CAUTION:External email.

I understand a committee is meeting where the Plan I Cola may be discussed. I would like to encourage the support for another one time Cola for the plan I folks. We are the one retirement group that does not receive a yearly cola unless the legislature passes a bill providing it each year, we are the oldest retirees and so the ones whose retirement is based on the smallest incomes, so as inflation increases our buying power goes down. I sincerely hope the unfunded problem gets paid off so Plan I can once again join those getting regular colas. In the meantime please help us out with a Cola for the coming year.

Sincerely,
