at staggered times. Where the option is available, for safety purposes, the court should arrange for petitioners to leave the court premises first and to have court security escort petitioners to their vehicles or transportation.

NEW SECTION. Sec. 25. HEARINGS—REMOTE HEARINGS. (1) Hearings on protection orders, including hearings concerning temporary protection orders, full protection orders, compliance, reissuance, renewal, modification, or termination, may be conducted in person or remotely in order to enhance access for all parties.

(2) In the court's discretion, parties and witnesses may attend a hearing on a petition for a protection order, or any hearings conducted pursuant to this chapter, in person or remotely, including by telephone, video, or other electronic means where possible. No later than three judicial days before the hearing, the parties may request to appear at the hearing, with witnesses, remotely by telephone, video, or other electronic means. The court shall grant any request for a remote appearance unless the court finds good cause to require in-person attendance or attendance through a specific means.

(3) Courts shall require assurances of the identity of persons who appear by telephone, video, or other electronic means. Courts may not charge fees for remote appearances.

(4) Courts shall not post or stream proceedings or recordings of protection order hearings online without a waiver from all parties. Unless the court orders a hearing to be closed to the public consistent with the requirements of Washington law, courts should provide in-person access to members of the public who wish to observe or listen to a hearing conducted by telephone, video, or other electronic means.

(5) If a hearing is held with any parties or witnesses appearing
NINetiETH DAY, APRIL 10, 2021

where the petitioner is seeking a domestic violence protection order or an antiharassment protection order, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser or harasser and the original respondent is the victim of domestic violence or unlawful harassment. The court may issue a temporary protection order in accordance with this chapter until the victim is able to prepare a petition for a protection order in accordance with this chapter.

NEW SECTION. Sec. 27. EXTREME RISK PROTECTION ORDER HEARINGS. For extreme risk protection order hearings, the following also apply.

(1) The court may:
(a) Examine under oath the petitioner, the respondent, and any witnesses they may produce, or, in lieu of examination, consider sworn declarations of the petitioner, the respondent, and any witnesses they may produce; and
(b) Ensure that a reasonable search has been conducted for criminal history records and civil protection order history related to the respondent.

(2) During the hearing, the court shall consider whether a behavioral health evaluation is appropriate, and may order such evaluation if appropriate.

(3) In determining whether grounds for an extreme risk protection order exist, the court may consider any relevant evidence including, but not limited to, any of the following:
(a) A recent act or threat of violence by the respondent against self or others, whether or not such violence or threat of violence involves a firearm;
(b) A pattern of acts or threats of violence by the respondent within the past 12 months including, but not limited to, acts or threats of violence by the respondent against self or others;
(c) Any behaviors that present an imminent threat of harm to self or others;
(d) A violation by the respondent of a protection order or a no-contact order issued;
(e) A previous or existing extreme risk protection order issued against the respondent;
(f) A violation of a previous or existing extreme risk protection order issued against the respondent;
(g) A conviction of the respondent for a crime that constitutes domestic violence as defined in RCW 10.99.020;
(h) A conviction of the respondent under RCW 9A.36.080;
(i) The respondent's ownership of, access to, or intent to possess, firearms;
(j) The unlawful or reckless use, display, or brandishing of a firearm by the respondent;
(k) The history of use, attempted use, or threatened use of physical force by the respondent against another person, or the respondent's history of stalking another person;
(l) Any prior arrest of the respondent for a felony offense or violent crime;
(m) Corroborated evidence of the abuse of controlled substances or alcohol by the respondent; and
(n) Evidence of recent acquisition of firearms by the respondent.

NEW SECTION. Sec. 28. VULNERABLE ADULT PROTECTION ORDER HEARINGS. For vulnerable adult protection order hearings, the following also apply.

(1) When a petition for a vulnerable adult protection order is filed by someone other than the vulnerable adult or the vulnerable adult's guardian, conservator, or person acting under a protective arrangement, or both, and the vulnerable adult for whom protection is sought advises the court at the hearing that the vulnerable adult does not want all or part of the protection sought...
in the petition, then the court may dismiss the petition or the provisions that the vulnerable adult objects to and any existing vulnerable adult protection order, or the court may take additional testimony or evidence, or order additional evidentiary hearings to determine whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order. If an additional evidentiary hearing is ordered and the court determines that there is reason to believe that there is a genuine issue about whether the vulnerable adult is unable to protect his or her person or estate in connection with the issues raised in the petition or order, the court may issue a temporary protection order of the vulnerable adult pending a decision after the evidentiary hearing.

(2) Pursuant to subsection (1) of this section, an evidentiary hearing on the issue of whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order, must be held within 14 days of entry of the temporary protection order. If the court did not enter a temporary protection order, the evidentiary hearing must be held within 14 days of the prior hearing on the petition. Notice of the time and place of the evidentiary hearing must be served upon the vulnerable adult and the respondent not less than five judicial days before the hearing. If timely service cannot be made, the court may set a new hearing date. A hearing under this subsection is not necessary if the vulnerable adult has been determined to be subject to a guardianship, conservatorship, or other protective arrangement under chapter 11.130 RCW. If a hearing is scheduled under this subsection, the protection order must remain in effect pending the court's decision at the subsequent hearing.

(3) At the hearing held pursuant to subsection (1) of this section, the court shall give the vulnerable adult, the respondent, the petitioner, and, in the court's discretion, other interested persons, the opportunity to testify and submit relevant evidence.

(4) If the court determines that the vulnerable adult is capable of protecting his or her person or estate in connection with the issues raised in the petition, and the vulnerable adult continues to object to the protection order, the court shall dismiss the order or may modify the order if agreed to by the vulnerable adult. If the court determines that the vulnerable adult is not capable of protecting his or her person or estate in connection with the issues raised in the petition or order, and that the vulnerable adult continues to need protection, the court shall order relief consistent with this chapter as it deems necessary for the protection of the vulnerable adult. In the entry of any order that is inconsistent with the expressed wishes of the vulnerable adult, the court's order is governed by the legislative findings contained in section 1 of this act.

NEW SECTION. Sec. 29. Grant of order, denial of order, and improper grounds. (1) The court shall issue a protection order if it finds by a preponderance of the evidence that the petitioner has proved the required criteria specified in (a) through (f) of this subsection for obtaining a protection order under this chapter.

(a) For a domestic violence protection order, that the petitioner has been subjected to domestic violence by the respondent.

(b) For a sexual assault protection order, that the petitioner has been subjected to nonconsensual sexual conduct or nonconsensual sexual penetration by the respondent.

(c) For a stalking protection order, that the petitioner has been subjected to stalking by the respondent.

(d) For a vulnerable adult protection order, that the petitioner has been abandoned, abused, financially exploited, or neglected, or is threatened with abandonment, abuse, financial exploitation, or neglect by the respondent.

(e) For an extreme risk protection order, that the respondent poses a significant danger of causing personal injury to self or others by having in the respondent's custody or control, purchasing, possessing, accessing, receiving, or attempting to purchase or receive, a firearm.

(f) For an antiharassment protection order, that the petitioner has been subjected to unlawful harassment by the respondent.

(2) The court may not deny or dismiss a petition for a protection order on the grounds that:

(a) The petitioner or the respondent is a minor, unless provisions in this chapter specifically limit relief or remedies based upon a party's age;

(b) The petitioner did not report the conduct giving rise to the petition to law enforcement;

(c) A no-contact order or a restraining order that restrains the respondent's contact with the petitioner has been issued in a criminal proceeding or in a domestic relations proceeding;

(d) The relief sought by the petitioner may be available in a different action or proceeding, or criminal charges are pending against the respondent;

(e) The conduct at issue did not occur recently or because of the passage of time since the last incident of conduct giving rise to the petition; or

(f) The respondent no longer lives near the petitioner.

(3) In proceedings where the petitioner alleges that the respondent engaged in nonconsensual sexual conduct or nonconsensual sexual penetration, the court shall not require proof of physical injury on the person of the petitioner or any other forensic evidence. Denial of a remedy to the petitioner may not be based, in whole or in part, on evidence that:

(a) The respondent was voluntarily intoxicated;

(b) The petitioner was voluntarily intoxicated; or

(c) The petitioner engaged in consensual sexual touching.

(4) In proceedings where the petitioner alleges that the respondent engaged in stalking, the court may not require proof of the respondent's intentions regarding the acts alleged by the petitioner.

(5) If the court declines to issue a protection order, the court shall state the reasons for the court's denial. If the court declines a request to include one or more of the respondent's family or household member who is a minor or a vulnerable adult in the order, the court shall state the reasons for that denial in writing. The court shall also explain from the bench:

(a) That the petitioner may refile a petition for a protection order at any time if the petitioner has new evidence to present that would support the issuance of a protection order;

(b) The parties' rights to seek revision, reconsideration, or appeal of the order; and

(c) The parties' rights to have access to the court's transcript or recording of the hearing.

(6) A court's ruling on a protection order must be filed by the court in writing and must be made by the court on the mandatory form developed by the administrative office of the courts.

NEW SECTION. Sec. 30. Judicial information system consultation. (1) Before ruling on an order under this chapter, the court shall consult the judicial information system to determine the criminal history, history of criminal victimization, history of being a respondent or petitioner in a protection order proceeding, or pendency of other proceedings involving the parties. The court may take judicial notice of a parallel criminal proceeding for the related conduct involving the same parties, including whether the defendant in that action waived speedy trial.

(2) Before granting an order under this chapter directing residential placement of a child or restraining or limiting a party's
contact with his or her child, the court shall consult the judicial information system, if available, to determine the pendency of other proceedings involving the residential placement of any child of the parties for whom residential placement has been requested.

(3) When the court proposes to consider information from the judicial information system or another criminal or civil database, the court shall: Disclose the information to each party present at the hearing; on timely request, provide each party with an opportunity to be heard; and take appropriate measures to alleviate safety concerns of the parties. The court has discretion not to disclose information that the court does not propose to consider.

NEW SECTION. Sec. 31. COMPLIANCE HEARINGS. For compliance hearings:

(1) Only the respondent is required to appear if the court is reviewing compliance with any conditions of the order. The petitioner may appear at such hearing and provide evidence to the court regarding the respondent's compliance with the order. The petitioner may also file a declaration in response to the respondent's representation of compliance with any conditions of the order. After reviewing such a declaration by the petitioner, the court may ask the petitioner to appear at the hearing or provide additional declaration or documentation to address disputed issues.

(2) Any orders entered by the court pursuant to a compliance hearing must be served on the respondent if the respondent failed to appear at the hearing at which the court entered the orders.

(3) The court shall use its best efforts to notify the petitioner of the outcome of the compliance hearing including, but not limited to, informing the petitioner on whether the respondent is found to be out of compliance with an order to surrender and prohibit weapons. Such notice should be provided to the petitioner by electronic means if possible, but may also be made by telephone or another method that allows notification to be provided without unnecessary delay.

NEW SECTION. Sec. 32. APPOINTMENT OF COUNSEL. Subject to the availability of amounts appropriated for this specific purpose, or as provided through alternative sources including, but not limited to, grants, local funding, or pro bono means, the court may appoint counsel to represent the petitioner if the respondent is represented by counsel.

NEW SECTION. Sec. 33. INTERPRETERS. (1) Pursuant to chapter 2.42 RCW, in order to ensure that parties have meaningful access to the court, an interpreter shall be appointed for any party who is deaf, hard of hearing, deaf-blind, or has a speech impairment and cannot readily understand or communicate in spoken language. Notwithstanding the provisions of chapter 2.42 RCW, the court shall not:

(a) Appoint an interpreter who is not credentialed or duly qualified by the court to provide interpretation services; or

(b) Appoint a person to provide interpretation services if that person is serving as an advocate for the party.

(2) Pursuant to chapter 2.43 RCW, in order to ensure that parties have meaningful access to the court, an interpreter shall be appointed for any party who cannot readily speak or understand the English language. Notwithstanding the provisions of chapter 2.43 RCW, the court shall not:

(a) Appoint an interpreter who is not credentialed or duly qualified by the court to provide interpretation services; or

(b) Appoint a person to provide interpretation services if that person is serving as an advocate for the party.

(3) Once an interpreter has been appointed for a party, the party shall no longer be required to make further requests for the appointment of an interpreter for subsequent hearings or proceedings. The clerk shall identify the party as a person who needs interpreter services and the clerk or the court administrator shall be responsible for ensuring that an interpreter is available for every subsequent hearing.

(4) The interpreter shall interpret for the party meeting with either counsel or court staff, or both, for the purpose of preparing forms and participating in the hearing and court-ordered assessments, and the interpreter shall sight translate any orders.

(5) The same interpreter shall not serve parties on both sides of the proceeding when not on the record, nor shall the interpreter appointed by the court for the proceeding be the same interpreter appointed for any court-ordered assessments, unless the court finds good cause on the record to do so because it is not possible to obtain more than one interpreter for the proceeding, or the safety of the litigants is not compromised, or any other reasons identified by the court.

(6) Courts shall make a private space available for parties, counsel, and/or court staff and interpreters to sight translate any written documents or to meet and confer.

(7) When a hearing is conducted through telephone, video, or other electronic means, the court must make appropriate arrangements to permit interpreters to serve the parties and the court as needed.

NEW SECTION. Sec. 34. PROTECTION ORDER ADVOCATE AND SUPPORT PERSON. (1) Whether or not the petitioner has retained an attorney, a sexual assault or domestic violence advocate, as defined in RCW 5.60.060, shall be allowed to accompany the petitioner and confer with the petitioner during court proceedings. The sexual assault or domestic violence advocate shall not provide legal representation or interpretation services. Court administrators shall allow sexual assault and domestic violence advocates to assist petitioners with their protection orders. Sexual assault and domestic violence advocates are not engaged in the unauthorized practice of law when providing assistance of the types specified in this section. Unless the sexual assault or domestic violence advocate seeks to speak directly to the court, advocates shall not be required to be identified on the record beyond stating their role as a sexual assault or domestic violence advocate and identifying the program for which they work or volunteer for. Communications between the petitioner and a sexual assault and domestic violence advocate are protected as provided by RCW 5.60.060.

(2) Whether or not the petitioner has retained an attorney, a protection order advocate must be allowed to accompany the petitioner to any legal proceeding including, but not limited to, sitting or standing next to the petitioner and conferring with the petitioner during court proceedings, or addressing the court when invited to do so.

(a) For purposes of this section, "protection order advocate" means any employee or volunteer from a program that provides, as some part of its services, information, advocacy, counseling, or support to persons seeking protection orders.

(b) The protection order advocate shall not provide legal representation or interpretation services.

(c) Unless a protection order advocate seeks to speak directly to the court, protection order advocates shall not be required to be identified on the record beyond stating his or her role as a protection order advocate and identifying the program for which he or she works or volunteers.

(d) A protection order advocate who is not employed by, or under the direct supervision of, a law enforcement agency, a prosecutor's office, the child protective services section of the department of children, youth, and families as defined in RCW 26.44.020, or other governmental entity, has the same privileges, rights, and responsibilities as a sexual assault advocate and
domestic violence advocate under RCW 5.60.060.

(3) Whether or not the petitioner has retained an attorney, if a petitioner does not have an advocate, the petitioner shall be allowed a support person to accompany the petitioner to any legal proceeding including, but not limited to, sitting or standing next to the petitioner and conferring with the petitioner during court proceedings. The support person may be any third party of the petitioner's choosing, provided that:

(a) The support person shall not provide legal representation nor interpretation services; and

(b) A support person who is not employed by, or under the direct supervision of, a law enforcement agency, a prosecutor's office, the child protective services section of the department of children, youth, and families as defined in RCW 26.44.020, or other government entity, may not, without the consent of the petitioner, be examined as to any communication between the petitioner and the support person regarding the petition.

NEW SECTION. Sec. 35. TRAINING. To help ensure familiarity with the unique nature of protection order proceedings, and an understanding of trauma-informed practices and best practices in the use of new technologies for remote hearings, judicial officers, including persons who serve as judicial officers pro tempore, should receive training on procedural justice, trauma-informed practices, gender-based violence dynamics, elder abuse, juvenile sex offending, teen dating violence, and requirements for the surrender of weapons before presiding over protection order hearings. Trainings should be provided on an ongoing basis as best practices, research on trauma, and legislation continue to evolve. As a method of continuous training, court commissioners, including pro tempore commissioners, shall be notified by the presiding judge or court administrator upon revision of any decision made under this chapter.

NEW SECTION. Sec. 36. RECOMMENDATIONS ON IMPROVING PROTECTION ORDER PROCEEDINGS. (1) The administrative office of the courts, through the gender and justice commission of the Washington state supreme court, and with the support of the Washington state women's commission, shall work with representatives of superior, district, and municipal court judicial officers, court clerks, and administrators, including those with experience in protection order proceedings, as well as advocates and practitioners with expertise in each type of protection order, and others with relevant expertise, to consider and develop recommendations regarding:

(a) Uses of technology to reduce administrative burdens in protection order proceedings;

(b) Improving access to unrepresented parties in protection order proceedings, including promoting access for pro bono attorneys for remote protection order proceedings, in consultation with the Washington state bar association;

(c) Developing best practices for courts when there are civil protection order and criminal proceedings that concern the same alleged conduct;

(d) Developing best practices in data collection and sharing, including demographic information, in order to promote research and study on protection orders and transparency of protection order data for the public, in partnership with the Washington state center for court research, the Washington state institute for public policy, the University of Washington, and the urban Indian health institute;

(e) Developing best practices, including proposed training and necessary forms, in partnership with the Washington tribal state court consortium, to address how:

(i) Washington state court judges of all levels can see the existence of, and parties to, tribal court, military, and other jurisdiction protection orders, in comity with similar state court orders;

(ii) Tribal courts can enter their protection orders into the judicial information system used by courts to check for conflicting orders and history; and

(iii) State courts can query the national crime information center to check for tribal, military, and other jurisdictions’ protection orders prior to issuing protection orders;

(f) Developing best practices for minor respondents and petitioners in civil protection order proceedings, including what sanctions should be provided for in law, with input from legal advocates for children and youth, juvenile public defense, juvenile prosecutors, adolescent behavioral health experts, youth development experts, educators, judicial officers, victim advocates, restorative-informed or trauma-informed professionals, child advocacy centers, and professionals experienced in evidenced-based modalities for the treatment of trauma; and

(g) Assessing how the civil protection order law can more effectively address the type of abuse known as "coercive control" so that survivors can seek earlier protective intervention before abuse further escalates.

(2) The gender and justice commission may hire a consultant to assist with the requirements of this section with funds as appropriated.

(3) The gender and justice commission shall provide a brief report of its recommendations to the legislature for subsection (1)(c) through (g) of this section by December 1, 2021, and, for subsection (1)(a) through (d) of this section, provide recommendations to the courts by July 1, 2022.

PART VI
ORDERS, DURATION, RELIEF, AND REMEDIES

NEW SECTION. Sec. 37. Sections 38 through 42 of this act apply to all orders other than extreme risk protection orders.

NEW SECTION. Sec. 38. EX PARTE TEMPORARY PROTECTION ORDERS. OTHER THAN FOR EXTREME RISK PROTECTION ORDERS. (1) Where it appears from the petition and any additional evidence that the respondent has engaged in conduct against the petitioner that serves as a basis for a protection order under this chapter, and the petitioner alleges that irreparable injury could result if an order is not issued immediately without prior notice to the respondent, the court may grant an ex parte temporary protection order, pending a full hearing. The court has broad discretion to grant such relief as the court deems proper, including the forms of relief listed in section 39 of this act, provided that the court shall not order a form of relief listed in section 39 of this act if it would not be feasible or appropriate for the respondent to comply with such a requirement before a full hearing may be held on the petition for a protection order. If the court does not order all the relief requested by the petitioner in an ex parte temporary protection order, the court shall still consider ordering such relief at the full hearing on the petition for a protection order. In issuing the order, the court shall consider the provisions of RCW 9.41.800, and order the respondent to surrender, and prohibit the respondent from accessing, having in his or her custody or control, possessing, purchasing, attempting to purchase or receive, or receiving, all firearms, dangerous weapons, and any concealed pistol license, as required in RCW 9.41.800.

(2) Any order issued under this section must contain the date, time of issuance, and expiration date.

(3) If the court declines to issue an ex parte temporary protection order, the court shall state the particular reasons for the court's denial in writing. The court's denial of a motion for an ex parte temporary protection order is denied, the court shall still set a full hearing on the petition for a protection order.
(4) A petitioner may not obtain an ex parte temporary antiharassment protection order against a respondent if the petitioner has previously obtained two such ex parte orders against the same respondent, but has failed to obtain the issuance of a civil antiharassment protection order, unless good cause for such failure can be shown.

NEW SECTION. Sec. 39. RELIEF FOR TEMPORARY AND FULL PROTECTION ORDERS, OTHER THAN FOR EXTREME RISK PROTECTION ORDERS. (1) In issuing any type of protection order, other than an extreme risk protection order, the court shall have broad discretion to grant such relief as the court deems proper, including an order that provides relief as follows:

(a) Restrain the respondent from committing any of the following acts against the petitioner and other persons protected by the order: Domestic violence; nonconsensual sexual conduct or nonconsensual sexual penetration; sexual abuse; stalking; acts of abandonment, abuse, neglect, or financial exploitation against a vulnerable adult; and unlawful harassment;

(b) Restrain the respondent from making any attempts to have contact, including nonphysical contact, with the petitioner or the petitioner's family or household members who are minors or other members of the petitioner's household, either directly, indirectly, or through third parties regardless of whether those third parties know of the order;

(c) Exclude the respondent from the dwelling that the parties share; from the residence, workplace, or school of the petitioner; or from the day care or school of a minor child;

(d) Restrain the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location including, but not limited to, a residence, school, day care, workplace, the protected party's person, and the protected party's vehicle. The specified distance shall presumptively be at least 1,000 feet, unless the court for good cause finds that a shorter specified distance is appropriate;

(e) If the parties have children in common, make residential provisions with regard to their minor children on the same basis as is provided in chapter 26.09 RCW. However, parenting plans as specified in chapter 26.09 RCW must not be required under this chapter. The court may not delay or defer relief under this chapter on the grounds that the parties could seek a parenting plan or modification to a parenting plan in a different action. A protection order must not be denied on the grounds that the parties have an existing parenting plan in effect. A protection order may suspend the respondent's contact with the parties' children under an existing parenting plan, subject to further orders in a family law proceeding;

(f) Order the respondent to participate in a state-certified domestic violence perpetrator treatment program approved under RCW 26.50.150 (as recodified by this act) or a state-certified sex offender treatment program approved under RCW 18.155.070;

(g) Order the respondent to obtain a mental health or chemical dependency evaluation. If the court determines that a mental health evaluation is necessary, the court shall clearly document the reason for this determination and provide a specific question or questions to be answered by the mental health professional. The court shall consider the ability of the respondent to pay for the evaluation. Minors are presumed to be unable to pay. The parent or legal guardian is responsible for costs unless the parent or legal guardian demonstrates inability to pay;

(h) In cases where the petitioner and the respondent are students who attend the same public or private elementary, middle, or high school, the court, when issuing a protection order and providing relief, shall consider, among the other facts of the case, the severity of the act, any continuing physical danger, emotional distress, or educational disruption to the petitioner, and the financial difficulty and educational disruption that would be caused by a transfer of the respondent to another school. The court may order that the respondent not attend the public or private elementary, middle, or high school attended by the petitioner. If a minor respondent is prohibited attendance at the minor's assigned public school, the school district must provide the student comparable educational services in another setting. In such a case, the district shall provide transportation at no cost to the respondent if the respondent's parent or legal guardian is unable to pay for transportation. The district shall put in place any needed supports to ensure successful transition to the new school environment. The court shall send notice of the restriction on attending the same school as the petitioner to the public or private school the respondent will attend and to the school the petitioner attends;

(i) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense, and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys' fees or limited license legal technician fees when such fees are incurred by a person licensed and practicing in accordance with state supreme court admission and practice rule 28, the limited practice rule for limited license legal technicians. Minors are presumed to be unable to pay. The parent or legal guardian is responsible for costs unless the parent or legal guardian demonstrates inability to pay;

(j) Restrain the respondent from harassing, following, monitoring, keeping under physical or electronic surveillance, cyberstalking as defined in RCW 9.61.260, and using telephonic, audiovisual, or other electronic means to monitor the actions, location, or communication of the petitioner or the petitioner's family or household members who are minors or other members of the petitioner's household. For the purposes of this subsection, "communication" includes both "wire communication" and "electronic communication" as defined in RCW 9.73.260;

(k) Other than for respondents who are minors, require the respondent to submit to electronic monitoring. The order must specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring;

(l) Consider the provisions of RCW 9.41.800, and order the respondent to surrender, and prohibit the respondent from accessing, having in his or her custody or control, possessing, purchasing, attempting to purchase or receive, or receiving, all firearms, dangerous weapons, and any concealed pistol license, as required in RCW 9.41.800;

(m) Order possession and use of essential personal effects. The court shall list the essential personal effects with sufficient specificity to make it clear which property is included. Personal effects may include pets. The court may order that a petitioner be granted the exclusive custody or control of any pet owned, possessed, leased, kept, or held by the petitioner, respondent, or minor child residing with either the petitioner or respondent, and may prohibit the respondent from interfering with the petitioner's efforts to obtain the pet. The court may also prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance of specified locations where the pet is regularly found;

(n) Order use of a vehicle;

(o) Enter an order restricting the respondent from engaging in abusive litigation as set forth in chapter 26.51 RCW or in frivolous filings against the petitioner, making harassing or
libelous communications about the petitioner to third parties, or making false reports to investigative agencies. A petitioner may request this relief in the petition or by separate motion. A petitioner may request this relief by separate motion at any time within five years of the date the protection order is entered even if the order has since expired. A stand-alone motion for an order restricting abusive litigation may be brought by a party who meets the requirements of chapter 26.51 RCW regardless of whether the party has previously sought a protection order under this chapter, provided the motion is made within five years of the date the order that made a finding of domestic violence was entered. In cases where a finding of domestic violence was entered pursuant to an order under chapter 26.09, 26.26, or 26.26A RCW, a motion for an order restricting abusive litigation may be brought under the family law case or as a stand-alone action filed under this chapter, when it is not reasonable or practical to file under the family law case;

(p) Restrain the respondent from committing acts of abandonment, abuse, neglect, or financial exploitation against a vulnerable adult;

(q) Require an accounting by the respondent of the disposition of the vulnerable adult's income or other resources;

(r) Restrain the transfer of either the respondent's or vulnerable adult's property, or both, for a specified period not exceeding 90 days;

(s) Order financial relief and restrain the transfer of jointly owned assets;

(t) Restrain the respondent from possessing or distributing intimate images, as defined in RCW 9A.86.010, depicting the petitioner including, but not limited to, requiring the respondent to: Take down and delete all intimate images and recordings of the petitioner in the respondent's possession or control; and cease any and all disclosure of those intimate images. The court may also inform the respondent that it would be appropriate to ask third parties in possession or control of the intimate images of this protection order to take down and delete the intimate images so that the order may not inadvertently be violated; or

(u) Order other relief as it deems necessary for the protection of the petitioner and other family or household members who are minors or vulnerable adults for whom the petitioner has sought protection, including orders or directives to a law enforcement officer, as allowed under this chapter.

(2) The court in granting a temporary antiharassment protection order or a civil antiharassment protection order shall not prohibit the respondent from exercising constitutionally protected free speech. Nothing in this section prohibits the petitioner from utilizing other civil or criminal remedies to restrain conduct or communications not otherwise constitutionally protected.

(3) The court shall not take any of the following actions in issuing a protection order.

(a) The court may not order the petitioner to obtain services including, but not limited to, drug testing, victim support services, a mental health assessment, or a psychological evaluation.

(b) The court may not order the petitioner to pay the respondent’s attorneys’ fees or other costs.

(c) The court shall not issue a full protection order to any party except upon notice to the respondent and the opportunity for a hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with this chapter. Except as provided in section 26 of this act, the court shall not issue a temporary protection order to any party unless the party has filed a petition or counter-petition for a protection order seeking relief in accordance with this chapter.

(d) Under no circumstances shall the court deny the petitioner the type of protection order sought in the petition on the grounds that the court finds that a different type of protection order would have a less severe impact on the respondent.

(4) The order shall specify the date the order expires, if any. For permanent orders, the court shall set the date to expire 99 years from the issuance date. The order shall also state whether the court issued the protection order following personal service, service by electronic means, service by mail, or service by publication, and whether the court has approved service by mail or publication of an order issued under this section.

NEW SECTION. Sec. 40. DURATION OF FULL PROTECTION ORDERS, OTHER THAN FOR EXTREME RISK PROTECTION ORDERS. (1) When issuing an order after notice to the respondent and a hearing, the court may either grant relief for a fixed period of time or enter a permanent order of protection. Other than for antiharassment orders, the court shall not grant relief for less than one year unless the petitioner has specifically requested relief for a shorter period of time.

(2)(a) If a protection order restrains the respondent from contacting the respondent's minor children, the restraint must be for a fixed period not to exceed one year. This limitation is not applicable to protection orders issued under chapter 26.09, 26.26A, or 26.26B RCW.

(b) If the petitioner has petitioned for relief on behalf of the respondent’s minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year, the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09, 26.26A, or 26.26B RCW.

NEW SECTION. Sec. 41. LAW ENFORCEMENT STAND-BY TO RECOVER POSSESSIONS, OTHER THAN FOR EXTREME RISK PROTECTION ORDERS. (1) When an order is issued under this chapter upon request of the petitioner, the court may order a law enforcement officer to accompany the petitioner and assist in placing the petitioner in possession of those items indicated in the order or to otherwise assist in the execution of the order of protection. The order must list all items that are to be included with sufficient specificity to make it clear which property is included. Orders issued under this chapter must include a designation of the appropriate law enforcement agency to execute, serve, or enforce the order.

(2) Upon order of a court, a law enforcement officer shall accompany the petitioner and assist in placing the petitioner in possession of all items listed in the order and to otherwise assist in the execution of the order.

(3) Where orders involve surrender of firearms, dangerous weapons, and concealed pistol licenses, those items must be secured and accounted for in a manner that prioritizes safety and compliance with court orders.

NEW SECTION. Sec. 42. ENTRY OF PROTECTION ORDER DATA, OTHER THAN FOR EXTREME RISK PROTECTION ORDERS. (1) The clerk of the court shall enter any protection order, including temporary protection orders, issued under this chapter into a statewide judicial information system on the same day such order is issued, if possible, but no later than the next judicial day.

(2) A copy of a protection order granted under this chapter, including temporary protection orders, must be forwarded immediately by the clerk of the court, by electronic means if possible, to the law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall immediately enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order must remain in the computer until the expiration date specified on the order. If the court has entered an order that prohibits the respondent from possessing or purchasing a firearm, the law
enforcement agency shall also enter the order into the national instant criminal background check system and any other federal or state computer-based systems used by law enforcement or others to identify prohibited purchasers of firearms. The order must remain in each system for the period stated in the order, and the law enforcement agency shall only expunge orders from the systems that have expired or terminated. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(3) The information entered into the computer-based criminal intelligence information system must include notice to law enforcement on whether the order was personally served, served by electronic means, served by publication, or served by mail.

(4) If a law enforcement agency receives a protection order for entry or service, but the order falls outside the agency's jurisdiction, the agency may enter and serve the order or may immediately forward it to the appropriate law enforcement agency for entry and service, and shall provide documentation back to the court verifying which law enforcement agency has entered and will serve the order.

NEW SECTION. Sec. 43. TEMPORARY PROTECTION ORDERS—EXTREME RISK PROTECTION ORDERS. (1) In considering whether to issue a temporary extreme risk protection order, the court shall consider all relevant evidence, including the evidence described in section 27 of this act.

(2) If a court finds there is reasonable cause to believe that the respondent poses a significant danger of causing personal injury to self or others in the near future by having in the respondent's custody or control, purchasing, possessing, accessing, receiving, or attempting to purchase or receive, a firearm, the court shall issue a temporary extreme risk protection order.

(3) A temporary extreme risk protection order must include:

(a) A statement of the grounds asserted for the order;
(b) The date and time the order was issued;
(c) The date and time the order expires;
(d) The address of the court in which any responsive pleading should be filed;
(e) The date and time of the scheduled hearing;
(f) A description of the requirements for the surrender of firearms under section 45 of this act; and
(g) The following statement: "To the subject of this protection order: This order is valid until the date and time noted above. You are required to surrender all firearms in your custody, control, or possession. You may not have in your custody or control, access, possess, purchase, receive, or attempt to purchase or receive, a firearm, or a concealed pistol license, while this order is in effect. You must surrender to the (insert name of local law enforcement agency) all firearms in your custody, control, or possession, and any concealed pistol license issued to you under RCW 9.41.070 immediately. You may not have in your custody or control, access, possess, purchase, receive, or attempt to purchase or receive, a firearm, or a concealed pistol license, while this order is in effect. You must surrender to the (insert name of local law enforcement agency) all firearms in your custody, control, or possession, and any concealed pistol license issued to you under RCW 9.41.070 immediately. A hearing will be held on the date and at the time noted above to determine if an extreme risk protection order should be issued. Failure to appear at that hearing may result in a court making an order against you that is valid for one year. You may seek the advice of an attorney as to any matter connected with this order."

(4) A temporary extreme risk protection order issued expires upon the full hearing on the petition for an extreme risk protection order, unless reissued by the court.

(5) A temporary extreme risk protection order must be served by a law enforcement officer in the same manner as provided for in section 19 of this act for service of the notice of hearing and petition, and must be served concurrently with the notice of hearing and petition.

(6) If the court declines to issue a temporary extreme risk protection order, the court shall state the particular reasons for the court's denial.

NEW SECTION. Sec. 44. FULL ORDERS—EXTREME RISK PROTECTION ORDERS. (1) An extreme risk protection order issued after notice and a hearing must include:

(a) A statement of the grounds supporting the issuance of the order;
(b) The date and time the order was issued;
(c) The date and time the order expires;
(d) Whether a behavioral health evaluation of the respondent is required;
(e) The address of the court in which any responsive pleading should be filed;
(f) A description of the requirements for the surrender of firearms under section 45 of this act; and
(g) The following statement: "To the subject of this protection order: This order will last until the date and time noted above. If you have not done so already, you must surrender to the (insert name of local law enforcement agency) all firearms in your custody, control, or possession, and any concealed pistol license issued to you under RCW 9.41.070 immediately. You may not have in your custody or control, access, possess, purchase, receive, or attempt to purchase or receive, a firearm, or a concealed pistol license, while this order is in effect. You have the right to request one hearing to terminate this order every 12-month period that this order is in effect, starting from the date of this order and continuing through any renewals. You may seek the advice of an attorney as to any matter connected with this order."

(2) When the court issues an extreme risk protection order, the court shall inform the respondent that the respondent is entitled to request termination of the order in the manner prescribed by section 62 of this act. The court shall provide the respondent with a form to request a termination hearing.

NEW SECTION. Sec. 45. SURRENDER OF FIREARMS—EXTREME RISK PROTECTION ORDERS. (1) Upon the issuance of any extreme risk protection order under this chapter, including a temporary extreme risk protection order, the court shall:

(a) Order the respondent to surrender to the local law enforcement agency all firearms in the respondent's custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070; and
(b) Other than for ex parte temporary protection orders, direct law enforcement to revoke any concealed pistol license issued to the respondent.

(2) The law enforcement officer serving any extreme risk protection order under this chapter, including a temporary extreme risk protection order, shall request that the respondent immediately surrender all firearms in his or her custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070, and conduct any search permitted by law for such firearms. The law enforcement officer shall take possession of all firearms belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search. The order must be personally served upon the respondent or defendant if the order is entered in open court in the presence of the respondent or defendant. The respondent or defendant shall acknowledge receipt and service. If the respondent or defendant refuses service, an agent of the court may indicate on the record that the respondent or defendant refused service. The court shall enter the service and receipt into the record. A copy of the order and service must be transmitted immediately to law enforcement. Alternatively, if personal service by a law enforcement officer is not possible, the respondent shall surrender the firearms in a safe
manner to the control of the local law enforcement agency within 24 hours of being served with the order by alternate service.

(3) At the time of surrender, a law enforcement officer taking possession of a firearm or concealed pistol license shall issue a receipt identifying all firearms that have been surrendered and provide a copy of the receipt to the respondent. Within 72 hours after service of the order, the officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(4) Upon the sworn statement or testimony of the petitioner or of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms as required by an order issued under this chapter, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms in his or her possession, custody, or control. If probable cause for a violation of the order exists, the court shall issue a warrant describing the firearms and authorizing a search of the locations where the firearms are reasonably believed to be and the seizure of any firearms discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms surrendered pursuant to this section, and that person is determined by the law enforcement agency to be the lawful owner of the firearm, the firearm must be returned to that person, provided that:

(a) The firearm is removed from the respondent's custody, control, or possession, and the lawful owner provides written verification to the court regarding how the lawful owner will safely store the firearm in a manner such that the respondent does not have access to, or control of, the firearm for the duration of the order;

(b) The court advises the lawful owner of the penalty for failure to do so; and

(c) The firearm is not otherwise unlawfully possessed by the owner.

(6) Upon the issuance of a one-year extreme risk protection order, the court shall order a new compliance review hearing date and require the respondent to appear not later than three judicial days from the issuance of the order. The court shall require a showing that the respondent has surrendered any firearms in the respondent's custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070 to a law enforcement agency. The compliance review hearing is not required unless the court has a satisfactory showing on which the court can otherwise enter findings on the record that the respondent has timely and completely surrendered all firearms in the respondent's custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070 to a law enforcement agency, and is in compliance with the order. If the court does not have a sufficient record before it on which to make such a finding, the court must set a review hearing to occur as soon as possible, at which the respondent must be present and provide proof of compliance with the court's order.

(7)(a) If a court finds at the compliance review hearing, or any other hearing where compliance with the order is addressed, that there is probable cause to believe the respondent was aware of, and failed to fully comply with, the order, failed to appear at the compliance review hearing, or violated the order after the court entered findings of compliance, pursuant to its authority under chapter 7.21 RCW, the court may initiate a contempt proceeding on its own motion, or upon the motion of the prosecutor, city attorney, or the petitioner's counsel, to impose remedial sanctions, and issue an order requiring the respondent to appear, provide proof of compliance with the order, and show cause why the respondent should not be held in contempt of court.

(b) If the respondent is not present in court at the compliance review hearing or if the court issues an order to appear and show cause after a compliance review hearing, the clerk of the court shall electronically transmit a copy of the order to show cause to the law enforcement agency where the respondent resides for personal service or service in the manner provided in the civil rules of superior court or applicable statute.

(c) The order to show cause served upon the respondent shall state the date, time, and location of the hearing, and shall include a warning that the respondent may be held in contempt of court if the respondent fails to promptly comply with the terms of the extreme risk protection order and a warning that an arrest warrant could be issued if the respondent fails to appear on the date and time provided in the order to show cause.

(d)(i) At the show cause hearing, the respondent must be present and provide proof of compliance with the extreme risk protection order and demonstrate why the relief requested should not be granted.

(ii) The court shall take judicial notice of the receipt filed with the court by the law enforcement agency pursuant to subsection (3) of this section. The court shall also provide sufficient notice to the law enforcement agency of the hearing. Upon receiving notice pursuant to this subsection, a law enforcement agency must:

(A) Provide the court with a complete list of firearms surrendered by the respondent or otherwise belonging to the respondent that are in the possession of the law enforcement agency; and

(B) Provide the court with verification that any concealed pistol license issued to the respondent has been surrendered and that a law enforcement agency with authority to revoke the license has been notified.

(iii) If the law enforcement agency has a reasonable suspicion that the respondent is not in full compliance with the terms of the order, the law enforcement agency must submit the basis for its belief to the court, and may do so through the filing of an affidavit.

(e) If the court finds the respondent in contempt, the court may impose remedial sanctions designed to ensure swift compliance with the order to surrender and prohibit weapons.

(f) The court may order a respondent found in contempt of the order to pay for any losses incurred by a party in connection with the contempt proceeding, including reasonable attorneys' fees, service fees, and other costs. The costs of the proceeding must not be borne by the petitioner.

(8)(a) To help ensure that accurate and comprehensive information about firearms compliance is provided to judicial officers, a representative from either the prosecuting attorney's office or city attorney's office, or both, from the relevant jurisdiction may appear and be heard at any hearing that concerns compliance with an extreme risk protection order.

(b) Either the prosecuting attorney's office or city attorney's office, or both, from the relevant jurisdiction may designate an advocate or a staff person from their office who is not an attorney to appear on behalf of their office. Such appearance does not constitute the unauthorized practice of law.

(9)(a) An extreme risk protection order must state that the act of voluntarily surrendering firearms, or providing testimony relating to the surrender of firearms, pursuant to such an order, may not be used against the respondent or defendant in any criminal prosecution under this chapter, chapter 9.41 RCW, or RCW 9A.56.310.

(b) To provide relevant information to the court to determine compliance with the order, the court may allow the prosecuting attorney or city attorney to question the respondent regarding compliance.

(10) All law enforcement agencies must develop and implement policies and procedures regarding the acceptance,
storage, and return of firearms required to be surrendered under this chapter. A law enforcement agency holding any surrendered firearm or concealed pistol license shall comply with the provisions of RCW 9.41.340 and 9.41.345 before the return of the firearm or concealed pistol license to the owner or individual from whom it was obtained.

NEW SECTION. Sec. 46. Firearms Return and Disposal—Extreme Risk Protection Orders. (1) If an extreme risk protection order is terminated or expires without renewal, a law enforcement agency holding any firearm that has been surrendered pursuant to this chapter shall return any surrendered firearm requested by a respondent only after confirming, through a background check, that the respondent is currently eligible to own or possess firearms under federal and state law, and after confirming with the court that the extreme risk protection order has terminated or has expired without renewal.

(2) A law enforcement agency must, if requested, provide prior notice of the return of a firearm to a respondent to family or household members and to an intimate partner of the respondent in the manner provided in RCW 9.41.340 and 9.41.345.

(3) Any firearm surrendered by a respondent pursuant to section 45 of this act that remains unclaimed by the lawful owner shall be disposed of in accordance with the policies and procedures for the disposal of firearms in police custody.

NEW SECTION. Sec. 47. Reporting of Orders—Extreme Risk Protection Orders. (1) The clerk of the court shall enter any extreme risk protection order, including temporary extreme risk protection orders, issued under this chapter into a statewide judicial information system on the same day such order is issued, if possible, but no later than the next judicial day.

(2) A copy of an extreme risk protection order granted under this chapter, including temporary extreme risk protection orders, must be forwarded immediately by the clerk of the court, by electronic means if possible, to the law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall immediately enter the order into the national instant criminal background check system, any other federal or state computer-based systems used by law enforcement or others to identify prohibited purchasers of firearms, and any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order must remain in each system for the period stated in the order, and the law enforcement agency shall only expunge orders from the systems that have expired or terminated. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(3) The information entered into the computer-based criminal intelligence information system must include notice to law enforcement whether the order was personally served, served by electronic means, served by publication, or served by mail.

(4) If a law enforcement agency receives a protection order for entry or service, but the order falls outside the agency’s jurisdiction, the agency may enter and serve the order or may immediately forward it to the appropriate law enforcement agency for entry and service, and shall provide documentation back to the court verifying which law enforcement agency has entered and will serve the order.

(5) The issuing court shall, within three judicial days after the issuance of any extreme risk protection order, forward a copy of the respondent’s driver’s license or identicard, or comparable information, along with the date of order issuance, to the department of licensing. Upon receipt of the information, the department of licensing shall determine if the respondent has a concealed pistol license. If the respondent does have a concealed pistol license, the department of licensing shall immediately notify a law enforcement agency that the court has directed the revocation of the license. The law enforcement agency, upon receipt of such notification, shall immediately revoke the license.

(6) If an extreme risk protection order is terminated before its expiration date, the clerk of the court shall forward on the same day a copy of the termination order to the department of licensing and the law enforcement agency specified in the termination order. Upon receipt of the order, the law enforcement agency shall promptly remove the order from any computer-based system in which it was entered pursuant to subsection (2) of this section.

NEW SECTION. Sec. 48. Sealing of Records—Extreme Risk Protection Orders. (1) A respondent under the age of 18, or a respondent whose extreme risk protection order was based solely on threats of self-harm by the respondent, may petition the court to have the court records sealed from public view at the time of the issuance of the full order, at any time during the life of the order, or at any time after its expiration.

(2) The court shall seal the court records from public view if there are no other active protection orders against the restrained party, there are no pending violations of the order, and there is evidence of full compliance with the surrender of firearms as ordered by the extreme risk protection order.

(3) Nothing in this section changes the requirement for the order to be entered into, and maintained in, computer-based systems as required in section 47 of this act.

NEW SECTION. Sec. 49. Certain Findings and Information in Orders. (1) Orders issued by the court following a hearing must identify the persons who participated in the hearing and whether each person appeared in person, by telephone, by video, or by other electronic means. If the respondent appeared at the hearing, the order must identify that the respondent has knowledge of the court’s order.

(2) Courts shall not accept agreed orders unless there are findings indicating whether the respondent is a credible threat to the physical safety of the protected person or child.

(3) The court shall ensure that in issuing protection orders, including, but not limited to, orders to reissue temporary protection orders and orders to renew protection orders, the court specifies whether the respondent is ordered to surrender, and prohibited from possessing, firearms and dangerous weapons.

(4) If the court issued a temporary protection order that included a temporary order to surrender and prohibit weapons, the temporary order to surrender and prohibit weapons must automatically reissue with the temporary protection order. If the court determines by a preponderance of the evidence that irreparable injury to the petitioner will not result through the modification or termination of the order to surrender and prohibit weapons as originally entered, then the court must make specific findings.

(5) If the court has information regarding any of the respondent’s known aliases, that information must be included in the protection order.

NEW SECTION. Sec. 50. Errors in Protection Orders. After a protection order is issued, the court may correct clerical or technical errors in the order at any time. The court may correct errors either on the court’s own initiative or upon notice to the court of an error. If the court corrects an error in an order, the court shall provide notice of the correction to the parties and the person who notified the court of the error, and shall...
provide a copy of the corrected order. The court shall direct the clerk to forward the corrected order on or before the next judicial day to the law enforcement agency specified in the order.

**NEW SECTION. Sec. 51. SEALING OF RECORDS.**

The judicial information system committee's data dissemination committee shall develop recommendations on best practices for courts to consider for whether and when the sealing of records in protection order cases is appropriate or necessary under this chapter. The committee shall also consider methods to ensure compliance with the provisions of the federal violence against women act under 18 U.S.C. Sec. 2265(d)(3) that prohibit internet publication of filing or registration information of protection orders when such publication is likely to reveal the identity or location of the person protected by the order.

**NEW SECTION. Sec. 52. ISSUANCE OF ORDERS NOT DISMISSED OR SUSPENDED.**

The practice of dismissing or suspending a criminal prosecution in exchange for the issuance of a protection order undermines the purposes of this chapter. Nothing in this chapter shall be construed as encouraging that practice.

### PART VII

#### REISSUANCE AND RENEWAL

**NEW SECTION. Sec. 53. REISSUANCE OF TEMPORARY PROTECTION ORDERS.**

(1) A temporary protection order issued under this chapter may be reissued for the following reasons:

(a) Agreement of the parties;

(b) To provide additional time to effect service of the temporary protection order on the respondent; or

(c) If the court, in writing, finds good cause to reissue the order.

(2) Any temporary orders to surrender and prohibit weapons must also be automatically reissued with the temporary protection order.

(3) To ensure that a petitioner is not delayed in receiving a hearing on a petition for a protection order, there is a rebuttable presumption that a temporary protection order should not be reissued more than once or for more than 30 days at the request of the respondent, absent agreement of the parties, good cause, or the need to provide additional time to effect service.

(4) When considering any request to stay, continue, or delay a hearing under this chapter because of the pendency of a parallel criminal investigation or prosecution of the respondent, courts shall apply a rebuttable presumption against such delay and give due recognition to the purpose of this chapter to provide victims quick and effective relief. Courts must consider on the record the following factors:

(a) The extent to which a defendant's Fifth Amendment rights are or are not implicated, given the special nature of protection order proceedings which burden a defendant's Fifth Amendment privilege substantially less than do other civil proceedings;

(b) Similarities between the civil and criminal cases;

(c) Status of the criminal case;

(d) The interests of the petitioners in proceeding expeditiously with litigation and the potential prejudice and risk to petitioners of a delay;

(e) The burden that any particular aspect of the proceeding may impose on respondents;

(f) The convenience of the court in the management of its cases and the efficient use of judicial resources;

(g) The interests of persons not parties to the civil litigation; and

(h) The interest of the public in the pending civil and criminal litigation.

(5) Courts shall not require a petitioner to complete a new law enforcement information sheet when a temporary protection order is reissued or when a full order for a fixed time period is entered, unless the petitioner indicates that the information needs to be updated or amended. The clerk shall transmit the order to the law enforcement agency identified in the order for service, along with a copy of the confidential party information form received from the respondent, if available, or the petitioner's confidential party information form to assist law enforcement in serving the order.

**NEW SECTION. Sec. 54. RENEWAL OF PROTECTION ORDERS, OTHER THAN EXTREME RISK PROTECTION ORDERS.**

The following provisions apply to the renewal of all full protection orders issued under this chapter, with the exception of the renewal of extreme risk protection orders.

(1) If the court grants a protection order for a fixed time period, the petitioner may file a motion to renew the order at any time within the 90 days before the order expires. The motion for renewal may not state the reasons the petitioner seeks to renew the protection order. Upon receipt of a motion for renewal, the court shall order a hearing, which must be not later than 14 days from the date of the order. Service must be made on the respondent not less than five judicial days before the hearing, as provided in section 18 of this act.

(2) If the motion for renewal is uncontested and the petitioner seeks no modification of the order, the order may be renewed on the basis of the petitioner's motion and statement of the reason for the requested renewal.

(3) The petitioner bears no burden of proving that he or she has a current reasonable fear of harm by the respondent.

(4) The court shall grant the motion for renewal unless the respondent proves by a preponderance of the evidence that there has been a substantial change in circumstances and the following:

(a) For a domestic violence protection order, the respondent proves that the respondent will not resume acts of domestic violence against the petitioner or the petitioner's family or household members who are minors or vulnerable adults when the order expires;

(b) For a sexual assault protection order, that the respondent proves that the respondent will not engage in, or attempt to engage in, physical or nonphysical contact with the petitioner when the order expires;

(c) For a stalking protection order, that the respondent proves that the respondent will not resume acts of stalking against the petitioner or the petitioner's family or household members when the order expires;

(d) For a vulnerable adult protection order, that the respondent proves that the respondent will not resume acts of abandonment, abuse, financial exploitation, or neglect against the vulnerable adult when the order expires;

(e) For an harassment protection order, that the respondent proves that the respondent will not resume harassment of the petitioner when the order expires.

(5) In determining whether there has been a substantial change in circumstances, the court may consider the following unweighted factors, and no inference is to be drawn from the order in which the factors are listed:

(a) Whether the respondent has committed or threatened sexual assault; domestic violence; stalking; abandonment, abuse, financial exploitation, or neglect of a vulnerable adult; or other harmful acts against the petitioner or any other person since the protection order was entered;

(b) Whether the respondent has violated the terms of the protection order and the time that has passed since the entry of the order;

(c) Whether the respondent has exhibited suicidal ideation or attempts since the protection order was entered;

(d) Whether the respondent has been convicted of criminal activity since the protection order was entered;

(e) Whether the respondent has either: Acknowledged...

response for acts of sexual assault, domestic violence, or stalking, or acts of abandonment, abuse, financial exploitation, or neglect of a vulnerable adult, or behavior that resulted in the entry of the protection order; or successfully completed state-certified perpetrator treatment or counseling since the protection order was entered;

(f) Whether the respondent has a continuing involvement with drug or alcohol abuse, if such abuse was a factor in the protection order; and

(g) Other factors relating to a substantial change in circumstances.

(6) The court shall not deny a motion to renew a protection order for any of the following reasons:

(a) The respondent has not violated the protection order previously issued by the court;

(b) The petitioner or the respondent is a minor;

(c) The petitioner did not report the conduct giving rise to the protection order, or subsequent violations of the protection order, to law enforcement;

(d) A no-contact order or a restraining order that restrains the respondent's contact with the petitioner has been issued in a criminal proceeding or in a domestic relations proceeding;

(e) The relief sought by the petitioner may be available in a different action or proceeding;

(f) The passage of time since the last incident of conduct giving rise to the issuance of the protection order; or

(g) The respondent no longer lives near the petitioner.

(7) The terms of the original protection order must not be changed on a motion for renewal unless the petitioner has requested the change.

(8) The court may renew the protection order for another fixed time period of no less than one year, or may enter a permanent order as provided in this section.

(9) If the protection order includes the parties' children, a renewed protection order may be issued for more than one year, subject to subsequent orders entered in a proceeding under chapter 26.09, 26.26A, or 26.26B RCW.

(10) The court may award court costs, service fees, and reasonable attorneys' fees to the petitioner as provided in section 39 of this act.

(11) If the court declines to renew the protection order, the court shall state, in writing in the order, the particular reasons for the court's denial. If the court declines to renew a protection order that had restrained the respondent from having contact with children protected by the order, the court shall determine on the record whether the respondent and the children should undergo reunification therapy. Any reunification therapy provider should be made aware of the respondent's history of domestic violence and should have training and experience in the dynamics of intimate partner violence.

(12) In determining whether there has been a substantial change in circumstances for respondents under the age of 18, or in determining the appropriate duration for an order, the court shall consider the circumstances surrounding the respondent's youth at the time of the initial behavior alleged in the petition for a protection order. The court shall consider developmental factors, including the impact of time of a youth's development, and any information the minor respondent presents about his or her personal progress or change in circumstances.

NEW SECTION. Sec. 55. RENEWAL—EXTREME RISK PROTECTION ORDERS. The following provisions apply to the renewal of extreme risk protection orders.

(1) The court must notify the petitioner of the impending expiration of an extreme risk protection order. Notice must be received by the petitioner 105 calendar days before the date the order expires.

(2) An intimate partner or family or household member of a respondent, or a law enforcement agency, may by motion request a renewal of an extreme risk protection order at any time within 90 days before the expiration of the order.

(a) Upon receipt of the motion to renew, the court shall order that a hearing be held not later than 14 days from the date the order issues.

(b) In determining whether to renew an extreme risk protection order issued under this section, the court shall consider all relevant evidence presented by the petitioner and follow the same procedure as provided in section 27 of this act.

(c) If the court finds by a preponderance of the evidence that the requirements for the issuance of an extreme risk protection order as provided in section 27 of this act continue to be met, the court shall renew the order. However, if, after notice, the motion for renewal is uncontested and the petitioner seeks no modification of the order, the order may be renewed on the basis of the petitioner's motion and statement of the reason for the requested renewal.

(d) The renewal of an extreme risk protection order has a duration of one year, subject to termination as provided in section 62 of this act or further renewal by order of the court.

PART VIII

VIOLATIONS AND ENFORCEMENT

NEW SECTION. Sec. 56. VIOLATION OF ORDER AND PENALTIES. OTHER THAN ANTIHARASSMENT PROTECTION ORDERS OR EXTREME RISK PROTECTION ORDERS. (1)(a) Whenever a domestic violence protection order, a sexual assault protection order, a stalking protection order, or a vulnerable adult protection order is granted under this chapter, or an order is granted under chapter 9A.40, 9A.44, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.26A, or 26.26B RCW, or there is a valid foreign protection order as defined in RCW 26.52.020, or there is a Canadian domestic violence protection order as defined in RCW 26.55.010, and the respondent or person to be restrained knows of the order, a violation of any of the following provisions of the order is a gross misdemeanor, except as provided in subsections (4) and (5) of this section:

(i) The restraint provisions prohibiting acts or threats of violence against, or stalking of, a protected party, or the restraint provisions prohibiting contact with a protected party;

(ii) A provision excluding the person from a residence, workplace, school, or day care;

(iii) A provision prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party's person, or a protected party's vehicle;

(iv) A provision prohibiting interfering with the protected party's efforts to remove a pet owned, possessed, leased, kept, or held by the petitioner, the respondent, or a minor child residing with either the petitioner or the respondent; or

(v) A provision of a foreign protection order or a Canadian domestic violence protection order specifically indicating that a violation will be a crime.

(b) Upon conviction, and in addition to any other penalties provided by law, the court:

(i) May require that the respondent submit to electronic monitoring. The court shall specify who must provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring; and

(ii) Shall impose a fine of $15, in addition to any penalty or fine
imposed, for a violation of a domestic violence protection order issued under this chapter. Revenue from the $15 fine must be remitted monthly to the state treasury for deposit in the domestic violence prevention account.

(2) A law enforcement officer shall arrest without a warrant and take into custody a person whom the law enforcement officer has probable cause to believe has violated a domestic violence protection order, a sexual assault protection order, a stalking protection order, or a vulnerable adult protection order, or an order issued under chapter 9A.40, 9A.44, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.26A, or 26.26B RCW, or a valid foreign protection order as defined in RCW 26.52.020, or a Canadian domestic violence protection order as defined in RCW 26.55.010, that restrains the person or excludes the person from a residence, workplace, school, or day care, or prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party’s person, or a protected party’s vehicle, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of a domestic violence protection order, a sexual assault protection order, a stalking protection order, or a vulnerable adult protection order, or an order issued under chapter 9A.40, 9A.44, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.26A, or 26.26B RCW, or a valid foreign protection order as defined in RCW 26.52.020, or a Canadian domestic violence protection order as defined in RCW 26.55.010, shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of a domestic violence protection order, a sexual assault protection order, a stalking protection order, or a vulnerable adult protection order, or an order issued under chapter 9A.40, 9A.44, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.26A, or 26.26B RCW, or a valid foreign protection order as defined in RCW 26.52.020, or a Canadian domestic violence protection order as defined in RCW 26.55.010, and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of such an order that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of a domestic violence protection order, a sexual assault protection order, a stalking protection order, or a vulnerable adult protection order, or a court order issued under chapter 9A.40, 9A.44, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.26A, or 26.26B RCW, or a valid foreign protection order as defined in RCW 26.52.020, or a Canadian domestic violence protection order as defined in RCW 26.55.010, or a class C felony if the offender has at least two previous convictions for violating the provisions of a domestic violence protection order, a sexual assault protection order, a stalking protection order, or a vulnerable adult protection order, or an order issued under chapter 9A.40, 9A.44, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.26A, or 26.26B RCW, or a valid foreign protection order as defined in RCW 26.52.020, or a Canadian domestic violence protection order as defined in RCW 26.55.010. The previous convictions may involve the same victim or other victims specifically protected by the orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any law enforcement officer alleging that the respondent has violated a domestic violence protection order, a sexual assault protection order, a stalking protection order, or a vulnerable adult protection order, or an order granted under chapter 9A.40, 9A.44, 9A.46, 9A.88, 9.94A, 10.99, 26.09, 26.26A, or 26.26B RCW, or a valid foreign protection order as defined in RCW 26.52.020, or a Canadian domestic violence protection order as defined in RCW 26.55.010, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days as to why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.

NEW SECTION. Sec. 57. ENFORCEMENT AND PENALTIES—ANTIHARASSMENT PROTECTION ORDERS. (1) When the court issues an antiharassment protection order under this chapter, the court shall advise the petitioner that the respondent may not be subjected to the penalties set forth in this section for a violation of the order unless the respondent knows of the order.

(2) A willful disobedience by a respondent age 18 years or over of any of the following provisions of an antiharassment protection order issued under this chapter is a gross misdemeanor:

(a) The restraint provisions prohibiting acts or threats of violence against, or unlawful harassment or stalking of, a protected party or restraint provisions prohibiting contact with a protected party;

(b) A provision excluding the person from a residence, workplace, school, or day care;

(c) A provision prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party’s person, or a protected party’s vehicle; or

(d) A provision prohibiting interfering with the protected party’s efforts to remove a pet owned, possessed, leased, kept, or held by the petitioner, respondent, or a minor child residing with either the petitioner or the respondent.

(3) Any respondent age 18 years or over who willfully disobeys the terms of any antiharassment protection order issued under this chapter may also, in the court’s discretion, be found in contempt of court and subject to penalties under chapter 7.21 RCW.

NEW SECTION. Sec. 58. PENALTIES—EXTREME RISK PROTECTION ORDERS. (1) Any person who files a petition for an extreme risk protection order knowing the information in such petition to be materially false, or with the intent to harass the respondent, is guilty of a gross misdemeanor.

(2) Any person who has in his or her custody or control, accesses, purchases, possesses, or receives, or attempts to purchase or receive, a firearm with knowledge that he or she is prohibited from doing so by an extreme risk protection order is guilty of a gross misdemeanor, and further is prohibited from having in his or her custody or control, accessing, purchasing,
possessing, or receiving, or attempting to purchase or receive, a firearm for a period of five years from the date the existing order expires. However, such person is guilty of a class C felony if the person has two or more previous convictions for violating an order issued under this chapter.

**NEW SECTION. Sec. 59. ENFORCEMENT—KNOWLEDGE OF ORDER.** (1) When the court issues a protection order under this chapter, the court shall advise the petitioner that the respondent may not be subjected to the penalties set forth in this chapter for a violation of the order unless the respondent knows of the order.

(2) When a law enforcement officer investigates a report of an alleged violation of a protection order issued under this chapter, the officer shall attempt to determine whether the respondent knew of the existence of the protection order. If the law enforcement officer determines that the respondent did not, or probably did not, know about the protection order and the officer is provided a current copy of the order, the officer shall serve the order on the respondent if the respondent is present. If the respondent is not present, the officer shall make reasonable efforts to serve a copy of the order on the respondent. If the officer serves the respondent with the petitioner's copy of the order, the officer shall give the petitioner a receipt indicating that the petitioner's copy has been served on the respondent. After the officer has served the order on the respondent, the officer shall enforce prospective compliance with the order.

(3) Presentation of an unexpired, certified copy of a protection order with proof of service is sufficient for a law enforcement officer to enforce the order regardless of the presence of the order in the law enforcement computer-based criminal intelligence information system.

**NEW SECTION. Sec. 60. ENFORCEMENT—PROSECUTOR ASSISTANCE.** When a party alleging a violation of a protection order issued under this chapter states that the party is unable to afford private counsel and asks the prosecuting attorney for the county or the attorney for the municipality in which the order was issued for assistance, the attorney shall initiate and prosecute a contempt proceeding if there is probable cause to believe that the violation occurred. In this action, the court may require the violator of the order to pay the costs incurred in bringing the action, including a reasonable attorney's fee.

**PART IX MODIFICATION AND TERMINATION**

**NEW SECTION. Sec. 61. MODIFICATION OR TERMINATION OF PROTECTION ORDERS, OTHER THAN EXTREME RISK PROTECTION ORDERS AND VULNERABLE ADULT PROTECTION ORDERS.** This section applies to modification or termination of domestic violence protection orders, sexual assault protection orders, stalking protection orders, and antiharassment protection orders.

(1) Upon a motion with notice to all parties and after a hearing, the court may modify the terms of an existing protection order or terminate an existing order.

(2) A respondent’s motion to modify or terminate an existing protection order must include a declaration setting forth facts supporting the requested order for modification or termination. The nonmoving parties to the proceeding may file opposing declarations. All motions to modify or terminate shall be based on the written materials and evidence submitted to the court. The court shall set a hearing only if the court finds that adequate cause is established. If the court finds that the respondent established adequate cause, the court shall set a date for hearing the respondent’s motion, which must be at least 14 days from the date the court finds adequate cause.

(3) Upon the motion of a respondent, the court may not modify or terminate an existing protection order unless the respondent proves by a preponderance of the evidence that there has been a substantial change in circumstances such that the respondent will not resume, engage in, or attempt to engage in, the following acts against the petitioner or those persons protected by the protection order if the order is terminated or modified:

(a) Acts of domestic violence, in cases involving domestic violence protection orders;

(b) Physical or nonphysical contact, in cases involving sexual assault protection orders;

(c) Acts of stalking, in cases involving stalking protection orders; or

(d) Acts of unlawful harassment, in cases involving antiharassment protection orders.

The petitioner bears no burden of proving that he or she has a current reasonable fear of harm by the respondent.

(4) In determining whether there has been a substantial change in circumstances, the court may consider the following unweighted factors, and no inference is to be drawn from the order in which the factors are listed:

(a) Whether the respondent has committed or threatened sexual assault, domestic violence, stalking, or other harmful acts against the petitioner or any other person since the protection order was entered;

(b) Whether the respondent has violated the terms of the protection order and the time that has passed since the entry of the order;

(c) Whether the respondent has exhibited suicidal ideation or attempts since the protection order was entered;

(d) Whether the respondent has been convicted of criminal activity since the protection order was entered;

(e) Whether the respondent has either acknowledged responsibility for acts of sexual assault, domestic violence, stalking, or behavior that resulted in the entry of the protection order, or successfully completed state-certified perpetrator treatment or counseling since the protection order was entered;

(f) Whether the respondent has a continuing involvement with drug or alcohol abuse, if such abuse was a factor in the protection order;

(g) Whether the petitioner consents to terminating the protection order, provided that consent is given voluntarily and knowingly; or

(h) Other factors relating to a substantial change in circumstances.

(5) In determining whether there has been a substantial change in circumstances, the court may not base its determination on the fact that time has passed without a violation of the order.

(6) Regardless of whether there is a substantial change in circumstances, the court may decline to terminate a protection order if it finds that the acts of domestic violence, sexual assault, stalking, unlawful harassment, and other harmful acts that resulted in the issuance of the protection order were of such severity that the order should not be terminated.

(7) A respondent may file a motion to modify or terminate an order no more than once in every 12-month period that the order is in effect, starting from the date of the order and continuing through any renewal period.

(8) If a person who is protected by a protection order has a child or adopts a child after a protection order has been issued, but before the protection order has expired, the petitioner may seek to include the new child in the order of protection on an ex parte basis.

(9) A court may require the respondent to pay the petitioner for costs incurred in responding to a motion to modify or terminate a
protection order, including reasonable attorneys' fees.

NEW SECTION.  Sec. 62. TERMINATION OF EXTREME RISK PROTECTION ORDERS.  This section applies to the termination of extreme risk protection orders.

(1) The respondent may submit one written request for a hearing to terminate an extreme risk protection order issued under this chapter every 12-month period that the order is in effect, starting from the date of the order and continuing through any renewals.

(2) Upon receipt of the request for a hearing to terminate an extreme risk protection order, the court shall set a date for a hearing. The hearing must occur no sooner than 14 days and no later than 30 days from the date of service of the request upon the petitioner.

(3) The respondent shall have the burden of proving by a preponderance of the evidence that the respondent does not pose a significant danger of causing personal injury to self or others by having in his or her custody or control, accessing, possessing, purchasing, receiving, or attempting to purchase or receive, a firearm or other dangerous weapons. The court may consider any relevant evidence, including evidence of the considerations listed in section 27 of this act.

(4) If the court finds after the hearing that the respondent has met his or her burden, the court shall terminate the order.

NEW SECTION.  Sec. 63. MODIFICATION OR TERMINATION OF VULNERABLE ADULT PROTECTION ORDERS.  This section applies to the modification or termination of vulnerable adult protection orders.

(1) Any vulnerable adult who is subject to a limited guardianship, limited conservatorship, or other protective arrangement under chapter 11.130 RCW, or the vulnerable adult's guardian, conservator, or person acting on behalf of the vulnerable adult under a protective arrangement, may, at any time subsequent to the entry of a permanent protection order under this chapter, file a motion to modify or terminate the protection order.

(2) In a hearing on a motion to modify or terminate the protection order, the court shall grant such relief consistent with section 39 of this act as it deems necessary for the protection of the vulnerable adult, including modification or termination of the protection order.

NEW SECTION.  Sec. 64. REPORTING OF MODIFICATION OR TERMINATION OF ORDER.  In any situation where a protection order issued under this chapter is modified or terminated before its expiration date, the clerk of the court shall forward on the same day a true copy of the modified or the termination order to the law enforcement agency specified in the modified or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter it in the computer-based criminal intelligence information system, or if the order is terminated, remove the order from the computer-based criminal intelligence information system.

PART X

MISCELLANEOUS

NEW SECTION.  Sec. 65. ORDERS UNDER THIS AND OTHER CHAPTERS, ENFORCEMENT, AND CONSOLIDATION—VALIDITY AND ENFORCEMENT OF ORDERS UNDER PRIOR CHAPTERS.  (1)(a) Any order available under this chapter, other than an extreme risk protection order, may be issued in actions under chapter 13.32A, 26.09, 26.26A, or 26.26B RCW. If a protection order is issued in an action under chapter 13.32A, 26.09, 26.26A, or 26.26B RCW, the order must be issued on the forms mandated by section 16 of this act. An order issued in accordance with this subsection (1)(a) is fully enforceable and must be enforced under the provisions of this chapter.

(b) If a party files an action under chapter 13.32A, 26.09, 26.26A, or 26.26B RCW, an order issued previously under this chapter between the same parties may be consolidated by the court under that action and cause number. Any order issued under this chapter after consolidation must contain the original cause number and the cause number of the action under chapter 13.32A, 26.09, 26.26A, or 26.26B RCW.

(2) Nothing in this act affects the validity of protection orders issued prior to the effective date of this section under chapter 74.34 RCW or any of the former chapters 7.90, 7.92, 7.94, 10.14, and 26.50 RCW. Protection orders entered prior to the effective date of this section under chapter 74.34 RCW or any of the former chapters 7.90, 7.92, 7.94, 10.14, and 26.50 RCW are subject to the provisions of this act and are fully enforceable under the applicable provisions of sections 56 through 60 of this act and may be modified or terminated in accordance with the applicable provisions of sections 61 through 65 of this act.

NEW SECTION.  Sec. 66. JUDICIAL INFORMATION SYSTEM AND DATABASE.  To prevent the issuance of competing protection orders in different courts and to give courts needed information for the issuance of orders, the judicial information system must be available in each district, municipal, and superior court, and must include a database containing the following information:

(1) The names of the parties and the cause number for every order of protection issued under this chapter, every criminal no-contact order issued under chapters 9A.46 and 10.99 RCW, every dissolution action under chapter 26.09 RCW, every parentage action under chapter 26.26A or 26.26B RCW, every restraining order issued on behalf of an abused child or adult dependent person under chapter 26.44 RCW, every foreign protection order filed under chapter 26.52 RCW, and every Canadian domestic violence protection order filed under chapter 26.55 RCW. When a guardian or the department of social and health services or department of children, youth, and families has petitioned for relief on behalf of an abused child, adult dependent person, or vulnerable adult, the name of the person on whose behalf relief was sought must be included in the database as a party rather than the guardian or appropriate department;

(2) A criminal history of the parties; and

(3) Other relevant information necessary to assist courts in issuing orders under this chapter as determined by the judicial information system committee.

NEW SECTION.  Sec. 67. TITLE TO REAL ESTATE—EFFECT.  Nothing in this chapter may affect the title to real estate: PROVIDED, That a judgment for costs or fees awarded under this chapter constitutes a lien on real estate to the extent provided in chapter 4.56 RCW.

NEW SECTION.  Sec. 68. PROCEEDINGS ADDITIONAL—FILING OF CRIMINAL CHARGES NOT REQUIRED.  (1) Any proceeding under this chapter is in addition to other civil or criminal remedies.

(2) Nothing in this chapter shall be construed as requiring criminal charges to be filed as a condition of a protection order being issued.

NEW SECTION.  Sec. 69. OTHER AUTHORITY RETAINED.  This chapter does not affect the ability of a law enforcement officer to remove a firearm or concealed pistol license from any person or to conduct any search and seizure for firearms pursuant to other lawful authority.

NEW SECTION.  Sec. 70. LIABILITY.  (1) Except as provided in section 58 of this act, this chapter does not impose criminal or civil liability on any person or entity for acts or omissions related to obtaining an extreme risk protection order or a temporary extreme risk protection order including, but not limited to, reporting, declining to report, investigating, declining to investigate, filing, or declining to file a petition under this
chapter.

(2) No law enforcement officer may be held criminally or civilly liable for making an arrest under section 56 of this act if the officer acts in good faith.

NEW SECTION. Sec. 71. PROTECTION ORDER COMMISSIONERS—APPOINTMENT AUTHORIZED. In each county, the superior court may appoint one or more attorneys to act as protection order commissioners pursuant to this chapter to exercise all powers and perform all duties of a court commissioner appointed pursuant to RCW 2.24.010, provided that such positions may not be created without prior consent of the county legislative authority. A person appointed as a protection order commissioner under this chapter may also be appointed to any other commissioner position authorized by law. Protection order commissioners should receive training as specified in section 35 of this act.

PART XI
EXTREME RISK PROTECTION ORDERS AND ORDERS TO SURRENDER AND PROHIBIT WEAPONS

Sec. 72. RCW 9.41.040 and 2020 c 29 s 4 are each amended to read as follows:

(1)(a) A person, whether an adult or juvenile, is guilty of the crime of unlawful possession of a firearm in the first degree, if the person owns, has in his or her possession, or has in his or her control any firearm after having previously been convicted or found not guilty by reason of insanity in this state or elsewhere of any serious offense as defined in this chapter.

(b) Unlawful possession of a firearm in the first degree is a class B felony punishable according to chapter 9A.20 RCW.

(2)(a) A person, whether an adult or juvenile, is guilty of the crime of unlawful possession of a firearm in the second degree, if the person does not qualify under subsection (1) of this section for the crime of unlawful possession of a firearm in the first degree and the person owns, has in his or her possession, or has in his or her control any firearm:

(i) After having previously been convicted or found not guilty by reason of insanity in the state or elsewhere of any felony not specifically listed as prohibiting firearm possession under subsection (1) of this section, or any of the following crimes when committed by one family or household member against another or by one intimate partner against another, committed on or after July 1, 1993: Assault in the fourth degree, coercion, stalking, reckless endangerment, criminal trespass in the first degree, or violation of the provisions of a domestic violence protection order or no-contact order restraining the person or excluding the person from a residence (chapter 7.78 RCW (the new chapter created in section 78 of this act), RCW 10.99.040, or any of the former RCW 26.50.060, 26.50.070, and 26.50.130((or 10.99.040)));

If the court enters an agreed order by the parties without a hearing, such an order meets the requirements of this subsection;

(B) Restraints the person from harassing, stalking, or threatening the person protected under the order or child of the person or protected person, or engaging in other conduct that would place the protected person in reasonable fear of bodily injury to the protected person or child; and

(C)(I) Includes a finding that the person represents a credible threat to the physical safety of the protected person or child and by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against the protected person or child that would reasonably be expected to cause bodily injury; or

(II) Includes an order under RCW 9.41.800 requiring the person to surrender all firearms and prohibiting the person from accessing, ((obtaining or)) having in his or her custody or control, possessing, purchasing, receiving, or attempting to purchase or receive firearms;

(iv) After having previously been involuntarily committed ((for mental health treatment)) based on a mental disorder under RCW 71.05.240, 71.05.320, 71.34.740, 71.34.750, chapter 10.77 RCW, or equivalent statutes of another jurisdiction, unless his or her right to possess a firearm has been restored as provided in RCW 9.41.047;

(v) After dismissal of criminal charges based on incompetency to stand trial under RCW 10.77.088 when the court has made a finding indicating that the defendant has a history of one or more violent acts, unless his or her right to possess a firearm has been restored as provided in RCW 9.41.047;

(vi) If the person is under ((eighteen)) 18 years of age, except as provided in RCW 9.41.042; and/or

(b) ((III)(iii) of this subsection does not apply to a sexual assault protection order under chapter 7.00 RCW if the order has been modified pursuant to RCW 7.00.170 to remove any restrictions on firearm purchase, transfer, or possession.

(e)(i) Unlawful possession of a firearm in the second degree is a class C felony punishable according to chapter 9A.20 RCW.

(3) Notwithstanding RCW 9.41.047 or any other provisions of law, as used in this chapter, a person has been "convicted," whether in an adult court or adjudicated in a juvenile court, at such time as a plea of guilty has been accepted or a verdict of guilty has been filed, notwithstanding the pendency of any future proceedings including, but not limited to, sentencing or disposition, post-trial or post-fact-finding motions, and appeals. Conviction includes a dismissal entered after a period of probation, suspension, or deferral of sentence, and also includes equivalent dispositions by courts in jurisdictions other than Washington state. A person shall not be precluded from possession of a firearm if the conviction has been the subject of a pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted or the conviction or disposition has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence. Where no record of the court’s disposition of the charges can be found, there shall be a rebuttable presumption that the person was not convicted of the charge.

(4)(a) Notwithstanding subsection (1) or (2) of this section, a person convicted or found not guilty by reason of insanity of an offense prohibiting the possession of a firearm under this section other than murder, manslaughter, robbery, rape, indecent liberties, arson, assault, kidnapping, extortion, burglary, or violations with respect to controlled substances under RCW 69.50.401 and 69.50.410, who received a probationary sentence under RCW 9.95.200, and who received a dismissal of the charge under RCW 9.95.240, shall not be precluded from possession of a firearm as a result of the conviction or finding of not guilty by
reason of insanity. Notwithstanding any other provisions of this section, if a person is prohibited from possession of a firearm under subsection (1) or (2) of this section and has not previously been convicted or found not guilty by reason of insanity of a sex offense prohibiting firearm ownership under subsection (1) or (2) of this section and/or any felony defined under any law as a class A felony or with a maximum sentence of at least ((twenty)) 20 years, or both, the individual may petition a court of record to have his or her right to possess a firearm restored:

(i) Under RCW 9.41.047; and/or
(ii) A) If the conviction or finding of not guilty by reason of insanity was for a felony offense, after five or more consecutive years in the community without being convicted or found not guilty by reason of insanity or currently charged with any felony, gross misdemeanor, or misdemeanor crimes, if the individual has no prior felony convictions that prohibit the possession of a firearm counted as part of the offender score under RCW 9.94A.525; or
(B) If the conviction or finding of not guilty by reason of insanity was for a nonfelony offense, after three or more consecutive years in the community without being convicted or found not guilty by reason of insanity or currently charged with any felony, gross misdemeanor, or misdemeanor crimes, if the individual has no prior felony convictions that prohibit the possession of a firearm counted as part of the offender score under RCW 9.94A.525 and the individual has completed all conditions of the sentence.

(b) An individual may petition a court of record to have his or her right to possess a firearm restored under (a) of this subsection only at:
(i) The court of record that ordered the petition's prohibition on possession of a firearm; or
(ii) The superior court in the county in which the petitioner resides.

(5) In addition to any other penalty provided for by law, if a person under the age of ((eighteen)) 18 years is found by a court to have possessed a firearm in a vehicle in violation of subsection (1) or (2) of this section or to have committed an offense while armed with a firearm during which offense a motor vehicle served an integral function, the court shall notify the department of licensing within ((twenty-four)) 24 hours and the person's privilege to drive shall be revoked under RCW 46.20.265, unless the offense is the juvenile's first offense in violation of this section and has not committed an offense while armed with a firearm, an unlawful possession of a firearm offense, or an offense in violation of chapter 66.44, 69.52, 69.41, or 69.50 RCW.

(6) Nothing in chapter 129. Laws of 1995 shall ever be construed or interpreted as preventing an offender from being charged and subsequently convicted for the separate felony crimes of theft of a firearm or possession of a stolen firearm, or both, in addition to being charged and subsequently convicted under this section for unlawful possession of a firearm in the first or second degree. Notwithstanding any other law, if the offender is convicted under this section for unlawful possession of a firearm in the first or second degree and for the felony crimes of theft of a firearm or possession of a stolen firearm, or both, then the offender shall serve consecutive sentences for each of the felony crimes of conviction listed in this subsection.

(7) Each firearm unlawfully possessed under this section shall be a separate offense.

Sec. 73. RCW 9.41.075 and 2005 c 453 s 4 are each amended to read as follows:

(a) Discovery by the ((issuing authority)) law enforcement agency that the ((person)) licensee was ineligible under RCW 9.41.070 for a concealed pistol license when applying for the license or license renewal;
(b) Conviction of the licensee, or the licensee being found not guilty by reason of insanity, of an offense, or commitment of the licensee for mental health treatment, that makes a person ineligible under RCW 9.41.040 to possess a firearm;
(c) Conviction of the licensee for a third violation of this chapter within five calendar years; ((or))
(d) An order that the licensee forfeit a firearm under RCW 9.41.098(1)(d); or
(e) The law enforcement agency's receipt of an order to surrender and prohibit weapons or an extreme risk protection order, other than an ex parte temporary protection order, issued against the licensee.

(2) (a) Unless the person may lawfully possess a pistol without a concealed pistol license, an ineligible person to whom a concealed pistol license was issued shall, within ((thirteen)) 14 days of license revocation, lawfully transfer ownership of any pistol acquired while the person was in possession of the license.
(b) Upon discovering a person issued a concealed pistol license was ineligible for the license, the ((issuing authority)) law enforcement agency shall contact the department of licensing to determine whether the person purchased a pistol while in possession of the license. If the person did purchase a pistol while in possession of the concealed pistol license, if the person may not lawfully possess a pistol without a concealed pistol license, the ((issuing authority)) law enforcement agency shall require the person to present satisfactory evidence of having lawfully transferred ownership of the pistol. The ((issuing authority)) law enforcement agency shall require the person to produce the evidence within ((fifteen)) 15 days of the revocation of the license.

(3) When a licensee is ordered to forfeit a firearm under RCW 9.41.098(1)(d), the ((issuing authority)) law enforcement agency shall:
(a) On the first forfeiture, revoke the license for one year;
(b) On the second forfeiture, revoke the license for two years; or
(c) On the third or subsequent forfeiture, revoke the license for five years.

Any person whose license is revoked as a result of a forfeiture of a firearm under RCW 9.41.098(1)(d) may not reapply for a new license until the end of the revocation period.

(4) The ((issuing authority)) law enforcement agency shall notify, in writing, the department of licensing of the revocation of a license. The department of licensing shall record the revocation.

Sec. 74. RCW 9.41.800 and 2019 c 245 s 1 and 2019 c 46 s 5006 are each reenacted and amended to read as follows:

(a) On any court when entering an order authorized under chapter ((7.02 RCW, RCW 26.09.040)) 7.02 RCW, RCW 26.09.040; or (the new chapter created in section 78 of this act) RCW 9A.46.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, (26.10.040, 26.10.115), 26.26B.020, (26.50.060, 26.50.070, 26.26A.470) shall, upon a showing by ((clear and convincing)) a preponderance of the evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or is ineligible to possess a firearm under the provisions of RCW 9.41.040:

(a) Require that the party immediately surrender all firearms and other dangerous weapons;
(b) Require that the party immediately surrender any concealed pistol license issued under RCW 9.41.070;
(c) Prohibit the party from accessing, ((obtaining or)) having in his or her custody or control, possessing, purchasing, receiving, or attempting to purchase or receive, any firearms or other dangerous weapons;
(d) Prohibit the party from obtaining or possessing a concealed pistol license;
(e) Other than for ex parte temporary protection orders, unless the ex parte temporary protection order was reissued after the party received notice and had an opportunity to be heard, direct law enforcement to revoke any concealed pistol license issued to the party.

(2) [(Any court when entering an order authorized under chapter 7.92 RCW, RCW 7.08.090, 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26B.020, 26.50.050, 26.50.070, or 26.50A.170 may, upon a showing by a preponderance of the evidence but not by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or is ineligible to possess a firearm under the provisions of RCW 9.41.040:]

(a) Require that the party immediately surrender all firearms and other dangerous weapons;
(b) Require that the party immediately surrender a concealed pistol license issued under RCW 9.41.070;
(c) Prohibit the party from accessing, obtaining, or possessing any firearms or other dangerous weapons;
(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(4)(i) During any period of time that the party is subject to a court order issued under chapter 7.92 RCW (the new chapter created in section 78 of this act), 9A.46, (10.14A), 10.99, 26.09, (26.10A), 26.26A, or 26.26BRCW that:

(a) Was issued after a hearing of which the party received actual notice, and at which the party had an opportunity to participate whether the court then issues a full order or reissues a temporary order. If the court enters an agreed order by the parties without a hearing, such an order meets the requirements of this subsection;
(b) Restrains the party from harassing, stalking, or threatening an intimate partner of the party, the protected person, or child of the intimate partner, party, or protected person, or engaging in other conduct that would place an intimate partner or protected person in reasonable fear of bodily injury to the intimate partner, protected person, or child; and
(c)(i) Includes a finding that the party represents a credible threat to the physical safety of the intimate partner, protected person, or child; and
(ii) By its terms, explicitly prohibits the use, attempted use, or threatened use of physical force against the intimate partner, protected person, or child that would reasonably be expected to cause bodily injury, the court shall:
(A) Require that the party immediately surrender all firearms and other dangerous weapons;
(B) Require that the party immediately surrender a concealed pistol license issued under RCW 9.41.070;
(C) Prohibit the party from accessing, (obtaining, or) having in his or her custody or control, possessing, purchasing, receiving, or attempting to purchase or receive, any firearms or other dangerous weapons; and
(D) Prohibit the party from obtaining or possessing a concealed pistol license.

((4)(i)) (3) In addition to the provisions of subsections (1)(c)(ii), and (4)(i)(c)(i) of this section, the court may enter an order requiring a party to comply with the provisions in subsection (1) of this section if it finds that the possession of a firearm or other dangerous weapon by any party presents a serious and imminent threat to public health or safety, or to the health or safety of any individual.

((6)) (5) The requirements of subsections (1)(c)(ii) and (4)(i)(c)(i) of this section may be for a period of time less than the duration of the order.

((7)) (6) The court may require the party to surrender all firearms and other dangerous weapons in his or her immediate possession or control or subject to his or her immediate possession or control, and any concealed pistol license issued under RCW 9.41.070, to the local law enforcement agency. Law enforcement officers shall use law enforcement databases to assist in locating the party in situations where the protected person does not know where the party lives or where there is evidence that the party is trying to evade service.

((18)) (7) If the court enters a protection order, restraining order, or no-contact order that includes an order to surrender firearms, dangerous weapons, and any concealed pistol license under this section((965)),

(a) The order must be served by a law enforcement officer; and
(b) Law enforcement must immediately ensure entry of the order to surrender and prohibit weapons and the revocation of any concealed pistol license is made into the appropriate databases, making the party ineligible to possess firearms and a concealed pistol license.

Sec. 75. RCW 9.41.801 and 2020 c 126 s 1 are each amended to read as follows:

1) Because of the heightened risk of lethality to petitioners when respondents to protection orders become aware of court involvement and continue to have access to firearms, and the frequency of noncompliance with court orders prohibiting possession of firearms, law enforcement and judicial processes must emphasize swift and certain compliance with court orders prohibiting access, possession, and ownership of all firearms.

2) A law enforcement officer serving a protection order, no-contact order, or restraining order that includes an order to surrender all firearms, dangerous weapons, and a concealed pistol license under RCW 9.41.800 shall inform the respondent that the order is effective upon service and the respondent must immediately surrender all firearms and dangerous weapons in his or her custody, control, or possession and any concealed pistol license issued under RCW 9.41.070, and conduct any search permitted by law for such firearms, dangerous weapons, and concealed pistol license. The law enforcement officer shall take possession of all firearms, dangerous weapons, and any concealed pistol license belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search. The order must be personally served upon the respondent or defendant if the order is entered in open court in the presence of the respondent or defendant. The respondent or defendant shall acknowledge receipt and service. If the respondent or defendant refuses service, an agent of the court may indicate on the record that the respondent or defendant refused service. The court shall enter the service and receipt into the record. A copy of the order and service shall be transmitted immediately to law enforcement. The respondent must immediately surrender all firearms, dangerous weapons, and any concealed pistol license in a safe manner to the control of the local law enforcement agency on the day of the hearing at which the respondent was present.

3) At the time of surrender, a law enforcement officer taking
possibility of firearms, dangerous weapons, and any concealed pistol license shall issue a receipt identifying all firearms, dangerous weapons, and any concealed pistol license that have been surrendered and provide a copy of the receipt to the respondent. The law enforcement agency shall file the original receipt with the court within (twenty-four) 24 hours after service of the order and retain a copy of the receipt, electronically whenever electronic filing is available.

(4) Upon the sworn statement or testimony of the petitioner or of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms or dangerous weapons as required by an order issued under RCW 9.41.800, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms and dangerous weapons in their possession, custody, or control. If probable cause exists that a crime occurred, the court shall issue a warrant describing the firearms or dangerous weapons and authorizing a search of the locations where the firearms and dangerous weapons are reasonably believed to be and the seizure of all firearms and dangerous weapons discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms or dangerous weapons surrendered pursuant to this section, and the person is determined by the law enforcement agency to be the lawful owner of the firearm or dangerous weapon, the firearm or dangerous weapon shall be returned to the lawful owner, provided that:

(a) The firearm or dangerous weapon is removed from the respondent's access, custody, control, or possession and the lawful owner agrees by written document signed under penalty of perjury to store the firearm or dangerous weapon in a manner such that the respondent does not have access to or control of the firearm or dangerous weapon;

(b) The firearm or dangerous weapon is not otherwise unlawfully possessed by the owner; and

(c) The requirements of RCW 9.41.345 are met.

(6) Courts shall develop procedures to verify timely and complete compliance with orders to surrender and prohibit weapons under RCW 9.41.800, including compliance review hearings to be held as soon as possible upon receipt from law enforcement of proof of service. A compliance review hearing is not required if the court can otherwise enter findings on the record or enter written findings that the proof of surrender or declaration of nonsurrender attested to by the person subject to the order, along with verification from law enforcement and any other relevant evidence, makes a sufficient showing that the person has timely and completely surrendered all firearms and dangerous weapons in (including) the person's custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070, to a law enforcement agency. If the court does not have a sufficient record before it on which to make such a finding, the court must set a review hearing to occur as soon as possible at which the respondent must be present and provide proof of compliance with the court's order. Courts shall make available forms that petitioners may complete and submit to the court in response to a respondent's declaration of whether the respondent has surrendered weapons.

(7)(a) If a court finds at the compliance review hearing, or any other hearing where compliance with the order to surrender and prohibit weapons is addressed, that there is probable cause to believe the respondent was aware of and failed to fully comply with the order, failed to appear at the compliance review hearing, or violated the order after the court entered findings of compliance, pursuant to its authority under chapter 7.21 RCW, the court may initiate a contempt proceeding to impose remedial sanctions on its own motion, or upon the motion of the prosecutor, city attorney, or the petitioner's counsel, and issue an order requiring the respondent to appear, provide proof of compliance with the order, and show cause why the respondent should not be held in contempt of court.

(b) If the respondent is not present in court at the compliance review hearing or if the court issues an order to appear and show cause after a compliance review hearing, the clerk of the court shall electronically transmit a copy of the order to show cause to the law enforcement agency where the respondent resides for personal service or service in the manner provided in the civil rules of superior court or applicable statute. Law enforcement shall also serve a copy of the order to show cause on the petitioner, either electronically or in person, at no cost.

(c) The order to show cause served upon the respondent shall state the date, time, and location of the hearing and shall include a warning that the respondent may be held in contempt of court if the respondent fails to promptly comply with the terms of the order to surrender and prohibit weapons and a warning that an arrest warrant could be issued if the respondent fails to appear on the date and time provided in the order.

(d)(i) At the show cause hearing, the respondent must be present and provide proof of compliance with the underlying court order to surrender and prohibit weapons and demonstrate why the relief requested should not be granted.

(ii) The court shall take judicial notice of the receipt filed with the court by the law enforcement agency pursuant to subsection (3) of this section. The court shall also provide sufficient notice to the law enforcement agency of the hearing. Upon receiving notice pursuant to this subsection, a law enforcement agency must:

(A) Provide the court with a complete list of firearms and other dangerous weapons surrendered by the respondent or otherwise belonging to the respondent that are in the possession of the law enforcement agency; and

(B) Provide the court with verification that any concealed pistol license issued to the respondent has been surrendered and the agency with authority to revoke the license has been notified.

(iii) If the law enforcement agency has a reasonable suspicion that the respondent is not in full compliance with the terms of the order, the law enforcement agency must submit the basis for its belief to the court, and may do so through the filing of ((an affidavit)) a declaration.

(e) If the court finds the respondent in contempt, the court may impose remedial sanctions designed to ensure swift compliance with the order to surrender and prohibit weapons.

(f) The court may order a respondent found in contempt of the order to surrender and prohibit weapons to pay for any losses incurred by a party in connection with the contempt proceeding, including reasonable attorneys' fees, service fees, and other costs. The costs of the proceeding shall not be borne by the petitioner.

(f)(a) To help ensure that accurate and comprehensive information about firearms compliance is provided to judicial officials, a representative from either the prosecuting attorney's office or city attorney's office, or both, from the relevant jurisdiction may appear and be heard at any hearing that concerns compliance with an order to surrender and prohibit weapons issued in connection with another type of protection order.

(b) Either the prosecuting attorney's office or city attorney's office, or both, from the relevant jurisdiction may designate an advocate or a staff person from their office who is not an attorney to appear on behalf of their office. Such appearance does not constitute the unauthorized practice of law.

(9)(a) An order to surrender and prohibit weapons issued pursuant to RCW 9.41.800 must state that the act of voluntarily surrendering firearms or weapons, or providing testimony relating to the surrender of firearms or weapons, pursuant to such an order,
may not be used against the respondent or defendant in any criminal prosecution under this chapter, chapter 9.41 RCW, or RCW 9A.56.310.

(b) To provide relevant information to the court to determine compliance with the order, the court may allow the prosecuting attorney or city attorney to question the respondent regarding compliance.

(10) All law enforcement agencies must have policies and procedures to provide for the acceptance, storage, and return of firearms, dangerous weapons, and concealed pistol licenses that a court requires must be surrendered under RCW 9.41.800. A law enforcement agency holding any firearm or concealed pistol license that has been surrendered under RCW 9.41.800 shall comply with the provisions of RCW 9.41.340 and 9.41.345 before the return of the firearm or concealed pistol license to the owner or individual from whom it was obtained.

NEW SECTION. Sec. 76. A new section is added to chapter 9.41 RCW to read as follows:

For the purpose of assisting courts in ensuring compliance with an order to surrender and prohibit weapons or an extreme risk protection order, the department of licensing, or the agency with responsibility for maintaining that information should it be an agency other than the department of licensing, shall make the following information available to prosecuting attorneys' offices, city attorneys' offices, public defender agency staff, probation services personnel, and judicial officers and staff of municipal, district, and superior courts for the following law enforcement purposes:

(1) Determining whether a person is ineligible to possess firearms;

(2) Determining a person's firearms purchase history; and

(3) Determining whether a person has or previously had a concealed pistol license, or has applied for a concealed pistol license.

Sec. 77. RCW 10.99.045 and 2010 c 274 s 301 are each amended to read as follows:

(1) A defendant arrested for an offense involving domestic violence as defined by RCW 10.99.020 shall be required to appear in person before a magistrate within one judicial day after the arrest.

(2) A defendant who is charged by citation, complaint, or information with an offense involving domestic violence as defined by RCW 10.99.020 and not arrested shall appear in court for arraignment in person as soon as practicable, but in no event later than (fourteen) 14 days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information.

(3)(a) At the time of the appearances provided in subsection (1) or (2) of this section, the court shall determine the necessity of imposing a no-contact order or other conditions of pretrial release according to the procedures established by court rule for a preliminary appearance or an arraignment. The court may include in the order any conditions authorized under RCW 9.41.800 and 10.99.040.

(b) For the purposes of (a) of this subsection, the prosecutor shall provide for the court's review:

(i) The defendant's criminal history, if any, that occurred in Washington or any other state;

(ii) If available, the defendant's criminal history that occurred in any tribal jurisdiction; (and)

(iii) The defendant's individual order history; and

(iv) The defendant's firearms purchase history, including any concealed pistol license history.

(c) For the purposes of (b) of this subsection, criminal history includes all previous convictions and orders of deferred prosecution, as reported through the judicial information system or otherwise available to the court or prosecutor, current to within the period specified in (d) of this subsection before the date of the appearance.

(d) The periods applicable to previous convictions and orders of deferred prosecution are:

(i) One working day, in the case of previous actions of courts that fully participate in the state judicial information system; and

(ii) Seven calendar days, in the case of previous actions of courts that do not fully participate in the judicial information system. For the purposes of this subsection, "fully participate" means regularly providing records to and receiving records from the system by electronic means on a daily basis.

(4) Appearances required pursuant to this section are mandatory and cannot be waived.

(5) The no-contact order shall be issued and entered with the appropriate law enforcement agency pursuant to the procedures outlined in RCW 10.99.040 (2) and (6).

NEW SECTION. Sec. 78. Sections 1, 2, and 4 through 71 of this act constitute a new chapter in Title 7 RCW.

NEW SECTION. Sec. 80. A new section is added to chapter 26.55 RCW to read as follows:

(1) A Canadian domestic violence protection order that identifies both a protected individual and a respondent and appears valid on its face is prima facie evidence of its enforceability under this act.

(2) A Canadian domestic violence protection order is enforceable only to the extent it prohibits a respondent from the following conduct as ordered by a Canadian court:

(a) Being in physical proximity to a protected individual or following a protected individual;

(b) Directly or indirectly contacting or communicating with a protected individual or other individual described in the order;

(c) Being within a certain distance of a specified place or location associated with a protected individual; or

(d) Molesting, annoying, harassing, or engaging in threatening conduct directed at a protected individual.

(3) Neither filing with the clerk of the court under RCW 26.55.040 nor obtaining an order granting recognition and enforcement under RCW 26.55.030 is required prior to the enforcement of a Canadian domestic violence protection order by a law enforcement officer.

Sec. 81. RCW 26.55.020 and 2019 c 263 s 903 are each amended to read as follows:

(1) If a law enforcement officer determines under subsection (2) or (3) of this section that there is probable cause to believe a ((valid)) Canadian domestic violence protection order exists and that one or more of the provisions of the order ((bias)) identified in section 80 of this act have been violated, the officer shall enforce the terms of the Canadian domestic violence protection order as if the terms were in an order ((if a tribunal, Presentation to a law enforcement officer of a certified copy of a Canadian domestic violence protection order is not required for enforcement)) issued in Washington state.

(2) Presentation to a law enforcement officer of a record of a Canadian domestic violence protection order that identifies both a protected individual and a respondent, and on its face is in effect, constitutes probable cause to believe that a ((valid)) Canadian domestic violence protection order exists.

(3) If a record of a Canadian domestic violence protection order is not presented as provided in subsection (2) of this section, a law enforcement officer ((may consider)) is not prohibited from considering other relevant information in determining whether there is probable cause to believe that a ((valid)) Canadian domestic violence protection order exists.

(4) If a law enforcement officer determines that ((an otherwise valid)) a Canadian domestic violence protection order cannot be enforced because the respondent has not been notified of or served with the order, the officer shall notify the protected individual that the officer will make reasonable efforts to contact the respondent, consistent with the safety of the protected individual. After notice to the protected individual and consistent with the safety of the individual, the officer shall make a reasonable effort to inform the respondent of the order, notify the respondent of the terms of the order, provide a record of the order, if available, to the respondent, and allow the respondent a reasonable opportunity to comply with the order before the officer enforces the order.

(5) If a law enforcement officer determines that an individual is a protected individual, the officer shall inform the individual of available local victim services.

Sec. 82. RCW 26.55.030 and 2019 c 263 s 904 are each amended to read as follows:

(1) A ((tribunal)) court may issue an order ((enforcing or refusing to enforce)) granting recognition and enforcement or denying recognition and enforcement of a Canadian domestic violence protection order on ((application)) petition of:

(a) A protected individual;

(b) A person authorized by law of this state other than this chapter to seek enforcement of a domestic violence protection order; or

(((b))) (c) A respondent.

(2) (In a proceeding under subsection (1) of this section, the tribunal shall follow the procedures of this state for enforcement of a domestic protection order. An order entered under this section is limited to the enforcement of the terms of the Canadian domestic violence protection order as defined in RCW 26.55.010.) A petitioner is not required to post a bond to obtain relief in any proceeding under this section. No fees for any type of filing or service of process may be charged by a court or any public agency to petitioners seeking relief under this chapter. Courts may not charge petitioners any fees or surcharges the payment of which is a condition precedent to the petitioner's ability to secure access to relief under this chapter. Petitioners shall be provided the necessary number of certified copies, forms, and instructional brochures free of charge. A respondent who is served electronically with a protection order shall be provided a certified copy of the order free of charge upon request.

(3) Upon receipt of the petition, the court shall order a hearing, which shall be held not later than 14 days from the date of the order. Service shall be provided as required in sections 10 and 18 through 21 of this act.

(d) The order was issued after:

(((14))) (7) A Canadian domestic violence protection order valid on its face is prima facie evidence of its enforceability under this section.

(((4))) (8) A claim that a Canadian domestic violence protection order does not comply with subsection (((12))) (6) of this section is an affirmative defense in a proceeding seeking enforcement of the order. If the (((tribunal))) court determines that the order is not
enforceable, the ((tribunal)) court shall issue an order that the Canadian domestic violence protection order is not enforceable under this section and RCW 26.55.020 and may not be ((registered)) filed under RCW 26.55.040.

Sec. 83. RCW 26.55.040 and 2019 c 263 s 905 are each amended to read as follows:

Sec. 95. RCW 9.41.173 and 2019 c 46 s 5005 are each amended to read as follows:

(1) In order to obtain an alien firearm license, a nonimmigrant alien residing in Washington must apply to the sheriff of the county in which he or she resides.

(2) The sheriff of the county shall within sixty days after the filing of an application of a nonimmigrant alien residing in the state of Washington, issue an alien firearm license to such person to carry or possess a firearm for the purposes of hunting and sport shooting. The license shall be good for two years. The issuing authority shall not refuse to accept completed applications for alien firearm licenses during regular business hours. An application for a license may not be denied, unless the applicant's alien firearm license is in a revoked status, or the applicant:

(a) Is ineligible to possess a firearm under the provisions of RCW 9.41.040 or 9.41.045;

(b) Is subject to a court order or injunction regarding firearms pursuant to chapter 7.-- RCW (the new chapter created in section 78 of this act), or RCW 9A.46.080, ((40.14.080)) 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, ((26.10.115)) 26.26B.020, ((26.50.060, 26.50.070)) or 26.26A.470, or any of the former RCW 10.14.080, 26.10.115, 26.50.060, and 26.50.070;

(c) Is free on bond or personal recognizance pending trial, appeal, or sentencing for a felony offense; or

(d) Has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor.

No license application shall be granted to a nonimmigrant alien convicted of a felony unless the person has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c), or unless RCW 9.41.040 (3) or (4) applies.

(3) The sheriff shall check with the national crime information center, the Washington state patrol electronic database, the health care authority electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm.

(4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, date and place of birth, race, gender, description, a complete set of fingerprints, and signature of the applicant, a copy of the applicant's passport and visa showing the applicant is in the country legally, and a valid Washington hunting license or documentation that the applicant is a member of a sport shooting club.

A signed application for an alien firearm license shall constitute a waiver of confidentiality and written request that the health care authority, mental health institutions, and other health care facilities release information relevant to the applicant's eligibility for an alien firearm license to an inquiring court or law enforcement agency.

The application for an original license shall include a complete set of fingerprints to be forwarded to the Washington state patrol. The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law. The application shall contain questions about the applicant's eligibility under RCW 9.41.040 to possess a firearm. The nonimmigrant alien applicant shall be required to produce a passport and visa as evidence of being in the country legally.

The license may be in triplicate or in a form to be prescribed by the department of licensing. The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an online format, all information received under this section.

(5) The sheriff has the authority to collect a nonrefundable fee, paid upon application, for the two-year license. The fee shall be fifty dollars plus additional charges imposed by the Washington state patrol and the federal bureau of investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of the license. The fee shall be retained by the sheriff.

(6) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the sheriff.

(7) A political subdivision of the state shall not modify the
requirements of this section, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section.

(8) A person who knowingly makes a false statement regarding citizenship or identity on an application for an alien firearm license is guilty of false swearing under RCW 9A.72.040. In addition to any other penalty provided for by law, the alien firearm license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for an alien firearm license.

Restricted access areas do not include common areas of egress or ingress open to the general public;

(b) Those areas in any building which are used in connection with court proceedings, including courtrooms, jury rooms, judge's chambers, offices and areas used to conduct court business, waiting areas, and corridors adjacent to areas used in connection with court proceedings. The restricted areas do not include common areas of ingress and egress to the building that is used in connection with court proceedings, when it is possible to protect court areas without restricting ingress and egress to the building. The restricted areas shall be the minimum necessary to fulfill the objective of this subsection (1)(b).

For purposes of this subsection (1)(b), "weapon" means any firearm, explosive as defined in RCW 70.74.010, or any weapon of the kind usually known as slungshot, sand club, or metal knuckles, or any knife, dagger, dirk, or other similar weapon that is capable of causing death or bodily injury and is commonly used with the intent to cause death or bodily injury.

In addition, the local legislative authority shall provide either a stationary locked box sufficient in size for pistols and key to a weapon owner for weapon storage, or shall designate an official to receive weapons for safekeeping, during the owner's visit to restricted areas of the building. The locked box or designated official shall be located within the same building used in connection with court proceedings. The local legislative authority shall be liable for any negligence causing damage to or loss of a weapon either placed in a locked box or left with an official during the owner's visit to restricted areas of the building.

The local judicial authority shall designate and clearly mark those areas where weapons are prohibited, and shall post notices at each entrance to the building of the prohibition against weapons in the restricted areas;

(c) The restricted access areas of a public mental health facility licensed or certified by the department of health for inpatient hospital care and state institutions for the care of the mentally ill, excluding those facilities solely for evaluation and treatment. Restricted access areas do not include common areas of egress and ingress open to the general public;

(d) That portion of an establishment classified by the state liquor and cannabis board as off-limits to persons under twenty-one years of age; or

(e) The restricted access areas of a commercial service airport designated in the airport security plan approved by the federal transportation security administration, including passenger screening checkpoints at or beyond the point at which a passenger initiates the screening process. These areas do not include airport drives, general parking areas and walkways, and shops and areas of the terminal that are outside the screening checkpoints and that are normally open to unscreened passengers or visitors to the airport. Any restricted access area shall be clearly indicated by prominent signs indicating that firearms and other weapons are prohibited in the area.

(2) Cities, towns, counties, and other municipalities may enact laws and ordinances:

(a) Restricting the discharge of firearms in any portion of their respective jurisdictions where there is a reasonable likelihood that humans, domestic animals, or property will be jeopardized. Such laws and ordinances shall not abridge the right of the individual guaranteed by Article I, section 24 of the state Constitution to bear arms in defense of self or others; and

(b) Restricting the possession of firearms in any stadium or convention center, operated by a city, town, county, or other municipality, except that such restrictions shall not apply to:

(ii) Any showing, demonstration, or lecture involving the exhibition of firearms.

(3)(a) Cities, towns, and counties may enact ordinances restricting the areas in their respective jurisdictions in which firearms may be sold, but, except as provided in (b) of this subsection, a business selling firearms may not be treated more restrictively than other businesses located within the same zone. An ordinance requiring the cessation of business within a zone shall not have a shorter grandfather period for businesses selling firearms than for any other businesses within the zone.

(b) Cities, towns, and counties may restrict the location of a business selling firearms to not less than five hundred feet from primary or secondary school grounds, if the business has a storefront, has hours during which it is open for business, and posts advertisements or signs observable to passersby that firearms are available for sale. A business selling firearms that exists as of the date a restriction is enacted under this subsection (3)(b) shall be grandfathered according to existing law.

(4) Violations of local ordinances adopted under subsection (2) of this section must have the same penalty as provided for by state law.

(5) The perimeter of the premises of any specific location covered by subsection (1) of this section shall be posted at reasonable intervals to alert the public as to the existence of any law restricting the possession of firearms on the premises.

(6) Subsection (1) of this section does not apply to:

(a) A person engaged in military activities sponsored by the federal or state governments, while engaged in official duties;

(b) Law enforcement personnel, except that subsection (1)(b) of this section does apply to a law enforcement officer who is present at a courthouse building as a party to an antiharassment protection order action or a domestic violence protection order action under chapter (RR 26.50.50) RCW, or an action under Title 26 RCW where any party has alleged the existence of domestic violence as defined in (RR 26.50.50) section 2 of this act; or

(c) Security personnel while engaged in official duties.

(7) Subsection (1)(a), (b), (c), and (e) of this section does not apply to correctional personnel or community corrections officers, as long as they are employed as such, who have completed government-sponsored law enforcement firearms training, except that subsection (1)(b) of this section does apply to a correctional employee or community corrections officer who
is present at a courthouse building as a party to an antiharassment protection order action or a domestic violence protection order action under chapter ((40.64)) 7.90—(the new chapter created in section 78 of this act) or 10.99((.40)) 26.50 RCW, or an action under Title 26 RCW where any party has alleged the existence of domestic violence as defined in ((RCW 26.50.010)) section 2 of this act.

The person may reclaim the firearms upon leaving but must immediately and directly depart from the place or facility.

(9) Subsection (1)(c) of this section does not apply to any administrator or employee of the facility or to any person who, upon entering the place or facility, directly and promptly proceeds to the administrator of the facility or the administrator's designee and obtains written permission to possess the firearm while on the premises.

(10) Subsection (1)(d) of this section does not apply to the proprietor of the premises or his or her employees while engaged in their employment.

(11) Government-sponsored law enforcement firearms training must be training that correctional personnel and community corrections officers receive as part of their job requirement and reference to such training does not constitute a mandate that it be provided by the correctional facility.

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

However, when a defendant is charged with a recidivist offense, "criminal history" includes a vacated prior conviction for the sole purpose of establishing that such vacated prior conviction constitutes an element of the present recidivist offense as provided in RCW 9.94A.640(3)(b) and 9.96.060(6)(c).

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

Sec. 98. RCW 9.94A.411 and 2019 c 46 s 5008 are each amended to read as follows:

(1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

GUIDELINE/COMMENTARY:
Examples
The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:
(i) It has not been enforced for many years; and
(ii) Most members of society act as if it were no longer in existence; and
(iii) It serves no deterrent or protective purpose in today's society; and
(iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimis Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.
(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and
(i) Conviction of the new offense would not merit any additional direct or collateral punishment;
(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
(iii) Conviction of the new offense would not serve any significant deterrent purpose.
(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and
(i) Conviction of the new offense would not merit any additional direct or collateral punishment;
(ii) Conviction in the pending prosecution is imminent;
(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
(iv) Conviction of the new offense would not serve any significant deterrent purpose.
(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. This reason should be limited to minor cases and should not be relied upon in serious cases.
(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.
(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused's information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.
(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:
(i) Assault cases where the victim has suffered little or no injury;
(ii) Crimes against property, not involving violence, where no major loss was suffered;
(iii) Where doing so would not jeopardize the safety of society. Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.
The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.
Notification
The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.
(2) Decision to prosecute.
(a) STANDARD:
Crimes against persons will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.
See table below for the crimes within these categories.

Selection of Charges/degree of Charge
(i) The prosecutor should file charges which adequately describe the nature of defendant's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:
   (A) Will significantly enhance the strength of the state's case at trial; or
   (B) Will result in restitution to all victims.
(ii) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:
   (A) Charging a higher degree;
   (B) Charging additional counts.
   This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a defendant's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.
(b) GUIDELINES/COMMENTARY:
   (i) Police Investigation
      A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:
      (A) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;
      (B) The completion of necessary laboratory tests; and
      (C) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.
       If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.
(ii) Exceptions
In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:
   (A) Probable cause exists to believe the suspect is guilty; and
   (B) The suspect presents a danger to the community or is likely to flee if not apprehended; or
   (C) The arrest of the suspect is necessary to complete the investigation of the crime.
   In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.
   (iii) Investigation Techniques
   The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:
   (A) Polygraph testing;
   (B) Hypnosis;
   (C) Electronic surveillance;
   (D) Use of informants.
   (iv) Prefiling Discussions with Defendant
   Discussions with the defendant or his/her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.
   (v) Prefiling Discussions with Victim(s)
   Discussions with the victim(s) or victims' representatives regarding the selection or disposition of charges may occur before the filing of charges. The discussions may be considered by the prosecutor in charging and disposition decisions, and should be considered before reaching any agreement with the defendant regarding these decisions.

Sec. 100. RCW 9.94A.525 and 2017 c 272 s 3 are each amended to read as follows:
The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:
The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.589.

2(a) Class A and sex prior felony convictions shall always be included in the offender score.

(b) Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction.

(d) Except as provided in (e) of this subsection, serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction.

(e) If the present conviction is felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)), all predicate crimes for the offense as defined by RCW 46.61.505(14) shall be included in the offender score, and prior convictions for felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)) shall always be included in the offender score. All other convictions of the defendant shall be scored according to this section.

(f) Prior convictions for a repetitive domestic violence offense, as defined in RCW 9.94A.030, shall not be included in the offender score if, since the last date of release from confinement or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

(g) This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses
shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11), (12), or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), (12), or (13) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for each prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and 1/2 point for each juvenile prior conviction; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and 1/2 point for each juvenile prior conviction; count one point for each adult and 1/2 point for each juvenile prior conviction for operation of a vessel while under the influence of intoxicating liquor or any drug.

(12) If the present conviction is for homicide by watercraft or assault by watercraft count two points for each adult or juvenile prior conviction for homicide by watercraft or assault by watercraft; for each felony offense count one point for each adult and 1/2 point for each juvenile prior conviction; count one point for each adult and 1/2 point for each juvenile prior conviction for driving under the influence of intoxicating liquor or any drug, actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, or operation of a vessel while under the influence of intoxicating liquor or any drug.

(13) If the present conviction is for manufacture of methamphetamine count three points for each adult prior manufacture of methamphetamine conviction and two points for each juvenile manufacture of methamphetamine offense. If the present conviction is for a drug offense and the offender has a criminal history that includes a sex offense or serious violent offense, count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(14) If the present conviction is for Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(15) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(16) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(17) If the present conviction is for a sex offense, count priors as in subsections (7) through (11) and (13) through (16) of this section; however count three points for each adult and juvenile prior sex offense conviction.

(18) If the present conviction is for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, count priors as in subsections (7) through (11) and (13) through (16) of this section; however count three points for each adult and juvenile prior sex offense conviction, excluding prior convictions for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, which shall count as one point.

(19) If the present conviction is for an offense committed while the offender was under community custody, add one point. For purposes of this subsection, community custody includes community placement or postrelease supervision, as defined in chapter 9.94B RCW.

(20) If the present conviction is for Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2, count priors as in subsections (7) through (18) of this section;

(21) If the present conviction is for a felony domestic violence
offense where domestic violence as defined in RCW 9.94A.030
was pleaded and proven, count priors as in subsections (7)
through (20) of this section; however, count points as follows:
(a) Count two points for each adult prior conviction where
domestic violence as defined in RCW 9.94A.030 was pleaded and
proven after August 1, 2011, for any of the following offenses:
A felony violation of a no-contact or protection order (section 56 of
this act or former RCW 26.50.110), felony Harassment (RCW
9A.46.020(2)(b)), felony Stalking (RCW 9A.46.110(5)(b)),
Burglary 1 (RCW 9A.52.020), Kidnapping 1 (RCW 9A.40.020),
Kidnapping 2 (RCW 9A.40.030), Unlawful imprisonment (RCW

repetitive domestic violence offense as defined in RCW
9.94A.030, where domestic violence as defined in RCW
9.94A.030, was pleaded and proven after August 1, 2011.

(22) The fact that a prior conviction was not included in an
offender's offender score or criminal history at a previous
sentencing shall have no bearing on whether it is included in the
criminal history or offender score for the current offense. Prior
convictions that were not counted in the offender score or
included in criminal history under repealed or previous versions
of the sentencing reform act shall be included in criminal history
and shall count in the offender score if the current version of the
sentencing reform act requires including or counting those
convictions. Prior convictions that were not included in criminal
history or in the offender score shall be included upon any
resentencing to ensure imposition of an accurate sentence.

Sec. 101. RCW 9.94A.637 and 2019 c 331 s 2 are each
amended to read as follows:
(1) When an offender has completed all requirements of the
sentence, including any and all legal financial obligations, and
while under the custody or supervision of the department, the
secretary or the secretary's designee shall notify the sentencing
court, which shall discharge the offender and provide the offender
with a certificate of discharge by issuing the certificate to the
offender in person or by mailing the certificate to the offender's
last known address. A certificate of discharge issued under this
subsection (1) is effective on the date the offender completed all
conditions of his or her sentence.
(2)(a) When an offender has reached the end of his or her
supervision with the department and has completed all the
requirements of the sentence except his or her legal financial
obligations, the secretary's designee shall provide the county clerk
with a notice that the offender has completed all nonfinancial
requirements of the sentence. The notice must list the specific
sentence requirements that have been completed, so that it is clear
to the sentencing court that the offender is entitled to discharge
upon completion of the legal financial obligations of the sentence.
(b) When the department has provided the county clerk with
notice under (a) of this subsection showing that an offender has
completed all the requirements of the sentence and the offender
subsequently satisfies all legal financial obligations under the
sentence, the county clerk shall promptly notify the sentencing
court. Upon receipt of the notice under this subsection (2)(b), the
court shall discharge the offender and provide the offender with a
certificate of discharge. A certificate of discharge issued under
this subsection (2) is effective on the date the offender completed
all conditions of his or her sentence.
(3) In the absence of a certificate of discharge issued under
subsection (1) or (2) of this section, the offender may file a motion
with the sentencing court for a certificate of discharge. The
sentencing court shall issue a certificate of discharge upon
verification of completion of all sentencing conditions, including
any and all legal financial obligations. A certificate of discharge
issued under this subsection (3) is effective on the date the
offender completed all conditions of his or her sentence.
(4) In the absence of a certificate of discharge issued under
subsection (1), (2), or (3) of this section, the offender may file a
motion with the sentencing court for a certificate of discharge and
shall provide verification of completion of all nonfinancial
conditions of his or her sentence, unless the court finds good
cause to waive this requirement. A certificate of discharge issued
under this subsection (4) is effective on the later of: (a) Five years
after completion of community custody, or if the offender was not
required to serve community custody, after the completion of full
and partial confinement; or (b) the date any and all legal financial
obligations were satisfied.
(5) The court shall issue a certificate of discharge by issuing
the certificate to the offender in person or by mailing the
certificate to the offender's last known address.
(6)(a) A no-contact order is not a requirement of the offender's
sentence. An offender who has completed all requirements of the
sentence, including any and all legal financial obligations, is
eligible for a certificate of discharge even if the offender has an
existing no-contact order that excludes or prohibits the offender
from having contact with a specified person or entity or coming
within a set distance of any specified location.
In the case of an eligible offender who has a no-contact order
as part of the judgment and sentence, the offender may petition the
sentencing court to issue a certificate of discharge and a
separate no-contact order, which must include paying the
appropriate filing fee for the separate no-contact order. This filing
fee does not apply to an offender seeking a certificate of discharge
when the offender has a no-contact order separate from the
judgment and sentence.
The court shall reissue the no-contact order separately under a
new civil cause number for the remaining term and under the
same conditions as contained in the judgment and sentence.
(b) The clerk of the court shall send a copy of the new
no-contact order to the individuals or entities protected by the
no-contact order, along with an explanation of the reason for the
change, if there is an address available in the court file. If no
address is available, the clerk of the court shall forward a copy of
the order to the prosecutor, who shall send a copy of the
no-contact order with an explanation of the reason for the change to
the last known address of the protected individuals or entities.

(c) The clerk of the court shall forward a copy of the order to the appropriate law enforcement agency specified in the order on or before the next judicial day. The clerk shall also include a cover sheet that indicates the case number of the judgment and sentence that has been discharged. Upon receipt of the copy of the order and cover sheet, the law enforcement agency shall enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in this system until it expires. The new order, and case number of the discharged judgment and sentence, shall be linked in the criminal intelligence information system for purposes of enforcing the no-contact order.

(d) A separately issued no-contact order may be enforced under chapter (26.50) 7-... RCW (the new chapter created in section 78 of this act).

(e) A separate no-contact order issued under this subsection (e) is not a modification of the offender's sentence.

(7) Every signed certificate and order of discharge shall be filed with the county clerk of the sentencing county. In addition, the court shall send to the department a copy of every signed certificate and order of discharge for offender sentences under the authority of the department. The county clerk shall enter into a database maintained by the administrator for the courts the names of all felons who have been issued certificates of discharge, the date of discharge, and the date of conviction and offense.

(8) An offender who is convicted of a violent offense or a sex offense and is sentenced to a term involving community supervision may be considered for a discharge of sentence by the sentencing court prior to the completion of community supervision, provided that the offender has completed at least one-half of the term of community supervision and has met all other sentence requirements.

(9) The discharge shall have the effect of restoring all civil rights not already restored by RCW 29A.08.520, and the certificate of discharge shall so state. Nothing in this section prohibits the use of an offender's prior record for purposes of determining sentences for later offenses as provided in this chapter. Nothing in this section affects or prevents use of the offender's prior conviction in a later criminal prosecution either with the county clerk of the sentencing county. In addition, the court shall send to the department for counseling and help in adjusting to the community. This voluntary help may be provided for up to one year following the release from custody.

Sec. 102. RCW 9.94A.660 and 2020 c 252 s 1 are each amended to read as follows:

(1) An offender is eligible for the special drug offender sentencing alternative if:

(a) The offender is convicted of a felony that is not a violent offense and the violation does not involve a sentence enhancement under RCW 9.94A.533 (3) or (4);

(b) The offender is convicted of a felony that is not a felony driving while under the influence of intoxicating liquor or any drug under RCW 46.61.502(6) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug under RCW 46.61.504(6);

(c) The offender has no current or prior convictions for a sex offense for which the offender is currently or may be required to register pursuant to RCW 9A.44.130;

(d) The offender has no prior convictions in this state, and no prior convictions for an equivalent out-of-state or federal offense, for the following offenses during the following time frames:

(i) Robbery in the second degree that did not involve the use of a firearm and was not reduced from robbery in the first degree within seven years before conviction of the current offense; or

(ii) Any other violent offense within ten years before conviction of the current offense;

(e) For a violation of the uniform controlled substances act under chapter 69.50 RCW or a criminal solicitation to commit such a violation under chapter 9A.28 RCW, the offense involved only a small quantity of the particular controlled substance as determined by the judge upon consideration of such factors as the weight, purity, packaging, sale price, and street value of the controlled substance;

(f) The offender has not been found by the United States attorney general to be subject to a deportation detainer or order and does not become subject to a deportation order during the period of the sentence; and

(g) The offender has not received a drug offender sentencing alternative more than once in the prior ten years before the current offense.

(2) A motion for a special drug offender sentencing alternative may be made by the court, the offender, or the state.

(3) If the sentencing court determines that the offender is eligible for an alternative sentence under this section and that the alternative sentence is appropriate, the court shall waive imposition of a sentence within the standard sentence range and impose a sentence consisting of either a prison-based alternative under RCW 9.94A.662 or a residential substance use disorder treatment-based alternative under RCW 9.94A.664. The residential substance use disorder treatment-based alternative is only available if the midpoint of the standard range is twenty-six months or less.

(4)(a) To assist the court in making its determination, the court may order the department to complete either or both a risk assessment report and a substance use disorder screening report as provided in RCW 9.94A.500.

(b) To assist the court in making its determination in domestic violence cases, the court shall order the department to complete a presence investigation and a chemical dependency screening report as provided in RCW 9.94A.500, unless otherwise specifically waived by the court.

(5) If the court is considering imposing a sentence under the residential substance use disorder treatment-based alternative, the court may order an examination of the offender by the department. The examination must be performed by an agency certified by the department of health to provide substance use disorder services. The examination shall, at a minimum, address the following issues:

(a) Whether the offender suffers from a substance use disorder;

(b) Whether the substance use disorder is such that there is a probability that criminal behavior will occur in the future;

(c) Whether effective treatment for the offender's substance use disorder is available from a provider that has been licensed or certified by the department of health, and where applicable, whether effective domestic violence perpetrator treatment is available from a state-certified domestic violence treatment provider pursuant to ((chapter 26.50)) RCW 26.50.150 (as recodified by this act); and

(d) Whether the offender and the community will benefit from
(6) When a court imposes a sentence of community custody under this section:

(a) The court may impose conditions as provided in RCW 9.94A.703 and may impose other affirmative conditions as the court considers appropriate. In addition, an offender may be required to pay thirty dollars per month while on community custody to offset the cost of monitoring for alcohol or controlled substances, or in cases of domestic violence for monitoring with global positioning system technology for compliance with a no-contact order.

(b) The department may impose conditions and sanctions as authorized in RCW 9.94A.704 and 9.94A.737.

(7)(a) The court may bring any offender sentenced under this section back into court at any time on its own initiative to evaluate the offender's progress in treatment or to determine if any violations of the conditions of the sentence have occurred.

(b) If the offender is brought back to court, the court may modify the conditions of the community custody or impose sanctions under (c) of this subsection.

(c) The court may order the offender to serve a term of total confinement within the standard range of the offender's current offense at any time during the period of community custody if the offender violates the conditions or requirements of the sentence or if the offender is failing to make satisfactory progress in treatment.

(d) An offender ordered to serve a term of total confinement under (c) of this subsection shall receive credit for time previously served in total or partial confinement and inpatient treatment under this section, and shall receive fifty percent credit for time previously served in community custody under this section.

(8) In serving a term of community custody imposed upon failure to complete, or administrative termination from, the special drug offender sentencing alternative program, the offender shall receive no credit for time served in community custody prior to termination of the offender's participation in the program.

(9) An offender sentenced under this section shall be subject to all rules relating to earned release time with respect to any period served in total confinement.

(10) The Washington state institute for public policy shall submit a report to the governor and the appropriate committees of the legislature by November 1, 2022, analyzing the effectiveness of the drug offender sentencing alternative in reducing recidivism among various offender populations. An additional report is due November 1, 2028, and every five years thereafter. The Washington state institute for public policy may coordinate with the department and the caseload forecast council in tracking data and preparing the report.

Sec. 103. RCW 9.94A.662 and 2020 c 252 s 2 are each amended to read as follows:

(1) The court may only order a prison-based special drug offender sentencing alternative if the high end of the standard sentence range for the current offense is greater than one year.

(2) A sentence for a prison-based special drug offender sentencing alternative shall include:

(a) A period of total confinement in a state facility for one-half the midpoint of the standard sentence range or twelve months, whichever is greater;

(b) One-half the midpoint of the standard sentence range as a term of community custody, which must include appropriate substance use disorder treatment in a program that has been approved by the department of health, and for co-occurring drug and domestic violence cases, must also include an appropriate domestic violence treatment program by a state-certified domestic violence treatment provider pursuant to (chapter 26.50) RCW 26.50.150 (as recodified by this act);

(c) Crime-related prohibitions, including a condition not to use illegal controlled substances;

(d) A requirement to submit to urinalysis or other testing to monitor that status; and

(e) A term of community custody pursuant to RCW 9.94A.701 to be imposed upon the failure to complete or administrative termination from the special drug offender sentencing alternative program.

(3)(a) During incarceration in the state facility, offenders sentenced under this section shall undergo a comprehensive substance use disorder assessment and receive, within available resources, treatment services appropriate for the offender. The substance use disorder treatment services shall be licensed by the department of health.

(b) When applicable for cases involving domestic violence, domestic violence treatment must be provided by a state-certified domestic violence treatment provider pursuant to (chapter 26.50) RCW 26.50.150 (as recodified by this act) during the term of community custody.

(4) If the department finds that conditions of community custody have been willfully violated, the offender may be reclassified to serve the remaining balance of the original sentence. An offender who fails to complete the program or who is administratively terminated from the program shall be reclassified to serve the unexpired term of his or her sentence as ordered by the sentencing court.

(5) If an offender sentenced to the prison-based alternative under this section is found by the United States attorney general to be subject to a deportation order, a hearing shall be held by the department unless waived by the offender, and, if the department finds that the offender is subject to a valid deportation order, the department may administratively terminate the offender from the program and reclassify the offender to serve the remaining balance of the original sentence.

Sec. 104. RCW 9.94A.703 and 2018 c 201 s 9004 are each amended to read as follows:

When a court sentences a person to a term of community custody, the court shall impose conditions of community custody as provided in this section.

(1) Mandatory conditions. As part of any term of community custody, the court shall:

(a) Require the offender to inform the department of court-ordered treatment upon request by the department;

(b) Require the offender to comply with any conditions imposed by the department under RCW 9.94A.704;

(c) If the offender was sentenced under RCW 9.94A.507 for an offense listed in RCW 9.94A.507(1)(a), and the victim of the offense was under eighteen years of age at the time of the offense, prohibit the offender from residing in a community protection zone;

(d) If the offender was sentenced under RCW 9A.36.120, prohibit the offender from serving in any paid or volunteer capacity where he or she has control or supervision of minors under the age of thirteen.

(2) Waivable conditions. Unless waived by the court, as part of any term of community custody, the court shall order an offender to:

(a) Report to and be available for contact with the assigned community corrections officer as directed;

(b) Work at department-approved education, employment, or community restitution, or any combination thereof;

(c) Refrain from possessing or consuming controlled substances except pursuant to lawfully issued prescriptions;
(d) Pay supervision fees as determined by the department; and
(e) Obtain prior approval of the department for the offender's residence location and living arrangements.

(3) **Discretionary conditions.** As part of any term of community custody, the court may order an offender to:
   (a) Remain within, or outside of, a specified geographical boundary;
   (b) Refrain from direct or indirect contact with the victim of the crime or a specified class of individuals;
   (c) Participate in crime-related treatment or counseling services;
   (d) Participate in rehabilitative programs or otherwise perform affirmative conduct reasonably related to the circumstances of the offense, the offender's risk of reoffending, or the safety of the community;
   (e) Refrain from possessing or consuming alcohol; or
   (f) Comply with any crime-related prohibitions.

(4) **Special conditions.**
   (a) In sentencing an offender convicted of a crime of domestic violence, as defined in RCW 10.99.020, if the offender has a minor child, or if the victim of the offense for which the offender was convicted has a minor child, the court may order the offender to participate in a domestic violence perpetrator program approved under RCW 26.50.150 (as recodified by this act).
   (b)(i) In sentencing an offender convicted of an alcohol or drug-related traffic offense, the court shall require the offender to complete a diagnostic evaluation by a substance use disorder treatment program approved by the department of social and health services or a qualified probation department, defined under RCW 46.61.516, that has been approved by the department of social and health services. If the offense was pursuant to chapter 46.61 RCW, the report shall be forwarded to the department of licensing. If the offender is found to have an alcohol or drug problem that requires treatment, the offender shall complete treatment in an approved substance use disorder treatment program as defined in chapter 71.24 RCW. If the offender is found not to have an alcohol or drug problem that requires treatment, the offender shall complete a course in an alcohol and drug information school licensed or certified by the department of health under chapter 70.96A RCW. The offender shall pay all costs for any evaluation, education, or treatment required by this section, unless the offender is eligible for an existing program offered or approved by the department of social and health services.
   (ii) For purposes of this section, "alcohol or drug-related traffic offense" means the following: Driving while under the influence as defined by RCW 46.61.502, actual physical control while under the influence as defined by RCW 46.61.504, vehicular homicide as defined by RCW 46.61.520(1)(a), vehicular assault as defined by RCW 46.61.522(1)(b), homicide by watercraft as defined by RCW 79A.60.050, or assault by watercraft as defined by RCW 79A.60.060.
   (iii) This subsection (4)(b) does not require the department of social and health services to add new treatment or assessment facilities nor affect its use of existing programs and facilities authorized by law.

**Sec. 105.** RCW 9.96.060 and 2020 c 29 s 18 are each amended to read as follows:

(1) When vacating a conviction under this section, the court effectuates the vacation by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) Every person convicted of a misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the requirements of this subsection, the court may in its discretion vacate the record of conviction. Except as provided in subsections (3), (4), and (5) of this section, an applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:
   (a) The applicant has not completed all of the terms of the sentence for the offense;
   (b) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal or tribal court, at the time of application;
   (c) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;
   (d) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;
   (e) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;
   (f) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family or household member against another or by one intimate partner against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:
      (i) The applicant has not provided written notification of the vacation petition to the prosecuting attorney's office that prosecuted the offense for which vacation is sought, or has not provided that notification to the court;
      (ii) The applicant has two or more domestic violence convictions stemming from different incidents. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;
      (iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or
      (iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;
   (g) For any offense other than those described in (f) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;
   (h) The offender has been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application; or
   (i) The applicant is currently restrained by a domestic violence
protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party or was previously restrained by such an order and was found to have committed one or more violations of the order in the five years prior to the vacation application.

(3) Subject to RCW 9.96.070, every person convicted of prostitution under RCW 9A.88.030 who committed the offense as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction. The limitation in this subsection (3)(b) does not apply to convictions where the offender proves by a preponderance of the evidence that he or she committed the crime as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq., according to the requirements provided in RCW 9.96.070 for each respective conviction.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under United States v. Washington, 384 F. Supp. 312 (W.D. Wash. 1974), or Sohappy v. Smith, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Every person convicted of a misdemeanor marijuana offense, who was twenty-one years of age or older at the time of the offense, may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. A misdemeanor marijuana offense includes, but is not limited to: Any offense under RCW 69.50.4014, from July 1, 2004, onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 21, 1971, to March 21, 1979, and any offense under an equivalent municipal ordinance. If an applicant qualifies under this subsection, the court shall vacate the record of conviction.

(6)(a) Except as provided in (c) of this subsection, once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. However, nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 9.41.040. Except as provided in (b) of this subsection, nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going on to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location a protected party's person, or a protected party's vehicle (RCW 10.99.040, 10.99.050, 26.09.300, 26.10.220, 26.26B.050, 26.44.063, 26.44.150, ((26.50.060, 26.50.070, 26.50.13I)) or 26.52.070((26.54.145)), or any of the former RCW 26.50.060, 26.50.070, 26.50.130, and 74.34.145); (ii) stalking (RCW 9A.46.110); or (iii) a domestic violence protection order or vulnerable adult protection order entered under chapter 7 -- RCW (the new chapter created in section 78 of this act). A vacated conviction under this section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11.

(c) A conviction vacated on or after July 28, 2019, qualifies as a prior conviction for the purpose of charging a present recidivist offense as defined in RCW 9.94A.030 occurring on or after July 28, 2019.

(7) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

At the initial preliminary appearance, the court shall determine whether to extend any existing prohibition on the defendant's contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location. The court may also consider the provisions of RCW 9.41.800 or other conditions of pretrial release according to the procedures established by court rule for preliminary appearance or an arraignment.

(2) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended. 5(a) A defendant's motion to terminate or modify a no-contact order must include a declaration setting forth facts supporting the requested order for termination or modification. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the defendant established adequate cause, the court shall set a date for hearing the defendant's motion.

(b) The court may terminate or modify the terms of a no-contact order, including terms entered pursuant to RCW 9.41.800 related to firearms or other dangerous weapons or to concealed pistol licenses, if the defendant proves by a preponderance of the evidence that there has been a material change in circumstances such that the defendant is not likely to engage in or attempt to engage in physical or nonphysical contact with the victim if the order is terminated or modified. The victim bears no burden of proving that he or she has a current reasonable fear of harm by the defendant.

(1) A person commits the crime of stalking if, without lawful authority and under circumstances not amounting to a felony attempt of another crime:

(a) He or she intentionally and repeatedly harasses or repeatedly follows another person; and

(b) The person being harassed or followed is placed in fear that the stalker intends to injure the person, another person, or property of the person or of another person. The feeling of fear must be one that a reasonable person in the same situation would experience under all the circumstances; and

(c) The stalker either:

(i) Intends to frighten, intimidate, or harass the person; or

(ii) Knows or reasonably should know that the person is afraid, intimidated, or harassed even if the stalker did not intend to place the person in fear or intimidate or harass the person.

(2)(a) It is not a defense to the crime of stalking under subsection (1)(c)(i) of this section that the stalker was not given actual notice that the person did not want the stalker to contact or follow the person; and

(b) It is not a defense to the crime of stalking under subsection (1)(c)(ii) of this section that the stalker did not intend to frighten, intimidate, or harass the person.

(3) It shall be a defense to the crime of stalking that the defendant is a licensed private investigator acting within the capacity of his or her license as provided by chapter 18.165 RCW.

(4) Attempts to contact or follow the person after being given actual notice that the person does not want to be contacted or followed constitutes prima facie evidence that the stalker intends to intimidate or harass the person. "Contact" includes, in addition to any other form of contact or communication, the sending of an electronic communication to the person.

(5)(a) Except as provided in (b) of this subsection, a person who stalks another person is guilty of a gross misdemeanor.

(b) A person who stalks another is guilty of a class B felony if any of the following applies: (i) The stalker has previously been convicted in this state or any other state of any crime of harassment, as defined in RCW 9A.46.060, of the same victim or members of the victim's family or household or any person specifically named in a protective order; (ii) the stalking violates any protective order protecting the person being stalked; (iii) the stalker has previously been convicted of a gross misdemeanor or felony stalking offense under this section for stalking another person; (iv) the stalker was armed with a deadly weapon, as defined in RCW 9.94A.825, while stalking the person; (v)(A) the stalker's victim is or was a law enforcement officer; judge; juror; attorney; victim advocate; legislator; community corrections officer; an employee, contract staff person, or volunteer of a correctional agency; court employee, court clerk, or courthouse facilitator; or an employee of the child protective, child welfare, or adult protective services division within the department of social and health services; and (B) the stalker stalked the victim to retaliate against the victim for an act the victim performed during the course of official duties or to influence the victim's performance of official duties; or (vi) the stalker's victim is a current, former, or prospective witness in an adjudicative

Constitutionally protected activity is not included within the meaning of "course of conduct."

c) "Follows" means deliberately maintaining visual or physical proximity to a specific person over a period of time. A finding that the alleged stalker repeatedly and deliberately appears at the person's home, school, place of employment, business, or any other location to maintain visual or physical proximity to the person is sufficient to find that the alleged stalker follows the person. It is not necessary to establish that the alleged stalker follows the person while in transit from one location to another.

((((e))) (d) "Harasses" means ((unlawful harassment as defined in RCW 10.11.020)) a knowing and willful course of conduct directed at a specific person which seriously alarms, annoys, harasses, or is detrimental to such person, and which serves no legitimate or lawful purpose. The victim bears no burden of proving that he or she has a current reasonable fear of harm by the defendant.

(c) A defendant may file a motion to terminate or modify pursuant to this section no more than once in every twelve-month period that the order is in effect, starting from the date of the order and continuing through any renewal.

(a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;
(b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;
(c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his or her client the victim's location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2)(a) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or
trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location.

(b) In issuing the order, the court shall consider the provisions of RCW 9.41.800, and shall order the defendant to surrender, and prohibit the person from possessing, all firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800.

(c) The no-contact order shall also be issued in writing as soon as possible, and shall state that it may be extended as provided in subsection (3) of this section. By January 1, 2011, the administrative office of the courts shall develop a pattern form for all no-contact orders issued under this chapter. A no-contact order issued under this chapter must substantially comply with the pattern form developed by the administrative office of the courts.

(3)(a) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended. So long as the court finds probable cause, the court may issue or extend a no-contact order even if the defendant fails to appear at arraignment. The no-contact order shall terminate if the defendant is acquitted or the charges are dismissed.

(b) In issuing the order, the court shall consider all information documented in the incident report concerning the person’s possession of and access to firearms and whether law enforcement took temporary custody of firearms at the time of the arrest. The court may as a condition of release prohibit the defendant from possessing or accessing firearms and order the defendant to immediately surrender all firearms and any concealed pistol license to a law enforcement agency upon release.

(c) If a no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring as defined in RCW 9.94A.030. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

(4)(a) Willful violation of a court order issued under subsection (2), (3), or (7) of this section is punishable under (RCW 26.50.110) section 56 of this act.

(b) The written order releasing the person charged or arrested shall contain the court’s directives and shall bear the legend: "Violation of this order is a criminal offense under chapter (RCW 26.50) 7.--- RCW (the new chapter created in section 78 of this act) and will subject a violator to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony. You can be arrested even if any person protected by the order invites or allows you to violate the order’s prohibitions. You have the sole responsibility to avoid or refrain from violating the order’s provisions. Only the court can change the order.”

(c) A certified copy of the order shall be provided to the victim.

(5) If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed.

(6) Whenever a no-contact order is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

(7) All courts shall develop policies and procedures by January 1, 2011, to grant victims a process to modify or rescind a no-contact order issued under this chapter. The administrative office of the courts shall develop a model policy to assist the courts in implementing the requirements of this subsection.

(2)(a) Willful violation of a court order issued under this section is punishable under (RCW 26.50.110) section 56 of this act.

(b) The written order shall contain the court’s directives and shall bear the legend: "Violation of this order is a criminal offense under chapter (RCW 26.50) 7.--- RCW (the new chapter created in section 78 of this act) and will subject a violator to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony.

(c) An order issued pursuant to this section in conjunction with a misdemeanor or gross misdemeanor sentence or juvenile disposition remains in effect for a fixed period of time determined by the court, which may not exceed five years from the date of sentencing or disposition.

(d) An order issued pursuant to this section in conjunction with a felony sentence or juvenile disposition remains in effect for a fixed period of time determined by the court, which may not exceed the adult maximum sentence established in RCW 9A.20.021.

(3) Whenever an order prohibiting contact is issued pursuant to this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

(4) If an order prohibiting contact issued pursuant to this section is modified or terminated, the clerk of the court shall notify the law enforcement agency specified in the order on or before the next judicial day. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from any computer-based criminal intelligence system.

Sec. 125. RCW 11.130.257 and 2020 c 312 s 112 are each amended to read as follows:

(1) In a proceeding under this chapter either party may file a motion for temporary support of children entitled to support. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amount requested.

(2) In a proceeding under this chapter either party may file a motion for a temporary restraining order or preliminary injunction, providing relief proper in the circumstances, and restraining or enjoining another party from:
   (a) Molesting or disturbing the peace of the other party or of any child;
   (b) Entering the family home or the home of the other party upon a showing of the necessity therefor;
   (c) Knowingly coming within, or knowingly remaining within, a specified distance from a specified location; and
   (d) Removing a child from the jurisdiction of the court.

(3) Either party may request a domestic violence protection order (RCW 74.20A.040 and/or 74.20A.055) or an antiharassment protection order under chapter 26.50 RCW, and any of the relief hereunder shall not be merged in, or incorporated by reference to, any other civil proceeding, including an action related to the action under this title.

(4) The court may order a procedure listed in subsection (3) of this section only after giving notice to the adult's attorney and hearing the adult, if the adult has an attorney. In those cases where the court has authority to revoke or amend any power of attorney executed by the adult, the court shall not proceed without giving notice to the adult's attorney and hearing the adult, if the adult has an attorney. In all cases where the court has authority to revoke or amend any power of attorney executed by the adult, the court shall inform the court of the existence of the action under this title.

(5) The court shall consider the provisions of chapter 71.05.217.

(6) The court may issue a temporary restraining order or preliminary injunction and an order for temporary support in such amounts and on such terms as are just and proper in the circumstances.

(7) A temporary order, temporary restraining order, or preliminary injunction:

Notice of the proceeding shall be served upon the office of support enforcement personally, or by certified mail, and shall be given no fewer than thirty days prior to the date of the final proceeding. An original copy of the notice shall be filed with the court either before service or within a reasonable time thereafter. The office of support enforcement may present its claim, and thereby preserve the support debt, by filing an affidavit setting forth the amount of the debt with the court, and by mailing a copy of the affidavit to the parties or their attorney prior to the date of the final proceeding.

Sec. 126. RCW 11.130.335 and 2020 c 312 s 206 are each amended to read as follows:

(1) A guardian for an adult does not have the power to revoke or amend a power of attorney for health care or power of attorney for finances executed by the adult. If a power of attorney for health care is in effect, unless there is a court order to the contrary, a health care decision of an agent takes precedence over that of the guardian and the guardian shall cooperate with the agent to the extent feasible. If a power of attorney for finances is in effect, unless there is a court order to the contrary, a decision by the agent which the agent is authorized to make under the power of attorney for finances takes precedence over that of the guardian and the guardian shall cooperate with the agent to the extent feasible. The court has authority to revoke or amend any power of attorney executed by the adult.

(2) A guardian for an adult shall not initiate the commitment of the adult to an evaluation and treatment facility except in accordance with the provisions of chapter 10.77, 71.05, or 72.23 RCW.

(3) Unless authorized by the court in accordance with subsection (4) of this section within the past thirty days, a guardian for an adult may not consent to any of the following procedures for the adult:
   (a) Therapy or other procedure to induce convulsion;
   (b) Surgery solely for the purpose of psychosurgery; or
   (c) Other psychiatric or mental health procedures that restrict physical freedom of movement or the rights set forth in RCW 71.05.217.

(4) The court may order a procedure listed in subsection (3) of this section only after giving notice to the adult's attorney and holding a hearing. If the adult does not have an attorney, the court shall appoint an attorney for the adult prior to entering an order under this subsection.

(5) Persons under a guardianship, conservatorship, or other protective arrangements—Right to associate with persons of their choosing.
   (a) Except as otherwise provided in this section, an adult subject to a guardianship, conservatorship, or other protective arrangement retains the right to associate with other persons of the adult's choosing. This right includes, but is not limited to, the right to freely communicate and interact with other persons, whether through in-person visits, telephone calls, electronic communication, personal mail, or other means. If the adult subject to a guardianship, conservatorship, or other protective arrangement is unable to express consent for communication, visitation, or interaction with another person, or is otherwise unable to make a decision regarding association with another person, the guardian, conservator, or person acting under a protective arrangement, whether full or limited, must:
      (i) Personally inform the adult subject to a guardianship, conservatorship, or other protective arrangement of the decision
under consideration, using plain language, in a manner calculated to maximize the understanding of the adult;

(ii) Maximize the adult's participation in the decision-making process to the greatest extent possible, consistent with the adult's abilities; and

(iii) Give substantial weight to the adult's preferences, both expressed and historical.

(b) A guardian or limited guardian, a conservator or limited conservator, or a person acting under a protective arrangement may not restrict an adult's right to communicate, visit, interact, or otherwise associate with persons of the adult's choosing, unless:

(i) The restriction is specifically authorized by the court in the court order establishing or modifying the guardianship or limited guardianship, the conservatorship or limited conservatorship, or the protective arrangement under this chapter;

(ii) The restriction is pursuant to a protection order issued under chapter ((74.34 or 26.50)) 7.--- RCW (the new chapter created in section 78 of this act), or other law, that limits contact between the adult under a guardianship, conservatorship, or other protective arrangement and other persons;

(iii)(A) The guardian or limited guardian, the conservator or limited conservator, or the person acting under the protective arrangement has good cause to believe that there is an immediate need to restrict the adult's right to communicate, visit, interact, or otherwise associate with persons of the adult's choosing in order to protect the adult from abuse, neglect, abandonment, or financial exploitation, as those terms are defined in RCW 74.34.020, or to protect the adult from activities that unnecessarily impose significant distress on the adult; and

(B) Within fourteen calendar days of imposing the restriction under (b)(iii)(A) of this subsection, the guardian or limited guardian, the conservator or limited conservator, or (if there is a court order) the person acting under the protective arrangement files a petition for a vulnerable adult protection order under chapter ((74.34)) 7.--- RCW (the new chapter created in section 78 of this act). The immediate need restriction may remain in place until the court has heard and issued an order or decision on the petition; or

(iv) The restriction is pursuant to participation in the community protection program under chapter 71A.12 RCW.

(6) A vulnerable adult protection order under chapter ((74.34)) 7.--- RCW (the new chapter created in section 78 of this act) issued to protect the adult under a guardianship, conservatorship, or other protective arrangement as described in subsection (5)(b)(iii)(B) of this section:

(a) Must include written findings of fact and conclusions of law;

(b) May not be more restrictive than necessary to protect the adult from abuse, neglect, abandonment, or financial exploitation as those terms are defined in ((RCW 74.34.020)) section 2 of this act; and

(c) May not deny communication, visitation, interaction, or other association between the adult and another person unless the court finds that placing reasonable time, place, or manner restrictions is unlikely to sufficiently protect the adult from abuse, neglect, abandonment, or financial exploitation as those terms are defined in ((RCW 74.34.020)) section 2 of this act.

Sec. 127. RCW 12.04.140 and 1992 c 111 s 10 are each amended to read as follows:

Except as provided under ((RCW 26.50.020)) section 14 of this act, no action shall be commenced by any person under the age of eighteen years, except by his guardian, or until a next friend for such a person shall have been appointed. Whenever requested, the justice shall appoint some suitable person, who shall consent thereto in writing, to be named by such plaintiff, to act as his or her next friend in such action, who shall be responsible for the costs therein.

Sec. 128. RCW 12.04.150 and 1992 c 111 s 11 are each amended to read as follows:

After service and return of process against a defendant under the age of eighteen years, the action shall not be further prosecuted, until a guardian for such defendant shall have been appointed, except as provided under ((RCW 26.50.020)) section 14 of this act. Upon the request of such defendant, the justice shall appoint some person who shall consent thereto in writing, to be guardian of the defendant in defense of the action; and if the defendant shall not appear on the return day of the process, or if he or she neglect or refuse to nominate such guardian, the justice may, at the request of the plaintiff, appoint any discreet person as such guardian. The consent of the guardian or next friend shall be filed with the justice; and such guardian for the defendant shall not be liable for any costs in the action.
person’s current marital status, the number of previous marriages, annulments, and dissolutions for the person, and whether any previous marriages occurred as a result of receiving services from an international matchmaking organization; founded allegations of child abuse or neglect; and any existing orders under chapter (7.90, 10.14.) 7.-- (the new chapter created in section 78 of this act) or 10.99 RCW, or any of the former chapters 7.90, 10.14, and 26.50 RCW. Personal history information shall include information from the state of Washington and any information from other states or countries.

(c) “Recruit” means a noncitizen, nonresident person, recruited by an international matchmaking organization for the purpose of providing dating, matrimonial, or social referral services.

Sec. 130. RCW 26.09.003 and 2007 c 496 s 102 are each amended to read as follows:

The legislature reaffirms the intent of the current law as expressed in RCW 26.09.002. However, after review, the legislature finds that there are certain components of the existing law which do not support the original legislative intent. In order to better implement the existing legislative intent the legislature finds that incentives for parties to reduce family conflict and additional alternative dispute resolution options can assist in reducing the number of contested trials. Furthermore, the legislature finds that the identification of domestic violence as defined in (RCW 26.50.010) section 2 of this act and the treatment needs of the parties to dissolutions are necessary to improve outcomes for children. When judicial officers have the discretion to tailor individualized resolutions, the legislative intent expressed in RCW 26.09.002 can more readily be achieved. Judicial officers should have the discretion and flexibility to assess each case based on the merits of the individual cases before them.

Sec. 131. RCW 26.09.015 and 2020 c 29 s 13 are each amended to read as follows:

(1) In any proceeding under this chapter, the matter may be set for mediation of the contested issues before, or concurrent with, the setting of the matter for hearing. The purpose of the mediation proceeding shall be to reduce acrimony which may exist between the parties and to develop an agreement assuring the child’s close and continuing contact with both parents after the marriage or the domestic partnership is dissolved. The mediator shall use his or her best efforts to effect a settlement of the dispute.

(b) Each superior court may make available a mediator. The court shall use the most cost-effective mediation services that are readily available unless there is good cause to access alternative providers. The mediator may be a member of the professional staff of a family court or mental health services agency, or may be any other person or agency designated by the court. In order to provide mediation services, the court is not required to institute a family court.

(b) In any proceeding involving issues relating to residential time or other matters governed by a parenting plan, the matter may be set for mediation of the contested issues before, or concurrent with, the setting of the matter for hearing. Counties may, and to the extent state funding is provided therefor counties shall, provide both predecree and postdecree mediation at reduced or waived fee to the parties within one year of the filing of the dissolution petition.

(3)(a) Mediation proceedings under this chapter shall be governed in all respects by chapter 7.07 RCW, except as follows:

(i) Mediation communications in postdecree mediations mandated by a parenting plan are admissible in subsequent proceedings for the limited purpose of proving:

(A) Abuse, neglect, abandonment, exploitation, or unlawful harassment, as defined in RCW 9A.46.020(1), of a child;

(B) Abuse or unlawful harassment as defined in RCW 9A.46.020(1), of a family or household member or intimate partner, each as defined in RCW (26.50.010) 10.99.020; or

(C) That a parent used or frustrated the dispute resolution process without good reason for purposes of RCW 26.09.184(4)(d).

(ii) If a postdecree mediation-arbitration proceeding is required pursuant to a parenting plan and the same person acts as both mediator and arbitrator, mediation communications in the mediation phase of such a proceeding may be admitted during the arbitration phase, and shall be admissible in the judicial review of such a proceeding under RCW 26.09.184(4)(e) to the extent necessary for such review to be effective.

(b) None of the exceptions under (a)(i) and (ii) of this subsection shall subject a mediator to compulsory process to testify except by court order for good cause shown, taking into consideration the need for the mediator’s testimony and the interest in the mediator maintaining an appearance of impartiality. If a mediation communication is not privileged under (a)(i) of this subsection or that portion of (a)(ii) of this subsection pertaining to judicial review, only the portion of the communication necessary for the application of the exception may be admitted, and such admission of evidence shall not render any other mediation communication discoverable or admissible except as may be provided in chapter 7.07 RCW.

(4) The mediator shall assess the needs and interests of the child or children involved in the controversy and may interview the child or children if the mediator deems such interview appropriate or necessary.

(5) Any agreement reached by the parties as a result of mediation shall be reported to the court and to counsel for the parties by the mediator on the day set for mediation or any time thereafter designated by the court.

Sec. 132. RCW 26.09.050 and 2008 c 6 s 1008 are each amended to read as follows:

(1) In entering a decree of dissolution of marriage or domestic partnership, legal separation, or declaration of invalidity, the court shall determine the marital or domestic partnership status of the parties, make provision for a parenting plan for any minor child of the marriage or domestic partnership, make provision for the support of any child of the marriage or domestic partnership entitled to support, consider or approve provision for the maintenance of either spouse or either domestic partner, make provision for the disposition of property and liabilities of the parties, make provision for the allocation of the children as federal tax exemptions, make provision for any necessary terminating restraining orders including the provisions contained in RCW 9.41.800, make provision for the issuance within this action of the restraint provisions of a domestic violence protection order (under chapter 26.50 RCW) or an antiharassment protection order under chapter (40.29) 7.-- RCW (the new chapter created in section 78 of this act), and make provision for the change of name of any party.

(2) Restraining orders issued under this section restraining or enjoining the person from molesting or disturbing another party, or from going onto the grounds of or entering the home, workplace, or school of the other party or the day care or school of any child, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party’s person, or a protected party’s vehicle, shall prominently bear on the front page of the order the legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER (26.50) 7.-- RCW (the new chapter created in section 78 of this act) AND WILL SUBJECT A VIOLATOR TO ARREST.
(3) The court shall order that any restraining order bearing a criminal offense legend, any domestic violence protection order, or any antiharassment protection order granted under this section, in addition to the law enforcement information sheet or proof of service of the order, be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order is fully enforceable in any county in the state.

(4) If a restraining order issued pursuant to this section is modified or terminated, the clerk of the court shall notify the law enforcement agency specified in the order on or before the next judicial day. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from any computer-based criminal intelligence system.

Sec. 133. RCW 26.09.060 and 2019 c 245 s 17 are each amended to read as follows:

   (a) Dissolution of marriage or domestic partnership, legal separation, or a declaration of invalidity; or
   (b) Disposition of property or liabilities, maintenance, or support following dissolution of the marriage or the domestic partnership by a court which lacked personal jurisdiction over the absent spouse or absent domestic partner; either party may move for temporary maintenance or for temporary support of children entitled to support. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) As a part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary restraining order or preliminary injunction, providing relief proper in the circumstances, and restraining or enjoining any person from:
   (a) Transferring, removing, encumbering, concealing, or in any way disposing of any property except in the usual course of business or for the necessities of life, and, if so restrained or enjoined, requiring him or her to notify the moving party of any proposed extraordinary expenditures made after the order is issued;

(3) Either party may request a domestic violence protection order (RCW 10.14.060) or an antiharassment protection order under chapter (10.7A) 7 --- RCW (the new chapter created in section 78 of this act) on a temporary basis. The court may grant any of the relief provided in (RCW 10.14.060) section 39 of this act except relief pertaining to residential provisions for the children which provisions shall be provided for under this chapter((and any of the relief provided in RCW 10.14.080)). Ex parte orders issued under this subsection shall be effective for a fixed period not to exceed fourteen days, or upon court order, not to exceed twenty-four days if necessary to ensure that all temporary motions in the case can be heard at the same time.

(4) In issuing the order, the court shall consider the provisions of RCW 9.41.800, and shall order the respondent to surrender, and prohibit the respondent from possessing, all firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800.

(5) The court may issue a temporary restraining order without requiring notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(6) The court may issue a temporary restraining order or preliminary injunction and an order for temporary maintenance or support in such amounts and on such terms as are just and proper in the circumstances. The court may in its discretion waive the filing of the bond or the posting of security.

(7) Restraining orders issued under this section restraining the person from molesting or disturbing another party, or from going onto the grounds of or entering the home, workplace, or school of the other party or the day care or school of any child, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party’s person, or a protected party’s vehicle, shall prominently bear on the front page of the order the legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER ((26.60)) 7 --- RCW (the new chapter created in section 78 of this act) AND WILL SUBJECT A VIOLATOR TO ARREST.

(8) The court shall order that any temporary restraining order bearing a criminal offense legend, any domestic violence protection order, or any antiharassment protection order granted under this section be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(9) If a restraining order issued pursuant to this section is modified or terminated, the clerk of the court shall notify the law enforcement agency specified in the order on or before the next judicial day. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from any computer-based criminal intelligence system.

(10) A temporary order, temporary restraining order, or preliminary injunction:
   (a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding;
   (b) May be revoked or modified;
   (c) Terminates when the final decree is entered, except as provided under subsection (11) of this section, or when the petition for dissolution, legal separation, or declaration of invalidity is dismissed;
   (d) May be entered in a proceeding for the modification of an existing decree.

(11) Delinquent support payments accrued under an order for temporary support remain collectible and are not extinguished when a final decree is entered unless the decree contains specific language to the contrary. A support debt under a temporary order owed to the state for public assistance expenditures shall not be extinguished by the final decree if:
   (a) The obligor was given notice of the state’s interest under chapter 74.20A RCW; or
   (b) The temporary order directs the obligor to make support payments to the office of support enforcement or the Washington state support registry.

Sec. 134. RCW 26.09.191 and 2020 c 311 s 8 are each
amended to read as follows:

(1) The permanent parenting plan shall not require mutual decision-making or designation of a dispute resolution process other than court action if it is found that a parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or a pattern of emotional abuse of a child; or (c) a history of acts of domestic violence as defined in (RCW 26.50.010(3)) section 2 of this act or an assault or sexual assault that causes grievous bodily harm or the fear of such harm or that results in a pregnancy.

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (b)(iii)(A) through (H) of this subsection.

This subsection (2)(b) shall not apply when (c) or (e) of this subsection applies.

(b) The parent's residential time with the child shall be limited if it is found that the parent resides with a person who has engaged in any of the following conduct: (i) Physical, sexual, or a pattern of emotional abuse of a child; (ii) a history of acts of domestic violence as defined in (RCW 26.50.010(3)) section 2 of this act or an assault or sexual assault that causes grievous bodily harm or the fear of such harm or that results in a pregnancy; or (iii) the parent has been convicted as an adult or as a juvenile has been adjudicated, of the sex offenses listed in (e)(i) through (ix) of this subsection poses a present danger to a child. Unless the parent rebuts this presumption, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (d)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection;

(e) There is a rebuttable presumption that a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection poses a present danger to a child. Unless the parent rebuts the presumption, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (e)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection;
offense analogous to the offenses listed in (e)(i) through (vii) of this subsection.

(f) The presumption established in (d) of this subsection may be rebutted only after a written finding that the child was not conceived and subsequently born as a result of a sexual assault committed by the parent requesting residential time and that:

(i) If the child was not the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child;

(ii) If the child was the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent is in the child's best interest, and (C) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child.

(g) The presumption established in (e) of this subsection may be rebutted only after a written finding that the child was not conceived and subsequently born as a result of a sexual assault committed by the parent requesting residential time and that:

(i) If the child was not the victim of the sex offense committed by the person who is residing with the parent requesting residential time, (A) contact between the child and the parent residing with the convicted or adjudicated person is appropriate and that parent is able to protect the child in the presence of the convicted or adjudicated person, and (B) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child;

(ii) If the child was the victim of the sex offense committed by the person who is residing with the parent requesting residential time, (A) contact between the child and the parent in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the parent residing with the convicted or adjudicated person in the presence of the convicted or adjudicated person is in the child's best interest, and (C) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes contact between the parent and child in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.

(h) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent residing with a person who has been adjudicated as a juvenile of a sex offense listed in (e)(i) through (ix) of this subsection to have residential time with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(i) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have residential time with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(j) If the court finds that the parent has met the burden of rebutting the presumption under (h) of this subsection, the court may allow a parent residing with a person who has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have residential time with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(k) A court shall not order unsupervised contact between the offending parent and a child of the offending parent who was sexually abused by that parent. A court may order unsupervised contact between the offending parent and a child who was not sexually abused by the parent after the presumption under (d) of this subsection has been rebutted and supervised residential time has occurred for at least two years with no further arrests or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW and (i) the sex offense of the offending parent was not committed against a child of the offending parent, and (ii) the court finds that unsupervised contact between the child and the offending parent is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treating child sexual abuse victims who has supervised at least one period of residential time between the parent and the child, and after consideration of evidence of the offending parent's compliance with community supervision requirements, if any. If the offending parent was not ordered by a court to participate in treatment for sex offenders, then the parent shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the offender has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child.

(l) A court may order unsupervised contact between the parent and a child which may occur in the presence of a juvenile adjudicated of a sex offense listed in (e)(i) through (ix) of this subsection who resides with the parent after the presumption under (e) of this subsection has been rebutted and supervised residential time has occurred for at least two years during which time the adjudicated juvenile has had no further arrests, adjudications, or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW, and (i) the court finds that unsupervised contact between
the child and the parent that may occur in the presence of the adjudicated juvenile is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treatment of child sexual abuse victims who has supervised at least one period of residential time between the parent and the child in the presence of the adjudicated juvenile, and after consideration of evidence of the adjudicated juvenile’s compliance with community supervision or parole requirements, if any. If the adjudicated juvenile was not ordered by a court to participate in treatment for sex offenders, then the adjudicated juvenile shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the adjudicated juvenile has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child which may occur in the presence of the adjudicated juvenile who is residing with the parent.

(m)(i) The limitations imposed by the court under (a) or (b) of this subsection shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting residential time. The limitations shall also be reasonably calculated to provide for the safety of the parent who may be at risk of physical, sexual, or emotional abuse or harm that could result if the parent has contact with the parent requesting residential time. The limitations the court may impose include, but are not limited to: Supervised contact between the child and the parent or completion of relevant counseling or treatment. If the court expressly finds based on the evidence that the supervisor accepts that the child in the presence of the parent requesting residential time will not adequately protect the child from harm or abuse that could result if the child has contact with the parent requesting residential time, the court shall restrain the parent requesting residential time from all contact with the child.

(ii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused the child, except upon recommendation by an evaluator or therapist for the child that the child is ready for contact with the parent and will not be harmed by the contact. The court shall not enter an order allowing a parent to have contact with the child in the offender's presence if the parent resides with a person who has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused a child, unless the court finds that the parent accepts that the person engaged in the harmful conduct and the parent is willing to and capable of protecting the child from harm from the person.

(iii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence pursuant to RCW 26.26A.465 to have committed sexual assault, as defined in RCW 26.26A.465, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault.

(iv) If the court limits residential time under (a) or (b) of this subsection to require supervised contact between the child and the parent, the court shall not approve of a supervisor for contact between a child and a parent who has engaged in physical, sexual, or a pattern of emotional abuse of the child unless the court finds based upon the evidence that the supervisor accepts that the harmful conduct occurred and is willing to and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing to or capable of protecting the child.

(n) If the court expressly finds based on the evidence that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's or other person's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of (a), (b), and (m)(i) and (iv) of this subsection, or if the court expressly finds that the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a), (b), and (m)(i) and (iv) of this subsection. The weight given to the existence of a protection order issued under chapter 7.72 ___ RCW (the new chapter created in section 78 of this act) or former chapter 26.50 RCW as to domestic violence is within the discretion of the court. This subsection shall not apply when (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), and (m)(ii) of this subsection apply.

(3) A parent's involvement or conduct may have an adverse effect on the child's best interests, and the court may preclude or limit any provisions of the parenting plan, if any of the following factors exist:

(a) A parent's neglect or substantial nonperformance of parenting functions;

(b) A long-term emotional or physical impairment which interferes with the parent's performance of parenting functions as defined in RCW 26.09.004;

(c) A long-term impairment resulting from drug, alcohol, or other substance abuse that interferes with the performance of parenting functions;

(d) The absence or substantial impairment of emotional ties between the parent and the child;

(e) The abusive use of conflict by the parent which creates the danger of serious damage to the child's psychological development. Abusive use of conflict includes, but is not limited to, abusive litigation as defined in RCW 26.51.020. If the court finds a parent has engaged in abusive litigation, the court may impose any restrictions or remedies set forth in chapter 26.51 RCW in addition to including a finding in the parenting plan. Litigation that is aggressive or improper but that does not meet the definition of abusive litigation shall not constitute a basis for a finding under this section. A report made in good faith to law enforcement, a medical professional, or child protective services of sexual, physical, or mental abuse of a child shall not constitute a basis for a finding of abusive use of conflict;

(f) A parent has withheld from the other parent access to the child for a protracted period without good cause; or

(g) Such other factors or conduct as the court expressly finds adverse to the best interests of the child.

(4) In cases involving allegations of limiting factors under subsection (2)(a)(ii) and (iii) of this section, both parties shall be screened to determine the appropriateness of a comprehensive assessment regarding the impact of the limiting factor on the child and the parties.

(5) In entering a permanent parenting plan, the court shall not draw any presumptions from the provisions of the temporary parenting plan.

(6) In determining whether any of the conduct described in this section has occurred, the court shall apply the civil rules of evidence, proof, and procedure.

(7) For the purposes of this section:

(a) "A parent's child" means that parent's natural child, adopted child, or stepchild; and

(b) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

   (c) The person to be arrested has violated the terms of the order restraining the person from acts or threats of violence or restraining the person from going onto the grounds of or entering the residence, workplace, school, or day care of another, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location.

(5) It is a defense to prosecution under subsection (1) of this section that the court order was issued contrary to law or court rule.

(6) No peace officer may be held criminally or civilly liable for making an arrest under subsection (4) of this section if the officer acts in good faith and without malice.

Sec. 136. RCW 26.12.260 and 2008 c 6 s 1047 are each amended to read as follows:

(2) If the judgment and order of the court is at variance with the child's birth certificate, the court shall order that an amended birth certificate be issued.

(3) The judgment and order shall contain other appropriate provisions directed to the appropriate parties to the proceeding, concerning the duty of current and future support, the extent of any liability for past support furnished to the child if that issue is before the court, the furnishing of bond or other security for the payment of the judgment, or any other matter in the best interest
of the child. The judgment and order may direct one parent to pay the reasonable expenses of the mother's pregnancy and childbirth. The judgment and order may include a continuing restraining order or injunction. In issuing the order, the court shall consider the provisions of RCW 9.41.800.

(4) The judgment and order shall contain a provision that each party must file with the court and the Washington state child support registry and update as necessary the information required in the confidential information form required by RCW 26.23.050.

(5) Support judgment and orders shall be for periodic payments which may vary in amount. The court may limit the parent's liability for the past support to the child to the proportion of the expenses already incurred as the court deems just. The court shall not limit or affect in any manner the right of nonparties including the state of Washington to seek reimbursement for support and other services previously furnished to the child.

(6) After considering all relevant factors, the court shall order either or both parents to pay an amount determined pursuant to the schedule and standards contained in chapter 26.19 RCW.

(7) On the same basis as provided in chapter 26.09 RCW, the court shall make residential provisions with regard to minor children of the parties, except that a parenting plan shall not be required unless requested by a party. If a parenting plan or residential schedule was not entered at the time the order establishing parentage was entered, a parent may move the court for entry of a parenting plan or residential schedule:

(a) By filing a motion and proposed parenting plan or residential schedule and providing notice to the other parent and other persons who have residential time with the child pursuant to a court order: PROVIDED, That at the time of filing the motion less than twenty-four months have passed since entry of the order establishing parentage and that the proposed parenting plan or residential schedule does not change the designation of the parent with whom the child spends the majority of time; or

(b) By filing a petition for modification under RCW 26.09.260 or petition to establish a parenting plan, residential schedule, or residential provisions.

(8) In any dispute between the persons claiming parentage of a child and a person or persons who have (a) commenced adoption proceedings or who have been granted an order of adoption, and (b) pursuant to a court order, or placement by the department of social and health services or by a licensed agency, have had actual custody of the child for a period of one year or more before court action is commenced by the persons claiming parentage, the court shall consider the best welfare and interests of the child, including the child's need for situation stability, in determining the matter of custody, and the parent or person who is more fit shall have the superior right to custody.

(9) In entering an order under this chapter or chapter 26.26A RCW, the court may issue any necessary continuing restraining orders, including the restraint provisions of domestic violence protection orders (under chapter 26.50 RCW), or antiharassment protection orders under chapter 11.36 RCW (the new chapter created in section 78 of this act).

(10) Restraining orders issued under this section restraining or enjoining the person from molesting or disturbing another party, from going onto the grounds of or entering the home, workplace, or school of the other party or the day care or school of any child, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party's person, or a protected party's vehicle, shall prominently bear on the front page of the order the legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER 26.50 RCW (the new chapter created in section 78 of this act) AND WILL SUBJECT A VIOLATOR TO ARREST.

Upon receipt of the order, the law enforcement agency shall forthwith enter the order into any computer-based criminal intelligence system in this state used by law enforcement agencies to list outstanding warrants. The order is fully enforceable in any county in the state.

(12) If a restraining order issued pursuant to this section is modified or terminated, the clerk of the court shall notify the law enforcement agency specified in the order on or before the next judicial day. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from any computer-based criminal intelligence system.

Sec. 140. RCW 26.26B.050 and 2019 c 46 s 5030 are each amended to read as follows:

(a) Obtaining information confirming the existence and terms of the order from a law enforcement agency; or

(b) Obtaining a certified copy of the order, certified to be an accurate copy of the original by a notary public or by the clerk of the court.

(4) A peace officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) A restraining order has been issued under this chapter or chapter 26.26A RCW;

(b) The respondent or person to be restrained knows of the order; and

(c) The person to be arrested has violated the terms of the order restraining the person from acts or threats of violence or restraining the person from going onto the grounds of or entering the residence, workplace, school, or day care of another, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, a protected party's person, or a protected party's vehicle.

(5) It is a defense to prosecution under subsection (1) of this section that the court order was issued contrary to law or court rule.

Sec. 142. RCW 26.44.020 and 2019 c 172 s 5 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.
(2) "Child" or "children" means any person under the age of eighteen years of age.
(3) "Child forensic interview" means a developmentally sensitive and legally sound method of gathering factual information regarding allegations of child abuse, child neglect, or exposure to violence. This interview is conducted by a competently trained, neutral professional utilizing techniques informed by research and best practice as part of a larger investigative process.
(4) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.
(5) "Child protective services section" means the child protective services section of the department.
(6) "Child who is a candidate for foster care" means a child who the department identifies as being at imminent risk of entering foster care but who can remain safely in the child's home or in a kinship placement as long as services or programs that are necessary to prevent entry of the child into foster care are provided, and includes but is not limited to a child whose adoption or guardianship arrangement is at risk of a disruption or dissolution that would result in a foster care placement. The term includes a child for whom there is reasonable cause to believe that any of the following circumstances exist:
(a) The child has been abandoned by the parent as defined in RCW 13.34.030 and the child's health, safety, and welfare is seriously endangered as a result;
(b) The child has been abused or neglected as defined in this chapter (26.44 RCW) and the child's health, safety, and welfare is seriously endangered as a result;
(c) There is no parent capable of meeting the child's needs such that the child is in circumstances that constitute a serious danger to the child's development;
(d) The child is otherwise at imminent risk of harm.
(7) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.
(8) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.
(9) "Court" means the superior court of the state of Washington, juvenile department.
(10) "Department" means the department of children, youth, and families.
(11) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.
(12) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.
(13) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.
(14) "Inconclusive" means the determination following an investigation by the department of social and health services, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.
(15) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.
(16) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.
(17) "Malice" or "maliciously" means an intent, wish, or design
to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(18) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in (RCW 26.50.010) section 2 of this act that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(19) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(20) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(21) "Prevention and family services and programs" means specific mental health prevention and treatment services, substance abuse prevention and treatment services, and in-home parent skill-based programs that qualify for federal funding under the federal family first prevention services act, P.L. 115-123. For purposes of this chapter, prevention and family services and programs are not remedial services or family reunification services as described in RCW 13.34.025(2).

(22) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(23) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(24) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(25) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(26) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(27) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(28) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

Sec. 143. RCW 26.51.020 and 2020 c 311 s 2 are each amended to read as follows:

(2) A tenant who terminates a rental agreement under this section is discharged from the payment of rent for any period following the last day of the month of the quitting date. The tenant shall remain liable for the rent for the month in which he or she terminated the rental agreement unless the termination is in accordance with RCW 59.18.200(1). Notwithstanding lease provisions that allow for forfeiture of a deposit for early termination, a tenant who terminates under this section is entitled to the return of the full deposit, subject to RCW 59.18.020 and 59.18.280. Other tenants who are parties to the rental agreement, except household members who are the victims of sexual assault, stalking, unlawful harassment, or domestic violence, are not released from their obligations under the rental agreement or other obligations under this chapter.

(3)(a) Notwithstanding any other provision under this section, if a tenant or a household member is a victim of sexual assault, stalking, or unlawful harassment by a landlord, the tenant may terminate the rental agreement and quit the premises without further obligation under the rental agreement or under this chapter prior to making a copy of a valid order for protection or a written record of a report signed by a qualified third party to the landlord, provided that:

(i) The tenant must deliver a copy of a valid order for protection or written record of a report signed by a qualified third party to the landlord by mail, fax, or personal delivery by a third party within seven days of quitting the tenant’s dwelling unit; and

(ii) A written record of a report signed by the qualified third party must be substantially in the form specified under subsection (1)(b) of this section. The record of the report provided to the landlord must not include the name of the alleged perpetrator of the act. On written request by the landlord, the qualified third party shall, within seven days, provide the name of the alleged perpetrator of the act to the landlord only if the alleged perpetrator
was a person meeting the definition of the term "landlord" under RCW 59.18.570.

(b) A tenant who terminates his or her rental agreement under this subsection is discharged from the payment of rent for any period following the latter of: (i) The date the tenant vacates the unit; or (ii) the date the record of the report of the qualified third party and the written notice that the tenant has vacated are delivered to the landlord by mail, fax, or personal delivery by a third party. The tenant is entitled to a pro rata refund of any prepaid rent and must receive a full and specific statement of the basis for retaining any of the deposit together with any refund due in accordance with RCW 59.18.280.

(4) If a tenant or a household member is a victim of sexual assault, stalking, or unlawful harassment by a landlord, the tenant may change or add locks to the tenant's dwelling unit at the tenant's expense. If a tenant exercises his or her rights to change or add locks, the following rules apply:

(a) Within seven days of changing or adding locks, the tenant must deliver to the landlord by mail, fax, or personal delivery by a third party: (i) Written notice that the tenant has changed or added locks; and (ii) a copy of a valid order for protection or a written record of a report signed by a qualified third party. A written record of a report signed by a qualified third party must be substantially in the form specified under subsection (1)(b) of this section. The record of the report provided to the landlord must not include the name of the alleged perpetrator of the act. On written request by the landlord, the qualified third party shall, within seven days, provide the name of the alleged perpetrator to the landlord only if the alleged perpetrator was a person meeting the definition of the term "landlord" under RCW 59.18.570.

(b) After the tenant provides notice to the landlord that the tenant has changed or added locks, the tenant's rental agreement shall terminate on the ninetieth day after providing such notice, unless:

(i) Within sixty days of providing notice that the tenant has changed or added locks, the tenant notifies the landlord in writing that the tenant does not wish to terminate his or her rental agreement. If the perpetrator has been identified by the qualified third party and is no longer an employee or agent of the landlord or owner and does not reside at the property, the tenant shall provide the owner or owner's designated agent with a copy of the key to the new locks at the same time as providing notice that the tenant does not wish to terminate his or her rental agreement. A tenant who has a valid protection, antiharassment, or other protective order against the owner of the premises or against an employee or agent of the landlord or owner is not required to provide a key to the new locks until the protective order expires or the tenant vacates; or

(ii) The tenant exercises his or her rights to terminate the rental agreement under subsection (3) of this section within sixty days of providing notice that the tenant has changed or added locks.

(c) After a landlord receives notice that a tenant has changed or added locks to his or her dwelling unit under (a) of this subsection, the landlord may not enter the tenant's dwelling unit except as follows:

(i) In the case of an emergency, the landlord may enter the unit if accompanied by a law enforcement or fire official acting in his or her official capacity. If the landlord reasonably concludes that the circumstances require immediate entry into the unit, the landlord may, after notifying emergency services, use such force as necessary to enter the unit if the tenant is not present; or

(ii) The landlord complies with the requirements of RCW 59.18.150 and clearly specifies in writing the time and date that the landlord intends to enter the unit and the purpose for entering the unit. The tenant must make arrangements to permit access by the landlord.

(d) The exercise of rights to change or add locks under this subsection does not discharge the tenant from the payment of rent until the rental agreement is terminated and the tenant vacates the unit.

(e) The tenant may not change any locks to common areas and must make keys for new locks available to other household members.

(f) Upon vacating the dwelling unit, the tenant must deliver the key and all copies of the key to the landlord by mail or personal delivery by a third party.

(5) A tenant's remedies under this section do not preempt any other legal remedy available to the tenant.

(6) The provision of verification of a report under subsection (1)(b) of this section does not waive the confidential or privileged nature of the communication between a victim of domestic violence, sexual assault, or stalking with a qualified third party pursuant to RCW 5.60.060, 70.123.075, or 70.125.065. No record or evidence obtained from such disclosure may be used in any civil, administrative, or criminal proceeding against the victim unless a written waiver of applicable evidentiary privilege is obtained, except that the verification itself, and no other privileged information, under subsection (1)(b) of this section may be used in civil proceedings brought under this section.

Sec. 156. RCW 71.09.305 and 2002 c 68 s 6 are each amended to read as follows:

To the extent that electronic monitoring devices that employ global positioning system technology are available and funds for this purpose are appropriated by the legislature, the department shall use these devices.

(b) At least one staff member, or other court-authorized and department-approved person must escort each resident when the resident leaves the secure community transition facility for appointments, employment, or other approved activities. Escorting persons must supervise the resident closely and maintain close proximity to the resident. The escort must immediately notify the department of any serious violation, as defined in RCW 71.09.325, by the resident and must immediately notify law enforcement of any violation of law by the resident. The escort may not be a relative of the resident or a person with whom the resident has, or has had, a dating relationship as defined in RCW 71.09.325, by the resident and must immediately notify law enforcement of any violation of law by the resident. The escort may not be a relative of the resident or a person with whom the resident has, or has had, a dating relationship as defined in ((RCW 26.50.040)) section 2 of this act.

(2) Staff members of the special commitment center and any other total confinement facility and any secure community transition facility must be trained in self-defense and appropriate crisis responses including incident de-escalation. Sec. 157. RCW 71.32.090 and 2003 c 283 s 9 are each amended to read as follows:

REVOCA  \(R\) WHEN YOU ARE INCAPACITATED.

(5) This directive will stay in effect until you revoke it unless you specify an expiration date. If you specify an expiration date and you are incapacitated at the time it expires, it will remain in effect until you have capacity to make treatment decisions again unless you chose to be able to revoke it while you are incapacitated and you revoke the directive.

(6) You cannot use your advance directive to consent to civil commitment. The procedures that apply to your advance directive are different than those provided for Involuntary Treatment Act. Involuntary treatment is a different process.

(7) If there is anything in this directive that you do not understand, you should ask a lawyer to explain it to you.

(8) You should be aware that there are some circumstances where your provider may not have to follow your directive.

(9) You should discuss any treatment decisions in your directive with your provider.

(10) You may ask the court to rule on the validity of your directive.

PART I. 
STATEMENT OF INTENT TO CREATE A MENTAL HEALTH ADVANCE DIRECTIVE

I, . . . . . . . . . , being a person with capacity, willfully and voluntarily execute this mental health advance directive so that my choices regarding my mental health care will be carried out in circumstances when I am unable to express my instructions and preferences regarding my mental health care. If a guardian is appointed by a court to make mental health decisions for me, I intend this document to take precedence over all other means of ascertaining my intent.

The fact that I may have left blanks in this directive does not affect its validity in any way. I intend that all completed sections be followed. If I have not expressed a choice, my agent should make the decision that he or she determines is in my best interest. I intend this directive to take precedence over any other directives I have previously executed, to the extent that they are inconsistent with this document, or unless I expressly state otherwise in either document.

I understand that I may revoke this directive in whole or in part if I am a person with capacity. I understand that I cannot revoke this directive if a court, two health care providers, or one mental health professional and one health care provider find that I am an incapacitated person, unless, when I executed this directive, I chose to be able to revoke this directive while incapacitated.

I understand that, except as otherwise provided in law, revocation must be in writing. I understand that nothing in this directive, or in my refusal of treatment to which I consent in this directive, authorizes any health care provider, professional person, health care facility, or agent appointed in this directive to use or threaten to use abuse, neglect, financial exploitation, or abandonment to carry out my directive.

I understand that there are some circumstances where my provider may not have to follow my directive.

PART II. 
WHEN THIS DIRECTIVE IS EFFECTIVE
YOU MUST COMPLETE THIS PART FOR YOUR DIRECTIVE TO BE VALID.

I intend that this directive become effective (YOU MUST CHOOSE ONLY ONE):

. . . . . . . Immediately upon my signing of this directive.

PART IV.
WHEN I MAY REVOKE THIS DIRECTIVE

YOU MUST COMPLETE THIS PART FOR THIS DIRECTIVE TO BE VALID.

I intend that I be able to revoke this directive (YOU MUST CHOOSE ONLY ONE):

. . . . . . . Only when I have capacity.
. . . . . . . I understand that choosing this option means I may only revoke this directive if I have capacity. I further understand that if I choose this option and become incapacitated while this directive is in effect, I may receive treatment that I specify in this directive, even if I object at the time.
. . . . . . . Even if I am incapacitated.
. . . . . . . I understand that choosing this option means that I may revoke this directive even if I am incapacitated. I further understand that if I choose this option and revoke this directive while I am incapacitated I may not receive treatment that I specify in this directive, even if I want the treatment.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1457, by House Committee on Transportation (originally sponsored by Wylie, Riccelli, Kloba, Santos, Slatter, Shemake, Ramel and Hackney)

Facilitating the installation of broadband facilities on limited access highways. Revised for 1st Substitute: Facilitating the installation of broadband facilities on limited access highways.

The measure was read the second time.

MOTION

Senator Saladaña moved that the following committee striking amendment by the Committee on Transportation be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Increasing broadband access to unserved areas of the state provides an increasingly essential public benefit to the citizens of Washington by allowing full participation in society and the modern economy, and enabling access to health care, education, the use of other technologies, and essential services, including public safety;

(b) Facilitating and accelerating affordable and quality statewide broadband access for all Washingtonians will require sustained investment, research, local and community participation, and the formation of strategic partnerships between private, public, and nonprofit entities;

(c) Providing for additional coordination and removal of barriers across sectors to increase broadband access in unserved areas is in the best interest of the state;

(d) Maximizing the use of rights-of-way during construction or repair of transportation systems offers cost-effective opportunities for extending and improving broadband and high-speed internet connections throughout the state; and

(e) Expanding broadband access, especially broadband conduit along roadways, provides commensurate benefits to the transportation system and motor vehicle users in terms of reducing the use of roads and alleviating congestion by allowing for more telework, and laying the foundation for a transportation system increasingly more reliant on autonomous vehicles.

(2) The legislature also finds that there is a need to utilize near-term options and opportunities along state highway rights-of-way to drive broadband network expansion and for undertaking longer-term planning of activities to develop additional paths to facilitate the expansion of broadband networks along state highway rights-of-way.

(3) Therefore, the legislature intends to expedite the expansion of broadband access to unserved areas throughout the state by increasing broadband infrastructure coordination, including through collaboration between the statewide broadband office and the department of transportation; proactively facilitating installation and improvement of infrastructure during state road construction projects; and studying recommendations related to the department of transportation's role in broadband service expansion efforts.

Sec. 2. RCW 43.330.532 and 2019 c 365 s 3 are each amended to read as follows:

(1) The governor's statewide broadband office is established.

The director of the office must be appointed by the governor. The office may employ staff necessary to carry out the office's duties as prescribed by chapter 365, Laws of 2019, subject to the availability of amounts appropriated for this specific purpose.

(2) The purpose of the office is to encourage, foster, develop, and improve affordable, quality broadband within the state in order to:

(a) Drive job creation, promote innovation, improve economic vitality, and expand markets for Washington businesses;

(b) Serve the ongoing and growing needs of Washington's education systems, health care systems, transportation systems, industries and business, governmental operations, and citizens; and

(c) Improve broadband accessibility for unserved communities and populations.

Sec. 3. RCW 43.330.534 and 2019 c 365 s 4 are each amended to read as follows:

(1) The office has the power and duty to:

(a) Serve as the central broadband planning body for the state
of Washington;

(b) Coordinate with local governments, tribes, public and private entities, nonprofit organizations, and consumer-owned and investor-owned utilities to develop strategies and plans promoting deployment of broadband infrastructure and greater broadband access, while protecting proprietary information;

(c) Review existing broadband initiatives, policies, and public and private investments;

(d) Develop, recommend, and implement a statewide plan to encourage cost-effective broadband access and to make recommendations for increased usage, particularly in rural and other unserved areas;

(e) Update the state's broadband goals and definitions for broadband service in unserved areas as technology advances, except that the state's definition for broadband service may not be actual speeds less than twenty-five megabits per second download and three megabits per second upload; and

(f) Encourage public-private partnerships to increase deployment and adoption of broadband services and applications.

(2) When developing plans or strategies for broadband deployment, the office must consider:

(a) Partnerships between communities, tribes, nonprofit organizations, local governments, consumer-owned and investor-owned utilities, and public and private entities;

(b) Funding opportunities that provide for the coordination of public, private, state, and federal funds for the purposes of making broadband infrastructure or broadband services available to rural and unserved areas of the state;

(c) Barriers to the deployment, adoption, and utilization of broadband service, including affordability of service and project coordination logistics; and

(d) Requiring minimum broadband service of twenty-five megabits per second download and three megabits per second upload speed, that is scalable to faster service.

(3) The office may assist applicants for the grant and loan program created in RCW 43.155.160 with seeking federal funding or matching grants and other grant opportunities for deploying broadband services.

(4) The office may take all appropriate steps to seek and apply for federal funds for which the office is eligible, and other grants, and accept donations, and must deposit these funds in the statewide broadband account created in RCW 43.155.165.

(5) In carrying out its purpose, the office may collaborate with the utilities and transportation commission, the office of the chief information officer, the department of commerce, the community economic revitalization board, the department of transportation, the public works board, the state librarian, and all other relevant state agencies.

Sec. 4. RCW 43.330.538 and 2019 c 365 s 6 are each amended to read as follows:

(1) Beginning January 1, 2021, and biennially thereafter, the office shall report to the legislative committees with jurisdiction over broadband policy and finance on the office's activities during the previous two years.

(2) The report must, at a minimum, contain:

(a) An analysis of the current availability and use of broadband, including average broadband speeds, within the state;

(b) Information gathered from schools, libraries, hospitals, and public safety facilities across the state, determining the actual speed and capacity of broadband currently in use and the need, if any, for increases in speed and capacity to meet current or anticipated needs;

(c) An overview of incumbent broadband infrastructure within the state;

(d) A summary of the office's activities in coordinating broadband infrastructure development with the department of transportation and the public works board, including a summary of funds awarded under RCW 43.155.160;

(e) Suggested policies, incentives, and legislation designed to accelerate the achievement of the goals under RCW 43.330.536; and

(f) Any proposed legislative and policy initiatives.

NEW SECTION. Sec. 5. A new section is added to chapter 47.44 RCW to read as follows:

(a) The department is directed to adopt and maintain an agency policy that requires the department to proactively provide broadband facility owners with information about planned state highway projects to enable collaboration between broadband facility owners and the department to identify opportunities for the installation of broadband facilities during the appropriate phase of these projects when such opportunities exist.

(b) If no owners are ready or able to participate in coordination of the installation of broadband infrastructure concurrently with state highway projects, the department may enlist its contractors to install broadband conduit as part of road construction projects in order to directly benefit the transportation system and motor vehicle users by:

(a) Reducing future traffic impacts to the traveling public on the roadway;

(b) Supporting the vehicle miles traveled reduction and congestion management goals of the state by allowing for more telework; or

(c) Proactively preparing the transportation system for the widespread development and use of autonomous vehicles.

(2) Broadband facility owners must first obtain a franchise granted by the department pursuant to RCW 47.44.010 and 47.44.020 before installing broadband facilities within the department's conduit. The costs for installation and maintenance of such broadband facilities shall be the responsibility of the broadband facility owner. The department may adopt rules establishing a fee schedule for occupancy of broadband facilities within the department's conduit consistent with federal law.

(3) As used in this section:

(a) "Broadband conduit" means a conduit used to support broadband infrastructure, including fiber optic cables.

(b) "Broadband infrastructure" has the same meaning as in RCW 43.330.530.

Sec. 6. RCW 47.52.001 and 2004 c 131 s 1 are each amended to read as follows:

(1) Unrestricted access to and from public highways has resulted in congestion and peril for the traveler. It has caused undue slowing of all traffic in many areas. The investment of the public in highway facilities has been impaired and highway facilities costing vast sums of money will have to be relocated and reconstructed.

(2) Personal wireless service) Broadband, which includes a range of high-speed transmission technologies, including fiber optic lines and personal wireless service facilities, is a critical part of the state's infrastructure. The rapid deployment of personal wireless service) broadband facilities is critical to ensure public safety, network access, quality of service, and rural economic development.

(3) It is, therefore, the declared policy of this state to limit access to the highway facilities of this state in the interest of highway safety and for the preservation of the investment of the public in such facilities, and to ensure that the use of rights-of-way of limited access facilities accommodate the deployment of personal wireless service) broadband facilities consistent with these interests. In furtherance of this policy, the department is directed to adopt and maintain an agency policy that...
requires the department to proactively provide broadband facility owners with information about planned limited access highway projects to enable collaboration between broadband facility owners and the department to identify opportunities for the installation of broadband facilities during the appropriate phase of these projects when such opportunities exist. Coordination between the department and broadband facility owners under this section must comply with applicable state and federal law including, but not limited to, chapter 47.44 RCW and RCW 47.04.045.

NEW SECTION. Sec. 7. (1) Subject to the availability of amounts appropriated for this specific purpose in the omnibus transportation appropriations act, the joint transportation committee shall oversee a consultant study to recommend:

(a) An effective department of transportation strategy, and specific highway corridors, that could be used to address missing fiber connections and inadequate broadband service in parts of the state unserved and underserved by broadband facilities while also aiding the achievement of the state broadband goals specified in RCW 43.330.536. As part of this recommendation, the following areas must also be addressed:

(i) What the appropriate taxonomy to apply to areas unserved or underserved by broadband is to better prioritize and contextualize the urgency of the need for broadband infrastructure in a given area; and

(ii) When the inclusion of broadband conduit installation in a transportation project is recommended as the most effective means of facilitating broadband access, rather than an alternative broadband facility placement, taking into account potential costs, and subject to any limitations in understanding potential costs of installation as part of a transportation project not yet undertaken;

(b) The role of the Washington state department of transportation and the statewide broadband office in a coordinated approach for broadband development statewide on highway rights-of-way that includes the adaptation of existing programs and activities to further a state initiative to expand and improve access to broadband;

(c) The most promising planning and financing tools that could be used by the department of transportation to provide the state with greater ability to install conduit in anticipation of future broadband fiber occupancy by others;

(d) Opportunities for mutually beneficial partnerships between the department of transportation and broadband service providers that could provide broadband services for transportation purposes such as intelligent transportation systems, cooperative automated transportation/autonomous vehicles, transportation demand management, and highway maintenance activities; and

(e) Strategies for the mitigation of potential safety, operations, and preservation impacts to transportation related to the recommendations made in (a) through (d) of this subsection.

(2) The study must also include an examination of any state and federal laws and regulations that could prevent or limit the implementation of these recommendations, as well as recommendations for modifications to the applicable state laws and regulations and recommended federal actions that could be requested by Washington state legislators.

(3) The joint transportation committee shall consult with the department of transportation, the Washington statewide broadband office, other state agencies and local jurisdictions, public and private utility providers, and public and private broadband providers, as necessary, during development of the study’s recommendations to ensure the relevance and applicability of the recommendations to the state.

(4) The joint transportation committee shall issue a report of its findings and recommendations to the house of representatives and senate transportation committees by January 1, 2022.

Sec. 8. RCW 47.44.010 and 2001 c 201 s 5 are each amended to read as follows:

(1) The department of transportation may grant franchises to persons, associations, private or municipal corporations, the United States government, or any agency thereof, to use any state highway for the construction and maintenance of water pipes, flume, gas, oil or coal pipes, telephone, telegraph (including fiber optic), electric light and power lines and conduits, trams or railways, and any structures or facilities that are part of an urban public transportation system owned or operated by a municipal corporation, agency, or department of the state of Washington other than the department of transportation, and any other such facilities. In order to minimize the disruption to traffic and damage to the roadway, the department is encouraged to develop a joint trenching policy with other affected jurisdictions so that all permittees and franchisees requiring access to ground under the roadway may do so at one time.

(2) All applications for the franchise must be made in writing and subscribed to by the applicant, and describe the state highway or portion thereof over which franchise is desired and the nature of the franchise. The application must also include the identification of all jurisdictions affected by the franchise and the names of other possible franchisees who should receive notice of the application for a franchise.

(3) The department of transportation shall adopt rules providing for a hearing or an opportunity for a hearing with reasonable public notice thereof with respect to any franchise application involving the construction and maintenance of utilities or other facilities within the highway right-of-way which the department determines may (a) during construction, significantly disrupt the flow of traffic or use of driveways or other facilities within the right-of-way, or (b) during or following construction, cause a significant and adverse effect upon the surrounding environment."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "facilitating the coordinated installation of broadband along state highways; amending RCW 43.330.532, 43.330.534, 43.330.538, 47.52.001, and 47.44.010; adding a new section to chapter 47.44 RCW; and creating new sections."

SUBSTITUTE HOUSE BILL NO. 1223, by House Committee on Transportation (originally sponsored by Peterson, Simmons, Bateman, Sells, Davis, Lovick, Orwell, Ryu, Ortiz-Self, Senn, Dolan, Fitzgibbon, Ormsby, Gregerson, Hackney, Valdez, Macri and Frame)

Enacting the uniform electronic recording of custodial interrogations act.

The measure was read the second time.

MOTION

Senator Pedersen moved that the following committee striking amendment by the Committee on Law & Justice be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. SHORT TITLE. This chapter may be known and cited as the uniform electronic recording of custodial interrogations act.

NEW SECTION. Sec. 2. DEFINITIONS. In this chapter:
1. "Custodial interrogation" means expressing questions or other actions or words by a law enforcement officer which are reasonably likely to elicit an incriminating response from an individual and occurs when reasonable individuals in the same circumstances would consider themselves in custody.
2. "Electronic recording" means an audio recording or audio and video recording that accurately records a custodial interrogation. "Record electronically" and "recorded electronically" have a corresponding meaning.
3. "Law enforcement agency" means a general authority Washington law enforcement agency or limited authority Washington law enforcement agency as those terms are defined in RCW 10.93.020.
4. "Law enforcement officer" means a general authority Washington peace officer or limited authority Washington peace officer as those terms are defined in RCW 10.93.020.
5. "Person" means an individual, corporation, business trust, statutory trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, or government; governmental subdivision, agency, or instrumentality; or any other legal or commercial entity.
6. "Place of detention" means a fixed location under the control of a law enforcement agency where individuals are questioned about alleged crimes or status offenses. The term includes a jail, police or sheriff's station, holding cell, correctional or detention facility, police vehicle, and in the case of juveniles, schools.
7. "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States.
8. "Statement" means a communication whether oral, written, electronic, or nonverbal.

NEW SECTION. Sec. 3. ELECTRONIC RECORDING REQUIREMENT. (1) Except as otherwise provided by sections 5 through 10 of this act, a custodial interrogation, including the giving of any required warning, advice of the rights of the individual being questioned, and the waiver of any rights by the individual, must be recorded electronically in its entirety if the interrogation subject is a juvenile or if the interrogation relates to a felony crime. A custodial interrogation at a jail, police or sheriff’s station, holding cell, or correctional or detention facility must be recorded by audio and video means. A custodial interrogation at any other place of detention must be recorded by audio means at minimum.

(2) If a law enforcement officer conducts a custodial interrogation to which subsection (1) of this section applies without electronically recording it in its entirety, the officer shall prepare a written or electronic report explaining the reason for not complying with this section and summarizing the custodial interrogation process and the individual’s statements.

(3) A law enforcement officer shall prepare the report required by subsection (2) of this section as soon as practicable after completing the interrogation.

(4) As soon as practicable, a law enforcement officer conducting a custodial interrogation outside a place of detention shall prepare a written report explaining the decision to interrogate outside a place of detention and summarizing the custodial interrogation process and the individual’s statements made outside a place of detention.

(5) This section does not apply to a spontaneous statement made outside the course of a custodial interrogation or a statement made in response to a question asked routinely during the processing of the arrest of an individual.

NEW SECTION. Sec. 4. CONSENT NOT REQUIRED—NOTICE. Notwithstanding RCW 9.73.030 and 9.73.090, a law enforcement officer conducting a custodial interrogation is not required to obtain consent to electronic recording from the individual being interrogated, but must inform the individual that an electronic recording is being made of the interrogation. This chapter does not permit a law enforcement officer or a law enforcement agency to record a private communication between an individual and the individual’s lawyer.

NEW SECTION. Sec. 5. EXCEPTION FOR EXIGENT CIRCUMSTANCES. A custodial interrogation to which section 3 of this act otherwise applies need not be recorded electronically if recording is not feasible because of exigent circumstances. The law enforcement officer conducting the interrogation shall record electronically an explanation of the exigent circumstances before conducting the interrogation, if feasible, or as soon as practicable after the interrogation is completed.

NEW SECTION. Sec. 6. EXCEPTION FOR INDIVIDUAL’S REFUSAL TO BE RECORDED ELECTRONICALLY. (1) A custodial interrogation to which section 3 of this act otherwise applies need not be recorded electronically if the individual to be interrogated indicates that the individual will not participate in the interrogation if it is recorded electronically. If feasible, the agreement to participate without recording must be recorded electronically.
(2) If, during a custodial interrogation to which section 3 of this act otherwise applies, the individual being interrogated indicates that the individual will not participate in further interrogation unless electronic recording ceases, the remainder of the custodial interrogation need not be recorded electronically. If feasible, the individual's agreement to participate without further recording must be recorded electronically.

(3) A law enforcement officer, with intent to avoid the requirement of electronic recording in section 3 of this act, may not encourage an individual to request that a recording not be made.

NEW SECTION. Sec. 7. EXCEPTION FOR INTERROGATION CONDUCTED BY OTHER JURISDICTION. If a custodial interrogation occurs in another state in compliance with that state's law or is conducted by a federal law enforcement agency in compliance with federal law, the interrogation need not be recorded electronically unless the interrogation is conducted with intent to avoid the requirement of electronic recording in section 3 of this act.

NEW SECTION. Sec. 8. EXCEPTION BASED ON BEGIF RECORDING NOT REQUIRED. (1) A custodial interrogation to which section 3 of this act otherwise applies need not be recorded electronically if the interrogation occurs when no law enforcement officer conducting the interrogation has knowledge of facts and circumstances that would lead an officer reasonably to believe that the individual being interrogated may have committed an act for which section 3 of this act requires that a custodial interrogation be recorded electronically.

(2) If, during a custodial interrogation under subsection (1) of this section, the individual being interrogated reveals facts and circumstances giving a law enforcement officer conducting the interrogation reason to believe that an act has been committed for which section 3 of this act requires that a custodial interrogation be recorded electronically, continued custodial interrogation concerning that act must be recorded electronically, if feasible.

NEW SECTION. Sec. 9. EXCEPTION FOR SAFETY OF INDIVIDUAL OR PROTECTION OF IDENTITY. A custodial interrogation to which section 3 of this act otherwise applies need not be recorded electronically if a law enforcement officer conducting the interrogation or the officer's superior reasonably believes that electronic recording would disclose the identity of a confidential informant or jeopardize the safety of an officer, the individual being interrogated, or another individual. If feasible and consistent with the safety of a confidential informant, an explanation of the basis for the belief that electronic recording would disclose the informant's identity must be recorded electronically at the time of the interrogation. If contemporaneous recording of the basis for the belief is not feasible, the recording must be made as soon as practicable after the interrogation is completed.

NEW SECTION. Sec. 10. EXCEPTION FOR EQUIPMENT MALFUNCTION. (1) All or part of a custodial interrogation to which section 3 of this act otherwise applies need not be recorded electronically to the extent that recording is not feasible because the available electronic recording equipment fails, despite reasonable maintenance of the equipment, and timely repair or replacement is not feasible.

(2) If both audio and video recording of a custodial interrogation are otherwise required by section 3 of this act, recording may be by audio alone if a technical problem in the video recording equipment prevents video recording, despite reasonable maintenance of the equipment, and timely repair or replacement is not feasible.

(3) If both audio and video recording of a custodial interrogation are otherwise required by section 3 of this act, recording may be by video alone if a technical problem in the audio recording equipment prevents audio recording, despite reasonable maintenance of the equipment, and timely repair or replacement is not feasible.

NEW SECTION. Sec. 11. BURDEN OF PROOF. If the prosecution relies on an exception in sections 5 through 10 of this act to justify a failure to record electronically a custodial interrogation, the prosecution must prove by a preponderance of the evidence that the exception applies.

NEW SECTION. Sec. 12. NOTICE OF INTENT TO INTRODUCE UNRECORDED STATEMENT. If the prosecution intends to introduce in its case in chief a statement made during a custodial interrogation to which section 3 of this act applies which was not recorded electronically, the prosecution, not later than the time specified by the local rules governing discovery, shall serve the defendant with written notice of that intent and of any exception on which the prosecution intends to rely.

NEW SECTION. Sec. 13. PROCEDURAL REMEDIES. (1) Unless the court finds that an exception in sections 5 through 10 of this act applies, the court shall consider the failure to record electronically all or part of a custodial interrogation to which section 3 of this act applies in determining whether a statement made during the interrogation is admissible, including whether it was voluntarily made.

(2) If the court admits into evidence a statement made during a custodial interrogation that was not recorded electronically in compliance with section 3 of this act, the court shall afford the defendant the opportunity to present to the jury the fact that the statement was not recorded electronically in compliance with section 3 of this act.

NEW SECTION. Sec. 14. HANDLING AND PRESERVING ELECTRONIC RECORDING. Each law enforcement agency in this state shall establish and enforce procedures to ensure that the electronic recording of all or part of a custodial interrogation is identified, accessible, and preserved throughout the length of any resulting sentence, including any period of community custody extending through final discharge.

NEW SECTION. Sec. 15. POLICIES AND PROCEDURES RELATING TO ELECTRONIC RECORDING. (1) Each law enforcement agency that is a governmental entity of this state shall adopt and enforce policies and procedures to implement this chapter.

(2) The policies and procedures adopted under subsection (1) of this section must address the following topics:

(a) How an electronic recording of a custodial interrogation must be made;

(b) The collection and review of electronic recordings, or the absence thereof, by supervisors in each law enforcement agency;

(c) The assignment of supervisory responsibilities and a chain of command to promote internal accountability;

(d) A process for explaining noncompliance with procedures and imposing administrative sanctions for a failure to comply that is not justified;

(e) A supervisory system expressly imposing on individuals in specific positions a duty to ensure adequate staffing, education, training, and material resources to implement this chapter; and

(f) A process for preserving the chain of custody of an electronic recording.

(3) The policies and procedures adopted under subsection (2)(a) of this section for video recording must contain standards for the angle, focus, and field of vision of a recording device which reasonably promote accurate recording of a custodial interrogation at a place of detention and reliable assessment of its accuracy and completeness.

NEW SECTION. Sec. 16. LIMITATION OF LIABILITY. (1) A law enforcement agency that is a governmental entity in this
state which has implemented procedures reasonably designed to enforce the rules adopted pursuant to section 15 of this act and ensure compliance with this chapter is not subject to civil liability for damages arising from a violation of this chapter.

(2) This chapter does not create a right of action against a law enforcement officer.

NEW SECTION. Sec. 17. SELF-AUTHENTICATION. (1) In any pretrial or posttrial proceeding, an electronic recording of a custodial interrogation is self-authenticating if it is accompanied by a certificate of authenticity sworn under oath or affirmation by an appropriate law enforcement officer.

(2) This chapter does not limit the right of an individual to challenge the authenticity of an electronic recording of a custodial interrogation under law of this state other than this chapter.

NEW SECTION. Sec. 18. NO RIGHT TO ELECTRONIC RECORDING OR TRANSCRIPT. (1) This chapter does not create a right of an individual to require a custodial interrogation to be recorded electronically.

(2) This chapter does not require preparation of a transcript of an electronic recording of a custodial interrogation.

Teachers adapted their lessons for videoconferencing platforms and arranged for students to submit homework via email. However, limited opportunities for in-person instruction amplified digital deserts and disparities among students that are likely to continue to grow for the foreseeable future.

(2) The legislature finds that students from low-income families face disproportionate barriers to accessing learning over the internet in their homes, partly because they do not have internet-accessible devices appropriate for learning. The legislature also recognizes that accessing learning over the internet requires more than just an internet-accessible device appropriate for learning. For students and their families to be truly connected, they need the digital literacy, digital skills, and digital support to use internet-accessible devices and to navigate the web in support of student learning.

(3) Therefore, the purposes of this act are to: (a) Accelerate student access to learning devices and related goods and services; (b) expand training programs and technical assistance on using technology to support student learning; and (c) build the capacity of schools and districts to support digital navigation services for students and their families.

Sec. 2. RCW 28A.650.010 and 2017 c 90 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(3) "Network" means integrated linking of education technology systems in schools for transmission of voice, data, video, or imaging, or a combination of these.)) "Learning device" means an internet-accessible computer, tablet, or other device, with an appropriate operating system, software and data security, that can be used to access curricula, educational web applications and websites, and learning management systems, and with telecommunications capabilities sufficient for videoconferencing.

Modifying the workforce education investment act.

The measure was read the second time.

MOTION

Senator Randall moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is a compelling and urgent need for coordinated investments in the state's behavioral health workforce. The demand for a qualified behavioral health workforce continues to grow as the availability of services throughout the state does not meet the need. According to the workforce training and education coordinating board's "behavioral health workforce: Barriers and solutions report," Washington ranks 31 out of the 50 states when comparing prevalence of mental illness to access to care. In addition, behavioral health needs have increased since the COVID-19 pandemic began and the need is expected to rise as economic and social hardships continue. Despite increased demand, the legislature finds that there continues to be difficulties in recruiting and retaining professionals who are adequately trained to meet behavioral health needs. Many of these professions require years of training, ranging from some postsecondary education to medical degrees. In addition, the legislature finds that there is significant variation in the geographic distribution of behavioral health providers across the state. Rural and underserved areas face disparities in access to care. High student loan debt loads, better pay, and lighter caseloads can drive behavioral health professionals into private practice or hospital-based settings rather than community-based settings which typically have a higher percentage of Medicaid-funded services and higher caseloads.

The legislature finds that there are professions and areas within the behavioral health workforce that are most in need of state investment. The legislature intends to focus coordinated efforts and investments on these areas of greatest need including, but not limited to:

(1) Behavioral health apprenticeships;
(2) Children's mental health professionals;
(3) Peer counselors;
(4) Crisis hotline agents;
(5) Behavioral health residencies for professionals such as psychiatrists, advanced registered nurse practitioners, physician assistants, and pharmacists;
(6) Substance use disorder professionals;
(7) Community mental health workers;
(8) Clinical social workers;
(9) Licensed mental health counselors;
(10) Licensed marriage and family therapists; and
(11) Clinical psychologists.

The legislature also recognizes existing programs that have helped recruit, retain, and grow the behavioral health workforce, such as the Washington health corps, which provides loan repayment to behavioral health professionals, and the Washington state opportunity scholarship, which utilizes a public-private match to fund scholarships for students pursuing health fields. Therefore, the legislature intends to increase the behavioral health workforce by expanding on successful existing programs, establishing new ones, and by focusing the efforts of the workforce education investment act.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.115 RCW to read as follows:

The office and the department of health shall prioritize a portion of any nonfederal balances in the health professional loan repayment and scholarship program fund for conditional loan repayment contracts for applications that reflect demographically underrepresented populations. Loan repayment contracts may include services provided in the community or at a designated site.

NEW SECTION. Sec. 3. A new section is added to chapter 71.24 RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the authority shall establish a behavioral health workforce pilot program and training support grants for community mental health providers including, but not limited to, clinical social workers, licensed mental health counselors, licensed marriage and family therapists, clinical psychologists, and substance abuse treatment providers. The authority must implement these services in partnership with and through the regional accountable communities of health or the University of Washington behavioral health institute.

(a) The intent of the pilot program is to provide incentive pay for individuals serving as clinical supervisors within community behavioral health agencies, state hospitals, and other facilities operated by the department of social and health services. The desired outcomes of the pilot program include increased internships and entry opportunities for new clinicians through recruitment and retention of supervisors. The authority must ensure the pilot program covers three sites serving primarily Medicaid clients in both eastern and western Washington. One of the sites must specialize in the delivery of behavioral health services for Medicaid enrolled children. Of the remaining two sites, one must offer substance use disorder treatment services.

(b) The authority must provide a report to the office of financial management and the appropriate committees of the legislature by September 30, 2023, on the outcomes of the pilot program. The report must include:

(i) A description of the mechanism for incentivizing supervisor pay and other strategies used at each of the sites;
(ii) The number of supervisors that received bonus pay at each site;
(iii) The number of students or prelicensure clinicians that received supervision at each site;
(iv) The number of supervision hours provided at each site;
(v) Initial reporting on the number of students or prelicensure clinicians who received supervision through the pilot programs that moved into a permanent position with the pilot program or another community behavioral health program in Washington state at the end of their supervision;
(vi) Identification of options for establishing enhancement of supervisor pay through managed care organization payments to behavioral health providers; and
(vii) Recommendations of individual site policy and practice implications for statewide implementation.

(2) The authority shall establish a grant program to mental health and substance use disorder providers that provides flexible funding for training and mentoring of clinicians serving children and youth. The authority must consult with stakeholders, including but not limited to behavioral health experts in services for children and youth, providers, and consumers, to develop guidelines for how the funding could be used, with a focus on evidence-based and promising practices, continuing education requirements, and quality monitoring infrastructure.

Sec. 5. RCW 28B.145.030 and 2019 c 406 s 65 are each amended to read as follows:

1. The program administrator shall provide administrative support to execute the duties and responsibilities provided in this chapter, including but not limited to publicizing the program, selecting participants for the opportunity scholarship award, distributing opportunity scholarship awards, and achieving the maximum possible rate of return on investment of the accounts in subsection (2) of this section, while ensuring transparency in the investment decisions and processes. Duties, exercised jointly with the board, include soliciting funds and setting annual fund-raising goals. The program administrator shall be paid an administrative fee as determined by the board.

2. With respect to the opportunity scholarship program, the program administrator shall:
   (a) Establish and manage the specified accounts created in (b) of this subsection, into which to receive grants and contributions from private sources as well as state matching funds, and from which to disburse scholarship funds to participants;
   (b) Solicit and accept grants and contributions from private sources, via direct payment, pledge agreement, or escrow account, of private sources for deposit into any of the specified accounts created in this subsection (2)(b) upon the direction of the donor and in accordance with this subsection (2)(b):
      (i) The "scholarship account," whose principal may be invaded, and from which scholarships must be disbursed for baccalaureate programs beginning no later than December 1, 2011, if, by that date, state matching funds in the amount of five million dollars or more have received. Thereafter, scholarships shall be disbursed on an annual basis beginning no later than May 1, 2012, and every October 1st thereafter;
      (ii) The "student support pathways account," whose principal may be invaded, and from which scholarships may be disbursed for professional-technical certificate or degree programs in the fiscal year following appropriations of state matching funds. Thereafter, scholarships shall be disbursed on an annual basis;
      (iii) The "advanced degrees pathways account," whose principal may be invaded, and from which scholarships may be disbursed for eligible advanced degree programs in the fiscal year following appropriations of state matching funds. Thereafter, scholarships shall be disbursed on an annual basis;
      (iv) The "endowment account," from which scholarship moneys may be disbursed for baccalaureate programs from earnings only in years when:
         (A) The state match has been made into both the scholarship and the endowment account; and
         (B) The state appropriations for the Washington college grant program under chapter 28B.92 RCW meet or exceed state appropriations for the state need grant made in the 2011-2013 biennium, adjusted for inflation, and eligibility for Washington college grant recipients is at least seventy percent of state median family income;
      (v) An amount equal to at least fifty percent of all grants and contributions must be deposited into the scholarship account until such time as twenty million dollars have been deposited into the scholarship account, after which time the private donors may designate whether their contributions must be deposited to the scholarship account, the student support pathways account, the advanced degrees pathways account, or the endowment account. The board and the program administrator must work to maximize private sector contributions to these accounts to maintain a robust scholarship program while simultaneously building the endowment, and to determine the division between the accounts in the case of undesignated grants and contributions, taking into account the need for a long-term funding mechanism and the short-term needs of families and students in Washington. The first five million dollars in state match, as provided in RCW 28B.145.040, shall be deposited into the scholarship account and thereafter the state match shall be deposited into the specified accounts created in this subsection (2)(b) in equal proportion to the private funds deposited in each account, except that no more than (one million dollars) $5,000,000 in state match shall be deposited into the advanced degrees pathways account in a single fiscal biennium; and
      (vi) Once moneys in the opportunity scholarship match transfer account are subject to an agreement under RCW 28B.145.050(5) and are deposited in the scholarship account, the student support pathways account, the advanced degrees pathways account, or the endowment account under this section, the state acts in a fiduciary
rather than ownership capacity with regard to those assets. Assets in the scholarship account, the student support pathways account, the advanced degrees pathways account, and the endowment account are not considered state money, common cash, or revenue to the state;

(c) Provide proof of receipt of grants and contributions from private sources to the council, identifying the amounts received by name of private source and date, and whether the amounts received were deposited into the scholarship account, the student support pathways account, the advanced degrees pathways account, or the endowment account;

(d) In consultation with the council and the state board for community and technical colleges, make an assessment of the reasonable annual eligible expenses associated with eligible education programs and eligible advanced degree programs identified by the board;

(e) Determine the dollar difference between tuition fees charged by institutions of higher education in the 2008-09 academic year and the academic year for which an opportunity scholarship is being distributed;

(f) Develop and implement an application, selection, and notification process for awarding opportunity scholarships;

(g) Ensure that if the private source is from a federally recognized Indian tribe, municipality, or county, an amount at least equal to the value of the private source plus the state match is awarded to participants within that federally recognized Indian tribe, municipality, or county according to the federally recognized Indian tribe's, municipality's, or county's program rules;

(h) Determine the annual amount of the opportunity scholarship for each selected participant. The annual amount shall be at least one thousand dollars or the amount determined under (e) of this subsection, but may be increased on an income-based, sliding scale basis up to the amount necessary to cover all reasonable annual eligible expenses as assessed pursuant to (d) of this subsection, or to encourage participation in professional-technical certificate programs, professional-technical degree programs, baccalaureate degree programs, or eligible advanced degree programs identified by the board;

(i) Distribute scholarship funds to selected participants. Once awarded, and to the extent funds are available for distribution, an opportunity scholarship shall be automatically renewed as long as the participant annually submits documentation of filing both a free application for federal student aid (FAFSA) and for available federal education tax credits including, but not limited to, the American opportunity tax credit, or if ineligible to apply for federal student aid, the participant annually submits documentation of filing a state financial aid application as approved by the office of student financial assistance; and until the participant withdraws from or is no longer attending the program, completes the program, or has taken the credit or clock hour equivalent of one hundred twenty-five percent of the published length of time of the participant's program, whichever occurs first;

(j) Notify institutions of scholarship recipients who will attend their institutions and inform them of the terms of the students' eligibility; and

(k) For participants enrolled in an eligible advanced degree program, document each participant's employment following graduation.

(3) With respect to the opportunity expansion program, the program administrator shall:

(a) Assist the board in developing and implementing an application, selection, and notification process for making opportunity expansion awards; and

(b) Solicit and accept grants and contributions from private sources for opportunity expansion awards.

Sec. 6. RCW 43.79.195 and 2020 c 2 s 2 are each amended to read as follows:

(1) The workforce education investment account is created in the state treasury. All revenues from the workforce investment surcharge created in RCW 82.04.299 and those revenues as specified under RCW 82.04.290(2)(c) must be deposited directly into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for higher education programs, higher education operations, higher education compensation, (and) state-funded student aid programs, and workforce development including career connected learning as defined by RCW 28C.30.020. (For the 2019-2021 biennium, expenditures from the account may be used for kindergarten through twelfth grade if used for career connected learning as provided for in chapter 406, Laws of 2019.)

(2) Expenditures from the workforce education investment account must be supplemented, not supplant, other federal, state, and local funding for higher education.

NEW SECTION. Sec. 7. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2021, in the omnibus appropriations act, this act is null and void."

MOTION

Senator Mullet moved that the following committee striking amendment by the Committee on Business, Financial Services & Trade be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 19.118.031 and 2009 c 351 s 2 are each amended to read as follows:

(1) The manufacturer shall publish an owner's manual and provide it to the new motor vehicle dealer or leasing company. The owner's manual shall include a list of the addresses and phone numbers for the manufacturer's customer assistance division, or zone or regional offices. A manufacturer shall provide to the new motor vehicle dealer or leasing company all applicable manufacturer's written warranties. The dealer or leasing company shall transfer to the consumer, at the time of original retail sale or lease, the owner's manual and applicable written warranties as provided by a manufacturer.

(2) At the time of purchase, the new motor vehicle dealer shall provide the consumer with a written statement that explains the consumer's rights under this chapter. The written statement shall be prepared and supplied by the attorney general and shall contain a toll-free number that the consumer can contact for information regarding the procedures and remedies under this chapter, and may be presented to the consumer in paper or electronic form. In the event a consumer requests modification of the new motor vehicle in a manner which may partially or completely void the manufacturer's implied or express warranty, and which becomes part of the basis of the bargain of the initial retail sale or lease of the vehicle, a new motor vehicle dealer shall provide a clear and conspicuous written disclosure, independently signed and dated by the consumer, stating "Your requested modification may void all or part of a manufacturer warranty and a resulting defect or condition may not be subject to remedies afforded by the motor vehicle warranties act, chapter 19.118 RCW." A dealer who obtains a signed written disclosure under circumstances where the warranty may be void is not subject to this chapter as a manufacturer to the extent the modification affects the use, value, or safety of a new motor vehicle. Failure to provide the disclosure specified in this subsection does not constitute a violation of chapter 19.86 RCW.

(3) For the purposes of this chapter, if a new motor vehicle does not conform to the warranty and the consumer reports the nonconformity during the term of the eligibility period or the period of coverage of the applicable manufacturer's written warranty, whichever is less, to the manufacturer, its agent, or the new motor vehicle dealer who sold the new motor vehicle, the manufacturer, its agent, or the new motor vehicle dealer shall make repairs as are necessary to conform the vehicle to the warranty, regardless of whether such repairs are made after the expiration of the eligibility period. Any corrections or attempted repairs undertaken by a new motor vehicle dealer under this chapter shall be treated as warranty work and billed by the dealer to the manufacturer in the same manner as other work under the manufacturer's written warranty is billed. For purposes of this subsection, the manufacturer's written warranty shall be at least one year after the date of the original delivery to the consumer of the vehicle or the first twelve thousand miles of operation, whichever occurs first.

(4) Upon request from the consumer, the manufacturer or new motor vehicle dealer shall provide a copy of any report or computer reading compiled by the manufacturer's field or zone representative regarding inspection, diagnosis, or test-drive of the consumer's new motor vehicle, or shall provide a copy of any technical service bulletin issued by the manufacturer regarding the year and model of the consumer's new motor vehicle as it pertains to any material, feature, component, or the performance thereof.

(5) The new motor vehicle dealer shall provide to the consumer each time the consumer's vehicle is returned from being diagnosed or repaired under the warranty, a fully itemized, legible statement or repair order indicating any diagnosis made, and all work performed on the vehicle including but not limited to, a general description of the problem reported by the consumer or an identification of the defect or condition, parts and labor, the date and the odometer reading when the vehicle was submitted for repair, and the date when the vehicle was made available to the consumer.

(6) No manufacturer, its agent, or the new motor vehicle dealer may refuse to diagnose or repair any nonconformity covered by the warranty for the purpose of avoiding liability under this chapter.

(7) For purposes of this chapter, consumers shall have the rights and remedies, including a cause of action, against manufacturers as provided in this chapter.

(8) The eligibility period and thirty-day out-of-service period, and sixty-day out-of-service period in the case of a motor home, shall be extended by any time that repair services are not available to the consumer as a direct result of a strike, war, invasion, fire, flood, or other natural disaster.

Sec. 2. RCW 63.14.040 and 2012 c 117 s 167 are each amended to read as follows:

(1) The retail installment contract shall contain the names of the seller and the buyer, the place of business of the seller, the residence or other address of the buyer as specified by the buyer and a description or identification of the goods sold or to be sold, or service furnished or rendered or to be furnished or rendered. The contract also shall contain the following items, which shall be set forth in the sequence appearing below:

(h) (of this subsection) of this subsection is stated in a dollar amount; and

(j) Except as otherwise provided in the next two sentences, the maximum number of installment payments required and the amount of each installment and the due date of each payment necessary to pay such balance. If installment payments other than the final payment are stated as a series of equal scheduled amounts and if the amount of the final installment payment does not substantially exceed the scheduled amount of each preceding installment payment, the maximum number of payments and the amount and due date of each payment need not be separately stated and the amount of the scheduled final installment payment may be stated as the remaining unpaid balance. The due date of the first installment payment may be fixed by a day or date or may be fixed by reference to the date of the contract or to the time of delivery or installation.

Additional items may be included to explain the calculations involved in determining the balance to be paid by the buyer.

(2) Every retail installment contract shall contain the following notice in ten point bold face type or larger directly above the space reserved in the contract for the signature of the buyer: "NOTICE TO BUYER:

(a) Do not sign this contract before you read it or if any spaces intended for the agreed terms, except as to unavailable information, are blank.

(b) You are entitled to a copy of this contract at the time you sign it.

If you choose to cancel this contract, you must return or make available to the seller at the place of delivery any merchandise, in its original condition, received by you under this contract."

Subsection (2)(e) of this section is effective and needs to be included in the notice only if the contract is solicited in person by the seller or his or her representative, and the buyer signs it, at a place other than the seller's business address shown on the contract, but does not apply to a retail installment contract used for the sale of a motor vehicle by a licensed vehicle dealer.

Sec. 3. RCW 63.14.154 and 2016 sp.s. c 26 s 2 are each amended to read as follows:

(1) In addition to any other rights he or she may have, the buyer shall have the right to cancel a retail installment transaction for other than the seller's breach by sending notice of such cancellation to the seller at his or her place of business as set forth in the contract or charge agreement by certified mail, return receipt requested, which shall be posted not later than midnight of the third day (excluding Sundays and holidays) following the date the buyer signs the contract or charge agreement:

(a) If the retail installment transaction was entered into by the buyer and solicited in person or by a commercial telephone solicitation as defined by chapter 20, Laws of 1989 by the seller or his or her representative at a place other than the seller's address, which may be his or her main or branch office, shown on the contract; and

(b) If the buyer returns goods received or makes them available to the seller as provided in subsection (2)(b) of this section.

(2) In the event of cancellation pursuant to this section:

(b) The seller shall be entitled to reclaim and the buyer shall return or make available to the seller at the place of delivery in its original condition any goods received by the buyer under the contract or charge agreement;

(c) The buyer shall incur no additional liability for such cancellation.

(3) This section does not apply to a retail installment transaction for the purchase of a motor vehicle. If a retail installment sale contract is used for the sale of a vehicle by a motor vehicle dealer at a place other than the dealer's address, the dealer must disclose to the purchaser or lessee in writing that there is no right to cancel the contract under RCW 63.14.154.

Sec. 4. RCW 46.70.023 and 2016 sp.s. c 26 s 2 are each amended to read as follows:

(12) A vehicle dealer’s license shall upon the death or incapacity of an individual vehicle dealer authorize the personal representative of such dealer, subject to payment of license fees, to continue the business for a period of six months from the date of the death or incapacity."

The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All real and personal property taxes and assessments made payable by the provisions of this title are due and payable to the county treasurer on or before the thirtieth day of April and, except as provided in this section, are delinquent after that date.

Interest must be calculated at the rate in effect at the time of the tax payment, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the amount of tax delinquent is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the delinquent tax amount on December 1st of the year in which the tax is due.

(c) If a taxpayer is successfully participating in a payment agreement under subsection (15)(b) of this section or a partial payment program pursuant to subsection (15)(c) of this section, the county treasurer may not assess additional penalties on delinquent taxes that are included within the payment agreement. Interest and penalties that have been assessed prior to the payment agreement remain due and payable as provided in the payment agreement.
(6) A county treasurer must provide notification to each taxpayer whose taxes have become delinquent under subsections (4) and (5) of this section. The delinquency notice must specify where the taxpayer can obtain information regarding:
(a) Any current tax or special assessments due as of the date of the notice;
(b) Any delinquent tax or special assessments due, including any penalties and interest, as of the date of the notice; and
(c) Where the taxpayer can pay his or her property taxes directly and contact information, including but not limited to the phone number, for the statewide foreclosure hotline recommended by the Washington state housing finance commission.

(7) Within ninety days after the expiration of two years from the date of delinquency (when a taxpayer's taxes have become delinquent), the county treasurer must provide the name and property address of the delinquent taxpayer to a homeownership resource center or any other designated local or state entity recommended by the Washington state housing finance commission.

Collection of foreclosure costs.

(8)(a) When real property taxes become delinquent and prior to the filing of the certificate of delinquency, the treasurer is authorized to assess and collect tax foreclosure avoidance costs.
(b) When tax foreclosure avoidance costs are collected, such costs must be credited to the county treasurer service fund account, except as otherwise directed.
(c) For purposes of chapter 84.64 RCW, any taxes, interest, or penalties deemed delinquent under this section remain delinquent until such time as all taxes, interest, and penalties for the tax year in which the taxes were first due and payable have been paid in full.

Periods of armed conflict.

(9) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict regarding delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

State of emergency.

(10) [(a) During] (a) Except as provided in (b) of this subsection, during a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

(b)(i) Due to the state of emergency declared under RCW 43.06.010(12) related to the novel coronavirus, the county treasurer must grant an extension of the due date of any unpaid, nondelinquent taxes payable in 2021, if an eligible taxpayer demonstrates to the county treasurer's satisfaction a loss of at least 25 percent of its revenue attributable to that real property for calendar year 2020 compared to calendar year 2019.

(ii) Eligible taxpayers must request an extension under the subsection from the county treasurer solely upon forms developed or approved by the department. The county treasurer must deny any extension request that is not filed with the county treasurer by April 30, 2021.

(B) An eligible taxpayer requesting an extension under this subsection (10)(b) must certify under penalty of perjury in accordance with chapter 5.50 RCW that the information contained in the extension request is true and correct.

(C) County treasurers may grant an extension under this subsection (10)(b) based solely on the information provided in a person's request for extension. County treasurers may, but are not required to, independently verify the information submitted in a request for extension.

(iii) A county treasurer granting an extension under this subsection (10)(b) must establish a payment plan for the taxes subject to the extension. The county treasurer may determine the payment schedule and other terms of the payment plan.
(A) In setting terms for the payment plan, the county treasurer must consider cash flow and other impacts on all relevant taxing jurisdictions. The county treasurer must prioritize payment plan expenditures to protect scheduled bond payments, and otherwise has discretion as to how payments made under the payment plan are expended.
(B) A taxing jurisdiction must report to the county treasurer its current fund balance by April 30, 2021. If granting the extension under this subsection (10)(b) results in any taxing jurisdiction being unable to make scheduled bond payments, then the county treasurer may choose not to grant extensions under this subsection (10)(b).
(C) Penalties and interest do not apply to the taxes due under the payment plan so long as the eligible taxpayer fully complies with all the terms of the payment plan.

(iv) The county treasurer must process all requests for extension under this subsection (10)(b) by June 30, 2021.

(v) The department may, to the extent feasible, considering available resources and data limitations, assist the county treasurer, upon request, in determining whether a person requesting an extension under this subsection (10)(b) is an eligible taxpayer.

(vi) The department may, in its sole discretion, at the request of a county treasurer or on its own initiative, audit any person receiving an extension under this subsection (10)(b) to determine if the person was eligible for such extension. The powers of the department under chapter 84.08 RCW apply to these audits.

(vii) Any owner of real property receiving an extension under this subsection (10)(b) must pass the entire benefit of the extension to any tenant, and such tenant to any sublessee, if the tenant or sublessee is required by the lease or other contract to pay the property tax expense of the owner. Neither county treasurers nor the department have any responsibility for enforcing this subsection (10)(b)(vii).

(viii) The department may adopt rules it deems necessary to administer this subsection (10)(b).

(ix) The department is authorized to provide its opinion, if any, to a county treasurer as to whether a person meets the qualifications for an extension under this subsection (10)(b). However, nothing in this subsection (10)(b) requires the department to disclose to a county treasurer details of the revenues of a person requesting or receiving an extension under this subsection (10)(b).

(x) For purposes of this subsection (10)(b), the following definitions apply:
(A) "Attributable" means generated from the leasing or renting of real property or from a person's business activities conducted in, or directed or managed from, real property.
(B) "Eligible taxpayer" means an owner or person responsible for payment of tax on any real property primarily used for business purposes who has experienced a loss of at least 25 percent of its revenue attributable to that real property for calendar year 2020 compared to calendar year 2019.

(16) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and are delinquent after that date. The remainder of the tax is due and payable on or before the following thirty-first of October and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

All tax payments received by a treasurer from a taxpayer paying delinquent year taxes must be applied first to the oldest delinquent year unless such taxpayer requests otherwise.

**Payment for administering prepayment collections.**

(18) The treasurer must pay any collection costs, investment earnings, or both on past due payments or prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

**Waiver of interest and penalties for qualified taxpayers subject to foreclosure.**

(19) No earlier than sixty days prior to the date that is three years after the date of delinquency, the treasurer must waive all outstanding interest and penalties on delinquent taxes due from a taxpayer if the property is subject to an action for foreclosure under chapter 84.64 RCW and the following requirements are met:

(a) The taxpayer is income-qualified under RCW 84.36.381(5)(a), as verified by the county assessor;

(b) The taxpayer occupies the property as their principal place of residence; and

(2) This section expires September 1, 2022.

Sec. 2. RCW 28A.410.280 and 2010 c 235 s 501 are each amended to read as follows:

(1) Beginning with the 2011-12 school year, all professional educator standards board-approved teacher preparation programs must administer to all preservice candidates the evidence-based assessment of teaching effectiveness adopted by the professional educator standards board. ((The professional educator standards board shall adopt rules that establish a date during the 2012-13 school year after which candidates completing teacher preparation programs must successfully pass this assessment.))

Assessment results from persons completing each preparation program must be reported annually by the professional educator standards board to the governor and the education and fiscal committees of the legislature by December 1st.

(2) The professional educator standards board and the superintendent of public instruction, as determined by the board, may contract with one or more third parties for:

(a) The administration, scoring, and reporting of scores of the assessment under this section;
(b) Related clerical and administrative activities; or
(c) Any combination of the purposes of this subsection (2).

(3) Candidates for residency certification who are required to successfully complete the assessment under this section, and who are charged a fee for the assessment by a third party contracted with under this section, shall pay the fee charged by the contractor.
directly to the contractor. Such fees shall be reasonably related to the actual costs of the contractor in providing the assessment.

(4)(a) Beginning September 1, 2022, candidates who do not achieve a passing score under subsection (1) of this section but obtain an alternative score, as set by the professional educator standards board, may be recommended for certification if, upon review of one or more multiple measures, the teacher preparation program determines the candidate has demonstrated the requisite knowledge and skills.

(b) Teacher preparation programs may use one or more of the following multiple measures as a basis for their review:

(ii) Evidence submitted by the candidate to the program provider in the areas of planning, instruction, or student assessment;

(iii) Coursework; or

(iv) Other measures as determined by the teacher preparation program.

Sec. 4. RCW 28A.410.270 and 2019 c 386 s 3 are each amended to read as follows:

The standards shall be calibrated for each level along the entire career continuum. For candidates recommended for residency teacher certification by a board-approved preparation program, the standards adopted by the board must be the most recent teaching standards published by a consortium of state and national education organizations dedicated to the reform of the preparation, licensing, and ongoing professional development of teachers since 1987.

(b) In developing the standards, the board shall, to the extent possible, incorporate standards for cultural competency as defined in RCW 28A.410.260, along the entire continuum. (2) The (Washington professional educator standards) board shall adopt a definition of master teacher, with a comparable level of increased competency between professional certification level and master level as between professional certification level and national board certification. Within the definition established by the (Washington professional educator standards) board, teachers certified through the national board for professional teaching standards shall be considered master teachers.

(3) (The Washington professional educator standards board shall maintain a uniform, statewide, valid, and reliable classroom-based means of evaluating teacher effectiveness as a culminating measure at the preservice level that is to be used during the student teaching field experience. This assessment shall include multiple measures of teacher performance in classrooms, evidence of positive impact on student learning, and shall include review of artifacts, such as use of a variety of assessment and instructional strategies, and student work.

(4)) Award of a professional certificate shall be based on a minimum of two years of successful teaching experience as defined by the board, and may not require candidates to enroll in a professional certification program.

(4)(b) Educator preparation programs approved to offer the residency teaching certificate shall be required to demonstrate how the program produces effective teachers as evidenced by (the multiple measures (established under this section) of the knowledge, skills, performance, and competencies described in subsection (1) of this section and other criteria established by the (Washington professional educator standards) board).

(5) Each board-approved teacher preparation program must publish, and provide to candidates prior to admission, a list of program completion requirements.

(6) Before a board-approved teacher preparation program may recommend a candidate for residency teacher certification, the candidate must meet or exceed the knowledge, skill, performance, and competency standards described in subsection (1) of this section.

(7) For the purpose of this section, “board” means the Washington professional educator standards board.

"NEW SECTION. Sec. 1. The legislature recognizes that the COVID-19 pandemic has significantly changed the delivery of education across the state, as school districts transition to remote learning environments to protect the health of students and staff. The legislature also recognizes that state funding formulas are largely driven by enrollment and the pandemic has resulted in unforeseen, temporary enrollment declines in many districts. Funding declines due to temporary, unforeseen changes in enrollment can affect a district's ability to maintain the staffing and resources needed to deliver education services. With this act and in the operating budget, the legislature intends to provide stabilizing funding to districts that have seen temporary enrollment declines due to the COVID-19 pandemic.

Sec. 2. RCW 84.52.0531 and 2019 c 410 s 2 are each amended to read as follows:

(ii) Three thousand dollars, as increased by inflation beginning with property taxes levied for collection in 2020, multiplied by the number of average annual full-time equivalent students enrolled in the school district in the prior school year, for school districts with fewer than forty thousand annual full-time equivalent students enrolled in the school district in the prior school year.

(c) "Open for in-person instruction to all students" means that all students in all grades have the option to participate in at least 40 hours of planned in-person instruction per month and the school follows state department of health guidance and recommendations for resuming in-person instruction to the greatest extent practicable.

(d) "Prior school year" means the most recent school year completed prior to the year in which the levies are to be collected, except that in the 2022 calendar year, if 2019-20 school year average annual full-time equivalent enrollment is greater than the school district's 2020-21 school year average annual full-time equivalent enrollment and the school district is open for in-person instruction to all students by the beginning of the 2021-22 school year, "prior school year" means the 2019-20 school year.

(3) For districts in a high/nonhigh relationship, the enrollments of the nonhigh students attending the high school shall only be counted by the nonhigh school districts for purposes of funding under this section.

(4) For school districts participating in an innovation academy cooperative established under RCW 28A.340.080, enrollments of students attending the academy shall be adjusted so that each
participant district receives its proportional share of student enrollments for purposes of funding under this section.

Sec. 6. RCW 84.25.130 and 2015 1st sp.s. c 9 s 13 are each amended to read as follows:

(1) If the value of improvements have been exempted under this chapter, the improvements continue to be exempted for the applicable period under this chapter so long as they are not converted to another use and continue to satisfy all applicable conditions including, but not limited to, zoning, land use, building, and family-wage job creation.

(2) If an owner voluntarily opts to discontinue compliance with the requirements of this chapter, the owner must notify the assessor within (sixty) 60 days of the change in use or intended discontinuance.

(3) If, after a certificate of tax exemption has been filed with the county assessor, the city discovers that a portion of the property is changed or will be changed to disqualify the owner for exemption eligibility under this chapter, the tax exemption must be canceled and the following occurs:

(a) Additional real property tax must be imposed on the value of the nonqualifying improvements in the amount that would be imposed if an exemption had not been available under this chapter, plus a penalty equal to ((twenty)) 20 percent of the additional value. This additional tax is calculated based upon the difference between the property tax paid and the property tax that would have been paid if it had included the value of the nonqualifying improvements dated back to the date that the improvements were converted to a nonqualifying use;

(b) The tax must include interest upon the amounts of the additional tax at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the improvements had been...
assessed at a value without regard to this chapter; and

(c) The additional tax owed together with interest and penalty becomes a lien on the property and attaches at the time the property or portion of the property is removed from the qualifying use under this chapter or the amenities no longer meet the applicable requirements for exemption under this chapter. A lien under this section has priority to, and must be fully paid and satisfied before, a recognition, mortgage, judgment, debt, obligation, or responsibility to or with which the property may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes. An additional tax unpaid on its due date is delinquent. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent property taxes.

(4) If, after a certificate of tax exemption has been filed with the county assessor, the city discovers that the facility maintains fewer than 25 family living wage jobs, the owner is considered ineligible for the exemption under this chapter, and the following must occur:

(a) The tax exemption must be canceled; and

(b) Additional real property tax must be imposed in the amount that would be imposed if an exemption had not been available under this chapter, dated back to the date that the facility last maintained a minimum of 25 family living wage jobs.

(5) Upon a determination that a tax exemption is to be terminated for a reason stated in this section, the city’s governing authority must notify the record owner of the property as shown by the tax rolls by mail, return receipt requested, of the determination to terminate the exemption. The owner may appeal the determination to the city, within (30) 30 days by filing a notice of appeal with the city, which notice must specify the factual and legal basis on which the determination of termination is alleged to be erroneous. At an appeal hearing, all affected parties may be heard and all competent evidence received. After the hearing, the deciding body or officer must either affirm, modify, or repeal the decision of termination based on the evidence received. An aggrieved party may appeal the decision of the deciding body or officer to the superior court as provided in RCW 34.05.510 through 34.05.598.

(6) Upon determination by the city to terminate an exemption, the county officials having possession of the assessment and tax rolls must correct the rolls in the manner provided for omitted property under RCW 84.40.080. The county assessor must make such a valuation of the property and improvements as is necessary to permit the correction of the rolls. The value of the new industrial/manufacturing facilities added to the rolls is considered new construction for the purposes of chapter 84.40 RCW. The owner may appeal the valuation to the county board of equalization as provided in chapter 84.40 RCW. If there has been a failure to comply with this chapter, the property must be listed as an omitted assessment for assessment years beginning January 1st of the calendar year in which the noncompliance first occurred, but the listing as an omitted assessment may not be for a period more than three calendar years preceding the year in which the failure to comply was discovered.”

"Sec. 1. RCW 36.70A.020 and 2002 c 154 s 1 are each amended to read as follows:

The following goals are adopted to guide the development and adoption of comprehensive plans and development regulations of those counties and cities that are required or choose to plan under RCW 36.70A.040. The following goals are not listed in order of priority and shall be used exclusively for the purpose of guiding the development of comprehensive plans and development regulations:

(2) Reduce sprawl. Reduce the inappropriate conversion of undeveloped land into sprawling, low-density development.

(3) Transportation. Encourage efficient multimodal transportation systems that are based on regional priorities and coordinated with county and city comprehensive plans.

(4) Housing. (Encourage the availability of affordable) Plan for and accommodate housing affordable to all economic segments of the population of this state, promote a variety of residential densities and housing types, and encourage preservation of existing housing stock.

(5) Economic development. Encourage economic development throughout the state that is consistent with adopted comprehensive plans, promote economic opportunity for all citizens of this state, especially for unemployed and for disadvantaged persons, promote the retention and expansion of existing businesses and recruitment of new businesses, recognize regional differences impacting economic development opportunities, and encourage growth in areas experiencing insufficient economic growth, all within the capacities of the state's natural resources, public services, and public facilities.

(6) Property rights. Private property shall not be taken for public use without just compensation having been made. The property rights of landowners shall be protected from arbitrary and discriminatory actions.

(7) Permits. Applications for both state and local government permits should be processed in a timely and fair manner to ensure predictability.

(8) Natural resource industries. Maintain and enhance natural resource-based industries, including productive timber, agricultural, and fisheries industries. Encourage the conservation of productive forestlands and productive agricultural lands, and discourage incompatible uses.

(9) Open space and recreation. Retain open space, enhance recreational opportunities, conserve fish and wildlife habitat, increase access to natural resource lands and water, and develop parks and recreation facilities.

(11) Citizen participation and coordination. Encourage the involvement of citizens in the planning process and ensure coordination between communities and jurisdictions to reconcile conflicts.

(12) Public facilities and services. Ensure that those public facilities and services necessary to support development shall be adequate to serve the development at the time the development is available for occupancy and use without decreasing current service levels below locally established minimum standards.

(13) Historic preservation. Identify and encourage the preservation of lands, sites, and structures, that have historical or archaeological significance.

Sec. 2. RCW 36.70A.070 and 2017 3rd sp.s. c 18 s 4 and 2017 3rd sp.s. c 16 s 4 are each reenacted and amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses.
land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity. Where applicable, the land use element shall review drainage, flooding, and stormwater runoff in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that:

(a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth, as provided by the department of commerce, including:

(i) Units for moderate, low, very low, and extremely low-income households; and

(ii) Emergency housing, emergency shelters, and permanent supportive housing;

(b) [(includes)] Includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences and moderate density housing options;

(c) [(identifies)] Identifies sufficient land and zoning capacities for housing, including, but not limited to, government-assisted housing.

(i) Moderate, low, very low, and extremely low-income households, manufactured housing, multifamily housing, ([(and)] group homes, [(and)] foster care facilities, emergency housing, emergency shelters, and permanent supportive housing: [(and)]

(d) [(makes)] Makes adequate provisions for existing and projected needs of all economic segments of the community, including:

(i) Incorporating consideration for low, very low, extremely low, and moderate-income households;

(ii) Documenting programs and actions needed to achieve housing availability including gaps in local funding, barriers such as development regulations, and other limitations;

(iii) Consideration of housing locations in relation to employment location; and

(iv) Consideration of the role of accessory dwelling units in meeting housing needs;

(e) Identifies local policies and regulations that result in racially disparate impacts, displacement, and exclusion in housing, including:

(i) Zoning that may have a discriminatory effect;

(ii) Disinvestment; and

(iii) Infrastructure availability;

(f) Identifies and implements policies and regulations to address and begin to undo racially disparate impacts, displacement, and exclusion in housing caused by local policies, plans, and actions;

(g) Identifies areas that may be at higher risk of displacement from market forces that occur with changes to zoning development regulations and capital investments; and

(h) Establishes antidisplacement policies, with consideration given to the preservation of historical and cultural communities as well as investments in low, very low, extremely low, and moderate-income housing; equitable development initiatives; inclusionary zoning; community planning requirements; tenant protections; land disposition policies; and consideration of land that may be used for affordable housing. In counties and cities subject to the review and evaluation requirements of RCW 36.70A.215, any revision to the housing element shall include consideration of prior review and evaluation reports and any reasonable measures identified.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural economic advancement, densities, and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.
(A) A commercial, industrial, residential, shoreline, or mixed-use area are subject to the requirements of (d)(iv) of this subsection, but are not subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030((446)) (23). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030((446)) (23). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the office of financial management's ten-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance locally owned transportation facilities or services that are below an established level of service standard;

(E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(F) Identification of state and local system needs to meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the ten-
year investment program developed by the office of financial management as required by RCW 47.05.030;
(C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;
(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;
(vi) Demand-management strategies;
(vii) Pedestrian and bicycle component to include collaborative efforts to identify and designate planned improvements for pedestrian and bicycle facilities and corridors that address and encourage enhanced community access and promote healthy lifestyles.
(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride-sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6), “concurrent with the development” means that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years. If the collection of impact fees is delayed under RCW 82.02.050(3), the six-year period required by this subsection (6)(b) must begin after full payment of all impact fees is due to the county or city.
(c) The transportation element described in this subsection (6), the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, and the ten-year investment program required by RCW 47.05.030 for the state, must be consistent.
(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth and vitality and a high quality of life. A city that has chosen to be a residential community is exempt from the economic development element requirement of this subsection.
(8) A park and recreation element that implements, and is consistent with, the capital facilities plan element as it relates to park and recreation facilities. The element shall include: (a) Estimates of park and recreation demand for at least a ten-year period; (b) an evaluation of facilities and service needs; and (c) an evaluation of intergovernmental coordination opportunities to provide regional approaches for meeting park and recreational demand.
(9) It is the intent that new or amended elements required after January 1, 2002, be adopted concurrent with the scheduled update provided in RCW 36.70A.130. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.

NEW SECTION. Sec. 3. A new section is added to chapter 35A.21 RCW to read as follows:
A code city may not prohibit emergency housing, transitional housing, or permanent supportive housing in any zones in which residential dwelling units, hotels, or short-term rentals are allowed, and may not prohibit emergency shelters in any zone in which hotels are allowed. Reasonable occupancy, spacing, intensity of use, and operational restrictions may be imposed on indoor emergency housing and indoor emergency shelters. Any such restrictions on occupancy, spacing, and intensity of use may not prevent the siting of sufficient indoor emergency housing or indoor emergency shelters necessary to accommodate each code city's projected need for such housing and shelter. For purposes of this section, "dwelling unit" has the same meaning as defined in RCW 36.70A.696, "hotel" has the same meaning as defined in RCW 19.48.010, and "short-term rental" has the same meaning as defined in RCW 64.37.010.

NEW SECTION. Sec. 4. A new section is added to chapter 35.21 RCW to read as follows:
A city may not prohibit emergency housing, transitional housing, or permanent supportive housing in any zones in which residential dwelling units, hotels, or short-term rentals are allowed, and may not prohibit emergency shelters in any zone in which hotels are allowed. Reasonable occupancy, spacing, intensity of use, and operational restrictions may be imposed on indoor emergency housing and indoor emergency shelters. Any such restrictions on occupancy, spacing, and intensity of use may not prevent the siting of sufficient indoor emergency housing or indoor emergency shelters necessary to accommodate each code city's projected need for such housing and shelter. For purposes of this section, "dwelling unit" has the same meaning as defined in RCW 36.70A.696, "hotel" has the same meaning as defined in RCW 19.48.010, and "short-term rental" has the same meaning as defined in RCW 64.37.010.

Sec. 5. RCW 36.70A.030 and 2020 c 173 s 4 are each amended to read as follows:
Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.
(2) "Affordable housing" means, unless the context clearly indicates otherwise, residential housing whose monthly costs, including utilities other than telephone, do not exceed thirty percent of the monthly income of a household whose income is:

(3) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.
(4) "City" means any city or town, including a code city.
(5) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.
(6) "Critical areas" include the following areas and ecosystems:

(7) "Department" means the department of commerce.

(8) "Development regulations" or "regulation" means the controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances together with any amendments thereto. A development regulation does not include a decision to approve a project permit application, as defined in RCW 36.70B.020, even though the decision may be expressed in a resolution or ordinance of the legislative body of the county or city.

(9) "Emergency housing" means temporary indoor accommodations for individuals or families who are homeless or at imminent risk of becoming homeless that is intended to address the basic health, food, clothing, and personal hygiene needs of individuals or families. Emergency housing may or may not require occupants to enter into a lease or an occupancy agreement.

(10) "Emergency shelter" means a facility that provides a temporary shelter for individuals or families who are currently homeless. Emergency shelter may not require occupants to enter into a lease or an occupancy agreement. Emergency shelter facilities may include day and warming centers that do not provide overnight accommodations.

(11) "Extremely low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below thirty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

In determining whether forestland is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forestland to other uses.

(13) "Freight rail dependent uses" means buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of goods where the use is dependent on and makes use of an adjacent short line railroad. Such facilities are both urban and rural development for purposes of this chapter. "Freight rail dependent uses" does not include buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of coal, liquefied natural gas, or "crude oil" as defined in RCW 90.56.010.

(14) "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

(15) "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

(16) "Low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below eighty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(18) "Moderate-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below 120 percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(19) "Permanent supportive housing" is subsidized, leased housing with no limit on length of stay that prioritizes people who need comprehensive support services to retain tenancy and utilizes admissions practices designed to use lower barriers to entry than would be typical for other subsidized or unsubsidized rental housing, especially related to rental history, criminal history, and personal behaviors. Permanent supportive housing is paired with on-site or off-site voluntary services designed to support a person living with a complex and disabling behavioral health or physical health condition who was experiencing homelessness or was at imminent risk of homelessness prior to moving into housing to retain their housing and be a successful tenant in a housing arrangement, improve the resident's health status, and connect the resident of the housing with community-based health care, treatment, or employment services. Permanent supportive housing is subject to all of the rights and responsibilities defined in chapter 59.18 RCW.

(20) "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

(23) "Rural character" refers to the patterns of land use and development established by a county in the rural element of its comprehensive plan:

(a) In which open space, the natural landscape, and vegetation predominate over the built environment;
(b) That foster traditional rural lifestyles, rural-based economies, and opportunities to both live and work in rural areas;
(c) That provide visual landscapes that are traditionally found in rural areas and communities;
(d) That are compatible with the use of the land by wildlife and for fish and wildlife habitat;
(e) That reduce the inappropriate conversion of undeveloped land into sprawling, low-density development;
(f) That generally do not require the extension of urban governmental services; and
(g) That are consistent with the protection of natural surface
water flows and groundwater and surface water recharge and discharge areas.

"Rural development" refers to development outside the urban growth area and outside agricultural, forest, and mineral resource lands designated pursuant to RCW 36.70A.170. Rural development can consist of a variety of uses and residential densities, including clustered residential development, at levels that are consistent with the preservation of rural character and the requirements of the rural element. Rural development does not refer to agriculture or forestry activities that may be conducted in rural areas.

"Rural governmental services" or "rural services" include those public services and public facilities historically and typically delivered at an intensity usually found in rural areas, and may include domestic water systems, fire and police protection services, transportation and public transit services, and other public utilities associated with rural development and normally not associated with urban areas. Rural services do not include storm or sanitary sewers, except as otherwise authorized by RCW 36.70A.104.

"Short line railroad" means those railroad lines designated class II or class III by the United States surface transportation board.

"Urban governmental services" or "urban services" include those public services and public facilities at an intensity historically and typically provided in cities, specifically including storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with rural areas.

"Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources, rural uses, rural development, and natural resource lands designated pursuant to RCW 36.70A.170. A pattern of more intensive rural development, as provided in RCW 36.70A.070(5)(d), is not urban growth. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

"Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

"Very low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below fifty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

"Wetland" or "wetlands" means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands.

NEW SECTION  Sec. 6. A new section is added to chapter 36.70A RCW to read as follows:

In addition to ordinances, development regulations, and other officials controls adopted or amended, a city or county should consider policies to encourage the construction of accessory dwelling units as a way to meet affordable housing goals. These policies could include, but are not limited to:

1. The city or county may not require the owner of a lot on which there is an accessory dwelling unit to reside in or occupy the accessory dwelling unit or another housing unit on the same lot;
2. The city or county may require the owner not to use the accessory dwelling unit for short-term rentals;
3. The city or county may not count residents of accessory dwelling units against existing limits on the number of unrelated residents on a lot;
4. The city or county may not establish a minimum gross floor area for accessory dwelling units that exceeds the state building code;
5. The city or county must make the same allowances for accessory dwelling units' roof decks, balconies, and porches to encroach on setbacks as are allowed for the principal unit;
6. The city or county must apply abutting lot setbacks to accessory dwelling units on lots abutting zones with lower setback requirements;
7. The city or county must establish an amnesty program to help owners of unpermitted accessory dwelling units to obtain a permit;
8. The city or county must permit accessory dwelling units in structures detached from the principal unit, must allow an accessory dwelling unit on any lot that meets the minimum lot size required for the principal unit, and must allow attached accessory dwelling units on any lot with a principal unit that is nonconforming solely because the lot is smaller than the minimum size, as long as the accessory dwelling unit would not increase nonconformity of the residential use with respect to building height, bulk, or lot coverage;
9. The city or county may not establish a minimum gross floor area requirement for accessory dwelling units that are less than 1,000 square feet or 60 percent of the principal unit, whichever is greater, or that exceeds 1,200 square feet;
10. A city or county must allow accessory dwelling units to be converted from existing structures, including but not limited to detached garages, even if they violate current code requirements for setbacks or lot coverage;
11. A city or county may not require public street improvements as a condition of permitting accessory dwelling units; and
12. A city or county may require a new or separate utility connection between an accessory dwelling unit and a utility only when necessary to be consistent with water availability requirements, water system plans, small water system management plans, or established policies adopted by the water or sewer utility provider. If such a connection is necessary, the connection fees and capacity charges must:
   a. Be proportionate to the burden of the proposed accessory dwelling unit upon the water or sewer system; and
   b. Not exceed the reasonable cost of providing the service."

On page 1, line 2 of the title, after "regulations;" strike the remainder of the title and insert "amending RCW 36.70A.020 and 36.70A.030; reenacting and amending RCW 36.70A.070; adding a new section to chapter 35A.21 RCW; adding a new section to chapter 35.21 RCW; and adding a new section to chapter 36.70A RCW."
The President declared the question before the Senate to be to not adopt the committee striking amendment by the Committee on Housing & Local Government to Engrossed Second Substitute House Bill No. 1220. The motion by Senator Kuderer carried and the committee striking amendment was not adopted by voice vote.

**MOTION**

Senator Kuderer moved that the following striking floor amendment no. 675 by Senator Kuderer be adopted:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70A.020 and 2002 c 154 s 1 are each amended to read as follows:

The following goals are adopted to guide the development and adoption of comprehensive plans and development regulations of those counties and cities that are required or choose to plan under RCW 36.70A.040. The following goals are not listed in order of priority and shall be used exclusively for the purpose of guiding the development of comprehensive plans and development regulations:

(1) **Urban growth.** Encourage development in urban areas where adequate public facilities and services exist or can be provided in an efficient manner.

(2) **Reduce sprawl.** Reduce the inappropriate conversion of undeveloped land into sprawling, low-density development.

(3) **Transportation.** Encourage efficient multimodal transportation systems that are based on regional priorities and coordinated with county and city comprehensive plans.

(4) **Housing.** ((Encourage the availability of affordable)) Plan for and accommodate housing affordable to all economic segments of the population of this state, promote a variety of residential densities and housing types, and encourage preservation of existing housing stock.

(5) **Economic development.** Encourage economic development throughout the state that is consistent with adopted comprehensive plans, promote economic opportunity for all citizens of this state, especially for unemployed and for disadvantaged persons, promote the retention and expansion of existing businesses and recruitment of new businesses, recognize regional differences impacting economic development opportunities, and encourage growth in areas experiencing insufficient economic growth, all within the capacities of the state's natural resources, public services, and public facilities.

(6) **Property rights.** Private property shall not be taken for public use without just compensation having been made. The property rights of landowners shall be protected from arbitrary and discriminatory actions.

(7) **Permits.** Applications for both state and local government permits should be processed in a timely and fair manner to ensure predictability.

(8) **Natural resource industries.** Maintain and enhance natural resource-based industries, including productive timber, agricultural, and fisheries industries. Encourage the conservation of productive forestlands and productive agricultural lands, and discourage incompatible uses.

(9) **Open space and recreation.** Retain open space, enhance recreational opportunities, conserve fish and wildlife habitat, increase access to natural resource lands and water, and develop parks and recreation facilities.

(10) **Environment.** Protect the environment and enhance the state's high quality of life, including air and water quality, and the availability of water.

(11) **Citizen participation and coordination.** Encourage the involvement of citizens in the planning process and ensure coordination between communities and jurisdictions to reconcile conflicts.

(12) **Public facilities and services.** Ensure that those public facilities and services necessary to support development shall be adequate to serve the development at the time the development is available for occupancy and use without decreasing current service levels below locally established minimum standards.

(13) **Historic preservation.** Identify and encourage the preservation of lands, sites, and structures, that have historical or archaeological significance.

**Sec. 2.** RCW 36.70A.070 and 2017 3rd sp.s. c 18 s 4 and 2017 3rd sp.s. c 16 s 4 are each reenacted and amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity. Where applicable, the land use element shall review drainage, flooding, and stormwater runoff in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that:

(a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth, as provided by the department of commerce, including:

(i) Units for moderate, low, very low, and extremely low-income households;

(ii) Emergency housing, emergency shelters, and permanent supportive housing;

(b) ((Includes)) Includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences, and within an urban growth area boundary, moderate density housing options including but not limited to, duplexes, triplexes, and townhomes;

(c) ((Identifies)) Identifies sufficient capacity of land for housing((a)) including, but not limited to, government-assisted housing, housing for low-income families, moderate low, very low, and extremely low-income households, manufactured housing, multifamily housing, ((and)) group homes, foster care facilities, emergency housing, emergency shelters, permanent supportive housing, and within an urban growth area.
boundary, consideration of duplexes, triplexes, and townhomes.

(a)(4) Makes adequate provisions for existing and projected needs of all economic segments of the community, including:

(i) Incorporating consideration for low, very low, extremely low, and moderate-income households;

(ii) Documenting programs and actions needed to achieve housing availability including gaps in local funding, barriers such as development regulations, and other limitations;

(iii) Consideration of housing locations in relation to employment location; and

(iv) Consideration of the role of accessory dwelling units in meeting housing needs;

(c) Identifies local policies and regulations that result in racially disparate impacts, displacement, and exclusion in housing, including:

(i) Zoning that may have a discriminatory effect;

(ii) Disinvestment; and

(iii) Infrastructure availability;

(f) Identifies and implements policies and regulations to address and begin to undo racially disparate impacts, displacement, and exclusion in housing caused by local policies, plans, and actions;

(g) Identifies areas that may be at higher risk of displacement from market forces that occur with changes to zoning development regulations and capital investments; and

(h) Establishes antidisplacement policies, with consideration given to the preservation of historical and cultural communities as well as investments in low, very low, extremely low, and moderate-income housing; equitable development initiatives; inclusionary zoning; community planning requirements; tenant protections; land disposition policies; and consideration of land that may be used for affordable housing.

In counties and cities subject to the review and evaluation requirements of RCW 36.70A.215, any revision to the housing element shall include consideration of prior review and evaluation reports and any reasonable measures identified. The housing element should link jurisdictional goals with overall county goals to ensure that the housing element goals are met.

3. A capital facilities plan element consisting of:

(a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

4. A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

5. Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural economic advancement, densities, and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area are subject to the requirements of (d)(iv) of this subsection, but are not subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(ii) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural
population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2), or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the office of financial management's ten-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance locally owned transportation facilities or services that are below an established level of service standard;

(E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(F) Identification of state and local system needs to meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the ten-year investment program developed by the office of financial management as required by RCW 47.05.030;

(C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(vi) Demand-management strategies;

(vii) Pedestrian and bicycle component to include collaborative efforts to identify and designate planned improvements for pedestrian and bicycle facilities and corridors that address and encourage enhanced community access and promote healthy lifestyles.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride-sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6),
"concurrent with the development" means that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years. If the collection of impact fees is delayed under RCW 82.02.050(3), the six-year period required by this subsection (6)(b) must begin after full payment of all impact fees is due to the county or city.

(c) The transportation element described in this subsection (6), the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, and the ten-year investment program required by RCW 47.05.030 for the state, must be consistent.

(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth and vitality and a high quality of life. A city that has chosen to be a residential community is exempt from the economic development element requirement of this subsection.

(8) A park and recreation element that implements, and is consistent with, the capital facilities plan element as it relates to park and recreation facilities. The element shall include: (a) Estimates of park and recreation demand for at least a ten-year period; (b) an evaluation of facilities and service needs; and (c) an evaluation of intergovernmental coordination opportunities to provide regional approaches for meeting park and recreational demand.

(9) It is the intent that new or amended elements required after January 1, 2002, be adopted concurrent with the scheduled update provided in RCW 36.70A.130. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.

NEW SECTION. Sec. 3. A new section is added to chapter 35A.21 RCW to read as follows:

A code city shall not prohibit transitional housing or permanent supportive housing in any zones in which residential dwelling units or hotels are allowed. Effective September 30, 2021, a code city shall not prohibit indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed, except in such cities that have adopted an ordinance authorizing indoor emergency shelters and indoor emergency housing in a majority of zones within a one-mile proximity to transit. Reasonable occupancy, spacing, and intensity of use requirements may be imposed by ordinance on permanent supportive housing, transitional housing, indoor emergency housing, and indoor emergency shelters to protect public health and safety. Any such requirements on occupancy, spacing, and intensity of use may not prevent the siting of a sufficient number of permanent supportive housing, transitional housing, indoor emergency housing, or indoor emergency shelters necessary to accommodate each code city's projected need for such housing and shelter under RCW 36.70A.070(2)(a)(ii).

Sec. 5. RCW 36.70A.390 and 1992 c 207 s 6 are each amended to read as follows:

A county or city governing body that adopts a moratorium, interim zoning map, interim zoning ordinance, or interim official control without holding a public hearing on the proposed moratorium, interim zoning map, interim zoning ordinance, or interim official control, shall hold a public hearing on the adopted moratorium, interim zoning map, interim zoning ordinance, or interim official control within at least sixty days of its adoption, whether or not the governing body received a recommendation on the matter from the planning commission or department. If the governing body does not adopt findings of fact justifying its action before this hearing, then the governing body shall do so immediately after this public hearing. A moratorium, interim zoning map, interim zoning ordinance, or interim official control adopted under this section may be effective for not longer than six months, but may be effective for up to one year if a work plan is developed for related studies providing for such a longer period. A moratorium, interim zoning map, interim zoning ordinance, or interim official control may be renewed for one or more six-month periods if a subsequent public hearing is held and findings of fact are made prior to each renewal.

This section does not apply to the designation of critical areas, agricultural lands, forestlands, and mineral resource lands, under RCW 36.70A.170, and the conservation of these lands and protection of these areas under RCW 36.70A.060, prior to such actions being taken in a comprehensive plan adopted under RCW 36.70A.070 and implementing development regulations adopted under RCW 36.70A.120, if a public hearing is held on such proposed actions. This section does not apply to ordinances or development regulations adopted by a city that prohibit building permit applications for or the construction of transitional housing or permanent supportive housing in any zones in which residential dwelling units or hotels are allowed or prohibit building permit applications for or the construction of indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed.

Sec. 6. RCW 36.70A.030 and 2020 c 173 s 4 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Affordable housing" means, unless the context clearly indicates otherwise, residential housing whose monthly costs, including utilities other than telephone, do not exceed thirty percent of the monthly income of a household whose income is:

(a) For rental housing, sixty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development; or

(b) For owner-occupied housing, eighty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(3) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain,

hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(4) "City" means any city or town, including a code city.

(5) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(6) "Critical areas" include the following areas and ecosystems:
(a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas. "Fish and wildlife habitat conservation areas" does not include such artificial features or constructs as irrigation delivery systems, irrigation infrastructure, irrigation canals, or drainage ditches that lie within the boundaries of and are maintained by a port district or an irrigation district or company.

(7) "Department" means the department of commerce.

(8) "Development regulations" or "regulation" means the controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances together with any amendments thereto. A development regulation does not include a decision to approve a project permit application, as defined in RCW 36.70B.020, even though the decision may be expressed in a resolution or ordinance of the legislative body of the county or city.

(9) "Emergency housing" means temporary indoor accommodations for individuals or families who are homeless or at imminent risk of becoming homeless that is intended to address the basic health, food, clothing, and personal hygiene needs of individuals or families. Emergency housing may or may not require occupants to enter into a lease or an occupancy agreement.

(10) "Emergency shelter" means a facility that provides a temporary shelter for individuals or families who are currently homeless. Emergency shelter may not require occupants to enter into a lease or an occupancy agreement. Emergency shelter facilities may include day and warming centers that do not provide overnight accommodations.

(11) "Extremely low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below thirty percent of the median household income for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(12) "Forestland" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forestland is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forestland to other uses.
and development established by a county in the rural element of its comprehensive plan:
   (a) In which open space, the natural landscape, and vegetation predominate over the built environment;
   (b) That foster traditional rural lifestyles, rural-based economies, and opportunities to both live and work in rural areas;
   (c) That provide visual landscapes that are traditionally found in rural areas and communities;
   (d) That are compatible with the use of the land by wildlife and for fish and wildlife habitat;
   (e) That reduce the inappropriate conversion of undeveloped land into sprawling, low-density development;
   (f) That generally do not require the extension of urban governmental services; and
   (g) That are consistent with the protection of natural surface water flows and groundwater and surface water recharge and discharge areas.

   (24) “Rural development” refers to development outside the urban growth area and outside agricultural, forest, and mineral resource lands designated pursuant to RCW 36.70A.170. Rural development can consist of a variety of uses and residential densities, including clustered residential development, at levels that are consistent with the preservation of rural character and the requirements of the rural element. Rural development does not refer to agriculture or forestry activities that may be conducted in rural areas.

   (25) “Rural governmental services” or “rural services” include those public services and public facilities historically and typically delivered at an intensity usually found in rural areas, and may include domestic water systems, fire and police protection services, transportation and public transit services, and other public utilities associated with rural development and normally not associated with urban areas. Rural services do not include storm or sanitary sewers, except as otherwise authorized by RCW 36.70A.110(4).

   (26) “Short line railroad” means those railroad lines designated class II or class III by the United States surface transportation board.

   (27) “Urban governmental services” or “urban services” include those public services and public facilities at an intensity historically and typically provided in cities, specifically including storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with rural areas.

   (28) “Urban growth” refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources, rural uses, rural development, and natural resource lands designated pursuant to RCW 36.70A.170. A pattern of more intensive rural development, as provided in RCW 36.70A.070(5)(d), is not urban growth. When allowed to spread over wide areas, urban growth typically requires urban governmental services. “Characterized by urban growth” refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

   (29) “Urban growth areas” means those areas designated by a county pursuant to RCW 36.70A.110.

   (30) “Very low-income household” means a single person, family, or unrelated persons living together whose adjusted income is at or below fifty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

   (31) “Wetland” or “wetlands” means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands.

   NEW SECTION. Sec. 7. A new section is added to chapter 36.70A RCW to read as follows:

In addition to ordinances, development regulations, and other official controls adopted or amended, a city or county should consider policies to encourage the construction of accessory dwelling units as a way to meet affordable housing goals. These policies could include, but are not limited to:

1. The city or county may not require the owner of a lot on which there is an accessory dwelling unit to reside in or occupy the accessory dwelling unit or another housing unit on the same lot;

2. The city or county may require the owner not to use the accessory dwelling unit for short-term rentals;

3. The city or county may not count residents of accessory dwelling units against existing limits on the number of unrelated residents on a lot;

4. The city or county may not establish a minimum gross floor area for accessory dwelling units that exceeds the state building code;

5. The city or county must make the same allowances for accessory dwelling units’ roof decks, balconies, and porches to encroach on setbacks as are allowed for the principal unit;

6. The city or county must apply abutting lot setbacks to accessory dwelling units on lots abutting zones with lower setback requirements;

7. The city or county must establish an amnesty program to help owners of unpermitted accessory dwelling units to obtain a permit;

8. The city or county must permit accessory dwelling units in structures detached from the principal unit, must allow an accessory dwelling unit on any lot that meets the minimum lot size required for the principal unit, and must allow attached accessory dwelling units on any lot with a principal unit that is nonconforming solely because the lot is smaller than the minimum size, as long as the accessory dwelling unit would not increase nonconformity of the residential use with respect to building height, bulk, or lot coverage;

9. The city or county may not establish a maximum gross floor area requirement for accessory dwelling units that are less than 1,000 square feet or 60 percent of the principal unit, whichever is greater, or that exceeds 1,200 square feet;

10. A city or county must allow accessory dwelling units to be converted from existing structures, including but not limited to detached garages, even if they violate current code requirements for setbacks or lot coverage;

11. A city or county may not require public street improvements as a condition of permitting accessory dwelling units; and

12. A city or county may require a new or separate utility
connection between an accessory dwelling unit and a utility only when necessary to be consistent with water availability requirements, water system plans, small water system management plans, or established policies adopted by the water or sewer utility provider. If such a connection is necessary, the connection fees and capacity charges must:

(a) Be proportionate to the burden of the proposed accessory dwelling unit upon the water or sewer system; and

(b) Not exceed the reasonable cost of providing the service."

MOTION

Senator Fortunato moved that the following floor amendment no. 817 by Senator Fortunato be adopted: "Sec. 7. RCW 36.70A.130 and 2020 c 113 s 1 are each amended to read as follows:

(1)(a) Each comprehensive land use plan and development regulations shall be subject to continuing review and evaluation by the county or city that adopted them. Except as otherwise provided, a county or city shall take legislative action to review and, if needed, revise its comprehensive land use plan and development regulations to ensure the plan and regulations comply with the requirements of this chapter according to the deadlines in subsections (4) and (5) of this section.

(b) Except as otherwise provided, a county or city not planning under RCW 36.70A.040 shall take action to review and, if needed, revise its policies and development regulations regarding critical areas and natural resource lands adopted according to this chapter to ensure these policies and regulations comply with the requirements of this chapter according to the deadlines in subsections (4) and (5) of this section. Legislative action means the adoption of a resolution or ordinance following notice and a public hearing indicating at a minimum, a finding that a review and evaluation has occurred and identifying the revisions made, or that a revision was not needed and the reasons therefor.

(c) The review and evaluation required by this subsection shall include, but is not limited to, consideration of critical area ordinances and, if planning under RCW 36.70A.040, an analysis of the population allocated to a city or county from the most recent ten-year population forecast by the office of financial management.

(d) Any amendment of or revision to a comprehensive land use plan shall conform to this chapter. Any amendment of or revision to development regulations shall be consistent with and implement the comprehensive plan.

(e) The review and evaluation required under this subsection must include consideration of available housing and buildable lands, not including open space dedicated to recreation, public or private, or school property, and critical areas.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program consistent with RCW 36.70A.035 and 36.70A.140 that identifies procedures and schedules whereby updates, proposed amendments, or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year. "Updates" means to review and revise, if needed, according to subsection (1) of this section, and the deadlines in subsections (4) and (5) of this section or in accordance with the provisions of subsection (6) of this section. Amendments may be considered more frequently than once per year under the following circumstances:

(i) The initial adoption of a subarea plan. Subarea plans adopted under this subsection (2)(a)(i) must clarify, supplement, or implement jurisdiction-wide comprehensive plan policies, and may only be adopted if the cumulative impacts of the proposed plan are addressed by appropriate environmental review under chapter 43.21C RCW;

(ii) The development of an initial subarea plan for economic development located outside of the one hundred year floodplain in a county that has completed a state-funded pilot project that is based on watershed characterization and local habitat assessment;

(iii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW;

(iv) The amendment of the capital facilities element of a comprehensive plan that occurs concurrently with the adoption or amendment of a county or city budget; or

(v) The adoption of comprehensive plan amendments necessary to enact a planned action under RCW 43.21C.440, provided that amendments are considered in accordance with the public participation program established by the county or city under this subsection (2)(a) and all persons who have requested notice of a comprehensive plan update are given notice of the amendments and an opportunity to comment.

(b) Except as otherwise provided in (a) of this subsection, all proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be
ascertained. However, after appropriate public participation a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with the growth management hearings board or with the court.

(3)(a) Each county that designates urban growth areas under RCW 36.70A.110 shall review, according to the schedules established in subsections (4) and (5) of this section, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas.

(b) The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period. The review required by this subsection may be combined with the review and evaluation required by RCW 36.70A.215.

(4) Except as otherwise provided in subsections (6) and (8) of this section, counties and cities shall take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter as follows:

(a) On or before June 30, 2015, for King, Pierce, and Snohomish counties and the cities within those counties;
(b) On or before June 30, 2016, for Clallam, Clark, Island, Jefferson, Kitsap, Mason, San Juan, Skagit, Thurston, and Whatcom counties and the cities within those counties;
(c) On or before June 30, 2017, for Benton, Chelan, Cowlitz, Douglas, Kittitas, Lewis, Skamania, Spokane, and Yakima counties and the cities within those counties; and

(5) Except as otherwise provided in subsections (6) and (8) of this section, following the review of comprehensive plans and development regulations required by subsection (4) of this section, counties and cities shall take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter as follows:

(a) On or before June 30, 2024, and every eight years thereafter, for King, Kitsap, Pierce, and Snohomish counties and the cities within those counties;
(b) On or before June 30, 2025, and every eight years thereafter, for Clallam, Clark, Island, Jefferson, Lewis, Mason, San Juan, Skagit, Thurston, and Whatcom counties and the cities within those counties;
(c) On or before June 30, 2026, and every eight years thereafter, for Benton, Chelan, Cowlitz, Douglas, Franklin, Kittitas, Skamania, Spokane, Walla Walla, and Yakima counties and the cities within those counties; and
(d) On or before June 30, 2027, and every eight years thereafter, for Adams, Asotin, Columbia, Ferry, Garfield, Grant, Grays Harbor, Klickitat, Lincoln, Okanogan, Pacific, Pend Oreille, Stevens, Wahkiakum, and Whitman counties and the cities within those counties.

(6)(a) Nothing in this section precludes a county or city from conducting the review and evaluation required by this section before the deadlines established in subsections (4) and (5) of this section. Counties and cities may begin this process early and may be eligible for grants from the department, subject to available funding, if they elect to do so.

(b) A county that is subject to a deadline established in subsection (5)(a)(ii) through (iv) [(b) through (d)] of this section and meets the following criteria may comply with the requirements of this section at any time within the twenty-four months following the deadline established in subsection (5) of this section: The county has a population of less than fifty thousand and has had its population increase by no more than seventeen percent in the ten years preceding the deadline established in subsection (5) of this section as of that date.

(c) A city that is subject to a deadline established in subsection (5)(a)(ii) through (iv) [(b) through (d)] of this section and meets the following criteria may comply with the requirements of this section at any time within the twenty-four months following the deadline established in subsection (5) of this section: The city has had a population increase of no more than five thousand and has had its population increase by the greater of either no more than one hundred persons or no more than seventeen percent in the ten years preceding the deadline established in subsection (5) of this section as of that date.

(d) State agencies are encouraged to provide technical assistance to the counties and cities in the review of critical area ordinances, comprehensive plans, and development regulations.

(7)(a) The requirements imposed on counties and cities under this section shall be considered “requirements of this chapter” under the terms of RCW 36.70A.040(1). Only those counties and cities that meet the following criteria may receive grants, loans, pledges, or financial guarantees under chapter 43.155 or 70A.135 RCW:

(i) Complying with the deadlines in this section; or
(ii) Demonstrating substantial progress towards compliance with the schedules in this section for development regulations that protect critical areas.

(b) A county or city that is fewer than twelve months out of compliance with the schedules in this section for development regulations that protect critical areas is making substantial progress towards compliance. Only those counties and cities in compliance with the schedules in this section may receive preference for grants or loans subject to the provisions of RCW 43.17.250.

(8)(a) Except as otherwise provided in (c) of this subsection, if a participating watershed is achieving benchmarks and goals for the protection of critical areas functions and values, the county is not required to update development regulations to protect critical areas as they specifically apply to agricultural activities in that watershed.

(b) A county that has made the election under RCW 36.70A.710(1) may only adopt or amend development regulations to protect critical areas as they specifically apply to agricultural activities in a participating watershed if:

(i) A work plan has been approved for that watershed in accordance with RCW 36.70A.725;
(ii) The local watershed group for that watershed has requested the county to adopt or amend development regulations as part of a work plan developed under RCW 36.70A.720;
(iii) The adoption or amendment of the development regulations is necessary to enable the county to respond to an order of the growth management hearings board or court;
(iv) The adoption or amendment of development regulations is necessary to address a threat to human health or safety; or
(v) Three or more years have elapsed since the receipt of

**REMARKS BY SENATOR LIIAS**

Senator Liias: “Thank you Mr. President, before I make the motion to adjourn, I did just want to not a holiday. Twenty-six years ago, on April 10, 1995, something really momentous happened. And I know you are thinking, Bob Dole announced his campaign for President, but Mr. President, that is not what happened twenty-six years ago. TVW was founded. And this session, more than ever before, the people of Washington benefited from the great founders of that television network that have given transparency in our process and so on this 26th birthday of TVW I think we should all celebrate.”

**MOTION**

At 11:18 p.m., on motion of Senator Liias, the Senate adjourned until 12:00 o’clock noon Sunday, April 11, 2021.
