During that time, the responding party may withdraw or amend the pleading in accordance with applicable court rules, but shall otherwise comply with the stay obligations listed in section 4 of this act. (2) Not later than sixty days after a party is served with a complaint, cross-claim, counterclaim, third-party claim, or other pleading that asserts a cause of action to which this chapter applies, or at a later time on a showing of good cause, the party may file a special motion for expedited relief to dismiss the cause of action or part of the cause of action.

NEW SECTION. Sec. 4. STAY. (1) Except as otherwise provided in subsections (4) through (7) of this section, on the earlier of the giving of notice of intent to file a motion under section 3(1) of this act or the filing of a motion under section 3(2) of this act:

(2) A stay under subsection (1) of this section remains in effect until entry of an order ruling on the motion under section 3 of this act and expiration of the time under section 9 of this act for the moving party to appeal the order.

(3) Except as otherwise provided in subsections (5), (6), and (7) of this section, if a party appeals from an order ruling on a motion under section 3 of this act, all proceedings between all parties in the action are stayed. The stay remains in effect until the conclusion of the appeal.

(4) During a stay under subsection (1) of this section, the court may allow limited discovery if a party shows that specific information is necessary to establish whether a party has satisfied or failed to satisfy a burden under section 7(1) of this act and the information is not reasonably available unless discovery is allowed.

(5) A motion under section 10 of this act for costs, attorneys’ fees, and expenses is not subject to a stay under this section.

(6) A stay under this section does not affect a party’s ability voluntarily to dismiss a cause of action or part of a cause of action or move to sever a cause of action.

(7) During a stay under this section, the court for good cause may hear and rule on:
(a) A motion unrelated to the motion under section 3 of this act; and

NEW SECTION. Sec. 6. PROOF. In ruling on a motion under section 3 of this act, the court shall consider the pleadings, the motion, any reply or response to the motion, and any evidence that could be considered in ruling on a motion for summary judgment under superior court civil rule 56.

NEW SECTION. Sec. 7. DISMISSAL OF CAUSE OF ACTION IN WHOLE OR PART. (1) In ruling on a motion under section 3 of this act, the court shall dismiss with prejudice a cause of action, or part of a cause of action, if:
(a) The moving party establishes under section 2(2) of this act that this chapter applies;
(b) The responding party fails to establish under section 2(3) of this act that this chapter does not apply; and
(c) Either:
(i) The responding party fails to establish a prima facie case as to each essential element of the cause of action; or
(ii) The moving party establishes that:
(A) The responding party failed to state a cause of action upon which relief can be granted; or
(B) There is no genuine issue as to any material fact and the moving party is entitled to judgment as a matter of law on the cause of action or part of the cause of action.

(2) A voluntary dismissal without prejudice of a responding party’s cause of action, or part of a cause of action, that is the subject of a motion under section 3 of this act does not affect a moving party’s right to obtain a ruling on the motion and seek costs, attorneys’ fees, and expenses under section 10 of this act.

(3) A voluntary dismissal with prejudice of a responding party’s cause of action, or part of a cause of action, that is the subject of a motion under section 3 of this act establishes for the purpose of section 10 of this act that the moving party prevailed on the motion.

NEW SECTION. Sec. 8. RULING. The court shall rule on a motion under section 3 of this act not later than sixty days after a hearing under section 5 of this act.

(1) To the moving party if the moving party prevails on the motion; or
(2) To the responding party if the responding party prevails on the motion and the court finds that the motion was not substantially justified or filed solely with intent to delay the proceeding.

NEW SECTION. Sec. 11. CONSTRUCTION. This chapter must be broadly construed and applied to protect the exercise of the right of freedom of speech and of the press, the right to assemble and petition, and the right of association, guaranteed by the United States Constitution or the Washington state Constitution.

NEW SECTION. Sec. 12. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and

(1) Notwithstanding any inconsistent provision in the governing documents, notice to the association of apartment owners, board of directors, or any apartment owner or occupant of an apartment under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(b) Notice to an apartment owner or occupant shall be addressed to the apartment address unless the apartment owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association of apartment owners, the board of directors, or apartment owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(d) The consent of any apartment owner is revoked if the association is unable to electronically transmit two consecutive notices and this inability becomes known to the secretary of the association of apartment owners or any other person responsible for giving the notice. (ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal
new organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(a) The association must notify the apartment owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than four days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which apartment owners wishing to deliver information to all apartment owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every apartment owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of an apartment owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board of directors may extend the deadline for a reasonable period not to exceed one month upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to apartment owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than apartment owners of leased apartments:

(a) This section applies to lessees as if they were apartment owners;

(b) Apartment owners that have leased their apartments to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were apartment owners.

(8) Apartment owners must also be given notice, in the manner provided in section 2 of this act, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the apartment owners, votes allocated to an apartment owned by the association must be cast in the same proportion as the votes cast on the matter by apartment owners other than the association.

(10) Except as otherwise restricted by the declaration, bylaws, or articles of incorporation, meetings of apartment owners may
be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how apartment owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all apartment owners the opportunity to hear or perceive the discussion and to comment.

Sec. 4. RCW 64.34.020 and 2011 c 189 s 1 are each reenacted and amended to read as follows:

In the declaration and bylaws, unless specifically provided otherwise or the context requires otherwise, and in this chapter:

(1) "Affiliate" means any person who controls, is controlled by, or is under common control with the referenced person. A person "controls" another person if the person: (a) Is a general partner, officer, director, or employer of the referenced person; (b) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than twenty percent of the voting interest in the referenced person; (c) controls in any manner the election of a majority of the directors of the referenced person; or (d) has contributed more than twenty percent of the capital of the referenced person. A person "is controlled by" another person if the other person: (i) Is a general partner, officer, director, or employer of the person; (ii) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than twenty percent of the voting interest in the person; (iii) controls in any manner the election of a majority of the directors of the person; or (iv) has contributed more than twenty percent of the capital of the person. Control does not exist if the powers described in this subsection are held solely as security for an obligation and are not exercised.

(2) "Allocated interests" means the undivided interest in the common elements, the common expense liability, and votes in the association allocated to each unit.

(3) "Assessment" means all sums chargeable by the association against a unit including, without limitation: (a) Regular and special assessments for common expenses, charges, and fines imposed by the association; (b) interest and late charges on any delinquent account; and (c) costs of collection, including reasonable attorneys' fees, incurred by the association in connection with the collection of a delinquent owner's account.

(4) "Association" or "unit owners' association" means the unit owners' association organized under RCW 64.34.300.

(5) "Baseline funding plan" means establishing a reserve funding goal of maintaining a reserve account balance above zero dollars throughout the thirty-year study period described under RCW 64.34.380.

(6) "Board of directors" means the body, regardless of name, with primary authority to manage the affairs of the association.

(7) "Common elements" means all portions of a condominium other than the units.

(8) "Common expense liability" means the liability for common expenses allocated to each unit pursuant to RCW 64.34.224.

(9) "Common expenses" means expenditures made by or financial liabilities of the association, together with any allocations to reserves.

(10) "Condominium" means real property, portions of which are designated for separate ownership and the remainder of which is designated for common ownership solely by the owners of those portions. Real property is not a condominium unless the undivided interests in the common elements are vested in the unit owners, and unless a declaration and a survey map and plans have been recorded pursuant to this chapter.

(11) "Contribution rate" means, in a reserve study as described in RCW 64.34.380, the amount contributed to the reserve account so that the association will have cash reserves to pay major maintenance, repair, or replacement costs without the need of a special assessment.

(12) "Conversion condominium" means a condominium (a) that at any time before creation of the condominium was lawfully occupied wholly or partially by a tenant or subtenant for residential purposes pursuant to a rental agreement, oral or written, express or implied, for which the tenant or subtenant had not received the notice described in (b) of this subsection; or (b) that, at any time within twelve months before the conveyance of, or acceptance of an agreement to convey, any unit therein other than to a declarant or any affiliate of a declarant, was lawfully occupied wholly or partially by a residential tenant of a declarant or an affiliate of a declarant and such tenant was not notified in writing, prior to lawfully occupying a unit or executing a rental agreement, whichever event first occurs, that the unit was part of a condominium and subject to sale. "Conversion condominium" shall not include a condominium in which, before July 1, 1990, any unit therein had been conveyed or been made subject to an agreement to convey to any transferee other than a declarant or an affiliate of a declarant.

(13) "Conveyance" means any transfer of the ownership of a unit, including a transfer by deed or by real estate contract and, with respect to a unit in a leasehold condominium, a transfer by lease or assignment thereof, but shall not include a transfer solely for security.

(14) "Dealer" means a person who, together with such person's affiliates, owns or has a right to acquire either six or more units in a condominium or fifty percent or more of the units in a condominium containing more than two units.

(15) "Declarant" means:
   (a) Any person who executes as declarant a declaration as defined in subsection (17) of this section; or
   (b) Any person who reserves any special declarant right in the declaration;
   (c) Any person who exercises special declarant rights or to whom special declarant rights are transferred; or
   (d) Any person who is the owner of a fee interest in the real property which is subjected to the declaration at the time of the recording of an instrument pursuant to RCW 64.34.316 and who directly or through one or more affiliates is materially involved in the construction, marketing, or sale of units in the condominium created by the recording of the instrument.

(16) "Declarant control" means the right of the declarant or persons designated by the declarant to appoint and remove officers and members of the board of directors, or to veto or approve a proposed action of the board or association, pursuant to RCW 64.34.308 (5) or (6).

(17) "Declaration" means the document, however denominated, that creates a condominium by setting forth the information required by RCW 64.34.216 and any amendments to that document.

(18) "Development rights" means any right or combination of rights reserved by a declarant in the declaration to: (a) Add real property or improvements to a condominium; (b) create units, common elements, or limited common elements within real property included or added to a condominium; (c) subdivide units or convert units into common elements; (d) withdraw real property from a condominium; or (e) reallocate limited common elements with respect to units that have not been conveyed by the declarant.

(19) "Dispose" or "disposition" means a voluntary transfer or conveyance to a purchaser or lessee of any legal or equitable interest in a unit, but does not include the transfer or release of a
security interest.

(20) "Effective age" means the difference between the estimated useful life and remaining useful life.

(21) "Eligible mortgagor" means the holder of a mortgage on a unit that has filed with the secretary of the association a written request that it be given copies of notices of any action by the association that requires the consent of mortgagors.

(22) "Foreclosure" means a forfeiture or judicial or nonjudicial foreclosure of a mortgage or a deed in lieu thereof.

(23) "Full funding plan" means setting a reserve funding goal of achieving one hundred percent fully funded reserves by the end of the thirty-year study period described under RCW 64.34.380, in which the reserve account balance equals the sum of the deteriorated portion of all reserve components.

(24) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of that reserve component by its effective age, then dividing the result by that reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(25) "Identifying number" means the designation of each unit in a condominium.

(26) "Leasehold condominium" means a condominium in which all or a portion of the real property is subject to a lease, the expiration or termination of which will terminate the condominium or reduce its size.

(27) "Limited common element" means a portion of the common elements allocated by the declaration or by operation of RCW 64.34.204 (2) or (4) for the exclusive use of one or more but fewer than all of the units.

(28) "Master association" means an organization described in RCW 64.34.276, whether or not it is also an association described in RCW 64.34.300.

(29) "Mortgage" means a mortgage, deed of trust or real estate contract.

(30) "Person" means a natural person, corporation, partnership, limited partnership, trust, governmental subdivision or agency, or other legal entity.

(31) "Purchaser" means any person, other than a declarant or a dealer, who by means of a disposition acquires a legal or equitable interest in a unit other than (a) a leasehold interest, including renewal options, of less than twenty years at the time of creation of the unit, or (b) as security for an obligation.

(32) "Real property" means any fee, leasehold or other estate or interest in, over, or under land, including structures, fixtures, and other improvements thereon and easements, rights and interests appurtenant thereto which by custom, usage, or law pass with a conveyance of land although not described in the contract of sale or instrument of conveyance. "Real property" includes parcels, with or without upper or lower boundaries, and spaces that may be filled with air or water.

(33) "Remaining useful life" means the estimated time, in years, before a reserve component will require major maintenance, repair, or replacement to perform its intended function.

(34) "Replacement cost" means the current cost of replacing, repairing, or restoring a reserve component to its original functional condition.

(35) "Reserve component" means a common element whose cost of maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget.

(36) "Reserve study professional" means an independent person who is suitably qualified by knowledge, skill, experience, training, or education to prepare a reserve study in accordance with RCW 64.34.380 and 64.34.382.

(37) "Residential purposes" means use for dwelling or recreational purposes, or both.

(38) "Significant assets" means that the current total cost of major maintenance, repair, and replacement of the reserve components is fifty percent or more of the gross budget of the association, excluding reserve account funds.

(39) "Special declarant rights" means rights reserved for the benefit of a declarant to: (a) Complete improvements indicated on survey maps and plans filed with the declaration under RCW 64.34.232; (b) exercise any development right under RCW 64.34.236; (c) maintain sales offices, management offices, signs advertising the condominium, and models under RCW 64.34.256; (d) use easements through the common elements for the purpose of making improvements within the condominium or within real property which may be added to the condominium under RCW 64.34.260; (e) make the condominium part of a larger condominium or a development under RCW 64.34.280; (f) make the condominium subject to a master association under RCW 64.34.276; or (g) appoint or remove any officer of the association or any master association or any member of the board of directors, or to veto or approve a proposed action of the board or association, during any period of declarant control under RCW 64.34.308(5).

(40) "Timeshare" shall have the meaning specified in the timeshare act, RCW 64.36.010(11).

(41) "Unit" means a physical portion of the condominium designated for separate ownership, the boundaries of which are described pursuant to RCW 64.34.216(1)(d). "Separate ownership" includes leasing a unit in a leasehold condominium under a lease that expires contemporaneously with any lease, the expiration or termination of which will remove the unit from the condominium.

(42) "Unit owner" means a declarant or other person who owns a unit or leases a unit in a leasehold condominium under a lease that expires simultaneously with any lease, the expiration or termination of which will remove the unit from the condominium, but does not include a person who has an interest in a unit solely as security for an obligation. "Unit owner" means the vendee, not the vendor, of a unit under a real estate contract.

(43) "Useful life" means the estimated time, between years, that major maintenance, repair, or replacement is estimated to occur.

(44) "Electronic transmission" or "electronically transmitted" means any electronic communication not directly involving the physical transfer of a writing in a tangible medium, but that may be retained, retrieved, and reviewed by the sender and the recipient of the communication, and that may be directly reproduced in a tangible medium by a sender and recipient.

(45) "Tangible medium" means a writing, copy of a writing, facsimile, or a physical reproduction, each on paper or on other tangible material.

Sec. 5. RCW 64.34.332 and 1989 c 43 s 3-109 are each amended to read as follows:

(1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by unit owners having twenty percent or any lower percentage specified in the declaration or bylaws of the votes in the association. Not less than ((fourteen)) fifty days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be ((hand delivered or sent prepaid by first-class United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit owner)) provided in accordance with this chapter. The notice of
any meeting shall state the time and place of the meeting and the items on the agenda to be voted on by the members, including the general nature of any proposed amendment to the declaration or bylaws, changes in the previously approved budget that result in a change in assessment obligations, and any proposal to remove a director or officer.

(2) Except as otherwise restricted by the declaration, bylaws, or articles of incorporation, meetings of unit owners may be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all unit owners the opportunity to hear or perceive the discussion and to comment.

Sec. 6. RCW 64.34.340 and 1992 c 220 s 17 are each amended to read as follows:

(1) If only one of the multiple owners of a unit is present at a meeting of the association or has delivered a written ballot or proxy to the association secretary, the owner is entitled to cast all the votes allocated to that unit. If more than one of the multiple owners are present or has delivered a written ballot or proxy to the association secretary, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the multiple owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the multiple owners casts the votes allocated to that unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(2) Votes allocated to a unit may be cast pursuant to a directed proxy, undirected proxy duly executed by a unit owner. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through a duly executed proxy. A unit owner may not revoke a proxy given pursuant to this section except by actual notice of revocation to the person presiding over a meeting of the association. A proxy is void if it is not dated or purports to be revocable without notice. Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(3) If the declaration requires that votes on specified matters affecting the condominium be cast by lessees rather than unit owners of leased units: (a) The provisions of subsections (1) and (2) of this section apply to lessees as if they were unit owners; (b) unit owners who have leased their units to other persons may not cast votes on those specified matters; and (c) lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners. Unit owners must also be given notice, in the manner provided in RCW 64.34.332, of all meetings at which lessees may be entitled to vote.

(4) No votes allocated to a unit owned by the association may be cast, and in determining the percentage of votes required to act on any matter, the votes allocated to units owned by the association shall be disregarded. (1) Unit owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, unit owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of unit owners the following requirements apply:

(a) Unit owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of unit owners, as designated by the person presiding at the meeting.

(b) If only one of several unit owners of a unit is present, that unit owner is entitled to cast all the votes allocated to that unit. If more than one of the unit owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the unit owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the unit owners casts the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other unit owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, a unit owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When a unit owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to a unit may be cast pursuant to a directed or undirected proxy duly executed by a unit owner in the same manner as provided in RCW 24.06.110.

(b) If a unit is owned by more than one person, each unit owner of the unit may vote or register protest to the casting of votes by the other unit owners of the unit through a duly executed proxy.

(c) A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of a unit owner does not revoke a proxy given by the unit owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(f) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(g) The association must notify the unit owners that the vote will be taken by ballot.

(h) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which unit owners wishing to deliver information to all unit owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every unit owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation.
disability of a unit owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board of directors may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to unit owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than unit owners of leased units:

(a) This section applies to lessees as if they were unit owners;

(b) Unit owners that have leased their units to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners.

(8) Unit owners must also be given notice, in the manner provided in section 8 of this act, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the unit owners, votes allocated to a unit owned by the association must be cast in the same proportion as the votes cast on the matter by unit owners other than the association.

Sec. 7. RCW 64.34.352 and 1992 c 220 s 18 are each amended to read as follows:

(1) Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available:

(a) Property insurance on the condominium, which may, but need not, include equipment, improvements, and betterments in a unit installed by the declarant or the unit owners, insuring against all risks of direct physical loss commonly insured against. The total amount of insurance after application of any deductibles shall be not less than eighty percent, or such greater amount specified in the declaration, of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and

(b) Liability insurance, including medical payments insurance, in an amount determined by the board of directors but not less than the amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(2) If the insurance described in subsection (1) of this section is not reasonably available, or is modified, canceled, or not renewed, the association promptly shall cause notice of that fact to be provided to each unit owner in accordance with this chapter and hand-delivered or sent prepaid by first-class United States mail ((to all unit owners)) to each eligible mortgagee((s)) and to each mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last known addresses. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the unit owners.

(3) Insurance policies carried pursuant to subsection (1) of this section shall provide that:

(a) Each unit owner is an insured person under the policy with respect to liability arising out of the owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit owner, member of the owner's household, and lessee of the owner;

(c) No act or omission by any unit owner, unless acting within the scope of the owner's authority on behalf of the association, will void the policy or be a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(4) Any loss covered by the property insurance under subsection (1)(a) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a mortgage. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and lienholders as their interests may appear. Subject to the provisions of subsection (7) of this section, the proceeds must be disbursed first for the repair or restoration of the damaged property, and unit owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the condominium is terminated.

(5) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the owner's own benefit.

(6) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit owner or holder of a mortgage. The insurer issuing the policy may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy unless the insurer has complied with all applicable provisions of chapter 48.18 RCW pertaining to the cancellation or nonrenewal of contracts of insurance. The insurer shall not modify the amount or the extent of the coverage of the policy, or cancel or refuse to renew the policy without complying with this section.

(7) Any portion of the condominium for which insurance is required under this section which is damaged or destroyed shall be repaired or replaced promptly by the association unless: (a) The condominium is terminated; (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance; or (c) eighty percent of the unit owners, including every owner of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If all of the damaged or destroyed portions of the condominium are not repaired or replaced: (i) The insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium; (ii) the insurance proceeds
attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and (iii) the remainder of the proceeds shall be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the common element interests of all the units. If the unit owners vote not to rebuild any unit, that unit’s allocated interests are automatically reallocated upon the vote as if the unit had been condemned under RCW 64.34.060(1), and the association promptly shall prepare, execute, and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, RCW 64.34.268 governs the distribution of insurance proceeds if the condominium is terminated.

(8) The provisions of this section may be varied or waived as provided in the declaration if all units of a condominium are restricted to nonresidential use.

NEW SECTION. Sec. 8. A new section is added to chapter 64.34 RCW to read as follows:

(1) Notwithstanding any inconsistent provision in the governing documents, notice to the association, board of directors, or any owner or occupant of a unit under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(a) Notice to the association or board of directors shall be addressed to the association’s registered agent at its registered office, to the association at its principal office shown in its most recent annual report, or to an address provided by the association to the unit owners.

(b) Notice to a unit owner or occupant shall be addressed to the unit address unless the unit owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association, the board of directors, or unit owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice under this subsection includes any materials that accompany the notice.

(c) Owners who have consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in writing.

(d) The consent of any owner is revoked if the association is unable to electronically transmit two consecutive notices and this inability becomes known to the secretary of the association or any other person responsible for giving the notice. The inadvertent failure by the association to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to unit owners who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the unit owner separate notice of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(4) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b).

For purposes of this chapter:

(1) "Assessment" means all sums chargeable to an owner by an association in accordance with RCW 64.38.020.

(2) "Baseline funding plan" means establishing a reserve funding goal of maintaining a reserve account balance above zero dollars throughout the thirty-year study period described under RCW 64.38.065.

(3) "Board of directors" or "board" means the body, regardless of name, with primary authority to manage the affairs of the association.

(4) "Common areas" means property owned, or otherwise maintained, repaired or administered by the association.

(5) "Common expense" means the costs incurred by the association to exercise any of the powers provided for in this chapter.

(6) "Contribution rate" means, in a reserve study as described in RCW ((64.34.384)) 64.38.065, the amount contributed to the reserve account so that the association will have cash reserves to pay major maintenance, repair, or replacement costs without the need of a special assessment.

(7) "Effective age" means the difference between the estimated useful life and remaining useful life.

(8) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of the reserve component by its effective age, then dividing the result by the reserve component’s useful life. The sum total of all reserve components’ fully funded balances is the association’s fully funded balance.

(9) "Governing documents" means the articles of incorporation, bylaws, plat, declaration of covenants, conditions, and restrictions, rules and regulations of the association, or other written instrument by which the association has the authority to exercise any of the powers provided for in this chapter or to manage, maintain, or otherwise affect the property under its jurisdiction.

(10) "Homeowners’ association" or "association" means a corporation, unincorporated association, or other legal entity,
each member of which is an owner of residential real property located within the association's jurisdiction, as described in the governing documents, and by virtue of membership or ownership of property is obligated to pay real property taxes, insurance premiums, maintenance costs, or for improvement of real property other than that which is owned by the member. "Homeowners' association" does not mean an association created under chapter 64.32 or 64.34 RCW.

(12) "Lot" means a physical portion of the real property located within an association's jurisdiction designated for separate ownership.

(13) "Owner" means the owner of a lot, but does not include a person who has an interest in a lot solely as security for an obligation. "Owner" also means the vendee, not the vendor, of a lot under a real estate contract.

(14) "Remaining useful life" means the estimated time, in years, before a reserve component will require major maintenance, repair, or replacement to perform its intended function.

(15) "Replacement cost" means the current cost of replacing, repairing, or restoring a reserve component to its original functional condition.

(16) "Reserve component" means a common element whose cost of maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget.

(17) "Reserve study professional" means an independent person who is suitably qualified by knowledge, skill, experience, training, or education to prepare a reserve study in accordance with RCW (64.38.035 and 64.38.070).

(18) "Residential real property" means any real property, the use of which is limited by law, covenant or otherwise to primarily residential or recreational purposes.

(19) "Significant assets" means that the current replacement value of the major reserve components is seventy-five percent or more of the gross budget of the association, excluding the association's reserve account funds.

(20) "Useful life" means the estimated time, between years, that major maintenance, repair, or replacement is estimated to occur.

(21) "Electronic transmission" or "electronically transmitted" means any electronic communication not directly involving the physical transfer of a writing in a tangible medium, but that may be retained, retrieved, and reviewed by the sender and the recipient of the communication, and that may be directly reproduced in a tangible medium by a sender and recipient.

(22) "Tangible medium" means a writing, copy of a writing, facsimile, or a physical reproduction, each on paper or on other tangible material.

Sec. 10. RCW 64.38.035 and 2014 c 20 s 1 are each amended to read as follows:

(1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by owners having ten percent of the votes in the association. The association must make available to each owner of record for examination and copying minutes from the previous association meeting not more than sixty days after the meeting. Minutes of the previous association meeting must be approved at the next association meeting in accordance with the association's governing documents.

(2) Not less than fourteen nor more than ((sixty-nine)) fifty days in advance of any meeting of the association, the secretary or other officers specified in the bylaws shall ((provide written)) cause notice of the meeting to be provided to each owner ((of record by:

(a) Hand delivery to the mailing address of the owner or other address designated in writing by the owner;

(b) Prepaid first-class United States mail to the mailing address of the owner or to any other mailing address designated in writing by the owner; or

(c) Electronic transmission to an address, location, or system designated in writing by the owner. Notice to owners by an electronic transmission complies with this section only with respect to those owners who have delivered to the secretary or other officers specified in the bylaws a written record consenting to receive electronically transmitted notices. An owner who has consented to receipt of electronically transmitted notices may revoke the consent at any time by delivering a written record of the revocation to the secretary or other officer specified in the bylaws. Consent is deemed revoked if the secretary or other officer specified in the bylaws is unable to electronically transmit two consecutive notices given in accordance with the consent)) in accordance with this chapter.

(3) The notice of any meeting shall state the time and place of the meeting and the business to be placed on the agenda by the board of directors for a vote by the owners, including the general nature of any proposed amendment to the articles of incorporation, bylaws, any budget or changes in the previously approved budget that result in a change in assessment obligation, and any proposal to remove a director.

(4) Except as provided in this subsection, all meetings of the board of directors shall be open for observation by all owners of record and their authorized agents. The board of directors shall keep minutes of all actions taken by the board, which shall be available to all owners. Upon the affirmative vote in open meeting to assemble in closed session, the board of directors may convene in closed executive session to consider personnel matters; consult with legal counsel or consider communications with legal counsel; and discuss likely or pending litigation, matters involving possible violations of the governing documents of the association, and matters involving the possible liability of an owner to the association. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The board of directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No motion, other action adopted, passed, or agreed to in closed session may become effective unless the board of directors, following the closed session, reconvenes in open meeting and votes in the open meeting on such motion, or other action which is reasonably identified. The requirements of this subsection shall not require the disclosure of information in violation of law or which is otherwise exempt from disclosure.

(5) Except as otherwise restricted by the governing documents, meetings of the association may be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all owners the opportunity to hear or perceive the discussion and to comment.

NEW SECTION. Sec. 11. A new section is added to chapter 64.38 RCW to read as follows:

(1) Notwithstanding any inconsistent provision in the governing documents, notice to the association of apartment owners, board, or any apartment owner or occupant of an apartment under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different
or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:
   (a) Notice to the association or board shall be addressed to the  
       association's registered agent at its registered office, to  
       the association at its principal office shown in its most recent annual  
       report, or to an address provided by the association to the  
       apartment owners.
   (b) Notice to a lot owner or occupant shall be addressed to the  
       lot address unless the owner has requested, in a writing delivered  
       to the association, that notices be sent to an alternate address.
   (3) Notice in an electronic transmission shall be provided as  
       follows:
       (a) Notice to the association, the board, or lot owners by  
           electronic transmission is effective only upon those who have  
           consented, in writing, to receive electronically transmitted notices  
           under this chapter and have designated the address, location, or  
           system to which such notices may be electronically transmitted,  
           provided that such notice otherwise complies with any other  
           requirements of this chapter and applicable law.
       (b) Notice under this subsection includes any materials that  
           accompany the notice.
       (c) Owners who have consented to receipt of electronically  
           transmitted notices may revoke this consent by delivering a  
           revocation to the association in writing.
       (d) The consent of any lot owner is revoked if the association  
           is unable to electronically transmit two consecutive notices and  
           this inability becomes known to the secretary of the association  
           of apartment owners or any other person responsible for giving  
           the notice. The inadvertent failure by the association of apartment  
           owners to treat this inability as a revocation does not invalidate  
           any meeting or other action.
       (e) Notice to lot owners who have consented to receipt of  
           electronically transmitted notices may be provided by posting the  
           notice on an electronic network and delivering to the owner  
           separate notice of the posting, together with comprehensible  
           instructions regarding how to obtain access to the posting on the  
           electronic network.
       (4) Notice is effective as follows:
          (a) Notice provided in a tangible medium is effective as of the  
              date of hand delivery, deposit with the carrier, or when sent by  
              fax.
          (b) Notice provided in an electronic transmission is effective as  
              of the date it:
              (i) Is electronically transmitted to an address, location, or  
                  system designated by the recipient for that purpose; or
              (ii) Has been posted on an electronic network and separate  
                   notice of the posting has been sent to the recipient containing  
                   instructions regarding how to obtain access to the posting on the  
                   electronic network.
              (5) The ineffectiveness of a good faith effort to deliver notice  
                  by an authorized means does not invalidate action taken at or  
                  without a meeting.
              (6) This chapter modifies, limits, and supersedes the federal  
                  electronic signatures in global and national commerce act, 15  
                  U.S.C. Sec. 7001 et seq., but does not modify, limit, or  
                  supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of  
                  the notices described in 15 U.S.C. Sec. 7003(b).

NEW SECTION. Sec. 12. A new section is added to chapter 64.38 RCW to read as follows:

(1) Owners may vote at a meeting in person, by absentee ballot  
    pursuant to subsection (3)(d) of this section, or by a proxy  
    pursuant to subsection (5) of this section.
(2) When a vote is conducted without a meeting, owners may  
    vote by ballot pursuant to subsection (6) of this section.
(3) At a meeting of owners the following requirements apply:  
    (a) Owners or their proxies who are present in person may vote  
        by voice vote, show of hands, standing, written ballot, or any  
        other method for determining the votes of owners, as designated  
        by the person presiding at the meeting.
    (b) If only one of several owners of a lot is present, that lot  
        owner is entitled to cast all the votes allocated to that lot. If more  
        than one of the lot owners are present, the votes allocated to that  
        lot may be cast only in accordance with the agreement of a  
        majority in interest of the lot owners, unless the declaration  
        expressly provides otherwise. There is a majority agreement if  
        any one of the lot owners casts the votes allocated to the lot  
        without protest being made promptly to the person presiding over  
        the meeting by any of the other lot owners of the lot.
    (c) Unless a greater number or fraction of the votes in the  
        association is required under this chapter or the declaration or  
        organizational documents, a majority of the votes cast determines  
        the outcome of any action of the association.
    (d) Whenever proposals or board members are to be voted upon  
        at a meeting, an owner may vote by duly executed absentee ballot if  
         
         (i) The name of each candidate and the text of each proposal to  
             be voted upon are set forth in a writing accompanying or  
             contained in the notice of meeting; and
         (ii) A ballot is provided by the association for such purpose.
    (4) When an owner votes by absentee ballot, the association  
        must be able to verify that the ballot is cast by the owner having  
        the right to do so.
    (5) Except as provided otherwise in the declaration or  
        organizational documents, the following requirements apply with  
        respect to proxy voting:
        (a) Votes allocated to a lot may be cast pursuant to a directed  
            or undirected proxy duly executed by a lot owner in the same  
            manner as provided in RCW 24.06.110.
        (b) If a lot is owned by more than one person, each lot owner  
            of the lot may vote or register protest to the casting of votes by  
            the other lot owners of the lot through a duly executed proxy.
        (c) An owner may revoke a proxy given pursuant to this section  
            only by actual notice of revocation to the secretary or the person  
            presiding over a meeting of the association or by delivery of a  
            subsequent proxy. The death or disability of an owner does not  
            revoke a proxy given by the owner unless the person presiding  
            over the meeting has actual notice of the death or disability.
        (d) A proxy is void if it is not dated or purports to be revocable  
            without notice.
        (e) Unless stated otherwise in the proxy, a proxy terminates  
            eleven months after its date of issuance.
    (6) Unless prohibited or limited by the declaration or  
        organizational documents, an association may conduct a vote  
        without a meeting. In that event, the following requirements apply:
        (a) The association must notify the owners that the vote will be  
            taken by ballot.
        (b) The notice must state:
        (i) The time and date by which a ballot must be delivered to the  
            association to be counted, which may not be fewer than fourteen  
            days after the date of the notice, and which deadline may be  
            extended in accordance with (g) of this subsection;
        (ii) The percent of votes necessary to meet the quorum  
            requirements;
        (iii) The percent of votes necessary to approve each matter  
            other than election of board members; and
        (iv) The time, date, and manner by which owners wishing to  
            deliver information to all owners regarding the subject of the vote  
            may do so.
        (c) The association must deliver a ballot to every owner with  
            the notice.
(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of an owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than owners of leased lots:

(a) This section applies to lessees as if they were owners;

(b) Owners that have leased their lots to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were owners.

(8) Owners must also be given notice, in the manner provided in section 11 of this act, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the lot owners, votes allocated to a lot owned by the association must be cast in the same proportion as the votes cast on the matter by lot owners other than the association.

Sec. 13. RCW 64.90.445 and 2019 c 238 s 210 are each amended to read as follows:

(1) The following requirements apply to unit owner meetings:

(a) A meeting of the association must be held at least once each year. Failure to hold an annual meeting does not cause a forfeiture or give cause for dissolution of the association and does not affect otherwise valid association acts.

(b)(i) An association must hold a special meeting of unit owners to address any matter affecting the common interest community or the association if its president, a majority of the board, or unit owners having at least twenty percent, or any lower percentage specified in the organizational documents, of the votes in the association request that the secretary call the meeting.

(ii) If the association does not provide notice to unit owners of a special meeting within thirty days after the requisite number or percentage of unit owners request the secretary to do so, the requesting members may directly provide notice to all the unit owners of the meeting. Only matters described in the meeting notice required in (c) of this subsection may be considered at a special meeting.

(c) An association must provide notice to unit owners of the time, date, and place of each annual and special unit owners meeting not less than fourteen days and not more than fifty days before the meeting date. Notice may be by any means described in RCW 64.90.515. The notice of any meeting must state the time, date, and place of the meeting and the items on the agenda, including:

(i) The text of any proposed amendment to the declaration or organizational documents;

(ii) Any changes in the previously approved budget that result in a change in the assessment obligations; and

(iii) Any proposal to remove a board member or officer.

(d) The minimum time to provide notice required in (c) of this subsection may be reduced or waived for a meeting called to deal with an emergency.

(e) Unit owners must be given a reasonable opportunity at any meeting to comment regarding any matter affecting the common interest community or the association.

(f) (Thei) Except as otherwise restricted by the declaration or organizational documents (may otherwise restricted by the declaration or organizational documents), meetings of unit owners ((thei) may be conducted by telephonic, video, or other conferencing process, if the process is consistent with subsection (2)(i) of this section.

(2) The following requirements apply to meetings of the board and committees authorized to act for the board:

(a) Meetings must be open to the unit owners except during an executive session. Meetings of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(b) An executive session may be held only to:

(i) Consult with the association's attorney concerning legal matters;

(ii) Discuss existing or potential litigation or mediation, arbitration, or administrative proceedings;

(iii) Discuss labor or personnel matters;

(iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the association at a disadvantage; or

(v) Prevent public knowledge of the matter to be discussed if the board or committee determines that public knowledge would violate the privacy of any person.

(c) For purposes of this subsection, a gathering of members of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(d) During the period of declarant control, the board must meet at least four times a year. At least one of those meetings must be held at the common interest community or at a place convenient to the community. After the transition meeting, all board meetings must be at the common interest community or at a place convenient to the common interest community unless the unit owners amend the bylaws to vary the location of those meetings.

(e) At each board meeting, the board must provide a reasonable opportunity for unit owners to comment regarding matters affecting the common interest community and the association.

(f) Unless the meeting is included in a schedule given to the unit owners or the meeting is called to deal with an emergency, the secretary or other officer specified in the organizational documents must provide notice of each board meeting to each board member and to the unit owners. The notice must be given at least fourteen days before the meeting and must state the time, date, place, and agenda of the meeting.

MESSAGE FROM THE HOUSE

April 7, 2021

MR. PRESIDENT:
The House passed SUBSTITUTE SENATE BILL NO. 5030 with the following amendment(s): 5030-S AMH ENGR H1312.E

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature recognizes that certificated school counselors are uniquely qualified to address the developmental needs of all students through a comprehensive school counseling program. School counselors play a critical role in maximizing K-12 student outcomes, including those related to attendance, academic achievement, high school graduation, postsecondary readiness, and social-emotional development. The legislature finds that school counselors play an especially unique role in the lives of students from underserved backgrounds, particularly students of color, students with disabilities, English language learners, and students living in poverty, who, according to research, are more likely to seek out their school counselor for academic, mental health, or postsecondary planning needs.

(2) The legislature also recognizes research indicating that lower counselor to student ratios enable counselors to work more closely with students and address their unique needs, and that school counselors should be able to use their time to provide direct and indirect services to students as described in a comprehensive school counseling program grounded in research.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

By the beginning of the 2022-23 school year each school district shall develop and implement a written plan for a comprehensive school counseling program that is based on regularly updated standards developed by a national organization representing school counselors. The written plan must:

(1) Establish a comprehensive school counseling program that uses state and nationally recognized counselor frameworks and is systemically aligned to state learning standards;

(2) Provide a process for identifying student needs through a multilevel school data review and analysis that includes, at a minimum, use-of-time data, program results data, and data regarding communication with administrators, parents, students, and stakeholders;

(3) Explain how direct and indirect services will be delivered through the comprehensive school counseling program; and

(4) Establish an annual review and assessment process for the comprehensive school counseling program that includes building administrators and stakeholders.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.320 RCW to read as follows:

(1) The comprehensive school counseling program required by section 2 of this act must be implemented by school counselors or other educational staff associates for the purpose of guiding students in academic pursuits, career planning, and social-emotional learning.

(2) School counselors or other educational staff associates assigned to implement comprehensive school counseling programs must allocate at least 80 percent of their work time providing direct and indirect services to benefit students, as aligned with standards developed by a national organization representing school counselors. Tasks such as coordinating and monitoring student testing, supervising students at lunch and recess, and assuming the duties of other noncounseling staff are not direct or indirect services.

(3) For purposes of this section:

(a) "Direct services" are in-person interactions between school counselors or other educational staff associates assigned to implement comprehensive school counseling programs and students that help students improve achievement, attendance, and discipline. Examples include, but are not limited to, instruction, appraisal, advisement, and counseling.

(b) "Indirect services" are provided on behalf of students as a result of interactions with others by school counselors or educational staff associates assigned to implement comprehensive school counseling programs that allow school counselors or educational staff associates to enhance student achievement and promote equity and access for all students. Examples include, but are not limited to, collaboration, consultation, and referrals.

(c) "Work time" means the portion of an employee's contracted hours for which they are contracted to perform the duties of a school counselor or other educational staff associate assignment.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.320 RCW to read as follows:

(1) By December 1, 2021, the office of the superintendent of public instruction must develop and distribute to school districts guidance for the implementation of sections 2 and 3 of this act. In meeting the requirements of this subsection (1), the office of the superintendent of public instruction shall consult with small school districts and develop guidance for small districts that is appropriate for the staffing resources, school counselor to student ratios, and range of duties performed by school counselors and

Sec. 8. RCW 39.10.350 and 2014 c 42 s 4 are each amended to read as follows:

1. A public body using the general contractor/construction manager contracting procedure shall provide for:

(a) The preparation of appropriate, complete, and coordinated design documents;
(b) Confirmation that a constructability analysis of the design documents has been performed prior to solicitation of a subcontract bid package;
(c) Reasonable budget contingencies totaling not less than five percent of the anticipated contract value;
(d) To the extent appropriate, on-site architectural or engineering representatives during major construction or installation phases;
(e) Employment of staff or consultants with expertise and prior experience in the management of comparable projects, critical path method schedule review and analysis, and the administration, pricing, and negotiation of change orders;
(f) Contract documents that include alternative dispute resolution procedures to be attempted before the initiation of litigation;
(g) Contract documents that: (i) Obligate the public owner to, in writing, accept, reject, or reject a request for equitable adjustment, change order request, or claim within a specified time period but no later than (sixty) 30 calendar days after the receipt by the public body of related documentation; (ii) provide that, if the request is disputed or rejected, the public owner shall state in writing why part or all of the request is disputed or rejected; and (iii) provide that if the public owner does not respond in writing to a request for equitable adjustment, change order request, or claim within the specified time period, the contractor shall not be deemed to have waived any right to the claims process.

(h) Submission of project information, as required by the board; and

(i) Contract documents that require the contractor, subcontractors, and designers to submit project information required by the board.

(2) A public body using the general contractor/construction manager contracting procedure may include an incentive clause for early completion, cost savings, or other performance goals if such incentives are identified in the request for proposals. No incentives granted may exceed five percent of the maximum allowable construction cost. No incentives may be paid from any contingency fund established for coordination of the construction documents or coordination of the work.

(3) If the construction is completed for less than the maximum allowable construction cost, any savings not otherwise negotiated as part of an incentive clause shall accrue to the public body. If the construction is completed for more than the maximum allowable construction cost, the additional cost is the responsibility of the general contractor/construction manager.

(4) If the public body and the general contractor/construction manager agree, in writing, on a price for additional work, the public body must issue a change order within (thirty) 30 days of the written agreement. If the public body does not issue a change order within (thirty) 30 days, interest shall accrue on the dollar amount of the additional work satisfactorily completed until a change order is issued. The public body shall pay this interest at a rate of one percent per month.

((5 For a project procured as a heavy civil construction project, an independent audit, paid for by the public body, must be conducted to confirm the proper accrual of costs as outlined in the contract.))

Sec. 9. RCW 39.10.360 and 2014 c 42 s 5 are each amended to read as follows:

(1) Public bodies should select general contractor/construction managers (early in the life of public works projects, and in most situations no later than the completion of schematic design) at a time in the project when the general contractor/construction manager's participation provides value.

(2) Contracts for the services of a general contractor/construction manager under this section shall be awarded through a competitive process requiring the public solicitation of proposals for general contractor/construction manager services. At a minimum, the public body shall publish at least once in a legal newspaper of general circulation published in, or as near as possible to, that part of the county in which the public work will be performed, a notice of its request for qualifications from proposers for general contractor/construction manager services, and the availability and location of the request for proposal documents. The public body is encouraged to post the general contractor/construction manager opportunity in additional areas, such as websites for business associations or the office of minority and women's business enterprises, to further publicize the opportunity for qualified general contractors/construction managers. The public solicitation of proposals shall include:

(a) A description of the project, including programmatic, performance, and technical requirements and specifications when available;

(b) The reasons for using the general contractor/construction manager procedure (including, if applicable, a clear statement that the public body is electing to procure the project as a heavy civil construction project, in which case the solicitation must additionally:

(i) Indicate the minimum percentage of the cost of the work to construct the project that will constitute the negotiated self-perform portion of the project;

(ii) Indicate whether the public body will allow the price to be paid for the negotiated self-perform portion of the project to be deemed a cost of the work to which the general contractor/construction manager's percent fee applies; and

(iii) Require proposals to indicate the proposer's fee for the negotiated self-perform portion of the project);

(c) A description of the qualifications to be required of the firm, including submission of the firm's accident prevention program;

(d) A description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors, the relative weight of factors, and protest procedures including time limits for filing a protest, which in no event may limit the time to file a protest to fewer than four business days from the date the proposer was notified of the selection decision;

(e) The form of the contract, including any contract for preconstruction services, to be awarded;

(f) The estimated maximum allowable construction cost; and

(g) The bid instructions to be used by the general contractor/construction manager finalists.

(3)((4) Evaluation factors for ((selection)) qualifications of the general contractor/construction manager shall include, but not be limited to:

((i) Ability of the firm's professional) (a) Experience and technical competence of key personnel;

((ii)) (b) The ((firm's)) proposer's past performance ((in)) with negotiated ((and)) or similarly complex projects;

((iii))) (c) The ((firm's ability to meet time and budget requirements)) proposer's capacity to perform the work;

((iv))) (d) The scope of work the firm proposes to self-perform and its ((ability to perform)) past performance of that scope of work;

((v)) The firm's proximity to the project location;

(xvi) Recent, current, and projected workloads of the firm; and

((xvii))) (e) The ((firm's)) proposer's approach to executing the project, including ability to meet the project time and budget requirements; and

(f) The proposer's past performance in utilization of disadvantaged business enterprises and small business entities and the inclusion plan for small business entities and disadvantaged business enterprises as subconsultants, subcontractors, and suppliers for the project, to the extent permitted by law.

((xviii) An agency may also consider the firm's outreach plan to include small business enterprises and disadvantaged business enterprises, and the firm's past performance in the utilization of such firms as an evaluation factor.)

(4) A public body shall establish a committee to evaluate the proposals. After the committee has selected the most qualified finalists, at the time specified by the public body, these finalists shall submit final proposals, (including) which must include sealed bids for the percent fee on the estimated maximum allowable construction cost and (the fixed amount for the general conditions work specified) which may include other price-related factors identified in the request for proposal. In no event shall a price-related factor include a request for overall project
The public body shall establish a time and place for the opening of sealed bids (for the percent fee on the estimated maximum allowable construction cost and the fixed amount for the general conditions work specified in the request for proposal). At the time and place named, these bids must be publicly opened and read and the public body shall make all previous scoring available to the public. The public body shall select the firm submitting the highest scored final proposal using the evaluation factors and the relative weight of factors published in the public solicitation of proposals. A public body shall not evaluate or disqualify a proposal based on the terms of a collective bargaining agreement.

(5) The public body shall notify all finalists of the selection decision and make a selection summary of the final proposals available to all proposers within two business days of such notification. If the public body receives a timely written protest from a proposer, the public body may not execute a contract until two business days after the final protest decision is transmitted to the protestor. The protestor must submit its protest in accordance with the published protest procedures.

(6) Public bodies may contract with the selected firm to provide services during the design phase that may include life-cycle cost design considerations, value engineering, scheduling, cost estimating, constructability, alternative construction options for cost savings, and sequencing of work, and to act as the construction manager and general contractor during the construction phase.

Sec. 10. RCW 39.10.370 and 2014 c 42 s 6 are each amended to read as follows:

(1) The maximum allowable construction cost shall be used to establish a total contract cost for which the general contractor/construction manager shall provide a performance and payment bond. The maximum allowable construction cost shall be negotiated between the public body and the selected firm when the construction documents and specifications are at least ninety percent complete.

(2) Major bid packages may be bid in accordance with RCW 39.10.380 before agreement on the maximum allowable construction cost between the public body and the selected general contractor/construction manager. The general contractor/construction manager may issue an intent to award to the responsible bidder submitting the lowest responsive bid.

(3) The public body may, at its option, authorize the general contractor/construction manager to proceed with the bidding and award of bid packages and construction before receipt of complete project plans and specifications. Any contracts awarded under this subsection shall be incorporated in the negotiated maximum allowable construction cost.

(4) The total contract cost includes the fixed amount for the detailed specified general conditions work, the negotiated maximum allowable construction cost, the negotiated support services, and the percent fee on the negotiated maximum allowable construction cost. (Nominated support services may include the specified general conditions at the discretion of the public body.) Unless portions or all are converted to lump sum, negotiated support services shall be treated as a contractual allowance, subject to reconciliation at the conclusion of work.

(5) If the public body is unable to negotiate a satisfactory maximum allowable construction cost with the firm selected that the public body determines to be fair, reasonable, and within the available funds, negotiations with that firm shall be formally terminated and the public body shall negotiate with the next highest scored firm and continue until an agreement is reached or the process is terminated.

(6) If the maximum allowable construction cost varies more than ((five)) fifteen percent from the bid estimated maximum allowable construction cost due to requested and approved changes in the scope by the public body, the percent fee shall be renegotiated.

((2)) As part of the negotiation of the maximum allowable construction cost under subsection (1) of this section, on a project that the public body has elected to procure as a heavy civil construction project:

(a) The general contractor/construction manager shall submit a proposed construction management and contracting plan, which must include, at a minimum:

(i) The scope of work and cost estimates for each bid package;

(ii) A proposed price and scope of work for the negotiated self-perform portion of the project;

(iii) The bases used by the general contractor/construction manager to develop all cost estimates, including the negotiated self-perform portion of the project; and

(iv) The general contractor/construction manager’s updated outreach plan to include small business entities, disadvantaged business entities, and any other disadvantaged or underutilized businesses as the public body may designate in the public solicitation of proposals, as subcontractors and suppliers for the project.

(b) The public body and general contractor/construction manager may negotiate the scope of work to be procured by bid and the price and scope of work for the negotiated self-perform portion of the project, if any:

(c) The negotiated self-perform portion of the project must not exceed fifty percent of the cost of the work to construct the project;

(d) Subject to the limitation of RCW 39.10.390(4), the public body may additionally negotiate with the general contractor/construction manager to determine which scope of work the general contractor/construction manager will be permitted to bid, if any;

(e) The public body and general contractor/construction manager shall negotiate to the public body’s satisfaction, a fair and reasonable outreach plan;

(f) If the public body is unable to negotiate to its reasonable satisfaction a component of this subsection (7), negotiations with the firm must be terminated and the public body shall negotiate with the next highest scored firm and continue until an agreement is reached or the process is terminated.)

Sec. 11. RCW 39.10.380 and 2013 c 222 s 14 are each amended to read as follows:

(1) All subcontract work and equipment and material purchases shall be competitively bid with public bid openings and require the public solicitation of the bid documents. At a minimum, the general contractor/construction manager shall publish at least once in a legal newspaper of general circulation published in, or as near as possible to, that part of the county in which the subcontract work will be performed, a notice of its request for bid, and the availability and location of the bid documents. The general contractor/construction manager shall be encouraged to post the subcontract opportunity in additional areas beyond the legal newspaper as required by this subsection, such as websites for business associations, the office of minority and women’s business enterprises, and other locations and mediums that will further publicize the opportunity for qualified subcontractors. Subcontract bid packages and equipment and materials purchases shall be awarded to the responsible bidder submitting the lowest responsive bid. In preparing subcontract bid packages, the general contractor/construction manager shall not be required to violate or waive terms of a collective bargaining agreement. Individual bid packages are to be prepared with trades separated in the
manner consistent with industry practice to maximize participation and competition across all trades. Bundling of trades not normally combined into one bid package is not allowed without justification and specific approval by the public body. Bid packages must be prepared to reduce barriers for and increase participation by disadvantaged business enterprises.

(2) All subcontract bid packages in which bidder eligibility was not determined in advance shall include the specific objective criteria that will be used by the general contractor/construction manager and the public body to evaluate bidder responsibility. If the lowest bidder submitting a responsive bid is determined by the general contractor/construction manager and the public body not to be responsible, the general contractor/construction manager and the public body must provide written documentation to that bidder explaining their intent to reject the bidder as not responsible and afford the bidder the opportunity to establish that it is a responsible bidder. Responsibility shall be determined in accordance with criteria listed in the bid documents. Protests concerning bidder responsibility determination by the general contractor/construction manager and the public body shall be in accordance with subsection (4) of this section.

(3) All subcontractors who bid work over $(three\text{ hundred thousand dollars})$ shall post a bid bond. All subcontractors who are awarded a contract over $(three\text{ hundred thousand dollars})$ shall provide a performance and payment bond for the contract amount. All other subcontractors shall provide a performance and payment bond if required by the general contractor/construction manager.

(4) If the general contractor/construction manager receives a written protest from a subcontractor bidder or an equipment or material supplier, the general contractor/construction manager shall not execute a contract for the subcontract bid package or equipment or material purchase order with anyone other than the protesting bidder without first providing at least two full business days' written notice to all bidders of the intent to execute a contract for the subcontract bid package. The protesting bidder must submit written notice of its protest no later than two full business days following the bid opening. Intermediate Saturdays, Sundays, and legal holidays are not counted.

(5) A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

(6) The general contractor/construction manager may negotiate with the lowest responsible and responsive bidder to negotiate an adjustment to the lowest bid or proposal price to reduce cost based upon agreed changes to the contract plans and specifications under the following conditions:

(a) All responsive bids or proposal prices exceed the ([available funds]) published bid package estimates; and

(b) The apparent low responsive bid or proposal does not exceed the ([available funds by the greater of one hundred twenty-five thousand dollars or two percent for projects valued over ten million dollars]) published bid package estimates by more than ten percent.

(7) If the negotiation is unsuccessful, the subcontract work or equipment or material purchases must be rebid.

(8) The general contractor/construction manager must provide a written explanation to the public body if all bids are rejected.

Sec. 12. RCW 39.10.385 and 2013 c 222 s 15 are each amended to read as follows:

The selection process in this section may be used by public bodies certified under RCW 39.10.270. It may also be used by noncertified public bodies if this selection process has been approved for the project by the project review committee. As an alternative to the subcontractor selection process outlined in RCW 39.10.380, a general contractor/construction manager may, with the approval of the public body, select ([mechanical subcontractors, electrical]) one or more subcontractors([and or both]) using the process outlined in this section. This alternative selection process may only be used when the anticipated value of the subcontract will exceed three million dollars. When using the alternative selection process, the general contractor/construction manager should select the subcontractor early in the life of the public works project.

(1) In order to use this alternative selection process, the general contractor/construction manager and the public body must determine that it is in the best interest of the public. In making this determination the general contractor/construction manager and the public body must:

(a) Publish a notice of intent to use this alternative selection process in (1a) the same legal newspaper where the public solicitation of proposals is published (in or as near as possible to that part of the county where the public work will be executed). The general contractor/construction manager and public body are encouraged to post the notice in additional areas beyond the legal newspaper as required under this subsection, such as websites for business associations, the office of minority and women's business enterprises, and other locations and mediums that will further publicize the intent to use this alternative selection process. Notice must be published at least fourteen calendar days before conducting a public hearing. The notice must include the date, time, and location of the hearing; a statement justifying the basis and need for the alternative selection process; how interested parties may, prior to the hearing, obtain the following: (i) The evaluation criteria, weights for each criterion, and protest procedures; and (ii) protest procedures including time limits for filing a protest, which may, in no event, limit the time to file a protest to fewer than four business days from the date the proposer was notified of the selection decision. The evaluation criteria, weights assigned to each criterion, and justification for using this selection process must be made available upon request at least seven calendar days before the public hearing;

(b) Conduct a hearing and provide an opportunity for any interested party to submit written and verbal comments regarding the justification for using this selection process, the evaluation criteria, weights for each criterion, and protest procedures;

(c) After the public hearing, consider the written and verbal comments received and determine if using this alternative selection process is in the best interests of the public; and

(d) Issue a written final determination to all interested parties. (All protests of the decision to use the alternative selection process must be in writing and submitted to the public body within seven calendar days of the final determination.) The final determination shall state the reasonsirst, the alternative selection process is in the best interests of the public and shall reasonably address the comments received regarding the criteria and weights for each criterion. Any modifications to the criteria, weights, and protest procedures based on comments received during the public hearing process must be included in the final determination. All protests of the decision to use the alternative selection process must be in writing and submitted to the public body within seven calendar days of the final determination. The public body shall not proceed with the selection process until after responding in writing to the protest.

(2) Contracts for the services of a subcontractor under this section must be awarded through a competitive process requiring a public solicitation of proposals. Notice of the public solicitation
of proposals must be provided to the office of minority and women's business enterprises. The public solicitation of proposals must include:

(a) A description of the project, including programmatic, performance, and technical requirements and specifications when available, along with a description of the project's unique aspects, complexities, and challenges;

(b) The reasons for using the alternative selection process;

(c) A description of the minimum qualifications required of the firm;

(d) A description of the process used to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors;

(e) Protest procedures;

(f) The form of the contract, including any contract for preconstruction services, to be awarded;

(g) The estimated maximum allowable subcontract cost; and

(h) The bid instructions to be used by the finalists.

(3) Evaluation factors for selection of the subcontractor must include, but not be limited to:

(a) Ability of the firm's professional personnel to deliver projects similar in size, scope, or complexity;

(b) The firm's past performance on (similar) projects similar in size, scope, or complexity;

(c) The firm's ability to meet time and budget requirements on projects similar in size, scope, or complexity;

(d) The scope of work the firm proposes to perform with its own forces and its ability to perform that work;

(e) The firm's plan for (outreach to minority and women-owned businesses) inclusion of disadvantaged business enterprises, to the extent permitted by law;

(f) The firm's proximity to the project location;

(g) (The firm's capacity to successfully complete the project;

(h) The firm's approach to executing the project based on its delivery of other projects similar in size, scope, or complexity;

(i) The firm's approach to safety on the project;

(j) The firm's safety history;

(j) If interviews are part of the selection process, the solicitation shall describe how interviews will be scored or evaluated, and evaluations shall be included in the written selection summary; and

(k) If the firm is selected as one of the most qualified finalists, the firm's fee and cost proposal.

(4) The general contractor/construction manager shall establish a committee to evaluate the proposals. At least one representative from the public body shall serve on the committee. Final proposals, including sealed bids for the percent fee on the estimated maximum allowable subcontract cost, and the fixed amount for the subcontract general conditions work specified in the request for proposal, will be requested from the most qualified firms.

(5) The general contractor/construction manager must notify all proposers of the most qualified firms that will move to the next phase of the selection process. The process may not proceed to the next phase until two business days after all proposers are notified of the committee's selection decision. At the request of a proposer, the general contractor/construction manager must provide the requesting proposer with a scoring summary of the evaluation factors for its proposal. Proposers filing a protest on the selection of the most qualified finalists must file the protest with the public body in accordance with the published protest procedures. The selection process may not advance to the next phase of selection until two business days after the final protest decision issued by the public body is transmitted to the protestor.

(6) The general contractor/construction manager and the public body shall select the firm submitting the highest scored final proposal using the evaluation factors and the relative weight of factors identified in the solicitation of proposals. Scoring of the nonprice factors shall be added to the scoring of the fee and cost proposals to determine the highest scored firm. The scoring of the nonprice factors must be made available at the public opening of the fee and cost proposals. The general contractor/construction manager shall notify all proposers of the selection decision and make a selection summary of the final proposals, which shall be available to all proposers within two business days of such notification. The general contractor/construction manager may not evaluate or disqualify a proposal based on the terms of a collective bargaining agreement.

(7) If the public body receives a timely written protest from a "most qualified firm," the general contractor/construction manager may not execute a contract for the protested subcontract work until two business days after the final protest decision issued by the public body is transmitted to the protestor. The protestor must submit its protest in accordance with the published protest procedures.

(8) If the general contractor/construction manager is unable to negotiate a satisfactory maximum allowable subcontract cost with the firm selected deemed by public body and the general contractor/construction manager to be fair, reasonable, and within the available funds, negotiations with that firm must be formally terminated and the general contractor/construction manager may negotiate with the next highest scored firm until an agreement is reached or the process is terminated.

(9) With the approval of the public body, the general contractor/construction manager may contract with the selected firm to provide preconstruction services during the design phase that may include life-cycle cost design considerations, value engineering, scheduling, cost estimating, constructability, alternative construction options for cost savings, and sequencing of work; and to act as the subcontractor during the construction phase.

(10) The maximum allowable subcontract cost must be used to establish a total subcontract cost for purposes of a performance and payment bond. Total subcontract cost means the fixed amount for the detailed specified general conditions work, the negotiated maximum allowable subcontract cost, and the percent fee on the negotiated maximum allowable subcontract cost. Maximum allowable subcontract cost means the maximum cost to complete the work specified for the subcontract, including the estimated cost of work to be performed by the subcontractor's own forces, a percentage for risk contingency, negotiated support services, and approved change orders. The maximum allowable subcontract cost must be negotiated between the general contractor/construction manager and the selected firm when the construction documents and specifications are at least ninety percent complete. Final agreement on the maximum allowable subcontract cost is subject to the approval of the public body.

(11) If the work of the subcontractor is completed for less than the maximum allowable subcontract cost, any savings not otherwise negotiated as part of an incentive clause becomes part of the risk contingency included in the general contractor/construction manager's maximum allowable construction cost. If the work of the subcontractor is completed for more than the maximum allowable subcontract cost, the additional cost is the responsibility of that subcontractor. An independent audit, paid for by the public body, must be conducted to confirm the proper accrual of costs (as outlined in the contract). The public body or general contractor/construction manager shall define the scope of the
audit in the contract.

(12) A (mechanical or electrical contractor) subcontractor selected under this section may perform work with its own forces. In the event it elects to subcontract some of its work, it must select a subcontractor utilizing the procedure outlined in RCW 39.10.380.

Sec. 13. RCW 39.10.390 and 2014 c 42 s 7 are each amended to read as follows:

(1) Except as provided in this section, bidding on subcontract work or for the supply of equipment or materials by the general contractor/ construction manager or its subsidiaries is prohibited.

(2) The general contractor/ construction manager, or its subsidiaries, may bid on subcontract work or for the supply of equipment or materials if:
   (a) The work within the subcontract bid package or equipment or materials is customarily performed or supplied by the general contractor/ construction manager;
   (b) The bid opening is managed by the public body and is in compliance with RCW 39.10.380; and
   (c) Notification of the general contractor/ construction manager’s intention to bid is included in the public solicitation of bids for the bid package or for the equipment or materials.

(3) In no event may the general contractor/ construction manager or its subsidiaries assign warranty responsibility or the terms of its contract or purchase order with vendors for equipment or material purchases to subcontract bid package bidders or subcontractors who have been awarded a contract. The value of subcontract work performed and equipment and materials supplied by the general contractor/ construction manager may not exceed (thirteen) 30 percent of the negotiated maximum allowable construction cost, unless procured as a heavy civil construction project under this chapter. Negotiated support services performed by the general contractor/ construction manager shall not be considered subcontract work for purposes of this subsection.

((4) Notwithstanding any contrary provision of this chapter, for a project that a public body has elected to procure as a heavy civil construction project under this chapter, at least thirty percent of the cost of the work to construct the project included in the negotiated maximum allowable construction cost must be procured through competitive sealed bidding in which bidding by the general contractor/ construction manager or its subsidiaries is prohibited)

Sec. 14. RCW 39.10.400 and 2013 c 222 s 17 are each amended to read as follows:

(1) If determination of subcontractor eligibility prior to seeking bids is in the best interest of the project and critical to the successful completion of a subcontract bid package, the general contractor/ construction manager and the public body may determine subcontractor eligibility to bid. The general contractor/ construction manager and the public body must:
   (a) Conduct a hearing and provide an opportunity for any interested party to submit written and verbal comments regarding the justification for conducting bidder eligibility, the evaluation criteria, and weights for each criteria and subcriteria;
   (b) Publish a notice of intent to evaluate and determine bidder eligibility in a legal newspaper published in or as near as possible to that part of the county where the public work will be constructed at least (fourteen) 14 calendar days before conducting a public hearing. The general contractor/ construction manager and public body are encouraged to post the notice in additional areas beyond the legal newspaper as required under this subsection, such as websites for business associations, the office of minority and women’s business enterprises, and other locations and mediums that will further publicize the intent to use subcontractor eligibility prior to seeking bids;
   (c) Ensure the public hearing notice includes the date, time, and location of the hearing, a statement justifying the basis and need for performing eligibility analysis before bid opening, and how interested parties may, at least five days before the hearing, obtain the specific eligibility criteria and applicable weights given to each criteria and subcriteria that will be used during evaluation;
   (d) After the public hearing, consider written and verbal comments received and determine if establishing bidder eligibility in advance of seeking bids is in the best interests of the project and critical to the successful completion of a subcontract bid package; and
   (e) Issue a written final determination to all interested parties. All protests of the decision to establish bidder eligibility before issuing a subcontractor bid package must be filed with the superior court within seven calendar days of the final determination. Any modifications to the eligibility criteria and weights shall be based on comments received during the public hearing process and shall be included in the final determination.

(2) Determinations of bidder eligibility shall be in accordance with the evaluation criteria and weights for each criteria established in the final determination and shall be provided to interested persons upon request. Any potential bidder determined not to meet eligibility criteria must be afforded one opportunity to establish its eligibility. Protests concerning bidder eligibility determinations shall be in accordance with subsection (1) of this section.

Sec. 15. RCW 39.10.430 and 2019 c 212 s 8 are each amended to read as follows:

(1) Job order contracts shall be awarded through a competitive process using public requests for proposals.

(2) The public body shall (make an effort) prioritize efforts to solicit proposals from certified minority or certified woman-owned contractors to the extent permitted by the Washington state civil rights act, RCW 49.60.400.

(3) The public body shall publish, at least once in a statewide publication and legal newspaper of general circulation published in every county in which the public works project is anticipated, a request for proposals for job order contracts and the availability and location of the request for proposal documents. The public body is encouraged to post the request for proposals for job order contracts and the availability and location of the request for proposal documents in other areas, such as websites for business associations, the office of minority and women’s business enterprises, and other locations and mediums that will further publicize the opportunities. The public body shall ensure that the request for proposal documents at a minimum includes:
   (a) A detailed description of the scope of the job order contract including performance, technical requirements and specifications, functional and operational elements, minimum and maximum work order amounts, duration of the contract, and options to extend the job order contract;
   (b) The reasons for using job order contracts;
   (c) A description of the qualifications required of the proposer;
   (d) The identity of the specific unit price book to be used and a description of which elements shall be included in the coefficient as necessary to establish a firm fixed price on work orders to be awarded under the job order contract;
   (e) The minimum contracted amount committed to the selected job order contractor;
   (f) A description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors. The public body shall ensure that evaluation factors include, but are not limited to, ((proposal prices)) the coefficient and the ability of the proposer to perform the job order contract. In evaluating the ability of the proposer to perform the job order contract, the public body may consider: The ability of the professional personnel who will work
on the job order contract; past performance on similar contracts; ability to meet time and budget requirements; past performance on approved subcontractor inclusion plans; ability to provide a performance and payment bond for the job order contract; recent, current, and projected workloads of the proposer; location; and the concept of the proposal;

(4) A public body shall establish a committee, including a member with knowledge and experience in state and federal laws, rules, and best practices concerning public contracting for minority, women, and veteran-owned businesses and small businesses, to evaluate the proposals. After the committee has selected the most qualified finalists, the finalists shall submit (final proposals, including sealed bids based upon the identified unit price book) a sealed bid including, but not limited to, coefficient(s). Such bids may be in the form of coefficient (mark-up from) adjustments to the listed unit price book (costs). The public body shall award the contract to the firm submitting the highest scored final proposal using the evaluation factors and the relative weight of factors published in the public request for proposals and will notify the board of the award of the contract.

(5) The public body shall provide a protest period of at least ten business days following the day of the announcement of the apparent successful proposal to allow a protester to file a detailed statement of the grounds of the protest. The public body shall promptly make a determination on the merits of the protest and provide to all proposers a written decision of denial or acceptance of the protest. The public body shall not execute the contract until two business days following the public body’s decision on the protest.

(6) The requirements of RCW 39.30.060 do not apply to requests for proposals for job order contracts.

Sec. 16. RCW 39.10.440 and 2019 c 212 s 9 are each amended to read as follows:

(1) The maximum total dollar amount that may be awarded under a job order contract is (four million dollars) $4,000,000 per year for a maximum of three years. Any unused capacity from the previous year may be carried over for one year and added to the immediate following year’s limit. The maximum annual volume including unused capacity shall not exceed the limit of two years. The maximum total dollar amount that may be awarded under a job order contract for the department of enterprise services, counties with a population of more than (one million) 1,000,000, and cities with a population of more than (four hundred thousand) 400,000 is (six million dollars) $6,000,000 per year for a maximum of three years. The maximum total dollar amounts are exclusive of Washington state sales and use tax.

(2) Job order contracts may be executed for an initial contract term of not to exceed two years, with the option of extending or renewing the job order contract for one year. All extensions or renewals must be priced as provided in the request for proposals. The extension or renewal must be mutually agreed to by the public body and the job order contractor.

(3) A public body may have no more than three job order contracts in effect at any one time, with the exception of the department of enterprise services, which may have six job order contracts in effect at any one time.

(4) At least (ninety) 90 percent of work contained in a job order contract must be subcontracted to entities other than the job order contractor. The job order contractor must distribute contracts as equitably as possible among qualified and available subcontractors including certified minority and woman-owned subcontractors to the extent permitted by law as demonstrated on the subcontractor and supplier project submission, and shall limit subcontractor bonding requirements to the greatest extent possible.

(5) The job order contractor shall publish notification of intent to perform public works projects at the beginning of each contract year in a statewide publication and in a legal newspaper of general circulation in every county in which the public works projects are anticipated. The job order contractor is encouraged to post the notification of intent to perform public works projects in other areas, such as websites for business associations, the office of minority and women’s business enterprises, and other locations and mediums that will further publicize subcontractor opportunities.

(6) Job order contractors shall pay prevailing wages for all work that would otherwise be subject to the requirements of chapter 39.12 RCW. Prevailing wages for all work performed pursuant to each work order must be the rates in effect at the time the individual work order is issued.

(7) If, in the initial contract term, the public body, at no fault of the job order contractor, fails to issue the minimum amount of work orders stated in the public request for proposals, the public body shall pay the contractor an amount equal to the difference between the minimum work order amount and the actual total of the work orders issued multiplied by an appropriate percentage for the overhead and profit contained in the contract award coefficient for services as specified in the request for proposals. This is the contractor’s sole remedy.

(8) All job order contracts awarded under this section must be signed before July 1, (2021), however the job order contract may be extended or renewed as provided for in this section.

(9) Public bodies may amend job order contracts awarded prior to July 1, 2007, in accordance with this chapter.

Sec. 17. RCW 39.10.460 and 2012 c 102 s 3 are each amended to read as follows:

Each (year) public body shall (provide to the board) maintain and make available the following information for each job order contract ((for the period July 1st through June 30th)):

(1) A list of work orders issued;

(2) The cost of each work order;

(3) A list of subcontractors hired under each work order, including whether those subcontractors were certified small, minority, women, or veteran-owned businesses; and

(4) (If requested by the board, a) A copy of the intent to pay prevailing wage and the affidavit of wages paid for each work order subcontract((and)); and

(5) Any other information requested by the board).

Sec. 18. RCW 39.10.490 and 2013 c 222 s 20 are each amended to read as follows:

The alternative public works contracting procedures authorized under this chapter are limited to public works contracts signed before July 1, (2021), Methods of public works contracting authorized under this chapter shall remain in full force and effect until completion of contracts signed before July 1, (2021).

NEW SECTION. Sec. 19. A new section is added to chapter 39.10 RCW to read as follows:

In addition to the general contractor/construction manager requirements established in this chapter, public bodies utilizing the general contractor/construction manager method for a heavy
civil construction project must also comply with the following requirements:

(1) The heavy civil construction general contractor/construction manager contract solicitation must:
(a) Provide the reasons for using the general contractor/construction manager procedure, including a clear statement that the public body is electing to procure the project as a heavy civil construction project;
(b) Indicate the minimum percentage of the cost of the work to construct the project that will constitute the negotiated self-perform portion of the project;
(c) Indicate whether the public body will allow the price to be paid for the negotiated self-perform portion of the project to be deemed a cost of the work to which the general contractor/construction manager's percent fee applies; and
(d) Require proposals to indicate the proposer's fee for the negotiated self-perform portion of the project;

(2) As part of the negotiation of the maximum allowable construction cost established in RCW 39.10.370(1), the general contractor/construction manager shall submit a proposed construction management and contracting plan, which must include, at a minimum:
(a) The scope of work and cost estimates for each bid package;
(b) A proposed price and scope of work for the negotiated self-perform portion of the project;
(c) The bases used by the general contractor/construction manager to develop all cost estimates, including the negotiated self-perform portion of the project; and
(d) The general contractor/construction manager's updated inclusion plan for small business entities, disadvantaged business enterprises, and any other disadvantaged or underutilized businesses as the public body may designate in the public solicitation of proposals, as subcontractors and suppliers for the project;

(3) The public body and general contractor/construction manager may negotiate the scopes of work to be procured by bid and the price and scope of work for the negotiated self-perform portion of the project, if any;

(4) The negotiated self-perform portion of the project must not exceed 50 percent of the cost of the work to construct the project;

(5) Notwithstanding any contrary provision of this chapter, for a project that a public body has elected to procure as a heavy civil construction project under this chapter, at least 30 percent of the cost of the work to construct the project included in the negotiated maximum allowable construction cost must be procured through competitive bidding in which bidding by the general contractor/construction manager or its subsidiaries is prohibited;

(6) Subject to the limitation of subsection (5) of this section, the public body may additionally negotiate with the general contractor/construction manager to determine on which scopes of work the general contractor/construction manager will be permitted to bid, if any;

(7) The public body and general contractor/construction manager shall negotiate, to the public body's satisfaction, a fair and reasonable inclusion plan;

(8) If the public body is unable to negotiate to its reasonable satisfaction a component of this section, negotiations with the firm must be terminated and the public body shall negotiate with the next highest scored firm and continue until an agreement is reached or the process is terminated; and

(9) For a project procured as a heavy civil construction project, an independent audit, paid for by the public body, must be conducted to confirm the proper accrual of costs as outlined in the contract. The public body shall define the scope of the audit in the contract.

NEW SECTION. Sec. 20. (1) The capital projects advisory review board shall coordinate and consult with the office of minority and women's business enterprises, the department of enterprise services, the office of equity, community stakeholders and advocates, and subject matter experts to create best practices guidelines for increasing and sustaining access to contracting opportunities in alternative public works for minority, women, and veteran-owned businesses, and small businesses. In creating the guidelines, the board shall take into consideration the barriers to participation identified in the local government contracting report produced pursuant to section 16, chapter 434, Laws of 2019, information and recommendations from the 2019 Washington state disparity study and disparity studies of any other public body in Washington state, and successful diversity and inclusion policies being implemented by state and local governmental agencies. The best practices shall address, at a minimum, guidelines for use of race-neutral and race-conscious programs, elements of successful inclusion plans, the use of aspirational inclusion goals, evaluation of inclusion plans in the contract award process, and the evaluation of inclusion plans and past performance in public body certification and project approval processes under RCW 39.10.270 and 39.10.280. The board shall make the best practices guidelines available on its website by June 30, 2022, and should have a plan to update the practices to keep them relevant for use. Additionally, by June 30, 2022, the board shall report to the appropriate committees of the legislature regarding any recommendations for changes to state law that are advisable based upon the best practices guidelines.

(5) Corporate action taken in good faith during an emergency to further the purposes and the ordinary affairs of the nonprofit corporation:

(a) Binds the corporation; and

(b) May not be used to impose liability on a director, officer, employee, or agent.

ARTICLE 5

GIFT RESTRICTIONS

NEW SECTION. Sec. 1501. UNRESTRICTED GIFTS. Giving a gift to a nonprofit corporation, including a charitable corporation, without a gift instrument transfers complete ownership of the gift to the nonprofit corporation. A restricted gift to a nonprofit corporation is created only by a gift instrument.

NEW SECTION. Sec. 1502. RESTRICTED GIFTS. (1) This section distinguishes between:

(a) Enforceable trusts held by a nonprofit corporation, including a charitable corporation, governed under chapter 11.110 RCW; and
(b) Gift restrictions whose terms may be enforced and are subject to modification under this chapter or other applicable law.

(2) A gift to a nonprofit corporation, including a charitable corporation, does not create a charitable trust unless:

(a) The donor expresses an intent to create a charitable trust; and
(b) The trustee, which may be a charitable corporation, agrees in the form of a record to act as trustee of that trust according to its terms.

(3) Giving a gift to a nonprofit corporation, including a charitable corporation, that is: (a) Accepted by the corporation; (b) not in trust; and (c) subject to material restrictions or requirements contained in a gift instrument transfers complete ownership to the nonprofit corporation. The nonprofit corporation is bound by the material restrictions or requirements contained in the gift instrument.

(4) A nonprofit corporation complies with a term contained in a gift instrument if the nonprofit corporation reasonably complies with all material restrictions or requirements contained in the term, or, when appropriate under the facts and circumstances, seeks modification in accordance with section 1503 of this act.

(5) If the nonprofit corporation fails to comply with any material restriction or requirement contained in a gift instrument and fails to seek a modification in accordance with section 1503
of this act, then the attorney general may bring a proceeding to enforce the terms of the gift instrument.

NEW SECTION. Sec. 1503. MODIFICATION OR RELEASE OF GIFT RESTRICTIONS. (1) A term of a gift instrument that binds a nonprofit corporation may be modified or released, in whole or in part:
   (a) If the donor consents in a record;
   (b) As set forth in subsection (2) of this section, if the term is unlawful, impracticable, impossible to achieve, or wasteful;
   (c) For gift instruments limiting the use of property to one or more charitable purposes, through a binding agreement executed by the nonprofit corporation, the attorney general, and other interested parties, and filed with or approved by the court in accordance with section 1504 of this act;
   (d) By approval of the court in accordance with section 1505 of this act; or
   (e) As provided by other applicable law including, but not limited to, chapter 24.55 RCW.

(2) If a nonprofit corporation, including a charitable corporation, determines that a restriction contained in a gift instrument on the management, investment, or purpose of a gift is unlawful, impracticable, impossible to achieve, or wasteful, then the nonprofit corporation, sixty days after notification to the attorney general, may modify the restriction, in whole or part, if:
   (a) The gift subject to the restriction has a total value consistent with RCW 24.55.045(4)(a) or any successor provision;
   (b) More than twenty years have elapsed since the gift was given; and
   (c) The nonprofit corporation uses the gift in a manner consistent with any charitable purposes expressed in the gift instrument.

(3) Application of sections 1501 through 1506 of this act to existing gifts:
   (a) Before January 1, 2023, sections 1501 through 1506 of this act apply to gifts existing on December 31, 2021, only if the nonprofit corporation's board elects to apply sections 1501 through 1506 of this act to existing gifts before January 1, 2023.
   (b) On or after January 1, 2023, sections 1501 through 1506 of this act apply to all gifts.

   (c) As applied to gifts existing on December 31, 2021, sections 1501 through 1506 of this act govern only decisions made or actions taken on or after January 1, 2023, except that in the case of a nonprofit corporation that makes the election under (a) of this subsection sections 1501 through 1506 of this act govern decisions made or actions taken on or after the date the nonprofit corporation elects to be covered by sections 1501 through 1506 of this act.

NEW SECTION. Sec. 1504. BINDING AGREEMENT TO MODIFY OR RELEASE RESTRICTIONS. (1) If a gift instrument limits the use of the gift to one or more charitable purposes, and the conditions set forth in subsection (3) or (4) of this section are satisfied, then the gift instrument may be modified by agreement of the nonprofit corporation, the attorney general, and all other interested parties.

(2) For purposes of this section, an "interested party" does not include:
   (a) The donor; or
   (b) Any member of any charitable class that the gift would benefit, either before or after the modifications to be made by the agreement.

(3) A restriction related to a gift's management or investment may be modified by an agreement described in subsection (1) of this section if:
   (a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;
   (b) Enforcement of the restriction has become impracticable or wasteful; or
   (c) Enforcement of the restriction impairs the management or investment of the gift.

(4) A restriction on the use of a gift relating to the gift's charitable purpose, rather than its management or investment, may be modified by an agreement described in subsection (1) of this section if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

(5) An agreement described in subsection (1) of this section must:
   (a) Be in writing and executed by all of the parties;
   (b) Be binding and conclusive on the nonprofit corporation and all other parties with a beneficial interest in the gift;
   (c) Identify the gift instrument and the term or terms of the gift instrument that it modifies;
   (d) Describe completely the modifications that it would make;
   (e) Set forth the reasons why the modifications would comply with subsection (3) or (4) of this section; and
   (f) State changes to the charitable purposes to which the use of the gift is limited, if any, resulting from the modifications.

(6) The nonprofit corporation or its legal representative may file the executed agreement with the court within thirty days of the agreement's execution by all parties. Upon filing of the executed agreement with the court:
   (a) The agreement becomes effective and equivalent to a final court order binding on the nonprofit corporation and all other parties with a beneficial interest in the use of the gift, and
   (b) The modifications are deemed approved by the court, and have the same effect as if the court ordered them pursuant to section 1505 of this act.

(7) The nonprofit corporation or its legal representative may, as an alternative to the procedure described in subsection (6) of this section, petition the court for a hearing for presentation of an agreement entered under this section to the court within twenty-one days of the agreement's execution by all parties. The nonprofit corporation shall (a) provide notice of the time and date of the hearing to each party to the agreement unless that party has waived notice in the form of a record, and (b) file proof of mailing or delivery of the notice or waiver with the court. At the hearing, the court shall review the agreement on behalf of all the parties. The court shall determine whether the agreement adequately represents and protects the interests of the parties and the public interest, and enter an order declaring its determination. If the court determines that the agreement does not adequately represent and protect those interests, then the agreement is void.

NEW SECTION. Sec. 1505. JUDICIAL MODIFICATION OR RELEASE OF RESTRICTIONS. (1) Upon application by a corporation subject to a restriction related to a gift's management or investment, rather than to its charitable purpose, the court may modify the restriction if:
   (a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;
   (b) Enforcement of the restriction has become impracticable or wasteful; or
   (c) Enforcement of the restriction impairs the management or investment of the gift.

(2) Upon application by a corporation subject to a restriction on the use of a gift relating to the charitable purpose of the gift, rather than its management or investment, the court may modify the restriction if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

(3) If the gift instrument provides for a forfeiture or gift-over to an alternative beneficiary, then the court may modify one or more restrictions under the procedure set out in subsection (1) of this section if a management or investment provision fails. The court may not, however, modify any restriction under the
procedure set out in subsection (2) of this section to defeat the interest of an alternate beneficiary unless the beneficiary would also be subject to, and unable to perform, the term requiring modification. The alternative beneficiary is entitled to notice and may participate in the determination of whether to grant modification.

(4) Any modification made by the court must, to the extent possible, be made in a manner consistent with the charitable purposes as expressed in the gift instrument.

(5) A nonprofit corporation shall notify the attorney general whenever it seeks to modify a charitable gift restriction under this section and the court shall offer the attorney general an opportunity to be heard.

**NEW SECTION. Sec. 1506. CHARITABLE PURPOSE SURVIVES.** Modification or release of a gift restriction shall not allow a gift to be used for a purpose other than a charitable purpose.

**ARTICLE 6 BOOKS AND RECORDS**

**NEW SECTION. Sec. 1601. CORPORATE RECORDS.**

(3) A nonprofit corporation shall maintain appropriate accounting records.

(4) A membership corporation or its agent shall maintain a record of its members, in a form that permits preparation of a list of the names and addresses of all members, in alphabetical order by class, showing the number of votes each member is entitled to cast.

(5) A nonprofit corporation shall maintain its records in written form or in any other form of a record.

(6) All records required to be maintained by a nonprofit corporation may be maintained at any location within or without this state.

**NEW SECTION. Sec. 1602. INSPECTION BY MEMBERS.**

(1) A member of a nonprofit corporation may inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the following records of the corporation, if the member delivers to the corporation an executed notice in the form of a record at least five business days before the date on which the member wishes to inspect and copy the records:

(a) Excerpts from those minutes and records required to be maintained under section 1601(1) of this act;

(b) Accounting records of the corporation described in section 1601(3) of this act; and

(c) Subject to section 1607 of this act, the membership list described in section 1601(4) of this act.

(3) A nonprofit corporation may withhold from inspection under this section:

(a) Those portions of records that contain information protected by the attorney-client privilege or related work product;

(b) The address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law;

(c) Those portions of records, which, if disclosed, would be reasonably likely to result in harm to the corporation or a third party, such as disciplinary actions involving nondirector members, identities of job applicants, discussions of strategic acquisitions, records that are required to be kept confidential under obligations to a third party, etc.; or

(d) Any information that a nonprofit corporation is required to keep confidential under any other law.

(4) A member may inspect and copy the records described in subsection (2) of this section only if the:

(a) Member's demand is made in good faith and for a proper purpose;

(b) Member describes with reasonable particularity the purpose and the records the member desires to inspect;

(c) Member agrees in the form of a record to reasonable restrictions required by the board on the use or distribution of the records; and

(d) Records are directly connected with this purpose.

(5) The right of inspection granted by this section may not be abolished or limited by a nonprofit corporation's articles or bylaws.

(6) This section does not affect the:

(a) Right of a member to inspect records as part of discovery in connection with litigation; or

(b) Power of any court of competent jurisdiction, independently of this chapter, to compel the production of corporate records for examination.

**NEW SECTION. Sec. 1603. SCOPE OF MEMBER’S INSPECTION RIGHT.**

(1) A member's agent or attorney has the same inspection and copying rights as the member represented.

(2) The right to copy records under section 1602 of this act includes, if reasonable, the right to receive copies. Copies may be provided through electronic transmission unless the member requests otherwise in the form of a record.

(3) The nonprofit corporation may comply with a member's demand to inspect and copy the list of members under section 1602(2)(c) of this act by providing the member for a reasonable charge as described in subsection (4) of this section with a list of members that was compiled no earlier than the date of the member's demand.

(4) The nonprofit corporation shall provide a copy of its articles and bylaws at no cost to a member on request. The nonprofit corporation may impose a reasonable charge, covering the costs of labor and material, for copies of any other documents provided to the member. The charge may not exceed the estimated cost of
production, reproduction, or transmission of the records.

NEW SECTION. Sec. 1604. FINANCIAL STATEMENTS FOR MEMBERS. (1) Except as provided in the articles or bylaws of a nonprofit corporation engaged in religious activity, upon a demand in the form of a record from a member, a corporation shall furnish that member with its latest annual financial statements, which may be consolidated or combined statements of the corporation and one or more of its subsidiaries, as appropriate, that include a balance sheet as of the end of the fiscal year and a statement of operations for the year. If financial statements are prepared for the corporation on the basis of generally accepted accounting principles, then the annual financial statements must also be prepared on that basis.

(2) If the annual financial statements are reported upon by a certified public accountant, then the accountant's report shall accompany them. If not, then the statements must be accompanied by a statement of the president or the person responsible for the nonprofit corporation's accounting records:

(a) Stating the reasonable belief of the president or other person as to whether the statements were prepared on the basis of generally accepted accounting principles and, if not, describing the basis of preparation; and

(b) Describing any respects in which the statements were not prepared on a basis of accounting consistent with the statements prepared for the preceding year.

NEW SECTION. Sec. 1605. COURT-ORDERED INSPECTION. (1) If a nonprofit corporation does not allow a member who complies with section 1602(1) of this act to inspect and copy any records required by that subsection to be available for inspection, then the court may summarily order inspection and copying of the records demanded at the corporation's expense upon application of the member.

(2) If a nonprofit corporation does not within a reasonable time allow a member to inspect and copy any other record to which the member is entitled under section 1602(2) of this act, then the member who complies with section 1602 (3) and (4) of this act may apply to the court for an order to permit inspection and copying of the records demanded. The court may inspect the records in question in camera and determine the extent of required disclosure, if any, in light of section 1602 of this act. In making that determination, the court shall consider the probability and extent of potential harm to the corporation or any third party that may result from inspection, and the probability and extent of benefit to the corporation or the member.

(3) If the court orders inspection and copying of the records demanded, then it shall also order the nonprofit corporation to pay the member's costs, including reasonable attorneys' fees, incurred to obtain the order, unless the corporation proves that it refused inspection in good faith because it had a reasonable basis for doubt about the right of the member to inspect the records demanded. If the court denies the majority of the request for inspection and copying, it may order the member to pay part or all of the nonprofit corporation's costs, including reasonable attorneys' fees.

(4) If the court orders inspection and copying of the records demanded, then it may impose reasonable restrictions on the use or distribution of the records by the demanding member.

NEW SECTION. Sec. 1606. INSPECTION BY DIRECTORS. (1) A director of a nonprofit corporation may inspect and copy the books, records, and documents of the corporation at any reasonable time to the extent reasonably related to the performance of the director's duties as a director, including duties as a member of a committee, but not for any other purpose or in any manner that would violate any duty to the corporation or law other than this chapter.

(2) The court may order inspection and copying of the books, records, and documents at the corporation's expense, upon application of a director who has been refused the inspection rights set out in subsection (1) of this section, unless the corporation establishes that the director is not entitled to those inspection rights.

(3) If an order is issued, then the court may include provisions protecting the nonprofit corporation from undue burden or expense, and prohibiting the director from using information obtained upon exercise of the inspection rights in a manner that would violate a duty to the corporation, and may also order the corporation to reimburse the director for the director's costs, including reasonable attorneys' fees, incurred in connection with the application.

NEW SECTION. Sec. 1607. USE OF MEMBERSHIP LIST. (1) Without the consent of the board, a membership list or any part thereof may not be obtained or used by any person for any purpose unrelated to a member's interest as a member. Without limiting the generality of the foregoing, without the consent of the board, a membership list or any part thereof may not be:

(a) Used to solicit cash or other property unless the cash or other property will be used solely to solicit the votes of the members in an election to be held by the nonprofit corporation;

(b) Used for any commercial purpose; or

(c) Sold to or purchased by any person.

(2) Instead of making a membership list available for inspection and copying under sections 1601 through 1607 of this act, a nonprofit corporation may elect to proceed under the procedures set forth in section 2304(6) of this act.

ARTICLE 7

(2) Public benefit nonprofit corporation status must be renewed annually. The secretary of state may schedule renewals in conjunction with the corporation's annual report.

(2) If the secretary of state receives a duly authenticated certificate from the secretary of state or other official having custody of corporate records in the state or country under whose law the foreign corporation is incorporated stating that it has been dissolved or did not survive a merger;

(3) If the corporation has continued to exceed or abuse the authority conferred upon it by this chapter.

NEW SECTION. Sec. 1811. JUDICIAL REVIEW OF TERMINATION. The foreign nonprofit corporation shall appeal by petitioning the court to set aside the termination and attaching to the petition copies of its statement of registration and the secretary of state’s statement of termination.

(2) The court may summarily order the secretary of state to reinstate the registration or may take any other action the court considers appropriate.

(3) The court’s final decision may be appealed as in other civil proceedings.

NEW SECTION. Sec. 2101. MEMBERS. (1) A nonprofit corporation may have one or more classes of members or may have no members.

(2) For corporations formed on or after January 1, 2022, notwithstanding anything to the contrary in the bylaws, where the articles of a nonprofit corporation do not provide that it has members, the nonprofit corporation does not have members.

(3) For organizations formed before January 1, 2022, where the articles of a nonprofit corporation do not provide that it has members, the corporation has members only if the bylaws:

(a) Provide that the corporation has members; and

(b) Provide that members of at least one class have the right to select or vote for the election of directors or delegates or to vote on at least one type of fundamental transaction.

(4) Where a nonprofit corporation does not have members under this section, or where a corporation has no members
entitled to vote on a given matter, any provision of this chapter or any other provision of law requiring notice to, the presence of, or the vote, consent, or other action by members in connection with that matter is satisfied by notice to, the presence of, or the vote, consent, or other action by the board.

NEW SECTION. Sec. 2102. SCOPE OF MEMBERSHIP. A person is not a member of a nonprofit corporation for purposes of any provision of this chapter unless the person meets the definition of "member" in section 1102 of this act, regardless of whether the corporation refers to or designates the person as a member.

NEW SECTION. Sec. 2103. ADMISSION OF MEMBERS. (1) The articles or bylaws of a membership corporation may establish criteria or procedures for admission of members.

(2) A person may not be admitted as a member without the person's consent. Consent may be express or implied and need not be in the form of a record.

(3) If a membership corporation provides certificates of membership to the members, then the certificates shall not be registered or transferable except as provided in the articles or bylaws or by resolution of the board.

NEW SECTION. Sec. 2104. CONSIDERATION FOR ADMISSION. Except as provided in its articles or bylaws, a membership corporation may admit members for no consideration or for consideration determined by the board, which may take any form, including promissory notes, intangible property, or past or future services. Payment of the consideration may be made at those times and upon those terms as are set forth in or authorized by the articles, bylaws, or a resolution of the board.

NEW SECTION. Sec. 2105. CAPITAL CONTRIBUTIONS. (1) A membership corporation that is not a charitable corporation may provide in its articles or bylaws that members, upon or after admission, shall make capital contributions. Except as provided in the articles or bylaws, the board shall fix the amount. The requirement of a capital contribution may apply to all members, or to the members of a single class, or to members of different classes in different amounts or proportions.

(2) The adoption or amendment of a capital contribution requirement, whether or not approved by the members, shall not apply to, or be an obligation of, a member who did not vote in favor of the adoption or amendment until thirty days after the member has been given notice of the adoption or amendment.

NEW SECTION. Sec. 2106. RIGHTS AND OBLIGATIONS. (1) The members of a membership corporation have only those rights, privileges, powers, or obligations specifically given or assigned to members in the articles, the bylaws, or section 2313 of this act.

(2) A member shall not have the right to vote on any matter unless the articles, the bylaws, or section 2313(1) of this act provides expressly that the class of members to which that member belongs has the right to vote on that particular matter.

NEW SECTION. Sec. 2107. DIFFERENCES IN RIGHTS AND OBLIGATIONS. (1) Except as provided in the articles or bylaws, each member of a membership corporation has the same rights and obligations as every other member with respect to voting, dissolution, membership transfer, and other matters.

(2) If the corporation has one or more classes of members, then the designation of the class or classes, the articles, or the bylaws shall set forth the manner of election or appointment and the qualifications and rights of the members of each class.

NEW SECTION. Sec. 2108. TRANSFERS OF MEMBERSHIP. (1) Except as provided in the articles or bylaws or by resolution of the board, a member of a membership corporation may not transfer a membership or any right arising therefrom.

(2) Where the right to transfer a membership has been provided, a restriction on that right shall not be binding with respect to a member holding a membership issued before the adoption of the restriction unless the affected member consents to the restriction in the form of a record.

NEW SECTION. Sec. 2109. MEMBER'S LIABILITY FOR CORPORATE OBLIGATIONS. A member of a membership corporation is not personally liable for the acts, debts, liabilities, or obligations of the corporation.

NEW SECTION. Sec. 2110. MEMBER'S LIABILITY FOR DUES, FEES, AND ASSESSMENTS. (1) A membership corporation may levy dues, assessments, and fees on its members to the extent authorized in the articles or bylaws. Particular dues, assessments, and fees may be imposed in the articles or bylaws or by resolution of the board, subject to any membership approval required under section 3112(1) of this act, on members of the same class either alike or in different amounts or proportions, and may be imposed on a different basis on different classes of members. Members of a class may be made exempt from dues, assessments, and fees to the extent provided in the articles or bylaws or by resolution of the board.

(2) The amount and method of collection of dues, assessments, and fees may be fixed in the articles or bylaws, or the articles or bylaws may authorize the board or members to fix the amount and method of collection, with or without approval of the class or classes of members affected.

(3) The articles or bylaws may provide reasonable means, such as termination and reinstatement of membership, to enforce the collection of dues, assessments, and fees.

NEW SECTION. Sec. 2111. CREDITOR'S ACTION AGAINST MEMBER. (1) A proceeding may not be brought by a creditor of a membership corporation to reach the liability, if any, of a member to the corporation unless final judgment has been rendered in favor of the creditor against the corporation and execution has been returned unsatisfied in whole or in part.

(2) All creditors of a membership corporation, with or without reducing their claims to judgment, may intervene in any creditor's proceeding brought under subsection (1) of this section to reach and apply unpaid amounts due the corporation. Any or all members who owe amounts to the corporation may be joined in the proceeding.

NEW SECTION. Sec. 2112. RESIGNATION OF MEMBER. (1) A member of a membership corporation may resign at any time.

(2) The resignation of a member does not relieve the member from any obligations incurred or commitments made before resignation.

NEW SECTION. Sec. 2113. TERMINATION AND SUSPENSION OF MEMBER. (1) A membership in a membership corporation may be terminated or suspended for the reasons and in the manner provided in the articles or bylaws.

(2) A membership in a membership corporation may also be terminated, regardless of the procedure set forth in the articles or bylaws, if:

(a) The corporation has had no contact from the member for at least three years; and

(b) Either:

(i) The member fails to respond within ninety days to a request from the corporation to update the member's contact information that includes a statement that failure to respond could result in termination of membership, delivered to that member by means reasonably likely to reach that member; or

(ii) A request from the corporation to update the member's contact information that includes a statement that failure to

NEW SECTION. Sec. 2114. REPURCHASE OF MEMBERSHIPS. A membership corporation that is not a charitable corporation may repurchase any of its memberships or any right arising therefrom only if it is so provided in the articles or bylaws. A membership corporation that is a charitable corporation may not repurchase any of its memberships or any right arising therefrom.

ARTICLE 2

NEW SECTION. Sec. 2201. DELEGATES. (1) A membership corporation may provide in its articles or bylaws for delegates.

(2) The articles or bylaws may set forth provisions relating to:
(a) The characteristics, qualifications, rights, limitations, and obligations of delegates including their selection and removal;

(c) Carrying on activities during and between meetings of delegates.

(3) If the articles or bylaws provide for delegates, then, unless otherwise provided in the articles or bylaws:
(a) The power to appoint, remove, or modify any provision of the articles or bylaws governing the appointment or removal of delegates is reserved to the members.
(b) All other powers of members including, but not limited to, the right to vote on other amendments to articles or bylaws, may be exercised by delegates.

ARTICLE 3

MEMBERSHIP MEETINGS AND VOTING

NEW SECTION. Sec. 2301. ANNUAL AND REGULAR MEETINGS. (1) A membership corporation shall hold an annual meeting of members once during each fiscal year at a time stated in or fixed in accordance with the articles or bylaws.

(2) A membership corporation may hold regular meetings on a regional or other basis at times stated in or fixed in accordance with the articles or bylaws.

(3) Except as provided in subsection (5) of this section, annual and regular meetings of the members may be held in or out of this state at the place stated in or fixed in accordance with the articles or bylaws. If no place is stated in or fixed in accordance with the articles or bylaws, then annual and regular meetings shall be held at the membership corporation's principal office.

(4) The failure to hold an annual or regular meeting at the time stated in or fixed in accordance with the articles or bylaws does not affect the validity of any corporate action.

(5) The articles or bylaws may provide that an annual or regular meeting of members may be held in a specified location and, if so provided under the articles or bylaws, through one or more means of remote communication through which members not physically present may participate in the meeting substantially concurrently, vote on matters submitted to the members, pose questions, and make comments. For any meeting at which one or more members may participate by means of remote communication, the corporation shall deliver notice of the meeting to each member by a means which the member has authorized and provide complete instructions for participating in the meeting by remote communication.

NEW SECTION. Sec. 2302. SPECIAL MEETINGS. (1) A membership corporation shall hold a special meeting of members:

(a) At the call of its board of directors, the president, or the persons authorized to do so by the articles or bylaws; or
(b) Upon the execution and delivery to the corporation of one or more demands for a special meeting, in the form of a record, describing the purpose for which the meeting is to be held, by either:
(i) The number or proportion of members entitled under the articles or bylaws to call a meeting on the subject matter proposed to be considered at the proposed special meeting, which shall not represent more than twenty-five percent of all the votes entitled to be cast on that subject matter; or
(ii) In the absence of a provision fixing the number or proportion of members entitled to call a meeting, the number or proportion of members representing five percent of all the votes entitled to be cast on the subject matter proposed to be considered at the proposed special meeting.

(2) Unless otherwise provided in the articles or bylaws, a demand for a special meeting may be revoked by notice to that effect received by the membership corporation from the members calling the meeting before the receipt by the corporation of demands sufficient in number to require the holding of a special meeting.

(3) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to demand a special meeting is the date the first member executes a demand.

(4) Only business within the purpose or purposes described in the meeting notice required by section 2305(3) of this act may be conducted at a special meeting of the members.

(5) Except as provided in subsection (6) of this section, special meetings of the members may be held in or out of this state at the place stated in or fixed in accordance with the articles or bylaws. If no place is stated or fixed in accordance with the articles or bylaws, then special meetings shall be held at the corporation's principal office.

(6) The articles or bylaws may provide that a special meeting of members be held at a specified location and, unless otherwise provided under the articles or bylaws, through means of remote communication through which members not physically present may participate in the meeting substantially concurrently, vote on matters submitted to the members, pose questions, and make comments. Notice of meetings at which one or more members may participate by means of remote communication must be delivered by a means which the member has authorized and provide complete instructions for participating in the meeting from a remote location.
NEW SECTION. Sec. 2303. COURT-ORDERED MEETING. (1) The court may summarily order a meeting to be held:
   (a) On application of any member entitled to participate in an annual or regular meeting if an annual meeting was not held within eighteen months after the last annual meeting; or
   (b) On application of a member who executed a demand for a special meeting under section 2302 of this act that was executed by a sufficient number of members to call a meeting, if:
      (i) Notice of the special meeting was not given within thirty days after the date the demand was delivered to the corporation’s secretary; or
      (ii) The special meeting was not held in accordance with the notice.
   (2) The court may fix the time and place of a court-ordered meeting, determine the members entitled to participate in the meeting, specify a record date for determining members entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the court-ordered meeting.

NEW SECTION. Sec. 2304. LIST OF MEMBERS FOR MEETING. (1) After fixing a record date for a meeting, a membership corporation shall prepare an alphabetical list of the names of all its members who are entitled to notice of that meeting of the members. The list of members shall show the address and number of votes each member is entitled to cast at the meeting, except that the address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar law may be omitted.
   (2) The list of members must be available for inspection by any member, beginning two business days after notice of the meeting is given for which the list was prepared and continuing through the meeting, at the membership corporation’s principal office or at a place identified in the meeting notice in the city where the meeting will be held. A member or the member’s agent, on demand in the form of a record, may inspect and, subject to the requirements of section 1602(4) of this act, copy the list, during regular business hours and at the member’s expense, during the period it is available for inspection.
   (3) The membership corporation shall make the list of members available at the meeting, and a member or the member’s agent may inspect the list at any time during the meeting or any adjournment.
   (4) If a membership corporation refuses to allow a member or the member’s agent to inspect the list of members before or at the meeting or copy the list as permitted by subsection (2) of this section, then the court, on application of the member, may:
      (a) Summarily order the inspection or copying at the corporation’s expense;
      (b) Postpone the meeting for which the list was prepared until the inspection or copying is complete;
      (c) Order the corporation to pay the member’s costs including reasonable attorneys’ fees incurred to obtain the order; and
      (d) Order other appropriate relief.
   (5) Refusal or failure to prepare or make available the list of members does not affect the validity of action taken at the meeting.
   (6) Instead of making the list of members available as provided in subsection (2) of this section, a membership corporation may state in a notice of meeting that the corporation has elected to proceed under this subsection. A member of a corporation that has elected to proceed under this subsection shall state in the member’s demand for inspection a proper purpose for inspection. Within ten business days after receiving a demand under this subsection, the corporation shall deliver to the member making the demand an offer of a reasonable alternative method of achieving the purpose identified in the demand without providing access to or a copy of the list of members. An alternative method that reasonably and in a timely manner accomplishes the proper purpose set forth in the demand relieves the corporation from making the list of members available under subsection (4)(b) of this section, unless within a reasonable time after acceptance of the offer the corporation fails to do the things it offered to do. Any rejection of the corporation’s offer must be in the form of a record and indicate the reasons the alternative proposed by the corporation does not meet the proper purpose of the demand.

NEW SECTION. Sec. 2305. NOTICE OF MEMBERSHIP MEETING. (1) A membership corporation shall give notice to the members of the date, time, and place of each annual, regular, or special meeting of the members. Except as provided under subsection (6) of this section, the notice must be given in the form of a record no fewer than ten nor more than sixty days before the meeting date. Except as provided in this chapter, the articles, or the bylaws, the corporation is only required to give notice to members entitled to vote at the meeting.
   (2) Unless this chapter, the articles, or the bylaws require otherwise, notice of an annual or regular meeting need not include a description of the purpose for which the meeting is called.
   (3) Notice of a special meeting shall include a description of the purpose for which the meeting is called.
   (4) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to notice of and to vote at an annual or special meeting of the members is the day before the first notice is given to members.
   (5) Unless the articles or bylaws require otherwise, if an annual, regular, or special meeting of the members is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or is required to be fixed under section 2307 of this act, then the corporation shall give notice of the adjourned meeting to the members entitled to vote on the new record date.
   (6) Notice of regular meetings other than the annual meeting may be made by providing each member with the adopted schedule of regular meetings for the ensuing year in the form of a record at any time after the annual meeting and ten days before the next succeeding regular meeting and at any time requested by a member or by any other notice prescribed by the bylaws.
   (7) Whenever notice would otherwise be required to be given under any provision of this chapter to a member, the notice need not be given if notice of two consecutive annual meetings, and all notices of meetings during the period between those two consecutive annual meetings, have been returned undeliverable or could not be delivered. If a member delivers to the nonprofit corporation a notice setting forth the member’s then current address, then the requirement that notice be given to that member is reinstated.

NEW SECTION. Sec. 2306. WAIVER OF NOTICE. (1) A member may waive any notice required by this chapter, the articles, or the bylaws no more than sixty days before or sixty days after the date and time stated in the notice or of the meeting or action. The waiver must be in the form of a record, be executed by the member entitled to the notice, and be delivered to the membership corporation for inclusion in the minutes or filing with the corporate records.
   (2) The attendance of a member at a meeting:
      (a) Waives objection to lack of notice or defective notice of the meeting, unless the member at the beginning of the meeting or
immediately upon arrival at the meeting objects to holding the meeting or transacting business at the meeting; and
(b) Waives objection to consideration of a particular matter at the meeting that is not within the purpose described in the meeting notice, unless the member objects at the meeting to considering the matter.

NEW SECTION. Sec. 2307. RECORD DATE. (1) The articles or bylaws may fix or provide the manner of fixing the record date to determine the members entitled to notice of a meeting of the members, to demand a special meeting, to vote, or to take any other action. If the articles or bylaws do not fix or provide for fixing a record date, then the board of the membership corporation may fix a future date as the record date.

(2) A record date fixed under this section may not be more than seventy days before the meeting or action requiring a determination of members.

(3) A determination of members entitled to notice of or to vote at a meeting of the members is effective for any adjournment of the meeting unless the board fixes a new record date, which it shall do if the meeting is adjourned to a date more than one hundred twenty days after the date fixed for the original meeting.

(4) If the court orders a meeting adjourned to a date more than one hundred twenty days after the date fixed for the original meeting, then it may provide that the original record date continues in effect or it may fix a new record date.

NEW SECTION. Sec. 2308. CONDUCT OF MEETING. (1) At each meeting of members, an individual shall preside as chair. The chair is appointed and may be removed:
(a) As provided in the articles or bylaws;
(b) In the absence of a provision in the articles or bylaws, by the board; or
(c) In the absence of both a provision in the articles or bylaws and an appointment by the board, by the members at the meeting.

(2) Except as provided in the articles or bylaws or by resolution of the board, the chair determines the order of business and has the authority to establish rules for the order and conduct of the meeting.

(3) Any rules established for the order and conduct of the meeting pursuant to subsection (2) of this section must be fair to the members.

(4) Except as provided in the articles or bylaws or by resolution of the board:
(a) The chair of the meeting shall announce at the meeting when the polls close for each matter voted upon.
(b) If no announcement is made, then the polls are deemed to have closed upon the final adjournment of the meeting.
(c) After the polls close, no ballots, proxies, or votes, nor any otherwise permissible revocations or changes thereto may be accepted.

NEW SECTION. Sec. 2309. PROXIES. (1) Except as provided in the articles or bylaws, a member may not vote by proxy.

(2) If the articles or bylaws allow members to vote by proxy, then the following procedure applies unless the articles or bylaws provide otherwise:
(a) A member or the member's agent or attorney-in-fact may appoint a proxy to vote or otherwise act for the member by executing an appointment form in the form of a record. An appointment form must contain or be accompanied by information from which it can be determined that the member or the member's agent or attorney-in-fact authorized the appointment of the proxy.
(b) An appointment of a proxy is effective when an executed appointment in the form of a record is received by the inspectors of election, the officer or agent of the membership corporation authorized to tabulate votes, or the secretary. An appointment is valid for eleven months unless a shorter or longer period is expressly provided in the appointment form.

(c) The death or incapacity of the member appointing a proxy does not affect the right of the membership corporation to accept the proxy's authority unless notice of the death or incapacity is received by the inspectors of election, the officer or agent authorized to tabulate votes, or the secretary before the proxy exercises his or her authority under the appointment.

(d) A membership corporation may accept the proxy's vote or other action as that of the member making the appointment, subject to section 2314 of this act and to any express limitation on the proxy's authority stated in the appointment form.

(e) A proxy may be revoked by a member by delivering notice in the form of a record to the corporation before the corporation has relied upon the proxy.

NEW SECTION. Sec. 2310. VOTING ENTITLEMENT OF MEMBERS. Except as provided in the articles or bylaws, each member is entitled to one vote on each matter on which the articles or bylaws entitle the members of the class of members to which the member belongs to vote.

NEW SECTION. Sec. 2311. MEMBERSHIP QUORUM AND VOTING REQUIREMENTS. (1) Members may take action at a meeting on matters with respect to which all of the members are entitled to vote only if a quorum of the members is present. Except as provided in the articles or the bylaws, ten percent of the votes entitled to be cast at a meeting of the members constitutes a quorum with respect to those matters.

(2) Members entitled to vote as a separate voting group may take action on a matter at a meeting only if a quorum of those members is present with respect to that matter. Except as provided in the articles or bylaws, ten percent of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter.

(3) Once a member is represented for any purpose at a meeting, the member is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or is required to be set for that adjourned meeting.

(4) If a quorum is present, then action on a matter other than the election of directors by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast opposing the action, unless the articles, bylaws, or applicable law require a greater number of affirmative votes.

(5) An amendment of the articles or bylaws adding, changing, or deleting a quorum or voting requirement for a voting group greater than specified in subsection (2) or (4) of this section is governed by section 2312 of this act.

(6) If a meeting cannot be organized because a quorum of members entitled to vote is not present, then those members present may adjourn the meeting to such a time and place as they may determine. When a meeting that has been adjourned for lack of a quorum is reconvened, those members present, although less than a quorum as fixed in this section, the articles, or the bylaws, nonetheless constitute a quorum, if notice of the time and place of the reconvened meeting is provided by electronic transmission or in person to the members entitled to vote at least twenty-four hours before the reconvened meeting, or by other methods pursuant to the requirements and procedures set forth in section 2305 of this act. The articles or the bylaws may, however, permit the reconvening of a meeting without notice, by means of a provision that makes explicit reference to elimination of the notice requirement that would otherwise apply under this section.

(7) The election of directors is governed by section 2313 of this act.
NEW SECTION. Sec. 2312. DIFFERING QUORUM AND VOTING REQUIREMENTS. (1) The articles or bylaws may provide for a higher or lower quorum or higher voting requirement for members or voting groups of members than is provided for by this chapter, either generally or with respect to specific matters.

(2) An amendment to the articles or bylaws that adds, changes, or deletes a greater quorum or voting requirement must meet the same quorum requirement and be adopted by the same vote and voting groups required to take action under the quorum and voting requirements then in effect.

NEW SECTION. Sec. 2313. VOTING FOR DIRECTORS. (1) Except as provided in the articles or bylaws, directors of a membership corporation are elected by a plurality of the votes cast by the members entitled to vote in the election at a meeting at which a quorum is present.

(2) Except as provided in the articles or bylaws, or under subsection (3) of this section, members do not have a right to cumulate their votes for directors.

(3) Members of a nonprofit corporation who were entitled to cumulate their votes for the election of directors on the effective date of this chapter continue to be entitled to cumulate their votes for the election of directors until otherwise provided in the articles or bylaws of the corporation.

NEW SECTION. Sec. 2314. ACCEPTANCE OF BALLOTS, CONSENTS, WAIVERS, OR PROXIES. (1) If the name signed on a ballot, consent, waiver, or proxy appointment corresponds to the name of a member, then the membership corporation if acting in good faith may accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a ballot, consent, waiver, or proxy appointment does not correspond to the name of its member, then the membership corporation if acting in good faith is nevertheless entitled to accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) The member is an entity and the name signed purports to be that of an officer or agent of the entity;

(b) The name signed purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(c) The name signed purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(d) The name signed purports to be that of a beneficial owner or attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory’s authority to sign for the member has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(e) Two or more persons are the member as cotenants or fiduciaries and the name signed purports to be the name of at least one of the co-owners and the person signing appears to be acting on behalf of all the co-owners.

(3) The membership corporation may reject a ballot, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory’s authority to sign for the member.

(4) The membership corporation and its officer or agent who accepts or rejects a ballot, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section or section 2309(2) of this act are not liable in damages to the member for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a ballot, consent, waiver, or proxy appointment under this section is valid unless the court determines otherwise.

NEW SECTION. Sec. 2315. INSPECTORS OF ELECTION. (1) A membership corporation may appoint one or more inspectors to act at a meeting of members and make a report in the form of a record of the inspectors’ determinations. Each inspector shall execute the duties of inspector impartially and according to the best of the inspector’s ability.

(2) The inspectors must:

(a) Ascertain the number of members and delegates, and their voting power;

(b) Determine the members and delegates present at a meeting;

(c) Determine the validity of proxies and ballots;

(d) Count all votes; and

(e) Determine the result.

(3) An inspector may, but need not, be a director, member, officer, or employee of the membership corporation. A person who is a candidate for office to be filled at the meeting may not be an inspector.

NEW SECTION. Sec. 2316. ACTION BY VOTING GROUPS. (1) If this chapter, the articles, or the bylaws provide for voting by a single voting group on a matter, then action on that matter is taken when voted upon by that voting group as provided in section 2311 or 2318 of this act.

(2) If this chapter, the articles, or the bylaws provide for voting by two or more voting groups on a matter, then action on that matter is taken only when voted upon by each of those voting groups counted separately as provided in section 2311 or 2318 of this act.

NEW SECTION. Sec. 2317. VOTING AGREEMENTS. (1) If the articles or bylaws allow voting agreements, then two or more members may provide for the manner in which they will vote by executing an agreement in the form of a record for that purpose, to the extent allowed under the articles or bylaws.

(2) A voting agreement is specifically enforceable if:

(a) The voting agreement is allowed under the articles or bylaws; or

(b) The effective date of the voting agreement is before the effective date of this section.

(3) Notwithstanding subsection (2) of this section, no voting agreement is enforceable to the extent that enforcement of the agreement would violate the purposes of the membership corporation.

NEW SECTION. Sec. 2318. ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT. (1) Except as provided in the articles or bylaws, action required or permitted by this chapter to be taken at a meeting of the members may be taken without a meeting if the action is taken by all the members entitled to vote on the action. The action must be evidenced by one or more consents in the form of a record bearing the date of execution and describing the action taken, executed by all the members entitled to vote on the action, and delivered to the membership corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to take action without a meeting is the date the first member executes the consent under subsection (1) of this section. A consent shall not be effective to take the corporate action referred to therein unless, within sixty days after the earliest date appearing on a consent delivered to the membership corporation in the manner required by this section, consents executed by all members entitled to vote on the action are received by the corporation. A consent may be revoked by an executed notice in the form of a record to that effect.
received by the corporation before receipt by the corporation of unrevoked consents sufficient in number to take corporate action.

(3) A consent executed under this section has the same force and effect as a unanimous vote at a meeting duly called and held, and may be described as such.

(4) If this chapter, the articles, or the bylaws require that prior notice of any proposed action be given to members not entitled to vote on the action and the action is to be taken by consent of the members entitled to vote, then the membership corporation shall deliver to the members not entitled to vote notice of the proposed action at least ten days before taking the action by consent. The notice must contain or be accompanied by the same material that would have been required to be delivered to members not entitled to vote in a notice of meeting at which the proposed action would have been submitted to the members for action.

NEW SECTION. Sec. 2319. ACTION WITHOUT MEETING BY BALLOT. (1) Except as otherwise restricted by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the membership corporation delivers a ballot to every member entitled to vote on the matter.

(2) A ballot must:
(a) Be in the form of a record;
(b) Set forth each proposed action;
(c) Provide an opportunity to vote, or withhold a vote, separately for each candidate for a director position; and
(d) Provide an opportunity to vote for or against each other proposed action.

(3) Approval by ballot pursuant to this section of action other than election of directors is valid only when the number of ballots returned equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(4) All requests for votes by ballot must:
(a) Indicate the number of responses needed to meet the quorum requirements;
(b) State the percentage of approvals necessary to approve each matter other than election of directors; and
(c) Specify the time by which a ballot must be received by the membership corporation to be counted, which shall not be less than ten days after the ballot is delivered to the member.

(5) Except as provided in the articles or bylaws, a ballot may not be revoked.

NEW SECTION. Sec. 2320. PROCEDURE FOR REMOTE MEETINGS. When provided for in the articles or bylaws, meetings of the members held by remote communication must follow the provisions of sections 2301 through 2319 of this act to the greatest practicable extent.

ARTICLE 4
BOARD OF DIRECTORS

NEW SECTION. Sec. 2401. BOARD OF DIRECTORS—AUTHORITY. (1) A nonprofit corporation shall have a board of directors.

(2) All corporate powers shall be exercised by or under the authority of the board of directors, and the activities and affairs of the corporation shall be managed by or under the direction, and subject to the oversight, of the board of directors, subject only to any powers expressly reserved to the corporation's membership or other persons in the articles or bylaws.

NEW SECTION. Sec. 2402. STANDARDS OF CONDUCT FOR DIRECTORS. (1) Each director, when discharging the duties of a director, shall act:
(a) In good faith;
reasonable and prompt efforts to elect or appoint additional directors.

(5) The number of directors may be increased or decreased but to no fewer than one from time to time by amendment to, or in the manner provided in, the articles or bylaws.

(6) A decrease in the number of directors may not shorten an incumbent director's term.

NEW SECTION. Sec. 2405. SELECTION OF DIRECTORS. (1) The members of a membership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meetings of members, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

(2) The directors of a nonmembership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meeting of directors, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

NEW SECTION. Sec. 2406. TERMS OF DIRECTORS, GENERALLY. (1) The articles or bylaws may specify the terms of directors. If a term is not specified in the articles or bylaws, then the term of a director is one year. Each term of a director elected by the members or directors, or by some other method provided in the articles or bylaws, may not exceed five years except as provided in subsection (2) of this section. Terms of directors appointed by some other person or persons, or designated in some other manner, may be of any length.

(2) For a corporation formed before the effective date of this section, if the articles or bylaws current as of the effective date of this section provided for terms of elected directors longer than five years, then the terms for elected directors provided in those articles or bylaws may continue in effect until and unless the articles or bylaws are amended to shorten those terms.

(3) The initial directors named in the articles hold office until the first annual election of directors or for any other period specified in the articles.

(4) A reduction in directors' terms of office does not shorten an incumbent director's term.

(5) Except as provided in the articles or bylaws, the term of a director elected to fill a vacancy expires at the end of the unexpired term that the director is filling.

(6) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected, appointed, or designated and until the director's successor takes office, unless otherwise provided in the articles or bylaws.

NEW SECTION. Sec. 2407. STAGGERED TERMS FOR DIRECTORS. The articles or bylaws may provide for staggering the terms of directors by dividing the total number of directors into groups of one or more directors. The terms of office and number of directors in each group do not need to be uniform.

NEW SECTION. Sec. 2408. RESIGNATION OF DIRECTOR. (1) A director may resign at any time by delivering an executed notice in the form of a record delivered to the attorney general within ten calendar days after the effective date of the director's resignation.

NEW SECTION. Sec. 2409. REMOVAL OF DIRECTORS. (1) Removal of directors of a membership corporation is subject to the following provisions:

(a) The members may remove, with or without cause, one or more directors who have been elected by the members, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) The board of a membership corporation may not remove a director who has been elected by the members except as provided in subsection (5) of this section or in the articles or bylaws.

(c) The directors may remove, with or without cause, one or more directors who have been elected by the directors, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(d) Except as provided in the articles or bylaws, if a director is elected by a voting group of members, or by a chapter or other organizational unit, or by a region or other geographic grouping, then only the members of that voting group or chapter, unit, region, or grouping may participate in the vote to remove the director.

(e) The notice of a meeting of members at which removal of a director is to be considered shall state that the purpose, or one of the purposes, of the meeting is removal of the director.

(2) The board may remove a director of a nonmembership corporation who was elected by the directors:

(a) With or without cause, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) A nonprofit corporation shall give notice of any meeting of directors at which removal of a director is to be considered in accordance with the articles or bylaws governing notice for special meetings, but in no event less than forty-eight hours before the meeting. Such notice shall state that the purpose, or one of the purposes, of the meeting is removal of a director.

(c) As provided in subsection (5) of this section.

(3) A director who is designated by name in the articles or bylaws may be removed by an amendment to the articles or bylaws deleting or changing the designation.

(4) Except as provided in the articles or bylaws, a director who is appointed by persons other than the members or the directors may be removed with or without cause only by those persons.

(5) Notwithstanding anything else to the contrary in this section or the articles or bylaws, the board of a membership corporation or nonmembership corporation may remove a director:

(a) Who has been appointed a guardian under RCW 11.130.185 or 11.130.265;

(b) Who has been appointed a conservator under RCW 11.130.360;

(c) Who is subject to a written certification by his or her attending physician that in the physician's opinion the director is substantially unable to manage his or her financial resources or resist fraud or undue influence;

(d) Who has been convicted of a felony;

(e) Who has been found by a final order of any court of competent jurisdiction to have breached a duty as a director under section 2402 of this act;

(f) Who has missed the number of board meetings specified in the articles or bylaws, if the articles or bylaws at the beginning of the director's current term provided that a director may be removed for missing the specified number of board meetings; or

(g) Who does not satisfy any of the qualifications for directors...
set forth in the articles or bylaws at the beginning of the director's current term, if the decision that the director fails to satisfy a qualification is made by the vote of a majority of the directors who meet all of the required qualifications.

(6) Notwithstanding anything else to the contrary in this section or the articles or bylaws, the board of a charitable corporation that is a membership corporation or a nonmembership corporation may remove a director if the director's continued service would cause the charitable corporation to be prohibited from soliciting charitable funds under RCW 19.09.100(13).

NEW SECTION. Sec. 2410. VACANCY ON BOARD OF DIRECTORS. (1) Except as provided in subsection (2) of this section, the articles, or the bylaws, if a vacancy occurs on the board, including a vacancy resulting from an increase in the number of directors, then the vacancy may be filled by a majority of the directors remaining in office even if they constitute less than a quorum. For purposes of section 2409 of this act, any director so elected is deemed to have been elected by the members, voting group, or persons who would elect that director at a regular election.

(2) Except as provided in the articles or bylaws, a vacancy in the position of a director who is:

(a) Appointed by persons other than the members, may be filled only by those persons; or

(b) Designated by name in the articles or bylaws, may not be filled by action of the board.

(3) A vacancy that will occur at a specific later time, by reason of a resignation effective at a later time under section 2408(2) of this act, or otherwise, may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

(4) If no directors remain in office, and there are no members with the right to elect directors, then the attorney general has the power to appoint one or more directors selected for their interest and ability to carry out the purposes of the corporation, unless the articles or bylaws provide a different method for electing, appointing, or designating at least one director.

NEW SECTION. Sec. 2411. LIABILITY OF DIRECTORS. (1) A director of a nonprofit corporation is not liable to the nonprofit corporation for any action taken, or any failure to take any action, as a director, except as provided in subsection (2) or (3) of this section or in the articles or bylaws.

(2) Notwithstanding any provision to the contrary in the articles or bylaws, a director is liable to the corporation for:

(a) The value of any benefit in cash, other property, or services received by the director to which the director is not legally entitled; or

(b) Intentional misconduct or a knowing violation of law, including but not limited to criminal law or this chapter, by the director.

(3) A director is liable to the corporation for a violation of any additional standard of conduct specified in the nonprofit corporation's articles as an exception to the limitation on director's liability.

(4) A director of a nonprofit corporation is not liable to any member of the nonprofit corporation for any action taken, or any failure to take any action, as a director, except as provided in subsection (5) of this section.

(5) A director is liable to a member of the corporation only for:

(a) A knowing infliction of harm upon the member; or

(b) An intentional violation of criminal law or this chapter that results in harm or loss to the member.

(6) The party seeking to establish the director's liability to the corporation or any member of the corporation:

(a) For money damages, also has the burden of establishing that:

(i) Harm to the nonprofit corporation or its members has been suffered; and

(ii) The harm suffered was proximately caused by the director's challenged conduct; or

(b) For other money payment under a legal remedy, such as compensation for the unauthorized use of corporate assets, also has whatever burden of persuasion may be called for to establish that the payment sought is appropriate in the circumstances; or

(c) For other money payment under an equitable remedy, such as profit recovery by or disgorgement to the corporation, also has whatever burden of persuasion may be called for to establish that the equitable remedy sought is appropriate in the circumstances.

(7) Nothing contained in this section:

(a) In any instance where fairness is at issue, such as consideration of the fairness of a transaction to the nonprofit corporation under section 2703(1)(c) of this act, alters the burden of proving the fact or lack of fairness otherwise applicable;

(b) Alters the fact or lack of liability of a director to the nonprofit corporation under another section of this chapter, such as the provisions governing the consequences of an unlawful distribution under section 2702 of this act, a conflicting interest transaction under section 2703 of this act, or taking advantage of a business opportunity under section 2704 of this act;

(c) Affects any rights to which the corporation or a director or member may be entitled under another statute of this state or the United States; or

(d) Affects the authority of the attorney general to take any action against a director under this chapter or other applicable Washington state law.

NEW SECTION. Sec. 2412. COMPENSATION OF DIRECTORS. Unless the articles or bylaws provide otherwise, the board may fix the compensation of directors.

ARTICLE 5
MEETINGS AND ACTION OF THE BOARD
NEW SECTION. Sec. 2501. MEETINGS OF THE BOARD. (1) The board may hold regular or special meetings in or out of this state.

(2) Unless the articles or bylaws provide otherwise, the board may permit any or all directors to participate in a regular or special meeting by, or conduct the meeting through the use of, one or more means of remote communication through which all of the directors may simultaneously participate with each other during the meeting. A director participating in a meeting by this means is considered present in person at the meeting. For any meeting at which one or more directors may participate by means of remote communication, notice of the meeting must be delivered to each director by a means which the director has authorized and provide complete instructions for participating in the meeting by remote communication.

NEW SECTION. Sec. 2502. NOTICE OF BOARD MEETINGS. (1) Regular meetings of the board may be held with or without notice as prescribed in the articles or bylaws, unless notice is required by section 2409(2) of this act or other provisions of this chapter.

(2) Unless the articles or bylaws provide for a longer or shorter period, special meetings of the board must be preceded by at least forty-eight hours' notice of the date, time, and place of the meeting. The notice need not describe the purpose of the special meeting, except as required by section 2409(2) of this act, other provisions of this chapter, or the articles or bylaws.

(3) Unless the articles or bylaws provide otherwise, the president, the secretary, or twenty percent of the directors then in office may call and give, or cause to be given, notice of a meeting of the board.

(4) Oral notice of meetings of the board may be given, unless
oral notice is not permitted by a corporation's articles or bylaws.

NEW SECTION. Sec. 2503. WAIVER OF NOTICE. (1) A director may waive any notice required by this chapter, the articles, or the bylaws before or after the date and time stated in the notice. Except as provided by subsection (2) of this section, the waiver must be in the form of a record, executed by the director entitled to the notice, and filed with the minutes or corporate records.

(2) A director's attendance at or participation in a meeting waives any required notice to the director of the meeting, unless the director at the beginning of the meeting or promptly upon arrival objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

NEW SECTION. Sec. 2504. BOARD QUORUM AND VOTING REQUIREMENTS. (1) Except as provided in subsection (2) or (3) of this section, the articles, or the bylaws, a quorum of the board consists of a majority of the directors in office before a meeting begins.

(2) The articles or bylaws may authorize a quorum of the board to consist of no fewer than one-third of the number of directors in office.

(3) A quorum shall not be present at any time during a meeting unless a majority of the directors present are at least 18 years of age.

(4) If a quorum is present when a vote is taken, then the affirmative vote of a majority of directors present is the act of the board unless a greater vote is required by the articles or bylaws or this chapter.

(5) No proxy for a director, however appointed, may:
   (a) Participate in any vote of the board or of any board committee;
   (b) Be counted for the purpose of determining whether a quorum is present at a meeting; or
   (c) Execute any written consent on behalf of the director.

(6) A director who is present at a meeting of the board when corporate action is taken is considered to have assented to the action taken unless:
   (a) The director objects at the beginning of the meeting or promptly upon arrival to holding it or transacting business at the meeting;
   (b) The director dissents or abstains from the action; or
   (c) The director delivers notice in the form of a record of the director's dissent or abstention to the president or secretary of the corporation or another officer of the corporation designated in the bylaws before or during the meeting or before the approval of the minutes of the meeting.

(7) The right of dissent or abstention is not available to a director who votes in favor of the action taken.

NEW SECTION. Sec. 2505. ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT. (1) Unless the articles or bylaws prohibit action without a meeting, action required or permitted by this chapter to be taken by the board may be taken without a meeting if each director entitled to vote with respect to the subject matter thereof executes a consent in the form of a record describing the action to be taken and delivers it to the nonprofit corporation.

(2) For purposes of this section only, "each director entitled to vote" does not include an "interested director" who abstains in writing from providing consent, where:
   (a) The board has determined that:
      (i) The corporation is entering into the transaction for its own benefit; and
      (ii) The transaction is fair and reasonable to the corporation when it enters into the transaction or the noninterested directors determine in good faith after reasonable investigation that the corporation cannot obtain a more advantageous arrangement with reasonable effort under the circumstances, at or before execution of the written consent;
   (b) That determination of the board is included in the written consent executed by the noninterested directors or in other records of the corporation; and
   (c) All of the noninterested directors approve the action.

(3) Action taken under this section is the act of the board when one or more consents executed by all the directors entitled to vote are delivered to the nonprofit corporation. In no event may the period between the date of the first signature by a director on such a consent and the date on which all directors have executed the consent be more than sixty days. The consent may specify the time at which the action taken in the consent is to be effective. A director's consent may be withdrawn by a revocation in the form of a record executed by the director and delivered to the president, secretary, or other officer of the corporation specified by the board for that purpose before delivery to the corporation of unrevoked consents executed by all the directors.

(4) A written consent executed under this section has the effect of action taken at a meeting of the board and may be described as such in any document.

NEW SECTION. Sec. 2506. BOARD AND ADVISORY COMMITTEES. (1) Unless this chapter, the articles, or the bylaws provide otherwise, a board may create one or more committees of the board that consist of two or more directors. A committee of the board shall not include as voting members persons who are not directors, except:
   (a) As provided in Title 48 RCW or the regulations promulgated thereunder;
   (b) If the only powers delegated to the committee are those necessary for the committee to serve in any fiduciary capacity with respect to one or more employee benefit plans established under the federal employee retirement income security act of 1974, or any successor statute; or
   (c) Unless without the inclusion of persons who are not directors it is impossible or impracticable for the corporation to comply with applicable law other than this chapter.

(2) Unless this chapter otherwise provides, the creation of a committee of the board and appointment of directors to it shall be approved by the greater of:
   (a) A majority of all the directors in office when the action is taken; or
   (b) The number of directors required by the articles or bylaws to take action under section 2504 of this act.

(3) Sections 2501 through 2505 of this act apply to both committees of the board and their members to the greatest practicable extent.

(4) To the extent specified by the board or in the articles or bylaws, each committee of the board may exercise the powers of the board granted through section 2401(2) of this act, except as limited by subsection (5) of this section.

(5) A committee of the board may not:
   (a) Authorize distributions;
   (b) Adopt, amend, alter, or repeal bylaws;
   (c) In the case of a membership corporation, approve or propose to members action that must be approved by members under the articles or bylaws;
   (d) Elect, appoint or remove any member of any committee of the board or any director or officer of the corporation;
   (e) Amend the articles;
   (f) Adopt a plan of merger with another corporation;
   (g) Adopt a plan of domestication, for-profit conversion, or entity conversion;
   (h) Authorize the sale, lease, or exchange of all or substantially all of the property and assets of the corporation not in the ordinary
course of business:
   (i) Authorize the voluntary dissolution of the corporation or
   revoke proceedings therefor;
   (j) Adopt a plan for the distribution of the assets of the
   corporation; or
   (k) Amend, alter, or repeal any resolution of the board, unless
   the resolution provides by its terms that it may be amended,
   altered, or repealed by a committee.

(6) The creation of, delegation of authority to, or action by a
committee of the board does not alone constitute compliance by
a director with the standards of conduct described in section 2402
of this act.

(7) A nonprofit corporation may create or authorize the
creation of one or more advisory committees whose members
need not be directors or meet the qualification requirements for
directors. The board shall not delegate any of its authority to an
advisory committee. An advisory committee:
   (a) Is not a committee of the board; and
   (b) May not exercise any of the powers of the board.

NEW SECTION. Sec. 2507. PROCEDURE FOR
REMOTE MEETINGS. Unless otherwise provided in the
articles or bylaws, meetings of the board or any committee held
by remote communication must follow the provisions of sections
2501 through 2506 of this act to the greatest practicable extent.

ARTICLE 6
OFFICERS

NEW SECTION. Sec. 2601. OFFICERS—DUTIES. (1)
The officers of a nonprofit corporation consist of a president,
secretary, and treasurer, and other officers as may be authorized
by the articles, the bylaws, or the board.

(2) Unless the articles or bylaws provide otherwise, the board
shall elect or appoint all officers annually, and officers shall serve
until their respective successors have been elected or appointed
or until their earlier removal or resignation.

(3) The same individual may simultaneously hold more than
one office in a nonprofit corporation, except that the same
individual may not hold the offices of president and secretary.

(4) Each officer has the authority and shall perform the duties
set forth in the articles or bylaws or, to the extent consistent with
the articles and bylaws, the duties prescribed by the board or by
direction of an officer authorized by the board to prescribe the
duties of other officers.

NEW SECTION. Sec. 2602. STANDARDS OF
CONDUCT FOR OFFICERS. (1) An officer with discretionary
authority shall discharge his or her duties under that authority:
   (a) In good faith;
   (b) With the care an ordinarily prudent person in a like position
would exercise under similar circumstances; and
   (c) In a manner the officer reasonably believes to be in the best
interests of the corporation.

(2) The duty of an officer includes the obligation to convey to
his or her superior officer, the board, a board committee, or
another appropriate person within the nonprofit corporation:
   (a) Information about the affairs of the nonprofit corporation
within the scope of the officer's functions, and known to the
officer to be material to the superior officer, board, or committee
thereof; and
   (b) Information regarding any actual or probable material
violation of law involving the corporation or material breach of
duty to the corporation by an officer, director, employee, agent,
or vendor of the corporation, that the officer believes has occurred
or is likely to occur.

(3) In discharging his or her duties, an officer who does not
have knowledge that makes reliance unwarranted may rely on
information, opinions, reports, or statements, including financial
statements and other financial data, if prepared or presented by:
   (a) One or more officers or employees of the nonprofit
corporation whom the officer reasonably believes to be reliable
and competent in the functions performed or the information,
opinions, reports, or statements provided;
   (b) Legal counsel, public accountants, or other persons retained
by the corporation as to matters involving skills or expertise the
officer reasonably believes are matters:
     (i) Within the particular person's professional or expert
competence; or
     (ii) As to which the particular person merits confidence.
   (4) An officer is not a trustee with respect to the nonprofit
corporation or with respect to any property held or administered
by the corporation, including property that may be subject to
restrictions imposed by the donor or transferor of the property.

NEW SECTION. Sec. 2603. RESIGNATION AND
REMOVAL OF OFFICERS. (1) An officer may resign at any
time by delivering notice to the nonprofit corporation. A
resignation is effective when the notice is delivered unless the
notice specifies a later effective time. If a resignation is made
effective at a later time and the board or the appointing officer
accepts the future effective time, then the board or the appointing
officer may designate a successor before the effective time if the
board or the appointing officer provides that the successor does
not take office until the effective time.

(2) Except as provided in the articles or bylaws, an officer may
be removed at any time with or without cause by:
   (a) The board;
   (b) The officer who appointed the officer being removed,
unless the board provides otherwise; or
   (c) Any other officer authorized by the articles, the bylaws, or
the board to remove the officer being removed.

(3) In this section, "appointing officer" means the officer,
including any successor to that officer who appointed the officer
resigning or being removed.

NEW SECTION. Sec. 2604. CONTRACT RIGHTS OF
OFFICERS. (1) The appointment or election of an officer does
not itself create contract rights.

(2) An officer's removal does not affect the officer's contract
rights, if any, with the nonprofit corporation. An officer's
resignation does not affect the corporation's contract rights, if any,
with the officer.

ARTICLE 7
PROVISIONS COMMON TO DIRECTORS AND
OFFICERS

NEW SECTION. Sec. 2701. LOANS OR GUARANTEES.
(1) A nonprofit corporation may not lend money to, advance
credit to, or guarantee the obligation of a director or officer of the
corporation.

(2) Subsection (1) of this section does not apply to:
   (a) An advance to pay reimbursable expenses reasonably
expected to be incurred within a time period that is reasonable
under the circumstances by a director or officer;
   (b) Advances pursuant to section 2706 of this act;
   (c) Loans or advances pursuant to employee benefit plans; or
   (d) A loan to pay reasonable relocation expenses of an officer.

(3) The fact that a loan or guarantee is made in violation of this
section does not affect the borrower's liability on the loan.

(4) The directors who vote for or assent to any loan, advance,
or guarantee in violation of subsection (1) of this section, and any
officer materially participating in the making of such a loan,
advance, or guarantee, are personally liable on a joint and several
basis to the nonprofit corporation on the loan, advance, or
guarantee. Liability under this subsection terminates upon the
repayment of any funds advanced by the nonprofit corporation in
violation of subsection (1) of this section or, if no funds have been advanced under a guarantee, upon the termination of the guarantee.

(5) A director or officer held liable under subsection (4) of this section for any unlawful loan or guarantee is entitled to contribution from every other director or officer who could be held liable under subsection (4) of this section for the unlawful loan or guarantee.

(6) A proceeding to enforce contribution or recoupment under subsection (5) of this section is barred unless it is commenced within one year after the liability of the claimant has been finally adjudicated under subsection (4) of this section.

NEW SECTION. Sec. 2702. LIABILITY FOR UNLAWFUL DISTRIBUTIONS. (1) A director or officer is personally liable to the nonprofit corporation for the amount of any distribution that exceeds the amount the corporation could have distributed without violating section 1406 of this act if:

(a) The nature or amount of the distribution was material to the interests of the corporation for any reason under all of the facts and circumstances including, but not limited to, federal excise tax liability or federal tax penalties imposed on the corporation as a result of the distribution;

(b) The director or officer voted for or assented to that distribution as a director, or participated beyond the level of a ministerial function in making that distribution as an officer; and

(c) The party asserting liability establishes that, when taking the action, the director or officer violated the standard of conduct set forth in subsection (2) of this section.

(2) A director or officer may be held liable under this section:

(a) For a distribution by a charitable corporation, or a distribution of assets held for charitable purposes, if the director did not comply with section 2402 of this act or the officer did not comply with section 2602 of this act; or

(b) If the conduct of the director or officer with respect to the distribution constitutes gross negligence.

(3) A director or officer held liable under this section for an unlawful distribution is entitled to:

(a) Contribution from every other director or officer who could be held liable under this section for the unlawful distribution; and

(b) Recoupment from each person of the pro rata portion of the amount of the unlawful distribution the person received:

(i) Whether or not the person knew the distribution was made in violation of this chapter, for a distribution by a charitable corporation or of property held for charitable purposes; or

(ii) Knowing the distribution was made in violation of this chapter, for a distribution of property not held for charitable purposes.

(4) A proceeding to enforce:

(a) The liability of a director or officer under this section is barred, unless it is commenced within three years after the date on which the distribution was made; or

(b) Contribution or recoupment under subsection (3) of this section is barred, unless it is commenced within one year after the liability of the claimant under this section has been finally adjudicated.

NEW SECTION. Sec. 2703. CONFLICTING INTEREST TRANSACTIONS—VOIDABILITY. (1) A contract or transaction between a nonprofit corporation and one or more of its members, directors, or officers; or between a nonprofit corporation and any other entity in which one or more of its directors or officers are directors or officers, hold a similar position, or have a financial interest is not void or voidable solely for that reason, or solely because the member, director, or officer is present at or participates in the meeting of the board that authorizes the contract or transaction solely because his or her or their votes are counted for that purpose, if:

(a) The material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the board and the board in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested directors even though the disinterested directors are less than a quorum;

(b) The material facts as to the relationship or interest of the member, director, or officer and as to the contract or transaction are disclosed or are known to the members entitled to vote thereon, if any, and the contract or transaction is specifically approved in good faith by vote of those members; or

(c) The contract or transaction is fair as to the corporation as of the time the board or the members authorize, approve, or ratify the transaction.

(2) Interested directors or directors holding a similar position in the other entity involved in a contract or transaction specified in subsection (1) of this section may be counted in determining the presence of a quorum at a meeting of the board that authorizes the contract or transaction.

(3) This section is applicable except as provided in the articles or bylaws.

NEW SECTION. Sec. 2704. BUSINESS OPPORTUNITIES. (1) The taking advantage, directly or indirectly, by a director or officer of a business opportunity may not be the subject of equitable relief, or give rise to an award of damages or other sanctions against the director or officer, in a proceeding by or in the right of the nonprofit corporation on the ground that the opportunity should have first been offered to the corporation, if before becoming legally obligated or entitled respecting the opportunity the director or officer brings it to the attention of the corporation and action by the members or the directors disclaiming the corporation's interest in the opportunity is taken in compliance with the procedures set forth in section 2703 of this act, as if the decision being made concerned a conflicting interest transaction.

(2) In any proceeding seeking equitable relief or other remedies, based upon an alleged improper taking advantage of a business opportunity by a director or officer, the fact that the director or officer did not employ the procedure described in subsection (1) of this section before taking advantage of the opportunity does not support an inference that the opportunity should have been first presented to the nonprofit corporation or alter the burden of proof otherwise applicable to establish that the director or officer breached a duty to the corporation in the circumstances.

NEW SECTION. Sec. 2705. REMOVAL BY JUDICIAL PROCEEDING. (1) The court may remove a director or officer from office in a proceeding commenced by or in the right of the corporation if the court finds that:

(a) The director or officer engaged in fraudulent conduct with respect to the corporation or its members, knowingly inflicted harm on the corporation, or engaged in acts or omissions constituting gross negligence with respect to the director's or officer's duties; and

(b) Considering the course of conduct of the director or officer and the inadequacy of other available remedies, removal would be in the best interest of the corporation.

(2) An action under this section may be commenced by a member, individual director, or delegate. The attorney general may also commence an action under this section if the corporation holds property for charitable purposes.

(3) The court, in addition to removing the director or officer, may bar the director or officer from being reelected, redesignated, or reappointed as a director, an officer, or both for a period prescribed by the court.

(4) Nothing in this section limits the equitable powers of the court to order other relief.
NINETY FOURTH DAY, APRIL 14, 2021

(5) If a proceeding is commenced under this section to remove a director or officer of a charitable corporation, then the plaintiff shall give the attorney general notice in the form of a record of the commencement of the proceeding.

NEW SECTION. Sec. 2706. INDEMNIFICATION AND ADVANCE FOR EXPENSES. The provisions of RCW 23B.08.500 through 23B.08.603, or their successors, apply to any corporation to which this chapter applies. For purposes of this chapter:

(1) All references in those provisions to shares of a corporation are deemed to refer to membership interests in the nonprofit corporation.

(2) All references in those provisions to shareholders are deemed to refer to members of the nonprofit corporation.

(3) All references in those provisions to a shareholders meeting are deemed to refer to a meeting of the members of the nonprofit corporation.

(4) All references in those provisions to transactions from which directors or officers will personally receive a benefit to which they are not entitled are deemed to include transactions approved or implemented by a director or officer knowing them to be in violation of section 1406 of this act.

(5) This section does not limit a nonprofit corporation's power to indemnify, advance expenses to, or provide or maintain insurance on behalf of an employee, agent, or volunteer.

NEW SECTION. Sec. 2707. DIRECTORS AND OFFICERS UNDER 18 YEARS OF AGE. No director or officer of a corporation who is under 18 years of age shall have authority to execute any document on behalf of the corporation, or otherwise to bind the corporation with respect to any other party, without the written concurrence of one or more other directors or officers of the corporation who are at least 18 years of age and would, between them, have independent authority to execute the same document or to bind the corporation in the same way.

PART III
FUNDAMENTAL TRANSACTIONS

ARTICLE 1
AMENDMENT OF ARTICLES OR BYLAWS

NEW SECTION. Sec. 3101. AUTHORITY TO AMEND. (1) A nonprofit corporation may amend its articles of incorporation, from time to time, so long as its articles as amended contain only provisions that are lawful under this chapter.

(2) Amendments to the articles of a charitable corporation to include one or more purposes of the corporation substantially different from the corporation's purposes before the amendment are subject to the reporting requirement set out in section 1205 of this act.

NEW SECTION. Sec. 3102. AMENDMENT OF ARTICLES BY NONMEMBERSHIP CORPORATION. (1) Except as provided in the articles, the board of a nonmembership corporation may adopt amendments to the corporation's articles by the vote of a majority of the directors in office.

(2) Except as provided in subsection (3) of this section, an amendment adopted by the board under this subsection must also be approved, if the amendment changes or deletes a provision regarding the appointment of a director by persons other than the board, by those persons as if they constituted a voting group.

(3) Unless the articles provide otherwise, the board of a nonmembership corporation may adopt amendments to the corporation's articles without approval of any of the other persons identified in subsection (2) of this section to:

(a) Extend the duration of the corporation if it was incorporated at a time when limited duration was required by law;

(b) Delete the names and addresses of the initial directors;

(c) Notwithstanding section 1303(1) of this act, delete the name of each incorporator and the name and address of the initial registered agent or registered office, if a statement of change is on file with the secretary of state; and

(d) Restate without change all of the then operative provisions of the articles.

NEW SECTION. Sec. 3103. AMENDMENT BEFORE ADMISSION OF MEMBERS. If a membership corporation has not yet admitted members, then its board may adopt one or more amendments to the articles.

NEW SECTION. Sec. 3104. AMENDMENT AFTER ADMISSION OF MEMBERS. (1) An amendment to the articles of a membership corporation must be adopted in the following manner:

(a) Except as provided in (e) of this subsection, a proposed amendment must be adopted by the board.

(b) Except as provided in sections 3107 and 3108 of this act, a proposed amendment must be submitted to the members entitled to vote on the amendment, if any, for their approval.

(c) The board shall deliver to all members a recommendation that the members approve an amendment, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(d) The board may condition its submission of an amendment to the members on any basis. Such a condition is in addition to any approval requirements set forth in the corporation's articles or bylaws or in this chapter.

(e) If the articles or bylaws so permit, an amendment may be proposed by ten percent or more of the members entitled to vote on the amendment, or by a greater number of members if the articles or bylaws so specify. The provisions of (a), (c), and (d) of this subsection do not apply to an amendment proposed by the members under this subsection.

(f) If an amendment is required to be approved by the members, including under (e) of this subsection, and the approval is to be given at a meeting, then the corporation shall give notice to each member, whether or not entitled to vote on the amendment, of the meeting of members at which the amendment is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the amendment and must contain or be accompanied by a copy or summary of the amendment. If a summary is provided in lieu of a copy of the amendment, then a copy must be available to members upon request and the notice shall state that fact.

(g) At a meeting described in (f) of this subsection, those members entitled to vote on the amendment may:

(i) Approve or reject the amendment exactly as provided or summarized in the notice of the meeting; or

(ii) Approve revisions to the amendment at the meeting, if the subject matter of the revisions is within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting.

(h) The board shall determine whether the subject matter of any revisions approved by members remains within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting. If the board determines that the revisions approved by the members are not within that scope, then the amendment is deemed rejected by the membership. If the board determines that the revisions by members are within scope, then the board may:

(i) Accept the amendment incorporating the revisions approved by the members; or
(ii) Propose a further revised amendment to the members for approval.
This process may continue until an amendment acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(i) Unless the articles or bylaws, or the board acting pursuant to (d) of this subsection, requires a greater vote or a greater number of votes to be present, the approval of an amendment by the members entitled to vote thereon requires the approval of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the amendment, the approval of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(j) Except as provided in subsection (2) of this section, an amendment adopted by the board under this subsection must also be approved, if the amendment changes or deletes a provision regarding the appointment of a director by persons other than the board, by those persons as if they constituted a voting group.

(k) If a membership corporation has no members entitled to vote on the amendment, then the corporation shall deliver notice of the approval of the amendment by the board to all members of the corporation at least five days before filing articles of amendment or restated articles of incorporation with the secretary of state.

(2) Unless the articles provide otherwise, the board of a membership corporation may adopt amendments to the corporation's articles without approval of the members to:
(a) Delete the names and addresses of the initial directors;
(b) Notwithstanding section 1303(2) of this act, delete the name of each incorporator and the name and address of the initial registered agent or registered office, if a statement of change is on file with the secretary of state;
(c) Restate without change any of the then operative provisions of the articles.

NEW SECTION. Sec. 3105. VOTING ON AMENDMENTS BY VOTING GROUPS. (1) If a nonprofit corporation has more than one class of members entitled to vote on an amendment to the articles, then the articles or bylaws may provide that the members of each class entitled to vote on the amendment are entitled to vote as a separate voting group if the amendment would change the rights, powers, preferences, or limitations of the class.

(2) If a class of members will be divided into two or more classes by an amendment to the articles, then the amendment must be approved by a majority of the members of each class that will be created.

NEW SECTION. Sec. 3106. ARTICLES OF AMENDMENT. After an amendment to the articles has been adopted and approved in the manner required by sections 3101 through 3114 of this act and by the articles, the nonprofit corporation shall deliver to the secretary of state for filing articles of amendment, which must be executed by an officer or other authorized representative and set forth:
(1) The name of the corporation;
(2) The text of the amendment adopted;
(3) The date of the amendment's adoption; and
(4) If the amendment:
(a) Was adopted by the board without member approval, a statement that the amendment was adopted by the board of directors, and that member approval was not required; or
(b) Required approval by the members, a statement that the amendment was approved by the members in the manner required by this chapter and by the articles and bylaws.

NEW SECTION. Sec. 3107. RESTATED ARTICLES OF INCORPORATION. (1) The board of a nonprofit corporation may restate its articles of incorporation at any time, without approval by the members or any other person, to consolidate all amendments into a single document without substantive change.

(2) A restatement of the articles may include one or more amendments to the articles. If restated articles of incorporation of a nonmembership corporation include one or more new amendments, then these amendments must have been adopted and approved as provided in section 3102 of this act. If restated articles of incorporation of a membership corporation include one or more new amendments that require member approval, then the amendments must have been adopted and approved as provided in section 3103 or 3104 of this act, as appropriate.

(3) A nonprofit corporation that restates its articles of incorporation shall deliver to the secretary of state for filing articles of restatement setting forth the name of the nonprofit corporation and the text of the restated articles of incorporation together with a certificate setting forth:
(a) If the restatement does not include any amendments to the articles, a statement of that fact;
(b) If the restatement contains one or more amendments to the articles, the information required by section 3106 (1) through (4) of this act.

(4) The articles of restatement and the certificate must be executed by an officer or other authorized representative.

(5) Duly adopted restated articles of incorporation supersed the original articles and all amendments thereto.

(6) The secretary of state shall certify restated articles of incorporation as the articles currently in effect.

NEW SECTION. Sec. 3108. AMENDMENT OF ARTICLES PURSUANT TO REORGANIZATION. (1) A nonprofit corporation's articles of incorporation may be amended without action by the board or the members to carry out a plan of reorganization ordered or decreed by any court of competent jurisdiction in a proceeding relating to the corporation.

(2) An individual designated by the court shall deliver to the secretary of state for filing articles of amendment setting forth:
(a) The name of the corporation;
(b) The text of each amendment approved by the court;
(c) The date of the court's order or decree approving the articles of amendment;
(d) The title of the reorganization proceeding in which the order or decree was entered; and
(e) A statement that the court had jurisdiction of the proceeding.

(3) This section does not apply after entry of a final decree in the reorganization proceeding even though the court retains jurisdiction of the proceeding for limited purposes unrelated to consummation of the reorganization plan.

NEW SECTION. Sec. 3109. EFFECTIVE DATE. Unless a delayed effective date is specified, articles of amendment or restated articles of incorporation become effective on the date the articles of amendment or restated articles of incorporation are filed by the secretary of state.

NEW SECTION. Sec. 3110. EFFECT OF ARTICLES OF AMENDMENT. (1) Except as provided in subsection (2) of this section, an amendment to the articles does not affect a cause of action existing against or in favor of the nonprofit corporation, a proceeding to which the corporation is a party, or the existing rights of persons other than members of the corporation or persons referred to in the articles. An amendment changing a corporation's name does not abate a proceeding brought by or against the corporation in its former name.

(2) No amendment to the articles shall modify any restriction imposed through any means upon property held for charitable purposes unless, before the delivery of the amendment to the
Secretary of state for filing, the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW;

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(3) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the articles unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This subsection does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3111. POWER TO AMEND BYLAWS. The power to alter, amend, or repeal the bylaws or adopt new bylaws is vested in the board unless otherwise provided in the articles, the bylaws, or this chapter.

NEW SECTION. Sec. 3112. BYLAW AMENDMENTS REQUIRING MEMBER APPROVAL. (1) Except as provided in the articles or bylaws, the board of a membership corporation that has one or more members may not, without approval of the class or classes of members affected, adopt or amend a provision of the bylaws:

(a) That would eliminate any existing right, power, or privilege of membership contained in the bylaws;

(b) Under section 2107 of this act, providing that some of the members have different rights or obligations than other members with respect to voting, dissolution, transfer of memberships or other matters;

(c) Under section 2110 of this act, levying dues, assessments, or fees on some or all of the members;

(d) Under section 2113 of this act, relating to the termination or suspension of members; or

(e) Under section 2114 of this act, authorizing the purchase of memberships.

(2) The board of a membership corporation that has members may not amend the articles or bylaws without approval of every class or classes of members affected to vary the application of subsection (1) of this section to the corporation.

(3) If a nonprofit corporation has more than one class of members, then the members of a class are entitled to vote as a separate voting group on an amendment to the bylaws that:

(a) Is described in subsection (1) of this section, if the amendment would affect the members of that class differently than the members of another class; or

(b) Has any of the effects described in section 3104(1)(j) of this act.

(4) If a class of members will be divided into two or more classes by an amendment to the bylaws, then the amendment must be approved by a majority of the members of each class that will be created.

NEW SECTION. Sec. 3113. EFFECT OF BYLAW AMENDMENT. (1) No amendment to the bylaws shall modify any restriction imposed through any means upon property held for charitable purposes unless, before or simultaneously with the adoption of the bylaws amendment, the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(2) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the bylaws unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This subsection does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3114. APPROVAL OF AMENDMENTS BY THIRD PARTIES. (1) The articles of incorporation may require that an amendment to the articles be approved in the form of a record by a specified person or group of persons in addition to the board or members.

(2) The articles or bylaws may require that an amendment to the bylaws be approved in the form of a record by a specified person or group of persons in addition to the board or members.

(3) A requirement in the articles or bylaws described in subsection (1) or (2) of this section may only be amended with the approval in the form of a record of the specified person or group of persons.

ARTICLE 2 MERGER

NEW SECTION. Sec. 3201. DEFINITIONS. The definitions in this section apply throughout this section and sections 3202 through 3209 of this act unless the context clearly requires otherwise.

(1) "Eligible interests" means interests or shares.

(2) "Interests" means either or both of the following rights under the organic law of an unincorporated entity:

(a) The right to receive distributions from the entity either in the ordinary course or upon liquidation; or

(b) The right to receive notice or vote on issues involving its internal affairs, other than as an agent, assignee, proxy, or person responsible for managing its business, activities, or affairs.

(3) "Merger" means a transaction pursuant to section 3205 of this act.

(4) "Party to a merger" means any domestic or foreign nonprofit corporation or eligible entity that will merge under a plan of merger.

(5) "Shares" means the units into which the proprietary interests in a domestic or foreign for-profit corporation are divided.

(6) "Survivor" in a merger means the corporation or eligible entity into which one or more other corporations or eligible entities are merged. A survivor of a merger may preexist the merger or be created by the merger.

NEW SECTION. Sec. 3202. PROPERTY HELD FOR CHARITABLE PURPOSES. (1) In a merger under sections 3201 through 3209 of this act, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) The survivor of any merger under sections 3201 through 3209 of this act remains bound by any restriction imposed through any means upon property held for charitable purposes by any party to the merger including, but not limited to, any restriction that affects existing rights of persons other than members, shareholders, or interest holders of the other party, unless the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested
parties, including the attorney general, under chapter 11.96A RCW; or
(b) In the case of any other restriction, pursuant to section 1503 of this act.

(3) Property held by a nonprofit corporation for charitable purposes upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the merger, must be returned, transferred, or conveyed in accordance with that condition.

(4) A corporation that is not a charitable corporation but holds property for charitable purposes shall deliver to the attorney general notice of its intent to consummate a merger, unless the survivor of the merger is a charitable corporation. The notice must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed transaction is to be approved. Such a merger may not be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the transaction, approval of the transaction is deemed to have been given.

(5) The notice described in subsection (4) of this section shall include:
(a) A statement specifying how the merger will comply with subsections (1) through (3) of this section; and
(b) A brief description of:
(i) Real property held by the corporation for charitable purposes, and its nature and location;
(ii) Cash, bank deposits, brokerage accounts, or other financial assets held by the corporation for charitable purposes, and their approximate total fair market value;
(iii) Other personal property held by the corporation for charitable purposes, and its nature and approximate total fair market value; and
(iv) All gift restrictions applicable to any property described in (b)(i) through (iii) of this subsection, and the nature of those restrictions.

NEW SECTION. Sec. 3203. PROHIBITION OF FINANCIAL BENEFIT. A person who is a member, director, officer, interest holder, or otherwise affiliated with a charitable corporation or any other eligible entity with a charitable purpose may not receive a direct or indirect financial benefit in connection with a merger governed by sections 3201 through 3209 of this act to which the charitable corporation or unincorporated entity is a party unless the person is itself a charitable corporation, the federal government, a tribal government, a state or local government, a governmental subdivision, or an eligible entity that is organized exclusively for charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3204. LIMITATIONS ON CHARITABLE CORPORATIONS. (1) A charitable corporation may merge only with:
(a) Another charitable corporation;
(b) A foreign corporation that, if it were a domestic corporation, would qualify under this chapter as a charitable corporation; or
(c) A foreign or domestic for-profit or nonprofit corporation, or unincorporated entity, only if the charitable corporation is the surviving corporation and continues to qualify as a charitable corporation after the merger.

(2) No member of a charitable corporation may receive or keep anything as a result of a merger other than a membership in the surviving charitable corporation, unless:
(a) The attorney general, or the court in a proceeding in which the attorney general has been given notice, has provided prior written consent; or
(b) The member is a charitable corporation, another entity that is organized and operated exclusively for one or more charitable purposes, the federal government, or a tribal, state, or local government.

NEW SECTION. Sec. 3205. MERGER. (1) Subject to the restrictions in sections 3202 through 3204 of this act, one or more domestic nonprofit corporations may merge with one or more domestic or foreign nonprofit corporations or eligible entities pursuant to a plan of merger or two or more foreign nonprofit corporations or domestic or foreign eligible entities may merge into a new domestic nonprofit corporation to be created in the merger in the manner provided in sections 3201 through 3209 of this act.

(2) A foreign nonprofit corporation, or a foreign eligible entity, may be a party to a merger with a domestic nonprofit corporation, or may be created by the terms of the plan of merger, only if the merger is permitted by the organic law of the corporation or eligible entity.

(3) If the law of this state, other than this chapter, permits the merger of a domestic eligible entity with a nonprofit corporation but does not provide procedures for the approval of such a merger, then a plan of merger may be adopted and approved, and the merger may be effectuated, in accordance with the procedures in sections 3201 through 3209 of this act. For the purposes of applying sections 3201 through 3209 of this act, as the context may require:
(a) The eligible entity is treated as a domestic nonprofit corporation, its interest holders are treated as members, eligible interests are treated as memberships, and organic records are treated as articles and bylaws; and
(b) If there is no board of directors and the business and affairs of the eligible entity are managed by a team or body of persons that is not identical to the interest holders, that team or body is deemed to be the board of directors.

(4) The plan of merger must be in the form of a record and include:
(a) The name of each domestic or foreign nonprofit corporation or eligible entity that will merge and the name of the domestic or foreign nonprofit corporation or eligible entity that will be the survivor of the merger;
(b) The terms and conditions of the merger;
(c) The manner and basis of converting the memberships of each merging domestic or foreign nonprofit membership corporation and the eligible interests of each merging domestic or foreign eligible entity into memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing;
(d) The articles and bylaws of any corporation, or the organic records of any eligible entity, to be created by the merger; or if a new corporation or eligible entity is not to be created by the merger, any changes to the survivor's articles or bylaws or organic records;
(e) Whether the corporation is a charitable corporation or is holding assets for charitable purposes;
(f) If the corporation is a charitable corporation or is holding assets for charitable purposes, a plan setting forth how the merging entities will comply with sections 3202 and 3204 of this act; and
(g) Any other provisions relating to the merger that the parties desire be included in the plan of merger.

(5) The plan of merger may also include a provision that the plan may be amended before filing articles of merger, but if the
members of a domestic corporation that is a party to the merger are required or entitled to vote on the plan, then the plan shall provide that after approval of the plan by those members the plan may not be amended to change:

(a) The amount or kind of memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; or other property or other consideration to be received by the members of or owners of eligible interests in any party to the merger;

(b) The articles or bylaws of any corporation, or the organic records of any unincorporated entity, that will survive or be created as a result of the merger, except for changes permitted by section 3104(2) of this act or by comparable provisions of the organic law of a foreign nonprofit or for-profit corporation or domestic or foreign unincorporated entity; or

(c) Any of the other terms or conditions of the plan, if the change would adversely affect those members in any material respect.

(6) Terms of a plan of merger may be made dependent on facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3206. ADOPTION OF PLAN OF MERGER. In the case of a nonprofit corporation that is a party to a merger:

(1) The plan of merger must be adopted by the board.

(2) Except as provided in subsection (9) of this section, section 3205 of this act, or the articles or bylaws, after adopting the plan of merger, the board shall submit the plan to those members entitled to vote on the plan for their approval. The board shall deliver to the members a recommendation that the members approve the plan, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of the plan of merger to the members on any basis.

(4) If the plan of merger is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote on the merger, of the meeting of members at which the plan is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. If the corporation is to be merged into an existing corporation or eligible entity, then the notice shall also include a copy or summary of the articles and bylaws or organic records of that corporation or eligible entity. If the corporation is to be merged into a corporation or eligible entity that is to be created pursuant to the merger, then the notice shall include a copy or a summary of the articles and bylaws or organic records of the new corporation or eligible entity. If a summary is provided in lieu of a copy of the plan or of the articles and bylaws, a copy of the plan and articles and bylaws, as applicable, must be available to members upon request and this fact must be stated in the notice. Such copy of the plan and articles and bylaws, as applicable, may be made available in electronic format.

(5) Unless the articles or bylaws, or the board acting pursuant to subsection (3) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of merger by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of merger, the approval of a majority of the members of each voting group entitled to vote at a meeting at which a quorum of the voting group is present.
separate voting group entitled to vote, in the manner required by this chapter and the articles or bylaws;
(d) If the plan of merger did not require approval by the members of a domestic nonprofit corporation that was a party to the merger, a statement to that effect;
(e) If a party to the merger is a noncharitable corporation holding property for charitable purposes, and the survivor is not a charitable corporation, a statement that the attorney general has approved, or is deemed to have approved, the merger pursuant to section 3202 of this act; and
(f) As to each foreign nonprofit corporation or eligible entity that was a party to the merger, a statement that the participation of the foreign corporation or eligible entity was authorized as required by the organic law of the corporation or eligible entity.
(2) Terms of articles of merger may be made dependent on facts objectively ascertainable outside the articles in accordance with section 1202(3) of this act.
(3) Articles of merger must be delivered to the secretary of state for filing by the surviving entity of the merger and shall take effect at the effective time provided in RCW 23.95.210. Articles of merger filed under this section may be combined with any filing required under the organic law of any domestic eligible entity involved in the transaction if the combined filing satisfies the requirements of both this section and the other organic law.

(2) If a merger is abandoned under subsection (1) of this section after articles of merger have been filed by the secretary of state but before the merger has become effective, then a statement that the merger has been abandoned in accordance with this section, executed on behalf of a party to the merger by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the merger. NEW SECTION. Sec. 3306. VOTING RIGHTS IN EXISTING CORPORATIONS. NEW SECTION. Sec. 3307. DOMESTICATION. (1) A foreign nonprofit corporation may become a domestic nonprofit corporation only if the law of the foreign jurisdiction allows the domestication.

(2) A domestic nonprofit corporation may become a foreign nonprofit corporation if the law of the foreign jurisdiction allows the domestication.

(3) Regardless of whether the laws of the foreign jurisdiction require the adoption of a plan of domestication, the domestication must be approved by the corporation's adoption of a plan of domestication in the manner provided in sections 3301 through 3326 of this act.

(4) The plan of domestication shall include:

(a) A statement of the jurisdiction in which the corporation is to be domesticated;

(5) The plan of domestication may also include a provision that the plan may be amended before filing the document required by the laws of this state or the other jurisdiction to consummate the domestication; except that, after approval of the plan by the members, the plan may not be amended without the approval of
the members entitled to vote thereon to change:

(a) The amount or kind of memberships, obligations, rights to acquire memberships, cash, or other property to be received by the members under the plan;

(b) The articles as they will be in effect immediately following the domestication, except for changes permitted by section 3104 of this act or by comparable provisions of the laws of the other jurisdiction; or

(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(6) Terms of a plan of domestication may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

(7) If any debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred or executed by a domestic nonprofit corporation before January 1, 2022, contains a provision applying to a merger of the corporation and the document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication of the corporation until the provision is amended after that date.

NEW SECTION. Sec. 3308. ACTION ON A PLAN OF DOMESTICATION. In the case of a domestication of a domestic nonprofit corporation in a foreign jurisdiction:

(1) The plan of domestication must be adopted by the board.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed domestication to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of domestication, the board shall submit the plan to the members for their approval, if there are members entitled to vote on the plan. The board shall also transmit to the members a recommendation that the members approve the plan, unless the board determines that, because of conflicts of interest or other special circumstances, it should not make such a recommendation, in which case the board shall transmit to the members the basis for that determination.

(4) The board may condition its submission of the plan of domestication to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of domestication is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the articles and bylaws as they will be in effect immediately after the domestication. If a summary is provided in lieu of a copy of the articles and bylaws as they will be in effect immediately after the domestication, then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of domestication is to be submitted for approval.

(6) Unless the articles or bylaws, or the board acting pursuant to subsection (4) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of domestication by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) A separate voting by voting groups is required by each class of members that:

(a) Is to be reclassified under the plan of domestication into a different class of members, or into obligations, rights to acquire memberships, cash, other property, or any combination of the foregoing;

(b) Would be entitled to vote as a separate group on a provision of the plan that, if contained in a proposed amendment to articles of incorporation, would require action by separate voting groups under section 3105 of this act; or

(c) Is entitled under the articles or bylaws to vote as a voting group to approve an amendment of the articles.

(8) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and that document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication of the corporation until the provision is later amended.

NEW SECTION. Sec. 3309. ARTICLES OF DOMESTICATION. (1) Articles of domestication must be executed on behalf of the domesticating corporation by an officer or other authorized representative. The articles shall set forth:

(a) The name and jurisdiction of incorporation of the domesticating corporation;

(c) If the domesticating corporation is a domestic nonprofit corporation, a statement that the plan of domestication was approved in accordance with sections 3301 through 3326 of this act or, if the domesticating corporation is a foreign nonprofit corporation, a statement that the domestication was approved in accordance with the law of its jurisdiction of incorporation.

(2) The articles of domestication must be delivered to the secretary of state for filing, and take effect at the effective time provided in RCW 23.95.210.

(3) If the domesticating corporation is a foreign corporation, then the domesticating corporation must, simultaneously with the delivery of the articles of domestication, deliver articles of incorporation that comply with this title to the secretary of state for filing and the secretary of state shall file the articles. Provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the corporation must be included and the name of the corporation must satisfy the requirements of section 1302 of this act.

(4) If the domesticating corporation is a registered foreign corporation, then its registration is terminated automatically on the effective date of its domestication, and the secretary of state shall record the termination of the registration.

NEW SECTION. Sec. 3310. EFFECT OF DOMESTICATION. (1) Except as provided in section 3304 of this act, when a domestication becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the domesticating corporation remains in the domesticated corporation without reversion or impairment;

(b) The liabilities of the domesticating corporation remain the liabilities of the domesticated corporation;

(c) An action or proceeding pending against the domesticating corporation continues against the domesticated corporation as if the domestication had not occurred;

(d) The articles of incorporation filed pursuant to section 3309(3) of this act constitute the articles of a foreign corporation domesticating in Washington state;

(e) The memberships in the domesticating corporation are reclassified into memberships, obligations, rights to acquire memberships, or cash or other property in accordance with the terms of the domestication, and the members are entitled only to the rights provided by those terms;
NEW SECTION. Sec. 3311. ABANDONMENT OF DOMESTICATION. (1) Unless otherwise provided in a plan of domestication of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the domestication has become effective, it may be abandoned by the members if there are members entitled to vote on the plan of domestication, or by the board without action by members.

(2) If a domestication is abandoned under subsection (1) of this section after articles of domestication have been filed by the secretary of state but before the domestication has become effective, then a statement that the domestication has been abandoned in accordance with this section, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the domestication. The statement takes effect upon filing and the domestication is abandoned and does not become effective.

(3) If the domestication of a foreign nonprofit corporation in Washington state is abandoned in accordance with the laws of the foreign jurisdiction after articles of domestication have been filed by the secretary of state, then a statement that the domestication has been abandoned, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the domestication. The statement takes effect upon filing and the domestication is abandoned and does not become effective.

NEW SECTION. Sec. 3312. FOR-PROFIT CONVERSION OF NONCHARITABLE CORPORATIONS. (1) A domestic nonprofit corporation, other than a charitable corporation, may become a domestic for-profit corporation pursuant to a plan of for-profit conversion if the for-profit conversion is permitted under Title 23B RCW.

(2) A domestic nonprofit corporation, other than a charitable corporation, may become a foreign for-profit corporation if the foreign for-profit conversion is permitted by the laws of the foreign jurisdiction. Regardless of whether the laws of the foreign jurisdiction require the adoption of a plan of for-profit conversion, the foreign for-profit conversion must be approved by the adoption by the domestic nonprofit corporation of a plan of for-profit conversion in the manner provided in sections 3301 through 3326 of this act.

(3) The plan of for-profit conversion shall include:
(a) The terms and conditions of the conversion;
(b) The manner and basis of:
(i) Issuing at least one share in the corporation following its conversion; and
(ii) Otherwise reclassifying the memberships in the corporation, if any, following its conversion into shares and other securities, obligations, rights to acquire shares or other securities, cash, other property, or any combination of the foregoing;
(c) If the corporation is holding assets for charitable purposes, a plan setting forth how the corporation will comply with section 3304 (1) through (3) of this act;
(d) Any desired changes to the articles or bylaws of the corporation following its conversion; and
(e) If the domestic nonprofit corporation is to be converted to a foreign for-profit corporation, a statement of the jurisdiction in which the corporation will be incorporated after the conversion.

(4) The plan of for-profit conversion may also include a provision that the plan may be amended before filing articles of for-profit conversion, except that after approval of the plan by the members the plan may not be amended without the approval of the members to change:
(a) The amount or kind of shares and other securities, obligations, rights to acquire shares or other securities, cash, or other property to be received by the members under the plan;
(b) The articles of incorporation as they will be in effect immediately following the conversion, except for changes permitted by section 3104 of this act; or
(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(5) Terms of a plan of for-profit conversion may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

(6) If any debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred, or executed by a domestic nonprofit corporation before January 1, 2022, contains a provision applying to a merger of the corporation and the document does not refer to a for-profit conversion of the corporation, then the provision is deemed to apply to a for-profit conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3313. ACTION ON A PLAN OF FOR-PROFIT CONVERSION. In the case of a conversion of a domestic nonprofit corporation to a domestic or foreign for-profit corporation:

(1) The plan of for-profit conversion must be adopted by the board.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed for-profit conversion to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of for-profit conversion, the board shall submit the plan to the members for their approval if there are members entitled to vote on the plan. The board shall also
deliver to the members a recommendation that the members approve the plan, unless the board determines that because of conflicts of interest or other special circumstances, it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(4) The board may condition its submission of the plan of for-profit conversion to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member of the meeting of members at which the plan of for-profit conversion is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the articles as they will be in effect immediately after the for-profit conversion. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice.

(6) Unless the articles or bylaws, or the board acting pursuant to subsection (4) of this section, require a greater vote or a greater number of votes to be present, the approval of the plan of for-profit conversion by the members entitled to vote thereon requires approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of for-profit conversion, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and the document does not refer to a for-profit conversion of the corporation, then the provision is deemed to apply to a for-profit conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3314. ARTICLES OF FOR PROFIT CONVERSION. (1) Articles of for-profit conversion must be executed on behalf of the converting corporation by an officer of the corporation. The articles shall set forth:

(2) If the surviving corporation is a domestic for-profit corporation, then the articles of for-profit conversion shall either contain all of the provisions that RCW 23B.02.020 requires to be set forth in articles of incorporation of a domestic for-profit corporation and any other desired provisions permitted under Title 23B RCW, or have attached articles of incorporation that satisfy the requirements of RCW 23B.02.020. In either case, provisions that would not be required to be included in restated articles of incorporation of a domestic for-profit corporation may be omitted, except that the name and address of the initial registered agent of the for-profit corporation must be included.

(3) The articles of for-profit conversion and articles of incorporation, if a separate document, must be delivered to the secretary of state for filing, and take effect at the effective time provided in RCW 23.95.210.

NEW SECTION. Sec. 3315. EFFECT OF FOR PROFIT CONVERSION. (1) Except as provided in section 3304 of this act, when a conversion of a domestic nonprofit corporation to a domestic or foreign for-profit corporation becomes effective:

(f) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the corporation before or after the for-profit conversion, continues to inure to the corporation, subject to the express terms of the will or other instrument; and

(g) The corporation is deemed to:

(i) Be a domestic or foreign for-profit corporation for all purposes; and

(ii) Be the same corporation without interruption as the nonprofit corporation.

(2) The interest holder liability of a member in a domestic nonprofit corporation that converts to a domestic for-profit corporation is as follows:

(a) The conversion does not discharge any interest holder liability of the member as a member of the nonprofit corporation to the extent the interest holder liability arose before the effective time of the articles of for-profit conversion.

(b) The member does not have interest holder liability for any debt, obligation, or liability of the for-profit corporation that arises after the effective time of the articles of for-profit conversion.

(c) The laws of this state continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, and if the conversion had not occurred.

(d) The member has whatever rights of contribution from other members are provided by the laws of this state with respect to any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(3) A member who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the for-profit corporation has interest holder liability only for those debts, obligations, or liabilities of the for-profit corporation that arise after the effective time of the articles of for-profit conversion.

NEW SECTION. Sec. 3316. ABANDONMENT OF FOR-
DOMESTICATION AND CONVERSION.  (1) Unless otherwise provided in a plan of for-profit conversion of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the for-profit conversion becomes effective, it may be abandoned by the members if there are members entitled to vote on the for-profit conversion, or by the board without action by members.

(2) If a for-profit conversion is abandoned under subsection (1) of this section after articles of for-profit conversion have been filed by the secretary of state but before the for-profit conversion has become effective, then a statement that the for-profit conversion has been abandoned in accordance with this section, executed by an officer of the corporation, must be delivered to the secretary of state for filing before the effective date of the for-profit conversion. The statement takes effect upon filing and the for-profit conversion is abandoned and does not become effective.

NEW SECTION.  Sec. 3317. FOR-PROFIT DOMESTICATION AND CONVERSION. A foreign for-profit corporation may become a domestic nonprofit corporation if the domestication and conversion is permitted by the law of the foreign jurisdiction.

NEW SECTION.  Sec. 3318. ARTICLES OF DOMESTICATION AND CONVERSION. (1) Articles of domestication and conversion must be executed on behalf of the domesticating and converting corporation by an officer or other authorized representative. The articles shall set forth:

(a) The name of the corporation immediately before the filing of the articles of domestication and conversion and, if that name is unavailable for use in Washington state or the corporation desires to change its name in connection with the domestication and conversion, a name that satisfies the requirements of section 1302 of this act;

(b) The jurisdiction of incorporation of the corporation immediately before the filing of the articles of domestication and conversion and the date the corporation was incorporated in that jurisdiction; and

(c) A statement that the domestication and conversion of the corporation in this state was authorized as required by the laws of the jurisdiction in which the corporation was incorporated immediately before its domestication and conversion in Washington state.

(2) The articles of domestication and conversion shall either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this chapter. In either case, provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the domestic nonprofit corporation must be included.

(3) If the domesticating corporation is a foreign corporation, then the domesticating corporation must, simultaneously with the delivery of the articles of domestication and conversion, deliver articles of incorporation that comply with this chapter to the secretary of state for filing and the secretary of state shall file the articles. Provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the corporation must be included and the name of the corporation must satisfy the requirements of section 1302 of this act.

(4) If the foreign for-profit corporation is authorized to transact business in Washington state under chapter 23B.01 RCW, then its registration shall be terminated automatically on the effective date of its domestication and conversion and the secretary of state shall record the termination of registration.

NEW SECTION.  Sec. 3319. EFFECT OF FOR-PROFIT DOMESTICATION AND CONVERSION. (1) When a domestication and conversion of a foreign for-profit corporation to a domestic nonprofit corporation becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the corporation remains in the corporation without reversion or impairment;

(b) The liabilities of the corporation remain the liabilities of the corporation;

(c) An action or proceeding pending against the corporation continues against the corporation as if the domestication and conversion had not occurred;

(d) The articles of domestication and conversion, or the articles attached to the articles of domestication and conversion, constitute the articles of incorporation of the corporation;

(e) Memberships, securities, obligations, rights to acquire memberships or securities of the corporation, or cash or other property must be issued or paid as provided pursuant to the laws of the foreign jurisdiction;

(f) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the foreign for-profit corporation before or after the domestication and conversion, inures to the domestic nonprofit corporation, subject to the express terms of the will or other instrument and to applicable law of the foreign jurisdiction; and

(g) The corporation is deemed to be:

(i) A domestic corporation for all purposes; and

(ii) The same corporation without interruption as the foreign for-profit corporation.

(2) The interest holder liability of a shareholder of the foreign for-profit corporation who becomes a member of the domestic nonprofit corporation in the domestication and conversion is as follows:

(a) The domestication and conversion does not discharge any interest holder liability under the laws of the foreign jurisdiction to the extent the interest holder liability arose before the effective time of the articles of domestication and conversion.

(b) The member does not have interest holder liability under the laws of the foreign jurisdiction for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of domestication and conversion.

(c) The provisions of the laws of the foreign jurisdiction continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the domestication and conversion had not occurred.

(d) The member has whatever rights of contribution from other members are provided by the laws of the foreign jurisdiction with respect to any interest holder liability preserved by (a) of this subsection, as if the domestication and conversion had not occurred.

(3) A shareholder of a foreign for-profit corporation who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the corporation as a result of its domestication and conversion in this state has interest holder liability only for those debts, obligations, or liabilities of the corporation that arise after the effective time of the articles of domestication and conversion.

NEW SECTION.  Sec. 3320. ABANDONMENT OF FOR-PROFIT DOMESTICATION AND CONVERSION. If the domestication and conversion of a foreign for-profit corporation to a domestic nonprofit corporation is abandoned in accordance with the laws of the foreign jurisdiction after articles of domestication and conversion have been filed by the secretary of state...
state, then a statement that the domestication and conversion has been abandoned, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing. The statement takes effect upon filing and the domestication and conversion is abandoned and does not become effective.

NEW SECTION. Sec. 3321. ENTITY CONVERSION FOR NONCHARITABLE CORPORATIONS. (1) A domestic nonprofit corporation, other than a charitable corporation, may become a domestic unincorporated entity pursuant to a plan of entity conversion only if the entity conversion is permitted under the organic law governing the entity that would survive the entity conversion.

(2) A domestic nonprofit corporation, other than a charitable corporation, may become a foreign unincorporated entity if the entity conversion is permitted by the laws of the foreign jurisdiction.

(3) A domestic unincorporated entity may be converted into a domestic nonprofit corporation only if applicable Washington state law provides procedures for the approval of an entity conversion into a domestic nonprofit corporation.

(4) A foreign unincorporated entity may become a domestic nonprofit corporation if the law of the foreign jurisdiction authorizes it to become a nonprofit corporation in another jurisdiction.

(5) If any provision of a debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred, or executed by a domestic nonprofit corporation before January 1, 2022, applies to a merger of the corporation and the document does not refer to an entity conversion of the corporation, then the provision is deemed to apply to an entity conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3322. PLAN OF ENTITY CONVERSION. (1) A plan of entity conversion shall include:

(a) A statement of the type of unincorporated entity the surviving entity will be and, if it will be a foreign unincorporated entity, its jurisdiction of organization;

(b) The terms and conditions of the conversion;

(c) The manner and basis of converting the memberships in the domestic nonprofit corporation following its conversion into interests or other securities, obligations, rights to acquire interests or other securities, cash, other property, or any combination of the foregoing;

(d) If the corporation is holding assets for charitable purposes, a plan setting forth how the corporation will comply with section 3304 (1) through (3) of this act; and

(e) The full text, as they will be in effect immediately following the conversion, of the organic documents of the surviving entity.

(2) The plan of entity conversion may also include a provision that the plan may be amended before filing articles of entity conversion, except that after approval of the plan by the members the plan may not be amended to change:

(a) The amount or kind of memberships or other securities, interests, obligations, rights to acquire memberships, securities, or interests, cash, or other property to be received under the plan by the members;

(b) The organic documents that will be in effect immediately following the conversion, except for changes permitted by a provision of the organic law of the surviving entity comparable to section 3104(2) of this act; or

(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(3) Terms of a plan of entity conversion may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3323. ACTION ON A PLAN OF ENTITY CONVERSION. In the case of an entity conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity:

(1) The plan of entity conversion must be adopted by a vote of the majority of the directors in office.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed entity conversion to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of entity conversion, the board shall submit the plan to the members for their approval if there are members entitled to vote on the plan. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board determines that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(4) The board may condition its submission of the plan of entity conversion to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of entity conversion is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the organic documents as they will be in effect immediately after the entity conversion. The notice may additionally be accompanied by a summary of the required materials. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice. Such copy of the plan may be made available to members electronically.

(6) Unless the articles, or the board acting pursuant to subsection (3) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of entity conversion by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of entity conversion, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and the document does not refer to an entity conversion of the corporation, then the provision is deemed to apply to an entity conversion of the corporation until the provision is later amended.

(8) If, as a result of the conversion, one or more members of the corporation would become subject to interest holder liability for the debts, obligations, or liabilities of any other person or entity, then approval of the plan of conversion requires the execution, by each affected member, of a separate written consent to become subject to interest holder liability.

NEW SECTION. Sec. 3324. ARTICLES OF ENTITY CONVERSION. (1) After the conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity has been adopted and approved as required under sections 3301 through 3326 of this act, articles of entity conversion must
be executed on behalf of the converting corporation by an officer of the corporation. The articles must:

(a) Set forth the name of the corporation immediately before the filing of the articles of entity conversion and the name to which the name of the corporation is to be changed, which must be a name that satisfies the organic law of the surviving entity if the surviving entity is a domestic entity;

(b) State whether the corporation is holding assets for charitable purposes;

(c) If the corporation is holding assets for charitable purposes, state that the attorney general has approved, or is deemed to have approved, the entity conversion pursuant to section 3304(4) of this act;

(d) State the type of unincorporated entity that the surviving entity will be and its jurisdiction of organization;

(e) State that the plan of entity conversion was approved in the manner required by this chapter; and

(f) If the surviving entity is a domestic filing entity, either contain all of the provisions required to be set forth in its public organic record and any other desired provisions that are permitted, or have attached a public organic record.

(2) After the conversion of a domestic unincorporated entity to a domestic nonprofit corporation has been adopted and approved as required by the organic law of the unincorporated entity, articles of entity conversion must be executed on behalf of the unincorporated entity by an officer or other authorized representative. The articles must:

(a) Set forth the name of the unincorporated entity immediately before the filing of the articles of entity conversion and the name to which the name of the unincorporated entity is to be changed, which must be a name that satisfies the requirements of section 1302 of this act;

(b) Set forth a statement that the plan of entity conversion was approved in accordance with the organic law of the unincorporated entity; and

(c) Either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this act.

(3) After the conversion of a foreign unincorporated entity to a domestic nonprofit corporation has been authorized as required by the laws of the foreign jurisdiction, articles of entity conversion must be executed on behalf of the foreign unincorporated entity by an officer or other authorized representative. The articles must:

(a) Set forth the name of the unincorporated entity immediately before the filing of the articles of entity conversion and the name to which the name of the unincorporated entity is to be changed, which must be a name that satisfies the requirements of section 1302 of this act;

(b) Set forth the jurisdiction under the laws of which the unincorporated entity was organized immediately before the filing of the articles of entity conversion and the date on which the unincorporated entity was organized in that jurisdiction;

(c) Set forth a statement that the conversion of the unincorporated entity was approved in the manner required by the law of the foreign jurisdiction; and

(d) Either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this act; except that, in either case, provisions that would not be required to be included in restated articles of incorporation of a domestic nonprofit corporation may be omitted.

(4) The articles of entity conversion and articles of incorporation must be simultaneously delivered to the secretary of state for filing. The articles of entity conversion and articles of incorporation take effect at the effective time provided in RCW 23.95.210. Articles of entity conversion filed under subsection (1) or (2) of this section may be combined with any required conversion filing under the organic law of the domestic unincorporated entity if the combined filing satisfies the requirements of both this section and the other organic law.

(5) If the converting entity is a foreign unincorporated entity that is registered to do business in this state under chapter 23.95 RCW, then its registration statement is canceled automatically on the effective date of its conversion.

NEW SECTION. Sec. 3325. EFFECT OF ENTITY CONVERSION. (1) Except as provided in section 3304 of this act, when a conversion under sections 3301 through 3326 of this act becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the converting entity remains in the surviving entity without reversion or impairment;

(b) The liabilities of the converting entity remain the liabilities of the surviving entity;

(c) An action or proceeding pending against the converting entity continues against the surviving entity as if the conversion had not occurred;

(d) In the case of a surviving entity that is a filing entity, its articles or public organic record and its private organic rules become effective;

(e) In the case of a surviving entity that is a nonfiling entity, its private organic rules become effective;

(f) The memberships or interests of the converting entity are reclassified into memberships, interests, other securities, obligations, rights to acquire memberships, interests, or securities, or into cash or other property in accordance with the plan of conversion; and the members or interest holders of the converting entity are entitled only to the rights provided to them under the terms of the conversion and to any appraisal rights they may have under the organic law of the converting entity;

(g) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the converting entity before or after the conversion, inures to the surviving entity, subject to the express terms of the will or other instrument; and

(h) The surviving entity is deemed to be:

(i) Incorporated or organized under and subject to the organic law of the converting entity for all purposes; and

(ii) The same nonprofit corporation or unincorporated entity without interruption as the converting entity.

(2) A member who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the surviving entity has interest holder liability only for those debts, obligations, or liabilities of the surviving entity that arise after the effective time of the articles of entity conversion.

(3) The interest holder liability of an interest holder in an unincorporated entity that converts to a domestic nonprofit corporation is as follows:

(a) The conversion does not discharge any interest holder liability under the organic law of the unincorporated entity to the extent the interest holder liability arose before the effective time of the articles of entity conversion.

(b) The interest holder does not have interest holder liability under the organic law of the unincorporated entity for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of entity conversion.
(c) The provisions of the organic law of the unincorporated entity continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(d) The interest holder has whatever rights of contribution from other interest holders are provided by the organic law of the unincorporated entity with respect to any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

NEW SECTION. Sec. 3326. ABANDONMENT OF ENTITY CONVERSION. (1) Unless otherwise provided in a plan of entity conversion of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the entity conversion has become effective, it may be abandoned by the members if there are members entitled to vote, or by the board without action by the members.

(2) If an entity conversion is abandoned after articles of entity conversion have been filed by the secretary of state but before the entity conversion has become effective, then a statement that the entity conversion has been abandoned in accordance with this section, executed by an officer of the corporation, must be delivered to the secretary of state for filing before the effective date of the entity conversion. Upon filing, the statement takes effect and the entity conversion is abandoned and does not become effective.

ARTICLE 4 DISPOSITION OF ASSETS

NEW SECTION. Sec. 3401. DISPOSITIONS NOT REQUIRING MEMBER APPROVAL. Unless the articles or bylaws otherwise provide, approval of the members of a nonprofit corporation is not required:

1. To sell, lease, exchange, or otherwise dispose of any or all of the corporation’s assets:
   - In the usual and regular course of its activities; or
   - If the assets disposed of represent less than fifty percent of the total assets of the corporation and its consolidated subsidiaries, determined as of the end of the most recently completed fiscal year;
   - To mortgage, pledge, dedicate to the repayment of indebtedness whether with or without recourse, or otherwise encumber any or all of the corporation’s assets, whether or not in the usual and regular course of business its activities; or
   - To transfer any or all of the corporation’s assets to one or more corporations or other entities all of the memberships or interests of which are owned by the corporation.

NEW SECTION. Sec. 3402. DISPOSITIONS REQUIRING MEMBER APPROVAL. (1) A sale, lease, exchange, or other disposition of assets, other than a disposition described in section 3401 of this act, requires approval of the corporation’s members that are entitled to vote on the disposition, unless the articles or bylaws otherwise provide.

(2) A disposition that requires approval of the members must be initiated by a resolution by the board authorizing the disposition. After adoption of the resolution, the board shall submit the proposed disposition to the members for their approval. The board shall also deliver to the members a recommendation that the members approve the proposed disposition, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make a recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of a disposition to the members under subsection (2) of this section on any basis.

(4) If a disposition is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote, of the meeting of members at which the disposition is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the disposition and must contain a description of the disposition, including the terms and conditions thereof and the consideration to be received by the corporation.

(5) Unless the articles, bylaws, or the board acting pursuant to subsection (3) of this section requires a greater vote, or a greater number of votes to be present, the approval of a disposition by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the disposition, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(6) If a membership corporation has no members entitled to vote on a disposition, then the corporation shall deliver notice of a proposed disposition to all members of the corporation at least ten days before the meeting at which the board is to act upon the disposition.

(7) After a disposition has been approved by the members under subsection (5) of this section, and at any time before the disposition has been consummated, it may be abandoned by the nonprofit corporation without action by the members, subject to any contractual rights of other parties to the disposition.

(8) In addition to the approval of a disposition of assets by the board and members as required by this section, the disposition must also be approved in the form of a record by any person or group of persons whose approval is required under section 3114 of this act to amend the articles or bylaws.

(9) The assets of a direct or indirect consolidated subsidiary are deemed the assets of the parent nonprofit corporation for the purposes of this section.

(10) A disposition of assets in the course of a dissolution governed by sections 3501 through 3512 of this act is not governed by sections 3401 through 3405 of this act.

NEW SECTION. Sec. 3403. EFFECT OF DISPOSITIONS. Unless a domestic entity that is a party to a disposition of assets obtains an appropriate order of the court or approval from the attorney general under the law of this state, a disposition of assets under sections 3401 through 3405 of this act may not affect:

1. Any restriction imposed upon the entity by its organic documents or other governing authority that may not be amended by its directors, members, or interest holders; or

2. The existing rights of persons other than members, shareholders, or interest holders of the entity.

NEW SECTION. Sec. 3404. PROPERTY HELD FOR CHARITABLE PURPOSES. (1) In a disposition of assets under sections 3401 through 3405 of this act, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) Property held by a nonprofit corporation and restricted to charitable purposes by a gift instrument may not be diverted from the restricted charitable purpose by a disposition of assets under sections 3401 through 3405 of this act unless modified in accordance with section 1503 of this act.

(3) Property held for charitable purposes pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary may not be diverted from the charitable purposes specified in the trust instrument unless those purposes are modified by the court or pursuant to an agreement between all interested parties, including the attorney general, under chapter 11.96A RCW.

(4) Property held by a nonprofit corporation for charitable
purposes upon condition requiring return, transfer, or conveyance, which condition occurs by reason of a disposition of assets under sections 3401 through 3405 of this act, must be returned, transferred, or conveyed in accordance with that condition.

(5) A charitable corporation or a corporation holding property for charitable purposes shall deliver to the attorney general of its intent to consummate a disposition, other than a disposition described in section 3401 of this act. The notice must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed disposition is to be approved. Such a disposition may not be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the disposition, approval of the disposition is deemed to have been given.

(6) The notice described in subsection (5) of this section shall include:

(a) A statement specifying how the disposition will comply with subsections (1) through (4) of this section; and
(b) A brief description of:
(i) Real property held for charitable purposes that will be included in the disposition, and its nature and location;
(ii) Cash, bank deposits, brokerage accounts, or other financial assets held for charitable purposes that will be included in the disposition in full or in part, and their approximate total fair market value;
(iii) Other personal property held for charitable purposes that will be included in the disposition, and its nature and approximate total fair market value; and
(iv) Any gift restrictions applicable to any property described in (b)(i) through (iii) of this subsection, and the nature of those restrictions.

NEW SECTION. Sec. 3405. PROHIBITION OF FINANCIAL BENEFIT. A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with a disposition of assets governed by sections 3401 through 3405 of this act unless the person is a charitable corporation, the federal government, a tribal government, a state or local government, a governmental subdivision, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

ARTICLE 5

VOLUNTARY DISSOLUTION

NEW SECTION. Sec. 3501. AUTHORIZATION OF VOLUNTARY DISSOLUTION. (1) Unless the articles or bylaws require a greater vote, a majority of the directors in office of a nonprofit corporation may authorize the dissolution of any nonprofit corporation that is not a membership corporation or is a membership corporation but has no members entitled to vote on its dissolution.

(2) If a membership corporation has no members entitled to vote on dissolution, then the corporation shall deliver notice of the proposed dissolution to all members of the corporation at least ten days before the meeting at which the board is to authorize the dissolution.

(3) For a membership corporation that has members that are entitled to vote on its dissolution:

(a) The board may propose dissolution for submission to the members entitled to vote, and for such a proposal to dissolve to be authorized:

(i) The board shall recommend dissolution to the members entitled to vote on the dissolution, unless the board determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the members entitled to vote on the dissolution;
(ii) The board may condition its submission of the proposal for dissolution on any basis, including approval of the proposed plan of distribution if required under section 3502 of this act;
(iii) The nonprofit corporation shall give notice to each member, whether or not entitled to vote, of the proposed meeting of members that includes the following statements:
   (A) That the purpose, or one of the purposes, of the meeting is to consider dissolving the corporation; and
   (B) How the assets of the corporation will be distributed after all creditors have been paid or how the distribution of assets will be determined; and
   (iv) The members entitled to vote on the dissolution shall approve the proposal to dissolve as provided in (b) of this subsection.

(b) Unless the articles, the bylaws, or the board acting pursuant to (a)(ii) of this subsection requires a greater vote or a greater number of members to be present, the adoption of the proposal to dissolve by the members entitled to vote thereon requires the approval of at least a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the proposal, the approval by a majority of the members in each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

NEW SECTION. Sec. 3502. DISTRIBUTION OF ASSETS ON DISSOLUTION. The assets of a corporation in the process of dissolution shall be applied and distributed in the following order:

(1) All known liabilities and obligations of the corporation must be paid, satisfied, and discharged, or adequate provision must be made to pay, satisfy, and discharge those liabilities.

(2) All property held for charitable purposes by the corporation, including all assets of a charitable corporation remaining after satisfaction of subsection (1) of this section, must be applied and distributed consistently with the corporation's articles, such that property is not diverted from charitable purposes, and as follows:

(a) Property held for charitable purposes pursuant to a trust instrument in which the nonprofit corporation is a trustee or a beneficiary must be governed by and distributed in accordance with the trust instrument and chapter 11.110 RCW, and any modification of restrictions imposed through the trust instrument accomplished through an appropriate order of the court or the agreement of all interested parties, including the attorney general, pursuant to chapter 11.96A RCW.

(b) Property owned outright and held for charitable purposes, but not held upon a condition requiring return, transfer, or conveyance by reason of the dissolution and not subject to any gift restriction, must be transferred or conveyed:

(i) To one or more entities operated exclusively for one or more charitable purposes;
(ii) To the federal government, a tribal government, or a state or local government for a public purpose; or
(iii) Subject to one or more gift restrictions requiring the property to be used exclusively for the same charitable purposes for which the dissolving corporation holds the property.

(c) Property that is subject to charitable purpose or management or investment restrictions that do not require modification at the time of dissolution and is not held upon a condition requiring return, transfer, or conveyance by reason of
the dissolution must be transferred or conveyed subject to all restrictions applicable to the property, except to the extent restrictions are modified pursuant to section 1503 of this act before distribution, pursuant to a plan of distribution adopted by the board and as provided by sections 3501 through 3512 of this act.

(d) Property subject to charitable purpose or management or investment restrictions that require modification at the time of dissolution and are not held upon a condition requiring return, transfer, or conveyance by reason of dissolution, must be modified pursuant to section 1503 of this act before the gifts can be distributed, pursuant to a plan of distribution adopted by the board and as provided by sections 3501 through 3512 of this act.

(e) Property held for charitable purposes by the nonprofit corporation upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the dissolution, must be returned, transferred, or conveyed in accordance with those requirements.

(3) Property held by a corporation upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the dissolution, must be returned, transferred, or conveyed in accordance with the requirements of the condition.

(4) Other assets of a corporation other than a charitable corporation, if any, must be distributed:

(a) To members or other persons in accordance with the articles or bylaws, to the extent that the articles or bylaws determine the rights of members to distributions upon dissolution, or provide for distribution to other persons or classes of persons; and

(b) To the extent that the articles or bylaws do not govern distribution of assets on dissolution, to any persons the board may select.

NEW SECTION. Sec. 3503. CORPORATIONS HOLDING PROPERTY FOR CHARITABLE PURPOSES. (1) A nonprofit corporation holding property for charitable purposes, including any charitable corporation, may not deliver articles of dissolution to the secretary of state for filing pursuant to section 3504 of this act until it has complied with all of the requirements of this section.

(2) A nonprofit corporation described in subsection (1) of this section shall adopt a plan for the distribution of assets for the purpose of authorizing any transfer or conveyance of property held for charitable purposes, which shall:

(a) Be consistent with sections 3502 and 3506 of this act; and

(b) Include a brief description of the following:

(i) Real property held for charitable purposes, and its nature and location;

(ii) Cash, bank deposits, brokerage accounts, or other financial assets held for charitable purposes, and their approximate total fair market value;

(iii) Other personal property held for charitable purposes, and its nature and approximate total fair market value; and

(iv) Any gift restrictions applicable to any property described in (b)(i) through (iii) of this subsection, and the nature of those restrictions.

(3) A plan of distribution shall be adopted in the following manner:

(a) Where there are no members, or no members having voting rights, a plan of distribution is adopted at a meeting of the board upon receiving a vote of a majority of the directors in office.

(b) Where there are members having voting rights, the board shall adopt a resolution recommending a plan of distribution and directing the submission thereof to a vote at a meeting of members having voting rights. Such vote may take place at the same meeting during which members having voting rights vote upon dissolution of the nonprofit corporation. Notice in the form of a record setting forth the proposed plan of distribution or a summary thereof must be given to each member, whether or not entitled to vote at the meeting, within the time and in the manner provided in this chapter for the giving of notice of meetings of members. Such plan of distribution is adopted upon receiving votes from a majority of the members entitled to vote at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval by a majority of the members in each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present. If the members entitled to vote on the dissolution approve the proposal to dissolve but do not approve the proposed plan of distribution in all material respects, then the board may either accept the plan of distribution, as approved by the members, or propose a new plan of distribution to the members for approval. This process shall continue until a plan of distribution acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(4) A nonprofit corporation described in subsection (1) of this section shall give the attorney general notice that it intends to dissolve. The notice shall include:

(a) A copy of the plan of distribution proposed to be adopted in accordance with subsection (3) of this section; and

(b) The names and phone numbers of individuals available to answer questions regarding the dissolution and proposed plan of distribution.

(5) Notice required under subsection (4) of this section must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed plan is to be adopted. No plan of distribution for a corporation described in subsection (1) of this section may be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the plan, approval of the plan is deemed to have been given.

NEW SECTION. Sec. 3504. ARTICLES OF DISSOLUTION. (1) At any time after dissolution is authorized, the nonprofit corporation may dissolve by filing with the secretary of state articles of dissolution, accompanied by a revenue clearance certificate issued pursuant to RCW 82.32.260. The articles of dissolution shall set forth:

(a) The name of the corporation;

(b) The date of its incorporation;

(c) The effective date of the dissolution, which may be the date on which the articles of dissolution are filed or any date and time up to thirty days thereafter;

(d) Whether it is a membership corporation and, if it is a membership corporation, whether it has members that have a right to vote on its dissolution;

(e) If the corporation is not a membership corporation or has no members that have a right to vote on its dissolution, that the dissolution was authorized by the requisite number of directors;

(f) If the corporation is a membership corporation that has members that have a right to vote on its dissolution, that the requisite number of members has approved the proposal to dissolve;

(g) Whether the corporation is a charitable corporation or is holding property for charitable purposes;

(h) If the corporation is a charitable corporation or is holding property for charitable purposes, that the attorney general has approved, or is deemed to have approved, the corporation's plan of distribution pursuant to section 3503 of this act; and

(i) That the net assets of the corporation remaining after winding up have been, or will be, distributed in accordance with
the corporation's articles and bylaws and the corporation's adopted plan of distribution.

(2) A nonprofit corporation is dissolved upon the effective date of its articles of dissolution.

(3) For purposes of sections 3501 through 3512 of this act, "dissolved corporation" means a nonprofit corporation whose articles of dissolution have become effective and includes a liquidating trust, if any, or other acquirer entity to which the remaining assets of the corporation are transferred subject to its liabilities for purposes of liquidation.

NEW SECTION. Sec. 3505. REVOCATION OF DISSOLUTION. (1) A nonprofit corporation may revoke its dissolution within one hundred twenty days of the effective date of the dissolution.

(2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board alone, in which event the board may revoke the dissolution without action by the members.

(3) Except as provided in subsection (4) of this section, after the revocation of dissolution is authorized, the nonprofit corporation may revoke the dissolution by delivering to the secretary of state for filing articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth:

(a) The name of the corporation;
(b) The effective date of the dissolution that was revoked;
(c) The date that the revocation of dissolution was authorized; and
(d) That the revocation of dissolution was approved in the manner required by this chapter and by the articles and bylaws.

(4) A charitable corporation or a nonprofit corporation holding property restricted to charitable purposes shall not deliver articles of revocation of dissolution to the secretary of state for filing without the approval of the attorney general. Such a corporation shall give the attorney general notice in the form of a record that it intends to revoke its dissolution, to which notice a copy of the articles of revocation of dissolution adopted in accordance with subsection (2) of this section must be attached. In the event that the attorney general does not deliver a notice of objection in the form of a record to all of the corporation's known claimants within thirty days of the notice, dissolution of the corporation is deemed to have been given.

(5) Revocation of dissolution is effective upon the effective date of the articles of revocation of dissolution.

(6) When the revocation of dissolution is effective, it relates back to and takes effect as of the effective date of the dissolution and the nonprofit corporation resumes carrying on its activities as if dissolution had never occurred.

NEW SECTION. Sec. 3506. EFFECT OF DISSOLUTION. (1) A nonprofit corporation, the dissolution of which has been authorized, continues its corporate existence but may not carry on any activities except those appropriate to wind up and liquidate its affairs, including:

(a) Collecting its assets;
(b) Disposing of its properties that will not be distributed in kind;
(c) Discharging or making provision for discharging its liabilities;
(d) Distributing its remaining property as required by the plan of distribution; and
(e) Doing every other act necessary to wind up and liquidate its activities and affairs.

(2) Dissolution of or authorization to dissolve a nonprofit corporation does not:

(a) Transfer title to the corporation's property;
(b) Subject its directors or officers to standards of conduct different from those prescribed in sections 2402 and 2602 of this act;
(c) Change quorum or voting requirements for its board or members; change provisions for selection, resignation, or removal of its directors or officers or both; or change provisions for amending its bylaws;
(d) Prevent commencement of a proceeding by or against the corporation on the effective date of dissolution;
(e) Abate or suspend a proceeding pending by or against the corporation; or
(f) Terminate the authority of the registered agent of the corporation; or
(g) Modify any gift restriction, unless the restriction is modified in accordance with section 1503 of this act.

NEW SECTION. Sec. 3507. PROHIBITION OF FINANCIAL BENEFIT. No person may receive a direct or indirect financial benefit in connection with the dissolution of a charitable corporation unless the person is an entity operated exclusively for one or more charitable purposes, the federal government, a tribal government, a state or local government, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3508. KNOWN CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation shall deliver notice of the dissolution in the form of a record to all of the corporation's known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(2) A dissolved nonprofit corporation may dispose of the known claims against it by delivering a notice in the form of a record that meets the requirements listed in subsection (3) of this section to its known claimants at any time after the date when the corporation delivered articles of dissolution to the secretary of state for filing. Delivery of a notice under this subsection shall satisfy the requirement of subsection (1) of this section if the notice is delivered to all known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(3) A notice to claimants under subsection (2) of this section must:

(a) Describe information that must be included in a claim; 
(b) Provide a mailing address where a claim may be sent;
(c) State the deadline, which may not be fewer than one hundred twenty days from the effective date of the notice, by which the dissolved nonprofit corporation must receive the claim; and
(d) State that the claim will be barred if not received by the deadline.

(4) A claim against the dissolved nonprofit corporation is barred:

(a) If a claimant who was given notice under subsection (2) of this section does not deliver the claim to the dissolved corporation by the deadline; or
(b) If a claimant whose claim was rejected by the dissolved corporation does not commence a proceeding to enforce the claim within ninety days from the effective date of the rejection notice.

(5) For purposes of this section, "claim" does not include a contingent liability or a claim based on an event occurring after the effective date of the rejection notice.

NEW SECTION. Sec. 3509. OTHER CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation may publish notice of its dissolution and request that
persons with claims against the dissolved corporation present them in accordance with the notice.

(2) The notice must:
   (a) Be published three times during three successive weeks in a newspaper of general circulation in the county where the principal office of the dissolved nonprofit corporation or, if none in this state, its registered office is or was last located;
   (b) Describe the information that must be included in a claim and provide a mailing address where the claim shall be sent; and
   (c) State that a claim against the dissolved corporation will be barred unless a proceeding to enforce the claim is commenced within three years after the last publication of the notice.

(3) If the dissolved nonprofit corporation publishes a newspaper notice in accordance with subsection (2) of this section, then the claim of each of the following claimants is barred unless the claimant commences a proceeding to enforce the claim against the dissolved corporation within three years after the last publication date of the newspaper notice:
   (a) A claimant who was not given notice under section 3508 of this act;
   (b) A claimant whose claim was timely sent to the dissolved corporation but not acted on; or
   (c) A claimant whose claim is contingent or based on an event occurring after the effective date of dissolution.

**NEW SECTION. Sec. 3510. ENFORCEMENT OF CLAIMS.** A claim that is not barred by section 3508(4) or 3509(3) of this act may be enforced:

(1) Against the dissolved nonprofit corporation, to the extent of its undistributed assets; or

(2) Except as provided in section 3511(4) of this act, if the assets have been distributed in liquidation, against any person, other than a creditor of the dissolved corporation, to whom the corporation distributed its property, subject to the following restrictions:
   (a) Recovery is limited to the amount of the distributee's pro rata share of the claim or the corporate assets distributed to the distributee in liquidation, whichever is less;
   (b) A distributee's total liability for all claims under this section may not exceed the total amount of assets distributed to the distributee; and
   (c) A distributee is only liable to the extent permitted by existing common law or statutory remedies, and nothing in this section creates a separate cause of action against a distributee.

**NEW SECTION. Sec. 3511. COURT PROCEEDINGS.**

(1) A dissolved nonprofit corporation that has published a notice under section 3508 of this act may file an application with the court for a determination of the amount and form of security to be provided for payment of claims that are contingent or have not been made known to the dissolved corporation or that are based on an event occurring after the effective date of dissolution but that, based on the facts known to the dissolved corporation, are reasonably estimated to be presented after the effective date of dissolution. Provision need not be made for any claim that is or is reasonably anticipated to be barred under section 3508(3) of this act.

(2) Within ten days after the filing of the application, the dissolved corporation shall give notice of the proceeding to each claimant holding a contingent claim whose contingent claim is shown on the records of the dissolved corporation.

(3) The court may appoint a special representative to represent the interests of all claimants whose identities are unknown in any proceeding brought under this section. The dissolved corporation shall pay reasonable fees and expenses of the special representative, including all reasonable expert witness fees.

(4) Provision by the dissolved nonprofit corporation for security in the amount and the form ordered by the court under this section satisfies the dissolved corporation's obligations with respect to claims that are contingent, have not been made known to the dissolved corporation, or are based on an event occurring after the effective date of dissolution. Such claims may not be enforced against a person who received assets in liquidation.

**NEW SECTION. Sec. 3512. DIRECTORS' DUTIES.**

(1) Directors shall cause the dissolved corporation to discharge or make reasonable provision for the payment of claims and make distributions of assets in accordance with the plan of distribution after payment or provision for claims.

(2) Directors of a dissolved corporation that has disposed of claims under section 3508, 3509, or 3511 of this act are not liable for breach of subsection (1) of this section with respect to claims against the dissolved corporation that are barred or satisfied under section 3508, 3509, or 3511 of this act.

(3) Failure to dispose of claims under section 3508, 3509, or 3511 of this act is not, in and of itself, a violation of this section.

**ARTICLE 6  ADMINISTRATIVE AND JUDICIAL DISSOLUTION**

**NEW SECTION. Sec. 3601. ADMINISTRATIVE DISSOLUTION.** The secretary of state may commence a proceeding under RCW 23.95.610 to administratively dissolve a nonprofit corporation for any reason set forth in RCW 23.95.605.

**NEW SECTION. Sec. 3602. PROCEDURE AND EFFECT OF ADMINISTRATIVE DISSOLUTION.**

(1) Administrative dissolution does not terminate, bar, or otherwise modify any claim against the administratively dissolved corporation.

(2) A person is not liable in contract, tort, or otherwise solely by reason of being a director, officer, or member of a nonprofit corporation that was dissolved under sections 3601 through 3608 of this act, with respect to the activities or affairs of the corporation that have been continued, without knowledge of the dissolution.

**NEW SECTION. Sec. 3603. PROPERTY HELD FOR CHARITABLE PURPOSES.**

(1) If a charitable corporation, or a corporation holding property for charitable purposes, has been administratively dissolved and has not been reinstated, then neither the corporation nor any other person may transfer or distribute to any other person any property held for charitable purposes by the corporation unless the corporation has:
   (a) Adopted a plan of distribution satisfying the requirements of section 3503(2) of this act and following the procedure set out in section 3503(3) of this act; and
   (b) Obtained the approval or deemed approval of the attorney general of the plan of distribution, following the procedure set out in section 3503(4) and (5) of this act.

(2) A corporation that has been administratively dissolved is not required to apply for reinstatement if its only activities will consist of adopting a plan of distribution, obtaining the approval or deemed approval of the attorney general of the plan of distribution, and distributing assets in accordance with the plan of distribution.

**NEW SECTION. Sec. 3604. REINSTATEMENT OF ADMINISTRATIVELY DISSOLVED CORPORATION.** A nonprofit corporation administratively dissolved under RCW 23.95.610 may apply to the secretary of state for reinstatement by following the procedure and meeting the requirements set forth in RCW 23.95.615. A nonprofit corporation denied reinstatement may obtain judicial review of the denial within the time specified in RCW 23.95.620.

**NEW SECTION. Sec. 3605. JUDICIAL DISSOLUTION.** The court may dissolve a nonprofit corporation:

(1) In a proceeding by the attorney general, if it is established that:
   (a) The corporation obtained its articles through fraud; or
(b) The corporation has exceeded or abused, and is continuing to exceed or abuse, the authority conferred upon it by law; or
(c) The directors are deadlocked in the management of the corporate affairs; the members, if any, are unable to break the deadlock; and irreparable injury to the corporation or its purposes is threatened or being suffered because of the deadlock; or
(d) The corporation is misapplying or wasting property held for charitable purposes;
(2) Except as provided in the articles or bylaws, in a proceeding by fifty members or members holding at least five percent of the voting power, whichever is less, or by a director, if it is established that:
(a) The directors are deadlocked in the management of the corporate affairs; the members, if any, are unable to break the deadlock; and irreparable injury to the corporation or its mission is threatened or being suffered because of the deadlock;
(b) The directors or those in control of the corporation have acted, are acting, or have expressed intent to act in a manner that is illegal, oppressive, or fraudulent;
(c) The members are deadlocked in voting power and have failed, for a period that includes at least two consecutive annual meeting dates, to elect successors to directors whose terms have, or otherwise would have, expired;
(d) The corporate assets are being misapplied or wasted; or
(e) The corporation has insufficient assets to continue its activities and it is no longer able to assemble a quorum of directors or members;
(3) In a proceeding by a creditor, if it is established that:
(a) The creditor’s claim has been reduced to judgment, the execution on the judgment returned unsatisfied, and the corporation is insolvent; or
(b) The corporation has admitted in a record that the creditor’s claim is due and owing and the corporation is insolvent; or
(4) In a proceeding by the corporation to have its voluntary dissolution continued under court supervision.

NEW SECTION. Sec. 3606. PROCEDURE FOR JUDICIAL DISSOLUTION. (1) It is not necessary to make directors or members parties to a proceeding to dissolve a nonprofit corporation unless relief is sought against them individually.
(2) A person commencing a proceeding to dissolve a nonprofit corporation shall notify the attorney general of the proceeding in the form of a record if:
(a) The corporation is recognized by the internal revenue service as an organization described in section 501(c)(3) of the Internal Revenue Code; or
(b) The person bringing the proceeding knows that the nonprofit corporation is a charitable corporation or has property held for charitable purposes.
(3) The court in a proceeding brought to dissolve a nonprofit corporation may issue injunctions, take other action required to preserve the corporate assets wherever located, and carry on the activities of the corporation until a full hearing can be held.

NEW SECTION. Sec. 3607. RECEIVERSHIP. The court in a judicial proceeding brought to dissolve a nonprofit corporation may appoint one or more receivers to wind up and liquidate, or to manage, the affairs of the corporation, pursuant to chapter 7.60 RCW.

NEW SECTION. Sec. 3608. DECREES OF DISSOLUTION. (1) If, after a hearing, the court determines that one or more grounds for judicial dissolution described in section 3605 of this act exist, then it may enter a decree dissolving the nonprofit corporation and specifying the effective date of the dissolution, and the clerk of the court shall deliver a certified copy of the decree to the secretary of state, who shall file it.
(2) After entering a decree of dissolution, the court shall direct the winding up and liquidation of the nonprofit corporation’s affairs in accordance with section 3506 of this act and the notification of claimants in accordance with sections 3508 and 3509 of this act.

PART IV

ARTICLE 1
SUPERVISION OF PROPERTY HELD FOR CHARITABLE PURPOSES

NEW SECTION. Sec. 4101. NOTICE TO ATTORNEY GENERAL. (1) Every notice to the attorney general required under this chapter must be served upon the attorney general. Service upon the attorney general must be via United States mail, postage prepaid, or by other means as authorized by the attorney general.
(2) Every notice to the attorney general under this chapter shall identify the provisions of this chapter relevant to the subject matter of the notice.
(3) Any person that has commenced any proceeding which this chapter authorizes the attorney general to bring, including but not limited to any proceeding involving a charitable corporation or property held for charitable purposes brought under section 1502, 1505, 2702, 3510, 3605, or 4203 of this act, shall serve notice of the commencement of the proceeding upon the attorney general. Any other party to such a proceeding may serve notice of the commencement of the proceeding upon the attorney general. To be valid, the notice must identify that it is being given pursuant to this subsection. The attorney general may waive this notice at any time.
(4) Notice to the attorney general is effective:
(a) Five days after its deposit in the United States mail, only if the postage is paid and the notice is correctly addressed; or
(b) When given, if the notice is delivered in any other manner that the attorney general has authorized.

NEW SECTION. Sec. 4102. ACTIONS TO SECURE PROPERTY HELD FOR CHARITABLE PURPOSES. The attorney general may commence in the court described in section 1105 of this act any action or proceeding to:
(1) Ensure compliance by a nonprofit corporation, or its members, directors, officers, employees, or agents, with any provision of this chapter that governs the distribution, disposition, management, or expenditure of, or reporting obligations relating to, any property held for charitable purposes;
(2) Secure the proper administration of a charitable corporation, or of property held for charitable purposes by a nonprofit corporation, when reasonably necessary to protect property held for charitable purposes; and
(3) Restrain and prevent any act that violates any provision of this chapter that governs the distribution, disposition, management, or expenditure of, or reporting obligations relating to, any property held for charitable purposes.

NEW SECTION. Sec. 4103. ATTORNEY GENERAL’S RIGHT TO INTERVENE. The attorney general, as of right, may intervene in any proceeding that has been commenced by a person other than the attorney general if the attorney general is otherwise authorized to bring such a proceeding under this chapter.

NEW SECTION. Sec. 4104. ATTORNEY GENERAL’S INVESTIGATIVE POWER. Upon reasonable suspicion that there has been a violation of any provision of this chapter that governs the distribution, disposition, management, or expenditure of, or reporting obligations relating to, any property held for charitable purposes, or that a charitable corporation or property held for charitable purposes by a nonprofit corporation has been
improperly administered, the attorney general may institute an investigation for the purpose of determining whether there has been such a violation or improper administration.

**NEW SECTION.** Sec. 4105. CIVIL INVESTIGATIVE DEMANDS. (1) The attorney general may, before the institution of a civil proceeding arising from an investigation instituted under section 4104 of this act, execute in writing and cause to be served upon a person a civil investigative demand requiring the person to produce documentary material and permit inspection and copying, to answer in writing written interrogatories, or oral testimony, to give oral testimony, or any combination of those demands, whenever the attorney general believes that the person:

(a) May be in possession, custody, or control of any original or copy of any record, report, memorandum, paper, communication, tabulation, map, chart, photograph, mechanical transcription, or other document or recording, wherever situated, which the attorney general reasonably believes to be relevant to the subject matter of any investigation instituted under section 4104 of this act;

(b) May have knowledge of any information which the attorney general reasonably believes to be relevant to the subject matter of any such investigation.

(2) The provisions of RCW 19.86.110 (2) through (9) except for RCW 19.86.110(7) (b) and (c), shall apply to every civil investigative demand issued under this section.

(3) With respect to a civil investigative demand issued under this section, the venue for filing a petition to extend a return date under RCW 19.86.110(8) or a petition for an order of enforcement under RCW 19.86.110(9) shall include any court described in section 1105 of this act.

(4) The attorney general may provide copies of documentary material, answers to written interrogatories, or transcripts of oral testimony provided under this section to an official of this state, another state, or the federal government who is charged with the enforcement of state or federal laws related to the protection or regulation of property held for charitable purposes, provided that before the disclosure the receiving official agrees in the form of a record that the information may not be disclosed to anyone other than that official or the official's authorized employees or agents. Material provided under this subsection is subject to the limitations on disclosure contained in RCW 19.86.110(7)(a), and, where applicable, Title 5 U.S.C. Sec. 552, and may not be introduced as evidence in a criminal prosecution.

(5) The attorney general may use such copies of documentary material, answers to written interrogatories, or transcripts of oral testimony as the attorney general determines necessary in the enforcement of any provision of this chapter that governs the distribution, disposition, management, or expenditure, or reporting obligations relating to, property held for charitable purposes, including presentation before any court, provided, however, that any such material, answers to written interrogatories, or transcripts of oral testimony which contain trade secrets shall not be presented except with the approval of the court in which the action is pending after adequate notice to the person furnishing such material, answers to written interrogatories, or oral testimony.

**NEW SECTION.** Sec. 4106. RELIGIOUS CORPORATIONS. The attorney general shall not commence any action under section 4102 of this act against a religious corporation; intervene in any action under section 4103 of this act involving a religious corporation; institute any investigation under section 4104 of this act, the subject of which is a religious corporation; or serve any civil investigative demand under section 4105 of this act on a religious corporation, unless for the purposes of this section only:

(1) The basis for the action, investigation, or civil investigative demand is the attorney general's knowledge of facts, circumstances, or results that property held by the religious corporation for charitable purposes has been, is threatened to be, or is about to be distributed in violation of section 1406 of this act;

(2) The board of directors of the religious corporation has adopted a resolution in the form of a record requesting the attorney general's involvement in the action or investigation; or

(3) The attorney general has knowledge of facts, circumstances, or results indicating that the religious corporation has no directors in office, in which case the attorney general may investigate the issue of whether the religious corporation has directors in office, and, if necessary, appoint one or more directors of the religious corporation following the procedure set out in section 2410(4) of this act.

**NEW SECTION.** Sec. 4107. ASSURANCES OF DISCONTINUANCE. In the enforcement of the provisions of this chapter that govern the distribution, disposition, or expenditure of, or reporting obligations relating to, property held for charitable purposes, the attorney general may accept an assurance of discontinuance of any act or practice deemed in violation of such provision, from any person engaging in, or who has engaged in, such act or practice. Any such assurance must be in writing and be filed with and subject to the approval of the court. Such assurance of discontinuance is not an admission of a violation for any purpose, but proof of failure to comply with the assurance of discontinuance is prima facie evidence of a violation of this chapter.

**NEW SECTION.** Sec. 4108. CIVIL PENALTIES, COSTS, AND FEES. (1) Pursuant to an action by the attorney general, a person shall forfeit and pay a civil penalty of not more than five thousand dollars for each violation if such person:

(a) Engages in conduct that violates any provision of this chapter governing the distribution, disposition, management, or expenditure of, or reporting obligations relating to, property held for charitable purposes, intending or knowing that such conduct was in violation of this chapter;

(b) As a director or officer of a corporation, votes for or assents to a distribution of property held for charitable purposes that would give rise to liability under section 2702 of this act; or

(c) Receives any portion of a distribution described in (b) of this subsection knowing that the distribution was made in violation of this chapter.

(2) Any person who shall violate the terms of any injunction issued pursuant to an action by the attorney general under section 4102 of this act shall forfeit and pay a civil penalty of not more than twenty-five thousand dollars for each violation.

(3) At the discretion of the court, the attorney general is entitled to recovery of its costs and fees incurred in securing compliance with the provisions of this chapter governing the distribution, disposition, management, or expenditure of, or reporting obligations relating to, property held for charitable purposes.

**NEW SECTION.** Sec. 4109. CHARITABLE ASSET PROTECTION ACCOUNT. (1) The Washington state attorney general charitable asset protection account is created in the custody of the state treasurer. Only the attorney general or the attorney general's designee may authorize expenditures from the account. Moneys in the account shall be used exclusively for:

(a) The costs associated with the attorney general's enforcement of the provisions of this chapter governing the distribution, disposition, management, or expenditure of, or reporting obligations relating to, property held for charitable purposes, or the proper administration of a charitable corporation or property held for charitable purposes;

(b) The costs associated with the attorney general's review and
handling of notices and requests submitted to the attorney general under the provisions of this chapter including, but not limited to, binding agreements described in section 1504 of this act, major changes in purposes or programs reported under section 1205 of this act, and notices of proposed transactions under sections 3101 through 3608 of this act;

(c) The costs associated with the attorney general's review and handling of notices and requests submitted to the attorney general in connection with the release or modification under RCW 24.55.045 of restrictions applicable to institutional funds;

(d) The costs associated with the attorney general's supervision of charitable trusts under the authority granted in chapter 11.110 RCW, including review and handling of binding agreements under chapter 11.96A RCW, involving assets held in charitable trust; and

(e) The charitable solicitation education program.

An appropriation is not required for expenditures, but the account is subject to allotment procedures under chapter 43.88 RCW.

(2)(a) The secretary of state shall collect a charitable asset protection fee, in addition to fees that the secretary of state may set under section 1207 of this act, for filing:

(i) Annual reports under section 1204 of this act;

(ii) Articles of incorporation of newly formed corporations under section 1303 of this act;

(iii) Articles of domestication under section 3309 of this act; and

(iv) Articles of domestication and conversion under section 3318 of this act.

(b) The charitable asset protection fee is fifty dollars per year, reduced to ten dollars if the corporation certifies that its total gross revenue in the most recent fiscal year was less than five hundred thousand dollars.

(c) Revenue generated from the charitable asset protection fee must be distributed as follows:

(i) Ninety-five percent of the revenue must be deposited into the Washington state attorney general charitable asset protection account created in subsection (1) of this section; and

(ii) Five percent of the revenue must be deposited into the secretary of state's revolving fund to cover the administrative costs of assessing the fee.

ARTICLE 2
CONTESTED CORPORATE ACTION

NEW SECTION. Sec. 4201. DEFINITIONS. This section and sections 4202 and 4203 of this act apply to, and the term "corporate action" in this section and sections 4202 and 4203 of this act means, any of the following actions:

(1) The election, appointment, designation, or other selection and the suspension, removal, or expulsion of members, delegates, directors, or officers of a nonprofit corporation;

(2) The taking of any action on any matter that:

(a) Is required under this chapter or any other provision of law to be submitted for approval or adoption by the members, delegates, directors, or officers of a nonprofit corporation;

(b) Under the articles or bylaws may be submitted for approval or adoption by the members, delegates, directors, or officers of a nonprofit corporation; or

(c) Is in fact approved or adopted by the members, delegates, directors, or officers of a nonprofit corporation.

NEW SECTION. Sec. 4202. PROCEEDINGS PRIOR TO CORPORATE ACTION. (1) Where under applicable law or the articles or bylaws of a nonprofit corporation there has been a failure to hold a meeting to take corporate action and the failure has continued for thirty days after the date designated or appropriate therefor, the court may summarily order a meeting to be held upon the application of any person entitled, either alone or in conjunction with other persons similarly seeking relief under this section, to call a meeting to consider the corporate action in issue, and, in the case of a charitable corporation, upon the application of the attorney general.

(2) The court may determine the right to vote at the meeting of persons claiming that right, may appoint an individual to hold the meeting under such orders and powers as the court may deem proper, and may take such action as may be required to give due notice of the meeting and convene and conduct the meeting in the interests of justice.

NEW SECTION. Sec. 4203. REVIEW OF CONTESTED CORPORATE ACTION. (1) Except as provided in subsection (3) of this section, upon petition of a person whose status as, or whose rights or duties as, a member, delegate, director, or officer of a corporation are or may be affected by any corporate action, or, in the case of a charitable corporation, the attorney general, the court may hear and determine the validity of the corporate action. The petitioner shall provide notice of the proceeding to every other person the petitioner knows, or should reasonably know, to be affected by the proceeding.

(2) The court may make such orders in any such case as may be just and proper, with power to enforce the production of any books, papers, and records of the corporation and other evidence that may relate to the issue, and may provide for notice of the proceeding to other parties if necessary. If it is determined that no valid corporate action has been taken, the court may order a meeting to be held in accordance with section 4202 of this act.

(3) If a nonprofit corporation has provided in its articles or bylaws for a means of resolving a challenge to a corporate action, then subsection (1) of this section shall not apply, except in the case of actions brought by the attorney general with respect to corporate actions of charitable corporations. The court may enforce provisions of the articles or bylaws if appropriate.

(5) The court may condition the appointment of a receiver upon the giving of security by the person seeking the receiver's appointment, in such amount as the court may specify, for the payment of costs and damages incurred or suffered by any person should it later be determined that the appointment of the receiver was wrongfully obtained.

(ii) Any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same.

The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the internal revenue code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

(c) Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(2) For the purposes of RCW 9.46.0315 and 9.46.110, a bona fide nonprofit organization can be licensed by the commission and includes:

No person or other entity may receive compensation in any form from the group for services rendered in support of this purpose;

(iii) Promptly provides such information about the group's receipts, expenditures, and other activities as the agency's chief executive official or designee may periodically require, and otherwise complies with this section and RCW 9.46.0315; and

(iv) Limits the participation in the raffle such that raffle tickets are sold only to, and winners are determined only from, the employees of the agency.

(3) For the purposes of RCW 9.46.0277, a bona fide nonprofit organization also includes a county, city, or town, provided that all revenue less prizes and expenses from raffles conducted by the county, city, or town must be used for community activities or tourism promotion activities.

Sec. 5203. RCW 15.105.020 and 2004 c 26 s 3 are each amended to read as follows:

The nonprofit corporation must be organized under chapter (24.02 RCW) 24.-- RCW (the new chapter created in section 6101 of this act) and has the powers granted under that chapter. However, this chapter does not prohibit the department or other agencies, boards, commissions, and associations from separately continuing to promote Washington products under their existing authorities.

(2) The department may contract with the successor organization to carry out the program. The contract must require the successor organization to aggressively seek to fund its continued operation from nonstate funding sources.

(3) The successor organization must report to the department each January 1st on the amounts it has secured from both nonstate and state funding sources, its operations, and its programs.

(4) Debts and other liabilities of the successor organization are successor organization debts and liabilities only and may be satisfied only from the resources of the successor organization. The state of Washington is not liable for the debts or liabilities of the successor organization.

Sec. 5204. RCW 18.100.050 and 2020 c 80 s 21 are each amended to read as follows:

(b) Notwithstanding any other provision of this chapter, health care professionals who are regulated under chapters 18.59 and 18.74 RCW may own stock in and render their individual professional services through one professional service corporation formed for the sole purpose of providing professional services within their respective scope of practice.

(c) Formation of a professional service corporation under this subsection does not restrict the application of the uniform disciplinary act under chapter 18.130 RCW, or applicable health care professional statutes under Title 18 RCW, including but not limited to restrictions on persons practicing a health profession without being appropriately credentialed and persons practicing beyond the scope of their credential.

Sec. 5205. RCW 18.100.130 and 1991 c 72 s 5 are each amended to read as follows:

A nonprofit corporation established for the sole purpose of providing contingency plan coverage for any vessel in compliance with RCW 88.46.060 is entitled to liability protection as provided in this section. Obligations incurred by the corporation and any other liabilities or claims against the corporation may be enforced only against the assets of the corporation, and no liability for the debts or actions of the corporation exists against a director, officer, member, employee, incident commander, agent, contractor, or subcontractor of the corporation in his or her individual or representative capacity. Except as otherwise provided in this chapter, neither the directors, officers, members, employees, incident (commander (4)) commanders, or agents of the corporation, nor the business entities by whom they are regularly employed may be held individually responsible for discretionary decisions, errors in judgment, mistakes, or other acts, either of commission or omission, that are directly related to the operation or implementation of contingency plans, other than for acts of gross negligence or willful or wanton misconduct. The corporation may insure and defend and indemnify the directors, officers, members, employees, incident commanders, and agents to the extent permitted by chapters 23B.08 and (24.03) 24.-- (the new chapter created in section 6101 of this act) RCW. This section does not alter or limit the responsibility or liability of any person for the operation of a motor vehicle.

Sec. 5252. RCW 89.08.405 and 2015 c 88 s 1 are each amended to read as follows:

(1) Any county legislative authority may approve by resolution revenues to a conservation district by fixing rates and charges. The county legislative authority may provide for this system of rates and charges as an alternative to, but not in addition to, a special assessment provided by RCW 89.08.400. In fixing rates and charges, the county legislative authority may in its discretion consider the information proposed to the county legislative authority by a conservation district consistent with this section.

(2) A conservation district, in proposing a system of rates and charges, may consider:

(a) Services furnished, to be furnished, or available to the landowner;

(b) Benefits received, to be received, or available to the property;

(c) The character and use of land;

(d) The nonprofit corporation status, as defined in ((RCW 24.03.490)) section 1701 of this act, of the land user;

(e) The income level of persons served or provided benefits under this chapter, including senior citizens and disabled persons; or

(f) Any other matters that present a reasonable difference as a ground for distinction, including the natural resource needs within the district and the capacity of the district to provide either services or improvements, or both.

(3)(a) The system of rates and charges may include an annual per acre amount, an annual per parcel amount, or an annual per parcel amount plus an annual per acre amount. If included in the system of rates and charges, the maximum annual per acre rate or charge shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars, except that for counties with a population of over four hundred eighty thousand persons, the maximum annual per parcel rate shall not exceed ten dollars, and for counties with a population of over one million five hundred thousand persons, the maximum annual per parcel rate shall not exceed fifteen dollars.

(b) Public land, including lands owned or held by the state, shall be subject to rates and charges to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the rates and charges of a conservation district.

(c) Forestlands used solely for the planting, growing, or harvesting of trees may be subject to rates and charges if such lands are served by the activities of the conservation district. However, if the system of rates and charges includes an annual per acre amount or an annual per parcel amount plus an annual per acre amount, the per acre rate or charge on such forestlands shall not exceed one-twelfth of the weighted average per acre rate or charge on all other lands within the conservation district that are subject to rates and charges. The calculation of the weighted average per acre shall be a ratio calculated as follows: (i) The numerator shall be the total amount of money estimated to be derived from the per acre special rates and charges on the nonforestlands in the conservation district; and (ii) the denominator shall be the total number of nonforestland acres in the conservation district that are served by the activities of the conservation district and that are subject to the rates or charges of the conservation district. No more than ten thousand acres of such forestlands that is both owned by the same person or entity and is located in the same conservation district may be subject to the rates and charges that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forestland parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forestland owner may be imposed on each owner of forestlands whose forestlands are subject to a per acre rate or charge.

(4) The consideration, development, adoption, and implementation of a system of rates and charges shall follow the same public notice and hearing process and be subject to the same procedure and authority of RCW 89.08.400(2).

(5)(a) Following the adoption of a system of rates and charges,
the conservation district board of supervisors shall establish by resolution a process providing for landowner appeals of the individual rates and charges as applicable to a parcel or parcels.

(b) Any appeal must be filed by the landowner with the conservation district no later than twenty-one days after the date property taxes are due. The decision of the board of supervisors regarding any appeal shall be final and conclusive.

(c) Any appeal of the decision of the board shall be to the superior court of the county in which the district is located, and served and filed within twenty-one days of the date of the board's written decision.

(6) A conservation district shall prepare a roll that implements the system of rates and charges approved by the county legislative authority. The rates and charges from the roll shall be spread by the county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of the rates and charges shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, and collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest and penalty as for delinquent property taxes. The county treasurer shall deduct an amount from the collected rates and charges, as established by the county legislative authority, to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the rates and charges, but not to exceed the actual costs of such work. All remaining funds collected under this section shall be transferred to the conservation district and used by the conservation district in accordance with this section.

(7) The rates and charges for a conservation district shall not be spread on the tax rolls and shall not be allocated with property tax collections in the following year if, after the system of rates and charges has been approved by the county legislative authority but before the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such rates and charges, which petition has been signed by at least twenty percent of the owners of land that would be subject to the rate or charge to be imposed for a conservation district.

MESSAGE FROM THE HOUSE

April 11, 2021

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5071 with the following amendment(s): 5071-S2.Æ AMH CRJ H1402.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 10.77.150 and 2010 c 263 s 5 are each amended to read as follows:

(1) Persons examined pursuant to RCW 10.77.140 may make application to the secretary for conditional release. The secretary shall, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, forward to the court of the county which ordered the person’s commitment the person’s application for conditional release as well as the secretary’s recommendations concerning the application and any proposed terms and conditions upon which the secretary reasonably believes the person can be conditionally released. Conditional release may also contemplate partial release, but the secretary, after considering the reports of experts, may make application for conditional release to the court of the county that ordered the person's commitment.

(2) In instances in which persons examined pursuant to RCW 10.77.140 have not made application to the secretary for conditional release, but the secretary, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, reasonably believes the person may be conditionally released, the secretary may submit a recommendation for release to the court of the county that ordered the person's commitment. The secretary's recommendation must...
include any proposed terms and conditions upon which the secretary reasonably believes the person may be conditionally released. Conditional release may also include partial release for work, training, or educational purposes. Notice of the secretary’s recommendation under this subsection must be provided to the person for whom the secretary has made the recommendation for release and to his or her attorney.

(3)(a) The court of the county which ordered the person’s commitment, upon receipt of an application or recommendation for conditional release with the secretary’s recommendation for conditional release terms and conditions, shall within thirty days schedule a hearing. The court may schedule a hearing on applications recommended for disapproval by the secretary.

(b) The prosecuting attorney shall represent the state at such hearings and shall have the right to have the patient examined by an expert or professional person of the prosecuting attorney’s choice. If the committed person is indigent, and he or she so requests, the court shall appoint a qualified expert or professional person to examine the person on his or her behalf.

(c) The issue to be determined at such a hearing is whether or not the person may be released conditionally to less restrictive alternative treatment under the supervision of a multidisciplinary transition team under conditions imposed by the court, including access to services under section 4 of this act without substantial danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security.

d) The court, after the hearing, shall rule on the secretary’s recommendations, and if it disapproves of conditional release, may do so. In cases that come before the court under subsection (1) or (2) of this section, the court may deny conditional release to a less restrictive alternative only on the basis of substantial evidence. The court may modify the suggested terms and conditions on which the person is to be conditionally released. Pursuant to the determination of the court after hearing, the committed person shall thereafter be released on such conditions as the court determines to be necessary, or shall be remitted to the custody of the secretary.

(4) If the order of conditional release includes a) provides for the conditional release of the person to a less restrictive alternative, including residential treatment or treatment in the community, the conditional release order must also include:

(a) A requirement for the committed person to report to the community corrections officer, identifying the services the person will receive under section 4 of this act, and a requirement that the person cooperate with the services planned by the licensed or certified behavioral health agency.

(b) Any other order that the court deems appropriate.

(c) The court may omit appointment of the representative of the community behavioral health agency if the conditional release order does not require participation in behavioral health treatment;

(ii) The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community;

(b) A requirement for the person to comply with conditions of supervision established by the court which shall include at a minimum monitoring plan that may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(6) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a conditional release order. Another community corrections officer may be appointed if no specially trained officer is available.

(7) Any person, whose application for conditional release has been denied, may reapply after a period of six months from the date of denial, or sooner with the support of the department.

(8) A person examined under RCW 10.77.140 or the department may make a motion for limited conditional release under this section, on the grounds that there is insufficient evidence that the person may be released conditionally to less restrictive alternative treatment under subsection (3)(c) of this section, but the person would benefit from the opportunity to exercise increased privileges while remaining under the custody and supervision of the department and with the supervision of the department these increased privileges can be exercised without substantial danger to other persons or substantial likelihood of committing criminal acts jeopardizing public safety or security. The department may respond to a person’s application for conditional release by instead supporting limited conditional
Sec. 2. RCW 71.05.320 and 2020 c 302 s 45 are each amended to read as follows:

(1)(a) Subject to (b) of this subsection, if the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

(b) If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. The court may only enter an order for commitment based on a substance use disorder if there is an available approved substance use disorder treatment program with adequate space for the person.

(c) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court has made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team as provided in subsection (6)(a)(i) of this section. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person’s life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person’s condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient behavioral health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, subject to subsection (1)(b) of this section, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court’s order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(b) In cases where the court has ordered less restrictive alternative treatment and has previously made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team to supervise and assist the person on the order for less restrictive treatment, which shall include a representative of the community behavioral health agency providing treatment under RCW 71.05.585, and a specially trained supervising community corrections officer. The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community under (a)(ii) of this subsection.
(ii) The role of the transition team shall be to facilitate the success of the person on the less restrictive alternative order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances which may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan which may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(iii) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a less restrictive alternative order.

(b) At the end of the one hundred eighty-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

Sec. 3. RCW 71.05.320 and 2020 c 302 s 46 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of
treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based solely on the grounds identified in subsection (4)(c) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accord with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(i) In cases where the court has ordered less restrictive alternative treatment and has previously made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team to supervise and assist the person on the order for less restrictive treatment, which shall include a representative of the community behavioral health agency providing treatment under RCW 71.05.585, and a specially trained supervising community corrections officer. The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community under (a)(ii) of this subsection.

(ii) The role of the transition team shall be to facilitate the success of the person on the less restrictive alternative order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances which may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan which may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(iii) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a less restrictive alternative order.

(b) At the end of the one hundred eighty-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

NEW SECTION. Sec. 4. A new section is added to chapter 10.77 RCW to read as follows:

(1) Conditional release planning should start at admission and proceed in coordination between the department and the person's managed care organization, or behavioral health administrative services organization if the person is not eligible for medical assistance under chapter 74.09 RCW. If needed, the department shall assist the person to enroll in medical assistance in suspense status under RCW 74.09.670. The state hospital liaison for the managed care organization or behavioral health administrative services organization shall facilitate conditional release planning in collaboration with the department.

(2) Less restrictive alternative treatment pursuant to a conditional release order, at a minimum, includes the following services:

(a) Assignment of a care coordinator;
(b) An intake evaluation with the provider of the conditional treatment;
(c) A psychiatric evaluation or a substance use disorder evaluation, or both;
(d) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;
(e) A transition plan addressing access to continued services at the expiration of the order;
(f) An individual crisis plan;
(g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW; and
(h) Appointment of a transition team under RCW 10.77.150;
(i) Notification to the care coordinator assigned in (a) of this subsection and to the transition team as provided in RCW 10.77.150 if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(3) Less restrictive alternative treatment pursuant to a conditional release order may additionally include requirements to participate in the following services:

(a) Medication management;
(b) Psychotherapy;
(c) Nursing;
(d) Substance use disorder counseling;
(e) Residential treatment;
(f) Support for housing, benefits, education, and employment; and
(g) Periodic court review.

(4) Nothing in this section prohibits items in subsection (2) of this section from beginning before the conditional release of the individual.

(5) If the person was provided with involuntary medication under RCW 10.77.094 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment pursuant to the conditional release order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(6) Less restrictive alternative treatment pursuant to a conditional release order must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(7) The care coordinator assigned to a person ordered to less restrictive alternative treatment pursuant to a conditional release order must submit an individualized plan for the person's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed
from or added to the treatment plan.

(8) A care coordinator may disclose information and records related to mental health treatment under RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment pursuant to a conditional release order.

(9) For the purpose of this section, "care coordinator" means a representative from the department of social and health services who coordinates the activities of less restrictive alternative treatment pursuant to a conditional release order. The care coordinator coordinates activities with the person's transition team that are necessary for enforcement and continuation of the conditional release order and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 5. RCW 10.77.060 and 2016 sp.s. c 29 s 408 are each amended to read as follows:

(1)(a) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate a qualified expert or professional person, who shall be approved by the prosecuting attorney, to evaluate and report upon the mental condition of the defendant.

(b) The signed order of the court shall serve as authority for the evaluator to be given access to all records held by any mental health, medical, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. If the court is advised by any party that the defendant may have a developmental disability, the evaluation must be performed by a developmental disabilities professional.

(c) The evaluator shall assess the defendant in a jail, detention facility, in the community, or in court to determine whether a period of inpatient commitment will be necessary to complete an accurate evaluation. If inpatient commitment is needed, the signed order of the court shall serve as authority for the evaluator to request the jail or detention facility to transport the defendant to a hospital or secure mental health facility for a period of commitment not to exceed fifteen days from the time of admission to the facility. Otherwise, the evaluator shall complete the evaluation.

(d) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if:

(i) The defendant is charged with murder in the first or second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation.

(e) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for evaluation, all parties agree to waive the presence of the defendant or to the defendant's remote participation at a subsequent competency hearing or presentation of an agreed order if the recommendation of the evaluator is for continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to the expiration of the authorized commitment period.

(f) When a defendant is ordered to be ("committed for inpatient evaluation") evaluated under this subsection (1), or when a party or the court determines at first appearance that an order for evaluation under this subsection will be requested or ordered if charges are pursued, the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the evaluator regarding the defendant's competency, sanity, or diminished capacity; (ii) whether the defendant has a recent history of one or more violent acts; (iii) whether the defendant has previously been acquitted by reason of insanity or found incompetent; (iv) whether it is reasonably likely the defendant will fail to appear for a future court hearing; and (v) whether the defendant is a threat to public safety.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the evaluation authorized by subsection (1) of this section, and that the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall appoint or request the secretary to designate a qualified expert or professional person.

(3) The report of the evaluation shall include the following:

(a) A description of the nature of the evaluation;

(b) A diagnosis or description of the current mental status of the defendant;

(c) If the defendant suffers from a mental disease or defect, or has a developmental disability, an opinion as to competency;

(d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, and an evaluation and report by an expert or professional person has been provided concluding that the defendant was criminally insane at the time of the alleged offense, an opinion as to the defendant's sanity at the time of the act, and an opinion as to whether the defendant presents a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, provided that no opinion shall be rendered under this subsection (3)(d) unless the evaluator or court determines that the defendant is competent to stand trial;

(e) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant should be evaluated by a designated crisis responder under chapter 71.05 RCW.

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

(1) When a designated crisis responder receives information alleging that a person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, or that a person is in need of assisted outpatient behavioral health treatment; the designated crisis responder may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention or involuntary outpatient treatment, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention under this section or a petition for involuntary outpatient behavioral health treatment under RCW 71.05.148. Before filing the petition, the designated crisis responder must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

(5) An Indian tribe shall have jurisdiction exclusive to the state as to any involuntary commitment of an American Indian or Alaska Native to an evaluation and treatment facility located within the boundaries of that tribe, unless the tribe has consented to the state's concurrent jurisdiction, or the tribe has expressly declined to exercise its exclusive jurisdiction.
American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the designated crisis responder shall notify the tribe (ee) and Indian health care provider regarding whether or not a petition for initial detention or involuntary outpatient treatment will be filed. Before filing the petition, the designated crisis responder must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. As part of the assessment, the designated crisis responder must attempt to ascertain if the person has executed a mental health advance directive under chapter 71.32 RCW. (d) If the court does not issue an order to detain a person pursuant to this subsection (2), the court shall issue an order to dismiss the initial petition.

(3) The designated crisis responder shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order together with a notice of rights, and a petition for initial detention. (5) [(An Indian tribe shall have jurisdiction exclusive to the state as to any involuntary commitment of an American Indian or Alaska Native to an evaluation and treatment facility located within the boundaries of that tribe, unless the tribe has consented to the state's concurrent jurisdiction, or the tribe has expressly declined to exercise its exclusive jurisdiction. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible but no later than three hours subject to the requirements in RCW 70.02.230 (2)(ee) (ce) and (3). A designated crisis responder may restrict the release of information as necessary to comply with 42 C.F.R. Part 2.]

Sec. 3. RCW 71.05.153 and 2020 c 302 s 16 and 2020 c 5 s 4 are each reenacted and amended to read as follows:

(1) When a designated crisis responder receives information alleging that a person, as the result of a behavioral health disorder, presents an imminent likelihood of serious harm, or is in imminent danger because of being gravely disabled, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the person or persons providing the information if any, the designated crisis responder may take such person, or cause by oral or written order such person to be
taken into emergency custody in an evaluation and treatment facility, secure withdrawal management and stabilization facility if available with adequate space for the person, or approved substance use disorder treatment program if available with adequate space for the person, for not more than one hundred twenty hours as described in RCW 71.05.180.

(2)(a) Subject to (b) of this subsection, a peace officer may take or cause such person to be taken into custody and immediately delivered to a triage facility, crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, approved substance use disorder treatment program, or the emergency department of a local hospital under the following circumstances:

As part of the assessment, the designated crisis responder must attempt to ascertain if the person has executed a mental health advance directive under chapter 71.32 RCW. The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview. If the individual is detained, the designated crisis responder shall file a petition for detention or a supplemental petition as appropriate and commence service on the designated attorney for the detained person. If the individual is released to the community, the behavioral health service provider shall inform the peace officer of the release within a reasonable period of time after the release if the peace officer has specifically requested notification and provided contact information to the provider.

(5) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section based on the intent of this chapter under RCW 71.05.010 except in the few cases where the facility staff or designated crisis responder has totally disregarded the requirements of this section.

Sec. 4. RCW 71.05.153 and 2020 c 302 s 17 and 2020 c 5 s 5 are each reenacted and amended to read as follows:

(1) When a designated crisis responder receives information alleging that a person, as the result of a behavioral health disorder, presents an imminent likelihood of serious harm, or is in imminent danger because of being gravely disabled, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the person or persons providing the information if any, the designated crisis responder may take such person, or cause by oral or written order such person to be taken into emergency custody in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, for not more than one hundred twenty hours as described in RCW 71.05.180.

(2) A peace officer may take or cause such person to be taken into custody and immediately delivered to a triage facility, crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, approved substance use disorder treatment program, or the emergency department of a local hospital under the following circumstances:

(a) Pursuant to subsection (1) of this section; or

(3) Persons delivered to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, triage facility that has elected to operate as an involuntary facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program by peace officers pursuant to subsection (2) of this section may be held by the facility for a period of up to twelve hours, not counting time periods prior to medical clearance.

(4) Within three hours after arrival, not counting time periods prior to medical clearance, the person must be examined by a mental health professional or substance use disorder professional. Within twelve hours of notice of the need for evaluation, not counting time periods prior to medical clearance, the designated crisis responder must determine whether the individual meets detention criteria. As part of the assessment, the designated crisis responder must attempt to ascertain if the person has executed a mental health advance directive under chapter 71.32 RCW. The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview. If the individual is detained, the designated crisis responder shall file a petition for detention or a supplemental petition as appropriate and commence service on the designated attorney for the detained person. If the individual is released to the community, the behavioral health service provider shall inform the peace officer of the release within a reasonable period of time after the release if the peace officer has specifically requested notification and provided contact information to the provider.

(5) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section based on the intent of this chapter under RCW 71.05.010 except in the few cases where the facility staff or designated crisis responder has totally disregarded the requirements of this section.

Sec. 5. RCW 71.05.203 and 2019 c 325 s 3006 are each amended to read as follows:

(1) The authority and each behavioral health administrative services organization or agency employing designated crisis responders shall publish information in an easily accessible format describing the process for an immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, to petition for court review of a detention decision under RCW 71.05.201.

(2) A designated crisis responder or designated crisis responder agency that receives a request for investigation for possible detention under this chapter must inquire whether the request

comes from an immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, who would be eligible to petition under RCW 71.05.201. If the designated crisis responder decides not to detain the person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since the request for investigation was received and the designated crisis responder has not taken action to have the person detained, the designated crisis responder or designated crisis responder agency must inform the immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, who made the request for investigation about the process to petition for court review under RCW 71.05.201 and, to the extent feasible, provide the immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, with written or electronic information about the petition process. Information provided to a federally recognized Indian tribe shall be sent to the tribal contact listed in the authority’s tribal crisis coordination plan. If provision of written or electronic information is not feasible, the designated crisis responder or designated crisis responder agency must refer the immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, to a website where published information on the petition process may be accessed. The designated crisis responder or designated crisis responder agency must document the manner and date on which the information required under this subsection was provided to the immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe.

(3) A designated crisis responder or designated crisis responder agency must, upon request, disclose the date of a designated crisis responder investigation under this chapter to an immediate family member, guardian, or conservator, or a federally recognized Indian tribe if the person is a member of such tribe, of a person to assist in the preparation of a petition under RCW 71.05.201.

Sec. 6. RCW 71.05.210 and 2020 c 302 s 26 are each amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program:

(a) Shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by:

(i) One physician, physician assistant, or advanced registered nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a substance use disorder professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (ii) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to one hundred twenty hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for one hundred twenty hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, (after) at any time during the involuntary treatment hold and following the initial examination and evaluation, the mental health professional or substance use disorder professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement for the remainder of the current commitment period without any need for further court review; however, a person may only be referred to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program if there is an available secure withdrawal management and stabilization facility or approved substance use disorder treatment program with adequate space for the person.

(3) An evaluation and treatment center, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated crisis responder and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 7. RCW 71.05.210 and 2020 c 302 s 27 are each amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program:

(a) Shall, within twenty-four hours of his or her admission or acceptance at the facility, not counting time periods prior to medical clearance, be examined and evaluated by:

(i) One physician, physician assistant, or advanced registered nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a substance use disorder professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (ii) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to one hundred twenty hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for
one hundred twenty hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

(2) If, at any time during the involuntary treatment hold and following the initial examination and evaluation, the mental health professional or substance use disorder professional and licensed physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better served by placement in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, or, would be better served in an evaluation and treatment facility then the person shall be referred to the more appropriate placement for the remainder of the current commitment period without any need for further court review.

(3) An evaluation and treatment center, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated crisis responder and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 8. RCW 71.05.240 and 2020 c 302 s 39 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within one hundred twenty hours of the initial detention of such person as determined in RCW 71.05.180, or at a time determined under RCW 71.05.148.

(2) If the petition is for mental health treatment, the court or the prosecutor at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. In order to qualify as a good faith volunteer, the person must abide by procedures and a treatment plan as prescribed by a treatment facility and professional staff.

(4)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility licensed or certified to provide treatment by the department or under RCW 71.05.745.

(b) A court may only order commitment to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program if there is an available facility with adequate space for the person.

(c) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(d) If the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, is in need of assisted outpatient behavioral health treatment, and that the person does not present a likelihood of serious harm and is not gravely disabled, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the fourteen-day inpatient or ninety-day less restrictive treatment period, the person has the right to a full hearing or jury trial under RCW 71.05.310. If the commitment is for mental health treatment, the court shall also notify the person orally and in writing that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(7) If the court does not issue an order to detain a person under this section, the court shall issue an order to dismiss the petition.

(8) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 9. RCW 71.05.240 and 2020 c 302 s 40 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within one hundred twenty hours of the initial detention of such person as determined in RCW 71.05.180, or at a time determined under RCW 71.05.148.

(2) If the petition is for mental health treatment, the court or the prosecutor at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. In order to qualify as a good faith volunteer, the person must abide by procedures and a treatment plan as prescribed by a treatment facility and professional staff.

(4)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility
(b) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(c) If the court finds by a preponderance of the evidence that such person, as the result of a behavioral health disorder, is in need of assisted outpatient behavioral health treatment, and that the person does not present a likelihood of serious harm and is not gravely disabled, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the fourteen-day inpatient or ninety-day less restrictive treatment period, such person has the right to a full hearing or jury trial under RCW 71.05.310. If the commitment is for mental health treatment, the court shall also notify the person orally and in writing that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(7) If the court does not issue an order to detain a person under this section, the court shall issue an order to dismiss the petition.

(8) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 10. RCW 71.05.320 and 2020 c 302 s 45 are each amended to read as follows:

(1)(a) Subject to (b) of this subsection, if the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment to exceed ninety days from the date of judgment.

(b) If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. The court may only enter an order for commitment based on a substance use disorder if there is an available approved substance use disorder treatment program with adequate space for the person.

(c) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety. (ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient behavioral health treatment. If the court or jury finds that ground set forth in RCW 71.05.280(5) have been proven, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by

jurisdictions for involuntary treatment unless the superintendent or
professional person in charge of the facility in which he or she is
confined, or in the event of a less restrictive alternative, the
designated crisis responder, files a new petition for involuntary
treatment on the grounds that the committed person:
(a) During the current period of court ordered treatment: (i) Has
threatened, attempted, or inflicted physical harm upon the person
of another, or substantial damage upon the property of another,
and (ii) as a result of a behavioral health disorder or
developmental disability presents a likelihood of serious harm; or
(b) Was taken into custody as a result of conduct in which he or
she attempted or inflicted serious physical harm upon the
person of another, and continues to present, as a result of a
behavioral health disorder or developmental disability, a
likelihood of serious harm; or
(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a
result of a behavioral health disorder or developmental disability
continues to present a substantial likelihood of repeating acts
similar to the charged criminal behavior, when considering the
person's life history, progress in treatment, and the public safety.
(ii) In cases under this subsection where the court has made an
affirmative special finding under RCW 71.05.280(3)(b), the
commitment shall continue for up to an additional one hundred
eighty-day period whenever the petition presents prima facie
evidence that the person continues to suffer from a behavioral
health disorder or developmental disability that results in a
substantial likelihood of committing acts similar to the charged
criminal behavior, unless the person presents proof through an
admissible expert opinion that the person's condition has so
changed such that the behavioral health disorder or
developmental disability no longer presents a substantial
likelihood of the person committing acts similar to the charged
criminal behavior. The initial or additional commitment period
may include transfer to a specialized program of intensive support
and treatment, which may be initiated prior to or after discharge
from the state hospital; or
(d) Continues to be gravely disabled; or
(e) Is in need of assisted outpatient behavioral health treatment.
If the conduct required to be proven in (b) and (c) of this
subsection was found by a judge or jury in a prior trial under this
chapter, it shall not be necessary to prove such conduct again.
In less restrictive alternative treatment is sought, the petition
shall set forth any recommendations for less restrictive alternative
treatment services.
(5) A new petition for involuntary treatment filed under
subsection (4) of this section shall be filed and heard in the
superior court of the county of the facility which is filing the new
petition for involuntary treatment unless good cause is shown for
a change of venue. The cost of the proceedings shall be borne by
the state.
(6)(a) The hearing shall be held as provided in RCW 71.05.310,
and if the court or jury finds that the grounds for additional
confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court’s order is based solely on the grounds identified in subsection (4)(e) of this section, the order may be entered only if there is a substantially likelihood of committing criminal acts jeopardizing public safety or security. If the court approves such a petition, the court may do so only on the basis of substantial evidence. Pursuant to the determination of the court upon the hearing, the conditional release of the person shall be approved by the court if the conditions for continued release, it may do so only on the basis of substantial evidence. The court may modify the terms for continued release when such a modification is in the best interest of the person. Notification of such changes shall be sent to all persons receiving a copy of the original conditions. Enforcement or revocation proceedings related to a conditional release may occur as provided under RCW 71.05.590.

Sec. 12. RCW 71.05.340 and 2018 c 201 s 3017 are each amended to read as follows:

(1)(a) When, in the opinion of the superintendent or the professional person in charge of the hospital or facility providing involuntary treatment, the committed person can be appropriately served by outpatient treatment prior to or at the expiration of the period of commitment, then such outpatient care may be required as a term of conditional release for a period which, when (added to the) combined with the number of days the person has spent in inpatient treatment ((period), shall not exceed ((the period of commitment)) 90 days if the underlying commitment was for a period of 14 or 90 days, or 180 days if the underlying commitment was for a period of 180 days. If the facility or agency designated to provide outpatient treatment is other than the facility providing involuntary treatment, the outpatient facility so designated must agree in writing to assume such responsibility. A copy of the terms of conditional release shall be given to the patient, the designated crisis responder in the county in which the patient is to receive outpatient treatment, and to the court of original commitment.

(b) Before a person committed under grounds set forth in RCW 71.05.280(3) or 71.05.320(4)(c) is conditionally released under (a) of this subsection, the superintendent or professional person in charge of the hospital or facility providing involuntary treatment shall in writing notify the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed, of the decision to conditionally release the person. Notice and a copy of the terms of conditional release shall be provided at least thirty days before the person is released from inpatient care. Within twenty days after receiving notice, the prosecuting attorney may petition the court in the county that issued the commitment order to hold a hearing to determine whether the person may be conditionally released and the terms of the conditional release. The prosecuting attorney shall provide a copy of the petition to the superintendent or professional person in charge of the hospital or facility providing involuntary treatment, the attorney, if any, and guardian or conservator of the committed person, and the court of original commitment. If the county in which the committed person is to receive outpatient treatment is the same county in which the criminal charges against the committed person were dismissed, then the court shall, upon the motion of the prosecuting attorney, transfer the proceeding to the court in that county. The court shall conduct a hearing on the petition within ten days of the filing of the petition. The committed person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as set forth in this subsection and except that there shall be no right to jury trial. The issue to be determined at the hearing is whether or not the person may be conditionally released without substantial danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security. If the court disapproves of the conditional release, it may do so only on the basis of substantial evidence. Pursuant to the determination of the court upon the hearing, the conditional release of the person shall be approved by the court if the conditions for continued release, it may do so only on the basis of substantial evidence. The court may modify the terms for continued release when such a modification is in the best interest of the person. Notification of such changes shall be sent to all persons receiving a copy of the original conditions. Enforcement or revocation proceedings related to a conditional release may occur as provided under RCW 71.05.590.

Sec. 13. RCW 71.05.585 and 2020 c 302 s 53 are each amended to read as follows:

(1) Less restrictive alternative treatment, at a minimum, includes the following services:

(a) Assignment of a care coordinator;
(b) An intake evaluation with the provider of the less restrictive alternative treatment;
(c) A psychiatric evaluation, a substance use disorder evaluation, or both;
(d) A schedule of regular contacts with the provider of the (less restrictive alternative)) treatment services for the duration of the order;
(e) A transition plan addressing access to continued services at the expiration of the order;
(f) An individual crisis plan; (and)
(g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW; and
(h) Notification to the care coordinator assigned in (a) of this subsection if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(2) Less restrictive alternative treatment may additionally include requirements to participate in the following services:

(a) Medication management;
(b) Psychotherapy;
(c) Nursing;
(d) Substance ((abuse)) use disorder counseling;
(e) Residential treatment; (and)
(f) Support for housing, benefits, education, and employment;
and

(g) Periodic court review.

(3) If the person was provided with involuntary medication under RCW 71.05.215 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurrent medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(5) The care coordinator assigned to a person ordered to less restrictive alternative treatment must submit an individualized plan for the person’s treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(6) A care coordinator may disclose information and records related to mental health services pursuant to RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment.

(7) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 14. RCW 71.05.590 and 2020 c 302 s 55 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release ([under]), or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release ([under]). The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person’s functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person’s compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility with available space, or an approved substance use disorder treatment program with available space. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (((4))) (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (((4))) (5) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initiate initial inpatient detention procedures under subsection (((4))) (7) of this section.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm. (((4))) (5)(a) Except as provided in subsection ((((4))) (7)) of this section, a designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility, an available secure withdrawal management and stabilization facility with adequate space, or an available approved substance use disorder treatment program with adequate space, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection ((((4))) (5) may be initiated
without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (((4))) (7) of this section, a person detained under this subsection (((4))) (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection (((6))) (7) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release (((3))) or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for fourteen days from the revocation hearing if the outpatient order was based on a petition under RCW 71.05.160 or 71.05.230. If the court orders detention for inpatient treatment and the outpatient order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the outpatient order must be converted to days of inpatient treatment authorized in the original court order. A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

(6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

(7) (a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to one hundred twenty hours, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within one hundred twenty hours of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the one hundred twenty hour period, the court must find that the person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 15. RCW 71.05.590 and 2020 c 302 s 56 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release (((4))), or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release (((4))). The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with
jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (((4))) (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (((4))) (5) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initial inpatient detention procedures under subsection (((6))) (7) of this section.

3 A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

4 The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(((4))) (5)(a) Except as provided in subsection (((6))) (7) of this section, a designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility, in a secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection (((4))) (5) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (((6))) (7) of this section, a person detained under this subsection (((4))) (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

5 Except as provided in subsection (((6))) (7) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release (((ceded))) or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for fourteen days from the revocation hearing if the outpatient order was based on a petition under RCW 71.05.160 or 71.05.230. If the court orders detention for inpatient treatment and the outpatient order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the outpatient order must be converted to days of inpatient treatment authorized in the original court order.

(((6))) (6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

(((7))) (7)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary detention for involuntary evaluation in an evaluation and treatment facility, in a secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to one hundred twenty hours, excluding
weekends and holidays, pending a court hearing. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person’s less restrictive alternative order or order the person’s detention for inpatient treatment. To continue detention after the one hundred twenty hour period, the court must find that the person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

Sec. 16. RCW 71.34.755 and 2020 c 302 s 96 are each amended to read as follows:

(1) Less restrictive alternative treatment, at a minimum, must include the following services:
   (a) Assignment of a care coordinator;
   (b) An intake evaluation with the provider of the less restrictive alternative treatment;
   (c) A psychiatric evaluation, a substance use disorder evaluation, or both;
   (d) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;
   (e) A transition plan addressing access to continued services at the expiration of the order;
   (f) An individual crisis plan; and
   (g) Notification to the care coordinator assigned in (a) of this subsection if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(2) Less restrictive alternative treatment may include the following additional services:
   (a) Medication management;
   (b) Psychotherapy;
   (c) Nursing;
   (d) Substance use disorder counseling;
   (e) Residential treatment; (and)
   (f) Support for housing, benefits, education, and employment; and
   (g) Periodic court review.

(3) If the minor was provided with involuntary medication during the involuntary commitment period, the less restrictive alternative treatment order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurrent medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the minor; and

A secure withdrawal management and stabilization facility or approved substance use disorder treatment program must be available and have adequate space for the adolescent.

(b) If a designated crisis responder decides not to detain an adolescent for evaluation and treatment under RCW 71.34.700(2), or forty-eight hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the adolescent detained, an immediate family member or guardian or conservator of the adolescent, or a federally recognized Indian tribe if the person is a member of such tribe, may petition the superior court for the adolescent's detention using the procedures under RCW 71.05.201 and 71.05.203; however, when the court enters an order of initial detention, except as otherwise expressly stated in this chapter, all procedures must be followed as if the order has been entered under (a) of this subsection.

(c) The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview.

(2)(a) Within twelve hours of the adolescent's arrival at the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the designated crisis responder shall serve or cause to be served on the adolescent a copy of the petition for initial detention, notice of initial detention, and statement of rights. The designated crisis responder shall file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service. The designated crisis responder shall commence service of the petition for initial detention and notice of the initial detention on the adolescent's parent and the adolescent's attorney as soon as possible following the initial detention.

(b) ((If the adolescent is involuntarily detained at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program in a different county from where the adolescent was initially detained, the)) The facility or program may serve the adolescent, notify the adolescent's parents and the adolescent's attorney, and file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service when filing with the court at the request of the designated crisis responder.

a commitment hearing shall be held within one hundred twenty hours of the adolescent's provisional acceptance to determine whether probable cause exists to commit the adolescent for further treatment.

(b) The adolescent shall be advised that he or she has a right to communicate immediately with an attorney and that he or she has a right to have an attorney appointed to represent him or her before and at the hearing if the adolescent is indigent.

(4) Subject to subsection (5) of this section, whenever the designated crisis responder petitions for detention of an adolescent under this chapter, an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program providing one hundred twenty hour evaluation and treatment must immediately accept on a provisional basis the petition and the person. Within twenty-four hours of the adolescent's arrival, the facility must evaluate the adolescent's condition and either admit or release the adolescent in accordance with this chapter.

(5) A designated crisis responder may not petition for detention of an adolescent to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and that has adequate space for the adolescent.

(6) If an adolescent is not approved for admission by the inpatient evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the facility shall make such recommendations and referrals for further care and treatment of the adolescent as necessary.

(7) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section, based on the purpose of this chapter under RCW 71.34.010, except in the few cases where the facility staff or the designated crisis responder have totally disregarded the requirements of this section.

(8) Tribal court orders for involuntary commitment shall be recognized and enforced in accordance with superior court civil rule 82.5.

(c) The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview.

(2)(a) Within twelve hours of the adolescent's arrival at the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, the designated crisis responder shall serve or cause to be served on the adolescent a copy of the petition for initial detention, notice of initial detention, and statement of rights. Reasonable measures shall be taken to ensure medical treatment is provided for any condition requiring immediate medical attention.

(2) If, at any time during the involuntary treatment hold and following the initial examination and evaluation, the children’s mental health specialist or substance use disorder specialist and the physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the minor, if detained to an evaluation and treatment facility, would be better served by placement in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, the facility shall make such recommendations and referrals for further court review; however a minor may only be referred to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program if there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and that has adequate space for the minor.

(3) The admitting facility shall take reasonable steps to notify immediately the minor’s parent of the admission.

(4) During the initial one hundred twenty hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to the minor’s condition or treatment and so indicates in the minor’s clinical record, and notifies the minor’s parents of this determination. A minor must not be denied the opportunity to consult an attorney unless there is an immediate risk of harm to the minor or others.

(5) If the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admits the minor, it may detain the minor for evaluation and treatment for a period not to exceed one hundred twenty hours from the time of provisional acceptance. The computation of such one hundred twenty hour period shall exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed one hundred twenty hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

(2) If, at any time during the involuntary treatment hold and following the initial examination and evaluation, the children’s mental health specialist or substance use disorder specialist and the physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the minor, if detained to an evaluation and treatment facility, would be better served by placement in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program or, if detained to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility, then the minor shall be referred to the more appropriate placement for the remainder of the current commitment period without any need for further court review.

(3) The admitting facility shall take reasonable steps to notify immediately the minor’s parent of the admission.

(4) During the initial one hundred twenty hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to the minor’s condition or treatment and so indicates in the minor’s clinical record, and notifies the minor’s parents of this determination. A minor must not be denied the opportunity to consult an attorney unless there is an immediate risk of harm to the minor or others.

(5) If the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program admits the minor, it may detain the minor for evaluation and treatment for a period not to exceed one hundred twenty hours from the time of provisional acceptance. The computation of such one hundred twenty hour period shall
exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed one hundred twenty hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

MESSAGE FROM THE HOUSE

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5115 with the following amendment(s): 5115-S.E AMH ENGR H1304.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 51.32 RCW to read as follows:

(1) For frontline employees who are covered under this title, there exists a prima facie presumption that any infectious or contagious diseases that are transmitted through respiratory droplets or aerosols, or through contact with contaminated surfaces and are the subject of a public health emergency are occupational diseases under RCW 51.08.140 during a public health emergency.

(2) The frontline employee must provide verification, as required by the department by rule, to the department and the self-insured employer that the employee has contracted the infectious or contagious disease that is the subject of the public health emergency.

(3) This presumption of occupational disease may be rebutted by a preponderance of the evidence that:

(a) The exposure to the infectious or contagious disease which is the subject of the public health emergency occurred from other employment or nonemployment activities; or

(b) The employee was working from the employee's home, on leave from the employee's employment, or some combination thereof, for the period of quarantine consistent with recommended guidance from state and federal health officials for the disease immediately prior to the employee's injury, occupational disease, or period of incapacity that resulted from exposure to the disease which is the subject of the public health emergency.

(4)(a) RCW 51.32.090(7) does not apply to an occupational disease under this section except that no worker shall receive compensation for or during the day on which the occupational disease was contracted. For the purposes of this subsection (4), the day on which the occupational disease was contracted is whichever date occurs first of the following:

(i) The date that the worker first missed work due to symptoms of the infectious or contagious disease;

(ii) The date the worker was quarantined by a medical provider or public health official; or

(iii) The date the worker received a positive test result confirming contraction of the infectious or contagious disease.

(b) If leave or similar benefits are paid to the frontline employee as part of a federal or state program for these employees during the public health emergency, temporary total disability benefits are not payable for the same period of time covered by the federal or state program.

(5) When calculating assessments due to the department for which total claim costs are the basis, self-insured employers and self-insurance hospital groups formed under RCW 51.14.150 and 51.14.160 may deduct the cost of payments made under this section from the total of all claim costs reported.

MESSAGE FROM THE HOUSE

April 6, 2021

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5180 with the following amendment(s): 5180-S.E AMH PS H1362.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.030 and 2020 c 296 s 2, 2020 c 252 s 4, and 2020 c 137 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW."
(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department.

(6) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(7) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Confinement" means total or partial confinement.

(9) "Conviction" means an adjudication of guilt pursuant to Title 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(11) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere, and any issued certificates of restoration of opportunity pursuant to RCW 9.97.020.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar statute, or if the conviction has been vacated pursuant to a governor's pardon. However, when a defendant is charged with a recidivist offense, "criminal history" includes a vacated prior conviction for the sole purpose of establishing that such vacated prior conviction constitutes an element of the present recidivist offense as provided in RCW 9.94A.640(1)(a) and 9.96.060(1)(a) (7)(c).

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(13) "Criminal street gang associate or member" means any person who actively participates in any criminal street gang and who intentionally promotes, furthers, or assists in any criminal act by the criminal street gang.

(14) "Criminal street gang-related offense" means any felony or misdemeanor offense, whether in this state or elsewhere, that is committed for the benefit of, at the direction of, or in association with any criminal street gang, or is committed with the intent to promote, further, or assist in any criminal conduct by the gang, or is committed for one or more of the following reasons:

(a) To gain admission, prestige, or promotion within the gang;

(e) To directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage for the gang, its reputation, influence, or membership; or

(f) To provide the gang with any advantage in, or any control or dominance over any criminal market sector, including, but not limited to, manufacturing, delivering, or selling any controlled substance (chapter 69.50 RCW); arson (chapter 9A.48 RCW); trafficking in stolen property (chapter 9A.82 RCW); promoting prostitution (chapter 9A.88 RCW); human trafficking (RCW 9A.40.100); promoting commercial sexual abuse of a minor (RCW 9.68A.101); or promoting pornography (chapter 9.68 RCW).

The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments...
made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(b) Active or passive global positioning system technology, which detects the location of the monitored individual and notifies the monitoring agency of the time that the monitored individual enters the restricted distance of a victim or protected party, or within the restricted distance of a designated location.

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution;

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction. The limitation in this subsection (3)(b) does not apply to convictions where the offender proves, by a preponderance of the evidence that he or she committed the crime as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9A.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. according to the requirements provided in RCW 9.96.070 for each respective conviction))

If the applicant is a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030, or the prosecutor applies on behalf of the state, the sentencing court may vacate the record of conviction if the application satisfies the requirements of section 5 of this act. When preparing or filing the petition, the prosecutor is not deemed to be providing legal advice or legal assistance on behalf of the victim, but is fulfilling an administrative function on behalf of the state in order to further their responsibility to seek to reform and improve the administration of criminal justice. A record of conviction vacated using the process in section 5 of this act is subject to subsections (6) and (7) of this section.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under United States v. Washington, 384 F. Supp. 312 (W.D. Wash. 1974), or Sohappy v. Smith, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Every person convicted of a misdemeanor marijuana offense, who was twenty-one years of age or older at the time of the offense, may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. A misdemeanor marijuana offense includes, but is not limited to: Any offense under RCW 69.50.4014, from July 1, 2004, onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 21, 1971, to March 21, 1979, and any offense under an equivalent municipal ordinance. If an applicant qualifies under this subsection, the court shall vacate the record of conviction.

(6) A person who is a family member of a homicide victim may apply to the sentencing court on the behalf of the victim for vacation of the victim's record of conviction for prostitution under RCW 9A.88.030. If an applicant qualifies under this subsection, the court shall vacate the victim's record of conviction.

(7)(a) Except as provided in (c) of this subsection, once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. However, nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 9.41.040. Except as provided in (b) of this subsection, nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going on to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location (RCW 10.99.040, 10.99.050, 26.09.300, (26.10.220)), 26.26B.050, 26.44.063, 26.44.150, 26.50.060, 26.50.070,
(c) A conviction vacated on or after July 28, 2019, qualifies as a prior conviction for the purpose of charging a present recidivist offense as defined in RCW 9.94A.030 occurring on or after July 28, 2019.

((24)(8) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

NEW SECTION. Sec. 5. A new section is added to chapter 9.96 RCW to read as follows:

(1)(a) A victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence, as defined in RCW 9.94A.030 may apply to the sentencing court or the sentencing court's successor to vacate the applicant's record of conviction for the offense; or

(b) The prosecutor of a county or municipality in which a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence was sentenced for a misdemeanor or gross misdemeanor offense may exercise discretion to apply to the court on behalf of the state recommending that the court vacate the victim's record of conviction by submitting the information required in subsection (2) of this section. If the court finds the application meets the requirements of subsection (2) of this section, the court may decide whether to grant the application to vacate the record.

(2) In order to vacate a record of conviction for a gross misdemeanor or misdemeanor offense committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030, the applicant must meet the following requirements:

(a) Provide an affidavit, under penalty of perjury, stating the specific facts and circumstances proving, by a preponderance of evidence that the offense was committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030;

(b) There are no criminal charges against the applicant pending in any court of this state or another state, or in any federal court for any crime other than prostitution;

(c) If the offense is a misdemeanor, the offender has not been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application;

(d) Except where the conviction to be vacated is for the crime of prostitution, prostitution loitering, or stay out of area of prostitution, provide proof that the crime victim penalty assessment, RCW 7.68.035, has been paid in full;

(e) If applicable, restitution owed to any victim, excluding restitution owed to any insurance provider under Title 48 RCW, has been paid in full.

(3) An applicant may not have a record of conviction for a gross misdemeanor or misdemeanor offense vacated if:

(a) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;

(b) The offense was a conviction as described in RCW 46.61.5055; or

(c) The offense was patronizing a prostitute as described in RCW 9A.88.110.

NEW SECTION. Sec. 6. RCW 9.96.070 (Vacating records of conviction—Prostitution offenses) and 2017 c 128 s 2 & 2014 c 109 s 2 are each repealed. Correct the title.

MESSAGE FROM THE HOUSE

April 7, 2021

MR. PRESIDENT:
The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5235 with the following amendment(s): 5235-S.E AMH SHEW H1484.2

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that local zoning laws can contribute to limiting the housing available for Washingtonians. The legislature finds that reducing these barriers
can increase affordable housing options. The legislature finds that accessory dwelling units can be one way to add affordable long-term housing and to provide a needed increase in housing density. However, the legislature finds that research from several cities shows that when accessory dwelling units are built and offered for short-term rental for tourists and business visitors, they may not improve housing affordability. Therefore, it is the intent of the legislature to encourage reducing barriers to accessory dwelling units when local governments have programs to incentivize or assure that they will be utilized for long-term housing. The legislature finds that owner occupancy requirements may provide an appropriate means for local governments to ensure community impacts of accessory dwelling units are mitigated and allow for relaxation of other requirements, when they are an element of a program to reduce short-term rental of accessory dwelling units. The legislature also intends to remove barriers and restrictions on the number of unrelated occupants permitted to live together, which will provide additional affordable housing options.

Sec. 2. RCW 36.70A.696 and 2020 c 217 s 2 are each amended to read as follows:

The definitions in this section apply throughout RCW 36.70A.697 and 36.70A.698 unless the context clearly requires otherwise.

1) "Accessory dwelling unit" means a dwelling unit located on the same lot as a single-family housing unit, duplex, triplex, townhome, or other housing unit.

2) "Attached accessory dwelling unit" means an accessory dwelling unit located within or attached to a single-family housing unit, duplex, triplex, townhome, or other housing unit.

3) "City" means any city, code city, and town located in a county planning under RCW 36.70A.040.

4) "County" means any county planning under RCW 36.70A.040.

5) "Detached accessory dwelling unit" means an accessory dwelling unit that consists partly or entirely of a building that is separate and detached from a single-family housing unit, duplex, triplex, townhome, or other housing unit and is on the same property.

6) "Dwelling unit" means a residential living unit that provides complete independent living facilities for one or more persons and that includes permanent provisions for living, sleeping, eating, cooking, and sanitation.

7) "Major transit stop" means:

   a) A stop on a high capacity transportation system funded or expanded under the provisions of chapter 81.104 RCW;
   b) Commuter rail stops;
   c) Stops on rail or fixed guideway systems, including transitways;
   d) Stops on bus rapid transit routes or routes that run on high occupancy vehicle lanes; or
   e) Stops for a bus or other transit mode providing actual fixed route service at intervals of at least fifteen minutes for at least five hours during the peak hours of operation on weekdays.

8) "Owner" means any person who has at least 50 percent ownership in a property on which an accessory dwelling unit is located.

9) "Short-term rental" means a lodging use, that is not a hotel or motel or bed and breakfast, in which a dwelling unit, or portion thereof, is offered or provided to a guest by a short-term rental operator for a fee for fewer than 30 consecutive nights.

Sec. 3. RCW 36.70A.697 and 2020 c 217 s 3 are each amended to read as follows:

1) (a) Cities must adopt or amend by ordinance, and incorporate into their development regulations, zoning regulations, and other official controls the requirements of RCW 36.70A.698(1) to take effect by July 1, 2021.

   ((2)(2)) (b) Beginning July 1, 2021, the requirements of RCW 36.70A.698(1):

   ((2)(3)) (i) Apply and take effect in any city that has not adopted or amended ordinances, regulations, or other official controls as required under this section; and

   ((2)(4)) (ii) Supersede, preempt, and invalidate any local development regulations that conflict with RCW 36.70A.698(1).

   (2)(a) Cities and counties must adopt or amend by ordinance, and incorporate into their development regulations, zoning regulations, and other official controls the requirements of RCW 36.70A.698(2) within two years of the next applicable deadline for its comprehensive plan to be reviewed under RCW 36.70A.130 after July 1, 2021.

   (b) Beginning two years after the next applicable deadline for the review of a county’s or city’s comprehensive plan under RCW 36.70A.130 after July 1, 2021, the requirements of RCW 36.70A.698(2) apply and take effect in any city or county that has not adopted or amended ordinances, regulations, or other official controls as required under this section, and preempt any conflicting development regulations.

Sec. 4. RCW 36.70A.698 and 2020 c 217 s 4 are each amended to read as follows:

1) (a) Except as provided in ((subsection)a (2) and (3) of this section)) (b) and (c) of this subsection, through ordinances, development regulations, zoning regulations, and other official controls as required under RCW 36.70A.697(1)(a), cities may not require the provision of off-street parking for accessory dwelling units within one-quarter mile of a major transit stop.

   ((2)(2)) (b) A city may require the provision of off-street parking for an accessory dwelling unit located within one-quarter mile of a major transit stop if the city has determined that the accessory dwelling unit is in an area with a lack of access to street parking capacity, physical space impediments, or other reasons supported by evidence that would make on-street parking infeasible for the accessory dwelling unit.

   ((3)(3)) (c) A city that has adopted or substantively amended accessory dwelling unit regulations within the four years previous to June 11, 2020, is not subject to the requirements of this subsection.

   (2) Through ordinances, development regulations, and other official controls adopted or amended as required under RCW 36.70A.697(2):

   (a) Cities and counties may not impose or enforce an owner occupancy requirement on any housing or dwelling unit on a lot containing an accessory dwelling unit, unless an accessory dwelling unit on the lot is being offered or used for short-term rental, except that:

   (i) Cities and counties may impose and enforce an owner occupancy requirement for the first year after initial occupation of the unit or primary residence following permitting; and

   (ii) Cities and counties may impose an owner occupancy requirement for an additional period if such a requirement is supported by findings of the need for such an increased requirement adopted by the city or county after at least two public hearings are held on the proposal, and any ordinance, development regulations, and other official controls finally adopted directly address feedback from the community. Such an additional period of owner occupancy restrictions must be geographically limited, and may not apply to all of the residential zones within the city or county.

   (b) Cities and counties may adopt ordinances, development regulations, and other official controls, including the imposition of fees, impact fees, or taxes, or the waiver of taxes, fees, or specific regulations, to encourage use of accessory dwelling units...
for long-term housing. Cities and counties may only offer such reduced impact fees, deferral of taxes, or other incentives for the development or construction of accessory dwelling units if such units are subject to effective binding commitments or covenants that the units will not be regularly offered for short-term rental and the city or county has a program to audit compliance with such commitments or covenants.

(c) Cities and counties that impose owner occupancy requirements on lots containing accessory dwelling units must provide for a hardship exemption from any owner occupancy requirements applicable to a housing or dwelling unit on the same lot as an accessory dwelling unit. Such an exemption must allow an owner to offer for rental for periods of 30 days or longer a dwelling unit or housing unit as if a dwelling or housing unit on the property was owner occupied, when the owner no longer occupies the primary residence due to age, illness, financial hardship due to the death of a spouse, domestic partner, or co-owner of the property, disability status, the deployment, activation, mobilization, or temporary duty, as those terms are defined in RCW 26.09.004 of a service member of the armed forces, or other such reason that would make the owner occupancy requirement an undue hardship on the owner. A city or county shall develop and implement a process for the review of hardship applications. Any city or county that imposes an owner occupancy requirement on lots containing accessory dwelling units and has not provided a hardship exemption from the requirement through ordinances, development regulations, or other official controls as required by this subsection may not impose or enforce an owner occupancy requirement on any lot containing an accessory dwelling unit until such time as the city or county has adopted the required hardship exemption, except that an owner-occupancy requirement pursuant to (a) of this subsection (2) may be imposed and enforced if the owner of the lot offers an accessory dwelling unit for short-term rental within the county or if the owner of the lot owns more than three accessory dwelling units within the county.

NEW SECTION. Sec. 5. A new section is added to chapter 35.21 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or city ordinance, a city or town may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit.

NEW SECTION. Sec. 6. A new section is added to chapter 35A.21 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or city ordinance, a code city may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit.

NEW SECTION. Sec. 7. A new section is added to chapter 36.01 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or county ordinance, a county may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit."

costs in jails and prisons. These outcomes reflect Washington’s priorities to incentivize cross-system collaboration between health networks, government entities, and the criminal justice system; to emphasize prevention over crisis response; and to remove individuals whose offending is driven primarily by health status instead of criminality from the criminal justice system.

The legislature further finds that indicators since 2013 show worsening trends for interaction between persons with behavioral health disorders and the criminal justice system. According to data presented in October 2018 by the research and data administration of the department of social and health services, arrests of persons enrolled in public health with an identified mental health or substance use disorder condition increased by 67 percent during this five-year period, while the overall rate of arrest declined by 11 percent. According to the same data source, referrals for state mental health services related to competency to stand trial have increased by 64 percent, incurring substantial liability for the state in the case of Trueblood v. Department of Social and Health Services. The purpose of this act is to focus the health care authority’s purchasing efforts on providing incentives to its contractors to reverse these trends and achieve the outcome of reduced criminal justice system involvement for public health system clients with behavioral health disorders.

Sec. 2. RCW 70.320.020 and 2017 c 226 s 8 are amended to read as follows:

(1) The authority and the department shall base contract performance measures developed under RCW 70.320.030 on the following outcomes when contracting with service contracting entities: Improvements in client health status and wellness; increases in client participation in meaningful activities; reductions in client involvement with criminal justice systems; reductions in avoidable costs in hospitals, emergency rooms, crisis services, and jails and prisons; increases in stable housing in the community; improvements in client satisfaction with quality of life; and reductions in population-level health disparities.

(2) The performance measures must demonstrate the manner in which the following principles are achieved within each of the outcomes under subsection (1) of this section:

(a) Maximization of the use of evidence-based practices will be given priority over the use of research-based and promising practices, and research-based practices will be given priority over the use of promising practices. The agencies will develop strategies to identify programs that are effective with ethnically diverse clients and to consult with tribal governments, experts within ethnically diverse communities and community organizations that serve diverse communities;

(b) The maximization of the client's independence, recovery, and employment;

(c) The maximization of the client's participation in treatment decisions; and

(d) The collaboration between consumer-based support programs in providing services to the client.

(3) In developing performance measures under RCW 70.320.030, the authority and the department shall consider expected outcomes relevant to the general populations that each agency serves. The authority and the department may adapt the outcomes to account for the unique needs and characteristics of discrete subcategories of populations receiving services, including ethnically diverse communities.

(4) The authority and the department shall coordinate the establishment of the expected outcomes and the performance measures between each agency as well as each program to identify expected outcomes and performance measures that are common to the clients enrolled in multiple programs and to eliminate conflicting standards among the agencies and programs.

(5)(a) The authority and the department shall establish timelines and mechanisms for service contracting entities to report data related to performance measures and outcomes, including phased implementation of public reporting of outcome and performance measures in a form that allows for comparison of performance measures and levels of improvement between geographic regions of Washington.

(b) The authority and the department may not release any public reports of client outcomes unless the data has been deidentified and aggregated in such a way that the identity of individual clients cannot be determined through directly identifiable data or the combination of multiple data elements.

(6)(a) The performance measures coordinating committee must establish ((a)): (i) A performance measure to be integrated into the statewide common measure set which tracks effective integration practices of behavioral health services in primary care settings; and (ii) performance measures which track rates of criminal justice system involvement among public health system clients with an identified behavioral health need including, but not limited to, rates of arrest and incarceration. The authority must set improvement targets related to these measures.

(b) The performance measures coordinating committee must report to the governor and appropriate committees of the legislature regarding the implementation of this subsection by July 1, 2022.

(7) The authority must report to the governor and appropriate committees of the legislature by October 1, 2022, regarding options and recommendations for integrating value-based purchasing terms and a performance improvement project into managed health care contracts relating to the criminal justice outcomes specified under subsection (1) of this section.

Sec. 3. RCW 70.320.030 and 2015 c 209 s 1 are each amended to read as follows:

((By September 1, 2014))

(1) The authority shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in RCW 70.320.020 and 41.05.690 for clients enrolled in medical managed care programs operated according to Title XIX or XXI of the federal social security act.

(2) The authority shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in RCW 70.320.020 for clients receiving mental health, long-term care, or chemical dependency services.”

MESSAGE FROM THE HOUSE

April 7, 2021

MR. PRESIDENT:
The House passed SECOND SUBSTITUTE SENATE BILL NO. 5253 with the following amendment(s): 5253-S2 AMH RDAN H1354.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The purpose of this act is to implement the recommendations of the pollinator health task force created by section 3, chapter 353, Laws of 2019, entitled "Recommendations of the Pollinator Health Task Force - for Pollinator Health in Washington" (November 2020).

(2) The task force provided recommendations to help prioritize and enact policy changes for pollinators in Washington. The recommendations are organized under five broad categories: (a) Habitat; (b) pesticides; (c) education; (d) managed pollinators; and (e) research.

(3) The task force met for the first time the same week that the Asian giant hornet was first discovered in Washington and the week after the Houdini fly was also reported for the first time in Washington. Asian giant hornets primarily hunt honey bees and destroy entire honey bee hives. The Houdini fly threatens native mason bee populations as well as managed mason bees. Washington is home to over 400 different species of native bees, 65 species of butterflies, as well as moths, wasps, beetles, flies, and hummingbirds. The loss of pollinators, managed and unmanaged, can lead to decreased yields of many fruits, nuts, and vegetables. Washington is currently the top producer in the United States of apples, sweet cherries, alfalfa, blueberries, and pears. In Washington state, honey bees and other pollinators are responsible for the production of tree fruits, small fruits, and other crops.

(4) The legislature intends by this act to implement various recommendations from the pollinator health task force to protect and expand the habitat upon which pollinators depend, by providing technical and financial assistance to public and private landowners, and by coordinating with state agencies and local governments in promoting practices to ensure sustainable, healthy populations of managed and native pollinators.

NEW SECTION. Sec. 2. A new section is added to chapter 43.23 RCW to read as follows:

(1) The department shall create and chair a pollinator health task force. The department shall appoint the members of the task force, which must include, but is not limited to, representatives of the following interests, organizations, and state agencies:

(a) The conservation commission;
(b) The department of natural resources;
(c) The department of fish and wildlife;
(d) The state parks and recreation commission;
(e) The Washington state department of transportation;
(f) The state noxious weed control board;
(g) The tree fruit industry;
(h) The seed industry;
(i) The berry industry;
(j) Other agricultural industries dependent upon pollinators;
(k) Washington State University;
(l) Pesticide distributors and applicators;
(m) Conservation organizations;
(n) Organizations representing beekeepers or apiarists;
(o) A member of the public from west of the crest of the Cascade mountains; and
(p) A member of the public from east of the crest of the Cascade mountains.

(2) One or more representatives of Washington tribes must also be invited to participate on the task force.

(3) One youth representative from an organization that encourages students to engage in agricultural education must also be invited to participate on the task force when available.

(4) The task force shall build upon existing pollinator research and pollinator habitat plans at the national and state level including, but not limited to, the state-managed pollinator plan, to assist with the development of an implementation plan to implement the state pollinator health strategy.

(5) The task force shall assist, as practicable, with implementation of the recommendations of the task force submitted to the legislature in November 2020.

(6) The department shall provide the implementation plan to the appropriate committees of the senate and house of representatives by December 31, 2021, in compliance with RCW 43.01.036. The implementation plan must include the task force's evaluation and development of protocols that would increase communications between beekeepers, farmers and growers, and pesticide applicators including, but not limited to, education and outreach to beekeepers, farmers and growers, and pesticide applicators.

(7) The department shall provide information related to implementation of the state pollinator health strategy and a recommendation of whether to extend the task force beyond January 1, 2024, to the appropriate committees of the senate and house of representatives by December 1, 2022, in compliance with RCW 43.01.036.

(8) This section expires January 1, 2024.

Sec. 3. RCW 43.23.300 and 2019 c 353 s 2 are each amended to read as follows:

(1) The department shall establish a program to promote and protect pollinator habitat and the health and sustainability of pollinator species. As funds are made available, the program must
provide technical and financial assistance to state agencies, local
governments, and private landowners to implement practices that
promote habitat for (managed) all pollinators, including native
species, as well as beekeeper and grower best management
practices. The program must be administered in coordination with
the apiary program established in chapter 15.60 RCW, the honey
bee commission authorized in chapter 15.62 RCW, and programs
administered by the conservation commission and conservation
districts.

(2) Subject to the availability of funds appropriated for this
specific purpose, and in consultation with the department of fish
and wildlife, the department must:

(a) Review, in consultation with Washington State University,
education needs related to pollinator education and develop a plan
that outlines the goals related to pollinator education and the
necessary partners, personnel, and other resources;

(b) Evaluate and complete an analysis of critical impacts and
needed best management practices for managed and wild
pollinators. The department shall lead this effort in partnership
with Washington State University, and in collaboration with the
department of fish and wildlife and the state conservation
commission. The effort must utilize the framework established in
the state’s managed pollinator protection plan as a guide for
formal recommendations and education opportunities. The
analysis must address food insecurities, habitat loss, virus and
disease, pests, and pesticides, which may play a role in pollinator
health decline. The department shall make the resources produced
pursuant to this subsection available to the public on the
department’s website, as well as through Washington State
University and the state’s conservation districts;

(c) Document, in consultation with Washington State
University, the bee species within the state and map their
distributions as practicable;

(d) Provide economic and environmental impacts of weed
listing and categorization on pollinator health to county noxious
weed control boards in consultation with the state noxious weed
control board and annually submit a report to the noxious weed
control board describing pollinator health issues;

(e) Provide materials, where practicable and in consultation
with Washington State University, about certification programs
that support pollinator health, biodiversity, and low-impact
pesticide application to the public;

(f) Educate the public through plant nurseries about the
necessity for blooming nectar plants to be available to wild and
managed pollinators throughout their respective active seasons;

(g) Survey registered beekeepers to determine whether the
current apiary program should be expanded to include apiary
inspections or registration of apiary yards;

(h) Continue and maintain partnership with federal agencies
and neighboring states to promote and enhance the
implementation of the national strategy to promote the health of
honey bees and improve pollinator health;

(i) Increase the availability of pollinator-related resources on
the department’s website, as practicable, and other state agencies’
websites as appropriate;

(j) Review guidelines on state-managed lands to protect native
pollinators and improve transparency for state-managed land
areas which may permit managed honey bees so that impacts to
wild pollinators from honey bees may be minimized; and

(k) In consultation with the department of revenue, review the
open space taxation act and provide recommendations to the
legislature, in compliance with RCW 43.01.036, on options to
include pollinator habitat in the current open space property tax
classification.

NEW SECTION. Sec. 4. A new section is added to chapter

17.21 RCW to read as follows:

(1) The department shall continue to evaluate and update, as
necessary, pesticide regulatory and education programs focused
on measures to protect pollinator health. This work by the
department, when appropriate, must be coordinated with
Washington State University pesticide education programs to
limit duplication and ensure consistent information sharing.

(2) Subject to the availability of amounts appropriated for this
specific purpose, and in consultation with the department of fish
and wildlife with regard to considerations for native pollinator
species, the department must:

(a) Evaluate and adapt pesticide training and drift reduction
technical assistance programs to include up-to-date protection
measures for pollinators;

(b) Support Washington State University’s pesticide education
programs continued incorporation of pollinator protection
measures during their training and certification classes, and
coordinate on presented research, new protection measures,
technological advancements, and any other significant science-
based information;

(c) Coordinate with pollinator health staff in the department
and at Washington State University to conduct investigations and
share annual findings from pesticide-related investigations with
the pollinator health task force;

(d) Evaluate and, if necessary, update the pesticide civil penalty
matrix related to pollinator death or damage due to the misuse of
pesticides and ensure pollinator health protections are included;

(e) When possible, the department must provide credits for
pesticide courses focused on pollinator protection measures.

(3) By December 31, 2021, the department shall provide a
report to the appropriate committees of the senate and house of
representatives, in compliance with RCW 43.01.036, that
includes recommendations for measures to mitigate the risks of
harm to bees and other pollinators from the use of neonicotinoid
pesticides and treated seeds. The department shall evaluate and
incorporate the reviews scheduled for completion by the United
States environmental protection agency during 2021, including
recommended mitigation measures from that agency. The
department shall also review neonicotinoid pesticide use
restrictions and labeling requirements adopted in other states and
include in the report any recommendations for adoption of similar
requirements in this state.

Sec. 5. RCW 17.24.081 and 1991 c 257 s 12 are each
amended to read as follows:

It shall be unlawful for a person to:

(1) Sell, offer for sale, or distribute a noxious weed or a plant
or plant product or regulated article infested or infected with a
plant pest declared by rule to be a threat to the state’s forest,
agricultural, horticultural, floricultural, or beekeeping industries
or environment;

(2) Knowingly receive a noxious weed, or a plant, plant
product, bees, bee hive or appliances, or regulated article sold,
given away, carried, shipped, or delivered for carriage or
shipment within this state, in violation of the provisions of this
chapter or the rules adopted under this chapter;

(3) Fail to immediately notify the department and isolate
and hold the noxious weed, bees, bee hives or appliances, plants or
plant products, or other thing unopened or unused subject to
inspection or other disposition as may be provided by the
department, where the item has been received without knowledge
of the violation and the receiver has become subsequently aware
of the potential problem;

(4) Knowingly conceal or willfully withhold available
information regarding an infected or infested plant, plant product,
regulated article, or noxious weed;
(5) Introduce or move into this state, or to move or dispose of in this state, a plant, plant product, or other item included in a quarantine, except under rules as may be prescribed by the department, after a quarantine order has been adopted under this chapter against a place, nursery, orchard, vineyard, apiary, other agricultural establishment, county of this state, another state, territory, or a foreign country as to a plant pest, bee pest, or noxious weed or genetically engineered plant or plant pest organism, until such quarantine is removed;

(6) Introduce or move nonnative managed bumble bees into this state to be used in open-field agricultural use.

NEW SECTION. Sec. 6. A new section is added to chapter 28B.30 RCW to read as follows:

The Washington State University extension program must develop a pollinator extension education and outreach program and develop a statewide, science-based, pollinator education plan to educate beekeepers, agricultural producers, land managers, licensed pesticide applicators, other professionals, and the public. The plan should emphasize pollinator best management practices for both native and managed species.

NEW SECTION. Sec. 7. A new section is added to chapter 39.04 RCW to read as follows:

If a public works project includes landscaping, at least 25 percent of the planted area must be pollinator habitat to the extent practicable. For purposes of this section, “pollinator habitat” means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees. The department of agriculture, in consultation with the conservation commission and the department of fish and wildlife, must develop a list of native forage plants that are pollen-rich or nectar-rich and beneficial for all pollinators, including honey bees.

Sec. 8. RCW 77.12.058 and 2019 c 353 s 8 are each amended to read as follows:

(1) The department must implement practices necessary to maintain pollinator habitat on department-owned and managed agricultural and grazing lands where practicable. (For the purposes of this section, “pollinator habitat” means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees, as determined by the department.)

(2) The department must evaluate various restoration techniques with the goal of improving habitat for native pollinators. The department must update its riparian habitat recommendations to encourage development of pollinator habitat where practicable when making habitat improvements or for riparian restoration.

(3) For the purposes of this section, “pollinator habitat” means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees, as determined by the department.

Sec. 9. RCW 89.08.620 and 2020 c 351 s 4 are each amended to read as follows:

(1) When prioritizing grant recipients, the commission, in consultation with the department of agriculture, Washington State University, the department of fish and wildlife, and the United States department of agriculture natural resources conservation service, shall seek to maximize the benefits of the grant program by leveraging other state, nonstate, public, and private sources of money. The primary metrics used to rank grant applications must be made public by the commission.

(2) The grant program must prioritize or weight projects based on consideration of the individual project's ability to:

(a) Increase the quantity of organic carbon in topsoil through practices including, but not limited to, cover cropping, no-till and minimum tillage conservation practices, crop rotations, manure application, biochar application, compost application, and changes in grazing management;

(b) Increase the quantity of organic carbon in aquatic soils;

(c) Intentionally integrate trees, shrubs, seaweed, or other vegetation into management of agricultural and aquacultural lands, with preference for native vegetation where practicable and appropriate;

(d) Reduce or avoid carbon dioxide equivalent emissions in or from soils;

(e) Reduce nitrous oxide and methane emissions through changes to livestock or soil management; and

(f) Increase usage of precision agricultural practices.

(3) The commission shall develop and approve a prioritization metric to guide the distribution of funds appropriated by the legislature for this purpose, with the goal of producing cost-effective carbon dioxide equivalent impact benefits.

(4) Applicants that create riparian buffers along waterways, or otherwise benefit fish habitat, must receive an enhanced prioritization compared to other grant applications that perform similarly under the prioritization metrics developed by the commission.

(5)(a) Applicants that create or maintain pollinator habitat must receive an enhanced prioritization compared to other grant applications that perform similarly under the prioritization metrics developed by the commission.

(b) For the purposes of this subsection, “pollinator habitat” means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators, including honey bees, as determined by the department of agriculture.

(6) The commission shall downgrade a specific grant proposal within its prioritization metric if the proposal is expected to cause significant environmental damage to fish and wildlife habitat.

NEW SECTION. Sec. 10. A new section is added to chapter 89.08 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the commission is authorized to develop an ongoing small grants program to provide funding to the conservation districts to educate residents and community groups in urban, suburban, and rural nonfarm areas about the value of habitat for both managed and native pollinators, and to provide the necessary technical and financial assistance and materials to create it.

(2) Educational efforts should include the benefits of habitat diversity, especially pollen-rich and nectar-rich flowering forbs and shrubs. Preference for pollinator plants should be given to native plants or noninvasive, nonnative plants.

(3) Planting projects should provide diverse native or nonnative, noninvasive plants of high quality for pollinator foraging, nesting, and overwintering, as determined by site suitability. Options may include, but are not limited to, bee or eco-lawns, flowering meadow gardens, xeriscaping, shrub plantings, tree plantings, rain gardens, riparian restoration, and other pollinator-friendly landscaping.

(4) Criteria to rank applicants should include a detailed budget demonstrating funding needs, resource concerns addressed, value to at-risk native pollinators, multiple-use benefits of habitat, planned project longevity, and plans for long-term maintenance.”

MESSAGE FROM THE HOUSE

April 6, 2021

MR. PRESIDENT:
The House passed ENGROSSED SECOND SUBSTITUTE
SENATE BILL NO. 5259 with the following amendment(s):
5259-S2.E AMH ENGR H1488.E

Strike everything after the enacting clause and insert the
following:

NEW SECTION. Sec. 1. The legislature finds that law
enforcement transparency and accountability are vital in
maintaining public trust. Data collection is one essential tool
to allow the public, law enforcement, and policymakers to analyze
the effectiveness of existing police practices, determine which
policies and training work and do not work, and avoid unintended
consequences by supporting policy decisions with clear and
relevant data.

The legislature finds that creating a statewide data collection
program that creates a publicly accessible database to track
metrics will help to promote openness, transparency, and
accountability, build stronger police-community relations,
 improve trust and confidence in policing services, evaluate
specific areas of concern such as biased policing and excessive
force, and ultimately improve the quality of policing services.

NEW SECTION. Sec. 2. The definitions in this section
apply throughout this chapter unless the context clearly requires
otherwise.
(1) "Contractor" means the institution of higher education
contracted with the office of the attorney general to implement
the statewide use of force data program as provided in this
chapter.
(2) "Great bodily harm" has the same meaning as in RCW
9A.04.110.
(3) "Institution of higher education" has the same meaning as
in RCW 28B.92.030.
(4) "Law enforcement agency" or "agency" means any general
authority Washington law enforcement agency and limited
authority Washington law enforcement agency as those terms are
defined in RCW 10.93.020.
NEW SECTION. Sec. 3. (1)(a) Subject to the availability of amounts appropriated for this specific purpose, the attorney general’s office shall establish an advisory group to assist with the office’s design, development, and implementation of a statewide use of force data program. Members are appointed by the attorney general’s office and must consist of:

(i) At least three representatives from local nongovernmental organizations or advocacy groups that have a focus on or expertise in the use and role of data as it relates to interactions between law enforcement and the community;

(ii) At least three representatives from law enforcement agencies or organizations representing the interests of law enforcement in interacting and utilizing this data; and

(iii) At least one representative from the private sector or the public sector with experience in data collection programs, preferably law enforcement data collection.

(b) To ensure the advisory group has diverse and inclusive representation of those affected by its work, advisory group members whose participation in the advisory group may be hampered by financial hardship may apply for a stipend in an amount not to exceed $100 for each day during which the member attends an official meeting of the advisory group or performs prescribed duties approved by the attorney general’s office.

(2) By April 1, 2022, the advisory group shall submit to the attorney general its recommendations on the following elements:

(a) How to prioritize the implementation of the reporting, collection, and publication of the use of force data reports required in section 4(2) of this act;

(b) Additional incidents and data to be collected from law enforcement agencies on interactions between officers and the public, such as traffic stops, pedestrian stops, calls for services, arrests, vehicle pursuits, and disciplinary actions, as well as demographic information including race, ethnicity, and gender of a crime victim or victims. This recommendation should consider phased implementation, if necessary, based on current practices and available data as compared to additional practices and new data that would need to be implemented by law enforcement agencies;

(c) Recommend practices for law enforcement agencies to collect and report data to the contractor. To the greatest extent feasible, the reporting mechanisms for the program must include the opportunity for law enforcement agencies to submit the required data elements through incident reports or any other electronic means. The advisory group may also work to develop a standardized incident report that meets the data and reporting requirements of the statewide use of force data program for voluntary use by law enforcement agencies;

(d) Recommend practices for the public to report relevant information to the contractor directly, or its successor, including correcting misreported and otherwise incorrect data;

(e) Recommend practices for public, law enforcement, and academic access and use of program data that must include, at a minimum:

(i) Public access to deidentified raw and/or refined incident based data using an established open data standard, available online at no cost in a downloadable, machine-readable, nonproprietary format, redacted only as necessary to comply with the public records act (chapter 42.56 RCW) and the Washington state criminal records privacy act (chapter 10.97 RCW);

(ii) Publicly accessible online data dashboards that summarize and analyze the data, excluding personally identifiable information;

(iii) Interactive data visualization tools designed for law enforcement agencies and other entities to use the data for research, professional development, training, and management;

(iv) The ability to extract data from incident reports, or other electronic means, and officer narratives in order to standardize data across multiple agencies;

(v) Ensure protection and removal of all personally identifiable information of officers, subjects, and victims in any data or analyses that are publicly released; and

(vi) Semiannual reports, summarizing the data collected and any related analysis, published on the website and submitted to the legislature and governor by June 1st and December 1st of each year;

(f) Recommend practices for quality improvement, including periodically obtaining input from stakeholders about how the program can better meet the needs of the public and law enforcement;

(g) Recommend practices in the following areas:

(i) Analytical dashboards with individual officer details for use by law enforcement agencies as a risk management tool;

(ii) Agency level comparative dashboards for all law enforcement agencies in the state;

(iii) Incorporating available historical data to identify long-term trends and patterns; and

(iv) Analysis of data, using methodologies based in best practices or tested and validated in other jurisdictions, if possible, including, but not limited to, analysis of the data using legal algorithms based on available and applicable legal standards.

(3)(a) The office of the attorney general shall review the recommendations of the advisory group and approve or reject, in whole or in part, the recommendations. In reviewing the program recommendations, the office of the attorney general shall consider:

(i) Available funding to achieve the recommendations;

(ii) Prioritizing the implementation of the reporting, collection, and publication of the use of force data reports in section 4(2) of this act;

(iii) The interests of the public in accessing information in a transparent and expedient manner. In considering the interests of the public, the advisory board shall accept and consider comments from impacted family members or their designees;

(iv) The institutional operations and demands of law enforcement agencies through input and comments from the criminal justice training center and local law enforcement agencies.

(b) For any recommendation that was rejected, in part or in full, the advisory group may submit revised recommendations for consideration by the office of the attorney general in accordance with any deadlines established by the office. The office of the attorney general may also approve recommendations subject to the legislature appropriating the funding necessary for their implementation.

(c) The office of the attorney general may not approve any recommendation that requires any law enforcement agency to disclose information that would jeopardize an active criminal investigation, confidential informant, or intelligence information.

(4) The approved recommendations and the requirements contained in section 4 of this act constitute the statewide use of force data program.

(5) This section expires January 1, 2023.

NEW SECTION. Sec. 4. (1) Each law enforcement agency in the state is required to report each incident where a law enforcement officer employed by the agency used force and:

(a) A fatality occurred in connection with the use of force;

(b) Great bodily harm occurred in connection with the use of force;

(b) The location of the incident;
(c) The agency or agencies employing the law enforcement officers;
(d) The type of force used by the law enforcement officer;

MESSAGE FROM THE HOUSE

April 10, 2021

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5287 with the following amendment(s): 5287-52.2 AMH ENGR H1430.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 84.14.005 and 2007 c 430 s 1 are each amended to read as follows:
(1) The legislature finds:
((444)) (a) That in many of Washington’s urban centers there is insufficient availability of desirable and convenient residential units, including affordable housing units, to meet the needs of a growing number of the public who would live in these urban centers if these desirable, convenient, attractive, affordable, and livable places to live were available;
((444)) (b) That the development of additional and desirable residential units, including affordable housing units, in these urban centers that will attract and maintain a significant increase in the number of permanent residents in these areas will help to alleviate the detrimental conditions and social liability that tend to exist in the absence of a viable mixed income residential population and will help to achieve the planning goals mandated by the growth management act under RCW 36.70A.020; and
((444)) (c) That planning solutions to solve the problems of urban sprawl often lack incentive and implementation techniques needed to encourage residential redevelopment in those urban centers lacking a sufficient variety of residential opportunities, and it is in the public interest and will benefit, provide, and promote the public health, safety, and welfare to stimulate new or enhanced residential opportunities, including affordable housing opportunities, within urban centers through a tax incentive as provided by this chapter.

(2) Therefore, the legislature intends to achieve multiple goals by incentivizing the development of multiple-unit housing including creating additional affordable housing, encouraging urban development and density, increasing market rate workforce housing, developing permanently affordable housing opportunities, promoting economic investment and recovery, and creating family-wage jobs.

Sec. 2. RCW 84.14.010 and 2017 c 52 s 16 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

1) “Affordable housing” means residential housing that is rented by a person or household whose monthly housing costs, including utilities other than telephone, do not exceed thirty percent of the household’s monthly income. For the purposes of housing intended for owner occupancy, “affordable housing” means residential housing that is within the means of low or moderate-income households.

2) “Campus facilities master plan” means the area that is defined by the University of Washington as necessary for the future growth and development of its campus facilities for campuses authorized under RCW 28B.45.020.

3) “City” means either (a) a city or town with a population of at least fifteen thousand, (b) the largest city or town, if there is no city or town with a population of at least fifteen thousand, located in a county planning under the growth management act, ((444)) (c) a city or town with a population of at least five thousand located in a county subject to the provisions of RCW 36.70A.215, or (d) any city that otherwise does not meet the qualifications under (a) through (c) of this subsection, until December 31, 2031, that complies with RCW 84.14.0201 (1a)(ii) or section 7(1)(b) of this act.

4) “County” means a county with a unicorporated population of at least ((three hundred fifty thousand)) 170,000.

5) “Governing authority” means the local legislative authority of a city or county having jurisdiction over the property for which an exemption may be applied for under this chapter.

This excludes hotels and motels that predominantly offer rental accommodation on a daily or weekly basis.

"(13) "Rehabilitation improvements" means modifications to existing structures, that are vacant for twelve months or longer, that are made to achieve a condition of substantial compliance with existing building codes or modification to existing occupied structures which increase the number of multifamily housing units.

"(14) "Residential targeted area" means an area within an urban center or urban growth area that has been designated by the governing authority as a residential targeted area in accordance with this chapter. (b) Adequate public facilities including streets, sidewalks, lighting, transit, domestic water, and sanitary sewer systems; and
(c) A mixture of uses and activities that may include housing, recreation, and cultural activities in association with either commercial or office, or both, use.

Sec. 3. RCW 84.14.020 and 2020 c 237 s 2 are each amended to read as follows:

(1)(a) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows:

(i) For properties for which applications for certificates of tax exemption eligibility are submitted under this chapter before July 22, 2007, the value is exempt for ten successive years beginning January 1 of the year immediately following the calendar year of issuance of the certificate; ((#4))

(ii) For properties for which applications for certificates of tax exemption eligibility are submitted under this chapter on or after July 22, 2007, the value is exempt:

(A) For eight successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate; ((#4))

(B) For twelve successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under this chapter and meets the conditions in this subsection (1)(a)(ii)(B). For the property to qualify for the twelve-year exemption under this subsection, the applicant must commit to renting or selling at least twenty percent of the multifamily housing units as affordable housing units to low and moderate-income households, and the property must satisfy that commitment and any additional affordability and income eligibility conditions adopted by the local government under this chapter. In the case of projects intended exclusively for owner occupancy, the minimum requirement of this subsection (1)(a)(ii)(B) may be satisfied through housing affordable to low-income or moderate-income households.

(c) For properties receiving an exemption as provided in (a)(i)(B) of this subsection that are in compliance with existing contracts and where the certificate of tax exemption is set to expire after June 11, 2020, but before December 31, 2021, the exemption is extended until December 31, 2021, provided that the property must satisfy any eligibility criteria or limitations provided in this chapter as a condition to the existing exemption for a given property continue to be met. For all properties eligible to receive an extension pursuant to this subsection (1)(c), the city or county that issued the initial certificate of tax exemption, as required in RCW 84.14.090, must notify the county assessor and the applicant of the extension of the certificate of tax exemption.

(2) When a local government adopts guidelines pursuant to RCW 84.14.030(2) and includes conditions that must be satisfied with respect to individual dwelling units, rather than with respect to the multiple-unit housing as a whole or some minimum portion thereof, the exemption may, at the local government’s discretion, be limited to the value of the qualifying improvements allocable to those dwelling units that meet the local guidelines.

(3) In the case of rehabilitation of existing buildings, the
exemption does not include the value of improvements constructed prior to the submission of the application required under this chapter. The incentive provided by this chapter is in addition to any other incentives, tax credits, grants, or other incentives provided by law.

(4) This chapter does not apply to increases in assessed valuation made by the assessor on nonqualifying portions of building and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

(5) At the conclusion of the exemption period, the (new or rehabilitated housing cost shall) value of the new housing construction, conversion, or rehabilitation improvements must be considered as new construction for the purposes of (chapter 84.55 RCW) chapters 84.55 and 36.21 RCW as though the property was not exempt under this chapter.

(6) For properties that qualified for, satisfied the conditions of, and utilized the exemption under subsection (1)(a)(ii)(A) or (B) of this section, following the initial exemption period or the extension period authorized in subsection (1)(c) of this section, the exemption period may be extended for an additional 12 years for projects that are within 18 months of expiration contingent on city or county approval. For the property to qualify for an extension under this subsection (6), the applicant must meet at a minimum the locally adopted requirements for the property to qualify for an exemption under subsection (1)(a)(ii)(B) of this section as applicable at the time of the extension application, and the applicant commits to renting or selling at least 20 percent of the multifamily housing units as affordable housing units for low-income households.

(7) At the end of both the tenth and eleventh years of an extension, for twelve-year extensions of the exemption, applicants must provide tenants of rent-restricted units with notification of intent to provide the tenant with rental relocation assistance as provided in subsection (8) of this section.

(8)(a) Except as provided in (b) of this subsection, for any 12-year exemption authorized under subsection (1)(a)(ii)(B) or (iii) of this section after the effective date of this section, or for any 12-year exemption extension authorized under subsection (6) of this section, at the expiration of the exemption the applicant must provide tenant relocation assistance in an amount equal to one month's rent to a qualified tenant within the final month of the qualified tenant's lease. To be eligible for tenant relocation assistance under this subsection, the tenant must occupy an income-restricted unit at the time the exemption expires and must qualify as a low-income household under this chapter at the time relocation assistance is sought.

(b) If affordability requirements consistent, at a minimum, with those required under subsection (1)(a)(ii)(B) or (iii) of this section remain in place for the unit after the expiration of the exemption, relocation assistance in an amount equal to one month's rent must be provided to a qualified tenant within the final month of a qualified tenant's lease who occupies an income-restricted unit at the time those additional affordability requirements cease to apply to the unit.

(9) No new exemptions may be provided under this section beginning on or after January 1, 2032. No extensions may be granted under subsection (6) of this section on or after January 1, 2046.

Sec. 4. RCW 84.14.040 and 2014 c 96 s 4 are each amended to read as follows:

(1) The following criteria must be met before an area may be designated as a residential targeted area:

(a) The area must be within an urban center, as determined by the governing authority;

(b) The area must lack, as determined by the governing authority, sufficient available, desirable, and convenient residential housing, including affordable housing, to meet the needs of the public who would be likely to live in the urban center, if the affordable, desirable, attractive, and livable places to live were available;

(c) The providing of additional housing opportunity, including affordable housing, in the area, as determined by the governing authority, will assist in achieving one or more of the stated purposes of this chapter; (and)

(d) If the residential targeted area is designated by a county, the area must be located in an unincorporated area of the county that is within an urban growth area under RCW 36.70A.110 and the area must be: (i) In a rural county, served by a sewer system and designated by a county prior to January 1, 2013; or (ii) in a county that includes a campus of an institution of higher education, as defined in RCW 28B.92.030, where at least one thousand two hundred students live on campus during the academic year; and (ii) until July 15, 2024, in a county seeking to promote transit supportive densities and efficient land use in an area that is located within a designated urban growth area and within 0.25 miles of a corridor where bus service is scheduled at least every thirty minutes for no less than 10 hours per weekday and is in service or is planned for service to begin within five years of designation; and

(e) For a residential targeted area designated by a county after the effective date of this section, the county governing authority must conduct an evaluation of the risk of potential displacement of residents currently living in the area if the tax incentives authorized in this chapter were to be used in the area. The county may use an existing analysis if one exists. An area may not be designated as a residential targeted area unless: (i) The evaluation finds that the risk of displacement is minimal; or (ii) the governing authority mitigates the risk of displacement with locally adopted mitigation measures such as, but not limited to, ensuring that those directly or indirectly displaced have a first right of refusal to occupy the newly created dwelling units receiving an exemption under this chapter, including the affordable units if they otherwise meet the qualifications.

(2) For the purpose of designating a residential targeted area or areas, the governing authority may adopt a resolution of intention to so designate an area as generally described in the resolution. The resolution must state the time and place of a hearing to be held by the governing authority to consider the designation of the area and may include such other information pertaining to the designation of the area as the governing authority determines to be appropriate to apprise the public of the action intended.

(3) The governing authority must give notice of a hearing held under this chapter by publication of the notice once each week for two consecutive weeks, not less than seven days, nor more than thirty days before the date of the hearing in a paper having a general circulation in the city or county where the proposed residential targeted area is located. The notice must state the time, date, place, and purpose of the hearing and generally identify the area proposed to be designated as a residential targeted area.

(4) Following the hearing, or a continuance of the hearing, the governing authority may designate all or a portion of the area described in the resolution of intent as a residential targeted area if it finds, in its sole discretion, that the criteria in subsections (1) through (3) of this section have been met.

(5) After designation of a residential targeted area, the governing authority must adopt and implement standards and guidelines to be utilized in considering applications and making
the determinations required under RCW 84.14.060. The standards and guidelines must establish basic requirements for both new construction and rehabilitation, which must include:

(a) Application process and procedures;

(b) Income and rent standards for affordable units;

(c) Requirements that address demolition of existing structures and site utilization; and

((16)) (d) Building requirements that may include elements addressing parking, height, density, environmental impact, and compatibility with the existing surrounding property and such other amenities as will attract and keep permanent residents and that will properly enhance the livability of the residential targeted area in which they are to be located.

(6)(a) The governing authority may adopt and implement, either as conditions to eight-year exemptions or as conditions to an extended exemption period under RCW 84.14.020(1)(a)(ii) (B) or (C), or ((16)) as conditions to any combination of exemptions authorized under this chapter, more stringent income eligibility, rent, or sale price limits, including limits that apply to a higher percentage of units, than the minimum conditions for an extended exemption period under RCW 84.14.020(1)(a)(ii) (B) or (C).

(b) Additionally, a governing authority may adopt and implement as a contractual prerequisite to any exemption granted pursuant to RCW 84.14.020:

(i) A requirement that applicants pay at least the prevailing rate of hourly wage established under chapter 39.12 RCW for journey level and apprentice workers on residential and commercial construction;

(ii) Payroll record requirements consistent with RCW 39.12.120(1);

(iii) Apprenticeship utilization requirements consistent with RCW 39.04.310; and

(iv) A contracting inclusion plan developed in consultation with the office of minority and women's business enterprises.

(7) For any multiunit housing located in an unincorporated area of a county, a property owner seeking tax incentives under this chapter must commit to renting or selling at least twenty percent of the multifamily housing units as affordable housing units to low and moderate-income households. In the case of multiunit housing intended exclusively for owner occupancy, the minimum requirement of this subsection ((16)) (7) may be satisfied solely through housing affordable to moderate-income households.

(8) Nothing in this section prevents a governing authority from adopting and implementing additional requirements to any exemption granted under RCW 84.14.020.

Sec. 5. RCW 84.14.100 and 2012 c 194 s 9 are each amended to read as follows:

(1) Thirty days after the anniversary of the date of the certificate of tax exemption and each year for the tax exemption period, the owner of the rehabilitated or newly constructed property, or the qualified nonprofit or local government that will assure permanent affordable homeownership for at least 25 percent of the units for properties receiving an exemption under section 7 of this act, must file with a designated authorized representative of the city or county an annual report indicating the following:

(a) A statement of occupancy and vacancy of the rehabilitated or newly constructed property during the twelve months ending with the anniversary date;

(b) A certification by the owner that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in RCW 84.14.020 since the date of the certificate approved by the city or county;

(c) A description of changes or improvements constructed after issuance of the certificate of tax exemption; and

(d) Any additional information requested by the city or county in regards to the units receiving a tax exemption.

(2) All cities or counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, must report annually by April 1st of each year, beginning in 2007, to the department of commerce. A city or county must be in compliance with the reporting requirements of this section to offer certificates of tax exemption for multiunit housing authorized in this chapter. The report must include the following information:

(a) The number of tax exemption certificates granted;

(b) The total number and type of units produced or to be produced;

(c) The number, size, and type of units produced or to be produced meeting affordable housing requirements;

(d) The actual development cost of each unit produced;

(e) The total monthly rent or total sale amount of each unit produced;

(f) The annual household income ((of each renter household at the time of initial occupancy and the income of each initial purchaser of owner occupied units at the time of purchase)) and household size for each of the affordable units receiving a tax exemption and a summary of these figures for the city or county; and

(g) The value of the tax exemption for each project receiving a tax exemption and the total value of tax exemptions granted.

(3)(a) The department of commerce must adopt and implement a program to effectively audit or review that the owner or operator of each property for which a certificate of tax exemption has been issued, except for those properties receiving an exemption that are owned or operated by a nonprofit or for those properties receiving an exemption from a city or county that operates an independent audit or review program, is offering the number of units at rents as committed to in the approved application for an exemption and that the tenants are being properly screened to be qualified for an income-restricted unit. The audit or review program must be adopted in consultation with local governments and other stakeholders and may be based on auditing a percentage of income-restricted units or properties annually. A private owner or operator of a property for which a certificate of tax exemption has been issued under this chapter, must be audited at least once every five years.

(b) If the review or audit required under (a) of this subsection for a given property finds that the owner or operator is not offering the number of units at rents as committed to in the approved application or is not properly screening tenants for income-restricted units, the department of commerce must notify the city or county and the city or county must impose and collect a sliding scale penalty not to exceed an amount calculated by subtracting the amount of rents that would have been collected had the owner or operator complied with their commitment from the amount of rents collected by the owner or operator for the income-restricted units, with consideration of the severity of the noncompliance. If a subsequent review or audit required under (a) of this subsection for a given property finds continued substantial noncompliance with the program requirements, the exemption certificate must be canceled pursuant to RCW 84.14.110.

(c) The department of commerce may impose and collect a fee, not to exceed the costs of the audit or review, from the owner or operator of any property subject to an audit or review required under (a) of this subsection.

(4) The department of commerce must provide guidance to cities and counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, on best practices in managing and reporting for the
exemption programs authorized under this chapter, including
guidance for cities and counties to collect and report demographic
information for tenants of units receiving a tax exemption under
this chapter.

(5) This section expires January 1, 2058.

NEW SECTION. Sec. 6. (1) This section is the tax preference performance statement for the tax preferences contained in section 3, chapter . . ., Laws of 2021 (section 3 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these tax preferences as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to:
(a) Incentivize developers to construct or rehabilitate multifamily housing;
(b) Incentivize local governments and multifamily housing owners to maintain or expand existing income-restricted unit stock that have been incentivized through the tax exemption provided under chapter 84.14 RCW via new authority to renew the property tax abatement in exchange for continued or additional affordability; and

(c) Further encourage multifamily construction in cities and certain unincorporated urban growth areas by expanding access to the multifamily tax exemption program to a broader set of jurisdictions.

(4) It is the legislature's intent to provide the value of new housing construction, conversion, and rehabilitation improvements qualifying under chapter 84.14 RCW an exemption from ad valorem property taxation for eight to 12 years or more, as provided for in RCW 84.14.020, in order to provide incentives to developers to construct or rehabilitate multifamily housing thereby increasing the number of affordable housing units, or preserving the state's stock of income-restricted units, for low-income to moderate-income residents in certain urban growth areas.

(5) The legislature intends to extend the expiration date of the tax preferences in section 3, chapter . . ., Laws of 2021 (section 3 of this act), if a review finds that:
(a) Projects receiving an initial eight-year or 12-year exemption regularly enter into subsequent 12-year extensions in exchange for continued or increased income restrictions on affordable units; and

(b) At least 20 percent of the new housing is developed and occupied by households earning:
(i) At or below 80 percent of the area median income, at the time of occupancy, adjusted for family size for the county in which the project is located; or

(ii) Where the housing is intended exclusively for owner occupancy, up to 115 percent of the area median income, at the time of sale, adjusted for family size for the county in which the project is located.

(6) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee must refer to the annual reports compiled by the department of commerce under RCW 84.14.100 and may refer to data provided by counties or cities in which persons are utilizing the preferences, the office of financial management, the department of commerce, the United States department of housing and urban development, and any other data sources, as needed by the joint legislative audit and review committee.

NEW SECTION. Sec. 7. A new section is added to chapter 84.14 RCW to read as follows:

(1)(a) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows: For 20 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under this chapter and meets the conditions in this section. For the property to qualify for the 20-year exemption under this section, at least 25 percent of the units must be built by or sold to a qualified nonprofit or local government that will assure permanent affordable homeownership. The remaining 75 percent of units may be rented or sold at market rates.

(b) Until December 31, 2031, for a city as defined in RCW 84.14.010(3)(d), in any city the value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows: For 20 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, the property otherwise qualifies for the exemption under this chapter and meets the conditions in this section. For the property to qualify for the 20-year exemption under this section, at least 25 percent of the units must be sold to a qualified nonprofit or local government partner that will assure permanent affordable homeownership. The remaining 75 percent of units may be rented or sold at market rates. The area must be zoned to have an average minimum density equivalent to 15 dwelling units or more per gross acre, or for cities with a population over 20,000, the area must be zoned to have an average minimum density equivalent to 25 dwelling units or more per gross acre.

(2) Permanently affordable homeownership units or permanently affordable rental units must be sold or rented to households earning no more than 80 percent of the average median income for the city or local jurisdiction in which the unit is located.

(3) A local jurisdiction may assign and collect an administration fee at each point of sale to cover the administrative costs for oversight of the program to maintain permanently affordable housing units consistent with this section.

(4) The exemptions in this section do not include the value of land or nonhousing-related improvements not qualifying under this chapter.

(5) At the conclusion of the exemption period, the value of the new housing construction, conversion, or rehabilitation improvements must be considered as new construction for the purposes of chapters 84.55 and 36.21 RCW as though the property was not exempt under this chapter.

(6) For purposes of this section, "permanently affordable homeownership" means homeownership that, in addition to meeting the definition of "affordable housing" in RCW 43.185A.010, is:
(a) Sponsored by a nonprofit organization or governmental entity;

(b) Subject to a ground lease or deed restriction that includes:
(i) A resale restriction designed to provide affordability for future low and moderate-income homebuyers;

(ii) A right of first refusal for the sponsor organization to purchase the home at resale; and

(iii) A requirement that the sponsor must approve any refinancing, including home equity lines of credit; and

(c) Sponsored by a nonprofit organization or governmental entity and the sponsor organization:
(i) Executes a new ground lease or deed restriction with a duration of at least 99 years at the initial sale and with each successive sale; and
(ii) Supports homeowners and enforces the ground lease or deed restriction.

(7) The department of commerce must develop a template for permanent affordability for home or condo ownership through deed restrictions that can be used by a city or local government to ensure compliance with this section.

(8) No new exemptions may be provided under this section beginning on or after January 1, 2032.

NEW SECTION. Sec. 8. (1) This section is the tax preference performance statement for the tax preference contained in section 7, chapter . . ., Laws of 2021 (section 7 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these tax preferences as ones intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature’s specific public policy objective to incentivize developers to construct or rehabilitate permanently affordable homeownership units.

(4) It is the legislature's intent to provide the value of new housing construction, conversion, and rehabilitation improvements qualifying under chapter 84.14 RCW an exemption from ad valorem property taxation for 20 years, as provided for in section 7 of this act, in order to provide incentives to developers to construct or rehabilitate multifamily housing thereby increasing the number of permanently affordable homeownership units.

(5) The legislature intends to extend the expiration date of the tax preferences in section 7, chapter . . ., Laws of 2021 (section 7 of this act), if a review finds that:

(a) The number of local governments utilizing the permanently affordable homeownership tax exemption program authorized in section 7 of this act increases over time;

(b) The number of permanently affordable homeownership units increases; and

(c) The income level of those households benefiting from the permanently affordable homeownership units is consistent with the requirements of section 7 of this act.

(6) In order to obtain the data necessary to perform the review in subsection (5) of this section, the joint legislative audit and review committee must refer to the annual reports compiled by the department of commerce under RCW 84.14.100 and may refer to data provided by counties or cities in which persons are utilizing the preferences, the office of financial management, the department of commerce, the United States department of housing and urban development, and any other data sources, as needed by the joint legislative audit and review committee.

Sec. 9. RCW 84.14.030 and 2012 c 194 s 3 are each amended to read as follows:

An owner of property making application under this chapter must meet the following requirements:

(1) The new or rehabilitated multiple-unit housing must be located in a residential targeted area as designated by the city or county;

(2) The multiple-unit housing must meet guidelines as adopted by the governing authority that may include height, density, public benefit features, number and size of proposed development, parking, income limits for occupancy, limits on rents or sale prices, and other adopted requirements indicated necessary by the city or county. The required amenities should be relative to the size of the project and tax benefit to be obtained;

(3) The new, converted, or rehabilitated multiple-unit housing must provide for a minimum of fifty percent of the space for permanent residential occupancy. In the case of existing occupied multifamily development, the multifamily housing must also provide for a minimum of four additional multifamily units. Existing multifamily vacant housing that has been vacant for twelve months or more does not have to provide additional multifamily units;

(4) New construction multifamily housing and rehabilitation improvements must be completed within three years from the date of approval of the application, plus any extension authorized under RCW 84.14.090(5);

(5) Property proposed to be rehabilitated must fail to comply with one or more standards of the applicable state or local building or housing codes on or after July 23, 1995. If the property proposed to be rehabilitated is not vacant, an applicant must provide each existing tenant housing of comparable size, quality, and price and a reasonable opportunity to relocate; and

(6) The applicant must enter into a contract with the city or county approved by the governing authority, or an administrative official or commission authorized by the governing authority, under which the applicant has agreed to the implementation of the development on terms and conditions satisfactory to the governing authority.

Sec. 10. RCW 84.14.090 and 2012 c 194 s 8 are each amended to read as follows:

(1) Upon completion of rehabilitation or new construction for which an application for a limited tax exemption under this chapter has been approved and after issuance of the certificate of occupancy, the owner must file with the city or county the following:

(a) A statement of the amount of rehabilitation or construction expenditures made with respect to each housing unit and the composite expenditures made in the rehabilitation or construction of the entire property;

(b) A description of the work that has been completed and a statement that the rehabilitation improvements or new construction on the owner's property qualify the property for limited exemption under this chapter;

(c) If applicable, a statement that the project meets the affordable housing requirements as described in RCW 84.14.020; and

(d) A statement that the work has been completed within three years of the issuance of the conditional certificate of tax exemption.

(2) Within thirty days after receipt of the statements required under subsection (1) of this section, the authorized representative of the city or county must determine whether the work completed, and the affordability of the units, is consistent with the application and the contract approved by the city or county and is qualified for a limited tax exemption under this chapter. The city or county must also determine which specific improvements completed meet the requirements and required findings.

(3) If the rehabilitation, conversion, or construction is completed within three years of the date the application for a limited tax exemption is filed under this chapter, or within an authorized extension of this time limit, and the authorized representative of the city or county determines that improvements were constructed consistent with the application and other applicable requirements, including if applicable, affordable housing requirements, and the owner's property is qualified for a limited tax exemption under this chapter, the city or county must file the certificate of tax exemption with the county assessor within ten days of the expiration of the thirty-day period provided under subsection (2) of this section.

(4) The authorized representative of the city or county must notify the applicant that a certificate of tax exemption is not going to be filed if the authorized representative determines that:

(a) The rehabilitation or new construction was not completed
within three years of the application date, or within any authorized extension of the time limit;

(b) The improvements were not constructed consistent with the application or other applicable requirements;

(c) If applicable, the affordable housing requirements as described in RCW 84.14.020 were not met; or

(d) The owner's property is otherwise not qualified for limited exemption under this chapter.

(5) If the authorized representative of the city or county finds that construction or rehabilitation of multiple-unit housing was not completed within the required time period due to circumstances beyond the control of the owner and that the owner has been acting and could reasonably be expected to act in good faith and with due diligence, the governing authority or the city or county official authorized by the governing authority may extend the deadline for completion of construction or rehabilitation for a period not to exceed twenty-four consecutive months. For preliminary or final applications submitted on or before February 15, 2020, with any outstanding application requirements, such as obtaining a temporary certificate of occupancy, the city or county may choose to extend the deadline for completion for an additional five years. The five-year extension begins immediately following the completion of any outstanding applications or previously authorized extensions, whichever is later.

(6) The governing authority may provide by ordinance for an appeal of a decision by the deciding officer or authority that an owner is not entitled to a certificate of tax exemption to the governing authority, a hearing examiner, or other city or county officer authorized by the governing authority to hear the appeal in accordance with such reasonable procedures and time periods as provided by ordinance of the governing authority. The owner may appeal a decision by the deciding officer or authority that is not subject to local appeal or a decision by the local appeal authority that the owner is not entitled to a certificate of tax exemption in superior court under RCW 34.05.510 through 34.05.598, if the appeal is filed within thirty days of notification by the city or county to the owner of the decision being challenged."

MESSAGE FROM THE HOUSE

April 10, 2021

MR. PRESIDENT:
The House passed SENATE BILL NO. 5345 with the following amendment(s): 5345 AMH ENVI H1361.3

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that industrial symbiosis networks create valuable collaborative opportunities where the underutilized resources of one company, such as waste, by-products, residues, energy, water, logistics, capacity, expertise, equipment, and materials may be used by another. The legislature further finds that many existing businesses and organizations in the state have the potential to partner in the establishment of these networks, and the formation of industrial symbiosis innovation hubs at the state and local level would facilitate a systems approach that identifies business opportunities to improve resource utilization and productivity for a more sustainable and integrated industrial economy.

Therefore, the legislature intends to establish a statewide industrial waste coordination program in order to nurture and coordinate existing industrial symbiosis efforts and to catalyze new industrial symbiosis opportunities. Furthermore, the legislature intends to establish the program in order to: Find ways of turning waste and by-products into valued resource inputs; reduce waste management costs; generate new business opportunities; increase the size and diversity of business networks; identify means of improving environmental performance; achieve environmental justice in goals and policies; incentivize pathways to family-wage, green jobs; expand the regional circular economy; and drive innovation.

NEW SECTION. Sec. 2. A new section is added to chapter 43.31 RCW to read as follows:

(1) An industrial waste coordination program is established in order to provide expertise, technical assistance, and best practices to support local industrial symbiosis projects.

(2) The industrial waste coordination program must be administered by the department of commerce and administered regionally, with each region provided with a dedicated facilitator and technical and administrative support.

(3) The industrial waste coordination program must facilitate waste exchange by:

(a) Developing inventories of industrial waste innovation
currently in operation;

(b) Generating a material flow data collection system in order to capture and manage data on resource availability and potential synergies;

(c) Establishing guidance and best practices for emerging local industrial resource hubs, which must include a consideration of steps to avoid creating or worsening negative impacts to overburdened communities as identified by tools such as the department of health’s environmental health disparities map;

(d) Identifying access to capital in order to fund projects, including federal, state, local, and private funding;

(e) Developing economic, environmental, and health disparities metrics to measure the results of industrial or commercial hubs;

(f) Hosting workshops and connecting regional businesses, governments, utilities, research institutions, and other organizations in order to identify opportunities for resource collaboration;

(g) Assisting entities throughout the entire life cycle of industrial symbiosis projects, from identification of opportunities to full project implementation;

(h) Developing economic cluster initiatives in order to spur growth and innovation; and

(i) Making any additional recommendations to the legislature in order to incentivize and facilitate industrial symbiosis.

(4) The department of commerce may coordinate with other agencies, representatives of business and manufacturing networks, and other entities in order to develop material flow generation data and increase multisectoral outreach.

(5) In generating the material flow data collection system under subsections (3)(b) and (4) of this section, the department of commerce may only use publicly available data or data voluntarily provided by program participants. No entity may be required to disclose material flow data. The department of commerce must keep any proprietary business information confidential and such information is exempt from public disclosure, as provided in RCW 42.56.270.

NEW SECTION. Sec. 3. A new section is added to chapter 43.31 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, a competitive industrial symbiosis grant program is established in order to provide grants for the research, development, and deployment of local waste coordination projects.

(2) Grants may go towards:

(a) Existing industrial symbiosis efforts by public or private sector organizations;

(b) Emerging industrial symbiosis opportunities involving public or private sector organizations, including projects arising from:

(i) The industrial waste coordination program established in section 2 of this act;

(ii) Conceptual work completed by public utilities to redirect their wastes to productive use; or

(iii) Existing inventories or project concepts involving specific biobased wastes converted to renewable natural gas;

(c) Research on product development using a specific waste flow;

(d) Feasibility studies to evaluate potential biobased resources;

(e) Feasibility studies for publicly owned utilities to evaluate business models to transform to multiutility operations or for the evaluation of potential symbiosis connections with other regional businesses; or

(f) Other local waste coordination projects as determined by the department of commerce.

(3) The department of commerce must develop a method and criteria for the allocation of grants, subject to the following:

(a) Project allocation should reflect geographic diversity, with grants being distributed equally in western and eastern parts of the state, urban and rural areas, and small towns and large cities;

(b) Project allocation should consider factors such as time to implementation and scale of economic or environmental benefits;

(c) Grants must require a one-to-one nonstate to state match;

(d) Individual grant awards may not exceed $500,000; and

(e) Project allocation should avoid creating or worsening environmental health disparities and should make use of tools such as the department of health’s environmental health disparities map.

SENATE BILL NO. 5345

NEW SECTION.

Sec. 1. The legislature finds that community engagement is a foundational principle of successful community policing practices. When individuals and neighborhood groups are encouraged to partner with law enforcement, a powerful alliance can be built on mutual trust and respect and mitigate polarization between police departments and community groups. A successful community-police partnership leads to the achievement of shared goals of improving safety and quality of life and ensuring that public safety services are tailored to the needs of local communities.

The legislature recognizes current efforts in Washington to mobilize communities to insist on equitable and accountable practices that will result in community participation in public safety efforts as well as establish cooperative lines of communication between civilians and law enforcement. Laudable community engagement models such as the safe streets campaign in Pierce county, safe Yakima in Yakima county, and the Okanogan county community coalition are recognized to mitigate crime trends by engaging the community and law enforcement in cooperative efforts to improve public safety.

The department of commerce intends to foster community engagement with law enforcement officers through the creation of a community engagement project in 15 communities across the state of Washington with a mix of urban, rural, and suburban areas to facilitate community-law enforcement partnerships and improve police-community relations. The department will implement a project evaluation to measure and examine the impact of local initiatives on community engagement, neighborhood safety, and positive community-police relations.

The funded projects will facilitate the empowerment of communities to engage in crime prevention efforts through neighborhood organizing, law enforcement-community partnerships, youth mobilization, and business engagement.

NEW SECTION. Sec. 2. A new section is added to chapter 43.330 RCW to read as follows:

Inpatient medicaid payments shall be established using an allowable methodology that approximates the cost of claims submitted by the hospitals. Payments made to each hospital in the program in each fiscal year of the biennium shall be compared to a baseline amount. The baseline amount will be determined by the total of (a) the inpatient claim payment amounts that would have been paid during the fiscal year had the hospital not been in the CPE program based on the reimbursement rates developed, implemented, and consistent with policies approved in the 2021-2023 biennial operating appropriations act and in effect on July 1, 2015, (b) one-half of the indigent assistance disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005, and (c) all of the other disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005 to the extent the same disproportionate share hospital programs exist in the 2019-2021 fiscal biennium. The appropriations in this section are subject to the following conditions and limitations:

(1) (a) $80,273,000 of the general fund—state appropriation for fiscal year 2022, $97,767,000 of the general fund—state appropriation for fiscal year 2023, $24,070,000 of the education legacy trust account—state appropriation, $80,000,000 of the opportunity pathways account appropriation, and $23,300,000 of the general fund—federal appropriation (GEER) are provided solely for the early childhood education and assistance program. These amounts shall support at least 16,762 slots in fiscal year 2022 and 17,412 slots in fiscal year 2023. Of the total slots in each fiscal year, 100 slots must be reserved for foster children to receive school-year-round enrollment.

(b) Of the amounts provided in this subsection, $7,100,000 of the general fund—state appropriation for fiscal year 2022 and $12,938,000 of the general fund—federal appropriation (GEER) are for a slot rate increase of seven percent beginning July 1, 2021, pursuant to Engrossed Second Substitute House Bill No. 1213 (child care & early dev. exp.).

(c) The department of children, youth, and families must develop a methodology to identify, at the school district level, the geographic locations of where early childhood education and assistance program slots are needed to meet the entitlement specified in RCW 43.216.556. This methodology must be linked to the caseload forecast produced by the caseload forecast council and must include estimates of the number of slots needed at each school district and the corresponding facility needs required to meet the entitlement in accordance with RCW 43.216.556. (5) The legislature recognizes that the federal government has provided substantial additional funding through the coronavirus response and relief supplemental appropriations act, P.L. 116-260, division M., and the American rescue plan act of 2021. The purpose of the additional federal funding was to ensure access to affordable child care and to stabilize and support child care providers from the effects of the COVID-19 pandemic. The legislature intends with the passage of Engrossed Second Substitute House Bill No. 1213 to implement these federal purposes by expanding eligibility for subsidized child care, reducing parent copayments, increasing provider base rates to recognize increased costs, and to provide other financial support to stabilize the child care sector to remain open or to reopen. The legislature finds that the state lacked the fiscal capacity to make these investments and the additional federal funding has provided the opportunity to supplement state funding to expand and accelerate child care access, affordability, and provider support as the state navigates the COVID-19 pandemic and its aftermath.

(6) $20,110,000 of the general fund—state appropriation in fiscal year 2022, $45,748,000 of the general fund—state appropriation in fiscal year 2023, $283,375,000 of the general fund—federal appropriation, $36,501,000 of the general fund—federal appropriation (CARES), $63,835,000 of the general fund—federal appropriation (CRRSA), and $103,321,000 of the general fund—federal appropriation (ARPA) are provided solely...

The state and the representative for family child care providers must enter into bargaining over the implementation of subsidy rate increases, and apply those increases consistent with the terms of this proviso and the agreement reached between the parties.

(e) $6,879,000 of the general fund—federal appropriation (CRRSA) and $13,978,000 of the general fund—federal appropriation (ARPA) are provided solely to expand eligibility for the working connections child care program to households at or below 60 percent of state median income.

(vii) Families that received subsidies within the last thirty days and:

(A) Have reapplied for subsidies; and

(B) Have household income of sixty percent of the state median income or below; and

(viii) All other eligible families.

(i) On July 1, 2021, and July 1, 2022, the department, in collaboration with the department of social and health services, must report to the governor and the appropriate fiscal and policy committees of the legislature on the status of overpayments in the working connections child care program. The appropriations in this section are subject to the following conditions and limitations:

1. The appropriations in this section are provided solely for expenditure into the information technology investment revolving account created in RCW 43.41.433. Amounts in the account are provided solely for the information technology projects shown in LEAP omnibus document IT-2021, dated March 26, 2021, which is hereby incorporated by reference. To facilitate the transfer of moneys from other funds and accounts that are associated with projects contained in LEAP omnibus document IT-2021, dated March 26, 2021, the state treasurer is directed to transfer moneys from other funds and accounts to the information technology investment revolving account in accordance with schedules provided by the office of financial management. Restricted federal funds may be transferred only to the extent permitted by law, and will otherwise remain outside the information technology investment account. The projects affected remain subject to the other provisions of this section.

2. Agencies must apply to the office of financial management and the office of the chief information officer to receive funding from the information technology investment revolving account. The office of financial management must notify the fiscal committees of the legislature of the receipt of each application and may not approve a funding request for ten business days from the date of notification.

3. Allocations and allotments of information technology investment revolving account must be made for discrete stages of projects as determined by the technology budget approved by the office of the chief information officer and office of financial management. Fifteen percent of total funding allocated by the office of financial management, or another amount as defined jointly by the office of financial management and the office of the chief information officer, will be retained in the account, but remain allocated to that project. The retained funding will be released to the agency only after successful completion of that stage of the project. For the one Washington project, the amount retained is increased to at least twenty percent of total funding allocated for any stage of that project.

4(a) Each project must have a technology budget. The technology budget must use a method similar to the state capital budget, identifying project costs, each fund source, and anticipated deliverables through each stage of the entire project investment and across fiscal periods and biennia from project onset through implementation and close out.

(b) As part of the development of a technology budget and at each request for funding, the agency shall submit detailed financial information to the office of financial management and the office of the chief information officer. The technology budget must describe the total cost of the project to include and identify:

(i) Fund sources;

(ii) Full time equivalent staffing level to include job classification assumptions;

(iii) Discrete financial budget codes;

(iv) Subobject codes of expenditures; and

(v) Anticipated deliverables.

(c) If a project technology budget changes and a revised technology budget is completed, a comparison of the revised technology budget to the last approved technology budget must be posted to the dashboard, to include a narrative rationale on what changed, why, and how that impacts the project in scope, budget, and schedule.

5(a) Each project must have an investment plan that includes:

(i) An organizational chart of the project management team that identifies team members and their roles and responsibilities;

(ii) The office of the chief information officer staff assigned to the project;

(iii) An implementation schedule covering activities, critical milestones, and deliverables at each stage of the project for the life of the project at each agency affected by the project;

(iv) Performance measures used to determine that the project is on time, within budget, and meeting expectations for quality of work product; and

(v) Ongoing maintenance and operations cost of the project post implementation and close out delineated by agency staffing, contracted staffing, and service level agreements.

6 Projects with estimated costs greater than one hundred million dollars from initiation to completion and implementation may be divided into discrete subprojects as determined by the office of the chief information officer, except for the one Washington project which must be divided into the following discrete subprojects: Core financials, expanding financials and procurement, budget, and human resources. Each subproject must have a technology budget and investment plan as provided in this section.

7(a) The office of the chief information officer shall maintain an information technology project dashboard that provides updated information each fiscal month on projects subject to this section. This includes, at least:

(i) Project changes each fiscal month;

(ii) Noting if the project has a completed market requirements document;

(iii) Financial status of information technology projects under oversight;

(iv) Coordination with agencies;

(v) Monthly quality assurance reports, if applicable;

(vi) Monthly office of the chief information officer status reports:

(vii) Historical project budget and expenditures through fiscal year 2021;

(viii) Budget and expenditures each fiscal month; and

(ix) Estimated annual maintenance and operations costs by fiscal year.

(b) The dashboard must retain a roll up of the entire project...
cost, including all subprojects, that can display subproject detail.

(8) If the project affects more than one agency:
(a) A separate technology budget and investment plan must be prepared for each agency; and
(b) The dashboard must contain a statewide project technology budget roll up that includes each affected agency at the subproject level.

(9) For any project that exceeds two million dollars in total funds to complete, requires more than one biennium to complete, or is financed through financial contracts, bonds, or other indebtedness:
(a) Quality assurance for the project must report independently to the office of the chief information officer;
(b) The office of the chief information officer must review, and, if necessary, revise the proposed project to ensure it is flexible and adaptable to advances in technology;
(c) The technology budget must specifically identify the uses of any financing proceeds. No more than thirty percent of the financing proceeds may be used for payroll-related costs for state employees assigned to project management, installation, testing, or training;
(d) The agency must consult with the office of the state treasurer during the competitive procurement process to evaluate early in the process whether products and services to be solicited and the responsive bids from a solicitation may be financed; and
(e) The agency must consult with the contracting division of the department of enterprise services for a review of all contracts and agreements related to the project's information technology procurements.

(10) The office of the chief information officer must evaluate the project at each stage and certify whether the project is planned, managed, and meeting deliverable targets as defined in the project's approved technology budget and investment plan.

(11) The office of the chief information officer may suspend or terminate a project at any time if it determines that the project is not meeting or not expected to meet anticipated performance and technology outcomes. Once suspension or termination occurs, the agency shall unallot any unused funding and shall not make any expenditure for the project without the approval of the office of financial management. The office of the chief information officer must report on July 1 and December 1 each calendar year any suspension or termination of a project in the previous six month period to the legislative fiscal committees.

(12) The office of the chief information officer, in consultation with the office of financial management, may identify additional projects to be subject to this section, including projects that are not separately identified within an agency budget. The office of the chief information officer must report on July 1 and December 1 each calendar year any additional projects to be subject to this section that were identified in the previous six month period to the legislative fiscal committees.

(13) Any cost to administer or implement this section for projects listed in subsection (1) of this section, must be paid from the information technology investment revolving account. For any other information technology project made subject to the conditions, limitations, and review of this section, the cost to implement this section must be paid from the funds for that project.

(14) The following information technology projects are subject to the conditions, limitations, and review in this section:
(a) The unclaimed property system project of the department of revenue;
(b) The one Washington procurement project of the department of enterprise services;

The legislature shall not consider a request for funds to implement a collective bargaining agreement unless the request is transmitted to the legislature as part of the governor's budget document submitted under RCW 43.88.030 and 43.88.060. If the legislature rejects or fails to act on the submission, either party may reopen all or part of the agreement or the exclusive bargaining representative may seek to implement the procedures provided for in RCW 41.80.090.

(4)(a)(i) For the purpose of negotiating agreements for institutions of higher education, the employer shall be the respective governing board of each of the universities, colleges, or community colleges or a designee chosen by the board to negotiate on its behalf.

(ii) A governing board of a university or college may elect to have its negotiations conducted by the governor or governor's designee under the procedures provided for general government agencies in subsections (1) through (3) of this section, except that:

(A) The governor or the governor's designee and an exclusive
bargaining representative shall negotiate one master collective bargaining agreement for all of the bargaining units of employees of a university or college that the representative represents; or

(B) If the parties mutually agree, the governor or the governor's designee and an exclusive bargaining representative shall negotiate one master collective bargaining agreement for all of the bargaining units of employees of more than one university or college that the representative represents.

(c)(i) In the case of bargaining agreements reached between institutions of higher education other than the University of Washington and exclusive bargaining representatives agreed to under the provisions of this chapter, if appropriations are necessary to implement the compensation and fringe benefit provisions of the bargaining agreements, the governor shall submit a request for such funds to the legislature according to the provisions of subsection (3) of this section, except as provided in (c)(iii) of this subsection.

(ii) In the case of bargaining agreements reached between the University of Washington and exclusive bargaining representatives agreed to under the provisions of this chapter, if appropriations are necessary to implement the compensation and fringe benefit provisions of a bargaining agreement, the governor shall submit a request for such funds to the legislature according to the provisions of subsection (3) of this section, except as provided in this subsection (4)(c)(ii) and as provided in (c)(iii) of this subsection.

(C) If the director of the office of financial management does not certify a request under (c)(ii)(B) of this subsection as being feasible financially for the state, the parties shall enter into collective bargaining solely for the purpose of reaching a mutually agreed upon modification of the agreement necessary to address the absence of those requested funds. The legislature may act upon the compensation and fringe benefit provisions of the modified collective bargaining agreement if those provisions are agreed upon and submitted to the office of financial management and legislative budget committees before final legislative action on the biennial or supplemental operating budget by the sitting legislature.

(iii) In the case of a bargaining unit of employees of institutions of higher education in which the exclusive bargaining representative is certified during or after the conclusion of a legislative session, the legislature may act upon the compensation and fringe benefit provisions of the unit's initial collective bargaining agreement if those provisions are agreed upon and submitted to the office of financial management and legislative budget committees before final legislative action on the biennial or supplemental operating budget by the sitting legislature.

(5) If, after the compensation and fringe benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(6) After the expiration date of a collective bargaining agreement negotiated under this chapter, all of the terms and conditions specified in the collective bargaining agreement remain in effect until the effective date of a subsequently negotiated agreement, not to exceed one year from the expiration date stated in the agreement. Thereafter, the employer may unilaterally implement according to law.

(ii) For each fiscal year, the legislature must appropriate a
minimum of five hundred eleven thousand dollars to the office of
the superintendent of public instruction under this subsection
(2)(f); and

(g) At the end of each fiscal year, the treasurer must transfer
any amounts in the dedicated marijuana account that are not
appropriated pursuant to subsection (1) of this section and this
subsection (2) into the general fund, except as provided in (g)(i)
of this subsection (2).

(i) Beginning in fiscal year 2018, if marijuana excise tax
collections deposited into the general fund in the prior fiscal year
exceed twenty-five million dollars, then each fiscal year the
legislature must appropriate an amount equal to thirty percent of
all marijuana excise taxes deposited into the general fund the prior
fiscal year to the treasurer for distribution to counties, cities, and
towns as follows:

(A) Thirty percent must be distributed to counties, cities, and
towns where licensed marijuana retailers are physically located.
Each jurisdiction must receive a share of the revenue distribution
under this subsection (2)(g)(ii)(A) based on the proportional share of
the total revenues generated in the individual jurisdiction from the
taxes collected under RCW 69.50.535, from licensed
marijuana retailers physically located in each jurisdiction. For
purposes of this subsection (2)(g)(ii)(A), one hundred percent of
the proportional amount attributed to a retailer physically located in a city or town must be distributed to the city or town.

(B) Seventy percent must be distributed to counties, cities, and towns ratably on a per capita basis. Counties must receive sixty percent of the distribution, which must be disbursed based on each county's total proportional population. Funds may only be distributed to jurisdictions that do not prohibit the siting of any state licensed marijuana producer, processor, or retailer.

(ii) Distribution amounts allocated to each county, city, and town must be distributed in four installments by the last day of each fiscal quarter.

(iii) By September 15th of each year, the board must provide the state treasurer the annual distribution amount, if any, for each county and city as determined in (g)(i) of this subsection (2).

(iv) The total share of marijuana excise tax revenues distributed to counties and cities in (g)(i) of this subsection (2) may not exceed fifteen million dollars in fiscal years (2018, 2019, 2020, and 2021), twenty million dollars per fiscal year thereafter. It is the intent of the legislature that the policy for the maximum distributions in the subsequent fiscal biennia will be no more than fifteen million dollars per fiscal year.

Sec. 969. RCW 70A.305.180 and 2020 c 20 s 1319 are each amended to read as follows:

(1) The model toxics control operating account is hereby created in the state treasury.

(2) Moneys in the model toxics control operating account must be used only to carry out the purposes of this chapter, including but not limited to the following:

(a) The state’s responsibility for hazardous waste planning, management, regulation, enforcement, technical assistance, and public education required under chapter 70A.300 RCW;

(o) Petroleum-based plastic or expanded polystyrene foam debris clean-up activities in fresh or marine waters; and

(p) For the 2021-2023 fiscal biennium, and solely to continue the policy of previous biennia, forest practices at the department of natural resources.

(3) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in model toxics control operating account may be spent only after appropriation by statute.

(4) One percent of the moneys collected under RCW 82.21.030 must be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation that are not expended at the close of any biennium revert to the model toxics control operating account.

(5) The department must adopt rules for grant or loan issuance and performance.

Sec. 970. RCW 71.24.580 and 2020 c 357 s 917 are each amended to read as follows:

(1) The criminal justice treatment account is created in the state treasury. Moneys in the account may be expended solely for: (a) Substance use disorder treatment and treatment support services for offenders with a substance use disorder that, if not treated, would result in addiction, against whom charges are filed by a prosecuting attorney in Washington state; (b) the provision of substance use disorder treatment services and treatment support services for nonviolent offenders within a drug court program; and (c) the administrative and overhead costs associated with the operation of a drug court. Amounts provided in this subsection must be used for treatment and recovery support services for criminally involved offenders and authorization of these services shall not be subject to determinations of medical necessity.

(2) For purposes of this section:

(a) “Treatment” means services that are critical to a participant's successful completion of his or her substance use disorder treatment program, including but not limited to the recovery support and other programmatic elements outlined in RCW 2.30.030 authorizing therapeutic courts; and

(b) “Treatment support” includes transportation to or from inpatient or outpatient treatment services when no viable alternative exists, and child care services that are necessary to ensure a participant's ability to attend outpatient treatment sessions.

(3) Revenues to the criminal justice treatment account consist of: (a) Funds transferred to the account pursuant to this section; and (b) any other revenues appropriated to or deposited in the account.

(4)(a) For the fiscal year beginning July 1, 2005, and each subsequent fiscal year, the state treasurer shall transfer eight million two hundred fifty thousand dollars from the general fund to the criminal justice treatment account, divided into four equal quarterly payments. For the fiscal year beginning July 1, 2006, and each subsequent fiscal year, the amount transferred shall be increased on an annual basis by the implicit price deflator as published by the federal bureau of labor statistics.

(b) In each odd-numbered year, the legislature shall appropriate the amount transferred to the criminal justice treatment account...
(5) Moneys appropriated to the authority from the criminal justice treatment account shall be distributed as specified in this subsection. The authority may retain up to three percent of the amount appropriated under subsection (4)(b) of this section for its administrative costs.

(a) Seventy percent of amounts appropriated to the authority from the account shall be distributed to counties pursuant to the distribution formula adopted under this section. The authority, in consultation with the department of corrections, the Washington state association of counties, the Washington state association of drug court professionals, the superior court judges’ association, the Washington association of prosecuting attorneys, representatives of the criminal defense bar, representatives of substance use disorder treatment providers, and any other person deemed by the authority to be necessary, shall establish a fair and reasonable methodology for distribution to counties of moneys in the criminal justice treatment account. County or regional plans submitted for the expenditure of formula funds must be approved by the panel established in (b) of this subsection.

(b) Thirty percent of the amounts appropriated to the authority from the account shall be distributed as grants for purposes of treating offenders against whom charges are filed by a county prosecuting attorney. The authority shall appoint a panel of representatives from the Washington association of prosecuting attorneys, the Washington association of sheriffs and police chiefs, the superior court judges’ association, the Washington state association of counties, the Washington defender’s association or the Washington association of criminal defense lawyers, the department of corrections, the Washington state association of drug court professionals, and substance use disorder treatment providers. The panel shall review county or regional plans for funding under (a) of this subsection and grants approved under this subsection. The panel shall attempt to ensure that treatment as funded by the grants is available to offenders statewide.

(6) The county alcohol and drug coordinator, county prosecutor, county sheriff, county superior court, a substance abuse treatment provider appointed by the county legislative authority, a member of the criminal defense bar appointed by the county legislative authority, and, in counties with a drug court, a representative of the drug court shall jointly submit a plan, approved by the county legislative authority or authorities, to the panel established in subsection (5)(b) of this section, for disposition of all the funds provided from the criminal justice treatment account within that county. The submitted plan shall incorporate current evidence-based practices in substance use disorder treatment. The funds shall be used solely to provide approved alcohol and substance use disorder treatment pursuant to RCW 71.24.560 and treatment support services. No more than ten percent of the total moneys received under subsections (4) and (5) of this section by a county or group of counties participating in a regional agreement shall be spent for treatment support services.

(7) Counties are encouraged to consider regional agreements and submit regional plans for the efficient delivery of treatment under this section.

(8) Moneys allocated under this section shall be used to supplement, not supplant, other federal, state, and local funds used for substance abuse treatment.

(9) If a region or county uses criminal justice treatment account funds to support a therapeutic court, the therapeutic court must allow the use of all medications approved by the federal food and drug administration for the treatment of opioid use disorder as deemed medically appropriate for a participant by a medical professional. If appropriate medication-assisted treatment resources are not available or accessible within the jurisdiction, the health care authority’s designee for assistance must assist the court with acquiring the resource.

(10) Counties must meet the criteria established in RCW 2.30.030(3).

(11) The authority shall annually review and monitor the expenditures made by any county or group of counties that receives appropriated funds distributed under this section. Counties shall repay any funds that are not spent in accordance with the requirements of its contract with the authority.

**Sec. 971.** RCW 74.13.715 and 2020 c 33 s 2 are each amended to read as follows:

(1) Beginning September 1, 2020, the department shall contract with an external organization or organizations with experience serving youth or families receiving out-of-home care services to implement and operate the family connections program, which facilitates interaction between a parent of a child found to be dependent pursuant to chapter 13.34 RCW and in out-of-home care and the individual with whom the child is placed.

(2) The external organization or organizations contracted to implement and operate the family connections program shall implement and operate the family connections program in one location west of the crest of the Cascade mountains, and one location east of the crest of the Cascade mountains.

(3) Families may be referred to the family connections program by a caseworker, an attorney, a guardian ad litem as defined in RCW 13.44.030, a parent ally, an office of public defense social worker, or the court.

(4) After receiving a referral, the family connections program shall determine whether an in-person meeting between a parent of a child found to be dependent pursuant to chapter 13.34 RCW and in out-of-home care and the individual with whom the child is placed is appropriate. If the family connections program determines that such a meeting is appropriate, the family connections program shall then determine whether:

(a) The parent of a child found to be dependent pursuant to chapter 13.34 RCW and in out-of-home care and the individual with whom the child is placed are willing to participate in an in-person meeting; and

(b) Safety concerns exist such that an in-person meeting should not occur.

(5) If the family connections program determines that an in-person meeting should occur following the analysis required by subsection (4) of this section, the family connections program shall provide a referral to the family connections program team. The family connections program team shall include a parent ally and an experienced caregiver. After receiving a referral, the family connections program team shall:

(a) Ensure that the parent ally contact the parent to prepare for an in-person meeting between the parent and caregiver;

(b) Ensure that the experienced caregiver contact the caregiver to prepare for an in-person meeting between the parent and caregiver;

(c) Convene an in-person meeting between the parent and caregiver; and

(d) Provide ongoing support to the parent and caregiver following the in-person meeting.

(6) If the family connections program determines that an in-person meeting should not occur following the analysis required under subsection (4) of this section, the family connections program team shall facilitate the exchange of information between the parent and caregiver in an appropriate manner that does not include an in-person meeting. The format of this
exchange of information may include written messages, phone calls, or videoconferencing. The family connections program shall routinely reevaluate whether an in-person meeting should occur using the analysis required under subsection (4) of this section.

(7) The department shall collect data and measure outcomes for families engaging in the family connections program. By September 1, 2021, and in compliance with RCW 43.01.036, the department shall submit a report to the relevant committees of the legislature that details:

(a) Data collected for the family connections program;
(b) Outcomes for families engaging in the family connections program; and
(c) The department's plan on how to expand the family connections program statewide.

(8) The definitions in this subsection apply throughout this section:

(a) "Experienced caregiver" means:

(i) An individual who is or has received a foster-family home license pursuant to chapter 74.15 RCW or an equivalent license from another state; or

(ii) An individual who cared for a child who was removed from his or her parent pursuant to chapter 13.34 RCW and who has a kin relationship to that child pursuant to RCW 74.13.600.

(b) "Parent ally" has the same meaning as provided in RCW 2.70.060.

(9) This section expires June 30, (2023).

Sec. 972. RCW 74.46.485 and 2017 c 286 s 1 are each amended to read as follows:

(1) The legislature recognizes that staff and resources needed to adequately care for individuals with cognitive or behavioral impairments is not limited to support for activities of daily living. Therefore, the department shall:

(a) Employ the resource utilization group IV case mix classification methodology. The department shall use the fifty-seven group index maximizing model for the resource utilization group IV grouper version MDS 3.0.5, but in the 2021-2023 biennium the department may revise or update the methodology used to establish case mix classifications to reflect advances or refinements in resident assessment or classification, subject to federal requirements as made available by the federal government. The department may adjust by no more than thirteen percent the case mix index for resource utilization group categories beginning with PA1 through PB2 to any case mix index that aids in achieving the purpose and intent of RCW 74.39A.007 and cost-efficient care, excluding behaviors, and allowing for exceptions for limited placement options; and

(b) Implement minimum data set 3.0 under the authority of this section. The department must notify nursing home contractors twenty-eight days in advance the date of implementation of the minimum data set 3.0. In the notification, the department must identify for all semiannual rate settings following the date of minimum data set 3.0 implementation a previously established semiannual case mix adjustment established for the semiannual rate settings that will be used for semiannual case mix calculations in direct care until minimum data set 3.0 is fully implemented.

(2) The department is authorized to adjust upward the weights for resource utilization groups BA1-BB2 related to cognitive or behavioral health to ensure adequate access to appropriate levels of care.

(3) A default case mix group shall be established for cases in which the resident dies or is discharged for any purpose prior to completion of the resident's initial assessment. The default case mix group and case mix weight for these cases shall be designated by the department.

(4) A default case mix group may also be established for cases in which there is an untimely assessment for the resident. The default case mix group and case mix weight for these cases shall be designated by the department.

Sec. 973. RCW 74.46.501 and 2016 c 131 s 5 are each amended to read as follows:

(1) From individual case mix weights for the applicable quarter, the department shall determine two average case mix indexes for each medicaid nursing facility, one for all residents in the facility, known as the facility average case mix index, and one for medicaid residents, known as the medicaid average case mix index.

(2)(a) In calculating a facility's two average case mix indexes for each quarter, the department shall include all residents or medicaid residents, as applicable, who were physically in the facility during the quarter in question based on the resident assessment instrument completed by the facility and the requirements and limitations for the instrument's completion and transmission (January 1st through March 31st, April 1st through June 30th, July 1st through September 30th, or October 1st through December 31st).

(b) The facility average case mix index shall exclude all default cases as defined in this chapter. However, the medicaid average case mix index shall include all default cases.

(3) Both the facility average and the medicaid average case mix indexes shall be determined by multiplying the case mix weight of each resident, or each medicaid resident, as applicable, by the number of days, as defined in this section and as applicable, the resident was at each particular case mix classification or group, and then averaging.

(4) In determining the number of days a resident is classified into a particular case mix group, the department shall determine a start date for calculating case mix grouping periods as specified by rule.

(5) The cutoff date for the department to use resident assessment data, for the purposes of calculating both the facility average and the medicaid average case mix indexes, and for establishing and updating a facility's direct care component rate, shall be one month and one day after the end of the quarter for which the resident assessment data applies.

(b)(a) Although the facility average and the medicaid average case mix indexes shall both be calculated quarterly, the cost-rebasing period facility average case mix index will be used throughout the applicable cost-rebasing period in combination with cost report data as specified by RCW 74.46.561, to establish a facility's allowable cost per case mix unit. To allow for the transition to minimum data set 3.0 and implementation of resource utilization group IV for July 1, 2015, through June 30, 2016, the department shall calculate rates using the medicaid average case mix scores effective for January 1, 2015, rates adjusted under RCW 74.46.485(1)(a), and the scores shall be increased each six months during the transition period by one-half of one percent. The July 1, 2016, direct care cost per case mix unit shall be calculated by utilizing 2014 direct care costs, patient days, and 2014 facility average case mix indexes based on the minimum data set 3.0 resource utilization group IV grouper 5. Otherwise, a facility's medicaid average case mix index shall be used to update a nursing facility's direct care component rate semiannually.

(b) ((Closed)) Except during the 2021-2023 fiscal biennium, the facility average case mix index used to establish each nursing facility's direct care component rate shall be based on an average of calendar quarters of the facility's average case mix indexes from the four calendar quarters occurring during the cost report period used to rebase the direct care component rate allocations.
as specified in RCW 74.46.561.

(c) (d) Except during the 2021-2023 fiscal biennium, the medicaid average case mix index used to update or recalculate a nursing facility's direct care component rate semiannually shall be from the calendar six-month period commencing nine months prior to the effective date of the semiannual rate. For example, July 1, 2010, through December 31, 2010, direct care component rates shall utilize case mix averages from the October 1, 2009, through March 31, 2010, calendar quarters, and so forth.

(d) The department shall establish a methodology to use the case mix to set the direct care component in the 2021-2023 fiscal biennium.

Sec. 974. RCW 74.46.561 and 2020 c 357 s 918 are each amended to read as follows:

(1) The legislature adopts a new system for establishing nursing home payment rates beginning July 1, 2016. Any payments to nursing homes for services provided after June 30, 2016, must be based on the new system. The new system must be designed in such a manner as to decrease administrative complexity associated with the payment methodology, reward nursing homes providing care for high acuity residents, incentivize quality care for residents of nursing homes, and establish minimum staffing standards for direct care.

(2) The new system must be based primarily on industry-wide costs, and have three main components: Direct care, indirect care, and capital.

(3) The direct care component must include the direct care and therapy care components of the previous system, along with food, laundry, and dietary services. Direct care must be paid at a fixed rate, based on one hundred percent or greater of statewide case mix neutral median costs, but for fiscal year 2023 shall be (eleven) capped so that a nursing home provider's direct care rate does not exceed one hundred (eighteen) thirty percent of its base year's direct care allowable costs except if the provider is below the minimum staffing standard established in RCW 74.42.360(2). The legislature intends to remove the cap on direct care rates by June 30, 2027. Direct care must be performance-adjusted for acuity every six months, using case mix principles. Direct care must be regionally adjusted using countywide wage index information available through the United States department of labor's bureau of labor statistics. There is no minimum occupancy for direct care. The direct care component rate allocations calculated in accordance with this section must be adjusted to the extent necessary to comply with RCW 74.46.421.

(4) The indirect care component must include the elements of administrative expenses, maintenance costs, and housekeeping services from the previous system. A minimum occupancy assumption of ninety percent must be applied to indirect care. Indirect care must be paid at a fixed rate, based on ninety percent or greater of statewide median costs. The indirect care component rate allocations calculated in accordance with this section must be adjusted to the extent necessary to comply with RCW 74.46.421.

(5) The capital component must use a fair market rental system to set a price per bed. The capital component must be adjusted for the age of the facility, and must use a minimum occupancy assumption of ninety percent.

(a) Beginning July 1, 2016, the fair rental rate allocation for each facility must be determined by multiplying the allowable nursing home square footage in (c) of this subsection by the RSMeans rental rate in (d) of this subsection and by the number of licensed beds yielding the gross unadjusted building value. An equipment allowance of ten percent must be added to the unadjusted building value. The sum of the unadjusted building value and equipment allowance must then be reduced by the average age of the facility as determined by (e) of this subsection using a depreciation rate of one and one-half percent. The depreciated building and equipment plus land valued at ten percent of the gross unadjusted building value before depreciation must then be multiplied by the rental rate at seven and one-half percent to yield an allowable fair rental value for the land, building, and equipment.

(b) The fair rental value determined in (a) of this subsection must be divided by the greater of the actual total facility census from the prior full calendar year or imputed census based on the number of licensed beds at ninety percent occupancy.

(c) For the rate year beginning July 1, 2016, all facilities must be reimbursed using four hundred square feet. For the rate year beginning July 1, 2017, allowable nursing facility square footage must be determined using the total nursing facility square footage as reported on the medicaid cost reports submitted to the department in compliance with this chapter. The maximum allowable square feet per bed may not exceed four hundred fifty.

(d) Each facility must be paid at eighty-three percent or greater of the median nursing facility RSMeans construction index value per square foot. The department may use updated RSMeans construction index information when more recent square footage data becomes available. The statewide value per square foot must be indexed based on facility zip code by multiplying the statewide value per square foot times the appropriate zip code based index. For the purpose of implementing this section, the value per square foot effective July 1, 2016, must be set so that the weighted average fair rental value rate is not less than ten dollars and eighty cents per patient day. The capital component rate allocations calculated in accordance with this section must be adjusted to the extent necessary to comply with RCW 74.46.421.

(5) The capital component must use a fair market rental system to set a price per bed. The capital component must be adjusted for the age of the facility, and must use a minimum occupancy assumption of ninety percent.

(a) Beginning July 1, 2016, the fair rental rate allocation for each facility must be determined by multiplying the allowable nursing home square footage in (c) of this subsection by the RSMeans rental rate in (d) of this subsection and by the number of licensed beds yielding the gross unadjusted building value. An equipment allowance of ten percent must be added to the unadjusted building value. The sum of the unadjusted building value and equipment allowance must then be reduced by the average age of the facility as determined by (e) of this subsection using a depreciation rate of one and one-half percent. The depreciated building and equipment plus land valued at ten percent of the gross unadjusted building value before depreciation must then be multiplied by the rental rate at seven and one-half percent to yield an allowable fair rental value for the land, building, and equipment.

(b) The fair rental value determined in (a) of this subsection must be divided by the greater of the actual total facility census from the prior full calendar year or imputed census based on the number of licensed beds at ninety percent occupancy.

(c) For the rate year beginning July 1, 2016, all facilities must be reimbursed using four hundred square feet. For the rate year beginning July 1, 2017, allowable nursing facility square footage must be determined using the total nursing facility square footage as reported on the medicaid cost reports submitted to the department in compliance with this chapter. The maximum allowable square feet per bed may not exceed four hundred fifty.

(d) Each facility must be paid at eighty-three percent or greater of the median nursing facility RSMeans construction index value per square foot. The department may use updated RSMeans construction index information when more recent square footage data becomes available. The statewide value per square foot must be indexed based on facility zip code by multiplying the statewide value per square foot times the appropriate zip code based index. For the purpose of implementing this section, the value per square foot effective July 1, 2016, must be set so that the weighted average fair rental value rate is not less than ten dollars and eighty cents per patient day. The capital component rate allocations calculated in accordance with this section must be adjusted to the extent necessary to comply with RCW 74.46.421.

(e) The average age is the actual facility age reduced for significant renovations. Significant renovations are defined as those renovations that exceed two thousand dollars per bed in a calendar year as reported on the annual cost report submitted in accordance with this chapter. For the rate beginning July 1, 2016, the department shall use renovation data back to 1994 as submitted on facility cost reports. Beginning July 1, 2016, facility ages must be reduced in future years if the value of the renovation completed in any year exceeds two thousand dollars times the number of licensed beds. The cost of the renovation must be divided by the accumulated depreciation per bed in the year of the renovation to determine the equivalent number of new replacement beds. The new age for the facility is a weighted average with the replacement bed equivalents reflecting an age of zero and the existing licensed beds, minus the new bed equivalents, reflecting their age in the year of the renovation. At no time may the depreciated age be less than zero or greater than forty-four years.

(f) A nursing facility's capital component rate allocation must be rebased annually, effective July 1, 2016, in accordance with this section and this chapter.

(g) For the purposes of this subsection (5), "RSMeans" means building construction costs data as published by Gordian.

(6) A quality incentive must be offered as a rate enhancement beginning July 1, 2016.

(a) An enhancement no larger than five percent and no less than one percent of the statewide average daily rate must be paid to facilities that meet or exceed the standard established for the quality incentive. All providers must have the opportunity to earn the full quality incentive payment.

(b) The quality incentive component must be determined by calculating an overall facility quality score composed of four to six quality measures. For fiscal year 2017 there shall be four quality measures, and for fiscal year 2018 there shall be six quality measures. Initially, the quality incentive component must
be based on minimum data set quality measures for the percentage of long-stay residents who self-report moderate to severe pain, the percentage of high-risk long-stay residents with pressure ulcers, the percentage of long-stay residents experiencing one or more falls with major injury, and the percentage of long-stay residents with a urinary tract infection. Quality measures must be reviewed on an annual basis by a stakeholder work group established by the department. Upon review, quality measures may be added or changed. The department may risk adjust individual quality measures as it deems appropriate.

(c) The facility quality score must be point based, using at a minimum the facility’s most recent available three-quarter average centers for Medicare and Medicaid services quality data. Point thresholds for each quality measure must be established using the corresponding statistical values for the quality measure point determinants of eighty quality measure points, sixty quality measure points, forty quality measure points, and twenty quality measure points, identified in the most recent available five-star quality rating system technical user’s guide published by the center[s] for Medicare and Medicaid services.

(d) Facilities meeting or exceeding the highest performance threshold (top level) for a quality measure receive twenty-five points. Facilities meeting the second highest performance threshold receive twenty points. Facilities meeting the third level of performance threshold receive fifteen points. Facilities in the bottom performance threshold level receive no points. Points from all quality measures must then be summed into a single aggregate quality score for each facility.

(e) Facilities receiving an aggregate quality score of eighty percent of the overall available total score or higher must be placed in the highest tier (tier V), facilities receiving an aggregate score of between seventy and seventy-nine percent of the overall available total score must be placed in the second highest tier (tier IV), facilities receiving an aggregate score of between sixty and sixty-nine percent of the overall available total score must be placed in the third highest tier (tier III), facilities receiving an aggregate score of between fifty and fifty-nine percent of the overall available total score must be placed in the fourth highest tier (tier II), and facilities receiving less than fifty percent of the overall available total score must be placed in the lowest tier (tier I).

(f) The tier system must be used to determine the amount of each facility’s per patient day quality incentive component. The per patient day quality incentive component for tier IV is seventy-five percent of the per patient day quality incentive component for tier V, the per patient day quality incentive component for tier III is fifty percent of the per patient day quality incentive component for tier V, and the per patient day quality incentive component for tier II is twenty-five percent of the per patient day quality incentive component for tier V. Facilities in tier I receive no quality incentive component.

(g) Tier system payments must be set in a manner that ensures that the entire biennial appropriation for the quality incentive program is allocated.

(h) Facilities with insufficient three-quarter average centers for Medicare and Medicaid services quality data must be assigned to the tier corresponding to their five-star quality rating. Facilities with a five-star quality rating must be assigned to the highest tier (tier V) and facilities with a one-star quality rating must be assigned to the lowest tier (tier I). The use of a facility’s five-star quality rating shall only occur in the case of insufficient centers for Medicare and Medicaid services minimum data set information.

(i) The quality incentive rates must be adjusted semiannually on July 1 and January 1 of each year using, at a minimum, the most recent available three-quarter average centers for Medicare and Medicaid services quality data.

(j) Beginning July 1, 2017, the percentage of short-stay residents who newly received an antipsychotic medication must be added as a quality measure. The department must determine the quality incentive thresholds for this quality measure in a manner consistent with those outlined in (b) through (h) of this subsection using the centers for Medicare and Medicaid services quality data.

(k) Beginning July 1, 2017, the percentage of direct care staff turnover must be added as a quality measure using the centers for Medicare and Medicaid services’ payroll-based journal and nursing home facility payroll data. Turnover is defined as an employee departure. The department must determine the quality incentive thresholds for this quality measure using data from the centers for Medicare and Medicaid services’ payroll-based journal, unless such data is not available, in which case the department shall use direct care staffing turnover data from the most recent Medicaid cost report.

(7) Reimbursement of the safety net assessment imposed by chapter 74.48 RCW and paid in relation to Medicaid residents must be continued.

(8)(a) The direct care and indirect care components must be rebased in even-numbered years, beginning with rates paid on July 1, 2016. Rates paid on July 1, 2016, must be based on the 2014 calendar year cost report. On a percentage basis, after rebasing, the department must confirm that the statewide average daily rate has increased at least as much as the average rate of inflation, as determined by the skilled nursing facility market basket index published by the centers for Medicare and Medicaid services, or a comparable index. If after rebasing, the percentage increase to the statewide average daily rate is less than the average rate of inflation for the same time period, the department is authorized to increase rates by the difference between the percentage increase after rebasing and the average rate of inflation.

(b) It is the intention of the legislature that direct and indirect care rates paid in fiscal year 2022 will be rebased using the calendar year 2019 cost reports. For fiscal year 2021, in addition to the rates generated by (a) of this subsection, an additional adjustment is provided as established in this subsection (8)(b). Beginning May 1, 2020, and through June 30, 2021, the calendar year costs must be adjusted for inflation by a twenty-four month consumer price index, based on the most recently available monthly index for all urban consumers, as published by the bureau of labor statistics. It is also the intent of the legislature that, starting in fiscal year 2022, a facility-specific rate add-on equal to the inflation adjustment that facilities received solely in fiscal year 2021, must be added to the rate.

(c) To determine the necessity of regular inflationary adjustments to the nursing facility rates, by December 1, 2020, the department shall provide the appropriate policy and fiscal committees of the legislature with a report that provides a review of rates paid in 2017, 2018, and 2019 in comparison to costs incurred by nursing facilities.

(9) The direct care component provided in subsection (3) of this section is subject to the reconciliation and settlement process provided in RCW 74.46.022(6). Beginning July 1, 2016, pursuant to rules established by the department, funds that are received through the reconciliation and settlement process provided in RCW 74.46.022(6) must be used for technical assistance, specialized training, or an increase to the quality enhancement established in subsection (6) of this section. The legislature intends to review the utility of maintaining the reconciliation and settlement process under a price-based payment methodology, and may discontinue the reconciliation and settlement process after the 2017-2019 fiscal biennium.

(10) Compared to the rate in effect June 30, 2016, including all cost components and rate add-ons, no facility may receive a rate reduction of more than one percent on July 1, 2016, more than two percent on July 1, 2017, or more than five percent on July 1, 2018. To ensure that the appropriation for nursing homes remains cost neutral, the department is authorized to cap the rate increase for facilities in fiscal years 2017, 2018, and 2019.

Sec. 975. RCW 79.64.040 and 2019 c 415 s 984 are each amended to read as follows:

(1) The water pollution control revolving administration account is created in the state treasury. All receipts from charges authorized in this section must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only in a manner consistent with this section.

(2) The department is authorized to assess administration charges as a portion of the debt service for loans issued under the water pollution control revolving fund created in RCW 90.50A.020. The sole purpose of assessing administration charges is to predictably and adequately fund the department's costs of administering the water pollution control revolving fund loan program, as identified in subsection (5) of this section. The department must assess administration charges on each water pollution control revolving fund loan at the point the loan enters repayment status, after July 28, 2013, and rule changes are adopted to implement the administration charge. Loans that are at an interest rate below the established administration charge rate are exempt from the administration charge.

(3) The water pollution control revolving administration account consists of:
(a) Any administration charge levied by the department in conjunction with administration of the water pollution control revolving fund; and
(b) Any other revenues derived from gifts, grants, or bequests pledged to the state for the purpose of administering the water pollution control revolving fund.

(4) The state treasurer may invest and reinvest moneys in the water pollution control revolving administration account in the manner provided by law. All earnings from such investment and reinvestment must be credited to the water pollution control revolving administration account.

(5) Moneys in the water pollution control revolving administration account are to be used for the following water...
pollution control revolving fund loan program costs:

(7) For its 2017-2019 biennial operating budget submittal, and every biennium thereafter, the department must compare the projected water pollution control revolving administration account balance and the projected administration charge income with projected program costs, including an adequate working capital reserve as defined by the office of financial management. In its submittal to the office of financial management, the department may:

(a) Find that the projected administration charge income is inadequate to fund the cost of administering the program, and that the rate of the charge must be increased. However, the administration charge may never exceed one percent on the declining principal loan balance;

(b) Find that the projected administration charge income exceeds what is needed to fund the cost of administering the program, and that the rate of the charge must be decreased;

(c) Find that there is an excess balance in the revolving administration account, and that the excess must be transferred to the water pollution control revolving fund to be used for loans; or

(d) Find that there is no need for any rate adjustments or balance transfers.

(8) At the point where the water pollution control revolving administration account adequately covers the program administration costs, the department may no longer use the federal administration allowance. If a federal capitalization grant is awarded after that point, all federal capitalization dollars must be used for making loans.

(9) By December 1, 2018, the department must submit to the appropriate legislative fiscal committees a report on implementation of the administration charge, including information on: The amount of income the administration charge has produced since its inception; the uses and adequacy of the income for administrative costs; any excess balances that have been transferred to the water pollution control revolving fund; and any additional sources that the department is using for program administration.

(10) During the 2019-2021 and 2021-2023 fiscal (biennia) biennia, the legislature may direct the state treasurer to make transfers of moneys in the water pollution control revolving administration account to the water pollution control revolving account [fund] fund.

Sec. 983. RCW 43.70.--- and 2021 c 3 s 19 are each amended to read as follows:

(1) The COVID-19 public health response account is created in the custody of the state treasurer. The account shall consist of funds appropriated by the legislature and grants received by the department of health for activities in response to the coronavirus pandemic (COVID-19). Only the secretary, or the secretary's designee, may authorize expenditures from the account for costs related to the public health response to COVID-19, subject to any limitations imposed by grant funding deposited into the account. The COVID-19 public health response account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) (a) The legislature finds that a safe, efficient, and effective delivery of vaccinations is of the utmost importance for restoring societal and economic functions. As we learn more about the virus, the vaccine, and challenges to vaccine allocation and distribution, it is anticipated that the state's COVID-19 vaccination distribution plan will evolve. To that end, the legislature has provided flexibility by funding (w( vaccine expenditure)) expenditures for testing, contact tracing, mitigation activities, vaccine administration and distribution, and other allowable uses for the state, local health jurisdictions, and tribes at the discretion of the secretary and without an appropriation. However, to maintain fiscal control and to ensure spending priorities align, the department is required to collaborate and communicate with the chairs and ranking members of the health care and fiscal committees of the legislature and local health jurisdictions in advance of any significant revision of the state's COVID-19 vaccination plan and to provide regular updates on its implementation and spending.

(b) As part of the public health response to COVID-19, the expenditures from the account must be used to effectively administer the vaccine for COVID-19 and conduct testing and
contact tracing. The department must ensure that COVID-19 outreach is accessible, culturally and linguistically appropriate, and that it includes community-driven partnerships and strategies.

(c) When making expenditures for administering the vaccine for COVID-19, the department must focus on identifying persons for vaccination, prioritizing underserved, underrepresented, and hard-to-reach communities, making the vaccine accessible, and providing support to schools for safe reopening. Strategies for vaccine distribution shall include the establishment and expansion of community vaccination centers, mobile vaccination units, reporting enhancements, and transportation of individuals to vaccination sites.

(d) When making expenditures regarding testing and contact tracing, the department must provide equitable access, prioritize underserved, underrepresented, and hard-to-reach communities, and provide support and resources to facilitate the safe reopening of schools while minimizing community spread of the virus.

(3) When making expenditures from the account, the department may include an emphasis on public communication regarding the availability and accessibility of the vaccine and testing, and the importance of vaccine and testing availability to the safe reopening of the state.

(4)(a) The department must report to the fiscal and health care committees of the legislature on a monthly basis regarding its COVID-19 response.

(b) To the extent that it is available, the report must include data regarding vaccine distribution, testing, and contact tracing, as follows:

(i) The number of vaccines administered per day, including regional data regarding the location and age groups of persons receiving the vaccine, specifically identifying hard-to-reach communities in which vaccines were administered; and

(ii) The number of tests conducted per week, including data specifically addressing testing conducted in hard-to-reach communities.

(c) The first monthly report is due no later than one month from the effective date of this section. Monthly reports are no longer required upon the department's determination that the remaining balance of the COVID-19 response account is less than $100,000.

NEW SECTION. Sec. 984. (1) The office of financial management shall conduct a feasibility study and make recommendations regarding the establishment of a system for streamlining the vacation of criminal conviction records. The office of financial management may contract with an independent expert to assist with the feasibility study. The study must consider and make recommendations regarding, but not limited to, the following:

(a) Requiring the Washington state patrol to conduct state and national criminal background checks to determine individuals who may be eligible for the vacation of a criminal record, either under:

(i) Current eligibility requirements; or

(ii) Under other streamlined requirements that could consider, for example, eligibility to vacate only a certain category of offenses with reduced requirements, including but not limited to such as having no other convictions in the Washington state patrol's criminal history database for a certain number of years;

(b) Creating a database and online portal system that would allow the vacation of criminal conviction records with an online portal system for streamlining the vacation of criminal conviction records;

(c) When making expenditures for administering the vaccine for COVID-19, the department must focus on identifying persons for vaccination, prioritizing underserved, underrepresented, and hard-to-reach communities, making the vaccine accessible, and providing support to schools for safe reopening. Sec. 1101. 2020 c 357 s 201 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, “unrestricted federal moneys” includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that costs reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(4) The department shall to the maximum extent practicable use the same system for delivery of spoken-language interpreter services for social services appointments as the one established for medical appointments in the health care authority. When contracting directly with an individual to deliver spoken language interpreter services, the department shall only contract with language access providers who are working at a location in the state and who are state-certified or state-authorized, except that when such a provider is not available, the department may use a language access provider who meets other certifications or standards deemed to meet state standards, including interpreters in other states.

(5) Information technology projects or investments and proposed projects or investments impacting time capture, payroll and payment processes and systems, eligibility, case management, and authorization systems within the department of social and health services are subject to technical oversight by the office of the chief information officer.

(6)(a) The department shall facilitate enrollment under the medicaid expansion for clients applying for or receiving state funded services from the department and its contractors. Prior to open enrollment, the department shall coordinate with the health care authority to provide referrals to the Washington health benefit exchange for clients that will be ineligible for medicaid.

(b) To facilitate a single point of entry across public and medical assistance programs, and to maximize the use of federal funding, the health care authority, the department of social and health services, and the health benefit exchange will coordinate efforts to expand HealthPlanfinder access to public assistance and medical eligibility staff. The department shall complete medicaid applications in the HealthPlanfinder for households receiving or applying for public assistance benefits.

(7) The health care authority, the health benefit exchange, the department of social and health services, the department of health, and the department of children, youth, and families shall work together within existing resources to establish the health and human services enterprise coalition (the coalition). The coalition, led by the health care authority, must be a multi-organization collaborative that provides strategic direction and federal funding guidance for projects that have cross-organizational or enterprise
impact, including information technology projects that affect organizations within the coalition. By October 31, 2019, the coalition must submit a report to the governor and the legislature that describes the coalition's plan for projects affecting the coalition organizations. The report must include any information technology projects impacting coalition organizations and, in collaboration with the office of the chief information officer, provide: (a) The status of any information technology projects currently being developed or implemented that affect the coalition; (b) funding needs of these current and future information technology projects; and (c) next steps for the coalition's information technology projects. The office of the chief information officer shall maintain a statewide perspective when collaborating with the coalition to ensure that the development of projects identified in this report are planned for in a manner that ensures the efficient use of state resources and maximizes federal financial participation. The work of the coalition is subject to the conditions, limitations, and review provided in section 701 of this act.

However, after May 1, (2020) 2021, unless prohibited by this act, the department may transfer general fund—state appropriations for fiscal year (2020) 2021 among programs and subprograms after approval by the director of the office of financial management. However, the department may not transfer state appropriations that are provided solely for a specified purpose except as expressly provided in (b) of this subsection.

(b) To the extent that transfers under (a) of this subsection are insufficient to fund actual expenditures in excess of fiscal year (2020) 2021 in response to the COVID-19 pandemic or caseload forecasts and utilization assumptions in the long-term care, developmental disabilities, and public assistance programs, the department may transfer state appropriations that are provided solely for a specified purpose. The department may not transfer funds, and the director of the office of financial management may not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of the office of financial management shall notify the appropriate fiscal committees of the legislature in writing seven days prior to approving any allotment modifications or transfers under this subsection. The written notification shall include a narrative explanation and justification of the changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications or transfers.

(c) The department may not transfer appropriations from any other program or subprogram to the mental health program. Within the mental health program, the department may transfer appropriations that are provided solely for a specified purpose as needed to fund actual expenditures through the end of fiscal year (2020) 2021.

(d) The department may not transfer appropriations for the developmental disabilities program to any other program or subprograms of the department of social and health services.

FOR THE STATE HEALTH CARE AUTHORITY

During the 2019-2021 fiscal biennium, the health care authority shall provide support and data as required by the office of the state actuary in providing the legislature with health care actuarial analysis, including providing any information in the possession of the health care authority or available to the health care authority through contracts with providers, plans, insurers, consultants, or any other entities contracting with the health care authority.

Information technology projects or investments and proposed projects or investments impacting time capture, payroll and payment processes and systems, eligibility, case management, and authorization systems within the health care authority are subject to technical oversight by the office of the chief information officer.

The health care authority shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The health care authority may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the health care authority receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

The health care authority, the health benefit exchange, the department of health, and the department of children, youth, and families shall work together within existing resources to establish the health and human services enterprise coalition (the coalition). The coalition, led by the health care authority, must be a multi-organization collaborative that provides strategic direction and federal funding guidance for projects that have cross-organizational or enterprise impact, including information technology projects that affect organizations within the coalition. By October 31, 2019, the coalition must submit a report to the governor and the legislature that describes the coalition’s plan for projects affecting the coalition organizations. The report must include any information technology projects impacting coalition organizations and, in collaboration with the office of the chief information officer, provide: (1) The status of any information technology projects currently being developed or implemented that affect the coalition; (2) funding needs of these current and future information technology projects; and (3) next steps for the coalition’s information technology projects. The office of the chief information officer shall maintain a statewide perspective when collaborating with the coalition to ensure that the development of projects identified in this report are planned for in a manner that ensures the efficient use of state resources and maximizes federal financial participation. The work of the coalition is subject to the conditions, limitations, and review provided in section 701 of this act.

The appropriations to the health care authority in this act shall be expended for the programs and in the amounts specified in this act. However, after May 1, (2020) 2021, unless prohibited by this act, the authority may transfer general fund—state appropriations for fiscal year (2020) 2021 among programs after approval by the director of the office of financial management. To the extent that appropriations in sections 211 through 215 are insufficient to fund actual expenditures in excess of caseload forecast and utilization assumptions or for expenses in response to the COVID-19 pandemic, the authority may transfer general fund—state appropriations for fiscal year (2020) 2021 that are provided solely for a specified purpose. The authority may also transfer general fund—state appropriations for fiscal year 2020 that are provided solely for a specified purpose within section 215 of this act to cover any deficits in section 215 of this act resulting from assumptions related to the return of $35,000,000 in general fund—state behavioral health organization reserves in fiscal year 2020 or for expenses in response to the COVID-19 pandemic in fiscal year 2021. The authority may not transfer funds, and the director of the office of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of the office of financial management shall notify the appropriate fiscal committees of the legislature in writing seven days prior to approving any allotment modifications or transfers under this section. The written notification must include a narrative explanation and justification of changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications and transfers.

Under federal regulations, the medicare quality improvement program is authorized and allows states to design quality improvement programs for the medicare population in ways that support the state’s quality goals. Medicare quality improvement program payments will not count against initiative 1 of the medicare transformation demonstration waiver spending limit and are excluded from the waiver’s budget neutrality calculation. Apple health managed care organizations and their partnering providers will receive medicare quality improvement program payments as they meet designated milestones. Partnering providers and apple health managed care organizations will work together to achieve medicare quality improvement program goals according to the performance period timelines and reporting deadlines as set forth by the authority. The authority shall only utilize the medicare quality improvement program to support the transformation waiver and shall not pursue its use for other purposes. Any programs created or funded by the medicare quality improvement program do not create an entitlement. The authority shall not increase general fund—state, federal, or local expenditures under this program. The director shall report to the joint select committee on health care oversight no less than quarterly on financial and health outcomes. The director shall also report to the fiscal committees of the legislature all of the expenditures under this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.

The legislature finds that the cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(7) Based on quarterly expenditure reports and caseload forecasts, if the health care authority estimates that expenditures for the medical assistance program will exceed the appropriations, the health care authority shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

(8) In determining financial eligibility for medicaid-funded services, the health care authority is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

If payments during the fiscal year exceed the hospital's baseline amount, no additional payments will be made to the hospital except the federal portion of allowable disproportionate share hospital payments for which the hospital can certify allowable match. If payments during the fiscal year are less than the baseline amount, the hospital will be paid a state grant equal to the difference between payments during the fiscal year and the applicable baseline amount. Payment of the state grant shall be made in the applicable fiscal year and distributed in monthly payments. The grants will be recalculated and redistributed as the baseline is updated during the fiscal year. The grant payments are subject to an interim settlement within eleven months after the end of the fiscal year. A final settlement shall be performed. To the extent that either settlement determines
that a hospital has received funds in excess of what it would have received as described in this subsection, the hospital must repay the excess amounts to the state when requested. $759,000 of the general fund—state appropriation for fiscal year 2020 and (($740,000)) $698,000 of the general fund—state appropriation for fiscal year 2021 are provided solely for state grants for the participating hospitals.

The reports should include baseline and benchmark information from the previous two fiscal years and should be inclusive of, but not limited to, services recommended under the United States preventative services task force, advisory committee on immunization practices, early and periodic screening, diagnostic, and treatment (EPSDT) guidelines, and other relevant preventative and vaccination medicaid guidelines and requirements.

The appropriations in this section are subject to the following conditions and limitations:

1. **For the purposes of this section, “behavioral health entities” means managed care organizations and administrative services**
organizations in regions where the authority is purchasing medical and behavioral health services through fully integrated contracts pursuant to RCW 71.24.380, and behavioral health organizations in regions that have not yet transitioned to fully integrated managed care.

(2) Within the amounts appropriated in this section, funding is provided for implementation of the settlement agreement under Trueblood, et al. v. Department of Social and Health Services, et al., United States District Court for the Western District of Washington, Cause No. 14-cv-01178-MJP. In addition to amounts provided solely for implementation of the settlement agreement, class members must have access to supports and services funded throughout this section for which they meet eligibility and medical necessity requirements. The authority must include language in contracts that requires regional behavioral health entities to develop and implement plans for improving access to timely and appropriate treatment for individuals with behavioral health needs and current or prior criminal justice involvement who are eligible for services under these contracts.

(3) $15,605,000 of the general fund—state appropriation for fiscal year 2020, ((($15,754,000)) $15,861,000 of the general fund—state appropriation for fiscal year 2021, and $4,789,000 of the general fund—federal appropriation are provided solely for the phase-in of the settlement agreement under Trueblood, et al. v. Department of Social and Health Services, et al., United States District Court for the Western District of Washington, Cause No. 14-cv-01178-MJP. The department, in collaboration with the health care authority and the criminal justice training commission, must implement the provisions of the settlement agreement pursuant to the timeline and implementation plan provided for under the settlement agreement. This includes implementing provisions related to competency evaluations, competency restoration, crisis diversion and supports, education and training, and workforce development.

(4) $7,657,000 of the general fund—state appropriation for fiscal year 2020, $11,544,000 of the general fund—state appropriation for fiscal year 2021, and $20,197,000 of the general fund—federal appropriation are provided solely for the authority and behavioral health entities to continue to contract for implementation of high-intensity programs for assertive community treatment (PACT) teams. In determining the proportion of Medicaid and nonMedicaid funding provided to behavioral health entities with PACT teams, the authority shall consider the differences between behavioral health entities in the percentages of services and other costs associated with the teams that are not reimbursable under Medicaid. The authority may allow behavioral health entities which have nonMedicaid reimbursable costs that are higher than the nonMedicaid allocation they receive under this section to supplement these funds with local dollars or funds received under subsection (7) of this section. The authority and behavioral health entities shall maintain consistency with all essential elements of the PACT evidence-based practice model in programs funded under this section.

(5) $7,071,000 of the general fund—state appropriation for fiscal year 2021 is provided solely for increased state costs for exceptional behavioral health personal care services. From (5(a)) these amounts and the other general fund—state appropriations in this section, the authority shall assure that behavioral health entities reimburse the department of social and health services aging and long term support administration for the general fund—state cost of exceptional Medicaid personal care services that enrolled behavioral health entity consumers use because of their psychiatric disability.

(6) $3,520,000 of the general fund—federal appropriation is provided solely for the authority to maintain a pilot project to incorporate peer bridging staff into behavioral health regional teams that provide transitional services to individuals returning to their communities.

(7) $81,930,000 of the general fund—state appropriation for fiscal year 2020 and $85,122,000 of the general fund—state appropriation for fiscal year 2021 are provided solely for persons and services not covered by the Medicaid program. To the extent possible, levels of behavioral health entity spending must be maintained in the following priority order: Crisis and commitment services; community inpatient services; and residential care services, including personal care and emergency housing assistance. These amounts must be distributed to behavioral health entities as follows:

(a) Of the amount provided for fiscal year 2020, seventy percent must be distributed to behavioral health administrative service organizations and thirty percent to managed care organizations. The percentage of funding provided to each behavioral health administrative service organization must be proportionate to the fiscal year 2019 regional allocation of flexible nonMedicaid funds.

(b) $3,939,000 of the fiscal year 2021 amounts must be distributed to behavioral health administrative service organizations. Of the remaining amount for fiscal year 2021, eighty percent must be distributed to behavioral health administrative service organizations and twenty percent to managed care organizations. The percentage of funding provided to each behavioral health administrative service organization must be proportionate to the fiscal year 2020 regional allocation of flexible nonMedicaid funds.

(c) The authority must include the following language in Medicaid contracts with behavioral health entities unless they are provided formal notification from the Center for Medicaid and Medicare Services that the language will result in the loss of Federal Medicaid participation: "The contractor may voluntarily provide services that are in addition to those covered under the state plan, although the cost of these services cannot be included when determining payment rates unless including these costs are specifically allowed under federal law or an approved waiver."

(8) The authority is authorized to continue to contract directly, rather than through contracts with behavioral health entities for children's long-term inpatient facility services.

(9) $1,204,000 of the general fund—state appropriation for fiscal year 2020 and $1,204,000 of the general fund—state appropriation for fiscal year 2021 are provided solely to reimburse Pierce and Spokane counties for the cost of conducting one hundred eighty-day commitment hearings at the state psychiatric hospitals.

(10) Behavioral health entities may use local funds to earn additional Federal Medicaid match, provided the locally matched rate does not exceed the upper-bound of their federally allowable rate range, and provided that the enhanced funding is used only to provide Medicaid state plan or waiver services to Medicaid clients. Additionally, behavioral health entities may use a portion of the state funds allocated in accordance with subsection (7) of this section to earn additional Medicaid match, but only to the extent that the application of such funds to Medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for Medicaid.

(11) $2,291,000 of the general fund—state appropriation for fiscal year 2020 and $2,291,000 of the general fund—state appropriation for fiscal year 2021 are provided solely for mental health services for mentally ill offenders while confined in a
county or city jail and for facilitating access to programs that offer mental health services upon release from confinement. The authority must collect information from the behavioral health entities on their plan for using these funds, the numbers of individuals served, and the types of services provided and submit a report to the office of financial management and the appropriate fiscal committees of the legislature by December 1st of each year of the biennium.

(12) Within the amounts appropriated in this section, funding is provided for the authority to develop and phase in intensive mental health services for high needs youth consistent with the settlement agreement in *T.R. v. Dreyfus and Porter*.

(13) The authority must establish minimum and maximum funding levels for all reserves allowed under behavioral health organization and administrative services organization contracts and include contract language that clearly states the requirements and limitations. The authority must monitor and ensure that behavioral health organization and administrative services organization reserves do not exceed maximum levels. The authority must monitor revenue and expenditure reports and require a behavioral health organization or administrative services organization to submit a corrective action plan on how it will spend its excess reserves within a reasonable period of time, when its reported reserves exceed maximum levels established under the contract. The authority must review and approve such plans and monitor to ensure compliance. If the authority determines that a behavioral health organization or administrative services organization has failed to provide an adequate excess reserve corrective action plan or is not complying with an approved plan, the authority must reduce payments to the entity in accordance with remedial actions provisions included in the contract. These reductions in payments must continue until the authority determines that the entity has come into substantial compliance with an approved excess reserve corrective action plan.

(14) During the 2019-2021 fiscal biennium, any amounts provided in this section that are used for case management services for pregnant and parenting women must be contracted directly between the authority and providers rather than through contracts with behavioral health organizations.

(15) Within the amounts appropriated in this section, the authority may contract with the University of Washington and community-based providers for the provision of the parent-child assistance program or other specialized chemical dependency case management providers for pregnant, post-partum, and parenting women. For all contractors: (a) Service and other outcome data must be provided to the authority by request; and (b) indirect charges for administering the program must not exceed ten percent of the total contract amount.

(16) $3,500,000 of the general fund—federal appropriation (from the substance abuse prevention and treatment federal block grant) is provided solely for the continued funding of existing county drug and alcohol use prevention programs.

(17) Within the amounts provided in this section, behavioral health entities must provide outpatient chemical dependency treatment for offenders enrolled in the Medicaid program who are supervised by the department of corrections pursuant to a term of community supervision. Contracts with behavioral health entities must require that behavioral health entities include in their provider network specialized expertise in the provision of manualized, evidence-based chemical dependency treatment services for offenders. The department of corrections and the authority must develop a memorandum of understanding for department of corrections offenders on active supervision who are Medicaid eligible and meet medical necessity for outpatient substance use disorder treatment. The agreement will ensure that treatment services provided are coordinated, do not result in duplication of services, and maintain access and quality of care for the individuals being served. The authority must provide all necessary data, access, and reports to the department of corrections for all department of corrections offenders that receive Medicaid paid services.

(18) The criminal justice treatment account—state appropriation is provided solely for treatment and treatment support services for offenders with a substance use disorder pursuant to RCW 71.24.580. The authority must offer counties the option to administer their share of the distributions provided for under RCW 71.24.580(5)(a). If a county is not interested in administering the funds, the authority shall contract with behavioral health entities to administer these funds consistent with the plans approved by local panels pursuant to RCW 71.24.580(5)(b). The authority must provide a report to the office of financial management and the appropriate committees of the legislature which identifies the distribution of criminal justice treatment account funds by September 30, 2019.

(19) No more than ($(22,644,000)) $15,358,000 of the general fund—federal appropriation may be expended for supported housing and employment services described in initiative 3a and 3b of the Medicaid demonstration transformation waiver under Healthier Washington. Motor Vehicle Account—Federal Appropriation ..... $500,000
Multimodal Transportation Account—State Appropriation ........................................ $258,000

TOTAL APPROPRIATION ........................................ $61,031,000

The appropriations in this section are subject to the following conditions and limitations:

(1) The legislature recognizes that the trail known as the Rocky Reach Trail, and its extensions, serve to separate motor vehicle traffic from pedestrians and bicyclists, increasing motor vehicle safety on state route number 2 and the coincident section of state route number 97. Consistent with chapter 47.30 RCW and pursuant to RCW 47.12.080, the legislature declares that transferring portions of WSDOT Inventory Control (IC) No. 2-09-04686 containing the trail and associated buffer areas to the Washington state parks and recreation commission is consistent with the public interest. The legislature directs the department to transfer the property to the Washington state parks and recreation commission.

(a) The department must be paid fair market value for any portions of the transferred real property that is later abandoned, vacated, or ceases to be publicly maintained for trail purposes.

(b) Prior to completing the transfer in this subsection (1), the department must ensure that provisions are made to accommodate private and public utilities and any facilities that predate the department’s acquisition of the property, at no cost to those entities. Prior to completing the transfer, the department shall also ensure that provisions, by fair market assessment, are made to accommodate other private and public utilities and any facilities that have been legally allowed by permit or other instrument.

(c) The department may sell any adjoining property that is not necessary to support the Rocky Reach Trail and adjacent buffer areas only after the transfer of trail-related property to the Washington state parks and recreation commission is complete. Adjoining property owners must be given the first opportunity to acquire such property that abuts their property, and applicable boundary line or other adjustments must be made to the legal descriptions for recording purposes.

(2) With respect to Parcel 12 of the real property conveyed by the state of Washington to the city of Mercer Island under that certain quitclaim deed, dated April 19, 2000, recorded in King county under recording no. 20000425001234, the requirement in the deed that the property be used for road/street purposes only will be deemed satisfied by the department of transportation so long as commuter parking, as part of the vertical development of the property, is one of the significant uses of the property.

(3) During the 2021-2023 biennium, if the department takes possession of the property situated in the City of Edmonds for which a purchase agreement was executed between Unocal and the department in 2005 (Tax Parcel Number 262703-2-003-0009), and if the department confirms that the property is still no longer needed for transportation purposes, the department shall provide the City of Edmonds with the right of first purchase in accordance with RCW 47.12.063(3) for the city’s intended use of the property to rehabilitate near-shore habitat for salmon and related species.

(4) The department shall report to the transportation committees of the legislature by December 1, 2021, on the status of its efforts to consolidate franchises for broadband facilities across the state, including plans for increasing the number of consolidated franchises in the future.

Motor Vehicle Account—State Appropriation ......... $675,000
Electric Vehicle Account—State Appropriation ....... $3,900,000
Multimodal Transportation Account—State Appropriation ........................................ $12,533,000

TOTAL APPROPRIATION .............................. $17,108,000

(2) $2,400,000 of the multimodal transportation account—state appropriation is provided solely for the pilot program established under RCW 47.04.355, to provide clean alternative fuel vehicle use opportunities to underserved communities and low to moderate income members of the workforce not readily served by transit or located in transportation corridors with emissions that exceed federal or state emissions standards.

(3)(a)(i) $133,000 of the multimodal transportation account—state appropriation is provided solely for the purpose of conducting an assessment of options for the development, including potential features and costs, for a publicly available mapping and forecasting tool that provides locations and essential information of charging and refueling infrastructure to support forecasted levels of electric vehicle adoption, travel, and usage across Washington state as described in chapter . . . (Engrossed Substitute House Bill No. 1287), Laws of 2021 (preparedness for a zero emissions transportation future).

(ii) The assessment must include a review of existing infrastructure needs assessments, mapping and forecasting tools, environmental health disparity resources, and related modeling. It must be performed in consultation with the department of ecology, department of commerce, and office of equity, and include a stakeholder process to address community, public agency, and relevant public and private utility needs to determine the resources needed to facilitate statewide and local transportation electrification efforts to drive emission reductions consistent with RCW 70A.45.020.

(iii) A report summarizing the findings of the assessment and the options recommended by the department for the tool’s development is due to the transportation committees of the legislature by December 31, 2021.

(b) $10,000,000 of the multimodal transportation account—state appropriation is provided solely for a clean alternative fuel vehicle infrastructure grant program for clean alternative fuel vehicle charging and refueling infrastructure that will provide public benefits for the state’s network of charging infrastructure to facilitate state zero emission vehicle requirements under RCW 70A.30.010 and greenhouse gas emission reduction goals under RCW 70A.45.020. The department must develop a strategy for grant award selection based on maximizing public benefits by: Facilitating residents’ and businesses’ ability to purchase and lease
clean alternative fuel vehicles through increased access to public electric vehicle charging and refueling, facilitating a decline in vehicle emissions that would otherwise contribute to pollution and greenhouse gas emissions, and increasing equity of access to clean alternative fuel vehicles. The department shall use proposed grant matching funds as a criterion for selecting grant award recipients. When the publicly available mapping and forecasting tool in (a) of this subsection has been developed and is available to be used for this purpose, strategy development for grant award selection must include analysis of the information provided by the tool.

(b) By September 1st of each year, beginning in 2008, the commission shall adopt by rule fares and pricing policies for the ensuing year.

(2) The commission may adopt by rule fares that are effective for more or less than one year for the purposes of transitioning to the fare schedule in subsection (1) of this section.

(3) The commission may increase ferry fares included in the schedule of charges adopted under this section by a percentage that exceeds the fiscal growth factor.

(4) The chief executive officer of the ferry system may authorize the use of promotional, discounted, and special event fares to the general public and commercial enterprises for the purpose of maximizing capacity use and the revenues collected by the ferry system. The department shall report to the commission a summary of the promotional, discounted, and special event fares offered during each fiscal year and the financial results from these activities.

(5) ((Rearranged)) Except for the 2021-2023 fiscal biennium, fare revenues and other revenues deposited in the Puget Sound ferry operations account created in RCW 47.60.530 may not be used to support the Puget Sound capital construction account created in RCW 47.60.505, unless the support for capital is separately identified in the fare.

(6) The commission may not raise fares until the fare rules contain pricing policies developed under RCW 47.60.290, or September 1, 2009, whichever is later.

(7) The commission shall impose a vessel replacement surcharge of twenty-five cents on every one-way and round-trip ferry fare sold, including multiride and monthly pass fares. This surcharge must be clearly indicated to ferry passengers and drivers and, if possible, on the fare media itself.

(SSB 5419), Laws of 2019. The department of transportation shall provide to the commission vessel and debt service cost estimates. Information on vessels constructed or purchased with revenue from the surcharges must be publicly posted including, but not limited to, the commission web site.

(9) The vessel replacement surcharges imposed in this section may only be used for the construction or purchase of ferry vessels and to pay the principal and interest on bonds authorized for the construction or purchase of new ferry vessels.

(10) The commission shall not impose the additional vessel replacement surcharge in subsection (8) of this section if doing so would increase fares by more than ten percent.

**Sec. 713.** RCW 34.05.350 and 2011 1st sp.s. c 2 s 1 are each amended to read as follows:

(1) If an agency for good cause finds:

(a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest;

(b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule; or

(c) In order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, or in an omnibus transportation appropriations act for the 2021-2023 biennium related to setting toll rates, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency,

the agency may dispense with those requirements and adopt, amend, or repeal the rule on an emergency basis. The agency's finding and a concise statement of the reasons for its finding shall be incorporated in the order for adoption of the emergency rule or amendment filed with the office of the code reviser under RCW 34.05.380 and with the rules review committee.

(2) An emergency rule adopted under this section takes effect upon filing with the code reviser, unless a later date is specified in the order of adoption, and may not remain in effect for longer than one hundred twenty days after filing. Identical or substantially similar emergency rules may not be adopted in sequence unless conditions have changed or the agency has filed notice of its intent to adopt the rule as a permanent rule, and is actively undertaking the appropriate procedures to adopt the rule as a permanent rule. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

(3) Within seven days after the rule is adopted, any person may petition the governor requesting the immediate repeal of a rule adopted on an emergency basis by any department listed in RCW 43.17.010. Within seven days after submission of the petition, the governor shall either deny the petition in writing, stating his or her reasons for the denial, or order the immediate repeal of the rule. In ruling on the petition, the governor shall consider only whether the conditions in subsection (1) of this section were met such that adoption of the rule on an emergency basis was necessary. If the governor orders the repeal of the emergency rule, any sanction imposed based on that rule is void. This subsection shall not be construed to prohibit adoption of any rule as a permanent rule.

(b) The department shall continue to work with the office of financial management, office of the chief information officer, and the transportation committees of the legislature on the project management plan that includes a provision for independent verification and validation of contract deliverables from the successful bidder and a provision for quality assurance that includes reporting independently to the office of the chief information officer on an ongoing basis during system implementation.
(4) The department shall make detailed quarterly reports to the transportation committees of the legislature and the public on the department’s web site on the following:

(a) The use of consultants in the tolling program, including the name of the contractor, the scope of work, the type of contract, timelines, deliverables, any new task orders, and any extensions to existing consultant contracts;

(b) The nonvendor costs of administering toll operations, including the costs of staffing the division, consultants, and other personal service contracts required for technical oversight and management assistance, insurance, payments related to credit card processing, transponder purchases and inventory management, facility operations and maintenance, and other miscellaneous nonvendor costs;

(c) The vendor-related costs of operating tolled facilities, including the costs of the customer service center, cash collections on the Tacoma Narrows bridge, electronic payment processing, and toll collection equipment maintenance, renewal, and replacement;

(d) The toll adjudication process, including a summary table for each toll facility that includes:

(i) The number of notices of civil penalty issued;

(ii) The number of recipients who pay before the notice becomes a penalty;

(iii) The number of recipients who request a hearing and the number who do not respond;

(iv) Workload costs related to hearings;

(v) The cost and effectiveness of debt collection activities; and

(vi) Revenues generated from notices of civil penalty; and

(e) A summary of toll revenue by facility on all operating toll facilities and express toll lane systems, and an itemized depiction of the use of that revenue.

(5) ($24,735,000) $20,914,000 of the Interstate 405 and state route number 167 express toll lanes account—state appropriation is provided solely for operational costs related to the express toll lane facility.

(6) In calendar year 2021, toll equipment on the Tacoma Narrows Bridge will have reached the end of its operational life. During the 2019-2021 fiscal biennium, the department plans to issue a request for proposals as the first stage of a competitive procurement process that will replace the toll equipment and select a new tolling operator for the Tacoma Narrows Bridge. The request for proposals and subsequent competitive procurement must incorporate elements that prioritize the overall goal of lowering costs per transaction for the facility, such as incentives for innovative approaches which result in lower transactional costs, requests for efficiencies on the part of the bidder that lower operational costs, and incorporation of technologies such as self-serve credit card machines or other point-of-payment technologies that lower costs or improve operational efficiencies.

(7) ($18,840,000) $17,082,000 of the Alaskan Way viaduct replacement project account—state appropriation is provided solely for the new state route number 99 tunnel toll facility's expected share of collecting toll revenues, operating customer services, and maintaining toll collection systems. The legislature expects to see appropriate reductions to the other toll facility accounts once tolling on the new state route number 99 tunnel toll facility commences and any previously incurred costs for start-up of the new facility are charged back to the Alaskan Way viaduct replacement project account. The office of financial management shall closely monitor the application of the cost allocation model and ensure that the new state route number 99 tunnel toll facility is adequately sharing costs and the other toll facility accounts are not being overspent or subsidizing the new state route number 99 tunnel toll facility.

(8) $608,000 of the Interstate 405 and state route number 167 express toll lanes account—state appropriation are provided solely for increased levels of service from the Washington state patrol for enforcement of toll lane violations on the Interstate 405 and state route number 167 express toll lanes. The department shall provide this data in a report to the transportation committees of the legislature on at least a calendar quarterly basis.

(9) The department shall develop an ongoing cost allocation method to assign appropriate costs to each of the toll funds for services provided by each Washington state department of transportation program and all relevant transportation agencies, including the Washington state patrol and the transportation commission. This method should update the toll cost allocation method used in the 2020 supplemental transportation appropriations act by December 1, 2020, a report with the recommended method and any changes or potential impacts to toll rates shall be submitted to the transportation committees of the legislature and the office of financial management.

During the 2019-2021 fiscal biennium, the department may use the distributed direct program support or other cost allocation method to fund a new capital systems replacement or modernization project. The department shall submit a decision package for implementation of a new capital systems replacement project to the governor and the transportation committees of the legislature as part of the normal budget process for the 2021-2023 biennium.

Consistent with chapter 47.30 RCW and pursuant to RCW 47.12.080, the legislature declares that transferring portions of WSDOT Inventory Control (IC) No. 2-09-04686 containing the trail and associated buffer areas to the Washington state parks and recreation commission is consistent with the public interest. The legislature directs the department to transfer the property to the Washington state parks and recreation commission.

(a) The department must be paid fair market value for any portions of the transferred real property that is later abandoned, vacated, or ceases to be publicly maintained for trail purposes.

(2) With respect to Parcel 12 of the real property conveyed by the state of Washington to the city of Mercer Island under that certain quitclaim deed, dated April 19, 2000, recorded in King county under recording no. 20000425001234, the requirement in the deed that the property be used for road/street purposes only will be deemed satisfied by the department of transportation so long as commuter parking, as part of the vertical development of the property, is one of the significant uses of the property.

(3) $1,600,000 of the motor vehicle account—state appropriation is provided solely for real estate services activities. Consistent with RCW 47.12.120 and during the 2019-2021 fiscal biennium, when initiating, extending, or renewing any rent or lease agreements with a regional transit authority, consideration of value must be equivalent to one hundred percent of economic or market rent.

(4)(a) $100,000 of the motor vehicle account—state appropriation is provided solely for the department to:

(i) Determine the real property owned by the state of Washington and under the jurisdiction of the department in King county that is surplus property located in an area encompassing south of 5th Avenue North in Kirkland, west of I-405, north of North 1st Street, and east of North 5th Street; and

(ii) Use any remaining funds after (a)(i) of this subsection is completed to identify additional real property across the state owned by the state of Washington and under the jurisdiction of the department that is surplus property.

(1) Except as provided otherwise in this section, the entire connecting Washington account—state appropriation and the entire transportation partnership account—state appropriation are provided solely for the projects and activities as listed by fund, project, and amount in LEAP Transportation Document ((2020)) 2021-1 as developed March (11, 2020) 22, 2021. Program - Highway Improvements Program (1). However, limited transfers of specific line-item project appropriations may occur between projects for those amounts listed subject to the conditions and limitations in section 601 (of this act), chapter 219, Laws of 2020.

(2) Except as provided otherwise in this section, the entire motor vehicle account—state appropriation and motor vehicle account—federal appropriation are provided solely for the projects and activities listed in LEAP Transportation Document ((2020)) 2021-2 ALL PROJECTS as developed March (11, 2020) 22, 2021. Program - Highway Improvements Program (1).

Any federal funds gained through efficiencies, adjustments to the federal appropriation are provided solely for the projects and activities listed in LEAP Transportation Document ((2020)) 2021-2 ALL PROJECTS as developed March (11, 2020) 22, 2021. Program - Highway Improvements Program (1).

(3) Within the motor vehicle account—state appropriation and motor vehicle account—federal appropriation, the department may transfer funds between programs I and P, except for funds that are otherwise restricted in this act. Ten days prior to any
transfer, the department must submit its request to the office of financial management and the transportation committees of the legislature and consider any concerns raised. The department shall submit a report on fiscal year funds transferred in the prior fiscal year using this subsection as part of the department's annual budget submittal.

(4) The connecting Washington account—state appropriation includes up to ($1,085,325,000) $1,085,325,000 in proceeds from the sale of bonds authorized in RCW 47.10.889.

(7) The Alaskan Way viaduct replacement project account—state appropriation includes up to $77,956,000 in proceeds from the sale of bonds authorized in RCW 47.10.873.

(8) (($162,658,000)) $162,658,000 of the transportation partnership account—state appropriation, ($12,599,000) $12,599,000 of the motor vehicle account—private/local appropriation, $1,338,000 of the transportation 2003 account (nickel account)—state appropriation, $77,956,000 of the Alaskan Way viaduct replacement project account—state appropriation, and ($150,000) $150,000 of the multimodal transportation account—state appropriation are provided solely for the SR 99/Alaskan Way Viaduct Replacement project (8099362). It is the intent of the legislature that the $25,000,000 increase in funding provided in the 2021-2023 fiscal biennium be covered by any legal damages paid to the state as a result of a lawsuit related to contractual provisions for construction and delivery of the Alaskan Way viaduct replacement project. The legislature intends that the $25,000,000 of the transportation partnership account—state funds be repaid when those damages are recovered.

(9) $3,000,000 of the multimodal transportation account—state appropriation is provided solely for transit mitigation for the SR 99/Viaduct Project-Construction Mitigation project (809940B).

(10) (($148,097,000)) $148,097,000 of the connecting Washington account—state appropriation, $1,052,000 of the special category C account—state appropriation, and ($21,000) $21,000 of the motor vehicle account—private/local appropriation are provided solely for the US 395 North Spokane Corridor project (M00800R).

(11) (($29,187,000)) $29,187,000 of the Interstate 405 and state route number 167 express toll lanes account—state appropriation is provided solely for the I-405/SR 522 to I-5 Capacity Improvements project (I2000234) for activities related to adding capacity on Interstate 405 between state route number 522 and Interstate 5, with the goals of increasing vehicle throughput and aligning project completion with the implementation of bus rapid transit in the vicinity of the project.

(12)(a) (($422,090,000)) $422,090,000 of the connecting Washington account—state appropriation and ($456,000) $456,000 of the motor vehicle account—private/local appropriation are provided solely for the SR 520 Seattle Corridor Improvements - West End project (M00400R).

(b) Recognizing that the department of transportation requires full possession of parcel number 1-23190 to complete the Montlake Phase of the West End project, the department is directed to:

(i) Work with the operator of the Montlake boulevard market located on parcel number 1-23190 to negotiate a lease allowing continued operations up to January 1, 2020. After that time, the department shall identify an area in the vicinity of the Montlake property for a temporary market or other food service to be provided during the period of project construction. Should the current operator elect not to participate in providing that temporary service, the department shall then develop an outreach plan with the city to solicit community input on the food services provided, and then advertise the opportunity to other potential vendors. Further, the department shall work with the city of Seattle and existing permit processes to facilitate vendor access to and use of the area in the vicinity of the Montlake property.

(ii) Upon completion of the Montlake Phase of the West End project (current anticipated contract completion of 2023), WSDOT shall sell that portion of the property not used for permanent transportation improvements and initiate a process to convey that surplus property to a subsequent owner.

(c) $60,000 of the motor vehicle account—state appropriation is provided solely for grants to nonprofit organizations located in a city with a population exceeding six hundred thousand persons and that empower artists through equitable access to vital expertise, opportunities, and business services. Funds may be used only for the purpose of preserving, commemorating, and sharing the history of the city of Seattle's freeway protests and making the history of activism around the promotion of more integrated transportation and land use planning accessible to current and future generations through the preservation of Bent 2 of the R. H. Thompson freeway ramp.

(13) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue $50,000,000 in federal funds to pay for this project to supplant state funds in the future. $50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

(14) (($310,469,000)) $310,469,000 of the connecting Washington account—state appropriation and ($3,000,000) $3,000,000 of the multimodal transportation account—state appropriation are provided solely for the SR 99/Alaskan Way Viaduct Replacement project (8099362). It is the legislature's intent that the department shall recognize that the department of transportation requires ($3,000,000) $3,000,000 of the multimodal transportation account—state appropriation and $1,052,000 of the motor vehicle account—private/local appropriation are provided solely for the SR 520 Seattle Corridor Improvements - West End project (M00400R).

(a) Any savings on the project must stay on the Puget Sound Gateway corridor until the project is complete.

(b) Proceeds from the sale of any surplus real property acquired for the purpose of building the SR 167/SR 509 Puget Sound Gateway (M00600R) project must be deposited into the motor vehicle account for the purpose of constructing the project.

(C) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(d) It is the legislature's intent that the department shall construct a full single-point urban interchange at the junction of state route number 161 (Meridian avenue) and state route number 167 and a full single-point urban interchange at the junction of state route number 509 and 188th Street. If the department receives additional funds from an outside source for this project after the base project is fully funded, the funds must first be
applied toward the completion of these two full single-point urban interchanges.

(e) In designing the state route number 509/state route number 516 interchange component of the SR 167/SR 509 Puget Sound Gateway project (M00600R), the department shall make every effort to utilize the preferred "AB" design.

(f) The department shall explore the development of a multiuse trail for bicyclists, pedestrians, skateboarders, and similar users along the SR 167 right-of-way acquired for the project to connect a network of new and existing trails from Mount Rainier to Point Defiance Park.

(g) If sufficient bonding authority to complete this project is not provided within chapter 421, Laws of 2019 (addressing tolling), or within a bond authorization act referencing chapter 421, Laws of 2019 by June 30, 2019, it is the intent of the legislature to return the Puget Sound Gateway project (M00600R) to its previously identified construction schedule by moving $128,900,000 in connecting Washington account—state appropriation back to the 2027-2029 biennium from the 2023-2025 biennium on the list referenced in subsection (2) of this section. If sufficient bonding authority is provided, it is the intent of the legislature to advance the project to allow for earlier completion and inflationary savings.

(15) It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county's process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

(16) $1,030,000 of the transportation partnership account—state appropriation is provided solely for the U.S. 2 Trestle UR project (L1000158).

(17) The department shall itemize all future requests for the construction of buildings on a project list and submit them through the transportation executive information system as part of the department's annual budget submittal. It is the intent of the legislature that new facility construction must be transparent and not appropriated within larger highway construction projects.

(18) Any advisory group that the department convenes during the 2019-2021 fiscal biennium must consider the interests of the entire state of Washington.

(19) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Before the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2021, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

(20)(a) For connecting Washington projects that have already begun and are eligible for the authority granted in section 601 (of this act), chapter 219, Laws of 2020, the department shall prioritize advancing the following projects if expected reappropriations become available:

(i) SR 14/I-205 to SE 164th Ave - Auxiliary Lanes (L2000102);
(ii) SR 305 Construction - Safety Improvements (N30500R);
(iii) SR 14/Bingen Underpass (L2220062);
(iv) I-405/NE 132nd Interchange - Totem Lake (L1000110);
(v) US Hwy 2 Safety (N00200R);
(vi) US-12/Walla Walla Corridor Improvements (T20900R);
(vii) I-5 JBLM Corridor Improvements (M00100R);
(viii) I-5/Slater Road Interchange - Improvements (L1000099);
(ix) SR 510/Yelm Loop Phase 2 (T32700R); or
(x) SR 520/124th St Interchange (Design and Right of Way) (L1000098).

(b) To the extent practicable, the department shall use the flexibility and authority granted in this section and in section 601 of this act to minimize the amount of reappropriations needed each biennium.

(c) The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2021-2023 fiscal biennium.

(21) The legislature continues to prioritize the replacement of the state's aging infrastructure and recognizes the importance of reuse and recycling construction aggregate and recycled concrete materials in our transportation system. To accomplish Washington state's sustainability goals in transportation and in accordance with RCW 70.95.805, the legislature reaffirms its determination that recycled concrete aggregate and other transportation building materials are natural resource construction materials that are too valuable to be wasted and landfilled, and are a commodity as defined in WAC 173-350-100.

Further, the legislature determines construction aggregate and recycled concrete materials substantially meet widely recognized international, national, and local standards and specifications referenced in American society for testing and materials, American concrete institute, Washington state department of transportation, Seattle department of transportation, American public works association, federal aviation administration, and federal highway administration specifications, and are described as necessary and desirable products for recycling and reuse by state and federal agencies.

As these recyclable materials have well established markets, are substantially a primary or secondary product of necessary construction processes and production, and are managed as an item of commercial value, construction aggregate and recycled concrete materials are exempt from chapter 173-350 WAC.

(22)(a) $8,072,000 of the motor vehicle account—state appropriation (ii) and $7,329,000 of the motor vehicle account—private/local appropriation are provided solely for staffing of a project office to replace the Interstate 5 bridge across the Columbia river (G2000088). If at least a $9,000,000 transfer is not authorized in section 406(29), chapter 416, Laws of 2019, then $9,000,000 of the motor vehicle account—state appropriation lapses.

(b) (Of the amount provided in this subsection, $7,780,000 of the motor vehicle account—state appropriation must be placed in unallotted status by the office of financial management until the department develops a detailed plan for the work of this project office in consultation with the chairs and ranking members of the transportation committees of the legislature. The director of the office of financial management shall consult with the chairs and ranking members of the transportation committees of the legislature prior to making a decision to allot these funds.

(c) The work of this project office includes, but is not limited to, the reevaluation of the purpose and need identified for the project previously known as the Columbia river crossing, the reevaluation of permits and development of a finance plan, the reengagement of key stakeholders and the public, and the reevaluation of scope, schedule, and budget for a reinvigorated bistate effort for replacement of the Interstate 5 Columbia river bridge. When reevaluating the finance plan for the project, the department shall assume that some costs of the new facility may be covered by tolls. The project office must also study the
possible different governance structures for a bridge authority that would provide for the joint administration of the bridges over the Columbia river between Oregon and Washington. As part of this study, the project office must examine the feasibility and necessity of an interstate compact in conjunction with the national center for interstate compacts.

((44)) (c) Within the amount provided in this subsection, the department must implement chapter 137, Laws of 2019 (projects of statewide significance).

((45)) (d) The department shall have as a goal to:

(i) Reengage project stakeholders and reevaluate the purpose and need and environmental permits by July 1, 2020;

(ii) Develop a finance plan by December 1, 2020; and

(iii) Have made significant progress toward beginning the supplemental environmental impact statement process by June 30, 2021. The department shall aim to provide a progress report on these activities to the governor and the transportation committees of the legislature by December 1, 2019, and a final report to the governor and the transportation committees of the legislature by December 1, 2020.

(23) ($47,500,000) of the motor vehicle account—state appropriation is provided solely to begin the pre-design phase on the I-5 Columbia River Bridge project (G2000088).

(24)(a) $191,360,000 of the connecting Washington account—state appropriation, $47,655,000 of the motor vehicle account—federal appropriation, $111,179,000 of the motor vehicle account—private/local appropriation, $6,100,000 of the motor vehicle account—state appropriation, and $18,706,000 of the transportation partnership account—state appropriation are provided solely for the Fish Passage Barrier Removal project (OB14001) with the intent of fully complying with the court injunction by 2030.

(b) Of the amounts provided in this subsection, $320,000 of the connecting Washington account—state appropriation is provided solely to remove the fish passage barrier on state route number 6 that interfaces with Boistfort Valley water utilities near milepost 46.6.

(c) The department shall coordinate with the Brian Abbott fish passage barrier removal board to use a watershed approach to maximize habitat gain by replacing both state and local culverts. The department shall deliver high habitat value fish passage barrier corrections that it has identified, guided by the following factors: Opportunity to bundle projects, ability to leverage investments by others, presence of other barriers, project readiness, other transportation projects in the area, and transportation impacts.

(d) The department must keep track of, for each barrier removed: (i) The location; (ii) the amount of fish habitat gain; and (iii) the amount spent to comply with the injunction.

(e) It is the intent of the legislature that for the amount listed for the 2021-2023 biennium for the Fish Passage Barrier Removal project (OB14001) on the LEAP list referenced in subsection (1) of this section, that accrued practical design savings deposited in the transportation future funding program account be used to help fund the cost of fully complying with the court injunction by 2030.

((25)) (24)(a) The Washington state department of transportation is directed to pursue compliance with the U.S. v. Washington permanent injunction by delivering culvert corrections within the injunction area guided by the principle of providing the greatest fisheries habitat gain at the earliest time and considering the following factors: Opportunity to bundle projects, tribal priorities, ability to leverage investments by others, presence of other barriers, project readiness, culvert condition, other transportation projects in the area, and transportation impacts.

(b) The department and Brian Abbott fish barrier removal board, while providing the opportunity for stakeholders, tribes, and government agencies to give input on a statewide culvert remediation plan, must provide updates on the development of the statewide culvert remediation plan to the capital budget, ways and means, and transportation committees of the legislature by November 1, 2020, and March 15, 2021. The first update must include a project timeline and plan to ensure that all state agencies with culvert correction programs are involved in the creation of the comprehensive plan. The department and Brian Abbott fish barrier removal board must submit the final comprehensive statewide culvert remediation plan and the process by which it will be adaptively managed over time to the governor and the legislative fiscal committees by June 30, 2021.

((26) $16,649,000) (25) $4,880,000 of the connecting Washington account—state appropriation, $373,000 of the motor vehicle account—state appropriation, and ((6,000,000) $113,000 of the motor vehicle account—private/local appropriation are provided solely for the I-90/Barker to Harvard Improve Interchanges & Local Roads project (L2000122). The connecting Washington account appropriation for the improvements that fall within the city of Liberty Lake may only be expended if the city of Liberty Lake agrees to cover any project costs within the city of Liberty Lake above the $20,900,000 of state appropriation provided for the total project in LEAP Transportation Document ((2020) 2021-1 as developed March (11, 2020) 22, 2021, Program – Highway Improvements (1).

((27)) (26)(a) ($6,799,000)) $3,901,000 of the motor vehicle account—federal appropriation, ($31,000) ($34,000 of the motor vehicle account—state appropriation (28) $3,812,000 of the transportation partnership account—state appropriation), and ($7,000,000)) $4,519,000 of the Interstate 405 and state route number 167 express toll lanes account—state appropriation are provided solely for the SR 167/SR 410 to SR 18 - Congestion Management Project (316706C).

The appropriations in this section are subject to the following conditions and limitations:

((($700,000) $121,000 of the motor vehicle account—state appropriation is provided solely for the SR 99 Aurora Bridge ITS project (L2000338).

Sec. 1007. 2020 c 219 s 308 (uncodified) is amended to read as follows:
plan shall be submitted to the office of financial management and the transportation committees of the legislature by June 30, 2020.

(7) $10,776,000 of the Puget Sound capital construction account—state appropriation and $8,000,000 of the Puget Sound capital construction account—federal appropriation are provided solely for the conversion of up to two Jumbo Mark II vessels to electric hybrid propulsion (G2000084). The department shall seek additional funds for the purposes of this subsection. The department may spend from the Puget Sound capital construction account—state appropriation in this section only as much as the department receives in Volkswagen settlement funds for the purposes of this subsection.

(8) $400,000 of the Puget Sound capital construction account—state appropriation is provided solely for a request for proposals for a new maintenance management system (project L2000301) and is subject to the conditions, limitations, and review provided in section 701 (of this act), chapter 219, Laws of 2020.

(9) $35,547,000 of the capital vessel replacement account—state appropriation is provided solely for the acquisition of a 144-car hybrid-electric vessel. The vendor must present to the joint transportation committee and the office of financial management, by September 15, 2019, a list of options that will result in significant cost savings changes in terms of construction or the long-term maintenance and operations of the vessel. The vendor must allow for exercising the options with no penalty. It is the intent of the legislature to provide an additional $88,000,000 in funding in the 2021-23 biennium. The reduction provided in this subsection is an assumed underrun pursuant to subsection (11) of this section. The commencement of construction of new vessels for the ferry system is important not only for safety reasons, but also to keep skilled marine construction jobs in the Puget Sound region and to sustain the capacity of the region to meet the ongoing construction and preservation needs of the ferry system fleet of vessels. The legislature has determined that the current vessel procurement process must move forward with all due speed, balancing the interests of both the taxpayers and shipyards. To accomplish construction of vessels in accordance with RCW 47.60.810, the prevailing shipbuilder, for vessels initially funded after July 1, 2020, is encouraged to follow the historical practice of subcontracting the construction of ferry superstructures to a separate nonaffiliated contractor located within the Puget Sound region, that is qualified in accordance with RCW 47.60.690.

(11) The capital vessel transition account—state appropriation includes up to $(35,547,000) in proceeds from the sale of bonds authorized in RCW 47.10.873.

(11) The appropriations in this section include savings due to anticipated project underruns; however, it is unknown which projects will provide savings. The legislature intends to provide sufficient flexibility for the department to manage to this savings target. To provide this flexibility, the office of financial management may authorize, through an allotment modification, reductions in the appropriated amounts that are provided solely for a particular purpose within this section subject to the following conditions and limitations:

(a) The department must confirm that any modification requested under this subsection of amounts provided solely for a specific purpose are not expected to be used for that purpose in this biennium;

(b) Allotment modifications authorized under this subsection may not result in increased funding for any project beyond the amount provided for that project in the 2019-2021 fiscal biennium in LEAP Transportation Document ((2020)) 2021-2 ALL PROJECTS as developed March ((11, 2020)) 22, 2021.

(c) Allotment modifications authorized under this subsection apply only to amounts appropriated in this section from the following accounts: Puget Sound capital construction account—state, transportation partnership account—state, and capital vessel replacement account—state; and

(d) By December 1, 2020, the department must submit a report to the transportation committees of the legislature regarding the actions taken under this subsection.

MESSAGE FROM THE HOUSE

April 7, 2021

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5128 with the following amendment(s): 5128-82-E AMH ED H1314.1

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that the COVID-19 pandemic has significantly changed the delivery of education across the state, as school districts transition to remote learning environments to protect the health of students and staff. The legislature also recognizes that the role of transportation services has evolved alongside remote learning programs to help students equitably access the instructional program of basic education. As permitted by emergency proclamation, many school districts have adapted to remote learning by transporting meals, learning materials, and technology supports directly to students' homes or neighborhoods. Other school districts have used transportation resources to bring students to learning centers or other agencies where support services are provided. 

This flexibility has allowed school districts to creatively use the resources at their disposal to equitably address the needs of students during an ongoing emergency.

With this act, the legislature intends to preserve this principle of flexibility for qualifying transportation services during a future local, state, or national emergency.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.160 RCW to read as follows:

(1) If a school or school district is providing full remote or partial remote instruction under the authority of RCW 28A.150.290 due to a local, state, or national emergency that causes a substantial disruption to full in-person instruction then, in addition to the transportation services allowed under this chapter, the district may use student transportation allocations to provide the following expanded services to students, regardless of whether those students would qualify as eligible students under RCW 28A.160.160:

(a) Delivery of educational services necessary to provide students with the opportunity to equitably access educational services during the period of remote instruction. Delivery of educational services include the transportation of materials, hardware, and other supports that assist students in accessing remote instruction, internet connectivity, or the curriculum;

(b) Delivery of meals to students;

(c) Providing for the transportation of students to and from learning centers or other public or private agencies where educational and support services are being provided to students during the period of remote instruction. "Providing for" includes the provision of payments to allow students to use public transit to access the educational and support services; and

(d) Providing for the transportation of students to and from interscholastic and extracurricular activities.

(2) Nothing in this section is intended to limit a district's ability to use transportation allocations to pay for fixed transportation costs, such as school bus maintenance and basic administrative, regulatory, safety, or operational expenses.

(3) If a district provides expanded services under subsection (1) of this section, the district must track by a separate accounting code the expenditures incurred by the district in providing such services. This data must be included in the report required under RCW 28A.160.170(2).

Sec. 3. RCW 28A.160.160 and 2009 c 548 s 305 are each amended to read as follows:

For purposes of RCW 28A.160.150 through 28A.160.190, except where the context shall clearly indicate otherwise, the following definitions apply:

(1) "Eligible student" means any student served by the transportation program of a school district or compensated for individual transportation arrangements authorized by RCW 28A.160.030 whose route stop is outside the walk area for a student's school, except if the student to be transported is disabled under RCW 28A.155.020 and is either not ambulatory or not capable of protecting his or her own welfare while traveling to or from the school or agency where special education services are provided, in which case no mileage distance restriction applies.

(2) "Superintendent" means the superintendent of public instruction.

(3) "To and from school" means the transportation of students for the following purposes:

(a) Transportation to and from route stops and schools;

(b) Transportation to and from schools pursuant to an interdistrict agreement pursuant to RCW 28A.335.160;

(c) Transportation of students between schools and learning centers for instruction specifically required by statute; (and)

(d) Transportation of students with disabilities to and from schools and agencies for special education services; and

(e) Transportation of students to and from interscholastic and extracurricular activities under section 2 of this act.

Academic extended day transportation for the instructional program of basic education under RCW 28A.150.220 shall be considered part of transportation of students "to and from school" for the purposes of this section. Transportation for field trips may not be considered part of transportation of students "to and from school" under this section.

(4) "Transportation services" for students living within the walk area includes the coordination of walk-to-school programs, the funding of crossing guards, and matching funds for local and state transportation projects intended to mitigate hazardous walking conditions. Priority for transportation services shall be given to students in grades kindergarten through five.

(5) As used in this section, "walk area" means that area around a school with an adequate roadway configuration to provide students access to school with a walking distance of less than one mile. Mileage must be measured along the shortest roadway or maintained public walkway where hazardous conditions do not exist. The hazardous conditions must be documented by a process established in rule by the superintendent of public instruction and must include roadway, environmental, and social conditions. Each elementary school shall identify walk routes within the walk area.

Sec. 4. RCW 28A.160.170 and 2009 c 548 s 306 are each amended to read as follows:

Each district shall submit three times each year to the superintendent of public instruction during October, February, and May of each year a report containing the following:

(1)(a) The number of eligible students transported to and from school as provided for in RCW 28A.160.150, along with identification of stop locations and school locations, and (b) the number of miles driven for pupil transportation services as authorized in RCW 28A.160.150 the previous school year; and
(2) Other operational data and descriptions as required by the superintendent to determine allocation requirements for each district. The superintendent shall require that districts separate the costs of operating the program for the transportation of eligible students to and from school as defined by RCW 28A.160.160(3) (((formal))), non-to-and-from-school pupil transportation costs, and costs to provide expanded services under section 2(1) of this act in the annual financial statement. The cost, quantity, and type of all fuel purchased by school districts for use in to-and-from-school transportation shall be included in the annual financial statement.

Each district shall submit the information required in this section on a timely basis as a condition of the continuing receipt of school transportation moneys.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.710 RCW to read as follows:

Section 2 of this act governs school operation and management under RCW 28A.710.040 and applies to charter schools established under this chapter.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.715 RCW to read as follows:

Section 2 of this act governs school operation and management under RCW 28A.715.020 and applies to state-tribal compact schools established under this chapter.

NEW SECTION. Sec. 7. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Correct the title.

and the same are herewith transmitted.

(d) "Dependent" has the meaning given in Title 11 U.S.C. Sec. 522(a)(1).

Sec. 3. RCW 6.13.030 and 2007 c 429 s 1 are each amended to read as follows:

(A homestead may consist of lands, as described in RCW 6.13.010, regardless of area, but the homestead exemption amount shall not exceed the lesser of (1) the total net value of the lands, manufactured homes, mobile home, improvements, and other personal property, as described in RCW 6.13.010, or (2) the sum of one hundred twenty-five thousand dollars in the case of lands, manufactured homes, mobile home, and improvements, or the sum of fifteen thousand dollars in the case of other personal property described in RCW 6.13.010, except where) (1) The homestead exemption amount is the greater of:

(a) $125,000;

(b) The county median sale price of a single-family home in the preceding calendar year; or

(c) Where the homestead is subject to execution, attachment, or seizure by or under any legal process whatever to satisfy a judgment in favor of any state for failure to pay that state's income tax on benefits received while a resident of the state of Washington from a pension or other retirement plan, ((in which event there shall be)) no dollar limit ((on the value of the exemption)).

(2) In determining the county median sale price of a single-family home in the preceding year, a court shall use data from the Runstad department of real estate at the University of Washington or, if the Runstad department no longer provides the data, a successor entity designated by the office of financial management.

Sec. 4. RCW 6.13.060 and 2008 c 6 s 634 are each amended to read as follows:

The homestead of a spouse or domestic partner cannot be conveyed or encumbered unless the instrument by which it is conveyed or encumbered is executed and acknowledged by both spouses or both domestic partners, except that either spouse or both or either domestic partner or both jointly may make and execute powers of attorney for the conveyance or encumbrance of the homestead. The conveyance or encumbrance of the
homestead does not require that any dependent of the owner who
is not a spouse or domestic partner execute and acknowledge the
instrument by which it is conveyed or encumbered.

Sec. 5. RCW 6.13.070 and 1987 c 442 s 207 are each
amended to read as follows:

(1) Except as provided in RCW 6.13.080, the homestead is
exempt from attachment and from execution or forced sale for the
debts of the owner up to the amount specified in RCW 6.13.030.

(2) In a bankruptcy case, the debtor's exemption shall be
determined on the date the bankruptcy petition is filed. If the
value of the debtor's interest in homestead property on the petition
date is less than or equal to the amount that can be exempted under
RCW 6.13.030, then the debtor's entire interest in the property,
including the debtor's right to possession and interests of no
monetary value, is exempt. Any appreciation in the value of the
debtor's exempt interest in the property during the bankruptcy
case is also exempt, even if in excess of the amounts in RCW
6.13.030(1).

(3) The proceeds of the voluntary sale of the homestead in good
faith for the purpose of acquiring a new homestead, and proceeds
from insurance covering destruction of homestead property held
for use in restoring or replacing the homestead property, up to the
amount specified in RCW 6.13.030, shall likewise be exempt for
one year from receipt, and also such new homestead acquired
with such proceeds.

(4) Every homestead created under this chapter is
presumed to be valid to the extent of all the property claimed
exempt, until the validity thereof is contested in a court of general
jurisdiction in the county or district in which the homestead is
situated.

Sec. 6. RCW 6.13.080 and 2019 c 238 s 215 are each
amended to read as follows:

The homestead exemption is not available against an execution
or forced sale in satisfaction of judgments obtained:

(1) On debts secured by mechanic's, laborer's, construction,
marine, automobile repair, material supplier's, or vendor's liens
arising out of and against the particular property claimed as a
homestead;

(2) On debts secured;

(a) (ix) By security agreements describing as collateral the
property that is claimed as a homestead;

(b) (ix) By mortgages or deeds of trust on the premises that
have been executed and acknowledged by both spouses or both
domestic partners or by any claimant not married or in a state
registered domestic partnership. The execution and
acknowledgment of a mortgage or deed of trust by a dependent
who is not a spouse or domestic partner is not required;

(3) On one spouse's or one domestic partner's or the
community's debts existing at the time of that spouse's or that
domestic partner's bankruptcy filing where (a) bankruptcy is filed
by both spouses or both domestic partners within a six-month
period, other than in a joint case or a case in which their assets are
jointly administered, and (b) the other spouse or other domestic
partner exempts property from property of the estate under the
bankruptcy exemption provisions of 11 U.S.C. Sec. 522(d);

(4) On debts arising from a lawful court order or decree or
administrative order establishing a child support obligation or
obligation to pay maintenance;

(5) On debts owing to the state of Washington for recovery of
medical assistance correctly paid on behalf of an individual
consistent with 42 U.S.C. Sec. 1396p;

(6) On debts secured by a condominium, homeowners', or
common interest community association's lien; or

(7) On debts owed for taxes collected under chapters 82.08,
82.12, and 82.14 RCW but not remitted to the department of
revenue.

Sec. 7. RCW 61.24.100 and 1998 c 295 s 12 are each
amended to read as follows:

(1) Except to the extent permitted in this section for deeds of
trust securing commercial loans, a deficiency judgment shall not
be obtained on the obligations secured by a deed of trust against
any borrower, grantor, or guarantor after a trustee's sale under that
deed of trust.

(2)(a) Nothing in this chapter precludes an action against any
person liable on the obligations secured by a deed of trust or any
guarantor prior to a notice of trustee's sale being given pursuant
to this chapter or after the discontinuance of the trustee's sale.

(b) No action under (a) of this subsection precludes the
beneficiary from commencing a judicial foreclosure or trustee's
sale under the deed of trust after the completion or dismissal of
that action.

(3) This chapter does not preclude any one or more of the
following after a trustee's sale under a deed of trust securing a
commercial loan executed after June 11, 1998:

(a)(i) To the extent the fair value of the property sold at the
trustee's sale to the beneficiary or an affiliate of the beneficiary is
less than the unpaid obligation secured by the deed of trust
immediately prior to the trustee's sale, an action for a deficiency
judgment against the borrower or grantor, if such person or
persons was timely given the notices under RCW 61.24.040, for
(A) any decrease in the fair value of the property caused by waste
to the property committed by the borrower or grantor,
respectively, after the deed of trust is granted, and (B) the
wrongful retention of any rents, insurance proceeds, or
condemnation awards by the borrower or grantor, respectively,
that are otherwise owed to the beneficiary.

(ii) This subsection (3)(a) does not apply to any property that
is occupied by the borrower as its principal residence as of the
date of the trustee's sale;

(b) Any judicial or nonjudicial foreclosures of any other deeds
of trust, mortgages, security agreements, or other security
interests or liens covering any real or personal property granted
to secure the obligation that was secured by the deed of trust
foreclosed; or

(c) Subject to this section, an action for a deficiency judgment
against a guarantor if the guarantor is timely given the notices
under RCW 61.24.042.

(4) Any action referred to in subsection (3)(a) and (c) of this
section shall be commenced within one year after the date of the
trustee's sale, or a later date to which the liable party otherwise
agrees in writing with the beneficiary after the notice of
foreclosure is given, plus any period during which the action is
prohibited by a bankruptcy, insolvency, moratorium, or other
similar debtor protection statute. If there occurs more than one
trustee's sale under a deed of trust securing a commercial loan or
if trustee's sales are made pursuant to two or more deeds of trust
securing the same commercial loan, the one-year limitation in this
section begins on the date of the last of those trustee's sales.

(5) In any action against a guarantor following a trustee's sale
under a deed of trust securing a commercial loan, the guarantor
may request the court or other appropriate adjudicator to
determine, or the court or other appropriate adjudicator may in its
discretion determine, the fair value of the property sold at the sale
and the deficiency judgment against the guarantor shall be for an
amount equal to the sum of the total amount owed to the
beneficiary by the guarantor as of the date of the trustee's sale,
less the fair value of the property sold at the trustee's sale or the
sale price paid at the trustee's sale, whichever is greater, plus
interest on the amount of the deficiency from the date of the trustee's sale at the rate provided in the guaranty, the deed of trust, or in any other contracts evidencing the debt secured by the deed of trust, as applicable, and any costs, expenses, and fees that are provided for in any contract evidencing the guarantor's liability for such a judgment. If any other security is sold to satisfy the same debt prior to the entry of a deficiency judgment against the guarantor, the fair value of that security, as calculated in the manner applicable to the property sold at the trustee's sale, shall be added to the fair value of the property sold at the trustee's sale as of the date that additional security is foreclosed. This section is in lieu of any right any guarantor would otherwise have to establish an upset price pursuant to RCW 61.12.060 prior to a trustee's sale.

(6) A guarantor granting a deed of trust to secure its guaranty of a commercial loan shall be subject to a deficiency judgment following a trustee's sale under that deed of trust only to the extent stated in subsection (3)(a)(i) of this section. If the deed of trust encumbers the guarantor's principal residence, the guarantor shall be entitled to receive an amount up to ((the homestead exemption set forth in RCW 6.13.030)) $125,000, without regard to the effect of RCW 6.13.080(2), from the bid at the foreclosure or trustee's sale accepted by the sheriff or trustee prior to the application of the bid to the guarantor's obligation.

(7) A beneficiary's acceptance of a deed in lieu of a trustee's sale under a deed of trust securing a commercial loan exonerates the guarantor from any liability for the debt secured thereby except to the extent the guarantor otherwise agrees as part of the deed in lieu transaction.

(8) This chapter does not preclude a beneficiary from foreclosing a deed of trust in the same manner as a real property mortgage and this section does not apply to such a foreclosure.

(9) Any contract, note, deed of trust, or guaranty may, by its express language, prohibit the recovery of any portion or all of a deficiency after the property encumbered by the deed of trust securing a commercial loan is sold at a trustee's sale.

(10) A trustee's sale under a deed of trust securing a commercial loan does not preclude an action to collect or enforce any obligation of a borrower or guarantor if that obligation, or the substantial equivalent of that obligation, was not secured by the deed of trust.

(11) Unless the guarantor otherwise agrees, a trustee's sale shall not impair any right or agreement of a guarantor to be reimbursed by a borrower or grantor for a deficiency judgment against the guarantor.

(12) Notwithstanding anything in this section to the contrary, the rights and obligations of any borrower, grantor, and guarantor following a trustee's sale under a deed of trust securing a commercial loan or any guaranty of such a loan executed prior to June 11, 1998, shall be determined in accordance with the laws existing prior to June 11, 1998.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."
