2022-9-19 from Thomas Willett

Dear Legislators – I am a PERS-1 recipient. My benefits, with the exception of a one-time raise last year, have been frozen years ago, while normal inflation has soldiered on. Recently however inflation has surged, and the funds I receive from my hard earned retirement buy less food, rent, utilities and fuel. Please consider another Cost-of-Living increase to PERS-1 recipients such as myself to help us maintain a decent standard of life in our advancing age.

We count on your wisdom in protecting the health and welfare of the citizens you represent. Thank you, Tom Willett (cell: 206-963-1307)
