36.21.011 Assessor may appoint deputies and engage expert appraisers—Employment and classification plans for appraisers. Any assessor who deems it necessary to enable him to complete the listing and the valuation of the property of his county within the time prescribed by law, (1) may appoint one or more well qualified persons to act as his assistants or deputies who shall not engage in the private practice of appraising within the county in which he is employed without the written permission of the county assessor filed with the county auditor; and each such assistant or deputy so appointed shall, under the direction of the assessor, after taking the required oath, perform all the duties enjoined upon, vested in or imposed upon assessors, and (2) may contract with any persons, firms or corporations, who are expert appraisers, to assist in the valuation of property.

To assist each assessor in obtaining adequate and well qualified assistants or deputies, the state department of personnel, after consultation with the Washington state association of county assessors, the Washington state association of counties, and the department of revenue, shall establish by July 1, 1967, and shall thereafter maintain, a classification and salary plan for those employees of an assessor who act as appraisers. The plan shall recommend the salary range and employment qualifications for each position encompassed by it, and shall, to the fullest extent practicable, conform to the classification plan, salary schedules and employment qualifications for state employees performing similar appraisal functions.

If an assessor intends to put such plan into effect in his county, he shall inform the department of revenue and the board of county commissioners of this intent in writing. The department of revenue and the board may thereupon each designate a representative, and such representative or representatives as may be designated by the department of revenue or the board, or both, shall form with the assessor a committee. The committee so formed may, by unanimous vote only, determine the required number of certified appraiser positions and their salaries necessary to enable the county assessor to carry out the requirements relating to revaluation of property in chapter 84.41 RCW. The determination of the committee shall be certified to the board of county commissioners. The committee provided for herein may be formed only once in a period of four calendar years.

After such determination, the assessor may provide, in each of his four next succeeding annual budget estimates, for as many positions as are established in such determination. Each board of county commissioners to which such a budget estimate is submitted shall allow sufficient funds for such positions. An employee may be appointed to a position covered by the plan only if the employee meets the employment qualifications established by the plan. A person passing said examination shall be certified accordingly by the director of the department of personnel: *Provided, however,* That this section shall not apply to any person who shall have either:

The county assessor, in making up his assessment roll for the county, shall place the property within the limits of any such city subject to taxation therein in as compact a form as practicable on the roll, so that the city taxes may be extended in the same manner as state and county taxes are extended, and that portion of said assessment roll embracing persons and property subject to taxation in such city shall constitute also the assessment roll of such city of the first class for the levy and collection of the taxes thereof.

(b) The governing bodies, including any combination or mixture of more than one board of county commissioners, county council, or otherwise denominated governing body of a county, of any two or more contiguous counties electing to participate jointly in the support of any intercounty public defender.

(2) "District" or "public defender district" means any one or more entire counties electing to employ a public defender; and no county shall be divided in the creation of any public defender district. [1969 c 94 § 1.]

36.26.020 Public defender district—Creation—Office of public defender. The board of county commissioners of any single county or of any two or more territorially contiguous counties or acting in cooperation with the governing authority of any city located within the county or counties may, by resolution or by ordinance, or by concurrent resolutions or concurrent ordinances, constitute such county or counties or counties and cities as a public defender district, and may establish an office of public defender for such district. [1969 c 94 § 2.]

36.26.030 Selection committee. The board of county commissioners of every county electing to become or to join in a public defender district shall appoint a selection committee for the purpose of selecting a full or part time

public defender for the public defender district. Such selection committee shall consist of one member of each board of county commissioners, one member of the superior court from each county, and one practicing attorney from each county within the district. [1969 c 94 § 3.]

36.26.040 Public defender—Qualifications—Term. Every public defender and every assistant public defender must be a qualified attorney licensed to practice law in this state; and the term of the public defender shall coincide with the elected term of the prosecuting attorney. [1969 c 94 § 4.]

The boards of county commissioners of counties and the governing authority of any city participating jointly in a public defender district are authorized to provide for the sharing of the costs of the district by mutual agreement, for any costs which cannot be specifically apportioned to any particular county or city within the district.

Expenditures by the public defender shall be subject to the provisions of chapter 36.40 RCW and other statutes relating to expenditures by counties or cities. [1969 c 94 § 5.]

36.26.070 Duty to represent indigent defendants. The public defender must represent, without charge to any accused, every indigent person who is or has been arrested or charged with a crime for which court appointed counsel for indigent defendants is required either under the Constitution of the United States or under the Constitution and laws of the state of Washington:

(1) If such arrested person or accused, having been apprised of his constitutional and statutory rights to

counsel, requests the appointment of counsel to represent him; and

36.26.080 Duty to counsel, defend and prosecute appeals. Whenever the public defender represents any indigent person held in custody without commitment or charged with any criminal offense, he must (1) counsel and defend such person, and (2) prosecute any appeals and other remedies, whether before or after conviction, which he considers to be in the interests of justice. [1969 c 94 § 8.]

36.26.090 Appointment of attorney other than public defender. For good cause shown, or in any case involving a crime of widespread notoriety, the court may, upon its own motion or upon application of either the public defender or of the indigent accused, appoint an attorney other than the public defender to represent the accused at any stage of the proceedings or on appeal: *Provided*, That the public defender may represent an accused, not an indigent, in any case of public notoriety where the court may find that adequate retained counsel is not available. The court shall award, and the county in which the offense is alleged to have been committed shall pay, such attorney reasonable compensation and reimbursement for any expenses reasonably and necessarily incurred in the presentation of the accused's defense or appeal, in accordance with the provisions of RCW 10.01.110 and *10.01.112. The provisions of this chapter shall be cumulative and non-exclusive and shall not affect any other remedy, particularly in counties electing not to create the office of public defender: *Provided*, That nothing herein shall be construed to prevent the appointment of a full time or part time assigned-counsel administrator for the purpose of maintaining a centrally administered system for the assignment of counsel to represent indigent persons. [1969 c 94 § 10.]

When any forest trees are situated upon the bank of any watercourse or so close thereto as to be in danger of falling into it, the owner or occupant of any of the premises shall be notified to remove them forthwith. Whenever a member of the board of county commissioners of any county has a claim for compensation for per diem and expenses for attendance upon any special session of the board or a claim for compensation for extra services or expenses incurred as such commissioners, including services performed as road commissioner, the claim shall be verified by him and after being approved by a majority of the board of county commissioners of the county shall be filed with the clerk of the superior court and be approved by a judge of the superior court of such county or any superior court judge holding court in such county. The judge may make such investigation as he deems necessary to determine the correctness of the claim and may, after such investigation, approve or reject any part of such claim. If the judge so approve the claim or any part thereof the same shall be certified by the clerk under the seal of his office and be returned to the county auditor who shall draw a warrant therefor. The court shall not be required oftener than once in each month to pass upon such claims and it may fix a time in each month by general order filed with the clerk of the board of county commissioners on or before which such claims must be filed with the clerk of the court. 36.34.010 Authority to sell—May sell timber, minerals separately—Mineral reservation. Whenever it appears to the board of county commissioners that it is for the best interests of the county and the taxing districts and the people thereof that any part or parcel, or portion of such part or parcel, of property, whether real, personal, or mixed, belonging to the county, including tax title land, should be sold, the board shall sell and convey such property, under the limitations and restrictions and in the manner hereinafter provided.

In making such sales the board of county commissioners may sell any timber, mineral, or other resources on any land owned by the county separate and apart from the land in the same manner and upon the same terms and conditions as provided in this chapter for the sale of real property.

The board of county commissioners may reserve mineral rights in such land and, if such reservation is made, any conveyance of the land shall contain the following reservation:

"The party of the first part hereby expressly saves, excepts, and reserves out of the grant hereby made, unto itself, its successors, and assigns, forever, all oils, gases, coals, ores, minerals, gravel, timber, and fossils of every name, kind, or description, and which may be in or upon said lands above described; or any part thereof, and the right to explore the same for such oils, gases, coals, ores, minerals, gravel, timber and fossils; and it also hereby expressly saves and reserves out of the grant hereby made, unto itself, its successors, and assigns, forever, the right to enter by itself, its agents, attorneys, and servants upon said lands, or any part or parts thereof, at any and all times, for the purpose of opening, developing, and working mines thereon, and taking out and removing therefrom all such oils, gases, coal, ores, minerals, gravel, timber, and fossils, and to that end it further expressly reserves out of the grant hereby made, unto itself, its successors, and assigns, forever, the right by it or its agents, servants, and attorneys at any and all times to erect, construct, maintain, and use all such buildings, machinery, roads and railroads, sink such shafts, remove such oil, and to remain on said lands or any part thereof, for the business of mining and to occupy as much of said lands as may be necessary or convenient for the successful prosecution of such mining business, hereby expressly reserving to itself, its successors, and assigns, as aforesaid, generally, all rights and powers in, to, and over said land, whether herein expressed or not, reasonably necessary or convenient to render beneficial and efficient the complete enjoyment of the property and the rights hereby expressly reserved."

No rights shall be exercised under the foregoing reservation until provision has been made to pay to the owner of the land upon which the rights reserved are sought to be exercised, full payment for all damages sustained by reason of entering upon the land: *Provided*,

That if the owner for any cause refuses or neglects to settle the damages, the county, its successors, or assigns, or any applicant for a lease or contract from the county for the purpose of prospecting for or mining valuable minerals, or operation contract, or lease, for mining coal, or lease for extracting petroleum or natural gas, shall have the right to institute such legal proceedings in the superior court of the county wherein the land is situated, as may be necessary to determine the damages which the owner of the land may suffer. Any of the reserved minerals or other resources not exceeding two hundred dollars in value may be sold, when the board deems it advisable, either with or without publication of notice of sale, and in such manner as the board may determine will be most beneficial to the county. [1967 ex.s. c 144 § 1; 1963 c 4 § 36.34.020. Prior: 1945 c 254 § 1; Rem. Supp. 1945 § 4014-1; prior: 1891 c 76 § 2, part; RRS § 4008, part.]

Any bidder on the new equipment may include in his offer to sell, an offer to accept the used equipment as a part payment of the new equipment purchase price, setting forth the amount of such allowance.

In determining the lowest and best bid on the new equipment the board shall consider the net cost to the county of such new equipment after trade-in allowances have been deducted. The board may accept the new equipment bid of any bidder without trading in the used equipment but may not require any such bidder to purchase the used equipment without awarding the bidder the new equipment contract. Nothing in this section shall bar anyone from making an offer for the purchase of the used equipment independent of a bid on the new equipment and the board shall consider such offers in relation to the trade-in allowances offered to determine the net best sale and purchase combination for the county. Supp. 1945 § 4014-10; prior: (i) 1915 c 8 § 1, part; 1891 c 76 § 5, part; RRS § 4011, part. (ii) 1891 c 76 § 6, part; RRS § 4013, part.]

36.34.130 Intergovernmental sales. The board of county commissioners may dispose of county property to another governmental agency and may acquire property for the county from another governmental agency by means of private negotiation upon such terms as may be agreed upon and for such consideration as may be deemed by the board of county commissioners to be adequate. [1963 c 4 § 36.34.130. Prior: 1945 c 254 § 12; Rem. Supp. 1945 § 4014-12.]

36.34.140 Leases of county property—Airports. The board of county commissioners, if it appears that it is for the best interests of the county and the people thereof, that any county real property and its appurtenances should be leased for a year or a term of years, may lease such property under the limitations and restrictions and in the manner provided in this chapter, and, if it appears that it is for the best interests of the county and the people thereof, that any county real property and its appurtenances which is now being, or is to be devoted to airport or aeronautical purposes or purposes incidental thereto, should be leased for a year or a

term of years, said board of county commissioners may lease such property under the limitations and restrictions and in the manner provided in this chapter, and said board of county commissioners shall have power to lease such county real property and its appurtenances whether such property was heretofore or hereafter acquired or whether heretofore or hereafter acquired by tax deed under tax foreclosure proceedings for nonpayment of taxes or whether held or acquired in any other manner. 36.34.145 Leases in class A counties to nonprofit corporations for agricultural fairs. The board of county commissioners of any class A county owning property in or outside the limits of any city or town, or anywhere within the county, which is suitable for agricultural fair purposes may by negotiation lease such property for such purposes for a term not to exceed seventy-five years to any nonprofit organization that has demonstrated its qualification to conduct agricultural fairs. Such agricultural fair leases shall not be subject to any requirement of periodic rental adjustments, as provided in RCW 36.34.180, but shall provide for such fixed annual rental as shall appear reasonable, considering the benefit to be derived by the county in the promotion of the fair and in the improvement of the property. The lessee may utilize or rent out such property at times other than during the fair season for nonfair purposes in order to obtain income for fair purposes, and during the fair season may sublease portions of the property for purposes and activities associated with such fair. No sublease shall be valid unless the same shall be approved in writing by the board of county commissioners: *Provided*, That failure of such lessee, except by act of God, war or other emergency beyond its control, to conduct an annual agricultural fair or exhibition, shall cause said lease to be subject to cancellation by the board of county commissioners. [1963 c 4 § 36.34.145. Prior: 1957 c 134 § 1.]

36.34.150 Application to lease—Deposit. Any person desiring to lease county lands shall make application in writing to the board of county commissioners. Each application shall be accompanied by a deposit of not less than ten dollars or such other sum as the county commissioners may require, not to exceed twenty-five dollars. The deposit shall be in the form of a certified check or certificate of deposit on some bank in the county, or may be paid in cash. In case the lands applied for are leased at the time they are offered, the deposit shall be returned to the applicant, but if the party making application fails or refuses to comply with the terms of his application and to execute the lease, the deposit shall be forfeited to the county, and the board of county commissioners shall pay the deposit over to the county treasurer, who shall place it to the credit of the current

expense fund. [1963 c 4 § 36.34.150. Prior: 1901 c 87 § 2; RRS § 4020.]

36.34.160 Notice of intention to lease. When, in the judgment of the board of county commissioners, it is found desirable to lease the land applied for, it shall first give notice of its intention to make such lease by publishing a notice in a legal newspaper at least once a week for the term of three weeks, and shall also post a notice of such intention in a conspicuous place in the courthouse for the same length of time. The notice so published and posted shall designate and describe the property which is proposed to be leased, together with the improvements thereon and appurtenances thereto, and shall contain a notice that the board of county commissioners will meet at the county courthouse on a day and at an hour designated in the notice, for the purpose of leasing the property which day and hour shall be at a time not more than a week after the expiration of the time required for the publication of the notice. [1963 c 4 § 36.34.160. Prior: 1901 c 87 § 3; RRS § 4021.]

36.34.170 Objections to leasing. Any person may appear at the meeting of the county commissioners or any adjourned meeting thereof, and make objection to the leasing of the property, which objection shall be stated in writing. In passing upon objections the board of county commissioners shall, in writing, briefly give its reasons for accepting or rejecting the same, and such objections, and the reasons for accepting or refusing the application, shall be published by the board in the next subsequent weekly issue of the newspaper in which the notice of hearing was published. [1963 c 4 § 36.34.170. Prior: 1901 c 87 § 5; RRS § 4023.]

36.34.180 Lease terms. At the day and hour designated in the notice or at any subsequent time to which the meeting may be adjourned by the board of county commissioners, but not more than thirty days after the day and hour designated for the meeting in the published notice, the board may lease the property in such notice described for a term of years and upon such terms and conditions as to the board may seem just and right in the premises. No lease shall be for a longer term in any one instance than ten years, and no renewal of a lease once executed and delivered shall be had, except by a re-leasing and re-letting of the property according to the terms and conditions of this chapter: *Provided*, That if a county owns property within or outside the corporate limits of any city or town or anywhere in the county suitable for municipal purposes, or for commercial buildings, or owns property suitable for manufacturing or industrial purposes or sites, or for military purposes, or for temporary or emergency housing, or for any requirement incidental to manufacturing, commercial, agricultural, housing, military, or governmental purposes, the board of county commissioners may lease it for such purposes for any period not to exceed thirty-five years: *Provided further*, Where the property involved is or is to be devoted to airport purposes and construction work or the installation of new facilities is contemplated, the board may lease said property for such period as may

equal the estimated useful life of such work or facilities but not to exceed seventy-five years.

If property is leased for municipal purposes or for commercial buildings or manufacturing or industrial purposes the lessee shall prior to the execution of the lease file with the board of county commissioners general plans and specifications of the building or buildings to be erected thereon for such purposes. All leases when executed shall provide that they shall be canceled by failure of the lessee to construct such building or buildings or other improvements for such purposes within three years from date of the lease, and in case of failure so to do the lease and all improvements thereon including the rentals paid, shall thereby be forfeited to the county unless otherwise stipulated. No change or modification of the plans shall be made unless first approved by the board of county commissioners. If at any time during the life of the lease the lessee fails to use the property for the purposes leased, without first obtaining permission in writing from the board of county commissioners so to do, the lease shall be forfeited.

Any lease made for a longer period than ten years shall contain provisions requiring the lessee to permit the rentals for every five year period thereafter, or part thereof, at the commencement of such period, to be re-adjusted and fixed by the board of county commissioners. In the event that the lessee and the board cannot agree upon the rentals for said five year period, the lessee shall submit to have the disputed rentals for the subsequent period adjusted by arbitration. The lessee shall pick one arbitrator and the board one, and the two so chosen shall select a third. No board of arbitrators shall reduce the rentals below the sum fixed or agreed upon for the last preceding period. All buildings, factories, or other improvements made upon property leased shall belong to and become property of such county, unless otherwise stipulated, at the expiration of the lease.

No lease shall be assigned without the assignment being first authorized by resolution of the board of county commissioners and the consent in writing of at least two members of the board endorsed on the lease. All leases when drawn shall contain this provision.

This section shall not be construed to limit the power of the board of county commissioners to sell, lease, or by gift convey any property of the county to the United States or any of its governmental agencies to be used for federal government purposes. [1963 c 4 § 36.34.180. Prior: 1951 c 41 § 1; 1941 c 110 § 2; 1913 c 162 § 1; 1903 c 57 § 1; 1901 c 87 § 4; RRS § 4022.]

Upon the decision of the board of county commissioners to lease the lands applied for, a lease shall be executed in duplicate to the lessee by the chairman of the board and the county auditor, attested by his seal of office, which lease shall also be signed by the lessee. The lease shall refer to

the order of the board directing the lease, with a description of the lands conveyed, the periods of payment, and the amounts to be paid for each period. [1963 c 4 § 36.34.200. Prior: 1901 c 87 § 7; RRS § 4025.]

36.34.210 Forest lands may be conveyed to United States. The board of county commissioners of any county which acquires any lands through foreclosure of tax liens or otherwise, which by reason of their location, topography, or geological formation are chiefly valuable for the purpose of developing and growing timber, and which are situated within the boundaries of any national forest, may, upon application by the proper forest service official of the United States government, convey such lands to the United States government for national forest purposes under the national forest land exchange regulations, for such compensation as may be deemed equitable. This property may be conveyed or leased by deed or other instrument of conveyance or lease without notice and upon such consideration, if any, as shall be determined by the board and the deed or lease may be signed by the county treasurer when authorized to do so by resolution of the board. Any deed issued heretofore by any county to the United States under authority of section 1, chapter 46, Laws of 1937 and the amendments thereto, is ratified and approved and declared to be valid. [1963 c 4 § 36.34.240. Prior: 1937 c 46 § 3; RRS § 4015-8.]

36.35.010 Purpose—Powers of county legislative authority as to tax title lands. The purpose of this chapter is to increase the power of county legislative authorities over tax title lands. The legislative authority of each county shall have the power to devote tax title lands to public use under its own control or the control of other governmental or quasi-governmental agencies, to exchange such lands for lands worth at least ninety percent of the value of the land exchanged, and to manage such lands to produce maximum revenue therefrom in the manner which derives the most income from such lands. The further purpose of this chapter is to relieve the courts of the obligation of supervising the county legislative authorities in the management and disposition of tax title lands. [1972 ex.s. c 150 § 1.]

36.35.020 "Tax title lands" defined. The term "tax title lands" as used in this chapter shall mean any tract of land acquired by the county for lack of other bidders at a tax foreclosure sale. [1972 ex.s. c 150 § 2.]

36.35.030 Conveyance—Use of proceeds. [1972 ex.s. c 150 § 4.]

36.35.040 Authority to manage, improve lands—Use of proceeds from rental. The legislative authority of a county shall have authority to manage tax title lands acquired by it and to make improvements thereon which the legislative authority deems will enhance the value of

such lands, or enhance the amount of income to be derived therefrom. Any proceeds received from the rental of such lands by the legislative authority shall first be used to reimburse the legislative authority for costs of management and costs of rental, and costs of any improvements to such lands paid for by the county and after such reimbursements have been made the balance shall be distributed in the same manner as general taxes collected in the year in which such proceeds are received by the county. [1972 ex.s. c 150 § 5.]

36.35.050 Exchange of tax title lands with other entities—Appraisal. The legislative authority of a county shall have authority to exchange parcels of tax title lands for lands of substantially the same market value with other governmental or municipal agencies or private parties or corporations by private negotiation and such lands received by the county in exchange may be held and managed in the same manner as the lands conveyed in exchange by the county, and the proceeds from any subsequent sales or rentals of such land by the county shall be applied and distributed in the same manner as would have been done had such proceeds and income been received by the county for the lands conveyed in exchange by the county: *Provided*, That before any such exchange is made the lands to be exchanged by the county and the lands to be received by the county shall be appraised by two appraisers appointed by the court for such purpose: *Provided further*, That both appraisers agree that the land to be received by the county in such exchange is worth at least ninety percent of the value of the land to be given by the county in such exchange. [1972 ex.s. c 150 § 6.]

36.35.060 Lease—Approval of terms by school directors. The legislative authority of a county shall have authority to lease tax title lands to public or private agencies or persons. The procedures and regulations of RCW 36.34.150 through 36.34.200 shall be followed: *Provided*, That before any such lease agreement is executed the terms of the lease are approved by resolution of the board of directors of the school district which would be entitled to share in the proceeds of the income received therefrom at the time the lease is executed. [1972 ex.s. c 150 § 7.]

36.35.070 Chapter as alternative. The provisions of this chapter shall be deemed as alternatives to, and not be limited by, the provisions of RCW 39.33.010, 36.34.130, and 84.64.310, nor shall the authority granted in this chapter be held to be subjected to or qualified by the terms of such statutory provisions. [1972 ex.s. c 150 § 8.]

36.35.080 Forest board lands not affected. Nothing in this chapter shall affect any land deeded in trust to the state forest board or its successors pursuant to the provisions of Title 76 RCW. [1972 ex.s. c 150 § 9.]

36.35.090 Chapter not affected by other acts. Notwithstanding any provision of law to the contrary, or provisions of law limiting the authority granted in this

chapter, the legislative authority of any county shall have the authority to manage and exchange tax title lands heretofore or hereafter acquired in the manner and on the terms and conditions set forth in this chapter. [1972 ex.s. c 150 § 3.]

36.57A.011 Municipality defined. See RCW 35.58.272.

36.57A.020 Public transportation improvement conference—Convening—Purpose—Multi-county conferences. The county legislative authority of every class A, class 1, class 2, or class 3 county shall, and the legislative authority of every other county may, within ninety days of July 1, 1975, and as often thereafter as it deems necessary, and upon thirty days prior written notice addressed to the legislative body of each city within the county and with thirty days public notice, convene a public transportation improvement conference to be attended by an elected representative selected by the legislative body of each city, within such county, and by the county commissioners. Such conference shall be for the purpose of evaluating the need for and the desirability of

the creation of a public transportation benefit area within certain incorporated and unincorporated portions of the county to provide public transportation services within such area. In those counties where county officials believe the need for public transportation service extends across county boundaries so as to provide public transportation service in a metropolitan area, the county legislative bodies of two or more neighboring counties may elect to convene a multi-county conference. In addition, county-wide conferences may be convened by resolution of the legislative bodies of two or more cities within the county, not to exceed one in any twelve month period, or a petition signed by at least ten percent of the registered voters in the last general election of the city, county or city/county areas of a proposed benefit area. The chairman of the conference shall be elected from the members at large. [1975 1st ex.s. c 270 § 12.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.030 Establishment or change in boundaries of public transportation benefit area—Hearing—Notice—Procedure—Authority of county to terminate public transportation benefit area. Any conference which finds it desirable to establish a public transportation benefit area or change the boundaries of any existing public transportation benefit area shall fix a date for a public hearing thereon, or the legislative bodies of any two or more component cities or the county legislative body by resolution may require the public transportation improvement conference to fix a date for a public hearing thereon. Prior to the convening of the public hearing, the county governing body shall delineate the area of the county proposed to be included within the transportation benefit area, and shall furnish a copy of such delineation to each incorporated city within such area. Each city shall advise the county governing body, on a preliminary basis, of its desire to be included or excluded from the transportation benefit area. The county governing body shall cause the delineations to be revised to reflect the wishes of such incorporated cities. This delineation shall be considered by the conference at the public hearing for inclusion in the public transportation benefit area.

Notice of such hearing shall be published once a week for at least four consecutive weeks in one or more newspapers of general circulation within the area. The notice shall contain a description and map of the boundaries of the proposed public transportation benefit area and shall state the time and place of the hearing and the fact that any changes in the boundaries of the public transportation benefit area will be considered at such time and place. At such hearing or any continuation thereof, any interested person may appear and be heard on all matters relating to the effect of the formation of the proposed public transportation benefit area.

The conference may make such changes in the boundaries of the public transportation benefit area as they shall deem reasonable and proper, but may not delete any portion of the proposed area which will create an island of included or excluded lands, and may not delete a portion of any city. If the conference shall determine that any additional territory should be included

in the public transportation benefit area, a second hearing shall be held and notice given in the same manner as for the original hearing. The conference may adjourn the hearing on the formation of a public transportation benefit area from time to time not exceeding thirty days in all.

Following the conclusion of such hearing the conference shall adopt a resolution fixing the boundaries of the proposed public transportation benefit area, declaring that the formation of the proposed public transportation benefit area will be conducive to the welfare and benefit of the persons and property therein.

Within thirty days of the adoption of such conference resolution, the county legislative authority of each county wherein a conference has established proposed boundaries of a public transportation benefit area, may by resolution, upon making a legislative finding that the proposed benefit area includes portions of the county which could not be reasonably expected to benefit from such benefit area or excludes portions of the county which could be reasonably expected to benefit from its creation, disapprove and terminate the establishment of such public transportation benefit area within such county. [1977 ex.s. c 44 § 1; 1975 1st ex.s. c 270 § 13.]

Severability—1977 ex.s. c 44: "If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1977 ex.s. c 44 § 7.]

Effective date—1977 ex.s. c 44: "This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977." [1977 ex.s. c 44 § 8.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.040 Cities to be wholly included or excluded—Boundaries—Only benefited areas to be included—One area per county. At the time of its formation no public transportation benefit area shall include only a part of any city, and every city shall be either wholly included or wholly excluded from the boundaries of such area. If subsequent to the formation of a public transportation benefit area a part only of any city shall be included within the boundaries of a public transportation benefit area such part shall be deemed to be "unincorporated" for the purpose of selecting a member of the governing authority pursuant to RCW 36.57A.060.

The boundaries of any public transportation benefit area shall follow school district lines or election precinct lines, as far as practicable. Only such areas shall be included which the conference determines could reasonably benefit from the provision of public transportation services. Only one public transportation benefit area may be created in any county. [1975 1st ex.s. c 270 § 14.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.050 Governing body—Selection, qualification, number of members—Per diem. Within sixty days of the establishment of the boundaries of the public

transportation benefit area the county commissioners and elected representatives of cities within the area shall provide for the selection of the governing body of such area, the public transportation benefit area authority, which shall consist of elected officials selected by and serving at the pleasure of the governing bodies of component cities within the area and the county commissioners of each county within the area.

Within such sixty day period, the legislative body of any city may by resolution of its legislative body withdraw from participation in the public transportation benefit area. The county legislative authority and each city remaining in the public transportation benefit area may disapprove and prevent the establishment of any governing body of a public transportation benefit area if the composition thereof does not meet its approval.

In no case shall the governing body of a single county public transportation benefit area be greater than nine members and in the case of a multicounty area, fifteen members. Those cities within the transportation benefit area and excluded from direct membership on the authority are hereby authorized to designate a member of the authority who shall be entitled to represent the interests of such city which is excluded from direct membership on the authority. The legislative body of such city shall notify the authority as to the determination of its authorized representative on the authority.

Any member of the authority who is an elected official and whose office is not a full time position may receive payment for subsistence and lodging at the rate prescribed for legislators in RCW 44.04.080 as now existing or hereafter amended for each day attending official meetings of the authority. [1977 ex.s. c 44 § 2; 1975 1st ex.s. c 270 § 15.]

Severability—Effective date—1977 ex.s. c 44: See notes following RCW 36.57A.030.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.060 Comprehensive plan—Development—Elements. The public transportation benefit area authority authorized pursuant to RCW 36.57A.050 shall develop a comprehensive transit plan for the area. Such plan shall include, but not be limited to the following elements:

(1) The levels of transit service that can be reasonably provided for various portions of the benefit area.

(2) The funding requirements, including local tax sources, state and federal funds, necessary to provide various levels of service within the area.

(3) The impact of such a transportation program on other transit systems operating within that county or adjacent counties.

(4) The future enlargement of the benefit area or the consolidation of such benefit area with other transit systems. [1975 1st ex.s. c 270 § 16.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.070 Comprehensive plan—Review—Approval or disapproval—Resubmission. The comprehensive transit plan adopted by the authority shall be

reviewed by the state transportation commission, and if such commission does not exist, by the planning and community affairs agency or its successor to determine:

(1) The completeness of service to be offered and the economic viability of the transit system proposed in such comprehensive transit plan;

(2) Whether such plan integrates the proposed transportation system with existing transportation modes and systems that serve the benefit area;

(3) Whether such plan coordinates that area's system and service with nearby public transportation systems;

(4) Whether such plan is eligible for matching state or federal funds;

After reviewing the comprehensive transit plan, the state transportation commission, and if such does not exist, the planning and community affairs agency or its successor shall have sixty days in which to approve such plan and to certify to the state treasurer that such public transportation benefit area shall be eligible to receive the motor vehicle excise tax proceeds authorized pursuant to RCW 35.58.273, as now or hereafter amended in the manner prescribed by chapter 82.44 RCW, as now or hereafter amended. To be approved a plan shall provide for coordinated transportation planning, the integration of such proposed transportation program with other transportation systems operating in areas adjacent to, or in the vicinity of the proposed public transportation benefit area, and be consistent with the public transportation coordination criteria adopted pursuant to the urban mass transportation act of 1964 as amended as of July 1, 1975. In the event such comprehensive plan is disapproved and ruled ineligible to receive motor vehicle tax proceeds, the state transportation commission, and if such does not exist, the planning and community affairs agency or its successor, shall provide written notice to the authority within thirty days as to the reasons for such plan's disapproval and such ineligibility. The authority may resubmit such plan upon reconsideration and correction of such deficiencies in the plan cited in such notice of disapproval. [1975 1st ex.s. c 270 § 17.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.080 General powers. In addition to the powers specifically granted by this chapter a public transportation benefit area shall have all powers which are necessary to carry out the purposes of the public transportation benefit area. A public transportation benefit area may contract with the United States or any agency thereof, any state or agency thereof, any other public transportation benefit area, any county, city, metropolitan municipal corporation, special district, or governmental agency, within or without the state, and any private person, firm or corporation for the purpose of receiving gifts or grants or securing loans or advances for preliminary planning and feasibility studies, or for the design, construction or operation of transportation facilities. In addition a public transportation benefit area may contract with any governmental agency or with any private person, firm or corporation for the use by either contracting party of all or any part of the facilities, structures, lands, interests in lands, air rights over lands

and rights of way of all kinds which are owned, leased or held by the other party and for the purpose of planning, constructing or operating any facility or performing any service which the public transportation benefit area may be authorized to operate or perform, on such terms as may be agreed upon by the contracting parties. Before any contract for the lease or operation of any public transportation benefit area facilities shall be let to any private person, firm or corporation, a general schedule of rental rates for bus equipment with or without drivers shall be publicly posted applicable to all private certificated carriers, and for other facilities competitive bids shall first be called upon such notice, bidder qualifications and bid conditions as the public transportation benefit area authority shall determine.

A public transportation benefit area may sue and be sued in its corporate capacity in all courts and in all proceedings. [1975 1st ex.s. c 270 § 18.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.090 Additional powers—Acquisition of existing system. A public transportation benefit area authority shall have the following powers in addition to the general powers granted by this chapter:

Public transportation facilities and properties which are owned by any city may be acquired or used by the public transportation benefit area authority only with the consent of the city council of the city owning such facilities. Cities are hereby authorized to convey or lease such facilities to a public transportation benefit area authority or to contract for their joint use on such terms as may be fixed by agreement between the city council of such city and the public transportation benefit area authority, without submitting the matter to the voters of such city.

The facilities and properties of a public transportation benefit area system whose vehicles will operate primarily within the rights of way of public streets, roads or highways, may be acquired, developed and operated without the corridor and design hearings which are required by

RCW 35.58.273, as now or hereafter amended, for mass transit facilities operating on a separate right of way.

(3) To fix rates, tolls, fares and charges for the use of such facilities and to establish various routes and classes of service.

In the event any person holding a certificate of public convenience and necessity from the Washington utilities and transportation commission under RCW 81.68.040 has operated under such certificate for a continuous period of one year prior to the date of certification and is offering service within the public transportation benefit area on the date of the certification by the county canvassing board that a majority of votes cast authorize a tax to be levied and collected by the public transportation benefit area authority, such authority may by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation. The person holding such existing certificate may require the public transportation benefit area authority to initiate such purchase of those assets of such person, existing as of the date of the county canvassing board certification, within sixty days after the date of such certification. [1977 ex.s. c 44 § 3; 1975 1st ex.s. c 270 § 19.]

Such agreement shall provide for a periodic review of the terms and conditions contained therein. Where any such local public passenger transportation service will be required to cease to operate within the public transportation benefit area, the public transportation benefit area authority may

agree with the owner of such service to purchase the assets used in providing such service, or if no agreement can be reached, the public transportation benefit area authority shall condemn such assets in the manner and by the same procedure as is or may be provided by law for the condemnation of other properties for cities of the first class, except insofar as such laws may be inconsistent with the provisions of this chapter.

Wherever a privately owned public carrier operates wholly or partly within a public transportation benefit area, the Washington utilities and transportation commission shall continue to exercise jurisdiction over such operation as provided by law. [1977 ex.s. c 44 § 4; 1975 1st ex.s. c 270 § 20.]

Each county may enter into contracts for the hauling of trailers of solid wastes from these transfer stations to disposal sites and return either by (1) the normal bidding process, or (2) negotiation with the qualified collection company servicing the area under authority of chapter 81.77 RCW. Certain provisions not to detract from commission powers, duties, and functions: RCW 80.01.300.

36.58A.030 County legislative authority determination required to establish district—Commission findings as to present services. No solid waste collection district shall be established in an area within the county boundaries unless the county legislative authority, after the hearing regarding formation of such district, determines from that hearing that mandatory solid waste collection is in the public interest and necessary for the preservation of public health. Such determination by the county legislative authority shall require the utilities and transportation commission to investigate and make a finding as to the ability and willingness of the existing garbage and refuse collection companies servicing the area to provide the required service.

If the utilities and transportation commission finds that the existing garbage and refuse collection company or companies are unable or unwilling to provide the required service it shall proceed to issue a certificate of

public need and necessity to any qualified person or corporation in accordance with the provisions of RCW 81.77.040.

The utilities and transportation commission shall notify the county legislative authority within sixty days of its findings and actions and if no qualified garbage and refuse collection company or companies are available in the proposed solid waste collection district, the county legislative authority may provide county garbage and refuse collection services in the area and charge and collect reasonable fees therefor. The county shall not provide service in any portion of the area found by the utilities and transportation commission to be receiving adequate service from an existing certificated carrier unless the county shall acquire the rights of such existing certificated carrier by purchase or condemnation. Upon the collection of such fees, the county shall pay one-half of the fees actually collected to the garbage and refuse collection company entitled to receive such and shall deposit the remaining one-half in the county general fund.

When the county undertakes to collect such fees as requested by the garbage and refuse collection companies, the county shall be subrogated to all of the rights of such companies. Any such fees which the county fails to collect shall become liens on the real or personal property of the persons owing such fees and the county may take all appropriate legal action to enforce such liens. [1971 ex.s. c 293 § 6.]

The board may also provide that revenue bonds payable out of the same source or sources may later be sold on a parity with any revenue bonds being issued and sold. The provisions of this chapter and any resolution or resolutions providing for the authorization, issuance, and sale of such bonds shall constitute a contract with the holder of such bonds, and the provisions thereof shall be enforceable by any owner or holder of such bonds by mandamus or any appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction. 36.68.470 Resolution ordering election. Upon making findings under the provisions of RCW 36.68.460, the board of county commissioners shall, by resolution, order an election of the property owners or voters of the district to determine if the service area shall be formed. The commissioners shall in their resolution direct the county auditor to set the date of the election, the date to be not more than sixty days following the conclusion of the hearing and the making of findings as provided for in RCW 36.68.420 and 36.68.460; describe the purposes of the service area; set forth the estimated cost of any initial improvements or services to be financed by the service area should it be formed; describe the method of financing the initial improvements or services described in the resolution or petition; and order that notice of

election be published in a newspaper of general circulation in the county at least twice prior to the election date. [1963 c 218 § 8.]

36.68.480 Election procedure—Formation—Special levy or bond issue. If the petition or resolution initiating the formation of the proposed service area proposes that the initial improvements of services are to be financed by a special levy, a special election for that purpose shall be conducted within the boundaries of the service area. All registered voters within the service area shall be eligible to vote on the proposition. The county auditor, for the purpose of the special election, may combine or divide precincts in order to provide the greatest convenience to voters of the service area.

The county auditor, in submitting the issue to the voters for their approval or rejection, shall submit and express two propositions on the ballot in substantially the following form:

36.68.490 Election procedure—Vote required. In order for the service area to be established and the special tax levy proposition or bond retirement levy proposition to be approved, voters exceeding in number at least sixty percent of the number of voters who cast ballots for the office of county commissioner within the proposed service area in the last preceding general election of county commissioners must cast ballots at the service area election and on the tax levy proposition, and of all the votes cast at the election at least sixty percent of said votes must favor the establishment of the service

area and the levy of the special one-year tax or the special levy for the retirement of the specified bond issue. [1963 c 218 § 10.]

36.68.500 Resolution declaring formation—Treasurer—Disbursement procedure. If the formation of the service area is approved by the voters of the area under the provisions of RCW 36.68.480 and 36.68.490, the county commissioners shall by resolution declare the service area to be formed and direct the county treasurer to be the treasurer of the service area. Such fund shall be designated "(name of county) service area No. ----- fund." Or "(name of district) service area fund." Special accounts shall be established within the fund for the deposit of the proceeds of each bond issue made for the construction of a specified project or improvement, and there shall also be established special accounts, within the fund for the deposit of revenues raised by special levy or derived from other specific revenues, to be used exclusively for the retirement of an outstanding bond issue or for paying the interest or service charges on any bond issue. [1963 c 218 § 12.]

36.68.520 Tax levies and bond issues. A service area shall not have power to levy an annual authorized levy, but it shall have the power to levy a tax upon the property included within the service district in the manner prescribed for cities for the purpose of exceeding the limitations established by section 2, Article 7 of the Constitution and by RCW 84.52.052.

The special voted levy may be either for operating fund or for capital outlay, or for a cumulative reserve fund.

A service area may issue general obligations bonds for capital purposes only, not to exceed an amount, together with any outstanding general obligation indebtedness, equal to three-eighths of one percent of the value of the taxable property within the district, and may provide for the retirement thereof by levies in excess of dollar rate in accordance with the provisions of RCW 84.52.056: *Provided*, That such districts may issue bonds equal to two and one-half percent of the value of the taxable property within the district, as the term "value of the taxable property" is defined in RCW 39.36.015, when such bonds are approved by the voters of the district at a special election called for the purpose. [1973 1st ex.s. c 195 § 39; 1970 ex.s. c 42 § 19; 1963 c 218 § 13.]

Such direct charges to users may be made for the use of or admission to swimming pools, field houses, tennis and handball courts, bathhouses, swimming beaches, boat launching, storage or moorage facilities, ski lifts, picnic areas and other similar recreation facilities, and for parking lots used in conjunction with such facilities. All funds collected under the provisions of this section shall be deposited to the fund of the service area established in the office of the county treasurer, to be disbursed under the service area budget as approved by the board. The board may provide for the payment of any personnel engaged in activities financed by service area funds from current expense or salary funds, and reimburse current

as a public service to the residents of the geographical areas included within their boundaries.

The term "recreational facilities" means parks, playgrounds, gymnasiums, swimming pools, field houses, bathing beaches, stadiums, golf courses, automobile race tracks and drag strips, coliseums for the display of spectator sports, public campgrounds, boat ramps and launching sites, public hunting and fishing areas, arboretums, bicycle and bridle paths, and other recreational facilities. 36.69.020 Formation of district by petition—Procedure. The formation of a park and recreation district shall be initiated by a petition designating the boundaries thereof by metes and bounds, or by describing the land to be included therein by townships, ranges and legal subdivisions. Such petition shall set forth the object of the district and state that it will be conducive to the public welfare and convenience, and that it will be a benefit to the area therein. Such petition shall be signed by not less than fifteen percent of the registered voters within the area so described. No person signing the petition may withdraw his name therefrom after filing.

The petition shall be filed with the auditor of the county within which the proposed district is located, accompanied by an obligation signed by two or more petitioners, agreeing to pay the cost of the publication of the notice provided for in RCW 36.69.040. The county auditor shall, within thirty days from the date of filing the petition, examine the signatures and certify to the sufficiency or insufficiency thereof; and for that purpose shall have access to all registration books or records in the possession of the registration officers of the election precincts included, in whole or in part, within the proposed district. Such books and records shall be prima facie evidence of the truth of the certificate.

If the petition is found to contain a sufficient number of signatures of qualified persons, the auditor shall transmit it, together with his certificate of sufficiency attached thereto, to the county commissioners who shall by resolution entered upon their minutes, receive it and fix a day and hour when they will publicly hear the petition, as provided in RCW 36.69.040. 36.69.200 L.I.D.'s—Authorization—Assessments, warrants, bonds—County treasurer's duties. Whenever the board of park and recreation commissioners of any district shall determine that any proposed capital improvement would be of special benefit to all or to any portion of the district, it may establish local improvement districts within its territory; levy special assessments under the mode of annual installments extending over a period not exceeding twenty years, on all property specially benefited by a local improvement, on the basis of special benefits to pay in whole or in part the damage or costs of any improvements ordered in the district; and issue local improvement bonds in the improvement district to be repaid by the collection of local improvement assessments. The method of establishment, levying, collection and enforcement of such assessments and issuance and redemption of local improvement warrants and bonds and the provisions regarding the conclusiveness of the assessment roll and the review by the superior court of any objections thereto shall be as provided for the levying, collection, and enforcement of local improvement assessments and the issuance of local improvement bonds by cities of the first class, including the restraints provided for in *RCW 35.43.160 through 35.43.170, insofar as consistent herewith. The duties devolving upon the city treasurer are hereby imposed upon the county treasurer for the purposes hereof. The mode of assessment shall be determined by the board. [1963 c 4 § 36.69.200. Prior: 1957 c 58 § 21.]

***Reviser's note:** RCW 35.43.160 through 35.43.170 were repealed by 1971 ex.s. c 116 § 12.

36.69.210 L.I.D.'s—Initiation by resolution or petition. Local improvement districts may be initiated either (1) by resolution of the board of park and recreation commissioners, or, (2) by petition signed by the owners (according to the county auditor's records) of at least fifty-one percent of the area of land within the

limits of the local improvement district to be created. [1963 c 4 § 36.69.210. Prior: 1957 c 58 § 22.]

36.69.220 L.I.D.'s—Procedure when by resolution. If the board of park and recreation commissioners desires to initiate the formation of a local improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed local improvement district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, and fixing a date, time and place for a public hearing on the formation of the proposed local district. [1963 c 4 § 36.69.220. Prior: 1957 c 58 § 23.]

36.69.230 L.I.D.'s—Procedure when by petition—Publication of notice of intent by either resolution or petition. If such local improvement district is initiated by petition, such petition shall set forth the nature and territorial extent of the proposed improvement requested to be ordered and the fact that the signers thereof are the owners (according to the records of the county auditor) of at least fifty-one percent of the area of land within the limits of the local improvement district to be created. Upon the filing of such petition the board of park and recreation commissioners shall determine whether it is sufficient, and the board's determination thereof shall be conclusive upon all persons. No person shall withdraw his name from the petition after it has been filed with the board. If the board shall find the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of said improvement, designating the number of the proposed local district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time and place for a public hearing on the formation of the proposed local district.

The resolution of intention, whether adopted on the initiative of the board or pursuant to a petition of the property owners, shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed local district, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board. [1963 c 4 § 36.69.230. Prior: 1957 c 58 § 24.]

36.69.240 L.I.D.'s—Notice—Contents. Notice of the adoption of the resolution of intention shall be given each owner or reputed owner of any lot, tract, parcel of land or other property within the proposed improvement district by mailing said notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown

thereon. The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date, time and place of the hearing before the board of park and recreation commissioners; and in the case of improvements initiated by resolution, the notice shall also state that all persons desiring to object to the formation of the proposed district must file their written protests with the secretary of the board before the time fixed for said public hearing. [1963 c 4 § 36.69.240. Prior: 1957 c 58 § 25.]

36.69.250 L.I.D.'s—Public hearing—Inclusion, exclusion of property. Whether the improvement is initiated by petition or resolution, the board of park and recreation commissioners shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in the plans for the proposed improvement as shall be deemed necessary: *Provided*, That the board may not change the boundaries of the district to include or exclude property not previously included or excluded without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time herein provided for the original notice. [1963 c 4 § 36.69.250. Prior: 1957 c 58 § 26.]

36.69.260 L.I.D.'s—Protests—Procedure—Jurisdiction of board. After said hearing the board of park and recreation commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution: *Provided*, That the jurisdiction of the board to proceed with any improvement initiated by resolution shall be divested by a protest filed with the secretary of the board prior to said public hearing for the improvement signed by the owners of the property within the proposed local improvement district which is subject to sixty percent or more of the cost of the improvement as shown and determined by the preliminary estimates and assessment roll of the proposed improvement district. [1963 c 4 § 36.69.260. Prior: 1957 c 58 § 27.]

36.69.270 L.I.D.'s—Powers and duties of board upon formation. If the board of park and recreation commissioners finds that the district should be formed, it shall by resolution order the improvement, adopt detailed plans of the local improvement district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the park and recreation district such eminent domain proceedings as may be necessary to entitle the district to proceed with the work. The board shall thereupon proceed with the work and file

with the county treasurer its roll levying special assessments in the amount to be paid by special assessment against the property situated within the improvement district in proportion to the special benefits to be derived by the property therein from the improvement. [1963 c 4 § 36.69.270. Prior: 1957 c 58 § 28.]

36.69.280 L.I.D.'s—Assessment roll—Procedure for approval—Objections. Before approval of the roll a notice shall be published once a week for two consecutive weeks in a newspaper of general circulation in the local district, stating that the roll is on file and open to inspection in the office of the secretary, and fixing the time, not less than fifteen or more than thirty days from the date of the first publication of the notice within which protests must be filed with the secretary against any assessments shown thereon, and fixing a time when a hearing will be held by the board of park and recreation commissioners on the protests. Notice shall also be given by mailing, at least fifteen days before the hearing, a similar notice to the owners or reputed owners of the land in the local district as they appear on the books of the treasurer of the county in which the park and recreation district is located. At the hearing, or any adjournment thereof, the commissioners may correct, change or modify the roll, or any part thereof, or set aside the roll and order a new assessment, and may then by resolution approve it. If an assessment is raised a new notice similar to the first shall be given, after which final approval of the roll may be made. When property has been entered originally upon the roll and the assessment thereon is not raised, no objection thereto shall be considered by the commissioners or by any court on appeal unless the objection is made in writing at, or prior, to the date fixed for the original hearing upon the roll. [1963 c 4 § 36.69.280. Prior: 1957 c 58 § 29.]

36.69.290 L.I.D.'s—Segregation of assessments—Power of board. Whenever any land against which there has been levied any special assessment by any park and recreation district shall have been sold in part or subdivided, the board of park and recreation commissioners of such district shall have the power to order a segregation of the assessment. [1963 c 4 § 36.69.290. Prior: 1957 c 58 § 30.]

36.69.300 L.I.D.'s—Segregation of assessments—Procedure—Fee, charges. Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the board of park and recreation commissioners of the park and recreation district which levied the assessment. If the board determines that a segregation should be made, it shall by resolution order the county treasurer to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original

assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board may require as a condition to the order of segregation that the person seeking it pay the district the reasonable engineering and clerical costs incident to making the segregation. [1963 c 4 § 36.69.300. Prior: 1957 c 58 § 31.]

36.69.305 L.I.D.'s—Acquisition of property subject to unpaid or delinquent assessments by state or political subdivision—Payment of lien or installments. See RCW 79.44.190.

36.69.310 Dissolution. Any park and recreation district formed under the provisions of this chapter may be dissolved in the manner provided in chapter 53.48 RCW, relating to port districts. [1963 c 4 § 36.69.310. Prior: 1957 c 58 § 32.]

36.69.320 Disincorporation of district located in class A or AA county and inactive for five years. See chapter 57.90 RCW.

36.69.350 Board authorized to contract indebtedness and issue revenue bonds. The board of parks and recreation commissioners is hereby authorized for the purpose of carrying out the lawful powers granted to park and recreation districts by the laws of the state to contract indebtedness and to issue revenue bonds evidencing such indebtedness in conformity with this chapter. [1972 ex.s. c 94 § 3.]

36.69.360 Revenue bonds—Authorized purposes. All such revenue bonds authorized under the terms of this chapter may be issued and sold by the district from time to time and in such amounts as is deemed necessary by the board of park and recreation commissioners of each district to provide sufficient funds for the carrying out of all district powers, without limiting the generality thereof, including the following: Acquisition; construction; reconstruction; maintenance; repair; additions; operations of recreational facilities; parking facilities as a part of a recreational facility; and any other district purpose from which revenues can be derived. Included in the costs thereof shall be any necessary engineering, inspection, accounting, fiscal, and legal expenses, the cost of issuance of bonds, including printing, engraving and advertising and other similar expenses, and the proceeds of such bond issue are hereby made available for all such purposes. [1972 ex.s. c 94 § 4.]

36.69.370 Revenue bonds—Issuance, form, seal, etc. When revenue bonds are issued for authorized purposes, said bonds shall be either registered as to principal only or shall be bearer bonds; shall be in such denominations, shall be numbered, shall bear such date, shall be payable at such time or times up to a maximum

period of not to exceed thirty years and payable at the office of the county treasurer, and such other places as determined by the park and recreation commissioners of the district; shall bear interest payable semiannually and evidenced to maturity by coupons attached to said bonds bearing a coupon interest rate or rates as authorized by the board of park and recreation commissioners; shall be executed by the chairman of the board of park and recreation commissioners, and attested by the secretary of the board, and the seal of such board shall be affixed to each bond, but not to the coupon; and may have facsimile signatures of the chairman and the secretary imprinted on the interest coupons in lieu of original signatures. [1972 ex.s. c 94 § 5.]

36.69.380 Resolution to authorize bonds—Contents. Bonds issued under the provisions of this chapter shall be payable solely out of the operating revenues of the park and recreation district. Such bonds shall be authorized by resolution adopted by the board of park and recreation commissioners, which resolution shall create a special fund or funds into which the board of park and recreation commissioners may obligate and bind the district to set aside and pay any part or parts of, or all of, or a fixed proportion of, or fixed amounts of gross revenue received by the district from moneys for services or activities as stated in the resolution, for the purpose of paying the principal of and interest on such bonds as the same shall become due, and if deemed necessary to maintain adequate reserves therefor. Such fund or funds shall be drawn upon solely for the purpose of paying the principal and interest upon the bonds issued pursuant to this chapter.

The bonds shall be negotiable instruments within the provision and intent of the negotiable instruments law of this state, even though they shall be payable solely from such special fund or funds, and the tax revenue of the district may not be used to pay, secure, or guarantee the payment of the principal of and interest on such bonds. The bonds and the coupons attached thereto shall state upon their face that they are payable solely from such special fund or funds. If the county fails to set aside and pay into such fund or funds, the payments provided for in such resolution, the holder of any such bonds may bring suit to compel compliance with the provisions of the resolution. [1972 ex.s. c 94 § 6.]

36.69.390 Payment of bonds—Covenants—Enforcement. The board of park and recreation commissioners may provide covenants as it may deem necessary to secure the payment of the principal of and interest on such bonds and may, but shall not be required to, include covenants to create a reserve fund or account and to authorize the payment or deposit of certain moneys therein for the purpose of securing the payment of such principal and interest; to establish, maintain, and collect rates, charges, fees, rentals, and the like on the facilities and service the income of which is pledged for the payment of such bonds, sufficient to pay or secure the payment of such principal and interest and to maintain an adequate coverage over annual debt service; and to make any and all other covenants not inconsistent with the

provisions of this chapter which will increase the marketability of such bonds. The board may also provide that revenue bonds payable out of the same source or sources may later be sold on a parity with any revenue bonds being issued and sold. The provisions of this chapter and any resolution or resolutions providing for the authorization, issuance, and sale of such bonds shall constitute a contract with the holder of such bonds, and the provisions thereof shall be enforceable by any owner or holder of such bonds by mandamus or any appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction. [1972 ex.s. c 94 § 7.]

36.69.400 Funding, refunding bonds. The board of parks and recreation commissioners of any district may by resolution, from time to time, provide for the issuance of funding or refunding revenue bonds to fund or refund any outstanding revenue bonds and any premiums due thereon, and matured coupons evidencing interest upon any such bonds at or before the maturity of such bonds, and parts or all of various series and issues of outstanding revenue bonds and matured coupons in the amount thereof to be funded or refunded.

The board shall create a special fund for the sole purpose of paying the principal of and interest on such funding or refunding revenue bonds, into which fund the board shall obligate and bind the district to set aside and pay any part or parts of, or all of, or a fixed proportion of, or a fixed amount of the revenue of the recreational facility of the district sufficient to pay such principal and interest as the same shall become due, and if deemed necessary to maintain adequate reserves therefor.

Such funding or refunding bonds shall be negotiable instruments within the provisions and intent of the negotiable instruments law of this state, and the tax revenue of the district may not be used to pay, secure, or guarantee the payment of the principal of and interest on such bonds.

The district may exchange such funding or refunding bonds for the bonds, and coupons being funded or refunded, or it may sell such funding or refunding bonds in the manner, at such price and at such rate or rates of interest as the board shall deem to be for the best interest of the district and its inhabitants, either at public or private sale.

The provisions of this chapter relating to the terms, conditions, covenants, issuance, and sale of revenue bonds shall be applicable to such funding or refunding bonds except as may be otherwise specifically provided in this section. [1972 ex.s. c 94 § 8.]

36.69.410 Authority for issuance of bonds—Construction. This chapter shall be complete authority for the issuance of the revenue bonds hereby authorized, and shall be liberally construed to accomplish its purposes. Any restrictions, limitations or regulations relative to the issuance of such revenue bonds contained in any other act shall not apply to the bonds issued under this chapter. Any act inconsistent herewith shall be deemed

modified to conform with the provisions of this chapter for the purpose of this chapter only. [1972 ex.s. c 94 § 9.]

36.69.420 Joint park and recreation district—Authorization. A park and recreation district may be formed encompassing portions of two or more counties. Such a district shall be known as a joint park and recreation district and shall have all powers and duties of a park and recreation district. The procedures established in this chapter for the formation of a park and recreation district shall be followed in the formation of a joint park and recreation district except as otherwise provided by RCW 36.69.430, 36.69.440, and 36.69.450. [1979 1st ex.s. c 11 § 1.]

Severability—1979 1st ex.s. c 11: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1979 1st ex.s. c 11 § 7.]

36.69.430 Joint park and recreation district—Formation—Petition. The formation of a joint park and recreation district shall be initiated by a petition as prescribed in RCW 36.69.020. The petition shall be filed with the county auditor of one of the counties within which a portion of the proposed joint district is located. A copy of the petition shall be filed with the county auditor of the other county or counties within which a portion of the proposed joint district is located. The county auditors shall jointly certify the sufficiency or insufficiency of the petition to the legislative authorities of the counties. [1979 1st ex.s. c 11 § 2.]

(1) If the petition filed under RCW 36.69.430 is found to contain a sufficient number of signatures, the legislative authority of each county shall set a time for a hearing on the petition for the formation of a park and recreation district as prescribed in RCW 36.69.040.

(2) At the public hearing the legislative authority for each authority for each county shall fix the boundaries for that portion of the proposed park and recreation district that lies within the county as provided in RCW 36.69.050. Each county shall notify the other county or counties of the determination of the boundaries within ten days.

(3) If the territories created by the county legislative authorities are not contiguous, a joint park and recreation district shall not be formed. If the territories are contiguous, the county containing the portion of the proposed joint district having the larger population shall determine the name of the proposed joint district.

(4) If the proposed district encompasses portions of two counties, the county containing the portion of the district having the larger population shall divide the territory into three subdivisions and shall name three resident electors as prescribed by RCW 36.69.060. The

county containing the territory having the smaller population shall divide that territory into two subdivisions and name two resident electors.

(5) If the proposed district encompasses portions of more than two counties, the district shall be divided into five subdivisions and resident electors shall be named as follows:

The number of subdivisions and resident electors to be established by each county shall reflect the proportion of population within each county portion of the proposed district in relation to the total population of the proposed district, provided that each county shall designate one subdivision and one resident elector.

(6) The proposition for the formation of the proposed joint park and recreation district shall be submitted to the voters of the district at the next general election, which election shall be conducted as required by RCW 36.69.070 and 36.69.080. [1979 1st ex.s. c 11 § 3.]

Severability—1979 1st ex.s. c 11: See note following RCW 36.69.420.

Whenever the laws relating to park and recreation districts provide for an action by a county officer, the action, if required to be performed on behalf of a joint park and recreation district, shall be performed by the proper officer of the county to which the joint district belongs, except as otherwise provided by law. This delegation of authority extends but is not limited to:

36.70.780 Classifying unmapped areas. After the adoption of the first map provided for in RCW 36.70.740, and pending the time that all property within a county can be precisely zoned through the medium of a zoning map, all properties not so precisely zoned by map shall be given a classification affording said properties such broad protective controls as may be deemed appropriate and necessary to serve public and private interests. Such controls shall be clearly set forth in the zoning ordinance in the form of a zone classification, and such classification shall apply to such areas until they shall have been included in the detailed zoning map in the manner provided for the adoption of a zoning map. [1963 c 4 § 36.70.780. Prior: 1959 c 201 § 78.]

An amendment to the text of a zoning ordinance which does not impose, remove or modify any regulation theretofore existing and affecting the zoning status of land shall be processed in the same manner prescribed by this chapter for the adoption of an official control except that no public hearing shall be required either by the commission or the board. [1963 c 4 § 36.70.800. Prior: 1959 c 201 § 80.]

(1) Applications for conditional uses or other permits when the zoning ordinance sets forth the specific uses to be made subject to conditional use permits and establishes criteria for determining the conditions to be imposed;

(2) Application for variances from the terms of the zoning ordinance: *Provided*, That any variance granted shall be subject to such conditions as will assure that the adjustment thereby authorized shall not constitute a grant of special privilege inconsistent with the limitations upon other properties in the vicinity and zone in which subject property is situated, and that the following circumstances are found to apply;

(a) because of special circumstances applicable to subject property, including size, shape, topography, location or surroundings, the strict application of the zoning ordinance is found to deprive subject property of rights and privileges enjoyed by other properties in the vicinity and under identical zone classification;

(b) that the granting of the variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity and zone in which subject property is situated.

(3) Appeals, where it is alleged by the applicant that there is error in any order, requirement, permit, decision, or determination made by an administrative official in the administration or enforcement of this chapter or any ordinance adopted pursuant to it. At least a ten day notice of such time and place together with one copy of the written appeal, shall be given to the official whose decision is being appealed. At least ten days notice of the time and place shall also be given to the adverse parties of record in the case. As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and issue recommendations on applications for plat approval and applications for amendments to the zoning ordinance, the county legislative authority may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and issue decisions on proposals for plat approval and for amendments to the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative authority may vest in a hearing examiner the power to hear and decide conditional use applications, variance applications, applications for shoreline permits or any other class of applications for or pertaining to land uses. The legislative authority shall prescribe procedures to be followed by a hearing examiner.

Any county which vests in a hearing examiner the authority to hear and decide conditional uses and variances shall not be required to have a zoning adjutor or board of adjustment.

Each county legislative authority electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. Such legal effect may vary for the different classes of applications decided by the examiner but shall include one of the following:

(1) The decision may be given the effect of a recommendation to the legislative authority;

(2) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative authority.

Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the county's comprehensive plan and the county's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings. All public highways in this state, outside incorporated cities and towns and not designated as state highways which have been used as public highways for a period of not less than ten years are county roads: *Provided*, That no duty to maintain such public highway nor any liability for any injury or damage for failure to maintain such public highway or any road signs thereon shall attach to the county until the same shall have been adopted as a part of the county road system by resolution of the county commissioners. [1963 c 4 § 36.75.080. Prior: 1955 c 361 § 3; prior: 1945 c 125 § 1, part; 1937 c 187 § 10, part; Rem. Supp. 1945 § 6450-10, part.]

36.75.090 Abandoned state highways. All public highways in this state which have been a part of the route of a state highway and have been or may hereafter be no longer necessary as such, if situated outside of the limits of incorporated cities or towns, shall, upon certification thereof by the state highway commission to the board of the county in which any portion of such highway is located, be and become a county road of such county, and if situated within the corporate limits of any city or town shall upon certification thereof by the state highway commission to the mayor of the city or town in which any portion of such highway is located be and become a street of such city or town. Reviser's note: Powers, duties, and functions of highway commission and director of highways transferred to department of transportation; see RCW 47.01.031. Term "state highway commission" means department of transportation; term "director of highways" means secretary of transportation; see RCW 47.04.015.

36.75.100 Informalities not fatal. No informalities in the records in laying out, establishing, or altering any public highways existing on file in the offices of the various county auditors of this state or in the records of the department or highway commission, shall be construed to invalidate or vacate such public highways. [1963 c 4 § 36.75.100. Prior: 1937 c 187 § 11; RRS § 6450-11.]

36.75.110 True locations to be determined—Survey. Whenever the board declares by resolution that the true location, course, or width of any county road is uncertain and that the same should be determined, it shall

direct the county road engineer to make examination and survey thereof.

This shall embrace an examination and survey of the original petition, report, and field notes on the establishment of such road; a survey of the present traveled roadway; all topography within a reasonable distance and having a bearing on the true location of such road; the distance from the center line of the traveled roadway to the nearest section and quarter section corners; a map of sufficient scale accurately showing the above with field notes thereon; a map on the same scale showing the original field notes, such field notes to be transposed and the same meridian used on both maps. [1963 c 4 § 36.75.110. Prior: 1937 c 187 § 12; RRS § 6450-12.]

36.75.120 Action to determine true location. When the true location, course, or width of a county road, which was prior thereto uncertain, has been reported by the examining engineer, the board shall file an action in the superior court of such county for the determination thereof. All persons affected by the determination of the true location, course, or width insofar as the same may vary from the originally established location, course, or width shall be made parties defendant in such action and service had and return made as in the case of civil actions. Upon the hearing the court shall consider the survey, maps, and all data with reference to the investigation of the examining engineer and may demand such further examination as it may deem necessary and any objection of any party defendant may be heard and considered. The court shall determine the true location, course, and width of the road and may in its discretion assess the cost of such action against the county to be paid from the county road fund. [1963 c 4 § 36.75.120. Prior: 1937 c 187 § 13; RRS § 6450-13.]

36.75.130 Approaches to county roads. No person shall be permitted to build or construct any approach to any county road without first obtaining permission therefor from the board. [1963 c 4 § 36.75.130. Prior: 1943 c 174 § 1; Rem. Supp. 1943 § 6450-95.]

36.75.140 Approaches to county roads—Rules regarding construction. The boards of the several counties of the state may adopt reasonable rules for the construction of approaches which, when complied with, shall entitle a person to build or construct an approach from any abutting property to any county road. The rules may include provisions for the construction of culverts under the approaches, the depth of fills over the culverts and for such other drainage facilities as the board deems necessary. The construction of approaches, culverts, fills, or such other drainage facilities as may be required, shall be under the supervision of the county road engineer, and all such construction shall be at the expense of the person benefited by the construction. [1969 ex.s. c 182 § 4; 1963 c 4 § 36.75.140. Prior: 1943 c 174 § 2; Rem. Supp. 1943 § 6450-96.]

36.75.150 Approaches to county roads—Penalty. Any person violating any of the provisions of RCW 36.75.130 and 36.75.140 shall be guilty of a misdemeanor.

[1963 c 4 § 36.75.150. Prior: 1943 c 174 § 3; Rem. Supp. 1943 § 6450-97.]

36.75.160 Power of county commissioners as to roads, bridges, and other structures crossing boundary lines. The board of county commissioners of any county may erect and construct or acquire by purchase, gift, or condemnation, any bridge, trestle, or any other structure which crosses any stream, body of water, gulch, navigable water, swamp or other topographical formation requiring such structure for the continuation or connection of any county road if such topographical formation constitutes the boundary of a city, town, another county or the state of Washington or another state or a county, city or town of such other state.

The board of such county may join with such city, town, other county, the state of Washington, or other state, or a county, city or town of such other state in paying for, erecting, constructing, acquiring by purchase, gift, or condemnation any such bridge, trestle, or other structure, and the purchase or condemnation of right of way therefor.

The board of any county may construct, maintain, and operate any county road which forms the boundary line between another county within the state or another county in any other state or which through its meandering crosses and recrosses such boundary; and acquire by purchase or condemnation any lands or rights within this state, either within or without its county, necessary for such boundary road; and enter into joint contracts with authorities of adjoining counties for the construction, operation, and maintenance of such boundary roads. The power of condemnation herein granted may be exercised jointly by two counties in the manner provided in RCW 36.75.170 for bridges, or it may be exercised by a single county in the manner authorized by law. [1963 c 4 § 36.75.160. Prior: 1943 c 82 § 3; 1937 c 187 § 26; Rem. Supp. 1943 § 6450-26.]

36.75.170 Power of county commissioners as to roads, bridges, and other structures crossing boundary lines—Resolution to acquire or construct. The board may by original resolution entered upon its minutes declare its intention to pay for and erect or construct, or acquire by purchase, gift, or condemnation, any bridge, trestle, or other structure upon any county road which crosses any stream, body of water, gulch, navigable water, swamp or other topographical formation constituting a boundary, or to join therein with any other county, city or town, or with this state, or with any other state, or with any county, city or town of any other state, in the erection, or construction, or acquisition of any such structure, and declare that the same is a public necessity, and direct the county road engineer to report upon such project, dividing any just proportional cost thereof.

In the event two counties or any county and any city wish to join in paying for the erection or acquisition of any such structure, the resolution provided in this section shall be a joint resolution of the governing authorities of the counties and cities and they shall further, by such resolution, designate an engineer employed by one

county to report upon the proposed erection or acquisition. [1963 c 4 § 36.75.170. Prior: 1937 c 187 § 27; RRS § 6450-27.]

36.75.180 Power of county commissioners as to roads, bridges, and other structures crossing boundary lines—Freeholders' petition to acquire or construct. Ten or more freeholders of any county may petition the board for the erection and construction or acquisition by purchase, gift, or condemnation of any bridge, trestle, or any other structure in the vicinity of their residence, and upon any county road which crosses any stream, body of water, gulch, navigable waters, swamp or other topographical formation constituting a boundary by joining with any other county, city or town, or the state of Washington, or with any other state or with any county, city or town of any other state, setting forth and describing the location proposed for the erection of such bridge, trestle, or other structure, and stating that the same is a public necessity. The petition shall be accompanied by a bond with the same requirements, conditions, and amount and in the same manner as in case of a freeholders' petition for the establishing of a county road. Upon the filing of such petition and bond and being satisfied that the petition has been signed by freeholders residing in the vicinity of such proposed bridge, trestle, or other structure, the board shall direct the county road engineer to report upon the project, dividing any just proportional cost thereof.

In the event two counties or any county and any city or town are petitioned to join in paying for the erection or acquisition of such structure, the board of county commissioners of the counties or the board of county commissioners of the county and governing authorities of the city or town shall act jointly in the selection of the engineer who shall report upon such acquisition or erection. [1963 c 4 § 36.75.180. Prior: 1937 c 187 § 28; RRS § 6450-28.]

36.75.190 Engineer's report—Hearing—Order. Upon report by the examining engineer for the erection and construction upon any county road, or for acquisition by purchase, gift or condemnation of any bridge, trestle, or any other structure crossing any stream, body of water, gulch, navigable water, swamp or other topographical formation, which constitutes a boundary, publication shall be made and joint hearing had upon such report in the same manner and upon the same procedure as in the case of resolution or petition for the laying out and establishing of county roads. If upon the hearing the governing authorities jointly order the erection and construction or acquisition of such bridge, trestle, or other structure, they may jointly acquire land necessary therefor by purchase, gift, or condemnation in the manner as provided for acquiring land for county roads, and shall advertise calls for bids, require contractor's deposit and bond, award contracts, and supervise construction as by law provided and in the same manner as required in the case of the construction of county roads.

Any such bridges, trestles or other structures may be operated free, or may be operated as toll bridges, trestles, or other structures under the provisions of the laws

of this state relating thereto. [1963 c 4 § 36.75.190. Prior: 1937 c 187 § 29; RRS § 6450-29.]

36.75.200 Bridges on city or town streets. The boards of the several counties may expend funds from the county road fund for the construction, improvement, repair, and maintenance of any bridge upon any city street within any city or town in such county where such city street and bridge are essential to the continuation of the county road system of the county. Such construction, improvement, repair, or maintenance shall be ordered by resolution and proceedings conducted in respect thereto in the same manner as provided for the laying out and establishing of county roads by counties, and for the preparation of maps, plans, and specifications, advertising and award of contracts therefor. [1963 c 4 § 36.75-200. Prior: 1937 c 187 § 30; RRS § 6450-30.]

36.75.205 Street as extension of road in town of less than one thousand. Whenever any street in any town, having a population of less than one thousand persons, forms an extension of a county road of the county in which such town is located, and where the board of county commissioners of such county and the governing body of such town, prior to the commencement of any work, have mutually agreed and each adopted a resolution setting forth the nature and scope of the work to be performed and the share of the cost or labor which each shall bear, such county may expend county road funds for construction, improvement, repair, or maintenance of such street. [1963 c 4 § 36.75.205. Prior: 1959 c 83 § 1.]

36.75.207 Agreements for planning, establishment, construction, and maintenance of city streets by counties—Use of county road fund—Payment by city—Contracts, bids. See RCW 35.77.020-35.77.040.

36.75.210 Roads crossing and recrossing boundaries. Whenever a county road is established within any county, and such county road crosses the boundary of the county and again enters the county, the board of the county within which the major portion of the road is located may expend the county road fund of such county in laying out, establishing, constructing, altering, repairing, improving, and maintaining that portion of the road lying outside the county, in the manner provided by law for the expenditure of county funds for the construction, alteration, repair, improvement, and maintenance of county roads within the county.

The board of any county may construct, maintain, and operate any county road which forms the boundary line between another county within the state or another county in any other state or which through its meandering crosses and recrosses such boundary; and acquire by purchase or condemnation any lands or rights within this state, either within or without its county, necessary for such boundary road; and enter into joint contracts with authorities of adjoining counties for the construction, operation, and maintenance of such boundary roads. The power of condemnation herein granted may be exercised jointly by two counties in the manner provided for bridges, or it may be exercised by a single county in the

manner authorized by law. [1963 c 4 § 36.75.210. Prior: 1937 c 187 § 23; RRS § 6450-23. FORMER PART OF SECTION: 1943 c 82 § 3, part; 1937 c 187 § 26, part; Rem. Supp. 1943 § 6450-26, part, now codified in RCW 36.75.160.]

36.75.220 Connecting road across segment of third county. Whenever two counties are separated by an intervening portion of a third county not exceeding one mile in width, and each of such counties has constructed or shall construct a county road to the boundary thereof, and the boards of the two counties deem it beneficial to such counties to connect the county roads by the construction and maintenance of a county road across the intervening portion of the third county, it shall be lawful for the boards of the two counties to expend jointly the county road funds of their respective counties in acquiring right of way for the construction, improvement, repair, and maintenance of such connecting county road and any necessary bridges thereon, in the manner provided by law for the expenditure of county road funds for the construction, improvement, repair, and maintenance of county roads lying within a county. [1963 c 4 § 36.75.220. Prior: 1937 c 187 § 24; RRS § 6450-24.]

For the purpose of carrying into effect RCW 36.75.210 and 36.75.220 and under the circumstances therein set out the boards may acquire land necessary for the right of way for any portion of a county road lying outside such county or counties by gift or purchase or by condemnation in the manner provided for the taking of property for public use by counties. [1963 c 4 § 36.75.230. Prior: 1937 c 187 § 25, part; RRS § 6450-25, part.]

36.75.240 Sidewalks and pedestrian paths or walks—Bicycle paths, lanes, routes, and roadways. The boards may expend funds credited to the county road fund from any county or road district tax levied for the construction of county roads for the construction of sidewalks, bicycle paths, lanes, routes, and roadways, and pedestrian allocated paths or walks. [1974 ex.s. c 141 § 7; 1963 c 4 § 36.75.240. Prior: 1937 c 187 § 25, part; RRS § 6450-25, part.]

36.75.243 Curb ramps for physically handicapped. See RCW 35.68.075, 35.68.076.

36.75.250 State may intervene if maintenance neglected. If by any agreement with the federal government or any agency thereof or with the state or any agency thereof, a county has agreed to maintain certain county roads or any portion thereof and such maintenance is not being performed to the satisfaction of the federal government or the highway commission, reasonably consistent with original construction, notice thereof may be given by the highway commission to the board of such county and if the board of such county does not within ten days provide for such maintenance, the highway commission may perform such maintenance and the state treasurer shall pay the cost thereof on vouchers

submitted by the highway commission and deduct the cost thereof from any sums in the motor vehicle fund credited or to be credited to the county in which such county road is located. [1963 c 4 § 36.75.250. Prior: 1937 c 187 § 46; RRS § 6450-46.]

Any such resolution shall be effective for a definite period of time which shall be stated in the resolution. If such resolution is published at least once in a newspaper of general circulation in the county and if signs indicating such closure or limitation of traffic have been posted on such road or bridge, any person violating such resolution shall be guilty of a misdemeanor. Reviser's note: This section was also amended by 1971 c 9 § 1 without cognizance of the repeal thereof.

ACT OF 1913

36.76.080 Bonds authorized—Election. The board of any county may, whenever a majority thereof so decides, submit to the voters of their county the question whether the board shall be authorized to issue negotiable coupon road bonds of the county in an amount subject to the limitations on indebtedness provided for in RCW 39.36.020(2), for the purpose of constructing a new road or roads, or improving established roads within the county, or for aiding in so doing, as herein prescribed.

The word "improvement" wherever used in this act shall embrace any undertaking for any or all of such purposes. The word "road" shall embrace all highways, roads, streets, avenues, bridges, and other public ways.

The provisions of this act shall apply not only to roads which are or shall be under the general control of the county, but also to all parts of state roads in such county and to all roads which are situated or are to be constructed wholly or partly within the limits of any incorporated city or town therein, provided the board of county commissioners finds that they form or will become a part of the public highway system of the county, and will connect the existing roads therein. Such finding may be made by the board of county commissioners at

any stage of the proceedings before the actual delivery of the bonds.

The constructing or improving of any and all such roads, or the aiding therein, is declared to be a county purpose.

The question of the issuance of bonds for any undertaking which relates to a number of different roads or parts thereof, whether intended to supply the whole expenditure or to aid therein, may be submitted to the voters as a single proposition in all cases where such course is consistent with the provisions of the state Constitution. If the county commissioners, in submitting a proposition relating to different roads or parts thereof, find that such proposition has for its object the furtherance and accomplishment of the construction of a system of public and county highways in such county, and constitutes and has for its object a single purpose, such finding shall be presumed to be correct, and upon the issuance of the bonds the presumption shall become conclusive.

No proposition for bonds shall be submitted which proposes that more than forty percent of the proceeds thereof shall be expended within any city or town or within any number of cities and towns. [1971 c 76 § 2; 1970 ex.s. c 42 § 22; 1963 c 4 § 36.76.080. Prior: 1913 c 25 § 1; RRS § 5592.]

36.76.090 How to be held—Ballots—Issuance of bonds—Form. The election may be held at such times and in the manner provided for holding general elections in this state, or it may be held as a special election at such time as the board may designate. The ballots used must contain the words, "Bonds, Yes," and "Bonds, No". If three-fifths of the legal ballots cast on the question of issuing bonds for the improvement contemplated in RCW 36.76.080 are in favor of bonds, the board must issue negotiable bonds in due and legal form, and negotiate them in such manner as they may deem to the best advantage of the county, at not less than par value. The bonds authorized by this section shall be issued in the name of the county, in denominations of not less than one hundred nor more than one thousand dollars; they shall be payable either (1) to some person or corporation (named therein) or the bearer, or (2) simply to the bearer, at such time as shall be stated therein, not more than twenty years after the date of issue and bear interest at a rate or rates as authorized by the board of county commissioners, payable semiannually. They may be made payable in any city of the United States containing a national bank. They shall bear the signature of the chairman of the board, and be countersigned by the county auditor of the county with the seal of the county thereunto attached, and the interest coupons shall be signed by said chairman and said county auditor, and each bond so issued must be registered in the office of the county treasurer in a book provided for that purpose, which must show the date, number and amount of the bond, date of maturity, rate of interest, and the name and address of the person to whom issued. The county seal need not be affixed to the coupons. Each coupon must show the number of the bond to which it belongs. The bonds and coupons shall be printed, engraved or

lithographed on good bond paper. [1970 ex.s. c 56 § 53; 1969 ex.s. c 232 § 29; 1963 c 4 § 36.76.090. Prior: 1913 c 25 § 2; RRS § 5593.]

Effective date—Purpose—1970 ex.s. c 56: See notes following RCW 39.44.030.

Validation—Saving—Severability—1969 ex.s. c 232: See notes following RCW 39.44.030.

36.76.100 Notice of election. The board must give notice in some newspaper having a general circulation in the county for a period of at least four weeks next preceding the date of the election, setting forth the proposition as to amount and duration of the bonds to be issued, and the rate of interest thereon which is not to be exceeded, and stating the road or roads to be built or improved. The notice need not describe the road or roads with particularity, but it shall be sufficient either to describe them by termini and with a general statement as to their course, or to use any other appropriate language sufficient to show the purpose intended to be accomplished. The commissioners may, at their option, give such other or further notice as they may deem advisable. When the bonds are issued they may be made to bear the rate of interest stated in the notice or any less rate. [1963 c 4 § 36.76.100. Prior: 1913 c 25 § 4; RRS § 5595.]

36.76.110 Disposition of proceeds—City assistance. When the bonds are sold, the money arising therefrom shall be immediately paid into the treasury of the county, and shall be drawn only for the improvement for which they were issued, under the general direction of the board: *Provided*, That if the improvement includes in whole or in part the constructing or improving of one or more roads, or any part or parts thereof, within the limits of an incorporated city or town, and if the county commissioners find that the amount of the proceeds of the bonds intended to be expended for the improvements within such corporate limits will probably not be sufficient to defray the entire expense of the improvement therein, and if they further find it to be equitable that the city or town should bear the remainder of the expense, they may postpone any expenditure therefor from the proceeds of the bonds until the city or town makes provision by ordinance for proceeding with the improvement within its corporate limits at its own expense insofar as concerns the cost thereof over and above the amount of bond proceeds available therefor.

In such case it shall be lawful for the county commissioners to consent, under such general directions as they shall impose, that the proper authorities of the city or town shall have actual charge of making the proposed improvement within the corporate limits. The city or town shall acquire any needed property or rights and do the work by contract or otherwise in accordance with its charter or ordinances, but the same shall be subject to the approval of the county commissioners insofar as concerns any payment therefor from the proceeds of the bonds.

In such case, as the work progresses and money is needed to pay therefor, the county commissioners shall, from time to time, by proper order, specifying the

amount and purpose, direct the county treasurer to turn over to the city or town treasurer such part or parts of the proceeds of the bonds as may be justly applicable to such improvement or part thereof within such city or town, and any money so received by the city or town treasurer shall be inviolably applied to the purpose specified. When that portion of the entire improvement which lies within any such city or town can readily be separated into parts, the procedure authorized by this section may be pursued separately as to any one or more of such parts of the general improvement.

Nothing contained in this section shall be construed to render the county liable for any greater part of the expense of any improvement or part thereof within any city or town than the proper amount of the proceeds of such bonds, or to prevent the city or town from raising any part of the cost of any such improvement or part thereof, over and above the amount arising from the proceeds of the bonds, by assessment upon property benefited, or by contribution from any of its general or special funds in accordance with the provisions of the charter or laws governing such city or town. The provisions of this section, other than the direction for the payment into the county treasury of the money arising from the sale of the bonds, need not be complied with until after the issuance of the bonds and the validity of the bonds shall not be dependent upon such compliance. 36.76.120 Payment of principal and interest. All taxes levied either for interest or principal shall be a lien upon all property within the county and must be collected in the same manner as other taxes are collected. The county treasurer must pay out of any money accumulated from the taxes levied to pay the interest as aforesaid, the interest upon all such bonds when it becomes due upon presentation at the place of payment of the proper coupon. All coupons so paid must be reported to the county commissioners at their first meeting thereafter. Whenever the coupons are payable at any place other than the city in which the county treasurer keeps his office, the county treasurer shall seasonably remit to the state fiscal agent the amount of money required for the payment of any coupons which are about to fall due. When any such bonds or coupons are paid, the county treasurer shall suitably and indelibly cancel them. [1963 c 4 § 36.76.120. Prior: 1913 c 25 § 3; RRS § 5594.]

36.76.130 Act cumulative. This act shall not be construed as repealing or affecting any other act relating to the issuance of bonds for road or other purposes, but shall be construed as conferring additional power and authority. [1963 c 4 § 36.76.130. Prior: 1913 c 25 § 7; RRS § 5598.]

36.76.140 Toll bridge bonds authorized—Adjoining counties. The board of a county may, by majority

vote, and by submission to the voters under the same procedure required in RCW 36.76.090 and 36.76.100, issue general obligation bonds for the purpose of contributing money, or the bonds themselves, to the Washington toll bridge authority to help finance the construction of toll bridges across topographical formations constituting boundaries between the county and an adjoining county, or a toll bridge across topographical formation located wholly within an adjoining county, which in the discretion of the board, directly or indirectly benefits the county. Such bonds may be transferred to the Washington toll bridge authority to be sold by the authority for the purposes outlined herein. Such bonds may bear interest at a rate or rates as authorized by the board of county commissioners: *Provided*, That such indebtedness is subject to the limitations on indebtedness provided for in RCW 39.36.020(2). [1971 c 76 § 3; 1970 ex.s. c 56 § 54; 1969 ex.s. c 232 § 30; 1963 c 4 § 36.76.140. Prior: 1955 c 194 § 1.]

The issuance of such a conditional certificate shall be upon terms and conditions as shall be deemed by the board to be appropriate. In the event a county on whose behalf a conditional certificate is issued fails to comply with the terms and conditions of such certificate, the board may forthwith cancel or modify such certificate notifying the state treasurer thereof. Prior to July 1, 1968, the legislative authority of each county with the advice and assistance of the county road engineer, and pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive road program for the ensuing six calendar years. Such program shall include proposed road and bridge construction work and for those counties operating ferries shall also include a separate section showing proposed capital expenditures for ferries, docks, and related facilities. Copies of the program shall be filed with the county administration board and with the director of highways not more than thirty days after its adoption by the board. Annually thereafter each board shall review the work accomplished under the program and determine current county road needs. Based on these findings each board shall prepare and after public hearing thereon adopt a revised and extended comprehensive road program, and each one year extension and revision shall be filed with the director of highways not more than thirty days after its adoption by the board. The purpose of this section shall be to assure that perpetually each county shall have available advanced plans, looking to the future for not less than six years as a guide in carrying out a coordinated road construction program. Such program may at any time be revised by a majority of the board but only after a public hearing thereon.

The six year program of each county having an urban area within its boundaries shall contain a separate section setting forth the six year program for arterial road construction based upon its long range construction plan and formulated in accordance with regulations of the urban arterial board. The six year program for arterial road construction shall be submitted to the urban arterial board forthwith after its annual revision and adoption by the board of county commissioners. The six year program for arterial road construction shall be based upon estimated revenues available for such construction together with such additional sums as the county commissioners may request for urban arterials only from the urban arterial trust account for the six year period. The arterial road construction program shall provide for a more rapid rate of completion of the long range construction needs of major arterial roads than for secondary and collector arterial roads, pursuant to regulations of the urban arterial board. [1975 1st ex.s. c 21 § 3; 1967 ex.s. c 83 § 26; 1963 c 4 § 36.81.121. Prior: 1961 c 195 § 1.]

Annually thereafter each legislative authority shall review the work accomplished under the program and determine current county road needs. Based on these findings each legislative authority shall prepare and after public hearing thereon adopt a revised and extended comprehensive road program, and each one year extension and revision shall be filed with the director of highways not more than thirty days after its adoption by the legislative authority. The purpose of this section shall be to assure that perpetually each county shall have available advanced plans, looking to the future for not less than six years as a guide in carrying out a coordinated road construction

program. Such program may at any time be revised by a majority of the legislative authority but only after a public hearing thereon.

The six year program of each county having an urban area within its boundaries shall contain a separate section setting forth the six year program for arterial road construction based upon its long range construction plan and formulated in accordance with regulations of the urban arterial board. The six year program for arterial road construction shall be submitted to the urban arterial board forthwith after its annual revision and adoption by the legislative authority of each county. The six year program for arterial road construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority of each county may request for urban arterials only from the urban arterial trust account for the six year period. The arterial road construction program shall provide for a more rapid rate of completion of the long range construction needs of major arterial roads than for secondary and collector arterial roads, pursuant to regulations of the urban arterial board.

Such rights-of-way shall henceforward not be less than sixty feet in width unless a lesser width is specified by the United States. [1963 c 4 § 36.86.050. Prior: 1937 c 187 § 36; RRS § 6450-36.]

36.86.060 Restrictions on use of oil at intersections or entrances to county roads. No oil or other material shall be used in the treatment of any county road or private road or driveway, of such consistency, viscosity or nature or in such quantities and in such proximity to the entrance to or intersection with any state highway or county road, the roadway of which is surfaced with cement concrete or asphaltic concrete, that such oil or other material is or will be tracked by vehicles thereby causing a coating or discoloration of such cement concrete or asphaltic concrete roadway. Any person violating the provisions of this section shall be guilty of a misdemeanor. [1963 c 4 § 36.86.060. Prior: 1937 c 187 § 43; RRS § 6450-43.]

Upon the adoption of uniform design standards the board of county commissioners of each county shall apply the same to all new construction within, and as far as practicable and feasible to reconstruction of old roads comprising, the county primary road system. No deviation from such design standards as to such primary system shall be made without the approval of the assistant state director of highways for state aid. [1963 c 4 § 36.86.080. Logs remaining within any county road right-of-way for a period of thirty days shall be confiscated and removed or disposed of as directed by the boards of county commissioners in the respective counties. Confiscated logs may be sold by the county commissioners and the proceeds thereof shall be deposited in the county road fund. [1963 c 4 § 36.86.090. Prior: 1951 c 143 § 1.]

36.86.100 Railroad grade crossings—Obstructions. Each railroad company shall keep its right of way clear of all brush and timber in the vicinity of a railroad grade crossing with a county road for a distance of one hundred feet from the crossing in such a manner as to permit a person upon the road to obtain an unobstructed view in both directions of an approaching train. The board shall cause brush and timber to be cleared from the right of way of county roads in the proximity of a railroad grade crossing for a distance of one hundred feet from the crossing in such a manner as to permit a

person traveling upon the road to obtain an unobstructed view in both directions of an approaching train. It shall be unlawful to erect or maintain a sign, signboard, or billboard at or near a county road or railroad and within a distance of five hundred feet from the point of intersection at grade of the road and railroad and in such a way that it may obstruct the view or distract the attention of a person operating a vehicle or train and approaching the crossing.

When a person who has erected or who maintains such a sign, signboard, or billboard or when a railroad company permits such brush or timber in the vicinity of a railroad grade crossing with a county road or permits the surface of a grade crossing to become inconvenient or dangerous for passage and who has the duty to maintain it, fails, neglects, or refuses to remove or cause to be removed such brush, timber, sign, signboard, or billboard, or maintain the surface of the crossing, the utilities and transportation commission upon complaint of the board or upon complaint of any party interested, or upon its own motion, shall enter upon a hearing in the manner now provided for hearings with respect to railroad-highway grade crossings, and make and enforce proper orders for the removal of the brush, timber, sign, signboard or billboard, or maintenance of the crossing: *Provided*, That nothing in this section shall prevent the posting or maintaining thereon of highway or road signs or traffic devices giving directions or distances for the information of the public when the signs conform to the "Manual for Uniform Traffic Control Devices" issued by the state highway commission. The board shall inspect highway grade crossings and make complaint of the violation of any provisions of this section. [1963 c 4 § 36.86.100. Prior: 1955 c 310 § 6.]

36.88.020 Formation of district—How initiated. County road improvement districts may be initiated either by resolution of the board of county commissioners or by petition signed by the owners according to the records of the office of the county auditor of property to an aggregate amount of the majority of the lineal frontage upon the contemplated improvement and of the area within the limits of the county road improvement district

to be created therefor. [1963 c 4 § 36.88.020. Prior: 1951 c 192 § 2.]

36.88.030 Formation of district—By resolution of intention—Procedure. In case the board of county commissioners shall desire to initiate the formation of a county road improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed road improvement district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, notifying the owners of property therein to appear at a meeting of the board at the time specified in such resolution, and directing the county road engineer to submit to the board at or prior to the date fixed for such hearing a diagram or print showing thereon the lots, tracts and parcels of land and other property which will be specially benefited thereby and the estimated amount of the cost and expense of such improvement to be borne by each lot, tract or parcel of land or other property, and also designating thereon all property which is being purchased under contract from the county. The resolution of intention shall be published in at least two consecutive issues of a newspaper of general circulation in such county, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of county commissioners.

Notice of the adoption of the resolution of intention shall be given each owner or reputed owner of any lot, tract or parcel of land or other property within the proposed improvement district by mailing said notice to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon at least fifteen days before the date fixed for the public hearing. The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date and place of the hearing before the board of county commissioners, and shall contain the directions hereinafter provided for voting upon the formation of the proposed improvement district.

The clerk of the board shall prepare and mail, together with the notice above referred to, a ballot for each owner or reputed owner of any lot, tract or parcel of land within the proposed improvement district. This ballot shall contain the following proposition:

"Shall _____ county road improvement district No. _____ be formed?

and, in addition, shall contain appropriate spaces for the signatures of the property owners, and a description of

their property, and shall have printed thereon the direction that all ballots must be signed to be valid and must be returned to the clerk of the board of county commissioners not later than five o'clock p.m. of a day which shall be one week after the date of the public hearing.

The notice of adoption of the resolution of intention shall also contain the above directions, and, in addition thereto, shall state the rules by which the election shall be governed. [1970 ex.s. c 66 § 2; 1963 c 84 § 3; 1963 c 4 § 36.88.030. Prior: 1951 c 192 § 3.]

36.88.040 Formation of district—By resolution of intention—Election—Rules. The election provided herein for cases where the improvement is initiated by resolution shall be governed by the following rules: (1) All ballots must be signed by the owner or reputed owner of property within the proposed district according to the records of the county auditor; (2) each ballot must be returned to the clerk of the board not later than one week after the public hearing; (3) each property owner shall have one vote for each full dollar of estimated assessment against his property as determined by the preliminary estimates and assessment roll; (4) the valid ballots shall be tabulated and a majority of the votes cast shall determine whether the formation of the district shall be approved or rejected. [1963 c 4 § 36.88.040. Prior: 1951 c 192 § 4.]

36.88.050 Formation of district—By petition—Procedure. In case any such road improvement shall be initiated by petition, such petition shall set forth the nature and territorial extent of such proposed improvement, and the fact that the signers thereof are the owners, according to the records of the county auditor of property to an aggregate amount of a majority of the lineal frontage upon the improvement to be made and of the area within the limits of the assessment district to be created therefor.

Upon the filing of such petition the board shall determine whether the same shall be sufficient and whether the property within the proposed district shall be sufficiently developed and if the board shall find the district to be sufficiently developed and the petition to be sufficient, it shall proceed to adopt a resolution setting forth the nature and territorial extent of the improvement petitioned for, designating the number of the proposed improvement district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, notifying the owners of property therein to appear at a meeting of the board at the time specified in such resolution, and directing the county road engineer to submit to the board at or prior to the date fixed for such hearing a diagram or print showing thereon the lots, tracts and parcels of land and other property which will be specially benefited thereby and the estimated amount of the cost and expense of such improvement to be borne by each lot, tract or parcel of land or other property, and also designating thereon all property which is being purchased under contract from the county. The resolution of intention shall be published in

at least two consecutive issues of a newspaper of general circulation in such county, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of county commissioners.

Notice of the adoption of the resolution of intention shall be given each owner or reputed owner of any lot, tract or parcel of land or other property within the proposed improvement district by mailing said notice to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon at least fifteen days before the date fixed for the public hearing. The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date and place of the hearing before the board of county commissioners, and the fact that property owners may withdraw their names from the petition or add their names thereto at any time prior to five o'clock p.m. of the day before the hearing. [1963 c 4 § 36.88.050. Prior: 1951 c 192 § 5.]

36.88.060 Formation of district—Hearing—Resolution creating district. Whether the improvement is initiated by petition or resolution the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing, the board may make such changes in the boundaries of the district or such modifications in the plans for the proposed improvement as shall be deemed necessary: *Provided*, That the board may neither so alter the improvement as to increase the estimated cost by an amount greater than ten percent above that stated in the notice, nor increase the proportionate share of the cost to be borne by assessments from the proportion stated in the notice, nor change the boundaries of the district to include property not previously included therein without first passing a new resolution of intention and giving a new notice to property owners, in the manner and form and within the time herein provided for the original notice.

At said hearing, the board shall select the method of assessment, ascertain whether the plan of improvement or construction is feasible and whether the benefits to be derived therefrom by the property within the proposed district, together with the amount of any county road fund participation, exceed the costs and expense of the formation of the proposed district and the contemplated construction or improvement and shall make a written finding thereon. In case the proceedings have been initiated by petition, the board shall find whether the petition including all additions thereto or withdrawals therefrom made prior to five o'clock p.m. of the day before the hearing is sufficient within the boundaries of the district so established at said hearing by the board. If said petition shall be found insufficient the board shall by resolution declare the proceedings terminated. In case the proceedings have been initiated by resolution if the board shall find the improvement to be feasible, it shall

continue the hearing until a day not more than fifteen days after the date for returning ballots for the purpose of determining the results of said balloting.

After the hearing the board may proceed to adopt a resolution creating the district and ordering the improvement. Such resolution shall establish such district as the "----- county road improvement district No. -----" Such resolution shall describe the nature and territorial extent of the improvement to be made and the boundaries of the improvement district, shall describe the method of assessment to be used, shall declare the estimated cost and the proportion thereof to be borne by assessments, and shall contain a finding as to the result of the balloting by property owners in case the improvement shall have been initiated by resolution.

Upon the adoption of the resolution establishing the district, the board shall have jurisdiction to proceed with the improvement. The board's findings on the sufficiency of petitions or on the results of the balloting shall be conclusive upon all persons. [1963 c 84 § 4; 1963 c 4 § 36.88.060. Prior: 1951 c 192 § 6.]

36.88.070 Diagram only preliminary determination. The diagram or print herein directed to be submitted to the board shall be in the nature of a preliminary determination upon the method, and estimated amounts, of assessments to be levied upon the property specially benefited by such improvement and shall in no case be construed as being binding or conclusive as to the amount of any assessments which may ultimately be levied. [1963 c 4 § 36.88.070. Prior: 1951 c 192 § 7.]

36.88.080 Property included in district—Method of assessment—Assessment limited by benefit. Every resolution ordering any improvement mentioned in this chapter, payment for which shall be in whole or in part by special assessments shall establish a road improvement district which shall embrace as near as may be all the property specially benefited by such improvement and the board shall apply thereto such method of assessment as shall be deemed most practical and equitable under the conditions prevailing: *Provided*, That no assessment as determined by the board of commissioners shall be levied which shall be greater than the special benefits derived from the improvements. [1963 c 84 § 5; 1963 c 4 § 36.88.080. Prior: 1951 c 192 § 8.]

36.88.090 Assessment roll—Hearing—Notice—Objections—New hearing. Whenever the assessment roll for any county road improvement district shall have been prepared such roll shall be filed with the clerk of the board. The board shall thereupon by resolution set the date for hearing upon such roll before the board and direct the clerk to give notice of such hearing and the time and place thereof.

Such notice shall specify such time and place of hearing on such roll and shall notify all persons who may desire to object thereto to make such objection in writing

and to file the same with such clerk at or prior to the date fixed for such hearing; and that at the time and place fixed and at such other times as the hearing may be continued to, the board will sit as a board of equalization for the purpose of considering such roll and at such hearing will consider such objections made thereto, or any part thereof, and will correct, revise, raise, lower, change or modify such roll or any part thereof, or set aside such roll in order that such assessment be made de novo as to such body shall appear just and equitable and then proceed to confirm the same by resolution.

Notice of the time and place of hearing under such assessment roll shall be given to the owner or reputed owner of the property whose name appears thereon, by mailing a notice thereof at least fifteen days before the date fixed for the hearing to such owner or reputed owner at the address of such owner as shown on the tax rolls of the county treasurer; and in addition thereto such notice shall be published at least two times in a newspaper of general circulation in the county if the newspaper is published weekly, but shall be published at least five times in such newspaper if said newspaper is published daily. At least fifteen days must elapse between the date of last publication thereof and the date fixed for such hearing: *Provided*, That mosquito control districts shall only be required to give notice by publication. The time and place of hearing under such assessment roll shall be published in two consecutive issues of a newspaper of general circulation in the county if the newspaper is published weekly, but shall be published in at least five consecutive issues of such newspaper if said newspaper is published daily. At least fifteen days must elapse between the date of last publication thereof and the date fixed for such hearing.

The board, at the time fixed for hearing objections to the confirmation of said roll, or at such time or times as said hearing may be adjourned to, shall have power to correct, revise, raise, lower, change or modify such roll or any part thereof, and to set aside such roll in order that such assessment be made de novo as to the board shall appear equitable and just, and then shall confirm the same by resolution. All objections shall be in writing and filed with the board and shall state clearly the grounds objected to, and objections not made within the time and in the manner herein described shall be conclusively presumed to have been waived.

Whenever any such roll shall be amended so as to raise any assessments appearing thereon, or to include property subject to assessment which has been omitted from the assessment roll for any reason a new hearing, and a new notice of hearing upon such roll, as amended, shall be given as in the case of an original hearing and at the conclusion of such hearing the board may confirm the same or any portion thereof by resolution and certify the same to the treasurer for collection. Whenever any property shall have been entered originally on such roll, and the assessment upon such property shall not be raised, no objections thereto shall be considered by the board or by any court on appeal, unless such objections be made in writing at or prior to the date fixed for the original hearing upon such roll. [1972 ex.s. c 62 § 1; 1963 c 4 § 36.88.090. Prior: 1951 c 192 § 9.]

No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any such assessment or for the sale of any property to pay such assessment or any certificate of delinquency issued therefor or the foreclosure of any lien issued therefor, but this section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds that the property about to be sold does not appear upon the assessment roll, or that the assessment has been paid. [1963 c 4 § 36.88.110. Prior: 1951 c 192 § 11.]

36.88.120 Assessment is lien on property—Superiority. The charge on the respective lots, tracts, parcels of land and other property for the purpose of special assessment to pay the cost and expense in whole or in part of any construction or improvement authorized in this chapter, when assessed, and the assessment roll confirmed by the board shall be a lien upon the property assessed from the time said assessment rolls shall be placed in the hands of the county treasurer for collection. Interest and penalty shall be included in and shall be a part of the assessment lien. If the board of county commissioners shall determine to establish such fund it shall be designated "----- county road improvement guaranty fund" and from moneys available for road purposes such county shall deposit annually in said guaranty fund such sums as may be necessary to establish and maintain a balance therein equal to at least five percent of the outstanding obligations guaranteed thereby and to make necessary provision in its annual budget therefor. The moneys held in the guaranty fund may be invested in obligations of the government of the United States or of this state. [1967 ex.s. c 145 § 63; 1963 c 4 § 36.88.220. Prior: 1959 c 134 § 2; 1951 c 192 § 22.]

36.88.230 Improvement bonds—Guaranty fund in certain counties—Operation. Whenever there shall be paid out of a guaranty fund any sum on account of principal or interest of a road improvement district bond or warrant, the county, as trustee for the fund, shall be subrogated to all the rights of the holder of the bond or interest coupon or warrant so paid, and the proceeds thereof, or of the assessment underlying the same, shall become part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from bank deposits or government securities of the fund, as well as any surplus remaining in any local improvement fund guaranteed hereunder after the payment of all outstanding bonds or warrants payable primarily out of such road improvement fund. Warrants drawing interest at a rate not to exceed six percent shall be issued, as other warrants are issued by the county, against a guaranty fund to meet any liability accruing against it, and at the time of making its annual budget and tax levy the county shall provide from funds available for road purposes for the deposit in the guaranty fund of a sum sufficient with other resources of such fund to pay warrants so issued during the preceding fiscal year. As among the

several issues of bonds or warrants guaranteed by the fund no preference shall exist, but defaulted interest coupons, bonds and warrants shall be purchased out of the fund in the order of their presentation.

Every county establishing a guaranty fund for road improvement district bonds or warrants shall prescribe by resolution appropriate rules and regulations for the maintenance and operation of the guaranty fund not inconsistent herewith. So much of the money of a guaranty fund as is necessary may be used to purchase underlying bonds or warrants guaranteed by the fund, or to purchase certificates of delinquency for general taxes on property subject to local improvement assessments, or to purchase such property at tax foreclosures, for the purpose of protecting the guaranty fund. Said fund shall be subrogated to the rights of the county, and the county, acting on behalf of said fund, may foreclose the lien of general tax certificates of delinquency and purchase the property at the foreclosure sale for the account of said fund. Whenever the governing authority of any county shall so cause a lien of general tax certificates of delinquency to be foreclosed and the property to be so purchased at a foreclosure sale, the court costs and costs of publication and expenses for clerical work and/or other expense incidental thereto, shall be chargeable to and payable from the guaranty fund. After so acquiring title to real property, a county may lease or sell and convey the same at public or private sale for such price and on such terms as may be determined by resolution of the board of commissioners or other legislative body, and all proceeds resulting from such sales shall belong to and be paid into the guaranty fund. [1963 c 4 § 36.88-.230. Prior: 1951 c 192 § 23.]

36.88.240 Improvement bonds—Repayment restricted to special funds—Remedies of bondholder—Notice of restrictions. Neither the holder nor the owner of any bond or warrant issued under the provisions of this chapter shall have any claim therefor against the county by which the same is issued, except for payment from the special assessments made for the improvement for which said bond or warrant was issued and except as against the improvement guaranty fund of such county, and the county shall not be liable to any holder or owner of such bond or warrant for any loss to the guaranty fund occurring in the lawful operation thereof by the county. The remedy of the holder or owner of a bond, or warrant in case of nonpayment, shall be confined to the enforcement of any assessments made in such road improvement district and to the guaranty fund. In case the bonds are guaranteed in accordance herewith a copy of the foregoing part of this section shall be plainly written, printed or engraved on each bond issued and guaranteed hereunder. To provide funds to pay the whole or any part of the cost of any such conversion or initial installation, together with the expense of furnishing electric energy, maintenance and operation to any ornamental street lighting facilities served from underground electrical facilities, every county shall have the power to create county road improvement districts and to levy and collect special assessments against the real property specially benefited by such conversion or initial installation. For the purpose of ascertaining the amount to be assessed against each lot or parcel of land within any county road improvement district established pursuant to RCW 36.88.410 through 36.88.480, in addition to other methods provided by law for apportioning special benefits, the county commissioners may apportion all or part

of the special benefits accruing on a square footage basis or on a per lot basis.

That portion of the assessments levied in any county road improvement district to pay part of the cost of the initial installation of underground electric and communication facilities shall not exceed the cost of such installation, less the estimated cost of constructing overhead facilities providing equivalent service. [1971 ex.s. c 103 § 2; 1967 c 194 § 3.]

36.88.440 Underground electric and communication facilities, installation or conversion to—Contracts with electric and communication utilities—Authorized—Provisions. Every county shall have the power to contract with electric and communication utilities for the conversion of existing overhead electric and communication facilities to underground facilities, for the conversion of existing street and road lighting facilities to ornamental street and road lighting facilities to be served from underground electrical facilities[,] for the initial installation of ornamental street and road lighting facilities to be served from underground electrical facilities and for the initial installation of underground electric and communication facilities. When service from the underground electric and communication facilities is available in all or part of a conversion area, the county shall mail a notice to the owners of all structures or improvements served from the existing overhead facilities in the area, which notice shall state that:

(1) Service from the underground facilities is available;

(2) All electric and communication service lines from the existing overhead facilities within the area to any structure or improvement must be disconnected and removed within one hundred twenty days after the date of the mailing of the notice;

(3) Should such owner fail to convert such service lines from overhead to underground within one hundred twenty days after the date of the mailing of the notice, the county will order the electric and communication utilities to disconnect and remove the service lines;

(4) Should the owner object to the disconnection and removal of the service lines he may file his written objections thereto with the secretary of the board of county commissioners within one hundred twenty days after the date of the mailing of the notice and failure to so object within such time will constitute a waiver of his right thereafter to object to such disconnection and removal.

If the owner of any structure or improvement served from the existing overhead electric and communication facilities within a conversion area shall fail to convert to underground the service lines from such overhead facilities to such structure or improvement within one hundred twenty days after the mailing to him of the notice, the county shall order the electric and communication utilities to disconnect and remove all such service lines: *Provided*, That if the owner has filed his written objections to such disconnection and removal with the secretary of the board of county commissioners within one hundred twenty days after the mailing of said notice then the county shall not order such disconnection and removal until after the hearing on such objections.

Upon the timely filing by the owner of objections to the disconnection and removal of the service lines, the board of county commissioners shall conduct a hearing to determine whether the removal of all or any part of the service lines is in the public benefit. The hearing shall be held at such time as the board of county commissioners may establish for hearings on such objections and shall be held in accordance with the regularly established procedure set by the board. The determination reached by the board of county commissioners shall be final in the absence of an abuse of discretion. [1967 c 194 § 5.]

Every county may establish a fund for the purpose of guaranteeing to the extent of such fund and in the manner hereinafter provided, the payment of its county road improvement district bonds and warrants issued to pay for the underground conversion of electric and communication facilities and the underground conversion or installation of ornamental road and street lighting facilities ordered under this chapter. If the board of county commissioners shall determine to establish such fund it shall be designated "----- utility conversion guaranty fund" and from moneys available such county shall deposit annually in said guaranty fund such sums as may be necessary to establish and maintain a balance therein equal to at least five percent of the outstanding obligations guaranteed thereby and to make necessary provision in its annual budget therefor. The moneys held in the guaranty fund may be invested in certificates, notes, or bonds of the United States of America, or in state, county, municipal or school district bonds, or in warrants of taxing districts of the state; provided, only, that such bonds and warrants shall be general obligations. [1967 c 194 § 6.]

36.88.470 Underground electric and communication facilities, installation or conversion to—Utility conversion guaranty fund—Operation. Whenever there shall be paid out of the guaranty fund any sum on account of principal or interest of a county road improvement district bond or warrant, the county, as trustee for the fund, shall be subrogated to all the rights of the holder of the bond or interest coupon or warrant so paid, and the proceeds thereof, or of the assessment underlying the same, shall become part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from investments of the fund, as well as any surplus remaining in any county road improvement fund guaranteed hereunder after the payment of all outstanding bonds or warrants payable primarily out of such utility conversion county road improvement district fund. Warrants drawing interest at a rate not to exceed six percent shall be issued, as other warrants are issued by the county, against the guaranty fund to meet any liability accruing against it, and at the time of making its annual budget and tax levy the county shall provide from funds available for the deposit in the guaranty fund of a sum sufficient with other resources of such fund to pay warrants so issued during the preceding fiscal year. As among the several issues of bonds or warrants guaranteed by the fund no preference shall exist, but defaulted interest coupons, bonds and warrants shall be purchased out of the fund in the order of their presentation.

Every county establishing a guaranty fund for utility conversion road improvement district bonds or warrants shall prescribe by resolution appropriate rules and regulations for the maintenance and operation of such guaranty fund not inconsistent herewith. So much of the money of a guaranty fund as is necessary may be used to purchase underlying bonds or warrants guaranteed by the fund, or to purchase certificates of delinquency for general taxes on property subject to local improvement assessments, or to purchase such property at tax foreclosures, for the purpose of protecting the guaranty fund. The fund shall be subrogated to the rights of the county and the county, acting on behalf of the fund, may foreclose the lien of general tax certificates of delinquency and purchase the property at the foreclosure sale for the account of said fund. Whenever the governing authority of any county shall so cause a lien of general tax certificates of delinquency to be foreclosed and the property to be so purchased at a foreclosure sale, the court costs and costs of publication and expenses for clerical work and/or other expense incidental thereto, shall be chargeable to and payable from the guaranty fund. After so acquiring title to real property, a county may lease or sell and convey the same at public or private sale for such price and on such terms as may be determined by resolution of the board of county commissioners or other legislative body, and all proceeds resulting from such sales shall belong to and be paid into the guaranty fund. [1967 c 194 § 7.]

It is further the intent of this chapter that the constitutional autonomy of the various county officers be preserved while providing such officials with a centralized department to perform ministerial functions for them on the most modern and efficient machines available. [1967 ex.s. c 103 § 2.]

36.93.010 Purpose. The legislature finds that in metropolitan areas of this state, experiencing heavy population growth, increased problems arise from rapid proliferation of municipalities and haphazard extension of and competition to extend municipal boundaries. These problems affect adversely the quality and quantity and cost of municipal services furnished, the financial integrity of certain municipalities, the consistency of local regulations, and many other incidents of local government. Further, the competition among municipalities for unincorporated territory and the disorganizing effect thereof on land use, the preservation of property values and the desired objective of a consistent comprehensive land use plan for populated areas, makes it appropriate that the legislature provide a method of guiding and controlling the creation and growth of municipalities in metropolitan areas so that such problems may be avoided and that residents and businesses in those areas may rely on the logical growth of local government affecting them. [1967 c 189 § 1.]

36.93.020 Definitions. As used herein:

(1) "Governmental unit" means any incorporated city or town, metropolitan municipal corporation, or any special purpose district as defined in this section.

(2) "Special purpose district" means any sewer district, water district, fire protection district, drainage improvement district, drainage and diking improvement district, flood control zone district, irrigation district, metropolitan park district, drainage district, or public utility district engaged in water distribution.

(3) "Board" means a boundary review board created by or pursuant to this chapter. [1979 1st ex.s. c 30 § 5; 1967 c 189 § 2.]

36.93.030 Creation of boundary review boards in class AA, class A counties—Procedure for creation in other counties. (1) There is hereby created and established in each class AA and class A county a board to be known and designated as a "boundary review board".

(2) A boundary review board may be created and established in any other class county in the following manner:

(a) The board of county commissioners may, by majority vote, adopt a resolution establishing a boundary review board; or

(b) A petition seeking establishment of a boundary review board signed by qualified electors residing in the county equal in number to at least five percent of the votes cast in the county at the last county general election may be filed with the county auditor.

Upon the filing of such a petition, the county auditor shall examine the same and certify to the sufficiency of the signatures thereon. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days after the filing of such petition, the county auditor shall transmit the same to the board of county commissioners, together with his certificate of sufficiency.

After receipt of a valid petition for the establishment of a boundary review board, the board of county commissioners shall submit the question of whether a boundary review board should be established to the electorate at the next county primary or county general election which occurs more than thirty days from the date of receipt of the petition. Notice of the election shall be given as provided in RCW 29.27.080 and shall include a clear statement of the proposal to be submitted.

If a majority of the persons voting on the proposition shall vote in favor of the establishment of the boundary review board, such board shall thereupon be deemed established. [1969 ex.s. c 111 § 1; 1967 c 189 § 3.]

36.93.040 Dates upon which boards in counties other than class AA and class A deemed established. For the purposes of this chapter, counties other than class AA and class A shall be deemed to have established boundary review boards on and after the date a proposition for establishing the same has been approved at an election as provided for in RCW 36.93.030, or on and after the date of adoption of a resolution of the board of county commissioners establishing the same as provided for in RCW 36.93.030. [1967 c 189 § 4.]

36.93.050 Appointment of boards—Members—Qualifications—Terms—Vacancies. After the effective date of this act, the governor shall within forty-five days appoint a board for each class AA county consisting of eleven members as provided for in this section. After a board has been established in a county other than class AA by resolution, by operation of law or by

approval of the electors after an election initiated by petition, the governor shall appoint a board within forty-five days for each such county consisting of five members as provided for in this section.

Of the members of the first board to be appointed in class AA counties after the taking effect of this section, four members, consisting of one member appointed from each of the four classes of nominees, shall have terms expiring January 1, 1970; four members, consisting of one member appointed from each of the four classes of nominees, shall have terms expiring January 1, 1972; and three members consisting of one member from each of the three classes of nominees furnishing three members to the board, shall have terms expiring January 1, 1974. When any county establishes a board of five members, two members shall have a term of not less than two years, nor more than four years; two members shall have a term of not less than four years, and not more than six years; and one member shall have a term of not less than six years, nor more than eight years. Upon the expiration of the terms of the initial members first to be appointed, each succeeding member shall be appointed and hold office for a term of six years.

Any vacancy on an eleven member or five member board shall be filled by appointment by the governor from the same source as the preceding member, which source shall have the opportunity to make new nominations for the vacated position, and such appointee shall serve only for the balance of the full term of his predecessor.

In each boundary review board which consists of eleven members, all members shall be residents of the county in which the review board is established. Three members shall be selected independently by the governor and the remaining eight members shall be selected by the governor from the following sources:

(1) Three members shall be selected from nominees of the individual mayors of the cities and towns within the county;

(2) Three members shall be selected from nominees of the individual members of the board of county commissioners; and

(3) Two members shall be selected from nominees of each special purpose district lying wholly or partly within the county. Selection shall be made so that the terms of not more than one appointee from each source expires in any one year.

If a period of sixty days shall elapse without the board's jurisdiction having been invoked as set forth in this section, the proposed action shall be deemed approved. [1967 c 189 § 10.]

36.93.110 When review not necessary. In case of annexation to a city or a town, where the area proposed for annexation is less than ten acres and less than eight hundred thousand dollars in assessed valuation, the chairman of the review board may by written statement declare that review by the board is not necessary for the protection of the interest of the various parties, in which case the board shall not review such annexation. [1973 1st ex.s. c 195 § 42; 1967 c 189 § 11.]

Severability—Effective dates and termination dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

36.93.120 Fees. 36.93.140 Pending actions not affected. Actions described in RCW 36.93.090 which are pending July 1, 1967, or actions in counties other than class AA or class A which are pending on the date of the creation of a boundary review board therein, shall not be affected by the provisions of this chapter. Actions shall be deemed pending on and after the filing of sufficient petitions initiating the same with the appropriate public officer, or the performance of an official act initiating the same. [1967 c 189 § 14.]

36.93.150 Review of proposed actions—Actions and determinations of board—Disapproval, effect. The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

Unless the board shall disapprove a proposal, it shall be presented under the appropriate statute for approval of a public body and, if required, a vote of the people. A proposal that has been modified shall be presented under the appropriate statute for approval of a public body and if required, a vote of the people. If a proposal after modification does not contain enough signatures of persons within the modified area, as are required by law, then the initiating party, parties or governmental unit has thirty days after the modification decision to secure enough signatures to satisfy the legal requirement. If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

When the board, after due proceedings held, disapproves a proposed action, such proposed action shall be unavailable, the proposing agency shall be without power to initiate the same or substantially the same as determined by the board, and any succeeding acts intended to or tending to effectuate that action shall be void, but such action may be reinitiated after a period of twelve months from date of disapproval and shall again be subject to the same consideration. [1979 1st ex.s. c 5 § 13;

36.93.160 Hearings—Notice—Record—Subpoenas—Decision of board—Appeals. (1) When the jurisdiction of the boundary review board has been invoked, the board shall set the date, time and place for a public hearing on the proposal. The board shall give at least thirty days' advance written notice of the date, time and place of the hearing to the governing body of each governmental unit having jurisdiction within the boundaries of the territory proposed to be annexed, formed, incorporated, disincorporated, dissolved or consolidated, or within the boundaries of a special district whose assets and facilities are proposed to be assumed by a city or town, and to the governing body of each city within three miles of the exterior boundaries of such area and to the proponent of such change. Notice shall also be given by publication in any newspaper of general circulation in the area of the proposed boundary change at least three times, the last publication of which shall be not less than five days prior to the date set for the public hearing. Notice shall also be posted in ten public places in the area affected for five days when the area is ten acres or more. When the area affected is less than ten acres, five notices shall be posted in five public places for five days. If the board after such hearing shall determine to modify the proposal by adding territory, then the board shall set a date, time and place for an additional hearing on the modification, for which notice shall be given as provided in this subsection.

(2) A verbatim record shall be made of all testimony presented at the hearing and upon request and payment of the reasonable costs thereof, a copy of the transcript of such testimony shall be provided to any person or governmental unit.

(3) The chairman upon majority vote of the board or a panel may direct the chief clerk of the boundary review board to issue subpoenas to any public officer to testify, and to compel the production by him of any records, books, documents, public records or public papers.

(4) Within forty days after the conclusion of the final hearing on the proposal, the board shall file its written decision, setting forth the reasons therefor, with the board of county commissioners and the clerk of each governmental unit directly affected. The written decision shall indicate whether the proposed change is approved, rejected or modified and, if modified, the terms of such modification. The written decision need not include specific data on every factor required to be considered by the board, but shall indicate that all standards were given consideration. Dissenting members of the board shall have the right to have their written dissents included as part of the decision.

(5) Unanimous decisions of the hearing panel or a decision of a majority of the members of the board shall constitute the decision of the board and shall not be appealable to the whole board. Any other decision shall be appealable to the entire board within ten days. Appeals

shall be on the record, which shall be furnished by the appellant, but the board may, in its sole discretion, permit the introduction of additional evidence and argument. Decisions shall be final and conclusive unless within ten days from the date of said action a governmental unit affected by the decision or any person owning real property or residing in the area affected by the decision files in the superior court a notice of appeal.

The filing of such notice of appeal within such time limit shall stay the effective date of the decision of the board until such time as the appeal shall have been adjudicated or withdrawn. On appeal the superior court shall not take any evidence other than that contained in the record of the hearing before the board.

(6) The superior court may affirm the decision of the board or remand the case for further proceedings; or it may reverse the decision if any substantial rights may have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

Such appeal shall be taken in the manner provided by law for appeals from the superior court in other civil cases. [1971 c 81 § 97; 1969 ex.s. c 111 § 9; 1967 c 189 § 16.]

(1) Population and territory; population density; land area and land uses; comprehensive use plans and zoning; per capita assessed valuation; topography, natural boundaries and drainage basins, proximity to other populated areas; the existence of prime agricultural soils and agricultural uses; the likelihood of significant growth in the area and in adjacent incorporated and unincorporated areas during the next ten years; location and most desirable future location of community facilities.

(2) Municipal services; need for municipal services; effect of ordinances, governmental codes, regulations and resolutions on existing uses; present cost and adequacy of governmental services and controls in area; prospects of governmental services from other sources; probable future needs for such services and controls; probable effect of proposal or alternative on cost and adequacy of services and controls in area and adjacent area; the effect on the finances, debt structure, and contractual obligations and rights of all affected governmental units.

(7) Adjustment of impractical boundaries;

(8) Incorporation as cities or towns or annexation to cities or towns of unincorporated areas which are urban in character; and

(9) Protection of agricultural lands.

(10) Provide reasonable assurance that the extension of municipal services and the additional payments to be made by the property owners of the area to be annexed in the form of taxes bear a reasonable relation to the value of the additional municipal services to be received. This objective shall apply only to cities with a population of 400,000 or more which initiates a resolution for annexation proceedings. [1979 1st ex.s. c 142 § 2; 1967 c 189 § 18.]

36.93.190 Decision of board not to affect existing franchises, permits, codes, ordinances, etc., for ten years. For a period of ten years from the date of the final decision, no proceeding, approval, action, or decision on a proposal or an alternative shall be deemed to cancel any franchise or permit theretofore granted by the authorities governing the territory to be annexed, nor shall it be deemed to supersede the application as to any territory to be annexed, of such construction codes and ordinances (including but not limited to fire, electrical, and plumbing codes and ordinances) as shall have been adopted by the authorities governing the territory to be annexed and in force at the time of the decision. [1967 c 189 § 19.]

board shall also publish or otherwise circulate notice of its intended action and afford interested persons opportunity to submit data or views either orally or in writing. Such notice shall include (1) a statement of the time, place, and nature of public rule-making proceedings, (2) reference to the authority under which the rule is proposed, and (3) either the terms or substance of the proposed rule or a description of the subjects and issues involved.

This paragraph shall not apply to interpretative rules, general statements of policy, or rules of internal board organization, procedure or practice. [1967 c 189 § 20.]

36.93.220 Provisions of prior laws superseded by chapter. Whenever a review board has been created pursuant to the terms of this chapter, the provisions of law relating to city annexation review boards set forth in chapter 35.13 RCW and the powers granted to the boards of county commissioners to alter boundaries of proposed annexations or incorporations shall not be applicable. [1967 c 189 § 22.]

Eleven member boards created and established in class A counties by the 1967 legislature shall be reduced to five member boards as provided in this section. The governor shall not make any appointments, except for vacancies to fill unexpired terms, to the boards in these class A counties until 1972, at which time one appointment shall be made by the governor, independently, and one appointment from among the nominees of the special purpose districts as provided in RCW 36.93.060, whose terms shall expire on January 1, 1974. In 1974 the governor shall appoint five members to the board as provided in RCW 36.93.060. The reduction in members by this section shall not affect the board's jurisdiction over cases pending at the time of reduction. [1969 ex.s. c 111 § 10.]

36.94.110 Adherence to plan—Procedure for amendment. After adoption of the sewerage and/or water general plan, all municipal corporations and private utilities within the plan area shall abide by and adhere

to the plan for the future development of their systems. Whenever the governing authority of any county or counties or any municipal corporation deems it to be for the public interest to amend the sewerage and/or water general plan for such county or counties, notice shall be filed with the board or boards of county commissioners. Upon such notice, the board or boards shall initiate consideration of any amendment requested relating to the plan and proceed as provided in this chapter for the adoption of an original plan. 36.94.130 Adoption of rules and regulations. The board of county commissioners may adopt by resolution reasonable rules and regulations governing the construction, maintenance, operation, use, connection and service of the system of sewerage and/or water. [1967 c 72 § 13.]

36.94.140 Authority of county to operate system—Rates and charges, fixing of—Factors to be considered. Every county, in the operation of a system of sewerage and/or water, shall have full jurisdiction and authority to manage, regulate and control it and to fix, alter, regulate and control the rates and charges for the service to those to whom such county service is available, and to levy charges for connection to such system. The rates for availability of service and connection charges so charged must be uniform for the same class of customers or service.

In classifying customers served, service furnished or made available by such system of sewerage and/or water, or the connection charges, the board may consider any or all of the following factors:

- (1) The difference in cost of service to the various customers within or without the area;
- (2) The difference in cost of maintenance, operation, repair and replacement of the various parts of the systems;
- (3) The different character of the service furnished various customers;
- (4) The quantity and quality of the sewage and/or water delivered and the time of its delivery;

(5) Capital contributions made to the system or systems, including, but not limited to, assessments; and

(6) Any other matters which present a reasonable difference as a ground for distinction.

Such rates shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements, and all other charges necessary for the efficient and proper operation of the system. [1975 1st ex.s. c 188 § 2; 1967 c 72 § 14.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

All counties operating a system of sewerage and/or water shall have a lien for delinquent connection charges and charges for the availability of sewerage and/or water service, together with interest fixed by resolution at eight percent per annum from the date due until paid. Penalties of not more than ten percent of the amount due may be imposed in case of failure to pay the charges at times fixed by resolution. The lien shall be for all charges, interest, and penalties and shall attach to the premises to which the services were available. The lien shall be superior to all other liens and encumbrances, except general taxes and local and special assessments of the county.

The county department established in RCW 36.94.120 shall certify periodically the delinquencies to the treasurer of the county at which time the lien shall attach.

Upon the expiration of sixty days after the attachment of the lien, the county may bring suit in foreclosure by civil action in the superior court of the county where the property is located. In addition to the costs and disbursements provided by statute, the court may allow the county a reasonable attorney's fee. The lien shall be foreclosed in the same manner as the foreclosure of real property tax liens. [1975 1st ex.s. c 188 § 3; 1967 c 72 § 15.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

[1967 c 72 § 16.]

The primary authority to construct, operate and maintain a system of sewerage and/or water within the boundaries of a municipal corporation which lies within the area of the county's sewerage and/or water general plan shall remain with such municipal corporation. A county, after it has adopted and received the necessary approvals of its sewer and/or water general plan under the provisions of chapter 36.94 RCW may construct, own, operate and maintain a system of sewerage and/or water within the boundaries of a city or town with the written consent of such city or town and within

any other municipal corporation provided such municipal corporation (1) has the legislative authority to operate such a utility; and (2) (a) has given its written consent to the county to operate therein; or (b) after adoption of a comprehensive plan or an amendment thereto for the area involved, the municipal corporation has not within twelve months after receiving notice by the county of its intention to serve that area held a formation hearing for a utility local improvement district.

Prior to exercising any authority granted in this section, the county shall compensate such municipal corporation for its reasonable costs, expenses and obligations actually incurred or contracted which are directly related to and which benefit the area which the county proposes to serve. The county may contract with a municipal corporation to furnish such utility service within any municipal corporation.

Except in the case of annexations provided for in RCW 36.94.180, once a county qualifies under this section to serve within a municipal corporation, no municipal corporation may construct or operate a competing utility in the same territory to be served by the county if the county proceeds within a reasonable period of time with the construction of its proposed facilities including the sale of any bonds to finance the same.

As may be permitted by other statutes, a city or town may provide water or sewer service outside of its corporate limits, but such service may not conflict with the county plan or any county, sewer or water facilities installed or being installed.

A county proposing to exercise any authority granted in this section shall give written notice of such intention to the municipal corporation involved and to the boundary review board, if any, of such county. Within sixty days of the filing of such notice of intention, review by the boundary review board of the proposed action may be requested as provided by the provisions of RCW 36.93.100 through 36.93.180. In the event of such review, the board shall consider the factors set forth in this section in addition to the factors and objectives set forth in RCW 36.93.170 and 36.93.180. [1971 ex.s. c 96 § 7; 1967 c 72 § 17.]

~~Construction—Severability—1971 ex.s. c 96: See notes following RCW 36.94.010.~~

36.94.180 Transfer of system upon annexation of area. In the event of the annexation to a city or town of an area in which a county is operating a sewerage and/or water system, the property, facilities, and equipment of such sewerage and/or water system lying within the annexed area may be transferred to the city or town if such transfer will not materially affect the operation of any of the remaining county system, subject to the assumption by the city or town of the county's obligations relating to such property, facilities, and equipment, under the procedures specified in *RCW 35.13.220 through 35.13.246 inclusive, and pursuant to the authority contained in *RCW 35.13.250 as now existing or hereafter amended. [1971 ex.s. c 96 § 8; 1967 c 72 § 18.]

*Reviser's note: RCW 35.13.220 through 35.13.246 and RCW 35.13.250 were repealed; see Table of Disposition of Former RCW Sections. For later enactments, see chapter 35.13A RCW.

The state and such city, town, person, firm, corporation, municipal corporation and any other municipal corporation created under the laws of the state of Washington and not limited as defined in RCW 36.94.010, and political subdivision, is authorized to contract with a county or counties for such purposes. [1967 c 72 § 19.]

36.94.200 Indebtedness—Bonds. [1967 c 72 § 20.]

Utility local improvement districts may include territory within a city or town only with the written consent of the city or town, but if the local district is formed before

such area is included within the city or town, no such consent shall be necessary. The levying, collection and enforcement of all public assessments hereby authorized shall be in the manner now and hereafter provided by law for the levying, collection and enforcement of local improvement assessments by cities of the first class, insofar as the same shall not be inconsistent with the provisions of this chapter. The duties devolving upon the city treasurer under such laws are imposed upon the county treasurer for the purposes of this chapter. The mode of assessment shall be in the manner to be determined by the board of county commissioners by resolution. Assessments in any utility local improvement district may be made on the basis of special benefits up to but not in excess of the total cost of any sewerage and/or water improvement. In utility local improvement districts, assessments shall be deposited into the revenue bond fund or general obligation bond fund established for the payment of bonds issued to pay such costs which bond payments are secured in part by the pledge of assessments. 36.94.230 Utility local improvement districts—Initiation of district—Resolution method—Petition method—Resolution of intention—Publication—Notice to property owners—Contents. Utility local improvement districts to carry out all or any portion of the general plan, or additions and betterments thereof, may be initiated either by resolution of the board of county commissioners or by petition signed by the owners according to the records of the office of the county auditor of at least fifty-one percent of the area of land within the limits of the utility local improvement district to be created.

In case the board shall desire to initiate the formation of a utility local improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed utility local improvement district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, and fixing a date, time and place for a public hearing on the formation of the proposed local district.

In case any such utility local improvement district shall be initiated by petition, such petition shall set forth the nature and territorial extent of such proposed improvement and the fact that the signers thereof are the owners according to the records of the county auditor of at least fifty-one percent of the area of land within the limits of the utility local improvement district to be created. Upon the filing of such petition with the clerk of

the board of county commissioners, the board shall determine whether the same shall be sufficient, and the board's determination thereof shall be conclusive upon all persons. No person shall withdraw his name from said petition after the filing thereof with the clerk of the board of county commissioners. If the board shall find the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of said improvement, designating the number of the proposed local district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time and place for a public hearing on the formation of the proposed local district.

Notice of the adoption of the resolution of intention, whether adopted on the initiative of the board or pursuant to a petition of the property owners, shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed local district, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of county commissioners. The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date, time and place of the hearing before the board of county commissioners; and in the case of improvements initiated by resolution, said notice shall also state that all persons desiring to object to the formation of the proposed district must file their written protests with the clerk of the board of county commissioners before the time fixed for said public hearing. [1971 ex.s. c 96 § 10; 1967 c 72 § 23.]

Whether the improvement is initiated by petition or resolution, the board shall conduct a public hearing at the time and place designated in the notice to the property owners. At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in plans for the proposed improvement as shall be deemed necessary: *Provided*, That the board may not change the boundaries of

the district to include property not previously included therein without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time herein provided for the original notice.

After said hearing the commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution: *Provided*, That the jurisdiction of the commissioners to proceed with any improvement initiated by resolution shall be divested by protests filed with the clerk of the board prior to said public hearing signed by the owners, according to the records of the county auditor, of at least forty percent of the area of land within the proposed local district. No action whatsoever may be maintained challenging the jurisdiction or authority of the county to proceed with the improvement and creating the utility local improvement district or in any way challenging the validity thereof or any proceedings relating thereto unless that action is served and filed no later than thirty days after the date of passage of the resolution ordering the improvement and creating the local district.

If the commissioners find that the district should be formed, they shall by resolution order the improvement, adopt detailed plans of the utility local improvement district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the county such eminent domain proceedings and supplemental assessment or reassessment proceedings to pay all eminent domain awards as may be necessary to entitle the county to proceed with the work. The board of county commissioners shall proceed with the work and file with the county treasurer its roll levying special assessments in the amount to be paid by special assessment against the property situated within the local utility improvement district in proportion to the special benefits to be derived by the property therein from the improvement. [1971 ex.s. c 96 § 11; 1967 c 72 § 24.]

The notice shall also be given by mailing at least fifteen days before the hearing, a similar notice to the owners or reputed owners of the land in the local district as they appear on the books of the treasurer of the county. [1967 c 72 § 25.]

36.94.260 Utility local improvement districts—
Hearing on protests—Order. At such hearing on a protest to an assessment, or any adjournment thereof,

the board of county commissioners shall have power to correct, revise, raise, lower, change or modify such roll, or any part thereof, and to set aside such roll, and order that such assessment be made de novo, as to such body shall appear equitable and just and may then by resolution approve the same. In the event of any assessment being raised a new notice similar to such first notice shall be given, after which final approval of such roll may be made by the board of county commissioners. Whenever any property shall have been entered originally upon such roll and the assessment upon any such property shall not be raised, no objection thereto shall be considered by the commissioners or by any court on appeal unless such objection be made in writing at, or prior, to the date fixed for the original hearing upon such roll. [1967 c 72 § 26.]

36.94.270 Utility local improvement districts—
Enlarged local district may be formed. In the event that any portion of the system after its installation in such utility local improvement district is not adequate for the purpose for which it was intended, or that for any reason changes, alterations or betterments are necessary in any portion of the system after its installation, then such district, with boundaries which may include one or more existing utility local improvement districts, may be created in the same manner as is provided herein for the creation of utility local improvement districts. Upon the organization of such utility local improvement district as provided for in this section the plan of the improvement and the payment of the cost of the improvement shall be carried out in the same manner as is provided herein for the carrying out of and the paying for the improvement in the utility local improvement districts previously provided for in this chapter. [1967 c 72 § 27.]

36.94.280 Utility local improvement districts—
Conclusiveness of roll when approved. Whenever any assessment roll for local improvements shall have been confirmed by the board of county commissioners as herein provided, the regularity, validity and correctness of the proceedings relating to such improvement and to the assessment therefor, including the action of the board upon such assessment roll and the confirmation thereof, shall be conclusive in all things upon all parties, and cannot in any manner be contested or questioned in any proceeding whatsoever by any person not filing written objections to such roll in the manner and within the time provided in this chapter, and not appealing from the action of the board of county commissioners in confirming such assessment roll in the manner and within the time in this chapter provided. No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any such assessment, or the sale of any property to pay such assessment, or any certificate of delinquency issued therefor, or the foreclosure of any lien issued therefor: *Provided*, That this section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds:

(1) That the property about to be sold does not appear upon the assessment roll, or

(2) That said assessment has been paid. [1967 c 72 § 28.]

The decision of the board of county commissioners upon any objections made within the time and in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the clerk of the board of county commissioners and with the clerk of the superior court within ten days after the resolution confirming such assessment roll shall have become published, and such notice shall describe the property and set forth the objections of such appellant to such assessment. Within the ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of said court, a transcript consisting of the assessment roll and his objections thereto, together with the resolution confirming such assessment roll and the record of the board of county commissioners with reference to said assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by such clerk of the board of county commissioners and by him certified to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs to which the county is put by reason of such appeal. The court may order the appellant upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require. Within three days after such transcript is filed in the superior court, as aforesaid, the appellant shall give written notice to the clerk of the board of county commissioners that such transcript is filed. Said notice shall state a time, not less than three days from the service thereof, when the appellant will call up the said cause for hearing. The superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference over all civil causes pending in said court, except proceedings under an act relating to eminent domain in such county and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have the custody of the assessment roll, and he shall modify and correct such assessment roll in accordance with such decision. An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of such superior

court, and the record and opening brief of the appellant in said cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal shall have been taken by notice as provided in this section. The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, change, modify, confirm or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision. **36.94.300 Utility local improvement districts—
Segregation of special assessment—Fee—Costs.** Whenever any land against which there has been levied any special assessment by a county shall have been sold in part or subdivided, the board of county commissioners of such county shall have the power to order a segregation of the assessment.

Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the board of county commissioners which levied the assessment. If the board determines that a segregation should be made, they shall by resolution order the county treasurer to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board of county commissioners may require as a condition to the order of segregation that the person seeking it pay the county the reasonable engineering and clerical costs incident to making the segregation. [1967 c 72 § 30.]

36.94.305 Service fees for sewers not constructed within ten years after voter approval—Credit against future assessments, service charges. See RCW 35.43.260.

36.94.310 Transfer of system from municipal corporation to county—Authorized. Subject to the provisions of RCW 36.94.310 through 36.94.350 a municipal corporation may transfer to the county within which all of its territory lies, all or part of the property constituting its system of sewerage, system of water or combined water and sewerage system, together with any of its

other real or personal property used or useful in connection with the operation, maintenance, repair, replacement, extension, or financing of that system, and the county may acquire such property on such terms as may be mutually agreed upon by the governing body of the municipal corporation and the legislative authority of the county, and approved by the superior court for such county. [1975 1st ex.s. c 188 § 7.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.320 Transfer of system from municipal corporation to county—Assumption of indebtedness. In consideration of a transfer of property by a municipal corporation to a county in the manner provided in RCW 36.94.310 through 36.94.350, a county may assume and agree to pay or provide for the payment of all or part of the indebtedness of a municipal corporation including the payment and retirement of outstanding general obligation and revenue bonds issued by a municipal corporation. Until the indebtedness of a municipal corporation thus assumed by a county has been discharged, all property within the municipal corporation and the owners and occupants of that property, shall continue to be liable for taxes, special assessments, and other charges legally pledged to pay such indebtedness. The county may assume the obligation of causing the payment of such indebtedness, collecting such taxes, assessments, and charges and observing and performing the other contractual obligations of the municipal corporation. The legislative authority of the county may act in the same manner as the governing body of the municipal corporation for the purpose of certifying the amount of any property tax to be levied and collected therein, and may cause service and other charges and assessments to be collected from such property or owners or occupants thereof, enforce such collection and perform all other acts necessary to insure performance of the contractual obligations of the municipal corporation in the same manner and by the same means as if the property of the municipal corporation had not been acquired by the county.

When a county assumes the obligation of paying indebtedness of a municipal corporation and if property taxes or assessments have been levied and service and other charges have accrued for such purpose but have not been collected by the municipal corporation prior to such assumption, the same when collected shall belong and be paid to the county and be used by such county so far as necessary for payment of the indebtedness of the municipal corporation existing and unpaid on the date such county assumed that indebtedness. Any funds received by the county which have been collected for the purpose of paying any bonded or other indebtedness of the municipal corporation shall be used for the purpose for which they were collected and for no other purpose until such indebtedness has been paid and retired or adequate provision has been made for such payment and retirement. No transfer of property as provided in *this amendatory act shall derogate from the claims or rights of the creditors of the municipal corporation or impair the ability of the municipal corporation to respond to its debts and obligations. [1975 1st ex.s. c 188 § 8.]

*Reviser's note: "this amendatory act" [1975 1st ex.s. c 188] consists of RCW 36.94.310 through 36.94.360, 36.94.921, 57.06.140 through 57.06.170, and amendments to RCW 36.67.060, 36.94.140, 36.94.150, 36.94.210, 36.94.220, 39.44.020, and 57.12.020.

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.330 Transfer of system from municipal corporation to county—Transfer agreement. The governing body of a municipal corporation proposing to transfer all or part of its property to a county in the manner provided by RCW 36.94.310 through 36.94.350 and the legislative authority of a county proposing to accept such property, and to assume if it so agrees any indebtedness of the municipal corporation in consideration of such transfer, shall adopt resolutions or ordinances authorizing respectively the execution of a written agreement setting forth the terms and conditions upon which they have agreed and finding the transfer and acquisition of property pursuant to such agreement to be in the public interest and conducive to the public health, safety, welfare, or convenience. Such written agreement may include provisions, by way of description and not by way of limitation, for the rights, powers, duties, and obligations of such municipal corporation and county with regard to the use and ownership of property, the providing of services, the maintenance and operation of facilities, the allocation of costs, the financing and construction of new facilities, the application and use of assets, the disposition of liabilities and indebtedness, the performance of contractual obligations, and any other matters relating to the proposed transfer of property, which may be preceded by an interim period of operation by the county of the property and facilities subsequently to be transferred to that county. The agreement may provide for a period of time during which the municipal corporation may continue to exercise certain rights, privileges, powers, and functions authorized to it by law including the ability to promulgate rules and regulations, to levy and collect special assessments, rates, charges, service charges and connection fees, and to adopt and carry out the provisions of a comprehensive plan, and amendments thereto, for a system of improvements and to issue general obligation bonds or revenue bonds in the manner provided by law, or the agreement may provide for the exercise for a period of time of all or some of such rights, privileges, powers, and functions by the county. The agreement may provide that either party thereto may authorize, issue and sell, in the manner provided by law, revenue bonds to provide funds for new water or sewer improvements or to refund or advance refund any water revenue, sewer revenue or combined water and sewer revenue bonds outstanding of either or both such parties. The agreement may provide that either party thereto may authorize and issue, in the manner provided by law, general obligation or revenue bonds of like amounts, terms, conditions and covenants as the outstanding bonds of either or both such parties and such new bonds may be substituted or exchanged for such outstanding bonds to the extent permitted by law. Such petition shall ask that the court approve and direct the proposed transfer of property, and any assumption of indebtedness agreed to in consideration thereof by the county, after finding such transfer and acquisition of property to be in the public interest and conducive to the public health, safety, welfare, or convenience. Such petition shall be signed by the members of the legislative authority of the county or chief administrative officer of the municipal corporation and the chairman of the legislative authority of the county, respectively, upon authorization by the governing body of the municipal corporation and the legislative authority of the county.

Within thirty days after the filing of the petition of the parties with copies of their agreement and the resolutions authorizing its execution attached thereto, the court shall by order fix a date for a hearing on the petition not less than twenty nor more than ninety days after the entry of such order which also shall prescribe the form and manner of notice of such hearing to be given. After considering the petition and such evidence as may be presented at the hearing thereon, the court may determine by decree that the proposed transfer of property is in the public interest and conducive to the public health, safety, welfare, or convenience, approve the agreement of the parties and direct that such transfer be accomplished in accordance with that agreement at the time and in the manner prescribed by the court decree. [1975 1st ex.s. c 188 § 10.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.350 Transfer of system from municipal corporation to county—Dissolution of municipal corporation. In the event the agreement of the parties provides for the transfer to the county of all the property of the municipal corporation or all such property except bond redemption funds in the possession of the county treasurer from which outstanding bonds of the municipal corporation are payable, and the agreement also provides for the assumption and payment by the county of all the indebtedness of the municipal corporation including the payment and retirement of all its outstanding bonds, and if the petition of the parties so requests, the court in the decree approving and directing the transfer of property, or in a subsequent decree, may dissolve the municipal corporation effective as of the time of transfer of property or at such time thereafter as the court may determine and establish. [1975 1st ex.s. c 188 § 11.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.360 Transfer of system from municipal corporation to county—RCW 36.94.310 through 36.94.350 deemed alternative method. The provisions of RCW 36.94.310 through 36.94.350 shall be deemed to provide an alternative method for the doing of the things therein authorized and shall not be construed as imposing any additional conditions upon the exercise of any other powers vested in municipal corporations or counties. [1975 1st ex.s. c 188 § 12.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.900 Declaration of purpose. This chapter is hereby declared to be necessary for the public peace, health, safety and welfare and declared to be a county purpose and that the bonds and special assessments authorized hereby are found to be for a public purpose. [1967 c 72 § 33.]

[1967 c 72 § 32.]

36.94.921 Severability—1975 1st ex.s. c 188. If any provision of this 1975 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances shall not be affected. 36.95.010 Purpose. The purposes of a television reception improvement district, hereinafter referred to in this chapter as "district", shall be to serve the public interest, convenience, and necessity in the construction, maintenance, and operation of television translator stations, including appropriate electric or electronic devices for increasing television program distribution, but said purposes are not meant to include the construction or operation of television cable systems, commonly known and referred to as cable TV systems or CATV. [1971 ex.s. c 155 § 1.]

36.95.020 Boundaries—Territory excluded. A district's boundary may include any part or all of any class county and may include any part or all of any incorporated area located within the county. A district's boundary may not include any territory already being served by a cable TV system (CATV) unless on August 9, 1971 there is a translator station retransmitting television signals to such territory. [1971 ex.s. c 155 § 2.]

36.95.030 Petition to form—Contents. A petition to form a district may be presented to the board of county commissioners and such petition shall include: (1) A description of the purposes of the petition; (2) a description of the purposes and powers of the proposed district; (3) a description of the boundaries of the proposed district; and (4) the signatures of more than fifty percent of the registered voters residing within the boundaries of the proposed district. [1971 ex.s. c 155 § 3.]

36.95.040 Notice of text of petition, meeting where will be considered. If the board of county commissioners, with the assistance of other appropriate county officers, finds the petition filed under RCW 36.95.030 satisfies the requirements of that section, it shall cause the text of the petition to be published once a week for at least three consecutive weeks in a newspaper of general circulation within the county where the petition is presented. With the publication of the petition there shall be published a notice of the time, date, and place of the public meeting of the county commissioners when the petition will be considered, stating that persons interested may appear and be heard. [1971 ex.s. c 155 § 4.]

36.95.050 Resolution creating district. If after the public meeting or meetings on the petition, the board of county commissioners finds that creation of the proposed district would serve the public interest, the board shall adopt a resolution granting the petition and creating the

district. Prior to adoption however, the board may amend the petition in the interest of carrying out the purposes of this chapter. [1971 ex.s. c 155 § 5.]

36.95.060 District board—Duties—How constituted—Quorum—Officers—Filling vacancies. The business of the district shall be conducted by the board of the television reception improvement district, hereinafter referred to as the "board". The board shall be constituted as provided under either subsection (1) or (2) of this section.

(1) The board of a district having boundaries different from the county's shall have either three, five, seven, or nine members, as determined by the board of county commissioners at the time the district is created. Each member shall be appointed by the board of county commissioners, shall reside within the boundaries of the district and each shall serve a three-year term, or until their successors are qualified, except that the board of county commissioners shall appoint one of the members of the first board to a one year term and two to two year terms. A majority of the members of the board shall constitute a quorum for the transaction of business, but the majority vote of the board members shall be necessary for any action taken by the board. The board shall elect from among its members a chairman and such other officers as may be necessary. In the event a seat on the board is vacated prior to the expiration of the term of the member appointed to such seat, the board of county commissioners shall appoint a person to complete such unexpired term.

(2) Upon the creation of a district having boundaries identical to those of the county (a county-wide district), the county commissioners shall be the members of the board of the district and shall have all the powers and duties of such board as provided under the other sections of this chapter. The county commissioners shall be reimbursed pursuant to the provisions of RCW 36.95.070, and shall conduct the business of the district according to the regular rules and procedures applicable to meetings of the board of county commissioners. [1971 ex.s. c 155 § 6.]

36.95.070 District board—Reimbursement of members for expenses. Members of the board shall receive no compensation for their services, but shall be reimbursed from district funds for any actual and necessary expenses incurred by them in the performance of their official duties. [1971 ex.s. c 155 § 7.]

36.95.080 List of television set owners. An owner of a television set within the district shall be exempt from paying any tax on such set under this chapter: (1) If either (a) his television set does not receive at least a class grade B contour signal retransmitted by the television translator station or other similar device operated by the district, as such class is defined under regulations of the Federal Communications Commission as of August 9, 1971, or (b) he is currently subscribing to and receiving the services of a community antenna system (CATV) to which his television set is connected; and (2) if he filed a statement with the board claiming his grounds for exemption. Space for such statement shall be provided for in the tax notice which the treasurer shall send to taxpayers in behalf of the district. [1975 c 11 § 1; 1971 ex.s. c 155 § 10.]

36.95.110 Liability for delinquent tax and costs. Any person owing the excise tax provided for under this chapter and who fails to pay the same within sixty days after the county treasurer has sent the tax bill to him, shall be deemed to be delinquent. Such person shall be liable for all costs to the county or district attributable to collecting the tax but no such excise tax or costs, nor any judgment based thereon, shall be deemed to create a lien against real property. [1971 ex.s. c 155 § 11.]

36.95.120 Prorating tax. The board may adopt rules providing for prorating of tax bills for persons who have not owned a television set within the district for a full tax year. [1971 ex.s. c 155 § 12.]

36.95.130 District board—Powers generally. In addition to other powers provided for under this chapter, the board shall have the following powers:

[1971 ex.s. c 155 § 14.]

36.95.150 Claims against district board—Procedure upon allowance. Any claim against the district shall be presented to the board. A public utility district is inactive when it is characterized by both criteria (a) and (b) of this subsection. [1979 1st ex.s. c 5 § 1.]

36.96.020 County auditor to notify county legislative authority of inactive special purpose districts. On or before June 1st of 1980, and on or before June 1st of every year thereafter, each county auditor shall search available records and notify the county legislative authority if any special purpose districts located wholly or partially within the county appear to be inactive. Each county auditor shall also provide in the notifications made in 1982 and thereafter a list of all special purpose districts located wholly or partially within the county which, for three consecutive years before the notification, have failed to file statements with the county auditor as required in RCW 36.96.090. If the territory of any special purpose district is located within more than one county, the legislative authorities of all other counties within whose boundaries such a special purpose district lies shall also be notified by the county auditor. However, the authority to dissolve such a special purpose district as provided by this chapter shall rest solely with the legislative authority of the county which contains the greatest geographic portion of such special purpose district. [1979 1st ex.s. c 5 § 2.]

36.96.030 Determination of inactive special purpose districts—Public hearing—Notice. (1) Upon receipt of notice from the county auditor as provided in RCW 36.96.020, the county legislative authority within whose boundaries all or the greatest portion of such special purpose district lies shall hold one or more public hearings on or before September 1st of the same year to determine whether or not such special purpose district or districts meet either of the criteria for being "inactive"

as provided in RCW 36.96.010: *Provided*, That if such a special purpose district is a public utility district, the county legislative authority shall determine whether or not the public utility district meets both criteria of being "inactive" as provided in RCW 36.96.010. In addition, at any time a county legislative authority may hold hearings on the dissolution of any special purpose district that appears to meet the criteria of being "inactive" and dissolve such a district pursuant to the proceedings provided for in RCW 36.96.030 through 36.96.080.

(2) Notice of such public hearings shall be given by publication at least once each week for not less than three successive weeks in a newspaper that is in general circulation within the boundaries of the special purpose district or districts. Notice of such hearings shall also be mailed to each member of the governing authority of such special purpose districts, if such members are known, and to all persons known to have claims against any of the special purpose districts. Notice of such public hearings shall be posted in at least three conspicuous places within the boundaries of each special purpose district that is a subject of such hearings. Whenever a county legislative authority that is conducting such a public hearing on the dissolution of one or more of a particular kind of special purpose district is aware of the existence of an association of such special purpose districts, it shall also mail notice of the hearing to the association. In addition, whenever a special purpose district that lies in more than one county is a subject of such a public hearing, notice shall also be mailed to the legislative authorities of all other counties within whose boundaries the special purpose district lies. All notices shall state the purpose, time, and place of such hearings, and that all interested persons may appear and be heard. [1979 1st ex.s. c 5 § 3.]

36.96.040 Dissolution of inactive special purpose district by county legislative authority—Written findings. After such hearings, the county legislative authority shall make written findings whether each of the special purpose districts that was a subject of the hearings meets each of the criteria of being "inactive." Whenever a special purpose district other than a public utility district has been found to meet a criterion of being inactive, or a public utility district has been found to meet both criteria of being inactive, the county legislative authority shall adopt an ordinance dissolving the special purpose district if it also makes additional written findings detailing why it is in the public interest that the special purpose district be dissolved. Except for the purpose of winding up its affairs as provided by this chapter, a special purpose district that is so dissolved shall cease to exist thirty-one days after adoption of the dissolution ordinance. [1979 1st ex.s. c 5 § 4.]

36.96.050 Application for writ of prohibition or mandamus by interested party—Procedure. The action of the county legislative authority dissolving a special purpose district pursuant to RCW 36.96.040 shall be final and conclusive unless within thirty days of the adoption of the ordinance an interested party makes application to a court of competent jurisdiction for a

writ of prohibition or writ of mandamus. At the hearing upon such a writ, the applicant shall have the full burden of demonstrating that the particular special purpose district, other than a public utility district, does not meet either of the criteria of being inactive or that it is not in the public interest that the special purpose district be dissolved: *Provided*, That where the particular special purpose district subject to the dissolution proceedings is a public utility district, the applicant shall have the full burden of demonstrating that the public utility district either does not meet both the criteria of being inactive or that it is not in the public interest to dissolve the public utility district. [1979 1st ex.s. c 5 § 5.]

36.96.060 Dissolution of inactive special purpose district by county legislative authority—Powers and duties. For the sole and exclusive purpose of winding up the affairs of a dissolved special purpose district, the county legislative authority, acting as a board of trustees, shall have the same powers and duties as the governing authority of the dissolved special purpose district including the following:

(1) To exchange, sell, or otherwise dispose of all property, real and personal, of the dissolved special purpose district; and

(2) To settle all obligations of such special purpose district. Such powers and duties shall commence upon the effective date of dissolution and shall continue thereafter until such time as the affairs of the dissolved special purpose district have been completely wound up. [1979 1st ex.s. c 5 § 6.]

36.96.070 Dissolved special purpose district—Disposition of property. Any moneys or funds of the dissolved special purpose district and any moneys or funds received by the board of trustees from the sale or other disposition of any property of the dissolved special purpose district shall be used, to the extent necessary, for the payment or settlement of any outstanding obligations of the dissolved special purpose district. Any remaining moneys or funds shall be used to pay the county legislative authority for all costs and expenses incurred in the dissolution and liquidation of the dissolved special purpose district. Thereafter, any remaining moneys, funds, or property shall become that of the county in which the dissolved special purpose district was located: *Provided*, That if the territory of the dissolved special purpose district was located within more than one county, the remaining moneys, funds, and personal property shall be apportioned and distributed to each county in the proportion that the geographical area of the dissolved special purpose district within the county bears to the total geographical area of the dissolved special purpose district, and any remaining real property or improvements to real property shall be transferred to the county within whose boundaries it lies. [1979 1st ex.s. c 5 § 7.]

36.96.080 Dissolved special purpose district—Satisfaction of outstanding obligations. If the proceeds from the sale of any property of the special district together with any moneys or funds of the special purpose

district are insufficient to satisfy the outstanding obligations of the special purpose district, the county legislative authority, acting as a board of trustees, shall exercise any and all powers conferred upon it to satisfy such outstanding obligations: *Provided*, That in no case shall the board of trustees be obligated to satisfy such outstanding obligations from county moneys, funds, or other sources of revenue unless it would have been so obligated before initiation of the dissolution proceedings under this chapter. [1979 1st ex.s. c 5 § 8.]

36.96.090 Filing of annual statement by special purpose districts—Duties of county auditor. (1) Every special purpose district shall file a statement with the auditor of each county in which it lies on or before December 31st of every year, beginning in the year 1979. The initial statement filed by each special purpose district shall contain the following information:

(a) The name of the special purpose district and a general description of its location and geographical area within the county and within any other county;

(b) The statutes under which the special purpose district operates;

(c) The name, address, telephone number, and remaining term of office of each member of its governing authority; and

(d) The functions that the special purpose district is then presently performing and the purposes for which it was created.

Subsequent annual statements need only identify the special purpose district and any of the above detailed information that has changed in the last year.

(2) Each county auditor, on or before January 31, 1980, and on or before January 31st each year thereafter, shall forward to the state auditor a summation of the information contained in the statements required to be filed in subsection (1) of this section together with information of each special purpose district located wholly or partially within the county that has been dissolved during the preceding year. [1979 1st ex.s. c 5 § 9.]

36.96.900 Chapter not exclusive. The provisions of this chapter to dissolve inactive special purpose districts shall not be exclusive, and shall be in addition to any other method or methods provided by law to dissolve a special purpose district. [1979 1st ex.s. c 5 § 10.]

36.96.910 Savings—1979 1st ex.s. c 5. The enactment of *this act shall not have the effect of terminating, or in any way modifying, any liability, civil or criminal, which shall already be in existence on September 1, 1979. [1979 1st ex.s. c 5 § 11.]
