If the life sciences discovery fund authority determines that the research project does not meet the requirements of subsection (1) of this section, the application must be denied.

(3) A marijuana research licensee may only sell marijuana grown or within its operation to other marijuana research licensees. The state liquor control board may revoke a marijuana research license for violations of this subsection.

(4) A marijuana research licensee may contract with the University of Washington or Washington State University to perform research in conjunction with the university. For the purpose of reviewing any application for a license and for considering the denial, suspension, revocation, or renewal or denial thereof, of any license, the state liquor control board may consider any prior criminal conduct of the applicant including an administrative violation history record with the state liquor control board and a criminal history record information check. The state liquor control board may submit the criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior arrests and convictions of the individual or individuals who filled out the forms. (c) The state liquor control board may request the appointment of administrative law judges under chapter 34.12 RCW who shall have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under rules and regulations the state liquor control board may adopt.

Where the license has been suspended only, the state liquor control board shall return the license to the licensee at the expiration or termination of the period of suspension. The state liquor control board shall notify all other licensees in the county where the subject licensee has its premises of the suspension or cancellation of the license; and no other licensee or employee of another licensee may allow or cause any marijuana, marijuana concentrates, useable marijuana, or marijuana-infused products to be delivered to or for any person at the premises of the subject licensee.

If the state liquor control board makes an initial decision to deny a license or renewal based on the written objections of an incorporated city or town or county legislative authority, the applicant may request a hearing subject to the applicable provisions of Title 34 RCW. If a hearing is held at the request of the applicant, state liquor control board representatives shall present and defend the state liquor control board's initial decision to deny a license or renewal.

(d) Upon the granting of a license under this title the state liquor control board shall send written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns.

SSB 5163

Prime Sponsor, Committee on Early Learning & K-12 Education: Providing for educational data on students from military families. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that, nationally, nearly two million students are from military families, where one or more parent or guardian serves in the United States armed forces, reserves, or national guard. There are approximately one hundred thirty-six thousand military families in Washington state.

(2) The legislature further finds that a United States government accountability office study in 2011 identified that it is not possible to monitor educational outcomes for students from military families due to the lack of a student identifier in state educational data systems. Such an identifier is needed to allow educators and policymakers to monitor critical elements of education success, including academic progress and proficiency, special and advanced program participation, mobility and dropout rates, and patterns over time across states and school districts. Reliable information about student performance will assist educators in more effectively transitioning students to a new school and enable school districts to discover and implement best practices.

Sec. 2. RCW 28A.300.505 and 2007 c 401 s 5 are each amended to read as follows:

(1) The office of the superintendent of public instruction shall develop standards for school data systems that focus on validation

and verification of data entered into the systems to ensure accuracy and compatibility of data. The standards shall address but are not limited to the following topics:

- (a) Date validation;
- (b) Code validation, which includes gender, race or ethnicity, and other code elements;
- (c) Decimal and integer validation; and
- (d) Required field validation as defined by state and federal requirements.

(2) The superintendent of public instruction shall develop a reporting format and instructions for school districts to collect and submit data that must include:

(a) Data on student demographics that is disaggregated by distinct ethnic categories within racial subgroups so that analyses may be conducted on student achievement using the disaggregated data; and

(b) Starting no later than the 2016-17 school year, data on students from military families. The K-12 data governance group established in RCW 28A.300.507 must develop best practice guidelines for the collection and regular updating of this data on students from military families. Collection and updating of this data must use the United States department of education 2007 race and ethnicity reporting guidelines, including the subracial and subethnic categories within those guidelines, with the following modifications:

(i) Further disaggregation of the Black category to differentiate students of African origin and students native to the United States with African ancestors;

(ii) Further disaggregation of countries of origin for Asian students;

(iii) Further disaggregation of the White category to include subethnic categories for Eastern European nationalities that have significant populations in Washington; and

(iv) For students who report as multiracial, collection of their racial and ethnic combination of categories.

(3) For the purposes of this section, "students from military families" means the following categories of students, with data to be collected and submitted separately for each category:

(a) Students with a parent or guardian who is a member of the active duty United States armed forces; and

(b) Students with a parent or guardian who is a member of the reserves of the United States armed forces or a member of the Washington national guard.

NEW SECTION. Sec. 3. Using the definitions in RCW 28A.300.505, the office of the superintendent of public instruction shall conduct an analysis of the average number of students from military families who are special education students. The data reported must include state, district, and school-level information. To protect the privacy of students, the data from schools and districts that have fewer than ten students from military families who are special education students shall not be reported. The office of the superintendent of public instruction shall report its analysis to the appropriate committees of the legislature by December 31, 2017."

Correct the title.

(1) The superintendent of public instruction shall develop essential academic learning requirements that identify the knowledge and skills all public school students need to know and be able to do based on the student learning goals in RCW 28A.150.210, develop student assessments, and implement the accountability recommendations and requests regarding assistance, rewards, and recognition of the state board of education.

(2) The superintendent of public instruction shall:

(a) Periodically revise the essential academic learning requirements, as needed, based on the student learning goals in RCW 28A.150.210. Goals one and two shall be considered primary. To the maximum extent possible, the superintendent shall integrate goal four and the knowledge and skill areas in the other goals in the essential academic learning requirements; and

(b) Review and prioritize the essential academic learning requirements and identify, with clear and concise descriptions, the grade level content expectations to be assessed on the statewide student assessment and used for state or federal accountability purposes. The review, prioritization, and identification shall result in more focus and targeting with an emphasis on depth over breadth in the number of grade level content expectations assessed at each grade level. Grade level content expectations shall be articulated over the grades as a sequence of expectations and performances that are logical, build with increasing depth after foundational knowledge and skills are acquired, and reflect, where appropriate, the sequential nature of the discipline. The office of the superintendent of public instruction, within seven working days, shall post on its web site any grade level content expectations provided to an assessment vendor for use in constructing the statewide student assessment.

(3)(a) In consultation with the state board of education, the superintendent of public instruction shall maintain and continue to develop and revise a statewide academic assessment system in the content areas of reading, writing, mathematics, and science for use in the elementary, middle, and high school years designed to determine if each student has mastered the essential academic learning requirements identified in subsection (1) of this section. School districts shall administer the assessments under guidelines adopted by the superintendent of public instruction. The academic assessment system may include a variety of assessment methods, including criterion-referenced and performance-based measures.

(b) Effective with the 2009 administration of the Washington assessment of student learning and continuing with the statewide student assessment, the superintendent shall redesign the assessment in the content areas of reading, mathematics, and science in all grades except high school by shortening test administration and reducing the number of short answer and extended response questions.

(c) By the 2014-15 school year, the superintendent of public instruction, in consultation with the state board of education, shall modify the statewide student assessment system to transition to assessments developed with a multistate consortium, as provided in this subsection:

(i) The assessments developed with a multistate consortium to assess student proficiency in English language arts and mathematics shall be administered beginning in the 2014-15 school year. The reading and writing assessments shall not be administered by the superintendent of public instruction or schools after the 2013-14 school year.

(ii) The high school assessments in English language arts and mathematics in (c)(i) of this subsection shall be used for the purposes of earning a certificate of academic achievement for high school graduation under the timeline established in RCW 28A.655.061 and for assessing student career and college readiness.

(iii) During the transition period specified in RCW 28A.655.061, the superintendent of public instruction shall use test items and other resources from the consortium assessment to develop and administer a tenth grade high school English language arts assessment, an end-of-course mathematics assessment to assess the standards common to algebra I and integrated mathematics I, and an end-of-course mathematics assessment to assess the standards common to geometry and integrated mathematics II.

(4) If the superintendent proposes any modification to the essential academic learning requirements or the statewide assessments, then the superintendent shall, upon request, provide opportunities for the education committees of the house of representatives and the senate to review the assessments and proposed modifications to the essential academic learning requirements before the modifications are adopted.

(5) The assessment system shall be designed so that the results under the assessment system are used by educators as tools to evaluate instructional practices, and to initiate appropriate educational support for students who have not mastered the essential academic learning requirements at the appropriate periods in the student's educational development.

(6) By September 2007, the results for reading and mathematics shall be reported in a format that will allow parents and teachers to determine the academic gain a student has acquired in those content areas from one school year to the next.

The superintendent shall also provide to school districts:

(a) Information on classroom-based and other assessments that may provide additional achievement information for individual students; and

(b) A collection of diagnostic tools that educators may use to evaluate the academic status of individual students. The tools shall be designed to be inexpensive, easily administered, and quickly and easily scored, with results provided in a format that may be easily shared with parents and students.

(8) To the maximum extent possible, the superintendent shall integrate knowledge and skill areas in development of the assessments.

(9) Assessments for goals three and four of RCW 28A.150.210 shall be integrated in the essential academic learning requirements and assessments for goals one and two.

(10) The superintendent shall develop assessments that are directly related to the essential academic learning requirements, and are not biased toward persons with different learning styles, racial or ethnic backgrounds, or on the basis of gender.

(11) The superintendent shall consider methods to address the unique needs of special education students when developing the assessments under this section.

(12) The superintendent shall consider methods to address the unique needs of highly capable students when developing the assessments under this section.

(13) The superintendent shall post on the superintendent's web site lists of resources and model assessments in social studies, the arts, and health and fitness.

E2SSB 5564 Prime Sponsor, Committee on Ways & Means: Concerning the sealing of juvenile records and fines imposed in juvenile cases. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that requiring juvenile offenders to pay all legal financial obligations before being eligible to have a juvenile record administratively sealed disproportionately affects youth based on their socioeconomic status. Juveniles who cannot afford to pay their legal financial obligations cannot seal their juvenile records once they turn eighteen and oftentimes struggle to find employment. By eliminating most nonrestitution legal financial obligations for

juveniles convicted of less serious crimes, juvenile offenders will be better able to find employment and focus on making restitution payments first to the actual victim. This legislation is intended to help juveniles understand the consequences of their actions and the harm that those actions have caused others without placing insurmountable burdens on juveniles attempting to become productive members of society. Depending on the juvenile's ability to pay, and upon the consent of the victim, courts should also strongly consider ordering community restitution in lieu of paying restitution where appropriate.

Sec. 2. RCW 13.50.010 and 2014 c 175 s 2 and 2014 c 117 s 5 are each reenacted and amended to read as follows:

(1) For purposes of this chapter:

(a) "Good faith effort to pay" means a juvenile offender has either (i) paid the principal amount in full; (ii) made at least eighty percent of the value of full monthly payments within the period from disposition or deferred disposition until the time the amount of restitution owed is under review; or (iii) can show good cause why he or she paid an amount less than eighty percent of the value of full monthly payments;

(b) "Juvenile justice or care agency" means any of the following: Police, diversion units, court, prosecuting attorney, defense attorney, detention center, attorney general, the legislative children's oversight committee, the office of the family and children's ombuds, the department of social and health services and its contracting agencies, schools; persons or public or private agencies having children committed to their custody; and any placement oversight committee created under RCW 72.05.415;

~~((b))~~ (c) "Official juvenile court file" means the legal file of the juvenile court containing the petition or information, motions, memorandums, briefs, findings of the court, and court orders;

~~((c))~~ (d) "Records" means the official juvenile court file, the social file, and records of any other juvenile justice or care agency in the case;

~~((d))~~ (e) "Social file" means the juvenile court file containing the records and reports of the probation counselor.

(2) Each petition or information filed with the court may include only one juvenile and each petition or information shall be filed under a separate docket number. The social file shall be filed separately from the official juvenile court file.

(3) It is the duty of any juvenile justice or care agency to maintain accurate records. To this end:

(a) The agency may never knowingly record inaccurate information. Any information in records maintained by the department of social and health services relating to a petition filed pursuant to chapter 13.34 RCW that is found by the court to be false or inaccurate shall be corrected or expunged from such records by the agency;

(b) An agency shall take reasonable steps to assure the security of its records and prevent tampering with them; and

(c) An agency shall make reasonable efforts to insure the completeness of its records, including action taken by other agencies with respect to matters in its files.

(4) Each juvenile justice or care agency shall implement procedures consistent with the provisions of this chapter to facilitate inquiries concerning records.

(5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of

justice or in the best interests of the juvenile the records or parts of them should remain confidential.

(6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.

(7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment. The court may also permit inspection by or release to individuals or agencies, including juvenile justice advisory committees of county law and justice councils, engaged in legitimate research for educational, scientific, or public purposes. Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) The court shall release to the caseload forecast council the records needed for its research and data-gathering functions. Access to caseload forecast data may be permitted by the council for research purposes only if the anonymity of all persons mentioned in the records or information will be preserved.

(10) Juvenile detention facilities shall release records to the caseload forecast council upon request. The commission shall not disclose the names of any juveniles or parents mentioned in the records without the named individual's written permission.

(11) Requirements in this chapter relating to the court's authority to compel disclosure shall not apply to the legislative children's oversight committee or the office of the family and children's ombuds.

(12) For the purpose of research only, the administrative office of the courts shall maintain an electronic research copy of all records in the judicial information system related to juveniles. Access to the research copy is restricted to the Washington state center for court research. The Washington state center for court research shall maintain the confidentiality of all confidential records and shall preserve the anonymity of all persons identified in the research copy. The research copy may not be subject to any records retention schedule and must include records destroyed or removed from the judicial information system pursuant to RCW 13.50.270 and 13.50.100(3).

(13) The court shall release to the Washington state office of public defense records needed to implement the agency's oversight, technical assistance, and other functions as required by RCW 2.70.020. Access to the records used as a basis for oversight, technical assistance, or other agency functions is restricted to the Washington state office of public defense. The Washington state office of public defense shall maintain the confidentiality of all confidential information included in the records.

Sec. 3. RCW 13.50.260 and 2014 c 175 s 4 are each amended to read as follows:

(1)(a) The court shall hold regular sealing hearings. During these regular sealing hearings, the court shall administratively seal an individual's juvenile ~~((court))~~ record pursuant to the requirements of this subsection unless the court receives an objection to sealing or the court notes a compelling reason not to seal, in which case, the court shall set a contested hearing to be

conducted on the record to address sealing. ~~((The respondent and his or her attorney shall be given at least eighteen days' notice of any contested sealing hearing and the opportunity to respond to any objections, but the respondent's presence is not required at any sealing hearing pursuant to this subsection.))~~ Although the juvenile record shall be sealed, the social file may be available to any juvenile justice or care agency when an investigation or case involving the juvenile subject of the records is being prosecuted by the juvenile justice or care agency or when the juvenile justice or care agency is assigned the responsibility of supervising the juvenile. The contested hearing shall be set no sooner than eighteen days after notice of the hearing and the opportunity to object has been sent to the juvenile, the victim, and juvenile's attorney. The juvenile respondent's presence is not required at a sealing hearing pursuant to this subsection.

(b) At the disposition hearing of a juvenile offender, the court shall schedule an administrative sealing hearing to take place during the first regularly scheduled sealing hearing after the latest of the following events that apply:

(i) The respondent's eighteenth birthday;

(ii) Anticipated completion of a respondent's probation, if ordered;

(iii) Anticipated release from confinement at the juvenile rehabilitation administration, or the completion of parole, if the respondent is transferred to the juvenile rehabilitation administration.

(c) A court shall enter a written order sealing an individual's juvenile court record pursuant to this subsection if:

(i) One of the offenses for which the court has entered a disposition is not at the time of commission of the offense:

(A) A most serious offense, as defined in RCW 9.94A.030;

(B) A sex offense under chapter 9A.44 RCW; or

(C) A drug offense, as defined in RCW 9.94A.030; and

(ii) The respondent has completed the terms and conditions of disposition, including affirmative conditions and ~~((financial obligations))~~ has paid the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any insurance provider authorized under Title 48 RCW.

(d) Following a contested sealing hearing on the record after an objection is made pursuant to (a) of this subsection, the court shall enter a written order sealing the juvenile court record unless the court determines that sealing is not appropriate.

(2) The court shall enter a written order immediately sealing the official juvenile court record upon the acquittal after a fact finding or upon the dismissal of charges with prejudice, subject to the state's right, if any, to appeal the dismissal.

(3) If a juvenile court record has not already been sealed pursuant to this section, in any case in which information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to RCW 13.50.050(13), order the sealing of the official juvenile court record, the social file, and records of the court and of any other agency in the case.

(4)(a) The court shall grant any motion to seal records for class A offenses made pursuant to subsection (3) of this section if:

(i) Since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in an adjudication or conviction;

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;

(5) **Violation.** (a) Any negligent violation of this section is a gross misdemeanor.

(b) Any intentional violation of this section is a class C felony.

NEW SECTION. Sec. 5. A new section is added to chapter 13.40 RCW to read as follows:

Cities, towns, and counties may not impose any legal financial obligations, fees, fines, or costs associated with juvenile offenses unless there is express statutory authority for those legal financial obligations, fees, fines, or costs.

Sec. 6. RCW 13.40.190 and 2014 c 175 s 7 are each amended to read as follows:

(1)(a) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted.

(b) Restitution may include the costs of counseling reasonably related to the offense.

(c) The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter.

(d) The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. If the court determines that a juvenile has insufficient funds to pay and upon agreement of the victim, the court may order performance of a number of hours of community restitution in lieu of monetary penalty, at the rate of the then state minimum wage per hour. The court shall allow the victim to determine the nature of the community restitution to be completed when it is practicable and appropriate to do so. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth

birthday and, during this period, the restitution portion of the dispositional order may be modified as to amount, terms, and conditions at any time. Prior to the expiration of the ten-year period, the juvenile court may extend the judgment for the payment of restitution for an additional ten years. If the court grants a respondent's petition pursuant to RCW 13.50.260, the court's jurisdiction under this subsection shall terminate.

(e) Nothing in this section shall prevent a respondent from petitioning the court pursuant to RCW 13.50.260 if the respondent has paid the full restitution amount stated in the court's order and has met the statutory criteria.

(f) If the respondent participated in the crime with another person or other persons, ~~((all such participants shall be jointly and severally responsible for the payment of restitution))~~ the court may either order joint and several restitution or may divide restitution equally among the respondents. In determining whether restitution should be joint and several or equally divided, the court shall consider the interest and circumstances of the victim or victims, the circumstances of the respondents, and the interest of justice.

(g) At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution to the insurance provider ~~((and could not reasonably acquire the means to pay the insurance provider the restitution over a ten year period)).~~

(2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.

(3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. The county clerk shall make restitution disbursements to victims prior to payments to any insurance provider under Title 48 RCW.

(4) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.

(5) A respondent under obligation to pay restitution may petition the court for modification of the restitution order for good cause shown, including inability to pay.

Sec. 7. RCW 13.40.192 and 1997 c 121 s 7 are each amended to read as follows:

(1) If a juvenile is ordered to pay legal financial obligations, including fines, penalty assessments, attorneys' fees, court costs, and restitution, the money judgment remains enforceable for a period of ten years. When the juvenile reaches the age of eighteen years or at the conclusion of juvenile court jurisdiction, whichever occurs later, the superior court clerk must docket the remaining balance of the juvenile's legal financial obligations in the same

manner as other judgments for the payment of money. The judgment remains valid and enforceable until ten years from the date of its imposition. The clerk of the superior court may seek extension of the judgment for legal financial obligations, including crime victims' assessments, in the same manner as RCW 6.17.020 for purposes of collection as allowed under RCW 36.18.190.

(2) A respondent under obligation to pay legal financial obligations other than restitution, the victim penalty assessment set forth in RCW 7.68.035, or the crime laboratory analysis fee set forth in RCW 43.43.690 may petition the court for modification or relief from those legal financial obligations and interest accrued on those obligations for good cause shown, including inability to pay. The court shall consider factors such as, but not limited to incarceration and a respondent's other debts, including restitution, when determining a respondent's ability to pay.

Sec. 8. RCW 7.68.035 and 2011 c 336 s 246 are each amended to read as follows:

(1)(a) When any person is found guilty in any superior court of having committed a crime, except as provided in subsection (2) of this section, there shall be imposed by the court upon such convicted person a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be five hundred dollars for each case or cause of action that includes one or more convictions of a felony or gross misdemeanor and two hundred fifty dollars for any case or cause of action that includes convictions of only one or more misdemeanors.

(b) When any juvenile is adjudicated of ~~((any offense in any juvenile offense disposition under Title 13 RCW, except as provided in subsection (2) of this section))~~ an offense that is a most serious offense as defined in RCW 9.94A.030, or a sex offense under chapter 9A.44 RCW, there shall be imposed upon the juvenile offender a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be one hundred dollars for each case or cause of action ~~((that includes one or more adjudications for a felony or gross misdemeanor and seventy five dollars for each case or cause of action that includes adjudications of only one or more misdemeanors)).~~

(c) When any juvenile is adjudicated of an offense which has a victim, and which is not a most serious offense as defined in RCW 9.94A.030 or a sex offense under chapter 9A.44 RCW, the court shall order up to seven hours of community restitution, unless the court finds that such an order is not practicable for the offender. This community restitution must be imposed consecutively to any other community restitution the court imposes for the offense.

(2) The assessment imposed by subsection (1) of this section shall not apply to motor vehicle crimes defined in Title 46 RCW except those defined in the following sections: RCW 46.61.520, 46.61.522, 46.61.024, 46.52.090, 46.70.140, 46.61.502, 46.61.504, 46.52.101, 46.20.410, 46.52.020, 46.10.495, 46.09.480, 46.61.5249, 46.61.525, 46.61.685, 46.61.530, 46.61.500, 46.61.015, 46.52.010, 46.44.180, 46.10.490(2), and 46.09.470(2).

(3) When any person accused of having committed a crime posts bail in superior court pursuant to the provisions of chapter 10.19 RCW and such bail is forfeited, there shall be deducted from the proceeds of such forfeited bail a penalty assessment, in addition to any other penalty or fine imposed by law, equal to the assessment which would be applicable under subsection (1) of this section if the person had been convicted of the crime.

(4) Such penalty assessments shall be paid by the clerk of the superior court to the county treasurer who shall monthly transmit the money as provided in RCW 10.82.070. Each county shall deposit fifty percent of the money it receives per case or cause of action under subsection (1) of this section and retains under RCW 10.82.070, not less than one and seventy-five one-hundredths

percent of the remaining money it retains under RCW 10.82.070 and the money it retains under chapter 3.62 RCW, and all money it receives under subsection (7) of this section into a fund maintained exclusively for the support of comprehensive programs to encourage and facilitate testimony by the victims of crimes and witnesses to crimes. A program shall be considered "comprehensive" only after approval of the department upon application by the county prosecuting attorney. The department shall approve as comprehensive only programs which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime and that such funds supplement, not supplant, existing local funding levels;

(b) Are administered by the county prosecuting attorney either directly through the prosecuting attorney's office or by contract between the county and agencies providing services to victims of crime;

(c) Make a reasonable effort to inform the known victim or his or her surviving dependents of the existence of this chapter and the procedure for making application for benefits;

(d) Assist victims in the restitution and adjudication process; and

(e) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under this chapter.

Before a program in any county west of the Cascade mountains is submitted to the department for approval, it shall be submitted for review and comment to each city within the county with a population of more than one hundred fifty thousand. The department will consider if the county's proposed comprehensive plan meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county.

(5) Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. If a county prosecuting attorney has failed to obtain approval of a program from the department under subsection (4) of this section or failed to obtain approval of a comprehensive program within one year after submission of a letter of intent under this section, the county treasurer shall monthly transmit one hundred percent of the money deposited by the county under subsection (4) of this section to the state treasurer for deposit in the state general fund.

(6) County prosecuting attorneys are responsible to make every reasonable effort to insure that the penalty assessments of this chapter are imposed and collected.

(7) Every city and town shall transmit monthly one and seventy-five one-hundredths percent of all money, other than money received for parking infractions, retained under RCW 3.50.100 and 35.20.220 to the county treasurer for deposit as provided in subsection (4) of this section.

(1) Courts and judicial agencies that maintain a database of juvenile records may provide those records, whether sealed or not, to government agencies for the purpose of carrying out research or data gathering functions. This data may also be linked with records from other agencies or research organizations, provided that any agency receiving or using records under this subsection maintain strict confidentiality of the identity of the juveniles who are the subjects of such records.

(2) Juvenile records, whether sealed or not, can be provided without personal identifiers to researchers conducting legitimate research for educational, scientific, or public purposes, so long as the data is not used by the recipients of the records to identify an individual with a juvenile record.

(4) A defendant ~~((or juvenile offender))~~ who has been sentenced to pay costs and who is not in contumacious default in the payment may at any time petition the court that sentenced the defendant or juvenile offender for remission of the payment of costs or of any unpaid portion. If it appears to the satisfaction of the sentencing court that payment of the amount due will impose

manifest hardship on the defendant~~((s))~~ or the defendant's immediate family~~((, or the juvenile offender))~~, the sentencing court may remit all or part of the amount due in costs, or modify the method of payment under RCW 10.01.170.

(5) The parents or another person legally obligated to support a juvenile offender who has been ordered to pay appellate costs ~~((pursuant to RCW 13.40.145))~~ and who is not in contumacious default in the payment may at any time petition the court that sentenced the juvenile offender for remission of the payment of costs or of any unpaid portion. (2) The court may, on motion by the offender, following the offender's release from total confinement, reduce or waive the interest on legal financial obligations levied as a result of a criminal conviction as follows:

(a) The court shall waive all interest on the portions of the legal financial obligations that are not restitution that accrued during the term of total confinement for the conviction giving rise to the financial obligations, provided the offender shows that the interest creates a hardship for the offender or his or her immediate family;

(b) The court may reduce interest on the restitution portion of the legal financial obligations only if the principal has been paid in full;

(c) The court may otherwise reduce or waive the interest on the portions of the legal financial obligations that are not restitution if the offender shows that he or she has personally made a good faith effort to pay and that the interest accrual is causing a significant hardship. For purposes of this section, "good faith effort" means that the offender has either (i) paid the principal amount in full; or (ii) made at least fifteen monthly payments within an eighteen-month period, excluding any payments mandatorily deducted by the department of corrections;

(d) For purposes of (a) through (c) of this subsection, the court may reduce or waive interest on legal financial obligations only as an incentive for the offender to meet his or her legal financial obligations. The court may grant the motion, establish a payment schedule, and retain jurisdiction over the offender for purposes of reviewing and revising the reduction or waiver of interest.

(3) This section only applies to ~~((persons convicted as adults or adjudicated in juvenile court))~~ adult offenders.

Sec. 24. RCW 10.99.080 and 2004 c 15 s 2 are each amended to read as follows:

(1) All superior courts, and courts organized under Title 3 or 35 RCW, may impose a penalty assessment not to exceed one hundred dollars on any ~~((person))~~ adult offender convicted of a crime involving domestic violence. The assessment shall be in

addition to, and shall not supersede, any other penalty, restitution, fines, or costs provided by law.

(2) Revenue from the assessment shall be used solely for the purposes of establishing and funding domestic violence advocacy and domestic violence prevention and prosecution programs in the city or county of the court imposing the assessment. Revenue from the assessment shall not be used for indigent criminal defense. If the city or county does not have domestic violence advocacy or domestic violence prevention and prosecution programs, cities and counties may use the revenue collected from the assessment to contract with recognized community-based domestic violence program providers.

(3) The assessment imposed under this section shall not be subject to any state or local remittance requirements under chapter 3.46, 3.50, 3.62, 7.68, 10.82, or 35.20 RCW.

(4) For the purposes of this section, "convicted" includes a plea of guilty, a finding of guilt regardless of whether the imposition of the sentence is deferred or any part of the penalty is suspended, or the levying of a fine. For the purposes of this section, "domestic violence" has the same meaning as that term is defined under RCW 10.99.020 and includes violations of equivalent local ordinances.

(5) When determining whether to impose a penalty assessment under this section, judges are encouraged to solicit input from the victim or representatives for the victim in assessing the ability of the convicted offender to pay the penalty, including information regarding current financial obligations, family circumstances, and ongoing restitution.

Sec. 25. RCW 13.40.080 and 2014 c 128 s 5 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:

(a) Community restitution not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. If an assessment identifies mental health or chemical dependency needs, a youth may access up to thirty hours of counseling. The counseling sessions may include services demonstrated to improve behavioral health and reduce recidivism. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, a physician, a counselor, a school, or a treatment provider, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversion unit exercising the option to permit diversion agreements to mandate attendance at up to thirty hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) ~~(A fine, not to exceed one hundred dollars;~~

~~(e))~~ Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

~~((f))~~ (e) Upon request of any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to RCW 13.40.630.

(4) In assessing periods of community restitution to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian. To the extent possible, the court officer shall advise the victims of the juvenile offender of the diversion process, offer victim impact letter forms and restitution claim forms, and involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.

(b) If additional time is necessary for the juvenile to complete restitution to a victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of ~~((a))~~ a civil order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may relieve the juvenile of the requirement to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. If the court relieves the juvenile of the requirement to pay full or partial restitution, the court may order an amount of community restitution that the court deems appropriate. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

(6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(7) Divertees and potential divertees shall be afforded due process in all contacts with a diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the divertee;

(d) The hearing shall be conducted by the juvenile court and shall include:

The county or municipality where the penalty is being imposed shall determine the cost.

(c) **Ignition interlock device substituted for 24/7 sobriety program monitoring.** In any county or city where a 24/7 sobriety program is available and verified by the Washington association of sheriffs and police chiefs, the court shall:

(9) **Driver's license privileges of the defendant.** The license, permit, or nonresident privilege of a person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs must:

(a) **Penalty for alcohol concentration less than 0.15.** If the person's alcohol concentration was less than 0.15, or if for reasons other than the person's refusal to take a test offered under RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

The department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under this subsection for a suspension, revocation, or denial imposed under RCW 46.20.3101 arising out of the same incident.

Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. If so, the court may order that the person's license, permit, or nonresident privilege shall not be revoked, suspended, or denied for that offense. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.

For purposes of this subsection (9), the department shall refer to the driver's record maintained under RCW 46.52.120 when determining the existence of prior offenses.

The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer's motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be

imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), or (iii) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed three hundred sixty-four days.

(13) **Extraordinary medical placement.** An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(3).

The provisions of this section shall not operate to more than double the fine or imprisonment otherwise authorized by this chapter for an offense.

(2) It is not a defense to a prosecution for a violation of this section that the person was unaware that the prohibited conduct took place while in a school or school bus or within one thousand feet of the school or school bus route stop, in a public park, in a public housing project designated by a local governing authority as a drug-free zone, on a public transit vehicle, in a public transit stop shelter, at a civic center designated as a drug-free zone by the local governing authority, or within one thousand feet of the perimeter of a facility designated under subsection (1)(i) of this section, if the local governing authority specifically designates the one thousand foot perimeter.

(3) It is not a defense to a prosecution for a violation of this section or any other prosecution under this chapter that persons under the age of eighteen were not present in the school, the school bus, the public park, the public housing project designated by a local governing authority as a drug-free zone, or the public transit

vehicle, or at the school bus route stop, the public transit vehicle stop shelter, at a civic center designated as a drug-free zone by the local governing authority, or within one thousand feet of the perimeter of a facility designated under subsection (1)(i) of this section, if the local governing authority specifically designates the one thousand foot perimeter at the time of the offense or that school was not in session.

(4) It is an affirmative defense to a prosecution for a violation of this section that the prohibited conduct took place entirely within a private residence, that no person under eighteen years of age or younger was present in such private residence at any time during the commission of the offense, and that the prohibited conduct did not involve delivering, manufacturing, selling, or possessing with the intent to manufacture, sell, or deliver any controlled substance in RCW 69.50.401 for profit. The affirmative defense established in this section shall be proved by the defendant by a preponderance of the evidence. This section shall not be construed to establish an affirmative defense with respect to a prosecution for an offense defined in any other section of this chapter.

(5) In a prosecution under this section, a map produced or reproduced by any municipality, school district, county, transit authority engineer, or public housing authority for the purpose of depicting the location and boundaries of the area on or within one thousand feet of any property used for a school, school bus route stop, public park, public housing project designated by a local governing authority as a drug-free zone, public transit vehicle stop shelter, or a civic center designated as a drug-free zone by a local governing authority, or a true copy of such a map, shall under proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas if the governing body of the municipality, school district, county, or transit authority has adopted a resolution or ordinance approving the map as the official location and record of the location and boundaries of the area on or within one thousand feet of the school, school bus route stop, public park, public housing project designated by a local governing authority as a drug-free zone, public transit vehicle stop shelter, or civic center designated as a drug-free zone by a local governing authority. Any map approved under this section or a true copy of the map shall be filed with the clerk of the municipality or county, and shall be maintained as an official record of the municipality or county. This section shall not be construed as precluding the prosecution from introducing or relying upon any other evidence or testimony to establish any element of the offense. This section shall not be construed as precluding the use or admissibility of any map or diagram other than the one which has been approved by the governing body of a municipality, school district, county, transit authority, or public housing authority if the map or diagram is otherwise admissible under court rule.

Prime Sponsor, Committee on Ways & Means: Concerning delivery and payment for health care services by hospitals for inmates and persons detained by law enforcement. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Any individual in custody for a violent offense or a sex offense as those terms are defined in RCW 9.94A.030 who is brought by, or accompanied by, an officer to a

hospital must continue to be accompanied or otherwise secured by an officer during the time that the individual is receiving care at the hospital. However, this section does not apply to an individual being supervised by the department of corrections if the individual's custody is the result solely of a sanction imposed by the department of corrections, the indeterminate sentence review board, or the court, in response to a violation of conditions.

NEW SECTION. Sec. 2. (1) An individual receiving medical care under this section need not continue to be accompanied or otherwise secured if:

- (a) The individual's medical care provider so indicates; or
- (b) The officer determines, using his or her best judgment, that:

(i) The individual does not present an imminent and significant risk of causing physical harm to themselves or another person;

(ii) There is no longer sufficient evidentiary basis to maintain the individual in custody; or

(iii) In the interest of public safety, the presence of the officer is urgently required at another location and the officer determines, using his or her best judgment and in consultation with his or her supervisor, if available on duty, that the public safety interest outweighs the need to accompany or secure the individual in the hospital.

(2)(a) In the event that a medical care provider determines the individual need not be accompanied or otherwise secured pursuant to subsection (1)(a) of this section, the officer has no ongoing duty to accompany or otherwise secure the individual for the duration of their treatment by the hospital. When a medical care provider indicates that a person need not be accompanied or otherwise secured, the hospital must notify the officer or the officer's designee when the individual is expected to be released by the hospital.

(b) If, after a medical provider indicates that the individual need not be accompanied or otherwise secured pursuant to subsection (1)(a) of this section, the individual demonstrates behavior that presents an imminent and significant risk of causing physical harm to themselves or others and the physical condition of the individual renders the individual capable of causing physical harm to themselves or others, the hospital may request the presence of an officer to guard or otherwise accompany the individual, in which case subsection (1)(a) and (b) of this section still apply.

(3) In the event the officer determines the individual need not be accompanied or otherwise secured pursuant to subsection (1)(b)(i) or (ii) of this section, the officer must notify the medical care provider that the officer is leaving the individual unattended or unsecured, in which case the hospital has no duty to notify the officer when the individual is, or expected to be, released from the hospital.

(4) In the event that the officer is urgently required at another location pursuant to subsection (1)(b)(iii) of this section, the officer must notify the medical care provider or, if an immediate departure is required, other hospital staff member that the officer is leaving the individual unattended or unsecured and make a reasonable effort to ensure a replacement officer or other means of accompanying or securing the individual as soon as reasonably possible under the circumstances. The hospital must notify the officer or the officer's designee if the individual is, or is expected to be, released from the hospital prior to the officer or a replacement officer returning to resume accompanying or otherwise securing the individual.

(5) Except for actions or omissions constituting gross negligence or willful misconduct, the hospital and health care providers as defined in chapter 18.130 RCW are immune from liability, including civil liability, professional conduct sanctions,

and administrative actions resulting from the individual not being accompanied or secured.

NEW SECTION. Sec. 3. In a case where an individual accompanied or otherwise secured by an officer pursuant to this act is waiting for treatment in a hospital emergency department, the hospital shall see the patient in as expeditious a manner as possible, while taking into consideration best triage practices and federal and state legal obligations regarding appropriate screening and treatment of patients.

NEW SECTION. Sec. 4. The provisions of this act do not constitute a special relationship exception to the public duty doctrine. Officers and their employing departments and agencies and representatives are immune from civil liability arising out of the failure to comply with this act, unless it is shown that, in the totality of the circumstances, the officer, employing department, agency, or representative acted with gross negligence or bad faith.

NEW SECTION. Sec. 5. Nothing in this chapter changes the standards of care with regard to the use of restraints on pregnant women or youth in custody as codified in chapters 70.48 and 72.09 RCW.

NEW SECTION. Sec. 6. For purposes of this chapter, "officer" means a law enforcement officer, corrections officer, or guard supplied by a law enforcement or corrections agency.

Sec. 7. RCW 70.02.200 and 2014 c 220 s 7 are each amended to read as follows:

(1) In addition to the disclosures authorized by RCW 70.02.050 and 70.02.210, a health care provider or health care facility may disclose health care information, except for information and records related to sexually transmitted diseases and information related to mental health services which are addressed by RCW 70.02.220 through 70.02.260, about a patient without the patient's authorization, to:

(b) Immediate family members of the patient, including a patient's state registered domestic partner, or any other individual with whom the patient is known to have a close personal relationship, if made in accordance with good medical or other professional practice, unless the patient has instructed the health care provider or health care facility in writing not to make the disclosure;

(c) A health care provider or health care facility who is the successor in interest to the health care provider or health care facility maintaining the health care information;

(ii) Not to disclose the information further, except to accomplish the audit or report unlawful or improper conduct involving fraud in payment for health care by a health care provider or patient, or other unlawful conduct by the health care provider;

(e) Provide directory information, unless the patient has instructed the health care provider or health care facility not to make the disclosure;

(f) Fire, police, sheriff, or other public authority, that brought, or caused to be brought, the patient to the health care facility or health care provider if the disclosure is limited to the patient's name, residence, sex, age, occupation, condition, diagnosis, estimated or actual discharge date, or extent and location of

injuries as determined by a physician, and whether the patient was conscious when admitted;

(g) Federal, state, or local law enforcement authorities and the health care provider, health care facility, or third-party payor believes in good faith that the health care information disclosed constitutes evidence of criminal conduct that occurred on the premises of the health care provider, health care facility, or third-party payor;

(h) Another health care provider, health care facility, or third-party payor for the health care operations of the health care provider, health care facility, or third-party payor that receives the information, if each entity has or had a relationship with the patient who is the subject of the health care information being requested, the health care information pertains to such relationship, and the disclosure is for the purposes described in RCW 70.02.010(17) (a) and (b); ~~((and))~~

(i) An official of a penal or other custodial institution in which the patient is detained; and

(j) Any law enforcement officer, corrections officer, or guard supplied by a law enforcement or corrections agency who is accompanying a patient pursuant to section 1 of this act, only to the extent the disclosure is incidental to the fulfillment of the role of the law enforcement officer, corrections officer, or guard under section 1 of this act.

(2) In addition to the disclosures required by RCW 70.02.050 and 70.02.210, a health care provider shall disclose health care information, except for information related to sexually transmitted diseases and information related to mental health services which are addressed by RCW 70.02.220 through 70.02.260, about a patient without the patient's authorization if the disclosure is:

(a) To federal, state, or local law enforcement authorities to the extent the health care provider is required by law;

(b) To federal, state, or local law enforcement authorities, upon receipt of a written or oral request made to a nursing supervisor, administrator, or designated privacy official, in a case in which the patient is being treated or has been treated for a bullet wound, gunshot wound, powder burn, or other injury arising from or caused by the discharge of a firearm, or an injury caused by a knife, an ice pick, or any other sharp or pointed instrument which federal, state, or local law enforcement authorities reasonably believe to have been intentionally inflicted upon a person, or a blunt force injury that federal, state, or local law enforcement authorities reasonably believe resulted from a criminal act, the following information, if known:

(i) The name of the patient;

(ii) The patient's residence;

(iii) The patient's sex;

(iv) The patient's age;

(v) The patient's condition;

(vi) The patient's diagnosis, or extent and location of injuries as determined by a health care provider;

(vii) Whether the patient was conscious when admitted;

(viii) The name of the health care provider making the determination in (b)(v), (vi), and (vii) of this subsection;

(ix) Whether the patient has been transferred to another facility; and

(x) The patient's discharge time and date;

(c) Pursuant to compulsory process in accordance with RCW 70.02.060.

Sec. 8. RCW 70.48.130 and 2011 1st sp.s. c 15 s 85 are each amended to read as follows:

(1) It is the intent of the legislature that all jail inmates receive appropriate and cost-effective emergency and necessary medical care. Governing units, the health care authority, and medical care providers shall cooperate to achieve the best rates consistent with adequate care.

(2) Payment for emergency or necessary health care shall be by the governing unit, except that the health care authority shall directly reimburse the provider pursuant to chapter 74.09 RCW, in accordance with the rates and benefits established by the authority, if the confined person is eligible under the authority's medical care programs as authorized under chapter 74.09 RCW. After payment by the authority, the financial responsibility for any remaining balance, including unpaid client liabilities that are a condition of eligibility or participation under chapter 74.09 RCW, shall be borne by the medical care provider and the governing unit as may be mutually agreed upon between the medical care provider and the governing unit. In the absence of mutual agreement between the medical care provider and the governing unit, the financial responsibility for any remaining balance shall be borne equally between the medical care provider and the governing unit. Total payments from all sources to providers for care rendered to confined persons eligible under chapter 74.09 RCW shall not exceed the amounts that would be paid by the authority for similar services provided under Title XIX medicaid, unless additional resources are obtained from the confined person.

(3) For inpatient, outpatient, and ancillary services for confined persons that are not paid by the medicaid program pursuant to subsection (2) of this section, unless other rates are agreed to by the governing unit and the hospital, providers of hospital services that are hospitals licensed under chapter 70.41 RCW must accept as payment in full by the governing units the applicable facility's percent of allowed charges rate or fee schedule as determined, maintained, and posted by the Washington state department of labor and industries pursuant to chapter 51.04 RCW.

(4) As part of the screening process upon booking or preparation of an inmate into jail, general information concerning the inmate's ability to pay for medical care shall be identified, including insurance or other medical benefits or resources to which an inmate is entitled. The inmate may also be evaluated for medicaid eligibility and, if deemed potentially eligible, enrolled in medicaid. This information shall be made available to the authority, the governing unit, and any provider of health care services. To the extent that federal law allows, a jail or the jail's designee is authorized to act on behalf of a confined person for purposes of applying for medicaid.

~~((4))~~ (5) The governing unit or provider may obtain reimbursement from the confined person for the cost of health care services not provided under chapter 74.09 RCW, including reimbursement from any insurance program or from other medical benefit programs available to the confined person. Nothing in this chapter precludes civil or criminal remedies to recover the costs of medical care provided jail inmates or paid for on behalf of inmates by the governing unit. As part of a judgment and sentence, the courts are authorized to order defendants to repay all or part of the medical costs incurred by the governing unit or provider during confinement.

~~((5))~~ (6) To the extent that a confined person is unable to be financially responsible for medical care and is ineligible for the authority's medical care programs under chapter 74.09 RCW, or for coverage from private sources, and in the absence of an interlocal agreement or other contracts to the contrary, the governing unit may obtain reimbursement for the cost of such medical services from the unit of government whose law enforcement officers initiated the charges on which the person is being held in the jail: PROVIDED, That reimbursement for the cost of such services shall be by the state for state prisoners being held in a jail who are accused of either escaping from a state facility or of committing an offense in a state facility.

~~((6))~~ (7) There shall be no right of reimbursement to the governing unit from units of government whose law enforcement officers initiated the charges for which a person is being held in the

jail for care provided after the charges are disposed of by sentencing or otherwise, unless by intergovernmental agreement pursuant to chapter 39.34 RCW.

~~((7))~~ (8) Under no circumstance shall necessary medical services be denied or delayed because of disputes over the cost of medical care or a determination of financial responsibility for payment of the costs of medical care provided to confined persons.

~~((8))~~ (9) Nothing in this section shall limit any existing right of any party, governing unit, or unit of government against the person receiving the care for the cost of the care provided.

E2SSB 5688 Prime Sponsor, Committee on Ways & Means: Providing students with skills that promote mental health and well-being and increase academic performance. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The education of children is critically important. In order for children to be ready to learn and ready to ultimately enter the workforce prepared, they need to have academic, social, and emotional skills.

Responsible decision making, self management, healthy relationship skills, and self and social awareness are among the tools students need. These essential skills help improve school climate and reduce bullying, discipline issues, dropout rates, and the educational opportunity gap at the same time as they increase mental well-being, student engagement, and academic performance.

Schools teaching developmentally appropriate interpersonal and decision-making knowledge and skills of social and emotional learning see large increases in academic performance.

Students today experience unfathomable stresses. Over thirty thousand K-12 students are homeless. Thousands experience bullying, depression, abuse, or have witnessed domestic violence or other violence in their communities. Many have lost a parent or suffered a traumatic experience.

Emotions and relationships directly affect how students learn and how they use that learning in other contexts. If a student is anxious, afraid, or worried about other stresses in his or her life, those emotions will interfere with attention, memory, and positive behaviors. By developing social and emotional skills, students will be equipped with tools to overcome barriers to their learning and even find solace in education and going to school.

The legislature is committed to investing in preventative strategies in schools to increase student mental health and well-being in order to support the education of our state's children.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The department of student support services and the department of teaching and learning in the office of the superintendent of public instruction shall convene a work group to recommend comprehensive benchmarks for developmentally appropriate interpersonal and decision-making knowledge and skills of social and emotional learning for grades kindergarten through high school that build upon what is being done in early learning. These benchmarks must include, at every grade level, competencies for at least the following:

(a) Self management. Regulating one's emotions to handle stress, control impulses, and persevere in overcoming obstacles; achieving personal and academic goals; and expressing emotions appropriately;

(b) Self awareness. Accurately assessing one's feelings, interests, and strengths; maintaining a well-grounded sense of self-confidence;

(c) Social awareness. Being able to empathize with others; appreciating individual and group similarities and differences; effectively using family, school, and community resources;

(d) Relationship skills. Interacting cooperatively with others; resisting inappropriate social pressure; dealing effectively with interpersonal conflict; seeking help when needed; and

(e) Responsible decision making. Making decisions based on factors such as ethical standards, safety concerns, social norms, respect for others, and likely consequences; applying decision-making skills to daily situations;

(2) The work group shall also develop:

(a) Guidance for schools, school districts, and educators in promoting developmentally appropriate interpersonal and decision-making knowledge and skills of social and emotional learning that:

(i) Is culturally competent;

(ii) Is linguistically appropriate;

(iii) Provides a positive learning environment for students;

(iv) Is inclusive of parental involvement;
 (v) Promotes school safety and a positive school climate;
 (vi) Includes best practices in assisting students through school transitions between elementary, middle, and high school; and

(vii) Incorporates best practices to address the mental health continuum of children, from mental well-being and mental health to mental illness, and acknowledges research around adverse childhood experiences;

(b) Technical advice on how developmentally appropriate interpersonal and decision-making knowledge and skills of social and emotional learning fits within existing teacher and principal evaluations particularly as it relates to school safety and school climate; and

(c) An implementation plan that provides a framework for incorporating developmentally appropriate interpersonal and decision-making knowledge and skills of social and emotional learning and is aligned with other Washington state education initiatives including college and career readiness, STEM education, twenty-first century skills, and the Washington state learning standards.

(3) To inform the work of the work group, the office of the superintendent of public instruction shall conduct a survey of schools to ascertain how many schools in the state are teaching interpersonal and decision-making knowledge and skills of social and emotional learning and to understand individual districts' capacity to implement these frameworks.

(4) The work group must include persons with expertise in interpersonal and decision-making knowledge and skills of social and emotional learning; child development; job readiness; and mental health; and the following:

(a) One representative from the department of early learning;

(b) One representative each from the student support services and teaching and learning departments within the office of the superintendent of public instruction;

(c) One representative from the educational opportunity gap oversight and accountability committee;

(d) One representative from the office of the education ombuds;

(e) One higher education faculty member with expertise in interpersonal and decision-making knowledge and skills of social and emotional learning;

(f) One currently employed K-12 educator and one currently employed K-12 administrator;

(g) One school counselor, one school psychologist, and one social worker;

(h) One mental health counselor; and

(i) One representative from a school parent organization.

(5) To the greatest extent possible, the members of the work group must reflect the cultural, racial, ethnic, gender, and geographic diversity of Washington state.

(6) The work group may also include one member from each of the two largest caucuses of the senate, appointed by the president of the senate and one member from each of the two largest caucuses of the house of representatives, appointed by the speaker of the house of representatives. Each of the two largest caucuses of the senate and the two largest caucuses of the house of representatives may determine whether or not a member from that caucus will be appointed.

(7) The work group shall consult with: School districts; educational service districts; school administrators; principals; teachers; paraeducators; school counselors; community organizations serving youth; a statewide organization with expertise in interpersonal and decision-making knowledge and skills of social and emotional learning; a statewide organization with expertise in multitiered systems of support; federally

recognized tribes; the state's four ethnic commissions representing the following populations: African-Americans, Hispanic Americans, Asian Americans, and Pacific Islander Americans; and community organizations representing communities of color, immigrant and refugee communities, parents and students, and homeless children and youth.

(8) By October 1, 2016, the work group shall submit a report to the education committees of the legislature, the governor, and the superintendent of public instruction that includes its recommendations for benchmarks, guidance, technical advice, and an implementation plan. The office of the superintendent of public instruction shall make the report available to school districts by including it on the web site.

Sec. 3. RCW 28A.310.500 and 2013 c 197 s 6 are each amended to read as follows:

(1) Each educational service district shall develop and maintain the capacity to offer training for educators and other school district staff on youth suicide screening and referral, and on recognition, initial screening, and response to emotional or behavioral distress in students, including but not limited to indicators of possible substance abuse, violence, and youth suicide. An educational service district may demonstrate capacity by employing staff with sufficient expertise to offer the training or by contracting with individuals or organizations to offer the training. Training may be offered on a fee-for-service basis, or at no cost to school districts or educators if funds are appropriated specifically for this purpose or made available through grants or other sources.

(2) Each educational service district shall develop and maintain the capacity to serve as a convener, trainer, and mentor for educators and other school district staff on social and emotional learning. An educational service district may work with school districts to create a training model that works best for each school district and educational service district. An educational service district may demonstrate capacity by employing staff with sufficient expertise to offer the training or by contracting with individuals or organizations to offer the training. Training shall be offered at no cost to school districts or educators if funds are appropriated specifically for this purpose or made available through grants or other sources."

The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, ~~(until)~~ if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the developmental disabilities administration, the department shall make reasonable efforts to consult with the developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services

must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services

which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 2. RCW 13.34.145 and 2013 c 332 s 3, 2013 c 206 s 1, and 2013 c 173 s 3 are each reenacted and amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. The court shall find, as of the date of the hearing, that the child's placement and plan of care is the best permanency plan for the child and provide compelling reasons why it continues to not be in the child's best interest to (i) return home; (ii) be placed for adoption; (iii) be placed with a legal guardian; or (iv) be placed with a fit and willing relative. If the child is present at the hearing, the court should ask the child about his or her desired permanency outcome.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal.

The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

- (i) The continuing necessity for, and the safety and appropriateness of, the placement;
 - (ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;
 - (iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;
 - (iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;
 - (v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and
 - (vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:
 - (A) Being returned safely to his or her home;
 - (B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;
 - (C) Being placed for adoption;
 - (D) Being placed with a guardian;
 - (E) Being placed in the home of a fit and willing relative of the child; or
 - (F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.
- (5) Following this inquiry, at the permanency planning hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child.
- (a) For purposes of this subsection, "good cause exception" includes but is not limited to the following:
 - (i) The child is being cared for by a relative;
 - (ii) The department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home;
 - (iii) The department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests; ~~((e))~~
 - (iv) The parent is incarcerated, or the parent's prior incarceration is a significant factor in why the child has been in foster care for fifteen of the last twenty-two months, the parent maintains a meaningful role in the child's life, and the department has not documented another reason why it would be otherwise appropriate to file a petition pursuant to this section;
 - (v) Until June 30, 2015, where a parent has been accepted into a dependency treatment court program or long-term substance abuse or dual diagnoses treatment program and is demonstrating compliance with treatment goals; or
 - (vi) Until June 30, 2015, where a parent who has been court ordered to complete services necessary for the child's safe return

home files a declaration under penalty of perjury stating the parent's financial inability to pay for the same court-ordered services, and also declares the department was unwilling or unable to pay for the same services necessary for the child's safe return home.

(b) The court's assessment of whether a parent who is incarcerated maintains a meaningful role in the child's life may include consideration of the following:

- (i) The parent's expressions or acts of manifesting concern for the child, such as letters, telephone calls, visits, and other forms of communication with the child;
 - (ii) The parent's efforts to communicate and work with the department or supervising agency or other individuals for the purpose of complying with the service plan and repairing, maintaining, or building the parent-child relationship;
 - (iii) A positive response by the parent to the reasonable efforts of the department or the supervising agency;
 - (iv) Information provided by individuals or agencies in a reasonable position to assist the court in making this assessment, including but not limited to the parent's attorney, correctional and mental health personnel, or other individuals providing services to the parent;
 - (v) Limitations in the parent's access to family support programs, therapeutic services, and visiting opportunities, restrictions to telephone and mail services, inability to participate in foster care planning meetings, and difficulty accessing lawyers and participating meaningfully in court proceedings; and
 - (vi) Whether the continued involvement of the parent in the child's life is in the child's best interest.
- (c) The constraints of a parent's current or prior incarceration and associated delays or barriers to accessing court-mandated services may be considered in rebuttal to a claim of aggravated circumstances under RCW 13.34.132(4)~~((e))~~ (h) for a parent's failure to complete available treatment.
- (6)(a) If the permanency plan identifies independent living as a goal, the court at the permanency planning hearing shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.
- (b) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.
- (c) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.
- (7) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:
- (a) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and
 - (b) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.
- (8) In all cases, at the permanency planning hearing, the court shall:
- (a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or
 - (ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(9) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(10) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(11) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(12) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(13) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (12) of this section are met.

(14) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(15) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(16) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter."

Prime Sponsor, Committee on Agriculture, Water & Rural Economic Development: Concerning livestock transaction reporting. Reported by Committee on Agriculture & Natural Resources

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. A new section is added to chapter 16.57 RCW to read as follows:

(1)(a) The director may establish an electronic cattle transaction reporting system as a mechanism for reporting transactions involving unbranded dairy cattle to the department. The system may be used as an alternative to mandatory inspections under RCW 16.57.160. However, it may only be used as an alternative for unbranded dairy cattle that are individually identified through an identification method authorized by the department. All other livestock transactions are subject to the provisions of RCW 16.57.160.

(b) Pursuant to criteria established by the director by rule, a cattle transaction described in (a) of this subsection, that would otherwise trigger a mandatory inspection under rules adopted pursuant to RCW 16.57.160, is eligible to report electronically under this section.

(c) Transactions that may be reported electronically include any sale, trade, gift, barter, or any other transaction that constitutes a change of ownership of unbranded dairy cattle.

(2) A person may not electronically report transactions involving unbranded dairy cattle under this section without first obtaining an electronic cattle transaction reporting license from the director. Applicants for an electronic cattle transaction reporting license must submit an application to the department on a form provided by the department and must include an application fee. The amount of the application fee must be established by the director by rule consistent with subsection (8) of this section.

(3) All holders of an electronic cattle transaction reporting license must transmit to the department a record of each transaction containing the unique identification of each individual animal included in the transaction as assigned through a department-authorized identification method. The transmission required under this subsection must be completed no more than twenty-four hours after a qualifying transaction involving unbranded dairy cattle.

(4) All holders of an electronic cattle transaction reporting license must keep accurate records of all transactions involving unbranded dairy cattle and make those records available for inspection by the department upon reasonable request during normal business hours. All records of the licensed property must be retained for at least three years.

(5)(a) The director may enter the property of the holder of an electronic cattle transaction reporting license at any reasonable time to conduct examinations and inspections of cattle and any associated records for movement verification purposes.

(b) It is unlawful for any person to interfere with an examination and inspection of cattle and records performed under this subsection.

(c) If the director is denied access to a property or cattle for the purposes of this subsection, or a person fails to comply with an order of the director, the director may apply to a court of competent jurisdiction for a search warrant. To show that access is denied, the director must file with the court an affidavit or declaration containing a description of all attempts to notify and locate the owner or owner's agent and secure consent.

(6)(a) The director may deny, suspend, or revoke an electronic cattle transaction reporting license issued under this

section if the director finds that an electronic cattle transaction reporting license holder:

- (i) Fails to satisfy the reporting requirements as provided in this section;
 - (ii) Knowingly makes false or inaccurate statements;
 - (iii) Has previously had an electronic cattle transaction reporting license revoked;
 - (iv) Denies entry to property, cattle, or records as provided in subsection (5) of this section; or
 - (v) Violates any other provision of this chapter or any rules adopted under this chapter.
- (b) Any action taken under this subsection must be consistent with the provisions of chapter 34.05 RCW, the administrative procedure act.

(c) If an electronic cattle transaction reporting license is denied, suspended, or revoked, then the mandatory cattle inspection requirements under RCW 16.57.160 apply to any future transactions.

(7) The department must submit an annual report to the legislature, consistent with RCW 43.01.036, that documents all examinations and inspections of cattle and records of electronic cattle transaction reporting license holders performed by the department either since the department's last report or since the adoption of the electronic cattle transaction reporting system. The annual report must also include details regarding any actions the department took following the examinations and inspections. All reports required under this section must be submitted by July 31st of each year.

(8)(a) The director may adopt rules:

- (i) Designating the conditions of licensure under this section and the use of the electronic cattle transaction reporting system authorized by this section;
- (ii) Establishing an initial application fee and a license renewal fee applicable to the electronic cattle transaction reporting license; and
- (iii) Establishing any fees that must be paid by the holder of an electronic cattle transaction reporting license for reporting cattle transactions through the electronic cattle transaction reporting system.

(b) All fees established under this section must, as closely as practicable, cover the cost of the development, maintenance, fee collection, and audit and administrative oversight of the electronic cattle transaction reporting system.

Sec. 2. RCW 16.57.160 and 2013 c 313 s 1 are each amended to read as follows:

(1) The director may adopt rules:

- (a) Designating any point for mandatory inspection of cattle or horses or the furnishing of proof that cattle or horses passing or being transported through the point have been inspected or identified and are lawfully being transported;
- (b) Providing for issuance of individual horse and cattle identification certificates or other means of horse and cattle identification;
- (c) Designating the documents that constitute other satisfactory proof of ownership for cattle and horses. A bill of sale may not be designated as documenting satisfactory proof of ownership for cattle; and
- (d) Designating when inspection certificates, certificates of permit, or other transportation documents required by law or rule must designate a physical address of a destination. Cattle and horses must be delivered or transported directly to the physical address of that destination.

(2) The director may establish a process to electronically report transactions involving unbranded dairy cattle under section 1 of this act as an alternative to the mandatory cattle inspections required by department rule adopted pursuant to this section.

(3) A self-inspection certificate may be accepted as satisfactory proof of ownership for cattle if the director determines that the self-inspection certificate, together with other available documentation, sufficiently establishes ownership. Self-inspection certificates completed after June 10, 2010, are not satisfactory proof of ownership for cattle.

~~((3))~~ (4)(a) Upon request by a milk producer licensed under chapter 15.36 RCW, the department must issue an official individual identification tag to be placed by the producer before the first point of sale on bull calves and free-martins (infertile female calves) under thirty days of age. The fee for each tag is the cost to the department for manufacture, purchase, and distribution of the tag plus the applicable beef commission assessment. As used in this subsection ~~((3))~~ (4), "green tag" means the official individual identification issued by the department.

(b) Transactions involving unbranded dairy breed bull calves or free-martins (infertile female calves) not being moved or transported out of Washington are exempt from inspection requirements under this chapter only if:

- (i) The animal is under thirty days old and has not been previously bought or sold;
- (ii) The seller holds a valid milk producer's license under chapter 15.36 RCW;
- (iii) The sale does not take place at or through a public livestock market or special sale authorized by chapter 16.65 RCW;
- (iv) Each animal is officially identified as provided in (a) of this subsection; and
- (v) A certificate of permit and a bill of sale listing each animal's green tag accompanies the animal to the buyer's location. These documents do not constitute proof of ownership under this chapter.

(c) All fees received under (a) of this subsection, except for the beef commission assessment, must be deposited in the animal disease traceability account in the agricultural local fund created in RCW 43.23.230."

"**Sec. 1.** RCW 13.34.267 and 2014 c 122 s 1 are each amended to read as follows:

(1) In order to facilitate the delivery of extended foster care services, the court, upon the agreement of the youth to participate in the extended foster care program, shall maintain the dependency proceeding for any youth who is dependent in foster care at the age of eighteen years and who, at the time of his or her eighteenth birthday, is:

- (a) Enrolled in a secondary education program or a secondary education equivalency program;

(b) Enrolled and participating in a postsecondary academic or postsecondary vocational program, or has applied for and can demonstrate that he or she intends to timely enroll in a postsecondary academic or postsecondary vocational program;

(e) Not able to engage in any of the activities described in (a) through (d) of this subsection due to a documented medical condition.

(2) If the court maintains the dependency proceeding of a youth pursuant to subsection (1) of this section, the youth is eligible to receive extended foster care services pursuant to RCW 74.13.031, subject to the youth's continuing eligibility and agreement to participate.

(3) A dependent youth receiving extended foster care services is a party to the dependency proceeding. The youth's parent or guardian must be dismissed from the dependency proceeding when the youth reaches the age of eighteen.

The department may establish foster care rates appropriate to the needs of the youth participating in extended foster care services. The department's placement and care authority over a youth receiving extended foster care services is solely for the purpose of providing services and does not create a legal responsibility for the actions of the youth receiving extended foster care services.

(6) The court shall appoint counsel to represent a youth, as defined in RCW 13.34.030(2)(b), in dependency proceedings under this section.

(7) The case plan for and delivery of services to a youth receiving extended foster care services is subject to the review requirements set forth in RCW 13.34.138 and 13.34.145, and should be applied in a developmentally appropriate manner, as they relate to youth age eighteen to twenty-one years. Additionally, the court shall consider:

(a) Whether the youth is safe in his or her placement;

(b) Whether the youth continues to be eligible for extended foster care services;

(c) Whether the current placement is developmentally appropriate for the youth;

(d) The youth's development of independent living skills; and

(e) The youth's overall progress toward transitioning to full independence and the projected date for achieving such transition.

(8) Prior to the review hearing, the youth's attorney shall indicate whether there are any contested issues and may provide additional information necessary for the court's review.

Sec. 2. RCW 74.13.020 and 2013 c 332 s 8 and 2013 c 162 s 5 are each reenacted and amended to read as follows:

Sec. 3. RCW 74.13.031 and 2014 c 122 s 2 are each amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal

custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(8) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(9) The department and supervising agency shall have authority to purchase care for children.

(10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(11)(a) The department and supervising agencies shall provide continued extended foster care services to nonminor dependents who are:

(i) Enrolled in a secondary education program or a secondary education equivalency program;

(ii) Enrolled and participating in a postsecondary academic or postsecondary vocational education program;

(iii) Participating in a program or activity designed to promote employment or remove barriers to employment; ~~((e))~~

~~(iv) (Within amounts appropriated specifically for this purpose.) Engaged in employment for eighty hours or more per month; or~~

(v) Not able to engage in any of the activities described in (a)(i) through (iv) of this subsection due to a documented medical condition.

(b) To be eligible for extended foster care services, the nonminor dependent must have been dependent and in foster care at the time that he or she reached age eighteen years. If the dependency case of the nonminor dependent was dismissed pursuant to RCW 13.34.267, he or she may receive extended foster care services pursuant to a voluntary placement agreement under RCW 74.13.336 or pursuant to an order of dependency issued by the court under RCW 13.34.268. A nonminor dependent whose dependency case was dismissed by the court must have requested extended foster care services before reaching age nineteen years.

(c) The department shall develop and implement rules regarding youth eligibility requirements.

(d) The department shall make efforts to ensure that extended foster care services maximize medicaid reimbursements. This must include the department ensuring that health and mental health extended foster care providers participate in medicaid, unless the condition of the extended foster care youth requires specialty care that is not available among participating medicaid providers or there are no participating medicaid providers in the area. The department shall coordinate other services to maximize federal resources and the most cost-efficient delivery of services to extended foster care youth.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order. The purchase of such care is exempt from the requirements of chapter 74.13B RCW and may be purchased from the federally recognized Indian tribe or tribally licensed child-placing agency, and shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program

offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

- (i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;
- (ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);
- (iii) Parent-child visits;
- (iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and
- (v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 4. A new section is added to chapter 74.13 RCW to read as follows:

With respect to youth who will be aging out of foster care, the children's administration shall invite representatives from the division of behavioral health and recovery, the disability services administration, the economic services administration, and the juvenile justice and rehabilitation administration to the youth's shared planning meeting that occurs between age seventeen and seventeen and one-half that is used to develop a transition plan. It is the responsibility of the children's administration to include these agencies in the shared planning meeting. If foster youth who are the subject of this meeting may qualify for developmental disability services pursuant to Title 71A RCW, the children's administration shall direct these youth to apply for these services and provide assistance in the application process.

NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2015, in the omnibus appropriations act, this act is null and void.
