CAUTION:External email.

I am a Washington State 73 year old retired teacher with over 43 years of teaching experience in the Washington state schools. Many of the teachers that have retired recently are plan 2 teachers who are getting a permanent COLA built into their monthly retirement.

It is not right that Plan 1 Retired teachers do not have a permanent COLA as we taught along side with the Plan 2 and 3 teachers. Most of us Plan 1 were teaching long before they began.

Please vote to provide the Plan 1 Retired teachers a Permanent COLA to provide equality with the Plan 2 and 3 Retired teachers of our state. Please support the Plan 1 Retired teachers in Washington.

Thank you, Jean Simonson
