## POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (1011) to the striking amendment (968) to SECOND SUBSTITUTE HOUSE BILL NO. 2301.

## SPEAKER'S RULING

"House Bill 2301 addresses food waste reduction and food security in several ways. It establishes a grant program to incentivize the diversion of organic materials away from landfills and towards food rescue programs and organic management facilities.

It also amends and establishes requirements related to organic material collection, disposal bins, and composting procurement programs, and authorizes cities and counties to amend building code requirements related to solid waste storage for multi-family residential buildings.

Amendment (1011) is an amendment to striking amendment (968). The amendment creates a pilot program for agricultural producers aimed at exploring the connection between unharvested agricultural products that result in food waste and the cost barriers to harvesting faced by agricultural producers related to overtime laws.

The amendment also modifies the state Minimum Wage Act's overtime protections that apply to all agricultural workers. It exempts employer producers participating in the pilot program from paying overtime to agricultural employees who work more than 40 hours and up to 50 hours per week for as many as 12 weeks.

The bill before us relates to food waste reduction and food security, whereas the amendment relates to overtime laws.

The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill.

The point of order is well taken."

Representative Dye moved the adoption of amendment (1001) to the striking amendment (968):

On page 30, line 33 of the striking amendment, after "(n)" insert "An organization representing food producers; (o)"

SUBSTITUTE HOUSE BILL NO. 1304 was read the second time.

With the consent of the House, amendments (779) and (832) were withdrawn.

Representative Hackney moved the adoption of the striking amendment (924):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that recent changes in alarm system technology can be beneficial for protecting property owners from ongoing theft, and help to minimize the demand on local government policing and judicial resources. The legislature further finds that state and local building codes related to electric security alarm systems vary widely from jurisdiction to jurisdiction and that a uniform definition and application of a statewide standard for installation of such systems would be beneficial to industrial and commercial property owners statewide. It is, therefore, the intent of the legislature to establish a statewide standard for the installation and operation of electric security alarm systems to streamline

adoption and provide certainty for installation of such systems.

**NEW SECTION. Sec. 2.** A new section is added to chapter 35.21 RCW to read as follows:

(1) Cities and towns may not adopt or enforce any ordinance, land use regulation, or building code for manufacturing, industrial, or outdoor storage property that:

(a) Prohibits the installation or use of an electric security alarm system;

(b) Imposes installation or operational requirements inconsistent with IEC standards or this section for an electric security alarm system fence energizers and electric fences;

(c) Requires a property setback for an electric security alarm system or its ancillary components beyond the distance required by IEC standards for separation from an external fence that surrounds the perimeter of the outdoor storage property, including any existing nonconforming or grandfathered fence; or

(d) Requires a permit of any type other than a security alarm permit for the installation or use of an electric security alarm system or imposes a fee for such a permit of more than \$1,000. Nothing in this section precludes a city or town from regulating or requiring a permit for a nonelectric perimeter fence or wall.

(2) A city or town that has, prior to January 1, 2024, adopted an ordinance, land use regulation, or building code that permits electric security alarm systems in accordance with IEC standards in commercial and industrial zones within the city or town is not subject to the requirements of this section.

(3) For the purposes of this section:

(a) "Electric security alarm system" means an outdoor alarm system and ancillary components, including a fence-like wiring structure, placed behind an existing nonelectric fence that:

(i) Interfaces with an alarm system in a manner that enables the fence to cause the connected alarm system to transmit a signal intended to detect and alert the property owner of an intrusion or burglary;

(ii) Has an energizer that is driven by battery of no more than 12 volts of direct current and that does not produce an electric charge on contact that exceeds energizer characteristics set for electric fence energizers by IEC standards;

(iii) Is surrounded by a nonelectric perimeter fence or wall that is at least five feet in height;

(iv) Is 10 feet in height or two feet higher than the height of the nonelectric perimeter fence or wall, whichever is greater; and

(v) Is marked with conspicuous warning signs that are located on the fence at not more than 30-foot intervals and that read: "WARNING: ELECTRIC FENCE."

(b) "IEC standards" means the international electrotechnical commission standard 60335-2-76, as most recently published on or before January 1, 2021.

(c) "Outdoor storage property" means a commercial property, regardless of zoning designation, that is legally authorized to store, park, service, sell, or rent vehicles, vessels, equipment, materials, freight, or utility infrastructure within an outdoor lot or yard that is surrounded by a nonelectric perimeter fence or wall.

**NEW SECTION. Sec. 3.** A new section is added to chapter 35A.21 RCW to read as follows:

(d) Requires a permit of any type other than a security alarm permit for the installation or use of an electric security alarm system or imposes a fee for such a permit of more than \$1,000. Nothing in this section precludes a code city from regulating or requiring a permit for a nonelectric perimeter fence or wall.

(2) A code city that has, prior to January 1, 2024, adopted an ordinance, land use regulation, or building code that permits electric security alarm systems in accordance with IEC standards in commercial and industrial zones within the code city is not subject to the requirements of this section.

**NEW SECTION. Sec. 4.** A new section is added to chapter 36.01 RCW to read as follows:

(1) Counties may not adopt or enforce any ordinance, land use regulation, or building code for manufacturing, industrial, or outdoor storage property that:

(a) Prohibits the installation or use of an electric security alarm system;

(b) Imposes installation or operational requirements inconsistent with IEC standards or this section for an electric security alarm system fence energizers and electric fences;

NEW SECTION. **Sec. 5.** A new section is added to chapter 19.27 RCW to read as follows:

(1) By July 1, 2025, the state building code council shall adopt or amend rules as necessary to provide that electric security alarm systems are not considered structures under the state building code when placed behind an existing perimeter fence in compliance with sections 2, 3, and 4 of this act.

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 28A.150.390 and 2023 c 417 s 3 are each amended to read as follows:

(1) The superintendent of public instruction shall submit to each regular session of the legislature during an odd-numbered year a programmed budget request for special education programs for students with disabilities. Funding for programs operated by local school districts shall be on an excess cost basis from appropriations provided by the legislature for special education programs for students with disabilities and shall take account of state funds accruing through RCW 28A.150.260 (4) (a), (5), (6), and (8) and 28A.150.415.

(2) The excess cost allocation to school districts shall be based on the following:

(a) A district's annual average head count enrollment of students ages three and four and those five year olds not yet enrolled in kindergarten who are eligible for and receiving special education, multiplied by the district's base allocation per full-time equivalent student, multiplied by 1.2;

(b) (i) Subject to the limitation in (b) (ii) of this subsection (2) and subject to adjustments under section 2 of this act, a district's annual average enrollment of resident students who are eligible for and receiving special education, excluding students ages three and four and those five year olds not yet enrolled in kindergarten, multiplied by the district's base allocation per full-time equivalent student, multiplied by the special education cost multiplier rate of:

(A) ~~((Beginning in the 2020-21 school year, either:~~

~~(I) 1.0075 for students eligible for and receiving special education and reported to be in the general education setting for 80 percent or more of the school day; or~~

~~(II) 0.995 for students eligible for and receiving special education and reported to be in the general education setting for less than 80 percent of the school day;~~

~~(B) Beginning in the 2023-24 school year, either:~~

~~(I)) 1.12 for students eligible for and receiving special education and reported to be in the general education setting for 80 percent or more of the school day; or~~

~~((II)) (B) 1.06 for students eligible for and receiving special education and reported to be in the general education setting for less than 80 percent of the school day.~~

(ii) ~~((If)) (A) Except as provided in (b) (ii) (B) of this subsection, if the enrollment percent exceeds ((15 percent)) the funded enrollment limit, the excess cost allocation calculated under (b) (i) of this subsection must be adjusted by multiplying the allocation by ((15 percent)) the funded enrollment limit divided by the enrollment percent.~~

(B) School districts with fewer than 2,500 full-time equivalent students, school districts that received safety net awards under RCW 28A.150.392(2)(f) in the prior school year, and school districts where at least 10 percent of enrollment is identified as having a military parent are not subject to a funded enrollment limit.

(3) As used in this section:

(a) "Base allocation" means the total state allocation to all schools in the district generated by the distribution formula under RCW 28A.150.260 (4)(a), (5), (6), and (8) and the allocation under RCW 28A.150.415, to be divided by the district's full-time equivalent enrollment.

(b) "Basic education enrollment" means enrollment of resident students including nonresident students enrolled under RCW 28A.225.225 and students from nonhigh districts enrolled under RCW 28A.225.210 and excluding students residing in another district enrolled as part of an interdistrict cooperative program under RCW 28A.225.250.

(c) "Enrollment percent" means the district's resident annual average enrollment of students who are eligible for and receiving special education, excluding students ages three and four and those five year olds not yet enrolled in kindergarten and students enrolled in institutional education programs, as a percent of the district's annual average full-time equivalent basic education enrollment.

(d) "Funded enrollment limit" means:

(i) In the 2023-24 school year, 15 percent;

(ii) In the 2024-25 school year, 15.5 percent;

(iii) In the 2025-26 and 2026-27 school years, 16 percent; and

(iv) Beginning in the 2027-28 school year, all students eligible for and receiving special education must generate excess cost allocations under this section.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.155 RCW to read as follows:

(1)(a) As part of its monitoring of special education programs, the office of the superintendent of public instruction must determine whether school districts and charter schools are overidentifying students as eligible for special education or overproviding special education services to students beyond what is required by their individualized education programs.

(b) If a school district or charter school is determined to be overidentifying students as eligible for special education or overproviding special education services to students beyond what is required by their individualized education programs, then the office of the superintendent of public instruction must intervene and establish a corrective action plan with the school district or charter school.

(c) The office of the superintendent of public instruction must communicate any determination resulting in a corrective action plan under this subsection to the state auditor.

(2) In the school year following a determination resulting in a corrective action under subsection (1) of this section, the state auditor must audit for compliance with the corrective action plan and part B of the federal individuals with disabilities education act a school district or charter school with an enrollment percent for special education that exceeds 16 percent.

The state auditor must report the audit findings to the office of the superintendent of public instruction.

(3) If the state auditor finds that a school district or charter school audited as required by subsection (2) of this section has not timely implemented corrective actions identified by the office of the superintendent of public instruction, the office of the superintendent of public instruction must adjust the excess cost allocation calculated under RCW 28A.150.390(2)(b)(i) by multiplying the allocation by 16 percent divided by the enrollment percent of the school district or charter school if the enrollment percent exceeds 16 percent.

(4) As used in this section, "enrollment percent" has the same meaning as in RCW 28A.150.390."

Representative Duerr moved the adoption of the striking amendment (1066):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds and declares that:

(1) Washington state, through its extensive purchasing power, can reduce embodied carbon in the built environment, improve human and environmental health, grow economic competitiveness, and promote high labor standards in manufacturing by incorporating climate and other types of pollution impacts and the quality of working conditions into the procurement process.

(2) Washington state is home to multiple world-class manufacturers that are investing heavily in reducing the carbon intensity of their products and that provide family-wage jobs that are the foundation for a fair and robust economy. Washington's procurement practices should encourage manufacturers and others to meet high environmental and labor standards and reduce their environmental footprint.

(3) The private sector is increasingly demanding low carbon building materials that support good jobs in manufacturing. This market demand has rapidly accelerated innovation and led to increased production of low carbon building materials. As one of the largest consumers of building materials, Washington state has an opportunity to leverage its purchasing power to do even more to send a clear signal to the market of the growing demand for low carbon building materials.

(4) With its low carbon electric grid and highly skilled workforce, Washington state is well-positioned to capture the growing demand for low carbon building materials and create and sustain a new generation of good, high-wage clean manufacturing jobs.

(5) Washington has demonstrated a deep commitment to ensuring that the transition to a low carbon economy is fair and creates family-wage jobs. Both the clean energy transformation act and the climate commitment act tie public investments in infrastructure to reducing greenhouse gas emissions and to high road construction labor standards. Integrating manufacturing working conditions into the procurement process reaffirms and is consistent with the state's commitment to a fair transition.

(6) A robust state and domestic supply of low carbon materials is critical for building a fair economy and meeting the needs of the low carbon transition, including securing the clean energy supply chain.

(7) Environmental product declarations are the best available tool for reporting product-specific environmental impacts using a life-cycle assessment and informing the procurement of low carbon building materials. Environmental product declarations cannot be used to compare products across different product categories or different functional units.

(8) The buy clean and buy fair policies established in this act are critical to reduce embodied carbon in the built environment, a goal identified by the Washington state 2021 energy strategy to meet the state's greenhouse gas emission limits, governor Inslee's Executive Order 20-01 on state efficiency and environmental performance, and the Pacific coast collaborative's pathbreaking low carbon construction task force.

(9) Reducing embodied carbon in the built environment requires a holistic, comprehensive approach that includes designing buildings with a lower-embodied carbon footprint and making lower carbon products. Policies like the buy clean and buy fair policies established in this act are an important tool for increasing the manufacture of lower carbon products.

(10) The 2021-2023 biennium budgets made critical progress on the buy clean and buy fair policies in this act by funding the creation of a publicly accessible database to facilitate reporting and promote transparency on building materials purchased for state-funded infrastructure projects and two large buy clean and buy fair pilot projects. This ongoing work to create a database to facilitate reporting of environmental impacts and labor conditions from pilot projects has provided a strong foundation to inform future work on buy clean and buy fair policies.

(11) Providing financial assistance to small manufacturers to support the production of environmental product declarations will help small manufacturers offset costs they might incur when pursuing state contracting as a result of the requirements of this act.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Actual production facilities" means the final manufacturing facility and the facilities at which production processes occur that contribute to 70 percent or more of the product's cradle-to-gate global warming potential, as reflected in the environmental product declaration.

(2) "Awarding authority" means:

(a) Institutions of higher education as defined in RCW 28B.92.030;

(b) The department of enterprise services, the department of natural resources, the state parks and recreation commission, the department of fish and wildlife, and the department of transportation; and

(c) Any other state government agency that receives funding from the omnibus capital appropriations act for a public works project contracted directly by the state agency.

(3) "Covered product" includes:

(a) Structural concrete products, including ready mix, shotcrete, precast, and concrete masonry units;

(b) Reinforcing steel products, specifically rebar and posttensioning tendons;

(c) Structural steel products, specifically hot rolled sections, hollow sections, metal deck, and plate; and

(d)(i) Engineered wood products, such as cross-laminated timber per ANSI form no. PRG 320, glulam beams, laminated veneer lumber, parallel strand lumber, dowel laminated timber, nail laminated timber, glulam laminated timber, prefabricated wood joists per ASTM D5055, wood structural panel per product standard 1 or product standard 2, solid sawn lumber per product standard 20, structural composite lumber per ASTM D5456, and structural sawn lumber.

(ii) For the purposes of this subsection (3)(d):

(A) "ANSI" means the American national standards institute.

(B) "ASTM" means the American society for testing and materials.

(C) "Product standard" means a voluntary product standard published by the United States department of commerce national institute of standards and technology.

(4) "Covered project" means:

(a) A construction project larger than 50,000 gross square feet as defined in the Washington state building code, chapter 51-50 WAC; or

(b) A building renovation project where the cost is greater than 50 percent of the assessed value and the project is larger than 50,000 gross square feet of occupied or conditioned space as defined in the Washington state building code, chapter 51-50 WAC.

(5) "Department" means the department of commerce.

(6) "Employee" means any individual who is in an employment relationship with the organization.

(7) (a) "Environmental product declaration" means a type III environmental product declaration, as defined by the international organization for standardization standard 14025 or similarly robust life-cycle assessment methods that have uniform standards in data collection consistent with the international organization for standardization standard 14025, industry acceptance, and integrity. When available, the environmental product declaration must be supply chain specific.

(b) For the purposes of this subsection, "supply chain specific" means an environmental product declaration that includes supply chain specific data for production processes that contribute 70 percent or more of a product's cradle-to-gate global warming potential, as defined in international organization for standardization standard 21930, and reports the overall percentage of supply chain specific data included.

**NEW SECTION. Sec. 3.** (1) (a) Beginning July 1, 2025, an awarding authority must require in all newly executed construction contracts that the selected firm for a construction contract for a covered project larger than 100,000 gross square feet submit the following data for each covered product used before substantial completion, including at a minimum:

- (i) Product quantity;
- (ii) A current environmental product declaration;
- (iii) Health product declaration, if any, completed for the product;
- (iv) Manufacturer name and location, including state or province and country;
- (v) Supplier code of conduct, if any; and
- (vi) Office of minority and women-owned business enterprises certification, if any.

(b) Beginning July 1, 2027, an awarding authority must require in all newly executed construction contracts that the selected firm for a construction contract for a covered project submit the data required by (a) of this subsection for each covered product used before substantial completion.

(c) The selected firm for a contract for a covered project shall provide the data required by this subsection for at least 90 percent of the cost of each of the covered products used in the project.

(2) The selected firm for a contract for a covered project is required to collect and submit from product suppliers the information required in subsection (1) (a) (ii) through (vi) of this section. The

selected firm is not required to verify the information received from product suppliers.

(3)(a) Beginning July 1, 2025, an awarding authority must require in all newly executed construction contracts that the selected firm for a construction contract for a covered project larger than 100,000 gross square feet to ask their suppliers to report for each covered product used before substantial completion, including at a minimum:

(i) Names and locations, including state or province and country, of the actual production facilities; and

(ii) Working conditions at the actual production facilities for all employees, full-time employees, part-time employees, and temporary employees. In cases in which the supplier does not have this information, the selected firm for a contract for a covered project must ask suppliers to provide a report on steps taken to reasonably obtain the data and provide suppliers' self-reports to the awarding authority.

(b) Beginning July 1, 2027, an awarding authority must require in all newly executed construction contracts that the successful bidder for a construction contract for a covered project to meet the requirements of (a) of this subsection for each covered product used before substantial completion.

(c) The selected firm is not required to verify the information reported by product suppliers pursuant to this subsection.

(d) The selected firm for a contract for a covered project shall meet the requirement in (a) of this subsection for at least 90 percent of the cost of each of the covered products used in the project.

(4) If a supply chain specific environmental product declaration is not available, a product and facility specific report may be submitted.

(5) This section does not apply to a covered product for a particular covered project if the awarding authority determines, upon written justification provided to the department, that the requirements in this section would cause a significant delay in completion, significant increase in overall project cost, or result in only one product supplier being able to provide the covered product.

(6) An awarding authority must include the information and reporting requirements in this section in a specification for bids for a covered project.

(7) Subject to funds appropriated for this specific purpose, the department may provide financial assistance to small businesses, as defined in RCW 19.85.020, to help offset the costs to the small business of producing an environmental product declaration required under this section. Such financial assistance supports the production of environmental product declarations and achievement of reductions of embodied carbon in the built environment while ensuring that small manufacturers are not put at a competitive disadvantage in state contracting as a result of the requirements of this chapter.

(8) Compliance with the requirements in this section may not be used as a basis for a waiver from apprenticeship utilization

requirements in any other statute, rule, regulation, or law.

**NEW SECTION. Sec. 4.** By July 1, 2025, and to the extent practicable, specifications for a bid or proposal for a project contract by an awarding authority may only include performance-based specifications for concrete used as a structural material. Awarding authorities may continue to use prescriptive specifications on structural elements to support special designs and emerging technology implementation.

**NEW SECTION. Sec. 5.** (1) The department must continue to develop, maintain, and refine the publicly accessible database funded by the 2021-2023 omnibus operating appropriations act and created by the department in conjunction with the University of Washington college of built environments for selected firms for contracts for covered projects to submit the data required in section 3 of this act to the department and to promote transparency. The department may consult with the University of Washington college of built environments.

(2) The database maintained pursuant to subsection (1) of this section must publish global warming potential as reported in the environmental product declarations.

(3) By July 1, 2025, the department must:

(a) Further elaborate covered product definitions using applicable material industry standards;

(b) Develop measurement and reporting standards to ensure that data is consistent and comparable, including standards for reporting product quantities;

(c) Create model language for specifications, bid documents, and contracts to support the implementation of section 3 of this act; and

(d) Produce an educational brief that:

(i) Provides an overview of embodied carbon;

(ii) Describes the appropriate use of environmental product declarations, including the necessary preconditions for environmental product declarations to be comparable;

(iii) Outlines reporting standards, including covered product definitions, standards for reporting product quantities, and working conditions;

(iv) Describes the data collection and reporting process for all information required in section 3 (1)(a) and (3)(a) of this act;

(v) Provides instructions for the use of the database; and

(vi) Lists applicable product category rules for covered products.

(4) The department may contract for the use of nationally or internationally recognized databases of environmental product declarations for purposes of implementing this section.

**NEW SECTION. Sec. 6.** (1) By December 1, 2024, the department must convene a

technical work group that includes the following representatives:

(a) One industry professional in design, one industry professional in structural design, one industry professional in specification, and one industry professional in construction who are recommended by leading associations of Washington business;

(b) Two representatives each from Washington manufacturers of:

(i) Steel;

(ii) Wood; and

(iii) Concrete;

(c) A representative from the department of enterprise services;

(d) A representative from the department of transportation;

(e) A representative from the department of ecology;

(f) One representative each from three environmental groups that focus on embodied carbon and climate change;

(g) Three representatives from labor unions, including two from unions that represent manufacturing workers and one representative from the building and construction trades;

(h) A representative from the minority and women-owned business community;

(i) A representative from the University of Washington college of built environments; and

(j) Representatives of other agencies and independent experts as necessary to meet the objectives of the technical work group as described in this section.

(2) The department may form subgroups with members who have subject matter expertise or industry experience to develop technical information, recommendations, and analysis specific to individual material types, and the feasibility of supply chain specific environmental product declarations. The recommendations must, where possible, align with state and national principles and laws for environmental product declaration development.

(3) The department may contract with the University of Washington college of built environments in convening the technical work group.

(4) The purpose of the technical work group is to identify opportunities for and barriers to growth of the use and production of low carbon materials, promote high labor standards in manufacturing, and preserve and expand low carbon materials manufacturing in Washington.

(5) By September 1, 2025, the technical work group must submit a report to the legislature and the governor that includes:

(a) A low carbon materials manufacturing plan that recommends policies to preserve and grow the in-state manufacturing of low carbon materials and accelerate industrial decarbonization. For this plan, the technical work group must:

(i) Examine barriers and opportunities to maintain and grow a robust in-state supply of low carbon building materials including, but not limited to, state and domestic supply of raw materials and other supply chain challenges, regulatory barriers, competitiveness of local and domestic manufacturers, cost, and data availability

from local, state, national, and foreign product suppliers; and

(b) Recommendations for consistent treatment in the reporting for covered products; and

(c) Consideration of how additional information relevant to reducing embodied carbon through strategies including, but not limited to, product life-cycle assessments could be incorporated into future reporting.

(6) (a) By September 1, 2026, the technical work group must submit a report on policy recommendations, including any statutory changes needed, to the legislature and the governor. The report must consider policies to expand the use and production of low carbon materials, preserve and expand low carbon materials manufacturing in Washington, including opportunities to encourage continued conversion to lower carbon blended cements in public projects, and support living wage manufacturing jobs.

(b) For this report, the technical work group must:

(i) Summarize data collected pursuant to section 3 of this act, the case study analysis funded by the 2021-2023 omnibus operating appropriations act, and the pilot projects funded by the 2021-2023 omnibus capital appropriations act. The summary must include product quantities, global warming potential, health product declarations, supplier codes of conduct, and any obstacles to the implementation of this chapter;

(ii) Evaluate options for collecting reported working condition information from product suppliers, including hourly wages, employee benefits, and total case incident rates, and for aligning these reporting requirements with existing reporting requirements for preferential tax rates, credits, exemptions, and deferrals;

(iii) Make recommendations for improving environmental production declaration data quality including, but not limited to, integrating reporting on variability in facility, product, and upstream data for key processes;

(iv) Make recommendations for consideration of scope 2 greenhouse gas emissions mitigation through green power purchases, such as energy attribute certificates and power purchase agreements;

(v) Identify barriers and opportunities to the effective use of the database maintained under section 5 of this act and the data collected pursuant to this chapter;

(vi) Identify emerging and foreseeable trends in local, state, federal, and private policy on embodied carbon and the procurement and use of low carbon materials and opportunities to promote consistency across public and private embodied carbon and low carbon materials policies, rules, and regulations; and

(vii) Recommend approaches to designing lower embodied carbon state building projects.

(7)(a) The department may update reporting standards and requirements based on input from the technical work group.

(b) The department must provide updated guidance on reporting standards by January 1, 2027.

(8) This section expires January 1, 2028.

"PURPOSE OF ACT

NEW SECTION. **Sec. 1.** The purposes of this act are to: Protect students from physically harmful and emotionally traumatic practices of chemical restraint, mechanical restraint, and isolation; prohibit the use of physical restraint imposed solely for purposes of student discipline or staff convenience; improve the safety and well-being of all staff and students by increasing the training and technical assistance provided to staff; and enhance the public accountability of school districts and other providers of public educational services.

DEFINITIONS

NEW SECTION. **Sec. 2.** A new section is added to chapter 28A.600 RCW to read as follows:

The definitions in this section apply throughout RCW 28A.600.485, 28A.600.486, 28A.155.210, and sections 4, 7 through 9, and 13 through 18 of this act unless the context clearly requires otherwise.

(1) "Behavioral intervention plan" means the individualized plan developed for a student and implemented by staff for the purpose of changing, replacing, modifying, or eliminating a student's behavior or behaviors of concern.

(2) "Chemical restraint" means a drug or chemical administered by staff to a student to control the student's behavior or restrict the student's freedom of movement that is not: (a) Prescribed by a licensed health professional acting within the scope of the practice of that health profession for the standard treatment of a student's medical or psychiatric condition; (b) administered by a licensed health professional acting within the scope of the practice of that health profession or administered by designated staff delegated and trained by the licensed health professional under RCW 28A.210.260; or (c) administered in accordance with the student's medical or psychiatric treatment plan.

(3) "Educational service" means instruction and other activities delivered or sponsored by a school district or other provider of public educational services, for example: General education services; special education services; medical services; safety and security services; transportation services; and any developmental, corrective, or other supportive services necessary for a student eligible for special education

services to benefit from special education services.

(4) "Functional behavioral assessment" means the process or evaluation used by staff to understand the cause or purpose of a student's specific behavior or behaviors of concern in a specific environment.

(6) "Intensive crisis prevention and response training" means a training program approved by the office of the superintendent of public instruction under section 13(4) of this act.

(7) "Isolation," also known as seclusion, means the involuntary separation of a student from all other people, by staff, in a room or other enclosed area from which the student is not free to leave. "Isolation" does not include: (a) A time away, which is a student-selected behavior management technique that provides a student with an opportunity for self-calming, where the student is separated from others for a limited period, in a setting that is staff-monitored and from which the student may leave at any time; (b) staff temporarily confining a student alone in a classroom, office, or common area because the student's behavior poses an imminent likelihood of serious harm to the staff who had been in the room with the student, provided the student's confinement ends as soon as it is practicable for additional staff to intervene; or (c) a room clear, except as provided in rule by the office of the superintendent of public instruction.

(8) "Likelihood of serious harm" means a substantial risk that:

(a) Harm will be inflicted by the student upon his or her own person, as evidenced by threats or attempts to commit suicide, or inflict harm on oneself; or

(b) Harm will be inflicted by the student upon another, as evidenced by behavior that places another person or persons in reasonable fear of sustaining such harm.

(9) "Mechanical restraint" means staff use of a device to restrict a student's freedom of movement. "Mechanical restraint" does not include: (a) A device used by staff or a student: (i) As prescribed by a licensed health professional acting within the scope of the practice of that health profession; (ii) as documented in a student's individualized education program under Part B of the federal individuals with disabilities education act, Title 20 U.S.C. for the purpose of enabling the student to learn or model the physical movement necessary for the development of a desired competency.

(12) "Physical restraint" means physical contact by one or more staff that immobilizes or reduces the ability of a student to move the student's arms, legs, torso, or head freely. "Physical restraint" does not include chemical restraint, mechanical restraint, physical escort, or physical prompt.

(15) "Room clear" means the procedure used by staff in an emergency to direct all students, except for any students causing the emergency, to leave a room. Except as provided in rule of the office of the superintendent of public instruction, a room clear is not isolation.

(16) "Staff" means an employee or contractor of a school district or other provider of public educational services. "Staff" does not include licensed or certified health professionals of inpatient health care facilities.

(17) "Student behavior management" means the knowledge and skills to:

#### USE OF STUDENT ISOLATION AND RESTRAINT

**Sec. 3.** RCW 28A.600.485 and 2015 c 206 s 3 are each amended to read as follows:

(1) ~~(The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.~~

(a) ~~"Isolation" means restricting the student alone within a room or any other form of enclosure, from which the student may not leave. It does not include a student's voluntary use of a quiet space for self-calming, or temporary removal of a student from his or her regular instructional area to an unlocked area for purposes of carrying out an appropriate positive behavior intervention plan.~~

(b) ~~"Restraint" means physical intervention or force used to control a student, including the use of a restraint device to restrict a student's freedom of movement. It does not include appropriate use of a prescribed medical, orthopedic, or therapeutic device when used as intended, such as to achieve proper body position, balance, or alignment, or to permit a student to safely participate in activities.~~

(c) ~~"Restraint device" means a device used to assist in controlling a student, including but not limited to metal handcuffs, plastic ties, ankle restraints, leather cuffs, other hospital-type restraints, pepper spray, tasers, or batons. Restraint device does not mean a seat harness used to safely transport students. This section shall not be construed as encouraging the use of these devices.~~

(2) ~~The provisions of this section apply to all students, including those who have an individualized education program or plan developed under section 504 of the rehabilitation act of 1973. The provisions of this section apply only to incidents of restraint or isolation that occur while a student is participating in school-sponsored instruction or activities.~~

(3) (a) ~~An individualized education program or plan developed under section 504 of the rehabilitation act of 1973 must not include the use of restraint or isolation as a planned behavior intervention unless a student's individual needs require more specific advanced educational planning and the student's parent or guardian agrees. All other plans may refer to the district policy developed under subsection (3)(b) of this section. Nothing in this section is intended to limit the provision of a free appropriate public education under Part B of the federal individuals with disabilities education improvement act or section 504 of the federal rehabilitation act of 1973.~~

(b) ~~Restraint or isolation of any student is permitted only when reasonably necessary to control spontaneous behavior that poses an imminent likelihood of serious harm, as defined in RCW 70.96B.010. Restraint or isolation must be closely monitored to prevent harm to the student, and must be discontinued as soon as the likelihood of serious harm has dissipated. Each school~~

~~district shall adopt a policy providing for the least amount of restraint or isolation appropriate to protect the safety of students and staff under such circumstances.~~

(4) ~~Following the release of a student from the use of restraint or isolation, the school must implement follow-up procedures. These procedures must include: (a) Reviewing the incident with the student and the parent or guardian to address the behavior that precipitated the restraint or isolation and the appropriateness of the response; and (b) reviewing the incident with the staff member who administered the restraint or isolation to discuss whether proper procedures were followed and what training or support the staff member needs to help the student avoid similar incidents.~~

(5) ~~Any school employee, resource officer, or school security officer who uses isolation or restraint on a student during school-sponsored instruction or activities must inform the building administrator or building administrator's designee as soon as possible, and within two business days submit a written report of the incident to the district office. The written report must include, at a minimum, the following information:~~

(a) ~~The date and time of the incident;~~

(b) ~~The name and job title of the individual who administered the restraint or isolation;~~

(c) ~~A description of the activity that led to the restraint or isolation;~~

(d) ~~The type of restraint or isolation used on the student, including the duration;~~

(e) ~~Whether the student or staff was physically injured during the restraint or isolation incident and any medical care provided; and~~

(f) ~~Any recommendations for changing the nature or amount of resources available to the student and staff members in order to avoid similar incidents.~~

(6) ~~The principal or principal's designee must make a reasonable effort to verbally inform the student's parent or guardian within twenty-four hours of the incident, and must send written notification as soon as practical but postmarked no later than five business days after the restraint or isolation occurred. If the school or school district customarily provides the parent or guardian with school-related information in a language other than English, the written report under this section must be provided to the parent or guardian in that language.~~

(7) (a) ~~Beginning January 1, 2016, and by January 1st annually, each school district shall summarize the written reports received under subsection (5) of this section and submit the summaries to the office of the superintendent of public instruction. For each school, the school district shall include the number of individual incidents of restraint and isolation, the number of students involved in the incidents, the number of injuries to students and staff, and the types of restraint or isolation used.~~

(b) ~~No later than ninety days after receipt, the office of the superintendent of public instruction shall publish to its website the data received by the districts. The office of the superintendent of public~~

instruction may use this data to investigate the training, practices, and other efforts used by schools and districts to reduce the use of restraint and isolation.)

**Application.** This section applies during the provision of educational services:

(a) To all students, including those who have an individualized education program or plan developed under section 504 of the rehabilitation act of 1973, of a school district or other provider of public educational services; and

(b) To all staff of a school district or other provider of public educational services, except for staff who are licensed or certified health professionals of an inpatient health care facility.

**(2) Prohibited isolation and restraint.**

(a) The staff of any school district or other provider of public educational services are prohibited from using the following interventions on any student during the provision of educational services:

(iii) Isolation or physical restraint that is contraindicated based on the student's disability or health care needs or medical or psychiatric condition as documented in:

(A) An individual health plan or other health care management plan;

(B) A behavioral intervention plan;

(C) An individualized education program under Part B of the federal individuals with disabilities education act, Title 20 U.S.C. Sec. 1400 et seq.; or

(D) A plan developed under section 504 of the federal rehabilitation act of 1973;

(iv) Mechanical restraint;

(b) Except as authorized under subsection (4)(b) of this section, neither a student nor the student's parent or legal guardian may consent, or be asked to consent, to the use of interventions that are prohibited under this subsection (2).

**(3) Limited use of physical restraint.**

The staff of any school district or other provider of public educational services may physically restrain a student during the provision of educational services only when:

(a) The student's behavior poses an imminent likelihood of serious harm to the student or to others;

(b) Less restrictive interventions would be ineffective in stopping the imminent likelihood of serious harm to the student or to others;

(c) The least amount of force necessary is used to protect the student or another person from an imminent likelihood of serious harm to the student or to others; and

(d) The physical restraint of the student ends immediately upon the cessation of the

imminent likelihood of serious harm to the student or to others.

**(4) Limited use of isolation.** (a) Subject to the limitations in (b) of this subsection (4), the staff of any school district or other provider of public educational services may isolate a student during the provision of educational services only when:

(i) The student's behavior poses an imminent likelihood of serious harm to the student or to others;

(ii) Less restrictive interventions would be ineffective in stopping the imminent likelihood of serious harm to the student or to others;

(iii) The least amount of force necessary is used to protect the student or another person from an imminent likelihood of serious harm to the student or to others;

(iv) During isolation, the student is under the constant visual supervision of the staff;

(v) The isolation of the student ends immediately upon the cessation of the imminent likelihood of serious harm to the student or to others; and

(vi) Beginning August 1, 2029, the staff isolating the student has received intensive crisis prevention and response training.

(b) Except as provided in (c) of this subsection (4), beginning August 1, 2025, the staff of any school district or other provider of public educational services are prohibited from isolating any student in prekindergarten through grade five during the provision of educational services, unless requested by the parent or legal guardian of the student and unless authorized as follows:

(i) Two licensed health professionals, acting within the scope of practice for their health professions, have recommended and provided instructions for staff to isolate the student under specified circumstances and conditions that include the conditions described in (a) of this subsection (4). At least one of the licensed health professionals must not be an employee or contractor of the school district or provider of public educational services serving the student. For the purposes of this subsection (4)(b)(i), "licensed health professional" means a licensed behavior analyst, mental health counselor, osteopathic physician, physician, psychiatric nurse, psychiatric nurse practitioner, psychiatrist, or psychologist; and

(ii) The parent or legal guardian of the student provides uncoerced, fully informed, advanced, written consent for the staff to isolate the student as recommended under (b)(i) of this subsection (4).

(c)(i) Through July 31, 2029, or an exemption expiration date established by the office of the superintendent of public instruction, the limitations of (b) of this subsection (4) do not apply to any school district or other providers of public educational services serving students in any of grades prekindergarten through five that have claimed an exemption by August 1, 2025, using the process established under section 18 of this act. The purpose of the exemption is to delay the onset of the prohibition on isolating prekindergarten through grade five

students until staff have received student behavior management training and intensive crisis prevention and response training as described in the staff training plan prepared under section 8 of this act.

(ii) School districts and other providers of public educational services that claim an exemption must: (A) Engage with the technical assistance provided by the office of the superintendent of public instruction, and (B) provide the training described in the staff training plan prepared under section 8 of this act, as soon as practicable.

(5) Isolation rooms. (a) School districts and other providers of public educational services are prohibited from designing new construction or remodeling buildings to include a room or other enclosed area solely for purposes of isolating a student in any grade.

(b) Beginning August 1, 2029, school districts and other providers of public educational services are prohibited from approving, equipping, or constructing a room or other enclosed area solely for purposes of isolating a student in prekindergarten through grade five, except to comply with subsection (4)(b) of this section.

(c) The provisions of this subsection (5) do not apply to a state-operated psychiatric hospital that serves students.

(6) School resource officers. Nothing in this section prohibits a school resource officer as defined in RCW 28A.320.124 from carrying out the lawful duties of a commissioned law enforcement officer.

(7) Provision of free appropriate public education. Nothing in this section is intended to limit the provision of a free appropriate public education under Part B of the federal individuals with disabilities education improvement act or section 504 of the federal rehabilitation act of 1973.

(8) Definitions. The definitions in section 2 of this act apply to this section.

Beginning on page 1, line 4, strike all of section 1 and insert the following:

**"Sec. 1.** RCW 82.02.050 and 2015 c 241 s 1 are each amended to read as follows:

(1) It is the intent of the legislature:

(a) To ensure that adequate facilities are available to serve new growth and development;

(b) To promote orderly growth and development by establishing standards by which counties, cities, and towns may require, by ordinance, that new growth and development pay a proportionate share of the cost of new facilities needed to serve new growth and development; and

(c) To ensure that impact fees are imposed through established procedures and criteria so that specific developments do not pay arbitrary fees or duplicative fees for the same impact.

(2) Counties, cities, and towns that are required or choose to plan under RCW 36.70A.040 are authorized to impose impact fees on development activity as part of the financing for public facilities, provided that the financing for system improvements to serve new development must provide for a balance between impact fees and other sources of public funds and cannot rely solely on impact fees.

(3) ~~((a))~~ Counties, cities, and towns collecting impact fees must, by September 1, ~~((2016))~~2025, adopt and maintain a system for the deferred collection of impact fees for single-family detached and attached residential construction. The deferral system must include a process by which an applicant for a building permit for ~~((a))~~ single-family detached or attached residences may ~~((request a deferral of the full impact fee payment. The deferral system offered by a county, city, or town under this subsection (3) must include one or more of the following options:~~

~~((A)) Deferring collection of the impact fee payment until final inspection;~~

~~((B)) Deferring collection of the impact fee payment until certificate of occupancy or equivalent certification; or~~

~~((C)) Deferring collection of the impact fee payment until the time of closing of the first sale of the property occurring after the issuance of the applicable building permit.~~

~~((ii)) Counties, cities, and towns utilizing the deferral process required by this subsection (3)(a)) execute a promissory note in favor of the county, city, or town imposing the impact fee for the full value of the impact fees imposed. The note must come due at the time provided for in (b) of this subsection (3). The note must identify each impact fee that it covers and the total amount of fees that are due. The note must be recorded with the county auditor at the expense of the applicant. If lots have not been created on the subdivision, the note~~

must be recorded for the entire subdivision. The payment of the fees detailed in the promissory note is the legal responsibility of the applicant.

(b) The promissory note must include a provision for payment of the impact fee:

(i) At the time of the issuance of a certificate of occupancy or equivalent certification for the lot or unit;

(ii) At the time of the closing of the first sale of the lot or unit occurring after the issuance of the applicable building permit; or

(iii) At the time of final inspection.

(c)(i) If a county, city, or town has determined that payment of the impact fees is due at the time of the issuance of the certificate of occupancy or equivalent certification or at the time of the final inspection, the county, city, or town may withhold certification of final inspection, the certificate of occupancy, or equivalent certification until the impact fees have been paid in full. If the applicant has not paid in full by the time of the first sale of the lot or unit occurring after the issuance of the applicable building permit, then the impact fees are due immediately at the time of sale.

(ii) If the full impact fees have not been paid within one month of the sale of the first sale of the lot or unit occurring after the issuance of the applicable building permit, then the note bears interest at the rate provided for in RCW 82.32.050(2). The rate must be adjusted on the first day of January of each year for use in computing interest for that calendar year. The county treasurer must provide the county, city, or town covered by the promissory note with the variable rate on or before December 31st of the year preceding the year in which the rate applies.

(iii) In addition to the interest provided for in (c)(ii) of this subsection (3), if an applicant has not paid the impact fees in full within one month of the first sale of the lot or unit occurring after the issuance of the applicable building permit, the applicant must additionally be assessed a penalty of five percent of the total amount remaining due on the promissory note. If the promissory note has not been paid in full within two months of the time of the first sale of the lot or unit occurring after the issuance of the applicable building permit, the applicant must instead be assessed a penalty of 10 percent of the total amount remaining due on the promissory note. If the promissory note has not been paid in full within three months of the time of the first sale of the lot or unit occurring after the issuance of the applicable building permit, the applicant must instead be assessed a penalty of 20 percent of the total amount remaining due on the promissory note.

(iv) The interest and penalties provided for in this subsection (3)(c) are collectible only from the applicant and may not be a lien against the property sold by the applicant for which the impact fees were due. Owners of an applicant who has not paid the impact fees in full within one month of the first sale of the lot or unit occurring after the issuance of the applicable

building permit are personally liable for the full amount of the note, unless the sale has been recorded in the official county property record.

~~((iii))~~(d) The amount of impact fees that may be deferred under this subsection (3) must be determined by the fees in effect at the time the applicant applies for a deferral.

~~((iv))~~ Unless an agreement to the contrary is reached between the buyer and seller, the payment of impact fees due at closing of a sale must be made from the seller's proceeds. In the absence of an agreement to the contrary, the seller bears strict liability for the payment of the impact fees.

~~(b))~~(e) The applicant must provide written disclosure of a deferral agreement to a property buyer as required by chapter 64.06 RCW.

(f) The term of an impact fee deferral under this subsection (3) may not exceed ~~((eighteen))~~ 18 months from the date of building permit issuance.

~~((c))~~ Except as may otherwise be authorized in accordance with (f) of this subsection (3), an applicant seeking a deferral under this subsection (3) must grant and record a deferred impact fee lien against the property in favor of the county, city, or town in the amount of the deferred impact fee. The deferred impact fee lien, which must include the legal description, tax account number, and address of the property, must also be:

(i) In a form approved by the county, city, or town;

(ii) Signed by all owners of the property, with all signatures acknowledged as required for a deed, and recorded in the county where the property is located;

(iii) Binding on all successors in title after the recordation; and

(iv) Junior and subordinate to one mortgage for the purpose of construction upon the same real property granted by the person who applied for the deferral of impact fees.

(d)(i) If impact fees are not paid in accordance with a deferral authorized by this subsection (3), and in accordance with the term provisions established in (b) of this subsection (3), the county, city, or town may institute foreclosure proceedings in accordance with chapter 61.12 RCW.

(ii) If the county, city, or town does not institute foreclosure proceedings for unpaid school impact fees within forty-five days after receiving notice from a school district requesting that it do so, the district may institute foreclosure proceedings with respect to the unpaid impact fees.

(e)(i) Upon receipt of final payment of all deferred impact fees for a property, the county, city, or town must execute a release of deferred impact fee lien for the property. The property owner at the time of the release, at his or her expense, is responsible for recording the lien release.

(ii) The extinguishment of a deferred impact fee lien by the foreclosure of a lien having priority does not affect the obligation to pay the impact fees as a condition of final inspection, certificate

~~of occupancy, or equivalent certification, or at the time of closing of the first sale.~~

~~((f)) (g) A county, city, or town with an impact fee deferral process on or before April 1, 2015, is exempt from the requirements of this subsection (3) if the deferral process delays all impact fees and remains in effect after September 1, 2016.~~

~~((g) (i) Each applicant for a single-family residential construction permit, in accordance with his or her contractor registration number or other unique identification number, is entitled to annually receive deferrals under this subsection (3) for the first twenty single-family residential construction building permits per county, city, or town. A county, city, or town, however, may elect, by ordinance, to defer more than twenty single-family residential construction building permits for an applicant. If the county, city, or town collects impact fees on behalf of one or more school districts for which the collection of impact fees could be delayed, the county, city, or town must consult with the district or districts about the additional deferrals. A county, city, or town considering additional deferrals must give substantial weight to recommendations of each applicable school district regarding the number of additional deferrals. If the county, city, or town disagrees with the recommendations of one or more school districts, the county, city, or town must provide the district or districts with a written rationale for its decision.~~

~~((ii)) (h) For purposes of this subsection (3) ((g)), an "applicant" includes an entity that controls the applicant, is controlled by the applicant, or is under common control with the applicant.~~

~~((h) Counties, cities, and towns may collect reasonable administrative fees to implement this subsection (3) from permit applicants who are seeking to delay the payment of impact fees under this subsection (3).~~

~~(i) In accordance with RCW 44.28.812 and 43.31.980, counties, cities, and towns must cooperate with and provide requested data, materials, and assistance to the department of commerce and the joint legislative audit and review committee.)~~

~~(4) The impact fees:~~

~~(a) Shall only be imposed for system improvements that are reasonably related to the new development;~~

~~(b) Shall not exceed a proportionate share of the costs of system improvements that are reasonably related to the new development; and~~

~~(c) Shall be used for system improvements that will reasonably benefit the new development.~~

~~(5) (a) Impact fees may be collected and spent only for the public facilities defined in RCW 82.02.090 which are addressed by a capital facilities plan element of a comprehensive land use plan adopted pursuant to the provisions of RCW 36.70A.070 or the provisions for comprehensive plan adoption contained in chapter 36.70, 35.63, or 35A.63 RCW. WHEREAS, In the bicentennial year of 1976, 50 years after Woodson gave birth to the idea, President Gerald Ford expanded the week to the month of February, urging all Americans to "seize the opportunity to honor the too-often neglected accomplishments of black Americans in every area of endeavor throughout our history"; and

WHEREAS, Much of the history of black Americans can be viewed through the lens of the long, hard struggle to reconcile the reality of slavery, Jim Crow, and segregation with the words and ideals written in the Declaration of Independence and the Bill of Rights; and

WHEREAS, Even today, almost 160 years after the last black slaves in America were emancipated, black Americans continue to struggle under the shadow of discrimination and injustice institutionalized in the past; and

WHEREAS, Tangible expressions of history, family, hope, love, fear, pain, and dreams have been brought to life at the hands of black Americans in as many mediums as can be imagined; and

WHEREAS, Tales of tribulations and triumphs, love and loss, wild adventures, and moments of quiet reflection have been sketched and stamped across the pages of our nation's history; and

WHEREAS, Black Americans have stood up, spoken out and danced across grass, pavement, floors, stages, and screens, weaving vivid tales of joy, heartbreak, humor, and everything in between, shared raw, in shades of grey, or in full color; and

WHEREAS, Black artists of all kinds continue to leave a poignant, indelible impression on our souls, culture, and the world around us, regardless of expressive form; and

WHEREAS, Black history is American history. Black culture is American culture; and

WHEREAS, This Black History Month, and every month, is a time to learn about those who came before us, and keep pushing towards a brighter, more just future;

WHEREAS, On February 19, 1942, President Franklin D. Roosevelt issued Executive Order 9066, which authorized the United States military to forcibly remove and incarcerate more than 120,000 persons of Japanese ancestry from the West Coast, including 12,000 Japanese-American residents of Washington State; and

WHEREAS, The first civilian evacuation order gave Japanese-Americans from Bainbridge Island, Washington less than one week to leave behind homes, personal belongings, farms, businesses, friends, and family and report to detention centers like Camp Harmony on the grounds of the Washington State fair in Puyallup, where hastily converted horse stables housed the evacuated families; and

WHEREAS, These detention centers were temporary quarters for the evacuees while the United States military department constructed ten mass incarceration sites for Japanese-Americans located in remote inland areas of the United States; and

WHEREAS, This drastic policy of removal and relocation allegedly aimed to prevent acts of espionage and sabotage by Japanese-Americans who were deemed untrustworthy and disloyal to the United States; and

WHEREAS, On March 23, 1943, the War Department organized a segregated unit of Japanese-Americans, the 442nd Regimental Combat Team, most of whom reported for military duty from the concentration camps in which they and their families were held as prisoners surrounded by barbed wire and armed guards; and

WHEREAS, More than 12,000 volunteers responded to questions about their loyalty and patriotism by amassing a battle record unparalleled in United States military history with a casualty rate of 314 percent and earning a collective seven Presidential Unit Citations, 21 Medals of Honor, 29 Distinguished Service Crosses, one Distinguished Service Medal, 588 Silver Stars, more than 4,000 Bronze Stars, 22 Legion of Merit Medals, 145 Soldier's Medals, 9,486 Purple Hearts, 16 decorations from France and Italy, and, in 2010, the Congressional Gold Medal; and

WHEREAS, Equally loyal and patriotic Japanese-Americans fought to protect our constitutional rights and liberties through dissent, like University of Washington student and Auburn native Gordon Hirabayashi who was arrested, convicted, and imprisoned for defying the military curfew on select civilians and refusing to evacuate when ordered; and

WHEREAS, In 1982, the Congressional commission on wartime relocation and internment of civilians found "no military or security reason for the internment" of persons of Japanese ancestry, but determined the cause of the incarceration as "racial prejudice, war hysteria, and a failure of political leadership"; and

WHEREAS, Through this travesty of justice, Japanese-Americans suffered immense economic loss of property and assets, experienced immeasurable physical and psychological harm as individuals and collectively as a community, and were deprived of their constitutional liberties without due process of law; and

WHEREAS, In 1979, Washington State Congressman Mike Lowry introduced H.R. 5977 to provide reparations and an apology to the Japanese-American incarcerated, thus initiating a 10-year legislative quest that ended when President Ronald Reagan signed the Civil Liberties Act of 1988; and

WHEREAS, Vowing *Nidoto Nai Yoni* – Let it Not Happen Again, the Japanese-American community now wields the lessons of this experience to fight for equity and justice in solidarity with all Americans who seek to protect and preserve the civil liberties we are guaranteed;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives pause to acknowledge the 82nd anniversary of the signing of Executive Order 9066; to recognize and remember Japanese-American veterans, incarcerated, and civil rights activists from the State of Washington, and to reflect on, and honor the lessons, blessings, and responsibilities of the phrase, "...with liberty and justice for all"; and

Representative Shavers moved adoption of HOUSE RESOLUTION NO. 4672.

Representative Shavers: "Mr. Speaker, I've always believed that as public servants our duty is to solve tomorrow's problems today. To do that we must learn from the past so that we can act better for the future. Today we are gathered to reflect on the tragic injustice in our history. A dark aspect in our story. About the corrosive effects of hate on our democracy. We come together today to share in the story of pain and suffering of Japanese Americans wrongly incarcerated. The story of hope and resilience of families behind barbed wire and a country that rejected them. The stories of true patriotism of Japanese American service

members during World War II. We remember this day because their story is our combined American story. It is the story of progress - one because of countless acts of self-sacrifice, of resilience by extraordinary Japanese Americans. They knew but one loyalty and that loyalty was to the Stars and Stripes. To do their American part in every way possible. And to offer themselves to the service of their country by leading the movement to change themselves through protests and struggles in the courts and on the battlefields. The choices and actions of our great Japanese Americans during a time of pain and suffering reflect the best of America. And like many others, their story is my story. Giving people born of two worlds a chance to honor their sacrifice and to fight for a better, more inclusive future. Mr. Speaker, America is in a tumultuous time. A time of great polarization. A time of great suffering and pain. Of cynicism and hopelessness. And we ask ourselves, what can we do? Who do we look up to? Well, I point to this moment in American history. To the Japanese Americans who cared so much and who fought so hard for a democracy. Who believe in a country that gives hate no safe harbor. That dignity, honor and sacrifice is the antidote to fear and prejudice. Who believe that our nation no matter the stumbles can and will always live up to our principles of liberty and justice for all. So, Mr. Speaker today, let us honor and remember their bravery, sacrifice and spirit. Let us make this sacred pledge to keep fighting for an America that is free. A democracy that is not built on ethnicity or religion or geography. But a democracy that is built on an idea, 'Kuninot Tamani' - service to our country. Thank you."

Representative Chambers: "Thank you, Mr. Speaker. I rise today in support of House Resolution 4672. Almost 82 years ago, the lives of 120,000 Japanese Americans, 7400 whom called Washington home, were changed forever. 74 days after the attack on Pearl Harbor, reason succumbed to fear and America etched a dark chapter into the tapestry of its history. On February 19th, 1942, President Franklin Delano Roosevelt signed Executive Order 9066. With a stroke of his pen, the President robbed mothers, fathers, children, grandparents of their freedom. Uprooting them from their homes and putting them in camps surrounded by barbed wire and guards. They were guilty of nothing. Yet lost everything. All because of their heritage. Here in Washington, at the Puyallup Fairgrounds, known today as the Washington State Fair, a source of so much pride and joy for many, transformed into a prison. Euphemistically named Camp Harmony. Cramped into makeshift barracks on racetracks and under grandstands, families faced harsh conditions and humiliation. 437 long days. Work was hard. Privacy was non-existent. Food was basic. Sanitation was mediocre. This became the day-to-day reality for thousands. Men were assigned work details outside of the camp, clearing land, digging ditches, and working on nearby farms. Women worked in the camp, tending communal gardens. Sewing clothing for families and helping with meal preparation in the mess halls. Every task, the laborious and mundane, all a result of stolen freedom. Older children, often helped with chores and took care of younger siblings. Imagine how they would have long to spend their days playing and simply being kids. When the gates of the Puyallup Assembly Center, known as Camp Harmony, finally opened after those 437 long days, prisoners walked back out into the world, for many that hadn't changed, but for them had changed everything. Their experience left psychological scars. Anxieties about security. A sense of displacement. And a lingering fear of discrimination. While many were able to return to their jobs and homes, others struggled to rebuild their lives. Today we reflect on the pain of those who suffered while reaffirming our commitment to learn from the mistakes of the past.

The Japanese American Citizens League, with assistance from the capital budget funding, will soon construct a permanent remembrance gallery at the Washington State Fair in Puyallup. The name of every prisoner will be inscribed. Stories will be told through exhibits. And lessons will be illuminated for the more than one million visitors who come to the fairgrounds each year. This enduring tribute will offer a window of reflection and dialogue, cultivating empathy, inspiring action against discrimination in all its forms. As we reflect on this Day of Remembrance, I want to close with this. America, as imperfect as she is, is still the shining city on a hill for millions around the

world who risk everything to reach her shores. They don't come from a spotless past, but for the ideals woven into her fabric that are constantly moving us forward toward a more perfect union. Thank you for the opportunity to speak today in support of House Resolution 4672."

Representative Santos: "Thank you, Mr. Speaker. Once again, I am incredibly proud and privileged, and filled with gratitude, to stand before you to ask for your support for this resolution. I'm incredibly proud because, now I could be wrong, but I do believe that this is the longest continuously - perhaps only - legislative observance of Day of Remembrance in the country. We may not have celebrated in 2001, I really can't remember since there was a little thing called the Nisqually earthquake, but we have made a commitment in this chamber, in this legislature, each year to pause - even in our busiest moments like today, the day before policy cutoff for opposite house - to remember.

Why do we remember, Mr. Speaker? We remember because, as you've heard, there are lessons to be remembered. But Mr. Speaker, we pause, I pause because there are personal stories to be remembered and, each year, the number of World War II vets and former incarcerated that walk among us, dwindle. This is part of our history as Washington State and so today, Mr. Speaker, I'd like to share with you the names of some Washingtonians who have contributed significantly to my being here today to speak to you.

People like James Sakamoto. Now, he was a boxer. He was born in Seattle. He went to Bailey Gatzert Elementary school. He was also a newspaper publisher - and he did that while blind - but, most important, he was the founder of the precursor to the Japanese-American Citizens' League, which is the oldest Asian American civil rights organization in the country. Sadly, Mr. Sakamoto, after having an illustrious career both here and in New York, came back and was hit by a car and he died. But the Citizens League, the Japanese American Citizens League, left an imprint on our lives and on our nation.

People like Gordon Hirabayashi, you may have heard, also born in Seattle but a graduate of Auburn High School, who was a peaceful resistor to all of the orders - from curfew to evacuation to relocation. He was made famous because the U.S. Supreme Court denied him his fundamental birthrights as an American-born citizen by declaring him to be a criminal. And he had to live out his adult professional life in Canada. He was further made famous along with a trio of others for bringing what we call the *coram nobis* cases to the United States Supreme Court, where they were able to reverse those wrong-headed decisions of injustice.

People like William Nakamura, whose name graces our Seattle Federal Courthouse, and James Okubo, whose name is on the Medical and Dental center at JBLM. Both Congressional Medal of Honor winners. William, a graduate of Garfield High School, was a private first class who was killed in action on July 4, 1944, in Italy. James Okubo was born in Anacortes and was a graduate of Bellingham High School. When he went into the service, he had special skills that lent him to be a medical tech. He was able to return back from the war, settle, marry, raise a family. And he, too, lost his life in an auto accident.

I lift up to you, Mr. Speaker, the names of Henry Miyatake and Shoshuke Sasaki, men who were from Seattle - Henry being born in Seattle and Shoshuke immigrating to Seattle and graduating from Broadway High School - who were the architects of what was called the Seattle Plan. This was the first plan to designate the notion of compensation for injustices for wrongful imprisonment to Japanese Americans, eventually known as redress. I remember Shoshuke, who was very slight man, but who had a deep baritone voice, and it's not surprising to me that he became the spokesperson of what was to become the Seattle Evacuation Redress Committee.

Women, like Cherry Kinoshita, who was one of the early female presidents of the Japanese American Citizens League and a relentless, dogged champion of redress with all the members of Congress. Mr. Speaker, you might have some constituents like this who are very persistent about reaching out and touching you about the issues that they are passionate about. Cherry was one of these women who reached out regularly to Congressman Lowry and to all of the Nikkei members of Congress to pass the redress bill.

And Ruthann Kurose, Congressman Lowry's aide, who helped draft the redress plan and shepherd it through Congress. She is the

first Nikkei to serve as an aide in the halls of Congress. She was also a Garfield grad, but I might also add, as a practicing Quaker through her mother, was also a student at the Freedom Schools in the 1960s in Seattle.

And finally, Mr. Speaker, I would lift to your attention my first seatmate, the beloved Kip Tokuda, after whom we have named the Civil Liberties Public Education Fund because he was one of the first Members of this body to recognize civil liberties and Day of Remembrance here.

Mr. Speaker, that is why I stand today: to remember these nine people, eight of whom are no longer with us, because we cannot forget the stories that bring us as Washingtonians to our state Capitol in the name of liberty and justice for all; to remember, and to resist actions that belie our Constitution and those freedoms that we believe in, actions that I encounter daily when I am on the streets and being told to go back to where I come from. I come from this country, Mr. Speaker, just like a long list of Japanese Americans who believed in this country and believe that even though we are not perfect today, we can strive towards a more perfect union, and we can acknowledge our wrongs.

Mr. Speaker, my presence here today is an act of resistance on the part of an entire community, and so I ask you to remember on this Day of Remembrance that it's not enough to just set aside the time. It is also important that we act with these values in our heart and at the forefront of our minds.

Thank you, Mr. Speaker."

Representative Robertson: "Thank you, Mr. Speaker. Rising in support of House Resolution 4672. This is indeed an important day of reflection. For we must learn from our history, Mr. Speaker. So that we not repeat it. Let us start with July 4th, 1776. The land of immigrants. The land of freedom. Which welcomed those who were oppressed from all over the world. Looking for an opportunity and a unique country like none other. Then came some grave injustice based on fear and war. It was a test of our democracy for sure. Unfortunately, We as a country failed. Folks that were citizens, here legally, were interned and imprisoned and relocated by our president. Folks from all over the country, many, many from Washington State. 120,000 Japanese Americans were forced to relocate and imprisoned. Removed from their homes, their schools, their jobs, their communities, and yes, half of them were children. 12,000 of those were here, Washingtonians. Sadly, this is the historical part, our Congress, Mr. Speaker, abdicated their important responsibility and left it to a singular person to make that decision. The President of the United States. The President signed that order to relocate and intern citizens based solely on ethnicity. And unfortunately, our US Supreme Court, Mr. Speaker, failed us when on a divided decision, 6-3, they affirmed *Korematsu* versus US based on race and ancestry. They failed to recognize that *Korematsu* was a proud legal American. Locally, Shiyoji Kawabata was 12 years old and stripped from his Fife home along with his parents and they were all sent to Idaho. There were so many families in the Auburn community which I represent that were also moved to Idaho or to Puyallup or other places around the country based solely on their race and ethnicity. Communities like Thomas, which is down in northwest of Auburn, was full of our Japanese-American families. That community was devastated and it's never really recovered. Even after the economic loss, the physical harm, the psychological damage caused to the Japanese Americans, these families returned home to Auburn, Fife and Sumner. They were our neighbors. They're patriots. They came home. And from then on, they have been part of the fabric of our community. The good news is our country has learned and apologized for these misguided acts and our collective political failure. Grave injustices, atrocity, let us Mr. Speaker, let us apologize again. We remember today so that we not make the mistakes of the past. That we never abdicate our responsibility as a legislative body. That we are the check on the executive branch in an important, independent presence in our system of three branches of government. Yes, Mr. Speaker, that was the balance that our forefathers had envisioned. Only then, will we ensure that this never happens again. I urge your support of this resolution."

Representative Stonier: "Thank you, Mr. Speaker. I've had the opportunity to stand in honor of a house resolution, remembering Executive Order 9066 every year that I've been a

member of this body. To tell different chapters of my family story. The stories of my uncles who fought in the 442nd. Who brought home a flag that flew over their base camp. And to fly that flag over this state's Capitol with permission of the governor. Stories of my great grandfather's garden on Poplar Street in Oxnard, California, where Takasugi fruit and flower bloomed. And even now, remembering New Year's Day Japanese treats that we have every year at my house and watching my children, now both in college, snacking on those treats as I did when I was a toddler. But so many years passed after the internment, over 40 years until 1988, when the Civil Liberties Act finally acknowledged the injustice brought forth by our nation's leaders.

Mr. Speaker, in an earlier remark on the previous resolution, you heard of this question of celebration of presidents of years past. How do we explain that on days when we are expected to celebrate and revere leaders who have done us wrong to our young people? Well, truth matters. It means that our young people have to have the real honest truth about what did happen. Feature films have been made about the lies told leading up to the internment, false information, and political influence. Unfounded claims of espionage that led to many, including my family, to be interned.

Mr. Speaker, this past summer I had the opportunity to chaperone over 40 young people to Washington DC to learn about their nation's history and to be ambassadors of her future. We visited the national Japanese American Memorial. The teacher leading that trip asked students, 'why is it that you think this memorial is so far off the mall where all of the other visiting spots are for our trip?' And it was those young people that were able to say, maybe we're just not proud of this one at this point in history, as we are of some of the other memorials on the mall.'

Mr. Speaker, as an English teacher, I can remember the titles that my students wanted to read. The ones that were picked up the most when we were studying this time in history, titles like *Farewell to Manzanar*. Books like *Baseball Saved Us In Stealing Home*, strong connection to ways that young people survive the internment, *A Place To Call Home, So Far From the Sea* and George Takei's book, *They Called Us Enemy*. These are books that bring these stories to life. That teach our children the empathy. An opportunity to put themselves in a position where they might understand and take for a moment an opportunity to think about what it would be like to be in someone else's shoes. And to recognize that these things happen as a function of decisions made by our nation's leaders.

Mr. Speaker, doesn't it stand as true to you as it does to me that the way forward is by remembering and teaching out of our dark history and into a brighter one?

Mr. Speaker, doesn't it stand as true to you as it does to me that a day like today when we remember can be just as healing as it can bring hurt?

And doesn't it stand just as true to you, Mr. Speaker, as it does to me, that our injustices in this nation, are interwoven and so is the process of healing.

Thank you."

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 29A.60.165 and 2019 c 167 s 1 are each amended to read as follows:

(1) If the voter neglects to sign the ballot declaration, the auditor shall notify the voter by first-class mail and, if the auditor has a telephone number or email address on file for a voter, by telephone, text message, or email, and advise the voter both that their ballot is unsigned and of the correct procedures for completing the unsigned declaration. If the ballot is received within ~~((three))~~ five business days of the final meeting of the canvassing board, or the voter has been notified by first-class mail and has not responded at least ~~((three))~~ five business days before the final meeting of the canvassing board, then the auditor shall attempt to notify the voter by telephone, using the voter registration record information.

(2)(a) If the handwriting of the signature on a ballot declaration is not the same as the handwriting of the signature on the registration file, the auditor shall notify the voter by first-class mail, and, if the auditor has a telephone number or email address on file for a voter, by telephone, text message, or email, enclosing a copy of the declaration if notified by first-class mail or email, and advise the voter both that the signature on the ballot declaration does not match the signature on file and of the correct procedures for updating his or her signature on the voter registration file. If the ballot is received within ~~((three))~~ five business days of the final meeting of the canvassing board, or the voter has been notified by first-class mail and has not responded at least ~~((three))~~ five business days before the final meeting of the canvassing board, then the auditor shall attempt to notify the voter by telephone, text message, or email, using the voter registration record information.

(b) If the signature on a ballot declaration is not the same as the signature on the registration file because the voter's name ~~((is different))~~ has changed, the ballot may be counted as long as the handwriting is clearly the same. The auditor shall send the voter a change-of-name form under RCW 29A.08.440 and direct the voter to complete the form.

(c) If the signature on a ballot declaration is not the same as the signature on the registration file because the voter used initials or a common nickname, the

ballot may be counted as long as the surname and handwriting are clearly the same.

(3) If the auditor calls a voter who neglected to sign the ballot declaration or whose signature on the ballot declaration does not match the signature in the registration file and the voter does not answer, but voice mail is available, the auditor shall leave a voice mail message.

(4) An auditor who provides electronic means for submission of a ballot declaration signature shall establish appropriate privacy and security protocols that ensure that the information transmitted is received directly and securely by the auditor and is only used for the stated purposes of verifying the signature on the voter's ballot.

(5) If a voter's ballot is rejected in two consecutive primary or general elections due to a mismatched signature, the auditor must contact the voter by telephone, text message, or email, if the auditor has a telephone number or email address on file for the voter, and request that the voter update their signature for the voter's registration file.

(6) A voter may not cure a missing or mismatched signature for purposes of counting the ballot in a recount.

~~((4))~~ (7) A record must be kept of all ballots with missing and mismatched signatures. The record must contain the date on which the voter was contacted or the notice was mailed, as well as the date on which the voter submitted updated information. The record must be updated each day that ballots are processed under RCW 29A.60.160, each time a voter was contacted or the notice was mailed, and when the voter submitted updated information. The auditor shall send the record, and any updated records, to the secretary of state no later than forty-eight hours after the record is created or updated. The secretary of state shall make all records publicly available no later than twenty-four hours after receiving the record.

NEW SECTION. Sec. 2. A new section is added to chapter 29A.08 RCW to read as follows:

After certification of general, primary, and presidential primary election results, county auditors are encouraged to contact each registered voter to obtain an updated signature for the voter's registration file. Failure to respond to contact from the county auditor under this section shall not impact the voter's registration status. Any contact from a county auditor under this section must clearly state that the voter is not required to provide an updated signature and that providing an updated signature is not a requirement to vote in any future election.

NEW SECTION. Sec. 3. A new section is added to chapter 29A.60 RCW to read as follows:

(1) The secretary of state shall:

(a) Adopt and regularly review statewide standards for determining whether the voter's signature on the ballot declaration is the same as the signature of that voter

in the county's registration files as required by RCW 29A.40.110(3);

(b) Adopt, publish, and regularly update a training manual, reviewed by appropriate experts, for the use of local election personnel in implementing the standards adopted under (a) of this subsection; and

(c) Design and implement tools intended to confirm compliance with these standards. These tools shall be available to county auditors for compliance, and may include comparisons, at random intervals, of whether rejections of signatures on ballot declarations for failure to match the voter's signature in the county's registration files comply with the standards adopted under (a) of this subsection.

(2) All training materials for canvassing review board members and election personnel on the statewide standards for signature verification established in this section must be open to the public for observation.

**NEW SECTION. Sec. 4.** A new section is added to chapter 29A.60 RCW to read as follows:

The secretary of state shall design forms for voters to use in completing incomplete ballot declarations and forms to be used by voters in updating a voter's signature in the county's registration files in the various languages required of state agencies. The forms must include the oath and warning language used on voter registration forms. Each county auditor shall provide these forms on the auditor's website and in the auditor's office.

**NEW SECTION. Sec. 5.** A new section is added to chapter 29A.60 RCW to read as follows:

(1) Each county auditor shall develop a community outreach plan to educate voters about signature verification requirements and the importance of ballot signatures matching signatures in voter registration files. The outreach plan shall include materials for publication on the county auditor's website and distribution in communities throughout the county that clearly explain signature verification requirements and the process of updating signatures in voter registration files or curing challenged ballots under RCW 29A.60.165. Materials prepared under the outreach plan should be written clearly and in plain language. Materials must be produced in English, Spanish, and any other language required by the federal voting rights act. Materials prepared as part of the outreach plan should be informed by the data collected in the survey required by RCW 29A.60.300 and should target groups with higher rates of ballot rejection. The secretary of state may assist in preparation of materials for a county's outreach plan, including coordinating between multiple counties and providing information about statewide requirements.

(2) County auditors are encouraged to establish partnerships with trusted community organizations as part of the community outreach plan to maximize resources.

**Sec. 6.** RCW 29A.40.091 and 2021 c 10 s 3 are each amended to read as follows:

(1) The county auditor shall send each voter a ballot, a security envelope in which to conceal the ballot after voting, a larger envelope in which to return the security envelope, a declaration that the voter must sign, and instructions on how to obtain information about the election, how to mark the ballot, and how to return the ballot to the county auditor. The calendar date of the election must be prominently displayed in bold type, twenty-point font or larger, on the envelope sent to the voter containing the ballot and other materials listed in this subsection(+

~~(a) For all general elections in 2020 and after;~~

~~(b) For all primary elections in 2021 and after; and~~

~~(c) For all elections in 2022 and after).~~

(2) (a) The voter must swear under penalty of perjury that he or she meets the qualifications to vote, and has not voted in any other jurisdiction at this election. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if he or she is serving a sentence of total confinement under the jurisdiction of the department of corrections for a felony conviction or is currently incarcerated for a federal or out-of-state felony conviction; and it is illegal to cast a ballot or sign a ballot declaration on behalf of another voter. The ballot materials must provide space for the voter to sign the declaration, indicate the date on which the ballot was voted, and include a telephone number.

(b) By June 1, 2025, the declaration in (a) of this subsection must also clearly inform the voter that the signature on the declaration will be compared to the signature in the voter's registration file.

(3) For overseas and service voters, the signed declaration constitutes the equivalent of a voter registration. Return envelopes for overseas and service voters must enable the ballot to be returned postage free if mailed through the United States postal service, United States armed forces postal service, or the postal service of a United States foreign embassy under 39 U.S.C. 3406.

(4) The voter must be instructed to either return the ballot to the county auditor no later than 8:00 p.m. the day of the election or primary, or mail the ballot to the county auditor with a postmark no later than the day of the election or primary. Return envelopes for all election ballots must include prepaid postage. Service and overseas voters must be provided with instructions and a privacy sheet for returning the ballot and signed declaration by fax or email. A voted ballot and signed declaration returned by fax or email must be received by 8:00 p.m. on the day of the election or primary.

(5) The county auditor's name may not appear on the security envelope, the return envelope, or on any voting instructions or materials included with the ballot if he or

she is a candidate for office during the same year.

(6) For purposes of this section, "prepaid postage" means any method of return postage paid by the county or state.

**Sec. 7.** RCW 29A.40.091 and 2021 c 10 s 3 are each amended to read as follows:

(1) The county auditor shall send each voter a ballot, a security envelope in which to conceal the ballot after voting, a larger envelope in which to return the security envelope, a declaration that the voter must sign, and instructions on how to obtain information about the election, how to mark the ballot, and how to return the ballot to the county auditor. The calendar date of the election must be prominently displayed in bold type, twenty-point font or larger, on the envelope sent to the voter containing the ballot and other materials listed in this subsection((-

~~(b) For all primary elections in 2021 and after; and~~

~~(c) For all elections in 2022 and after)).~~

(2) The voter must swear under penalty of perjury that he or she meets the qualifications to vote, and has not voted in any other jurisdiction at this election. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if he or she is serving a sentence of total confinement under the jurisdiction of the department of corrections for a felony conviction or is currently incarcerated for a federal or out-of-state felony conviction; ~~((and))~~ it is illegal to cast a ballot or sign a ballot declaration on behalf of another voter; and that the signature on the declaration will be compared to the signature in the voter's registration file. The ballot materials must provide space for the voter to sign the declaration, indicate the date on which the ballot was voted, and include a telephone number.

(3) For overseas and service voters, the signed declaration constitutes the equivalent of a voter registration. Return envelopes for overseas and service voters must enable the ballot to be returned postage free if mailed through the United States postal service, United States armed forces postal service, or the postal service of a United States foreign embassy under 39 U.S.C. 3406.

(4) The voter must be instructed to either return the ballot to the county auditor no later than 8:00 p.m. the day of the election or primary, or mail the ballot to the county auditor with a postmark no later than the day of the election or primary. Return envelopes for all election ballots must include prepaid postage. Service and overseas voters must be provided with instructions and a privacy sheet for returning the ballot and signed declaration by fax or email. A voted ballot and signed declaration returned by fax or email must be received by 8:00 p.m. on the day of the election or primary.

(5) The county auditor's name may not appear on the security envelope, the return envelope, or on any voting instructions or materials included with the ballot if he or she is a candidate for office during the same year.

(6) For purposes of this section, "prepaid postage" means any method of return postage paid by the county or state.

**Sec. 8.** RCW 29A.40.110 and 2011 c 349 s 18, 2011 c 348 s 4, and 2011 c 10 s 41 are each reenacted and amended to read as follows:

(1) The opening and subsequent processing of return envelopes for any primary or election may begin upon receipt. The tabulation of absentee ballots must not commence until after 8:00 p.m. on the day of the primary or election.

(2) All received return envelopes must be placed in secure locations from the time of delivery to the county auditor until their subsequent opening. After opening the return envelopes, the county canvassing board shall place all of the ballots in secure storage until processing. Ballots may be taken from the inner envelopes and all the normal procedural steps may be performed to prepare these ballots for tabulation.

(3) The canvassing board, or its designated representatives, shall examine the postmark on the return envelope and signature on the declaration before processing the ballot. The ballot must either be received no later than 8:00 p.m. on the day of the primary or election, or must be postmarked no later than the day of the primary or election. All personnel assigned to verify signatures must receive training on statewide standards for signature verification. The county auditor shall publish on its website the names of all canvassing board members who received training on statewide standards for signature verification and the dates on which the training was completed. Personnel shall verify that the voter's signature on the ballot declaration is the same as the signature of that voter in the registration files of the county. Verification may be conducted by an automated verification system approved by the secretary of state. A variation between the signature of the voter on the ballot declaration and the signature of that voter in the registration files due to the substitution of initials or the use of common nicknames is permitted so long as the surname and handwriting are clearly the same.

(4) If the postmark is missing or illegible, the date on the ballot declaration to which the voter has attested determines the validity, as to the time of voting, for that ballot. For overseas voters and service voters, the date on the declaration to which the voter has attested determines the validity, as to the time of voting, for that ballot. Any overseas voter or service voter may return the signed declaration and voted ballot by fax or email by 8:00 p.m. on the day of the primary or election, and the county auditor must use established procedures to maintain the secrecy of the ballot.

**Sec. 9.** RCW 29A.60.140 and 2008 c 308 s 1 are each amended to read as follows:

(1) Members of the county canvassing board are the county auditor, who is the chair, the county prosecuting attorney, and the chair of the county legislative body. If a member of the board is not available to carry out the duties of the board, then the auditor may designate a deputy auditor, the prosecutor may designate a deputy prosecuting attorney, and the chair of the county legislative body may designate another member of the county legislative body or, in a county with a population over one million, an employee of the legislative body who reports directly to the chair. An "employee of the legislative body" means an individual who serves in any of the following positions: Chief of staff; legal counsel; clerk of the council; policy staff director; and any successor positions to these positions should these original positions be changed. Any such designation may be made on an election-by-election basis or may be on a permanent basis until revoked by the designating authority. Any such designation must be in writing, and if for a specific election, must be filed with the county auditor not later than the day before the first day duties are to be undertaken by the canvassing board. If the designation is permanent until revoked by the designating authority, then the designation must be on file in the county auditor's office no later than the day before the first day the designee is to undertake the duties of the canvassing board. Members of the county canvassing board designated by the county auditor, county prosecuting attorney, or chair of the county legislative body shall complete training as provided in RCW 29A.04.540 and shall take an oath of office similar to that taken by county auditors and deputy auditors in the performance of their duties.

(2) The county canvassing board may adopt rules that delegate in writing to the county auditor or the county auditor's staff the performance of any task assigned by law to the canvassing board.

(3) The county canvassing board may not delegate the responsibility of certifying the returns of a primary or election, of determining the validity of challenged ballots, or of determining the validity of provisional ballots referred to the board by the county auditor.

(4) The county canvassing board shall adopt administrative rules to facilitate and govern the canvassing process in that jurisdiction.

(5) Meetings of the county canvassing board are public meetings under chapter 42.30 RCW. Meetings must be conducted at times and locations that are accessible to the public to ensure that the public is informed and able to attend or observe. The time and location of county canvassing board meetings must be published in accordance with chapter 42.30 RCW. All rules adopted by the county canvassing board must be adopted in a public meeting under chapter 42.30 RCW, and once adopted must be available to the public to review and copy under chapter 42.56 RCW.

(13) The oath required by RCW 29A.08.230 and a space for the applicant's signatures. The secretary of state is encouraged to provide applications for voter registration with multiple signature blocks to assist in comparing signatures on ballot declarations; and

(14) Any other information that the secretary of state determines is necessary to establish the identity of the applicant and prevent duplicate or fraudulent voter registrations.

This information shall be recorded on a single registration form to be prescribed by the secretary of state.

**Sec. 11.** RCW 29A.08.210 and 2023 c 466 s 6 are each amended to read as follows:

Prime Sponsor, Environment, Energy & Technology: Addressing 6PPD in motorized vehicle tires through safer products for Washington. Reported by Committee on Environment & Energy

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that 6PPD is a chemical commonly used in motor vehicle tires to keep them flexible and prevent them from degrading quickly. 6PPD works by moving to the surface of the tire and forming a film that protects the tire. As the film breaks down, it produces 6PPD-quinone. When it rains, tire particles containing 6PPD-quinone are washed into streams, rivers, and other water bodies through stormwater runoff.

(2) The legislature also finds that 6PPD-quinone is directly linked to urban runoff mortality syndrome, a condition where Coho salmon die prior to spawning. 6PPD-quinone is known to be toxic to aquatic species and is the primary causal toxicant for Coho salmon. In June 2023, the department of ecology identified 6PPD as a draft priority chemical under safer products for Washington, cycle 2. Additionally, 6PPD has been identified as a hazardous substance under the model toxics control act and as a chemical of concern for sensitive populations and sensitive species.

(3) The legislature finds it important to reduce sources and uses of 6PPD in Washington to protect aquatic life, particularly salmon. Since 6PPD is ubiquitous in motorized vehicle tires, the legislature intends to identify 6PPD as a priority chemical and certain motorized vehicle tires containing 6PPD as priority consumer products under safer products for Washington.

**Sec. 2.** RCW 70A.350.010 and 2020 c 20 s 1451 are each amended to read as follows:

The deadline of June 1, 2022, does not apply to the priority consumer products identified in RCW 70A.350.090.

(c) By June 1, 2023, the department must adopt rules to implement regulatory actions determined under (b) of this subsection.

(2)(a) By June 1, 2024, and every five years thereafter, the department shall select at least five priority chemicals specified in RCW 70A.350.010~~((12))~~ (14) (a) through ~~((9))~~ (h) that are identified consistent with RCW 70A.350.020.

(d) Nothing in this subsection (3) limits the authority of the department to:

(i) Begin to identify priority consumer products for a priority chemical prior to the effective date of the designation of a priority chemical;

(ii) Begin to consider possible regulatory actions prior to the effective date of the designation of a priority consumer product; or

(iii) Initiate a rule-making process prior to the effective date of a determination of a regulatory action.

(4)(a) When identifying priority chemicals and priority consumer products under this chapter, the department must notify the public of the selection, including the identification of the peer-reviewed science and other sources of information that the department relied upon, the basis for the selection, and a draft schedule for making determinations. In determining regulatory actions under this section, the department must specifically consider the effect of the regulatory actions on driver and passenger safety."

SSB 6047 Prime Sponsor, State Government & Elections: Concerning executive sessions under the open public meetings act in order to comply with the climate commitment act. Reported by Committee on State Government & Tribal Relations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The climate commitment act requires some publicly owned natural gas and electric utilities and other government agencies to obtain greenhouse gas allowances to cover a portion of emissions. Because the allowance auctions must be carefully regulated to guard against market interference, market participants are strictly prohibited from disclosing any information about how they plan to participate in a specific auction. Investor-owned utilities, which are governed by a private board of directors, are able to keep this information confidential. In contrast, many public agencies are overseen by governing boards that are subject to the open public meetings act, which requires that deliberations be conducted in public. This act allows the governing body of a public agency to meet in executive session to consider the information necessary to comply with the climate commitment act's protection of all information necessary to participate in the greenhouse gas allowance market.

**Sec. 2.** RCW 42.30.110 and 2022 c 153 s 13 and 2022 c 115 s 12 are each reenacted and amended to read as follows:

(1) Nothing contained in this chapter may be construed to prevent a governing body from holding an executive session during a regular or special meeting:

(a)(i) To consider matters affecting national security;

(ii) To consider, if in compliance with any required data security breach disclosure under RCW 19.255.010 and 42.56.590, and with legal counsel available, information regarding the infrastructure and security of computer and telecommunications networks, security and service recovery plans, security risk assessments and security test results to the extent that they identify specific system vulnerabilities, and other information that if made public may increase the risk to the confidentiality, integrity, or availability of agency security or to information technology infrastructure or assets;

(b) To consider the selection of a site or the acquisition of real estate by lease or purchase when public knowledge regarding such consideration would cause a likelihood of increased price;

(c) To consider the minimum price at which real estate will be offered for sale or lease when public knowledge regarding such consideration would cause a likelihood of decreased price. However, final action selling or leasing public property shall be taken in a meeting open to the public;

(d) To review negotiations on the performance of publicly bid contracts when public knowledge regarding such consideration would cause a likelihood of increased costs;

(e) To consider, in the case of an export trading company, financial and commercial information supplied by private persons to the export trading company;

(f) To receive and evaluate complaints or charges brought against a public officer or employee. However, upon the request of such officer or employee, a public hearing or a

meeting open to the public shall be conducted upon such complaint or charge;

(g) To evaluate the qualifications of an applicant for public employment or to review the performance of a public employee. However, subject to RCW 42.30.140(4), discussion by a governing body of salaries, wages, and other conditions of employment to be generally applied within the agency shall occur in a meeting open to the public, and when a governing body elects to take final action hiring, setting the salary of an individual employee or class of employees, or discharging or disciplining an employee, that action shall be taken in a meeting open to the public;

(h) To evaluate the qualifications of a candidate for appointment to elective office. However, any interview of such candidate and final action appointing a candidate to elective office shall be in a meeting open to the public;

(i) To discuss with legal counsel representing the agency matters relating to agency enforcement actions, or to discuss with legal counsel representing the agency litigation or potential litigation to which the agency, the governing body, or a member acting in an official capacity is, or is likely to become, a party, when public knowledge regarding the discussion is likely to result in an adverse legal or financial consequence to the agency.

This subsection (1)(i) does not permit a governing body to hold an executive session solely because an attorney representing the agency is present. For purposes of this subsection (1)(i), "potential litigation" means matters protected by RPC 1.6 or RCW 5.60.060(2)(a) concerning:

(i) Litigation that has been specifically threatened to which the agency, the governing body, or a member acting in an official capacity is, or is likely to become, a party;

(ii) Litigation that the agency reasonably believes may be commenced by or against the agency, the governing body, or a member acting in an official capacity; or

(iii) Litigation or legal risks of a proposed action or current practice that the agency has identified when public discussion of the litigation or legal risks is likely to result in an adverse legal or financial consequence to the agency;

(j) To consider, in the case of the state library commission or its advisory bodies, western library network prices, products, equipment, and services, when such discussion would be likely to adversely affect the network's ability to conduct business in a competitive economic climate. However, final action on these matters shall be taken in a meeting open to the public;

(k) To consider, in the case of the state investment board, financial and commercial information when the information relates to the investment of public trust or retirement funds and when public knowledge regarding the discussion would result in loss to such funds or in private loss to the providers of this information;

(l) To consider proprietary or confidential nonpublished information related to the development, acquisition, or

implementation of state purchased health care services as provided in RCW 41.05.026;

(m) To consider in the case of the life sciences discovery fund authority, the substance of grant applications and grant awards when public knowledge regarding the discussion would reasonably be expected to result in private loss to the providers of this information;

(n) To consider in the case of a health sciences and services authority, the substance of grant applications and grant awards when public knowledge regarding the discussion would reasonably be expected to result in private loss to the providers of this information;

(o) To consider information regarding staff privileges or quality improvement committees under RCW 70.41.205;

(p) To consider proprietary or confidential data collected or analyzed pursuant to chapter 70.405 RCW;

(q) To consider greenhouse gas allowance auction bidding information that is prohibited from release or disclosure under RCW 70A.65.100(8).

(2) Before convening in executive session, the presiding officer of a governing body shall publicly announce the purpose for excluding the public from the meeting place, and the time when the executive session will be concluded. The executive session may be extended to a stated later time by announcement of the presiding officer. The announced purpose of excluding the public must be entered into the minutes of the meeting required by RCW 42.30.035."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 10.77.110 and 2000 c 94 s 14 are each amended to read as follows:

(1) If a defendant is acquitted of a crime by reason of insanity, and it is found that he or she is not a substantial danger to other persons, and does not present a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall direct the defendant's release. If it is found that such defendant is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall order his or her hospitalization, or any appropriate alternative treatment less restrictive than detention in a state mental hospital, pursuant to the terms of this chapter.

(2) If the defendant has been found not guilty by reason of insanity and a substantial danger, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, so as to require treatment then the secretary shall immediately cause the defendant to be evaluated to ascertain if the defendant ~~((is developmentally disabled))~~ has a developmental disability. When appropriate, and subject to available funds, the defendant may be committed to a program specifically reserved for the treatment and training of ~~((developmentally disabled))~~ persons with developmental disabilities. A person so committed shall receive habilitation services according to an individualized service plan specifically developed to treat the behavior which was the subject of the criminal proceedings. The treatment program shall be administered by developmental disabilities professionals and others trained specifically in the needs of ~~((developmentally disabled))~~ persons with developmental disabilities. The treatment program shall provide physical security to a degree consistent with the finding that the defendant is dangerous and may incorporate varying conditions of security and alternative sites when the dangerousness of any particular defendant makes this necessary. The department may limit

admissions to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department.

(3) If it is found that such defendant is not a substantial danger to other persons, and does not present a substantial likelihood of committing criminal acts jeopardizing public safety or security, but that he or she is in need of control by the court or other persons or institutions, the court shall direct the defendant's conditional release to a less restrictive alternative under conditions that satisfy the minimum requirements of RCW 10.77.150 and 10.77.175.

**Sec. 3.** RCW 10.77.150 and 2023 c 120 s 8 are each amended to read as follows:

(1) Persons examined pursuant to RCW 10.77.140 may make application to the secretary for conditional release. The secretary shall, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, forward to the court of the county which ordered the person's commitment the person's application for conditional release as well as the secretary's recommendations concerning the application ~~((and)).~~ The secretary's recommendation must include any proposed terms and conditions upon which the secretary reasonably believes the person can be conditionally released. ((Conditional release may also contemplate partial release for work, training, or educational purposes.)) Recommendations for terms and conditions for conditional release to a less restrictive alternative must ensure that the conditional release will satisfy the minimum requirements of this section and RCW 10.77.175. The department of corrections may provide information to the secretary as to the proposed terms and conditions for cases considered for unescorted access to the community or conditional release to a less restrictive alternative for which they have court-ordered supervision.

(2) In instances in which persons examined pursuant to RCW 10.77.140 have not made application to the secretary for conditional release, but the secretary, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, reasonably believes the person may be conditionally released, the secretary may submit a recommendation for conditional release to the court of the county that ordered the person's commitment. The secretary's recommendation must include any proposed terms and conditions upon which the secretary reasonably believes the person may be conditionally released. ((Conditional release may also include partial release for work, training, or educational purposes.)) Recommendations for terms and conditions for conditional release to a less restrictive alternative must ensure that the conditional release will satisfy the minimum requirements of this section and RCW 10.77.175. The department of corrections may provide information to the secretary as to the proposed terms and conditions for cases considered for unescorted access to the community or conditional release to a less restrictive alternative for which they have court-ordered supervision. Notice of the

secretary's recommendation under this subsection must be provided to the person for whom the secretary has made the recommendation for conditional release and to his or her attorney.

(3) (a) The court of the county which ordered the person's commitment, upon receipt of an application or recommendation for conditional release with the secretary's recommendation for ~~((conditional release))~~ terms and conditions, shall within 30 days schedule a hearing. The court may schedule a hearing on applications recommended for disapproval by the secretary.

(b) The prosecuting attorney shall represent the state at such hearings and shall have the right to have the person examined by an expert or professional person of the prosecuting attorney's choice. If the committed person is indigent ~~((r))~~ and ~~((he or she))~~ so requests, the court shall assist the person in obtaining a qualified expert or professional person to examine the person on ~~((his or her))~~ the person's behalf. An expert or professional person obtained by an indigent person who is committed to state psychiatric care following acquittal by reason of insanity shall be compensated out of funds of the office of public defense as provided in policies and procedures under chapter 2.70 RCW, in a manner consistent with the rules of professional conduct and the standards for indigent defense.

(c) The issue to be determined at such a hearing is whether or not the person may be released conditionally ~~((to less restrictive alternative treatment under the supervision of a multidisciplinary transition team under conditions imposed by the court, including access to services under RCW 10.77.175 without substantial danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security))~~ under conditions imposed by the court without substantial danger to other persons, or substantial likelihood of committing criminal acts jeopardizing public safety or security.

(d) In cases that come before the court under subsection (1) or (2) of this section, the court may deny conditional release ~~((to a less restrictive alternative))~~ only on the basis of substantial evidence. The court may modify the suggested terms and conditions on which the person is to be conditionally released. Pursuant to the determination of the court after hearing, the committed person shall thereupon be released on such conditions as the court determines to be necessary, or shall be remitted to the custody of the secretary.

(4) (a) If the order of conditional release provides for the conditional release of the person to a less restrictive alternative, ~~((including residential treatment or treatment in the community,))~~ the conditional release order ~~((must also))~~ shall include:

~~((a))~~ (i) A requirement for the committed person to be supervised by a multidisciplinary transition team, including a specially trained community corrections officer, a representative of the department of social and health services, and a representative of the community behavioral

health agency providing treatment to the person under RCW 10.77.175.

~~((i))~~ (A) The court may omit appointment of the representative of the community behavioral health agency if the conditional release order does not require participation in behavioral health treatment;

~~((ii))~~ (B) The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, ~~((or))~~ and the safety of the person and the community;

~~((b))~~ (ii) A requirement for the person to comply with conditions of supervision established by the court which shall include at a minimum reporting as directed to a designated member of the transition team, remaining within prescribed geographical boundaries, and notifying the transition team prior to making any change in the person's address or employment. If the person is not in compliance with the court-ordered conditions of release, the community corrections officer or another designated transition team member shall notify the secretary or the secretary's designee; and

~~((c))~~ (iii) If the court requires participation in behavioral health treatment, the name of the licensed or certified behavioral health agency responsible for identifying the services the person will receive under RCW 10.77.175, and a requirement that the person cooperate with the services planned by the licensed or certified behavioral health agency. The licensed or certified behavioral health agency must comply with the reporting requirements of RCW 10.77.160, and must immediately report to the court, prosecutor, and defense counsel any substantial withdrawal or disengagement from medication or treatment, or any change in the person's mental health condition that renders him or her a potential risk to the public.

~~((5))~~ (b) The court may not order conditional release to a proposed less restrictive alternative unless conditions ensure the conditional release will satisfy the minimum requirements set forth in this section and RCW 10.77.175.

(5) The role of the transition team appointed under subsection (4) of this section shall be to facilitate the success of the person on the conditional release order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances that may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan that may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(6) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a conditional release order.

Another community corrections officer may be appointed if no specially trained officer is available.

(7) Any person, whose application for conditional release has been denied, may reapply after a period of six months from the date of denial, or sooner with the support of the department.

(8) A person examined under RCW 10.77.140 or the department may make a motion for ~~((limited))~~ partial conditional release under this section, on the grounds that there is insufficient evidence that the person may be released conditionally to less restrictive alternative treatment under subsection (3) (c) of this section, but the person would benefit from the opportunity to exercise increased privileges while remaining under the custody and supervision of the department and with the supervision of the department these increased privileges can be exercised without substantial danger to other persons or substantial likelihood of committing criminal acts jeopardizing public safety or security. The department may respond to a person's application for conditional release by instead supporting ~~((limited))~~ partial conditional release.

**Sec. 4.** RCW 10.77.175 and 2022 c 210 s 22 are each amended to read as follows:

(1) Conditional release planning should start at admission and proceed in coordination between the department and the person's managed care organization, or behavioral health administrative services organization if the person is not eligible for medical assistance under chapter 74.09 RCW. If needed, the department shall assist the person to enroll in medical assistance in suspense status under RCW 74.09.670. The state hospital liaison for the managed care organization or behavioral health administrative services organization shall facilitate conditional release planning in collaboration with the department.

(2) Less restrictive alternative treatment pursuant to a conditional release order, at a minimum, ~~((includes))~~ addresses the following services:

- (a) Assignment of a care coordinator;
- (b) An intake evaluation with the provider of the conditional treatment;
- (c) A psychiatric evaluation or a substance use disorder evaluation, or both;
- (d) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;
- (e) A transition plan addressing access to continued services at the expiration of the order;
- (f) An individual crisis plan;
- (g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW;
- (h) Appointment of a transition team under RCW 10.77.150; and
- (i) Notification to the care coordinator assigned in (a) of this subsection and to the transition team as provided in RCW 10.77.150 if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(3) Less restrictive alternative treatment pursuant to a conditional release order may additionally include requirements to participate in the following services:

- (a) Medication management;
- (b) Psychotherapy;
- (c) Nursing;
- (d) Substance use disorder counseling;
- (e) Residential treatment;
- (f) Partial hospitalization;
- (g) Intensive outpatient treatment;
- (h) Support for housing, benefits, education, and employment; and
- (i) Periodic court review.

(4) Nothing in this section prohibits items in subsection (2) of this section from beginning before the conditional release of the individual.

(5) If the person was provided with involuntary medication under RCW 10.77.094 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment pursuant to the conditional release order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(6) Less restrictive alternative treatment pursuant to a conditional release order must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(7) The care coordinator assigned to a person ordered to less restrictive alternative treatment pursuant to a conditional release order must, in collaboration with and on behalf of the transition team, submit an individualized plan for the person's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(8) A care coordinator may disclose information and records related to mental health treatment under RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment pursuant to a conditional release order.

(9) For the purpose of this section, "care coordinator" means a representative from the department of social and health services who coordinates the activities of less restrictive alternative treatment pursuant to a conditional release order. The care coordinator coordinates activities with the person's transition team that are necessary for enforcement and continuation of the conditional release order and is

responsible for coordinating service activities with other agencies ((and establishing and maintaining)). The transition teams establish and maintain a therapeutic relationship with the individual on a continuing basis.

**Sec. 5.** RCW 10.77.160 and 2010 c 263 s 6 are each amended to read as follows:

When a person conditionally released ((person)) to a less restrictive alternative is required by the terms of his or her conditional release to report to a physician, department of corrections community corrections officer, or medical or mental health practitioner on a regular or periodic basis, the physician, department of corrections community corrections officer, medical or mental health practitioner, or other such person shall monthly, for the first six months after release and semiannually thereafter, or as otherwise directed by the court, submit to the court, the secretary, the institution from which released, and to the prosecuting attorney of the county in which the person was committed, a report stating whether the person is adhering to the terms and conditions of his or her conditional release, and detailing any arrests or criminal charges filed and any significant change in the person's mental health condition or other circumstances. Such reports may be combined for members of a transition team under RCW 10.77.150 and submitted by a designated member unless otherwise directed by the court."

"NEW SECTION. **Sec. 1.** (1) The legislature finds that since 2018 there has been a significant increase in the number of child fatalities and near fatalities involving fentanyl.

(2) The legislature finds that fentanyl and other highly potent synthetic opioids pose a unique and growing threat to the safety of children in Washington state. Fentanyl is a high-potency synthetic opioid and, according to the centers for disease control and prevention, is 50 times more potent than heroin and 100 times more potent than morphine. Even in very small quantities high-potency synthetic opioids may be lethal to a child.

(3) The legislature intends to provide clarity to judges, social workers, advocates, and families about the safety threat that high-potency synthetic opioids pose to vulnerable children. The legislature declares that the lethality of high-potency synthetic opioids and public health guidance from the department of health related to high-potency synthetic opioids should be given great weight in determining whether a child is at risk of imminent physical harm due to child abuse or neglect.

(4) The legislature recognizes the challenges for recovery and rehabilitation regarding opioid use and resolves to increase services and supports. The legislature further resolves to increase training and resources for state and judicial employees to accomplish their mission and goals in a safe and effective manner.

(5) The legislature recognizes that supporting families in crisis with interventions and services, including

preventative services, voluntary services, and family assessment response, minimizes child trauma from further child welfare involvement and strengthens families.

**PART I  
HIGH-POTENCY SYNTHETIC OPIOIDS AND CHILD WELFARE**

**Sec. 101.** RCW 13.34.030 and 2021 c 304 s 1 and 2021 c 67 s 2 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" mean:

(a) Any individual under the age of eighteen years; or

(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. A youth who remains dependent and who receives extended foster care services under RCW 74.13.031 shall not be considered a "child" under any other statute or for any other purpose.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.

(4) "Department" means the department of children, youth, and families.

(5) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to this chapter for the limited purpose of assisting the court in the supervision of the dependency.

(6) "Dependent child" means any child who:

(a) Has been abandoned;  
(b) Is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child;

(c) Has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or

(d) Is receiving extended foster care services, as authorized by RCW 74.13.031.

(7) "Developmental disability" means a disability attributable to intellectual disability, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary of the department of social and health services to be closely related to an intellectual disability or to require treatment similar to that required for individuals with intellectual disabilities, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial limitation to the individual.

(8) "Educational liaison" means a person who has been appointed by the court to fulfill responsibilities outlined in RCW 13.34.046.

(9) "Experiencing homelessness" means lacking a fixed, regular, and adequate nighttime residence, including circumstances such as sharing the housing of other persons due to loss of housing, economic hardship, fleeing domestic violence, or a similar reason as described in the federal McKinney-Vento homeless assistance act (Title 42 U.S.C., chapter 119, subchapter I) as it existed on January 1, 2021.

(10) "Extended foster care services" means residential and other support services the department is authorized to provide under RCW 74.13.031. These services may include placement in licensed, relative, or otherwise approved care, or supervised independent living settings; assistance in meeting basic needs; independent living services; medical assistance; and counseling or treatment.

(11) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding, including a guardian appointed pursuant to chapter 13.36 RCW; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(12) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(13) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(14) "Guardianship" means a guardianship pursuant to chapter 13.36 RCW or a limited guardianship of a minor pursuant to RCW 11.130.215 or equivalent laws of another

state or a federally recognized Indian tribe.

(15) "High-potency synthetic opioid" means an unprescribed synthetic opioid classified as a schedule II controlled substance or controlled substance analog in chapter 69.50 RCW or by the pharmacy quality assurance commission in rule including, but not limited to, fentanyl.

(16) "Housing assistance" means appropriate referrals by the department or other agencies to federal, state, local, or private agencies or organizations, assistance with forms, applications, or financial subsidies or other monetary assistance for housing. For purposes of this chapter, "housing assistance" is not a remedial service or family reunification service as described in RCW 13.34.025(2).

~~((16))~~ (17) "Indigent" means a person who, at any stage of a court proceeding, is:

(b) Involuntarily committed to a public mental health facility; or

(c) Receiving an annual income, after taxes, of one hundred twenty-five percent or less of the federally established poverty level; or

(d) Unable to pay the anticipated cost of counsel for the matter before the court because his or her available funds are insufficient to pay any amount for the retention of counsel.

~~((19))~~ (20) "Parent" means the biological or adoptive parents of a child, or an individual who has established a parent-child relationship under RCW 26.26A.100, unless the legal rights of that person have been terminated by a judicial proceeding pursuant to this chapter, chapter 26.33 RCW, or the equivalent laws of another state or a federally recognized Indian tribe.

~~((20))~~ (21) "Prevention and family services and programs" means specific mental health prevention and treatment services, substance abuse prevention and treatment services, and in-home parent skill-based programs that qualify for federal funding under the federal family first prevention services act, P.L. 115-123. For purposes of this chapter, prevention and family services and programs are not remedial services or family reunification services as described in RCW 13.34.025(2).

~~((21))~~ (22) "Prevention services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services, including housing assistance, capable of preventing the need for out-of-home placement while protecting the child. Prevention services include, but are not limited to, prevention and family services and programs as defined in this section.

~~((22))~~ (23) "Qualified residential treatment program" means a program that meets the requirements provided in RCW 13.34.420, qualifies for funding under the family first prevention services act under 42 U.S.C. Sec. 672(k), and, if located within Washington state, is licensed as a group care facility under chapter 74.15 RCW.

~~((23))~~ (24) "Relative" includes persons related to a child in the following ways:

**Sec. 102.** RCW 13.34.050 and 2021 c 211 s 6 are each amended to read as follows:

(1) The court may enter an order directing a law enforcement officer, probation counselor, or child protective services official to take a child into custody if: (a) A petition is filed with the juvenile court with sufficient corroborating evidence to establish that the child is dependent; (b) ~~((the allegations contained in the petition, if true, establish that there are reasonable grounds to believe that removal is necessary to prevent imminent physical harm to the child due to child abuse or neglect, including that which results from sexual abuse, sexual exploitation, or a pattern of severe neglect; and~~ (c)) an affidavit or declaration is filed by the department in support of the petition setting forth specific factual information evidencing insufficient time to serve a parent with a dependency petition and hold a hearing prior to removal; and (c) the allegations contained in the petition, if true, establish that there are reasonable grounds to believe that removal is necessary to prevent imminent physical harm to the child due to child abuse or neglect, including that which results from sexual abuse, sexual exploitation, a pattern of severe neglect, or a high-potency synthetic opioid. The court shall give great weight to the lethality of high-potency synthetic opioids and public health guidance from the department of health related to high-potency synthetic opioids in determining whether removal is necessary to prevent imminent physical harm to the child due to child abuse or neglect.

(2) Any petition that does not have the necessary affidavit or declaration demonstrating a risk of imminent harm requires that the parents are provided notice and an opportunity to be heard before the order may be entered.

(3) The petition and supporting documentation must be served on the parent, and if the child is in custody at the time the child is removed, on the entity with custody other than the parent. If the court orders that a child be taken into custody under subsection (1) of this section, the petition and supporting documentation must be served on the parent at the time of the child's removal unless, after diligent efforts, the parents cannot be located at the time of removal. If the parent is not served at the time of removal, the department shall make diligent efforts to personally serve the parent. Failure to effect service does not invalidate the petition if service was attempted and the parent could not be found.

**Sec. 103.** RCW 13.34.065 and 2021 c 211 s 9, 2021 c 208 s 1, and 2021 c 67 s 4 are each reenacted and amended to read as follows:

(1)(a) When a child is removed or when the petitioner is seeking the removal of a

child from the child's parent, guardian, or legal custodian, the court shall hold a shelter care hearing within 72 hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending. The court shall hold an additional shelter care hearing within 72 hours, excluding Saturdays, Sundays, and holidays if the child is removed from the care of a parent, guardian, or legal custodian at any time after an initial shelter care hearing under this section.

(b) Any child's attorney, parent, guardian, or legal custodian who for good cause is unable to attend or adequately prepare for the shelter care hearing may request that the initial shelter care hearing be continued or that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the child's attorney, parent, guardian, or legal custodian, the court shall schedule the hearing within 72 hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means. If the parent, guardian, or legal custodian is not represented by counsel, the clerk shall provide information to the parent, guardian, or legal custodian regarding how to obtain counsel.

(2)(a) If it is likely that the child will remain in shelter care longer than 72 hours, the department shall submit a recommendation to the court as to the further need for shelter care in all cases in which the child will remain in shelter care longer than the 72 hour period. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she

appears in court, in person, or by remote means, and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make diligent efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home. If the dependency petition or other information before the court alleges that experiencing homelessness or the lack of suitable housing was a significant factor contributing to the removal of the child, the court shall inquire as to whether housing assistance was provided to the family to prevent or eliminate the need for removal of the child or children;

(e) Is the placement proposed by the department the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in RCW 13.38.040, whether the provisions of the federal Indian child welfare act or chapter 13.38 RCW apply, and whether there is compliance with the federal Indian child welfare act and

chapter 13.38 RCW, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B)(I) Removal of the child is necessary to prevent imminent physical harm due to child abuse or neglect, including that which results from sexual abuse, sexual exploitation, a high-potency synthetic opioid, or a pattern of severe neglect, notwithstanding an order entered pursuant to RCW 26.44.063. The evidence must show a causal relationship between the particular conditions in the home and imminent physical harm to the child. The existence of community or family poverty, isolation, single parenthood, age of the parent, crowded or inadequate housing, substance abuse, prenatal drug or alcohol exposure, mental illness, disability or special needs of the parent or child, or nonconforming social behavior does not by itself constitute imminent physical harm. The court shall give great weight to the lethality of high-potency synthetic opioids and public health guidance from the department of health related to high-potency synthetic opioids when determining whether removal of the child is necessary to prevent imminent physical harm due to child abuse or neglect;

(II) It is contrary to the welfare of the child to be returned home; and

(III) After considering the particular circumstances of the child, any imminent physical harm to the child outweighs the harm the child will experience as a result of removal; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court finds that the elements of (a)(ii)(B) of this subsection require removal of the child, the court shall further consider:

(i) Whether participation by the parents, guardians, or legal custodians in any prevention services would prevent or

eliminate the need for removal and, if so, shall inquire of the parent whether they are willing to participate in such services. If the parent agrees to participate in the prevention services identified by the court that would prevent or eliminate the need for removal, the court shall place the child with the parent. The court shall give great weight to the lethality of high-potency synthetic opioids and public health guidance from the department of health related to high-potency synthetic opioids when deciding whether to place the child with the parent.

The court shall not order a parent to participate in prevention services over the objection of the parent, however, parents shall have the opportunity to consult with counsel prior to deciding whether to agree to proposed prevention services as a condition of having the child return to or remain in the care of the parent; and

(ii) Whether the issuance of a temporary order of protection directing the removal of a person or persons from the child's residence would prevent the need for removal of the child.

(c)(i) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless the petitioner establishes that there is reasonable cause to believe that:

(A) Placement in licensed foster care is necessary to prevent imminent physical harm to the child due to child abuse or neglect, including that which results from sexual abuse, sexual exploitation, a high-potency synthetic opioid, or a pattern of severe neglect, because no relative or other suitable person is capable of ensuring the basic safety of the child; or

(B) The efforts to reunite the parent and child will be hindered.

(ii) In making the determination in (c)(i) of this subsection, the court shall:

(A) Inquire of the petitioner and any other person present at the hearing for the child whether there are any relatives or other suitable persons who are willing to care for the child. This inquiry must include whether any relative or other suitable person:

(I) Has expressed an interest in becoming a caregiver for the child;

(II) Is able to meet any special needs of the child;

(III) Is willing to facilitate the child's sibling and parent visitation if such visitation is ordered by the court; and

(IV) Supports reunification of the parent and child once reunification can safely occur; and

(B) Give great weight to the stated preference of the parent, guardian, or legal custodian, and the child.

(iii) If a relative or other suitable person expressed an interest in caring for the child, can meet the child's special needs, can support parent-child reunification, and will facilitate court-ordered sibling or parent visitation, the following must not prevent the child's placement with such relative or other suitable person:

(A) An incomplete department or fingerprint-based background check, if such relative or other suitable person appears otherwise suitable and competent to provide care and treatment, but the background checks must be completed as soon as possible after placement;

(B) Uncertainty on the part of the relative or other suitable person regarding potential adoption of the child;

(C) Disbelief on the part of the relative or other suitable person that the parent, guardian, or legal custodian presents a danger to the child, provided the caregiver will protect the safety of the child and comply with court orders regarding contact with a parent, guardian, or legal custodian; or

(D) The conditions of the relative or other suitable person's home are not sufficient to satisfy the requirements of a licensed foster home. The court may order the department to provide financial or other support to the relative or other suitable person necessary to ensure safe conditions in the home.

(d) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the department shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1).

(e) If the court does not order placement with a relative or other suitable person, the court shall place the child in licensed foster care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(f) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the department's or agency's case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(g) If the child is placed in a qualified residential treatment program as defined in this chapter, the court shall, within 60 days of placement, hold a hearing to:

(i) Consider the assessment required under RCW 13.34.420 and submitted as part of the department's social study, and any related documentation;

(ii) Determine whether placement in foster care can meet the child's needs or if placement in another available placement setting best meets the child's needs in the least restrictive environment; and

(iii) Approve or disapprove the child's placement in the qualified residential treatment program.

(h) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (c) of this subsection.

(i) If the court places with a relative or other suitable person, and that person has indicated a desire to become a licensed foster parent, the court shall order the department to commence an assessment of the home of such relative or other suitable person within 10 days and thereafter issue an initial license as provided under RCW 74.15.120 for such relative or other suitable person, if qualified, as a foster parent. The relative or other suitable person shall receive a foster care maintenance payment, starting on the date the department approves the initial license. If such home is found to be unqualified for licensure, the department shall report such fact to the court within one week of that determination. The department shall report on the status of the licensure process during the entry of any dispositional orders in the case.

(j) If the court places the child in licensed foster care:

(i) The petitioner shall report to the court, at the shelter care hearing, the location of the licensed foster placement the petitioner has identified for the child and the court shall inquire as to whether:

(A) The identified placement is the least restrictive placement necessary to meet the needs of the child;

(B) The child will be able to remain in the same school and whether any orders of the court are necessary to ensure educational stability for the child;

(C) The child will be placed with a sibling or siblings, and whether court-ordered sibling contact would promote the well-being of the child;

(D) The licensed foster placement is able to meet the special needs of the child;

(E) The location of the proposed foster placement will impede visitation with the child's parent or parents;

(ii) The court may order the department to:

(A) Place the child in a less restrictive placement;

(B) Place the child in a location in closer proximity to the child's parent, home, or school;

(C) Place the child with the child's sibling or siblings;

(D) Take any other necessary steps to ensure the child's health, safety, and well-being;

(iii) The court shall advise the petitioner that:

(A) Failure to comply with court orders while a child is in shelter care will be considered when determining whether reasonable efforts have been made by the department during a hearing under RCW 13.34.110; and

(B) Placement moves while a child is in shelter care will be considered when

determining whether reasonable efforts have been made by the department during a hearing under RCW 13.34.110.

(6) (a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than 30 days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7) (a) (i) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(ii) If the court previously ordered that visitation between a parent and child be supervised or monitored, there shall be a presumption that such supervision or monitoring will no longer be necessary following a continued shelter care order under (a) (i) of this subsection. To overcome this presumption, a party must provide a report to the court including evidence establishing that removing visit supervision or monitoring would create a risk to the child's safety, and the court shall make a determination as to whether visit supervision or monitoring must continue.

(b) (i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8) The department and its employees shall not be held liable in any civil action for complying with an order issued under this section for placement: With a parent who has agreed to accept services, a relative, or a suitable person.

(9) (a) If a child is placed out of the home of a parent, guardian, or legal custodian following a shelter care hearing, the court shall order the petitioner to provide regular visitation with the parent, guardian, or legal custodian, and siblings.

Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and allowing family reunification. The court shall order a visitation plan individualized to the needs of the family with a goal of providing the maximum parent, child, and sibling contact possible.

(b) Visitation under this subsection shall not be limited as a sanction for a parent's failure to comply with recommended services during shelter care.

(c) Visitation under this subsection may only be limited where necessary to ensure the health, safety, or welfare of the child.

(d) The first visit must take place within 72 hours of the child being delivered into the custody of the department, unless the court finds that extraordinary circumstances require delay.

(e) If the first visit under (d) of this subsection occurs in an in-person format, this first visit must be supervised unless the department determines that visit supervision is not necessary.

**Sec. 104.** RCW 13.34.130 and 2019 c 172 s 12 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition that maintains the child in his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose services to assist the parents in maintaining the child in the home, including housing assistance, if appropriate, that least interfere with family autonomy and are adequate to protect the child.

(b) (i) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person, the department, or agency responsible for supervision of the child's placement. If the court orders that the child be placed with a caregiver over the objections of the parent or the department, the court shall articulate, on the record, his or her reasons for ordering the placement. The court may not order an Indian child, as defined in RCW 13.38.040, to be removed from his or her home unless the court finds, by clear and convincing evidence including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(ii) The department has the authority to place the child, subject to review and

approval by the court (A) with a relative as defined in RCW 74.15.020(2)(a), (B) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department to be suitable and competent to provide care for the child, or (C) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW.

(iii) The department may also consider placing the child, subject to review and approval by the court, with a person with whom the child's sibling or half-sibling is residing or a person who has adopted the sibling or half-sibling of the child being placed as long as the person has completed all required criminal history background checks and otherwise appears to the department to be competent to provide care for the child.

(2) Absent good cause, the department shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260.

(3) The department may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a), including a placement provided for in subsection (1)(b)(iii) of this section, when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, the child shall be placed with a person who is willing, appropriate, and available to care for the child, and who is: (I) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (II) a suitable person as described in subsection (1)(b) of this section. The court shall consider the child's existing relationships and attachments when determining placement.

(4) If the child is placed in a qualified residential treatment program as defined in this chapter, the court shall, within sixty days of placement, hold a hearing to:

~~((i) [(a)])~~ (a) Consider the assessment required under RCW 13.34.420 and submitted as part of the department's social study, and any related documentation;

~~((ii) [(b)])~~ (b) Determine whether placement in foster care can meet the child's needs or if placement in another available placement setting best meets the child's needs in the least restrictive environment; and

~~((iii) [(e)])~~ (c) Approve or disapprove the child's placement in the qualified residential treatment program.

(5) When placing an Indian child in out-of-home care, the department shall follow the placement preference characteristics in RCW 13.38.180.

(6) Placement of the child with a relative or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it

possible for the child to return home, specifying the services, including housing assistance, that have been provided to the child and the child's parent, guardian, or legal custodian, and that prevention services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or

(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger. The court shall give great weight to the lethality of high-potency synthetic opioids and public health guidance from the department of health related to high-potency synthetic opioids, including fentanyl, when deciding whether a manifest danger exists.

(7) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a stepbrother or stepsister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the stepsibling.

(8) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child's best interest.

(9) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(10) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the department to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court.

**Sec. 105.** RCW 26.44.050 and 2021 c 211 s 5 are each amended to read as follows:

(1) Except as provided in RCW 26.44.030(12), upon the receipt of a report alleging that abuse or neglect has occurred, the law enforcement agency or the department must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.

(2) A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that taking the child into custody is necessary to prevent imminent physical harm to the child due to child abuse or neglect, including that which results from sexual abuse, sexual exploitation, a high-potency synthetic opioid, or a pattern of severe neglect, and the child would be seriously injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

**Sec. 106.** RCW 26.44.056 and 2021 c 211 s 4 are each amended to read as follows:

(1) An administrator of a hospital or similar institution or any physician, licensed pursuant to chapters 18.71 or 18.57 RCW, may detain a child without consent of a person legally responsible for the child whether or not medical treatment is required, if there is probable cause to believe that detaining the child is necessary to prevent imminent physical harm to the child due to child abuse or neglect,

including that which results from sexual abuse, sexual exploitation, a high-potency synthetic opioid, or a pattern of severe neglect, and the child would be seriously injured or could not be taken into custody if it were necessary to first obtain a court order under RCW 13.34.050: PROVIDED, That such administrator or physician shall notify or cause to be notified the appropriate law enforcement agency or child protective services pursuant to RCW 26.44.040. Such notification shall be made as soon as possible and in no case longer than ~~((seventy-two))~~ 72 hours. Such temporary protective custody by an administrator or doctor shall not be deemed an arrest. Child protective services may detain the child until the court assumes custody, but in no case longer than ~~((seventy-two))~~ 72 hours, excluding Saturdays, Sundays, and holidays.

(2) A child protective services employee, an administrator, doctor, or law enforcement officer shall not be held liable in any civil action for the decision for taking the child into custody, if done in good faith under this section.

**NEW SECTION. Sec. 107.** A new section is added to chapter 43.216 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, at least one legal liaison position shall be established within the department in each of its regions to work with both the department and the office of the attorney general for the purpose of assisting with the preparation of child abuse and neglect court cases.

(2)(a) To the extent possible, the workload of the legal liaisons shall be geographically divided to reflect where the highest risk and most vulnerable child abuse and neglect cases are filed.

(b) For the purpose of this subsection, "highest risk" and "most vulnerable" are determined by the age of the child and whether the child is particularly vulnerable given the child's medical or developmental conditions.

(3) The department may determine the necessary qualifications for the legal liaison positions established in this section.

**Sec. 108.** RCW 2.56.230 and 2008 c 279 s 2 are each amended to read as follows:

(1) A superior court may apply for grants from the family and juvenile court improvement grant program by submitting a local improvement plan with the administrator for the courts. To be eligible for grant funds, a superior court's local improvement plan must meet the criteria developed by the administrator for the courts and approved by the board for judicial administration. The criteria must be consistent with the principles adopted for unified family courts. At a minimum, the criteria must require that the court's local improvement plan meet the following requirements:

(b) Implementation of the principle of one judicial team hearing all of the proceedings in a case involving one family, especially in dependency cases;

(c) Require court commissioners and judges assigned to family and juvenile court to receive a minimum of thirty hours specialized training in topics related to family and juvenile matters within six months of assuming duties in family and juvenile court. The topics for training must include:

(d) As part of the application for grant funds, submit a spending proposal detailing how the superior court would use the grant funds.

(2) Courts receiving grant money must use the funds to improve and support family and juvenile court operations based on standards developed by the administrator for the courts and approved by the board for judicial administration. The standards may allow courts to use the funds to:

(a) Pay for family and juvenile court training of commissioners and judges or pay for pro tem commissioners and judges to assist the court while the commissioners and judges receive training;

(b) Pay for the training of other professionals involved in child welfare court proceedings including, but not limited to, attorneys and guardians ad litem;

~~((f))~~ (g) Improve or support family and juvenile court operations in any other way deemed appropriate by the administrator for the courts.

(3) The administrator for the courts shall allocate available grant moneys based upon the needs of the court as expressed in their local improvement plan.

(4) Money received by the superior court under this program must be used to supplement, not supplant, any other local, state, and federal funds for the court.

(5) Upon receipt of grant funds, the superior court shall submit to the administrator for the courts a spending plan detailing the use of funds. At the end of the fiscal year, the superior court shall submit to the administrator for the courts a financial report comparing the spending plan to actual expenditures. The administrator for the courts shall compile the financial reports and submit them to the appropriate committees of the legislature.

NEW SECTION. Sec. 109. A new section is added to chapter 43.70 RCW to read as follows:

(1) The department, in collaboration with the department of children, youth, and families and the poison information centers described under chapter 18.76 RCW, shall convene a work group on exposure of children to fentanyl to provide information for child welfare workers, juvenile courts, caregivers, and families regarding the risks of fentanyl exposure for children receiving child welfare services defined under RCW 74.13.020 or child protective services under RCW 26.44.020 and child welfare workers. The information shall be made publicly available and distributed to child welfare court professionals, including:

(a) Department of children, youth, and families employees supporting or providing child welfare services as defined in RCW 74.13.020 or child protective services as defined in RCW 26.44.020;

(a) Informed by the information developed under section 109 of this act; and

(b) Developed for and made available to judicial officers and system partners in the dependency court system.

**PART II  
SERVICES FOR FAMILIES**

NEW SECTION. **Sec. 201.** A new section is added to chapter 43.216 RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the department shall establish a pilot program for contracted child care slots for infants in child protective services in locales with the historically highest rates of child welfare screened-in intake due to the exposure or presence of high-potency synthetic opioids in the home, which may be used as part of a safety plan. Unused slots under this section may be used for children who are screened in due to a parent's substance use disorder when the substance use disorder is related to a substance other than a high-potency synthetic opioid.

NEW SECTION. **Sec. 202.** A new section is added to chapter 43.216 RCW to read as follows:

(1) Home visiting established by RCW 43.216.130 has been shown to enhance child development and well-being by reducing the incidence of child abuse and neglect, promoting connection to community-based supports, and increasing school readiness for young children and their families.

(2) Subject to the availability of amounts appropriated for this specific purpose, the department shall enter into targeted contracts with existing home visiting programs established by RCW 43.216.130 in locales with the historically highest rates of child welfare screened-in intake to serve families.

(3) Targeted contracted home visiting slots for families experiencing high-potency synthetic opioid-related substance use disorder promotes expedited access to supports that enhance strengthened parenting skills and allows home visiting providers to have predictable funding. Any targeted contracted slots the department creates under this section must meet the requirements as provided for in this act.

(4) Only existing home visiting providers are eligible to be awarded targeted contracted slots. The targeted contracted slots are reserved for programs in locales with the historically highest rates of child welfare screened-in intakes.

(5) The department shall provide training specific to substance use disorders for the home visiting providers selected for this program.

(6) Families referred to home visiting services via the process established in subsection (8) of this section must be contacted by the contracted program within seven days of referral.

(7) The department shall award the contracted slots via a competitive process. The department shall pay providers for each targeted contracted slot using the rate

provided to existing home visiting providers.

(8) Eligible families shall be referred to the targeted contracted slots through a referral process developed by the department. The referral process shall include referrals from the department's child welfare staff as well as community organizations working with families meeting the criteria established in subsection (9) of this section.

(9) Priority for targeted contracted home visiting slots shall be given to:

(a) Families with child protective services open cases;

(b) Families with family assessment response open cases; and

(c) Families with family voluntary services open cases.

NEW SECTION. **Sec. 203.** A new section is added to chapter 41.05 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the authority shall expand specific treatment and services to children and youth with prenatal substance exposure who would benefit from evidence-based services impacting their behavioral and physical health.

(2) The authority shall contract for the services authorized in this section with behavioral health entities in a manner that allows leveraging of federal medicaid funds to pay for a portion of the costs.

(3) The authority shall consult with the department of children, youth, and families in the implementation of the program and services authorized under this section.

NEW SECTION. **Sec. 204.** (1) The department of children, youth, and families shall provide funding and support for two pilot programs to implement an evidence-based, comprehensive, intensive, in-home parenting services support model to serve children and families from birth to age 18 who are involved in child welfare, children's mental health, or juvenile justice systems.

(2) The pilot programs established in this section are intended to prevent or limit out-of-home placement through trauma-informed support to the child, caregivers, and families with three in-person, in-home sessions per week and provide on-call crisis support 24 hours a day, seven days a week.

(3) One pilot program established in this section will serve families west of the crest of the Cascade mountain range and one pilot program established in this section will serve families east of the crest of the Cascade mountain range. Each pilot program will build upon existing programs to avoid duplication of existing services available to children and families at risk of entering the child welfare system.

(4) This section expires July 1, 2026.

NEW SECTION. **Sec. 205.** (1) Subject to the availability of funds for this specific purpose, the department of health shall provide funding to support promotoras in at

least two communities. These promotoras shall provide culturally sensitive, lay health education for the Latinx community, and act as liaisons between their community, health professionals, and human and social service organizations.

(2) In determining which communities will be served by the promotoras under this section, the department of health shall provide funding to support one community west of the crest of the Cascade mountain range and one community east of the crest of the Cascade mountain range.

NEW SECTION. **Sec. 206.** A new section is added to chapter 74.13 RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the department shall establish a pilot program to include third-party safety plan participants and public health nurses in child protective services safety planning. The pilot program established in this section must:

(1) Include contracts in up to four department offices for third-party safety plan participants and public health nurses to support child protective services workers in safety planning; and

(2) Provide support for cases involving high-potency synthetic opioids and families who do not have natural supports to aid in safety planning."

REPORTS OF STANDING COMMITTEES

February 19, 2024

ESSB 5424 Prime Sponsor, Labor & Commerce:  
Concerning flexible work for general and limited authority Washington peace officers.  
Reported by Committee on Community Safety, Justice, & Reentry

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 49.28 RCW to read as follows:

(1) Every general authority and limited authority Washington law enforcement agency may adopt a flexible work policy. The policy may allow for general authority and limited authority Washington peace officers to work at less than full time when feasible, such as supplementing work during peak hours with part-time officers. The flexible work policy may include alternative shift and work schedules that fit the needs of the law enforcement agency.

(2) The flexible work policy adopted in subsection (1) of this section may require an officer have a certain number of years of experience as a full-time officer or have additional training for the officer to work

part time or be eligible for any other types of flexible work.

(3) The flexible work policy adopted in subsection (1) of this section may not cause the layoff or otherwise displace any full-time officer.

(4) This section does not alter any existing collective bargaining unit, the provisions of any existing collective bargaining agreement, or the duty of a law enforcement agency to meet their duty to bargain under chapter 41.56 or 41.80 RCW. Full-time and part-time officers working for the same law enforcement agency who are covered by a collective bargaining agreement must be in the same bargaining unit.

(5) This section does not alter any laws or workplace policies relating to restrictions on secondary employment for general authority and limited authority Washington peace officers.

(6) For the purposes of this section, the definitions in this subsection apply.

(a) "General authority and limited authority Washington law enforcement agency" has the same meaning as "general authority Washington law enforcement agency" and "limited authority Washington law enforcement agency" as defined in RCW 10.93.020 (3) and (5), respectively.

(b) "General authority and limited authority Washington peace officers" has the same meaning as "general authority Washington peace officer" and "limited authority Washington peace officer" as defined in RCW 10.93.020 (4) and (6), respectively.

**Sec. 2.** RCW 10.93.020 and 2021 c 318 s 307 are each reenacted and amended to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Agency with primary territorial jurisdiction" means a city or town police agency which has responsibility for police activity within its boundaries; or a county police or sheriff's department which has responsibility with regard to police activity in the unincorporated areas within the county boundaries; or a statutorily authorized port district police agency or four-year state college or university police agency which has responsibility for police activity within the statutorily authorized enforcement boundaries of the port district, state college, or university.

(2) "Federal peace officer" means any employee or agent of the United States government who has the authority to carry firearms and make warrantless arrests and whose duties involve the enforcement of criminal laws of the United States.

(3) "General authority Washington law enforcement agency" means any agency,

department, or division of a municipal corporation, political subdivision, or other unit of local government of this state, and any agency, department, or division of state government, having as its primary function the detection and apprehension of persons committing infractions or violating the traffic or criminal laws in general, as distinguished from a limited authority Washington law enforcement agency, and any other unit of government expressly designated by statute as a general authority Washington law enforcement agency. The Washington state patrol and the department of fish and wildlife are general authority Washington law enforcement agencies.

(4) "General authority Washington peace officer" means any ~~((full-time,))~~ fully compensated and elected, appointed, or employed officer of a general authority Washington law enforcement agency who is commissioned to enforce the criminal laws of the state of Washington generally.

(5) "Limited authority Washington law enforcement agency" means any agency, political subdivision, or unit of local government of this state, and any agency, department, or division of state government, having as one of its functions the apprehension or detection of persons committing infractions or violating the traffic or criminal laws relating to limited subject areas, including but not limited to, the state departments of natural resources and social and health services, the state gambling commission, the state lottery commission, the state parks and recreation commission, the state utilities and transportation commission, the state liquor and cannabis board, the office of the insurance commissioner, the state department of corrections, and the office of independent investigations.

(6) "Limited authority Washington peace officer" means any ~~((full-time,))~~ fully compensated officer of a limited authority Washington law enforcement agency empowered by that agency to detect or apprehend violators of the laws in some or all of the limited subject areas for which that agency is responsible. A limited authority Washington peace officer may be a specially commissioned Washington peace officer if otherwise qualified for such status under this chapter.

(7) "Mutual law enforcement assistance" includes, but is not limited to, one or more law enforcement agencies aiding or assisting one or more other such agencies through loans or exchanges of personnel or of material resources, for law enforcement purposes.

(8) "Primary commissioning agency" means (a) the employing agency in the case of a general authority Washington peace officer, a limited authority Washington peace officer, a tribal peace officer from a federally recognized tribe, or a federal peace officer, and (b) the commissioning agency in the case of a specially commissioned Washington peace officer (i) who is performing functions within the course and scope of the special commission and (ii) who is not also a general authority Washington peace officer, a limited authority Washington peace officer, a tribal

peace officer from a federally recognized tribe, or a federal peace officer.

(9) "Primary function of an agency" means that function to which greater than fifty percent of the agency's resources are allocated.

(10) "Reserve officer" means any person who does not serve as a regularly employed, fully compensated peace officer of this state, but who, when called by an agency into active service, is fully commissioned on the same basis as regularly employed, fully compensated officers to enforce the criminal laws of this state.

~~(11) "Specially commissioned Washington peace officer," for the purposes of this chapter, means any officer, whether part-time or full-time, compensated or not, commissioned by a general authority Washington law enforcement agency to enforce some or all of the criminal laws of the state of Washington, who does not qualify under this chapter as a general authority Washington peace officer for that commissioning agency, specifically including reserve peace officers, and specially commissioned full-time, fully compensated peace officers duly commissioned by the states of Oregon or Idaho or any such peace officer commissioned by a unit of local government of Oregon or Idaho. ((A reserve peace officer is an individual who is an officer of a Washington law enforcement agency who does not serve such agency on a full-time basis but who, when called by the agency into active service, is fully commissioned on the same basis as full-time peace officers to enforce the criminal laws of the state.))~~

Periods constituting authorized unpaid leaves of absence may not be used in the calculation of final average salary.

(c) In calculating final average salary under (a) or (b) of this subsection, the department of retirement systems shall include:

(i) Any compensation forgone by a member employed by a state agency or institution during the 2009-2011 fiscal biennium as a result of reduced work hours, mandatory or voluntary leave without pay, temporary reduction in pay implemented prior to December 11, 2010, or temporary layoffs if the reduced compensation is an integral part of the employer's expenditure reduction efforts, as certified by the employer;

MAJORITY recommendation: Do pass as amended.

"**Sec. 1.** RCW 7.69.030 and 2023 c 197 s 11 are each amended to read as follows:

(1) There shall be a reasonable effort made to ensure that victims, survivors of victims, and witnesses of crimes have the following rights, which apply to any adult or juvenile criminal proceeding and any civil commitment proceeding under chapter 71.09 RCW:

(a) With respect to victims of violent or sex crimes, to receive, at the time of reporting the crime to law enforcement officials, a written statement of the rights of crime victims as provided in this chapter. The written statement shall include the name, address, and telephone number of a county or local crime victim/witness program, if such a crime victim/witness program exists in the county;

(b) To be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim, survivor, or witness is involved;

(c) To be notified by the party who issued the subpoena that a court proceeding to which they have been subpoenaed will not occur as scheduled, in order to save the person an unnecessary trip to court;

(d) To receive protection from harm and threats of harm arising out of cooperation with law enforcement and prosecution efforts, and to be provided with information as to the level of protection available;

(e) To be informed of the procedure to be followed to apply for and receive any witness fees to which they are entitled;

(f) To be provided, whenever practical, a secure waiting area during court proceedings that does not require them to be in close proximity to defendants and families or friends of defendants;

(g) To have any stolen or other personal property expeditiously returned by law enforcement agencies or the superior court

when no longer needed as evidence. When feasible, all such property, except weapons, currency, contraband, property subject to evidentiary analysis, and property of which ownership is disputed, shall be photographed and returned to the owner within ten days of being taken;

(h) To be provided with appropriate employer intercession services to ensure that employers of victims, survivors of victims, and witnesses of crime will cooperate with the criminal justice process or the civil commitment process under chapter 71.09 RCW in order to minimize an employee's loss of pay and other benefits resulting from court appearance;

(i) To access to immediate medical assistance and not to be detained for an unreasonable length of time by a law enforcement agency before having such assistance administered. However, an employee of the law enforcement agency may, if necessary, accompany the person to a medical facility to question the person about the criminal incident if the questioning does not hinder the administration of medical assistance. Victims of domestic violence, sexual assault, or stalking, as defined in RCW 49.76.020, shall be notified of their right to reasonable leave from employment under chapter 49.76 RCW;

(j) With respect to victims of violent and sex crimes, to have a crime victim advocate from a crime victim/witness program, or any other support person of the victim's choosing, present at any prosecutorial or defense interviews with the victim, and at any judicial proceedings related to criminal acts committed against the victim. This subsection applies if practical and if the presence of the crime victim advocate or support person does not cause any unnecessary delay in the investigation or prosecution of the case. The role of the crime victim advocate is to provide emotional support to the crime victim;

(k) With respect to victims and survivors of victims, to be physically present in court during trial, or if subpoenaed to testify, to be scheduled as early as practical in the proceedings in order to be physically present during trial after testifying and not to be excluded solely because they have testified;

(l) With respect to victims and survivors of victims in any felony case, any case involving domestic violence, or any final determination under chapter 71.09 RCW, to be informed by the prosecuting attorney of the date, time, and place of the trial and of the sentencing hearing or disposition hearing upon request by a victim or survivor;

(m) To submit a victim impact statement or report to the court, with the assistance of the prosecuting attorney if requested, which shall be included in all presentence reports and permanently included in the files and records accompanying the offender committed to the custody of a state agency or institution;

(n) With respect to victims and survivors of victims in any felony case or any case involving domestic violence, to present a

statement, personally or by representation, at the sentencing hearing; ~~(and)~~

(o) To have the victim's safety considered in bail determinations and any determinations of whether to impose other conditions of pretrial release;

(p) To have the written input of the victim or family of the victim considered at the court's discretion when setting a trial date: Provided, however, that such input may not impair the right of the state to present an effective prosecution or the right of the defendant to present an effective defense, and the court must explain the reason for any delay if the trial date cannot be set in a reasonable time frame;

(q) To be informed of victim notification services which may be available, and which can provide notification regarding the offender's place of incarceration, release from confinement, and of any escape; and

(r) With respect to victims and survivors of victims, to entry of an order of restitution by the court in all felony cases, even when the offender is sentenced to confinement, unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment.

(2) If a victim, survivor of a victim, or witness of a crime is denied a right under this section, the person may seek an order directing compliance by the relevant party or parties by filing a petition in the superior court in the county in which the crime occurred and providing notice of the petition to the relevant party or parties. Compliance with the right is the sole available remedy. The court shall expedite consideration of a petition filed under this subsection.

NEW SECTION. Sec. 2. The legislature intends to provide funding to the office of crime victims advocacy in an amount sufficient to support crime victim advocates and prosecutors in their work to ensure the rights granted to victims, survivors of victims, and witnesses of crimes in RCW 7.69.030 are protected."

UNLAWFUL RESTRICTIONS IN GOVERNING DOCUMENTS**

NEW SECTION. Sec. 101. A new section is added to chapter 64.90 RCW to read as follows:

(1) The board of an association may, without a vote of the unit owners, amend the governing documents to remove an unlawful restriction.

(2) A unit owner may request, in a record that sufficiently identifies an unlawful restriction in the governing document, that the board exercise its authority under subsection (1) of this section. Not later

than 90 days after the board receives the request, the board shall determine reasonably and in good faith whether the governing document includes the unlawful restriction. If the board determines the governing document includes the unlawful restriction, the board not later than 90 days after the determination shall amend the governing document to remove the unlawful restriction.

(3) Notwithstanding any provision of the governing document or other law of this state, the board may execute an amendment under this section.

(4) An amendment under this section is effective notwithstanding any provision of the governing document or other law of this state that requires a vote of the unit owners to amend the governing document.

(5) For purposes of this section and section 102 of this act:

(a) "Amendment" means a document that removes an unlawful restriction.

(b) "Document" means a record recorded or eligible to be recorded in land records.

(c) "Remove" means eliminate any apparent or purportedly continuing effect on title to real property.

(d) "Unlawful restriction" means a prohibition, restriction, covenant, or condition in a governing document that purports to interfere with or restrict the transfer, use, or occupancy of a unit:

(i) On the basis of race, color, religion, national origin, sex, familial status, disability, or other personal characteristics; and

(ii) In violation of other law of this state or federal law.

**NEW SECTION. Sec. 102.** A new section is added to chapter 64.90 RCW to read as follows:

(1) An amendment under section 101 of this act must identify the association of owners, the real property affected, and the document containing the unlawful restriction. The amendment must include a conspicuous statement in substantially the following form:

"This amendment removes from this deed or other document affecting title to real property an unlawful restriction as defined under RCW 64.90.--- (section 101 of this act). This amendment does not affect the validity or enforceability of a restriction that is not an unlawful restriction."

(2) The amendment must be executed and acknowledged in the manner required for recordation of a document in the land records. The amendment must be recorded in the land records of each county in which the document containing the unlawful restriction is recorded.

(3) The amendment does not affect the validity or enforceability of any restriction that is not an unlawful restriction.

(4) The amendment or a future conveyance of the affected real property is not a republication of a restriction that otherwise would expire by passage of time under other law of this state.

## 2021 AMENDMENTS TO THE UNIFORM COMMON INTEREST OWNERSHIP ACT

**Sec. 201.** RCW 64.90.085 and 2018 c 277 s 118 are each amended to read as follows:

Amendments to this chapter apply to all common interest communities (~~except those that (1) were created prior to July 1, 2018, and (2) have not subsequently amended their governing documents to provide that this chapter will apply to the common interest community pursuant to RCW 64.90.095)~~ subject to this chapter, regardless of when the amendments become effective.

**Sec. 202.** RCW 64.90.105 and 2018 c 277 s 122 are each amended to read as follows:

This chapter does not apply to a common interest community located outside this state, but RCW 64.90.605 and 64.90.610, and, to the extent applicable, RCW 64.90.615 and 64.90.620, apply to a contract for the disposition of a unit in that common interest community signed in this state by any party unless exempt under RCW 64.90.600(2).

**Sec. 203.** RCW 64.90.300 and 2018 c 277 s 221 are each amended to read as follows:

(1) ~~((If the declaration provides that any of the powers described in RCW 64.90.405 are to be exercised by or may be delegated to a for-profit or nonprofit corporation or limited liability company that exercises those or other powers on behalf of one or more common interest communities or for the benefit of the unit owners of one or more common interest communities, all))~~ A declaration may:

(a) Delegate a power under RCW 64.90.405(1) from the unit owners association to a master association;

(b) Provide for exercise of the powers under RCW 64.90.405(1) by a master association that also serves as the unit owners association for the common interest community; and

(c) Reserve a special declarant right to make the common interest community subject to a master association.

(2) All provisions of this chapter applicable to unit owners associations apply to ((any such corporation or limited liability company)) the master association, except as modified by this section.

((2)) (3) A unit owners association may delegate a power under RCW 64.90.405(1) to a master association without amending the declaration. The board of the unit owners association shall give notice to the unit owners of a proposed delegation and include a statement that unit owners may object in a record to the delegation not later than 30 days after delivery of the notice. The delegation becomes effective if the board does not receive a timely objection from unit owners of units to which at least 10 percent of the votes in the association are allocated. If the board receives a timely objection by at least 10 percent of the votes, the delegation becomes effective only if the unit owners vote under RCW 64.90.455 to approve the delegation by a majority vote. The delegation is not effective until

the master association accepts the delegation.

(4) A delegation under subsection (1)(a) of this section may be revoked only by an amendment to the declaration.

(5) At a meeting of the unit owners which lists in the notice of the meeting the subject of delegation of powers from the board to a master association, the unit owners may revoke the delegation by a majority of the votes cast at the meeting. The effect of revocation on the rights and obligations of parties under a contract between a unit owners association and a master association is determined by law of this state other than this chapter.

(6) Unless it is acting in the capacity of ~~((an))~~ a unit owners association ~~((described in RCW 64.90.400)),~~ a master association may exercise the powers set forth in RCW 64.90.405(1)(b) only to the extent expressly permitted in the declarations of common interest communities that are part of the master association or expressly described in the delegations of power from those common interest communities to the master association.

~~((3)) If the declaration of any common interest community provides that the board may delegate certain powers to a master association, the board is not liable for the acts or omissions of the master association with respect to those powers following delegation.~~

~~(4)) (7) After a unit owners association delegates a power to a master association, the unit owners association, its board members, and its officers are not liable for an act or omission of the master association with respect to the delegated power.~~

(8) The rights and responsibilities of unit owners with respect to the unit owners association set forth in RCW 64.90.410, 64.90.445, 64.90.450, 64.90.455, 64.90.465, and 64.90.505 apply in the conduct of the affairs of a master association only to persons who elect the board of a master association, whether or not those persons are otherwise unit owners within the meaning of this chapter.

~~((5)) If a master association is also an association described in RCW 64.90.400, the organizational documents of the master association and the declaration of each common interest community, the powers of which are assigned by the declaration or delegated to the master association, may provide that)) (9) Not later than 90 days after termination of a period of declarant control of the master association, the board of the master association must be elected ~~((after the period of declarant control))~~ in ~~((any))~~ one of the following ways:~~

(a) ~~((All))~~ The unit owners of all common interest communities subject to the master association may elect all members of the master association's board; or

(b) ~~((All board members of all common interest communities subject to the master association may elect all members of the master association's board;~~

(c) ~~All))~~ The unit owners in, or the board of, each common interest community subject to the master association ~~((may))~~ elect ~~((specified))~~ one or more members of the master association's board ~~((; or~~

~~(d) All board members of each common interest community subject to the master association may elect specified members of the master association's board)) if the instruments governing the master association apportion the seats on the board to each common interest community in a manner roughly proportional to the number of units in each common interest community.~~

(10) A period of declarant control of the master association under subsection (9) of this section terminates not later than the earlier of:

(a) The termination under RCW 64.90.415 of all periods of declarant control of all common interest communities subject to the master association under RCW 64.90.415; or

(b) 60 days after conveyance to unit owners other than a declarant of 75 percent of the units that may be created in all common interest communities subject to the master association.

**Sec. 204.** RCW 64.90.310 and 2018 c 277 s 223 are each amended to read as follows:

(1) Any two or more common interest communities ~~((of the same form of ownership, by agreement of the unit owners as provided in subsection (2) of this section,))~~ may be merged or consolidated under subsection (2) of this section into a single common interest community by agreement of the unit owners or exercise of a special declarant right. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant common interest community is the legal successor, for all purposes, of all of the preexisting common interest communities, and the operations and activities of all associations of the preexisting common interest communities are merged or consolidated into a single association that holds all powers, rights, obligations, assets, and liabilities of all preexisting associations.

(2) An agreement of two or more common interest communities to merge or consolidate pursuant to subsection (1) of this section must be evidenced by an agreement prepared, executed, recorded, and certified by the president of the association of each of the preexisting common interest communities following approval by unit owners of units to which are allocated the percentage of votes in each common interest community required to terminate that common interest community. If a special declarant right is exercised in a common interest community, approval by the unit owners is not required and the declarant may execute the agreement on behalf of the common interest community. The agreement must be recorded in every county in which a portion of the common interest community is located and is not effective until recorded.

(3) Every merger or consolidation agreement, and every amendment providing for a merger or consolidation made by a declarant when exercising a special declarant right, must identify the declaration that will apply to the resultant common interest community and provide for the reallocation of allocated interests among the units of the resultant common

interest community either (a) by stating the reallocations or the formulas upon which they are based or (b) by stating the percentage of overall allocated interests of the resultant common interest community that are allocated to all of the units comprising each of the preexisting common interest communities, and providing that the portion of the percentages allocated to each unit formerly comprising a part of the preexisting common interest community is equal to the percentages of allocated interests allocated to that unit by the declaration of the preexisting common interest community.

**NEW SECTION. Sec. 205.** A new section is added to chapter 64.90 RCW to read as follows:

A unit owner or person claiming through a unit owner may not acquire title by adverse possession to, or an easement by prescription in, a common element in derogation of the title of another unit owner or the association.

**Sec. 206.** RCW 64.90.450 and 2018 c 277 s 311 are each amended to read as follows:

(1) Unless the organizational documents provide otherwise, a quorum is present throughout any meeting of the unit owners if at the beginning of the meeting persons entitled to cast ~~((twenty))~~ 20 percent of the votes in the association ~~((+))~~

~~((a) Are present))~~ attend in person ~~((or))~~, by proxy ~~((at the beginning of the meeting; or~~

~~((b) Have voted by absentee ballot; or~~

~~((c) Are present by any combination of (a) and (b) of this subsection)),~~ by means of communication under RCW 64.90.445(1) (e) or (f), or have voted by absentee ballot.

(2) Unless the organizational documents specify a larger number, a quorum of the board is present for purposes of determining the validity of any action taken at a meeting of the board only if individuals entitled to cast a majority of the votes on that board are present at the time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the board members present is the act of the board unless a greater vote is required by the organizational documents.

**Sec. 207.** RCW 64.90.480 and 2018 c 277 s 317 are each amended to read as follows:

(1)(a) Assessments for common expenses and those specially allocated expenses that are subject to inclusion in a budget must be made at least annually based on a budget adopted at least annually by the association in the manner provided in RCW 64.90.525.

(b) Assessments for common expenses and specially allocated expenses must commence on all units that have been created upon the conveyance of the first unit in the common interest community; however, the declarant may delay commencement of assessments for some or all common expenses or specially allocated expenses, in which event the declarant must pay all of the common expenses or specially allocated expenses that have been delayed. In a common interest

community in which units may be added pursuant to reserved development rights, the declarant may delay commencement of assessments for such units in the same manner.

(2) The declaration may provide that, upon closing of the first conveyance of each unit to a purchaser or first occupancy of a unit, whichever occurs first, the association may assess and collect a working capital contribution for such unit. The working capital contribution may be collected prior to the commencement of common assessments under subsection (1) of this section. A working capital contribution may not be used to defray expenses that are the obligation of the declarant.

(3) Except as provided otherwise in this section, all common expenses must be assessed against all the units in accordance with their common expense liabilities, subject to the right of the declarant to delay commencement of certain common expenses under subsections (1) and (2) of this section. Any past due assessment or installment of past due assessment bears interest at the rate established by the association pursuant to RCW 64.90.485.

(4) The declaration may provide that any of the following expenses of the association must be assessed against the units on some basis other than common expense liability. If and to the extent the declaration so provides, the association must assess:

(a) Expenses associated with the operation, maintenance, repair, or replacement of any specified limited common element against the units to which that limited common element is assigned, equally or in any other proportion that the declaration provides;

(b) Expenses specified in the declaration as benefiting fewer than all of the units or their unit owners exclusively against the units benefited in proportion to their common expense liability or in any other proportion that the declaration provides, but if the common expense is for the maintenance, repair, or replacement of a common element other than a limited common element, the expense may be assessed exclusively against them only if the declaration reasonably identifies the common expense by specific listing or category;

(c) The costs of insurance in proportion to risk; and

(d) The costs of one or more specified services or utilities in proportion to respective usage, whether metered, billed in bulk based on unit count, or reasonably estimated, or upon the same basis as such utility charges are made by the utility provider.

(5) Assessments to pay a judgment against the association may be made only against the units in the common interest community at the time the judgment was entered, in proportion to their common expense liabilities.

~~((6) ((To the extent that any expense of the association is caused by willful misconduct or gross negligence of any unit owner or that unit owner's tenant, guest, invitee, or occupant, the association may assess that expense against the unit owner's unit after notice and an opportunity to be~~

~~heard, even if the association maintains insurance with respect to that damage or common expense.)~~ The association may assess exclusively against a unit owner's unit common expenses, including expenses relating to damage to or loss of property, caused by the:

(a) Willful misconduct or gross negligence of the unit owner or the unit owner's tenant, guest, invitee, or occupant;

(b) Failure of the unit owner to comply with a maintenance standard prescribed by the declaration or a rule, if the standard contains a statement that an owner may be liable for damage or loss caused by failure to comply with the standard; or

(c) Negligence of the unit owner or the unit owner's tenant, guest, invitee, or occupant, if the declaration contains a statement that an owner may be liable for damage or loss caused by such negligence.

~~(7) ((If the declaration so provides, to the extent that any expense of the association is caused by the negligence of any unit owner or that unit owner's tenant, guest, invitee, or occupant, the association may assess that expense against the unit owner's unit after notice and an opportunity to be heard, to the extent of the association's deductible and any expenses not covered under an insurance policy issued to the association.))~~ Before an association makes an assessment under subsection (6) of this section, the association must give notice to the unit owner and provide an opportunity for a hearing. The assessment is limited to the expense the association incurred under subsection (6) of this section less any insured proceeds received by the association, whether the difference results from the application of a deductible or otherwise.

(8) In the event of a loss or damage to a unit that would be covered by the association's property insurance policy, excluding policies for earthquake, flood, or similar losses that have higher than standard deductibles, but that is within the deductible under that policy and if the declaration so provides, the association may assess the amount of the loss up to the deductible against that unit. This subsection does not prevent a unit owner from asserting a claim against another person for the amount assessed if that other person would be liable for the damages under general legal principles.

(9) If common expense liabilities are reallocated, assessments and any installment of assessments not yet due must be recalculated in accordance with the reallocated common expense liabilities.

**Sec. 208.** RCW 64.90.520 and 2018 c 277 s 325 are each amended to read as follows:

(1) Unit owners present in person, by proxy, by means of communication under RCW 64.90.445(1) (e) or (f), or by absentee ballot at any meeting of the unit owners at which a quorum is present, may remove any board member and any officer elected by the unit owners, with or without cause, if the number of votes in favor of removal cast by unit owners entitled to vote for election of the board member or officer proposed to be

removed is at least the lesser of (a) a majority of the votes in the association held by such unit owners or (b) two-thirds of the votes cast by such unit owners at the meeting, but:

(i) A board member appointed by the declarant may not be removed by a unit owner vote during any period of declarant control;

(ii) A board member appointed under RCW ~~((64.90.420(3)))~~ 64.90.410(7) may be removed only by the person that appointed that member; and

(iii) The unit owners may not consider whether to remove a board member or officer at a meeting of the unit owners unless that subject was listed in the notice of the meeting.

(2) At any meeting at which a vote to remove a board member or officer is to be taken, the board member or officer being considered for removal must have a reasonable opportunity to speak before the vote.

(3) At any meeting at which a board member or officer is removed, the unit owners entitled to vote for the board member or officer may immediately elect a successor board member or officer consistent with this chapter.

(4) The board may, without a unit owner vote, remove from the board a board member or officer elected by the unit owners if (a) the board member or officer is delinquent in the payment of assessments more than ~~((sixty))~~ 60 days and (b) the board member or officer has not cured the delinquency within ~~((thirty))~~ 30 days after receiving notice of the board's intent to remove the board member or officer. Unless provided otherwise by the governing documents, the board may remove an officer elected by the board at any time, with or without cause. The removal must be recorded in the minutes of the next board meeting.

(c) Control does not exist if the powers described in this subsection (1) are held solely as security for an obligation and are not exercised.

(2) "Allocated interests" means the following interests allocated to each unit:

(a) In a condominium, the undivided interest in the common elements, the common expense liability, and votes in the association;

(b) In a cooperative, the common expense liability, the ownership interest, and votes in the association; and

(c) In a plat community and miscellaneous community, the common expense liability and the votes in the association, and also the undivided interest in the common elements if owned in common by the unit owners rather than an association.

"Common interest community" does not include an arrangement described in RCW 64.90.110 or 64.90.115. A common interest community may be a part of another common interest community.

(11) "Condominium" means a common interest community in which portions of the real estate are designated for separate ownership and the remainder of the real estate is designated for common ownership solely by the owners of those portions. A common interest community is not a condominium unless the undivided interests in the common elements are vested in the unit owners.

(12) "Condominium notice" means the notice given to tenants pursuant to subsection (13)(c) of this section.

(13)(a) "Conversion building" means a building:

(14) "Convey" or "conveyance" means, with respect to a unit, any transfer of ownership of the unit, including a transfer by deed or by real estate contract and, with respect to a unit in a leasehold common interest community or a proprietary lease in a cooperative, a transfer by lease or assignment of the unit, but does not include the creation, transfer, or release of a security interest.

(d) Any person who is the owner of a fee interest in the real estate that is subjected to the declaration at the time of the recording of an instrument pursuant to RCW 64.90.425 and who directly or through one or more affiliates is materially involved in the construction, marketing, or sale of units in the common interest community created by the recording of the instrument.

(18) "Declarant control" means the right of the declarant or persons designated by the declarant to appoint or remove any officer or board member of the association or to veto or approve a proposed action of any board or association, pursuant to RCW 64.90.415(1)(a).

~~((26))~~ (27) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. (b) If the board approves the amendment, the board shall give notice to all unit owners of its action and include a statement that unit owners may object in a record to the amendment not later than 30 days after delivery of the notice. (2)(a) ~~((Subject to the provisions of the declaration and other provisions of law, boundaries between units and common elements may be relocated to incorporate common elements within a unit by an amendment to the declaration upon application to the association by the unit owner of the unit who proposes to relocate a boundary. section, if the construction, reconstruction, or alteration of a building or the vertical or lateral movement of a building results in an encroachment due to a divergence between the existing physical boundaries of a unit and the boundaries described in the declaration under RCW 64.90.225(1)(d), the existing physical boundaries of the unit are its legal boundaries, rather than the boundaries described in the declaration.

(2) Subsection (1) of this section does not apply if the encroachment:

(3) This section does not relieve a declarant or other person of liability for failure to adhere to the map or a representation in the public offering statement.

**Sec. 309.** RCW 64.90.285 and 2019 c 238 s 208 are each amended to read as follows:

(1) (a) Except in cases of amendments that may be executed by: A declarant under subsection ~~((10))~~ (9) of this section, RCW 64.90.240(2), 64.90.245(12), 64.90.250, or 64.90.415(2)(d); the association under RCW 64.90.030, 64.90.230(5), ~~((64.90.240(3))~~) 64.90.260 ~~((1))~~, ~~((or))~~ 64.90.265, or section 101 of this act or subsection ~~((11))~~ (10) of this section; or certain unit owners under RCW 64.90.240(2) or (3), ~~((64.90.260(1))~~) 64.90.265(2), or 64.90.290(2), and except as limited by subsections (4), (6), (7), ~~((8))~~ and ~~((12))~~ (11) of this section, the declaration may be amended only by vote or agreement of unit owners of units to which at least ~~((sixty-seven))~~ 67 percent of the votes in the association are allocated, unless the declaration specifies a different percentage not to exceed ~~((ninety))~~ 90 percent for all amendments or for specific subjects of amendment. For purposes of this section, "amendment" means any change to the declaration, including adding, removing, or modifying restrictions contained in a declaration.

(b) If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval ~~((, however, any right of approval may not result in an expansion of special declarant rights reserved in the declaration or violate any other section of this chapter, including RCW 64.90.015, 64.90.050, 64.90.055, and 64.90.060))~~.

(2) In the absence of fraud, any action to challenge the validity of an amendment adopted by the association may not be brought more than one year after the amendment is recorded.

(3) Every amendment to the declaration must be recorded in every county in which any portion of the common interest community is located and is effective only upon recordation. An amendment ~~((, except an amendment pursuant to RCW 64.90.260(1))~~) must be indexed in the grantee's index in

the name of the common interest community and the association and in the grantor's index in the name of the parties executing the amendment.

(4) Except to the extent expressly permitted or required under this chapter, an amendment may not create or increase special declarant rights, increase the number of units, change the boundaries of any unit, or change the allocated interests of a unit without the consent of unit owners to which at least ~~((ninety))~~ 90 percent of the votes in the association are allocated, including the consent of any unit owner of a unit, the boundaries of which or allocated interest of which is changed by the amendment.

(5) Amendments to the declaration required to be executed by the association must be executed by any authorized officer of the association who must certify in the amendment that it was properly adopted.

~~(6) ((The declaration may require a higher percentage of unit owner approval for an amendment that is intended to prohibit or materially restrict the uses of units permitted under the applicable zoning ordinances, or to protect the interests of members of a defined class of owners, or to protect other legitimate interests of the association or its members. Subject to subsection (13) of this section, a declaration may not require, as a condition for amendment, approval by more than ninety percent of the votes in the association or by all but one unit owner, whichever is less. An amendment approved under this subsection must provide reasonable protection for a use permitted at the time the amendment was adopted.~~

~~(7))~~ The time limits specified in the declaration pursuant to RCW 64.90.225(1)(g) within which reserved development rights must be exercised may be extended, and additional development rights may be created, if persons entitled to cast at least ~~((eighty))~~ 80 percent of the votes in the association, including ~~((eighty))~~ 80 percent of the votes allocated to units not owned by the declarant, agree to that action. The agreement is effective ~~((thirty))~~ 30 days after an amendment to the declaration reflecting the terms of the agreement is recorded unless all the persons holding the affected special declarant rights, or security interests in those rights, record a written objection within the ~~((thirty))~~ 30-day period, in which case the amendment is void, or consent in writing at the time the amendment is recorded, in which case the amendment is effective when recorded.

~~((8))~~ (7) A provision in the declaration creating special declarant rights that have not expired may not be amended without the consent of the declarant.

~~((9))~~ (8) If any provision of this chapter or the declaration requires the consent of a holder of a security interest in a unit as a condition to the effectiveness of an amendment to the declaration, the consent is deemed granted if a refusal to consent in a record is not received by the association within ~~((sixty))~~ 60 days after the association delivers notice of the proposed amendment to the holder at an address for notice provided

by the holder or mails the notice to the holder by certified mail, return receipt requested, at that address. If the holder has not provided an address for notice to the association, the association must provide notice to the address in the security interest of record.

~~((10))~~ (9) Upon ~~((thirty))~~ 30-day advance notice to unit owners, the declarant may, without a vote of the unit owners or approval by the board, unilaterally adopt, execute, and record a corrective amendment or supplement to the governing documents to correct a mathematical mistake, an inconsistency, or a scrivener's error, or clarify an ambiguity in the governing documents with respect to an objectively verifiable fact including, without limitation, recalculating the undivided interest in the common elements, the liability for common expenses, or the number of votes in the unit owners association appertaining to a unit, within five years after the recordation or adoption of the governing document containing or creating the mistake, inconsistency, error, or ambiguity. Any such amendment or supplement may not materially reduce what the obligations of the declarant would have been if the mistake, inconsistency, error, or ambiguity had not occurred.

~~((11))~~ (10) Upon ~~((thirty))~~ 30-day advance notice to unit owners, the association may, upon a vote of two-thirds of the members of the board, without a vote of the unit owners, adopt, execute, and record an amendment to the declaration for the following purposes:

(a) To correct or supplement the governing documents as provided in subsection ~~((10))~~ (9) of this section;

~~((To remove language and otherwise amend as necessary to effect the removal of language purporting to forbid or restrict the conveyance, encumbrance, occupancy, or lease to: Individuals of a specified race, creed, color, sex, or national origin; individuals with sensory, mental, or physical disabilities; and families with children or any other legally protected classification;~~

~~((e))~~ To remove language and otherwise amend as necessary to effect the removal of language that purports to impose limitations on the power of the association beyond the limit authorized in RCW 64.90.405(3)(a) to deal with the declarant that are more restrictive than the limitations imposed on the power of the association to deal with other persons; and

~~((d))~~ (c) To remove any other language and otherwise amend as necessary to effect the removal of language purporting to limit the rights of the association or its unit owners in direct conflict with this chapter.

~~((12))~~ (11) If the declaration requires that amendments to the declaration may be adopted only if the amendment is signed by a specified number or percentage of unit owners and if the common interest community contains more than ~~((twenty))~~ 20 units, such requirement is deemed satisfied if the association obtains such signatures or the vote or agreement of unit owners holding such number or percentage.

~~((13))~~ (12) (a) If the declaration requires that amendments to the declaration may be adopted only by the vote or agreement of unit owners of units to which more than ~~((sixty-seven))~~ 67 percent of the votes in the association are allocated, and the percentage required is otherwise consistent with this chapter, the amendment is approved if:

(i) The approval of the percentage specified in the declaration is obtained;

(ii) (A) Unit owners of units to which at least ~~((sixty-seven))~~ 67 percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) A unit owner does not vote against the proposed amendment; and

(C) Notice of the proposed amendment, including notice that the failure of a unit owner to object may result in the adoption of the amendment, is delivered to the unit owners holding the votes in the association that have not voted or agreed to the proposed amendment and no written objection to the proposed amendment is received by the association within ~~((sixty))~~ 60 days after the association delivers notice; or

(iii) (A) Unit owners of units to which at least ~~((sixty-seven))~~ 67 percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) At least one unit owner objects to the proposed amendment; and

(C) Pursuant to an action brought by the association in the county in which the common interest community is situated against all objecting unit owners, the court finds, under the totality of circumstances including, but not limited to, the subject matter of the amendment, the purpose of the amendment, the percentage voting to approve the amendment, and the percentage objecting to the amendment, that the amendment is reasonable.

(b) If the declaration requires the affirmative vote or approval of any particular unit owner or class of unit owners as a condition of its effectiveness, the amendment is not valid without that vote or approval.

**Sec. 310.** RCW 64.90.290 and 2018 c 277 s 219 are each amended to read as follows:

(1) Except for a taking of all the units by condemnation, foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in RCW 64.90.325, a common interest community may be terminated only by agreement of unit owners of units to which at least ~~((eighty))~~ 80 percent of the votes in the association are allocated, ~~((or any larger percentage the declaration specifies))~~ including at least 80 percent of the votes allocated to units not owned by the declarant, and with any other approvals required by the declaration. The declaration may require a larger percentage of total votes in the association for approval, but termination requires approval by at least 80 percent of the votes allocated to units not owned by the declarant. The declaration may specify ~~((a))~~ smaller percentages only if

all of the units are restricted exclusively to nonresidential uses.

(2) An agreement to terminate must be evidenced by the execution of a termination agreement, or ratifications of the agreement, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement is void unless it is recorded before that date. A termination agreement and all ratifications of the agreement must be recorded in every county in which a portion of the common interest community is situated and is effective only upon recordation. An agreement to terminate may only be amended by complying with the requirements of this subsection and subsection (1) of this section.

~~((3))~~ ~~((a))~~ In the case of a condominium, plat community, or miscellaneous community containing only units having horizontal boundaries between units, ~~a))~~ A termination agreement may provide ~~((that))~~ for the sale of some or all of the common elements and units of the common interest community ~~((must be sold))~~ following termination. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of the sale.

~~((b))~~ In the case of a condominium, plat community, or miscellaneous community containing no units having horizontal boundaries between units, a termination agreement may provide for sale of the common elements that are not necessary for the habitability of a unit, but it may not require that any unit be sold following termination, unless the declaration as originally recorded provided otherwise or all the unit owners consent to the sale. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of sale.

~~((c))~~ In the case of a condominium, plat community, or miscellaneous community containing some units having horizontal boundaries between units and some units without horizontal boundaries between units, a termination agreement may provide for sale of the common elements that are not necessary for the habitability of a unit, but it may not require that any unit be sold following termination, unless the declaration as originally recorded provided otherwise or all the unit owners of units in the building to be sold consent to the sale. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of sale.)

(4) (a) The association, on behalf of the unit owners, may contract for the sale of real estate in a common interest community, but the contract is not binding on the unit owners until approved pursuant to

subsections (1) and (2) of this section. If any real estate is to be sold following termination, title to that real estate (~~upon termination,~~) not already owned by the association vests on termination in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the association continues in existence with all powers it had before termination.

(b) Proceeds of the sale must be distributed to unit owners and lienholders as their interests may appear, in accordance with subsections ~~((6) and)~~ (7), (8), (9), and (13) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real estate, each unit owner and the unit owner's successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit owner and the unit owner's successors in interest remain liable for all assessments and other obligations imposed on unit owners under this chapter or the declaration.

~~(5) ((In a condominium, plat community, or miscellaneous community, if any portion of the real estate constituting the common interest community is not to be sold following termination, title to those portions of the real estate constituting the common elements and, in a common interest community containing units having horizontal boundaries between units described in the declaration, title to all the real estate containing such boundaries in the common interest community vests in the unit owners upon termination as tenants in common in proportion to their respective interests as provided in subsection (8) of this section, and liens on the units shift accordingly. While the tenancy in common exists, each unit owner and the unit owner's successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit.)) Termination does not change title to a unit or common element not to be sold following termination unless the termination agreement otherwise provides.~~

(6) ~~((a))~~ Following termination of the common interest community, the proceeds of a sale of real estate, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units as their interests may appear.

~~((b))~~ (7) (a) Following termination of a condominium, plat community, or miscellaneous community, creditors of the association holding liens on the units that were recorded or perfected under RCW 4.64.020 before termination may enforce those liens in the same manner as any lienholder.

~~((e))~~ (b) All other creditors of the association are to be treated as if they had perfected liens on the units immediately before termination.

~~((7))~~ (8) In a cooperative, the declaration may provide that all creditors

of the association have priority over any interests of unit owners and creditors of unit owners. In that event, following termination, creditors of the association holding liens on the cooperative that were recorded or perfected under RCW 4.64.020 before termination may enforce their liens in the same manner as any lienholder, and any other creditor of the association is to be treated as if the creditor had perfected a lien against the cooperative immediately before termination. Unless the declaration provides that all creditors of the association have that priority:

(a) The lien of each creditor of the association that was perfected against the association before termination becomes, upon termination, a lien against each unit owner's interest in the unit as of the date the lien was perfected;

(b) Any other creditor of the association must be treated, upon termination, as if the creditor had perfected a lien against each unit owner's interest immediately before termination;

(c) The amount of the lien of an association's creditor described in (a) and (b) of this subsection against each of the unit owners' interest must be proportionate to the ratio that each unit's common expense liability bears to the common expense liability of all of the units;

(d) The lien of each creditor of each unit owner that was perfected before termination continues as a lien against that unit owner's unit as of the date the lien was perfected;

(e) The assets of the association must be distributed to all unit owners and all lienholders as their interests may appear in the order described in this subsection; and

(f) Creditors of the association are not entitled to payment from any unit owner in excess of the amount of the creditor's lien against that unit owner's interest.

~~((8))~~ (9) The respective interests of unit owners referred to in subsections (4), (5), (6), ~~((and))~~ (7), (8), and (13) of this section are as follows:

(a) Except as otherwise provided in ~~((b))~~ (d) of this subsection, the respective interests of unit owners are the fair market values of their units, allocated interests, and any limited common elements immediately before the termination, as determined by appraisal made by one or more independent appraisers selected by the association. The ~~((decision of the independent appraisers))~~ appraisal must be distributed to the unit owners and becomes final unless ~~((disapproved within thirty))~~:

(i) Disapproved not later than 30 days after distribution by unit owners of units to which ~~((twenty-five))~~ at least 25 percent of the votes in the association are allocated; or

(ii) A unit owner objects in a record not later than 30 days after distribution to the determination of value of the unit owner's unit.

(b) A unit owner that objects under (a) (ii) of this subsection may select an appraiser to represent the owner and make an appraisal of the unit owner's unit. If the association's appraisal and the unit owner's appraisal of the fair market value of the

unit owner's interest differ, a panel consisting of an appraiser selected by the association, the unit owner's appraiser, and a third appraiser mutually selected by the first two appraisers shall determine, by majority vote, the value of the unit owner's interest. The determination of value by the panel is final.

(c) The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and its allocated interests by the total fair market values of all the units and their allocated interests.

~~((b))~~(d) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value of the unit or limited common element before destruction cannot be made, the interests of all unit owners are:

(i) In a condominium, their respective common element interests immediately before the termination;

(ii) In a cooperative, their respective ownership interests immediately before the termination; and

(iii) In a plat community or miscellaneous community, their respective common expense liabilities immediately before the termination.

~~((9))~~(10) In a condominium, plat community, or miscellaneous community, except as otherwise provided in subsection ~~((10))~~(11) of this section, foreclosure or enforcement of a lien or encumbrance against the entire common interest community does not terminate the common interest community, and foreclosure or enforcement of a lien or encumbrance against a portion of the common interest community, other than withdrawable real estate, does not withdraw that portion from the common interest community. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate, or against common elements that have been subjected to a security interest by the association under RCW 64.90.465, does not withdraw that real estate from the common interest community, but the person taking title to the real estate may require from the association, upon request, an amendment excluding the real estate from the common interest community.

~~((10))~~(11) In a condominium, plat community, or miscellaneous community, if a lien or encumbrance against a portion of the real estate comprising the common interest community has priority over the declaration and the lien or encumbrance has not been partially released, the parties foreclosing the lien or encumbrance, upon foreclosure, may record an instrument excluding the real estate subject to that lien or encumbrance from the common interest community.

~~((11))~~(12) The right of partition under chapter 7.52 RCW is suspended if an agreement to sell property is provided for in the termination agreement pursuant to subsection (3) ~~((a), (b), or (c))~~ of this section. The suspension of the right to partition continues unless a binding obligation to sell does not exist three months after the recording of the termination agreement, the binding sale agreement is terminated, or one year after

the termination agreement is recorded, whichever occurs first.

(13) A termination agreement complying with this section may provide for termination of fewer than all of the units in a common interest community, subject to the following:

(a) In addition to the approval required by subsection (1) of this section, the termination agreement must be approved by at least 80 percent of the votes allocated to the units being terminated;

(b) The termination agreement must reallocate under RCW 64.90.235 the allocated interests for the units that remain in the common interest community after termination;

(c) The aggregate values of the units and common elements being terminated must be determined under subsection (9) of this section. The termination agreement must specify the allocation of the proceeds of sale for the units and common elements being terminated and sold;

(d) Security interests and liens on remaining units and remaining common elements continue, and security interests and liens on units being terminated no longer extend to any remaining common elements;

(e) The unit owners association continues as the association for the remaining units; and

(f) The association shall record with the termination agreement under subsection (2) of this section an amendment to the declaration or an amended and restated declaration, and, if necessary, an amendment to the map or an amended and restated map.

**Sec. 311.** RCW 64.90.405 and 2019 c 238 s 209 are each amended to read as follows:

(1) An association must:  
 (a) Adopt organizational documents;  
 (b) Adopt budgets as provided in RCW 64.90.525;

(c) Impose assessments for common expenses and specially allocated expenses on the unit owners as provided in RCW ~~((64.90.080(1)))~~ 64.90.480(1) and 64.90.525;

(d) Prepare financial statements as provided in RCW 64.90.530; and

(e) Deposit and maintain the funds of the association in accounts as provided in RCW 64.90.530.

(2) Except as provided otherwise in subsection (4) of this section and subject to the provisions of the declaration, the association may:

(a) Amend organizational documents and adopt and amend rules;

(b) Amend budgets under RCW 64.90.525;

(c) Hire and discharge managing agents and other employees, agents, and independent contractors;

(d) Institute, defend, or intervene in litigation or in arbitration, mediation, or administrative proceedings or any other legal proceeding in its own name on behalf of itself or two or more unit owners on matters affecting the common interest community;

(e) Make contracts and incur liabilities subject to subsection (4) of this section;

(f) Regulate the use, maintenance, repair, replacement, and modification of common elements;

(g) Cause additional improvements to be made as a part of the common elements;

(h) Acquire, hold, encumber, and convey in its own name any right, title, or interest to real estate or personal property, but:

(i) Common elements in a condominium, plat community, or miscellaneous community may be conveyed or subjected to a security interest pursuant to RCW 64.90.465 only; and

(ii) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest pursuant to RCW 64.90.465 only;

(i) Grant easements, leases, and licenses (, and concessions) through or over the common elements, but a grant to a unit owner that benefits the unit owner's unit is allowed only by reallocation under RCW 64.90.240(3) of the common elements to a limited common element, and petition for or consent to the vacation of streets and alleys. Notwithstanding the foregoing, a reallocation shall not be required in regard to the installation of an electric vehicle charging station on the common elements;

(j) Impose and collect any reasonable payments, fees, or charges for:

(i) The use, rental, or operation of the common elements, other than limited common elements described in RCW 64.90.210 (1)(b) and (3);

(ii) Services provided to unit owners; and

(iii) Moving in, moving out, or transferring title to units to the extent provided for in the declaration;

(k) Collect assessments and impose and collect reasonable charges for late payment of assessments;

(l) Enforce the governing documents and, after notice and opportunity to be heard, impose and collect reasonable fines for violations of the governing documents in accordance with a previously established schedule of fines adopted by the board of directors and furnished to the owners pursuant to the requirements for notice in RCW 64.90.505;

(m) Impose and collect reasonable charges for the preparation and recordation of amendments to the declaration, resale certificates required under RCW 64.90.640, lender questionnaires, or statements of unpaid assessments;

(n) Provide for the indemnification of its officers and board members, to the extent provided in RCW 23B.17.030;

(o) Maintain directors' and officers' liability insurance;

(p) Subject to subsection (4) of this section, assign its right to future income, including the right to receive assessments;

(q) Join in a petition for the establishment of a parking and business improvement area, participate in the ratepayers' board or other advisory body set up by the legislative authority for operation of a parking and business improvement area, and pay special assessments levied by the legislative authority on a parking and business improvement area encompassing the

condominium property for activities and projects that benefit the condominium directly or indirectly;

(r) Establish and administer a reserve account as described in RCW 64.90.535;

(s) Prepare a reserve study as described in RCW 64.90.545;

(t) Exercise any other powers conferred by the declaration or organizational documents;

(u) Exercise all other powers that may be exercised in this state by the same type of entity as the association;

(v) Exercise any other powers necessary and proper for the governance and operation of the association;

(w) Require that disputes between the association and unit owners or between two or more unit owners regarding the common interest community, other than those governed by chapter 64.50 RCW, be submitted to nonbinding alternative dispute resolution as a prerequisite to commencement of a judicial proceeding; and

(x) Suspend any right or privilege of a unit owner who fails to pay an assessment which suspension may be imposed for a reasonable amount of time not to exceed one business day after the association receives full payment of the delinquent assessment and the board has received confirmation of payment and cleared funds, but may not:

(i) Deny a unit owner or other occupant access to the owner's unit, or any limited common elements allocated only to that unit, or any common elements necessary to access the unit;

(ii) Suspend a unit owner's right to vote; or

(iii) Withhold services provided to a unit or a unit owner by the association if the effect of withholding the service would be to endanger the health, safety, or property of any person.

(3) The declaration may not limit the power of the association beyond the limit authorized in subsection (2)(w) of this section to:

(a) Deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons; or

(b) Institute litigation or an arbitration, mediation, or administrative proceeding against any person, subject to the following:

(i) The association must comply with chapter 64.50 RCW, if applicable, before instituting any proceeding described in chapter 64.50 RCW in connection with construction defects; and

(ii) The board must promptly provide notice to the unit owners of any legal proceeding in which the association is a party other than proceedings involving enforcement of rules or to recover unpaid assessments or other sums due the association.

(4) Any borrowing by an association that is to be secured by an assignment of the association's right to receive future income pursuant to subsection (2)(e) and (p) of this section requires ratification by the unit owners as provided in this subsection.

(a) The board must provide notice of the intent to borrow to all unit owners. The

notice must include the purpose and maximum amount of the loan, the estimated amount and term of any assessments required to repay the loan, a reasonably detailed projection of how the money will be expended, and the interest rate and term of the loan.

(b) In the notice, the board must set a date for a meeting of the unit owners, which must not be less than ~~((fourteen))~~ 14 and no more than ~~((fifty))~~ 50 days after mailing of the notice, to consider ratification of the borrowing.

(c) Unless at that meeting, whether or not a quorum is present, unit owners holding a majority of the votes in the association or any larger percentage specified in the declaration reject the proposal to borrow funds, the association may proceed to borrow the funds in substantial accordance with the terms contained in the notice.

(5) If a tenant of a unit owner violates the governing documents, in addition to exercising any of its powers against the unit owner, the association may:

(a) Exercise directly against the tenant the powers described in subsection (2)(1) of this section;

(b) After giving notice to the tenant and the unit owner and an opportunity to be heard, levy reasonable fines against the tenant and unit owner for the violation; and

(c) Enforce any other rights against the tenant for the violation that the unit owner as the landlord could lawfully have exercised under the lease or that the association could lawfully have exercised directly against the unit owner, or both; but the association does not have the right to terminate a lease or evict a tenant unless permitted by the declaration. The rights referred to in this subsection (5)(c) may be exercised only if the tenant or unit owner fails to cure the violation within ~~((ten))~~ 10 days after the association notifies the tenant and unit owner of that violation.

(6) Unless a lease otherwise provides, this section does not:

(a) Affect rights that the unit owner has to enforce the lease or that the association has under other law; or

(b) Permit the association to enforce a lease to which it is not a party in the absence of a violation of the governing documents.

(7) The board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commencing an action for a violation of the governing documents, including whether to compromise any claim for unpaid assessments or other claim made by or against it.

(8) The board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction, or rule being enforced is, or is likely to be construed as, inconsistent with law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or

to justify expending the association's resources; or

(d) It is not in the association's best interests to pursue an enforcement action.

(9) The board's decision under subsections (7) and (8) of this section to not pursue enforcement under one set of circumstances does not prevent the board from taking enforcement action under another set of circumstances, but the board may not be arbitrary or capricious in taking enforcement action.

**Sec. 312.** RCW 64.90.410 and 2019 c 238 s 101 are each amended to read as follows:

(1)(a) Except as provided otherwise in the governing documents, subsection (4) of this section, or other provisions of this chapter, the board may act on behalf of the association.

(b) In the performance of their duties, officers and board members must exercise the degree of care and loyalty to the association required of an officer or director of a corporation organized, are subject to the conflict of interest rules governing directors and officers, and are entitled to the immunities from liability available to officers and directors under chapter 24.06 RCW. The standards of care and loyalty, and conflict of interest rules and immunities described in this section apply regardless of the form in which the association is organized.

(2)(a) Except as provided otherwise in RCW 64.90.300~~((+5))~~ (9), effective as of the transition meeting held in accordance with RCW 64.90.415(4), the board must be comprised of at least three members, at least a majority of whom must be unit owners. However, the number of board members need not exceed the number of units then in the common interest community.

(b) Unless the declaration or organizational documents provide for the election of officers by the unit owners, the board must elect the officers.

(c) Unless provided otherwise in the declaration or organizational documents, board members and officers must take office upon adjournment of the meeting at which they were elected or appointed or, if not elected or appointed at a meeting, at the time of such election or appointment, and must serve until their successor takes office.

(d) In determining the qualifications of any officer or board member of the association, "unit owner" includes, unless the declaration or organizational documents provide otherwise, any board member, officer, member, partner, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner.

(e) Any officer or board member of the association who would not be eligible to serve as such if he or she were not a board member, officer, partner in, or trustee of such a person is disqualified from continuing in office if he or she ceases to have any such affiliation with that person or that person would have been disqualified from continuing in such office as a natural person.

(3) Except when voting as a unit owner, the declarant may not appoint or elect any person or to serve itself as a voting, ex officio or nonvoting board member following the transition meeting.

(4) The board may not, without vote or agreement of the unit owners:

(a) Amend the declaration, except as provided in RCW 64.90.285;

(b) Amend the organizational documents of the association;

(c) Terminate the common interest community;

(d) Elect members of the board, but may fill vacancies in its membership not resulting from removal for the unexpired portion of any term or, if earlier, until the next regularly scheduled election of board members; or

(e) Determine the qualifications, powers, duties, or terms of office of board members.

(5) The board must adopt budgets as provided in RCW 64.90.525.

(6) Except for committees appointed by the declarant pursuant to special declarant rights, all committees of the association must be appointed by the board. Committees authorized to exercise any power reserved to the board must include at least two board members who have exclusive voting power for that committee. Committees that are not so composed may not exercise the authority of the board and are advisory only.

(7) A declaration may provide for the appointment of specified positions on the board by persons other than the declarant or an affiliate of the declarant during or after the period of declarant control. It also may provide a method for filling vacancies in those positions, other than by election by the unit owners. However, after the period of declarant control, appointed members:

(a) May not comprise more than one-third of the board; and

(b) Have no greater authority than any other board member.

**NEW SECTION. Sec. 313.** A new section is added to chapter 64.90 RCW to read as follows:

(1) Notwithstanding any contrary provision in the declaration or organizational documents, prior to an election of board members, the association must provide notice to all unit owners of the following:

(a) The number of board positions that may be filled;

(b) The qualifications to be a board candidate, if any; and

(c) The process, manner, and deadline for submitting nominations.

(2) If the board determines that any nominee is not a qualified candidate, the board shall notify the nominee of the basis for the disqualification, and the procedure for appealing the disqualification.

**Sec. 314.** RCW 64.90.420 and 2018 c 277 s 305 are each amended to read as follows:

(1) No later than ~~((thirty))~~30 days following the date of the transition meeting held pursuant to RCW 64.90.415(4), the declarant must deliver or cause to be

delivered to the board elected at the transition meeting all property of the unit owners and association as required by the declaration or this chapter including, but not limited to:

(a) The original or a copy of the recorded declaration and each amendment to the declaration;

(b) The organizational documents of the association;

(c) The minute books, including all minutes, and other books and records of the association;

(d) Current rules and regulations that have been adopted;

(e) Resignations of officers and members of the board who are required to resign because the declarant is required to relinquish control of the association;

(f) The financial records, including canceled checks, bank statements, and financial statements of the association, and source documents from the time of formation of the association through the date of transfer of control to the unit owners;

(g) Association funds or the control of the funds of the association;

(h) Originals or copies of any recorded instruments of conveyance for any common elements included within the common interest community but not appurtenant to the units;

(i) All tangible personal property of the association;

(j) Except for alterations to a unit done by a unit owner other than the declarant, a copy of the most recent plans and specifications used in the construction or remodeling of the common interest community, except for buildings containing fewer than three units;

(k) Originals or copies of insurance policies for the common interest community and association;

(l) Originals or copies of any certificates of occupancy that may have been issued for the common interest community;

(m) Originals or copies of any other permits obtained by or on behalf of the declarant and issued by governmental bodies applicable to the common interest community;

(n) Originals or copies of all written warranties that are still in effect for the common elements, or any other areas or facilities that the association has the responsibility to maintain and repair, from the contractor, subcontractors, suppliers, and manufacturers and all owners' manuals or instructions furnished to the declarant with respect to installed equipment or building systems;

(o) A roster of unit owners and eligible mortgagees and their addresses and telephone numbers, if known, as shown on the declarant's records and the date of closing of the first sale of each unit sold by the declarant;

(p) Originals or copies of any leases of the common elements and other leases to which the association is a party;

(q) Originals or photocopies of any employment contracts or service contracts in which the association is one of the contracting parties or service contracts in which the association or the unit owners have an obligation or a responsibility, directly or indirectly, to pay some or all

of the fee or charge of the person performing the service;

(r) Originals or copies of any qualified warranty issued to the association as provided for in RCW 64.35.505; ~~((and))~~

(s) Originals or copies of all other contracts to which the association is a party; and

(t) Originals or copies of the most recent reserve study prepared pursuant to RCW 64.90.545, if one exists.

(2) Within ~~((sixty))~~ 60 days of the transition meeting, the board must retain the services of a certified public accountant to audit the records of the association as the date of the transition meeting in accordance with generally accepted auditing standards unless the unit owners, other than the declarant, to which a majority of the votes are allocated elect to waive the audit. The cost of the audit must be a common expense unless otherwise provided in the declaration. The accountant performing the audit must examine supporting documents and records, including the cash disbursements and related paid invoices, to determine if expenditures were for association purposes and the billings, cash receipts, and related records to determine if the declarant was charged for and paid the proper amount of assessments.

~~((3))~~ A declaration may provide for the appointment of specified positions on the board by persons other than the declarant or an affiliate of the declarant during or after the period of declarant control. It also may provide a method for filling vacancies in those positions, other than by election by the unit owners. However, after the period of declarant control, appointed members:

(a) May not comprise more than one-third of the board; and

(b) Have no greater authority than any other board member.)

**Sec. 315.** RCW 64.90.425 and 2018 c 277 s 306 are each amended to read as follows:

(1) ~~((Except as provided in subsection (3) of this section, a special declarant right created or reserved under this chapter may be transferred only by an instrument effecting the transfer and executed by the transferor, to be recorded in every county in which any portion of the common interest community is located. The transferee must provide the association with a copy of the recorded instrument, but the failure to furnish the copy does not invalidate the transfer.~~

(2) Upon transfer of any special declarant right, the liability of a transferor declarant is as follows:

(a) A transferor is not relieved of any obligation or liability arising before the transfer and remains liable for such warranty obligations arising before the transfer imposed upon the transferor under this chapter. Lack of privity does not deprive any unit owner of standing to maintain an action to enforce any obligation of the transferor.

(b) If a successor to any special declarant right is an affiliate of a declarant the transferor is jointly and

severally liable with the successor for any obligations or liabilities of the successor relating to the common interest community.

~~((c))~~ If a transferor retains any special declarant rights, but transfers other special declarant rights to a successor who is not an affiliate of the declarant, the transferor is liable for any obligations or liabilities imposed on a declarant under this chapter or by the declaration relating to the retained special declarant rights, whether arising before or after the transfer.

~~((d))~~ A transferor is not liable for any act or omission or any breach of a contractual or warranty obligation by a successor declarant who is not an affiliate of the transferor.

~~((3))~~ Upon foreclosure of a security interest, sale by a trustee under an agreement creating a security interest, tax sale, judicial sale, or sale under bankruptcy code or receivership proceedings of any unit owned by a declarant or real property in a common interest community that is subject to any special declarant rights, a person acquiring title to the real property being foreclosed or sold succeeds to all of the special declarant rights related to that real property held by that declarant and to any rights reserved in the declaration pursuant to RCW 64.90.275 and held by that declarant to maintain models, sales offices, and signs except to the extent the judgment or instrument effecting the transfer states otherwise.

~~((4))~~ Upon foreclosure of a security interest, sale by a trustee under an agreement creating a security interest, tax sale, judicial sale, or sale under bankruptcy code or receivership proceedings of all interests in a common interest community owned by a declarant, any special declarant rights that are not transferred as stated in subsection (3) of this section terminate.

~~((5))~~ The liabilities and obligations of a person who succeeds to special declarant rights are as follows:

(a) A successor to any special declarant right who is an affiliate of a declarant is subject to all obligations and liabilities imposed on the transferor under this chapter or by the declaration.

(b) A successor to any special declarant right, other than a successor who is an affiliate of a declarant, is subject to the obligations and liabilities imposed under this chapter or the declaration:

(i) On a declarant that relate to the successor's exercise of special declarant rights; and

(ii) On the declarant's transferor, other than:

(A) Misrepresentations by any previous declarant;

(B) Any warranty obligations pursuant to RCW 64.90.670 (1) through (3) on improvements made or contracted for, or units sold by, a previous declarant or that were made before the common interest community was created;

(C) Breach of any fiduciary obligation by any previous declarant or the previous declarant's appointees to the board; or

~~(D) Any liability or obligation imposed on the transferor as a result of the transferor's acts or omissions after the transfer.~~

~~(e) A successor to only a right reserved in the declaration to maintain models, sales offices, and signs may not exercise any other special declarant right, and is not subject to any liability or obligation as a declarant, except the obligation to provide a public offering statement and any liability arising as a result of such reserved rights.~~

~~(6) This section does not subject any successor to a special declarant right to any claims against or other obligations of a transferor declarant, other than claims and obligations arising under this chapter or the declaration.) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.~~

~~(a) "Involuntary transfer" means a transfer by foreclosure of a mortgage, deed in lieu of foreclosure, tax sale, judicial sale, or sale in a bankruptcy or receivership proceeding of real estate owned by a declarant.~~

~~(b) "Nonaffiliate successor" means a person that succeeds to a special declarant right and is not an affiliate of the declarant that transferred the special declarant right to the person.~~

~~(2) A special declarant right is an interest in real estate. The interest is appurtenant to:~~

~~(a) All units owned by the declarant; and~~

~~(b) Real estate that is subject to a development right.~~

~~(3) A declarant that no longer owns a unit or a development right ceases to have any special declarant rights.~~

~~(4) A declarant may voluntarily transfer part or all of a special declarant right only by an instrument that describes the special declarant right being transferred. The transfer becomes effective when recorded in every county in which any portion of the common interest community is located.~~

~~(5) Except as otherwise provided in subsection (8), (9), (11), or (12) of this section, a successor to a special declarant right is subject to all obligations and liabilities imposed on the transferor by this chapter or the declaration.~~

~~(6) If a declarant transfers a special declarant right to an affiliate of the declarant, the transferor and the successor are jointly and severally liable for all obligations and liabilities imposed on either person by this chapter or the declaration. Lack of privity does not deprive a unit owner of standing to maintain an action to enforce any obligation or liability of the transferor or successor.~~

~~(7) A declarant that transfers a special declarant right to a nonaffiliate successor:~~

~~(a) Remains liable for an obligation or liability imposed by this chapter or the declaration, including a warranty obligation, that arose before the transfer; and~~

~~(b) Is not liable for an obligation or liability imposed on the successor by this chapter or the declaration that arose after the transfer.~~

(8) A nonaffiliate successor that succeeds to fewer than all special declarant rights held by the transferor is not subject to an obligation or liability that relates to a special declarant right not transferred to the successor.

(9) A nonaffiliate successor is not liable for an obligation or liability imposed by this chapter or the declaration that relates to:

(a) A misrepresentation by a previous declarant;

(b) A warranty obligation on an improvement made by a previous declarant or before the common interest community was created;

(c) Breach of a fiduciary obligation by a previous declarant or the previous declarant's appointees to the board; or

(d) An obligation or liability imposed on the transferor as a result of the transferor's act or omission after the transfer.

(10) If an involuntary transfer includes a special declarant right, the transferee may elect to acquire or reject the special declarant right. A transferee that elects to acquire the special declarant right is a successor declarant. The election is effective only if the judgment or instrument conveying title describes the special declarant right. If the judgment or instrument does not describe the special declarant right, the transferee will be presumed to have elected to accept the special declarant right.

(11) A successor to a special declarant right by an involuntary transfer may declare in a recorded instrument the successor's intent to hold the right solely for transfer to another person. After recording the instrument, the successor may not exercise a special declarant right, other than a right under RCW 64.90.415(1)(a) to control the board, and an attempt to exercise a special declarant right in violation of this subsection is void. A successor that complies with this subsection is not liable for an obligation or liability imposed by this chapter or the declaration other than liability for the successor's act or omission under RCW 64.90.415(1)(a).

(12) This section does not subject a successor to a special declarant right to a claim against or obligation of a transferor, other than a claim or obligation imposed by this chapter or the declaration.

**Sec. 316.** RCW 64.90.445 and 2021 c 227 s 13 are each amended to read as follows:

(1) The following requirements apply to unit owner meetings:

(a) A meeting of the association must be held at least once each year. Failure to hold an annual meeting does not cause a forfeiture or give cause for dissolution of the association and does not affect otherwise valid association acts.

(b) (i) An association must hold a special meeting of unit owners to address any matter affecting the common interest community or the association if its president, a majority of the board, or unit owners having at least ((twenty))20 percent, or any lower percentage specified in the organizational

documents, of the votes in the association request that the secretary call the meeting.

(ii) If the association does not provide notice to unit owners of a special meeting within ~~((thirty))~~ 30 days after the requisite number or percentage of unit owners request the secretary to do so, the requesting members may directly provide notice to all the unit owners of the meeting. ~~((Only matters described in the meeting notice required in (c) of this subsection may be considered at a special meeting.))~~ The unit owners may discuss at a special meeting a matter not described in the notice under (c) of this subsection but may not take action on the matter without the consent of all unit owners.

(c) An association must provide notice to unit owners of the time, date, and place of each annual and special unit owners meeting not less than ~~((fourteen))~~ 14 days and not more than ~~((fifty))~~ 50 days before the meeting date. Notice may be by any means described in RCW 64.90.515. The notice of any meeting must state the time, date, and place of the meeting and the items on the agenda, including:

(i) The text of any proposed amendment to the declaration or organizational documents;

(ii) Any changes in the previously approved budget that result in a change in the assessment obligations; and

(iii) Any proposal to remove a board member or officer.

(d) ~~((The minimum time to provide notice required in (c) of this subsection may be reduced or waived for a meeting called to deal with an emergency.~~

~~((e))~~ Unit owners must be given a reasonable opportunity at any meeting to comment regarding any matter affecting the common interest community or the association.

~~((f) Except as otherwise restricted by the declaration or organizational documents, meetings of unit owners may be conducted by telephonic, video, or other conferencing process, if the process is consistent with subsection (2)(i) of this section.))~~

(e) A meeting of unit owners is not required to be held at a physical location if:

(i) The meeting is conducted by a means of communication that enables owners in different locations to communicate in real time to the same extent as if they were physically present in the same location, provided that such means of communication must have an option for owners to communicate by telephone; and

(ii) The declaration or organizational documents do not require that the owners meet at a physical location.

(f) In the notice for a meeting held at a physical location, the board may notify all unit owners that they may participate remotely in the meeting by a means of communication described in (e) of this subsection.

(2) The following requirements apply to meetings of the board and committees authorized to act for the board:

(a) Meetings must be open to the unit owners except during executive sessions, but the board may expel or prohibit attendance by any person who, after warning by the

chair of the meeting, disrupts the meeting. The board and those committees may hold an executive session only during a regular or special meeting of the board or a committee. A final vote or action may not be taken during an executive session.

(b) An executive session may be held only to:

(i) Consult with the association's attorney concerning legal matters;

(ii) Discuss existing or potential litigation or mediation, arbitration, or administrative proceedings;

(iii) Discuss labor or personnel matters;

(iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the association at a disadvantage; or

(v) Prevent public knowledge of the matter to be discussed if the board or committee determines that public knowledge would violate the privacy of any person.

(c) For purposes of this subsection, a gathering of members of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(d) During the period of declarant control, the board must meet at least four times a year. At least one of those meetings must be held at the common interest community or at a place convenient to the community. After the transition meeting, all board meetings must be at the common interest community or at a place convenient to the common interest community unless the unit owners amend the bylaws to vary the location of those meetings.

(e) At each board meeting, the board must provide a reasonable opportunity for unit owners to comment regarding matters affecting the common interest community and the association.

(f) Unless the meeting is included in a schedule given to the unit owners ~~((or the meeting is called to deal with an emergency))~~, the secretary or other officer specified in the organizational documents must provide notice of each board meeting to each board member and to the unit owners. The notice must be given at least ~~((fourteen))~~ 14 days before the meeting and must state the time, date, place, and agenda of the meeting.

(g) If any materials are distributed to the board before the meeting, the board must make copies of those materials reasonably available to the unit owners, except that the board need not make available copies of unapproved minutes or materials that are to be considered in executive session.

(h) Unless the organizational documents provide otherwise, fewer than all board members may participate in a regular or special meeting by or conduct a meeting through the use of any means of communication by which all board members participating can hear each other during the meeting. A board member participating in a

meeting by these means is deemed to be present in person at the meeting.

(i) Unless the organizational documents provide otherwise, the board may meet by participation of all board members by telephonic, video, or other conferencing process if:

(i) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and

(ii) The process provides all unit owners the opportunity to hear or perceive the discussion and to comment as provided in (e) of this subsection.

(j) After the transition meeting, unit owners may amend the organizational documents to vary the procedures for meetings described in (i) of this subsection.

(k) ~~((Instead of))~~ Prior to the transition meeting, without a meeting, the board may act by unanimous consent as documented in a record by all its members. Actions taken by unanimous consent must be kept as a record of the association with the meeting minutes. After the transition meeting, the board may act by unanimous consent only to undertake ministerial actions, actions subject to ratification by the unit owners, or to implement actions previously taken at a meeting of the board.

(l) A board member who is present at a board meeting at which any action is taken is presumed to have assented to the action taken unless the board member's dissent or abstention to such action is lodged with the person acting as the secretary of the meeting before adjournment of the meeting or provided in a record to the secretary of the association immediately after adjournment of the meeting. The right to dissent or abstain does not apply to a board member who voted in favor of such action at the meeting.

(m) A board member may not vote by proxy or absentee ballot.

(n) Even if an action by the board is not in compliance with this section, it is valid unless set aside by a court. ~~((A challenge to the validity of an action of the board for failure))~~ An action seeking relief for failure of the board to comply with this section may not be brought more than ~~((ninety))~~ 90 days after the minutes of the board of the meeting at which the action was taken are approved or the record of that action is distributed to unit owners, whichever is later.

(3) Minutes of all unit owner meetings and board meetings, excluding executive sessions, must be maintained in a record. The decision on each matter voted upon at a board meeting or unit owner meeting must be recorded in the minutes.

**Sec. 317.** RCW 64.90.455 and 2018 c 277 s 312 are each amended to read as follows:

(1) ~~((Unit owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.))~~ Unit owners may vote at a meeting under subsection (2) or (3) of this section

or, when a vote is conducted without a meeting, by ballot in the manner provided in subsection (4) of this section.

~~(2) ((When a vote is conducted without a meeting, unit owners may vote by ballot pursuant to subsection (6) of this section.~~

~~(3))~~ At a meeting of unit owners the following requirements apply:

(a) ~~((Unit owners or their proxies who are present in person))~~ Unless the declaration or bylaws otherwise provide, and except as provided in subsection (9) of this section, unit owners or their proxy holders may vote by voice vote, show of hands, standing, written ballot, or any other method ~~((for determining the votes of unit owners, as designated by the person presiding))~~ authorized at the meeting.

(b) ~~((If only one of several unit owners of a unit is present, that unit owner is entitled to cast all the votes allocated to that unit. If more than one of the unit owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the unit owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the unit owners casts the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other unit owners of the unit.))~~ If unit owners attend the meeting by a means of communication under RCW 64.90.445(1) (e) or (f), the association shall implement reasonable measures to verify the identity of each unit owner attending remotely.

(c) ~~((Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.~~

~~(d))~~ Whenever proposals or board members are to be voted upon at a meeting, a unit owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

~~((4))~~ (d) When a unit owner votes by absentee ballot under (c) of this subsection, the association must be able to verify that the ballot is cast by the unit owner having the right to do so.

~~((5) Except as provided otherwise in))~~ (3) Unless the declaration or organizational documents otherwise provide, unit owners may vote by proxy subject to the following requirements ~~((apply with respect to proxy voting))~~:

(a) Votes allocated to a unit may be cast pursuant to a directed or undirected proxy duly executed by a unit owner in the same manner as provided in RCW 24.06.110.

(b) ~~((If a unit is owned by more than one person, each unit owner of the unit may vote or register protest to the casting of votes by the other unit owners of the unit through a duly executed proxy.))~~ When a unit owner votes by proxy, the association shall implement reasonable measures to verify the

identity of the unit owner and the proxy holder.

(c) A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of a unit owner does not revoke a proxy given by the unit owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates ~~((eleven))~~ 11 months after its date of issuance.

~~((6))~~ (4) ~~((prohibited or limited by))~~ the declaration or organizational documents otherwise provide, an association may conduct a vote without a meeting. ~~((If that event, the))~~ The following requirements apply:

(a) The association must notify the unit owners that the vote will be taken by ballot without a meeting.

(b) The notice under (a) of this subsection must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than ~~((fourteen))~~ 14 days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) ~~((The percent of votes necessary to meet the quorum requirements;~~

~~((iii))~~ The percent of votes necessary to approve each matter other than election of board members; and

~~((iv))~~ (iii) The time, date, and manner by which unit owners wishing to deliver information to all unit owners regarding the subject of the vote may do so.

(c) The association must deliver ~~((a ballot to every unit owner))~~ with the notice under (a) of this subsection:

(i) Instructions for casting a ballot;

(ii) A ballot in a tangible medium to every unit owner except a unit owner that has consented in a record to electronic voting; and

(iii) If the association allows electronic voting, instructions for electronic voting.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A unit owner may revoke a ballot cast pursuant to this section ~~((may be revoked))~~ before the date and time under (b) of this subsection by which the ballot must be delivered to the association only by actual notice to the association of revocation. The death or disability of a unit owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the

date and time established for return of ballots, the board may extend the deadline for a reasonable period not to exceed ~~((eleven))~~ 11 months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to unit owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

~~((7))~~ (k) The association shall implement reasonable measures to verify that each ballot in a tangible medium and electronic ballot is cast by the unit owner having a right to do so.

(l) A unit owner consents to electronic voting by delivering to the association a record indicating such consent or by casting an electronic ballot.

(m) An association that allows electronic ballots shall create a record of electronic votes capable of retention, retrieval, and review.

(5) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than unit owners of leased units:

(a) This section applies to lessees as if they were unit owners;

(b) Unit owners that have leased their units to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners.

~~((8))~~ (6) Unit owners must also be given notice ~~((, in the manner provided in RCW 64.90.515,))~~ of all meetings at which lessees may be entitled to vote.

~~((9))~~ (7) In any vote of the unit owners, votes allocated to a unit owned by the association must be cast in the same proportion as the votes cast on the matter by unit owners other than the association.

(8) (a) Unless a different number or fraction of the votes in an association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of a vote taken at a meeting or without a meeting.

(b) If a unit is owned by more than one person and:

(i) Only one owner casts a vote, that vote must be counted as casting all votes allocated to the unit by the declaration; and

(ii) More than one owner casts a vote for the unit, no vote from any owner of the unit may be counted unless the declaration provides a manner for allocating votes cast by multiple owners of a unit.

(9) Notwithstanding any other law or provision of the governing documents, the

following votes of unit owners shall be conducted by secret ballot: (a) Election of board members; (b) removal of board members or officers; (c) amendments to the declaration or governing documents; or (d) unit owner approval of an amendment to the declaration for the reallocation of a common element as a limited common element for the exclusive use of an owner's unit pursuant to RCW 64.90.240.

**Sec. 318.** RCW 64.90.485 and 2023 c 214 s 7 are each amended to read as follows:

(1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3)(a) A lien under this section also has priority over the security interests described in subsection (2)(b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2)(b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a)(iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3)(a)(ii) shall not exceed \$2,000 or an amount equal to the amounts described in (a)(i) of this subsection, whichever is less;

(iii) The amounts described in (a)(ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the association has given that holder not less than 60 days' prior written notice that the

owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within 60 days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and

(iv) Upon payment of the amounts described in (a)(i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract.

(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within 15 days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a

judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(e) No member of the association's board, or their immediate family members or affiliates, are eligible to bid for or purchase, directly or indirectly, any interest in a unit at a foreclosure of the association's lien. For the purposes of this subsection, "immediate family member" includes spouses, domestic partners, children, siblings, parents, parents-in-law, and stepfamily members; and "affiliate" of a board member includes any person controlled by the board member, including any entity in which the board member is a general partner, managing member, majority member, officer, or director. Nothing in this subsection prohibits an association from bidding for or purchasing interest in a unit at a foreclosure of the association's lien.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

- (i) The reasonable expenses of sale;
- (ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to

the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for assessments

accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21)(a) When the association mails to the unit owner by first-class mail the first notice of delinquency for past due assessments to the unit address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

**THIS IS A NOTICE OF DELINQUENCY FOR PAST DUE ASSESSMENTS FROM THE UNIT OWNERS ASSOCIATION TO WHICH YOUR HOME BELONGS. (b) If, when a delinquent account is referred to an association's attorney, the first preforeclosure notice required under (a) of this subsection has not yet been mailed to the unit owner, the association or the association's attorney shall mail the first preforeclosure notice to the unit owner in order to satisfy the requirement in (a) of this subsection.

(c) Mailing the first preforeclosure notice pursuant to (a) of this subsection does not satisfy the requirement in subsection (22)(b) of this section to mail a second preforeclosure notice at or after the date that assessments have become past due for at least 90 days. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice is mailed.

(22) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account; or

(ii) \$2,000 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, but no sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a second notice of delinquency, which must include a second preforeclosure notice that contains the same information as the first preforeclosure notice provided to the owner pursuant to subsection (21)(a) of this section. The second preforeclosure notice may not be mailed sooner than 60 days after the first

preforeclosure notice required in subsection (21)(a) of this section is mailed;

(c) At least 180 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that unit.

(23) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable.

**Sec. 319.** RCW 64.90.485 and 2023 c 214 s 8 are each amended to read as follows:

(1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3)(a) A lien under this section also has priority over the security interests described in subsection (2)(b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2)(b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a)(iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3)(a)(ii) shall not exceed \$2,000 or an amount equal to the amounts described in (a)(i) of this subsection, whichever is less;

(iii) The amounts described in (a)(ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the

association has given that holder not less than 60 days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within 60 days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and

(iv) Upon payment of the amounts described in (a)(i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract.

(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the

limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within 15 days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit.

Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(e) No member of the association's board, or their immediate family members or affiliates, are eligible to bid for or purchase, directly or indirectly, any interest in a unit at a foreclosure of the association's lien. For the purposes of this subsection, "immediate family member" includes spouses, domestic partners, children, siblings, parents, parents-in-law, and stepfamily members; and "affiliate" of a board member includes any person controlled by the board member, including any entity in which the board member is a general partner, managing member, majority member, officer, or director. Nothing in this subsection prohibits an association from bidding for or purchasing interest in a unit at a foreclosure of the association's lien.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including

payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a

mortgage does not relieve the prior unit owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21) (a) When the association mails to the unit owner by first-class mail the first notice of delinquency for past due assessments to the unit address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

**THIS IS A NOTICE OF DELINQUENCY FOR PAST

**NEW SECTION. Sec. 321.** A new section is added to chapter 64.90 RCW to read as follows:

(1) In this section, "emergency" means an event or condition or a state of emergency declared by a government for an area that includes the common interest community that constitutes an imminent:

(a) Threat to the health or safety of the public or residents of the common interest community;

(b) Threat to the habitability of units; or

(c) Risk of substantial economic loss to the association.

(2) In an emergency, this section governs the authority of a board to respond to the emergency. If another provision of this

chapter is inconsistent with this section, this section prevails.

(3) The board may call a unit owner's meeting to respond to an emergency by giving notice to the unit owners in a manner that is practicable and appropriate under the circumstances.

(4) The board may call a board meeting to respond to an emergency by giving notice to the unit owners and board members in a manner that is practicable and appropriate under the circumstances. A quorum is not required for a meeting under this subsection. After giving notice under this subsection, the board may take action by vote without a meeting.

(5) In an emergency, the board may, without regard to limitations in the governing documents, take action it considers necessary, as a result of the emergency, to protect the interests of the unit owners and other persons holding interests in the common interest community, acting in a manner reasonable under the circumstances.

(6) If, under subsection (5) of this section, the board determines by a two-thirds vote that a special assessment is necessary:

(a) The assessment becomes effective immediately or in accordance with the terms of the vote; and

(b) The board may spend funds paid on the assessment only in accordance with the action taken by the board.

(7) The board may use funds of the association, including reserves, to pay the reasonable costs of an action under subsection (5) of this section.

(8) After taking an action under this section, the board shall promptly notify the unit owners of the action in a manner that is practicable and appropriate under the circumstances.

**Sec. 322.** RCW 64.90.510 and 2018 c 277 s 323 are each amended to read as follows:

(1)(a) An association may not prohibit display of the flag of the United States, or the flag of Washington state, on or within a unit or a limited common element, except that an association may adopt reasonable restrictions pertaining to the time, place, or manner of displaying the flag of the United States necessary to protect a substantial interest of the association.

(b) The association may not prohibit the installation of a flagpole for the display of the flag of the United States, or the flag of Washington state, on or within a unit or a limited common element, except that an association may adopt reasonable rules and regulations pertaining to the location and the size of the flagpole.

(c) For purposes of this section, "flag of the United States" means the flag of the United States as described in 4 U.S.C. Sec. 1 et seq. that is made of fabric, cloth, or paper. "Flag of the United States" does not mean a flag, depiction, or emblem made of lights, paint, roofing, siding, paving materials, flora, or balloons, or of any similar building, landscaping, or decorative components.

(2) ~~((The))~~An association may not prohibit display of signs, including outdoor signs, regarding candidates for public or association office, or ballot issues, on or within a unit or limited common element, but ~~((the))~~an association may adopt reasonable rules ~~((governing))~~ pertaining to the ~~((time, place, size, number,))~~ placement and manner of those displays.

(3) The association may not prohibit the installation of a solar energy panel on or within a unit so long as the solar panel:

(a) Meets applicable health and safety standards and requirements imposed by state and local permitting authorities;

(b) If used to heat water, is certified by the solar rating certification corporation or another nationally recognized certification agency. Certification must be for the solar energy panel and for installation; and

(4) The association may not prohibit a unit owner from storing containers for municipal or private collection, such as compost, garbage, and recycling receptacles, in any private garage, side yard, or backyard reserved for the exclusive use of a unit. However, the association may adopt and enforce rules requiring that such receptacles be screened from view and establishing acceptable dates and times that such receptacles may be presented for collection.

(5) The governing documents may:

(a) Prohibit the visibility of any part of a roof-mounted solar energy panel above the roof line;

(b) Permit the attachment of a solar energy panel to the slope of a roof facing a street only if:

(i) The solar energy panel conforms to the slope of the roof; and

(ii) The top edge of the solar energy panel is parallel to the roof ridge; and

(c) Require:

(i) A solar energy panel frame, a support bracket, or any visible piping or wiring to be painted to coordinate with the roofing material;

(ii) A unit owner or resident to shield a ground-mounted solar energy panel if shielding the panel does not prohibit economic installation of the solar energy panel or degrade the operational performance quality of the solar energy panel by more than ~~((ten))~~ 10 percent; and

(iii) Unit owners or residents who install solar energy panels to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of a solar energy panel.

~~((5))~~ (6) The governing documents may include other reasonable rules regarding the placement and manner of a solar energy panel.

~~((6))~~ (7) For purposes of this section, "solar energy panel" means a panel device or

(a) The heating or cooling of a structure or building;

(b) The heating or pumping of water;

(c) Industrial, commercial, or agricultural processes; or

(d) The generation of electricity.

~~((7))~~ (8) This section must not be construed to permit installation by a unit owner of a solar panel on or in common elements without approval of the board.

~~((8))~~ (9) Unit owners may peacefully assemble on the common elements to consider matters related to the common interest community, but the association may adopt rules governing the time, place, and manner of those assemblies.

~~((9))~~ (10) An association may adopt rules that affect the use or occupancy of or behavior in units that may be used for residential purposes, only to:

(a) Implement a provision of the declaration;

(b) Regulate any behavior in or occupancy of a unit that violates the declaration or adversely affects the use and enjoyment of other units or the common elements by other occupants; and

(c) Restrict the leasing of residential units to the extent those rules are reasonably designed to meet underwriting requirements of institutional lenders that regularly make loans secured by first mortgages on units in comparable common interest communities or that regularly purchase those mortgages.

**Sec. 323.** RCW 64.90.515 and 2018 c 277 s 324 are each amended to read as follows:

(1) Notice to the association, board, or any owner or occupant of a unit under this chapter must be provided in the form of a record.

(2) Notice provided in a tangible medium may be transmitted by mail, private carrier, or personal delivery; telegraph or teletype; or telephone, wire, or wireless equipment that transmits a facsimile of the notice.

(a) Notice in a tangible medium to an association may be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report or provided by notice to the unit owners, or to the president or secretary of the association at the address shown in the association's most recent annual report or provided by notice to the unit owners.

(b) Notice in a tangible medium to a unit owner or occupant must be addressed to the unit address unless the unit owner or occupant has requested, in a record delivered to the association, that notices be sent to an alternate address or by other method allowed by this section and the governing documents.

(3) Notice may be provided in an electronic transmission as follows:

(a) Notice to unit owners or board members by electronic transmission is

effective only upon unit owners and board members who have consented, in the form of a record, to receive electronically transmitted notices under this chapter and have designated in the consent the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law. An owner's consent under this subsection (3) (a), and any other notice in the form of a record delivered to the association from time to time, may indicate whether the owner elects to keep the owner's electronic address confidential and exempt from disclosure by the association pursuant to RCW 64.90.495(2). Failure to deliver such notice permits disclosure by the association.

(b) Notice to unit owners or board members under this subsection includes material that this chapter or the governing documents requires or permits to accompany the notice.

(c) A unit owner or board member who has consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in the form of a record.

(d) The consent of any unit owner or board member is revoked if: The association is unable to electronically transmit two consecutive notices given by the association in accordance with the consent, and this inability becomes known to the secretary of the association or any other person responsible for giving the notice. The inadvertent failure by the association to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to unit owners or board members who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the unit owner or board member a separate record of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(f) Notice to an association in an electronic transmission is effective only with respect to an association that has designated in a record an address, location, or system to which the notices may be electronically transmitted.

(4) Notice may be given by any other method reasonably calculated to provide notice to the recipient.

(5) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and a separate record of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(6) The ineffectiveness of a good faith effort to deliver notice by an authorized

means does not invalidate action taken at or without a meeting.

(7) If this chapter prescribes different or additional notice requirements for particular circumstances, those requirements govern.

**Sec. 324.** RCW 64.90.570 and 2023 c 203 s 4 are each amended to read as follows:

(1) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, ~~((regulation,))~~ provision of a governing document, or master deed provision that effectively prohibits ~~((r))~~ or unreasonably restricts ~~((r or limits, directly or indirectly,))~~ the use of a unit as a licensed family care home child care operated by a family day care provider or as a licensed child day care center, except as provided in subsection (2) of this section.

(2) (a) Nothing in this section prohibits a unit owners association from imposing reasonable ~~((regulations))~~ rules on a family home child care or a child day care center including, but not limited to, architectural standards, as long as those ~~((regulations))~~ rules are identical to those applied to all other units ~~((within the same association))~~ restricted to similar uses within the same common interest community as the family home child care or the child day care center.

(b) An association may require that only a unit with direct access may be used as a family home child care or child day care center. ~~((Direct access must be either from the outside of the building if the common interest community is in a building,))~~ A unit has direct access if it is accessible from public property or through publicly accessible common elements.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, ~~((regulation,))~~ provision of a governing document, or master deed provision that requires a family home child care or a child day care center operating out of a unit within the association to:

(i) Be licensed under chapter 43.216 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the family home child care or the child day care center, excluding claims arising ~~((in))~~ from the condition of a common element ~~((s))~~ that the association is solely responsible for maintaining ~~((under the governing documents));~~

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of the family home child care or the child day care center from the parent, guardian, or caretaker of each child being cared for by the family home child care or the child day care center. However, an association may not require that a waiver of liability under this subsection be notarized; ~~((and))~~

(iv) Obtain day care insurance as defined in RCW 48.88.020 or provide self-insurance pursuant to chapter 48.90 RCW, consistent with the requirements in RCW 43.216.700; and

(v) Pay any costs or expenses, including insurance costs, arising from the operation of the facility.

(3) A unit owners association that willfully violates this section is liable to the family day care provider or the child day care center for actual damages, and shall pay a civil penalty to the family day care provider or the child day care center in an amount not to exceed \$1,000.

(4) For the purposes of this section, the terms "family day care provider" and "child day care center" have the same meanings as in RCW 43.216.010.

NEW SECTION. Sec. 325. A new section is added to chapter 64.90 RCW to read as follows:

(1) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that effectively prohibits or unreasonably restricts the use of a unit as an adult family home, except as provided in subsection (2) of this section.

(2)(a) Nothing in this section prohibits a unit owners association from imposing reasonable rules on an adult family home including, but not limited to, architectural standards, as long as those rules are identical to those applied to all other units restricted to similar uses within the same common interest community as an adult family home.

(b) An association may require that only a unit with direct access may be used as an adult family home. A unit has direct access if it is accessible from public property or through publicly accessible common elements.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that requires an adult family home operating out of a unit within the association to:

(i) Be licensed under chapter 70.128 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the adult family home, excluding claims arising from the condition of a common element that the association is solely responsible for maintaining;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of an adult family home from each resident, or resident's guardian, being cared for by the adult family home. (2) A declarant may transfer responsibility for preparation of all or a part of the public offering statement to a successor declarant or to a dealer who intends to offer units in the common interest community. In the event of any such transfer the transferor shall provide the transferee with any information necessary to enable the transferee to fulfill the requirements of subsection (1) of this section.

(3)(a) Any declarant or dealer who offers ~~((to convey))~~ a unit ~~((for the person's own account))~~ to a purchaser ~~((must provide the purchaser of the unit with a copy of))~~ shall deliver a public offering statement ((and all material amendments to the public offering statement before conveyance of that unit)) in the manner prescribed in RCW 64.90.635.

(5) A declarant or dealer is not required to (~~prepare and~~) deliver a public offering statement in connection with the sale of any unit (~~(owned by the declarant)~~), or to obtain for or provide to the purchaser a report or statement required under RCW 64.90.610(1)(oo), 64.90.620(1), or 64.90.655, upon the later of:

(2) The public offering statement must begin with notices substantially in the following forms and in conspicuous type:

(a) "RIGHT TO CANCEL. (1) You are entitled to receive a copy of this public offering statement and all material amendments to this public offering statement before conveyance of your unit. Under RCW 64.90.635, you have the right to cancel your contract for the purchase of your unit within seven days after first receiving this public offering statement. If this public offering statement is first provided to you more than seven days before you sign your contract for the purchase of your unit, you have no right to cancel your contract. If this public offering statement is first provided to you seven days or less before you sign your contract for the purchase of your unit, you have the right to cancel, before conveyance of the unit, the executed contract by delivering, no later than the seventh day after first receiving this

public offering statement, a notice of cancellation pursuant to section (3) of this notice. If this public offering statement is first provided to you less than seven days before the closing date for the conveyance of your unit, you may, before conveyance of your unit to you, extend the closing date to a date not more than seven days after you first received this public offering statement, so that you may have seven days to cancel your contract for the purchase of your unit.

(2) You have no right to cancel your contract upon receipt of an amendment to this public offering statement; however, this does not eliminate any right to rescind your contract, due to the disclosure of the information in the amendment, that is otherwise available to you under generally applicable contract law.

(3) If you elect to cancel your contract pursuant to this notice, you may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the seller at the address set forth in this public offering statement or at the address of the seller's registered agent for service of process. The date of such notice is the date of receipt, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by you before cancellation must be refunded promptly."

(b) "OTHER DOCUMENTS CREATING BINDING LEGAL OBLIGATIONS. This public offering statement is a summary of some of the significant aspects of purchasing a unit in this common interest community. The governing documents and the purchase agreement are complex, contain other important information, and create binding legal obligations. You should consider seeking the assistance of legal counsel."

(c) "OTHER REPRESENTATIONS. You may not rely on any statement, promise, model, depiction, or description unless it is (1) contained in the public offering statement delivered to you or (2) made in writing signed by the declarant or dealer or the declarant's or dealer's agent identified in the public offering statement. A statement of opinion, or a commendation of the real estate, its quality, or its value, does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change."

(d) "MODEL UNITS. Model units are intended to provide you with a general idea of what a finished unit might look like. Units being offered for sale may vary from the model unit in terms of floor plan, fixtures, finishes, and equipment. You are advised to obtain specific information about the unit you are considering purchasing."

(e) "RESERVE STUDY. The association [does] [does not] have a current reserve study. Any reserve study should be reviewed carefully. It may not include all reserve components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or

replacement. You may encounter certain risks, including being required to pay as a special assessment your share of expenses for the cost of major maintenance, repair, or replacement of a reserve component, as a result of the failure to: (1) Have a current reserve study or fully funded reserves, (2) include a component in a reserve study, or (3) provide any or sufficient contributions to a reserve account for a component."

(f) "DEPOSITS AND PAYMENTS. Only earnest money and reservation deposits are required to be placed in an escrow or trust account. Any other payments you make to the seller of a unit are at risk and may be lost if the seller defaults."

(g) "CONSTRUCTION DEFECT CLAIMS. Chapter 64.50 RCW contains important requirements you must follow before you may file a lawsuit for defective construction against the seller or builder of your home. Forty-five days before you file your lawsuit, you must deliver to the seller or builder a written notice of any construction conditions you allege are defective and provide your seller or builder the opportunity to make an offer to repair or pay for the defects. You are not obligated to accept any offer made by the builder or seller. There are strict deadlines and procedures under state law, and failure to follow them may affect your ability to file a lawsuit."

(h) "ASSOCIATION INSURANCE. The extent to which association insurance provides coverage for the benefit of unit owners (including furnishings, fixtures, and equipment in a unit) is determined by the provisions of the declaration and the association's insurance policy, which may be modified from time to time. You and your personal insurance agent should read the declaration and the association's policy prior to closing to determine what insurance is required of the association and unit owners, unit owners' rights and duties, what is and is not covered by the association's policy, and what additional insurance you should obtain."

(i) "QUALIFIED WARRANTY. Your unit [is] [is not] covered by a qualified warranty under chapter 64.35 RCW."

(j) "THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND OTHER WRITTEN INSTRUMENTS GRANTING AUTHORITY TO THE ASSOCIATION AS ADOPTED (THE "GOVERNING DOCUMENTS")."

THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A MEMBER OF THE ASSOCIATION AND WILL BE SUBJECT TO THE GOVERNING DOCUMENTS.

THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS TO THE ASSOCIATION WHICH MAY INCLUDE REGULAR AND SPECIAL ASSESSMENTS, FINES, FEES, INTEREST, LATE CHARGES, AND COSTS OF COLLECTION, INCLUDING REASONABLE ATTORNEYS' FEES.

THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL UNIT FOR ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE. FAILURE TO PAY ASSESSMENTS COULD RESULT IN THE FILING OF A LIEN ON THE UNIT AND LOSS OF THE UNIT THROUGH FORECLOSURE.

THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING CHANGES TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF THE ASSOCIATION, AND MAY ALSO IMPOSE RESTRICTIONS ON THE USE OF UNIT, DISPLAY OF SIGNS, CERTAIN BEHAVIORS, AND OTHER ITEMS.

PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE CURRENT STATE OF THE ASSOCIATION'S FINANCES, THE CURRENT RESERVE STUDY, IF ANY, THE GOVERNING DOCUMENTS, AND THE OTHER INFORMATION AVAILABLE IN THE RESALE CERTIFICATE. THE GOVERNING DOCUMENTS CONTAIN IMPORTANT INFORMATION AND CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

(3) The public offering statement must include copies of each of the following documents: The declaration; the map; the organizational documents; the rules, if any; the current or proposed budget for the association; a dated balance sheet of the association; any inspection and repair report or reports prepared in accordance with the requirements of RCW 64.55.090; and any qualified warranty provided to a purchaser by a declarant together with a history of claims under the qualified warranty. If any of these documents are not in final form, the documents must be marked "draft" and, before closing the sale of a unit, the purchaser must be given notice of any material changes to the draft documents.

(4) A declarant must promptly amend the public offering statement to reflect any material change in the information required under this section.

**Sec. 329.** RCW 64.90.635 and 2018 c 277 s 408 are each amended to read as follows:

(1) A person required to deliver a public offering statement pursuant to 64.90.605(3) (a) shall provide a purchaser with a copy of the public offering statement and all amendments thereto before conveyance of the unit, and not later than the date of any contract of sale. The purchaser may cancel a contract for the purchase of the unit within seven days after first receiving the public offering statement. If the public offering statement is first provided to a purchaser more than seven days before execution of a contract for the purchase of a unit, the purchaser does not have the right under this section to cancel the executed contract. If the public offering statement is first provided to a purchaser seven days or less before the purchaser signs a contract for the purchase of a unit, the purchaser, before conveyance of the unit to the purchaser, may cancel the contract by delivering, no later than the seventh day after first receiving the public offering statement, a notice of cancellation, delivered pursuant to subsection (3) of this section. If the public offering statement is first provided to a purchaser less than seven days before the closing date for the conveyance of that unit, the purchaser may, before conveyance of the unit to the purchaser, extend the closing date to a date not more than seven days after the purchaser first received the public offering statement.

(2) A purchaser does not have the right under this section to cancel a contract upon receipt of an amendment to a public offering statement. This subsection ~~((must not be construed to))~~ does not eliminate any right that is otherwise available to the purchaser under generally applicable contract law to rescind the contract due to ~~((the disclosure of))~~ a material change in the information disclosed in the amendment.

(3) If a purchaser elects to cancel a contract under subsection (1) of this section, the purchaser may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the declarant at the address set forth in the public offering statement or at the address of the declarant's registered agent for service of process. The date of such notice is the date of receipt of delivery, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by the purchaser before cancellation must be refunded promptly. There is no liability for failure to deliver any amendment unless such failure would have entitled the purchaser under generally applicable legal principles to cancel the contract for the purchase of the unit had the undisclosed information been evident to the purchaser before the closing of the purchase.

(4) The language of the notice required under RCW 64.90.610(2)(a) must not be construed to modify the rights set forth in this section.

**Sec. 330.** RCW 64.90.640 and 2022 c 27 s 6 are each amended to read as follows:

(1) Except in the case of a sale when delivery of a public offering statement is required, or unless exempt under RCW 64.90.600(2), or unless the purchaser has expressly waived receipt of the resale certificate under RCW 64.90.600(4) and has not waived receipt of the seller disclosure statement under RCW 64.06.010, a unit owner must furnish to a purchaser before execution of any contract for sale of a unit, or otherwise before conveyance, a resale certificate, signed by an officer or authorized agent of the association and based on the books and records of the association and the actual knowledge of the person signing the certificate, containing:

(a) A statement disclosing any right of first refusal or other restraint on the free alienability of the unit contained in the declaration;

(o) A statement as to whether the board has received notice in a record from a governmental agency of any violation of environmental, health, or building codes with respect to the seller's unit, the limited common elements allocated to that unit, or any other portion of the common interest community that has not been cured;

(s) A statement describing any pending sale or encumbrance of common elements;

(t) A statement disclosing the effect on the unit to be conveyed of any restriction ~~((s))~~ on the ~~((owner's))~~ right to use or occupy the unit ~~((or to))~~, including a restriction on a lease or other rental of the unit ~~((to another person))~~;

"This association does not have a current reserve study. The lack of a current reserve study poses certain risks to you, the purchaser. Insufficient reserves may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a common element."; and

(z) The resale certificate must include a notice in substantially the following form and in conspicuous type:

"THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND OTHER WRITTEN INSTRUMENTS GRANTING AUTHORITY TO THE ASSOCIATION AS ADOPTED (THE "GOVERNING DOCUMENTS"). THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A MEMBER OF THE ASSOCIATION AND WILL BE SUBJECT TO THE GOVERNING DOCUMENTS. THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS TO THE ASSOCIATION WHICH MAY INCLUDE REGULAR AND SPECIAL ASSESSMENTS, FINES, FEES, INTEREST, LATE CHARGES, AND COSTS OF COLLECTION, INCLUDING REASONABLE ATTORNEYS' FEES. THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL UNIT FOR ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE. FAILURE TO PAY ASSESSMENTS COULD RESULT IN THE FILING OF A LIEN ON THE UNIT AND

LOSS OF THE UNIT THROUGH FORECLOSURE. THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING CHANGES TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF THE ASSOCIATION, AND MAY ALSO IMPOSE RESTRICTIONS ON THE USE OF UNIT, DISPLAY OF SIGNS, CERTAIN BEHAVIORS, AND OTHER ITEMS. PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE CURRENT STATE OF THE ASSOCIATION'S FINANCES, THE CURRENT RESERVE STUDY, IF ANY, THE GOVERNING DOCUMENTS, AND THE OTHER INFORMATION AVAILABLE IN THE RESALE CERTIFICATE. THE GOVERNING DOCUMENTS CONTAIN IMPORTANT INFORMATION AND CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

(2) The superior courts of this state shall appoint as receiver of property located in this state a person who has been appointed by a federal or state court located elsewhere as receiver with respect to the property specifically or with respect to the owner's property generally, upon the application of the person or of any party to that foreign proceeding, and following the appointment shall give effect to orders, judgments, and decrees of the foreign court affecting the property in this state held by the receiver, unless the court determines that to do so would be manifestly unjust or inequitable. The venue of such a proceeding may be any county in which the person resides or maintains any office, or any county in which any property over which the receiver is to be appointed is located at the time the proceeding is commenced.

(3) At least seven days' notice of any application for the appointment of a receiver must be given to the owner of property to be subject thereto and to all

other parties in the action, and to other parties in interest as the court may require. If any execution by a judgment creditor under Title 6 RCW or any application by a judgment creditor for the appointment of a receiver, with respect to property over which the receiver's appointment is sought, is pending in any other action at the time the application is made, then notice of the application for the receiver's appointment also must be given to the judgment creditor in the other action. The court may shorten or expand the period for notice of an application for the appointment of a receiver upon good cause shown.

(4) The order appointing a receiver in all cases must reasonably describe the property over which the receiver is to take charge, by category, individual items, or both if the receiver is to take charge of less than all of the owner's property. If the order appointing a receiver does not expressly limit the receiver's authority to designated property or categories of property of the owner, the receiver is a general receiver with the authority to take charge over all of the owner's property, wherever located.

(5) The court may condition the appointment of a receiver upon the giving of security by the person seeking the receiver's appointment, in such amount as the court may specify, for the payment of costs and damages incurred or suffered by any person should it later be determined that the appointment of the receiver was wrongfully obtained.

**Sec. 402.** RCW 7.60.110 and 2011 c 34 s 4 are each amended to read as follows:

(1) Except as otherwise ordered by the court, the entry of an order appointing a general receiver or a custodial receiver with respect to all of a person's property shall operate as a stay, applicable to all persons, of:

(a) The commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the person over whose property the receiver is appointed that was or could have been commenced before the entry of the order of appointment, or to recover a claim against the person that arose before the entry of the order of appointment;

(b) The enforcement, against the person over whose property the receiver is appointed or any estate property, of a judgment obtained before the order of appointment;

(c) Any act to obtain possession of estate property from the receiver, or to interfere with, or exercise control over, estate property;

(d) Any act to create, perfect, or enforce any lien or claim against estate property except by exercise of a right of setoff, to the extent that the lien secures a claim against the person that arose before the entry of the order of appointment; or

(e) Any act to collect, assess, or recover a claim against the person that

arose before the entry of the order of appointment.

(2) The stay shall automatically expire as to the acts specified in subsection (1) (a), (b), and (e) of this section sixty days after the entry of the order of appointment unless before the expiration of the sixty-day period the receiver, for good cause shown, obtains an order of the court extending the stay, after notice and a hearing. A person whose action or proceeding is stayed by motion to the court may seek relief from the stay for good cause shown. Any judgment obtained against the person over whose property the receiver is appointed or estate property following the entry of the order of appointment is not a lien against estate property unless the receivership is terminated prior to a conveyance of the property against which the judgment would otherwise constitute a lien.

(3) The entry of an order appointing a receiver does not operate as a stay of:

(a) The continuation of a judicial action or nonjudicial proceeding of the type described in RCW 7.60.025(1) (b) ~~((τ))~~ or ~~((ff))~~, if the action or proceeding was initiated by the party seeking the receiver's appointment;

(b) The commencement or continuation of a criminal proceeding against the person over whose property the receiver is appointed;

(c) The commencement or continuation of an action or proceeding to establish paternity, or to establish or modify an order for alimony, maintenance, or support, or to collect alimony, maintenance, or support under any order of a court;

(d) Any act to perfect, or to maintain or continue the perfection of, an interest in estate property if the interest perfected would be effective against a creditor of the person over whose property the receiver is appointed holding at the time of the entry of the order of appointment either a perfected nonpurchase money security interest under chapter 62A.9A RCW against the property involved, or a lien by attachment, levy, or the like, whether or not such a creditor exists. If perfection of an interest would require seizure of the property involved or the commencement of an action, the perfection shall instead be accomplished by filing, and by serving upon the receiver, or receiver's counsel, if any, notice of the interest within the time fixed by law for seizure or commencement;

(e) The commencement or continuation of an action or proceeding by a governmental unit to enforce its police or regulatory power;

(f) The enforcement of a judgment, other than a money judgment, obtained in an action or proceeding by a governmental unit to enforce its police or regulatory power, or with respect to any licensure of the person over whose property the receiver is appointed;

(g) The exercise of a right of setoff, including but not limited to (i) any right of a commodity broker, forward contract merchant, stockbroker, financial institution, or securities clearing agency to set off a claim for a margin payment or settlement payment arising out of a commodity contract, forward contract, or

securities contract against cash, securities, or other property held or due from the commodity broker, forward contract merchant, stockbroker, financial institution, or securities clearing agency to margin, guarantee, secure, or settle the commodity contract, forward contract, or securities contract, and (ii) any right of a swap participant to set off a claim for a payment due to the swap participant under or in connection with a swap agreement against any payment due from the swap participant under or in connection with the swap agreement or against cash, securities, or other property of the debtor held by or due from the swap participant to guarantee, secure, or settle the swap agreement; or

(h) The establishment by a governmental unit of any tax liability and any appeal thereof.

Such 90-day notice shall be in lieu of the notice required by subsection (1) of this section. However, if after giving the 90-day notice the change in policy is delayed, the

(e) Nothing prohibits a landlord and tenant from entering into subsequent lease agreements that are in compliance with the requirements in subsection (2) of this section.

(f) A tenant may end a tenancy for a specified time by providing notice in writing not less than 20 days prior to the ending date of the specified time.

(2) The following reasons listed in this subsection constitute cause pursuant to subsection (1) of this section:

(a) The tenant continues in possession in person or by subtenant after a default in the payment of rent, and after written notice requiring, in the alternative, the payment of the rent or the surrender of the detained premises has remained uncomplied with for the period set forth in RCW 59.12.030(3) for tenants subject to this chapter. The written notice may be served at any time after the rent becomes due;

(b) The tenant continues in possession after substantial breach of a material program requirement of subsidized housing, material term subscribed to by the tenant within the lease or rental agreement, or a tenant obligation imposed by law, other than one for monetary damages, and after the landlord has served written notice specifying the acts or omissions constituting the breach and requiring, in the alternative, that the breach be remedied or the rental agreement will end, and the breach has not been adequately remedied by the date specified in the notice, which date must be at least 10 days after service of the notice;

(c) The tenant continues in possession after having received at least three days' advance written notice to quit after he or she commits or permits waste or nuisance upon the premises, unlawful activity that affects the use and enjoyment of the premises, or other substantial or repeated and unreasonable interference with the use and enjoyment of the premises by the landlord or neighbors of the tenant;

(d) The tenant continues in possession after the landlord of a dwelling unit in good faith seeks possession so that the owner or his or her immediate family may occupy the unit as that person's principal residence and no substantially equivalent unit is vacant and available to house the owner or his or her immediate family in the same building, and the owner has provided at least 90 days' advance written notice of the date the tenant's possession is to end. There is a rebuttable presumption that the owner did not act in good faith if the owner or immediate family fails to occupy the unit as a principal residence for at least 60 consecutive days during the 90 days immediately after the tenant vacated the unit pursuant to a notice to vacate using this subsection (2)(d) as the cause for the lease ending;

(e) The tenant continues in possession after the owner elects to sell a single-family residence and the landlord has provided at least 90 days' advance written notice of the date the tenant's possession is to end. For the purposes of this subsection (2)(e), an owner "elects to sell" when the owner makes reasonable attempts to sell the dwelling within 30 days after the tenant has vacated, including, at a minimum, listing it for sale at a reasonable price with a realty agency or advertising it for sale at a reasonable price by listing it on the real estate multiple listing service. There shall be a rebuttable presumption that the owner did not intend to sell the unit if:

(i) Within 30 days after the tenant has vacated, the owner does not list the single-family dwelling unit for sale at a reasonable price with a realty agency or advertise it for sale at a reasonable price by listing it on the real estate multiple listing service; or

(ii) Within 90 days after the date the tenant vacated or the date the property was listed for sale, whichever is later, the owner withdraws the rental unit from the market, the landlord rents the unit to someone other than the former tenant, or the landlord otherwise indicates that the owner does not intend to sell the unit;

(f) The tenant continues in possession of the premises after the landlord serves the tenant with advance written notice pursuant to RCW 59.18.200(2)(c);

(g) The tenant continues in possession after the owner elects to withdraw the premises to pursue a conversion pursuant to RCW ((~~64.34.440 or~~) 64.90.655;

(h) The tenant continues in possession, after the landlord has provided at least 30 days' advance written notice to vacate that:

(i) The premises has been certified or condemned as uninhabitable by a local agency charged with the authority to issue such an order; and (ii) continued habitation of the premises would subject the landlord to civil or criminal penalties. However, if the terms of the local agency's order do not allow the landlord to provide at least 30 days' advance written notice, the landlord must provide as much advance written notice as is possible and still comply with the order;

(i) The tenant continues in possession after an owner or lessor, with whom the tenant shares the dwelling unit or access to a common kitchen or bathroom area, has served at least 20 days' advance written notice to vacate prior to the end of the rental term or, if a periodic tenancy, the end of the rental period;

(j) The tenant continues in possession of a dwelling unit in transitional housing after having received at least 30 days' advance written notice to vacate in advance of the expiration of the transitional housing program, the tenant has aged out of the transitional housing program, or the tenant has completed an educational or training or service program and is no longer eligible to participate in the transitional housing program. Nothing in this subsection (2)(j) prohibits the ending of a tenancy in transitional housing for any of the other causes specified in this subsection;

(k) The tenant continues in possession of a dwelling unit after the expiration of a rental agreement without signing a proposed new rental agreement proffered by the landlord; provided, that the landlord proffered the proposed new rental agreement at least 30 days prior to the expiration of the current rental agreement and that any new terms and conditions of the proposed new rental agreement are reasonable. This subsection (2)(k) does not apply to tenants whose tenancies are or have become periodic;

(l) The tenant continues in possession after having received at least 30 days' advance written notice to vacate due to intentional, knowing, and material misrepresentations or omissions made on the

tenant's application at the inception of the tenancy that, had these misrepresentations or omissions not been made, would have resulted in the landlord requesting additional information or taking an adverse action;

(m) The tenant continues in possession after having received at least 60 days' advance written notice to vacate for other good cause prior to the end of the period or rental agreement and such cause constitutes a legitimate economic or business reason not covered or related to a basis for ending the lease as enumerated under this subsection (2). When the landlord relies on this basis for ending the tenancy, the court may stay any writ of restitution for up to 60 additional days for good cause shown, including difficulty procuring alternative housing. The court must condition such a stay upon the tenant's continued payment of rent during the stay period. Upon granting such a stay, the court must award court costs and fees as allowed under this chapter;

(n) (i) The tenant continues in possession after having received at least 60 days' written notice to vacate prior to the end of the period or rental agreement and the tenant has committed four or more of the following violations, other than ones for monetary damages, within the preceding 12-month period, the tenant has remedied or cured the violation, and the landlord has provided the tenant a written warning notice at the time of each violation: A substantial breach of a material program requirement of subsidized housing, a substantial breach of a material term subscribed to by the tenant within the lease or rental agreement, or a substantial breach of a tenant obligation imposed by law;

(ii) Each written warning notice must:

(A) Specify the violation;

(B) Provide the tenant an opportunity to cure the violation;

(C) State that the landlord may choose to end the tenancy at the end of the rental term if there are four violations within a 12-month period preceding the end of the term; and

(D) State that correcting the fourth or subsequent violation is not a defense to the ending of the lease under this subsection;

(iii) The 60-day notice to vacate must:

(A) State that the rental agreement will end upon the specified ending date for the rental term or upon a designated date not less than 60 days after the delivery of the notice, whichever is later;

(B) Specify the reason for ending the lease and supporting facts; and

(C) Be served to the tenant concurrent with or after the fourth or subsequent written warning notice;

(iv) The notice under this subsection must include all notices supporting the basis of ending the lease;

(v) Any notices asserted under this subsection must pertain to four or more separate incidents or occurrences; and

(vi) This subsection (2)(n) does not absolve a landlord from demonstrating by admissible evidence that the four or more violations constituted breaches under (b) of this subsection at the time of the violation

had the tenant not remedied or cured the violation;

(o) The tenant continues in possession after having received at least 60 days' advance written notice to vacate prior to the end of the rental period or rental agreement if the tenant is required to register as a sex offender during the tenancy, or failed to disclose a requirement to register as a sex offender when required in the rental application or otherwise known to the property owner at the beginning of the tenancy;

(p) The tenant continues in possession after having received at least 20 days' advance written notice to vacate prior to the end of the rental period or rental agreement if the tenant has made unwanted sexual advances or other acts of sexual harassment directed at the property owner, property manager, property employee, or another tenant based on the person's race, gender, or other protected status in violation of any covenant or term in the lease.

(3) When a tenant has permanently vacated due to voluntary or involuntary events, other than by the ending of the tenancy by the landlord, a landlord must serve a notice to any remaining occupants who had coresided with the tenant at least six months prior to and up to the time the tenant permanently vacated, requiring the occupants to either apply to become a party to the rental agreement or vacate within 30 days of service of such notice. In processing any application from a remaining occupant under this subsection, the landlord may require the occupant to meet the same screening, background, and financial criteria as would any other prospective tenant to continue the tenancy. If the occupant fails to apply within 30 days of receipt of the notice in this subsection, or the application is denied for failure to meet the criteria, the landlord may commence an unlawful detainer action under this chapter. If an occupant becomes a party to the tenancy pursuant to this subsection, a landlord may not end the tenancy except as provided under subsection (2) of this section. This subsection does not apply to tenants residing in subsidized housing.

(4) A landlord who removes a tenant or causes a tenant to be removed from a dwelling in any way in violation of this section is liable to the tenant for wrongful eviction, and the tenant prevailing in such an action is entitled to the greater of their economic and noneconomic damages or three times the monthly rent of the dwelling at issue, and reasonable attorneys' fees and court costs.

(5) Nothing in subsection (2)(d), (e), or (f) of this section permits a landlord to end a tenancy for a specified period before the completion of the term unless the landlord and the tenant mutually consent, in writing, to ending the tenancy early and the tenant is afforded at least 60 days to vacate.

(6) All written notices required under subsection (2) of this section must:

(a) Be served in a manner consistent with RCW 59.12.040; and

(b) Identify the facts and circumstances known and available to the landlord at the time of the issuance of the notice that support the cause or causes with enough specificity so as to enable the tenant to respond and prepare a defense to any incidents alleged. The landlord may present additional facts and circumstances regarding the allegations within the notice if such evidence was unknown or unavailable at the time of the issuance of the notice.

**Sec. 410.** RCW 61.24.030 and 2023 c 206 s 2 are each amended to read as follows:

It shall be requisite to a trustee's sale:

(1) That the deed of trust contains a power of sale;

(2) That the deed of trust contains a statement that the real property conveyed is not used principally for agricultural purposes; provided, if the statement is false on the date the deed of trust was granted or amended to include that statement, and false on the date of the trustee's sale, then the deed of trust must be foreclosed judicially. Real property is used for agricultural purposes if it is used in an operation that produces crops, livestock, or aquatic goods;

(3) That a default has occurred in the obligation secured or a covenant of the grantor, which by the terms of the deed of trust makes operative the power to sell;

(4) That no action commenced by the beneficiary of the deed of trust is now pending to seek satisfaction of an obligation secured by the deed of trust in any court by reason of the grantor's default on the obligation secured: PROVIDED, That (a) the seeking of the appointment of a receiver, or the filing of a civil case to obtain court approval to access, secure, maintain, and preserve property from waste or nuisance, shall not constitute an action for purposes of this chapter; and (b) if a receiver is appointed, the grantor shall be entitled to any rents or profits derived from property subject to a homestead as defined in RCW 6.13.010. If the deed of trust was granted to secure a commercial loan, this subsection shall not apply to actions brought to enforce any other lien or security interest granted to secure the obligation secured by the deed of trust being foreclosed;

(5) That the deed of trust has been recorded in each county in which the land or some part thereof is situated;

(6) That prior to the date of the notice of trustee's sale and continuing thereafter through the date of the trustee's sale, the trustee must maintain a street address in this state where personal service of process may be made, and the trustee must maintain a physical presence and have telephone service at such address;

(7)(a) That, for residential real property of up to four units, before the notice of trustee's sale is recorded, transmitted, or served, the trustee shall have proof that the beneficiary is the holder of any promissory note or other obligation secured by the deed of trust. A declaration by the beneficiary made under

the penalty of perjury stating that the beneficiary is the holder of any promissory note or other obligation secured by the deed of trust shall be sufficient proof as required under this subsection.

(b) Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the beneficiary's declaration as evidence of proof required under this subsection.

(c) This subsection (7) does not apply to association beneficiaries subject to chapter ((64.32, 64.34, or 64.38)) 64.90 RCW;

(8) That at least 30 days before notice of sale shall be recorded, transmitted or served, written notice of default and, for residential real property of up to four units, the beneficiary declaration specified in subsection (7)(a) of this section shall be transmitted by the beneficiary or trustee to the borrower and grantor at their last known addresses by both first-class and either registered or certified mail, return receipt requested, and the beneficiary or trustee shall cause to be posted in a conspicuous place on the premises, a copy of the notice, or personally served on the borrower and grantor. This notice shall contain the following information:

(a) A description of the property which is then subject to the deed of trust;

(b) A statement identifying each county in which the deed of trust is recorded and the document number given to the deed of trust upon recording by each county auditor or recording officer;

(c) A statement that the beneficiary has declared the borrower or grantor to be in default, and a concise statement of the default alleged;

(d) An itemized account of the amount or amounts in arrears if the default alleged is failure to make payments;

(f) A statement showing the total of (d) and (e) of this subsection, designated clearly and conspicuously as the amount necessary to reinstate the note and deed of trust before the recording of the notice of sale;

(g) A statement that failure to cure the alleged default within 30 days of the date of mailing of the notice, or if personally served, within 30 days of the date of personal service thereof, may lead to recordation, transmittal, and publication of a notice of sale, and that the property described in (a) of this subsection may be sold at public auction at a date no less than 120 days in the future, or no less than 150 days in the future if the borrower received a letter under RCW 61.24.031;

(h) A statement that the effect of the recordation, transmittal, and publication of a notice of sale will be to (i) increase the costs and fees and (ii) publicize the default and advertise the grantor's property for sale;

(i) A statement that the effect of the sale of the grantor's property by the trustee will be to deprive the grantor of

all their interest in the property described in (a) of this subsection;

(j) A statement that the borrower, grantor, and any guarantor has recourse to the courts pursuant to RCW 61.24.130 to contest the alleged default on any proper ground;

or other obligation secured by the deed of trust and the name, address, and telephone number of a party acting as a servicer of the obligations secured by the deed of trust;

(m) For notices issued after June 30, 2018, on the top of the first page of the notice:

(i) The current beneficiary of the deed of trust;

(ii) The current mortgage servicer for the deed of trust; and

(iii) The current trustee for the deed of trust;

(9) That, for residential real property of up to four units, before the notice of the trustee's sale is recorded, transmitted, or served, the beneficiary has complied with RCW 61.24.031 and, if applicable, RCW 61.24.163;

(10) That, in the case where the borrower or grantor is known to the mortgage servicer or trustee to be deceased, the notice required under subsection (8) of this section must be sent to any spouse, child, or parent of the borrower or grantor known to the trustee or mortgage servicer, and to any owner of record of the property, at any address provided to the trustee or mortgage servicer, and to the property addressed to the heirs and devisees of the borrower.

(a) If the name or address of any spouse, child, or parent of such deceased borrower or grantor cannot be ascertained with use of reasonable diligence, the trustee must execute and record with the notice of sale a declaration attesting to the same.

(b) Reasonable diligence for the purposes of this subsection (10) means the trustee shall search in the county where the property is located, the public records and information for any obituary, will, death certificate, or case in probate within the county for the borrower and grantor;

(11) Upon written notice identifying the property address and the name of the borrower to the servicer or trustee by someone claiming to be a successor in interest to the borrower's or grantor's property rights, but who is not a party to the loan or promissory note or other obligation secured by the deed of trust, a trustee shall not record a notice of sale pursuant to RCW 61.24.040 until the trustee or mortgage servicer completes the following:

(a) Acknowledges the notice in writing and requests reasonable documentation of the death of the borrower or grantor from the claimant including, but not limited to, a death certificate or other written evidence of the death of the borrower or grantor. Other written evidence of the death of the borrower or grantor may include an obituary, a published death notice, or documentation of an open probate action for the estate of the borrower or grantor. The claimant must be allowed 30 days from the date of this request to present this documentation. If the trustee or mortgage servicer has already obtained sufficient proof of the borrower's death, it may proceed by acknowledging the claimant's notice in writing and issuing a request under (b) of this subsection.

(b) If the mortgage servicer or trustee obtains or receives written documentation of

the death of the borrower or grantor from the claimant, or otherwise independently confirms the death of the borrower or grantor, then the servicer or trustee must request in writing documentation from the claimant demonstrating the ownership interest of the claimant in the real property. A claimant has 60 days from the date of the request to present this documentation. Documentation demonstrating the ownership interest of the claimant in the real property includes, but is not limited to, one of the following:

(i) Excerpts of a trust document noting the claimant as a beneficiary of a trust with title to the real property;

(ii) A will of the borrower or grantor listing the claimant as an heir or devisee with respect to the real property;

(iii) A probate order or finding of heirship issued by any court documenting the claimant as an heir or devisee or awarding the real property to the claimant;

(iv) A recorded lack of probate affidavit signed by any heir listing the claimant as an heir of the borrower or grantor pursuant to the laws of intestacy;

(v) A deed, such as a personal representative's deed, trustee's deed issued on behalf of a trust, statutory warranty deed, transfer on death deed, or other deed, giving any ownership interest to the claimant resulting from the death of the borrower or grantor or executed by the borrower or grantor for estate planning purposes; and

(vi) Other proof documenting the claimant as an heir of the borrower or grantor pursuant to state rules of intestacy set forth in chapter 11.04 RCW.

(c) If the mortgage servicer or trustee receives written documentation demonstrating the ownership interest of the claimant prior to the expiration of the 60 days provided in (b) of this subsection, then the servicer or trustee must, within 20 days of receipt of proof of ownership interest, provide the claimant with, at a minimum, the loan balance, interest rate and interest reset dates and amounts, balloon payments if any, prepayment penalties if any, the basis for the default, the monthly payment amount, reinstatement amounts or conditions, payoff amounts, and information on how and where payments should be made. The mortgage servicers shall also provide the claimant application materials and information, or a description of the process, necessary to request a loan assumption and modification.

(d) Upon receipt by the trustee or the mortgage servicer of the documentation establishing claimant's ownership interest in the real property, that claimant shall be deemed a "successor in interest" for the purposes of this section.

(e) There may be more than one successor in interest to the borrower's property rights. The trustee and mortgage servicer shall apply the provisions of this section to each successor in interest. In the case of multiple successors in interest, where one or more do not wish to assume the loan as coborrowers or coapplicants, a mortgage servicer may require any nonapplicant successor in interest to consent in writing to the application for loan assumption.

(f) The existence of a successor in interest under this section does not impose an affirmative duty on a mortgage servicer or alter any obligation the mortgage servicer has to provide a loan modification to the successor in interest. If a successor in interest assumes the loan, he or she may be required to otherwise qualify for available foreclosure prevention alternatives offered by the mortgage servicer.

(g) (c), (e), and (f) of this subsection (11) do not apply to association beneficiaries subject to chapter (~~64.32, 64.34, or 64.38~~) 64.90 RCW; and

(12) Nothing in this section shall prejudice the right of the mortgage servicer or beneficiary from discontinuing any foreclosure action initiated under the deed of trust act in favor of other allowed methods for pursuit of foreclosure of the security interest or deed of trust security interest.

**Sec. 411.** RCW 61.24.031 and 2021 c 151 s 4 are each amended to read as follows:

(1)(a) A trustee, beneficiary, or authorized agent may not issue a notice of default under RCW 61.24.030(8) until: (i) Thirty days after satisfying the due diligence requirements as described in subsection (5) of this section and the borrower has not responded; or (ii) if the borrower responds to the initial contact, ninety days after the initial contact with the borrower was initiated.

(b) A beneficiary or authorized agent shall make initial contact with the borrower by letter to provide the borrower with information required under (c) of this subsection and by telephone as required under subsection (5) of this section. The letter required under this subsection must be mailed in accordance with subsection (5)(a) of this section and must include the information described in (c) of this subsection and subsection (5)(e)(i) through (iv) of this section.

(c) The letter required under this subsection, developed by the department pursuant to RCW 61.24.033, at a minimum shall include:

(i) A paragraph printed in no less than twelve-point font and bolded that reads:

"You must respond within thirty days of the date of this letter. IF YOU DO NOT RESPOND within thirty days, a notice of default may be issued and you may lose your home in foreclosure.

IF YOU DO RESPOND within thirty days of the date of this letter, you will have an additional sixty days to meet with your lender before a notice of default may be issued.

You should contact a housing counselor or attorney as soon as possible. Failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party. A housing counselor or attorney can help you work with your lender to avoid foreclosure.

If you filed bankruptcy or have been discharged in bankruptcy, this communication

is not intended as an attempt to collect a debt from you personally, but is notice of enforcement of the deed of trust lien against the property. If you wish to avoid foreclosure and keep your property, this notice sets forth your rights and options.";

(ii) The toll-free telephone number from the United States department of housing and urban development to find a department-approved housing counseling agency, the toll-free numbers for the statewide foreclosure hotline recommended by the housing finance commission, and the statewide civil legal aid hotline for assistance and referrals to other housing counselors and attorneys;

(iii) A paragraph stating that a housing counselor may be available at little or no cost to the borrower and that whether or not the borrower contacts a housing counselor or attorney, the borrower has the right to request a meeting with the beneficiary; and

(iv) A paragraph explaining how the borrower may respond to the letter and stating that after responding the borrower will have an opportunity to meet with his or her beneficiary in an attempt to resolve and try to work out an alternative to the foreclosure and that, after ninety days from the date of the letter, a notice of default may be issued, which starts the foreclosure process.

(d) If the beneficiary has exercised due diligence as required under subsection (5) of this section and the borrower does not respond by contacting the beneficiary within thirty days of the initial contact, the notice of default may be issued. "Initial contact" with the borrower is considered made three days after the date the letter required in (b) of this subsection is sent.

(e) If a meeting is requested by the borrower or the borrower's housing counselor or attorney, the beneficiary or authorized agent shall schedule the meeting to occur before the notice of default is issued. An assessment of the borrower's financial ability to modify or restructure the loan obligation and a discussion of options must occur during the meeting scheduled for that purpose.

(f) The meeting scheduled to assess the borrower's financial ability to modify or restructure the loan obligation and discuss options to avoid foreclosure may be held telephonically, unless the borrower or borrower's representative requests in writing that a meeting be held in person. The written request for an in-person meeting must be made within thirty days of the initial contact with the borrower. If the meeting is requested to be held in person, the meeting must be held in the county where the property is located unless the parties agree otherwise. A person who is authorized to agree to a resolution, including modifying or restructuring the loan obligation or other alternative resolution to foreclosure on behalf of the beneficiary, must be present either in person or on the telephone or videoconference during the meeting.

(2) A notice of default issued under RCW 61.24.030(8) must include a declaration, as provided in subsection (9) of this section, from the beneficiary or authorized agent

that it has contacted the borrower as provided in subsection (1) of this section, it has tried with due diligence to contact the borrower under subsection (5) of this section, or the borrower has surrendered the property to the trustee, beneficiary, or authorized agent. Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the declaration as evidence that the requirements of this section have been satisfied, and the trustee is not liable for the beneficiary's or its authorized agent's failure to comply with the requirements of this section.

(3) If, after the initial contact under subsection (1) of this section, a borrower has designated a housing counseling agency, housing counselor, or attorney to discuss with the beneficiary or authorized agent, on the borrower's behalf, options for the borrower to avoid foreclosure, the borrower shall inform the beneficiary or authorized agent and provide the contact information to the beneficiary or authorized agent. The beneficiary or authorized agent shall contact the designated representative for the borrower to meet.

(4) The beneficiary or authorized agent and the borrower or the borrower's representative shall attempt to reach a resolution for the borrower within the ninety days from the time the initial contact is sent and the notice of default is issued. A resolution may include, but is not limited to, a loan modification, an agreement to conduct a short sale, or a deed in lieu of foreclosure transaction, or some other workout plan. Any modification or workout plan offered at the meeting with the borrower's designated representative by the beneficiary or authorized agent is subject to approval by the borrower.

(5) A notice of default may be issued under RCW 61.24.030(8) if a beneficiary or authorized agent has initiated contact with the borrower as required under subsection (1)(b) of this section and the failure to meet with the borrower occurred despite the due diligence of the beneficiary or authorized agent. Due diligence requires the following:

(a) A beneficiary or authorized agent shall first attempt to contact a borrower by sending, by both first-class and either registered or certified mail, return receipt requested, a letter to the address in the beneficiary's records for sending account statements to the borrower and to the address of the property encumbered by the deed of trust. The letter must be the letter described in subsection (1)(c) of this section.

(b)(i) After the letter has been sent, the beneficiary or authorized agent shall attempt to contact the borrower by telephone at least three times at different hours and on different days. Telephone calls must be made to the primary and secondary telephone numbers on file with the beneficiary or authorized agent.

(ii) A beneficiary or authorized agent may attempt to contact a borrower using an automated system to dial borrowers if the telephone call, when answered, is connected

to a live representative of the beneficiary or authorized agent.

(iii) A beneficiary or authorized agent satisfies the telephone contact requirements of this subsection (5)(b) if the beneficiary or authorized agent determines, after attempting contact under this subsection (5)(b), that the borrower's primary telephone number and secondary telephone number or numbers on file, if any, have been disconnected or are not good contact numbers for the borrower.

(iv) The telephonic contact under this subsection (5)(b) does not constitute the meeting under subsection (1)(f) of this section.

(c) If the borrower does not respond within fourteen days after the telephone call requirements of (b) of this subsection have been satisfied, the beneficiary or authorized agent shall send a certified letter, with return receipt requested, to the borrower at the address in the beneficiary's records for sending account statements to the borrower and to the address of the property encumbered by the deed of trust. The letter must include the information described in (e)(i) through (iv) of this subsection. The letter must also include a paragraph stating: "Your failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party."

(d) The beneficiary or authorized agent shall provide a means for the borrower to contact the beneficiary or authorized agent in a timely manner, including a toll-free telephone number or charge-free equivalent that will provide access to a live representative during business hours for the purpose of initiating and scheduling the meeting under subsection (1)(f) of this section.

(e) The beneficiary or authorized agent shall post a link on the home page of the beneficiary's or authorized agent's internet website, if any, to the following information:

(i) Options that may be available to borrowers who are unable to afford their mortgage payments and who wish to avoid foreclosure, and instructions to borrowers advising them on steps to take to explore those options;

(ii) A list of financial documents borrowers should collect and be prepared to present to the beneficiary or authorized agent when discussing options for avoiding foreclosure;

You may reinstate your Deed of Trust and the obligation secured thereby at any time up to and including the . . . . . day of . . . . ., . . . . . [11 days before the sale date], by paying the amount set forth or estimated above and by curing any other defaults described above. Any new defaults not involving payment of money that occur after the date of this notice must also be cured in order to effect reinstatement. In addition, because some of the charges can only be estimated at this time, and because the amount necessary to reinstate or to pay off the entire indebtedness may include presently unknown expenditures required to preserve the property or to comply with state or local law, it will be necessary for you to contact the Trustee before the time you tender reinstatement or the payoff amount so that you may be advised of the exact amount you will be required to pay. Tender of payment or performance must be made to: . . . . ., whose address is . . . . ., telephone ( ) . . . . . AFTER THE . . . . . The Trustee will respond to any written request for current payoff or reinstatement amounts within 10 days of

receipt of your written request. In such a case, you will only be able to stop the sale by paying, before the sale, the total principal balance (\$ . . . . .) plus accrued interest, costs and advances, if any, made pursuant to the terms of the documents and by curing the other defaults as outlined above.

You may contest this default by initiating court action in the Superior Court of the county in which the sale is to be held. In such action, you may raise any legitimate defenses you have to this default. A copy of your Deed of Trust and documents evidencing the obligation secured thereby are enclosed. You may wish to consult a lawyer. Legal action on your part may prevent or restrain the sale, but only if you persuade the court of the merits of your defense. You may contact the Department of Financial Institutions or the statewide civil legal aid hotline for possible assistance or referrals.

The court may grant a restraining order or injunction to restrain a trustee's sale pursuant to RCW 61.24.130 upon five days notice to the trustee of the time when, place where, and the judge before whom the application for the restraining order or injunction is to be made. This notice shall include copies of all pleadings and related documents to be given to the judge. Notice and other process may be served on the trustee at:

NAME: . . . . .  
ADDRESS: . . . . .  
TELEPHONE NUMBER: . . . . .

If you do not reinstate the secured obligation and your Deed of Trust in the manner set forth above, or if you do not succeed in restraining the sale by court action, your property will be sold. The effect of such sale will be to deprive you and all those who hold by, through or under you of all interest in the property;

(5) In addition, the trustee shall cause a copy of the notice of sale described in subsection (2)(d) of this section (excluding the acknowledgment) to be published in a legal newspaper in each county in which the property or any part thereof is situated, once on or between the 35th and 28th day before the date of sale, and once on or between the 14th and seventh day before the date of sale;

(6) In the case where no successor in interest has been established, and neither the beneficiary nor the trustee are able to ascertain the name and address of any spouse, child, or parent of the borrower or grantor in the manner described in RCW 61.24.030(10), then the trustee may, in addition to mailing notice to the property addressed to the unknown heirs and devisees of the grantor, serve the notice of sale by publication in a newspaper of general circulation in the county or city where the property is located once per week for three consecutive weeks. Upon this service by publication, to be completed not less than 30 days prior to the date the sale is

conducted, all unknown heirs shall be deemed served with the notice of sale;

(7) (a) If a servicer or trustee receives notification by someone claiming to be a successor in interest to the borrower or grantor, as under RCW 61.24.030(11), after the recording of the notice of sale, the trustee or servicer must request written documentation within five days demonstrating the ownership interest, provided that, the trustee may, but is not required to, postpone a trustee's sale upon receipt of such notification by someone claiming to be a successor in interest.

(b) Upon receipt of documentation establishing a claimant as a successor in interest, the servicer must provide the information in RCW 61.24.030(11)(c). Only if the servicer or trustee receives the documentation confirming someone as successor in interest more than 45 days before the scheduled sale must the servicer then provide the information in RCW 61.24.030(11)(c) to the claimant not less than 20 days prior to the sale.

(c) (b) of this subsection (7) does not apply to association beneficiaries subject to chapter ~~((64.32, 64.34, or 64.38))~~ 64.90 RCW;

(8) On the date and at the time designated in the notice of sale, the trustee or its authorized agent shall sell the property at public auction to the highest bidder. The trustee may sell the property in gross or in parcels as the trustee shall deem most advantageous;

(9) The place of sale shall be at any designated public place within the county where the property is located and if the property is in more than one county, the sale may be in any of the counties where the property is located. The sale shall be on Friday, or if Friday is a legal holiday on the following Monday, and during the hours set by statute for the conduct of sales of real estate at execution;

(10) The trustee has no obligation to, but may, for any cause the trustee deems advantageous, continue the sale for a period or periods not exceeding a total of 120 days by (a) a public proclamation at the time and place fixed for sale in the notice of sale and if the continuance is beyond the date of sale, by giving notice of the new time and place of the sale by both first class and either certified or registered mail, return receipt requested, to the persons specified in subsection (1)(b)(i) and (ii) of this section to be deposited in the mail (i) not less than four days before the new date fixed for the sale if the sale is continued for up to seven days; or (ii) not more than three days after the date of the continuance by oral proclamation if the sale is continued for more than seven days, or, alternatively, (b) by giving notice of the time and place of the postponed sale in the manner and to the persons specified in subsection (1)(b), (c), (d), and (e) of this section and publishing a copy of such notice once in the newspaper(s) described in subsection (5) of this section, more than seven days before the date fixed for sale in the notice of sale. No other notice of the postponed sale need be given;

(11) The purchaser shall forthwith pay the price bid. On payment and subject to RCW 61.24.050, the trustee shall execute to the purchaser its deed. The deed shall recite the facts showing that the sale was conducted in compliance with all of the requirements of this chapter and of the deed of trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrancers for value, except that these recitals shall not affect the lien or interest of any person entitled to notice under subsection (1) of this section, if the trustee fails to give the required notice to such person. In such case, the lien or interest of such omitted person shall not be affected by the sale and such omitted person shall be treated as if such person was the holder of the same lien or interest and was omitted as a party defendant in a judicial foreclosure proceeding;

(12) The sale as authorized under this chapter shall not take place less than 190 days from the date of default in any of the obligations secured;

(13) If the trustee elects to foreclose the interest of any occupant or tenant of property comprised solely of a single-family residence, or a condominium, cooperative, or other dwelling unit in a multiplex or other building containing fewer than five residential units, the following notice shall be included as Part X of the Notice of Trustee's Sale:

(1) If the qualified insurer makes a payment or assumes liability for any payment or repair under a qualified warranty, the owner and association must fully support and assist the qualified insurer in pursuing any rights that the qualified insurer may have against the declarant, and any construction professional that has contractual or common law obligations to the declarant, whether such rights arose by contract, subrogation, or otherwise.

A qualified warranty may include mandatory binding arbitration of all disputes arising out of or in connection with a qualified warranty. The provision may provide that all claims for a single condominium be heard by the same arbitrator, but shall not permit the joinder or consolidation of any other person or entity. The arbitration shall comply with the following minimum procedural standards:

(1) Any demand for arbitration shall be delivered by certified mail return receipt requested, and by ordinary first-class mail.

The party initiating the arbitration shall address the notice to the address last known to the initiating party in the exercise of reasonable diligence, and also, for any entity which is required to have a registered agent in the state of Washington, to the address of the registered agent. Demand for arbitration is deemed effective three days after the date deposited in the mail((+)).

(2) All disputes shall be heard by one qualified arbitrator, unless the parties agree to use three arbitrators. If three arbitrators are used, one shall be appointed by each of the disputing parties and the first two arbitrators shall appoint the third, who will chair the panel. The parties shall select the identity and number of the arbitrator or arbitrators after the demand for arbitration is made. If, within thirty days after the effective date of the demand for arbitration, the parties fail to agree on an arbitrator or the agreed number of arbitrators fail to be appointed, then an arbitrator or arbitrators shall be appointed under RCW 7.04.050 by the presiding judge of the superior court of the county in which the condominium is located((+)).

(3) In any arbitration, at least one arbitrator must be a lawyer or retired judge. Any additional arbitrator must be either a lawyer or retired judge or a person who has experience with construction and engineering standards and practices, written construction warranties, or construction dispute resolution. No person may serve as an arbitrator in any arbitration in which that person has any past or present financial or personal interest((+)).

(4) The arbitration hearing must be conducted in a manner that permits full, fair, and expeditious presentation of the case by both parties. The arbitrator is bound by the law of Washington state. Parties may be, but are not required to be, represented by attorneys. The arbitrator may permit discovery to ensure a fair hearing, but may limit the scope or manner of discovery for good cause to avoid excessive delay and costs to the parties. The parties and the arbitrator shall use all reasonable efforts to complete the arbitration within six months of the effective date of the demand for arbitration or, when applicable, the service of the list of defects in accordance with RCW 64.50.030((+)).

(5) Except as otherwise set forth in this section, arbitration shall be conducted under chapter 7.04 RCW, unless the parties elect to use the construction industry arbitration rules of the American arbitration association, which are permitted to the extent not inconsistent with this section. The expenses of witnesses including expert witnesses shall be paid by the party producing the witnesses. All other expenses of arbitration shall be borne equally by the parties, unless all parties agree otherwise or unless the arbitrator awards expenses or any part thereof to any specified party or parties. The parties shall pay the fees of the arbitrator as and when specified by the arbitrator((+)).

(6) Demand for arbitration given pursuant to subsection (1) of this section commences

a ((judicial)) proceeding for purposes of RCW ((64.34.452)) 64.90.680.

(7) The arbitration decision shall be in writing and must set forth findings of fact and conclusions of law that support the decision.

**Sec. 424.** RCW 64.55.010 and 2023 c 263 s 1 are each amended to read as follows:

(1) "Attached dwelling unit" means any dwelling unit that is attached to another dwelling unit by a wall, floor, or ceiling that separates heated living spaces. A garage is not a heated living space.

(2) "Building enclosure" means that part of any building, above or below grade, that physically separates the outside or exterior environment from interior environments and which weatherproofs, waterproofs, or otherwise protects the building or its components from water or moisture intrusion. Interior environments consist of both heated and unheated enclosed spaces. The building enclosure includes, but is not limited to, that portion of roofs, walls, balcony support columns, decks, windows, doors, vents, and other penetrations through exterior walls, which waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion.

(3) "Building enclosure design documents" means plans, details, and specifications for the building enclosure that have been stamped by a licensed engineer or architect. The building enclosure design documents shall include details and specifications that are appropriate for the building in the professional judgment of the architect or engineer who prepared the same to waterproof, weatherproof, and otherwise protect the building or its components from water or moisture intrusion, including details of flashing, intersections at roof, eaves or parapets, means of drainage, water-resistive membrane, and details around openings.

(4) "Developer" means:

(a) With respect to a condominium or a conversion condominium, the declarant; and

(b) With respect to all other buildings, an individual, group of individuals, partnership, corporation, association, municipal corporation, state agency, or other entity or person that obtains a building permit for the construction or rehabilitative reconstruction of a multiunit residential building. If a permit is obtained by service providers such as architects, contractors, and consultants who obtain permits for others as part of services rendered for a fee, the person for whom the permit is obtained shall be the developer, not the service provider.

(5) "Dwelling unit" has the meaning given to that phrase or similar phrases in the ordinances of the jurisdiction issuing the permit for construction of the building enclosure but if such ordinances do not

provide a definition, then "dwelling unit" means a residence containing living, cooking, sleeping, and sanitary facilities.

(6) "Multiunit residential building" means:

(a) A building containing more than two attached dwelling units, including a building containing nonresidential units if the building also contains more than two attached dwelling units, but excluding the following classes of buildings:

- (iii) Care facilities;
- (iv) Floating homes;

(v) A building that contains attached dwelling units that are each located on a single platted lot, except as provided in (b) of this subsection;

(vi) A building in which all of the dwelling units are held under one ownership and is subject to a recorded irrevocable sale prohibition covenant; and

(vii) A building with 12 or fewer units that is no more than two stories.

(b) If the developer submits to the appropriate building department when applying for the building permit described in RCW 64.55.020 a statement that the developer elects to treat the improvement for which a permit is sought as a multiunit residential building for all purposes under this chapter, then "multiunit residential building" also means the following buildings for which such election has been made:

(i) A building containing only two attached dwelling units;

(ii) A building that does not contain attached dwelling units; and

(iii) Any building that contains attached dwelling units each of which is located on a single platted lot.

(8) "Qualified building inspector" means a person satisfying the requirements of RCW 64.55.040.

(9) "Rehabilitative construction" means construction work on the building enclosure of a multiunit residential building if the cost of such construction work is more than five percent of the assessed value of the building.

(10) "Sale prohibition covenant" means a recorded covenant that prohibits the sale or other disposition of individual dwelling units as or as part of a condominium for five years or more from the date of first occupancy except as otherwise provided in RCW 64.55.090, a certified copy of which the developer shall submit to the appropriate building department; provided such covenant shall not apply to sales or dispositions listed in RCW ((64.34.400)) 64.90.600(2). The covenant must be recorded in the county in which the building is located and must be in substantially the following form:

This covenant has been recorded in the real property records of . . . . . County, Washington, in satisfaction of the requirements of RCW 64.55.010

through 64.55.090. The undersigned is the owner of the property described on Exhibit A (the "Property"). Until termination of this covenant, no dwelling unit in or on the Property may be sold as a condominium unit except for sales or dispositions listed in RCW ((64.34.400)) 64.90.600(2).

This covenant terminates on the earlier of either: (a) Compliance with the requirements of RCW 64.55.090, as certified by the owner of the Property in a recorded supplement hereto; or (b) the fifth anniversary of the date of first occupancy of a dwelling unit as certified by the Owner in a recorded supplement hereto.

All title insurance companies and persons acquiring an interest in the Property may rely on the forgoing certifications without further inquiry in issuing any policy of title insurance or in acquiring an interest in the Property.

(11) "Stamped" means bearing the stamp and signature of the responsible licensed architect or engineer on the title page, and on every sheet of the documents, drawings, or specifications, including modifications to the documents, drawings, and specifications that become part of change orders or addenda to alter those documents, drawings, or specifications.

**Sec. 425.** RCW 64.55.070 and 2005 c 456 s 8 are each amended to read as follows:

(a) Create a private right of action against any inspector, architect, or engineer based upon compliance or noncompliance with its provisions; or

(b) Create any independent basis for liability against an inspector, architect, or engineer.

(2) The qualified inspector, architect, or engineer and the developer that retained the inspector, architect, or engineer may contractually agree to the amount of their liability to the developer.

**Sec. 426.** RCW 64.55.090 and 2005 c 456 s 10 are each amended to read as follows:

(1) Except for sales or other dispositions listed in RCW ((64.34.400)) 64.90.600(2), no declarant may convey a condominium unit that may be occupied for residential use in a multiunit residential building without first complying with the requirements of RCW 64.55.005 through 64.55.080 unless the building enclosure of the building in which such unit is included is inspected by a qualified building enclosure inspector, and:

(a) The inspection includes such intrusive or other testing, such as the removal of siding or other building enclosure materials, that the inspector believes, in his or her professional judgment, is necessary to ascertain the

manner in which the building enclosure was constructed;

(b) The inspection evaluates, to the extent reasonably ascertainable and in the professional judgment of the inspector, the present condition of the building enclosure including whether such condition has adversely affected or will adversely affect the performance of the building enclosure to waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion. "Adversely affect" has the same meaning as provided in RCW ((64.34.445)) 64.90.670(7);

(c) The inspection report includes recommendations for repairs to the building enclosure that, in the professional judgment of the qualified building inspector, are necessary to: (i) Repair a design or construction defect in the building enclosure that results in the failure of the building enclosure to perform its intended function and allows unintended water penetration not caused by flooding; and (ii) repair damage caused by such a defect that has an adverse effect as provided in RCW ((64.34.445)) 64.90.670(7);

(d) With respect to a building that would be a multiunit residential building but for the recording of a sale prohibition covenant and unless more than five years have elapsed since the date such covenant was recorded, all repairs to the building enclosure recommended pursuant to (c) of this subsection have been made; and

(e) The declarant provides as part of the public offering statement, consistent with RCW ((64.34.410 (1)(nn) and (2) and 64.34.415(1)(b))) 64.90.610 (1)(t), (1)(oo), and (3) and 64.90.620(1)(c), an inspection and repair report signed by the qualified building enclosure inspector that identifies:

(i) The extent of the inspection performed pursuant to this section;

(ii) The information obtained as a result of that inspection; and

(iii) The manner in which any repairs required by this section were performed, the scope of those repairs, and the names of the persons performing those repairs.

(2) Failure to deliver the inspection and repair report in violation of this section constitutes a failure to deliver a public offering statement for purposes of chapter ((64.34)) 64.90 RCW.

Except only as expressly provided in chapters 67.28, 81.104, and 82.14 RCW, the state preempts the field of imposing retail sales and use taxes and taxes upon parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. Except as provided in RCW ((64.34.440)) 64.90.655 and 82.02.050 through 82.02.090, no county, city, town, or other municipal corporation shall impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of

land or easements within the proposed development or plat which the county, city, town, or other municipal corporation can demonstrate are reasonably necessary as a direct result of the proposed development or plat to which the dedication of land or easement is to apply.

This section does not prohibit voluntary agreements with counties, cities, towns, or other municipal corporations that allow a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat. A local government shall not use such voluntary agreements for local off-site transportation improvements within the geographic boundaries of the area or areas covered by an adopted transportation program authorized by chapter 39.92 RCW. Any such voluntary agreement is subject to the following provisions:

(1) The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;

(2) The payment shall be expended in all cases within five years of collection; and

(3) Any payment not so expended shall be refunded with interest to be calculated from the original date the deposit was received by the county and at the same rate applied to tax refunds pursuant to RCW 84.69.100; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

No county, city, town, or other municipal corporation shall require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.

Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW, including reasonable fees that are consistent with RCW 43.21C.420(6), 43.21C.428, and beginning July 1, 2014, RCW 35.91.020.

This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefited thereby in the manner prescribed by law.

Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges. However, no such charge shall exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged. Furthermore, these provisions may not be interpreted to expand or contract

any existing authority of counties, cities, or towns to impose such charges.

Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in RCW 36.73.120 nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

Nothing in this section prohibits counties, cities, or towns from imposing transportation impact fees authorized pursuant to chapter 39.92 RCW.

Nothing in this section prohibits counties, cities, or towns from requiring property owners to provide relocation assistance to tenants under RCW 59.18.440 and 59.18.450.

This section does not apply to special purpose districts formed and acting pursuant to Title 54, 57, or 87 RCW, nor is the authority conferred by these titles affected.

Prime Sponsor, Senator Frame: Developing a schedule for court appointment of attorneys for children and youth in dependency and termination proceedings. Reported by Committee on Civil Rights & Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.34.212 and 2021 c 210 s 6 are each amended to read as follows:

(1) (a) The court shall appoint an attorney for a child in a dependency proceeding six months after granting a petition to terminate the parent and child relationship pursuant to RCW 13.34.180 and when there is no remaining parent with parental rights.

(b) The court may appoint one attorney to a group of siblings, unless there is a conflict of interest, or such representation is otherwise inconsistent with the rules of professional conduct.

(c) Subject to availability of amounts appropriated for this specific purpose, the state shall pay the costs of legal services provided by an attorney appointed pursuant to (a) of this subsection if the legal services are provided in accordance with the rules of professional conduct, the standards of practice, caseload limits, and training guidelines adopted by the statewide children's representation work group pursuant to section 5, chapter 180, Laws of 2010 until such time that new recommendations are adopted by the children's representation work group established in section 9, chapter 210, Laws of 2021.

(d) The office of civil legal aid is responsible for implementation of (c) of this subsection as provided in RCW 2.53.045.

(e) Legal services provided by an attorney pursuant to (a) of this subsection do not include representation of the child in any appellate proceedings relative to the termination of the parent and child relationship.

(2) (a) The court may appoint an attorney to represent the child's position in any dependency action on its own initiative, or upon the request of a parent, the child, a guardian ad litem, a caregiver, or the department.

(b) (i) If the court has not already appointed an attorney for a child, or the child is not represented by a privately retained attorney:

(A) The child's caregiver, or any individual, may refer the child to an attorney for the purposes of filing a motion to request appointment of an attorney at public expense; or

(B) The child or any individual may retain an attorney for the child for the purposes of filing a motion to request appointment of an attorney at public expense.

(ii) Nothing in this subsection changes or alters the confidentiality provisions of RCW 13.50.100.

(c) The department and the child's guardian ad litem shall each notify a child of the child's right to request an attorney and shall ask the child whether the child wishes to have an attorney. The department and the child's guardian ad litem shall notify the child and make this inquiry immediately after:

(i) The date of the child's 12th birthday; or

(ii) Assignment of a case involving a child age 12 or older.

(d) The department and the child's guardian ad litem shall repeat the notification and inquiry at least annually and upon the filing of any motion or

petition affecting the child's placement, services, or familial relationships.

(e) The notification and inquiry is not required if the child has already been appointed an attorney.

(f) The department shall note in the child's individual service and safety plan, and the guardian ad litem shall note in his or her report to the court, that the child was notified of the right to request an attorney and indicate the child's position regarding appointment of an attorney.

(g) At the first regularly scheduled hearing after:

(i) The date of the child's 12th birthday; or

(ii) The date that a dependency petition is filed pursuant to this chapter on a child age 12 or older;

the court shall inquire whether the child has received notice of his or her right to request an attorney from the department and the child's guardian ad litem. The court shall make an additional inquiry at the first regularly scheduled hearing after the child's 15th birthday. No inquiry is necessary if the child has already been appointed an attorney.

(3) Subject to the availability of amounts appropriated for this specific purpose:

(a) Pursuant to the phase-in schedule set forth in (c) of this subsection (3), the court must appoint an attorney for every child in a dependency proceeding as follows:

(i) For a child under the age of eight, appointment must be made for the dependency and termination action upon the filing of a termination petition. Nothing in this subsection shall be construed to limit the ability of the court to appoint an attorney to represent the child's position in a dependency action on its own initiative, or upon the request of a parent, the child, a guardian ad litem, a caregiver, or the department, prior to the filing of a termination petition.

(ii) For a child between the ages of eight through 17, appointment must be made upon the filing of a new dependency petition at or before the commencement of the shelter care hearing.

(iii) For any pending or open dependency case where the child is unrepresented and is entitled to the appointment of an attorney under (a)(i) or (ii) of this subsection, appointment must be made at or before the next hearing if the child is eligible for representation pursuant to the phase-in schedule. At the next hearing, the court shall inquire into the status of attorney representation for the child, and if the child is not yet represented, appointment must be made at the hearing.

(b) Appointment is not required if the court has already appointed an attorney for the child, or the child is represented by a privately retained attorney.

(c) The statewide children's legal representation program shall develop a schedule for court appointment of attorneys for every child in dependency proceedings that will be phased in on a county-by-county basis over a ~~((six-year))~~ seven-year period. The schedule required under this

subsection must not add more than 1,250 cases each fiscal year and:

(D) Twenty counties beginning January 1, 2025;

(E) Thirty counties beginning January 1, 2026;

(F) Thirty-six counties beginning in January 1, 2027; and

(iii) Achieve full statewide implementation by January 1, ~~((2027))~~ 2028.

(d) In cases where the statewide children's legal representation program provides funding and where consistent with its administration and oversight responsibilities, the statewide children's legal representation program should prioritize continuity of counsel for children who are already represented at county expense when the statewide children's legal representation program becomes effective in a county. The statewide children's legal representation program shall coordinate with relevant county stakeholders to determine how best to prioritize this continuity of counsel.

(e) The statewide children's legal representation program is responsible for the recruitment, training, and oversight of attorneys providing standards-based representation pursuant to (a) and (c) of this subsection as provided in RCW 2.53.045 and shall ensure that attorneys representing children pursuant to this section provide legal services according to the rules of professional conduct, the standards of practice, caseload limits, and training guidelines adopted by the children's representation work group established in section 9, chapter 210, Laws of 2021.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 66.24.010 and 2019 c 370 s 1 are each amended to read as follows:

(1) Every license must be issued in the name of the applicant, and the holder thereof may not allow any other person to use the license.

(2) For the purpose of considering any application for a license, or the renewal of a license, the board may cause an inspection of the premises to be made, and may inquire into all matters in connection with the construction and operation of the premises. For the purpose of reviewing any application for a license and for considering the denial, suspension, revocation, or renewal or denial thereof, of any license, the board may consider any prior criminal conduct of the applicant including an administrative violation history record with the board and a criminal history record information check. The board may submit the criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior arrests and convictions of the individual or individuals who filled out the forms. The

board must require fingerprinting of any applicant whose criminal history record information check is submitted to the federal bureau of investigation. The provisions of RCW 9.95.240 and of chapter 9.96A RCW do not apply to such cases. Subject to the provisions of this section, the board may, in its discretion, grant or deny the renewal or license applied for. Denial may be based on, without limitation, the existence of chronic illegal activity documented in objections submitted pursuant to subsections (8)(d) and (12) of this section. Authority to approve an uncontested or unopposed license may be granted by the board to any staff member the board designates in writing. Conditions for granting such authority must be adopted by rule. No retail license of any kind may be issued to:

(a) A person doing business as a sole proprietor who has not resided in the state for at least one month prior to receiving a license, except in cases of licenses issued to dining places on railroads, boats, or aircraft;

(b) A copartnership, unless all of the members thereof are qualified to obtain a license, as provided in this section;

(c) A person whose place of business is conducted by a manager or agent, unless such manager or agent possesses the same qualifications required of the licensee;

(d) A corporation or a limited liability company, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington.

(3)(a) The board may, in its discretion, subject to the provisions of RCW 66.08.150, suspend or cancel any license; and all rights of the licensee to keep or sell liquor thereunder must be suspended or terminated, as the case may be.

(b) The board must immediately suspend the license or certificate of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license or certificate is automatic upon the board's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order.

(c) Upon written notification by the department of revenue in accordance with RCW 82.08.155 that a person is more than thirty days delinquent in reporting or remitting spirits taxes to the department, the board must suspend all spirits licenses held by that person. The board must also refuse to renew any existing spirits license of, or issue any new spirits license to, the person or any other applicant controlled directly or indirectly by that person. The board may not reinstate a person's spirits license or renew or issue a new spirits license to that person, or an applicant controlled directly or indirectly by that person, until such time as the department of revenue notifies the board that the person is current in reporting and remitting spirits taxes or

that the department consents to the reinstatement or renewal of the person's spirits license or the issuance of a new spirits license to the person. For purposes of this section: (i) "Spirits license" means any license issued by the board under the authority of this chapter that authorizes the licensee to sell spirits; and (ii) "spirits taxes" has the same meaning as in RCW 82.08.155.

(d) The board may request the appointment of administrative law judges under chapter 34.12 RCW who must have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under such rules and regulations as the board may adopt.

(e) Witnesses are allowed fees and mileage each way to and from any such inquiry, investigation, hearing, or proceeding at the rate authorized by RCW 34.05.446. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

(f) In case of disobedience of any person to comply with the order of the board or a subpoena issued by the board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he or she may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, must compel obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(4) Upon receipt of notice of the suspension or cancellation of a license, the licensee must forthwith deliver up the license to the board. Where the license has been suspended only, the board must return the license to the licensee at the expiration or termination of the period of suspension. The board must notify all vendors in the city or place where the licensee has its premises of the suspension or cancellation of the license; and no employee may allow or cause any liquor to be delivered to or for any person at the premises of that licensee.

(5)(a) For the original issuance of a liquor license, including the approval of a conditional license as provided in (b) of this subsection, the board must set the expiration date of the license to the last day of the calendar month that is twelve months from the calendar month in which final approval of the license is granted. Upon renewal, the expiration date of the license, including licenses approved under (b) of this subsection, may subsequently be prorated as necessary in accordance with chapter 19.02 RCW.

(b)(i) When an applicant for a liquor license is qualified for approval of the license in every way except having executed a lease or purchase agreement for the

proposed licensed premises, the board must grant conditional approval to the applicant.

(ii) Upon notification to the board of execution of the lease or purchase agreement putting the applicant in control of the premises, the board must immediately grant final approval of the license issuance, and the licensee may immediately begin exercising all privileges provided under the license, except as otherwise provided under this title.

(iii) For the purposes of this title, the term "license" includes "conditional license."

(6) Every license issued under this section is subject to all conditions and restrictions imposed by this title or by rules adopted by the board. All conditions and restrictions imposed by the board in the issuance of an individual license may be listed on the face of the individual license along with the trade name, address, and expiration date. Conditions and restrictions imposed by the board may also be included in official correspondence separate from the license. All spirits licenses are subject to the condition that the spirits license holder must report and remit to the department of revenue all spirits taxes by the date due.

(7) Every licensee must post and keep posted its license, or licenses, and any additional correspondence containing conditions and restrictions imposed by the board in a conspicuous place on the premises.

(8)(a) Unless (b) of this subsection applies, before the board issues a new or renewal license to an applicant it must give notice of such application to the chief executive officer of the incorporated city or town, if the application is for a license within an incorporated city or town, or to the county legislative authority, if the application is for a license outside the boundaries of incorporated cities or towns.

(b) If the application for a special occasion license is for an event held during a county, district, or area fair as defined by RCW 15.76.120, and the county, district, or area fair is located on property owned by the county but located within an incorporated city or town, the county legislative authority must be the entity notified by the board under (a) of this subsection. The board must send a duplicate notice to the incorporated city or town within which the fair is located.

(c) The incorporated city or town through the official or employee selected by it, or the county legislative authority or the official or employee selected by it, has the right to file with the board within twenty days after the date of transmittal of such notice for applications, or at least thirty days prior to the expiration date for renewals, written objections against the applicant or against the premises for which the new or renewal license is asked. The board may extend the time period for submitting written objections.

(d) The written objections must include a statement of all facts upon which such objections are based, and in case written objections are filed, the city or town or county legislative authority may request and

the board may in its discretion hold a hearing subject to the applicable provisions of Title 34 RCW. If the board makes an initial decision to deny a license or renewal based on the written objections of an incorporated city or town or county legislative authority, the applicant may request a hearing subject to the applicable provisions of Title 34 RCW. If such a hearing is held at the request of the applicant, board representatives must present and defend the board's initial decision to deny a license or renewal.

(e) Upon the granting of a license under this title the board must send written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns. When the license is for a special occasion license for an event held during a county, district, or area fair as defined by RCW 15.76.120, and the county, district, or area fair is located on county-owned property but located within an incorporated city or town, the written notification must be sent to both the incorporated city or town and the county legislative authority.

(9)(a) Before the board issues any license to any applicant, it shall give (i) due consideration to the location of the business to be conducted under such license with respect to the proximity of churches, schools, and public institutions and (ii) written notice(~~(, with receipt verification,)~~) of the application to public institutions identified by the board as appropriate to receive such notice, churches, and schools within five hundred feet of the premises to be licensed. The board may not issue a liquor license for either on-premises or off-premises consumption covering any premises not now licensed, if such premises are within five hundred feet of the premises of any tax-supported public elementary or secondary school measured along the most direct route over or across established public walks, streets, or other public passageway from the main entrance of the school to the nearest public entrance of the premises proposed for license, and if, after receipt by the school of the notice as provided in this subsection, the board receives written objection, within twenty days after receiving such notice, from an official representative or representatives of the school within five hundred feet of said proposed licensed premises, indicating to the board that there is an objection to the issuance of such license because of proximity to a school. The board may extend the time period for submitting objections. For the purpose of this section, "church" means a building erected for and used exclusively for religious worship and schooling or other activity in connection therewith. For the purpose of this section, "public institution" means institutions of higher education, parks, community centers, libraries, and transit centers.

(b) No liquor license may be issued or reissued by the board to any motor sports facility or licensee operating within the

motor sports facility unless the motor sports facility enforces a program reasonably calculated to prevent alcohol or alcoholic beverages not purchased within the facility from entering the facility and such program is approved by local law enforcement agencies.

(c) It is the intent under this subsection (9) that a retail license may not be issued by the board where doing so would, in the judgment of the board, adversely affect a private school meeting the requirements for private schools under Title 28A RCW, which school is within five hundred feet of the proposed licensee. The board must fully consider and give substantial weight to objections filed by private schools. If a license is issued despite the proximity of a private school, the board must state in a letter addressed to the private school the board's reasons for issuing the license.

(10) The restrictions set forth in subsection (9) of this section do not prohibit the board from authorizing the assumption of existing licenses now located within the restricted area by other persons or licenses or relocations of existing licensed premises within the restricted area. In no case may the licensed premises be moved closer to a church or school than it was before the assumption or relocation.

(11)(a) Nothing in this section prohibits the board, in its discretion, from issuing a temporary retail or distributor license to an applicant to operate the retail or distributor premises during the period the application for the license is pending. The board may establish a fee for a temporary license by rule.

(b) A temporary license issued by the board under this section must be for a period not to exceed sixty days. A temporary license may be extended at the discretion of the board for additional periods of sixty days upon payment of an additional fee and upon compliance with all conditions required in this section.

(c) Refusal by the board to issue or extend a temporary license shall not entitle the applicant to request a hearing. A temporary license may be canceled or suspended summarily at any time if the board determines that good cause for cancellation or suspension exists. RCW 66.08.130 applies to temporary licenses.

(d) Application for a temporary license must be on such form as the board shall prescribe. If an application for a temporary license is withdrawn before issuance or is refused by the board, the fee which accompanied such application must be refunded in full.

(12) In determining whether to grant or deny a license or renewal of any license, the board must give substantial weight to objections from an incorporated city or town or county legislative authority based upon chronic illegal activity associated with the applicant's operations of the premises proposed to be licensed or the applicant's operation of any other licensed premises, or the conduct of the applicant's patrons inside or outside the licensed premises. "Chronic illegal activity" means (a) a pervasive pattern of activity that threatens

the public health, safety, and welfare of the city, town, or county including, but not limited to, open container violations, assaults, disturbances, disorderly conduct, or other criminal law violations, or as documented in crime statistics, police reports, emergency medical response data, calls for service, field data, or similar records of a law enforcement agency for the city, town, county, or any other municipal corporation or any state agency; or (b) an unreasonably high number of citations for violations of RCW 46.61.502 associated with the applicant's or licensee's operation of any licensed premises as indicated by the reported statements given to law enforcement upon arrest.

(13) (a) Except as provided in (b) of this subsection, the board must issue a decision on an application for a liquor license, renewal, or endorsement under RCW 66.24.320 through 66.24.354, 66.24.400 through 66.24.455, 66.24.650, or 66.24.655 within 45 days of receiving the application and documentation under this section and related rules, or the application is approved by default.

(b) The board may extend the time period allowed in (a) of this subsection by an additional 30 days if it:

(i) Determines good cause for the extension exists, which may include time for the board to review objections to a liquor license, renewal, or endorsement under this section; and

(ii) Issues a temporary license to the applicant during the extension.

(c) If the board fails to issue a decision on an application within the additional 30 days allowed in (b) of this subsection, the temporary license must be converted into a permanent license and is approved by default.

(14) Any notifications required under this section may be issued concurrently.

(15) A spirits, beer, and wine restaurant licensed under RCW 66.24.400 or a beer and wine restaurant licensed under RCW 66.24.320 shall notify the board at least seven days before the licensee initially opens the licensee's premises to the general public. In accordance with RCW 66.24.410, any requirement in the board's rules for a spirits, beer, and wine restaurant or a beer and wine restaurant to be open to the public for a minimum number of hours per day, or days per week, begins applying when the licensee opts to initially open to the general public rather than when the license is granted.

**Sec. 2.** RCW 66.24.410 and 2011 c 195 s 2 are each amended to read as follows:

(1) "Spirituous liquor," as used in RCW 66.24.400 to 66.24.450, inclusive, means "liquor" as defined in RCW 66.04.010, except "wine" and "beer" sold as such.

(2) "Restaurant" as used in RCW 66.24.400 to 66.24.450, inclusive, means an establishment provided with special space and accommodations where, in consideration of payment, food, without lodgings, is habitually furnished to the public, not including drug stores and soda fountains: PROVIDED, That such establishments shall be

approved by the board and that the board shall be satisfied that such establishment is maintained in a substantial manner as a place for preparing, cooking and serving of complete meals. Requirements for complete meals shall be determined by the board in rules adopted pursuant to chapter 34.05 RCW. Requirements for hours of operation or days of operation that may be provided in rules of the board for restaurants are subject to RCW 66.24.010(15).

(3) "Hotel," "clubs," "wine" and "beer" are used in RCW 66.24.400 to 66.24.450, inclusive, with the meaning given in chapter 66.04 RCW."

Prime Sponsor, Local Government, Land Use & Tribal Affairs: Concerning floodproofing improvements to residential structures undertaken in accordance with the Chehalis basin strategy. Reported by Committee on Local Government

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the office of Chehalis basin in the department of ecology is directed to aggressively pursue implementation of an integrated strategy for long-term flood damage reduction in the Chehalis river basin. The legislature recognizes that restrictions on improvements to residential structures located in floodways may impede the office's ability to successfully carry out the Chehalis basin strategy. Therefore, the legislature intends to create additional regulatory flexibility to allow substantial improvements to residential structures for the primary purpose of reducing risk of flood damage in floodways.

**Sec. 2.** RCW 86.16.041 and 2000 c 222 s 1 are each amended to read as follows:

(1) Beginning July 26, 1987, every county and incorporated city and town shall submit to the department of ecology any new floodplain management ordinance or amendment to any existing floodplain management ordinance. Such ordinance or amendment shall take effect ~~((thirty))~~30 days from filing with the department unless the department disapproves such ordinance or amendment within that time period.

(2) The department may disapprove any ordinance or amendment submitted to it under subsection (1) of this section if it finds that an ordinance or amendment does not comply with any of the following:

(a) Restriction of land uses within designated floodways including the prohibition of construction or reconstruction, repair, or replacement of residential structures, except for: (i) Repairs, reconstruction, or improvements to a structure which do not increase the ground

floor area; and (ii) repairs, reconstruction, or improvements to a structure the cost of which does not exceed ~~((fifty))~~50 percent of the market value of the structure either, (A) before the repair, reconstruction, or repair is started, or (B) if the structure has been damaged, and is being restored, before the damage occurred. Any project for improvement of a structure to correct existing violations of state or local health, sanitary, or safety code specifications that have been identified by the local code or building enforcement official and which are the minimum necessary to ensure safe living conditions shall not be included in the ~~((fifty))~~50 percent determination. However, the floodway prohibition in this subsection does not apply to existing farmhouses in designated floodways that meet the provisions of subsection (3) of this section, ~~((or))~~ to ~~((substantially damaged))~~existing residential structures other than farmhouses that meet the depth and velocity and erosion analysis in subsection (4) of this section, or to structures identified as historic places;

(b) The minimum requirements of the national flood insurance program; and

(c) The minimum state requirements adopted pursuant to RCW 86.16.031(8) that are applicable to the particular county, city, or town.

(3) Repairs, reconstruction, replacement, or improvements to existing farmhouse structures located in designated floodways and which are located on lands designated as agricultural lands of long-term commercial significance under RCW 36.70A.170 shall be permitted subject to the following:

(a) The new farmhouse is a replacement for an existing farmhouse on the same farm site;

(b) There is no potential building site for a replacement farmhouse on the same farm outside the designated floodway;

(c) Repairs, reconstruction, or improvements to a farmhouse shall not increase the total square footage of encroachment of the existing farmhouse;

(d) A replacement farmhouse shall not exceed the total square footage of encroachment of the farmhouse it is replacing;

(e) A farmhouse being replaced shall be removed, in its entirety, including foundation, from the floodway within ~~((ninety))~~90 days after occupancy of a new farmhouse;

(f) For substantial improvements, and replacement farmhouses, the elevation of the lowest floor of the improvement and farmhouse respectively, including basement, is a minimum of one foot higher than the base flood elevation;

(g) New and replacement water supply systems are designed to eliminate or minimize infiltration of flood waters into the system;

(h) New and replacement sanitary sewerage systems are designed and located to eliminate or minimize infiltration of flood water into the system and discharge from the system into the flood waters; and

(i) All other utilities and connections to public utilities are designed,

constructed, and located to eliminate or minimize flood damage.

(4)(a) For all substantially damaged residential structures other than farmhouses that are located in a designated floodway, the department, at the request of the town, city, or county with land use authority over the structure, is authorized to assess the risk of harm to life and property posed by the specific conditions of the floodway, and, based upon scientific analysis of depth, velocity, and flood-related erosion, may exercise best professional judgment in recommending to the permitting authority, repair, replacement, or relocation of such damaged structures. The effect of the department's recommendation, with the town, city, or county's concurrence, to allow repair or replacement of a substantially damaged residential structure within the designated floodway is a waiver of the floodway prohibition.

(b) For proposed projects that substantially improve residential structures in a designated floodway for the primary purpose of reducing risk of flood damage, the department, at the request of the town, city, or county with land use authority over the structures, is authorized to assess the risk of harm to life and property posed by the specific conditions of the floodway, and, based upon scientific analysis of depth, velocity, and flood-related erosion, may exercise best professional judgment in recommending to the permitting authority whether a project should proceed. The effect of the department's recommendation, with the town, city, or county's concurrence, to allow a project to proceed within the designated floodway is a waiver of the floodway prohibition.

(5) The department shall develop a rule or rule amendment guiding the assessment procedures and criteria described in subsections (3) and (4) of this section no later than December 31, 2000.

(6) For the purposes of this section, "farmhouse" means a single-family dwelling located on a farm site where resulting agricultural products are not produced for the primary consumption or use by the occupants and the farm owner."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 38.52.070 and 2017 c 312 s 4 are each amended to read as follows:

(1) Each political subdivision of this state is hereby authorized and directed to establish a local organization or to be a member of a joint local organization for emergency management in accordance with the state comprehensive emergency management

plan and program: PROVIDED, That a political subdivision proposing such establishment shall submit its plan and program for emergency management to the state director and secure his or her recommendations thereon, and verification of consistency with the state comprehensive emergency management plan, in order that the plan of the local organization for emergency management may be coordinated with the plan and program of the state. Local comprehensive emergency management plans must specify the use of the incident command system for multiagency/multijurisdiction operations. No political subdivision may be required to include in its plan provisions for the emergency evacuation or relocation of residents in anticipation of nuclear attack. If the director's recommendations are adverse to the plan as submitted, and, if the local organization does not agree to the director's recommendations for modification to the proposal, the matter shall be referred to the council for final action. The director may authorize two or more political subdivisions to join in the establishment and operation of a joint local organization for emergency management as circumstances may warrant, in which case each political subdivision shall contribute to the cost of emergency management upon such fair and equitable basis as may be determined upon by the executive heads of the constituent subdivisions. If in any case the executive heads cannot agree upon the proper division of cost the matter shall be referred to the council for arbitration and its decision shall be final. When two or more political subdivisions join in the establishment and operation of a joint local organization for emergency management each shall pay its share of the cost into a special pooled fund to be administered by the treasurer of the most populous subdivision, which fund shall be known as the . . . . . emergency management fund. Each local organization or joint local organization for emergency management shall have a director who shall be appointed by the executive head of the political subdivision, and who shall have direct responsibility for the organization, administration, and operation of such local organization for emergency management, subject to the direction and control of such executive officer or officers. In the case of a joint local organization for emergency management, the director shall be appointed by the joint action of the executive heads of the constituent political subdivisions. Each local organization or joint local organization for emergency management shall perform emergency management functions within the territorial limits of the political subdivision within which it is organized, and, in addition, shall conduct such functions outside of such territorial limits as may be required pursuant to the provisions of this chapter.

(2) In carrying out the provisions of this chapter each political subdivision, in which any disaster as described in RCW 38.52.020 occurs, shall have the power to enter into contracts and incur obligations necessary to combat such disaster, protecting the health and safety of persons

and property, and providing emergency assistance to the victims of such disaster. Each political subdivision is authorized to exercise the powers vested under this section in the light of the exigencies of an extreme emergency situation without regard to time-consuming procedures and formalities prescribed by law (excepting mandatory constitutional requirements), including, but not limited to, budget law limitations, requirements of competitive bidding and publication of notices, provisions pertaining to the performance of public work, entering into contracts, the incurring of obligations, the employment of temporary workers, the rental of equipment, the purchase of supplies and materials, the levying of taxes, and the appropriation and expenditures of public funds.

(3)(a)(i) Each local organization or joint local organization for emergency management that produces a local comprehensive emergency management plan must include a communication plan for notifying significant population segments of life safety information during an emergency. Local organizations and joint local organizations are encouraged to consult with affected community organizations in the development of the communication plans. Communication plans must include an expeditious notification of citizens who can reasonably be determined to be at risk during a hazardous material spill or release pursuant to section 2 of this act.

~~((i))~~(ii) In developing communication plans, local organizations and joint organizations should consider, as part of their determination of the extent of the obligation to provide emergency notification to significant population segments, the following factors: The number or proportion of the limited English proficiency persons eligible to be served or likely to be encountered; the frequency with which limited English proficiency individuals come in contact with the emergency notification; the nature and importance of the emergency notification, service, or program to people's lives; and the resources available to the political subdivision to provide emergency notifications.

~~((ii))~~(iii) "Significant population segment" means, for the purposes of this subsection (3), each limited English proficiency language group that constitutes five percent or one thousand residents, whichever is less, of the population of persons eligible to be served or likely to be affected within a city, town, or county. The office of financial management forecasting division's limited English proficiency population estimates are the demographic data set for determining eligible limited English proficiency language groups.

(b) Local organizations and joint local organizations must submit the plans produced under (a) of this subsection to the Washington military department emergency management division, and must implement those plans. An initial communication plan must be submitted with the local organization or joint local organization's next local emergency management plan update following July 23, 2017, and subsequent

plans must be reviewed in accordance with the director's schedule.

(4) When conducting emergency or disaster after-action reviews, local organizations and joint local organizations must evaluate the effectiveness of communication of life safety information and must inform the emergency management division of the Washington military department of technological challenges which limited communications efforts, along with identifying recommendations and resources needed to address those challenges.

(1) As provided by this chapter, the commission or the court shall determine all questions described by this chapter as under the commission's authority. However, such authority may not result in an order or rule that intrudes upon or interferes with the legislature's core function of efficient and effective law making or the essential operation of the legislature, including that an order or rule may not:

(a) Modify any matter relating to the qualifications and elections of members of the legislature, or the holding of office of members of the legislature;

(b) Modify any matter relating to the legislature or each house thereof choosing its officers, adopting rules for its proceedings, selecting committees necessary for the conduct of business, considering or enacting legislation, or otherwise exercising the legislative power of this state;

(c) Modify any matter relating to legislative calendars, schedules, and deadlines of the legislature; or

(d) Modify laws, rules, policies, or procedures regarding ethics or conflicts of interest.

(2) No member of the legislature may be compelled by subpoena or other means to attend a proceeding related to matters covered by this chapter during a legislative session, committee assembly days, or for 15 days before commencement of each session.

Sec. 5. RCW 44.90.050 and 2022 c 283 s 5 are each amended to read as follows:

(1) Except as may be specifically limited by this chapter, legislative employees shall have the right to self-organization, to form, join, or assist employee organizations, and to bargain collectively through representatives of their own choosing for the purpose of collective bargaining free from interference, restraint, or coercion. Legislative employees shall also have the right to refrain from any or all such activities.

(2) Except as may be specifically limited by this chapter, the commission shall determine all questions pertaining to ascertaining exclusive bargaining representatives for legislative employees and collectively bargaining under this chapter. However, no employee organization shall be recognized or certified as the exclusive bargaining representative of a bargaining unit of employees of the legislative branch unless it receives the votes of a majority of employees in the petitioned for bargaining unit voting in a secret election ((by mail ballot)) administered by the commission. The commission's process must allow for an employee, group of employees, employee

organizations, employer, or their agents to have the right to petition on any question concerning representation.

~~(3) ((The employer and the exclusive bargaining representative of a bargaining unit of legislative employees may not enter into a collective bargaining agreement that requires the employer to deduct, from the salary or wages of an employee, contributions for payments for political action committees sponsored by employee organizations with legislative employees as members.))The commission must adopt rules that provide for at least the following:~~

~~(b) If a master collective bargaining agreement is in effect for the newly certified exclusive bargaining representative, it applies to the bargaining unit for which the new certification has been issued. Nothing in this subsection (4)(b) requires the parties to engage in new negotiations during the term of that agreement.~~

~~(5) The certified exclusive bargaining representative is responsible for representing the interests of all the employees in the bargaining unit. This section may not be construed to limit an exclusive bargaining representative's right to exercise its discretion to refuse to process grievances of employees that are unmeritorious.~~

~~(6) No question concerning representation may be raised if:~~

- ~~(a) Fewer than 12 months have elapsed since the last certification or election; or~~
- ~~(b) A valid collective bargaining agreement exists covering the unit, except for that period of no more than 120 calendar days nor less than 90 calendar days before the expiration of the contract.~~

(1) The commission, after hearing upon reasonable notice to all interested parties, shall decide, in each application for certification as an exclusive bargaining representative, the unit appropriate for certification. employees; the history of collective bargaining; the extent of organization among the employees; the desires of the employees; and the avoidance of excessive fragmentation. However, a unit is not appropriate if it includes:

(a) Both supervisors and nonsupervisory employees. A unit that includes only supervisors may be considered appropriate if a majority of the supervisory employees indicates by vote that they desire to be included in such a unit;

(b) Both house of representatives and senate employees;

(c) Both partisan and nonpartisan employees;

(d) Employees of the majority party caucus and the minority party caucus, unless a majority of the employees of each caucus indicate by vote that they desire to be included together in the same unit; or

(e) Employees of the legislative service center, office of legislative support services, and the office of the code reviser, in any combination with each other or in any combination with employees of the house of representatives or employees of the senate.

(2) If a single employee organization is the exclusive bargaining representative for two or more units, upon petition by the employee organization, the units may be consolidated into a single larger unit if the commission considers the larger unit to be appropriate. If consolidation is appropriate, the commission shall certify the employee organization as the exclusive bargaining representative of the new unit.

**NEW SECTION. Sec. 7.** A new section is added to chapter 44.90 RCW to read as follows:

(1) The parties to a collective bargaining agreement must reduce the agreement to writing and both execute it.

(2) Except as provided in this chapter, a collective bargaining agreement must contain provisions that provide for a grievance procedure of all disputes arising over the interpretation or application of the collective bargaining agreement and that is valid and enforceable under its terms when entered into in accordance with this chapter.

(3) RCW 41.56.037 applies to this chapter.

(4)(a) If a collective bargaining agreement between an employer and an exclusive bargaining representative is concluded after the termination date of the previous collective bargaining agreement between the employer and an employee organization representing the same bargaining units, the effective date of the collective bargaining agreement may be the day after the termination of the previous collective bargaining agreement, and all benefits included in the new collective bargaining agreement, including wage or salary increases, may accrue beginning with that effective date.

(b) If a collective bargaining agreement between an employer and an exclusive bargaining representative is concluded after the termination date of the previous

collective bargaining agreement between the employer and the exclusive bargaining representative representing different bargaining units, the effective date of the collective bargaining agreement may be the day after the termination date of whichever previous collective bargaining agreement covering one or more of the units terminated first, and all benefits included in the new collective bargaining agreement, including wage or salary increases, may accrue beginning with that effective date.

(5) The employer and the exclusive bargaining representative of a bargaining unit of legislative employees may not enter into a collective bargaining agreement that requires the employer to deduct, from the salary or wages of an employee, contributions for payments for political action committees sponsored by employee organizations with legislative employees as members.

**Sec. 8.** RCW 44.90.060 and 2022 c 283 s 6 are each amended to read as follows:

~~((During a legislative session or committee assembly days, nothing))~~ Nothing contained in this chapter permits or grants to any legislative employee the right to strike, participate in a work stoppage, or refuse to perform their official duties.

**Sec. 9.** RCW 44.90.070 and 2022 c 283 s 7 are each amended to read as follows:

(b) If the legislature or governor fails to provide the funds for a collective bargaining agreement for legislative employees, either party may reopen all or part of the agreement or the exclusive bargaining representative may seek to implement the procedures provided for in section 10 of this act.

(4) Negotiation for economic terms will be by a coalition of all exclusive bargaining representatives. Any such provisions agreed to by the employer and the coalition must be included in all collective bargaining agreements negotiated by the parties. The director and the exclusive bargaining representative or representatives are authorized to enter into supplemental bargaining of bargaining unit specific issues for inclusion in the collective bargaining agreement, subject to the parties' agreement regarding the issues and procedures for supplemental bargaining. This subsection does not prohibit cooperation and

coordination of bargaining between two or more exclusive bargaining representatives.

(5) If a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties must immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

**NEW SECTION. Sec. 10.** A new section is added to chapter 44.90 RCW to read as follows:

(1) Should the parties fail to reach agreement in negotiating a collective bargaining agreement, either party may request of the commission the assistance of an impartial third party to mediate the negotiations. If a collective bargaining agreement previously negotiated under this chapter expires while negotiations are underway, the terms and conditions specified in the collective bargaining agreement remain in effect for a period not to exceed one year from the expiration date stated in the agreement. Thereafter, the employer may unilaterally implement according to law.

(2) Nothing in this section may be construed to prohibit an employer and an exclusive bargaining representative from agreeing to substitute, at their own expense, their own procedure for resolving impasses in collective bargaining for that provided in this section or from agreeing to utilize for the purposes of this section any other governmental or other agency or person in lieu of the commission.

(3) The commission shall bear costs for mediator services.

**Sec. 11.** RCW 44.90.080 and 2022 c 283 s 8 are each amended to read as follows:

**NEW SECTION. Sec. 12.** A new section is added to chapter 44.90 RCW to read as follows:

(1) The commission is empowered and directed to prevent any unfair labor practice and to issue appropriate remedial orders. However, a complaint may not be processed for any unfair labor practice occurring more than six months before the filing of the complaint with the commission or in Thurston county superior court. This power may not be affected or impaired by any means of adjustment, mediation, or conciliation in labor disputes that have been or may hereafter be established by law.

(2) Except as may be specifically limited by this chapter, if the commission or court determines that any person has engaged in or is engaging in an unfair labor practice, the commission or court shall issue and cause to be served upon the person an order requiring the person to cease and desist from such unfair labor practice, and to take such affirmative action as will effectuate the purposes and policy of this chapter, such as the payment of damages.

**NEW SECTION. Sec. 14.** A new section is added to chapter 44.90 RCW to read as follows:

(2) The authority of an arbitrator shall be subject to the limits and restrictions specified under section 4 of this act.

(3) Except as limited by this chapter, an arbitrator may require any person to attend as a witness and to bring with them any book, record, document, or other evidence. The fees for such attendance must be paid by the party requesting issuance of the

Doubts as to the coverage of the arbitration clause shall be resolved in favor of arbitration.

(6) If a party to a collective bargaining agreement negotiated under this chapter that includes final and binding arbitration refuses to comply with the award of an arbitrator determining a grievance arising under the collective bargaining agreement, the other party to the collective bargaining agreement may invoke the jurisdiction of the superior court of Thurston county and the court shall have jurisdiction to issue an order enforcing the arbitration award.

(4) The commission shall at the close of each fiscal year make a report in writing to the legislature and to the governor stating the cases it has heard, the decisions it has rendered, the names, salaries, and duties of all employees and officers in the employ or under the supervision of the commission, and an account of all moneys it has disbursed.

**NEW SECTION. Sec. 17.** A new section is added to chapter 41.58 RCW to read as follows:

(1)(a) There is established a legislative commission (hereafter called "the legislative commission") exclusively for the purpose of certification of bargaining representatives, adjusting and settling complaints, grievances, and disputes arising out of employer-employee relations, and otherwise carrying out the duties required of the commission under chapter 44.90 RCW.

(b) The legislative commission shall consist of three members who shall be appointed as follows:

(i) One member shall be appointed by the speaker of the house of representatives;

(ii) One member shall be appointed by the president of the senate;

(iii) By mutual consent, the two appointed members shall appoint the third member who shall be the chair of the legislative commission.

(c) All appointments must be made by September 30, 2024. The members of the legislative commission, and any person appointed to fill a vacancy, are appointed for the entire term until the legislative commission expires under subsection (9) of this section.

(d) Until all the members of the legislative commission are appointed, the duties required of the legislative commission under chapter 44.90 RCW shall be carried out by the commission created under RCW 41.58.010(1).

(2) The commission may delegate to the executive director authority with respect to, but not limited to, representation proceedings, unfair labor practice

(3) Unless specifically provided, the legislative commission shall not be considered part of the commission created under RCW 41.58.010(1). The powers and duties granted in this chapter to the commission created under RCW 41.58.010(1) do not apply to the legislative commission, unless specifically provided.

(4) A member of the legislative commission may be removed by the speaker of the house of representatives and the president of the senate acting jointly, upon notice and hearing, for neglect of duty or malfeasance in office, but for no other cause.

(5) In making their appointments, the speaker of the house of representatives and the president of the senate shall be cognizant of the desirability of appointing a person who is knowledgeable in the area of labor relations and of the legislature.

(6) Members of the legislative commission are not eligible for state retirement under chapter 41.40 RCW by virtue of the member's service as a commissioner.

(7) The compensation and travel reimbursement provision under RCW 41.58.015(1) shall apply to members of the legislative commission.

(8) The legislative commission shall at the close of each fiscal year make a report in writing to the legislature stating the cases it has heard and decisions it has rendered.

(9)(a) The legislative commission expires December 31, 2029.

(b) After December 31, 2029, the duties required of the legislative commission under chapter 44.90 RCW shall be carried out by the commission created under RCW 41.58.010(1).

**Sec. 18.** RCW 41.58.015 and 1984 c 287 s 71 are each amended to read as follows:

(1) Each member of the commission shall be compensated in accordance with RCW 43.03.250. Members of the commission shall also be reimbursed for travel expenses incurred in the discharge of their official duties on the same basis as is provided in RCW 43.03.050 and 43.03.060.

(2) The commission shall appoint an executive director whose annual salary shall be determined under the provisions of RCW 43.03.028. The executive director shall perform such duties and have such powers as the commission shall prescribe in order to implement and enforce the provisions of this chapter. In addition to the performance of administrative duties, the commission may delegate to the executive director authority with respect to, but not limited to, representation proceedings, unfair labor practice proceedings, mediation of labor disputes, arbitration of disputes concerning the interpretation or application of a collective bargaining agreement, and, in certain cases, fact-finding or arbitration

of disputes concerning the terms of a collective bargaining agreement. Such delegation shall not eliminate a party's right of appeal to the commission. The executive director, with such assistance as may be provided by the attorney general and such additional legal assistance consistent with chapter 43.10 RCW, shall have authority on behalf of the commission, when necessary to carry out or enforce any action or decision of the commission, to petition any court of competent jurisdiction for an order requiring compliance with the action or decision.

(b) The employees of the commission shall also provide staff support to the legislative commission in carrying out the legislative commission's duties under chapter 44.90 RCW until the legislative commission expires on December 31, 2029, under section 17 of this act.

(4) The payment of all of the expenses of the commission, including travel expenses incurred by the members or employees of the commission under its orders, shall be subject to the provisions of RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 19. A new section is added to chapter 44.90 RCW to read as follows:

(1) The following activities conducted by or on behalf of legislative employees related to collective bargaining under this chapter are exempt from the restrictions contained in RCW 42.52.020 and 42.52.160:

(a) Using paid time and public resources by an employee to negotiate or administer a collective bargaining agreement when the employee is assigned to negotiate or administer the collective bargaining agreement and the use of paid time and public resources does not include state-purchased supplies or equipment, does not interfere with or distract from the conduct of state business, and is consistent with the employer's policy on the use of paid time;

(b) Lobbying conducted by an employee organization, lobbyist, association, or third party on behalf of legislative employees concerning legislation that directly impacts legislative workplace conditions;

Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.

(c) All courts and all administrative agencies shall take judicial notice of the compact, the rules of the commission, and any information provided to a member state pursuant thereto in any judicial or quasi-judicial proceeding in a member state pertaining to the subject matter of this compact, or which may affect the powers, responsibilities, or actions of the commission.

(d) The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) Default, technical assistance, and termination. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(a) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default or any other action to be taken by the commission; and

(b) Provide remedial training and specific technical assistance regarding the default.

(3) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the commissioners of the member states, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(4) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the state licensing authority, and each of the member states.

(5) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(6) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(7) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(8) Dispute resolution.

(a) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(b) The commission shall promulgate a rule providing for both binding and nonbinding alternative dispute resolution for disputes as appropriate.

(9) Enforcement.

(a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(b) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

#### **ARTICLE XI EFFECTUATION, WITHDRAWAL, AND AMENDMENT**

NEW SECTION. **Sec. 11.** (1) The compact shall come into effect on the date on which the compact statute is enacted into law in the 10th member state.

(a) On or after the effective date of the compact, the commission shall convene and review the enactment of each of the charter member states to determine if the statute enacted by each such charter member state is materially different from the model compact statute.

(b) A charter member state whose enactment is found to be materially different from the model compact statute shall be entitled to the default process set forth in section 10 of this act.

(c) Member states enacting the compact subsequent to the charter member states shall be subject to the process set forth in section 7(3)(t) of this act to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact.

(2) If any member state is later found to be in default, or is terminated or withdraws from the compact, the commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than 10.

(3) Any state that joins the compact after the commission's initial adoption of

the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state, as the rules and bylaws may be amended as provided in this compact.

(4) Any member state may withdraw from this compact by enacting a statute repealing the same.

(a) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(5) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

**ARTICLE XII  
CONSTRUCTION AND SEVERABILITY**

NEW SECTION. **Sec. 12.** This compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution of any member state or a state seeking membership in the compact, or of the United States or the applicability thereof to any other government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the Constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

**ESB 5241**

Prime Sponsor, Senator Randall: Concerning material changes to the operations and governance structure of participants in the health care marketplace. Reported by Committee on Civil Rights & Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The legislature finds and declares that:

(1) The existence of accessible and affordable health care services that are responsive to the needs of the community is an important public policy goal.

(2) The COVID-19 pandemic laid bare both the crucial importance of our health care systems and the inequities that exist and exacerbate harm to marginalized communities, including in access to and delivery of affordable, quality care.

(3) Health entity mergers, acquisitions, and contracting affiliations impact cost, quality, and access to health care, and affect working conditions and employee benefits.

(4) Health entity mergers, acquisitions, and contracting affiliations have been shown to result in anticompetitive consequences, including higher prices and a lack of any meaningful choice among health care providers within a community or geographic region. These negative outcomes are exacerbated for those in rural areas with few health care providers.

(5) The legislature is committed to ensuring that Washingtonians have access to the full range of reproductive, end-of-life, and gender affirming health care services. Yet, Washingtonians continue to experience difficulty accessing gender affirming care, and health entity mergers and acquisitions in Washington state have resulted in material reductions in reproductive and end-of-life health care services, to the detriment of communities and patients.

(6) Health entity mergers, acquisitions, and contracting affiliations must improve rather than harm access to affordable quality health care.

**Sec. 2.** RCW 19.390.010 and 2019 c 267 s 1 are each amended to read as follows:

(1) It is the intent of the legislature to ensure that competition beneficial to consumers in health care markets across Washington remains vigorous and robust and that health care be affordable and accessible. The legislature supports ~~((that intent))~~ these intents through this chapter,

which provides the attorney general with notice of all material health care transactions in this state so that the attorney general has the information necessary to determine whether an investigation under the consumer protection act is warranted for potential anticompetitive conduct and consumer harm. This chapter is intended to supplement the federal Hart-Scott-Rodino antitrust improvements act, Title 15 U.S.C. Sec. 18a, by requiring notice of transactions not reportable under Hart-Scott-Rodino reporting thresholds and by providing the attorney general with a copy of any filings made pursuant to the Hart-Scott-Rodino act. In addition to ensuring vigorous and robust competition in health care markets, this chapter is also intended to ensure material change transactions result in the affected communities having the same or greater access to quality, affordable care, including emergency care, primary care, reproductive care, end-of-life care including services provided in accordance with chapter 70.245 RCW, and gender affirming care.

(2) Notwithstanding the language in this chapter regarding the attorney general's authority to determine the effect of a material change transaction on access to care, nothing in this chapter is intended to derogate from or otherwise affect in any way the attorney general's authority to conduct an investigation, or the process of any investigation, under chapter 19.86 RCW. Nothing in this section is intended to change or affect in any way any substantive law regarding the antitrust analysis of a material change transaction.

**Sec. 3.** RCW 19.390.020 and 2019 c 267 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(2) "Affiliate" means a person that directly, or indirectly through one or more intermediaries, controls or has ownership of, is controlled or owned by, or is under common control or ownership of a person. A provider organization that is not otherwise affiliated with a hospital or hospital system is not considered an affiliate of a hospital or hospital system solely on the basis that it contracts with the hospital or hospital system to provide facility-based services including, but not limited to, emergency, anesthesiology, pathology, radiology, or hospital services.

(3) "Carrier" means the same as in RCW 48.43.005.

~~((3))~~ (4) "Contracting affiliation" means the formation of a relationship between two or more entities that permits the entities to negotiate jointly with carriers or third-party administrators over

"Contracting affiliation" does not include arrangements among entities under common ownership or arrangements where at least one entity in the arrangement is owned or operated by a state entity.

~~((4))~~(5) "Gender affirming care" means a service or product that a health care provider, as defined in RCW 70.02.010, prescribes to an individual to treat any condition related to the individual's gender identity and is prescribed in accordance with generally accepted standards of care. Gender affirming care must be covered in a manner compliant with the federal mental health parity and addiction equity act of 2008 and the federal patient protection and affordable care act of 2010. Gender affirming care can be prescribed to two spirit, transgender, nonbinary, intersex, and other gender diverse individuals.

(6) "Health care services" means medical, surgical, chiropractic, hospital, optometric, podiatric, pharmaceutical, ambulance, mental health, substance use disorder, therapeutic, preventative, diagnostic, curative, rehabilitative, palliative, custodial, and any other services relating to the prevention, cure, or treatment of illness, injury, or disease. Health care services may be provided virtually, on-demand, or in brick and mortar settings.

~~(6))~~(7) "Health care revenue" means combined Washington-derived revenue from health care services or administration from a party and all of its affiliates including, but not limited to, patient revenue and premiums paid to carriers, as applicable.

(8) "Health maintenance organization" means an organization receiving a certificate of registration pursuant to chapter 48.46 RCW which provides comprehensive health care services to enrolled participants of such organization on a group practice per capita prepayment basis or on a prepaid individual practice plan, except for an enrolled participant's responsibility for copayments and deductibles, either directly or through contractual or other arrangements with other institutions, entities, or persons, and which qualifies as a health maintenance organization pursuant to RCW 48.46.030 and 48.46.040.

~~((7))~~(9) "Hospital" means a facility licensed under chapter 70.41 or 71.12 RCW.

~~((8))~~(10) "Hospital system" means:

(a) A parent corporation of one or more hospitals and any entity affiliated with such parent corporation (~~through ownership or control~~); or

(b) A hospital and any entity affiliated with such hospital (~~through ownership~~).

~~((9))~~(11) "Merger" means a consolidation of two or more organizations, including two or more organizations joining through a common parent organization or two or more organizations forming a new

organization, but does not include a corporate reorganization.

~~((10))~~(12) "Person" means, where applicable, natural persons, corporations, trusts, and partnerships.

~~((11))~~(13) "Provider" means a natural person who practices a profession identified in RCW 18.130.040.

~~((12))~~(14) "Provider organization" means a corporation, partnership, business trust, association, or organized group of persons, whether incorporated or not, which is in the business of health care delivery or management and that represents seven or more health care providers in contracting with carriers or third-party administrators for the payments of health care services. A "provider organization" includes physician organizations, physician-hospital organizations, independent practice associations, provider networks, and accountable care organizations.

~~((13))~~(15) "Reproductive health care" means any medical services or treatments, including pharmaceutical and preventive care services or treatments, directly involved in the reproductive system and its processes, functions, and organs involved in reproduction, in all stages of life.

(16) "Successor persons" means persons formed by, resulting from, or surviving any material change transaction under this chapter.

(17) "Third-party administrator" means an entity that administers payments for health care services on behalf of a client in exchange for an administrative fee.

**Sec. 4.** RCW 19.390.030 and 2019 c 267 s 3 are each amended to read as follows:

(1) Not less than ~~((sixty))~~120 days prior to the effective date of any transaction that results in a material change, the parties to the transaction shall submit written notice to the attorney general of such material change transaction.

(2) For the purposes of this ~~((section))~~chapter, a material change transaction includes a merger, acquisition, or contracting affiliation (~~between~~):

(a) Between two or more ~~((entities))~~ of the following ~~((types))~~entities:

~~((a))~~(i) Hospitals;

~~((b))~~(ii) Hospital systems; or

~~((c))~~(iii) Provider organizations; or

(b) Between the following entities:

(i) An entity described in (a) of this subsection and a carrier or an insurance holding company system, as defined in RCW 48.31B.005; or

(ii) An entity described in (a) of this subsection and any other person or entity that has as its primary function the provision of health care services or that is a parent organization of, has control over, or governance of, an entity that has as its primary function the provision of health care services.

(3) A material change transaction includes proposed changes identified in subsection (2) of this section between ~~((a Washington entity and an out-of-state entity where the out-of-state entity generates ten million dollars or more in health care services revenue from patients residing in~~

~~Washington state, and the entities are of the types identified in subsection (2) of this section))~~ Washington entities. A material change transaction also includes transactions between Washington entities described in subsection (2)(a) of this section and out-of-state entities if the transaction will impact health care in Washington. Any party to a material change transaction that is licensed or operating in Washington state shall submit a notice as required under this section.

(4) For purposes of subsection (2) of this section, a merger, acquisition, or contracting affiliation between two or more ~~((hospitals, hospital systems, or provider organizations))~~ entities only qualifies as a material change transaction if the ((hospitals, hospital systems, or provider organizations)) entities did not previously have common ownership or a contracting affiliation.

Sec. 9.** (1) No material change transaction under this chapter may take place if it would detrimentally affect the continued existence of accessible, affordable health care in Washington state for at least 10 years after the transaction occurs. To this end the material change transaction must result in the affected communities having the same or greater access to quality, affordable care, including but not limited to emergency care, primary care, reproductive health care, gender affirming care, and end-of-life care including services provided in accordance with chapter 70.245 RCW.

(2) The material change transaction must also result in:

(a) Reducing the growth in patient and health plan sponsor costs;

(b) Increasing access to services in medically underserved areas;

(c) Rectifying historical and contemporary factors contributing to a lack of health equities or access to services; or

(d) Improving health outcomes for residents of this state.

(3) The material change transaction must not result in the revocation of hospital privileges and must establish sufficient safeguards to maintain appropriate capacity for health provider education.

(4) The material change transaction must not result in a reduction in staffing capacity for the provision of medically necessary services to the extent such reductions would diminish patients' access to quality care.

(5) In determining whether a material change transaction fulfills the requirements of subsections (1) through (4) of this section, the attorney general shall take into consideration whether the material change transaction is necessary to maintain the solvency of an entity involved in the transaction. However, the attorney general may not determine that a material change transaction is necessary to maintain the solvency of an entity without first having

an independent contractor prepare a financial assessment of the entity. Such assessment must include possible alternatives to the material change transaction, and the likely impact of those alternatives, if implemented, on the entity's solvency.

(6) Nothing in this chapter is intended to derogate from or otherwise affect in any way the attorney general's authority to conduct an investigation, or the process of any investigation, under chapter 19.86 RCW. Nothing in this section is intended to change or affect in any way any substantive law regarding the antitrust analysis of a material change transaction.

**NEW SECTION. Sec. 10.** (1) For all material change transactions included under RCW 19.390.040(3), the attorney general shall conduct a preliminary review of the completed notice to determine if the material change transaction will fulfill the requirements under section 9 of this act. The review must include, but is not limited to, an analysis of the information and documentation provided under RCW 19.390.040 and one public hearing.

(2) After conducting the preliminary review, if the attorney general determines that the material change transaction is likely to fulfill the requirements under section 9 of this act, the attorney general may not conduct a comprehensive review of the material change transaction as provided under sections 11, 13, and 14 of this act.

(3) The attorney general shall, within 60 days of receiving a completed notice, inform parties to a material change transaction as to whether a comprehensive review of the material change transaction is required as provided under sections 11, 13, and 14 of this act.

(4) Nothing in this chapter is intended to derogate from or otherwise affect in any way the attorney general's authority to conduct an investigation, or the process of any investigation, under chapter 19.86 RCW. Nothing in this section is intended to change or affect in any way any substantive law regarding the antitrust analysis of a material change transaction.

**NEW SECTION. Sec. 11.** (1) For all material change transactions included under RCW 19.390.040(3) that are not limited to the preliminary review under section 10 of this act, the attorney general shall review the completed notice and conduct a comprehensive review. After conducting a comprehensive review, the attorney general shall within 120 days of receiving the completed notice:

(a) Approve the material change transaction in writing. The approval of a material change transaction pursuant to this chapter does not constitute approval for the purpose of RCW 19.86.170, or any other provision of state or federal consumer protection or antitrust law. Such approval pursuant to this chapter does not preclude the attorney general from taking any action to enforce state or federal consumer protection or antitrust law;

(b) Impose conditions or modifications on the material change transaction to ensure the requirements of section 9 of this act are met and that sufficient safeguards are in place to ensure communities have continued or improved access to affordable quality care. The imposition of such conditions or modifications shall be in writing and constitute a final decision subject to all appellate rights contained within this chapter; or

(c) Disapprove the material change transaction in writing with written justification, which shall constitute a final decision subject to all appellate rights contained within this act.

(2) Within 30 days after a final decision of the attorney general either denying or approving with modifications a material change transaction, any party to the material change transaction may appeal the decision to the superior court for review in accordance with RCW 34.05.570(4). An appeal to the superior court shall be to the superior court of a county in which the material change transaction is to have occurred or to the superior court for Thurston county. Such appeal shall be perfected by filing with the clerk of the court a notice of appeal and by serving a copy thereof by mail, or personally, on the attorney general or their appointed designee. The attorney general shall, in all cases within 15 days after the receipt of such notice of appeal, serve and file its notice of appearance and such appeal shall thereupon be deemed at issue. The attorney general shall serve upon the appealing party and file with the clerk of the court within 30 days of the filing of the appeal, a certified copy of the attorney general's official record which shall include the final decision, and all accompanying documents, subject to the same confidentiality protections provided to such documents in the underlying act. These shall become the record in the case subject to leave of the court. The superior court shall review the final decision of the attorney general, subject to the statutory requirements of the underlying act and chapter 34.05 RCW.

(3) The attorney general may not make its decision to disapprove the material change transaction subject to any condition not directly and rationally related to the requirements under section 9 of this act and any condition or modification must bear a direct and rational relationship to the notice under review and the requirements under section 9 of this act.

(4) Nothing in this chapter is intended to derogate from or otherwise affect in any way the attorney general's authority to conduct an investigation, or the process of any investigation, under chapter 19.86 RCW. Nothing in this section is intended to change or affect in any way any substantive law regarding the antitrust analysis of a material change transaction.

(6) Nothing in this chapter is intended to derogate from or otherwise affect in any way the attorney general's authority to conduct an investigation, or the process of any investigation, under chapter 19.86 RCW. Nothing in this section is intended to change or affect in any way any substantive law regarding the antitrust analysis of a material change transaction.

(e) The tax authorized in this section does not apply to the sale of, or charge made for, the furnishing of a room for lodging in a dwelling unit that is the primary residence of the owner and in which all rented rooms share a common entryway. A short-term rental platform must provide a means by which an owner can attest that a dwelling unit is the owner's primary residence and that all rooms rented in the dwelling unit share a common entryway. If the short-term rental platform collects and remits taxes on behalf of an owner, the owner must provide such an attestation to the short-term rental platform in order to qualify for this exemption. When collecting and remitting taxes on behalf of an owner, a short-term platform must notify the county, city, or town when an exemption applies under this section. Upon notification from a county, city, or town imposing the tax authorized in this section that the exemption does not apply to an owner's property, the short-term rental platform shall, if collecting and remitting taxes on the owner's behalf, collect and remit the tax authorized in this section.

(2)(a) The legislative body of a county, city, or town must adopt a resolution of intent to adopt legislation authorizing the tax under this section prior to imposing the tax under this section.

(b) Adoption of the resolution of intent and legislation requires simple majority approval of the enacting legislative authority.

(3)(a) Except as provided in (b) of this subsection, moneys collected from the special excise tax under this section must be deposited into a separate fund to be used exclusively for the following purposes:

(ii) Funding the operations and maintenance costs of units of affordable, workforce, or supportive housing;

(iii) Providing rental assistance to tenants; or

(iv) Funding the operations of social service organizations and nonprofit organizations dedicated to providing services and assistance related to attaining and maintaining housing including, but not limited to, employment assistance, utilities assistance, nutritional assistance, and child care assistance.

(b) A county, city, or town may retain up to five percent of the moneys collected under this section in each calendar year for the direct and indirect costs incurred in the administration of services and programs as provided in (a) of this subsection.

(c) A county, city, or town imposing the tax authorized under this section may enter into an interlocal agreement under chapter 39.34 RCW with another county, city, or town, to jointly undertake projects

satisfying the requirements of (b) of this subsection.

(4) Beginning the year after the special excise tax authorized in this section is first collected, a county, city, or town imposing the tax must publish an annual report by March 1st of each year detailing how the revenue from the tax was spent in the prior year. The report must be made available to the public. This may include posting the report on the county's, city's, or town's website.

(1) The legislative body of any municipality may impose an excise tax on the sale of or charge made for the furnishing of lodging that is subject to tax under chapter 82.08 RCW. The rate of tax shall not exceed the lesser of two percent or a rate that, when combined with all other taxes imposed upon sales of lodging within the municipality under this chapter and chapters 36.100, ~~((67.407))~~ 82.08, and 82.14 RCW, equals twelve percent. A tax under this chapter shall not be imposed in increments smaller than tenths of a percent.

(2) Notwithstanding subsection (1) of this section:

(a) If a municipality was authorized to impose taxes under this chapter or RCW 67.40.100 or both with a total rate exceeding four percent before July 27, 1997, such total authorization shall continue through January 31, 1999, and thereafter the municipality may impose a tax under this section at a rate not exceeding the rate actually imposed by the municipality on January 31, 1999.

(b) If a city or town, other than a municipality imposing a tax under (a) of this subsection, is located in a county that imposed taxes under this chapter with a total rate of four percent or more on January 1, 1997, the city or town may not impose a tax under this section.

(c) If a city has a population of ~~((four hundred thousand))~~ 400,000 or more and is located in a county with a population of ~~((one million))~~ 1,000,000 or more, the rate of tax imposed under this chapter by the city shall not exceed the lesser of four percent or a rate that, when combined with all other taxes imposed upon sales of lodging in the municipality under this chapter and chapters 36.100, ~~((67.407))~~ 82.08, and 82.14 RCW, equals ~~((fifteen))~~ 15 and two-tenths percent.

(3) Any county ordinance or resolution adopted under this section shall contain a provision allowing a credit against the county tax for the full amount of any city or town tax imposed under this section upon the same taxable event.

(4) In determining the effective combined rate of tax for purposes of the limit in subsections (1) and (2)(c) of this section, the tax rates under RCW 82.14.530 (~~(i)~~) and section 1 of this act are not included.

**Sec. 3.** RCW 82.14.410 and 2015 3rd sp.s. c 24 s 704 are each amended to read as follows:

(1) A local sales and use tax change adopted after December 1, 2000, must provide an exemption for those sales of lodging for which, but for the exemption, the total sales tax rate imposed on sales of lodging would exceed the greater of:

(a) Twelve percent; or

(b) The total sales tax rate that would have applied to the sale of lodging if the sale were made on December 1, 2000.

Prime Sponsor, Senator Liias: Promoting inclusive learning standards and instructional materials in public schools. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature recognizes that Washington state law prohibits discrimination in public schools for certain protected classes. The legislature also acknowledges that school districts are required to adopt a policy related to the selection or removal of instructional materials. Under state rule, the instructional materials policy of each school district must establish and use appropriate screening criteria to identify and eliminate bias pertaining to protected classes.

(2) The legislature intends to expand these requirements by requiring school districts to adopt policies and procedures that incorporate adopting inclusive curricula and selecting inclusive instructional materials that include the histories, contributions, and perspectives of historically marginalized and underrepresented groups. The legislature recognizes that inclusive curricula have been shown to often improve the mental health, academic performance, attendance rates, and graduation rates of marginalized communities. Research on students' sense of belonging and community in the school setting confirms that inclusive curricula and learning environments contribute to increased school motivation, participation, and achievement.

(3) The legislature intends to promote culturally and experientially representative learning opportunities for all students by directing the office of the superintendent of public instruction, when revising or developing state learning standards, to screen for inappropriate bias in the proposed state learning standards and to ensure that the histories, contributions, and perspectives of underrepresented peoples and communities are included in the standards.

(4) The legislature believes that promoting inclusive learning standards, curricula, and instructional materials will improve student achievement, attendance, parent and family engagement, and other dimensions that contribute to student success.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.345 RCW to read as follows:

(1) By June 1, 2025, the Washington state school directors' association, with the assistance of the office of the superintendent of public instruction, must review and update a model policy and procedure regarding course design, selection, and adoption of instructional materials.

(2) The model policy and procedure must require that school district boards of directors, within available materials, adopt inclusive curricula and select diverse, equitable, inclusive, age-appropriate instructional materials that include the histories, contributions, and perspectives of historically marginalized and underrepresented groups including, but not limited to, people from various racial, ethnic, and religious backgrounds, people with differing learning needs, people with disabilities, LGBTQ people as the term is defined in RCW 43.114.010, and people with various socioeconomic and immigration backgrounds.

(3) The model policy and procedure must require that, in adopting curricula and selecting instructional materials in accordance with this section, school district boards of directors must seek curricula and instructional materials that are as culturally and experientially diverse as possible, recognizing that the availability of materials that include the histories, contributions, and perspectives of historically marginalized groups may vary.

(4) By October 1, 2025, school district boards of directors must amend the policy and procedures required under RCW 28A.320.230 to incorporate the elements described in this section. For the purpose of documenting compliance with this section and assisting school districts in accordance with section 5 of this act, school district boards of directors, within 10 days of completing the policy and procedure updates required by this subsection (4), shall provide notice of the completed actions and electronic copies of the applicable policies and procedures to the office of the superintendent of public instruction.

(5) This section governs school operation and management under RCW 28A.710.040 and 28A.715.020, and applies to charter schools established under chapter 28A.710 RCW and state-tribal education compact schools subject to chapter 28A.715 RCW to the same extent as it applies to school districts.

**Sec. 3.** RCW 28A.655.070 and 2019 c 252 s 119 are each amended to read as follows:

(1) The superintendent of public instruction shall develop state learning standards that identify the knowledge and skills all public school students need to know and be able to do based on the student learning goals in RCW 28A.150.210, develop student assessments, and implement the accountability recommendations and requests regarding assistance, rewards, and recognition of the state board of education.

(2) The superintendent of public instruction shall:

(a) Periodically revise the state learning standards, as needed, based on the student learning goals in RCW 28A.150.210. Goals one and two shall be considered primary. To the maximum extent possible, the superintendent shall integrate goal four and the knowledge and skill areas in the other goals in the state learning standards; ((and))

(b) Include a screening for biased content in each development or revision of a state learning standard and ensure that the concepts of diversity, equity, and inclusion, as those terms are defined in RCW 28A.415.443, are incorporated into each new or revised state learning standard. In meeting the requirements of this subsection (2)(b), the superintendent of public instruction shall consult with the applicable commissions established in Title 43 RCW and other persons and organizations with relevant expertise; and

(c) Review and prioritize the state learning standards and identify, with clear and concise descriptions, the grade level content expectations to be assessed on the statewide student assessment and used for state or federal accountability purposes. The review, prioritization, and identification shall result in more focus and targeting with an emphasis on depth over breadth in the number of grade level content expectations assessed at each grade level. Grade level content expectations shall be articulated over the grades as a sequence of expectations and performances that are logical, build with increasing depth after foundational knowledge and skills are acquired, and reflect, where appropriate, the sequential nature of the discipline. The office of the superintendent of public instruction, within seven working days, shall post on its website any grade level content expectations provided to an assessment vendor for use in constructing the statewide student assessment.

(3)(a) In consultation with the state board of education, the superintendent of public instruction shall maintain and continue to develop and revise a statewide academic assessment system in the content areas of reading, writing, mathematics, and science for use in the elementary, middle, and high school years designed to determine if each student has mastered the state learning standards identified in subsection (1) of this section. School districts shall administer the assessments under guidelines adopted by the superintendent of public instruction. The academic assessment system may include a variety of assessment methods, including criterion-referenced and performance-based measures.

(b) Effective with the 2009 administration of the Washington assessment of student learning and continuing with the statewide student assessment, the superintendent shall redesign the assessment in the content areas of reading, mathematics, and science in all grades except high school by shortening test administration and reducing the number of short answer and extended response questions.

(c) By the 2014-15 school year, the superintendent of public instruction, in consultation with the state board of education, shall modify the statewide student assessment system to transition to assessments developed with a multistate consortium, as provided in this subsection:

(i) The assessments developed with a multistate consortium to assess student proficiency in English language arts and mathematics shall be administered beginning

in the 2014-15 school year, and beginning with the graduating class of 2020, the assessments must be administered to students in the tenth grade. The reading and writing assessments shall not be administered by the superintendent of public instruction or schools after the 2013-14 school year.

(ii) The high school assessments in English language arts and mathematics in (c) (i) of this subsection shall be used for the purposes of federal and state accountability and for assessing student career and college readiness.

(d) The statewide academic assessment system must also include the Washington access to instruction and measurement assessment for students with significant cognitive challenges.

(4) If the superintendent proposes any modification to the state learning standards or the statewide assessments, then the superintendent shall, upon request, provide opportunities for the education committees of the house of representatives and the senate to review the assessments and proposed modifications to the state learning standards before the modifications are adopted.

(5) The assessment system shall be designed so that the results under the assessment system are used by educators as tools to evaluate instructional practices, and to initiate appropriate educational support for students who have not mastered the state learning standards at the appropriate periods in the student's educational development.

(6) By September 2007, the results for reading and mathematics shall be reported in a format that will allow parents and teachers to determine the academic gain a student has acquired in those content areas from one school year to the next.

(7) To assist parents and teachers in their efforts to provide educational support to individual students, the superintendent of public instruction shall provide as much individual student performance information as possible within the constraints of the assessment system's item bank. The superintendent shall also provide to school districts:

(a) Information on classroom-based and other assessments that may provide additional achievement information for individual students; and

(b) A collection of diagnostic tools that educators may use to evaluate the academic status of individual students. The tools shall be designed to be inexpensive, easily administered, and quickly and easily scored, with results provided in a format that may be easily shared with parents and students.

(8) To the maximum extent possible, the superintendent shall integrate knowledge and skill areas in development of the assessments.

(9) Assessments for goals three and four of RCW 28A.150.210 shall be integrated in the state learning standards and assessments for goals one and two.

(10) The superintendent shall develop assessments that are directly related to the state learning standards, and are not biased toward persons with different learning

styles, racial or ethnic backgrounds, or on the basis of gender.

(11) The superintendent shall review available and appropriate options for competency-based assessments that meet the state learning standards. In accordance with the review required by this subsection, the superintendent shall provide a report and recommendations to the education committees of the house of representatives and the senate by November 1, 2019.

(12) The superintendent shall consider methods to address the unique needs of special education students when developing the assessments under this section.

(13) The superintendent shall consider methods to address the unique needs of highly capable students when developing the assessments under this section.

(14) The superintendent shall post on the superintendent's website lists of resources and model assessments in social studies, the arts, and health and fitness.

(15) The superintendent shall integrate financial education skills and content knowledge into the state learning standards pursuant to RCW 28A.300.460(2)(d).

(16)(a) The superintendent shall notify the state board of education in writing before initiating the development or revision of the state learning standards under subsections (1) and (2) of this section. The notification must be provided to the state board of education in advance for review at a regularly scheduled or special board meeting and must include the following information:

(i) The subject matter of the state learning standards;

(ii) The reason or reasons the superintendent is initiating the development or revision; and

(iii) The process and timeline that the superintendent intends to follow for the development or revision.

(b) The state board of education may provide a response to the superintendent's notification for consideration in the development or revision process in (a) of this subsection.

(c) Prior to adoption by the superintendent of any new or revised state learning standards, the superintendent shall submit the proposed new or revised state learning standards to the state board of education in advance in writing for review at a regularly scheduled or special board meeting. The state board of education may provide a response to the superintendent's proposal for consideration prior to final adoption.

(17) The state board of education may propose new or revised state learning standards to the superintendent. The superintendent must respond to the state board of education's proposal in writing.

(18) The superintendent shall produce and post on its website a schedule for the revision of state learning standards under subsection (2) of this section by September 1, 2025. In addition to notifying parents, schools, and the public of the schedule and timelines for revision, the website posting must be updated as necessary to inform persons of the status of any pending revisions, and of any plans or actions

related to developing new state learning standards under subsection (1) of this section.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.300 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction, in collaboration with the statewide association of educational service districts, the legislative youth advisory council established under RCW 43.15.095, and the Washington state school directors' association, must create an open collection of educational resources for inclusive curricula. The office of the superintendent of public instruction must consult with the Washington state office of equity established in RCW 43.06D.020 and any other relevant state agencies when creating the open collection of educational resources.

(2) The open collection of educational resources must include resources that include the histories, contributions, and perspectives of historically marginalized and underrepresented groups.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction shall, as soon as is practicable, compile information received under section 2(4) of this act and, based on the received materials, prepare best practices and other informative materials to support school districts, charter schools, and state-tribal education compact schools in meeting the requirements of section 2 of this act.

(2) This section expires June 30, 2028."

Prime Sponsor, Law & Justice: Concerning the mental health sentencing alternative. Reported by Committee on Community Safety, Justice, & Reentry

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9.94A.695 and 2021 c 242 s 1 are each amended to read as follows:

(1) A defendant is eligible for the mental health sentencing alternative if:

(a) The defendant is convicted of a felony that is not a serious violent offense or sex offense;

(b) The defendant is diagnosed with a serious mental illness recognized by the diagnostic manual in use by mental health professionals at the time of sentencing;

(c) The defendant and the community would benefit from supervision and treatment, as determined by the judge; and

(d) The defendant is willing to participate in the sentencing alternative.

(2) A motion for a sentence under this section may be made by any party or the

court, but is contingent upon the defendant's agreement to participate in the sentencing alternative. To determine whether the defendant has a serious mental illness, the court may rely on information including reports completed pursuant to chapters 71.05 and 10.77 RCW, or other mental health professional as defined in RCW 71.05.020, or other information and records related to mental health services. Information and records relating to mental health services must be handled consistently with RCW 9.94A.500(2). If insufficient information is available to determine whether a defendant has a serious mental illness, the court may order an examination of the defendant.

(3) To assist the court in its determination, the department shall provide a written report, which shall be in the form of a presentence investigation. Such report may be ordered by the court on the motion of a party prior to conviction if such a report will facilitate negotiations. The court may waive the production of this report if sufficient information is available to the court to make a determination under subsection (4) of this section. The report must contain:

(a) A proposed treatment plan for the defendant's mental illness, including at a minimum:

(i) The name and address of ~~((the))~~ a treatment provider that ((has agreed)) is agreeing to provide treatment to the defendant, including an intake evaluation, a psychiatric evaluation, and development of an individualized plan of treatment which shall be submitted as soon as possible to the department and the court; and

(ii) An agreement by the treatment provider to monitor the progress of the defendant on the sentencing alternative and notify the department and the court at any time during the duration of the order if reasonable efforts to engage the defendant fail to produce substantial compliance with court-ordered treatment conditions;

(b) A proposed monitoring plan, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members and others;

(c) Recommended crime-related prohibitions and affirmative conditions; and

(d) A release of information, signed by the defendant, allowing the parties and the department to confirm components of the treatment and monitoring plan.

(4) After consideration of all available information and determining whether the defendant is eligible, the court shall consider whether the defendant and the community will benefit from the use of this sentencing alternative. The court shall consider the victim's opinion whether the defendant should receive a sentence under this section. If the sentencing court determines that a sentence under this section is appropriate, the court shall waive imposition of the sentence within the standard range. The court shall impose a term of community custody between 12 and 24 months if the midpoint of the defendant's standard range sentence is less than or equal to 36 months, and a term of community custody between 12 months and 36 months if the midpoint of the defendant's standard

range sentence is longer than 36 months. The actual length of community custody within these ranges shall be at the discretion of the court.

(5) If the court imposes an alternative sentence under this section, the department shall assign a community corrections officer to supervise the defendant. The department shall provide a community corrections officer assigned under this section with appropriate training in mental health to be determined by the department.

(6) ~~((a))~~ For a defendant participating in this sentencing alternative, the court and correctional facility may delay the defendant's release from total confinement in order to facilitate adherence to the defendant's treatment plan. This may include delaying release in order to:

(a) Allow a defendant to transfer directly to an inpatient treatment facility or supportive housing provider;

(b) Ensure appropriate transportation is established and available; or

(c) Release the defendant during business hours on a weekday when services are available.

(7) (a) The court may schedule progress hearings for the defendant to evaluate the defendant's progress in treatment and compliance with conditions of supervision.

(b) Before any progress hearing, the department and the treatment provider shall each submit a written report informing the parties of the defendant's progress and compliance with treatment, unless waived by the court. At the progress hearing, the court shall hear from the parties regarding the defendant's compliance and may modify the conditions of community custody if the modification serves the interests of justice and the best interests of the defendant.

~~((7))~~ (8) (a) If the court imposes this sentencing alternative, the court shall impose conditions under RCW 9.94A.703 that ~~((do not conflict))~~ are consistent with this section and may impose any additional conditions recommended by any of the written reports regarding the defendant.

(b) The court shall impose specific treatment conditions:

(i) Meet with treatment providers and follow the recommendations provided in the individualized treatment plan as initially constituted or subsequently modified by the treatment provider;

(ii) Take medications as prescribed, including monitoring of compliance with medication if needed;

(iii) Refrain from using alcohol and nonprescribed controlled substances if the defendant has a diagnosis of a substance use disorder. The court may order the department to monitor for the use of alcohol or nonprescribed controlled substances if the court prohibits use of those substances.

~~((8))~~ (9) Treatment issues arising during supervision shall be discussed collaboratively. The treatment provider, community corrections officer, and any representative of the person's medical assistance plan shall jointly determine intervention for violation of a treatment condition. The community corrections officer shall have the authority to address the violation independently if:

(a) The violation is safety related with respect to the defendant or others;

(b) The treatment violation consists of decompensation related to psychosis that presents a risk to the community or the defendant and cannot be mitigated by community intervention. The community corrections officer may intervene with available resources such as a designated crisis responder; or

(c) The violation relates to a standard condition for supervision.

~~((9))~~ (10) The community corrections officer, treatment provider, and any engaged representative of the defendant's medical assistance plan should collaborate prior to a progress update to the court. Required treatment interventions taken between court progress hearings shall be reported to the court as a part of the regular progress update to the court.

~~((10))~~ (11) The court may schedule a review hearing for a defendant under this sentencing alternative at any time to evaluate the defendant's progress with treatment or to determine if any violations have occurred.

(a) At a review hearing the court may modify the terms of the community custody or impose sanctions if the court finds that the conditions have been violated or that different or additional terms are in the best interest of the defendant.

(b) The court may order the defendant to serve a term of total or partial confinement for violating the terms of community custody or failing to make satisfactory progress in treatment.

~~((11))~~ (12) The court shall schedule a termination hearing one month prior to the end of the defendant's community custody. A termination hearing may also be scheduled if the department or the state reports that the defendant has violated the terms of community custody imposed by the court. At that hearing, the court may:

(a) Authorize the department to terminate the defendant's community custody status on the expiration date; or

(b) Continue the hearing to a date before the expiration date of community custody, with or without modifying the conditions of community custody; or

(c) Revoke the sentencing alternative and impose a term of total or partial confinement within the standard sentence range or impose an exceptional sentence below the standard sentencing range if compelling reasons are found by the court or the parties agree to the downward departure. The defendant shall receive credit for time served while actively supervised in the community against any term of total confinement. The court must issue written findings indicating a substantial and compelling reason to revoke this sentencing alternative.

~~((12))~~ (13) The health care authority shall directly reimburse behavioral health providers for:

(a) Conducting in-custody evaluations and developing treatment plans for individuals recommended for this sentencing alternative; and

(b) Monitoring the individual's compliance with this sentencing alternative,

including reporting to the court and the department of corrections.

(14) For the purposes of this section:

(a) "Behavioral health provider" has the same meaning as in RCW 71.24.025.

(b) "Serious mental illness" means a mental, behavioral, or emotional disorder resulting in a serious functional impairment, which substantially interferes with or limits one or more major life activities.

~~((b))~~ (c) "Victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

NEW SECTION. Sec. 2. A new section is added to chapter 71.24 RCW to read as follows:

Beginning January 1, 2025, the authority shall require that any contract with a managed care organization include a requirement that the managed care organization prioritize existing care coordination responsibilities, including in-custody mental health evaluations, treatment plan development, and same-day prescription access, for incarcerated individuals who are recommended for the mental health sentencing alternative under RCW 9.94A.695."

MAJORITY recommendation: Do pass as amended.

**"NEW SECTION. Sec. 1.** The legislature finds that many youth exiting foster care have not been financially prepared for a successful transition to independence. The legislature finds that financial awareness can play a key role in ensuring safe and stable housing and long-term economic well-being. Therefore, the legislature resolves to create a program to aid young people in foster care with establishing private self-controlled accounts to promote successful transition from foster care into independence.

**NEW SECTION. Sec. 2.** A new section is added to chapter 74.13 RCW to read as follows:

(1) The department shall develop a financial savings program for eligible youth.

(a) The department shall provide an eligible youth with the opportunity to open a private self-controlled account with a financial institution. If interested, the eligible youth may open the account with assistance from any supportive adult, including but not limited to: Independent living service providers, caregivers, caseworkers, kinship and other family members, attorneys, and supportive adults in the community which may include mentors, teachers, and coaches. It is the department's responsibility to ensure that every eligible youth receives information about this program beginning at age 14, and to inquire as to whether a youth has established a private self-controlled account at the youth's shared planning meeting that is used to develop a transition plan, as provided for in this chapter. If it is determined that an eligible youth has not established a private self-controlled account at the time of the shared planning meeting, information on opening an account with a financial institution must be included in a youth's transition plan.

(b) As appropriate, the department shall engage various partners to work with young people to establish their accounts, including but not limited to independent living providers, established community-based organizations, foster parents and caregivers, foster care in-school support staff, and other direct service department staff.

(c) The department shall deposit a minimum of \$25 per month into an eligible youth's account as established under this program. The department shall make a first deposit within one month of the youth's opening of an account. Eligible youth may opt out of receiving minimum deposits under this section at any time. It is the department's responsibility to inform the eligible youth about the impact that deposits could have on public benefit eligibility.

(d) The department shall create an online platform to allow youth to establish their financial accounts.

(e) The program is to be operational by January 1, 2025, and fully implemented in all regions by July 1, 2028. The program shall be established and made fully

operational statewide in phases over the state fiscal years as follows:

(i) Over the 2024-2025 fiscal year, Spokane and Pierce counties;

(ii) Over the 2025-2026 fiscal year, the remaining counties in the department's regions 1 and 5;

(iii) Over the 2026-2027 fiscal year, regions 2 and 6; and

(iv) Over the 2027-2028 fiscal year, regions 3 and 4.

(f) The department shall conduct an annual electronic survey of 15 percent of eligible youth as a method of program evaluation.

(g) An eligible youth is a dependent youth ages 14 and up, including youth in extended foster care, and remains eligible to open an account with the financial support of the department until the dependency proceeding is dismissed.

(2)(a) The department shall convene a temporary advisory committee to advise on the development of the implementation plan of this program, collections and reports of data, expansion of partnerships with financial institutions and service providers, and review of communications and marketing materials. The department shall consult the temporary advisory committee regarding the financial savings program to ensure statewide access to a high quality, developmentally, and culturally appropriate program for eligible youth. The temporary advisory committee shall develop a survey for eligible youth to help determine the effectiveness of the program, including whether the eligible youth has established a self-controlled account. The department is encouraged to utilize existing resources readily available including those provided by the department of financial institutions, among other agencies and programs. Members of the temporary advisory committee shall include, but are not limited to: Current or former foster youth, current or former caregivers, including kinship caregivers, the financial education public-private partnership, financial institutions, and those with expertise in providing financial education or mentorship to youth ages 12 and up.

(b) By November 1, 2025, and in compliance with RCW 43.01.036, the department shall submit a report on the work of the advisory committee as well as the status of the program implementation to the appropriate committees of the legislature and the governor. By December 1, 2025, and annually thereafter, and in compliance with RCW 43.01.036, the department shall submit a report summarizing the results of the survey as provided for in subsection (1) of this section to the appropriate committees of the legislature.

Prime Sponsor, Early Learning & K-12 Education: Increasing the capacity to conduct timely fingerprint-based background checks for prospective child care employees and other programs. Reported by Committee on Human Services, Youth, & Early Learning

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that accurate background checks play an important role in ensuring the safety of Washington families seeking child care services and for those involved in the child welfare system. The legislature finds that many areas of the state lack convenient access to fingerprinting services, thereby significantly delaying or inhibiting hiring and approval processes. The legislature finds that completing background checks more quickly will help address child care

workforce shortfalls by allowing providers to hire, train, and employ new staff. The legislature therefore intends to improve workforce stability by reducing processing times for background checks and directing the department of children, youth, and families to make fingerprinting services available at selected early learning and child welfare offices as provided in this act.

**Sec. 2.** RCW 43.216.270 and 2023 c 437 s 2 are each amended to read as follows:

(1) (a) In determining whether an individual is of appropriate character, suitability, and competence to provide child care and early learning services to children, the department may consider the history of past involvement of child protective services or law enforcement agencies with the individual for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of a child. No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes. No unfounded or inconclusive allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a provider licensed under this chapter.

(b) The department may not deny or delay a license to provide child care and early learning services under this chapter to an individual solely because of a founded finding of physical abuse or negligent treatment or maltreatment involving the individual revealed in the background check process or solely because the individual's child was found by a court to be dependent as a result of a finding that the individual abused or neglected their child pursuant to RCW 13.34.030(6)(b) when that founded finding or court finding is accompanied by a certificate of parental improvement as defined in chapter 74.13 RCW related to the same incident.

(2) In order to determine the suitability of individuals newly applying for an agency license, new licensees, their new employees, and other persons who newly have unsupervised access to children in child care, shall be fingerprinted.

(a) The fingerprints shall be forwarded to the Washington state patrol and federal bureau of investigation for a criminal history record check.

(b) All individuals applying for first-time agency licenses, all new employees, and other persons who have not been previously qualified by the department to have unsupervised access to children in child care must be fingerprinted and obtain a criminal history record check pursuant to this section.

(c) The secretary shall use the fingerprint criminal history record check information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children.

(d) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

(e) No later than July 1, 2013, all agency licensees holding licenses prior to July 1, 2012, persons who were employees before July 1, 2012, and persons who have been qualified by the department before July 1, 2012, to have unsupervised access to children in child care, must submit a new background application to the department.

(f) The department shall issue a background check clearance card or certificate to the applicant if after the completion of a background check the department concludes the applicant is qualified for unsupervised access to children in child care. The background check clearance card or certificate is valid for five years from the date of issuance. A valid card or certificate must be accepted by a potential employer as proof that the applicant has successfully completed a background check as required under this chapter. For purposes of renewal of the background clearance card or certificate, all agency licensees holding a license, persons who are employees, and persons who have been previously qualified by the department, must submit a new background application to the department on a date to be determined by the department.

(g) The original applicant for an agency license, licensees, their employees, and other persons who have unsupervised access to children in child care shall submit a new background check application to the department, on a form and by a date as determined by the department.

(h) The applicant and agency shall maintain on-site for inspection a copy of the background check clearance card or certificate.

(i) Individuals who have been issued a background check clearance card or certificate shall report nonconviction and conviction information to the department within twenty-four hours of the event constituting the nonconviction or conviction information.

(j) The department shall investigate and conduct a redetermination of an applicant's or licensee's background clearance if the department receives a complaint or information from individuals, a law enforcement agency, or other federal, state, or local government agency. Subject to the requirements contained in RCW 43.216.325 and 43.216.327 and based on a determination that an individual lacks the appropriate character, suitability, or competence to provide child care or early learning services to children, the department may: (i) Invalidate the background card or certificate; or (ii) suspend, modify, or revoke any license authorized by this chapter.

(3) To satisfy the shared background check requirements of the department of children, youth, and families, the office of the superintendent of public instruction, and the department of social and health services, each department shall share federal fingerprint-based background check results as permitted under the law. The

purpose of this provision is to allow these departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. These departments may not share the federal background check results with any other state agency or person.

(4) Individuals who have completed a fingerprint background check as required by the office of the superintendent of public instruction, consistent with RCW 28A.400.303, and have been continuously employed by the same school district or educational service district, can meet the requirements in subsection (2) of this section by providing a true and accurate copy of their Washington state patrol and federal bureau of investigation background check report results to the department or if the school district or the educational service district provides an affidavit to the department that the individual has been authorized to work by the school district or educational service district after completing a record check consistent with RCW 28A.400.303. The department may require that additional background checks be completed that do not require additional fingerprinting.

(5) Subject to the availability of amounts appropriated for this specific purpose and to help satisfy the background check requirements in this section, the department shall maintain the capacity to roll, print, or scan fingerprints in at least seven of the department's early learning and child welfare offices for the purposes of Washington state patrol and federal bureau of investigation fingerprint-based background checks. Office locations must:

(a) Be prioritized based on proximity to existing fingerprinting service capacity, regional demand, and criteria to enhance timely access;

(b) Provide staff support of a minimum of 0.5 full-time equivalent employees per office location; and

(c) Provide fingerprinting services solely for prospective and current child care employees, licensed group care employees, families, and relatives involved in child welfare.

**Sec. 3.** RCW 74.15.030 and 2019 c 470 s 20 are each amended to read as follows:

The secretary shall have the power and it shall be the secretary's duty:

(1) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to designate categories of facilities for which separate or different requirements shall be developed as may be appropriate whether because of variations in the ages, sex and other characteristics of persons served, variations in the purposes and services offered or size or structure of the agencies to be licensed hereunder, or because of any other factor relevant thereto;

(2) In consultation with the children's services advisory committee, and with the

advice and assistance of persons representative of the various type agencies to be licensed, to adopt and publish minimum requirements for licensing applicable to each of the various categories of agencies to be licensed.

The minimum requirements shall be limited to:

(a) The size and suitability of a facility and the plan of operation for carrying out the purpose for which an applicant seeks a license;

(b) Obtaining background information and any out-of-state equivalent, to determine whether the applicant or service provider is disqualified and to determine the character, competence, and suitability of an agency, the agency's employees, volunteers, and other persons associated with an agency;

(c) Conducting background checks for those who will or may have unsupervised access to children or expectant mothers; however, a background check is not required if a caregiver approves an activity pursuant to the prudent parent standard contained in RCW 74.13.710;

(d) Obtaining child protective services information or records maintained in the department case management information system. No unfounded allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under this chapter;

(e) Submitting a fingerprint-based background check through the Washington state patrol under chapter 10.97 RCW and through the federal bureau of investigation for:

(i) Agencies and their staff, volunteers, students, and interns when the agency is seeking license or relicense;

(ii) Foster care and adoption placements; and

(iii) Any adult living in a home where a child may be placed;

(f) If any adult living in the home has not resided in the state of Washington for the preceding five years, the department shall review any child abuse and neglect registries maintained by any state where the adult has resided over the preceding five years;

(g) The cost of fingerprint background check fees will be paid as required in RCW 43.43.837;

(h) The capacity to roll, print, or scan fingerprints in the department's early learning and child welfare offices for the purposes of Washington state patrol and federal bureau of investigation fingerprint-based background checks as provided in RCW 43.216.270(5);

(i) National and state background information must be used solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children or expectant mothers;

~~((+))~~(j) The number of qualified persons required to render the type of care and treatment for which an agency seeks a license;

~~((+))~~(k) The safety, cleanliness, and general adequacy of the premises to provide for the comfort, care and well-being of children or expectant mothers;

~~((+))~~(l) The provision of necessary care, including food, clothing, supervision and discipline; physical, mental and social well-being; and educational, recreational and spiritual opportunities for those served;

~~((+))~~(n) The maintenance of records pertaining to the admission, progress, health and discharge of persons served;

(3) To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children or expectant mothers prior to authorizing that person to care for children or expectant mothers. However, if a child is placed with a relative under RCW 13.34.065 or 13.34.130, and if such relative appears otherwise suitable and competent to provide care and treatment the criminal history background check required by this section need not be completed before placement, but shall be completed as soon as possible after placement;

(4) On reports of alleged child abuse and neglect, to investigate agencies in accordance with chapter 26.44 RCW, including agencies or facilities operated by the department of social and health services that receive children for care outside their own homes, child day-care centers, and family day-care homes, to determine whether the alleged abuse or neglect has occurred, and whether child protective services or referral to a law enforcement agency is appropriate;

(5) To issue, revoke, or deny licenses to agencies pursuant to this chapter and RCW 74.13.031. Licenses shall specify the category of care which an agency is authorized to render and the ages, sex and number of persons to be served;

(6) To prescribe the procedures and the form and contents of reports necessary for the administration of this chapter and RCW 74.13.031 and to require regular reports from each licensee;

(7) To inspect agencies periodically to determine whether or not there is compliance with this chapter and RCW 74.13.031 and the requirements adopted hereunder;

(8) To review requirements adopted hereunder at least every two years and to adopt appropriate changes after consultation with affected groups for child day-care requirements and with the children's services advisory committee for requirements for other agencies; and

(9) To consult with public and private agencies in order to help them improve their methods and facilities for the care of children or expectant mothers.

2SSB 5784 Prime Sponsor, Ways & Means: Concerning deer and elk damage to commercial crops. Reported by Committee on Agriculture & Natural Resources

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature has historically appropriated \$30,000 per fiscal year from the state general fund and \$120,000 per fiscal year from the fish, wildlife, and conservation account for the payment of claims for crop damage and tasked the department of fish and wildlife with prioritizing those claims within amounts appropriated. The legislature has never intended to assume responsibility for claims in excess of amounts appropriated in any fiscal year.

Claims awarded or agreed upon prior to the effective date of this section are in excess of amounts appropriated. The legislature intends to appropriate an additional \$184,000 for those claims. No further amounts will be appropriated for payment on those claims. Going forward, the legislature intends to prioritize claims in a more equitable manner that compensates claimants according to the percentage of their loss.

**Sec. 2.** RCW 77.36.080 and 2009 c 333 s 60 are each amended to read as follows:

(1) Unless the legislature declares an emergency under this section, the department may pay no more than ~~((thirty thousand dollars))~~ \$300,000 per fiscal year from the general fund for claims and assessment costs for damage to commercial crops caused by

wild deer or elk submitted under RCW 77.36.100.

(2)(a) The legislature may declare an emergency if weather, fire, or other natural events result in deer or elk causing excessive damage to commercial crops.

(b) After an emergency declaration, the department may pay as much as may be subsequently appropriated, in addition to the funds authorized under subsection (1) of this section, for claims and assessment costs under RCW 77.36.100. Such money shall be used to pay wildlife interaction claims only if the claim meets the conditions of RCW 77.36.100 and the department has expended all funds authorized under RCW 77.36.070 or subsection (1) of this section.

**Sec. 3.** RCW 77.36.100 and 2013 c 329 s 4 are each amended to read as follows:

(1)(a) Except as limited by RCW 77.36.070, 77.36.080, 77.36.170, and 77.36.180, the department shall offer to distribute money appropriated to pay claims to the owner of commercial crops for damage caused by wild deer or elk or to the owners of livestock that has been killed by bears, wolves, or cougars, or injured by bears, wolves, or cougars to such a degree that the market value of the livestock has been diminished. Payments for claims for damage to livestock are not subject to the limitations of RCW 77.36.070 and 77.36.080, but may not, except as provided in RCW 77.36.170 and 77.36.180, exceed the total amount specifically appropriated therefor.

(b) Owners of commercial crops or livestock are only eligible for a claim under this subsection if:

(i) The commercial crop owner satisfies the definition of "eligible farmer" in RCW 82.08.855;

(ii) The conditions of RCW 77.36.110 have been satisfied; and

(iii) The damage caused to the commercial crop or livestock satisfies the criteria for damage established by the commission under (c) of this subsection.

(c) The commission shall adopt and maintain by rule criteria that clarifies the damage to commercial crops and livestock qualifying for compensation under this subsection. An owner of a commercial crop or livestock must satisfy the criteria prior to receiving compensation under this subsection. The criteria for damage adopted under this subsection must include, but not be limited to, a required minimum economic loss to the owner of the commercial crop or livestock, which may not be set at a value of less than ~~((five hundred dollars))~~ \$500.

(2)(a) Subject to the availability of nonstate funds, nonstate resources other than cash, or amounts appropriated for this specific purpose, the department may offer to provide compensation to offset wildlife interactions to a person who applies to the department for compensation for damage to property other than commercial crops or livestock that is the result of a mammalian or avian species of wildlife on a case-specific basis if the conditions of RCW 77.36.110 have been satisfied and if the damage satisfies the criteria for damage

established by the commission under (b) of this subsection.

(b) The commission shall adopt and maintain by rule criteria for damage to property other than a commercial crop or livestock that is damaged by wildlife and may be eligible for compensation under this subsection, including criteria for filing a claim for compensation under this subsection.

(3)(a) To prevent or offset wildlife interactions, the department may offer materials or services to a person who applies to the department for assistance in providing mitigating actions designed to reduce wildlife interactions if the actions are designed to address damage that satisfies the criteria for damage established by the commission under this section.

(b) The commission shall adopt and maintain by rule criteria for mitigating actions designed to address wildlife interactions that may be eligible for materials and services under this section, including criteria for submitting an application under this section.

(4)(a) An owner who files a claim under this section may appeal the decision of the department pursuant to rules adopted by the commission if the claim:

~~((a)) (i)~~ Is denied; or

~~((b)) (ii)~~ Is disputed by the owner and the owner disagrees with the amount of compensation determined by the department.

(b) An appeal of a decision of the department addressing deer or elk damage to commercial crops is limited to \$30,000.

(5) ~~((The)) (a)~~ Consistent with this section, the commission shall adopt rules setting limits and conditions for the department's expenditures on claims and assessments for commercial crops, livestock, other property, and mitigating actions.

(b) Claims awarded or agreed upon that are unpaid due to being in excess of available funds in the current fiscal year are eligible for payment in the next state fiscal year.

(c) If additional funds are not appropriated by the legislature in the subsequent fiscal year specifically for unpaid claims, then no further payment may be made on the claim.

(d) Claims awarded or agreed upon during a fiscal year must be prioritized for payment based upon the highest percentage of loss, calculated by comparing agreed-upon or awarded commercial crop damages to the gross sales or harvested value of commercial crops for the previous tax year.

(e) The payment of a claim under this section is conditional on the availability of specific funding for this purpose and is not a guarantee of reimbursement.

**Sec. 4.** RCW 77.36.130 and 2013 c 329 s 5 are each amended to read as follows:

(1) Except as otherwise provided in this section and as limited by RCW 77.36.100, 77.36.070, 77.36.080, 77.36.170, and 77.36.180, the cash compensation portion of each claim by the department under this chapter is limited to the lesser of:

(a) The value of the damage to the property by wildlife, reduced by the amount of compensation provided to the claimant by any nonprofit organizations that provide compensation to private property owners due to financial losses caused by wildlife interactions. The value of killed or injured livestock may be no more than the market value of the lost livestock subject to the conditions and criteria established by rule of the commission; or

(b) ~~((Ten thousand dollars))~~ \$30,000.

~~(2) ((The department may offer to pay a claim for an amount in excess of ten thousand dollars to the owners of commercial crops or livestock filing a claim under RCW 77.36.100 only if the outcome of an appeal filed by the claimant under RCW 77.36.100 determines a payment higher than ten thousand dollars.~~

~~(3))~~ All payments of claims by the department under this chapter must be paid to the owner of the damaged property and may not be assigned to a third party.

~~((4))~~ (3) The burden of proving all property damage, including damage to commercial crops and livestock, belongs to the claimant.

**NEW SECTION. Sec. 5.** By December 1, 2024, the department of fish and wildlife shall review crop and livestock wildlife damage programs in other states and submit to the legislature a list of recommendations for changes to Washington statutes.

**NEW SECTION. Sec. 6.** A new section is added to chapter 77.36 RCW to read as follows:

(1) The department, in coordination, decision making, and stewardship with tribal comanagers, shall develop a three-year pilot program to collar elk within herds nearest agricultural lands within the department's south central management region. The pilot program must include elk herds that cause year-round damage or seasonal crop damage. The collaring of elk may include a data sharing agreement between the department, a technology company, and farmers to provide the farmers with knowledge of when elk are in the area or nearing private property when damage may occur to their crops. The use of the data agreement and the intent of the pilot project is to help farmers in training and education as a means to more effectively deploy hazing techniques in an effort to prevent crop, fence, and property damage from elk. Other tools may include damage permits issued to tribal and nontribal hunters to reduce the local population on private lands, as long as an agreement is signed by the landowner, tribal member, and the department.

(2) Subject to amounts appropriated for this specific purpose, the department shall make funding available to the Yakama nation wildlife staff to participate in the pilot project established in this section, including for collaring and monitoring the elk population. The department shall share GPS collar data with the Yakama nation wildlife resource management program to assist in management goals and objectives and to provide best management practices.

(3) The department must report back to the appropriate committees of the legislature by December 1, 2027, regarding the pilot program created in this section.

(4) This section expires July 1, 2028."

(b) For medical malpractice insurance policies:

(i) The insurer must deliver or mail written notice of the cancellation to the named insured at least ~~((ninety))~~ 90 days before the effective date of the cancellation; and

(ii) The cancellation notice must include the insurer's actual reason for canceling the policy and describe the significant risk factors that led to the insurer's underwriting action, as defined under RCW 48.18.547(1)(e).

(c) If an insurer cancels a policy described under (a) or (b) of this subsection for nonpayment of premium, the insurer must deliver or mail the cancellation notice to the named insured at least ~~((ten))~~ 10 days before the effective date of the cancellation.

(d) If an insurer cancels a fire insurance policy under RCW 48.53.040, the insurer must deliver or mail the cancellation notice to the named insured at least five days before the effective date of the cancellation.

(e) Like notice must also be so delivered or mailed to each mortgagee, pledgee, or other person shown by the policy to have an interest in any loss which may occur thereunder. For purposes of this subsection (1)(e), "delivered" includes electronic transmittal, facsimile, or personal delivery.

(2) The mailing of any such notice shall be effected by depositing it in a sealed envelope, directed to the addressee at his or her last address as known to the insurer or as shown by the insurer's records, with proper prepaid postage affixed, in a letter depository of the United States post office. The insurer shall retain in its records any such item so mailed, together with its envelope, which was returned by the post office upon failure to find, or deliver the mailing to, the addressee.

(3) The affidavit of the individual making or supervising such a mailing, shall constitute prima facie evidence of such facts of the mailing as are therein affirmed.

(4) The portion of any premium paid to the insurer on account of the policy, unearned because of the cancellation and in amount as computed on the pro rata basis, must be actually paid to the insured or other person entitled thereto as shown by the policy or by any endorsement thereon, or be mailed to the insured or such person as soon as possible, and no later than ~~((forty-five))~~ 45 days after the date of notice of cancellation to the insured for homeowners', dwelling fire, and private passenger auto. Any such payment may be made by cash, or by check, bank draft, or money order.

(5) This section shall not apply to contracts of life or disability insurance without provision for cancellation prior to the date to which premiums have been paid, or to contracts of insurance procured under the provisions of chapter 48.15 RCW.

Sec. 2. RCW 48.18.2901 and 2006 c 8 s 213 are each amended to read as follows:

(1) Each insurer must renew any insurance policy subject to RCW 48.18.290 unless one of the following situations exists:

(a)(i) For all insurance policies subject to RCW 48.18.290(1)(a):

(A) The insurer must deliver or mail written notice of nonrenewal to the named insured at least ~~((forty-five))~~ 60 days before the expiration date of the policy; and

(B) The notice must include the insurer's actual reason for refusing to renew the policy.

(ii) For medical malpractice insurance policies subject to RCW 48.18.290(1)(b):

(A) The insurer must deliver or mail written notice of the nonrenewal to the named insured at least ~~((ninety))~~ 90 days before the expiration date of the policy; and

(B) The notice must include the insurer's actual reason for refusing to renew the policy and describe the significant risk factors that led to the insurer's underwriting action, as defined under RCW 48.18.547(1)(e);

(b) At least ~~((twenty))~~ 20 days prior to its expiration date, the insurer has communicated, either directly or through its agent, its willingness to renew in writing to the named insured and has included in that writing a statement of the amount of the premium or portion thereof required to be paid by the insured to renew the policy, and the insured fails to discharge when due his or her obligation in connection with the payment of such premium or portion thereof;

(c) The insured has procured equivalent coverage prior to the expiration of the policy period;

(d) The contract is evidenced by a written binder containing a clearly stated expiration date which has expired according to its terms; or

(e) The contract clearly states that it is not renewable, and is for a specific line, subclassification, or type of coverage that is not offered on a renewable basis. This subsection (1)(e) does not restrict the authority of the insurance commissioner under this code.

(2) Any insurer failing to include in the notice required by subsection (1)(b) of this section the amount of any increased premium resulting from a change of rates and an explanation of any change in the contract provisions shall renew the policy if so required by that subsection according to the rates and contract provisions applicable to the expiring policy. However, renewal based on the rates and contract provisions applicable to the expiring policy shall not prevent the insurer from making changes in the rates and/or contract provisions of the policy once during the term of its renewal after at least ~~((twenty))~~ 20 days' advance notice of such change has been given to the named insured.

(3) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal, or with respect to cancellation of fire policies under chapter 48.53 RCW.

(4) "Renewal" or "to renew" means the issuance and delivery by an insurer of a contract of insurance replacing at the end of the contract period a contract of insurance previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a contract beyond its policy period or term. However, (a) any contract of insurance with a policy period or term of six months or less whether or not made continuous for successive terms upon the payment of additional premiums shall for the purpose of RCW 48.18.290 and 48.18.293 through 48.18.295 be considered as if

written for a policy period or term of six months; and (b) any policy written for a term longer than one year or any policy with no fixed expiration date, shall, for the purpose of RCW 48.18.290 and 48.18.293 through 48.18.295, be considered as if written for successive policy periods or terms of one year.

(5) A midterm blanket reduction in rate, approved by the commissioner, for medical malpractice insurance shall not be considered a renewal for purposes of this section.

NEW SECTION. **Sec. 3.** Sections 1 and 2 of this act apply to all affected policies issued or renewed on or after July 1, 2025.

NEW SECTION. **Sec. 4.** Sections 1 through 3 of this act take effect July 1, 2025."

(b)(i) Except as provided otherwise in (b)(ii) of this subsection, convicted of a crime involving dishonesty, neglect, or use of physical force or other crime relevant to the functions the individual would assume as guardian;

(ii) A court may, upon consideration of the facts, find that a relative convicted of a crime is qualified to serve as a guardian or conservator;

(2) If a guardian, or conservator is not a certified professional guardian, conservator, or financial institution authorized under this section, the guardian or conservator must complete any standardized training video or web cast for lay guardians or conservators made available by the administrative office of the courts and the superior court where the petition is filed unless granted a waiver by the court. The training video or web cast must be provided at no cost to the guardian, or conservator.

(a) If a petitioner requests the appointment of a specific individual to act as a guardian or conservator, the petition for guardianship or conservatorship must include evidence of the successful completion of the required training video or web cast by the proposed guardian or conservator. The superior court may defer

the completion of the training requirement to a date no later than ninety days after appointment if the petitioner requests expedited appointment due to emergent circumstances.

(b) If no person is identified to be appointed guardian or conservator at the time the petition is filed, then the court must require that the petitioner identify within ~~((fourteen))~~ 30 days from the filing of the petition a specific individual to act as guardian or conservator subject to the training requirements set forth herein. (6) If the court dismisses a petition under this chapter and determines the petition was filed in bad faith, the court may assess the cost of any court-ordered professional evaluation, court-appointed attorney, or court visitor against the petitioner.

**Sec. 4.** RCW 11.130.280 and 2020 c 312 s 309 are each amended to read as follows:

(1) On receipt of a petition under RCW 11.130.270 for appointment of a guardian for an adult, the court shall appoint a court visitor. The court visitor must be an individual with training or experience in the type of abilities, limitations, and needs alleged in the petition.

The fee shall be charged to the person subject to a guardianship or conservatorship proceeding unless the court finds that such payment would result in substantial hardship upon such person, in which case the county shall be responsible for such costs: PROVIDED, That the court may charge such fee to the petitioner, the person subject to a guardianship or conservatorship proceeding, or any person who has appeared in the action; or may allocate the fee, as it deems just. If the petition is found to be frivolous or not brought in good faith, the court visitor fee shall be charged to the petitioner. The court shall not be required

to provide for the payment of a fee to any salaried employee of a public agency.

(3)(a) The court visitor appointed under subsection (1) of this section shall within five days of receipt of notice of appointment file with the court and serve, either personally or by certified mail with return receipt, the respondent or his or her legal counsel, the petitioner or his or her legal counsel, and any interested party entitled to notice under RCW 11.130.080 with a statement including: His or her training relating to the duties as a court visitor; his or her criminal history as defined in RCW 9.94A.030 for the period covering ~~((ten))~~ 10 years prior to the appointment; his or her hourly rate, if compensated; whether the court visitor has had any contact with a party to the proceeding prior to his or her appointment; and whether he or she has an apparent conflict of interest. (i) Lack of expertise necessary for the proceeding;

(ii) An hourly rate higher than what is reasonable for the particular proceeding; or

(iii) A conflict of interest.

(b) Notice of the hearing shall be provided to the court visitor and all parties. If, after a hearing, the court enters an order replacing the court visitor, findings shall be included, expressly stating the reasons for the removal. The court shall assess attorneys' fees and costs for frivolous motions.

(4) A court visitor appointed under subsection (1) of this section shall interview the respondent in person and, in a manner the respondent is best able to understand:

(b) Determine whether the respondent would like to request the appointment of an attorney, and determine the respondent's views about the appointment sought by the petitioner, including views about a proposed guardian, the guardian's proposed powers and duties, and the scope and duration of the proposed guardianship; and

(c) Inform the respondent that all costs and expenses of the proceeding, including the respondent's attorney's fees, may be paid from the respondent's assets.

(8) The duration of authority of an emergency guardian for an adult may not exceed sixty days, and the emergency guardian may exercise only the powers specified in the order of appointment. Upon a motion by the petitioner, adult subject to emergency guardianship, court visitor, or the emergency guardian, with notice served upon all applicable notice parties, the emergency guardian's authority may be extended once for not more than sixty days if the court finds that the conditions for appointment of an emergency guardian in subsection (4) of this section continue.

(14) The court may remove an emergency guardian appointed under this section at any time.

(15) The emergency guardian shall file a report in a record with the court and provide a copy of the report to the adult subject to emergency guardianship, and any notice party no later than forty-five days after appointment. The court may set the review at annual, biennial, or triennial intervals with the report due date to be within ninety days of the anniversary date of appointment. When determining the report interval, the court can consider: The length of time the conservator has been serving the person under conservatorship; whether the

conservator has timely filed all required reports with the court; whether the conservator is monitored by other state or local agencies; the income of the person subject to conservatorship; the value of the property of the person subject to conservatorship; the adequacy of the bond and other verified receipt; and whether there have been any allegations of abuse, neglect, or a breach of fiduciary duty against the conservator.

(11) If the court approves a report filed under this section, the order approving the report shall contain a conservatorship summary or accompanied by a conservatorship summary in the form or substantially in the same form as set forth in RCW 11.130.665.

(12) If the court approves a report filed under this section, the order approving the report shall direct the clerk of the court to reissue letters of office in the form or substantially in the same form as set forth in RCW 11.130.660 to the conservator containing an expiration date which will be within one hundred eighty days (~~after the date the court directs the conservator file its next report~~) of the anniversary date of appointment.

(13) An order, after notice and hearing, approving a final report filed under this section discharges the conservator from all liabilities, claims, and causes of action by a person given notice of the report and the hearing as to a matter adequately disclosed in the report.

(14) Any requirement to establish a monitoring program under this section is subject to appropriation.

**NEW SECTION. Sec. 14.** A new section is added to chapter 11.130 RCW to read as follows:

The court shall have authority to bring before it, in the manner prescribed by RCW 11.48.070, any person or persons suspected of having in their possession or having concealed, embezzled, conveyed, or disposed of any of the property of the estate of the individual subject to conservatorship subject to administration of this title.

E2SSB 5838 Prime Sponsor, Ways & Means: Establishing an artificial intelligence task force. Reported by Committee on Consumer Protection & Business

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that artificial intelligence is a fast-evolving technology that holds extraordinary potential and has a myriad of uses for both the public and private sectors. Advances in artificial intelligence technology have led to programs that are capable of creating text, audio, and media that are difficult to distinguish from media created by a human. This technology has the potential to provide great benefits to people if used well and to cause great harm if used irresponsibly.

The legislature further finds that generative artificial intelligence has become widely available to consumers and has great potential to become a versatile tool for a wide audience. It can streamline tasks, save time and money for users, and facilitate further innovation. Artificial intelligence has the potential to help solve urgent challenges, while making our world more prosperous, productive, innovative, and secure when used responsibly.

Washington state is in a unique position to become a center for artificial intelligence and machine learning. When used irresponsibly, artificial intelligence has the potential to further perpetuate bias and harm to historically excluded groups. It is vital that the fundamental rights to privacy and freedom from discrimination are properly

safeguarded as society explores this emerging technology.

The federal government has not yet enacted binding regulations, however in July 2023, the federal government announced voluntary commitments by seven leading artificial intelligence companies, including three companies headquartered in Washington, to move toward safe, secure, and transparent development of artificial intelligence technology. The October 2023 executive order on the safe, secure, and trustworthy development and use of artificial intelligence builds on this work by directing developers of artificial intelligence systems to share their safety test results for certain highly capable models with the United States government.

Numerous businesses and agencies have developed principles for artificial intelligence. In Washington, Washington technology solutions (WaTech) developed guiding principles for artificial intelligence use by state agencies. These principles share common themes: Accountability, transparency, human control, privacy and security, advancing equity, and promoting innovation and economic development.

The legislature finds that the possible impacts of advancements in generative artificial intelligence for Washingtonians requires careful consideration in order to mitigate risks and potential harms, while promoting transparency, accountability, equity, and innovation that drives technological breakthroughs. On January 30, 2024, governor Inslee issued Executive Order 24-01 directing WaTech to identify generative artificial intelligence initiatives that could be implemented in state operations and issue guidelines for public sector procurement and usage.

**NEW SECTION. Sec. 2.** (1) Subject to the availability of amounts appropriated for this specific purpose, a task force to assess current uses and trends and make recommendations to the legislature regarding guidelines and potential legislation for the use of artificial intelligence systems is established.

(2) The task force is composed of an executive committee consisting of members as provided in this subsection.

(a) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.

(b) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives.

(c) The attorney general shall appoint the following members, selecting only individuals with experience in technology policy:

(iv) Each subcommittee must contain at least one member possessing relevant industry expertise and at least one member from an advocacy organization that represents communities that are disproportionately vulnerable to being harmed by algorithmic bias including, but not limited to: African American; Hispanic American; Native American; Asian American; Native Hawaiian and Pacific Islander communities; religious minorities; individuals with disabilities; and other vulnerable communities.

(v) Meeting summaries and reports delivered by the subcommittees to the executive committee must be made available on the attorney general's website within 30 days of delivery.

The office of the attorney general may, when deemed necessary by the task force, retain consultants to provide data analysis, research, recommendations, training, and other services to the task force for the purposes provided in subsection (4) of this section. The office of the attorney general may work

with the task force to determine appropriate subcommittees as needed.

(4) The executive committee and subcommittees of the task force shall examine the development and use of artificial intelligence by private and public sector entities and make recommendations to the legislature regarding guidelines and potential legislation for the use and regulation of artificial intelligence systems to protect Washingtonians' safety, privacy, and civil and intellectual property rights. (k) A review of protections of personhood, including replicas of voice or likeness, in typical contract structures, and a review of artificial intelligence tools used to support employment decisions; and

(l) Proposed state guidelines for the use of artificial intelligence to inform the development, deployment, and use of artificial intelligence systems to:

(i) Retain appropriate human agency and oversight;

(ii) Be subject to internal and external security testing of systems before public release for high-risk artificial intelligence systems;

(iii) Protect data privacy and security;

(iv) Promote appropriate transparency for consumers when they interact with artificial intelligence systems or products created by artificial intelligence; and

(v) Ensure accountability, considering oversight, impact assessment, auditability, and due diligence mechanisms.

(5) The executive committee of the task force must hold its first meeting within 45 days of final appointments to the task force and must meet at least twice each year thereafter. The task force must submit reports to the governor and the appropriate committees of the legislature detailing its findings and recommendations. A preliminary report must be delivered by December 31, 2024, an interim report by December 1, 2025, and a final report by July 1, 2026. Meeting summaries must be posted to the website of the attorney general's office within 30 days of any meeting by the task force.

(6) Legislative members of the task force shall be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(7) To ensure that the task force has diverse and inclusive representation of those affected by its work, task force members, including subcommittee members, whose participation in the task force may be hampered by financial hardship and may be compensated as provided in RCW 43.03.220.

(8) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Artificial intelligence" means the use of machine learning and related technologies that use data to train statistical models for the purpose of enabling computer systems to perform tasks normally associated with human intelligence or perception, such as computer vision, speech or natural language processing, and content generation.

E2SSB 5849 Prime Sponsor, Ways & Means: Concerning a computer science competency graduation requirement. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 28A.230 RCW to read as follows:

(1)(a) Except as provided otherwise by this section, beginning with the graduating class of 2030, each student graduating from a public high school must demonstrate competency in the computer science state learning standards. Students may demonstrate this computer science competency graduation requirement through:

(i) Completion of a stand-alone computer science course aligned to the state learning standards;

(ii) Completion of a different subject matter course where the state computer science learning standards are embedded with other learning standards; or

(iii) A demonstration of competency of the foundational skills established in the computer science state learning standards.

(b) For purposes of (a)(iii) of this subsection, demonstration of competency

could include completion of a competency examination as established in RCW 28A.230.300 or any of the options allowed by the rules adopted by the state board of education under RCW 28A.230.090 that address mastery-based crediting, such as: (i) Completing a locally established portfolio or culminating project; (ii) participating in supervised work experience or other outside school experience; (iii) taking career and technical education classes; (iv) taking courses offered by regional or community centers or programs; (v) receiving credits earned at a postsecondary institution; or (vi) providing documentation of a prior learning activity that demonstrates proficiency of the identified learning standards. Any of the options used must include evidence that the student meets or exceeds the computer science state learning standards.

(c) Consideration of seat time or instructional hours is not required to demonstrate competency for purposes of this section.

(d) Students must be allowed to present multiple types of evidence for the demonstration of competency.

(2) Students may request a waiver for the requirements of subsection (1) of this section from their school principal if their high school and beyond plan delineates course taking and education or training and career goals for which demonstrated computer science competencies are not applicable. Principals who receive these waiver requests must approve them. Additionally, students in grade 12 who have not been able to demonstrate competency in the computer science state learning standards as required by this section because of previous residence outside the state may have the requirement of this section waived by their principal.

(3) Nothing in this section increases the number of high school credits required for graduation as established by the state board of education under RCW 28A.230.090.

(4)(a) The office of the superintendent of public instruction shall:

(i) Ensure that sufficient professional development opportunities are made available to educators for the purpose of assisting students in meeting the graduation requirement established in this section; and

(ii) Collect relevant disaggregated demographic data on the student completion of the computer science competency graduation requirement created under this section to assess if the requirement has created any negative impacts on any class of students including, but not limited to, students who are currently struggling in school, low-income, person of color, experiencing homelessness, or enrolled in a school or a school district with high rates of these students.

(b) Beginning December 1, 2030, and annually thereafter, the office of the superintendent of public instruction shall submit a report to the education committees of the legislature summarizing the data collected under this subsection.

**NEW SECTION. Sec. 2.** (1) The office of the superintendent of public instruction shall initiate a review and update of the state computer science learning standards for students in grades kindergarten through 12. In developing the update of the state computer science learning standards, the office of the superintendent of public instruction shall review computer science learning standards adopted by other states and consult with nonprofit organizations that have a demonstrated expertise in assisting states in developing computer science learning standards. In developing the state learning standards and supporting documents for grades nine through 12, the office of the superintendent of public instruction shall identify the standards considered to be foundational for graduation purposes as established in section 1 of this act.

(2) The state board of education shall collect information from school districts about the courses and other learning opportunities currently offered in computer science for high school students in their district, how the district already assesses or plans to assess competency of the computer science state learning standards, and what the district may need in order to ensure that students are ready for the graduation requirement established under section 1 of this act. The data collection required by this subsection may be conducted concurrently with other oversight and monitoring activities conducted by the state board of education. The state board of education shall report a summary of the information collected to the legislature by October 31, 2025, and shall include any recommendations on what actions the legislature could take to assist school districts in meeting the needs identified by school districts, including whether exploring options for increasing the number of educators endorsed to teach computer science is necessary.

(3) This section expires July 1, 2026.

**Sec. 3.** RCW 28A.655.070 and 2019 c 252 s 119 are each amended to read as follows:

(1) The superintendent of public instruction shall develop state learning standards that identify the knowledge and skills all public school students need to know and be able to do based on the student learning goals in RCW 28A.150.210, develop student assessments, and implement the accountability recommendations and requests regarding assistance, rewards, and recognition of the state board of education.

(2) The superintendent of public instruction shall:

(a) Periodically revise the state learning standards, as needed, based on the student learning goals in RCW 28A.150.210. Goals one and two shall be considered primary. To the maximum extent possible, the superintendent shall integrate ~~((goal four))~~ technology literacy and fluency from goal three and the knowledge and skill areas in the other goals in the state learning standards; and

(b) Review and prioritize the state learning standards and identify, with clear

and concise descriptions, the grade level content expectations to be assessed on the statewide student assessment and used for state or federal accountability purposes. The review, prioritization, and identification shall result in more focus and targeting with an emphasis on depth over breadth in the number of grade level content expectations assessed at each grade level. Grade level content expectations shall be articulated over the grades as a sequence of expectations and performances that are logical, build with increasing depth after foundational knowledge and skills are acquired, and reflect, where appropriate, the sequential nature of the discipline. The office of the superintendent of public instruction, within seven working days, shall post on its website any grade level content expectations provided to an assessment vendor for use in constructing the statewide student assessment.

(3)(a) In consultation with the state board of education, the superintendent of public instruction shall maintain and continue to develop and revise a statewide academic assessment system in the content areas of reading, writing, mathematics, and science for use in the elementary, middle, and high school years designed to determine if each student has mastered the state learning standards identified in subsection (1) of this section. School districts shall administer the assessments under guidelines adopted by the superintendent of public instruction. The academic assessment system may include a variety of assessment methods, including criterion-referenced and performance-based measures.

(b) Effective with the 2009 administration of the Washington assessment of student learning and continuing with the statewide student assessment, the superintendent shall redesign the assessment in the content areas of reading, mathematics, and science in all grades except high school by shortening test administration and reducing the number of short answer and extended response questions.

(c) By the 2014-15 school year, the superintendent of public instruction, in consultation with the state board of education, shall modify the statewide student assessment system to transition to assessments developed with a multistate consortium, as provided in this subsection:

(i) The assessments developed with a multistate consortium to assess student proficiency in English language arts and mathematics shall be administered beginning in the 2014-15 school year, and beginning with the graduating class of 2020, the assessments must be administered to students in the tenth grade. The reading and writing assessments shall not be administered by the superintendent of public instruction or schools after the 2013-14 school year.

(ii) The high school assessments in English language arts and mathematics in (c) (i) of this subsection shall be used for the purposes of federal and state accountability and for assessing student career and college readiness.

(d) The statewide academic assessment system must also include the Washington

access to instruction and measurement assessment for students with significant cognitive challenges.

(4) If the superintendent proposes any modification to the state learning standards or the statewide assessments, then the superintendent shall, upon request, provide opportunities for the education committees of the house of representatives and the senate to review the assessments and proposed modifications to the state learning standards before the modifications are adopted.

(5) The assessment system shall be designed so that the results under the assessment system are used by educators as tools to evaluate instructional practices, and to initiate appropriate educational support for students who have not mastered the state learning standards at the appropriate periods in the student's educational development.

(6) By September 2007, the results for reading and mathematics shall be reported in a format that will allow parents and teachers to determine the academic gain a student has acquired in those content areas from one school year to the next.

(7) To assist parents and teachers in their efforts to provide educational support to individual students, the superintendent of public instruction shall provide as much individual student performance information as possible within the constraints of the assessment system's item bank. The superintendent shall also provide to school districts:

(a) Information on classroom-based and other assessments that may provide additional achievement information for individual students; and

(b) A collection of diagnostic tools that educators may use to evaluate the academic status of individual students. The tools shall be designed to be inexpensive, easily administered, and quickly and easily scored, with results provided in a format that may be easily shared with parents and students.

(8) To the maximum extent possible, the superintendent shall integrate knowledge and skill areas in development of the assessments.

(9) Assessments for goals three and four of RCW 28A.150.210 shall be integrated in the state learning standards and assessments for goals one and two.

(10) The superintendent shall develop assessments that are directly related to the state learning standards, and are not biased toward persons with different learning styles, racial or ethnic backgrounds, or on the basis of gender.

(11) The superintendent shall review available and appropriate options for competency-based assessments that meet the state learning standards. In accordance with the review required by this subsection, the superintendent shall provide a report and recommendations to the education committees of the house of representatives and the senate by November 1, 2019.

(12) The superintendent shall consider methods to address the unique needs of special education students when developing the assessments under this section.

(13) The superintendent shall consider methods to address the unique needs of highly capable students when developing the assessments under this section.

(14) The superintendent shall post on the superintendent's website lists of resources and model assessments in social studies, the arts, and health and fitness.

(15) The superintendent shall integrate financial education skills and content knowledge into the state learning standards pursuant to RCW 28A.300.460(2)(d).

(16)(a) The superintendent shall notify the state board of education in writing before initiating the development or revision of the state learning standards under subsections (1) and (2) of this section. The notification must be provided to the state board of education in advance for review at a regularly scheduled or special board meeting and must include the following information:

(i) The subject matter of the state learning standards;

(ii) The reason or reasons the superintendent is initiating the development or revision; and

(iii) The process and timeline that the superintendent intends to follow for the development or revision.

(b) The state board of education may provide a response to the superintendent's notification for consideration in the development or revision process in (a) of this subsection.

(c) Prior to adoption by the superintendent of any new or revised state learning standards, the superintendent shall submit the proposed new or revised state learning standards to the state board of education in advance in writing for review at a regularly scheduled or special board meeting. The state board of education may provide a response to the superintendent's proposal for consideration prior to final adoption.

(17) The state board of education may propose new or revised state learning standards to the superintendent. The superintendent must respond to the state board of education's proposal in writing."

**Sec. 4.** RCW 28A.175.105 and 2021 c 164 s 7 are each amended to read as follows:

The definitions in this section apply throughout RCW 28A.175.100 through 28A.175.110 unless the context clearly requires otherwise:

(1) "Dropout reengagement program" means an educational program that offers at least the following instruction and services:

(a) Academic instruction, including but not limited to preparation to earn a high school equivalency certificate as provided in RCW 28B.50.536 in accordance with rules adopted under RCW 28A.305.190, academic skills instruction, and college and work readiness preparation, that generates credits that can be applied to a high school diploma from the student's school district or from a community or technical college under RCW 28B.50.535 and has the goal of enabling the student to obtain the academic and work readiness skills necessary for employment or postsecondary study. A dropout reengagement program is not required to offer instruction in only those subject areas where a student is deficient in accumulated credits. Academic instruction must be provided by teachers certified by the Washington professional educator standards board or by instructors employed by a community or technical college whose required credentials are established by the college;

(b) Case management, academic and career counseling, and assistance with accessing services and resources that support at-risk youth and reduce barriers to educational success, such as:

(i) Academic related supports, such as covering test fees, calculators, and laboratory and other school supplies;

(ii) Nonacademic supports, such as adequate and appropriate clothing; adequate and reliable access to food and nutrition; and transportation, including bus passes, gas vouchers, and subsidized parking; and

(iii) Connecting students to behavioral and physical health supports; and

(c) If the program provider is a community or technical college, the opportunity for qualified students to enroll in college courses that lead to a postsecondary degree or certificate. The college may not charge an eligible student tuition for such enrollment.

(2) "Eligible student" means a student who:

(a) Is at least sixteen but less than twenty-one years of age at the beginning of the school year;

(b) Is not accumulating sufficient credits toward a high school diploma to reasonably complete a high school diploma from a public school before the age of twenty-one or is recommended for the program by case managers from the department of

social and health services or the juvenile justice system; and

(c) Is enrolled or enrolls in the school district in which the student resides, or is enrolled or enrolls in an institutional education program as defined in RCW 28A.190.005 or a nonresident school district under RCW 28A.225.220 through 28A.225.230.

(3) "Full-time equivalent eligible student" means an eligible student whose enrollment and attendance meet criteria adopted by the office of the superintendent of public instruction specifically for dropout reengagement programs. The criteria shall be:

(a) Based on the community or technical college credits generated by the student if the program provider is a community or technical college; and

(b) Based on a minimum amount of planned programming or instruction and minimum attendance by the student rather than hours of seat time if the program provider is a community-based organization.

**Sec. 5.** RCW 28A.175.110 and 2010 c 20 s 4 are each amended to read as follows:

(1) The office of the superintendent of public instruction shall develop a model interlocal agreement and a model contract for the dropout reengagement system.

(2) The model interlocal agreement and contract shall, at a minimum, address the following:

(a) Responsibilities for identification, referral, and enrollment of eligible students;

(b) Instruction and services to be provided by a dropout reengagement program, as specified under RCW 28A.175.105;

(c) Responsibilities for data collection and reporting, including student transcripts and data required for the statewide student information system;

(d) Administration of the high school statewide student assessments;

(e) Uniform financial reimbursement rates per full-time equivalent eligible student enrolled in a dropout reengagement program, calculated and allocated as a statewide annual average of the basic education allocations generated under RCW 28A.150.260 for nonvocational students and including enhancements for vocational students where eligible students are enrolled in vocational courses in a program (~~and allowing for a uniform administrative fee to be retained by the district~~) to be shared between the parties to the interlocal agreement or contract, as agreed upon by the parties;

(f) Responsibilities for provision of special education or related services for eligible students with disabilities who have an individualized education program;

(g) Responsibilities for necessary accommodations and plans for students qualifying under section 504 of the rehabilitation act of 1973;

(h) Minimum instructional staffing ratios for dropout reengagement programs offered by community-based organizations, which are not required to be the same as for other basic education programs in school districts; and

(i) Performance measures that must be reported to the office of the superintendent

of public instruction in a common format for purposes of accountability, including longitudinal monitoring of student progress and postsecondary education and employment.

(3) Eligible students enrolled in a dropout reengagement program under RCW 28A.175.100, 28A.175.105, and this section are considered regularly enrolled students of the school district in which they are enrolled, except that the students shall not be included in the school district's enrollment for purposes of calculating compliance with RCW 28A.150.100."

(2) A person's right to vote may be challenged by another registered voter or the county prosecuting attorney.

(3) The challenger must file a signed affidavit subject to the penalties of perjury swearing that, to his or her

personal knowledge and belief, having exercised due diligence to personally verify the evidence presented, the challenged voter either is not qualified to vote or does not reside at the address given on his or her voter registration record based on one of the reasons allowed in subsection (1) of this section. The challenger must provide the factual basis for the challenge, including any information required by subsection (1)((e))(e) of this section, in the signed affidavit. The challenger must submit the challenge to the county auditor using a form provided by the office of the secretary of state that outlines the reason for the challenge. (5) Voters whose registration is inactive are not subject to voter registration challenges.

**Sec. 2.** RCW 29A.08.820 and 2023 c 466 s 29 are each amended to read as follows:

(1) Challenges must be filed with the county auditor of the county in which the challenged voter is registered no later than 45 days before the election. The county auditor or auditor's designee presides over the hearing.

(2) Challenges may be filed after 45 days before the election, only when the challenged voter registered to vote less than 60 days before the election, or changed residence less than 60 days before the election without updating the residence address of the voter's voter registration. A challenge may then be filed not later than 10 days before any primary or election, general or special, or within 10 days of the voter being added to the voter registration database, whichever is later.

(a) If the challenge is filed after 45 days before an election at which the challenged voter is eligible to vote, a notation of the challenge must be made immediately to the challenged voter's registration in the voter registration system, and the county canvassing board shall preside over the hearing.

(b) If the challenge is filed before the challenged voter's ballot is received, the ballot must be processed as a challenged ballot, and held until the challenge is resolved.

(c) If the challenge is filed after the challenged voter's ballot is received, the challenge cannot affect the current election. However, the process shall proceed until the challenge is resolved.

(3) The county auditor may dismiss the challenge if the challenged voter's registration is inactive.

(4) When a challenge is based on a voter residing at a different address than the one to which they are registered, prior to any hearing the county auditor shall attempt to determine the validity of the challenge

through one or more of the following methods:

(a) Contacting the challenged voter in order to:

(i) Update the voter's residence address for voting within the county or state;

(ii) Determine whether the voter no longer considers themselves a resident for voting purposes, and if so obtain a cancellation signed by the voter; or

(iii) Learn whether the voter is currently residing at a temporary address with the intent to return to the registered address;

(b) Search the statewide voter registration database to determine if the voter is registered at any other address within the state, and if so determine if any address is valid and obtain a cancellation of registration for any other address;

(c) Determine if the voter's registered address is permissible under RCW 29A.04.151 or 29A.08.112;

(d) Contact the department of licensing to determine the address provided on the voter's driver's license, identification card, and vehicle registrations, if any; or

(e) If the challenger provides an out-of-state address for the challenged voter, search the current official voter registration database for the jurisdiction of the address provided, or contact the election official's office in that jurisdiction and determine if the challenged voter has registered to vote in that jurisdiction more recently than the voter registered in Washington.

(5) If the county auditor is successful in determining the validity of the challenge through any of the methods contained in subsection (4) of this section the auditor shall dismiss the challenge and notify the challenger of the dismissal.

**Sec. 3.** RCW 29A.08.835 and 2023 c 466 s 30 are each amended to read as follows:

(1) ((The))For challenges that have not been dismissed for administrative reasons and that cannot be resolved under RCW 29A.08.820(4), the county auditor shall, within ((seventy-two hours))10 business days of receipt, publish on the auditor's internet website the ((entire content))affidavit of any voter challenge filed under this chapter ((29A.08 RCW)). Immediately after publishing any voter challenge, the county auditor shall notify any person who requests to receive such notifications on an ongoing basis.

(2) The information on the website may be removed 45 days following certification of an election. Information related to the challenge must be maintained by the county auditor for the appropriate retention period, and is subject to disclosure upon request.

**Sec. 4.** RCW 29A.08.840 and 2023 c 466 s 31 are each amended to read as follows:

(1) The county auditor shall determine within 10 business days of receipt of a challenge whether the challenge is in proper form and the factual basis meets the legal grounds for a challenge. If the challenge is not in proper form or the factual basis for

the challenge does not meet the legal grounds for a challenge, the county auditor may dismiss the challenge and, when permitted, shall notify the challenger of the reasons for the dismissal. A challenge is not in proper form if it is incomplete on its face or does not substantially comply with the form issued by the secretary of state as described in RCW 29A.08.810.

(2) If the challenge is in proper form and the factual basis meets the legal grounds for a challenge, and the challenge has not been dismissed for administrative reasons or resolved by the voter updating information, the county auditor must notify the challenged voter ((and provide a copy of the affidavit))via certified mail to the mailing address and residential address provided in the voter registration record. If the affidavit is returned as undeliverable, the county auditor shall move the challenged voter to an inactive status and send a confirmation notice pursuant to RCW 29A.08.030. The county auditor shall also provide to any person, upon request under chapter 42.56 RCW, a copy of all materials provided to the challenged voter, except that materials provided to a voter whose registered address is permissible under RCW 29A.04.151 or 29A.08.112 are exempt from disclosure under that chapter.

(a) If the challenge is to the residential address provided by the voter, the challenged voter must be provided notice of the exceptions allowed in RCW 29A.08.112 and 29A.04.151, and Article VI, section 4 of the state Constitution, ((and))or may update the residence address on the voter's voter registration, or reregister until 8:00 p.m. the day of the election.

(b) The county auditor must schedule a hearing and notify the challenger and the challenged voter of the time and place for the hearing.

(3) All notice must be by certified mail with return requested to the ((address))addresses provided in the voter registration record for residence and for mailing, and any other addresses at which the challenged voter is alleged to reside or the county auditor reasonably expects the voter to receive notice. The challenger and challenged voter may either appear in person or submit testimony by affidavit. Personal appearance may be accomplished using video telecommunications technology if the auditor or canvassing board chooses.

(4) The challenger has the burden to prove by clear and convincing evidence that the challenged voter's registration is improper. The challenged voter must be provided a reasonable opportunity to respond. If the challenge is to the residential address provided by the voter, the challenged voter may provide evidence that he or she resides at the location described in his or her voter's registration records, or meets one of the exceptions allowed in RCW 29A.08.112 or 29A.04.151, or Article VI, section 4 of the state Constitution. If either the challenger or challenged voter fails to appear at the hearing, the challenge must be resolved based on the available facts.

(5) If the challenge is based on an allegation under RCW 29A.08.810(1) (a), (b),

(c), or (d) (~~(e)~~) and the auditor, auditor's designee, or canvassing board sustains the challenge, the voter registration shall be canceled and any challenged ballot shall not be counted. If the challenge is based on an allegation under RCW 29A.08.810(1) (~~(e)~~) (e) and the auditor, auditor's designee, or canvassing board sustains the challenge prior to certification, the (~~board shall permit the voter~~) voter shall be permitted to correct the residence address on the voter registration and any races and ballot measures on any challenged ballot that the voter would have been qualified to vote for had the registration been correct shall be counted.

(6) If the challenger fails to prove by clear and convincing evidence that the registration is improper, the challenge must be dismissed and any pending challenged ballot must be accepted as valid. All challenged ballots must be resolved before certification of the election. The decision of the county auditor, auditor's designee, or canvassing board is final subject only to judicial review by the superior court under chapter 34.05 RCW.

**Sec. 5.** RCW 29A.24.075 and 2013 c 11 s 25 are each amended to read as follows:

(1) A person filing a declaration of candidacy for an office shall, at the time of filing, be a registered voter and possess the qualifications specified by law for persons who may be elected to the office.

(2) Excluding the office of precinct committee officer or a temporary elected position such as a charter review board member or freeholder, no person may file for more than one office.

(3) The name of a candidate for an office (~~shall~~) may not appear on a ballot for that office unless, except for judge of the superior court and as provided in RCW 3.50.057, the candidate is, at the time the candidate's declaration of candidacy is filed, properly registered to vote in the geographic area represented by the office. For the purposes of this section, each geographic area in which registered voters may cast ballots for an office is represented by that office. If a person elected to an office must be nominated from a district or similar division of the geographic area represented by the office, the name of a candidate for the office (~~shall~~) may not appear on a primary ballot for that office unless the candidate is, at the time the candidate's declaration of candidacy is filed, properly registered to vote in that district or division. The officer with whom declarations of candidacy must be filed under this title shall review each such declaration filed regarding compliance with this subsection.

(4) The filing officer may not submit the name of a candidate for an office for inclusion on the ballot if, pursuant to this section, at the time that the candidate's declaration of candidacy is filed, the candidate is not properly registered to vote in the geographic area represented by the office or does not possess the qualifications specified by law for persons

who may be elected to the office. If the filing officer finds that the candidate is unqualified to hold the office:

(a) In a case in which a primary must be conducted for the office and has already occurred:

(i) If ballots for the general election for the office have not been ordered by the county auditor, the candidate who received the third greatest number of votes for the office at the primary shall qualify as a candidate for general election and that candidate's name shall be printed on the ballot for the office in lieu of the name of the disqualified candidate.

(ii) If general election ballots for the office have been so ordered, votes cast for the disqualified candidate at the general election for the office may not be counted for that office.

(b) In a case in which a primary must be conducted for the office but has not yet occurred:

(i) If ballots for the primary election for the office have not been ordered by the county auditor, the name of the disqualified candidate may not appear on the primary election ballot for the office.

(ii) If primary election ballots for the office have been so ordered, votes cast for the disqualified candidate at the primary election for the office may not be counted for that office.

(c) In a case in which a primary is not conducted for the office:

(i) If ballots for the general election for the office have not been ordered by the county auditor, the name of the disqualified candidate may not appear on the general election ballot for the office.

(ii) If general election ballots for the office have been so ordered, votes cast for the disqualified candidate at the general election for the office may not be counted for that office.

(d) If the disqualified candidate is the only candidate to have filed for the office during a regular or special filing period for the office, a void in candidacy for the office exists.

(5) The requirements of voter registration and residence within the geographic area of a district do not apply to candidates for congressional office. Qualifications for the United States congress are specified in the United States Constitution.

**Sec. 6.** RCW 29A.36.101 and 2013 c 11 s 41 are each amended to read as follows:

Except as provided in RCW 29A.24.075, for the candidates for president and vice president, or for a partisan or nonpartisan office for which no primary is required, the names of all candidates who, under this title, filed a declaration of candidacy must appear on the appropriate ballot at the primary throughout the jurisdiction for which they filed."

**PART IV  
CONFORMING AMENDMENTS**

**Sec. 401.** RCW 42.17A.001 and 2019 c 428 s 2 are each amended to read as follows:

It is hereby declared by the sovereign people to be the public policy of the state of Washington:

(1) That political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy is to be avoided.

(2) That the people have the right to expect from their elected representatives at all levels of government the utmost of integrity, honesty, and fairness in their dealings.

(3) That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of

interest between the public trust and private interest.

(4) That our representative form of government is founded on a belief that those entrusted with the offices of government have nothing to fear from full public disclosure of their financial and business holdings, provided those officials deal honestly and fairly with the people.

(5) That public confidence in government at all levels is essential and must be promoted by all possible means.

(6) That public confidence in government at all levels can best be sustained by assuring the people of the impartiality and honesty of the officials in all public transactions and decisions.

(7) That the concept of attempting to increase financial participation of individual contributors in political campaigns is encouraged by the passage of the Revenue Act of 1971 by the Congress of the United States, and in consequence thereof, it is desirable to have implementing legislation at the state level.

(8) That the concepts of disclosure and limitation of election campaign financing are established by the passage of the Federal Election Campaign Act of 1971 by the Congress of the United States, and in consequence thereof it is desirable to have implementing legislation at the state level.

(9) That small contributions by individual contributors are to be encouraged, and that not requiring the reporting of small contributions may tend to encourage such contributions.

(10) That the public's right to know of the financing of political campaigns and lobbying and the financial affairs of elected officials and candidates far outweighs any right that these matters remain secret and private.

(11) That, mindful of the right of individuals to privacy and of the desirability of the efficient administration of government, full access to information concerning the conduct of government on every level must be assured as a fundamental and necessary precondition to the sound governance of a free society.

The provisions of this ~~((chapter))~~title shall be liberally construed to promote complete disclosure of all information respecting the financing of political campaigns and lobbying, and the financial affairs of elected officials and candidates, and full access to public records so as to assure continuing public confidence of fairness of elections and governmental processes, and so as to assure that the public interest will be fully protected. In promoting such complete disclosure, however, this ~~((chapter))~~title shall be enforced so as to ensure that the information disclosed will not be misused for arbitrary and capricious purposes and to ensure that all persons reporting under this ~~((chapter))~~title will be protected from harassment and unfounded allegations based on information they have freely disclosed.

**Sec. 402.** RCW 42.17A.010 and 2002 c 43 s 4 are each amended to read as follows:

Elections of conservation district supervisors held pursuant to chapter 89.08 RCW shall not be considered general or special elections for purposes of the campaign disclosure and personal financial affairs reporting requirements of this ~~((chapter))~~title. Elected conservation district supervisors are not considered elected officials for purposes of the annual personal financial affairs reporting requirement of this ~~((chapter))~~title.

**Sec. 403.** RCW 42.17A.020 and 1973 c 1 s 4 are each amended to read as follows:

All statements and reports filed under this ~~((chapter))~~title shall be public records of the agency where they are filed, and shall be available for public inspection and copying during normal business hours at the expense of the person requesting copies, provided that the charge for such copies shall not exceed actual cost to the agency.

**Sec. 404.** RCW 42.17A.055 and 2019 c 428 s 4 are each amended to read as follows:

(1) For each required report, as technology permits, the commission shall make an electronic reporting tool available to all those who are required to file that report under this ~~((chapter))~~title.

(2) All persons required to file reports under this ~~((chapter))~~title must file them electronically where the commission has provided an electronic option. The executive director may make exceptions on a case-by-case basis for persons who lack the technological ability to file reports electronically.

(3) If the electronic filing system provided by the commission is inoperable for any period of time, the commission must keep a record of the date and time of each instance and post outages on its website. If a report is due on a day the electronic filing system is inoperable, it is not late if filed the first business day the system is back in operation. The commission must provide notice to all reporting entities when the system is back in operation.

(4) All persons required to file reports under this ~~((chapter))~~title shall, at the time of initial filing, provide the commission an email address, or other electronic contact information, that shall constitute the official address for purposes of all communications from the commission. The person required to file one or more reports must provide any new electronic contact information to the commission within ~~((ten))~~10 days, if the address has changed from that listed on the most recent report. Committees must provide the committee treasurer's electronic contact information to the commission. Committees must also provide any new electronic contact information for the committee's treasurer to the commission within ~~((ten))~~10 days of the change. The executive director may waive the electronic contact information requirement and allow use of a postal address, upon the showing of hardship.

**Sec. 405.** RCW 42.17A.060 and 2011 1st sp.s. c 43 s 732 are each amended to read as follows:

It is the intent of the legislature to ensure that the commission provide the general public timely access to all contribution and expenditure reports submitted by candidates, continuing political committees, bona fide political parties, lobbyists, and lobbyists' employers. The legislature finds that failure to meet goals for full and timely disclosure threatens to undermine our electoral process.

Furthermore, the legislature intends for the commission to consult with the office of the chief information officer as it seeks to implement chapter 401, Laws of 1999, and that the commission follow the standards and procedures established by the office of the chief information officer in chapter 43.105 RCW as they relate to information technology.

**Sec. 406.** RCW 42.17A.065 and 2019 c 428 s 5 are each amended to read as follows:

No more than three commissioners shall have an identification with the same political party.

(2) The term of each commissioner shall be five years, which may continue until a successor is appointed, but may not exceed an additional ~~((twelve))~~ 12 months. No commissioner is eligible for appointment to more than one full term. Any commissioner may be removed by the governor, but only

(b) This subsection is not intended to prohibit a commissioner from participating in or supporting nonprofit or other organizations, in the commissioner's private capacity, to the extent such participation is not prohibited under (a) of this subsection.

(c) The provisions of this subsection do not relieve a commissioner of any applicable disqualification and recusal requirements.

(4) A vacancy on the commission shall be filled within ~~((thirty))~~ 30 days of the vacancy by the governor, with the consent of the senate, and the appointee shall serve for the remaining term of the appointee's predecessor. A vacancy shall not impair the powers of the remaining commissioners to exercise all of the powers of the commission.

(5) Three commissioners shall constitute a quorum. The commission shall elect its own chair and adopt its own rules of procedure in the manner provided in chapter 34.05 RCW.

(6) Commissioners shall be compensated in accordance with RCW 43.03.250 and shall be reimbursed for travel expenses incurred while engaged in the business of the commission as provided in RCW 43.03.050 and 43.03.060. The compensation provided pursuant to this section shall not be considered salary for purposes of the provisions of any retirement system created under the laws of this state.

**Sec. 408.** RCW 42.17A.105 and 2010 c 204 s 302 are each amended to read as follows:

(6) Conduct a sufficient number of audits and field investigations to provide a statistically valid finding regarding the degree of compliance with the provisions of this ((chapter))title by all required filers. Any documents, records, reports, computer files, papers, or materials provided to the commission for use in conducting audits and investigations must be returned to the candidate, campaign, or political committee from which they were received within one week of the commission's completion of an audit or field investigation;

(7) Prepare and publish an annual report to the governor as to the effectiveness of this ((chapter))title and its enforcement by appropriate law enforcement authorities;

(8) Enforce this ((chapter))title according to the powers granted it by law;

(12) Maintain and make available to the public and political committees of this state a toll-free telephone number.

**Sec. 409.** RCW 42.17A.110 and 2019 c 428 s 8 are each amended to read as follows:

In addition to the duties in RCW 42.17A.105 (as recodified by this act), the commission may:

(1) Adopt, amend, and rescind suitable administrative rules to carry out the policies and purposes of this ((chapter))title, which rules shall be adopted under chapter 34.05 RCW. Any rule relating to campaign finance, political advertising, or related forms that would otherwise take effect after June 30th of a general election year shall take effect no earlier than the day following the general election in that year;

(2) Appoint an executive director and set, within the limits established by the office of financial management under RCW 43.03.028, the executive director's compensation. The executive director shall

perform such duties and have such powers as the commission may prescribe and delegate to implement and enforce this ((chapter))title efficiently and effectively. The commission shall not delegate its authority to adopt, amend, or rescind rules nor may it delegate authority to determine that a violation of this ((chapter))title has occurred or to assess penalties for such violations;

(3) Prepare and publish reports and technical studies as in its judgment will tend to promote the purposes of this ((chapter))title, including reports and statistics concerning campaign financing, lobbying, financial interests of elected officials, and enforcement of this ((chapter))title;

(4) Conduct, as it deems appropriate, audits and field investigations;

(5) Make public the time and date of any formal hearing set to determine whether a violation has occurred, the question or questions to be considered, and the results thereof;

(9) Develop and provide to filers a system for certification of reports required under this ((chapter))title which are transmitted electronically to the commission. Implementation of the program is contingent on the availability of funds; and

(10) Make available and keep current on its website a glossary of all defined terms in this ((chapter))title and in rules adopted by the commission.

**Sec. 410.** RCW 42.17A.120 and 2019 c 428 s 10 are each amended to read as follows:

(1) The commission may suspend or modify any of the reporting requirements of this ((chapter))title if it finds that literal application of this ((chapter))title works a manifestly unreasonable hardship in a particular case and the suspension or modification will not frustrate the purposes of this ((chapter))title. The commission may suspend or modify reporting requirements only to the extent necessary to substantially relieve the hardship and only after a hearing is held and the suspension or modification receives approval. A suspension or modification of the financial affairs reporting requirements in RCW 42.17A.710 (as recodified by this act) may be approved for an elected official's term of office or for up to three years for an executive state officer. If a material change in the applicant's circumstances or relevant information occurs or has occurred,

the applicant must request a modification at least one month prior to the next filing deadline rather than at the conclusion of the term.

(2) A manifestly unreasonable hardship exists if reporting the name of an entity required to be reported under RCW 42.17A.710(1)(g)(ii) (as recodified by this act) would be likely to adversely affect the competitive position of any entity in which the person filing the report, or any member of the person's immediate family, holds any office, directorship, general partnership interest, or an ownership interest of ~~(ten)~~ 10 percent or more.

(3) Requests for reporting modifications may be heard in a brief adjudicative proceeding as set forth in RCW 34.05.482 through 34.05.494 and in accordance with the standards established in this section. The commission, the commission chair acting as presiding officer, or another commissioner appointed by the chair to serve as presiding officer, may preside over a brief adjudicatory proceeding. If a modification is requested by a filer because of a concern for personal safety, the information submitted regarding that safety concern shall not be made public prior to, or at, the hearing on the request. Any information provided or prepared for the modification hearing shall remain exempt from public disclosure under this ~~(chapter)~~ title and chapter 42.56 RCW to the extent it is determined at the hearing that disclosure of such information would present a personal safety risk to a reasonable person.

(4) If the commission, or presiding officer, grants a modification request, the commission or presiding officer may apply the modification retroactively to previously filed reports. In that event, previously reported information of the kind that is no longer being reported is confidential and exempt from public disclosure under this ~~(chapter)~~ title and chapter 42.56 RCW.

(5) Any citizen has standing to bring an action in Thurston county superior court to contest the propriety of any order entered under this section within one year from the date of the entry of the order.

(6) The commission shall adopt rules governing the proceedings.

**Sec. 411.** RCW 42.17A.125 and 2019 c 428 s 11 are each amended to read as follows:

At least once every five years, but no more often than every two years, the commission must consider whether to revise the monetary contribution limits and reporting thresholds and code values of this ~~(chapter)~~ title. If the commission chooses to make revisions, the revisions shall be only for the purpose of recognizing economic changes as reflected by an inflationary index recommended by the office of financial management, and may be rounded off to amounts as determined by the commission to be most accessible for public understanding. The revisions shall be guided by the change in the index for the period commencing with the month of December preceding the last revision and concluding with the month of December preceding the month the revision is

adopted. As to each of the three general categories of this ~~(chapter)~~ title, reports of campaign finance, reports of lobbyist activity, and reports of the financial affairs of elected and appointed officials, the revisions shall equally affect all thresholds within each category. The revisions authorized by this subsection shall reflect economic changes from the time of the last legislative enactment affecting the respective code or threshold.

Revisions made in accordance with this section shall be adopted as rules in accordance with chapter 34.05 RCW.

**Sec. 412.** RCW 42.17A.130 and 2010 c 205 s 8 and 2010 c 204 s 306 are each reenacted and amended to read as follows:

The attorney general, through his or her office, shall provide assistance as required by the commission to carry out its responsibilities under this ~~(chapter)~~ title. The commission may employ attorneys who are neither the attorney general nor an assistant attorney general to carry out any function of the attorney general prescribed in this ~~(chapter)~~ title.

**Sec. 413.** RCW 42.17A.135 and 2019 c 428 s 12 are each amended to read as follows:

(b) Political committees formed to support or oppose candidates or ballot propositions in such political subdivisions; or

(c) Persons making independent expenditures in support of or opposition to such ballot propositions.

(2) The reporting provisions of this ~~(chapter)~~ title apply in any exempt political subdivision from which a "petition for disclosure" containing the valid signatures of ~~(fifteen)~~ 15 percent of the number of registered voters, as of the date of the most recent general election in the political subdivision, is filed with the commission. The commission shall by rule prescribe the form of the petition. After the signatures are gathered, the petition shall be presented to the auditor or elections officer of the county, or counties, in which the political subdivision is located. The auditor or elections officer shall verify the signatures and certify to the commission that the petition contains no less than the required number of valid signatures. The commission, upon receipt of a valid petition, shall order every known affected person in the political subdivision to file the initially required statement and reports within ~~(fourteen)~~ 14 days of the date of the order.

(3) The reporting provisions of this ~~(chapter)~~ title apply in any exempt political subdivision that by ordinance, resolution, or other official action has

petitioned the commission to make the provisions applicable to elected officials and candidates of the exempt political subdivision. A copy of the action shall be sent to the commission. If the commission finds the petition to be a valid action of the appropriate governing body or authority, the commission shall order every known affected person in the political subdivision to file the initially required statement and reports within ~~((fourteen))~~ 14 days of the date of the order.

(4) The commission shall void any order issued by it pursuant to subsection (2) or (3) of this section when, at least four years after issuing the order, the commission is presented a petition or official action so requesting from the affected political subdivision. Such petition or official action shall meet the respective requirements of subsection (2) or (3) of this section.

(5) Any petition for disclosure, ordinance, resolution, or official action of an agency petitioning the commission to void the exemption in RCW 42.17A.200(3) (as recodified by this act) shall not be considered unless it has been filed with the commission:

(a) In the case of a ballot proposition, at least ~~((sixty))~~ 60 days before the date of any election in which campaign finance reporting is to be required;

(b) In the case of a candidate, at least ~~((sixty))~~ 60 days before the first day on which a person may file a declaration of candidacy for any election in which campaign finance reporting is to be required.

(6) Any person exempted from reporting under this ~~((chapter))~~ title may at the person's option file the statement and reports.

(7) The reporting provisions of this ~~((chapter))~~ title apply to a candidate in any political subdivision if the candidate receives or expects to receive five thousand dollars or more in contributions.

The provisions of this section do not apply to reports required to be delivered under RCW 42.17A.265 (as recodified by this act) and 42.17A.625 (as recodified by this act).

(2) When a report is filed electronically with the commission, it is deemed to have been received on the file transfer date. The commission shall notify the filer of receipt of the electronically filed report. Such notification may be sent by mail or electronically. If the notification of receipt of the electronically filed report is not received by the filer, the filer may offer proof of sending the report, and such proof shall be treated as if it were a receipt sent by the commission. Electronic

filing may be used for purposes of filing the special reports required to be delivered under RCW 42.17A.265 (as recodified by this act) and 42.17A.625 (as recodified by this act).

**Sec. 415.** RCW 42.17A.145 and 1973 c 1 s 43 are each amended to read as follows:

The application must:

(2) When an application under this section is made to the satisfaction of the court, the court must issue an order approving the subpoena. An order under this subsection constitutes authority of law for the agency to subpoena the documents, records, evidence, or testimony.

(3) The commission may seek approval and a court may issue an order under this section without prior notice to any person, including the person to whom the subpoena is directed and the person who is the subject of an investigation. An application for court approval is subject to the fee and process set forth in RCW 36.18.012(3).

**Sec. 418.** RCW 42.17A.200 and 2010 c 204 s 401 are each amended to read as follows:

The candidate or political committee may at any time change the designated depository and shall file with the commission the same information for the successor depository as for the original depository. (a) Each such account bears the same name;

(c) Transfers of funds that must be reported under RCW 42.17A.240 ~~((+5))~~ (6) as recodified by this act are not made from more than one such account.

(3) Nothing in this section prohibits a candidate or political committee from investing funds on hand in a depository in bonds, certificates, or tax-exempt securities, or in savings accounts or other similar instruments in financial institutions, or in mutual funds other than the depository but only if:

(a) The commission is notified in writing of the initiation and the termination of the investment; and

(b) The principal of such investment, when terminated together with all interest, dividends, and income derived from the investment, is deposited in the depository in the account from which the investment was made and properly reported to the commission before any further disposition or expenditure.

(4) Accumulated unidentified contributions, other than those made by persons whose names must be maintained on a separate and private list by a political committee's treasurer pursuant to RCW 42.17A.240 (2) (as recodified by this act), in excess of one percent of the total accumulated contributions received in the current calendar year, or three hundred dollars, whichever is more, may not be deposited, used, or expended, but shall be returned to the donor if his or her identity can be ascertained. (d) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there shall be no further obligations under this ~~((chapter))~~ title. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(5) The treasurer shall maintain books of account, current within five business days, that accurately reflect all contributions and expenditures. During the ~~((ten))~~ 10 calendar days immediately preceding the date of any election that the committee has received any contributions or made any expenditures, the books of account shall be kept current within one business day and shall be open for public inspection in the same manner as provided for candidates and other political committees in RCW 42.17A.235(6) (as recodified by this act).

**Sec. 426.** RCW 42.17A.235 and 2019 c 428 s 20 are each amended to read as follows:

(1)(a) In addition to the information required under RCW 42.17A.205 (as recodified by this act) and 42.17A.210 (as recodified by this act), each candidate or political committee must file with the commission a report of all contributions received and expenditures made as a political committee on the next reporting date pursuant to the timeline established in this section.

(b) In addition to the information required under RCW 42.17A.207 (as recodified by this act) and 42.17A.210 (as recodified by this act), on the day an incidental committee files a statement of organization with the commission, each incidental committee must file with the commission a report of any election campaign expenditures under RCW 42.17A.240 (as recodified by this act), as well as the source of the ~~(ten)~~10 largest cumulative payments of ten thousand dollars or greater it received in the current calendar year from a single person, including any persons tied as the ~~(tenth)~~10th largest source of payments it received, if any.

(2) Each treasurer of a candidate or political committee, or an incidental committee, required to file a statement of organization under this ~~(chapter)~~title, shall file with the commission a report, for each election in which a candidate, political committee, or incidental committee is participating, containing the information required by RCW 42.17A.240 (as recodified by this act) at the following intervals:

(a) On the ~~(twenty-first)~~21st day and the seventh day immediately preceding the date on which the election is held; and

(b) On the ~~(tenth)~~10th day of the first full month after the election.

(3)(a) Each treasurer of a candidate or political committee shall file with the commission a report on the ~~(tenth)~~10th day of each month during which the candidate or political committee is not participating in an election campaign, only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars.

(b) Each incidental committee shall file with the commission a report on the

~~(tenth)~~10th day of each month during which the incidental committee is not otherwise required to report under this section only if the committee has:

(i) Received a payment that would change the information required under RCW 42.17A.240(2)(d) (as recodified by this act) as included in its last report; or

(ii) Made any election campaign expenditure reportable under RCW 42.17A.240 ~~((+6))~~(7) (as recodified by this act) since its last report, and the total election campaign expenditures made since the last report exceed two hundred dollars.

(4) The report filed ~~((twenty-one))~~21 days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the ~~((tenth))~~10th day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

(5) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer for a candidate or a political committee shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for the treasurer's records. In the event of deposits made by candidates, political committee members, or paid staff other than the treasurer, the copy shall be immediately provided to the treasurer for the treasurer's records. Each report shall be certified as correct by the treasurer.

(6)(a) The treasurer for a candidate or a political committee shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the ~~((ten))~~10 calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the political committee's statement of organization filed under RCW 42.17A.205 (as recodified by this act), the books of account must be open for public inspection by appointment at a place agreed upon by both the treasurer and the requestor, for inspections between 9:00 a.m. and 5:00 p.m. on any day from the ~~((tenth))~~10th calendar day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this ~~((chapter))~~title for a

candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within ~~((forty-eight))~~ 48 hours of the time and day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection. If the treasurer and requestor are unable to agree on a location and the treasurer has not provided digital access to the books of account, the default location for an appointment shall be a place of public accommodation selected by the treasurer within a reasonable distance from the treasurer's office.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification. The commission may issue limited rules to modify the requirements set forth in this section in consideration of other technology and best practices.

(7) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection (6) of this section.

(8) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred or for any longer period as otherwise required by law.

(9) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

(10) Where there is not a pending complaint concerning a report, it is not evidence of a violation of this section to submit an amended report within ~~((twenty-one))~~ 21 days of filing an initial report if:

(a) The report is accurately amended;

(b) The amended report is filed more than ~~((thirty))~~ 30 days before an election;

(c) The total aggregate dollar amount of the adjustment for the amended report is within three times the contribution limit per election or two hundred dollars, whichever is greater; and

(d) The committee reported all information that was available to it at the time of filing, or made a good faith effort to do so, or if a refund of a contribution or expenditure is being reported.

(11)(a) When there is no outstanding debt or obligation, the campaign fund is closed, the campaign is concluded in all respects, and the political committee has ceased to function and intends to dissolve, the treasurer shall file a final report. Upon submitting a final report, the political committee so intending to dissolve must file

notice of intent to dissolve with the commission and the commission must post the notice on its website.

(b) Any political committee may dissolve ~~((sixty))~~ 60 days after it files its notice to dissolve, only if:

(i) The political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this ~~((chapter))~~ title after filing such notice;

(ii) No complaint or court action under this ~~((chapter))~~ title is pending against the political committee; and

(iii) All penalties assessed by the commission or court order have been paid by the political committee.

(c) The political committee must continue to report regularly as required under this ~~((chapter))~~ title until all the conditions under (b) of this subsection are resolved.

(d) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there shall be no further obligations under this ~~((chapter))~~ title. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(12) The commission must adopt rules for the dissolution of incidental committees.

For payments to incidental committees from multiple persons received in aggregated form, any payment of more than ten thousand dollars from any single person must be reported, but the aggregated payment itself may not be reported. The commission may suspend or modify reporting requirements for payments received by an incidental committee in cases of manifestly unreasonable hardship under this ~~((chapter))~~title;

For purposes of this subsection, commentary or analysis on a ballot proposition by an incidental committee is not considered an expenditure if it does not advocate specifically to vote for or against the ballot proposition;

(8) The name, address, and electronic contact information of each person to whom an expenditure was made for soliciting or procuring signatures on an initiative or referendum petition, the amount of the compensation to each person, and the total expenditures made for this purpose. Such expenditures shall be reported under this subsection in addition to what is required to be reported under subsection (7) of this section;

(1) For the purposes of this section the term "independent expenditure" means any expenditure that is made in support of or in opposition to any candidate or ballot proposition and is not otherwise required to be reported pursuant to RCW 42.17A.225 (as recodified by this act), 42.17A.235 (as recodified by this act), and 42.17A.240 (as recodified by this act). "Independent

"Volunteer services," for the purposes of this section, means services or labor for which the individual is not compensated by any person.

(2) Within five days after the date of making an independent expenditure that by itself or when added to all other such independent expenditures made during the same election campaign by the same person equals one hundred dollars or more, or within five days after the date of making an independent expenditure for which no reasonable estimate of monetary value is practicable, whichever occurs first, the person who made the independent expenditure shall file with the commission an initial report of all independent expenditures made during the campaign prior to and including such date.

(3) At the following intervals each person who is required to file an initial report pursuant to subsection (2) of this section shall file with the commission a further report of the independent expenditures made since the date of the last report:

However, the further reports required by this subsection (3) shall only be filed if the reporting person has made an independent expenditure since the date of the last previous report filed.

The report filed pursuant to (a) of this subsection (3) shall be the final report, and upon submitting such final report the duties of the reporting person shall cease, and there shall be no obligation to make any further reports.

(4) All reports filed pursuant to this section shall be certified as correct by the reporting person.

(5) Each report required by subsections (2) and (3) of this section shall disclose for the period beginning at the end of the period for the last previous report filed or, in the case of an initial report, beginning at the time of the first independent expenditure, and ending not more than one business day before the date the report is due:

(b) The name and address of each person to whom an independent expenditure was made

in the aggregate amount of more than fifty dollars, and the amount, date, and purpose of each such expenditure. (c) The total sum of all independent expenditures made during the campaign to date;

(d) A statement from the person making an independent expenditure that:

(i) The expenditure is not financed in any part by a foreign national; and

(i) The political advertising is not financed in any part by a foreign national; and

(ii) Foreign nationals are not involved in making decisions regarding the political advertising in any way; and

(4) All persons required to report under RCW 42.17A.225 (as recodified by this act), 42.17A.235 (as recodified by this act), 42.17A.240 (as recodified by this act), 42.17A.255 (as recodified by this act), and 42.17A.305 (as recodified by this act) are subject to the requirements of this section. **Sec. 431.** RCW 42.17A.265 and 2020 c 152 s 7 are each amended to read as follows:

(1) Treasurers shall prepare and deliver to the commission a special report when a contribution or aggregate of contributions totals one thousand dollars or more, is from a single person or entity, and is received during a special reporting period.

(i) The contribution is not financed in any part by a foreign national; and

(ii) Foreign nationals are not involved in making decisions regarding the contribution in any way; and

(f) Any other information the commission may by rule require.

(8) Contributions reported under this section shall also be reported as required by other provisions of this (~~(chapter)~~)title.

(9) The commission shall prepare daily a summary of the special reports made under this section and RCW 42.17A.625 (as recodified by this act).

(10) Contributions governed by this section include, but are not limited to, contributions made or received indirectly through a third party or entity whether the contributions are or are not reported to the commission as earmarked contributions under RCW 42.17A.270 (as recodified by this act).

**Sec. 432.** RCW 42.17A.270 and 2010 c 204 s 416 are each amended to read as follows:

A political committee receiving a contribution earmarked for the benefit of a candidate or another political committee shall:

(1) Report the contribution as required in RCW 42.17A.235 (as recodified by this act) and 42.17A.240 (as recodified by this act);

(2) Complete a report, entitled "Earmarked contributions," on a form prescribed by the commission that identifies the name and address of the person who made the contribution, the candidate or political committee for whose benefit the contribution is earmarked, the amount of the contribution, and the date that the contribution was received; and

(3) Mail or deliver to the commission and the candidate or political committee benefiting from the contribution a copy of the "Earmarked contributions" report within two working days of receipt of the contribution.

(4) A candidate or political committee receiving notification of an earmarked contribution under subsection (3) of this section shall report the contribution, once notification of the contribution is received by the candidate or committee, in the same manner as any other contribution, as required by RCW 42.17A.235 (as recodified by this act) and 42.17A.240 (as recodified by this act).

**Sec. 433.** RCW 42.17A.300 and 2010 c 204 s 501 are each amended to read as follows:

(1) The legislature finds that:

(a) Timely disclosure to voters of the identity and sources of funding for electioneering communications is vitally important to the integrity of state, local, and judicial elections.

(b) Electioneering communications that identify political candidates for state, local, or judicial office and that are distributed (~~(sixty)~~)60 days before an election for those offices are intended to influence voters and the outcome of those elections.

(c) The state has a compelling interest in providing voters information about electioneering communications in political campaigns concerning candidates for state, local, or judicial office so that voters can be fully informed as to the: (i) Source of support or opposition to those candidates; and (ii) identity of persons attempting to influence the outcome of state, local, and judicial candidate elections.

(d) Nondisclosure of financial information about advertising that masquerades as relating only to issues and not to candidate campaigns fosters corruption or the appearance of corruption. These consequences can be substantially avoided by full disclosure of the identity and funding of those persons paying for such advertising.

(e) The United States supreme court held in *McConnell et al. v. Federal Elections Commission*, 540 U.S. 93, 124 S.Ct. 619, 157 L.Ed.2d 491 (2003) that speakers seeking to influence elections do not possess an inviolable free speech right to engage in electioneering communications regarding elections, including when issue advocacy is the functional equivalent of express advocacy. Therefore, such election campaign communications can be regulated and the source of funding disclosed.

(f) The state has a sufficiently compelling interest in preventing corruption in political campaigns to justify and restore contribution limits and restrictions on the use of soft money in RCW 42.17A.405 (as recodified by this act). Those interests include restoring restrictions on the use of such funds for electioneering communications, as well as the laws preventing circumvention of those limits and restrictions.

(2) Based upon the findings in this section, chapter 445, Laws of 2005 is narrowly tailored to accomplish the following and is intended to:

(a) Improve the disclosure to voters of information concerning persons and entities seeking to influence state, local, and judicial campaigns through reasonable and effective mechanisms, including improving disclosure of the source, identity, and funding of electioneering communications concerning state, local, and judicial candidate campaigns;

(b) Regulate electioneering communications that mention state, local, and judicial candidates and that are broadcast, mailed, erected, distributed, or otherwise published right before the election so that the public knows who is paying for such communications;

(c) Reenact and amend the contribution limits in RCW 42.17A.405 (7) and (15) (as recodified by this act) and the restrictions on the use of soft money, including as applied to electioneering communications, as those limits and restrictions were in effect following the passage of chapter 2, Laws of 1993 (Initiative Measure No. 134) and before the state supreme court decision in *Washington State Republican Party v. Washington State Public Disclosure Commission*, 141 Wn.2d 245, 4 P.3d 808 (2000). The commission is authorized to fully restore the implementation of the

limits and restrictions of RCW 42.17A.405 (7) and (15) (as recodified by this act) in light of *McConnell et al. v. Federal Elections Commission*, 540 U.S. 93, 124 S.Ct. 619, 157 L.Ed.2d 491 (2003). The United States supreme court upheld the disclosure and regulation of electioneering communications in political campaigns, including but not limited to issue advocacy that is the functional equivalent of express advocacy; and

(d) Authorize the commission to adopt rules to implement chapter 445, Laws of 2005.

**Sec. 434.** RCW 42.17A.305 and 2020 c 152 s 8 are each amended to read as follows:

(a) Name and address of the sponsor;

(b) Source of funds for the communication, including:

(i) General treasury funds. The name and address of businesses, unions, groups, associations, or other organizations using general treasury funds for the communication, however, if a business, union, group, association, or other organization undertakes a special solicitation of its members or other persons for an electioneering communication, or it otherwise receives funds for an electioneering communication, that entity shall report pursuant to (b)(ii) of this subsection;

(ii) Special solicitations and other funds. (c) Name and address of the person to whom an electioneering communication related expenditure was made;

(d) A detailed description of each expenditure of more than one hundred dollars;

(2) Electioneering communications shall be reported as follows: The sponsor of an electioneering communication shall report to the commission within ~~((twenty-four))~~ 24 hours of, or on the first working day after, the date the electioneering communication is broadcast, transmitted, mailed, erected, distributed, digitally or otherwise, or otherwise published.

(3) Electioneering communications shall be reported electronically by the sponsor using software provided or approved by the commission. The commission may make exceptions on a case-by-case basis for a sponsor who lacks the technological ability to file reports using the electronic means provided or approved by the commission.

(4) All persons required to report under RCW 42.17A.225 (as recodified by this act), 42.17A.235 (as recodified by this act), 42.17A.240 (as recodified by this act), and 42.17A.255 (as recodified by this act) are subject to the requirements of this section, although the commission may determine by rule that persons filing according to those sections may be exempt from reporting some of the information otherwise required by this section. The commission may determine that reports filed pursuant to this section also satisfy the requirements of RCW 42.17A.255 (as recodified by this act) and 42.17A.260 (as recodified by this act).

(5) Failure of any sponsor to report electronically under this section shall be a violation of this ~~((chapter))~~ title.

**Sec. 435.** RCW 42.17A.310 and 2010 c 204 s 503 are each amended to read as follows:

(1) An electioneering communication made by a person in cooperation, consultation, or concert with, or at the request or suggestion of, a candidate, a candidate's authorized committee, or their agents is a contribution to the candidate.

(2) An electioneering communication made by a person in cooperation, consultation, or concert with, or at the request or suggestion of, a political committee or its agents is a contribution to the political committee.

(3) If an electioneering communication is not a contribution pursuant to subsection (1) or (2) of this section, the sponsor shall file an affidavit or declaration so stating at the time the sponsor is required to report the electioneering communication expense under RCW 42.17A.305 (as recodified by this act).

**Sec. 436.** RCW 42.17A.315 and 2010 c 204 s 504 are each amended to read as follows:

(1) The sponsor of an electioneering communication shall preserve all financial records relating to the communication, including books of account, bills, receipts, contributor information, and ledgers, for not less than five calendar years following the year in which the communication was

broadcast, transmitted, mailed, erected, or otherwise published.

(2) All reports filed under RCW 42.17A.305 (as recodified by this act) shall be certified as correct by the sponsor. If the sponsor is an individual using his or her own funds to pay for the communication, the certification shall be signed by the individual. If the sponsor is a political committee, the certification shall be signed by the committee treasurer. If the sponsor is another entity, the certification shall be signed by the individual responsible for authorizing the expenditure on the entity's behalf.

**Sec. 437.** RCW 42.17A.320 and 2019 c 261 s 3 are each amended to read as follows:

(1) All written political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name and address. All radio and television political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name. The use of an assumed name for the sponsor of electioneering communications, independent expenditures, or political advertising shall be unlawful. For partisan office, if a candidate has expressed a party or independent preference on the declaration of candidacy, that party or independent designation shall be clearly identified in electioneering communications, independent expenditures, or political advertising.

(2) In addition to the information required by subsection (1) of this section, except as specifically addressed in subsections (4) and (5) of this section, all political advertising undertaken as an independent expenditure or an electioneering communication by a person or entity other than a bona fide political party must include as part of the communication:

(a) The statement: "No candidate authorized this ad. It is paid for by (name, address, city, state)";

(b) If the sponsor is a political committee, the statement: "Top Five Contributors," followed by a listing of the names of the five persons making the largest contributions as determined by RCW 42.17A.350(1) (as recodified by this act); and if necessary, the statement "Top Three Donors to PAC Contributors," followed by a listing of the names of the three individuals or entities, other than political committees, making the largest aggregated contributions as determined by RCW 42.17A.350(2) (as recodified by this act); and

(c) If the sponsor is a political committee established, maintained, or controlled directly, or indirectly through the formation of one or more political committees, by an individual, corporation, union, association, or other entity, the full name of that individual or entity.

(3) The information required by subsections (1) and (2) of this section shall:

(a) Appear on the first page or fold of the written advertisement or communication in at least ~~((ten))~~ 10-point type, or in type at least ten percent of the largest size

type used in a written advertisement or communication directed at more than one voter, such as a billboard or poster, whichever is larger;

(b) Not be subject to the half-tone or screening process; and

(c) Be set apart from any other printed matter. No text may be before, after, or immediately adjacent to the information required by subsections (1) and (2) of this section.

(4) In an independent expenditure or electioneering communication transmitted via television or other medium that includes a visual image, the following statement must either be clearly spoken, or appear in print and be visible for at least four seconds, appear in letters greater than four percent of the visual screen height on a solid black background on the entire bottom one-third of the television or visual display screen, or bottom one-fourth of the screen if the sponsor does not have or is otherwise not required to list its top five contributors, and have a reasonable color contrast with the background: "No candidate authorized this ad. Paid for by (name, city, state)." If the advertisement or communication is undertaken by a nonindividual other than a party organization, then the following notation must also be included: "Top Five Contributors" followed by a listing of the names of the five persons making the largest aggregate contributions as determined by RCW 42.17A.350(1) (as recodified by this act); and if necessary, the statement "Top Three Donors to PAC Contributors," followed by a listing of the names of the three individuals or entities other than political committees making the largest aggregate contributions to political committees as determined by RCW 42.17A.350(2) (as recodified by this act). Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(5) The following statement shall be clearly spoken in an independent expenditure or electioneering communication transmitted by a method that does not include a visual image: "No candidate authorized this ad. Paid for by (name, city, state)." If the independent expenditure or electioneering communication is undertaken by a nonindividual other than a party organization, then the following statement must also be included: "Top Five Contributors" followed by a listing of the names of the five persons making the largest contributions as determined by RCW 42.17A.350(1) (as recodified by this act); and if necessary, the statement "Top Three Donors to PAC Contributors," followed by a listing of the names of the three individuals or entities, other than political committees, making the largest aggregate contributions to political committees as determined by RCW 42.17A.350(2) (as recodified by this act). Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(6) Political advertising costing one thousand dollars or more supporting or opposing ballot measures sponsored by a political committee must include the information on the top five contributors and top three contributors, other than political committees, as required by RCW 42.17A.350 (as recodified by this act). A series of political advertising sponsored by the same political committee, each of which is under one thousand dollars, must include the top five contributors and top three contributors, other than political committees, as required by RCW 42.17A.350 (as recodified by this act) once their cumulative value reaches one thousand dollars or more.

(7) Political yard signs are exempt from the requirements of this section that the sponsor's name and address, and the top five contributors and top three PAC contributors as required by RCW 42.17A.350 (as recodified by this act), be listed on the advertising. In addition, the public disclosure commission shall, by rule, exempt from the identification requirements of this section forms of political advertising such as campaign buttons, balloons, pens, pencils, sky-writing, inscriptions, and other forms of advertising where identification is impractical.

(8) For the purposes of this section, "yard sign" means any outdoor sign with dimensions no greater than eight feet by four feet.

**Sec. 438.** RCW 42.17A.330 and 2010 c 204 s 506 are each amended to read as follows:

At least one picture of the candidate used in any political advertising shall have been taken within the last five years and shall be no smaller than any other picture of the same candidate used in the same advertisement.

**Sec. 439.** RCW 42.17A.335 and 2009 c 222 s 2 are each amended to read as follows:

(1) It is a violation of this (~~chapter~~) title for a person to sponsor with actual malice a statement constituting libel or defamation per se under the following circumstances:

(a) Political advertising or an electioneering communication that contains a false statement of material fact about a candidate for public office;

(b) Political advertising or an electioneering communication that falsely represents that a candidate is the incumbent for the office sought when in fact the candidate is not the incumbent;

(c) Political advertising or an electioneering communication that makes either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization when in fact the candidate does not have such support or endorsement.

(2) For the purposes of this section, "libel or defamation per se" means statements that tend (a) to expose a living person to hatred, contempt, ridicule, or obloquy, or to deprive him or her of the benefit of public confidence or social

intercourse, or to injure him or her in his or her business or occupation, or (b) to injure any person, corporation, or association in his, her, or its business or occupation.

(3) It is not a violation of this section for a candidate or his or her agent to make statements described in subsection (1)(a) or (b) of this section about the candidate himself or herself because a person cannot defame himself or herself. It is not a violation of this section for a person or organization referenced in subsection (1)(c) of this section to make a statement about that person or organization because such persons and organizations cannot defame themselves.

(4) Any violation of this section shall be proven by clear and convincing evidence. If a violation is proven, damages are presumed and do not need to be proven.

**Sec. 440.** RCW 42.17A.340 and 2010 c 204 s 507 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the responsibility for compliance with RCW 42.17A.320 (as recodified by this act) through 42.17A.335 (as recodified by this act) shall be with the sponsor of the political advertising and not with the broadcasting station or other medium.

(2) If a broadcasting station or other medium changes the content of a political advertisement, the station or medium shall be responsible for any failure of the advertisement to comply with RCW 42.17A.320 (as recodified by this act) through 42.17A.335 (as recodified by this act) that results from that change.

**Sec. 441.** RCW 42.17A.345 and 2019 c 428 s 26 are each amended to read as follows:

(1) Each commercial advertiser who has accepted or provided political advertising or electioneering communications during the election campaign shall maintain current books of account and related materials as provided by rule that shall be open for public inspection during normal business hours during the campaign and for a period of no less than five years after the date of the applicable election. The documents and books of account shall specify:

(a) The names and addresses of persons from whom it accepted political advertising or electioneering communications;

(b) The exact nature and extent of the services rendered; and

(c) The total cost and the manner of payment for the services.

(2) At the request of the commission, each commercial advertiser required to comply with subsection (1) of this section shall provide to the commission copies of the information that must be maintained and be open for public inspection pursuant to subsection (1) of this section.

**Sec. 442.** RCW 42.17A.350 and 2019 c 261 s 2 are each amended to read as follows:

(1) For any requirement to include the top five contributors under RCW 42.17A.320 (as recodified by this act) or any other provision of this ~~(chapter)~~ title, the sponsor must identify the five persons or entities making the largest contributions to the sponsor in excess of the threshold aggregate value to be considered an independent expenditure in an election for public office under ~~((RCW 42.17A.005(29)(a)-(iv)))~~ section 231(1)(d) of this act reportable under this ~~(chapter)~~ title during the ~~((twelve))~~ 12-month period preceding the date on which the advertisement is initially to be published or otherwise presented to the public.

(2) If one or more of the top five contributors identified under subsection (1) of this section is a political committee, the top three contributors to each of those political committees during the same period must then be identified, and so on, until the individuals or entities other than political committees with the largest aggregate contributions to each political committee identified under subsection (1) of this section have also been identified. The sponsor must identify the three individuals or entities, not including political committees, who made the largest aggregate contributions to any political committee identified under subsection (1) of this section in excess of the threshold aggregate value to be considered an independent expenditure in an election for public office under ~~((RCW 42.17A.005(29)(a)-(iv)))~~ section 231(1)(d) of this act reportable under this ~~(chapter)~~ title during the same period, and the names of those individuals or entities must be displayed in the advertisement alongside the statement "Top Three Donors to PAC Contributors."

(3) Contributions to the sponsor or a political committee that are earmarked, tracked, and used for purposes other than the advertisement in question should not be counted in identifying the top five contributors under subsection (1) of this section or the top three contributors under subsection (2) of this section.

(4) The sponsor shall not be liable for a violation of this section that occurs because a contribution to any political committee identified under subsection (1) of this section has not been reported to the commission.

(5) The commission is authorized to adopt rules, as needed, to prevent ways to circumvent the purposes of the required disclosures in this section to inform voters about the individuals and entities sponsoring political advertisements.

**Sec. 443.** RCW 42.17A.400 and 2010 c 204 s 601 are each amended to read as follows:

(1) The people of the state of Washington find and declare that:

(a) The financial strength of certain individuals or organizations should not permit them to exercise a disproportionate or controlling influence on the election of candidates.

(b) Rapidly increasing political campaign costs have led many candidates to raise

larger percentages of money from special interests with a specific financial stake in matters before state government. This has caused the public perception that decisions of elected officials are being improperly influenced by monetary contributions.

(c) Candidates are raising less money in small contributions from individuals and more money from special interests. This has created the public perception that individuals have an insignificant role to play in the political process.

(2) By limiting campaign contributions, the people intend to:

(a) Ensure that individuals and interest groups have fair and equal opportunity to influence elective and governmental processes;

(b) Reduce the influence of large organizational contributors; and

(c) Restore public trust in governmental institutions and the electoral process.

**Sec. 444.** RCW 42.17A.405 and 2019 c 100 s 1 are each amended to read as follows:

(1) The contribution limits in this section apply to:

(a) Candidates for legislative office;

(b) Candidates for state office other than legislative office;

(c) Candidates for county office;

(d) Candidates for port district office;

(e) Candidates for city council office;

(f) Candidates for mayoral office;

(g) Candidates for school board office;

(h) Candidates for public hospital district board of commissioners in districts with a population over ~~((one hundred fifty thousand))~~ 150,000;

(i) Persons holding an office in (a) through (h) of this subsection against whom recall charges have been filed or to a political committee having the expectation of making expenditures in support of the recall of a person holding the office;

(j) Caucus political committees;

(k) Bona fide political parties.

(2) No person, other than a bona fide political party or a caucus political committee, may make contributions to a candidate for a legislative office, county office, city council office, mayoral office, school board office, or public hospital district board of commissioners that in the aggregate exceed eight hundred dollars or to a candidate for a public office in a port district or a state office other than a legislative office that in the aggregate exceed one thousand six hundred dollars for each election in which the candidate is on the ballot or appears as a write-in candidate. Contributions to candidates subject to the limits in this section made with respect to a primary may not be made after the date of the primary. However, contributions to a candidate or a candidate's authorized committee may be made with respect to a primary until ~~((thirty))~~ 30 days after the primary, subject to the following limitations: (a) The candidate lost the primary; (b) the candidate's authorized committee has insufficient funds to pay debts outstanding as of the date of the primary; and (c) the contributions may only be raised and spent to satisfy the

outstanding debt. Contributions to candidates subject to the limits in this section made with respect to a general election may not be made after the final day of the applicable election cycle.

(b) The name of each state elected official, successful candidate for state office, or members of the official's or candidate's immediate family to whom the person reporting made expenditures, directly or indirectly, either through a lobbyist or otherwise, the amount of the expenditures and the purpose for the expenditures. For the purposes of this subsection, "expenditure" shall not include any expenditure made by the employer in the ordinary course of business if the expenditure is not made for the purpose of influencing, honoring, or benefiting the elected official, successful candidate, or member of his immediate family, as an elected official or candidate.

(c) The total expenditures made by the person reporting for lobbying purposes, whether through or on behalf of a registered lobbyist or otherwise.

(d) All contributions made to a political committee supporting or opposing a candidate for state office, or to a political committee supporting or opposing a statewide ballot proposition. Such contributions shall be identified by the name and the address of the recipient and the aggregate amount contributed to each such recipient.

The report shall be filed on a form prescribed by the commission and shall be filed within (~~fifteen~~)15 days after the last day of the calendar month during which the contribution was made.

(b) The provisions of (a) of this subsection do not apply to a contribution that is made through a registered lobbyist and reportable under RCW 42.17A.425 (as recodified by this act).

(1) The house of representatives and the senate shall report annually: The total budget; the portion of the total attributed to staff; and the number of full-time and part-time staff positions by assignment, with dollar figures as well as number of positions.

(2) Unless authorized by subsection (3) of this section or otherwise expressly authorized by law, no public funds may be used directly or indirectly for lobbying. However, this does not prevent officers or employees of an agency from communicating with a member of the legislature on the request of that member; or communicating to the legislature, through the proper official channels, requests for legislative action or appropriations that are deemed necessary for the efficient conduct of the public business or actually made in the proper performance of their official duties. This subsection does not apply to the legislative branch.

(3) Any agency, not otherwise expressly authorized by law, may expend public funds for lobbying, but such lobbying activity shall be limited to (a) providing information or communicating on matters pertaining to official agency business to any elected official or officer or employee of any agency or (b) advocating the official position or interests of the agency to any elected official or officer or employee of any agency. Public funds may not be expended as a direct or indirect gift or campaign contribution to any elected official or officer or employee of any agency. For the purposes of this subsection, "gift" means a voluntary transfer of any thing of value without consideration of equal or greater value, but does not include informational material transferred for the sole purpose of informing the recipient about matters pertaining to official agency business. This section does not permit the printing of a state publication that has been otherwise prohibited by law.

(4) No elective official or any employee of his or her office or any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, in any effort to support or oppose an initiative to the legislature. "Facilities of a public office or agency" has the same meaning as in RCW 42.17A.555 (as recodified by this act) and 42.52.180. The provisions of this subsection shall not apply to the following activities:

(a) Action taken at an open public meeting by members of an elected legislative body to express a collective decision, or to actually vote upon a motion, proposal, resolution, order, or ordinance, or to support or oppose an initiative to the legislature so long as (i) any required

notice of the meeting includes the title and number of the initiative to the legislature, and (ii) members of the legislative body or members of the public are afforded an approximately equal opportunity for the expression of an opposing view;

(b) A statement by an elected official in support of or in opposition to any initiative to the legislature at an open press conference or in response to a specific inquiry;

(c) Activities that are part of the normal and regular conduct of the office or agency;

(d) Activities conducted regarding an initiative to the legislature that would be permitted under RCW 42.17A.555 (as recodified by this act) and 42.52.180 if conducted regarding other ballot measures.

(5) Each state agency, county, city, town, municipal corporation, quasi-municipal corporation, or special purpose district that expends public funds for lobbying shall file with the commission, except as exempted by (d) of this subsection, quarterly statements providing the following information for the quarter just completed:

(a) The name of the agency filing the statement;

(b) The name, title, and job description and salary of each elected official, officer, or employee who lobbied, a general description of the nature of the lobbying, and the proportionate amount of time spent on the lobbying;

(c) A listing of expenditures incurred by the agency for lobbying including but not limited to travel, consultant or other special contractual services, and brochures and other publications, the principal purpose of which is to influence legislation;

(d) For purposes of this subsection, "lobbying" does not include:

(i) Requests for appropriations by a state agency to the office of financial management pursuant to chapter 43.88 RCW nor requests by the office of financial management to the legislature for appropriations other than its own agency budget requests;

(ii) Recommendations or reports to the legislature in response to a legislative request expressly requesting or directing a specific study, recommendation, or report by an agency on a particular subject;

(iii) Official reports including recommendations submitted to the legislature on an annual or biennial basis by a state agency as required by law;

(iv) Requests, recommendations, or other communication between or within state agencies or between or within local agencies;

(v) Any other lobbying to the extent that it includes:

(A) Telephone conversations or preparation of written correspondence;

(B) In-person lobbying on behalf of an agency of no more than four days or parts thereof during any three-month period by officers or employees of that agency and in-person lobbying by any elected official of such agency on behalf of such agency or in connection with the powers, duties, or compensation of such official. The total

expenditures of nonpublic funds made in connection with such lobbying for or on behalf of any one or more members of the legislature or state elected officials or public officers or employees of the state of Washington may not exceed fifteen dollars for any three-month period. The exemption under this subsection (5)(d)(v)(B) is in addition to the exemption provided in (d)(v)(A) of this subsection;

(C) Preparation or adoption of policy positions.

The statements shall be in the form and the manner prescribed by the commission and shall be filed within one month after the end of the quarter covered by the report.

(6) In lieu of reporting under subsection (5) of this section, any county, city, town, municipal corporation, quasi municipal corporation, or special purpose district may determine and so notify the public disclosure commission that elected officials, officers, or employees who, on behalf of any such local agency, engage in lobbying reportable under subsection (5) of this section shall register and report such reportable lobbying in the same manner as a lobbyist who is required to register and report under RCW 42.17A.600 (as recodified by this act) and 42.17A.615 (as recodified by this act). Each such local agency shall report as a lobbyist employer pursuant to RCW 42.17A.630 (as recodified by this act).

(7) The provisions of this section do not relieve any elected official or officer or employee of an agency from complying with other provisions of this ~~(chapter)~~ title, if such elected official, officer, or employee is not otherwise exempted.

(8) The purpose of this section is to require each state agency and certain local agencies to report the identities of those persons who lobby on behalf of the agency for compensation, together with certain separately identifiable and measurable expenditures of an agency's funds for that purpose. This section shall be reasonably construed to accomplish that purpose and not to require any agency to report any of its general overhead cost or any other costs that relate only indirectly or incidentally to lobbying or that are equally attributable to or inseparable from nonlobbying activities of the agency.

The public disclosure commission may adopt rules clarifying and implementing this legislative interpretation and policy.

**Sec. 482.** RCW 42.17A.640 and 2023 c 413 s 1 are each amended to read as follows:

Any action to void an election shall be commenced within one year of the date of the election in question. It is intended that this remedy be imposed freely in all appropriate cases to protect the right of the electorate to an informed and knowledgeable vote.

(b) If any lobbyist or sponsor of any grass roots lobbying campaign violates any of the provisions of this ~~((chapter))~~ title, the lobbyist's or sponsor's registration may be revoked or suspended and the lobbyist or sponsor may be enjoined from receiving compensation or making expenditures for lobbying. (c) A person who violates any of the provisions of this ~~((chapter))~~ title may be subject to a civil penalty of not more than ten thousand dollars for each violation. However, a person or entity who violates RCW 42.17A.405 (as recodified by this act) may be subject to a civil penalty of ten thousand dollars or three times the amount

(ii) The impact on the public, including whether the noncompliance deprived the public of timely or accurate information during a time-sensitive period or otherwise had a significant or material impact on the public;

(iii) Experience with campaign finance law and procedures or the financing, staffing, or size of the respondent's campaign or organization;

(iv) The amount of financial activity by the respondent during the statement period or election cycle;

(v) Whether the late or unreported activity was within three times the contribution limit per election, including in proportion to the total amount of expenditures by the respondent in the campaign or statement period;

(vi) Whether the respondent or any person benefited politically or economically from the noncompliance;

(vii) Whether there was a personal emergency or illness of the respondent or member of the respondent's immediate family;

(viii) Whether other emergencies such as fire, flood, or utility failure prevented filing;

(ix) Whether there was commission staff or equipment error, including technical problems at the commission that prevented or delayed electronic filing;

(x) The respondent's demonstrated good-faith uncertainty concerning commission staff guidance or instructions;

(xi) Whether the respondent is a first-time filer;

(xii) Good faith efforts to comply, including consultation with commission staff prior to initiation of enforcement action and cooperation with commission staff during enforcement action and a demonstrated wish to acknowledge and take responsibility for the violation;

(xiii) Penalties imposed in factually similar cases; and

(xiv) Other factors relevant to the particular case.

(e) A person who fails to file a properly completed statement or report within the time required by this ((chapter))title may be subject to a civil penalty of ten dollars per day for each day each delinquency continues.

(f) Each state agency director who knowingly fails to file statements required by RCW 42.17A.635 (as recodified by this act) shall be subject to personal liability

in the form of a civil penalty in the amount of one hundred dollars per statement. These penalties are in addition to any other civil remedies or sanctions imposed on the agency.

(g) A person who fails to report a contribution or expenditure as required by this ((chapter))title may be subject to a civil penalty equivalent to the amount not reported as required.

(h) Any state agency official, officer, or employee who is responsible for or knowingly directs or expends public funds in violation of RCW 42.17A.635 (2) or (3) (as recodified by this act) may be subject to personal liability in the form of a civil penalty in an amount that is at least equivalent to the amount of public funds expended in the violation.

(i) The court may enjoin any person to prevent the doing of any act herein prohibited, or to compel the performance of any act required herein.

(2) The commission may refer the following violations for criminal prosecution:

(a) A person who, with actual malice, violates a provision of this ((chapter))title is guilty of a misdemeanor under chapter 9.92 RCW;

(b) A person who, within a five-year period, with actual malice, violates three or more provisions of this ((chapter))title is guilty of a gross misdemeanor under chapter 9.92 RCW; and

(c) A person who, with actual malice, procures or offers any false or forged document to be filed, registered, or recorded with the commission under this ((chapter))title is guilty of a class C felony under chapter 9.94A RCW.

**Sec. 491.** RCW 42.17A.755 and 2019 c 428 s 38 are each amended to read as follows:

(1) The commission may initiate or respond to a complaint, request a technical correction, or otherwise resolve matters of compliance with this ((chapter))title, in accordance with this section. If a complaint is filed with or initiated by the commission, the commission must:

(a) Dismiss the complaint or otherwise resolve the matter in accordance with subsection (2) of this section, as appropriate under the circumstances after conducting a preliminary review;

(b) Initiate an investigation to determine whether a violation has occurred, conduct hearings, and issue and enforce an appropriate order, in accordance with chapter 34.05 RCW and subsection (3) of this section; or

(c) Refer the matter to the attorney general, in accordance with subsection (4) of this section.

(2)(a) For complaints of remediable violations or requests for technical corrections, the commission may, by rule, delegate authority to its executive director to resolve these matters in accordance with subsection (1)(a) of this section, provided the executive director consistently applies such authority.

(b) The commission shall, by rule, develop additional processes by which a

respondent may agree by stipulation to any allegations and pay a penalty subject to a schedule of violations and penalties, unless waived by the commission as provided for in this section. Any stipulation must be referred to the commission for review. If approved or modified by the commission, agreed to by the parties, and the respondent complies with all requirements set forth in the stipulation, the matter is then considered resolved and no further action or review is allowed.

(3) If the commission initiates an investigation, an initial hearing must be held within ~~((ninety))~~ 90 days of the complaint being filed. Following an investigation, in cases where it chooses to determine whether a violation has occurred, the commission shall hold a hearing pursuant to the administrative procedure act, chapter 34.05 RCW. Any order that the commission issues under this section shall be pursuant to such a hearing.

(a) The person against whom an order is directed under this section shall be designated as the respondent. The order may require the respondent to cease and desist from the activity that constitutes a violation and in addition, or alternatively, may impose one or more of the remedies provided in RCW 42.17A.750(1) (b) through (h) (as recodified by this act), or other requirements as the commission determines appropriate to effectuate the purposes of this ~~((chapter))~~ title.

(b) The commission may assess a penalty in an amount not to exceed ten thousand dollars per violation, unless the parties stipulate otherwise. Any order that the commission issues under this section that imposes a financial penalty must be made pursuant to a hearing, held in accordance with the administrative procedure act, chapter 34.05 RCW.

(c) The commission has the authority to waive a penalty for a first-time violation. A second violation of the same requirement by the same person, regardless if the person or individual committed the violation for a different political committee or incidental committee, shall result in a penalty. Successive violations of the same requirement shall result in successively increased penalties. The commission may suspend any portion of an assessed penalty contingent on future compliance with this ~~((chapter))~~ title. The commission must create a schedule to enhance penalties based on repeat violations by the person.

(d) Any order issued by the commission is subject to judicial review under the administrative procedure act, chapter 34.05 RCW. If the commission's order is not satisfied and no petition for review is filed within ~~((thirty))~~ 30 days, the commission may petition a court of competent jurisdiction of any county in which a petition for review could be filed under that jurisdiction, for an order of enforcement. Proceedings in connection with the commission's petition shall be in accordance with RCW 42.17A.760 (as recodified by this act).

(4) In lieu of holding a hearing or issuing an order under this section, the commission may refer the matter to the

attorney general consistent with this section, when the commission believes:

(a) Additional authority is needed to ensure full compliance with this ~~((chapter))~~ title;

(b) An apparent violation potentially warrants a penalty greater than the commission's penalty authority; or

(c) The maximum penalty the commission is able to levy is not enough to address the severity of the violation.

(5) Prior to filing a citizen's action under RCW 42.17A.775 (as recodified by this act), a person who has filed a complaint pursuant to this section must provide written notice to the attorney general if the commission does not, within 90 ~~((ninety))~~ days of the complaint being filed with the commission, take action pursuant to subsection (1) of this section. A person must simultaneously provide a copy of the written notice to the commission.

**Sec. 492.** RCW 42.17A.760 and 2010 c 204 s 1003 are each amended to read as follows:

The following procedure shall apply in all cases where the commission has petitioned a court of competent jurisdiction for enforcement of any order it has issued pursuant to this ~~((chapter))~~ title:

(1) A copy of the petition shall be served by certified mail directed to the respondent at his or her last known address. The court shall issue an order directing the respondent to appear at a time designated in the order, not less than five days from the date thereof, and show cause why the commission's order should not be enforced according to its terms.

(2) The commission's order shall be enforced by the court if the respondent does not appear, or if the respondent appears and the court finds, pursuant to a hearing held for that purpose:

(a) That the commission's order is unsatisfied;

(b) That the order is regular on its face; and

(c) That the respondent's answer discloses no valid reason why the commission's order should not be enforced or that the respondent had an appropriate remedy by review under RCW 34.05.570(3) and failed to avail himself or herself of that remedy without valid excuse.

(3) Upon appropriate application by the respondent, the court may, after hearing and for good cause, alter, amend, revise, suspend, or postpone all or part of the commission's order. In any case where the order is not enforced by the court according to its terms, the reasons for the court's actions shall be clearly stated in writing, and the action shall be subject to review by the appellate courts by certiorari or other appropriate proceeding.

(4) The court's order of enforcement, when entered, shall have the same force and effect as a civil judgment.

(5) Notwithstanding RCW 34.05.578 through 34.05.590, this section is the exclusive method for enforcing an order of the commission.

**Sec. 493.** RCW 42.17A.765 and 2019 c 428 s 39 are each amended to read as follows:

(1)(a) The attorney general may bring civil actions in the name of the state for any appropriate civil remedy, including but not limited to the special remedies provided in RCW 42.17A.750 (as recodified by this act) upon:

(i) Referral by the commission pursuant to RCW 42.17A.755(4) (as recodified by this act);

(ii) Receipt of a notice provided in accordance with RCW 42.17A.755(5) (as recodified by this act); or

The secretary shall establish policies and procedures for conducting the selection by lot. The policies and procedures shall include, but not be limited to, those for notifying persons selected and for providing a new selection from a congressional district if a person selected from the district declines appointment to the commission or if, following the person's appointment, the person's position on the commission becomes vacant before the end of the person's term of office.

(2) Seven commission members, all residents of this state, shall be selected jointly by the speaker of the house of representatives and the president of the senate. The unexcused absence of any person who is a member of the commission from two consecutive meetings of the commission shall constitute the relinquishment of that person's membership on the commission. Such a relinquishment creates a vacancy in that person's position on the commission. A member's absence may be excused by the chair of the commission upon the member's written request if the chair believes there is just cause for the absence. Such a request must be received by the chair before the meeting for which the absence is to be excused. dollars))\$90 for each day or portion of a day spent in actual attendance at official meetings of the district commission, or in performance of other official services or duties on behalf of the district. However, the compensation for each commissioner must not exceed ((eight thousand six hundred forty dollars))\$8,640 per year.

(2) Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the clerk of the board. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver must specify the month or period of months for which it is made. The board must fix the compensation to be paid the secretary and other employees of the district. Cemetery district commissioners and candidates for cemetery district commissioner are exempt from the requirements of ((chapter 42.17A))Title 29B RCW.

(3) The initial cemetery district commissioners must assume office immediately upon their election and qualification. Staggering of terms of office must be accomplished as follows: (a) The person elected receiving the greatest number of votes is elected to a six-year term of office if the election is held in an odd-numbered year or a five-year term of office if the election is held in an even-numbered year; (b) the person who is elected receiving the next greatest number of votes is elected to a four-year term of office if the election is held in an odd-numbered year or a three-year term of office if the election is held in an even-numbered year; and (c) the other person who is elected is elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year. (4) Thereafter, commissioners are elected to six-year terms of office. Commissioners must serve until their successors are elected and qualified and assume office as provided in RCW 29A.60.280.

(5) The dollar thresholds established in this section must be adjusted for inflation by the office of financial management every five years, beginning January 1, 2024, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items must be used for the adjustments for inflation in this section.

The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

(6) A person holding office as commissioner for two or more special purpose districts may receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. E2SSB 5908 Prime Sponsor, Ways & Means: Providing extended foster care services to youth ages 18 to 21. Reported by Committee on Human Services, Youth, & Early Learning

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature recognizes that the extended foster care program strives to help hundreds of young Washingtonians in foster care prepare for adulthood and to prevent them from experiencing homelessness.

The legislature finds that extended foster care can reduce homelessness, receipt of public assistance, use of medical emergency departments, diagnosis of substance abuse and treatment, criminal convictions, and involvement of children in the child welfare system. An analysis from the department of social and health services found that, at age 18, 41 percent of youth exiting the foster care system experienced homelessness or housing instability compared to 23 percent of youth in extended foster care.

The legislature finds that the Washington state institute for public policy's benefit-cost analysis found that the extended foster care program produces \$3.95 of lifetime benefits for each \$1 invested. Furthermore, of the total benefits, 40 percent represents savings and revenue that would accrue to state, local, and federal governments.

However, the legislature recognizes that young people in foster care still experience barriers to accessing the program: In 2022, 27 percent of young people leaving foster care did not participate in extended foster care. The legislature intends to improve outcomes for youth in the foster care system by improving access to the foster care program.

Therefore, the legislature resolves to reduce barriers that young people currently experience when seeking to participate in extended foster care and to make the transition from foster care to extended foster care as seamless as possible, such that all dependent youth are aware of the program when they turn 18 and all youth who want to participate are able to participate.

**Sec. 2.** RCW 13.34.030 and 2021 c 304 s 1 and 2021 c 67 s 2 are each reenacted and amended to read as follows:

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" mean:

(a) Any individual under the age of eighteen years; or

(b) Any individual age ((~~eighteen~~))18 to ((~~twenty-one~~))21 years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. A youth who remains

dependent and who receives extended foster care services under RCW 74.13.031 shall not be considered a "child" under any other statute or for any other purpose.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.

(12) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(13) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent.
