Hello, My name is Anne Edwards and I was hired in 1969 to teach music in North Thurston Public Schools. I retired in 2005 and was rehired to teach orchestra half time in 2006-2009 because of a teacher shortage in my instrumental qualifications. Then there was no more retire-rehire allowed in 2009 so I permanently was retired. Our Plan 1 Cola plan has needed votes from you to stay alive every year, while the plans 2 and 3 Colas have been permanently in place for years. We plan 1 people are fading fast due to the obvious reason that there are fewer and fewer of us existing. I hope you will consider a permanent Plan 1 adjustment in your vote since we are not going to be around for as long as the Plan 2 and 3 employees and we have the lowest retirement rate. Thank you for your consideration and understanding.

Sincerely,  
Anne Edwards
