Subject: COLA increase for Pan 1 retirees

CAUTION:External email.

I am very thankful for my COLA increase of 3% for plan 1 retirees. i retired in 1998 and since that time during most of those years there was no COLA. With the dramatic inflation increase in this last year, I am sure you know that I have lost a lot of buying power. I hope you will support a larger COLA increase (at least 4%) in 2023 and 2024. Thank you.
