(2) The commission shall investigate and ascertain the needs of dairy products and producers, the conditions of the markets, and the extent to which public convenience and necessity require advertising and research to be conducted. If upon such investigation, it shall appear that the revenue from an assessment provided for in RCW 15.44.080 is more than adequate to accomplish the purposes and objects of this chapter, it shall file a request with the director of agriculture showing the necessities of the industry, the extent and probable cost of the required research and advertising, the extent of public convenience, interest and necessity, and the probable revenue from the assessment herein levied and imposed. If such probable revenue is more than the amount reasonably necessary to conduct the research and advertising that the public interest and convenience require to accomplish the objects and purposes hereof, the commission shall decrease the assessment to a sum that the commission shall determine adequate to effectuate the purposes hereof: *Provided*, That no such change shall be made in rate of assessment until the commission shall have filed with the director a full report of such investigations and findings. Such change in assessment shall be effective thirty days after such report is filed. [1969 c 60 § 2; 1961 c 11 § 15.44.130. Prior: 1959 c 163 § 17; 1949 c 185 § 2; 1939 c 219 § 13; Rem. 15.44.900 Purpose of chapter. This chapter is passed:

(1) In the exercise of the power of the state to protect the public health, to provide for the economic development of the state, to prevent fraudulent practices, to promote the welfare of the state, and stabilize the dairy industry by increasing consumption of dairy products within the state and nation;

(2) Because the dairy products produced in Washington comprise one of the major agricultural crops of Washington, and that therefore the business of marketing and distributing such crop and the expansion of its markets is affected with the public interest;

(3) Because it is necessary and expedient to enhance the reputation of Washington dairy products in domestic and national markets;

(4) Because it is necessary to promote the knowledge of health giving qualities, food and dietetic value of the dairy products of the nation and Washington dairy products in particular, and to expanded development of the dairy industry;

(5) Because Washington dairy products are handicapped by eastbound freight rates, therefore the quality of these products must be impressed upon the consumers of the nation, in order that these handicaps may be overcome;

(6) Because the stabilizing of the dairy industry, the enlargement of its markets, and the increased consumption of dairy products are necessary to assure the payment of taxes to the state and its subdivisions, to alleviate unemployment, and to provide for higher wage scales for agricultural labor and maintenance of our high standard of living;

(7) To disseminate information giving the public full knowledge of the manner of production, the cost and expense thereof, the care taken to produce and sell only dairy products of the highest standards of quality, the methods and care used in their preparation for market, and the methods of sale and distribution to increase the amount secured by the producer therefor, so that they can pay higher wages and pay their taxes, and by such information to reduce the cost of marketing and distribution to the extent that the spread between cost to consumer and the amount received by the producer will be reduced to the minimum absolutely necessary;

(8) To establish a permanent organization to assist and promote the supplying of under-nourished and under-privileged children with the necessary milk and milk products to insure the development of healthy bodies and minds in order that they may develop into useful citizens of the state and nation in the future;

(9) To protect the general public by educating it in reference to the various market classifications of dairy products, the food value and industrial and medicinal uses thereof. [1961 c 11 § 15.44.900. Prior: 1939 c 219 § 1; RRS § 6266–1.]

15.44.910 Liberal construction. This chapter shall be liberally construed. [1961 c 11 § 15.44.910. Prior: 1939 c 219 § 17, part; RRS § 6266–17, part.]

The department shall administer, enforce and carry out the provisions of this chapter and may adopt rules necessary to carry out its purpose. The adoption of rules shall be subject to a public hearing and all other applicable provisions of chapter 34.04 RCW (Administrative Procedure Act), as enacted or hereafter amended.

The director when adopting rules in respect to the feed industry shall consult with affected parties, such as manufacturers and distributors of commercial feed and any final rule adopted shall be designed to promote orderly marketing and shall be reasonable and necessary and based upon the requirements and condition of the industry and shall be for the purpose of promoting the well-being of the members of the feed industry as well as the well-being of the purchasers and users of feed and for the general welfare of the people of the state. [1965 ex.s. c 31 § 3.]

Continuation of rules adopted under prior law: RCW 15.53.9052.

15.53.9014 Registration of feeds—Application—Renewal—Fees—May be refused. (1) Each commercial feed shall be registered with the department and such registration shall be renewed annually before such commercial feed may be distributed in this state: *Provided*, That customer-formula feeds are exempt from such registration.

(a) Beginning January 1, 1976, each annual brand registration for a commercial feed distributed in packages of ten pounds or more shall be accompanied by a fee of five dollars: *Provided*, That if such commercial feed is also distributed in packages of less than ten pounds they shall be registered under subsection (b) of this section.

(b) Beginning January 1, 1976, each annual brand registration for a commercial feed distributed in packages of less than ten pounds shall be accompanied by an

annual registration fee of twenty dollars on each such commercial feed so distributed: *Provided*, That no inspection fee shall be collected on packages of less than ten pounds of the commercial feed so registered.

(2) The application for registration shall be on forms provided by the department.

(3) The department may require that such application be accompanied by a label and/or other printed matter describing the product. All registrations issued on or after January 1, 1975, shall be renewable unless such registration is canceled by the department or it has called for a new registration, or unless canceled by the registrant.

(4) The application shall include the information required by subsections (1)(b) through (1)(e) of RCW 15.53.9016.

(5) A distributor shall not be required to register any brand of commercial feed which is already registered under the provisions of this chapter by any other person.

(6) Changes in the guarantee of either chemical or ingredient composition of a commercial feed registered under the provisions of this chapter may be permitted provided there is satisfactory evidence that such changes would not result in a lowering of the feed value of the product for the purpose for which designed.

(7) The department is empowered to refuse registration of any application not in compliance with the provisions of this chapter and to cancel any registration subsequently found not to be in compliance with any provisions of this chapter: *Provided*, That no registration shall be refused or canceled until the registrant shall have been given opportunity to be heard before the department and to amend his application in order to comply with the requirements of this chapter. Construction—Effective date—1975 1st ex.s. c 257: See RCW 15.53.9053 and note.

15.53.9016 Labeling. (1) Any commercial feed registered with the department and distributed in this state shall be accompanied by a legible label bearing the following information:

(a) The net weight as required under chapter 19.94 RCW as enacted or hereinafter amended.

(b) The name or brand under which the commercial feed is distributed.

(c) The guaranteed analysis of the commercial feed, listing the minimum percentage of crude protein, minimum percentage of crude fat, and maximum percentage of crude fiber. For mineral feeds the list shall include the following if added: Minimum and maximum percentages of calcium (Ca), minimum percentage of phosphorus (P), minimum percentage of iodine (I), and minimum and maximum percentages of salt (NaCl). Other substances or elements, determinable by laboratory methods, may be guaranteed by permission of the department. When any items are guaranteed, they shall be subject to inspection and analysis in accordance with the methods and regulations that may be prescribed by the department. Products distributed solely as mineral and/or vitamin supplements and guaranteed as specified

in this section need not show guarantees for protein, fat, and fiber.

(d) The common or usual name of each ingredient used in the manufacture of the commercial feed, except as the department may, by regulation, permit the use of a collective term for a group of ingredients all of which perform the same function. An ingredient statement is not required for single standardized ingredient feeds which are officially defined.

(e) The name and principal address of the person responsible for distributing the commercial feed.

(2) When a commercial feed is distributed in this state in bags or other containers, the label shall be placed on or affixed to the container; when a commercial feed is distributed in bulk the label shall accompany delivery and be furnished to the purchaser at time of delivery.

(3) A customer-formula feed shall be labeled by invoice. The invoice, which is to accompany delivery and be supplied to the purchaser at the time of delivery, shall bear the following information:

- (a) Name and address of the mixer;
- (b) Name and address of the purchaser;
- (c) Date of sale; and

(d) Brand name and number of pounds of each registered commercial feed used in the mixture and the name and number of pounds of each other feed ingredient added.

(4) If a commercial feed contains a nonnutritive substance which is intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease or which is intended to affect the structure or any function of the animal body, the department may require the label to show the amount present, directions for use, and/or warnings against misuse of the feed.

(5) A customer-formula feed shall be considered to be in violation of this chapter if it does not conform to the invoice labeling. Upon request of the department it shall be the duty of the person distributing the customer-formula feed to supply the department with a copy of the invoice which represents that particular feed: *Provided*, That such person shall not be required to keep such invoice for a period of longer than six months. [1965 ex.s. c 31 § 5.]

15.53.9018 Inspection fees—Reports—Confidentiality, exception. (1) On or after June 30, 1981, each initial distributor of a commercial feed in this state shall pay to the department an inspection fee on all commercial feed sold by such person during the year. The fee shall be not less than four cents nor more than fourteen cents per ton as prescribed by the director by rule.

(2) In computing the tonnage on which the inspection fee must be paid, sales of commercial feed to other feed registrants, sales of commercial feed in packages weighing less than ten pounds, and sales of commercial feed for shipment to points outside this state may be excluded.

(3) When more than one distributor is involved in the distribution of a commercial feed, the last registrant or initial distributor who distributes to a nonregistrant

(dealer or consumer) is responsible for reporting the tonnage and paying the inspection fee, unless the reporting and paying of fees have been made by a prior distributor of the feed.

(4) Each person made responsible by this chapter for the payment of inspection fees for commercial feed sold in this state shall file a report with the department on January 1st, April 1st, July 1st, and October 1st of each year showing the number of tons of such commercial feed sold during the three calendar months immediately preceding the date the report is due. The proper inspection fee shall be remitted with the report. The person required to file the report and pay the fee shall have a thirty-day period of grace immediately following the day the report and payment are due to file the report, and pay the fee: *Provided*, That upon permission of the department, an annual statement under oath may be filed by any person distributing within the state less than fifty tons for each three-month period during any year, and upon filing such statement such person shall pay the inspection fee at the rate provided for in subsection (1) of this section.

(5) Each distributor shall keep such reasonable and practical records as may be necessary or required by the department to indicate accurately the tonnage of commercial feed distributed in this state, and the department shall have the right to examine such records to verify statements of tonnage. Failure to make an accurate statement of tonnage or to pay the inspection fee or comply as provided herein shall constitute a violation of this chapter.

(6) Inspection fees which are due and owing and have not been remitted to the department within thirty days following the due date shall have a collection fee of ten percent, but not less than five dollars, added to the amount due when payment is finally made. The assessment of this collection fee shall not prevent the department from taking other actions as provided for in this chapter.

(7) The report required by subsection (4) of this section shall not be a public record, and it shall be a misdemeanor for any person to divulge any information given in such report which would reveal the business operation of the person making the report: *Provided*, That nothing contained in this subsection shall be construed to prevent or make unlawful the use of information concerning the business operation of a person if any action, suit, or proceeding instituted under the authority of this chapter, including any civil action for collection of unpaid inspection fees, which action is hereby authorized and which shall be as an action at law in the name of the director of the department.

(8) Any commercial feed purchased by a consumer or contract feeder outside the jurisdiction of this state and brought into this state for use shall be subject to all the provisions of this chapter, including inspection fees. [1981 c 297 § 17; 1979 c 91 § 1; 1975 1st ex.s. c 257 § 5; 1967 c 240 § 32; 1965 ex.s. c 31 § 6.]

safety, the support of the state government and its existing public institutions, and shall take effect June 30, 1981." [1981 c 297 § 44.] This applies to the 1981 c 297 amendment to RCW 15.53.9018.

Severability—1981 c 297: See note following RCW 15.36.110.

Effective date—1979 c 91: "This act shall take effect on January 1, 1980." [1979 c 91 § 2.] This applies to the amendment to this section by 1979 c 91 § 1.

15.53.902 Adulteration. It shall be unlawful for any person to distribute an adulterated feed. A commercial feed shall be deemed to be adulterated:

(1) If any poisonous, deleterious, or nonnutritive ingredient has been added in sufficient amount to render it injurious to health when fed in accordance with directions for use on the label;

(2) If any valuable constituent has been in whole or in part omitted or abstracted therefrom and/or any less valuable substance added;

(3) If it contains viable, prohibited (primary) noxious weed seeds in excess of one per pound, or if it contains viable, restricted (secondary) noxious weed seeds in excess of twenty-five per pound. The primary and secondary noxious weed seeds shall be those as named pursuant to the provisions of chapter 15.49 RCW as enacted or hereafter amended and rules adopted thereunder. [1979 c 154 § 2; 1965 ex.s. c 31 § 7.]

Severability—1979 c 154: See note following RCW 15.49.330.

15.53.9022 Misbranding. It shall be unlawful for any person to distribute misbranded feed. A commercial feed shall be deemed to be misbranded:

(1) If its labeling is false or misleading in any particular;

(2) If it is distributed under the name of another feed;

(3) If it is not labeled as required in RCW 15.53.9016 and in regulations prescribed under this chapter;

(4) If it purports to be or is represented as a feed ingredient, or if it purports to contain or is represented as containing a feed ingredient, unless such feed ingredient conforms to the definition of identity, if any, prescribed by regulation of the department. In the adopting of such regulations the department may consider commonly accepted definitions such as those issued by nationally recognized associations or groups of feed control officials;

(5) If any word, statement, or other information required by or under authority of this chapter to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(6) If its composition or quality falls below or differs from that which it is purported or is represented to possess by its labeling. [1965 ex.s. c 31 § 8.]

15.53.9024 Official samples. (1) It shall be the duty of the department to sample, inspect, make analysis of, and test commercial feed distributed within this state at

such time and place and to such an extent as it may deem necessary to determine whether such feeds are in compliance with the provisions of this chapter. The department is authorized to stop any commercial vehicle transporting feed on the public highways and direct it to the nearest scales approved by the department to check weights of feeds being delivered. The department is also authorized, upon presentation of proper identification, to enter any distributor's premises including any vehicle of transport at all reasonable times in order to have access to commercial feed and to records relating to their distribution. This includes the determining of the weight of packages and bulk shipments.

(2) The methods of sampling and analysis shall be those adopted by the department from officially recognized sources.

(3) The department, in determining for administrative purposes whether a feed is deficient in any component, shall be guided solely by the official sample as defined in RCW 15.53.901(13) and obtained and analyzed as provided for in this section.

(4) When the inspection and analysis of an official sample has been made the results of analysis shall be forwarded by the department to the distributor and to the purchaser if known. Upon request and within thirty days the department shall furnish to the distributor a portion of the sample concerned.

(5) Analysis of an official sample by the department shall be accepted as prima facie evidence by any court of competent jurisdiction. [1965 ex.s. c 31 § 9.]

Prosecutions, official analysis as evidence: RCW 15.53.904.

[1975 1st ex.s. c 257 § 6; 1965 ex.s. c 31 § 15.]

15.53.9038 Department's remedies for noncompliance—"Withdrawal from distribution" order—

Condemnation—Seizure. (1) When the department has determined that any lot of commercial feed is adulterated or misbranded or is being distributed in violation of this chapter or any regulations hereunder it may issue and enforce a written or printed "withdrawal from distribution" order, warning the distributor not to dispose of the lot of feed in any manner until written permission is given by the department or a court of competent jurisdiction. The department shall release the lot of commercial feed so withdrawn when said provisions and regulations have been complied with. If compliance is not obtained within thirty days, the department may begin proceedings for condemnation.

(2) Any lot of commercial feed not in compliance with said provisions and regulations shall be subject to seizure on complaint of the department to a court of competent jurisdiction in the area in which said commercial feed is

located. In the event the court finds the said commercial feed to be in violation of this chapter and orders the condemnation of said commercial feed, it shall be disposed of in any manner consistent with the quality of the commercial feed and the laws of the state: *Provided*, That in no instance shall the disposition of said commercial feed be ordered by the court without first giving the claimant an opportunity to apply to the court for release of said commercial feed or for permission to process or relabel said commercial feed to bring it into compliance with this chapter. [1975 1st ex.s. c 257 § 7; 1965 ex.s. c 31 § 16.]

In all prosecutions under this chapter involving the composition of a lot of commercial feed, a certified copy of the official analysis signed by the department shall be accepted as prima facie evidence of the composition.

(2) Nothing in this chapter shall be construed as requiring the department to report for prosecution or for the institution of seizure proceedings as a result of minor violations of this chapter when it believes that the public interest will be best served by a suitable notice of warning in writing.

(3) It shall be the duty of each prosecuting attorney to whom any violation is reported to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the department reports a violation for such prosecution, an opportunity shall be given the distributor to present his view in writing or orally to the department.

(4) The department is hereby authorized to apply for and the court to grant a temporary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this chapter or any rule or regulation promulgated under this chapter notwithstanding the existence of other remedies at law. 15.54.330 Brand and grade registration—Certificate of registration. The department shall examine the registration application form and labels for conformance with the requirements of this chapter. If the application and appropriate labels are in proper form and contain the required information, the particular brand and grade of commercial fertilizer shall be registered by the department and a certificate of registration shall be issued to the applicant. The department may refuse registration, or cancel the registration, of any brand or grade of commercial fertilizer, the distribution of which would be in violation of any provisions of this chapter. (2) In computing the tonnage on which the inspection fee must be paid, sales of commercial fertilizers to fertilizer manufacturers, sales of commercial fertilizers in packages weighing five pounds net or less, and sales of commercial fertilizers for shipment to points outside this state may be excluded.

(3) When more than one distributor is involved in the distribution of a commercial fertilizer, the last registrant who distributes to a nonregistrant (dealer or consumer) is responsible for reporting the tonnage and paying the inspection fee, unless the reporting and paying of fees have been made by a prior distributor of the fertilizer. [1981 c 297 § 18; 1975 1st ex.s. c 257 § 9; 1967 ex.s. c 22 § 23.]

(1) Each person made responsible by this chapter for the payment of inspection fees for commercial fertilizers sold in this state shall file a report with the department on January 1st and July 1st of each year showing the number of tons of such commercial fertilizers sold during the six calendar months immediately preceding the date the report is due: *Provided*, That upon permission of the department, an annual statement under oath may be filed by any person distributing within the state less than one hundred tons for each such six-month period during any calendar year, and upon filing such statement such person shall pay the inspection fee at the rate stated in RCW 15.54.350(1) as now or hereafter amended. The department may accept sales records or other records accurately reflecting the tonnage sold in verifying such reports. The proper inspection fee shall be remitted with the report. The person required to file the report and pay the fee shall have a thirty-day period of grace immediately following the day the report and payment are due to file the report, and pay the fee.

(2) Inspection fees which are due and owing and have not been remitted to the department within thirty days following the due date shall have a late-collection fee of ten percent, but not less than five dollars, added to the amount due when payment is finally made. The assessment of this late-collection fee shall not prevent the department from taking any other action as provided for in this chapter.

(3) Notwithstanding the provisions of chapter 42.17 RCW, the report required by subsection (1) of this section shall not be a public record, and it shall be a misdemeanor for any person to divulge any information given in such report which would reveal the business operation of the person making the report: *Provided*, That nothing contained in this subsection shall be construed to

prevent or make unlawful the use of information concerning the business operation of a person in any action, suit, or proceeding instituted under the authority of this chapter, including any civil action for collection of unpaid inspection fees, which action is hereby authorized and which shall be as an action at law in the name of the director of the department. [1979 c 154 § 3; 1975 1st ex.s. c 257 § 10; 1967 ex.s. c 22 § 24.]

15.54.370 Official samples—Right of entry. (1) It shall be the duty of the department to inspect, sample, make analysis of, and test commercial fertilizers distributed within this state at such time and place and to such an extent as it may deem necessary to determine whether such fertilizers are in compliance with the provisions of this chapter. The department is authorized to stop any commercial vehicle transporting fertilizers on the public highways and direct it to the nearest scales approved by the department to check weights of fertilizers being delivered. The department is also authorized, upon presentation of proper identification, to enter any distributor's premises, including any vehicle of transport, at all reasonable times in order to have access to commercial fertilizers and to records relating to their distribution.

(2) The methods of sampling and analysis shall be those adopted by the department from officially recognized sources.

(3) The department, in determining for administrative purposes whether a fertilizer is deficient in any component or total nutrients, shall be guided solely by the official sample as defined in RCW 15.54.300 and obtained and analyzed as provided for in this section.

(4) When the inspection and analysis of an official sample has been made, the results of analysis shall be forwarded by the department to the distributor and to the purchaser, if known. Upon request and within thirty days, the department shall furnish to the distributor a portion of the sample concerned.

(5) Analysis of an official sample by the department shall be accepted as prima facie evidence by any court of competent jurisdiction. [1967 ex.s. c 22 § 25.]

15.54.380 Penalties for deficiencies upon analysis of commercial fertilizers—Appeal—Disposition of penalties. (1) If the analysis shall show that any commercial fertilizer falls short of the guaranteed analysis in any one plant nutrient or in total nutrients, penalty shall be assessed in favor of the department in accordance with the following provisions:

(a) A penalty of three times the value of the deficiency, if such deficiency in any one plant nutrient is more than two percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed up to and including ten percent; a penalty of three times the value of the deficiency, if such deficiency in any one plant nutrient is more than three percent under guarantee on any one commercial fertilizer in which

that plant nutrient is guaranteed from ten and one-tenth percent to twenty percent; a penalty of three times the value of the deficiency, if such deficiency in any one plant nutrient is more than four percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed twenty and one-tenth percent and above.

(b) A penalty of three times the value of the total nutrient deficiency shall be assessed when such deficiency is more than two percent under the calculated total nutrient guarantee.

(c) When a commercial fertilizer is subject to penalty under both (a) and (b) above, only the larger penalty shall be assessed.

(2) All penalties assessed under this section on any one commercial fertilizer, represented by the sample analyzed, shall be paid to the department within three months after the date of notice from the department to the registrant. The department shall deposit the amount of the penalty into the fertilizer, agricultural mineral and lime account.

(3) Nothing contained in this section shall prevent any person from appealing to a court of competent jurisdiction for a judgment as to the justification of such penalties imposed under subsections (1) and (2) above.

(4) The civil penalties payable in subsections (1) and (2) above shall in no manner be construed as limiting the consumer's right to bring a civil action in damage against the registrant paying said civil penalties. [1967 ex.s. c 22 § 26.]

15.54.390 Penalties for deficiencies upon analysis of commercial fertilizers—Determination of commercial values. For the purpose of initially determining the commercial values to be applied under the provisions of RCW 15.54.380, the department shall determine from the registrant's sales invoice the values per pound charged for nitrogen, available phosphoric acid, soluble potash, and other plant nutrients. The values so determined shall be used in determining and assessing penalties. [1967 ex.s. c 22 § 27.]

15.54.400 Restrictions on sale—Minimum percentages. No superphosphate containing less than eighteen percent of available phosphoric acid, nor any mixed fertilizer in which the sum of the percentage guarantees for the nitrogen, available phosphoric acid, and soluble potash in the mixture is less than twenty percent, shall be sold or offered for sale in this state except for specialty fertilizers and customer-formula mixes: *Provided*, That specialty fertilizers, except manipulated animal and vegetable manures, guaranteeing less than five percent total plant food shall contain on the label specific directions for use, and prior to registration, the department may require proof of the efficacy of the product when used as directed. [1967 ex.s. c 22 § 28.]

15.54.410 Misbranding. Any commercial fertilizer is misbranded for the purposes of this chapter if it carries a false or misleading statement on the container, or the label attached to the container, or if false or misleading

statements concerning the fertilizer are disseminated in any manner or by any means. [1967 ex.s. c 22 § 29.]

15.54.420 Unlawful acts. It shall be unlawful for any person to:

- (1) Distribute a misbranded commercial fertilizer;
- (2) Fail, refuse, or neglect to place upon or attach to each container of distributed commercial fertilizer a label containing all of the information required by this chapter;
- (3) Fail, refuse, or neglect to deliver to a purchaser of bulk commercial fertilizer a statement containing the information required by this chapter;
- (4) Distribute a brand of commercial fertilizer which has not been registered with the department; or
- (5) Distribute commercial fertilizers containing viable seeds unless serving a desirable purpose and appropriately labeled. [1967 ex.s. c 22 § 30.]

15.54.430 Publication of distribution information, analyses results. The department shall publish at least annually and in such form as it may deem proper (1) information concerning the distribution of commercial fertilizers and (2) results of analyses based on official samples as compared with the analyses guaranteed. [1967 ex.s. c 22 § 31.]

15.54.440 "Stop sale, use, or removal" order, when issued—Release. The department may issue and enforce a written or printed "stop sale, use, or removal" order to the owner or custodian of any lot of commercial fertilizer to hold said commercial fertilizer at a designated place when the department finds such fertilizer is being offered or exposed for sale in violation of any of the provisions of this chapter, until this chapter has been complied with and said commercial fertilizer is released by order in writing of the department. The department shall release the commercial fertilizer so withdrawn when the owner or custodian has complied with the provisions of this chapter. [1967 ex.s. c 22 § 32.]

15.54.450 Noncompliance—Seizure—Disposition. Any lot of commercial fertilizer not in compliance with the provisions of this chapter shall be subject to seizure on complaint of the department to a court of competent jurisdiction in the area in which said commercial fertilizer is located. In the event the court finds the said commercial fertilizer to be in violation of this chapter and orders the condemnation of said commercial fertilizer, it shall be disposed of in any manner consistent with the quality of the commercial fertilizer and the laws of the state: *Provided*, That in no instance shall the disposition of said commercial fertilizer be ordered by the court without first giving the claimant an opportunity to apply to the court for release of said commercial fertilizer or for permission to process or relabel said commercial fertilizer to bring it into compliance with this chapter. [1967 ex.s. c 22 § 33.]

15.54.460 Damages from administrative action, stop sales or seizures. No state court shall allow the recovery

of damages from administrative action taken or for stop sales or seizures under RCW 15.54.440 and 15.54.450 if the court finds that there was probable cause for such action. [1967 ex.s. c 22 § 34.]

15.54.470 Penalty—Violation warnings—Duty of prosecuting attorney—Injunctions. (1) Any person who violates any provision of this chapter shall be guilty of a misdemeanor, and the fines collected shall be disposed of as provided under RCW 15.54.480.

(2) Nothing in this chapter shall be considered as requiring the department to report for prosecution or to cancel the registration of a brand or grade or to stop the sale of fertilizers for violations of this chapter, when violations are of a minor character, and/or when the department believes that the public interest will be served and protected by a suitable notice of the violation in writing.

(3) It shall be the duty of each prosecuting attorney to whom any violation of this chapter is reported, to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the department reports a violation of this chapter for such prosecution, an opportunity shall be given the distributor to present his view in writing or orally to the department.

(4) The department is hereby authorized to apply for, and the court authorized to grant, a temporary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this chapter or any rule or regulation promulgated under this chapter, notwithstanding the existence of any other remedy at law. Any such injunction shall be issued without bond. [1967 ex.s. c 22 § 35.]

15.54.480 Fertilizer, agricultural mineral and lime fund—Disposition of moneys. All moneys collected under the provisions of this chapter shall be paid into the fertilizer, agricultural mineral and lime fund in the state treasury which is hereby established. Such fund shall be used only in the administration and enforcement of this chapter. All moneys collected under the provisions of chapter 15.54 RCW and remaining in such fertilizer, agricultural mineral and lime account in the state general fund on July 1, 1975, shall likewise be used only in the enforcement of this chapter. [1975 1st ex.s. c 257 § 11; 1967 ex.s. c 22 § 36.]

[1967 ex.s. c 22 § 37.]

15.54.910 Prior liability preserved. The enactment of this chapter shall not have the effect of terminating, or in any way modifying any liability, civil or criminal,

which shall already be in existence on the effective date of this chapter. [1967 ex.s. c 22 § 38.]

15.54.920 Continuation of prior licenses and registrations. (2) The director is authorized to adopt appropriate regulations for carrying out the purpose and provisions of this chapter, including but not limited to regulations providing for:

(a) Declaring as a pest any form of plant or animal life or virus which is injurious to plants, men, animals (domestic or otherwise), land, articles, or substances;

(b) Determining that certain pesticides are highly toxic to man. The director shall, in making this determination, be guided by the federal definition of highly toxic, as defined in Title 7, code of federal regulations 362.8 as issued or hereafter amended. The director shall publish a list of all pesticides, determined to be highly toxic, by their common or generic name and their trade or brand name if practical. (3) If the director proposes to release for inspection information which the applicant or registrant believes to be protected from disclosure under subsection (2) of this section, he shall notify the applicant or registrant in writing, by certified mail. The director shall not thereafter make available for inspection such data until thirty days after receipt of the notice by the applicant or registrant. During this period, the applicant or registrant may institute an action in the superior court of Thurston county for a declaratory judgment as to whether such information is subject to protection under subsection (2) of this section. (2) Any registration approved by the director and in effect on the 31st day of December for which a renewal application has been made and the proper fee paid, shall continue in full force and effect until such time as the director notifies the applicant that the registration has been renewed, or otherwise denied in accord with the provision of RCW 15.58.110. [1971 ex.s. c 190 § 7.]

15.58.080 Additional fee for late registration renewal—Exception. - (c) It will perform its intended function without unreasonable adverse effects on the environment;
- (d) When used in accordance with widespread and commonly recognized practice it will not generally cause unreasonable adverse effects on the environment;
- (e) In the case of any pesticide subject to section 24(c) of FIFRA, it meets (1) (a), (b), (c), and (d) of this section and the following criteria:

(i) The proposed classification for general use, for restricted use, or for both is in conformity with section 3(d) of FIFRA;

(ii) A special local need exists.

(2) The director shall not make any lack of essentiality a criterion for denying registration of any pesticide. [1979 c 146 § 2; 1971 ex.s. c 190 § 10.]

15.58.110 Refusing or canceling registration—Procedure—Hearings. (1) If it does not appear to the director that the pesticide is such as to warrant the proposed claims for it or if the pesticide and its labeling and other material required to be submitted do not comply with the provisions of this chapter or regulations adopted thereunder he shall notify the registrant of the manner

in which the pesticide, labeling, or other material required to be submitted fails to comply with the provisions of this chapter so as to afford the applicant an opportunity to make the necessary corrections. If, upon receipt of such notice, the applicant does not make the corrections the director shall refuse to register the pesticide. The applicant may request a hearing as provided for in chapter 34.04 RCW.

(2) The director may, when he determines that a pesticide or its labeling does not comply with the provisions of this chapter or the regulations adopted thereunder, cancel the registration of a pesticide after a hearing in accordance with the provisions of chapter 34.04 RCW. [1971 ex.s. c 190 § 11.]

15.58.120 Suspension of registration when hazard to public health—Procedure. The director may, when he determines that there is or may be an imminent hazard to the public health and welfare, suspend on his own motion, the registration of a pesticide in conformance with the provisions of chapter 34.04 RCW. 15.58.130 "Misbranded" as applicable to pesticides, devices or spray adjuvants. The term "misbranded" shall apply:

(1) To any pesticide or device if its labeling bears any statement, design, or graphic representation relative thereto or to its ingredients which is false or misleading in any particular;

(2) To any pesticide:

(a) If it is an imitation of or is offered for sale under the name of another pesticide;

(b) If its labeling bears any reference to registration under the provision of this chapter unless such reference be required by regulations under this chapter;

(c) If any word, statement, or other information, required by this chapter or regulations adopted thereunder to appear on the label or labeling, is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or graphic matter in the labeling), and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(d) If the label does not bear:

(i) The name and address of the manufacturer, registrant or person for whom manufactured;

(ii) Name, brand or trademark under which the pesticide is sold;

(iii) An ingredient statement on that part of the immediate container and on the outside container or wrapper, if there be one, through which the ingredient statement on the immediate container cannot be clearly read, of the retail package which is presented or displayed under customary conditions of purchase: *Provided*, That the director may permit the ingredient statement to appear prominently on some other part of the container, if the size or form of the container makes it impracticable to place it on the part of the retail package which is presented or displayed under customary conditions of purchase;

(iv) Directions for use and a warning or caution statement which are necessary and which if complied with would be adequate to protect the public and to prevent injury to the public, including living man, useful vertebrate animals, useful vegetation, useful invertebrate animals, wildlife, and land; and

(v) The weight or measure of the content, subject to the provisions of chapter 19.94 RCW (state weights and measures act) as enacted or hereafter amended.

(e) If that pesticide contains any substance or substances in quantities highly toxic to man, determined as provided by RCW 15.58.040, unless the label bears, in addition to any other matter required by this chapter:

(i) The skull and crossbones;

(ii) The word "POISON" in red prominently displayed on a background of distinctly contrasting color; and

(iii) A statement of an antidote for the pesticide.

(f) If the pesticide container does not bear a label or if the label does not contain all the information required by this chapter or the regulations adopted under this chapter.

(3) To a spray adjuvant when the label fails to state the type or function of the principal functioning agents. [1971 ex.s. c 190 § 13.]

15.58.140 "Adulterated" as applicable to pesticides. The term "adulterated" shall apply to any pesticide if its strength or purity deviates from the professed standard or quality as expressed on its labeling or under which it is sold, or if any substance has been substituted wholly or in part for the pesticide, or if any valuable constituent of the pesticide has been wholly or in part abstracted, or if any contaminant is present in an amount which is determined by the director to be a hazard. [1971 ex.s. c 190 § 14.]

(a) Any pesticide which has not been registered pursuant to the provisions of this chapter;

(b) Any pesticide if any of the claims made for it or any of the directions for its use or other labeling differs from the representations made in connection with its registration, or if the composition of a pesticide differs from its composition as represented in connection with its registration: *Provided*, That at the discretion of the director, a change in the labeling or formula of a pesticide may be made within a registration period without requiring reregistration of the product;

(c) Any pesticide unless it is in the registrant's or the manufacturer's unbroken immediate container and there is affixed to such container, and to the outside container or wrapper of the retail package, if there is one through which the required information on the immediate container cannot be clearly read, a label bearing the information required in this chapter and the regulations adopted under this chapter;

(b) For any person to detach, alter, deface or destroy, wholly or in part, any label or labeling provided for in this chapter or regulations adopted under this chapter, or to add any substance to, or take any substance from, a pesticide in a manner that may defeat the purpose of this chapter or the regulations adopted thereunder;

(c) For any person to use or cause to be used any pesticide contrary to label directions or to regulations of the director if those regulations differ from or further restrict the label directions: *Provided*, The compliance to the term "contrary to label directions" is enforced by the director consistent with the intent of *this act;

15.58.160 "Stop sale, use or removal" order—
Service. When the director has reasonable cause to believe a pesticide or device is being distributed, stored, or transported in violation of any of the provisions of this chapter, or of any of the prescribed regulations under this chapter, he may issue and serve a written "stop sale, use or removal" order upon the owner or custodian of any such pesticide or device. If the owner or custodian is not available for service of the order upon him, the director may attach the order to the pesticide or device. The pesticide or device shall not be sold, used or removed until the provisions of this chapter have been complied with and the pesticide or device has been released in writing under conditions specified by the director, or the violation has been otherwise disposed of as

provided in this chapter by a court of competent jurisdiction. [1971 ex.s. c 190 § 16.]

15.58.170 "Stop sale, use or removal" order—Adjudication of alleged violation. (1) After service of a "stop sale, use or removal" order is made upon any person, either that person or the director may file an action in a court of competent jurisdiction in the county in which a violation of this chapter or regulations adopted thereunder is alleged to have occurred for an adjudication of the alleged violation. The court in such action may issue temporary or permanent injunctions mandatory or restraining, and such intermediate orders as it deems necessary or advisable. The court may order condemnation of any pesticide or device which does not meet the requirements of this chapter or regulations adopted thereunder: *Provided*, That no authority is granted hereunder to affect the sale or use of products on which legally approved pesticides have been legally used.

(2) If the pesticide or device is condemned, it shall, after entry of decree, be disposed of by destruction or sale as the court directs, and the proceeds, if such pesticide or device is sold, less cost including legal costs, shall be paid to the state treasury as provided in RCW 15.58-.410: *Provided*, That the pesticide or device shall not be sold contrary to the provisions of this chapter or regulations adopted thereunder. Upon payment of costs and execution and delivery of a good and sufficient bond conditioned that the pesticide or device shall not be disposed of unlawfully, the court may direct that the pesticide or device be delivered to the owner thereof for relabeling or reprocessing as the case may be.

(3) When a decree of condemnation is entered against the pesticide, court costs, fees, and storage and other proper expenses shall be awarded against the person, if any, appearing as claimant of the pesticide. [1971 ex.s. c 190 § 17.]

(2) Application for a license shall be accompanied by a ten dollar annual license fee and shall be on a form prescribed by the director and shall include the full name of the person applying for such license and the name of the individual within the state designated as the

pesticide dealer manager. If such applicant is a partnership, association, corporation, or organized group of persons, the full name of each member of the firm or partnership or the names of the officers of the association or corporation shall be given on the application. Such application shall further state the principal business address of the applicant in the state and elsewhere, the name of a person domiciled in this state authorized to receive and accept service of summons of legal notices of all kinds for the applicant, and any other necessary information prescribed by the director.

(4) Provisions of this section shall not apply to a licensed pesticide applicator who sells pesticides only as an integral part of his pesticide application service when such pesticides are dispensed only through apparatuses used for such pesticide application; or any federal, state, county, or municipal agency which provides pesticides only for its own programs. [1971 ex.s. c 190 § 18.]

15.58.190 Additional fee for late renewal of pesticide dealer license—Exception. Application for a license shall be accompanied by a license fee of ten dollars. The director shall charge a five dollar examination fee for each examination administered on other than a regularly scheduled examination date. The pesticide dealer manager license shall be valid until revoked or until the director determines relicensing is necessary. [1981 c 297 § 19; 1971 ex.s. c 190 § 20.]

15.63.010 Declaration of policy and police power. It is in the public interest of all the people to protect the reputation and welfare of the wheat industry of this state. Without a commission to represent it, the wheat industry cannot effectively help itself in developing foreign and domestic markets, in promoting research to better the quality of Washington wheat, or in protecting the consumer by maintaining proper grades and standards. A wheat commission is vitally necessary to improve the competitive position of Washington wheat producers with respect to states already having such commissions, and to assist these producers in obtaining a fair return from their labor, their farms and the wheat they produce. Such a commission must be endowed with such authority as will enable it to cope swiftly and effectively with our rapidly changing economic conditions as they

may affect the wheat industry. Therefore this act of the legislature is passed to establish a wheat commission, composed of wheat producers familiar with the complex problems peculiar to the industry, and designed to carry out the purposes of the act as herein set forth, under the supervision of the director of agriculture. The provisions of this act are enacted in the exercise of the police powers of this state for the broad purpose of protecting the health and economic welfare not only of the wheat industry, but of labor and industry dependent upon wheat, and of the people of the state as a whole. [1961 c 87 § 1.]

15.63.020 Definitions. As used in this chapter, the following terms shall have the following meanings:

(5) "Wheat" means all kinds and varieties of wheat grown in the state of Washington.

(6) "Wheat commission" and "commission" are synonymous and mean the commission established pursuant to the provisions of this chapter.

(7) "Fiscal year" means the twelve month period beginning July 1 of any year and ending upon the last day of June, both dates inclusive.

(8) "Handler" means any person engaged in the business of handling, selling, processing, storing, shipping, or distributing wheat which he has purchased or acquired from a producer, or which he is shipping for or on behalf of a producer, and shall include any lending agency for a commodity credit corporation loan to producers.

(9) "Commercial channels" means the sale of wheat for use as food, feed, seed or any industrial or chemurgic use, when sold to any commercial buyer, dealer, processor, cooperative, or to any person, public or private, who resells any wheat, or products produced from wheat. [1961 c 87 § 2.]

15.63.030 Purposes enumerated. The purposes of this chapter are:

(1) To enable wheat producers of Washington with the aid of the state to help themselves in developing foreign and domestic markets.

(2) To provide methods and means for the development of new and larger markets for wheat grown within Washington.

(3) To carry on educational and promotional programs to help develop markets for Washington wheat.

(4) To provide methods and means for participation in whatever federal or other programs have been or may be

established to make available gifts or grants for the promotion of marketing of Washington wheat in foreign countries.

(5) To promote and assist in carrying into effect production research into such matters as the development of superior varieties of wheat; methods by which yield in wheat may be increased; disease and the development of disease-resistant varieties of wheat; and more efficient means of processing, handling and marketing of wheat.

(6) To investigate and make recommendations against trade practices detrimental to the wheat industry.

(7) To promote the maintenance of uniform grades and standards suitable to marketing needs and adequate to protect the consumer. [1961 c 87 § 3.]

15.63.040 Creation of wheat commission—Composition—Qualifications. There is hereby created the Washington state wheat commission. The commission shall be composed of five members who shall be producers elected as provided in RCW 15.63.060 and two members who shall be appointed by the producer members so elected. The director shall be an ex officio member of the commission without vote.

The members of the commission shall be citizens and residents of the state and over the age of twenty-five years. The elective producer members shall be producers of wheat in the district in and for which they are nominated and elected. The qualifications of members of the commission must continue during their term of office. [1961 c 87 § 4.]

15.63.050 Districts created—Producer members to be elected from each district. For the purposes of this chapter, the state of Washington is divided into five districts as follows:

(1) District 1: The counties of Ferry, Lincoln, Pend Oreille, Spokane, and Stevens;

(2) District 2: The county of Whitman;

(3) District 3: The counties of Asotin, Columbia, Garfield, and Walla Walla;

(4) District 4: The counties of Adams, Chelan, Douglas, Grant, and Okanogan;

(5) District 5: All other counties of the state of Washington, including the counties of Western Washington and the counties of Benton, Franklin, Kittitas, Klickitat, and Yakima in Eastern Washington.

From each district a producer member shall be elected to the commission. [1961 c 87 § 5.]

15.63.060 Terms of members. The term of office for each member shall be three years from the date of election and until his successor is elected and qualified, except, however, that the first terms of the initial elective producer members of the commission whose terms begin on December 31, 1961 shall be as follows: Terms of members from districts 1 and 2 shall terminate December 31, 1962; terms of members from districts 3 and 4 shall terminate December 31, 1963; and terms of members from district 5 shall terminate December 31, 1964.

The two appointed members of the commission shall be elected to terms of three years by a majority vote of the elected producer members at the first commission meeting, except, however, that the term of the member first appointed during the meeting shall terminate December 31, 1963, and the term of the remaining appointed member shall terminate December 31, 1964. Thereafter such positions shall be filled by majority vote of the elected producer members at the last meeting held prior to termination of term of office. [1961 c 87 § 6.]

15.63.070 Nomination and election procedure. Nominations to fill vacancies in the commission shall be made by written petition signed by not less than five wheat producers residing in the district wherein the vacancy will occur. Nominating petitions shall be sent by the director upon request to any wheat producer residing in such district. Such petitions shall be sent not earlier than September 17 and not later than October 2. Nominating petitions must be filed with the director not earlier than October 8 and not later than October 13.

Members of the commission shall be elected by secret mail ballot under supervision of the director. Ballots shall be mailed not earlier than October 18 and not later than November 2 to all wheat producers listed in the district where a vacancy will occur. They shall be returned to the director postmarked not later than November 16.

In establishing a list of producers, the director shall use the most current and complete list on file in the state department of agriculture. For any areas of the state for which such a list is not complete or current, the director may establish a supplementary list in the following manner: He shall publish a notice to wheat producers in the area involved, requiring them to file with the director a certified report showing the producer's name, mailing address, and the yearly average quantity of wheat produced by him in the five years preceding the date of the notice or in such lesser time as the producer has produced wheat. The notice shall be published once a week for four consecutive weeks in one or more newspapers of general circulation within the district. All reports shall be filed with the director within twenty days from the last date of publication of the notice, or within thirty days after the mailing of the notice to affected producers, whichever is the later. The director shall keep his list of producers at all times as current and complete as possible and may require information from affected producers at various times in accordance with rules and regulations prescribed by him.

Members of the commission shall be elected by a majority of votes cast by the wheat producers residing in the district, each producer being entitled to one vote. If a nominee does not receive a majority of the votes on the first ballot, a run-off election shall be held by mail in a similar manner between the two candidates for such position receiving the largest number of votes.

The nomination and election of the initial members of the commission whose terms of office commence on December 31, 1961 shall be in accordance with the procedure set forth in this section.

The director shall provide reasonable public notice of the impending vacancy in each district in which a vacancy may occur, such notice to consist at a minimum of publication once a week for four consecutive weeks in one or more newspapers of general circulation within the district, and shall call for nominations in such notice: *Provided*, That nonreceipt of the notice by any interested person shall not invalidate the election. [1961 c 87 § 7.]

15.63.080 Effective date of chapter—Nomination and election procedure, terms of office postponed and modified if prior law held invalid. In the event that by reason of the contingency specified in RCW 15.63.910, this chapter shall take effect between August 17, 1961 and February 28, 1962, the nomination and election procedures for the first election of the commission shall be postponed so that the assessment authorized by this chapter may be made on the 1962 wheat crop. Should this occur nominating petitions shall be sent by the director not earlier than the 17th day of the month following the month in which the chapter takes effect. From that time, nomination and election procedures shall continue on a time schedule parallel to that specified in RCW 15.63.060 and 15.63.070. At such election a commissioner shall be elected to fill the balance of the unexpired term.

(2) In the event that a nonelective position becomes vacant for reasons other than expiration of the term of office, the position shall be filled for the balance of the unexpired term by majority vote of the remaining members of the commission at the first meeting following the occurrence of the vacancy. The return shall contain such further information as the commission shall require.

The commission may inspect the records of any producer or handler during reasonable business hours for the purpose of enforcing this chapter and the collection of the assessment. [1961 c 87 § 17.]

15.63.190 Secretary-treasurer—Bond. The commission shall appoint a secretary-treasurer who shall file with it a bond executed by a surety company authorized to transact surety business in the state of Washington, in favor of the commission and the state, in the penal sum of fifty thousand dollars, guaranteeing the faithful performance of his duties and strict accounting of all funds of the commission. [1961 c 87 § 19.]

15.63.200 Deposits of funds—Use. All moneys received or collected by the commission, or by any other state official from the assessment herein levied or from any other source in accordance with the terms and provisions of this chapter, shall be paid to the secretary-treasurer, deposited in such banks, which are approved state depositories, as the commission may designate, and disbursed by order of the commission. None of the provisions of RCW 43.01.050 shall be applicable to any moneys received or collected under the terms of this chapter. Obligations incurred by the commission and any other liabilities or claims against the commission shall be enforced only against the assets of the commission, and no liability for the debts or actions of the commission shall exist against either the state of Washington or any subdivision or instrumentality thereof, or against any member, employee or agent of the commission in his individual capacity. Except as otherwise provided in this chapter, neither the members of the commission nor its

employees shall be held individually responsible for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person or employee, save for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other member of the commission. The commission may bring in its own name an action to enjoin the violation or threatened violation of any provision of this chapter, or any rules adopted under this chapter, notwithstanding the existence of any other remedy at law, and for cause shown may obtain upon prompt hearing a temporary or permanent injunction restraining any person from such violation or threatened violation. Any prosecution brought under this chapter may be instituted in any county of which the defendant, or any defendant, is a resident, or in which the violation was committed, or in which the defendant, or any defendant, has his principal place of business. [1961 c 87 § 23.]

15.63.240 Judicial review. Any party aggrieved by any order, rule or regulation issued by the commission, or by any action taken by it, or by any action taken by the director in approving or disapproving any action of the commission, may apply to the superior court of the state of Washington in the county in which such party is a resident or has his principal place of business for a review of such decision. Where applicable, the procedure for such a review shall be that specified in chapter 34.04 RCW, the administrative procedure act, as in force on the effective date of this chapter, or as thereafter amended. The court may thereupon take such action as in its opinion the law requires and its decision shall be appealable to the supreme court or the court of appeals of this state subject to the laws and rules of court relating to appeals. [1972 ex.s. c 8 § 1; 1971 c 81 § 55; 1961 c 87 § 24.]

be unconstitutional, the invalidity of such section, sentence, clause, or word shall not affect the validity of any other provisions of this chapter, it being the intent of the legislature to enact the remainder of this chapter, notwithstanding the unconstitutionality of any such part. [1961 c 87 § 25.]

15.63.910 Operative, termination date of chapter—Effect of other laws. This chapter shall not take effect and become operative unless and until such time as the wheat commission created by the Marketing Order for Washington Wheat issued on December 4, 1957 by the director, acting under the terms of chapter 15.66 RCW, is declared in a final decision of the supreme court of the state of Washington to have been invalidly created either by reason of the unconstitutionality, in whole or in part, of said chapter or for any other reason. This chapter has been passed in order that continuity of wheat commission activities may be assured throughout the biennium and in the future; therefore, in the event the existing wheat commission should be held by the supreme court of the state of Washington to have been constitutionally and validly created, this chapter shall be of no force and effect whatsoever. [1961 c 87 § 26.]

15.63.920 Conditional emergency clause. Should the wheat commission created by the Marketing Order for Washington Wheat issued on December 4, 1957 by the director, acting under the terms of chapter 15.66 RCW, be declared to have been unconstitutionally or invalidly created this chapter will become necessary for the preservation of the public peace, health and safety, and the support of the state government and its existing public institutions, and upon the occurrence of that contingency, shall take effect immediately. 15.65.010 Short title. This chapter shall be known and may be cited as the Washington state agricultural enabling act. [1961 c 256 § 1.]

15.65.020 Definitions. The following terms are hereby defined:

(1) "Director" means the director of agriculture of the state of Washington or his duly appointed representative. The phrase "director or his designee" means the director unless, in the provisions of any marketing agreement or order, he has designated an administrator, board or other designee to act for him in the matter designated, in which case "director or his designee" means for such order or agreement the administrator, board or other person(s) so designated and not the director.

(2) "Department" means the department of agriculture of the state of Washington.

(3) "Marketing order" means an order issued by the director pursuant to this chapter.

(4) "Marketing agreement" means an agreement entered into and issued by the director pursuant to this chapter.

(5) "Agricultural commodity" means any distinctive type of agricultural, horticultural, viticultural, floricultural, vegetable or animal product, either in its natural or processed state, including bees and honey but not including timber or timber products. The director is hereby authorized to determine (on the basis of common usage and practice) what kinds, types or sub-types should be classed together as an agricultural commodity for the purposes of this chapter.

(6) "Production area" and "marketing area" means any area defined as such in any marketing order or agreement in accordance with RCW 15.65.350. "Affected area" means the marketing or production area so defined in such order, agreement or proposal.

(7) "Unit" of an agricultural commodity means a unit of volume, weight, quantity, or other measure in which such commodity is commonly measured. The director shall designate in each marketing order and agreement the unit to be used therein.

(8) "Affected unit" means in the case of marketing agreements and orders drawn on the basis of a production area, any unit of the commodity specified in or covered by such agreement or order which is produced in such area and sold or marketed or delivered for sale or marketing; and "affected unit" means, in the case of marketing agreements and orders drawn on the basis of marketing area, any unit of the commodity specified in or covered by such agreement or order which is sold or marketed or delivered for sale or marketing within such marketing area: *Provided*, That in the case of marketing agreements "affected unit" shall include only those units which are produced by producers or handled by handlers who have assented to such agreement.

(10) "Producer" means any person engaged in the business of producing any agricultural commodity for market in commercial quantities. "Affected producer" means any producer of an affected commodity. "To produce" means to act as a producer. For the purposes of RCW 15.65.140 and 15.65.160 as now or hereafter amended "producer" shall include bailees who contract to produce or grow any agricultural product on behalf of a bailor who retains title to the seed and its resulting agricultural product or the agricultural product delivered for further production or increase.

(13) "Cooperative association" means any incorporated or unincorporated association of producers which conforms to the qualifications set out in the act of congress of the United States of February 18, 1922 as amended, known as the "Capper–Volstead Act" and which is engaged in making collective sales or in marketing any agricultural commodity or product thereof or in rendering service for or advancing the interests of the producers of such commodity on a nonprofit cooperative basis.

(14) "Member of a cooperative association" means any producer who markets his product through such cooperative association and who is a voting stockholder of or has a vote in the control of or is a party to a marketing agreement with such cooperative association with respect to such product.

(16) "Commercial quantities" as applied to producers and/or production means such quantities per year (or other period of time) of an agricultural commodity as the director finds are not less than the minimum which a prudent man engaged in agricultural production would produce for the purpose of making such quantity of such commodity a substantial contribution to the economic operation of the farm on which such commodity is produced. "Commercial quantities" as applied to handlers and/or handling means such quantities per year (or other period of time) of an agricultural commodity or product thereof as the director finds are not less than the minimum which a prudent man engaged in such handling would handle for the purpose of making such quantity a substantial contribution to the handling operation in which such commodity or product thereof is so handled. In either case the director may in his discretion: (a) determine that substantial quantity is any amount above zero; and (b) apply the quantity so determined on a uniform rule applicable alike to all persons which he finds to be similarly situated.

15.65.030 Declaration of purpose and police power.

The marketing of agricultural products within this state is affected with a public interest. It is declared to be the policy and purpose of this chapter to promote the general welfare of the state by enabling producers of agricultural commodities to help themselves, in establishing orderly, fair, sound, efficient and unhampered marketing, grading and standardizing of the commodities they produce, and in promoting and increasing the sale and proper use of such commodities. This chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety and general welfare of the people of this state. [1961 c 256 § 3.]

15.65.040 Declaration of policy. It is hereby declared to be the policy of this chapter:

The director shall make and maintain on file in the office of the department a copy of each proposal and a full and complete record of all notices, hearings, findings, decisions, assents, and all other proceedings relating to each proposal and to each marketing agreement and order. [1961 c 256 § 6.]

15.65.070 Notice of hearing on proposal—Publication—Contents. The director shall also mail a copy of such notice to all producers and handlers who may be directly affected by such proposal and whose names and addresses appear, on the day next preceding the day on which such notice is published, upon lists of such persons then on file in the department. [1979 c 154 § 4; 1961 c 256 § 7.]

No person shall be excused from attending and testifying or from producing documentary evidence before the director in obedience to the subpoena of the director on the ground or for the reason that the testimony or evidence, documentary or

otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture, but no natural person shall be prosecuted or subject to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he may be so required to testify or produce evidence, documentary or otherwise, before the director in obedience to a subpoena issued by him: *Provided*, That no natural person so testifying shall be exempt from prosecution and punishment for perjury committed in so testifying. The superior court of the county in which any such hearing or proceeding may be had, may compel the attendance of witnesses and the production of records, papers, books, accounts, documents and testimony as required by such subpoena. In case any witness refuses to attend or testify or produce any papers required by the subpoena, the director or his examiner shall so report to the superior court of the county in which the proceeding is pending by petition setting forth that due notice was given of the time and place of attendance of said witness or the production of said papers and that the witness has been summoned in the manner prescribed in this chapter and that the fees and mileage of the witness have been paid or tendered to him in accordance with RCW 2.40.020 and that he has failed to attend or produce the papers required by the subpoena at the hearing, cause or proceeding specified in the notice and subpoena, or has refused to answer questions propounded to him in the course of such hearing, cause or proceeding, and shall ask an order of the court to compel such witness to appear and testify before the director. The court upon such petition shall enter an order directing the witness to appear before the court at a time and place to be fixed in such order and then and there show cause why he has not responded to the subpoena. A certified copy of the show cause order shall be served upon the witness. If it shall appear to the court that the subpoena was regularly issued, the court shall enter a decree that said witness appear at the time and place fixed in the decree and testify or produce the required papers, and on failing to obey said decree the witness shall be dealt with as for contempt of court. [1961 c 256 § 9.]

15.65.100 Director's findings and recommended decision, delivery of copies—Taking official notice of facts from other agencies. The director shall make and publish findings based upon the facts, testimony and evidence received at the public hearings together with any other relevant facts available to him from official publications of the United States or any state thereof or any institution of recognized standing and he is hereby expressly empowered to take "official notice" of the same. Such findings shall be made upon every material point controverted at the hearing and/or required by this chapter and upon such other matters and things as the director may deem fitting and proper. The director shall issue a recommended decision based upon his findings and shall cause copies of the findings and recommended decision to be delivered or mailed to all parties of record appearing at the hearing, or their attorneys of record. [1961 c 256 § 10.]

15.65.110 Filing objections to recommended decision—Final decision—Waiver. After the issuance of a recommended decision all interested parties shall have a period of not less than ten days to file objections or exceptions with the director. Thereafter the director shall take such objections and exceptions as are filed into consideration and shall issue and publish his final decision which may be the same as the recommended decision or may be revised in the light of said objections and exceptions. Upon written waiver executed by all parties of record at any hearing or by their attorneys of record the director may in his discretion omit compliance with the provisions of this section. [1961 c 256 § 11.]

15.65.120 Contents and scope of recommended and final decision—Delivery of copies. The recommended decision shall contain the text in full of any recommended agreement, order, amendment or termination, and may deny or approve the proposal in its entirety, or it may recommend a marketing agreement, order, amendment or termination containing other or different terms or conditions from those contained in the proposal: *Provided*, That the same shall be of a kind or type substantially within the purview of the notice of hearing and shall be supported by evidence taken at the hearing or by documents of which the director is authorized to take official notice. The final decision shall set out in full the text of the agreement, order, amendment or termination covered thereby, and the director shall issue and deliver or mail copies of said final decision to all producers and handlers who may be directly affected by such final decision and whose names and addresses appear, on the day next preceding the day on which such final decision is issued, upon the lists of such persons then on file in the department, and to all parties of record appearing at the hearing, or their attorneys of record. If the final decision denies the proposal in its entirety no further action shall be taken by the director. [1961 c 256 § 12.]

15.65.130 Agreements binding only on those who assent in writing—Agreement not effective until sufficient signatories to effectuate chapter—When effective. With respect to marketing agreements, the director shall after publication of his final decision, invite all producers and handlers affected thereby to assent or agree to the agreement or amendment set out in such decision. Said marketing agreements or amendments thereto shall be binding upon and only upon persons who have agreed thereto in writing and whose written agreement has been filed with the director: *Provided*, That the filing of such written agreement by a cooperative association shall be binding upon such cooperative and all of its members, and *Provided, further*, That the director shall enter into and put into force a marketing agreement or amendment thereto when and only when he shall find in addition to the other findings specified in this chapter that said marketing agreement or any amendment thereto has been assented to by a sufficient number of signatories who handle or produce a sufficient volume of the commodity affected to tend to effectuate

the declared policies and purposes of this chapter and to accomplish the purposes and objects of such agreement or amendment thereto and provide sufficient moneys from assessments levied to defray the necessary expenses of formulation, issuance, administration and enforcement. Such agreement shall be deemed to be issued and put into force and effect when the director shall have so notified all persons who have assented thereto. [1961 c 256 § 13.]

15.65.140 Minimum assent requirements prerequisite to order or amendment affecting producers or producer marketing. No marketing order or amendment thereto directly affecting producers or producer marketing shall be issued unless the director determines (in accordance with any of the procedures described at RCW 15.65.160) that the issuance of such order or amendment is assented to or favored by producers who during a representative period determined by the director constituted either (1) at least sixty-five percent by numbers and at least fifty-one percent by volume of production of the producers who have been engaged within the area of production specified in such marketing order in the production for market of the commodity specified therein, or who during such representative period have been engaged in the production of such commodity for marketing in the marketing area specified in such marketing order, or (2) at least fifty-one percent by numbers and at least sixty-five percent by volume of production of such producers: *Provided*, That producers shall be deemed to have assented to or approved a proposed amendment order if sixty percent or more by number and sixty percent or more by volume of those replying assent or approve the proposed order in a referendum. [1975 1st ex.s. c 7 § 3; 1961 c 256 § 14.]

15.65.150 Minimum requirements prerequisite to order or amendment affecting handlers—Assent by producers. Any marketing order or amendment thereto directly affecting handlers shall be issued either (1) when the director determines that the issuance of such order or amendment is assented to or favored by handlers who during a representative period determined by the director constituted at least fifty-one percent by numbers or fifty-one percent by volume handled of the handlers who have been engaged in the handling of the commodity specified in such marketing order produced in such production area or marketed in such marketing area, as the case may be, or (2) when upon the basis of findings on a duly noticed hearing held in the manner herein provided, the director determines:

(a) That the issuance of such order or amendment will not result in unequal cost of product or availability of supplies, or cause competitive disadvantage of other respects as between handlers;

(b) That the issuance of such order or amendment is the only practical means of advancing the interest of producers of such commodity pursuant to the declared policy of this chapter and that failure to issue such order or amendment would tend to prevent effectuation of the declared policies of this chapter;

(c) That the issuance of such order is assented to or favored by producers who during a representative period determined by the director constituted at least seventy-five percent by numbers or at least sixty-five percent by volume of production of the producers who have been engaged within the production area specified in such marketing order in the production for market of the commodity specified therein, or who during such representative period have been engaged in the production of such commodity for sale in the marketing area specified in such order. [1961 c 256 § 15.]

15.65.160 Ascertainment of required assent percentages. After publication of his final decision, the director shall ascertain (either by written agreement in accordance with subdivision (1) of this section or by referendum in accordance with subdivision (2) of this section) whether the above specified percentages of producers and/or handlers assent to or approve any proposed order, amendment or termination, and for such purpose:

(1) The director may ascertain whether assent or approval by the percentages specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) have been complied with by written agreement, and the requirements of assent or approval shall, in such case, be held to be complied with, if of the total number of affected producers or affected handlers and the total volume of production of the affected commodity or product thereof, the percentages evidencing assent or approval are equal to or in excess of the percentages specified in said sections; or

(2) The director may conduct a referendum among producers and the requirements of assent or approval shall be held to be complied with if of the total number of producers and the total volume of production represented in such referendum the percentage assenting to or favoring is equal to or in excess of the percentage specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) as now or hereafter amended: *Provided*, That thirty percent of the affected producers producing thirty percent by volume of the affected commodity have been represented in a referendum to determine assent or approval of the issuance of a marketing order: *Provided further*, That a marketing order shall not become effective when the provisions of subdivision (3) of this section are used unless sixty-five percent by number of the affected producers producing fifty-one percent by volume of the affected commodity or fifty-one percent by number of the affected producers producing sixty-five percent by volume of the affected commodity approve such marketing order;

(3) The director shall consider the assent or dissent or the approval or disapproval of any cooperative marketing association authorized by its producer members either by a majority vote of those voting thereon or by its articles of incorporation or by its bylaws or by any marketing or other agreement to market the affected commodity for such members or to act for them in any such referendum as being the assent or dissent or the approval or disapproval of the producers who are members of or stockholders in or under contract with such cooperative

association of producers: *Provided*, That the association shall first determine that a majority of its affected producers authorizes its action concerning the specific marketing order. [1975 1st ex.s. c 7 § 4; 1961 c 256 § 16.]

15.65.170 Issuance of order or amendment—Publication—Force and effect. If the director determines that the requisite assent has been given he shall issue and put any order or amendment thereto into force, whereupon each and every provision thereof shall have the force of law. Issuance shall be accomplished by publication for one day in a newspaper of general circulation in Olympia and in the affected area of notice stating that the order has been issued and put into force and where copies of such order may be obtained. If the director determines that the requisite assent has not been given no further action shall be taken by the director upon the proposal, and the order contained in the final decision shall be without force or effect. [1961 c 256 § 17.]

15.65.180 Amendment, suspension of agreement or order upon advice of commodity board—Certain prerequisites waived. The director may, upon the advice of the commodity board serving under any agreement or order and without compliance with the provisions of RCW 15.65.050 through 15.65.170:

(1) Amend any marketing agreement or order as to any minor matter or wording which does not substantially alter the provisions and intention of such agreement or order;

(2) Suspend any such agreement or order or term or provision thereof for a period of not to exceed one year, if he finds that such suspension will tend to effectuate the declared policy of this chapter: *Provided*, That any such suspension of all or substantially all of such agreement or order shall not become effective until the end of the then current marketing season. [1961 c 256 § 18.]

15.65.190 Termination of agreement or order on assent of producers—Procedure. Any marketing agreement or order shall be terminated if the director finds that fifty-one percent by numbers and fifty-one percent by volume of production of the affected producers favor or assent to such termination. The director may ascertain without compliance with the provisions of RCW 15.65.050 through 15.65.130 whether such termination is so assented to or favored whenever twenty percent by numbers or twenty percent by volume of production of said producers file written application with him for such termination. No such termination shall become effective until the expiration of the marketing season then current. [1961 c 256 § 19.]

15.65.200 Lists of producers, handlers, commodities—Correction—Purpose and use. Whenever application is made for the issuance of a marketing agreement or order or the director otherwise determines to hold a hearing for the purpose of such issuance, the director or his designee shall cause lists to be prepared

from any information which he has at hand or which he may obtain from producers, associations of producers and handlers of the affected commodity. Such lists shall contain the names and addresses of persons who produce the affected commodity, the amount of such commodity produced by each such person during the period which the director determines for the purposes of the agreement or order to be representative, and the name of any cooperative association authorized to market for him the commodity specified in the marketing agreement or order. Such lists shall also contain the names and addresses of persons who handle the affected commodity and the amount of such commodity handled by each person during the period which the director determines for the purposes of the agreement or order to be representative. Any qualified person may at any time have his name placed upon any list for which he qualifies by delivering or mailing his name, address and other information to the director and in such case the director shall verify such person's qualifications and if he qualifies, place his name upon such list. At every hearing upon the issuance, amendment or termination of such order or agreement the director or his designee shall take evidence for the purpose of making such lists complete and accurate and he may employ his powers of subpoena of witnesses and of books, records and documents for such purpose. After every such hearing the director shall compile, complete, correct and bring lists up to date in accordance with the evidence and information obtained at such hearing. For all purposes of giving notice, holding referenda and electing members of commodity boards, the lists on hand corrected up to the day next preceding the date for issuing notices or ballots as the case may be shall, for all purposes of this chapter, be deemed to be the list of all persons entitled to notice or to assent or dissent or to vote. [1961 c 256 § 20.]

15.65.210 Powers and duties of director with respect to the administration and enforcement of agreements and orders—Administrator—Personnel. The director shall administer, enforce, direct, and control every marketing agreement and order in accordance with its provisions. For such purposes he shall include in each order and he may include in each agreement provisions for the employment of such administrator and such additional personnel (including attorneys engaged in the private practice of law, subject to the approval and supervision of the attorney general) as he determines are necessary and proper for such order or agreement to effectuate the declared policies of this chapter. Such provisions may provide for the qualifications, method of selection, term of office, grounds of dismissal and the detailed powers and duties to be exercised by such administrator or board and by such additional personnel, including the authority to borrow money and incur indebtedness, and may also provide either that the said administrative board shall be the commodity board or that the administrator or administrative board be designated by the director or the governor. [1977 ex.s. c 26 § 4; 1961 c 256 § 21.]

15.65.220 Commodity boards—Membership—Agreement or order to establish and control. Every marketing agreement and order shall provide for the establishment of a commodity board of not less than five nor more than thirteen members and shall specify the exact number thereof and all details as to qualification, nomination, election, term of office, powers, duties and all other matters pertaining to such board. The members of the board shall be producers or handlers or both in such proportion as the director shall specify in the agreement or order, but in any marketing order the number of handlers on the board shall not exceed the number of producers thereon. The director shall appoint to every such board one person who is neither a producer nor a handler to represent the department and the public generally. [1961 c 256 § 22.]

15.65.230 Qualifications of members of commodity boards. The producer members of each such board shall be practical producers of the affected commodity and shall be citizens and residents of this state, over the age of twenty-five years, each of whom is and has been actually engaged in producing such commodity within the state of Washington for a period of five years and has during that period derived a substantial portion of his income therefrom and who is not engaged in business, directly or indirectly, as a handler or other dealer. The handler members of such board shall be practical handlers of the affected commodity and shall be citizens and residents of this state, over the age of twenty-five years, each of whom is and has been, either individually or as an officer or employee of a corporation, firm, partnership, association or cooperative, actually engaged in handling such commodity within the state of Washington for a period of five years and has during that period derived a substantial portion of his income therefrom. The qualification of members of the board as herein set forth must continue during their terms of office. [1961 c 256 § 23.]

15.65.235 Producer-handlers as producers for qualification purposes—Exception. Whenever any commodity board is formed under the provisions of this chapter and it only affects producers and producer-handlers, then such producer-handlers shall be considered to be acting only as producers for purpose of election and membership on a commodity board: *Provided*, That this section shall not apply to a commodity board which only affects producers and producer-handlers of essential oils. [1971 c 25 § 1.]

15.65.240 Terms of members of commodity boards—Elections. The term of office of board members shall be three years, and one-third as nearly as may be shall be elected every year: *Provided*, That at the inception of any agreement or order the entire board shall be elected one-third for a term of one year, one-third for a term of two years and one-third for a term of three years to the end that memberships on such board shall be on a rotating basis. In the event an order or agreement provides that both producers and handlers shall be

members of such board the terms of each type of member shall be so arranged that one-third of the handler members as nearly as may be and one-third of the producer members as nearly as may be shall be elected each year.

Any marketing agreement or order may provide for election of board members by districts, in which case district lines and the number of board members to be elected from each district shall be specified in such agreement or order and upon such basis as the director finds to be fair and equitable and reasonably adapted to effectuate the declared policies of this chapter. [1961 c 256 § 24.]

15.65.250 Nominations for election to commodity board. For the purpose of nominating candidates to be voted upon for election to such board memberships, the director shall call separate meetings of the affected producers and handlers and in case elections shall be by districts he shall call separate meetings for each district. However, at the inception any marketing agreement or order nominations may be at the issuance hearing. Nomination meetings shall be called annually and at least thirty days in advance of the date set for the election of board members. Notice of every such meeting shall be published in a newspaper of general circulation within the affected area defined in the order or agreement not less than ten days in advance of the date of such meeting and in addition, written notice of every such meeting shall be given to all affected producers and/or handlers according to the list thereof maintained by the director pursuant to RCW 15.65.200. However, if the agreement or order provides for election by districts such written notice need be given only to the producers or handlers residing in or whose principal place of business is within such district. Nonreceipt of notice by any interested person shall not invalidate proceedings at such meetings. Any qualified person may be nominated orally for membership upon such board at the said meetings. Nominations may also be made within five days after any such meeting by written petition filed with the director signed by not less than five producers or handlers, as the case may be, entitled to have participated in said meeting.

When only one nominee is nominated for any position on the board the director shall deem that said nominee satisfies the requirements of the position and then it shall be deemed that said nominee has been duly elected. [1975 1st ex.s. c 7 § 5; 1961 c 256 § 25.]

15.65.260 Election of members of commodity board—Procedure. The members of every such board shall be elected by secret mail ballot under the supervision of the director. Producer members of such board shall be elected by a majority of the votes cast by the affected producers, but if the marketing order or agreement provides for districts such producer members of the board shall be elected by a majority of the votes cast by the affected producers in the respective districts. Each affected producer shall be entitled to one vote. Handler members of the board shall be elected by a majority of

the votes cast by the affected handlers, but if the marketing order or agreement provides for districts such handler members of the board shall be elected by a majority of the votes cast by the affected handlers in the respective districts. Each affected handler shall be entitled to one vote.

If a nominee does not receive a majority of the votes on the first ballot a run-off election shall be held by mail in a similar manner between the two candidates for such position receiving the largest number of votes.

Notice of every election for board membership shall be published in a newspaper of general circulation within the affected area defined in the order or agreement not less than ten days in advance of the date of such election. Not less than ten days prior to every election for board membership, the director shall mail a ballot of the candidates to each producer and handler entitled to vote whose name appears upon the list thereof compiled and maintained by the director in accordance with RCW 15.65.200. Any other producer or handler entitled to vote may obtain a ballot by application to the director upon establishing his qualifications. Nonreceipt of a ballot by any person entitled to vote shall not invalidate the election of any board member. [1961 c 256 § 26.]

15.65.270 Vacancies, quorum, compensation, travel expenses of commodity board members. In the event of a vacancy on the board, the remaining members shall select a qualified person to fill the unexpired term. A majority of the voting members of the board shall constitute a quorum for the transaction of all business and the carrying out of all duties of the board. Each member of the board shall receive a sum to be specified in the marketing agreement or order not in excess of thirty-five dollars per day for each day spent in actual attendance on or traveling to and from meetings of the board or on special assignment for the board, together with travel expenses at the rates allowed state employees in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. [1975-'76 2nd ex.s. c 34 § 19; 1961 c 256 § 27.]

Effective date—Severability—1975-'76 2nd ex.s. c 34: See notes following RCW 2.08.115.

15.65.280 Powers and duties of commodity board—Reservation of power to director. The powers and duties of the board shall be:

- (1) To elect a chairman and such other officers as it deems advisable;
- (2) To advise and counsel the director with respect to the administration and conduct of such marketing agreement or order;
- (3) To recommend to the director administrative rules, regulations and orders and amendments thereto for the exercise of his powers in connection with such agreement or order;
- (4) To advise the director upon any and all assessments provided pursuant to the terms of such agreement or order and upon the collection, deposit, withdrawal, disbursement and paying out of all moneys;

- (5) To assist the director in the collection of such necessary information and data as the director may deem necessary in the proper administration of this chapter;

- (6) To administer the order or agreement as its administrative board if the director designates it so to do in such order or agreement;

- (7) To perform such other duties as the director may prescribe in the marketing agreement or order.

Any agreement or order under which the commodity board administers the order or agreement shall (if so requested by the affected producers in the proposal or promulgation hearing) contain provisions whereby the director reserves the power to approve or disapprove every order, rule or directive issued by the board, in which event such approval or disapproval shall be based on whether or not the director believes the board's action has been carried out in conformance with the purposes of this chapter. [1961 c 256 § 28.]

15.65.283 Members may belong to association with same objectives—Contracts with other associations authorized. Any member of an agricultural commodity board may also be a member or officer of an association which has the same objectives for which the agricultural commodity board was formed. An agricultural commodity board may also contract with such association for services necessary to carry out any purposes authorized under this chapter, provided that an appropriate contract has been entered into. [1972 ex.s. c 112 § 1.]

15.65.285 Restrictive provisions of chapter 43.78 RCW not applicable to promotional printing and literature of commodity boards. The restrictive provisions of chapter 43.78 RCW, as now or hereafter amended, shall not apply to promotional printing and literature for any commodity board. [1972 ex.s. c 112 § 2.]

15.65.290 Claims and liabilities, enforcement against organization—Personal liabilities of officials, employees, etc. Obligations incurred by any administrator or board or employee or agent thereof pertaining to their performance or nonperformance or misperformance of any matters or things authorized, required or permitted them by this chapter or any marketing agreement or order issued pursuant to this chapter, and any other liabilities or claims against them or any of them shall be enforced in the same manner as if the whole organization under such marketing agreement or order were a corporation. No liability for the debts or actions of such administrator, board, employee or agent incurred in their official capacity under the agreement or order shall exist either against its administrator, board, officers, employees and/or agents in his or their individual capacity, nor against the state of Washington or any subdivision or instrumentality thereof nor against any other organization, administrator or board (or employee or agent thereof) established pursuant to this chapter or the assets thereof. The administrator of any order or agreement, the members of any such board, and also his or their agents and employees, shall not be held responsible

individually in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person or employee, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other administrator, board, member of any such board, or other person. The liability of the members of any such board shall be several and not joint and no member shall be liable for the default of any other member. [1961 c 256 § 29.]

15.65.300 Agreement or order to contain detailed statement of powers and purposes. The purposes for which each marketing agreement and order is issued and the powers which shall be exercised thereunder shall be stated in detail in the provisions of such agreement or order. Any such agreement or order or amendment thereto may contain provisions for the exercise of any one or more or all of the powers and purposes set forth in RCW 15.65.310 through 15.65.340. However, any agreement, order or amendment wherein the affected commodity is one of those listed below shall contain provisions for the exercise of only those powers and purposes contained in said RCW 15.65.310 through 15.65.340 set after its name below, to wit:

(1) Wheat, RCW 15.65.310, 15.65.320 and 15.65.330. [1961 c 256 § 30.]

15.65.310 Advertising, sale, trade barrier, claim, etc., provisions in agreement or order. Any marketing agreement or order may provide for advertising, sales, promotion and/or other programs for maintaining present markets and/or creating new or larger markets for the affected commodity. It may also provide for the prevention, modification or removal of trade barriers which obstruct the free flow of the affected commodity to market. Each such order or agreement and all programs thereunder shall be directed toward increasing the sale of such commodity without reference to any particular brand or trade name and shall neither make use of false or unwarranted claims in behalf of such commodity nor disparage the quality, value, sale or use of any other agricultural commodity. [1961 c 256 § 31.]

15.65.320 Agreement and order provisions for research. Any marketing agreement or order may provide for research in the production, processing and/or distribution of the affected commodity and for the expenditure of money for such purposes. Insofar as practicable, such research shall be carried out by experiment stations of Washington state university but if in the judgment of the director or his designee said experiment stations do not have adequate facilities for a particular project or if some other research agency has better facilities therefor, the project may be carried out by other research agencies selected by the director or his designee. [1961 c 256 § 32.]

15.65.330 Agreement and order provisions for uniform grades and standards—Enforcement—Rules.

Any marketing agreement or order may contain provisions which directly provide for, or which authorize the director or his designee to provide by rules and regulations for, any one or more, or all, of the following: (1) Establishing uniform grades and standards of quality, condition, maturity, size, weight, pack, packages and/or label for the affected commodity or any products thereof; (2) requiring producers, handlers and/or other persons to conform to such grades and/or standards in packing, packaging, processing, labeling, selling or otherwise commercially disposing of the affected commodity and/or in offering, advertising and/or delivering it therefor; (3) providing for inspection and enforcement to ascertain and effectuate compliance; (4) establishing rules and regulations respecting the foregoing; (5) providing that the director or his designee shall carry out inspection and enforcement of, and may (within the general provisions of the agreement or order) establish detailed provisions relating to, such standards and grades and such rules and regulations: *Provided*, That any modification not of a substantial nature, such as the modification of standards within a certain grade may be made without a hearing, and shall not be considered an amendment for the purposes of this chapter. [1961 c 256 § 33.]

15.65.340 Agreement and order provisions prohibiting or regulating certain practices. Any marketing agreement or order may contain provisions prohibiting and/or otherwise regulating any one or more or all of the practices listed to the extent that such practices affect, directly or indirectly, the commodity which forms the subject matter of such agreement or order or any product thereof, but only with respect to persons who engage in such practices with the intent of or with the reasonably foreseeable effect of inducing any purchaser to become his customer or his supplier or of otherwise dealing or trading with him or of diverting trade from a competitor, to wit:

(1) Paying rebates, commissions or unearned discounts;

(2) Giving away or selling below the true cost (which includes all direct and indirect costs incurred to the point of sale plus a reasonable margin of mark-up for the seller) any of the affected commodities or of any other commodity or product thereof;

(3) Unfairly extending privileges or benefits (pertaining to price, to credit, to the loan, lease or giving away of facilities, equipment or other property or to any other matter or thing) to any customer, supplier or other person;

(4) Discriminating between customers, or suppliers of like class;

(5) Using the affected or any other commodity or product thereof as a loss leader or using any other device whereby for advertising, promotional, come-on or other purposes such commodity or product is sold below its fair value;

(6) Making or publishing false or misleading advertising. Such regulation may authorize uniform trade practices applicable to all similarly situated handlers

and/or other persons. Such regulation shall not prevent any person (a) from selling below cost to liquidate excess inventory which cannot otherwise be moved, or (b) from meeting the equally low legal price of any competitor within any one trading area during any one trading period and the director may define in said marketing agreement or order said trading area and said trading period in accordance with generally accepted industry practices; but in any event the burden of proving that such selling was to meet the equally low legal price of a competitor or to liquidate said excess inventory shall be upon the person who sells below cost as above defined. Any marketing agreement or order may authorize use of any money received and of any persons employed thereunder for legal proceedings, of any type and in the name of any person, directed to enforcement of this or any other law in force in the state of Washington relating to the prevention of unfair trade practices. [1961 c 256 § 34.]

15.65.350 Agreement and order to define applicable area—"Production area"—"Marketing area". Every marketing agreement and order shall define the area to which it applies which may be all or any contiguous portion of the state. Such area may be defined as a "production area" in which case such agreement or order shall regulate or apply with respect to all of the commodity specified in such agreement or order which is produced within such production area and sold, marketed or delivered for sale or marketing. Such area may be defined as a "marketing area" in which case such agreement or order shall regulate or apply with respect to all of the commodity specified in such agreement or order which is sold or marketed or delivered for sale or marketing or distribution or processing or consumption within such marketing area. [1961 c 256 § 35.]

15.65.360 Agreement and order provisions for marketing information, services, verification of grades, standards, sampling, etc. Any marketing agreement or order may provide for marketing information and services to producers and for the verification of grades, standards, weights, tests and sampling of quality and quantity of the agricultural product purchased by handlers from producers. [1961 c 256 § 36.]

15.65.370 Agreement or order not to prohibit or discriminatorily burden marketing. No marketing agreement or order or amendment thereto shall prohibit or discriminatorily burden the marketing in its area of any agricultural commodity or product thereof produced in any production area of the United States. [1961 c 256 § 37.]

15.65.380 Additional agreement or order provisions—Rules of technical or administrative nature authorized. Any marketing agreement or order may contain any other, further and different provisions which are incidental to and not inconsistent with this chapter and which the director finds to be needed and reasonably adapted to effectuate the declared policies of this

chapter. Such provisions shall set forth the detailed application of this chapter to the affected agricultural commodity. The director or his designee shall have the power to make rules and regulations of a technical or administrative nature under this chapter and/or under any agreement or order issued pursuant to this chapter. [1961 c 256 § 38.]

15.65.390 Annual assessment—Limitation generally—Limitation on wheat. There is hereby levied, and the director or his designee shall collect, upon each and every affected unit of any agricultural commodity specified in any marketing agreement or order an annual assessment which shall be paid by the producer thereof upon each and every such unit sold or marketed or delivered for sale or marketed by him, and which shall be paid by the handler thereof upon each and every such unit purchased or received for sale, processing or distribution by him: *Provided*, That such assessment shall be paid by producers only, if only producers are regulated by such agreement or order, and by handlers only, if only handlers are so regulated, and by both producers and handlers if both are so regulated. Such assessments shall be expressed as a stated amount of money per unit. The total amount of such annual assessment to be paid by all producers of such commodity, or by all handlers of such commodity shall not exceed four percent of the total market value of all affected units sold or marketed or delivered for sale or marketing by all producers of such units during the year to which the assessment applies. However, the total amount of such annual assessment upon producers, or handlers, or both producers and handlers, of the below listed commodities shall not exceed the amounts per unit or the percentage of selling price stated after the names of the respective commodities below:

(1) Wheat, maximum, one-quarter cent per bushel. [1961 c 256 § 39.]

15.65.400 Per unit rate of assessment. In every marketing agreement and order the director shall prescribe the per unit rate of such assessment, and such rate may be at the full amount of, or at any lesser amount than the amount hereinabove limited. Such rate may be altered or amended from time to time, but only upon compliance with the procedural requirements of this chapter. In every such marketing agreement, order and amendment the director shall base his determination of such rate upon the volume and price of sales of affected units (or units which would have been affected units had the agreement or order been in effect) during a period which the director determines to be a representative period. The per unit rate of assessment prescribed in any such agreement, order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such agreement or order is amended as to such rate. [1961 c 256 § 40.]

15.65.410 Time, place, method for payment and collection of assessments. The director shall prescribe in

each marketing order and agreement the time, place and method for payment and collection of assessments under such order or agreement upon any uniform basis applicable alike to all producers subject to such assessment, and upon the same or any other uniform basis applicable alike to all handlers subject to such assessment. For such purpose the director may, by the terms of the marketing order or agreement, either:

(1) Require stamps to be purchased from him or his designee and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets (said stamps to be canceled immediately upon being attached and the date of cancellation placed thereon); or

(2) Require handlers to collect producer assessments from producers whose production they handle and remit the same to the director or his designee; or

(3) Require the person subject to the assessment to give adequate assurance or security for its payment.

Unless the director has otherwise provided in any marketing order or agreement, assessments payable by producers shall be paid prior to the time when the affected unit is shipped off the farm, and assessments payable to handlers shall be paid prior to the time when the affected units are received by or for the account of the first handler. No affected units shall be transported, carried, shipped, sold, marketed or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid and the receipt issued. [1961 c 256 § 41.]

15.65.420 Use of moneys collected—Departmental expenses. Moneys collected by the director or his designee pursuant to any marketing order or agreement from any assessment or as an advance deposit thereon, shall be used by the director or his designee only for the purpose of paying for expenses and costs arising in connection with the formulation, issuance, administration and enforcement of such order or agreement and carrying out its provisions together with a proportionate share of the overhead expenses of the department attributable to its performance of its duties under this chapter with respect to such marketing order or agreement. [1961 c 256 § 42.]

15.65.430 Refunds of moneys received or collected. Any moneys collected or received by the director or his designee pursuant to the provisions of any marketing agreement or order during or with respect to any season or year may be refunded on a pro rata basis at the close of such season or year or at the close of such longer period as the director determines to be reasonably adapted to effectuate the declared policies of this chapter and the purposes of such marketing agreement or order, to all persons from whom such moneys were collected or received, or may be carried over into and used with respect to the next succeeding season, year or period whenever the director or his designee finds that the same will tend to effectuate such policies and purposes. Upon the termination of any marketing agreement or order, any and

all moneys remaining, and not required to defray the expenses or repay the obligations incurred and undertaken pursuant to such agreement or order, shall be returned by the director upon a pro rata basis to all persons from whom such moneys were collected or received. However, if the director finds that the amounts so returnable are so small as to make impractical the computation and remitting of such pro rata refund to such persons, the director may use such moneys to defray expenses incurred by him in the formulation, issuance, administration or enforcement of any subsequent marketing agreement or order for such commodity. Thereafter, if there are any such moneys remaining which have not been used by the director as hereinabove provided, the same shall be withdrawn from the approved depository and paid into the state treasury as unclaimed trust moneys. [1961 c 256 § 43.]

15.65.440 Assessments personal debt—Additional percentage if not paid—Civil action to collect. Any due and payable assessment herein levied in such specified amount as may be determined by the director or his designee pursuant to the provisions of this chapter and such agreement or order, shall constitute a personal debt of every person so assessed or who otherwise owes the same, and the same shall be due and payable to the director or his designee when payment is called for by him. In the event any person fails to pay the director or his designee the full amount of such assessment or such other sum on or before the date due, the director or his designee may, and is hereby authorized to, add to such unpaid assessment or sum an amount not exceeding ten percent of the same to defray the cost of enforcing the collecting of the same. In the event of failure of such person or persons to pay any such due and payable assessment or other such sum, the director or his designee may bring a civil action against such person or persons in a state court of competent jurisdiction for the collection thereof, together with the above specified ten percent thereon, and such action shall be tried and judgment rendered as in any other cause of action for debt due and payable. [1961 c 256 § 44.]

15.65.450 Deposit to defray expenses of preparing and effectuating agreement or order—Reimbursement. Prior to the issuance of any marketing agreement or order, the director may require the applicants therefor to deposit with him such amount of money as the director may deem necessary to defray the expenses of preparing and making effective such agreement or order. The director or his designee may reimburse the applicant from any moneys received by him under such agreement or order for any moneys so deposited by such applicant and/or for any necessary expenses incurred by such applicant in preparing and obtaining approval of such marketing agreement or order upon receipt of a verified statement of such expense approved by the director or his designee. [1961 c 256 § 45.]

15.65.460 Marketing act revolving fund—Composition. There shall be a fund known as the "marketing

act revolving fund" which shall consist of all assessments, fees, penalties, forfeitures and all other moneys, income or revenue received or collected pursuant to the provisions of this chapter and of all marketing orders and agreements issued pursuant to this chapter. None of the provisions of RCW 43.01.050 shall be applicable to such fund nor to any of the moneys so received or collected. [1961 c 256 § 46.]

15.65.470 Depositories for revolving fund—Security—Daily deposits. The marketing act revolving fund shall be deposited in such banks and financial institutions as the director or his designee may select throughout the state which shall give to the director or his designee surety bonds executed by surety companies authorized to do business in the state, or collateral eligible as security for deposit of state funds, in at least the full amount of the deposit in each such bank or financial institution. All moneys received by the director or his designee or by any administrator, board or employee, except an amount of petty cash for each day's needs as fixed by the regulations, shall be deposited each day, and as often during the day as advisable, in the authorized depository. [1961 c 256 § 47.]

15.65.480 Separate accounts for each agreement or order—Disbursements. The director and each of his designees shall deposit or cause to be deposited all moneys which are collected or otherwise received by them pursuant to the provisions of this chapter in a separate account or accounts separately allocated to each marketing order or agreement under which such moneys are collected or received, and such deposits and accounts shall be in the name of and withdrawable by the check or draft of the administrator or board or designated employee thereof established by such order or agreement. All expenses and disbursements incurred and made pursuant to the provisions of any marketing agreement or order, including a pro rata share of the administrative expenses of the department of agriculture incurred in the general administration of this chapter and all orders and agreements issued pursuant thereto, shall be paid from, and only from, moneys collected and received pursuant to such order or agreement and all moneys deposited for the account of any order or agreement in the marketing act revolving fund shall be paid from said account of such fund by check, draft or voucher in such form and in such manner and upon the signature of such person as may be prescribed by the director or his designee. [1961 c 256 § 48.]

15.65.490 Records of financial transactions to be kept by director—Audits. The director and each of his designees shall keep or cause to be kept separately for each agreement and order in accordance with accepted standards of good accounting practice, accurate records of all assessments, collections, receipts, deposits, withdrawals, disbursements, paid outs, moneys and other financial transactions made and done pursuant to such order or agreement, and the same shall be audited at

least annually subject to procedures and methods lawfully prescribed by the state auditor. The books and accounts maintained under every such agreement and order shall be closed as of the last day of each fiscal year of the state of Washington or of a fiscal year determined by the director. A copy of every such audit shall be delivered within thirty days after the completion thereof to the governor and the commodity board of the agreement or order concerned. [1979 c 154 § 5; 1973 c 106 § 10; 1961 c 256 § 49.]

Severability—1979 c 154: See note following RCW 15.49.330.

15.65.500 Bonds of administrator, board, employee. The director or his designee shall require that a bond be given by every administrator, administrative board and/or employee occupying a position of trust under any marketing agreement or order, in such amount as the director or his designee shall deem necessary, the premium for which bond or bonds shall be paid from assessments collected pursuant to such order or agreement: *Provided*, That such bond need not be given with respect to any person covered by any blanket bond covering officials or employees of the state of Washington. [1961 c 256 § 50.]

15.65.510 Informational reports required—Examinations, hearings to obtain—Confidentiality and disclosures. All parties to any marketing agreement and all producers, handlers and other persons subject to any marketing order shall severally from time to time, upon the request of the director or his designee, furnish him with such information as he finds to be necessary to enable him to effectuate the declared policies of this chapter and the purposes of such agreement or order or to ascertain and determine the extent to which such agreement or order has been carried out or has effectuated such policies and purposes, or to determine whether or not there has been any abuse of the privilege of exemption from laws relating to trusts, monopolies and restraints of trade. Such information shall be furnished in accordance with forms and reports to be prescribed by the director or his designee. For the purpose of ascertaining the correctness of any report made to the director or his designee pursuant to this section or for the purpose of obtaining the information required in any such report where it has been requested and has not been furnished, the director or his designee is hereby authorized to examine such books, papers, records, copies of tax reports, accounts, correspondence, contracts, documents, or memoranda as he deems relevant and which are within the control:

(1) Of any such party to such marketing agreement or any such producer or handler under such marketing order from whom such report was requested, or

(2) Of any person having, either directly or indirectly, actual or legal control of or over such party, producer or handler of such records, or

(3) Of any subsidiary of any such party, producer, handler or person.

To carry out the purposes of this section the director or his designee upon giving due notice, may hold hearings, take testimony, administer oaths, subpoena witnesses and issue subpoenas for the production of books, records, documents or other writings of any kind. RCW 15.65.080, 15.65.090, 15.65.100 and 15.65.110, together with such other regulations consistent therewith as the director may from time to time prescribe, shall apply with respect to any such hearing. All information furnished to or acquired by the director or his designee pursuant to this section shall be kept confidential by all officers and employees of the director and/or his designee and only such information so furnished or acquired as the director deems relevant shall be disclosed by him or them, and then only in a suit or administrative hearing brought at the direction or upon the request of the director or to which he or his designee or any officer of the state of Washington is a party, and involving the marketing agreement or order with reference to which the information so to be disclosed was furnished or acquired.

Nothing in this section shall prohibit:

(1) The issuance of general statements based upon the reports of a number of persons subject to any marketing agreement or order, which statements do not identify the information furnished by any person, or

(2) The publication by the director or his designee of the name of any person violating any marketing agreement or order, together with a statement of the particular provisions and the manner of the violation of the marketing agreement or order so violated by such person. [1961 c 256 § 51.]

15.65.520 Criminal acts and penalties. It shall be a misdemeanor:

(1) For any person to violate any provision of this chapter or any provision of any marketing agreement or order duly issued by the director pursuant to this chapter.

(3) For any person engaged in the wholesale or retail trade to fail or refuse to furnish to the director or his designee or his duly authorized agents, upon request, information concerning the name and address of the person from whom he has received an agricultural commodity regulated by a marketing agreement or order in effect and issued pursuant to the terms of this chapter and the grade, standard, quality or quantity of and the price paid for such commodity so received.

Every person convicted of any such misdemeanor shall be punished by a fine of not less than fifty dollars nor more than five hundred dollars or by imprisonment of not less than ten days nor more than six months or by both such fine and imprisonment. Each violation during any day shall constitute a separate offense: *Provided*,

That if the court finds that a petition pursuant to RCW 15.65.570 was filed and prosecuted by the defendant in good faith and not for delay, no penalty shall be imposed under clause (1) of this section for such violations as occurred between the date upon which the defendant's petition was filed with the director and the date upon which notice of the director's decision thereon was given to the defendant in accordance with RCW 15.65.570 and regulations prescribed pursuant thereto. Any moneys recovered pursuant to this paragraph shall be allocated to and used for the purposes of the agreement or order concerned. [1961 c 256 § 53.]

15.65.540 Jurisdiction of superior courts—Who may bring action. The several superior courts of the state of Washington are hereby vested with jurisdiction:

(1) Specifically to enforce this chapter and the provisions of each and every marketing agreement and order issued pursuant to this chapter and each and every term, condition and provision thereof;

(2) To prevent, restrain and enjoin pending litigation and thereafter permanently any person from violating this chapter or the provisions of any such agreement or order and each and every term, condition and provision thereof, regardless of the existence of any other remedy at law.

The director or any administrator or board under any marketing agreement or order, in the name of the state of Washington, or any person affected or regulated by or subject to any marketing order or agreement issued pursuant to this chapter upon joining the director as a party may bring or cause to be brought actions or proceedings for specific performance, restraint, injunction or mandatory injunction against any person who violates or refuses to perform the obligations or duties imposed upon him by this chapter or by any marketing agreement or order issued pursuant to this chapter and said courts shall have jurisdiction of such cause and shall grant such relief upon proof of such violation or threatened violation or refusal. [1961 c 256 § 54.]

15.65.550 Duty of attorney general and prosecuting attorneys—Investigation and hearing by director.

Upon the request of the director or his designee, it shall be the duty of the attorney general of the state of Washington and of the several prosecuting attorneys in their respective counties to institute proceedings to enforce the remedies and to collect the moneys provided for or pursuant to this chapter. 15.65.560 Remedies additional. The remedies provided for in this chapter shall be in addition to, and not exclusive of, any other remedies or penalties provided for in this chapter or now or hereafter existing at law or in equity, and such remedies shall be concurrent and alternative and neither singly nor combined shall the same be exclusive. [1961 c 256 § 56.]

15.65.570 Proceedings subject to administrative procedure act. All proceedings held by the director for the promulgation of any marketing agreement or order and the amendment, modification, or dissolution thereof and all proceedings concerning the promulgation of any rules or regulations or the amendment or modification thereof and appeals therefrom shall be subject to the provisions of chapter 34.04 RCW as enacted or hereafter amended. [1961 c 256 § 57.]

In the event the director finds that it tends to effectuate the declared purposes of this chapter within the standards prescribed in this chapter, the director may issue a marketing agreement or order, applicable to the marketing, within the state of Washington of any agricultural commodity, containing like terms, provisions, methods and procedures as any license or order regulating the marketing of such commodity in interstate or foreign commerce, issued by the secretary of agriculture of the United States pursuant to the provisions of any law or laws of the United States. In selecting an administrator or the members of any board or other agency under such marketing order, the director may utilize the same persons as those serving in a similar capacity under such federal license or order, so as to avoid duplicating or conflicting personnel: *Provided*, That any administrator, board or agency so appointed by the director shall be responsible to the director for the performance of such of their duties as relate to the administration of any such marketing agreement or order issued by the director hereunder. [1961 c 256 § 58.]

15.65.590 Cooperation, joint agreements or orders with other states and United States to achieve uniformity. [1975 1st ex.s. c 7 § 6; 1961 c 11 § 15.66.010. Prior: 1955 c 191 § 1.]

*Reviser's note: Chapter 19.89 RCW was repealed by 1975 c 55 § 1.

15.66.020 Declaration of purpose. The marketing of agricultural products within this state is affected with a public interest. It is declared to be the policy and purpose of this chapter to promote the general welfare of the state by enabling producers of agricultural commodities to help themselves in establishing orderly, fair, sound, efficient and unhampered marketing, grading and standardizing of the commodities they produce, and in promoting and increasing the sale of such commodities. [1961 c 11 § 15.66.020. Prior: 1955 c 191 § 2.]

15.66.030 Marketing orders authorized. Marketing orders may be made for any one or more of the following purposes:

(1) To establish plans and conduct programs for advertising and sales promotion, to maintain present markets or to create new or larger markets for any agricultural commodity grown in the state of Washington;

(2) To provide for carrying on research studies to find more efficient methods of production, processing, handling and marketing of any agricultural commodity;

(3) To provide for improving standards and grades by defining, establishing and providing labeling requirements with respect to the same;

(4) To investigate and take necessary action to prevent unfair trade practices. [1961 c 11 § 15.66.030. Prior: 1955 c 191 § 3.]

15.66.040 Prerequisites to marketing orders—Director's duties. Marketing orders and orders modifying or terminating existing marketing orders shall be promulgated by the director only after the director has done the following:

(1) Received a petition as provided for in RCW 15.66.050;

(2) Given notice of hearing as provided for in RCW 15.66.060;

(3) Conducted a hearing as provided for in RCW 15.66.070;

(4) Made findings and decision as provided for in RCW 15.66.080;

(5) Determined assent of affected producers as provided for in RCW 15.66.090. [1961 c 11 § 15.66.040. Prior: 1955 c 191 § 4.]

15.66.050 Petition for marketing order—Fee. Petitions for issuance, amendment or termination of a marketing order shall be signed by not less than five percent or one hundred of the producers alleged to be affected, whichever is less, and shall be filed with the director. Such petition shall be accompanied by a filing fee of one hundred dollars payable to the state treasurer; and shall designate some person as attorney-in-fact for the purpose of this section. Upon receipt of such a petition, the director shall prepare a budget estimate for handling such petition which shall include the cost of the preparation of the estimate, the cost of the hearings and the cost of the proposed referendum. The petitioners, within thirty days after receipt of the budget estimate by their attorney-in-fact shall remit to the director the difference between the filing fee of one hundred dollars already paid and the total budget estimate. If the petitioners fail to remit the difference, or if for any other reason the proceedings for the issuance, amendment or termination of the marketing order are discontinued, the filing fee, including any additional amount paid in accordance with such budget estimates shall not be refunded. If the petition results, after proper proceedings, in the issuance, amendment, or termination of a marketing order, said petitioners shall be reimbursed for the amount paid for said total filing fee out of funds of the commodity commission as they become available. [1961 c 11 § 15.66.050. Prior: 1955 c 191 § 5.]

15.66.060 Lists of affected producers—Notice—Hearing notice. Upon receipt of a petition for the issuance, amendment, or termination of a marketing order, the director shall establish a list of producers of the agricultural commodity affected or make any such existing list current. In establishing or making current such a list of producers and their individual production, the director shall publish a notice to producers of the

commodity to be affected requiring them to file with the director a report showing the producer's name, mailing address, and the yearly average quantity of the affected commodity produced by him in the three years preceding the date of the notice or in such lesser time as the producer has produced the commodity in question. Such information as to production may also be accepted from other valid sources if readily available. The notice shall be published once a week for four consecutive weeks in such newspaper or newspapers, including a newspaper or newspapers of general circulation within the affected areas, as the director may prescribe, and shall be mailed to all affected producers on record with the director. All reports shall be filed with the director within twenty days from the last date of publication of the notice or within thirty days after the mailing of the notice to affected producers, whichever is the later. The director shall keep such lists at all times as current as possible and may require information from affected producers at various times in accordance with rules and regulations prescribed by the director: *Provided*, That any commission established under the provisions of this chapter may at its discretion prior to any election for any purpose by such commission carry out the above stated mandate to the director for establishing a list of producers and their individual production, and supply the director with a current list of all producers subject to the provisions of the marketing order under which it was formed.

Such producer list shall be final and conclusive in making determinations relative to the assent by producers upon the issuance, amendment or termination of a marketing order and in elections under the provisions of this chapter.

The director shall then notify affected producers, so listed, by mail that the public hearing affording opportunity for them to be heard upon the proposed issuance, amendment, or termination of the marketing order will be heard at the time and place stated in the notice. Such notice of the hearing shall be given not less than ten days nor more than sixty days prior to the hearing. [1975 1st ex.s. c 7 § 7; 1969 c 66 § 1; 1961 c 11 § 15.66.060. Prior: 1955 c 191 § 6.]

15.66.070 Public hearing. At the public hearing the director shall receive evidence and testimony offered in support of, or opposition to, the proposed issuance of, amendment to, or termination of a marketing order and concerning the terms, conditions, scope, and area thereof. Such hearing shall be public and all testimony shall be received under oath. A full and complete record of all proceedings at such hearings shall be made and maintained on file in the office of the director, which file shall be open to public inspection. The director shall base his findings upon the testimony and evidence received at the hearing, together with any other relevant facts available to him from official publications of institutions of recognized standing. The director shall describe in his findings such official publications upon which any finding is based.

For such hearings and for any other hearings under this chapter, the director shall have the power to subpoena witnesses and to issue subpoenas for the production of any books, records or documents of any kind.

The superior court of the county in which any hearing or proceeding may be had may compel the attendance of witnesses and the production of records, papers, books, accounts, documents and testimony as required by such subpoena. The director, in case of the refusal of any witness to attest or testify or produce any papers required by the subpoena, shall report to the superior court of the county in which the proceeding is pending by petition setting forth that due notice has been given of the time and place of attendance of said witness or the production of said papers and that the witness has been summoned in the manner prescribed in this chapter and that he has failed to attend or produce the papers required by the subpoena at the hearing, cause or proceeding specified in the subpoena, or has refused to answer questions propounded to him in the course of such hearing, cause or proceeding, and shall ask an order of the court to compel a witness to appear and testify before the director. The court upon such petition shall enter an order directing the witness to appear before the court at a time and place to be fixed in such order and then and there to show cause why he has not responded to the subpoena. A copy of the order shall be served upon the witness. If it appears to the court that the subpoena was regularly issued, it shall enter an order that the witness appear at the time and place fixed in the order and testify or produce the required papers, and on failing to obey said order the witness shall be dealt with as for contempt of court. [1961 c 11 § 15.66.070. Prior: 1955 c 191 § 7.]

15.66.080 Findings and decision of the director. The director shall make and publish findings upon every material point controverted at the hearing and required by this chapter and upon such other matters and things as he may deem fitting and proper. He shall also issue a recommended decision based upon his findings and shall cause copies of the findings and recommended decision to be delivered or mailed to all parties of record appearing at the hearing, or their attorneys of record. The recommended decision shall contain the text in full of any order, or amendment or termination of existing order, and may deny or approve the proposal in its entirety, or it may recommend a marketing order containing other or different terms or conditions from those contained in the proposal: *Provided*, That the same shall be of a kind or type substantially within the purview of the notice of hearing and shall be supported by evidence taken at the hearing or by documents of which the director is authorized to take official notice. The director shall not approve the issuance, amendment, or termination of any marketing order unless he shall find with respect thereto:

(1) That the proposed issuance, amendment or termination thereof is reasonably calculated to attain the objective sought in such marketing order;

(2) That the proposed issuance, amendment, or termination is in conformity with the provisions of this chapter and within the applicable limitations and restrictions set forth therein will tend to effectuate the declared purposes and policies of this chapter;

(3) That the interests of consumers of such commodity are protected in that the powers of this chapter are being exercised only to the extent necessary to attain such objectives.

After the issuance of a recommended decision all interested parties shall have a period of not less than ten days to file objections with the director. The director shall consider the objections and shall issue his final decision which may be the same as the recommended decision or may be revised in the light of said objections. The final decision shall set out in full the text of the order. The director shall deliver or mail copies of the final decision to the same parties to whom copies of the findings and recommended decision are required to be sent. If the final decision denies the proposal in its entirety, no further action shall be taken by the director. [1961 c 11 § 15.66.080. Prior: 1955 c 191 § 8.]

15.66.090 Determined assent of affected producers.

After the issuance by the director of the final decision approving the issuance, amendment, or termination of a marketing order, the director shall determine by a referendum whether the affected producers assent to the proposed action or not. The director shall conduct the referendum among the affected producers based on the list as provided for in RCW 15.66.060, and the affected producers shall be deemed to have assented to the proposed issuance or termination order if fifty-one percent or more by number reply to the referendum within the time specified by the director, and if, of those replying, sixty-five percent or more by number and fifty-one percent or more by volume assent to the proposed order. The producers shall be deemed to have assented to the proposed amendment order if sixty percent or more by number and sixty percent or more by volume of those replying assent to the proposed order. The determination by volume shall be made on the basis of volume as determined in the list of affected producers created under provisions of RCW 15.66.060, subject to rules and regulations of the director for such determination. The director shall consider the approval or disapproval of any cooperative marketing association authorized by its producer members to act for them in any such referendum, as being the approval or disapproval of the producers who are members of or stockholders in or under contract with such association of cooperative producers: *Provided*, That the association shall first determine that a majority of the membership of the association authorize its action concerning the specific marketing order. If the requisite assent is given, the director shall promulgate the order and shall mail notices of the same to all affected producers. [1975 1st ex.s. c 7 § 8; 1961 c 11 § 15.66.090. Prior: 1955 c 191 § 9.]

15.66.100 Contents of marketing order. A marketing order shall define the area of the state to be covered by

the order which may be all or any portion of the state; shall contain provisions for establishment of a commodity commission and administration and operation and powers and duties of same; shall provide for assessments as provided for in this chapter and shall contain one or more of the provisions as set forth in RCW 15.66.030. The order may provide that its provisions covering standards, grades, labels and trade practices apply with respect to the affected commodity marketed or sold within such area regardless of where produced. A marketing order may provide that one commodity commission may administer marketing orders for two or more affected commodities, if approved by a majority, as provided in this chapter for the creation of a marketing order, of the affected producers of each affected commodity concerned. [1961 c 11 § 15.66.100. Prior: 1955 c 191 § 10.]

15.66.110 Commodity commission—Composition—Terms. Every marketing order shall establish a commodity commission composed of not less than five nor more than thirteen members. In addition, the director shall be an ex officio member of each commodity commission. Commission members shall be citizens and residents of this state, over the age of twenty-five years. The term of office of commission members shall be three years with the terms rotating so that one-third of the terms will commence as nearly as practicable each year. However, the first commission shall be selected, one-third for a term of one year, one-third for a term of two years, and one-third for a term of three years, as nearly as practicable. Two-thirds of the commission members shall be elected by the affected producers and such elected members shall all be affected producers. The remaining one-third shall be appointed by the commission and shall be either affected producers, others active in matters relating to the affected commodity or persons not so related. [1961 c 11 § 15.66.110. Prior: 1955 c 191 § 11.]

15.66.120 Commodity commission—Nominations—Elections—Vacancies. Not less than ninety days nor more than one hundred and five days prior to the beginning of each term of each elected commission member, the director shall give notice by mail to all affected producers of the vacancy and call for nominations in accordance with this section and with the provisions of the marketing order and shall give notice of the final date for filing nominations, which shall not be less than eighty days nor more than eighty-five days before the beginning of such term. Such notice shall also advise that nominating petitions shall be signed by five persons qualified to vote for such candidates or, if the number of nominating signers is provided for in the marketing order, such number as such order provides.

Not less than sixty days nor more than seventy-five days prior to the commencement of such commission member term, the director shall submit by mail ballots to all affected producers, which ballots shall be required to be returned to the director not less than thirty days prior to the commencement of such term. Such mail

ballot shall be conducted in a manner so that it shall be a secret ballot. With respect to the first commission for a particular commodity, the director may call for nominations in the notice of his decision following the hearing and the ballot may be submitted at the time the director's proposed order is submitted to the affected producers for their assent.

Said elected members may be elected from various districts within the area covered by the marketing order if the order so provides, with the number of members from each district to be in accordance with the provisions of the marketing order.

The members of the commission not elected by the affected producers shall be elected by a majority of the commission at a meeting of the commission within ninety days prior to expiration of the term but to fill nonelective vacancies caused by other reasons than the expiration of a term, the new member shall be elected by the commission at its first meeting after the occurrence of the vacancy.

When only one nominee is nominated for any position on the commission, the director shall deem that said nominee satisfies the requirements of the position and then it shall be deemed that said nominee has been duly elected. [1975 1st ex.s. c 7 § 9; 1961 c 11 § 15.66.120. Prior: 1955 c 191 § 12.]

15.66.130 Commodity commission—Meetings—Quorum—Compensation. Each commodity commission shall hold such regular meetings as the marketing order may prescribe or that the commission by resolution may prescribe, together with such special meetings that may be called in accordance with provisions of its resolutions upon reasonable notice to all members thereof. A majority of the members shall constitute a quorum for the transaction of all business of the commission. In the event of a vacancy in an elected or appointed position on the commission, the remaining elected members of the commission shall select a qualified person to fill the unexpired term.

Each member of the commission shall receive a specified sum as provided in the marketing order but not in excess of thirty-five dollars per day for each day spent in actual attendance at or traveling to and from meetings of the commission or on special assignments for the commission, together with travel expenses in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. [1975-'76 2nd ex.s. c 34 § 20; 1975 1st ex.s. c 7 § 10; 1972 ex.s. c 112 § 3; 1961 c 11 § 15.66.130. Prior: 1955 c 191 § 13.]

Effective date—Severability—1975-'76 2nd ex.s. c 34: See notes following RCW 2.08.115.

15.66.140 Commodity commission—Powers and duties. Every marketing commission shall have such powers and duties in accordance with provisions of this chapter as may be provided in the marketing order and shall have the following powers and duties:

(1) To elect a chairman and such other officers as determined advisable;

(2) To adopt, rescind and amend rules and regulations reasonably necessary for the administration and operation of the commission and the enforcement of its duties under the marketing order;

(3) To administer, enforce, direct and control the provisions of the marketing order and of this chapter relating thereto;

(4) To employ and discharge at its discretion such administrators and additional personnel, attorneys, advertising and research agencies and other persons and firms that it may deem appropriate and pay compensation to the same;

(5) To acquire personal property and lease office space and other necessary real property and transfer and convey the same;

(6) To institute and maintain in its own name any and all legal actions, including actions by injunction, mandatory injunction or civil recovery, or proceedings before administrative tribunals or other governmental authorities necessary to carry out the provisions of this chapter and of the marketing order;

(7) To keep accurate records of all its receipts and disbursements, which records shall be open to inspection and audit by legal agencies of the state and make annual reports therefrom to the state auditor;

(8) Borrow money and incur indebtedness;

(9) Make necessary disbursements for routine operating expenses;

(10) Such other powers and duties that are necessary to carry out the purposes of this chapter. [1961 c 11 § 15.66.140. Prior: 1955 c 191 § 14.]

15.66.145 Members may belong to association with same objectives—Contracts with associations authorized. Any member of an agricultural commission may also be a member or officer of an association which has the same objectives for which the agricultural commission was formed. An agricultural commission may also contract with such association for services necessary to carry out any purposes authorized under this chapter, provided that an appropriate contract has been entered into. [1972 ex.s. c 112 § 4.]

15.66.150 Annual assessments—Rate—Collection. There is hereby levied, and there shall be collected by each commission, upon each and every unit of any agricultural commodity specified in any marketing order an annual assessment which shall be paid by the producer thereof upon each and every such unit sold, processed, stored or delivered for sale, processing or storage by him. Such assessments shall be expressed as a stated amount of money per unit or as a percentage of the net unit price at the time of sale. The total amount of such annual assessment to be paid by all affected producers of such commodity shall not exceed three percent of the total market value of all affected units sold, processed, stored or delivered for sale, processing or storage by all affected producers of such units during the year to which the assessment applies.

Every marketing order shall prescribe the per unit or percentage rate of such assessment. Such rate may be at

the full amount of, or at any lesser amount than the amount hereinabove limited and may be altered from time to time by amendment of such order. In every such marketing order and amendment the determination of such rate shall be based upon the volume and price of sales of affected units during a period which the director determines to be a representative period. The per unit or percentage rate of assessment prescribed in any such order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such order is amended as to such rate. However, at the end of any year, any affected producer may obtain a refund from the commission of any assessment payments made which exceed three percent of the total market value of all of the affected commodity sold, processed, stored or delivered for sale, processing or storage by such producer during the year. Such refund shall be made only upon satisfactory proof given by such producer in accordance with reasonable rules and regulations prescribed by the director. Such market value shall be based upon the average sales price received by such producer during the year from all his bona fide sales or, if such producer did not sell twenty-five percent or more of all of the affected commodity produced by him during the year, such market value shall be determined by the director upon other sales of the affected commodity determined by the director to be representative and comparable.

To collect such assessment each order may require:

(1) Stamps to be purchased from the affected commodity commission or other authority stated in such order and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets (said stamps to be canceled immediately upon being attached and the date of cancellation placed thereon).

(2) Payment of producer assessments before the affected units are shipped off the farm or payment of assessments at different or later times, and in such event the order may require any person subject to the assessment to give adequate assurance or security for its payment.

(3) Every affected producer subject to assessment under such order to deposit with the commission in advance an amount based on the estimated number of affected units upon which such person will be subject to such assessment in any one year during which such marketing order is in force, or upon any other basis which the director determines to be reasonable and equitable and specifies in such order, but in no event shall such deposit exceed twenty-five percent of the estimated total annual assessment payable by such person. At the close of such marketing year the sums so deposited shall be adjusted to the total of such assessments payable by such person.

(4) Handlers receiving the affected commodity from the producer, including warehousemen and processors, to collect producer assessments from producers whose production they handle and remit the same to the affected commission. The lending agency for a commodity credit corporation loan to producers shall be deemed a handler

for the purpose of this subsection. No affected units shall be transported, carried, shipped, sold, stored or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid and the receipt issued, but no liability hereunder shall attach to common carriers in the regular course of their business. [1981 c 297 § 40; 1979 ex.s. c 93 § 1; 1961 c 11 § 15.66.150. Prior: 1957 c 133 § 1; 1955 c 191 § 15.]

Severability—1981 c 297: See note following RCW 15.36.110.

15.66.160 Annual assessments—Disposition of revenue. Moneys collected by any commodity commission pursuant to any marketing order from any assessment for marketing purposes or as an advance deposit thereon shall be used by the commission only for the purpose of paying for the costs or expenses arising in connection with carrying out the purposes and provisions of such agreement or order.

Upon the termination of any marketing order any and all moneys remaining with the commodity commission operating under that marketing order and not required to defray expenses or repay obligations incurred by that commission shall be returned to the affected producers in proportion to the assessments paid by each in the two year period preceding the date of the termination order. [1961 c 11 § 15.66.160. Prior: 1955 c 191 § 16.]

15.66.170 Annual assessments—Payments—Civil action to enforce. Any due and payable assessment herein levied, and every sum due under any marketing order in a specified amount shall constitute a personal debt of every person so assessed or who otherwise owes the same, and the same shall be due and payable to the commission when payment is called for by the commission. In the event any person fails to pay the full amount of such assessment or such other sum on or before the date due, the commission may add to such unpaid assessment or sum an amount not exceeding ten percent of the same to defray the cost of enforcing the collecting of the same. In the event of failure of such person or persons to pay any such due and payable assessment or other such sum, the commission may bring a civil action against such person or persons in a state court of competent jurisdiction for the collection thereof, together with the above specified ten percent thereon, and such action shall be tried and judgment rendered as in any other cause of action for debt due and payable. [1961 c 11 § 15.66.170. Prior: 1955 c 191 § 17.]

15.66.180 Expenditure of funds collected. All moneys which are collected or otherwise received pursuant to each marketing order created under this chapter shall be used solely by and for the commodity commission concerned and shall not be used for any other commission nor the department. Such moneys shall be deposited in a separate account or accounts in the name of the individual commission in any bank which is a state depository. All expenses and disbursements incurred and made pursuant to the provisions of any marketing order shall be paid from moneys collected and received pursuant to such order without the necessity of a specific legislative

appropriation and all moneys deposited for the account of any order shall be paid from said account by check or voucher in such form and in such manner and upon the signature of such person as may be prescribed by the commission. None of the provisions of RCW 43.01.050 shall be applicable to any such account or any moneys so received, collected or expended. [1961 c 11 § 15.66.180. Prior: 1955 c 191 § 18.]

15.66.190 Official bonds required. Every administrator, employee or other person occupying a position of trust under any marketing order and every member actually handling or drawing upon funds shall give a bond in such penal amount as may be required by the affected commission or by the order, the premium for which bond or bonds shall be paid by the commission. [1961 c 11 § 15.66.190. Prior: 1955 c 191 § 19.]

15.66.200 Petition for modification or exemption—Hearing—Appeal from ruling. An affected producer subject to a marketing order may file a written petition with the director stating that the order, agreement or program or any part thereof is not in accordance with the law, and requesting a modification thereof or exemption therefrom. He shall thereupon be given a hearing, which hearing shall be conducted in the manner provided by RCW 15.66.070, and thereafter the director shall make his ruling which shall be final.

Appeal from any ruling of the director may be taken to the superior court of the county in which the petitioner resides or has his principal place of business, by serving upon the director a copy of the notice of appeal and complaint within twenty days from the date of entry of the ruling. Upon such application the court may proceed in accordance with RCW 7.16.010 through 7.16.140. If the court determines that the ruling is not in accordance with law, it shall remand the proceedings to the director with directions to make such ruling as the court determines to be in accordance with law or to take such further proceedings as in its opinion are required by this chapter. [1961 c 11 § 15.66.200. Prior: 1955 c 191 § 20.]

15.66.210 Unlawful acts—Penalties—Injunctions—Investigations. It shall be a misdemeanor for:

(1) Any person wilfully to violate any provision of this chapter or any provision of any marketing order duly issued by the director pursuant to this chapter.

(2) Any person wilfully to render or furnish a false or fraudulent report, statement of record required by the director or any commission pursuant to the provisions of this chapter or any provision of any marketing order duly issued by the director pursuant to this chapter or wilfully to fail or refuse to furnish or render any such report, statement or record so required.

In the event of violation or threatened violation of any provision of this chapter or of any marketing order duly issued or entered into pursuant to this chapter, the director, the affected commission, or any affected producer on joining the affected commission, shall be entitled to an injunction to prevent further violation and

to a decree of specific performance of such order, and to a temporary restraining order and injunction pending litigation upon filing a verified complaint and sufficient bond.

All persons subject to any order shall severally from time to time, upon the request of the director, furnish him with such information as he finds to be necessary to enable him to effectuate the policies of this chapter and the purposes of such order or to ascertain and determine the extent to which such order has been carried out or has effectuated such policies and purposes, or to determine whether or not there has been any abuse of the privilege of exemptions from laws relating to trusts, monopolies and restraints of trade. Such information shall be furnished in accordance with forms and reports to be prescribed by the director. For the purpose of ascertaining the correctness of any report made to the director pursuant to this section or for the purpose of obtaining the information required in any such report where it has been requested and has not been furnished, the director is authorized to examine such books, papers, records, copies of tax reports, accounts, correspondence, contracts, documents or memoranda as he deems relevant and which are within the control of any such person from whom such report was requested, or of any person having, either directly or indirectly, actual or legal control of or over such person or such records, or of any subsidiary of any such person. To carry out the purposes of this section the director, upon giving due notice, may hold hearings, take testimony, administer oaths, subpoena witnesses and issue subpoenas for the production of books, records, documents or other writings of any kind, and RCW 15.66.070 shall apply with respect to any such hearing, together with such other regulations consistent therewith as the director may from time to time prescribe. [1961 c 11 § 15.66.210. Prior: 1955 c 191 § 21.]

15.66.220 Compliance with chapter a defense in any action. In any civil or criminal action or proceeding for violation of any rule of statutory or common law against monopolies or combinations in restraint of trade, proof that the act complained of was done in compliance with the provisions of this chapter or a marketing order issued under this chapter, and in furtherance of the purposes and provisions of this chapter, shall be a complete defense to such action or proceeding. [1961 c 11 § 15.66.220. Prior: 1955 c 191 § 22.]

15.66.230 Liability of commission, state, etc. Obligations incurred by any commission and any other liabilities or claims against the commission shall be enforced only against the assets of such commission in the same manner as if it were a corporation and no liability for the debts or actions of the commission shall exist against either the state of Washington or any subdivision or instrumentality thereof or against any other commission established pursuant to this chapter or the assets thereof or against any member officer, employee or agent of the board in his individual capacity. The members of any such commission, including employees

of such board, shall not be held responsible individually in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person or employee, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other member of any such commission. The liability of the members of such commission shall be several and not joint and no member shall be liable for the default of any other member. [1961 c 11 § 15.66.230. Prior: 1955 c 191 § 23.]

15.66.240 Marketing agreements. Marketing agreements shall be created upon written application filed with the director by not less than five commercial producers of an agricultural commodity and upon approval of the director. The director shall hold a public hearing upon such application. Not less than five days prior thereto he shall give written notice thereof to all producers whom he determines may be proper parties to such agreement and shall publish such notice at least once in a newspaper of general circulation in the affected area. The director shall approve an agreement so applied for only if he shall find:

(1) That no other agreement or order is in force for the same commodity in the same area or any part thereof;

(2) That such agreement will tend to effectuate its purpose and the declared policies of this chapter and conforms to law;

(3) That enough persons who produce a sufficient amount of the affected commodity to tend to effectuate said policies and purposes and to provide sufficient moneys to defray the necessary expenses of formulation, issuance, administration and enforcement have agreed in writing to said agreement.

Such agreement may be for any of the purposes and may contain any of the provisions that a marketing order may contain under the provisions of this chapter but no other purposes and provisions. A commodity commission created by such agreement shall in all respects have all powers and duties as a commodity commission created by a marketing order. Such agreement shall be binding upon, and only upon, persons who have signed the agreement: *Provided*, That a cooperative association may, in behalf of its members, execute any and all marketing agreements authorized hereunder, and upon so doing, such agreement so executed shall be binding upon said cooperative association and its members. Such agreements shall go into force when the director endorses his approval in writing upon the agreement and so notifies all who have signed the agreement. Additional signatories may be added at any time with the approval of the director. Every agreement shall remain in force and be binding upon all persons so agreeing for the period specified in such agreement but the agreement shall provide a time at least once in every twelve months when any or all such persons may withdraw upon giving notice as provided in the agreement. Such an agreement may be amended or terminated in the same manner as herein

provided for its creation and may also be terminated whenever after the withdrawal of any signatory the director finds on the basis of evidence presented at such hearing that not enough persons remain signatory to such agreement to effectuate the purposes of the agreement or the policies of the act or to provide sufficient moneys to defray necessary expenses. However, in the event that a cooperative association is signatory to the marketing agreement in behalf of its members, the action of the cooperative association shall be considered the action of its members for the purpose of determining withdrawal or termination. [1961 c 11 § 15.66.240. Prior: 1955 c 191 § 24.]

15.66.250 Price fixing and product limiting prohibited. 15.76.100 Declaration of public interest—Allocation of state funds authorized. It is hereby declared that it is in the public interest to hold agricultural fairs, including the exhibition of livestock and agricultural produce of all kinds, as well as related arts and manufactures; including products of the farm home and educational contest, displays and demonstrations designed to train youth and to promote the welfare of farm people and rural living. Fairs qualifying hereunder shall be eligible for allocations from the state fair fund as provided in this chapter. [1961 c 61 § 1.]

15.76.110 Definitions. "Director" shall mean the director of agriculture. "Commission" shall mean the fairs commission created by this chapter. "State allocations" shall mean allocations from the state fair fund. [1961 c 61 § 2.]

15.76.120 Classification of fairs. For the purposes of this chapter all agricultural fairs in the state which may become eligible for state allocations shall be divided into categories, to wit:

(1) "Area fairs"—those not under the jurisdiction of boards of county commissioners; organized to serve an area larger than one county, having both open and junior participation, and having an extensive diversification of classes, displays and exhibits;

(2) "County and district fairs"—organized to serve the interests of single counties other than those in which a recognized area fair or a district fair as defined in RCW 36.37.050, is held and which are under the direct control and supervision of the county commissioners of the respective counties, which have both open and junior participation, but whose classes, displays and exhibits may be more restricted or limited than in the case of area or district fairs. There may be but one county fair in a single county: *Provided, however,* That the county commissioners of two or more counties may, by resolution, jointly sponsor a county fair.

(3) "Community fairs"—organized primarily to serve a smaller area than an area or county fair, which may have open or junior classes, displays, or exhibits. There may be more than one community fair in a county.

(4) "Youth shows and fairs"—approved by duly constituted agents of Washington State University

and/or the Washington state board for vocational education, serving three or more counties, and having for their purpose the education and training of rural youth in matters of rural living. [1961 c 61 § 3.]

15.76.130 Application for state allocation—Purposes—Form. For the purpose of encouraging agricultural fairs and training rural youth, the board of trustees of any fair or youth show may apply to the director of agriculture for state allocations as hereinafter set forth. Such application shall be in such form as the director may prescribe. [1961 c 61 § 4.]

15.76.140 Eligibility requirements for state allocation. Before any agricultural fair may become eligible for state allocations it must have conducted two successful consecutive annual fairs immediately preceding application for such allocations, and have its application therefor approved by the director. [1965 ex.s. c 32 § 1; 1961 c 61 § 5.]

15.76.150 Allocation formula—Considerations. The director shall have the authority to make allocations from the state fair fund as follows: Eighty-five percent to participating agricultural fairs, distributed according to the merit of such fairs measured by a merit rating to be set up by the director. This merit rating shall take into account such factors as area and population served, open and/or youth participation, attendance, gate receipts, number and type of exhibits, premiums and prizes paid, community support, evidence of successful achievement of the aims and purposes of the fair, extent of improvements made to grounds and facilities from year to year, and overall condition and appearance of grounds and facilities. The remaining fifteen percent of money in the state fair fund may be used for special assistance to any participating fair or fairs and for administrative expenses incurred in the administration of this chapter, including expenses incurred by the commission as may be approved by the director: *Provided*, That not more than five percent of the state fair fund may be used for such expenses.

The division and payment of funds authorized in this section shall occur at such times as the director may prescribe. [1965 ex.s. c 32 § 2; 1961 c 61 § 6.]

15.76.160 Purposes for which allocation made—To whom made—List of premiums to be submitted as part of application, form. Any state allocations made under this chapter to fairs or youth shows, other than fairs or youth shows operated by or for and under the control of one or more counties or other agencies, as defined in subsection (4) of RCW 15.76.120, shall be made only as a reimbursement in whole or in part for the payment of premiums and prizes awarded to participants in such fairs or youth shows. State allocations to fairs under the control of one or more counties shall be made to the county treasurer of the county in which the fair is held. State allocations to other publicly sponsored fairs or youth shows shall be made to such sponsor. The board of trustees of any private fair or youth show, as

Such list shall contain the names of all premium and prize winners, a description of each prize or premium, including its amount or value, and the total values of all such awards. The list shall be in such form and contain such further information as the director may require, and shall be verified as to its accuracy by the oath of the president of the fair or youth show, together with that of the secretary or manager, subscribed thereon. [1961 c 61 § 7.]

15.76.165 Application of counties for capital improvement and maintenance assistance—Exemption of leased property from property taxation. Any county which owns or leases property from another governmental agency and provides such property for area or county and district agricultural fair purposes may apply to the director for special assistance in carrying out necessary capital improvements to such property and maintenance of the appurtenances thereto, and in the event such property and capital improvements are leased to any organization conducting an agricultural fair pursuant to chapter 15.76 RCW and chapter 257 of the Laws of 1955, such leasehold and such leased property shall be exempt from real and personal property taxation. The commission shall meet at the call of the chairman, but at least annually. It shall be the duty of the commission to act as an advisory committee to the director, to assist in the preparation of the merit rating used in determining allocations to be made to fairs, and to perform such other duties as may be required by the director from time to time. The certified weight ticket shall be so prepared that it will show the weight or weights actually determined by the weighmaster. In any case in which only the gross, the tare or the net weight is determined by the weighmaster he shall strike through or otherwise cancel the printed entries for the weights not determined or computed by him. When a combination of vehicles must be broken up into separate

units in order to be weighed as prescribed, each separate unit shall be entirely disconnected before weighing and a separate certified weight ticket shall be issued for each separate unit. [1969 ex.s. c 100 § 29.]

Dogs—Taking, concealing, injuring, killing, etc.—Penalty: RCW 9.08.060.

16.10.010 Purpose. The purpose of this chapter is to provide for the licensing of dogs within specific areas of particular counties. [1969 c 72 § 1.]

16.10.020 Dog control zones—Determination of need by county commissioners. County commissioners may, if the situation so requires, establish dog control zones within high density population districts, or other specified areas, of a county outside the corporate limits of any city, and outside the corporate limits of any organized township. For such zones, licensing regulations may be established which shall not necessarily be operative in sparsely settled rural districts, or in other portions of the county where they may not be needed. In determining the need for such zones, and in drawing their boundaries, county commissioners shall take into consideration the following factors:

(1) The density of population in the area proposed to be zoned;

(2) Zoning regulations, if any, in force in the area proposed to be zoned;

(3) The public health, safety and welfare within the area proposed to be zoned.

If the commissioners shall find that the area proposed to be zoned is heavily populated, or that the purposes for which the land is being used therein require that dogs be controlled, or that the health, safety, and welfare of the people in the area require such control, they may propose the establishment of a dog control zone. [1969 c 72 § 2.]

16.10.030 Dog control zones—Public hearing, publication of notice. In determining whether a dog control zone should be established, the county commissioners shall call a public hearing, notice of which shall be published once a week for each of four consecutive weeks prior thereto in a newspaper of general circulation within the proposed zone. At such a hearing, proponents and opponents of the proposed dog control zone may appear and present their views. The final decision of the commissioners with respect to the establishment of such a zone shall not be made until the conclusion of the hearing. [1969 c 72 § 3.]

16.10.040 Dog control zones—Regulations—License fees, collection, disposition. The county commissioners shall by ordinance promulgate the regulations to be enforced within a dog control zone. These shall include provisions for the control of unlicensed dogs and the establishment of license fees. The county sheriff and/or other agencies designated by the county commissioners shall be responsible for the enforcement of the act, including the collection of license fees. Fees collected shall be transferred to the current expense fund of each county. [1969 c 72 § 4.]

16.40.010 Examinations and tests—Inspectors—Quarantine. The director of agriculture of the state shall cause all bovine animals within the state to be examined and tested for the presence or absence of tuberculosis and/or brucellosis, and such other tests necessary to prevent the spread of communicable diseases among livestock. Such tests and examinations shall be made

under the supervision of the director of agriculture by any duly authorized veterinarian, such tests to be made in such manner, and at such reasonable and seasonable times, and in such counties or localities as the director of agriculture may from time to time prescribe.

All bovine animals which have shown a suspicious reaction to the test on three successive tests for tuberculosis or brucellosis and are held as suspects may be slaughtered under the provisions of this chapter and chapter 16.36 RCW at the option of the owner and approval of the director or his representative and the owner shall have a valid claim for indemnity to the same extent and in the same amount as for bovine animals which give a positive reaction to the above test. Custom meat facilities: RCW 16.49.600 through 16.49.670 and 16.49A.370.

16.49A.010 Short title. This chapter may be known and cited as the "Washington meat inspection act". [1969 ex.s. c 145 § 1.]

16.49A.020 Declaration of purpose. The purposes of this chapter are to adopt new legislation governing meat and meat food products and to promote uniformity of state legislation with the federal meat inspection act. Meat and meat food products are an important source of the state's total supply of food. They are consumed throughout the state and the major portion thereof moves in intrastate commerce. It is essential in the public interest that the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Meat and meat food products not reaching these standards are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged meat and meat food products, and result in sundry losses to livestock producers and processors of meat and meat food products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found

that all articles and animals which are regulated under this chapter substantially affect the public and that regulation by the director as contemplated by this chapter is appropriate to protect the health and welfare of consumers. [1969 ex.s. c 145 § 2.]

Class I and class II estray livestock established: RCW 16.13.025.

16.57.020 Recording brands—Fee. The director shall be the recorder of livestock brands and such brands shall not be recorded elsewhere in this state. Any person desiring to register a livestock brand shall apply on a form prescribed by the director. Such application shall be accompanied by a facsimile of the brand applied for and a twenty-five dollar recording fee. The director shall, upon his satisfaction that the application meets the requirements of this chapter and/or rules and regulations adopted hereunder, record such brand. [1971 ex.s. c 135 § 1; 1965 c 66 § 1; 1959 c 54 § 2.]

16.57.030 Tattoo brands and marks not recordable—Validation of prior recordings. The director shall not record tattoo brands or marks for any purpose subsequent to the enactment of this chapter. However, all tattoo brands and marks of record on the date of the enactment of this chapter shall be recognized as legal ownership brands or marks. [1959 c 54 § 3.]

16.57.040 Production record brands. The director may provide for the use of production record brands. Numbers for such brands shall be issued at the discretion of the director and shall be placed on livestock immediately below the registered ownership brand or any other location prescribed by the director. [1974 ex.s. c 64 § 1; 1959 c 54 § 4.]

The failure of the registered owner to pay the renewal fee by December

31st of the renewal year shall cause such owner's brand to revert to the department. The director may for a period of one year following such reversion, reissue such brand only to the prior registered owner upon payment of twenty-five dollars and an additional fee of ten dollars for renewal subsequent to the regular renewal period. The director may at his discretion, if such brand is not reissued within one year to the prior registered owner, issue such brand to any other applicant. (4) Prior to the branding of any cattle except as otherwise provided by law or regulation.

(5) Prior to the sale of any cattle except as otherwise provided by law or regulation.

Further, the director may stop vehicles carrying cattle to determine if such cattle are identified or branded as immediate slaughter cattle, and if so that such cattle are not being diverted for other purposes to points other than the specified point of slaughter. [1981 c 296 § 16; 1971 ex.s. c 135 § 4; 1959 c 54 § 16.]

The director in order to best utilize the services of the department in performing brand inspection shall establish schedules by days and hours when a brand inspector will be on duty to perform brand inspection at established inspection points. The fees for brand inspection performed at inspection points according to schedules established by the director shall be not less than thirty cents nor more than fifty cents as prescribed by the director subsequent to a hearing. Fees for brand inspection performed by the director at points other than those designated by the director or not in accord with the schedules established by him shall be based on a fee schedule not to exceed actual net cost to the department of performing the brand inspection service. 16.58.040 Certified feed lot license—Required—Application, contents. On or after August 9, 1971, any person desiring to engage in the business of operating one or more certified feed lots shall obtain an annual license from the director for such purpose. [1971 ex.s. c 181 § 6.]

16.58.070 Certified feed lot license—Denial, suspension or revocation of—Procedure. 16.58.090 Certain cattle exempt from brand inspection. Any cattle or lot of cattle owned or fed by a certified feed lot and delivered to or received from such certified feed lot and accompanied by a brand inspection certificate issued by the director, another state or any agency authorized by law to issue such brand inspection

16.58.095 Brand inspection required for cattle not having brand inspection certificate. [1979 c 81 § 6.]

16.58.100 Audits—Purpose. The director shall each year conduct audits of the cattle received, fed, handled, and shipped by the licensee at each certified feed lot. Such audits shall be for the purpose of determining if such cattle correlate with the brand inspection certificates issued in their behalf and that the certificate of assurance furnished the director by the licensee correlates with his assurance that brand inspected cattle were not commingled with uninspected cattle. [1979 c 81 § 3; 1971 ex.s. c 181 § 10.]

16.58.110 Records—Audit of. 16.58.130 Fee for each head of cattle handled—Arrears. Each licensee shall pay to the director a fee of ten cents for each head of cattle handled through his feed lot. Payment of such fee shall be made by the licensee following the completion of an official audit and within fifteen days of billing by the director. Failure to pay as required shall be grounds for suspension or revocation of a certified feed lot license. Further, the director shall not renew a certified feed lot license if an applicant is in arrears as to his audit payments. [1979 c 81 § 4; 1971 ex.s. c 181 § 13.]

[1971 ex.s. c 181 § 15.]

16.58.160 Suspension of license awaiting audit. The director shall, when a certified feed lot's conditions become such that the integrity of an audit conducted of the cattle therein becomes doubtful, suspend such certified feed lot's license until such time as the director can conduct a valid audit as required to carry out the purpose of this chapter. [1971 ex.s. c 181 § 16.]

16.58.170 General penalties—Subsequent offenses. Any person who violates the provisions of this chapter or any rule or regulation adopted hereunder shall be guilty of a misdemeanor and shall be guilty of a gross misdemeanor for any second or subsequent violation: *Provided*, That any offense committed more than five years after a previous conviction shall be considered a first offense. 16.58.910 Severability—1971 ex.s. c 181. If any provision of this chapter, or its application to any person or circumstance is held invalid, the remainder of the chapter, or the application of the provision to other persons or circumstances shall not be affected. [1971 ex.s. c 181 § 19.]

The director may determine and prescribe the form and manner in which such schedule shall be prepared, arranged and posted.

(2) No changes shall be made in rates or charges so filed and published except after thirty days' notice to the director and to the public filed and posted as aforesaid, which shall plainly state the changes proposed to be made and the time such changes will go into effect.

[1959 c 107 § 19.]

The total and aggregate liability of the surety for all claims upon the bond shall be limited to the face of such bond. Every bond filed with and approved by the director shall, without the necessity of periodic renewal, remain in force and effect until such time as the license of the licensee is revoked for cause or otherwise canceled. The surety on a bond, as provided herein, shall be released and discharged from all liability to the state accruing on such bond upon compliance with the provisions of RCW 19.72.110 concerning notice and proof of service, as enacted or hereafter amended, but this shall not operate to relieve, release or discharge the surety from any liability already accrued or which shall accrue (due and to become due hereunder) before the expiration period provided for in RCW 19.72.110 concerning notice and proof of service as enacted or hereafter amended, and unless the principal shall before the expiration of such period, file a new bond, the director shall forthwith cancel the principal's license. (2) Divide such dollar volume of business by the number of official sale days granted such applicant's public livestock market, as herein provided, in the same twelve-month period provided for in subsection (1).

(3) Bond amount shall be that amount obtained by the formula in subsection (2) except that it shall not be an amount less than ten thousand dollars and if that amount shall exceed fifty thousand then that portion above fifty thousand shall be at the rate of ten percent

of that value, except that the amount of the bond shall be to the nearest five thousand figure above that arrived at in the formula. [1971 ex.s. c 192 § 6; 1959 c 107 § 21.]

16.65.220 Licensee's bond to operate market—Amount when no prior business operations—Minimum and maximum amount. If the application for a license to operate a public livestock market is from a new public livestock market which has not operated in the past twelve-month period, the director shall determine a bond, in a reasonable sum, that the applicant shall execute in favor of the state, which shall not be less than ten thousand dollars nor greater than twenty-five thousand dollars: *Provided*, That the director may at any time, upon written notice, review the licensee's operations and determine whether, because of increased or decreased sales, the amount of the bond should be altered. [1971 ex.s. c 192 § 7; 1959 c 107 § 22.]

16.65.230 Licensee's bond to operate market—One bond for each market. Any licensee operating more than one public livestock market shall execute a bond, as herein provided, for each such licensed public livestock market. [1959 c 107 § 23.]

In lieu of the surety bond required under the provisions of this chapter, an applicant or licensee may file with the director a deposit consisting of cash or other security acceptable to the director. The director may adopt rules and regulations necessary for the administration of such security. [1973 c 142 § 3.]

Where by reason of the absence of records, or other circumstances making it impossible or unreasonable for the director to ascertain the names and addresses of all said vendor and consignor creditors, the director, after exerting due diligence and making reasonable inquiry to secure said information from all reasonable and available sources, may make demand on said bond on the basis of information then in his possession, and thereafter shall not be liable or responsible for claims or the handling of claims which may subsequently appear or be discovered. [1959 c 107 § 28.]

16.65.290 Licensee's failure to pay vendor, consignor—Settlement, compromise of claims—Demand on bond—Discharge. Upon ascertaining all claims and statements in the manner herein set forth, the director may then make demand upon the bond on behalf of those claimants whose statements have been filed, and shall have the power to settle or compromise said claims with the surety company on the bond, and is empowered in such cases to execute and deliver a release and discharge of the bond involved. Upon the refusal of the surety company to pay the demand, the director may thereupon bring an action on the bond in behalf of said vendor and consignor creditors. Upon any action being commenced on said bond, the director may require the filing of a new bond. Immediately upon the recovery in any action on such bond such licensee shall file a new bond. Upon failure to file the same within ten days, in either case, such failure shall constitute grounds for the suspension or revocation of his license. [1959 c 107 § 30.]

16.65.310 Licensee's failure to pay vendor, consignor—Settlement, compromise—Creditors share—Priority of state's claim. In any settlement or compromise by the director with a surety company as provided in RCW 16.65.290, where there are two or more consignor and/or vendor creditors that have filed claims, either fixed or contingent, against a licensee's bond, such creditors shall share pro rata in the proceeds

of the bond to the extent of their actual damage: *Provided*, That the claims of the state and the department which may accrue from the conduct of the licensee's public livestock market shall have priority over all other claims. [1959 c 107 § 31.]

16.65.320 Complaints by vendor or consignor—Investigations. For the purpose of enforcing the provisions of this chapter, the director is authorized to receive verified complaints from any vendor or consignor against any licensee, or agent, or any person assuming or attempting to act as such, and upon receipt of such verified complaint shall have full authority to make any and all necessary investigations relative to such complaint. 16.67.020 Purpose of chapter. This chapter is passed:

(1) In the exercise of the power of the state to provide for economic development of the state, to promote the welfare of the state, and stabilize and protect the beef industry of the state;

(2) Because the beef and beef products produced in Washington comprise one of the major agricultural crops of Washington, and therefore the business of selling and distributing such crop and the expanding and protection of its market is of public interest;

(3) Because it is desirable and expedient to enhance the reputation of Washington beef and beef products in domestic, national and international markets;

(4) Because it is desirable to promote knowledge of the health-giving qualities, food and dietetic value of beef and beef products of the nation and Washington beef and beef products in particular for the expanded development of the beef industry;

(5) Because the stabilizing of the beef industry, the enlargement of its markets, and the increased consumption of beef and beef products are desirable to assure payment of taxes to the state and its subdivisions, to alleviate unemployment and to provide for higher wage scales for agricultural labor and maintenance of our high standard of living;

(6) To disseminate information giving the public full knowledge of the manner of production, the cost and expense thereof, the care taken to produce and sell only beef and beef products of the highest standard of quality, the methods and care used in their preparation for market, and the methods of sale and distribution, to increase the amount secured by the producer therefor, so they may pay higher wages and pay their taxes, and by such information reduce the cost of marketing and distribution to the extent that the spread between the cost to consumer and the amount received by the producer will be reduced to the minimum absolutely necessary; and

(7) To protect the public by educating it in reference to the various cuts and grades of Washington beef and the uses to which each should be put. [1969 c 133 § 19.]

Reviser's note: "RCW 43.20.150 through 43.20.170" has been translated to "RCW 43.20A.640 through 43.20A.650" because of their recodification from chapter 43.20 RCW to chapter 43.20A RCW by 1979 c 141 § 384.

16.70.040 Rules and regulations—Scope. The secretary, with the advice and concurrence of the director of the department of agriculture, shall be authorized to develop rules and regulations for proposed adoption by the board relating to the importation, movement, sale, transfer, or possession of pet animals as defined herein which are reasonably necessary for the protection and welfare of the people of this state. Poultry and poultry products—Label requirements: RCW 69.04.333–69.04.335.

16.74.010 Short title. This chapter shall be known and designated as the "Washington wholesome poultry products act". [1969 ex.s. c 146 § 1.]

16.74.020 Purposes of chapter. The purposes of this chapter are to adopt new legislation governing poultry and poultry products and to promote uniformity of state legislation with the federal poultry products inspection act. Poultry and poultry products are an important

source of the state's total supply of food. They are consumed throughout the state and the major portion thereof moves in intrastate commerce. It is essential in the public interest that the health and welfare of consumers be protected by assuring that poultry and poultry products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Poultry and poultry products not reaching these standards are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged poultry and poultry products, and result in sundry losses to poultry producers and processors of poultry and poultry products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that all articles and poultry which are regulated under this chapter substantially affect the public and that regulation by the director as contemplated by this chapter is appropriate to protect the health and welfare of consumers. [1969 ex.s. c 146 § 2.]

16.74.030 Definitions govern construction. The definitions in RCW 16.74.040 through 16.74.280, unless the context otherwise requires, shall govern the construction of this chapter. [1969 ex.s. c 146 § 3.]

"Poultry products" means any poultry carcass, or part thereof; or any product which is made wholly or in part from any poultry carcass, or part thereof, excepting poultry products which contain poultry ingredients only in a relatively small proportion or historically have not been considered by consumers as products of the poultry food industry and which are exempted by the director from definition as a poultry product under such conditions as the director may prescribe to assure that the poultry ingredients in such products are not adulterated and that such products are not represented as poultry products. [1969 ex.s. c 146 § 8.]

16.74.090 "Adulterated". "Adulterated" shall apply to any poultry product under one or more of the following circumstances:

(1) If it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance, such article shall not be considered adulterated under this clause if the quantity of such substance in or on such article does not ordinarily render it injurious to health;

(2) If it bears or contains (by reason of administration of any substance to the live poultry or otherwise) and is an added poisonous or added deleterious substance (other than one which is (a) a pesticide chemical in or on a raw agricultural commodity; (b) a food additive; or (c) a color additive) which may, in the judgment of the director make such article unfit for human food;

(3) If it is, in whole or in part, a raw agricultural commodity and such commodity bears or contains a pesticide chemical which is unsafe within the meaning of RCW 69.04.392 as it is now or hereafter amended;

(4) If it bears or contains any food additive which is unsafe within the meaning of RCW 69.04.394 as it is now or hereafter amended;

(5) If it bears or contains any color additive which is unsafe within the meaning of RCW 69.04.396 as it is now or hereafter amended: *Provided*, That an article which is not otherwise deemed adulterated under subsections (2), (3), or (4) of this section, shall nevertheless be deemed adulterated if use of the pesticide chemical, food additive, or color additive in or on such article is prohibited by regulations of the director in official establishments;

(6) If it consists in whole or in part of any filthy, putrid, or decomposed substance or is for any other reason unsound, unhealthful, unwholesome, or otherwise unfit for human food;

(7) If it has been prepared, packed, or held under unsanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;

(8) If it is, in whole or in part, the product of any poultry which has died otherwise than by slaughter;

(9) If its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health;

(10) If it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect pursuant to RCW 69.04.394; or

(11) If any valuable constituent has been in whole or in part omitted or abstracted therefrom, or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is. [1969 ex.s. c 146 § 9.]

16.74.100 "Misbranded". "Misbranded" shall apply to any poultry product under one or more of the following circumstances:

(1) If its labeling is false or misleading in any particular;

(3) If it is an imitation of another food, unless its label bears, in type of uniform size and prominence, the word "imitation" and immediately thereafter, the name of the food imitated;

(4) If its container is so made, formed, or filled as to be misleading;

(5) If in a package or other container unless it bears a label showing (a) the name and the place of business of the manufacturer, packer, or distributor; and (b) an accurate statement of the quantity of the product in terms of weight, measure, or numerical count: *Provided*, That under part (b) of this subsection (5), reasonable variations may be permitted, and exemptions as to small packages or articles not in packages or other containers may be established by regulations prescribed by the director;

(6) If any word, statement, or other information required by or under authority of this chapter to appear on the label or other labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(7) If it purports to be or is represented as a food for which a definition and standard of identity or composition has been prescribed by regulations of the director under RCW 16.74.350 unless (a) it conforms to such definition and standard, and (b) its label bears the name of the food specified in the definition and standard and, insofar as may be required by such regulations, the common names of optional ingredients (other than spices, flavoring, and coloring) present in such food;

(10) If it purports to be or is represented for special dietary uses unless its label bears such information concerning its vitamin, mineral, and other dietary properties as the director determines to be, and by regulations prescribes as, necessary in order fully to inform purchasers as to its value for such uses;

(11) If it bears or contains any artificial flavoring, artificial coloring, or chemical preservative, unless it bears labeling stating that fact: *Provided*, That, to the extent that compliance with the requirements of this subsection (11) is impracticable, exemptions shall be established by regulations promulgated by the director; or

17.04.010 Districts authorized—Area and boundaries. The boards of county commissioners of the respective counties may create a weed district or districts within their counties and enlarge any district, or reduce any district or create or combine or consolidate the districts, or divide or create new districts, from time to time, in the manner hereinafter provided, for the purpose of destroying, preventing and exterminating, or to prevent the introduction, propagation, cultivation or increase of, any particular weed, weeds or plants, or all weeds or plants, including Scotch broom, which are now or may hereafter be classed by the agricultural experiment station of Washington State University as noxious weeds, or plants detrimental to or destructive of crops, fruit, trees, shrubs, valuable plants, forage, or other agricultural plants or produce. Any such district shall include not less than one section of land, and the boundaries thereof shall be along an established road, railroad, scab, uncleared or grazing land, or property line, or established lines, or some natural boundary, and shall include only cultivated or farming lands and shall not include any scab, uncleared or grazing land, except such as shall lie wholly within cultivated or farming lands within the districts, or which lie adjacent to such cultivated or farming lands and which are infested, or which may reasonably be expected to become infested, with the particular weed or weeds to be destroyed, prevented and exterminated by such district: *Provided*, That any quarter section of land, or lesser legal subdivision in single ownership, fifty percent of which is cultivated or farming land, shall be considered cultivated and farming land within the meaning of this chapter. [1961 c 250 § 1; 1937 c 193 § 1; 1929 c 125 § 1; RRS § 2771. Prior: 1921 c 150 § 1. Formerly RCW 17.04.010 and 17.04.020.]

17.04.030 Petition—Time, place and notice of hearing. Any one or more freeholders owning more than fifty percent of the acreage desired to be included within the proposed weed district may file a petition with the board of county commissioners praying that their land be included, either separately or with other lands included in the petition, in a weed district to be formed for the purpose of destroying, preventing or exterminating any one or all such weeds, or that such lands be included within a district already formed, or a new district or districts to be formed out of any district or districts then

existing. Such petition shall state the boundaries of the proposed district, the approximate number of acres in the proposed district, the particular weed or weeds to be destroyed, prevented or exterminated, the general method or means to be used in such work, and shall contain a list of all known land owners within the proposed district, together with the addresses of such land owners. Upon the filing of such petition the board of county commissioners shall fix a time for a hearing thereon, and shall give at least thirty days' notice of the time and place of such hearing by posting copies of such notice in three conspicuous places within the proposed district, one copy of which shall be at the main entrance to the court house, and by mailing a copy of such notice to each of the land owners named in the petition at the address therein named, and if any of the land described in the petition be owned by the state, a copy thereof shall be mailed to the state land commissioner at Olympia. [1929 c 125 § 2; RRS § 2772. Prior: 1921 c 150 § 2. Formerly RCW 17.04.030 and 17.04.040.]

17.04.050 Board to determine petition—Resolution to create district. At the time and place fixed for such hearing the board of county commissioners shall determine whether such weed district shall be created and if such board determines that such district shall be created, it shall fix the boundaries thereof, but shall not modify the purposes of the petition with respect to the weed or weeds to be destroyed, prevented and exterminated as set forth in this petition, and shall not enlarge the boundaries of the proposed district, or enlarge or change the boundary or boundaries of any district or districts already formed without first giving notice to all land owners interested as provided in RCW 17.04.030. If the board shall determine that the weed district petitioned for shall be created it shall pass a resolution to that effect and shall assign a number to such weed district which shall be the lowest number not already taken or adopted by a weed district in such county, and thereafter such district shall be known as "Weed District No. ----- of ----- County," inserting in the first blank the number of the district and in the second the name of the county in which the district is organized. [1929 c 125 § 3; RRS §§ 2773, 2774. Prior: 1921 c 150 §§ 3, 4. Formerly RCW 17.04.050 and 17.04.060.]

17.04.070 Meetings—Qualifications of electors and directors—Elections—Officers—Bonds—Terms of office—Vacancies—Rules and regulations. If the board of county commissioners establish such district it shall call a special meeting to be held within such district for the purpose of electing three directors for such district. No person shall be eligible to hold the office of director who is not a qualified elector of the state of Washington and a resident and landowner within such district. Such meeting shall be held not less than thirty nor more than ninety days from the date when such district is established by such board.

Notice of such meeting shall be given by the county auditor by publication once a week for three successive

weeks in a newspaper of general circulation in such district, and by posting such notice for not less than ten days before the date fixed for such meeting in three public places within the boundaries of such district. The notices shall state the object of the meeting and the time and place when the same shall be held.

At the time and place fixed for the meeting the county commissioner in whose commissioner district such district is located shall act as chairman and call the meeting to order. The chairman shall appoint two persons to assist him in conducting the election, one of whom shall act as clerk. If such county commissioner be not present the electors of such district then present shall elect a chairman of the meeting.

Every person who is a landowner within such district and a qualified elector of the state of Washington shall be entitled to vote at such meeting. Any person offering to vote may be challenged by any legally qualified elector of such district, and the chairman of such meeting shall thereupon administer to the person challenged an oath in substance as follows: "You do swear (or affirm) that you are a citizen of the United States and a qualified elector of the state of Washington and an owner of land within the boundaries of weed district No. ----- of ----- county (giving number of district and name of county)." If the challenged person shall take such oath or make such affirmation, he shall be entitled to vote; otherwise his vote shall not be received. Any person making a false oath, or affirmation, or any person illegally voting at such meeting, shall be punished as provided in the general election laws of the state for illegal voting.

The vote shall be by secret ballot, on white paper of uniform size and quality, of such arrangement that when names are written thereon, the same may be folded so as not to disclose the names. The elector shall write the names of three persons that he desires as the first directors of such district and shall fold his ballot and hand the same to the chairman of the meeting who shall deposit it in a ballot box provided for that purpose. The clerk shall thereupon write the name of such person on a list as having voted at such election. After all persons present and entitled to vote have voted, the chairman shall declare the election closed, and shall, with the assistance of the clerk and the other person appointed as assistant, proceed to count the ballots. The person receiving the greatest number of votes shall be elected as director for a term ending three years from the first Monday in March following his election; the person receiving the second greatest number of votes shall be elected for a term ending two years from the first Monday in March following his election, and the person receiving the third greatest number of votes shall be elected for a term ending one year from the first Monday of March following his election.

Annually thereafter, there shall be held a meeting of the electors of such district on the last Monday in February, except that the directors may, by giving the same notice as is required for the initial meeting, fix an earlier time for the annual meeting on any nonholiday during the months of December, January or February. At such

meeting one director shall be elected to succeed the director whose term will expire on the first Monday in March following. The directors shall call the annual meeting, and shall fix the time and place where the same shall be held and shall give the same notice thereof as provided for the initial meeting. The annual meeting shall be conducted in the same manner as is provided for the initial meeting, and the qualifications of electors at such annual meeting shall be the same as is required for the initial meeting. In conducting directors' elections, the chairman may accept nominations from the floor but voting shall not be limited to those nominated.

All directors shall hold office for the term for which they are elected, and until their successors are elected and qualified. In case of a vacancy occurring in the office of any director, the county commissioners of the county in which such district is located shall appoint a qualified person to fill the vacancy for the unexpired term. The board of directors shall elect one of its members chairman and may appoint a secretary who need not be a member of the board, and who shall be paid such compensation as the board may determine. Each director shall furnish a bond in the sum of one thousand dollars, which may be a surety company bond or property bond approved by the board of county commissioners, which bond shall be filed with the county commissioners and shall be conditioned for the faithful discharge of his duties. The cost of such bond shall be paid by the district the same as other expenses of the district. At any annual meeting the method for destroying, preventing and exterminating weeds of such district as set forth in the petition, and the rules and regulations adopted by such district, may be changed by a majority vote of the qualified electors present at such meeting, or a special meeting may be called for that purpose, notice of which meeting and of such proposed changes to be voted on, shall be given to all landowners residing within the district by mailing a copy of such notice and of such proposed changes to the address of such landowner at least one week before the date fixed for such special meeting. 17.06.010 Definitions. As used in this chapter, unless the context indicates otherwise, "principal board of county commissioners", "principal county treasurer", and "principal county auditor" mean respectively those in the county of that part of the proposed intercounty weed district in which the greatest amount of acreage is located. [1959 c 205 § 1.]

17.06.020 Intercounty weed districts authorized. An intercounty weed district, including all or any part of two counties or more, may be created for the purposes set forth in RCW 17.04.010 by the joint action of the boards of county commissioners of the counties in which any portion of the proposed district is located. [1959 c 205 § 2.]

17.06.030 Petition for formation—Notice of hearing. Any one or more freeholders owning more than fifty percent of the acreage desired to be included within the proposed intercounty weed district may file a petition with the principal board of county commissioners praying that their land be included, either separately or with other lands included in the petition, in a weed district to be formed for the purpose of destroying, preventing or exterminating any one or all such weeds, or that such lands be included within a district already formed, or a new district or districts to be formed out of any district or districts then existing. Such petition shall state the boundaries of the proposed district, the approximate number of acres in the proposed district, the particular weed or weeds to be destroyed, prevented or exterminated, the general method or means to be used in such work, and shall contain a list of all known landowners within the proposed district, together with the addresses of such landowners. Upon the filing of such petition the principal board of county commissioners shall notify the other boards of commissioners, shall arrange a time for a joint hearing on the petition, and shall give at least thirty days' notice of the time and place of such hearing by posting copies of such notice in three conspicuous places within the proposed district, and at the main entrance to the court house of each county, and by mailing a copy of such notice to each of the landowners named in the petition at the address named therein. If any of the land described in the petition be owned by the state a copy thereof shall be mailed to the state land commissioner at Olympia. [1959 c 205 § 3.]

17.06.040 Hearing—Boundaries—Order of establishment. At the time and place fixed for such hearing, with the chairman of the principal board acting as chairman, the respective boards shall determine by a majority vote of each of the boards of county commissioners of the counties whether such intercounty weed

district shall be created, and if they determine that such district shall be created, the respective boards shall fix the boundaries of the portion of the proposed district within their respective counties, but they shall not modify the purposes of the petition with respect to the weed or weeds to be destroyed, prevented and exterminated as set forth in the petition, and they shall not enlarge the boundary of the proposed district, or enlarge or change the boundary or boundaries of any district or districts already formed without first giving notice, as provided in RCW 17.06.030, to all landowners interested. If the respective bodies shall determine that the weed district petitioned for shall be created each such board shall thereupon enter an order establishing and defining the boundary lines of the proposed district within its respective county. A number shall be assigned to such weed district which shall be the lowest number not already taken or adopted by an intercounty weed district in the state, and thereafter such district shall be known as "weed district No. -----", inserting in the blank the number of the district.

If any county represented does not by a majority vote of its board of commissioners support the petition for an intercounty district, the petition shall be dismissed. [1959 c 205 § 4.]

17.06.050 Meetings—Qualifications of electors and directors—Elections—Officers—Bonds—Terms—Rules. If the respective boards of county commissioners establish such district the chairman of the principal board shall call a special meeting of landowners to be held within such district for the purpose of electing three directors for such district. No person shall be eligible to hold the office of director who is not a qualified elector of the state of Washington and a resident and landowner within such district. Such meeting shall be held not less than thirty nor more than ninety days from the date when such district is established.

Notice of such meeting shall be given by the principal county auditor by publication once a week for three successive weeks in a newspaper of general circulation in such district, and by posting such notice for not less than ten days before the date fixed for such meeting in three public places within the boundaries of such district. The notices shall state the object of the meeting and the time and place when the same shall be held.

At the time and place fixed for the meeting the chairman shall appoint two persons to assist him in conducting the election, one of whom shall act as clerk. If such chairman be not present the electors of such district then present shall elect a chairman of the meeting.

Every person who is a landowner within such district and a qualified elector of the state of Washington shall be entitled to vote at such meeting. Any person offering to vote may be challenged by any legally qualified elector of such district, and the chairman of such meeting shall thereupon administer to the person challenged an oath in substance as follows: "You do swear (or affirm) that you are a citizen of the United States and a qualified elector of the state of Washington and an owner of land within the boundaries of weed district No. -----

(giving number of district)." If the challenged person shall take such oath or make such affirmation, he shall be entitled to vote; otherwise his vote shall not be received. Any person making a false oath, or affirmation, or any person illegally voting at such meeting, shall be punished as provided in the general election laws of the state for illegal voting.

The vote shall be by secret ballot, on white paper of uniform size and quality, of such arrangement that when names are written thereon, the same may be folded so as not to disclose the names. The elector shall write the names of three persons that he desires as the first directors of such district and shall fold his ballot and hand the same to the chairman of the meeting who shall deposit it in a ballot box provided for that purpose. The clerk shall thereupon write the name of such person on a list as having voted at such election. After all persons present and entitled to vote have voted, the chairman shall declare the election closed, and shall, with the assistance of the clerk and the other person appointed as assistant, proceed to count the ballots. The person receiving the greatest number of votes shall be elected as director for a term ending three years from the first Monday in March following his election; the person receiving the second greatest number of votes shall be elected for a term ending two years from the first Monday in March following his election, and the person receiving the third greatest number of votes shall be elected for a term ending one year from the first day of March following his election.

Annually thereafter, there shall be held a meeting of the electors of such district on the first Monday in February. At such meeting one director shall be elected to succeed the director whose term will expire on the first Monday in March following. The directors shall call the annual meeting, and shall fix the time when and place where the same shall be held and shall give the same notice thereof as provided for the initial meeting. The annual meeting shall be conducted in the same manner as is provided for the initial meeting, and the qualifications of electors at such annual meeting shall be the same as is required for the initial meeting.

All directors shall hold office for the term for which they are elected, and until their successors are elected and qualified. In case of a vacancy occurring in the office of any director, the remaining members of the board of directors shall appoint a qualified person to fill the vacancy for the unexpired term. The board of directors shall elect one of its members chairman and may appoint a secretary who need not be a member of the board, and who shall be paid such compensation as the board may determine. Each director shall furnish a bond in the sum of one thousand dollars, which may be a surety company bond or property bond approved by the principal board of county commissioners, which bond shall be filed with the same board and shall be conditioned for the faithful discharge of his duties. The cost of such bond shall be paid by the district the same as other expenses of the district.

At any annual meeting the method for destroying, preventing and exterminating weeds of such district as

set forth in the petition, and the rules and regulations adopted by such district, may be changed by a majority vote of the qualified electors present at such meeting, or a special meeting may be called for that purpose, notice of which meeting and of such proposed changes to be voted on, shall be given to all landowners residing within the district by mailing a copy of such notice and of such proposed changes to the address of such landowner at least one week before the date fixed for such special meeting. [1971 ex.s. c 292 § 16; 1959 c 205 § 5.]

Severability—1971 ex.s. c 292: See note following RCW 26.28.010.

17.06.060 Directors powers and duties—Taxation—Treasurer—Costs. The board of directors of an intercounty weed district shall have the same powers and duties as the board of directors of a weed district located entirely within one county, and all the provisions of chapter 17.04 RCW are hereby made applicable to intercounty weed districts: *Provided*, That in the case of evaluation, assessment, collection, apportionment, and any other allied power or duty relating to taxes in connection with the district, the action shall be performed by the officer or board of the county for that area of the district which is located within his respective county, and all materials, information, and other data and all moneys collected shall be submitted to the proper officer of the county of that part of the district in which the greatest amount of acreage is located. Any power which may be or duty which shall be performed in connection therewith shall be performed by the officer or board receiving such as though only a district in a single county were concerned. All moneys collected from such area constituting a part of such district that should be paid to such district shall be delivered to the principal county treasurer who shall be ex officio treasurer of such district. All other materials, information, or data relating to the district shall be submitted to the district board of directors.

Any costs or expenses incurred under this section shall be borne proportionately by each county involved. [1959 c 205 § 6.]

17.06.070 Actions of county officers—Costs. Whenever any action is required or may be performed by any county officer or board for all purposes essential to the maintenance, operation, and administration of the district, such action shall be performed by the respective officer or board of the county of that part of the district in which the greatest amount of acreage of the district is located.

All costs incurred shall be borne proportionately by each county in that ratio which the amount of acreage of the district located in that part of each county forming a part of the district bears to the total amount of acreage located in the whole district. [1959 c 205 § 7.]

"Director" means the director of agriculture;

"Weed district" means a weed district organized pursuant to chapter 17.04 RCW;

"Weed extermination area" means an area set up by the board of county commissioners and the director of agriculture covering any type of land and in which they are responsible for rules, regulations, and enforcement and wherein extermination and prevention are emphasized;

"Crop land" means land ordinarily devoted to the usual cultivated crops in the area or livestock and including orchards, small fruits, hay meadows, and rotation pastures, and including lanes, fence rows, irrigation and drainage ditches, farmsteads, and timber lots included therein;

Severability—1937 c 194: "If any provision or section of this act shall be adjudicated to be unconstitutional, such adjudication shall not affect the act as a whole or any part thereof not adjudicated unconstitutional." [1937 c 194 § 8.] This applies to RCW 17.08.010-17.08.150.

"Land" defined as to weed extermination subdistricts: RCW 17.08.150.

17.08.020 Weed extermination areas—Petition and procedure to establish—Duration of area. Upon petition of registered land owners representing not less than five percent of the number of farms in the county as shown by the last United States census, the boards of county commissioners of the respective counties and the director of the state department of agriculture shall thoroughly investigate, which investigation shall include a public hearing, notice of which shall be posted under the direction of the director of the state department of agriculture, in at least five conspicuous places within the posted area at least fifteen days prior to the hearing. If such investigation shall indicate a need therefor there shall be created, by a regularly promulgated order, a weed extermination area or areas, within their counties

or within the state of Washington for the purpose of destroying, preventing, and exterminating any particular weed, weeds or plants, or all weeds or plants, which are now or may hereafter be classed by the agricultural experiment station of Washington State University as noxious or poison weeds or plants detrimental to agriculture or to livestock, when the boards of county commissioners and the director of the department of agriculture of the state of Washington find the creation of such an area and the extermination of noxious or poison weeds or plants growing thereon to be in the interest of the general public welfare of their respective counties or of the state of Washington, and when such investigation shows that conditions are such as to prevent the organization of a weed district in the manner prescribed in RCW 17.04.010 through 17.04.070, 17.04.240 and 17.04.250. If the boards of county commissioners and the director of the state department of agriculture cannot agree on the establishment or in other matters pertaining to weed extermination areas, the decision of the director shall be final. Upon the establishing of any weed extermination area or areas as provided in this section, the boards of county commissioners and the director of the state department of agriculture shall cause this fact to be published in a newspaper published in the county in which such weed extermination area is situated and of general circulation in such county and such notice shall state the boundaries of the weed extermination area so established. A weed extermination area when established as provided herein shall be maintained as such for a period of not less than five years. Any weed district organized or reorganized as provided in RCW 17.04.010 through 17.04.070, 17.04.240 and 17.04.250 is hereby authorized to maintain its status and organization and to exercise all powers and subject to the limitations granted to it in prior sections of this chapter, even when part or all of such weed district is also included in a weed extermination area. [1977 ex.s. c 169 § 3; 1937 c 194 § 2; RRS § 2778-12. Formerly RCW 17.08.020, 17.08.030 and 17.08.040.]

~~Severability—Nomenclature—Savings—~~1977 ex.s. c 169: See notes following RCW 28B.10.016.

17.08.050 Washington State University to cooperate. It shall be the duty of the Washington State University through its experiment station and extension service to cooperate with the boards of county commissioners and with the state department of agriculture: (1) To inform them of the names, habits, and growth of noxious or poison weeds and plants which are prevalent in the respective counties in the state of Washington and which are detrimental to agriculture or livestock; (2) to describe methods for the destruction, prevention or extermination of such weeds or plants; and (3) to publish lists of such weeds and plants designated as noxious or poison together with pertinent information thereon for public distribution. [1957 c 13 § 6. Prior: 1937 c 194 § 3, part; RRS § 2778-13, part.]

~~Validating—~~1957 c 13: Validation of proceedings had under RCW 17.08.050 through 17.08.110, see note following RCW 17.04.240.

17.08.060 Duties of boards and director. It shall be the duty of the boards of county commissioners and the director of the state department of agriculture: (1) To determine what methods, rules and regulations are to be used and the specific weed, weeds or plants to be destroyed, prevented or exterminated in the weed extermination areas established: *Provided*, That the directors of any weed district organized and continuing under chapter 17.04 RCW shall have final approval of any regulations applying on crop lands to weeds generally distributed within the boundaries of such weed districts; (2) to carry out, or cause to be carried out, these designated methods, rules and regulations on the weeds or plants specified; but whenever such methods, rules and regulations require only the prevention of seed production of noxious or poison weeds on crop lands, it shall be the duty of the owner thereof to prevent such seed production; and (3) upon information of the existence of any noxious or poison weed not generally distributed within this state, to thoroughly investigate the existence and the probability of the spread thereof and to establish, maintain and enforce such regulations as in their opinion are necessary to circumscribe and exterminate or prevent the spread of such weed. [1957 c 13 § 7. Prior: 1937 c 194 § 3, part; RRS § 2778-13, part.]

17.08.070 Rules, regulations and methods to be published. Methods and rules to be followed in extermination areas may be changed or modified by the authority setting up the areas whenever in their judgment a change is justified, practical, and in the interest of the public welfare. Upon the determination of methods, rules and regulations to be followed in any area, the boards and the director shall publish such methods, rules, and regulations weekly for three consecutive weeks in a newspaper published in the county in which the area is located and of general circulation in the county. [1957 c 13 § 8. Prior: 1951 c 213 § 1; 1937 c 194 § 3, part; RRS § 2778-13, part.]

17.08.080 Weed supervisor—Owner may be employed. The boards of county commissioners and the director of the state department of agriculture are hereby authorized to employ a weed supervisor and such additional help and to purchase such equipment and materials as may be necessary in carrying out these duties: *Provided*, That whenever feasible and practicable the landowner shall be employed to carry out the practices required but when so hired the portion of the costs to be paid by him shall be deducted from any payments accruing to him because of such employment. [1957 c 13 § 9. Prior: 1937 c 194 § 3, part; RRS § 2778-13, part.]

17.08.090 Right of entry. These commissioners and director or their agents may enter upon any and all lands at any reasonable time in carrying out the duties or making investigations specified in RCW 17.08.050 through 17.08.080 and may take such samples of weeds, weed seeds, or other material necessary in the conduct of these duties or investigations and shall not be subject to action for trespass or damage because of such entrance

or the taking of such samples. [1957 c 13 § 10. Prior: 1937 c 194 § 3, part; RRS § 2778-13, part.]

17.08.100 Cooperation with other agencies. The boards of county commissioners and the state department of agriculture are authorized to cooperate with other governmental, public or private agencies for the purposes of, and within the limitations of this chapter. [1957 c 13 § 12. Prior: 1937 c 194 § 4, part; RRS § 2778-14, part.]

17.08.110 Apportionment of cost of eradication. The cost of eradication work performed in any weed extermination area shall be paid in the following manner: One-fourth thereof shall be paid from the weed control fund of the county in which the land is located and the remaining three-fourths by the owner of the land upon which the eradication work is performed: *Provided*, That on crop land the share of the cost to be paid by the owner of the land shall be increased by the board to the full cost of the eradication work, and when prevention of seed production only is required on crop land the board, after due notice of its intention so to do in the manner set out in RCW 17.08.120, shall assess the full cost thereof. [1957 c 13 § 13. Prior: 1953 c 89 § 2; 1937 c 194 § 4, part; RRS § 2778-14, part.]

17.08.120 Prevention of seed production on crop land—Procedure—Charges—Penalty. If the board and the director find that noxious or poison weeds are in danger of going to seed on crop land contrary to the adopted methods, rules and regulations, it being conclusively presumed that such noxious or poison weeds remaining standing on such date as the board and the director shall determine are in danger of going to seed, they shall give notice and follow the procedure set forth for weed districts for the eradication and control of such weeds: *Provided*, That at the conclusion of the hearing to assess costs and after evidence thereon, the board shall find whether such failure by the owner to cut or otherwise destroy such noxious or poison weeds was wilful and, if it shall so find, it shall further assess a charge in an amount not to exceed the cost of such cutting or destruction as determined at the hearing plus ten dollars for preparation of notices, and in addition thereto filing fees and service costs: *Provided further*, That upon wilful failure to comply a second time, a penalty shall be assessed in an amount not to exceed twice the cost of such cutting or destruction as determined at the hearing. [1959 c 205 § 8; 1953 c 89 § 3; 1937 c 194 § 5; RRS § 2778-15.]

Weed districts, procedure for eradication and control of weeds: Chapter 17.04 RCW.

17.08.130 City or town surrounded by area—Open areas within area. Any city or town surrounded by a weed extermination area shall provide for the prevention, control or extermination of all weeds which are within the city or town in the same manner and to the same extent as is provided for in the surrounding weed extermination area. Those in charge of open areas subject to

the spread of noxious weeds, other than crop land or wild land, including, but not limited to school grounds, play grounds, cemeteries, parks or any land of a public or quasi public nature and transmission line rights-of-way within any weed extermination area shall see that all weeds specified by the board are prevented, controlled, or exterminated in accordance with the rules and requirements of the weed exterminating area. [1953 c 89 § 4.]

Contiguous lands to weed districts, cities and towns having: RCW 17.04.160.

Destruction of weeds, etc., city ordinance: RCW 35.21.310.

17.08.140 Private land in Indian reservation—United States lands. Any private land wholly or partly within an Indian reservation may be included within a weed extermination area and shall be subject to the same rules, regulations and taxes as other lands within the weed extermination area. The director and the board may arrange with the agent in charge of any United States lands within or contiguous to the weed extermination area for the prevention, control or extermination of weeds on such government lands. [1953 c 89 § 5.]

Weed districts, similar provisions: RCW 17.04.170.

17.08.150 Weed extermination subdistricts. Whenever the board and the director determine that the extent of noxious weeds on any wild land within the weed extermination area constitutes a danger to adjacent lands, and that the cost of control and prevention of seed production on such wild lands should be shared by such adjacent land as would be benefited thereby, the board may by ordinance establish a weed extermination subdistrict and may include within such subdistrict the wild land on which the control and prevention of seed production work is to be performed and all adjacent lands which will be benefited thereby: *Provided*, That no more wild land in any weed extermination area shall be included in any weed extermination subdistrict than is determined by the board to be necessary to protect the adjacent crop lands, and in any event, not more than twenty-five percent of the total acreage of the subdistrict.

Such ordinance shall be adopted only after public hearing pursuant to notice by one publication in the official county newspaper at least ten days prior to the date of such hearing, which notice shall include a copy of the proposed ordinance of establishment.

Upon the establishment of the subdistrict the board and the director shall determine the amount of money necessary to carry on the work of control and prevention of seed production of noxious weeds on such lands to prevent spreading and shall classify the property within such subdistrict in proportion to the benefits to be derived and, in accordance with such classification, shall prorate the cost so determined and shall levy assessments to be collected with the general taxes of the county: *Provided*, That the wild land upon which the work of control and prevention of seed production is to be performed shall be assessed on the same basis as the average benefit per acre but in no event shall wild land bear

more than twenty-five percent of the total cost of such control and prevention of seed production: *Provided further*, That if any weed extermination subdistrict includes any state lands, the state shall be responsible for and perform all necessary seed prevention and control work on such state lands.

The term "land" shall include all rights-of-way which shall pay the same percentage of cost as that charged against the contiguous lands. Any portion of the owner's share of the expense paid out of the county weed fund, together with any penalty assessed by the board, shall be included on the tax rolls against the land for the current year and collected as other taxes, and it shall be paid into the county weed control fund. [1953 c 89 § 6.]

Reimbursement for travel expenses. There is hereby created a state noxious weed control board which shall be comprised of six members, three to be elected by the members of the various activated county noxious weed control boards. Three of the members of such board shall be residents of a county in which a county noxious weed control board has been activated and a member of said board, and be engaged in primary agricultural production at the time of their election and such qualification shall continue through their term of office. One such primary agricultural producer shall be elected from the west side of the state, the crest of the Cascades being the dividing line, and two from the east side of the state. The director of agriculture shall be a member of the board, and the director of the agricultural extension service shall be a nonvoting member of the board. The elected members of the board shall appoint one member of the board who may be an expert in the field of weed control. The term of office for all elected members and the appointed members of the board shall be three years from their date of election or appointment.

The director of agriculture shall provide for an election of the first members of the state noxious weed control board. Such election shall not take place sooner than six months nor later than twelve months after one county noxious weed control board has been activated on the west side of the Cascade mountains and two such county noxious weed boards have been activated on the east side of the Cascade mountains. The first board members elected to the state noxious weed control board shall serve staggered terms as follows:

(1) The board member representing the west side of the state on the activated county noxious weed control board as primary agricultural producer, shall be appointed for a term of one year and shall be designated "Position No. 1".

(2) The two board members representing the east side of the state shall be appointed to terms of two and three years and shall be designated respectively as positions "No. 2" and "No. 3".

(3) The member of the board subsequently appointed by the elected members shall be appointed for a three year term and shall be designated "Position No. 4".

(4) The director of agriculture and the director of agricultural extension service shall serve so long as they are vested with their respective titular positions, and their positions shall be "No. 5" and "No. 6" respectively.

Elections for the elected members of the board shall be held thirty days prior to the expiration date of their respective terms.

Nominations and elections shall be by mail and conducted by the director of agriculture.

The board shall conduct its first meeting within thirty days after all its members have been elected. The board shall elect from its members a chairman and such other officers as may be necessary. A majority of the voting members of the board shall constitute a quorum for the transaction of business and shall be necessary for any action taken by the board. The members of the board shall serve without salary, but shall be reimbursed for

travel expenses incurred in the performance of their duties under this chapter in accordance with RCW 43.03-.050 and 43.03.060 as now existing or hereafter amended. [1975-'76 2nd ex.s. c 34 § 23; 1969 ex.s. c 113 § 3.]

Effective date—Severability—1975-'76 2nd ex.s. c 34: See notes following RCW 2.08.115.

17.10.040 Activation of inactive county noxious weed control board. An inactive county noxious weed control board may be activated by any one of the following methods:

(1) Either within sixty days after a petition is filed by one hundred landowners each owning one acre or more of land within the county or, on its own motion, the county legislative authority shall hold a hearing to determine whether there is a need, due to a damaging infestation of noxious weeds, to activate the county noxious weed control board. If such a need is found to exist, then the county legislative authority shall, in the manner provided by RCW 17.10.050, appoint five persons to hold seats on the county's noxious weed control board.

(2) If the county's noxious weed control board is not activated within one year following a hearing by the county legislative authority to determine the need for activation, then upon the filing with the state noxious weed control board of a petition comprised either of the signatures of at least two hundred owners, each owning one acre of land or more within the county, or of the signatures of a majority of an adjacent county's noxious weed control board, the state board shall, within six months of the date of such filing, hold a hearing in the county to determine the need for activation. If a need for activation is found to exist, then the state board shall order the county legislative authority to activate the county's noxious weed control board and to appoint members to such board in the manner provided by RCW 17.10.050. [1975 1st ex.s. c 13 § 2; 1969 ex.s. c 113 § 4.]

17.10.050 Activated county noxious weed control board—Members—Election—Terms—Meetings—Quorum—Expenses—Officers—Vacancy.

(1) Each activated county noxious weed control board shall consist of five voting members who shall, at the board's inception, be appointed by the county legislative authority and elected thereafter by the property owners subject to the board. In appointing such voting members, the county legislative authority shall divide the county into five sections, none of which shall overlap and each of which shall be of the same approximate area, and shall appoint a voting member from each section. At least four of such voting members shall be engaged in the primary production of agricultural products. There shall be one nonvoting member on such board who shall be the chief county extension agent or an extension agent appointed by the chief county extension agent. Each voting member of the board shall serve a term of two years, except that (1) the county legislative authority shall, when a board is first activated under this chapter, designate two voting members to serve

terms of one year; (2) the terms of incumbent board members may be shortened or extended by the board if the board, in order to provide for a more convenient election date, makes a substantial change in the date for elections and if the board obtains the prior approval of the state noxious weed control board for the changes in election dates and in the terms of incumbent board members. The board members shall not receive a salary but shall be compensated for actual and necessary expenses incurred in the performance of their official duties.

(2) The elected members of the board shall represent the same districts designated by the county legislative authority in appointing members to the board at its inception. Members of the board shall be elected at least thirty days prior to the expiration of any board member's term of office.

The nomination and election of elected board members shall be conducted by the board at a public meeting held in the section where board memberships are about to expire: *Provided*, That such nominations and elections may be held in another section of the county at the request of the county board and subject to approval by the state weed board. Elections at such meetings shall be by secret ballot, cast by the landowners residing in the section where an election for a board member is being conducted. The nominee receiving the majority of votes cast shall be deemed elected, and if there is only one nomination, said nominee shall be deemed elected unanimously.

Notice of such nomination and election meeting shall be published at least twice in a weekly or daily newspaper of general circulation in said section with last publication occurring at least ten days prior to the meeting.

(3) Within thirty days after all the members have been appointed, the board shall conduct its first meeting. A majority of the voting members of the board shall constitute a quorum for the transaction of business and shall be necessary for any action taken by the board. The board shall elect from its members a chairman and such other officers as may be necessary.

(4) In case of a vacancy occurring in any elected position on a county noxious weed control board, the county legislative authority of the county in which such board is located shall appoint a qualified person to fill the vacancy for the unexpired term. [1980 c 95 § 1; 1977 ex.s. c 26 § 6; 1975 1st ex.s. c 13 § 3; 1974 ex.s. c 143 § 1; 1969 ex.s. c 113 § 5.]

17.10.060 Activated county noxious weed control board—Weed inspector—Authority to acquire equipment and products, hire personnel—Rules and regulations. (1) Each activated county noxious weed control board may employ a weed inspector whose duties shall be fixed by the board but which shall include inspecting land to determine the presence of noxious weeds. Each board may purchase, rent or lease such equipment, facilities or products and may hire such additional persons as it deems necessary for the administration of the county's noxious weed control program.

(2) Each activated county noxious weed control board shall have the power to adopt such rules and regulations, subject to notice and hearing as provided in chapter 42-.32 RCW as now or hereafter amended, as are necessary for an effective county weed control or eradication program. [1969 ex.s. c 113 § 6.]

17.10.070 State noxious weed control board—Powers. In addition to the powers conferred on the state noxious weed control board under other provisions of this chapter, it shall have power to:

(1) Require the county legislative authority or the noxious weed control board of any county to report to it concerning the presence of noxious weeds and measures, if any, taken or planned for the control thereof;

(2) Employ a state weed supervisor who shall act as executive secretary of the board and who shall disseminate information relating to noxious weeds to county noxious weed control boards and who shall work to coordinate the efforts of the various county and regional noxious weed control boards;

(3) Do such things as may be necessary and incidental to the administration of its functions pursuant to this chapter. [1975 1st ex.s. c 13 § 4; 1969 ex.s. c 113 § 7.]

17.10.080 Proposed noxious weed list—Adoption by state noxious weed control board—Dissemination. The state noxious weed control board shall each year or more often, following a hearing, adopt a list comprising the names of those plants which it finds to be injurious to crops, livestock or other property. At such hearing any county noxious weed control board may request the inclusion of any plant to the list to be adopted by the state board.

Such list when adopted shall be designated as the "proposed noxious weed list", and the state board shall send a copy of the same to each activated county noxious weed control board, to each regional noxious weed control board, and to the county legislative authority of each county with an inactive noxious weed control board. [1975 1st ex.s. c 13 § 5; 1969 ex.s. c 113 § 8.]

17.10.090 Proposed noxious weed list—Selection of weeds for control by county board. Each county noxious weed control board shall, within thirty days of the receipt of the proposed noxious weed list from the state noxious weed control board and following a hearing, select those weeds from the proposed list which it finds necessary to be controlled in the county. The weeds thus selected shall be classified within this county as noxious weeds, and such weeds shall comprise the county noxious weed list. [1969 ex.s. c 113 § 9.]

17.10.100 Order to county board to include weed from state board's list in county's noxious weed list. Where any of the following occur, the state noxious weed control board may, following a hearing, order any county noxious weed control board to include a proposed noxious weed from the state board's list in the county's noxious weed list:

(1) Where the state noxious weed control board receives a petition from at least one hundred landowners owning one acre or more of land within the county requesting that such weed be listed.

(2) Where the state noxious weed control board receives a request for such inclusion from an adjacent county's noxious weed control board, which board has included such weed in the county list and which board alleges that its noxious weed control program is being hampered by the failure to include such weed on the county's noxious weed list. [1969 ex.s. c 113 § 10.]

17.10.110 Regional noxious weed control board—Creation. A regional noxious weed control board comprising the area of two or more counties may be created as follows:

Either each county legislative authority or each noxious weed control board of two or more counties may, upon a determination that the purpose of this chapter will be served by the creation of a regional noxious weed control board, adopt a resolution providing for a limited merger of the functions of their respective counties noxious weed control boards. Such resolution shall become effective only when a similar resolution is adopted by the other county or counties comprising the proposed regional board. [1975 1st ex.s. c 13 § 6; 1969 ex.s. c 113 § 11.]

17.10.120 Regional noxious weed control board—Members—Meetings—Quorum—Officers—Effect on county boards. In any case where a regional noxious weed control board is created, the county noxious weed control board comprising the regional board shall still remain in existence and shall retain all powers and duties provided for such boards under this chapter except for the powers and duties described in RCW 17.10.090.

The regional noxious weed control board shall be comprised of the voting members and the nonvoting members of the component counties noxious weed control boards who shall, respectively, be the voting and nonvoting members of the regional board. A majority of the voting members of the board shall constitute a quorum for the transaction of business and shall be necessary for any action taken by the board. The board shall elect a chairman from its members and such other officers as may be necessary. Members of the regional board shall serve without salary. [1969 ex.s. c 113 § 12.]

17.10.130 Regional noxious weed control board—Powers and duties. The powers and duties of a regional noxious weed control board are as follows:

(1) The regional board shall, within forty days of the receipt of the proposed noxious weed list from the state noxious weed control board and following a hearing, select those weeds from the proposed list which it finds necessary to be controlled in the region. The weeds thus selected shall comprise the county noxious weed list of each county in the region.

(2) The regional board shall render such advice as may be necessary to coordinate the noxious weed control

programs of the counties within the region and the regional board shall adopt a regional plan for the control of noxious weeds. [1969 ex.s. c 113 § 13.]

17.10.140 Owner's duty to control spread of noxious weeds. Except as is provided under RCW 17.10.150, every owner shall perform, or cause to be performed such acts as may be necessary to control and to prevent the spread of noxious weeds from his property. [1969 ex.s. c 113 § 14.]

17.10.150 Owner's duty in controlling noxious weeds on nonagricultural land—Buffer strip defined—Limitation. (1) The county noxious weed control board in each county may classify lands for the purposes of this chapter. In regard to any land which is classified by the county noxious weed control board as not being used for agricultural purposes, the owner thereof shall have the following limited duty to control noxious weeds present on such land:

(a) The owner shall control and prevent the spread of noxious weeds on any portion of such land which is within the buffer strip around land used for agricultural purposes. The buffer strip shall be land which is within one thousand feet of land used for agricultural purposes.

(b) In any case of a serious infestation of a particular noxious weed, which infestation exists within the buffer strip of land described in paragraph (a) of subsection (1) of this section, and which extends beyond said buffer strip of land, the county noxious weed control board may require that the owner of such buffer strip of land take such measures, both within said buffer zone of land as well as on other land owned by said owner contiguous to said buffer strip of land on which such serious infestation has spread, as are necessary to control and prevent the spread of such particular noxious weed.

For purposes of this subsection, land shall not be classified as or considered as being used for agricultural purposes when the sole reason for classifying or considering it as such is that it is being used for the growing, planting or harvesting of trees for timber.

(2) In regard to any land which is classified by the county noxious weed control board as scab or range land, the board may limit the duty of the owner thereof to control noxious weeds present on such land. The board may share the cost of controlling such weeds, may provide for a buffer strip around the perimeter of such land or may take any other reasonable measures to control noxious weeds on such land at an equitable cost to the owner. The board shall classify as range or scab land all that land within the county for which the board finds that the cost of controlling all of the noxious weeds present would be disproportionately high when compared to the benefits derived from noxious weed control on such land. [1975 1st ex.s. c 13 § 7; 1974 ex.s. c 143 § 2; 1969 ex.s. c 113 § 15.]

17.10.160 Right of entry—Civil liability. Any authorized agent or employee of the county noxious weed control board or of the state noxious weed control board or of the department of agriculture may enter

upon any property for the purpose of administering this chapter and any power exercisable pursuant thereto, including the taking of specimens of weeds or other materials, general inspection, and the performance of eradication or control work. Such entry may be made without the consent of the owner: *Provided*, That the consent of the owner of any land shall be obtained where, due to fire danger, the owner or any state agency has either closed the land to public entry: *Provided further*, That prior to carrying out the purposes for which the entry is made, the official making such entry or someone in his behalf, shall have first made a reasonable attempt to notify the owner of the property as to the purpose and need for the entry: *Provided further*, That civil liability for negligence shall lie in any case in which entry and any of the activities connected therewith are not undertaken with reasonable care. [1969 ex.s. c 113 § 16.]

17.10.170 Finding presence of noxious weeds—Failure of owner to control—Control by county board—Liability of owner for expense—Lien—Alternative. (1) Whenever the county noxious weed control board finds that noxious weeds are present on any parcel of land, and that the owner thereof is not taking prompt and sufficient action to control the same, pursuant to the provisions of RCW 17.10.140 and 17.10.150, it shall notify such owner that a violation of this chapter exists. Such notice shall be in writing, identify the noxious weeds found to be present, order prompt control action, and specify the time, of at least ten days from issuance of the notice, within which the prescribed action must be taken.

(2) The county board may cause citations to be issued to owners who do not take action to control tansy ragwort in accordance with the notice.

(3) If the owner does not take action to control the noxious weeds in accordance with the notice, the county board may control them, or cause their being controlled, at the expense of the owner. The amount of such expense shall constitute a lien against the property and may be enforced by proceedings on such lien except as provided for by RCW 79.44.060. The owner shall be liable for payment of the expense, and nothing in this chapter shall be construed to prevent collection of any judgment on account thereof by any means available pursuant to law, in substitution for enforcement of the lien. Funds received in payment for the expense of controlling noxious weeds shall be transferred to the county noxious weed control board to be expended as required to carry out the purposes of this chapter.

(4) The county auditor shall record in his office any lien created under this chapter, and any such lien shall bear interest at the rate of twelve percent per annum from the date on which the county noxious weed control board approves the amount expended in controlling such weeds.

(5) As an alternative to the enforcement of any lien created under subsection (3) of this section, the county legislative authority may by resolution or ordinance require that each such lien created shall be collected by

the treasurer in the same manner as a delinquent real property tax, if within thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes shall bear interest at the rate of twelve percent per annum and such interest shall accrue as of the date notice of the lien is sent to the owner: *Provided*, That any collections for such lien shall not be considered as tax. [1979 c 118 § 1; 1975 1st ex.s. c 13 § 8; 1974 ex.s. c 143 § 3; 1969 ex.s. c 113 § 17.]

17.10.180 Hearing on liability for expense of control—Notice—Review. Any owner, upon request pursuant to the rules and regulation of the county noxious weed control board, shall be entitled to a hearing before the board on any charge or cost for which such owner is alleged to be liable pursuant to RCW 17.10.170 or 17.10.210. The board shall send notice by certified mail, to each owner residing within the county at his last known address, as to any such charge or cost and as to his right of a hearing. If the owner does not reside within the county, such notice shall be sent by certified mail. Any determination or final action by the board shall be subject to judicial review by a proceeding in the superior court in the county in which the property is located, and such court shall have original jurisdiction to determine any suit brought by the owner to recover damages allegedly suffered on account of control work negligently performed: *Provided*, That no stay or injunction shall lie to delay any such control work subsequent to notice given pursuant to RCW 17.10.160 or pursuant to an order under RCW 17.10.210. [1969 ex.s. c 113 § 18.]

17.10.190 Notice and information as to noxious weed control. Each activated county noxious weed control board shall cause to be published in at least one newspaper of general circulation within its area a general notice during the month of March and at such other times as may be appropriate. Such notice shall direct attention to the need for noxious weed control and shall give such other information with respect thereto as may be appropriate, or shall indicate where such information may be secured. In addition to the general notice required hereby, the county noxious weed control board may use any appropriate media for the dissemination of information to the public as may be calculated to bring the need for noxious weed control to the attention of owners. The board may consult with individual owners concerning their problems of noxious weed control and may provide them with information and advice, including giving specific instructions and methods when and how certain named weeds are to be controlled. Such methods may include definite systems of tillage, cropping, management, and use of livestock. Publication of a notice as required by this section shall not be a condition precedent to the enforcement of this chapter. [1975 1st ex.s. c 13 § 9; 1969 ex.s. c 113 § 19.]

17.10.200 Control of noxious weeds on federal and Indian lands. (1) In the case of land owned by the United States on which control measures of a type and extent required pursuant to this chapter have not been taken, the county noxious weed control board, with the approval of both the director of the department of agriculture and the appropriate federal agency, may perform, or cause to be performed, such work. The cost thereof, if not paid by the agency managing the land, shall be a state charge and may be paid from any funds available to the department of agriculture for the administration of this chapter.

(2) The county noxious weed control board is authorized to enter into any reasonable agreement with the appropriate authorities for the control of noxious weeds on Indian lands.

(3) The state shall make all possible efforts to obtain reimbursement from the federal government for costs incurred under this section: *Provided*, That the state shall actively seek to inform the federal government of the need for noxious weed control on federally owned land where the presence of noxious weeds adversely affects local control efforts: *Provided further*, That the state shall actively seek adequate federal funding for noxious weed control on federally owned land. [1979 c 118 § 3; 1969 ex.s. c 113 § 20.]

17.10.205 Control of noxious weeds in open areas. Open areas subject to the spread of noxious weeds, other than crop land, including but not limited to subdivisions, school grounds, playgrounds, parks, and rights of way shall be subject to regulation by activated county noxious weed control boards in the same manner and to the same extent as is provided for agricultural lands. [1975 1st ex.s. c 13 § 16.]

17.10.210 Quarantine of land—Order—Expense. (1) Whenever the county noxious weed control board finds that a parcel of land is so seriously infested with noxious weeds that control measures cannot be undertaken thereon without quarantining the land and restricting or denying access thereto or use thereof, the board, with the approval of the director of the department of agriculture, may issue an order for such quarantine and restriction or denial of access or use. Upon issuance of the order, the board promptly shall commence necessary control measures and shall prosecute them with due diligence.

(2) An order of quarantine shall be served, by any method sufficient for the service of civil process, on all persons known to qualify as owners of the land within the meaning of this chapter.

(3) The expense of control work undertaken pursuant to this section, and of any quarantine in connection therewith, shall be borne as follows: One-third by the owner, one-third by the county noxious weed control board, and one-third by the department of agriculture. [1969 ex.s. c 113 § 21.]

17.10.220 Petition for director to change rules. The state noxious weed control board may petition the director, pursuant to the provisions of RCW 34.04.060, to adopt, amend, change or repeal rules necessary to carry out the purposes of this chapter. [1969 ex.s. c 113 § 22.]

17.10.230 Violations—Penalty. Any owner knowing of the existence of any noxious weeds on his land who fails to control such weeds in accordance with this chapter and rules and regulations in force pursuant thereto; any person who enters upon any land in violation of an order in force pursuant to RCW 17.10.210; any person who prevents or threatens to prevent entry upon land as authorized in RCW 17.10.160; or any person who interferes with the carrying out of the provisions of this chapter, shall be, upon conviction, guilty of a misdemeanor and shall be punished by a fine not to exceed one hundred dollars on account of each violation or, in the case of failure to control tansy ragwort in accordance with the provisions of RCW 17.10.170, by a fine not to exceed five hundred dollars on account of each violation. [1979 c 118 § 2; 1969 ex.s. c 113 § 23.]

17.10.235 Selling hay containing tansy ragwort seed—Penalty—Rules—Inspections—Fees. (1) Any person who knowingly sells hay containing viable tansy ragwort seed in sufficient amounts to create a hazard of the spread of tansy ragwort by seed, and any person who knowingly sells hay containing tansy ragwort in sufficient amounts to be injurious to the health of the animal that consumes it, is guilty of a misdemeanor.

(2) The director of agriculture shall adopt rules establishing the amount of tansy ragwort seed or tansy ragwort in hay that constitutes a violation of subsection (1) of this section. The department of agriculture shall, upon request of the buyer, inspect hay and charge fees, in accordance with chapter 22.09 RCW, to determine the presence of tansy ragwort. [1979 c 118 § 4.]

17.10.240 Special assessments, appropriations for weed control—Indian reservation lands. (1) The activated county weed control boards of each county shall annually submit a budget to the county legislative authority for the operating cost of the county's weed program for the ensuing fiscal year. Control of weeds is a special benefit to the lands within any such district. The county legislative authority may, in lieu of a tax, levy an assessment against the land for this purpose. Prior to the levying of an assessment the county weed control board shall hold a public hearing at which it shall gather information to serve as a basis for classification and shall then classify the lands into suitable classifications. The board shall develop and forward to the county legislative authority, as a proposed level of assessment for each class, such an amount as shall seem just, but which shall be uniform per acre in its respective class: *Provided*, That if no special benefits should be found to accrue to a class of land, a zero assessment may be levied. The legislative authority, upon receipt of the proposed levels of assessment from the board, after a hearing, shall accept,

modify, or refer back to the board for their reconsideration all or any portion of the proposed levels of assessment. The findings by the county legislative authority of such special benefits, when so declared by resolution and spread upon the minutes of said authority shall be conclusive as to whether or not the same constitutes a special benefit to the lands within the district.

(2) In addition, the county legislative authority may appropriate money from the county general fund necessary for the administration of the county noxious weed control program. In addition the county legislative authority may make emergency appropriations as it deems necessary for the implementation of this chapter.

(3) Neither the legislative authority of a county nor the county weed control board activated in a county shall expend money from the county general fund or assessments levied for the operation of such activated county weed control board on any lands within the boundaries of any Indian reservation unless the tribal council of such reservation contracts with the legislative authority of the county and its activated weed control board to carry out its program on such reservation lands: *Provided*, That the fees charged any Indian reservation for services rendered by the weed control board in controlling weeds on Indian reservation lands shall be no less than the fees assessed land owners of similar lands within the county jurisdiction of such activated weed control board. [1975 1st ex.s. c 13 § 10; 1969 ex.s. c 113 § 24.]

17.10.250 Applications for state financial aid. The legislative authority of any county with an activated noxious weed control board may apply to the state noxious weed control board for state financial aid in an amount not to exceed fifty percent of the locally funded portion of the annual operating cost of such noxious weed control board. Any such aid shall be expended from the general fund from such appropriation as the legislature may provide for this purpose. [1975 1st ex.s. c 13 § 11; 1969 ex.s. c 113 § 25.]

17.10.260 Administrative powers to be exercised in conformity with administrative procedure act—Use of weed control substances subject to water pollution control act. The administrative powers granted under this chapter to the director of the department of agriculture and to the state noxious weed control board shall be exercised in conformity with the provisions of the Administrative Procedure Act, chapter 34.04 RCW, as now or hereafter amended. The use of any substance to control noxious weeds shall be subject to the provisions of the Water Pollution Control Act, chapter 90.48 RCW, as now or hereafter amended. [1969 ex.s. c 113 § 28.]

17.10.270 Noxious weed control boards—Authority to purchase liability insurance. Each noxious weed control board may purchase liability insurance with such limits as they may deem reasonable for the purpose of protecting their officials and employees against liability for personal or bodily injuries and property damage arising from their acts or omissions while performing or

in good faith purporting to perform their official duties. [1974 ex.s. c 143 § 5.]

17.10.280 Lien for labor, material, equipment used in controlling noxious weeds. Every activated county noxious weed board performing labor upon, furnishing material, or renting, leasing or otherwise supplying equipment, to be used in the control of noxious weeds, or in causing control of noxious weeds upon any property pursuant to the provisions of chapter 17.10 RCW has a lien upon such property for the labor performed, material furnished, or equipment supplied whether performed, furnished, or supplied with the consent of the owner, or his agent, of such property, or without the consent of said owner or agent. [1975 1st ex.s. c 13 § 13.]

17.10.290 Lien for labor, material, equipment used in controlling noxious weeds—Notice of lien. Every county noxious weed control board furnishing labor, materials, or supplies or renting, leasing, or otherwise supplying equipment to be used in the control of noxious weeds upon any property pursuant to RCW 17.10.160 and 17.10.170 or pursuant to an order under RCW 17.10.210 as now or hereafter amended, shall give to the owner or reputed owner or his agent a notice in writing, within ninety days from the date of the cessation of the performance of such labor, the furnishing of such materials, or the supplying of such equipment, which notice shall cover the labor, material, supplies, or equipment furnished or leased, as well as all subsequent labor, materials, supplies, or equipment furnished or leased, stating in substance and effect that such county noxious weed control board is furnishing or has furnished labor, materials and supplies or equipment for use thereon, with the name of the county noxious weed board ordering the same, and that a lien may be claimed for all materials and supplies or equipment furnished by such county noxious control board for use thereon, which notice shall be given by mailing the same by registered or certified mail in an envelope addressed to the owner at his place of residence or reputed residence. [1975 1st ex.s. c 13 § 14.]

17.10.300 Lien for labor, material, equipment used in controlling noxious weeds—Claim—Filing—Contents. The persons in whose name the property is assessed shall be deemed the owners thereof for the purpose of notice as herein required: *Provided*,

however, That for lands belonging to the state, the commissioner of public lands shall be notified, and for lands belonging to the county, the county auditor shall be notified, and if such lands are under lease or conditional sale the lessee or purchaser shall also be notified in the manner above provided. Any person interested may appear at the time of such hearing and may under such rules and regulations as the board may prescribe give his or her reasons for or objections to the creation of such a district. [1919 c 152 § 2; RRS § 2802.]

17.12.030 Determination—Boundaries of district. Upon the hearing of such petition the board shall determine whether such a district shall be created and shall fix the boundaries thereof, but shall not enlarge the boundaries of proposed districts or enlarge or change the boundary or boundaries of any district or districts already formed without first giving the notice to all parties interested as provided in RCW 17.12.020. [1919 c 152 § 3; RRS § 2803.]

The county treasurer shall be ex officio treasurer for each of such districts so formed and the county assessor and other county officers shall take notice of the formation of such district or districts and shall be governed thereby according to the provisions of this chapter. The assessment or the tax levies as hereinafter provided for shall be extended on the tax rolls against the property liable therefor the same as other assessments or taxes are extended, and shall become a part of the general tax against such property and be collected and accounted for the same as other taxes are, with the terms and penalties attached thereto. The moneys so collected shall be held and disbursed as a special fund for such district and shall be paid out only on warrant issued by the county auditor upon voucher approved by the board of county commissioners. [1919 c 152 § 5; RRS § 2805.]

The assessor shall transmit to the county commissioners a statement of the amounts so due from county lands and the county commissioners shall appropriate from the current expense fund of the county sufficient money to pay such amounts. A statement of the amounts due from state lands within each county shall be annually forwarded to the commissioner of public lands who shall examine the same and if he finds the same correct and that the determination was made according to law, he shall certify the same and issue a warrant for the payment of same against any funds in the state treasury appropriated for such purposes.

The commissioner of public lands shall keep a record of the amounts so paid on account of any state lands which are under lease or contract of sale and such amounts shall be added to and become a part of the annual rental or purchase price of the land, and shall be paid annually at the time of payment of rent or payment of interest or purchase price of such land. When such amounts shall be collected by the commissioner of public lands it shall be paid into the general fund in the state treasury. [1973 c 106 § 11; 1919 c 152 § 8; RRS § 2808. The term "rodent" wherever used in RCW 17.16.010 through 17.16.130 shall be held and construed to mean and include ground squirrels, pocket gophers, rabbits, and such other rodents as the Washington State University shall designate as injurious to the agricultural interests of the state. [1921 c 140 § 1; RRS § 2788.]

17.16.020 Washington State University to administer. The administration of RCW 17.16.010 through 17.16.130 shall be under the supervision and control of the state of Washington by and through the extension service of the Washington State University, in cooperation with the board of county commissioners in the various counties of the state and the bureau of biological survey of the United States department of agriculture. [1919 c 140 § 3; RRS § 2790.]

17.16.030 Washington State University to employ inspectors. The Washington State University is hereby empowered and it shall be its duty to employ persons as it may deem necessary to inspect rodent conditions and to supervise the destruction and extermination of injurious rodents in such counties as shall cooperate with said Washington State University in such work. [1921 c 140 § 4; RRS § 2791.]

17.16.040 Powers and duties. The Washington State University shall be authorized and directed to supervise the extermination of rodents by any land owner, occupant, agent in charge, or lessee, to prepare poisons and baits for that purpose, and to enter upon any farm, rights-of-way, grounds, or premises for the purpose of ascertaining rodent conditions or for the purpose of exterminating the same as in RCW 17.16.010 through 17.16.130 provided. [1921 c 140 § 7; RRS § 2794.]

17.16.050 Cooperation with federal agency. The Washington State University is hereby authorized to cooperate with the bureau of biological survey of the United States department of agriculture, and to make such arrangements as it may deem advisable to join with said bureau in the employment of persons to inspect rodent conditions and to supervise the destruction and extermination of injurious rodents. [1921 c 140 § 5; RRS § 2792.]

17.16.060 Duty of persons to destroy rodents. It shall be the duty of every person, firm or corporation owning, possessing or having the care or charge of any land or

17.16.070 Notice to destroy—University may destroy if owner fails to do so. Whenever the person or persons designated and employed by the Washington State University for that purpose shall, upon inspection and investigation, determine that the owner, occupant, agent in charge, or lessee of any land has failed or neglected to exterminate the rodents on said land, and that such land is infested with such rodents, it shall notify said owner, occupant, agent in charge or lessee to that effect. Said notice shall describe the land involved, contain a finding that said land is infested with rodents, naming the kind, direct what steps shall be taken to exterminate said rodents, and inform the owner, occupant, agent in charge, or lessee that, unless such steps are begun within a period of ten days after service of said notice (exclusive of the day of service), said land will be entered upon and the rodents exterminated and the expense of such extermination will be charged as a tax against said land, and collected as general taxes are collected. A copy of said notice shall be served personally upon the owner, occupant, agent in charge or lessee if the same is found in the county in which such land is situated. If said owner, occupant, agent in charge, or lessee cannot with reasonable diligence be found in the county, a certificate to that effect, together with said notice, shall be mailed to the person appearing on the records of the county treasurer's office as last paying general taxes on said land, and a copy of said notice shall be posted in a conspicuous place on said land. The filing of such report or the failure to file such a report need not be alleged in any complaint which might be filed in a court of law, and the failure to file the report shall not be considered any bar to the maintenance of any criminal or civil action.

The failure to file such a report shall not be a violation of this chapter. However, if the person failing to file such report is the only one injured from such use or application of a pesticide by a pesticide applicator or operator, the director may refuse to hold a hearing for the

(2) "Board" or "district board" means the board of trustees governing the district.

(3) "County commissioners" means the governing body of the county.

(4) "Unit" means all unincorporated territory in a proposed district in one county, regarded as an entity, or each city in a proposed district, likewise regarded as an entity.

(5) "Territory" means any city or county or portion of either or both city or county having a population of not less than one hundred persons.

(6) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof. [1957 c 153 § 1.]

17.28.020 Districts may be organized in counties—Petition, presentment, signatures. Any number of units of a territory within the state of Washington in Adams, Benton, Franklin, Grant, Kittitas, Walla Walla and Yakima counties or any other county may be organized as a mosquito control district under the provisions of this chapter.

A petition to form a district may consist of any number of separate instruments which shall be presented at a regular meeting of the county commissioners of the county in which the greater area of the proposed district is located. Petitions shall be signed by registered voters of each unit of the proposed district, equal in number to not less than ten percent of the votes cast in each unit respectively for the office of governor at the last gubernatorial election prior to the time of presenting the petition. [1969 c 96 § 1; 1957 c 153 § 2.]

17.28.030 Petition method—Description of boundaries—Verification of signatures—Resolution to include city. Before a city can be included as a part of the proposed district its governing body shall have requested that the city be included by resolution, duly authenticated.

The petition shall set forth and describe the boundaries of the proposed district and it shall request that it be organized as a mosquito control district. Upon receipt of such a petition, the auditor of the county in which the greater area of the proposed district is located shall be charged with the responsibility of examining the same and certifying to the sufficiency of the signatures thereon. For the purpose of examining the signatures on such petitions, the auditor shall be permitted access to the voters' registration books of each city and county located in the proposed district and may appoint the respective county auditors and city clerks thereof as his deputies. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days following the receipt of such petition, the auditor shall transmit the same to the board of commissioners of the county in which the greater area of the

proposed district is located, together with his certificate as to the sufficiency thereof. [1957 c 153 § 3.]

17.28.040 Petition method—Publication of petition and notice of meeting. Upon receipt of a duly certified petition, the board of commissioners shall cause the text of the petition to be published once a week for at least three consecutive weeks in one or more newspapers of general circulation within the county where the petition is presented and at each city a portion of which is included in the proposed district. If any portion of the proposed district lies in another county, the petition and notice shall be likewise published in that county.

Only one copy of the petition need be published even though the district embraces more than one unit. No more than five of the names attached to the petition need appear in the publication of the petition and notice, but the number of signers shall be stated.

With the publication of the petition there shall be published a notice of the time of the meeting of the county commissioners when the petition will be considered, stating that all persons interested may appear and be heard. [1957 c 153 § 4.]

17.28.050 Resolution method. Such districts may also be organized upon the adoption by the county commissioners of a resolution of intention so to do, in lieu of the procedure hereinbefore provided for the presentation of petitions. In the event the county commissioners adopt a resolution of intention, such resolution shall describe the boundaries of the proposed district and shall set a time and place at which they will consider the organization of the district, and shall state that all persons interested may appear and be heard. Such resolution of intention shall be published in the same manner and for the same length of time as a petition. [1957 c 153 § 5.]

17.28.060 Hearing—Defective petition—Establishment of boundaries. At the time stated in the notice of the filing of the petition or the time mentioned in the resolution of intention, the county commissioners shall consider the organization of the district and hear those appearing and all protests and objections to it. The commissioners may adjourn the hearing from time to time, not exceeding two months in all.

No defect in the contents of the petition or in the title to or form of the notice or signatures, or lack of signatures thereto, shall vitiate any proceedings if the petition has a sufficient number of qualified signatures.

On the final hearing the county commissioners shall make such changes in the proposed boundaries as are advisable, and shall define and establish the boundaries. [1957 c 153 § 6.]

17.28.070 Procedure to include other territory. If the county commissioners deem it proper to include any territory not proposed for inclusion within the proposed boundaries, they shall first cause notice of intention to do so to be mailed to each owner of land in the territory whose name appears as owner on the last completed assessment roll of the county in which the territory lies,

addressed to the owner at his address given on the assessment roll, or if no address is given, to his last known address; or if it is not known, at the county seat of the county in which his land lies. The notice shall describe the territory and shall fix a time, not less than two weeks from the date of mailing, when all persons interested may appear before the county commissioners and be heard.

The boundaries of a district lying in a city shall not be altered unless the governing board of the city, by resolution, consents to the alteration. [1957 c 153 § 7.]

17.28.080 Determination of public necessity and compliance with chapter. Upon the hearing of the petition the county commissioners shall determine whether the public necessity or welfare of the proposed territory and of its inhabitants requires the formation of the district, and shall also determine whether the petition complies with the provisions of this chapter, and for that purpose shall hear all competent and relevant testimony offered. [1957 c 153 § 8.]

17.28.090 Declaration establishing and naming district—Election to form district—Establishment of district. If, from the testimony given before the county commissioners, it appears to that board that the public necessity or welfare requires the formation of the district, it shall, by an order entered on its minutes, declare that to be its finding, and shall further declare and order that the territory within the boundaries so fixed and determined be organized as a district, under an appropriate name to be selected by the county commissioners, subject to approval of the voters of the district as hereinafter provided. The name shall contain the words "mosquito control district."

At the time of the declaration establishing and naming the district, the county commissioners shall by resolution call a special election to be held not less than thirty days and not more than sixty days from the date thereof, and shall cause to be published a notice of such election at least once a week for three consecutive weeks in a newspaper of general circulation in the county, setting forth the hours during which the polls will be open, the boundaries of the proposed district as finally adopted, and the object of the election. If any portion of the proposed district lies in another county, a notice of such election shall likewise be published in that county.

The election on the formation of the mosquito control district shall be conducted by the auditor of the county in which the greater area of the proposed district is located in accordance with the general election laws of the state and the results thereof shall be canvassed by that county's canvassing board. For the purpose of conducting an election under this section, the auditor of the county in which the greater area of the proposed district is located may appoint the auditor of any county or the city clerk of any city lying wholly or partially within the proposed district as his deputies. No person shall be entitled to vote at such election unless he is a qualified voter under the laws of the state in effect at the time of

such election and has resided within the mosquito control district for at least thirty days preceding the date of the election. The ballot proposition shall be in substantially the following form:

"Shall a mosquito control district be established for the area described in a resolution of the board of commissioners of _____ county adopted on the _____ day of _____, 19__?"

YES
NO

If a majority of the persons voting on the proposition shall vote in favor thereof, the mosquito control district shall thereupon be established and the county commissioners of the county in which the greater area of the district is situated shall immediately file for record in the office of the county auditor of each county in which any portion of the land embraced in the district is situated, and shall also forward to the county commissioners of each of the other counties, if any, in which any portion of the district is situated, and also shall file with the secretary of state, a certified copy of the order of the county commissioners. From and after the date of the filing of the certified copy with the secretary of state, the district named therein is organized as a district, with all the rights, privileges, and powers set forth in this chapter, or necessarily incident thereto.

If a majority of the persons voting on the proposition shall vote in favor thereof, all expenses of the election shall be paid by the mosquito control district when organized. If the proposition fails to receive a majority of votes in favor, the expenses of the election shall be borne by the respective counties in which the district is located in proportion to the number of votes cast in said counties. [1957 c 153 § 9.]

17.28.100 Election on proposition to levy tax. At the same election there shall be submitted to the voters residing within the district, for their approval or rejection, a proposition authorizing the mosquito control district, if formed, to levy at the earliest time permitted by law on all taxable property located within the mosquito control district a general tax, for one year, of twenty-five cents per thousand dollars of assessed value in excess of any constitutional or statutory limitation for authorized purposes of the mosquito control district. The proposition shall be expressed on the ballots in substantially the following form:

"ONE YEAR TWENTY-FIVE CENTS PER THOUSAND DOLLARS OF ASSESSED VALUE LEVY

"Shall the mosquito control district, if formed, levy a general tax of twenty-five cents per thousand dollars of assessed value for one year upon all the taxable property within said district in excess of the constitutional and/or statutory tax limits for authorized purposes of the district?"

YES
NO

Such proposition to be effective must be approved by a majority of at least three-fifths of the persons voting on the proposition to levy such tax in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended. It shall publish notice of the hearing along with a copy of the petition, stating the time and place set for the hearing, in each county in which any part of the district or of the territory is situated, and in each city situated wholly or in part in the territory. Not more than five of the names attached to the petition need appear in the publication, but the number of signers shall be stated.

At the time set for the hearing the district board shall hear persons appearing in behalf of the petition and all protests and objections to it. The district board may adjourn the hearing from time to time, but not exceeding two months in all.

On the final hearing the district board shall make such changes as it believes advisable in the boundaries of the territory, and shall define and establish the boundaries. It shall also determine whether the petition meets the requirements of this chapter. [1957 c 153 § 33.]

17.28.340 Annexation of territory authorized—Order of annexation—Election. If upon the hearing the district board finds that the petition and the proceedings thereon meet the requirements of this chapter and that it is desirable and to the interests of the district and of the territory proposed to be annexed that the territory, with boundaries as fixed and determined by the district board, or any portion of it, should be annexed to the district, the board shall order the boundaries of the district changed to include the territory, or portion of the territory, subject to approval of the electors of the territory proposed to be annexed. After the annexation of territory to a district, the district board shall consist of the number of members and shall be appointed in the manner prescribed by this chapter for a district formed originally with boundaries embracing the annexed territory. However, the members of the district board in office at the time of the annexation shall continue to serve as members during the remainder of the terms for which they were appointed. [1957 c 153 § 35.]

17.28.360 Consolidation of districts—Initial proceedings. Whenever in the judgment of the district board it is for the best interests of the district that it be consolidated with one or more other districts, it may, by a two-thirds vote of its members, adopt a resolution reciting that fact and declaring the advisability of such consolidation and the willingness of the board to consolidate. The resolution shall be sent to the board of each district with which consolidation is proposed.

The board of each district to which a proposal of consolidation is sent shall consider said proposal and give notice of its decision to the proposing board. [1957 c 153 § 36.]

17.28.370 Consolidation of districts—Concurrent resolution. Should it appear that two-thirds of the members of each of the boards of districts proposed to be consolidated favor consolidation each of said boards shall then, by a vote of not less than two-thirds of its members adopt a concurrent resolution in favor of consolidation, declaring its willingness to consolidate, specifying a name for the consolidated district. Immediately upon the adoption of said concurrent resolution a copy of same signed by not less than two-thirds of the members of each board shall be forwarded to the county commissioners of the county in which all of or a major portion of the land of all, the districts consolidated are situated. [1957 c 153 § 37.]

The election shall be conducted and the returns canvassed and declared insofar as is practicable in accordance with the requirements of this chapter for the formation of a district.

The board of each district shall declare the returns of the election in its district, and shall certify the results to the county commissioners of the county in which all the districts, or the major portion of the land of all the districts, are situated. [1957 c 153 § 38.]

17.28.390 Consolidation of districts—Order of consolidation. Should not less than two-thirds of the votes of each of the respective districts proposed to be consolidated favor consolidation the county commissioners shall immediately:

(1) Enter an order on its minutes consolidating all of the districts proposed for consolidation into one district with name as specified in the concurrent resolution.

(2) Transmit a certified copy of the order to the county commissioners of any other county in which any portion of the consolidated district is situated.

(3) Record a copy in the office of the county auditor of each of the counties in which any portion of the consolidated district is situated.

(4) File a copy in the office of the secretary of state.

After the transmission, recording and filing of the order, the territory in the districts entering into the consolidation proposal forms a single consolidated district. [1957 c 153 § 39.]

17.28.400 Consolidation of districts—Composition of board. After the consolidation, the board of the consolidated district shall consist of the number and shall be appointed in the manner prescribed by this chapter for a district originally formed.

If at the time of consolidation there is outstanding an indebtedness of any of the former districts included in the consolidated district, that indebtedness shall be paid in the manner provided for the payment of indebtedness upon dissolution of a district.

A consolidated district shall not be liable for any indebtedness of any of the former districts included in it which was outstanding at the time of consolidation.

No property in any of the former districts shall be taxed to pay any indebtedness of any other former district existing at the date of the consolidation. [1957 c 153 § 41.]

17.28.420 Dissolution—Election. The district may at any time be dissolved upon the vote of two-thirds of the qualified electors in the district at a special election called by the district board upon the question. The question shall be submitted as, "Shall the district be dissolved?", or words to that effect.

Notice of the election shall be published at least once a week for at least four weeks prior to the date of the election in a newspaper of general circulation in each county of the district. [1957 c 153 § 42.]

17.28.430 Dissolution—Result of election to be certified—Certificate of dissolution. Should two-thirds or more of the votes at the election favor dissolution the district board shall certify that fact to the secretary of state. Upon receipt of such certification the secretary of state shall issue his certificate reciting that the district (naming it) has been dissolved, and shall transmit to and file a copy with the county clerk of each county in which any portion of the district is situated.

After the date of the certificate of the secretary of state, the district is dissolved. [1957 c 153 § 43.]

17.28.440 Dissolution—Disposition of property. If the district at the time of dissolution was wholly within unincorporated territory in one county, its property vests in that county.

If the district at the time of dissolution was situated wholly within the boundaries of a single city, its property vests in that city.

If the district at the time of dissolution comprised only unincorporated territory in two or more counties, its property vests in those counties in proportion to the assessed value of each county's property within the boundaries of the district as shown on the last equalized county assessment roll.

If the district at the time of dissolution comprised both incorporated and unincorporated territory, its property vests in each unit in proportion as its assessed property value lies within the boundaries of the district: *Provided, however,* That any real property, easements, or rights of way vest in the city in which they are situated or in the county in which they are situated. [1957 c 153 § 44.]

17.28.450 Dissolution—Collection of taxes to discharge indebtedness. If, at the time of election to dissolve, a district has outstanding any indebtedness, the vote to dissolve the district dissolves it for all purposes except the levy and collection of taxes for the payment of the indebtedness, and expenses of assessing, levying, and collecting such taxes.

Until the indebtedness is paid, the county commissioners of the county in which the greater portion of the district was situated shall act as the ex officio district board and shall levy taxes and perform such functions as

may be necessary in order to pay the indebtedness. [1957 c 153 § 45.]

17.28.900 Severability—1957 c 153. If any part, or parts, of this chapter shall be held unconstitutional, the remaining provisions shall be given full force and effect, as completely as if the part held unconstitutional had not been included therein, if any such remaining part can then be administered in furtherance of the purposes of this chapter. [1957 c 153 § 46.]

17.34.010 Compact provisions. The pest control compact is hereby enacted into law and entered into with all other jurisdiction legally joining therein in the form substantially as follows:

ARTICLE I—FINDINGS

The party states find that:

1. In the absence of the higher degree of cooperation among them possible under this compact, the annual loss of approximately seven billion dollars from the depredations of pests is virtually certain to continue, if not to increase.

2. Because of varying climatic, geographic and economic factors, each state may be affected differently by particular species of pests; but all states share the inability to protect themselves fully against those pests which present serious dangers to them.

3. The migratory character of pest infestations makes it necessary for states both adjacent to and distant from one another, to complement each other's activities when faced with conditions of infestation and reinfestation.

4. While every state is seriously affected by a substantial number of pests, and every state is susceptible of infestation by many species of pests not now causing damage to its crop and plant life and products, the fact that relatively few species of pests present equal danger to or are of interest to all states makes the establishment and operation of an Insurance Fund, from which individual states may obtain financial support for pest control programs of benefit to them in other states and to which they may contribute in accordance with their relative interests, the most equitable means of financing cooperative pest eradication and control programs.

There is hereby established the Pest Control Insurance Fund for the purpose of financing other than normal pest control operations which states may be called upon to engage in pursuant to this compact. The Insurance Fund shall contain moneys appropriated to it by the party states and any donations and grants accepted by it. All appropriations, except as conditioned by the rights and obligations of party states expressly set forth in this compact, shall be unconditional and may not be restricted by the appropriating state to use in the control of any specified pest or pests. Donations and grants may be conditional or unconditional, provided that the Insurance Fund shall not accept any donation or grant whose terms are inconsistent with any provision of this compact.

ARTICLE IV

THE INSURANCE FUND, INTERNAL OPERATIONS AND MANAGEMENT

- A. The Insurance Fund shall be administered by a Governing Board and Executive Committee as hereinafter provided. The actions of the Governing Board and Executive Committee pursuant to this compact shall be deemed the actions of the Insurance Fund.
- B. The members of the Governing Board shall be entitled to one vote each on such Board. No action of the Governing Board shall be binding unless taken at a meeting at which a majority of the total number of votes on the Governing Board are cast in favor thereof. Action of the Governing Board shall be only at a meeting at which a majority of the members are present.

- C. The Insurance Fund shall have a seal which may be employed as an official symbol and which may be affixed to documents and otherwise used as the Governing Board may provide.
- D. The Governing Board shall elect annually, from among its members, a chairman, a vice chairman, a secretary and a treasurer. The chairman may not succeed himself. The Governing Board may appoint an executive director and fix his duties and his compensation, if any. Such executive director shall serve at the pleasure of the Governing Board. The Governing Board shall make provisions for the bonding of such of the officers and employees of the Insurance Fund as may be appropriate.
- E. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director, or if there be no executive director, the chairman, in accordance with such procedures as the bylaws may provide, shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the Insurance Fund and shall fix the duties and compensation of such personnel. The Governing Board in its bylaws shall provide for the personnel policies and programs of the Insurance Fund.
- F. The Insurance Fund may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association or corporation.
- G. The Insurance Fund may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association or corporation, and may receive, utilize and dispose of the same. Any donation, gift or grant accepted by the Governing Board pursuant to this paragraph or services borrowed pursuant to paragraph (F) of this Article shall be reported in the annual report of the Insurance Fund. Such report shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender.
- H. The Governing Board shall adopt bylaws for the conduct of the business of the Insurance Fund and shall have the power to amend and rescind these bylaws. The Insurance Fund shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto with the appropriate agency or officer in each of the party states.
- I. The Insurance Fund annually shall make to the Governor and legislature of each party state a report covering its activities for the preceding year. The Insurance Fund may make such additional reports as it may deem desirable.
- J. In addition to the powers and duties specifically authorized and imposed, the Insurance Fund may do such other things as are necessary and incidental

to the conduct of its affairs pursuant to this compact.

ARTICLE V

COMPACT AND INSURANCE FUND ADMINISTRATION

- A. In each party state there shall be a compact administrator, who shall be selected and serve in such manner as the laws of his state may provide, and who shall:
 1. Assist in the coordination of activities pursuant to the compact in his state; and
 2. Represent his state on the Governing Board of the Insurance Fund.
- B. If the laws of the United States specifically so provide, or if administrative provision is made therefor within the Federal Government, the United States may be represented on the Governing Board of the Insurance Fund by not to exceed three representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, but no such representative shall have a vote on the Governing Board or on the Executive Committee thereof.
- C. The Governing Board shall meet at least once each year for the purpose of determining policies and procedures in the administration of the Insurance Fund and, consistent with the provisions of the compact, supervising and giving direction to the expenditure of moneys from the Insurance Fund. Additional meetings of the Governing Board shall be held on call of the chairman, the Executive Committee, or a majority of the membership of the Governing Board.
- D. At such times as it may be meeting, the Governing Board shall pass upon applications for assistance from the Insurance Fund and authorize disbursements therefrom. When the Governing Board is not in session, the Executive Committee thereof shall act as agent of the Governing Board, with full authority to act for it in passing upon such applications.
- E. The Executive Committee shall be composed of the chairman of the Governing Board and four additional members of the Governing Board chosen by it so that there shall be one member representing each of four geographic groupings of party states. The Governing Board shall make such geographic groupings. If there is representation of the United States on the Governing Board one such representative may meet with the Executive Committee. The chairman of the Governing Board shall be chairman of the Executive Committee. No action of the Executive Committee shall be binding unless taken at a meeting at which at least four members of such Committee are present and vote in favor thereof. Necessary expenses of each of the five members of the Executive Committee incurred in attending meetings of such Committee, when not held at the same time and place as a meeting of the

Governing Board, shall be charges against the Insurance Fund.

ARTICLE VI—ASSISTANCE AND REIMBURSEMENT

- A. Each party state pledges to each other party state that it will employ its best efforts to eradicate, or control within the strictest practicable limits, any and all pests. It is recognized that performance of this responsibility involves:
1. The maintenance of pest control and eradication activities of interstate significance by a party state at a level that would be reasonable for its own protection in the absence of this compact.
 2. The meeting of emergency outbreaks or infestations of interstate significance to no less an extent than would have been done in the absence of this compact.
- B. Whenever a party state is threatened by a pest not present within its borders but present within another party state, or whenever a party state is undertaking or engaged in activities for the control or eradication of a pest or pests, and finds that such activities are or would be impracticable or substantially more difficult of success by reason of failure of another party state to cope with infestation or threatened infestation, that state may request the Governing Board to authorize expenditures from the Insurance Fund for eradication or control measures to be taken by one or more of such other party states at a level sufficient to prevent, or to reduce to the greatest practicable extent, infestation or reinfestation of the requesting state. Upon such authorization the responding state or states shall take or increase such eradication or control measures as may be warranted. A responding state shall use moneys made available from the Insurance Fund expeditiously and efficiently to assist in affording the protection requested.
- C. In order to apply for expenditures from the Insurance Fund, a requesting state shall submit the following in writing:
1. A detailed statement of the circumstances which occasion the request for the invoking of the compact.
 2. Evidence that the pest on account of whose eradication or control assistance is requested constitutes a danger to an agricultural or forest crop, product, tree, shrub, grass or other plant having a substantial value to the requesting state.
 3. A statement of the extent of the present and projected program of the requesting state and its subdivision, including full information as to the legal authority for the conduct of such program or programs and the expenditures being made or budgeted therefor, in connection with the eradication, control, or prevention of introduction of the pest concerned.
 4. Proof that the expenditures being made or budgeted as detailed in item 3 do not constitute a reduction of the effort for the control or eradication of the pest concerned or, if there is a reduction, the reasons why the level of program detailed in item 3 constitutes a normal level of pest control activity.
5. A declaration as to whether, to the best of its knowledge and belief, the conditions which in its view occasion the invoking of the compact in the particular instance can be abated by a program undertaken with the aid of moneys from the Insurance Fund in one year or less, or whether the request is for an installment in a program which is likely to continue for a longer period of time.
6. Such other information as the Governing Board may require consistent with the provisions of this compact.
- D. The Governing Board or Executive Committee shall give due notice of any meeting at which an application for assistance from the Insurance Fund is to be considered. Such notice shall be given to the compact administrator of each party state and to such other officers and agencies as may be designated by the laws of the party states. The requesting state and any other party state shall be entitled to be represented and present evidence and argument at such meeting.
- E. Upon the submission as required by paragraph (C) of this Article and such other information as it may have or acquire, and upon determining that an expenditure of funds is within the purposes of this compact and justified thereby, the Governing Board or Executive Committee shall authorize support of the program. The Governing Board or the Executive Committee may meet at any time or place for the purpose of receiving and considering an application. Any and all determinations of the Governing Board or Executive Committee, with respect to an application, together with the reasons therefor shall be recorded and subscribed in such manner as to show and preserve the votes of the individual members thereof.
- F. A requesting state which is dissatisfied with a determination of the Executive Committee shall upon notice in writing given within twenty days of the determination with which it is dissatisfied, be entitled to receive a review thereof at the next meeting of the Governing Board. Determinations of the Executive Committee shall be reviewable only by the Governing Board at one of its regular meetings, or at a special meeting held in such manner as the Governing Board may authorize.
- G. Responding states required to undertake or increase measures pursuant to this compact may receive moneys from the Insurance Fund, either at the time or times when such state incurs expenditures on account of such measures, or as reimbursement for expenses incurred and chargeable to the Insurance Fund. The Governing Board shall adopt and, from time to time, may amend or revise procedures for submission of claims upon it and for payment thereof.
- H. Before authorizing the expenditure of moneys from the Insurance Fund pursuant to an application of a

requesting state, the Insurance Fund shall ascertain the extent and nature of any timely assistance or participation which may be available from the Federal Government and shall request the appropriate agency or agencies of the Federal Government for such assistance and participation.

- I. The Insurance Fund may negotiate and execute a memorandum of understanding or other appropriate instrument defining the extent and degree of assistance or participation between and among the Insurance Fund, cooperating federal agencies, states and any other entities concerned.

ARTICLE VII—ADVISORY AND TECHNICAL COMMITTEES

The Governing Board may establish advisory and technical committees composed of state, local, and federal officials, and private persons to advise it with respect to any one or more of its functions. Any such advisory or technical committee, or any member or members thereof may meet with and participate in its deliberations. Upon request of the Governing Board or Executive Committee an advisory or technical committee may furnish information and recommendations with respect to any application for assistance from the Insurance Fund being considered by such Board or Committee and the Board or Committee may receive and consider the same: provided that any participant in a meeting of the Governing Board or Executive Committee held pursuant to Article VI(D) of the compact shall be entitled to know the substance of any such information and recommendations, at the time of the meeting if made prior thereto or as a part thereof or, if made thereafter, no later than the time at which the Governing Board or Executive Committee makes its disposition of the application.

ARTICLE VIII

RELATIONS WITH NONPARTY JURISDICTIONS

- A. A party state may make application for assistance from the Insurance Fund in respect of a pest in a nonparty state. Such application shall be considered and disposed of by the Governing Board or Executive Committee in the same manner as an application with respect to a pest within a party state, except as provided in this Article.
- B. At or in connection with any meeting of the Governing Board or Executive Committee held pursuant to Article VI(D) of this compact a nonparty state shall be entitled to appear, participate, and receive information only to such extent as the Governing Board or Executive Committee may provide. A nonparty state shall not be entitled to review of any determination made by the Executive Committee.
- C. The Governing Board or Executive Committee shall authorize expenditures from the Insurance Fund to be made in a nonparty state only after determining that the conditions in such state and the value of such expenditures to the party states as a whole justify them. The Governing Board or Executive

Committee may set any conditions which it deems appropriate with respect to the expenditure of moneys from the Insurance Fund in a nonparty state and may enter into such agreement or agreements with nonparty states and other jurisdictions or entities as it may deem necessary or appropriate to protect the interests of the Insurance Fund with respect to expenditures and activities outside of party states.

ARTICLE IX—FINANCE

- A. The Insurance Fund shall submit to the executive head or designated officer or officers of each party state a budget for the Insurance Fund for such period as may be required by the laws of that party state for presentation to the legislature thereof.
- B. Each of the budgets shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The requests for appropriations shall be apportioned among the party states as follows: one-tenth of the total budget in equal shares and the remainder in proportion to the value of agricultural and forest crops and products, excluding animals and animal products, produced in each party state. In determining the value of such crops and products the Insurance Fund may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the budgets and requests for appropriations shall indicate the source or sources used in obtaining information concerning value of products.
- C. The financial assets of the Insurance Fund shall be maintained in two accounts to be designated respectively as the "Operating Account" and the "Claims Account". The Operating Account shall consist only of those assets necessary for the administration of the Insurance Fund during the next ensuing two-year period. The Claims Account shall contain all moneys not included in the Operating Account and shall not exceed the amount reasonably estimated to be sufficient to pay all legitimate claims on the Insurance Fund for a period of three years. At any time when the Claims Account has reached its maximum limit or would reach its maximum limit by the addition of moneys requested for appropriation by the party states, the Governing Board shall reduce its budget requests on a pro rata basis in such manner as to keep the Claims Account within such maximum limit. Any moneys in the Claims Account by virtue of conditional donations, grants or gifts shall be included in calculations made pursuant to this paragraph only to the extent that such moneys are available to meet demands arising out of claims.
- D. The Insurance Fund shall not pledge the credit of any party state. The Insurance Fund may meet any of its obligations in whole or in part with moneys available to it under Article IV(G) of this compact, provided that the Governing Board takes specific action setting aside such moneys prior to incurring

any obligation to be met in whole or in part in such manner. Except where the Insurance Fund makes use of moneys available to it under Article IV(G) hereof, the Insurance Fund shall not incur any obligation prior to the allotment of moneys by the party states adequate to meet the same.

- E. The Insurance Fund shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Insurance Fund shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Insurance Fund shall be audited yearly by a certified or licensed public accountant and a report of the audit shall be included in and become part of the annual report of the Insurance Fund.
- F. The accounts of the Insurance Fund shall be open at any reasonable time for inspection by duly authorized officers of the party states and by any persons authorized by the Insurance Fund.

ARTICLE X—ENTRY INTO FORCE AND WITHDRAWAL

- A. This compact shall enter into force when enacted into law by any five or more states: provided, that one such state is contiguous to this state and the legislature has appropriated the necessary funds. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.
- B. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until two years after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

ARTICLE XI—CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating herein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters. [1969 ex.s. c 130 § 1.]

17.34.020 Cooperation with insurance fund authorized. Consistent with law and within available appropriations, the departments, agencies and officers of this

state may cooperate with the insurance fund established by the Pest Control Compact. [1969 ex.s. c 130 § 2.]

17.34.030 Filing of bylaws and amendments. Pursuant to Article IV(H) of the compact, copies of bylaws and amendments thereto shall be filed with the code reviser's office. [1969 ex.s. c 130 § 3.]

17.34.040 Compact administrator. The compact administrator for this state shall be the director of agriculture. The duties of the compact administrator shall be deemed a regular part of his office. [1969 ex.s. c 130 § 4.]

17.34.050 Requests or applications for assistance from insurance fund. Within the meaning of Article VI(B) or VIII(A), a request or application for assistance from the insurance fund may be made by the director of agriculture whenever in his judgment the conditions qualifying this state for such assistance exist and it would be in the best interest of this state to make such request. [1969 ex.s. c 130 § 5.]

17.34.060 Agency incurring expenses to be credited with payments to this state. The department, agency, or officer expending or becoming liable for an expenditure on account of a control or eradication program undertaken or intensified pursuant to the compact shall have credited to his account in the state treasury the amount or amounts of any payments made to this state to defray the cost of such program, or any part thereof, or as reimbursement thereof. [1969 ex.s. c 130 § 6.]

17.34.070 "Executive head" defined. As used in the compact, with reference to this state, the term "executive head" shall mean the director of agriculture. [1969 ex.s. c 130 § 7.]
