FIRST DAY

NOON SESSION

Senate Chamber, Olympia
Monday, January 8, 2024

At 12 o'clock noon, pursuant to law, the Senate of the 2024 Regular Session of the Sixty-Eighth Legislature of the State of Washington assembled in the Senate Chamber at the State Capitol. Lieutenant Governor Denny Heck, President of the Senate, called the Senate to order.

The Secretary called the roll and announced to the President that all senators were present.

The Washington State Patrol Honor Guard, composed of Lieutenant Matt Fehler, Trooper Brian Chase, Trooper Ryan Michael, Trooper Kyle Flaig, and Sergeant James Maguire presented the Colors.

The President led the Senate in the Pledge of Allegiance.

The National Anthem was performed by Ms. Amanda Bacon accompanied by American Sign Language students from North Thurston High School in Lacey, led by their teacher Ms. Cathy Boos. Ms. Bacon was a guest of Senator Van De Wege.

Mr. Amit Shah, Founder of the Jain Centre of Washington State, offered the invocation. Mr. Shah was a guest of Senator Dhingra.

REMARKS BY THE PRESIDENT

President Heck: "Welcome back. Senator Saldaña, especially, welcome back. One hundred and thirty-five years ago, fittingly on July 4th, seventy-five people from across the territory of Washington met in the territorial capital just down the street from here. They labored through fifty days of hot and particularly sticky weather, but at the end of that they produced results. And their result was the proposed constitution, the founding document of our state. I would like at this time to acknowledge its display to my left, your right, for the first time in the history of the legislature to be on display in public here. I would invite each and every one of you to take a look at it before you leave. We are especially grateful to your former member and our friend, Secretary of State Steve Hobbs, who made this possible. Secretary Hobbs please stand. Acknowledge him please."

The Senate rose and recognized the Honorable Steve Hobbs, Secretary of State, former member of the Senate, who was present in the south gallery.

President Heck: "And our gratitude to all the archivists who, somewhat reluctantly but ultimately, allowed for Secretary Hobbs to make this decision. Miles Moore was the final territorial governor at the time. He proposed that the constitution go on the ballot shortly thereafter, October 1st, for ratification or rejection. In fact, it was ratified by an almost 4 to 1 margin. I can't think of anything more appropriate than to display it here today to remind ourselves of our purpose and our mission. Our system of government is unique. It's been called 'The Great Experiment,' 'the longest surviving democracy in the world,' and our state is an extension of that. We govern through rule of law - not the whim of an individual - but the rule of law which is your sacred mission to modify and propose changes to, in keeping with our founding document. Thank you again Secretary Hobbs very much. It is a special honor to be able to display that. And, with that, let's get to work."

MOTION

On motion of Senator Pedersen, the Senate advanced to the third order of business.

LETTER OF RESIGNATION

June 20, 2023

Governor Jay Inslee
Office of the Governor
PO Box 40002
Olympia, WA 98504-0002

Dear Governor Inslee:

On June 20 at 9 a.m. I will be sworn into the office of Kitsap County Commissioner, District #1, to fulfill a vacancy left by former County Commissioner Robert Gelder.

I am writing to notify you of my resignation from the Washington State Senate, Legislative District 23, effective August 15, 2023.

Following notification to you, the Chair of the Kitsap County Democratic Party and the Chair of the 23rd Legislative District Democrats, a formal nomination process will begin locally to name my replacement to the State Senate.

Serving in the Washington State Legislature has been a tremendous honor. I am proud of the work I have done to fairly represent the people of Kitsap County and gratified to have had their trust and support. I have dedicated much effort over the past 17 years to lead with optimism and pragmatism, to ensure that our public schools are amply funded, that our forests and waters are conserved, that our fish and wildlife are abundant, and that all Washingtonians are treated with the respect and dignity we all deserve.

As the Chair of the Ways and Means Committee for the past six years, I am proud of the gains we have made in fiscal sustainability, reforming our tax code, investing in public and community health, and leading the nation in climate resilience and pollution reduction investments. It has been my great pleasure to work closely with you and your staff in those endeavors.

There are so many talented and intelligent people working in Washington State, both within our state agencies and as elected leaders. I will miss my legislative work and colleagues, and yet I am very much looking forward to my new, local role where I can roll up my sleeves and directly impact my community.

Thank you for accepting my resignation, dated August 15, 2023.

Sincerely,
/s/
Christine Rolfes
Washington State Senator
23rd Legislative District

FIRST DAY, JANUARY 8, 2024

SECOND AMENDED CONDITIONAL COMMUTATION OF
EDWARD ALLEN STEWARD

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, in 2006, a jury found Edward Allen Steward guilty of FIRST DEGREE KIDNAPPING and SECOND DEGREE ASSAULT in Clallam County Superior Court Cause No. 06-1-00395-0. The convictions followed events in which Mr. Steward, along with two other men, held a man at gunpoint and later held him in their car, forcing the man to make arrangements for Mr. Steward to collect on a drug debt.

WHEREAS, following these events, Mr. Steward's two co-defendants each took plea deals to serve 48 months in prison. Mr. Steward rejected the same plea deal, and at trial, his two co-defendants testified against him. A jury found him guilty, and the court sentenced him to 48 months on the underlying crimes and an additional 19 years on mandatory enhancements.

WHEREAS, in September 2018, the Clemency and Pardons Board reviewed Mr. Steward's clemency petition. The testimony before the Board was that Mr. Steward showed remorse for his past conduct. He had also been accepted into the FareStart program.

WHEREAS, the Clallam County Prosecuting Attorney did not object to Mr. Steward's petition. Mr. Steward's sentencing judge stated that he believed that Mr. Steward's sentence was excessive, and had he had the discretion, he would have sentenced Mr. Steward to a term that more closely mirrored that of his co-defendants.

WHEREAS, the Clemency and Pardons Board unanimously voted to recommend that the Governor commute Mr. Steward's sentence. In March 2019, Mr. Steward received a Conditional Commutation.

WHEREAS, in July 2021, following that Conditional Commutation and while on community supervision, Mr. Steward was found to have possessed and consumed alcohol and drugs, and he associated with known drug users and sellers, violating the terms of his Conditional Commutation. On August 9, 2021, I issued an Amended Conditional Commutation to allow Mr. Steward another opportunity to successfully transition to the community.

WHEREAS, in July 2022, following that Amended Conditional Commutation and while on community supervision, Mr. Steward was found to have consumed drugs and alcohol-behavior that violated the terms of his Amended Conditional Commutation.

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the involved crime, and the favorable recommendation of the Washington State Clemency and Pardons Board, and in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Jay Inslee, by virtue of the power vested in me as Governor of the state of Washington, hereby AMEND the August 9, 2021, AMENDED CONDITIONAL COMMUTATION of Edward Allen Steward's 2006 sentence for his FIRST DEGREE KIDNAPPING and SECOND DEGREE ASSAULT convictions in Clallam County Superior Court Cause No. 06-1-00395-0, conditioned on his written agreement to comply with all terms outlined by DOC, which shall include a new in-custody transition plan, to be completed no later than May 1, 2024. During this in-custody transition period, DOC shall place Mr. Steward directly into a DOC-approved inpatient substance abuse program, where he will be subject to GPS monitoring.

There, Mr. Steward must complete a substance assessment and all inpatient recommendations.

Following the in-custody portion of this transition plan, and upon approval of Mr. Steward's release address, DOC shall release Mr. Steward to begin a new 36-month term of DOC community supervision. Within 30 days of his return to the community, Mr. Steward must continue to follow all assessments and recommendations from his substance abuse program. He must also resume mental health treatments and/or cooccurring treatments while in the community unless a mental health professional recommends otherwise and DOC agrees. This transition plan, designed to support a successful community transition, shall not be eligible for compliance credits. During this period of community supervision, Mr. Steward must also comply with any conditions set forth by DOC. These conditions shall include, but not be limited to the following:

Mr. Steward shall:

1. Obey all laws and abide by all written or verbal conditions, prohibitions, or instructions issued by DOC.
2. Be available for contact with DOC as directed, and consent to DOC home and employment visits and/or searches, including searches of person, automobiles, personal property, electronic devices, or social media accounts.
3. Be subject to GPS monitoring during the first 90 days of his release to community supervision.
4. Obtain DOC-approved employment or enroll in DOC-approved educational or vocational programming and report it to DOC along with changes in status.
5. Reside in DOC-approved housing and obtain DOC permission before changing residences or taking overnight visits away from the DOC-approved residence, even if just for one night.
6. Not travel outside his county of residence without written DOC approval, or remain in, or out of, a given geographical area as directed by DOC.
7. Be subject to DOC curfews.
8. Comply with all applicable judgment and sentence orders.
9. Not operate a motor vehicle without a valid driver's license and registration.
10. Not possess firearms, ammunition, explosives, or dangerous weapons as determined by DOC.
11. Not possess in the home, or use, alcohol or controlled substances, including marijuana or paraphernalia, without a valid physician's prescription and DOC approval.
12. Identify and attend regular sobriety support group meetings as directed by DOC.
13. Not visit bars, taverns, night clubs, or other establishments in which alcohol is the primary commodity being sold, unless approved by DOC.
14. Be subject to regular drug and alcohol testing as directed by DOC.
15. Not associate with known criminals or gang members, as directed by DOC.
16. Report to DOC all law enforcement contacts within 24 hours of occurrence.

PROVIDED, that Mr. Steward shall remain under DOC supervision and explicitly follow the conditions established by DOC during the term of his community supervision. Violation of any of the above conditions shall result in sanctions as deemed appropriate by DOC and may result in the termination of this Second Amended Conditional Commutation as provided below. If Mr. Steward is taken into custody following any alleged violation, DOC shall hold a Community Custody Hearing. DOC may also require Mr. Steward to perform affirmative acts deemed

appropriate to monitor compliance with the conditions and may issue warrants or detain Mr. Steward if he violates a condition.

ADDITIONALLY PROVIDED, that in the event Mr. Steward violates any of the conditions of this Second Amended Conditional Commutation, as determined by the Governor, this Second Amended Conditional Commutation may be revoked or amended and the sentence of the court reinstated, whereupon Mr. Steward will be immediately returned to any facility that the DOC Secretary deems appropriate. If any such violation occurs, DOC shall provide a written report to the Governor regarding the violation. A written notice of the Governor's intent to review the alleged violations and revoke or amend the Second Amended Conditional Commutation may then be mailed to the most recent address Mr. Steward has provided to the Office of the Governor or, if Mr. Steward is in custody, to his place of detention. If within 14 calendar days of the mailing of the notice, Mr. Steward submits a sworn statement made under penalty of perjury that he has, in fact, complied with all conditions of this Second Amended Conditional Commutation, the Governor shall appoint a hearing officer. The hearing officer will provide Mr. Steward an opportunity to be heard and to present witnesses and documentary evidence that he has met all conditions upon which the Second Amended Conditional Commutation is granted.

The hearing officer shall present findings of fact and a transcript of the hearing to the Governor for the Governor's final and conclusive determination on whether Mr. Steward has violated the terms of this Second Amended Conditional Commutation.

ADDITIONALLY PROVIDED, that in the event Mr. Steward is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington, this Second Amended Conditional Commutation may be revoked and the sentence of the court reinstated, whereupon Mr. Steward will be immediately returned to any such facility that the DOC Secretary deems appropriate.

ADDITIONALLY PROVIDED, that Mr. Steward may be detained pending judicial disposition of any new criminal charge or a final determination of whether a condition of this Second Amended Conditional Commutation has been violated, if the Governor determines there are reasonable grounds to believe he has violated the above conditions of this Second Amended Conditional Commutation, reason to be concerned that he would pose a risk to any person or to the community, or that there is a possibility that Mr. Steward may abscond if not detained. If detained, Mr. Steward will be provided a preliminary hearing, as promptly as convenient after arrest, to determine whether there are reasonable grounds to believe he has violated the above conditions.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the state of Washington to be affixed at Olympia this 10th day of April, A.D., two thousand and twenty-three.

AMENDED CONDITIONAL COMMUTATION OF DANIEL J. TASH

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, in 1991, a jury found Daniel J. Tash guilty of AGGRAVATED MURDER in Kitsap County Superior Court Cause No. 91-1-00148-9. This conviction followed events in which Mr. Tash, while intoxicated, entered a drug manufacturer's home to collect on a debt. Finding the drug manufacturer asleep, Tash robbed his home, but when the man later awoke, a panicked Tash used a nearby gun to shoot him dead.

WHEREAS, for this conviction, Mr. Tash was sentenced to life in prison without the possibility of parole, and he has served roughly 30 years.

WHEREAS, in December 2018, the Clemency and Pardons Board reviewed Mr. Tash's clemency petition. The testimony before the Board was that Mr. Tash married while incarcerated over 20 years ago, and if released, planned to join his wife in her home. He also maintained his sobriety during his term of custody.

WHEREAS, the Clemency and Pardons Board unanimously voted to recommend that the Governor commute Mr. Tash's sentence. In 2021, Mr. Tash received a Conditional Commutation.

WHEREAS, one of the conditions of his Conditional Commutation prohibited Mr. Tash from possessing or using controlled substances without a valid physician's prescription and the Department of Correction's (DOC) approval.

WHEREAS, on August 1, 2023, following that Conditional Commutation and while on community supervision, Mr. Tash was contacted by his Community Corrections Officer (CCO) and was found to be in possession of what appeared to be drug paraphernalia and methamphetamine, a violation of the terms of his Conditional Commutation that could result in the revocation of his Conditional Commutation. Mr. Tash initially denied that the paraphernalia and drugs were his, but later told his CCO that he would test positive for methamphetamine if he was tested. A swift and certain response resulted in a three-day jail sentence.

WHEREAS, on August 17, 2023, following that Conditional Commutation and while on community supervision, Mr. Tash submitted a urinalysis and tested abnormally high for methamphetamine (over nine times the testable amount), a violation of the terms of his Conditional Commutation that could result in the revocation of his Conditional Commutation. A hearing was held, and Mr. Tash denied the violation and pleaded not guilty. A hearing officer found him guilty and imposed a 15-day sentence, to be served at the Chehalis County Jail. At the hearing, Mr. Tash indicated he was not willing to engage in chemical dependency treatment but would be willing to attend Narcotics Anonymous meetings.

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, and, in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Jay Inslee, by virtue of the power vested in me as Governor of the state of Washington, hereby AMEND the March 11, 2021, CONDITIONAL COMMUTATION of Daniel J. Tash's 1991 sentence for his AGGRAVATED MURDER conviction in Kitsap County Superior Court Cause No. 91-1-00148-9, conditioned on his written agreement to comply with all terms outlined by DOC, which shall include a new in-custody treatment plan, to successfully complete inpatient substance abuse programming and all required recommendations.

Upon release from custody of the Chehalis County Jail, Mr. Tash will remain in the custody of the DOC. Upon his release from the custody of the Chehalis County Jail into the custody of the DOC, the DOC shall place Mr. Tash into a DOC-approved inpatient substance abuse program. Mr. Tash, through the DOC, must obtain a drug and alcohol assessment. If the assessment recommends treatment, Mr. Tash must enter an inpatient drug

FIRST DAY, JANUARY 8, 2024

and/or alcohol program expeditiously after receiving his assessment. Upon successfully completing any recommended treatment, Mr. Tash's return to community supervision will be taken under consideration again along with recommendations from the DOC regarding terms of supervision. While in the custody of the DOC, Mr. Tash must obey all laws and abide by all written or verbal conditions, prohibitions, or instructions issued by DOC.

ADDITIONALLY PROVIDED, that while I am deeply disappointed in Mr. Tash's recent choices and actions, and the faith and trust I placed in him has been violated, I believe that drug abuse and addiction have potential for recovery. While these choices are his and his alone, I sincerely hope Mr. Tash chooses recovery and abstinence. However, in the event Mr. Tash is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington, or if Mr. Tash fails to successfully complete any recommended treatment, this Amended Conditional Commutation may be revoked and the sentence of the court reinstated, whereupon Mr. Tash will be detained in any such facility that the DOC Secretary deems appropriate for the remainder of his sentence.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the state of Washington to be affixed at Olympia this 25th day of September, A.D., two thousand and twenty-three.

AMENDED CONDITIONAL COMMUTATION OF
ROGELIO VIVANCO VASQUEZ, JR.

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, in 1999, a jury found Rogelio Vivanco Vasquez, Jr. guilty of two counts of SECOND DEGREE ASSAULT WITH A DEADLY WEAPON, two counts of FIRST DEGREE ATTEMPTED ROBBERY, two counts of FIRST DEGREE ROBBERY, two counts of FIRST DEGREE BURGLARY, and one count each of FIREARM THEFT, FIRST DEGREE UNLAWFUL FIREARM POSSESSION, SECOND DEGREE ESCAPE, and ATTEMPT TO ELUDE in Island County Superior Court, Cause No. 98-1-00160-8. These convictions followed events in which Mr. Vasquez, while under the influence of drugs, broke free of his handcuffs during a police transport and attacked his transporting officer, stole his weapon, and tried to steal his patrol car before fleeing on foot. He then broke into two residential homes, physically assaulted residents and threatened others at gunpoint. He eventually stole an automobile and led law enforcement on a high-speed chase.

WHEREAS, Mr. Vasquez was sentenced to over 46 years in prison on these convictions, and he has served over 22 years. His earliest earned release date is 2040.

WHEREAS, in June 2021, the Clemency and Pardons Board reviewed Mr. Vasquez' clemency petition. The testimony before the Board was that Mr. Vasquez started using drugs at age 12, but since June 2006, he has maintained his sobriety. In custody, Mr. Vasquez earned his GED and is halfway to an associate's degree. Upon release, he has employment opportunities and housing options awaiting him.

WHEREAS, Mr. Vasquez' clemency petition was accompanied by the support of the Island County Prosecuting Attorney's Office.

WHEREAS, the Clemency and Pardons Board unanimously voted in June 2021 to recommend that the Governor commute Mr. Vasquez' sentence. In making this recommendation, the Board cited Mr. Vasquez' demonstrated rehabilitation and sobriety, the prosecutor's passionate and persuasive support, and his lengthy sentence for non-homicide offenses.

WHEREAS, in August 2021, after reviewing all pertinent facts and circumstances surrounding this matter, I determined that the best interests of justice would be served by granting Mr.

Vasquez a conditional commutation.

WHEREAS, on August 29, 2023, Mr. Vasquez was arrested for using a controlled substance (Cocaine), on and before August 29, 2023, and for failing to report to the Department of Corrections on or about August 28, 2023, as directed. A "swift and certain" 3-day sanction was imposed, after which he was released from the Monroe Correctional Complex.

WHEREAS, on October 4, 2023, Mr. Vasquez reported to the Mount Vernon Field Office as directed. He provided his community corrections officer (CCO) with a urine sample, which tested positive for Cocaine both in the office and later after lab testing. Mr. Vasquez also signed a "drug/alcohol use admission" statement, indicating he used Cocaine on or about September 30 due to his [drug] addiction. In addition to admitting he used Cocaine on or about September 30, 2023, he also told his CCO that there would likely be drug paraphernalia in the car that he drove to the CCO's office. A spoon covered in white residue was found in the trunk of Mr. Vasquez' car, and the white substance field-tested positive for Cocaine.

FIRST DAY, JANUARY 8, 2024

WHEREAS, on October 5, 2023, Mr. Vasquez was arrested by his CCO for using and possessing a controlled substance (Cocaine) again, and for possessing drug paraphernalia.

WHEREAS, following a hearing on October 17, 2023, Mr. Vasquez was found guilty of using a controlled substance (Cocaine) on or about September 30, 2023, possessing a controlled substance (Cocaine) on or about October 4, 2023, and possessing drug paraphernalia on or about October 4, 2023.

WHEREAS, each one of these violations alone is sufficient grounds to revoke the conditional commutation I granted him in 2021. Notwithstanding the understandable recommendation of the hearings officer that I revoke Mr. Vasquez' commutation and return him to prison for the remainder of his sentence, I must balance the need to hold people accountable for their actions against the goal of helping people overcome their drug addictions and become successful members of our communities.

WHEREAS, after further reviewing all pertinent facts and circumstances surrounding this matter in light of recent facts, I determined that the best interests of justice would be served by this action and amended conditional commutation.

NOW, THEREFORE, I, Jay Inslee, by virtue of the power vested in me as Governor of the state of Washington, hereby AMEND the August 31, 2021, CONDITIONAL COMMUTATION of Rogelio V. Vasquez' 1999 sentence for his two counts of FIRST DEGREE ATTEMPTED ROBBERY, two counts of FIRST DEGREE ROBBERY, two counts of FIRST DEGREE BURGLARY, and one count each of FIREARM THEFT, FIRST DEGREE UNLAWFUL FIREARM POSSESSION, SECOND DEGREE ESCAPE, and ATTEMPT TO ELUDE in Island County Superior Court, Cause No. 98-1-00160-8, conditioned on his written agreement to comply with all terms outlined by DOC, which shall include a new in-custody treatment plan, to successfully complete inpatient substance abuse programming and all required recommendations.

Upon release from custody of the South Correctional Entity ("SCORE jail"), Mr. Vasquez will remain in the custody of the DOC. Upon his release from the custody of the SCORE jail into the custody of the DOC, the DOC shall place Mr. Vasquez into a DOC-approved in-custody inpatient substance abuse program. Mr. Vasquez, through the DOC, must obtain a drug and alcohol assessment. If the assessment recommends treatment, Mr. Vasquez must complete an in-custody substance abuse treatment program expeditiously after receiving his assessment. Upon successfully completing any recommended in custody treatment, Mr. Vasquez's return to community supervision will be taken under consideration again along with recommendations from the DOC regarding terms of supervision. While in the custody of the DOC, Mr. Vasquez must obey all laws and abide by all written or verbal conditions, prohibitions, or instructions issued by DOC.

ADDITIONALLY PROVIDED, I am deeply disappointed in Mr. Vasquez's recent choices and actions, and the faith and trust I placed in him has been violated - not once, but twice. However, I believe that drug abuse and addiction have potential for recovery. I sincerely hope Mr. Vasquez chooses recovery and abstinence. His choices and his actions will determine his future. However, in the event Mr. Vasquez is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington, or if Mr. Vasquez fails to successfully complete any recommended treatment, this Amended Conditional Commutation may be revoked and the sentence of the court reinstated, whereupon Mr. Vasquez will be detained in any such facility that the DOC Secretary deems appropriate for the remainder of his sentence.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the state of Washington to be affixed at Olympia this 12th day of December, A.D., two thousand and twenty-three.

In making this recommendation, the Board cited Mr. Grisby's advanced age, his maturation and rehabilitation over the years, and the testimony of the prosecutor who tried the case who now supports clemency.

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the involved crimes, and the favorable recommendation of the Washington State Clemency and Pardons Board, and in light of the foregoing, I have determined that the best interests of justice will be served by this action.

If Mr. Grisby is taken into custody following any alleged violation, DOC shall hold a Community Custody Hearing. DOC may also require Mr. Grisby to perform affirmative acts deemed appropriate to monitor compliance with the conditions and may issue warrants or detain Mr. Grisby if he violates a condition.

ADDITIONALLY PROVIDED, that in the event Mr. Grisby violates any of the conditions of this Conditional Commutation, as determined by the Governor, this Conditional Commutation may be revoked or amended and the sentence of the court reinstated, whereupon Mr. Grisby will be immediately returned to any facility that the DOC Secretary deems appropriate. If any such violation occurs, DOC shall provide a written report to the Governor regarding the violation. A written notice of the Governor's intent to review the alleged violations and revoke or amend the Conditional Commutation may then be mailed to the most recent address Mr. Grisby has provided to the Office of the Governor or, if Mr. Grisby is in custody, to his place of detention. ADDITIONALLY PROVIDED, that Mr. Grisby may be detained pending judicial disposition of any new criminal charge or a final determination of whether a condition of this Conditional Commutation has been violated, if the Governor determines there are reasonable grounds to believe he has violated the above conditions of this Conditional Commutation, reason to be concerned that he would pose a risk to any person or to the community, or that there is a possibility that Mr. Grisby may abscond if not detained. If detained, Mr. Grisby will be provided a preliminary hearing, as promptly as convenient after arrest, to determine whether there are reasonable grounds to believe he has violated the above conditions.

WHEREAS, Ms. Macas is now 77 years old. She has an ulcer, osteoporosis, high blood pressure, and arthritis. She is classified as a low risk to reoffend.

WHEREAS, the King County Prosecutor's Office acknowledges that, given Ms. Macas' advanced age and lack of infraction history, she is a candidate for a compassionate release from custody.

WHEREAS, over two hearings-in December 2022 and February 2023-the Clemency and Pardons Board reviewed Ms. Macas' clemency petition. The testimony before the Board was that Ms. Macas lived in a physically and emotionally abusive relationship with her much older husband, who was experiencing

dementia at the time of his death. She has maintained her innocence for over 30 years. Upon release, Ms. Macas has a home and support network awaiting her, as well as employment offers.

WHEREAS, the Clemency and Pardons Board voted unanimously to recommend that the governor commute Ms. Macas' sentence. The Board cited Ms. Macas' advanced age and classification as a low-risk to reoffend, the length of time she has spent in prison without any major infractions, and how she has lived in service to others during her incarceration, as well as her strong community support network. And,

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the involved crime, and the favorable recommendation of the Washington State Clemency and Pardons Board and, in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Jay Inslee, by virtue of the power vested in me as Governor of the state of Washington, adopt the recommendation of the Clemency and Pardons Board and hereby COMMUTE Minviluz Dulano Macas' sentence involving her convictions on three counts of AGGRAVATED FIRST DEGREE MURDER, in King County Superior Court, Cause No. 89-1-01251-7, conditioned on her agreement to comply with all terms outlined by the Department of Corrections (DOC) in a transition plan. Under this transition plan, DOC shall have the authority to release Ms. Macas from custody no later than October 1, 2023, after approval of her release plan and completion of all statutorily required notifications. Following her release from custody, Ms. Macas shall serve 36 months of community supervision. This transition plan, designed to support a successful community transition, shall not be eligible for compliance credits. During her time in custody and on community supervision, Ms. Macas must comply with any conditions set by DOC. These conditions shall include, but not be limited to the following:

Ms. Macas shall:

1. Obey all laws and follow standard DOC conditions for supervision and other DOC orders, instructions, or directives;
2. Abide by the terms of her judgment and sentence order;
3. Physically report to DOC at least once per month, regardless of risk, as directed and at the discretion of DOC;

6. Not possess, receive, or transport a firearm, explosive, dangerous weapon, or ammunition as defined and determined by DOC;

9. Remain in, or out of, a given geographical zone as directed by DOC;
10. Report contact with law enforcement to DOC within 24 hours of occurrence or the next business day, whichever is sooner.

PROVIDED, that Ms. Macas shall remain under DOC supervision and explicitly follow the conditions established by that agency during the term of her community supervision. Violation of any of the above conditions shall result in sanctions

as deemed appropriate by DOC and may result in the termination of this Conditional Commutation as provided below. If Ms. Macas is taken into custody following any alleged violation, DOC shall hold a Community Custody Hearing. DOC may also require Ms. Macas to perform affirmative acts deemed appropriate to monitor compliance with the conditions and may issue warrants or detain Ms. Macas if she violates a condition.

ADDITIONALLY PROVIDED, that in the event Ms. Macas violates any of the conditions of this Conditional Commutation, as determined by the governor, this Conditional Commutation may be revoked or amended and the sentence of the court reinstated, whereupon Ms. Macas will be immediately returned to any such facility as the DOC Secretary deems appropriate. If any such violation occurs, DOC shall provide a written report to the governor regarding the violation. A written notice of the governor's intent to review the alleged violation(s) and revoke or amend the Conditional Commutation will then be mailed to the most recent address Ms. Macas has provided to the Office of the Governor or, if Ms. Macas is in custody, to her place of detention. If within 14 calendar days of the mailing of the notice, Ms. Macas submits a sworn statement made under penalty of perjury that she has, in fact, complied with all conditions of this Conditional Commutation, the governor shall appoint a hearing officer. The hearing officer will provide Ms. Macas an opportunity to be heard and to present witnesses and documentary evidence that she has met all conditions upon which the Conditional Commutation is granted. The hearing officer shall present findings of fact and a transcript of the hearing to the governor for the governor's final and conclusive determination on whether Ms. Macas has violated the conditions of this Conditional Commutation.

ADDITIONALLY PROVIDED, that in the event Ms. Macas is convicted anywhere at any time of any offense the elements of which would classify the crime as a gross misdemeanor or felony in the state of Washington, this Conditional Commutation may be revoked and the sentence of the court reinstated, whereupon Ms. Macas will be immediately returned to any such facility that the DOC Secretary deems appropriate.

ADDITIONALLY PROVIDED, that Ms. Macas may be detained pending judicial disposition of any new criminal charge or a final determination of whether a condition of this Conditional Commutation has been violated, if the governor determines there are reasonable grounds to believe she has violated the above conditions of this Conditional Commutation, reason to be concerned that she would pose a risk to any person or to the community, or that there is a possibility that Ms. Macas may abscond if not detained. If detained, Ms. Macas will be provided a preliminary hearing, as promptly as convenient after arrest, to determine whether there are reasonable grounds to believe she has violated the above conditions.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the state of Washington to be affixed at Olympia this 27th day of March, A.D., two thousand and twenty-three.

CONDITIONAL COMMUTATION OF
JOSE JUAN MORA

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, in 1994, a jury found Jose Juan Mora guilty of FIRST DEGREE AGGRAVATED MURDER in Grant County Superior Court Cause No. 94-1-00271-9. This conviction followed events in which an intoxicated Mr. Mora provided an associate with money and a firearm and directed him to attack the victim. When the associate confronted the victim, he shot and killed him.

WHEREAS, the prosecution tried Mr. Mora for aggravated first degree murder on a murder-for-hire theory. Mr. Mora claims that he instructed his associate to assault the victim, not murder him. Mr. Mora's associate received a 20-year sentence for felony murder and was released to the community over a decade ago, while Mr. Mora received a life sentence. Mr. Mora has served over 28 years on this conviction.

WHEREAS, in December 2022, the Clemency and Pardons Board reviewed Mr. Mora's clemency petition. The testimony before the Board stated that had Mr. Mora been convicted of first degree murder-the offense for which his associate was convicted-

he would have faced a standard range sentence less than 28 years. In addition, the record before the Board demonstrated that prosecutors offered Mr. Mora a plea deal to second degree murder, which would have resulted in an even shorter sentence. Mr. Mora also presented testimony that, upon release from prison, he will return to Mexico, where he has family and a support network that has secured him work, housing, and other supports.

WHEREAS, the Clemency and Pardons Board unanimously voted to recommend that the governor commute Mr. Mora's sentence. In making this recommendation, the Board cited Mr. Mora's remorse and demonstrated maturation over his nearly three decades of incarceration, his personal redemption and growth in prison, and his strong support network. And,

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the involved crime, and the favorable recommendation of the Washington State Clemency and Pardons Board, and in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Jay Inslee, by virtue of the power vested in me as Governor of the state of Washington, adopt the recommendation of the Clemency and Pardons Board and hereby COMMUTE Jose Juan Mora's 1994 sentence for FIRST DEGREE AGGRAVATED MURDER in Grant County Superior Court Cause No. 94-1-00271-9, conditioned on his written agreement to comply with all terms outlined by the Department of Corrections (DOC) in the following community transition plan.

Under this plan, DOC shall have the authority to immediately transfer Mr. Mora, following completion of any required statutory notifications, to U.S. Immigration and Customs Enforcement (ICE), where he is subject to a detainer and may face deportation to Mexico.

If ICE releases Mr. Mora to the community pending deportation proceedings, Mr. Mora shall begin serving 36 months of DOC community supervision. This transition plan, designed to support a successful community transition, shall not be eligible for compliance credits. During this period in state custody and under community supervision, Mr. Mora must comply with any conditions set forth by DOC. These conditions shall include, but not be limited to the following:

Mr. Mora shall:

1. Obey all laws and abide by all written or verbal conditions, prohibitions, or instructions issued by DOC.
2. Comply with all applicable judgment and sentence orders.
3. Be available for regular contact with DOC as directed, and consent to DOC home and employment visits and/or searches, including searches of person, automobiles, personal property, electronic devices, shared common living spaces, or social media accounts.
4. Physically report to DOC at least once per month, regardless of risk, as directed and at the discretion of DOC.
5. Obtain a mental health evaluation within 45 days of his release to community supervision and follow recommendations.
6. Obtain DOC-approved employment, or participate in DOC-approved educational, vocational, community service programming, or other regular pro-social activities, and report it to DOC along with changes in status.
7. Reside in DOC-approved housing and obtain DOC permission before changing residences or taking overnight visits away from the DOC-approved residence, even if just for one night.
8. Remain in, or out of, a given geographical zone as directed by DOC.
9. Not operate a motor vehicle without a valid driver's license

- and registration.
10. Not possess firearms, ammunition, explosives, or dangerous weapons, as determined by DOC.
 11. Not associate with known users or sellers of drugs, as determined by DOC.
 12. Not possess in the home, or use, controlled substances, including medications or marijuana or paraphernalia, without a valid physician's prescription and DOC approval.
 13. Be subject to regular drug and alcohol testing, as directed by DOC.
 14. Report to DOC all law enforcement contacts within 24 hours of occurrence or the next business day, whichever is sooner.

PROVIDED, that Mr. Mora shall remain under DOC supervision and explicitly follow the conditions established by DOC during the term of his community supervision. Violation of any of the above conditions shall result in sanctions as deemed appropriate by DOC and may result in the termination of this Conditional Commutation as provided below. If Mr. Mora is taken into custody following any alleged violation, DOC shall hold a Community Custody Hearing. DOC may also require Mr. Mora to perform affirmative acts deemed appropriate to monitor compliance with the conditions and may issue warrants or detain Mr. Mora if he violates a condition.

ADDITIONALLY PROVIDED, that in the event Mr. Mora violates any of the conditions of this Conditional Commutation, as determined by the governor, this Conditional Commutation may be revoked or amended and the sentence of the court reinstated, whereupon Mr. Mora will be immediately returned to any facility that the DOC Secretary deems appropriate. ADDITIONALLY PROVIDED, that Mr. Mora may be detained pending judicial disposition of any new criminal charge or a final determination of whether a condition of this Conditional Commutation has been violated, if the governor determines there are reasonable grounds to believe he has violated the above conditions of this Conditional Commutation, reason to be concerned that he would pose a risk to any person or to the community, or that there is a possibility that Mr. Mora may abscond if not detained. If detained, Mr. Mora will be provided a preliminary hearing, as promptly as convenient after arrest, to

FULL AND UNCONDITIONAL PARDON OF
CARLTON LEE GOODE III

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, in 2004, Carlton Lee Goode III pleaded guilty to FIRST DEGREE BURGLARY, FIRST DEGREE ROBBERY, THIRD DEGREE ASSAULT, and UNLAWFUL IMPRISONMENT in Pierce County Superior Court, Cause No. 03-1-05258-4. This conviction followed events in 2003 in which Mr. Goode, then 17-years old, under the direction of an older accomplice, committed a burglary. While Mr. Goode served as a lookout, his accomplice entered the home and tied up a victim, before the two of them stole property from the home.

WHEREAS, Mr. Goode has not been convicted of any other felonies since.

WHEREAS, since this conviction, Mr. Goode has earned his associate's degree, bachelor's degree, master's degree, and law degree.

WHEREAS, in March 2023, the Clemency and Pardons Board reviewed Mr. Goode's petition for a pardon. At this hearing, Mr. Goode presented evidence that his dream is to serve in the U.S. Marine Corps. He has attempted to enlist multiple times, but these criminal convictions preclude his pursuing that dream.

WHEREAS, the Pierce County Prosecuting Attorney supports Mr. Goode's petition seeking a pardon.

WHEREAS, the Clemency and Pardons Board voted unanimously to recommend that the Governor grant Mr. Goode a full pardon. The Board cited Mr. Goode's demonstrated rehabilitation since his youth.

WHEREAS, at the time of his crime in 2003, Mr. Goode was 17 years old. The scientific and criminal justice communities have documented the difficulty the juvenile brain has in engaging in behavior control, often leading juveniles to exhibit a transient rashness, proclivity for risk, and inability to assess the full consequences of their actions. And,

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the circumstances of the involved crimes, and the favorable recommendation of the Washington State Clemency and Pardons Board, and in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Jay Inslee, by virtue of the power vested in me as Governor of the state of Washington, hereby grant Carlton Lee Goode III this full and unconditional pardon for his FIRST DEGREE BURGLARY, FIRST DEGREE ROBBERY, THIRD DEGREE ASSAULT, and UNLAWFUL IMPRISONMENT convictions in Pierce County Superior Court, Cause No. 03-1-05258-4.

WHEREAS, the Clemency and Pardons Board unanimously voted to recommend that the Governor commute Mr. Hutcheson's sentence. In making this recommendation, the Board cited Mr. Hutcheson's advanced age and deteriorating health. ADDITIONALLY PROVIDED, that in the event Mr. Hutcheson violates any of the conditions of this Conditional Commutation, as determined by the Governor, this Conditional Commutation may be revoked or amended and the sentence of the court reinstated, whereupon Mr. Hutcheson will be immediately returned to any facility that the DOC Secretary deems appropriate. FULL AND UNCONDITIONAL PARDON OF
ERIC M. BACOLOD

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, in 1997, Eric Bacolod was found guilty of three counts of FIRST DEGREE ASSAULT, EACH WITH A FIREARM ENHANCEMENT, in Pierce County Superior Court, Cause No. 96-1-01655-3. He was sentenced to a term of 500 months. These convictions followed events in which a then-18-year-old Mr. Bacolod was riding in a car with his associates. They spotted three people walking on the street, and Mr. Bacolod got out of the vehicle and fired a handgun at the three other teenagers. No one was shot or physically injured as a result of Mr. Bacolod's actions.

FIRST DAY, JANUARY 8, 2024

WHEREAS, on December 2, 2022, the Pierce County Superior Court, on petition of the Pierce County Prosecuting Attorney, entered an order to reduce Mr. Bacolod's term of confinement from 500 months to 359 months under RCW 36.27.130, which provides for a resentencing "if the original sentence no longer advances the interests of justice."

WHEREAS, Mr. Bacolod, now approximately 46 years old, was four years old when he lawfully immigrated to the United States. His immediate family are all US citizens and live in the United States. His mother became a US citizen a few months after Mr. Bacolod turned 18; and his biological father is a US citizen but did not acknowledge paternity and pledge financial support before Mr. Bacolod turned 18. Had Mr. Bacolod's mother become a US citizen before Mr. Bacolod turned 18, or had his biological father taken different steps, Mr. Bacolod would be a US citizen today.

WHEREAS, Mr. Bacolod's son, a US citizen, lives in Tacoma. In addition, his stepfather and half-brothers are also US citizens, and one of his half-brothers serves in the US Air Force.

WHEREAS, Mr. Bacolod has accepted full responsibility for his actions, he has served 27 years, and he completed his term of confinement for all three convictions on December 11, 2023.

WHEREAS, while incarcerated, Mr. Bacolod earned his GED and participated in numerous training and certificate programs.

WHEREAS, due to Mr. Bacolod's convictions, a federal immigration judge issued an Order of Removal (a deportation order) in 2001, and he now faces the possibility of imminent deportation from the United States to the Philippines. He has no immediate family, friends, or other connections in the Philippines. Mr. Bacolod speaks only English.

WHEREAS, a pardon would permit Mr. Bacolod to petition to reopen his immigration case and seek revocation of his Order of Removal.

WHEREAS, on December 7, 2023, the Clemency and Pardons Board reviewed Mr. Bacolod's petition for a pardon. At his hearing, Mr. Bacolod presented testimony directly and through his supporters that his deportation would devastate him and his family.

WHEREAS, the Pierce County Prosecuting Attorney's Office objected to Mr. Bacolod's petition for a pardon. The primary objection articulated at the hearing was that granting Mr. Bacolod would unfairly benefit him (as compared to others with similar convictions) solely based on his legal status in this country.

WHEREAS, the Clemency and Pardons Board voted 3 - 1 to recommend that the Governor grant Mr. Bacolod a full and unconditional pardon, citing his remorse and maturity since he committed this crime, as well as his connection to his family and community here in Washington.

WHEREAS, at the time of his crime in 1996, Mr. Bacolod was 18 years old. The scientific and criminal justice communities have documented the difficulty the juvenile brain has in engaging in behavior control, often leading juveniles to exhibit a transient rashness, proclivity for risk, and inability to assess the full consequences of their actions. And,

WHEREAS, I have reviewed the pertinent facts and circumstances surrounding this matter, the circumstances of the crimes and the consequences that this deportation will have on Mr. Bacolod and his family and community, and, in light of the foregoing, I have determined that the best interests of justice will be served by this action.

NOW, THEREFORE, I, Jay Inslee, by virtue of the power vested in me as Governor of the state of Washington, hereby grant to Eric Bacolod this FULL AND UNCONDITIONAL pardon of his convictions for three counts of FIRST DEGREE ASSAULT in Pierce County Superior Court, Cause No. 96-1-01655-3.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the state of Washington to be affixed at Olympia this 12th day of December, A.D., two thousand and twenty-three.

Reverend Eisenhower: “God of Many Names, We give thanks for another day of life, breath, and enjoyment of this beautiful world You created and for which we are called to care. Many of us call the earth our Mother because earth gave us everything we need for life, and earth continually nurtures and blesses us with food, air, water, companions, and beauty. We are so used to being blessed by these daily gifts that we sometimes forget to be thankful. Help us to be grounded in gratitude for the earth that mothers us from our first breath to our last. Grounded in gratitude, may we be more apt to good caretakers of our home place, Washington, which we love like no other place. Help us meet the challenge of climate change as we would meet the challenge of failing health of our own mothers, with tenderness, focus and competence.”

“Holy One, one of the natural beauties that never ceases to thrill us is the sight of a rainbow arching through the skies. May we be as moved and delighted by the rainbow of humanity that we encounter each day. As we experience the great diversity of Your people - variations in skin tones, traditions, languages, gender expressions, faiths and philosophies, may we perceive the human rainbow as a marvel more than a burden. You created us to be various, not colorless; interesting, not nondescript; united, not unanimous. Help us to meet the great diversity of your people with curiosity and unfailing compassion. Help us all see one another as children of God - even, in quarrelsome moments, imagining our opponents as the enchanting children they once were.”

“In this contentious and divided era we ask that You would strengthen our capacity to listen to one another with patience and genuine attentiveness. Help us restrain frustration and anger; give all leaders a spirit of inquisitiveness about what makes their neighbors tick. Help each person speak the truth in love, whether it is in a crucial negotiation or a passing by in the hallways. May any discussion that becomes heated in this upcoming session be lit up not with fury and contempt, but with a fiery passion for justice and good governance.”

“God who is Love, You call us beyond our selfish interests to take care of our neighbors. While suffering seems to be a condition of human life, the relief of suffering is a charge which every human can embrace. Help us to be mindful of the suffering of our neighbors who don’t presently have adequate housing, affordable health care, excellent educational opportunity, or reliable sources of food and clean water. Keep us mindful of those who suffer outside of our everyday views - folks who are incarcerated, who sleep under bridges, who drag through days troubled by mental illness, who hide out while seeking asylum. Collectively, we have the power to relieve suffering whether it’s with direct compassionate action or by allocating public funds to help our most vulnerable neighbors. May the money expended through the state carry messages of care for all our neighbors.”

“May the trust the public places in all leaders be rewarded with integrity - with your help, Spirit of Wisdom. Give us strength and courage to do what needs to be done, and to change what needs to be changed. Bless each of us with joy in our work and healing rest in our leisure. Amen.”

The President introduced His Excellency, Jay Robert Inslee, Governor.

STATE OF THE STATE ADDRESS

Governor Inslee: “Good afternoon. I would like to thank the Reverend Dee Eisenhower for the invocation, and Bobby Ray and Shalah ‘Rose’ McCarthy for their wonderful voices.”

SECOND DAY, JANUARY 9, 2024

“Mr. President, Madam Speaker, Mr. Chief Justice, distinguished justices of the court, members of the Legislature, Tribal leaders, local leaders, members of the Consular Corps, and my fellow Washingtonians:”

“I come to you as a governor, as a granddad, and as a Washingtonian, to thank you and your families for your contributions to our efforts. My staff and their families deserve credit as well. Particularly my family and a very special person to me – Trudi.”

“I love seeing the childcare center she inspired us to build for our Capitol families, among many causes she’s advocated for as First Spouse. I love you Trudi and I’m not alone.”

“Let’s cut to the chase.”

“I’m happy to report we have been, we are, and we will always be the strongest state in the nation. In fact, the state of our state is stronger than ever. For over a decade, we’ve advanced nation-leading policies to support working families, grown our economy, and acted boldly to protect our state’s iconic spaces and salmon. We’ve advanced equity; built more housing; fought for a woman’s right to choose; and ushered in a clean energy economy.”

“In an era of tremendous transition and change, Washington has emerged as a beacon of progress in this nation. This year, we are going to make sure that light shines brighter.”

“This is my eleventh time addressing this chamber, and I have a bigger audience each year. There are 1 million more Washingtonians today than when I took office, because Washington is the place to be. I welcome our new Washingtonians who have seen the genius and promise of our state.”

“The minimum wage was \$9 in 2013 and today it’s over \$16. Wages overall have grown by 39% – double the national rate. Our GDP has grown 45%– from \$528 billion in 2013 to \$768 billion today. And we’re among the few states that rank as both a top state for business and for workers.”

“As we contemplate this next year and the work ahead, I think back to my dad, who coached track at Sealth High School. He told his runners to imagine the finish line was ten yards beyond the finish line. My father always said, and this is what sticks with me, ‘Fellas, run through the tape!’ so they wouldn’t let up before the race was over. We are going to run through the tape this year. Just as I know you’ll give this state your best work, I’ll give mine.”

“This is not a farewell speech. These are not famous last words. I’m not riding into the sunset. Winston Churchill said, ‘This is not time for ease and comfort. It is time to dare and endure.’ We will not relent to our greatest challenges. We will not go backward. This is the Evergreen State and the Ever Forward State.”

“And we’re going ever forward on our evergreen agenda. Climate change is our present, but climate collapse does not have to be inevitable. This Legislature put us on a clear – and necessary – path to slash greenhouse gases 95% by 2050.”

“We will stay the course. Any delay would be a betrayal of our children’s future. We are on the razor’s edge between promise and peril. We know this when historic floods gut homes that stood for generations, or when wildfires force the evacuation of entire towns like Medical Lake last year.”

“And the need for climate action is felt daily for Washingtonians living with pollution. There are neighborhoods today in Washington where people are dying two and a half years younger on average because of pollution.”

“This pollution is harmful to the lives of Washingtonians in communities like Everett, Wenatchee, Mattawa, Spokane, the Tri-Cities, the Yakima Valley, Shoreline, South King County, and Tacoma. There are neighborhoods in these communities where

people are forced to live sicker and die younger because of this pollution.”

“We have made a solemn oath to our children, and their children, and in that noble mission we will neither flag nor fail. We will go on to give them the grandest of blessings, a healthy Washington, instead of taking rank with defeatists who live in the grey twilight of pessimism.”

“Thanks to this Legislature’s budget priorities, we can help more people like Elisa Garcia, a farmworker in Toppenish. Her home was one of 32 in Yakima County that had rooftop solar installed, thanks to a state program specifically geared toward farmworkers. Her home now produces 100% of its energy from her own roof. Her family’s energy bills are zero and it would not have been possible without this Legislature. Elisa and her daughter, Jasmin, are here with us today. Thank you, both.”

“You’re going to hear many more stories this year and beyond about how our climate policies are making life better for Washington families.”

“The Climate Commitment Act is letting us invest in work that reduces pollution and creates good-paying jobs. It’s funding electric school buses, 8 million free transit rides for youth and counting, filtration systems in schools so students can breathe when there’s wildfire smoke outside, and public chargers for electric vehicles. This is money going right back to Washington families. It’s not going off to Houston or other oil hubs with the oil industry’s record \$200 billion in profits in 2022.”

“Now we have more we can give back to our communities.”

“I’m proposing a \$200 utility bill credit for one out of every three households in Washington – that’s nearly 2 million low- and moderate-income Washingtonians. We will help thousands more families install energy-efficient heat pumps that cut emissions and energy bills. This law also makes it easier to invest in our infrastructure, including hybrid-electric ferries, and safer bike and pedestrian routes.”

“From sustainable aviation fuels and EV battery manufacturing in Moses Lake to electric buses in Ferndale, we’re attracting and creating thousands of good-paying jobs in clean energy and clean technology. And as fossil fuel jobs go away, we’re training those workers – the folks who worked at places like TransAlta – for jobs in this new clean energy economy. These jobs are coming on quickly. The new Pacific Northwest federal hydrogen hub will create 8,000 jobs alone for the production and distribution of green hydrogen to reduce pollution.”

“Here’s something else about the fossil fuel industry. For decades, we’ve been subjected to the rollercoaster of gas prices.”

“We’re going to do something about price transparency in Washington this session. I understand why people are frustrated about gas prices. The oil and gas industry’s books are closed to the public. It’s time for transparency and accountability.”

“I believe this Legislature is capable of even more extraordinary achievements, because I’ve seen it happen every year I’ve been here. Don’t forget moments like 2018, the end of the McCleary saga, when we moved heaven and earth to fulfill our paramount duty of funding education in the state of Washington.”

“Now I hope you’ll join me by increasing pay for 32,000 paraeducators by \$3 an hour, again raising the cap on special education funding, and creating incentives for more teachers to serve special needs students.”

“And once students have graduated, they now have more pathways than ever. This Legislature has created one of the most generous college financial aid programs in the country. But college isn’t the only pathway to success, which is why we’ve also greatly increased support for apprenticeships.”

“Bryan Orihuela of Auburn was going to be an engineer, but then he was in a traumatic car accident, followed by high medical bills. He had to leave college. Fortunately, he got connected to Computing for All’s pre-apprenticeship program, which this Legislature helped support with Career Connect Washington grants. Now he’s a developer at a mental health app, and Bryan is also here today. Bryan, thank you.”

“This Legislature cares about people. I know that because of what you’ve done. This state saved thousands upon thousands of lives when COVID struck. We are now just one of a handful of states with the tools to curb excessive drug costs. We have more ways to grow our health care workforce. We’ve passed the nation’s best Paid Family Medical Leave program. In fact, I heard a story about this just the other day when I biked up to the Town & Country market on Bainbridge to get some maple bars for my grandkids. This woman behind the counter said, ‘Governor, I have to tell you something’ – and my fellow electeds know when a constituent leads with something cryptic that you could be in for anything, but she said, ‘Governor, I had a broken wrist last year and I couldn’t do my job. And the only thing that kept my family afloat was that Paid Family Medical Leave law.’

I hope you’re all having these conversations in your districts as well, because your policies are making an enormous difference in people’s lives. Protecting access to health care is helping Washingtonians like Sheena and John Wilson from Mount Vernon. Sheena’s husband John was diagnosed with cancer. Sheena expected their health costs would go up to \$3,000 a month, until she accessed the benefits of our Cascade Care public option. Her family now pays \$108 a month and the most they’ll pay out-of-pocket this year for her husband’s cancer treatment is \$2,500 total. John and Sheena are here with us today from Mount Vernon. Thank you both and good luck, too.”

“Our policies change lives when they’re focused on the people we’re here to serve. We give people the chance to succeed. People-focused policies are also how we’re addressing homelessness. Some think we can just wave a wand and those living in homelessness will disappear. But this is the real world, and we have an honest solution: Build housing and connect people to the right services, and they will succeed.”

“This time last year a woman named Starr Draper found herself in a right-of-way encampment at First Avenue and Michigan Street in Seattle.”

“No one can live in danger and expect their conditions to improve. No one can be swept from one dark corner to another and expect life to get better. We must lift people up and give them the tools, the services and the power of community necessary to get life on track. State and local collaboration got Starr on her journey to wellness. Starr said this program, quote, “renewed my trust.” She’s got work, she’s got a safe, private place to live, and Starr is here today. Thank you for inspiring us.”

“Washingtonians can see that dozens of encampments along our highways are gone and that’ll continue if we make the necessary investments. And they’re going to see thousands more new housing units thanks to our work as well.”

“I want to thank this Legislature for going big on housing last session and trusting that it was a necessary decision to put \$1 billion toward new housing already this biennium.”

“These aren’t the only ways we’re making life safer for Washingtonians while I’ve been in office.”

“We all want to take steps to increase public safety – it’s not just one thing, but many approaches. This Legislature was bold enough to stand up to the NRA and pass some of the best gun reforms in America. It did not matter how many defeats we had to take – we finally banned assault weapons in this state. Gun reform is public safety.”

“Washington state also needs more police officers, and that’s what this budget would do. My budget funds more state troopers and forensic scientists, an organized retail theft task force, and more funding for drug trafficking investigations.”

“We’re removing barriers to careers in policing by establishing training centers all over the state – where more recruits are getting some of the best training in the country, including de-escalation training. We’re joined today by the Pasco Police Department’s own Claudia Fuentes. Claudia would not be a police officer today if this Legislature had not invested in more Criminal Justice Training Centers like in Pasco. It was impossible for a parent to spend four and a half months away from home for training in Burien. But because we invested in these training centers, Officer Fuentes got to go home from the academy every night. And because she had this resource, the people of Pasco are safer. Thank you, Claudia.”

“We must also continue improving behavioral health services in our state. I recently met someone whose family was devastated by fentanyl, who called it ‘the nuclear weapon of drugs.’ We propose \$64 million in new spending to fight against opioids and fentanyl. We’re going to invest in education, community health hubs, overdose prevention, treatment access, and recovery supports.”

“We’re going to support people with stories like Holle Edwards, a member of the Swinomish Tribe whose life languished in addiction to meth and heroin before she got help at local resource centers. Holle got her life back – and she’s now a recovery counselor helping people on the same journey at a wellness center in Anacortes. Holle is here today with her uncle, Swinomish Chair Steve Edwards. Thanks for what you do – not just for tribal members but our whole community.”

“This Legislature works wonders when it embraces ambition. We’ve passed the two biggest transportation funding packages in state history during my time in office – Connecting Washington and Move Ahead Washington. Yet we know we still face questions about how to meet our obligations.”

“I don’t expect we’ll have all the answers this year, but there are things we can do in the next 60 days, which includes helping our ferry system. We’re already investing in cleaner, more efficient ferries – and I’ve directed State Ferries to look for ways to expedite boat construction. But we also must do everything possible to increase staffing and build new boats faster.”

“We’ve pursued some of the most transformative policies in the nation in my time in office. For example, I’m proud the leaders of our state are under no illusion that social justice issues were settled 60 years ago with the Civil Rights Act.”

“We will continue advancing social justice. We have made equity a part of everything we do in state government with environmental justice policies like the HEAL Act and a new agency, the Office of Equity, which makes equity a part of everything we do in state government. We must sustain our progress against racism’s pernicious influence on the past and present. The work for a more perfect union continues.”

“Before I close, I want to say there are two grave threats in the United States and in our state today. One threat is to the basic tenets and blessings of democracy. The other is the ongoing assault on a woman’s right of choice. We have not forgotten the U.S. Supreme Court’s frightening decision to eliminate *Roe v. Wade*. Fundamentally, this is an issue of freedom – freedom of choice when facing one of the most intimate and personal decisions in life. Most in this room are committed to protecting that right, but none of us will hold these seats forever. We must face the reality that there are forces in our nation and in our own state intent on destroying the right of choice. We need to join eight other states – states like Ohio, Alaska and Michigan – and

SECOND DAY, JANUARY 9, 2024

enshrine reproductive freedom in the constitution this session. I look forward to working with all of you to advance this amendment.”

“I want to share with you why I’m optimistic about this session. If I have learned anything with each subsequent legislative session, it’s that Washingtonians are always capable of doing more than others thought we could.”

“When I took office, we had audacious goals that defied the odds to become reality. I had confidence we could tackle these challenges because I’ve always believed in the unique talent and ambitions of Washingtonians. Washingtonians have more resilience, more love for our state, and more endurance to push toward the sunny uplands of the future than any other people on the planet.”

“The next two months, we’re going to make this state better at mental health, safer against opioids, more supportive for educators and students, and more committed to our climate. We’ve made hope for the future possible because Washingtonians are never restricted by the past or the bog of the status quo.”

“Inevitably, we will always be called upon to do more for the people of Washington. No matter the challenge, we will always do more than we thought possible.”

“It is our honor to be Washingtonians. It is our privilege to do this work. And it is our destiny to succeed.”

“Run. Through. The Tape. Thank you.”

MESSAGE FROM THE SECRETARY OF STATE

**CERTIFICATION OF INITIATIVE TO THE LEGISLATURE
I-2113**

Pursuant to Article II, Section 1 of the Washington State Constitution, RCW 29A.72.230, and WAC 434-379-010, the Office of the Secretary of State has caused the signatures submitted in support of Initiative to the Legislature No. 2113 to be examined in the following manner:

1. It was determined that 434, 594 signatures were submitted by the sponsors of the initiative. A random sample of 13,038 signatures was taken from those submitted;
2. Each sampled signature was examined to determine if the signer was a registered voter of the state, if the signature was reasonably similar to the one appearing on the record of that voter, and if the same signature appeared more than once in the sample. We found 10,579 valid signatures, 2,447 signatures that were invalid and 12 pairs of duplicated signatures in the sample;
3. We calculated an allowance for the chance error of sampling 74 by multiplying the square root of the number of invalid signatures by 1.5;
4. We estimated the upper limit of the number of signatures on the initiative petition which were invalid (84,039) by dividing the sum of the number of invalid signatures in the sample and allowance for the chance of error of sampling by the sampling ratio;
5. We determined the maximum allowable number of duplicate pairs of signatures on the petition (26,039) by subtracting the sum of the number of signatures required by Article II, Section 1 of the Washington State Constitution (324,516) and the estimate of the upper limit of the number of invalid signatures on the petition from the number of signatures submitted;
6. We determined the expected number of duplicate pairs of signatures in the sample (23) by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures on the initiative petition;
7. We determined the acceptable number of duplicate pairs of signatures in the sample (15) by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample; and
8. The number of duplicate pairs of signatures in the sample is less than the acceptable number of duplicate pairs of

signatures in the sample.

Therefore, I hereby declare Initiative to the Legislature No. 2113 to contain sufficient signatures.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the State of Washington, this 11th day of January, 2024.

/s/

Filed May 25, 2023

AN ACT Relating to restoring the authority of a peace officer to engage in a vehicular pursuit when there is reasonable suspicion a person has violated the law and the officer follows appropriate safety standards; and amending RCW 10.116.060.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 10.116.060 and 2023 c 235 s 1 are each amended to read as follows:

(1) A peace officer may not engage in a vehicular pursuit, unless:

(a) There is reasonable suspicion ~~((to believe that))~~ a person ~~((in the vehicle has committed or is committing:~~

- ~~(i) A violent offense as defined in RCW 9.91A.030;~~
- ~~(ii) A sex offense as defined in RCW 9.94A.030;~~
- ~~(iii) A vehicular assault offense under RCW 16.61.522;~~

- ~~(v) An escape under chapter 9A.76 RCW; or~~
- ~~(vi) A driving under the influence offense under RCW 46.61.502)) has violated the law;~~

(b) The pursuit is necessary for the purpose of identifying or apprehending the person;

(c) The person poses a ~~((serious risk of harm to))~~ threat to the safety of others and the safety risks of failing to apprehend or identify the person are considered to be greater than the safety risks of the vehicular pursuit under the circumstances; and

(d)(i) Except as provided in (d)(ii) of this subsection, the pursuing officer notifies a supervising officer immediately upon initiating the vehicular pursuit; there is supervisory oversight of the pursuit; and the pursuing officer, in consultation with the supervising officer, considers alternatives to the vehicular pursuit, the justification for the vehicular pursuit and other safety considerations, including but not limited to speed, weather, traffic, road conditions, and the known presence of minors in the vehicle;

(ii) For those jurisdictions with fewer than 15 commissioned officers, if a supervisor is not on duty at the time, the pursuing officer requests the on-call supervisor be notified of the pursuit according to the agency's procedures, and the pursuing officer considers alternatives to the vehicular pursuit, the justification for the vehicular pursuit, and other safety considerations, including but not limited to speed, weather, traffic, road conditions, and the known presence of minors in the vehicle.

(2) In any vehicular pursuit under this section:

(a) The pursuing officer and the supervising officer, if applicable, shall comply with any agency procedures for designating the primary pursuit vehicle and determining the appropriate number of vehicles permitted to participate in the vehicular pursuit;

(b) The supervising officer, the pursuing officer, or dispatcher shall notify other law enforcement agencies or surrounding jurisdictions that may be impacted by the vehicular pursuit or called upon to assist with the vehicular pursuit, and the pursuing officer and the supervising officer, if applicable, shall comply with any agency procedures for coordinating operations with other jurisdictions, including available tribal police departments when applicable;

(c) The pursuing officer must be able to directly communicate

with other officers engaging in the pursuit, the supervising officer, if applicable, and the dispatch agency, such as being on a common radio channel or having other direct means of communication;

(d) As soon as practicable after initiating a vehicular pursuit, the pursuing officer, supervising officer, if applicable, or responsible agency shall develop a plan to end the pursuit through the use of available pursuit intervention options, such as the use of the pursuit intervention technique, deployment of spike strips or other tire deflation devices, or other department authorized pursuit intervention tactics; and

(e) The pursuing officer must have completed an emergency vehicle operator's course, must have completed updated emergency vehicle operator training in the previous two years, where applicable, and must be certified in at least one pursuit intervention option. Emergency vehicle operator training must include training on performing the risk assessment analysis described in subsection (1)(c) of this section.

(3) A vehicle pursuit not meeting the requirements under this section must be terminated.

(4) A peace officer may not fire a weapon upon a moving vehicle unless necessary to protect against an imminent threat of serious physical harm resulting from the operator's or a passenger's use of a deadly weapon. For the purposes of this subsection, a vehicle is not considered a deadly weapon unless the operator is using the vehicle as a deadly weapon and no other reasonable means to avoid potential serious harm are immediately available to the officer.

(5) For purposes of this section, "vehicular pursuit" means an attempt by a uniformed peace officer in a vehicle equipped with emergency lights and a siren to stop a moving vehicle where the operator of the moving vehicle appears to be aware that the officer is signaling the operator to stop the vehicle and the operator of the moving vehicle appears to be willfully resisting or ignoring the officer's attempt to stop the vehicle by increasing vehicle speed, making evasive maneuvers, or operating the vehicle in a reckless manner that endangers the safety of the community or the officer.

SENATE RESOLUTION
8649

By Senators Lovick, Lovelett, Keiser, Salomon, Boehnke, Hasegawa, Hunt, Kauffman, and Cleveland

WHEREAS, Today, the third Monday in January, we remember and honor the life and legacy of Dr. Martin Luther King, Jr., who became a beacon of hope for actualizing racial equality in our nation; and

WHEREAS, Today, January 15, 2024, marks what would have been Dr. King's 95th birthday; and

WHEREAS, Dr. King used his gift of oration to awaken America to the struggles of disenfranchised communities, particularly African Americans, through nonviolent means; and

WHEREAS, Dr. King encouraged others through his dedication to achieving equality. He once said, "Life's most persistent and urgent question is: What are you doing for others?"; and

WHEREAS, Dr. King's unwavering support for the principles of racial justice and social equality helped transform America; and

MESSAGE FROM THE SECRETARY OF STATE

CERTIFICATION OF INITIATIVE TO THE LEGISLATURE
I-2117

Pursuant to Article II, Section 1 of the Washington State Constitution, RCW 29A.72.230, and WAC 434- 379-010, the Office of the Secretary of State has caused the signatures

submitted in support of Initiative to the Legislature No. 2117 to be examined in the following manner:

1. It was determined that 466,072 signatures were submitted by the sponsors of the initiative. A random sample of 13,983 signatures was taken from those submitted;
2. Each sampled signature was examined to determine if the signer was a registered voter of the state, if the signature was reasonably similar to the one appearing on the record of that voter, and if the same signature appeared more than once in the sample. We found 10,863 valid signatures, 3,105 signatures that were invalid and 15 pairs of duplicated signatures in the sample;
3. We calculated an allowance for the chance error of sampling (84) by multiplying the square root of the number of invalid signatures by 1.5;
4. We estimated the upper limit of the number of signatures on the initiative petition which were invalid (106,280) by dividing the sum of the number of invalid signatures in the sample and allowance for the chance of error of sampling by the sampling ratio;
5. We determined the maximum allowable number of duplicate pairs of signatures on the petition (35,276) by subtracting the sum of the number of signatures required by Article II, Section 1 of the Washington State Constitution (324,516) and the estimate of the upper limit of the number of invalid signatures on the petition from the number of signatures submitted;
6. We determined the expected number of duplicate pairs of signatures in the sample (32) by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures on the initiative petition;
7. We determined the acceptable number of duplicate pairs of signatures in the sample (22) by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample; and
8. The number of duplicate pairs of signatures in the sample is less than the acceptable number of duplicate pairs of signatures in the sample.

Therefore, I hereby declare Initiative to the Legislature No. 2117 to contain sufficient signatures.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the State of Washington this 16th day of

THIRD READING

ENGROSSED SENATE JOINT MEMORIAL NO. 8006, by Senators Hasegawa, Cleveland, Billig, Kuderer, Lovelett, Nguyen, Shewmake, Stanford, Valdez, and Wilson, C.

Requesting that the federal government create a universal health care program.

TENTH DAY, JANUARY 17, 2024

The bill was read on Third Reading.

MOTIONS

On motion of Senator Hasegawa, the rules were suspended and Senate Joint Memorial No. 8006 was returned to second reading for the purposes of amendment.

Senator Hasegawa moved that the following amendment no. 474 by Senator Hasegawa be adopted:

Beginning on page 1, line 10, strike all material through page 3, line 28 and insert the following:

"WHEREAS, Universal health care is one of the most important issues in the United States; and

WHEREAS, Article 25 of the universal declaration of human rights ratified by the United Nations declares health care is a human right; and

WHEREAS, Reverend Dr. Martin Luther King, Jr. said, "Of all the forms of inequality, injustice in health is the most shocking and inhuman"; and

WHEREAS, Our current health care system is in a downward spiral with costs continuing to skyrocket, medical debt driving many into bankruptcy or life-altering indebtedness, increasing child mortality rates especially in communities with lower incomes, and creating unnecessary suffering in entire families who struggle to maintain health care insurance coverage or recover from the impacts of health care costs up to and including bankruptcy and homelessness; and

WHEREAS, A national universal health care program is the most efficient and cost-effective means of providing access to health care for everyone and eliminating the economic, physical and mental health pain and suffering so many Americans are experiencing due to lack of timely access to health care and/or debt incurred; and

WHEREAS, A single-payer health plan in the state of Washington would replace the state's current multipayer system in which individuals, private businesses, and government entities pay public and private insurers for health care coverage; and

WHEREAS, This health plan would establish a state agency to finance all medically necessary health care with substantial savings compared with the existing multipayer system of public and private insurers; and

WHEREAS, This health plan would reduce financial barriers to access care and the growing number of residents with inadequate coverage. By reducing administrative and other waste, including health insurance company profits and excessive prices for drugs, hospitals, and medical devices, it would save money on health care; and

WHEREAS, Washington businesses and workers will benefit by lowering the cost of health care, removing the burden of unfunded and inadequate coverage, and allowing businesses to compete more effectively on national and international markets. Businesses will also benefit directly by removing the cost of selecting and implementing health insurance programs for their workers, a billion-dollar expenditure for businesses in the state; and

WHEREAS, The current system of fragmented private health insurance is the main obstacle to expanding access to health care because it promotes administrative waste, both in the processing of bills by providers and in the administration of a health insurance system with its many separate health insurance companies, each offering a large variety of separate plans, each plan involving separate pricing schemes; and

WHEREAS, The large number of independent companies and health plans forces each provider to operate an entire back office with billing clerks and other personnel to deal with billing and negotiating prices for services and vastly inflating the cost for providing health care; and

WHEREAS, The failures of the current private health insurance system allow many opportunities to do better. Our health care problems are not inevitable, not the result of technology or "consumers" insatiable greed. They are the result of bad institutions: Private health insurance and for-profit medicine whose financial incentives favor sickness and treatment over prevention and recovery. We have made mistakes in designing our health care system and we are paying for those mistakes. But that means that we can design a better system; and

WHEREAS, Replacing an inefficient, inequitable, and destructive health care finance system with a fair system will promote economic efficiency, better health, and good public policy; and

WHEREAS, Because the failures of our health care system most dramatically harm marginalized communities, creating a system of universal access, free point-of-service care and standardized reimbursements will not only make health care less expensive, it will also make it fairer and more equitable. Instead of being a system that destroys future opportunity for many, it will be a system which empowers communities through their newfound health and independence;

NOW, THEREFORE, Your Memorialists respectfully pray that the federal government:

(1) Create a universal health care program to ensure that every resident of Washington state and our country has timely access to health care services without incurring crippling familial debt;

(2) Absent federal government action on the request in subsection (1) of this memorial, partner with the state of Washington to reduce barriers and allow the state to successfully implement a single-payer health system for the people of Washington such as passing HR 6270 (by Rep. Ro Khanna, CA-17) in Congress which will allow states to create their own universal health care programs; or

(3) Absent federal government action on the requests in subsections (1) and (2) of this memorial with the appropriate federal agencies, work to grant Washington state the appropriate waivers to remove the restrictions on the state's ability to create a universal health care system.

BE IT RESOLVED, That copies of this Memorial be immediately transmitted to the Honorable Joseph R. Biden, Jr., President of the United States, the Secretary of the United States Department of Health and Human Services, the Secretary of the United States Department of Labor, the federal agencies involved with granting the requested necessary waivers, the President of the United States Senate, the Speaker of the House of Representatives, each member of Congress from the State of Washington."

MESSAGE FROM THE SECRETARY OF STATE

CERTIFICATION OF INITIATIVE TO THE LEGISLATURE I-2081

Pursuant to Article II, Section 1 of the Washington State Constitution, RCW 29A.72.230, and WAC 434-379-010, the Office of the Secretary of State has caused the signatures submitted in support of Initiative to the Legislature No. 2081 to be examined in the following manner:

1. It was determined that 449,646 signatures were submitted by the sponsors of the initiative. A random sample of 13,490 signatures was taken from those submitted;
2. Each sampled signature was examined to determine if the signer was a registered voter of the state, if the signature was reasonably similar to the one appearing on the record of that voter, and if the same signature appeared more than once in the sample. We found 10,937 valid signatures, 2,529 signatures that were invalid and 24 pairs of duplicated signatures in the sample;
3. We calculated an allowance for the chance error of sampling 75 by multiplying the square root of the number of invalid signatures by 1.5;
4. We estimated the upper limit of the number of signatures on the initiative petition which were invalid (86,810) by dividing the sum of the number of invalid signatures in the sample and allowance for the chance of error of sampling by the sampling ratio;
5. We determined the maximum allowable number of duplicate pairs of signatures on the petition (38,320) by subtracting the sum of the number of signatures required by Article II, Section 1 of the Washington State Constitution (324,516) and the estimate of the upper limit of the number of invalid signatures on the petition from the number of signatures submitted;
6. We determined the expected number of duplicate pairs of signatures in the sample (34) by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures on the initiative petition;
7. We determined the acceptable number of duplicate pairs of signatures in the sample (25) by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample; and
8. The number of duplicate pairs of signatures in the sample is less than the acceptable number of duplicate pairs of signatures in the sample.

Therefore, I hereby declare Initiative to the Legislature No. 2081 to contain sufficient signatures.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the State of Washington this 18th day of January, 2024.

MESSAGE FROM THE SECRETARY OF STATE

**CERTIFICATION OF INITIATIVE TO THE LEGISLATURE
I-2109**

Pursuant to Article II, Section 1 of the Washington State Constitution, RCW 29A.72.230, and WAC 434- 379-010, the Office of the Secretary of State has caused the signatures submitted in support of Initiative to the Legislature No. 2109 to be examined in the following manner:

1. It was determined that 436,474 signatures were submitted by the sponsors of the initiative. A random sample of 13,095 signatures was taken from those submitted;
2. Each sampled signature was examined to determine if the signer was a registered voter of the state, if the signature was reasonably similar to the one appearing on the record of that voter, and if the same signature appeared more than once in the sample. We found 10,752 valid signatures, 2,324 signatures that were invalid and 19 pairs of duplicated

SIXTEENTH DAY, JANUARY 23, 2024

signatures in the sample;

- 3. We calculated an allowance for the chance error of sampling (72) by multiplying the square root of the number of invalid signatures by 1.5;
- 4. We estimated the upper limit of the number of signatures on the initiative petition which were invalid (79,872) by dividing the sum of the number of invalid signatures in the sample and allowance for the chance of error of sampling by the sampling ratio;
- 5. We determined the maximum allowable number of duplicate pairs of signatures on the petition (32,086) by subtracting the sum of the number of signatures required by Article II, Section 1 of the Washington State Constitution (324,516) and the estimate of the upper limit of the number of invalid signatures on the petition from the number of signatures submitted;
- 6. We determined the expected number of duplicate pairs of signatures in the sample (29) by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures on the initiative petition;
- 7. We determined the acceptable number of duplicate pairs of signatures in the sample (20) by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample; and
- 8. The number of duplicate pairs of signatures in the sample is less than the acceptable number of duplicate pairs of signatures in the sample.

Therefore, I hereby declare Initiative to the Legislature No. 2109 to contain sufficient signatures.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the State of Washington this 23rd day of January, 2024.

TO THE HONORABLE, THE SENATE OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I have the honor to submit the following reappointment, subject to your confirmation.

ANDREW J. DRENNEN, reappointed January 22, 2024, for the term ending December 26, 2027, as Member of the Board of Pilotage Commissioners.

Referred to Committee on Transportation as Senate Gubernatorial Appointment No. 9448.

MOTION

On motion of Senator Pedersen, the appointee listed on the Gubernatorial Appointment report was referred to the committee as designated.

MESSAGE FROM THE SECRETARY OF STATE

CERTIFICATION OF INITIATIVE TO THE LEGISLATURE I-2111

Pursuant to Article II, Section 1 of the Washington State Constitution, RCW 29A.72.230, and WAC 434-379-010, the Office of the Secretary of State has caused the signatures submitted in support of Initiative to the Legislature No. 2111 to be examined in the following manner:

1. It was determined that 448,158 signatures were submitted by the sponsors of the initiative. A random sample of 13,445 signatures was taken from those submitted;
2. Each sampled signature was examined to determine if the signer was a registered voter of the state, if the signature was reasonably similar to the one appearing on the record of that voter, and if the same signature appeared more than once in the sample. We found 10,868 valid signatures, 2,566 signatures that were invalid and 11 pairs of duplicated signatures in the sample;
3. We calculated an allowance for the chance error of sampling (76) by multiplying the square root of the number of invalid signatures by 1.5;
4. We estimated the upper limit of the number of signatures on the initiative petition which were invalid (88,064) by dividing the sum of the number of invalid signatures in the sample and allowance for the chance of error of sampling by the sampling ratio;
5. We determined the maximum allowable number of duplicate pairs of signatures on the petition (35,578) by subtracting the sum of the number of signatures required by Article II, Section 1 of the Washington State Constitution (324,516) and the estimate of the upper limit of the number of invalid signatures on the petition from the number of signatures submitted;
6. We determined the expected number of duplicate pairs of signatures in the sample (32) by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures on the initiative petition;
7. We determined the acceptable number of duplicate pairs of signatures in the sample (23) by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample; and
8. The number of duplicate pairs of signatures in the sample is less than the acceptable number of duplicate pairs of signatures in the sample.

Therefore, I hereby declare Initiative to the Legislature No. 2111 to contain sufficient signatures.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the State of Washington this 24th day of January, 2024.

"Sec. 1. RCW 18.46.010 and 2000 c 93 s 30 are each amended to read as follows:

(1) "Birthing center" or "childbirth center" means any health facility, not part of a hospital or in a hospital, that provides facilities and staff to support a birth service to low-risk maternity clients: PROVIDED, HOWEVER, That this chapter shall not apply to any hospital approved by the American College of Surgeons, American Osteopathic Association, or its successor.

(2) "Department" means the state department of health.

(3) "Immediate jeopardy" means a situation in which the birthing center's noncompliance with one or more statutory or regulatory requirements has placed the health and safety of patients in its care at risk for serious injury, serious harm, serious impairment, or death.

(4) "Low-risk" means normal, uncomplicated prenatal course as determined by adequate prenatal care and prospects for a normal uncomplicated birth as defined by reasonable and generally accepted criteria of maternal and fetal health.

((4)) (5) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof.

Sec. 2. RCW 18.46.050 and 1997 c 58 s 823 are each amended to read as follows:

(1) ~~((The department may deny, suspend, or revoke a license in any case in which it finds that there has been failure or refusal to comply with the requirements established under this chapter or the rules adopted under it.~~

~~(2) The department shall immediately suspend the license of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a residential or visitation order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the department's receipt of a release issued by the department of social and health services stating that the person is in compliance with the order.~~

RCW 43.70.115 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding but shall not apply to actions taken under subsection (2) of this section.) In any case in which the department finds that a birthing center has failed or refused to comply with the requirements of this chapter, the standards or rules adopted under this chapter, or other applicable state or federal statutes or rules regulating birthing centers, the department may take one or more of the actions identified in this section, except as otherwise limited in this section.

(a) When the department determines the birthing center has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the birthing center failed to correct noncompliance with a statute or rule by a date established or agreed to by the department, the department may impose reasonable conditions on a license. Conditions may include correction within a specified

amount of time, training, or hiring a department-approved consultant if the birthing center cannot demonstrate to the department that it has access to sufficient internal expertise. If the department determines that the violations constitute immediate jeopardy, the conditions may be imposed immediately in accordance with subsection (2) of this section.

(b) In accordance with the authority the department has under RCW 43.70.095, the department may assess a civil fine of up to \$3,000 per violation on a birthing center licensed under this chapter when the department determines the birthing center has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the birthing center failed to correct noncompliance with a statute or rule by a date established or agreed to by the department.

(i) Proceeds from these fines may only be used by the department to offset costs associated with licensing and enforcement of birthing centers.

(ii) The department shall adopt in rules under this chapter specific fine amounts in relation to the severity of the noncompliance and at an adequate level to be a deterrent to future noncompliance.

(iii) If a birthing center is aggrieved by the department's action of assessing civil fines, the licensee has the right to appeal under RCW 43.70.095.

(c) The department may suspend a specific category or categories of services or care or birthing rooms within the birthing center as related to the violation by imposing a limited stop service. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(i) Prior to imposing a limited stop service, the department shall provide a birthing center written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The birthing center shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the limited stop service.

(ii) When the department imposes a limited stop service, the birthing center may not provide the services in the category or categories subject to the limited stop service to any new or existing patients, unless otherwise allowed by the department, until the limited stop service is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the birthing center if more than five business days is needed to verify the violation necessitating the limited stop service has been corrected.

(iv) The limited stop service shall be terminated when:

(A) The department verifies the violation necessitating the limited stop service has been corrected or the department determines that the birthing center has taken intermediate action to address the immediate jeopardy; and

(B) The birthing center establishes the ability to maintain correction of the violation previously found deficient.

(d) The department may suspend new admissions to the birthing center by imposing a stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy and is not confined to a specific category or categories of patients or a specific area of the birthing center.

(i) Prior to imposing a stop placement, the department shall provide a birthing center written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The birthing center shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the stop placement.

(ii) When the department imposes a stop placement, the birthing center may not admit any new patients until the stop placement is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the birthing center if more than five business days is needed to verify the violation necessitating the stop placement has been corrected.

(iv) The stop placement shall be terminated when:

(A) The department verifies the violation necessitating the stop placement has been corrected or the department determines that the birthing center has taken intermediate action to address the immediate jeopardy; and

(B) The birthing center establishes the ability to maintain correction of the violation previously found deficient.

(e) The department may deny an application for a license or suspend, revoke, or refuse to renew a license.

(2) Except as otherwise provided, RCW 43.70.115 governs notice of actions taken by the department under subsection (1) of this section and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, include a copy of the department's notice, be served on and received by the department within 28 days of the birthing center's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

(3) When the department determines a licensee's noncompliance results in immediate jeopardy, the department may make the imposition of conditions on a licensee, a limited stop service, stop placement, or the suspension of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(a) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is an immediate jeopardy.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate suspension or imposition of conditions.

(c) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

SEVENTEENTH DAY, JANUARY 24, 2024

(d) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate suspension or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

(4) When the department determines an alleged violation, if true, would constitute an immediate jeopardy, and the licensee fails to cooperate with the department's investigation of such an alleged violation, the department may impose an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension.

(a) When the department imposes an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate. At the show cause hearing the department has the burden of demonstrating that more probably than not the alleged violation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate action for failure to cooperate.

(c) If the presiding officer determines the alleged violation, if true, does not constitute an immediate jeopardy or determines that the licensee cooperated with the department's investigation, the presiding officer may overturn the immediate action for failure to cooperate.

(d) If the presiding officer determines the allegation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation, the immediate action for failure to cooperate shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate action for failure to cooperate, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

NEW SECTION. Sec. 3. A new section is added to chapter 18.46 RCW to read as follows:

(1) The department may give written notice to cease and desist to any person whom the department has reason to believe is engaged in the unlicensed operation of a birthing center.

(2)(a) Except as otherwise provided in this section, the requirement to cease and desist unlicensed operation is effective 20 days after the person receives the notice.

(b) The department may make the date the action is effective sooner than 20 days after receipt when necessary to protect the public health, safety, or welfare. When the department does so, it shall state the effective date and the reasons supporting the effective date in the written notice to cease and desist.

(3) The person to whom the notice to cease and desist is issued may request an adjudicative proceeding to contest the notice. The adjudicative proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request for an adjudicative proceeding must be in writing, state the basis for contesting the notice, include a copy of the notice, and be served on and received by the department within 20 days from the date the person receives the notice to cease and desist.

(4)(a) If the department gives a person 20 days' notice to cease and desist and the person requests an adjudicative proceeding before its effective date, the department shall not implement the notice until the final order has been entered. The presiding or reviewing officer may permit the department to implement part or all of the notice while the proceedings are pending if the respondent causes an unreasonable delay in the proceeding, if the circumstances change so that implementation is in the public interest, or for other good cause.

(b) If the department gives a licensee less than 20 days' notice to cease and desist and the respondent timely files a request for an adjudicative proceeding, the department may implement the cease and desist on the effective date stated in the notice. The presiding or reviewing officer may order the department to stay implementation of part or all of the adverse action while the proceedings are pending if staying implementation is in the public interest or for other good cause.

(5) The department may assess a civil fine not exceeding \$5,000 for each day a person operates a birthing center without a valid license.

(a) The department shall give written notice to the person against whom it assesses a civil fine.

(b) Except as otherwise provided in (c) and (d) of this subsection, the civil fine is due and payable 20 days after receipt.

(c) The person against whom the department assesses a civil fine has the right to request an adjudicative proceeding. The proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request must be in writing, state the basis for contesting the fine, include a copy of the notice, be served on and received by the department within 20 days of the person receiving the notice of civil fine, and be served in a manner which shows proof of receipt.

(d) If the person files a timely and sufficient request for adjudicative proceeding, the department shall not implement the fine until the final order has been served.

(6) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so operating a birthing center without a license from criminal prosecution, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. A final notice to cease and desist is conclusive proof of unlicensed operation and may be enforced under RCW 7.21.060. This method of enforcement of the final notice to cease and desist or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

Sec. 4. RCW 18.46.130 and 2000 c 93 s 39 are each amended to read as follows:

(1) Notwithstanding the existence or use of any other remedy, the department may in the manner provided by law, upon the advice of the attorney general who shall represent the department in all proceedings, maintain an action in the name of the state for an injunction or other process against any person to restrain or prevent the advertisement, operation ((~~or~~)), maintenance, management, or opening of a birthing center not licensed under this chapter.

(2) The injunction shall not relieve the person operating a birth center without a license from criminal prosecution, or the

imposition of a civil fine under section 3 of this act, but the remedy by injunction shall be in addition to any criminal liability or civil fine. A person that violates an injunction issued under this chapter shall pay a civil penalty, as determined by the court, of not more than \$25,000, which shall be deposited in the department's local fee account. For the purpose of this section, the superior court issuing any injunction shall retain jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties. All fines, forfeitures, and penalties collected or assessed by a court because of a violation of RCW 18.46.020 shall be deposited in the department's local fee account.

Sec. 5. RCW 70.42.010 and 1989 c 386 s 2 are each amended to read as follows:

A test site does not mean a facility or site, including a residence, where a test approved for home use by the federal food and drug administration is used by an individual to test himself or herself without direct supervision or guidance by another and where this test is not part of a commercial transaction.

Sec. 6. RCW 70.42.130 and 1989 c 386 s 14 are each amended to read as follows:

Under this chapter, and chapter 34.05 RCW, the department may place conditions on a license which limit or cancel a test site's authority to conduct any of the tests or groups of tests of any licensee who:

(1) The department may prohibit a specific category or categories of services within the medical test site as related to noncompliance with the requirements of this chapter or the standards or rules adopted under this chapter by imposing a limited stop service. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(2) Prior to imposing a limited stop service, the department shall provide the medical test site a written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The medical test site shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the limited stop service.

(3) When the department imposes a limited stop service, the medical test site may not perform any new testing in the category or categories subject to the limited stop service until the limited stop service is terminated.

(4) The department shall conduct a follow-up inspection within five business days or within the time period requested by the medical test site if more than five business days is needed to verify the violation necessitating the limited stop service has been corrected.

(5) The limited stop service shall be terminated when:

(a) The department verifies the violation necessitating the limited stop service has been corrected or the department determines that the medical test site has taken intermediate action to address the immediate jeopardy; and

(b) The medical test site establishes the ability to maintain correction of the violation previously found deficient.

(6) Except as otherwise provided, RCW 43.70.115 governs notice of actions taken by the department under subsection (1) of this section and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, include a copy of the department's notice, be served on and received by the department within 28 days of the medical test site's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

SEVENTEENTH DAY, JANUARY 24, 2024

upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(a) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is an immediate jeopardy.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate suspension or imposition of conditions.

(c) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

(d) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(a) When the department imposes an immediate limited stop service, immediate suspension, or immediate imposition of conditions for failure to cooperate, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of an immediate limited stop service, immediate suspension, or immediate imposition of conditions for failure to cooperate. At the show cause hearing the department has the burden of demonstrating that more probably than not the alleged violation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate limited stop service, immediate suspension, or immediate imposition of conditions for failure to cooperate, and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate action for failure to cooperate.

(e) If the presiding officer sustains the immediate action for failure to cooperate, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

NEW SECTION. Sec. 8. A new section is added to chapter 70.42 RCW to read as follows:

(1) The department may give written notice to cease and desist to any person whom the department has reason to believe is engaged in the unlicensed operation of a medical test site.

(2)(a) Except as otherwise provided in this section, the requirement to cease and desist unlicensed operation is effective 20 days after the person receives the notice.

(b) The department may make the date the action is effective sooner than 20 days after receipt when necessary to protect the public health, safety, or welfare. When the department does so, it shall state the effective date and the reasons supporting the effective date in the written notice to cease and desist.

(3) The person to whom the notice to cease and desist is issued may request an adjudicative proceeding to contest the notice. The adjudicative proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request for an adjudicative proceeding must be in writing, state the basis for contesting the notice, include a copy of the notice, and be served on and received by the department within 20 days from the date the person receives the notice to cease and desist.

(4)(a) If the department gives a person 20 days' notice to cease and desist and the person requests an adjudicative proceeding before its effective date, the department shall not implement the notice until the final order has been entered. The presiding or reviewing officer may permit the department to implement part or all of the notice while the proceedings are pending if the respondent causes an unreasonable delay in the proceeding, if the circumstances change so that implementation is in the public interest, or for other good cause.

(b) If the department gives a licensee less than 20 days' notice to cease and desist and the respondent timely files a request for an adjudicative proceeding, the department may implement the cease and desist on the effective date stated in the notice. The presiding or reviewing officer may order the department to stay implementation of part or all of the adverse action while the proceedings are pending if staying implementation is in the public interest or for other good cause.

(5) The department may assess a civil fine not exceeding \$5,000 for each day a person operates a medical test site without a valid license.

(b) Except as otherwise provided in (c) and (d) of this subsection, the civil fine is due and payable 20 days after receipt.

(c) The person against whom the department assesses a civil fine has the right to request an adjudicative proceeding. The proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request must be in writing, state the basis for contesting the fine, include a copy of the notice, be served on and received by the department within 20 days of the person receiving the notice of civil fine, and be served in a manner which shows proof of receipt.

(d) If the person files a timely and sufficient request for adjudicative proceeding, the department shall not implement the fine until the final order has been served.

(6) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so operating a medical test site without a license from criminal prosecution, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. A final notice to cease and desist is conclusive proof of unlicensed operation and may be enforced under RCW 7.21.060. This method of enforcement of the final notice to cease and desist or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

It is a misdemeanor to own, operate, or maintain a test site without a license.

A person that violates an injunction issued under this chapter shall pay a civil penalty, as determined by the court, of not more than \$25,000, which shall be deposited in the department's local fee account. For the purpose of this section, the superior court issuing any injunction shall retain jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties. NEW SECTION. Sec. 12. A new section is added to chapter 70.127 RCW to read as follows:

(1) When the department determines the in-home services agency has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the in-home services agency failed to correct noncompliance with a statute or rule by a date established or agreed to by the department, the department may impose reasonable conditions on a license. Conditions may include correction within a specified amount of time, training, or hiring a department-approved consultant if the in-home services agency cannot demonstrate to the department that it has access to sufficient internal expertise. If the department determines that the violations constitute immediate jeopardy, the conditions may be imposed immediately in accordance with subsection (5) of this section.

(2)(a) In accordance with the authority the department has under RCW 43.70.095, the department may assess a civil fine of up to \$3,000 per violation on an in-home services agency licensed under this chapter when the department determines the in-home services agency has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the in-home services agency failed to correct noncompliance with a statute or rule by a date established or agreed to by the department.

(b) Proceeds from these fines may only be used by the department to offset costs associated with licensing and enforcement of in-home services agencies.

(c) The department shall adopt in rules under this chapter specific fine amounts in relation to the severity of the noncompliance and at an adequate level to be a deterrent to future noncompliance.

(d) If a licensee is aggrieved by the department's action of assessing civil fines, the licensee has the right to appeal under RCW 43.70.095.

(3) The department may suspend a specific category or categories of services or care that the in-home services agency provides as related to the violation by imposing a limited stop service. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(a) Prior to imposing a limited stop service, the department shall provide an in-home services agency written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The in-home services agency shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the limited stop service.

(b) When the department imposes a limited stop service, the in-home services agency may not provide the services in the category or categories subject to the limited stop service to any new or existing individuals until the limited stop service is terminated.

(c) The department shall conduct a follow-up inspection within five business days or within the time period requested by the in-home services agency if more than five business days is needed to verify the violation necessitating the limited stop service has been corrected.

(d) The limited stop service shall be terminated when:

(i) The department verifies the violation necessitating the limited stop service has been corrected or the department determines that the in-home services agency has taken intermediate action to address the immediate jeopardy; and

(ii) The in-home services agency establishes the ability to maintain correction of the violation previously found deficient.

(4) The department may suspend new admissions to an in-home services agency that qualifies as a hospice care center by imposing a stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy and is not confined to a specific category or categories of services or care that the hospice care center provides.

(a) Prior to imposing a stop placement, the department shall provide an in-home services agency that qualifies as a hospice care center written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The hospice care center shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the stop placement.

(b) When the department imposes a stop placement, the hospice care center may not admit any new patients until the stop placement is terminated.

(c) The department shall conduct a follow-up inspection within five business days or within the time period requested by the

hospice care center if more than five business days is needed to verify the violation necessitating the stop placement has been corrected.

(d) The stop placement shall be terminated when:

(i) The department verifies the violation necessitating the stop placement has been corrected or the department determines that the hospice care center has taken intermediate action to address the immediate jeopardy; and

(ii) The hospice care center establishes the ability to maintain correction of the violation previously found deficient.

(5) The department may deny an application for a license or suspend, revoke, or refuse to renew a license.

NEW SECTION. Sec. 13. A new section is added to chapter 70.127 RCW to read as follows:

(1) Except as otherwise provided, RCW 43.70.115 governs notice of the imposition of conditions on a license, a limited stop service, stop placement, or the suspension, revocation, or refusal to renew a license and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, include a copy of the department's notice, be served on and received by the department within 28 days of the licensee's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

(2) When the department determines a licensee's noncompliance results in immediate jeopardy, the department may make the imposition of conditions on a licensee, a limited stop service, stop placement, or the suspension of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(a) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is immediate jeopardy.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate suspension or imposition of conditions.

(c) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

(d) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate suspension or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

(3) When the department determines an alleged violation, if true, would constitute an immediate jeopardy, and the licensee fails to cooperate with the department's investigation of such an alleged violation, the department may impose an immediate stop

placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension.

(a) When the department imposes an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate. At the show cause hearing the department has the burden of demonstrating that more probably than not the alleged violation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate action for failure to cooperate.

(c) If the presiding officer determines the alleged violation, if true, does not constitute an immediate jeopardy or determines that the licensee cooperated with the department's investigation, the presiding officer may overturn the immediate action for failure to cooperate.

(d) If the presiding officer determines the allegation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation, the immediate action for failure to cooperate shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate action for failure to cooperate, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

Sec. 14. RCW 70.127.213 and 2000 c 175 s 19 are each amended to read as follows:

(1) The department may ~~((issue a notice of intention to issue a))~~ give written notice to cease and desist ((order)) to any person whom the department has reason to believe is engaged in the unlicensed operation of an in-home services agency. ~~((The person to whom the notice of intent is issued may request an adjudicative proceeding to contest the charges. The request for hearing must be filed within twenty days after service of the notice of intent to issue a cease and desist order. The failure to request a hearing constitutes a default, whereupon the department may enter a permanent cease and desist order, which may include a civil fine. All proceedings shall be conducted in accordance with chapter 34.05 RCW.~~

~~(2) If the department makes a final determination that a person has engaged or is engaging in unlicensed operation of an in-home services agency, the department may issue a cease and desist order. In addition, the department may impose a civil fine in an amount not exceeding one thousand dollars for each day upon which the person engaged in unlicensed operation of an in-home services agency. The proceeds of such fines shall be deposited in the department's local fee account.~~

~~(3) If the department makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the department may issue a temporary cease and desist order. The person receiving a temporary cease and desist order~~

~~shall be provided an opportunity for a prompt hearing. The temporary cease and desist order shall remain in effect until further order of the department. The failure to request a prompt or regularly scheduled hearing constitutes a default, whereupon the department may enter a permanent cease and desist order, which may include a civil fine.~~

~~(4) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so operating an in-home services agency without a license from criminal prosecution, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. The cease and desist order is conclusive proof of unlicensed operation and may be enforced under RCW 7.21.060. This method of enforcement of the cease and desist order or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.)~~

~~(2)(a) Except as otherwise provided in this section, the requirement to cease and desist unlicensed operation is effective 20 days after the person receives the notice.~~

~~(b) The department may make the date the action is effective sooner than 20 days after receipt when necessary to protect the public health, safety, or welfare. When the department does so, it shall state the effective date and the reasons supporting the effective date in the written notice to cease and desist.~~

~~(3) The person to whom the notice to cease and desist is issued may request an adjudicative proceeding to contest the notice. The adjudicative proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request for an adjudicative proceeding must be in writing, state the basis for contesting the notice, include a copy of the notice, and be served on and received by the department within 20 days from the date the person receives the notice to cease and desist.~~

~~(4)(a) If the department gives a person 20 days' notice to cease and desist and the person requests an adjudicative proceeding before its effective date, the department shall not implement the notice until the final order has been entered. The presiding or reviewing officer may permit the department to implement part or all of the notice while the proceedings are pending if the respondent causes an unreasonable delay in the proceeding, if the circumstances change so that implementation is in the public interest, or for other good cause.~~

~~(b) If the department gives a licensee less than 20 days' notice to cease and desist and the respondent timely files a request for an adjudicative proceeding, the department may implement the cease and desist on the effective date stated in the notice. The presiding or reviewing officer may order the department to stay implementation of part or all of the adverse action while the proceedings are pending if staying implementation is in the public interest or for other good cause.~~

~~(5) The department may assess a civil fine not exceeding \$5,000 for each day a person operates an in-home services agency without a valid license.~~

~~(a) The department shall give written notice to the person against whom it assesses a civil fine.~~

~~(b) Except as otherwise provided in (c) and (d) of this subsection, the civil fine is due and payable 20 days after receipt.~~

~~(c) The person against whom the department assesses a civil fine has the right to request an adjudicative proceeding. The proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request must be in writing, state the basis for contesting the fine, include a copy of the notice, be served on and received by the department within 20 days of the person receiving the notice of civil fine, and be served in a manner which shows proof of receipt.~~

(d) If the person files a timely and sufficient request for adjudicative proceeding, the department shall not implement the fine until the final order has been served.

(6) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so operating an in-home services agency without a license from criminal prosecution, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. A final notice to cease and desist is conclusive proof of unlicensed operation and may be enforced under RCW 7.21.060. This method of enforcement of the final notice to cease and desist or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

Sec. 15. RCW 70.230.010 and 2011 c 76 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Ambulatory surgical facility" means any distinct entity that operates for the primary purpose of providing specialty or multispecialty outpatient surgical services in which patients are admitted to and discharged from the facility within ~~((twenty-four))~~ 24 hours and do not require inpatient hospitalization, whether or not the facility is certified under Title XVIII of the federal social security act. An ambulatory surgical facility includes one or more surgical suites that are adjacent to and within the same building as, but not in, the office of a practitioner in an individual or group practice, if the primary purpose of the one or more surgical suites is to provide specialty or multispecialty outpatient surgical services, irrespective of the type of anesthesia administered in the one or more surgical suites. An ambulatory surgical facility that is adjacent to and within the same building as the office of a practitioner in an individual or group practice may include a surgical suite that shares a reception area, restroom, waiting room, or wall with the office of the practitioner in an individual or group practice.

(2) "Department" means the department of health.

(3) "General anesthesia" means a state of unconsciousness intentionally produced by anesthetic agents, with absence of pain sensation over the entire body, in which the patient is without protective reflexes and is unable to maintain an airway.

(4) "Immediate jeopardy" means a situation in which the ambulatory surgical facility's noncompliance with one or more statutory or regulatory requirements has placed the health and safety of patients in its care at risk for serious injury, serious harm, serious impairment, or death.

(5) "Person" means an individual, firm, partnership, corporation, company, association, joint stock association, and the legal successor thereof.

~~((5))~~ (6) "Practitioner" means any physician or surgeon licensed under chapter 18.71 RCW, an osteopathic physician or surgeon licensed under chapter 18.57 RCW, or a podiatric physician or surgeon licensed under chapter 18.22 RCW.

~~((6))~~ (7) "Secretary" means the secretary of health.

~~((7))~~ (8) "Surgical services" means invasive medical procedures that:

(a) Utilize a knife, laser, cautery, cryogenics, or chemicals; and

(b) Remove, correct, or facilitate the diagnosis or cure of a disease, process, or injury through that branch of medicine that treats diseases, injuries, and deformities by manual or operative methods by a practitioner.

Sec. 16. RCW 70.230.070 and 2007 c 273 s 8 are each amended to read as follows:

~~((The secretary may deny, suspend, or revoke the license of any ambulatory surgical facility in any case in which he or she finds the applicant or registered entity knowingly made a false~~

~~statement of material fact in the application for the license or any supporting data in any record required by this chapter or matter under investigation by the department.~~

~~(2) The secretary shall investigate complaints concerning operation of an ambulatory surgical facility without a license. The secretary may issue a notice of intention to issue a cease and desist order to any person whom the secretary has reason to believe is engaged in the unlicensed operation of an ambulatory surgical facility. If the secretary makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the secretary may issue a temporary cease and desist order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. The temporary cease and desist order shall remain in effect until further order of the secretary. Any person operating an ambulatory surgical facility under this chapter without a license is guilty of a misdemeanor, and each day of operation of an unlicensed ambulatory surgical facility constitutes a separate offense.~~

~~(3) The secretary is authorized to deny, suspend, revoke, or modify a license or provisional license in any case in which it finds that there has been a failure or refusal to comply with the requirements of this chapter or the standards or rules adopted under this chapter. RCW 43.70.115 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.~~

~~(4) Pursuant to chapter 34.05 RCW, the secretary may assess monetary penalties of a civil nature not to exceed one thousand dollars per violation.) The department is authorized to take any of the actions identified in this section against an ambulatory surgical facility's license or provisional license in any case in which it finds that there has been a failure or refusal to comply with the requirements of this chapter or the standards or rules adopted under this chapter.~~

(a) When the department determines the ambulatory surgical facility has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the ambulatory surgical facility failed to correct noncompliance with a statute or rule by a date established or agreed to by the department, the department may impose reasonable conditions on a license. Conditions may include correction within a specified amount of time, training, or hiring a department-approved consultant if the ambulatory surgical facility cannot demonstrate to the department that it has access to sufficient internal expertise.

(b)(i) In accordance with the authority the department has under RCW 43.70.095, the department may assess a civil fine of up to \$7,500 per violation on an ambulatory surgical facility licensed under this chapter when the department determines the ambulatory surgical facility has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the ambulatory surgical facility failed to correct noncompliance with a statute or rule by a date established or agreed to by the department.

(ii) Proceeds from these fines may only be used by the department to offset costs associated with licensing and enforcement of ambulatory surgical facilities.

(iii) If a licensee is aggrieved by the department's action of assessing civil fines, the licensee has the right to appeal under RCW 43.70.095.

(iv) The department shall adopt in rules under this chapter specific fine amounts in relation to:

SEVENTEENTH DAY, JANUARY 24, 2024

(A) The severity of the noncompliance and at an adequate level to be a deterrent to future noncompliance; and

(B) The number of surgical procedures performed by an ambulatory surgical facility on an annual basis as identified by the facility at the time of licensure or renewal in the following categories:

(I) Performs 1,000 or fewer surgical procedures;

(II) Performs between 1,001 and 5,000 surgical procedures; and

(III) Performs more than 5,000 surgical procedures.

(c) The department may suspend a specific category or categories of services or care or operating rooms or recovery rooms within the ambulatory surgical facility as related to the violation by imposing a limited stop service. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(i) Prior to imposing a limited stop service, the department shall provide an ambulatory surgical facility written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The ambulatory surgical facility shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the limited stop service.

(ii) When the department imposes a limited stop service, the ambulatory surgical facility may not provide the services in the category or categories subject to the limited stop service to any new or existing individuals, unless otherwise allowed by the department, until the limited stop service is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the ambulatory surgical facility if more than five business days is needed to verify the violation necessitating the limited stop service has been corrected.

(iv) The limited stop service shall be terminated when:

(A) The department verifies the violation necessitating the limited stop service has been corrected or the department determines that the ambulatory surgical facility has taken intermediate action to address the immediate jeopardy; and

(B) The ambulatory surgical facility establishes the ability to maintain correction of the violation previously found deficient.

(d) The department may suspend new admissions to the ambulatory surgical facility by imposing a stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy and is not confined to a specific category or categories of patients or a specific area of the ambulatory surgical facility.

(i) Prior to imposing a stop placement, the department shall provide an ambulatory surgical facility written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The ambulatory surgical facility shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the stop placement.

(ii) When the department imposes a stop placement, the ambulatory surgical facility may not admit any new patients until the stop placement is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the ambulatory surgical facility if more than five business days is needed to verify the violation necessitating the stop placement has been corrected.

(iv) The stop placement shall be terminated when:

(A) The department verifies the violation necessitating the stop placement has been corrected or the department determines that the ambulatory surgical facility has taken intermediate action to address the immediate jeopardy; and

(B) The ambulatory surgical facility establishes the ability to maintain correction of the violation previously found deficient.

(e) The department may deny an application for a license or suspend, revoke, or refuse to renew a license.

(2) The secretary may deny, suspend, or revoke the license of any ambulatory surgical facility in any case in which he or she finds the applicant or registered entity knowingly made a false statement of material fact in the application for the license or any supporting data in any record required by this chapter or matter under investigation by the department.

(3) Except as otherwise provided, RCW 43.70.115 governs notice of actions taken by the department under this section and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, include a copy of the department's notice, be served on and received by the department within 28 days of the licensee's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

(a) When the department determines a licensee's noncompliance results in immediate jeopardy, the department may make the imposition of conditions on a licensee, a limited stop service, stop placement, or the suspension of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(b) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is an immediate jeopardy.

(c) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate suspension or imposition of conditions.

(d) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

(e) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(f) If the presiding officer sustains the immediate suspension or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

(4) When the department determines an alleged violation, if true, would constitute an immediate jeopardy, and the licensee fails to cooperate with the department's investigation of such an alleged violation, the department may impose an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension.

(a) When the department imposes an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate.

(b) At the show cause hearing the department has the burden of demonstrating that more probably than not the alleged violation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation.

(c) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate action for failure to cooperate.

(d) If the presiding officer determines the alleged violation, if true, does not constitute an immediate jeopardy or determines that the licensee cooperated with the department's investigation, the presiding officer may overturn the immediate action for failure to cooperate.

(e) If the presiding officer determines the allegation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation, the immediate action for failure to cooperate shall remain in effect pending a full hearing.

(f) If the presiding officer sustains the immediate action for failure to cooperate, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

NEW SECTION. Sec. 17. A new section is added to chapter 70.230 RCW to read as follows:

(1) The department may give written notice to cease and desist to any person whom the department has reason to believe is engaged in the unlicensed operation of an ambulatory surgical facility.

(2)(a) Except as otherwise provided in this section, the requirement to cease and desist unlicensed operation is effective 20 days after the person receives the notice.

(b) The department may make the date the action is effective sooner than 20 days after receipt when necessary to protect the public health, safety, or welfare. When the department does so, it shall state the effective date and the reasons supporting the effective date in the written notice to cease and desist.

(3) The person to whom the notice to cease and desist is issued may request an adjudicative proceeding to contest the notice. The adjudicative proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request for an adjudicative proceeding must be in writing, state the basis for contesting the notice, include a copy of the notice, and be served on and received by the department within 20 days from the date the person receives the notice to cease and desist.

(4)(a) If the department gives a person 20 days' notice to cease and desist and the person requests an adjudicative proceeding before its effective date, the department shall not implement the notice until the final order has been entered. The presiding or reviewing officer may permit the department to implement part or all of the notice while the proceedings are pending if the respondent causes an unreasonable delay in the proceeding, if the circumstances change so that implementation is in the public interest, or for other good cause.

(b) If the department gives a licensee less than 20 days' notice to cease and desist and the respondent timely files a request for an adjudicative proceeding, the department may implement the cease and desist on the effective date stated in the notice. The presiding or reviewing officer may order the department to stay implementation of part or all of the adverse action while the proceedings are pending if staying implementation is in the public interest or for other good cause.

(5) The department may assess a civil fine not exceeding \$5,000 for each day a person operates an ambulatory surgical facility without a valid license.

(a) The department shall give written notice to the person against whom it assesses a civil fine.

(b) Except as otherwise provided in (c) and (d) of this subsection, the civil fine is due and payable 20 days after receipt.

(c) The person against whom the department assesses a civil fine has the right to request an adjudicative proceeding. The proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request must be in writing, state the basis for contesting the fine, include a copy of the notice, be served on and received by the department within 20 days of the person receiving the notice of civil fine, and be served in a manner which shows proof of receipt.

(d) If the person files a timely and sufficient request for adjudicative proceeding, the department shall not implement the fine until the final order has been served.

(6) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so operating an ambulatory surgical facility without a license from criminal prosecution, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. A final notice to cease and desist is conclusive proof of unlicensed operation and may be enforced under RCW 7.21.060. This method of enforcement of the final notice to cease and desist or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

Sec. 18. RCW 71.12.710 and 2020 c 115 s 3 are each amended to read as follows:

(1) In any case in which the department finds that a ~~((licensed psychiatric hospital))~~ private establishment has failed or refused to comply with ~~((applicable state))~~ the requirements of this chapter, the standards or rules adopted under this chapter, or other applicable state or federal statutes or ((regulations)) rules, the department may take one or more of the actions identified in this section, except as otherwise limited in this section.

(a) When the department determines the ~~((psychiatric hospital))~~ private establishment has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the ~~((psychiatric hospital))~~ private establishment failed to correct noncompliance with a statute or rule by a date established or agreed to by the department, the department may impose reasonable conditions on a license. (ii) Proceeds from these fines may only be used by the department to provide training or technical assistance to ~~((psychiatric hospitals and))~~ private establishments or to offset costs associated with licensing ~~((psychiatric hospitals))~~ private establishments.

(iii) The department shall adopt in rules under this chapter specific fine amounts in relation to the severity of the noncompliance.

(iv) If a licensee is aggrieved by the department's action of assessing civil fines, the licensee has the right to appeal under RCW 43.70.095.

~~((In accordance with RCW 43.70.095, the department may impose civil fines of up to ten thousand dollars for each day a person operates a psychiatric hospital without a valid license. Proceeds from these fines may only be used by the department to provide training or technical assistance to psychiatric hospitals and to offset costs associated with licensing psychiatric hospitals.))~~

~~((d))~~ The department may suspend new admissions of a specific category or categories of patients as related to the violation by imposing a limited stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(i) Prior to imposing a limited stop placement, the department shall provide a ~~((psychiatric hospital))~~ private establishment written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy, and the ~~((psychiatric hospital))~~ private establishment shall have ~~((twenty-four))~~ 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same ~~((twenty-four))~~ 24-hour period, the department may issue the limited stop placement.

(ii) When the department imposes a limited stop placement, the ~~((psychiatric hospital))~~ private establishment may not ~~((admit any new patients))~~ accept any new admissions in the category or categories subject to the limited stop placement until the limited stop placement order is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the ~~((psychiatric hospital))~~ private establishment if more than five business days is needed to verify the violation necessitating the limited stop placement has been corrected.

(iv) The limited stop placement shall be terminated when:

(A) The department verifies the violation necessitating the limited stop placement has been corrected or the department determines that the ~~((psychiatric hospital))~~ private establishment

has taken intermediate action to address the immediate jeopardy; and

(B) The ~~((psychiatric hospital))~~ private establishment establishes the ability to maintain correction of the violation previously found deficient.

~~((e))~~ ~~((d))~~ The department may suspend all new admissions to the ~~((psychiatric hospital))~~ private establishment by imposing a stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy and is not confined to a specific category or categories of patients or a specific area of the ~~((psychiatric hospital))~~ private establishment.

(i) Prior to imposing a stop placement, the department shall provide a ~~((psychiatric hospital))~~ private establishment written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy, and the ~~((psychiatric hospital))~~ private establishment shall have ~~((twenty-four))~~ 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same ~~((twenty-four))~~ 24-hour period, the department may issue the stop placement.

(ii) When the department imposes a stop placement, the ~~((psychiatric hospital))~~ private establishment may not ~~((admit any new patients))~~ accept any new admissions until the stop placement order is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the ~~((psychiatric hospital))~~ private establishment if more than five business days is needed to verify the violation necessitating the stop placement has been corrected.

(iv) The stop placement order shall be terminated when:

(A) The department verifies the violation necessitating the stop placement has been corrected or the department determines that the ~~((psychiatric hospital))~~ private establishment has taken intermediate action to address the immediate jeopardy; and

(B) The ~~((psychiatric hospital))~~ private establishment establishes the ability to maintain correction of the violation previously found deficient.

~~((f))~~ ~~((e))~~ The department may suspend a specific category or categories of services within the private establishment as related to the violation by imposing a limited stop service. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(i) Prior to imposing a limited stop service, the department shall provide a private establishment written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The private establishment shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the limited stop service.

(ii) When the department imposes a limited stop service, the private establishment may not provide the services in the category or categories subject to the limited stop service to any new or existing individuals, unless otherwise allowed by the department, until the limited stop service is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the private establishment if more than five business days is needed to verify the violation necessitating the limited stop service has been corrected.

(iv) The limited stop service shall be terminated when:

(A) The department verifies the violation necessitating the limited stop service has been corrected or the department determines that the private establishment has taken intermediate action to address the immediate jeopardy; and

(B) The private establishment establishes the ability to maintain correction of the violation previously found deficient.

(f) The department may suspend, revoke, or refuse to renew a license.

(2)(a) Except as otherwise provided, RCW 43.70.115 governs notice of the imposition of conditions on a license, a limited stop placement, stop placement, limited stop service, or the suspension, revocation, or refusal to renew a license and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, including a copy of the department's notice, be served on and received by the department within ~~((twenty-eight))~~ 28 days of the licensee's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

(b) When the department determines a licensee's noncompliance results in immediate jeopardy, the department may make the imposition of conditions on a licensee, a limited stop placement, stop placement, limited stop service, or the suspension of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(i) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within ~~((fourteen))~~ 14 days of making the request. The licensee must request the show cause hearing within ~~((twenty-eight))~~ 28 days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is an immediate jeopardy.

(ii) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and must provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department must provide the licensee with all documentation that supports the department's immediate suspension or immediate imposition of conditions.

(iii) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

(iv) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(v) If the secretary sustains the immediate suspension or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within ~~((ninety))~~ 90 days of the licensee's request.

(3) When the department determines an alleged violation, if true, would constitute an immediate jeopardy, and the licensee fails to cooperate with the department's investigation of such an alleged violation, the department may impose an immediate stop placement, immediate limited stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension.

(a) When the department imposes an immediate stop placement, immediate limited stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of an immediate stop placement, immediate limited stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate. At the show cause hearing the department has the burden of demonstrating that more probably than not the alleged violation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate stop placement, immediate limited stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate action for failure to cooperate.

(c) If the presiding officer determines the alleged violation, if true, does not constitute an immediate jeopardy or determines that the licensee cooperated with the department's investigation, the presiding officer may overturn the immediate action for failure to cooperate.

(d) If the presiding officer determines the allegation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation, the immediate action for failure to cooperate shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate action for failure to cooperate, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

NEW SECTION. Sec. 21. A new section is added to chapter 71.12 RCW to read as follows:

(1) The department may give written notice to cease and desist to any person whom the department has reason to believe is engaged in the unlicensed operation of a private establishment.

(2)(a) Except as otherwise provided in this section, the requirement to cease and desist unlicensed operation is effective 20 days after the person receives the notice.

(b) The department may make the date the action is effective sooner than 20 days after receipt when necessary to protect the public health, safety, or welfare. When the department does so, it shall state the effective date and the reasons supporting the effective date in the written notice to cease and desist.

(3) The person to whom the notice to cease and desist is issued may request an adjudicative proceeding to contest the notice. The adjudicative proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request for an adjudicative proceeding must be in writing, state the basis for contesting the notice, include a copy of the notice, and be served

on and received by the department within 20 days from the date the person receives the notice to cease and desist.

(4)(a) If the department gives a person 20 days' notice to cease and desist and the person requests an adjudicative proceeding before its effective date, the department shall not implement the notice until the final order has been entered. The presiding or reviewing officer may permit the department to implement part or all of the notice while the proceedings are pending if the respondent causes an unreasonable delay in the proceeding, if the circumstances change so that implementation is in the public interest, or for other good cause.

(b) If the department gives a licensee less than 20 days' notice to cease and desist and the respondent timely files a request for an adjudicative proceeding, the department may implement the cease and desist on the effective date stated in the notice. The presiding or reviewing officer may order the department to stay implementation of part or all of the adverse action while the proceedings are pending if staying implementation is in the public interest or for other good cause.

(5) The department may assess a civil fine not exceeding \$5,000 for each day a person operates a private establishment without a valid license.

(a) The department shall give written notice to the person against whom it assesses a civil fine.

(b) Except as otherwise provided in (c) and (d) of this subsection, the civil fine is due and payable 20 days after receipt.

(c) The person against whom the department assesses a civil fine has the right to request an adjudicative proceeding. The proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request must be in writing, state the basis for contesting the fine, include a copy of the notice, be served on and received by the department within 20 days of the person receiving the notice of civil fine, and be served in a manner which shows proof of receipt.

(d) If the person files a timely and sufficient request for adjudicative proceeding, the department shall not implement the fine until the final order has been served.

(6) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so operating a private establishment without a license from criminal prosecution, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. A final notice to cease and desist is conclusive proof of unlicensed operation and may be enforced under RCW 7.21.060. This method of enforcement of the final notice to cease and desist or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(b) The application contains such information respecting the organization, combination, or facility and the proposed offering or obligation by a nursing home as the department may require to determine if the organization or combination meets the requirements of subsection (1) of this section or the facility meets or will meet such requirements; and

(c) The department approves such application. The department shall approve or disapprove an application for exemption within (~~(thirty)~~) 30 days of receipt of a completed application. In the case of a proposed health care facility (or portion thereof) which has not begun to provide tertiary health services on the date an application is submitted under this subsection with respect to such facility (or portion), the facility (or portion) shall meet the applicable requirements of subsection (1) of this section when the facility first provides such services. The department shall approve an application submitted under this subsection if it determines that the applicable requirements of subsection (1) of this section are met.

(3) A health care facility (or any part thereof) with respect to which an exemption was granted under subsection (1) of this section may not be sold or leased and a controlling interest in such facility or in a lease of such facility may not be acquired and a health care facility described in (1)(c) which was granted an exemption under subsection (1) of this section may not be used by any person other than the lessee described in (1)(c) unless:

(a) The department issues a certificate of need approving the sale, lease, acquisition, or use; or

(ii) Provides its members a contractually guaranteed range of services from independent living through skilled nursing, including some assistance with daily living activities;

(iii) Contractually assumes responsibility for the cost of services exceeding the member's financial responsibility under the contract, so that no third party, with the exception of insurance purchased by the retirement community or its members, but including the medicaid program, is liable for costs of care even if the member depletes his or her personal resources;

(7) A rural health care facility licensed under RCW 70.175.100 formerly licensed as a hospital under chapter 70.41 RCW may, within three years of the effective date of the rural health care facility license, apply to the department for a hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous

operation, and the rural health care facility has not been purchased or leased.

(8) A rural hospital determined to no longer meet critical access hospital status for state law purposes as a result of participation in the Washington rural health access preservation pilot identified by the state office of rural health and formerly licensed as a hospital under chapter 70.41 RCW may apply to the department to renew its hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW. If all or part of a formerly licensed rural hospital is sold, purchased, or leased during the period the rural hospital does not meet critical access hospital status as a result of participation in the Washington rural health access preservation pilot and the new owner or lessor applies to renew the rural hospital's license, then the sale, purchase, or lease of part or all of the rural hospital is subject to the provisions of this chapter.

(9)(a) A nursing home that voluntarily reduces the number of its licensed beds to provide assisted living, licensed assisted living facility care, adult day care, adult day health, respite care, hospice, outpatient therapy services, congregate meals, home health, or senior wellness clinic, or to reduce to one or two the number of beds per room or to otherwise enhance the quality of life for residents in the nursing home, may convert the original facility or portion of the facility back, and thereby increase the number of nursing home beds to no more than the previously licensed number of nursing home beds without obtaining a certificate of need under this chapter, provided the facility has been in continuous operation and has not been purchased or leased. Any conversion to the original licensed bed capacity, or to any portion thereof, shall comply with the same life and safety code requirements as existed at the time the nursing home voluntarily reduced its licensed beds; unless waivers from such requirements were issued, in which case the converted beds shall reflect the conditions or standards that then existed pursuant to the approved waivers.

(d) Nursing home beds that have been voluntarily reduced under this section shall be counted as available nursing home beds for the purpose of evaluating need under RCW 70.38.115(2) (a)

NEW SECTION. Sec. 32. A new section is added to chapter 18.64 RCW to read as follows:

This section governs the assessment of a civil fine against a licensee issued by the commission. This section does not govern actions taken under chapter 18.130 RCW.

The form, contents, and service of the application for an adjudicative hearing must comply with this chapter and the procedural rules adopted by the commission and must be served on and received by the commission within 28 days of the licensee receiving the notice.

NEW SECTION. Sec. 33. A new section is added to chapter 18.64 RCW to read as follows:

This section does not govern actions taken under chapter 18.130 RCW.

(1) The commission is authorized to take any of the actions identified in this section against licenses, registrations, permits, or other credentials or approvals issued by the commission under this chapter and chapters 18.64A, 69.38, 69.41, 69.43, 69.45, and 69.50 RCW in any case in which it finds the licensee has failed or refused to comply with any state or federal statute or administrative rule regulating the license in question including, but not limited to, Title 69 RCW, this chapter, chapter 18.64A RCW, and administrative rules adopted by the commission, except as otherwise limited in this section.

(a) When the commission determines a licensee has previously been subject to an enforcement action for the same or similar type of violation of the same or similar statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the licensee failed to correct noncompliance with a statute or rule by a date established or agreed to by the commission, the commission may impose reasonable conditions on a license. Conditions may include correction within a specified amount of time, a directed plan of correction, training, or hiring a commission-approved consultant if the licensee cannot demonstrate to the commission that it has access to sufficient internal expertise. If the commission determines the violations constitute immediate jeopardy, the conditions may be imposed immediately in accordance with subsection (2)(b) of this section.

(b)(i) In accordance with the commission's authority under section 32 of this act, the commission may assess a civil fine of up to \$10,000 per violation, not to exceed a total fine of \$1,000,000, on a licensee when the commission determines the licensee has previously been subject to an enforcement action for

the same or similar type of violation of the same or similar statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when a licensee failed to correct noncompliance with a statute or rule by a date established or agreed to by the commission.

(ii) Proceeds from these fines may only be used by the commission to provide training or technical assistance to licensees and to offset costs associated with licensing and enforcement.

(iii) The commission shall adopt in rules under this chapter to establish specific fine amounts in relation to:

(A) The severity of the noncompliance and at an adequate level to be a deterrent to future noncompliance; and

(B) The operation size of the licensee.

(iv) If a licensee is aggrieved by the commission's action of assessing civil fines, the licensee has the right to appeal under section 32 of this act.

(c) The commission may restrict the ability of a licensee to engage in a specific service related to a violation by imposing a limited stop service. This may only be done if the commission finds that noncompliance results in immediate jeopardy.

(i) Prior to imposing a limited stop service, the commission shall provide a licensee written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The licensee shall have 24 hours from notification to develop and implement a commission-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the commission as having been corrected within the same 24-hour period, the commission may issue the limited stop service.

(ii) When the commission imposes a limited stop service, the licensee may not provide the services subject to the limited stop service, unless otherwise allowed by the commission, until the limited stop service order is terminated.

(iii) The commission shall conduct a follow-up inspection within five business days or within the time period requested by the licensee if more than five business days is needed to verify the violation necessitating the limited stop service has been corrected.

(iv) The limited stop service shall be terminated when:

(A) The commission verifies the violation necessitating the limited stop service has been corrected or the commission determines that the licensee has taken intermediate action to address the immediate jeopardy; and

(B) The licensee establishes the ability to maintain correction of the violation previously found deficient.

(d) The commission may deny an application, or suspend, revoke, or modify a license.

(2)(a) Except as otherwise provided, sections 31 and 32 of this act govern notices of actions taken by the commission under subsection (1) of this section and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW.

(b) When the commission determines a licensee's noncompliance results in immediate jeopardy, the commission may make the imposition of conditions on a licensee, a limited stop service, or the suspension or modification of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(i) When the commission makes the suspension or modification of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a hearing panel of the commission within 14 days of making the

request. The licensee must request the show cause hearing within 28 days of receipt of the notice. At the show cause hearing the commission has the burden of demonstrating that more probably than not there is an immediate jeopardy.

(ii) At the show cause hearing, the commission may consider the notice and documents supporting the immediate imposition of conditions on a licensee, or the suspension or modification of a license, and the licensee's response, and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the commission shall provide the licensee with all documentation that supports the commission's immediate imposition of conditions on a licensee or suspension or modification of a license.

(iii) If the hearing panel of the commission determines there is no immediate jeopardy, the hearing panel of the commission may overturn the immediate suspension or modification of the license or immediate imposition of conditions.

(iv) If the hearing panel of the commission determines there is immediate jeopardy, the immediate suspension or modification of the license or immediate imposition of conditions shall remain in effect pending a full hearing.

(v) If the commission sustains the immediate suspension or modification of the license or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits. A full hearing must be provided within 90 days of the licensee's request, unless otherwise stipulated by the parties.

(3) The commission may take action under subsection (1) of this section against a nonresident pharmacy for failure to comply with any requirement of RCW 18.64.350 through 18.64.400, conduct that caused injury to a resident of this state, or conduct that resulted in adverse action against the nonresident pharmacy by a federal agency or the regulatory or licensing agency in the state in which the nonresident pharmacy is located.

(4) When the commission determines an alleged violation, if true, would constitute an immediate jeopardy, and the licensee fails to cooperate with the commission's investigation of such an alleged violation, the commission may impose an immediate limited stop service, immediate imposition of conditions, or immediate suspension or modification of a license.

(a) When the commission imposes an immediate limited stop service, immediate imposition of conditions, or immediate suspension or modification of a license for failure to cooperate, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of an immediate limited stop service, immediate imposition of conditions, or immediate suspension or modification of a license for failure to cooperate. At the show cause hearing the commission has the burden of demonstrating that more probably than not the alleged violation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the commission's investigation.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate limited stop service, immediate imposition of conditions, or immediate suspension or modification of a license for failure to cooperate, and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the commission shall provide the licensee with all documentation that supports the commission's immediate action for failure to cooperate.

(c) If the presiding officer determines the alleged violation, if true, does not constitute an immediate jeopardy or determines that

the licensee cooperated with the commission's investigation, the presiding officer may overturn the immediate action for failure to cooperate.

(d) If the presiding officer determines the allegation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the commission's investigation, the immediate action for failure to cooperate shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate action for failure to cooperate, the licensee may request an expedited full hearing on the merits of the commission's action. A full hearing must be provided within 90 days of the licensee's request.

The commission shall hold hearings on the petition. The commission may deny the petition or may order reinstatement of the licensee's license. The commission may impose terms and conditions in the order of reinstatement.

(2) A licensee whose license has been suspended for noncompliance with a support order or visitation order under RCW 74.20A.320 may petition for reinstatement at any time by providing the commission a release issued by the department of social and health services stating that the person is in compliance with the order. If the person has continued to meet all other requirements for reinstatement during the suspension, the commission shall automatically reissue the person's license upon receipt of the release, and payment of a reinstatement fee, if any.

Sec. 3. RCW 10.77.150 and 2023 c 120 s 8 are each amended to read as follows:

(1) Persons examined pursuant to RCW 10.77.140 may make application to the secretary for conditional release. The secretary shall, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, forward to the court of the county which ordered the person's commitment the person's application for conditional release as well as the secretary's recommendations concerning the application and any proposed terms and conditions upon which the secretary reasonably believes the person can be conditionally released. ~~((Conditional release may also contemplate partial release for work, training, or educational purposes.))~~

(2) In instances in which persons examined pursuant to RCW 10.77.140 have not made application to the secretary for conditional release, but the secretary, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, reasonably believes the person may be conditionally released, the secretary may submit a recommendation for conditional release to the court of the county that ordered the person's commitment. The secretary's recommendation must include any proposed terms and conditions upon which the secretary reasonably believes the person may be conditionally released. ~~((Conditional release may also include partial release for work, training, or educational purposes.))~~ Notice of the secretary's recommendation under this subsection must be provided to the person for whom the secretary has made the recommendation for conditional release and to his or her attorney.

(3)(a) The court of the county which ordered the person's commitment, upon receipt of an application or recommendation for conditional release with the secretary's recommendation for ~~((conditional release))~~ terms and conditions upon which the secretary reasonably believes the person can be conditionally released for partial conditional release or that meet the minimum statutory requirements in RCW 10.77.160 and 10.77.175 for conditional release to a less restrictive alternative, shall within 30 days schedule a hearing. The court may schedule a hearing on applications recommended for disapproval by the secretary.

(b) The prosecuting attorney shall represent the state at such hearings and shall have the right to have the person examined by an expert or professional person of the prosecuting attorney's choice. If the committed person is indigent~~((s))~~ and ~~((he or she))~~ so requests, the court shall assist the person in obtaining a qualified expert or professional person to examine the person on ~~((his or her))~~ the person's behalf. An expert or professional person obtained by an indigent person who is committed to state psychiatric care following acquittal by reason of insanity shall be compensated out of funds of the office of public defense as provided in policies and procedures under chapter 2.70 RCW, in a manner consistent with the rules of professional conduct and the standards for indigent defense.

(c) The issue to be determined at such a hearing is whether or not the person may be released conditionally ~~((to less restrictive alternative treatment under the supervision of a multidisciplinary transition team under conditions imposed by the court, including access to services under RCW 10.77.175 without substantial~~

~~danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security))~~ under conditions imposed by the court without substantial danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security.

(d) In cases that come before the court under subsection (1) or (2) of this section, the court may deny conditional release ~~((to a less restrictive alternative))~~ only on the basis of substantial evidence. The court may modify the suggested terms and conditions on which the person is to be conditionally released. Pursuant to the determination of the court after hearing, the committed person shall thereupon be released on such conditions as the court determines to be necessary, or shall be remitted to the custody of the secretary.

(4) If the order of conditional release provides for partial conditional release, the person shall be under the continued supervision of the secretary. The facility recommendation to the secretary for review of partial conditional release that allows unsupervised community access off the grounds of the state hospital will be informed by advisement of a community corrections officer.

~~(5)(a)~~ (a) If the order of conditional release provides for the conditional release of the person to a less restrictive alternative, ~~((including residential treatment or treatment in the community,))~~ the conditional release order ~~((must also))~~ shall include:

~~((a))~~ (i) A requirement for the committed person to be supervised by a multidisciplinary transition team, including a specially trained community corrections officer, a representative of the department of social and health services, and a representative of the community behavioral health agency providing treatment to the person under RCW 10.77.175.

~~((a))~~ (A) The court may omit appointment of the representative of the community behavioral health agency if the conditional release order does not require participation in behavioral health treatment;

~~((a))~~ (B) The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, ~~((and))~~ and the safety of the person and the community;

~~((a))~~ (ii) A requirement for the person to comply with conditions of supervision established by the court which shall include at a minimum reporting as directed to a designated member of the transition team, remaining within prescribed geographical boundaries, and notifying the transition team prior to making any change in the person's address or employment. If the person is not in compliance with the court-ordered conditions of release, the community corrections officer or another designated transition team member shall notify the secretary or the secretary's designee; and

~~((a))~~ (iii) If the court requires participation in behavioral health treatment, the name of the licensed or certified behavioral health agency responsible for identifying the services the person will receive under RCW 10.77.175, and a requirement that the person cooperate with the services planned by the licensed or certified behavioral health agency. The licensed or certified behavioral health agency must comply with the reporting requirements of RCW 10.77.160, and must immediately report to the court, prosecutor, and defense counsel any substantial withdrawal or disengagement from medication or treatment, or any change in the person's mental health condition that renders him or her a potential risk to the public.

~~((a))~~ (b) Before ordering conditional release to a proposed less restrictive alternative, the court must consider the report of the community corrections officer with any additional

recommended conditions, and the recommendation of the independent public safety review panel under RCW 10.77.270. The court may not order conditional release to a proposed less restrictive alternative unless conditions ensure the conditional release will satisfy the minimum requirements set forth in this section and RCW 10.77.175.

~~((4))~~ (5) The role of the transition team appointed under subsection ((4)) (5) of this section shall be to facilitate the success of the person on the conditional release order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances that may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan that may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

~~((6))~~ (7) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a conditional release order. Another community corrections officer may be appointed if no specially trained officer is available.

~~((7))~~ (8) Any person, whose application for conditional release has been denied, may reapply after a period of six months from the date of denial, or sooner with the support of the department.

~~((8))~~ (9) A person examined under RCW 10.77.140 or the department may make a motion for ~~((limited))~~ partial conditional release under this section, on the grounds that there is insufficient evidence that the person may be released conditionally to less restrictive alternative treatment under subsection (3)(c) of this section, but the person would benefit from the opportunity to exercise increased privileges while remaining under the custody and supervision of the department and with the supervision of the department these increased privileges can be exercised without substantial danger to other persons or substantial likelihood of committing criminal acts jeopardizing public safety or security. The department may respond to a person's application for conditional release by instead supporting ~~((limited))~~ partial conditional release."

crime deterrent effects of an animal's presence and the provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks. This subsection does not apply to RCW 49.60.222 through 49.60.227 with respect to housing accommodations or real estate transactions.

(1) It shall be a civil infraction under chapter 7.80 RCW for any person to misrepresent an animal as a service animal or service animal trainee. A violation of this section occurs when a person:

(b) An enforcement officer or place of public accommodation shall not ask about the nature or extent of a person's disability, but may make two inquiries to determine whether an animal qualifies as a service animal or service animal trainee. An enforcement officer or place of public accommodation may ask if the animal is required because of a disability and what work or task the animal has been trained or is in training to perform. An enforcement officer or place of public accommodation shall not require documentation, such as proof that the animal has been certified, trained, or licensed as a service animal, or require that the service animal demonstrate its task. Generally, an enforcement officer or place of public accommodation may not make these inquiries about a service animal when it is readily apparent that an animal is trained to do work or perform tasks for a person with a disability, such as a dog is observed guiding a person who is blind or has low vision, pulling a person's wheelchair, or providing assistance with stability or balance to a person with an observable mobility disability.

~~((3))~~ A place of public accommodation shall make reasonable modifications in policies, practices, or procedures to permit the use of a miniature horse by an individual with a disability in accordance with RCW 49.60.040(24) if the miniature horse has been individually trained to do work or perform tasks for the benefit of the individual with a disability. In determining whether

~~reasonable modifications in policies, practices, or procedures can be made to allow a miniature horse into a facility, a place of public accommodation shall act in accordance with all applicable laws and regulations.~~)

Sec. 3. RCW 49.60.215 and 2020 c 52 s 13 are each amended to read as follows:

(a) ~~Commit~~ an act which directly or indirectly results in any distinction, restriction, or discrimination ~~((, or the requiring of))~~;

(b) ~~Require~~ any person to pay a larger sum than the uniform rates charged other persons ~~((, or the refusing or withholding))~~;

(c) ~~Refuse or withhold~~ from any person the admission, patronage, custom, presence, frequenting, dwelling, staying, or lodging in any place of public resort, accommodation, assemblage, or amusement ~~((, except for))~~.

(2) Notwithstanding subsection (1) of this section, a person or the person's agent or employee may enforce conditions and limitations established by law and applicable to all persons, regardless of race, creed, color, national origin, citizenship or immigration status, sexual orientation, sex, honorably discharged veteran or military status, status as a mother breastfeeding her child, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability: PROVIDED, That this section shall not be construed to require structural changes, modifications, or additions to make any place accessible to a person with a disability except as otherwise required by law: PROVIDED, That behavior or actions constituting a risk to property or other persons can be grounds for refusal and shall not constitute an unfair practice.

(3) A place of public accommodation must make reasonable modifications in policies, practices, or procedures to permit the use of a miniature horse by an individual with a disability in accordance with RCW 49.60.040(25) if the miniature horse has been individually trained to do work or perform tasks for the benefit of the individual with a disability. In determining whether reasonable modifications in policies, practices, or procedures can be made to allow a miniature horse into a facility, a place of public accommodation must act in accordance with all applicable laws and regulations.

(4) If a place of public accommodation customarily charges a person for damages that the person causes to the place, the place may charge a service animal trainer for damages that a service animal trainee causes to the place.

(5) A service animal trainer must maintain control of a service animal trainee. Except as provided in this subsection, control must be exerted by means of a harness, leash, or other tether. If the use of a harness, leash, or other tether would interfere with the ability of the animal to do the work or perform the tasks for which the animal is being trained, control may be exerted by the effective use of voice commands, signals, or other means. If an animal is not under control as required in this subsection, a place of public accommodation may consider the animal to be out of control for purposes of subsection (6) of this section.

(6)(a) Except as provided in this subsection, a place of public accommodation may not deny a service animal trainer the right to be accompanied by a service animal trainee in any area of the place that is open to the public or to business invitees. A place of public accommodation may require a service animal trainer to remove a service animal trainee if:

(i) The animal is not trained to urinate and defecate outside of the facility or only in an appropriate place; or

(ii) The animal is out of control and effective action is not taken to control the animal.

(b) A place of public accommodation may impose legitimate requirements necessary for the safe operation of the place of public accommodation. The place of public accommodation must ensure that the safety requirements are based on actual risks, not on speculation, stereotypes, or generalizations about persons with disabilities.

(c) A place of public accommodation may post signage indicating the misrepresentation of an animal as a service animal or service animal trainee may result in a civil infraction of up to \$500 pursuant to chapter 7.80 RCW.

(7) A place of public accommodation must make reasonable modifications as necessary to allow an opportunity for a person with a disability who is benefited by the use of a dog guide or service animal to obtain goods, services, and the use of the advantages, facilities, and privileges of the place. For purposes of this subsection, except as provided in subsection (6) of this section, in addition to any other applicable accommodation requirement, allowing the presence of the service animal is a reasonable modification.

(8) A place of public accommodation is not required to provide care or supervision for a service animal or service animal trainee.

(9) The protection granted under this section to a person with a disability or service animal trainer does not invalidate or limit the remedies, rights, and procedures of any other federal, state, or local laws that provide equal or greater protection of the rights of a person with a disability, service animal trainer, or individuals associated with a person with a disability."

MESSAGE FROM THE SECRETARY OF STATE

CERTIFICATION OF INITIATIVE TO THE LEGISLATURE
I-2124

Pursuant to Article II, Section 1 of the Washington State Constitution, RCW 29A.72.230, and WAC 434- 379-010, the Office of the Secretary of State has caused the signatures submitted in support of Initiative to the Legislature No. 2124 to be examined in the following manner:

1. It was determined that 427,481 signatures were submitted by the sponsors of the initiative. A random sample of 12,825 signatures was taken from those submitted;
2. Each sampled signature was examined to determine if the signer was a registered voter of the state, if the signature was reasonably similar to the one appearing on the record of that voter, and if the same signature appeared more than once in the sample. We found 10,552 valid signatures, 2,259 signatures that were invalid and 14 pairs of duplicated signatures in the sample;
3. We calculated an allowance for the chance error of sampling (71) by multiplying the square root of the number of invalid signatures by 1.5;
4. We estimated the upper limit of the number of signatures on the initiative petition which were invalid (77,673) by dividing the sum of the number of invalid signatures in the sample and allowance for the chance of error of sampling by the sampling ratio;
5. We determined the maximum allowable number of duplicate pairs of signatures on the petition (25,292) by subtracting the sum of the number of signatures required by Article 11, Section 1 of the Washington State Constitution (324,516) and the estimate of the upper limit of the number of invalid signatures on the petition from the number of signatures submitted;
6. We determined the expected number of duplicate pairs of signatures in the sample (23) by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures on the initiative petition;
7. We determined the acceptable number of duplicate pairs of signatures in the sample (15) by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample; and
8. The number of duplicate pairs of signatures in the sample is less than the acceptable number of duplicate pairs of signatures in the sample.

Therefore, I hereby declare Initiative to the Legislature No. 2124 to contain sufficient signatures.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the State of Washington this 25th day of January, 2024.

/s/Steve Hobbs

By Senators Short, Cleveland, Kuderer, Warnick, Dozier, Torres, Padden, Lovelett, Wagoner, and J. Wilson

WHEREAS, January has been recognized as National Stalking Awareness Month by the Stalking Prevention, Awareness, and Resource Center, established by a grant funded by the United States Department of Justice; and

WHEREAS, This body reaffirms the inherent right of every human being to live in peace without the fear of being stalked, harassed, and violated; and

WHEREAS, We recognize stalking as a deeply traumatic victimization in its own right and often intersects with sexual violence, physical violence, and even homicide; and

WHEREAS, According to the National Intimate Partner and Sexual Violence Survey, one in three women and one in six men have been stalked at some point in their lives; and

WHEREAS, According to the National Coalition Against Domestic Violence, 76 percent of women murdered by an intimate partner were stalked first, while 85 percent of women who survived murder attempts were stalked; and

WHEREAS, 54 percent of femicide victims reported stalking to the police before they were killed by their stalkers and one in seven stalking victims has been forced to move because of their victimization; and

WHEREAS, According to the United States Department of Justice report "Socio-emotional Impact of Violent Crime," victims often face nonphysical challenges, such as the possibility of trauma and posttraumatic stress or socio-emotional problems, affecting their ability to trust or function day to day; and

WHEREAS, According to the Centers for Disease Control and Prevention, stalking is a public health problem that affects millions of people in the United States; and

WHEREAS, The impact of all crime often affects more than just the direct victims, devastating thousands of these victims' families and friends across Washington as well; and

WHEREAS, The Washington State Senate recognize the importance of honoring victims regardless of the manner, size, or type of crime committed against them because of the adversity they face and the resilience they exemplify;

NOW, THEREFORE, BE IT RESOLVED, That the Senate recognize the plight of those affected and victimized by the crime of stalking and further resolve to stand with the victims who have been brave enough to tell their stories, those who are no longer alive to do so, and those who might gain the courage to do so in the future.

SENATE RESOLUTION 8662

By Senators C. Wilson, Kuderer, J. Wilson, Lovick, Nobles, Billig, Boehnke, Cleveland, and Wellman

WHEREAS, The National Conference of State Legislatures (NCSL) was founded in 1975 and has evolved during the past half-century to become the premier organization solely dedicated to serving state and territorial legislators and legislative staff; and

WHEREAS, It was created from the merger of three organizations that served or represented state legislatures and that shared the belief that legislative service is one of democracy's worthiest pursuits; and

WHEREAS, NCSL is a bipartisan organization with three objectives: To advance the effectiveness, independence, and integrity of state legislatures; to foster interstate communication and cooperation; and to ensure states a strong, cohesive voice in the federal system; and

WHEREAS, Our nation's state legislatures are America's laboratories of democracy and have continually shown that they are the bodies to tackle emerging challenges, and state legislatures are where people from very different backgrounds, representing very different communities, can come together and find common ground, and NCSL has facilitated the exchange of ideas, provided critical research and information, and encouraged a rigorous review of complex issues confronting our communities, states, and nation, and NCSL strives to strengthen the bonds between America's state legislatures and the international community;

NOW, THEREFORE, BE IT RESOLVED, That the Senate of the state of Washington recognize and commend the National Conference of State Legislatures for their superb leadership and their commitment to the legislative institution; and

BE IT FURTHER RESOLVED, That the Secretary of the Senate of the state of Washington is authorized and directed to transmit an appropriate copy of this resolution to the National Conference of State Legislatures.

Senator Wilson, C. spoke in favor of adoption of the resolution.

The President declared the question before the Senate to be the adoption of Senate Resolution No. 8662.

The motion by Senator Wilson, C. carried and the resolution was adopted by voice vote.

INTRODUCTION OF SPECIAL GUESTS

The President welcomed and introduced Ms. Holly South, National Conference of State Legislatures (NCSL) Liaison to Washington, who was seated in the north gallery.

The President noted that on this day, January 30, in 1854, the first members of the newly established Territorial Assembly were elected in Washington Territory. On that date, a Territorial Delegate was elected to Congress, nine members to the Territorial Council; and eighteen members to the Territorial House of Representatives.

EDITOR'S NOTE: Washington became a Territory in March, 1853. Shortly after his arrival in November of 1853, the first Territorial Governor Isaac Stevens proclaimed Olympia the temporary Territorial Capitol of Washington Territory and called for elections of Territorial representatives.

Gov. Stevens' proclamation established the number of seats in each of the two houses and set the date of the election for January 30, 1854, a Monday. The census undertaken of the newly established Territory determined the population of the area to be 3,965 persons of which 1,682 were eligible voters in 1854.

MOTIONS

On motion of Senator Keiser, Substitute Senate Bill No. 5368 was substituted for Senate Bill No. 5368 and the substitute bill was placed on the second reading and read the second time.

SUBSTITUTE SENATE BILL NO. 5368, by Senate Committee on Labor & Commerce (originally sponsored by Keiser, King, Conway, Schoesler, Randall, Torres, and Wilson, C.)

Senator Keiser moved that the following striking amendment no. 517 by Senator Keiser be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The state established the stay-at-work program to reduce long-term disability and the cost of injuries by incentivizing employers to provide injured workers light duty and transitional return-to-work opportunities. Data from the department of labor and industries indicates that the program has lowered the risk of long-term disability and can improve mental health and well-being for workers who return to positions that allow for the time necessary for healing and rehabilitation.

(2) However, current law only allows for light duty or transitional return to work with the employer of injury, limiting opportunities and creating inequities for workers and employers. Small employers are less likely to have suitable light duty jobs. Workers, particularly in small businesses, are less likely to have access to remote light duty work. Injured workers who move out-of-state are also less likely to have access to return-to-work opportunities, especially when the employer of injury cannot offer remote work options.

(3) The legislature hereby intends to provide more opportunities for workers to access return to work and for employers to take advantage of the stay-at-work program by allowing flexibility in matching injured workers to temporary positions with local nonprofits to perform light duty work. Workers eligible for the expanded program pursuant to RCW 51.32.090(4)(m) will receive a written notice in their preferred language that they have a right to reject a specific light duty job with a specific nonprofit. This approach preserves all protections for injured workers, reduces claim costs, transitions workers back to productive work more quickly while allowing for recuperation, and benefits local nonprofits by providing experienced workers for important service roles.

Sec. 2. RCW 51.32.090 and 2023 c 171 s 7 are each amended to read as follows:

(1) When the total disability is only temporary, the schedule of payments contained in RCW 51.32.060 (1) and (2) shall apply, so long as the total disability continues.

(2) Any compensation payable under this section for children not in the custody of the injured worker as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3)(a) As soon as recovery is so complete that the present earning power of the worker, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall:

(i) For claims for injuries that occurred before May 7, 1993, continue in the proportion which the new earning power shall bear to the old; or

(ii) For claims for injuries occurring on or after May 7, 1993, equal eighty percent of the actual difference between the worker's present wages and earning power at the time of injury, but: (A) The total of these payments and the worker's present wages may not exceed one hundred fifty percent of the average monthly wage in the state as computed under RCW 51.08.018; (B) the payments may not exceed one hundred percent of the entitlement as computed under subsection (1) of this section; and (C) the payments may not be less than the worker would have received if (a)(i) of this subsection had been applicable to the worker's claim.

(b) No compensation shall be payable under this subsection (3) unless the loss of earning power shall exceed five percent.

(c) The prior closure of the claim or the receipt of permanent partial disability benefits shall not affect the rate at which loss of earning power benefits are calculated upon reopening the claim.

(4)(a) The legislature finds that long-term disability and the cost of injuries is significantly reduced when injured workers remain at work following their injury. To encourage employers at the time of injury to provide light duty or transitional work for their workers, wage subsidies and other incentives are made available to employers insured with the department.

(b)(i) Whenever the employer of injury requests that a worker who is entitled to temporary total disability under this chapter be certified by the attending provider as able to perform available work other than his or her usual work, the employer shall furnish to the attending provider, with a contemporaneous copy to the worker in their preferred language, a ~~((statement describing the))~~ written job description of the light duty or transitional work available with the employer of injury, or with a nonprofit organization or charity pursuant to (m) of this subsection, in terms that will enable the attending provider to relate the activities of the job to the worker's disability. The attending provider shall then determine whether the worker is able to perform the work described. If more than 21 calendar days have passed since the attending provider's last appointment with the worker, the attending provider may meet with the worker, if the attending provider deems necessary, to determine whether the worker is able to perform the work. The attending provider's determination must be shared with both the worker and employer.

(ii) The worker shall accept or decline the light duty job offer within seven days after receiving notification that the attending provider has approved the job description. Failure to timely accept a valid light duty job offer shall result in termination of temporary total disability benefits except as described under (m)(v) of this subsection.

(iii) The worker's temporary total disability payments shall continue until the worker is released by ~~((his or her))~~ their attending provider for the work, and begins the light duty work with the employer of injury or with a nonprofit organization or charity pursuant to (m) of this subsection. If the light duty or transitional work thereafter comes to an end before the worker's recovery is sufficient in the judgment of his or her attending provider to permit him or her to return to his or her usual job, or to perform other available work offered ~~((by the employer of injury))~~ pursuant to this section, the worker's temporary total disability payments shall be resumed. Should the ~~((available))~~ light duty work ~~((described))~~, once undertaken by the worker, impede his or her recovery to the extent that in the judgment of his or her attending provider he or she should not continue to work, the worker's temporary total disability payments shall be resumed when the worker ceases such work.

(c) To further encourage employers to maintain the employment of their injured workers, an employer insured with the department and that offers work to a worker pursuant to this subsection (4) shall be eligible for reimbursement of the injured worker's wages for light duty or transitional work equal to ~~((fifty))~~ 50 percent of the basic, gross wages paid for that work, for a maximum of ~~((sixty-six))~~ 66 workdays within a consecutive ~~((twenty-four month))~~ 24-month period. In no event may the wage subsidies paid to an employer on a claim exceed ~~((ten thousand dollars))~~ \$10,000. Wage subsidies shall be calculated using the worker's basic hourly wages or basic salary, and no subsidy shall be paid for any other form of compensation or payment to the worker such as tips, commissions, bonuses, board, housing, fuel, health care, dental care, vision care, per diem, reimbursements for work-related expenses, or any other payments. An employer may not, under any circumstances,

receive a wage subsidy for a day in which the worker did not actually perform any work, regardless of whether or not the employer paid the worker wages for that day.

(d) If an employer insured with the department offers a worker work pursuant to this subsection (4) and the worker must be provided with training or instruction to be qualified to perform the offered work, the employer shall be eligible for a reimbursement from the department for any tuition, books, fees, and materials required for that training or instruction, up to a maximum of ~~((one thousand dollars))~~ \$1,000. Reimbursing an employer for the costs of such training or instruction does not constitute a determination by the department that the worker is eligible for vocational services authorized by RCW 51.32.095 and 51.32.099.

(e) If an employer insured with the department offers a worker work pursuant to this subsection (4), and the employer provides the worker with clothing that is necessary to allow the worker to perform the offered work, the employer shall be eligible for reimbursement for such clothing from the department, up to a maximum of ~~((four hundred dollars))~~ \$400. However, an employer shall not receive reimbursement for any clothing it provided to the worker that it normally provides to its workers. The clothing purchased for the worker shall become the worker's property once the work comes to an end.

(f) If an employer insured with the department offers a worker work pursuant to this subsection (4) and the worker must be provided with tools or equipment to perform the offered work, the employer shall be eligible for a reimbursement from the department for such tools and equipment and related costs as determined by department rule, up to a maximum of ~~((two thousand five hundred dollars))~~ \$2,500. An employer shall not be reimbursed for any tools or equipment purchased prior to offering the work to the worker pursuant to this subsection (4). An employer shall not be reimbursed for any tools or equipment that it normally provides to its workers. The tools and equipment shall be the property of the employer.

(g) An employer may offer work to a worker pursuant to this subsection (4) more than once, but in no event may the employer receive wage subsidies for more than ~~((sixty-six))~~ 66 days of work in a consecutive ~~((twenty-four month))~~ 24-month period under one claim. An employer may continue to offer work pursuant to this subsection (4) after the worker has performed ~~((sixty-six))~~ 66 days of work, but the employer shall not be eligible to receive wage subsidies for such work.

(h) An employer shall not receive any wage subsidies or reimbursement of any expenses pursuant to this subsection (4) unless the employer has completed and submitted the reimbursement request on forms developed by the department, along with all related information required by department rules. No wage subsidy or reimbursement shall be paid to an employer who fails to submit a form for such payment within one year of the date the work was performed. In no event shall an employer receive wage subsidy payments or reimbursements of any expenses pursuant to this subsection (4) unless the worker's attending provider has restricted him or her from performing his or her usual work and the worker's attending provider has released him or her to perform the work offered.

(i) Payments made under (b) through (g) of this subsection are subject to penalties under RCW 51.32.240(5) in cases where the funds were obtained through willful misrepresentation.

(j) Once the worker returns to work under the terms of this subsection (4), ~~((he or she))~~ the worker shall not be assigned by the employer to work other than the available work described ~~((without the worker's written consent, or))~~ without prior review and approval by the worker's attending provider. An employer

TWENTY FIFTH DAY, FEBRUARY 1, 2024

who directs a claimant to perform work other than that approved by the attending provider and without the approval of the worker's attending provider shall not receive any wage subsidy or other reimbursements for such work.

(k) If the worker returns to work under this subsection (4), any employee health and welfare benefits that the worker was receiving at the time of injury shall continue or be resumed at the level provided at the time of injury. Such benefits shall not be continued or resumed if to do so is inconsistent with the terms of the benefit program, or with the terms of the collective bargaining agreement currently in force.

(l) In the event of any dispute as to the validity of the work offered or as to the worker's ability to perform the available work offered by the employer, the department shall make the final determination pursuant to an order that contains the notice required by RCW 51.52.060 and that is subject to appeal subject to RCW 51.52.050.

(m) An employer with 100 or fewer employees may offer light duty return to work to a worker pursuant to this subsection (4) with an established nonprofit organization or charity pursuant to (n) of this subsection, subject to the following parameters and conditions:

(i) The employer of injury may not disclose the worker's medical restrictions with the nonprofit organization or charity without the worker's written consent. If the worker does not consent to the disclosure of their medical restrictions with the nonprofit organization or charity, any approved light duty work must be with the employer of injury;

(ii) The employer of injury remains accountable for all reporting requirements;

(iii) The employer of injury remains responsible for any new injury or occupational disease incurred while the worker is on light duty return to work;

(iv) Offers made to a worker under this subsection (m) must include a written notice in the worker's preferred language that they have a right to reject a specific light duty job with a specific nonprofit;

(v) The injured worker does not forfeit any protections or benefits afforded to them under this title, and the injured worker may reject a light duty return-to-work offer or otherwise terminate the light duty return to work with the nonprofit organization or charity, in which case the injured worker's temporary total disability payments must continue or be resumed;

(vi) Except as otherwise provided under this subsection (4)(m), the offer of light duty return to work with the nonprofit organization or charity is subject to the same parameters and conditions as an offer of available work with the employer of injury;

(vii) The employer of injury may be eligible for reimbursement under (c) through (g) of this subsection if the department determines the employer qualifies; and

(viii) The worker's experience gained through any light duty work under this subsection (4)(m) with the nonprofit organization or charity may not be construed as acquisition of transferable skills and does not disqualify the injured worker from accessing vocational rehabilitation services or other retraining programs available under this title.

(n)(i) To offer light duty, transitional work with a nonprofit organization or charity under (m) of this subsection, the employer of injury must contract with a return-to-work employment agency approved by the department or work with a nonprofit organization or charity listed as active on a secretary of state website. The department must develop the criteria in rule for a return-to-work employment agency to receive department approval under this subsection.

(ii) The department must work with the vocational rehabilitation advisory committee established in RCW 51.32.096 to research and report on meaningful return-to-work outcomes and the benefits of return to work on workers' mental health. The advisory committee must also study the quality of the work and benefits to the worker of transitional return to work with nonprofit organizations and make recommendations for improving outcomes. The report must be submitted to the workers' compensation advisory committee by October 31, 2029, for consideration of additional legislation.

(5) An employer's experience rating shall not be affected by the employer's request for or receipt of wage subsidies.

(6) The department shall create a Washington stay-at-work account which shall be funded by assessments of employers insured through the state fund for the costs of the payments authorized by subsection (4) of this section and for the cost of creating a reserve for anticipated liabilities. Employers may collect up to one-half the fund assessment from workers.

(7) No worker shall receive compensation for or during the day on which injury was received or the three days following the same, unless his or her disability shall continue for a period of ~~((fourteen))~~ 14 consecutive calendar days from date of injury: PROVIDED, That attempts to return to work in the first ~~((fourteen))~~ 14 days following the injury shall not serve to break the continuity of the period of disability if the disability continues ~~((fourteen))~~ 14 days after the injury occurs.

(8) Should a worker suffer a temporary total disability and should his or her employer at the time of the injury continue to pay him or her the wages which he or she was earning at the time of such injury, such injured worker shall not receive any payment provided in subsection (1) of this section during the period his or her employer shall so pay such wages: PROVIDED, That holiday pay, vacation pay, sick leave, or other similar benefits shall not be deemed to be payments by the employer for the purposes of this subsection.

(9) In no event shall the monthly payments provided in this section:

(a) Exceed the applicable percentage of the average monthly wage in the state as computed under the provisions of RCW 51.08.018 as follows:

AFTER	PERCENTAGE
June 30, 1993	105%
June 30, 1994	110%
June 30, 1995	115%
June 30, 1996	120%

(b) For dates of injury or disease manifestation after July 1, 2008, be less than ~~((fifteen))~~ 15 percent of the average monthly wage in the state as computed under RCW 51.08.018 plus an additional ~~((ten dollars))~~ \$10 per month if the worker is married and an additional ~~((ten dollars))~~ \$10 per month for each child of the worker up to a maximum of five children. However, if the monthly payment computed under this subsection (9)(b) is greater than ~~((one hundred))~~ 100 percent of the wages of the worker as determined under RCW 51.08.178, the monthly payment due to the worker shall be equal to the greater of the monthly wages of the worker or the minimum benefit set forth in this section on June 30, 2008.

(10) If the supervisor of industrial insurance determines that the worker is voluntarily retired and is no longer attached to the workforce, benefits shall not be paid under this section.

(11) The department shall adopt rules as necessary to implement this section.

NEW SECTION. Sec. 3. This act takes effect January 1, 2026."

On page 1, line 3 of the title, after "workers;" strike the remainder of the title and insert "amending RCW 51.32.090; creating a new section; and providing an effective date."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 9.94A RCW to read as follows:

(1) An offender is eligible for the special drug offender sentencing alternative for driving under the influence if the offender:

(a) Does not have a prior conviction under RCW 46.61.520, 46.61.522, 46.61.502(6), or 46.61.504(6); and either

(b) Is convicted of felony driving while under the influence of intoxicating liquor, cannabis, or any drug under RCW 46.61.502(6)(a); or

(c) Is convicted of felony physical control of a vehicle while under the influence of intoxicating liquor or any drug under RCW 46.61.504(6)(a).

(2) A motion for a special drug offender sentencing alternative for driving under the influence may be made by the court, the offender, or the state if the midpoint of the standard sentence range is 26 months or less. If an offender has a higher midpoint, a motion for a special drug offender sentencing alternative for driving under the influence can only be made by joint agreement of the state and offender.

(3) If the sentencing court determines that the offender is eligible for an alternative sentence under this section and that the alternative sentence is appropriate, the court shall waive imposition of a sentence within the standard sentence range and:

(a) Impose a sentence equivalent to a prison-based alternative under RCW 9.94A.662, and subject to the same requirements and restrictions as are established in that section, if the low end of the standard sentence range is greater than 24 months; or

(b) Impose a sentence consisting of a residential treatment-based alternative consistent with this section if the low end of the standard sentence range is 24 months or less.

(4)(a) To assist the court in making its determination, the court may order the department to complete either a risk assessment report or a substance use disorder screening report as provided in RCW 9.94A.500, or both.

(b) If the court is considering imposing a sentence under the residential substance use disorder treatment-based alternative, the court may order an examination of the offender by the department. The examination shall, at a minimum, address the following issues:

(i) Whether the offender suffers from a substance use disorder;

(ii) Whether effective treatment for the offender's substance use disorder is available from a provider that has been licensed or certified by the department of health; and

(iii) Whether the offender and the community will benefit from the use of the alternative.

(5) An offender who is eligible for a residential treatment-based alternative under this section shall be sentenced as follows:

(a) If necessary, an indeterminate term of confinement of no more than 30 days in a facility operated, licensed, or utilized under contract, by the county in order to facilitate direct transfer to a residential substance use disorder treatment facility;

(b) Treatment in a residential substance use disorder treatment program licensed or certified by the department of health for a period set by the court up to six months with treatment completion and continued care delivered in accordance with rules established

TWENTY FIFTH DAY, FEBRUARY 1, 2024

by the department of health. In establishing rules pursuant to this subsection, the department of health must consider criteria established by the American society of addiction medicine;

(c) Twenty-four months of partial confinement to consist of 12 months work release followed by 12 months of home detention with electronic monitoring; and

(d) Twelve months of community custody.

(6)(a) During any period of partial confinement or community custody, the court shall impose treatment and other conditions as provided in RCW 9.94A.703 or as the court considers appropriate.

(b) The department may impose conditions and sanctions as authorized in RCW 9.94A.704 and 9.94A.737.

(c) The department shall, within available resources, make substance use disorder assessment and treatment services available to the offender.

(d) An offender sentenced to community custody under subsection (3)(a) of this section as part of the prison-based alternative or under subsection (3)(b) of this section as part of the residential treatment-based alternative may be required to pay \$30 per month while on community custody to offset the cost of monitoring for alcohol or controlled substances.

(7)(a) If the court imposes a sentence under subsection (3)(b) of this section, the treatment provider must send the treatment plan to the court within 30 days of the offender's arrival to the residential substance use disorder treatment program.

(b) Upon receipt of the plan, the court shall schedule a progress hearing during the period of treatment and schedule a treatment termination hearing for three months before the expiration of the term of community custody.

(c) Before the progress hearing and treatment termination hearing, the treatment provider and the department shall submit written reports to the court and parties regarding the offender's compliance with treatment and monitoring requirements and recommendations regarding termination from treatment.

(8) At a progress hearing or treatment termination hearing, the court may:

(a) Authorize the department to terminate the offender's community custody status on the expiration date determined under subsection (7) of this section;

(b) Continue the hearing to a date before the expiration date of community custody, with or without modifying the conditions of partial confinement or community custody; or

(c) Impose a term of total confinement equal to one-half the midpoint of the standard sentence range, followed by a term of community custody under RCW 9.94A.701.

(9)(a) The court may bring any offender sentenced under subsection (3)(a) or (b) of this section back into court at any time on its own initiative to evaluate the offender's progress in treatment or to determine if any violations of the conditions of the sentence have occurred.

(b) If the offender is brought back to court, the court may modify the conditions of partial confinement or community custody or order the offender to serve a term of total confinement within the standard sentence range of the offender's current offense at any time during the period of partial confinement or community custody if the offender violates the conditions or requirements of the sentence or if the offender is failing to make satisfactory progress in treatment.

(c) An offender ordered to serve a term of total confinement under (b) of this subsection shall receive credit for any time previously served in total confinement or residential treatment under this section and shall receive 50 percent credit for any time previously served in partial confinement or community custody under this section.

(10) In serving a term of community custody imposed upon failure to complete, or administrative termination from, the special drug offender sentencing alternative program for driving under the influence under this section, the offender shall receive no credit for time served in community custody prior to termination of the offender's participation in the program.

(11) An offender sentenced under this section shall be subject to all rules relating to earned release time with respect to any period served in total or partial confinement.

(12) Costs of examinations and preparing the recommended service delivery plans under a special drug offender sentencing alternative for driving under the influence may be paid, at the option of the county, from funds provided to the county from the criminal justice treatment account under RCW 71.24.580.

Sec. 2. RCW 9.94A.030 and 2022 c 231 s 11 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department.

(6) "Community protection zone" means the area within 880 feet of the facilities and grounds of a public or private school.

(7) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Confinement" means total or partial confinement.

(9) "Conviction" means an adjudication of guilt pursuant to Title 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(11) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere, and any issued certificates of restoration of opportunity pursuant to RCW 9.97.020.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon. However, when a defendant is charged with a recidivist offense, "criminal history" includes a vacated prior conviction for the sole purpose of establishing that such vacated prior conviction constitutes an element of the present recidivist offense as provided in RCW 9.94A.640(4)(b) and 9.96.060(7)(c).

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(13) "Criminal street gang associate or member" means any person who actively participates in any criminal street gang and who intentionally promotes, furthers, or assists in any criminal act by the criminal street gang.

(14) "Criminal street gang-related offense" means any felony or misdemeanor offense, whether in this state or elsewhere, that is committed for the benefit of, at the direction of, or in association with any criminal street gang, or is committed with the intent to promote, further, or assist in any criminal conduct by the gang, or is committed for one or more of the following reasons:

- (a) To gain admission, prestige, or promotion within the gang;
- (b) To increase or maintain the gang's size, membership, prestige, dominance, or control in any geographical area;
- (c) To exact revenge or retribution for the gang or any member of the gang;
- (d) To obstruct justice, or intimidate or eliminate any witness against the gang or any member of the gang;
- (e) To directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage for the gang, its reputation, influence, or membership; or
- (f) To provide the gang with any advantage in, or any control or dominance over any criminal market sector, including, but not limited to, manufacturing, delivering, or selling any controlled substance (chapter 69.50 RCW); arson (chapter 9A.48 RCW); trafficking in stolen property (chapter 9A.82 RCW); promoting prostitution (chapter 9A.88 RCW); human trafficking (RCW 9A.40.100); promoting commercial sexual abuse of a minor (RCW 9.68A.101); or promoting pornography (chapter 9.68 RCW).

(15) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(16) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(17) "Department" means the department of corrections.

(18) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community custody, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. (2) If a county uses a state partial confinement facility for the partial confinement of a person sentenced to confinement for not more than one year, the county shall reimburse the state for the use of the facility as provided in this subsection. The office of financial management shall set the rate of reimbursement based upon the average per diem cost per offender in the facility. The office of financial management shall determine to what extent, if any, reimbursement shall be reduced or eliminated because of funds provided by the legislature to the department for the purpose of covering the cost of county use of state partial confinement facilities. The office of financial management shall reestablish reimbursement rates each even-numbered year.

(3) A person who is sentenced for a felony to a term of not more than one year, and who is committed or returned to incarceration in a state facility on another felony conviction, either under the indeterminate sentencing laws, chapter 9.95 RCW, or under this chapter shall serve all terms of confinement, including a sentence of not more than one year, in a facility or institution operated, or utilized under contract, by the state, consistent with the provisions of RCW 9.94A.589.

(4) Notwithstanding any other provision of this section, a sentence imposed pursuant to RCW 9.94A.660 or section 1 of this act which has a standard sentence range of over one year, regardless of length, shall be served in a facility or institution operated, or utilized under contract, by the state.

(9) The period of time the department is authorized to supervise an offender under this section may be reduced by the earned award of supervision compliance credit pursuant to RCW 9.94A.717.

Sec. 5. RCW 9.94A.505 and 2022 c 260 s 23 are each amended to read as follows:

(1) When a person is convicted of a felony, the court shall impose punishment as provided in this chapter.

(2)(a) The court shall impose a sentence as provided in the following sections and as applicable in the case:

(i) Unless another term of confinement applies, a sentence within the standard sentence range established in RCW 9.94A.510 or 9.94A.517;

(ii) RCW 9.94A.701 and 9.94A.702, relating to community custody;

~~((ix))~~ (x) RCW 9.94A.695, relating to the mental health sentencing alternative;

~~((x))~~ (xi) RCW 9.94A.507, relating to certain sex offenses;

~~((xiii))~~ (xiv) RCW 9.94A.603, relating to felony driving while under the influence of intoxicating liquor or any drug and felony physical control of a vehicle while under the influence of intoxicating liquor or any drug;

~~((xiv))~~ (xv) RCW 9.94A.711, relating to the theft or taking of a motor vehicle.

(b) If a standard sentence range has not been established for the offender's crime, the court shall impose a determinate sentence which may include not more than one year of confinement; community restitution work; a term of community custody under RCW 9.94A.702 not to exceed one year; and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement and a community custody term under RCW 9.94A.701 if the court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.535.

(3) If the court imposes a sentence requiring confinement of 30 days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than 30 days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(4) If a sentence imposed includes payment of a legal financial obligation, it shall be imposed as provided in RCW 9.94A.750, 9.94A.753, and 9.94A.760.

(5) Except as provided under RCW 9.94A.750(4) and 9.94A.753(4), a court may not impose a sentence providing for a term of confinement or community custody that exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(6) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(7) The sentencing court shall not give the offender credit for any time the offender was required to comply with an electronic monitoring program prior to sentencing if the offender was convicted of one of the following offenses:

(a) A violent offense;

(8) The court shall order restitution as provided in RCW 9.94A.750 and 9.94A.753.

(9) As a part of any sentence, the court may impose and enforce crime-related prohibitions and affirmative conditions as provided in this chapter. "Crime-related prohibitions" may include a prohibition on the use or possession of alcohol or controlled substances if the court finds that any chemical dependency or substance abuse contributed to the offense.

(10) In any sentence of partial confinement, the court may require the offender to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

Sec. 6. RCW 9.94A.525 and 2023 c 415 s 2 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1)(a) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.589.

(b) For the purposes of this section, adjudications of guilt pursuant to Title 13 RCW which are not murder in the first or second degree or class A felony sex offenses may not be included in the offender score.

(2)(a) Class A and sex prior felony convictions shall always be included in the offender score.

(b) Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent (~~(ten)~~) 10 consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction.

(d) Except as provided in (e) of this subsection, serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction.

(e) If the present conviction is felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)), all predicate crimes for the offense as defined by RCW 46.61.5055(14) shall be included in the offender score, and prior convictions for felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)) shall always

be included in the offender score. All other convictions of the defendant shall be scored according to this section.

(f) Prior convictions for a repetitive domestic violence offense, as defined in RCW 9.94A.030, shall not be included in the offender score if, since the last date of release from confinement or entry of judgment and sentence, the offender had spent (~~(ten)~~) 10 consecutive years in the community without committing any crime that subsequently results in a conviction.

(g) This subsection applies to both prior adult convictions and prior juvenile adjudications.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Neither out-of-state or federal convictions which would have been presumptively adjudicated in juvenile court under Washington law may be included in the offender score unless they are comparable to murder in the first or second degree or a class A felony sex offense. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all convictions or adjudications served concurrently as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11), (12), or (13) of this section, count one point for each adult prior felony conviction and one point for each

TWENTY FIFTH DAY, FEBRUARY 1, 2024

juvenile prior violent felony conviction which is scorable under subsection (1)(b) of this section.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), (12), or (13) of this section, count two points for each prior adult violent felony conviction and juvenile violent felony conviction which is scorable under subsection (1)(b) of this section, and one point for each prior adult nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult convictions and juvenile convictions which are scorable under subsection (1)(b) of this section for crimes in this category, two points for each prior adult and scorable juvenile violent conviction (not already counted), and one point for each prior adult nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult prior conviction and 1/2 point for each juvenile prior conviction which is scorable under subsection (1)(b) of this section; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult prior conviction and 1/2 point for each juvenile prior conviction which is scorable under subsection (1)(b) of this section; count one point for each adult prior conviction for operation of a vessel while under the influence of intoxicating liquor or any drug; count one point for a deferred prosecution granted under chapter 10.05 RCW for a second or subsequent violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance.

(12) If the present conviction is for homicide by watercraft or assault by watercraft count two points for each adult prior conviction for homicide by watercraft or assault by watercraft; for each felony offense count one point for each adult prior conviction and 1/2 point for each juvenile prior conviction which would be scorable under subsection (1)(b) of this section; count one point for each adult prior conviction for driving under the influence of intoxicating liquor or any drug, actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, or operation of a vessel while under the influence of intoxicating liquor or any drug.

(13) If the present conviction is for manufacture of methamphetamine count three points for each adult prior manufacture of methamphetamine conviction. If the present conviction is for a drug offense and the offender has a criminal history that includes a sex offense or serious violent offense, count three points for each adult prior felony drug offense conviction. All other felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(14) If the present conviction is for Escape from Community Custody, RCW 72.09.310, count only adult prior escape convictions in the offender score. Count prior escape convictions as one point.

(15) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions which are scorable under subsection (1)(b) of this section as 1/2 point.

(16) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each prior Burglary 1 conviction,

and two points for each prior Burglary 2 or residential burglary conviction.

(17) If the present conviction is for a sex offense, count priors as in subsections (7) through (11) and (13) through (16) of this section; however, count three points for each adult prior sex offense conviction and juvenile prior class A felony sex offense adjudication.

(18) If the present conviction is for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, count priors as in subsections (7) through (11) and (13) through (16) of this section; however, count three points for each adult prior sex offense conviction and juvenile prior sex offense conviction which is scorable under subsection (1)(b) of this section, excluding adult prior convictions for failure to register as a sex offender under RCW 9A.44.130 or 9A.44.132, which shall count as one point.

(19) If the present conviction is for an offense committed while the offender was under community custody, add one point. For purposes of this subsection, community custody includes community placement or postrelease supervision, as defined in chapter 9.94B RCW.

(20) If the present conviction is for Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2, count priors as in subsections (7) through (18) of this section; however count one point for prior convictions of Vehicle Prowling 2, and three points for each adult prior Theft 1 (of a motor vehicle), Theft 2 (of a motor vehicle), Possession of Stolen Property 1 (of a motor vehicle), Possession of Stolen Property 2 (of a motor vehicle), Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2 conviction.

(21) If the present conviction is for a felony domestic violence offense where domestic violence as defined in RCW 9.94A.030 was pleaded and proven, count priors as in subsections (7) through (20) of this section; however, count points as follows:

(a) Count two points for each adult prior conviction where domestic violence as defined in RCW 9.94A.030 was pleaded and proven after August 1, 2011, for any of the following offenses: A felony violation of a no-contact or protection order (RCW 7.105.450 or former RCW 26.50.110), felony Harassment (RCW 9A.46.020(2)(b)), felony Stalking (RCW 9A.46.110(5)(b)), Burglary 1 (RCW 9A.52.020), Kidnapping 1 (RCW 9A.40.020), Kidnapping 2 (RCW 9A.40.030), Unlawful imprisonment (RCW 9A.40.040), Robbery 1 (RCW 9A.56.200), Robbery 2 (RCW 9A.56.210), Assault 1 (RCW 9A.36.011), Assault 2 (RCW 9A.36.021), Assault 3 (RCW 9A.36.031), Arson 1 (RCW 9A.48.020), or Arson 2 (RCW 9A.48.030);

(b) Count two points for each adult prior conviction where domestic violence as defined in RCW 9.94A.030 was pleaded and proven after July 23, 2017, for any of the following offenses: Assault of a child in the first degree, RCW 9A.36.120; Assault of a child in the second degree, RCW 9A.36.130; Assault of a child in the third degree, RCW 9A.36.140; Criminal Mistreatment in the first degree, RCW 9A.42.020; or Criminal Mistreatment in the second degree, RCW 9A.42.030; and

(c) Count one point for each adult prior conviction for a repetitive domestic violence offense as defined in RCW 9.94A.030, where domestic violence as defined in RCW 9.94A.030, was pleaded and proven after August 1, 2011.

(22) The fact that a prior conviction was not included in an offender's offender score or criminal history at a previous sentencing shall have no bearing on whether it is included in the criminal history or offender score for the current offense. Prior convictions that were not counted in the offender score or included in criminal history under repealed or previous versions

of the sentencing reform act shall be included in criminal history and shall count in the offender score if the current version of the sentencing reform act requires including or counting those convictions. Prior convictions that were not included in criminal history or in the offender score shall be included upon any resentencing to ensure imposition of an accurate sentence.

Sec. 7. RCW 9.94A.633 and 2021 c 242 s 4 are each amended to read as follows:

(2) If an offender was under community custody pursuant to one of the following statutes, the offender may be sanctioned as follows:

(2) Participation in the level of treatment recommended by the program as outlined in the current treatment plan;

(3) Compliance with the contract for treatment;

(4) Participation in any ancillary or co-occurring treatments that are determined to be necessary for the successful completion of the domestic violence intervention treatment including, but not limited to, mental health or substance use treatment;

(5) Domestic violence intervention treatment within the purview of this section to be completed with a state-certified domestic violence intervention treatment program;

(6) Signature of the petitioner agreeing to the terms and conditions of the treatment program;

(7) Proof of compliance with any active order to surrender weapons issued in this program or related civil protection orders or no-contact orders.

NEW SECTION. Sec. 24. A new section is added to chapter 10.05 RCW to read as follows:

A deferred prosecution for mental health disorder where the wrongful conduct did not involve, and was not caused by, alcohol, drugs, or a substance use disorder, shall include treatment recommended by a state-approved mental health provider.

Sec. 25. RCW 10.05.170 and 1991 c 247 s 2 are each amended to read as follows:

As a condition of granting deferred prosecution, the court may order supervision of the petitioner during the period of deferral and may levy a monthly assessment upon the petitioner as provided in RCW 10.64.120. In a jurisdiction with a probation department, the court may appoint the probation department to supervise the petitioner. In a jurisdiction without a probation department, the court may appoint an appropriate person or agency to supervise the petitioner. A supervisor appointed under this section shall be required to do at least the following:

(1) If the charge for which deferral is granted relates to operation of a motor vehicle, at least once every ~~((six))~~ three months request ~~((from the department of licensing))~~ an abstract of the petitioner's driving record; ~~((and))~~

(2) At least once every month make contact with the petitioner ~~((or with any agency to which the petitioner has been directed for treatment as a part of the deferral))~~ until treatment is completed;

(3) Review the petitioner's criminal history at a minimum of every 90 days until the end of the deferral period; and

(4) Report known violations of supervision or law and noncompliance with conditions of the deferred prosecution to the court within five business days or as soon as practicable.

Sec. 26. RCW 46.20.355 and 2020 c 330 s 8 are each amended to read as follows:

(1) Upon receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon receipt of a notice of conviction of RCW 46.61.502 or 46.61.504, the department of licensing shall issue notice that 45 days after receipt, the person must apply for a probationary license, and order the person to surrender any nonprobationary Washington

state driver's license that may be in his or her possession. The department shall revoke the license, permit, or privilege to drive of any person who fails to surrender it as required by this section for one year, unless the license has been previously surrendered to the department, a law enforcement officer, or a court, or the person has completed an affidavit of lost, stolen, destroyed, or previously surrendered license, such revocation to take effect (~~(thirty)~~) 30 days after notice is given of the requirement for license surrender.

(2) The department shall place a person's driving privilege in probationary status as required by RCW 10.05.060 or 46.61.5055 for a period of five years from the date the probationary status is required to go into effect.

(3) Following receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon reinstatement or reissuance of a driver's license suspended or revoked as the result of a conviction of RCW 46.61.502 or 46.61.504, the department shall require the person to obtain a probationary license in order to operate a motor vehicle in the state of Washington, except as otherwise exempt under RCW 46.20.025. The department shall not issue the probationary license unless the person is otherwise qualified for licensing, and the person must renew the probationary license on the same cycle as the person's regular license would have been renewed until the expiration of the five-year probationary status period imposed under subsection (2) of this section.

(4) If a person is eligible for full credit under RCW 46.61.5055(9)(b)(ii) and, by the date specified in the notice issued under RCW 46.20.245, has completed the requirements under RCW 46.20.311 and paid the fee under subsection (5) of this section, the department shall issue a probationary license on the date specified in the notice with no further action required of the person.

(5) For each original issue or renewal of a probationary license under this section, the department shall charge a fee of (~~(fifty dollars)~~) \$50 in addition to any other licensing fees required. Except for when renewing a probationary license, the department shall waive the requirement to obtain an additional probationary license and the (~~(fifty-dollar)~~) \$50 fee if the person has a probationary license in his or her possession at the time a new probationary license is required.

(6) A probationary license shall enable the department and law enforcement personnel to determine that the person is on probationary status. The fact that a person's driving privilege is in probationary status or that the person has been issued a probationary license shall not be a part of the person's record that is available to insurance companies.

Sec. 27. RCW 46.20.385 and 2020 c 330 s 9 are each amended to read as follows:

(1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1)(b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or has had his or her license suspended, revoked, or denied under RCW 46.61.5055(11)(c), or who is

otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty-one dollars per month. Payments shall be made directly to

TWENTY FIFTH DAY, FEBRUARY 1, 2024

the ignition interlock company. The company shall remit the additional fee to the department, except that the company may retain (~~twenty-five~~) 25 cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the twenty-one dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and qualify for a temporary restricted driver's license under RCW 46.20.391.

Sec. 28. RCW 46.20.720 and 2020 c 330 s 10 are each amended to read as follows:

(1) **Ignition interlock restriction.** The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) **Pretrial release.** Upon receipt of notice from a court that an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of mandatory suspension, revocation, or denial of driving privileges, or upon fulfillment of day-for-day credit under RCW 46.61.5055(9)(b)(ii) for a suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific alcohol set point at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) **Alcohol set point.** Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall have an alcohol set point that prevents the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.020 or more.

(3) **Duration of restriction.** A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

(c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

(i) For a person who has not previously been restricted under this subsection, a period of one year;

(ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of (~~ten~~) 10 years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while one or more passengers under the age of (~~sixteen~~) 16 were in the vehicle shall be extended for an additional period as required by RCW 46.61.5055(6)(a).

For purposes of determining a period of restriction for a person restricted pursuant to a conviction under (d) of this subsection, a restriction based on a deferred prosecution under subsection (1)(c) of this section arising out of the same incident is not considered a prior restriction for purposes of this subsection.

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) The period of restriction under (c) or (d) of this subsection shall be extended by (~~one hundred eighty~~) 180 days whenever the department receives notice that the restricted person has been convicted under RCW 46.20.740 or 46.20.750. If the period of restriction under (c) or (d) of this subsection has been fulfilled and cannot be extended, the department must add a new (~~one hundred eighty-day~~) 180-day restriction that is imposed from the date of conviction and is subject to the requirements for removal under subsection (4) of this section.

(f) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

(g) The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. For all drivers restricted under this section with incidents and restriction start dates prior to June 9, 2016, a driver may apply to waive the restriction by applying for a determination from the department

that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) **Requirements for removal.** A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying the following:

(a) That there have been none of the following incidents in the ~~((one hundred eighty))~~ 180 consecutive days prior to the date of release:

(i) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ~~((ten))~~ 10 minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(ii) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(iii) Failure to pass any random retest with a breath alcohol concentration of lower than 0.020 unless a subsequent test performed within ~~((ten))~~ 10 minutes registers a breath alcohol concentration lower than 0.020, and the digital image confirms the same person provided both samples;

(iv) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device; or

(v) Removal of the ignition interlock device by a person other than an ignition interlock technician certified by the Washington state patrol; and

(b) That the ignition interlock device was inspected at the conclusion of the ~~((one hundred eighty day))~~ 180-day period by an ignition interlock technician certified by the Washington state patrol and no evidence was found that the device was tampered with in the manner described in RCW 46.20.750.

(5) **Day-for-day credit.** (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) **Employer exemption.** (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment

during working hours. The person must provide the department with a declaration pursuant to chapter 5.50 RCW from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours. When the department receives a declaration under this subsection, it shall attach or imprint a notation on the person's driving record stating that the employer exemption applies.

(b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(c) The employer exemption does not apply to a person who is self-employed unless the person's vehicle is used exclusively for the person's employment.

(7) **Ignition interlock device revolving account.** In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of ~~((twenty one dollars))~~ \$21 per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain ~~((twenty five))~~ 25 cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) **Foreign jurisdiction.** For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive one or more requirements for removal under subsection (4) of this section if compliance with the requirement or requirements would be impractical in the case of a person residing in another jurisdiction, provided the person is in compliance with any equivalent requirement of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

Sec. 29. RCW 46.20.740 and 2020 c 330 s 11 are each amended to read as follows:

(1) The department shall attach or imprint a notation on the driving record of any person restricted under RCW 46.20.720, 46.61.5055, or 10.05.140 stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device. The department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an ignition interlock required under this section is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(2) It is a gross misdemeanor for a person with such a notation on his or her driving record to operate a motor vehicle that is not so equipped, unless the notation resulted from a restriction

imposed as a condition of release and the restriction has been released by the court prior to driving. Any time a person is convicted under this section, the court shall immediately notify the department for purposes of RCW 46.20.720(3)(e). It is an affirmative defense, which the defendant must prove by a preponderance of the evidence, that the employer exemption in RCW 46.20.720(6) applies. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(3) Any sentence imposed for a violation of subsection (2) of this section shall be served consecutively with any sentence imposed under RCW 46.20.750, 46.61.502, 46.61.504, or 46.61.5055.

Sec. 30. RCW 46.61.502 and 2022 c 16 s 40 are each amended to read as follows:

(1) A person is guilty of driving while under the influence of intoxicating liquor, cannabis, or any drug if the person drives a vehicle within this state:

(a) And the person has, within two hours after driving, an alcohol concentration of 0.08 or higher as shown by analysis of the person's breath or blood made under RCW 46.61.506; or

(b) The person has, within two hours after driving, a THC concentration of 5.00 or higher as shown by analysis of the person's blood made under RCW 46.61.506; or

(c) While the person is under the influence of or affected by intoxicating liquor, cannabis, or any drug; or

(d) While the person is under the combined influence of or affected by intoxicating liquor, cannabis, and any drug.

(2) The fact that a person charged with a violation of this section is or has been entitled to use a drug under the laws of this state shall not constitute a defense against a charge of violating this section.

(3)(a) It is an affirmative defense to a violation of subsection (1)(a) of this section, which the defendant must prove by a preponderance of the evidence, that the defendant consumed a sufficient quantity of alcohol after the time of driving and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be 0.08 or more within two hours after driving. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(b) It is an affirmative defense to a violation of subsection (1)(b) of this section, which the defendant must prove by a preponderance of the evidence, that the defendant consumed a sufficient quantity of cannabis after the time of driving and before the administration of an analysis of the person's blood to cause the defendant's THC concentration to be 5.00 or more within two hours after driving. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(4)(a) Analyses of blood or breath samples obtained more than two hours after the alleged driving may be used as evidence that within two hours of the alleged driving, a person had an alcohol concentration of 0.08 or more in violation of subsection (1)(a) of this section, and in any case in which the analysis shows an alcohol concentration above 0.00 may be used as evidence that a person was under the influence of or affected by intoxicating liquor or any drug in violation of subsection (1)(c) or (d) of this section.

(b) Analyses of blood samples obtained more than two hours after the alleged driving may be used as evidence that within two hours of the alleged driving, a person had a THC concentration of

5.00 or more in violation of subsection (1)(b) of this section, and in any case in which the analysis shows a THC concentration above 0.00 may be used as evidence that a person was under the influence of or affected by cannabis in violation of subsection (1)(c) or (d) of this section.

(5) Except as provided in subsection (6) of this section, a violation of this section is a gross misdemeanor.

(6) It is a class B felony punishable under chapter 9.94A RCW, or chapter 13.40 RCW if the person is a juvenile, if:

(a) The person has three or more prior offenses within ~~((ten))~~ 15 years as defined in RCW 46.61.5055; or

(b) The person has ever previously been convicted of:

(i) Vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a);

(ii) Vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b);

(iii) An out-of-state offense comparable to the offense specified in (b)(i) or (ii) of this subsection; or

(iv) A violation of this subsection (6) or RCW 46.61.504(6).

Sec. 31. RCW 46.61.5055 and 2020 c 330 s 15 are each amended to read as follows:

(1) **No prior offenses in seven years.** Except as provided in RCW 46.61.502(6) or 46.61.504(6), a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 and who has no prior offense within seven years shall be punished as follows:

(a) **Penalty for alcohol concentration less than 0.15.** In the case of a person whose alcohol concentration was less than 0.15, or for whom for reasons other than the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than ~~((twenty-four))~~ 24 consecutive hours nor more than ~~((three hundred sixty-four))~~ 364 days. In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(a)(i), the court, in its discretion, may order not less than ~~((fifteen))~~ 15 days of electronic home monitoring or a ~~((ninety-day))~~ 90-day period of 24/7 sobriety program monitoring. The court may consider the offender's pretrial 24/7 sobriety program monitoring as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device or other separate alcohol monitoring device to include an alcohol detection breathalyzer, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

(ii) By a fine of not less than ~~((three hundred fifty dollars))~~ \$350 nor more than ~~((five thousand dollars))~~ \$5,000. ~~((Three hundred fifty dollars))~~ \$350 of the fine may not be suspended unless the court finds the offender to be indigent; or

(b) **Penalty for alcohol concentration at least 0.15.** In the case of a person whose alcohol concentration was at least 0.15, or for whom by reason of the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than ~~((forty-eight))~~ 48 consecutive hours nor more than ~~((three hundred sixty-four))~~ 364 days. In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(b)(i), the court, in its discretion, may order not less than ~~((thirty))~~ 30 days of electronic home monitoring or a ~~((one hundred twenty-day))~~ 120-day period of 24/7 sobriety program monitoring. The court may consider the offender's pretrial 24/7 sobriety program testing as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which

the penalty is being imposed shall determine the cost. (b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Creating a professional license for spoken language interpreters and translators.

MOTIONS

On motion of Senator Saldaña, Substitute Senate Bill No. 5995 was substituted for Senate Bill No. 5995 and the substitute bill was placed on the second reading and read the second time.

SUBSTITUTE SENATE BILL NO. 5995, by Senate Committee on Labor & Commerce (originally sponsored by Saldaña, Valdez, Kauffman, Trudeau, Hasegawa, Keiser, Kuderer, Nguyen, Nobles, and Wilson, C.)

Senator Saldaña moved that the following striking amendment no. 525 by Senator Saldaña be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the United States census reported that between 2015 and 2019, over 1.5 million Washington state residents over the age of five, approximately 20 percent of the state's population, spoke a language other than English at home, and that in 2019, according to the Washington state office of the superintendent of public instruction, 12 percent of the state's total primary and secondary education student population identified as English learners.

(2) The legislature finds that an inadequate number of individuals available to provide interpreting services to injured workers and medicaid enrollees with limited English proficiency potentially increases the liability risks for health care providers and negative health outcomes for these patients.

(3) The legislature finds that businesses and government agencies across Washington need access to professional language services to ensure their customers and clients with limited English proficiency can have meaningful access to participate in the programs, activities, and services offered by businesses and government agencies.

(4) Therefore, the legislature intends to create a professional licensing program for spoken language interpreters and translators to protect consumers and help meet the needs of all Washingtonians who require interpreting and translating services.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Advisory committee" means the advisory committee on interpreting created in section 10 of this act.

(2) "Department" means the department of licensing.

(3) "Director" means the director of the department of licensing.

(4) "Interpreter" means an individual who interprets spoken languages and is licensed by the department of licensing.

(a) "Medical interpreter" means an interpreter who is licensed by the department who has received a medical endorsement.

(b) "Social services interpreter" means an interpreter who is licensed by the department who has received a social services endorsement.

(c) "Licensed certified interpreter" means an interpreter who is licensed by the department who has passed an exam of the individual's oral transfer skills in at least two of the following modes of interpretation: Simultaneous, consecutive, or sight.

(d) "Licensed authorized interpreter" means an interpreter who is licensed by the department who has passed an exam of the individual's oral transfer skills that were tested in the sight and consecutive modes through back translation.

(5) "Licensed translator" means a translator who translates spoken languages on written documents and is licensed by the department.

NEW SECTION. Sec. 3. The department must:

(1) Adopt rules necessary to implement this chapter;

(2) Establish reasonable examination, licensing, and renewal fees for spoken language interpreters and translators licensed under this chapter;

(3) Develop and administer examinations for licensure under this chapter, subject to section 4 of this act;

(4) Establish forms and procedures necessary to administer this chapter;

TWENTY SIXTH DAY, FEBRUARY 2, 2024

(5) Beginning January 1, 2029, issue licenses to applicants who have met the department's requirements for obtaining a license and deny licenses to applicants who do not meet the requirements;

(6) Compile and maintain a current list of interpreters and translators licensed by the department;

(7) Provide staffing and administrative support to the advisory committee created in section 10 of this act;

(8) Determine which states, if any, have credentialing requirements equivalent to those of this state, and issue licenses to applicants credentialed in those states without examination;

(9) By July 1, 2029, adopt rules for licensure renewal, including for approval of continuing education activities licensees must complete as part of the individual's license renewal;

(10) Establish by rule the procedures for an appeal of an examination failure;

(11) Establish by rule the procedures for revoking licenses issued pursuant to this chapter and the procedures for an appeal of a revocation decision; and

(12) Periodically evaluate language access within the state to ensure Washingtonians are able to participate in the programs, activities, and services offered by businesses and government agencies.

NEW SECTION. Sec. 4. (1) Initially, the department must adopt the tests created by the language and testing certification program at the department of social and health services under RCW 74.04.025 as the examinations. The department may update any examination only after consulting with the advisory committee created in section 10 of this act.

(2) The department must administer examinations of applicants for licensure as a licensed certified interpreter in at least the following languages: Cantonese Chinese, Mandarin Chinese, Korean, Russian, Spanish, and Vietnamese.

(3) For languages in which the department does not offer certification licensure, the department must administer examinations to applicants for licensure as a licensed authorized interpreter.

(4) At a minimum, the department's licensure for certified and authorized interpreters must provide for a medical or social services endorsement.

(5) For applications for licensure as a licensed translator, the department must administer examinations in at least the following languages: Cantonese Chinese, Mandarin Chinese, Korean, Russian, Spanish, and Vietnamese.

NEW SECTION. Sec. 5. Nothing in this chapter will be construed to prohibit or restrict the provision of spoken language interpretation and translation services by individuals who are providing services within their authorized scope of practice and who are licensed, certified, qualified, authorized, or registered under other laws of this state including, but not limited to, chapters 2.43 and 28A.183 RCW and RCW 28A.410.271, or by individuals holding an active certification from the certification commission for healthcare interpreters or the national board of certification for medical interpreters.

NEW SECTION. Sec. 7. (1) Individuals holding an active certification from the certification commission for healthcare

interpreters or by the national board of certification for medical interpreters are exempt from the licensing requirement under this chapter, but may obtain the relevant licensure under this chapter without taking an examination.

(2)(a) Other than individuals included in (b) of this subsection, if an individual has an active interpreter or translator credential issued by the department of social and health services prior to January 1, 2029, the individual is eligible for the relevant licensure renewal under this chapter before the expiration date of the individual's current credential without examination.

(b) Individuals who received a credential issued by the department of social and health services based solely on having submitted a passing score on a written exam administered by the certification commission for healthcare interpreters or the national board of certification for medical interpreters are not eligible for the relevant licensure renewal under this chapter without passing the department's examination.

(c) Individuals who have an active certification by the department of social and health services in Cambodian or Laotian are eligible for renewal under this chapter as a licensed certified interpreter before the expiration date of the individual's credential regardless of whether the department is offering certification in Cambodian or Laotian.

(3) By July 1, 2028, the department of social and health services must transmit to the department all materials related to interpreters and translators certified and authorized by the department of social and health services, as requested by the department.

NEW SECTION. Sec. 8. (1) The director must establish, by rule, the requirements and fees for renewal of a license issued pursuant to this chapter.

(2) By January 1, 2025, the department of social and health services must transmit all data, materials, and technology from its language testing and certification program to the department, including examination materials from prior to March 1, 2020, except that any materials for bilingual employee examinations in compliance with RCW 74.04.025 do not need to be transmitted.

"NEW SECTION. Sec. 1. The legislature believes it is in the best interest of the state to create opportunities to help ease students into running start prior to their 11th grade academic year. Affirming the opportunity for running start during the summer term following the 10th grade academic year will improve access to higher education opportunities and increase the likelihood of postsecondary degree attainment.

Sec. 2. RCW 28A.600.310 and 2023 c 350 s 2 are each amended to read as follows:

(1) Every school district must allow eligible students as described in subsection (2) of this section to participate in the running start program.

(2) ~~((Student))~~ In addition to the eligibility provided for in subsection (6) of this section, student eligibility for the running start program is as follows: Eleventh and 12th grade students or students who have not yet received the credits required for the award of a high school diploma and are eligible to be in the 11th or 12th grade, including students receiving home-based instruction under chapter 28A.200 RCW and students attending private schools approved under chapter 28A.195 RCW, may apply to a participating institution of higher education to enroll in courses or programs offered by the institution of higher education.

(3) Students receiving home-based instruction under chapter 28A.200 RCW enrolling in a public high school for the sole purpose of participating in courses or programs offered by institutions of higher education shall not be counted by the school district in any required state or federal accountability reporting if the student's parents or guardians filed a declaration of intent to provide home-based instruction and the student received home-based instruction during the school year before the school year in which the student intends to participate in courses or programs offered by the institution of higher education.

(4) Participating institutions of higher education, in consultation with school districts, may establish admission standards for eligible students. If the institution of higher education accepts a secondary school student for enrollment under this section, the institution of higher education shall send written notice to the student and the student's school district within 10 days of acceptance. The notice shall indicate the course and hours of enrollment for that student.

(5) The course sections and programs offered as running start courses must be open for registration to matriculated students at the participating institution of higher education and may not be a course consisting solely of high school students offered at a high school campus.

(6) Rising 11th grade students, defined as students who have completed their 10th grade year and not yet begun their 11th grade year, may enroll for up to 10 quarter credits, or the semester equivalent, during the summer academic term.

~~(7)(a)~~ In lieu of tuition and fees, as defined in RCW 28B.15.020 and 28B.15.041:

(ii) All other institutions of higher education operating a running start program may charge running start students a fee of up to 10 percent of tuition and fees as defined in RCW 28B.15.020 and 28B.15.041 in addition to technology fees.

(b) The fees charged under this subsection ~~((6))~~ (7) shall be prorated based on credit load.

(c) Students may pay fees under this subsection ~~((6))~~ (7) with advanced college tuition payment program tuition units at a rate set by the advanced college tuition payment program governing body under chapter 28B.95 RCW.

~~((7))~~ (8)(a) The institutions of higher education must make available fee waivers for low-income running start students. A student shall be considered low income and eligible for a fee waiver upon proof that the student meets federal eligibility requirements for free or reduced-price school meals. Acceptable documentation of low-income status may also include, but is not limited to, documentation that a student has been deemed eligible for free or reduced-price lunches in the last five years, or other criteria established in the institution's policy.

TWENTY SIXTH DAY, FEBRUARY 2, 2024

(b)(i) By the beginning of the 2020-21 school year, school districts, upon knowledge of a low-income student's enrollment in running start, must provide documentation of the student's low-income status, under (a) of this subsection, directly to institutions of higher education.

(ii) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction, in consultation with the Washington student achievement council, shall develop a centralized process for school districts to provide students' low-income status to institutions of higher education to meet the requirements of (b)(i) of this subsection.

(c) Institutions of higher education, in collaboration with relevant student associations, shall aim to have students who can benefit from fee waivers take advantage of these waivers. Institutions shall make every effort to communicate to students and their families the benefits of the waivers and provide assistance to students and their families on how to apply. Information about waivers shall, to the greatest extent possible, be incorporated into financial aid counseling, admission information, and individual billing statements. Institutions also shall, to the greatest extent possible, use all means of communication, including but not limited to websites, online catalogues, admission and registration forms, mass email messaging, social media, and outside marketing to ensure that information about waivers is visible, compelling, and reaches the maximum number of students and families that can benefit.

~~((8))~~ (9) The student's school district shall transmit to the institution of higher education an amount per each full-time equivalent college student at statewide uniform rates for vocational and nonvocational students. The superintendent of public instruction shall separately calculate and allocate moneys appropriated for basic education under RCW 28A.150.260 to school districts for purposes of making such payments and for granting school districts seven percent thereof to offset program related costs. The calculations and allocations shall be based upon the estimated statewide annual average per full-time equivalent high school student allocations under RCW 28A.150.260, excluding small high school enhancements, and applicable rules adopted under chapter 34.05 RCW. The superintendent of public instruction, participating institutions of higher education, and the state board for community and technical colleges shall consult on the calculation and distribution of the funds. The funds received by the institution of higher education from the school district shall not be deemed tuition or operating fees and may be retained by the institution of higher education. A student enrolled under this subsection shall be counted for the purpose of meeting enrollment targets in accordance with terms and conditions specified in the omnibus appropriations act.

~~((9))~~ (10) This section governs school operation and management under RCW 28A.710.040 and 28A.715.020 and applies to charter schools established under chapter 28A.710 RCW and state-tribal education compact schools established under chapter 28A.715 RCW to the same extent as it applies to school districts.

Sec. 3. RCW 28A.600.320 and 2009 c 524 s 4 are each amended to read as follows:

A school district shall provide general information about the program to all pupils in grades ~~((ten))~~ 10, ~~((eleven))~~ 11, and ~~((twelve))~~ 12 and the parents and guardians of those pupils, including information about the opportunity to enroll in the program through online courses available at community and technical colleges and other state institutions of higher education,

enrollment opportunities during the summer academic term, and including the college high school diploma options under RCW 28B.50.535. To assist the district in planning, a pupil shall inform the district of the pupil's intent to enroll in courses at an institution of higher education for credit. Students are responsible for applying for admission to the institution of higher education."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "summer running start for rising juniors; amending RCW 28A.600.310 and 28A.600.320; and creating a new section."

Strike everything after page 1, line 4 and insert the following:

"We, your Memorialists, the Senate and House of Representatives of the State of Washington, in legislative session assembled, respectfully represent and petition as follows:

WHEREAS, The State of Washington welcomes refugees and immigrants who bravely leave behind everything familiar to seek safety, build a better life, and provide resources for loved ones in their country of origin; and

WHEREAS, Approximately one in every seven Washington residents is an immigrant and another one in every seven Washington residents is a native-born United States citizen with at least one immigrant parent; and

WHEREAS, Many immigrants to Washington transfer money to loved ones in their country of origin in the form of remittances, and money remitted by migrants competes with international aid as one of the largest financial inflows to developing countries; and

WHEREAS, Many immigrants have continued to try to send money to their families despite uncertain and changing employment circumstances following the COVID-19 pandemic and recovery; and

WHEREAS, The federal government has national security interests that have resulted in measures by federal agencies to block remittances that present significant security risks, and the federal Bank Secrecy Act and related Anti-Money Laundering rules (BSA/AML) impose due diligence, recordkeeping, reporting, and compliance program requirements on financial institutions with respect to remittances to foreign countries; and

WHEREAS, Some of the countries to which immigrants to Washington want to remit money have little or no central banking infrastructure, which makes compliance with BSA/AML rules difficult or impossible, and prevents immigrants from being able to remit money in a safe, reliable manner; and

WHEREAS, Financial institutions such as banks and credit unions play a pivotal role in facilitating commerce and enabling individuals to build financial prosperity; and

WHEREAS, Many of the local or community-based money transmitters that service underserved diverse communities in Washington have been excluded from obtaining or maintaining accounts from traditional financial institutions and have seen their accounts closed without explanation or justification, leaving underserved communities without banking options; and

WHEREAS, Many financial institutions appear to be engaging in de-risking, whereby they terminate or restrict business relationships with clients or categories of clients in order to avoid, rather than manage, risk; and

WHEREAS, De-risking has detrimentally impacted the ability of smaller, Washington-based money transmitters to serve underserved diverse communities, to the benefit of larger money transmitters that operate on a nationwide basis; and

WHEREAS, De-risking also presents a threat to public safety, as unbanked businesses often must store and transport large sums of cash at great risk to owners and their employees; and

WHEREAS, The state of Washington has an interest in promoting financial inclusion and in ensuring that every individual or business operating in compliance with the law can access regulated financial systems; and

WHEREAS, The federal National Defense Authorization Act (NDAA) for fiscal year 2021 expresses Congress's sense that "anti-money laundering, countering the financing of terrorism, and sanctions policies must ensure that the policies do not unduly hinder or delay legitimate access to the international financial systems for underserved individuals, entities, and geographic areas;" and

WHEREAS, The NDAA directed the United States Government Accountability Office (GAO) to analyze financial services de-risking and report to Congress, and directed the United States Department of Treasury and others to review reporting requirements now in effect and propose changes to reduce unnecessarily burdensome regulation and to develop a strategy to reduce de-risking and related adverse consequences; and

WHEREAS, The United States Department of Treasury issued their report on April 25, 2023, "The Department of the Treasury's De-Risking Strategy" with key findings and recommendations that include promoting consistent supervisory expectations that consider the impacts of de-risking; proposing regulations that require financial institutions to have reasonably designed and risk-based AML/CFT programs supervised on a risk basis, taking into consideration the effects of financial inclusion; and building on Treasury's work to modernize the United States sanctions regime and its recognition of the need to specifically calibrate sanctions to mitigate unintended economic, political, and humanitarian impacts, as outlined in *The Treasury 2021 Sanctions Review*; and

WHEREAS, The Washington state department of financial institutions has worked with representatives of local and community-based money transmitters, banks, and credit unions in Washington to develop enhanced regulatory guidance and a model account agreement to clarify expectations for financial institutions that might offer account services to affected money transmitters; and

WHEREAS, The Washington state department of financial institutions has forwarded that guidance to federal bank and credit union regulators for their review and comment in 2022; and

WHEREAS, Collaboration between federal bank and credit union regulators, the Washington state department of financial institutions, and industry stakeholders could lead to significant progress towards rolling back blanket de-risking by depository institutions with respect to local and community-based money transmitters;

NOW, THEREFORE, Your Memorialists respectfully pray that:

(1) Congress pass and the President sign legislation implementing strategies and recommendations that result from:

(a) Reports by the GAO and the Treasury Department in response to the NDAA; and

(b) Review of the Washington state department of financial institutions' regulatory guidance for depository institutions;

(2) Such legislation also include:

(a) Directives to federal financial regulatory agencies to develop regulations that clearly and specifically require financial institutions to have reasonably designed and risk-based AML programs supervised on a risk basis, taking into consideration the effects of financial inclusion;

THIRTIETH DAY, FEBRUARY 6, 2024

(b) Provisions giving federal banking regulators clarity on how to improve examiners' ability to evaluate banks' BSA/AML compliance as applied to money transmitter accounts;

(c) A requirement that financial institutions disclose a specific reason when denying or closing an account; and

(d) Provisions to help financial institutions mitigate the cost of due diligence required to comply with BSA/AML provisions impacting money transmitters; and

(3) The President direct federal bank and credit union regulators to work with the Washington state department of financial institutions and industry stakeholders to support efforts to develop new and creative solutions to improve banking access for local or community-based money transmitters.

BE IT RESOLVED, That copies of this Memorial be immediately transmitted to the Honorable Joseph R. Biden, Jr., President of the United States, the President of the United States Senate, the Speaker of the House of Representatives, and each member of Congress from the State of Washington."

"**Sec. 1.** RCW 7.69.030 and 2023 c 197 s 11 are each amended to read as follows:

(1) There shall be a reasonable effort made to ensure that victims, survivors of victims, and witnesses of crimes have the following rights, which apply to any adult or juvenile criminal proceeding and any civil commitment proceeding under chapter 71.09 RCW:

(a) With respect to victims of violent or sex crimes, to receive, at the time of reporting the crime to law enforcement officials, a written statement of the rights of crime victims as provided in this chapter. The written statement shall include the name, address, and telephone number of a county or local crime victim/witness program, if such a crime victim/witness program exists in the county;

(b) To be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim, survivor, or witness is involved;

(c) To be notified by the party who issued the subpoena that a court proceeding to which they have been subpoenaed will not occur as scheduled, in order to save the person an unnecessary trip to court;

(d) To receive protection from harm and threats of harm arising out of cooperation with law enforcement and prosecution efforts, and to be provided with information as to the level of protection available;

(e) To be informed of the procedure to be followed to apply for and receive any witness fees to which they are entitled;

(f) To be provided, whenever practical, a secure waiting area during court proceedings that does not require them to be in close proximity to defendants and families or friends of defendants;

(g) To have any stolen or other personal property expeditiously returned by law enforcement agencies or the superior court when no longer needed as evidence. When feasible, all such property, except weapons, currency, contraband, property subject to evidentiary analysis, and property of which ownership is

disputed, shall be photographed and returned to the owner within ten days of being taken;

(h) To be provided with appropriate employer intercession services to ensure that employers of victims, survivors of victims, and witnesses of crime will cooperate with the criminal justice process or the civil commitment process under chapter 71.09 RCW in order to minimize an employee's loss of pay and other benefits resulting from court appearance;

(i) To access to immediate medical assistance and not to be detained for an unreasonable length of time by a law enforcement agency before having such assistance administered. However, an employee of the law enforcement agency may, if necessary, accompany the person to a medical facility to question the person about the criminal incident if the questioning does not hinder the administration of medical assistance. Victims of domestic violence, sexual assault, or stalking, as defined in RCW 49.76.020, shall be notified of their right to reasonable leave from employment under chapter 49.76 RCW;

(j) With respect to victims of violent and sex crimes, to have a crime victim advocate from a crime victim/witness program, or any other support person of the victim's choosing, present at any prosecutorial or defense interviews with the victim, and at any judicial proceedings related to criminal acts committed against the victim. This subsection applies if practical and if the presence of the crime victim advocate or support person does not cause any unnecessary delay in the investigation or prosecution of the case. The role of the crime victim advocate is to provide emotional support to the crime victim;

(k) With respect to victims and survivors of victims, to be physically present in court during trial, or if subpoenaed to testify, to be scheduled as early as practical in the proceedings in order to be physically present during trial after testifying and not to be excluded solely because they have testified;

(l) With respect to victims and survivors of victims in any ~~((felony))~~ case ~~((or any case involving domestic violence))~~, or any final determination under chapter 71.09 RCW, to be informed by the prosecuting attorney of the date, time, and place of the trial and of the sentencing hearing or disposition hearing upon request by a victim or survivor;

(m) To submit a victim impact statement or report to the court, with the assistance of the prosecuting attorney if requested, which shall be included in all presentence reports and permanently included in the files and records accompanying the offender committed to the custody of a state agency or institution;

(n) With respect to victims and survivors of victims in any ~~((felony))~~ case ~~((or any case involving domestic violence))~~, to present a statement, personally or by representation, at the sentencing hearing; ~~((and))~~

(o) To have the victim's safety considered in bail determinations;

(p) A court when setting a trial date may take into consideration the written input of the victim or family of a victim. However, the victim's input on the scheduling of a trial date cannot impair the right of the state to present an effective prosecution or the right of the defendant to present an effective defense. If a trial cannot be provided in a reasonable time frame, the court shall provide an explanation for the delay;

(q) To be informed of victim notification services which may be available, and which can provide notification regarding the offender's place of incarceration, release from confinement, and of any escape; and

(r) With respect to victims and survivors of victims, to entry of an order of restitution by the court in all felony cases, even when the offender is sentenced to confinement, unless extraordinary

circumstances exist which make restitution inappropriate in the court's judgment.

(2) If a victim, survivor of a victim, or witness of a crime is denied a right under this section, the person may seek an order directing compliance by the relevant party or parties by filing a petition in the superior court in the county in which the crime occurred and providing notice of the petition to the relevant party or parties. Compliance with the right is the sole available remedy. The court shall expedite consideration of a petition filed under this subsection.

NEW SECTION. Sec. 2. "NEW SECTION. Sec. 1. A new section is added to chapter 70.41 RCW to read as follows:

(1) The legislature finds that high quality, safe, and compassionate health care services for patients of Washington state must be available at all times. The legislature further finds that there is a need for patients being released from hospital emergency departments to maintain access to emergency medications when community or hospital pharmacy services are not available, including medication for opioid overdose reversal and for the treatment for opioid use disorder as appropriate. It is the intent of the legislature to accomplish this objective by allowing practitioners with prescriptive authority to prescribe limited amounts of prepackaged emergency medications to patients being discharged from hospital emergency departments when access to community or outpatient hospital pharmacy services is not otherwise available.

(2) A hospital may allow a practitioner to prescribe prepackaged emergency medications and allow a practitioner or a registered nurse licensed under chapter 18.79 RCW to distribute prepackaged emergency medications to patients being discharged from a hospital emergency department in the following circumstances:

(a) During times when community or outpatient hospital pharmacy services are not available within 15 miles by road; ~~((or))~~

(b) When, in the judgment of the practitioner and consistent with hospital policies and procedures, a patient has no reasonable ability to reach the local community or outpatient pharmacy; or

(c) When a patient is identified as needing human immunodeficiency virus postexposure prophylaxis drugs or therapies.

(3) A hospital may only allow this practice if: The director of the hospital pharmacy, in collaboration with appropriate hospital medical staff, develops policies and procedures regarding the following:

(a) Development of a list, preapproved by the pharmacy director, of the types of emergency medications to be prepackaged and distributed;

(b) Assurances that emergency medications to be prepackaged pursuant to this section are prepared by a pharmacist or under the supervision of a pharmacist licensed under chapter 18.64 RCW;

(c) Development of specific criteria under which emergency prepackaged medications may be prescribed and distributed consistent with the limitations of this section;

(d) Assurances that any practitioner authorized to prescribe prepackaged emergency medication or any nurse authorized to distribute prepackaged emergency medication is trained on the types of medications available and the circumstances under which they may be distributed;

(e) Procedures to require practitioners intending to prescribe prepackaged emergency medications pursuant to this section to maintain a valid prescription either in writing or electronically in

the patient's records prior to a medication being distributed to a patient;

(f) Establishment of a limit of no more than a 48 hour supply of emergency medication as the maximum to be dispensed to a patient, except when community or hospital pharmacy services will not be available within 48 hours ~~((In no case may the policy allow a supply exceeding 96 hours be dispensed)), or when antibiotics or human immunodeficiency virus postexposure prophylaxis drugs or therapies are required;~~

(g) Assurances that prepackaged emergency medications will be kept in a secure location in or near the emergency department in such a manner as to preclude the necessity for entry into the pharmacy; and

(h) Assurances that nurses or practitioners will distribute prepackaged emergency medications to patients only after a practitioner has counseled the patient on the medication.

(4) The delivery of a single dose of medication for immediate administration to the patient is not subject to the requirements of this section.

(5) Nothing in this section restricts the authority of a practitioner in a hospital emergency department to distribute opioid overdose reversal medication under RCW 69.41.095.

(2) For a health plan that is offered as a qualifying health plan for a health savings account, the health carrier must establish the plan's cost sharing for the coverage required by this section at the minimum level necessary to preserve the enrollee's ability to claim tax exempt contributions and withdrawals from the enrollee's health savings account under the internal revenue service laws and regulations.

(3) Notwithstanding the coverage requirements of this section, a health plan shall reimburse a hospital that bills for a five-day supply of any human immunodeficiency virus postexposure prophylaxis drugs or therapies dispensed or delivered to a patient in the emergency department for take-home use, pursuant to section 1 of this act, as a separate reimbursable expense.
