POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (635) to the committee striking amendment to SUBSTITUTE SENATE BILL NO. 5078.

"The title of Substitute Senate Bill 5078 is narrow and specific – an act relating to protecting public safety by establishing duties of firearm industry members engaged in the sale, manufacturing, distribution, importing, or marketing of firearms, ammunition, component parts, or accessories, to adopt and implement reasonable controls to prevent the diversion of firearms and related products to straw purchasers, firearm traffickers, unauthorized individuals, and individuals who pose a risk to themselves or others, to prohibit such firearm industry members from creating or maintaining a public nuisance, and providing for investigation and enforcement by the attorney general.
