**Subject:** institution library staff PERS to PSERS

**CAUTION:**External email.

Hello,

I'm looking for someone to start a conversation with about shifting the handful of OSOS employees who work within DOC (and possibly in DCYF) facilities from PERS to PSERS. We are having a difficult time recruiting for these positions, and Secretary Hobbs feels this might provide an additional incentive.

As a former member of the SCPP, Secretary Hobbs knows that pension legislation usually needs the Committee's "seal of approval". However, he believes this change would involve so few people, it might be something we could accomplish during the 2023 Session. If not, we could at least get the conversation started.

Thank you, in advance.

-Brian
