

FIRST DAY**NOON SESSION**

Senate Chamber, Olympia
Monday, January 9, 2023

At 12:00 o'clock noon, pursuant to law, the Senate of the 2023 Regular Session of the Sixty-Eighth Legislature of the State of Washington assembled in the Senate Chamber at the State Capitol. Lieutenant Governor Denny Heck, President of the Senate, called the Senate to order.

The Washington State Patrol Honor Guard, consisting of Lieutenant Matt Fehler, Trooper Kyle Flaig, Trooper Dean Gallanger, Sergeant Kelli Howes and Corporal Alexis Robinson, presented the Colors.

Lt. Governor Heck led the Senate in the Pledge of Allegiance.

The National Anthem was performed in both song and interpreted into American Sign Language (ASL) by the American Sign Language Program class at River Ridge High School, Lacey. The class was led by their teacher, Ms. Cathy Boos.

The Washington State Patrol Honor Guard retired from the Chamber.

The prayer was offered by Pastor Maynard Atik of Edmonds, guest of Senator Pedersen.

REMARKS BY THE PRESIDENT

President Heck: "The President extends his heartfelt congratulations to all of you and especially the new members. You are an impressive lot indeed.

The President also wants to recognize the incredible partnership and sacrifices that your families play in this great process. It defies imagination that anyone could ever go through this without a strong support network and especially that of a family.

Thank you all for your willingness to serve your community.

You are part of a special institution. In our state's entire history, probably fewer than 1,000 people have had the privilege to occupy these seats. Think about that! That's fewer people than the number of students at Olympia High School up the street. So, it is indeed an honor to serve here.

We meet in person for the first time in three years. Now we will practice democracy in the originally intended way – face to face. We are all glad for that and hopefully, we are also aware that this return to normalcy will require some adjustment and patience and grace on each of our parts. The President will extend that to all of you and humbly asks it in return.

This body, including our outstanding staff, acquitted itself these last years in spectacular fashion. Remote operations are hard. We got the technology down thanks to extraordinary effort. But we also got the comportment piece right despite the extraordinary frustrations and tensions.

Indeed, this is said with the utmost sincerity, it is an honor to be a part of a democratic institution where policy disagreements are often prosecuted with strong conviction but also respectfully. It is not true everywhere. It is here. That is part of why the rules exist and they will be enforced.

We all know your communities have sent you here to do good. It is our collective charge. Back home, paying attention to our efforts isn't always the highest priority. Maybe it is just getting by. Or maybe it is the universal pursuit of finding meaning, or a

sense of belonging or of well-being. Again, they may not be focusing on this place.

But they have given us the power to do good and it is a sacred opportunity, an opportunity to make a difference in the lives of people, and to elevate the human condition in however we may individually or collectively define that. Let us all remember, however, that we do not possess that power but only hold it in trust and temporarily.

And so, as the President has said now three years running, let's get started."

The Secretary called the roll of the following holdover members of the Senate, and all were present with the exception of Senator McCune: Senators Billig, Braun, Cleveland, Dozier, Gildon, Hasegawa, Hawkins, Hunt, King, Lovelett, McCune, Mullet, Muzzall, Nobles, Padden, Rivers, Rolfes, Schoesler, Stanford, Van De Wege, Wagoner, Wellman, Wilson, J., and Wilson, L.

MOTION

On motion of Senator Pedersen, the Senate advanced to the third order of business.

MOTION

REMARKS BY SENATOR DHINGRA

Senator Dhingra: “Thank you Mr. President. It gives me great pleasure to rise to nominate Senator Keiser to the position of Senate President Pro Tempore. Senator Keiser needs no introduction to this body. We all know her past work and the numerous rolls in which she has served this body, from the chair of Healthcare Committee to the Senate Democratic Caucus Capital Lead, a lead on the Capital Budget and her current work as Chair of the Labor & Commerce Committee, and as President Pro Tempore. She has a well-earned reputation of bringing parties together, building consensus. She can always be relied on to find that sweet spot to really creative, create effective legislation. She has shown, in the years that she has served as President Pro Tempore, that she presides thoughtfully, fairly, judiciously, and with a deep knowledge of Senate rules and procedures. She has

earned the respect and gratitude of every member of this chamber for so many years. And as a fellow California – Berkeley alum, I have no doubt that many of her great qualities are due to Senator Keiser’s excellent education at the University of California-Berkeley. So, I ask for your support for Senator Keiser to continue putting her first-class education and her many years of experience in the Legislature to work for the people of Washington as President Pro Tempore of this body.”

And I’ve got to say that at every point, he always showed so much grace, so much elegance, so much kindness. But, also, he was able to talk about the difficult things while doing so. And so, when we have someone up on the rostrum, I am so excited to have someone that can bring a state of the, the magnanimity of this body. To show us how important the decisions that we’re making here today and bring back grace with him. Senator Lovick always has a quote that I’m going to mangle, and ‘it’s not so much what you say, but how you make people feel,’ and I will say that Senator Lovick always makes people feel warm, welcome and invited, and the seriousness and the duty of this job.”

MOTION

REMARKS BY SENATOR BILLIG

Senator Billig: “Thank you Mr. President. Nice to see you and Happy New Year. It is my pleasure and honor to rise in support of Sarah Bannister’s nomination for Secretary of the Senate. Sarah has both the experience and the talent to do this job and to do it well. Speaking of experience, she started in the legislature in 1999. She was a caseworker and a temporary session aide. And then she just kept getting more and more responsibility. And then became the Deputy Leader of this body, or Deputy, excuse me Deputy Secretary of this body. And a year ago elected as the Secretary of the Senate. I just have so much confidence in her to do this job because I’ve seen her do the job. And it is not an easy job. She’s responsible for over 200 staff people and has the responsibility and duty to wrangle 49 independently minded senators. She does it with grace and she does it very effectively. One of the things I especially appreciate about Sarah is how she

balances; you know this is on old institution with a lot of traditions. And a lot of those traditions are good and should continue, but we also need to have change when it makes sense, and she seems to get that balance between the old and the new just right. In short, she is exactly the right person for this job, and I urge everybody in this body to join me in re-electing Sarah Bannister as the Secretary of the Senate. Thank you.”

REMARKS BY SENATOR BRAUN

Senator Braun: “Thank you Mr. President. I just want to stand briefly and recognize in particular the work Sarah Bannister has done over the last couple of years with respect, humility, frankly with great energy. But also, with resolute determination to do the people’s business in an unprecedented time during the pandemic and the strength to make it happen. I’m very proud, very proud to second the nomination and support her with my vote. Thank you Mr. President.”

The President declared the question before the Senate to be the election for the office of Secretary of the Senate.

SECTION IV PARLIAMENTARY PROCEDURE

Rules of Debate

Rule 29. When any senator is about to speak in debate, or submit any matter to the senate, the senator shall rise, and standing in place, respectfully request recognition by the President, and when recognized shall, in a courteous manner, speak to the question under debate, avoiding personalities; provided that a senator may refer to another member using the title "Senator" and the surname of the other member. With respect to any senators participating remotely under the authority of Senate Rule 8, each caucus shall designate a single member who is charged with seeking recognition on behalf of a senator from that caucus who is participating remotely and wishes to speak. Any senator participating remotely who wishes to speak in debate or submit any matter permitted by Senate Rule 8 to the senate, shall notify the designated member of the senator's desire to speak. The designated member shall seek recognition under the provisions of this section on behalf of the senator participating remotely and, upon recognition, the designated member shall defer to the senator participating remotely. No senator shall impeach the motives of any other member or speak more than twice (except for explanation) during the consideration of any one question, on the same day or a second time without leave, when others who have not spoken desire the floor, but incidental and subsidiary questions arising during the debate shall not be considered the same question. A majority of the members present may further limit the number of times a member may speak on any question and may limit the length of time a member may speak but, unless a demand for the previous question has been sustained, a member shall not be denied the right to speak at least once on each question, nor shall a member be limited to less than two minutes on each question. In any event, the senator who presents the motion may open and close debate on the question.

Recognition by the President

Rule 30. When two or more senators rise at the same time to address the chair, the president shall name the one who shall speak first, giving preference, when practicable, to the mover or introducer of the subject under consideration. (See also Reed's Rule 214).

Call for Division of a Question

Rule 31. Any senator may call for a division of a question, which shall be divided if it embraces subjects so distinct that one being taken away a substantive proposition shall remain for the decision of the senate; but a motion to strike out and insert shall not be divided.

Point of Order - Decision Appealable

Rule 32. 1. Every decision of points of order by the president shall be subject to appeal by any senator, and discussion of a question of order shall be allowed. In all cases of appeal the question shall be: "Shall the decision of the president stand as the judgment of the senate?"

2. When a member appeals the decision of the presiding officer, the presiding officer may not preside over the appeal.

3. An appeal from the decision of the presiding officer is timely if brought before the body on the day the decision was made unless the decision affected a measure that is no longer in possession of the senate.

Question of Privilege

Rule 33. Any senator may rise to a question of privilege and explain a personal matter by leave of the president, but shall not discuss any pending question in such explanations, nor shall any question of personal privilege permit any senator to introduce any person or persons in the galleries. Rule 35. 1. The permanent senate rules adopted at the first regular session during a legislative biennium shall govern any session subsequently convened during the same legislative biennium. Adoption of permanent rules may be by majority of the senate without notice and a majority of the senate may change a permanent rule without notice at the beginning of any session, as determined pursuant to Article 2, Section 12 of the State Constitution. No permanent rule or order of the senate shall be rescinded or changed without a majority vote of the members of the senate, and one day's notice of the motion.

2. A permanent rule or order may be temporarily suspended for a special purpose by a vote of two-thirds of the members present unless otherwise specified herein. When the suspension of a rule is called, and after due notice from the president no objection is offered, the president may announce the rule suspended, and the senate may proceed accordingly. Motion for suspension of the rules shall not be debatable, except, the mover of the motion may briefly explain the purpose of the motion and at the discretion of the president a rebuttal may be allowed.

3. For the purposes of this rule, one day's notice means written notice is provided to all members of the Senate by 5:00 p.m. the day prior to the amendment to the permanent rules being offered and the notice must include, at a minimum, a description of the change to be offered.

Previous Question

Rule 36. The previous question shall not be put unless demanded by three senators, and it shall then be in this form: "Shall the main question be now put?" When sustained by a majority of senators present it shall preclude all debate, except the senator who presents the motion may open and close debate on the question and the vote shall be immediately taken on the question or questions pending before the senate, and all incidental question or questions of order arising after the motion is made shall be decided whether on appeal or otherwise without debate.

Reconsideration

Rule 37. 1. After the final vote on any measure, before the adjournment of that day's session, any member who voted with the prevailing side may give notice of reconsideration unless a motion to immediately transmit the measure to the house has been decided in the affirmative. Such motion to reconsider shall be in order only under the ~~((order of motions of))~~ second order of business the day immediately following the day upon which such notice of reconsideration is given, and may be made by any member who voted with the prevailing side.

2. A motion to reconsider shall have precedence over every other motion, except a motion to adjourn; and when the senate adjourns while a motion to reconsider is pending or before passing the order of motions, the right to move a reconsideration shall continue to the next day of sitting. On and after the tenth day prior to adjournment sine die of any session, as determined pursuant to Article 2, Section 12, or concurrent resolution, or in the event that the measure is subject to a senate rule or resolution or a joint rule or concurrent resolution, which would preclude consideration on the next day of sitting a motion to reconsider

shall only be in order on the same day upon which notice of reconsideration is given and may be made at any time that day. Motions to reconsider a vote upon amendments to any pending question may be made and decided at once.

Motion to Adjourn

Rule 38. Except when under call of the senate, a motion to adjourn shall always be in order. The name of the senator moving to adjourn and the time when the motion was made shall be entered upon the journal.

Yeas and Nays - When Must be Taken

Rule 39. (See also Art. 2, Sec. 21, State Constitution.)

When once begun the roll call may not be interrupted for any purpose other than to move a call of the senate. (See also Senate Rules 22 and 24.)

Reed's Parliamentary Rules

Rule 40. The rules of parliamentary practice as contained in Reed's Parliamentary Rules shall govern the senate in all cases to which they are applicable, and in which they are not inconsistent with the rules and orders of this senate and the joint rules of this senate and the house of representatives.

The committee chair shall approve the use of committee staff and equipment assigned to the subcommittee. Subcommittee activities shall further be subject to facilities and operations committee approval to the same extent as are the actions of the standing committee from which they derive their authority.

Subpoena Power

~~Rule 43. Any ((of the above referenced committees, including subcommittees thereof))~~ standing committee, or any special ~~((committees))~~ committee created by the senate, may have the powers of subpoena, the power to administer oaths, and the power to issue commissions for the examination of witnesses in accordance with the provisions of chapter 44.16 RCW. The process shall not be issued prior to consideration by the rules committee. The process shall be limited to the named individuals and the committee on rules may overrule the service on an individual so named.

Duties of Committees

Rule 44. The several committees shall fully consider measures referred to them.

The committees shall acquaint themselves with the interest of the state specially represented by the committee, and from time to time present such bills and reports as in their judgment will advance the interests and promote the welfare of the people of the state: PROVIDED, That no executive action on bills may be taken during an interim.

Committee Rules

Rule 45. 1. At least five days' notice shall be given of all public hearings held by any committee other than the rules committee. Such notice shall contain the date, time and place of such hearing together with the title and number of each bill, or identification of the subject matter, to be considered at such hearing. By a majority vote of the committee members present at any committee meeting such notice may be dispensed with. The reason for such action shall be set forth in a written statement preserved in the records of the meeting.

2. No committee may hold a public hearing during a regular or extraordinary session on a proposal identified as a draft unless the draft has been made available to the public at least twenty-four hours prior to the hearing. This rule does not apply during the five days prior to any cutoff established by concurrent resolution nor does it apply to any measure exempted from the resolution.

3. During its consideration of or vote on any bill, resolution or memorial, the deliberations of any committee or subcommittee of the senate shall be open to the public. In case of any disturbance or disorderly conduct at any such deliberations, the chair shall order the sergeant at arms to suppress the same and may order the meeting closed to any person or persons creating such disturbance.

4. No committee shall amend a measure, adopt a substitute bill, or vote upon any measure or appointment absent a quorum. A committee may conduct a hearing absent a quorum. A majority of any committee shall constitute a quorum and committees shall be considered to have a quorum present unless the question is raised.

Any question as to quorum not raised at the time of the committee action is deemed waived.

5. Bills reported to the senate from a standing committee must have a majority report, which shall be prepared upon a printed standing committee report form; shall be adopted at a regularly or specially called meeting during a legislative session and shall be signed by a majority of the committee; and shall carry only one of the following recommendations:

- a. Do pass;
- b. Do pass as amended;
- c. That a substitute bill be substituted therefor, and the substitute bill do pass; or
- d. Without recommendation.

In addition to one of the above-listed recommendations, a report may also recommend that a bill be referred to another committee.

6. A majority report of a committee must carry the signatures of a majority of the members of the committee. In the event a committee has a quorum pursuant to subsection 4 of this rule, ~~((subject to the limitation of subsection 12 of this rule,))~~ a majority of the members present may act on a measure, subject to obtaining the signatures of a majority of the members of the committee on the majority report. If, after executive action on a measure, the signatures of all members are not included on either a majority or minority report, the committee shall hold the signature sheets for the measure for 24 hours, not counting Saturdays or Sundays, from adjournment of the committee hearing at which executive action was taken on the measure. This 24-hour hold period applies even if a majority of the members of the committee has signed the majority report. After the 24-hour hold period, the signature sheets must be submitted to the workroom if there is a majority of signatures on the majority report. Once signature sheets have been submitted to the senate workroom by committee staff, a member may not sign or remove his or her signature from a majority or minority signature sheet. If a majority of members of the committee have not signed the majority report, the measure or appointment remains in the possession of the committee. The 24-hour hold period does not apply within the five days preceding any cutoff date and does not apply to a biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget.

7. Any measure, appointment, substitute bill, or amendment still within a committee's possession before it has been reported out to the full senate may be reconsidered to correct an error, change language, or otherwise accurately reflect the will of the committee in its majority and minority reports to the full senate. Any such reconsideration may be made at any time, by any member of the committee, provided that the committee has not yet reported the measure, appointment, substitute bill, or amendment out to the full senate. Any such reconsideration made after a vote has been taken or signatures obtained will require a new vote and signature sheet. Any measure which does not receive a majority vote of the members present may be reconsidered at that meeting and may again be considered upon motion of any committee member if one day's notice of said motion is provided to all committee members. ~~((For purposes of this rule, a committee is deemed to have reported a measure, appointment, substitute bill, or amendment out when it has delivered its majority and minority reports to the senate workroom. After such delivery, the committee no longer has possession of the measure, appointment, substitute bill, or amendment and no further committee action, including reconsideration, may be taken.))~~

8. Any member of the committee not concurring in the majority report may sign a minority report containing a recommendation of "do not pass" or "without recommendation," which shall be

FIRST DAY, JANUARY 9, 2023

signed by those members of the committee subscribing thereto, and submitted with the majority report. Unless the signatory of a minority report expressly indicates a "do not pass" recommendation, the member's vote shall be deemed to be "without recommendation." In every case where a majority report form is circulated for signature, a minority report form shall also be circulated.

9. When a committee reports a substitute for an original bill with the recommendation that the substitute bill do pass, it shall be in order to read the substitute bill the first time and have the same ordered printed.

A motion for the substitution of the substitute bill for the original bill shall not be in order until the committee on rules places the original bill on the second reading calendar.

10. No vote in any committee shall be taken by secret ballot nor shall any committee have a policy of secrecy as to any vote on action taken in such committee.

11. All reports of standing committees must be on the secretary's desk one hour prior to convening of the session in order to be read at said session. During any special session of the legislature or within the three days ((of)) preceding any cut-off date or sine die, this rule may be suspended by a majority vote of those present. This rule does not apply to reports of biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget bill.

~~12. ((When a standing committee is operated by cochairs, the committee may not vote upon any measure or appointment without the consent of each cochair.~~

~~13. When a standing committee has a standing subcommittee established under Senate Rule 41, the chair of the committee may refer any measures referred to the committee to the standing subcommittee with the consent of the ranking member of the committee or, in the event of a dispute between the chair and ranking member, referral may occur with a majority vote of the committee)) For purposes of this rule, a committee is deemed to have reported a measure, appointment, substitute bill, or amendment out when it has delivered its majority and minority reports to the senate workroom. After such delivery, the committee no longer has possession of the measure, appointment, substitute bill, or amendment and no further committee action, including reconsideration or a member adding or removing his or her signature to a majority or minority report, may be taken.~~

13. All committees will rely upon and use the Electronic Bill Book. Committee staff should add all materials relating to hearings, work sessions, or executive sessions to the Electronic Bill Book as early as possible or when the material has been made public. Paper copies will not be provided to members. All materials submitted by the public shall be submitted electronically.

14. All committees will use the online Committee Sign-In system. All committee members will be able to view the list of individuals who have signed in to testify on each measure or appointment. Members of the public wishing to testify in-person or remotely may sign up remotely no later than one hour before the committee is scheduled to meet.

15. With the exception of the ways and means and transportation committees, the chairs of standing committees must publish the list of measures and appointments that may be considered for executive session by 4:00 p.m. two days preceding executive session. The chairs of the ways and means committee and the transportation committee must publish the list of measures and appointments that may be considered for executive session by 7:00 p.m. two days preceding executive session. A chair, with the consent of the ranking member, has discretion to waive this deadline in extraordinary circumstances. A published

2023 REGULAR SESSION

measure or appointment may be rescheduled for executive action at the committee's next meeting without additional notice, provided no additional amendments are considered.

16. Members must have amendment requests to nonpartisan committee staff by 12:00 p.m. the day before scheduled executive action. A chair, with the consent of the ranking member, has discretion to waive this deadline in extraordinary circumstances or to accept technical revisions to perfect an amendment. Members should be considerate of staff and turn in amendment requests earlier if they are long or complex, keeping in mind the final deadline for consideration of amendments.

17. All amendments, including substitutes, must be sponsored by a committee member. All amendments and effect statements must be either drafted or reviewed, or both, by nonpartisan committee staff. To be eligible for consideration at an executive session in a committee meeting scheduled to begin prior to 12:00 p.m., amendments must be released from confidentiality and posted to the Electronic Bill Book for committee members and the public by 4:00 p.m. the day before the executive session or the amendments will be considered out of order. To be eligible for consideration at an executive session in a committee meeting scheduled to begin on or after 12:00 p.m., amendments must be released from confidentiality and posted to the Electronic Bill Book for committee members and the public by 7:00 p.m. the day before the executive session or the amendments will be considered out of order. A chair with the consent of the ranking member has discretion to waive this deadline in extraordinary circumstances or to accept technical revisions to perfect an amendment.

18. A committee chair may choose to allow other committee members to participate remotely in committee meetings. The committee chair shall notify the secretary of the senate prior to the first day of the legislative session if the chair will allow committee members to participate remotely. A chair that initially chooses to allow only in-person participation may later choose to allow remote participation but must provide the secretary of the senate with notice of the change at least 24 hours prior to the committee hearing in which the change will become effective. Once a chair has chosen to allow members to participate remotely, this choice cannot be changed during the remainder of the session. If a chair allows committee members to participate remotely, those members will be considered "present" for the purposes of this rule and Senate Rule 49. A chair may not participate remotely in a committee meeting. Members participating remotely shall be allowed to participate in committee activities to the same extent as those attending in person.

Rule 46. No committee shall sit during the daily session of the senate unless by special leave.

No committee shall sit during any scheduled caucus.

Rule 48. Any standing committee ~~((or standing subcommittee))~~ of the senate may be relieved of further consideration of any bill, regardless of prior action of the committee, by a majority vote of the senators elected or appointed. The senate may then make such orderly disposition of the bill as they may direct by a majority vote of the members of the senate.

Bills Referred to Rules Committee

Rule 49. All bills reported by a committee (~~(or subcommittee)~~) to the senate shall then be referred to the committee on rules for second reading without action on the report unless otherwise ordered by the senate. (See also Senate Rules 63 and 64.) A bill may not be referred to the committee on rules for second reading unless a standing committee (~~(or subcommittee)~~) has held a public hearing on the bill. (~~By a majority vote of the committee members present at any executive session, the public hearing requirement may be dispensed with~~) This rule does not apply when the committee is considering a bill whose official companion has already been heard. By a majority vote of the committee members present at any executive session, the public hearing requirement may be dispensed with when the committee is considering a biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget bill and the committee has already had a hearing on a substantially similar omnibus budget bill.

Rules Committee

Rule 50. The lieutenant governor shall be a voting member and the chair of the committee on rules. The president pro tempore shall be a voting member and the vice chair of the committee on rules. The committee on rules shall have charge of the daily second and third reading calendar of the senate and shall direct the secretary of the senate the order in which the bills shall (~~be considered by the senate~~) appear on the calendars and the committee on rules shall have the authority to directly refer any bill before them to any other standing committee. Such referral shall be reported out to the senate on the next day's business.

The order of consideration of bills on the second or third reading calendar will be set by the floor leader of the majority caucus. A majority of members present may vote to change the order.

Rule 53. No biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget bill may be acted upon in second reading until twenty-four hours after the bill has been placed on the second reading calendar by the rules committee. This rule does not apply to conference committee reports of biennial or supplemental omnibus budget bills, which are governed by joint rules. This rule may be suspended with a majority vote of those present within three days of sine die. The rules committee shall establish by separate motion the time at which a bill has been placed on the second reading calendar for purposes of this rule.

section, in full, and be subject to amendment.

Any member may, if sustained by three members, remove a bill from the consent calendar as constituted by the committee on rules. A bill removed from the consent calendar shall take its place as the last bill on the second reading calendar.

No amendment shall be considered by the senate until it shall have been sent to the secretary's desk in writing and read by the secretary.

All amendments adopted on the second reading shall then be securely fastened to the original bill.

All amendments rejected by the senate shall be spread upon the journal, and the journal shall show the disposition of all amendments.

When no further amendments shall be offered, the president shall declare the bill has passed its second reading, and shall be referred to the committee on rules for third reading.

Third Reading

Rule 65. Bills on third reading shall be read in full by sections, and no amendment shall be entertained.

When a bill shall pass, it shall be certified to by the secretary, together with the vote upon final passage, noting the day of its passage thereon.

The vote must be taken by yeas and nays, the names of the senators voting for and against the same to be entered upon the journal and the majority of the members elected to the senate must be recorded thereon as voting in its favor to secure its passage by the senate.

Scope and Object of Bill Not to be Changed

Rule 66. No amendment to any bill shall be allowed which shall change the scope and object of the bill. (See also Art. 2, Sec. 38, State Constitution.) Substitute bills shall be considered amendments for the purposes of this rule. A point of order raising the question of scope and object may be raised at any time during consideration of an amendment prior to voting on the amendment. ~~((A proposed amendment to an unamended title only bill shall be within the scope and object of the bill if the subject of the amendment fits within the language in the title.))~~

Matters Related to Disagreement Between the Senate and House

Rule 67. When there is a disagreement between the senate and house on a measure before the senate, the senate may act upon the measure with the following motions which have priority in the following order:

- To concur
- To non-concur
- To recede
- To insist
- To adhere

These motions are in order as to any single amendment or to a series of amendments. (See Reed's Rules 247 through 254.)

A senate bill, passed by the house with amendment or amendments which shall change the scope and object of the bill, upon being received in the senate, shall be referred to an appropriate committee and shall take the same course as for original bills, unless a motion to ask the house to recede, to insist or to adhere is made prior to the measure being referred to committee.

Bills Committed for Special Amendment

Rule 68. A bill may be committed with or without special instructions to amend at any time before taking the final vote.

Confirmation of Gubernatorial Appointees

Rule 69. When the names of appointees to state offices are transmitted to the secretary of the senate for senate confirmation, the communication from the governor shall be recorded and referred to the appropriate standing committee.

The standing committee, or subcommittee, pursuant to Senate Rule 42, shall require each appointee referred to the committee for consideration to complete the standard questionnaire to be used to ascertain the appointee's general background and qualifications. The committee may also require the appointee to complete a supplemental questionnaire related specifically to the qualifications for the position to which he has been appointed.

Any hearing on a gubernatorial appointment, held by the standing committee, or subcommittees, pursuant to Senate Rule 42, shall be a public hearing. The appointee may be required to appear before the committee on request. When appearing, the appointee shall be required to testify under oath or affirmation. The chair of the committee or the presiding member shall administer the oath or affirmation in accordance with RCW 44.16. (See also Article 2, Sec. 6 of the State Constitution.)

Nothing in this rule shall be construed to prevent a standing committee, or subcommittee, pursuant to Senate Rule 42, upon a two-thirds vote of its members, from holding executive sessions when considering an appointment.

When the committee on rules presents the report of the standing committee before the senate, the question shall be the confirmation of the name proposed, and the roll shall then be called and the yeas and nays entered upon the journal. In the event a message is received from the governor requesting return of an appointment or appointments to the office of the governor prior to confirmation, the senate shall vote upon the governor's request and the appointment or appointments shall be returned to the governor if the request is approved by a majority of the members elected or appointed. (Article 13 of the State Constitution.)
